(P.L. 1995, c.155), the Division of Developmental Disabilities, Department of Human Services (Division), intends this chapter to establish guidelines and criteria for determination of eligibility for services, to individuals with developmental disabilities. The applicant shall apply for all benefits for which he or she may be eligible. The Division shall not provide services when those services may be available through other sources. Before the Division offers services covered under the waiver, the individual and/or representative payee is responsible to apply through the Division for the Medicaid DDD Community Care Waiver and comply with all the requirements of eligibility for these benefits. The individual is also responsible to maintain eligibility for those benefits by ensuring they have no more than \$2,000 in cash assets. All other eligibility criteria in this chapter remain the same.

(b) When an individual receives residential services from the Division, they are required to contribute to the cost of care and maintenance. The requirements and financial ability of the individual and that of their legally responsible relatives to contribute to the cost of care and maintenance are set forth in N.J.A.C. 10:46D, Contributions for Care.

(c) The availability of services shall be limited to the Division's funding in a given fiscal year.

(d) When a person is determined eligible for services, he or she may receive those State-funded services that are available at that time.

(e) The eligible person shall be notified by the Division of the availability of waiver services. At that time, the Division will provide the application for the Medicaid DDD Community Care Waiver.

(f) Any person under the age of 18 who is determined by the Division to be eligible for ICF/MR services may be found eligible for the Medicaid DDD Community Care Waiver without deeming of the family's income. The eligible person shall be notified by the Division of the availability of waiver services. At that time, the Division will provide the

application for the Medicaid DDD Community Care Waiver. The individual shall meet all other eligibility requirements.

(g) To the extent practicable, written material shall be provided in the individual's primary language and in alternate formats as needed.
