## Christie Administration Demands Passaic Valley Sewerage Commissioners Document and Explain Hiring Practices, Compensation and Perks

Tuesday, January 18, 2011 • Tags: [Jobs and the Economy](#)

Trenton, NJ - Today, Governor Christie's administration sent letters to each of the Passaic Valley Sewerage Commissioners demanding that they produce all relevant information relating to the hiring practices at the PVSC. Despite the Governor's current lack of veto authority over the PVSC, the Administration has continued to pressure the Commissioners to reform in accordance with sound ethical and fiscal practices.
