OF THE

STATE OF NEW JERSEY,

For the Year 1880.

COMMISSIONERS OF THE LIBRARY.

CHANCELLOR THEODORE RUNYON.
CHIEF JUSTICE MERCER BEASLEY.

COMPTROLLER EDWARD J. ANDERSON.

LIBRARIAN JAMES S. McDANOLDS.

REPORT.

OFFICE OF THE STATE LIBRARIAN,
TRENTON, N. J., NOV. 1st, 1880. }

To His Excellency George B. McClellan, Governor of New Jersey :

I have the honor to submit the following report for the year ending October 31st, 1880.

The additions to the library have been as follows :

From purchase, miscellaneous.....	83
From purchase, law.....	60
From subscription.....	15
From donation, books.....	48
From donation, newspapers.....	18
From United States.....	46
From State Treasurer.....	252
From State exchange.....	295
<hr/>	
Total additions.....	817
Number of books at last report.....	25,925
<hr/>	
Total number now in library.....	26,742

The additions to the library for the year past are smaller than usual for the reason that there was not sufficient funds to the credit of the library for needed purchases.

I called attention in my last report to the need of an increased appropriation, which was recommended in your last message, but the bill for that purpose was introduced so late in the session that it failed to become a law. Although the demand for books is constantly increasing, the income of the library is now smaller than it has been at any time for thirty years past, and is not sufficient for the needs of the library.

I respectfully suggest that there is urgent necessity for an additional annual appropriation.

I would also suggest that there should be provided a fire-proof safe or vault for the protection of valuable books and manuscripts, which could not be replaced if destroyed.

Respectfully submitted,

JAMES S. McDANOLDS,
State Librarian.
