LAWS
AN ACT concerning lost or stolen electronic vehicle identification system transponders, amending N.J.S.2C:20-2 and supplementing Title 2C of the New Jersey Statutes and Title 27 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:20-2 is amended to read as follows:

**Consolidation of theft and computer criminal activity offenses; grading; provisions applicable to theft generally.**

2C:20-2. a. Consolidation of Theft and Computer Criminal Activity Offenses. Conduct denominated theft or computer criminal activity in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of theft or computer criminal activity may be supported by evidence that it was committed in any manner that would be theft or computer criminal activity under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if:

(a) The amount involved is $75,000.00 or more;

(b) The property is taken by extortion;

(c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the quantity is in excess of one kilogram;
(d) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is $75,000.00 or more; or

(e) The property stolen is human remains or any part thereof; except that, if the human remains are stolen by deception or falsification of a document by which a gift of all or part of a human body may be made pursuant to P.L.2008, c.50 (C.26:6-77 et al.), the theft constitutes a crime of the first degree.

(2) Theft constitutes a crime of the third degree if:

(a) The amount involved exceeds $500.00 but is less than $75,000.00;

(b) The property stolen is a firearm, motor vehicle, vessel, boat, horse, domestic companion animal or airplane;

(c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the amount involved is less than $75,000.00 or is undetermined and the quantity is one kilogram or less;

(d) It is from the person of the victim;

(e) It is in breach of an obligation by a person in his capacity as a fiduciary;

(f) It is by threat not amounting to extortion;

(g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant;

(h) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is less than $75,000.00;

(i) The property stolen is any real or personal property related to, necessary for, or derived from research, regardless of value, including, but not limited to, any sample, specimens and components thereof, research subject, including any warm-blooded or cold-blooded animals being used for research or intended for use in research, supplies, records, data or test results, prototypes or equipment, as well as any proprietary information or other type of information related to research;

(j) The property stolen is a New Jersey Prescription Blank as referred to in R.S.45:14-14;

(k) The property stolen consists of an access device or a defaced access device; or
(1) The property stolen consists of anhydrous ammonia and the actor intends it to be used to manufacture methamphetamine.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00.

(4) Theft constitutes a disorderly persons offense if:

(a) The amount involved was less than $200.00; or

(b) The property stolen is an electronic vehicle identification system transponder.

The amount involved in a theft or computer criminal activity shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts or computer criminal activities committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft or computer criminal activity was from or committed against the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft or computer criminal activity only if it occurs after the parties have ceased living together.

C.2C:20-38 Penalty for theft of electronic vehicle identification system transponder.

2. Notwithstanding the provisions of Title 2C of the New Jersey Statutes to the contrary, a person convicted of theft of an electronic vehicle identification system transponder under subparagraph (b) of paragraph (4) of subsection b. of N.J.S.2C:20-2 shall, in lieu of the fine prescribed for that offense, be subject to a fine of not less than $500 nor more than $10,000 upon conviction.

(1) unauthorized charges of $50 or more incurred prior to the reporting
of the transponder as lost or stolen; or

(2) unauthorized charges incurred after the reporting of the transponder
as lost or stolen.

b. When a customer reports in a timely manner to the operator of the
electric toll collection system the theft of a transponder and submits to
the operator a copy of the police report of the theft, the customer shall not
be charged any fees for the stolen transponder or for a replacement trans­
ponder.

b. The office shall be under the immediate supervision of a director, who shall be a person qualified by training and experience to direct the work of the office. The director shall administer the provisions of this act subject to review by the Chief Technology Officer and shall perform other duties as may be provided by law. The director shall be appointed by the Chief Technology Officer, but the commission shall advise the Chief Technology Officer on the qualifications of the director. The Chief Technology Officer is authorized to appoint, in accordance with Title 11A of the New Jersey Statutes, clerical, technical, and professional assistants, and also may designate any available personnel as shall be necessary to effectuate the purposes of this act.

The office shall designate a staff member from within the Office of Information Technology to be designated as a professional spectrum manager. The professional spectrum manager shall be responsible for approv-
ing all applications for public safety spectrum allocations in the State to ensure that the State fully complies with Federal Communications Commission rules that impact frequency allocation for public safety use. The spectrum manager may be chosen from among the current employees of the office and the chosen employee may continue the duties and responsibilities of their current position in addition to the duties and responsibilities of spectrum manager as provided in this section.

The office shall designate a staff member from within the Office of Information Technology to be designated the Statewide Interoperability Coordinator to coordinate interoperable communications grants and projects consistent with the National Communications Plan. The coordinator may be chosen from among the current employees of the office and the chosen employee may continue the duties and responsibilities of his current position in addition to the duties and responsibilities of coordinator as provided in this section.

The office shall, subject to review by the commission and the Chief Technology Officer, and in consultation with the council, the telephone companies, the Board of Public Utilities and the wireless telephone companies, and with the assistance of the Office of Information Technology in but not of the Department of the Treasury, continue to plan, design, implement, and coordinate the Statewide emergency enhanced 9-1-1 telephone system to be established pursuant to this act as well as any changes to that system needed to provide wireless enhanced 9-1-1 service.

To this end the office shall establish, after review and approval by the commission, in consultation with the council, a State plan for the emergency enhanced 9-1-1 system in this State, which plan shall include:

(1) The configuration of, and requirements for, the enhanced 9-1-1 network. The office with the approval of the commission and the Chief Technology Officer, in consultation with the council, only as provided herein, and assistance and advice of the Office of Information Technology in but not of the Department of the Treasury is empowered to enter into contracts for the provision of this network.

(2) The role and responsibilities of the counties and municipalities of the State in the implementation of the system, consistent with the provisions of this act, including a timetable for implementation.

(3) Technical and operational standards for the establishment of public safety answering points (PSAPs) which utilize enhanced 9-1-1 network features in accordance with the provisions of this act and in alignment with the Next Generation 9-1-1 Planning by the National 9-1-1 Office within the United States Department of Transportation, National Highway Traffic
Safety Administration. Those entities having responsibility for the creation and management of PSAPs shall conform to these standards in the design, implementation and operation of the PSAPs. The office, after review and approval by the commission and the Chief Technology Officer, in consultation with the council, only as provided herein, may update and revise the State plan from time to time.

The office may inspect each PSAP to determine if it meets the requirements of this act and the technical and operational standards established pursuant to this section. The office shall explore ways to maximize the reliability of the system.

The plan or any portion of it may be implemented by the adoption of regulations pursuant to subsection b. of section 15 of this act.

The State plan shall require the consolidation of PSAPs as appropriate, consistent with revisions in the plan to upgrade the enhanced 9-1-1 system and shall condition the allocation of moneys dedicated for the operation of PSAPs on the merging and sharing of PSAP functions by municipalities, counties and the State Police, consistent with the revised plan. The Treasurer may establish, by regulation, a 9-1-1 call volume minimum that may be utilized as a factor in determining which PSAP functions are to be consolidated under the State plan.

The State plan shall limit the use of sworn law enforcement officers to provide dispatch services and the office shall condition the receipt of moneys dedicated for the operation of PSAPs on the limited use of sworn law enforcement officers, except for officers returning to active duty from an injury or other physical disability.

The office shall plan, implement and coordinate a Statewide public education program designed to generate public awareness at all levels of the emergency enhanced 9-1-1 system. Advertising and display of 9-1-1 shall be in accordance with standards established by the office. Advertising expenses may be defrayed from the moneys appropriated to the office.

d. To this end, the office shall, subject to review and approval by the commission and the Chief Technology Officer, and in consultation with the council, develop a Statewide Communications Interoperability Plan, which shall include:

(1) the strategy to most effectively provide interoperability and coordinate public safety communications between and among State, county and municipal public safety agencies. The office shall submit recommendations
and proposals, as appropriate, to the Regional Planning Committees to which
the State is assigned by the Federal Communications Commission; and

(2) the role and responsibilities of the counties and municipalities of
the State in the implementation of the New Jersey Interoperable Commu­
nications System, consistent with the National Communications Plan and the
provisions of this act, including a timetable for implementation.

Approved January 28, 2011.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.48:3-98.2 Findings, declarations relative to a long-term capacity agreement pilot program to promote construction of qualified electric generation facilities.

1. The Legislature finds and declares:
   a. In 2007, PJM Interconnection, L.L.C., the firm that manages the regional electric power grid, changed the method of procuring capacity in the wholesale electricity market with the implementation of the reliability pricing model;
   b. The PJM reliability pricing model sought to create enhancements to the previously ineffective capacity procurement mechanism which had resulted in projected capacity deficiencies in New Jersey and other areas of the regional power grid. While the reliability pricing model has resulted in significant capacity additions in the form of new demand response resources, new energy efficiency resources, reversals of generation unit retirements, upgrades of existing generating units and certain new peaking facilities available to the region and the State, the reliability pricing model has not resulted in large additions of peaking facilities or any additions of intermediate or base load resources available to the region and the State;
   c. The PJM reliability pricing model could, through structural changes, provide necessary incentives, such as the expansion of the “New Entry Price Adjustment” mechanism for the construction of new capacity, including new intermediate and base load plants, by allowing new resources to qualify and receive a guaranteed capacity price for a longer period of time. However, the implementation of similar structural changes was previously denied by FERC and any future implementation is uncertain at this time;
   d. To address the lack of incentives under the reliability pricing model, the construction of new, efficient generation must be fostered by State policy that ensures sufficient generation is available to the region, and thus the users in the State in a timely and orderly manner;
   e. Due to PJM's lack of authority to order new generation as a means to mitigate local electrical system reliability concerns and solve other issues related to the lack of local generation, and since only PJM has the authority to order transmission system upgrades and expansions to mitigate electrical system reliability concerns caused by transmission system overloads or the lack of local generation being developed, New Jersey is experiencing an electric power capacity deficit and high power prices that may result in the loss of jobs and investment due to the necessity for the upgrade of the
transmission system to the west of New Jersey to ensure a reliable supply of electricity and capacity from generators located outside of New Jersey;

f. As a result of a lack of new, efficient electric generation facilities, New Jersey has become more reliant on coal-fired power plants;

g. The PJM State of the Market Report for 2009 by the PJM Independent Market Monitor states that there are over 11,000 megawatts ("MW") of coal-fired units at risk of retirement due to their inability to cover their avoided costs;

h. New Jersey’s in-State fleet of electric generation facilities is aging, with over 50 percent of these facilities being more than 30 years old and over 70 percent being more than 20 years old; and

i. Fostering and incentivizing the development of a limited program for new electric generation facilities will help ensure sufficient capacity to stabilize power prices to assist the State’s economic development and create opportunities for employment in the energy sector while helping to reduce the cost and volatility of electricity prices in New Jersey.

2. Section 3 of P.L. 1999, c. 23 (C. 48:3-51) is amended to read as follows:

(4) that the board establish a method and the contract terms for providing for selected eligible generators to receive payments from the electric public utilities for the difference between the SOCP and the RCP multiplied by the SOCA capacity in the event the SOCP is greater than the RCP for any applicable delivery year and for providing for electric public utilities to receive refunds from the selected eligible generators for the difference between the SOCP and the RCP multiplied by the SOCA capacity in the event the RCP is greater than the SOCP for any applicable delivery year;

(5) that no single eligible generator or its affiliate may enter into more than 700 megawatts of financially-settled standard offer capacity agreements;

(6) that the board establish criteria associated with the prequalification of eligible generators for participation in the LCAPP through a showing of environmental, economic, and community benefits, and through demonstration of reasonable certainty of completion of development, construction and permitting activities necessary to meet the desired in-service date;

C.48:3-98.4 Challenged provisions; final resolution.

4. If one or more provisions in P.L.2011, c.9 (C.48:3-98.2 et al.) are challenged in an administrative or judicial proceeding, the board may suspend the applicability of the challenged provision or provisions during the pendency of those proceedings until final resolution of the challenge and any appeals, and shall issue such orders and take such other actions as it deems appropriate to ensure that the provisions that are not challenged are implemented expeditiously to achieve the public purposes of P.L.2011, c.9 (C.48:3-98.2 et al.).

Any recovery by an insurer, health maintenance organization or governmental agency pursuant to this subsection shall be subject to any claim against the insured tortfeasor’s insurer by the injured party and shall be paid only after satisfaction of that claim, up to the limits of the insured tortfeasor’s motor vehicle or other liability insurance policy.
2. This act shall take effect immediately.

CHAPTER 12

AN ACT designating a portion of State Highway Route No. 35 in Monmouth County as the “Chosin Few Memorial Highway.”

WHEREAS, The Battle of Chosin Reservoir was a battle in the Korean War in which approximately 25,000 American-led United Nations (“UN”) troops, referred to as the “Chosin Few” or the “Frozen Chosin,” under the command of General Douglas MacArthur faced about 120,000 Chinese volunteers who were under instructions to completely eliminate their enemy; and

WHEREAS, The battle took place in below-freezing temperatures in a mountainous area in the northeastern part of North Korea and was fought over a ten-day period during the months of November and December in 1950; and

WHEREAS, After large numbers of Chinese soldiers surrounded the UN troops at the Chosin Reservoir, a brutal battle ensued, and, although they inflicted enormous casualties on the Chinese forces, the UN troops were forced to evacuate southward out of North Korea; and

WHEREAS, In their withdrawal, the troops were under furious attack from the Chinese, yet the Marines and soldiers who withdrew from the reservoir displayed great tenacity by successfully defending against every Chinese attack and destroying or effectively disabling all seven Chinese divisions that tried to block their escape; and

WHEREAS, Although the American forces fighting in the battle were forced to withdraw from the reservoir, the brave troops fought valiantly and, despite being far outnumbered, avoided annihilation and inflicted heavy casualties as approximately 40,000 Chinese troops were either killed or wounded during the campaign; and

WHEREAS, Time magazine once characterized the brutal and savage running fight from the Chosin Reservoir as a “battle unparalleled in U.S. military history” and “an epic of great suffering and great valor;” and

WHEREAS, Despite the heavy losses they endured, the United States Marines consider the Battle of Chosin Reservoir to be one of the proudest moments in the history of the corps; and
WHEREAS, The Chosin fighters, by decimating and halting the Chinese forces in the mountains, enabled the evacuation of 100,000 North Korean men, women and children, an evacuation which was formally described by the U.S. Government as “the greatest rescue operation in the history of mankind,” as never in recorded history had combatants rescued so many enemy civilians in the midst of battle; and

WHEREAS, A total of 17 Medals of Honor and 70 Navy Crosses were awarded for the Chosin campaign, the most ever for a single battle in U.S. military history, in addition to 12 Distinguished Service Crosses and 9,000 Purple Hearts; and

WHEREAS, The Korean War is often referred to as the “Forgotten War,” despite the vast numbers of brave and determined soldiers from New Jersey and across the United States who fought in the conflict, and the thousands who made the ultimate sacrifice defending their country in the struggle against the threat of Communism; and

WHEREAS, Founded in 1983, the Chosin Few is an organization with chapters across the country, including New Jersey, that is comprised of survivors of the Battle of Chosin Reservoir, and consists of members from all of the United States branches of service, as well as South Korean military veterans, former British Marine Commandos and former Royal Australian Air Force members, whose primary objective is to unite the survivors of the battle into one body of companionship and everlasting remembrance of those who did not survive; and

WHEREAS, It is altogether fitting and proper for a highway to be permanently dedicated to the Chosin Few to serve as a constant reminder of the brave fighting and heroic accomplishments that occurred during the Battle of Chosin Reservoir; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Commissioner of Transportation shall designate that portion of State Highway Route No. 35 located in the county of Monmouth as the “Chosin Few Memorial Highway” in honor of those soldiers who fought in the Battle of Chosin Reservoir during the Korean War and shall erect appropriate signs bearing this designation.

2. No State or other public funds shall be used for producing, purchasing, or erecting signs bearing the designation established pursuant to section 1 of this act. The Commissioner of Transportation is authorized to receive gifts, grants or other financial assistance from private sources for the
purpose of funding or reimbursing the Department of Transportation for the costs associated with producing, purchasing, and erecting signs bearing the designation established pursuant to section 1 of this act and entering into agreements related thereto, with such private sources, including but not limited to non-governmental non-profit, educational or charitable entities or institutions. No work shall proceed, and no funding shall be accepted by the Department of Transportation until an agreement has been reached with a responsible party for paying the costs associated with producing, purchasing, erecting and maintaining the signs.

3. This act shall take effect immediately.

Approved January 28, 2011.

CHAPTER 13

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:3-10 is amended to read as follows:

Licensing of drivers; classifications.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless the person is under supervision while participating in a behind-the-wheel driving course pursuant to section 6 of P.L.1977, c.25 (C.39:3-13.2a) or is in possession of a validated permit, or a probationary or basic driver's license issued to that person in accordance with this article.

No person under 18 years of age shall be issued a basic license to drive motor vehicles, nor shall a person be issued a validated permit, including a validated examination permit, until the applicant has passed a satisfactory examination and other requirements as to the applicant's ability as an operator. The examination shall include a test of the applicant's vision, the applicant's ability to understand traffic control devices, the applicant's knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, the ap-
plicant’s knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant, and of the laws and ordinary usages of the road. No person shall sit for an examination for any permit without exhibiting photo identification deemed acceptable by the commission, unless that person is a high school student participating in a course of automobile driving education approved by the State Department of Education and conducted in a public, parochial, or private school of this State, pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). The commission may waive the written law knowledge examination for any person 18 years of age or older possessing a valid driver’s license issued by any other state, the District of Columbia, or the United States Territories of American Samoa, Guam, Puerto Rico, or the Virgin Islands. The commission shall be required to provide that person with a booklet that highlights those motor vehicle laws unique to New Jersey. A road test shall be required for a probationary license and serve as a demonstration of the applicant’s ability to operate a vehicle of the class designated. No person shall sit for a road test unless that person exhibits photo identification deemed acceptable by the commission. A high school student who has completed a course of behind-the-wheel automobile driving education approved by the State Department of Education and conducted in a public, parochial, or private school of this State, who has been issued a special learner’s permit pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1) prior to January 1, 2003, shall not be required to exhibit photo identification in order to sit for a road test. The commission may waive the road test for any person 18 years of age or older possessing a valid driver’s license issued by any other state, the District of Columbia, or the United States Territories of American Samoa, Guam, Puerto Rico, or the Virgin Islands. The road test shall be given on public streets, where practicable and feasible, but may be preceded by an off-street screening process to assess basic skills. The commission shall approve locations for the road test which pose no more than a minimal risk of injury to the applicant, the examiner, and other motorists. No new locations for the road test shall be approved unless the test can be given on public streets.

A person who successfully completes a road test for a motorcycle license or a motorcycle endorsement when operating a motorcycle or motorized scooter with an engine displacement of less than 231 cubic centimeters shall be issued a motorcycle license or endorsement restricting the person’s operation of such vehicles to any motorcycle with an engine displacement of 500 cubic centimeters or less. A person who successfully completes a road test for a motorcycle license or motorcycle endorsement when operat-
ing a motorcycle with an engine displacement of 231 or more cubic centimeters shall be issued a motorcycle license or endorsement without any restriction as to engine displacement. Any person who successfully completes an approved motorcycle safety education course established pursuant to the provisions of section 1 of P.L.1991, c.452 (C.27:5F-36) shall be issued a motorcycle license or endorsement without restriction as to engine displacement.

The commission shall issue a basic driver's license to operate a motor vehicle other than a motorcycle to a person over 18 years of age who previously has not been licensed to drive a motor vehicle in this State or another jurisdiction only if that person has: (1) operated a passenger automobile in compliance with the requirements of this title for not less than one year, not including any period of suspension or postponement, from the date of issuance of a probationary license pursuant to section 4 of P.L.1950, c.127 (C.39:3-13.4); (2) not been assessed more than two motor vehicle points; (3) not been convicted in the previous year for a violation of R.S.39:4-50, section 2 of P.L.1981, c.512 (C.39:4-50.4a), P.L.1992, c.189 (C.39:4-50.14), R.S.39:4-129, N.J.S.2C:11-5, subsection c. of N.J.S.2C:12-1, or any other motor vehicle-related violation the commission determines to be significant and applicable pursuant to regulation; and (4) passed an examination of the applicant's ability to operate a motor vehicle pursuant to this section.

The commission shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health and Senior Services concerning the use of alcohol or drugs as related to highway safety. The commission shall develop in conjunction with the State Department of Health and Senior Services supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Up to 20 questions may be added to the examination on subjects to be determined by the commission that are of particular relevance to youthful drivers, after consultation with the Director of the Division of Highway Traffic Safety in the Department of Law and Public Safety.

The commission shall expand the driver's license examination to include a question asking whether the applicant is aware of the provisions of the "Revised Uniform Anatomical Gift Act," P.L.2008, c.50 (C.26:6-77 et al.) and the procedure for indicating on the driver's license the intention to make a donation of body organs or tissues pursuant to P.L.1978, c.181 (C.39:3-12.2).
Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the commission any current driver's license issued to the applicant by another state or jurisdiction upon the applicant's receipt of a driver's license for this State. The commission shall refuse to issue a driver's license if the applicant fails to comply with this provision. An applicant for a permit or license who is less than 18 years of age, and who holds a permit or license for a passenger automobile issued by another state or country that is valid or has expired within a time period designated by the commission, shall be subject to the permit and license requirements and penalties applicable to State permit and license applicants who are of the same age; except that if the other state or country has permit or license standards substantially similar to those of this State, the credentials of the other state or country shall be acceptable.

The commission shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering or any vehicle defined as a motorcycle pursuant to R.S.39:1-1 having a motor with a maximum piston displacement that is less than 50 cubic centimeters or a motor that is rated at no more than 1.5 brake horsepower with a maximum speed of no more than 35 miles per hour on a flat surface.

b. Omnibuses as classified by R.S.39:3-10.1 and school buses classified under N.J.S.18A:39-1 et seq.

c. (Deleted by amendment, P.L.1999, c.28).

d. All motor vehicles not included in classifications a. and b. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. shall be a holder of a basic driver's license. Any issuance of a license under classification b. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license. The holder of a basic driver's license or a separately issued motorcycle license shall be authorized to operate a motorcycle having a motor with a maximum piston displacement that is less than 50 cubic centimeters or a motor that is rated at no more than 1.5 brake horsepower with a maximum speed no more than 35 miles per hour on a flat surface.
The commission, upon payment of the lawful fee and after it or a person authorized by it has examined the applicant and is satisfied of the applicant's ability as an operator, may, in its discretion, issue a license to the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The commission may, at its discretion and for good cause shown, issue licenses which shall expire on a date fixed by it. If the commission issues a license to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard period of the license, the commission shall fix the expiration date of the license at a date based on the period in which the person is authorized to be present in the United States under federal immigration laws. The commission may renew such a license only if it is demonstrated that the person's continued presence in the United States is authorized under federal law. The fee for licenses with expiration dates fixed by the commission shall be fixed by the commission in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:

Motorcycle license or endorsement: $18.
Omnibus or school bus endorsement: $18.
Basic driver's license: $18.

The commission shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the commission's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The commission shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made in a manner prescribed by the commission and in accordance with procedures established by it.

The commission in its discretion may refuse to grant a permit or license to drive motor vehicles to a person who is, in its estimation, not a proper person to be granted such a permit or license, but no defect of the applicant shall debar the applicant from receiving a permit or license unless it can be shown by tests approved by the commission that the defect incapacitates the applicant from safely operating a motor vehicle.
in addition to requiring an applicant for a driver's license to submit satisfactory proof of identity and age, the commission also shall require the applicant to provide, as a condition for obtaining a permit and license, satisfactory proof that the applicant's presence in the United States is authorized under federal law.

If the commission has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the commission shall refuse to grant the permit or license until such time as the document may be verified by the issuing agency to the commission's satisfaction.

A person violating this section shall be subject to a fine not exceeding $500 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, the applicant shall be subject to a fine of not less than $200 and, in addition, the court shall issue an order to the commission requiring the commission to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the commission.

Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

2. Section 6 of P.L.1991, c.452 (C.39:3-10.31) is amended to read as follows:

C.39:3-10.31 Motorcycle road test, waiver.

6. The Chief Administrator of the Motor Vehicle Commission may waive the written law and knowledge and road test portion of the examinations required for a motorcycle license or endorsement under R.S.39:3-10 for the holder of an examination permit who has successfully completed a motorcycle safety education course established under the provisions of section 1 of P.L.1991, c.452 (C.27:5F-36).

3. R.S.39:3-13 is amended to read as follows:

Examination permits.

39:3-13. The chief administrator may, in the chief administrator's discretion, issue to a person over 17 years of age an examination permit, under the hand and seal of the chief administrator, allowing such person, for the
purpose of fitting the person to become a licensed driver, to operate a designated class of motor vehicles other than passenger automobiles and motorcycles for a specified period of not more than 90 days, while in the company and under the supervision of a driver licensed to operate such designated class of motor vehicles.

The chief administrator, in the chief administrator's discretion, may issue for a specified period of not less than one year a passenger automobile or motorcycle-only examination permit to a person over 17 years of age regardless of whether a person has completed a course of behind-the-wheel automobile driving education pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). An examination permit applicant who is under 18 years of age shall obtain the signature of a parent or guardian for submission to the commission on a form prescribed by the chief administrator. The chief administrator shall postpone for six months the driving privileges of any person who submits a fraudulent signature for a parent or guardian.

For six months immediately following the validation of an examination permit, and until the holder passes the road test, the holder who is less than 21 years of age shall operate the passenger automobile only when accompanied by, and under the supervision of, a New Jersey licensed driver who is at least 21 years of age and has been licensed to drive a passenger automobile for not less than three years. The holder of an examination permit who is at least 21 years of age shall operate the passenger automobile for the first three months under such supervision and until the holder passes the road test. The supervising driver of the passenger automobile shall sit in the front seat of the vehicle. Whenever operating a vehicle while in possession of an examination permit, the holder of the permit shall operate the passenger automobile with only one additional passenger in the vehicle excluding dependents of the permit holder, except that this passenger restriction shall not apply when the permit holder is at least 21 years of age or when the permit holder is accompanied by a parent or guardian. Further, the holder of the passenger automobile permit who is less than 21 years of age shall not drive during the hours between 11:01 p.m. and 5 a.m.; provided, however, that this condition may be waived for an emergency which, in the judgment of local police, is of sufficient severity and magnitude to substantially endanger the health, safety, welfare, or property of a person, or for any bona fide employment or religion-related activity if the employer or appropriate religious authority provides written verification of such activity in a manner provided for by the chief administrator. The holder of the examination permit shall not use any hand-held or hands-free interactive wireless communication device, except in an emergency, while operating a
moving passenger automobile on a public road or highway. "Use" shall include, but not be limited to, talking or listening on any hand-held or hands-free interactive wireless communication device or operating its keys, buttons, or other controls. The passenger automobile permit holder shall ensure that all occupants of the vehicle are secured in a properly adjusted and fastened seat belt or child restraint system.

The holder of an examination permit subject to the provisions of section 1 of P.L.1977, c.23 (C.39:3-10b) shall not operate a motorcycle at any time from a half-hour after sunset to a half-hour before sunrise. A motorcycle operated by the holder of an examination permit shall carry only the operator and shall not be operated on any toll road over which the New Jersey Turnpike Authority or the South Jersey Transportation Authority has jurisdiction or on any limited-access interstate highway.

The holder of any examination permit shall not operate a motorcycle having a motor with a maximum piston displacement that is less than 50 cubic centimeters or a motor that is rated at no more than 1.5 brake horsepower with a maximum speed of no more than 35 miles per hour on a flat surface at anytime from a half-hour after sunset to a half-hour before sunrise and shall not operate the motorcycle with any other passenger. The holder of any examination permit shall not operate such a motorcycle upon limited-access interstate highways or public roads or highways with a posted speed limit greater than 35 miles per hour.

An applicant for an examination permit subject to the provisions of section 1 of P.L.1977, c.23 (C.39:3-10b), who is less than 18 years of age, shall be required to successfully complete a motorcycle safety education course established pursuant to the provisions of section 1 of P.L.1991, c.452 (C.27:5F-36) as a condition for obtaining a motorcycle license or endorsement.

The chief administrator shall provide the holder of an examination permit with two removable, transferable, highly visible, reflective decals indicating that the driver of the vehicle may be the holder of an examination permit. The decals shall be designed by the chief administrator, in consultation with the Division of Highway Traffic Safety in the Department of Law and Public Safety. The chief administrator may charge a fee for the decals not to exceed the actual cost of producing and distributing the decals. The decals shall be displayed in a manner prescribed by the chief administrator, in consultation with the Division of Highway Traffic Safety in the Department of Law and Public Safety, and shall be clearly visible to law enforcement officers. The holder of an examination permit shall not operate a vehicle unless the decals are displayed. The decal shall be removed once the driver's examination permit period has ended.
When notified by a court of competent jurisdiction that an examination permit holder has been convicted of a violation which causes the permit holder to accumulate more than two motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1; or any other motor vehicle-related law the chief administrator deems significant and applicable pursuant to regulation, in addition to any other penalty that may be imposed, the chief administrator shall, without the exercise of discretion or a hearing, suspend the examination permit holder's examination permit for 90 days. The chief administrator shall restore the permit following the term of the permit suspension if the permit holder satisfactorily completes a remedial training course of not less than four hours which may be given by the commission, a driving school licensed by the chief administrator pursuant to section 2 of P.L.1951, c.216 (C.39:12-2), or any Statewide safety organization approved by the chief administrator. The course shall be subject to oversight by the commission according to its guidelines. The permit holder shall also remit a course fee prior to the commencement of the course. The chief administrator also shall postpone without the exercise of discretion or a hearing the issuance of a basic license for 90 days if the chief administrator is notified by a court of competent jurisdiction that the examination permit holder, after completion of the remedial training course, has been convicted of any motor vehicle violation which results in the imposition of any motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.182 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5, subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the chief administrator deems significant and applicable pursuant to regulation. When the chief administrator is notified by a court of competent jurisdiction that an examination permit holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle and is not otherwise subject to any other suspension penalty therefor, the chief administrator shall, without the exercise of discretion or a hearing, suspend the examination permit for six months.

An examination permit for a motorcycle or a commercial motor vehicle issued to a handicapped person, as determined by the New Jersey Motor Vehicle Commission after consultation with the Department of Education, shall be valid for nine months or until the completion of the road test portion of his license examination, whichever period is shorter.

Each permit shall be sufficient license for the person to operate such designated class of motor vehicles in this State during the period specified,
while in the company of and under the control of a driver licensed by this State to operate such designated class of motor vehicles, or, in the case of a commercial driver license permit, while in the company of and under the control of a holder of a valid commercial driver license for the appropriate license class and with the appropriate endorsements issued by this or any other state. Such person, as well as the licensed driver, except for a motor vehicle examiner administering a driving skills test, shall be held accountable for all violations of this subtitle committed by such person while in the presence of the licensed driver. In addition to requiring an applicant for an examination permit to submit satisfactory proof of identity and age, the chief administrator also shall require the applicant to provide, as a condition for obtaining the permit, satisfactory proof that the applicant's presence in the United States is authorized under federal law. If the chief administrator has reasonable cause to suspect that any document presented by an applicant as proof of identity, age, or legal residency is altered, false, or otherwise invalid, the chief administrator shall refuse to grant the permit until such time as the document may be verified by the issuing agency to the chief administrator's satisfaction.

The holder of an examination permit shall be required to take a road test in order to obtain a probationary license. No road test for any person who has been issued an examination permit to operate a passenger vehicle shall be given unless the person has met the requirements of this section. No road test for a probationary license shall be given unless the applicant has first secured an examination permit and no such road test shall be scheduled for an applicant who has secured an examination permit for a passenger vehicle or a motorcycle for which an endorsement is not required until at least six months for an applicant under 21 years of age or three months for an applicant 21 years of age or older shall have elapsed following the validation of the examination permit for practice driving or, in the case of an examination permit for other vehicles, until 20 days have elapsed. In the case of an omnibus endorsement or school bus, no road test shall be scheduled until at least 10 days shall have elapsed. Every applicant for an examination permit to qualify for an omnibus endorsement or an articulated vehicle endorsement shall be a holder of a valid basic driver's license.

The required fees for special learner's permits and examination permits shall be as follows:

The chief administrator shall waive the payment of fees for issuance of examination permits for omnibus endorsements whenever the applicant establishes to the chief administrator's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The specified period for which a permit is issued may be extended for not more than an additional 60 days, without payment of an added fee, upon application made by the holder thereof, where the holder has applied to take the examination for a driver's license prior to the expiration of the original period for which the permit was issued and the chief administrator was unable to schedule an examination during said period.

As a condition for the issuance of an examination permit under this section, the chief administrator shall secure a digitized picture of the applicant. The picture shall be stored in a manner prescribed by the chief administrator and may be displayed on the examination permit.

The chief administrator may require that whenever a person to whom an examination permit has been issued has reconstructive or cosmetic surgery which significantly alters the person's facial features, the person shall notify the chief administrator who may require the picture of the person to be updated.

Specific use of the examination permit and any information stored or encoded, electronically or otherwise, in relation thereto shall be in accordance with P.L.1997, c.188 (C.39:2-3.3 et seq.) and the federal Driver's Privacy Protection Act of 1994, Pub.L.103-322. Notwithstanding the provisions of any other law to the contrary, the digitized picture or any access thereto or any use thereof shall not be sold, leased, or exchanged for value.

4. Section 1 of P.L.1991, c.452 (C.27:5F-36) is amended to read as follows:

C.27:5F-36 Motorcycle safety education program.

1. a. The chief administrator of the New Jersey Motor Vehicle Commission shall establish a motorcycle safety education program. The program shall consist of a course of instruction and training designed to develop and instill the knowledge, attitudes, habits, and skills necessary for the safe operation and riding of a motorcycle and shall meet or exceed the standards and requirements of the rider's course developed by the Motorcycle Safety Foundation.

b. The motorcycle safety education course shall be open to any applicant for a New Jersey motorcycle license or endorsement and to any person
who has been issued a New Jersey motorcycle license or endorsement. The
course shall be scheduled for such times and places as the chief administra-
tor shall determine are appropriate to enable interested applicants for and
persons with motorcycle licenses and endorsements to participate.

c. The chief administrator may assign employees of the Motor Vehi-
cle Commission to serve as instructors for the course, or may contract with
such other persons who are certified as motorcycle safety education instruc-
tors pursuant to section 2 of P.L.1991, c.452 (C.27:5F-37) to serve as in-
structors for the course. A person with a motorcycle safety education in-
structor endorsement to an instructor's license issued pursuant to section 5
of P.L.1951, c.216 (C.39:12-5) may also be selected by the chief adminis-
trator to serve as an instructor for the course.

d. The chief administrator may impose a registration fee to be paid by
the participants in the course.

e. The motorcycle safety education course may also be provided by:
   (1) public and private educational institutions which are approved by
       the chief administrator to offer the course;
   (2) drivers' schools licensed pursuant to P.L.1951, c.216 (C.39:12-1 et
       seq.);
   (3) dealers engaged in the business of selling new motorcycles and
       licensed pursuant to R.S.39:10-19 and which are approved by the chief ad-
       ministrator to offer the course. A dealer approved to offer the motorcycle
       safety education course shall not restrict enrollment therein to persons who
       have purchased or agreed to purchase a motorcycle or other vehicle from
       that dealer, and shall not charge a higher fee for enrollment therein based
       upon whether a person has made or has agreed to make such a purchase; or
   (4) private entities which are approved by the chief administrator to
       offer the course. The motorcycle safety education course provided by a
       private entity shall meet or exceed the standards and requirements of the
       rider's course developed by the Motorcycle Safety Foundation including,
       but not limited to, course curriculum, motorcycle range, and motorcycle
       instructor certification.

f. Upon and after the effective date of this act, the chief administrator
may impose upon an entity seeking approval to provide the motorcycle
safety education course in accordance with subsection e. of this section, a
course certification fee for each location at which the entity intends to offer

In order to ensure coordination, compatibility, and consistency between the tourism district master plan and the city's master plan, the authority shall consult with the city in developing the tourism district master plan.

g. The tourism district master plan shall establish goals, policies, needs, and improvement of the tourism district, the implementation of clean and safe initiatives, and the expansion of the Atlantic City boardwalk area to reflect an authentic New Jersey boardwalk experience. The authority may consult with public and private entities, including, but not limited to, those entities that are present in, or that have been involved with the development of, boardwalk areas in New Jersey such as the boardwalk areas of Ocean City, the Wildwoods, and Cape May.

h. In developing the tourism district master plan, the authority shall place special emphasis upon the following:

(1) the facilitation, with minimal government direction, of the investment of private capital in the tourism district in a manner that promotes economic development;
(2) making use of marina facilities in a way that increases economic activity;
(3) the development of the boardwalk area;
(4) the development of the Marina District; and
(5) the development of nongaming, family centered tourism related activities such as amusement parks.

i. The authority shall solicit funds from private sources to aid in support of the tourism district.
j. The authority shall administer and manage the tourism district and carry out such additional functions as provided under P.L.2011, c.18 (C.5:12-218 et al.). The authority shall oversee the redevelopment of the tourism district and implementation of the tourism district master plan. The authority shall enter into agreements with public and private entities for the purposes of promoting the economic and general welfare of Atlantic City and the tourism district. Any resolution adopted by the city of Atlantic City to establish a program of municipal financial assistance, in the form of grants, loans, tax credits or abatements, or other incentives, or to enter into an agreement providing such financial assistance, to support a development or redevelopment project located within the tourism district shall require the approval of the authority. If such resolution shall receive the approval of the authority, then notwithstanding any law, rule, or order to the contrary, the program may be implemented by the mayor without the adoption of any municipal ordinance. A program adopted pursuant to this subsection shall not be subject to repeal or suspension by voter initiative.

k. The authority shall provide that all available assets and revenues of the authority shall be devoted to the purposes of the tourism district and community development in Atlantic City, unless otherwise provided by contract entered into prior to the effective date of P.L.2011, c.18 (C.5:12-218 et al.) or by law.

l. The authority shall coordinate and collaborate with the city of Atlantic City Planning and Zoning Departments with respect to code enforcement, planning and zoning. The authority shall coordinate and collaborate with any of the city’s departments, agencies, and authorities with respect to administrative operations relating to the implementation of the tourism district master plan. If the city determines that it is unable to coordinate and collaborate with the authority pursuant to this subsection, the Department of Community Affairs, shall, at the request of the authority, assume jurisdiction over the Atlantic City Planning and Zoning Departments and any other appropriate departments, agencies, or authorities of the city responsible for code enforcement and administrative operations of the city to provide that the authority shall receive necessary assistance regarding code enforcement and administrative actions undertaken in its implementation of the tourism district master plan. The assumption of jurisdiction by the Department of Community Affairs over any department, agency, or authority of the city, undertaken pursuant to this subsection, shall not be construed as affecting the jurisdiction of any such department, agency, or authority, or of the city, with respect to regulatory control or the provision of services by the city, unless such regulatory control or provision of ser-
services is directly related to the provision of assistance to the authority regarding code enforcement and administrative actions undertaken in furtherance of the implementation of the tourism district master plan.

m. Two years after the adoption of the tourism district master plan, the authority shall conduct a formal evaluation of the plan to assess the functionality of its implementation. The authority may make any changes concerning its implementation of the master plan, as necessary, to improve its functionality. Such changes may include the reallocation of the resources of any division under the authority’s jurisdiction and the reorganization of the functions and operations of those entities which pertain to the tourism district master plan. The authority may make any changes concerning the employment of authority employees which would improve the functionality of the authority’s implementation of the master plan.

C.5:12-220 Development and design guidelines, land use regulations.

6. a. In conjunction with the adoption, pursuant to section 5 of P.L.2011, c.18 (C.5:12-219), of the resolution establishing the tourism district, or in conjunction with the establishment of the tourism district under paragraph (2) of subsection a. of section 5, as appropriate, the authority shall propose and adopt development and design guidelines and land use regulations for the tourism district. Such guidelines and regulations shall be consistent with and in furtherance of the tourism district master plan. Provisions may be made by the authority for the waiver, according to definite criteria adopted by regulation of the authority pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), of strict compliance with the standards promulgated, where necessary to alleviate hardship. Upon and after the adoption of the resolution establishing the tourism district, or upon and after the establishment of the tourism district under paragraph (2) of subsection a. of section 5, as appropriate, the development and design guidelines and land use regulations adopted by the authority shall supersede the master plans, the zoning and land use ordinances and regulations, and the zoning maps of Atlantic City adopted pursuant to the “Municipal Land Use Law,” P.L.1975, c.291 (C.40:55D-1 et seq.) or any other State or local law. Until such time as the authority proposes development and design guidelines and land use regulations for the tourism district as authorized pursuant to P.L.2011, c.18 (C.5:12-218 et al.), the master plan, zoning and land use ordinances and regulations, and the zoning maps adopted by the city pursuant to the “Municipal Land Use Law,” P.L.1975, c.291 (C.40:55D-1 et seq.) or any other State or local law shall remain in full force and effect within the tourism district. The authority
shall consult with the city concerning site development of development and
design guidelines and land use regulations.

b. Notwithstanding the provisions to the contrary of the "Municipal
Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) or any other law,
rule, or regulation, upon and after the adoption of the resolution establish­
ing the tourism district, or upon and after the establishment of the tourism
district under paragraph (2) of subsection a. of section 5, as appropriate, the
review and approval or denial of site plans and development proposals for
development upon and improvements to land within the tourism district
that would otherwise be performed by the governing bodies or agencies of
the county or municipality in which the tourism district is located shall instead
be performed by the authority, but this assignment of responsibility to
the authority shall not be deemed to supersede requirements of State or fed­
eral law pertaining to the review and approval of such plans or proposals by
other agencies. In performing the review, the authority shall utilize the de­
velopment and design guidelines and land use regulations that it shall have
adopted in conjunction with its adoption of the resolution establishing the
tourism district or in conjunction with the establishment of the tourism dis­
trict under paragraph (2) of subsection a. of section 5, as appropriate. The
procedures used by the authority for the approval of site plans and develop­
ments within the tourism district shall be the same as the procedures that
would otherwise be used by a county or municipal governing body or other
local entity pursuant to the "Municipal Land Use Law," P.L.1975, c.291
(C.40:55D-1 et seq.), including, but not limited to, procedures for hearings
and for the issuance of notice thereof, for the payment of application fees,
for appeals, and for the posting of escrow deposits, if any. The authority
shall establish an office to issue permits for site plans and development pro­
jects. The authority shall by regulation provide for mandatory conceptual
review, by or on behalf of the authority, of site plan and development applica­
tions; provided, however, that unless accompanied by a request for a
variance to be granted by the authority pursuant to subsection d. of this sec­
tion, any such mandatory conceptual review shall be completed within 45
days of the authority's receipt of the application, or within such later time
period if agreed to by the applicant. The authority shall consult with the
city concerning site plans and development proposals.

c. The authority shall be deemed an interested party entitled to notice
of all applications for properties within the tourism district or within 200
feet of the tourism district's boundaries, irrespective of whether the author­
ity owns the portion of the project area within 200 feet.
d. (1) The provisions of subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70) notwithstanding and except as provided in paragraph (2) of this subsection, the authority shall have sole and exclusive jurisdiction to grant for special reasons shown, a variance from the requirements that it shall have established in conjunction with the adoption pursuant to section 5 of P.L.2011, c.18 (C.5:12-219), of the resolution establishing the tourism district, or in conjunction with the establishment of the tourism district under paragraph (2) of subsection a. of section 5, as appropriate, including development and design guidelines or land use regulations adopted by the authority, or from the requirements of the master plan, as appropriate, to permit: (a) a use or principal structure in the district restricted against such use or principal structure, (b) a continuation or an expansion of a nonconforming use, (c) deviation from a specification or standard pursuant to land use regulations adopted by the authority pertaining solely to a conditional use, (d) an increase in the permitted floor area ratio as established by the land use regulations adopted by the authority, (e) an increase in the permitted density as established by the land use regulations adopted by the authority, or (f) a height of a principal structure which exceeds by 10 feet or 10 percent the maximum height permitted in the district for a principal structure. Such variances shall not be granted unless the applicant demonstrates to the satisfaction of the authority that special reasons exist for the granting of such variance, that the granting of the requested variance will not substantially impair the intent and purpose of the master plan, and that the variance can be granted without substantial detriment to the public good. Application for such a variance shall be submitted together with or prior to an application for mandatory conceptual review pursuant to subsection b. of this section, and the authority shall approve or deny the application within 120 days of a complete submission unless the applicant agrees to extend the time. In lieu of granting a variance, the authority in its discretion may require the adoption of a plan amendment.

(2) Variances granted pursuant to subparagraphs (a) through (e) of paragraph (1) of this subsection shall require the affirmative vote of a majority of the members of the authority.

e. Notwithstanding any other provision of P.L.2011, c.18 (C.5:12-218 et al.) or any other law, rule or regulation to the contrary, upon and after the adoption pursuant to section 5 of P.L.2011, c.18 (C.5:12-219) of the resolution establishing the tourism district, or upon and after the establishment of the tourism district under paragraph (2) of subsection a. of section 5, as appropriate, the filing of a petition with the authority upon or after commencement of a redevelopment project undertaken in furtherance of the
master plan shall not effect a delay in or cessation of any action concerning the redevelopment project.

f. Notwithstanding any other provision of P.L.2011, c.18 (C.5:12-218 et al.) or any other law, rule or regulation to the contrary, upon and after the adoption pursuant to section 5 of P.L.2011, c.18 (C.5:12-219), of the resolution establishing the tourism district, or upon and after the establishment of the tourism district under paragraph (2) of subsection a. of section 5, as appropriate, Atlantic City shall not designate the tourism district or any portion thereof as an area in need of redevelopment or an area in need of rehabilitation, or adopt a redevelopment plan for any property within the tourism district pursuant to the “Local Redevelopment and Housing Law,” P.L.1992, c.79 (C.40A:12A-1 et al.) without the consent of the authority.

g. The authority may prescribe penalties for the violation of its regulations concerning the enforcement of construction codes, development and design guidelines, and land use regulations in conformance with the master plan by a fine, the amount of which shall be determined by resolution of the authority and shall be reasonable with regard to the violation.

The authority may prescribe that for the violation of any particular regulation at least a minimum penalty shall be imposed which shall consist of a fine which may be fixed at an amount not exceeding $100.

The court before which any person is convicted of violating any regulation of the authority shall have power to impose any fine not less than the minimum and not exceeding the maximum fixed in such regulation.

Any person who is convicted of violating a regulation within one year of the date of a previous violation of the same ordinance and who was fined for the previous violation, shall be subject to an additional fine as a repeat offender. The additional fine imposed by the court upon a person for a repeated offense shall not be less than the minimum or exceed the maximum fine fixed for a violation of the regulation, but shall be calculated separately from the fine imposed for the violation of the regulation.

If the authority imposes a fine in an amount greater than $1,250 upon an owner for violations of building or zoning codes, the authority shall provide a 30-day period in which the owner shall be afforded the opportunity to cure or abate the condition and shall also be afforded an opportunity for a hearing before a court of competent jurisdiction for an independent determination concerning the violation. Subsequent to the expiration of the 30-day period, a fine greater than $1,250 may be imposed if a court has not determined otherwise or, upon reinspection of the property, it is determined that the abatement has not been substantially completed.
A fine imposed as permitted by this subsection against an owner of real property for a zoning or property maintenance violation shall be filed with the authority, or the city, or any department, agency, or authority thereof, as determined through coordination and collaboration undertaken pursuant to subsection 1. of section 5 of P.L.2011, c.18 (C.5:12-219), as appropriate, as a lien against the property cited in the offense, if such fine is not paid in full within 20 days of its imposition, upon the certification of the authority employee or code enforcement officer who issued the citation. The authority code enforcement officer or authority employee shall file a copy of the lien and certification with the city's municipal tax collector. This lien shall be added to and become and form part of the taxes next to be assessed and levied upon such dwelling or lands, the same to bear interest at the same rate as taxes, and shall be collected and enforced by the same officers and in the same manner as taxes and the amounts collected shall be payable by the city to the authority for the support of the tourism district.

C.5:12-221 Actions of authority after creation of tourism district.

7. a. After the creation of the tourism district pursuant to section 5 of P.L.2011, c.18 (C.5:12-219):

(1) The authority shall enter into an agreement establishing a public-private partnership with a not-for-profit corporation comprising a majority of the casino licensees of this State whose investors have invested a minimum of $1 billion in Atlantic City. The purpose of the partnership shall be to undertake a full scale, broad-based, five-year, marketing program; provided, however, that the corporation shall be primarily responsible for the development and implementation of the program. If such not-for-profit corporation is created after the Transfer Date, the authority shall delegate its duty to enter into such an agreement to the Convention Center Division created pursuant to paragraph (1) of subsection b. of section 12 of P.L.2011, c.18 (C.5:12-226). In its implementation of the marketing program, the corporation shall develop a brand identity for Atlantic City and the tourism district that can be effectively and widely communicated. The brand identity shall be designed in a manner that will emphasize, to potential investors and tourists, Atlantic City's unique character, boardwalk attractions, and appeal as a destination resort. The corporation shall submit its plans for the marketing program, and any revisions thereto, to the authority, or division, as appropriate, for recommendations. The agreement between the authority, or the division, and the corporation shall have a term of five years, and may be extended for an additional term as determined by the authority, or the division, and the corporation. In addition to providing for the establishment of
the marketing program, the agreement may provide that the corporation provide assistance to the authority concerning the establishment of the tourism district and implementation of the master plan. The agreement shall provide that the corporation, or the casino licensees which shall comprise its membership, will make a contribution of $5,000,000 prior to 2012 toward the formation of the corporation and the marketing plan, or for the support and furtherance of the tourism district, and the percentage of such contribution by each casino licensee shall be made in proportion to such casino licensee’s gross revenue in the preceding fiscal year. The authority, or the Convention Center Division, as the case may be, shall not enter into an agreement with the corporation, unless the corporation provides evidence that it has taken appropriate steps to ensure that it has the necessary administrative resources to assess and collect the contributions. Such contributions shall be allocated for the support of the marketing program, but any contributions not utilized or allocated for such purposes during the term of the agreement or any extension thereof shall be remitted to the authority for its use to support the marketing program or the tourism district.

Any public-private partnership or similar arrangement under this paragraph shall, subject to the oversight of the authority or the Convention Center Division, permit the corporation to control and employ other public and private funds made available to further implement the marketing program and advance the purposes of the tourism district.

(2) The authority or the Convention Center Division, as appropriate, shall assess a fee upon each casino licensee that does not make a contribution to the corporation as prescribed under paragraph (1) of this subsection, calculated in the same manner as the contribution. The fee so assessed shall be collected by the authority, and shall be remitted to and held by the corporation in trust for expenditure exclusively in accordance with the terms of the agreement with the authority or the division.

(3) The corporation shall file with the authority, or the division, a quarterly report of its expenditures made pursuant to the agreement.

(4) Assessment and collection of the contributions under paragraph (1) and fees under paragraph (2) of this subsection shall commence on January 1, 2012. If the establishment of the agreement created pursuant to paragraph (1) of this subsection shall commence after January 1, 2012, such assessment and collection shall commence upon the date the agreement is established. The total amount to be assessed, as contributions or fees, as appropriate, collectively upon all casino licensees for each year shall be $30,000,000, in proportion to the casino licensee’s gross revenues generated in the preceding fiscal year, but the authority and not-for-profit corpo-
ration described in paragraph (1) of this subsection shall provide in the agreement entered into pursuant to paragraph (1) of this subsection that the assessed contributions and fees may be increased for the marketing program, or for the support of the tourism district, and allocation of the revenue from any such additional contributions and fees shall be made in accordance with the terms of the agreement entered into pursuant to paragraph (1) of this subsection. Any moneys collected pursuant to this subsection not used for the marketing program shall be allocated to the support of the tourism district according to terms set forth in the agreement established pursuant to paragraph (1) of this subsection.

(5) Any moneys collected pursuant to this subsection not used for or obligated to any purpose prior to the expiration of the agreement entered into pursuant to paragraph (1) of this subsection, or any extension thereof, shall be allocated by the authority for the support of the tourism district.

b. If within one year after the effective date of P.L.2011, c.18 (C.5:12-218 et al.), the not-for-profit corporation described under paragraph (1) of subsection a. of this section does not exist or is unable to perform its obligations under an agreement with the authority, or if the agreement is not renewed upon expiration of the term of the agreement, the authority, or the Convention Center Division, shall create a commission to be known as the Atlantic City Tourism Marketing Advisory Commission, consisting of members to be appointed by the authority. The authority shall appoint to the commission representatives of the casino and tourism industries, public citizens, and any other individual or organization the authority deems appropriate. The division shall develop and implement a full scale, broad-based, five-year marketing program. The commission shall be authorized to review the authority's annual budget and the authority's plans concerning the marketing program, and the authority shall give due consideration to those recommendations. The commission shall, from time to time, make recommendations to the authority concerning the authority's development and implementation of the marketing program. In its implementation of the marketing program, the authority, or the Convention Center Division, as the case may be, shall develop a brand identity for Atlantic City and the tourism district that can be effectively and widely communicated. The brand identity shall be designed in a manner that will emphasize, to potential investors and tourists, Atlantic City's unique character, boardwalk attractions, and appeal as a destination resort.

c. After the Transfer Date, all duties assumed by the authority pursuant to subsection a. of this section shall be delegated by the authority to the Convention Center Division.
C.5:12-222 Development of public safety plan.

8. In conjunction with the establishment of the tourism district pursuant to section 5 of P.L.2011, c.18 (C.5:12-219), the Attorney General and Superintendent of State Police in the Department of Law and Public Safety, in consultation with the Mayor of Atlantic City, the Director of Public Safety and the Police Chief of the Atlantic City Police Department, and the Atlantic County Prosecutor, shall work collaboratively to develop a public safety plan to address law enforcement strategies and public safety in the tourism district. In constructing the plan, the Attorney General and Superintendent shall solicit input and recommendations from key stakeholders, including Atlantic City residents, local business owners, and representatives from the casino and entertainment industries.

The plan shall be designed with the following goals: to utilize and enhance the existing leadership and competencies of the Atlantic City Police Department, and to promote sustainable best practices by leveraging improved communications, data collection and information-sharing processes. Components of the plan shall include, but shall not be limited to: deploying or detailing of sworn law enforcement officers, who may be Division of State Police personnel, special investigators assigned to the Department of Law and Public Safety, current or former Atlantic City Police Officers, or other law enforcement officers assigned to the detail; the procurement and implementation of new technological equipment upgrades to the Atlantic City Police Department systems, with related training and support provided to the detailed officers and to the Atlantic City Police Department personnel by the Division of State Police, and featuring appropriate compliance monitoring; and the development and implementation of a coordinated law enforcement strategy to address crime and public safety concerns both within and outside of the casino tourism district.

The plan shall include policy, technical and operational benchmarks, which, when met and sustained, will promote the ultimate goal of improved safety and efficiency, both within and outside the tourism district. As part of the Public Safety Plan, the Superintendent shall appoint a District Commander, who shall be charged with overseeing and coordinating the implementation and monitoring of the public safety plan. The District Commander shall coordinate with the Director of Public Safety and the Chief of the Atlantic City Police Department, and shall report directly to the Superintendent of the State Police.

C.5:12-223 Determination of amount of cost savings relative to revision of laws; allocation to New Jersey Racing Commission.

9. a. Notwithstanding any law, rule, or regulation to the contrary, the Division of Gaming Enforcement in the Department of Law and Public
Safety shall in each of the first three State fiscal years commencing in the State fiscal year in which P.L.2011, c.18 (C.5:12-218 et al.) is enacted, determine the amount of cost savings effected by the reduction in fees paid by casino licensees pursuant to revisions to law concerning regulation of the casino industry, and provide that an amount, as determined by the New Jersey Racing Commission in the Department of Law and Public Safety pursuant to this subsection shall be paid annually by casino licensees to the authority, and such payment shall be made in each of the first three State fiscal years commencing in the State fiscal year in which P.L.2011, c.18 (C.5:12-218 et al.) is enacted. The New Jersey Racing Commission shall determine an amount to be allocated from the amounts collected by the Division of Gaming Enforcement pursuant to this section, in an amount not exceeding $15,000,000 in the first State fiscal year; $10,000,000 in the second State fiscal year; and $5,000,000 in the third State fiscal year. The moneys collected pursuant to this subsection shall be allocated to the authority, and allocated by the authority to the New Jersey Racing Commission to the support of the horse racing industry in this State through the augmentation of purses. The amount of any funds authorized in this section to be collected and allocated in support of horse racing through the augmentation of purses shall be established by the New Jersey Racing Commission at a regular meeting of the commission held during the fiscal year in which any such payment is authorized, which amount shall be reflected in the meeting minutes delivered by the executive director to the Governor with respect to the meeting at which such action is taken in the manner provided under section 31 of P.L.2001, c.199 (C.5:5-22.1).

b. If the amount paid to the authority pursuant to subsection a. of this section in the first three State fiscal years described herein is insufficient to allocate the amount required for the augmentation of purses in any one of those three State fiscal years, the authority shall, from any appropriate revenue source or account, allocate the amount necessary to cover the difference between the amounts to be allocated to the horse racing industry in this State through the augmentation of purses in the first three State fiscal years and the amount paid to the authority pursuant to subsection a. of this section and shall be reimbursed from the amount collected by the Division of Gaming Enforcement pursuant to subsection a. of this section in the subsequent State fiscal year.

c. If, one year after the effective date of P.L.2011, c.18 (C.5:12-218 et al.), the not-for-profit corporation does not exist as provided in section 7 of P.L.2011, c.18 (C.5:12-221), or is unable to perform its obligations under an agreement with the authority, or Convention Center Division, or if the
agreement is terminated, as provided under that section, and is not renewed, the authority shall assess a fee payable by each casino licensee for the State fiscal year, for a period of five State fiscal years. The fee assessed under this subsection shall be in proportion to the casino licensee’s gross revenues generated in the fiscal year preceding the assessment. The total fees assessed collectively upon all casino licensees shall be no less than $30,000,000 for each State fiscal year for which the fees are assessed.

d. Such fees shall be used exclusively to facilitate the development of the tourism district, enhance the cleanliness and safety of the tourism district, and fund the marketing efforts of the authority or of the Convention Center Division, as the case may be, concerning tourism in the district.

C.5:12-224 Transfer of Atlantic City International Airport; distribution of revenues, proceeds.

10. a. Notwithstanding any law, rule, or regulation to the contrary, if the South Jersey Transportation Authority shall transfer for consideration, by sale or lease, all or any part, of its interest in the airport known as the Atlantic City International Airport and any other lands and improvements as the South Jersey Transportation Authority has acquired pursuant to section 24 of P.L.1991, c.252 (C.27:25A-24) and all related facilities and activities, the South Jersey Transportation Authority shall assign and pay, or otherwise transfer, after payment of bonds or other obligations pursuant to law, contract, or other form of agreement, any revenues or proceeds from such sale or lease in equal amounts to the governing body of the following counties: Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean, and Salem.

b. The revenues or proceeds distributed to the governing body of the counties pursuant to subsection a. of this section shall be used solely for the planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways and the planning, acquisition, engineering, construction, reconstruction, repair, maintenance and rehabilitation of public transportation projects and of other transportation projects, which a county may be authorized by law to undertake and which has been approved by the governing body of that county. Nothing in this subsection shall be construed to mean that the revenues or proceeds distributed to the governing bodies of the counties shall be in lieu of any other State or federal monies for transportation purposes.

Within three months of receipt of any revenues or proceeds from the sale or lease of all, or any part of, Atlantic City International Airport, the governing body of each county shall submit to the Commissioner of Transportation a report detailing how the county intends to use the revenues or
proceeds, the projects the governing body of the county is planning to undertake, or currently undertaking with the revenues or proceeds, and any other relevant information concerning the use of the money for public highway, public transportation projects, and other transportation projects. Thereafter, the governing body of each county shall submit annually such information to the Commissioner of Transportation.

C.5:12-225 Allocation of tax revenue.
11. a. The authority, upon enactment of P.L.2011, c.18 (C.5:12-218 et al.), shall, for each State fiscal year for a period of not more than the first five State fiscal years commencing in the State fiscal year in which a tax is authorized by law to be collected from revenues generated by Internet wagering, annually allocate the first $30,000,000 of the revenue from such tax to the New Jersey Racing Commission to be used for the benefit of the horse racing industry in this State through the augmentation of purses, provided, however, that the use of those funds for that purpose shall cease one State fiscal year after wagering on sports events is implemented in this State. Amounts collected pursuant to this subsection in excess of $30,000,000 in any one State fiscal year shall be allocated to the authority for the support of the tourism district.

b. If the tax described in subsection a. of this section is authorized by law to be collected in the State fiscal year in which P.L.2011, c.18 (C.5:12-218 et al.) is enacted, and such tax is not sufficient to, in the State fiscal year in which P.L.2011, c.18 (C.5:12-218 et al.) is enacted, allocate $15,000,000 for the support of the horse racing industry in this State through the augmentation of purses, for the State fiscal year commencing after the enactment of P.L.2011, c.18 (C.5:12-218 et al.), allocate $10,000,000 for the support of the horse racing industry in this State through the augmentation of purses, and for the second State fiscal year commencing after the enactment of P.L.2011, c.18, allocate $5,000,000 for the support of the horse racing industry in this State through the augmentation of purses, the authority shall allocate, from any appropriate revenue source or account, such amounts necessary to cover the difference between the amounts to be allocated to the horse racing industry in this State through the augmentation of purses to offset any deficiency in the first three State fiscal years as described in this subsection, in an amount to be determined by the New Jersey Racing Commission, and the amount collected pursuant to subsection a. of this section and the Division of Gaming Enforcement shall, every 30 days, beginning no more than 30 days following the last day of the State fiscal year in which the deficiency occurred, and
the authority made any allocation to cover such deficiency, determine the amount of cost savings effected by the reduction in fees paid by casino licensees pursuant to revisions to law concerning regulation of the casino industry, assess and collect a fee payable from such amount to offset such deficiency, in an amount not exceeding such payment made by the authority, and provide that such amount shall be allocated to the authority in the State fiscal year commencing after the State fiscal year within 30 days after collection. The Division of Gaming Enforcement shall continue assessment and collection as provided in this subsection for the number of State fiscal years necessary to reimburse the authority for allocations made by the authority under this subsection.

Amounts collected pursuant to this subsection in excess of the amount necessary to reimburse the authority shall be allocated to the authority for the support of the tourism district.

C.5:12-226 Atlantic City Convention and Visitors Authority, transfer to CRDA.

12. a. Until the Transfer Date, the authority shall not exercise any powers, rights, or duties conferred by P.L.2011, c.18 (C.5:12-218 et al.) or by any other law in any way which will interfere with the powers, rights, and duties of the convention center authority. The authority shall not before the Transfer Date exercise any powers of the convention center authority. The authority and the convention center authority are directed to cooperate with each other so that the Transfer Date shall occur as soon as practicable after the date of enactment of P.L.2011, c.18 (C.5:12-218 et al.), and the convention center authority shall make available information concerning its property and assets, outstanding bonds and other debts, obligations, liabilities and contracts, operations, and finances as the authority may require to provide for the retirement of any outstanding bonds, notes, or other obligations of the convention center authority, and the efficient exercise by the authority of all powers, rights, and duties conferred upon them by P.L.2011, c.18 (C.5:12-218 et al.).

chair of the authority, the property and assets of the convention center au-

the authority, and the convention center authority shall cease to exist.

(3) The officers and employees of the convention center authority shall

and the authority shall retain those employees transferred to the authority
pursuant to this section as employees of the division; provided, however,
that any employee transferred to the authority pursuant to this section may
be dismissed for cause, and any such employee may be dismissed if the
authority determines that the transfer of the convention center authority to
the authority has resulted in the duplication of responsibility of the position
held by such employee, but such an employee shall be given a right of first
refusal offer of similar employment if such employment shall become
available as determined by the authority.

Nothing in P.L.2011, c.18 (C.5:12-218 et al.) shall be construed to de­
prive any officers or employees of the convention center authority of their

center authority, except to the extent specifically provided or established to
the contrary in P.L.2011, c.18 (C.5:12-218 et al.), are imposed upon the
authority, and all creditors of the convention center authority and persons hav­
ing claims against or contracts with the convention center authority of any
kind or character may enforce those debts, claims, and contracts against the
authority as successor to the convention center authority in the same man­
ner as they might have against the convention center authority, and the
rights and remedies of those holders, creditors, and persons having claims
against or contracts with the convention center authority shall not be lim­
ited or restricted in any manner by P.L.2011, c.18 (C.5:12-218 et al.).

(5) In continuing the functions, contracts, obligations and duties of the
convention center authority, the authority is authorized to act in its own
name, in the name of the Convention Center Division, or in the name of the
convention center authority as may be convenient or advisable under the
circumstances from time to time.

Such regulations shall be effective immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months from the Transfer Date and they may, thereafter, be amended, adopted or readopted in accordance with the "Administrative Procedure Act." CHAPTER 19

AN ACT concerning the licensing and regulation of casinos, and amending various parts of the statutory law, supplementing P.L.1977, c.110 (C.5:12-1 et seq.), and repealing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1977, c.110 (C.5:12-1) is amended to read as follows:

C.5:12-1 Short title; declaration of policy and legislative findings.
1. Short title; Declaration of Policy and Legislative Findings.
   a. This act shall be known and may be cited as the "Casino Control Act."
   b. The Legislature hereby finds and declares to be the public policy of this State, the following:
      (1) The tourist, resort and convention industry of this State constitutes a critical component of its economic structure and, if properly developed, controlled and fostered, is capable of providing a substantial contribution to the general welfare, health and prosperity of the State and its inhabitants.
      (2) By reason of its location, natural resources and worldwide prominence and reputation, the city of Atlantic City and its resort, tourist and convention industry represent a critically important and valuable asset in the continued viability and economic strength of the tourist, convention and resort industry of the State of New Jersey.
      (3) The rehabilitation and redevelopment of existing tourist and convention facilities in Atlantic City, and the fostering and encouragement of new construction and the replacement of lost convention, tourist, entertainment and cultural centers in Atlantic City will offer a unique opportunity for the inhabitants of the entire State to make maximum use of the natural resources available in Atlantic City for the expansion and encouragement of New Jersey's hospitality industry, and to that end, the restoration of Atlantic City as the Playground of the World and the major hospital-
ity center of the Eastern United States is found to be a program of critical concern and importance to the inhabitants of the State of New Jersey.

(4) Legalized casino gaming has been approved by the citizens of New Jersey as a unique tool of urban redevelopment for Atlantic City. In this regard, the introduction of a limited number of casino rooms in major hotel convention complexes, permitted as an additional element in the hospitality industry of Atlantic City, will facilitate the redevelopment of existing blighted areas and the refurbishing and expansion of existing hotel, convention, tourist, and entertainment facilities; encourage the replacement of lost hospitality-oriented facilities; provide for judicious use of open space for leisure time and recreational activities; and attract new investment capital to New Jersey in general and to Atlantic City in particular.

(5) Restricting the issuance of casino licenses to major hotel and convention facilities is designed to assure that the existing nature and tone of the hospitality industry in New Jersey and in Atlantic City is preserved, and that the casino rooms licensed pursuant to the provisions of this act are always offered and maintained as an integral element of such hospitality facilities, rather than as the industry unto themselves that they have become in other jurisdictions.

(6) An integral and essential element of the regulation and control of such casino facilities by the State rests in the public confidence and trust in the credibility and integrity of the regulatory process and of casino operations. To further such public confidence and trust, the regulatory provisions of this act are designed to extend strict State regulation to all persons, locations, practices and associations related to the operation of licensed casino enterprises and all related service industries as herein provided. In addition, licensure of a limited number of casino establishments, with the comprehensive law enforcement supervision attendant thereto, is further designed to contribute to the public confidence and trust in the efficacy and integrity of the regulatory process.

(7) Legalized casino gaming in New Jersey can attain, maintain and retain integrity, public confidence and trust, and remain compatible with the general public interest only under such a system of control and regulation as insures, so far as practicable, the exclusion from participation therein of persons with known criminal records, habits or associations, and the exclusion or removal from any positions of authority or responsibility within casino gaming operations and establishments of any persons known to be so deficient in business probity, either generally or with specific reference to gaming, as to create or enhance the dangers of unsound, unfair or illegal
practices, methods and activities in the conduct of gaming or the carrying on of the business and financial arrangements incident thereto.

(8) Since the public has a vital interest in casino operations in Atlantic City and has established an exception to the general policy of the State concerning gaming for private gain, participation in casino operations as a licensee or registrant under this act shall be deemed a revocable privilege conditioned upon the proper and continued qualification of the individual licensee or registrant and upon the discharge of the affirmative responsibility of each such licensee or registrant to provide to the regulatory and investigatory authorities established by this act any assistance and information necessary to assure that the policies declared by this act are achieved. Consistent with this policy, it is the intent of this act to preclude the creation of any property right in any license, registration, certificate or reservation permitted by this act, the accrual of any value to the privilege of participation in gaming operations, or the transfer of any license, registration, certificate, or reservation, and to require that participation in gaming be solely conditioned upon the individual qualifications of the person seeking such privilege.

(9) Since casino operations are especially sensitive and in need of public control and supervision, and since it is vital to the interests of the State to prevent entry, directly or indirectly, into such operations or the ancillary industries regulated by this act of persons who have pursued economic gains in an occupational manner or context which are in violation of the criminal or civil public policies of this State, the regulatory and investigatory powers and duties shall be exercised to the fullest extent consistent with law to avoid entry of such persons into the casino operations or the ancillary industries regulated by this act.

(10) (Deleted by amendment, P.L.1995, c.18.)

(11) The facilities in which licensed casinos are to be located are of vital law enforcement interest to the State, and it is in the public interest that the regulatory and investigatory powers and duties conferred by this act include the power and duty to review architectural and site plans to assure that the proposal is suitable by law enforcement standards.

(12) Since the economic stability of casino operations is in the public interest and competition in the casino operations in Atlantic City is desirable and necessary to assure the residents of Atlantic City and of this State and other visitors to Atlantic City varied attractions and exceptional facilities, the regulatory and investigatory powers and duties conferred by this act shall include the power and duty to regulate, control and prevent eco-
nomic concentration in the casino operations and the ancillary industries regulated by this act, and to encourage and preserve competition.

(13) It is in the public interest that the institution of licensed casino establishments in New Jersey be strictly regulated and controlled pursuant to the above findings and pursuant to the provisions of this act, which provisions are designed to engender and maintain public confidence and trust in the regulation of the licensed enterprises, to provide an effective method of rebuilding and redeveloping existing facilities and of encouraging new capital investment in Atlantic City, and to provide a meaningful and permanent contribution to the economic viability of the resort, convention, and tourist industry of New Jersey.

(14) Confidence in casino gaming operations is eroded to the extent the State of New Jersey does not provide a regulatory framework for casino gaming that permits and promotes stability and continuity in casino gaming operations.

(15) Continuity and stability in casino gaming operations cannot be achieved at the risk of permitting persons with unacceptable backgrounds and records of behavior to control casino gaming operations contrary to the vital law enforcement interest of the State.

(16) The aims of continuity and stability and of law enforcement will best be served by a system in which continuous casino operation can be assured under certain circumstances wherein there has been a transfer of property or another interest relating to an operating casino and the transferee has not been fully licensed or qualified, as long as control of the operation under such circumstances may be placed in the possession of a person or persons in whom the public may feel a confidence and a trust.

(17) A system whereby the suspension or revocation of casino operations under certain appropriate circumstances causes the imposition of a conservatorship upon the suspended or revoked casino operation serves both the economic and law enforcement interests involved in casino gaming operations.

(18) As recognized in the July 2010 Report of the Governor’s Advisory Commission on New Jersey Gaming, Sports, and Entertainment, and as confirmed in subsequent legislative hearings held throughout the State, legalized casino gaming in New Jersey presently stands at a crossroads, facing critical challenges that jeopardize its important role in the State economy, and it is in the public interest to modernize and streamline the current outdated casino regulatory structure in order to achieve efficiencies and cost savings that are more appropriately directed to marketing and infra-
structure improvement efforts while, at the same time, maintaining strict integrity in the regulation of casino operations.

(19) The ability of the legalized casino gaming industry in New Jersey to compete in an ever-expanding national gaming market requires a regulatory system that is sufficiently flexible to encourage persons and entities holding casino gaming licenses outside of New Jersey to participate in casino gaming in Atlantic City, to allow licensees to take full and timely advantage of advancements in technology, particularly in information technology, and business management, and to encourage the efficient utilization of resources between and among affiliated New Jersey licensees operating casinos located in Atlantic City and between and among a New Jersey affiliate and its licensed affiliates in other jurisdictions.

C.5:12-66 Investigative hearings.

66. Investigative hearings. The division shall have the authority to conduct investigative hearings concerning the conduct of gaming and gaming operations as well as the enforcement of the provisions of P.L.1977, c.110 (C.5:12-1 et seq.), as amended and supplemented, in accordance with the procedures set forth in the act and any applicable implementing regulations.

35. Section 68 of P.L.1977, c.110 (C.5:12-68) is amended to read as follows:

C.5:12-68 Collection of fees, penalties or tax.

68. Collection of Fees, Penalties or Tax. At any time within five years after any amount of fees, interest, penalties or tax required to be collected pursuant to the provisions of this act shall become due and payable, the di-
vision may bring a civil action in the courts of this State or any other state or of the United States, in the name of the State of New Jersey, to collect the amount delinquent, together with penalties and interest. An action may be brought whether or not the person owing the amount is at such time an applicant, licensee or registrant pursuant to the provisions of this act. If such action is brought in this State, a writ of attachment may be issued and no bond or affidavit prior to the issuance thereof shall be required. In all actions in this State, the records of the commission and the division shall be prima facie evidence of the determination of the fee or tax or the amount of the delinquency.

Each debt that is due and payable as a result of fees, interest, penalties, or taxes required to be collected pursuant to the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) or the regulations promulgated thereunder, including any compensation authorized pursuant to section 33 of P.L.1978, c.7 (C.5:12-130.3), and each regulatory obligation imposed as a condition upon the issuance or renewal of a casino license which requires the licensee to maintain, as a fiduciary, a fund for a specific regulatory purpose, shall constitute a lien on the real property in this State owned or hereafter acquired by the applicant, licensee, or registrant owing such a debt or on whom such an obligation has been imposed. Except as otherwise provided in R.S.54:5-9, such a lien shall be a first lien paramount to all prior or subsequent liens, claims, or encumbrances on that property.

36. Section 71 of P.L.1977, c.110 (C.5:12-71) is amended to read as follows:

C.5:12-71 Regulation requiring exclusion of certain persons.

71. Regulation Requiring Exclusion of Certain Persons. a. The division shall, by regulation, provide for the establishment of a list of persons who are to be excluded or ejected from any licensed casino establishment. Such provisions shall define the standards for exclusion, and shall include standards relating to persons:

(1) Who are career or professional offenders as defined by regulations promulgated hereunder;

(2) Who have been convicted of a criminal offense under the laws of any state or of the United States, which is punishable by more than six months in prison, or any crime or offense involving moral turpitude; or

(3) Whose presence in a licensed casino hotel would, in the opinion of the director, be inimical to the interest of the State of New Jersey or of licensed gaming therein, or both.
The division shall promulgate definitions establishing those categories of persons who shall be excluded pursuant to this section, including cheats and persons whose privileges for licensure or registration have been revoked.

b. Race, color, creed, national origin or ancestry, or sex shall not be a reason for placing the name of any person upon such list.

c. The division may impose sanctions upon a licensed casino or individual licensee or registrant in accordance with the provisions of this act if such casino or individual licensee or registrant knowingly fails to exclude or eject from the premises of any licensed casino any person placed by the division on the list of persons to be excluded or ejected.

d. Any list compiled by the division of persons to be excluded or ejected shall not be deemed an all-inclusive list, and licensed casino establishments shall have a duty to keep from their premises persons known to them to be within the classifications declared in paragraphs (1) and (2) of subsection a. of this section and the regulations promulgated thereunder, or known to them to be persons whose presence in a licensed casino hotel would be inimical to the interest of the State of New Jersey or of licensed gaming therein, or both, as defined in standards established by the division.

e. Prior to placing the name of any person on a list pursuant to this section, the division shall serve notice of such fact to such person by personal service, by certified mail at the last known address of such person, or by publication daily for one week in a newspaper of general circulation in Atlantic City.

f. Within 30 days after service of the petition in accordance with subsection e. of this section, the person named for exclusion or ejection may demand a hearing before the director or the director’s designee, at which hearing the director or the director’s designee shall have the affirmative obligation to demonstrate by a preponderance of the evidence that the person named for exclusion or ejection satisfies the criteria for exclusion established by this section and the applicable regulations. Failure to demand such a hearing within 30 days after service shall be deemed an admission of all matters and facts alleged in the director’s petition and shall preclude a person from having an administrative hearing, but shall in no way affect his or her right to judicial review as provided herein.

g. The division may make a preliminary placement on the list of a person named in a petition for exclusion or ejection pending completion of a hearing on the petition. The hearing on the application for preliminary placement shall be a limited proceeding at which the division shall have the affirmative obligation to demonstrate that there is a reasonable possibility
that the person satisfies the criteria for exclusion established by this section and the applicable regulations. If a person has been placed on the list as a result of an application for preliminary placement, unless otherwise agreed by the director and the named person, a hearing on the petition for exclusion or ejection shall be initiated within 30 days after the receipt of a demand for such hearing or the date of preliminary placement on the list, whichever is later.

h. If, upon completion of the hearing on the petition for exclusion or ejection, the director determines that the person named therein does not satisfy the criteria for exclusion established by this section and the applicable regulations, the director shall issue an order denying the petition. If the person named in the petition for exclusion or ejection had been placed on the list as a result of an application for preliminary placement, the director shall notify all casino licensees of the person’s removal from the list.

i. If, upon completion of a hearing on the petition for exclusion or ejection, the director determines that placement of the name of the person on the exclusion list is appropriate, the director shall make and enter an order to that effect, which order shall be served on all casino licensees. Such order shall be subject to review by the commission in accordance with regulations promulgated thereunder, which final decision shall be subject to review by the Superior Court in accordance with the rules of court.

37. Section 1 of P.L.2001, c.39 (C.5:12-71.2) is amended to read as follows:

C.5:12-71.2 List of persons self-excluded from gaming activities.
1. a. The division shall provide by regulation for the establishment of a list of persons self-excluded from gaming activities at all licensed casinos and simulcasting facilities. Any person may request placement on the list of self-excluded persons by acknowledging in a manner to be established by the division that the person is a problem gambler and by agreeing that, during any period of voluntary exclusion, the person may not collect any winnings or recover any losses resulting from any gaming activity at such casinos and facilities.

b. The regulations of the division shall establish procedures for placements on, and removals from, the list of self-excluded persons. Such regulations shall establish procedures for the transmittal to licensed casinos and simulcasting facilities of identifying information concerning self-excluded persons, and shall require licensed casinos and simulcasting facilities to establish procedures designed, at a minimum, to remove self-
excluded persons from targeted mailings or other forms of advertising or promotions and deny self-excluded persons access to credit, complimentar­ies, check cashing privileges club programs, and other similar benefits.

c. A licensed casino or simulcasting facility or employee thereof shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of:

(1) the failure of a licensed casino or simulcasting facility to withhold gaming privileges from, or restore gaming privileges to, a self-excluded person; or

(2) otherwise permitting a self-excluded person to engage in gaming activity in such licensed casino or simulcasting facility while on the list of self-excluded persons.

d. Notwithstanding the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) or any other law to the contrary, the division’s list of self-excluded persons shall not be open to public inspection. Nothing herein, however, shall be construed to prohibit a casino licensee from disclosing the identity of persons self-excluded pursuant to this section to affiliated gaming enti­ties in this State or other jurisdictions for the limited purpose of assisting in the proper administration of responsible gaming programs operated by such gaming affiliated entities.

e. A licensed casino or simulcasting facility or employee thereof shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of disclosure or publication in any manner, other than a willfully unlawful disclosure or publication, of the identity of any self-excluded person.

38. Section 2 of P.L.2001, c.39 (C.5:12-71.3) is amended to read as follows:

C.5:12-71.3 Penalties for gaming by prohibited persons.

2. a. A person who is prohibited from gaming in a licensed casino or simulcasting facility by any provision of P.L.1977, c.110 (C.5:12-1 et seq.) or any order of the director, commission, or court of competent jurisdiction, including any person on the self-exclusion list pursuant to section 1 of P.L.2001, c.39 (C.5:12-71.2), shall not collect, in any manner or proceeding, any winnings or recover any losses arising as a result of any prohibited gaming activity.

b. For the purposes of P.L.1977, c.110 (C.5:12-1 et seq.), any gaming activity in a licensed casino or simulcasting facility which results in a pro-
hibited person obtaining any money or thing of value from, or being owed any money or thing of value by, the casino or simulcasting facility shall be considered, solely for purposes of this section, to be a fully executed gambling transaction.

c. In addition to any other penalty provided by law, any money or thing or value which has been obtained by, or is owed to, any prohibited person by a licensed casino or simulcasting facility as a result of wagers made by a prohibited person shall be subject to forfeiture following notice to the prohibited person and opportunity to be heard. A licensed casino or simulcasting facility shall inform a prohibited person of the availability of such notice on the division’s Internet website when ejecting the prohibited person and seizing any chips, vouchers or other representative of money owed by a casino to the prohibited person as authorized by this subsection.

Of any forfeited amount under $100,000, one-half shall be deposited into the State General Fund for appropriation by the Legislature to the Department of Health and Senior Services to provide funds for compulsive gambling treatment and prevention programs in the State and the remaining one-half shall be deposited into the Casino Revenue Fund. Of any forfeited amount of $100,000 or more, $50,000 shall be deposited into the State General Fund for appropriation by the Legislature to the Department of Health and Senior Services to provide funds for compulsive gambling treatment and prevention programs and the remainder shall be deposited into the Casino Revenue Fund.

d. In any proceeding brought by the division against a licensee or registrant pursuant to section 108 of P.L.1977, c.110 (C.5:12-108) for a willful violation of the commission’s self-exclusion regulations, the division may order, in addition to any other sanction authorized by section 129 of P.L.1977, c.110 (C.5:12-129), the forfeiture of any money or thing of value obtained by the licensee or registrant from any self-excluded person. Any money or thing of value so forfeited shall be disposed of in the same manner as any money or thing of value forfeited pursuant to subsection c. of this section.

39. Section 72 of P.L.1977, c.110 (C.5:12-72) is amended to read as follows:

other jurisdictions, literature on this subject which may from time to time become available, federal laws which may affect the operation of casino gaming in this State, and the reaction of New Jersey citizens to existing and potential features of casino gaming under this act. It shall be responsible for ascertaining any defects in this act or in the rules and regulations issued thereunder, formulating recommendations for changes in this act to prevent abuses thereof, guarding against the use of this act as a cloak for the carrying on of illegal gambling or other criminal activities, and insuring that this act and the rules and regulations shall be in such form and be so administered as to serve the true purposes of this act. The commission, after consultation with the division, shall make to the Governor and the Legislature an annual report of all revenues, expenses and disbursements, and shall include therein such recommendations for changes in this act as the commission or division deems necessary or desirable. The commission, after consultation with the division, shall also report recommendations that promote more efficient operations of the division and the commission. The commission, after consultation with the division, shall report immediately to the Governor and the Legislature any matters which in its judgment require immediate changes in the laws of this State in order to prevent abuses and evasions of this act or of rules and regulations promulgated hereunder, or to rectify undesirable conditions in connection with the operation and regulation of casino gaming.

45. Section 81 of P.L.1977, c.110 (C.5:12-81) is amended to read as follows:

C.5:12-81 Statement of compliance.

81. Statement of compliance.

a. (1) Upon consideration of a report and recommendation of the division, the commission may, in its discretion, issue a statement of compliance to an applicant for a casino license or to any person required to qualify in conjunction with a casino license or casino license applicant if the applicant or person, as the case may be, has established by clear and convincing evidence that one or more particular eligibility criteria have been satisfied. A request for the issuance of a statement of compliance pursuant to this paragraph shall be initiated by the applicant filing a petition with the division. Before the division initiates any investigation on such a petition, the director may require the applicant to establish to the satisfaction of the director that the applicant actually intends, if found qualified, to engage in the business or activity that would require the issuance of the license or the determination of qualification status.

(2) Any person who must be qualified pursuant to the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.) in order to hold the securities of a casino licensee or any holding or intermediary company of a casino licensee may, prior to the acquisition of any such securities, request the issuance of a statement of compliance by the commission that the person is qualified to hold such securities. Any request for the issuance of a statement of compliance pursuant to this paragraph shall be initiated by the person filing a petition with the division in which the person shall be required to establish that there is a reasonable likelihood that, if qualified, the person will obtain and hold the securities of a casino licensee or any holding or intermediary company thereof to such extent as to require the qualification of the person. If, after an investigation by the division, the director finds that this reasonable likelihood exists and that the qualifications of the person have been established by clear and convincing evidence, the director may, in the director's discretion, recommend to the commission that it issue a statement of compliance that the person is qualified to hold such securities. Any person who requests a statement of compliance pursuant to this paragraph shall be subject to the provisions of section 80 of P.L.1977, c.110 (C.5:12-80) and shall
pay for the costs of all investigations and proceedings in relation to the re-
quest unless the person provides an agreement with one or more casino li-
censees which states that the licensee or licensees will pay those costs.

(3) A statement of compliance shall not be issued indicating that an
applicant or any other person required to qualify in conjunction with a ca-
sino license or casino license applicant that is a corporation or other form of
business organization has established by clear and convincing evidence its
good character, honesty and integrity unless the corporate officers; each
director; each person who directly or indirectly holds any beneficial or
ownership interest in the applicant of 5% or greater, to the extent such per-
son would be required to qualify under section 85 of P.L.1977, c.110
(C.5:12-85); and any other person whom the commission may consider ap-
propriate for approval or qualification, would, but for residence, individu-
ally be qualified for approval as a casino key employee pursuant to the pro-
visions of section 89 of P.L.1977, c.110 (C.5:12-89).

b. Any statement of compliance issued under P.L.1977, c.110 (C.5:12-
et seq.) shall specify:

(1) the particular eligibility criterion satisfied by the applicant or person;
(2) the date as of which such satisfaction was determined by the com-
mission;
(3) the continuing obligation of the applicant or person to file any in-
formation required by the division as part of any application for a license or
qualification status, including information related to the eligibility criterion
for which the statement of compliance was issued; and
(4) the obligation of the applicant or person to reestablish its satisfac-
tion of the eligibility criterion should there be a change in any material fact
or circumstance that is relevant to the eligibility criterion for which the
statement of compliance was issued.

c. (Deleted by amendment, P.L.20 11, c.19)

d. Any statement of compliance issued pursuant to this section shall
be withdrawn by the commission if:

(1) the applicant or person otherwise fails to satisfy the standards for
licensure or qualification;
(2) the applicant or person fails to comply with any condition imposed; or
(3) the commission finds, on recommendation of the division, cause to
revoke the statement of compliance for any other reason.

e. Notwithstanding any other provision of this section, unless other-
wise extended by the commission upon application by the recipient and for
good cause shown, any statement of compliance issued by the commission
pursuant to this section shall expire 48 months after its date of issuance.
46. Section 82 of P.L.1977, c.110 (C.5:12-82) is amended to read as follows:

C.5:12-82 Casino license – applicant eligibility.

82. a. No casino shall operate unless all necessary licenses and approvals therefor have been obtained in accordance with law.

b. (1) Any person who either owns an approved casino hotel or owns or has a contract to purchase or construct a casino hotel which in the judgment of the commission can become an approved casino hotel within 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish;

(2) Any person who, whether as lessor or lessee, either leases an approved casino hotel or leases or has an agreement to lease a casino hotel which in the judgment of the commission can become an approved casino hotel within 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish;

(3) Any person who has a written agreement with a casino licensee or with an eligible applicant for a casino license for the complete management of a casino and, if applicable, any authorized games in a casino simulcasting facility; and

(4) Any other person who has control over either an approved casino hotel or the land thereunder or the operation of a casino.

c. Prior to the operation of a casino and, if applicable, a casino simulcasting facility, every agreement to lease an approved casino hotel or the land thereunder and every agreement for the management of the casino and, if applicable, any authorized games in a casino simulcasting facility, shall be in writing and filed with the commission and the division. No such agreement shall be effective unless expressly approved by the commission. The commission may require that any such agreement include within its terms any provision reasonably necessary to best accomplish the policies of this act. Consistent with the policies of this act:
(1) The commission, with the concurrence of the Attorney General which may not be unreasonably withheld, may determine that any person who does not have the ability to exercise any significant control over either the approved casino hotel or the operation of the casino contained therein shall not be eligible to hold or required to hold a casino license.

(2) The commission, with the concurrence of the Attorney General which may not be unreasonably withheld, may determine that any owner, lessor or lessee of an approved casino hotel or the land thereunder who does not own or lease a significant portion of an approved casino hotel shall not be eligible to hold or required to hold a casino license.

(3) The commission shall require that any person or persons eligible to apply for a casino license organize itself or themselves into such form or forms of business association as the commission shall deem necessary or desirable in the circumstances to carry out the policies of this act.

(4) The commission may issue separate casino licenses to any persons eligible to apply therefor.

(5) As to agreements to lease an approved casino hotel or the land thereunder, unless it expressly and by formal vote for good cause determines otherwise, the commission shall require that each party thereto hold either a casino license or casino service industry enterprise license and that such an agreement shall include within its terms a buy-out provision conferring upon the casino licensee-lessee who controls the operation of the approved casino hotel the absolute right to purchase for an expressly set forth fixed sum the entire interest of the lessor or any person associated with the lessor in the approved casino hotel or the land thereunder in the event that said lessor or said person associated with the lessor is found by the commission or director, as the case may be, to be unsuitable to be associated with a casino enterprise.

(6) The commission shall not permit an agreement for the leasing of an approved casino hotel or the land thereunder to provide for the payment of an interest, percentage or share of money gambled at the casino or derived from casino gaming activity or of revenues or profits of the casino unless the party receiving payment of such interest, percentage or share is a party to the approved lease agreement; unless each party to the lease agreement holds either a casino license or casino service industry enterprise license, and includes within its terms a buy-out provision conforming to that described in paragraph (5) above.

(7) As to agreements for the management of a casino and, if applicable, the authorized games in a casino simulcasting facility, the commission shall require that each party thereto hold a casino license or a casino service
industry enterprise license pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), that the party thereto who is to manage the casino gaming operations own at least 10% of all outstanding equity securities of any casino licensee or of any eligible applicant for a casino license if the said licensee or applicant is a corporation and the ownership of an equivalent interest in any casino licensee or in any eligible applicant for a casino license if same is not a corporation, and that such an agreement be for the complete management of all casino space in the casino hotel and, if applicable, all authorized games in a casino simulcasting facility, provide for the sole and unrestricted power to direct the casino gaming operations of the casino hotel which is the subject of the agreement, and be for such a durational term as to assure reasonable continuity, stability and independence in the management of the casino gaming operations, provided that the provisions of this paragraph shall not apply to a slot system agreement between a group of casino licensees and a casino service industry enterprise licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, and that, with regard to such agreements, the casino service industry enterprise licensee or applicant may operate and administer the multi-casino progressive slot machine system, including, but not limited to, the operation of a monitor room or the payment of progressive, including annuity, jackpots, or both, and further provided that the obligation to pay a progressive jackpot or establish an annuity jackpot guarantee shall be the sole responsibility of the casino licensee or casino service industry enterprise licensee or applicant designated in the slot system agreement and that no other party shall be jointly or severally liable for the payment or funding of such jackpots or guarantees unless such liability is specifically established in the slot system agreement;

(8) The commission may permit an agreement for the management of a casino and, if applicable, the authorized games in a casino simulcasting facility to provide for the payment to the managing party of an interest, percentage or share of money gambled at all authorized games or derived from casino gaming activity or of revenues or profits of casino gaming operations;

(9) Notwithstanding any other provision of P.L.1977, c.110 (C.5:12-1 et seq.) to the contrary, the commission may permit an agreement between a casino licensee and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) for the conduct of casino simulcasting in a simulcasting facility or for the operation of a multi-casino progressive slot machine system, to provide for the payment to the casino service industry enterprise of an interest, percentage or share of the money derived from the casino licensee's share of pro-
ceeds from simulcast wagering activity or the operation of a multi-casino progressive slot machine system; and

(10) As to agreements to lease an approved casino hotel or the land thereunder, agreements to jointly own an approved casino hotel or the land thereunder and agreements for the management of casino gaming operations or for the conduct of casino simulcasting in a simulcasting facility, the commission shall require that each party thereto, except for a banking or other chartered or licensed lending institution or any subsidiary thereof, or any chartered or licensed life insurance company or property and casualty insurance company, or the State of New Jersey or any political subdivision thereof or any agency or instrumentality of the State or any political subdivision thereof, shall be jointly and severally liable for all acts, omissions and violations of this act by any party thereto regardless of actual knowledge of such act, omission or violation and notwithstanding any provision in such agreement to the contrary. Notwithstanding the foregoing, nothing in this paragraph shall require a casino licensee to be jointly and severally liable for any acts, omissions or violations of this act, P.L.1977, c.110 (C.5:12-1 et seq.), committed by any casino service industry enterprise licensee or applicant performing as a slot system operator pursuant to a slot system agreement.

d. No corporation shall be eligible to apply for a casino license unless:

(1) The corporation shall be incorporated in the State of New Jersey, although such corporation may be a wholly or partially owned subsidiary of a corporation which is organized pursuant to the laws of another state of the United States or of a foreign country;

(2) The corporation shall maintain an office of the corporation in the casino hotel licensed or to be licensed;

(3) The corporation shall comply with all the requirements of the laws of the State of New Jersey pertaining to corporations;

(4) The corporation shall maintain a ledger in the principal office of the corporation in New Jersey which shall at all times reflect the current ownership of every class of security issued by the corporation and shall be available for inspection by the commission or the division and authorized agents of the commission and the division at all reasonable times without notice;

(5) The corporation shall maintain all operating accounts required by the commission in a bank in New Jersey, except that a casino licensee may establish deposit-only accounts in any jurisdiction in order to obtain payment of any check described in section 101 of P.L.1977, c.110 (C.5:12-101);
CHAPTER 19, LAWS OF 2011

(6) The corporation shall include among the purposes stated in its certificate of incorporation the conduct of casino gaming and provide that the certificate of incorporation includes all provisions required by this act;

(7) The corporation, if it is not a publicly traded corporation, shall file with the division such adopted corporate charter provisions as may be necessary to establish the right of prior approval by the commission with regard to transfers of securities, shares, and other interests in the applicant corporation; and, if it is a publicly traded corporation, provide in its corporate charter that any securities of such corporation are held subject to the condition that if a holder thereof is found to be disqualified pursuant to the provisions of this act, such holder shall dispose of his interest in the corporation; provided, however, that, notwithstanding the provisions of N.J.S.14A:7-12 and N.J.S.12A:8-101 et seq., nothing herein shall be deemed to require that any security of such corporation bear any legend to this effect;

(8) The corporation, if it is not a publicly traded corporation, shall establish to the satisfaction of the division that appropriate charter provisions create the absolute right of such non-publicly traded corporations and companies to repurchase at the market price or the purchase price, whichever is the lesser, any security, share or other interest in the corporation in the event that the commission disapproves a transfer in accordance with the provisions of this act;

(9) Any publicly traded holding, intermediary, or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall contain in its corporate charter the same provisions required under paragraph (7) for a publicly traded corporation to be eligible to apply for a casino license; and

(10) Any non-publicly traded holding, intermediary or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall establish to the satisfaction of the commission that its charter provisions are the same as those required under paragraphs (7) and (8) for a non-publicly traded corporation to be eligible to apply for a casino license.

The provisions of this subsection shall apply with the same force and effect with regard to casino license applicants and casino licensees which have a legal existence that is other than corporate to the extent which is appropriate.

e. No person shall be issued or be the holder of a casino license if the issuance or the holding results in undue economic concentration in Atlantic City casino operations by that person. For the purpose of this subsection, "undue economic concentration" means that a person would have such ac-
tual or potential domination of the casino gaming market in Atlantic City as to substantially impede or suppress competition among casino licensees or adversely impact the economic stability of the casino industry in Atlantic City. In determining whether the issuance or holding of a casino license by a person will result in undue economic concentration, the commission shall consider the following criteria:

1. The percentage share of the market presently controlled by the person in each of the following categories:
   - The total number of licensed casinos in this State;
   - Total casino and casino simulcasting facility square footage;
   - Number of guest rooms;
   - Number of slot machines;
   - Number of table games;
   - Net revenue;
   - Table game win;
   - Slot machine win;
   - Table game drop;
   - Slot machine drop; and
   - Number of persons employed by the casino hotel;
2. The estimated increase in the market shares in the categories in (1) above if the person is issued or permitted to hold the casino license;
3. The relative position of other persons who hold casino licenses, as evidenced by the market shares of each such person in the categories in (1) above;
4. The current and projected financial condition of the casino industry;
5. Current market conditions, including level of competition, consumer demand, market concentration, any consolidation trends in the industry and any other relevant characteristics of the market;
6. Whether the licensed casinos held or to be held by the person have separate organizational structures or other independent obligations;
7. The potential impact of licensure on the projected future growth and development of the casino industry and Atlantic City;
8. The barriers to entry into the casino industry, including the licensure requirements of this act, P.L.1977, c.110 (C.5:12-1 et seq.), and whether the issuance or holding of a casino license by the person will operate as a barrier to new companies and individuals desiring to enter the market;
9. Whether the issuance or holding of the license by the person will adversely impact on consumer interests, or whether such issuance or holding is likely to result in enhancing the quality and customer appeal of prod-
ucts and services offered by casino licensees in order to maintain or increase their respective market shares;

(10) Whether a restriction on the issuance or holding of an additional license by the person is necessary in order to encourage and preserve competition and to prevent undue economic concentration in casino operations; and

(11) Any other evidence deemed relevant by the commission.

The commission shall, after conducting public hearings thereon, promulgate rules and regulations in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) defining any additional criteria the commission will use in determining what constitutes undue economic concentration.

For the purpose of this subsection a person shall be considered the holder of a casino license if such license is issued to such person or if such license is held by any holding, intermediary or subsidiary company thereof, or by any person required to be qualified in conjunction with such casino license.

47. Section 83 of P.L.1977, c.110 (C.5:12-83) is amended to read as follows:

C.5:12-83 Approved hotel.

83. a. An approved hotel for purposes of this act shall be a hotel providing facilities in accordance with this section. Nothing in this section shall be construed to limit the authority of the commission to determine the suitability of facilities as provided in this act, and nothing in this section shall be construed to require a casino to be smaller than the maximum size herein provided.

Nothing in this section shall be construed as authorizing the commission, based on the provisions of this section, to determine the suitability of facilities, or to deny a license, for a small-scale casino facility or a staged casino facility that is permitted by law supplementing P.L.1977, c.110 (C.5:12-1 et seq.).

b. (Deleted by amendment, P.L.2002, c.65).

c. A casino hotel shall include an approved hotel containing at least 500 qualifying sleeping units, as defined in section 27 of the "Casino Control Act," P.L.1977, c.110 (C.5:12-27), and a casino, the total square footage of which shall not exceed 60,000 square feet, except that for each additional 100 qualifying sleeping units above 500, the maximum amount of the casino space may be increased by 10,000 square feet, up to a maximum of 200,000 square feet of casino space. For the purpose of increasing casino space, an agreement approved by the commission for the addition of qualifying sleep-
ing units within two years after the commencement of gaming operations in
the additional casino space shall be deemed an addition of those sleeping
units, but if the agreement is not fulfilled due to conditions within the con­
trol of the casino licensee, the casino licensee shall close the additional ca­
sino space or any portion thereof as directed by the commission.
d. Once a hotel is initially approved, the commission and the division
shall thereafter rely on the certification of the casino licensee with regard to
the number of qualifying sleeping units and shall permit replacement, reha­
bilitation, renovation and alteration of any part of the approved hotel even
if the replacement, rehabilitation, renovation, or alteration will mean that
the casino licensee does not temporarily meet the requirements of subsec­
tion c. so long as the licensee certifies that the replacement, rehabilitation,
renovation, or alteration shall be completed within one year or such other
reasonable period of time as the commission may approve.
e. (Deleted by amendment, P.L.1987, c.352).
g. (Deleted by amendment, P.L.1991, c.182).
h. (Deleted by amendment, P.L.1991, c.182).
i. The division shall not impose any criteria or requirements regard­
ing the contents of the approved hotel in addition to the criteria and re­
quirements expressly specified in the "Casino Control Act," P.L.1977, c.110
(C.5:12-1 et seq.) and the regulations promulgated thereunder; provided,
however, that the division shall require each casino licensee to establish and
maintain an approved hotel which is in all respects a superior, first-class
facility of exceptional quality which will help restore Atlantic City as a re­
sort, tourist and convention destination.

48. Section 84 of P.L.1977, c.110 (C.5:12-84) is amended to read as
follows:

C.5:12-84 Casino license—applicant requirements.
84. Casino License—Applicant Requirements. Any applicant for a ca­
sino license must produce information, documentation and assurances con­
cerning the following qualification criteria:
   a. Each applicant shall produce such information, documentation and
assurances concerning financial background and resources as may be re­
quired to establish by clear and convincing evidence the financial stability,
integrity and responsibility of the applicant, including but not limited to
bank references, business and personal income and disbursement schedules,
tax returns and other reports filed with governmental agencies, and business
and personal accounting and check records and ledgers. In addition, each applicant shall, in writing, authorize the examination of all bank accounts and records as may be deemed necessary by the commission or the division. The commission or the division may consider any relevant evidence of financial stability; provided, however, it is presumed that a casino licensee or applicant is financially stable if it establishes by clear and convincing evidence that it meets each of the following standards:

(1) The ability to assure the financial integrity of casino operations by the maintenance of a casino bankroll or equivalent provisions adequate to pay winning wagers to casino patrons when due. A casino licensee or applicant shall be presumed to have met this standard if it maintains, on a daily basis, a casino bankroll, or a casino bankroll and equivalent provisions, in an amount which is at least equal to the average daily minimum casino bankroll or equivalent provisions, calculated on a monthly basis, for the corresponding month in the previous year. For any casino licensee or applicant which has been in operation for less than a year, such amount shall be determined by the division based upon levels maintained by a comparable casino licensee;

(2) The ability to meet ongoing operating expenses which are essential to the maintenance of continuous and stable casino operations. A casino licensee or applicant shall be presumed to have met this standard if it demonstrates the ability to achieve positive gross operating profit, measured on an annual basis;

(3) The ability to pay, as and when due, all local, state and federal taxes, including the tax on gross revenues imposed by subsection a. of section 144 of P.L.1977, c.110 (C.5:12-144), the investment alternative tax obligations imposed by subsection b. of section 144 of P.L.1977, c.110 (C.5:12-144) and section 3 of P.L. 1984, c.218 (C.5:12-144.1), and any fees imposed by the act or the regulations promulgated pursuant thereto;

(4) The ability to make necessary capital and maintenance expenditures in a timely manner which are adequate to ensure maintenance of a superior, first-class facility of exceptional quality pursuant to subsection i. of section 83 of P.L.1977, c.110 (C.5:12-83). A casino licensee or applicant shall be presumed to have met this standard if it demonstrates that its capital and maintenance expenditures, over the five-year period which includes the three most recent calendar years and the upcoming two calendar years, average at least five percent of net revenue per annum, except that any casino licensee or applicant which has been in operation for less than three years shall be required to otherwise establish compliance with this standard; and
(5) The ability to pay, exchange, refinance or extend debts, including long-term and short-term principal and interest and capital lease obligations, which will mature or otherwise come due and payable during the license term, or to otherwise manage such debts and any default with respect to such debts. The division also may require that a casino licensee or applicant advise as to its plans to meet this standard with respect to any material debts coming due and payable within 12 months after the end of the license term.

b. (Deleted by amendment, P.L.2011, c.19)

c. Each applicant shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence the applicant's good character, honesty and integrity. Such information shall include, without limitation, information pertaining to family, habits, character, reputation, criminal and arrest record, business activities, financial affairs, and business, professional and personal associates, covering at least the 10-year period immediately preceding the filing of the application. Each applicant shall notify the commission and division of any civil judgments obtained against any such applicant pertaining to antitrust or security regulation laws of the federal government, of this State or of any other state, jurisdiction, province or country. In addition, each applicant shall produce letters of reference from law enforcement agencies having jurisdiction in the applicant's place of residence and principal place of business, which letters of reference shall indicate that such law enforcement agencies do not have any pertinent information concerning the applicant, or if such law enforcement agency does have information pertaining to the applicant, shall specify what the information is. If the applicant has conducted gaming operations in a jurisdiction which permits such activity, the applicant shall produce letters of reference from the gaming or casino enforcement or control agency which shall specify the experiences of such agency with the applicant, his associates, and his gaming operation; provided, however, that if no such letters are received within 60 days of request therefor, the applicant may submit a statement under oath that he is or was during the period such activities were conducted in good standing with such gaming or casino enforcement or control agency.

d. Each applicant shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence that the applicant has sufficient business ability and casino experience as to establish the likelihood of creation and maintenance of a successful, efficient casino operation. The applicant shall produce the names of all proposed casino key employees as they become known and a description of their respective or proposed responsibilities.
e. Each applicant shall produce such information, documentation and assurances to establish the suitability of the casino and related facilities subject to subsection i. of section 83 of P.L.1977, c.110 (C.5:12-83) and that its proposed location will not adversely affect casino operations. Each applicant shall submit to the division an impact statement which shall include, without limitation, architectural and site plans which establish that the proposed facilities comply in all respects with the requirements of this act and the requirements of the master plan and zoning and planning ordinances of Atlantic City, without any use variance from the provisions thereof; a market impact study which analyzes the adequacy of the patron market and the effect of the proposal on such market and on the existing casino facilities licensed under this act; and an analysis of the effect of the proposal on the overall economic and competitive conditions of Atlantic City and the State of New Jersey.

f. For the purposes of this section, each applicant shall be responsible for the submission to the division of the name, address, fingerprints and written consent for a criminal history record background check to be performed for each person who must individually qualify in conjunction with the casino license application. The division is hereby authorized to exchange fingerprint data with and receive criminal history record information from the State Bureau of Identification in the Division of State Police and the Federal Bureau of Investigation consistent with applicable State and federal laws, rules and regulations. The applicant shall bear the cost for the criminal history record background check, including all costs of administering and processing the check. The Division of State Police shall promptly notify the division in the event a current or prospective licensee, who was the subject of a criminal history record background check pursuant to this section, is arrested for a crime or offense in this State after the date the background check was performed.

49. Section 85 of P.L.1997, c.110 (C.5:12-85) is amended to read as follows:

C.5:12-85.1 Qualifications for issuance of casino license.

50. a. No casino license shall be issued to any applicant or retained by any holder unless the commission determines that all persons designated by the division as persons who must qualify in conjunction with such license meet all applicable qualification criteria and are not disqualified by reason of any disqualification criteria set forth in section 86 of P.L.1977, c.110 (C.5:12-86).

b. Corporate applicants for and holders of casino licenses shall be required to establish and maintain the qualifications of the following: (1) each officer of the corporation; (2) each director of the corporation; (3) each person who directly or indirectly holds any beneficial interest or ownership of the securities issued by such applicant or holder; (4) any holder who in the opinion of the director has the ability to control the applicant for or holder of a casino license or to elect a majority of the board of directors of such applicant or holder; and (5) each holding, intermediary or subsidiary company of an applicant for or holder of a casino license.

c. As to each holding, intermediary and subsidiary company of an applicant for or holder of a casino license, such applicants and holders shall be required to establish and maintain the qualifications of the following: (1) each Corporate Officer; (2) each director of the corporation; (3) each person who directly or indirectly holds a beneficial interest or ownership interest of 5% or more in such holding, intermediary or subsidiary company; (4) any person who in the opinion of the director has the ability to control or elect a majority of the board of directors of such holding, intermediary or subsidiary company; and (5) any other person who the director may consider appropriate for qualification.

d. The director shall have the authority to waive any or all of the qualification requirements for any person listed in paragraph (1), (2) or (3) of subsection c. of this section.

e. Applicants for and holders of casino licenses shall be required to establish and maintain the qualifications of any financial backer, investor, mortgagee, bondholder, or holders of indentures, notes or other evidences of indebtedness, either in effect or proposed which bears relation to the casino operation or casino hotel premises who holds 25% or more of such financial instruments or evidences of indebtedness; provided however in circumstances of default, any person holding 10% of such financial instru-
ments or evidences of indebtedness shall be required to establish and main­
tain his qualifications as required pursuant to subsection c. of this section.
The director may, in his discretion, require that any other financial backer,
investor, mortgagee, bondholder, or holder of indentures, notes or other
evidences of indebtedness who does not meet the threshold set forth herein
to establish and maintain his qualifications as required pursuant to subsec­tion c. of this section.

f. Banks and licensed lending institutions shall be exempt from any
qualification requirements under this act if such bank or licensed lending
institution is acting in the ordinary course of business.

g. An institutional investor holding either (1) under 25% of the equity
securities of a casino licensee’s holding or intermediary companies, or (2)
debt securities of a casino licensee’s holding or intermediary companies, or
another subsidiary company of a casino licensee’s holding or intermediary
companies which is related in any way to the financing of the casino licen­
see, where the securities represent a percentage of the outstanding debt of
the company not exceeding 25%, or a percentage of any issue of the out­
standing debt of the company not exceeding 50% unless the full issue is in
the amount of $150 million or less, shall be granted a waiver of qualifica­
tion if such securities are those of a corporation, whether publicly traded or
privately held, and its holdings of such securities were purchased for in­
vestment purposes only and it files a certified statement to the effect that it
has no intention of influencing or affecting the affairs of the issuer, the ca­
sino licensee or its holding or intermediary companies; provided, however,
that it shall be permitted to vote on matters put to the vote of the out­
standing security holders. The director may grant a waiver of qualification

which subsequently determines to influence or affect the affairs of the is­suer
shall provide not less than 30 days’ notice of such intent and shall file
with the division an application for qualification before taking any action
that may influence or affect the affairs of the issuer; provided, however, that
it shall be permitted to vote on matters put to the vote of the outstanding
security holders. If an institutional investor changes its investment intent, or
if the director finds reasonable cause to believe that the institutional inves­
tor may be found unqualified, no action other than divestiture shall be taken
by such investor with respect to its security holdings until there has been
compliance with the provisions of P.L.1987, c.409 (C.5:12-95.12 et seq.),
including the execution of a trust agreement. The casino licensee and its
relevant holding, intermediary or subsidiary company shall immediately notify the division of any information about, or actions of, an institutional investor holding its equity or debt securities where such information or action may impact upon the eligibility of such institutional investor for a waiver pursuant to this subsection.

h. If at any time the director finds that an institutional investor holding any security of a holding or intermediary company of a casino licensee, or, where relevant, of another subsidiary company of a holding or intermediary company of a casino licensee which is related in any way to the financing of the casino licensee, fails to comply with the terms of subsection f. of this section, or if at any time the director finds that, by reason of the extent or nature of its holdings, an institutional investor is in a position to exercise such a substantial impact upon the controlling interests of a licensee that qualification of the institutional investor is necessary to protect the public interest, the director may, in accordance with the provisions of subsections a. through e. of this section or subsections d. and e. of section 105 of P.L.1977, c.110 (C.5:12-105), take any necessary action to protect the public interest, including requiring such an institutional investor to be qualified pursuant to the provisions of the “Casino Control Act,” P.L.1977, c.110 (C.5:12-1 et seq.).

i. Any company required to qualify pursuant to subsection b. of this section shall establish by clear and convincing evidence that it meets the standards set forth in section 84 of P.L.1977, c.110 (C.5:12-84).

j. In addition, each applicant shall, upon request of the commission or the division, produce letters of reference from law enforcement agencies having jurisdiction in the applicant's place of residence and principal place of business, which letters of reference shall indicate that such law enforcement agencies do not have any pertinent information concerning the applicant, or if such law enforcement agency does have information pertaining to the applicant, shall specify what that information is. If the applicant has been associated with gaming or casino operations in any capacity, position or employment in a jurisdiction which permits such activity, the applicant shall, upon request of the commission or division, produce letters of reference from the gaming or casino enforcement or control agency, which shall specify the experience of such agency with the applicant, his associates and his participation in the gaming operations of that jurisdiction; provided, however, that if no such letters are received from the appropriate law enforcement agencies within 60 days of the applicant's request therefor, the applicant may submit a statement under oath that he is or was during the period such ac-
tivities were conducted in good standing with such gaming or casino enforcement or control agency.

(3) (Deleted by amendment, P.L.1995, c.18.)

(5) For the purposes of this section, each applicant shall submit to the division the applicant's name, address, fingerprints and written consent for a criminal history record background check to be performed. (5) The division does not object to the issuance of the temporary casino key employee license.

Unless otherwise terminated pursuant to this act, any temporary casino key employee license issued pursuant to this subsection shall expire nine months from the date of its issuance.

shall register with the division biennially, and shall disclose such informa­

affiliated organizations, pension and welfare systems and all officers and
agents of such organizations and systems; provided, however, that no labor
organization, union, or affiliate shall be required to furnish such informa­
tion to the extent such information is included in a report filed by any labor
organization, union, or affiliate with the Secretary of Labor pursuant to 29
U.S.C.s.431 et seq. or s. 1001 et seq. if a copy of such report, or of the por­
tion thereof containing such information, is furnished to the division pursu­
ant to the aforesaid federal provisions. The division may in its discretion
exempt any labor organization, union, or affiliate from the registration re­
quirements of this subsection where the division finds that such organiza­
tion, union or affiliate is not the certified bargaining representative of any
employee who is employed in a casino hotel, casino or casino simulcasting
facility by a casino licensee, is not involved actively, directly or substan­
tially in the control or direction of the representation of any such employee,
and is not seeking to do so.

b. No person may act as an officer, agent or principal employee of a
labor organization, union or affiliate registered or required to be registered
pursuant to this section if the person has been found disqualified by the di­

The division may, for purposes of this subsection, waive any disqualifica­
tion criterion consistent with the public policy of this act and upon a finding
that the interests of justice so require.

c. Neither a labor organization, union or affiliate nor its officers and
agents not otherwise individually licensed or registered under this act and
employed by a casino licensee may hold any financial interest whatsoever
in the casino hotel, casino, casino simulcasting facility or casino licensee whose employees they represent.

d. Any person, including any labor organization, union or affiliate, who shall violate, aid and abet the violation, or conspire or attempt to violate this section is guilty of a crime of the fourth degree.

e. The division may maintain a civil action and proceed in a summary manner, without posting bond, against any person, including any labor organization, union or affiliate, to compel compliance with this section, or to prevent any violations, the aiding and abetting thereof, or any attempt or conspiracy to violate this section.

f. In addition to any other remedies provided in this section, a labor organization, union or affiliate registered or required to be registered pursuant to this section may be prohibited by the division from receiving any dues from any employee licensed or registered under that act and employed by a casino licensee or its agent, if any officer, agent or principal employee of the labor organization, union or affiliate has been found disqualified and if such disqualification has not been waived by the division in accordance with subsection b. of this section. The division may proceed in the manner provided by subsection e. of this section to enforce an order of the director prohibiting the receipt of dues.

g. Nothing contained in this section shall limit the power of the division to proceed in accordance with subsection c. of section 107 of P.L.1977, c.110 (C.5:12-107).

b. After such investigation, the commission may either deny the application or grant a license to an applicant whom it determines to be qualified to hold such license.

c. The commission shall have the authority to deny any application pursuant to the provisions of this act. When an application for a casino key
employee license is denied, the commission shall prepare and file its order denying such application with the general reasons therefor, and if requested by the applicant, shall further prepare and file a statement of the reasons for the denial, including the specific findings of fact.

d. When the commission grants an application, the commission may limit or place such restrictions thereupon as it may deem necessary in the public interest.

e. Casino employee registration and vendor registration shall be effective upon issuance, and shall remain in effect unless revoked, suspended, limited, or otherwise restricted by the division. Notwithstanding the foregoing, if a casino employee registrant has not been employed in any position within a casino hotel facility or a vendor registrant has not conducted business with a casino hotel facility for a period of three years, the registration of that casino employee or vendor registrant shall lapse.

f. Notwithstanding the foregoing, the commission shall reconsider the granting of any casino key employee license at any time at the request of the division. Notwithstanding the foregoing, the division may reconsider the granting of any license or may revoke any registration at any time.

Such filing must be made 30 days prior to the effective date of the proposed change in hours.

c. Nothing herein shall be construed to limit a casino licensee in opening its casino later than, or closing its casino earlier than, the times stated in its schedule of operating hours; provided, however, that any such alterations in its hours shall comply with the provisions of subsection a. of this section and with regulations of the division pertaining to such alterations.

**C.5:12-100 Games and gaming equipment.**

100. a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room in accordance with this act and the regulations promulgated hereunder and in a simulcasting facility to the extent provided by the "Casino Simulcasting Act," P.L.1992, c.19 (C.5:12-191 et al.). Notwithstanding the foregoing, if the division approves the game of keno as an authorized game pursuant to section 5 of P.L.1977, c.110 (C.5:12-5), as amended, keno tickets may be sold or redeemed in accordance with division regulations.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel except in a casino room, in the simulcasting facility, or in restricted casino areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the division. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility but does not permit or require patron access, such as computers, may be possessed and maintained by a casino licensee or a qualified holding or intermediary company of a casino licensee in restricted areas specifically approved by the division. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room or simulcasting facility by any person unless such equipment is necessary to the conduct of an authorized game, has permanently affixed, imprinted, impressed or engraved thereon an identification number or symbol authorized by the division, is under the exclusive control of a casino licensee or casino licensee's employees, or of any individually qualified employee of a holding company or casino licensee and is brought into or removed from the casino room or simulcasting facility following 24-hour prior notice given to an authorized agent of the division.

Notwithstanding any other provision of this section, computer equipment used by the slot system operator of a multi-casino progressive slot system to link and communicate with the slot machines of two or more casino licensees for the purpose of calculating and displaying the amount of a progressive jackpot, monitoring the operation of the system, and any other purpose that the division deems necessary and appropriate to the operation or maintenance of the multi-casino progressive slot machine system may,
with the prior approval of the division, be possessed, maintained and operated by the slot system operator either in a restricted area on the premises of a casino hotel or in a secure facility inaccessible to the public and specifically designed for that purpose off the premises of a casino hotel but within the territorial limits of Atlantic County, New Jersey.

Notwithstanding the foregoing, a person may, with the prior approval of the division and under such terms and conditions as may be required by the division, possess, maintain or exhibit gaming equipment in any other area of the casino hotel, provided that such equipment is used for nongaming purposes.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the division for the counting and storage of cash, coins, tokens, checks, plaques, gaming vouchers, coupons, and other devices or items of value used in wagering and approved by the division that are received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other representatives of value. The division shall promulgate regulations for the security of drop boxes and other devices in which the foregoing items are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, which regulations may include certain locking devices. Said drop boxes and other devices shall not be brought into or removed from a casino room or simulcasting facility, or locked or unlocked, except at such times, in such places, and according to such procedures as the division may require.

Each casino licensee shall prominently post within a casino room and simulcasting facility, as appropriate, according to regulations of the division such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the division shall require.
CHAPTER 19, LAWS OF 2011

189

g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. (1) Except as herein provided, no slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested and licensed for use by the division. The division shall also test any other gaming device, gaming equipment, gaming-related device or gross-revenue related device, such as a slot management system, electronic transfer credit system or gaming voucher system as it deems appropriate. In its discretion and for the purpose of expediting the approval process, the division may utilize the services of a private testing laboratory that has obtained a plenary license as a casino service industry enterprise pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to perform the testing, and may also utilize applicable data from any such private testing laboratory or from a governmental agency of a state other than New Jersey authorized to regulate slot machines and other gaming devices, gaming equipment, gaming-related devices and gross-revenue related devices used in casino gaming, if the private testing laboratory or governmental agency uses a testing methodology substantially similar to the methodology utilized by the division. The division, in its discretion, may rely upon the data provided by the private testing laboratory or governmental agency and adopt the conclusions of such private testing laboratory or governmental agency regarding any submitted device.

(2) Except as otherwise provided in paragraph (5) of subsection h. of this section, the division shall, within 60 days of its receipt of a complete application for the testing of a slot machine or other gaming equipment model, approve or reject the slot machine or other gaming equipment model. In so doing, the division shall specify whether and to what extent any data from a private testing laboratory or governmental agency of a state other than New Jersey was used in reaching its conclusions and recommendation. If the division is unable to complete the testing of a slot machine or other gaming equipment model within this 60-day period, the division may conditionally approve the slot machine or other gaming equipment model for test use by a casino licensee provided that the division represents that the use of the slot machine or other gaming equipment model will not have a direct and materially adverse impact on the integrity of gaming or the
control of gross revenue. The division shall give priority to the testing of slot machines or other gaming equipment which a casino licensee has certified it will use in its casino in this State.

(3) The division shall, by regulation, establish such technical standards for licensure of slot machines, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. The denominations of such machines shall be set by the licensee; the licensee shall simultaneously notify the division of the settings.

(4) The division shall, by regulation, determine the permissible number and density of slot machines in a licensed casino so as to:

(a) promote optimum security for casino operations;
(b) avoid deception or frequent distraction to players at gaming tables;
(c) promote the comfort of patrons;
(d) create and maintain a gracious playing environment in the casino; and
(e) encourage and preserve competition in casino operations by assuring that a variety of gaming opportunities is offered to the public.

Any such regulation promulgated by the division which determines the permissible number and density of slot machines in a licensed casino shall provide that all casino floor space and all space within a casino licensee’s casino simulcasting facility shall be included in any calculation of the permissible number and density of slot machines in a licensed casino.

(5) Any new gaming equipment or simulcast wagering equipment that is submitted for testing to the division or to an independent testing laboratory licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) prior to or simultaneously with submission of such new equipment for testing in a jurisdiction other than New Jersey, may, consistent with regulations promulgated by the division, be deployed by a casino licensee on the casino floor 14 days after submission of such equipment for testing. If the casino or casino service industry enterprise licensee has not received approval for the equipment 14 days after submission for testing, any interested casino licensee may, consistent with division regulations, deploy the equipment on a field test basis, unless otherwise directed by the director.

i. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except for currency, negotiable personal checks, negotiable counter checks, other chips, coupons, slot vouchers or complimen-
tary vouchers distributed by the casino licensee, or, if authorized by regulation of the division, a valid charge to a credit or debit card account. A casino licensee shall, upon the request of any person, redeem that licensee's gaming chips surrendered by that person in any amount over $100 with a check drawn upon the licensee's account at any banking institution in this State and made payable to that person.

1. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or barker to induce any person to enter a casino or simulcasting facility or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose, unless otherwise permitted by the rules of the division.

n. (1) It shall be unlawful for any casino key employee, licensee or any person who is required to hold a casino key employee license as a condition of employment or qualification to wager in any casino or simulcasting facility in this State, or any casino.

(2) It shall be unlawful for any other employee of a casino licensee who, in the judgment of the division, is directly involved with the conduct of gaming operations, including but not limited to dealers, floor persons, box persons, security and surveillance employees, to wager in any casino or simulcasting facility in the casino hotel in which the employee is employed or in any other casino or simulcasting facility in this State which is owned or operated by an affiliated licensee.

(3) The prohibition against wagering set forth in paragraphs (1) and (2) of this subsection shall continue for a period of 30 days commencing upon the date that the employee either leaves employment with a casino licensee or is terminated from employment with a casino licensee.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit, any tip or gratuity from any player or patron at the casino hotel or simulcasting facility where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, unless the tip or gratuity is authorized by a patron utilizing an automated wagering system approved by the division. All tips or gratuities shall be accounted for, and placed in a pool for distri-
bution pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked, except that the division may, by regulation, permit a separate pool to be established for dealers in the game of poker, or may permit tips or gratuities to be retained by individual dealers in the game of poker.

(3) Notwithstanding the provisions of paragraph (1) of this subsection, a casino licensee may require that a percentage of the prize pool offered to participants pursuant to an authorized poker tournament be withheld for distribution to the tournament dealers as tips or gratuities as the division by regulation may approve.

p. Any slot system operator that offers an annuity jackpot shall secure the payment of such jackpot by establishing an annuity jackpot guarantee in accordance with the requirements of P.L.1977, c.110 (C.5:12-1 et seq.), and the rules of the division.

66. Section 4 of P.L.2005, c.46 (C.5:12-100.1) is amended to read as follows:

C.5:12-100.1 Right to receive annuity jackpot payments.

4. a. The right of any annuity jackpot winner to receive annuity jackpot payments from a slot system operator shall not be assignable, except as permitted by this section. The provisions of this section shall prevail over the provisions of the "Uniform Commercial Code Secured Transactions," N.J.S.12A:9-101 et seq., including N.J.S.12A:9-406, or any other law to the contrary.

b. Notwithstanding any other provision of this section, annuity jackpot payments may be paid to the estate of a deceased jackpot winner, in the same manner as they were paid to the winner, upon receipt by the slot system operator of a certified copy of an order appointing an executor or an administrator.

c. A person may be assigned and paid the annuity jackpot payments to which an annuity jackpot winner is entitled pursuant to a judicial order of the New Jersey Superior Court or any other court having jurisdiction over property located in this State provided that the order pertains to claims of ownership in the annuity jackpot payments, division of marital property in divorce actions, bankruptcy, child support, appointment of a guardian or conservator, or distribution of an estate.

d. A person may be assigned and paid the annuity jackpot payments to which an annuity jackpot winner is entitled pursuant to a judicial order of the New Jersey Superior Court or any other court having jurisdiction over
property located in this State. The annuity jackpot winner and the proposed assignee shall prepare a proposed form of order and submit such proposed order to the court for its consideration. The proposed form of order shall contain the following information:

   (5) the slot system operator primarily responsible for making the annuity jackpot payments;

   (6) the gross amount of the annuity jackpot won before application of withholding taxes;

   (7) the gross amount of each payment to be made to the winner by the slot system operator before application of withholding taxes;

   (8) the dates of the payments to be assigned and the amount of the specific payments to be assigned on each date;

   (9) the identity of the winner's spouse, domestic partner or partner in a civil union, if any, and the interest of that person, if any, in the annuity jackpot payments;

   (10) the identity of any other co-owner, claimant or lienholder and the amount of the interests, liens, security interests, prior assignments or offsets asserted by each such party;

   (11) that the interest rate or discount rate, as applicable, and all fees and costs and other material terms relating to the assignment are expressly and clearly included in all material documents and in all documents that include any obligations of the annuity jackpot winner;

   (12) that the interest rate or discount rate, as applicable, and any other fees or charges associated with the assignment do not indicate overreaching or exploitation, do not exceed current usury rates, and does not violate any laws of usury of this State;

   (13) that the winner has reviewed and understands the terms of the assignment;

   (14) that the winner understands that the winner will not receive the annuity jackpot payments, or portions thereof, for the years assigned;
(15) that the winner has agreed to the assignment of the winner's own free will without undue influence or duress;

(16) that the winner has retained and consulted with independent legal counsel who has advised the winner of the winner's legal rights and obligations;

(17) that the winner has retained and consulted with an independent tax advisor concerning the tax consequences of the assignment;

(19) that the winner has certified that: the winner is not obligated to repay any public assistance benefits; and the winner does not have a child support obligation, or if the winner does have a child support obligation, that no arrearage is due.

The annuity jackpot winner and the proposed assignee shall provide a copy of the proposed form of order to the slot system operator at least 10 days before the court is scheduled to act on the proposed order to allow the slot system operator the opportunity to ensure that the proposed order is complete and correct in all respects prior to the court's approval.

e. Before a winner is legally bound, by agreement, contract or otherwise, and prior to the issuance of an order pursuant to subsection d. of this section, the assignee shall provide the winner with all material documents which shall be binding on the assignor, including documents evidencing obligations of the winner, and a written notice recommending that the winner obtain independent counsel before signing any document which shall be binding on the assignor. All documents shall include a notice of the assignor's right to cancel the agreement which shall be located in immediate proximity to all spaces reserved for the signature of the winner in bold-faced type of at least 10 points and which shall provide as follows:

"You have the right to cancel this assignment without any cost to you until midnight three business days after the day on which you have signed an agreement to assign all or a portion of your annuity jackpot.

Cancellation occurs when you give notice by regular first class mail, postage prepaid, to the assignee at the address listed at the top of the first page of this document that you wish to cancel the assignment. Notice is deemed given when deposited in a mailbox."

f. The slot system operator shall, not later than 10 days after receiving a true and correct copy of the filed judicial order, send the winner and the assignee written confirmation of receipt of the court-ordered assignment and of the slot system operator's intent to rely thereon in making future
payments to the assignee named in the order. The slot system operator shall, thereafter, make all payments in accordance with the judicial order. No change in the terms of any assignment shall be effective unless made pursuant to a subsequent judicial order pursuant to this section.

g. The slot system operator may impose a reasonable fee on an assignor to defray any direct or indirect administrative expenses associated with an assignment.

h. The division, the commission and the State are not parties to assignment proceedings, except that the State may intervene as necessary to protect the State’s interest in monies owed to the State.

i. The slot system operator and the State shall comply with, and rely upon, a judicial order in distributing payments subject to that order.

j. A winner may pledge or grant a security interest in all or part of an annuity jackpot as collateral for repayment of a loan pursuant to a judicial order containing the information required by subsection d. of this section which the court deems relevant to the pledge or grant.

k. Except where inconsistent with the provisions of this section, the New Jersey consumer fraud act, P.L.1960, c.39 (C.56:8-1 et seq.), shall apply to all transactions under this section.

l. The provisions of subsections d., e. and j. of this section shall be invalid if:

1. the United States Internal Revenue Service issues a technical rule letter, revenue ruling, or other public ruling in which it is determined that because of the right of assignment provided by subsection d. of this section, annuity jackpot winners who do not exercise the right to assign annuity jackpot payments would be subject to an immediate income tax liability for the value of the entire annuity jackpot rather than annual income tax liability for each installment when received; or

2. a court of competent jurisdiction issues a published decision holding that because of the right of assignment provided by subsection d. of this section, annuity jackpot winners who do not exercise the right to assign annuity jackpot payments would be subject to an immediate income tax liability for the value of the entire annuity jackpot rather than annual income tax liability for each installment when received.

m. Upon receipt, the division shall immediately file a copy of a letter or ruling of the United States Internal Revenue Service or a published decision of a court of competent jurisdiction, described in subsection l. of this section, with the Secretary of State. No assignment shall be approved pursuant to subsection d. of this section after the date of such filing.
n. A voluntary assignment shall not include or cover payments, or portions of payments, that are subject to the offset pursuant to section 5 of this amendatory and supplementary act, P.L.2005, c.46 (C.5:12-100.2), or any other law, unless appropriate provisions are made to satisfy the obligations giving rise to the offset.

o. No assignee shall directly or indirectly recommend or facilitate the hiring of any lawyer or accountant to assist the assignor in determining the appropriateness of the proposed assignment. Further, the assignee shall not offer, prior to the closing, tax or investment advice.

67. Section 5 of P.L.2005, c.46 (C.5:12-100.2) is amended to read as follows:

C.5:12-100.2 Prompt notice of award of annuity jackpot; offset, lien for child support arrearages.

5. a. Each slot system operator that awards an annuity jackpot shall provide prompt notice to the division of the name, address and social security number of each annuity jackpot winner and the amount of the pending payments. The division shall forward such information to the Office of Information Technology in but not of the Department of the Treasury.

b. The Office of Information Technology shall cross check the annuity jackpot winner list with the data supplied by the Commissioner of Human Services pursuant to section 2 of P.L.1991, c.384 (C.5:9-13.2) for a social security number match. If a match is made, the Office of Information Technology shall notify the Commissioner of Human Services.

c. If an annuity jackpot winner is in arrears of a child support order, or is a former recipient of Aid to Families with Dependent Children or Work First New Jersey, food stamp benefits or low-income home energy assistance benefits who has incurred an overpayment which has not been repaid, the Probation Division of the Superior Court or the Department of Human Services, as appropriate, shall promptly notify the slot system operator of the name, address, social security number and amount due on an arrears child support order or the amount due on an overpayment. The slot system operator shall withhold this amount from the pending annuity jackpot payment and transmit same to the Probation Division of the Superior Court or the Department of Human Services, as appropriate, in accordance with regulations promulgated by the State Treasurer.

d. The Probation Division of the Superior Court, acting as agent for the child support payee or the county welfare agency that provided the public assistance benefits, as appropriate, shall have a lien on the proceeds of
the annuity jackpot payment in an amount equal to the amount of child support arrearage or the amount of overpayment incurred, as appropriate. The lien imposed by this section shall be enforceable in the Superior Court. Any of the annuity jackpot winner’s funds remaining after withholding pursuant to the lien established pursuant to this section shall be paid to the winner in accordance with the rules of the division.

e. f. The State Treasurer shall also provide, by regulation, safeguards against the disclosure or inappropriate use of any personally identifiable information regarding any person obtained pursuant to this section.

g. For the purposes of this section, "prompt notice" shall mean notice within 14 days or less.

68. Section 101 of P.L.1977, c.110 (C.5:12-101) is amended to read as follows:

C.5:12-101 Credit.

101. a. Except as otherwise provided in this section, no casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall:

   (1) Cash any check, make any loan, or otherwise provide or allow to any person any credit or advance of anything of value or which represents value to enable any person to take part in gaming or simulcast wagering activity as a player; or

   (2) Release or discharge any debt, either in whole or in part, or make any loan which represents any losses incurred by any player in gaming or simulcast wagering activity, without maintaining a written record thereof in accordance with the rules of the division.

b. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, may accept a check, other than a recognized traveler’s check or other cash equivalent from any person to enable
such person to take part in gaming or simulcast wagering activity as a player, or may give cash or cash equivalents in exchange for such check unless:

1. The check is made payable to the casino licensee;
2. The check is dated, but not postdated;
3. The check is presented to the cashier or the cashier's representative at a location in the casino approved by the division and is exchanged for cash or slot tokens which total an amount equal to the amount for which the check is drawn, or the check is presented to the cashier's representative at a gaming table in exchange for chips which total an amount equal to the amount for which the check is drawn; and
4. The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

Nothing in this subsection shall be deemed to preclude the establishment of an account by any person with a casino licensee by a deposit of cash, recognized traveler’s check or other cash equivalent, or a check which meets the requirements of subsection g. of this section, or to preclude the withdrawal, either in whole or in part, of any amount contained in such account.

c. When a casino licensee or other person licensed under this act, or any person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, cashes a check in conformity with the requirements of subsection b. of this section, the casino licensee shall cause the deposit of such check in a bank for collection or payment, or shall require an attorney or casino key employee with no incompatible functions to present such check to the drawer’s bank for payment, within (1) seven calendar days of the date of the transaction for a check in an amount of $1,000.00 or less; (2) 14 calendar days of the date of the transaction for a check in an amount greater than $1,000.00 but less than or equal to $5,000.00; or (3) 45 calendar days of the date of the transaction for a check in an amount greater than $5,000.00. Notwithstanding the foregoing, the drawer of the check may redeem the check by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section in an amount equal to the amount for which the check is drawn; or he may redeem the check in part by exchanging cash, cash equivalents, chips, or check tendered; or he may issue one check which meets the requirements of subsection b. of this section for the difference between the original check and the cash, cash equivalents, chips, or check tendered; or he may issue one check which meets the requirements of subsection b. of this section in an amount sufficient to redeem two or more checks drawn to the order of the casino licensee. If there has been a partial redemption or a consolidation in
conformity with the provisions of this subsection, the newly issued check shall be delivered to a bank for collection or payment or presented to the drawer's bank for payment by an attorney or casino key employee with no incompatible functions within the period herein specified. No casino licensee or any person licensed or registered under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall accept any check or series of checks in redemption or consolidation of another check or checks in accordance with this subsection for the purpose of avoiding or delaying the deposit of a check in a bank for collection or payment or the presentment of the check to the drawer's bank within the time period prescribed by this subsection.

In computing a time period prescribed by this subsection, the last day of the period shall be included unless it is a Saturday, Sunday, or a State or federal holiday, in which event the time period shall run until the next business day.

d. No casino licensee or any other person licensed or registered under this act, or any other person acting on behalf of or under any arrangement with a casino licensee or other person licensed or registered under this act, shall transfer, convey, or give, with or without consideration, a check cashed in conformity with the requirements of this section to any person other than:

(1) The drawer of the check upon redemption or consolidation in accordance with subsection c. of this section;
(2) A bank for collection or payment of the check;
(3) A purchaser of the casino license as approved by the commission; or
(4) An attorney or casino key employee with no incompatible functions for presentment to the drawer's bank.

The limitation on transferability of checks imposed herein shall apply to checks returned by any bank to the casino licensee without full and final payment.

e. No person other than a casino key employee licensed under this act or a casino employee registered under this act may engage in efforts to collect upon checks that have been returned by banks without full and final payment, except that an attorney-at-law representing a casino licensee may bring action for such collection.

f. Notwithstanding the provisions of any law to the contrary, checks cashed in conformity with the requirements of this act shall be valid instruments, enforceable at law in the courts of this State. Any check cashed, transferred, conveyed or given in violation of this act shall be invalid and unenforceable for the purposes of collection but shall be included in the

g. (1) (a) The check is issued by a casino licensee, is made payable to the person presenting the check, and is issued for a purpose other than employment compensation or as payment for goods or services rendered;

(b) The check is issued by a banking institution which is chartered in a country other than the United States on its account at a federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

(c) The check is issued by a banking institution which is chartered in the United States on its account at another federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

(2) The check is identifiable in a manner approved by the division as a check authorized for acceptance pursuant to paragraph (1) of this subsection;

(3) The check is dated, but not postdated;

(4) The check is presented to the cashier or the cashier's representative by the original payee and its validity is verified by the drawer in the case of a check drawn pursuant to subparagraph (a) of paragraph (1) of this subsection, or the check is verified in accordance with regulations promulgated under this act in the case of a check issued pursuant to subparagraph (b), (c), (d) or (e) of paragraph (1) of this subsection; and

(5) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

No casino licensee shall issue a check for the purpose of making a loan or otherwise providing or allowing any advance or credit to a person to en-
able the person to take part in gaming or simulcast wagering activity as a player.

h. Notwithstanding the provisions of subsection b. and subsection c. of this section to the contrary, a casino licensee may, at a location outside the casino, accept a personal check or checks from a person for up to $5,000 in exchange for cash or cash equivalents, and may, at such locations within the casino or casino simulcasting facility as may be permitted by the division, accept a personal check or checks for up to $5,000 in exchange for cash, cash equivalents, tokens, chips, or plaques to enable the person to take part in gaming or simulcast wagering activity as a player, provided that:

(g) The total amount of personal checks accepted by any one licensee pursuant to this subsection that are outstanding at any time, including the current check being submitted, does not exceed $5,000;
(h) The casino licensee has a system of internal controls in place that will enable it to determine the amount of outstanding personal checks received from any patron pursuant to this subsection at any given point in time; and
(i) The casino licensee maintains a record of each such transaction in accordance with regulations established by the division.

i. (Deleted by amendment, P.L.2004, c.128).

j. A person may request the division to put that person's name on a list of persons to whom the extension of credit by a casino as provided in this section would be prohibited by submitting to the division the person's name, address, and date of birth. The person does not need to provide a reason for this request. The division shall provide this list to the credit department of each casino; neither the division nor the credit department of a casino shall divulge the names on this list to any person or entity other than those provided for in this subsection. If such a person wishes to have that person's name removed from the list, the person shall submit this request to
the division, which shall so inform the credit departments of casinos no later than three days after the submission of the request.

k. (Deleted by amendment, P.L.2004, c.128).

69. Section 2 of P.L.1987, c.419 (C.5:12-101.2) is amended to read as follows:

C.5:12-101.2 Cash redemption, limited.

2. No casino licensee or any person licensed or registered under P.L.1977, c.110 (C.5:12-1 et seq.), and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed or registered under P.L.1977, c.110, shall, in a single transaction during a gaming day, redeem for cash or credit any chips or markers in an amount of $10,000.00 or more or exchange chips for cash in an amount of $10,000.00 or more, from any one person, unless the person seeking to redeem the chips or markers presents proof of his identity and passport identification number if he is not a United States citizen.

Multiple currency transactions shall be treated as a single transaction if the casino licensee, person licensed or registered under P.L.1977, c.110 or person acting on behalf of or under any arrangement with a casino licensee or other person licensed or registered under P.L.1977, c.110 has knowledge that the transactions are by or on behalf of one person and result in either cash in or cash out totaling more than $10,000.00 during a gaming day.

70. Section 3 of P.L.1987, c.419 (C.5:12-101.3) is amended to read as follows:

3. Casino licensees, persons licensed or registered under P.L.1977, c.110 (C.5:12-1 et seq.) and persons acting on behalf of or under any arrangement with casino licensees or other persons licensed or registered under P.L.1977, c.110, who accept cash or redeem chips or markers totaling $10,060.00 or more in a gaming day for which identification is required pursuant to sections 1 and 2 of this 1987 supplementary act, shall at least once every 30 days report the identities and passport numbers of the persons offering the cash, chips or markers, to the Division of Gaming Enforcement.

71. Section 102 of P.L.1977, c.110 (C.5:12-102) is amended to read as follows:
C.5:12-102 Junkets and complimentary services.

a. No junkets may be organized or permitted except in accordance with the provisions of this act. No person may act as a junket representative or junket enterprise except in accordance with this section.

b. A junket enterprise or a junket representative employed by a casino licensee, an applicant for a casino license or an affiliate of a casino licensee shall be licensed as a casino key employee in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that said licensee need not be a resident of this State. No casino licensee or applicant for a casino license may employ or otherwise engage a junket representative who is not so licensed.

c. Junket enterprises that, and junket representatives not employed by a casino licensee or an applicant for a casino license or by a junket enterprise who, engage in activities governed by this section shall be licensed as a casino service industry enterprise in accordance with subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), unless otherwise directed by the division. Any non-supervisory employee of a junket enterprise or junket representative licensed under this subsection shall be registered in accordance with subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92).

d. Prior to the issuance of any license required by this section, an applicant for licensure shall submit to the jurisdiction of the State of New Jersey and shall demonstrate that he is amenable to service of process within this State. Failure to establish or maintain compliance with the requirements of this subsection shall constitute sufficient cause for the denial, suspension or revocation of any license issued pursuant to this section.

e. Upon petition by the holder of a casino license, an applicant for junket representative or junket enterprise applying for licensure may be issued a temporary license by the division in accordance with regulations promulgated by the division, provided that:

(1) the applicant for licensure is employed by a casino licensee;

(2) the applicant for licensure has filed a completed application as required by the commission;

(3) the division either certifies to the commission that the completed application for licensure as specified in paragraph (2) of this subsection has been in the possession of the division for at least 60 days or agrees to allow the commission to consider the application in some lesser time; and

(4) the division does not object to the temporary licensure of the applicant; provided, however, that failure of the division to object prior to the
temporary licensure of the applicant shall not be construed to reflect in any manner upon the qualifications of the applicant for licensure.

In addition to any other authority granted by P.L.1977, c.110 (C.5:12-1 et seq.), the commission shall have the authority, upon receipt of a representation by the division that it possesses information which raises a reasonable possibility that a junket representative does not qualify for licensure, to immediately suspend, limit or condition any temporary license issued pursuant to this subsection, pending a hearing on the qualifications of the junket representative, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.).

Unless otherwise terminated pursuant to P.L.1977, c.110 (C.5:12-1 et seq.), any temporary license issued pursuant to this subsection shall expire 12 months from the date of its issuance, and shall be renewable by the commission, in the absence of an objection by the division, as specified in paragraph (4) of this subsection, for one additional six-month period.

f. Every agreement concerning junkets entered into by a casino licensee and a junket representative or junket enterprise shall be deemed to include a provision for its termination without liability on the part of the casino licensee, if the division orders the termination upon the suspension, limitation, conditioning, denial or revocation of the licensure of the junket representative or junket enterprise, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.). Failure to expressly include such a condition in the agreement shall not constitute a defense in any action brought to terminate the agreement.

g. A casino licensee shall be responsible for the conduct of any junket representative or junket enterprise associated with it and for the terms and conditions of any junket engaged in on its premises, regardless of the fact that the junket may involve persons not employed by such a casino licensee.

h. A casino licensee shall be responsible for any violation or deviation from the terms of a junket. Notwithstanding any other provisions of this act, the division may order restitution to junket participants, assess penalties for such violations or deviations, prohibit future junkets by the casino licensee, junket enterprise or junket representative, and order such further relief as it deems appropriate.

i. The division shall, by regulation, prescribe methods, procedures and forms for the delivery and retention of information concerning the conduct of junkets by casino licensees. Without limitation of the foregoing, each casino licensee, in accordance with the rules of the division, shall:

(1) Maintain on file a report describing the operation of any junket engaged in on its premises;
CHAPTER 19, LAWS OF 2011

(2) (Deleted by amendment, P.L.1995, c.18.).

(3) Submit to the division a list of all its employees who are acting as junket representatives.

j. Each casino licensee, junket representative or junket enterprise shall, in accordance with the rules of the division, file a report with the division with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the casino licensee, junket representative or enterprise.

k. The division shall have the authority to determine, either by regulation, or upon petition by the holder of a casino license, that a type of arrangement otherwise included within the definition of "junket" established by section 29 of P.L.1977, c.110 (C.5:12-29) shall not require compliance with any or all of the requirements of this section. In granting exemptions, the division shall consider such factors as the nature, volume and significance of the particular type of arrangement, and whether the exemption would be consistent with the public policies established by this act. In applying the provisions of this subsection, the division may condition, limit, or restrict any exemption as the commission may deem appropriate.

l. No junket enterprise or junket representative or person acting as a junket representative may:

(1) Engage in efforts to collect upon checks that have been returned by banks without full and final payment;

(2) Exercise approval authority with regard to the authorization or issuance of credit pursuant to section 101 of P.L.1977, c.110 (C.5:12-101);

(3) Act on behalf of or under any arrangement with a casino licensee or a gaming patron with regard to the redemption, consolidation, or substitution of the gaming patron's checks awaiting deposit pursuant to subsection c. of section 101 of P.L.1977, c.110 (C.5:12-101);

(4) Individually receive or retain any fee from a patron for the privilege of participating in a junket;

(5) Pay for any services, including transportation, or other items of value provided to, or for the benefit of, any patron participating in a junket.

m. No casino licensee shall offer or provide any complimentary services, gifts, cash or other items of value to any person unless:

(1) The complimentary consists of room, food, beverage, transportation, or entertainment expenses provided directly to the patron and his guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party; or

(2) (Deleted by amendment, P.L.2009, c.36); or
(3) The complimentary consists of coins, tokens, cash or other complimentary items or services provided through a bus coupon or other complimentary distribution program which, notwithstanding the requirements of section 99 of P.L.1977, c.110 (C.5:12-99), shall be maintained pursuant to regulation and made available for inspection by the division.

Notwithstanding the foregoing, a casino licensee may offer and provide complimentary cash or noncash gifts which are not otherwise included in paragraphs (1) and (3) of this subsection to any person, provided that any such gifts in excess of $2,000.00, or such greater amount as the division may establish by regulation, are supported by documentation regarding the reason the gift was provided to the patron and his guests, including where applicable, a patron's player rating, which documentation shall be maintained by the casino licensee.

Each casino licensee shall maintain a regulated complimentary service account, for those complimentaries which are permitted pursuant to this section, and shall submit a quarterly report to the division based upon such account and covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. Such reports shall include identification of the regulated complimentary services and their respective costs, the number of persons by category of service who received the same, and such other information as the division may require.

n. As used in this subsection, "person" means any State officer or employee subject to financial disclosure by law or executive order and any other State officer or employee with responsibility for matters affecting casino activity; any special State officer or employee with responsibility for matters affecting casino activity; the Governor; any member of the Legislature or full-time member of the Judiciary; any full-time professional employee of the Office of the Governor, or the Legislature; members of the Casino Reinvestment Development Authority; the head of a principal department; the assistant or deputy heads of a principal department, including all assistant and deputy commissioners; the head of any division of a principal department; any member of the governing body, or the municipal judge or the municipal attorney of a municipality wherein a casino is located; any member of or attorney for the planning board or zoning board of adjustment of a municipality wherein a casino is located, or any professional planner or consultant regularly employed or retained by such planning board or zoning board of adjustment.

No casino applicant or licensee shall provide directly or indirectly to any person any complimentary service or discount which is other than such
service or discount that is offered to members of the general public in like circumstance.

o. (Deleted by amendment, P.L.2011, c.19)

72. Section 103 of P.L.1977, c.110 (C.5:12-103) is amended to read as follows:

C.5:12-103 Alcoholic beverages in casino hotel facilities.

103. Alcoholic Beverages in Casino Hotel Facilities. a.

Notwithstanding any law to the contrary, the authority to grant any license for, or to permit or prohibit the presence of, alcoholic beverages in, on, or about any premises licensed as part of a casino hotel shall exclusively be vested in the division.

b. Unless otherwise stated, and except where inconsistent with the purpose or intent of this act or the common understanding of usage thereof, definitions contained in Title 33 of the Revised Statutes shall apply to this section. Any definition contained therein shall apply to the same word in any form.

c. Notwithstanding any provision of Title 33 of the Revised Statutes, the rules, regulations and bulletins promulgated by the director of the Division of Alcoholic Beverage Control, or any provision promulgated by any local authority, the authority to issue, renew, transfer, revoke or suspend a Casino Hotel Alcoholic Beverage License or any portion, location, privilege or condition thereof; to fine or penalize a Casino Hotel Alcoholic Beverage Licensee; to enforce all statutes, laws, rulings, or regulations relating to such license; and to collect license fees and establish application standards therefor, shall be, consistent with this act, exclusively vested in the division.

d. Except as otherwise provided in this section, the provisions of Title 33 of the Revised Statutes and the rules, regulations and bulletins promulgated by the Director of the Division of Alcoholic Beverage Control shall apply to a Casino Hotel and Casino Hotel Alcoholic Beverage Licensee licensed under this act.

e. Notwithstanding any provision to the contrary, the division may promulgate any regulations and special rulings and findings as may be necessary for the proper enforcement, regulation, and control of alcoholic beverages in casino hotels when the division finds that the uniqueness of casino operations and the public interest require that such regulations, rulings, and findings are appropriate. Regulations of the division may include but are not limited to: designation and duties of enforcement personnel; all
forms necessary or convenient in the administration of this section; inspections, investigations, searches, seizures; licensing and disciplinary standards; requirements and standards for any hearings or disciplinary or other proceedings that may be required from time to time; the assessment of fines or penalties for violations; hours of sale; sales in original containers; sales on credit; out-of-door sales; limitations on sales; gifts and promotional materials; locations or places for sale; control of signs and other displays; identification of licensees and their employees; employment of aliens and minors; storage, transportation and sanitary requirements; records to be kept by the Casino Hotel Alcoholic Beverage Licensees and availability thereof; practices unduly designed to increase consumption of alcoholic beverages; and such other matters whatsoever as are or may become necessary and consistent with the administration of this act.

f. (1) It shall be unlawful for any person, including any casino licensee or any of its lessees, agents or employees, to expose for sale, solicit or promote the sale of, possess with intent to sell, sell, give, dispense, or otherwise transfer or dispose of alcoholic beverages in, on or about any portion of the premises of a casino hotel, unless said person possesses a Casino Hotel Alcoholic Beverage License. Nothing herein or in any other law to the contrary, however, shall prohibit a casino beverage server in the course of his or her employment from inquiring of a casino patron whether such patron desires a beverage, whether or not such inquiry is phrased in terms of any word which may connote that the beverage is an alcoholic beverage.

(2) It shall be unlawful for any person issued a Casino Hotel Alcoholic Beverage License to expose, possess, sell, give, dispense, transfer, or otherwise dispose of alcoholic beverages, other than within the terms and conditions of the Casino Hotel Alcoholic Beverage License issued, the provisions of Title 33 of the Revised Statutes, the rules and regulations promulgated by the Director of the Division of Alcoholic Beverage Control, and, when applicable, the regulations promulgated pursuant to this act.

(3) Notwithstanding any other law to the contrary, a manufacturer, wholesaler, or other person licensed to sell alcoholic beverages to retailers, or third parties at their discretion, may, in addition to the activities permitted by section 10 of P.L.2005, c.243 (C.33:1-43.2), jointly sponsor with the Casino Hotel Alcoholic Beverage Licensee musical or theatrical performances or concerts, sporting events and such similar events and festivals, with an anticipated overall audience attendance of at least one thousand patrons, as may be approved by the division.

g. In issuing a Casino Hotel Alcoholic Beverage License the division shall describe the scope of the particular license and the restrictions and
limitations thereon as it deems necessary and reasonable. The division may, in a single Casino Hotel Alcoholic Beverage License, permit the holder of such a license to perform any or all of the following activities, subject to applicable laws, rules and regulations:

(1) To sell any alcoholic beverage by the glass or other open receptacle including, but not limited to, an original container, for on-premise consumption within a casino or simulcasting facility; provided, however, that no alcoholic beverage shall be sold or given for consumption; delivered or otherwise brought to a patron; or consumed at a gaming table unless so requested by the patron.

(2) To sell any alcoholic beverage by the glass or other open receptacle for on-premise consumption within a casino hotel, but not in a casino or simulcasting facility, or from a fixed location outside a building or structure containing a casino but on a casino hotel premises.

(3) To sell any alcoholic beverage in original containers for consumption outside the licensed area from an enclosed package room not in a casino or simulcasting facility.

(4) To sell any alcoholic beverage by the glass or other open receptacle or in original containers from a room service location within an enclosed room not in a casino or simulcasting facility; provided, however, that any sale of alcoholic beverages is delivered only to a guest room or to any other room in the casino hotel authorized by the division, other than any room authorized by the division pursuant to paragraph (1), (3), or (5) of this subsection.

(5) To possess or to store alcoholic beverages in original containers intended but not actually exposed for sale at a fixed location on a casino hotel premises, not in a casino or simulcasting facility; and to transfer or deliver such alcoholic beverages only to a location approved pursuant to this section; provided, however, that no access to or from a storage location shall be permitted except during the normal course of business by employees or agents of the licensee, or by licensed employees or agents of wholesale distributors licensed pursuant to Title 33 of the Revised Statutes and any applicable rules and regulations; and provided further, however, that no provision of this section shall be construed to prohibit a Casino Hotel Alcoholic Beverage Licensee from obtaining an off-site storage license from the Division of Alcoholic Beverage Control.

h. (Deleted by amendment, P.L.2011, c.19)

i. The division may revoke, suspend, refuse to renew or refuse to transfer any Casino Hotel Alcoholic Beverage License, or fine or penalize any Casino Hotel Alcoholic Beverage Licensee for violations of any provision of Title 33 of the Revised Statutes, the rules and regulations promul-
gated by the Director of the Division of Alcoholic Beverage Control, and the regulations promulgated by the division.

j. Jurisdiction over all alcoholic beverage licenses previously issued with respect to the casino hotel facility is hereby vested in the division, which in its discretion may by regulation provide for the conversion thereof into a Casino Hotel Alcoholic Beverage License as provided in this section.

Notwithstanding the foregoing:

(1) Agreements which provide only for the payment of a fixed sum which is in no way affected by the amount of any such money, property, revenues, profits or earnings shall not be subject to the provisions of this subsection; and receipts, rentals or charges for real property, personal property or services shall not lose their character as payments of a fixed sum because of contract, lease, or license provisions for adjustments in charges, rentals or fees on account of changes in taxes or assessments, cost-of-living index escalations, expansion or improvement of facilities, or changes in services supplied.

(6) Agreements relating to simulcast racing and wagering between a casino licensee and an in-State or out-of-State sending track licensed or exempt from licensure in accordance with section 92 of P.L.1977, c.110 (C.5:12-92) shall be in writing, be filed with the division, and be lawful and effective only if expressly approved as to their terms by the division and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the parimutuel pool wagered at a simulcasting facility to be paid to the sending track shall not be subject to the provisions of this subsection.

(7) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) as a hub facility, as defined in joint regulations of the Division of Gaming Enforcement and the New Jersey Racing Commission, shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the hub facility shall not be subject to the provisions of this subsection.

(8) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to conduct casino simulcasting in a simulcasting facility shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the casino service industry enterprise shall not be subject to the provisions of this subsection.

(9) Written agreements relating to the operation of multi-casino progressive slot machine systems between one or more casino licensees and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, which provide for an interest, percentage or share of the casino licensee's revenues, profits or earnings from the operation of such multi-casino progressive slot machines to be paid to the casino service industry enterprise licensee or applicant shall not be subject to the
provisions of this subsection if the agreements are filed with and approved by the division.

(10) A written agreement between a casino licensee and a casino service industry enterprise licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, relating to the construction, renovation, or operation of qualifying sleeping units, as defined in section 27 of P.L.1977, c.110 (C.5:12-27), or of non-gaming amenities, as defined by the division, within the limits of the city of Atlantic City, regardless of whether such qualifying sleeping units or non-gaming amenities are connected to a casino hotel facility, which provides for an interest, percentage or share of the casino licensee's revenues, profits or earnings, not to exceed 5% of the casino licensee's revenues, to be paid to the casino service industry enterprise licensee or applicant in return for the construction, renovation, or operation of such qualifying sleeping units or non-gaming amenities shall not be subject to the provisions of this subsection provided that: (i) the agreement requires a capital investment, at least 10% of which shall be made by the casino service industry enterprise licensee or applicant over the term of the agreement, of not less than $30 million, which minimum amount shall be adjusted periodically by the division for inflation; (ii) the division finds that the total amount of casino revenues, profits or earnings that can be paid to the casino service industry enterprise licensee or applicant pursuant to this agreement is commercially reasonable under the circumstances; and (iii) the agreement is filed with and approved by the division.

b. Each casino applicant or licensee shall maintain, in accordance with the rules of the division, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the division on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of P.L.1977, c.110 (C.5:12-86). If the division disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the division may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if
the commission shall require termination of an agreement pursuant to its authority under P.L.1977, c.110 (C.5:12-1 et seq.), such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate the agreement. If the agreement is not maintained or presented to the commission in accordance with division regulations, or the disapproved agreement is not terminated, the division may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the division for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

c. Nothing in this act shall be deemed to permit the transfer of any license, or any interest in any license, or any certificate of compliance or any commitment or reservation.

74. Section 105 of P.L.1977, c.110 (C.5:12-105) is amended to read as follows:

C.5:12-105 Disposition of securities by corporate licensee.

105. Disposition of Securities by Corporate Licensee. a. The sale, assignment, transfer, pledge or other disposition of any security issued by a corporation which holds a casino license shall be effective five business days after the commission receives notice from the licensee of such sale, assignment, transfer, pledge or other disposition, in the form required by regulation, unless within the five business day period, the commission disapproves of such sale, assignment, transfer, pledge or other disposition.

b. Every security issued by a corporation which holds a casino license shall bear, on both sides of the certificate evidencing such security, a statement of the restrictions imposed by this section, except that in the case of a publicly traded corporation incorporated prior to the effective date of this act, a statement of restriction shall be necessary only insofar as certificates are issued by such corporation after the effective date of this act.

c. The Secretary of State shall not accept for filing any articles of incorporation of any corporation which includes as a stated purpose the conduct of casino gaming, or any amendment which adds such purpose to articles of incorporation already filed, unless such articles or amendments have been approved by the commission and a copy of such approval is annexed thereto upon presentation for filing with the Secretary of State.
d. If at any time the division reports to the commission that an individual owner or holder of any security of a corporate licensee or of a holding or intermediary company with respect thereto is not qualified under this act, and if as a result the corporate licensee is no longer qualified to continue as a casino licensee in this State, the commission shall, pursuant to the provisions of this act, and upon the report and input of the division, take any necessary action to protect the public interest, including the suspension or revocation of the casino license of the corporation; provided, however, that if the holding or intermediary company is a publicly traded corporation and the commission finds disqualified any holder of any security thereof who is required to be qualified under section 85d. of this act, and the commission also finds that: (1) the holding or intermediary company has complied with the provisions of section 82d. (7) of this act; (2) the holding or intermediary company has made a good faith effort, including the prosecution of all legal remedies, to comply with any order of the commission or the division requiring the divestiture of the security interest held by the disqualified holder; and (3) such disqualified holder does not have the ability to control the corporate licensee or any holding or intermediary company with respect thereto, or to elect one or more members of the board of directors of such corporation or company, the commission shall not take action against the casino licensee or the holding or intermediary company with respect to the continued ownership of the security interest by the disqualified holder. For purposes of this act, a security holder shall be presumed to have the ability to control a publicly traded corporation, or to elect one or more members of its board of directors, if such holder owns or beneficially holds 5% or more of the equity securities of such corporation, unless such presumption of control or ability to elect is rebutted by clear and convincing evidence.

e. Commencing on the date the commission serves notice upon a corporation of the determination of disqualification under subsection d. of this section, it shall be unlawful for the named individual:

(1) To receive any dividends or interest upon any such securities;

(2) To exercise, directly or through any trustee or nominee, any right conferred by such securities; or

(3) To receive any remuneration in any form from the corporate licensee for services rendered or otherwise.

f. After a nonpublicly traded corporation has been issued a casino license pursuant to the provisions of this act, but prior to the issuance or transfer of any security to any person required to be but not yet qualified in accordance with the provisions of this act, such corporation shall file a report of its proposed action with the commission and the division, and shall
request the approval of the commission for the transaction. If the com­mission shall deny the request, the corporation shall not issue or transfer such security. After a publicly traded corporation has been issued a casino li­cense, such corporation shall file a report quarterly with the commission and the division, which report shall list all owners and holders of any secu­rity issued by such corporate casino licensee.

g. Each corporation which has been issued a casino license pursuant to the provisions of this act shall file a report of any change of its corporate officers or members of its board of directors with the commission and the division. No officer or director shall be entitled to exercise any powers of the office to which he was so elected or appointed until qualified by the commission in accordance with the provisions of this act.

75. Section 106 of P.L.1977, c.110 (C.5:12-106) is amended to read as follows:

C.5:12-106 Casino employment.

106. Casino Employment. a. A casino licensee shall not appoint or em­ploy in a position requiring a casino key employee license or a casino em­ployee registration any person not possessing a current and valid license or registration permitting such appointment or employment.

b. A casino licensee shall, within 24 hours of receipt of written or electronically transferred notice thereof, terminate the appointment or em­ployment of any person whose license or registration has been revoked or has expired. A casino licensee may, in its discretion, suspend rather than terminate the appointment or employment of any person whose license or registration has expired until such time as the person is again licensed or registered. A casino licensee shall comply in all respects with any order of the division imposing limitations or restrictions upon the terms of employ­ment or appointment in the course of any investigation or hearing.

c. An applicant for or a holder of a casino key employee license or a holder of a casino employee registration whose application is denied or whose licensure or registration is revoked, as the case may be, shall not, in addition to any restrictions imposed by the regulations of the commission or division, as applicable, on a reapplication for licensure, be employed by a casino licensee in a position that does not require a license or registration until five years have elapsed from the date of the denial or revocation, except that the commission or division may permit such employment upon good cause shown.

d. (Deleted by amendment, P.L.2011, c.19)
76. Section 107 of P.L.1977, c.110 (C.5:12-107) is amended to read as follows:

C.5:12-107 Conduct of hearings; rules of evidence; punishment of contempts.

107. Conduct of Hearings; Rules of Evidence; Punishment of Contempts. a. The commission shall promulgate regulations for the conduct of hearings it is authorized to conduct under subsection a. of section 63 of P.L.1977, c.110 (C.5:12-63), which regulations shall include the following:

(1) Unless the commission hears the matter directly, the chairman shall refer the matter to the Office of Administrative Law in accordance with P.L.1978, c.67 (C.52:14F-1 et al.); provided, however, that the chairman may, in his discretion, designate a member of the commission, or other qualified person other than an employee of the commission, to serve as hearing examiner in a particular matter;

(2) The proceedings at the hearing shall be recorded or transcribed;

(3) Oral evidence shall be taken only upon oath or affirmation;

(4) Each party to a hearing shall have the right to call and examine witnesses; to introduce exhibits relevant to the issues of the case, including the transcript of testimony at any investigative hearing conducted by or on behalf of the commission; to cross-examine opposing witnesses in any matters relevant to the issue of the case; to impeach any witness, regardless of which party called him to testify; and to offer rebuttal evidence;

(5) If an applicant, licensee, registrant or person who shall be qualified pursuant to this act is a party and if such party shall not testify in his own behalf, he may be called and examined as if under cross-examination;

(6) The hearing shall not be conducted according to rules relating to the admissibility of evidence in courts of law. Any relevant evidence may be admitted and shall be sufficient in itself to support a finding if it is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in a civil action; and

(7) The parties or their counsel may, by written stipulation, agree that certain specified evidence may be admitted, although such evidence may be otherwise subject to objection.

b. The commission may take official notice of any generally accepted information or technical or scientific matter in the field of gaming and of any other fact which may be judicially noticed by the courts of this State. The parties shall be informed of any information, matters or facts so noticed and shall be given a reasonable opportunity, on request, to refute such
information, matters or facts by evidence or by written or oral presentation
of authorities, the manner of such refutation to be determined by the com-
mission. The commission may, in its discretion, before rendering its deci-
sion, permit the filing of amended or supplemental pleadings and shall not-
ify all parties thereof and provide a reasonable opportunity for objections
thereto.

c. If any person in proceedings before the commission or the division
disobeys or resists any lawful order, refuses to respond to a subpena, re-
fuses to take the oath or affirmation as a witness or thereafter refuses to be
examined, or is guilty of misconduct at the hearing or so near the place
thereof as to obstruct the proceeding, the person may be punished for con-
tempt in accordance with the Rules of Court if the commission or division
certifies the facts underlying the contumacious behavior to the Superior
Court. Thereafter, the courts shall have jurisdiction in the matter, and the
same proceeding shall be had, the same penalties may be imposed, and the
person charged may purge himself of the contempt in the same way as in
the case of a person who has committed contempt in the trial of a civil ac-
tion before the Superior Court.

d. (Deleted by amendment, P.L.2011, c.19)

e. The division shall promulgate rules governing the conduct of hear-
ings and other procedures as are necessary for it to fulfill its duties and ex-
ercise its powers consistent with section 76 of P.L.1977, c.110 (C.5:12-76).

f. The commission and division shall have the power and authority to
issue subpoenas and to compel the attendance of witnesses at any place
within this State, to administer oaths and to require testimony under oath
before the commission or division in the course of any investigation or
hearing conducted under this act. The commission and division may ap-
point hearing examiners, to whom may be delegated the power and author-
ity to administer oaths, issue subpoenas, and require testimony under oath.

g. The commission and division shall have the authority to order any
person to answer a question or questions or produce evidence of any kind
and confer immunity as provided in this section. If, in the course of any
investigation or hearing conducted under this act, a person refuses to an-
swer a question or produce evidence on the ground that he will be exposed
to criminal prosecution thereby, then in addition to any other remedies or
sanctions provided for by this act, the division or the commission with the
written approval of the Attorney General, may issue an order to answer or
to produce evidence with immunity.

If, upon issuance of such an order, the person complies therewith, he
shall be immune from having such responsive answer given by him or such
CHAPTER 19, LAWS OF 2011

responsive evidence produced by him, or evidence derived therefrom, used to expose him to criminal prosecution, except that such person may nevertheless be prosecuted for any perjury committed in such answer or in producing such evidence, or for contempt for failing to give an answer or produce evidence in accordance with the order of the commission or the division; provided, however, that no period of incarceration for contempt shall exceed 18 months in duration pursuant to this section. Any such answer given or evidence produced shall be admissible against him upon any criminal investigation, proceeding or trial against him for such perjury; upon any investigation, proceeding or trial against him for such contempt; or in any manner consonant with State and constitutional provisions.

h. Any licensee, applicant for a license or a registrant who is aggrieved by a final decision by the division shall have the right of appeal to the commission. Notwithstanding the foregoing, no decision by the division shall constitute a final agency action for purposes of establishing jurisdiction on appeal in the New Jersey Superior Court.

i. All appeals from final decisions of the division shall be heard by the commission in accordance with subsection b. of section 63 of P.L.1977, c.110 (C.5:12-63), which procedure may include the opportunity for the matter to be heard as a contested case in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). Final orders of the commission shall constitute final agency action for purposes of establishing jurisdiction on appeal in the New Jersey Superior Court.

77. Section 109 of P.L.1977, c.110 (C.5:12-109) is amended to read as follows:

C.5:12-109 Emergency orders.

Notwithstanding any provisions of this article, the director may issue an emergency order for the suspension, limitation or conditioning of any operation certificate or any license, other than a casino license, or any registration, or may issue an emergency order requiring the licensed casino to keep an individual from the premises of such licensed casino or not to pay such individual any remuneration for services or any profits, income or accruals on his investment in such casino, in the following manner:

a. An emergency order shall be issued only when the director finds that:

(1) There has been charged a violation of any of the criminal laws of this State by a licensee or registrant, or

(2) Such action is necessary to prevent a violation of any such provision, or
(3) Such action is necessary immediately for the preservation of the public peace, health, safety, morals, good order and general welfare or to preserve the public policies declared by this act.

b. An emergency order shall set forth the grounds upon which it is issued, including the statement of facts constituting the alleged emergency necessitating such action.

c. The emergency order shall be effective immediately upon issuance and service upon the licensee, registrant, or resident agent of the licensee. The emergency order may suspend, limit, condition or take other action in relation to the approval of one or more individuals who were required to be approved in any operation, without necessarily affecting any other individuals or the licensed casino establishment. The emergency order shall remain effective until further order of the director.

d. Within 5 days after issuance of an emergency order, the division shall cause a complaint to be filed and served upon the person or entity involved in accordance with the provisions of this act.

e. Thereafter, the person or entity against whom the emergency order has been issued and served shall show cause before the director why the emergency order should not remain in effect in accordance with the provisions of this act and the regulations promulgated hereunder.

78. Section 110 of P.L.1977, c.110 (C.5:12-110) is amended to read as follows:

b. Filing of an appeal shall not stay enforcement of the decision or order of the commission unless the stay is obtained from the court upon application in accordance with the Rules of Court or from the commission upon such terms and conditions as it deems proper.

c. The reviewing court may affirm the decision and order of the commission, may remand the case for further proceedings, or may reverse the decision if the substantive rights of the petitioner have been prejudiced because the decision is:

(1) In violation of constitutional provisions;

(2) In excess of the statutory authority and jurisdiction of the commission; or
(3) Arbitrary or capricious or otherwise not in accordance with law.

d. In order to protect the public interest and the regulatory authority of the commission, any action by the commission taken pursuant to the provisions of section 64, 69 d. or 71 of this act shall not be subject to the injunctive authority of the Superior Court prior to the exhaustion of the administrative procedures herein specified, unless it shall appear evident to the court, by clear and convincing evidence, that a manifest denial of justice would be effectuated by the refusal to enjoin the contemplated action.

79. Section 111 of P.L.1977, c.110 (C.5:12-111) is amended to read as follows:

g. It shall be no defense to disciplinary action before the division that an applicant, licensee, registrant, intermediary company, or holding company inadvertently, unintentionally, or unknowingly violated a provision of this act. b. The Attorney General shall certify actual and prospective costs of the investigative and enforcement functions of the division, which costs shall be the basis, together with the operating expenses of the commission, for the establishment of annual license issuance and renewal fees.

c. A nonrefundable deposit of at least $100,000.00 shall be required to be posted with each application for a casino license and shall be applied to the initial license fee if the application is approved.

24. Expiration of gaming-related obligations owed to patrons; date of expiration; payment to Casino Revenue Fund.

a. Whenever a casino licensee owes a patron a specific amount of money as the result of a gaming transaction which remains unpaid due to the failure of the patron to claim the money or redeem a representation of the debt issued in a form approved by the commission, regardless of whether the identity of the patron is known, the casino licensee shall maintain a record of the obligation in accordance with the rules of the division.

b. If the patron does not claim the money or redeem the representation of debt within one year of the date of the transaction, which date shall be established in accordance with the rules of the division, the obligation of the casino licensee to pay the patron shall expire, and 25% of the money or the value of the debt shall be paid to the Casino Revenue Fund by the casino licensee, and the remaining 75% shall be retained by the casino licensee, provided the licensee uses the full amount for marketing purposes. Notwithstanding the foregoing, if the obligation was incurred or the representation of debt was issued prior to the effective date of this act, P.L.2009, c.36, the obligation of the casino licensee to pay the patron shall expire one year after such effective date, at which time 50% of the money or the value of the debt shall be paid to the Casino Revenue Fund, subject to a credit for the payment required to be made to that fund on or before June 30, 2009 by the casino licensee pursuant to subsection c. of this section, and 50% shall be retained by the casino licensee.

This payment shall be credited towards the total obligation of the casino licensee to make payments to the Casino Revenue Fund in an amount equal to 50% of the value of expired gaming related obligations pursuant to subsection b. of this section.

97. Section 143 of P.L.1977, c.110 (C.5:12-143) is amended to read as follows:

C.5:12-143 “Casino control fund.”

143. a. There is hereby created and established in the Department of the Treasury a separate special account to be known as the "Casino Control
Fund," into which shall be deposited all license fee revenues imposed by sections 94, 139, 140, 141, and 142 of this act.

b. Moneys in the Casino Control Fund shall be appropriated, notwithstanding the provisions of P.L.1976, c.67 (C.52:9H-5 et seq.), exclusively for the operating expenses of the commission and the division.

98. Section 144 of P.L.1977, c.110 (C.5:12-144) is amended to read as follows:

C.5:12-144 Tax on gross revenues.

144. a. There is hereby imposed an annual tax on gross revenues as defined in section 24 of this act in the amount of 8% of such gross revenues.

b. Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1978, and ending before January 1, 1984 and based upon a determination that in said return or any annual return for a calendar year during that period the gross revenue of a licensee in the calendar year upon which the tax is based exceeds the cumulative investments in this State of said licensee as of that year, such licensee shall make investments in an amount not less than 2% of the gross revenue for said calendar year within a period of five years from the end of said calendar year. Fifty percent of the investments required by this subsection as a result of any of the three annual tax returns commencing with the first annual tax return for any calendar year beginning after December 31, 1978 shall be made in the municipality in which the licensed premises are located, and 50% of such investments shall be made in any other municipality of this State. Twenty-five percent of the investments required by this subsection as a result of any annual tax return subsequent to the third such return in a series of returns the first of which is for a calendar year beginning after December 31, 1978 shall be made in the municipality in which the licensed premises are located, and 75% shall be made in any other municipality of this State.

All investments and cumulative investments made pursuant to this subsection shall be subject to a determination by the division as to the eligibility of such investments. In determining eligibility, the division shall consider the public interest, including the social and economic benefits to be derived from such investments for the people of this State.

c. For the purposes of this section, "investments" means equity investments in land and real property on which improvements are made and in real property improvements. For the purposes of this section, "cumulative investments" means investments in and debt financing of the licensed premises, plus other investments in and debt financing of land and real
CHAPTER 19, LAWS OF 2011

property on which improvements are made and real property improvements; provided, however, that the investments and debt financing not associated with the licensed premises have been subsequent to July 6, 1976. Real property and real property improvements sold or otherwise disposed of by the licensee shall not be included for the purposes of determining cumulative investments.

d. For the purposes of satisfying the amount of investments in any given year and of determining cumulative investments as of any given year, pursuant to subsection b., contributions of money or realty shall be included if the division determines that such contributions best serve the public interest and either (1) directly relate to the improvement, furtherance, and promotion of the tourist industry in this State through the planning, acquisition, construction, improvement, maintenance, and operation of recreational, entertainment, and other facilities for the public, including, without limitation, a performing arts center, the beaches and shorefront of this State, and transportation facilities providing or enhancing service in resort areas of this State. or (2) directly relate to the improvement, furtherance, and promotion of the health and wellbeing of the people of this State through the planning, acquisition, construction, improvement, maintenance, and operation of a facility, project, or program approved by the division.

e. In the event that the investments required in subsection b. of this section are not made within the time set forth herein, there shall be imposed an investment alternative tax in an amount equivalent to 2% of gross revenue, which tax shall be added to the tax determined under subsection a. of this section and shall be due and payable in accordance with section 148 of P.L.1977, c.110 (C.5:12-148). For the purposes of determining whether the investment alternative tax shall be paid, the State Treasurer shall certify, under such rules and regulations as he shall promulgate consistent with the provisions of this article, the amount of cumulative investments made by each licensee. In the event of the sale or other disposition of the licensed premises, any investment obligation imposed by subsection b. which is not satisfied shall be immediately deemed due and payable as investment alternative tax, and said amount shall constitute a lien upon the licensed premises until paid, together with interest at the rate specified in the "State Uniform Tax Procedure Law," Subtitle 9 of Title 54 of the Revised Statutes; provided, however, that the appointment of a conservator under section 31 of P.L.1978, c.7, shall not constitute a sale or other disposition of the licensed premises within the meaning of this subsection, and provided further, that if, in the judgment of the division, a sale or other disposition does not significantly affect the operations of a casino licensee with respect to
such premises, the division may permit the investment obligation imposed on such licensee to continue under such conditions as the division may deem appropriate.

f. The division shall promulgate rules and regulations consistent with the provisions of this article as to the eligibility of the investments and cumulative investments required by this section.

g. The Casino Reinvestment Development Authority shall, simultaneous with the initial exercise of its general powers and responsibilities pursuant to section 39 of P.L.1984, c.218, assume and exercise all powers and responsibilities and make all determinations necessary to the administration of subsections b. through f. of section 144 of P.L.1977, c.110 (C.5:12-144) theretofore exercised or made by the division, including the resolution of all matters then pending before the division. Subsequent to the initial exercise of its general powers and responsibilities by the Casino Reinvestment Development Authority, the division shall make no further determinations of eligibility under this section except as may be necessary to enable a licensee to satisfy an investment obligation which is due in calendar year 1984, and shall have no further responsibility for planning or redevelopment activity with regard to the use of reinvestment funds generated by either subsections b. through f. of section 144 of P.L.1977, c.110 (C.5:12-144) or subsection b. of section 3 of P.L.1984, c.218 (C.5:12-144.1). All determinations made in accordance with this section shall be final and subject only to alteration by a decision of a court.

h. Notwithstanding any other provision of this section to the contrary, any investment required by this section which has not been commenced by a licensee as of the effective date of this 1984 amendatory and supplementary act, other than an investment which is necessary to enable a licensee to satisfy an investment obligation which is due in calendar year 1984, may only be satisfied through the purchase of bonds of the Casino Reinvestment Development Authority issued pursuant to sections 14 and 15 of P.L.1984, c.218 (C.5:12-162, 5:12-163), except that the date by which the investment shall be made, and the amount of the investment or investment alternative tax obligation, shall be that set forth in subsections b. and e. of this section.

Notwithstanding the provisions of subsections b. and c. of this section, any investment obligation which is due in calendar year 1984 which has not been commenced or satisfied by December 31, 1984 may, at the option of the licensee and with the approval of the division, and in lieu of or in addition to making any other investment or contribution authorized by this section, be satisfied subsequent thereto by the purchase, or the agreement to make a purchase, of bonds of the Casino Reinvestment Development Au-
authority. Any licensee desiring to exercise this option, with the approval of
the division, shall transfer and entrust the necessary amount to the State
Treasurer, who shall maintain the funds until the initial exercise by the Ca-
sino Reinvestment Development Authority of its general powers and respon-
sibilities pursuant to section 39 of P.L.1984, c.218. Immediately subsequent
to the initial exercise of its general powers and responsibilities by the Casino
Reinvestment Development Authority, the State Treasurer shall transfer any
such entrusted funds to the Casino Reinvestment Development Authority for
the purchase of bonds by the licensee in amounts equivalent to the amount
of the funds deposited by the licensee with the State Treasurer. Until he
transfers the funds to the Casino Reinvestment Development Authority, the
State Treasurer shall be authorized to invest and reinvest such funds through
the Director of the Division of Investment, who shall make such investments
in accordance with written directions of the State Treasurer, without regard
to any other law relating to investments by the Director of the Division of
Investment. Any interest earned on the funds while they are entrusted to the
State Treasurer shall accrue to the licensee and the Casino Reinvestment
Development Authority in the same proportion as if the funds were held and
invested by the Casino Reinvestment Development Authority pursuant to
subsection m. of section 13 of P.L.1984, c.218 (C.5:12-161).

The proceeds of all bond purchases made pursuant to this subsection
shall be used exclusively to finance the rehabilitation, development, or con-
struction of housing facilities in the city of Atlantic City for persons or
families of low through middle income in accordance with the provisions of
subsection f. of section 3 of P.L.1984, c.218 (C.5:12-144.1).

i. If a licensee has incurred an investment obligation which requires
bonds to be purchased pursuant to the provisions of subsection h. of this
section and the licensee purchases bonds of the Casino Reinvestment De-
velopment Authority issued pursuant to sections 14 and 15 of P.L.1984,
c.218 (C.5:12-162, 5:12-163) in satisfaction of that obligation no later than
six months after the adoption by the Casino Reinvestment Development
Authority of rules and regulations pursuant to subsection j. of section 3 of
P.L.1984, c.218 (C.5:12-144.1), the licensee shall be entitled to a reduction
of its investment obligation in an amount determined by the Casino Rein-
vestment Development Authority, taking into account a current market dis-
count rate from the date of the purchase to the date the purchase would
have been required to be made. Any purchase of bonds made pursuant to
this subsection shall first be used to satisfy the licensee's most recently in-
curred investment obligation. That purchase of bonds shall not constitute a
credit against the tax provided for in subsection a. of section 3 of this 1984 amendatory and supplementary act.

99. Section 3 of P.L.1984, c.218 (C.5:12-144.1) is amended to read as follows:

C.5:12-144.1 Imposition of investment alternative tax.

3. a. (1) Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1983, there is imposed an investment alternative tax on the gross revenues as defined in section 24 of P.L.1977, c.110 (C.5:12-24) of the licensee in the amount of 2.5% of those gross revenues. The tax imposed with respect to each calendar year shall be due and payable on the last day of April next following the end of the calendar year. The State Treasurer shall have a lien against the property constituting the casino of a licensee for the amount of any tax not paid when due. No tax shall be imposed, however, on the gross revenues received by a licensee during the first 12 months of the operation of any casino that commences operation after January 1, 1984, but prior to the effective date of this act, P.L.1996, c.118 (C.5:12-173.3a et al.).

(2) A licensee shall pay to the State Treasurer on or before the 15th day of the first, fourth, seventh, and 10th months of each year as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection an amount equal to 1.25% of the estimated gross revenues for the three-month period immediately preceding the first day of those months. The moneys received shall be placed in an escrow account and shall be held until the licensee directs that the moneys be transferred to the Casino Reinvestment Development Authority for the purchase of bonds issued by or offered through the Casino Reinvestment Development Authority or pursuant to a contract for such a purchase, be made available to the licensee for a direct investment approved by the authority, or be transferred to the Casino Revenue Fund as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection. Any interest derived from the moneys in the escrow account shall be paid or made available to the Casino Revenue Fund. If a licensee fails to pay the amount due or underpays by an unjustifiable amount, the division shall impose a fine of 5% of the amount due or of the underpayment, as the case may be, for each month or portion thereof the licensee is in default of payment, up to 25% of the amount in default. Any fine imposed shall be paid to the Casino Reinvestment Development Authority and shall be used for the purposes of this 1984 amendatory and supplementary act.
b. Each licensee shall be entitled to an investment tax credit against the tax imposed by subsection a. of this section, provided the licensee shall pay over the moneys required pursuant to section 5 of P.L.1993, c.159 (C.5:12-173.5): (1) for the first 10 years of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and (2) for the remainder of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments made by a licensee in other approved eligible investments made pursuant to section 25 of this act. The Casino Reinvestment Development Authority shall have the power to enter into a contract or contracts with a licensee pursuant to which the Casino Reinvestment Development Authority agrees to issue and sell bonds to the licensee, and the licensee agrees to purchase the bonds issued by or offered through the Casino Reinvestment Development Authority, in annual purchase price amounts as will constitute a credit against at least 50% of the tax to become due in any future year or years. The contract may contain those terms and conditions relating to the terms of the bonds and to the issuance and sale of the bonds to the licensee as the Casino Reinvestment Development Authority shall deem necessary or desirable. The contract shall not be deemed to be in violation of section 104 of P.L.1977, c.110 (C.5:12-104). After the first 10 years of a licensee's investment alternative tax obligation, a licensee will have the option of entering into a contract with the Casino Reinvestment Development Authority to have its tax credit comprised of direct investments in approved eligible projects. These direct investments shall not comprise more than 50% of a licensee's eligible tax credit in any one year.

The entering of a contract pursuant to this section shall be sufficient to entitle a licensee to an investment tax credit for the appropriate tax year.

c. A contract entered into between a licensee and the Casino Reinvestment Development Authority may provide for a deferral of payment for and delivery of bonds required to be purchased and for a deferral from making approved eligible investments in any year, but no deferral shall occur more than two years consecutively. A deferral of payment for any bonds required to be purchased by a licensee and a deferral from making approved eligible investments may be granted by the Casino Reinvestment Develop-
ment Authority only upon a determination by the Division of Gaming Enforce
tment that purchase of these bonds or making approved eligible inves
tments would cause extreme financial hardship to the licensee and a de
termination by the Casino Reinvestment Development Authority that the
deferral of the payment would not violate any covenant or agreement or
impair any financial obligation of the Casino Reinvestment Development
Authority. The contract may establish a late payment charge to be paid in
the event of deferral or other late payment at a rate as shall be agreed to by
the Casino Reinvestment Development Authority. If a deferral of purchase
or investment is granted, the licensee shall be deemed to have made the
purchase or investment at the time required by the contract, except that if
the purchase is not made at the time to which the purchase or investment
was deferred, then the licensee shall be deemed not to have made the pur
chase or investment. The Division of Gaming Enforcement shall adopt
regulations establishing a uniform definition of extreme financial hardship
applicable to all these contracts. If a licensee petitions the Casino Rein
vestment Development Authority for a deferral, the Casino Reinvestment
Development Authority shall give notice of that petition to the Division of
Gaming Enforcement within three days of the filing of the petition. The
Division of Gaming Enforcement shall render a decision within 60 days of
notice as to whether the licensee has established extreme financial hardship.
The Casino Reinvestment Development Authority shall render a decision as
to the availability of the deferral within 10 days of the receipt by it of the
decision of the Division of Gaming Enforcement and shall notify the Divi
sion of Gaming Enforcement of that decision. If a deferral is granted, the
Casino Reinvestment Development Authority may determine whether the
purchases or investments shall be made in a lump sum, made over a period
of years, or whether the period of obligation shall be extended an additional
period of time equivalent to the period of time deferred.

d. The license of any licensee which has defaulted in its obligation to
make any purchase of bonds or investment in any approved eligible project
under a contract entered into pursuant to subsection b. of this section for a
period of 90 days may be suspended by the Casino Control Commission
upon report and recommendation of the division until that purchase is made
or deferred in accordance with subsection b. of this section, or a fine or
other penalty may be imposed upon the licensee by the commission. If the
Casino Control Commission elects not to suspend the license of a licensee
after the licensee has first defaulted in its obligation the division may in
stead impose some lesser penalty. In such event, if the licensee continues to
be in default of its obligation after a period of 30 additional days and after
any additional 30-day period, the division may impose another fine or penalty upon the licensee, and may again recommend that the commission suspend that licensee's license. The fine shall be 5% of the amount of the obligation owed for each month or portion thereof a licensee is in default, up to 25% of that obligation; shall be paid to the Casino Reinvestment Development Authority; and shall be used for the purposes of this 1984 amendatory and supplementary act.

e. A contract entered into by a licensee and the Casino Reinvestment Development Authority pursuant to subsection b. of this section may provide that after the first 10 years of a licensee's investment alternative tax obligation imposed by subsection a. of this section, the Casino Reinvestment Development Authority may repurchase bonds previously sold to the licensee, which were issued after the 10th year of a licensee's investment alternative tax obligation, by the Casino Reinvestment Development Authority, if the Casino Reinvestment Development Authority determines that the repurchase will not violate any agreement or covenant or impair any financial obligation of the Casino Reinvestment Development Authority and that the licensee will reinvest the proceeds of the resale in an eligible project approved by the Casino Reinvestment Development Authority.

f. (1) During the 50 years a licensee is obligated to pay an investment alternative tax pursuant to subsection k. of this section, the total of (a) the proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment Development Authority and (b) all approved investments in eligible projects by a licensee shall be devoted to the financing of projects in the following areas and amounts:

except that, with respect to the obligations for calendar years 1994 through 1998, the amount allocated for the financing of projects in North Jersey from each casino licensee's obligation shall be the amount allocated for calendar year 1993, and the difference between that amount and the amount to be allocated to North Jersey, on the basis of the above schedule, from each
casino licensee's obligations for calendar years 1994 through 1998 shall be paid into or credited to the Atlantic City Fund established by section 44 of P.L.1995, c.18 (C.5:12-161.1) and be devoted to the financing of projects in Atlantic City through that fund. For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem, except that "South Jersey" shall not include the City of Atlantic City; and "North Jersey" means the remaining 12 counties of the State. For the purposes of this 1984 amendatory and supplementary act, bond "proceeds" means all funds received from the sale of bonds and any funds generated or derived therefrom.

In the financing of projects outside Atlantic City, the Casino Reinvestment Development Authority shall give priority to the revitalization of the urban areas of this State in the ways specified in section 12 of this 1984 amendatory and supplementary act. Those areas shall include, but not be limited to, all municipalities qualifying for aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.).

Within nine months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in South Jersey for the first seven years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first seven years of the receipt of funds by South Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the seventh year of the receipt of funds by South Jersey municipalities. If the comprehensive plan or project is deter-
mined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

Within 36 months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in North Jersey for the first five years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first five years of the receipt of funds by North Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the fifth year of the receipt of funds by North Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan
or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

(2) Commencing with the first year in which a licensee incurs a tax obligation pursuant to this section, and for the period of two years thereafter, 100% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City pursuant to paragraph (1) of this subsection shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, as defined in this subsection. For the purposes of this subsection, the "rehabilitation, development, or construction of housing facilities" shall include expenses attributable to site preparation, infrastructure needs and housing-related community facilities and services, including supporting commercial development. Commencing with the fourth year in which a licensee incurs a tax obligation pursuant to this subsection, 50% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income. Commencing with the 11th year in which a licensee incurs a tax obligation pursuant to this section, 50% of the annual aggregate of the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City and investments in approved eligible projects commenced by a licensee in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income.

(3) The Legislature finds that it is necessary to provide for a balanced community and develop a comprehensive housing program. The Casino Reinvestment Development Authority shall determine the need for housing in the city of Atlantic City, in consultation with the city of Atlantic City and
specifically its zoning and planning boards. This shall include determining the types and classes of housing to be constructed and the number of units of each type and class of housing to be built. The Casino Reinvestment Development Authority shall give priority to the housing needs of the persons and their families residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act. The actual percentage of the proceeds of bonds and investments in approved eligible projects commenced by a licensee in the city of Atlantic City, which shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, shall be based upon the authority's determination of the need for housing in the city of Atlantic City conducted pursuant to this subsection. Once the housing needs of the persons residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act have been met, as determined by the Casino Reinvestment Development Authority pursuant to this subsection, any required percentages for such housing in the city of Atlantic City may, in its sole discretion, be waived by the Casino Reinvestment Development Authority. To aid the Casino Reinvestment Development Authority in making these determinations, the Casino Reinvestment Development Authority shall review the proposal for a housing redevelopment program and strategy for the city of Atlantic City approved and adopted by the Casino Control Commission and shall give priority to same and any other plan or project which is consistent with the standards of this subsection and is acceptable to the Casino Reinvestment Development Authority, pursuant to section 25 of this 1984 amendatory and supplementary act. The Casino Reinvestment Development Authority may determine whether the funds used to finance housing facilities in the city of Atlantic City for persons or families of low, moderate, median range, and middle income are derived from the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority to be devoted to the financing of projects in the city of Atlantic City, investments in approved eligible projects commenced by a licensee in the city of Atlantic City, or a combination of both. Any investment made by a licensee in excess of 100% of its eligible investment tax credit during the first three years and in excess of 50% thereafter in either the purchase of bonds or direct investments in approved eligible projects for low, moderate, median range, and middle income family housing facilities in the city of Atlantic City may be carried forward and credited against the licensee's obligation to make a 100% in-
vestment during the first three years and 50% thereafter in low, moderate, median range, and middle income family housing in any future year, with the approval of the Casino Reinvestment Development Authority. For the purposes of this act, "low income families" means families whose income does not exceed 50% of the median income of the area, with adjustments for smaller and larger families. "Moderate income families" means families whose income does not exceed 80% and is not less than 50% of the median income for the area, with adjustments for smaller and larger families. "Median range income families" means families whose income does not exceed 120% and is not less than 80% of the median income for the area, with adjustments for smaller and larger families. "Middle income families" means families whose income does not exceed 150% and not less than 120% of the median income for the area, with adjustments for smaller and larger families. "Median income" means an income defined as median within the Standard Metropolitan Statistical Area for Atlantic City by the United States Department of Housing and Urban Development.

In order to achieve a balanced community, the authority shall ensure that the development of housing for families of low and moderate income shall proceed at the same time as housing for families of median range and middle income, until such time as there is no longer a need for such facilities in the city of Atlantic City, as determined by the Casino Reinvestment Development Authority.

(4) Notwithstanding any other law or section to the contrary, particularly this subsection regarding the waiver of the required percentages for housing in the city of Atlantic City, subsection i. of section 14, and sections 26, 27, 28, 29, and 31 of this 1984 amendatory and supplementary act, nothing shall be implemented or waived by the Casino Reinvestment Development Authority which would reduce, impair, or prevent the fulfillment of the priorities established and contained in this subsection of this 1984 amendatory and supplementary act.

g. If a person is a licensee with regard to more than one approved hotel pursuant to section 82 of P.L.1977, c.110 (C.5:12-82), the person shall separately account for the gross revenues, the investment alternative tax obligations, and the investments for a tax credit against the investment alternative tax for each approved hotel, and the tax obligations of the licensee under this section shall be determined separately for each approved hotel. The licensee may apportion investments between its approved hotels; provided that no amount of investment shall be credited more than once. If a licensee receives the prior approval of the Casino Reinvestment Development Authority, the licensee may make eligible investments in excess of the
investments necessary to receive a tax credit against the investment alternative tax for a given calendar year, and the licensee may carry forward this excess investment and have it credited to its next investment alternative tax obligation. If the Casino Reinvestment Development Authority approves of such excess investment and approves the carry forward of this excess investment, and a licensee elects to purchase bonds of the Casino Reinvestment Development Authority or makes direct investments in approved eligible projects in excess of the investments necessary to receive a tax credit against the investment alternative tax for its current obligation, the licensee shall be entitled to a reduction of the amount of investments necessary in future years, which amount shall be determined annually by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase or investment to the date the purchase or investment would have been required to be made.

h. Each casino licensee shall prepare and file, in a form prescribed by the Casino Reinvestment Development Authority, an annual return reporting that financial information as shall be deemed necessary by the Casino Reinvestment Development Authority to carry out the provisions of this act. This return shall be filed with the Casino Reinvestment Development Authority and the Division of Gaming Enforcement on or before April 30 following the calendar year on which the return is based. The Division of Gaming Enforcement shall verify to the Casino Reinvestment Development Authority the information contained in the report, to the fullest extent possible. Nothing in this subsection shall be deemed to affect the due dates for making any investment or paying any tax under this section.

i. Any purchase by a licensee of bonds issued by or offered through the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this act and subsection b. of this section and all approved eligible investments made by a licensee pursuant to section 25 of this act and subsection b. of this section are to be considered investments and not taxes owed or grants to the State or any political subdivision thereof. As such, a licensee shall have the possibility of the return of principal and a return on the capital invested as with other investments. Investors in the bonds issued by or offered through the Casino Reinvestment Development Authority shall be provided with an opinion from a recognized financial rating agency or a financial advisory firm with national standing that each loan of bond proceeds by the Casino Reinvestment Development Authority has the minimum characteristics of an investment, in that a degree of assurance exists that interest and principal payments can be made and other terms of the proposed investment be maintained over the period of the investment,
and that the loan of the bond proceeds would qualify for a bond rating of "C" or better. If an opinion cannot be obtained from a recognized financial rating agency or a financial advisory firm with national standing, an opinion shall be obtained from an expert financial analyst with national standing, selected and hired by the Casino Reinvestment Development Authority. In order to achieve a balanced portfolio, assure the viability of the authority and the projects, facilities and programs undertaken pursuant to this 1984 amendatory and supplementary act, no more than 25% of the total investments made by or through the Casino Reinvestment Development Authority with the proceeds of bonds generated in each year shall be investments which would qualify for a bond rating of "C," unless all holders of obligations in each year agree to waive the 25% limit for that year. Nothing herein shall be interpreted as limiting the Casino Reinvestment Development Authority from taking any steps it deems appropriate to protect the characteristics of its investment in projects or any other investments from not being real investments with a prospect for the return of principal and a return on the capital invested. Anything contained in this section shall not be considered a guarantee by the State or any political subdivision thereof of any return of principal or interest, but any purchase by a licensee of bonds or approved eligible investments made by a licensee pursuant to this act shall be at the risk of the licensee. A licensee or the licensees purchasing an issue of bonds issued by the Casino Reinvestment Development Authority in any given year may arrange, at their option, for those bonds or the investments, made by or through the Casino Reinvestment Development Authority with the proceeds of those bonds, to be insured. The cost of any such insurance purchased by a licensee or licensees shall be paid by the licensee or licensees desiring such insurance.

j. The Casino Reinvestment Development Authority shall promulgate rules and regulations deemed necessary to carry out the purposes of this section.

k. The obligation of a licensee to pay an investment alternative tax pursuant to subsection a. of this section, including a casino licensee subject to the provisions of section 13 of P.L.2001, c.221 (C.5:12-173.21), shall end for each licensed facility operated by the licensee 50 years after any investment alternative tax obligation is first incurred in connection with each licensed facility operated by the licensee, unless extended in connection with a deferral granted by the Casino Reinvestment Development Authority pursuant to subsection c. of this section.

l. Within 90 days of the effective date of this act, P.L.2004, c.129, the State Treasurer shall certify the amounts that were invested pursuant to this
section in South Jersey, as defined in subsection f. of this section, for projects located in the City of Atlantic City. Notwithstanding subsection f. of this section, beginning in State fiscal year 2005, the amount of (a) proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment Development Authority and (b) all approved investments in eligible projects by a licensee devoted pursuant to subsection f., shall not exceed the amount devoted for those purposes in State fiscal year 2004. Any amounts in excess of the amounts devoted in State fiscal year 2004, after fulfilling all fund reservations, bonding and contractual obligations, shall be devoted to the financing of projects in South Jersey. For the purpose of this section, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem, except that the term shall not include the City of Atlantic City. The provisions of this subsection shall terminate when excess amounts devoted to the financing of projects in South Jersey equal the amount certified by the State Treasurer.

100. Section 2 of P.L.2008, c.12 (C.5:12-144.2) is amended to read as follows:

C.5:12-144.2 Annual deduction from gross revenue relative to promotional gaming credits.

2. a. A casino licensee shall receive an annual deduction from the gross revenue taxed pursuant to subsection a. of section 144 of P.L.1977, c.110 (C.5:12-144) in an amount equal to either (1) the promotional gaming credits reported by that licensee in its annual tax return or (2) such other portion of the promotional gaming credits reported by all casino licensees as the division may allocate to a particular licensee to reflect that licensee's pro rata share of the costs of the 2008 agreement executed between the New Jersey Sports and Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry.

b. Casino licensees shall be allowed a deduction from gross revenues for a tax year pursuant to subsection a. of this section for the total value of promotional gaming credits redeemed by patrons at all licensed casinos for that tax year in excess of $90,000,000. For the first tax year in which this act becomes operative pursuant to section 3 of this act, P.L.2008, c.12, the division shall reduce the $90,000,000 deduction threshold for that tax year in proportion to the part of the tax year that has elapsed prior to that operative date.

c. The division shall establish, by regulation, procedures and standards for allocating the deduction established pursuant to this section to reflect each licensee's pro rata share of the costs of the 2008 agreement.
executed between the New Jersey Sports and Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry and procedures and standards for each licensee to take the deduction established pursuant to this section to reflect those deductions that exceed the costs of the 2008 agreement. Such regulations shall include standards for the allocation of the $90,000,000 deduction threshold established in subsection b. of this section, the timing of the application of deductions, and all other matters related to the provisions of this section.

d. (1) The division shall establish, by regulation, procedures to ensure that the promotional gaming credit deduction established pursuant to this section does not result in a negative fiscal impact to the Casino Revenue Fund. If necessary, the division may reduce the value of the available deduction to eliminate any negative fiscal impact to the Casino Revenue Fund attributable solely to the deduction and not to other economic or other factors that cause a negative fiscal impact to the Casino Revenue Fund.

(2) For the purposes of this subsection, "negative fiscal impact to the Casino Revenue Fund" shall mean that the amount generated from taxation of promotional gaming credits falls below the level generated in calendar year 2007.

101. Section 145 of P.L.1977, c.110 (C.5:12-145) is amended to read as follows:

C.5:12-145 “Casino revenue fund.”

145. a. There is hereby created and established in the Department of the Treasury a separate special account to be known as the "Casino Revenue Fund," into which shall be deposited all revenues from the tax imposed by section 144 of this act; the investment alternative tax imposed by section 3 of P.L.1984, c.218 (C.5:12-144.1); the taxes and fees imposed by sections 3, 4 and 6 of P.L.2003, c.116 (C.5:12-148.1, C.5:12-148.2 and C.5:12-145.8) and any interest and penalties imposed by the division relating to those taxes; the percentage of the value of expired gaming related obligations pursuant to section 24 of P.L.2009, c.36 (C.5:12-141.2); and all penalties levied and collected by the division pursuant to P.L.1977, c.110 (C.5:12-1 et seq.) and the regulations promulgated thereunder, except that the first $600,000 in penalties collected each fiscal year shall be paid into the General Fund for appropriation by the Legislature to the Department of Health and Senior Services, $500,000 of which is to provide funds to the Council on Compulsive Gambling of New Jersey and $100,000 of which is to provide funds for compulsive gambling treatment programs in the State.
In the event that less than $600,000 in penalties are collected, the Department of Health and Senior Services shall determine the allocation of funds between the Council and the treatment programs eligible under the criteria developed pursuant to section 2 of P.L.1993, c.229 (C.26:2-169).

b. The division shall require at least monthly deposits by the licensee of the tax established pursuant to subsection a. of section 144 of P.L.1977, c.110 (C.5:12-144), at such times, under such conditions, and in such depositories as shall be prescribed by the State Treasurer. The deposits shall be deposited to the credit of the Casino Revenue Fund. The division may require a monthly report and reconciliation statement to be filed with it or before the 10th day of each month, with respect to gross revenues and deposits received and made, respectively, during the preceding month.

c. On or about March 15 and September 15 of each year, the State Treasurer shall publish in at least 10 newspapers circulating generally in the State a report accounting for the total revenues received in the Casino Revenue Fund and the specific amounts of money appropriated therefrom for specific expenditures during the preceding six months ending December 31 and June 30.

102. Section 6 of P.L.2003, c.116 (C.5:12-145.8) is amended to read as follows:

C.5:12-145.8 Fee of $3.00 imposed daily on occupied hotel rooms in casino hotel facility.

6. Notwithstanding the provisions of any other law to the contrary and in addition to any other tax or fee imposed by law, there is imposed a fee of $3.00 per day on each hotel room in a casino hotel facility that is occupied by a guest, for consideration or as a complimentary item. This section shall be administered by the Department of the Treasury and the amounts generated by this section shall be paid to the State Treasurer for deposit in the Casino Revenue Fund established pursuant to section 145 of P.L.1977, c.110 (C.5:12-145) in State fiscal years 2004 through 2006. Beginning in State fiscal year 2007 and thereafter, $1.00 of the fee shall be deposited by the State Treasurer into a special fund established and held by the State Treasurer and made available for the exclusive use of the Casino Reinvest-
ment Development Authority established pursuant to section 5 of P.L.1984, c.218 (C.5:12-153) for its purposes pursuant to law, as approved by the membership of the authority, subject to the provisions of subsection e. of section 5 of P.L.2004, c.129 (C.5:12-173.22a). Beginning in State fiscal year 2007 and thereafter, the portion of the proceeds of $2.00 of the fee necessary to carry out the purpose of subsections a. through c. of section 5 of P.L.2004, c.129 (C.5:12-173.22a) shall be deposited by the State Treasurer into a special fund established and held by the State Treasurer and made available for the exclusive use of the authority to carry out that purpose, and the remaining proceeds of the $2.00 fee shall be deposited by the State Treasurer into the Casino Revenue Fund.

103. Section 146 of P.L.1977, c.110 (C.5:12-146) is amended to read as follows:

C.5:12-146 In lieu tax.

146. a. Any casino licensee whose licensed premises are located in an area which has been declared, by the Department of Community Affairs and the division, to be a blighted area, or an area endangered by blight, may, for a period of not more than 25 years, enter into a written agreement with the Department of the Treasury, which agreement shall, with respect to real property held for use as a licensed casino hotel, provide for the payment of taxes to the tax collector of the municipality, in lieu of full local real property tax payments, in an amount to be computed by the sum of the following amounts, payable at the time specified by law for the payment of local property taxes:

(1) An annual amount equal to 2% of the cost of the real property investment. For the purposes of this section, "cost of the real property investment" means only the actual cost or fair market value of direct labor and all materials used in the construction, expansion, or rehabilitation of all buildings, structures, and facilities at the project site, including the costs, if any, of land acquisition and land preparation, provision of access roads, utilities, drainage facilities, and parking facilities, together with architectural, engineering, legal, surveying, testing, and contractors' fees associated with the project; provided, however, that the applicant shall cause such costs to be certified and verified to the Department of the Treasury by an independent certified public accountant, following the completion of the investment in the project; and provided further, however, that upon execution of an agreement pursuant to this section, only real property improvements made after July 6, 1976 shall be subject to the provisions herein; plus
(2) An amount equivalent to the difference between an amount that would have been payable as property taxes under the full local property tax rate and the amount calculated pursuant to subsection a.(1) of this section, which shall be payable from such profits, if any, as hereinafter defined in section 147, as shall remain after deducting therefrom interest and principal paid on mortgage loans applicable to the real property held for use as a licensed casino hotel. The total payments provided by this section shall not exceed the full local property taxes normally payable for the year.

b. At the time an applicant applies for a license under this act, he shall determine whether to exercise the option to pay in lieu taxes under this section or whether the property of the applicant shall be subject to the normal real property taxes of the municipality. This determination having been made and approved, the method selected may not be changed or altered during the term of the agreement.

c. Upon the filing of a certification by the State Treasurer in any year that an agreement has been entered into pursuant to this section, the in lieu tax provisions of this section shall be applicable with respect to the ensuing tax years.

C.5:12-147 Profits.

147. a. For the purposes of the application of the provisions of section 146 of this act, "profits" referred to in section 146 a.(2) for any year means total profits from cumulative investments in Atlantic City. In computing profits under this section, a licensee shall deduct from the gross income of cumulative investments in Atlantic City all operating expenses in accordance with generally accepted accounting principles. There shall be included in said operating expenses (1) all annual payments pursuant to section 146 a.(1) of this act; (2) property taxes in said municipality not subject to section 146; and (3) an annual amount sufficient to amortize in equal annual installments the total cost of the investment over the life of the improvements, which in no case shall be less than 25 years in the case of real property. There shall not be included in said operating expenses or in any other account (1) depreciation or obsolescence; (2) interest on debt; (3) taxes on income; (4) losses on bad debt instruments from gaming operations in excess of the lesser of such instruments actually uncollected or 4% of gross revenues; or (5) salaries, bonuses and other compensation paid,

b. In any year during which gross income exceeds cumulative investments as defined in section 144 d. hereof, 50% of the profits, as herein defined, which exceed the amount equivalent to 20% of the cumulative investments in the municipality of a licensee who shall have entered into an agreement pursuant to the provisions of section 146 hereof for such year shall be retained in a separate interest-bearing account maintained by the Treasurer, which account shall be designated "Special Casino Retention Account." All amounts retained in such account with respect to a licensee for any year may be recaptured by the licensee, provided that (1) the average annual gross income for the tax year and the two immediately preceding years is less than the cumulative investments of the licensee in casino, hotel, or other facilities in the municipality or State; or (2) the licensee, within 5 years of the date its annual tax return under this act is due, shall make cumulative investments in such municipality which shall cause the total of such investments to exceed the average annual gross income for the tax year and the 2 immediately preceding years, and which are equal to or greater than the amount of profits, as herein defined, retained in such account for the tax year.

c. In the event such licensee fails to make cumulative investments within the time specified as required for recapture of profits under this section, the profits retained in the Special Casino Retention Account shall be remitted to the Treasurer for deposit to the credit of the Casino Revenue Fund.

d. For the purposes of this section, each annual return of such licensee shall reflect the profits, if appropriate, determined on the basis of the immediately preceding calendar year. The division shall make rules and regulations for the determination of profits under the provisions of this section.

(2) A practitioner who is the subject of an investigation shall be promptly notified of the investigation, pursuant to procedures adopted by regulation of the board that give consideration to the health, safety and welfare of the practitioner's patients and to the necessity for a confidential or covert investigation by the review panel. The hearing shall be transcribed and the practitioner shall be entitled to a copy of the transcript, at his own expense. A practitioner who presents information to the review panel is entitled to be represented by counsel.

(5) Find that no further action is warranted at this time.
e. A member of the State Board of Medical Examiners shall not participate by voting or any other action in any matter before the board on which the board member has participated previously as a review panel member.

f. The State Board of Medical Examiners may affirm, reject or modify any disposition of the review panel. After its consideration of the panel recommendation the board shall notify the practitioner who has been the subject of a notice or complaint of the review panel's recommendation and the board's determination.

g. Nothing in this section shall be construed to prevent or limit the State Board of Medical Examiners, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety or the Attorney General from taking any other action permitted by law against a practitioner who is the subject of an investigation by the review panel.

h. For the purposes of this section, "practitioner" means a person licensed to practice: medicine and surgery under chapter 9 of Title 45 of the Revised Statutes or a medical resident or intern; or podiatric medicine under chapter 5 of Title 45 of the Revised Statutes.

Approved February 21, 2011.
AN ACT concerning off-track wagering and amending and supplementing P.L.2001, c.199.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2001, c.199 (C.5:5-128) is amended to read as follows:

C.5:5-128 Findings, declarations relative to horse racing and off-track wagering.

2. The Legislature finds and declares that:
   a. The horse racing industry is economically important to this State, and the general welfare of the people of the State will be promoted by the advancement of horse racing and related projects and facilities in the State.
   b. It is the intent of the Legislature, by authorizing off-track wagering and account wagering in this State, to promote the economic future of the horse racing industry in this State, to foster the potential for increased commerce, employment and recreational opportunities in this State, to preserve the State's open spaces, to preserve and enhance the overall economic well-being of the horse racing and horse breeding industries, and to generate greater interest in the horse racing industry and the sport of horse racing in New Jersey.
   c. It is the further intent of the Legislature that facilities offering off-track wagering opportunities to the public also offer other amenities such as quality dining and handicapping facilities and that, in doing so, these facilities strive to be of the highest quality in the country.
   d. The Legislature has determined that the New Jersey Racing Commission is best suited to oversee, license and regulate off-track wagering and account wagering in the State, and that the New Jersey Sports and Exposition Authority, by virtue of its experience in the operation of parimutuel wagering facilities and other entertainment-related projects in this State, is particularly well-suited to ensure the fiscal soundness and technical reliability of an account wagering system, and to be licensed, along with other well-suited entities, as off-track wagering licensees pursuant to the terms of this act.
   e. In establishing off-track wagering facilities, the authority and other licensees will not be performing an essential government function but rather an essentially private business function. Numerous municipalities, residents and businesses will be impacted by the establishment of off-track wagering facilities throughout the State. A municipality having an off-track
wagering facility sited within its boundaries is therefore entitled to receive an appropriate level of property tax for municipal services. Fundamental fairness dictates that an off-track wagering facility, even if owned and not leased by the authority, be subject to local property tax requirements.

f. By regulation of the Division of Alcoholic Beverage Control, there exist special licenses that permit the sale of alcoholic beverages on public property. These special licenses are typically available to the authority. Because the establishment of off-track wagering facilities is, in reality, essentially a private business function and not an essential government function a private holder of a Class C plenary retail consumption license is given priority to provide alcoholic beverages at an off-track wagering facility. However, many municipalities in New Jersey do not have a sufficient number of liquor licenses or licensees who are available. Therefore, in order to ensure the establishment of an off-track wagering facility when a license or a private holder of a plenary retail consumption license is not available, it is necessary in this act to allow for the issuance of a special concessionaire permit to the authority, and a special license to other off-track wagering licensees, under certain limited circumstances.

2. Section 3 of P.L.2001, c.199 (C.5:5-129) is amended to read as follows:

C.5:5-130 Issuance of license to permit off-track wagering.

4. a. The commission is authorized to issue a license to the authority to permit off-track wagering at a specified facility, upon application of the authority and in accordance with the provisions of this act. A license issued pursuant to this act shall be valid for a period of one year. The commission shall issue a license pursuant to this subsection only if the permit holder at Monmouth Park and the thoroughbred and standardbred permit holders at Meadowlands Racetrack schedule at least the minimum number of race dates required in section 30 of this act, P.L.2001, c.199 (C.5:5-156), and it is satisfied that the authority has entered into a participation agreement with each and every other person, partnership, association, corporation, or authority or the successor in interest to such person, partnership, association, corporation or authority that:
(1) held a valid permit to hold or conduct a race horse meeting within this State in the calendar year 2000;

(2) has complied with the terms of such permit; and

(3) is in good standing with the commission and the State of New Jersey.

An off-track wagering license may not be transferred or assigned to a successor in interest without the approval of the commission and the Attorney General, which approval may not be unreasonably withheld.

b. (1) As part of the license application process, any participation agreement entered into for the purposes of subsection a. of this section, or any modification to the agreement made thereafter, shall be reviewed by the commission and the Attorney General to determine whether the agreement meets the requirements of this act and shall be subject to the approval of the commission and the Attorney General. Notwithstanding any other law, rule, or regulation to the contrary, a permit holder subject to a participation agreement entered into prior to the effective date of P.L.2011, c.26 shall have made progress since the signing of that agreement toward establishing the permit holder’s share of the 15 off-track wagering facilities authorized pursuant to section 10 of P.L.2001, c.199 (C.5:5-136), provided that any facility that has not received a license under section 7 of P.L.2001, c.199 (C.5:5-133) by January 1 of 2012 shall no longer be considered as part of the permit holder’s share, and shall be available to be established by a horsemen’s organization in this State as provided by paragraph (2) of this subsection. However, if the commission finds that a permit holder is making progress toward obtaining an off-track wagering license and establishing an off-track wagering facility according to specified benchmarks developed by the commission, the commission may allow a permit holder to retain its share of the off-track wagering facilities to be established, provided the permit holder continues to make progress on an annual basis. For the purposes of this section, a permit holder shall be deemed to have made progress toward establishing its share of off-track wagering facilities if it has entered into an agreement, in connection with good faith negotiations over the sale or lease of a racetrack under the permit holder’s control, to transfer allocated off-track wagering licenses or facilities to an individual or entity that is a bona fide prospective purchaser or lessee, or has demonstrated to the satisfaction of the Commission that the execution of such an agreement is imminent based upon the portions of such an agreement agreed upon in principle by the parties as evidenced by a memorandum of understanding or similar accord.

(2) The commission is authorized to issue a license or licenses to any horsemen’s organization in this State, for the establishment of one or more
of the remaining off-track wagering facilities in partnership with other horsemen’s organizations in this State, the authority, or private investors, in accordance with all applicable provisions of the “Off-Track and Account Wagering Act,” P.L.2001, c.199 (C.5:5-127 et seq.). A horsemen’s organization shall make progress on an annual basis in establishing an off-track wagering facility from the date the organization is eligible to apply for an initial license pursuant to this subsection, provided that any facility that has not received a license under section 7 of P.L.2001, c.199 (C.5:5-133) within a reasonable timeframe from the date the horsemen’s organization became eligible to apply for its initial license shall no longer be considered eligible to be established by a horsemen’s organization under this paragraph, and shall be available to be established by a well-suited entity pursuant to subsection c. of this section.

c. With respect to any licenses that remain to be issued under paragraph (2) of subsection b. of this section, the commission is also authorized to issue a license to a well-suited entity to permit off-track wagering at a specified facility, upon application of the entity and in accordance with the provisions of this act and the provisions of section 14 of P.L.1940, c.17 (C.5:5-34). A license issued pursuant to this act shall be valid for a period of one year and, if the licensed entity is not a permit holder in this State, the license shall be contingent upon the licensee showing simulcast New Jersey races and allowing wagering thereon at the off-track wagering facility, subject to the rules and regulations of the commission, and shall be issued only if the permit holders schedule at least the minimum number of race dates required in section 30 of P.L.2001, c.199 (C.5:5-156). In assessing the qualifications of an entity to establish and conduct an off-track wagering facility, the commission shall apply substantially similar standards and criteria to those applied to the authority, its assignees, and other permit holders and licensees in the State. These standards and criteria shall enable the commission to determine by clear and convincing evidence in the opinion of the commission that the person or persons applying for licensure on behalf of the entity are well-suited to receive licensure, and shall include, but may not be limited to:

1. proof of financial resources sufficient to enable the entity to establish and conduct a quality off-track wagering facility or facilities with appropriately staffed and managed operations;
2. evidence of good character, honesty, competency and integrity;
3. the absence of a conviction for a crime involving fraud, dishonesty or moral turpitude; and
(4) any additional standards and criteria the commission may establish by rule or regulation in accordance with this act.

d. (1) The commission, in consultation with the State Treasurer, shall develop a process by which the commission will accept bids for each off-track wagering license to be awarded under this act, P.L.2001, c.199. An off-track wagering licensee and an entity interested in establishing an off-track wagering facility and being licensed as an off-track wagering licensee shall be eligible to submit a bid. The bidding process shall include procedures for the establishment of a minimum bid threshold, for the selection of a successful bidder and, when the successful bidder is not yet licensed as an off-track wagering licensee, for the awarding of a bid to that successful bidder subject to its eligibility to be licensed as an off-track wagering licensee in compliance with the provisions of this act, P.L.2001, c.199. As part of the bidding process, and in addition to submitting a monetary bid, a bidder shall submit to the commission a conceptual plan of the off-track wagering facility the bidder intends to establish, which shall include, but may not be limited to, a description of the proposed facility and the amenities it would offer, and its proposed or intended location. In selecting a successful bidder, the commission shall consider and balance the following: (a) the monetary value of the bid in comparison to other bids submitted; (b) the level of quality of the proposed facility and amenities in striving to be a first-rate experience for the customer that includes the provision of first-class dining facilities; (c) the potential of the proposed facility and amenities to generate greater interest in the horse racing industry and the sport of horse racing in the State; and (d) the proximity of the bidder’s proposed or intended location for the off-track wagering facility and its impact on other planned or existing off-track wagering facilities and racetracks in the State. For the purposes of this act, P.L.2001, c.199, a successful bid shall be conditional upon the successful bidder’s compliance with all the provisions of this act, P.L.2001, c.199, and the applicable rules and regulations promulgated by the commission.

(2) The commission shall consider the amount of a successful bid pursuant to paragraph (1) of this subsection as a license fee in connection with the issuance of an initial license to an off-track wagering facility licensee. The initial license fee need not be uniform for all off-track wagering facility licenses, and may vary depending on the results of the bidding process for each license. The proceeds generated by the initial license fee shall be distributed as follows: 50% to the New Jersey Thoroughbred Horsemen’s Association for programs designed to aid the horsemen, and 50% to the Stan-
standardbred Breeders' and Owners' Association of New Jersey for programs designed to aid the horsemen.

e. The commission shall, in consultation with the New Jersey Economic Development Authority, develop progress benchmarks, within three months of the effective date of P.L.2011, c.26, for each off-track wagering licensee to follow for the timely and expeditious establishment of each off-track wagering facility. Such benchmarks shall provide that a permit holder shall be deemed to have made progress toward establishing its share of off-track wagering facilities if it has entered into an agreement, in connection with good faith negotiations over the sale or lease of a racetrack under the permit holder's control, to transfer allocated off-track wagering licenses or facilities to an individual or entity that is a bona fide prospective purchaser or lessee, or has demonstrated to the satisfaction of the Commission that the execution of such an agreement is imminent based upon the portions of such an agreement agreed upon in principle by the parties as evidenced by a memorandum of understanding or similar accord. The failure of a licensee to meet the benchmarks shall constitute a basis for the denial by the commission of the renewal of the off-track wagering license, except that the licensee shall have the right to appeal the commission's decision.

4. Section 5 of P.L.2001, c.199 (C.5:5-131) is amended to read as follows:

C.5:5-131 Filing fee, certification; standards.

5. a. At the time of filing an application for an off-track wagering license, the applicant shall submit to the commission a non-refundable filing fee in an amount established by regulation by the commission, and a certification in a form prescribed by the commission which specifies, but is not limited to, the following information:

   (1) a plan depicting the proposed facility and improvements thereon, including information about the size, seating capacity, parking and services to be provided at the facility;

   (2) the location of the proposed facility, and relevant demographic or other information concerning the municipality and surrounding area where the proposed facility is to be located;

   (3) the number of permanent and part-time jobs expected to be created at the proposed facility, and gross revenues expected to be generated by the facility;

   (4) the fire evacuation plan for the proposed facility;
(5) the type of food and beverages available, which shall include the provision of first-class dining facilities; and

(6) such other information as the commission may require.

b. The applicant shall file a separate application and certification for each proposed off-track wagering facility.

c. The commission shall charge each off-track wagering licensee an annual fee in connection with the renewal of the off-track wagering license, and shall establish by regulation procedures and conditions for renewal of licenses issued under this act. The amount of the annual license renewal fee shall be used by the commission to cover commission expenses associated with implementation of the provisions of this act, P.L.2001, c.199, and shall reasonably reflect those costs.

d. The commission shall by regulation establish the maximum hours of operation of off-track wagering facilities.

e. (1) Notwithstanding R.S.33:1-42, priority for the service of alcoholic beverages for on-premise consumption at an off-track wagering facility shall be given to a Class C plenary retail consumption licensee, by an agreement or contract with the off-track wagering licensee, pursuant to the provisions of R.S.33:1-i et seq. in accordance with such procedures as established by statute and by regulation of the Division of Alcoholic Beverage Control. When a Class C plenary retail consumption license or licensee is available in the municipality, the authority shall not hold a license to provide alcoholic beverages at an off-track wagering facility. However, when a Class C plenary retail consumption licensee or license is not available in the municipality, the Director of the Division of Alcoholic Beverage Control shall issue a special concessionaire permit to the authority for the provision of alcoholic beverages at the off-track wagering facility and, if the off-track wagering license is held by an off-track wagering licensee other than the authority, the director may issue a non-transferable special license to provide alcoholic beverages at the off-track wagering facility pursuant to paragraph (2) of this subsection.

(2) The Director of the Division of Alcoholic Beverage Control may issue one special license to an individual, corporation, or other type of legal entity to serve alcoholic beverages at an off-track wagering facility located in the municipality where a Class C plenary retail consumption licensee was not available to provide alcoholic beverages at the off-track wagering facility pursuant to paragraph (1) of this subsection. The license shall authorize the sale of alcoholic beverages for immediate consumption on the premises of the off-track wagering facility. The director may issue not more than 15 licenses pursuant to this paragraph. Furthermore, licenses
issued pursuant to this paragraph shall be subject to the following requirements:

(a) No person who would fail to qualify as a licensee under Title 33 of the Revised Statutes shall be permitted to hold an interest in a special license under the provisions of this paragraph;

(b) Licenses shall be subject to the provisions of Title 33 of the Revised Statutes and rules and regulations promulgated by the director, to the extent those provisions are not inconsistent with the provisions of this act;

(c) No license issued pursuant to this paragraph shall be transferred to any other premises;

(d) Application for the initial issuance and renewal of each license shall be made to the director on an annual basis. The fee for the initial issuance of the license shall be the average sale price for the three most recent sales of plenary retail consumption licenses in the municipality where the license is being issued during the preceding five years. If the off-track wagering facility is located within the boundaries of two or more municipalities, the highest average sale price of the two or more municipalities shall be used. If less than three plenary retail consumption licenses have been sold in the municipality or municipalities, as the case may be, within the previous five years, the director shall obtain an appraisal, at the applicant's expense, to determine the appropriate fee for the license. The appraisal process shall include an examination of previous transactions in the municipality or municipalities, as the case may be, and shall reflect what a willing buyer, under no pressure to buy, would pay a willing seller, under no pressure to sell, for a plenary retail consumption license in that municipality or municipalities, as the case may be. One half of the amount of the application fee for the initial issuance of the license shall be paid upon the issuance of the license and the other half of that amount shall be paid one year later. The director shall establish an annual fee for the license which shall not exceed the fee which may be imposed by a municipality for a plenary retail consumption license pursuant to R.S.33:1-12, a portion of which shall be paid by the director to the New Jersey Racing Commission for the funding of horse breeding incentive programs;

(e) The fee for the initial issuance of the license shall be distributed in the following manner:

(i) Twenty-five percent shall be paid to the municipality where the off-track wagering facility is located and if the off-track wagering facility is located within the boundaries of two or more municipalities, the fee shall be divided equally among those municipalities;
(ii) Twenty-five percent shall be paid to the Director of the Division of Alcoholic Beverage Control;

(iii) Fifty percent shall be paid to the New Jersey Racing Commission for the funding of horse breeding incentive programs;

(f) The individual corporation or entity holding the license shall not be entitled to sell a license issued pursuant to this paragraph, and the license shall expire upon the closure of the off-track wagering facility;

(g) The director shall not issue a special concessionaire permit for any off-track wagering facility or premises which is eligible to obtain a license to serve alcoholic beverages under the provisions of this paragraph; and

(h) Pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the director shall adopt rules and regulations to effectuate the purposes of this paragraph.

(3) Nothing in this subsection shall be construed to allow the Director of the Division of Alcoholic Beverage Control to issue a special concessionaire permit or a special license described in paragraph (2) of this subsection to the authority pursuant to this act, P.L.2001, c.199, or to issue a special license to any individual, corporation, or other type of legal entity to serve alcoholic beverages in a municipality that prohibits the retail sale of alcoholic beverages within its boundaries.

f. Persons under the age of 18 years shall not be permitted in any off-track wagering facility, except in dining areas if accompanied by a parent or guardian.

g. The commission shall by regulation establish minimum standards for off-track wagering facilities and timelines for their establishment and completion, including, but not limited to, standards for quality, size, seating capacity, the provision of first-class dining facilities, parking and services to be provided, as well as expected dates of construction, renovations and opening. The failure of an off-track wagering licensee to meet these standards shall be sufficient cause for the commission to revoke, suspend or refuse to renew a license pursuant to the provisions of section 8 of P.L.2001, c.199 (C.5:5-134).

h. Notwithstanding the provisions of any law, rule, or regulation to the contrary, an off-track wagering facility shall be a permitted use in all commercial and industrial districts of a municipality.

i. In evaluating an application for an off-track wagering license, the commission shall consider the proximity of the applicant's proposed site to other planned or existing off-track wagering facilities and to racetracks in this State. If, in the opinion of the commission, the establishment of the facility at its proposed location would be inimical to the interests of another
planned or established off-track wagering facility, or to a State racetrack, the commission shall require the applicant to consider alternative sites for the proposed facility.

5. Section 6 of P.L.2001, c.199 (C.5:5-132) is amended to read as follows:

C.5:5-132 Public hearing.
6. Within 14 days of receipt of a completed application, certification and applicable fees, the executive director shall determine whether the same is in due form and meets the requirements of law in all respects, and upon being satisfied thereof, the commission, within 45 days of receipt of a completed application, certification and applicable fees, shall hold a public hearing in the municipality in which the proposed off-track wagering facility is to be located. The costs of the public hearing shall be paid by the applicant. The executive director shall cause a display advertisement, approximately 11 inches by 8 inches in size, to be published at least once in a daily newspaper, and at least once in a weekly newspaper, published, or circulated if none is published, in the county where the municipality is located at least 15 days before the date of the public hearing and to be published again in that daily newspaper on the third day preceding the public hearing and in the latest edition of that weekly newspaper that will be in circulation on the third day preceding the public hearing. The advertisement shall contain sufficient information to apprise the public as to the purpose of the hearing, the time and place thereof, and the nature of the license applied for. The advertisement shall be prepared and placed by the executive director, but shall be paid for by the applicant.

6. Section 7 of P.L.2001, c.199 (C.5:5-133) is amended to read as follows:

C.5:5-133 Final determination on license application.
7. a. No sooner than 30 days nor later than 60 days following the public hearing, the commission shall make a final determination on the license application. The commission shall approve the application if it determines that the plan for the proposed facility includes appropriate standards of quality for the premises and services it will provide and that the applicant has demonstrated by clear and convincing evidence that establishment of the proposed off-track wagering facility will not be inimical to the interests of the public and the horse racing industry in this State. The commission
shall submit its determination to the Attorney General for review and approval. The determination of the commission shall be deemed approved by the Attorney General if not affirmatively approved or disapproved by the Attorney General within 14 days of the date of submission. The decision of the Attorney General shall be deemed a final decision. Upon approval by the Attorney General, the commission shall issue to the applicant an off-track wagering license specifying the location, the periods of time during a calendar year and the hours of operation during which off-track wagering is permitted at the facility, and prescribing any other conditions or terms the commission deems appropriate.

b. With the approval of the commission, the authority may assign an off-track wagering license to a permit holder, provided that the authority shall retain responsibility for license renewals. In the event the authority assigns an off-track wagering license, the assignee shall reimburse the authority for its costs associated with the application for the license. With the approval of the commission, an off-track wagering licensee may enter into a contract or agreement with a person or entity to conduct or operate an off-track wagering facility for the licensee and to act as the agent of the licensee in all off-track wagering matters approved by the commission.

C.5:5-151.1 Payment in-lieu-of taxes, tax exemptions, abatement.
7. Notwithstanding any other law, rule, or regulation to the contrary:
   (1) when the authority is the owner of the land, building, and premises where an off-track wagering facility is operated pursuant to an initial off-track wagering facility license issued after the effective date of P.L.2011, c.26, the authority shall pay to the municipality where the facility is located a payment in-lieu-of taxes for the first five years of operation of the off-track wagering facility, which payment amount shall be determined upon agreement with the municipality, and shall pay regular property tax payments beginning on the sixth year and thereafter; and

shall be less than the amount of regular property tax payments as determined upon agreement with the municipality pursuant to section 10 of P.L.1991, c.441 (C.46A:21-10), and shall pay regular property tax payments beginning on the sixth year and thereafter.

8. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the Commission may adopt immediately upon filing with the Office of Administrative Law such regulations as the Commission deems necessary to implement the provisions of this act, which shall be effective for a period not to exceed 180 days and may thereafter be amended, adopted or readopted by the Commission in accordance with the requirements of P.L.1968, c.410.

5. a. Every benefit corporation shall have the purpose of creating a general public benefit. This purpose is in addition to, and may be a limitation on, its purpose under its certificate of incorporation and any specific purpose set forth in its certificate of incorporation.

b. The certificate of incorporation of a benefit corporation may identify one or more specific public benefits that is the purpose of the benefit corporation to create in addition to its purposes under its certificate of incorporation and subsection a. of this section. c. The creation of general and specific public benefits, as provided in subsections a. and b. of this section, shall be in the best interests of the benefit corporation.

d. A benefit corporation may amend its certificate of incorporation to add, amend or delete a specific public benefit that is the purpose of the benefit corporation to create. The amendment shall not be effective unless it is adopted by at least the minimum status vote.

b. The board of directors, committees of the board and individual directors of a benefit corporation, in considering the best interests of the benefit corporation may consider:
(1) matters listed in subsection (2) of N.J.S. 14A:6-1; and

c. The board of directors, committees of the board and individual directors of a benefit corporation shall not be required to give priority to the interests of any particular person or group referred to in subsection a. or subsection b. of this section over the interests of any other person or group unless the benefit corporation has stated its intention to give priority to interests related to a specific public benefit purpose identified in its certificate of incorporation.

d. A director is not personally liable for monetary damages for failure of the benefit corporation to create general or specific public benefits.

C. 14A:18-7 “Benefit director.”

If in the opinion of the benefit director the benefit corporation or its directors or officers failed to act in accordance with its public benefit purpose, then the statement of the benefit director shall include a description of the ways in which the benefit corporation or its directors or officers failed to act.

d. If the by-laws of a benefit corporation provide that the powers and duties conferred or imposed upon the board of directors shall be exercised or performed by a person other than the directors pursuant to N.J.S.14A:6-1, then the bylaws of the benefit corporation must provide that the person or shareholders who perform the duties of a board of directors shall include a person with the powers, duties, rights and immunities of a benefit director.

e. Regardless of whether the certificate of incorporation of a benefit corporation includes a provision eliminating or limiting the personal liability of directors authorized by subsection (3) of N.J.S.14A:2-7, a benefit director shall not be personally liable for any act or omission in the capacity of a benefit director unless the act or omission constitutes self-dealing, willful misconduct or a knowing violation of law.

9. A benefit corporation may have an officer designated the “benefit officer” who shall have authority and shall perform duties in the management of the benefit corporation relating to the purpose of the corporation to create general or specific public benefits as may be provided by or pursuant to the by-laws or, in the absence of controlling provisions in the by-laws, as may be determined by or pursuant to resolutions or orders of the board of directors. If a benefit corporation has a benefit officer, the duties of the benefit officer shall include preparing the benefit report required by section 11 of this act.

C.14A:18-10 Enforcement of duties of directors and officers.

10. a. The duties of directors and officers under this act, and the general and any specific public benefit purpose of a benefit corporation, may be enforced only in a benefit enforcement proceeding. No person may bring an action or assert a claim against a benefit corporation or its directors or officers with respect to the duties of directors and officers under this act and the general and any specific public benefit purpose of the benefit corporation except in a benefit enforcement proceeding.

      (a) a shareholder;
      (b) a director;
      (c) a person or group of persons that owns beneficially or of record 10% or more of the equity interests in an entity of which the benefit corporation is a subsidiary; or

      (b) The ways in which the benefit corporation pursued any specific public benefit that the certificate of incorporation states is the purpose of
the benefit corporation to create and the extent to which that specific public benefit was created; and

(c) Any circumstances that have hindered the creation by the benefit corporation of general or specific public benefits;

(2) An assessment of the social and environmental performance of the benefit corporation, prepared in accordance with a third-party standard applied consistently with any application of that standard in prior benefit reports or accompanied by an explanation of the reasons for any inconsistent application;

(3) The name of the benefit director and the benefit officer, if any, and the address to which correspondence to each of them may be directed;

(4) The compensation paid by the benefit corporation during the year to each director in that capacity;

(5) The name of each person that owns 5% or more of the outstanding shares of the benefit corporation either beneficially, to the extent known to the benefit corporation without independent investigation, or of record, and

(6) The statement of the benefit director described in section 7 of this act.

b. The benefit report must be sent annually to each shareholder within 120 days following the end of the fiscal year of the benefit corporation or at the same time that the benefit corporation delivers any other annual report to its shareholders.

c. A benefit corporation must post its most recent benefit report on the public portion of its website, if any, except that the compensation paid to directors and any financial or proprietary information included in the benefit report may be omitted from the benefit report as posted.

d. (1) With the delivery of the benefit report to shareholders pursuant to subsection b. of this section, the benefit corporation must deliver a copy of the benefit report to the Department of the Treasury for filing, except that the compensation paid to directors and any financial or proprietary information included in the benefit report may be omitted from the benefit report as filed under this section. The State Treasurer shall charge a fee of $70 for filing a benefit report.

(2) If a benefit corporation has not delivered a benefit report to the department for a period of two years, the department may prepare and file a statement that the corporation has forfeited its status as a benefit corporation and is no longer subject to this act. If the corporation subsequently delivers a benefit report to the department for filing, the status of the corporation as a benefit corporation shall be automatically reinstated upon the filing of the benefit report by the department and the corporation shall again be subject to this act.
12. This act shall take effect immediately.

Approved March 1, 2011.

CHAPTER 31

AN ACT concerning indemnification of certain corporate directors and officers and amending N.J.S.14A:3-5.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.14A:3-5 is amended to read as follows:

**Indemnification of directors, officers and employees.**

14A:3-5. Indemnification of directors, officers and employees.

(1) As used in this section,

(a) "Corporate agent" means any person who is or was a director, officer, employee or agent of the indemnifying corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of any such constituent corporation, or the legal representative of any such director, officer, trustee, employee or agent;

(b) "Other enterprise" means any domestic or foreign corporation, other than the indemnifying corporation, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;

(c) "Expenses" means reasonable costs, disbursements and counsel fees;

(d) "Liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties;

(e) "Proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrage proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding; and

(f) References to "other enterprises" include employee benefit plans; references to "fines" include any excise taxes assessed on a person with
respect to an employee benefit plan; and references to "serving at the request of the indemnifying corporation" include any service as a corporate agent which imposes duties on, or involves services by, the corporate agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner the person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this section.

(2) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the corporation, if

(a) such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; and

(b) with respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in paragraphs 14A:3-5(2)(a) and 14A:3-5(2)(b).

(3) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable to the corporation, unless and only to the extent that the Superior Court or the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the Superior Court or such other court shall deem proper.

(4) Any corporation organized for any purpose under any general or special law of this State shall indemnify a corporate agent against expenses
to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections 14A:3-5(2) and 14A:3-5(3) or in defense of any claim, issue or matter therein.

(5) Any indemnification under subsection 14A:3-5(2) and, unless ordered by a court, under subsection 14A:3-5(3) may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection 14A:3-5(2) or subsection 14A:3-5(3). Unless otherwise provided in the certificate of incorporation or bylaws, such determination shall be made

(a) by the board of directors or a committee thereof, acting by a majority vote of a quorum consisting of directors who were not parties to or otherwise involved in the proceeding; or

(b) if such a quorum is not obtainable, or, even if obtainable and such quorum of the board of directors or committee by a majority vote of the disinterested directors so directs, by independent legal counsel, in a written opinion, such counsel to be designated by the board of directors; or

(c) by the shareholders if the certificate of incorporation or bylaws or a resolution of the board of directors or of the shareholders so directs.

(6) Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding as authorized by the board of directors upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified as provided in this section.

(7) (a) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection 14A:3-5(4) or permitted under subsections 14A:3-5(2), 14A:3-5(3) and 14A:3-5(6), a corporate agent may apply to a court for an award of indemnification by the corporation, and such court

(i) may award indemnification to the extent authorized under subsections 14A:3-5(2) and 14A:3-5(3) and shall award indemnification to the extent required under subsection 14A:3-5(4), notwithstanding any contrary determination which may have been made under subsection 14A:3-5(5); and

(ii) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection 14A:3-5(6), if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(b) Application for such indemnification may be made
(i) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(ii) to the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in such manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the shareholders and such other persons as it may designate in such manner as it may require.

(8) The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this section shall not exclude any other rights, including the right to be indemnified against liabilities and expenses incurred in proceedings by or in the right of the corporation, to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, vote of shareholders, or otherwise; provided that no indemnification shall be made to or on behalf of a corporate agent if a judgment or other final adjudication adverse to the corporate agent establishes that his acts or omissions (a) were in breach of his duty of loyalty to the corporation or its shareholders, as defined in subsection (3) of N.J.S.14A:2-7, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the corporate agent of an improper personal benefit.

(9) Any corporation organized for any purpose under any general or special law of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him by reason of his being or having been a corporate agent, whether or not the corporation would have the power to indemnify him against such expenses and liabilities under the provisions of this section. The corporation may purchase such insurance from, or such insurance may be reinsured in whole or in part by, an insurer owned by or otherwise affiliated with the corporation, whether or not such insurer does business with other insureds.

(10) The powers granted by this section may be exercised by the corporation, notwithstanding the absence of any provision in its certificate of incorporation or bylaws authorizing the exercise of such powers.
(11) Except as required by subsection 14A:3-5(4), no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if such action would be inconsistent with a provision of the certificate of incorporation, a bylaw, a resolution of the board of directors or of the shareholders, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

(12) This section does not limit a corporation's power to pay or reimburse expenses incurred by a corporate agent in connection with the corporate agent's appearance as a witness in a proceeding at a time when the corporate agent has not been made a party to the proceeding.

(13) A right to indemnification or to advancement of expenses in favor of an officer or director pursuant to a corporation's certificate of incorporation or bylaws shall not be eliminated or impaired by an amendment to the certificate of incorporation or bylaws after the occurrence of an act or omission that is the subject of a civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the certificate of incorporation or bylaws in effect at the time of the act or omission explicitly authorizes that elimination or impairment after the action or omission has occurred.

2. This act shall take effect immediately.

Approved March 1, 2011.

CHAPTER 32

AN ACT concerning unemployment insurance benefit claims and amending R.S. 43:21-6.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S. 43:21-6 is amended to read as follows:

Claim for benefits.

43:21-6. (a) Filing. (1) Claims for benefits shall be made in accordance with such regulations as the Director of the Division of Unemployment and
Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey may approve. Each employer shall post and maintain on his premises printed notices of his subject status, of such design, in such numbers and at such places as the director of the division may determine to be necessary to give notice thereof to persons in the employer's service. Each employer shall give to each individual at the time he becomes unemployed a printed copy of benefit instructions. Both the aforesaid notices and instructions shall be supplied by the division to employers without cost to them.

(2) Any claimant, except for a claimant who has, for any period during his base year, served in the military, worked for the federal government, or worked outside the State of New Jersey, may choose to certify, cancel or close his claim for unemployment insurance benefits at any time, 24 hours a day and seven days a week, via the Internet on a website developed by the division; however, any claim that is certified, cancelled or closed after 7:00 PM will not be processed by the division until the next scheduled posting date.

(b) (1) Procedure for making initial determinations with respect to benefit years commencing on or after January 1, 1953.

A representative or representatives designated by the director of the division and hereafter referred to as a "deputy" shall promptly examine the claim, and shall notify the most recent employing unit and, successively as necessary, each employer in inverse chronological order during the base year. Such notification shall require said employing unit and employer to furnish such information to the deputy as may be necessary to determine the claimant's eligibility and his benefit rights with respect to the employer in question.

In his discretion, the director may appoint special deputies to make initial or subsequent determinations under subsection (f) of R.S.43:21-4 and subsection (d) of R.S.43:21-5.

If any employer or employing unit fails to respond to the request for information within 10 days after the mailing, or communicating by electronic means, of such request, the deputy shall rely entirely on information from other sources, including an affidavit to the best of the knowledge and belief of the claimant with respect to his wages and time worked. Except in the event of fraud, if it is determined that any information in such affidavit is erroneous, no penalty shall be imposed on the claimant.

The deputy shall promptly make an initial determination based upon the available information. The initial determination shall show the weekly benefit amount payable, the maximum duration of benefits with respect to
the employer to whom the determination relates, and the ratio of benefits chargeable to the employer's account for benefit years commencing on or after July 1, 1986, and also shall show whether the claimant is ineligible or disqualified for benefits under the initial determination. The claimant and the employer whose account may be charged for benefits payable pursuant to said determination shall be promptly notified thereof.

Whenever an initial determination is based upon information other than that supplied by an employer because such employer failed to respond to the deputy's request for information, such initial determination and any subsequent determination thereunder shall be incontestable by the noncomplying employer, as to any charges to his employer's account because of benefits paid prior to the close of the calendar week following the receipt of his reply. Such initial determination shall be altered if necessary upon receipt of information from the employer, and any benefits paid or payable with respect to weeks occurring subsequent to the close of the calendar week following the receipt of the employer's reply shall be paid in accordance with such altered initial determination.

The deputy shall issue a separate initial benefit determination with respect to each of the claimant's base year employers, starting with the most recent employer and continuing as necessary in the inverse chronological order of the claimant's last date of employment with each such employer. If an appeal is taken from an initial determination, as hereinafter provided, by any employer other than the first chargeable base year employer or for benefit years commencing on or after July 1, 1986, that employer from whom the individual was most recently separated, then such appeal shall be limited in scope to include only one or more of the following matters:

(A) The correctness of the benefit payments authorized to be made under the determination;

(B) Fraud in connection with the claim pursuant to which the initial determination is issued;

(C) The refusal of suitable work offered by the chargeable employer filing the appeal; or

(D) Gross misconduct as provided in subsection (b) of R.S.43:21-5.

The amount of benefits payable under an initial determination may be reduced or canceled if necessary to avoid payment of benefits for a number of weeks in excess of the maximum specified in subsection (d) of R.S.43:21-3.

Unless the claimant or any interested party, within seven calendar days after delivery of notification of an initial determination or within 10 calendar days after such notification was mailed to his or their last-known ad-
dress and addresses, files an appeal from such decision, such decision shall be final and benefits shall be paid or denied in accordance therewith, except for such determinations as may be altered in benefit amounts or duration as provided in this paragraph. Benefits payable for periods pending an appeal and not in dispute shall be paid as such benefits accrue; provided that insofar as any such appeal is or may be an appeal from a determination to the effect that the claimant is disqualified under the provisions of R.S.43:21-5 or any amendments thereof or supplements thereto, benefits pending determination of the appeal shall be withheld only for the period of disqualification as provided for in said section, and notwithstanding such appeal, the benefits otherwise provided by this act shall be paid for the period subsequent to such period of disqualification; and provided, also, that if there are two determinations of entitlement, benefits for the period covered by such determinations shall be paid regardless of any appeal which may thereafter be taken, but no employer's account shall be charged with benefits so paid, if the decision is finally reversed.

(2) Procedure for making initial determinations in certain cases of concurrent employment, with respect to benefit years commencing on or after January 1, 1953 and prior to benefit years commencing on or after July 1, 1986.

Notwithstanding any other provisions of this Title, if an individual shows to the satisfaction of the deputy that there were at least 13 weeks in his base period in each of which he earned wages from two or more employers totaling $30.00 or more but in each of which there was no single employer from whom he earned as much as $100.00, then such individual's claim shall be determined in accordance with the special provisions of this paragraph. In such case, the deputy shall determine the individual's eligibility for benefits, his average weekly wage, weekly benefit rate and maximum total benefits as if all his base year employers were a single employer. Such determination shall apportion the liability for benefit charges thereunder to the individual's several base year employers so that each employer's maximum liability for charges thereunder bears approximately the same relation to the maximum total benefits allowed as the wages earned by the individual from each employer during the base year bears to his total wages earned from all employers during the base year. Such initial determination shall also specify the individual's last date of employment within the base year with respect to each base year employer, and such employers shall be charged for benefits paid under said initial determination in the inverse chronological order of such last date of employment.
(3) Procedure for making subsequent determinations with respect to benefit years commencing on or after January 1, 1953. The deputy shall make determinations with respect to claims for benefits thereafter in the course of the benefit year, in accordance with any initial determination allowing benefits, and under which benefits have not been exhausted, and each notification of a benefit payment shall be a notification of an affirmative subsequent determination. The allowance of benefits by the deputy on any such determination, or the denial of benefits by the deputy on any such determination, shall be appealable in the same manner and under the same limitations as is provided in the case of initial determinations.

(c) Appeals. Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and the determination. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the board of review, unless further appeal is initiated pursuant to subsection (e) of this section within 10 days after the date of notification or mailing of the decision for any decision made on or before December 1, 2010, or within 20 days after the date of notification or mailing of such decision for any decision made after December 1, 2010.

(d) Appeal tribunals. To hear and decide disputed benefit claims, including appeals from determinations with respect to demands for refunds of benefits under subsection (d) of R.S.43:21-16, the director with the approval of the Commissioner of Labor and Workforce Development shall establish impartial appeal tribunals consisting of a salaried body of examiners under the supervision of a Chief Appeals Examiner, all of whom shall be appointed pursuant to the provisions of Title 11A of the New Jersey Statutes, Civil Service and other applicable statutes.

(e) Board of review. The board of review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The board of review shall permit such further appeal by any of the parties interested in a decision of an appeal tribunal which is not unanimous and from any determination which has been overruled or modified by any appeal tribunal. The board of review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceedings so removed to the board of review shall be heard by a quorum thereof in accordance with the
requirements of subsection (c) of this section. The board of review shall promptly notify the interested parties of its findings and decision.

(f) Procedure. The manner in which disputed benefit claims, and appeals from determinations with respect to (1) claims for benefits and (2) demands for refunds of benefits under subsection (d) of R.S.43:21-16 shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules prescribed by the board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed.

(g) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the director. Such fees and all expenses of proceedings involving disputed claims shall be deemed a part of the expense of administering this chapter (R.S.43:21-1 et seq.).

(h) Court review. Any decision of the board of review shall become final as to any party upon the mailing of a copy thereof to such party or to his attorney, or upon the mailing of a copy thereof to such party at his last-known address. The Division of Unemployment and Temporary Disability Insurance and any party to a proceeding before the board of review may secure judicial review of the final decision of the board of review. Any party not joining in the appeal shall be made a defendant; the board of review shall be deemed to be a party to any judicial action involving the review of, or appeal from, any of its decisions, and may be represented in any such judicial action by any qualified attorney, who may be a regular salaried employee of the board of review or has been designated by it for that purpose, or, at the board of review's request, by the Attorney General.

(i) Failure to give notice. The failure of any public officer or employee at any time heretofore or hereafter to give notice of determination or decision required in subsections (b), (c) and (e) of this section, as originally passed or amended, shall not relieve any employer's account of any charge by reason of any benefits paid, unless and until that employer can show to the satisfaction of the director of the division that the said benefits, in whole or in part, would not have been charged or chargeable to his account had such notice been given. Any determination hereunder by the director shall be subject to court review.
2. This act shall take effect on the 120th day after enactment.

As used in this section, “substantial changes” means any changes to a proposed rule that would significantly: enlarge or curtail who and what will be affected by the proposed rule; change what is being prescribed, prescribed or otherwise mandated by the rule; or enlarge or curtail the scope of the proposed rule and its burden on those affected by it.

b. Upon making a determination that it would be appropriate to make substantial changes to a proposed rule upon adoption, an agency may submit a public notice to the Office of Administrative Law setting forth the proposed changes. c. (1) Upon receipt of a public notice pursuant to subsection b. of this section, the Office of Administrative Law shall publish the notice in the New Jersey Register.

(2) The agency submitting the public notice containing substantial changes to a notice of proposal shall comply with the notice requirements set forth in paragraphs (1) and (3) of subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4), and provide a comment period of 60 days from the date the public notice is published in the New Jersey Register in which interested parties may present their views on the new proposed changes.

As part of the notice of adoption, the agency shall prepare for public distribution a report listing all parties submitting comments concerning the provisions of the proposed rule changes contained in the public notice, summarizing the content of the submissions that are related to the proposed rule changes contained in the public notice, and providing the agency's response to the data, views and arguments contained in the relevant submissions.

e. A notice of proposal that includes a public notice pursuant to this section shall expire 18 months after the date of publication of the notice of proposal in the New Jersey Register.

2. This act shall take effect immediately.

Approved March 1, 2011.

CHAPTER 34

AN ACT concerning State and local agency business permits related to economic development projects and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:14B-26 Definitions relative to State and local agency business permits.

1. As used in this act:

"Local agency" means any department of a political subdivision of this State, or any division, office, agency, or bureau thereof that issues a permit to a business.
"Permit" means a permit, license, certificate, registration, compliance schedule, or any other form of permission or approval required by law to be issued by a State agency in order to engage in a business activity, or any other authorization related thereto, whether that authorization is in the form of a permit, approval, license, certification, waiver, letter of interpretation, agreement, or any other executive or administrative decision which allows a business to engage in an activity.

"State agency" means any New Jersey principal department or any division, office, agency, or bureau thereof that issues a permit to a business.

2. Consistent with the requirements of applicable statutes, every State agency shall periodically review those permits the State agency issues to identify permits that:
   a. Can be administered through an expedited process, such as developing procedures for the electronic submission of permit applications; or
   b. May be obsolete, are no longer necessary, or cost more to administer than the benefits they provide, and thus should be eliminated so long as the public health, safety, or general welfare is not endangered.

   Each State agency shall provide notice to the Secretary of State or other State officer or employee designated by the Governor pursuant to section 3 of P.L.2011, c.34 (C.52:14B-28) of its identification of permits that can be administered through an expedited process or may be obsolete, and its actions taken or recommended to be taken to expedite permitting and its actions taken or recommended to be taken to eliminate obsolete permits.

3. The Secretary of State or other State officer or employee as the Governor may designate to manage this program within the Department of State shall develop a system of consolidated and contemporaneous review of State and local agency-issued business permits for the purpose of accelerating the process of issuing business permits, eliminating redundancy among different levels of State and local government, and ensuring more consistency in permit issuance. This system shall be adopted by rule pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). Under such system, any county or municipality issuing a business permit shall be encouraged and incentivized to voluntarily join in a collaborative effort to manage the permitting process for a business project with any State agency, as applicable to each project, and jointly agree on a process and schedule for a cooperative and contemporaneous handling of busi-
ness permits and approvals. Any municipality issuing a business permit or approval pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) shall not be subject to the provisions of this act. A permit or approval related to a federally-funded program or project or a permit or approval that is specified or determined by or pursuant to federal law or regulation shall not be subject to the provisions of this act.

C.52:14B-29 Designation of contact person.

4. Concerning any large, complex project having a significant potential employment or investment impact, the Secretary of State or other State officer or employee designated by the Governor pursuant to section 3 of P.L.2011, c.34 (C.52:14B-28) shall designate an employee of the Department of State from among those positions otherwise filled to act as a contact person to be responsible for assisting each business undertaking such project on an individual basis and to continue as the point of contact between that business and all appropriate government entities throughout the permit and approval application process. Concerning projects which require permits from multiple State and local agencies, the Secretary of State or the Governor’s designee shall designate an employee of the Department of State from among those positions otherwise filled to guide such projects throughout the process of applying for and receiving any business permit or approval. The duties of the designated contact person shall include:

a. Developing, from the outset, a checklist of permits to which the applicable agencies agree;

b. Establishing a detailed course of actions and milestones for the permitting or approval process that shall be agreed to by the applicable agencies;

c. Reporting any impediments to, or conflicts regarding, milestones to the Secretary of State or the Governor’s Designee, and promptly evaluating any disputes, delays, or other issues requiring centralized review; and

d. Coordinating as needed with the New Jersey Economic Development Authority to ensure that businesses considering investing in this State receive integrated project management of all State and local agency required permits and approvals.

C.52:14B-30 Annual report to Governor, Legislature.

5. a. The Secretary of State or other State officer or employee designated by the Governor pursuant to section 3 of P.L.2011, c.34 (C.52:14B-28) shall report annually on or before March 1 to the Governor and to the Legislature, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), concerning:
(1) Permits identified pursuant to section 2 of P.L.2011, c.34 (C.52:14B-27) as either being able to be administered through an expedited process or obsolete, and actions taken or recommended to be taken to implement expedited processes or eliminate obsolete permits;

(2) The counties and municipalities participating in cooperative and contemporaneous handling of business permits and approvals pursuant to section 3 of P.L.2011, c.34 (C.52:14B-28);

b. The report required by subsection a. of this section shall be posted on the Department of State web site.

6. This act shall take effect on the 60th day after the date of enactment, but any affected agency may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

CHAPTER 35

AN ACT concerning the lease and sale of certain property not needed for public purposes to certain nonprofits to encourage and facilitate urban farming and gardening, and providing a property tax exemption for land leased or sold for urban farms, amending and supplementing P.L.1971, c.199 and amending R.S.54:4-3.6.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40A:12-15.1 Findings, declarations relative to lease, sale of certain property to nonprofits for certain purposes.

1. The Legislature finds and declares:

   a. There exists in certain older, urban municipalities an excess of vacant property that is not needed for public use; and
b. Vacant properties present numerous problems for these municipalities such as: presenting the opportunity for criminal activity, deterring neighboring property owners from improving their properties and prospective purchasers and renters from locating into these areas, and serving as a location to dispose of unwanted items; and

c. These municipalities are often centers of high and increasing populations and population densities comprised, in part, of lower income families; and

d. Due, in part, to increasing population densities, the deterioration of infrastructure such as parks, and fiscal constraints, these municipalities have been challenged to offer residents opportunities to enhance the quality of their lives; and

e. Due to the scarcity of full service supermarkets and farmer's markets within these municipalities, municipal residents often suffer from a shortage of fresh fruits and vegetables; and

f. The shortages of recreational opportunities and sources of fresh fruits and vegetables have contributed to alarming increases in childhood obesity and other adverse health consequences for municipal residents; and

g. While provisions of statutory law authorize local units to lease or sell property that is not needed for public use in order to further various public purposes, these statutory provisions limit municipalities from enlisting the assistance of nonprofit entities to develop these properties for a range of public purposes that could enhance the recreational, educational, and nutritional needs of local residents; and

h. Authorization for local units to lease and sell vacant land to nonprofit entities to cultivate these lands can provide both recreational opportunities and a source of fresh, locally grown fruits and vegetables for local residents; and

i. The nonprofit cultivation of previously vacant land by nonprofit entities is a public purpose for which the long term lease and sale of these properties, and exemption from property taxation therefor, is warranted, even in those instances when produce is sold to further the mission of these nonprofit entities.

2. Section 15 of P.L.1971, c.199 (C.40A:12-15) is amended to read as follows:

C.40A:12-15 Purposes for which leases for a public purpose may be made.
15. Purposes for which leases for a public purpose may be made.
A leasehold for a term not in excess of 50 years may be made pursuant to this act and extended for an additional 25 years by ordinance or resolution thereafter for any county or municipal public purpose, including, but not limited to:

(a) The provision of fire protection, first aid, rescue and emergency services by an association duly incorporated for such purposes.

(b) The provision of health care or services by a nonprofit clinic, hospital, residential home, outpatient center or other similar corporation or association.

(c) The housing, recreation, education or health care of veterans of any war of the United States by any nonprofit corporation or association.

(d) Mental health or psychiatric services or education for persons with mental illness, persons with a mental deficiency, or persons with intellectual disabilities by any nonprofit corporation or association.

(e) Any shelter care or services for persons aged 62 or over receiving Social Security payments, pensions, or disability benefits which constitute a substantial portion of the gross income by any nonprofit corporation or association.

(f) Services or care for the education or treatment of cerebral palsy patients by any nonprofit corporation or association.

(g) Any civic or historic programs or activities by duly incorporated historical societies.

(h) Services, education, training, care or treatment of poor or indigent persons or families by any nonprofit corporation or association.

(i) Any activity for the promotion of the health, safety, morals and general welfare of the community of any nonprofit corporation or association.

(j) The cultivation or use of vacant lots for gardening or recreational purposes.

(k) The provision of electrical transmission service across the lines of a public utility for a county or municipality pursuant to R.S.40:62-12 through R.S.40:62-25.

(l) In any city of the first, second, third or fourth class, the lease of a tract of land of less than five acres to a nonprofit corporation or association to cultivate and sell fresh fruits and vegetables.

Except as otherwise provided in subsection (k) of this section, in no event shall any lease under this section be entered into for, with, or on behalf of any commercial, business, trade, manufacturing, wholesaling, retailing, or other profit-making enterprise, nor shall any lease pursuant to this section be entered into with any political, partisan, sectarian, denominational or religious corporation or association, or for any political, partisan,
sectarian, denominational or religious purpose, except that a county or municipality may enter into a lease for the use permitted under subsection (j) with a sectarian, denominational or religious corporation; provided the property is not used for a sectarian, denominational or religious purpose. In the case of a municipality the governing body may designate the municipal manager, business administrator or any other municipal official for the purpose of entering into a lease for the use permitted under subsection (j). Any lease entered into pursuant to subsection (l) with a non-profit corporation or association may permit the non-profit corporation or association to sell fresh fruits and vegetables on the leased land, off the leased land, or both, provided, that the sales are related and incidental to the non-profit purposes of the corporation or association and the net proceeds received by the non-profit corporation or association are used to further the non-profit purposes of the corporation or association. Property leased pursuant to subsection (l) of this section shall be exempt from property taxation.

3. Section 21 of P.L.1971, c.199 (C.40A:12-21) is amended to read as follows:

C.40A:12-21 Private sales to certain organizations upon nominal consideration.

21. Private sales to certain organizations upon nominal consideration. 2. R.S.19:13-13 is amended to read as follows:

**Amendment of petitions; time.**

19:13-13. A candidate whose petition of nomination, or any affidavit or affidavits thereto, is defective may cause such petition, or the affidavit or affidavits thereto, to be amended in matters of substance or of form as may be necessary, but not to add signatures, or such amendment or amendments may be made by filing a new or substitute petition, or affidavit or affidavits, and the same when so amended shall be of the same effect as if originally filed in such amended form; but every amendment shall be made on or before the third day after the last day for the filing of petitions. This provision shall be liberally construed to protect the interest of candidates.

Notwithstanding the above provision, in the case of nomination petitions for electors for candidates for President and Vice President of the United States, which candidates have not been nominated at a convention of a political party as defined by this Title, every statutorily authorized amendment shall be made on or before the 93rd day before the general election.

**Nomination of successor.**

19:13-19. 4. R.S.19:13-20 is amended to read as follows:

**Vacancy procedure.**

19:13-20. In the event of a vacancy, howsoever caused, among candidates nominated at a primary election for the general election, which va-

a. (1) In the case of an office to be filled by the voters of the entire State, the candidate shall be selected by the State committee of the political party wherein such vacancy has occurred.

(2) In the case of an office to be filled by the voters of a single and entire county, the candidate shall be selected by the county committee in such county of the political party wherein such vacancy has occurred.

(3) In the case of an office to be filled by the voters of a portion of the State comprising all or part of two or more counties, the candidate shall be selected by those members of the county committees of the party wherein the vacancy has occurred who represent those portions of the respective counties which are comprised in the district from which the candidate is to be elected.

At any meeting held for the selection of a candidate under this subsection, a majority of the persons eligible to vote thereat shall be required to be present for the conduct of any business, and no person shall be entitled to vote at that meeting who is appointed to the State committee or county committee after the seventh day preceding the date of the meeting.

Within 20 days after the meeting of each county committee that is held on the first Tuesday following the primary election at which committee members are elected, the municipal clerk shall certify to the county clerk an official list of the duly elected county committee members and an official list of the municipal committee chairs. The county party chairperson shall have a continuing duty to report to the county clerk any vacancies, resignations, and committee positions filled pursuant to R.S.19:5-2 or 19:5-3. The chairperson so chosen may propose rules to govern the determination of credentials and the procedures under which the meeting shall be conducted, and those rules shall be adopted upon a majority vote of the persons entitled to vote upon the selection. If a majority vote is not obtained for those rules, the delegates shall determine credentials and conduct the business of the meeting under such other rules as may be adopted by a majority vote. All contested votes taken at the selection meeting, as referenced in subsections a. and b. of this section, shall be by secret ballot in a location or manner that protects the anonymity of the person's vote.

b. (1) Whenever in accordance with subsection a. of this section members of two or more county committees are empowered to select a candidate to fill a vacancy, it shall be the responsibility of the chairpersons of said county committees, acting jointly not later in any case than the seventh day following the occurrence of the vacancy, to give notice to each of the members of their respective committees, as certified by the county clerk, who are so empowered of the date, time and place of the meeting at which the selection will be made, that meeting to be held at least one day following the date on which the notice is given.

to vote upon the selection of a candidate at such meeting unless he or she or
they are so entitled pursuant to subsection a.

(4) Whenever in accordance with the provisions of subsection a. of this
section the State committee of a political party is empowered to select a

of that State committee to give notice to each of the members of the com­
mittee of the date, time and place of the meeting at which the selection will
be made, that meeting to be held at least one day following the date on
which the notice is given.

c. Whenever a selection is to be made pursuant to this section to fill a
vacancy resulting from inability to select a candidate because of a tie vote
at a primary election for the general election, the selection shall be made
from among those who have thus received the same number of votes at the
primary.

d. A selection made pursuant to this section shall be made not later
than the 54th day preceding the date of the general election, and a statement

1. When a vacancy, howsoever caused, happens in the representation of this State in the House of Representatives in any year later than the 70th day prior to the day for holding the primary election for the general election but before the 70th day preceding the day of the general election, and the unexpired term to be filled exceeds one year, the Governor, in issuing a writ of election to fill such vacancy, may designate in said writ the next general election day as the day on which the election shall be held to fill such vacancy and that no primary election shall be held for nomination of candidates to fill such vacancy.

In such case, each political party shall select its candidate to fill such vacancy in the same manner prescribed in R.S.19:13-20 for selecting candidates to fill vacancies arising among candidates nominated at primary elections, except that the time for making such selection and filing the statement thereof shall be within 10 days following the issuance of the writ of election.

In such case, petitions of nomination of other candidates shall be filed in the office of the Secretary of State within 10 days of the date of such proclamation.

The Secretary of State on the eleventh day following the date of such proclamation shall certify to the clerk and county board of each county affected by the vacancy, a statement of all candidates selected and nominated for the office so vacated.

The election to fill such vacancy shall in all other respects be conducted as though it were being conducted to fill the office upon the expiration of the term of the incumbent.

for the general election and on or before the 70th day preceding the general election, each political party may select a candidate for the office in question in the manner prescribed in R.S.19:13-20 for selecting candidates to fill vacancies among candidates nominated at primary elections to the general elections. A statement of such selection shall be filed with the county clerk not later than the close of business of the 55th day preceding the date of the general election.

Besides the selection of candidates by each political party as before provided, candidates may also be nominated by petition in a similar manner as herein provided for direct nomination by petition for the general election but the petition shall be filed with the county clerk at least 64 days prior to such general election.

When the vacancy occurs in a county office the county clerk shall forthwith give notice thereof to the chairman of the county committee of each political party and in counties of the first class to the county board, and in case the vacancy occurs in a municipal office the municipal clerk shall forthwith give notice thereof to the county clerk, the chairman of the county committee of each political party and in counties of the first class the county board.

In the event a vacancy eligible to be filled by election hereunder occurs on or before the sixth day preceding the last day for filing petitions for nomination for the primary election, such petitions may be prepared and filed for nomination in that primary election in the manner provided by article 3 of chapter 23 of this Title. In the event the vacancy occurs after that sixth day preceding the last day for filing petitions for nomination for the primary election for the general election, a political
party may select a candidate for the office in question in the manner prescribed in subsections a. and b. of R.S.19:13-20 for selecting candidates to fill vacancies among candidates nominated at primary elections for the general elections. A statement of such selection under R.S.19:13-20 shall be filed with the Secretary of State not later than the 48th day preceding the date of the general election.

Besides the selection of candidates by each political party, candidates may also be nominated by petition in a manner similar to direct nomination by petition for the general election; but if the candidate of any party to fill the vacancy will be chosen at a primary election, such petition shall be filed with the Secretary of State at least 64 days prior to the primary election; and if no candidate of any party will be chosen at a primary election, such petition shall be filed with the Secretary of State not later than 12 o'clock noon of the day on which the first selection meeting by any party is held under this section to select a nominee to fill the vacancy.

When the vacancy occurs in the Senate or General Assembly, the county clerk of each county which is comprised in whole or part in the Senate or General Assembly district shall forthwith give notice thereof to the chairman of the county committee of each political party and in counties of the first class to the county board.

(b) for fiscal year budgets, only the last Tuesday in September, or the second Tuesday in December.

(4) Any decision of the voters rejecting an increase to the tax levy cap under this subsection shall be final and conclusive, and no appeal or review shall be taken therefrom and no waiver application shall be made to the Local Finance Board.

(5) The director is authorized to act as necessary in order to consolidate ballot questions and procedures when a governing body elects to hold a referendum under both this section and section 9 of P.L.1983, c.49 (C.40A:4-45.16).
c. (Deleted by amendment, P.L.2010, c.44)

d. The adjusted tax levy shall be increased or decreased accordingly whenever the responsibility and associated cost of an activity performed by a local unit is transferred to or from a local unit, other government entity, or other service provider.

35. Section 12 of P.L.2007, c.62 (C.40A:4-45.47) is amended to read as follows:

b. If a member of the Senate or General Assembly who is a member of a political party vacates the office prior to the expiration of the term thereof and a vacancy is created after the 70th day before the day of a general election, and due to the timing of the vacancy the production and transmission of mail-in ballots for the general election cannot be accomplished starting on or before the 45th day before the day of the election pursuant to section 9 of P.L.2009, c.79 (C.19:63-9), the Secretary of State shall undertake such actions as the secretary deems necessary to ensure that the ballots are produced and transmitted to mail-in voters as soon as possible after the 45th day before the election.

The governor of this State may make a temporary appointment of a senator of the United States from this State whenever a vacancy shall occur by reason of any cause other than the expiration of the term; and such appointee shall serve as such senator until a special election or general election shall have been held pursuant to law and the Board of State Canvassers can deliver to his successor a certificate of election.

38. R.S.19:3-29 is amended to read as follows:

The Secretary of State shall also not later than the 67th day preceding the presidential primary election in each presidential year in which electors
of President and Vice-President of the United States are to be selected, and not later than the 67th day preceding the primary election for the general election in which a representative of the United States Senate, members of the House of Representatives, a Governor, a Lieutenant Governor, or Senator, or member or members of the General Assembly for any county, or any of them, are to be elected or any public question is to be submitted to the voters of the entire State, direct and cause to be delivered to the clerk of the county and the county board wherein any such election is to be held, a notice stating that such officer or officers are to be elected and that such public question is to be submitted to the voters of the entire State at the ensuing general election.

19:12-3. The clerk of each county shall immediately upon the receipt of the certificate from the Secretary of State setting forth that a political party has been created, forward a certified copy of such certificate to each municipal clerk of his county.

He shall also, not later than the 57th day preceding the presidential primary election in each presidential year and the primary election for the general election in every other year, cause a copy of the notice received from the Secretary of State of the officer or officers to be elected at the ensuing general election, certified under his hand to be true and correct, to be delivered to the clerk of each municipality in the county.

CHAPTER 38

AN ACT concerning the raising of revenue for free public libraries and joint free public libraries and amending various sections of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.40:54-8 is amended to read as follows:

Library tax.

40:54-8. Within every municipality governed by this article there shall annually be raised by taxation a sum equal to one-third of a mill on every dollar of assessable property within such municipality based on the equalized valuation of such property as certified by the Director of the Division of Taxation in the Department of the Treasury in accordance with the provisions of R.S.54:4-49. The amount shall be assessed, levied and collected in the same manner and at the same time as other municipal purposes taxes are assessed, levied and collected therein and shall be paid from the disbursing officer to the treasurer of the free public library on a quarterly basis. Following enactment of P.L.2011, c.38, the director of the Division of Local Government Services in the Department of Community Affairs shall decrease the municipality’s adjusted tax levy pursuant to subsection d. of sec-
tion 11 of P.L.2007, c.62 (C.40A:4-45.46), so that there is no net impact on the amount of the adjusted tax levy available to the municipality for non-library purposes pursuant to section 9 of P.L.2007, c.62 (C.40A:4-45.44).

Such additional sum, as in the judgment of the municipal governing body or appropriate board of the municipality, is necessary for the proper maintenance of a free public library, may be appropriated in the municipal budget from the general purposes municipal tax levy.

2. Section 14 of P.L.1959, c.155 (C.40:54-29.16) is amended to read as follows:

C.40:54-29.16 Certification of sum needed for operation of joint library; apportionment.

14. The board of trustees of the joint library shall, not later than December 1 of each year, certify to the respective municipalities the sum required for the operation of the joint library for the ensuing year and the share of such sum to be borne by the taxpayers in each of the municipalities in accordance with the method of apportionment provided in the joint library agreement. If the governing body of any of the municipalities objects to the amount or apportionment so certified, it shall forthwith call a joint meeting of the governing bodies and the board of trustees for the purpose of adjusting and settling any differences. If the governing bodies of such municipalities cannot agree, the matter shall be referred to the Director of the Division of Local Government Services in the Department of Community Affairs for determination.

3. Section 15 of P.L.1959, c.155 (C.40:54-29.17) is amended to read as follows:

C.40:54-29.17 Raising of sum needed, quarterly payments.

15. The proportionate share of the sum so certified or agreed upon or determined in its annual budget, shall be raised by taxation, pursuant to the provisions of R.S.54:4-49, and shall be paid over to the disbursing officer of the joint library on a quarterly basis. The amount thus agreed upon shall be assessed, levied, and collected in the same manner and at the same time as other municipal purposes taxes are assessed, levied and collected. Operations under the budget and related matters shall be subject to and in accordance with rules of the Local Finance Board in the Department of Community Affairs.

4. R.S.54:4-49 is amended to read as follows:
Apportionment valuation; amount to be apportioned among taxing districts; debits and credits.

54:4-49. (a) Except as to any State tax at a fixed rate provided for in sections 54:4-50 and 54:4-51 of this Title, each county board of taxation, after having received the tax lists and duplicates of the assessors and having revised and corrected the same and having equalized the aggregate valuations of all the real property in the respective taxing districts, as required by R.S.54:3-17 to 54:3-19, shall, after making adjustments for the debits and credits hereinafter mentioned, apportion the amount to be raised in the respective taxing districts for State, State school, county, free county library, free public library, and joint free public library purposes and for purposes of consolidated school districts and school districts comprising two or more taxing districts, on the basis of the total valuation so ascertained for each taxing district. The total valuation for each taxing district, so ascertained, shall be known as the “apportionment valuation.”

(b) The amount to be apportioned among the respective taxing districts shall be the amount to be raised for the purposes specified in subsection (a), plus or minus the difference between the total debits and total credits of the taxing districts affected, determined as provided in subsection (c). The net amounts respectively to be raised, after making allowance to the affected districts for the debits and credits, shall be equivalent to the amount required for each of the purposes specified in subsection (a).

(c) The net debit or credit of each taxing district shall be the amount by which the taxing district has overpaid or underpaid its share of the specific tax or taxes for the purposes specified in subsection (a) for the preceding year or years because of increases or decreases in the amount of the assessments of the district subsequent to the apportionment in the preceding year or years by reason of final judgments on appeals, complaints and applications, the correction of clerical errors under R.S.54:4-53 and the allowance of additional veterans' exemptions or deductions during the prior tax year by the collector pursuant to law. When an assessment has been reduced or added to, or increased, on appeal, complaint or other application, and the judgment on that appeal, complaint or other application has been further appealed, no deduction or increase as herein provided for shall be made with respect to the appealed assessment until the further appeal has been finally determined.

(d) So that there shall be uniformity of application and treatment under this section in all of the counties, the Director, Division of Taxation, shall issue regulations for the guidance of the county boards of taxation in the determination of the apportionment valuations, the amounts to be apportioned and the amounts of the debits and credits.
5. R.S.54:4-65 is amended to read as follows:

Form and content of property tax bills.

54:4-65. a. The Director of the Division of Local Government Services in the Department of Community Affairs shall approve the form and content of property tax bills.

b. (1) Each tax bill shall have printed thereon a brief tabulation showing the distribution of the amount raised by taxation in the taxing district, in such form as to disclose the rate per $100.00 of assessed valuation or the number of cents in each dollar paid by the taxpayer which is to be used for the payment of State school taxes, other State taxes, county taxes, local school expenditures, free public library taxes, and other local expenditures. The last named item may be further subdivided so as to show the amount for each of the several departments of the municipal government. In lieu of printing such information on the tax bill, any municipality may furnish the tabulation required hereunder and any other pertinent information in a statement accompanying the mailing or delivery of the tax bill.

(2) When a parcel receives a homestead property tax credit pursuant to the provisions of P.L.2007, c.62 (C.18A:7F-37 et al.), the amount of the credit shall be included with the tax calculation as a reduction in the total tax calculation for the year. One-half of the amount of the credit shall be deducted from taxes otherwise due for the third installment and the remaining one-half shall be deducted from taxes otherwise due for the fourth installment.

(3) There shall be included on or with the tax bill the delinquent interest rate or rates to be charged and any end of year penalty that is authorized and any other such information that the director may require from time to time.

c. The tax bill shall also include a calculation stating the amounts of State aid and assistance received by the municipality, school districts, special districts, free public libraries, and county governments that offset property taxes that are otherwise due on each parcel. The director shall certify to each tax collector the amounts of said State aid and assistance that shall serve as the basis for the calculation for each parcel. The director shall set standards for the calculation and display of the statement on the tax bill.

d. The tax bill or form mailed with the tax bill shall include thereon the date upon which each installment is due.

e. If a property tax bill includes in its calculation a homestead property tax credit, the bill shall, in addition to the calculation showing taxes due, either display a notice concerning the credit on the face of the property tax bill or with a separate notice, with the content and wording as the director provides.
CHAPTER 39, LAWS OF 2011

6. This act shall take effect immediately.

Approved March 21, 2011.

CHAPTER 39

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:22-6.69a Short title.

1. Sections 1, 2 and 3 of this amendatory and supplementary act shall be known and may be cited as the “Reinsurance and Surplus Lines Stimulus and Enhancement Act.”

C.17:22-6.69b Designation as domestic surplus lines insurer.

2. a. Notwithstanding any other provision of law to the contrary, a domestic insurer possessing policyholder surplus of at least $15,000,000 may, pursuant to a resolution by its board of directors, and upon the written approval of the Commissioner of Banking and Insurance, be designated as a domestic surplus lines insurer. A domestic surplus lines insurer shall be considered an eligible, unauthorized insurer for purposes of writing surplus lines insurance coverage.

b. A domestic surplus lines insurer shall only insure in this State a New Jersey risk procured from a surplus lines agent in accordance with the provisions of “the surplus lines law,” P.L.1960, c.32 (C.17:22-6.40 et seq.).

c. A domestic surplus lines insurer shall not issue policies of private passenger automobile insurance, workers’ compensation or workers’ occupational disease insurance.

d. Insurance written by a domestic surplus lines insurer shall be subject to the tax on premiums provided by section 25 of P.L.1960, c.32 (C.17:22-6.59).

C.17:22-6.69c Notice to policyholder.

3. Whenever any insurance risk or any part thereof is placed with a domestic surplus lines insurer, the policy, binder, or cover note shall bear conspicuously on its face in boldface, the following notation:
“Notice to policyholder: This policy is written by a domestic surplus lines insurer, an eligible unauthorized insurer pursuant to section 2 of P.L.2011, c.39 (C.17:22-6.69b), and is not subject to the rate or form filing or approval requirements of the New Jersey Department of Banking and Insurance. This policy may contain conditions, limitations, exclusions and different terms than a policy otherwise issued by a New Jersey authorized or admitted insurer. This policy is not covered by the New Jersey Property-Liability Guaranty Association. This policy may be covered by the New Jersey Surplus Lines Insurance Guaranty Fund, but only to the extent provided pursuant to section 2 of P.L.1984, c.101 (C.17:22-6.71).”

4. Section 2 of P.L.1993, c.243 (C.17:51B-2) is amended to read as follows:

C.17:51B-2 Credit for reinsurance ceded by certain insurers.

2. Credit for reinsurance ceded by an insurer which is domiciled in New Jersey, or which is either licensed in New Jersey or eligible to write surplus lines insurance in New Jersey and which in either case is domiciled in a state or country which does not employ standards regarding credit for reinsurance substantially similar, as determined by the commissioner, to those applicable under this act, shall be allowed as either an asset or a deduction from liability only when:
   a. The reinsurance is ceded to an assuming insurer which is licensed to transact insurance or reinsurance in this State; or
   b. The reinsurance is ceded to an assuming insurer which is accredited as a reinsurer in this State. An accredited reinsurer is one which:
      (1) Files with the commissioner evidence of its submission to this State's jurisdiction;
      (2) Submits to this State's authority to examine its books and records;
      (3) Is licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an assuming alien insurer, is entered through, and licensed to transact insurance or reinsurance in, at least one state;
      (4) Files annually with the commissioner a copy of its annual statement filed with the insurance department or other regulatory authority of its state of domicile and a copy of its most recent audited financial statement; and either:
         (a) Maintains a surplus in regard to policyholders in an amount which is not less than $20,000,000 and whose accreditation has not been denied by the commissioner within 120 days of its submission therefor; or
(b) Maintains a surplus in regard to policyholders in an amount less than $20,000,000 and whose accreditation has been approved by the commissioner;

(5) Submits a filing fee in an amount established by the commissioner; and

(6) Provides any additional information, which may include, but may not be limited to, information regarding the concentration of the insurer's exposures, geographic or otherwise, and satisfies such additional requirements as the commissioner deems necessary to ensure that the particular insurer's condition and methods of operation are not such as would render its operations hazardous to the public or policyholders in this State.

No credit shall be allowed a ceding licensed insurer or unauthorized eligible surplus lines insurer if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing; or

c. The reinsurance is ceded to an assuming insurer which is domiciled and licensed in, or in the case of a United States branch of an assuming alien insurer, is entered through, a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this act, as determined by the commissioner, and that assuming insurer or United States branch of an assuming alien insurer:

(1) Maintains a surplus in regard to policyholders in an amount of not less than $20,000,000;

(2) Submits to the authority of this State to examine its books and records; and

(3) Provides any additional information, which may include, but may not be limited to, information regarding the concentration of the insurer's exposures, geographic or otherwise, and satisfies such additional requirements as the commissioner deems necessary to ensure that the particular insurer's condition and methods of operation are not such as would render its operations hazardous to the public or policyholders in this State; except that the requirement of paragraph (1) of this subsection shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system; or

d. The reinsurance is ceded to an assuming insurer which maintains a trust fund in a qualified United States financial institution for the payment of the valid claims of its United States policyholders and ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the NAIC Annual Statement form by licensed insurers to enable the commissioner to determine the sufficiency of the trust
fund. In addition to the requirements of this subsection, the assuming insurer shall provide any additional information, which may include, but may not be limited to, information regarding the concentration of the insurer's exposures, geographic or otherwise, and satisfy such additional requirements as the commissioner deems necessary to ensure that the particular insurer's condition and methods of operation are not such as would render its operations hazardous to the public or policyholders in this State.

(1) In the case of a single assuming insurer, the trust shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and in addition, the assuming insurer shall maintain a trusteed surplus of not less than $20,000,000.

(2) In the case of a group of insurers, which group includes individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States and, in addition, the group shall maintain a trusteed surplus of which not less than $100,000,000 shall be held jointly for the benefit of United States ceding insurers of any member of the group; and the group shall make available to the commissioner an annual certification of the solvency of each underwriter for the fiscal period immediately preceding, which shall not be less than one year, by the group's domiciliary regulator and its independent certified public accountant.

(3) In the case of a group of incorporated insurers under common administration which complies with the filing requirements contained in this section, has continuously transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation, submits to this State's authority to examine its books and records and bears the expense of the examination, and which has aggregate policyholders' surplus of not less than $10,000,000,000: the trust shall be in an amount equal to the group's several liabilities attributable to business ceded by United States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of such group; plus a joint trusteed surplus of which not less than $100,000,000 shall be held jointly and exclusively for the benefit of United States ceding insurers of any member of the group as additional security for any such liabilities; and each member of the group shall make available to the commissioner an annual certification of the member's solvency for the fiscal period immediately preceding, which shall not be less than one year, by the member's domiciliary regulator and its independent certified public accountant.

Any trust established pursuant to this subsection shall be in a form approved by the commissioner, and the content, location, legal currency and
financial institutions shall be acceptable to the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year's end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31; or

e. The commissioner may, in his discretion, allow credit for reinsurance if the reinsurance is ceded to an assuming insurer not meeting the requirements of subsection a., b., c. or d. of this section but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required or provided by applicable law or regulation of that jurisdiction; or

f. The commissioner may, in his discretion, allow credit for reinsurance if the reinsurance is ceded to an assuming insurer not meeting the requirements of subsection a., b., c. or d. of this section but only if the assuming insurer holds surplus or equivalent in excess of $250,000,000. In determining whether credit should be allowed, the commissioner shall consider the following: (1) that the reinsurer has a secure financial strength rating from at least two nationally recognized statistical rating organizations deemed acceptable by the commissioner; (2) the domiciliary regulatory jurisdiction of the assuming insurer; (3) the structure and authority of the domiciliary regulator with regard to solvency regulation requirements and the financial surveillance of the reinsurer; (4) the substance of financial and operating standards for reinsurers in the domiciliary jurisdiction; (5) the form and substance of financial reports required to be filed by the reinsurer in the domiciliary jurisdiction or other public financial statements filed in accordance with generally accepted accounting principles; (6) the domiciliary regulator’s willingness to cooperate with United States regulators in general and the commissioner, in particular; (7) the history of performance by reinsurers in the domiciliary jurisdiction; (8) the reinsurer’s or an affiliate’s use of in-State professional service providers related or unrelated to the reinsurance, including, but not limited to, attorneys, accountants, managers, actuaries, brokers or intermediaries; (9) any documented evidence of
substantial problems with the enforcement of valid United States judgments in the domiciliary jurisdiction; and (10) any other matters deemed relevant by the commissioner. The commissioner shall give appropriate consideration to insurer group ratings that may have been issued. The commissioner may, in lieu of granting full credit under this subsection, reduce the amount required to be held in trust under subsection d. of this section.

The provisions of this subsection shall apply only to reinsurance contracts entered into or renewed on or after the effective date of P.L.2011, c.39, except that the provisions applicable to life reinsurance contracts shall not become effective until the earlier of 24 months from the effective date of P.L.2011, c.39, or the implementation of principles-based standards of life insurance reserving by the National Association of Insurance Commissioners.

g. If the assuming insurer is not licensed or accredited to transact insurance or reinsurance in this State, the credit permitted by subsections c. and d. of this section shall not be allowed unless the assuming insurer agrees in the reinsurance agreements: (1) that in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give such court jurisdiction, and shall abide by the final decision of such court or any appellate court in the event of an appeal; and (2) to designate the commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding company. This provision is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created in the agreement.

5. Section 11 of P.L.1960, c.32 (C.17:22-6.45) is amended to read as follows:

C.17:22-6.45 Eligibility as surplus lines insurer.

11. No surplus lines agent shall place any coverage with any unauthorized insurer which is not then an eligible surplus lines insurer as provided for under this section. No unauthorized insurer shall be or become an eligible surplus lines insurer unless made eligible by the commissioner in accordance with the following conditions:

(a) Eligibility of the insurer must be requested in writing by a licensed surplus lines agent;
(b) The insurer must be currently an authorized insurer in the state or country of its domicile as to the kind or kinds of insurance proposed to be so placed, and must have been such an insurer for not less than one full year preceding; or must be the subsidiary of an admitted insurer or of an already eligible surplus lines insurer that has been so admitted or eligible for a period of not less than one full year preceding or must be a domestic surplus lines insurer as provided by section 2 of P.L.2011, c.39 (C.17:22-6.69b);

(c) Before granting eligibility the requesting surplus lines agent or the insurer shall furnish the commissioner with duly authenticated copies of its current annual financial statement, one in the language and monetary values of the country of the insurer, and the other in the English language and with all monetary values therein expressed in United States dollars, at the current exchange rate shown in the statement, and with such additional information relative to the insurer as the commissioner may require;

(d) The insurer shall establish satisfactory evidence of financial integrity, and:

(1) Have capital and surplus, or its equivalent under the laws of its domiciliary jurisdiction, which is not less than twice the amount of minimum capital and surplus required for like admitted insurers or $15,000,000, whichever is greater; except that unauthorized insurers already eligible under this act shall have at least $10,000,000 by December 31, 1996; at least $12,500,000 by December 31, 1997; and $15,000,000 by December 31, 1998. In addition, an alien insurer shall maintain in the United States, as the sole security requirement to qualify for eligibility in this State, an irrevocable trust fund in a state or federally chartered bank in an amount not less than $2,500,000 for the protection of all of its policyholders in the United States; provided, however, that an alien insurer eligible for surplus lines may be required to deposit securities in New Jersey in an amount deemed appropriate by the commissioner as a condition of maintaining its eligibility status. The trust fund shall consist of cash, securities, letters of credit, or of investments of substantially the same character and quality as those which are eligible investments for the capital and statutory reserves of admitted insurers authorized to write like kinds of insurance in this State. The trust fund shall not be included in any calculation of capital and surplus or its equivalent and shall have an expiration date which at no time shall be less than five years. In lieu of the above capital and surplus requirements, and trust fund amount, any Lloyd's or other similar group of alien insurers, which group includes unincorporated individual insurers shall maintain a trust fund of not less than $50,000,000.00 as security to the full amount thereof for all policyholders and creditors in the United States of each member of the group, and the trust shall likewise comply with the terms and conditions here-
in above set forth. The credit for reinsurance requirements of sections 2 and 3 of P.L.1993, c.243 (C.17:51B-2 and 17:51B-3) shall not apply to an eligible alien surplus lines insurer that appears on the quarterly listing prepared by the International Insurers Department (IID) of the National Association of Insurance Commissioners and that provides the commissioner annually with a copy of such insurer’s current Schedule R filing and such other information concerning ceded reinsurance that the International Insurers Department or the commissioner may from time to time require. Any insurance exchange created by the laws of an individual state may be approved by the commissioner as an eligible insurer under the provisions of this section, and shall maintain capital and surplus, or the substantial equivalent thereof, of not less than $35,000,000.00 in the aggregate. For insurance exchanges which maintain funds in an amount acceptable to the commissioner for the protection of all insurance exchange policyholders, each individual syndicate, except those syndicates which have elected and qualify for S corporation status pursuant to subsection (a) of section 1362 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.1362, shall maintain minimum capital and surplus, or the substantial equivalent thereof, of not less than $2,000,000.00. Any syndicate which has elected and qualified for S corporation status pursuant to subsection (a) of section 1362 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.1362, need not maintain the minimum capital and surplus required under the provisions of this section and the failure of any such syndicate to meet these minimum requirements shall not render the exchange ineligible for approval under this section; except that so long as such syndicate fails to maintain the minimum capital and surplus required under the provisions of this section, such syndicate shall not transact the business of insurance in this State and shall not be approved by the commissioner as an eligible insurer under the provisions of this section. In the event the insurance exchange does not maintain funds in an amount acceptable to the commissioner for the protection of all insurance exchange policyholders, each individual syndicate shall have capital and surplus, or its equivalent under the laws of its domiciliary jurisdiction, which is not less than twice the amount of minimum capital and surplus required for like admitted insurers. No insurance exchange approved as an eligible insurer by the commissioner shall be a member of the New Jersey Surplus Lines Insurance Guaranty Fund created pursuant to P.L.1984, c.101 (C.17:22-6.70 et seq.) nor shall any claim against an exchange be deemed to be a covered claim pursuant to the provision of that act; and

(2) Have caused to be provided to the commissioner a copy of its current annual statement certified by the insurer, which, relative to the period reported upon, is no more than 18 months old, and which is either: (A) filed
with and approved by the regulatory authority in the domicile of the unauthorized insurer; or (B) certified by an accounting or auditing firm licensed in the jurisdiction of the insurer's domicile. In the case of an insurance exchange, the statement may be an aggregate combined statement of all underwriting syndicates operating during the period reported upon;

(e) The condition or methods of operation of the insurer must not be such as would render its operation hazardous to the public or its policyholders in this State;

(f) The insurer must be of good reputation as to the providing of service to its policyholders and the payment of losses and claims;

(g) No insurer shall be eligible the management of which is found by the commissioner to be incompetent or untrustworthy, or so lacking in insurance company managerial experience as to make the proposed operation hazardous to the insurance-buying public; or which the commissioner has good reason to believe is affiliated directly or indirectly through ownership, control, reinsurance transactions or other insurance or business relations, with any person or persons whose business operations are or have been detrimental to policyholders, stockholders, investors, creditors or to the public;

(h) No insurer shall be eligible the voting control or ownership of which is held in whole or substantial part by any government or governmental agency, or which is operated for or by any such government or agency. Membership in a mutual insurer, or subscribership in a reciprocal insurer, or ownership of stock of an insurer by the alien property custodian or similar official of the United States, or supervision of an insurer by public insurance supervisory authority shall not be deemed to be an ownership, control, or operation of the insurer for the purposes of this subsection;

(i) The insurer shall constitute, by a duly executed instrument filed with the department, the commissioner and his successor in office its true and lawful attorney, upon whom all original process in any action or legal proceeding against it may be served, and therein agree that any original process against it which may be served upon the commissioner shall be of the same force and validity as if served on the insurer, and that the authority thereof shall continue in force irrevocable so long as any liability of the insurer remains outstanding in this State.

The commissioner shall annually publish a list of all currently eligible surplus lines insurers, and shall mail a copy thereof to each licensed surplus lines agent at his office last of record with the commissioner.

This section shall not be deemed to cast upon the commissioner any duty or responsibility to determine the actual financial condition or claims practices of any unauthorized insurer; and the status of eligibility, if granted
by the commissioner, shall indicate only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the commissioner has no credible evidence to the contrary.

Where it appears that any particular insurance risk which is eligible for export, but insurance coverage thereon, in whole or in part, is not procurable from the eligible surplus lines insurers, then the surplus lines agent may file a supplemental affidavit stating such facts and advising the commissioner that such part of the risk as shall be unprocurable, as aforesaid, is being placed with named unauthorized insurers, in the amounts and percentages set forth in the affidavit. Such named unauthorized insurer shall, however, before accepting any risk in this State, deposit with the commissioner United States government bonds in an amount acceptable to the commissioner, which shall be held by said commissioner for the benefit of New Jersey policyholders only and the surplus lines agent shall procure from such unauthorized insurer and file with the commissioner a certified copy of its current annual statement of financial condition. If such deposit is made and the statement reveals, including both capital and surplus, net assets of at least $5,000,000 consisting of at least $1,500,000 liquid assets, then the surplus lines agent may proceed to consummate the contract of insurance. Whenever any insurance risk or any part thereof is placed with an unauthorized insurer, as provided herein, the policy, binder or cover note shall bear conspicuously on its face in boldface type the following notation:

"All or some of the insurers participating in this risk have not been admitted to transact business in the State of New Jersey, nor have they been approved as a surplus lines insurer by the insurance commissioner of this State. The placing of such insurance by a duly licensed surplus lines agent in this State shall not be construed as approval of such insurer by the insurance commissioner of the State of New Jersey. Such insurance is not covered by the New Jersey Property-Liability Insurance Guaranty Association or the New Jersey Surplus Lines Insurance Guaranty Fund." All other provisions of this Title, except the provisions of P.L.1984, c.101 (C.17:22-6.70 et seq.), shall apply to such placement the same as if such risks were placed with an eligible surplus lines insurer.

6. This act shall take effect on the 90th day after enactment but the commissioner may take such anticipatory administrative action in advance as shall be necessary for the implementation of this act.

Approved March 22, 2011.

CHAPTER 44

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1999, c.334 (C.2C:35-5.7) is amended to read as follows:
C.2C:35-5.7 Issuance of order by court.

4. a. When a person is charged with a criminal offense on a warrant and the person is released from custody before trial on bail or personal recognizance, the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall as a condition of release issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section. With regard to an applicant who is not physically present at the same location as the court, the applicant may make such application to the court through telephone, radio or other means of electronic communication. The court may consider and grant such application in accordance with the Rules of Court.

b. When a person is charged with a criminal offense on a summons, the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall, at the time of the defendant's first appearance, issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section.

c. When a person is charged with a criminal offense on a juvenile delinquency complaint and is released from custody at a detention hearing pursuant to section 19 of P.L.1982, c.77 (C.2A:4A-38), the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section.

d. When a person is charged with a criminal offense on a juvenile delinquency complaint and is released without being detained pursuant to section 15 or 16 of P.L.1982, c.77 (C.2A:4A-34 or C.2A:4A-35), the law enforcement officer or prosecuting attorney shall prepare an application pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) for filing on the next court day.

The law enforcement officer releasing the juvenile shall serve the juvenile and his parent or guardian with written notice that an order shall be issued by the Family Part of the Superior Court on the next court day pro-
hibiting the juvenile from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section.

The court shall issue such order on the first court day following the release of the juvenile. If the restraints contained in the court order differ from the restraints contained in the notice, the order shall not be effective until the third court day following the issuance of the order. The juvenile may apply to the court to stay or modify the order on the grounds set forth in subsection e. of this section.

e. The court may forego issuing a restraining order for which application has been made pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) only if the defendant establishes by clear and convincing evidence that:

(1) the defendant lawfully resides at or has legitimate business on or near the place, or otherwise legitimately needs to enter the place. In such an event, the court shall not issue an order pursuant to this section unless the court is clearly convinced that the need to bar the person from the place in order to protect the public safety and the rights, safety and health of the residents and persons working in the place outweighs the person's interest in returning to the place. If the balance of the interests of the person and the public so warrants, the court may issue an order imposing conditions upon the person's entry at, upon or near the place; or

(2) the issuance of an order would cause undue hardship to innocent persons and would constitute a serious injustice which overrides the need to protect the rights, safety and health of persons residing in or having business in the place.

f. A restraining order issued pursuant to subsection a., b., c., d. or h. of this section shall describe the place from which the person has been barred and any conditions upon the person's entry into the place, with sufficient specificity to enable the person to guide his conduct accordingly and to enable a law enforcement officer to enforce the order. The order shall also prohibit the person from entering an area of up to 500 feet surrounding the place, unless the court rules that a different buffer zone would better effectuate the purposes of this act. In the discretion of the court, the order may contain modifications to permit the person to enter the area during specified times for specified purposes, such as attending school during regular school hours. When appropriate, the court may append to the order a map depicting the place. The person shall be given a copy of the restraining order and any appended map and shall acknowledge in writing the receipt thereof.
g. (1) The court shall provide notice of the restraining order to the local law enforcement agency where the arrest occurred and to the county prosecutor.

(2) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, the local law enforcement agency may post a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, upon one or more of the principal entrances of the place or in any other conspicuous location. Such posting shall be for the purpose of informing the public, and the failure to post a copy of the order shall in no way excuse any violation of the order.

(3) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, any law enforcement agency may publish a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, in a newspaper circulating in the area of the restraining order. Such publication shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.

(4) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, any law enforcement agency may distribute copies of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, to residents or businesses located within the area delineated in the order or, in the case of a school or any government-owned property, to the appropriate administrator, or to any tenant association representing the residents of the affected area. Such distribution shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.

h. When a person is convicted of or adjudicated delinquent for any criminal offense, the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall, by separate order or within the judgment of conviction, issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section. Upon the person's conviction or adjudication of delinquency for a criminal offense, a law enforcement agency, in addition to posting, publishing, and distributing the order or an equivalent notice pursuant to paragraphs (2), (3)
and (4) of subsection g. of this section, may also post, publish and distribute a photograph of the person.

i. When a juvenile has been adjudicated delinquent for an act which, if committed by an adult, would be a criminal offense, in addition to an order required by subsection h. of this section or any other disposition authorized by law, the court may order the juvenile and any parent, guardian or any family member over whom the court has jurisdiction to take such actions or obey such restraints as may be necessary to facilitate the rehabilitation of the juvenile or to protect public safety or to safeguard or enforce the rights of residents of the place. The court may commit the juvenile to the care and responsibility of the Department of Children and Families until such time as the juvenile reaches the age of 18 or until the order of removal and restraint expires, whichever first occurs, or to such alternative residential placement as is practicable.

j. An order issued pursuant to subsection a., b., c. or d. of this section shall remain in effect until the case has been adjudicated or dismissed, or for not less than two years, whichever is less. An order issued pursuant to subsection h. of this section shall remain in effect for such period of time as shall be fixed by the court but not longer than the maximum term of imprisonment or incarceration allowed by law for the underlying offense or offenses. When the court issues a restraining order pursuant to subsection h. of this section and the person is also sentenced to any form of probationary supervision or participation in the Intensive Supervision Program, the court shall make continuing compliance with the order an express condition of probation or the Intensive Supervision Program. When the person has been sentenced to a term of incarceration, continuing compliance with the terms and conditions of the order shall be made an express condition of the person’s release from confinement or incarceration on parole. At the time of sentencing or, in the case of a juvenile, at the time of disposition of the juvenile case, the court shall advise the defendant that the restraining order shall include a fixed time period in accordance with this subsection and shall include that provision in the judgment of conviction, dispositional order, separate order or order vacating an existing restraining order, to the law enforcement agency that made the arrest and to the county prosecutor.

k. All applications to stay or modify an order issued pursuant to this act, including an order originally issued in municipal court, shall be made in the Superior Court. The court shall immediately notify the county prosecutor in writing whenever an application is made to stay or modify an order issued pursuant to this act. If the court does not issue a restraining order, the sentence imposed by the court for a criminal offense as defined in sub-
section b. of this section shall not become final for ten days in order to permit the appeal of the court's findings by the prosecution.

1. Nothing in this section shall be construed in any way to limit the authority of the court to take such other actions or to issue such orders as may be necessary to protect the public safety or to safeguard or enforce the rights of others with respect to the place.

m. Notwithstanding any other provision of this section, the court may permit the person to return to the place to obtain personal belongings and effects and, by court order, may restrict the time and duration and provide for police supervision of such a visit.

2. Section 3 of P.L.2001, c.365 (C.2C:35-5.9) is amended to read as follows:

C.2C:35-5.9 Certification of offense location.

3. Certification of Offense Location.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:4-134.2 “Next-of-Kin Registry.”
1. a. The Chief Administrator of the New Jersey Motor Vehicle Commission shall develop an Internet emergency contact information registry program. Under the program, the chief administrator shall establish and maintain an automated Statewide Internet registry to be known as the “Next-of-Kin Registry,” which shall be capable of storing emergency contact information to be accessible by law enforcement officials for the purposes established in section 2 of P.L.2011, c.47 (C.39:4-134.3). Under the program, the holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card may voluntarily submit, via the Internet, the name and telephone number of two emergency contacts to the “Next-of-Kin Registry,” accessible through the Motor Vehicle Commission’s website.

b. In implementing this program, the chief administrator shall establish a process whereby the holder of any validated permit, probationary or basic driver’s license, or non-driver identification card may electronically sign onto the Motor Vehicle Commission web site using the holder’s validated permit, probationary or basic driver’s license number or non-driver identification card number. The permit holder, licensee, or card holder may then submit the name and telephone number of up to two emergency contacts to be stored in the “Next-of-Kin Registry”. A permit holder, licensee, or non-driver identification card holder who submits the name and tele-
phone number of an emergency contact shall have the opportunity to revise or update the emergency contact information at any time.

c. Information in the "Next-of-Kin Registry" shall be available for the exclusive use of law enforcement officials, and employees of the commission who are designated by the chief administrator, for the purposes of discharging their duties pursuant to P.L.2011, c.47 (C.39:4-134.2 et al.). Any emergency contact information submitted to the commission shall not be considered a public record pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.), P.L.2001, c.404 (C.47:1A-5 et al.), or the common law concerning access to public records and shall not be discoverable as a public record by any person, entity, or governmental agency, except upon a subpoena issued by a grand jury or a court order in a criminal matter.

d. The chief administrator and employees of the commission who are designated by the chief administrator, for the purposes of discharging their duties pursuant to P.L.2011, c.47 (C.39:4-134.2 et al.), shall not be liable to any person for civil damages, or subject to criminal prosecution resulting from or caused by: (1) any disruption or failure in Internet service caused by any accident, malfunction, act of sabotage or God, or any other condition or circumstance that the commission has not, directly or indirectly, caused and which results in, or prevents, the holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card from accessing, or inputting information into, the “Next-of-Kin Registry” or which results in, or prevents, the chief administrator and designated commission employees and law enforcement officers from accessing, establishing, or maintaining the “Next-of-Kin Registry”; (2) any misuse of, or the failure or omission to input accurate information, or the inputting of inaccurate or outdated information into the “Next-of-Kin Registry” by any holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card; or (3) the inability of any law enforcement officer to make contact, in good faith, with any designated emergency contact person. This limitation of liability is inapplicable if such failure resulted from a malicious purpose or a wanton and willful disregard for the safety of persons or property.

e. For the purposes of P.L.2011, c.47 (C.39:4-134.2 et al.), “emergency contact person” or “emergency contact” means a person, eighteen years of age or older, whom the holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card has designated to be contacted by law enforcement personnel when the permit holder, licensee, or non-driver identification card holder is rendered unable to communicate due to a motor vehicle accident resulting in the se-
rious bodily injury, death, or incapacitation of the permit holder, licensee, or non-driver identification card holder. An “emergency contact person” or “emergency contact” may or may not be the next-of-kin of the permit holder, licensee, or non-driver identification card holder; except that if the permit holder, licensee, or card holder is under the age of eighteen and is not emancipated, the emergency contact person shall be the parent or guardian of that permit holder, licensee, or card holder.

C.39:4-134.3 Use of “Next-of-Kin Registry.”

2. a. When a motor vehicle accident results in the serious bodily injury, death, or incapacitation of a driver or any passenger, the law enforcement officer investigating the motor vehicle accident shall attempt to locate an emergency contact person by accessing the “Next-of-Kin Registry,” established pursuant to section 1 of P.L.2011, c.47 (C.39:4-134.2). The law enforcement officer shall, when practicable, expeditiously notify the emergency contact of each person involved in the motor vehicle accident and inform the emergency contact of the hospital or other location at which the driver or passenger may be receiving medical treatment.

b. No law enforcement officer or law enforcement employee shall be liable to any person for civil damages, or subject to criminal prosecution resulting from or caused by: (1) any disruption or failure in Internet service caused by any accident, malfunction, act of sabotage or God, or any other condition or circumstance that the commission has not, directly or indirectly, caused and which results in, or prevents, the holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card from accessing, or inputting information into, the “Next-of-Kin Registry” or which results in, or prevents, the chief administrator and designated commission employees and law enforcement officers from accessing, establishing, or maintaining the “Next-of-Kin Registry”; (2) any misuse of, or the failure or omission to input accurate information, or the inputting of inaccurate or out-dated information into the “Next-of-Kin Registry” by any holder of any New Jersey State validated permit, probationary or basic driver’s license, or non-driver identification card; or (3) the inability of any law enforcement officer to make contact, in good faith, with any designated emergency contact person. This limitation of liability is inapplicable if such failure resulted from a malicious purpose or a wanton and willful disregard for the safety of persons or property.

3. Section 2 of P.L.1980, c.47 (C.39:3-29.3) is amended to read as follows:
2. The New Jersey Motor Vehicle Commission shall issue an identification card to any resident of the State who is 14 years of age or older and who is not the holder of a valid permit or basic driver's license. The identification card shall attest to the true name, correct age, and other identifying data as certified by the applicant for such identification card. Every application for an identification card shall be signed and verified by the applicant and shall be accompanied by the written consent of at least one parent or the person's legal guardian if the person is under 17 years of age and shall be supported by such documentary evidence of the age and identity, or blindness, disability, or handicap, of such person as the chief administrator may require. In addition to requiring an applicant for an identification card to submit satisfactory proof of identity and age, the chief administrator also shall require the applicant to provide, as a condition for obtaining the card, satisfactory proof that the applicant's presence in the United States is authorized under federal law. If the chief administrator has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the chief administrator shall refuse to grant the identification card until such time as the document may be verified by the issuing agency to the chief administrator's satisfaction.

4. The chief administrator may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any rules or regulations necessary for the implementation of this act.

5. This act shall take effect on the first day of the nineteenth month after enactment, but the chief administrator may take such anticipatory administrative action in advance as shall be necessary for the timely implementation of this act.

For the purposes of clause (B) of this section, the tax shall be at the applicable rate, as set forth hereinabove, of the price at which items of the same kind of tangible personal property or specified digital products are offered for sale by the user, or if items of the same kind of tangible personal property are not offered for sale by the user in the regular course of business and are used as such or incorporated into a structure, building or real property the tax shall be at the applicable rate, as set forth hereinabove, of the consideration given or contracted to be given for the tangible personal property manufactured, processed or assembled by the user into the tangible personal property the use of which is subject to use

5. Section 7 of P.L.1966, c.30 (C.54:32B-7) is amended to read as follows:

C.54:32B-7 Special rules for computing price and consideration.

7. (a) The retail sales tax imposed under subsection (a) of section 3 and the compensating use tax imposed under section 6, when computed in respect to tangible personal property and specified digital products wherever manufactured, processed or assembled and used by such manufacturer, processor or assembler in the regular course of business within this State, shall be based on the price at which items of the same kind of tangible personal property or specified digital products are offered for sale by him.

(b) Tangible personal property or a specified digital product, which has been purchased by a resident of the State of New Jersey outside of this State for use outside of this State and subsequently becomes subject to the
compensating use tax imposed under this act, shall be taxed on the basis of the purchase price of such property or product, provided, however:

(1) That where a taxpayer affirmatively shows that the property or the product was used outside such State by him for more than six months prior to its use within this State, such property or product shall be taxed on the basis of current market value of the property or the product at the time of its first use within this State. The value of such property or product, for compensating use tax purposes, may not exceed its cost.

(2) That the compensating use tax on such tangible personal property or specified digital product brought into this State (other than for complete consumption or for incorporation into real property located in this State) and used in the performance of a contract or subcontract within this State by a purchaser or user for a period of less than six months may be based, at the option of the taxpayer, on the fair rental value of such property or product for the period of use within this State.

(c) Leased tangible personal property or specified digital product which has been purchased outside this State for lease outside of this State and subsequently becomes subject to the compensating use tax imposed under this act shall be taxed on the basis of the purchase price of such property or product, provided however, that the compensating use tax on such property or product brought into and used within this State may be based on the total of the lease payments attributable to the lease of that property or product attributable to the period of the lease remaining after first use in this State.

(d) Sales tax imposed on the lease or rental of tangible personal property or a specified digital product in New Jersey shall be based on either the total of the periodic payments required under the agreement or the original purchase price of the property or product. The full amount of sales tax due on the complete term of a lease or rental for more than six months shall be remitted with the monthly or quarterly sales and use tax return due for the period in which the leased personal property or product was delivered to the lessee in this State. However, if the tax is paid on a lease or rental based on the original purchase price of the tangible personal property or specified digital product, a subsequent lease or rental of the same property or product shall not be subject to the tax imposed under P.L.1966, c.30 (C.54:32B-1 et seq.).

If leased property or a product is subsequently removed on a permanent basis from this State, the lessee shall be entitled to a refund of the tax allocable to the portion of the lease or rental that remains in effect after the property or the product has been removed from this State, but only if the other state does not allow a credit for the sales or use tax paid to this State on the lease or rental transaction, and further, in the case of property or a
product removed to a state that imposes or computes tax on leases or rentals based on a lump sum or accelerated basis, only if the other state also allows a corresponding refund with respect to the lease of property or product upon which a sales or use tax is due and paid to this State.

(c) The purchase of energy shall be subject to the compensating use tax imposed under section 6 on the basis of the purchase price of the energy, including any charges for utility service.

6. Section 26 of P.L.1980, c.105 (C.54:32B-8.14) is amended to read as follows:

26. Receipts from sales of tangible personal property, except energy, and specified digital products purchased for use or consumption directly and exclusively in research and development in the experimental or laboratory sense are exempt from the tax imposed under the Sales and Use Tax Act. Such research and development shall not be deemed to include the ordinary testing or inspection of materials or products for quality control, efficiency surveys, management studies, consumer surveys, advertising, promotions or research in connection with literary, historical or similar projects.

1. a. Receipts of retail sales, except retail sales of motor vehicles, of alcoholic beverages, of specified digital products, and cigarettes as defined in the "Cigarette Tax Act," P.L.1948, c.65 (C.54:40A-1 et seq.), made by a seller from a place of business regularly operated by the seller for the purpose of making retail sales at which items are regularly exhibited and offered for retail sale and which is not utilized primarily for the purpose of catalogue or mail order sales, in which county is situated an entrance to an interstate bridge or tunnel connecting New Jersey with a state that does not impose a retail sales and use tax or imposes a retail sales and use tax at a rate at least five percentage points lower than the rate in this State, are exempt to the extent of 50% of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.).

8. Receipts from sales of video programming services, including video on demand television services, and broadcasting services, including content to provide such services, are exempt from the tax imposed under the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.).

9. a. Receipts from sales of a specified digital product that is accessed but not delivered electronically to the purchaser are exempt from the tax imposed under the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.).

(e) Where any organization described in subsection (b) of this subsection carries on its activities in furtherance of the purposes for which it was

11. Section 12 of P.L.1966, c.30 (C.54:32B-12) is amended to read as follows:

C.54:32B-12 Collection of tax from customer.

12. (a) Every person required to collect the tax shall collect the tax from the customer when collecting the price, service charge, amusement charge or rent to which it applies. If the customer is given any sales slip, invoice, receipt or other statement or memorandum of the price, service charge, amusement charge or rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the State.

(b) For the purpose of the proper administration of this act and to prevent evasion of the tax hereby imposed, and subject to the rules regarding the administration of exemptions authorized by the Streamlined Sales and Use Tax Agreement, it shall be presumed that all receipts for property or services of any type mentioned in subsections (a), (b), (c), and (f) of section 3, all rents for occupancy of the type mentioned in subsection (d) of said section, all amusement charges of any type mentioned in subsection (e) of said section, all charges in the nature of initiation fees, membership fees or dues mentioned in subsection (h) of said section, and all receipts from parking, storing or garaging a motor vehicle mentioned in subsection (i) of said section are subject to tax until the contrary is established, and the burden of proving that any such receipt, charge or rent is not taxable hereunder shall be upon the person required to collect tax or the customer. Unless a seller shall have taken from the purchaser a certificate, signed by the purchaser if in paper form, and bearing the purchaser's name and address and the number of the purchaser's registration certificate, to the effect that the property or service was purchased for resale or was otherwise exempt pursuant to the provisions of the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), or the purchaser, prior to taking delivery, furnishes to the seller any affidavit, statement or additional evidence, documentary or otherwise,
which the director may require demonstrating that the purchaser is an exempt organization described in section 9(b)(1), the sale shall be deemed a taxable retail sale. Provided however, the director may, in the director's discretion, authorize a purchaser, who acquires tangible personal property, specified digital products or services under circumstances which make it impossible at the time of acquisition to determine the manner in which the tangible personal property, specified digital products or services will be used, to pay the tax directly to the director and waive the collection of the tax by the seller or provide for direct pay authority under rules adopted under the Streamlined Sales and Use Tax Agreement. Provided further, the director shall authorize any eligible person, as defined in section 34 of P.L.1997, c.162 (C.54:32B-14.1), who purchases natural gas from a non-utility on and after January 1, 1998 through December 31, 2002, to pay the tax on the commodity directly to the director and waive the collection of the tax by the seller. No such authority shall be granted or exercised except upon application to the director, and the issuance by the director of a direct payment permit. If a direct payment permit is granted, its use shall be subject to conditions specified by the director, and the payment of tax on all acquisitions pursuant to the permit shall be made directly to the director by the permit holder.

(c) The director may provide by regulation that the tax upon receipts from sales on the installment plan may be paid on the amount of each installment and upon the date when such installment is due. He may also provide by regulation for the exclusion from taxable receipts, amusement charges or rents of amounts subject, as applicable, to the provisions of section 30 of P.L.2005, c.126 (C.54:32B-12.1), representing sales where the contract of sale has been canceled, the property returned or the receipt, charge or rent has been ascertained to be uncollectible or, in the case the tax has been paid upon such receipt, charge or rent, for refund or credit of the tax so paid.

12. Section 14 of P.L.1966, c.30 (C.54:32B-14) is amended to read as follows:

C.54:32B-14 Liability for tax.

14. (a) Every person required to collect any tax imposed by this act shall be personally liable for the tax imposed, collected or required to be collected under this act. Any such person shall have the same right in respect to collecting the tax from that person's customer or in respect to non-payment of the tax by the customer as if the tax were a part of the purchase
price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the director shall be joined as a party in any action or proceeding brought to collect the tax.

(b) Where any customer has failed to pay a tax imposed by this act to the person required to collect the same, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the customer directly to the director and it shall be the duty of the customer to file a return with the director and to pay the tax to the director within 20 days of the date the tax was required to be paid.

(c) The director may, whenever the director deems it necessary for the proper enforcement of this act, provide by regulation that customers shall file returns and pay directly to the director any tax herein imposed, at such times as returns are required to be filed and payment over made by persons required to collect the tax.

(d) No person required to collect any tax imposed by this act shall advertise or hold out to any person or to the public in general, in any manner, directly or indirectly, that the tax is not considered as an element in the price, amusement charge or rent payable by the customer, or except as provided by subsection (f) of this section that the person required to collect the tax will pay the tax, that the tax will not be separately charged and stated to the customer or that the tax will be refunded to the customer. Upon written application duly made and proof duly presented to the satisfaction of the director showing that in the particular business of the person required to collect the tax it would be impractical for the seller to separately charge the tax to the customer, the director may waive the application of the requirement herein as to such seller.

(e) All sellers of energy or utility service shall include the tax imposed by the "Sales and Use Tax Act" within the purchase price of the tangible personal property or service.

(f) A seller other than a seller subject to subsection (e) of this section making retail sales of tangible personal property or sales of services may advertise that the seller will pay the tax for the customer subject to the conditions of this subsection.

1. The advertising shall indicate that the seller is, in fact, paying the tax for the customer and shall not indicate or imply that the sale or charge is exempt from taxation.

2. Notwithstanding the provisions of section 12 of P.L. 1966, c.39 (C.54:32B-12) to the contrary, any sales slip, invoice, receipt or other statement or memorandum of the price or service charge paid or payable given to the customer shall state that the tax will be paid by the seller; pro-
vided however that such record shall be otherwise subject to the provisions of section 12 of P.L.1966, c.30 (C.54:32B-12).

(3) The seller shall pay the amount of tax due on the retail sale or service receipt, as determined pursuant to section 4 of P.L.1966, c.30 (C.54:32B-4), as trustee for and on account of the State, and shall have the same liability for that amount of tax pursuant to the "Sales and Use Tax Act," P.L. 1966, c.30 (C.54:32B-1 et seq.), as for an amount collected from a customer.

(g) No person required to collect any tax imposed by this act shall be held liable for having charged and collected the incorrect amount of sales and use tax by reason of reliance on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix.

(h) In connection with a purchaser's request from a seller of overcollected sales or use taxes, a seller shall be presumed to have a reasonable business practice, if in the collection of such sales or use taxes, the seller: (1) uses either a provider or a system, including a proprietary system, that is certified by the State; and (2) has remitted to the State all taxes collected less any deductions, credits, or collection allowances.

(i) No purchaser shall be held liable for any tax, interest or penalty for failure to pay the correct amount of tax by reason of:

(1) the reliance of the purchaser's seller or certified service provider on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix;

(2) the reliance of the purchaser holding a direct pay permit on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix;

(3) the reliance of the purchaser on erroneous data provided by the director with respect to the taxability matrix; or

(4) the reliance of a purchaser using databases of taxing jurisdiction assignments on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments, provided however that, to the extent that the director provides or certifies an address-based database for assigning tax rates and jurisdictions and upon appropriate notice, no relief from liability shall be allowed for errors resulting from reliance on a zip code database for assigning tax rates and jurisdictions.

Provided however, that as to the relief from liability for tax, the relief from liability for tax by reason of reliance on the taxability matrix shall be limited to the director's erroneous classification in the taxability matrix of terms "taxable" or "exempt," "included in sales price" or "excluded from
sales price" or "included in the definition" or "excluded from the definition."

(j) If the director provides less than 30 days between the date a rate change is enacted and the date that change takes effect, the director shall relieve the seller of liability for failing to collect tax at the new rate if: (1) the seller collected tax at the immediately preceding effective rate; and (2) the seller's failure to collect tax at the newly effective rate does not extend more than 30 days after the date of enactment of the new rate.

(k) Notwithstanding the provisions of subsection (j) of this section, if the director establishes that a seller fraudulently failed to collect tax due at the new rate or solicits purchasers based on the immediately preceding effective tax rate, this relief from liability shall not apply.

13. Section 15 of P.L. 1966, c.30 (C.54:32B-15) is amended to read as follows:

C.54:32B-15 Certificate of registration; streamlined methods.

15. (a) On or before June 20, 1966, or in the case of persons commencing business or opening new places of business after such date, within three days after such commencement or opening, every person required to collect any tax imposed by this act and every person purchasing tangible personal property or a specified digital product for resale shall file with the director a certificate of registration in a form prescribed by the director. In the case of a person commencing business or opening a new place of business on or after the first day of the third month following the enactment of P.L. 1993, c.274 (C.40:52-1.3 et al.), the certificate shall be filed at least 15 business days before the commencement or opening. The director shall within five days after such registration issue, without charge, to each registrant a certificate of authority empowering the registrant to collect the tax and a duplicate thereof for each additional place of business of such registrant. Each certificate or duplicate shall state the place of business to which it is applicable. Such certificate of authority shall be prominently displayed in the place of business of the registrant. A registrant who has no regular place of doing business shall attach such certificate to his cart, stand, truck or other merchandising device. Such certificates shall be nonassignable and nontransferable and shall be surrendered to the director immediately upon the registrant's ceasing to do business at the place named.

(b) Any person who is not otherwise required to collect any tax imposed by this act and who makes sales to persons within the State of tangible personal property, specified digital products or services, the use of
which is subject to tax under this act, may if he so elects file a certificate of registration with the director who may, in his discretion and subject to such conditions as he may impose, issue to him a certificate of authority to collect the compensating use tax imposed by this act.

(c) A seller that registers to pay or collect and remit sales or use tax in accordance with the terms of the Streamlined Sales and Use Tax Agreement may select one of the following methods of remittance or other method allowed by State law to remit the taxes collected, subject to the liabilities and conditions established pursuant to section 10 of P.L.2001, c.431 (C.54:32B-53):

(1) a model 1 seller, that selects a certified service provider as an agent to perform all the seller's sales or use tax functions, other than the seller's obligation to remit tax on its own purchases;

(2) a model 2 seller, that selects a certified automated system to use which calculates the amount of tax due on a transaction; or

(3) a model 3 seller, that uses its own proprietary automated sales tax system that has been certified as a certified automated system.

(d) A certified service provider in model 1 shall be allowed a monetary allowance in accordance with the terms of the contract that the states participating in the Streamlined Sales and Use Tax Agreement sign with the provider. The director shall prescribe the allowance in accordance with the terms of the contract, which shall be funded entirely from money collected in model 1.

A monetary allowance to a certified service provider may be based on one or more of the following incentives:

(1) A base rate that applies to taxable transactions processed by the provider.

(2) For a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

(e) A model 2 seller shall be allowed a monetary allowance which the director shall prescribe in accordance with the terms arrived at by the member states of the Streamlined Sales and Use Tax Agreement. The member states initially anticipate that they will provide a monetary allowance to sellers under model 2 based on the following:

(1) Each seller shall receive a base rate for a period not to exceed 24 months following the commencement of participation by the seller.
(2) For a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

(f) A model 3 seller and all other sellers that are not under model 1 or model 2 shall be allowed a monetary allowance which the director shall prescribe in accordance with the terms arrived at by the member states of the Streamlined Sales and Use Tax Agreement. The member states initially anticipate that they will provide a monetary allowance to sellers under model 3 and to all other sellers that are not under model 1 or 2 will be based on the following: for a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

14. Section 17 of P.L.1966, c.30 (C.54:32B-17) is amended to read as follows:

C.54:32B-17 Returns; streamlined systems; amnesty.

17. (a) Every person required to collect or pay tax under this act shall on or before August 28, 1966, and on or before the twentieth day of each month thereafter, make and file a return for the preceding month with the director. The return of a seller of tangible personal property, specified digital products or services shall show his receipts from sales and also the aggregate value of tangible personal property, specified digital products and services sold by him, the use of which is subject to tax under this act, and the amount of taxes required to be collected with respect to such sales and use. The return of a recipient of amusement charges shall show all such charges and the amount of tax thereon, and the return of a person required to collect tax on leases or rentals shall show all lease or rental payments received or charged and the amount of tax thereon. The return of a recipient of initiation fees, membership fees or dues for access to or use of the property or facilities of a health and fitness, athletic, sporting or shopping club or organization shall show all such charges and the amount of tax thereon. The return of the recipient of charges from parking, storing or garaging a motor vehicle shall show all such charges and the amount of tax thereon.

(b) The director may permit or require returns to be made covering other periods and upon such dates as he may specify. In addition, the direc-
tor may require payments of tax liability at such intervals and based upon such classifications as he may designate. In prescribing such other periods to be covered by the return or intervals or classifications for payment of tax liability, the director may take into account the dollar volume of tax involved as well as the need for insuring the prompt and orderly collection of the taxes imposed.

(c) The form of returns shall be prescribed by the director and shall contain such information as he may deem necessary for the proper administration of this act. The director may require amended returns to be filed within 20 days after notice and to contain the information specified in the notice.

(d) Pursuant to the Streamlined Sales and Use Tax Agreement, the director is authorized to accept certified automated systems and certified service providers to aid in the administration of the collection of the tax imposed under the "Sales and Use Tax Act".

(e) Subject to the limitations of this subsection and other provisions of the "Sales and Use Tax Act":

(1) In addition to the powers of the director prescribed pursuant to section 24 of P.L.1966, c.30 (C.54:32B-24) and the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., and notwithstanding the provisions of any other law to the contrary, the director shall grant "amnesty" for uncollected or unpaid sales or use tax to a seller that registers to collect and remit applicable sales or use tax on sales made to purchasers in this State in accordance with the terms of the Streamlined Sales and Use Tax Agreement, provided that the seller was not so registered in this State in the twelve-month period preceding the commencement of this State's participation in the agreement.

(2) Under terms of the "amnesty" granted pursuant to paragraph (1) of this subsection, a seller that registers shall not be assessed for uncollected or unpaid sales or use tax and shall not be assessed penalties or interest for sales made during the period the seller was not registered in this State, provided that the seller registers pursuant to paragraph (1) of this subsection within twelve months of the effective date of this State's participation in the Streamlined Sales and Use Tax Agreement.

(3) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available to a seller with respect to any matter for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes.
(4) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available for sales or use taxes already paid or remitted to the State or to taxes already collected by the seller.

(5) The "amnesty" limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall be in full effect and the director shall not assess deficiencies for uncollected or unpaid sales or use tax and shall not assess penalties or interest for sales made during the period the seller was not registered in this State so long as the seller continues registration and continues collection and remittance of applicable sales or use taxes for a period of at least 36 months; provided however that the director may make such assessments by reason of the seller's fraud or intentional misrepresentation of a material fact. The statutes of limitations applicable to asserting tax liabilities, deficiencies, penalties and interest are tolled for this 36-month period.

(6) The "amnesty" granted pursuant to paragraph (1) of this subsection shall apply only to sales or use taxes due from a seller in its capacity as a seller and shall not apply to sales or use taxes due from a seller in its capacity as a buyer.

15. Section 21 of P.L.1983, c.303 (C.52:27H-80) is amended to read as follows:

C.52:27H-80 Sales tax exemption for retail sales.

Any seller, which is a qualified business having a place of business located in a designated enterprise zone or in a designated UEZ-impacted business district, may apply to the Director of the Division of Taxation in the Department of the Treasury for certification pursuant to this section.
The director shall certify a seller if the director shall find that the seller owns or leases and regularly operates a place of business located in the designated enterprise zone or in the designated UEZ-impacted business district for the purpose of making retail sales, that items are regularly exhibited and offered for retail sale at that location, and that the place of business is not utilized primarily for the purpose of catalogue or mail order sales. The certification under this section shall remain in effect during the time the business retains its status as a qualified business meeting the eligibility criteria of section 27 of P.L.1983, c.303 (C.52:27H-86). However, the director may at any time revoke a certification granted pursuant to this section if the director shall determine that the seller no longer complies with the provisions of this section.

Notwithstanding the provisions of this act to the contrary, except as may otherwise be provided by section 7 of P.L.1983, c.303 (C.52:27H-66), the authority may, in its discretion, determine if the provisions of this section shall apply to any enterprise zone designated after the effective date of P.L.1985, c.142 (C.52:27H-66 et al.); provided, however, that the authority may make such a determination only where the authority finds that the award of an exemption of 50 percent of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) will not have any adverse economic impact upon any other urban enterprise zone.

Notwithstanding any other provisions of law to the contrary, except as provided in subsection b. of section 6 of P.L.1996, c.124 (C.13:1E-116.6), after first depositing 10 percent of the gross amount of all revenues received from the taxation of retail sales made by certified sellers from business locations in designated enterprise zones to which this exemption shall apply into the account created in the name of the authority in the enterprise zone assistance fund pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88), the remaining 90 percent shall be deposited immediately upon collection by the Department of the Treasury, as follows:

a. In the first five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, all such revenues shall be deposited in the enterprise zone assistance fund created pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88);

b. In the second five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 66 2/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 33 1/3% shall be deposited in the General Fund;

c. In the third five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 33 1/3% of all those
revenues shall be deposited in the enterprise zone assistance fund, and 66 2/3% shall be deposited in the General Fund;

d. In the final five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, but not to exceed the life of the enterprise zone, all those revenues shall be deposited in the General Fund.

Commencing on the effective date of P.L.1993, c.144, all revenues in any enterprise zone to which the provisions of this section have been extended prior to the enactment of P.L.1993, c.144 shall be deposited into the enterprise zone assistance fund until there shall have been deposited all revenues into that fund for a total of five full years, as set forth in subsection a. of this section. The State Treasurer then shall proceed to deposit funds into the enterprise zone assistance fund according to the schedule set forth in subsections b. through d. of this section, beginning at the point where the enterprise zone was located on that schedule on the effective date of P.L.1993, c.144. No enterprise zone shall receive the deposit benefit granted by any one subsection of this section for more than five cumulative years.

The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of P.L.1983, c.303 (C.52:27H-88), subject to annual appropriations being made for those purposes and uses.

16. This act shall take effect immediately; provided however, that sections 1 through 15 shall remain inoperative until the first day of the first month next following the date of enactment.

Approved April 8, 2011.

CHAPTER 50

AN ACT concerning standardbred horse racing and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 30 of P.L.2001, c.199 (C.5:5-156) is amended to read as follows:
C.5:5-156 Scheduling of race dates, minimum required.

30. a. The permit holder at Monmouth Park and the thoroughbred permit holder at Meadowlands Racetrack together shall schedule (1) no fewer than 120 thoroughbred race dates in the aggregate in each of calendar years 2004 through 2007; (2) no fewer than 141 thoroughbred race dates in the aggregate in each of calendar years 2008 through 2016, except that in calendar year 2010 the permit holder at Monmouth Park and the thoroughbred permit holder at Meadowlands Racetrack may schedule no fewer than 71 race dates in the aggregate and all to take place at Monmouth Park; and (3) beginning in calendar year 2017 and in each calendar year thereafter, no fewer than 141 thoroughbred race dates in the aggregate, provided that in calendar year 2017 and in each calendar year thereafter the permit holders may schedule fewer than 141 thoroughbred race dates in the aggregate if the commission determines, upon application by the permit holders, that scheduling fewer dates in that calendar year is in the best interest of the racing industry and the State. In making its determination, the commission shall consider all factors, including, but not limited to, handle, number of starters, interstate competition, and export marketability. Notwithstanding the foregoing in (3), in no calendar year shall the permit holders schedule, in the aggregate, fewer than 120 thoroughbred race dates.

b. The standardbred permit holder at Meadowlands Racetrack shall schedule annually no fewer than 151 standardbred race dates, except that the standardbred permit holder may decrease the annual number of scheduled standardbred race dates to no fewer than 75 standardbred race dates upon written consent from the Standardbred Breeders' and Owners' Association of New Jersey.

c. The permit holders at Freehold Raceway shall schedule annually no fewer than 192 standardbred race dates, except that the permit holders may decrease the annual number of scheduled race dates to no fewer than 75 standardbred race dates upon written consent from the Standardbred Breeders' and Owners' Association of New Jersey.

d. Notwithstanding subsection a. of this section, the permit holder at Monmouth Park and the thoroughbred permit holder at Meadowlands Racetrack may schedule 120 thoroughbred race dates in the aggregate in each calendar year from 2004 through 2007 only if the thoroughbred permit holder at Meadowlands Racetrack or the permit holder at Monmouth Park guarantee in each calendar year from 2004 through 2007 at least $4,200,000 in thoroughbred stakes at Meadowlands Racetrack and Monmouth Park, and guarantee the average daily overnight purses for thoroughbred race meetings at the following levels: (1) at least $300,000 at
Meadowlands Racetrack in each calendar year from 2004 through 2007; (2) for the traditional meet at Monmouth Park, at least $320,000 in calendar year 2004, at least $325,000 in calendar year 2005, at least $330,000 in calendar year 2006 and at least $335,000 in calendar year 2007; and (3) for the 18-day supplemental meet at Monmouth Park, at least $300,000 in each calendar year from 2004 through 2006. In any calendar year from 2004 through 2007 in which the permit holder at the Meadowlands Racetrack or the permit holder at Monmouth Park, as appropriate, fails to guarantee the required minimum for thoroughbred stakes or the required minimum in average daily overnight purses pursuant to this subsection, the permit holder at Monmouth Park and the thoroughbred permit holder at Meadowlands Racetrack together shall schedule no fewer than 141 thoroughbred race dates in the aggregate in that calendar year.

2. Section 27 of P.L.2001, c.199 (C.5:5-153) is amended to read as follows:

C.5:5-153 "New Jersey Racing Industry Special Fund."

27. The commission shall establish and administer a separate fund to be known as the "New Jersey Racing Industry Special Fund" into which shall be deposited the sums dedicated to the fund by sections 19, 21 and 25 of this act. Money deposited in this special fund shall be disbursed monthly by the commission and used as follows:

a. 92% shall be distributed as follows:

   (1) in the case of money deposited into the special fund from the off-track wagering facility located on the former site of the Atlantic City Race Course, or, if no off-track wagering facility exists on that former site, the off-track wagering facility located closest to that former site, 100% to permit holders conducting thoroughbred racing;

   (2) except as provided in paragraph (1), 65% to permit holders conducting thoroughbred racing and 35% to permit holders conducting harness racing;

   Of the allocations made pursuant to this subsection to permit holders conducting thoroughbred racing, specific distributions shall be made to the overnight thoroughbred purse account of each permit holder and for programs designed to aid the thoroughbred horsemen and the New Jersey Thoroughbred Horseman's Association. Expenditures for programs designed to aid the thoroughbred horsemen and the New Jersey Thoroughbred Horseman's Association shall not exceed 2.9% of such allocations. Distribution among thoroughbred permit holders shall be based on the following
formula: total overnight thoroughbred purse distribution for each permit holder in the prior calendar year divided by the total overnight thoroughbred purse distribution of all permit holders in the prior calendar year.

Of the allocations made pursuant to this subsection to permit holders conducting standardbred racing, specific distributions shall be made to the overnight standardbred purse account of each permit holder and for programs designed to aid the standardbred horsemen and the Standardbred Breeders' and Owners' Association of New Jersey. Expenditures for programs designed to aid the standardbred horsemen and the Standardbred Breeders' and Owners' Association of New Jersey shall not exceed 5% of such allocations. Distribution among standardbred permit holders shall be based on the following formula: total overnight standardbred purse distribution for each permit holder in the prior calendar year divided by the total overnight standardbred purse distribution of all permit holders in the prior calendar year.

b. 8% shall be distributed as follows:
   (1) in the case of money deposited into the special fund from the off-track wagering facility located on the former site of the Atlantic City Race Course, or, if no off-track wagering facility exists on that former site, the off-track wagering facility located closest to that former site, 100% to thoroughbred funds; and
   (2) except as provided in paragraph (1), 65% to thoroughbred funds and 35% to harness funds.

Of the amounts distributed to thoroughbred funds pursuant to this subsection, the following distributions shall apply: 94% to Thoroughbred Breeders and Stallions; 3% to Backstretch Benevolency; and 3% to Breeding and Development.

Of the amount distributed to harness funds pursuant to this subsection, the following distributions shall apply: 75% to Sire Stakes; 8% to Breeders and Stallions; 3.5% to Backstretch Benevolency; 10% to Health and Welfare; and 3.5% to Breeding and Development.

3. Section 7 of P.L.1971, c.137 (C.5:10-7) is amended to read as follows:

C.5:10-7 Application for permit.

7. a. The authority or a lessee of the authority is hereby authorized, licensed and empowered to apply to the Racing Commission for a permit or permits to hold and conduct, at any of the projects set forth in paragraphs (1) and (5) of subsection a. of section 6 of P.L.1971, c.137 (C.5:10-6), horse
race meetings for stake, purse or reward, and to provide a place or places on
the race meeting grounds or enclosure for wagering by patrons on the re-
results of such horse races by the parimutuel system, and to receive charges
and collect all revenues, receipts and other sums from the operation thereof
and, in the case of the authority, the ownership thereof.

b. Except as otherwise provided in this section, such horse race meet-
ings and parimutuel wagering shall be conducted by the authority or a leas-
see of the authority in the manner and subject to compliance with the stan-
dards set forth in P.L.1940, c.17 (C.5:5-22 et seq.) and the rules, regulations
and conditions prescribed by the Racing Commission thereunder for the
conduct of horse race meetings and for parimutuel betting at such meetings.

c. Application for said permit or permits shall be on such forms and
shall include such accompanying data as the Racing Commission shall pre-
scribe for other applicants. The Racing Commission shall proceed to review
and act on any such application within 30 days after its filing and the Rac-
ing Commission is authorized in its sole discretion to determine whether a
permit shall be granted to the authority or a lessee of the authority. If, after
such review, the Racing Commission acts favorably on such application, a
permit shall be granted to the authority or a lessee of the authority without
any further approval and shall remain in force and effect so long as any
bonds or notes of the authority remain outstanding, the provisions of any
other law to the contrary notwithstanding. In granting a permit to the au-
thority or a lessee of the authority to conduct a horse race meeting, the Rac-
ing Commission shall not be subject to any limitation as to the number of
tracks authorized for the conduct of horse race meetings pursuant to any
provision of P.L.1940, c.17 (C.5:5-22 et seq.). Said permit shall set forth the
dates to be allotted to the authority for its initial horse race meetings.
Thereafter application for dates for horse race meetings by the authority or
a lessee of the authority and the allotment thereof by the Racing Commiss-
ion, including the renewal of the same dates theretofore allotted, shall be
governed by the applicable provisions of P.L.1940, c.17 (C.5:5-22 et seq.).
Notwithstanding the provisions of any other law to the contrary, the Racing
Commission shall allot annually to the authority or a lessee of the authority
for the Meadowlands Complex, in the case of harness racing, not less than
100 racing days, and in the case of running racing, not less than 56 racing
days, if and to the extent that application is made therefor.

d. No hearing, referendum or other election or proceeding, and no
payment, surety or cash bond or other deposit, shall be required for the au-
thority or a lessee of the authority to hold or conduct the horse race meet-
ings with parimutuel wagering herein authorized.
e. The authority or a lessee of the authority shall determine the amount of the admission fee for the races and all matters relating to the collection thereof.

f. Distribution of sums deposited in parimutuel pools to winners thereof shall be in accordance with the provisions of section 44 of P.L.1940, c.17 (C.5:5-64) pertaining thereto. The authority or a lessee of the authority shall make disposition of the deposits remaining undistributed as follows:

(1) In the case of harness races:

(a) Hold and set aside in an account designated as a special trust account 1% of such total contributions in all pools, to be used and distributed as hereinafter provided and as provided in section 5 of P.L.1967, c.40, for the following purposes and no other:

(i) 42 1/2% thereof to increase purses and grant awards for starting horses, as provided or as may be provided by rules of the New Jersey Racing Commission, with payment to be made in the same manner as payment of other purses and awards;

(ii) 49% thereof for the establishment of a Sire Stakes Program for standardbred horses, with payment to be made to the Department of Agriculture for administration as hereinbefore provided;

(iii) 5 1/2% thereof to the Sire Stakes Program for purse supplements designed to improve and promote the standardbred breeding industry in New Jersey by increasing purses for owners of horses that are sired by a New Jersey registered stallion and are eligible to participate in the Sire Stakes Program. The Sire Stakes Program board of trustees shall consult with the Standardbred Breeders' and Owners' Association of New Jersey before disbursing money for purse supplements;

(iv) 3% thereof for other New Jersey horse breeding and promotion conducted by the New Jersey Department of Agriculture.

Payment of the sums held and set aside pursuant to subparagraphs (iii) and (iv) shall be made to the commission every seventh day of any and every race meeting in the amount then due, as determined in the manner provided above, and shall be accompanied by a report under oath showing the total of all such contributions, together with such other information as the commission may require.

(b) Distribute as purse money and for programs designed to aid the horsemen and the Standardbred Breeders' and Owners' Association of New Jersey 5.1175%, or in the case of races on a charity racing day 5%, of such total contributions. Expenditures for programs designed to aid the horsemen and the Standardbred Breeders' and Owners' Association of New Jersey shall not exceed 5% of the sum available for distribution as purse
money. The formula for distribution of the purse money as either overnight purses or special stakes shall be determined by an agreement between the Standardbred Breeders' and Owners' Association of New Jersey and the authority or a lessee of the authority. Notwithstanding the foregoing, for pools where the patron is required to select two or more horses, the authority or a lessee of the authority shall distribute as purse money 5.6175%, or in the case of races on a charity racing day 5.5%, of the total contributions and for pools where the patron is required to select three or more horses, the authority or a lessee of the authority shall distribute as purse money 7.1175%, or in the case of races on a charity racing day 7%, of the total contributions. Notwithstanding the foregoing, for pools where a patron is required to select three or more horses, the authority or a lessee of the authority shall retain out of the 7.1175% or 7% to be distributed as purse money a sum deemed necessary by the racing commission, for use by the commission to finance a prerace blood testing program, and such other testing programs which the commission shall deem proper and necessary and which shall be subject to the regulation and control of said commission.

(c) In the case of races on a racing day other than a charity racing day, distribute to the Standardbred Breeders' and Owners' Association of New Jersey for the administration of a health benefits program for horsemen .1175% of such total contributions.

(d) In the case of races on a racing day other than a charity racing day, distribute to the Sire Stakes Program for standardbred horses .02% of such total contributions.

(e) In the case of races on a racing day other than a charity racing day, distribute to the Backstretch Benevolency Programs Fund created pursuant to P.L.1993, c.15 (C.5:5-44.8) .01% of such total contributions.

(2) In the case of running races:

(a) Hold and set aside in an account designated as a special trust account .05% of such total contributions, to be used and distributed for State horse breeding and development programs, research, fairs, horse shows, youth activities, promotion and administration, as provided in section 5 of P.L.1967, c.40 (C.5:5-88).

(b) Distribute as purse money and for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association 4.475%, or in the case of races on a charity racing day 4.24%, of such total contributions. Expenditures for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association shall not exceed 2.9% of the sum available for distribution as purse money. The formula for distribution of the purse money as either overnight purses or special stakes
shall be determined by an agreement between the New Jersey Thoroughbred Horsemen's Association and the authority or a lessee of the authority. Notwithstanding the foregoing, for pools where the patron is required to select three or more horses, the authority or a lessee of the authority shall distribute as purse money 7.475%, or in the case of races on a charity racing day 7.24%, of the total contributions.

(c) Deduct and set aside in a special trust account established pursuant to section 46b.(1)(e) and 46b.(2)(e) of P.L.1940, c.17 (C.5:5-66) for the establishment and support by the commission of the thoroughbred breeding industry in New Jersey .1% of such total contributions, except that for pools where the patron is required to select three or more horses, the amount shall be .6%. The money in the special trust account shall be used to: (i) improve purses for closed races; (ii) provide awards to owners and breeders of registered New Jersey bred horses who earn portions of purses in open and closed races at New Jersey race tracks or in closed races at an out-of-State track as part of a multi-state event to promote thoroughbred breeding, and to owners of stallions posted on the official stallion roster of the Thoroughbred Breeders' Association of New Jersey, which sire such New Jersey bred money earners; and (iii) provide awards to the New Jersey Thoroughbred Breeders' Association for programs beneficial to thoroughbred breeding in this State. The New Jersey thoroughbred award program shall be administered and disbursed by the Thoroughbred Breeders' Association of New Jersey subject to the approval of the commission. The special trust account to be established pursuant to this paragraph shall be separate and apart from the special trust account established and maintained pursuant to subparagraph (a) of this paragraph.

(d) In the case of races on a racing day other than a charity racing day, distribute to the Thoroughbred Breeders' Association of New Jersey .02% of such total contributions.

(e) In the case of races on a racing day other than a charity racing day, distribute to the Backstretch Benevolency Programs Fund created pursuant to P.L.1993, c.15 (C.5:5-44.8) .01% of such total contributions.

Payment of the sums held and set aside pursuant to subparagraphs (a) and (e) of this subsection shall be made to the commission every seventh day of any and every race meeting in the amount then due, as determined in the manner provided above, and shall be accompanied by a report under oath showing the total of all such contributions, together with such other information as the commission may require.

In addition to the amounts above, in the case of races on a racing day designated or allotted as a charity racing day pursuant to P.L.1977, c.200
(C.5:5-44.2 et seq.), P.L.1993, c.15 (C.5:5-44.8), or section 1 of P.L.1997, c.80 (C.5:5-44.9), an amount equal to 1/2 of 1% of all parimutuel pools shall be paid to the commission at the time and in the manner prescribed by the commission.

All amounts remaining in parimutuel pools, including the breaks, after such distribution and payments shall constitute revenues of the authority or a lessee of the authority. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1989, c.24 (C.56:10-7.3) is amended to read as follows:

C.56:10-7.3 Prohibited conditions, terms of franchise.

2. a. It shall be a violation of the "Franchise Practices Act," P.L.1971, c.356 (C.56:10-1 et seq.) for a motor vehicle franchisor to require a motor vehicle franchisee to agree to a term or condition in a franchise, or in any lease or agreement ancillary or collateral to a franchise, which:
(1) Requires the motor vehicle franchisee to waive trial by jury in actions involving the motor vehicle franchisor; or

(2) Specifies the jurisdictions, venues or tribunals in which disputes arising with respect to the franchise, lease or agreement shall or shall not be submitted for resolution or otherwise prohibits a motor vehicle franchisee from bringing an action in a particular forum otherwise available under the law of this State; or

(3) Requires that disputes between the motor vehicle franchisor and motor vehicle franchisee be submitted to arbitration or to any other binding alternate dispute resolution procedure; provided, however, that any franchise, lease or agreement may authorize the submission of a dispute to arbitration or to binding alternate dispute resolution if the motor vehicle franchisor and motor vehicle franchisee voluntarily agree to submit the dispute to arbitration or binding alternate dispute resolution at the time the dispute arises.

b. For the purposes of this section, it shall be presumed that a motor vehicle franchisee has been required to agree to a term or condition in violation of this section as a condition of the offer, grant or renewal of a franchise or of any lease or agreement ancillary or collateral to a franchise, if the motor vehicle franchisee, at the time of the offer, grant or renewal of the franchise, lease or agreement is not offered the option of an identical franchise, lease or agreement without the term or condition proscribed by this section.

c. In addition to any remedy provided in the "Franchise Practices Act," any term or condition included in a franchise, or in any lease or agreement ancillary or collateral to a franchise, in violation of this section may be revoked by the motor vehicle franchisee by written notice to the motor vehicle franchisor within 60 days of the motor vehicle franchisee's receipt of the fully executed franchise, lease or agreement. This revocation shall not otherwise affect the validity, effectiveness or enforceability of the franchise, lease or agreement.

2. Section 5 of P.L.1999, c.45 (C.56:10-7.4) is amended to read as follows:

C.56:10-7.4 Additional practices prohibited.

5. It shall be a violation of P.L.1971, c.356 (C.56:10-1 et seq.) for any motor vehicle franchisor, directly or indirectly, through any officer, agent or employee, to engage in any of the following practices:

   a. To impose unreasonable standards of performance or unreasonable facilities, financial, operating or other requirements upon a motor vehicle franchisee.
b. To base the disapproval of the transfer, sale or assignment of a motor vehicle franchise, or any interest therein, on the ground that the proposed transferee is not a natural person.

c. To fail to compensate a motor vehicle franchisee for all reasonable costs incurred by the franchisee in complying with the requirements imposed on the franchisee by the franchisor relating to a product recall.

d. To utilize an arbitrary or unreasonable formula or other calculation or process intended to gauge performance as a basis for making any decision or taking any action governed by P.L.1971, c.356 (C.56:10-1 et seq.).

e. To own or operate or enter into an agreement with a person, other than an existing motor vehicle franchisee, to operate a retail facility for the servicing of motor vehicles, which is authorized to perform warranty service on motor vehicles manufactured or distributed by the motor vehicle franchisor. The establishment, relocation, reopening or reactivation of such a facility pursuant to an agreement with a motor vehicle franchisee shall be subject to the provisions of P.L.1982, c.156 (C.56:10-16 et seq.), except that paragraph (3) of subsection b. of section 8 of that act (C.56:10-23) shall not be applicable. This subsection shall not prevent a motor vehicle franchisor from requiring that a motor vehicle franchisee carry a representative inventory of models offered for sale by the motor vehicle franchisor.
h. To fail or refuse to sell or offer to sell to all motor vehicle franchisees in a line make every motor vehicle sold or offered for sale to any motor vehicle franchisee of the same line make, or to fail or refuse to sell or offer to sell such motor vehicles to all motor vehicle franchisees at the same price for a comparably equipped motor vehicle, on the same terms, with no differential in discount, allowance, credit or bonus, and on reasonable, good faith and non-discriminatory allocation and availability terms. However, the failure to deliver any such motor vehicle shall not be considered a violation of this section if the failure is not arbitrary and is due to a lack of manufacturing capacity or to a strike or labor difficulty, a shortage of materials, a freight embargo or other cause over which the franchisor has no control. A motor vehicle franchisor shall not require a motor vehicle franchisee to purchase unreasonable quantities of advertising materials, purchase special tools not required to properly service a motor vehicle or undertake sales person or service person training unrelated to the motor vehicle or meet unreasonable display requirements as a condition of receiving a motor vehicle.

i. Unless compelled by law or legal process, (1) if the customer has objected thereto in writing, to require a motor vehicle franchisee to publish, release, convey or otherwise provide information obtained with respect to any customers, contracts, products, services or other transactions of the motor vehicle franchisee which is not necessary for the motor vehicle franchisor to meet its obligations to consumers or the motor vehicle franchisee, including vehicle recalls or other requirements imposed by State or federal law, or for complying with the duties or obligations of the respective parties under the franchise; or (2) to release such information which has been provided to it by the motor vehicle franchisees to any third party.

j. To impose or attempt to impose any requirement, limitation or regulation on, or interfere or attempt to interfere with, the manner in which a motor vehicle franchisee utilizes the facilities at which a motor vehicle franchise is operated, including, but not limited to, requirements, limitations or regulations as to the line makes of motor vehicles that may be sold or offered for sale at the facility, or to take or withhold or threaten to take or withhold any action, impose or threaten to impose any penalty, or deny or threaten to deny any benefit, as a result of the manner in which the motor vehicle franchisee utilizes his facilities, except that the motor vehicle franchisor may require that the portion of the facilities allocated to or used for the motor vehicle franchise meets the motor vehicle franchisor’s reasonable, written space and volume requirements as uniformly applied by the motor vehicle franchisor. The provisions of this subsection shall not apply
if the motor vehicle franchisor and the motor vehicle franchisee voluntarily agree to the requirement and separate and valuable consideration therefor is paid.

k. To require or attempt to require a motor vehicle franchisee, or the owner or landlord of property on which a motor vehicle franchise is operated, to give a motor vehicle franchisor or any person under the control of the motor vehicle franchisor an interest in or option with respect to the real property on which the motor vehicle franchise is operated, to restrict the uses to which the facility at which the motor vehicle franchise is operated may be put during or after the term of the franchise, or to take or withhold or threaten to take or withhold any action, impose or threaten to impose any penalty, or deny or threaten to deny any benefit, as a result of the failure or refusal of a motor vehicle franchisee, property owner, or landlord to agree to or comply with any such demand or restriction. Nothing in this subsection shall be deemed to bar a voluntary agreement between a motor vehicle franchisor and a motor vehicle franchisee, or the owner or landlord of property on which a motor vehicle franchise is operated, to give the motor vehicle franchisor an interest in or option with respect to the real property on which the motor vehicle franchise is operated, or to restrict the uses to which the facility at which the motor vehicle franchise is operated is put, provided that separate and valuable consideration is paid for such interest, option or restriction.

1. To require or attempt to require a motor vehicle franchisee to relocate his franchise or to implement any facility or operational modification or to take or withhold or threaten to take or withhold any action, impose or threaten to impose any penalty, or deny or threaten to deny any benefit as a result of the failure or refusal of such motor vehicle franchisee to agree to any such relocation or modification, unless the motor vehicle franchisor can demonstrate that: (1) funds are generally available to the franchisee for the relocation or modification on reasonable terms; and (2) the motor vehicle franchisee will be able, in the ordinary course of business as conducted by such motor vehicle franchisee, to earn a reasonable return on his total investment in such facility or from such operational modification, and the full return of his total investment in such facility or from such operational modifications within 10 years; or (3) the modification is required so that the motor vehicle franchisee can effectively sell and service a motor vehicle offered by the motor vehicle franchisor based on the specific technology of the motor vehicle. This subsection shall not be construed as requiring a motor vehicle franchisor to guarantee that the return as provided in paragraph (2) of this subsection will be realized.
m. Directly, or through any financial institution having any commonality of ownership with the motor vehicle franchisor, to require or attempt to require, or to take or withhold or threaten to take or withhold any action, impose or threaten to impose any penalty, or deny or threaten to deny any benefit, as a result of the failure or refusal of a motor vehicle franchisee to maintain working capital, equity, floor plan financing or other indications of financial condition, greater than the lesser of (1) the minimum required to operate the motor vehicle franchise based on the operations of the franchise over the prior 12-month period; or (2) an increase of no more than 5% over the prior calendar year, unless the motor vehicle franchisor, or the financial institution having any commonality of ownership with a motor vehicle franchisor, can establish that such failure or refusal prevents the franchisee from operating the franchise in the ordinary course of business. This subsection shall not apply if the working capital, equity, floor plan financing or other indication of financial condition is the result of an accommodation by the motor vehicle franchisor, or financial institution with a commonality of ownership with the motor vehicle franchisor, to the motor vehicle franchisee, containing specific terms and deadlines for the restoration of the motor vehicle franchisee's working capital, inventory, floor plan financing or other indication of financial condition, which accommodation is agreed to in writing by the motor vehicle franchisee.

n. To impose or attempt to impose any conditions on the approval of the transfer of a motor vehicle franchise, except as provided in section 6 of P.L.1971, c.356 (C.56:10-6).

o. To amend or modify the franchise of a motor vehicle franchisee, or any lease or agreement ancillary or collateral to such franchise, including in connection with the renewal of a franchise, if such amendment or modification is not in good faith, is not for good cause, or would adversely and substantially alter the rights, obligations, investment or return on investment of the motor vehicle franchisee.

p. To take or withhold or threaten to take or withhold any action, impose or threaten to impose any penalty, or deny or threaten to deny any benefit, because the motor vehicle franchisee sold or leased a motor vehicle to a customer who exported the vehicle to a foreign country or who resold the vehicle, unless the motor vehicle franchisor can establish that the motor vehicle franchisee knew or reasonably should have known, prior to the sale or lease, that the customer intended to export or resell the motor vehicle; provided, however, that it shall be presumed that the motor vehicle franchisee did not know or should not have reasonably known that the vehicle...
would be exported if the vehicle is titled or registered in any state or the District of Columbia.

q. To require a motor vehicle franchisee, at the time of entering into a franchise arrangement, any lease or agreement ancillary or collateral to a motor vehicle franchise, or any amendment, modification, renewal or termination thereof, to assent to a release, assignment, novation, waiver or estoppel, which would relieve any person from liability imposed by P.L.1971, c.356 (C.56:10-1 et seq.); provided that nothing in this subsection shall be deemed to prohibit a voluntary agreement between the motor vehicle franchisor and the motor vehicle franchisee which contains a release, assignment, novation, waiver or estoppel for which separate and valuable consideration is paid by the motor vehicle franchisor to the motor vehicle franchisee.

r. To provide any term or condition in any motor vehicle franchise, in any lease or other agreement ancillary or collateral to a motor vehicle franchise or in any renewal, amendment or modification thereof, which term or condition directly or indirectly violates P.L.1971, c.356 (C.56:10-1 et seq.).

s. To allocate vehicles to or evaluate the performance of a motor vehicle franchise based on, or offer any discount, incentive, bonus, program, allowance or credit that differentiates between vehicle sales by a motor vehicle franchisee within a territory or geographic area assigned to the motor vehicle franchisee and vehicle sales outside of such territory or geographic area.

3. Section 3 of P.L.1991, c.459 (C.56:10-13.2) is amended to read as follows:

C.56:10-13.2 Repurchase of certain vehicles and equipment on termination, cancellation or nonrenewal.

3. Within 90 days of the termination, cancellation or nonrenewal of a motor vehicle franchise as provided for in section 5 of P.L.1971, c.356 (C.56:10-5), or the termination, cancellation or nonrenewal of a motor vehicle franchise by the motor vehicle franchisee or by mutual agreement of the motor vehicle franchisee and motor vehicle franchisor, the motor vehicle franchisor shall repurchase from the motor vehicle franchisee:

a. any unused, undamaged and unsold vehicles from current and all prior year inventories with 500 miles or less registered on the odometer, or recreational vehicles that were acquired from the motor vehicle franchisor within 12 months before the effective date of the termination, and any unused, undamaged and unsold parts, supplies and accessories, listed in the
franchisor's current price catalog and acquired from the franchisor or a source approved or recommended by the franchisor at the franchisee's net acquisition cost therefor, including transportation, delivery and similar charges paid by the franchisee, plus the franchisee's cost of handling, packing, loading and transporting the vehicle inventory, parts, supplies and accessories for return to the franchisor. For the purposes of this subsection, vehicle inventory, parts, supplies and accessories used by the franchisee or its employees for display, demonstration or other marketing purposes shall be deemed to be unused or unsold.

b. any special tools and signs which were required by the franchisor, at:

(1) the franchisee's net acquisition cost if the item was acquired in the 12 months immediately preceding the effective date of the termination, cancellation or nonrenewal;

(2) the greater of the fair market value or 75% of the franchisee's net acquisition cost if the item was acquired more than 12 but less than 24 months immediately preceding the effective date of the termination, cancellation or nonrenewal;

(3) the greater of the fair market value or 50% of the franchisee's net acquisition cost if the item was acquired more than 24 but less than 36 months immediately preceding the effective date of the termination, cancellation or nonrenewal;

(4) the greater of the fair market value or 25% of the franchisee's net acquisition cost if the item was acquired more than 36 but less than 60 months immediately preceding the effective date of the termination, cancellation or nonrenewal; or

(5) the fair market value if the item was acquired more than 60 months immediately preceding the effective date of the termination, cancellation or nonrenewal; plus the franchisee's cost of handling, packing, loading and transporting the item for return to the franchisor.

Payment shall be made by the motor vehicle franchisor within 30 days after the date on which the motor vehicle franchisee notifies the motor vehicle franchisor in writing that the property is available for repurchase.

Nothing in this section shall prohibit the franchise from containing provisions in addition to, but not inconsistent with, those required by this section.

4. Section 4 of P.L.1991, c.459 (C.56:10-13.3) is amended to read as follows:
C.56:10-13.3 Violations related to termination, cancellation or nonrenewal.

4. a. It shall be a violation of the "Franchise Practices Act," P.L.1971, c.356 (C.56:10-1 et seq.) for any motor vehicle franchisor, directly or indirectly, through any officer, agent or employee, to terminate, cancel or fail to renew a motor vehicle franchise as the result of:

   (1) any change in the ownership, operation or control of all or any part of the franchisor's business, whether by sale or transfer of the assets, corporate stock or other equity interest; assignment; merger; consolidation; combination; reorganization; restructuring; redemption; operation of law or otherwise; or

   (2) the termination, suspension or cessation of all or any part of the franchisor's business operations due to the discontinuance of a line make or otherwise, unless the franchisor complies with the provisions of subsections b., c., d. and e. of this section or unless the franchisor, or another motor vehicle franchisor, pursuant to an agreement with the franchisor, offers the franchisee a replacement motor vehicle franchise which takes effect no later than the date of the termination, cancellation or nonrenewal of the franchisee's existing motor vehicle franchise.

b. Within 90 days of the effective date of the termination, cancellation or nonrenewal, the motor vehicle franchisor shall compensate the motor vehicle franchisee in an amount at least equivalent to the fair market value of the motor vehicle franchise on

   (1) the day before the date the franchisor announces the action which results in the termination, cancellation or nonrenewal; or

   (2) the date on which the notice of termination, cancellation or nonrenewal is issued, whichever amount is higher.

c. The franchisor shall authorize the franchisee to continue servicing and supplying parts, including service and parts pursuant to a warranty issued by the franchisor, for any goods or services marketed by the franchisee pursuant to the motor vehicle franchise for a period of not less than five years from the effective date of the termination, cancellation or nonrenewal and shall continue to reimburse the franchisee for warranty parts and service in an amount and on terms no less favorable than those in effect prior to the termination, cancellation or nonrenewal and in accordance with section 3 of P.L.1977, c.84 (C.56:10-15).

d. The franchisor shall continue to supply the franchisee with replacement parts for any goods or services marketed by the franchisee pursuant to the motor vehicle franchise for a period of not less than five years from the effective date of the termination, cancellation or nonrenewal, at the same price and terms as the franchisor supplied them to the remaining
franchisees of the franchisor, or if there are no such remaining franchisees, at a price and on terms no less favorable than those in effect prior to the termination, cancellation or nonrenewal.

e. If the franchisee continues to service motor vehicles and sell parts after the termination, cancellation or nonrenewal, as provided for in subsections c. and d. of this section, the compensation paid to the franchisee pursuant to subsection b. of this section shall be reduced to the extent, if any, of the fair market value of such rights as of the effective date of the termination, cancellation or nonrenewal.

5. Section 3 of P.L.1977, c.84 (C.56:10-15) is amended to read as follows:

C.56:10-15 Reimbursement for services or parts under warranty or law.

3. If any motor vehicle franchise shall require or permit motor vehicle franchisees to perform services or provide parts in satisfaction of a warranty issued by the motor vehicle franchisor:

a. The motor vehicle franchisor shall reimburse each motor vehicle franchisee for such services as are rendered and for such parts as are supplied, in an amount equal to the prevailing retail price charged by such motor vehicle franchisee for such services and parts in circumstances where such services are rendered or such parts supplied other than pursuant to warranty; provided that such motor vehicle franchisee's prevailing retail price is not unreasonable when compared with that of the holders of motor vehicle franchises from the same motor vehicle franchisor for identical merchandise or services in the geographic area in which the motor vehicle franchisee is engaged in business.

b. The motor vehicle franchisor shall not by agreement, by restrictions upon reimbursement, or otherwise, restrict the nature and extent of services to be rendered or parts to be provided so that such restriction prevents the motor vehicle franchisee from satisfying the warranty by rendering services in a good and workmanlike manner and providing parts which are required in accordance with generally accepted standards. Any such restriction shall constitute a prohibited practice hereunder.

c. The motor vehicle franchisor shall reimburse the motor vehicle franchisee pursuant to subsection a. of this section, without deduction, for services performed on, and parts supplied for, a motor vehicle by the motor vehicle franchisee in good faith and in accordance with generally accepted standards, notwithstanding any requirement that the motor vehicle franchisor accept the return of the motor vehicle or make payment to a consumer
with respect to the motor vehicle pursuant to the provisions of P.L.1988, c.123 (C.56:12-29 et seq.).

d. For the purposes of this section, the "prevailing retail price" charged by: (1) a motor vehicle franchisee for parts means the price paid by the motor vehicle franchisee for those parts, including all shipping and other charges, multiplied by the sum of 1.0 and the franchisee's average percentage markup over the price paid by the motor vehicle franchisee for parts purchased by the motor vehicle franchisee from the motor vehicle franchisor and sold at retail. The motor vehicle franchisee may establish average percentage markup under this section by submitting to the motor vehicle franchisor 100 sequential customer paid service repair orders or 90 days of customer paid service repair orders, whichever is less, covering repairs made no more than 180 days before the submission, and declaring what the average percentage markup is. The average percentage markup so declared shall go into effect 30 days following the declaration subject to audit of the submitted repair orders by the motor vehicle franchisor and adjustment of the average percentage markup based on that audit. Only retail sales not involving warranty repairs, parts covered by subsection e. of this section, or parts supplied for routine vehicle maintenance, shall be considered in calculating average percentage markup. No motor vehicle franchisor shall require a motor vehicle franchisee to establish average percentage markup by a methodology, or by requiring information, that is unduly burdensome or time consuming to provide, including, but not limited to, part by part or transaction by transaction calculations. A motor vehicle franchisee shall not request a change in the average percentage markup more than twice in one calendar year; and (2) a recreational motor vehicle franchisee for parts means actual wholesale cost, plus a minimum 30% handling charge and any freight costs incurred to return the removed parts to the motor vehicle franchisor.

e. If a motor vehicle franchisor supplies a part or parts for use in a repair rendered under a warranty other than by sale of that part or parts to the motor vehicle franchisee, the motor vehicle franchisee shall be entitled to compensation equivalent to the motor vehicle franchisee's average percentage markup on the part or parts, as if the part or parts had been sold to the motor vehicle franchisee by the motor vehicle franchisor. The requirements of this section shall not apply to entire engine assemblies and entire transmission assemblies. In the case of those assemblies, the motor vehicle franchisor shall reimburse the motor vehicle franchisee in the amount of 30% of what the motor vehicle franchisee would have paid the motor vehicle franchisor for the assembly if the assembly had not been supplied by the
franchisor other than by the sale of that assembly to the motor vehicle franchisee.

f. The motor vehicle franchisor shall reimburse the motor vehicle franchisee for parts supplied and services rendered under a warranty within 30 days after approval of a claim for reimbursement. All claims for reimbursement shall be approved or disapproved within 30 days after receipt of the claim by the motor vehicle franchisor. When a claim is disapproved, the motor vehicle franchisee shall be notified in writing of the grounds for the disapproval. No claim that has been approved and paid shall be charged back to the motor vehicle franchisee unless it can be shown that the claim was false or fraudulent, that the services were not properly performed, that the parts or services were unnecessary to correct the defective condition, or that the motor vehicle franchisee failed to reasonably substantiate the claim in accordance with reasonable written requirements of the motor vehicle franchisor, provided that the motor vehicle franchisee had been notified of the requirements prior to the time the claim arose and the requirements were in effect at the time the claim arose. A motor vehicle franchisor shall not audit a claim after the expiration of 12 months following the payment of the claim unless the motor vehicle franchisor has reasonable grounds to believe that the claim was fraudulent.

g. The obligations imposed on motor vehicle franchisors by this section shall apply to any parent, subsidiary, affiliate or agent of the motor vehicle franchisor, any person under common ownership or control, any employee of the motor vehicle franchisor and any person holding 1% or more of the shares of any class of securities or other ownership interest in the motor vehicle franchisor, if a warranty or service or repair plan is issued by that person instead of or in addition to one issued by the motor vehicle franchisor.

h. The provisions of this section shall also apply to franchisor administered service and repair plans:

   (1) if the motor vehicle franchisee offers for sale only the franchisor administered service or repair plan; or

   (2) if the motor vehicle franchisee is paid its prevailing retail price for all service or repair plans the motor vehicle franchisee offers for sale to purchasers of new motor vehicles; or

   (3) for the first 36,000 miles of coverage under the franchisor administered service or repair plan, if the warranty offered by the motor vehicle franchisor on the motor vehicle provides coverage for less than 36,000 miles; or

   (4) for motor vehicles covered by a franchisor administered service or repair plan, if the motor vehicle franchisee does not offer for sale the franchisor administered service or repair plan.
With respect to franchisor administered service or repair plans covering only routine maintenance service, this section applies only to those plans sold to customers on or after the effective date of P.L.1999, c.45.

i. A motor vehicle franchisor shall make payment to a motor vehicle franchisee pursuant to incentive, bonus, sales, performance or other programs within 30 days after receipt of a claim from the motor vehicle franchisee. When a claim is disapproved, the motor vehicle franchisee shall be notified in writing of the grounds for disapproval. No claim shall be disapproved unless it can be shown that the claim was false or fraudulent, or that the motor vehicle franchisee failed to reasonably substantiate the claim in accordance with reasonable written requirements of the motor vehicle franchisor, provided that the motor vehicle franchisee had been notified of the requirements prior to the time the claim arose and the requirements were in effect at the time the claim arose. A motor vehicle franchisor shall not audit a claim after the expiration of 12 months following the payment of the claim.

6. Section 1 of P.L.1982, c.156 (C.56:10-16) is amended to read as follows:

C.56:10-16 Definitions.

1. a. "Committee" means the Motor Vehicle Franchise Committee established in section 2 of this act;
   b. "Franchise" means a written arrangement for a definite or indefinite period in which a motor vehicle franchisor grants a right or license to use a trade name, trademark, service mark or related characteristics and in which there is a community of interest in the marketing of new motor vehicles at retail, by lease agreement or otherwise;
   c. "Franchisee" means a natural person, corporation, partnership or entity to whom a franchise is granted by a motor vehicle franchisor;
   d. "Motor vehicle" or "new motor vehicle" means only a newly manufactured motor vehicle, except a nonconventional type of motor vehicle, and includes all such vehicles propelled otherwise than by muscular power, and motorcycles, trailers and tractors, excepting such vehicles as run only upon rails or tracks and motorized bicycles; a "nonconventional type of motor vehicle" means every vehicle not designed or used primarily for the transportation of persons or property and only incidentally operated or moved over a highway;
   e. "Motor vehicle franchisor" means a natural person, corporation, partnership or entity engaged in the business of manufacturing, assembling or distributing new motor vehicles, who will under normal business condi-
tions during the year, manufacture, assemble or distribute at least 10 new motor vehicles;

f. "Relevant market area" means a geographic area 14 miles in radius from a proposed franchise or business as it relates to the grant, reopening or reactivation of a franchise or the establishment, reopening or reactivation of a business; and a geographic area 8 miles in radius from a relocated franchise or business, but if there are no existing franchisees in the same line make within an 8-mile radius of the relocated franchise or business, then the relevant market area includes the next closest existing franchisee in the same line make within a 14-mile radius. Determining whether an existing franchisee is within the relevant market area of a proposed or relocated franchise or business, and ascertaining any other measurement of distance, shall be made by measuring the distance between the nearest surveyed boundary line of the existing franchise and the nearest surveyed boundary line of the proposed or relocated franchise or business.

7. Section 3 of P.L.1982, c.156 (C.56:10-18) is amended to read as follows:

C.56:10-18 Conditions for franchise.

3. A motor vehicle franchisor may grant, relocate, reopen or reactivate a franchise or establish, relocate, reopen or reactivate a business, for the purpose of doing business on the retail level, only if the franchise or business will not be injurious as determined pursuant to section 8 of P.L.1982, c.156 (C.56:10-23).

8. Section 4 of P.L.1982, c.156 (C.56:10-19) is amended to read as follows:

C.56:10-19 Notice to existing franchisee, protest, appeal.

4. A motor vehicle franchisor shall give its existing franchisees in the same line make within 20 miles of the proposed location for the proposed franchise or business as calculated using the methodology set forth in subsection f. of section 1 of P.L.1982, c.156 (C.56:10-16) not less than 90 days' advance written notice of its intention to grant, relocate, reopen or reactivate a franchise of the same line make or establish, relocate, reopen or reactivate a business. Any franchisee in the relevant market area of the proposed franchise or business may file with the committee a protest to the granting, relocating, reopening or reactivation of the franchise or the establishment, relocation, reopening or reactivation of the business within 30
days of receipt of the notice or 30 days after the end of any appeal procedure provided by the motor vehicle franchisor, whichever is later. Any motor vehicle franchisee entitled to file a protest that does not receive the written notice from the motor vehicle franchisor and consequently does not file a protest may file an action in the Superior Court against the motor vehicle franchisor and the court shall enjoin and nullify the grant, relocation, reopening or reactivation of the franchise or the establishment, relocation, reopening or reactivation of the business, regardless of whether a protest by such motor vehicle franchisee would have been successful. In any such action, a successful motor vehicle franchisee shall be entitled to an award of reasonable attorneys' fees, court costs and expenses. A protest shall set forth all reasons for objecting to the granting, reopening, or reactivation of a franchise and shall be accompanied by a concise statement of the facts and supporting affidavits for all issues raised in the protest. When a protest is filed, the chairman of the committee shall notify the motor vehicle franchisor and the franchisee in writing that it has been filed and shall forthwith determine either to transmit the protests to the Office of Administrative Law for hearing or to conduct a hearing directly.

9. Section 5 of P.L.1982, c.156 (C.56:10-20) is amended to read as follows:

5. The provisions of sections 3 and 4 of P.L.1982, c.156 (C.56:10-18 and 56:10-19) notwithstanding, a motor vehicle franchisor may:

a. Permit an existing franchisee to relocate his franchise within two miles of the franchisee's existing franchise location, except that a franchise may not be relocated pursuant to this subsection unless at least five years have elapsed since any previous relocation pursuant to this subsection;

b. Reopen or reactivate a franchise or business which has not been in operation for a period of two years or less at a site within two miles of the prior site, provided that the rights accorded to the franchisor herein shall not apply to a successor or assignee of the franchisor of the franchise or business at the time the franchise or business was closed or deactivated; or

c. Permit the purchaser of a controlling interest in the shares or substantially all of the operating assets of an existing franchise to relocate the place of business of the franchise within two miles of the previously approved franchise location within 180 days of the date of purchase.
10. Section 6 of P.L.1982, c.156 (C.56:10-21) is amended to read as follows:

C.56:10-21 Hearing on protest.
6. The hearing referred to in section 4 of P.L.1982, c.156 (C.56:10-19) shall be conducted as a contested case in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c. 410 (C.52:14B-1 et seq.) and P.L.1978, c.67 (C.52:14F-1 et seq.). The franchisor shall have the burden of proving by a preponderance of the evidence that the proposed franchise or business will not be injurious. The testimony taken at the hearing shall be under oath and recorded verbatim, but the parties shall not be bound by the rules of evidence. True copies of any transcript and of any other record made of or at the hearing shall be furnished to any party upon request and at that party's expense. The committee may subpoena witnesses and compel their attendance, administer oaths and require the production for examination of any books or papers relating to any matter involved in the hearing. The committee, at the request of any party, may subpoena and compel the attendance of such witnesses as the party may designate and require the production for examination of any books or papers relating to any matter involved in the hearing.

11. Section 8 of P.L.1982, c.156 (C.56:10-23) is amended to read as follows:

C.56:10-23 Factors for consideration if proposed franchise will harm public interest.
8. a. The grant, reopening or reactivation of a franchise or establishment, or the reopening or reactivation of a business shall be deemed injurious to existing franchisees or to the public interest unless the franchisor proves, by a preponderance of the evidence, that:
   (1) The proposed franchise or business would materially enhance the availability of stable, adequate and reliable sales and service to purchasers of vehicles in the same line make in the market area served by the franchisees entitled to notice;
   (2) The proposed franchise or business would not affect the stability of existing franchisees in the same line make;
   (3) The existing franchisees in the same line make have not provided adequate representation of the line make in their market areas for a period of at least two years based on the availability of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts and qualified service personnel;
(4) The franchisor's action is in good faith.

b. In determining whether the grant, relocation, reopening or reactivation of a franchise or establishment, relocation, reopening or reactivation of a business will be injurious to existing franchisees or to the public interest, it shall be conclusively presumed that the proposed grant, relocation, reopening or reactivation of the franchise or establishment, relocation, reopening or reactivation of the business will be injurious to existing franchisees or to the public interest if:

(1) for the 24-month period prior to notice pursuant to section 4 of P.L.1982, c.156 (C.56:10-19), the average market penetration of the franchisees given notice pursuant to section 4 of P.L.1982, c.156 (C.56:10-19), in the area of primary responsibility or territory assigned to such franchises, is at least equal to the average market penetration of all franchisees in the same line make in this State;

(2) the proposed franchise or business is likely to cause not less than a 25% reduction in new vehicle sales or not less than a 25% reduction in gross income for the protesting franchisee;

(3) the proposed franchise or business will not operate a full service franchise or business at the proposed location; or

(4) an owner or operator of the proposed franchise or business has engaged in materially unfair or deceptive business practices with respect to a motor vehicle franchise or business.

c. The presumption in subsection b. of this section shall not apply to the grant, reopening or reactivation of a franchise or to the establishment, reopening or reactivation of a business if the proposed franchisee is a minority or a woman. For the purposes of this subsection, "minority" means a person who is:

(1) Black, which is a person having origins in any of the black racial groups in Africa; or

(2) Hispanic, which is a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race; or

(3) Asian American, which is a person having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, Hawaii, or the Pacific Islands; or

(4) American Indian or Alaskan native, which is a person having origins in any of the original peoples of North America.

d. In determining whether the relocation of an existing franchise or business will be injurious to existing franchisees or the public interest, the
committee shall consider in making its determination, whether the franchisor has proven, by a preponderance of the evidence, that:

1. The relocation would materially enhance the availability of stable, adequate and reliable sales and service to purchasers of vehicles in the same line make in the market areas served by the franchisees entitled to notice;

2. The relocation would not affect the stability of the existing franchises in the same line make;

3. The existing franchisees in the same line make have not provided adequate representation of the line make in their market areas for a period of at least two years based on the availability of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts and qualified service personnel;

4. The relocation is in good faith; and

5. The effect on the relocating dealer of the denial of its relocation outweighs the injury to an existing franchisee.

C.56:10-30 Actions, alternate dispute resolution proceedings relative to franchise termination.

12. a. Upon timely institution of an action or alternate dispute resolution proceeding to enjoin the termination of a motor vehicle franchise on the ground that such termination would be in violation of the "Franchise Practices Act," P.L.1971, c.356 (C.56:10-1 et seq.), the termination shall be automatically stayed pending the final disposition of such action or proceeding, and the motor vehicle franchisor shall accord the motor vehicle franchisee all rights and privileges of a franchisee as if notice of termination had not been given.

b. A successful motor vehicle franchisee in an action or alternate dispute resolution proceeding to enjoin the termination of a motor vehicle franchise shall be entitled to an injunction barring termination of the motor vehicle franchise in addition to any other relief provided for in section 10 of P.L.1971, c.356 (C.56:10-10).

c. In any action or alternate dispute resolution proceeding with respect to the termination of a motor vehicle franchise, the motor vehicle franchisor shall have the burden of proving that termination of the motor vehicle franchise does not violate section 5 of P.L.1971, c.356 (C.56:10-5). In proving good cause for termination in any such action, the motor vehicle franchisor shall be limited to the grounds for termination set forth in the written notice provided for in section 5 of P.L.1971, c.356 (C.56:10-5).

d. Notwithstanding the giving of notice of termination of a motor vehicle franchise pursuant to section 5 of P.L.1971, c.356 (C.56:10-5), at any
time prior to the date on which the termination becomes effective, the motor vehicle franchisee may enter into an agreement for, and submit to the motor vehicle franchisor, notice of the transfer, assignment or sale of the motor vehicle franchise to another person. Thereupon, the motor vehicle franchisor shall proceed as provided for in section 6 of P.L.1971, c.356 (C.56:10-6). Upon approval of the transfer, assignment or sale by the motor vehicle franchisor and upon consummation of same, the notice of termination of the motor vehicle franchise shall be deemed withdrawn, and the transferee shall receive the motor vehicle franchise free and clear of all grounds for termination. Notwithstanding the terms of any notice, any court order or any other provision of law, a motor vehicle franchise termination shall not become effective while a notice of transfer, assignment or sale is pending with a motor vehicle franchisor.

C.56:10-31 Request for additional information by franchisor.

13. If a motor vehicle franchisor desires information about a transaction or a proposed transferee, in addition to that provided with the notice of intent pursuant to section 6 of P.L.1971, c.356 (C.56:10-6), the motor vehicle franchisor shall request all such additional information in writing within 15 days of receipt of the notice of intent. A request for additional information shall not extend the time within which the motor vehicle franchisor must approve or disapprove the transfer, provided that the additional information is submitted to the motor vehicle franchisor within 30 days after the additional information is requested by the motor vehicle franchisor. If the additional information is submitted to the motor vehicle franchisor more than 30 days after the request for that information, the time period for the motor vehicle franchisor to approve or disapprove the transfer shall be extended so that the motor vehicle franchisor has 30 days to approve or disapprove the transfer after receipt of the additional information.

14. This act shall take effect immediately.

Approved May 4, 2011.

AN ACT concerning employee assistance programs for certain public employees and supplementing P.L.1941, c.100 (C.34:13A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:13A-40 Definitions relative to employee assistance programs for certain public employees.

1. For the purposes of this act:
“Civil union” means a civil union as defined in section 2 of P.L.2006, c.103 (C.37:1-29).

"Employee assistance program" means a program in which a public employer provides or contracts with a service provider to provide assistance to the employer's employees and their dependents to resolve problems which may affect employee work performance, irrespective of whether the problems originate on the job, including, but not limited to, marital and family problems, emotional problems, substance abuse, compulsive gambling, financial problems, and medical problems.

"Dependent" means an employee's spouse, civil union partner, or domestic partner, an unmarried child of the employee who is less than 31 years of age and lives with the employee in a regular parent-child relationship, or an unmarried child of the employee who is not less than 31 years of age and is not capable of self support. "Child of the employee" includes any child, stepchild, legally adopted child, or foster child of the employee, or of a domestic partner or civil union partner of the employee, who is reported for coverage and dependent upon the employee for support and maintenance.

"Domestic partner" means a domestic partner as defined in section 3 of P.L.2003, c.246 (C.26:8A-3).

"Employee" means an employee of a public employer.

"Public employer" means the State of New Jersey, or the counties and municipalities thereof, or any other political subdivision of the State, or a school district, or any special district, or any authority, including a bi-state authority, or any commission, or board, or any branch or agency of the public service.

C.34:13A-41 Employee assistance programs; licensure, establishment.

2. Employee assistance programs may provide advice, counseling, treatment, referral and other assistance, except that nothing in this act shall be construed to authorize a person to provide any service in connection with an employee assistance program without holding the license required by law to provide the service. An employee assistance program may be established through a negotiated agreement between the majority representative of the employees in an appropriate bargaining unit and a public employer, or established by a public employer through the adoption of a policy which conforms to the requirements of this act.

C.34:13A-42 Prohibited actions by public employer.

3. No public employer shall take any action against an employee of the employer, including termination, because the employee or a dependent
The employee has obtained counseling, referrals or other services from an employee assistance program or has obtained treatment or other services from any program to which the employee assistance program refers the employee or dependent, unless the employee was referred by the employer to the employee assistance program due to issues related to job performance and fails to make a good faith effort to comply with the recommendations made by the employee assistance program. The provisions of this section shall not be construed as preventing the public employer from taking any action which the employer is otherwise authorized to take for workplace misconduct of the employee or poor work performance, even if the misconduct or poor performance is related to a problem for which the employee is obtaining services provided by an employee assistance program or other program to which the employee assistance program refers the employee.

C.34:13A-43 Confidentiality; waivers.

4. a. Except as provided in subsection b. of this section, each request by an employee or dependent for assistance from, referral to, participation in, or referral by, an employee assistance program shall be confidential, and no public employer, service provider or other person shall divulge to any person that an employee or dependent has requested assistance from, been referred to, or participated in, an employee assistance program or any treatment program to which the employee assistance program refers the employee or dependent. The requirement of confidentiality shall apply to all information related to an employee assistance program, including but not limited to any statements, materials, documents, evaluations, impressions, conclusions, findings, or acts taken in the course of, or in connection with, the program. If, however, a public employer documents to the employee assistance program that the employee has accepted a referral by a public employer for assistance during normal working hours with sick leave or other paid leave, the public employer shall be entitled to know whether the employee has kept his appointment and the amount of time of the appointment.

b. The requirements for confidentiality provided for in subsection a. of this section may be waived only if:

(1) the employee or dependent to whom the information applies has requested and authorized a waiver, the waiver is in writing and specifies the information to be released and the persons to whom the information may be provided; and the information released is the information authorized for release by the employee or dependent and is released only to the persons designated by the employee or dependent, provided that a public employer
may not require an employee to authorize a waiver pursuant to this subsec-
tion or take any action against an employee for not authorizing the waiver;
   (2) the employee assistance program advisor reasonably believes that
   the employee is at substantial risk of imminent death or serious bodily in-
   jury to self or others; or
   (3) the advisor is reporting suspected child abuse or neglect.
   c. The provisions of this act shall not be construed to affect other evi-
dentiary privileges and recognized exceptions.

5. This act shall take effect immediately.

CHAPTER 70

AN ACT concerning residency requirements for public officers and employ-
ees and amending R.S.52:14-7.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

1. This act shall be known and may be cited as the “New Jersey First
Act.”

2. R.S.52:14-7 is amended to read as follows:

Residency requirement for State officers, employees; exceptions.
   52:14-7. a. Every person holding an office, employment, or position
   (1) in the Executive, Legislative, or Judicial Branch of this State, or
   (2) with an authority, board, body, agency, commission, or instrument-
tality of the State including any State college, university, or other higher
educational institution, and, to the extent consistent with law, any interstate
agency to which New Jersey is a party, or
   (3) with a county, municipality, or other political subdivision of the
State or an authority, board, body, agency, district, commission, or instru-
mentality of the county, municipality, or subdivision, or
   (4) with a school district or an authority, board, body, agency, commis-
sion, or instrumentality of the district,
shall have his or her principal residence in this State and shall execute such
office, employment, or position.
This residency requirement shall not apply to any person (a) who is employed on a temporary or per-semester basis as a visiting professor, teacher, lecturer, or researcher by any State college, university, or other higher educational institution, or county or community college, or in a full or part-time position as a member of the faculty, the research staff, or the administrative staff by any State college, university, or other higher educational institution, or county or community college, that the college, university, or institution has included in the report required to be filed pursuant to this subsection, or (b) who is employed full-time by the State who serves in an office, employment, or position that requires the person to spend the majority of his or her working hours in a location outside of this State.

For the purposes of this subsection, a person may have at most one principal residence, and the state of a person's principal residence means the state (1) where the person spends the majority of his or her nonworking time, and (2) which is most clearly the center of his or her domestic life, and (3) which is designated as his or her legal address and legal residence for voting. The fact that a person is domiciled in this State shall not by itself satisfy the requirement of principal residency hereunder.

A person, regardless of the office, employment, or position, who holds an office, employment, or position in this State on the effective date of P.L.2011, c.70 but does not have his or her principal residence in this State on that effective date shall not be subject to the residency requirement of this subsection while the person continues to hold office, employment, or position without a break in public service of greater than seven days.

Any person may request an exemption from the provisions of this subsection on the basis of critical need or hardship from a five-member committee hereby established to consider applications for such exemptions. The committee shall be composed of three persons appointed by the Governor, a person appointed by the Speaker of the General Assembly, and a person appointed by the President of the Senate, each of whom shall serve at the pleasure of the person making the appointment and shall have a term not to exceed five years. A vacancy on the committee shall be filled in the same manner as the original appointment was made. The Governor shall make provision to provide such clerical, secretarial and administrative support to the committee as may be necessary for it to conduct its responsibilities pursuant to this subsection.

The decision on whether to approve an application from any person shall be made by a majority vote of the members of the committee, and those voting in the affirmative shall so sign the approved application. If the committee fails to act on an application within 30 days after the receipt
thereof, no exemption shall be granted and the residency requirement of this subsection shall be operative. The head of a principal department of the Executive Branch of the State government, a Justice of the Supreme Court, judge of the Superior Court and judge of any inferior court established under the laws of this State shall not be eligible to request from the committee an exemption from the provisions of this subsection.

The exemption provided in this subsection for certain persons employed by a State college, university, or other higher educational institution, or a county or community college, other than those employed on a temporary or per-semester basis as a visiting professor, teacher, lecturer, or researcher, shall apply only to those persons holding positions that the college, university, or institution has included in a report of those full or part-time positions as a member of the faculty, the research staff, or the administrative staff requiring special expertise or extraordinary qualifications in an academic, scientific, technical, professional, or medical field or in administration, that, if not exempt from the residency requirement, would seriously impede the ability of the college, university, or institution to compete successfully with similar colleges, universities, or institutions in other states. The report shall be compiled annually and shall also contain the reasons why the positions were selected for inclusion in the report. The report shall be compiled and filed within 60 days following the effective date of P.L.2011, c.70. The report shall be reviewed, revised as necessary, and filed by January 1 of each year thereafter. Each report shall be filed with the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), with the Legislature, and a report may be revised at any time by filing an amendment to the report with the Governor and Legislature.

As used in this section, “school district” means any local or regional school district established pursuant to chapter 8 or chapter 13 of Title 18A of the New Jersey Statutes and any jointure commission, county vocational school, county special services district, educational services commission, educational research and demonstration center, environmental education center, and educational information and resource center.

b. If any person holding any office, employment, or other position in this State shall attempt to let, farm out or transfer such office, employment, or position or any part thereof to any person, he shall forfeit the sum of fifteen hundred dollars ($1,500.00), to be recovered with costs by any person who shall sue for the same, one-half to the prosecutor and the other half to the treasurer for the use of the State.

c. No person shall be appointed to or hold any position in this State who has not the requisite qualifications for personally performing the duties
of such position in cases where scientific engineering skill is necessary to the performance of the duties thereof.

d. Any person holding or attempting to hold an office, employment, or position in violation of this section shall be considered as illegally holding or attempting to hold the same; provided that a person holding an office, employment, or position in this State shall have one year from the time of taking the office, employment, or position to satisfy the requirement of principal residency, and if thereafter such person fails to satisfy the requirement of principal residency as defined herein with respect to any 365-day period, that person shall be deemed unqualified for holding the office, employment, or position. The Superior Court shall, in a civil action in lieu of prerogative writ, give judgment of ouster against such person, upon the complaint of any officer or citizen of the State, provided that any such complaint shall be brought within one year of the alleged 365-day period of failure to have his or her principal residence in this State.

3. This act shall take effect on the first day of the fourth month after enactment.

Approved May 17, 2011.

f. When charges are pending for a crime or any other offense enumerated in this section, the employing board of education shall be notified that the candidate shall not be eligible for employment until the commissioner has made a determination regarding qualification or disqualification upon adjudication of the pending charges.

The information featured shall be updated at least monthly and include, but not be limited to, information regarding: (1) available funding sources offered by the Department of State; (2) relevant eligibility criteria applicable to such funding; (3) incorporation and, to the extent applicable, board development; (4) volunteer opportunities available with or through the Department of State; (5) links to the website pages of the various departments and State agencies that contain the information that such entities must maintain in accordance with this section; and (6) any other information the Secretary of State deems necessary. The website shall be accessible from the Department of State's designated home webpage.

b. Each State department or agency that provides resources to nonprofit organizations shall maintain in a single accessible location on its designated home website information regarding various resources available from or through that department or agency to assist those nonprofit organizations in their daily operations. The information featured shall be updated at least monthly and include, but not be limited to, information regarding: (1) available funding sources offered by the department or agency; (2) relevant eligi-
bility criteria applicable to such funding; (3) volunteer opportunities available with or through the department or agency; and (4) any other information the Secretary of State deems necessary. The website shall be accessible from the designated home website of each such department or agency.

C.52:16A-111 Establishment of formats, icons.
2. The Secretary of State, in consultation with the Chief Technology Officer, shall establish a standard format and icon for each department and agency to use to display the required information for nonprofit organizations.

CHAPTER 74

AN ACT concerning newborn screening and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2-111.3 Findings, declarations relative to newborn screening for congenital heart defects.
1. The Legislature finds and declares that:
   a. Congenital heart defects (CHDs) are structural abnormalities of the heart that are present at birth, CHDs range in severity from simple problems such as holes between chambers of the heart, to severe malformations, such as the complete absence of one or more chambers or valves; some critical CHDs can cause severe and life-threatening symptoms which require intervention within the first days of life;
   b. According to the United States Secretary of Health and Human Services’ Advisory Committee on Heritable Disorders in Newborns and
Children, congenital heart disease affects approximately seven to nine of every 1,000 live births in the United States and Europe; the federal Centers for Disease Control and Prevention states that CHD is the leading cause of infant death due to birth defects;

c. Current methods for detecting CHDs generally include prenatal ultrasound screening and repeated clinical examinations; while prenatal ultrasound screenings can detect some major congenital heart defects, these screenings, alone, identify less than half of all CHD cases, and critical CHD cases are often missed during routine clinical exams performed prior to a newborn's discharge from a birthing facility;

d. Pulse oximetry is a non-invasive test that estimates the percentage of hemoglobin in blood that is saturated with oxygen; when performed on a newborn a minimum of 24 hours after birth, pulse oximetry screening is often more effective at detecting critical, life-threatening CHDs which otherwise go undetected by current screening methods; newborns with abnormal pulse oximetry results require immediate confirmatory testing and intervention; and

e. Many newborn lives could potentially be saved by earlier detection and treatment of CHDs if birthing facilities in the State were required to perform this simple, non-invasive newborn screening in conjunction with current CHD screening methods.

C.26:2-111.4 Birthing facilities required to perform pulse oximetry screening; rules, regulations.

2. a. The Commissioner of Health and Senior Services shall require each birthing facility licensed by the Department of Health and Senior Services to perform a pulse oximetry screening, a minimum of 24 hours after birth, on every newborn in its care.

b. As used in this section, “birthing facility” means an inpatient or ambulatory health care facility licensed by the Department of Health and Senior Services that provides birthing and newborn care services.

c. The commissioner shall adopt rules and regulations, pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), necessary to carry out the purposes of this act.

3. This act shall take effect on the 90th day after enactment, but the commissioner may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved June 2, 2011.
CHAPTER 75, LAWS OF 2011

CHAPTER 75

AN ACT concerning access to beaches and amending P.L.1955, c.49.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1955, c.49 (C.40:61-22.20) is amended to read as follows:

C.40:61-22.20 Municipal control over beaches, etc.; fees.
1. a. The governing body of any municipality bordering on the Atlantic Ocean, tidal water bays or rivers which owns or shall acquire, by any deed of dedication or otherwise, lands bordering on the ocean, tidal water bays or rivers, or easement rights therein, for a place of resort for public health and recreation and for other public purposes shall have the exclusive control, government and care thereof and of any boardwalk, bathing and recreational facilities, safeguards and equipment, now or hereafter constructed or provided thereon, and may, by ordinance, make and enforce rules and regulations for the government and policing of such lands, boardwalk, bathing facilities, safeguards and equipment; provided, that such power of control, government, care and policing shall not be construed in any manner to exclude or interfere with the operation of any State law or authority with respect to such lands, property and facilities. Any such municipality may, in order to provide funds to improve, maintain and police the same and to protect the same from erosion, encroachment and damage by sea or otherwise, and to provide facilities and safeguards for public bathing and recreation, including the employment of lifeguards, by ordinance, make and enforce rules and regulations for the government, use, maintenance and policing thereof and provide for the charging and collecting of reasonable fees for the registration of persons using said lands and bathing facilities, for access to the beach and bathing and recreational grounds so provided and for the use of the bathing and recreational facilities, but no such fees shall be charged or collected from children under the age of 12 years.

b. A municipality may by ordinance provide that no fees, or reduced fees, shall be charged to:
   (1) persons 65 or more years of age;
   (2) persons who meet the disability criteria for disability benefits under Title II of the federal Social Security Act (42 U.S.C. s.401 et seq.);
(3) persons in active military service in any of the Armed Forces of the United States and to their spouse or dependent children over the age of 12 years; and

(4) persons who are active members of the New Jersey National Guard who have completed Initial Active Duty Training and to their spouse or dependent children over the age of 12 years. As used in this paragraph, "Initial Active Duty Training" means Basic Military Training, for members of the New Jersey Air National Guard, and Basic Combat Training and Advanced Individual Training, for members of the New Jersey Army National Guard.

c. A municipality providing for no fees or reduced fees pursuant to paragraph (3) or (4) of subsection b. of this section shall track, in a manner deemed appropriate by the governing body of the municipality, the number of persons who qualify under the provisions of those paragraphs.

2. This act shall take effect immediately.

Approved June 17, 2011.

CHAPTER 76
AN ACT establishing the New Jersey Alzheimer's Disease Study Commission and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2M-16 Findings, declarations relative to Alzheimer's Disease.

1. The Legislature finds and declares that:

   a. Alzheimer's disease is a progressive, degenerative, and irreversible neurological disease. It is one of a group of dementias referred to as Alzheimer's disease and related disorders that: develops over a period of years; is of undetermined origin; and is characterized by a progressive decline in intellectual or cognitive functioning that begins with gradual short-term memory loss and progresses to include a deterioration in all areas of cognition and executive functioning, such as analytical ability and reasoning, language and communication, perception and judgment, personality, and eventual inability to perform physical functions, including, but not limited to, activities of daily living such as ambulation, dressing, feeding, and bathing;

   b. According to the report of the Alzheimer's Association, 2009 Alzheimer's Disease Facts and Figures, it is estimated that 5.3 million persons in
the United States currently have Alzheimer's disease. Every 70 seconds someone develops Alzheimer's disease; by mid-century someone will develop Alzheimer's disease every 33 seconds. Men 55 years of age or older now have a one in eight chance of developing Alzheimer's disease; and women 55 years of age or older now have a one in five chance of developing Alzheimer's disease. By 2010, there will be nearly a half million new cases of Alzheimer's disease each year; and by 2050, there will be nearly a million new cases per year, and between 11 and 16 million persons with Alzheimer's disease;

c. Currently in New Jersey, by extrapolation based on age and demographics, the conservative estimate is that there are 150,000 residents with Alzheimer's disease. Because of the progressive deteriorative nature of the disease, it is necessary when considering its impact, to include a minimum of at least one primary caregiver for each person with Alzheimer's disease as also being directly impacted by the disease; accordingly, the current number of New Jersey residents directly impacted by Alzheimer's disease is 350,000;

d. Alzheimer's disease is the sixth leading cause of death in the United States. However, this ranking may be an underestimate due to both the failure to properly diagnose the patient's condition and the failure for the disease to be noted on the death certificate as the primary contributing factor to death;

e. Since a diagnosis of Alzheimer's disease cannot be determined definitively until an autopsy is performed, the disease is determined through a process of differential diagnosis that includes a comprehensive medical history and a physical examination and assessment, including blood testing, brain scans such as computerized axial tomography (CT), positron emission tomography (PET), and magnetic resonance imaging (MRI), and psychological and neurological testing;

f. Alzheimer's disease generally progresses over time in a gradual and insidious manner. Typically, persons with dementia (PWD) can live from eight to 10 years after receiving their diagnosis, but depending on the overall health status, some individuals live up to 20 years after receiving their diagnosis;

g. During this time, PWD and their families need continuous support, education, and assistance to help them identify and access proper care and support services. These specialized services can be difficult to find and very expensive, especially when the length of time the services are needed is taken into consideration. As the needs of the PWD intensify with the disease progression, there is a direct correlation to the associated burden and expense for the PWD and the person's family caregivers. Family caregivers become overwhelmed and emotionally and physically taxed by the
heavy demands associated with providing care 24 hours per day, seven days per week for their family member with Alzheimer's disease. Caregiver stress and associated health decline become of paramount consideration;

h. Frequently, family caregivers develop chronic and life impacting illnesses; older spouses may frequently pre-decease the PWD for whom they are caring. And, if caregivers are working outside the home, they may have difficulty managing family life and work responsibilities, and may lose time from work or become unable to perform their responsibilities at the level they were once able to, which can result in employment termination and loss of family income;

i. The direct and indirect costs of Alzheimer's disease and other dementias amount to more than $148 billion annually. In 2004, total per-person payments from all sources for health and long-term care were three times higher for Medicare beneficiaries 65 years of age or older with Alzheimer’s disease than for other Medicare beneficiaries in this age group; and

j. It is in the public interest for the State to establish a commission, similar to the one which was established under P.L.1983, c.352 but which has since expired, to study the current issues in the State associated with Alzheimer’s disease in order to help raise awareness about one of this country’s most significant health epidemics, to facilitate the continued development of integrated and responsive community-based services, and ease the burden of the disease on persons with Alzheimer's disease and their family members and caregivers through expanded support.

C.26:2M-17 New Jersey Alzheimer’s Disease Study Commission.

2. a. There is established the New Jersey Alzheimer's Disease Study Commission in the Department of Health and Senior Services.

b. The commission shall consist of 15 members as follows:

(1) the Commissioners of Health and Senior Services and Human Services, or their designees, who shall serve ex officio;

(2) two members of the Senate, to be appointed by the President of the Senate, who shall not be of the same political party;

(3) two members of the General Assembly, to be appointed by the Speaker of the General Assembly, who shall not be of the same political party; and

of direct services, one of whom shall be a representative of an agency that provides home care services to persons with dementia, one of whom shall be a representative of an assisted living facility that provides specialized services to persons with dementia, and one of whom shall be a representative of a licensed nursing home that provides specialized services to persons with dementia; one representative from the clergy who has experience providing emotional and spiritual care and support for persons with Alzheimer’s disease and their families; two persons who by reason of family relationship or legal guardianship bear or have borne responsibility in caring for a person with Alzheimer’s disease; and one attorney who is currently licensed and practicing in New Jersey, has expertise in legal and financial planning and elder care issues, and has extensive community-based experience working with persons with Alzheimer’s disease and their families.

c. Vacancies in the membership of the commission shall be filled in the same manner provided for the original appointments.

d. The commission shall organize as soon as practicable following the appointment of its members and shall select a chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the commission.

e. Members of the commission shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties as members of the commission, within the limits of funds appropriated or otherwise made available to the commission for its purposes.

f. The commission shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county, or municipal department, board, bureau, commission, or agency as it may require and as may be available to it for its purposes.

g. The Department of Health and Senior Service shall provide staff support to the commission, as necessary.

C.26:2M-18 Duty of the commission.

3. It shall be the duty of the commission to:

   a. study the current impact and incidence of Alzheimer’s disease among State residents, and make projections about the future impact and incidence among State residents;

   b. study the State’s role in long-term care, family caregiver support, and assistance to persons with early stage and early onset of Alzheimer’s disease;

   c. consider the capacity of public safety and law enforcement officials to respond to persons with Alzheimer’s disease and for these officials to have proper education and training;
d. study the needs of persons with Alzheimer’s disease and their family members and caregivers, assess the availability and affordability of existing services, programs, facilities, and agencies to meet those needs, and make recommendations for improving, expanding, or changing such services, programs, facilities, and agencies, as appropriate;

e. gather and disseminate data and information relative to the care of persons with Alzheimer’s disease in order to provide health care professionals and governmental policymakers, as appropriate, with accurate data about the disease and its impact on these persons and their family members and caregivers;

f. identify the adequacy, appropriateness, and best practice-based geriatric and psychiatric services and interventions; and

g. consider such other issues as the commission may identify as necessary to ease the burden for persons with Alzheimer’s disease and their family members and caregivers in the State.

4. The commission may meet and hold hearings at such places and times as it shall designate, and shall report its findings and recommendations to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), within two years of the appointment of a majority of the public members of the commission.

5. This act shall take effect immediately and shall expire upon the submission by the commission of its report.

Approved June 21, 2011.

CHAPTER 77

AN ACT concerning certain dogs, to be known as Schultz’s law, and amending P.L.1983, c.261.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1983, c.261 (C.2C:29-3.1) is amended to read as follows:
C.2C:29-3.1 Animal owned, used by law enforcement agency, search and rescue dog, infliction of harm upon, interference with officer, degree of crime, penalties.

1. Any person who purposely kills a dog, horse or other animal owned or used by a law enforcement agency or a search and rescue dog shall be guilty of a crime of the third degree, and shall be sentenced by the court to a term of imprisonment. The term of imprisonment shall include the imposition of a minimum term. The minimum term shall be fixed at five years, during which the defendant shall be ineligible for parole. In addition, the court shall impose a fine of $15,000. Any person who purposely maims or otherwise inflicts harm upon a dog, horse or other animal owned or used by a law enforcement agency or a search and rescue dog shall be guilty of a crime of the fourth degree. Any person who interferes with any law enforcement officer using an animal in the performance of his official duties commits a disorderly persons offense, subject to a sentence of six months' imprisonment, some or all of which may be community service, restitution and a $1,000.00 fine.

As used in this section, "search and rescue dog" means any dog trained or being trained for the purpose of search and rescue that is owned by an independent handler or member of a search and rescue team, and used in conjunction with local law enforcement or emergency services organizations for the purpose of locating missing persons or evidence of arson.

2. This act shall take effect immediately.

Approved June 21, 2011.

CHAPTER 78

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:66-56 is amended to read as follows:

Board of trustees, committee duties, appointment or election, terms, vacancies, oaths, voting, expenses.

18A:66-56. a. (1) Subject to the provisions of chapter 70 of the laws of 1955, the general responsibility for the proper operation of the teachers'
pension and annuity fund shall be vested in the board of trustees, and, as
specified, in the committee established pursuant to subsection b. of this sec-
tion. Subject to the limitations of the law, the board shall annually establish
rules and regulations for the administration and transaction of the board’s
and committee’s business and for the control of the funds created by this
article. Such rules and regulations shall be consistent with those adopted
by the other pension funds within the Division of Pensions and Benefits in
order to permit the most economical and uniform administration of all such
retirement systems. The committee shall adopt such regulations as pro-
vided in subsection b. of this section.

(2) The membership of the board shall consist of the following:

(a) The State Treasurer or the deputy State Treasurer, when designated
for that purpose by the State Treasurer;

(b) Two trustees appointed by the Governor, with the advice and consent
of the Senate, who shall serve for a term of office of three years and until
their successors are appointed, and who shall be private citizens of the State
of New Jersey and who are neither an officer thereof nor active or retired
members of the system, except that of the two trustees initially appointed by
the Governor pursuant to P.L.1992, c.41 (C.43:6A-33.1 et al.), one shall be
appointed for a term of two years and one for a term of three years;

(c) Three trustees from among the active or retired members of the re-
tirement system, elected by the membership or by the delegates elected for this
purpose by the membership, one of whom shall be elected each year for a
three-year term commencing on January 1, following such election in such
manner as the board of trustees may prescribe. If the board of trustees deter-
mines that the election of trustees under this subsection is to be made by dele-
gates elected by the membership, it shall prescribe that those delegates shall be
chosen from among active and retired members of the retirement system;

(d) One trustee not an active or retired teacher nor an officer of the
State, elected by the other trustees, other than the State Treasurer, for a term
of three years.

(3) A vacancy occurring in the board of trustees shall be filled in the
same manner as provided in this section for regular appointment or election
to the position where the vacancy exists, except that a vacancy occurring in
the trustees elected from among the active or retired members of the retire-
ment system shall be filled for the unexpired term.

Each member of the board shall, upon appointment or election, take an
oath of office that, so far as it devolves upon him, he will diligently and
honesty administer the board’s affairs, and that he will not knowingly vio-
late or willfully permit to be violated any provision of law applicable to this
article. The oath shall be subscribed to by the member making it, certified by the officer before whom it is taken and filed immediately in the office of the Secretary of State.

Each trustee shall be entitled to one vote in the board and a majority of all the votes of the entire board shall be necessary for a decision by the board of trustees at a meeting of the board or committee. The board shall keep a record of all its proceedings, which shall be open to public inspection.

The members of the board shall serve without compensation but shall be reimbursed for any necessary expenditures. No employee shall suffer loss of salary or wages through serving on the board.

(4) The State Treasurer shall designate a medical board after consultation with the Director of the Division of Pensions and Benefits, subject to veto by the board for valid reason. It shall be composed of three physicians who are not eligible to participate in the retirement system. The medical board shall pass upon all medical examinations required under the provisions of this article, shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement, and shall report in writing to the retirement system its conclusions and recommendations upon all matters referred to it.

b. There is established a committee to be composed of eight members, four of whom shall be appointed by the Governor as representatives of public employers whose employees are enrolled in the retirement system, three of whom shall be appointed by the head of the union representing the greatest number of members of the retirement system having union membership, and one of whom shall be appointed by the head of the union representing the second greatest number of members of the retirement system having union membership. The members of the committee shall not be appointed until the system, or part of the system, attains the target funded ratio.

The members of the committee shall serve for a term of three years and until a successor is appointed and qualified. Of the initial appointments by the Governor, two members shall serve for two years and until a successor is appointed and qualified, and one shall serve for one year and until a successor is appointed and qualified. Of the initial appointments by the head of the union representing the greatest number of members of the retirement system, one member shall serve for two years and until a successor is appointed and qualified, and one shall serve for one year and until a successor is appointed and qualified.

The members of the committee shall select a chairperson from among the members, who shall serve for a term of one year, with no member serving more than one term, until all the members of the committee have served
a term in a manner alternating among the employer representatives and employee
representatives, unless the committee determines otherwise with regard to this
process.

The provisions of paragraph (3) of subsection a. of this section, and
N.J.S.18A:66-60, shall apply to the committee and its members, as appro-
priate.

Upon the convening of any meeting of the committee, the members
shall consider a motion to assume the authority provided in this subsection
and shall proceed only if a majority of the members of the committee vote
in the affirmative on that motion.

The committee may contract with such actuaries or consultants, or
both, in accordance with the provisions of P.L.1954, c.48 (C.52:34-6 et
seq.), as the committee may deem necessary to perform its duties, when the
system or part of the system has attained the target funded ratio.

When the retirement system, or a part of the system, has attained the
target funded ratio as defined in section 27 of P.L.2011, c.78 (C.43:3C-16),
the committee shall have the discretionary authority for the system or for
that part, as appropriate, to (1) modify the: member contribution rate; for-
mula for calculation of final compensation; the fraction of compensation
applied to service credited after the modification; age at which a member
may be eligible for and the benefits for service or early retirement; and
benefits provided for disability retirement; and (2) activate the application
of the “Pension Adjustment Act,” P.L.1958, c.143 (C.43:3B-1 et seq.) for
retirees for the period that the system or part is at or above the target funded
ratio and modify the basis for the calculation of the adjustment and set the
duration and extent of the activation. The committee shall give priority
consideration to subparagraph (2) of this paragraph. The committee shall
not have the authority to change the years of creditable service required for
vesting.

The committee may consider a matter described above and render a
decision notwithstanding that the provisions of the statutory law may set
forth a specific requirement on that matter.

The committee may consider a matter described above and render a
decision notwithstanding that the provisions of the statutory law do not set
forth a specific requirement on the considered aspect of that matter or ad-
dress that matter at all.

The members of the committee shall have the same duty and responsi-
bility to the retirement system as do the members of the board of trustees.
No decision of the committee shall be implemented if the direct or indirect
result of the decision will be that the system’s or part’s funded ratio falls
below the target funded ratio in any valuation period during the 30 years following the implementation of the decision. The actuary of the fund shall make a determination of the result in that regard and submit that determination in a written report to the committee and the board prior to the implementation of the decision.

If any matter before the committee receives at least five votes in the affirmative, the board of trustees shall approve and implement the committee’s decision.

If any matter regarding benefits before the committee receives four votes in the affirmative and four votes in the negative or the committee otherwise reaches an impasse on a decision, the provisions of section 33 of P.L.2011, c.78 (C.43:3C-17) shall be followed.

A final action of the committee shall be made by the adoption of a regulation that shall identify the modifications to the system by reference to statutory section. The regulations shall also specify the effective date of the modification and the system members, including beneficiaries and retirees, to whom the modification applies. Regulations of the committee are considered to be part of the plan document for the system. A regulation adopted by the committee may be modified by regulation in order to comply with the requirements of this section.

b. No member of the board, committee, employee of the board, or employee of the Division of Pensions and Benefits in the Department of the Treasury shall accept from any person, whether directly or indirectly and whether by himself or through his spouse or any member of his family, or through any partner or associate, any gift, favor, service, employment or offer of employment, or any other thing of value, including contributions to the campaign of a member or employee as a candidate for elective public office, which he knows or has reason to believe is offered to him with intent to influence him in the performance of his public duties and responsibilities. As used in this paragraph, “person” means an (1) individual or business entity, or officer or employee of such an entity, who is seeking, or who holds, or who held within the prior three years, a contract with the board; (2) an active or retired member, or beneficiary, of the retirement system; or (3) an entity, or officer or employee of such an entity, in which the assets of the retirement system have been invested. A board or committee member or employee violating this prohibition shall be guilty of a crime of the third degree.

2. Section 29 of P.L.1973, c.140 (C.43:6A-29) is amended to read as follows:
C.43:6A-29 State House Commission, operation of system.

29. a. Subject to the provisions of P.L.1955, c.70 (C.52:18A-95 to 52:18A-104), the general responsibility for the proper operation of the retirement system is hereby vested in the State House Commission.

b. Except as otherwise herein provided, no member of the State House Commission shall have any direct interest in the gains or profits of any investments of the retirement system, nor shall any member of the State House Commission directly or indirectly, for himself or as an agent in any manner use the moneys of the retirement system, except to make such current and necessary payments as are authorized by the commission; nor shall any member of the State House Commission become an endorser or surety, or in any manner an obligor for moneys loaned to or borrowed from the retirement system.

c. For purposes of this act, each member of the State House Commission shall be entitled to one vote and a majority vote of all members shall be necessary for any decision by the commission at any meeting of said commission.

d. Subject to the limitations of this act, the State House Commission shall annually establish rules and regulations for the administration of the funds created by this act and for the transaction of its business. Such rules and regulations shall be consistent with those adopted by the other pension funds within the Division of Pensions and Benefits in order to permit the most economical and uniform administration of all such retirement systems.

e. The actuary of the system shall be selected by the Retirement Systems Actuary Selection Committee established by P.L.1992, c.125. He shall be the technical adviser of the commission on matters regarding the operation of the funds created by the provisions of this act and shall perform such other duties as are required in connection herewith.

f. The Attorney General shall be the legal adviser of the retirement system, except that if the Attorney General determines that a conflict of interest would affect the ability of the Attorney General to represent the commission on a matter affecting the retirement system, the commission may select and employ legal counsel to advise and represent the commission on that matter.

g. The Director of the Division of Pensions and Benefits of the State Department of the Treasury shall be the secretary of the commission for purposes pertaining to the provisions of this act.

A committee shall give priority consideration to subparagraph (2) of this paragraph. A committee shall not have the authority to change the years of creditable service required for vesting.

A final action of the committee shall be made by the adoption of a regulation that shall identify the modifications to the system by reference to statutory section. The regulations shall also specify the effective date of the modification and the system members, including beneficiaries and retirees, to whom the modification applies. Regulations of the committee are considered to be part of the plan document for the system. Upon the convening of any meeting of the committee, the members shall consider a motion to assume the authority provided in this subsection and shall proceed only if a majority of the members of the committee vote in the affirmative on that motion.

The committee may contract with such actuaries or consultants, or both, in accordance with the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), as the committee may deem necessary to perform its duties, when the system has attained the target funded ratio.
When the retirement system has attained the target funded ratio as defined in section 27 of P.L.2011, c.78 (C.43:3C-16), the committee shall have the discretionary authority for the system to (1) modify the member contribution rate; formula for calculation of final compensation or final salary; age at which a member may be eligible for and the benefits for service or special retirement; and benefits provided for disability retirement; and (2) activate the application of the "Pension Adjustment Act," P.L.1958, c.143 (C.43:3B-1 et seq.) for retirees for the period that the system is at or above the target funded ratio and modify the basis for the calculation of the adjustment and set the duration and extent of the activation. The committee shall give priority consideration to subparagraph (2) of this paragraph. The committee shall not have the authority to change the years of creditable service required for vesting.

The committee may consider a matter described above and render a decision notwithstanding that the provisions of the statutory law may set forth a specific requirement on that matter.

The committee may consider a matter described above and render a decision notwithstanding that the provisions of the statutory law do not set forth a specific requirement on the considered aspect of that matter or address that matter at all.

The members of the committee shall have the same duty and responsibility to the retirement system as do the members of the board of trustees. No decision of the committee shall be implemented if the direct or indirect result of the decision will be that the system's funded ratio falls below the target funded ratio in any valuation period during the 30 years following the implementation of the decision. The actuary of the fund shall make a determination of the result in that regard and submit that determination in a written report to the committee and the board prior to the implementation of the decision.

If any matter before the committee receives at least five votes in the affirmative, the board of trustees shall approve and implement the committee's decision.

If any matter regarding benefits before the committee receives four votes in the affirmative and four votes in the negative or the committee otherwise reaches an impasse on a decision, the provisions of section 33 of P.L.2011, c.78 (C.43:3C-17) shall be followed.

A final action of the committee shall be made by the adoption of a regulation that shall identify the modifications to the system by reference to statutory section. The regulations shall also specify the effective date of the modification and the system members, including beneficiaries and retirees,
to whom the modification applies. Regulations of the committee are considered to be part of the plan document for the system. A regulation adopted by the committee may be modified by regulation in order to comply with the requirements of this section.

p. No member of the board, committee, employee of the board, or employee of the Division of Pensions and Benefits in the Department of the Treasury shall accept from any person, whether directly or indirectly and whether by himself or through his spouse or any member of his family, or through any partner or associate, any gift, favor, service, employment or offer of employment, or any other thing of value, including contributions to the campaign of a member or employee as a candidate for elective public office, which he knows or has reason to believe is offered to him with intent to influence him in the performance of his public duties and responsibilities. As used in this subsection, “person” means an (1) individual or business entity, or officer or employee of such an entity, who is seeking, or who holds, or who held within the prior three years, a contract with the board; (2) an active or retired member, or beneficiary, of the retirement system; or (3) an entity, or officer or employee of such an entity, in which the assets of the retirement system have been invested. A board or committee member or employee violating this prohibition shall be guilty of a crime of the third degree.

In the event that a member ceases to hold a position as a law enforcement officer although continuing his employment in a position covered by the Public Employees' Retirement System, his rate of contribution shall be fixed in accordance with the rates applicable at that time to persons becoming members who are not law enforcement officers, except that his age at the time of becoming a permanent full-time employee of the State shall be used in determining his rate of contribution. 13. Section 3 of P.L.2001, c.259 (C.43:15A-144) is amended to read as follows:

C.43:15A-144 Separate accounts, contributions.

3. a. Notwithstanding the provisions of section 25 of P.L.1954, c.84 (C.43:15A-25) to the contrary, a separate account shall be established in the annuity savings fund for each workers compensation judge and all contributions based on the judge's salary shall be credited to this account. This account shall be separate from any other account that the member may have as a result of other public service covered by the retirement system.

b. A workers compensation judge shall contribute at a rate equal to 5% of the judge's salary, which contribution shall be deducted from the salary at the time or times it is paid, and which shall be exclusive of any other contribution required of the member for Social Security, contributory death benefits or deductions for any other purpose. The contribution rate shall be 6.5% of the judge's salary on and after the effective date of P.L.2011, c.78, with an addi-
tional contribution of 1% to be phased in in equal increments over a period of seven years commencing with the first year following that effective date.

c. A workers compensation judge who is enrolled on the basis of other public service before, during, or after service as a judge of compensation shall contribute for such other service at the rate of contribution required of other members as provided by section 25.

14. Section 3 of P.L.2001, c.366 (C.43:15A-157) is amended to read as follows:

C.43:15A-157 Separate account for each prosecutor, rate.

3. a. Notwithstanding the provisions of section 25 of P.L.1954, c.84 (C.43:15A-25) to the contrary, a separate account shall be established in the annuity savings fund for each prosecutor and all contributions based on the prosecutor's salary shall be credited to this account.

b. A prosecutor shall contribute at a rate established by the board, which contribution shall be deducted from the salary at the time or times it is paid, and which shall be exclusive of any other contribution required of the prosecutor for Social Security, contributory death benefits or deductions for any other purpose. The contribution rate shall be 10% of the prosecutor's salary on and after the effective date of P.L.2011, c.78.

c. A prosecutor who is enrolled on the basis of other public service before, during, or after service as a prosecutor shall contribute for such other service at the rate of contribution required of other members as provided by section 25.

15. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as follows:

C.43:16A-15 Contributions, expenses of administration.

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be 8.5% of compensation. Members of the retirement system shall contribute 10% of compensation to the system on and after the effective date of P.L.2011, c.78.

(3) (Deleted by amendment, P.L.1989, c.204).

(4) Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute annually, beginning as of June 30, 1991, the amount of contribution which shall be the
normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

(5) (Deleted by amendment, P.L.1989, c.204).

(6) (Deleted by amendment, P.L.1994, c.62.)

(7) Each employer shall cause to be deducted from the salary of each member the percentage of earnable compensation prescribed in subsection (2) of this section. To facilitate the making of deductions, the retirement system may modify the amount of deduction required of any member by an amount not to exceed 1/10 of 1% of the compensation upon which the deduction is based.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability as of June 30, 1991 under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if the contribution is paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for the 10 valuation years following valuation year 1991 shall serve
to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2018 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2028 actuarial valuation, when the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if the contribution is paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve
to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2018 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2028 actuarial valuation, when the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1995 shall be the full market value of the assets as of that date and, with respect to the valuation assets allocated to the State, shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the percentage
of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1998 for the State shall be 100% and for other employers shall be 57% plus such additional percentage as is equivalent to $150,000,000. Notwithstanding the first sentence of this paragraph, the amount of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1999 shall include an additional amount of the market value of the assets sufficient to fund (1) the unfunded accrued liability for the supplementary "special retirement" allowances provided under subsection b. of section 16 of P.L.1964, c.241 (C.43:16A-11.1) and (2) the unfunded accrued liability for the full credit toward benefits under the retirement system for service credited in the Public Employees' Retirement System and transferred pursuant to section 1 of P.L.1993, c.247 (C.43:16A-3.8) and the reimbursement of the cost of any credit purchase pursuant to section 3 of P.L.1993, c.247 (C.43:16A-3.10) provided under section 1 of P.L.2001, c.201 (C.43:16A-3.14).

"Excess valuation assets" means, with respect to the valuation assets allocated to the State, the valuation assets allocated to the State for a valuation period less the actuarial accrued liability of the State for the valuation period, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero. "Excess valuation assets" means, with respect to the valuation assets allocated to other employers, the valuation assets allocated to the other employers for a valuation period less the actuarial accrued liability of the other employers for the valuation period, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1993, c.99 for the other employers, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999,
c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending June 30, 1995, the normal contributions payable by the State or by the other employers for the valuation periods ending June 30, 1995, and June 30, 1996 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke.

If there are excess valuation assets allocated to the other employers for the valuation period ending June 30, 1998, the accrued liability contributions payable by the other employers for the valuation period ending June 30, 1997 shall be reduced to the extent possible by the excess valuation assets allocated to the other employers.

If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after June 30, 1998, the State Treasurer may reduce the normal contribution payable by the State or by other employers for the next valuation period as follows:

(1) for valuation periods ending June 30, 1996 through June 30, 2000, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;

(2) for the valuation period ending June 30, 2001, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

(3) for the valuation period ending June 30, 2002, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and
(4) for valuation periods ending June 30, 2003 through June 30, 2007, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

Notwithstanding the discretion provided to the State Treasurer in the previous paragraph to reduce the amount of the normal contribution payable by employers other than the State, the State Treasurer shall reduce the amount of the normal contribution payable by employers other than the State by $150,000,000 in the aggregate for the valuation period ending June 30, 1998, and then the State Treasurer may reduce further pursuant to the provisions of the previous paragraph the normal contribution payable by such employers for that valuation period.

The normal and accrued liability contributions shall be certified annually by the retirement system and shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

Notwithstanding the preceding sentence, the normal and accrued liability contributions to be included in the budget of and paid by the employer other than the State shall be as follows: for the payment due in the State fiscal year ending on June 30, 2004, 20% of the amount certified by the retirement system; for the payment due in the State fiscal year ending on June 30, 2005, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 40%; for the payment due in the State fiscal year ending on June 30, 2006, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 60%; and for the payment due in the State fiscal year ending on June 30, 2007, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 80%.

The State Treasurer shall reduce the normal and accrued liability contributions payable by employers other than the State to 50 percent of the amount certified annually by the retirement system for payments due in the State fiscal year ending June 30, 2009. An employer that elects to pay the reduced normal and accrued liability contribution shall adopt a resolution, separate and apart from other budget resolutions, stating that the employer needs to pay the reduced contribution and providing an explanation of that need which shall include (1) a description of its inability to meet the levy cap without jeopardizing public safety, health, and welfare or without jeopardizing the fiscal stability of the employer, or (2) a description of another condition that offsets the long term fiscal impact of the payment of the reduced contribution. An employer also shall document those actions it has taken to reduce its operating costs, or provide a description of relevant an-
anticipated circumstances that could have an impact on revenues or expenditures. This resolution shall be submitted to and approved by the Local Finance Board after making a finding that these fiscal conditions are valid and affirming the findings contained in the employer resolution.

An employer that elects to pay 100 percent of the amount certified by the retirement system for the State fiscal year ending June 30, 2009 shall be credited with such payment and any such amounts shall not be included in the employer's unfunded liability.

The actuaries for the retirement system shall determine the unfunded liability of the retirement system, by employer, for the reduced normal and accrued liability contributions provided under P.L.2009, c.19. This unfunded liability shall be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the State fiscal year ending June 30, 2012 and shall be adjusted by the rate of return on the actuarial value of assets.

The retirement system shall annually certify to each employer the contributions due to the contingent reserve fund for the liability under P.L.2009, c.19. The contributions certified by the retirement system shall be paid by the employer to the retirement system on or before the date prescribed by law for payment of employer contributions for basic retirement benefits. If payment of the full amount of the contribution certified is not made within 30 days after the last date for payment of employer contributions for basic retirement benefits, interest at the rate of 10% per year shall be assessed against the unpaid balance on the first day after the thirtieth day.

(10) The treasurer or corresponding officer of the employer shall pay to the State Treasurer no later than April 1 of the State's fiscal year in which payment is due the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds, of the retirement system.

If payment of the full amount of the employer's obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.
(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be included with the certification by the retirement system of the employer's contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) (Deleted by amendment, P.L.1992, c.125.)

(14) Commencing with valuation year 1991, with payment to be made in Fiscal Year 1994, the Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the retirement system an amount equal to 1.1% of the compensation of the members of the system for the valuation year to fund the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.1979, c.109.

(15) If the valuation assets are insufficient to fund the normal and accrued liability costs attributable to P.L.1999, c.428 (C.43:16A-15.8 et al.) as provided hereinabove, the normal and unfunded accrued liability contributions required to fund these costs for the State and other employers shall be paid by the State.

(16) The savings realized as a result of the amendments to this section by P.L.2001, c.44 in the payment of normal contributions computed by the actuary for the valuation periods ending June 30, 1998 for employers other than the State shall be used solely and exclusively by a county or municipality for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate. The Director of the Division of Local Government Services in the Department of Community Affairs shall certify for each year that each county or municipality has complied with the requirements set forth herein. If the director finds that a county or municipality has not used the savings solely and exclusively for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate, the director shall direct the county or municipal governing body, as appropriate, to make corrections to its budget.
16. Section 38 of P.L. 1965, c. 89 (C. 53: 5A-38) is amended to read as follows:

C.53:5A-38 Payroll deductions; amount.

There shall be deducted from the payroll of each active member of the system 7 1/2% of the amount of his salary, which shall be turned over to the State Treasurer and be credited by him to the account of the State Police Retirement System. Members of the retirement system shall contribute 9% of salary to the system on and after the effective date of P.L. 2011, c. 78.

The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act.

17. N.J.S. 18A: 66-37 is amended to read as follows:

Early retirement.

18A: 66-37. Should a member resign after having established 25 years of creditable service before reaching age 60, or before reaching the age of 62 if the person became a member of the retirement system on or after the effective date of P.L. 2008, c. 89, or after having established 30 years of creditable service before reaching the age of 65 if the person became a member of the retirement system on or after the effective date of P.L. 2011, c. 78, the member may elect "early retirement," provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof the member desires to be retired. The member shall receive, in lieu of the payment provided in N.J.S. 18A: 66-34, an annuity which is the actuarial equivalent of the member's accumulated deductions and a pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 1/64 of the member's final compensation for each year of service credited as class A service and 1/55 of the member's final compensation for each year of service credited as class B service, or for a person who becomes a member of the retirement system on or after the effective date of P.L. 2010, c. 1 1/60 of final compensation for each year of service credited as class B service, calculated in accordance with N.J.S. 18A: 66-44, reduced:
(a) by 1/4 of 1% for each month that the member lacks of being age 55; or

(b) for a person who becomes a member of the retirement system on or after July 1, 2007, by 1/4 of 1% for each month that the member lacks of being age 55 and by 1/12 of 1% for each month that the member lacks of being age 60 but over age 55;

(c) for a person who becomes a member of the retirement system on or after the effective date of P.L.2008, c.89, by 1/4 of 1% for each month that the member lacks of being age 55 and by 1/12 of 1% for each month that the member lacks of being age 62 but over age 55; or

(d) for a person who becomes a member of the retirement system on or after the effective date of P.L.2011, c.78, by 1/4 of 1% for each month that the member lacks of being age 65; provided, however, that upon the receipt of proper proofs of the death of such a member there shall be paid to the member's beneficiary an amount equal to 3/16 of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service or in the year of the member's highest contractual salary, whichever is higher.

Subparagraph (b) or (c) of this section shall not apply to a person who at the time of enrollment in the retirement system on or after July 1, 2007 transfers service credit from another State-administered retirement system pursuant to N.J.S.18A:66-15.1, but shall apply to a former member of the retirement system who has been granted a retirement allowance and is reenrolled in the retirement system on or after July 1, 2007 pursuant to N.J.S.18A:66-53.2 after becoming employed again in a position that makes the person eligible to be a member of the retirement system.

The board of trustees shall retire the member at the time specified or at such other time within one month after the date so specified as the board finds advisable.

18. Section 41 of P.L.1954, c.84 (C.43:15A-41) is amended to read as follows:

C.43:15A-41 Withdrawal from service; early retirement; death benefits.

41. a. A member who withdraws from service or ceases to be an employee for any cause other than death or retirement shall, upon the filing of an application therefor, receive all of his accumulated deductions standing to the credit of his individual account in the annuity savings fund, plus regular interest, less any outstanding loan, except that for any period after June 30, 1944, the interest payable shall be such proportion of the interest determined
at the regular rate of 2% per annum bears to the regular rate of interest, and except that no interest shall be payable in the case of a member who has less than three years of membership credit for which he has made contributions. He shall cease to be a member two years from the date he discontinued service as an eligible employee, or, if prior thereto, upon payment to him of his accumulated deductions. If any such person or member shall die before withdrawing or before endorsing the check constituting the return of his accumulated deductions, such deductions shall be paid to the member's beneficiary. No member shall be entitled to withdraw the amounts contributed by his employer covering his military leave unless he shall have returned to the payroll and contributed to the retirement system for a period of 90 days.

b. Should a member resign after having established 25 years of creditable service before reaching age 60, or before reaching age 62 if the person became a member of the retirement system on or after the effective date of P.L.2008, c.89, or after having established 30 years of creditable service before reaching the age of 65 if the person became a member of the retirement system on or after the effective date of P.L.2011, c.78, he may elect "early retirement," provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in subsection a. of this section, an annuity which is the actuarial equivalent of his accumulated deductions together with regular interest, and a pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 1/64 of final compensation for each year of service credited as Class A service and 1/55 of final compensation for each year of service credited as Class B service, or for a person who becomes a member of the retirement system on or after the effective date of P.L.2010, c.1 1/60 of final compensation for each year of service credited as Class B service, calculated in accordance with section 48 (C.43:15A-48) of this act, reduced:

(a) by 1/4 of 1% for each month that the member lacks of being age 55; or

(b) for a person who becomes a member of the retirement system on or after July 1, 2007, by 1/4 of 1% for each month that the member lacks of being age 55 and by 1/12 of 1% for each month that the member lacks of being age 60 but over age 55;

(c) for a person who becomes a member of the retirement system on or after the effective date of P.L.2008, c.89, by 1/4 of 1% for each month that the member lacks of being age 55 and by 1/12 of 1% for each month that the member lacks of being age 62 but over age 55; or
(d) for a person who becomes a member of the retirement system on or after the effective date of P.L.2011, c.78, by 1/4 of 1% for each month that the member lacks of being age 65; provided, however, that upon the receipt of proper proofs of the death of such a member there shall be paid to his beneficiary an amount equal to three-sixteenths of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

Paragraph (b) or (c) of this subsection shall not apply to a person who at the time of enrollment in the retirement system on or after July 1, 2007 transfers service credit from another State-administered retirement system pursuant to section 14 of P.L.1954, c.84 (C.43:15A-14), but shall apply to a former member of the retirement system who has been granted a retirement allowance and is reenrolled in the retirement system on or after July 1, 2007 pursuant to section 27 of P.L.1966, c.217 (C.43:15A-57.2) after becoming employed again in a position that makes the person eligible to be a member of the retirement system.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

c. Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section 49 there shall be paid to such member's beneficiary:

1. The member's accumulated deductions at the time of death together with regular interest; and

2. An amount equal to one and one-half times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

19. Section 16 of P.L.1964, c.241 (C.43:16A-11.1) is amended to read as follows:

C.43:16A-11.1 Special retirement; allowance; death benefits.

16. a. Should a member resign after having established 25 years of creditable service, he may elect "special retirement," provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 11, a retirement allowance which shall consist of:
(1) An annuity which shall be the actuarial equivalent of his aggregate contributions, and

(2) A pension in the amount which, when added to the member's annuity, will provide (a) for a person who is a member on the effective date of P.L.2011, c.78, a total retirement allowance of 65% of final compensation, plus 1% of final compensation multiplied by the number of years of creditable service over 25 but not over 30 or (b) for a person who becomes a member of the retirement system after that effective date, a total retirement allowance of 60% of final compensation, plus 1% of final compensation multiplied by the number of years of creditable service over 25 but not over 30; provided, however, that any member who has earned, prior to July 1, 1979, more than 30 years of creditable service, shall receive an additional 1% of his final compensation for each year of his creditable service over 30.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

Upon the receipt of proper proofs of the death of such a retired member, there shall be paid to his beneficiary an amount equal to one-half of the final compensation received by the member.

b. The "special retirement" allowance payable under subsection a. of this section to any person who retired under the retirement system prior to December 20, 1989 shall be increased by an amount equal to 5% of the person's final compensation or by such lesser amount as would, if added to the allowance payable at the time of retirement, provide a total retirement allowance of 70% of final compensation, except that in the case of such a retirant who retired on or after July 1, 1979 and had earned prior to that date more than 30 years of creditable service, the amount of the increase shall be equal to 5% of the person's final compensation irrespective of the total retirement allowance which such an increase would provide. The provisions of this subsection shall not be construed either to require a reduction in the retirement allowance payable to any retirant or to provide for the payment of any adjustment in such an allowance with respect to any period of time prior to the first day of the month following that effective date.

20. N.J.S.18A:66-18 is amended to read as follows:

Contingent reserve fund.

18A:66-18. The contingent reserve fund shall be the fund in which shall be credited contributions made by the State and other employers.
a. Upon the basis of the tables recommended by the actuary which the board of trustees adopts and regular interest, the actuary of the board shall compute annually, beginning as of March 31, 1992, the amount of contribution which shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

b. Upon the basis of the tables recommended by the actuary which the board of trustees adopts and regular interest, the actuary of the board shall annually determine if there is an amount of the accrued liability of the retirement system, computed under the projected unit credit method, including the liability for pension adjustment benefits for active employees funded pursuant to section 2 of P.L.1987, c.385 (C.18A:66-18.1), which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2019 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2029 actuarial valuation, when the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the
amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending March 31, 1996 shall be the full market value of the assets as of that date and shall include the proceeds from the bonds issued pursuant to the “Pension Bond Financing Act of 1997,” P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1999 shall be the full market value of the assets as of that date.

"Excess valuation assets" for a valuation period means:

1. the valuation assets; less

2. the actuarial accrued liability for basic benefits and pension adjustment benefits, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1991, c.231 and P.L.1993, c.163 for employers other than the State; less

3. the contributory group insurance premium fund created by N.J.S.18A:66-77; less

4. the post-retirement medical premium fund created pursuant to section 2 of P.L.1987, c.385 (C.18A:66-18.1), as amended by section 3 of P.L.1994, c.62; less

5. the present value of the projected total normal cost for pension adjustment benefits in excess of the projected total phased-in normal cost for pension adjustment benefits as originally authorized by section 2 of P.L.1987, c.385 (C.18A:66-18.1) over the full phase-in period, determined in the manner pre-
scribed for the determination and amortization of the unfunded accrued liability of the system, if the sum of the foregoing items is greater than zero.

If there are excess valuation assets for the valuation period ending March 31, 1996, the normal contributions for the valuation periods ending March 31, 1996 and March 31, 1997 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets, provided that the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke, and provided further that the normal contribution for the valuation period ending March 31, 1996 shall not be less than $54,000,000. If there are excess valuation assets for a valuation period ending after March 31, 1996, the State Treasurer may reduce the normal contribution payable for the next valuation period as follows:

1. For valuation periods ending March 31, 1997 through March 31, 2001, to the extent possible by up to 100% of the excess valuation assets;
2. For the valuation period ending March 31, 2002, to the extent possible by up to 84% of the excess valuation assets;
3. For the valuation period ending March 31, 2003, to the extent possible by up to 68% of the excess valuation assets; and
4. For valuation periods ending March 31, 2004 through June 30, 2007, to the extent possible by up to 50% of the excess valuation assets.

For calendar years 1998 and 1999, the rate of contribution of members of the retirement system under N.J.S.18A:66-29 shall be reduced by 1/2 of 1% from excess valuation assets. For calendar years 2000 and 2001, the rate of contribution of members of the retirement system shall be reduced equally with normal contributions to the extent possible, but not more than 1/2 of 1%, from excess valuation assets. Thereafter, through calendar year 2007, the rate of contribution of members of the retirement system under that section for a calendar year shall be reduced equally with normal contributions to the extent possible, but not by more than 2%, from excess valuation assets if the State Treasurer determines that excess valuation assets shall be used to reduce normal contributions by the State for the fiscal year beginning immediately prior to the calendar year, and excess valuation assets above the amount necessary to fund the reduction for that calendar year in the member contribution rate plus an equal reduction in the normal contribution shall be available for the further reduction of normal contributions, subject to the limitations prescribed by this subsection.
If there are excess valuation assets after reductions in normal contribu-
tions and member contributions as authorized in the preceding paragraphs for
a valuation period beginning with the valuation period ending June 30, 1999,
an amount of excess valuation assets not to exceed the amount of the member
collections for the fiscal year in which the normal contributions are pay-
able shall be credited to the benefit enhancement fund. The amount of excess
valuation assets credited to the benefit enhancement fund shall not exceed the
present value of the expected additional normal contributions attributable to
the provisions of P.L.2001, c.133 payable on behalf of the active members
over the expected working lives of the active members in accordance with
the tables of actuarial assumptions for the valuation period. No additional
excess valuation assets shall be credited to the benefit enhancement fund af-
after the maximum amount is attained. Interest shall be credited to the benefit
enhancement fund as provided under N.J.S.18A:66-25.

The normal contribution for the increased benefits for active members
under P.L.2001, c.133 shall be paid from the benefit enhancement fund. If
assets in the benefit enhancement fund are insufficient to pay the normal
contribution for the increased benefits for a valuation period, the State shall
pay the amount of normal contribution for the increased benefits not cov-
ered by assets from the benefit enhancement fund.

c. (Deleted by amendment, P.L.1992, c.125.)
d. The retirement system shall certify annually the aggregate amount
payable to the contingent reserve fund in the ensuing year, which amount
shall be equal to the sum of the amounts described in this section, and
which shall be paid into the contingent reserve fund in the manner provided
e. Except as provided in N.J.S.18A:66-26 and N.J.S.18A:66-53, the
death benefits payable under the provisions of this article upon the death of
an active or retired member shall be paid from the contingent reserve fund.
f. The disbursements for benefits not covered by reserves in the sys-
tem on account of veterans shall be met by direct contribution of the State.

21. Section 33 of P.L.1973, c.140 (C.43:6A-33) is amended to read as
follows:

C.43:6A-33 Computation of contributions; valuation of assets; contingent reserve
fund.

33. a. Upon the basis of the tables recommended by the actuary which
the commission adopts and regular interest, the actuary shall compute an-
nually, beginning as of June 30, 1992, the amount of the contribution which
shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

b. Upon the basis of the tables recommended by the actuary which the commission adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability of the retirement system, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the commission and the actuary, the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2019 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2029 actuarial valuation, when the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.
The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1996 shall be the full market value of the assets as of that date and shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system.

"Excess valuation assets" means the valuation assets for a valuation period less the actuarial accrued liability for the valuation period, if the sum is greater than zero. If there are excess valuation assets for the valuation period ending June 30, 1996, the normal contributions for the valuation periods ending June 30, 1996 and June 30, 1997 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets, provided that the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke. If there are excess valuation assets for a valuation period ending after June 30, 1996, the State Treasurer may reduce the normal contribution payable for the next valuation period as follows:

1. for valuation periods ending June 30, 1997 through June 30, 2001, to the extent possible by up to 100% of the excess valuation assets;
2. for the valuation period ending June 30, 2002, to the extent possible by up to 84% of the excess valuation assets;
3. for the valuation period ending June 30, 2003, to the extent possible by up to 68% of the excess valuation assets; and
4. for valuation periods ending June 30, 2004 through June 30, 2007, to the extent possible by up to 50% of the excess valuation assets.
c. The actuary shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in this section. The State shall pay into the contingent reserve fund during the ensuing year the amount so determined.

The cash death benefits, payable as the result of contribution by the State under the provisions of this act upon the death of a member in active service and after retirement, shall be paid from the contingent reserve fund.

d. (Deleted by amendment, P.L.1992, c.125.)

22. Section 24 of P.L.1954, c.84 (C.43:15A-24) is amended to read as follows:

24. The contingent reserve fund shall be the fund in which shall be credited contributions made by the State and other employers.

a. Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute annually, beginning as of March 31, 1992, the amount of contribution which shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

b. With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability of the retirement system as of March 31, 1992 under the projected unit credit method, excluding the liability for pension adjustment benefits for active employees funded pursuant to section 2 of P.L.1990, c.6 (C.43:15A-24.1), which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as a result of actuarial losses or
gains for the 10 valuation years following valuation year 1992 shall serve to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2019 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2029 actuarial valuation, when the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the commission adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability of the retirement system, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the commission and the actuary, the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial
losses or gains for subsequent valuation years shall serve to increase or de­
crease, respectively, the amortization period for the unfunded accrued liabil­
ity, unless an increase in the amortization period will cause it to exceed 30
years. If an increase in the amortization period as a result of actuarial losses
for a valuation year would exceed 30 years, the accrued liability contribution
shall be computed for the valuation year in the same manner provided for the
computation of the initial accrued liability contribution under this section.
Beginning with the July 1, 2019 actuarial valuation, the accrued liability con­
tribution shall be computed so that if the contribution is paid annually in level
dollars, it will amortize this unfunded accrued liability over a closed 30-year
period. Beginning with the July 1, 2029 actuarial valuation, when the re­
mainder amortization period reaches 20 years, any increase or decrease in the
unfunded accrued liability as a result of actuarial losses or gains for subse­
quent valuation years shall serve to increase or decrease, respectively, the
amortization period for the unfunded accrued liability, unless an increase in
the amortization period will cause it to exceed 20 years. If an increase in the
amortization period as a result of actuarial losses for a valuation year would
exceed 20 years, the accrued liability contribution shall be computed for the
valuation year in the same manner provided for the computation of the initial
accrued liability contribution under this section.

The State may pay all or any portion of its unfunded accrued liability
under the retirement system from any source of funds legally available for
the purpose, including, without limitation, the proceeds of bonds authorized
by law for this purpose.

The value of the assets to be used in the computation of the contribu­
tions provided for under this section for valuation periods shall be the value
of the assets for the preceding valuation period increased by the regular
interest rate, plus the net cash flow for the valuation period (the difference
between the benefits and expenses paid by the system and the contributions
to the system) increased by one half of the regular interest rate, plus 20% of
the difference between this expected value and the full market value of the
assets as of the end of the valuation period. This shall be known as the
"valuation assets." Notwithstanding the first sentence of this paragraph, the
valuation assets for the valuation period ending March 31, 1996 shall be the
full market value of the assets as of that date and, with respect to the valua­
tion assets allocated to the State, shall include the proceeds from the bonds
issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997,
c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Eco­
nomic Development Authority to fund the unfunded accrued liability of the
system. Notwithstanding the first sentence of this paragraph, the valuation
assets for the valuation period ending June 30, 1999 shall be the full market value of the assets as of that date.

"Excess valuation assets" for a valuation period means, with respect to the valuation assets allocated to the State:

(1) the valuation assets allocated to the State; less
(2) the actuarial accrued liability of the State for basic benefits and pension adjustment benefits under the retirement system; less
(3) the contributory group insurance premium fund, created by section 4 of P.L.1955, c.214 (C.43:15A-91), as amended by section 4 of P.L.1960, c.79; less
(4) the post retirement medical premium fund, created pursuant to section 2 of P.L.1990, c.6 (C.43:15A-24.1), as amended by section 8 of P.L.1994, c.62; less
(5) the present value of the projected total normal cost for pension adjustment benefits in excess of the projected total phased-in normal cost for pension adjustment benefits for the State authorized by section 2 of P.L.1990, c.6 (C.43:15A-24.1) over the full phase-in period, determined in the manner prescribed for the determination and amortization of the unfunded accrued liability of the system, if the sum of the foregoing items is greater than zero.

"Excess valuation assets" for a valuation period means, with respect to the valuation assets allocated to other employers:

(1) the valuation assets allocated to the other employers; less
(2) the actuarial accrued liability of the other employers for basic benefits and pension adjustment benefits under the retirement system, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1991, c.229, P.L.1991, c.230, P.L.1993, c.138, and P.L.1993, c.181, for employers other than the State; less
(3) the contributory group insurance premium fund, created by section 4 of P.L.1955, c.214 (C.43:15A-91), as amended by section 4 of P.L.1960, c.79; less
(4) the present value of the projected total normal cost for pension adjustment benefits in excess of the projected total phased-in normal cost for pension adjustment benefits for the other employers authorized by section 2 of P.L.1990, c.6 (C.43:15A-24.1) over the full phase-in period, determined in the manner prescribed for the determination and amortization of the unfunded accrued liability of the system, if the sum of the foregoing items is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending March 31, 1996, the normal con-
tributions payable by the State or by the other employers for the valuation periods ending March 31, 1996 and March 31, 1997 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke. If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after March 31, 1996, the State Treasurer may reduce the normal contribution payable by the State or by the other employers for the next valuation period as follows:

1) for valuation periods ending March 31, 1997 through March 31, 2001, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;

2) for the valuation period ending March 31, 2002, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

3) for the valuation period ending March 31, 2003, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and

4) for valuation periods ending March 31, 2004 through June 30, 2007, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

For calendar years 1998 and 1999, the rate of contribution of members of the retirement system under section 25 of P.L.1954, c.84 (C.43:15A-25) shall be reduced by 1/2 of 1% from excess valuation assets and for calendar years 2000 and 2001, the rate of contribution shall be reduced by 2% from excess valuation assets. Thereafter, through calendar year 2007, the rate of contribution of members of the retirement system under that section for a calendar year shall be reduced equally with normal contributions to the extent possible, but not by more than 2%, from excess valuation assets if the State Treasurer determines that excess valuation assets shall be used to reduce normal contributions by the State and local employers for the fiscal year beginning immediately prior to the calendar year, or for the calendar year for local employers whose fiscal year is the calendar year, and excess valuation assets above the amount necessary to fund the reduction for that calendar year in the member contribution rate plus an equal reduction in the
normal contribution shall be available for the further reduction of normal contributions, subject to the limitations prescribed by this subsection.

If there are excess valuation assets after reductions in normal contributions and member contributions as authorized in the preceding paragraphs for a valuation period beginning with the valuation period ending June 30, 1999, an amount of excess valuation assets not to exceed the amount of the member contributions for the fiscal year in which the normal contributions are payable shall be credited to the benefit enhancement fund. The amount of excess valuation assets credited to the benefit enhancement fund shall not exceed the present value of the expected additional normal contributions attributable to the provisions of P.L.2001, c.133 payable on behalf of the active members over the expected working lives of the active members in accordance with the tables of actuarial assumptions for the valuation period. No additional excess valuation assets shall be credited to the benefit enhancement fund after the maximum amount is attained. Interest shall be credited to the benefit enhancement fund as provided under section 33 of P.L.1954, c.84 (C.43:15A-33).

The normal contribution for the increased benefits for active employees under P.L.2001, c.133 shall be paid from the benefit enhancement fund. If assets in the benefit enhancement fund are insufficient to pay the normal contribution for the increased benefits for a valuation period, the State shall pay the amount of normal contribution for the increased benefits not covered by assets from the benefit enhancement fund.

c. The retirement system shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in this section.

The State Treasurer shall reduce the normal and accrued liability contributions payable by employers other than the State, excluding the contribution payable from the benefit enhancement fund, to a percentage of the amount certified annually by the retirement system, which percentage shall be: for payments due in the State fiscal year ending June 30, 2005, 20%; for payments due in the State fiscal year ending June 30, 2006, not more than 40%; for payments due in the State fiscal year ending June 30, 2007, not more than 60%; and for payments due in the State fiscal year ending June 30, 2008, not more than 80%.

The State Treasurer shall reduce the normal and accrued liability contributions payable by employers other than the State, excluding the contribution payable from the benefit enhancement fund, to 50 percent of the amount certified annually by the retirement system, for payments due in the State fiscal year ending June 30, 2009. An employer that elects to pay the
reduced normal and accrued liability contribution shall adopt a resolution, separate and apart from other budget resolutions, stating that the employer needs to pay the reduced contribution and providing an explanation of that need which shall include (1) a description of its inability to meet the levy cap without jeopardizing public safety, health, and welfare or without jeopardizing the fiscal stability of the employer, or (2) a description of another condition that offsets the long term fiscal impact of the payment of the reduced contribution. An employer also shall document those actions it has taken to reduce its operating costs, or provide a description of relevant anticipated circumstances that could have an impact on revenues or expenditures. This resolution shall be submitted to and approved by the Local Finance Board after making a finding that these fiscal conditions are valid and affirming the findings contained in the employer resolution.

An employer that elects to pay 100 percent of the amount certified by the retirement system for the State fiscal year ending June 30, 2009 shall be credited with such payment and any such amounts shall not be included in the employer's unfunded liability.

The actuaries for the retirement system shall determine the unfunded liability of the retirement system, by employer, for the reduced normal and accrued liability contributions provided under P.L.2009, c.19. This unfunded liability shall be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the State fiscal year ending June 30, 2012 and shall be adjusted by the rate of return on the actuarial value of assets.

The retirement system shall annually certify to each employer the contributions due to the contingent reserve fund for the liability under P.L.2009, c.19. The contributions certified by the retirement system shall be paid by the employer to the retirement system on or before the date prescribed by law for payment of employer contributions for basic retirement benefits. If payment of the full amount of the contribution certified is not made within 30 days after the last date for payment of employer contributions for basic retirement benefits, interest at the rate of 10% per year shall be assessed against the unpaid balance on the first day after the thirtieth day.

The State shall pay into the contingent reserve fund during the ensuing year the amount so determined. The death benefits, payable as a result of contribution by the State under the provisions of this chapter upon the death of an active or retired member, shall be paid from the contingent reserve fund.

d. The disbursements for benefits not covered by reserves in the system on account of veterans shall be met by direct contributions of the State and other employers.
23. Section 34 of P.L. 1965, c. 89 (C.53:5A-34) is amended to read as follows:

C.53:5A-34 Contingent reserve fund.

34. The Contingent Reserve Fund shall be the fund in which shall be credited contributions made by the State.

a. Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute annually, beginning as of June 30, 1992, the amount of the contribution which shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

b. Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability of the retirement system, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if paid annually in level dollars for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. Beginning with the July 1, 2019 actuarial valuation, the accrued liability contribution shall be computed so that if the contribution is paid annually in level dollars, it will amortize this unfunded accrued liability over a closed 30-year period. Beginning with the July 1, 2029 actuarial valuation, when
the remaining amortization period reaches 20 years, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 20 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 20 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1996 shall be the full market value of the assets as of that date and shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system.

"Excess valuation assets" means the valuation assets for a valuation period less the actuarial accrued liability for the valuation period, if the sum is greater than zero. If there are excess valuation assets for the valuation period ending June 30, 1996, the normal contributions for the valuation periods ending June 30, 1996 and June 30, 1997 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets, provided that the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke. If there are excess valuation assets for a
valuation period ending after June 30, 1996, the State Treasurer may reduce
the normal contribution payable for the next valuation period as follows:
(1) for valuation periods ending June 30, 1997 through June 30, 2001,
to the extent possible by up to 100% of the excess valuation assets;
(2) for the valuation period ending June 30, 2002, to the extent possible by up to 84% of the excess valuation assets;
(3) for the valuation period ending June 30, 2003, to the extent possible by up to 68% of the excess valuation assets; and
(4) for valuation periods ending June 30, 2004 through June 30, 2007,
to the extent possible by up to 50% of the excess valuation assets.

c. The actuary shall certify annually the aggregate amount payable to
the Contingent Reserve Fund in the ensuing year, which amount shall be
equal to the sum of the amounts described in this section. The State shall
pay into the Contingent Reserve Fund during the ensuing year the amount
so certified. In the event the amount certified to be paid by the State in­
cludes amounts due for services rendered by members to specific instrumen­
talities or authorities the total amounts so certified shall be paid to the
retirement system by the State; provided, however, the full cost attributable
to such services rendered to such instrumentalities and authorities shall be
computed separately by the actuary and the State shall be reimbursed for
such amounts by such instrumentalities or authorities.

The cash death benefits, payable as the result of contribution by the
State under the provisions of this act upon the death of a member in active
service and after retirement shall be paid from the Contingent Reserve Fund.

24. Section 19 of P.L.1992, c.125 (C.43:4B-1) is amended to read as
follows:

C.43:4B-1 Retirement Systems Actuary Selection Committee.

19. There is hereby established the Retirement Systems Actuary Selec­
tion Committee which shall consist of the State Treasurer, and the directors
of the Divisions of Pensions and Benefits and Investment, and Office of
Management and Budget, or their designated representatives, and one
member designated by each of the boards of trustees of the Public Employ­
ees' Retirement System established pursuant to P.L.1954, c.84 (C.43:15A-1
et seq.), the Teachers' Pension and Annuity Fund established pursuant to
N.J.S.18A:66-1 et seq., and the Police and Firemen's Retirement System
established pursuant to P.L.1944, c.255 (C.43:16A-1 et seq.). The commit­
tee shall select the actuary or actuaries for the State retirement systems in
accordance with the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), pro-
vided, however, that the boards shall have the power to veto the selection of
the actuary for valid reason.

25. Section 2 of P.L.1958, c.143 (C.43:3B-2) is amended to read as follows:

C.43:3B-2 Adjustment of monthly retirement allowance, pension or survivorship
benefit.

2. The monthly retirement allowance or pension originally granted to
any retirant and the pension or survivorship benefit originally granted to
any beneficiary shall be adjusted in accordance with the provisions of this
act provided, however, that:

a. the maximum retirement allowance, without option, shall be con­
sidered the retirement allowance originally granted to any retirant who, at
retirement, elected an Option I allowance pursuant to the provisions of the
statutes stipulated in subsection b. of section 1 of this act (C.43:3B-1); and
b. the minimum pension granted to any beneficiary stipulated in subsection
d. (4) of section 1 of this act (C.43:3B-1), shall be considered the pension
originally granted to such beneficiary.

Pension adjustments shall not be paid to retirants or beneficiaries who
are not receiving their regular, full, monthly retirement allowances, pen­
sions or survivorship benefits. The adjustment granted under the provisions
of this act shall be effective only on the first day of a month, shall be paid
in monthly installments, and shall not be decreased, increased, revoked or
repealed except as otherwise provided in this act. No adjustment shall be
due to a retirant or a beneficiary unless it constitutes a payment for an entire
month; provided, however, that an adjustment shall be payable for the en­
tire month in which the retirant or beneficiary dies.

Commencing with the effective date of P.L.2011, c.78 and thereafter,
no further adjustments to the monthly retirement allowance or pension
originally granted to any retirant and the pension or survivorship benefit
granted to any beneficiary shall be made in accordance with the provisions
of P.L.1958, c.143 (C.43:3B-1 et seq.), unless the adjustment is reactivated
as permitted by law. This provision shall not reduce the monthly retirement
benefit that a retirant or a beneficiary is receiving on the effective date of
P.L.2011, c.78 when the benefit includes an adjustment granted prior to that
effective date.

26. Section 5 of P.L.1997, c.113 (C.43:3C-9.5) is amended to read as
follows:
5. a. For purposes of this section, a "non-forfeitable right to receive benefits" means that the benefits program, for any employee for whom the right has attached, cannot be reduced. The provisions of this section shall not apply to post-retirement medical benefits which are provided pursuant to law.

b. Vested members of the Teachers' Pension and Annuity Fund, the Judicial Retirement System, the Prison Officers' Pension Fund, the Public Employees' Retirement System, the Consolidated Police and Firemen's Pension Fund, the Police and Firemen's Retirement System, and the State Police Retirement System, upon the attainment of five years of service credit in the retirement system or fund or on the date of enactment of this bill, whichever is later, shall have a non-forfeitable right to receive benefits as provided under the laws governing the retirement system or fund upon the attainment of five years of service credit in the retirement system or fund or on the effective date of this act, whichever is later. This subsection shall not be applicable to a person who becomes a member of these systems or funds on or after the effective date of P.L.2010, c.1, except that such person shall not include a person who at the time of enrollment in the retirement system or fund on or after the effective date transfers service credit, as permitted, from another State-administered retirement system or fund of which the person was a member immediately prior to the effective date and continuously thereafter, but shall include a former member of the retirement system or fund who has been granted a retirement allowance and is reenrolled in the retirement system or fund on or after that effective date after becoming employed again in a position that makes the person eligible to be a member of the retirement system.

c. (1) The State and all other applicable employers shall make their annual normal contribution to each system or fund as determined by the applicable board of trustees in consultation with the system’s or fund’s actuary. The State and all other applicable employers shall also make their annual unfunded accrued liability contribution to each system or fund as determined by the applicable board in consultation with the system’s or fund’s actuary, pursuant to standard actuarial practices authorized by law, unless: (1) there is no existing unfunded accrued liability contribution due to the system or fund at the close of the valuation period applicable to the upcoming fiscal year; or (2) there are excess valuation assets in excess of the actuarial accrued liability of the system or fund at the close of the valuation period applicable to the upcoming fiscal year. The annual normal contribution plus the annual unfunded accrued liability contribution shall together be the annual required contribution, provided, however, that for the
State, section 38 of P.L.2010, c.1 (C.43:3C-14) shall apply with regard to the State's annual required contribution. The amount of the State’s annually required contributions shall be included in all annual appropriations acts as a dedicated line item.

(2) Each member of the Teachers' Pension and Annuity Fund, the Judicial Retirement System, the Prison Officers' Pension Fund, the Public Employees' Retirement System, the Consolidated Police and Firemen's Pension Fund, the Police and Firemen's Retirement System, and the State Police Retirement System shall have a contractual right to the annual required contribution amount being made by the member’s employer or by any other public entity. The contractual right to the annual required contribution means that the employer or other public entity shall make the annual required contribution on a timely basis to help ensure that the retirement system is securely funded and that the retirement benefits to which the members are entitled by statute and in consideration for their public service and in compensation for their work will be paid upon retirement. The failure of the State or any other public employer to make the annually required contribution shall be deemed to be an impairment of the contractual right of each employee. The Superior Court, Law Division shall have jurisdiction over any action brought by a member of any system or fund or any board of trustees to enforce the contractual right set forth in this subsection. The State and other public employers shall submit to the jurisdiction of the Superior Court, Law Division and shall not assert sovereign immunity in such an action. If a member or board prevails in litigation to enforce the contractual right set forth in this subsection, the court may award that party their reasonable attorney’s fees.

d. This act shall not be construed to preclude forfeiture, suspension or reduction in benefits for dishonorable service.

e. Except as expressly provided herein and only to the extent so expressly provided, nothing in this act shall be deemed to (1) limit the right of the State to alter, modify or amend such retirement systems and funds, or (2) create in any member a right in the corpus or management of a retirement system or pension fund. The rights reserved to the State in this subsection shall not diminish the contractual rights of employees established by subsections a., b., and c. of this section.

C.43:3C-16 “Target funded ratio.”

27. For the purpose of the Teachers' Pension and Annuity Fund, established pursuant to N.J.S.18A:66-1 et seq., the Judicial Retirement System, established pursuant to P.L.1973, c.140 (C.43:6A-1 et seq.), the Public Em-

Such person shall be re-enrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of re-enrollment. Such person shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such re-enrollment.

Upon subsequent retirement of such member, his former retirement allowance shall be reinstated together with any optional selection, based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of chapter 84 of the laws of 1954; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement,
but shall not be less than the death benefit that was applicable to his former retirement.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of reenrollment. Such person shall be treated as an active member for determining disability or death benefits while in service. Upon subsequent retirement of such member, his former retirement allowance shall be reinstated based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of this chapter; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his average final compensation or final compensation, whichever is applicable, than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement, but shall not be less than the death benefit that was applicable to his former retirement.

Basic benefits shall be substantially equivalent to those available on a group remittance basis to employees of the State and their dependents under the subscription contracts of the New Jersey "Blue Cross" and "Blue Shield" Plans. Such basic benefits shall include benefits for:

   (i) Additional days of inpatient medical service;

(2) Major medical expense benefits which shall provide benefit payments for reasonable and necessary eligible medical expenses for hospitali-

The commission may, by regulation, determine what types of services and supplies shall be included as "eligible medical services" under the major medical expense benefits coverage as well as those which shall be excluded from or limited under such coverage. Benefit payments for major medical expense benefits shall be equal to a percentage of the reasonable charges for eligible medical services incurred by a covered employee or an employee's covered dependent, during a calendar year as exceed a deductible for such calendar year of $100.00 subject to the maximums hereinafter provided and to the other terms and conditions authorized by this act. The percentage shall be 80% of the first $2,000.00 of charges for eligible medical services incurred subsequent to satisfaction of the deductible and 100% thereafter. C.43:3C-24 Funding, payment of other post-employment benefits.

66. a. Post-employment benefits other than pensions under the State Health Benefits Program, P.L.1961, c.49 (C.52:14-17.25 et seq.), for retired employees, and their dependents, of employers other than the State that are participating in the State Health Benefits Program pursuant to section 3 of P.L.1964, c.125 (C.52:14-17.34), as non-State participating employers, shall be funded and paid by means of contributions to a separate trust fund. For the purposes of this section, the term "post-employment benefits other than pensions" means post-employment benefits including, but not limited to, health, dental and vision care, which give rise to a liability under Statement No. 43 of the Governmental Accounting Standards Board, Reporting for Postemployment Benefit Plans Other Than Pension Plans, and Statement No. 45 of the Governmental Accounting Standards Board, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions, together, GASB 43/45, as amended from time to time, or any successor publication. For purposes of this section, and notwithstanding anything to the contrary, the term "non-State participating employers" is limited only to entities that are a political subdivision of the State, as defined in federal Treas. Reg. s.1.1103-1(b), or entities the income of which is excluded from gross income under section 115 of the Internal Revenue Code of 1986 (26 U.S.C. s.115), as amended. For purposes of this section, the term "dependent" or "dependents" means a dependent as defined under section 152 of the Internal Revenue Code of 1986 (26 U.S.C. s.152), as amended, without regard to subsection (b)(1), (b)(2), or (d)(1)(B) thereof, of a retired employee.

b. There is hereby established the State of New Jersey Other Post-Employment Benefits (OPEB) Fund, which is intended to qualify as an instrumentality of the State or a political subdivision of the State under section 115 of the Internal Revenue Code of 1986 (26 U.S.C. s.115), as
amended. The assets of the OPEB Fund shall be used only to fund and pay
post-employment benefits other than pensions, and the reasonable cost of
administering such benefits, with respect to eligible retired employees, and
their dependents, of non-State participating employers, and deposits and
contributions to the OPEB Fund shall be irrevocable except as specifically
provided in subsection i. of this section. The OPEB Fund shall be a trust,
trust account or custodial account, the assets of which shall be deemed an
arrangement equivalent to a trust for all legal purposes, and shall be estab­
lished by means of appropriate documentation so as to be exempt from
taxation under the provisions of applicable federal and State tax law, which
shall contain such terms and conditions as are required to comply with all
State and federal law including but not limited to the following:

(1) The OPEB Fund shall provide no guaranty that payments or reim­
bursements to employees, former employees, retirees, spouses or benefici­
aries will be tax-free.

(2) In the event that the OPEB Fund has obtained a ruling from the
Internal Revenue Service concerning only the federal tax treatment of the
OPEB Fund's income, that ruling may not be cited or relied upon by any
non-State participating employer as precedent concerning any matter relat­
ing to the non-State participating employer's health plans, including post­
retirement health plans. In particular, that ruling shall have no effect on
whether contributions to the non-State participating employer's health plans
or payments from the non-State participating employer's health plans, in­
cluding reimbursements of medical expenses, are excludable from the gross
income of employees, former employees or retirees, under the Internal
Revenue Code of 1986, as amended.

(3) The federal income tax consequences to employees, former em­
ployees and retirees shall depend on the terms and operation of the non­
State participating employer's health plans.

c. The assets of the OPEB Fund shall be segregated from all other
funds of the State and the non-State participating employers, including
without limitation the fund described in section 48 of P.L.2007, c.103
(C.52:14-17.32a1), and shall be invested and administered solely in the in­
terest of retired employees, and their dependents, of non-State participating
employers entitled to post-employment benefits other than pensions pro­
vided by the State Health Benefits Program. However, the OPEB Fund
may be invested in a group trust established pursuant to section 401(a)(24)
of the Internal Revenue Code of 1986 (26 U.S.C. s.401(a)(24)), as
amended. Neither the State, the State Legislature, the State Health Benefits
Commission, the Treasurer of the State of New Jersey, the Division of Pen-
sions and Benefits in the Department of the Treasury, nor any public officer, employee or agency, nor service provider to the OPEB Fund, shall use or authorize the use of assets contributed to the OPEB Fund, or the investment earnings thereon, for any purpose other than the provision of post-employment benefits other than pensions in accordance with the terms of the State Health Benefits Program applicable to retired employees, and their dependents, of non-State participating employers, and the defraying of the reasonable costs of administering the OPEB Fund and the benefits provided by means of the OPEB Fund. The assets constituting the OPEB Fund shall under no circumstances be subject to assignment or alienation in favor of the creditors of the State or any non-State participating employer, or of the individuals or entities that administer the State Health Benefits Program or the OPEB Fund. Private parties' interests shall neither materially participate in the OPEB Fund nor benefit more than incidentally from the operation or earnings of the OPEB Fund.

d. The Director of the Division of Pensions and Benefits shall serve as the administrator of the OPEB Fund. The Director of the Division of Investment as trustee shall have the authority to adopt a trust agreement, to receive and hold all moneys in the OPEB Fund, and to disburse the same in accordance with instructions from the fund administrator. The Director of the Division of Investment shall have the authority to invest and reinvest the moneys in the OPEB Fund and to acquire for or on behalf of the OPEB Fund such investments in accordance with the standards governing the investment of other funds managed by the Director of the Division of Investment under the rules and regulations of the State Investment Council. The State, the Division of Pensions and Benefits, the State Treasurer, the Division of Investment, and the State Investment Council, and their respective officers and employees, shall not be liable for any loss incurred by the OPEB Fund.

e. The fund administrator or the trustee may select and contract with custodians, record keepers, actuaries and other consultants, and other service providers with respect to the administration of the OPEB Fund, and may delegate to such persons or entities, or to any person within the Department of the Treasury, any of their duties and responsibilities. The Director of the Division of Investment may select and contract with investment managers, investment advisors and other service providers with respect to the investment of the OPEB Fund, and may delegate to such persons or entities, or to any person within the Division of Investment, any of its duties and responsibilities.
f. The fund administrator shall, with the assistance of a qualified actuary, determine a funding policy for the OPEB Fund and may promulgate rules and procedures with respect to the administration and funding of the OPEB Fund. The fund administrator, with the assistance of a qualified actuary, shall annually measure and determine an amount for the annual "other post-employment benefits" cost of providing benefits for the retirees and their dependents of each non-State participating employer in the State Health Benefits Program based on the "annual required cost" (ARC) for providing such benefits determined in accordance with applicable standards under GASB 43/45. The fund administrator shall report the OPEB cost for each non-State participating employer to such employer on an annual basis.

g. The fund administrator, with the assistance of a qualified actuary, shall annually determine, and the fund administrator shall approve, the aggregate contribution to the OPEB Fund to fund post-employment benefits other than pensions under the terms of the State Health Benefits Program, which shall be the amount necessary to pay the anticipated premiums or periodic charges for the benefits for the following annual valuation period, with respect to all non-State employers participating in the OPEB Fund. The fund administrator shall determine and approve the rate or rates to be charged to non-State participating employers as contributions by such employers to the OPEB Fund, based on such allocable amounts of the above-described aggregate contribution and such other factors as the fund administrator shall determine with respect to the setting of such rates.

h. Deposits to the OPEB Fund shall be made by each non-State participating employer in the amounts specified by the fund administrator. Deposits to the OPEB Fund by each non-State participating employer shall be segregated in a separate account for recordkeeping purposes from the deposits from all other non-State participating employers in the OPEB Fund. Such deposits may be commingled for purposes of investment, but the fund administrator shall provide record keeping to establish the deposits allocable to each non-State participating employer and shall periodically report the value of the separate accounts to the applicable non-State participating employers. Investment earnings attributable to the OPEB Fund shall be determined on an aggregate basis for all non-State participating employers. A non-State participating employer shall not make a deposit to the OPEB Fund if the total amount invested with respect to that employer would exceed such employer’s actuarially determined liability for post-employment benefits other than pensions due to its employees, as determined under the applicable standards of GASB 43/45.
i. In the event that, following the satisfaction in full of all liabilities for post-employment benefits other than pensions to retired employees, and their dependents, of non-State participating employers, there remain undistributed assets of the OPEB Fund, such assets shall be distributed in the manner determined by the fund administrator, provided that in no event shall such assets be distributed to, or used for the purpose of paying benefits for, the active or retired employees of an entity that is not a State, a political subdivision of the State or an entity the income of which is excluded from gross income under section 115 of the Internal Revenue Code of 1986 (26 U.S.C. s.115), as amended.

C.18A:66-168.1 Termination of portion of alternate benefit program.
67. With respect to the portion of the alternate benefit program, P.L.1969, c.242 (C.18A:66-167 et seq.), that is subject to section 403(b) of the federal Internal Revenue Code (26 U.S.C. s. 403(b)), the State may terminate the 403(b) portion of the alternate benefit program only as permitted by the applicable regulations of the United States Department of the Treasury.
68. Section 2 of P.L.1963, c.123 (C.52:18A-108) is amended to read as follows:

2. As used in this act:
   a. "Fiscal year" means any year commencing on July 1 and ending on June 30 next following.
   b. "Participant" means (1) for the purposes of the Supplemental Annuity Collective Trust under section 4 of P.L.1965, c.90 (C.52:18A-113.1), any member of a State administered retirement system, who has elected to make voluntary additional contributions to the Supplemental Annuity Collective Trust, or for whom an employer has agreed to purchase an annuity from the Supplemental Annuity Collective Trust as hereinafter provided; or (2) for the purposes of the Additional Contributions Tax-Sheltered Program under section 1 of P.L.1995, c.92 (C.52:18A-113.2), means any employee of the Department of Education, the Commission on Higher Education, the governing body of any public institution of education, or any public school, as defined in N.J.S.18A:1-1, regularly scheduled to work 20 or more hours per week who has elected to make voluntary additional contributions to the Supplemental Annuity Collective Trust, or for whom an employer has agreed to purchase an annuity from the Supplemental Annuity Collective Trust as hereinafter provided. An employee regularly works less than 20 hours per week if, for the 12-month period beginning on the date the employee’s employment commenced,
the employee's employer reasonably expects the employee to work fewer than 1,000 hours of service, as defined under section 410(a)(3)(C) of the Internal Revenue Code of 1986 (26 U.S.C. s.410(a)(3)(C)), as amended, and, for each plan year ending after the close of that 12-month period, the employee has worked fewer than 1,000 hours of service.

c. "State administered retirement system" means any of the following retirement plans: Public Employees' Retirement System of New Jersey established pursuant to chapter 84, P.L.1954; Teachers' Pension and Annuity Fund established pursuant to chapter 37, P.L.1955; Police and Firemen's Retirement System of New Jersey established pursuant to chapter 255, P.L.1944; Consolidated Police and Firemen's Pension Fund established pursuant to chapter 220, P.L.1952; Prison Officers' Pension Fund established pursuant to chapter 358, P.L.1952; State Police Retirement and Benevolent Fund established pursuant to chapter 188, P.L.1925.

69. Section 6 of P.L.1963, c.123 (C.52:18A-112) is amended to read as follows:

C.52:18A-112 Participation; application for enrollment.

6. A member of a State administered retirement system or an employee of a board of education, as defined in N.J.S.18A:1-1, regularly scheduled to work 20 or more hours per week may become a participant by filing an application for enrollment in either the Variable Division or the Fixed Division, or both, in accordance with rules and regulations established by the council. An employee regularly works less than 20 hours per week if, for the 12-month period beginning on the date the employee’s employment commenced, the employee’s employer reasonably expects the employee to work fewer than 1,000 hours of service, as defined under section 410(a)(3)(C) of the Internal Revenue Code of 1986 (26 U.S.C. s.410(a)(3)(C)), and, for each plan year ending after the close of that 12-month period, the employee has worked fewer than 1,000 hours of service.

70. Section 1 of P.L.1995, c.92 (C.52:18A-113.2) is amended to read as follows:

C.52:18A-113.2 Tax-deferred annuity, education employees; written agreement to reduce salary.

1. a. The Department of Education, the Commission on Higher Education, and the governing body of any public institution of education may enter into a written agreement with any of its employees to reduce the employee's annual salary for the purpose of investing in a tax-deferred annuity
for the employee pursuant to section 403(b) of the federal Internal Revenue Code of 1986 (26 U.S.C. s.403(b)), as amended. Investments shall be (1) with an insurer or mutual fund company authorized to provide investment contracts under the alternate benefit program; (2) in investment contracts authorized under the program for supplemental retirement benefits which meet the requirements of section 403(b) of the federal Internal Revenue Code (26 U.S.C. s.403(b)), as amended; and (3) on the same terms and conditions provided for participants in the alternate benefit program.

b. An agreement (1) shall specify the amount and the effective date of the reduction; (2) shall be subject to filing with and approval by the State Treasurer or filing with and approval by the governing body of the institution of public higher education, as appropriate; and (3) shall be legally binding and irrevocable with respect to the amounts earned while the agreement is in effect. The total amount of the reduction in an employee's salary pursuant hereto, for any calendar year, shall not exceed the lesser of (a) the applicable dollar amount or (b) the participant's Includible Compensation for the calendar year. Includible Compensation is an employee's actual wages in box 1 of Form W-2 for a year for services to the employer, but subject to a maximum of $200,000, or such higher maximum as may apply under section 401(a)(17) of the federal Internal Revenue Code (26 U.S.C. s.401(a)(17), and increased up to the dollar maximum by any compensation reduction election under section 125, 132(f), 401(k), 403(b), or 457(b) of the federal Internal Revenue Code (26 U.S.C. s.125, 132(f), 401(k), 403(b), or 457(b)). The amount of Includible Compensation is determined without regard to any community property laws. The applicable dollar amount is the amount established under section 402(g)(1)(B) of the federal Internal Revenue Code (26 U.S.C. s.402(g)(1)(B)), which is $16,500 for 2011, and is adjusted for cost-of-living after 2011 to the extent provided under section 415(d) of the federal Internal Revenue Code (26 U.S.C. s.415(d)). The total amount of the reduction in an employee's salary pursuant hereto, for any calendar year, when added to the contributions made in the year on behalf of the employee in accordance with section 7 of P.L.1963, c.123 (C.52:18A-113), shall not exceed the limitations set forth in section 415 (c) of the federal Internal Revenue Code (26 U.S.C.s.415 (c)). For the purposes of this section, if the participant is or has been a participant in one or more other plans under section 403(b) of the federal Internal Revenue Code (26 U.S.C. s.403(b)), and any other plan that permits elective deferrals under section 402(g) of the federal Internal Revenue Code (26 U.S.C. s.402(g)), then this plan and all such other plans shall be considered as one plan for purposes of applying the foregoing limitations.
c. An agreement may be terminated at any time upon written notice by either the employee or the employer. Termination shall take effect at the beginning of the payroll period whose first day is nearest to the 30th day following the day on which notification of termination was (1) received by the employer, in the event termination is initiated by the employee, or (2) sent to the employee, in the event termination is initiated by the employer.

d. Amounts payable pursuant to this section by an employer on behalf of an employee for a payroll period shall be transmitted and credited not later than the fifth business day after the date on which the employee is paid for that pay period.

e. The plan described in subsection a. of this section shall be known as the New Jersey Additional Contributions Tax-Sheltered Program.

71. Section 2 of P.L.1995, c.92 (C.52:18A-113.3) is amended to read as follows:

C.52:18A-113.3 Reduction of employee's salary; benefits.

2. Upon approval and filing, the State Treasurer or the applicable governing body of a public institution of education shall reduce an employee's salary pursuant to the agreement and shall pay an amount equal to the amount agreed upon for the salary reduction as an employer contribution to the issuer of the employee's annuity. Participation in a reduction of salary pursuant to this act shall not cause the employee to lose any benefits under a State-administered retirement system to which the employee would otherwise be entitled had the employee not agreed to a reduction in salary for the purpose of purchasing a tax-deferred annuity. Employee contributions and any survivor's benefit shall be paid on the basis of the employee's salary without regard to the reduction authorized by this act.

72. Section 3 of P.L.1995, c.92 (C.52:18A-113.4) is amended to read as follows:

C.52:18A-113.4 Payments for annuity.

3. Payments for tax-deferred annuities shall be made by the State Treasurer or the applicable governing body of a public institution of education to the issuers of the annuities out of moneys available for the salaries of employees who have entered into agreements pursuant to this act.

73. Section 1 of P.L.1996, c.77 (C.52:18A-113.6) is amended to read as follows:
C.52:18A-113.6 Transfer of certain annuity funds.
1. Employees of the Department of Education, the Commission on Higher Education, or the governing body of any public institution of education who are participants in the Supplemental Annuity Collective Trust pursuant to section 403(b) of the federal Internal Revenue Code of 1986 (26 U.S.C. s.403(b)), as amended, shall transfer all funds that they may have invested as participants in the Supplemental Annuity Collective Trust to a tax-deferred annuity with an insurer or mutual fund company authorized to provide investment contracts under the alternate benefit program pursuant to the provisions of P.L.1995, c.92 (C.52:18A-113.2 et seq.).

74. Section 9 of P.L.1963, c.123 (C.52:18A-115) is amended to read as follows:

C.52:18A-115 Investment of assets of Variable Division.
9. The assets of the Variable Division shall be invested and reinvested principally in common stocks and securities which are convertible into common stocks. Such common stocks and securities shall be traded on a securities exchange in the United States or over-the-counter market.

C.52:18A-170.1 Amendment, termination of Supplemental Annuity Collective Trust.
75. With respect to the portion of the Supplemental Annuity Collective Trust that is subject to section 403(b) of the federal Internal Revenue Code (26 U.S.C. s.403(b)), the State may terminate the Supplemental Annuity Collective Trust as provided in this section.

a. The State enacted P.L.1963, c.123 (C.52:18A-107 et seq.) with the intention and expectation that contributions would be continued to the Supplemental Annuity Collective Trust program indefinitely. The State, however, has no obligation or liability whatsoever to maintain the program for any length of time and may discontinue contributions under the program at any time without any liability hereunder for any discontinuance.

b. The State reserves the authority to amend or terminate the Supplemental Annuity Collective Trust program at any time and for any reason.

c. The State may provide that, in connection with a termination of the program, all accounts will be distributed, provided that the State and any related employer on the date of termination do not make contributions to an alternative plan or program subject to the rules under section 403(b) of the Internal Revenue Code of 1986 (26 U.S.C. s.403(b)), as amended, that is not part of the program during the period beginning on the date of termination and ending 12 months after the distribution of all assets from the Sup-
plemental Annuity Collective Trust program, except as permitted by the applicable regulations of the United States Department of the Treasury.

C.52:14-17.29q Definitions.

76. a. As used in this section:

“emergency care” means immediate treatment provided in response to a sudden, acute and unanticipated medical crisis in order to avoid injury, impairment, or death.

“in-State health care provider” means an individual or entity, including, but not limited to, a physician or other health care professional licensed pursuant to Title 45 of the Revised Statutes, and a hospital or other health care facility licensed pursuant to Title 26 of the Revised Statutes that is not an out-of-State health care provider.

“out-of-State health care provider” means an individual or entity providing health care services at a location outside the geographic boundaries of this State.

“primary care” means the provision of preventive, diagnostic, treatment, management, and reassessment services to individuals in facilities providing family practice, general internal medicine, general pediatrics, and routine obstetrics/gynecology.

"reasonably proximate" means a geographic distance from the covered person's place of residence that does not exceed 25 miles.

“tertiary care” means specialized care performed by specialists working in an inpatient or outpatient facility for special investigation and treatment of complex diseases or conditions.

b. Notwithstanding the provisions of any other law to the contrary, a carrier which offers health benefits coverage under the State Health Benefits Program, School Employees’ Health Benefits Program, or any self-insured plan or plan offered to public employees or retirees outside the State Health Benefits Program or the School Employees’ Health Benefits Program, to an employee or retiree and any dependent eligible for such health care benefits coverage, shall only provide coverage for medically necessary health care services provided by an out-of-State health care provider as specified in subsection c. of this subsection, except for coverage authorized pursuant to subsection f. or g. of this section.

c. Medically necessary tertiary health care services may be performed by an out-of-State specialty or subspecialty health care provider when there is no in-State health care provider reasonably available to treat the particular condition based on an expedited determination by the carrier and the State Health Benefits Commission, the School Employees’ Health Benefits
Commission or the plan administrator, as the case may be, in consultation with the Department of Health and Senior Services, that such service is not otherwise available through an in-State health care provider or where there is no in-network provider who is reasonably proximate to the covered person’s place of residence.

d. (1) The out-of-State health care provider shall receive reimbursement for out-of-network charges at the lesser of the contractual rate or a rate equal to 150% of the Medicare fee schedule for those same services.

(2) The employee or retiree shall be responsible for the entire balance of the out-of-State health provider’s charges that exceed the applicable out-of-network reimbursement.

e. The carrier shall establish preauthorization or review requirements of the health benefits plan regarding the determination of medical necessity for the employee, retiree, or covered dependent to access out-of-State benefits, as set forth in writing pursuant to section 5 of P.L.1997, c.192 (C.26:2S-5), with which the covered person shall comply as a condition of receiving benefits pursuant to this section.

f. This section shall not apply to: (1) emergency care; (2) primary care; (3) an employee, retiree, or covered dependent who has his or her principal residence outside of this State or is enrolled as a full-time student at a school located outside this State and resides outside this State while attending that school, or (4) such other unusual and compelling circumstance determined by the State Health Benefits Commission, School Employees’ Health Benefits Commission or the plan administrator, as the case may be, in consultation with the Department of Health and Senior Services, that warrants an individualized exception from the requirements of this section. For the purposes of this subsection, a person will be deemed to have his principal residence outside this State if all of the following conditions are met: the person spends the majority of his or her nonworking time outside the State, and resides at a location outside the State which is clearly the center of his or her domestic life, and has designated the out-of-State residence as his or her legal address and legal residence for voting.

g. This section shall not apply to cases when it is medically necessary for the employee, retiree, or covered dependent to continue current treatment with the out-of-State health care provider or under the following circumstances: (1) in cases of the pregnancy through the postpartum evaluation, up to six weeks after delivery; (2) in the case of post-operative care, up to six months following the surgical procedure; (3) in the case of oncological treatment, up to one year following the first date of treatment; and
(4) in the case of psychiatric treatment, up to one year following the first date of treatment.

h. Notwithstanding the provisions of another law to the contrary, the State Health Benefits Plan Design Committee, the School Employees’ Health Benefits Plan Design Committee, and any public employer shall provide to employees the option to select a single plan that shall not limit coverage for medically necessary health care services provided by an out-of-State health care provider pursuant to this section. Each employee or retiree who selects coverage under the plan shall pay the additional portion of the premium or periodic charge associated with selecting a plan that does not limit coverage for medically necessary health care services provided by an out-of-State health care provider for health care benefits provided to the employee, retiree, and dependents covered under the plan.

i. This section shall be operative January 1, 2012.

C.52:14-17.28e Negotiations concerning contributions for health care benefits.

77. A public employer and employees who are in negotiations for the next collective negotiations agreement to be executed after the employees in that unit have reached full implementation of the premium share set forth in section 39 of P.L.2011, c.78 (C.52:14-17.28c) shall conduct negotiations concerning contributions for health care benefits as if the full premium share was included in the prior contract. The public employers and public employees shall remain bound by the provisions of sections 39, 40, and 43 of P.L.2011, c.78 (C.52:14-17.28c, C.52:14-17.28d, and C.52:14-17.34a), notwithstanding the expiration of those sections, until the full amount of the contribution required by section 39 has been implemented in accordance with the schedule set forth in section 40.

After full implementation, those contribution levels shall become part of the parties' collective negotiations and shall then be subject to collective negotiations in a manner similar to other negotiable items between the parties.

A public employee whose amount of contribution in retirement was determined in accordance with section 40 or 43 shall be required to contribute in retirement the amount so determined pursuant to section 40 or 43 notwithstanding that section 40 or 43 has expired, with the retirement al-
lowance, and any future cost of living adjustment thereto, used to identify
the percentage of the cost of coverage.

C.18A:16-17.2 Negotiations for benefits as if full premium share included in prior
contract.

78. A public employer and employees who are in negotiations for the

in that unit have reached full implementation of the premium share set forth
in section 39 of P.L.2011, c.78 (C.52:14-17.28c) shall conduct negotiations
concerning contributions for health care benefits as if the full premium
share was included in the prior contract. The public employers and public
employees shall remain bound by the provisions of sections 39 and 41 of
P.L.2011, c.78 (C.52:14-17.28c and C.18A:16-17.1), notwithstanding the
expiration of those sections, until the full amount of the contribution re­
quired by section 39 has been implemented in accordance with the schedule
set forth in section 41.

Employees subject to any collective negotiations agreement in effect
on the effective date of P.L.2011, c.78, that has an expiration date on or af­
ter the expiration of sections 39 through 44, inclusive, of P.L.2011, c.78
(C.52:14-17.28c et al.), shall be subject, upon expiration of that collective
negotiations agreement, to sections 39 and 41 until the health care contribu­
tion schedule set forth in section 41 is fully implemented.

After full implementation, those contribution levels shall become part of
the parties' collective negotiations and shall then be subject to collective ne­
gotiations in a manner similar to other negotiable items between the parties.

C.40A:10-21.2 Negotiations for next collective agreement.

79. A public employer and employees who are in negotiations for the
next collective negotiation agreement to be executed after the employees in
that unit have reached full implementation of the premium share set forth in
section 39 of P.L.2011, c.78 (C.52:14-17.28c) shall conduct negotiations
concerning contributions for health care benefits as if the full premium
share was included in the prior contract. The public employers and public
employees shall remain bound by the provisions of sections 39, 42, and 44
notwithstanding the expiration of those sections, until the full amount of the
contribution required by section 39 has been implemented in accordance
with the schedule set forth in section 42.

Employees subject to any collective negotiations agreement in effect

1. a. All tobacco products subject to the tax imposed under P.L.1990, c.39 (C.54:40B-1 et seq.), on which the tax has not been paid as required by section 4 or section 5 of P.L.1990, c.39 (C.54:40B-4 and 54:40B-5), found in any place in this State are declared to be prima facie contraband goods and may be seized by the director, the director’s agents or employees, or by any peace officer of this State, when so ordered by the director, without a warrant.

b. The director may order the return of any seized tobacco product when the director shall have reason to believe, upon the presentation of satisfactory proof, that the owner has not willfully or intentionally evaded any tax imposed by P.L.1990, c.39 (C.54:40B-1 et seq.). Any tobacco product seized under the provisions of this section shall be disposed of according to law.

c. (1) Except as otherwise provided in this section, the director shall destroy any seized untaxed tobacco product not subject to other disposition pursuant to P.L.1990, c.39 (C.54:40B-1 et seq.).
(2) As an alternative to destruction, the director may resell any untaxed tobacco product to the manufacturer of that tobacco product, but such tobacco product shall be resold only for export or destruction.

(3) Notwithstanding the provisions of paragraph (1) of this subsection, the director may authorize the use for law enforcement purposes of any untaxed tobacco products forfeited in accordance with this section.

d. The seizure and sale of any untaxed tobacco product under the provisions of this section shall not relieve any person from a fine, imprisonment or other penalty for violation of any of the provisions of P.L.1990, c.39 (C.54:40B-1 et seq.). The director, the director's agents or employees, and any peace officer of this State, when so ordered, shall not in any way be responsible in any court for the seizure or the confiscation of any untaxed tobacco product.

2. Section 607 of P.L.1948, c.65 (C.54:40A-30) is amended to read as follows:

C.54:40A-30 Unstamped cigarettes subject to confiscation.

607. Unstamped cigarettes subject to confiscation.

a. All cigarettes, subject to the tax imposed by this act, to which stamps have not been affixed, as required by this act, and all cigarettes stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15) found in any place in this State are declared to be prima facie contraband goods and may be seized by the director, the director's agents or employees, or by any peace officer of this State, when directed by the director so to do, without a warrant.

b. The director may upon satisfactory proof direct the return of any unstamped confiscated cigarettes when the director shall have reason to believe that the owner thereof has not willfully or intentionally evaded any tax imposed by this act. Any purchaser of such cigarettes shall be required to affix stamps as required by this act.

c. (1) Except as otherwise provided in this section, the director shall destroy any seized unstamped cigarettes or cigarettes that have been stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15). The director may, prior to the destruction of such cigarettes, permit the true holder of the trademark rights in the cigarette brand to inspect the cigarettes, in order to assist the director in any investigation regarding such cigarettes.

(2) As an alternative to destruction, the director may resell such cigarettes to the manufacturer of those cigarettes, but such cigarettes shall be resold only for export or destruction.
(3) Notwithstanding the provisions of paragraph (1) of this subsection, the director may authorize the use for law enforcement purposes of cigarettes forfeited in accordance with this section.

d. The seizure and sale of any unstamped or illegally stamped cigarettes or any other contraband cigarettes under the provisions of this section shall not relieve any person from a fine, imprisonment or other penalty for violation of any of the provisions of this act. The director, the director's agents, employees, and any peace officer of this State, when directed so to do, shall not in any way be responsible in any court for the seizure or the confiscation of any unstamped or illegally stamped packages of cigarettes or any other contraband cigarettes.

4. N.J.S.2C:64-l is amended to read as follows:

Property Subject to Forfeiture.

2C:64-1. Property Subject to Forfeiture.

a. Any interest in the following shall be subject to forfeiture and no property right shall exist in them:

(1) Controlled dangerous substances, firearms which are unlawfully possessed, carried, acquired or used, illegally possessed gambling devices, untaxed or otherwise contraband cigarettes or tobacco products, untaxed special fuel, unlawful sound recordings and audiovisual works and items bearing a counterfeit mark. These shall be designated prima facie contraband.

(2) All property which has been, or is intended to be, utilized in furtherance of an unlawful activity, including, but not limited to, conveyances intended to facilitate the perpetration of illegal acts, or buildings or premises maintained for the purpose of committing offenses against the State.
(3) Property which has become or is intended to become an integral part of illegal activity, including, but not limited to, money which is earmarked for use as financing for an illegal gambling enterprise.

(4) Proceeds of illegal activities, including, but not limited to, property or money obtained as a result of the sale of prima facie contraband as defined by subsection a. (1), proceeds of illegal gambling, prostitution, bribery and extortion.

b. Any article subject to forfeiture under this chapter may be seized by the State or any law enforcement officer as evidence pending a criminal prosecution pursuant to section 2C:64-4 or, when no criminal proceeding is instituted upon process issued by any court of competent jurisdiction over the property, except that seizure without such process may be made when not inconsistent with the Constitution of this State or the United States, and when

(1) The article is prima facie contraband; or

(2) The property subject to seizure poses an immediate threat to the public health, safety or welfare.

c. For the purposes of this section:

"Items bearing a counterfeit mark" means items bearing a counterfeit mark as defined in N.J.S.2C:21-32.

"Unlawful sound recordings and audiovisual works" means sound recordings and audiovisual works as those terms are defined in N.J.S.2C:21-21 which were produced in violation of N.J.S.2C:21-21.

"Untaxed special fuel" means diesel fuel, No. 2 fuel oil and kerosene on which the motor fuel tax imposed pursuant to R.S.54:39-1 et seq. is not paid that is delivered, possessed, sold or transferred in this State in a manner not authorized pursuant to R.S.54:39-1 et seq. or P.L.1938, c.163 (C.56:6-1 et seq.).

5. This act shall take effect immediately.

Approved June 29, 2011.
1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another State if such other State imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predeces-
sor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the "Federal Unemployment Tax Act," chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3301 et seq.), for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or
employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, notification shall be promptly provided to each employer included in the unemployment insurance monetary calculation of benefits. Such notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said benefit payment applies.

An annual summary statement of unemployment benefits charged to the employer's account shall be provided.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:
(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.
(C) Specially assigned rates.
(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and

if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.
(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer: (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.
(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C. s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Fund Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) (Deleted by amendment, P.L.2004, c.45).
(v) (Deleted by amendment, P.L.2008, c.17).
(vi) With respect to experience rating years beginning on or after July 1, 2004, and before July 1, 2011, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Re-
serve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph (4) of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

2 Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).

(F) (i) (Deleted by amendment, P.L.1997, c.263).

(iii) With respect to experience rating years beginning on or after July 1, 2004 and before July 1, 2011, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(iv) With respect to experience rating years beginning on or after July 1, 2011, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.0%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the
contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 1998 until December 31, 1998, a factor of 12%;
From January 1, 1999 until December 31, 1999, a factor of 10%;
From January 1, 2000 until December 31, 2000, a factor of 7%;
From January 1, 2002 until March 31, 2002, a factor of 36%;
From April 1, 2002 until June 30, 2002, a factor of 85%;
From July 1, 2002 until June 30, 2003, a factor of 15%;
From July 1, 2003 until June 30, 2004, a factor of 15%;
From July 1, 2004 until June 30, 2005, a factor of 7%;
From July 1, 2005 until December 31, 2005, a factor of 16%; and
From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) (Deleted by amendment, P.L.2008, c.17).

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to
less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(K) With respect to experience rating years beginning on or after July 1, 2009, if the fund reserve ratio, based on the fund balance as of the prior March 31, is:

(i) Equal to or greater than 5.00% but less than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 25% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under;

(ii) Equal to or greater than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 50% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(L) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2011, the rates set by column "C" of the table in that subparagraph.

(M) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2012, the rates set by column "D" of the table in that subparagraph.

(N) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2013, the rates set by column "E" of the table in that subparagraph.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under
R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the notification to the employer of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest,
including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.
(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et al.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contribu-
tions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19.
with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall
be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be
liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) (i) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or non-governmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(ii) Each worker shall contribute to the State disability benefits fund, in addition to any amount contributed pursuant to subparagraph (i) of this paragraph (l)(G), an amount equal to, during calendar year 2009, 0.09%, and during calendar year 2010 0.12%, of wages paid with respect to the worker's employment with any covered employer, including a governmental employer which is an employer as defined under R.S.43:21-19(h)(5), unless the employer is covered by an approved private disability plan for benefits during periods of family temporary disability leave. The contributions made pursuant to this subparagraph (ii) to the State disability benefits fund shall be deposited into an account of that fund reserved for the payment of benefits during periods of family temporary disability leave as defined in section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administration of those payments and shall not be used for any other purpose. This account shall be known as the "Family Temporary Disability Leave Account." For calendar year 2011 and each subsequent calendar year, the annual rate of contribution to be paid by workers pursuant to this subparagraph (ii) shall be the rate necessary to obtain a total amount of contributions equal to 125% of the benefits paid for periods of family temporary disability leave during the immediately preceding calendar year plus an amount equal to 100% of the cost of administration of the payment of those benefits during the immediately preceding calendar year, less the amount of net assets remaining in the account as of December 31 of the immediately preceding year. Necessary administrative costs shall include the cost of an outreach program to inform employees of the availability of the benefits and the cost of issuing the reports required or permitted pursuant to
section 13 of P.L.2008, c.17 (C.43:21-39.4). No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, with the sole exception that, during calendar years 2008 and 2009, a total amount not exceeding $25 million may be transferred to that account from the revenues received in the State disability benefits fund pursuant to subparagraph (i) of this paragraph (1)(G) and be expended for those payments and their administration, including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28.)
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) (A) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest
shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(B) If an employee receives wages from more than one employer during any calendar year, and the sum of his contributions deposited in the "Family Temporary Disability Leave Account" of the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of family temporary disability leave benefits under one or more approved private plans under the provisions of the "Temporary Disability Benefits Law" (C.43:21-25 et al.) and deducted from his wages, exceeds an amount equal to, during calendar year 2009, 0.09% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3), or during calendar year 2010, 0.12% of those wages, or, during calendar year 2011 or any subsequent calendar year, the percentage of those wages set by the annual rate of contribution determined by the Commissioner of Labor and Workforce Development pursuant to subparagraph (ii) of paragraph (1)(G) of this subsection (d), the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to the refund. The refund shall be made by the controller from the "Family Temporary Disability Leave Account" of the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount
of the refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33), with that determination based upon the ratio of the amount of such wages exempt from contributions to the fund, as provided in paragraph (1)(B) of this subsection (d) with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the "Family Temporary Disability Leave Account" of the State disability benefits fund, as provided in subparagraph (ii) of paragraph (1)(G) of this subsection (d). The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the prorated amount. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the "Family Temporary Disability Leave Account" of the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-l et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.
(e) Contributions by employers to the State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in subsection (a) of section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by paragraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in paragraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts
paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:
   (i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et seq.);
   (ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;
   (iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:
(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;
(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;
(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;
(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;
(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in subparagraphs (D)(2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with subparagraphs (D) (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in subparagraph (D) hereof, as follows:

(i) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph equals or exceeds 11/4%, the final employer rates shall be the preliminary rates determined as provided in subparagraph (D) hereof, except that if the employer's preliminary rate is determined as provided in subparagraph (D)(2) or subparagraph (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.
(ii) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in subparagraph (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in subparagraph (E)(1) of this paragraph is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

(F) Notwithstanding any other provisions of this subsection (e), the rate of contribution paid to the State disability benefits fund by each covered employer as defined in paragraph (1) of subsection (a) of section 3 of P.L.1948, c.110 (C.43:21-27), shall be determined as if:

(i) No disability benefits have been paid with respect to periods of family temporary disability leave;

(ii) No worker paid any contributions to the State disability benefits fund pursuant to paragraph (1)(G)(ii) of subsection (d) of this section; and

(iii) No amounts were transferred from the State disability benefits fund to the "Family Temporary Disability Leave Account" pursuant to paragraph (1)(G)(ii) of subsection (d) of this section.

2. This act shall take effect immediately.

Approved June 29, 2011.

04 Transitional Aid to Localities .................. (10,000,000)
04 Open Space Payments in Lieu of Taxes (PTRF) ................... (6,474,000)

Notwithstanding the provisions of any law or regulation to the contrary, no appropriation shall be made for municipal aid from the amounts credited to the Extraordinary Aid account from receipts of the supplemental fee established pursuant to section 2 of P.L. 2003, c. 113 (C. 46:15-7.1).

The amount hereinabove appropriated for the County Prosecutor Funding Initiative Pilot Program shall be distributed as follows: Camden County, $895,000; Essex County, $1,811,000; Hudson County, $802,500; and Mercer County, $491,500.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality which is in serious fiscal distress to meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if the municipality is identified by the Director of the Division of Local Government Services (Director) as experiencing serious fiscal distress where the Director determines that, despite local officials having implemented substantive cost reduction strategies, there continues to exist conditions of serious fiscal distress, which may include but not be limited to, substantial structural or accumulated deficits, ongoing reliance on non-recurring revenues, limited ability to raise supplemental non-property tax revenues, extraordinary demands for public safety appropriations, and other factors indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an application on a form prescribed by the Director which application, among other things, shall set forth the minimum criteria which must be met in order for an application to be considered by the Director for a determination of eligibility. The Director shall determine whether a municipality which files an application meeting such minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the municipality’s serious fiscal distress. The transitional aid shall be provided to the municipality subject to such conditions, requirements, orders, and oversight as the Director deems necessary including the implementation of government, administrative and operational efficiency and oversight measures necessary for the fiscal recovery of the municipality; provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in fiscal year 2011 and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for fiscal year 2012. Provided however, if the Director of the Division of Local
Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision that municipality is not relieved from compliance with the requirements for transitional aid.

The amount hereinabove appropriated for Transitional Aid to Localities is subject to the following condition: notwithstanding the provisions of R.S.43:21-14 or any other law or regulation to the contrary, the Commissioner of Labor and Workforce Development, in consultation with the Commissioner of Community Affairs, is authorized to enter into individualized payment plan agreements with municipalities that receive Transitional Aid for the reimbursement of unemployment benefits paid to former employees of such municipal government units, at reasonable interest rates based on current market conditions, and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the repayment of outstanding obligations under the plan.

Notwithstanding the provisions of any law or regulation to the contrary, any qualified municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal year, shall continue to be a qualified municipality thereunder during the current fiscal year.

The amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed on the following schedule: on or before August 1, 45% of the total amount due; September 1, 30% of the total amount due; October 1, 15% of the total amount due; November 1, 5% of the total amount due; December 1 for municipalities operating under a calendar fiscal year, 5% of the total amount due; and June 1 for municipalities operating under the State fiscal year, 5% of the total amount due.

Notwithstanding the provisions of any law or regulation to the contrary, from the amounts received from the appropriation to the Consolidated Municipal Property Tax Relief Aid program and received from amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, each municipality shall be required to distribute to each fire district within its boundaries the amount received by the fire district from the Supplementary Aid for Fire Services program pursuant to the provisions of the fiscal year 1995 annual appropriations act, P.L.1994, c.67, less an amount proportional to reductions in the combined total amount received by the municipality from Consolidated Municipal Property Tax Relief Aid and from the Energy Tax Receipts Property Tax Relief Fund since fiscal year 2008.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the same amounts, and to the same municipalities which
received funding pursuant to the previous fiscal year is annual appropriations act, provided further, however, that from the amount hereinabove appropriated there is transferred to the Energy Tax Receipts Property Tax Relief Fund account such sums as were determined for fiscal year 2003, fiscal year 2006, fiscal year 2007, fiscal year 2008, fiscal year 2009, fiscal year 2010, and fiscal year 2012 pursuant to subsection e. of section 2 of P.L.1997, c.167 (C.52:27D-439) as amended by P.L.1999, c.168.

Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services shall take such actions as may be necessary to ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, appropriated to offset losses from business personal property tax that would have otherwise been used for the support of public schools, will be used to reduce the school property tax levy for those affected school districts with the remaining State Aid used as municipal property tax relief. The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the final 5% or $500, whichever is greater, of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the “Best Practices Inventory” established by the Director of the Division of Local Government Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the Director may take into account the particular circumstances of a municipality in computing such score. In preparing the Best Practices Inventory, the Director shall identify best municipal practices in the areas of general administration, fiscal management, and operational activities, as well as the particular circumstances of a municipality, in determining the minimum score acceptable for the release of the final 5% or $500, whichever is greater, of the total annual amount due for the current fiscal year, but in no event shall amounts be withheld with respect to municipal practices occurring prior to the issuance of the Best Practices Inventory unless related to a municipal practice identified in the Best Practices Inventory established in 2010.

Notwithstanding the provisions of any law or regulation to the contrary, payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be provided only to municipalities whose payments received in fiscal year 2010 exceeded $5,000 and shall be provided at two-thirds of the payment amount provided in fiscal year 2010.
Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be retained by the municipality and not apportioned in the same manner as the general tax rate of the municipality.

In addition to the amounts hereinabove appropriated for the Department of Community Affairs, in the case of municipalities that consolidate pursuant to P.L.2007, c.63 (C.40A:65-25 et seq.) or a municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et seq., there is appropriated such additional sums for non-recurring costs that the Director of the Division of Local Government Services determines necessary to implement such consolidation or annexation, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, whenever funds are appropriated as State Aid and payable to any municipality, which municipality requests and receives the approval of the Local Finance Board, such funds may be pledged as a guarantee for payment of principal and interest on any bond anticipation notes issued pursuant to section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified by the Director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law.

The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer appropriations from any State department to any other State department as may be necessary to provide a loan for a term not to exceed 30 days to a municipality faced with a fiscal crisis, including but not limited to a potential default on tax anticipation notes. Extension of the term of the loan shall be conditioned on the municipality being an "eligible municipality" pursuant to P.L.1987, c.75 (C.52:27D-118.24 et seq.).

The Director of the Division of Local Government Services shall permit any municipality that received Regional Efficiency Aid Program funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 et seq.).

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical
cal Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred between the various items of appropriation within the Medical Services for the Aged and Programs for the Aged program classifications to ensure the continuity of long-term care support services for beneficiaries receiving services within the Medical Services for the Aged program classification in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Subject to federal approval, the appropriations for those programs within the Medical Services for the Aged program classification are conditioned upon the Division of Medical Assistance and Health Services in the Department of Human Services and the Division of Budget and Accounting implementing policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Department of Health and Senior Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple’s resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Department of Health and Senior Services to fund the costs of enhanced audit recovery efforts of the Department within the Medical Services.
The amounts hereinabove appropriated for Payments for Medical Assistance Recipients-Nursing Homes are available for the payment of obligations applicable to prior fiscal years.

Such sums as may be necessary are appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the "Nursing Home Quality of Care Improvement Fund Act," P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of N.J.A.C.8:85 or any law or other regulation to the contrary, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care shall be conditioned upon the following: (1) the per diem reimbursement rates effective July 1, 2011, for nursing facilities shall be developed according to the new rate setting methodology that shall be codified under N.J.A.C.8:85 during fiscal year 2011, including any changes that may be codified during fiscal year 2012; (2) except as otherwise provided in this FY 2012 Appropriation Act, regardless of the actual calculated reimbursement per diem rate arising from implementation of this methodology, a nursing facility’s per diem reimbursement rate shall not vary more than $10.00 from the per diem reimbursement rate received by that facility during fiscal year 2010; and (3) monies designated pursuant to subsection c. of section 6 of P.L.2003, c.105 (C.26:2H-97) for distribution to nursing homes less the portion of those funds to be paid as pass-through payments in accordance with paragraph 1 of subsection d. of section 6 of P.L.2003, c.105 (C.26:2H-97) shall be combined with amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care for the purpose of Medicaid reimbursement to nursing facilities according to the new rate setting methodology. For the purposes of this paragraph, a nursing facility’s per diem reimbursement rate shall not include, if the nursing facility is eligible for reimbursement, the difference between the full calculated Provider Tax add-on and the Quality of Care portion of the Provider Tax add-on.

Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove appropriated for Medical Day Care Services shall be conditioned upon the following provision: the per diem fee-for-service reimbursement rate for all adult Medical Day Care providers, regardless of provider type, shall be set at $78.50.
Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: physical therapy, occupational therapy and speech therapy shall no longer serve as permissible criteria for eligibility in the adult Medical Day Care Program.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: effective August 15, 2010, no payments for Medicaid adult medical day care services shall be provided on behalf of any beneficiary who received prior authorization for these services based exclusively on the need for medication administration.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: no licensed facility in the adult Medical Day Care Program may serve or receive reimbursement for more than 200 Medicaid beneficiaries per day. Furthermore, no reimbursement will be provided for any claim in excess of a given facility’s licensed capacity as established by the Department of Health and Senior Services.

Notwithstanding the provisions of N.J.A.C.8:87 or any other law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be subject to the following condition: the daily reimbursement for fee-for-service pediatric medical day care shall remain at the rate established in the preceding fiscal year.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled Program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $5.00 for generic drugs and $7.00 for brand name drugs.
Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer’s rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount Program, there are appropriated from the General Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the
voluntary participation of the beneficiary, subject to the approval of the Commis-

sioner of Health and Senior Services and the Director of the Division of

Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the

amounts hereinabove appropriated for the Pharmaceutical Assistance to the

Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) pro-

grams are conditioned upon the Department of Health and Senior Services co-

ordinating the benefits of the PAAD programs with the prescription drug ben-

efits of the federal “Medicare Prescription Drug, Improvement, and Moderniza-
tion Act of 2003” as the primary payer due to the current federal prohibition

against State automatic enrollment of PAAD recipients in the new federal pro-

gram. The PAAD program benefit and reimbursement shall only be available

to cover the beneficiary cost share to in-network pharmacies and for deducti-

ble and coverage gap costs (as determined by the Commissioner of Health and Sen-

ior Services) associated with enrollment in Medicare Part D for beneficiaries of

the PAAD and Senior Gold Prescription Discount programs, and for Medicare

Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds

appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical

Assistance to the Aged and Disabled (PAAD) program and Senior Gold Pre-
scription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any phar-

macy that is not enrolled as a participating pharmacy in a pharmacy network
under Medicare Part D.

Consistent with the requirements of the federal “Medicare Prescription Drug, Im-

provement, and Modernization Act of 2003” and the current federal prohibition
against State automatic enrollment of Pharmaceutical Assistance to the Aged

and Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and
Senior Gold Prescription Discount Program recipients, no funds hereinabove
appropriated to the PAAD program or Senior Gold Prescription Discount Pro-
gram accounts shall be expended for any individual unless the individual en-
rolled in the PAAD program or Senior Gold Prescription Discount Program
provides all data necessary to enroll the individual in Medicare Part D, includ-
ing data required for the subsidy assistance, as outlined by the Centers for
Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount
hereinabove appropriated for the Pharmaceutical Assistance to the Aged and
Pharmaceutical Assistance to the Aged and Disabled programs, and Senior
Gold Prescription Discount Program shall be conditioned upon the following
provision: no funds shall be appropriated for the refilling of a prescription drug
until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, in order to
maximize drug coverage under Medicare Part D, the appropriation for the Sen-
ior Gold Prescription Discount Program is conditioned on the Senior Gold Pre-
scription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not to be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically excluded by the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” (MMA). In addition, this exclusion shall not impact the beneficiary’s rights, guaranteed by the MMA, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin conditions.

From the amount hereinabove appropriated for the Senior Gold Prescription Discount Program, an amount not to exceed $3,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries obtained through the efforts of any entity authorized to undertake the prevention and detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the Aged in the Division of Senior Services.

In order to permit flexibility in implementing ElderCare Initiatives appropriated hereinabove as part of Community Based Senior Programs, and the Global Budget for Long Term Care within the Medical Services for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives, appropriated hereinabove as part of Community Based Senior Pro-
grams within the Programs for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or any other law or regulation to the contrary, the amount appropriated for Community Based Senior Programs is subject to the following condition: private for-profit agencies shall be eligible grantees for funding from the Community Based Senior Programs account for Alzheimer’s Disease activities.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care are subject to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for Medicaid beneficiaries; provided that nursing facilities shall continue to reserve beds for Medicaid beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C.8:85-1.14.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) through August 31, 2011, (a) reimbursement for the cost of all legend and non-legend drugs shall be calculated based on the lowest of: (i) the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be determined by the Commissioner and the Director of the Division of Budget and Accounting; or (ii) the federal upper limit (FUL); or (iii) the state upper limit (SUL); or (iv) a pharmacy’s usual and customary charge; and (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through August 31, 2011; (2) on or after September 1, 2011 (a) drug cost for all legend and non-legend single source, brand-name multi-source, and multi-source drugs shall be calculated based upon, in the discretion of the commissioner: (i) cost acquisition data submitted by providers, suppliers, and/or wholesalers of pharmaceutical services for single source, brand-name multi-source, and multi-source drugs; or (ii) the wholesale acquisition cost (WAC) less a one percent volume discount for single-source and multi-source brand-name drugs; or (iii) the lesser of the SUL or FUL for multi-source drugs; (3) on or after September 1, 2011, drug reimbursement shall be calculated, in the discretion of the Commissioner, based on either: (i) the lesser of the acquisition data from providers, suppliers and/or wholesalers for single source, brand-name multi-source, and multi-source drugs plus a professional fee or a provider’s usual and customary charge; or (ii) the lesser of WAC less one percent plus a dispensing fee of $3.73 to $3.99 for single-source and multi-source brand-name drugs or a provider’s usual and customary charge; or (iii) the lesser
of SUL or FUL plus $3.73 to $3.99 for multi-source drugs or a provider’s usual and customary charge. In the absence of acquisition data on or after September 1, 2011, reimbursement shall be based on the lesser of 3.ii or 3.iii above. To effectuate the purposes of this paragraph, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, suppliers, and/or wholesalers of pharmaceutical services for reimbursement of dispensing or administering single source, brand-name multi-source, and multi-source drugs, and no funds hereinabove appropriated shall be paid to any entity that fails to submit required data. In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged and Disabled and Hearing Aid Assistance for the Aged and Disabled, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds appropriated for the Home Care Expansion Program (HCEP) shall be paid only for individuals enrolled in the program as of June 30, 1996 who are not eligible for the Global Budget for Long Term Care or alternative programs, and only for so long as those individuals require services covered by the HCEP.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue Fund, Medical Services for the Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year’s annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.
The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $5.00 for generic drugs and $7.00 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, no State funds are appropriated for the Drug Utilization Review Council in the Department of Health and Senior Services, and therefore, the functions of the council shall cease.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program...
are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.
Notwithstanding the provisions of any law or regulation to the contrary, no
amounts hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled (PAAD) program shall be expended to cover medications
not on the formulary of a PAAD program beneficiary’s Medicare Part D plan.
This exclusion shall not apply to those drugs covered by PAAD which are
specifically excluded by the federal “Medicare Prescription Drug, Improvement,
and Modernization Act of 2003” (MMA). In addition, this exclusion shall not
impact the beneficiary’s rights, guaranteed by the MMA, to appeal the medical
necessity of coverage for drugs not on the formulary of a Medicare Part D plan.
Notwithstanding the provisions of any law or regulation to the contrary, no
amounts hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled program shall be expended for diabetic testing materials
and supplies which are covered under the federal Medicare Part B program, or
for vitamins, cough/cold medications, drugs used for the treatment of erectile
dysfunction, or cosmetic drugs including but not limited to: drugs used for
baldness, weight loss, and skin conditions.
Notwithstanding the provisions of any law or regulation to the contrary, of the
amount hereinabove appropriated for the Community Based Senior
Programs (CRF) account, $400,000 shall be charged to the Casino Simulcasting Fund.
Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or
any other law or regulation to the contrary, the amount appropriated for Com­
munity Based Senior Programs is subject to the following condition: private
for-profit agencies shall be eligible grantees for funding from the Community
Based Senior Programs account for Alzheimer’s Disease activities.
Notwithstanding the provisions of any law or regulation to the contrary, no funds
appropriated in the Pharmaceutical Assistance to the Aged and Disabled pro­
gram classification shall be expended for fee-for-service prescription drug
claims with no Medicare Part D coverage except under the following condi­
tions: (1) through August 31, 2011, (a) reimbursement for the cost of all legend
and non-legend drugs shall be calculated based on the lowest of: (i) the Aver­
age Wholesale Price less a volume discount not to exceed 17.5% as shall be de­
termined by the Commissioner and the Director of the Division of Budget and
Accounting; or (ii) the federal upper limit (FUL); or (iii) the state upper limit
(SUL); or (iv) a pharmacy’s usual and customary charge; and (b) the current
prescription drug dispensing fee structure set as a variable rate of $3.73 to
$3.99 shall remain in effect through August 31, 2011; (2) on or after September
1, 2011, (a) drug cost for all legend and non-legend single source, brand-name
multi-source, and multi-source drugs shall be calculated based upon, in the dis­
cretion of the commissioner: (i) cost acquisition data submitted by providers,
suppliers, and/or wholesalers of pharmaceutical services for single source,
brand-name multi-source, and multi-source drugs; or (ii) the wholesale acquisi­
tion cost (WAC) less a one percent volume discount for single-source and
multi-source brand-name drugs; or (iii) the lesser of the SUL or FUL for
multi-source drugs; (3) on or after September 1, 2011, drug reimbursement
shall be calculated, in the discretion of the Commissioner, based on either: (i) the lesser of the acquisition data from providers, suppliers and/or wholesalers for single source, brand-name multi-source, and multi-source drugs plus a professional fee or a provider’s usual and customary charge; or (ii) the lesser of WAC less one percent plus a dispensing fee of $3.73 to $3.99 for single-source and multi-source brand-name drugs or a provider’s usual and customary charge; or (iii) the lesser of SUL or FUL plus $3.73 to $3.99 for multi-source drugs or a provider’s usual and customary charge. In the absence of acquisition data on or after September 1, 2011, reimbursement shall be based on the lesser of 3.ii or 3.iii above. To effectuate the purposes of this paragraph, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, suppliers, and/or wholesalers of pharmaceutical services for reimbursement of dispensing or administering single source, brand-name multi-source, and multi-source drugs, and no funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

08 Support of Patients in County Psychiatric Hospitals .................. ($131,659,000)

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

ing the period January 1 through June 30 of each year and 125% during the pe-
riod July 1 to December 31 of each year, such that the total amount to be paid
by the State on behalf of county indigent patients shall not exceed 85% of the
total reasonable per capita cost. Provided, however, beginning January 1, 2011,
the rate at which the State will reimburse the county psychiatric hospitals shall
not exceed 100% of the per capita rate at which each county pays to the State
for the reasonable cost of maintenance and clothing of each patient residing in a
State psychiatric facility, excluding the depreciation, interest and carry-forward
adjustment components of this rate, and including the depreciation, interest, and
carry-forward adjustment components of each individual county psychiatric
hospital’s established State House Commission rate.
Notwithstanding the provisions of any other law or regulation to the contrary, the
amount hereinabove appropriated for Support of Patients in County Psychiatric
Hospitals is conditioned upon the following provision: payments to county
psychiatric hospitals will only be made after receipt of their claims by the Divi-
sion of Mental Health and Addiction Services. County psychiatric hospitals
shall submit such claims no less frequently than quarterly and within 15 days of
the close of each quarter.
With the exception of all past, present, and future revenues representing federal
financial participation received by the State from the United States that is based
on payments to hospitals that serve a disproportionate share of low-income pa-
tients, which shall be retained by the State, the sharing of revenues received to
defray the State Aid appropriation for the costs of maintaining patients in State
and county psychiatric hospitals shall be based on the same percent as costs are
shared between the State and counties.
The amount hereinabove appropriated for State Aid reimbursement payments for
maintenance of patients in county psychiatric facilities shall be limited to inpa-
tient services only, except that such reimbursement shall be paid to a county for
outpatient and partial hospitalization services as defined by the Department of
Human Services, if outpatient and/or partial hospitalization services had been
previously provided at the county psychiatric facility prior to January 1, 1998.
These outpatient and partial hospitalization payments shall not exceed the
amount of State Aid funds paid to reimburse outpatient and partial hospitaliza-
tion services provided during calendar year 1997. In addition, any revision or
expansion to the number of inpatient beds or inpatient services provided at such
hospitals which will have a material impact on the amount of State Aid pay-
ments made for such services, must first be approved by the Department of
Human Services before such change is implemented.
The amount hereinabove appropriated for the Division of Mental Health and Add-
diction Services for State facility operations and the amount appropriated as
State Aid for the costs of county facility operations are first charged to the fed-
eral Disproportionate Share Hospital (DSH) reimbursements anticipated as
Medicaid uncompensated care. Accordingly, DSH revenues earned by the
State related to services provided by county psychiatric hospitals which are
supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional sums as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's Medicaid program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be Medicaid eligible; (3) bill the Medicaid program for all applicable services; and (4) neither admit nor discharge patients based upon Medicaid eligibility.

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients are available for the payment of obligations applicable to prior fiscal years.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from Payments for Medical Assistance Recipients - Adult Mental Health Residential and Payments for Medical Assistance Recipients - Other Services accounts within the General Medical Services program classification in the Division of Medical Assistance and Health Services and the Payments for Medical Assistance Recipients - Personal Care and the Payments for Medical Assistance Recipients - Other Services accounts in the Division of Disability Services in the Department of Human Services. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in the Division of Aging and Community Services in the Department of Health and Senior Services. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts appropriated in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations.

In addition to the amounts hereinabove appropriated for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ FamilyCare program as defined in P.L.2005, c.156 (C.30:4J-8 et al.).
Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), no funds are appropriated to the Medical Assistance for the Aged program, which has been eliminated.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal approval, of the amounts appropriated in the General Medical Services program class, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures.

The amount hereinabove appropriated for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to Hospital Relief Offset Payments is conditioned upon the following: those hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment may receive enhanced payments from the Medicaid program for providing services to Medicaid and NJ FamilyCare beneficiaries. The HRSF payment shall be an amount approved by the Director of the Division of Budget and Accounting, determined for acute care general hospitals and is to be distributed using a new formula effective July 1, 2011. The new formula shall be based on hospital Medicaid utilization compared to industry-wide utilization for behavioral health, substance abuse, pregnancy, childbirth, and newborn services. Methodology for determining this payment is based on a HRSF factor for all acute care general hospitals, expressed as a percentage, and is defined as the sum of Medicaid primary discharges for Medicaid and NJ FamilyCare program (Title XIX and Title XXI respectively from the federal Social Security Act) fee-for-service and encounter (HMO) claims for all Diagnosis-Related Groups (DRGs) in Major Diagnostic Categories (MDCs) 14, 15, 19, and 20 (as specified in the Ali Patient Refined Diagnosis Related Groups Patient Classification System Definitions Manual published by 3M Health Information Systems), excluding discharges from Medicaid Excluded Units, divided by the industry-wide sum of these discharges. The aforementioned discharge count will be obtained for each hospital using the
most recent calendar year of data available for which the Division of Medical Assistance and Health Services has 24 months of paid claims data as of February 1 of the year prior to the subsidy payment year. The HRSF factor for each hospital is then multiplied by the total appropriated HRSF amount, to arrive at the hospital's individual allocation. The division will use a phase-in process to transition to the new methodology over a three-year period (State Fiscal Year 2012-2014). During the transition period, the allocation will be determined using a sum of the previous three State Fiscal Year (SFY) allocation amounts plus the allocation amount calculated for the new year, using the new formula. The hospital four-year sum is divided by the sum of the four-year allocation for all hospitals to arrive at a percent to total. This percent is multiplied by the total appropriated HRSF amount. The new one-year methodology will be implemented beginning SFY 2015. These total enhanced allocated amounts shall be equal to the total State and federal funds appropriated and are not to exceed an amount to be approved by the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated to Graduate Medical Education (GME) is conditioned upon the following: Effective July 1, 2011, the new GME allocation shall be calculated based on the sum of Medicaid Primary (Title XIX of the federal Social Security Act) and Enhanced FamilyCare Part A Inpatient fee-for-service payments (Net of Administrative Payments and Medicaid Excluded unit payments) and data from the hospital's most recent available submitted cost report as of February 1 of the year prior to the subsidy payment year for acute care general hospitals. The aforementioned hospital payments will be obtained using the hospital's most recent fiscal year of data for which the Division of Medical Assistance and Health Services has 24 months of paid claims data prior to February 1 of the year prior to the rate year. An Indirect Medical Education (IME) Factor is calculated for each Medicaid identified acute care general hospital using a ratio of net available beds (less nursery beds) to submitted IME Resident Full Time Equivalencies (FTEs) and the Medicare IME Formula. This IME factor is applied to the above mentioned Medicaid and FamilyCare Part A payments to obtain a hospital specific IME payment. Each Medicaid identified acute care general hospital's IME payment amount is then divided by the sum of all Medicaid identified acute care general hospitals to arrive at a percent to total. This percentage is multiplied by the total appropriated GME amount to determine the hospital's individual allocation. The Division will use a phase-in process to transition to the new methodology over a three-year period (SFY 2012-2014). During the transition period, the allocation amount will be determined using a sum of the previous three state fiscal year (SFY) allocation amounts plus the allocation amount calculated for the new year using the new formula. This hospital four-year sum is divided by the sum of the four-year allocation for all hospitals to arrive at a percent to total. This percent is multiplied by the total appropriated GME amount. The new one-year methodology will be implemented beginning SFY 2015. The total amount of these
payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds.

Of the amounts hereinabove appropriated in State and federal funds in the Hospital Relief Offset Payment accounts in the Department of Human Services, Division of Medical Assistance and Health Services, such sums as may be necessary shall be transferred to the Hospital Relief Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160 (C.26:2H-18.51 et seq.) to maximize federal revenues related to these accounts and maintain an appropriate level of hospital payments, subject to the approval of the Director of the Division of Budget and Accounting.

The appropriations within the General Medical Services program class shall be conditioned upon the following: the Division of Medical Assistance and Health Services (DMAHS), in coordination with the county welfare agencies, shall continue a program to outstation eligibility workers in disproportionate share hospitals and federally qualified health centers.

Non-contracted hospitals providing emergency services to Medicaid or NJ FamilyCare members enrolled in the managed care program shall accept, as payment in full, the amounts that the non-contracted hospital would receive from Medicaid for the emergency services and/or any related hospitalization if the beneficiary were enrolled in Medicaid fee-for-service.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2009, payments for the Payments of Medical Assistance Recipients - Outpatient Hospital account for outpatient hospital reimbursement for all psychiatric services provided as an outpatient hospital service to all eligible individuals regardless of age, shall be paid at the lower of charges or the prospective hourly rates as defined in N.J.A.C.10:52. Cost related to such services shall be excluded from outpatient hospital cost settlements. Hospitals may provide continued services to all eligible individuals in partial hospitalization programs in need of additional care beyond the 24 month limit and shall bill for these extended services at the community partial care rate.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and Management accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, effective commencing at the beginning of the current fiscal year and subject to federal approval, of the amounts hereinabove appropriated to Payments of Medical Assistance Recipients - Inpatient Hospital, inpatient medical services provided through the Division of Medical Assistance and Health Services shall be conditioned upon the following provision: No funds shall be expended for hospital services during which a preventable hospital error occurred or for hospital ser-

Of the amount hereinabove appropriated to Eligibility Determination, the Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple’s resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients - Prescription Drugs, the Commissioners of Human Services and Health and Senior Services shall establish a system to utilize unopened prescription drugs at nursing facilities issued to patients at such facilities and which have not exceeded their expiration date.

The unexpended balance at the end of the preceding fiscal year in the NJ FamilyCare - Affordable and Accessible Health Coverage Benefits account is appropriated for the same purpose.

Of the revenues received as a result of sanctions to health maintenance organizations participating in Medicaid Managed Care, an amount not to exceed $500,000 is appropriated to the Managed Care Initiative or NJ KidCare A -
Administration account to improve access to medical services and quality care through such activities as outreach, education, and awareness, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, State funding for the New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as of July 1, 2001, or at such later date as shall be established by the Commissioner of Human Services.

Rebates from pharmaceutical manufacturing companies during the current fiscal year for prescription expenditures made to providers on behalf of Medicaid clients are appropriated for the Payments for Medical Assistance Recipients - Prescription Drugs account.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, the amounts hereinabove appropriated to Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance Medical Services are subject to the following conditions: reimbursement for the cost of certain prescription drugs shall be based on the maximum price which the State shall pay (the "State Maximum Allowable Cost"), which shall be established by the Commissioner of Human Services. The commissioner shall establish the State Maximum Allowable Costs for prescription drugs based on cost information and drug acquisition information obtained from suppliers of multi-source prescription drugs.

No funding shall be provided from the General Assistance Medical Services or NJ FamilyCare programs for anti-retroviral drugs for the treatment of HIV/AIDS, as specified in the Department of Health and Senior Services' formulary for the AIDS Drugs Distribution Program (ADDp).

reimbursement for legend and non-legend drugs; and (b) reimbursement for
physician-administered drugs shall be limited to those drugs supplied by manu-
facturers who have entered into the federal Medicaid Drug Rebate Agreement

(c) as of July 1, 2011, all parents or caretakers whose applications to enroll in the NJ FamilyCare program were received on or after March 1, 2010: (i) whose gross family income does not exceed 200% of the poverty level; (ii) who have no health insurance, as determined by the Commissioner of Human Services; and (iii) who are ineligible for Medicaid shall not be eligible for enroll-
ment in the NJ FamilyCare program and there shall be no future enrollments of such persons in the NJ FamilyCare program; and

(d) as of July 1, 2011, any adult alien lawfully admitted for permanent residence, but who has lived in the United States for less than five full years after such lawful admittance and whose enrollment in the NJ FamilyCare program was terminated on or before July 1, 2010 shall not be eligible to be enrolled in the NJ FamilyCare program, provided, however, that this termination of enrollment and benefits shall not apply to such persons who are either (i) pregnant or (ii) under the age of 19.

Notwithstanding the provisions of any other law or regulation to the contrary, and subject to any federal approval that may be necessary, the amounts hereinabove appropriated in the Managed Care Initiative account are subject to the following condition: only the following individuals shall be excluded from mandatory enrollment in the Medicaid/NJ FamilyCare managed care program: 1) individuals who are institutionalized in an inpatient psychiatric institution, a long-term care nursing facility, or an inpatient psychiatric program for children under the age of 21 or in a residential facility including facilities characterized by the federal government as ICFs/MR, except that individuals who are eligible through DYFS and are placed in a DYFS non-Joint Committee on Accreditation of Healthcare Organizations (JCAHO) accredited children’s residential care facility and individuals in a mental health or substance abuse residential treatment facility shall not be excluded from enrollment pursuant to this paragraph; 2) individuals in out-of-State placements; 3) special low-income Medicare beneficiaries (SLMBs); and 4) individuals in the Program of All-Inclusive Care for the Elderly (PACE) program.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, the amounts hereinabove appropriated for fee-for-service prescription drugs in the Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance Medical Services account are subject to the following conditions: (1) through August 31, 2011 (a) reimbursement for the cost of all legend and non-legend drugs shall be calculated based on the lowest of: (i) the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be determined by the Commissioner of Human Services and the Director of the Division of Budget and Accounting; or (ii) the federal upper limit (FUL); or (iii) the State upper limit (SUL); or (iv) a pharmacy’s usual and customary charge; and (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through August 31, 2011; (2) on or after September 1, 2011 (a) drug cost for all legend and non-legend single source, brand-name multi-source, and multi-source drugs shall be calculated based upon, in the discretion of the commissioner: (i) cost acquisition data submitted by providers, suppliers, and/or wholesalers of pharmaceutical services for single source, brand-name multi-source, and multi-source drugs; or (ii) the wholesale acquisition cost (WAC) less a one percent volume discount for single-source and
multi-source brand-name drugs; or (iii) the lesser of the SUL or FUL for multi-source drugs; (3) on or after September 1, 2011, drug reimbursement shall be calculated, in the discretion of the commissioner, based on either: (i) the lesser of the acquisition data from providers, suppliers and/or wholesalers for single source, brand-name multi-source, and multi-source drugs plus a professional fee or a provider’s usual and customary charge; or (ii) the lesser of WAC less one percent plus a dispensing fee of $3.73 to $3.99 for single-source and multi-source brand-name drugs or a provider’s usual and customary charge; or (iii) the lesser of SUL or FUL plus $3.73 to $3.99 for multi-source drugs or a provider’s usual and customary charge. In the absence of acquisition data on or after September 1, 2011, reimbursement shall be based on the lesser of 3.ii or 3.iii above. To effectuate the purposes of this paragraph, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, suppliers, and/or wholesalers of pharmaceutical services for reimbursement of dispensing or administering single source, brand-name multi-source, and multi-source drugs, and no funds hereinafore appropriated shall be paid to any entity that fails to submit required data.

The amount hereinafore appropriated for payments for Medical Assistance Recipients - Prescription Drugs and General Assistance Medical Services accounts is available to pay supplemental pharmacy payments to pharmacies in recognition of reduced claim payments for prescription drugs impacted by the First Data Bank Average Wholesale Price settlement, using drug utilization information and calculations to determine supplemental payments reflecting the differences in reimbursement resulting from the settlement.

Premiums received from families enrolled in the NJ FamilyCare program established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.) are appropriated for NJ FamilyCare payments.

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.
For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2011 of any unexpended balances which are continued.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services and Division of Disability Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a
local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development’s agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that
if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding any other law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such sums as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds received under ARRA are not in their entirety or in part allocated to the specific purposes listed below, to permit flexibility in the handling of appropriations, amounts may be transferred to and from the various items of the appropriations listed below or may be used for such other purposes permitted under ARRA subject to the approval of the Director of the Division of Budget and Accounting and upon the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under
CHAPTER 85, LAWS OF 2011

part D of Title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal funds which are appropriated pursuant to this provision, NJEDA, HMFA, the Office of Energy Savings and the BPU shall prepare and timely submit to the United States Department of Energy the reports required under subsection (c) of section 1512 of Pub.L. 111-5, including without limitation the detailed information required with respect to all projects or activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean Energy Fund and shall be allocated by the Board of Public Utilities (BPU) as follows. The BPU shall enter into memoranda of understanding with the applicable agencies listed below which memoranda of understanding shall provide for the transfer of such monies to the applicable agencies for the purposes listed below.

(1) $15,000,000 to the New Jersey Economic Development Authority (NJEDA) for a grant and loan program to be developed and administered by the NJEDA to fund public and private renewable energy, energy efficiency and alternative energy projects, with applications prioritized based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(2) $20,643,000 for a program to be developed and administered by the BPU for grants to State departments, agencies, authorities and public colleges and universities for renewable and energy efficiency projects at such entities, including but not limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage applications, with applications prioritized by an interagency evaluation team consisting of one representative from each of the following, BPU, NJEDA, Office of Economic Growth, New Jersey Commission on Science and Technology, and the Office of Energy Savings, based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(3) $7,000,000 to the New Jersey Housing Mortgage Finance Agency (HMFA) for a program to be developed and administered by the HMFA to provide financing for the construction of solar energy projects on qualified multi-family housing financed through the HMFA, such funds to be leveraged with existing State energy rebate programs and the federal investment tax credit, with grants prioritized based on the ability to create jobs, generate energy, provide benefits to property residents and to meet HMFA timeframes, and with HMFA retaining ownership of all related solar renewable energy certificates for the purpose of establishing a revolving fund to support additional solar energy projects at HMFA-supported residential properties;
(4) $8,000,000 to the HMFA for a low-interest loan program to be developed and administered by the HMFA for energy efficiency upgrades at single-family and multi-family facilities that are at or below 250% of the area median income (the higher of statewide or county median income) based on a family of four, and affordable multi-family housing owners which meet HMFA's affordability requirements, and which are not eligible for equivalent financing programs offered by the utilities or the Clean Energy Program;

(5) $17,000,000 to the Clean Energy Program for energy efficiency programs administered by the BPU, to be issued to public and private entities on a first-come, first-served basis and specifically targeting customers who are either not currently eligible for Clean Energy Fund incentives or whose energy consumption patterns do not make them likely applicants; and

(6) $6,000,000 to the Office of Energy Savings in the New Jersey Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons.

b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby appropriated as follows:

(1) $4,160,700 to the Office of Energy Savings in the New Jersey Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons; and

(2) $10,240,000 to the BPU for grants to cities, counties and other local units of government which are not eligible to receive directly from the federal government funds under the Block Grant Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor and Workforce Development shall consider a formal association of community based organizations to be a "local consortium" for the purposes of receiving funding for the delivery of English as a Second Language or Civics education/training.
