CHAPTER 86

AN ACT concerning general development plans and site plan approvals, supplementing and amending P.L.1975, c.291.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1987, c.129 (C.40:55D-45.3) is amended to read as follows:

C.40:55D-45.3 Submission of general development plan.

5. a. (1) Any developer of a parcel of land greater than 100 acres in size for which the developer is seeking approval of a planned development pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.) may submit a general development plan to the planning board prior to the granting of preliminary approval of that development by the planning board pursuant to section 34 of P.L.1975, c.291 (C.40:55D-46) or section 36 of P.L.1975, c.291 (C.40:55D-48).

(2) Any developer of a parcel of land 100 acres or less in size for which parcel the developer is seeking approval of a planned development pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.), consisting of not less than 150,000 square feet of nonresidential floor area or not less than 100 residential dwelling units, or consisting of a combination of square feet of nonresidential floor area and residential dwelling units, which when proportionately aggregated at a rate of 1,500 square feet of nonresidential floor area to one residential dwelling unit, are equivalent to at least 150,000 square feet of nonresidential floor area or 100 residential dwelling units, may submit a general development plan to the planning board prior to the granting of preliminary approval of that development by the planning board pursuant to section 34 of P.L.1975, c.291 (C.40:55D-46) or section 36 of P.L.1975, c.291 (C.40:55D-48).

b. The planning board shall grant or deny general development plan approval within 95 days after submission of a complete application to the administrative officer, or within such further time as may be consented to by the applicant. Failure of the planning board to act within the period prescribed shall constitute general development plan approval of the planned development.

2. Section 37 of P.L.1975, c.291 (C.40:55D-49) is amended to read as follows:
C.40:55D-49 Preliminary approval, extension.

37. Preliminary approval of a major subdivision pursuant to section 36 of P.L.1975, c.291 (C.40:55D-48) or of a site plan pursuant to section 34 of P.L.1975, c.291 (C.40:55D-46) shall, except as provided in subsections d. and g. of this section, confer upon the applicant the following rights for a three-year period from the date on which the resolution of preliminary approval is adopted:

a. That the general terms and conditions on which preliminary approval was granted shall not be changed, including but not limited to use requirements; layout and design standards for streets, curbs and sidewalks; lot size; yard dimensions and off-tract improvements; and, in the case of a site plan, any requirements peculiar to site plan approval pursuant to section 29.3 of P.L.1975, c.291 (C.40:55D-41); except that nothing herein shall be construed to prevent the municipality from modifying by ordinance such general terms and conditions of preliminary approval as relate to public health and safety;

b. That the applicant may submit for final approval on or before the expiration date of preliminary approval the whole or a section or sections of the preliminary subdivision plat or site plan, as the case may be; and

c. That the applicant may apply for and the planning board may grant extensions on such preliminary approval for additional periods of at least one year but not to exceed a total extension of two years, provided that if the design standards have been revised by ordinance, such revised standards may govern.

d. In the case of a subdivision of or site plan for an area of 50 acres or more, the planning board may grant the rights referred to in subsections a., b., and c. of this section for such period of time, longer than three years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under preliminary approval, (2) economic conditions, and (3) the comprehensiveness of the development. The applicant may apply for thereafter and the planning board may thereafter grant an extension to preliminary approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under preliminary approval, and (2) the potential number of dwelling units and nonresidential floor area of the section or sections awaiting final approval, (3) economic conditions and (4) the comprehensiveness of the development; provided that if the design standards have been revised, such revised standards may govern.
e. Whenever the planning board grants an extension of preliminary approval pursuant to subsection c., d., or g. of this section and preliminary approval has expired before the date on which the extension is granted, the extension shall begin on what would otherwise be the expiration date. The developer may apply for the extension either before or after what would otherwise be the expiration date.

f. The planning board shall grant an extension of preliminary approval for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued the required approvals. A developer shall apply for the extension before (1) what would otherwise be the expiration date of preliminary approval or (2) the 91st day after the developer receives the last legally required approval from other governmental entities, whichever occurs later. An extension granted pursuant to this subsection shall not preclude the planning board from granting an extension pursuant to subsection c. or d. of this section.

g. In the case of a site plan for a development consisting of not less than 150,000 square feet of nonresidential floor area or not less than 100 residential dwelling units, or consisting of a combination of square feet of nonresidential floor area and residential dwelling units, which when proportionately aggregated at a rate of 1,500 square feet of nonresidential floor area to one residential dwelling unit, are equivalent to at least 150,000 square feet of nonresidential floor area or 100 residential dwelling units, the planning board may grant the rights referred to in subsections a., b., and c. of this section for such period of time beyond three years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and non-residential floor area permissible under preliminary approval, (2) economic conditions, and (3) the comprehensiveness of the development. The applicant may apply for thereafter, and the planning board may thereafter grant, an extension to the preliminary approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under preliminary approval, (2) the potential number of dwelling units and nonresidential floor area of the section or sections awaiting final approval, (3) economic conditions, and (4) the comprehensiveness of the development; pro-
vided that if the design standards have been revised, such revised standards may govern.

3. Section 40 of P.L.1975, c.291 (C.40:55D-52) is amended to read as follows:

C.40:55D-52 Final approval of site plan or major subdivision; extension.

40. a. The zoning requirements applicable to the preliminary approval first granted and all other rights conferred upon the developer pursuant to section 37 of P.L.1975, c.291 (C.40:55D-49), whether conditionally or otherwise, shall not be changed for a period of two years after the date on which the resolution of final approval is adopted; provided that in the case of a major subdivision the rights conferred by this section shall expire if the plat has not been duly recorded within the time period provided in section 42 of P.L.1975, c.291 (C.40:55D-54). If the developer has followed the standards prescribed for final approval, and, in the case of a subdivision, has duly recorded the plat as required in section 42 of P.L.1975, c.291 (C.40:55D-54), the planning board may extend such period of protection for extensions of one year but not to exceed three extensions. Notwithstanding any other provisions of this act, the granting of final approval terminates the time period of preliminary approval pursuant to section 37 of P.L.1975, c.291 (C.40:55D-49) for the section granted final approval.

b. In the case of a subdivision or site plan for a planned development of 50 acres or more, conventional subdivision or site plan for 150 acres or more, or site plan for development of a nonresidential floor area of 200,000 square feet or more, the planning board may grant the rights referred to in subsection a. of this section for such period of time, longer than two years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) economic conditions and (3) the comprehensiveness of the development. The developer may apply for thereafter, and the planning board may thereafter grant, an extension of final approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) the number of dwelling units and nonresidential floor area remaining to be developed, (3) economic conditions and (4) the comprehensiveness of the development.

c. Whenever the planning board grants an extension of final approval pursuant to subsection a., b., or c. of this section and final approval has ex-
pired before the date on which the extension is granted, the extension shall begin on what would otherwise be the expiration date. The developer may apply for the extension either before or after what would otherwise be the expiration date.

d. The planning board shall grant an extension of final approval for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued these approvals. A developer shall apply for the extension before (1) what would otherwise be the expiration date of final approval or (2) the 91st day after the developer receives the last legally required approval from other governmental entities, whichever occurs later. An extension granted pursuant to this subsection shall not preclude the planning board from granting an extension pursuant to subsection a., b., or e. of this section.

e. In the case of a site plan for a development consisting of not less than 150,000 square feet of nonresidential floor area or not less than 100 residential dwelling units, or consisting of a combination of square feet of nonresidential floor area and residential dwelling units, which when proportionately aggregated at a rate of 1,500 square feet of nonresidential floor area to one residential dwelling unit, are equivalent to at least 150,000 square feet of nonresidential floor area or 100 residential dwelling units, the planning board may grant the rights referred to in subsection a. of this section for such period of time beyond two years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) economic conditions, and (3) the comprehensiveness of the development. The developer may apply for thereafter, and the planning board may thereafter grant, an extension of final approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) the number of dwelling units and nonresidential floor area remaining to be developed, (3) economic conditions, and (4) the comprehensiveness of the development.

4. This act shall take effect immediately.

Approved July 1, 2011.
CHAPTER 87

AN ACT concerning claims for unemployment insurance benefits and amending R.S.43:21-6.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-6 is amended to read as follows:

Claims for benefits.

43:21-6. (a) Filing. (1) Claims for benefits shall be made in accordance with such regulations as the Director of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey may approve. Each employer shall post and maintain on his premises printed notices of his subject status, of such design, in such numbers and at such places as the director of the division may determine to be necessary to give notice thereof to persons in the employer's service. Each employer shall give to each individual at the time he becomes unemployed, for any reason, whether the unemployment is permanent or temporary, a printed copy of benefit instructions. The benefit instructions given to the individual shall include, but not be limited to, the following information: (A) the date upon which the individual becomes unemployed, and, in the case that the unemployment is temporary, to the extent possible, the date upon which the individual is expected to be recalled to work; and (B) that the individual may lose some or all of the benefits to which he is entitled if he fails to file a claim in a timely manner. Both the aforesaid notices and instructions, including information detailing the time sensitivity of filing a claim, shall be supplied by the division to employers without cost to them. Nothing in this section shall be construed so as to require an employer to re-hire an individual formerly in the employer's service.

(2) Any claimant, except for a claimant who has, for any period during his base year, served in the military, worked for the federal government, or worked outside the State of New Jersey, may choose to certify, cancel or close his claim for unemployment insurance benefits at any time, 24 hours a day and seven days a week, via the Internet on a website developed by the division; however, any claim that is certified, cancelled or closed after 7:00 PM will not be processed by the division until the next scheduled posting date.
(b) (1) Procedure for making initial determinations with respect to benefit years commencing on or after January 1, 1953.

A representative or representatives designated by the director of the division and hereafter referred to as a "deputy" shall promptly examine the claim, and shall notify the most recent employing unit and, successively as necessary, each employer in inverse chronological order during the base year. Such notification shall require said employing unit and employer to furnish such information to the deputy as may be necessary to determine the claimant's eligibility and his benefit rights with respect to the employer in question.

In his discretion, the director may appoint special deputies to make initial or subsequent determinations under subsection (f) of R.S.43:21-4 and subsection (d) of R.S.43:21-5.

If any employer or employing unit fails to respond to the request for information within 10 days after the mailing, or communicating by electronic means, of such request, the deputy shall rely entirely on information from other sources, including an affidavit to the best of the knowledge and belief of the claimant with respect to his wages and time worked. Except in the event of fraud, if it is determined that any information in such affidavit is erroneous, no penalty shall be imposed on the claimant.

The deputy shall promptly make an initial determination based upon the available information. The initial determination shall show the weekly benefit amount payable, the maximum duration of benefits with respect to the employer to whom the determination relates, and the ratio of benefits chargeable to the employer's account for benefit years commencing on or after July 1, 1986, and also shall show whether the claimant is ineligible or disqualified for benefits under the initial determination. The claimant and the employer whose account may be charged for benefits payable pursuant to said determination shall be promptly notified thereof.

Whenever an initial determination is based upon information other than that supplied by an employer because such employer failed to respond to the deputy's request for information, such initial determination and any subsequent determination thereunder shall be incontestable by the noncomplying employer, as to any charges to his employer's account because of benefits paid prior to the close of the calendar week following the receipt of his reply. Such initial determination shall be altered if necessary upon receipt of information from the employer, and any benefits paid or payable with respect to weeks occurring subsequent to the close of the calendar week following the receipt of the employer's reply shall be paid in accordance with such altered initial determination.
The deputy shall issue a separate initial benefit determination with respect to each of the claimant's base year employers, starting with the most recent employer and continuing as necessary in the inverse chronological order of the claimant's last date of employment with each such employer. If an appeal is taken from an initial determination, as hereinafter provided, by any employer other than the first chargeable base year employer or for benefit years commencing on or after July 1, 1986, that employer from whom the individual was most recently separated, then such appeal shall be limited in scope to include only one or more of the following matters:

(A) The correctness of the benefit payments authorized to be made under the determination;

(B) Fraud in connection with the claim pursuant to which the initial determination is issued;

(C) The refusal of suitable work offered by the chargeable employer filing the appeal;

(D) Gross misconduct as provided in subsection (b) of R.S.43:21-5.

The amount of benefits payable under an initial determination may be reduced or canceled if necessary to avoid payment of benefits for a number of weeks in excess of the maximum specified in subsection (d) of R.S.43:21-3.

Unless the claimant or any interested party, within seven calendar days after delivery of notification of an initial determination or within 10 calendar days after such notification was mailed to his or their last-known address and addresses, files an appeal from such decision, such decision shall be final and benefits shall be paid or denied in accordance therewith, except for such determinations as may be altered in benefit amounts or duration as provided in this paragraph. Benefits payable for periods pending an appeal and not in dispute shall be paid as such benefits accrue; provided that insofar as any such appeal is or may be an appeal from a determination to the effect that the claimant is disqualified under the provisions of R.S.43:21-5 or any amendments thereof or supplements thereto, benefits pending determination of the appeal shall be withheld only for the period of disqualification as provided for in said section, and notwithstanding such appeal, the benefits otherwise provided by this act shall be paid for the period subsequent to such period of disqualification; and provided, also, that if there are two determinations of entitlement, benefits for the period covered by such determinations shall be paid regardless of any appeal which may thereafter be taken, but no employer's account shall be charged with benefits so paid, if the decision is finally reversed.
(2) Procedure for making initial determinations in certain cases of concurrent employment, with respect to benefit years commencing on or after January 1, 1953 and prior to benefit years commencing on or after July 1, 1986.

Notwithstanding any other provisions of this Title, if an individual shows to the satisfaction of the deputy that there were at least 13 weeks in his base period in each of which he earned wages from two or more employers totaling $30.00 or more but in each of which there was no single employer from whom he earned as much as $100.00, then such individual's claim shall be determined in accordance with the special provisions of this paragraph. In such case, the deputy shall determine the individual's eligibility for benefits, his average weekly wage, weekly benefit rate and maximum total benefits as if all his base year employers were a single employer. Such determination shall apportion the liability for benefit charges thereunder to the individual's several base year employers so that each employer's maximum liability for charges thereunder bears approximately the same relation to the maximum total benefits allowed as the wages earned by the individual from each employer during the base year bears to his total wages earned from all employers during the base year. Such initial determination shall also specify the individual's last date of employment within the base year with respect to each base year employer, and such employers shall be charged for benefits paid under said initial determination in the inverse chronological order of such last date of employment.

(3) Procedure for making subsequent determinations with respect to benefit years commencing on or after January 1, 1953. The deputy shall make determinations with respect to claims for benefits thereafter in the course of the benefit year, in accordance with any initial determination allowing benefits, and under which benefits have not been exhausted, and each notification of a benefit payment shall be a notification of an affirmative subsequent determination. The allowance of benefits by the deputy on any such determination, or the denial of benefits by the deputy on any such determination, shall be appealable in the same manner and under the same limitations as is provided in the case of initial determinations.

(c) Appeals. Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and the determination. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the board of review, unless further appeal is initiated pursuant to subsection (e) of this section within 10 days after the date of notification or mailing of the decision for any deci-
sion made on or before December 1, 2010, or within 20 days after the date of notification or mailing of such decision for any decision made after December 1, 2010.

(d) Appeal tribunals. To hear and decide disputed benefit claims, including appeals from determinations with respect to demands for refunds of benefits under subsection (d) of R.S.43:21-16, the director with the approval of the Commissioner of Labor and Workforce Development shall establish impartial appeal tribunals consisting of a salaried body of examiners under the supervision of a Chief Appeals Examiner, all of whom shall be appointed pursuant to the provisions of Title 11A of the New Jersey Statutes, Civil Service and other applicable statutes.

(e) Board of review. The board of review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The board of review shall permit such further appeal by any of the parties interested in a decision of an appeal tribunal which is not unanimous and from any determination which has been overruled or modified by any appeal tribunal. The board of review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceedings so removed to the board of review shall be heard by a quorum thereof in accordance with the requirements of subsection (c) of this section. The board of review shall promptly notify the interested parties of its findings and decision.

(f) Procedure. The manner in which disputed benefit claims, and appeals from determinations with respect to (1) claims for benefits and (2) demands for refunds of benefits under subsection (d) of R.S.43:21-16 shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules prescribed by the board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed.

(g) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the director. Such fees and all expenses of proceedings involving disputed claims shall be deemed a part of the expense of administering this chapter (R.S.43:21-1 et seq.).
(b) Court review. Any decision of the board of review shall become final as to any party upon the mailing of a copy thereof to such party or to his attorney, or upon the mailing of a copy thereof to such party at his last-known address. The Division of Unemployment and Temporary Disability Insurance and any party to a proceeding before the board of review may secure judicial review of the final decision of the board of review. Any party not joining in the appeal shall be made a defendant; the board of review shall be deemed to be a party to any judicial action involving the review of, or appeal from, any of its decisions, and may be represented in any such judicial action by any qualified attorney, who may be a regular salaried employee of the board of review or has been designated by it for that purpose, or, at the board of review's request, by the Attorney General.

(i) Failure to give notice. The failure of any public officer or employee at any time heretofore or hereafter to give notice of determination or decision required in subsections (b), (c) and (e) of this section, as originally passed or amended, shall not relieve any employer's account of any charge by reason of any benefits paid, unless and until that employer can show to the satisfaction of the director of the division that the said benefits, in whole or in part, would not have been charged or chargeable to his account had such notice been given. Any determination hereunder by the director shall be subject to court review.

2. This act shall take effect immediately.

Approved July 1, 2011.
c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in
lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346
(C.43:21-7.2), shall pay to the controller for the unemployment compensation
fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the
provisions of subsections (d) and (e) shall be applicable to all employers,
consistent with the provisions of the "unemployment compensation law" and

(a) Payment.

(1) Contributions shall accrue and become payable by each employer
for each calendar year in which he is subject to this chapter (R.S.43:21-1 et
seq.), with respect to having individuals in his employ during that calendar
year, at the rates and on the basis hereinafter set forth. Such contributions
shall become due and be paid by each employer to the controller for the
fund, in accordance with such regulations as may be prescribed, and shall
not be deducted, in whole or in part, from the remuneration of individuals
in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall
be disregarded unless it amounts to $0.005 or more, in which case it shall
be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following con­
tributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2
7/10% of wages paid by him during each such calendar year, except as oth­
erwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer,
as the term is used in this subsection (b) and in subsections (c), (d) and (e)
of this section 7, shall include the first $4,800.00 paid during calendar year
1975, for services performed either within or without this State; provided
that no contribution shall be required by this State with respect to services
performed in another state if such other state imposes contribution liability
with respect thereto. If an employer (hereinafter referred to as a successor
employer) during any calendar year acquires substantially all the property
used in a trade or business of another employer (hereinafter referred to as a
predecessor), or used in a separate unit of a trade or business of a predeces­
sor, and immediately after the acquisition employs in his trade or business
an individual who immediately prior to the acquisition was employed in the
trade or business of such predecessors, then, for the purpose of determining
whether the successor employer has paid wages with respect to employ­
ment equal to the first $4,800.00 paid during calendar year 1975, any wages
paid to such individual by such predecessor during such calendar year and
prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the "Federal Unemployment Tax Act," chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3301 et seq.), for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for
Chapter 88, Laws of 2011

Benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, notification shall be promptly provided to each employer included in the unemployment insurance monetary calculation of benefits. Such notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said benefit payment applies.

An annual summary statement of unemployment benefits charged to the employer’s account shall be provided.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.

(3) No employer’s rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer’s rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer’s rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer’s rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
(3) 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates.
(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:
if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and
if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.
(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.
(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the
provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{3}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer:

1. eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof;

2. not eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate cal-

culation based upon benefit experience, shall be reduced by 3/10 of 1% un­
der the contribution rate otherwise established under the provisions of para­
graphs (3) and (4) of this subsection; provided that in no event shall the
contribution rate of any employer be reduced to less than 4/10 of 1%. If on
March 31 of any calendar year the balance in the unemployment trust fund
equals or exceeds 12 1/2% of the total taxable wages reported to the con­
troller as of that date in respect to employment during the preceding calen­
dar year, the contribution rate, effective July 1 following, of each employer
eligible for a contribution rate calculation based upon benefit experience,
shall be reduced by 6/10 of 1% if his account for all past periods reflects an
excess of contributions paid over total benefits charged of 3% or more of
his average annual payroll, otherwise by 3/10 of 1% under the contribution
rate otherwise established under the provisions of paragraphs (3) and (4) of
this subsection; provided that in no event shall the contribution rate of any
employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used
in subparagraphs (A) and (B) above, shall not include moneys credited to
the State's account under section 903 of the Social Security Act, as
amended (42 U.S.C. s.1103), during any period in which such moneys are
appropriated for the payment of expenses incurred in the administration of
the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine
the Unemployment Trust Fund Reserve Ratio, which shall be calculated by
dividing the balance of the unemployment trust fund as of the prior March
31 by total taxable wages reported to the controller by all employers as of
March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).
(v) (Deleted by amendment, P.L.2008, c.17).
(vi) With respect to experience rating years beginning on or after July
1, 2004, and before July 1, 2011, the new employer rate or the unemploy­
ment experience rate of an employer under this section shall be the rate
which appears in the column headed by the Unemployment Trust Fund Re­
serve Ratio as of the applicable calculation date and on the line with the
Employer Reserve Ratio, as defined in paragraph (4) of this subsection
(R.S.43:21-7 (c)(4)), as set forth in the following table:

1Fund balance as of March 31 as a percentage of taxable wages in the prior calendar year.

2Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).

(F) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) With respect to experience rating years beginning on or after July 1, 2004 and before July 1, 2011, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.
(iv) With respect to experience rating years beginning on or after July 1, 2011, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.0%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.
(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.
(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of
this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 1998 until December 31, 1998, a factor of 12%;
From January 1, 1999 until December 31, 1999, a factor of 10%;
From January 1, 2000 until December 31, 2000, a factor of 7%;
From January 1, 2002 until March 31, 2002, a factor of 36%;
From April 1, 2002 until June 30, 2002, a factor of 85%;
From July 1, 2002 until June 30, 2003, a factor of 15%;
From July 1, 2003 until June 30, 2004, a factor of 15%;
From July 1, 2004 until June 30, 2005, a factor of 7%;
From July 1, 2005 until December 31, 2005, a factor of 16%; and
From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(K) With respect to experience rating years beginning on or after July 1, 2009, if the fund reserve ratio, based on the fund balance as of the prior March 31, is:
(i) Equal to or greater than 5.00% but less than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 25% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under;

(ii) Equal to or greater than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 50% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(L) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2011, the rates set by column "C" of the table in that subparagraph.

(M) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2012, the rates set by column "D" of the table in that subparagraph.

(N) Notwithstanding any other provision of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be, for fiscal year 2013, the rates set by column "E" of the table in that subparagraph.

(6) Additional contributions.
Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the
notification to the employer of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with
respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S. 43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an em-
poyer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided, however, that such contributions shall be at the rate of $1/2$ of $1\%$ of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et al.), and in that case contributions shall be at the rate of $1/2$ of $1\%$, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund $1.125\%$ of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of $0.625\%$ while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of $0.625\%$ of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is
covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.
(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G)(i) Each worker shall, starting on July 1, 1994 and ending on December 31, 2011, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law. Each worker, with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law, shall, for calendar year 2012 and each subsequent calendar year, make contributions to the State disability benefits fund at the annual rate of contribution necessary to obtain a total amount of contributions, which, when added to employer contributions made to the State disability benefits fund pursuant to subsection (e) of this section, is equal to 120% of the benefits paid for periods of disability, excluding periods of family temporary disability, during the immediately preceding calendar year plus an amount equal to 100% of the cost of administration of the payment of those benefits during the immediately preceding calendar year, less the amount of net assets remaining in the State disability benefits fund, excluding net assets remaining in the "Family Temporary Disability Leave Account" of that fund, as of December 31 of the immediately preceding year. The rates of employer contributions determined pursuant to subsection (e) of this section for any year shall be determined prior to the determination of the rate of employee contributions pursuant to this subparagraph (i) and any consideration of employee contributions in determining employer rates for any year shall be based on amounts of employee contributions made prior to the year to which the rate of employee contributions applies and shall not be based on any projection or estimate of the amount of employee contributions for the year to which that rate applies.
(ii) Each worker shall contribute to the State disability benefits fund, in addition to any amount contributed pursuant to subparagraph (i) of this paragraph (l)(G), an amount equal to, during calendar year 2009, 0.09%, and during calendar year 2010 0.12%, of wages paid with respect to the worker’s employment with any covered employer, including a governmental employer which is an employer as defined under R.S.43:21-19(h)(5), unless the employer is covered by an approved private disability plan for benefits during periods of family temporary disability leave. The contributions made pursuant to this subparagraph (ii) to the State disability benefits fund shall be deposited into an account of that fund reserved for the payment of benefits during periods of family temporary disability leave as defined in section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administration of those payments and shall not be used for any other purpose. This account shall be known as the "Family Temporary Disability Leave Account." For calendar year 2011 and each subsequent calendar year, the annual rate of contribution to be paid by workers pursuant to this subparagraph (ii) shall be the rate necessary to obtain a total amount of contributions equal to 125% of the benefits paid for periods of family temporary disability leave during the immediately preceding calendar year plus an amount equal to 100% of the cost of administration of the payment of those benefits during the immediately preceding calendar year, less the amount of net assets remaining in the account as of December 31 of the immediately preceding year. Necessary administrative costs shall include the cost of an outreach program to inform employees of the availability of the benefits and the cost of issuing the reports required or permitted pursuant to section 13 of P.L.2008, c.17 (C.43:21-39.4). No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, with the sole exception that, during calendar years 2008 and 2009, a total amount not exceeding $25 million may be transferred to that account from the revenues received in the State disability benefits fund pursuant to subparagraph (i) of this paragraph (l)(G) and be expended for those payments and their administration, including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods
of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(3) (A) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976 or, during calendar year 2012 or any subsequent calendar year, the total amount of his contributions for the year exceeds the amount set by the annual rate of contribution determined by the Commissioner of Labor and Workforce Development pursuant to subparagraph (i) of paragraph (l)(G) of this subsection (d), the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accor-
dance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(B) If an employee receives wages from more than one employer during any calendar year, and the sum of his contributions deposited in the "Family Temporary Disability Leave Account" of the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of family temporary disability leave benefits under one or more approved private plans under the provisions of the "Temporary Disability Benefits Law" (C.43:21-25 et al.) and deducted from his wages, exceeds an amount equal to, during calendar year 2009, 0.09% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3), or during calendar year 2010, 0.12% of those wages, or, during calendar year 2011 or any subsequent calendar year, the percentage of those wages set by the annual rate of contribution determined by the Commissioner of Labor and Workforce Development pursuant to subparagraph (ii) of paragraph (l)(G) of this subsection (d), the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to the refund. The refund shall be made by the controller from the "Family Temporary Disability Leave Account" of the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of the refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33), with that determination based upon the ratio of the amount of such wages exempt from contributions to the fund, as provided in paragraph (1)(B) of this subsection (d) with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the "Family Temporary Disability Leave Account" of the State disability benefits fund, as provided in subparagraph (ii) of paragraph (1)(G) of this subsection (d). The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the
wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the prorated amount. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the "Family Temporary Disability Leave Account" of the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to the State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in subsection (a) of section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in com-
bination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by paragraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in paragraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several
individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et seq.);

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in subparagraphs (D)(2), (3) and (4) above shall be subject, however, to the condition that it
shall in no event be decreased by more than $\frac{1}{10}$ of 1% of wages or increased by more than $\frac{2}{10}$ of 1% of wages from the preliminary rate determined for the preceding year in accordance with subparagraph (D) (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in subparagraph (D) hereof, as follows:

(i) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph equals or exceeds 1 1/4% the final employer rates shall be the preliminary rates determined as provided in subparagraph (D) hereof, except that if the employer's preliminary rate is determined as provided in subparagraph (D)(2) or subparagraph (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than $\frac{1}{10}$ of 1%.

(ii) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1% the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with subparagraph (E)(1) of this paragraph is less than 3/4 of 1% but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in subparagraph (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, nor more
CHAPTER 88, LAWS OF 2011 1051

than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in subparagraph (E)(1) of this paragraph is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

(F) Notwithstanding any other provisions of this subsection (e), the rate of contribution paid to the State disability benefits fund by each covered employer as defined in paragraph (1) of subsection (a) of section 3 of P.L.1948, c.110 (C.43:21-27), shall be determined as if:

(i) No disability benefits have been paid with respect to periods of family temporary disability leave;

(ii) No worker paid any contributions to the State disability benefits fund pursuant to paragraph (1)(G)(ii) of subsection (d) of this section; and

(iii) No amounts were transferred from the State disability benefits fund to the "Family Temporary Disability Leave Account" pursuant to paragraph (1)(G)(ii) of subsection (d) of this section.

2. Section 11 of P.L.1948, c.110 (C.43:21-35) is amended to read as follows:

C.43:21-35 Termination of private plans.

11. (a) If the division is furnished satisfactory evidence that a majority of the employees covered by an approved private plan have made election in writing to discontinue such plan, the division shall withdraw its approval of such plan effective at the end of the calendar quarter next succeeding that in which such evidence is furnished. Upon receipt of a petition therefore signed by not less than 10% of the employees covered by an approved private plan, the division shall require the employer upon 30 days' written notice to conduct an election by ballot in writing to determine whether or not a majority of the employees covered by such private plan favor discontinuance thereof; provided, that such election shall not be required more often than once in any 12-month period.
(b) Unless sooner permitted, for cause, by the division, no approved private plan shall be terminated by an employer, in whole or in part, until at least 30 days after written notice of intention so to do has been given by the employer to the division and after notices are conspicuously posted so as reasonably to assure their being seen, or after individual notices are given to the employees concerned.

(c) The division may, after notice and hearing, withdraw its approval of any approved private plan if it finds that there is danger that the benefits accrued or to accrue will not be paid, that the security for such payment is insufficient, or for other good cause shown. No employer, and no union or association representing employees, shall so administer or apply the provisions of an approved private plan as to derive any profit therefrom. The division may withdraw its approval from any private plan which is administered or applied in violation of this provision.

(d) No termination of an approved private plan shall affect the payment of benefits, in accordance with the provisions of the plan, to employees whose period of disability commenced prior to the date of termination. Employees who have ceased to be covered by an approved private plan because of its termination shall, subject to the limitations and restrictions of this act, become eligible forthwith for benefits from the State Disability Benefits Fund for a period of disability commencing after such cessation, and contributions with respect to their wages shall immediately become payable as otherwise provided by law. Any withdrawal of approval of a private plan pursuant to this section shall be reviewable by writ of certiorari or by such other procedure as may be provided by law. With respect to a period of family temporary disability leave immediately after the individual has a period of disability during the individual's own disability, the period of disability is deemed, for the purposes of determining whether the period of disability commenced prior to the date of the termination, to have commenced at the beginning of the period of disability during the individual's own disability, not the period of family temporary disability leave.

(e) Anything in this act to the contrary notwithstanding, a covered employer who, under an approved private plan, is providing benefits at least equal to those required by the State plan, may modify the benefits under the private plan so as to provide benefits not less than the benefits required by the State plan. Individuals covered under a private plan shall not be required to contribute to the plan at a rate exceeding 3/4 of 1% of the amount of "wages" established for any calendar year under the provisions of R.S.43:21-7(b) prior to January 1, 1975, and 1/2 of 1% for calendar years beginning on or after January 1, 1975 and before January 1, 2009. For a calendar year beginning
on or after January 1, 2009 and before January 1, 2012: an employer providing a private plan only for benefits for employees during their own disabilities may require the employees to contribute to the plan at a rate not exceeding 0.5% of the amount of "wages" established for the calendar year under the provisions of R.S.43:21-7(b); an employer providing a private plan only for benefits for employees during periods of family temporary disability may require the employees to contribute to the plan at a rate not exceeding 0.5% of the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(ii); an employer providing a private plan both for benefits for employees during their own disabilities and for benefits during periods of family temporary disability may require the employees to contribute to the plan at a rate not exceeding 0.5% of the amount "wages" established for the calendar year under the provisions of R.S.43:21-7(b) plus an additional amount not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(ii). For a calendar year beginning on or after January 1, 2012: an employer providing a private plan only for benefits for employees during their own disabilities may require the employees to contribute to the plan at a rate not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(i); an employer providing a private plan only for benefits for employees during periods of family temporary disability may require the individuals covered by the private plan to contribute an amount not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(ii); an employer providing a private plan both for benefits for employees during their own disabilities and for benefits during periods of family temporary disability may require the employees to contribute to the plan an amount not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(i) and R.S.43:21-7(d)(1)(G)(ii). Notification of the proposed modification shall be given by the employer to the division and to the individuals covered under the plan.

3. This act shall take effect immediately.

Approved July 1, 2011.

The percentage of exempt property shall be calculated by dividing the total exempt value by the sum of the net valuation which is taxable and that which is tax exempt.

"Full-time employee" means a person employed by the business for consideration for at least 35 hours a week, or who renders any other standard of service generally accepted by custom or practice as full-time employment, or a person who is employed by a professional employer organization pursuant to an employee leasing agreement between the business and the professional employer organization, in accordance with P.L.2001, c.260 (C.34:8-67 et seq.) for at least 35 hours a week, or who renders any other standard of service generally accepted by custom or practice as full-time employment, and whose wages are subject to withholding as provided in the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq. or an employee who is a resident of another State but whose income is not subject to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq. or who is a partner of a business who works for the partnership for at least 35 hours a week, or who renders any other standard of service generally accepted by custom or practice as full-time employment, and whose distributive share of income, gain, loss, or deduction, or whose guaranteed payments, or any combination thereof, is subject to the payment of estimated taxes, as provided in the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq. A property which is partially included within the radius shall only be considered part of the urban transit hub if over 50 percent of its land area falls within the radius.

"Rail station" shall not include any rail station located at an international airport.

2. Section 3 of P.L.2007, c.346 (C.34:1B-209) is amended to read as follows:

C.34:1B-209 Credit for qualified business facilities, conditions for eligibility; allowance.

3. a. (1) A business, upon application to and approval from the authority, shall be allowed a credit of 100 percent of its capital investment, made after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.) but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified business facility within an eligible municipality, pursuant to the restrictions and requirements of this section. To be eligible for any tax credits authorized under this section, a business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified business facility will yield a net positive benefit to both the State and the eligible municipality. The value of all credits approved by the authority pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) shall not exceed $1,500,000,000.
(2) A business, other than a tenant eligible pursuant to paragraph (3) of this subsection, shall make or acquire capital investments totaling not less than $50,000,000 in a qualified business facility, at which the business shall employ not fewer than 250 full-time employees to be eligible for a credit under this section. A business that acquires a qualified business facility shall also be deemed to have acquired the capital investment made or acquired by the seller.

(3) A business that is a tenant in a qualified business facility, the owner of which has made or acquired capital investments in the facility totaling not less than $50,000,000, shall occupy a leased area of the qualified business facility that represents at least $17,500,000 of the capital investment in the facility at which the tenant business and up to two other tenants in the qualified business facility shall employ not fewer than 250 full-time employees in the aggregate to be eligible for a credit under this section. The amount of capital investment in a facility that a leased area represents shall be equal to that percentage of the owner's total capital investment in the facility that the percentage of net leasable area leased by the tenant is of the total net leasable area of the qualified business facility. Capital investments made by a tenant shall be deemed to be included in the calculation of the capital investment made or acquired by the owner, but only to the extent necessary to meet the owner's minimum capital investment of $50,000,000. Capital investments made by a tenant and not allocated to meet the owner's minimum capital investment threshold of $50,000,000 shall be added to the amount of capital investment represented by the tenant's leased area in the qualified business facility.

(4) A business shall not be allowed tax credits under this section if the business participates in a business employment incentive grant relating to the same capital and employees that qualify the business for this credit, or if the business receives assistance pursuant to P.L.1996, c.25 (C.34:1B-112 et seq.). A business that is allowed a tax credit under this section shall not be eligible for incentives authorized pursuant to P.L.2002, c.43 (C.52:27BBB-1 et al.). A business shall not qualify for a tax credit under this section, based upon capital investment and employment of full-time employees, if that capital investment or employment was the basis for which a grant was provided to the business pursuant to the "InvestNJ Business Grant Program Act," P.L.2008, c.112 (C.34:1B-237 et seq.).

(5) Full-time employment for an accounting or privilege period shall be determined as the average of the monthly full-time employment for the period.

(6) The capital investment of the owner of a qualified business facility is that percentage of the capital investment made or acquired by the owner of the building that the percentage of net leasable area of the qualified busi-
ness facility not leased to tenants is of the total net leasable area of the qualified business facility.

(7) A business shall be allowed a tax credit of 100 percent of its capital investment, made after the effective date of P.L.2011, c.89 but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified business facility that is part of a mixed use project, provided that (a) the qualified business facility represents at least $17,500,000 of the total capital investment in the mixed use project, (b) the business employs not fewer than 250 full-time employees in the qualified business facility, and (c) the total capital investment in the mixed use project of which the qualified business facility is a part is not less than $50,000,000. The allowance of credits under this paragraph shall be subject to the restrictions and requirements, to the extent that those are not inconsistent with the provisions of this paragraph, set forth in paragraphs (1) through (6) of this subsection, including but not limited to the requirement that the business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified business facility will yield a net positive benefit to both the State and the eligible municipality.

(8) In determining whether a proposed capital investment will yield a net positive benefit, the authority shall not consider the transfer of an existing job from one location in the State to another location in the State as the creation of a new job, unless (a) the business proposes to transfer existing jobs to a municipality in the State as part of a consolidation of business operations from two or more other locations that are not in the same municipality whether in-State or out-of-State, or (b) the business's chief executive officer, or equivalent officer, submits a certification to the authority indicating that the existing jobs are at risk of leaving the State and that the business's chief executive officer, or equivalent officer, has reviewed the information submitted to the authority and that the representations contained therein are accurate, and the business intends to employ not fewer than 500 full-time employees in the qualified business facility. In the event that this certification by the business's chief executive officer, or equivalent officer, is found to be willfully false, the authority may revoke any award of tax credits in their entirety, which revocation shall be in addition to any other criminal or civil penalties that the business and the officer may be subject to. When considering an application involving intra-State job transfers, the authority shall require the company to submit the following information as part of its application: a full economic analysis of all locations under consideration by the company; all lease agreements, ownership documents, or substantially similar documentation for the business's current in-State locations; and all lease
agreements, ownership documents, or substantially similar documentation for the potential out-of-State location alternatives, to the extent they exist. Based on this information, and any other information deemed relevant by the authority, the authority shall independently verify and confirm, by way of making a factual finding by separate vote of the authority’s board, the business’s assertion that the jobs are actually at risk of leaving the State, before a business may be awarded any tax credits under this section.

b. A business shall apply for the credit within five years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.), and shall submit its documentation for approval of its credit amount within eight years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.).

c. (1) The amount of credit allowed shall, except as otherwise provided, be equal to the capital investment made by the business, or the capital investment represented by the business’ leased area, or area owned by the business as a condominium, and shall be taken over a 10-year period, at the rate of one-tenth of the total amount of the business’ credit for each tax accounting or privilege period of the business, beginning with the tax period in which the business is first approved by the authority as having met the investment capital and employment qualifications, subject to any reduction or disqualification as provided by subsection d. of this section as determined by annual review by the authority. In conducting its annual review, the authority may require a business to submit any information determined by the authority to be necessary and relevant to its review.

The credit amount for any tax period ending after the date eight years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.) during which the documentation of a business’ credit amount remains unapproved shall be forfeited, although credit amounts for the remainder of the years of the 10-year credit period shall remain available to it.

The credit amount that may be taken for a tax period of the business that exceeds the final liabilities of the business for the tax period may be carried forward for use by the business in the next 20 successive tax periods, and shall expire thereafter, provided that the value of all credits approved by the authority against tax liabilities pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) in any fiscal year shall not exceed $150,000,000.

The amount of credit allowed for a tax period to a business that is a tenant in a qualified business facility shall not exceed the business’ total lease payments for occupancy of the qualified business facility for the tax period.

(2) A business that is a partnership shall not be allowed a credit under this section directly, but the amount of credit of an owner of a business shall be determined by allocating to each owner of the partnership that proportion
of the credit of the business that is equal to the owner of the partnership's share, whether or not distributed, of the total distributive income or gain of the partnership for its tax period ending within or with the owner's tax period, or that proportion that is allocated by an agreement, if any, among the owners of the partnership that has been provided to the Director of the Division of Taxation in the Department of the Treasury by such time and accompanied by such additional information as the director may require.

(3) The amount of credit allowed may be applied against the tax liability otherwise due pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5.

d. (1) If, in any tax period, fewer than 200 full-time employees of the business at the qualified business facility are employed in new full-time positions, the amount of the credit otherwise determined pursuant to final calculation of the award of tax credits pursuant to subsection c. of this section shall be reduced by 20 percent for that tax period and each subsequent tax period until the first period for which documentation demonstrating the restoration of the 200 full-time employees employed in new full-time positions at the qualified business facility has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed; provided, however, that for businesses applying before January 1, 2010, there shall be no reduction if a business relocates to an urban transit hub from another location or other locations in the same municipality. For the purposes of this paragraph, a "new full-time position" means a position created by the business at the qualified business facility that did not previously exist in this State.

(2) If, in any tax period, the business reduces the total number of full-time employees in its Statewide workforce by more than 20 percent from the number of full-time employees in its Statewide workforce in the last tax accounting or privilege period prior to the credit amount approval under this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the business' Statewide workforce to the threshold levels required by this paragraph has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(3) If, in any tax period, (a) the number of full-time employees employed by the business at the qualified business facility located in an urban transit hub within an eligible municipality drops below 250, or (b) the
number of full-time employees, who are not the subject of intra-State job transfers, pursuant to paragraph (8) of subsection a. of this section, employed by the business at any other business facility in the State, whether or not located in an urban transit hub within an eligible municipality, drops by more than 20 percent from the number of full-time employees in its workforce in the last tax accounting or privilege period prior to the credit amount approval under this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the number of full-time employees employed by the business at the qualified business facility to 250 or an increase above the 20 percent reduction has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(4) (i) If the qualified business facility is sold in whole or in part during the 10-year eligibility period the new owner shall not acquire the capital investment of the seller and the seller shall forfeit all credits for the tax period in which the sale occurs and all subsequent tax periods, provided however that any credits of tenants shall remain unaffected.

(ii) If a tenant subleases its tenancy in whole or in part during the 10-year eligibility period the new tenant shall not acquire the credit of the sublessor, and the sublessor tenant shall forfeit all credits for the tax period of its sublease and all subsequent tax periods.

d. (1) The Executive Director of the New Jersey Economic Development Authority, in consultation with the Director of the Division of Taxation in the Department of the Treasury, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to implement this act, including but not limited to: examples of and the determination of capital investment; the enumeration of eligible municipalities; specific delineation of urban transit hubs; the determination of the limits, if any, on the expense or type of furnishings that may constitute capital improvements; the promulgation of procedures and forms necessary to apply for a credit, including the enumeration of the certification procedures and allocation of tax credits for different phases of a qualified business facility or mixed use project; and provisions for credit applicants to be charged an initial application fee, and ongoing service fees, to cover the administrative costs related to the credit.

(2) Through regulation, the Economic Development Authority shall establish standards based on the green building manual prepared by the Commissioner of Community Affairs pursuant to section 1 of P.L.2007, c.132 (C.52:27D-130.6), regarding the use of renewable energy, energy-
efficient technology, and non-renewable resources in order to reduce environ­
mental degradation and encourage long-term cost reduction.

3. Section 34 of P.L.2009, c.90 (C.34:1B-209.2) is amended to read as
follows:

C.34:1B-209.2 Definitions.

34. As used in sections 34 and 35 of P.L.2009, c.90 (C.34:1B-209.2 and
C.34:1B-209.3), the terms "affiliate," "authority," "capital investment," "eligible municipali­
ity," "partnership," "residential unit," and "urban transit hub" shall have the same meanings as ascribed thereto in the "Urban Transit Hub Tax Credit Act," P.L.2007, c.346 (C.34:1B-207 et seq.), as amended by P.L.2009, c.90 (C.52:27D-489a et al.), provided that all references therein to "business" and "qualified business facility" shall be deemed to refer re­
spectively to "developer" and "qualified residential project," as such terms are defined in this section. Provided however, for purposes of a "mixed use pro­ject" as that term is defined and used pursuant to subparagraph (b) of
paragraph (4) of subsection a. of section 35 of P.L.2009, c.90 (C.34:1B-­
209.3), "qualified business facility" means that term as defined pursuant to
section 2 of P.L.2007, c.346 (C.34:1B-208). In addition, as used in sections
34 and 35 of P.L.2009, c.90 (C.34:1B-209.2 and C.34:1B-209.3):

"Developer" shall have the same meaning as "business," as such term is
defined in the "Urban Transit Hub Tax Credit Act," P.L.2007, c.346 (C.34:1B-­
207 et seq.), as amended by P.L.2009, c.90 (C.52:27D-489a et al.).

"Qualified residential project" means any building, complex of build­

4. Section 35 of P.L.2009, c.90 (C.34:1B-209.3) is amended to read as
follows:

C.34:1B-209.3 Developer allowed certain tax credits.

35. a. (1) A developer, upon application to and approval from the au­
thority, shall be allowed a credit of up to 35 percent of its capital investment,
made after the effective date of P.L.2009, c.90 (C.52:27D-489a et al.) but
prior to its submission of documentation pursuant to subsection c. of this
section, in a qualified residential project, pursuant to the restrictions and re­
quirements of this section. To be eligible for any tax credits authorized un­
der this section, a developer shall demonstrate to the authority, through a
project pro forma analysis at the time of application, that the qualified resi­
dential project is likely to be realized with the provision of tax credits at the level requested but is not likely to be accomplished by private enterprise without the tax credits. The value of all credits approved by the authority pursuant to P.L.2009, c.90 (C.52:27D-489a et al.) for qualified residential projects may be up to $150,000,000, except as may be increased by the authority as set forth below; provided, however, that the combined value of all credits approved by the authority pursuant to both P.L.2007, c.346 (C.34:1B-207 et seq.) and P.L.2009, c.90 (C.52:27D-489a et al.) shall not exceed $1,500,000,000. The authority shall monitor application and allocation activity under P.L.2007, c.346 (C.34:1B-207 et seq.), and if sufficient credits are available after taking into account allocation under P.L.2007, c.346 (C.34:1B-207 et seq.) to those qualified business facilities for which applications have been filed or for which applications are reasonably anticipated, and if the executive director judges certain qualified residential projects to be meritorious, the aforementioned $150,000,000 cap may, in the discretion of the executive director, be exceeded for allocation to qualified residential projects in such amounts as the executive director deems reasonable, justified, and appropriate. In allocating all credits to qualified residential projects under this section, the executive director shall take into account, together with other factors deemed relevant by the executive director: input from the municipality in which the project is to be located, whether the project furthers specific State or municipal planning and development objectives, or both, and whether the project furthers a public purpose, such as catalyzing urban development or maximizing the value of vacant, dilapidated, outmoded, government-owned, or underutilized property, or both.

(2) A developer shall make or acquire capital investments totaling not less than $50,000,000 in a qualified residential project to be eligible for a credit under this section. A developer that acquires a qualified residential project shall also be deemed to have acquired the capital investment made or acquired by the seller.

(3) The capital investment requirement may be met by the developer or by one or more of its affiliates.

(4) A developer of a mixed use project shall be allowed a credit pursuant to subparagraph (a) or (b) of this paragraph, but not both.

(a) A developer shall be allowed a credit in accordance with this section for a qualified residential project that includes a mixed use project.

(b) A developer shall be allowed a credit of up to 35 percent of its capital investment, made after the effective date of P.L.2011, c.89 but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified residential project that is part of a mixed use project, provided
that: (a) the capital investment in the qualified residential project represents at least $17,500,000 of the total capital investment in the mixed use project; and (b) the total capital investment in the mixed use project of which the qualified residential project is a part is not less than $50,000,000. The allowance of credits under this paragraph shall be subject to the restrictions and requirements, to the extent that those are not inconsistent with the provisions of this paragraph, set forth in paragraphs (1) through (3) of this subsection, including but not limited to the requirement prescribed in paragraph (1) of this subsection that the developer shall demonstrate to the authority, through a project pro forma analysis at the time of application, that the qualified residential project is likely to be realized with the provision of tax credits at the level requested but is not likely to be accomplished by private enterprise without the tax credits.

As used in this subparagraph:

"Mixed use project" means a project comprising both a qualified residential project and a qualified business facility.

b. A developer shall apply for the credit within five years after the effective date of P.L.2009, c.90 (C.52:27D-489a et al.), and a developer shall submit its documentation for approval of its credit amount within eight years after the effective date of P.L.2009, c.90 (C.52:27D-489a et al.).

c. The credit shall be administered in accordance with the provisions of subsections c. and e. of section 3 of P.L.2007, c.346 (C.34:1B-209), as amended by section 32 of P.L.2009, c.90, and section 33 of P.L.2009, c.90 (C.34:1B-209.1), except that (1) all references therein to "business" and "qualified business facility" shall be deemed to refer respectively to "developer" and "qualified residential project," as such terms are defined in section 34 of P.L.2009, c.90 (C.34:1B-209.2) and (2) all references therein to credits claimed by tenants and to reductions or disqualifications in credits as determined by annual review of the authority shall be disregarded. Provided however, for purposes of a "mixed use project" as that term is used and defined pursuant to subparagraph (b) of paragraph (4) of subsection a. of this section, "qualified business facility" means that term as defined pursuant to section 2 of P.L.2007, c.346 (C.34:1B-208).

5. Section 18 of P.L.2008, c.46 (C.52:27D-329.9) is amended to read as follows:

**C.52:27D-329.9 Developments, certain, in certain regional planning entities.**

18. a. Notwithstanding any rules of the council to the contrary, for developments consisting of newly-constructed residential units located, or to
be located, within the jurisdiction of any regional planning entity required to adopt a master plan or comprehensive management plan pursuant to statutory law, including the New Jersey Meadowlands Commission pursuant to subsection (i) of section 6 of P.L.1968, c.404 (C.13:17-6), the Pinelands Commission pursuant to section 7 of the "Pinelands Protection Act," P.L.1979, c.111 (C.13:18A-8), the Fort Monmouth Economic Revitalization Planning Authority pursuant to section 5 of P.L.2006, c.16 (C.52:271-5), or its successor, and the Highlands Water Protection and Planning Council pursuant to section 11 of P.L.2004, c.120 (C.13:20-11), but excluding joint planning boards formed pursuant to section 64 of P.L.1975, c.291 (C.40:55D-77), there shall be required to be reserved for occupancy by low or moderate income households at least 20 percent of the residential units constructed, to the extent this is economically feasible.

b. Subject to the provisions of subsection d. of this section, a developer of a project consisting of newly-constructed residential units being financed in whole or in part with State funds, including, but not limited to, transit villages designated by the Department of Transportation and units constructed on State-owned property, shall be required to reserve at least 20 percent of the residential units constructed for occupancy by low or moderate income households, as those terms are defined in section 4 of P.L.1985, c.222 (C.52:27D-304), with affordability controls as required under the rules of the council, unless the municipality in which the property is located has received substantive certification from the council and such a reservation is not required under the approved affordable housing plan, or the municipality has been given a judgment of repose or a judgment of compliance by the court, and such a reservation is not required under the approved affordable housing plan.

c. (1) The Legislature recognizes that regional planning entities are appropriately positioned to take a broader role in the planning and provision of affordable housing based on regional planning considerations. In recognition of the value of sound regional planning, including the desire to foster economic growth, create a variety and choice of housing near public transportation, protect critical environmental resources, including farmland and open space preservation, and maximize the use of existing infrastructure, there is created a new program to foster regional planning entities.

(2) The regional planning entities identified in subsection a. of this section shall identify and coordinate regional affordable housing opportunities in cooperation with municipalities in areas with convenient access to infrastructure, employment opportunities, and public transportation. Coordination of affordable housing opportunities may include methods to regionally
provide housing in line with regional concerns, such as transit needs or opportunities, environmental concerns, or such other factors as the council may permit; provided, however, that such provision by such a regional entity may not result in more than a 50 percent change in the fair share obligation of any municipality; provided that this limitation shall not apply to affordable housing units directly attributable to development by the New Jersey Sports and Exposition Authority within the New Jersey Meadowlands District.

(3) In addition to the entities identified in subsection a. of this section, the Casino Reinvestment Development Authority, in conjunction with the Atlantic County Planning Board, shall identify and coordinate regional affordable housing opportunities directly attributable to Atlantic City casino development, which may be provided anywhere within Atlantic County, subject to the restrictions of paragraph (4) of this subsection.

(4) The coordination of affordable housing opportunities by regional entities as identified in this section shall not include activities which would provide housing units to be located in those municipalities that are eligible to receive aid under the "Special Municipal Aid Act," P.L.1987, c.75 (C.52:27D-118.24 et seq.), or are coextensive with a school district which qualified for designation as a "special needs district" pursuant to the "Quality Education Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), or at any time in the last 10 years have been qualified to receive assistance under P.L.1978, c.14 (C.52:27D-178 et seq.) and that fall within the jurisdiction of any of the regional entities specified in subsection a. of this section.

d. Notwithstanding the provisions of subsection b. of this section, or any other law or regulation to the contrary, for purposes of mixed use projects or qualified residential projects in which a business receives a tax credit pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) or a tax credit pursuant to section 35 of P.L.2009, c.90 (C.34:1B-209.3), or both, an "eligible municipality," as defined in section 2 of P.L.2007, c.346 (C.34:1B-208), shall have the option of deciding the percentage of newly-constructed residential units within the project, up to 20 percent of the total, required to be reserved for occupancy by low or moderate income households. For a mixed use project or a qualified residential project that has received preliminary or final site plan approval prior to the effective date of P.L.2011, c.89, the percentage shall be deemed to be the percentage, if any, of units required to be reserved for low or moderate income households in accordance with the terms and conditions of such approval.

6. Section 3 of P.L.2009, c.90 (C.52:27D-489c) is amended to read as follows:
C.52:27D-489c Definitions relative to economic stimulus.

"Project financing gap" means the part of the total redevelopment project cost, including return on investment, that remains to be financed after all other sources of capital have been accounted for, including, but not limited to, developer contributed capital, which shall not be less than 20 percent of the total project cost, and investor or financial entity capital or loans for
which the developer, after making all good faith efforts to raise additional
capital, certifies that additional capital cannot be raised from other sources.

"Project revenue" means all rents, fees, sales, and payments generated
by a project, less taxes or other government payments.

"Property tax increment" means the amount obtained by:

1. multiplying the general tax rate levied each year by the taxable
   value of all the property assessed within a project area in the same year,
   excluding any special assessments; and

2. multiplying that product by a fraction having a numerator equal to
   the taxable value of all the property assessed within the project area, minus
   the property tax increment base, and having a denominator equal to the tax-
   able value of all property assessed within the project area.

For the purpose of this definition, "property tax increment base" means

seq.); a transit village, as determined by the Commissioner of Transportation;
and federally owned land approved for closure under a federal Base
Realignment Closing Commission action.

"Redevelopment incentive grant agreement" means an agreement be-
tween, (1) the State and the New Jersey Economic Development Authority
and a developer, or (2) a municipality and a developer, or a municipal ordi-
nance authorizing a project to be undertaken by a municipal redeveloper, un-
der which, in exchange for the proceeds of an incentive grant, the developer
agrees to perform any work or undertaking necessary for a redevelopment
project, including the clearance, development or redevelopment, construc-
tion, or rehabilitation of any structure or improvement of commercial, industrial, residential, or public structures or improvements within a qualifying economic redevelopment and growth grant incentive area or a transit village.

"Redevelopment project" means a specific work or improvement, including lands, buildings, improvements, real and personal property or any interest therein, including lands under water, riparian rights, space rights and air rights, acquired, owned, developed or redeveloped, constructed, reconstructed, rehabilitated or improved, undertaken by a developer within a project area and any ancillary infrastructure project associated therewith.

**d.** The trust is authorized to adjust the allowable trust loan amount for projects authorized in this section to between 25% and 75% of the total allowable loan amount.

5. In accordance with and subject to the provisions of sections 5, 6 and 23 of P.L.1985, c.334 (C.58:11B-5, 58:11B-6, and 58:11B-23) and as set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21), or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1), any proceeds from bonds issued by the trust to make loans for priority environmental infrastructure projects listed in sections 2 and 4 of this act which are not expended for that purpose may be applied for the payment of all or any part of the principal of and interest and
premium on the trust bonds whether due at stated maturity, the interest payment dates or earlier upon redemption. A portion of the proceeds from bonds issued by the trust to make loans for priority environmental infrastructure projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses; for the payment of reserve capacity expenses; for the payment of debt service reserve fund expenses for the payment of the loan origination fees; and for the payment of increased costs as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

6. Any loan made by the New Jersey Environmental Infrastructure Trust pursuant to this act shall be subject to the following requirements:
   a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L.1977, c.224, P.L.1985, c.334, P.L.1992, c.88, P.L.1997, c.223, P.L.1997, c.224, P.L.1997, c.225, P.L.1999, c.175 or P.L.2003, c.162, and any rules and regulations adopted pursuant thereto, and any amendatory and supplementary acts thereto, as applicable. In making this certification, the chairman may conclusively rely on the project review conducted by the Department of Environmental Protection without any independent review thereof by the trust;
   b. The loan shall be conditioned upon inclusion of the project on a project priority list approved pursuant to section 20 of P.L.1985, c.334 (C.58:11B-20) or section 24 of P.L.1997, c.224 (C.58:11B-20.1);
   c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;
   d. The loan, including any portion thereof made by the trust pursuant to subsection f. of section 7 of this act, shall not exceed the allowable project cost of the environmental infrastructure facility, exclusive of capitalized interest and issuance expenses as provided in subsection b. of section 7 of this act, reserve capacity expenses and the debt service reserve fund expenses as provided in subsection c. of section 7 of this act, interest earned on project costs as provided in subsection d. of section 7 of this act, the amounts of the loan origination fee as provided in subsection e. of section 7 of this act, refunding increases as provided in section 8 of this act and increased costs as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27);
   e. The loan shall bear interest, exclusive of any late charges or administrative fees payable to the trust pursuant to subsection o. of section 5 of
P.L.1985, c.334 (C.58:11B-5) by the project sponsors receiving trust loans, at or below the interest rate paid by the trust on the bonds issued to make or refund the loans authorized by this act, adjusted for underwriting discount and original issue discount or premium, in accordance with the terms and conditions set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21) or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1); and

f. The loan shall be subject to all other terms and conditions as the trust shall determine to be consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) and any rules and regulations adopted pursuant thereto, and with the financial plan required by section 21 of P.L.1985, c.334 (C.58:11B-21) or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1).

The priority lists and authorization for the making of loans pursuant to this act shall expire on July 1, 2012, and any project sponsor which has not executed and delivered a loan agreement with the trust for a loan authorized in this act shall no longer be entitled to that loan.

7. a. The New Jersey Environmental Infrastructure Trust is authorized to reduce the individual amount of loan funds made available to or on behalf of project sponsors pursuant to sections 2 and 4 of this act based upon final building costs defined in and determined in accordance with rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27) or rules and regulations adopted by the Commissioner of Environmental Protection pursuant to section 4 of P.L.1985, c.329, section 11 of P.L.1977, c.224 (C.58:12A-11) or section 5 of P.L.1981, c.261. The trust is authorized to use any such reduction in the loan amount made available to a project sponsor to cover that project sponsor's increased costs due to differing site conditions or other allowable expenses as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

b. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the amount of capitalized interest and issuance expenses allocable to each loan made by the trust pursuant to this act; provided that the increase for issuance expenses, excluding underwriters' discount, original issue discount or premiums, municipal bond insurance premiums and bond rating agency fees, shall not exceed 0.4% of the principal amount of trust bonds issued to make loans authorized by this act.

c. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the amount of reserve capacity expenses, and
by the debt service reserve fund expenses associated with the costs identified in paragraphs (3) and (4) of subsection d. of section 1 of this act.

d. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the interest earned on amounts deposited for project costs pending their distribution to project sponsors.

e. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the loan origination fee.

f. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the amount appropriated to the Department of Environmental Protection for the purpose of making the corresponding zero interest loan pursuant to section 3 of P.L.2011, c.93 in connection with the project costs of the project sponsor, to the extent the priority ranking and an insufficiency of funding prevents the department from making the loan.

10. a. There is appropriated to the New Jersey Environmental Infrastructure Trust as needed from repayments of loans deposited in any account, including the "Wastewater Treatment Fund," the "1992 Wastewater Treatment Fund," the "Water Supply Fund," the "Stormwater Management and Combined Sewer Overflow Abatement Fund," or the Drinking Water State Revolving Fund, as appropriate, and from any net earnings received from the investment and reinvestment of such deposits, the sum of $200,000,000 consisting of:
(1) The unexpended balance of $100,000,000 currently on deposit in the special fund (hereinafter referred to as the "Interim Financing Program Fund") created and established by the trust for the short-term or temporary loan financing or refinancing program (hereinafter referred to as the "Interim Financing Program") authorized pursuant to subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9), which balance previously had been appropriated to the trust for such purpose pursuant to section 12 of P.L.2004, c.109, less any Interim Financing Program Fund amounts appropriated to the Department of Environmental Protection to supplement the sums appropriated from the Clean Water State Revolving Fund for clean water projects pursuant to the Federal Clean Water Act; and

(2) such other amounts to be deposited in the Interim Financing Program Fund, provided that the amount so reappropriated and appropriated to the trust for deposit in the Interim Financing Program Fund shall be utilized by the trust to make short-term or temporary loans pursuant to the Interim Financing Program to any one or more of the project sponsors, for the respective projects thereof, identified in the interim financing project priority list (hereinafter referred to as the "Interim Financing Program Eligibility List") in the form provided to the Legislature by the Commissioner of Environmental Protection.

b. The Interim Financing Program Eligibility List shall be submitted to the Legislature on or before June 18, 2011 on a day when both Houses are meeting. The President of the Senate and the Speaker of the General Assembly shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively. Any environmental infrastructure project or the project sponsor thereof not identified in the Interim Financing Program Eligibility List shall not be eligible for a short-term or temporary loan from the Interim Financing Program Fund.

11. This act shall take effect immediately.

Approved August 4, 2011.

CHAPTER 96

AN ACT providing the New Jersey Sports and Exposition Authority with the power to jointly run racetrack operations and reducing the number of thoroughbred race dates under certain circumstances, and amending various parts of the statutory law.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1971, c.137 (C.5:10-7) is amended to read as follows:

C.5:10-7 Application for permit.

7. a. The authority or a lessee of the authority is hereby authorized, licensed and empowered to apply to the Racing Commission for a permit or permits to hold and conduct, at any of the projects set forth in paragraphs (1) and (5) of subsection a. of section 6 of P.L.1971, c.137 (C.5:10-6), horse race meetings for stake, purse or reward, and to provide a place or places on the race meeting grounds or enclosure for wagering by patrons on the results of such horse races by the parimutuel system, and to receive charges and collect all revenues, receipts and other sums from the operation thereof and, in the case of the authority, the ownership thereof.

b. Except as otherwise provided in this section, such horse race meetings and parimutuel wagering shall be conducted by the authority or a lessee of the authority in the manner and subject to compliance with the standards set forth in P.L.1940, c.17 (C.5:5-22 et seq.) and the rules, regulations and conditions prescribed by the Racing Commission thereunder for the conduct of horse race meetings and for parimutuel betting at such meetings.

c. Application for said permit or permits shall be on such forms and shall include such accompanying data as the Racing Commission shall prescribe for other applicants. The Racing Commission shall proceed to review and act on any such application within 30 days after its filing and the Racing Commission is authorized in its sole discretion to determine whether a permit shall be granted to the authority or a lessee of the authority. If, after such review, the Racing Commission acts favorably on such application, a permit shall be granted to the authority or a lessee of the authority without any further approval and shall remain in force and effect so long as any bonds or notes of the authority remain outstanding, the provisions of any other law to the contrary notwithstanding. In granting a permit to the authority or a lessee of the authority to conduct a horse race meeting, the Racing Commission shall not be subject to any limitation as to the number of tracks authorized for the conduct of horse race meetings pursuant to any provision of P.L.1940, c.17 (C.5:5-22 et seq.). Said permit shall set forth the dates to be allotted to the authority for its initial horse race meetings. Thereafter application for dates for horse race meetings by the authority or a lessee of the authority and the allotment thereof by the Racing Commis-
sion, including the renewal of the same dates theretofore allotted, shall be governed by the applicable provisions of P.L.1940, c.17 (C.5:5-22 et seq.). Notwithstanding the provisions of any other law to the contrary, the Racing Commission shall allot annually to the authority or a lessee of the authority for the Meadowlands Complex, in the case of harness racing, not less than the number of racing days allotted pursuant to subsection b. of section 30 of P.L.2001, c.199 (C.5:5-156), and in the case of running racing, not less than 56 racing days, if and to the extent that application is made therefor.

d. No hearing, referendum or other election or proceeding, and no payment, surety or cash bond or other deposit, shall be required for the authority or a lessee of the authority to hold or conduct the horse race meetings with parimutuel wagering herein authorized.

e. The authority or a lessee of the authority shall determine the amount of the admission fee for the races and all matters relating to the collection thereof.

f. Distribution of sums deposited in parimutuel pools to winners thereof shall be in accordance with the provisions of section 44 of P.L.1940, c.17 (C.5:5-64) pertaining thereto. The authority or a lessee of the authority shall make disposition of the deposits remaining undistributed as follows:
   (1) In the case of harness races:
      (a) Hold and set aside in an account designated as a special trust account 1% of such total contributions in all pools, to be used and distributed as hereinafter provided and as provided in section 5 of P.L.1967, c.40, for the following purposes and no other:
         (i) 42 1/2% thereof to increase purses and grant awards for starting horses, as provided or as may be provided by rules of the New Jersey Racing Commission, with payment to be made in the same manner as payment of other purses and awards;
         (ii) 49% thereof for the establishment of a Sire Stakes Program for standardbred horses, with payment to be made to the Department of Agriculture for administration as hereinbefore provided;
         (iii) 5 1/2% thereof to the Sire Stakes Program for purse supplements designed to improve and promote the standardbred breeding industry in New Jersey by increasing purses for owners of horses that are sired by a New Jersey registered stallion and are eligible to participate in the Sire Stakes Program. The Sire Stakes Program board of trustees shall consult with the Standardbred Breeders' and Owners' Association of New Jersey before disbursing money for purse supplements;
         (iv) 3% thereof for other New Jersey horse breeding and promotion conducted by the New Jersey Department of Agriculture.
Payment of the sums held and set aside pursuant to subparagraphs (iii) and (iv) shall be made to the commission every seventh day of any and every race meeting in the amount then due, as determined in the manner provided above, and shall be accompanied by a report under oath showing the total of all such contributions, together with such other information as the commission may require.

(b) Distribute as purse money and for programs designed to aid the horsemen and the Standardbred Breeders' and Owners' Association of New Jersey 5.1175%, or in the case of races on a charity racing day 5%, of such total contributions. Expenditures for programs designed to aid the horsemen and the Standardbred Breeders' and Owners' Association of New Jersey shall not exceed 5% of the sum available for distribution as purse money. The formula for distribution of the purse money as either overnight purses or special stakes shall be determined by an agreement between the Standardbred Breeders' and Owners' Association of New Jersey and the authority or a lessee of the authority. Notwithstanding the foregoing, for pools where the patron is required to select two or more horses, the authority or a lessee of the authority shall distribute as purse money 5.6175%, or in the case of races on a charity racing day 5.5%, of the total contributions and for pools where the patron is required to select three or more horses, the authority or a lessee of the authority shall distribute as purse money 7.1175%, or in the case of races on a charity racing day 7%, of the total contributions. Notwithstanding the foregoing, for pools where a patron is required to select three or more horses, the authority or a lessee of the authority shall retain out of the 7.1175% or 7% to be distributed as purse money a sum deemed necessary by the racing commission, for use by the commission to finance a prerace blood testing program, and such other testing programs which the commission shall deem proper and necessary and which shall be subject to the regulation and control of said commission.

(c) In the case of races on a racing day other than a charity racing day, distribute to the Standardbred Breeders' and Owners' Association of New Jersey for the administration of a health benefits program for horsemen .1175% of such total contributions.

(d) In the case of races on a racing day other than a charity racing day, distribute to the Sire Stakes Program for standardbred horses .02% of such total contributions.

(e) In the case of races on a racing day other than a charity racing day, distribute to the Backstretch Benevolency Programs Fund created pursuant to P.L.1993, c.15 (C.5:5-44.8) .01% of such total contributions.
(2) In the case of running races:

(a) Hold and set aside in an account designated as a special trust account .05% of such total contributions, to be used and distributed for State horse breeding and development programs, research, fairs, horse shows, youth activities, promotion and administration, as provided in section 5 of P.L.1967, c.46 (C.5:5-88).

(b) Distribute as purse money and for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association 4.475%, or in the case of races on a charity racing day 4.24%, of such total contributions. Expenditures for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association shall not exceed 2.9% of the sum available for distribution as purse money. The formula for distribution of the purse money as either overnight purses or special stakes shall be determined by an agreement between the New Jersey Thoroughbred Horsemen's Association and the authority or a lessee of the authority. Notwithstanding the foregoing, for pools where the patron is required to select three or more horses, the authority or a lessee of the authority shall distribute as purse money 7.475%, or in the case of races on a charity racing day 7.24%, of the total contributions.

(c) Deduct and set aside in a special trust account established pursuant to section 46b.(1)(e) and 46b.(2)(e) of P.L.1940, c.17 (C.5:5-66) for the establishment and support by the commission of the thoroughbred breeding industry in New Jersey .1% of such total contributions, except that for pools where the patron is required to select three or more horses, the amount shall be .6%. The money in the special trust account shall be used to: (i) improve purses for closed races; (ii) provide awards to owners and breeders of registered New Jersey bred horses who earn portions of purses in open and closed races at New Jersey race tracks or in closed races at an out-of-State track as part of a multi-state event to promote thoroughbred breeding, and to owners of stallions posted on the official stallion roster of the Thoroughbred Breeders' Association of New Jersey, which sire such New Jersey bred money earners; and (iii) provide awards to the New Jersey Thoroughbred Breeders' Association for programs beneficial to thoroughbred breeding in this State. The New Jersey thoroughbred award program shall be administered and disbursed by the Thoroughbred Breeders' Association of New Jersey subject to the approval of the commission. The special trust account to be established pursuant to this paragraph shall be separate and apart from the special trust account established and maintained pursuant to subparagraph (a) of this paragraph.
(d) In the case of races on a racing day other than a charity racing day, distribute to the Thoroughbred Breeders' Association of New Jersey .02% of such total contributions.

(e) In the case of races on a racing day other than a charity racing day, distribute to the Backstretch Benevolency Programs Fund created pursuant to P.L.1993, c.15 (C.5:5-44.8) .01% of such total contributions.

Payment of the sums held and set aside pursuant to subparagraphs (a) and (c) of this subsection shall be made to the commission every seventh day of any and every race meeting in the amount then due, as determined in the manner provided above, and shall be accompanied by a report under oath showing the total of all such contributions, together with such other information as the commission may require.

In addition to the amounts above, in the case of races on a racing day designated or allotted as a charity racing day pursuant to P.L.1977, c.200 (C.5:5-44.2 et seq.), P.L.1993, c.15 (C.5:5-44.8), or section 1 of P.L.1997, c.80 (C.5:5-44.9), an amount equal to 1/2 of 1% of all parimutuel pools shall be paid to the commission at the time and in the manner prescribed by the commission.

All amounts remaining in parimutuel pools, including the breaks, after such distribution and payments shall constitute revenues of the authority or a lessee of the authority. Except as otherwise expressly provided in this section 7, the authority or a lessee of the authority shall not be required to make any payments to the Racing Commission or others in connection with contributions to parimutuel pools.

g. All sums held by the authority or a lessee of the authority for payment of outstanding parimutuel tickets not claimed by the person or persons entitled thereto within the time provided by law shall be paid upon the expiration of such time, without further obligation to such ticketholder, as follows:

(1) In the case of running and harness races, beginning July 1, 1997 50% of those sums shall be paid to the Racing Commission for deposit in the general fund of the State and disposition in accordance with section 4 of P.L.1997, c.29 (C.5:5-68.1);

(2) In the case of running races, 50% of those sums shall be paid to the commission and set aside in the special trust account established pursuant to section 46b.(1)(e) and section 46b.(2)(e) of P.L.1940, c.17 (C.5:5-66); and

(3) In the case of harness races, 25% of those sums shall be retained by the permitholder to supplement purses for sire stakes races on which there is parimutuel wagering, and 25% shall be retained by the permitholder to supplement overnight purses.
h. No admission or amusement tax, excise tax, license or horse racing fee of any kind shall be assessed or collected from the authority or a lessee of the authority by the State of New Jersey, or by any county or municipality, or by any other body having power to assess or collect license fees or taxes.

i. Any horse race meeting and the parimutuel system of wagering upon the results of horse races held at such race meeting shall not under any circumstances, if conducted as provided in the act and in conformity thereto, be held or construed to be unlawful, other statutes of the State to the contrary notwithstanding.

j. Each employee of the authority or a lessee of the authority engaged in the conducting of horse race meetings shall obtain the appropriate license from the Racing Commission, subject to the same terms and conditions as is required of similar employees of other permitholders. The Racing Commission may suspend any member of the authority upon approval of the Governor and the license of any employee of the authority or a lessee of the authority in connection with the conducting of horse race meetings, pending a hearing by the Racing Commission, for any violation of the New Jersey laws regulating horse racing or any rule or regulation of the commission. Such hearing shall be held and conducted in the manner provided in said laws.

k. Notwithstanding any other provision of law, rule, or regulation to the contrary, if the authority shall enter into an agreement with a private entity to lease a racetrack facility it owns to that entity, it may further agree with that entity to jointly operate the facility during a transitionary period. The transitionary period shall only last:

1. until the private entity lessee has been fully licensed by the New Jersey Racing Commission and has received all necessary permits to conduct future horse race meetings at the racetrack in the manner and subject to compliance with the standards set forth in P.L.1940, c.17 (C.5:5-22 et seq.), and the rules, regulations, and conditions prescribed by the New Jersey Racing Commission thereunder; or

2. for one year from the date that the lease agreement is signed, whichever is shorter.

The New Jersey Racing Commission may extend the transitionary period for a reasonable time frame beyond one year from the date that the lease agreement is signed, however under no circumstances can the transitionary period extend beyond two years from the date that the lease agreement is signed. At the expiration of the transitionary period and any extension granted by the New Jersey Racing Commission, the private entity lessee
shall be required to have obtained all the necessary permits and licenses in
the manner and subject to compliance with the standards set forth in
P.L.1940, c.17 (C.5:5-22 et seq.), and the rules, regulations, and conditions
prescribed by the New Jersey Racing Commission thereunder. During this
transitionary period, the private entity lessee shall be permitted to conduct
horse race meetings and wagering through its own employees or through the
authority's employees, provided that the authority or the private entity lessee
holds a permit issued pursuant to section 30 of P.L.1940, c.17 (C.5:5-50).
During this transitional period, the authority may also assign any portion of
the proceeds it receives from the operation of the leased racetrack to the pri­
vate entity lessee. During the transitionary period, the private entity lessee
and the authority must remain, at all times, in compliance with P.L.1940,
c.17 (C.5:5-22 et seq.), except that the private entity need not obtain a permit
pursuant to section 30 of P.L.1940, c.17 (C.5:5-50) if the authority has been
granted one by the New Jersey Racing Commission.

2. Section 30 of P.L.2001, c.199 (C.5:5-156) is amended to read as
follows:

C.5:5-156 Scheduling of race dates, minimum required.
30. a. The permit holder at Monmouth Park and the thoroughbred per✲

mit holder may decrease the annual number of scheduled thoroughbred race
dates to no fewer than 71 thoroughbred race dates upon written consent
from the New Jersey Thoroughbred Horsemen's Association.

b. The standardbred permit holder at Meadowlands Racetrack shall
schedule annually no fewer than 151 standardbred race dates, except that the
standardbred permit holder may decrease the annual number of scheduled
standardbred race dates to no fewer than 75 standardbred race dates upon
written consent from the Standardbred Breeders' and Owners' Association of
New Jersey.

c. The permit holders at Freehold Raceway shall schedule annually no
fewer than 192 standardbred race dates, except that the permit holders may
decrease the annual number of scheduled race dates to no fewer than 75
standardbred race dates upon written consent from the Standardbred Breeders' and Owners' Association of New Jersey.

d. Notwithstanding subsection a. of this section, the permit holder at
Monmouth Park and the thoroughbred permit holder at Meadowlands Race­
track may schedule 120 thoroughbred race dates in the aggregate in each
calendar year from 2004 through 2007 only if the thoroughbred permit holder at Meadowlands Racetrack or the permit holder at Monmouth Park guarantee in each calendar year from 2004 through 2007 at least $4,200,000 in thoroughbred stakes at Meadowlands Racetrack and Monmouth Park, and guarantee the average daily overnight purses for thoroughbred race meetings at the following levels: (1) at least $300,000 at Meadowlands Racetrack in each calendar year from 2004 through 2007; (2) for the traditional meet at Monmouth Park, at least $320,000 in calendar year 2004, at least $325,000 in calendar year 2005, at least $330,000 in calendar year 2006 and at least $335,000 in calendar year 2007; and (3) for the 18-day supplemental meet at Monmouth Park, at least $300,000 in each calendar year from 2004 through 2006. In any calendar year from 2004 through 2007 in which the permit holder at the Meadowlands Racetrack or the permit holder at Monmouth Park, as appropriate, fails to guarantee the required minimum for thoroughbred stakes or the required minimum in average in daily overnight purses pursuant to this subsection, the permit holder at Monmouth Park and the thoroughbred permit holder at Meadowlands Racetrack together shall schedule no fewer than 141 thoroughbred race dates in the aggregate in that calendar year.

3. Section 5 of P.L.1992, c.19 (C.5:12-195) is amended to read as follows:

C.5:12-195 Applications to conduct casino simulcasting, conditions of approval.

5. A permit holder which wishes to conduct casino simulcasting shall request the approval of the New Jersey Racing Commission in its annual application for horse race meeting dates filed with that commission pursuant to section 23 of P.L.1940, c.17 (C.5:5-43), or, if applying between the submittal of annual applications, through such supplemental application as that commission shall deem appropriate. The New Jersey Racing Commission shall not approve the request of any permit holder to conduct casino simulcasting unless the permit holder will conduct a number of live racing programs during the period for which the permit is issued which is equal to the following:

a. in the case of harness races, each permit holder shall conduct at least the number of live racing programs required under subsections b. and c. of section 30 of P.L.2001, c.199 (C.5:5-156); and

b. in the case of running races, Monmouth Racetrack and Meadowlands Racetrack shall conduct at least the same number of live racing programs required under subsection a. of section 30 of P.L.2001, c.199 (C.5:5-
156), and each of the other permit holders conducting running races shall conduct at least five live racing programs, except that in calendar year 2010 Monmouth Racetrack may conduct at least 71 live racing programs and Meadowlands Racetrack may conduct zero live racing programs.

For the purpose of satisfying the requirements of this section for the conduct of live racing programs, any live racing program or part thereof which is cancelled because of weather or another act of God shall be deemed to have been conducted, subject to the approval of the New Jersey Racing Commission.

4. Section 38 of P.L.1992, c.19 (C.5:5-126) is amended to read as follows:

38. a. If a receiving track which is authorized by the New Jersey Racing Commission to receive the racing program, in full or in part, from an out-of-State sending track pursuant to section 37 of this act is not conducting live racing at the time of receiving the out-of-State races, the amount resulting from the takeout rate shall be distributed as follows:

1. a. The Director of the Division of Purchase and Property in the Department of the Treasury shall, upon consultation with the Department of Agriculture, review and modify all bid and product specifications relating to the purchase of agricultural and horticultural products and commodities, so that the specifications do not discriminate against, but encourage, the maximum purchase of "Jersey Fresh," "Jersey Grown," other agricultural food products and commodities grown or raised in New Jersey, and "Made With Jersey Fresh" baked goods or other food products baked or made with "Jersey Fresh" products. In purchasing any agricultural or horticultural products, commodities, or goods for use by the various agencies and departments of the State government, for the entities defined in section 1 of P.L.1959, c.40 (C.52:27B-56.1), or for any county, municipality or school district pursuant to P.L.1969, c.104 (C.52:25-16.1 et al.), the Director of the Division of Purchase and Property, to the maximum extent possible, shall make contracts available for "Jersey Fresh," "Jersey Grown," other agricultural food products and commodities grown or raised in New Jersey, and "Made With Jersey Fresh" baked goods or other food products baked or made with "Jersey Fresh" products, unless the director determines it to be inconsistent with the public interest or the cost to be unreasonable. CHAPTER 104

AN ACT concerning DNA testing, amending P.L.1994, c.136, and supplementing Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1994, c.136 (C.53:1-20.18) is amended to read as follows:

C.53:1-20.18 Findings, declarations regarding DNA databases.

2. The Legislature finds and declares that DNA databanks are an important tool in criminal investigations and in deterring and detecting recidivist acts. It is the policy of this State to assist federal, state and local criminal justice and law enforcement agencies in the identification and detection of individuals who are the subjects of criminal investigations. It is therefore in the best interest of the State of New Jersey to establish a DNA database and a DNA databank containing blood or other biological samples submitted by every person convicted or found not guilty by reason of insanity of a crime and arrested for certain violent crimes. It is also in the best interest of the State of New Jersey to include in this DNA database and DNA databank blood or other biological samples submitted by juveniles adjudicated delinquent or adjudicated not delinquent by reason of insanity for acts, which if committed by an adult, would constitute a crime and by every juvenile arrested for certain violent crimes.

The Legislature further finds and declares that the minimal intrusion on an individual’s privacy interest resulting from a DNA test is justified by the compelling governmental interests advanced by DNA analysis, for those who are convicted, adjudicated or found not guilty by reason of insanity for indictable crimes, as well as for those who are arrested for certain violent crimes. It further finds that DNA testing enhances the State’s ability to
positively identify an offender, to ascertain whether an individual may be implicated in another offense, and to establish positive identification in the event the offender becomes a fugitive.

The Legislative finds, as did the Supreme Court of New Jersey, that there is a compelling parallel between the taking of DNA and fingerprinting, and that the purposes of DNA testing demonstrate “special needs” beyond ordinary law enforcement.

2. Section 4 of P.L.1994, c.136 (C.53:1-20.20) is amended to read as follows:

C.53:1-20.20 DNA samples required; conditions.

CHAPTER 109

AN ACT concerning the disposition of unclaimed property on loan to a museum and supplementing Title 52 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:30D-1 Short title.
1. This act shall be known and may be cited as the “Museum Unclaimed Loan Act.”

C.46:30D-2 Findings, declarations relative to unclaimed property on loan to a museum.
2. The Legislature finds and declares that the people of the State of New Jersey have an interest in the maintenance and growth of museum collections and in the preservation and protection of property on loan to museums within this State. Loans of property that are of artistic, historic, cultural, and scientific value are made to museums in furtherance of their educational and other charitable purposes. When lenders fail to stay in contact with museums with respect to property on loan, museums must store and care for the property long after the relevant loan period has expired or should reasonably be deemed expired. Museums have limited rights to the use and care of such property, all the while bearing substantial costs related to storage, record keeping, climate control, security, periodic inspection, insurance, and general overhead.

Therefore, it is in the public interest to encourage both museums and lenders to use due diligence in monitoring property on loan; resolve the issue of title to property on loan that is unclaimed and remains in the custody of museums; and allocate fairly the responsibilities between lenders and museums.

The purpose of this act, the Museum Unclaimed Loan Act, is to establish standards and procedures for the disposition of unclaimed property on loan to museums and this act should be interpreted in accordance with these findings and declarations.

C.46:30D-3 Definitions relative to unclaimed property on loan to a museum.
3. As used in this act:
“Claimant” means an individual, association, partnership, corporation, trust, estate, or other entity, other than the lender of record, claiming or establishing title to or an interest in property that is on loan to a museum.

“Lender” means an individual, association, partnership, corporation, trust, estate, or other entity having title to or an interest in property on loan to a museum.

“Loan” means a deposit of property with a museum for a specified or unspecified period of time that does not involve a transfer of title to or interest in the property.
CHAPTER 109, LAWS OF 2011 1217

“Museum” means a public or private nonprofit agency or institution, and any agency or institution of the State or a political subdivision of the State, located in the State of New Jersey that:

is organized on a permanent basis;

is operated primarily for cultural, aesthetic, educational, scientific, or historic preservation purposes;

utilizes a professional staff;

owns, borrows, cares for, exhibits, studies, archives, or catalogues tangible animate or inanimate objects; and

makes them available to the public on a regular basis.

The term “museum” includes, but is not limited to: art, history, science, and natural history museums; educational institutions; historical societies; historic sites; landmarks; parks; archives; monuments; botanical gardens; arboreta; zoos; nature centers; planetaria; aquaria; libraries; and technology centers.

“Property” means tangible animate or inanimate objects.

C.46:30D-4 Notice of intent to terminate a loan of property.

4. a. Unless a written loan agreement specifically provides otherwise, a museum may give notice of its intent to terminate a loan of property under the following circumstances:

the property is on loan to the museum for an indefinite period of time and the lender, or anyone acting legitimately on the lender’s behalf, has not contacted the museum with respect to the loan for at least ten years from the beginning date of the loan; or

the property is on loan to the museum for a specified period of time and the lender, or anyone acting legitimately on the lender’s behalf, has not contacted the museum with respect to the loan for at least five years from the expiration date of the loan.

b. Any notice given by a museum pursuant to this act for the purpose of terminating a loan of property shall contain the following information:

a description of the property in sufficient detail for ready identification;

the last known name and address of the lender or a potential claimant;

the date of the loan, if known, or the approximate date the property was deposited with the museum;

the name and address of the museum; and

the name, address, and contact information of the appropriate museum official or office to be contacted regarding the property.
C.46:30D-5 Notice to lender of intention to terminate a loan of property.

5. a. If a museum intends to terminate a loan of property, the museum shall give notice to the lender of its intention at the last known address of the lender. The museum shall undertake a reasonable search in good faith to identify the lender and the lender's last known address from the museum records and other records reasonably available to the museum. The same notice shall be given, and the same search shall be undertaken, by the museum if the museum has knowledge of the existence of a potential claimant.

If the museum identifies the lender or a potential claimant and the last known address of the lender or potential claimant, the notice shall be sent to the lender or potential claimant by certified mail, return receipt requested, to the last known address. Notice shall be deemed given if the museum receives a return receipt showing delivery to the lender or potential claimant within 30 days of the mailing of the notice. The date of a notice shall be deemed to be the date of delivery to the person to whom it was sent.

b. A notice of intent to terminate a loan of property sent to the lender or a potential claimant pursuant to subsection a. of this section shall include, in addition to the information required by subsection b. of section 4 of this act, a statement indicating:

- the intent of the museum to terminate the loan;
- the date of the notice;
- that the lender or potential claimant must contact the museum in order to establish title to or an interest in the property and make arrangements to take possession of the property; and
- that failure to contact the museum within 180 days after the date of the notice will result in the loss of title to or an interest in the property pursuant to section 7 of this act.

C.46:3D-6 Notice by publication of intent.

6. a. If a museum intends to terminate a loan of property and has been unable to give notice in accordance with section 5 of this act, the museum shall give notice by publication of intent to terminate a loan of property. Publication shall be by means of a notice placed at least twice, 60 or more days apart, in a newspaper of general circulation in the county or municipality in which the museum is located and in which the last known address of the lender, if known, is located.

b. A published notice of intent to terminate a loan shall include, in addition to the information required in sections 4 and 5 of this act, a request that any person who has knowledge of the lender or potential claimant and where the lender or potential claimant may be located should provide writ-
ten notice to the museum. If such a written notice is received by the museum, the museum shall provide the notice to the lender or potential claimant required pursuant to section 5 of this act.

c. In addition to the method of notice designated in subsection a. of this section, a museum may, whenever practicable, use an emerging technology to publish such a notice in order to reach as broad a circulation as possible.

The museum provides, on or after the effective date of this act, notice pursuant to section 5 of this act and receives a return receipt showing delivery of the notice to the lender or a potential claimant within 30 days of the mailing of the notice, but the museum is not contacted by the lender or potential claimant within 180 days after the date of the notice; and

The museum provides, on or after the effective date of this act, notice by publication pursuant to section 6 of this act, but the museum is not contacted by the lender or potential claimant within 180 days of the date of the second or last notice by publication.

C.46:30D-8 Acquisition of good title by purchaser.
8. a. A person who purchases or otherwise acquires property from a museum acquires good title to the property if the museum has acquired good title to the property in accordance with this act.

b. No action shall be brought against a museum, or its officers, trustees, directors, employees, or agents, to recover property on loan to the museum after the museum has acquired good title in accordance with this act.

c. If there are two or more claimants to property on loan to a museum, the burden shall be upon each claimant to prove title to or an interest in the property. A museum shall not be held liable for delivering property to an uncontested claimant who produces reasonable proof of title to or an interest in the property satisfactory to the museum.

d. Unless there is evidence of bad faith or gross negligence, a museum shall not be prejudiced by reason of any failure to deal with a person who has title to or an interest in property on loan to the museum.

e. If there is a dispute as to the title to or an interest in property on loan to a museum, a museum shall not be held liable for its refusal to deliver the property except in accordance with a court order or judgment.
C.46:30D-9 Actions by museum relative to loan of property.

9. a. For a loan of property to a museum made on or after the effective date of this act, the museum shall, at the time of the loan:
   (1) make and retain a written record containing:
       the name, address, and telephone number of the lender,
       a description of the property in sufficient detail for ready identification,
       the beginning date of the loan, and
       the expiration date of the loan;
   (2) provide the lender with a signed receipt or agreement containing, at least, the information set forth in paragraph (1) of this subsection; and
   (3) inform the lender in writing of the existence of this act and provide the lender with a copy of this act upon the lender’s request.

   b. With respect to any property on loan to a museum, a museum shall:
      (1) update its record if a lender informs the museum of a change of address or change in the title to or interest in the property, or if the lender and museum negotiate a change in the duration of the loan; and
      (2) inform the lender in writing of the existence of this act when renewing or updating the record and provide the lender with a copy of this act upon the lender’s request.

C.46:30D-10 Notification of change in address, title; proof established by purchaser.

10. a. The lender, or any purchaser, donee, successor, or other assignee of the lender’s interest in the property, shall promptly notify the museum in writing of a change in the lender’s address or of a change in the title to or interest in the property.

   b. A purchaser, donee, successor, or other assignee of the lender’s interest shall establish title to or interest in the property by producing reasonable proof satisfactory to the museum.

C.46:30D-11 Agreements between lender and museum; application of act.

11. a. A lender and museum may agree in writing to terms and conditions for a loan of property different than the provisions set forth in this act.

   b. Except as otherwise specifically provided by law, regulation, or rule, property on loan to a museum shall not escheat to the State under any State unclaimed property law.

   c. An interest in or right to property on loan to a museum other than that specifically addressed in this act shall not be affected by this act.

   d. A museum shall have a lien for expenses incurred for the reasonable care of property on loan to the museum that is unclaimed after the museum complies, on or after the effective date of this act, with sections 4 and 5 of this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. The Legislature finds and declares:
   a. The railroad station operated by the New Jersey Transit Corporation in the Borough of Red Bank is currently known as the "Red Bank Station."
   b. Justice Daniel J. O'Hern, an extraordinary figure in the public life of New Jersey, was born in Red Bank, New Jersey on May 23, 1930 and passed away on April 1, 2009.

Today, New Jersey and the Borough of Red Bank are better places because of him and his exceptional service.
   d. After graduating from Fordham College, cum laude, Justice O'Hern served in the United States Navy from 1951 to 1954, during a time when the United States was at war in Korea.
   e. After graduating from Harvard Law School in 1957, cum laude, Justice O'Hern served as a judicial clerk to United States Supreme Court Justice William J. Brennan, Jr., another native New Jerseyan.

CHAPTER 113

AN ACT establishing the New Jersey Advisory Council on End-of-Life Care in the Department of Health and Senior Services.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The current health care system in New Jersey often fails to meet the special needs of persons who are approaching the end of life by limiting the opportunity that they earnestly desire to spend their final months free of pain, in familiar surroundings, together with their friends and families, instead of being tethered to tubes and other medical apparatus in an intensive care unit or other acute care hospital setting;
   b. At the same time, according to the Dartmouth Atlas of Health Care 2006 study on variations among states in the management of severe chronic illness, Medicare expenditures on many aspects of end-of-life care in New Jersey are among the highest of all states nationwide, and often greater than those in any other state, when measured by such indices as: days spent in a hospital per decedent during the last six months of life; days spent in an intensive care unit per decedent during the last six months of life; physician visits per decedent during the last six months of life; the percentage of deaths associated with an admission to intensive care; Medicare spending and resource inputs during the last two years of life; and standardized physician labor inputs per 1,000 decedents during the last two years of life;
   c. Compared to the average American, New Jerseyans in the last six months of life spend 30% more days in the hospital, see physicians 43% more often, and spend 44% more days in the intensive care unit;
   d. Expanded use of licensed hospice care programs, through more timely enrollment by persons in need of end-of-life care that responds to their needs and concerns, could help to avoid much of the expense for this type of care that is incurred in New Jersey;
   e. In many cases, earlier referrals of persons with terminal conditions to hospice care could serve to improve their pain management and thereby enhance their quality of life and death, by providing high-quality palliative
care while also meeting the counseling and spiritual needs of these patients and their families;

f. Persons who are near the end of life have unique needs for respectful and responsive care, and concern for their comfort and dignity should guide all aspects of their care so as to alleviate their physical and mental suffering as much as possible;

g. At a minimum, the end-of-life care that a person receives should encompass dignified and respectful treatment at all times and aggressive pain management as appropriate to that person’s needs;

h. As noted in the Report of the New Jersey Legislative Commission for the Study of Pain Management Policy, issued more than a decade ago, “the public policy of this State should support a compassionate and humane approach to caring for patients who are terminally ill which seeks to mitigate their physical pain and mental anguish and preserve as much of their peace and dignity as possible”;

i. As further observed in that report, “We are all stakeholders in the public interest to be served by the advancement of a kinder and gentler approach to caring for patients as they approach the end of life because we will all take that journey”; and

j. It is manifestly in the public interest for this State to establish an advisory body, the membership of which would comprise individuals with suitable qualifications for this purpose, to examine those issues that it deems appropriate for the consideration of its members relative to the quality and cost-effectiveness of, and access to, end-of-life care services for all persons in this State, and to propose recommendations for the consideration of State agencies, policymakers, health care providers, and third party payers.

2. There is established the New Jersey Advisory Council on End-of-Life Care in the Department of Health and Senior Services.

a. The advisory council shall include 21 members as follows:

(1) the Commissioners of Health and Senior Services and Human Services and the Ombudsman for the Institutionalized Elderly, or their designees, as ex officio members;

(2) two members each from the Senate and the General Assembly, to be appointed by the President of the Senate and the Speaker of the General Assembly, respectively, who in each case shall be members of different political parties; and

(3) 14 public members who are residents of this State, to be appointed by the Governor with the advice and consent of the Senate, including: one person who represents licensed hospice care programs in this State; two
physicians licensed to practice in this State who have expertise in issues relating to pain management or end-of-life care, one of whom is an oncologist; two persons who represent general hospitals in this State, one of whom represents a religiously-affiliated hospital; one person who represents an organization in New Jersey that advocates on behalf of persons with mental illness; one person who represents an organization in New Jersey that advocates on behalf of persons with developmental disabilities; one person who represents nursing homes in this State; one registered professional nurse licensed to practice in this State; one attorney licensed to practice in this State who has expertise in health care law; one person who is employed as a patient advocate by a general hospital in this State; two members of the general public with expertise or interest in the work of the advisory council who are not licensed health care professionals, at least one of whom is a member of a minority racial or ethnic group; and one person representing academia who has expertise in biomedical ethical issues relating to end-of-life care and is not a licensed health care professional.

b. The public members of the advisory council shall serve without compensation but be reimbursed for any expenses incurred by them in the performance of their duties.

c. Legislative members shall serve during their terms of office. Vacancies shall be filled in the same manner as the original appointments were made.

d. The advisory council shall organize as soon as practicable after the appointment of its members. The Commissioner of Health and Senior Services or the commissioner’s designee shall serve as chairperson, and the advisory council shall select a vice-chairperson from among its members and a secretary who need not be a member of the advisory council.

e. The advisory council shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county, or municipal department, board, bureau, commission, or agency as it may require and as may be available to it for its purposes.

f. The Department of Health and Senior Services shall, within the limits of its existing staff and resources, provide such staff support as the advisory council requires to perform its duties.

3. The purpose of the advisory council shall be to:

a. identify existing practices and programs in this State that have demonstrated measurable success in providing patient access to, and choice of, high-quality, cost-effective palliative care and end-of-life care services and ways to promote the expansion and dissemination of those practices and programs;
b. identify an effective mechanism for disseminating information to the general public, on as widespread a basis as is practicable, which information will assist patients and their families in making informed health care decisions with regard to palliative care and end-of-life care; and

c. develop goals and benchmarks for efforts, which may be undertaken by the Department of Health and Senior Services or other relevant entities acting singly or in collaboration with each other, to accomplish the purposes of: providing patient access to, and choice of, high-quality, cost-effective palliative care and end-of-life care services; and assisting patients and their families in making informed health care decisions with regard to such care.

4. The advisory council, no later than 18 months after the date of its organization, shall report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), on the results of its activities, and shall include in that report such recommendations for administrative, legislative, and other action as it desires to present pursuant to section 3 of this act, including policy recommendations for the consideration of State agencies, policymakers, health care providers, and third party payers. In developing its recommendations, the advisory council shall have, as its overriding concern, to promote an end-of-life care paradigm in which patients’ wishes are paramount and they are provided with dignified and respectful treatment that seeks to alleviate their physical pain and mental anguish as much as possible.

5. This act shall take effect immediately and shall expire upon the issuance of the report by the advisory council pursuant to section 4 of this act.

Approved August 18, 2011.

CHAPTER 114

AN ACT establishing a Medicaid Accountable Care Organization Demonstration Project and supplementing Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.30:4D-8.1 Findings, declarations relative to a Medicaid Accountable Care Organization Demonstration Project.

1. The Legislature finds and declares that:
   a. The current health care delivery and payment system often fails to provide high quality, cost-effective health care to the most vulnerable patients residing in New Jersey, many of whom have limited access to coordinated and primary care services and, therefore, tend to delay care, underutilize preventive care, seek care in hospital emergency departments or be admitted to hospitals for preventable problems;
   b. The Accountable Care Organization (ACO) model has gained recognition as a mechanism that can be used to improve health care quality and health outcomes, while lowering the overall costs of medical care by providing incentives to coordinate care among providers throughout a region. Coordination is achieved through initiatives such as creation of patient-centered medical homes, sharing of patient health information among providers, and implementation of care management programs designed to facilitate best practices and improve communication among providers and social services agencies throughout the community;
   c. Providers participating in the ACO are supported in their efforts to share accountability for the overall quality and cost of care rendered to patients. The ACO provides support for coordination, identification of improvements in health outcomes, quality, and cost savings, and the distribution of any overall cost savings achieved, often referred to as “gainsharing,” to the ACO participants in a manner that furthers the goals of the ACO to improve quality and accessibility while reducing or stabilizing the costs of medical care throughout a region;
   d. The ACO model can facilitate improvements in health outcomes, quality, and access, and stabilize or reduce the rate of health care inflation while permitting patients to maintain their current health care relationships. The Medicaid ACO Demonstration Project to be established pursuant to this act is specifically intended to: (1) increase access to primary care, behavioral health care, pharmaceuticals, and dental care by Medicaid recipients residing in defined regions; (2) improve health outcomes and quality as measured by objective metrics and patient experience of care; and (3) reduce unnecessary and inefficient care without interfering with patients’ access to their health care providers or the providers’ access to existing Medicaid reimbursement systems. The Medicaid ACO Demonstration Project may provide a model for achievement of improved health outcomes, quality, and decreased costs that can be replicated in other settings to the benefit of patients and payers throughout New Jersey, but is not intended to inhibit,
prevent, or limit development or implementation of alternative ACO models;

e. The Medicaid ACO Demonstration Project seeks to address a variety of access, health outcomes, coordination, and service utilization problems that lead to increased health costs. One major goal is to reduce the inappropriate utilization of high-cost emergency care by Medicaid recipients and others, especially where an individual’s need is more properly addressed through non-emergency primary care treatment. The Medicaid ACOs shall develop relationships with primary care, behavioral health, dental, pharmacy, and other health care providers to develop strategies to:

1. engage these individuals in treatment;
2. promote medication adherence and use of medication therapy management, and healthy lifestyles, including, but not limited to, prevention and wellness activities, smoking cessation, reducing substance use, and improving nutrition;
3. develop skills in help-seeking behavior, including self-management and illness management;
4. improve access to services for primary care and behavioral health care needs through home-based services and telephonic and web-based communication, via culturally and linguistically appropriate means; and
5. improve service coordination to ensure integrated care for primary care, behavioral health care, dental care, and other health care needs, including prescription drugs;

f. It is, therefore, in the public interest to establish a Medicaid ACO demonstration project whereby providers can continue to receive Medicaid payments from managed care organizations, and, in the case of individuals not enrolled in managed care, directly from the Medicaid program, while simultaneously participating in a certified Medicaid ACO designed to improve health outcomes, quality, and access to care through regional collaboration and shared accountability, and while reducing the costs of medical care throughout a region; and

g. The Legislature, therefore, intends to exempt activities undertaken pursuant to the Medicaid ACO Demonstration Project that might otherwise be constrained by State antitrust laws and to provide immunity for such activities from federal antitrust laws through the state action immunity doctrine; however, notwithstanding this subsection, the Legislature does not intend to allow and does not authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of State or federal antitrust laws.

C.30:4D-8.3 Establishment of three-year Medicaid ACO Demonstration Project.

3. a. The Department of Human Services shall establish a three-year Medicaid ACO Demonstration Project in which nonprofit corporations organized with the voluntary support and participation of local general hospitals, clinics, pharmacies, health centers, qualified primary care and behavioral health care providers, and public health and social services agencies may apply to the department for certification and participation in the project. The department shall consult with the Department of Health and Senior Services with respect to establishment and oversight of the demonstration project.
Nothing in this act shall preclude the department, Medicaid managed care organizations, qualified primary care and behavioral health care providers, licensed health care facilities, or any other provider or payer of health care services from participating in other ACOs, health or behavioral health ACO models, medical home programs, or projects.

b. Applicants for participation in the demonstration project shall be nonprofit corporations created and operated for the primary purpose of improving the quality and efficiency of care provided to Medicaid recipients residing in a given designated area.

C.30:4D-8.4 Applications for certification as a Medicaid ACO.

4. a. The department shall accept applications for certification from demonstration project applicants beginning 60 days following the effective date of this act, and shall certify an applicant as a Medicaid ACO for participation in the demonstration project following its determination that the applicant meets the requirements specified in this section. The department may deny certification of any ACO applicant that the department determines does not meet the requirements of this act. The department may consider applications for approval, including revised applications submitted by an ACO not previously approved to participate in the demonstration project.

b. The department, in consultation with the Department of Health and Senior Services, may certify as many ACOs for participation in the demonstration project as it determines appropriate, but shall certify no more than one ACO for each designated area.

c. Prior to certification, a demonstration project applicant shall demonstrate that it meets the following minimum standards:

(1) The applicant has been formed as a nonprofit corporation pursuant to the “New Jersey Nonprofit Corporation Act,” P.L.1983, c.127 (C.15A:1-1 et seq.), for the purposes described in this act;

(2) The applicant’s governing board includes:

(a) individuals representing the interests of health care providers, including, but not limited to, general hospitals, clinics, private practice offices, physicians, behavioral health care providers, and dentists; patients; and other social service agencies or organizations located in the designated area; and

(b) voting representation from at least two consumer organizations capable of advocating on behalf of patients residing within the designated area of the ACO. At least one of the organizations shall have extensive leadership involvement by individuals residing within the designated area of the ACO, and shall have a physical location within the designated area. Additionally, at least one of the individuals representing a consumer or-
organization shall be an individual who resides within the designated area served by the ACO;

(3) The applicant has support of its application by: all of the general hospitals located in the designated area served by the ACO; no fewer than 75% of the qualified primary care providers located in the designated area; and at least four qualified behavioral health care providers located in the designated area;

(4) The applicant has a process for receipt of gainsharing payments from the department and any voluntarily participating Medicaid managed care organizations, and the subsequent distribution of such gainsharing payments in accordance with a quality improvement and gainsharing plan to be approved by the department, in consultation with the Department of Health and Senior Services;

(5) The applicant has a process for engaging members of the community and for receiving public comments with respect to its gainsharing plan;

(6) The applicant has a commitment to become accountable for the health outcomes, quality, cost, and access to care of Medicaid recipients residing in the designated area for a period of at least three years following certification; and

(7) The applicant has a commitment to ensure the use of electronic prescribing and electronic medical records by health care providers located in the designated area.

d. Nothing in this act shall be construed to prevent the department from certifying an applicant as a Medicaid ACO that also participates in a Medicare ACO demonstration project approved by the federal Centers for Medicare and Medicaid Services.

C.30:4D-8.5 Eligibility to receive, distribute gainsharing payments.

5. a. A certified Medicaid ACO shall be eligible to receive and distribute gainsharing payments only after having received approval from the department of its gainsharing plan, which approval may be requested by the ACO at the time of certification or at any time within one year of certification. An ACO may seek to amend its gainsharing plan at any time following the plan’s initial approval by submitting amendments to the department for approval.

b. The department, with input from the Department of Health and Senior Services and utilizing outcome evaluation data provided by the Rutgers Center for State Health Policy, shall approve only those gainsharing plans that promote: improvements in health outcomes and quality of care, as measured by objective benchmarks as well as patient experience of care;
expanded access to primary and behavioral health care services; and the reduction of unnecessary and inefficient costs associated with care rendered to Medicaid recipients residing in the ACO's designated area. The department and the Department of Health and Senior Services shall provide all data necessary to the Rutgers Center for State Health Policy for analysis in support of the department’s review of gainsharing plans. Criteria to be considered by the department and the Department of Health and Senior Services in approving a gainsharing plan shall include, but are not limited to:

1. whether the plan promotes care coordination through multidisciplinary teams, including care coordination of patients with chronic diseases and the elderly; expansion of the medical home and chronic care models; increased patient medication adherence and use of medication therapy management services; use of health information technology and sharing of health information; and use of open access scheduling in clinical and behavioral health care settings;

2. whether the plan encourages services such as patient or family health education and health promotion, home-based services, telephonic communication, group care, and culturally and linguistically appropriate care;

3. whether the gainsharing payment system is structured to reward quality and improved patient outcomes and experience of care;

4. whether the plan funds interdisciplinary collaboration between behavioral health and primary care providers for patients with complex care needs likely to inappropriately access an emergency department and general hospital for preventable conditions;

5. whether the plan funds improved access to dental services for high-risk patients likely to inappropriately access an emergency department and general hospital for untreated dental conditions; and

6. whether the plan has been developed with community input and will be made available for inspection by members of the community served by the ACO.

c. The gainsharing plan shall include an appropriate proposed time period beginning and ending on specified dates prior to the commencement of the demonstration project, which shall be the benchmark period against which cost savings can be measured on an annual basis going forward. Savings shall be calculated in accordance with a methodology that:

1. identifies expenditures per recipient by the Medicaid fee-for-service program during the benchmark period, adjusted for characteristics of recipients and local conditions that predict future Medicaid spending but are not amenable to the care coordination or management activities of an ACO which shall serve as the benchmark payment calculation;
(2) compares the benchmark payment calculation to amounts paid by the Medicaid fee-for-service program for all such resident recipients during subsequent periods; and

(3) provides that the benchmark payment calculation shall remain fixed for a period of three years following approval of the gainsharing plan.

d. The percentage of cost savings identified pursuant to subsection c. of this section to be distributed to the ACO, retained by any voluntarily participating Medicaid managed care organization, and retained by the State, shall be identified in the gainsharing plan and shall remain in effect for a period of three years following approval of the gainsharing plan. Such percentages shall be designed to ensure that:

(1) the State can achieve meaningful savings and support the ongoing operation of the demonstration project, and

(2) the ACO receives a sufficient portion of the shared savings necessary to achieve its mission and expand its scope of activities.

e. Notwithstanding the provisions of this section to the contrary, the department shall not approve a gainsharing plan that provides direct or indirect financial incentives for the reduction or limitation of medically necessary and appropriate items or services provided to patients under a health care provider’s clinical care in violation of federal law.

f. Notwithstanding the provisions of this section to the contrary, a gainsharing plan that provides for shared savings between general hospitals and physicians related to acute care admissions utilizing the methodological component of the Physician-Hospital Collaboration Demonstration awarded by the federal Centers for Medicare and Medicaid Services to the New Jersey Care Integration Consortium, shall not be required to be approved by the department. The department shall not be under any obligation to participate in the Physician-Hospital Collaboration Demonstration.

g. The department shall consider using a portion of any savings generated to expand the nursing, primary care, behavioral health care, and dental workforces and services in the area served by the ACO.

h. A gainsharing plan submitted to the department for this ACO demonstration project shall contain an assessment of the expected impact of revenues on hospitals that agree to participate. The assessment shall include estimates for changes in both direct patient care reimbursement and indirect revenue, such as disproportionate share payments, graduate medical education payments, and other similar payments. The assessment shall include a review of whether participation in the demonstration project could significantly impact the financial stability of any hospital through rapid reductions in revenue and how this impact will be mitigated. The gainsharing
plan shall include a letter of support from all participating hospitals in order to be accepted by the department.

C.30:4D-8.6 Remission of payment to ACO.
6. The department shall remit payment of cost savings to a participating Medicaid ACO following approval by the department, in consultation with the Department of Health and Senior Services, of the ACO’s gainsharing plan and identification of cost savings and agreement from the federal government to share in the cost of the funds distributed.

C.30:4D-8.7 Voluntary participation in demonstration project.
7. a. A managed care organization that has contracted with the department may voluntarily seek participation in the demonstration project by notifying the Medicaid ACO of its desire to participate. The ACO shall submit a separate Medicaid managed care organization gainsharing plan meeting the requirements of section 5 of this act to the department for review and approval. The Medicaid managed care organization gainsharing plan may be identical to the gainsharing plan approved for use in connection with the Medicaid fee-for-service program, or may contain variations with respect to the manner in which health outcomes, quality, care coordination, and access are to be improved and the manner in which cost savings are achieved and distributed as gainsharing payments, but the managed care organization gainsharing plan shall not affect the calculation or distribution of shared savings pursuant to the approved gainsharing plan applicable to the Medicaid fee-for-service program or the calculation or distribution of shared savings pursuant to any other approved gainsharing plan used by the ACO.
   b. A Medicaid managed care organization may withdraw from participation after one year by notifying the department in writing of its desire to withdraw.
   c. Nothing in this act shall:
      (1) alter or limit the obligations of a Medicaid managed care organization participating in the demonstration project pursuant to an approved gainsharing plan to comply with State and federal law applicable to the Medicaid managed care organization; or
      (2) preclude an ACO from expanding its operations to include participation with new health care providers located within the ACO’s designated area.

C.30:4D-8.8 Duties of the department; authorization to seek grants.
8. a. The department, in consultation with the Department of Health and Senior Services, shall:
(1) design and implement the application process for approval of participating ACOs in the demonstration project;
(2) collect data from participants in the demonstration project; and
(3) approve a methodology proposed by the Medicaid ACO applicant for calculation of cost savings and for monitoring of health outcomes and quality of care under the demonstration project.

b. The department and the Department of Health and Senior Services shall be authorized to jointly seek public and private grants to implement and operate the demonstration project.

C.30:4D-8.9 Annual evaluation.
9. The department, in consultation with the Department of Health and Senior Services, shall evaluate the demonstration project annually to assess whether: cost savings, including, but not limited to, savings in administrative costs and savings due to improved health outcomes, are achieved through implementation of the demonstration project.

The department, in consultation with the Department of Health and Senior Services, and with the assistance of the Rutgers Center for State Health Policy, shall evaluate the demonstration project annually to assess whether there is improvement in the rates of health screening, the outcomes and hospitalization rates for persons with chronic illnesses, and the hospitalization and readmission rates for patients residing in the designated areas served by the ACOs. The department and the Department of Health and Senior Services shall provide the Rutgers Center for State Health Policy with all data necessary to perform the annual evaluation of the demonstration project.

10. a. The Commissioner of Human Services shall apply for such State plan amendments or waivers as may be necessary to implement the provisions of this act and to secure federal financial participation for State Medicaid expenditures under the federal Medicaid program, and shall take such additional steps as may be necessary to secure on behalf of participating ACOs such waivers, exemptions, or advisory opinions to ensure that such ACOs are in compliance with applicable provisions of State and federal laws related to fraud and abuse, including, but not limited to, anti-kickback, self-referral, false claims, and civil monetary penalties.

b. The Commissioners of Health and Senior Services and Human Services may apply for participation in federal ACO demonstration projects that align with the goals of this act.
c. The provisions of this act shall not be construed to require State funding for any evaluation or start-up costs of an ACO.

11. Nothing in this act shall be construed to limit the choice of a Medicaid recipient to access care for family planning services or any other type of health care services from a qualified health care provider who is not participating in the demonstration project.

C.30:4D-8.12 Continuation of payments for certain services.

12. a. Under the demonstration project, payment shall continue to be made to providers of services and suppliers participating in the Medicaid ACO for services provided to managed care recipients or individuals who receive services on a fee-for-service basis in the same manner as they would otherwise be made, except that the ACO is eligible to receive gain-sharing payments under sections 5 and 6 of this act if it meets the requirements set forth therein.

b. Nothing in this act shall be construed to authorize the Departments of Human Services or Health and Senior Services to waive or limit any provisions of federal or State law or reimbursement methodologies governing Medicaid reimbursement to federally qualified health centers, including, but not limited to, Medicaid prospective payment reimbursement and any supplemental payments made to a federally qualified health center providing services to Medicaid managed care recipients.

C.30:4D-8.13 Certain licensure requirements waived.

13. Notwithstanding the requirements of P.L.1999, c.409 (C.17:48H-1 et seq.), a Medicaid ACO certified pursuant to this act shall not be required to obtain licensure or certification from the Department of Banking and Insurance as an organized delivery system when providing services to Medicaid recipients.

14. Upon completion of the demonstration project, the Commissioners of Human Services and Health and Senior Services shall report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), on the demonstration project, and include in the report the findings of the evaluation carried out pursuant to section 9 of this act. The commissioners shall make such recommendations as they deem appropriate.

If, after three years following enactment of this act, the commissioners find the demonstration project was successful in reducing costs and im-
proving health outcomes and the quality of care for Medicaid recipients, the commissioners may recommend that Medicaid ACOs be established on a permanent basis and in additional communities in which Medicaid recipients reside.

C.30:4D-8.15 Rules, regulations.

15. The Commissioner of Human Services, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) and with input from the Commissioner of Health and Senior Services, shall, within 180 days of the effective date of this act, adopt rules and regulations establishing the standards for gainsharing plans submitted by Medicaid ACOs. The Commissioner of Human Services shall also adopt, with input from the Commissioner of Health and Senior Services, such rules and regulations governing the ongoing oversight and monitoring of the quality of care delivered to Medicaid recipients in the designated areas served by the Medicaid ACOs, and such other requirements as the Commissioner of Human Services deems necessary to carry out the provisions of this act.

16. This act shall take effect 60 days after the date of enactment and shall expire three years after the adoption of regulations by the Commissioner of Human Services.

Approved August 18, 2011.

(2) Nothing in P.L.2001, c.260 (C.34:8-67 et seq.) or in any employee leasing agreement shall affect, modify, or amend any contractual relationship or restrictive covenant between a covered employee and any client company in effect at the time an employee leasing agreement becomes effective; nor shall it prohibit or amend any contractual relationship or restrictive covenant that is entered into subsequently between a client company and a covered employee. An employee leasing company shall have no responsibility or liability in connection with, or arising out of, any such existing or new contractual relationship or restrictive covenant unless the employee leasing company has specifically agreed otherwise in writing.

d. The department shall establish a limited registration and renewal process and appropriate forms for an employee leasing company that (1) is not domiciled in this State; (2) is licensed or registered as an employee leasing company or professional employer organization in another state; (3) does not maintain an office in this State or directly solicit client companies located or domiciled in this State; and (4) is not responsible for more than 50 covered employees employed in this State on the date of registration or renewal. If during the term of a limited registration an employee leasing company becomes responsible for more than 50 covered employees, the employee leasing company shall re-register with the department pursuant to subsection a. of this section within 30 days of the end of the quarter in which the employee leasing company became responsible for more than 50 covered employees, but shall not be charged any additional registration fee, if a registration fee is required. An employee leasing company requesting a limited registration pursuant to this subsection shall provide the department with a list of client companies and the number of covered employees at each of those companies and such other information as the department shall prescribe. Any employee leasing company receiving a limited registration from the department shall not be required to comply with the provisions of subsections a. and b. of section 5 of P.L.2001, c.260 (C.34:8-71).

e. Two or more employee leasing companies that are majority owned by the same ultimate parent company, entity or person may register as an employee leasing company group, and may satisfy the registration requirements imposed pursuant to this section and the financial reporting required pursuant to section 5 of P.L.2001, c.260 (C.34:8-71), and any other filing requirements authorized by the department, on a combined or consolidated basis, provided that the employee leasing company group demonstrates positive working capital pursuant to section 5 of P.L.2001, c.260 (C.34:8-71). Each employee leasing company covered under an employee leasing
company group registration shall guarantee the financial capacity obligations of each other employee leasing company covered under the employee leasing company group registration.

f. The department may require that every initial application and subsequent annual reporting submitted pursuant to this section shall be accompanied by a fee of up to $500. If such a fee is required, every initial application and subsequent annual reporting submitted by an employee leasing company group pursuant to subsection e. of this section shall be accompanied by a fee of the required amount for each employee leasing company included in the employee leasing company group.

b. (1) An employee leasing company that does not have a positive working capital may provide to the department, in lieu thereof, a bond, irrevocable letter of credit, or securities with a minimum market value equaling the amount necessary to achieve a positive working capital plus up to $100,000, such additional amount to be determined by the commissioner or his designee. The securities so deposited shall include authorizations to the commissioner, or his designee, to sell those securities in an amount sufficient to pay any taxes, wages, benefits or other entitlement due a covered
employee, if the employee leasing company does not make those payments when due. The provisions of this paragraph shall not apply to an employee leasing company group registered pursuant to subsection e. of section 4 of P.L. 2001, c. 260 (C.34:8-70).

(2) The commissioner, or his designee, may also require that bond or deposit if the commissioner finds that the leasing company has had its license or registration suspended, denied, or limited in any other jurisdiction; or that there have been instances in which the employee leasing company has not paid covered employees' wages or benefits when due, or failed to make timely payment of any federal or state payroll taxes or unemployment compensation contributions when due, or for other good cause.

(3) Any bond or securities deposited under this subsection shall not be included for the purpose of the calculation of positive working capital required by subsection a. of this section.

c. An employee leasing company shall submit to the commissioner, or his designee, within 60 days after the end of each calendar quarter, a certification by an independent certified public accountant that all applicable federal and state payroll taxes for covered employees in this State have been paid on a timely basis for that quarter. If the commissioner or his designee does not receive that certification within the 60-day period, the department shall notify the employee leasing company within five business days of the expiration of the 60-day period. If that certification is not received within 10 business days following the notification by the department, the department shall notify the client companies listed on the employee leasing company's annual report required pursuant to section 4 of this act that the certification was not received.

d. Two or more employee leasing companies that are majority owned by the same ultimate parent company, entity or person may comply with the provisions of this section pursuant to subsection e. of section 4 of P.L.2001, c.260 (C.34:8-70).

e. The department may adopt, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) rules and regulations to permit, to the extent authorized pursuant to the “Uniform Electronic Transactions Act,” P.L.2001, c.116 (C.12A:12-1 et seq.), employee leasing companies to electronically file applications, documents, reports and other filings required by P.L.2001, c.260 (C.34:8-67 et seq.). The department may also adopt, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), rules to provide for the acceptance of electronic filings and other assurance by an assurance organization that provides satisfactory assurance of compliance acceptable to the department consistent
with or in lieu of the requirements of section 4 of P.L.2001, c.260 (C.34:8-70) and of this section and other requirements of P.L.2001, c.260 (C.34:8-67 et seq.) or the rules promulgated pursuant to it. The rules may permit an employee leasing company or an employee leasing company group to authorize an assurance organization to act on behalf of an employee leasing company or an employee leasing company group in complying with P.L.2001, c.260 (C.34:8-67 et seq.) and any rules and regulations adopted pursuant thereto, including electronic filings of information and payment of fees that may be required. Use of an approved assurance organization shall be optional and not mandatory for an employee leasing company or an employee leasing company group. Nothing in this subsection shall limit or change the department’s authority to register or rescind the registration of an employee leasing company or to investigate or enforce any provision of P.L.2001, c.260 (C.34:8-67 et seq.).

Such policies shall state the name of the employee leasing company as the labor contractor for each client company, by name.

b. For purposes of this act, the agreement between the employee leasing company and the client company shall be one of co-employment, whereby the employee leasing company, having accepted the responsibilities set forth in section 2 of this act, may submit reports to the department and make contributions to the Unemployment Compensation and State Disability Benefits Funds in the manner prescribed in section 7 of this act, on behalf of those covered employees covered by the employee leasing agree-
ment. In addition, the provisions of R.S.34:15-8, regarding the exclusivity of the remedy under the workers’ compensation law for personal injuries to, or for the death of, employees by accident arising out of and in the course of their employment, shall apply to the employee leasing company and the client company, and their employees.

6. a. Except to the extent otherwise expressly provided by an applicable employee leasing agreement, a client company shall be solely responsible for the quality, adequacy or safety of the goods or services produced or sold in the client company’s business, for directing, supervising, training and controlling the work of the covered employees with respect to the business activities of the client company, and for the acts, errors or omissions of covered employees with regard to those activities.

b. c. Except to the extent otherwise expressly provided by an applicable employee leasing agreement or other employment contract, insurance contract or bond, a covered employee shall not be considered, solely as the result of being a covered employee, an employee of the employee leasing company for purposes of general liability insurance, fidelity bonds, surety bonds, employer’s liability which is not covered by workers’ compensation, or other liability insurance carried by the employee leasing company.

7. For purposes of determining economic incentives or benefit based on employment provided by law, rule or regulation by the State or other government entity, covered employees of a client company shall be considered employees solely of the client company, and the client company shall be entitled to the benefit of any economic incentive or other benefit based on
the number of the client company’s covered employees, notwithstanding that an employee leasing company is the W-2 reporting employer for the covered employees. Each client company shall be treated as employing only those covered employees co-employed by the client company, and not covered employees employed by other client companies of the employee leasing company. Each employee leasing company shall provide, upon request by the State or any political subdivision thereof, employment information reasonably required for the administration of any economic incentive or benefit program. As used in this section, “employee leasing company,” “client company,” “covered employee” and “employee leasing agreement” shall have the same meaning as set forth in section 1 of P.L.2001, c.260 (C.34:8-67).

C.54:54-6 Determination of tax credit.

12. For the purposes of determining any tax credit based on employment provided by law, rule or regulation by the State, covered employees of a client company shall be considered employees solely of the client company, and the client company shall be entitled to the tax credit based on the number of the client company’s covered employees, notwithstanding that an employee leasing company is the W-2 reporting employer for the covered employees. Each client company shall be treated as employing only those covered employees co-employed by the client company, and not covered employees employed by other client companies of the employee leasing company. Each employee leasing company shall provide, upon request of the Division of Taxation in the Department of the Treasury, employment information reasonably required for the administration of any tax credit program. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1960, c.32 (C.17:22-6.41) is amended to read as follows:

C.17:22-6.41 Definitions relative to surplus lines insurers.

7. As used in this surplus lines law:

(a) "Surplus lines agent" means an individual licensed as a surplus lines insurance producer with surplus lines authority as provided in P.L.2001, c.210 (C.17:22A-26 et seq.) to handle the placement of insurance coverages on behalf of unauthorized insurers.

(b) "Surplus lines insurer" means an unauthorized insurer in which an insurance coverage is placed or may be placed under this surplus lines law.

(c) To "export" means to place in an unauthorized insurer under this surplus lines law, insurance covering a subject of insurance resident, located, or to be performed in New Jersey.

(d) "Commissioner" means the Commissioner of Banking and Insurance of the State of New Jersey.

(e) "Certificate of insurance" means permanent evidence of insurance on a form approved by the commissioner and issued by a surplus lines agent who has filed evidence of his binding authority with the commissioner on behalf of an alien insurer. When issued other than on behalf of an alien insurer, an initial certificate of insurance will be treated as temporary evidence of insurance, pending the issuance of a policy. "Certificate of insurance" also means evidence of a renewal of that insurance provided: (1) there is no change in the terms or amounts of coverage; (2) the coverage is still eligible for export; and (3) the insured may request the issuance of a new policy.

(f) "Cover note," "binder" or "confirmation of insurance," means temporary evidence of insurance, to be replaced by a policy or certificate of insurance.

(g) "Home state" means,

(1) Except as provided in paragraph (2) of this subsection, the term "home state" means, with respect to an insured:
(i) the state in which an insured maintains its principal place of business or, in the case of an individual, the individual’s principal residence; or
(ii) if 100 percent of the insured risk is located out of the state referred to in subparagraph (i) of this paragraph, the state to which the greatest percentage of the insured’s taxable premium for that insurance contract is allocated.

(2) If more than one insured from an affiliated group are named insureds on a single nonadmitted insurance contract, the term “home state” means the home state, as determined pursuant to subparagraph (i) of paragraph (1) of this subsection, of the member of the affiliated group that has the largest percentage of premium attributed to it under that insurance contract.

2. Section 25 of P.L.1960, c.32 (C.17:22-6.59) is amended to read as follows:

C.17:22-6.59 Premium receipts tax for surplus lines coverage.
25. The premiums charged for surplus lines coverages are subject to a premium receipts tax of 5% of all gross premiums less any return premiums charged for such insurance. The surplus lines agent shall collect from the insured, either directly or through the originating broker, the amount of the tax, in addition to the full amount of the gross premium charged by the insurer for the insurance; provided, however, that the tax on any unearned portion of the premium shall be returned to the policyholder by the surplus lines agent. The surplus lines agent is prohibited from absorbing such tax, or, as an inducement for insurance or for any other reason, rebating all or any part of such tax or of his commission.

The surplus lines agent shall forward to the commissioner together with his quarterly report submitted pursuant to section 24 of P.L.1960, c.32 (C.17:22-6.58) a check in the amount of the premium receipts tax due for that period made out to “the State of New Jersey,” except that where the policies cover fire insurance on property in any municipality or portion of a township, or fire district in this State, which now has or may hereafter have, a duly incorporated firemen's relief association, 3% of the premium receipts tax covering such insurance shall be paid to the treasurer of the New Jersey State Firemen's Association and the remaining 2% of the premium receipts tax shall be forwarded to the commissioner.

The tax imposed hereunder, if delinquent, shall be subject to the provisions of R.S.54:49-3 and R.S.54:49-4.

The check covering taxes paid under the provisions of this act shall be forwarded by the commissioner to the Director of the Division of Taxation.
and that portion of the premiums representing fire insurance shall be distributed by him in the amount now or hereafter provided by law as to taxes collected by him from fire insurance companies of other states and foreign countries. The commissioner shall ascertain and report to the Director of the Division of Taxation all facts necessary to enable the director to ascertain, fix and collect the amount of the tax to be paid by each licensee subject thereto under this act.

If a surplus lines policy covers risks or exposures in this State and other states, where this State is the home state, as defined in section 7 of P.L.1960, c.32 (C.17:22-6.41), the tax payable pursuant to this section shall be based on the total United States premium for the applicable policy.

This section does not apply as to insurance of or with respect to insurance of risks of the State Government or its agencies, or of any county or municipality or of any agency thereof.

3. Section 30 of P.L.1960, c.32 (C.17:22-6.64) is amended to read as follows:

C.17:22-6.64 Report of insurance through unauthorized foreign, alien insurer.

30. Every insured who in this State procures or causes to be procured or continues or renews insurance with an unauthorized foreign or alien insurer, or any insured or self-insurer who procures or continues excess loss, catastrophe or other insurance, upon a subject of insurance resident, located or to be performed within this State, other than insurance procured through a surplus lines agent pursuant to the surplus lines law of this State or exempted from tax under section 25 of P.L.1960, c.32 (C.17:22-6.59), shall within 30 days after the date such insurance was so procured, continued, or renewed, file a report of the same with the commissioner in writing and upon forms designated by the commissioner and furnished to such an insured upon request. The report shall show the name and address of the insured or insureds, name and address of the insurer, the subject of the insurance, a general description of the coverage, the amount of premium currently charged therefor, and such additional pertinent information as is reasonably requested by the commissioner.

Any insurance in an unauthorized insurer procured through negotiations or an application, in whole or in part occurring or made within or from within this State, or for which premiums in whole or in part are remitted directly or indirectly from within this State, shall be deemed to be insurance procured, or continued or renewed in this State within the intent of this section.
There is hereby levied upon the obligation, chose in action, or right represented by the premium charged for such insurance, a tax at the rate of 5% of the gross amount of such premium less any return premiums charged for such insurance. Within 30 days after the insurance was so procured, continued or renewed, and coincidentally with the filing with the commissioner of the report provided for in this section, the insured shall pay the amount of the tax to the commissioner, who, after reviewing the above report, shall turn over the amount of the tax to the Director of the Division of Taxation along with a summary of the facts necessary to enable the director to ascertain and fix the proper amount of the tax, except that where the policies cover fire insurance on property in any municipality or portion of a township, or fire district in this State, which now has or may hereafter have, a duly incorporated firemen's relief association, 3% of the premium receipts tax covering such insurance shall be paid to the treasurer of the New Jersey State Firemen's Association and the remaining 2% of the premium receipts tax shall be forwarded to the commissioner.

If the insured fails to withhold from the premium the amount of tax herein levied, the insured shall be liable for the amount thereof and shall pay the same to the commissioner within the time specified in this section.

If a surplus lines policy covers risks or exposures in this State and other states, where this State is the home state, as defined in section 7 of P.L.1960, c.32 (C.17:22-6.41), the tax payable pursuant to this section shall be based on the total United States premium for the applicable policy.

The tax imposed hereunder if delinquent shall be subject to the provisions of R.S.54:49-3 and R.S.54:49-4.

The tax shall be collectible from the insured by civil action brought by the commissioner.

The amount of taxes paid to the Director of the Division of Taxation under the provisions of this section on premiums for fire insurance shall be distributed by him in the manner now or hereafter provided by law as to taxes collected by him from fire insurance companies of other states and foreign countries.

This section does not abrogate or modify, and shall not be construed or deemed to abrogate or modify, any provision of section 3 of P.L.1960, c.32 (C.17:22-6.37), representing or aiding unauthorized insurer prohibited; section 4 of P.L.1960, c.32 (C.17:22-6.38), penalty for representing unauthorized insurer; or section 5 of P.L.1960, c.32 (C.17:22-6.39), suits by unauthorized insurers prohibited; or any other provision of this Title.

C.40:55D-8.6 inapplicability of certain provisions of law imposing fee upon developer of certain non-residential property.

37. a. The provisions of P.L.2008, c.46 that would permit the imposition of a fee upon a developer of non-residential property shall not apply to:

(1) Non-residential property for which a site plan has received either preliminary approval, pursuant to section 34 of P.L.1975, c.291 (C.40:55D-46), or final approval, pursuant to section 38 of P.L.1975, c.291 (C.40:55D-50), prior to July 1, 2013; provided that a permit for the construction of the building has been issued by the local enforcing agency having jurisdiction, in accordance with section 13 of P.L.1975, c.217 (C.52:27D-131), prior to January 1, 2015;

(2) A non-residential planned development which has received approval of a general development plan pursuant to section 5 of P.L.1987, c.129 (C.40:55D-45.3), or a nonresidential development for which the developer has entered into a developer's agreement pursuant to a development approval granted pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.) or for which the redeveloper has entered into a redevelopment agreement pursuant to P.L.1992, c.79 (C.40A:12A-1 et al.) prior to the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.); provided, however, that the general development plan, developer's agreement, redevelopment agreement, or any development agreement pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) provides that the developer or redeveloper pay a fee for affordable housing of at least one percent of the equalized assessed value of the improvements which are the subject of the development plan, developer's agreement, or redevelopment agreement;

(3) A non-residential project that, prior to July 1, 2013, has been referred to a planning board by the State, a governing body, or other public
agency for review pursuant to section 22 of P.L.1975, c.291 (C.40:55D-31); provided that a permit for the construction of the building has been issued by the local enforcing agency having jurisdiction, in accordance with section 13 of P.L.1975, c.217 (C.52:27D-131), prior to January 1, 2015;

b. A developer may challenge non-residential development fees imposed pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.) by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by the municipality or by the State, as the case may be. Appeals from a determination of the director may be made to the tax court in accordance with the provisions of the State Uniform Tax Procedure Law, R.S.54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

c. Whenever non-residential development is situated on real property that has been previously developed with a building, structure, or other improvement, the non-residential development fee shall be equal to two and a half (2.5) percent of the equalized assessed value of the land and improvements on the property where the non-residential development is situated at the time the final certificate of occupancy is issued, less the equalized assessed value of the land and improvements on the property where the non-residential development is situated, as determined by the tax assessor of the municipality at the time the developer or owner, including any previous owners, first sought approval for a construction permit, including, but not limited to, demolition permits, pursuant to the State Uniform Construction Code, or approval under the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.). If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

Whenever the developer of a non-residential development has made or committed itself to make a financial or other contribution relating to the pro-
vision of housing affordable to low and moderate income households prior to the enactment of P.L.2008, c.46 (C.52:27D-329.1 et al.), the non-residential development fee shall be reduced by the amount of the financial contribution and the fair market value of any other contribution made by or committed to be made by the developer. For purposes of this section, a developer is considered to have made or committed itself to make a financial or other contribution, if and only if: (1) the contribution has been transferred, including but not limited to when the funds have already been received by the municipality; (2) the developer has obligated itself to make a contribution as set forth in a written agreement with the municipality, such as a developer's agreement; or (3) the developer's obligation to make a contribution is set forth as a condition in a land use approval issued by a municipal land use agency pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.).

d. Unless otherwise provided for by law, no municipality shall be required to return a financial or any other contribution made by or committed to be made by the developer of a non-residential development prior to the enactment of P.L.2008, c.46 (C.52:27D-329.1 et al.) relating to the provision of housing affordable to low and moderate income households, provided that the developer does not obtain an amended, modified, or new municipal land use approval with a substantial change in the non-residential development. If the developer obtains an amended, modified, or new land use approval for non-residential development, the municipality, person, or entity shall be required to return to the developer any funds or other contribution provided by the developer for the provision of housing affordable to low and moderate income households and the developer shall not be entitled to a reduction in the affordable housing development fee based upon that contribution.

e. The provisions of sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7) shall not be construed in any manner as affecting the method or timing of assessing real property for property taxation purposes. The payment of a non-residential development fee shall not increase the equalized assessed value of any property.

Not later than the fifth day following receipt of the notice, the Governor shall designate one of those senior members to be chairman of the board and certify that designation to the board. If the position of secretary was not filled at the initial meeting of the county board to organize, then not later than the fifth day following receipt of that certification, the board shall reconvene at the call of the chairman so designated and shall elect a secretary of the board.

In case of failure to elect a secretary after three ballots or viva voce votes, the member of the board having the greatest seniority shall be secretary of the board, except that if that member has become chairman because of election to that position or because of designation as a result of the failure to elect a chairman, the member with the next greatest seniority shall be secretary. In no case, however, shall the chairman and secretary be members of the same political party.

Seniority for the purposes of this section shall be determined by the total amount of time that a person has served as a member of the board, beginning from the date that that person took the oath of office as a member.

b. The boards shall have power in their discretion to hold their meetings for any purpose, except organization, in any part of their respective counties. Meetings may be called by either the chairman or the secretary of the board, or at the request of any two members.

10. R.S.19:7-2 is amended to read as follows:

The appointment of the challengers shall be in writing under the hand of the person or persons making same and shall specify the names and residences of the challengers and the election districts for which they are severally appointed. Whenever a public question shall appear on the ballot to be voted upon by the voters of an election district and application has been made by the proponents or opponents of such public question for the appointment of challengers, the county board
may in its discretion appoint 2 challengers each to represent such proponents or opponents. Such challengers shall be in addition to those provided for in section 19:7-1 of this Title.

11. R.S.19:8-2 is amended to read as follows:

_Suggested list of available places, selection._

19:8-2. The clerk of every municipality, on or before April 1 shall certify to the county board of every county wherein such municipality is located a suggested list of places in the municipality suitable for polling places. The county board shall select the polling places for the election districts in the municipalities of the county for all elections in the municipalities thereof, including all commission government elections in the county. The county boards shall not be obliged to select the polling places so suggested by the municipal clerks, but may choose others where they may deem it expedient. Preference in locations shall be given to schools and public buildings where space shall be made available by the authorities in charge, upon request, if same can be done without detrimental interruption of school or the usual public services thereof, and for which the authority in charge shall be reimbursed, by agreement, for expenses of light, janitorial and other attending services arising from such use. Each polling place selected shall be accessible to individuals with disabilities and the elderly. A polling place shall be considered accessible if it is in compliance with the federal "Americans with Disabilities Act of 1990" (42 U.S.C. s. 12101 et seq.). Where the county board shall fail to agree as to the selection of the polling place or places for any election district, within five days of an election, the county clerk shall select and designate the polling place or places in any such election district.

The county board may select a polling place other than a schoolhouse or public building outside of the district but such polling place shall not be located more than 1,000 feet distant from the boundary line of the district. The Secretary of State may, however, permit a polling place to be more than 1,000 feet distant from the boundary line of the district if there is no suitable polling place accessible to individuals with disabilities and the elderly within the district or 1,000 feet distant from the boundary line of the district.

Whenever possible, the county board shall contact the managers or owners of commercial or private buildings that the board deems suitable to
use as polling places, and are in or near an election district lacking an accessible polling place, to determine whether a portion of such a building may be used as a polling place on the day of an election. Reimbursement for the use of a portion of such a building shall be the same as provided by this section for schools and public buildings.

Neither the owner nor operator of a facility designated as a polling place by the county board is permitted or authorized to relocate the polling place room in the building without the express prior approval of the board.

The committee shall indicate the reasons for inaccessibility, according to guidelines established in the federal "Americans with Disabilities Act of 1990" (42 U.S.C. s. 12101 et seq.), and shall consult with the county board of elections to determine the efforts made pursuant to P.L.1991, c.429 (C.19:8-3.1 et al.) to locate alternative polling places or the actions needed to make the existing facilities accessible. Each county board of elections shall notify the Secretary of State and the committee of any changes in polling place locations before the next general election, including any changes required due to the alteration of district boundaries.

and supplies, articles and equipment which may be deemed necessary to be
furnished, used or issued by the county board or superintendent shall be
furnished, used or issued, prepared and distributed by such county board or
superintendent, as the case may be.

The county board shall furnish and deliver to the county clerk, the mu­
unicipal clerks and the district boards in municipalities having more than one
election district: a map or description of the district lines of their respective
election districts, together with the street and house numbers where possi­
ble in such election districts and a list or map of all of the polling places
within the county to assist any voter in identifying the correct location of
the polling place at which the voter should vote if that voter erroneously
reports to the municipal clerk or the wrong polling place.

Nothing in subtitle 2 of the Title, Municipalities and Counties
(R.S.40:16-1 et seq.), shall in any way be construed to affect, restrict, or
abridge the powers conferred on the county clerks, county boards or super­
intendents by this Title.

Any legal voter of the county or municipality, as the case may be, shall have the privilege of witnessing the drawing.

The name or names of the candidate or bracketed group of candidates first drawn from the box shall be printed directly below the proper title of the office for which they were nominated, and the name or names of the

After a person has voted the member of the district board having charge of the signature copy registers shall place the number of the person's ballot in the proper column on the record of voting form of such person, which number shall constitute a record that the person has voted. In the case of the primary election for the general election such member of the district board shall also place in the proper column on the record of voting form the first three letters of the name of the political party whose primary ballot such person has voted.

In the event that the duplicate permanent registration form of any person cannot be found in the signature copy register at the time he applies for a ballot or voting authority, a member of the district board shall promptly ascertain from the commissioner or a duly authorized clerk if such person is permanently registered. The commissioner or his clerk shall require the voter to sign his name upon such order for the purpose of signature comparison. If the commissioner shall ascertain that such entries have not been made or have been improperly made, he shall cause such entries and corrections to be made forthwith and also notify the county board of such failure of duty and the members of such district board who have so failed in their duty and shall be ineligible for appointment as members of any district board thereafter.

The envelope shall be of sufficient size to accommodate the provisional ballot, and the affirmation statement shall be affixed thereto in a manner that enables it to be detached once completed and verified by the county commissioner of registration. The statement shall require the voter to provide the voter's name, and to indicate whether the voter is registered to vote in a county but has moved within that county since registering to vote; or is registered to vote in the election district in which that polling place is located but the voter's registration information is missing or otherwise deficient; or indicate the voter has applied for a mail-in ballot and not received either the ballot or an explanation for not receiving such a ballot pursuant to
notification by the county clerk or from the free-access system, or has ap­plied for and received a mail-in ballot and has not transmitted it to the county board of elections or given it to a bearer for delivery to the county board before the time for the opening of the polls on the day of an election but wants, nevertheless, to vote in the election. The Secretary of State shall also prepare and shall provide language for any written instructions necessary to assure proper completion of the statement.

The written notice shall contain information to be distributed to each voter who votes by provisional ballot. The notice shall state that, if the voter is a mail-in registrant voting for the first time in his or her current county of residence following registration and was given a provisional bal­lot because he or she did not provide required personal identification in­formation, the voter shall be given until the close of business on the second day after the election to provide identification to the applicable county commissioner of registration, and the notice shall contain a telephone number at which the commissioner may be contacted. The commissioner shall inform local school boards, county clerks, and boards of education of the adjustment no later than the first working day in January of the year in which the adjustments are to occur.

Notices relating to any Statewide or countywide election shall be published in at least two newspapers published in each county. 51. Section 7 of P.L.2009, c.79 (C.19:63-7) is amended to read as follows:

C.19:63-7 Printing of mail-in ballots.

7. a. Each county clerk shall have printed sufficient mail-in ballots for each primary election for the general election, and for the general election. Along with such ballots the clerk shall also furnish inner and outer enve-
lopes and printed directions for the preparation and transmitting of such ballots used in the election in the county.

b. The mail-in ballots shall be printed on paper of a different color from that used for any primary or general election ballot, but in all other respects, shall be as nearly as possible facsimiles of the election ballot to be voted at the election.

52. Section 11 of P.L.2009, c.79 (C.19:63-11) is amended to read as follows:

C.19:63-11 Ballots marked "Official Mail-In Ballot."

11. a. Each mail-in ballot to be used at any election shall conform generally to the ballot to be used at the election in the voter's district but the ballots shall be clearly marked "Official Mail-In Ballot."

At the top of every mail-in ballot there shall be printed or stamped in a prominent size the following:

To protect your vote:
IT IS AGAINST THE LAW FOR ANYONE EXCEPT YOU THE VOTER TO MARK OR INSPECT THIS BALLOT.

However, a family member may assist you in doing so.

b. Each mail-in ballot to be used pursuant to this act shall be printed entirely in black ink. In addition to conforming generally to the ballot used in the election, the mail-in ballot shall be so prepared that the voter may indicate on it the voter's choice of the candidates for the offices to be filled, and the public questions to be voted on at the election by the voters of the entire State, county or municipality in which the voter is a resident, as known on the 48th day preceding the election. Sufficient space shall be provided on the ballot for the voter to write in the name of and vote for any candidate for, or the voter's personal choice for, any public office to be voted for at the election in the voter's election district. A list of the candidates for the offices to be filled in each election district in the county, whose names are known on the day on which the ballot is forwarded but do not appear on the ballot, with a statement of the office for which each is a candidate, shall be forwarded with such ballot.

When mail-in ballots are prepared, the name of any candidate who has been nominated for any office shall be placed on the ballot to be used in the general election to be held in the year in each election district in which he is a candidate, whether or not such candidate has accepted nomination prior to when the ballot was prepared, provided that the candidate has not declined the nomination before the ballot was prepared.
c. Each mail-in ballot to be used at any primary election for the general election shall, except as otherwise provided, conform to the ballot to be used at the election in the voter's election district and to the form herein prescribed for mail-in ballots to be used in such general elections. It shall be prepared so that the voter may indicate the voter's choice of the candidates of one political party for each of the officers to be voted on at the election by the voters of the election district and shall be separated into party ballots, which shall be printed upon one sheet when the voting system so allows.

Each such mail-in ballot shall be plainly marked to indicate that only one party ballot is to be voted by each voter and that the party ballot voted by the voter must conform to the name of the political party indicated by the county clerk.

If the county clerk has determined by investigating a voter's registration record that the voter is qualified to vote only in the primary of a particular party, the clerk shall so note on the primary ballot the party primary in which the voter is entitled to vote.

In the case where the county clerk has ascertained through investigating the voter's registration record that such applicant is requesting a ballot to vote in the first primary for which the voter is eligible after registration, the clerk shall note on the primary ballot that the voter can vote in the primary of any political party.

d. Any county may adopt a system of electronic scanning, or other mechanical or electronic device if the system has been approved previously by the Secretary of State to count or canvass mail-in ballots. The county clerk in any county adopting such a system may prepare and use mail-in ballots that do not conform generally to the ballot to be used at the election to the extent that such nonconformance is necessary in the operation of the electronic or mechanical canvassing system.

53. Section 13 of P.L.2009, c.79 (C.19:63-13) is amended to read as follows:

54. Section 16 of P.L.2009, c.79 (C.19:63-16) is amended to read as follows:

C.19:63-16 Marking of mail-in ballot by voter; delivery to board of elections.

16. a. A mail-in voter shall be entitled to mark any mail-in ballot forwarded to the voter for voting at any election by indicating the voter's choice of candidates for the offices named, and as to public questions, if any, stated thereon, in accordance with current law. In the case of ballots to be voted for any primary election for the general election, as the case may be, the voter's choice shall be limited to the candidates of the voter's political party or to any person or persons whose names are written thereon by the voter. When so marked, such ballot shall be placed in the inner envelope, which shall then be sealed, and the voter shall then fill in the form of certificate attached to the inner envelope, at the end of which the voter shall sign and print the voter's name. The inner envelope with the certificate shall then be placed in the outer envelope, which shall then be sealed.

b. No mail-in voter shall permit any person in any way, except as provided by this act, to unseal, mark or inspect the voter's ballot, interfere with the secrecy of the voter's vote, complete or sign the certificate, or seal the inner or outer envelope, nor shall any person do so.

c. A mail-in voter shall be entitled to assistance from a family member in performing any of the actions provided for in this section. The family member or other person providing such assistance shall certify that he or she assisted the voter and will maintain the secrecy of the vote by both printing and signing his or her name in the space provided on the certificate. In no event may a candidate for election provide such assistance, nor may any person, at the time of providing such assistance, campaign or electioneer on behalf of any candidate.

d. (1) The sealed outer envelope with the inner envelope and the ballot enclosed therein shall then either be mailed to the county board of elections to which it is addressed or delivered personally by the voter or a bearer designated by the voter to the board. To be counted, the ballot must be received by the board or its designee before the time designated by R.S.19:15-2 or R.S.19:23-40 for the closing of the polls, as may be appropriate, on the day of an election.
(2) Whenever a person delivers a ballot to the county board, that person shall sign a record maintained by the county of all mail-in ballots personally delivered to it.

(3) No person shall serve as an authorized messenger for more than 10 qualified voters in an election. No person who is a candidate in the election for which the voter requests a mail-in ballot shall be permitted to serve as an authorized messenger or bearer. The bearer, by signing the certification provided for in section 12 of P.L.2009, c.79 (C.19:63-12), certifies that he or she received a mail-in ballot directly from the voter, and no other person, and is authorized to deliver the ballot to the appropriate board of election or designee on behalf of the voter.

55. Section 17 of P.L.2009, c.79 (C.19:63-17) is amended to read as follows:

C.19:63-17 Actions of county board of elections relative to mail-in ballot.

17. The county board of elections shall, promptly after receiving each mail-in ballot, remove the inner envelope containing the ballot from the outer envelope and shall compare the signature and the information contained on the flap of the inner envelope with the signature and information contained in the respective requests for mail-in ballots. In addition, as to mail-in ballots issued less than seven days prior to an election, the county board of elections shall also check to establish that the mail-in voter did not vote in person. The county board shall reject such a ballot if it is not satisfied, pursuant to a comparison with the Statewide voter registration system, that the voter is legally entitled to vote and that the ballot conforms with the requirements of this act.

In the case of a mail-in ballot to be voted at a primary election for the general election, the ballot shall be rejected if the mail-in voter has indicated in the certificate the voter’s intention to vote in a primary election of any political party in which the voter is not entitled to vote according to the Statewide voter registration system, and if it shall appear from the record that the voter is not entitled to vote in a primary election of the political party which has been so indicated.

Any mail-in ballot which is received by a county board of elections shall be rejected if both the inner and outer envelopes are unsealed or if either envelope has a seal that has been tampered with.

Disputes about the qualifications of a mail-in voter to vote or about whether or not or how any mail-in ballot shall be counted in such election shall be referred to the Superior Court for determination.
After such investigation, the county board of elections shall detach or separate the certificate from the inner envelope containing the mail-in ballot, unless it has been rejected by it or by the Superior Court, marking the envelope so as to identify the election district in which the ballot contained therein is to be voted as indicated by the voter's home address appearing on the certificate attached to or accompanying the inner envelope and, in the case of ballots to be voted at a primary election for a general election, so as to identify the political party in the primary election of which it is to be voted.

The location at which a county board of elections determines whether a mail-in ballot shall be accepted or rejected shall be considered an election district for the purposes of appointment of challengers.

56. Section 22 of P.L.2009, c.79 (C.19:63-22) is amended to read as follows:

C.19:63-22 Opening of mail-in ballots.

22. On the day of each election each county board of elections shall open in the presence of the commissioner of registration, or the designee thereof, the inner envelopes that contain the mail-in ballots with the votes cast for the election. The inner envelopes containing the ballots that the board or the Superior Court has rejected shall not be so opened, but shall be retained as provided for by this act. The board shall then proceed to canvass the votes cast on the mail-in ballots, but no such ballot shall be counted in any primary election for the general election if the ballot of the political party marked for voting thereon differs from the designation of the political party in the primary election of which such ballot is intended to be voted as marked on the envelope by the county board of elections.

Immediately after the canvass is completed, the respective county boards of election shall certify the result of the canvass to the county clerk or the municipal or district clerk or other appropriate officer, as the case may be, showing the result of the canvass by municipality and ward. The votes thus canvassed shall be counted in determining the result of the election.

The county board of elections shall, immediately after the canvass is completed for any primary election, certify the results of the votes cast for members of the county committees to the respective municipal clerks, and those votes shall be counted in determining the result of the election.

57. Section 23 of P.L.2009, c.79 (C.19:63-23) is amended to read as follows:
C.19:63-23 Marking in voting records to show mail-in ballots delivered.

23. As soon as practicable after each election, the board of elections shall mark in the Statewide voter registration system and all duplicate voting records to show that mail-in ballots were delivered or forwarded to the respective registered voters. For each mail-in ballot that has been voted, received and counted, the board of elections shall also, by reference to the certificates removed from the inner envelopes of such ballots, place the word "Voted" in the space provided in the Statewide voter registration system and duplicate voting record for recording the ballot number of the voter's ballot in the election. In the case of the primary election for the general election, the board shall also cause to be noted in the proper space of the Statewide voter registration system or other record of voting form the first three letters of the name of the political party primary in which such ballot was voted. The record contained in the Statewide voter registration system and of voting forms in the original permanent registration binders shall be conformed to the foregoing entries in the duplicate forms.

58. R.S.40:20-9 is amended to read as follows:

Nonpartisan ballot box; transfers.

40:20-9. The election provided for in section 40:20-8 of this title shall be deemed, so far as the question of the acceptance or rejection of sections 40:20-2 to 40:20-19 of this title is concerned, to be a special election, and shall be conducted by the county and district boards of registry and election in the same manner as other elections.

Notice of the election shall be given at the time and in the manner required for the primary election held on the same day, and the same boxes shall be used for the purposes of this election as are to be used for the purposes of the primary election, except that there shall be provided in each polling place, in addition to the boxes provided by law, a box to be known as the "nonpartisan box".

Any person entitled to vote at the primary election for the general election, and any person who would be entitled to vote at the primary if he were a member of one of the two political parties for which primary boxes are provided, may vote hereunder on that day.

Transfers shall be issued as provided by the laws relating to elections.

59. R.S.40:20-18 is amended to read as follows:
Results of election; return and canvassing.

40:20-18. The district boards of registry and elections shall make returns of the election held under sections 40:20-8 to 40:20-13 of this Title in the case of elections held on primary election for the general election day, in the manner provided by law for making returns in cases of special elections, and in the case of elections held on the day of a general election, in the manner provided by law for making returns of general elections.

The statements of the results of each election held hereunder shall be transmitted by the district boards of registry and elections to the officers designated by law for the purpose, and the votes shall be canvassed and determined by the county board of elections in the manner provided by law, and it shall certify the result to the county clerk.

60. Section 11 of P.L.2007, c.62 (C.40A:4-45.46) is amended to read as follows:

Approval shall be by an affirmative vote of in excess of 50 percent of the people voting on the question at the election. The local unit budget proposing the increase shall be introduced and approved in the manner otherwise provided for budgets of that local unit at least 20 days prior to the date on which the referendum is to be held, and shall be published in the manner otherwise provided for budgets of the local unit at least 12 days prior to the referendum date, unless otherwise directed by the Director of the Division of Local Government Services in the Department of Community Affairs.

The public question shall include an accompanying explanatory statement that identifies the changes in appropriations or revenues that warranted the governing body's decision to ask the public question; or, in the alternative and subject to the approval of the Director of the Division of Local Government Services in the Department of Community
Affairs, a clear and concise narrative explanation of the circumstances for the increased adjusted tax levy being proposed.

(3) Unless otherwise provided pursuant to section 1 of P.L.1989, c.31 (C.40A:4-5.1), a referendum conducted pursuant to this subsection shall be held:

(a) for calendar year budgets only on the fourth Tuesday in January and the second Tuesday in March; and

(b) for fiscal year budgets, only the last Tuesday in September, or the second Tuesday in December.

(4) Any decision of the voters rejecting an increase to the tax levy cap under this subsection shall be final and conclusive, and no appeal or review shall be taken therefrom and no waiver application shall be made to the Local Finance Board.

(5) The director is authorized to act as necessary in order to consolidate ballot questions and procedures when a governing body elects to hold a referendum under both this section and section 9 of P.L.1983, c.49 (C.40A:4-45.16).

61. Section 8 of P.L.1981, c.496 (C.40:44-16) is amended to read as follows:

Within 2 weeks immediately following the filing of the certified report by the ward commissioners, the municipal clerk shall cause to be published at least once in at least one newspaper generally circulating in the municipality a notice of the ward boundaries as fixed and determined in the report.

Upon completion of the publication, the former wards, if any, shall be superseded, and thereafter all officers elected or appointed in the municipality for or representing the wards thereof shall be elected from, or appointed for, the wards fixed and determined by the ward commissioners; except that, in municipalities wherein municipal officers are elected at the general election held on the first Tuesday after the first Monday in November, if the publication shall be completed in a year in which municipal officers are elected during the period between the date 75 days before the pri-

62. This act shall take effect immediately.

Whenever the governing body of a municipality determines to authorize the issuance of one or more new or additional taxi licenses, it shall publish a notice, in a newspaper circulating generally within the municipality, stating the number of new or additional licenses to be authorized and the application period for the new or additional licenses. The notice shall specify a time and date after which no further applications will be accepted. 2. The provisions of section 1 of P.L.2011, c.135 (C.48:16-2.1) shall not be construed to require the issuance of any license or licenses with respect to which a notice has been published pursuant to that section 1, but in any case in which any such license or licenses have not been issued within
six months after the closing time and date for acceptance of applications
specified in the notice, no such license or licenses shall be issued without

c. The director may solicit bids and award contracts on behalf of this State and other jurisdictions which are parties to a cooperative purchasing agreement provided that the agreement specifies that each jurisdiction participating in a contract is solely responsible for the payment of the purchase price and cost of purchases made by it under the terms of any contract awarded pursuant to the agreement.

   (3) Any female dog in season off the premises of the owner or the person charged with the care of the dog;

   (4) Any dog or other animal which is suspected to be rabid; or

   (5) Any dog or other animal off the premises of the owner or the person charged with its care that is reported to, or observed by, a certified animal control officer to be ill, injured, or creating a threat to public health, safety or welfare, or otherwise interfering with the enjoyment of property.

b. If an animal taken into custody and impounded pursuant to subsection a. of this section has a collar or harness with identification of the name and address of any person, or has a registration tag, or has a microchip with an identification number that can be traced to the owner or person charged with the care of the animal, or the owner or the person charged with the care of the animal is otherwise known, the certified animal control officer shall ascertain the name and address of the owner or the person charged with the care of the animal, and serve to the identified person as soon as practicable, a notice in writing that the animal has been seized and will be
liable to be offered for adoption or euthanized if not claimed within seven days after the service of the notice.

c. A notice required pursuant to this section may be served: (1) by delivering it to the person on whom it is to be served, or by leaving it at the person's usual or last known place of residence or the address given on the collar, harness, or microchip identification; or (2) by mailing the notice to that person at the person's usual or last known place of residence, or to the address given on the collar, harness or microchip identification.

d. A shelter, pound, or kennel operating as a shelter or pound receiving an animal from a certified animal control officer pursuant to subsection a. of this section, or from any other individual, group, or organization, shall hold the animal for at least seven days before offering it for adoption, or euthanizing, relocating, or sterilizing the animal, except if:

(1) the animal is surrendered voluntarily by its owner to the shelter, pound, or kennel operating as a shelter or pound, in which case the provisions of subsection e. of this section shall apply; or

(2) the animal is suspected of being rabid, in which case the provisions of subsection j. of this section shall apply.

e. If a shelter, pound or kennel operating as a shelter or pound is not required to hold an animal for at least seven days pursuant to paragraph (1) of subsection d. of this section, the shelter, pound, or kennel operating as a shelter or pound:

(1) shall offer the animal for adoption for at least seven days before euthanizing it; or

(2) may transfer the animal to an animal rescue organization facility or a foster home prior to offering it for adoption if such a transfer is determined to be in the best interest of the animal by the shelter, pound, or kennel operating as a shelter or pound.

f. Except as otherwise provided for under subsection e. of this section, no shelter, pound, or kennel operating as a shelter or pound receiving an animal from a certified animal control officer may transfer the animal to an animal rescue organization facility or a foster home until the shelter, pound, or kennel operating as a shelter or pound has held the animal for at least seven days.

g. If the owner or the person charged with the care of the animal seeks to claim it within seven days, or after the seven days have elapsed but before the animal has been adopted or euthanized, the shelter, pound, or kennel operating as a shelter or pound:

(1) shall, in the case of a cat or dog, release it to the owner or person charged with its care, provided the owner or person charged with the care
of the animal provides proof of ownership, which may include a valid cat or
dog license, registration, rabies inoculation certificate or documentation
from the owner's veterinarian that the cat or dog has received regular care
from that veterinarian;

(2) may, in the case of a cat or dog, charge the cost of sterilizing the cat
or dog, if the owner requests such sterilizing when claiming it; and

(3) may require the owner or person charged with the care of the ani­
mal to pay all the animal's expenses while in the care of the shelter, pound,
or kennel operating as a shelter or pound, not to exceed $4 per day.

h. If the animal remains unclaimed, is not claimed due to the failure
of the owner or other person to comply with the requirements of this sec­
tion, or is not adopted after seven days after the date on which notice is
served pursuant to subsection c. of this section or, if no notice can be
served, not less than seven days after the date on which the animal was im­
pounded, the impounded animal may be placed in a foster home, transferred
to another shelter, pound, kennel operating as a shelter or pound, or
animal rescue organization facility, or euthanized in a manner causing as
little pain as possible and consistent with the provisions of R.S.4:22-19.

i. At the time of adoption, the right of ownership in the animal shall
transfer to the new owner. No dog or other animal taken into custody, im­
pounded, sent or otherwise brought to a shelter, pound, or kennel operating
as a shelter or pound shall be sold or otherwise be made available for the
purpose of experimentation. Any person who sells or otherwise makes
available any such dog or other animal for the purpose of experimentation
shall be guilty of a crime of the fourth degree.

j. Any animal seized under this section suspected of being rabid shall
be immediately reported to the executive officer of the local board of health
and to the Department of Health and Senior Services, and shall be quaran­
tined, observed, and otherwise handled and dealt with as appropriate for an
animal suspected of being rabid or as required by the Department of Health
and Senior Services for such animals.

k. When a certified animal control officer takes into custody and im­
pounds, or causes to be taken into custody and impounded, an animal, the
certified animal control officer may place the animal in the custody of, or
cause the animal to be placed in the custody of, only a licensed shelter,
pound, or kennel operating as a shelter or pound. The certified animal con­
trol officer may not place the animal in the custody of, or cause the animal
to be placed in the custody of, any animal rescue organization facility, fos­

pound, or kennel operating as a shelter or pound may place the animal in an
1. Notwithstanding the provisions of this section and sections 3 and 4 of P.L.2011, c.142 (C.4:19-15.30 and C.4:19-15.31) to the contrary, no cat or dog being transferred between shelters, pounds, or kennels operating as shelters or pounds, or being transferred to an animal rescue organization facility or placed in a foster home, shall be required to be sterilized prior to that transfer.

3. a. The Department of Health and Senior Services shall develop and establish a pilot program to be known as the "Pet Sterilization Pilot Program." The pilot program shall operate in any county with significant animal overpopulation issues that is selected for the program by the Commissioner of Health and Senior Services and agrees to participate in the program. Upon the county's agreement to participate, every shelter, pound, and kennel operating as a shelter or pound in the county shall participate in the pilot program.

b. A shelter, pound, or kennel operating as a shelter or pound in a county participating in the pilot program established under subsection a. of this section shall require every cat or dog to be sterilized before releasing it to a person adopting a cat or dog from the shelter, pound, or kennel operating as a shelter or pound when adoption is permitted pursuant to section 16 of P.L.1941, c.151 (C.4:19-15.16), except as provided under section 4 of P.L.2011, c.142 (C.4:19-15.31). The shelter, pound, or kennel operating as a shelter or pound may charge the person adopting the animal the cost of sterilization.

c. The pilot program shall operate for a period of at least two years. No later than two years after the pilot program is established and becomes operative, the Commissioner of Health and Senior Services shall submit a written report to the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), to the Legislature. The report shall contain information on the implementation of the pilot program and shall include the recommendation of the commissioner on the feasibility of implementing the pilot program on a Statewide basis.

C.4:19-15.31 Exceptions to sterilization requirement for adopted animals.

4. a. Pursuant to the pilot program established under section 3 of P.L.2011, c.142 (C.4:19-15.30), a person may adopt and remove a cat or dog from a shelter, pound, or kennel operating as a shelter or pound, without sterilizing the cat or dog, if: (1) the cat or dog is less than six months old;
and (2) the person pays a refundable deposit, the amount of which is to be established by the shelter, pound, or kennel operating as a shelter or pound.

b. The shelter, pound, or kennel operating as a shelter or pound shall refund the deposit required pursuant to subsection a. of this section if, within 180 days after the date of adoption, the person who adopted the cat or dog submits a certification from a licensed veterinarian that the cat or dog (1) has been sterilized, or (2) cannot be sterilized because it would be detrimental to the health of the cat or dog for reasons other than age. The shelter, pound, or kennel operating as a shelter or pound shall issue the refund within 30 days after receipt of the licensed veterinarian’s certification.

c. A person adopting a cat or dog that cannot be sterilized for reasons other than age may remove the cat or dog from the shelter, pound, or kennel operating as a shelter or pound without paying a deposit on the cat or dog, provided that a licensed veterinarian has certified the cat or dog cannot be sterilized because it would be detrimental to the health of the cat or dog for reasons other than age.

C.4:19-15.32 Impounded cat, dog, search for owner prior to release to adopter, euthanasia.

5. a. When a cat or dog is put in the custody of and impounded with a shelter, pound, or kennel operating as a shelter or pound, or an animal rescue organization facility receives a cat or dog, the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility shall, if the identity of the owner is not known, scan the animal for microchip identification, provided the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility has such technology available.

b. Prior to release of any cat or dog for adoption, transfer to another facility or foster home, or euthanasia of the cat or dog, the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility shall, if the identity of the owner is not known, scan the cat or dog for microchip identification, provided the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility has such technology available.

c. If either scan required pursuant to subsection a. or b. of this section reveals information concerning the owner of the cat or dog, the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility shall immediately seek to contact and notify the owner of the whereabouts of the cat or dog. Furthermore, if microchip identification is found, the shelter, pound, kennel operating as a shelter or pound, or animal rescue organization facility shall hold the animal for at least seven days after the notification to the owner.
C.4:19-15.33 Registry of animal rescue organizations, facilities.

6. a. The Department of Health and Senior Services shall establish a registry of animal rescue organizations and their facilities in the State. Any animal rescue organization may voluntarily participate in the registry.

7. This act shall take effect on the 180th day following enactment, but the Department of Health and Senior Services may take any administrative or regulatory action prior thereto to implement the provisions of this act.

Approved December 14, 2011.

CHAPTER 143

AN ACT establishing the "Task Force on the Closure of State Developmental Centers."

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:

   a. The closure of developmental centers advances New Jersey's efforts to comply with the decision by the Supreme Court of the United States in Olmstead v. L.C., 527 U.S. 581 (1999), which requires states to provide community living options and other supports to individuals with developmental disabilities who do not require or want institutionalized care;

   b. Continuing New Jersey's commitment to providing individuals with developmental disabilities the ability to live in the most integrated setting appropriate to their needs, consistent with the Olmstead v. L.C. decision, is critical to ensure a better quality of life;

   c. It is our goal to reduce the number of developmental centers, while being consistent with federal Medicaid law, and that such centers shall be utilized primarily to provide specialty services for individuals with developmental disabilities who exhibit high-risk behaviors, have intense medical needs, or are court-ordered;
d. The State operates more developmental centers than necessary to support a declining population of individuals with developmental disabilities, which has decreased by approximately 1,200 individuals, or 33 percent, since 1998;

e. It is our goal to affirm the State's commitment to reducing reliance on institutional care, along with expanding community living options; and

f. It is important for the State to affirm its commitment to provide individuals with developmental disabilities who are institutionalized with the opportunity to live in the community, consistent with the *Olmstead v. L.C.* decision, and to realign fiscal, staffing, and operational resources to support community living.

2. There is established the "Task Force on the Closure of State Developmental Centers." The task force shall perform a comprehensive evaluation of all of the State developmental centers and provide recommendations for the closing of developmental centers.

3. a. The task force shall be comprised of five members who shall be appointed within 30 days of the effective date of this act, as follows:

   (1) three members appointed by the Governor;

   (2) one public member appointed by the Governor upon the recommendation of the President of the Senate; and

   (3) one public member appointed by the Governor upon the recommendation of the Speaker of the General Assembly.

   Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

b. The task force shall organize within 30 days following the appointment of a majority of its members and shall select a chairperson and vice-chairperson from among the members.

c. The members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

d. The task force shall make recommendations by a majority vote of its members.

e. The Department of Human Services shall provide staff support to the task force.

4. The task force shall perform a comprehensive evaluation of the State developmental centers, and set forth recommendations for the closure of developmental centers in the State. The recommendations, which shall be binding
on the Department of Human Services, may provide for the closure of one or more developmental centers. The recommendations for closure of a developmental center shall consider the following criteria in order of importance:

a. the number of individuals with developmental disabilities residing in a developmental center who want or do not oppose, or if applicable, whose guardians want or do not oppose, community placement and whose interdisciplinary teams have recommended such a placement;

b. the present capacity of the community to provide or develop specialized services and supports to individuals with developmental disabilities or the time required to allow for the development of the capacity to provide such specialized services;

c. the operational needs of the Department of Human Services in meeting the range of needs and preferences of all affected individuals served by the Division of Developmental Disabilities in the Department of Human Services;

d. the economic impact on the community in which the developmental center is located if that center were to close; and

e. the projected repair and maintenance costs of the developmental center as estimated by the Department of Human Services.

5. No sooner than 90 days but not later than 180 days after the task force organizes, the task force shall submit its closure recommendations, including, if applicable, a targeted date for closure of each developmental center recommended for closure, and make such other recommendations as the task force deems appropriate, to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1).

6. a. If applicable, the Department of Human Services shall close each of the developmental centers recommended by the task force as soon as practicable in accordance with a schedule that takes into account the needs of the residents of any developmental center to be closed and any appropriate operational concerns of the developmental centers and the community services system.

b. Nothing in this act shall limit the commissioner's authority pursuant to R.S.30:1-12 or the discretion to take the actions authorized by sections 1 and 2 of P.L.1996, c.150 (C.30:1-7.3 and C.30:1-7.4), as the commissioner may deem appropriate.

7. This act shall take effect immediately and shall expire upon the submission by the task force of its closure recommendations to the Gover-
nor and the Legislature or 180 days after the task force organizes, whichever is sooner.

Approved December 14, 2011.

The Director of the Division of Local Government Services in the Department of Community Affairs shall determine conditions, requirements, orders, and oversight for the receipt of any amount of grants, loans, or any combination thereof, provided to any municipality through the Transitional Aid to Localities program or any successor discretionary aid programs for municipalities in fiscal distress. Conditions, requirements, or orders deemed necessary by the director may include, but not be limited to, the implementation of government, administrative, and operational efficiency and oversight measures necessary for the fiscal recovery of the municipality, including but not limited to requiring approval by the director of personnel actions, professional services and related contracts, payment in lieu of tax agreements, acceptance of grants from State, federal or other organizations, and the creation of new or expanded public services.

b. An additional amount not to exceed one percent of the amount appropriated in any State Fiscal Year beginning on or after July 1, 2012 for the Transitional Aid to Localities program or any successor discretionary aid programs for municipalities in fiscal distress shall be appropriated for administrative costs of that program, and for administrative costs associated with the oversight of any municipalities under State supervision pursuant to Article 4 of the “Local Government Supervision Act (1947),” P.L.1947, c.151 (C.52:27BB-54 et seq.), subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.
2. There is appropriated $139,000,000 from the General Fund to the Department of Community Affairs for Transitional Aid to Localities to be distributed to municipalities during the current State Fiscal Year, subject to the provisions of subsection a. of section 1 of P.L.2011, c.144 (C.52:27D-118.42a) and P.L.2011, c.85.

3. There is appropriated $1,500,000 from the General Fund to the Department of Community Affairs for administrative costs of the Transitional Aid to Localities program and for administrative costs associated with the oversight of any municipalities under State supervision pursuant to Article 4 of the “Local Government Supervision Act (1947),” P.L.1947, c.151 (C.52:27BB-54 et seq.), subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.

4. This act shall take effect immediately.

Approved December 20, 2011.

CHAPTER 145

AN ACT providing for the use of Physician Orders for Life-Sustaining Treatment forms and supplementing Titles 26, 30, and 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-129 Short title.
1. Sections 1 through 13 of this act shall be known and may be cited as the “Physician Orders for Life-Sustaining Treatment Act.”

C.26:2H-130 Findings, declarations relative to physician orders for life-sustaining treatment (POLST) forms.
2. The Legislature finds and declares that:
   a. Pursuant to the “New Jersey Advance Directives for Health Care Act,” P.L.1991, c.201 (C.26:2H-53 et seq.), this State has statutorily recognized the right of an adult with decision-making capacity to plan ahead for health care decisions through the execution of advance directives and designate a surrogate decision-maker, and to have the wishes expressed in those documents respected, subject to certain limitations, in order to ensure
that the right to control decisions about one's own health care is not lost if a patient loses decision-making capacity and is no longer able to participate actively in making his own health care decisions;

b. The Physician Orders for Life-Sustaining Treatment, or POLST, form complements an advance directive by converting a person’s wishes regarding life-sustaining treatment, such as those set forth in an advance directive, into a medical order;

c. The POLST form: contains immediately actionable, signed medical orders on a standardized form; includes medical orders that address a range of life-sustaining interventions as well as the patient’s preferred intensity of treatment for each intervention; is typically a brightly colored, clearly identifiable form; and is recognized and honored across various health care settings;

d. The use of a POLST form is particularly appropriate for persons who have a compromised medical condition or a terminal illness, and the experience in other states has shown that the use of the POLST form helps these patients to have their health care preferences honored by health care providers;

e. The use of POLST forms can overcome many of the problems associated with advance directives, which in many cases are designed simply to name an individual to make health care decisions for the patient if the latter becomes incapacitated or otherwise lack specificity in regard to the patient’s health care preferences, and are often locked away in file drawers or safe deposit boxes and unavailable to health care providers when the need arises to ensure that the patient's wishes are followed;

f. A completed POLST form is signed by, and more readily available than an advance directive to, the patient’s attending physician or advanced practice nurse, and provides a specific and detailed set of instructions for a health care professional or health care institution to follow in regard to the patient’s preference for the use of various medical interventions;

g. To date, at least the following states, or communities within these states, have established programs providing for the use of the POLST form that have been endorsed by the National POLST Paradigm Task Force or are in the process of developing such programs: Alaska, California, Colorado, Florida, Georgia, Hawaii, Idaho, Indiana, Iowa, Kansas, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nebraska, Nevada, New Hampshire, New York, North Carolina, North Dakota, Ohio, Oregon, Pennsylvania, Tennessee, Texas, Utah, Washington, West Virginia, Wisconsin, and Wyoming; and
h. The right and preference of New Jerseyans to have their health care preferences respected would be better served by the use of the POLST form in this State to augment the use of advance directives, and the enactment of this act will conduce to that end.

C.26:2H-131 Definitions relative to POLST form.

d. provides a means by which to indicate whether the patient has made an anatomical gift pursuant to P.L.2008, c.50 (C.26:6-77 et al.);

f. is intended to accompany the patient, and to be honored by all personnel attending the patient, across the full range of possible health care settings, including the patient’s home, a health care institution, or otherwise at the scene of a medical emergency; and

g. may be modified or revoked at any time by a patient with decision-making capacity or the patient’s representative in accordance with the provisions of section 7 of this act.

“Resuscitative measures” means cardiopulmonary resuscitation provided in the event that a patient suffers a cardiac or respiratory arrest.

C.26:2H-132 Encouragement of public awareness, understanding of POLST form.

4. It shall be the public policy of this State to encourage public awareness and understanding of the Physician Orders for Life-Sustaining Treatment form as a means of enabling patients in this State to indicate their preferences for health care through the use of a completed POLST form as a complementary measure to the use of an advance directive, or in lieu of an advance directive if the patient has not executed such a document, in accordance with the provisions of this act.
CHAPTER 145, LAWS OF 2011

C.26:2H-133 Designation of patient safety organization; responsibilities.

5. The Commissioner of Health and Senior Services shall designate a patient safety organization (PSO) operating in this State pursuant to the federal “Patient Safety and Quality Improvement Act of 2005,” Pub.L.109-41, to carry out the following responsibilities, by mutual written agreement of the commissioner and that PSO:

   a. prescribe a POLST form and the procedures for completion, modification, and revocation of the form;
   b. seek to promote awareness among health care professionals, emergency care providers, and the general public in this State about the option to complete a POLST form;
   c. provide ongoing training of health care professionals and emergency care providers about the use of the POLST form, in consultation with organizations representing, and educational programs serving, health care professionals and emergency care providers, respectively, in this State;
   d. prescribe additional requirements for the completion of a POLST form that may be applicable in the case of a patient with mental illness or a developmental disability in consultation with organizations that represent persons with mental illness and developmental disabilities, respectively;
   e. provide for ongoing evaluation of the design and use of POLST forms through the use of such data as the PSO determines reasonably necessary for that purpose, subject to the commissioner’s written approval; and
   f. seek to minimize any record-keeping burden imposed on a health care institution pursuant to this act and take such actions as are necessary to ensure the confidentiality of any such data furnished to the PSO that may contain patient-specific information.

C.26:2H-134 Treatment of patient in accordance with POLST form.

6. a. A health care professional, health care institution, or emergency care provider shall treat a patient who has a completed POLST form in accordance with the information contained therein, except as otherwise provided in this act.

   b. A POLST form shall be deemed to be completed, and therefore valid for the purposes of this act if it:

      (1) contains information indicating a patient’s health care preferences;
      (2) has been voluntarily signed by a patient with decision-making capacity, or by the patient’s representative in accordance with the patient’s known preferences or in the best interests of the patient;
      (3) includes the signature of the patient’s attending physician or APN and the date of that signature; and
(4) meets any other requirements to be deemed valid for the purposes of this act.

c. A document executed in another state, which meets the requirements of this act for a POLST form, shall be deemed to be completed and valid for the purposes of this act to the same extent as a POLST form completed in this State.

C.26:2H-135 Modification, supersede of POLST form.

7. a. If the goals of care of a patient with a completed POLST form change, the patient’s attending physician or APN may, after conducting an evaluation of the patient and after obtaining informed consent from the patient or, if the patient has lost decision-making capacity, the patient’s representative in accordance with subsection d. of this section, issue a new order that modifies or supersedes the completed POLST form consistent with the most current information available about the patient’s health status and goals of care.

b. A patient with decision-making capacity, may, at any time, modify or revoke the patient’s completed POLST form or otherwise request alternative treatment to the treatment that was ordered on the form.

c. If the orders in a patient’s completed POLST form regarding the use of any intervention specified therein conflict with the patient’s more recent verbal or written directive to the patient’s attending physician or APN, the physician or APN shall honor the more recent directive from the patient in accordance with the provisions of subsection e. of this section.

d. The POLST form shall provide the patient with the choice to authorize the patient’s representative to revoke or modify the patient’s completed POLST form if the patient loses decision-making capacity. If the patient so authorizes the patient’s representative, the patient’s representative may, at any time after the patient loses decision-making capacity and after consultation with the patient’s attending physician or APN, request the physician or APN to modify or revoke the completed POLST form, or otherwise request alternative treatment to the treatment that was ordered on the form, as the patient’s representative deems necessary to reflect the patient’s health status or goals of care. If the patient does not authorize the patient’s representative to revoke or modify the patient’s completed POLST form, the patient’s representative may not revoke or modify the patient’s completed POLST form.

e. A verbal or written request by a patient or the patient’s representative to modify or revoke a patient’s completed POLST form, in accordance with the provisions of this section, shall be effectuated once the patient’s
attending physician or APN has signed the POLST form attesting to that request for modification or revocation.

C.26:2H-136 Procedure in event of disagreement.

8. a. In the event of a disagreement among the patient, the patient’s representative, and the patient’s attending physician or APN concerning the patient's decision-making capacity or the appropriate interpretation and application of the terms of a completed POLST form to the patient's course of treatment, the parties:
   (1) may seek to resolve the disagreement by means of procedures and practices established by the health care institution, including, but not limited to, consultation with an institutional ethics committee, or with a person designated by the health care institution for this purpose; or
   (2) may seek resolution by a court of competent jurisdiction.

   b. A health care professional involved in the patient's care, other than the attending physician or APN, or an administrator of a health care institution may also seek to resolve a disagreement concerning the patient's decision-making capacity or the appropriate interpretation and application of the terms of a completed POLST form to the patient's course of treatment in the same manner as set forth in subsection a. of this section.

C.26:2H-137 Construction of act.

9. Nothing in this act shall be construed to:

3. a. The Grow New Jersey Assistance Program is hereby established as a program under the jurisdiction of the New Jersey Economic Development Authority and shall be administered by the authority. The purpose of the program is to encourage economic development and job creation and to preserve jobs that currently exist in New Jersey but which are in danger of being relocated outside of the State. To implement this purpose, and to the extent that funding for the program is available, the program may provide tax credits to eligible businesses. To be eligible for any tax credits pursuant to P.L.2011, c.149 (C.34:1B-242 et al.), a business's chief executive officer or equivalent officer shall demonstrate to the authority, at the time of application, that: (1) the business will make, acquire, or lease a capital investment of at least $20,000,000 at a qualified business facility at which it will (a) employ at least 100 full-time employees in retained full-time jobs, or (b)
create at least 100 new full-time jobs in an industry identified by the auth­ority as desirable for the State to maintain or attract; (2) the capital investment resultant from the award of tax credits and the resultant retention and creation of eligible positions will yield a net positive benefit to the State; and, except as provided in subsection d. of this section, (3) the award of tax credits will be a material factor in the business's decision to create or retain the minimum number of full-time jobs for eligibility under the program.

b. To assist the authority in determining whether a proposed capital investment will yield a net positive benefit, the business's chief executive officer, or equivalent officer, shall submit a certification to the authority indicating that any existing jobs are at risk of leaving the State, that any projected creation of new full-time jobs would not occur but for the provision of tax credits under the program, and that the business's chief executive officer, or equivalent officer, has reviewed the information submitted to the authority and that the representations contained therein are accurate. In the event that this certification by the business's chief executive officer, or equivalent officer, is found to be willfully false, the authority may revoke any award of tax credits in their entirety, which revocation shall be in addition to any other criminal or civil penalties that the business and the officer may be subject to. When considering an application involving intra-State job transfers, the authority shall require the business to submit the following information as part of its application: a full economic analysis of all locations under consideration by the business; all lease agreements, ownership documents, or substantially similar documentation for the business's current in-State locations; and all lease agreements, ownership documents, or substantially similar documentation for the potential out-of-State location alternatives, to the extent they exist. Based on this information, and any other information deemed relevant by the authority, the authority shall independently verify and confirm, by way of making a factual finding by separate vote of the authority's board, the business's assertion that the jobs are actually at risk of leaving the State, before a business may be awarded any tax credits under this section.

c. A project that consists solely of point-of-final-purchase retail facilities shall not be eligible for a grant of tax credits. If a project consists of both point-of-final-purchase retail facilities and non-retail facilities, only the portion of the project consisting of non-retail facilities shall be eligible for a grant of tax credits. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility shall not be eligible for a grant of tax credits. For the purposes of this sec-
CHAPTER 149, LAWS OF 2011 1399

d. The authority may determine as eligible for tax credits under the program any business that is required to respond to a request for proposals and to fulfill a contract with the federal government although the business’s chief executive officer or equivalent officer has not demonstrated to the authority that the award of tax credits will be a material factor in the business’s decision to retain at least 100 full-time jobs, as otherwise required by paragraph (3) of subsection a. of this section. The authority may, in its discretion, consider the economic benefit of the retained jobs servicing the contract in conducting a net benefit analysis required by paragraph (2) of subsection a. of this section. For the purposes of this subsection, "retained jobs" includes jobs that are at risk of being eliminated. Applications to the authority for eligibility under the program pursuant to the criteria set forth in this subsection shall be completed by March 31, 2012. Submission of a proposal to the federal government prior to authority approval shall not disqualify a business from the program.

C.34:1B-245 Agreement required prior to issuance of tax credits.

4. The authority shall require an eligible business to enter an agreement prior to the issuance of tax credits. The agreement shall include, but shall not be limited to, the following:

a. A detailed description of the proposed project which will result in job creation or retention, and the number of full-time employees.

b. The term of the tax credits, and the first year for which the tax credits may be claimed.

c. Personnel information that will enable the authority to administer the program.

d. A requirement that the applicant maintain the project at a location in New Jersey for at least 1.5 times the number of years of the term of the tax credits, with at least the number of full-time employees as required by section 6 of P.L.2011, c.149 (C.34:1B-247) and a provision to permit the authority to recapture all or part of any tax credit awarded, at its discretion, if the business does not remain at the site for the required term.

e. A method for the business to report annually to the authority the number of full-time employees for which the tax credits are to be made.

f. A provision permitting an audit of the payroll records of the business from time to time, as the authority deems necessary.

g. A provision which permits the authority to amend the agreement.
h. A provision establishing the conditions under which the agreement may be terminated and awarded tax credits are recaptured, in whole or in part, by the authority at its discretion.

C.34:1B-246 Value of tax credit for eligible business.

5. a. The value of each tax credit for an eligible business shall be equal to $5,000 per year for a period of ten years for each new or retained full-time job determined by the authority pursuant to section 3 of P.L.2011, c.149 (C.34:1B-244) to be located at the qualified business facility, subject to the provisions of this section.

b. In addition to any grant of tax credits determined pursuant to subsection a. of this section, a bonus award of up to an additional $3,000 per job of the amount of the original tax credits may be made to any eligible business as determined by the authority. In making a bonus award to an eligible business, the authority shall consider the following factors, such that whether the business: (1) is an industry identified by the authority as desirable for the State to maintain or attract; (2) locates or relocates to a location within a qualified incentive area adjacent to, or within walking distance or short-distance-shuttle service of, a public transit facility, as determined by the authority, by regulation; (3) creates jobs using full-time employees in eligible positions whose annual salaries, according to the Department of Labor and Workforce Development, are greater than the average full-time salary in this State; or (4) is locating to a project site that is or has been negatively impacted by the approval of a “qualified business facility,” as defined pursuant to section 2 of P.L.2007, c.346 (C.34:1B-208).

c. Notwithstanding the provisions of subsections a. and b. of this section, (1) the amount of tax credits available to be applied by the business annually shall not exceed the lesser of one tenth of the capital investment certified by the authority pursuant to section 6 of P.L.2011, c.149 (C.34:1B-247) or $4,000,000, and (2) the number of new full-time jobs for which a business receives a tax credit shall not exceed the number of retained full-time jobs for which a business receives a tax credit, unless the business qualifies by creating at least 100 new full-time jobs in an industry identified by the authority as desirable for the State to maintain or attract.

C.34:1B-247 Limit on value of approved credits.

6. a. (1) The value of all credits approved by the authority pursuant to P.L.2011, c.149 (C.34:1B-242 et al.) shall not exceed $200,000,000, except that the value of all credits approved by the authority pursuant to this section may exceed $200,000,000 if the board of the authority determines the
credits to be reasonable, justifiable, and appropriate; provided, however, the combined value of all credits approved by the authority pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) and P.L.2011, c.149 (C.34:1B-242 et al.) shall not exceed $1,500,000,000.

(2) A business, including any affiliate of the business or any business that is a tenant within any qualified business facility, shall make or acquire capital investments totaling not less than $20,000,000 in a qualified business facility, at which the business shall employ not fewer than 100 full-time employees to be eligible for a credit pursuant to P.L.2011, c.149. A business that acquires or leases a qualified business facility shall also be deemed to have acquired the capital investment made or acquired by the seller or landlord, as the case may be.

(3) A business shall not be allowed tax credits pursuant to P.L.1996, c.25 (C.34:1B-112 et seq.) or P.L.1996, c.26 (C.34:1B-124 et seq.) relating to the same capital and employees that qualify the business for tax credits pursuant to P.L.2011, c.149. A business that is allowed a tax credit under this section shall not be eligible for incentives authorized pursuant to P.L.2002, c.43 (C.52:27BBB-1 et al.). A business shall not qualify for a tax credit under this section, based upon capital investment and employment of full-time employees, if that capital investment or employment was the basis for which a grant was provided to the business pursuant to the "Urban Transit Hub Tax Credit Act," P.L.2007, c.346 (C.34:1B-207 et seq.).

(4) Full-time employment for an accounting or privilege period shall be determined as the average of the monthly full-time employment for the period.

(5) The capital investment of the owner of a qualified business facility is that percentage of the capital investment made or acquired by the owner of the building that the percentage of net leasable area of the qualified business facility not leased to tenants is of the total net leasable area of the qualified business facility. For a business that is a tenant, the amount of capital investment in a facility that a leased area represents shall be equal to that percentage of the owner's total capital investment in the facility that the percentage of net leasable area leased by the tenant is of the total net leasable area of the qualified business facility. Capital investments made by a tenant shall be deemed to be included in the calculation of the capital investment made or acquired by the owner, but only to the extent necessary to meet the owner's minimum capital investment of $20,000,000. Capital investments made by a tenant and not allocated to meet the owner's minimum capital investment threshold of $20,000,000 shall be added to the amount of capital investment represented by the tenant's leased area in the qualified business facility.
b. A business shall apply for the tax credit prior to July 1, 2014, and shall submit its documentation indicating that it has met the capital investment and employment specified in the project agreement for certification of its credit amount no later than July 28, 2017.

c. (1) The amount of credit allowed shall not exceed the capital investment made by the business or the capital investment represented by the business' leased area, as certified by the authority pursuant to subsection b. of this section, as having met the investment capital and employment qualifications, subject to any reduction or disqualification as provided by subsection d. of this section as determined by annual review by the authority. In conducting its annual review, the authority may require a business to submit any information determined by the authority to be necessary and relevant to its review.

The credit amount for any tax period ending after July 28, 2017, during which the documentation of a business' credit amount remains uncertified shall be forfeited, although credit amounts for the remainder of the years of the 10-year credit period shall remain available to it.

The credit amount that may be taken for a tax period of the business that exceeds the final liabilities of the business for the tax period may be carried forward for use by the business in the next 20 successive tax periods, and shall expire thereafter, provided that the value of all credits approved by the authority against tax liabilities pursuant to P.L.2011, c.149, in any fiscal year shall not exceed $150,000,000 and the combined value of all credits approved by the authority pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) and P.L.2011, c.149 (C.34:1B-242 et al.) shall not exceed $1,500,000,000.

The amount of credit allowed for a tax period to a business that is a tenant in a qualified business facility shall not exceed the business' total lease payments for occupancy of the qualified business facility for the tax period.

(2) A business that is a partnership shall not be allowed a credit under this section directly, but the amount of credit of an owner of a business shall be determined by allocating to each owner of the partnership that proportion of the credit of the business that is equal to the owner of the partnership's share, whether or not distributed, of the total distributive income or gain of the partnership for its tax period ending within or with the owner's tax period, or that proportion that is allocated by an agreement, if any, among the owners of the partnership that has been provided to the Director of the Division of Taxation in the Department of the Treasury by such time and accompanied by such additional information as the director may require.
(3) The amount of credit allowed may be applied against the tax liability otherwise due pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5.

d. (1) If, in any tax period, the business reduces the total number of full-time employees in its Statewide workforce by more than 20 percent from the number of full-time employees in its Statewide workforce in the last tax period prior to the credit amount approval under section 3 of P.L.2011, c.149 (C.34:1B-244), then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the business' Statewide workforce to the threshold levels required by this paragraph has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(2) If, in any tax period, the number of full-time employees employed by the business at the qualified business facility located within a qualified incentive area drops below 100 or 80 percent of the number of new and retained full-time jobs specified in the project agreement, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the number of full-time employees employed by the business at the qualified business facility to 100.

(3) (a) If the qualified business facility is sold in whole or in part during the 10-year eligibility period the new owner shall not acquire the capital investment of the seller and the seller shall forfeit all credits for the tax period in which the sale occurs and all subsequent tax periods, provided however that any credits of tenants shall remain unaffected.

(b) If a tenant subleases its tenancy in whole or in part during the 10-year eligibility period the new tenant shall not acquire the credit of the sublessor, and the sublessor tenant shall forfeit all credits for the tax period of its sublease and all subsequent tax periods.

C.34:1B-248 Application for tax credit transfer certificate.

7. A business may apply to the Director of the Division of Taxation in the Department of the Treasury and the chief executive officer of the authority for a tax credit transfer certificate, covering one or more years, in lieu of the business being allowed any amount of the credit against the tax liability of the business. The tax credit transfer certificate, upon receipt thereof by the business from the director and the chief executive officer of the authority,
may be sold or assigned, in full or in part, to any other person that may have a tax liability pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5. The certificate provided to the business shall include a statement waiving the business's right to claim that amount of the credit against the taxes that the business has elected to sell or assign. The sale or assignment of any amount of a tax credit transfer certificate allowed under this section shall not be exchanged for consideration received by the business of less than 75 percent of the transferred credit amount. Any amount of a tax credit transfer certificate used by a purchaser or assignee against a tax liability shall be subject to the same limitations and conditions that apply to the use of the credit by the business that originally applied for and was allowed the credit.

C.34:1B-249 Rules, regulations adopted by chief executive officer, authority.

8. a. The chief executive officer of the authority, in consultation with the Director of the Division of Taxation in the Department of the Treasury, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to implement P.L.2011, c.149 (C.34:1B-242 et al.), including but not limited to: examples of and the determination of capital investment; the enumeration of qualified incentive areas; specific delineation of these incentive areas; the determination of the limits, if any, on the expense or type of furnishings that may constitute capital improvements; the promulgation of procedures and forms necessary to apply for a tax credit, including the enumeration of the certification procedures and allocation of tax credits for different phases of a qualified business facility; and provisions for tax credit applicants to be charged an initial application fee, and ongoing service fees, to cover the administrative costs related to the tax credit.

b. Through regulation, the authority shall establish standards by which qualified business facilities shall be constructed or renovated based on the green building manual prepared by the Commissioner of Community Affairs pursuant to section 1 of P.L.2007, c.132 (C.52:27D-130.6), regarding the use of renewable energy, energy-efficient technology, and non-renewable resources in order to reduce environmental degradation and encourage long-term cost reduction.

(4) A business shall not be allowed tax credits under this section if the business participates in a business employment incentive grant relating to the same capital and employees that qualify the business for this credit, or if the business receives assistance pursuant to P.L. 1996, c. 25 (C. 34: 1B-112 et seq.). A business that is allowed a tax credit under this section shall not be eligible for incentives authorized pursuant to P.L. 2002, c. 43 (C. 52: 27BBB-1 et al.). A business shall not qualify for a tax credit under this section, based upon capital investment and employment of full-time employees, if that capital investment or employment was the basis for which a grant was provided to the business pursuant to the "InvestNJ Business Grant Program Act," P.L. 2008, c. 112 (C. 34: 1B-237 et seq.).
(5) Full-time employment for an accounting or privilege period shall be determined as the average of the monthly full-time employment for the period.

(6) The capital investment of the owner of a qualified business facility is that percentage of the capital investment made or acquired by the owner of the building that the percentage of net leasable area of the qualified business facility not leased to tenants is of the total net leasable area of the qualified business facility.

(7) A business shall be allowed a tax credit of 100 percent of its capital investment, made after the effective date of P.L.2011, c.89 but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified business facility that is part of a mixed use project, provided that (a) the qualified business facility represents at least $17,500,000 of the total capital investment in the mixed use project, (b) the business employs not fewer than 250 full-time employees in the qualified business facility, and (c) the total capital investment in the mixed use project of which the qualified business facility is a part is not less than $50,000,000. The allowance of credits under this paragraph shall be subject to the restrictions and requirements, to the extent that those are not inconsistent with the provisions of this paragraph, set forth in paragraphs (1) through (6) of this subsection, including but not limited to the requirement that the business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified business facility will yield a net positive benefit to both the State and the eligible municipality.

(8) In determining whether a proposed capital investment will yield a net positive benefit, the authority shall not consider the transfer of an existing job from one location in the State to another location in the State as the creation of a new job, unless (a) the business proposes to transfer existing jobs to a municipality in the State as part of a consolidation of business operations from two or more other locations that are not in the same municipality whether in-State or out-of-State, or (b) the business's chief executive officer, or equivalent officer, submits a certification to the authority indicating that the existing jobs are at risk of leaving the State and that the business's chief executive officer, or equivalent officer, has reviewed the information submitted to the authority and that the representations contained therein are accurate, and the business intends to employ not fewer than 500 full-time employees in the qualified business facility. In the event that this certification by the business's chief executive officer, or equivalent officer, is found to be willfully false, the authority may revoke any award of tax credits in their entirety, which revocation shall be in addition to any other criminal or civil penalties that the business and the officer may be subject
When considering an application involving intra-State job transfers, the authority shall require the company to submit the following information as part of its application: a full economic analysis of all locations under consideration by the company; all lease agreements, ownership documents, or substantially similar documentation for the business's current in-State locations; and all lease agreements, ownership documents, or substantially similar documentation for the potential out-of-State location alternatives, to the extent they exist. Based on this information, and any other information deemed relevant by the authority, the authority shall independently verify and confirm, by way of making a factual finding by separate vote of the authority's board, the business's assertion that the jobs are actually at risk of leaving the State, before a business may be awarded any tax credits under this section.

b. A business shall apply for the credit within five years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.), and shall submit its documentation for approval of its credit amount within eight years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.).

c. (1) The amount of credit allowed shall, except as otherwise provided, be equal to the capital investment made by the business, or the capital investment represented by the business' leased area, or area owned by the business as a condominium, and shall be taken over a 10-year period, at the rate of one-tenth of the total amount of the business' credit for each tax accounting or privilege period of the business, beginning with the tax period in which the business is first certified by the authority as having met the investment capital and employment qualifications, subject to any reduction or disqualification as provided by subsection d. of this section as determined by annual review by the authority. In conducting its annual review, the authority may require a business to submit any information determined by the authority to be necessary and relevant to its review.

The credit amount for any tax period ending after the date eight years after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.) during which the documentation of a business' credit amount remains uncertified shall be forfeited, although credit amounts for the remainder of the years of the 10-year credit period shall remain available to it.

The credit amount that may be taken for a tax period of the business that exceeds the final liabilities of the business for the tax period may be carried forward for use by the business in the next 20 successive tax periods, and shall expire thereafter, provided that the value of all credits approved by the authority against tax liabilities pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) in any fiscal year shall not exceed $150,000,000.
The amount of credit allowed for a tax period to a business that is a tenant in a qualified business facility shall not exceed the business' total lease payments for occupancy of the qualified business facility for the tax period.

(2) A business that is a partnership shall not be allowed a credit under this section directly, but the amount of credit of an owner of a business shall be determined by allocating to each owner of the partnership that proportion of the credit of the business that is equal to the owner of the partnership's share, whether or not distributed, of the total distributive income or gain of the partnership for its tax period ending within or with the owner's tax period, or that proportion that is allocated by an agreement, if any, among the owners of the partnership that has been provided to the Director of the Division of Taxation in the Department of the Treasury by such time and accompanied by such additional information as the director may require.

(3) The amount of credit allowed may be applied against the tax liability otherwise due pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5.

d. (1) If, in any tax period, fewer than 200 full-time employees of the business at the qualified business facility are employed in new full-time positions, the amount of the credit otherwise determined pursuant to final calculation of the award of tax credits pursuant to subsection c. of this section shall be reduced by 20 percent for that tax period and each subsequent tax period until the first period for which documentation demonstrating the restoration of the 200 full-time employees employed in new full-time positions at the qualified business facility has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed; provided, however, that for businesses applying before January 1, 2010, there shall be no reduction if a business relocates to an urban transit hub from another location or other locations in the same municipality. For the purposes of this paragraph, a "new full-time position" means a position created by the business at the qualified business facility that did not previously exist in this State.

(2) If, in any tax period, the business reduces the total number of full-time employees in its Statewide workforce by more than 20 percent from the number of full-time employees in its Statewide workforce in the last tax accounting or privilege period prior to the credit amount approval under subsection a. of this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the business'
Statewide workforce to the threshold levels required by this paragraph has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(3) If, in any tax period, (a) the number of full-time employees employed by the business at the qualified business facility located in an urban transit hub within an eligible municipality drops below 250, or (b) the number of full-time employees, who are not the subject of intra-State job transfers, pursuant to paragraph (8) of subsection a. of this section, employed by the business at any other business facility in the State, whether or not located in an urban transit hub within an eligible municipality, drops by more than 20 percent from the number of full-time employees in its workforce in the last tax accounting or privilege period prior to the credit amount approval under this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the number of full-time employees employed by the business at the qualified business facility to 250 or an increase above the 20 percent reduction has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(4) (i) If the qualified business facility is sold in whole or in part during the 10-year eligibility period the new owner shall not acquire the capital investment of the seller and the seller shall forfeit all credits for the tax period in which the sale occurs and all subsequent tax periods, provided however that any credits of tenants shall remain unaffected.

(ii) If a tenant subleases its tenancy in whole or in part during the 10-year eligibility period the new tenant shall not acquire the credit of the sublessor, and the sublessor tenant shall forfeit all credits for the tax period of its sublease and all subsequent tax periods.

e. (1) The Executive Director of the New Jersey Economic Development Authority, in consultation with the Director of the Division of Taxation in the Department of the Treasury, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to implement this act, including but not limited to: examples of and the determination of capital investment; the enumeration of eligible municipalities; specific delineation of urban transit hubs; the determination of the limits, if any, on the expense or type of furnishings that may constitute capital improvements; the promulgation of procedures and forms necessary to apply for a credit, including the enumeration of the certification procedures and allocation of tax credits for different phases of a qualified business facility or mixed use project; and provisions for credit appli-

(2) Through regulation, the Economic Development Authority shall establish standards based on the green building manual prepared by the Commissioner of Community Affairs pursuant to section 1 of P.L.2007, c.132 (C.52:27D-130.6), regarding the use of renewable energy, energy-efficient technology, and non-renewable resources in order to reduce environmental degradation and encourage long-term cost reduction.

CHAPTER 154

AN ACT concerning unemployment insurance benefits, amending P.L.2007,
c.212 and R.S.43:21-4 and supplementing chapter 21 of Title 43 of the
Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

C.43:21-20.3 Definitions relative to unemployment insurance benefits.
1. For the purposes of this act:
   “Division” means the Division of Unemployment and Temporary Dis-
ability Insurance of the Department of Labor and Workforce Development.
   “Full-time hours” means not less than 30 and not more than 40 hours
per week.
   “Shared work employer” means an employer who is providing a shared
work program approved by the division pursuant to section 2 of this act.
   “Short-time benefits” means benefits that are intended to be in lieu of
temporary layoffs and provided pursuant to sections 1 through 9 of this act.

C.43:21-20.4 Application to provide shared work program.
2. An employer who has not less than 10 employees, who are each
employed for not less than 1,500 hours per year, may apply to the division
for approval to provide a shared work program, the purpose of which is to stabilize the employer’s work force during a period of economic disruption by permitting the sharing of the work remaining after a reduction in total hours of work. Any subsidizing of seasonal employment during off season, of employers who traditionally use part-time employees, or of temporary part-time or intermittent employment on an ongoing basis, is contrary to the purpose of a shared work program approved pursuant to this act. The application for a shared work program shall be made according to procedures and on forms specified by the division and shall include whatever information the division requires. The division may approve the program for a period of one year and may, upon employer request, renew the approval of the program annually. The division shall not approve an application unless the employer:

a. Certifies to the division that it will not hire additional part-time or full-time employees while short-time benefits are being paid;

b. Agrees with the division not to reduce health insurance or pension coverage, paid time off, or other benefits provided to participating employees before the application was made, or make unreasonable revisions of workforce productivity standards;

c. Certifies to the division that any collective bargaining agent representing the employees has entered into a written agreement with the employer regarding the terms of the program, including terms regarding attendance in training programs while receiving short-time benefits, and provides a copy of the agreement to the division; and

d. Agrees to provide the division with whatever information the division deems necessary to administer the shared work program and monitor compliance with all agreements and certifications required pursuant to this section.

C.43:21-20.5 Revocation of approval.

3. The division may revoke approval of an employer’s application previously granted for good cause shown, including any failure to comply with any agreement or certification required pursuant to section 2 of this act or other conduct or occurrences which the division determines to defeat the purpose, intent and effective operation of a shared work program.

C.43:21-20.6 Eligibility for short-time benefits.

4. An individual who is employed by an employer with a shared work program approved by the division shall be eligible for short-time benefits during a week if:
a. The individual was employed by the employer for not less than 1,500 hours during the individual’s base year;
b. The individual works for the employer less than the individual’s normal full-time hours during the week, and the employer has reduced the individual’s weekly hours of work pursuant to a shared work program approved by the division pursuant to section 2 of this act;
c. The percentage of the reduction of the individual’s work hours below the individual’s normal full-time hours during a week is not less than 10%, with a corresponding reduction of wages;
d. The individual would be eligible for unemployment benefits other than short-time benefits during the week, if the individual was entirely unemployed during that week and applied for unemployment benefits other than short-time benefits; and
e. During the week, the individual is able to work and is available to work the individual’s normal full-time hours for the shared work employer or is attending a training program which is in compliance with the provisions of paragraph (4) of subsection (c) of R.S.43:21-4 and the agreements and certifications required pursuant to the provisions of section 2 of this act.

5. The amount of short-time benefits paid to an eligible individual shall, for any week, be equal to the individual’s weekly benefit rate multiplied by the percentage of reduction of his wages resulting from reduced hours of work. The weekly benefit amount shall be rounded off to the nearest dollar. An individual shall not be paid short-time benefits in excess of 26 weeks during a benefit year, but the weeks may be nonconsecutive. An individual shall not receive short-time benefits during any benefit week in which the individual receives any other unemployment benefits.

Total unemployment benefits paid to an individual during any benefit year, including short-time benefits and all other unemployment benefits, shall not exceed the maximum amount to which the individual is entitled for all unemployment benefits other than short-time benefits.

C.43:21-20.8 Beginning of payment of benefits.
6. A shared work program and payment of short-time benefits to individuals under the program shall begin with the first week following approval of an application by the division or the first week specified by the employer, whichever is later.
C.43:21-20.9 Benefits paid charged to employer's account.
7. All short-time benefits paid to an individual shall be charged to the account of the shared work employer by which the individual is employed while receiving the short-time benefits. If the shared work employer is liable for payments in lieu of contributions in the case of other unemployment benefits, that employer shall be liable for payments in lieu of contributions for the entire amount of the short-time benefits paid.

8. The Commissioner of Labor and Workforce Development, three years after the effective date of this act, shall submit a report to the Legislature assessing the implementation of this act and its impact on the State Unemployment Compensation Fund, evaluating the effectiveness of shared work programs approved by the division pursuant to this act, and making any recommendations for appropriate legislative or administrative action necessary to further the purposes of this act.

C.43:21-20.11 Law inoperative if in violation of federal law.
9. If the United States Department of Labor finds any provision of this act to be in violation of federal law, all provisions of this act shall be inoperative.

10. Section 5 of P.L.2007, c.212 (C.34:21-5) is amended to read as follows:

C.34:21-5 Establishment of response team.
5. a. There is established, in the Department of Labor and Workforce Development, a response team. The purpose of the response team is to provide appropriate information, referral and counseling, as rapidly as possible, to workers who are, or may be, subject to plant closings or mass layoffs, and the management of establishments where those workers are or were employed.

b. In the case of each transfer or termination of the operations in an establishment which results in the termination of 50 or more employees, the response team shall:

(1) Offer to meet with the representatives of the management of the establishment to discuss available public programs which may make it possible to delay or prevent the transfer or termination of operations, including economic development incentive and workforce development programs, shared work unemployment compensation benefit programs, and coordinated utilization of any of those programs which are applicable;
(2) Meet on site with workers and provide information, referral and counseling regarding:
   (a) Available public programs which may make it possible to delay or prevent the transfer or termination of operations, including economic development incentive and workforce development programs, shared work unemployment compensation benefit programs, and coordinated utilization of any of those programs which are applicable;
   (b) Public programs or benefits which may be available to assist the employees, including, but not limited to, unemployment compensation benefits, job training or retraining programs, and job search assistance; and
   (c) Employee rights based on this act or any other law which applies to the employees with respect to wages, severance pay, benefits, pensions or other terms of employment as they relate to the termination of employment; and

(3) Seek to facilitate cooperation between representatives of the management and employees at the establishment to most effectively utilize available public programs which may make it possible to delay or prevent the transfer or termination of operations or to assist employees if it is not possible to prevent the termination.

11. R.S.43:21-4 is amended to read as follows:

Benefit eligibility conditions.

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week eligible only if:

(a) The individual has filed a claim at an unemployment insurance claims office and thereafter continues to report at an employment service office or unemployment insurance claims office, as directed by the division in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided that no such regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R.S.43:21-6.

(c)(1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.
(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual's own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual's control.

(4) (A) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual's employment opportunities or because the individual failed or refused to accept work while attending such program.

(B) For the purpose of this paragraph (4), any training program shall be regarded as approved by the division for the individual if the program and the individual meet the following requirements:

(i) The training is for a labor demand occupation and is likely to enhance the individual's marketable skills and earning power, except that the training may be for an occupation other than a labor demand occupation if the individual is receiving short-time benefits pursuant to the provisions of P.L.2011, c.154 (C.43:21-20.3 et al.) and the training is necessary to prevent a likely loss of jobs;

(ii) The training is provided by a competent and reliable private or public entity approved by the Commissioner of Labor and Workforce Development pursuant to the provisions of section 8 of the "1992 New Jersey Employment and Workforce Development Act," P.L.1992, c.43 (C.34:15D-8);

(iii) The individual can reasonably be expected to complete the program, either during or after the period of benefits;

(iv) The training does not include on the job training or other training under which the individual is paid by an employer for work performed by the individual during the time that the individual receives benefits; and

(v) The individual enrolls in vocational training, remedial education or a combination of both on a full-time basis, except that the training or education may be on a part-time basis if the individual is receiving short-time benefits pursuant to the provisions of P.L.2011, c.154 (C.43:21-20.3 et al.).

(C) If the requirements of subparagraph (B) of this paragraph (4) are met, the division shall not withhold approval of the training program for the individual for any of the following reasons:
(i) The training includes remedial basic skills education necessary for the individual to successfully complete the vocational component of the training;

(ii) The training is provided in connection with a program under which the individual may obtain a college degree, including a post-graduate degree;

(iii) The length of the training period under the program; or

(iv) The lack of a prior guarantee of employment upon completion of the training.

(D) For the purpose of this paragraph (4), "labor demand occupation" means an occupation for which there is or is likely to be an excess of demand over supply for adequately trained workers, including, but not limited to, an occupation designated as a labor demand occupation by the Center for Occupational Employment Information pursuant to the provisions of subsection d. of section 27 of P.L.2005, c.354 (C.34:1A-86).

(5) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance before a court in response to a summons for service on a jury.

(6) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance at the funeral of an immediate family member, provided that the duration of the attendance does not extend beyond a two-day period.

For purposes of this paragraph, "immediate family member" includes any of the following individuals: father, mother, mother-in-law, father-in-law, grandmother, grandfather, grandchild, spouse, child, child placed by the Division of Youth and Family Services in the Department of Children and Families, sister or brother of the unemployed individual and any relatives of the unemployed individual residing in the unemployed individual's household.

(7) No individual, who is otherwise eligible, shall be deemed ineligible or unavailable for work with respect to any week because, during that week, the individual fails or refuses to accept work while the individual is participating on a full-time basis in self-employment assistance activities authorized by the division, whether or not the individual is receiving a self-employment allowance during that week.

(8) Any individual who is determined to be likely to exhaust regular benefits and need reemployment services based on information obtained by the worker profiling system shall not be eligible to receive benefits if the individual fails to participate in available reemployment services to which the individual is referred by the division or in similar services, unless the division determines that:
(A) The individual has completed the reemployment services; or

(B) There is justifiable cause for the failure to participate, which shall include participation in employment and training, self-employment assistance activities or other activities authorized by the division to assist reemployment or enhance the marketable skills and earning power of the individual and which shall include any other circumstance indicated pursuant to this section in which an individual is not required to be available for and actively seeking work to receive benefits.

(9) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's work as a board worker for a county board of elections on an election day.

(10) An individual who is employed by a shared work employer and is otherwise eligible for benefits shall not be deemed ineligible for short-time benefits because the individual is unavailable for work with employers other than the shared work employer, so long as:

(A) The individual is able to work and is available to work the individual's normal full-time hours for the shared work employer; or

(B) The individual is attending a training program which is in compliance with the provisions of paragraph (4) of subsection (c) of this section and the agreements and certifications required pursuant to the provisions of section 2 of P.L.2011, c.154 (C.43:21-20.4).

(d) With respect to any benefit year commencing before January 1, 2002, the individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided that the requirements of this paragraph shall be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) If it has constituted a waiting period week under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(3) Unless the individual fulfills the requirements of subsections (a) and (c) of this section;

(4) If with respect thereto, claimant was disqualified for benefits in accordance with the provisions of subsection (d) of R.S.43:21-5.
The waiting period provided by this subsection shall not apply to benefit years commencing on or after January 1, 2002. An individual whose total benefit amount was reduced by the application of the waiting period to a claim which occurred on or after January 1, 2002 and before the effective date of P.L.2002, c.13, shall be permitted to file a claim for the additional benefits attributable to the waiting period in the form and manner prescribed by the division, but not later than the 180th day following the effective date of P.L.2002, c.13 unless the division determines that there is good cause for a later filing.

a. Ovarian cancer causes more deaths than any other cancer of the female reproductive system; it ranks fourth as a cause of cancer deaths among women in the United States;

b. In the United States, from 1993 to 1997, the rate of new cases of ovarian cancer was 14.6 and the rate of mortality from ovarian cancer was 7.3 for every 100,000 women; in New Jersey, during the same period, the rate of new cases of ovarian cancer was 16.1 and the rate of mortality was 8.6 for every 100,000 women;

c. When ovarian cancer is found and treated in its earliest stages, the five-year survival rate is 95%; however, most women who suffer from ovarian cancer are not diagnosed until the later stages of the cancer when the disease has spread and the five-year survival rate decreases to 30%;

d. More than half of the deaths from ovarian cancer occur in women between the ages of 55 and 74 years of age and approximately one quarter of ovarian cancer deaths occur in women between 35 and 54 years of age;

e. Because early detection and treatment often mean the difference between life and death, it is important to increase awareness of the factors that put certain women at a higher risk for the disease: increased age; having a personal history of breast cancer or a family history of breast, ovarian, uterine, colon or other gastrointestinal cancers; and bearing no children;
f. The symptoms of ovarian cancer include: general abdominal discomfort or pain, such as gas, indigestion, pressure, swelling, bloating or cramps; nausea, diarrhea, constipation or frequent urination; loss of appetite; feeling of fullness after a light meal; weight gain or loss with no known reason; and abnormal bleeding from the vagina;
g. Because these symptoms are vague and non-specific, women and their physicians often attribute them to more common conditions so that by the time the cancer is diagnosed the tumor has often spread beyond the ovaries; and
h. Although development of a screening test to detect ovarian cancer remains a very active area of research, currently there is no definitive prevention strategy, but having regular pelvic examinations may decrease the overall risk of dying from ovarian cancer.

C.26:2-184.2 Establishment of public awareness campaign.
2. a. The Commissioner of Health and Senior Services shall establish a public awareness campaign to inform the general public about the clinical significance of ovarian cancer and its public health implications. The campaign shall include, at a minimum, risk factors, symptoms, the need for early detection and methods of treatment.
   b. The commissioner shall, at a minimum:
      (1) provide for the development of printed educational materials and public service announcements in English and Spanish; and
      (2) disseminate information for distribution to the public, through a variety of entities, including, but not limited to, local health agencies and clinics, physicians, health care facilities, county offices on aging, pharmacies, libraries, senior citizen centers, other community-based outreach programs and organizations, and the Department of Health and Senior Services' official website.

3. This act shall take effect immediately.

Approved January 5, 2012.
C.18A:46-13.2 Findings, declarations relative to the use of service animals by certain students.

1. The Legislature finds and declares that: service animals have a long history of performing crucial tasks and fulfilling a significant role in the daily activities of many people with physical disabilities; in addition to their traditional roles, service animals can be trained to be a calming influence and provide a connection to the familiar in unfamiliar surroundings for students with autism or other developmental disabilities; under the federal Americans with Disabilities Act of 1990, service animals are permitted in schools, other public areas, and places of public accommodation; allowing a student with autism or other disability to bring a service animal to class and on school grounds will enhance the learning process and help the student reach his full academic potential.

C.18A:46-13.3 Permitted access for service animals in school buildings.

2. a. A student with a disability, including autism, shall be permitted access for a service animal in school buildings, including the classroom, and on school grounds.

   b. A school official may inquire as to whether the service animal is required due to a disability and what task or work the service animal has been trained to perform, unless the student’s disability and the work or task that the service animal will perform are readily apparent. A school official may require: (1) certification from a veterinarian that the service animal is properly vaccinated and does not have a contagious disease that may harm students or staff; and (2) documentation that any license required by the municipality in which the student resides has been obtained for the service animal.

   c. The service animal shall be under a handler’s control at all times by use of a leash, tether, voice control, signal, or other suitable means. The school shall not be responsible or liable for the care or supervision of the service animal. The school shall provide reasonable accommodations to allow the handler to provide for the care and feeding of the service animal while on school grounds or at a school function.

3. This act shall take effect immediately.

Approved January 5, 2012.

CHAPTER 157

AN ACT establishing the New Jersey Multiple Sclerosis Task Force.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Multiple sclerosis (MS) is a chronic, often disabling disease that attacks the central nervous system, which is comprised of the brain, spinal cord, and optic nerves. It is a disease in which the body, through its immune system, launches a defensive and damaging attack against its own tissues. MS damages the nerve-insulating myelin sheath that surrounds and protects the brain. The damage to the myelin sheath slows down or blocks messages between the brain and the body;
   b. Most people experience their first symptoms of MS between the ages of 20 and 40. MS symptoms can include visual disturbances, muscle weakness, trouble with coordination and balance, sensations such as numbness, prickling or "pins and needles," and thought and memory problems. MS patients can also experience partial or complete paralysis, speech impediments, tremors, dizziness, stiffness and spasms, fatigue, paresthesias, pain, and loss of sensation;
   c. The cause of MS remains unknown; however, having a first-degree relative, such as a parent or sibling, with MS significantly increases a person's risk of developing the disease. According to the National Institute of Neurological Disorders and Stroke, it is estimated that there are approximately 250,000 to 350,000 persons in the United States who are diagnosed with MS. This estimate suggests that approximately 200 new cases are diagnosed each week;
   d. Presently there is no cure for MS. While some scientists look for therapies that will affect the overall course of the disease, others search for new and better medications to control the symptoms of MS without triggering intolerable side effects; and
   e. Therefore, it is in the public interest for the State to establish a Multiple Sclerosis Task Force in order to identify and address the unmet needs of persons with MS, and develop ways to enhance their quality of life.

2. a. There is established the New Jersey Multiple Sclerosis Task Force in the Department of Health and Senior Services.
   The purpose of the task force shall be to:
   (1) develop strategies to identify and address the unmet needs of persons with MS in order to enhance the quality of life of persons with MS by
maximizing productivity and independence, and addressing emotional, social, and vocational challenges of persons with MS; and

(2) develop strategies to provide persons with MS greater access to various treatments and other therapeutic options that may be available.

b. The task force shall consist of 14 members as follows:

(1) the Commissioners of Health and Senior Services and Human Services, or their designees, who shall serve ex officio;

(2) eight public members, who shall be appointed by the Governor as follows: two neurologists licensed to practice medicine in this State; one person upon the recommendation of the National Multiple Sclerosis Society-New Jersey Metro Chapter; one person upon the recommendation of the National Multiple Sclerosis Society-Greater Delaware Valley Chapter; two persons who represent agencies that provide services or support to individuals with MS in this State; and two persons who have MS; and

(3) four public members with demonstrated expertise in issues relating to the work of the task force, one each to be appointed by the President of the Senate, the Senate Minority Leader, the Speaker of the General Assembly, and the Assembly Minority Leader. Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

c. The task force shall organize within 120 days following the appointment of a majority of its members and shall select a chairperson and vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the task force.

d. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

e. The task force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

f. The task force may meet and hold hearings as it deems appropriate.

g. The Department of Health and Senior Services shall provide staff support to the task force.

3. The task force shall report its findings and recommendations to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-9.1), along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than 12 months after the initial meeting of the task force.
4. This act shall take effect immediately and shall expire upon the issuance of the task force report.

Approved January 5, 2012.

C.52:17B-68 Authority to require training of police officers prior to permanent appointment; exception.

a. Every municipality and county shall authorize attendance at an approved school by persons holding a probationary appointment as a police officer, and every municipality and county shall require that no person shall hereafter be given or accept a permanent appointment as a police officer unless such person has successfully completed a police training course at an approved school; provided, however, that the commission may, in its discretion, except from the requirements of this section any person who demonstrates to the commission's satisfaction that he has successfully completed a police training course conducted by any Federal, State or other public or private agency, the requirements of which are substantially equivalent to the requirements of this act.

b. A police officer who is terminated from an agency for reasons of economy or efficiency shall be granted an exemption or waiver from retaking the basic training course if, within five years from the date of termination, the police officer is appointed to a similar law enforcement position in another agency or is reemployed by the agency from which he was terminated.

f. In order to facilitate and promote increased awareness of, or compliance with, registry program requirements, the department shall: (1) post information about the registry program and its requirements in a conspicuous place on the department's Internet website; and (2) develop and disseminate informational materials, including, but not limited to, pamphlets and posters, which identify the program's requirements, any relevant compliance deadlines, the available methods for attaining compliance, the penalties for non-compliance, and any other relevant program details.

In disseminating the materials developed pursuant to this subsection, the department shall provide informational pamphlets or other appropriate materials to the State's conservation officers, for distribution to individuals engaged in recreational fishing activities; and it shall provide informational posters, signs, pamphlets, and other appropriate materials to the State’s bait and tackle shops, for display therein, and for distribution to bait and tackle consumers.

g. Any non-resident of New Jersey who is engaged in recreational fishing activities in this State shall be exempt from compliance with the State’s registry program requirements if the person is registered under another state’s registry program and the state in which the person is registered provides reciprocal exemption from its own registration requirements for persons who are registered under this State’s registry program.

CHAPTER 160, LAWS OF 2011

CHAPTE R 160

AN ACT concerning certain financial agreements and supplementing P.L.1992, c.65 (C.17B:32-31 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17B:32-92 Rights relative to certain financial agreements; terms defined.

1. a. (1) Notwithstanding any other provision of the “Life and Health Insurers Rehabilitation and Liquidation Act,” P.L.1992, c.65 (C.17B:32-31 et seq.) to the contrary, a person shall not be stayed or prohibited from exercising:

(a) A contractual right to cause the termination, liquidation, acceleration or close out of any obligation under or in connection with a netting agreement or qualified financial contract with an insurer because of: (i) the insolvency, financial condition or default of the insurer at any time, provided that the right is enforceable under applicable law other than the provisions of P.L.1992, c.65 (C.17B:32-31 et seq.); or (ii) the commencement of a formal delinquency proceeding under P.L.1992, c.65 (C.17B:32-31 et seq.);

(b) Any right under a security arrangement relating to one or more netting agreements or qualified financial contracts; or

(c) Subject to subsection b. of section 29 of P.L.1992, c.65 (C.17B:32-59), any right to setoff or net out any termination value, payment amount, or other transfer obligation arising under or in connection with one or more netting agreements or qualified financial contracts where the counterparty or its guarantor is organized under the laws of the United States, a state, or a foreign jurisdiction approved by the Securities Valuation Office of the National Association of Insurance Commissioners as eligible for netting.

(2) If a counterparty to a master netting agreement or a qualified financial contract with an insurer subject to a proceeding under P.L.1992, c.65 (C.17B:32-31 et seq.) terminates, liquidates, closes out or accelerates the agreement or contract, damages shall be measured as of the date or dates of termination, liquidation, close out or acceleration. The amount of a claim for damages shall be actual direct compensatory damages.

b. Upon termination of a netting agreement or qualified financial contract, the net or settlement amount, if any, owed by a non-defaulting party to an insurer against which a petition has been filed pursuant to P.L.1992, c.65 (C.17B:32-31 et seq.) shall be transferred to the receiver for the insurer or as directed by the receiver for the insurer, even if the insurer is the de-
faulting party, notwithstanding any walkaway clause in the netting agreement or qualified financial contract. Any limited two-way payment or first method provision in a netting agreement or qualified financial contract with an insurer that has defaulted shall be deemed to be a full two-way payment or second method provision as against the defaulting insurer. Any such net or settlement amount shall, except to the extent it is subject to one or more secondary liens or encumbrances or rights of netting or setoff, be an asset of the insurer.

c. In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under P.L.1992, c.65 (C.17B:32-31 et seq.), the receiver shall either:

(1) Transfer to one party, other than an insurer subject to a proceeding under P.L.1992, c.65 (C.17B:32-31 et seq.), all netting agreements and qualified financial contracts between a counterparty or any affiliate of such counterparty and the insurer that is the subject of the proceeding, including: (a) all rights and obligations of each party under each such netting agreement and qualified financial contract; and (b) all property, including any guarantees or credit support documents, securing any claims of each party under each such netting agreement and qualified financial contract; or

(2) Transfer none of the netting agreements, qualified financial contracts, rights, obligations, or property referred to in subparagraph (b) of paragraph (1) of this subsection with respect to such counterparty and any affiliate of such counterparty.

d. If a receiver for an insurer makes a transfer of one or more netting agreements or qualified financial contracts, then the receiver shall use his or her best efforts to notify any person who is party to the netting agreements or qualified financial contracts of the transfer by 12 o’clock noon, the receiver’s local time, on the business day following the transfer. For purposes of this subsection, “business day” means a day other than a Saturday, a Sunday, or any day on which either the New York Stock Exchange or the Federal Reserve Bank of New York is closed.

e. Notwithstanding any other provision of P.L.1992, c.65 (C.17B:32-31 et seq.), a receiver may not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract or any security arrangement relating to a netting agreement or qualified financial contract that is made before the commencement of a formal delinquency proceeding under P.L.1992, c.65 (C.17B:32-31 et seq.), except that a transfer may be avoided under section 25 of P.L.1992, c.65 (C.17B:32-55) if the transfer was made with actual intent to hinder, delay,
or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

f. (1) In exercising any rights of disaffirmance or repudiation of a receiver with respect to any netting agreement or qualified financial contract to which an insurer is a party, the receiver for the insurer shall either: (a) disaffirm or repudiate all netting agreements and qualified financial contracts between a counterparty or any affiliate of that counterparty and the insurer that is the subject of the proceeding; or (b) disaffirm or repudiate none of the netting agreements and qualified financial contracts referred to in subparagraph (a) of this paragraph with respect to that person or any affiliate of that person.

(2) Notwithstanding any other provision of P.L.1992, c.65 (C.17B:32-31 et seq.), any claim of a counterparty against the estate arising from the receiver's disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation proceeding or in the immediately preceding rehabilitation proceeding shall be determined and shall be allowed or disallowed: (a) as if the claim had arisen before the date of the filing of the petition for liquidation; or (b) if a rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for rehabilitation.

(3) The amount of the claim identified in paragraph (2) of this subsection shall be the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract.

g. All rights of a counterparty under this section shall apply to a netting agreement and a qualified financial contract entered into on behalf of, or allocated to:

(1) the general account of the insurer; or

(2) a separate account of the insurer if the assets of the separate account are available only to a counterparty to a netting agreement and a qualified financial contract entered into on behalf of, or allocated to, that separate account.

h. As used in this section:

(1) "Actual direct compensatory damages" includes normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivatives market for the contract and agreement claims, but does not include punitive and exemplary damages, damages for lost profit or lost opportunity, or damages for pain and suffering.

(2) "Commodity contract" means any of the following:

(c) An agreement or transaction that is subject to regulation under subsection 4c(b) of the “Commodity Exchange Act,” 7 U.S.C. s.6c(b), and that is commonly known to the commodities trade as a commodity option;

(d) Any combination of the agreements or transactions referred to in this paragraph; or

(e) Any option to enter into an agreement or transaction referred to in this paragraph.

(3) “Contractual right” includes any right set forth in a rule or bylaw of a derivatives clearing organization as defined in the “Commodity Exchange Act,” 7 U.S.C. s.1a(9), a multilateral clearing organization as defined in the “Federal Deposit Insurance Corporation Improvement Act of 1991,” 12 U.S.C. s.4421(1), a national securities exchange, a national securities association, a securities clearing agency, or a contract market designated under the “Commodity Exchange Act,” 7 U.S.C. s.1 et seq., a swap execution facility registered under the “Commodity Exchange Act,” 7 U.S.C. s.1 et seq., or a board of trade as defined in the “Commodity Exchange Act,” 7 U.S.C. s.1a(2), or in a resolution of the governing board thereof, and any right, whether or not evidenced in writing, arising under statutory or common law, or under law merchant, or by reason of normal business practice.

(4) “Forward contract” means the same as the term is defined in the “Federal Deposit Insurance Act,” 12 U.S.C. s.1821(e)(8)(D).

(5) “Netting agreement” means:

(a) A contract or agreement, including the terms and conditions incorporated by reference in such contract or agreement, including a master agreement, which master agreement, together with all schedules, confirmations, definitions and addenda thereto and transactions under any thereof, shall be treated as one netting agreement, that documents one or more transactions between the parties to the agreement for or involving one or more qualified financial contracts and that provides for the netting, setoff, liquidation, termination, acceleration or close out, under or in connection with one or more qualified financial contracts or present or future payment
or delivery obligations or payment or delivery entitlements thereunder, including liquidation or close-out values relating to such obligations or entitlements, among the parties to the netting agreement;

(b) Any master agreement or bridge agreement for one or more master agreements described in subparagraph (a) of this paragraph; or

(c) Any security arrangement related to one or more contracts or agreements described in subparagraph (a) or (b) of this paragraph, provided that any contract or agreement described in subparagraph (a) or (b) of this paragraph relating to agreements or transactions that are not qualified financial contracts shall be deemed to be a netting agreement only with respect to those agreements or transactions that are qualified financial contracts.

(6) “Qualified financial contract” means a commodity contract, forward contract, repurchase agreement, securities contract, swap agreement, and any similar agreement that the commissioner determines by regulation to be a qualified financial contract for the purposes of this section.

(7) “Repurchase agreement” means the same as that term is defined in the “Federal Deposit Insurance Act,” 12 U.S.C. s.1821(e)(8)(D). The term “repurchase agreement” shall include a reverse repurchase agreement.

(8) “Security arrangement” means any security agreement or arrangement or other credit enhancement or guarantee or reimbursement obligation, including a pledge, security, collateral or guarantee agreement or credit support document.

(9) “Securities contract” means the same as that term is defined in the “Federal Deposit Insurance Act,” 12 U.S.C. s.1821(e)(8)(D).

(10) “Separate account” means the same as that term is defined in N.J.S.17B:28-1.

(11) “Swap agreement” means the same as that term is defined in the “Federal Deposit Insurance Act,” 12 U.S.C. s.1821(e)(8)(D).

(12) “Walkaway clause” means a provision in a netting agreement or a qualified financial contract that, after calculation of a value of a party’s position or an amount due to or from one of the parties in accordance with its terms upon termination, liquidation or acceleration of the netting agreement or qualified financial contract, either does not create a payment obligation of a party or extinguishes a payment obligation of a party in whole or in part solely because of the party’s status as a non-defaulting party.

2. This act shall take effect immediately.

Approved January 5, 2012.
CHAPTER 161

AN ACT concerning the misappropriation of trade secrets and supplementing Title 56 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.56:15-1 Short title.
1. This act shall be known and may be cited as the "New Jersey Trade Secrets Act."

C.56:15-2 Definitions relative to misappropriation of trade secrets.
2. As used in this act:
"Improper means" means the theft, bribery, misrepresentation, breach or inducement of a breach of an express or implied duty to maintain the secrecy of, or to limit the use or disclosure of, a trade secret, or espionage through electronic or other means, access that is unauthorized or exceeds the scope of authorization, or other means that violate a person's rights under the laws of this State.
"Misappropriation" means:
(1) Acquisition of a trade secret of another by a person who knows or has reason to know that the trade secret was acquired by improper means; or
(2) Disclosure or use of a trade secret of another without express or implied consent of the trade secret owner by a person who:
(a) used improper means to acquire knowledge of the trade secret; or
(b) at the time of disclosure or use, knew or had reason to know that the knowledge of the trade secret was derived or acquired through improper means; or
(c) before a material change of position, knew or had reason to know that it was a trade secret and that knowledge of it had been acquired through improper means.
"Person" means a natural person, corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision or agency, or any other legal or commercial entity.
"Proper means" means discovery by independent invention, discovery by reverse engineering, discovery under a license from the owner of the trade secret, observation of the information in public use or on public display, obtaining the trade secret from published literature, or discovery or observation by any other means that is not improper.
“Reverse engineering” means the process of starting with the known product and working backward to find the method by which it was developed so long as the acquisition of the known product was lawful or from sources having the legal right to convey it, such as the purchase of the item on the open market.

"Trade secret" means information, held by one or more people, without regard to form, including a formula, pattern, business data compilation, program, device, method, technique, design, diagram, drawing, invention, plan, procedure, prototype or process, that:

(1) Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(2) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

C.56:15-3 Actual, threatened misappropriation may be enjoined.

3. a. Actual or threatened misappropriation may be enjoined. Upon application to the court, an injunction shall be terminated when the trade secret has ceased to exist, but the injunction may be continued for an additional reasonable period of time in order to eliminate commercial advantage that otherwise would be derived from the misappropriation.

b. In exceptional circumstances, an injunction may condition future use upon payment of a reasonable royalty for no longer than the period of time for which use could have been prohibited. Exceptional circumstances include, but are not limited to, a material and prejudicial change of position prior to acquiring knowledge or reason to know of misappropriation that renders a prohibitive injunction inequitable.

c. In appropriate circumstances, affirmative acts to protect a trade secret may be compelled by court order.

C.56:15-4 Entitlement to recovery of damages; exceptions.

4. a. Except to the extent that circumstances, including a material and prejudicial change of position prior to acquiring knowledge or reason to know of misappropriation renders a monetary recovery inequitable, a complainant is entitled to recover damages for misappropriation. Damages can include both the actual loss caused by misappropriation and the unjust enrichment caused by misappropriation that is not taken into account in computing actual loss. In lieu of damages measured by any other methods, the damages caused by misappropriation may be measured by imposition of
liability for a reasonable royalty for a misappropriator's unauthorized disclosure or use of a trade secret.

b. If willful and malicious misappropriation exists, the court may award punitive damages in an amount not exceeding twice any award made under subsection a. of this section.

C.56:15-5 Prohibited defense.
5. A person who misappropriates a trade secret shall not use as a defense to the misappropriation that proper means to acquire the trade secret existed at the time of the misappropriation.

C.56:15-6 Awards to prevailing party.
6. The court may award to the prevailing party reasonable attorney's fees and costs, including a reasonable sum to cover the service of expert witnesses, if:
   a. willful and malicious misappropriation exists;
   b. a claim of misappropriation is made in bad faith; or
   c. a motion to terminate an injunction is made or resisted in bad faith.

For purposes of this section, "bad faith" is that which is undertaken or continued solely to harass or maliciously injure another, or to delay or prolong the resolution of the litigation, or that which is without any reasonable basis in fact or law and not capable of support by a good faith argument for an extension, modification or reversal of existing law.

C.56:15-7 Preservation of secrecy of alleged trade secret.
7. In an action under this act, a court shall preserve the secrecy of an alleged trade secret by reasonable means consistent with the Rules of Court as adopted by the Supreme Court of New Jersey.

C.56:15-8 Three-year limitation on action.
8. An action for misappropriation shall be brought within three years after the misappropriation is discovered or by the exercise of reasonable diligence should have been discovered. For the purposes of this section, a continuing misappropriation constitutes a single claim.

C.56:15-9 Rights, remedies, prohibitions, additional, cumulative; supercedure.
9. a. The rights, remedies and prohibitions provided under this act are in addition to and cumulative of any other right, remedy or prohibition provided under the common law or statutory law of this State and nothing contained herein shall be construed to deny, abrogate or impair any common

CHAPTE R 163

AN ACT concerning persons with developmental disabilities and supplementing chapter 6D of Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:6D-32.6 Findings, declarations relative to services for persons with developmental disabilities.

1. The Legislature finds and declares that:
   a. Reliable and current data about the service needs of persons with developmental disabilities who are eligible for services from the Division of Developmental Disabilities in the Department of Human Services is fundamental to the division’s ability to plan effectively to meet those needs;
   b. Similarly, in order to make appropriate decisions about State funding for these services, it is important to understand the needs of persons with developmental disabilities served by the division;
   c. Information about service needs is also essential for service providers as they seek to expand services, acquire or build infrastructure where needed, make services available at the time they are needed, and ensure that the services they provide are compatible with the needs of persons with developmental disabilities residing in their particular service areas;
   d. Additionally, persons with developmental disabilities and their family members and guardians need access to current data so that they can develop informed expectations about the system that provides services for persons with developmental disabilities;
e. As this system evolves into one in which more persons with developmental disabilities and their family members and guardians play a larger role in obtaining necessary support services in the community, it is critical to create a truly transparent system on which persons with developmental disabilities and their family members and guardians can rely, and which they can trust; and

f. In order to ensure that the State and persons with developmental disabilities and their family members and guardians have reliable data about the service needs of persons with developmental disabilities and that such data can be made available to those who need to factor that information into their decision-making, planning, funding, and expectations for services, it is the policy of the State to provide for the collection and dissemination of data on persons with developmental disabilities.

C.30:6D-32.7 Definitions relative to services for persons with developmental disabilities.

2. As used in this act:
   "Department" means the Department of Human Services.
   "Division" means the Division of Developmental Disabilities in the Department of Human Services.

If the victim is

contributory toward his injury, if the record indicates such conduct occurred
during efforts by the victim to prevent a crime or apprehend a person who
had committed a crime in his presence or had in fact committed a crime.

The office may deny or reduce an award where the victim has not paid
in full any payments owed on assessments imposed pursuant to section 2 of
P.L.1979, c.396 (C.2C:43-3.1) or restitution ordered following conviction
for a crime.

No compensation shall be awarded if:

subparagraph (b) of paragraph (2) of subsection b. of N.J.S.2C:20-2, sub­
section b. of N.J.S.2C:29-2 or subsection b., c. or d. of N.J.S.2C:26-10; or
f. The victim has been convicted of a crime and is still incarcerated; or

g. The victim sustained the injury during the period of incarceration immediately following conviction for a crime.

Except as provided herein, no compensation shall be awarded under P.L.1971, c.317 in an amount in excess of $25,000, and all payments shall be made in a lump sum, except that in the case of death or protracted disability the award may provide for periodic payments to compensate for loss of earnings or support.

Ten years after the entry of an initial determination order, a claim for compensation expires and no further order is to be entered with regard to the claim except:

(1) for requests for payment of specific out-of-pocket expenses received by the Victims of Crime Compensation Office prior to the expiration of the ten-year period;

(2) in those cases determined by the office to be catastrophic in nature; and

(3) for requests for payment of expenses that were incurred only after the expiration of the ten-year period.

No award made pursuant to P.L.1971, c.317 shall be subject to execution or attachment other than for expenses resulting from the injury which is the basis of the claim.

Compensation may be awarded in an amount not exceeding the actual cost of a rehabilitative service of the type enumerated in section 2 of P.L.1999, c.166 (C.52:4B-18.2).

The award may provide for periodic payments in the case of protracted care or rehabilitative assistance.

Each order for compensation made by the office shall be filed with the Director of the Division of Budget and Accounting and shall constitute au-

CHAPTER 171

AN ACT concerning the sale and lease of certain public property for farming and gardening purposes and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.2011, c.35 (C.40A:12-15.1) is amended to read as follows:

C.40A:12-15.1 Findings, declarations relative to lease, sale of certain property to non-profits for certain purposes.

1. The Legislature finds and declares:
   a. There exists in certain municipalities an excess of vacant property that is not needed for public use; and
   b. Vacant properties present numerous problems for these municipalities such as: presenting the opportunity for criminal activity, deterring neighboring property owners from improving their properties and prospective purchasers and renters from locating into these areas, and serving as a location to dispose of unwanted items; and
   c. These municipalities are often centers of high and increasing populations and population densities comprised, in part, of lower income families; and
   d. Due, in part, to increasing population densities, the deterioration of infrastructure such as parks, and fiscal constraints, these municipalities have been challenged to offer residents opportunities to enhance the quality of their lives; and
   e. Due to the scarcity of full service supermarkets and farmer’s markets within these municipalities, municipal residents often suffer from a shortage of fresh fruits and vegetables; and
   f. The shortages of recreational opportunities and sources of fresh fruits and vegetables have contributed to alarming increases in childhood obesity and other adverse health consequences for municipal residents; and
While provisions of statutory law authorize local units to lease or sell property that is not needed for public use in order to further various public purposes, these statutory provisions limit municipalities from enlisting the assistance of nonprofit entities to develop these properties for a range of public purposes that could enhance the recreational, educational, and nutritional needs of local residents; and

Authorization for local units to lease and sell vacant land to nonprofit entities to cultivate these lands can provide both recreational opportunities and a source of fresh, locally grown fruits and vegetables for local residents; and

The nonprofit cultivation of previously vacant land by nonprofit entities is a public purpose for which the long term lease and sale of these properties, and exemption from property taxation therefor, is warranted, even in those instances when produce is sold to further the mission of these nonprofit entities.

2. Section 15 of P.L.1971, c.199 (C.40A:12-15) is amended to read as follows:

*C.40A:12-15 Purposes for which leases for a public purpose may be made.*

15. Purposes for which leases for a public purpose may be made.

A leasehold for a term not in excess of 50 years may be made pursuant to this act and extended for an additional 25 years by ordinance or resolution thereafter for any county or municipal public purpose, including, but not limited to:

(a) The provision of fire protection, first aid, rescue and emergency services by an association duly incorporated for such purposes.

(b) The provision of health care or services by a nonprofit clinic, hospital, residential home, outpatient center or other similar corporation or association.

(c) The housing, recreation, education or health care of veterans of any war of the United States by any nonprofit corporation or association.

(d) Mental health or psychiatric services or education for persons with mental illness, persons with a mental deficiency, or persons with intellectual disabilities by any nonprofit corporation or association.

(e) Any shelter care or services for persons aged 62 or over receiving Social Security payments, pensions, or disability benefits which constitute a substantial portion of the gross income by any nonprofit corporation or association.
(f) Services or care for the education or treatment of cerebral palsy patients by any nonprofit corporation or association.

Amounts raised by taxation for the purposes of P.L.1997, c.24 (C.40:12-15.1 et seq.) shall be apportioned by the county board of taxation among the municipalities within the county in accordance with R.S.54:4-49. The amounts so apportioned shall be assessed, levied and collected in the same manner and at the same time as other county taxes. The tax collected pursuant to P.L.1997, c.24 shall be referred to as the "County Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Tax."

6. Section 6 of P.L.1997, c.24 (C.40:12-15.6) is amended to read as follows:

C.40:12-15.6 Adoption by county of resolution authorizing distribution of monies.

6. a. The governing body of any county in which the voters of the county have approved a proposition in accordance with P.L.1997, c.24 (C.40:12-15.1 et seq.) may adopt a resolution authorizing the distribution of monies deposited into the "County Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" created pursuant to subsection c. of section 2 of P.L.1997, c.24 (C.40:12-15.2), in such portions as deemed appropriate, to municipalities within the county or to charitable conservancies, to be used in the county by those municipalities or charitable conservancies for the purposes of P.L.1997, c.24 in accordance with the provisions, conditions, and requirements thereof, provided that any municipality or charitable conservancy receiving such monies has presented a plan to the county documenting the proposed use of the monies.

b. Lands acquired by a municipality pursuant to this section shall be held in trust and shall be used exclusively for the purposes authorized by P.L.1997, c.24.

c. The governing body of a municipality acquiring lands using monies received pursuant to this section shall have full control of the lands and
may adopt an ordinance providing for (1) suitable rules, regulations, and
bylaws for use of the lands, (2) the enforcement of those rules, regulations
and bylaws, and (3) when appropriate, the charging and collection of rea­
sonable fees for use of the lands or for activities conducted thereon.

    d. In order to qualify to receive monies from a county trust fund pur­
suant to this section, the board of directors, board of trustees, or other gov­

        (1) demonstrate to the governing body of the county that it qualifies as
a charitable conservancy;

        (2) agree to use the monies only in connection with lands located in the
county and for the purposes authorized by P.L.1997, c.24;

        (3) agree to make and keep the lands accessible to the public, unless
the governing body of the county determines that public accessibility would
be detrimental to the lands or to any natural or historic resources associated
therewith;

        (4) agree not to sell, lease, exchange, transfer, or donate the lands for
which the monies received were allocated for use pursuant to this section,
extcept upon approval of the governing body of the county under such con­
ditions as the governing body may establish; and

        (5) agree to execute and donate to the county at no charge (a) a conser­
vation restriction or historic preservation restriction, as the case may be,
pursuant to P.L.1979, c.378 (C.13:8B-1 et seq.), or (b) a development
easement, as defined pursuant to section 3 of P.L.1983, c.32 (C.4:1C-13), as
appropriate, on the lands for which the monies received were allocated for
use pursuant to this section.

    7. Section 7 of P.L.1997, c.24 (C.40:12-15.7) is amended to read as
follows:

C.40:12-15.7 Submission by municipality of proposition authorizing annual levy.

    7. a. (1) The governing body of any municipality may submit to the
voters of the municipality in a general or special election a proposition au­
thorizing imposition of an annual levy for an amount or at a rate deemed
appropriate for any or all of the following purposes, or any combination
thereof, as determined by the governing body:

        (a) acquisition of lands for recreation and conservation purposes;

        (b) development of lands acquired for recreation and conservation pur­
poses;

        (c) maintenance of lands acquired for recreation and conservation pur­
poses;
(d) acquisition of farmland for farmland preservation purposes;
(e) historic preservation of historic properties, structures, facilities, sites, areas, or objects, and the acquisition of such properties, structures, facilities, sites, areas, or objects for historic preservation purposes;
(f) payment of debt service on indebtedness issued or incurred by a municipality for any of the purposes set forth in subparagraph (a), (b), (d), (e) or (g) of this paragraph; or
(g) Blue Acres projects.

(2) The amount or rate of the annual levy may be subdivided in the proposition to reflect the relative portions thereof to be allocated to any of the respective purposes specified in paragraph (1) of this subsection or may be depicted as a total amount or rate, to be subdivided in a manner determined previously, or to be determined at a later date, by the governing body of the municipality after conducting at least one public hearing thereon.

b. Upon approval of the proposition by a majority of the votes cast by the voters of the municipality, the governing body of the municipality may annually raise by taxation a sum not to exceed the amount or rate set forth in the proposition approved by the voters for the purposes specified therein. If the amount or rate set forth in the proposition was not subdivided among the various purposes, the governing body of the municipality may determine the appropriate amount or rate to be allocated to each purpose after conducting at least one public hearing thereon.

c. Amounts raised by the levy imposed pursuant to this section shall be deposited into a "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" to be created by the municipality, and shall be used exclusively for the purposes authorized by the voters of the municipality. Any interest or other income earned on monies deposited into the municipal trust fund shall be credited to the fund to be used for the same purposes as the principal. Separate accounts may be created within the municipal trust fund for the deposit of revenue to be expended for each of the purposes specified in the proposition approved by the voters of the municipality. A municipality may deposit other funds into the Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund, as it may, from time to time, deem appropriate.

d. The governing body of a municipality may submit to the voters of the municipality in a general or special election a proposition amending or supplementing a proposition previously submitted, approved, and implemented as provided pursuant to this section either (1) changing the amount or rate of the annual levy, or (2) adding or removing purposes authorized pursuant to this section for which the levy may be expended. Upon ap-
proval of the amendatory or supplementary proposition by a majority of the votes cast by the voters of the municipality, the governing body of the municipality shall implement it in the same manner as set forth in P.L.1997, c.24 for implementation of the original proposition.

c. Upon petition to the governing body of a municipality signed by the voters of the municipality equal in number to at least 15% of the votes cast therein at the last preceding general election, filed with the governing body at least 90 days before a general or special election, the governing body of the municipality shall submit to the voters of the municipality in the general or special election the proposition otherwise authorized pursuant to subsection a. or subsection d. of this section, as the case may be.

8. Section 8 of P.L.1997, c.24 (C.40:12-15.8) is amended to read as follows:

C.40:12-15.8 Propositions deemed approved by voters of municipality.

8. Any municipality whose voters, prior to the effective date of P.L.1997, c.24 (C.40:12-15.1 et seq.), approved pursuant to R.S.40:12-10 et seq. a proposition authorizing the establishment, maintenance, and improvement of a system of public recreation shall be deemed to have approved a proposition for any or all of the purposes specified in paragraph (1) of subsection a. of section 7 of P.L.1997, c.24 (C.40:12-15.7) at the amount or rate specified in the original proposition, which purposes shall be determined by adoption of an ordinance by the governing body of the municipality after conducting at least one public hearing thereon. Any fund created for the purposes of R.S.40:12-10 et seq. shall be dissolved and any monies remaining therein shall be deposited into the "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" created pursuant to subsection c. of section 7 of P.L.1997, c.24 (C.40:12-15.7) to be utilized for the purposes determined by the governing body of the municipality as authorized pursuant to this section.

9. Section 9 of P.L.1997, c.24 (C.40:12-15.9) is amended to read as follows:

C.40:12-15.9 Lands acquired by municipality held in trust.

9. Lands acquired by a municipality using revenue raised pursuant to P.L.1997, c.24 (C.40:12-15.1 et seq.) shall be held in trust and shall be used exclusively for the purposes authorized under P.L.1997, c.24.
After conducting at least one public hearing thereon and upon a finding that the purposes of P.L.1997, c.24 might otherwise be better served or that any land acquired by a municipality pursuant thereto is required for another public use, which finding shall be set forth in an ordinance adopted by the governing body of the municipality, the governing body may convey, through sale, exchange, transfer, or other disposition, title to, or a lesser interest in, that land, provided that the governing body shall replace any land conveyed under this section by land of at least equal fair market value and of reasonably equivalent usefulness, size, quality, and location to the land conveyed, and any monies derived from the conveyance shall be deposited into the "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" created pursuant to subsection c. of section 7 of P.L.1997, c.24 (C.40:12-15.7) for use for the purposes authorized by P.L.1997, c.24 for monies in the municipal trust fund. Any such conveyance shall be made in accordance with the "Local Lands and Buildings Law," P.L.1971, c.199 (C.40A:12-1 et seq.). In the event of conveyance by exchange, the land or improvements thereon to be transferred to the trust shall be at least equal in fair market value and of reasonably equivalent usefulness, size, quality, and location to the land or improvements transferred from the trust.

10. Section 7 of P.L.1992, c.157 (C.40:12-16.1) is amended to read as follows:

C.40:12-16.1 Adoption of prioritized list of eligible farmland.

7. The county agriculture development board of a county in which the voters of the county have approved, in a general or special election, a proposition authorizing the acquisition of lands for farmland preservation purposes pursuant to P.L.1989, c.30 (C.40:12-16 et seq.) or P.L.1997, c.24 (C.40:12-15.1 et seq.) shall, pursuant to the provisions of section 24 of P.L.1983, c.32 (C.4:1C-31), adopt a prioritized list of farmland eligible for acquisition of development easements thereon by installment purchase agreements pursuant to the provisions of P.L.1992, c.157 (C.40:12-16.1 et al.) if the county intends to acquire development easements on farmland in that manner. The governing body of the county shall annually appropriate from the "County Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" created pursuant to subsection c. of section 2 of P.L.1997, c.24 (C.40:12-15.2) such amounts as it may deem necessary to finance the acquisition of development easements on farmland within that county by installment purchase agreement.
11. This act shall take effect immediately.

Approved January 5, 2012.

CHAPTER 176

AN ACT concerning the development of renaissance school projects in failing school districts and supplementing Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.18A:36C-1 Short title.
   1. This act shall be known and may be cited as the “Urban Hope Act.”

C.18A:36C-2 Findings, declarations relative to the “Urban Hope Act.”
   2. The Legislature finds and declares that:
      a. Maintaining a thorough and efficient public school system is among the Legislature’s most important responsibilities;
      b. Although New Jersey’s per pupil public school expenditures are among the highest in the nation, many of the State’s students are failing to achieve the core curriculum content standards;
      c. Many of those students are confined to a number of persistently failing school districts and schools that, year after year, have been unable to convert increased State aid and other resources into improved student achievement, higher graduation rates, or greater student readiness for post-secondary education and gainful employment;
      d. For those school districts and schools, it is necessary to provide local boards of education, parents, students, and teachers with more and better options for addressing their failing schools; and
      e. One such option is to allow a small number of school districts with high concentrations of at-risk students to, on a limited pilot program basis, partner with one or more nonprofit entities to create “renaissance schools.” While creation of these schools is voluntary, it is the hope of the Legislature that the districts will find suitable nonprofit partners and establish one or more renaissance schools dedicated to providing New Jersey’s students with the educators, facilities, and resources to prepare them for college and career.

C.18A:36C-3 Definitions relative to the “Urban Hope Act.”
   3. As used in this act:
      “Commissioner” means the Commissioner of Education.
      “Failing district” means: in accordance with data from the Statewide assessment reports issued by the Department of Education (1) in the case of a school district located in a city of the first class, a school district in which at least 40% of the students scored in the partially proficient range in the language arts and mathematics sections of each State assessment administered in the 2009-2010 school year; and (2) in the case of a school district located in a city of the second class, a school district in which at least 45% of the students scored in the partially proficient range in the language arts and mathematics sections of each State assessment administered in the 2009-2010 school year.
“Per pupil expenditure” means the sum of the budget year equalization aid per pupil, budget year adjustment aid per pupil, and the prebudget year general fund tax levy per pupil inflated by the CPI rate most recent to the calculation.

“School facility” means and includes any structure, building, or facility used wholly or in part for educational purposes by the students of a school district.

“Renaissance school district” is a failing district in which renaissance school projects shall be established.

“Renaissance school project” means a newly-constructed school, or group of schools in a common campus setting, that provides an educational program for students enrolled in grades K through 12 or in a grade range less than K through 12, that is agreed to by the school district, and is operated and managed by a nonprofit entity in a renaissance school district.

C.18A:36C-4 Application to create renaissance school district.

4. a. A nonprofit entity, in partnership with the renaissance school district, may submit to the commissioner an application to create a renaissance school project no later than three years following the effective date of this act. A nonprofit entity seeking to create a renaissance school project shall have experience in operating a school in a high-risk, low-income urban district. In addition, an entity retained by the nonprofit entity for the purpose of financing or constructing the renaissance school project shall also have appropriate experience.

b. The application shall be in a form prescribed by the commissioner, but at a minimum it shall contain the following:

(1) except as otherwise provided in this paragraph, a resolution adopted in a public meeting by the board of education of the renaissance school district in which the renaissance school project will be located certifying the support of the board for the application. In the case of a district under full or partial State intervention with an advisory board of education, the application shall contain evidence that that State district superintendent or superintendent, as applicable, convened at least three public meetings to discuss the merits of the renaissance school project. The evidence shall include, at a minimum, any written public comments received during those meetings. In the case of these districts, the application shall contain a resolution from the advisory board of education reflecting the board’s approval or disapproval of the renaissance school project. While a successful application does not require approval from the advisory board of education, the
commissioner, in considering the application, shall give due consideration to any disapproval from the advisory board;

(2) a copy of the amendment to the renaissance school district's long-range facilities plan which has been submitted to the commissioner pursuant to section 4 of P.L.2000, c.72 (C.18A:7G-4) that includes the proposed renaissance school project;

(3) the educational goals of the renaissance school project, the curriculum to be offered, and the methods of assessing whether students are meeting the proffered educational goals;

(4) any testing and academic performance standards to be mandated by the renaissance school project beyond those required by State law and regulation;

(5) the admission policy and criteria for evaluating the admission of students to the renaissance school project, which shall comply with the provisions of section 8 of this act;

(6) the age or grade range of students to be enrolled in the renaissance school project;

(7) the total number of students to be enrolled in each grade level of the renaissance school project;

(8) the renaissance school project calendar and school day schedule;

(9) the financial plan for the renaissance school project and the provisions that will be made for auditing pursuant to N.J.S.18A:23-1;

(10) a description of, and address for, the school facility or facilities in which the renaissance school project will be located;

(11) documentation that the proposed renaissance school project meets the facilities efficiency standards developed by the commissioner pursuant to subsection h. of section 4 of P.L.2000, c.72 (C.18A:7G-4), and any school facility regulations promulgated by the State Board of Education or the Department of Community Affairs;

(12) documentation of the funds available to construct the renaissance school project, including the terms of any financing secured for such purpose;

(13) if the renaissance school project includes the acquisition of land, the application shall include, at a minimum: (a) a description of the land to be acquired; (b) the costs of acquisition; (c) the timetable for acquisition; and (d) the plan for financing the acquisition;

(14) identification of the attendance area of the renaissance school project, if the renaissance school project will not be built on land owned by the New Jersey Schools Development Authority or the renaissance school district;
(15) a description of the process employed by the renaissance school district to find and partner with the chosen nonprofit entity to create a renaissance school project. The description shall be sufficient to show that the process employed by the renaissance school district was open, fair, and subject to public input and comment. The description shall, at a minimum, include any requests for proposals issued by the renaissance school district, the number of responses received, and the process and criteria employed by the renaissance school district to select the chosen nonprofit entity among the respondents; and

(16) such other information as the commissioner may require.

C.18A:36C-5 Limitation on renaissance projects per district, review of applications.
5. The commissioner may not approve more than four renaissance school projects in any one renaissance school district. Nothing in this act shall prohibit a renaissance school project that provides an educational program for a grade range less than K through 12 from expanding grade levels after the approval by the commissioner of the initial application.

In reviewing and judging applications for renaissance school projects, the factors considered by the commissioner may include, but not be limited to:

a. The likelihood that the renaissance school project will improve academic achievement in the renaissance school district;

b. The strength of the support for the renaissance school project from the school district, board of education, and parents;

c. The facilities plan for the renaissance school project;

d. Diversity of school type, elementary school, middle school, and high school, among the proposed renaissance school projects; and

e. Any other factors deemed significant by the commissioner.

6. a. The nonprofit entity and the renaissance school district in which the renaissance school project will be located shall enter into a contract setting forth the terms and conditions for the renaissance school project including, but not limited to, the operation, management, and funding of the renaissance school project. The contract shall be submitted to the commissioner for approval.

b. The nonprofit entity shall file with the commissioner an organizational document for the renaissance school project setting forth: the name of the renaissance school project, the grade levels of the school, the location of the school, and the total enrollment of the school; the mission statement for the renaissance school project; the curriculum for the renaissance school
project; the length of the renaissance school project school day and school year; and such other information as the commissioner may require.

C.18A:36C-7 Renaissance schools considered public schools.

7. a. Notwithstanding that a renaissance school project shall be constructed, controlled, operated, and managed by a nonprofit entity, and not the local board of education, it shall be a public school. However nothing contained herein shall restrict a for-profit entity from constructing a renaissance school project, or a renaissance school project from being located on land owned by a for-profit entity. Further, the renaissance school project shall be authorized to retain any business entity, however formed, whose primary purpose is the staffing, operation, and management of elementary schools, middle schools, or high schools in the United States, except as it relates to instructional services.

b. The costs of a renaissance school project including, but not limited to, the costs of land acquisition, site remediation, site development, design, construction, and any other costs required to place into service the school facility or facilities constituting the renaissance school project shall be at the sole expense of the nonprofit entity. The nonprofit entity may use State funds to pay for a lease, debt service, or mortgage for any facility constructed or otherwise acquired.

c. Notwithstanding the provisions of the “Educational Facilities Construction and Financing Act,” P.L.2000, c.72 (C.18A:7G-1 et al.), or any other law or regulation to the contrary, there shall be no State share for the costs of a renaissance school project.

d. Notwithstanding the provisions of the “Public School Contracts Law,” N.J.S.18A:18A-1 et seq., or any other law or regulation to the contrary, the nonprofit entity or any entity acting in cooperation with a renaissance school project shall not be subject to public bidding for goods and services, and any contracts entered into by the nonprofit entity shall not be deemed public contracts or public works; except that any contract entered into by the nonprofit entity or any entity acting in cooperation with a renaissance school project shall be deemed a public work for the purposes of the "New Jersey Prevailing Wage Act," P.L.1963, c.150 (C.34:11-56.25 et seq.), and subject to the applicable provisions of that act.

e. The renaissance school district in which a renaissance school project is located shall pay to the nonprofit entity in 12 equal monthly installments an amount per pupil equal to 95% of the district’s per pupil expenditure. In addition the 12 monthly installments shall include the security categorical aid attributable to the student, a percentage of the district's special education
categorical aid equal to the percentage of the district's special education students enrolled in the renaissance school project, and if applicable 100% of preschool education aid. The district shall also pay directly to the renaissance school project any federal funds attributable to the student.

f. Renaissance school projects shall be required to meet the same testing and academic performance standards established by law and regulation for public school students, and shall meet any additional testing and academic performance standards established by the nonprofit entity and approved by the commissioner.

g. The nonprofit entity shall have complete discretion in naming the renaissance school project. The nonprofit entity may not realize a net profit from its operation of a renaissance school project. A private or parochial school shall not be eligible for renaissance school project status.

h. A nonprofit entity shall operate a renaissance school project in accordance with the contract entered into pursuant to section 6 of this act, the provisions of this act, and the laws and regulations that govern other public schools which are not inconsistent with this act.

C.18A:36C-8 Enrollment in renaissance school.

8. a. In the case of a renaissance school project built on land owned by the New Jersey Schools Development Authority or the renaissance school district, students residing in the attendance area established by the renaissance school district for that property shall be automatically enrolled in the renaissance school project. The parent or guardian of the student may determine not to enroll the student in the renaissance school project, and in that case the student shall be eligible for enrollment in another school in the renaissance school district. If spaces remain available in the renaissance school project, students shall be selected for the remaining spaces through a lottery system. The first lottery shall include students who attend a public school in the renaissance school district but reside outside the attendance area of the renaissance school. If space remains available, a second lottery shall be conducted that may include students who reside outside of the renaissance school district.

b. In the case of a renaissance school project which is not built on land owned by the New Jersey Schools Development Authority or the renaissance school district, preference for enrollment in the renaissance school project shall be given to students who reside in the attendance area identified in the application submitted by the nonprofit entity and approved by the commissioner for the renaissance school project. In no case may an attendance area include an area outside of the renaissance school district. If
spaces remain available in the renaissance school project, then the renaissance school project may select students for the remaining spaces through a lottery system.

In developing and executing its selection process, the nonprofit entity shall not discriminate on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a handicapped person, proficiency in the English language, or any other basis that would be illegal if used by a school district. A nonprofit entity may, however, limit admission to a particular grade level or levels consistent with its organizational document.

C.18A:36C-9 Employees of renaissance school project.

9. a. The employees of a renaissance school project shall not be deemed to be members of the bargaining unit of the renaissance school district.

b. In hiring its employees for a renaissance school project, a nonprofit entity shall be subject to the provisions of the “New Jersey Employer-Employee Relations Act,” P.L.1941, c.100 (C.34:13A-1 et seq.). A nonprofit entity shall not set a teacher salary lower than the minimum teacher salary specified pursuant to section 7 of P.L.1985, c.321 (C.18A:29-5.6).

c. All principals, administrators, classroom teachers, and professional support staff hired by a nonprofit entity to work in a renaissance school project shall hold appropriate New Jersey certifications and shall possess all the tenure rights as employees of a board of education of a school district as provided in Title 18A and other laws and regulations.

C.18A:36C-10 Authorization of renaissance school project, renewal.

10. a. The renaissance school project shall be authorized for 10 years from the date of opening, subject to periodic reviews by the commissioner. The renaissance school project shall be automatically renewed for additional five-year periods provided there is not a breach of the agreement that outlines the terms and conditions of the renaissance school project.

Every ten years, the commissioner shall conduct a comprehensive review of the renaissance school project prior to granting a renewal. Renewal at these 10-year intervals shall be presumed provided there is not a breach of the agreement that outlines the terms and conditions of the renaissance school project and the renaissance school project’s average percent of students proficient on the New Jersey Assessment of Skills and Knowledge, if the school includes any grades from three to eight, or on the New Jersey High School Proficiency Assessment, if the school includes grades 11 and 12, exceed the average percent of students proficient for the renaissance school district in which it is located in like grades by 15 percent or more in
language arts literacy, mathematics, or both after five years, and 25 percent or more in language arts literacy, mathematics, or both after ten years, or achieves the State-level proficiency standards during that period.

b. The commissioner shall periodically assess whether each renaissance school project is meeting its goals and improving student achievement. In order to facilitate the commissioner’s review, each renaissance school project shall submit an annual report to the commissioner in the form prescribed by the commissioner. The report shall be received annually by August 1 and shall be made publicly available immediately thereafter, including on the Department of Education’s website.

c. The commissioner shall have on-going access to the records and facilities of the renaissance school project and the nonprofit entity to ensure that the renaissance school project is in compliance with its organizational document and with State laws and regulations.

d. Five years following the date of the opening of the third renaissance school project, or ten years after the opening of the first renaissance school project, whichever occurs first, a review of the efficacy of the program shall be conducted by an independent education researcher or research organization selected by the commissioner. The independent review shall be funded by the Department of Education. The review shall include interviews with staff, parents, and resident district representatives, and a fiscal and educational assessment. The commissioner shall report the results of the review to the Governor, the State Board of Education, and to the Legislature as provided pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), and, in addition, the Governor shall report on the efficacy of the renaissance school projects in educating students and whether additional renaissance school districts should be authorized and, if so, how many. The commissioner shall also recommend any changes to this act deemed appropriate based on experience with the renaissance school projects and the independent review.

C.18A:36C-11 Conveyance of land by authority to renaissance school project.

CHAPTER 177

AN ACT creating the Rockland-Bergen Bistate River Commission and supplementing Title 32 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:20B-1 Short title.
1. This act shall be known, and may be cited, as the “Rockland-Bergen Watershed Flood Prevention and Protection Act.”

C.32:20B-2 Findings, declarations relative to a bistate river commission.
2. The Legislature finds and declares that the States of New Jersey and New York and their respective citizens share a common concern to protect their personal safety and property through the identification and remediation of potential flood hazards along the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River, and their tributaries and watersheds; that because the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River, and their tributaries cross the interstate border region, the identification and remediation of potential flood hazards require a bistate comprehensive approach; that a bistate comprehensive flood prevention approach will also help ensure the preservation and maintenance of the environmental benefits of the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River, and their tributaries; that a bistate approach will encourage open space preservation and recreational opportunities along the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River, and their tributaries; and that there has been a long history of cooperation among state and local governmental entities and various private organizations and individuals in the vicinity of the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River, and their tributaries to ensure the preservation of those water bodies and watersheds.

The Legislature therefore determines that there is a need to endorse and formalize that bistate cooperative effort to identify and remediate potential flood hazards and to protect the natural, scenic and recreational opportunities of the Hackensack River, Sparkill Brook/Creek, Saddle River, Ramapo/Mahwah River and their tributaries; and that the creation of a bistate commission is an appropriate means to accomplish these very important goals.

CHAPTER 193

AN ACT concerning the rental of residential property, designated the "Good Neighbor Act," and amending P.L.1993, c.127.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Good Neighbor Act."
2. Section 4 of P.L.1993, c.127 (C.40:48-2.12q) is amended to read as follows:

4. An ordinance adopted under authority of this section shall provide:
   a. If in any twenty-four-month period a specified number, which shall not be less than two, of complaints, on separate occasions, of conduct upon or in proximity to any rental premises, and attributable to the acts or incitements of any of the tenants of those premises, have been substantiated by prosecution and conviction in any court of competent jurisdiction as a violation of any provision of Title 2C of the New Jersey Statutes or any municipal ordinance governing disorderly conduct, the municipal governing body or any officer or employee of the municipality designated by the governing body for the purpose, may institute proceedings to require the landlord of those premises to post a bond against the consequences of future incidents of the same character.
   
   b. (1) In the event a tenant is convicted of any of the conduct described in subsection a. of this section, the governing body, or the officer or employee designated pursuant to subsection a. of this section, shall cause notice advising that the conduct specified has occurred to be served on the landlord, in person or by registered mail, at the address appearing on the tax records of the municipality.

   (2) The governing body or person designated pursuant to subsection a. of this section shall cause to be served upon the landlord, in person or by registered mail to the address appearing on the tax records of the municipality, notice advising of the institution of such proceedings, together with particulars of the substantiated complaints upon which those proceedings are based, and of the time and place at which a hearing will be held in the matter, which shall be in the municipal building, municipal court or other public place within the municipality, and which shall be no sooner than 30 days from the date upon which the notice is served or mailed.

   c. At the hearing convened pursuant to subsection b. of this section, the hearing officer shall give full hearing to both the complaint of the municipality and to any evidence in contradiction or mitigation that the landlord, if present or represented and offering such evidence, may present. The hearing officer may consider, to the extent deemed relevant by the hearing officer, prior complaints about the residents of the property, even if those complaints did not result in a conviction. At the conclusion of the hearing the hearing officer shall determine whether the landlord shall be required to post a bond in accordance with the terms of the ordinance.
d. Any bond required to be posted shall be in accordance with the judgment of the hearing officer, in light of the nature and extent of the offenses indicated in the substantiated complaints upon which the proceedings are based, to be adequate in the case of subsequent offenses to make reparation for (1) damages likely to be caused to public or private property and damages consequent upon disruption of affected residents' rights of fair use and quiet possession of their premises, (2) securing the payment of fines and penalties likely to be levied for such offenses, and (3) compensating the municipality for the costs of repressing and prosecuting such incidents of disorderly behavior; but no such bond shall be in an amount less than $500 or more than $5,000. The municipality may enforce the bond thus required by action in the Superior Court, and shall be entitled to an injunction prohibiting the landlord from making or renewing any lease of the affected premises for residential purposes until that bond or equivalent security, in satisfactory form and amount, has been deposited with the municipality.

e. A bond or other security deposited in compliance with subsection d. of this section shall remain in force for a period specified pursuant to the ordinance, which shall be not less than two or more than four years. Upon the lapse of the specified period the landlord shall be entitled to the discharge thereof, unless prior thereto further proceedings leading to a forfeiture or partial forfeiture of the bond or other security shall have been had under section 5 of P.L.1993, c.127 (C.40:48-2.12r), in which case the security shall be renewed, in an amount and for a period that shall be specified by the hearing officer.

3. This act shall take effect immediately.

Approved January 17, 2012.

CHAPTER 194

AN ACT concerning certain drilling techniques and supplementing P.L.1985, c.432 (C.13:1M-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that the process of hydraulic fracturing for natural gas exploration and production has been found to use and release a variety of chemicals and materials that, if introduced into the
air, surface waters, or ground water of the State, raise concerns about potential contamination and pollution.

Hydraulic fracturing is not occurring and is unlikely to occur in New Jersey in the foreseeable future. Nevertheless, the Legislature determines that it is prudent and in the best interest of the people of the State of New Jersey to declare a moratorium on hydraulic fracturing in New Jersey in order to conduct an investigation into whether hydraulic fracturing could have or is likely to have an adverse impact on air and water quality in this State.

2. a. No person may use the drilling technique known as hydraulic fracturing in the State for the purpose of natural gas exploration or production for a period of 12 months from the effective date of this act.
   b. The Department of Environmental Protection shall conduct an investigation into whether hydraulic fracturing could have or is likely to have an adverse impact on air and water quality in this State and report its findings to the Governor and the Legislature.
   c. As used in this act, "hydraulic fracturing" means the drilling technique of expanding existing fractures or creating new fractures in rock by injecting water, often with chemicals, sand, or other substances, and often under pressure, into or underneath the surface of the rock for purposes including, but not necessarily limited to, well drilling and natural gas exploration and production. The term "hydraulic fracturing" shall include "fracking," "hydrofracking," "hydrofracturing," and other colloquial terms for this drilling technique.

3. This act shall take effect immediately.

Information concerning financial resources included in the report shall be made available to any officer authorized to collect payment on any assessment, restitution or fine.

C.2A:4A-71 Review and processing of complaints.

2. Review and processing of complaints.
   a. The jurisdiction of the court in any complaint filed pursuant to section 11 of P.L.1982, c.77 (C.2A:4A-30) shall extend to the juvenile who is the subject of the complaint and his parents or guardian.
   b. Every complaint shall be reviewed by court intake services for recommendation as to whether the complaint should be dismissed, diverted, or referred for court action. Where the complaint alleges a crime which, if committed by an adult, would be a crime of the first, second, third or fourth degree, or alleges a repetitive disorderly persons offense or any disorderly persons offense defined in chapter 35 or chapter 36 of Title 2C, the complaint shall be referred for court action, unless the prosecutor otherwise consents to diversion. Court intake services shall consider the following factors in determining whether to recommend diversion:
      (1) The seriousness of the alleged offense or conduct and the circumstances in which it occurred;
      (2) The age and maturity of the juvenile;
      (3) The risk that the juvenile presents as a substantial danger to others;
      (4) The family circumstances, including any history of drugs, alcohol abuse or child abuse on the part of the juvenile, his parents or guardian;
      (5) The nature and number of contacts with court intake services and the court that the juvenile or his family have had;
      (6) The outcome of those contacts, including the services to which the juvenile or family have been referred and the results of those referrals;
      (7) The availability of appropriate services outside referral to the court;
      (8) Any recommendations expressed by the victim or complainant, or arresting officer, as to how the case should be resolved;
      (9) Any recommendation expressed by the county prosecutor;
      (10) The amenability of the juvenile to participation in a remedial education or counseling program that satisfies the requirements of subsection b. of section 2 of P.L.2011, c.128 (C.2A:4A-71.1) if the offense alleged is an eligible offense as defined in subsection c. of section 2 of P.L.2011, c.128 (C.2A:4A-71.1); and
      (11) Any information relevant to the offense in any case where the juvenile is charged with an act which if committed by an adult would constitute prostitution in violation of N.J.S.2C:34-1 or any offense which the juvenile alleges is related to the juvenile being a victim of human trafficking.
5. Section 5 of P.L.1982, c.81 (C.2A:4A-74) is amended to read as follows:

C.2A:4A-74 Court intake service conference.

5. Court intake service conference. a. Where the juvenile is diverted to a court intake service conference, notices of the conference shall be sent to the juvenile and his parents or guardian and to the complainant or victim. The parties may be requested to bring to the conference all pertinent documents in their possession, including medical, social, and school records.

b. In determining the appropriate resolution of a complaint, the following factors shall be considered by court intake services:

(1) The seriousness of the alleged offense or conduct and the circumstances in which it occurred;
(2) The age and maturity of the juvenile;
(3) The risk that the juvenile presents as a substantial danger to others;
(4) The family circumstances, including any history of drugs, alcohol abuse or child abuse on the part of the juvenile, his parents or guardian;
(5) The nature and number of contacts with court intake services and the court that the juvenile and his family have had;
(6) The outcome of those contacts, including the services to which the juvenile or family have been referred and the results of those referrals;
(7) The availability of appropriate services;
(8) Any recommendations expressed by the victim or complainant, or arresting officer, as to how the case should be disposed;
(9) Whether diversion can be accomplished in a manner that holds the juvenile accountable for the conduct;
(10) The impact of the offense on the victim or victims;
(11) The impact of the offense on the community; and
(12) Any information relevant to the offense in any case where the juvenile is charged with an act which if committed by an adult would constitute prostitution in violation of N.J.S.2C:34-1 or any offense which the juvenile alleges is related to the juvenile being a victim of human trafficking.

c. Each juvenile shall be reviewed without a presumption of guilt. The intake conference shall be concerned primarily with providing balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the juvenile offender to become a responsible and productive member of the community. In addition, the conference shall be concerned with preventing more serious future misconduct by the juvenile of-
fender by obtaining the cooperation of the juvenile and his parents or
guardian in complying with its recommendations. The court may schedule
a hearing where the complainant or victim objects to the recommendations
from the conference.

d. The resolution from the conference may include but shall not be
limited to counseling, restitution, referral to appropriate community agen­
cies, or any other community work programs or other conditions consistent
with diversion that aids in providing balanced attention to the protection of
the community, the imposition of accountability for offenses committed,
fostering interaction and dialogue between the offender, victim and com­

munity and the development of competencies to enable the juvenile off­

fender to become a responsible and productive member of the community,
provided that:

(1) Obligations imposed as a result of the intake conference shall be an
order of the court approved by the presiding judge and shall be set forth in
writing and may not exceed six months. The juvenile and his or her parents
or guardian shall receive copies, as shall any agencies providing services
under the agreement;

(2) The court intake service worker shall inform the juvenile and the
juvenile's parents or guardian in writing of their right to object at any time
prior to their written agreement to the facts or terms of the intake confer­
ence decision, and if objections arise, the intake service worker may alter
the terms of the proposed agreement or refer the matter to the presiding
judge who shall determine if the complaint will be heard in court or re­
turned to intake conference for further action;

(3) Written agreement pursuant to intake conferences may be termi­
nated at any time upon the request of the juvenile and the matter referred to
the presiding judge;

(4) The court intake services conference may not order the confin­
ment of a juvenile, place a juvenile on probation, or remove a juvenile from his
family as a disposition; and

(5) If, at any time during the diversion period, the court intake service
worker determines that the obligations imposed under the written agreement
are not being met, the intake worker shall notify the presiding judge in writ­
ing. In the case of failure to comply with the obligations imposed under the
agreement by the parents or guardian, the court may proceed against such
persons for enforcement of the agreement. In the case of failure to comply
by the juvenile, the matter shall be referred to the court for action.

e. At the end of the diversion period a second court intake services
conference may be held with all parties to the written agreement present to
ascertain if the terms of the agreement have been fulfilled. If all conditions have been met, the intake worker shall so inform the presiding judge in writing who shall order the complaint dismissed. A copy of the order dismissing the complaint shall be sent to the juvenile. If the conditions of the written agreement have not been met, the intake worker may refer the matter to the presiding judge who shall determine if the complaint will be heard in court or returned to court intake services for further action. Based on the evaluations required under this subsection, the intake conference agreement may be extended beyond the six-month maximum if all parties agree. In no case shall an intake conference agreement exceed nine months.

f. All proceedings before the conference are confidential and they shall receive only those records which in the court's judgment are necessary to aid in making a recommendation.

6. N.J.S.2C:34-1 is amended to read as follows:

Prostitution and related offenses.

2C:34-1. Prostitution and Related Offenses.

b. A person commits an offense if:

(1) The actor engages in prostitution;

(2) The actor promotes prostitution;

(3) The actor knowingly promotes prostitution of a child under 18 whether or not the actor mistakenly believed that the child was 18 years of age or older, even if such mistaken belief was reasonable;

has a valid driver's license issued by this State. Upon conviction, the court shall immediately collect the offender's driver's license and shall forward it, along with a report stating the first and last day of the suspension imposed pursuant to this paragraph, to the New Jersey Motor Vehicle Commission.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.2010, c.51 (C.52:271-25) is amended to read as follows:

8. a. The authority shall consist of 13 members to be appointed and qualified as follows:

(1) Three voting members appointed by the Governor with the advice and consent of the Senate, for staggered terms of five years, one of whom shall be a representative of the private sector with relevant business experience or background; one of whom shall be an individual who is knowledgeable in environmental issues, conservation, or land use issues; and one of whom shall have appropriate experience in workforce development and job training. Preference shall be given to professionals with a background in technology, finance, energy industry, or real estate. One of the members appointed under this paragraph shall be a resident of the county selected from a list of five candidates recommended by the Monmouth County Board of Chosen Freeholders and submitted to the Governor; the list of candidates for the initial selection of this member shall be so submitted within 45 days after the date of enactment of this act. In the event the Governor rejects all five candidates for the member to be selected upon the recommendation of the Monmouth County Board of Chosen Freeholders, the Monmouth County Board of Chosen Freeholders may submit an additional list of five different candidates within 30 days of the Governor's rejection of the prior list. If the Monmouth County Board of Chosen Freeholders does not submit a list of five candidates within either of the aforementioned time periods, within ten days after the expiration of such time period, the Governor shall inform the Monmouth County Board of Chosen Freeholders in writing that the Governor, at the Governor's discretion, will make such appointment. Not more than two of the members appointed by the Governor pursuant to this paragraph shall be members of the same political party, but the provisions of this paragraph regarding the selection of one such member from among candidates recommended by the Monmouth County Board of Chosen Freeholders shall not be construed to prohibit the appointment of a resident of the county for either or both of the memberships under this paragraph that are not filled from among candidates so recommended;

(2) The Chairperson of the New Jersey Economic Development Authority, ex officio and voting;
(3) Another member of the Executive Branch appointed by the Governor to serve on the authority, ex officio and voting;

(4) One voting member, who shall be a member of the Monmouth County Board of Chosen Freeholders to be appointed by the Monmouth County Board of Chosen Freeholders;

(5) The mayors of Eatontown, Oceanport, and Tinton Falls, ex officio and voting;

(6) One voting member, who shall be a member of the Monmouth County Board of Chosen Freeholders to be appointed by the Monmouth County Board of Chosen Freeholders;

(7) The Commissioner of Environmental Protection, who shall serve as an ex officio, non-voting member;

(8) The Commissioner of Community Affairs, who shall serve as an ex officio, non-voting member; and

(9) The Commissioner of Transportation, who shall serve as an ex officio, non-voting member.

Each member appointed by the Governor shall hold office for the term of that member's appointment and until a successor shall have been appointed and qualified. The member appointed by the Monmouth County Board of Chosen Freeholders shall hold office for the term of that member's service on the board. In the event that a member appointed by the Monmouth County Board of Chosen Freeholders ceases to serve on that board, that member shall no longer hold office on the authority and the board shall appoint a member of the board to serve as a new member of the authority. A member shall be eligible for reappointment. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

The mayors of Eatontown, Oceanport, and Tinton Falls may designate a council member of their respective municipality, in lieu of an employee of the mayor's department or office, to represent them as a member at meetings of the authority. The designee may act on behalf of the member. The designation shall be in writing and shall be delivered to the authority and shall be effective until revoked or amended in writing to the authority.

c. Each member appointed by the Governor may be removed from office by the Governor for cause, after a public hearing, and may be suspended by the Governor pending the completion of that hearing. Each such member, before entering the duties of membership, shall take and subscribe

d. The Governor shall appoint the chairperson of the authority. The members of the authority shall annually elect a vice-chairperson from among their members. The chairperson shall appoint a secretary and treasurer. The powers of the authority shall be vested in the voting members thereof in office from time to time; five voting members of the authority shall constitute a quorum, and the affirmative vote of five voting members shall be necessary for any action taken by the authority, except as otherwise provided in subsection e. of this section, or unless the bylaws of the authority shall require a larger number. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority.

e. The affirmative vote of seven members shall be required for the following actions taken by the authority:

(1) any action to adopt or revise the plan, as provided in section 18 of this act, or to adopt or revise the development and design guidelines or land use regulations adopted by the authority as provided in section 17 of this act; (2) any action to enter into a designated redevelopment agreement with the EDA as provided in subsection a. of section 16 of this act; (3) any action to adopt any amendment to the plan pursuant to paragraph (1) of subsection e. of section 17 of this act; (4) any action to approve any project undertaken by the EDA; (5) any action to acquire easements, rights of way, or fee title to properties pursuant to subsection g. of section 9 of this act; (6) in any year that the authority is anticipated to receive no funding from the federal government, any action to approve the budget of the office for that year or any amendment to the budget pursuant to subsection d. of section 6 of this act; and (7) consent to the designation of any portion of the project area as an area in need of redevelopment or any area in need of rehabilitation pursuant to the provisions of the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et al.), as provided in subsection o. of section 9 of this act.

f. The members of the authority shall serve without compensation, but the authority may, within the limits of funds appropriated or otherwise made available for such purposes, reimburse its members for necessary expenses incurred in the discharge of their official duties.

g. (1) No member, officer, employee or agent of the authority or office shall have a personal interest, either directly or indirectly, in any project,
employment agreement or any contract, sale, purchase, lease, or transfer of real or personal property to which the authority or office is a party.

(2) The authority, as well as any business entity performing or seeking to perform a contract for the authority, shall be subject to the provisions of P.L.2005, c.51 (C.19:44A-20.13 et seq.).

(3) The members, officers, and employees of the authority shall be subject to the same financial disclosure requirements as the members, officers, and employees of State authorities subject to executive orders of the Governor with respect to financial disclosure.

h. The authority may be dissolved by act of the Legislature on condition that the authority has no debts or obligations outstanding or provision has been made for the payment, retirement, termination, or assumption of its debts and obligations. Upon dissolution of the authority, all property, funds, and assets thereof shall be vested in the State, unless the Legislature directs otherwise.

i. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the authority shall have force or effect until 10 days, Saturdays, Sundays, and public holidays excepted, after the copy of the minutes shall have been so delivered, unless during such 10-day period the Governor shall approve the same, in which case such action shall become effective upon such approval. If, in that 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting, such action shall be void.

j. Any and all proceedings, hearings or meetings of the authority shall be conducted in conformance with the "Senator Byron M. Baer Open Public Meetings Act," P.L.1975, c.231 (C.10:4-6 et seq.).

k. Records of minutes, accounts, bills, vouchers, contracts or other papers connected with or used or filed with the authority or with any officer or employee acting for or in its behalf are declared to be public records, and shall be open to public inspection in accordance with P.L.1963, c.73 (C.47:1A-1 et seq.).

5. As used in this section, "cost of living" means the CPI as defined in section 3 of P.L.2007, c.260 (C.18A:7F-45).

a. Within 30 days following the approval of the Educational Adequacy Report, the commissioner shall notify each district of the base per pupil amount, the per pupil amounts for full-day preschool, the weights for grade level, county vocational school districts, at-risk pupils, bilingual pupils, and combination pupils, the cost coefficients for security aid and for transportation aid, the State average classification rate and the excess cost for general special education services pupils, the State average classification rate and the excess cost for speech-only pupils, and the geographic cost adjustment for each of the school years to which the report is applicable.
Annually, within two days following the transmittal of the State budget message to the Legislature by the Governor pursuant to section 11 of P.L.1944, c.112 (C.52:27B-20), the commissioner shall notify each district of the maximum amount of aid payable to the district in the succeeding school year pursuant to the provisions of P.L.2007, c.260 (C.18A:7F-43 et al.), and shall notify each district of the district's adequacy budget for the succeeding school year.

For the 2008-2009 school year and thereafter, unless otherwise specified within P.L.2007, c.260 (C.18A:7F-43 et al.), aid amounts payable for the budget year shall be based on budget year pupil counts, which shall be projected by the commissioner using data from prior years. Adjustments for the actual pupil counts of the budget year shall be made to State aid amounts payable during the school year succeeding the budget year. Additional amounts payable shall be reflected as revenue and an account receivable for the budget year.

Notwithstanding any other provision of this act to the contrary, each district's State aid payable for the 2008-2009 school year, with the exception of aid for school facilities projects, shall be based on simulations employing the various formulas and State aid amounts contained in P.L.2007, c.260 (C.18A:7F-43 et al.). The commissioner shall prepare a report dated December 12, 2007 reflecting the State aid amounts payable by category for each district and shall submit the report to the Legislature prior to the adoption of P.L.2007, c.260 (C.18A:7F-43 et al.). Except as otherwise provided pursuant to this subsection and paragraph (3) of subsection d. of section 5 of P.L.2007, c.260 (C.18A:7F-47), the amounts contained in the commissioner's report shall be the final amounts payable and shall not be subsequently adjusted other than to reflect the phase-in of the required general fund local levy pursuant to paragraph (4) of subsection b. of section 16 of P.L.2007, c.260 (C.18A:7F-58) and to reflect school choice aid to which a district may be entitled pursuant to section 20 of that act. The projected pupil counts and equalized valuations used for the calculation of State aid shall also be used for the calculation of adequacy budget, local share, and required local share. For 2008-2009, extraordinary special education State aid shall be included as a projected amount in the commissioner's report dated December 12, 2007 pending the final approval of applications for the aid. If the actual award of extraordinary special education State aid is greater than the projected amount, the district shall receive the increase in the aid payable in the subsequent school year pursuant to the provisions of subsection c. of section 13 of P.L.2007, c.260 (C.18A:7F-55). If the actual award of extraordinary special education State aid is less than the projected...
amount, other State aid categories shall be adjusted accordingly so that the
district shall not receive less State aid than as provided in accordance with
the provisions of sections 5 and 16 of P.L.2007, c.260 (C.18A:7F-47 and

of P.L.2007, c.260 (C.18A:7F-43 et al.) but prior to the issuance of State aid
notices for the 2008-2009 school year, that a significant district-specific
change in data warrants an increase in State aid for that district, the com­
missioner may adjust the State aid amount provided for the district in the
December 12, 2007 report to reflect the increase.

b. Each district shall have a required local share. For districts that re­
ceive educational adequacy aid pursuant to subsection b. of section 16 of
P.L.2007, c.260 (C.18A:7F-58), the required local share shall be calculated
in accordance with the provisions of that subsection.

For all other districts, the required local share shall equal the lesser of
the local share calculated at the district's adequacy budget pursuant to sec­
ton 9 of P.L.2007, c.260 (C.18A:7F-51), or the district's budgeted local
share for the prebudget year.

In order to meet this requirement, each district shall raise a general
fund tax levy which equals its required local share.

No municipal governing body or bodies or board of school estimate, as
appropriate, shall certify a general fund tax levy which does not meet the
required local share provisions of this section.

c. Annually, on or before March 4, each district board of education
shall adopt, and submit to the commissioner for approval, together with
such supporting documentation as the commissioner may prescribe, a
budget that provides for a thorough and efficient education. Notwithstand­
ing the provisions of this subsection to the contrary, the commissioner may
adjust the date for the submission of district budgets if the commissioner
determines that the availability of preliminary aid numbers for the subse­
quently school year warrants such adjustment.

Notwithstanding any provision of this section to the contrary, for the
2005-2006 school year each district board of education shall submit a pro­
posed budget in which the advertised per pupil administrative costs do not
exceed the lower of the following:

(1) the district's advertised per pupil administrative costs for the 2004-
2005 school year inflated by the cost of living or 2.5 percent, whichever is
greater; or
(2) the per pupil administrative cost limits for the district's region as determined by the commissioner based on audited expenditures for the 2003-2004 school year.

The executive county superintendent of schools may disapprove the school district's 2005-2006 proposed budget if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district. The executive county superintendent shall work with each school district in the county during the 2004-2005 school year to identify administrative inefficiencies in the operations of the district that might cause the superintendent to reject the district's proposed 2005-2006 school year budget.

For the 2006-2007 school year and each school year thereafter, each district board of education shall submit a proposed budget in which the advertised per pupil administrative costs do not exceed the lower of the following:

(1) the district's prior year per pupil administrative costs; except that the district may submit a request to the commissioner for approval to exceed the district's prior year per pupil administrative costs due to increases in enrollment, administrative positions necessary as a result of mandated programs, administrative vacancies, nondiscretionary fixed costs, and such other items as defined in accordance with regulations adopted pursuant to section 7 of P.L.2004, c.73. In the event that the commissioner approves a district's request to exceed its prior year per pupil administrative costs, the increase authorized by the commissioner shall not exceed the cost of living or 2.5 percent, whichever is greater; or

(2) the prior year per pupil administrative cost limits for the district's region inflated by the cost of living or 2.5 percent, whichever is greater.

(2) (Deleted by amendment, P.L.2007, c.260).

(3) (Deleted by amendment, P.L.2007, c.260).

(4) Any debt service payment made by a school district during the budget year shall not be included in the calculation of the district's adjusted tax levy.

(7) (Deleted by amendment, P.L.2004, c.73).

(8) (Deleted by amendment, P.L.2010, c.44)
(9) Any district may submit at the annual school budget election, in accordance with subsection c. of section 4 of P.L.2007, c.62 (C.18A:7F-39), a separate proposal or proposals for additional funds, including interpretive statements, specifically identifying the program purposes for which the proposed funds shall be used, to the voters, who may, by voter approval, authorize the raising of an additional general fund tax levy for such purposes. In the case of a district with a board of school estimate, one proposal for the additional spending shall be submitted to the board of school estimate. Any proposal or proposals submitted to the voters or the board of school estimate shall not: include any programs and services that were included in the district's prebudget year net budget unless the proposal is approved by the commissioner upon submission by the district of sufficient reason for an exemption to this requirement; or include any new programs and services necessary for students to achieve the thoroughness standards established pursuant to subsection a. of section 4 of P.L.2007, c.260 (C.18A:7F-46).

The executive county superintendent of schools may prohibit the submission of a separate proposal or proposals to the voters or board of school estimate if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district, which efficiencies would eliminate the need for the raising of an additional general fund tax levy.

(10) Notwithstanding any provision of law to the contrary, if a district proposes a budget with a general fund tax levy and equalization aid which exceed the adequacy budget, the following statement shall be published in the legal notice of public hearing on the budget pursuant to N.J.S.18A:22-28, posted at the public hearing held on the budget pursuant to N.J.S.18A:22-29, and printed on the sample ballot required pursuant to section 10 of P.L.1995, c.278 (C.19:60-10):

"Your school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district."

(11) Any reduction that may be required to be made to programs and services included in a district's prebudget year net budget in order for the district to limit the growth in its budget between the prebudget and budget years by its tax levy growth limitation as calculated pursuant to sections 3 and 4 of P.L.2007, c.62 (C.18A:7F-38 and 18A:7F-39), shall only include reductions to excessive administration or programs and services that are inefficient or ineffective.
e. (1) Any general fund tax levy rejected by the voters for a proposed budget that includes a general fund tax levy and equalization aid in excess of the adequacy budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination of the amount that should be expended. If the governing body or bodies or board of school estimate, as appropriate, reduce the district's proposed budget, the district may appeal any of the reductions to the commissioner on the grounds that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall consider enrollment increases or decreases within the district; the history of voter approval or rejection of district budgets; the impact on the local levy; and whether the reductions will impact on the ability of the district to fulfill its contractual obligations. A district may not appeal any reductions on the grounds that the amount is necessary for a thorough and efficient education.

(2) Any general fund tax levy rejected by the voters for a proposed budget that includes a general fund tax levy and equalization aid at or below the adequacy budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination. Any reductions may be appealed to the commissioner on the grounds that the amount is necessary for a thorough and efficient education or that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection.

In addition, the municipal governing body or board of school estimate shall be required to demonstrate clearly to the commissioner that the proposed budget reductions shall not adversely affect the ability of the school district to provide a thorough and efficient education or the stability of the district given the need for long term planning and budgeting.

(3) In lieu of any budget reduction appeal provided for pursuant to paragraphs (1) and (2) of this subsection, the State board may establish pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an expedited budget review process based on a district's application to the commissioner for an order to restore a budget reduction.
(4) When the voters, municipal governing body or bodies, board of education in the case of a school district in which the annual school election has been moved to November pursuant to subsection a. of section 1 of P.L.2011, c.202 (C.19:60-1.1), or the board of school estimate authorize the general fund tax levy, the district shall submit the resulting budget to the commissioner within 15 days of the authorization.

g. (Deleted by amendment, P.L.2007, c.260).

3. Section 4 of P.L.2007, c.62 (C.18A:7F-39) is amended to read as follows:

C.18A:7F-39 Proposal submission required to increase adjusted tax levy, certain circumstances.

4. a. (Deleted by amendment, P.L.2010, c.44)

b. (Deleted by amendment, P.L.2010, c.44)

c. A school district may submit to the voters at the annual school election, or on such other date as is set by regulation of the commissioner, a proposal or proposals to increase the adjusted tax levy by more than the allowable amount authorized pursuant to section 3 of P.L.2007, c.62 (C.18A:7F-38). The proposal or proposals to increase the adjusted tax levy shall be approved if a majority of people voting shall vote in the affirmative. In the case of a school district with a board of school estimate, the additional adjusted tax levy shall be authorized only if a quorum is present for the vote and a majority of those board members who are present vote in the affirmative to authorize the additional adjusted tax levy.

(1) A proposal or proposals submitted to the voters or the board of school estimate to increase the tax levy pursuant to this subsection shall not include any programs or services necessary for students to achieve the core curriculum content standards.

(2) All proposals to increase the tax levy submitted pursuant to this subsection shall include interpretive statements specifically identifying the program purposes for which the proposed funds shall be used and a clear statement on whether approval will affect only the current year or result in a permanent increase in the levy. The proposals shall be submitted and approved pursuant to sections 5 and 6 of P.L.1996, c.138 (C.18A:7F-5 and 18A:7F-6).

d. (Deleted by amendment, P.L.2010, c.44)

e. A school district that has not been granted approval to exceed the cap pursuant to subsection c. of this section, may add to its adjusted tax
levy in any one of the next three succeeding budget years, the amount of the difference between the maximum allowable amount to be raised by taxation for the current school budget year and the actual amount to be raised by taxation for the current school budget year.

4. N.J.S.18A:8-20 is amended to read as follows:

**Powers, duties of first boards of education of new, remaining districts.**

18A:8-20. The first board of education of the new district and the first board of education of the remaining district shall each prepare and submit, if applicable, to the voters of the district, as required by law, the first budgets for said district and they shall make proper provision for an election to be conducted, in accordance with the provisions of P.L.1995, c.278 (C.19:60-1 et al.), for the members of the board of education of the district to replace the appointed members of the board, for such terms that three members of the board of the district, as thereafter constituted, will be elected each year, at an annual election to be held in the district at the same time as that on which the next annual election for the original district would have been held.

5. N.J.S.18A:8-36 is amended to read as follows:

**Appropriations authorized by majority of votes cast.**

18A:8-36. At any election in which an appropriation must be authorized, a majority of the total votes cast thereon in all of the territory of the consolidated school district shall be necessary for the authorization.

6. N.J.S.18A:9-10 is amended to read as follows:

**E lecting additional board members.**

18A:9-10. If the membership of the board in any such district so becoming a type II district is less than nine, it shall be increased to nine by the election of added members at the next annual school election, unless the adopting election shall have been held more than 130 days or less than 60 days before the date fixed for such annual school election, in which case they shall be elected at a special school election which shall be called by the members of the board so holding over.

7. N.J.S.18A:10-3 is amended to read as follows:
Annual organization.

18A:10-3. Each board of education shall organize annually at a regular meeting held not later than at 8 p.m. at which time new members shall take office:

a. In type I districts on May 16, or on the following day if that day be Sunday.

b. In all type II districts with an April school election on any day of the first or second week following the April school election.

c. In all type II districts with a November school election on any day of the first week in January at which time new members shall take office.

If the organization meeting cannot take place on that day by reason of lack of a quorum or for any other reason, said meeting shall be held within three days thereafter.

8. N.J.S.18A:13-8 is amended to read as follows:

Boards of education of regional districts; membership; apportionment.

18A:13-8. The board of education of a regional district shall consist of nine members unless it consists of more than nine constituent districts, in which case the membership shall be the same as the number of constituent districts, plus one. If there are nine or less constituent districts, the members of the board of education of the regional district shall be apportioned by the executive county superintendent or executive county superintendents of the county or counties in which the constituent districts are situate, among said districts as nearly as may be according to the number of their inhabitants except that each constituent district shall have at least one member.

In making the apportionment of the membership of a regional board of education among the several school districts uniting to create a regional school district having nine or less constituent districts, as required by section 18A:13-36, there shall be subtracted from the number of inhabitants of a constituent school district, as shown by the last federal census officially promulgated in this State, the number of such inhabitants who according to the records of the Federal Bureau of the Census were patients in, or inmates of, any State or federal hospital or prison, or who are military personnel stationed at, or civilians residing within the limits of, any United States Army, Navy or Air Force installation, located in such constituent school district.

If there are more than nine constituent districts, the members on the board shall be apportioned among the constituent districts and the weight of their votes in all proceedings of the board shall be determined by the ap-
propriate executive county superintendent or superintendents through the following procedure:

a. The number of inhabitants of each constituent district shall be determined as shown by the last federal census officially promulgated in this State.

b. A representative ratio shall be calculated by adding the number of inhabitants of all constituent districts and dividing the sum by the board size.

c. All constituent districts shall be listed in ascending order of their number of inhabitants. If the first constituent district in said list has a number of inhabitants which is less than the representative ratio, it shall be combined with the constituent district contiguous to it having the smallest number of inhabitants. This process shall be repeated for each successively larger constituent district or combination of constituent districts until all remaining constituent districts or combinations of constituent districts shall have a number of inhabitants equal to, or exceeding the representative ratio. The districts formed in this manner shall be known as representative districts.

d. There shall be established a priority list according to the method of equal proportions for the apportionment of the members of the regional district board of education among the representative districts.

e. The members of the regional district board of education shall be apportioned among the representative districts according to the method of equal proportions, and where a representative district is composed of more than one constituent district, members shall be elected at large from within the representative district.

f. The number of inhabitants of each representative district shall be divided by the number of members assigned to that district to find the number of inhabitants per member.

g. The vote to be cast by each member of the regional district board of education in all proceedings of the board shall be determined by dividing the number of inhabitants per member in the representative district from which the member is elected by the representative ratio for the regional district, and rounding off the quotient to the nearest tenth of a full vote.

Wherever any statute or bylaw of the board requires decision in any matter by vote of a majority of the board members, or of the members present, this shall be interpreted as meaning a majority of the weighted votes of all members, or of the members present, as the case may be.

h. Whenever the above reapportionment procedure is used for a regional district having more than nine constituent districts, the terms of office of all incumbent board of education members shall terminate on the day on which the annual organization meeting of the board is held pursuant to N.J.S.18A:13-12 following certification by the executive county superin-
tendent of the representative districts and the number of members to be
elected from each; provided, that if the reapportionment results in any rep­
resentative district retaining its former boundaries and the same number of
board members, that the members elected from such a district shall serve
the full term for which they were elected. All other board members shall be
elected in an election to be held on the date of the annual school election at
least 60 days following certification by the executive county superintendent
for initial terms of office to be designated in advance by the executive
county superintendent so that, as nearly as possible, one-third of the board
shall be elected in each future year, to serve for three-year terms, and where
a representative district has more than one member, their terms of office
shall terminate in different years.

If any constituent district is a consolidated district, or a district com­
posed of two or more municipalities, and

a. The original district is a limited purpose regional district and such
constituent district has such population that it is entitled to have ap­por­tioned to it a number of members equal to or greater than the number of
districts making up such constituent district, or

b. The regional district is an all purpose district, the membership of
the regional board of education from such district shall be apportioned, and
from time to time reapportioned, and the members from the district shall be
elected, as their respective terms expire, in the same manner as though each
of the municipalities making up such constituent district were constituent
districts of the regional district.

9. N.J.S.18A:13-10 is amended to read as follows:

Annual elections.

18A:13-10. The board of education of each regional district shall pro­vide for the holding, in accordance with the provisions of P.L.1995, c.278
(C.19:60-1 et al.), of an annual school election for the regional district.

At such election there shall be elected for terms of three years, the
members of the regional boards of education to succeed those members of
the board whose terms shall expire in that year, except as is in this chapter
provided for the election of the first elected members of the board. The
term of a member of a regional board of education elected in April shall
begin on any day of the first or second week following the election. The
term of a member of a regional board of education elected in November
shall begin on any day of the first week in January.

In the case of a regional district in which the annual school election is in November, the organization meeting shall be held on any day of the first week in January. If any board shall fail to organize within the designated period, the executive county superintendent of the county, or the executive county superintendents of the counties, in which the constituent districts are situate, shall appoint, from among the members of the board, a president and vice president to serve until the organization meeting next succeeding the next election.

11. N.J.S.18A:13-13 is amended to read as follows:

Appointment of secretary.

18A:13-13. The board shall appoint a secretary who may or may not be a member of the board, for the term of one year beginning on July 1, or January 15 in the case of a regional district in which the annual school election is in November, following his appointment but he shall continue to serve after the expiration of his term until his successor is appointed and qualified. In a district which does not have a treasurer of school moneys, the secretary shall give bond in such amount and with such surety as the board shall direct. The board shall be guided in its determination of the amount of coverage necessary by a schedule of minimum limits promulgated by the State Board of Education.

12. N.J.S.18A:13-14 is amended to read as follows:

Treasurer of school moneys; appointment; term; bond.

18A:13-14. The board may appoint a treasurer of school moneys who shall not be a member or employee of the board and it shall fix his salary. His term of office shall expire annually on June 30 of each year, or January 15 of each year in the case of a regional district in which the annual school election is in November. If a municipal officer is appointed treasurer, his term shall cease if he ceases to hold his municipal office and in either case,
the treasurer shall continue in office after the expiration of his term until his successor is qualified. He shall give bond in such amount, and with such surety, as the board shall direct. The board in its determination of the amount shall be guided by a schedule of minimum limits to be promulgated by the State board.

13. N.J.S.18A:13-17 is amended to read as follows:

Submission of budget; other questions to voters; adherence to procedures.

18A:13-17. a. The regional board of education shall, at each annual April school election, submit to the voters of the regional district the amount of money fixed and determined in its budget to be voted upon for the use of the regional schools of the district for the ensuing school year and may submit thereat any other question authorized by this law to be submitted at such an election. 14. N.J.S.18A:13-19 is amended to read as follows:

In the case of a regional district in which the annual school election is in November, the members so appointed shall serve until the first week in January next succeeding the first annual November school election of the enlarged regional district and their successors shall be elected at that election. If by reason of the enlargement of the district it becomes necessary to reappoint the membership of the enlarged board of education the executive county superintendent or superintendents of the county or counties in which the constituent local districts of the enlarged district are situate shall reappoint the membership of the enlarged board of education in accordance with the
provisions of sections 18A:13-8 and 18A:13-36, and at the same time shall designate the number of members to be elected from each constituent school district at the succeeding annual school election to be held therein upon the expiration of the terms of office of the members of the regional board then in office, in such manner that the representation of the constituent districts shall be established in accordance with such reapportionment at the earliest possible time but the members then in office shall continue in office for the terms for which they were elected or appointed notwithstanding such reapportionment.

Notwithstanding the provisions of R.S.19:6-1, for school elections held at times other than at the time of the general election the county board of the county in which the election district is located shall designate two members of the district board of election to perform all the duties of the district board for that election, except that where electronic voting systems are in use in any election district in which there are more than 900 registered voters, the county board shall designate four members of the district board to perform all the duties of the district board for that election. Notwithstanding the provisions of R.S.19:6-10, the county board shall appoint one of the persons so designated to serve as judge and the other or another, as the case may be, of those persons so designated to serve as inspector for school elections.

b. Notwithstanding the provisions of subsection a. or any other law to the contrary:

(1) Upon the request of a board of education or the clerk of a municipality in the county or upon its own initiative, the county board may designate the polling place and voting equipment of one election district to serve as the polling place and voting equipment for the voters of one or more other election districts for school elections held at times other than at the time of the general election. Such a designation shall be based on the casting of no more than 500 ballots during each of the two preceding annual April school elections by the voters of the election districts for which that polling place is designated. If, at two consecutive annual April school elections thereafter, the number of ballots cast by the voters in those election districts is more than 500, the county board shall effect an appropriate revision of the election districts using that polling place. If a request is from a municipal clerk, the request shall apply only to the election districts in that municipality.

(2) If one polling place is designated for two or more election districts, the county board shall designate at least two members from among the members of the district boards of election of those election districts to perform all the duties of the district board for the school election held at times other than at the time of the general election. The county board shall also appoint one of the persons so designated to serve as judge and another of those persons to serve as inspector for school elections.

35. Section 4 of P.L.1995, c.278 (C.19:60-4) is amended to read as follows:
C.19:60-4 Submission of public questions.

4. The secretary of each board of education shall, not later than 10 o’clock a.m. of the 18th day preceding the annual April school election or a special school election, make and certify and forward to the clerk of the county in which the school district is located a statement designating the public question to be voted upon by the voters of the district which may be required pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et al.) or Title 18A of the New Jersey Statutes.

The secretary of each board of education of a school district in which the annual school election has been moved to November pursuant to subsection a. of section 1 of P.L.2011, c.202 (C.19:60-1.1), not later than 10 o’clock a.m. of the 60th day preceding the November school election, shall make and certify and forward to the clerk of the county in which the school district is located a statement designating any public question to be voted upon by the voters of the district which may be required pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et al.) or Title 18A of the New Jersey Statutes.

7. Each candidate to be voted upon at a school election shall be nominated directly by petition, and the procedures for such nomination shall, to the extent not inconsistent with the provisions of P.L.1995, c.278 (C.19:60-1 et al.), conform to the procedure for nominating candidates by direct petition under chapter 13 of Title 19 of the Revised Statutes. Notwithstanding the provisions of R.S.19:13-5, however, a petition of nomination for such office shall be signed by at least 10 persons, one of whom may be the candidate, and filed with the secretary of the board of education on or before four p.m. of the 50th day preceding the date of the April school election or with the county clerk on or before four p.m. of the day of the holding of the primary election for the general election for candidates seeking election as a member of a board of education at the November school election, as applicable. The signatures need not all appear upon a single petition and any number of petitions may be filed on behalf of any candidate but no petition shall contain the endorsement of more than one candidate.

Any candidate may withdraw as a candidate in a school election by filing a notice in writing, signed by the candidate, of such withdrawal with the secretary of the board of education before the 44th day before the date
of the April election or with the county clerk on the 60th day before the date of the November election, as applicable, and thereupon the name of that candidate shall be withdrawn by the secretary of the board of education and shall not be printed on the ballot.

A vacancy created by a declination of nomination or withdrawal by, or death of, a nominee, or in any other manner, shall be ineligible to be filled under the provisions of R.S.19:13-19 or otherwise.

Whenever written objection to a petition of nomination hereunder shall have been made and timely filed with the secretary of the board of education or with the county clerk, as may be appropriate, the board of education shall file its determination of the objection on or before the 44th day preceding the April school election or the county clerk shall file the clerk's determination of the objection on or before the 10th day after the last day for the filing of petitions for candidates seeking election as a member of a board of education at the November school election, as applicable. The last day upon which a candidate whose petition of nomination or any affidavit thereto is defective may amend such petition or affidavit shall be the 44th day before the April election or the 10th day after the last day for the filing of petitions for candidates seeking election as a member of a board of education at the November election, as applicable.

37. Section 9 of P.L.1995, c.278 (C.19:60-9) is amended to read as follows:

C.19:60-9 Ballot, form, contents.

9. The ballot for a school election shall be a single or blanket form of ballot, upon which shall be printed in bold-faced type the words "OFFICIAL SCHOOL ELECTION BALLOT" or "OFFICIAL SPECIAL SCHOOL ELECTION BALLOT," as appropriate.

Any public question which is to be submitted to the voters at a school election shall be printed in a separate space below or to the right of, as the county clerk shall determine, the listing of candidates in the election.

In the columns in which are listed the titles of the offices to be filled at a school election and the names of candidates for those offices, the title of
and the names of candidates for the office of member of the regional board of education shall appear above the title of and the names of candidates for the office of member of the local board of education. With respect to either office, in the event that one or more persons are to be elected to membership thereon for a full term and one or more persons are to be elected to membership thereon to fill an unexpired term, the ballots shall designate which of the candidates to be voted for is to be elected for a full term and which for an unexpired term. In all cases in which one or more persons are to be elected for an unexpired term, the ballots shall indicate the duration of that unexpired term.

All public questions to be voted upon at a school election by the voters of more than one municipality shall be placed first before any question to be voted upon at that election by the voters of a single municipality. When the public question to be voted upon by the voters of a regional school district is the amount of money to be raised for the use of the regional schools of the district, the amount of money determined to be the constituent municipality's share thereof may be identified on the ballot pursuant to N.J.S.18A:13-17.

Every county clerk shall have ready for the printer a copy of the contents of official ballots required by law to be printed for use at a school election, as follows: in the case of the annual April school election, not later than the 17th day preceding that election; in the case of any special school election, not later than two business days following receipt by the clerk of official notice of the complete content of the ballot to be voted upon at that election; and in the case of the annual November school election, in accordance with the provisions of R.S.19:14-1.

The ballots for an annual school election to be held simultaneously with the general election shall be in accordance with the provisions of chapter 14 of Title 19 of the Revised Statutes.

At an annual school election held simultaneously with the general election, the names of the candidates for the office of member of the board of education shall appear on the ballot separately from the names of candidates for other offices whenever possible. Any proposals for additional funds pursuant to paragraph (9) of subsection d. of section 5 of P.L.1996, c.138 (C.18A:7F-5) shall appear on the ballot near the names of the candidates for the office of member of the board of education whenever possible.

38. Section 11 of P.L.1995, c.278 (C.19:60-11) is amended to read as follows:
C.19:60-11 Use of poll list in lieu of signature copy register.

11. The district board of election shall, for any school election held at a time other than the time of the general election, utilize a poll list instead of the signature copy register. The poll list shall be arranged in a column or columns appropriately headed so as to indicate the election, the date thereof, and the school district and election district in which the same is used, in such a manner that each voter voting in the polling place at the election may sign the voter's name and state the voter's address therein and the number of the voter's official ballot may be indicated opposite the signature. The district board shall compare the signature in the poll lists with that in the signature copy registers before accepting the ballot.

If one polling place is designated for two or more election districts pursuant to subsection b. of section 3 of P.L.1995, c.278 (C.19:60-3), the provisions of this section shall apply to the members of the district boards of election designated to serve as the election officers at the polling place for those election districts. CHAPTER 203

AN ACT concerning the wastewater management planning process.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The “Water Quality Planning Act,” P.L.1977, c.75 (C.58:11A-1 et seq.) establishes a continuing water quality management planning process and requires that opportunities for meaningful public participation be provided during all phases of the process;
   b. Pursuant to rules and regulations adopted by the Department of Environmental Protection, and subsequent revisions thereto, county wastewater management plans were required to be submitted to the department by April 7, 2011, or where a municipal government assumed responsibility from the county, by July 7, 2011;
   c. The department’s rules and regulations also provide that, if a county or municipal government fails to submit a wastewater management plan in compliance with the applicable deadlines, wastewater service areas in wastewater management plans, and sewer service areas in water quality management plans where no wastewater management plan has been prepared, must be withdrawn;
   d. In areas where wastewater service areas or sewer service areas are withdrawn, certain development projects and activities will be deemed inconsistent with the applicable water quality management plan, which could preclude the issuance of permits or approvals for development projects or activities by the department;
   e. There may be unacceptable, adverse environmental and planning impacts from the non-discretionary and mandatory withdrawal of wastewater service areas, including sewer service areas;
f. The withdrawal of wastewater service areas, including sewer service areas, would have significant negative economic impacts in many areas of the State, which could intensify the current economic recession by delaying or precluding beneficial development projects and activities that generate jobs, act as sources of fee generating activities for sewerage treatment authorities and other public and private utilities, and act as a source of State tax and other revenues;

g. Site specific amendments or revisions to wastewater management plans and water quality management plans are sometimes required to allow environmentally sound development projects or activities to be deemed consistent with the applicable water quality management plan, so that the Department of Environmental Protection may issue permits and approvals for development projects or activities; and

h. It therefore is in the public interest that wastewater service areas, including sewer service areas, not be withdrawn except in conjunction with the promulgation of wastewater management plans prepared with appropriate public participation, and that the Department of Environmental Protection proceed with the timely review and approval of site specific amendments or revisions to wastewater management plans and water quality management plans.

2. As used in this act:
   “Commissioner” means the Commissioner of Environmental Protection.
   “Department” means the Department of Environmental Protection.
   “Individual subsurface sewage disposal facility” means a system for the disposal of sanitary sewage into the ground, which is designed and constructed to treat sanitary sewage in a manner that will retain most of the settled solids in a septic tank and discharge the liquid effluent to a disposal field.
   “Revision” means “revisions” as defined by the department’s Water Quality Management Planning rules at N.J.A.C.7:15-1.5.
   “Sewer service area” means the land area identified in an areawide water quality management plan from which wastewater generated is designated to flow to a domestic treatment works or industrial treatment works.
   “Site specific amendment” means an amendment to a wastewater management plan or a water quality management plan which permits a proposed development project or activity having a wastewater planning flow of less than 20,000 gallons per day, or being less than 100 acres in size, to become consistent with the applicable wastewater management plan or water quality management plan. A site specific amendment shall not include
amendments or changes to the Statewide Water Quality Management Plan or changes to incorporate a total maximum daily load.

"Wastewater management plan" means a written and graphic description of existing and future wastewater related jurisdictions, wastewater service areas, and selected environmental features and treatment works, and includes a wastewater management plan update.

"Wastewater management planning agency" means a governmental unit that has responsibility to prepare, submit, and periodically update a wastewater management plan pursuant to the department’s rules and regulations and provide comments on proposed amendments and revisions to the wastewater management plan.

"Wastewater service area" means a sewer service area, a general service area approved for wastewater facilities with planning flows of less than 20,000 gallons per day which discharge to groundwater, and a general service area for wastewater facilities with planning flows of less than 2,000 gallons per day which discharge to groundwater, as designated in any wastewater management plan or water quality management plan.

3. Notwithstanding any other law, or rule or regulation adopted pursuant thereto, to the contrary, any wastewater service area designation in a wastewater management plan, and any sewer service area designation in a portion of a water quality management plan where no wastewater management plan was ever prepared, shall not be withdrawn and shall remain in effect for 180 days after the date of enactment of this act or such longer time as the commissioner may determine.

4. Notwithstanding any other law, or rule or regulation adopted pursuant thereto, to the contrary, on or before the 180th day after the date of enactment of this act or such longer time as the commissioner may determine, each wastewater management planning agency, which has not submitted a wastewater management plan prior to the date of enactment of this act, shall prepare and submit to the department at least that portion of a wastewater management plan designating a sewer service area, which shall comply with the department’s regulatory criteria. The department may adopt the entire plan or a portion thereof, and upon adoption, the plan or portion thereof shall take effect. Any preexisting sewer service area designation or
wastewater service area designation shall remain in effect until such time as the department adopts the new plan or portion thereof establishing sewer service area designations or other wastewater service area designations, as the case may be.

5. The department, in consultation with the applicable wastewater management planning agency, may approve the inclusion of land within a sewer service area notwithstanding that existing treatment works may not currently have the assured capacity to treat wastewater from such land without infrastructure improvements or permit modifications.

6. a. Following submission of that portion of the wastewater management plan designating a sewer service area, pursuant to section 4 of this act, the department shall review any application submitted for a site specific amendment or revision to the wastewater management plan or water quality management plan.

b. An application for a site specific amendment or revision to a wastewater management plan or water quality management plan may be submitted by or on behalf of any party, including, but not limited to, any county, municipality or individual landowner.

c. The department may require an applicant for a site specific amendment or revision to a wastewater management plan or water quality management plan to submit to the department any additional documentation necessary to determine compliance with regulatory criteria. There shall be a presumption that an applicant shall not be required to submit engineered subdivision or site plans to the department, absent the existence of a demonstrated need therefor. If the department finds a demonstrated need that requires the submission of engineered subdivision or site plans, the department shall provide to the applicant, in writing, an explanation of the need and a detailed description thereof.

7. The department shall review an application for a site specific amendment to a wastewater management plan or water quality management plan located in a sewer service area in the following manner:

a. On or before the 60th day after receipt of an application for a site specific amendment to a wastewater management plan or water quality management plan, the department shall complete a review of the application for administrative and technical completeness. The application shall be deemed complete after the 60th day following the date of receipt by the department unless the department notifies the applicant in writing that addi-
tional information is required. Upon receipt of such additional information, the department shall complete its administrative and technical review, unless the department has advised the applicant in writing that deficiencies remain and that additional information is required.

b. Any application for a site specific amendment pending before the department on the effective date of this section shall be deemed complete, unless the department notifies the applicant in writing on or before the 60th day after the effective date of this section that additional information is required.

c. On or before the 180th day after an application for a site specific amendment is deemed complete, the department shall review the application for compliance with regulatory criteria. Notwithstanding the provisions of any law, or rule or regulation adopted pursuant thereto, to the contrary, upon a determination of compliance with regulatory criteria, the department shall publish notice of the application in the DEP Bulletin no more than 30 days after receipt of confirmation that the designated wastewater management planning agency is prepared to proceed to the public comment period portion of this process. Publication of notice in the DEP Bulletin shall be immediately followed by a 30-day public comment period on the application.

d. If any data, information, or arguments submitted during the public comment period or in response to a request for a written statement of consent appear to raise substantial new questions concerning a proposed plan amendment, the department may:

(1) reopen or extend the public comment period for not more than 30 additional days in order to provide interested persons opportunity to comment on the information or arguments submitted;

(2) request additional information from the applicant within 30 days after conclusion of the public comment period; or

(3) return the application for a site specific amendment to the applicant for any changes deemed by the department to be necessary and substantial. If based upon the return of the application by the department the applicant submits a revised application, the department shall review the revised application in the same manner as set forth in this section.

e. On or before the 65th day after the conclusion of the public comment period, or receipt of additional information from the applicant, or receipt of the wastewater management planning agency’s final decision, or other required agency review, whichever comes later and as may be applicable, the department shall:

(1) adopt the amendment as proposed;

(2) adopt the proposed amendment with changes; or
(3) disapprove the proposed amendment.

f. The department and applicant may consent in writing to an extension of any time period established in this section.

g. The department shall publish notice of the final action on an application for a site specific amendment in the DEP Bulletin.

8. If a wastewater management planning agency submits only that portion of the wastewater management plan that provides for the designation of a sewer service area, the remaining lands shall be eligible for the installation of individual subsurface sewage disposal facilities in the following manner:

a. A proposed development or activity having a wastewater planning flow of greater than 8,000 gallons per day and less than 20,000 gallons per day that results in a discharge to groundwater shall be processed by the department as a site specific amendment, and may be approved if it meets the technical requirements for eligibility for a New Jersey Pollutant Discharge Elimination System Discharge to Groundwater permit issued pursuant to the "Water Pollution Control Act," P.L.1977, c.74 (C.58:10A-1 et seq.) and rules and regulations adopted pursuant thereto.

b. A proposed development or activity having a wastewater planning flow of greater than 2,000 gallons per day and less than 8,000 gallons per day that results in a discharge to groundwater shall be processed by the department as a revision to the applicable wastewater management plan or water quality management plan, and may be approved if it meets the technical requirements for eligibility for a New Jersey Pollutant Discharge Elimination System Discharge to Groundwater permit issued pursuant to the "Water Pollution Control Act," P.L.1977, c.74 (C.58:10A-1 et seq.) and rules and regulations adopted pursuant thereto.

c. The department shall approve, conditionally approve, or disapprove an application for a site specific amendment or revision pursuant to this section on or before the 90th day following the date that the application is deemed complete, provided, however, that this time period may be extended for 30 days by the mutual consent of the applicant and the department. If the department fails to take action on an application for a site specific amendment or revision pursuant to this section within the period specified in this subsection, the application shall be deemed approved.

9. Nothing in this act shall preclude a wastewater management planning agency from preparing and submitting, or the department from accepting, other portions of a wastewater management plan in addition to those
portions that provide for the designation of a sewer service area pursuant to the “Water Quality Planning Act,” P.L.1977, c.75 (C.58:11A-1 et seq.).

10. Nothing in this act shall be construed to:
   a. modify the provisions of the “Pinelands Protection Act,” P.L.1979, c.111 (C.13:18A-1 et seq.), or the comprehensive management plan for the pinelands area or any rule or regulation adopted pursuant to P.L.1979, c.111 and section 502 of the “National Parks and Recreation Act of 1978” (Pub.L. 95-625); or
   b. apply to the revocation of designated sewer service areas and the expiration of any associated treatment works approvals in the impacted areas within the Highlands preservation area pursuant to section 42 of the “Highlands Water Protection and Planning Act,” P.L.2004, c.120 (C.58:11A-7.1).

11. Sections 1 through 5 inclusive, and 9 and 10 of this act shall take effect immediately, and sections 6, 7, and 8 shall take effect on the 120th day after the date of enactment of this act; however, the Department of Environmental Protection may take such anticipatory actions as are necessary in advance of the effective date of sections 6, 7, and 8 to ensure the timely implementation of those sections on the effective date thereof. This act shall expire two years after the date of enactment.

CHAPTER 205

AN ACT concerning the establishment of off-track wagering facilities and

BE IT ENACTED by the Senate and General Assembly of the State of

New Jersey:

1. Section 4 of P.L.2001, c.199 (C.5:5-130) is amended to read as fol-

lows:

C.5:5-130 Issuance of license to permit off-track wagering; establishment of facilities.

4. a. The commission is authorized to issue a license to the authority to

permit off-track wagering at a specified facility, upon application of the

authority and in accordance with the provisions of this act. A license issued

pursuant to this act shall be valid for a period of one year. The commission

shall issue a license pursuant to this subsection only if the permit holder at

Monmouth Park and the thoroughbred and standardbred permit holders at

Meadowlands Racetrack schedule at least the minimum number of race

dates required in section 30 of this act, P.L.2001, c.199 (C.5:5-156), and it

is satisfied that the authority has entered into a participation agreement with

each and every other person, partnership, association, corporation, or au-

thority or the successor in interest to such person, partnership, association,

corporation or authority that:

(1) held a valid permit to hold or conduct a race horse meeting within

this State in the calendar year 2000;

(2) has complied with the terms of such permit; and

(3) is in good standing with the commission and the State of New Jer-

sey.

An off-track wagering license may not be transferred or assigned to a

successor in interest without the approval of the commission and the Attor-

ney General, which approval may not be unreasonably withheld.
b. (1) As part of the license application process, any participation agreement entered into for the purposes of subsection a. of this section, or any modification to the agreement made thereafter, shall be reviewed by the commission and the Attorney General to determine whether the agreement meets the requirements of this act and shall be subject to the approval of the commission and the Attorney General. Notwithstanding any other law, rule, or regulation to the contrary, a permit holder subject to a participation agreement entered into prior to the effective date of P.L.2011, c.26 shall have made progress since the signing of that agreement toward establishing the permit holder's share of the 15 off-track wagering facilities authorized pursuant to section 10 of P.L.2001, c.199 (C.5:5-136), provided that any facility that has not received a license under section 7 of P.L.2001, c.199 (C.5:5-133) on the effective date of this act, P.L.2011, c.205 shall be subject to a cash deposit, a bond, or an irrevocable letter of credit to be posted or deposited by the permit holder in the amount of $1 million for each facility in the permit holder's share that remains to be licensed, which deposit shall be paid to the commission within 180 days of the effective date of this act, P.L.2011, c.205. A permit holder making a deposit or posting a bond, or irrevocable letter of credit, in connection with one or more of the off-track wagering facilities in the permit holder's share that remain to be established shall obtain the license and make substantial progress in the commission's judgment pursuant to the progress benchmarks issued by the commission and the New Jersey Economic Development Authority under subsection e. of this section toward establishing the off-track wagering facility or facilities within one-year of making the deposit, or posting the bond, or irrevocable letter of credit, and if so the deposit, bond, or irrevocable letter of credit shall be returned to the permit holder at the end of the one-year period, or the amount deposited or posted shall be forfeited and distributed by the commission to the representative horsemen's organization in this State for use in establishing an off-track wagering facility or facilities under paragraph (2) of this subsection. Any facility that has not been licensed on the effective date of this act, P.L.2011, c.205, and for which a deposit, bond, or irrevocable letter of credit is not made or posted, and any facility for which a deposit, bond, or irrevocable letter of credit is made or posted which has not been licensed and made progress toward establishment within one year of making such deposit or posting the bond, or irrevocable letter of credit, shall no longer be considered as part of the permit holder's share, and shall be available to be established by a horsemen's organization in this State as provided by paragraph (2) of this subsection. However, if the commission finds that a permit holder is making progress toward ob-
taining an off-track wagering license and establishing an off-track wagering facility according to specified benchmarks developed by the commission, the commission may allow a permit holder to retain its share of the off-track wagering facilities to be established, provided the permit holder continues to make progress on an annual basis. For the purposes of this section, a permit holder shall be deemed to have made progress toward establishing its share of off-track wagering facilities, and shall not be subject to a cash deposit or be required to post a bond or irrevocable letter of credit as set forth in this section, if it has entered into an agreement, in connection with good faith negotiations over the sale or lease of a racetrack under the permit holder's control, to transfer allocated off-track wagering licenses or facilities to an individual or entity that is a bona fide prospective purchaser or lessee, or has demonstrated to the satisfaction of the Commission that the execution of such an agreement is imminent based upon the portions of such an agreement agreed upon in principle by the parties as evidenced by a memorandum of understanding or similar accord, or has demonstrated to the satisfaction of the commission that negotiations concerning such an agreement have been unsuccessful and the permit holder has plans for soliciting new sources of interest or entering into new negotiations that, in the judgment of the commission, have a reasonable likelihood of resulting in a successful conclusion.

(2) The commission is authorized to issue a license or licenses to any horsemen's organization in this State, for the establishment of one or more of the remaining off-track wagering facilities in partnership with other horsemen's organizations in this State, the authority, or private investors, in accordance with all applicable provisions of the "Off-Track and Account Wagering Act," P.L.2001, c.199 (C.5:5-127 et seq.). Notwithstanding any provision of this paragraph to the contrary, a representative standardbred horsemen's organization shall have the right to establish the off-track wagering facilities not established by the permit holder at Freehold Raceway as provided under paragraph (1) of this subsection, and to receive any deposit, bond, or irrevocable letter of credit forfeited by that permit holder for the establishment of one or more of those off-track wagering facilities, except that if a representative standardbred horsemen's organization does not make application therefore, or fails to make progress in establishing the facility or facilities as provided herein, any amounts received shall be returned as provided in this paragraph and the facility or facilities shall be available to be established in accordance with subsection c. of this section. A horsemen's organization shall make progress on an annual basis in establishing an off-track wagering facility from the date the organization is eligible to apply for
an initial license pursuant to this subsection, provided that any facility that
has not received a license under section 7 of P.L.2001, c.199 (C.5:5-133)
within a reasonable timeframe from the date the horsemen's organization
became eligible to apply for its initial license shall no longer be considered
eligible to be established by a horsemen's organization under this paragraph,
and shall be available to be established by a well-suited entity pursuant to
subsection c. of this section. When a horsemen's organization under this
paragraph has received the sum of $1 million as provided under paragraph
(1) of this subsection, the horsemen's organization shall have one year from
the date the funds are allocated to it by the commission to obtain a license
and make substantial progress in establishing the off-track wagering facility
or facilities, provided that, if the horsemen's organization fails to make pro­
gress within that year, in the commission's judgment pursuant to the pro­
gress benchmarks issued by the commission and the New Jersey Economic
Development Authority under subsection e. of this section, the horsemen’s
organization shall be liable to return to the commission the funds allocated
to it in their entirety at the end of the one year period, and the commission
shall return such funds to the permit holder originally making the deposit, or
posting the bond or irrevocable letter of credit, to be used for capital im­
provements at the permit holder's racetrack.

c. With respect to any licenses that remain to be issued under para­
graph (2) of subsection b. of this section, the commission is also authorized
to issue a license to a well-suited entity to permit off-track wagering at a
specified facility, upon application of the entity and in accordance with the
provisions of this act and the provisions of section 14 of P.L.1940, c.17
(C.5:5-34). A license issued pursuant to this act shall be valid for a period
of one year and, if the licensed entity is not a permit holder in this State, the
license shall be contingent upon the licensee showing simulcast New Jersey
races and allowing wagering thereon at the off-track wagering facility, sub­
ject to the rules and regulations of the commission, and shall be issued only
if the permit holders schedule at least the minimum number of race dates
required in section 30 of P.L.2001, c.199 (C.5:5-156). In assessing the
qualifications of an entity to establish and conduct an off-track wagering
facility, the commission shall apply substantially similar standards and cri­
teria to those applied to the authority, its assignees, and other permit holders
and licensees in the State. These standards and criteria shall enable the
commission to determine by clear and convincing evidence in the opinion
of the commission that the person or persons applying for licensure on be­
half of the entity are well-suited to receive licensure, and shall include, but
may not be limited to:
(1) proof of financial resources sufficient to enable the entity to estab-

lish and conduct a quality off-track wagering facility or facilities with appro-

riately staffed and managed operations;

(2) evidence of good character, honesty, competency and integrity;

(3) the absence of a conviction for a crime involving fraud, dishonesty

or moral turpitude; and

(4) any additional standards and criteria the commission may establish

by rule or regulation in accordance with this act.

d. (1) The commission, in consultation with the State Treasurer, shall

develop a process by which the commission will accept bids for each off-

track wagering license to be awarded under this act, P.L.2001, c.199. An off-

track wagering licensee and an entity interested in establishing an off-track

wagering facility and being licensed as an off-track wagering licensee shall

be eligible to submit a bid. The bidding process shall include procedures for

the establishment of a minimum bid threshold, for the selection of a success-

ful bidder and, when the successful bidder is not yet licensed as an off-track

wagering licensee, for the awarding of a bid to that successful bidder subject

to its eligibility to be licensed as an off-track wagering licensee in compli-

ance with the provisions of this act, P.L.2001, c.199. As part of the bidding

process, and in addition to submitting a monetary bid, a bidder shall submit

to the commission a conceptual plan of the off-track wagering facility the

bidder intends to establish, which shall include, but may not be limited to, a

description of the proposed facility and the amenities it would offer, and its

proposed or intended location. In selecting a successful bidder, the commis-

sion shall consider and balance the following: (a) the monetary value of the

bid in comparison to other bids submitted; (b) the level of quality of the pro-

posed facility and amenities in striving to be a first-rate experience for the

customer that includes the provision of first-class dining facilities; (c) the

potential of the proposed facility and amenities to generate greater interest in

the horse racing industry and the sport of horse racing in the State; and (d) the

proximity of the bidder's proposed or intended location for the off-track wa-

gering facility and its impact on other planned or existing off-track wagering

facilities and racetracks in the State. For the purposes of this act, P.L.2001,
c.199, a successful bid shall be conditional upon the successful bidder's com-
pliance with all the provisions of this act, P.L.2001, c.199, and the applicable
rules and regulations promulgated by the commission.

(2) The commission shall consider the amount of a successful bid pur-

suant to paragraph (1) of this subsection as a license fee in connection with

the issuance of an initial license to an off-track wagering facility licensee. The

initial license fee need not be uniform for all off-track wagering facility
licenses, and may vary depending on the results of the bidding process for each license. The proceeds generated by the initial license fee shall be distributed as follows: 50% to the New Jersey Thoroughbred Horsemen's Association for programs designed to aid the horsemen, and 50% to the Standardbred Breeders' and Owners' Association of New Jersey for programs designed to aid the horsemen.

e. The commission shall, in consultation with the New Jersey Economic Development Authority, develop progress benchmarks, within three months of the effective date of P.L.2011, c.26, for each off-track wagering licensee to follow for the timely and expeditious establishment of each off-track wagering facility. Such benchmarks shall provide that a permit holder shall be deemed to have made progress toward establishing its share of off-track wagering facilities if it has entered into an agreement, in connection with good faith negotiations over the sale or lease of a racetrack under the permit holder's control, to transfer allocated off-track wagering licenses or facilities to an individual or entity that is a bona fide prospective purchaser or lessee, or has demonstrated to the satisfaction of the Commission that the execution of such an agreement is imminent based upon the portions of such an agreement agreed upon in principle by the parties as evidenced by a memorandum of understanding or similar accord, or has demonstrated to the satisfaction of the commission that negotiations concerning such an agreement have been unsuccessful and the permit holder has plans for soliciting new sources of interest or entering into new negotiations that, in the judgment of the commission, have a reasonable likelihood of resulting in a successful conclusion. The failure of a licensee to meet the benchmarks shall constitute a basis for the denial by the commission of the renewal of the off-track wagering license, except that the licensee shall have the right to appeal the commission's decision.

2. This act shall take effect immediately and shall be retroactive to December 31, 2011.

Approved January 17, 2012.

CHAPTER 212

AN ACT concerning certain road markings, amending P.L.1951, c.23, and supplementing Title 27 and Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.27:7-44.16 Findings, declarations relative to road markings containing inorganic arsenic.

1. The Legislature finds and declares that inorganic arsenic is a hazardous substance and is recognized by the United States Environmental Protection Agency and the United States Occupational Safety and Health Administration as a human carcinogen; that release of this substance to the environment may lead to contamination of soil and water; that the ingestion or inhalation of soil, water, plant material, or animal tissues contaminated with inorganic arsenic may lead to lung cancer, damage to the nervous system, or, in extreme cases, death from systemic poisoning; that reflective glass beads are used to reflect light when applied to roadway markers; that glass beads which contain more than 100 parts per million inorganic arsenic may represent a danger to workers who handle and apply them and a contamination potential to soil and water surrounding roadways.

The Legislature therefore determines that it is in the public interest to prohibit the manufacture, sale, or use of glass beads containing more than 100 parts per million inorganic arsenic used to reflect light when applied to markings on roadways.

C.27:7-44.17 Manufacture, sale of certain reflective glass beads prohibited; violations, penalties.

2. a. CHAPTER 213

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 10 of P.L.1991, c.261 (C.2C:25-26) is amended to read as follows:

C.2C:25-26 Release of defendant before trial; conditions.

10. a. When a defendant charged with a crime or offense involving domestic violence is released from custody before trial on bail or personal recognizance, the court authorizing the release may as a condition of release issue an order prohibiting the defendant from having any contact with the victim including, but not limited to, restraining the defendant from entering the victim's residence, place of employment or business, or school, and from harassing or stalking the victim or the victim's friends, co-workers, or relatives in any way. The court may also enter an order prohibiting the defendant from having any contact with any animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household. In addition, the court may enter an order directing the possession of the animal and providing that the animal shall not be disposed of prior to the disposition of the crime or offense. The court may enter an order prohibiting the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1 and ordering the search for and seizure of any such weapon at any location where the judge has reasonable cause to believe the weapon is located. The judge shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

b. The written court order releasing the defendant shall contain the court's directives specifically restricting the defendant's ability to have contact with the victim, the victim's friends, co-workers, or relatives, or any animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household. The clerk of the court or other person designated by the court shall provide a copy of this order to the victim forthwith.

c. The victim's location shall remain confidential and shall not appear on any documents or records to which the defendant has access.

d. Before bail is set, the defendant's prior record shall be considered by the court. The court shall also conduct a search of the domestic violence central registry. Bail shall be set as soon as is feasible, but in all cases within 24 hours of arrest.

e. Once bail is set it shall not be reduced without prior notice to the county prosecutor and the victim. Bail shall not be reduced by a judge other than the judge who originally ordered bail, unless the reasons for the
amount of the original bail are available to the judge who reduces the bail and are set forth in the record.

f. A victim shall not be prohibited from applying for, and a court shall not be prohibited from issuing, temporary restraints pursuant to this act because the victim has charged any person with commission of a criminal act.

2. Section 11 of P.L.1991, c.261 (C.2C:25-27) is amended to read as follows:

C.2C:25-27 Conditions of sentencing of defendant found guilty of domestic violence.

11. a. When a defendant is found guilty of a crime or offense involving domestic violence and a condition of sentence restricts the defendant's ability to have contact with the victim, the victim's friends, co-workers, or relatives, or an animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household, that condition shall be recorded in an order of the court and a written copy of that order shall be provided to the victim by the clerk of the court or other person designated by the court. In addition to restricting a defendant's ability to have contact with the victim, the victim's friends, co-workers, or relatives, or an animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household, the court may require the defendant to receive professional counseling from either a private source or a source appointed by the court, and if the court so orders, the court shall require the defendant to provide documentation of attendance at the professional counseling. In any case where the court order contains a requirement that the defendant receive professional counseling, no application by the defendant to dissolve the restraining order shall be granted unless, in addition to any other provisions required by law or conditions ordered by the court, the defendant has completed all required attendance at such counseling.

b. In addition the court may enter an order directing the possession of an animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household. Where a person has abused or threatened to abuse such animal, there shall be a presumption that possession of the animal shall be awarded to the non-abusive party.

3. Section 12 of P.L.1991, c.261 (C.2C:25-28) is amended to read as follows:

C.2C:25-28 Filing complaint alleging domestic violence in Family Part; proceeding.

12. a. A victim may file a complaint alleging the commission of an act of domestic violence with the Family Part of the Chancery Division of the
Superior Court in conformity with the Rules of Court. The court shall not dismiss any complaint or delay disposition of a case because the victim has left the residence to avoid further incidents of domestic violence. Filing a complaint pursuant to this section shall not prevent the filing of a criminal complaint for the same act.

On weekends, holidays and other times when the court is closed, a victim may file a complaint before a judge of the Family Part of the Chancery Division of the Superior Court or a municipal court judge who shall be assigned to accept complaints and issue emergency, ex parte relief in the form of temporary restraining orders pursuant to this act.

A plaintiff may apply for relief under this section in a court having jurisdiction over the place where the alleged act of domestic violence occurred, where the defendant resides, or where the plaintiff resides or is sheltered, and the court shall follow the same procedures applicable to other emergency applications. Criminal complaints filed pursuant to this act shall be investigated and prosecuted in the jurisdiction where the offense is alleged to have occurred. Contempt complaints filed pursuant to N.J.S.2C:29-9 shall be prosecuted in the county where the contempt is alleged to have been committed and a copy of the contempt complaint shall be forwarded to the court that issued the order alleged to have been violated.

b. The court shall waive any requirement that the petitioner's place of residence appear on the complaint.

c. The clerk of the court, or other person designated by the court, shall assist the parties in completing any forms necessary for the filing of a summons, complaint, answer or other pleading.

d. Summons and complaint forms shall be readily available at the clerk's office, at the municipal courts and at municipal and State police stations.

e. As soon as the domestic violence complaint is filed, both the victim and the abuser shall be advised of any programs or services available for advice and counseling.

f. A plaintiff may seek emergency, ex parte relief in the nature of a temporary restraining order. A municipal court judge or a judge of the Family Part of the Chancery Division of the Superior Court may enter an ex parte order when necessary to protect the life, health or well-being of a victim on whose behalf the relief is sought.

g. If it appears that the plaintiff is in danger of domestic violence, the judge shall, upon consideration of the plaintiff's domestic violence complaint, order emergency ex parte relief, in the nature of a temporary restraining order. A decision shall be made by the judge regarding the emergency relief forthwith.
h. A judge may issue a temporary restraining order upon sworn testimony or complaint of an applicant who is not physically present, pursuant to court rules, or by a person who represents a person who is physically or mentally incapable of filing personally. A temporary restraining order may be issued if the judge is satisfied that exigent circumstances exist sufficient to excuse the failure of the applicant to appear personally and that sufficient grounds for granting the application have been shown.

i. An order for emergency, ex parte relief shall be granted upon good cause shown and shall remain in effect until a judge of the Family Part issues a further order. Any temporary order hereunder is immediately appealable for a plenary hearing de novo not on the record before any judge of the Family Part of the county in which the plaintiff resides or is sheltered if that judge issued the temporary order or has access to the reasons for the issuance of the temporary order and sets forth in the record the reasons for the modification or dissolution. The denial of a temporary restraining order by a municipal court judge and subsequent administrative dismissal of the complaint shall not bar the victim from refiling a complaint in the Family Part based on the same incident and receiving an emergency, ex parte hearing de novo not on the record before a Family Part judge, and every denial of relief by a municipal court judge shall so state.

j. Emergency relief may include forbidding the defendant from returning to the scene of the domestic violence, forbidding the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1, ordering the search for and seizure of any such weapon at any location where the judge has reasonable cause to believe the weapon is located and the seizure of any firearms purchaser identification card or permit to purchase a handgun issued to the defendant and any other appropriate relief. Other appropriate relief may include but is not limited to an order directing the possession of any animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household and providing that the animal shall not be disposed of prior to entry of a final order pursuant to section 13 of P.L.1991, c.261 (C.2C:25-29).

The judge shall state with specificity the reasons for and scope of any search and seizure authorized by the order. The provisions of this subsection prohibiting a defendant from possessing a firearm or other weapon shall not apply to any law enforcement officer while actually on duty, or to any member of the Armed Forces of the United States or member of the National Guard while actually on duty or traveling to or from an authorized place of duty.
k. The judge may permit the defendant to return to the scene of the
domestic violence to pick up personal belongings and effects but shall, in
the order granting relief, restrict the time and duration of such permission
and provide for police supervision of such visit.

l. An order granting emergency relief, together with the complaint or
complaints, shall immediately be forwarded to the appropriate law en­
forcement agency for service on the defendant, and to the police of the mu­
nicipality in which the plaintiff resides or is sheltered, and shall immedi­
ately be served upon the defendant by the police, except that an order is­
issued during regular court hours may be forwarded to the sheriff for imme­
diate service upon the defendant in accordance with the Rules of Court. If
personal service cannot be effected upon the defendant, the court may order
other appropriate substituted service. At no time shall the plaintiff be asked
or required to serve any order on the defendant.

m. (Deleted by amendment, P.L.1994, c.94.)

n. Notice of temporary restraining orders issued pursuant to this sec­
tion shall be sent by the clerk of the court or other person designated by the
court to the appropriate chiefs of police, members of the State Police and
any other appropriate law enforcement agency or court.

o. (Deleted by amendment, P.L.1994, c.94.)
p. Any temporary or final restraining order issued pursuant to this act
shall be in effect throughout the State, and shall be enforced by all law en­
forcement officers.

q. Prior to the issuance of any temporary or final restraining order is­sued pursuant to this section, the court shall order that a search be made of
the domestic violence central registry with regard to the defendant's record.

4. Section 13 of P.L.1991, c.261 (C.2C:25-29) is amended to read as
follows:

C.2C:25-29 Hearing procedure; relief.

13. a. A hearing shall be held in the Family Part of the Chancery Divi­
sion of the Superior Court within 10 days of the filing of a complaint purs­
suant to section 12 of P.L.1991, c.261 (C.2C:25-28) in the county where the
ex parte restraints were ordered, unless good cause is shown for the hearing
to be held elsewhere. A copy of the complaint shall be served on the defen­
dant in conformity with the Rules of Court. If a criminal complaint arising
out of the same incident which is the subject matter of a complaint brought
et seq.) has been filed, testimony given by the plaintiff or defendant in the
domestic violence matter shall not be used in the simultaneous or subsequent criminal proceeding against the defendant, other than domestic violence contempt matters and where it would otherwise be admissible hearsay under the rules of evidence that govern where a party is unavailable. At the hearing the standard for proving the allegations in the complaint shall be by a preponderance of the evidence. The court shall consider but not be limited to the following factors:

1. The previous history of domestic violence between the plaintiff and defendant, including threats, harassment and physical abuse;
2. The existence of immediate danger to person or property;
3. The financial circumstances of the plaintiff and defendant;
4. The best interests of the victim and any child;
5. In determining custody and parenting time the protection of the victim's safety; and
6. The existence of a verifiable order of protection from another jurisdiction.

An order issued under this act shall only restrain or provide damages payable from a person against whom a complaint has been filed under this act and only after a finding or an admission is made that an act of domestic violence was committed by that person. The issue of whether or not a violation of this act occurred, including an act of contempt under this act, shall not be subject to mediation or negotiation in any form. In addition, where a temporary or final order has been issued pursuant to this act, no party shall be ordered to participate in mediation on the issue of custody or parenting time.

b. In proceedings in which complaints for restraining orders have been filed, the court shall grant any relief necessary to prevent further abuse. In addition to any other provisions, any restraining order issued by the court shall bar the defendant from purchasing, owning, possessing or controlling a firearm and from receiving or retaining a firearms purchaser identification card or permit to purchase a handgun pursuant to N.J.S.2C:58-3 during the period in which the restraining order is in effect or two years whichever is greater, except that this provision shall not apply to any law enforcement officer while actually on duty, or to any member of the Armed Forces of the United States or member of the National Guard while actually on duty or traveling to or from an authorized place of duty. At the hearing the judge of the Family Part of the Chancery Division of the Superior Court may issue an order granting any or all of the following relief:

1. An order restraining the defendant from subjecting the victim to domestic violence, as defined in this act.
(2) An order granting exclusive possession to the plaintiff of the residence or household regardless of whether the residence or household is jointly or solely owned by the parties or jointly or solely leased by the parties. This order shall not in any manner affect title or interest to any real property held by either party or both jointly. If it is not possible for the victim to remain in the residence, the court may order the defendant to pay the victim's rent at a residence other than the one previously shared by the parties if the defendant is found to have a duty to support the victim and the victim requires alternative housing.

(3) An order providing for parenting time. The order shall protect the safety and well-being of the plaintiff and minor children and shall specify the place and frequency of parenting time. Parenting time arrangements shall not compromise any other remedy provided by the court by requiring or encouraging contact between the plaintiff and defendant. Orders for parenting time may include a designation of a place of parenting time away from the plaintiff, the participation of a third party, or supervised parenting time.

(a) The court shall consider a request by a custodial parent who has been subjected to domestic violence by a person with parenting time rights to a child in the parent's custody for an investigation or evaluation by the appropriate agency to assess the risk of harm to the child prior to the entry of a parenting time order. Any denial of such a request must be on the record and shall only be made if the judge finds the request to be arbitrary or capricious.

(b) The court shall consider suspension of the parenting time order and hold an emergency hearing upon an application made by the plaintiff certifying under oath that the defendant's access to the child pursuant to the parenting time order has threatened the safety and well-being of the child.

(4) An order requiring the defendant to pay to the victim monetary compensation for losses suffered as a direct result of the act of domestic violence. The order may require the defendant to pay the victim directly, to reimburse the Victims of Crime Compensation Office for any and all compensation paid by the Victims of Crime Compensation Office directly to or on behalf of the victim, and may require that the defendant reimburse any parties that may have compensated the victim, as the court may determine. Compensatory losses shall include, but not be limited to, loss of earnings or other support, including child or spousal support, out-of-pocket losses for injuries sustained, cost of repair or replacement of real or personal property damaged or destroyed or taken by the defendant, cost of counseling for the victim, moving or other travel expenses, reasonable attorney's fees, court costs, and compensation for pain and suffering. Where appropriate, punitive damages may be awarded in addition to compensatory damages.
(5) An order requiring the defendant to receive professional domestic violence counseling from either a private source or a source appointed by the court and, in that event, requiring the defendant to provide the court at specified intervals with documentation of attendance at the professional counseling. The court may order the defendant to pay for the professional counseling. No application by the defendant to dissolve a final order which contains a requirement for attendance at professional counseling pursuant to this paragraph shall be granted by the court unless, in addition to any other provisions required by law or conditions ordered by the court, the defendant has completed all required attendance at such counseling.

(6) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim or of other family or household members of the victim and requiring the defendant to stay away from any specified place that is named in the order and is frequented regularly by the victim or other family or household members.

(7) An order restraining the defendant from making contact with the plaintiff or others, including an order forbidding the defendant from personally or through an agent initiating any communication likely to cause annoyance or alarm including, but not limited to, personal, written, or telephone contact with the victim or other family members, or their employers, employees, or fellow workers, or others with whom communication would be likely to cause annoyance or alarm to the victim.

(8) An order requiring that the defendant make or continue to make rent or mortgage payments on the residence occupied by the victim if the defendant is found to have a duty to support the victim or other dependent household members; provided that this issue has not been resolved or is not being litigated between the parties in another action.

(9) An order granting either party temporary possession of specified personal property, such as an automobile, checkbook, documentation of health insurance, an identification document, a key, and other personal effects.

(10) An order awarding emergency monetary relief, including emergency support for minor children, to the victim and other dependents, if any. An ongoing obligation of support shall be determined at a later date pursuant to applicable law.

(11) An order awarding temporary custody of a minor child. The court shall presume that the best interests of the child are served by an award of custody to the non-abusive parent.

(12) An order requiring that a law enforcement officer accompany either party to the residence or any shared business premises to supervise the removal of personal belongings in order to ensure the personal safety of the
plaintiff when a restraining order has been issued. This order shall be restricted in duration.

(14) An order granting any other appropriate relief for the plaintiff and dependent children, provided that the plaintiff consents to such relief, including relief requested by the plaintiff at the final hearing, whether or not the plaintiff requested such relief at the time of the granting of the initial emergency order.

(15) An order that requires that the defendant report to the intake unit of the Family Part of the Chancery Division of the Superior Court for monitoring of any other provision of the order.

(16) In addition to the order required by this subsection prohibiting the defendant from possessing any firearm, the court may also issue an order prohibiting the defendant from possessing any other weapon enumerated in subsection r. of N.J.S.2C:39-1 and ordering the search for and seizure of any firearm or other weapon at any location where the judge has reasonable cause to believe the weapon is located. The judge shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

(17) An order prohibiting the defendant from stalking or following, or threatening to harm, to stalk or to follow, the complainant or any other person named in the order in a manner that, taken in the context of past actions of the defendant, would put the complainant in reasonable fear that the defendant would cause the death or injury of the complainant or any other person. Behavior prohibited under this act includes, but is not limited to, behavior prohibited under the provisions of P.L.1992, c.209 (C.2C:12-10).

(18) An order requiring the defendant to undergo a psychiatric evaluation.

(19) An order directing the possession of any animal owned, possessed, leased, kept, or held by either party or a minor child residing in the household. Where a person has abused or threatened to abuse such animal, there shall be a presumption that possession of the animal shall be awarded to the non-abusive party.

c. Notice of orders issued pursuant to this section shall be sent by the clerk of the Family Part of the Chancery Division of the Superior Court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency.

d. Upon good cause shown, any final order may be dissolved or modified upon application to the Family Part of the Chancery Division of the Superior Court, but only if the judge who dissolves or modifies the order is the same judge who entered the order, or has available a complete record of the hearing or hearings on which the order was based.
e. Prior to the issuance of any order pursuant to this section, the court shall order that a search be made of the domestic violence central registry.

5. This act shall take effect immediately.

Approved January 17, 2012.

CHAPTER 216

AN ACT providing for a credit against the societal benefits charge, and supplementing P.L.1999, c.23 (C.48:3-49 et al.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.48:3-60.3 Credit against societal benefits charge permitted.

1. a. On and after January 1 next following the date of enactment of P.L.2011, c.216 (C.48:3-60.3), a commercial or industrial ratepayer shall be allowed a credit against the societal benefits charge imposed pursuant to section 12 of P.L.1999, c.23 (C.48:3-60), and collected as a non-bypassable charge by the electric public utility or gas public utility, as appropriate, providing service to the commercial or industrial ratepayer.

b. The amount of the credit authorized pursuant to subsection a. of this section shall be equal to one-half of that portion of the costs incurred by the commercial or industrial ratepayer during the preceding calendar

(9) On right of way parcel maps, the monuments shall be set at the points of curvature, points of tangency, points of reverse curvature and points of compound curvature or the control base line or center line, if used, and be intervisible with a second monument.

(10) On minor subdivisions a monument shall be set at each intersection of an outside boundary of the newly created lot or lots with the right of way line of any side of an existing street.

46:26B-4. Approval of maps.
   a. The proper authority shall approve or disapprove a map within 45 days from its receipt.
   b. The approval of a map under this law by the proper authority shall not be construed as acceptance of any street or highway indicated on the map; nor shall approval obligate the State of New Jersey or any county or municipality, to maintain or exercise jurisdiction over those streets or highways.

46:26B-5. Additional prerequisites to filing.
   The county recording officer shall not accept for filing any map, with the exception of a right-of-way parcel map, unless it has endorsed on it a certificate by the municipal clerk or secretary of the planning board stating:
   a. That the proper authority has approved the map or stating its exemption from approval;
   b. That the map complies with the provisions of this law; and
   c. The date by which the map is required to be filed by the applicable law.

46:26B-6. Filing and indexing of maps, fee.
   a. The county recording officer shall file a map if an original and a copy of the map are presented for filing, the map complies with all the requirements for filing and is accompanied with the fees for filing and indexing that are provided by law.
   b. The original map and a duplicate shall be endorsed by the recording office with a receipt indicating the date of filing.
c. The original map shall be retained by the recording office in an appropriate manner for preservation and use for reproduction purposes.
d. Copies of filed maps shall be made available to the public at a reasonable cost.

46:26B-7. Duplicates of maps in cities having atlases or block maps.
Whenever a map is filed in the office of the county recording officer of land in a municipality that has an atlas, or block map, on which is plotted the lots or subdivision of lots of lands, the person filing the map shall file a duplicate of the map, and the recording officer shall indorse on the duplicate the time of recording and filing of the original and deliver the duplicate to the officer of the city having charge of the atlas or block map.
This section shall have no application to maps filed by commissioners appointed to assess benefits derived from the construction of sewers, drains or other municipal improvements.

Whenever a map has been filed in the office of the county recording officer, and copies of it have been made that differ from the original only in title or style, and there have been made conveyances or liens, under which the lands intended to be conveyed or liened have been described by reference to the unfiled copy, the governing body of the municipality in which the land is located, by resolution, may approve the copy for filing in the manner prescribed by law. This approval and filing shall not constitute a dedication of the streets or lot locations as therein delineated and shall be merely for the identification of the lands conveyed or liened.

CHAPTER 219

AN ACT concerning the imposition of standby charges upon distributed generation customers and supplementing Title 48 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.48:2-21.37 Definitions relative to imposition of standby charges.
1. As used in this act:
   “Board” means the Board of Public Utilities.
   “Demand charge” means a charge imposed by an electric public utility which is based upon peak electricity demand during a specified time period, typically, one month. A demand charge is utilized to recover the capital cost of infrastructure necessary to meet peak energy loads. Capacity measured in kilowatts or megawatts represents the ability of an electric public utility, or the electric power grid in the aggregate, to deliver electric service of a peak level of demand during any period of time.
   “Distributed generation” means energy generated from a district energy system or a combined heat and power facility as that term is defined in section 3 of P.L.1999, c.23 (C.48:3-51), the simultaneous production in one facility of electric power and other forms of useful energy such as heating or process steam, and energy generated from other forms of clean energy efficient electric generation systems.
   “Standby charge” means a charge imposed by an electric public utility upon a distributed generation facility for the recovery of costs necessary to make energy available to the distributed generation facility during a facility power outage including, but not limited to, the allocation of reasonable capital investment costs and operating and maintenance expenses associated with the electric public utility’s infrastructure needed to provide such service.
C.48:2-21.38 Study to determine effects of distributed generation.

2. Notwithstanding the provisions of any other law, rule, regulation, or order to the contrary, the board shall, within 120 days of the effective date of P.L.2011, c.219 (C.48:2-21.37 et seq.), conduct a study to determine the effects of distributed generation upon energy supply and demand and determine whether distributed generation contributes to any cost savings for electric public utilities.

3. a. The board shall, within 180 days of the effective date of P.L.2011, c.219 (C.48:2-21.37 et seq.), establish criteria for fixing rates associated with the assessment and imposition of standby charges, and shall require electric public utilities to file tariff rates with the board in accordance with such criteria.

   b. In establishing such criteria, the board shall ensure equity between distributed generation customers and other electric public utility customers with regard to the imposition of standby charges and, in addition to any factors it deems relevant and such factors as it may consider pursuant to R.S.48:2-21, consider the following factors:

      (1) any findings of the study conducted by the board pursuant to section 2 of P.L.2011, c.219 (C.48:2-21.38);

      (2) the impact of demand charges and how they drive the operating performance of projects utilizing distributed generation, particularly during peak electricity demand periods; and

      (3) the economic and environmental benefits the board finds are associated with distributed generation.

   c. In establishing the criteria for fixing rates pursuant to subsection b. of this section, the board shall assess the feasibility of including guidelines for the allowance of special discounted charges for distributed generation customers as part of the criteria. In making such assessment, the board shall consider cost savings to electric public utilities resulting from distributed generation and any other benefits associated with distributed generation, including, but not limited to, any increase in energy efficiency and any associated decrease in demand for electric power from the electric grid.

5. This act shall take effect immediately.

Approved January 17, 2012.

CHAPTER 222

AN ACT requiring an owner taking title to certain residential property through sheriff’s sale to register with the municipality and any association or common interest community and supplementing Title 46 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:10B-51.1 Certain owners of foreclosed property required to file contact information.

1. The owner of any non-owner occupied residential property who takes title to the property as the result of a sheriff’s sale or deed in lieu of foreclosure, other than an owner who has previously provided notice to the municipality pursuant to section 17 of P.L.2008, c.127 (C.46:10B-51), shall provide notice, within 10 business days, to the municipal clerk, or any other designated municipal official, of the municipality wherein the property is located, and to any association or common interest community, of which the residential property is a part, governed by the “Horizontal Property Act,” P.L.1963, c.168 (C.46:8A-1 et seq.), the “Condominium Act,” P.L.1969, c.257 (C.46:8B-1 et seq.), or “The Planned Real Estate Development Full Disclosure Act,” P.L.1977, c.419 (C.45:22A-21 et seq.), providing the name and address of the owner. AN ACT concerning the provision of fresh produce to urban communities, and supplementing Title 4 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.4:10-25.3 Short title.
1. This act shall be known, and may be cited, as the “New Jersey Fresh Mobiles Pilot Program Act.”

C.4:10-25.4 Findings, declarations, determinations relative to provision of fresh produce to urban communities.
2. a. The Legislature finds and declares that there are certain urban areas of the State, known as “food desert” communities, in which residents are unable to obtain reasonable and adequate access to nutritious foods and, in particular, to fresh fruits and vegetables; that the inaccessibility of nutritious food in urban food desert communities has been attributed, in large part, to the absence therein of supermarkets, grocery stores, and farmers’ markets and the prevalence therein of businesses like liquor stores and convenience marts, which provide convenient and affordable access only to pre-processed foods, generally high in empty calories, sugar, unhealthy preservatives, and harmful fats, and low in nutritional value; that low-income families are more likely than others to live in urban food desert communities and to lack the transportation or financial resources necessary to reach distant wholesome markets; that, as is evidenced by the work of various non-profit and private entities across the United States, the accessibility to, desire for, and use of, fresh produce by residents of urban food desert communities can be improved through the provision of mobile farmers’ markets, which regularly travel to and from these communities, and which provide fresh produce to residents situated therein; and that the institution of a mobile farmers’ market initiative is a reasonable means by which to ensure that residents of urban food desert communities in the State are provided with reasonable access to nutritious, fresh, and delicious produce, and are afforded the opportunity thereby to make healthier eating choices for themselves and for their families.

b. The Legislature therefore determines that it is both reasonable and necessary to authorize the Department of Agriculture to develop and assist in the implementation of a pilot program to establish a mobile farmers’ market initiative that will provide a consistent, and easily accessible, source
of fresh produce to residents in urban food desert communities in municipalities selected to participate in the pilot program.

C.4:10-25.5 Definitions relative to provision of fresh produce to urban communities.

3. For the purposes of this act:

“Department” means the Department of Agriculture.

“Fresh mobile vendor” or “vendor” means a person who has been qualified, pursuant to paragraph (1) of subsection b. of section 4 of this act, to provide fresh produce to residents of urban food desert communities.

“Fresh Mobiles Initiative” or “Initiative” means the “New Jersey Fresh Mobiles Initiative Pilot Program,” established and developed pursuant to this act.

“Low-income food voucher” means any type of food voucher, coupon, stamp, certificate, written authorization, or benefits card, which has been issued to a person by a government entity in accordance with the provisions of the federal food stamp assistance program, the Supplemental Nutrition Assistance Program, the federal WIC program, the New Jersey Supplementary Food Stamp Program, the Work First New Jersey program, or any other federal or State level nutrition or income assistance program now or hereafter established by law.

“Mobile venue” means a food truck or other vehicle serving as a base of operations from which a fresh mobile vendor may offer fresh produce for sale to consumers in urban food desert communities through participation in the Fresh Mobiles Initiative Pilot Program.

“Participating municipality” means a municipality, or physically contiguous urban area in the State, which qualifies as an urban food desert selected by the Secretary of Agriculture to participate in the Fresh Mobiles Initiative Pilot Program established pursuant to this act.
“Secretary” means the Secretary of Agriculture.

“Urban food desert,” “urban food desert community,” or “community” means a municipality, or physically contiguous urban area in the State, in which residents have limited access to nutritious foods, such as fresh fruits and vegetables, through supermarkets, grocery stores, and farmers’ markets.

“Vendor supply area” means a specific street location in a participating municipality where qualified fresh mobile vendors may offer their fresh produce for sale to consumers as part of the pilot program authorized pursuant to this act.

C.4:10-25.6 Mobile farmers’ market pilot program.

4. a. In order to promote and facilitate improved access to fresh produce by low-income residents of urban food deserts, the Department of Agriculture shall develop and assist in the implementation of a mobile farmers’ market pilot program, to be known as the “New Jersey Fresh Mobiles Initiative.” The pilot program shall operate in one or more municipalities, selected by the Secretary of Agriculture, in which residents have limited access to nutritious foods through supermarkets, grocery stores, and farmers’ markets, which agree to participate in the program. The department shall identify, on its Internet website, the municipalities selected for participation, and the vendor supply areas at which, and the times during which, fresh mobile vendors will be accessible for community residents. The pilot program shall operate for a period of at least one year. No later than one year after the pilot program is established and becomes effective, the department shall submit to the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), to the Legislature, a written report containing information on the implementation of the pilot program, including a recommendation on the feasibility and desirability of implementing the initiative on a Statewide basis.

b. As a part of the Fresh Mobiles Initiative Pilot Program, the department shall be authorized to:
(1) establish qualifications for fresh mobile vendors and assist the participating municipalities in identifying and recruiting appropriate qualified persons to act as fresh mobile vendors in the pilot program to be operated in the participating municipality, provided that the vendors agree to accept any low-income food vouchers as payment at the mobile venues established under the pilot program as a condition of participation in the program;

(2) assist the participating municipalities in designating one or more vendor supply areas to be used for vendor sales, which designations shall ensure a high level of accessibility to vendors by community residents;

(3) coordinate and encourage partnerships between the participating municipalities and such fresh mobile vendors as deemed necessary to better enable and ensure the prompt or efficient delivery of fresh produce to urban food desert communities and the provision of a year-round supply of fresh produce through the pilot program;

(4) take appropriate actions to encourage consumer participation in the initiative and increase consumer familiarity with regard to the various types of produce offered by fresh mobile vendors;

(5) take appropriate actions to encourage, at the discretion of the individual fresh mobile vendor, the acceptance of any method of payment, including, but not limited to, cash, credit, or check;

(6) develop educational and informational materials for distribution to consumers, which materials may incorporate information pertaining to the nutritional value of fruits and vegetables, the importance of incorporating fresh produce into the diet, or any other topic that is relevant to the work of the initiative; and

(7) take such other actions, including but not limited to adopting rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), that the secretary deems necessary or appropriate to implement the provisions of this act.

C.4:10-25.7 Identification, recruitment of vendors.

5. a. The department shall work with participating municipalities to identify and recruit appropriate and qualified persons to serve as vendors to provide fresh produce for sale to residents in urban food desert communities in participating municipalities.

b. In implementing subsection a. of this section, the department shall use to the maximum extent practicable in-State produce farmers, collaborative farmers’ organizations, or private, non-profit, or governmental entities that are engaged in fresh produce rescue efforts, such as the New Jersey Agricultural Society in its “Farmers Against Hunger” program and the New Jersey Federa-
tion of Food Banks, which is the network of food banks which exist in New Jersey. The department shall encourage the State’s produce farmers and other entities to participate in the initiative as fresh mobile vendors.

The department shall make reasonable efforts to ensure, through the adoption of appropriate regulatory requirements or otherwise, that a consistent, year-round supply of reasonably priced fresh produce, sufficient to satisfy the fresh produce needs of residents in the urban food desert communities in the participating municipalities, will be made available by the fresh mobile vendors recruited to participate in the pilot program. In the event that in-State produce farmers are unable to meet the needs of residents in the designated communities, the secretary may recruit out-of-State produce farmers to meet those needs.

C.4:10-25.8 Eligibility for participation as consumer in Fresh Mobiles Initiative.

6. a. Any person may participate as a consumer in the Fresh Mobiles Initiative.
   b. A person who is currently enrolled as a participant in:
      (1) the federal food stamp assistance program;
      (2) the Supplemental Nutrition Assistance Program;
      (3) the federal WIC program;
      (4) the New Jersey Supplementary Food Stamp Program;
      (5) Work First New Jersey; or
      (6) any other federal or State level nutrition or income assistance program now or hereafter established by law may use, to the extent such use is consistent with the requirements of the programs, low-income food vouchers to purchase fruits and vegetables from fresh mobile vendors.
   c. The department may adopt rules and regulations as necessary to facilitate the acceptance of low-income food vouchers by fresh mobile vendors in accordance with subsection b. of this section and paragraph (1) of subsection b. of section 4 of this act.

C.4:10-25.9 “New Jersey Fresh Mobiles Operation Fund.”

7. a. The Secretary of Agriculture is authorized to receive and expend, for the purposes specified in subsection b. of this section, any moneys that are obtained thereby through:
   (1) appropriations or allocations of funds to the department for purposes consistent with this act, except for moneys allocated for the State Food Purchase Program;
   (2) grant or loan awards made available to the department for purposes consistent with this act;
(3) direct contributions, gifts, legacies, bequests, or endowments for purposes consistent with this act; and
(4) any other source for purposes consistent with this act.

b. The secretary shall deposit all moneys received pursuant to subsection a. of this section in a special account to be known as the “New Jersey Fresh Mobiles Operation Fund.” The secretary may expend the moneys deposited in the fund, in addition to any interest accrued thereon, and any dividends and returns resulting from investment of the moneys in the fund, for any of the following purposes:

1. advertising and publicizing the initiative;
2. developing and distributing educational materials as part of the initiative;
3. providing financing for any studies that are reasonably necessary to evaluate the efficacy of the Fresh Mobiles Initiative Pilot Program;
4. offsetting any costs incurred by the department or participating municipalities in complying with the provisions of this act; and
5. providing financing for any other activity or endeavor that is consistent with the purposes of this act, and that will support, or facilitate the efficient and effective operation of, the Fresh Mobiles Initiative Pilot Program.

8. This act shall take effect on the first day of the sixth month following enactment, except that the Secretary of Agriculture may take such anticipatory action as may be necessary to implement the provisions of this act.

c. In accordance with regulations promulgated by the director of the division, whenever a State entity possesses any unused computer, computer equipment, or portable communication device that includes a hard drive or other data storage device and is unable to redistribute the item for further use within the entity, that entity shall:

(1) declare the item to be surplus, obsolete or no longer suitable for the purpose for which it was intended, subject to further disposition by the division;

(2) in the case of any computer, computer equipment, or portable communication device, remove all data storage devices and destroy such devices by any means approved by the Office of Information Technology concerning data security as authorized pursuant to "The Office of Information Technology Reorganization Act," sections 6 through 16 of P.L.2007, c.56 (C.52:18A-224 through C.52:18A-234);

CHAPTER 228

AN ACT concerning the placement of horse racing wagers at certain locations and supplementing the “Off-Track and Account Wagering Act,” P.L.2001, c.199 (C.5:5-127 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:5-186 Pilot program for placement of horse racing wagers at certain locations.

1. Notwithstanding the provisions of the “Off-Track and Account Wagering Act,” P.L.2001, c.199 (C.5:5-127 et seq.), or any other law, rule, or regulation to the contrary, the New Jersey Racing Commission shall implement a pilot program to license a lessee or purchaser of a State-owned racetrack to provide patrons with the ability to place wagers on horse races through electronic wagering terminals to be located at a limited number of eligible taverns, restaurants, and similar venues where food, alcoholic beverages, or both, are served to the public for on-premises consumption, sub-
ject to regulation and control by the commission and as further provided by this act, P.L.2011, c.228 (C.5:5-186).

a. In lieu of a maximum of one off-track wagering facility license that remains to be utilized or implemented by the New Jersey Sports and Exposition Authority or any lessee of the authority under the “Off-Track and Account Wagering Act,” P.L.2001, c.199 (C.5:5-127 et seq.), as amended and supplemented, the commission shall issue one license to be awarded to an entity that has entered into an agreement with the authority for the sale or lease of a State-owned racetrack for the establishment at not more than 12 qualified taverns, restaurants, and similar venues, of not more than 20 electronic wagering terminals in total in this State to enable patrons to place wagers on in-State and out-of-State horse races, which wagers shall be placed by eligible patrons who are physically present at those locations. Only one license shall be issued under this pilot program, except that the licensed entity may enter into an agreement with another licensed entity that has also entered into an agreement with the authority for the sale or lease of a State-owned racetrack, to jointly undertake and share the proceeds from the licensed activities under the pilot program, which agreement shall be subject to the approval of the authority. The license issued under this pilot program shall be temporary, subject to review and renewal on an annual basis, and shall expire within three years of issuance of the initial license. When issuing the license, the commission shall require the licensed entity to sign a waiver showing that the licensee understands the terms and conditions of the license.

b. The pilot program authorized pursuant to this act, P.L.2011, c.228 (C.5:5-186), shall be implemented only in the northern part of the State, in Bergen, Hudson, Essex, Passaic, Union, Morris, Somerset, Hunterdon, Warren, Sussex, and northern Middlesex and Ocean counties. The commission shall develop an application form and process, solicit completed applications to be submitted jointly by a lessee or purchaser of a State-owned racetrack and that entity’s selected taverns, restaurants, and similar venues located within the aforementioned geographic region, and evaluate each applicant’s eligibility using specified criteria which shall include, but not be limited to:

(1) proof of financial resources sufficient to enable the applicant to establish and conduct the electronic wagering terminals with appropriately staffed and managed operations;

(2) evidence of good character, honesty, competency and integrity;

(3) the absence of a conviction for a crime involving fraud, dishonesty or moral turpitude; and
(4) any additional standards and criteria the commission may establish by rule or regulation.

In evaluating an application for a license, the commission shall ensure that each selected applicant has met all required eligibility criteria. In awarding the license, the commission shall also consider the proximity of the applicant's venue to planned or existing racetracks, off-track wagering facilities, and simulcasting facilities in this State. If, in the opinion of the commission, the issuance of a license for the establishment of electronic wagering terminals at the applicant’s venue would be inimical to the interests of a planned or established racetrack, off-track wagering facility, or simulcasting facility, the commission shall deny the license even when the applicant has otherwise met all eligibility criteria.

A license issued under this section shall at all times remain the property of the permit holder and shall be subject to all conditions of a participation agreement pursuant to section 4 of P.L.2001, c.199 (C.5:5-130), as amended and supplemented. The permit holder shall be responsible for entering into agreements with qualified taverns, restaurants and similar venues. The permit holder and qualified tavern, restaurant or similar venue shall jointly submit to the commission any applications and information as required by the commission in determining eligibility for a license. The permit holder may terminate agreements for individual licenses with notice to the commission.

c. To effectuate the provisions of this act, P.L.2011, c.228 (C.5:5-186), the commission shall promulgate rules and regulations necessary to:

(1) determine the number of locations at which electronic wagering terminals shall be established under the program, provided that the license shall be limited to a maximum of 12 locations, which maximum number of locations shall be reduced by one per each off-track wagering facility in the authority’s share that is newly-established during the implementation of the pilot program, and provided further that not more than 20 electronic wagering terminals shall be established in total in this State;

(2) evaluate the types of electronic wagering terminals and equipment that may be used in wagering, and the number of such machines to be established at each licensed venue, subject to approval by the commission;

(3) develop geographic proximity and impact criteria to determine whether a proposed location would be inimical to the interest of planned or existing racetracks, off-track wagering facilities, and simulcasting facilities in this State, and which criteria shall be used to deny a license as provided under subsection b. of this section;
(4) authorize the licensee to enter into contracts with vendors, operators, and other entities, as the case may be, for the establishment and operation of the approved electronic wagering terminals;

(5) ensure that amounts wagered through the electronic wagering terminals are properly distributed to winning bettors, the licensed venue, and others in a manner similar to that provided under section 44 of P.L.1940, c.17 (C.5:5-64), section 21 of P.L.2001, c.199 (C.5:5-147) for sums wagered on in-State races, and sections 22 through 25 of P.L.2001, c.199 (C.5:5-148 through C.5:5-151) for sums wagered on out-of-State races, except that a local impact fee of 1% of the licensee’s share of revenues shall be paid to the host municipality for general municipal purposes;

(6) provide that an amount of the revenues from electronic wagering terminals shall be distributed for the funding of horse racing purses in accordance with the statutes cited under paragraph (5) of this subsection;

(7) ensure that persons under the age of 18 years shall not be permitted within the space in the venue where electronic wagering terminals are placed, and that necessary safeguards are in place to prevent minors from wagering; and

(8) regulate any other aspects of the electronic wagering operation the commission deems appropriate.

d. Notwithstanding any other provision of this act or the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the commission shall, within 90 days of the effective date of this act and after notice provided in accordance with this subsection, authorize the temporary adoption of any rule concerning the conduct of wagering under this act, P.L.2011, c.228 (C.5:5-186). Any temporary rulemaking authorized by this subsection shall be subject to such terms and conditions as the commission may deem appropriate. Notice of any temporary rulemaking action taken by the commission pursuant to this subsection shall be published in the New Jersey Register, and provided to the newspapers designated by the commission pursuant to subsection d. of section 3 of P.L.1975, c.23! (C.10:4-8), at least seven days prior to the implementation of the temporary rules. Nothing herein shall be deemed to require the publication of the text of any temporary rule adopted by the commission or notice of any modification of any temporary rulemaking initiated in accordance with this subsection. The text of any temporary rule adopted by the commission shall be available in each venue participating in the temporary rulemaking and shall be available upon request from the commission. The temporary rules promulgated pursuant to this subsection shall not be effective for more than
180 days unless promulgated in accordance with normal rule-making procedures.

e. Within three years of the issuance of the license under the pilot program, the commission shall issue a report to the Governor, and to the Legislature as provided under section 2 of P.L.1991, c.164 (C.52:14-19.1), containing an evaluation of the pilot program. The report shall also provide the commission’s opinion as to whether the pilot program should be continued and, if so, recommendations for further improvement and implementation. The pilot program shall end upon the expiration of the license issued under the program unless the Legislature enacts a law to continue the program.

2. This act shall take effect immediately, and shall be retroactive to December 31, 2011.

Approved January 17, 2012.

b. The provisions of subsection a. of this section are in addition to, and not in lieu of, the provisions of section 3 of P.L.1996, c.39 (C.2C:12-10.1) which provide that a judgment of conviction for stalking shall operate as an application for a permanent restraining order limiting the contact of the defendant and the victim.

Interference with custody.

a. Custody of children. A person, including a parent, guardian or other lawful custodian, is guilty of interference with custody if he:

(1) Takes or detains a minor child with the purpose of concealing the minor child and thereby depriving the child's other parent of custody or parenting time with the minor child; or
(2) After being served with process or having actual knowledge of an action affecting marriage or custody but prior to the issuance of a temporary or final order determining custody and parenting time rights to a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of depriving the child's other parent of custody or parenting time, or to evade the jurisdiction of the courts of this State; or

(3) After being served with process or having actual knowledge of an action affecting the protective services needs of a child pursuant to Title 9 of the Revised Statutes in an action affecting custody, but prior to the issuance of a temporary or final order determining custody rights of a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of evading the jurisdiction of the courts of this State; or

(4) After the issuance of a temporary or final order specifying custody, joint custody rights or parenting time, takes, detains, entices or conceals a minor child from the other parent in violation of the custody or parenting time order.

Interference with custody is a crime of the second degree if the child is taken, detained, enticed or concealed: (i) outside the United States or (ii) for more than 24 hours. Otherwise, interference with custody is a crime of the third degree but the presumption of non-imprisonment set forth in subsection e. of N.J.S.2C:44-1 for a first offense of a crime of the third degree shall not apply.

b. Custody of committed persons. A person is guilty of a crime of the fourth degree if he knowingly takes or entices any committed person away from lawful custody when he is not privileged to do so. "Committed person" means, in addition to anyone committed under judicial warrant, any orphan, neglected or delinquent child, person with a mental disease, defect or illness, or other dependent or incompetent person, entrusted to another's custody by or through a recognized social agency or otherwise by authority of law.

c. It is an affirmative defense to a prosecution under subsection a. of this section, which must be proved by clear and convincing evidence, that:

(1) The actor reasonably believed that the action was necessary to preserve the child from imminent danger to his welfare. However, no defense shall be available pursuant to this subsection if the actor does not, as soon as reasonably practicable but in no event more than 24 hours after taking a child under his protection, give notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Children and Families;
(2) The actor reasonably believed that the taking or detaining of the minor child was consented to by the other parent, or by an authorized State agency; or

(3) The child, being at the time of the taking or concealment not less than 14 years old, was taken away at his own volition and without purpose to commit a criminal offense with or against the child.

d. It is an affirmative defense to a prosecution under subsection a. of this section that a parent having the right of custody reasonably believed he was fleeing from imminent physical danger from the other parent, provided that the parent having custody, as soon as reasonably practicable:

(1) Gives notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Children and Families; or

(2) Commences an action affecting custody in an appropriate court.

e. The offenses enumerated in this section are continuous in nature and continue for so long as the child is concealed or detained.

f. (1) In addition to any other disposition provided by law, a person convicted under subsection a. of this section shall make restitution of all reasonable expenses and costs, including reasonable counsel fees, incurred by the other parent in securing the child's return.

(2) In imposing sentence under subsection a. of this section the court shall consider, in addition to the factors enumerated in chapter 44 of Title 2C of the New Jersey Statutes:

(a) Whether the person returned the child voluntarily; and

(b) The length of time the child was concealed or detained.

g. As used in this section, "parent" means a parent, guardian or other lawful custodian of a minor child.

WHEREAS, Childhood drinking is a serious problem in this nation and this State; and
WHEREAS, The average age that children first use alcohol is now 11 years old, and by the time they reach eighth grade, 50 percent of children have tried alcohol; and

WHEREAS, Alcohol is more commonly used by children than tobacco or illicit drugs, and more childhood deaths are caused by alcohol than all illegal drugs; and

WHEREAS, Research indicates that New Jersey’s young people are experimenting with alcohol at a rate above the national average, with approximately 407,000 underage drinkers each year; and

WHEREAS, A recent study indicates that parents are not aware about the extent to which their children are drinking; and

WHEREAS, A child who begins drinking at the age of 15 has a 40 percent chance of becoming alcohol dependent; and

WHEREAS, This statistic means that children who begin drinking at 15 are five times more likely to develop an alcohol dependency than those who wait until the legal age of 21; and

WHEREAS, Our youth are exposed to many influences that may encourage underage drinking, as favorable attitudes toward drinking are prevalent throughout society; and

WHEREAS, In addition to peer pressure and media depictions of alcohol consumption, there are often factors within a family that can influence a child’s decision to drink alcohol, such as a sibling’s use of alcohol, easy access to alcohol, a family history of alcohol dependence, and lack of parental communication, support, monitoring, and discipline; and

WHEREAS, There are many dangers highly correlated with underage alcohol consumption, including car accidents, suicide, unplanned and unprotected sexual encounters, teen pregnancy, sexually transmitted diseases, and poor performance in, or expulsion from, school; and

WHEREAS, Research indicates that the human brain continues to develop into a person’s early 20s, and the exposure to alcohol during this period of brain development may lead to long-lasting effects on intellectual capabilities and possibly induce brain damage; and

WHEREAS, It is clear that a comprehensive strategy is necessary to combat underage drinking, including advocacy, parental involvement, and programs directed at youth; and

WHEREAS, It is fitting and proper that the State recognize April of each year as “Alcohol Awareness for New Jersey Youth Month,” to promote awareness of, and invite public and school sponsored discourse and assemblies on, the topic of underage alcohol consumption; now, therefore,

JOINT RESOLUTION NO. 7

A JOINT RESOLUTION permanently designating May as "Lupus Awareness Month" in New Jersey.

WHEREAS, Lupus is an acute, chronic, and lifelong autoimmune disease in which the immune system becomes unbalanced, causing inflammation, tissue damage, seizures, strokes, heart attacks, miscarriages, and organ failure; and

WHEREAS, Lupus can be particularly difficult to diagnose because the symptoms are similar to many other illnesses, and major gaps exist in understanding the causes of the disease; more than one half of persons suffering from lupus wait four or more years and visit three or more doctors before obtaining a proper diagnosis; and

WHEREAS, Nine out of 10 persons diagnosed with lupus are women of childbearing age, ages 15 to 44, and in the United States, the disease is more common in persons of color; African-Americans, persons of Latino and Hispanic descent, Asian and Native Americans, Native Hawai-
ians, and Pacific Islanders are two to three times more likely than Caucasians to develop lupus, a disparity that remains unexplained; the disease also presents at an earlier age and is more severe among members of these ethnic groups; and

WHEREAS, Although there are no reliable epidemiological studies that can determine the number of people living with lupus within a specific geographical area, based on national sampling polls, the Lupus Foundation of America estimates as many as 43,000 New Jersey residents suffer from the disease; and

WHEREAS, While no one has been able to isolate what causes lupus or has discovered a cure for the disease, proper treatment can minimize symptoms, reduce inflammation and pain, and stop the development of serious organ damage; however, the current treatments used to manage lupus often have damaging side effects, and there have been no new medications specifically approved by the United States Food and Drug Administration for the treatment of the disease in the last 52 years; and

WHEREAS, Scientists believe that a person may have a genetic predisposition for developing lupus, and a combination of hereditary, hormonal, or environmental factors may trigger the onset of the disease; health professionals continue to search for better ways to care for and treat persons with lupus in hope, one day, of understanding what causes the disease and why certain people are more likely to develop it, and discovering promising new treatments for the disease and its prevention; and

WHEREAS, The Lupus Foundation of America is a national, nonprofit health organization, with chapters all over the country, including New Jersey, that is dedicated to finding the causes of, and a cure for, lupus; the foundation provides hope, support, education, and community services to persons with lupus, their caregivers, and their families, and advocates for increased funding for research in existing and new medical treatments that will help to improve the quality of life for persons suffering with the disease; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

C.36:2-180 “Lupus Awareness Month,” May; designated.

JOINT RESOLUTION NO. 8

A JOINT RESOLUTION designating the third full week of May in each year as "Diabetic Peripheral Neuropathy Awareness Week."

WHEREAS, It is estimated that 23.6 million people in the United States, or 7.8% of the total population, are affected by diabetes, and that there are approximately 473,000 adults diagnosed with diabetes living in New Jersey, who represent 7.2% of the State population; and

WHEREAS, Diabetes in New Jersey disproportionately affects ethnic and racial minorities; and

WHEREAS, The American Diabetes Association estimates that about 60% to 70% of people with diabetes have mild to severe forms of nervous system damage due to Diabetic Peripheral Neuropathy, or DPN; and

WHEREAS, DPN is a serious condition that damages nerve fibers due to prolonged exposure to high amounts of glucose in the bloodstream, and can occur whether a person has Type 1 diabetes, also known as juvenile diabetes, or Type II diabetes, which is typically adult-onset; and

WHEREAS, DPN accounts for more diabetes-related hospitalizations than any other complication, and often causes intense pain, frequently described as, tingling, shooting, burning, "pins and needles," or sharp pain due to nerve damage; and

WHEREAS, Some 64% of diabetic nerve pain sufferers report that their pain interferes with the daily activities that matter to them, and 80% of them report problems with mobility; and
WHEREAS, Diabetic nerve pain may make it difficult to stay physically active and exercise, a critical component of diabetes management, which may contribute to worsening glycemic control and make sufferers more likely to develop additional health problems, including more nerve damage; and

WHEREAS, According to the American Diabetes Association, patients with diabetes should be screened for DPN at the time they are diagnosed with diabetes and at least annually; and it is important that people with diabetes be aware of the dangers and warning signs of DPN and make healthy lifestyle choices to potentially delay the onset or slow the progression of this life-changing condition; and

WHEREAS, An increase in community awareness of risk factors and symptoms related to diabetes can improve the likelihood that people with diabetes will get the attention they need before suffering devastating complications; and public awareness efforts are necessary to inform people of the many dangers posed by diabetes, as well as the steps to take to potentially delay the onset or slow the progression of DPN, and the options available to treat the pain associated with DPN; and

WHEREAS, The Neuropathy Association, which is the leading national nonprofit organization serving the peripheral neuropathy community, and provides support and education, advocates for patients' interests, and promotes research into the causes of and cures for neuropathy, recognizes the third week in May as "National Neuropathy Week"; and

WHEREAS, This Legislature supports such public awareness efforts to inform New Jerseyans about this serious health issue; now, therefore,

WHEREAS, Colorectal cancer is the third leading cause of cancer deaths in the United States. According to the American Cancer Society, about 50,000 Americans will die of the disease this year. Many of these deaths happen because the cancer is found too late to be effectively treated; and

WHEREAS, Colorectal cancer affects both men and women of all racial and ethnic groups, and is most often found in people age 50 years and older. For men, colorectal cancer is the third most common cancer after prostate and lung cancers; and for women, colorectal cancer is the third most common cancer after breast and lung cancers; and

WHEREAS, While colorectal cancer affects people of all ethnic groups, the racial gap in colorectal cancer death rates is widening, partly due to the fact that African-Americans tend to have lower screening rates and poor access to quality health care; and

WHEREAS, Colorectal cancer death rates are now nearly 50% higher in African-Americans than in whites according to the American Cancer Society; and

WHEREAS, In 2005, the most recent year for which statistics are available, the screening rate for whites was 50%, compared to just 40% for African-Americans, and the rate of diagnosis in African-Americans was about 19% higher than it was for whites. The death rate was even more pronounced; among African-Americans, there were about 25 deaths per 100,000 people, compared to 17 per 100,000 in whites – a 48% difference; and

WHEREAS, Colorectal cancer deaths can be prevented by early diagnosis through screening and quality care; and

WHEREAS, The federal Centers for Disease Control and Prevention recommends having colorectal screenings every five years, beginning at age 50 and continuing until age 75; and

WHEREAS, The health, safety, and welfare of the residents of the State of New Jersey are enhanced as a direct result of increased awareness about colorectal cancer and early detection; and

WHEREAS, The New Jersey Legislature is strongly dedicated to preserving the health of the residents of this State, and in supporting the fight against colorectal cancer; now, therefore,

3. This joint resolution shall take effect immediately.

Approved January 17, 2012.

A JOINT RESOLUTION memorializing the Congress of the United States to seek the withdrawal of the United States Preventive Services Task Force recommendation against prostate-specific antigen-based screening for prostate cancer for men in all age groups.

WHEREAS, The United States Preventive Services Task Force (USPSTF) is an independent panel of non-federal experts in prevention and evidence-based medicine that is composed of primary care physicians who conduct scientific evidence reviews of a broad range of clinical health care preventive services and develop recommendations for primary care clinicians and health systems; and

WHEREAS, The USPSTF acknowledges that prostate cancer is the most commonly diagnosed non-skin cancer in men in the United States, with one in six American men being diagnosed with prostate cancer in his lifetime; and

WHEREAS, Prostate cancer is the second leading cause of cancer related deaths in men in the United States; and

WHEREAS, The National Cancer Institute and the American Cancer Society estimate that approximately 240,890 men in the United States will be diagnosed with prostate cancer and 33,720 men will die from the disease in 2011; and
WHEREAS, The American Cancer Society projects that in New Jersey alone, there will be approximately 7,840 newly diagnosed cases of prostate cancer and 1,100 deaths from the disease in 2011; and

WHEREAS, In 2008, the USPSTF recommended against prostate-specific antigen-based screening for prostate cancer for men 75 years and older; and

WHEREAS, In October 2011, the USPSTF issued a new recommendation against prostate-specific antigen-based screening for prostate cancer for men in all age groups because it concluded that there is moderate or high certainty that the service has no net benefit or that the harms outweigh the benefits; and

WHEREAS, The USPSTF states that the October 2011 recommendation applies to men in the United States that do not have symptoms of prostate cancer, even though by the time a man experiences symptoms of prostate cancer, the cancer is generally too advanced to cure; and

WHEREAS, The USPSTF states that its new recommendation against screening applies regardless of race, even though the USPSTF acknowledges that African-American men have a substantially higher prostate cancer incidence rate than white men and more than twice the prostate cancer mortality rate of white men; and

WHEREAS, The USPSTF issued this recent recommendation without having a urologist or oncologist, two types of physicians who specialize in diagnosing and treating patients with prostate cancer, on the task force; and

WHEREAS, The USPSTF’s new recommendation regarding prostate cancer screening follows their recommendation in November 2009 against mammograms for women ages 40-49 and against teaching women to do breast self-exams, which Congress rejected after public outcry; and

WHEREAS, The most recently updated study, the Goteborg Randomized Population-based Prostate Cancer Screening Trial, found that with screening, deaths from prostate cancer dropped 44% over a 14 year period, compared with men who did not undergo screening, and that prostate cancer screening efficiency was similar to other cancers; and

WHEREAS, The USPSTF recommendation against screening puts into harm’s way men who are most at risk: the underinsured, those who live in areas where health care is not readily available, those who have a family history of prostate cancer, and African-American men, who have a higher incidence rate and higher mortality rate of prostate cancer than white men; now, therefore,
BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Governor and the Legislature of this State respectfully memorialize the Congress of the United States to seek the withdrawal of the United States Preventive Services Task Force recommendation against prostate-specific antigen-based screening for prostate cancer for men in all age groups.

2. Duly authenticated copies of this joint resolution shall be transmitted to the presiding officers of the United States Congress and every member of the United States Congress elected from this State.

3. This joint resolution shall take effect immediately.

EXECUTIVE ORDER NO. 55

WHEREAS, the maintenance of an effective and efficient wastewater treatment and removal system represents a core responsibility of government that is vital to ensuring the health, safety, and welfare of those whose daily life activities depend on such a system; and

WHEREAS, the Passaic Valley Sewerage Commission (“PVSC”) plays an important role in providing this essential service within the Passaic Valley Sewerage District, which is comprised of 48 municipalities in the Counties of Bergen, Essex, Hudson, and Passaic, serving approximately 1.3 million people within
380,000 residential units including 360 large apartment buildings, as well as 2,205 large commercial institutions and 380 major industrial sites located within its service area; and

WHEREAS, during the course of my administration, a number of troubling facts and allegations have emerged regarding the conduct of certain of the commissioners of the PVSC, which caused my Chief Counsel to issue letters dated January 18, 2011 to each sitting commissioner requesting specific employment-related information to be supplied by January 25, 2011; and

WHEREAS, the responses received from the commissioners have been carefully reviewed, in conjunction with other relevant information concerning the conduct of those individuals; and

WHEREAS, six of the involved commissioners have been suspended, consistent with current law, pending the conclusion of all appropriate proceedings; and

WHEREAS, the statutes and regulations governing the PVSC and its operations vest nearly all operational authority in its board of commissioners and do not expressly empower the Executive Director to take necessary actions to ensure the continued operation of the facilities of the PVSC; and

WHEREAS, the PVSC has nonetheless made it a practice since 1977 to delegate a portion of the responsibility for day-to-day operations of its plant and assets to an Executive Director; and

WHEREAS, the suspensions of six commissioners as described above have resulted in the board’s inability to constitute a quorum, as required to perform its duties; and

WHEREAS, in the absence of executive authorization by a quorum of the PVSC board of commissioners, basic functions of the sewerage treatment plant and its associated facilities would not be able to occur, including but not limited to purchasing, payroll, and other essential activities related to supporting the operations of these 24-hour facilities; and

WHEREAS, as Governor, I am entrusted with the responsibility to protect the health, safety, and welfare of the people of this State, as well as the responsibility to aid in the prevention of damage, loss, or destruction of property in the event of an emergency affecting the State; and

WHEREAS, the Constitution and statutes of the State of New Jersey, including but not limited to the provisions of N.J.S.A. App. A:9-33 et seq., and all amendments and supplements thereto, confer upon the Governor of the State of New Jersey certain emergency powers;

WHEREAS, the health and safety of the individuals visiting, living, and working in the Passaic Valley Sewerage District necessitate the ongoing management and operation of the sewerage treatment plant, its staff and assets, including but not limited to the performance of the activities authorized by N.J.S.A. 58:14-1 et seq.; and

WHEREAS, failure to ensure those continued operations would result in unacceptable threats to the health and safety of New Jersey’s citizens, most immediately
those in the Passaic Valley Sewerage District, which would be too large in scope to be handled by ordinary municipal and county operations;

NOW, THEREFORE, I, CHRIS CHRISTIE, Governor of the State of New Jersey, in order to protect the health, safety, and welfare of the people of the State of New Jersey, do hereby DECLARE and PROCLAIM that a State of Emergency exists within the Passaic Valley Sewerage District as a result of the above-referenced conditions; and I hereby ORDER AND DIRECT the following:

1. Except as otherwise provided in this Order, and continuing until such time as this state of emergency is amended or terminated by me, the Executive Director of the PVSC is hereby authorized and directed to take any steps he determines to be necessary and appropriate to ensure that continuity is maintained in the provision of sewerage and environmental services by the PVSC; that the duties and responsibilities of the PVSC to the public, its employees, and contractors are satisfied; that all actions are taken to insure the integrity of the operation of the PVSC and the expenditure of ratepayer funds; and that the assets of PVSC are safeguarded and maintained; that the lawful debts and obligations of the PVSC are paid; and that the health, safety, and welfare of the citizens of the State of New Jersey and Passaic Valley Sewerage District are maintained.

2. The Executive Director, for the duration of this state of emergency, shall perform all of the necessary and appropriate operational functions assigned by law, including by N.J.S.A. 58:14-1 et seq., to the “Commissioners,” to the “Board of Commissioners,” and to the “Passaic Valley Sewerage Commissioners,” unless otherwise specified in this Order. The Executive Director shall have the capacity to enter into contracts, execute instruments, set rates, hire, fire, manage, discipline, prescribe employee duties, reorganize, fix employee compensation, promote and demote employees, and any other similar powers necessary to ensure the continued and seamless operation of the facilities by its workforce. Provided, however, that the Executive Director shall not be authorized to exercise the following authority without obtaining advance written approval from the Governor’s Authorities Unit: authority granted by N.J.S.A. 58:14-34.14, relating to the issuance of bonds; authority to authorize or make expenditures in excess of the limits established by N.J.S.A. 58:14-22 and memoranda from the New Jersey State Treasurer modifying that threshold; authority to commence litigation pursuant to, inter alia, N.J.S.A. 58:14-33; or authority to conduct real estate transactions of any value.

3. Within seven days of the issuance of this Order, the Executive Director shall report on any actions taken pursuant to paragraphs 1 and 2 of this Order to the Governor’s Authorities Unit. Thereafter, and continuing for the duration of this state of emergency, the Executive Director shall provide a weekly report to the Authorities Unit. The Executive Director shall assume no personal liability for actions or inactions that are consistent with this Order.
4. In accordance with governing law, including but not limited to N.J.S.A. App. A:9-34 and N.J.S.A. App. A:9-51, I reserve the right to utilize and employ all available resources of the State government and of each and every political subdivision of the State, whether of persons, properties, or instrumentalities, including the PVSC, necessary to avoid and protect against this emergency.

5. Consistent with current law, including but not limited to N.J.S.A. 58:14-34.24, nothing in this Order shall be construed in any way to limit or alter the rights vested in the PVSC to acquire, construct, maintain, reconstruct, and operate the sewerage system and to fulfill the terms of any agreement made with the holders of such bonds or other obligations, and this Order shall not in any way impair the rights or remedies of such holders, and shall not modify in any way the exemptions from taxation provided for in N.J.S.A. 58:14-1 et seq.

6. All State officials and agencies and all officers, agents, and employees of every political subdivision of the State, including the PVSC, shall cooperate fully in the implementation of this Order. Until such time as the State of Emergency is terminated, I reserve the right to take such additional actions, invoke such additional emergency powers, and issue such emergency orders or directives as may be necessary to avert and meet the potentially devastating problems presented by this emergency, to protect the health, safety, and welfare of the people of this State, and to ensure the continued provision of essential public health services.

7. This Order shall take effect immediately and shall remain in full force and effect until rescinded, modified, or supplemented by me in response to the ongoing state of emergency.

WHEREAS, diesel exhaust poses a health risk to the people of this State; and
WHEREAS, the United States Environmental Protection Agency, the International Agency for Research on Cancer, the World Health Organization, and the United States Department of Health and Human Services' National Toxicology Program have classified diesel exhaust as likely to be carcinogenic to humans; and
WHEREAS, diesel exhaust contributes significantly to the fine particle air pollution in New Jersey; and
WHEREAS, the cumulative exposure to pollution and other hazards from multiple sources in urban communities creates a disproportionate impact on the health,
well-being, and quality of life of persons living in those communities, and those impacts are exacerbated by exposure to diesel exhaust in urban settings; and

WHEREAS, diesel engines are extremely durable, often remaining in service for decades, and unless the vehicles and equipment powered by these engines reduce their emissions, they can continue to emit high levels of harmful fine particulates and other chemicals for thirty (30) years; and

WHEREAS, aftermarket control technologies, cleaner burning fuels, and cleaner engines are available now, and the costs associated with applying these risk reduction strategies are relatively low when compared with the costs of the vehicles or equipment they update and the costs to public health; and

WHEREAS, it is appropriate for the State to continue to show leadership by requiring that major state construction contracts involving diesel engines are awarded with concern for the protection of the environment and the health of our citizens; and

WHEREAS, reducing fine particle concentrations emitted as part of major state construction contracts could prevent up to 75 deaths and 1,000 cases of asthma in the State each year;

NOW, THEREFORE, I, CHRIS CHRISTIE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The New Jersey Department of Environmental Protection (“NJDEP”) and New Jersey Department of Transportation (“NJDOT”) shall establish a pilot program to reduce emissions from non-road diesel powered equipment used in selected publicly funded state construction contracts. The pilot program, which is to be completed within three years, will require diesel emission retrofit technology to be installed on non-road diesel powered equipment used in one or more projects in urban areas, to be selected by the Commissioners of NJDEP and NJDOT. Funding shall be provided through NJDEP to reimburse the cost of diesel emission retrofit technology installed under the pilot program.

2. Upon completion of the three-year pilot program, NJDEP and NJDOT shall conduct a stakeholder process to determine, based on experience with the pilot program and, if applicable, other projects, whether it is appropriate to continue or expand the diesel emission reduction requirements and whether modifications are needed before continuing or expanding emission reduction requirements. The stakeholder process identified in this paragraph shall be completed within ninety (90) days.

3. After consultation with NJDOT and after the stakeholder process outlined in paragraph 2, the Commissioner of NJDEP shall make a recommendation to the Governor to continue and expand the diesel air pollution retrofit requirements to the entire State, with appropriate modifications, unless the Commissioner finds that the diesel retrofit program on construction equipment has not been successfully imple-

EXECUTIVE ORDER NO. 83

WHEREAS, the State of New Jersey ("State") is committed to improving both the efficiency of governmental functions and the delivery of essential services for the people of New Jersey; and

WHEREAS, a major function of State government is the fair and orderly administration of our criminal laws; and

WHEREAS, New Jersey's criminal justice system appropriately embodies a broad range of goals including punishment, deterrence, reform, and prevention designed to maintain public safety; and

WHEREAS, an efficient criminal corrections system should include alternatives to pure incarceration that recognize established techniques for treatment and intervention that may better serve the public by breaking the cycle of criminality caused by repeat offenders; and

WHEREAS, effective and appropriate treatment and re-entry programs can lower recidivism rates, reduce the population of the State's prison system, and help transform offenders into productive members of our communities; and

WHEREAS, as a nationally recognized leader in the reduction of recidivism rates, New Jersey must continue to lead national efforts to eradicate the causes of career criminal conduct; and

WHEREAS, the Executive and Judicial branches of State government currently invest more that $200 million a year on a multitude of programs treating offenders; and

WHEREAS, one of these successful programs, New Jersey's Drug Court, has demonstrated promise as a means of reducing recidivism. The Drug Court program allows substance-abusers without prior convictions for violent crimes who are charged with new non-violent offenses an alternative to incarceration. The Drug Court program emerged from research showing that offenders dependent on drugs or alcohol often revert to crime following incarceration if denied appropriate treatment, monitoring, and supervision. Court ordered intervention presents an effective and humane response to crimes committed by drug or alcohol dependent offenders, and helps to achieve the overriding goal of the New Jersey Code of Criminal Justice to protect public safety by reducing the incidence of crime; and
WHEREAS, New Jersey’s Drug Court Program currently allows participation only by those who affirmatively seek admission, it is in the public interest to broaden this successful program to reach drug dependent offenders who do not initially seek admission but who nonetheless need and may benefit from the court-supervised drug treatment; and
WHEREAS, legacy development and organization of treatment and re-entry programs created a decentralized and uncoordinated system that hampers the State’s ability to identify and build upon successful programs such as the Drug Court and develop new plans to increase effective intervention;

NOW, THEREFORE, I, CHRIS CHRISTIE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby created a Governor’s Task Force for Recidivism Reduction, hereinafter referred to as the “Task Force.”
2. The Governor shall select a Task Force Director (“Director”), who, along with the Chairman of the New Jersey State Parole Board (“Chairman”), shall lead the Task Force, ensure its mandates are performed and report to the Governor on an ongoing basis its findings and achievements. The Task Force shall consist of representatives of the Judiciary and various Executive Departments who, through legislation, departmental charge of responsibility or policy initiative, control or administer programs or treatment that may have an effect upon prisoner re-entry or prisoner recidivism rates. The Director and Chairman shall choose appropriate representatives from any Departments deemed as necessary to accomplish the purposes of this Order. The Task Force shall consist of individuals who have practical experience, knowledge or expertise in the areas of a) treatment or programming for offenders; b) mental health or drug or alcohol addiction; c) state government operations that could potentially remove barriers to successful re-entry; and d) performance benchmarking and evaluation. Members of the Task Force shall serve through intergovernmental mobility assignments. The Task Force shall organize as soon as practicable after the appointment of its members.
3. The Task Force is authorized to call upon any department, office or agency of State government to provide such information, resources or other assistance deemed necessary to discharge its responsibilities under this Order. Each department, officer, division and agency of this State is hereby required to cooperate with the Task Force and to furnish it with such information, personnel and assistance as is necessary to accomplish the purposes of this Order.
4. The Task Force is charged with studying the State’s efforts towards the reduction of criminal recidivism, creating a system whereby those efforts can be benchmarked and continually evaluated, then presenting ongoing recommendations to the Governor regarding how best to ensure the effectiveness and success of this State’s efforts towards recidivism reduction. The recommendations will be based
upon input from all of the various stakeholders, widely recognized best practice models, and a performance benchmarking and measurement system.

5. The Task Force may consult with the provider community, stakeholders, practitioners, experts or other knowledgeable individuals in the public or private sector on any aspect of its mission.

6. The Task Force shall engage a college or university for the creation of an initial benchmarking study. The product of this study shall be a report of the effectiveness and performance of all present offender treatment and programming that may affect recidivism.

7. The Task Force shall develop a system for performance measurement designed to inform the Task Force of ongoing programmatic successes and weaknesses. Performance measurement shall greatly influence the Task Force's recommendations for programmatic development and priorities.

8. The Task Force shall embrace the widely accepted principles of evidence-based best practices. The Task Force will develop protocols for the determination of what constitutes evidence-based programming and will formulate, then recommend, the maximum allowable percentage of State supported non-evidence based programming.

9. The Task Force shall coordinate and assist the Judiciary with the development of a program to effectuate an expansion of the Drug Court Program.

10. This Order shall take effect immediately.

Dated November 28, 2011.

REORGANIZATION PLANS

(1797)
REORGANIZATION PLAN NO.001-2011

A PLAN FOR THE ABOLITION OF THE COUNCIL ON AFFORDABLE HOUSING AND PROVIDING FOR THE TRANSFER OF THE FUNCTIONS, POWERS, AND DUTIES OF THE COUNCIL ON AFFORDABLE HOUSING TO THE DEPARTMENT OF COMMUNITY AFFAIRS

PLEASE TAKE NOTICE that on June 29, 2011, Governor Chris Christie hereby issues this Reorganization Plan, No.001-2011 (the “Plan”), to abolish the Council on Affordable Housing (hereinafter referred to as the “Council” or “COAH”), thereby reducing expenditures and promoting economy and efficiency in the operations of the executive branch by eliminating a costly and burdensome regulatory agency. This Plan furthers the efforts of the Executive Branch to implement the recommendations of the Red Tape Review Group created by Executive Order No. 3 (2010). In its April 19, 2010 report, the Red Tape Review Group specifically noted the urgent need to reform the State’s affordable housing policy to relieve the burdens imposed on municipalities and taxpayers by the existing system of development. This plan also advances the goals outlined in Executive Order No. 12, which created the Housing Opportunity Task Force, to more efficiently and effectively satisfy the State’s affordable housing obligation, and sets the stage for further implementation of the recommendations contained in the Housing Opportunity Task Force’s March 19, 2010 final report.

GENERAL STATEMENT OF PURPOSE

The purpose of this Plan is to reduce the unnecessary complexity of affordable housing administration in New Jersey, lower the administrative costs associated with the present regulatory process, and streamline the development of new housing projects. Under current law, the Department of Community Affairs (the “Department”) is responsible for providing assistance to municipalities, and is charged with oversight of the affairs of local governments. The Department also operates numerous affordable housing programs funded by the Department of Housing and Urban Development and the State of New Jersey. The performance of these obligations can be significantly improved and streamlined by consolidating the statutory functions, powers, and duties of the Council with those of the Department. Accordingly, this Plan transfers all functions, powers, duties, and personnel of the Council, in but not of the Department of Community Affairs, to the
Commissioner of the Department. The terms of offices of all existing members of the Council will be abolished.

Placing the administration of affordable housing under the direction of the Department will produce significant cost savings to State and local government taxpayers. First, municipal development will be achieved through a single, predictable rule-making process conducted under the familiar and well-established provisions of the Administrative Procedures Act. Second, local governments will be freed from the sometimes inconsistent directions provided by COAH and the Department, thereby reducing the legal and administrative costs resulting from regulatory uncertainty. Third, the Department can effectively manage the State's affordable housing obligations without the necessity of the multi-member Council and a separate full-time staff. Taxpayers will also benefit from the elimination of the compensation paid to COAH board members for their time, travel costs, and attendance at meetings.

Finally, this Plan will address the needs of both the providers and beneficiaries of affordable housing in New Jersey by organizing all programs within a single regulatory body. Consolidating the authority for housing in the Department will reduce bureaucracy and foster predictability and consistency for developers and housing advocates alike, curb procedural inefficiencies and maneuvering, resulting litigation, and unreasonable delays and costs to municipalities and the private sector, while appropriately increasing the availability of affordable housing throughout the state.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation, and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote the better execution of the laws, the more effective management of the Executive branch and of its agencies and functions, and the expeditious administration of the public business;
2. Reduce expenditures and promote economy consistent with the efficient operation of the Executive;
3. Increase the efficiency of the operations of the Executive;
4. Group, co-ordinate, and consolidate functions of the Executive according to major purposes; and
5. Eliminate overlapping and duplication of effort.
Therefore, I hereby order the following reorganization:

1. The Council on Affordable Housing created pursuant to P.L. 1985, c.222 (C.52:27D-301 et seq.) is abolished.
2. The terms of offices of all existing members of the Council are hereby abolished. All of the powers, functions, and duties exercised by the Council, including, but not limited to, those powers, functions, and duties pursuant to P.L. 1985, c.222, as amended and supplemented (C.52:27D-301 et seq.), P.L. 2004, c.120, s.25 (C.13:20-23), and P.L. 2008, c.46 (C.40:55D-8.1 et seq.), are continued, transferred to, and vested in the Commissioner of the Department, to be organized within the Department as determined by the Commissioner, and shall henceforth be exercised by the Commissioner of the Department.
3. All files, books, papers, records, equipment, other property held by the Council, including, without limitation, monies authorized to be collected and applied to the costs of the program hereby transferred and any such property or monies received after the effective date of this plan, and personnel are transferred to the Department, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.), and any monies are to be deposited in such accounts as may be required by law.
4. Whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding, or otherwise, reference to the Council is made, the same shall mean the Commissioner of the Department of Community Affairs or the Department, as appropriate, except where the context clearly requires otherwise.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L. 1969, c. 203. Specifically, this reorganization will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate, and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions.
2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver, or other means.
3. All acts and parts of acts and plans or parts of plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is held invalid or contrary to the law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

5. This Plan is intended to protect and promote public health, safety, and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.

6. All transfers directed by this Plan shall be effected pursuant to the “State Agency Transfer Act,” P.L. 1971, c. 375 (C.52:14D-1 et seq.).

REORGANIZATION PLAN NO.002-2011

PLEASE TAKE NOTICE that on June 29, 2011, Governor Chris Christie hereby issues this Reorganization Plan, No. 002-2011 (the "Plan") to transfer the State Planning Commission and the Office of Smart Growth (hereinafter collectively referred to as the "State Planning Entities") from the Department of Community Affairs to the Department of State, thereby promoting efficiency and effectiveness in the execution of the important growth planning and coordination responsibilities of the State Planning Entities. This Plan furthers the efforts of the Executive Branch to implement the recommendations of the Red Tape Review Group created by Executive Order No. 3 (2010). In its April 19, 2010 report, the Red Tape Review Group identified a need to strengthen the State Planning Entities and recommended transferring their functions to the Department of State in order to reinvigorate the planning functions of State government.

GENERAL STATEMENT OF PURPOSE

The purpose of this Plan is to streamline and realign important strategic and coordination responsibilities with respect to growth and land use planning in New Jersey. The State Planning Entities were established within the Department of the Treasury pursuant to the State Planning Act, and were subsequently reorganized within the Department of Community Affairs. These entities are charged with, inter alia, coordinating long-term and short-term planning for growth, economic development, urban renewal, agriculture, natural resource preservation, open space conservation, and other appropriate land uses throughout the State. The State Planning Entities' responsibilities include working closely with stakeholders at the State and local levels and coordinating with principal departments of State government to target and coordinate the State’s resources and funding in ways that enhance the quality of life for residents of New Jersey.

The State Planning Entities are currently allocated within the Department of Community Affairs, which is primarily charged with providing administrative guidance, support, and technical assistance to local government units, as well as administrative responsibility regarding affordable housing. However, modern land use planning necessarily must integrate a large number of interests that are regulated by different agencies and departments of government, including transportation, housing, environmental protection, energy, economic development, public services, facilities, and institutions. New Jersey's planning and regulatory environment has previously sent conflicting signals about where growth will be supported by State permits and policy. The Department of State enjoys central placement in
the architecture of State government and is well positioned to balance and coordinate the myriad of competing interests that must be reconciled in order to achieve successful land use and growth planning. Moreover, pursuant to an Intergovernmental Agreement between the Department of State and the Department of Community Affairs executed in August 2010, the Department of State has been successfully assisting in the performance of many of the responsibilities undertaken in the past by the Department of Community Affairs. Consistent with the purposes of that agreement, this Plan transfers the State Planning Entities and all of their functions, powers, duties, and personnel from the Department of Community Affairs to the Department of State in order to better position them to accomplish their missions.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote the better execution of the laws, the more effective management of the Executive branch and of its agencies and functions, and the expeditious administration of the public business;
2. Promote economy consistent with the efficient operation of the Executive;
3. Increase the efficiency of the operations of the Executive;
4. Group, co-ordinate, and consolidate functions of the Executive according to major purposes; and
5. Eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:
1. The State Planning Commission is transferred from the Department of Community Affairs to the Department of State.
2. The Office of Smart Growth is transferred from the Department of Community Affairs to the Department of State and is renamed as the “Office of Planning Advocacy.”
3. The structure and operations of the State Planning Entities shall not be affected by this transfer. All of the powers, functions, and duties exercised by the State Planning Entities are continued, transferred, and vested in the
State Planning Commission and the Office of Planning Advocacy, as the case may be, and are allocated and organized within the Department of State.

4. All files, books, papers, records, equipment, other property held by the State Planning Entities, including, without limitation, funds and other resources, and personnel are transferred to the Department of State, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.), and funds are to be deposited in such accounts as may be required by law.

5. Whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding, or otherwise, reference to the State Planning Commission in the Department of Community Affairs is made, the same shall mean the State Planning Commission in the Department of State, and whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding, or otherwise, reference to the Office of Smart Growth in the Department of Community Affairs is made, the same shall mean the Office of Planning Advocacy in the Department of State, except where the context clearly requires otherwise.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L.1969, c.203. Specifically, this reorganization will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate, and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions.

2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver, or other means.

3. All acts and parts of acts and reorganization plans or parts of reorganization plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is held invalid or contrary to the law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

5. This Plan is intended to protect and promote public health, safety, and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.
6. All transfers directed by this Plan shall be effected pursuant to the “State Agency Transfer Act,” P.L.1971, c.375 (C.52:14D-1 et seq.).

7. A copy of this Reorganization Plan was filed on June 29, 2011 with the Secretary of State and with the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective at the end of a period of 60 calendar days after the date of filing, unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than the end of such 60-calendar day period after the date of filing, should the Governor establish such a later date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of “Reorganization Plans.”

REORGANIZATION PLAN NO.003-2011

A PLAN FOR THE TRANSFER OF THE DIVISION OF BUSINESS ASSISTANCE, MARKETING AND INTERNATIONAL TRADE, AND ITS FUNCTIONS, POWERS, AND DUTIES FROM THE NEW JERSEY ECONOMIC DEVELOPMENT AUTHORITY TO THE DEPARTMENT OF STATE

PLEASE TAKE NOTICE that on June 29, 2011, Governor Chris Christie hereby issues this Reorganization Plan, No. 003-2011 (the “Plan”), to transfer the Division of Business Assistance, Marketing, and International Trade, commonly known as the Business Retention and Attraction Division (hereinafter referred to as the “Division”), within the New Jersey Economic Development Authority (the “Authority”), to the Department of State (the “Department”), thereby promoting efficiency and effectiveness in the operations of the executive branch by streamlining the management and execution of important business-related priorities of the State. This Plan furthers the efforts of the Executive Branch to implement the recommendations of the Red Tape Review Group created by Executive Order No. 3
In its April 19, 2010 report, the Red Tape Review Group endorsed a new model for job creation and retention, and economic growth and investment in the State, via the consolidation of existing economic development programs to a central entity under the supervision of the Lieutenant Governor in her capacity as Secretary of State.

**GENERAL STATEMENT OF PURPOSE**

The purpose of this Plan is to streamline important management and execution responsibilities with respect to business-related priorities of the State. The Division was established following a 2008 State government realignment pursuant to which certain business-related functions previously performed by the New Jersey Commerce Commission were transferred to the Authority. Division staff are responsible for focusing on domestic and international business attraction, expansion, and retention efforts, as well as outreach and planning functions and maintenance of a business call center.

In 2010, the Administration announced the commencement of a multifaceted outreach and business-assistance effort headed by the Lieutenant Governor in her capacity as Secretary of State. The effort included organizational as well as strategic elements to attract new businesses to New Jersey and help existing businesses thrive by focusing on increased relationship-building and person-to-person outreach, coordinated promotion of state incentives and resources, and enhanced assistance for businesses navigating state government programs and processes. The Lieutenant Governor’s efforts include the creation of the Business Action Center to serve as a comprehensive resource for all businesses located in, or considering relocation to, the State. Since that time, the Department and the Authority have entered into, and operated effectively under, a Memorandum of Understanding pursuant to which Authority personnel from the Division work closely with Department staff to support the efforts of the Business Action Center. This arrangement has proven successful in bringing increased customer services and coordination for businesses looking to remain, expand, or locate in New Jersey.

Consistent with the goals of that effort, the purpose of this Plan is to improve efficiency, promote coordination, and improve quality in the performance of the responsibilities of the Division by transferring its functions, powers, and duties to the Department to support the Business Action Center. Accordingly, this Plan transfers the Division and all of its functions, powers, duties, and personnel to the Department.
NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer provided for in this Plan, that it is necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote the better execution of the laws, the more effective management of the Executive branch and of its agencies and functions, and the expeditious administration of the public business;
2. Promote economy consistent with the efficient operation of the Executive;
3. Increase the efficiency of the operations of the Executive;
4. Group, co-ordinate, and consolidate functions of the Executive according to major purposes; and
5. Eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

1. The Division of Business Assistance, Marketing, and International Trade, commonly known as the Business Retention and Attraction Division, including the Motion Picture and Television Development Commission ("Motion Picture Commission"), which is in, but not of, the Division, within the New Jersey Economic Development Authority is transferred to the Department of State.

2. All of the powers, functions, and duties exercised by the Division, including the powers, functions and duties of the Motion Picture Commission, are continued, transferred, and vested in the Department, to be organized within the Department as determined by the Secretary of State, in support of the operations of the Business Action Center.

3. All files, books, papers, records, equipment, other property held by or on behalf of the Division, including, without limitation, funds and other resources, and personnel are transferred to the Department, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.), and funds are to be deposited in such accounts as may be required by law.

4. Whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding, or otherwise, reference to the Division of Business Assistance, Marketing, and International Trade or the Business Retention and Attraction Division within the New Jersey Economic Development Authority is made, the same shall mean the Business...
Action Center in the Department of State, and whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Motion Picture and Television Development Commission, the same shall mean and refer to the Motion Picture and Television Development Commission in, but not of, the Business Action Center, except where the context clearly requires otherwise.

**GENERAL PROVISIONS**

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L. 1969, c. 203. Specifically, this reorganization will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate, and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions.

2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver, or other means.

3. All acts and parts of acts and reorganization plans or parts of reorganization plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is held invalid or contrary to the law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

5. This Plan is intended to protect and promote public health, safety, and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.

6. All transfers directed by this Plan shall be effected pursuant to the “State Agency Transfer Act,” P.L. 1971, c. 375 (C.52:14D-1 et seq.).

7. A copy of this Reorganization Plan was filed on June 29, 2011 with the Secretary of State and with the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective at the end of a period of 60 calendar days after the date of filing, unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than the end of such 60-calendar day pe-
period after the date of filing, should the Governor establish such a later date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of “Reorganization Plans.”

REORGANIZATION PLAN NO.004-2011

A PLAN FOR THE TRANSFER OF THE AMISTAD COMMISSION AND ITS FUNCTIONS, POWERS, AND DUTIES FROM THE DEPARTMENT OF STATE TO THE DEPARTMENT OF EDUCATION

PLEASE TAKE NOTICE that on June 29, 2011, Governor Chris Christie hereby issues this Reorganization Plan, No. 004-2011 (the “Plan”), to transfer the Amistad Commission (hereinafter referred to as the “Commission”) from the Department of State to the Department of Education, thereby promoting efficiency and effectiveness in the execution of its important mission and responsibilities. This Plan furthers the ongoing efforts of the Administration to streamline and make more effective the operations of the Executive Branch in the interests of efficiency and economy, and to organize, group, and coordinate the agencies and functions of the Executive Branch according to major purposes so as to promote the better execution of the laws.

GENERAL STATEMENT OF PURPOSE

The purpose of this Plan is to improve efficiency and quality in the performance of the responsibilities of the Amistad Commission by relocating it within the Department of Education. The Amistad Commission (“Commission”) was established pursuant to P.L. 2002, c. 75, as amended (C.52:16A-86 et seq.), in order to, inter alia, coordinate educational and other programs to promote awareness of the dehumanizing atrocities associated with the African slave trade, the legacy of slavery, and the positive contributions of African-Americans in building our country. More specifically, the Commission is charged with assisting educators in implementing the policy of the State of New Jersey that the history of the African slave trade and slavery in America, the depth of their impact on our society, and the triumphs of
African-Americans and their significant contributions to the development of this country are the proper concern of all people, and particularly students enrolled in the schools of the State of New Jersey.

Currently, the Commission is allocated within the Department of State, which is responsible for a variety of important functions including preserving and promoting the State’s arts, history, and culture, as well as overseeing elections and promoting economic development and business-related assistance. In recognition of the Commission’s significant educational mission, the Department of Education is currently required, pursuant to sections 2 and 3 of P.L. 2002, c. 75 (C.52:16A-86 et seq.), to provide appropriate assistance to the Commission. Such assistance includes, but is not limited to, developing educational curricula, disseminating information to educators, administrators and school districts, and conducting teacher workshops beneficial to the promotion of the mission of the Commission.

In order to improve efficiency and quality in the performance of the responsibilities of the Commission, this Plan provides for the transfer of the Commission to the Department of Education. The Department of Education employs experts in curriculum development and, by virtue of its significant educational oversight responsibilities, is uniquely positioned to work with educators and disseminate information to school districts and teachers throughout the State. Moreover, pursuant to an Agreement between the Department of State and the Department of Education executed last year, the Department of Education has been successfully assisting in the performance of many of the responsibilities undertaken in the past solely by the Department of State. Accordingly, this Plan transfers the Amistad Commission, along with all of its functions, powers, duties, and personnel, from the Department of State to the Department of Education. The Department of State and the Department of Education will continue their cooperation with respect to the Commission as contemplated by sections 2 and 3 of P.L. 2002, c. 75 (C.52:16A-86 et seq.).

NOW, THEREFORE, in accordance with the provisions of the “Executive Reorganization Act of 1969,” P.L. 1969, P.L. 1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation, and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote the better execution of the laws, the more effective management of the Executive branch and of its agencies and functions, and the expeditious administration of the public business;
2. Reduce expenditures and promote economy consistent with the efficient operation of the Executive;
3. Increase the efficiency of the operations of the Executive;
4. Group, co-ordinate, and consolidate functions of the Executive according to major purposes; and
5. Eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. The Amistad Commission created pursuant to P.L.2002, c.75, as amended (C.52:16A-86 et seq.) is transferred from the Department of State to the Department of Education.

2. The terms of offices of all existing members of the Commission shall not be affected. All of the powers, functions, and duties exercised by the Commission are continued; provided, however, that notwithstanding the provisions of subsection (d) of section 2 of P.L.2002, c.75 (C.52:16A-87(d)) to the contrary, the Commissioner of Education shall serve as chair of the Commission and the Secretary of State shall serve as vice-chair of the Commission. Consistent with section 2 of P.L.2002, c.75 (C.52:16A-87), the New Jersey Historical Commission shall continue to advise and provide recommendations to the Amistad Commission, as appropriate.

3. All files, books, papers, records, equipment, other property held by the Commission, including, without limitation, funds and other resources, and personnel are transferred to the Department of Education, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.), and any funds are to be deposited in such accounts as may be required by law.

4. Whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding or otherwise, reference to the Amistad Commission allocated within the Department of State is made, the same shall mean the Amistad Commission allocated within the Department of Education, except where the context clearly requires otherwise.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate, and consolidate functions in a more
consistent and practical manner and eliminate overlapping and duplication of functions.

2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver or other means.

3. All acts and parts of acts and plans or parts of plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is held invalid or contrary to the law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

5. This Plan is intended to protect and promote public health, safety, and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.

6. All transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

7. A copy of this Reorganization Plan was filed on June 29, 2011 with the Secretary of State and with the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective at the end of a period of 60 calendar days after the date of filing, unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than the end of such 60-calendar day period after the date of filing, should the Governor establish such a later date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO.005-2011

A PLAN FOR THE ABOLITION OF THE NEW JERSEY COMMISSION ON HIGHER EDUCATION AND PROVIDING FOR THE TRANSFER OF THE FUNCTIONS, POWERS AND DUTIES OF THE COMMISSION TO THE SECRETARY OF HIGHER EDUCATION

PLEASE TAKE NOTICE that on June 29, 2011, Governor Chris Christie hereby issues this Reorganization Plan, No. 005-2011 (the “Plan”) to abolish the New Jersey Commission on Higher Education (hereinafter referred to as the “Commission”) and to transfer the powers, functions, and duties of the Commission to the Secretary of Higher Education. This Plan furthers the ongoing efforts of the Executive Branch to implement the recommendations of the New Jersey Higher Education Task Force (the “Task Force”) created by Executive Order No. 26 (2010) chaired by Governor Thomas H. Kean. In its December 2010 report, the Task Force specifically noted the immediate need for reform of the State’s higher education governance structure to improve coordination, effectiveness, and accountability in service of New Jersey’s students and residents. In this regard, the Task Force emphasized that New Jersey must reform its statewide coordinating structure for higher education and made various recommendations, including the elimination of the Commission on Higher Education, empowering the Secretary of Higher Education, and improving the strength and independence of boards of trustees. The Task Force also recommended the creation of a new advisory Governor’s Higher Education Council which would assist and provide advice and support to the Secretary of Higher Education, while also advising the Governor on higher education issues.

GENERAL STATEMENT OF PURPOSE

The purpose of this Plan is to improve the effectiveness of the State’s oversight of higher education, reduce the unnecessary complexity of higher education administration in New Jersey, lower administrative costs, and streamline decision-making. When the legislature recently created the position of the Secretary of Higher Education, it recognized the importance of continuously looking to improve the quality of higher education while simultaneously strengthening our statewide coordinating structure. Under current law, the Commission on Higher Education, comprised of 17 members, is allocated in but not of the Department of State and is responsible for a diverse array of important planning, advocacy, and regulatory matters,
including final agency decision-making over institutional licensure, new academic programs, and other important matters. The Secretary of Higher Education serves as the Executive Director of the Commission and is granted authority to, among other things, visit public institutions of higher education to examine how they conduct their affairs and to enforce observance of the laws of the State. Current law specifies that the Secretary shall hold cabinet level rank.

The performance of these obligations and responsibilities can be significantly improved by consolidating the statutory powers and duties of the Commission with those of the Secretary. The Secretary should be the primary advisor to the Governor on higher education matters and, commensurate with holding cabinet level rank, the Secretary should be empowered in the same manner as the other commissioners and secretaries of most of the principal departments of State government, with authority to make final agency determinations. Accordingly, this Plan transfers all functions, powers, duties, and personnel of the Commission, in but not of the Department of State, to the Secretary of Higher Education. The terms of offices of all existing members of the Commission will be abolished.

Placing the administration of higher education under the direction of the Secretary will produce greater efficiency and accountability in a structure that has proved effective for other principal departments of State government, with a single chief administrative officer overseeing State functions relating to higher education. As noted by the Task Force, higher education is indispensable to a thriving economy and a well functioning society. By consolidating these functions, the Secretary will be empowered to lead the statewide planning effort for higher education, and ensure transparency and accountability by institutions. Similarly, as a cabinet level official, the Secretary should be charged with advising and making recommendations to the Governor and the Legislature on significant matters involving higher education.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L. 1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation, and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote the better execution of the laws, the more effective management of the Executive branch and of its agencies and functions, and the expeditious administration of the public business;
2. Reduce expenditures and promote economy consistent with the efficient operation of the Executive;
3. Increase the efficiency of the operations of the Executive;
4. Group, coordinate, and consolidate functions of the Executive according to major purposes;
5. Eliminate overlapping and duplication of efforts.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:
1. The New Jersey Commission on Higher Education created pursuant to P.L.1994, c.48 (C.18A:3B-13 et seq.) is abolished.
2. The terms of offices of all existing members of the Commission are hereby abolished. All of the powers, functions, and duties exercised by the Commission, including, but not limited to, those powers, functions, and duties granted pursuant to P.L.1994, c.48, (C.18A:3B-1 et seq.) as amended and supplemented, are continued, transferred to, and vested in the Secretary of Higher Education and shall henceforth be exercised by the Secretary.
3. All files, books, papers, records, equipment, and other property held by the Commission, including, without limitation, funds and other resources, are hereby transferred, and received after the effective date of this plan, are transferred to the Secretary, pursuant to the "State Agency Transfer Act," P.L. 1971, c.375 (C.52:14D-1 et seq.), to be deposited in such accounts as may be required by law.
4. Whenever, in any law, rule, regulation, contract, order, document, judicial or administrative proceeding, or otherwise, reference to the Commission of Higher Education or the Chair thereof is made, the same shall mean the Secretary of Higher Education, except where the context clearly requires otherwise.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L.1969, c.203. Specifically, this reorganization will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions.
2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver or other means.

3. All acts and parts of acts and plans or parts of plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4.
