Christie Administration Kicks Off Fourth Annual “Season of Service”

Monday, November 24, 2014

Tags: [Other](#)

Trenton, NJ – Beginning today, Christie Administration officials will volunteer their time and highlight service opportunities around the state as part of the fourth annual “Season of Service.” Continuing the success of previous service initiatives, this year’s November and December activities will continue to serve New Jersey’s most vulnerable residents with a particular focus in December on drug addiction treatment and recovery. This week, Cabinet officials will launch the beginning of the holiday season by packaging and serving Thanksgiving meals at various locations throughout the state.

Please see below for a full list of Administration officials who will be participating in community service events over the week of November 24 – 26. Any inquiries on the below events should be directed to the corresponding department or agency.
