

NJCCIC

NJ CYBERSECURITY & COMMUNICATIONS INTEGRATION CELL

THE WEEKLY BULLETIN | October 14, 2015

#NJCyber Webinar

Join us tomorrow, Thursday October 15, at 1:30pm, for our webinar on "[Staying Protected While Always Connected](#)" - the theme for the third week of National Cyber Security Awareness Month. Cyber Threat Intelligence Analysts from the NJCCIC will discuss the best practices and resources that everyone can take advantage of to avoid the most common threats facing Internet users, such as malware infections and account compromises.

Latest Cyber Alerts

[Multiple Vulnerabilities in Google Chrome](#)

Tip of the Week

"Mobile Security"

Almost all Americans, regardless of age, are using mobile devices. Often, mobile devices are used for sensitive activities, including banking, online shopping and social networking. Some of these activities require users to provide personal information such as their names, account numbers, addresses, email addresses and passwords.

No one is exempt from the threat of cyber crime, at home or on the go, but you can

Breach Notification

The NJCCIC would like to inform our members of the following data breach incidents announced over the last few weeks that potentially impact New Jersey residents.

[Dow Jones](#) - Unknown # of victims

[America's Thrift Stores](#) - Unknown # of victims

[T-Mobile/Experian](#) - 15 million customers

[Scottrade](#) - 4.6 million customers

[Trump Hotel Collection](#) - Unknown # of victims

follow these simple tips to stay safe online when connecting to the Internet from a mobile device:

- Think Before You Connect
- Guard Your Mobile Device
- Keep It Locked
- Update Your Mobile Software
- Only Connect to the Internet if Needed
- Know Your Apps
