NOTES: DEFINITIONS OF INMATES INCLUDED IN COUNTS

- a/ INMATES include inmates in institutions on the last day of the reporting period.
 Jurisdictional population is the total of state inmates housed in the prison complex, youth facilities and county jails.
 Past counts for major institutions may include the count for units that are no longer open. Housing security levels are designated as follows: SL I - community, SL II - minimum, SL III - medium, SL IV - maximum, SL V - close.
- b/ ADMISSIONS include commitments, parole returns for technical violation and prison and correctional returns from escape entered into the database each month.
- c/ DISCHARGE AT MAX includes offenders released upon expiration of maximum sentence and inmates released under the No Early Release Act (NERA). However, inmates released under NERA are supervised by parole: first degree offenders during five years; second degree offenders during three years.
