Name of Grant Program: Women and Minorities in Construction Trades Program

Fiscal Year of Grant Program: FY2024 – Round 2

Application Due Date: No later than noon on March 15, 2024

Purpose for Which Funds will be Used: The Women and Minorities in Construction Trades Program seeks to eliminate economic barriers commonly associated with an individual's inability to invest in skills training and work readiness and connect women and/or minority populations to quality career and training opportunities in the building and construction industry. This grant program prepares women and minorities for employment and/or placement in building and construction trades occupations or other industry occupations, or Registered apprenticeship programs within the construction industry. Applicants are required to provide quality support services to ensure success for placement into employment.

Funding from this grant announcement shall be used to support training in the construction and building trades industry, including clean energy and lead abatement occupations. Occupations within the construction craft, administrative, support, or operational occupations are acceptable. This includes professional titles as well as skilled trades. This targeted, competitive opportunity is designed to provide funding to eligible organizations to provide construction trades training, placement services and quality support services to women and minority populations in accordance with the NGO. The following organizations are eligible to apply as the lead applicant:

- Any employer based in New Jersey or with a New Jersey presence;
- Workforce Intermediary Sponsors;
- Employer / Trade Associations;
- Any labor organization which represents workers in the occupation for which the apprentices will be trained;
- Labor/Management Partnership (public or private);
- New Jersey Local Education Agency (LEA);
- Public vocational schools within New Jersey;
- Public high schools within New Jersey;
- Two- and four-year institutions of higher education;
- Public or private non-profit organizations (including Community Based Organizations);
- Business or trade organizations representing a particular trade, group of trades, contractors or employers;
- Community-based organizations;
- New Jersey local Workforce Development Boards;
- Economic development organizations;
- State, Local, County governments within New Jersey;
- Any other private educational or training entity that is on the Eligible Training Provider List (ETPL).
