DEFINITIONS**13:44G-1.1 Purpose and scope**

(a) The rules contained in this chapter implement the provisions of the Social Workers' Licensing Act of 1991, P.L. 1991, c.134, and regulate the profession of social work within the State of New Jersey.

(b) This chapter shall apply to any individual licensed or certified by the State Board of Social Work Examiners, regardless of the setting where the individual is working.

(c) This chapter shall not apply to those individuals exempt from the provisions of the Act pursuant to N.J.S.A. 45:15BB-5.

Amended by R.1998 d.66, effective January 20, 1998.

See: 29 N.J.R. 4388(a), 30 N.J.R. 372(b).

Rewrote (b) and (c).

13:44G-1.2 Definitions

The following words and terms, as used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Clinical social work" means the professional application of social work methods and values in the assessment and psychotherapeutic counseling of individuals, families, or groups.

"Clinical social work services" means social work services which may be performed only by a licensed clinical social worker or a licensed social worker under supervision pursuant to N.J.A.C. 13:44G-8. Clinical social work services include, but are not limited to, the following:

1. Clinical assessment, defined as the process of evaluation in which a licensed clinical social worker or a licensed social worker conducts a differential, individualized and accurate identification of the psycho-social/behavioral problems existing in the life of the individual client, the family or group for the purpose of establishing a plan to implement a course of psychotherapeutic counseling. A clinical social work assessment includes, but is not limited to, a mental status examination and a psychosocial history. The clinical social worker may utilize currently accepted diagnostic classifications including, but not limited to, the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, as amended and supplemented.

2. Clinical consultation, defined as ongoing case discussion and evaluation focusing on, but not limited to, clinical social work data, clinical goals and treatment plans for the implementation of psychotherapeutic counseling with individuals, groups and families. Clinical consultation may also include intervention with appropriate individuals and entities;

3. Psychotherapeutic counseling, defined as ongoing interaction between a social worker and an individual, family or group for the purpose of helping to resolve symptoms of mental disorder, psychosocial stress, relationship problems or difficulties in coping with the social environment;

4. Client centered advocacy, defined as the service in which, as part of the psychotherapeutic process, the social worker functions on behalf of individuals, families or groups to bring about or influence change to improve the quality of life, enhance empowerment and assure the basic rights of the client; and

5. Clinical supervision of individuals pursuant to the standards set forth in N.J.A.C. 13:44G-8.1.

"Social work" means the activity directed at enhancing, protecting or restoring a person's capacity for social functioning, whether impaired by physical, environmental, or emotional factors.

"Social work services" means services which may be performed only by a Board licensee or certificate holder. Social work services include, but are not limited to, the following:

1. "Social work assessment," defined as identifying problems and gathering sufficient information to make referrals and to determine and implement a plan of social care and action;

2. "Social work counseling," defined as the professional application of social work methods and values in advising and providing guidance to individuals, families or groups for the purpose of enhancing, protecting or restoring the capacity for coping with the social environment, exclusive of the practice of psychotherapy and includes giving advice, delineating alternatives, helping to articulate goals and providing needed information.

3. "Social work consultation," defined as discussion and evaluation focusing on data, goals and objectives, including intervention with individuals, agencies, businesses, organizations, groups and communities for purposes of problem solving;

4. "Social work planning," defined as specifying future objectives, evaluating the means for achieving them, including identifying appropriate resources, and making deliberate choices about appropriate courses of action in order to enhance social well-being;
