Governor To Bike Through Monmouth and Ocean Counties, Meet with Miss America on Monday

Gov. Christie Whitman will continue her annual shore bike tour tomorrow visiting shore businesses and towns in Ocean and Monmouth Counties.

The two-day, 55-mile tour kicked off in Atlantic City on Friday and concludes tomorrow in Avon-by-the-Sea. The Governor will be joined by bikers from various state biking clubs.

While at the shore, the Governor will sign legislation requiring the use of life vests on boats by all children under the age of 12.

A press van will be available for press wishing to cover the entire bike tour.

Also on Saturday, Gov. Whitman will attend the Second Annual Governor's Bowl football game between high school all-stars from New York and New Jersey.

On Monday, the Governor will be joined by Miss America Nicole Johnson to discuss diabetes awareness.
