RE: TEMPORARY SOLID WASTE EQUIPMENT AUTHORIZATION

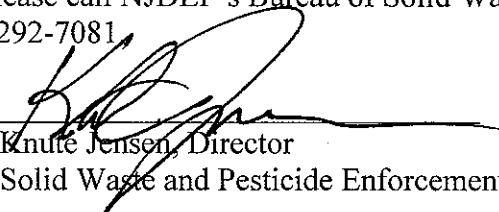

Dear NJ State, County or Municipal Entities and All NJ Permitted Solid Waste Disposal Facilities:

This letter serves as written confirmation that a **“Temporary”** registration has been issued to all New Jersey State, county, and municipal or entities to allow for the transportation and disposal of solid waste per Executive Order No.104, from the Office of the Governor and Administrative Order signed by Commissioner Martin, both dated October 27, 2012.

This temporary registration is limited to solid waste transportation equipment clearly marked with the name of the state, county or municipal entity. All other private vehicles contracted by a state, county or municipal entity must first register with NJDEP by completing the temporary registration form found at <http://www.nj.gov/dep/dshw/resource/forms.htm>. The form should be submitted to solidwasteemergencies@dep.state.nj.us or faxed to DEP at (609) 292-4539. Written approval must be obtained and kept in each unmarked or private vehicle employed.

This temporary registration and procedures shall remain in effect until **CLOSE OF BUSINESS**, November 29, 2012 or until such time as the storm-related state of emergency declared by Governor Christie’s Executive Order No. 104 has concluded or Commissioner Martin’s Administrative Order is rescinded, whichever of these three dates comes earliest.

If you have any questions or problems, please call NJDEP’s Bureau of Solid Waste Compliance and Enforcement at (609) 292-6305 or (609) 292-7081.
