#### **Governor Whitman to Campaign for Candidate Lincoln Almond, Tour Saw Mill and Sign Management Agreement for Tidal Wetlands**

Gov. Christie Whitman tomorrow will demonstrate her commitment to open space preservation when she tours the Saw Mill Trail portion of the Meadows Path in Lyndhurst. The Meadows Path is a 21-mile pedestrian trail that will span the length of the Hackensack Meadowlands District from Little Ferry to Kearny.

The Governor also will sign the Bureau of Tidelands Riparian Management Rights Agreement. The agreement will allow the Hackensack Meadowlands Development Commission (HMDC) to manage 1,563 additional acres of tidal wetlands in Lyndhurst, North Arlington and Kearny.
