Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student’s SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

**Student Growth**

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

**English Language Arts/Literacy Assessment - Participation and Performance**

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

**English Language Progress to Proficiency**

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

**English Language Proficiency Test - Participation and Performance**

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

**NJASK Science Assessment Information**

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school’s culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

**Chronic Absenteeism**

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average (“Not Met”) or less than or equal to the state average (“Met”).

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

**Violence, Vandalism, HIB, and Substance Offenses**

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	0

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

**Student Disciplinary Removals**

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

**School Day**

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:30 AM
Typical End Time	3:00 PM
Length of School Day	6 Hrs 30 Mins
Full Time - Instructional Time	6 Hrs 10 Mins

**Device Ratios**

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	3.2:1

**Per-Pupil Expenditures (District Level)**

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

**Comprehensive Status**

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

**Targeted Status**

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

**Accountability Indicator Scores and Summative Rating - 2017-18 School Year**

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Score	Weight
English Language Arts Proficiency	51.54	17.5%
Mathematics Proficiency	69.08	17.5%
English Language Arts Growth	76.30	25.0%
Mathematics Growth	90.56	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	88.85	15.0%
<b>Summative Score:</b> Sum of all indicator scores multiplied by indicator weights	76.15	n/a
<b>Summative Rating:</b> Percentile Rank of Summative Score	87.09	n/a
<b>Requires Comprehensive Support:</b> Summative Rating is less than or equal to 5 <sup>th</sup> percentile	No	n/a

**Accountability Summary by Student Group - 2017-18 School Year**

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

**Staff and Professional Learning:**

Students are supported by a faculty that is collaborative and engages in professional growth opportunities to support learning. Teachers focus on providing hands-on learning opportunities that challenge students to think critically while recognizing the importance of their own professional growth. The staff is traditional yet innovative, creative yet conservative, and always intent on enhancing the curriculum to meet district goals. Placing students in an active role through hands-on and experiential activities, our teachers foster an exciting learning environment in which critical thinking and creativity are consistently emphasized. Teachers have participated in various trainings throughout the year including Writer’s Workshop, NGSS, student engagement and specialized programs such as Orton-Gillingham.

 <p><b>Student Supports and Services:</b></p>	<p>Student support services are provided to all children who are identified as ELL, special education or in need of intervention services. Supported by a dedicated intervention committee and Child Study Team, the staff and parents work collaboratively to create individualized plans to address every child's need.</p>
 <p><b>Student Health and Wellness:</b></p>	<p>Student health and wellness are priorities for our staff, seeking opportunities to promote emotional health through a comprehensive character education program as well as physical health with our physical education department. All children are provided with time above and beyond the state mandates to engage in physical fitness and health education each week. In addition, all children have dedicated recess time, where physical fitness is encouraged. Fitness events are held yearly with Field Day activities and Jump Rope for Heart.</p>
 <p><b>Parent and Community Involvement:</b></p>	<p>Children are supported by an active Parent-Teacher Organization, Special Education Parent Advisory Group and a dedicated community. PTO and SEPAG meetings are held monthly and parents are encouraged to become active members. The community leaders and school administration work collaboratively in providing learning opportunities for students as well as communicating in the best interest of the children.</p>

 <p>Climate Surveys:</p>	<p>Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Teachers</p> <p>Climate surveys are developed within the district to gather feedback from various stakeholders within the school. Data from the survey is used to develop district goals and identify any needs. Overall, survey results are overwhelmingly positive in that our students perform at a high academic level and are offered a well-rounded, differentiated curriculum.</p>
 <p>Facilities:</p>	<p>Located in the rural, scenic hills of northern Warren County, Frelinghuysen Township School stands as a source of pride for the community, with a well-maintained building and grounds. Students have access to a comprehensive media center, art room with a kiln, music room, gymnasium, science room and an outdoor classroom.</p>
 <p>School Safety:</p>	<p>Working collaboratively with law enforcement, our school has had many recent upgrades to security including a double locking vestibule, security cameras and increased law enforcement presence. Security practices are consistently monitored and updated as recommendations are made from local and state law enforcement. Additionally, staff has been trained in recognizing mental health concerns, preventing HIB and encouraging a respectful school culture.</p>

 <p>Technology and STEM:</p>	<p>Technology integration continues to be a focus for the district as future plans provide for an expansion of a 1:1 initiative. Currently, students in grades 2-6 are learning in a 1:1 digital environment. Classrooms are equipped with smartboards and instruction is supported by research based digital learning programs. Students participate annually in a STEAM Fair, to enhance their 21st century learning skills, and are provided technology courses that focus on coding, design thinking and skill based applications.</p>
 <p>Early Childhood Education:</p>	<p>Preschool is offered for all 3 and 4 years olds on a tuition basis. Our half-day preschool program utilizes the Creative Curriculum and is supported by a comprehensive, multi-sensory language arts program, a hands-on approach in math and engaging opportunities for students to develop academically, socially and emotionally while learning through play.</p>
