## REPORT TO THE GOVERNOR.

There have been received \$100,000.00, and disbursed \$42.84, on United States War Account, leaving a balance still due of \$677,559.60.

The income of the School Fund being insufficient to meet the annual appropriation for the support of Public Schools, the deficiency was made up by a transfer of \$14,874.47 which is now due the War Fund. All the interest due on the Securities in my possession has been paid. By order of the Board of Trustees there were placed in the hands of the Attorney General for foreclosure the Bonds and Mortgages (amounting to \$39,807.89) of those persons who were delinquent in paying the interest due and over due, varying from one to seven years.
