SUBCHAPTER 8. MAINTENANCE OF PROJECT RECORDS

13:40-8.1 Release of project records

(a) As used in this subchapter, the term "records" shall include, but not be limited to, any plans, reports, documents, field notes, or other items of work product generated for an engineering or land surveying project as contractually defined which would be reasonably necessary to the completion of the project for which the professional engineer or land surveyor was originally retained.

(b) Originals of records shall remain in possession of the professional engineer or land surveyor unless otherwise provided by statute or written contractual agreement.

(c) The client of a professional engineer or land surveyor shall be entitled to complete copies of all records generated for the engineering and/or land surveying project within a reasonable period of time after forwarding a written request to the professional engineer or land surveyor and upon payment of such proportion of fees as reflect the extent of all services performed.

1. Such copies may be signed but shall not be sealed where data utilized as the basis for the preparation of same may have changed since the date the documents were originally prepared.

2. A disclaimer shall be put on said documents which indicates that the data utilized in the documents may have changed. The disclaimer shall read as follows:

"This drawing/map/plat reflects conditions as of (insert place, date of the original drawing/map/plat) and may not show current conditions as of (insert the present date)."

(d) The professional engineer or land surveyor shall be compensated for the reasonable costs of research and reproduction for copies of records released pursuant to this rule.

Amended by R.1995 d.474, effective September 5, 1995.

See: 27 N.J.R. 1748(a), 27 N.J.R. 3370(a).

SUBCHAPTER 9. RESPONSIBLE CHARGE OF ENGINEERING OR LAND SURVEYING WORK

13:40-9.1 Supervision of subordinates; maintaining records of adequate supervision; acts reflecting inadequate supervision

(a) A licensee in responsible charge of an engineering or land surveying project shall render regular and effective supervision to those individuals performing services which directly and materially affect the quality and competence of engineering or land surveying work rendered by the licensee.

(b) A licensee shall maintain such records as are reasonably necessary to establish that the licensee exercised regular and effective supervision of an engineering or land surveying project of which he was in responsible charge.

(c) A licensee engaged in any of the following acts or practices shall be deemed not to have rendered the regular and effective supervision required herein:

1. The regular and continuous absence from principal office premises from which professional services are rendered; except for performance of field work or presence in a field office maintained exclusively for a specific project;
