Disappointing

Crashes often, won't refresh. Map does not refresh automatically and have to switch back and forth to refresh. Can't add locations and have to call. Call wait times are longer than 10-15 mins.

No estimated pickup or drop off times provided ...

The app doesn't provide estimated pick up or drop off times like on the website. This makes using the app unrealistic when more information is available on the website. I tried reporting the issue to [more](#)

Appreciate for mobile devices improvements

This app is broken the app needs major improvement in a lot of areas like the UI could major adjustment for more user friendly navigation more user opinions need to be added Tracking info [more](#)
