New Jersey & Israel Sign Agreement to Strengthen Economic Ties

The New Jersey Economic Development Authority (EDA) and the Israel Innovation Authority (IIA) today announced the signing of a Memorandum of Understanding (MOU) to strengthen economic ties and enhance bi-lateral partnerships among innovators in the Garden State and the State of Israel.

The MOU outlines an agreement to further develop and strengthen economic, technological and commercial cooperation between the State of Israel and the State of New Jersey. It will help facilitate the identification of opportunities for growth in the innovation economy and foster a greater partnership between New Jersey and Israel. EDA Chief Executive Officer Tim Sullivan and IIA Chairman Amiram Appelbaum, who also serves as the Chief Scientist for the Israeli Ministry of Economy and Industry, signed the MOU in Jerusalem in the presence of Governor Phil Murphy and Ambassador Dani Dayan, Israel Consul General in New York.
