Commissioner

**MEDICAID COMMUNICATION NO.** 97-3      **DATE:** February 7, 1997

**TO:** County Welfare Agency Directors  
Tax Security Liaisons  
Institutional Services Section Area Supervisors

**SUBJECT:** Rescheduling of IRS/IEVS  
Annual Run against Tax Year 1995

The purpose of this Communication is to provide you with a revised schedule for the IRS/IEVS matching process which was addressed in Medicaid Communication 96-20, dated October 10, 1996. Communication 96-20 advised you of our intent to combine new applicant months July, August and September 1996 in order to initiate monthly matching for Tax Year 1995. It was our intent to have this match data to you by early November 1996, but it was not generated until early December.

The Communication also indicated that the Annual Run data generated for Tax Year 1995 was anticipated for output by mid-December. However, due to a scheduling error, you can anticipate the receipt of this data by late February 1997. Additionally, the October 1996 new applicant matches will be combined with the Annual Run. The IEVS Resource Reports (FD-348 documents) which were generated for individuals as a result of the July, August, and September 1996 combined match will be suppressed during the Annual Run so that no duplication occurs.

We apologize for the delay and appreciate your anticipated cooperation in this matter. We expect our scheduling of the IEVS matches to be up-to-date as a result of the processing of this Annual Run. Any questions concerning this Communication should be directed to Ms. Ginni Elmer of the Division's Office of Information Systems, at (609) 588-2762.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen I. Squarrell".
