Joint Committee's Report.

STATE OF NEW JERSEY,
OFFICE OF STATE TREASURER,
TRENTON, November 22d, 1901.

To the Senate and General Assembly of the State of New Jersey:

The Joint Committee on Treasurer's Accounts have met and carefully examined the several accounts, balances in bank and the various securities of the State of New Jersey and find them correct in every particular.

We find the securities attached to the various funds severally accounted for and in the proper custody and possession of the treasurer.

Our examination of the responsible work of the State Treasurer's Department reveals careful, methodical and efficient methods, and your committee have nothing to recommend, but cordially commend the State Treasurer and his able assistants upon their very satisfactory and efficient conduct of the business and financial department of the State.
