LAWS
AN ACT concerning various changes to the State-administered retirement systems and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:66-4 is amended to read as follows:

Membership.
18A:66-4. a. The membership of the retirement system shall consist of:
(a) all members of the teachers' pension and annuity fund enrolled as such as of December 31, 1955;
(b) any person becoming a teacher on or after January 1, 1956, except any person who has attained the age of 60 years prior to becoming a teacher after June 30, 1958 but before July 1, 1968;
(c) every teacher veteran as of January 1, 1956, who is not a member of the "Teachers' Pension and Annuity Fund" as of such date and who shall not have notified the board of trustees within 30 days of such date that he does not desire to become a member;
(d) any teacher employed on January 1, 1956, who is not a member of the Teachers' Pension and Annuity Fund and who elects to become a member under the provisions of N.J.S.18A:66-10.

b. (1) Before or on November 1, 2008, no person in employment, office or position, for which the annual salary or remuneration is fixed at less than $500.00 shall be eligible to become a member of the retirement system.
(2) After November 1, 2008, a person who was a member of the retirement system on that date and continuously thereafter shall be eligible to
be a member of the retirement system in employment, office or position, for which the annual salary or remuneration is fixed at $500 or more.

(3) After November 1, 2008 and before or on the effective date of P.L.2010, c.1, a person who was not a member of the retirement system on November 1, 2008, or who was a member of the retirement system on that date but not continuously thereafter, and who is in employment, office or position, for which the annual salary or remuneration is certified by the applicable public entity at $7,500 or more, shall be eligible to become a member of the retirement system. The $7,500 minimum annual salary or remuneration amount shall be adjusted annually by the Director of the Division of Pensions and Benefits, by regulation, in accordance with changes in the Consumer Price Index but by no more than 4 percent. "Consumer Price Index" means the average of the annual increase, expressed as a percentage, in the consumer price index for all urban consumers in the New York City and Philadelphia metropolitan statistical areas during the preceding calendar year as reported by the United States Department of Labor.

(4) After the effective date of P.L.2010, c.1, no person in an employment, office or position of the State, or an agency, board, commission, authority or instrumentality of the State, for which the hours of work are fixed at fewer than 35 per week shall be eligible to become a member of the retirement system; and no person in employment, office or position with a board of education or other education employer for which the hours of work are fixed by a resolution of the board of education or other education employer at fewer than 32 per week shall be eligible to become a member of the retirement system. Any hour or part thereof, during which the person does not work due to the person’s participation in a voluntary or mandatory furlough program shall not be deducted in determining if a person’s hours of work are fixed at fewer than 35 or 32 per week, as appropriate, for the purpose of eligibility.

2. N.J.S.18A:66-8 is amended to read as follows:

Continuance of membership.

18A:66-8. a. If a teacher:

(1) is dismissed by an employer by reason of reduction in number of teachers employed in the school district, institution or department when in the judgment of the employer it is advisable to abolish any office, position or employment for reasons of a reduction in the number of pupils, economy, a change in the administrative or supervisory organization or other good cause; or becomes unemployed by reason of the creation of a regional
school district or a consolidated school district; or has been discontinued from service without personal fault or through leave of absence granted by an employer or permitted by any law of this State; and

(2) has not withdrawn the accumulated member's contributions from the retirement system, the teacher's membership may continue, notwithstanding any provisions of this article, if the member returns to service within a period of 10 years from the date of discontinuance from service. No credit for retirement purposes shall be allowed to the member covering the period of discontinuance, except as provided in this section. In computing the service or in computing final compensation, no time after September 1, 1919, during which a member shall have been employed as a teacher at an annual salary or remuneration, or a number of hours of work, fixed at less than that which is required for membership pursuant to N.J.S.18A:66-4 as applicable to the member shall be credited. In computing the service or in computing final compensation, no time after the effective date of P.L.2010, c.1, during which a member shall have been employed as a teacher for fewer than 32 hours per week shall be credited, unless the member shall have been a member since that effective date continuously. In the case of a veteran member credit shall be given for service rendered prior to January 1, 1955, in an employment, office or position if the annual salary or remuneration therefor was fixed at not less than $300.00 and the service consisted of the performance of the full duties of the employment, office or position.

b. A teacher may purchase credit for time during which the teacher shall have been absent on an official leave without pay. The credit shall be purchased for a period of time equal to:

(1) three months or the duration of the leave, whichever is less; or
(2) if the leave was due to the member's personal illness, two years or the duration of the leave, whichever is less; or
(3) the period of leave that is specifically allowed for retirement purposes by the provisions of any law of this State.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by N.J.S.18A:66-9.

3. Section 7 of P.L.1954, c.84 (C.43:15A-7) is amended to read as follows:

C.43:15A-7 Public Employees' Retirement System, established; membership.
7. There is hereby established the Public Employees' Retirement System of New Jersey in the Division of Pensions and Benefits of the Depart-
ment of the Treasury. The membership of the retirement system shall include:

a. The members of the former "State Employees' Retirement System of New Jersey" enrolled as such as of December 30, 1954, who shall not have claimed for refund their accumulated deductions in said system as provided in this section;

b. Any person becoming an employee of the State or other employer after January 2, 1955 and every veteran, other than a retired member who returns to service pursuant to subsection b. of section 27 of P.L.1966, c.217 (C.43:15A-57.2) and other than those whose appointments are seasonal, becoming an employee of the State or other employer after such date, including a temporary employee with at least one year's continuous service. The membership of the retirement system shall not include those persons appointed to serve as described in paragraphs (2) and (3) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2), except a person who was a member of the retirement system prior to the effective date of sections 1 through 19 of P.L.2007, c.92 (C.43:15C-1 through C.43:15C-15, C.43:3C-9, C.43:15A-7, C.43:15A-75 and C.43:15A-135) and continuously thereafter; and

c. Every employee veteran in the employ of the State or other employer on January 2, 1955, who is not a member of any retirement system supported wholly or partly by the State.

d. Membership in the retirement system shall be optional for elected officials other than veterans, and for school crossing guards, who having become eligible for benefits under other pension systems are so employed on a part-time basis. Elected officials commencing service on or after the effective date of sections 1 through 19 of P.L.2007, c.92 (C.43:15C-1 through C.43:15C-15, C.43:3C-9, C.43:15A-7, C.43:15A-75 and C.43:15A-135) shall not be eligible for membership in the retirement system based on service in the elective public office, except that an elected official enrolled in the retirement system as of that effective date who continues to hold that elective public office without a break in service shall be eligible to continue membership in the retirement system under the terms and conditions of enrollment. Service in the Legislature shall be considered a single elective public office. Any part-time school crossing guard who is eligible for benefits under any other pension system and who was hired as a part-time school crossing guard prior to March 4, 1976, may at any time terminate his membership in the retirement system by making an application in writing to the board of trustees of the retirement system. Upon receiving such application, the board of trustees shall terminate his enrollment in the system and direct the employer to cease accepting contributions from the member or deducting
from the compensation paid to the member. State employees who become members of any other retirement system supported wholly or partly by the State as a condition of employment shall not be eligible for membership in this retirement system. Notwithstanding any other law to the contrary, all other persons accepting employment in the service of the State shall be required to enroll in the retirement system as a condition of their employment, regardless of age.

(1) Before or on November 1, 2008, no person in employment, office or position, for which the annual salary or remuneration is fixed at less than $1,500.00, shall be eligible to become a member of the retirement system.

(2) After November 1, 2008, a person who was a member of the retirement system on that date and continuously thereafter shall be eligible to be a member of the retirement system in employment, office or position, for which the annual salary or remuneration is fixed at $1,500 or more.

(3) After November 1, 2008 and before or on the effective date of P.L.2010, c.1, a person who was not a member of the retirement system on November 1, 2008, or who was a member of the retirement system on that date but not continuously thereafter, and who is in employment, office or position, for which the annual salary or remuneration is certified by the applicable public entity at $7,500 or more, shall be eligible to become a member of the retirement system. The $7,500 minimum annual salary or remuneration amount shall be adjusted annually by the Director of the Division of Pensions and Benefits, by regulation, in accordance with changes in the Consumer Price Index but by no more than 4 percent. "Consumer Price Index" means the average of the annual increase, expressed as a percentage, in the consumer price index for all urban consumers in the New York City and Philadelphia metropolitan statistical areas during the preceding calendar year as reported by the United States Department of Labor.

(4) After the effective date of P.L.2010, c.1, no person in an employment, office or position of the State, or an agency, board, commission, authority or instrumentality of the State, for which the hours of work are fixed at fewer than 35 per week shall be eligible to become a member of the retirement system; and no person in employment, office or position with a political subdivision of the State, or an agency, board, commission, authority or instrumentality of a political subdivision of the State, for which the hours of work are fixed by an ordinance or resolution of the political subdivision, or agency, board, commission, authority or instrumentality thereof, at fewer than 32 per week shall be eligible to become a member of the retirement system. Any hour or part thereof, during which the person does not work due to the person's participation in a voluntary or mandatory fur-
lough program shall not be deducted in determining if a person’s hours of work are fixed at fewer than 35 or 32 per week, as appropriate, for the purpose of eligibility.

e. Membership of any person in the retirement system shall cease if he shall discontinue his service for more than two consecutive years.

f. The accumulated deductions of the members of the former "State Employees' Retirement System" which have been set aside in a trust fund designated as Fund A as provided in section 5 of this act and which have not been claimed for refund prior to February 1, 1955 shall be transferred from said Fund A to the Annuity Savings Fund of the Retirement System, provided for in section 25 of this act. Each member whose accumulated deductions are so transferred shall receive the same prior service credit, pension credit, and membership credit in the retirement system as he previously had in the former "State Employees' Retirement System" and shall have such accumulated deductions credited to his individual account in the Annuity Savings Fund. Any outstanding obligations of such member shall be continued.

g. Any school crossing guard electing to terminate his membership in the retirement system pursuant to subsection d. of this section shall, upon his request, receive a refund of his accumulated deductions as of the date of his appointment to the position of school crossing guard. Such refund of contributions shall serve as a waiver of all benefits payable to the employee, to his dependent or dependents, or to any of his beneficiaries under the retirement system.

h. A temporary employee who is employed under the federal Workforce Investment Act shall not be eligible for membership in the system. Membership for temporary employees employed under the federal Job Training Partnership Act, Pub.L.97-300 (29 U.S.C.s.1501) who are in the system on September 19, 1986 shall be terminated, and affected employees shall receive a refund of their accumulated deductions as of the date of commencement of employment in a federal Job Training Partnership Act program. Such refund of contributions shall serve as a waiver of all benefits payable to the employee, to his dependent or dependents, or to any of his beneficiaries under the retirement system.

i. Membership in the retirement system shall be optional for a special service employee who is employed under the federal Older American Community Service Employment Act, Pub.L.94-135 (42 U.S.C.s.3056). Any special service employee employed under the federal Older American Community Service Employment Act, Pub.L.94-135 (42 U.S.C.s.3056), who is in the retirement system on the effective date of P.L.1996, c.139
may terminate membership in the retirement system by making an application in writing to the board of trustees of the retirement system. Upon receiving the application, the board shall terminate enrollment in the system and the member shall receive a refund of accumulated deductions as of the date of commencement of employment in a federal Older American Community Service Employment Act program. This refund of contributions shall serve as a waiver of all benefits payable to the employee, to any dependent or dependents, or to any beneficiary under the retirement system.

j. An employee of the South Jersey Port Corporation who was employed by the South Jersey Port Corporation as of the effective date of P.L.1997, c.150 (C.34:1B-144 et al.) and who shall be re-employed within 365 days of such effective date by a subsidiary corporation or other corporation, which has been established by the Delaware River Port Authority pursuant to subdivision (m) of Article I of the compact creating the Delaware River Port Authority (R.S.32:3-2), as defined in section 3 of P.L.1997, c.150 (C.34:1B-146), shall be eligible to continue membership while an employee of such subsidiary or other corporation.

4. Section 39 of P.L.1954, c.84 (C.43:15A-39) is amended to read as follows:

39. In computing for retirement purposes the total service of a member about to be retired, the retirement system shall credit the member with the time of all service rendered by the member since that member's last enrollment, and in addition with all the service to which the member is entitled and with no other service. Except as otherwise provided in this act, this service credit shall be final and conclusive for retirement purposes unless the member shall discontinue service for more than two consecutive years. In the case of a member for whom compensation is defined in paragraph (2) of subsection r. of section 6 of P.L.1954, c.84 (C.43:15A-6), the retirement system shall credit the member with the time of all service rendered by the member during the part of any year that the member was a participant of the Defined Contribution Retirement Program, pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2) as amended by section 12 of P.L.2007, c.103, and making contributions to that program.

For the purpose of computing service for retirement purposes, the board shall fix and determine by appropriate rules and regulations how much service in any year shall equal a year of service and a part of a year of service. Not more than one year shall be credited for all service in a calen-
A member may purchase credit for time during which the member shall have been absent on an official leave without pay. The credit shall be purchased for a period of time equal to:

1. three months or the duration of the leave, whichever is less; or
2. if the leave was due to the member's personal illness, two years or the duration of the leave, whichever is less; or
3. the period of leave that is specifically allowed for retirement purposes by the provisions of any law of this State.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service credit by section 8 of P.L.1954, c.84 (C.43:15A-8). For purposes of this section, a participant shall be deemed to be in service and covered by the group life insurance for a period of official leave of absence without pay when such leave is due to illness or any reason other than illness, with such period to be determined by the Division of Pensions and Benefits, if satisfactory evidence is presented to the division of such official leave of absence. A participant shall be deemed to be on an official leave of absence only if the leave is formally approved by the employer prior to the time the leave commenced and timely notice is filed by the em-
ployer with the division. If timely notice is not filed, the employer shall be responsible for the payment of any benefits pursuant to this section if the participant was otherwise eligible for such benefits.

In the event of the death of a participant in active service in the first year of participation as a result of an accident met in the actual performance of duty at some definite time and place, the death benefit payable pursuant to this section shall be computed at the annual rate of base salary.

No beneficiary of a retired participant shall be entitled to receive the death benefits payable in the event of death after retirement pursuant to this section unless the participant either: had at least 25 years of credited participation in the retirement program established pursuant to this act; or had at least 10 years of such credited participation and had attained 60 years of age and was an actively employed participant in the program in the year immediately preceding initial receipt of a retirement annuity. For a member who is a participant pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2) as amended by section 12 of P.L.2007, c.103 and section 7 of P.L.2010, c.1, service credit in the Teachers' Pension and Annuity Fund, Police and Firemen's Retirement System, State Police Retirement System, or the Public Employees' Retirement System shall also be considered in determining if the participant met the requirements of this paragraph.

15. Section 11 of P.L.2007, c.92 (C.43:15C-11) is amended to read as follows:

C.43:15C-11 Facts requiring evidence of insurability.
11. Any person entitled to become a participant in the retirement program shall not be allowed any of the group life insurance and disability benefits if on the date of filing an application for participation the person is 60 or more years of age, or if the person makes application for participation in the retirement program beyond the year after first becoming eligible for participation, regardless of age, unless the participant furnishes satisfactory evidence of insurability and on the effective date of participation is actively at work and performing all regular duties at the customary place of employment.

The effective date of coverage for such benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

Such evidence of insurability shall not be required of any person enrolling in the retirement program upon transfer from another State-
administered retirement system, if such retirement system provided a benefit of a similar nature and the transferring person was covered by such a benefit at the time of the transfer. If such transferring person was not covered by such a benefit at the time of the transfer, the person may be allowed the benefit under the group policy or policies; however, any such person shall furnish satisfactory evidence of insurability if he had been unable or failed to give such evidence as a member of the retirement system from which the person transferred. Such evidence of insurability shall not be required of any member of the Teachers' Pension and Annuity Fund, Police and Firemen's Retirement System, State Police Retirement System, or the Public Employees' Retirement System who is enrolling in the retirement program pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2) as amended by section 12 of P.L.2007, c.103 and section 7 of P.L.2010, c.1, if such retirement system provides a benefit of a similar nature and the participant is covered by such a benefit at the time of enrollment in the program.

Any person who must furnish satisfactory evidence of insurability under the provisions of this section and who ceases to be a participant in the retirement program without such evidence having been given shall continue to be subject to the same requirement if the person subsequently becomes a participant.

16. Section 13 of P.L.2007, c.92 (C.43:15C-13) is amended to read as follows:

C.43:15C-13 Disability benefit coverage.

13. The disability benefit coverage provided under a group policy or policies shall provide a monthly income if the participant becomes totally disabled from occupational or nonoccupational causes for a period of at least six consecutive months following the effective date of the coverage. The monthly disability benefit may be paid by the insurance company so long as the participant remains disabled up to the seventieth birthday, provided the disability commenced prior to the sixtieth birthday. The benefit shall terminate when the participant is no longer considered totally disabled or begins to receive retirement benefits.

The participant shall be considered totally disabled if the participant is unable to perform each duty of the participant's occupation and is under the regular care of a physician. After the 24 months following the commencement of such disability benefit payments, the participant shall be unable to engage in any gainful occupation for which the participant is reasonably
fitted by education, training or experience. Total disability shall not be con­sidered to exist if the participant is gainfully employed. Following an agreement with the insurance company and the policyholder, the participant may continue to receive disability benefits for a limited time while performing some type of work. During the period of rehabilitation, the monthly benefit shall be the regular payment less 80% of the participant’s earnings from such rehabilitative position.

A participant shall be deemed to be in service and covered by the disability benefit insurance provisions for a period of no more than six months while on official leave of absence without pay if satisfactory evidence is presented to the Division of Pensions and Benefits that such leave of absence without pay is due to illness and that the participant was not actively engaged in any gainful occupation during such period of leave of absence without pay.

Disability benefit insurance provisions of the group policy or policies shall not cover disability resulting from or contributed to by pregnancy, act of war, intentionally self-inflicted injury, or attempted suicide whether or not sane. For purposes of such disability benefit coverage, the participant shall not be considered to be disabled while the participant is imprisoned or while outside the United States, its territories or possessions, or Canada.

If the participant has recovered from the disability for which the member had received benefits and again becomes totally disabled while insured, the later disability shall be regarded as a continuation of the prior one unless the participant has returned to full-time covered employment for at least six months. If the later absence is due to an unrelated cause and the participant had returned to full-time work, it shall be considered a new disability. The disability benefit insurance cannot be converted to an individual policy.

No participant shall be covered by the disability benefit provision of the group policy or policies except upon the completion of one year of full-time continuous employment in a position eligible for participation in the Defined Contribution Retirement Program. For a member who is a participant pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2) as amended by section 12 of P.L.2007, c.103 and section 7 of P.L.2010, c.1, completion of one year of full-time continuous employment in a position eligible for membership in the Teachers’ Pension and Annuity Fund, Police and Firemen’s Retirement System, State Police Retirement System, or the Public Employees’ Retirement System shall also be considered in determining if the participant met the requirements of this paragraph.

17. Section 14 of P.L.2007, c.92 (C.43:15C-14) is amended to read as follows:
C.43:15C-14 Amount of disability benefits; "Defined Contribution Retirement Program Disability Premium Fund."

14. The disability benefit provided under a group policy or policies shall be in an amount equal to 60% of the participant's base monthly salary, reduced by periodic benefits to which the participant may be entitled during the period of total disability. For a member who is a participant pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2) as amended by section 12 of P.L.2007, c.103 and section 7 of P.L.2010, c.1, base monthly salary for this disability benefit shall mean the base or contractual salary upon which contributions were made to the Teachers' Pension and Annuity Fund, Police and Firemen's Retirement System, State Police Retirement System, or the Public Employees' Retirement System and to this program.

The periodic benefit by which the monthly disability benefit may be reduced shall include salary or wages, retirement benefits or benefits from any source for which the State or other public employer has paid any part of the cost or made payroll deductions, Social Security disability or other benefits, including dependents' benefits, and benefits paid by Social Security at the option of the participant before the age of 65, but not including any increase in Social Security benefits enacted after the disability benefit under such group policy or policies has commenced, and any other periodic benefits provided by law except on account of military service.

When a participant begins to receive a disability benefit under such group policy or policies, the insurance company shall pay an amount equal to the employee contribution which would have been required of the participant and deducted from the participant's base salary in order to meet the participant's obligation for the program. Such amount shall be paid by the insurance company without reduction by any other periodic benefit which the participant is eligible to receive. Such amount shall be paid by the insurance company to the insurer or insurers for the participant's retirement annuity.

Premiums for such disability coverage shall be paid from a special fund, hereby created, called the "Defined Contribution Retirement Program Disability Premium Fund." The State Treasurer shall estimate annually the amount that will be required for premiums for such benefits for the ensuing fiscal year and shall certify such amounts that shall be applied to the total State and other employer contributions due on behalf of the participants in the retirement program from the State and other employers, depositing such amounts in the premium fund. Additionally, employers will pay their share of the administrative costs of the program. The intervals for all payments and the allocation of administrative costs shall be determined by the Divi-
sion of Pensions and Benefits including due dates and penalties for non-compliance.

A member may purchase credit for temporary service as a policeman or fireman, or as the holder of a title which, following the termination of that temporary service, became covered by the provisions of P.L.1944, c.255 (C.43:16A-1 et seq.), if that temporary service shall have resulted, without interruption, in a valid permanent or probational appointment as a policeman or fireman or to a position, the title of which became covered by the retirement system following the member's appointment thereto. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 1 of P.L.1973, c.63 (C.43:16A-11.4).

Service as a full-time commissioned officer, noncommissioned officer or trooper rendered as a member, and service credit which was transferred from the former "State Police Retirement and Benevolent Fund," shall, if the required contributions are made by the State and the member, be considered as creditable service. A member on suspension shall be considered in service for the period of the suspension, but the period of suspension shall not be considered as creditable service unless the member receives salary therefor.

Such purchase may be made in regular installments equal to at least 1/2 the normal contribution to the retirement system, over a maximum period of 10 years. In order to give to such person the same credit for such service as he had at the time of termination, his pension credit shall be restored as it was at the time of his termination, upon the completion of one year of membership after his election to make the purchase and the payment of at least 1/2 the total amount due, except that in the case of retirement pursuant to sections 8, 27 and 28 of chapter 89 of the laws of 1965, the credit granted for the service being purchased shall be in direct proportion as the amount paid bears to the total amount of the arrearage obligation.

b. Any member of the retirement system, who, prior to becoming a member, had established service credits in another retirement system supported in whole or in part by the State, or who had rendered service to the State prior to becoming a member, or had purchased service credits while in the Police and Firemen's Retirement System or the Public Employees' Retirement System, while serving as chief inspector, deputy chief inspector,

c. Not more than one year shall be credited for all service in a calendar year.

d. In computing service, time during which a member was absent on an official leave without pay shall be credited if such leave was for a period of: (1) less than three months; or (2) up to a maximum of two years, if the leave was due to the member's personal illness and the period of leave is allowed for retirement purposes within one year following his return to service after the termination of such leave.

e. The method of computation and the terms of the purchase of service permitted by subsections b. and d. of this section shall be identical to those stipulated for the purchase of previous membership service by members of the system, as provided by subsection a. of this section.

Transferred or purchased service credit in excess of the amount necessary to provide 20 years of creditable service in the retirement system shall be included in the computation of a retirement allowance on the basis provided in subsection b.

g. In the case of a member for whom compensation is defined in paragraph (2) of subsection u. of section 3 of P.L.1965, c.89 (C.53:5A-3), the retirement system shall credit the member with the time of all service rendered by the member during the part of any year that the member was a participant of the Defined Contribution Retirement Program, pursuant to paragraph (5) of subsection a. of section 2 of P.L.2007, c.92 (C.43:15C-2)

He shall receive, in lieu of the payment provided in section 11, a retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions, and

(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 65% of his final compensation, plus 1% of his final compensation multiplied by the number of years of creditable service over 25 but not over 30; provided, however, that any member who has earned, prior to July 1, 1979, more than 30 years of creditable service, shall receive an additional 1% of his final compensation for each year of his creditable service over 30.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

Upon the receipt of proper proofs of the death of such a retired member, there shall be paid to his beneficiary an amount equal to one-half of the final compensation received by the member.

b. The "special retirement" allowance payable under subsection a. of this section to any person who retired under the retirement system prior to December 20, 1989 shall be increased by an amount equal to 5% of the person's final compensation or by such lesser amount as would, if added to the allowance payable at the time of retirement, provide a total retirement allowance of 70% of final compensation, except that in the case of such a
retirant who retired on or after July 1, 1979 and had earned prior to that
date more than 30 years of creditable service, the amount of the increase
shall be equal to 5% of the person's final compensation irrespective of the
total retirement allowance which such an increase would provide. The pro-
visions of this subsection shall not be construed either to require a reduc-
tion in the retirement allowance payable to any retirant or to provide for the
payment of any adjustment in such an allowance with respect to any period
of time prior to the first day of the month following that effective date.

32. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as
follows:

C.43:16A-15 Contributions, expenses of administration.

15. (1) The contributions required for the support of the retirement sys-
tem shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be
8.5% of compensation.

(3) (Deleted by amendment, P.L.1989, c.204).

(4) Upon the basis of the tables recommended by the actuary which the
board adopts and regular interest, the actuary shall compute annually, be-
ginning as of June 30, 1991, the amount of contribution which shall be the
normal cost as computed under the projected unit credit method attributable
to service rendered under the retirement system for the year beginning on
July 1 immediately succeeding the date of the computation. This shall be
known as the "normal contribution."

(5) (Deleted by amendment, P.L.1989, c.204).

(6) (Deleted by amendment, P.L.1994, c.62.)

(7) Each employer shall cause to be deducted from the salary of each
member the percentage of earnable compensation prescribed in subsection
(2) of this section. To facilitate the making of deductions, the retirement
system may modify the amount of deduction required of any member by an
amount not to exceed 1/10 of 1% of the compensation upon which the de-
duction is based.

(8) The deductions provided for herein shall be made notwithstanding
that the minimum salary provided for by law for any member shall be re-
duced thereby. Every member shall be deemed to consent and agree to the
deductions made and provided for herein, and payment of salary or com-
pensation less said deduction shall be a full and complete discharge and
acquittance of all claims and demands whatsoever for the service rendered
by such person during the period covered by such payment, except as to the
benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability as of June 30, 1991 under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for the 10 valuation years following valuation year 1991 shall serve to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall
compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1995 shall be the full market value of the assets as of that date and, with respect to the valuation assets allocated to the State, shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the percentage of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1998 for the State shall be 100% and for other employers shall be 57% plus such additional percentage as is equivalent to $150,000,000. Notwithstanding the first sentence of this paragraph, the
amount of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1999 shall include an additional amount of the market value of the assets sufficient to fund (1) the unfunded accrued liability for the supplementary "special retirement" allowances provided under subsection b. of section 16 of P.L.1964, c.241 (C.43:16A-11.1) and (2) the unfunded accrued liability for the full credit toward benefits under the retirement system for service credited in the Public Employees' Retirement System and transferred pursuant to section 1 of P.L.1993, c.247 (C.43:16A-3.8) and the reimbursement of the cost of any credit purchase pursuant to section 3 of P.L.1993, c.247 (C.43:16A-3.10) provided under section 1 of P.L.2001, c.201 (C.43:16A-3.14).

"Excess valuation assets" means, with respect to the valuation assets allocated to the State, the valuation assets allocated to the State for a valuation period less the actuarial accrued liability of the State for the valuation period, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero. "Excess valuation assets" means, with respect to the valuation assets allocated to other employers, the valuation assets allocated to the other employers for a valuation period less the actuarial accrued liability of the other employers for the valuation period, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1993, c.99 for the other employers, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to
the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending June 30, 1995, the normal contributions payable by the State or by the other employers for the valuation periods ending June 30, 1995, and June 30, 1996 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke.

If there are excess valuation assets allocated to the other employers for the valuation period ending June 30, 1998, the accrued liability contributions payable by the other employers for the valuation period ending June 30, 1997 shall be reduced to the extent possible by the excess valuation assets allocated to the other employers.

If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after June 30, 1998, the State Treasurer may reduce the normal contribution payable by the State or by other employers for the next valuation period as follows:

1. for valuation periods ending June 30, 1996 through June 30, 2000, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;

2. for the valuation period ending June 30, 2001, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

3. for the valuation period ending June 30, 2002, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and

4. for valuation periods ending June 30, 2003 through June 30, 2007, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

Notwithstanding the discretion provided to the State Treasurer in the previous paragraph to reduce the amount of the normal contribution pay-
able by employers other than the State, the State Treasurer shall reduce the amount of the normal contribution payable by employers other than the State by $150,000,000 in the aggregate for the valuation period ending June 30, 1998, and then the State Treasurer may reduce further pursuant to the provisions of the previous paragraph the normal contribution payable by such employers for that valuation period.

The normal and accrued liability contributions shall be certified annually by the retirement system and shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

Notwithstanding the preceding sentence, the normal and accrued liability contributions to be included in the budget of and paid by the employer other than the State shall be as follows: for the payment due in the State fiscal year ending on June 30, 2004, 20% of the amount certified by the retirement system; for the payment due in the State fiscal year ending on June 30, 2005, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 40%; for the payment due in the State fiscal year ending on June 30, 2006, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 60%; and for the payment due in the State fiscal year ending on June 30, 2007, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 80%.

The State Treasurer shall reduce the normal and accrued liability contributions payable by employers other than the State to 50 percent of the amount certified annually by the retirement system for payments due in the State fiscal year ending June 30, 2009. An employer that elects to pay the reduced normal and accrued liability contribution shall adopt a resolution, separate and apart from other budget resolutions, stating that the employer needs to pay the reduced contribution and providing an explanation of that need which shall include (1) a description of its inability to meet the levy cap without jeopardizing public safety, health, and welfare or without jeopardizing the fiscal stability of the employer, or (2) a description of another condition that offsets the long term fiscal impact of the payment of the reduced contribution. An employer also shall document those actions it has taken to reduce its operating costs, or provide a description of relevant anticipated circumstances that could have an impact on revenues or expenditures. This resolution shall be submitted to and approved by the Local Finance Board after making a finding that these fiscal conditions are valid and affirming the findings contained in the employer resolution.
An employer that elects to pay 100 percent of the amount certified by the retirement system for the State fiscal year ending June 30, 2009 shall be credited with such payment and any such amounts shall not be included in the employer's unfunded liability.

The actuaries for the retirement system shall determine the unfunded liability of the retirement system, by employer, for the reduced normal and accrued liability contributions provided under P.L.2009, c.19. This unfunded liability shall be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the State fiscal year ending June 30, 2012 and shall be adjusted by the rate of return on the actuarial value of assets.

The retirement system shall annually certify to each employer the contributions due to the contingent reserve fund for the liability under P.L.2009, c.19. The contributions certified by the retirement system shall be paid by the employer to the retirement system on or before the date prescribed by law for payment of employer contributions for basic retirement benefits. If payment of the full amount of the contribution certified is not made within 30 days after the last date for payment of employer contributions for basic retirement benefits, interest at the rate of 10% per year shall be assessed against the unpaid balance on the first day after the thirtieth day.

(10) The treasurer or corresponding officer of the employer shall pay to the State Treasurer no later than April 1 of the State's fiscal year in which payment is due the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds, of the retirement system.

If payment of the full amount of the employer's obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members
under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be included with the certification by the retirement system of the employer's contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) (Deleted by amendment, P.L.1992, c.125.)

(14) Commencing with valuation year 1991, with payment to be made in Fiscal Year 1994, the Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the retirement system an amount equal to 1.1% of the compensation of the members of the system for the valuation year to fund the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.1979, c.109.

(15) If the valuation assets are insufficient to fund the normal and accrued liability costs attributable to P.L.1999, c.428 (C.43:16A-15.8 et al.) as provided hereinafore, the normal and unfunded accrued liability contributions required to fund these costs for the State and other employers shall be paid by the State.

(16) The savings realized as a result of the amendments to this section by P.L.2001, c.44 in the payment of normal contributions computed by the actuary for the valuation periods ending June 30, 1998 for employers other than the State shall be used solely and exclusively by a county or municipality for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate. The Director of the Division of Local Government Services in the Department of Community Affairs shall certify for each year that each county or municipality has complied with the requirements set forth herein. If the director finds that a county or municipality has not used the savings solely and exclusively for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate, the director shall direct the county or municipal governing body, as appropriate, to make corrections to its budget.

33. Section 16 of P.L.1944, c.255 (C.43:16A-16) is amended to read as follows:
C.43:16A-16 Funds to be established.

16. (1) All the assets of the retirement system shall be credited according to the purpose for which they are held to one of five funds, namely, the annuity savings fund, the pension accumulation fund, the retirement reserve fund, and the special reserve fund.

(2) The annuity savings fund shall be a fund in which shall be credited accumulated contributions by members or on their behalf to provide for their allowances. The aggregate contributions of a member withdrawn by him or paid to his estate or his designated beneficiary in event of his death as provided in this act shall be paid from the annuity savings fund. Upon the retirement of a member where the aggregate contributions of the member are to be provided in the form of an annuity, the aggregate contributions of the member shall be transferred from the annuity savings fund to the retirement reserve fund.

(3) The pension accumulation fund shall be the fund in which shall be credited contributions made by employers. Upon the death of a member either before or after retirement any lump sum benefit payable shall be charged to the pension accumulation fund. Upon the retirement or death of a member the reserve of any pension payable to or on his account shall be transferred to the retirement reserve fund. The retirement system at the end of each fiscal year shall allow interest on the balance of the retirement reserve fund as of the beginning of said fiscal year at the regular interest rate applicable thereto to cover the interest creditable for the year. The amount so allowed shall be due and payable and shall be credited annually. All other income received on the securities, funds and investments of the retirement system shall be credited to the pension accumulation fund, except as provided by subsection (5) of this section. The retirement system, upon the advice of the actuary, shall transfer to and from the pension accumulation fund any surplus or deficit in the retirement reserve fund.

(4) The retirement reserve fund shall be the fund from which all retirement allowances and benefits in lieu thereof shall be paid. If the retirement allowance of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the pension accumulation fund and the annuity savings fund.

(5) The special reserve fund shall be the fund to which any earnings in excess of the amounts annually allowed under the provisions of subsection (3) of this section shall be transferred. No additional amounts shall be credited to the special reserve fund at any time when the total accumulations in such fund equal 1% of the book value of the investments of the retirement system. In this event, any such excess shall be credited to the pension accu-
mulation fund. All losses from the sale of securities shall be charged against the special reserve fund. The special reserve fund shall be considered for valuation purposes by the actuary as an asset of the retirement system.

C.18A:66-4.2 Inapplicability of certain statutes relative to certain transferred service credit.

34. The provisions of N.J.S.18A:66-2, N.J.S.18A:66-36, N.J.S.18A:66-37, N.J.S.18A:66-44, and N.J.S.18A:66-71 concerning persons who become members of the retirement system on or after the effective date of P.L.2010, c.1 shall not apply to a person who at the time of enrollment in the retirement system on or after that effective date transfers service credit, as permitted, from another State-administered retirement system of which the person was a member immediately prior to the effective date and continuously thereafter, but shall apply to a former member of the retirement system who has been granted a retirement allowance and is reenrolled in the retirement system on or after that effective date after becoming employed again in a position that makes the person eligible to be a member of the retirement system.

C.43:15A-7.4 Inapplicability of certain statutes relative to certain transferred service credits.

35. 36. The provisions of section 1 of P.L.1944, c.255 (C.43:16A-1) as amended by P.L.2010, c.1 concerning persons who become members of the retirement system on or after the effective date of P.L.2010, c.1 shall not apply to a person who at the time of enrollment in the retirement system on
or after that effective date transfers service credit, as permitted, from another State-administered retirement system of which the person was a member immediately prior to the effective date and continuously thereafter, but shall apply to a former member of the retirement system who has been granted a retirement allowance and is reenrolled in the retirement system on or after that effective date after becoming employed again in a position that makes the person eligible to be a member of the retirement system.

CHAPTER 2

AN ACT concerning the eligibility for and the benefits provided through the State Health Benefits Program and the School Employees’ Health Benefits Program, and concerning contributions and waivers by active and certain retired public employees for health care benefits provided by an employer, and amending various parts of the statutory law and supplementing chapter 64A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1996, c.8 (C.52:14-17.28b) is amended to read as follows:

C.52:14-17.28b Determination of obligation of State agencies to pay premium; periodic charges; cost sharing.

6. a. Notwithstanding the provisions of any other law to the contrary, the obligations of the State or an independent State authority, board, commission, corporation, agency, or organization to pay the premium or periodic charges for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.) may be determined by means of a binding collective negotiations agreement, including any agreements in force at the time of the adoption of P.L.1996, c.8. With respect to State employees for whom there is no majority representative for collective negotiations purposes, the commission may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for the State and such employees in a manner consistent with the terms of any collective negotiations agreement bind-
ing on the State. With respect to employees of an independent State authority, board, commission, corporation, agency, or organization for whom there is no majority representative for collective negotiations purposes, the employer may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for such employer and such employees in a manner consistent with the terms of any collective negotiations agreement binding on such employer. The provisions of this subsection shall also apply to employees deemed or considered to be employees of the State pursuant to subsection (c) of section 2 of P.L.1961, c.49 (C.52:14-17.26).

b. (1) Notwithstanding the provisions of any other law to the contrary, for each State employee who accrues 25 years of nonconcurrent service credit in one or more State or locally-administered retirement systems before July 1, 1997, excepting the employee who elects deferred retirement, the State, upon the employee's retirement, shall pay the full cost of the premium or periodic charges for the health benefits provided to a retired State employee and dependents covered under the State Health Benefits Program, but not including survivors, and shall also reimburse the retired employee for premium charges under Part B of Medicare covering the retired employee and the employee's spouse.

The participating employer shall remit to the division all contributions to premiums and periodic charges in advance of their due dates, subject to the rules and regulations of the commission.

Notwithstanding the provisions of any other law to the contrary, the obligations of a participating employer other than the State to pay the premium or periodic charges for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.) may be determined by means of a binding collective negotiations agreement. With respect to employees for whom there is no majority representative for collective negotiations purposes, the employer may, in its sole discretion, modify the respective payment obligations set forth in law for the employer and such employees in a manner consistent with the terms of any collective negotiations agreement binding on the employer. Commencing on the effective date of P.L.2010, c.2 and upon the expiration of any applicable binding collective negotiations agreement in force on that effective date, employees of an employer other than the State shall pay 1.5 percent of base salary, through the withholding of the contribution, for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.), notwithstanding any other amount that may be required additionally pursuant to this paragraph by means of a binding collective negotiations agreement or the modification of payment obligations.

b. (1) From funds allocated therefor, the employer other than the State, upon the adoption and submission to the division of an appropriate resolution prescribed by the commission, may pay the premium or periodic charges for the benefits provided to a retired employee and the employee's dependents covered under the program, if the employee retired from a State or locally-administered retirement system, excepting the employee who elected deferred retirement, and may also reimburse the retired employee for the employee's premium charges under Part B of Medicare covering the retired employee and the employee's spouse if the employee:

(a) retired on a disability pension; or

(b) retired after 25 or more years of nonconcurrent service credit in one or more State or locally-administered retirement systems, excluding service credited under the Defined Contribution Retirement Program established pursuant to P.L.2007, c.92 (C.43:15C-1 et al.), and a period of service of up to 25 years with the employer at the time of retirement, such period of ser-

(c) retired and reached the age of 65 years or older with 25 years or more of nonconcurrent service credit in one or more State or locally-administered retirement systems, excluding service credited under the Defined Contribution Retirement Program, and a period of service of up to 25 years with the employer at the time of retirement, such period of service to be determined by the employer and set forth in an ordinance or resolution as appropriate; or

(d) retired and reached the age of 62 years or older with at least 15 years of service with the employer, excluding service credited under the Defined Contribution Retirement Program.

"Retired employee and the employee's dependents" may, upon adoption of an appropriate resolution therefor by the participating employer, also include otherwise eligible employees, and their dependents, who retired from one or more State or locally-administered retirement systems prior to the date that the employer became a participating employer in the New Jersey State Health Benefits Program or who did not elect to continue coverage in the program during such time after the employer became a participating employer that the employer did not pay premium or periodic charges for benefits to retired employees and their dependents pursuant to this section. Eligibility and enrollment of such employees and dependents shall be in accordance with such rules and regulations as may be adopted by the State Health Benefits Commission.

The employer other than the State may, by resolution, pay the premium or periodic charges for the benefits provided to the surviving spouse of a retired employee and the employee's dependents covered under the program as provided in this section.

With respect to employees for whom there is no majority representative for collective negotiations purposes, the employer may, in its
sole discretion, determine the payment obligations for the employer and the employees, except that if there are collective negotiations agreements binding upon the employer for employees who are within the same community of interest as employees in a collective negotiations unit but are excluded from participation in the unit by the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.), the payment obligations shall be determined in a manner consistent with the terms of any collective negotiations agreement applicable to the collective negotiations unit. An employee who becomes a member of a State or locally-administered retirement system on or after the effective date of P.L.2010, c.2 shall pay in retirement 1.5 percent of the retiree’s monthly retirement allowance, including any future cost-of-living adjustments, through the withholding of the contribution, for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.), notwithstanding any other amount that may be required additionally pursuant to this paragraph by means of a binding collective negotiations agreement or the determination of payment obligations.

c. Notwithstanding the provisions of any other law to the contrary, the payment obligations of an employee of an employer other than the State, except an independent State authority, board, commission, corporation, agency, or organization, for health benefits coverage under subsection b. shall be the payment obligations applicable to the employee on the date the employee retires on a disability pension or the date the employee meets the service credit and service requirements for the employer payment for the coverage, as the case may be.

6. Section 39 of P.L.2007, c.103 (C.52:14-17.46.9) is amended to read as follows:

C.52:14-17.46.9 Obligations of employer for charges for benefits; School Employee Health Benefits Program fund.

39. a. For each active covered employee and for the eligible dependents the employee may have enrolled at the employee’s option, from funds appropriated therefor, the employer shall pay to the commission the premium or periodic charges for the benefits provided under the contract in amounts equal to the premium or periodic charges for the benefits provided under such a contract covering the employee and the employee's enrolled dependents.

b. The obligations of any employer to pay the premium or periodic charges for health benefits coverage provided under the School Employees' Health Benefits Program Act, sections 31 through 41 of P.L.2007, c.103 (C.52:14-17.46.1 through C.52:14-17.46.11), may be determined by means of a
binding collective negotiations agreement, including any agreement in force at the time the employer commences participation in the School Employees' Health Benefits Program. With respect to employees for whom there is no majority representative for collective negotiations purposes, the employer may, in its sole discretion, modify the respective payment obligations set forth in law for the employer and such employees in a manner consistent with the terms of any collective negotiations agreement binding on the employer.

Commencing on the effective date of P.L.2010, c.2 and upon the expiration of any applicable binding collective negotiations agreement in force on that effective date, employees shall pay 1.5 percent of base salary, through the withholding of the contribution, for health benefits coverage provided under P.L.2007, c.103 (C.52:14-17.46.l et seq.), notwithstanding any other amount that may be required additionally pursuant to this subsection by means of a binding collective negotiations agreement or the modification of payment obligations.

c. There is hereby established a School Employee Health Benefits Program fund consisting of all contributions to premiums and periodic charges remitted to the State treasury by participating employers for employee coverage. All such contributions shall be deposited in the fund and the fund shall be used to pay the portion of the premium and periodic charges attributable to employee and dependent coverage.

d. Notwithstanding any law to the contrary and except as provided by amendment by P.L.2010, c.2, the payment in full of premium or periodic charges for eligible retirees and their dependents pursuant to section 3 of P.L.1987, c.384 (C.52:14-17.32f), section 2 of P.L.1992, c.126 (C.52:14-17.32fl), or section 1 of P.L.1995, c.357 (C.52:14-17.32f2) shall be continued without alteration or interruption and there shall be no premium sharing or periodic charges for school employees in retirement once they have met the criteria for vesting for pension benefits, which criteria for purposes of this subsection only shall mean the criteria for vesting in the Teachers' Pension and Annuity Fund. For purposes of this subsection, "premium sharing or periodic charges" shall mean payments by eligible retirees based upon a proportion of the premiums for health care benefits.

7. Section 6 of P.L.1964, c.125 (C.52:14-17.37) is amended to read as follows:

C.52:14-17.37 Election to participate, plan availability.

6. a. Any employer eligible for participation in the program may elect such participation by the adoption of a resolution by its governing body,
which would include the name and title of a certifying agent, and a certified copy of the resolution shall be filed with the commission. Any employer making such election shall become a participating employer under the program, subject to and in accordance with the rules and regulations of the commission relating thereto.

b. Notwithstanding the provisions of any other law to the contrary, the availability of plans within the program may be limited for employees of a participating employer other than the State pursuant to a binding collective negotiations agreement between the employer and its employees or pursuant to the application by the employer, in its sole discretion, of the terms of any collective negotiations agreement binding on the employer to employees for whom there is no majority representative for collective negotiations purpose. The commission shall implement the terms of such an agreement, and the application of such terms, with regard to plan availability for employees of the employer. The commission may impose such restrictions on the terms as the commission may deem necessary to ensure the effective and efficient operation of the program. This subsection shall apply to the State Health Benefits Program and the School Employees’ Health Benefits Program.

8. Section 5 of P.L.1964, c.125 (C.52:14-17.36) is amended to read as follows:

C.52:14-17.36 Participation in health benefits program; rules, regulations.

5. a. The commission established by section 3 of chapter 49 of the laws of 1961, is hereby authorized to prescribe rules and regulations satisfactory to the carrier or carriers under which employers may participate in the health benefits program provided by that act. All provisions of that act will, except as expressly stated herein, be construed as to participating employers and to their employees and to dependents of such employees the same as for the State, employees of the State and dependents of such employees.

b. All changes in the provision of health care benefits through the program that are included in collective negotiations agreements between the State and its employees entered into on or after the effective date of P.L.2010, c.2 shall be made applicable by the commission to participating employers and their employees at the same time and in the same manner as to State employees. This subsection shall be applicable to the State Health Benefits Program and to the School Employees’ Health Benefits Program to the extent not inconsistent with the provisions of sections 31 through 41 of P.L.2007, c.103 (C.52:14-17.46.1 et seq.).

from the first day on or after the effective date of the program on which they satisfy the definition of "employee" contained in this act. The commission shall establish the rules and regulations governing the enrollment and effective dates of coverage of dependents of employees it deems necessary or desirable. The rules and regulations shall not defer coverage with respect to any qualified dependent an employee has on the date the employee's employer becomes a participating employer, provided the employee was, immediately prior to the date, insured with respect to the dependent under a group insurance plan of the employer which was in effect immediately prior to the date. Under the rules and regulations established by the commission, each employee shall be given the opportunity to enroll for coverage for dependents as of the earliest date the employee becomes eligible for enrollment. With respect to the traditional plan, an employee may elect to enroll dependents for both basic coverage and major medical expense coverage but may not enroll for either coverage alone.

In the event that the group health plan which covered an employee or dependents immediately prior to the date the employee's employer becomes a participating employer provides, after termination of coverage thereunder, any continuation of benefits, or would so provide in the absence of coverage pursuant to this act, no coverage shall be afforded pursuant to this act for any such expenses (i) which are covered, or which would be covered in the absence of coverage pursuant to this act, in whole or in part, by the prior insurance plan or (ii) which may be used in satisfaction of any deductible requirement under the prior insurance plan to establish entitlement to the continuation of benefits.

Each employee shall furnish the Division of Pensions and Benefits, in the prescribed form, the information necessary on account of the employee's own coverage and necessary to enroll dependents. Any employee not desiring coverage at the time the employee first becomes eligible, shall give the division written notice of that fact in the form prescribed by the division. The employee may not enroll thereafter except at the times and under the conditions prescribed by the commission.

Any person employed as a substitute teacher by a school district and who provides evidence of coverage under another health benefits program may waive coverage for the current school year on or after the date on which the person becomes an employee eligible for coverage.

Multiple coverage in the program as an employee, dependent, or retiree shall be prohibited and the prohibition shall be implemented in accordance with the rules and regulations promulgated by the commission. The provisions of this paragraph shall be applicable to the State Health Benefits Pro-

The employer may, in its discretion, assume the entire cost or a portion of the cost of such coverage and pay all or a portion of the premiums for employees a. who have retired on a disability pension, or b. who have retired after 25 years or more of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement, such period of service to be determined by the employer and set forth in an ordinance or resolution as appropriate,

An employee who becomes a member of a State or locally-administered retirement system on or after the effective date of P.L.2010, c.2 shall pay in retirement 1.5 percent of the retiree's monthly retirement allowance, including any future cost-of-living adjustments, through the withholding of the contribution from the monthly retirement allowance, for health care benefits coverage provided under N.J.S.40A:10-22, notwithstanding any other amount that may be required additionally by the employer or through a collective negotiations agreement for such coverage. This subsection shall apply to any agency, board, commission, authority, or instrumentality of a local unit.

However, vacation leave not taken in a given year because of duties directly related to a state of emergency declared by the Governor may accumulate at the discretion of the appointing authority until, pursuant to a plan established by the officer or employee's appointing authority, the leave is used or the employee or officer is compensated for that leave, which shall not be subject to collective negotiation or collective bargaining. This provision shall apply only to officers and employees who commence service with the political subdivision of the State, or the agency, authority or instrumentality thereof, on or after the effective date of P.L.2010, c.3. CHAPTER 3, LAWS OF 2010

1. A member, under 65 years of age, shall, upon the application of his employer or upon his own application or the application of one acting in his behalf, be retired by the board of trustees, if said member is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of his regular or assigned duties, on an accidental disability allowance. A traumatic event occurring during voluntary performance of regular or assigned duties at a place of employment before or after required hours of employment which is not in violation of any valid work rule of the employer or otherwise prohibited by the employer shall be deemed as occurring during the performance of regular or assigned duties. No person who becomes a member of the retirement system on or after the effective date of P.L.2010, c.3 shall be eligible for retirement pursuant to this subsection.

The application to accomplish such retirement must be filed within five years of the original traumatic event, but the board of trustees may consider an application filed after the five-year period if it can be factually demonstrated to the satisfaction of the board of trustees that the disability is due to the accident and the filing was not accomplished within the five-year period due to a delayed manifestation of the disability or to circumstances beyond the control of the member.

Permanent and total disability resulting from a cardiovascular, pulmonary or musculo-skeletal condition which was not a direct result of a traumatic event occurring in the performance of duty shall be deemed an ordinary disability.

Before consideration of an application for accidental disability allowance by the board of trustees, the physician or physicians designated by the board shall have first made a medical examination of the member at his residence or at any other place mutually agreed upon and shall have certified to the board that he is physically or mentally incapacitated for the performance of duty, and should be retired, and the employer shall have certified to the board that the member is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of his regular and assigned duties, the time and place where the duty causing the disability was performed, that the disability was not the result of his willful negligence and that the member should be retired.

8. Section 42 of P.L.1954, c.84 (C.43:15A-42) is amended to read as follows:
CHAPTER 3, LAWS OF 2010  115

C.43:15A-42 Ordinary disability retirement.

42. A member, under 60 years of age, who has 10 or more years of credit for New Jersey service, shall, upon the application of the head of the department in which he shall have been employed or upon his own application or the application of one acting in his behalf, be retired for ordinary disability by the board of trustees. The physician or physicians designated by the board shall have first made a medical examination of him at his residence or at any other place mutually agreed upon and shall have certified to the board that the member is physically or mentally incapacitated for the performance of duty and should be retired.

The service requirement provisions of this amendatory and supplementary act shall not become effective for 5 years following the effective date of the act.

No person who becomes a member of the retirement system on or after the effective date of P.L.2010, c.3 shall be eligible for retirement pursuant to this section.

9. Section 43 of P.L.1954, c.84 (C.43:15A-43) is amended to read as follows:

C.43:15A-43 Public employees' disability retirement.

43. A member who has not attained age 65 shall, upon the application of the head of the department in which he is employed or upon his own application or the application of one acting in his behalf, be retired by the board of trustees, if said employee is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of his regular or assigned duties, on an accidental disability allowance. A traumatic event occurring during voluntary performance of regular or assigned duties at a place of employment before or after required hours of employment which is not in violation of any valid work rule of the employer or otherwise prohibited by the employer shall be deemed as occurring during the performance of regular or assigned duties.

The application to accomplish such retirement must be filed within five years of the original traumatic event, but the board of trustees may consider an application filed after the five-year period if it can be factually demonstrated to the satisfaction of the board of trustees that the disability is due to the accident and the filing was not accomplished within the five-year period due to a delayed manifestation of the disability or to circumstances beyond the control of the member.
Permanent and total disability resulting from a cardiovascular, pulmonary or musculo-skeletal condition which was not a direct result of a traumatic event occurring in the performance of duty shall be deemed an ordinary disability.

Before consideration of the application by the board of trustees, the physician or physicians designated by the board shall have first made a medical examination of the member at his residence or at any other place mutually agreed upon and shall have certified to the board that he is physically or mentally incapacitated for the performance of duty, and should be retired, and the appointing authority shall have certified to the board that the member is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of his regular or assigned duties, the time and place where the duty causing the disability was performed, that the disability was not the result of his willful negligence and that the member should be retired.

No person who becomes a member of the retirement system on or after the effective date of P.L.2010, c.3 shall be eligible for retirement pursuant to this section.

10. a. A person who becomes a member of the Teachers' Pension and Annuity Fund, N.J.S.18A:66-1 et seq., on or after the effective date of P.L.2010, c.3 shall not be eligible for an ordinary or accidental disability retirement allowance, but shall be eligible for disability insurance coverage pursuant to this section.

b. The State Treasurer is hereby authorized and permitted to purchase from one or more insurance companies, as determined by him, group disability benefit coverage to provide for the disability benefit in the amounts specified herein. The group disability benefit coverage may be provided under one or more policies issued to the State Treasurer specifically for this purpose or, in the discretion of the State Treasurer, under one or more policies issued to the State Treasurer which provide group life insurance coverage for members of the retirement system designated in subsection a. of this section. Any dividend or retrospective rate credit allowed by an insurance company attributable to this program shall be credited in an equitable manner to the funds available to meet the employers' obligations under such retirement system.

Premiums for such group insurance coverage shall be paid from a special fund, hereby created, called the "Teachers Group Disability Insurance
Premium Fund." The State Treasurer shall estimate annually the amount which shall be required for premiums for such benefits for the ensuing fiscal year and shall certify such amounts which shall be applied against the total employer contributions due for the members of the retirement system whose members are covered, depositing such amounts in the premium fund.

During the period such group insurance policy or policies are in effect with respect to members of the retirement system, the State Treasurer shall in no way commingling moneys in this fund with any retirement system.

c. A person shall not be allowed the group disability benefit coverage if on the date the person enrolls in the retirement system, the person is 60 or more years of age, unless the person furnishes satisfactory evidence of insurability and, on the effective date of the person's enrollment, is actively at work and performing all the regular duties at the customary place of employment.

The effective date of coverage for such a benefit shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

Such evidence of insurability shall not be required of any person enrolling in the retirement system upon transfer from another retirement system, if such retirement system provided a benefit of a similar nature and the transferring person was covered by such a benefit at the time of the transfer. If such transferring person was not covered by such a benefit at the time of the transfer, the person may be allowed the benefit under the group policy or policies; however, any such person shall furnish satisfactory evidence of insurability if he had been unable or failed to give such evidence as a member of the retirement system from which the person transferred.

Any person who must furnish satisfactory evidence of insurability, and who ceases to be enrolled in the retirement system without such evidence having been given, shall continue to be subject to the same requirement if the person subsequently becomes a member.

d. The disability benefit coverage provided under such group policy or policies shall provide a monthly income if the member becomes totally disabled from occupational or nonoccupational causes for a period of at least six consecutive months following the effective date of the coverage. The monthly disability benefit may be paid by the insurance company so long as the member remains disabled up to the seventieth birthday, provided the disability commenced prior to the sixtieth birthday. The benefit shall terminate when the member is no longer considered totally disabled or begins to receive retirement benefits.
The member shall be considered totally disabled if the member is unable to perform each duty of the member’s occupation and is under the regular care of a physician. After the 12 months following the commencement of such disability benefit payments, the member shall be unable to engage in any gainful occupation for which the member is reasonably fitted by education, training or experience. Total disability shall not be considered to exist if the member is gainfully employed. Following an agreement with the insurance company and the policyholder, the member may continue to receive disability benefits for a limited time while performing some type of work. During the period of rehabilitation, the monthly benefit shall be the regular payment less 80% of the member's earnings from such rehabilitative position.

e. A member shall be deemed to be in service and covered by the disability benefit insurance provisions for a period of no more than six months while on official leave of absence without pay if satisfactory evidence is presented to the Division of Pensions and Benefits that such leave of absence without pay is due to illness and that the member was not actively engaged in any gainful occupation during such period of leave of absence without pay.

Disability benefit insurance provisions of the group policy or policies shall not cover disability resulting from or contributed to by pregnancy, act of war, intentionally self-inflicted injury, or attempted suicide whether or not sane. For purposes of such disability benefit coverage, the member shall not be considered to be disabled while the member is imprisoned or while outside the United States, its territories or possessions, or Canada.

If the member has recovered from the disability for which the member had received benefits and again becomes totally disabled while insured, the later disability shall be regarded as a continuation of the prior one unless the member has returned to full-time covered employment for at least six months. If the later absence is due to an unrelated cause and the member had returned to full-time work, it shall be considered a new disability. The disability benefit insurance cannot be converted to an individual policy.

No person shall be covered by the disability benefit provision of the group policy or policies except upon the completion of one year of full-time continuous employment in a position eligible for participation in a retirement system designated in subsection a. of this section.

f. The disability benefit provided under such group policy or policies shall be in an amount equal to 60% of the member's base monthly salary, reduced by periodic benefits to which the member may be entitled during
the period of total disability. The minimum monthly disability benefit shall be $50.

The periodic benefit by which the monthly disability benefit may be reduced shall include salary or wages, retirement benefits or benefits from any source for which the State or other public employer has paid any part of the cost or made payroll deductions, Social Security disability or other benefits, including dependents' benefits, and benefits paid by Social Security at the option of the participant before the age of 65, but not including any increase in Social Security benefits enacted after the disability benefit under such group policy or policies has commenced, and any other periodic benefits provided by law except on account of military service.

When a member begins to receive a disability benefit under such group policy or policies, the insurance company shall pay an amount equal to the employee contribution which would have been required of the member and deducted from the member's base salary in order to meet the member's obligation for the purchase of the member's individual retirement annuity. Such amount shall be paid by the insurance company without reduction by any other periodic benefit which the member is eligible to receive. Such amount shall be paid by the insurance company to the insurer or insurers for the member's retirement annuity.

g. Notwithstanding any other provision of law, an insurance company or companies issuing such policy or policies may credit the policyholder either directly or in the form of reduced premiums, with savings by the company or companies in the event that no brokerage commission or commissions are paid by the company or companies on the issuance of such policy or policies.

No employer obligations shall be paid when the member is on a leave of absence without pay or when the member no longer is enrolled in the retirement system designated in subsection a. of this section.

h. The group disability insurance policy or policies shall provide a member with an opportunity to purchase additional coverage.

i. A member who is disabled and receiving a benefit under this section shall remain eligible for employer-provided health care benefits coverage in the same manner as such coverage is provided by the employer to retirees of the retirement system.

j. The State Treasurer shall establish an appeals process to be used when an employer or employee disagrees with the insurer on the employee's ability to return to employment or on issues related to physical examinations.
11. a. A person who becomes a member of the Public Employees' Retirement System of New Jersey, P.L.1954, c.84 (C.43:15A-1 et seq.), on or after the effective date of P.L.2010, c.3 shall not be eligible for an ordinary or accidental disability retirement allowance, but shall be eligible for disability insurance coverage pursuant to this section.

b. The State Treasurer is hereby authorized and permitted to purchase from one or more insurance companies, as determined by him, group disability benefit coverage to provide for the disability benefit in the amounts specified herein. The group disability benefit coverage may be provided under one or more policies issued to the State Treasurer specifically for this purpose or, in the discretion of the State Treasurer, under one or more policies issued to the State Treasurer which provide group life insurance coverage for members of the retirement system designated in subsection a. of this section. Any dividend or retrospective rate credit allowed by an insurance company attributable to this program shall be credited in an equitable manner to the funds available to meet the employers' obligations under such retirement system.

Premiums for such group insurance coverage shall be paid from a special fund, hereby created, called the "Public Employees Group Disability Insurance Premium Fund." The State Treasurer shall estimate annually the amount which shall be required for premiums for such benefits for the ensuing fiscal year and shall certify such amounts which shall be applied against the total employer contributions due for the members of the retirement system whose members are covered, depositing such amounts in the premium fund.

During the period such group insurance policy or policies are in effect with respect to members of the retirement system, the State Treasurer shall in no way commingle moneys in this fund with any retirement system.

c. A person shall not be allowed the group disability benefit coverage if on the date the person enrolls in the retirement system, the person is 60 or more years of age, unless the person furnishes satisfactory evidence of insurability and, on the effective date of the person's enrollment, is actively at work and performing all the regular duties at the customary place of employment.

The effective date of coverage for such a benefit shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

Such evidence of insurability shall not be required of any person enrolling in the retirement system upon transfer from another retirement sys-
tem, if such retirement system provided a benefit of a similar nature and the transferring person was covered by such a benefit at the time of the transfer. If such transferring person was not covered by such a benefit at the time of the transfer, the person may be allowed the benefit under the group policy or policies; however, any such person shall furnish satisfactory evidence of insurability if he had been unable or failed to give such evidence as a member of the retirement system from which the person transferred.

Any person who must furnish satisfactory evidence of insurability, and who ceases to be enrolled in the retirement system without such evidence having been given, shall continue to be subject to the same requirement if the person subsequently becomes a member.

d. The disability benefit coverage provided under such group policy or policies shall provide a monthly income if the member becomes totally disabled from occupational or nonoccupational causes for a period of at least six consecutive months following the effective date of the coverage. The monthly disability benefit may be paid by the insurance company so long as the member remains disabled up to the seventieth birthday, provided the disability commenced prior to the sixtieth birthday. The benefit shall terminate when the member is no longer considered totally disabled or begins to receive retirement benefits.

The member shall be considered totally disabled if the member is unable to perform each duty of the member's occupation and is under the regular care of a physician. After the 12 months following the commencement of such disability benefit payments, the member shall be unable to engage in any gainful occupation for which the member is reasonably fitted by education, training or experience. Total disability shall not be considered to exist if the member is gainfully employed. Following an agreement with the insurance company and the policyholder, the member may continue to receive disability benefits for a limited time while performing some type of work. During the period of rehabilitation, the monthly benefit shall be the regular payment less 80% of the member's earnings from such rehabilitative position.

e. A member shall be deemed to be in service and covered by the disability benefit insurance provisions for a period of no more than six months while on official leave of absence without pay if satisfactory evidence is presented to the Division of Pensions and Benefits that such leave of absence without pay is due to illness and that the member was not actively engaged in any gainful occupation during such period of leave of absence without pay.
Disability benefit insurance provisions of the group policy or policies shall not cover disability resulting from or contributed to by pregnancy, act of war, intentionally self-inflicted injury, or attempted suicide whether or not sane. For purposes of such disability benefit coverage, the member shall not be considered to be disabled while the member is imprisoned or while outside the United States, its territories or possessions, or Canada.

If the member has recovered from the disability for which the member had received benefits and again becomes totally disabled while insured, the later disability shall be regarded as a continuation of the prior one unless the member has returned to full-time covered employment for at least six months. If the later absence is due to an unrelated cause and the member had returned to full-time work, it shall be considered a new disability. The disability benefit insurance cannot be converted to an individual policy.

No person shall be covered by the disability benefit provision of the group policy or policies except upon the completion of one year of full-time continuous employment in a position eligible for participation in a retirement system designated in subsection a. of this section.

f. The disability benefit provided under such group policy or policies shall be in an amount equal to 60% of the member's base monthly salary, reduced by periodic benefits to which the member may be entitled during the period of total disability. The minimum monthly disability benefit shall be $50.

The periodic benefit by which the monthly disability benefit may be reduced shall include salary or wages, retirement benefits or benefits from any source for which the State or other public employer has paid any part of the cost or made payroll deductions, Social Security disability or other benefits, including dependents' benefits, and benefits paid by Social Security at the option of the participant before the age of 65, but not including any increase in Social Security benefits enacted after the disability benefit under such group policy or policies has commenced, and any other periodic benefits provided by law except on account of military service.

When a member begins to receive a disability benefit under such group policy or policies, the insurance company shall pay an amount equal to the employee contribution which would have been required of the member and deducted from the member’s base salary in order to meet the member’s obligation for the purchase of the member’s individual retirement annuity. Such amount shall be paid by the insurance company without reduction by any other periodic benefit which the member is eligible to receive. Such amount shall be paid by the insurance company to the insurer or insurers for the member's retirement annuity.
g. Notwithstanding any other provision of law, an insurance company or companies issuing such policy or policies may credit the policyholder either directly or in the form of reduced premiums, with savings by the company or companies in the event that no brokerage commission or commissions are paid by the company or companies on the issuance of such policy or policies.

No employer obligations shall be paid when the member is on a leave of absence without pay or when the member no longer is enrolled in the retirement system designated in subsection a. of this section.

h. The group disability insurance policy or policies shall provide a member with an opportunity to purchase additional coverage.

i. A member who is disabled and receiving a benefit under this section shall remain eligible for employer-provided health care benefits coverage in the same manner as such coverage is provided by the employer to retirees of the retirement system.

C.13:20-29 Agricultural, horticultural development, review required; enforcement.

31. a. (1) Any agricultural or horticultural development in the preservation area that would result in the increase, after the date of enactment of this act either individually or cumulatively, of agricultural impervious cover by three percent or more of the total land area of a farm management unit in the preservation area shall require the review and approval by the local soil conservation district of a farm conservation plan which shall be prepared and submitted by the owner or operator of the farm management unit. Upon approval of the farm conservation plan by the local soil conservation district, the owner or operator of the farm management unit shall implement the plan on the farm management unit. The local soil conservation district shall transmit a copy of an approved farm conservation plan to the State Soil Conservation Committee, and, if any part of the farm management unit
is preserved under any farmland preservation program, to the State Agriculture Development Committee.

(2) Any agricultural or horticultural development in the preservation area that would result in the increase, after the date of enactment of this act either individually or cumulatively, of agricultural impervious cover by nine percent or more of the total land area of a farm management unit in the preservation area shall require the review and approval by the local soil conservation district of a resource management systems plan which shall be prepared and submitted by the owner or operator of the farm management unit.

Prior to the approval of a resource management systems plan by a local soil conservation district, a copy of the resource management systems plan shall be forwarded by the local soil conservation district to the Department of Environmental Protection for review and approval, with or without conditions, or denial within 60 days after receipt by the department. Upon approval of the resource management systems plan by the local soil conservation district and the Department of Environmental Protection, the owner or operator of the farm management unit shall implement the plan on the farm management unit. The local soil conservation district shall transmit a copy of an approved resource management systems plan to the State Soil Conservation Committee, and, if any part of the farm management unit is preserved under any farmland preservation program, to the State Agriculture Development Committee.

(3) A farm conservation plan required pursuant to paragraph (1) of this subsection and a resource management systems plan required pursuant to paragraph (2) of this subsection shall be prepared in accordance with science-based standards, consistent with the goals and purposes of this act, which standards shall be established by the State Board of Agriculture and the Department of Agriculture, in consultation with the Department of Environmental Protection, the State Agriculture Development Committee, Rutgers Cooperative Extension, and the Natural Resources Conservation Service in the United States Department of Agriculture. Within 270 days after the date of enactment of this act, the State Department of Agriculture, in consultation with the Department of Environmental Protection, shall develop and adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), these standards and any other rules and regulations necessary to implement this section.

(4) Solar panels shall not be included in any calculation of agricultural impervious cover pursuant to this subsection.

b. (i) If any person violates any provision of subsection a. of this section, any rule or regulation adopted pursuant to subsection a. of this section,
or a farm conservation plan or a resource management systems plan approved pursuant to subsection a. of this section, the Department of Agriculture or the local soil conservation district may institute a civil action in the Superior Court for injunctive relief to prohibit and prevent the violation or violations and the court may proceed in a summary manner.

(2) (a) Any person who violates any provision of subsection a. of this section, any rule or regulation adopted pursuant to subsection a. of this section, or a farm conservation plan or a resource management systems plan approved pursuant to subsection a. of this section shall be liable to a civil administrative penalty of up to $5,000 for each violation. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate, and distinct offense. No assessment shall be levied pursuant to this subsection until after the party has been notified by certified mail or personal service and provided an opportunity for a hearing.

(b) Any amount assessed under this subsection shall fall within a range established in a penalty schedule adopted by the Department of Agriculture pursuant to the "Administrative Procedure Act," which shall take into account the seriousness and duration of the violation and whether the violation involves the failure to prepare or to implement a farm conservation plan or resource management systems plan. The schedule shall also provide for an enhanced penalty if the violation causes an impairment to water quality. Any civil administrative penalty assessed under this subsection may be compromised by the Secretary of Agriculture upon the posting of a performance bond by the violator, or upon such terms and conditions as the secretary may establish by regulation.

(c) Any person who fails to pay a civil administrative penalty in full pursuant to this subsection shall be subject, upon order of a court, to a civil penalty of up to $5,000 for each violation. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate, and distinct offense. Any such civil penalty imposed may be collected with costs in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). The Superior Court and the municipal court shall have jurisdiction to enforce the provisions of the "Penalty Enforcement Law of 1999" in connection with this subsection.

(d) All penalties collected pursuant to this subsection shall either be used, as determined by the council, by the State Agriculture Development Committee for the preservation of farmland in the preservation area or by any development transfer bank used or established by the council to purchase development potential in the preservation area.
c. Nothing in this act, the regional master plan, any rules or regulations adopted by the Department of Environmental Protection pursuant to this act, or any amendments to a master plan, development regulations, or other regulations adopted by a local government unit to specifically conform them with the regional master plan shall be construed to alter or compromise the goals, purposes, policies, and provisions of, or lessen the protections afforded to farmers by, the "Right to Farm Act," P.L.1983, c.31 (C.4:1C-i et seq.), and any rules or regulations adopted pursuant thereto.

d. The provisions of this section shall not be construed to alter or obviate the requirements of any other applicable State or local laws, rules, regulations, development regulations, or ordinances.

7. Section 34 of P.L.2004, c.120 (C.13:20-32) is amended to read as follows:

34. The Department of Environmental Protection shall prepare rules and regulations establishing the environmental standards for the preservation area upon which the regional master plan adopted by the council and the Highlands permitting review program administered by the department pursuant to this act shall be based. These rules and regulations shall provide for at least the following:

a. a prohibition on major Highlands development within 300 feet of any Highlands open waters, and the establishment of a 300-foot buffer adjacent to all Highlands open waters; provided, however, that this buffer shall not extend into the planning area. For the purposes of this subsection, major Highlands development does not include linear development for infrastructure, utilities, and the rights-of-way therefor, provided that there is no other feasible alternative, as determined by the department, for the linear development outside of the buffer. Structures or land uses in the buffer existing on the date of enactment of this act may remain, provided that the area of disturbance shall not be increased. This subsection shall not be construed to limit any authority of the department to establish buffers of any size or any other protections for category one waters designated by the department pursuant to the "Water Pollution Control Act," P.L.1977, c.74 (C.58:10A-1 et seq.), or any other law, or any rule or regulation adopted pursuant thereto, for major Highlands development or for other development that does not qualify as major Highlands development;

b. measures to ensure that existing water quality shall be maintained, restored, or enhanced, as required pursuant to the "Water Pollution Control
CHAPTER 4, LAWS OF 2010

Act," P.L.1977, c.74 (C.58:10A-1 et seq.) or the "Water Quality Planning Act," P.L.1977, c.75 (C.58:11A-1 et seq.), or any rule or regulation adopted pursuant thereto, in all Highlands open waters and waters of the Highlands, and to provide that any new or expanded point source discharge, except discharges from water supply facilities, shall not degrade existing water quality. In the case of water supply facilities, all reasonable measures shall be taken to eliminate or minimize water quality impacts;

c. notwithstanding the provisions of section 23 of P.L.1987, c.156 (C.13:9B-23), or any rule or regulation adopted pursuant thereto, to the contrary, the criteria for the type of activity or activities eligible for the use of a general permit for any portion of an activity located within a freshwater wetland or freshwater wetland transition area located in the preservation area, provided that these criteria are at least as protective as those provided in section 23 of P.L.1987, c.156 (C.13:9B-23);

d. notwithstanding the provisions of subsection a. of section 5 of P.L.1981, c.262 (C.58:1A-5), or any rule or regulation adopted pursuant thereto, to the contrary, a system for the regulation of any diversion of more than 50,000 gallons per day, and multiple diversions by the same or related entities for the same or related projects or developments of more than 50,000 gallons per day, of waters of the Highlands pursuant to the "Water Supply Management Act," P.L.1981, c.262 (C.58:1A-1 et seq.), and any permit issued pursuant thereto shall be based on consideration of individual and cumulative impacts of multiple diversions, maintenance of stream base flows, minimization of depletive use, maintenance of existing water quality, and protection of ecological uses. Any new or increased diversion for non-potable purposes that is more than 50% consumptive shall require an equivalent reduction in water demand within the same subdrainage area through such means as groundwater recharge of stormwater or reuse. Existing unused allocation or allocations used for nonpotable purposes may be revoked by the department where measures to the maximum extent practicable are not implemented to reduce demand. All new or increased diversions shall be required to implement water conservation measures to the maximum extent practicable;

e. a septic system density standard established at a level to prevent the degradation of water quality, or to require the restoration of water quality, and to protect ecological uses from individual, secondary, and cumulative impacts, in consideration of deep aquifer recharge available for dilution;

f. a zero net fill requirement for flood hazard areas pursuant to the "Flood Hazard Area Control Act," P.L.1962, c.19 (C.58:16A-50 et seq.);
g. the antidegradation provisions of the surface water quality standards and the stormwater regulations applicable to category one waters to be applied to Highlands open waters;

h. a prohibition on impervious surfaces of greater than three percent of the land area, except that Highlands open waters shall not be included in the calculation of that land area, and solar panels shall not be included in any calculation of impervious surface;

i. notwithstanding the provisions of the "Safe Drinking Water Act," P.L.1977, c.224 (C.58:12A-1 et seq.), or any rule or regulation adopted pursuant thereto, to the contrary, a limitation or prohibition on the construction of new public water systems or the extension of existing public water systems to serve development in the preservation area, except in the case of a demonstrated need to protect public health and safety;

j. a prohibition on development, except linear development for infrastructure, utilities, and the rights-of-way therefor, provided that no other feasible alternative, as determined by the department, exists for the linear development, on steep slopes in the preservation area with a grade of 20% or greater, and standards for development on slopes in the preservation area exhibiting a grade of between 10% and 20%. The standards shall assure that developments on slopes exhibiting a grade of between 10% and 20% preserve and protect steep slopes from the negative consequences of development on the site and the cumulative impact in the Highlands Region. The standards shall be developed to prevent soil erosion and sedimentation, protect water quality, prevent stormwater runoff, protect threatened and endangered animal and plant species sites and designated habitats, provide for minimal practicable degradation of unique or irreplaceable land types, historical or archeological areas, and existing scenic attributes at the site and within the surrounding area, protect upland forest, and restrict impervious surface; and

k. a prohibition on development that disturbs upland forested areas, in order to prevent soil erosion and sedimentation, protect water quality, prevent stormwater runoff, and protect threatened and endangered animal and plant species sites and designated habitats; and standards to protect upland forested areas that require all appropriate measures be taken to avoid impacts or disturbance to upland forested areas, and where avoidance is not possible that all appropriate measures have been taken to minimize and mitigate impacts to upland forested areas and to prevent soil erosion and sedimentation, protect water quality, prevent stormwater runoff, and protect threatened and endangered animal and plant species sites and designated habitats.
8. Section 8 of P.L.1968, c.285 (C.40:27-6.6) is amended to read as follows:

C.40:27-6.6 Review and approval of site plans for land development along county roads or affecting county drainage facilities.

8. The governing body of any county having a county planning board may provide for the review of site plans for land development along county roads or affecting county drainage facilities as provided in subsection e. of this section and for the approval of such development as hereinafter set forth and limited for the purpose of assuring a safe and efficient county road system. Such review and approval shall be in conformance with procedures and standards adopted by resolution or ordinance as appropriate of the governing body. Notice of the public hearing on a proposed resolution or ordinance of the governing body establishing procedures and standards to govern the review and regulation of land development along county roads or affecting county drainage facilities as provided in subsection e. of this section, and a copy of such resolution or ordinance, shall be given by delivery or by certified mail to the municipal clerk, secretary of the planning board and secretary of the board of adjustment of each municipality in the county at least 10 days prior to such hearing. These procedures and standards shall be limited to:

a. The submission of a site plan, prior to the issuance of a municipal building permit, drawn in accordance with standards in the resolution or ordinance for any proposed land development, excluding single family residential development but including proposed commercial, industrial, multifamily structures containing five or more units, or any other land development requiring an off-street parking area or producing surface runoff in excess of standards set forth in the site plan review and approval resolution or ordinance of the governing body.

b. The requirement of dedication of additional right-of-way in accordance with the county master plan adopted by the county planning board or an official county map adopted by the governing body. Where by reason of special or unusual conditions said total additional right-of-way is to be secured from just one side of an existing road, only one-half of the additional right-of-way may be required to be dedicated.

c. The requirement of physical improvements subject to recommendations of the county engineer relating to the safety and convenience of the traveling public, including drainage facilities, or other highway and traffic design features as may be deemed necessary on such county road or roads in accordance with the engineering and planning standards established in
the site plan review and approval resolution or ordinance of the governing body.

d. The requirement of performance and payment guarantees and procedures for the release of same, maintenance bonds of not more than 2 years' duration from the date of acceptance of improvements, cash contributions, and agreements specifying minimum standards of construction for required improvements. Procedures for, and limitations on the requirement of such guarantees or cash contributions shall be governed by the provisions of this act.

e. The requirement of adequate drainage facilities and easements when, as determined by the county engineer in accordance with county-wide standards, the proposed site plan will cause storm water to drain either directly or indirectly to a county road or through any drainage-way, structure, pipe, culvert or facility for which the county is responsible for the construction, maintenance or proper functioning.

Site plans for land development not along a county road that include less than 1 acre of impervious surfaces are exempt from county site plan review.

f. For the purposes of any county site plan review, solar panels shall not be included in any calculation of impervious surface or impervious cover.

As used in this subsection, "solar panel" means an elevated panel or plate, or a canopy or array thereof, that captures and converts solar radiation to produce power, and includes flat plate, focusing solar collectors, or photovoltaic solar cells and excludes the base or foundation of the panel, plate, canopy, or array.

C.40:55D-38.1 Solar panels not included in certain calculations relative to approval of subdivisions, site plans.

9. An ordinance requiring approval by the planning board of either subdivisions or site plans, or both, shall not include solar panels in any calculation of impervious surface or impervious cover.

As used in this section, "solar panel" means an elevated panel or plate, or a canopy or array thereof, that captures and converts solar radiation to produce power, and includes flat plate, focusing solar collectors, or photovoltaic solar cells and excludes the base or foundation of the panel, plate, canopy, or array.

10. Section 3 of P.L.1981, c.32 (C.40:55D-95) is amended to read as follows:

3. A storm water management plan and a storm water management ordinance or ordinances shall conform to all relevant federal and State statutes, rules and regulations concerning storm water management or flood control and shall be designed: a. to reduce flood damage, including damage to life and property; b. to minimize storm water runoff from any new land development where such runoff will increase flood damage; c. to reduce soil erosion from any development or construction project; d. to assure the adequacy of existing and proposed culverts and bridges; e. to induce water recharge into the ground where practical; f. to prevent, to the greatest extent feasible, an increase in nonpoint pollution; g. to maintain the integrity of stream channels for their biological functions, as well as for drainage; and h. to minimize public safety hazards at any storm water detention facilities constructed as part of a subdivision or pursuant to a site plan. A storm water management plan shall also include such structural changes and such additional nonstructural measures and practices as may be necessary to manage storm water. A storm water management plan and a storm water management ordinance or ordinances shall not be construed to prohibit solar panels to be constructed and installed on a site. Solar panels shall not be included in any calculation of impervious surface or impervious cover.

For purposes of this act:

"Nonpoint pollution" means pollution from any source other than from any discernible, confined and discrete conveyance, and shall include, but not be limited to, pollutants from agricultural, silvicultural, mining, construction, subsurface disposal and urban runoff sources.

"Solar panel" means an elevated panel or plate, or a canopy or array thereof, that captures and converts solar radiation to produce power, and includes flat plate, focusing solar collectors, or photovoltaic solar cells and excludes the base or foundation of the panel, plate, canopy, or array.

11. Section 4 of P.L.2009, c.82 (C.45:22A-46.6) is amended to read as follows:

C.45:22A-46.6 Application to change to a converted development.

4. a. A developer seeking to change an age-restricted development approval to a converted development approval shall file an application with the approving board seeking an amendment to the previously granted approvals requesting the authority to develop the land as a converted development. At such time, the developer shall also file a copy of said notice with the municipal clerk of the municipality in which the development is
located and the developer shall provide notice prior to a hearing on the application in the manner prescribed by section 7.1 of P.L.1975, c.291 (C.40:55D-12).

(1) No application for an amended approval seeking the authority to construct a converted development shall be considered a "use variance" or other "d' variance" application pursuant to subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70). Both planning boards that initially granted approvals for the age-restricted development and zoning boards of adjustment that initially granted approvals for the age-restricted development shall have the legal authority to grant amended approvals for a converted development without the need to seek relief pursuant to subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70), it being the intent of this act that such converted developments are to be considered permitted uses in the zoning district in which they are located.

b. Applications seeking amended approval for a converted development shall include documentation that all of the following site improvement and infrastructure requirements have been met:

(1) the site meets the Residential Site Improvement Standards parking requirement for the residential land uses in a converted development as established pursuant to N.J.A.C.5:21-4.14 through -4.16;

(2) the recreation improvements and other amenities to be constructed on the site have been revised, as needed, to meet the needs of a converted development;

(3) the water supply system is adequate, as determined pursuant to N.J.A.C.5:21-5.1, to meet the needs of a converted development;

(4) the capacity of the sanitary sewer system is adequate to meet the projected flow requirements of a converted development pursuant to N.J.A.C.7:14A-23.3;

(5) if additional water supply or sewer capacity is needed and the developer is unable to obtain additional supply or capacity, the number of dwelling units in the development has been reduced accordingly;

(6) if additional parking is needed, and the developer is unable to provide the required parking, the number of dwelling units in the development has been reduced accordingly; and

(7) if additional parking is provided and increases the amount of impervious cover by more than one percent, the storm water system calculations and improvements have been revised accordingly, except that solar panels shall not be included in any calculation of impervious surface or impervious cover. As used in this paragraph, "solar panel" means an elevated panel or plate, or a canopy or array thereof, that captures and converts solar

CHAPTER 5

AN ACT concerning persons with developmental disabilities and supplementing chapter 6D of Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:6D-73 Findings, declarations relative to persons with developmental disabilities.

1. The Legislature finds and declares that:
   a. It is in the public interest for the State to provide for the protection of individuals with developmental disabilities by identifying those caregivers who have wrongfully caused them injury;
   b. The safety of individuals with developmental disabilities receiving care from State-operated facilities or programs, from those facilities or programs licensed, contracted, or regulated by the Department of Human Services, or from State-funded community-based services shall be of paramount concern;
   c. It is the intent of this legislation to assure that the lives of innocent individuals with developmental disabilities are immediately safeguarded from further injury and possible death and that the legal rights of such persons are fully protected; and
   d. Therefore, this act establishes a Central Registry of Offenders Against Individuals with Developmental Disabilities in the Department of Human Services to prevent caregivers who become offenders against indi-
individuals with developmental disabilities from working with individuals with developmental disabilities.

C.30:6D-74 Definitions relative to persons with developmental disabilities.

   "Commissioner" means the Commissioner of Human Services.

During its investigation of an allegation of abuse, neglect, or exploitation of an individual with a developmental disability by a caregiver, the Special Response Unit shall make a good faith effort to notify the caregiver of the possibility of the caregiver's inclusion on the registry, and give the caregiver an opportunity to respond to the department concerning the allegation.

The department shall only disclose information that is relevant to the purpose for which the information is required; except that the department shall not disclose information which would likely endanger the life, safety, or physical or emotional well-being of an individual with a developmental disability or the life or safety of any other person, or which may compromise the integrity of a department investigation, civil or criminal investigation, or judicial proceeding. If the department denies access to specific information on this basis, the requesting entity may seek disclosure through the Superior Court. Nothing in this act shall be construed to permit the disclosure of any information deemed confidential by federal or State law.

Such a person shall have the same immunity with respect to testimony given in any judicial proceeding resulting from the report. A person who reports or causes to report in good faith an allegation of abuse, neglect, or exploitation pursuant to this act and as a result thereof is discharged from employment or in any manner discriminated against with respect to compensation, hire, tenure, or terms, condi-
tions or privileges of employment, may file a cause of action for appropriate relief in the Superior Court in the county in which the discharge or alleged discrimination occurred or in the county of the person’s primary residence. The transfer of development rights program shall be consistent with the "State Transfer of Development Rights Act," P.L.2004, c.2 (C.40:55D-137 et seq.) or any applicable transfer of development rights program created otherwise by law, except as otherwise provided in this section.

b. In consultation with municipal, county, and State entities, the council shall, within 18 months after the date of enactment of this act, and from time to time thereafter as may be appropriate, identify areas within the preservation area that are appropriate as sending zones pursuant to P.L.2004, c.2 (C.40:55D-137 et seq.).

For the purposes of the council establishing a transfer of development rights program prior to the preparation of the initial regional master plan, the council in identifying areas appropriate for development as voluntary receiving zones shall consider such information as may be gathered pursuant to sections 11 and 12 of this act and as may be available at the time, but the council need not delay the creation of the transfer of development rights program until the initial regional master plan has been prepared. The council shall set a goal of identifying areas within the planning area that are appropriate for development as voluntary receiving zones that, combined together, constitute four percent of the land area of the planning area, to the extent that the goal is compatible with the amount and type of human development and activity that would not compromise the integrity of the ecosystem of the planning area.

The council shall establish the initial value of a development right considering the Department of Environmental Protection rules and regulations in effect the day before the date of enactment of this act.

(2) The council shall give priority consideration for inclusion in a transfer of development rights program any lands that comprise a major Highlands development that would have qualified for an exemption pursuant to paragraph (3) of subsection a. of section 30 of this act but for the lack of a necessary State permit as specified in subparagraph (b) or (c), as appropriate, of paragraph (3) of subsection a. of section 30 of this act, and for which an application for such a permit had been submitted to the Department of Environmental Protection and deemed by the department to be complete for review on or before March 29, 2004.

i. (1) The council may use the State Transfer of Development Rights Bank established pursuant to section 3 of P.L.1993, c.339 (C.4:1C-51) for the purposes of facilitating the transfer of development potential in accordance with this section and the regional master plan. voluntary receiving zones within its boundaries which are identified pursuant to subsection c. of this section and which provide for a minimum residential density of five dwelling units per acre, shall, for those receiving zones, be: eligible for an enhanced planning grant from the council of up to $250,000; eligible for a grant to reimburse the reasonable costs of amending the municipal development regulations; authorized to impose impact fees in accordance with subsection m. of this section; entitled to legal representation pursuant to section 22 of this act; accorded priority status in the Highlands Region for any State capital or infrastructure programs; and eligible for any other appropriate assistance, incentives, or benefits provided pursuant to section 18 of this act.

(3) An impact fee ordinance shall also include a delineation of service areas for each capital improvement whose upgrading or expansion is to be funded out of impact fee revenues, a fee schedule which clearly sets forth the amount of the fee to be charged for each service unit, and a payment schedule.

(4) An impact fee may be imposed by a municipality pursuant to this subsection in order to generate revenue for funding or recouping the costs
of new capital improvements or facility expansions necessitated by new
development, to be paid by the developer as defined pursuant to section 3.1
of P.L.1975, c.291 (C.40:55D-4). Improvements and expansions for which

CHAPTER 8

AN ACT permitting the Department of Military and Veterans’ Affairs to
raise money to purchase a handicap accessible vehicle.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

1. The Legislature finds and declares that:
   a. The New Jersey Department of Military and Veterans’ Affairs pro­
vides outreach services to the veterans of this State. These outreach services
have proven to be beneficial; however, there is a large population of veterans,
particularly the handicapped and disabled, who are not receiving these out­
reach services because of limitations such as remote living areas with lack of
public transportation or handicap or wheelchair accessibility concerns.
   b. This limited access to outreach services denies handicapped and
disabled veterans access to information and activities such as health screen­
ings. Handicapped and disabled veterans should have the same access to
outreach services as other veterans. The Department of Military and Veterans' Affairs should utilize a veteran service vehicle to travel to various locations to provide outreach services to veterans.

c. The Department of Military and Veterans’ Affairs lacks the adequate funding needed to be able to purchase a handicap accessible veteran service vehicle that would allow handicapped and disabled veterans to be able to board the vehicle and partake in the outreach services, thus providing assistance to the veterans in need.

d. It is necessary to permit the Department of Military and Veterans’ Affairs to fundraise to obtain the necessary monies to purchase a handicap accessible veteran service vehicle for outreach services throughout the State of New Jersey to assist handicapped and disabled veterans.

2. a. The Adjutant General of the Department of Military and Veterans’ Affairs, or a designee, shall create a non-lapsing fund dedicated to the purchase and maintenance of a handicap accessible veteran service vehicle to be used to improve handicapped and disabled veteran outreach accessibility. The Adjutant General may solicit and accept donations or grants of money or property from any source, to be credited to the fund.

b. The fund shall be credited with any money received by the Department of Military and Veterans’ Affairs through fundraising efforts and donations or grants of money, including any monies as may thereafter be donated by members of the public, for a handicap accessible vehicle. All monies obtained shall be dedicated towards the purchase of a handicap accessible veteran service vehicle and its maintenance. Any interest on monies in the fund shall be credited to the fund. Investment of such monies shall be consistent with policies of the Division of Investment.

c. The Adjutant General of the Department of Military and Veterans’ Affairs and the Deputy Commissioner of Veterans’ Affairs shall distribute the monies received through fundraising efforts.

3. This act shall take effect immediately.

Approved May 5, 2010.

CHAPTER 9

AN ACT concerning the review and approval of applications for development and supplementing P.L.1975, c.291 (C.40:55D-1 et seq.).
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40:55D-10.5 Developmental regulations, certain, govern review of application.

1. Notwithstanding any provision of law to the contrary, those development regulations which are in effect on the date of submission of an application for development shall govern the review of that application for development and any decision made with regard to that application for development. Any provisions of an ordinance, except those relating to health and public safety, that are adopted subsequent to the date of submission of an application for development, shall not be applicable to that application for development.

2. This act shall take effect one year next following enactment.

Approved May 5, 2010.

CHAPTER 10

1. Section 43 of P.L.2009, c.90 (C.18A:64-85) is amended to read as follows:

43. a. A State college or county college may enter into a contract with a private entity, subject to subsection f. of this section, to be referred to as a public-private partnership agreement, that permits the private entity to assume full financial and administrative responsibility for the on-campus construction, reconstruction, repair, alteration, improvement or extension of a building, structure, or facility of, or for the benefit of, the institution, provided that the project is financed in whole by the private entity and that the State or institution of higher education, as applicable, retains full ownership of the land upon which the project is completed.
b. (1) A private entity that assumes financial and administrative responsibility for a project pursuant to subsection a. of this section shall not be subject to the procurement and contracting requirements of all statutes applicable to the institution of higher education at which the project is completed, including, but not limited to, the "State College Contracts Law," P.L.1986, c.43 (C.18A:64-52 et seq.), and the "County College Contracts Law," P.L.1982, c.189 (C.18A:64A-25.1 et seq.). For the purposes of facilitating the financing of a project pursuant to subsection a. of this section, a public entity may become the owner or lessee of the project or the lessee of the land, or both, may issue indebtedness in accordance with the public entity's enabling legislation and, notwithstanding any provision of law to the contrary, shall be empowered to enter into contracts with a private entity and its affiliates without being subject to the procurement and contracting requirements of any statute applicable to the public entity provided that the private entity has been selected by the institution of higher education pursuant to a solicitation of proposals or qualifications. (2) As the carrying out of any project described pursuant to this section constitutes the performance of an essential public function, all projects predominantly used in furtherance of the educational purposes of the institution undertaken pursuant to this section, provided it is owned by or leased to a public entity, non-profit business entity, foreign or domestic, or a business entity wholly owned by such non-profit business entity, shall at all times be exempt from property taxation and special assessments of the State, or any municipality, or other political subdivision of the State and, notwithstanding the provisions of section 15 of P.L.1974, c.80 (C.34:1B-15) or section 2 of P.L.1977, c.272 (C.54:4-2.2b) or any other section of law to the contrary, shall not be required to make payments in lieu of taxes. The land upon which the project is located shall also at all times be exempt from property taxation. Further, the project and land upon which the project is located shall not be subject to the provisions of section 1 of P.L.1984, c.176 (C.54:4-1.16) regarding the tax liability of private parties conducting for profit activities on tax exempt land, or section 1 of P.L.1949, c.177 (C.54:4-2.3) regarding the taxation of leasehold interests in exempt property that are held by nonexempt parties.
c. Each worker employed in the construction, rehabilitation, or building maintenance services of facilities by a private entity that has entered into a public-private partnership agreement with a State or county college pursuant to subsection a. of this section shall be paid not less than the prevailing wage rate for the worker's craft or trade as determined by the Commissioner of Labor and Workforce Development pursuant to P.L.1963, c.150 (C.34:11-56.25 et seq.) and P.L.2005, c.379 (C.34:11-56.58 et seq.).

d. (1) All construction projects under a public-private partnership agreement entered into pursuant to this section shall contain a project labor agreement. The project labor agreement shall be subject to the provisions of P.L.2002, c.44 (C.52:38-1 et seq.), and shall be in a manner that to the greatest extent possible enhances employment opportunities for individuals residing in the county of the project's location. Further, the general contractor, construction manager, design-build team, or subcontractor for a construction project proposed in accordance with this paragraph shall be registered pursuant to the provisions of P.L.1999, c.238 (C.34:11-56.48 et seq.), and shall be classified by the Division of Property Management and Construction to perform work on a public-private partnership higher education project. Except for redevelopment incentive grant agreements with a municipal redeveloper, in no event shall the combined amount of the reimbursements under redevelopment incentive grant agreements with the State or municipality exceed 20 percent of the total cost of the project. For the purposes of calculating the total cost of all projects, the cost of infrastructure improvements in the public right-of-way and publicly owned facilities shall not be included. The amount of the redevelopment incentive grant for a municipal redeveloper may include the total cost of such infrastructure improvements and publicly owned facilities.

e. The authority and the State Treasurer may enter into a redevelopment incentive grant agreement only if they make a finding that the State revenues to be realized from the redevelopment project will be in excess of the amount necessary to reimburse the developer for its project financing gap. This finding may be made by an estimation based upon the professional judgment of the Chief Executive Officer of the New Jersey Economic Development Authority and the State Treasurer.

f. In deciding whether or not to recommend entering into a redevelopment incentive grant agreement and in negotiating a redevelopment agreement with a developer, the Chief Executive Officer of the New Jersey Economic Development Authority shall consider the following factors:

4. the likelihood that the redevelopment project shall, upon completion, be capable of generating new tax revenue in an amount in excess of the amount necessary to reimburse the developer for project costs incurred as provided in the redevelopment incentive grant agreement;
5. the relationship of the redevelopment project to a comprehensive local development strategy, including other major projects undertaken within the municipality;
6. the need of the redevelopment incentive grant agreement to the viability of the redevelopment project; and
7. the degree to which the redevelopment project enhances and promotes job creation and economic development.

g. (1) A developer that has entered into a redevelopment incentive grant agreement with the authority and the State Treasurer pursuant to this section may, upon notice to and consent of the authority and the State Treasurer, pledge and assign as security or support for any loan or bond, any or
all of its right, title and interest in and to such agreements and in the incentive grants payable thereunder, and the right to receive same, along with the rights and remedies provided to the developer under such agreement. Any such assignment shall be an absolute assignment for all purposes, including the federal bankruptcy code.

(2) Any pledge of incentive grants made by the developer shall be valid and binding from the time when the pledge is made and filed in the records of the authority. The incentive grants so pledged and thereafter received by the developer shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the developer irrespective of whether the parties have notice thereof. Neither the redevelopment incentive grant agreement nor any other instrument by which a pledge under this section is created need be filed or recorded except with the authority.

10. Section 11 of P.L.2009, c.90 (C.52:27D-489k) is amended to read as follows:

C.52:27D-489k Agreement between developer and municipality.

b. The redevelopment incentive grant agreement shall specify the amount of the incentive grant to be awarded the developer, the frequency of payments, and the length of time, which shall not exceed 20 years, during which that reimbursement shall be granted. Except for redevelopment incentive grants with a municipal redeveloper, in no event shall the combined amount of the reimbursements under redevelopment incentive grant agreements with the State or municipality exceed 20 percent of the total cost of the project. For the purposes of calculating the total cost of all projects, the cost of infrastructure improvements in the public right-of-way and publicly owned facilities shall not be included. The amount of the redevelopment incentive grant for a municipal redeveloper may include the total cost of such infrastructure improvements and publicly owned facilities.

c. The municipality may enter into a redevelopment incentive grant agreement only if the chief financial officer of the municipality makes a finding that the incremental revenues to be realized from the redevelopment
project will be in excess of the amount necessary to reimburse the developer for its project financing gap. Such finding shall be based upon appropriate documentation and calculations supporting the decision.

d. Within a qualifying economic redevelopment and growth grant incentive area a municipality that has entered into a local redevelopment incentive grant agreement may pledge eligible revenues it is authorized to collect as follows:

(2) incremental revenues collected from payroll taxes, with respect to business activities carried on within the area, pursuant to section 15 of P.L.1970, c.326 (C.40:48C-15);

(3) incremental revenue from lease payments made to the municipality, the developer, or the developer's successors with respect to property located in the area;

(4) incremental revenue collected from parking taxes derived from parking facilities located within the area pursuant to section 7 of P.L.1970, c.326 (C.40:48C-7);

(5) incremental admissions and sales taxes derived from the operation of a public facility within the area pursuant to section 1 of P.L.2007, c.302 (C.40:48G-1);

(6) (a) incremental sales and excise taxes which are derived from activities within the area and which are rebated to or retained by the municipality pursuant to the "New Jersey Urban Enterprise Zones Act," P.L.1983, c.303 (C.52:27H-60 et seq.) or any other law providing for such rebate or retention;

(b) within Planning Area 1 (Metropolitan) under the State Development and Redevelopment Plan adopted pursuant to the "State Planning Act," sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.), a municipality may impose the entire State sales tax on business activities within a redevelopment project located in an urban enterprise zone that would ordinarily be entitled to collect reduced rate revenues under section 21 of P.L.1983, c.303 (C.52:27H-80), and pledge the excess revenues to a local redevelopment incentive grant agreement;

(7) incremental parking revenue collected, pursuant to section 7 of P.L.1970, c.326 (C.40:48C-7), from public parking facilities built as part of a redevelopment project, except for public parking facilities owned by parking authorities pursuant to the "Parking Authority Law," P.L.1948, c.198 (C.40:11A-1 et seq.);

(9) upon approval by the Local Finance Board, other incremental municipal revenues that may become available;

(10) the property tax increment.

The incremental revenue for the revenues listed in this subsection, when applicable, shall be calculated as the difference between the amount collected in any fiscal year from any eligible revenue source included in the local redevelopment incentive grant agreement, less the revenue increment base for that eligible revenue.

e. (1) In calculating the general tax rate of a municipality each year, the aggregate amount of the incremental ratable value over the property tax increment base in the redevelopment project area that is pledged as part of a redevelopment incentive grant agreement shall be excluded from the ratable base of a municipality.

(2) The amount of property tax increment not pledged toward a redevelopment incentive grant agreement shall be allocated pursuant to the normal tax rate distribution.

The full incremental value of a project area shall be included in the value used for county and regional school tax apportionment until such time that the Director of the Division of Taxation in the Department of the Treasury can certify that property tax management systems are capable of handling the technical and legal requirements of treating parcels in areas of redevelopment as exempt from county and regional school apportionment.

f. In addition to the incremental revenues that may be pledged in subsection d. of this section, any amount of tax proceeds collected from the tax on the rental of motor vehicles pursuant to section 20 of P.L.2009, c.90 (C.40:48H-2), may be included in a redevelopment incentive grant agreement with a developer, regardless of whether or not the redevelopment project area is within or outside of the designated industrial zone from which the tax on the rental of motor vehicles is collected.

g. (1) A developer that has entered into a redevelopment incentive grant agreement with a municipality pursuant to this section may, upon notice to and consent of the municipality, pledge and assign as security or support for any loan or bond, any or all of its right, title and interest in and to such agreements and in the incentive grants payable thereunder, and the right to receive same, along with the rights and remedies provided to the developer under such agreement. Any such assignment shall be an absolute assignment for all purposes, including the federal bankruptcy code.

In deciding whether or not to approve such ordinance, the Local Finance Board shall determine whether the proposed redevelopment project consists of publicly owned facilities or infrastructure improvements in the public right-of-way. It also shall consider the factors listed at paragraphs (1) through (8) of subsection d. of section 4 of P.L.2009, c.90 (C.52:27D-489d), provided that with respect to infrastructure improvements in the public right-of-way, it shall not consider paragraph (4) of subsection d. of section 4 of P.L.2009, c.90 (C.52:27D-489d). BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

1. N.J.S.14A:5-6 is amended to read as follows:

Action by shareholders without a meeting.

14A:5-6. Action by shareholders without a meeting.

(1) Any action required or permitted to be taken at a meeting of share­
holders by this act or the certificate of incorporation or bylaws of a corpora­
tion, may be taken without a meeting if all the shareholders entitled to vote
thereon consent thereto in writing, except that in the case of any action to
be taken pursuant to N.J.S.14A:10-1 et seq., such action may be taken
without a meeting only if all shareholders consent thereto in writing or if all
shareholders entitled to vote thereon consent thereto in writing and the cor­
poration provides to all other shareholders the advance notification required
by paragraph (b) of subsection (2) of this section.

(2) Except as otherwise provided in the certificate of incorporation and
subject to the provisions of this subsection, any action required or permitted
to be taken at a meeting of shareholders by this act, the certificate of incorporation, or bylaws, other than the annual election of directors, may be taken without a meeting, without prior notice and without a vote, upon the written consent of shareholders who would have been entitled to cast the minimum number of votes which would be necessary to authorize such action at a meeting at which all shareholders entitled to vote thereon were present and voting.

(a) If any shareholder shall have the right to dissent from the proposed action, pursuant to N.J.S.14A:11-1 et seq., the board shall fix a date on which written consents are to be tabulated; in any other case, it may fix a date for tabulation. If no date is fixed, consents may be tabulated as they are received. No consent shall be counted which is received more than 60 days after the date of the board action authorizing the solicitation of consents or, in a case in which consents, or proxies for consents, are solicited from all shareholders who would have been entitled to vote at a meeting called to take such action, more than 60 days after the date of mailing of solicitation of consents, or proxies for consents.

(b) Except as provided in paragraph (c) of this subsection, the corporation, upon receipt and tabulation of the requisite number of written consents, shall promptly notify all non-consenting shareholders, who would have been entitled to notice of a meeting to vote upon such action, of the action consented to, the proposed effective date of such action, and any conditions precedent to such action. In the case of any action taken pursuant to N.J.S.14A:10-1 et seq., such notification shall be given at least 20 days in advance of the proposed effective date of such action. Any shareholder who did not consent, personally, or by proxy, to any action which he has a right to dissent from as provided in N.J.S.14A:11-1 et seq. shall in such notice also be informed that he has the right to dissent and to be paid the fair value of his shares, provided he files with the corporation a written notice of dissent as required by subsection (1) of N.J.S.14A:11-2 within 20 days from the date of giving of the notice, or such greater period of time as may be granted by the corporation, and outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in N.J.S.14A:11-1 et seq. with which he must comply in order to assert and enforce such right.

(c) The corporation need not provide the notification required by paragraph (b) of this subsection if it

(i) solicits written consents or proxies for consents from all shareholders who would have been entitled to vote at a meeting called to take such action, and at the same time gives notice of the proposed action to all other
shareholders who would have been entitled to notice of a meeting called to vote upon such action;

(ii) advises all shareholders, if any, who are entitled to dissent from the proposed action, as provided in N.J.S.14A:11-1 et seq., of their right to do so and to be paid the fair value of their shares, provided they file with the corporation before the date fixed for tabulation of the written consents a written notice of dissent as required by subsection (1) of N.J.S.14A:11-2, and outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in N.J.S.14A:11-1 et seq. with which they must comply in order to assert and enforce such right; and

(iii) in the case of any proposed action to be taken pursuant to N.J.S.14A:10-1 et seq., fixes a date for tabulation of consents not less than 20 days, and not more than 60 days, after the date of mailing of solicitations of consents or proxies for consents.

(d) Any consent obtained pursuant to paragraph (c) of this subsection may be revoked at any time prior to the day fixed for tabulation of consents. Any other consent may be revoked at any time prior to the day on which the proposed action could be taken upon compliance with paragraph (b) of this subsection. No revocation shall be effective unless in writing and until received by the corporation at the place fixed for receipt of consents or, if none, at the main business office or headquarters of the corporation.

(3) Whenever action is taken pursuant to subsection (1) or (2) of this section, the written consents of the shareholders consenting thereto or the written report of inspectors appointed to tabulate such consents shall be filed with the minutes of proceedings of shareholders.

(4) Any action taken pursuant to subsection (1) or (2) of this section shall have the same effect for all purposes as if such action had been taken at a meeting of the shareholders.

(5) If any other provision of this act requires the filing of a certificate upon the taking of an action by shareholders, and such action is taken in the manner authorized by subsection (1) or (2) of this section, such certificate shall state that such action was taken without a meeting pursuant to the written consents of the shareholders and shall set forth the number of shares represented by such consents.

C.54:39-105 Records of fuel received, sold, used; report.

5. a. A supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer shall keep a record of all fuel received, sold or used which shall include the name of the purchaser, the number of gallons used or sold and the date of the use or sale. A supplier, permissive supplier, importer, exporter, blender, distribu-
tor, liquefied petroleum gas dealer, or aviation fuel dealer shall also deliver with each consignment of fuel to a purchaser within this State a written statement containing the date and number of gallons delivered and the names of the purchaser and seller, and that statement shall show a separate charge for the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) on each gallon; provided however, that a statement shall not be required to be delivered by the supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer if a sale of fuel is made at a service station and the fuel is delivered directly into a vehicle fuel supply tank. The records and written statements shall be preserved by a supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer and the purchaser respectively, for a period of four years and shall be offered for inspection at the request of the director.

b. A supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer shall take a physical inventory of fuel on hand on the first or last day of each month and shall have the record of that inventory and of all other matters enumerated in this section available at all times for inspection by the director. Upon demand by the director each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, and aviation fuel dealer shall furnish a statement under oath reflecting the contents of any records required to be kept by this section.

c. Each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer shall, on or before the 22nd day of each month, render a report to the director, in the form and manner prescribed by the director, stating the number of gallons of fuel sold or used in this State by that person during the preceding calendar month. Upon application to the director, the period within which a report must be made may be extended up to an additional 10 days, if deemed advisable by the director. A tax at the rate imposed by section 3 of P.L.2010, c.22 (C.54:39-103) shall be paid by each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer, on the number of gallons of fuel sold or used in this State by that person during the preceding calendar month and not exempted from taxation, the payment to accompany the filing of the report. The report shall contain further information as the director may prescribe or determine.

d. If a supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer shall fail, neglect or refuse to file the report within the time prescribed by this section,
the director shall note that failure, neglect or refusal upon the director's records, and may estimate the sales, distribution and use of that supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer, assessing the tax thereon, and adding to that assessed tax a penalty of 20% thereof for failure, neglect or refusal to report, and that estimate shall be prima facie evidence of the true amount of tax due to the director from the supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer; provided that if a good and sufficient cause or reason is shown for a delinquency, the director may remit or waive the payment of the whole or any part of the penalty, as allowed by the State Uniform Tax Procedure Law, R.S.54:48-1 et seq. Reports required by this section, exclusive of schedules, itemized statements and other supporting evidence annexed to those reports, shall at all reasonable times be open to the public, notwithstanding any provision of R.S.54:50-8 to the contrary.

6. a. Each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer who sells aviation fuel for distribution to general aviation airports shall, on or before the 22nd day of each month, render a report to the director, stating the number of gallons of aviation gasoline, sold in this State by that person for distribution to general aviation airports during the preceding month. In addition to the provisions of section 4 of P.L.2010, c.22 (C.54:39-104) and except as otherwise provided in section 12 of P.L.2010, c.22 (C.54:39-112), the tax of 2 cents per gallon as imposed by subsection b. of section 3 of P.L.2010, c.22 (C.54:39-103) on each gallon of aviation gasoline so reported shall be paid by each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer, the payment to accompany the filing of the report.

b. Each supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer who sells turbine fuels for distribution to general aviation airports shall, on or before the 22nd day of each month, render a report to the director, stating the number of gallons of aviation grade kerosene sold by that person for distribution to general aviation airports during the preceding month. Except as otherwise provided by section 12 of P.L.2010, c.22 (C.54:39-112), the tax of 2 cents per gallon imposed under subsection b. of section 3 of P.L.2010, c.22 (C.54:39-103) on each gallon of aviation grade kerosene so reported shall be paid by each supplier, permissive supplier, importer, exporter,
blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer, the payment to accompany the filing of the report.

c. If a supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer shall fail, neglect or refuse to file the report within the time prescribed by this section, the director shall note such failure, neglect or refusal upon the director's records, and may estimate the sales, distribution and use of that supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer, assessing the tax thereon, and adding to that assessed tax a penalty of 20% thereof for failure, neglect or refusal to report, and that estimate shall be prima facie evidence of the true amount of tax due to the director from the supplier, permissive supplier, importer, exporter, blender, distributor, liquefied petroleum gas dealer, or aviation fuel dealer provided that if a good and sufficient cause or reason is shown for a delinquency, the director may remit or waive the payment of the whole or any part of the penalty, as allowed by the State Uniform Tax Procedure Law, R.S.54:48-1 et seq. Reports required by this section, exclusive of schedules, itemized statements and other supporting evidence annexed to those reports, shall at all reasonable times be open to the public, notwithstanding any provision of R.S.54:50-8 to the contrary.

d. The monthly filing provisions of this section notwithstanding, the director may require payments of tax liability at intervals and based upon those classifications as the director may prescribe by regulation. In prescribing those other periods to be covered by the return or intervals or classifications for payment of tax liability, the director may take into account the dollar volume of tax involved and the need for assuring the prompt and orderly collection of the taxes imposed.

e. The refund provisions of section 12 of P.L.2010, c.22 (C.54:39-112) shall not apply to amounts paid pursuant to this section. However, a user of general aviation aircraft shall be allowed a refund or credit of the tax imposed by subsection a. of section 3 of P.L.2010, c.22 (C.54:39-103), provided the user complies with the provisions of section 12 of P.L.2010, c.22 (C.54:39-112).

C.54:39-107 Transporter reports, registration of fuel conveyance.

7. a. (1) Transporter reports shall cover monthly periods and shall be submitted within 30 days after the close of the month covered by the reports. The transporter reports shall show all quantities of fuel delivered at points in the State or from points inside the State to points outside of the State during the month, giving the name and address of the consignor, the name and ad-
dress of the consignee, place at which delivered, the date of shipment, the
date of delivery, the numbers and initials of the car if shipped by rail, the
name of the boat or barge, if shipped by water, or if delivery by other means,
the method of delivery and the number of gallons in each shipment.

(2) The director shall have the right at any time during normal business
hours to inspect the books of a transporter to determine if the requirements
of this section are being properly complied with.

(3) Each person engaged in the business of hauling, transporting or
delivering fuel shall, before entering upon the highways or waterways of
this State with any conveyance used therein, apply to the director for the
registration of a fuel conveyance on forms as the director shall prescribe.
Upon receipt of an application, the director shall issue a license certificate
and license plate for each conveyance which shall show the license number
assigned and which shall be displayed on the conveyance at all times in
such a manner as the director may regulate. An annual license fee of $50
shall be paid for the licensing of each such conveyance. Nothing in this
section shall in any manner relieve or discharge persons obtaining licenses
pursuant to this section from complying with provisions of other laws.

(4) A person coming into this State in a motor vehicle may transport in
the vehicle fuel supply tank, for the propulsion thereof, fuel without paying
the tax, securing the license, or making any report required under P.L.2010,
c.22 (C.54:39-101 et al.).

b. (1) The driver of a conveyance shall have in the driver's possession
at all times while hauling, distributing or transporting fuel, a delivery ticket
or other form approved by the director, which shall show the true names of
the consignor and consignee and such information as the director may pre­
scribe by regulation. The director or any police officer may stop a convey­
ance to determine if the provisions of this section are being complied with.

(2) The person in charge of any barge, tanker or other vessel in which
fuel is being transported, or of a tank truck, truck tractor, semitrailer, trailer,
or other vehicle used in transporting fuels other than fuel being transported
for use in operating the engine which propels the vessel or vehicle, shall
have in that person's possession an invoice, bill of sale or other evidence
showing the name and address of the consignor or person from whom that
fuel was received by the person in charge and the name and address of the
consignee or person to whom the person in charge is to make delivery of
the fuel, together with the number of gallons to be delivered to that person,
and shall at the request of the director produce that invoice, bill of sale or
other record evidence for inspection.
c. (1) A barge, tanker, or other vessel so used for the transportation of fuel shall be plainly and visibly marked on both sides thereof and above the water line with the word "gasoline," or other name of the fuel being transported, in letters at least eight inches high and of corresponding appropriate width. An owner or lessee violating the provisions of this paragraph shall be guilty of a crime of the fourth degree.

(2) A tank truck, truck tractor, semitrailer, or trailer used in transporting fuels shall affix to the rear of the truck or trailers a sign which shall indicate in letters not less than four inches high and of corresponding appropriate width, the type of fuel being transported. An owner or lessee violating the provisions of this section shall be punished by imprisonment for not more than six months, or by a fine of not more than $500, or by both.

d. The license cards issued for the operation over the highways or waterways of this State of any conveyance used for the transportation or hauling of fuels may be suspended or revoked upon reasonable grounds by the director in the same manner as other licenses may be suspended or revoked by the director under the provisions of P.L.2010, c.22 (C.54:39-101 et al.).

8. a. A retail dealer, an aviation fuel dealer and a liquefied petroleum gas dealer shall, before engaging in the retail sale of fuel, apply to the director for a license for each establishment operated by that person. A license fee of $150 shall be paid for the issuance of a retail license, which shall be valid for a three-year period, and the director shall supply a license plate or suitable substitute containing the number assigned to the licensee, and words denoting whether the license is a retail dealer’s license, an aviation fuel dealer’s license or a liquefied petroleum gas dealer’s license, which the licensee shall publicly display at each establishment in the manner as the director shall prescribe. No applicant shall continue in business after the end of the 14th day following the date of application unless the license applied for has been procured and is publicly displayed at the establishment being operated.

b. A retail dealer, liquefied petroleum gas dealer and an aviation fuel dealer shall keep a daily record showing the total amount of fuels sold on each business day, daily dispensing pump totalizer readings, and monthly physical inventories, such records to be preserved for a period of four years, and to be open for inspection by the director at all times.

9. a. A person shall, before engaging in the business of a terminal operator, obtain a terminal operator’s license from the director.
b. A terminal operator shall, on or before the last day of each month, render a report to the director, in such form as the director may prescribe, stating the quantities of fuel received at the terminal in the State or sold from it during the preceding month.

At the discretion of the director, a terminal operator’s report as submitted under the federal ExSTARS reporting system may be accepted in lieu of the terminal operator’s report required under this subsection.

c. The director shall have the right at any time during normal business hours to inspect the books of a terminal operator to determine if the requirements of this act are being properly observed.

d. The director may require those returns to be filed, in the form and manner, and at the intervals, that the director may prescribe by regulation.

C.54:39-110 Fuel presumed to be used, consumed on State highways to propel motor vehicles.

10. a. Except as otherwise provided in this act, all fuel delivered in this State in a vehicle fuel supply tank is presumed to be used or consumed on the highways in this State in producing or generating power for propelling motor vehicles.

b. Subject to proof of exemption pursuant to section 13 of P.L.2010, c.22 (C.54:39-113), all motor fuel is presumed to be used or consumed on the highways of this State to propel motor vehicles if the fuel is:

(1) removed from a terminal in this State; or

(2) imported into this State other than by a bulk transfer within the terminal transfer system; or

(3) delivered into a consumer’s bulk storage tank from which motor vehicles can be fueled.

11. a. An excise tax at the applicable rate determined pursuant to section 3 of P.L.2010, c.22 (C.54:39-103) is imposed for a calendar year on unaccounted-for fuel losses at a terminal that exceed one-half of one percent of the total number of net gallons removed from the terminal during the calendar year by a system transfer or at a rack. To determine liability for the excise tax, the terminal operator shall determine the terminal loss as the difference between:

(1) the total amount of all fuel in inventory at the applicable terminal at the beginning of the year plus the total amount of all fuel received at the terminal during the year; and
(2) the total amount of all fuel in inventory at the terminal at the end of the year plus the total amount of all fuel removed from the terminal during the year.

b. The terminal operator whose fuel is unaccounted for is liable for the tax imposed by this section. Fuel received by a terminal operator and not shown on a report as having been removed from the terminal is presumed to be unaccounted for if not part of the physical inventory of the terminal. A terminal operator may provide documentation to substantiate otherwise unaccountable losses and at the discretion of the director may be relieved of all or a portion of the tax liability.

c. The tax at the applicable rate determined pursuant to section 3 of P.L.2010, c.22 (C.54:39-103) shall be reported, and the tax shall be due and payable, on or before the 22nd day of the second month following the end of the year.

C.54:39-112 Exemptions from tax.

12. a. Fuel used for the following purposes is exempt from the tax imposed by the "Motor Fuels Tax Act," P.L.2010, c.22 (C.54:39-101 et seq.), and a refund may be claimed by the consumer providing proof the tax has been paid and no refund has been previously issued:

   (1) Autobuses while being operated over the highways of this State in those municipalities to which the operator has paid a monthly franchise tax for the use of the streets therein under the provisions of R.S.48:16-25 and autobuses while being operated over the highways of this State in a regular route bus operation as defined in R.S.48:4-1 and under operating authority conferred pursuant to R.S.48:4-3, or while providing bus service under a contract with the New Jersey Transit Corporation or under a contract with a county for special or rural transportation bus service subject to the jurisdiction of the New Jersey Transit Corporation pursuant to P.L.1979, c.150 (C.27:25-1 et seq.), and autobuses providing commuter bus service which receive or discharge passengers in New Jersey. For the purpose of this paragraph "commuter bus service" means regularly scheduled passenger service provided by motor vehicles whether within or across the geographical boundaries of New Jersey and utilized by passengers using reduced fare, multiple ride or commutation tickets and shall not include charter bus operations for the transportation of enrolled children and adults referred to in subsection c. of R.S.48:4-1 and "regular route service" does not mean a regular route in the nature of special bus operation or a casino bus operation,

   (2) agricultural tractors not operated on a public highway,

   (3) farm machinery,
(4) aircraft,
(5) ambulances,
(6) rural free delivery carriers in the dispatch of their official business,
(7) vehicles that run only on rails or tracks, and such vehicles as run in substitution therefor,
(8) highway motor vehicles that are operated exclusively on private property,
(9) motor boats or motor vessels used exclusively for or in the propagation, planting, preservation and gathering of oysters and clams in the tidal waters of this State,
(10) motor boats or motor vessels used exclusively for commercial fishing,
(11) motor boats or motor vessels, while being used for hire for fishing parties or being used for sightseeing or excursion parties,
(12) cleaning,
(13) fire engines and fire-fighting apparatus,
(14) stationary machinery and vehicles or implements not designed for the use of transporting persons or property on the public highways,
(15) heating and lighting devices,
(16) motor boats or motor vessels used exclusively for Sea Scout training by a duly chartered unit of the Boy Scouts of America,
(17) emergency vehicles used exclusively by volunteer first-aid or rescue squads, and
(18) three cents per gallon, the difference between the rate of tax on diesel fuel and the rate of tax on gasoline, for diesel fuel used by passenger automobiles and motor vehicles of less than 5,000 pounds gross weight.

b. Subject to the procedural requirements and conditions set out in the “Motor Fuels Tax Act,” P.L.2010, c.22 (C.54:39-101 et seq.), the following uses are exempt from the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) on fuel, and a deduction or a refund may be claimed by the supplier, permissive supplier or licensed distributor:
(1) fuel for which proof of export, satisfactory to the director, is available and is either:
   (a) removed by a licensed supplier for immediate export to a state in which the supplier has a valid license;
   (b) removed from a terminal by a licensed exporter for immediate export as evidenced by the terminal issued shipping papers; or
   (c) acquired by a licensed distributor and which the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) has previously been paid or accrued either as a result of being stored outside of the bulk transfer system immedi-
ately prior to loading or as a diversion across state boundaries properly re­
ported in conformity with P.L.2010, c.22 (C.54:39-101 et al.) and was sub­
sequently exported from this State on behalf of the distributor.

The exemption pursuant to subparagraphs (a) and (b) of this paragraph
shall be claimed by a deduction on the report of the supplier which is oth­
erwise responsible for remitting the tax upon removal of the product from a
terminal or refinery in this State. The exemption pursuant to subparagraph
(c) of this paragraph shall be claimed by the distributor, upon a refund ap­
plication made to the director within six months of the licensed distributor’s
acquisition of the fuel;

(2) undyed kerosene sold to a licensed ultimate vendor - blocked
pumps if the licensed ultimate vendor - blocked pumps does not sell the
kerosene through dispensers that have been designed and constructed to
prevent delivery directly from the dispenser into a motor vehicle fuel sup­
ply tank. the ultimate vendor - blocked pumps shall be responsible for the
tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) at the diesel fuel
rate. Exempt use of undyed kerosene shall be governed by rules and regu­
lations of the director. If rules or regulations are not promulgated by the
director, then the exempt use of undyed kerosene shall be governed by rules
and regulations of the Internal Revenue Service. An ultimate ven­
dor-blocked pumps who obtained undyed kerosene upon which the tax lev­
ied by section 3 of P.L.2010, c.22 (C.54:39-103) had been paid and makes
sales qualifying pursuant to this subsection may apply for a refund of the
tax pursuant to an application, as provided by section 14 of P.L.2010, c.22
(C.54:39-114), to the director provided the ultimate vendor-blocked pumps
did not charge that tax to the consumer;

(3) fuel sold to the United States or any agency or instrumentality
thereof, and to the State of New Jersey and its political subdivisions, de­
partments and agencies;
(4) aviation fuel sold to a licensed aviation fuel dealer;
(5) liquefied petroleum gas except when sold by a liquefied petroleum
gas dealer to someone who is not licensed as a liquefied petroleum gas
dealer;
(6) motor fuel on which tax has been paid under this act that is later
contaminated with dyed fuel making it unsuitable for taxable use. This
credit or refund is limited to the remaining portion of taxed fuel in the con­
taminated mixture and is conditioned upon submitting to the director ade­
quate documentation that the contaminated mixture was subsequently used
in an exempt manner;
(7) fuel on which tax has been paid pursuant to P.L.2010, c.22 (C.54:39-101 et al.) that is either subsequently delivered back into the terminal transfer system for further distribution or delivered to a refinery for further processing;

(8) fuel on which tax has been previously imposed and paid pursuant to section 3 of P.L.2010, c.22 (C.54:39-103) and which is either subsequently exported, sold or distributed in this State in a manner which would result in a second tax being owed. If there is a second taxable distribution or sale, the party responsible for remittance of the second tax shall be the party eligible for claiming the refund or deduction.

C.54:39-113 Tax exemption for certain sales; documentation from seller required.

13. The exemption under section 12 of P.L.2010, c.22 (C.54:39-112) for sales of fuel sold for use by the United States or any agency or instrumentality thereof and fuel sold for use by the Government of this State, or of any political subdivision of this State or to any department or agency of any of those governments for official use of those governments in motor vehicles, motor boats, or other implements owned or leased by this State or any political subdivision or agency thereof, or to fuels sold at retail to diplomatic missions and diplomatic personnel under a program administered by the director and predicated upon the United States Department of State, Office of Foreign Missions (or its successor office), national tax exemption program shall be claimed as follows:

a. The seller shall obtain from the purchasing entity a certificate in such form as the director may by regulation prescribe signed by the purchasing entity listed in this section setting forth:
   (1) The name and address of the purchasing entity;
   (2) The quantity of fuel, or if the certificate is for all the fuel purchased by the purchasing entity, the certificate shall be for a period as the director may by regulation prescribe, but not to exceed four years;
   (3) The exempt use of the fuel;
   (4) The name and address of the seller from whom the fuel was purchased;
   (5) The federal employer identification number of the purchasing entity; and
   (6) A statement that the purchasing entity understands that the fraudulent use of the certificate to obtain fuel without paying the tax levied pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall result in the purchaser paying the tax, with penalties and interest, as well as such other penalties provided by P.L.2010, c.22 (C.54:39-101 et al.);
b. The seller, having obtained from the purchasing entity the certificate, which the seller shall retain for a period of not less than four years, shall be eligible for a deduction or to claim a refund of any taxes paid pursuant to P.L.2010, c.22 (C.54:39-101 et al.); and

c. If the sale of fuel to the purchasing entity occurs at a fixed retail pump available to the general public, the seller, having made the sale to the purchasing entity without the tax, may apply for a refund from the director by submitting the application and supporting documentation as the director shall reasonably prescribe. However, if the purchase is charged to a fleet or government fueling credit card, or to an oil company credit card issued to the purchasing entity, the party extending the credit shall be deemed the seller and may bill the purchasing entity without the tax and seek a refund, or use the provisions of this section.

C.54:39-114 Procedure for claiming a refund.

14. a. To claim a refund in accordance with section 12 of P.L.2010, c.22 (C.54:39-112), a person shall present to the director a statement containing a written verification that the claim is made under penalties of perjury and listing the total amount of fuel purchased and used for exempt purposes. A claim shall not be transferred or assigned and shall be filed not more than four years after the date the fuel was imported, removed or sold if the claimant is a supplier, importer, exporter or distributor. If the claim is filed by the consumer, the consumer shall file the claim within six months of the date of purchase. The claim statement shall be supported by the original sales slip, invoice or other documentation as approved by the director and shall include the following information:

(1) Date of sale;
(2) Name and address of purchaser;
(3) Name and address of seller;
(4) Number of gallons purchased and base price per gallon;
(5) Number of gallons purchased and charged New Jersey fuel tax, as a separate item;
(6) Number of gallons purchased and charged sales tax, if applicable, as a separate item; and
(7) Marked “paid” by the seller.

b. If the original sales slip or invoice is lost or destroyed, a statement to that effect shall accompany the claim for refund, and the claim statement shall also set forth the serial number of the invoice. If the director finds the claim is otherwise regular, the director may allow such claim for refund.
c. The director may make any investigation necessary before refunding the fuel tax to a person and may investigate a refund after the refund has been issued and within the period in which a deficiency may be assessed pursuant to R.S. 54:49-6.

d. In the case of a refund payable to a supplier pursuant to section 12 of P.L. 2010, c.22 (C.54:39-112), the supplier may claim a credit in lieu of the refund for a period not to exceed four years from the date the fuel was imported, removed or sold.

e. To establish the validity of claims filed, the claimant shall maintain and preserve for a period of at least four years such fuel consumption records as may be prescribed by the director. The director may require a claimant to furnish such additional proof of the validity of a claim as the director may determine, and may examine the books and records of the claimant for such purpose. Failure of the claimant to maintain and preserve such records, furnish such additional proof or to accede to the demand for such examination by the director shall constitute a waiver of all rights to the claim or claims questioned and such subsequent claims as the director may determine.

f. Motor fuel tax that has been paid more than once with respect to the same gallon of fuel shall be refunded by the director to the person who last paid the tax after the subsequent taxable event upon submitting proof satisfactory to the director.

g. Fuel tax that has otherwise been erroneously paid by a person shall be refunded by the director upon proof shown satisfactory to the director.

h. A refund granted pursuant to section 12 of P.L. 2010, c.22 (C.54:39-112) to a person for fuel used in aircraft, shall be paid from the moneys deposited in the Airport Safety Fund established by section 4 of P.L. 1983, c.264 (C.6:1-92). Those refunds shall be granted on an annual basis.

i. Upon approval by the director of an application, a warrant shall be drawn upon the State Treasurer for the amount of the claim in favor of the claimant and the warrant shall be paid from the tax collected on fuel.

j. If the State or any political subdivision of the State heretofore shall have been reimbursed and repaid for the tax paid on fuel used for operating or propelling motor vehicles, motor boats or other implements, whether owned or leased by the State or any political subdivision of the State, the State or that political subdivision shall be entitled to retain such reimbursement and repayment, and further claim therefor shall not be required.

k. If fuel is sold to a person who claims to be allowed a refund of the tax imposed by the “Motor Fuel Tax Act,” P.L. 2010, c.22 (C.54:39-101 et
CHAPTER 22, LAWS OF 2010

seq.) the seller of that fuel shall furnish the purchaser with an invoice, or invoices, in conformity with the requirements of this section.

15. A person who is required to precollect or pay a tax imposed pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall be personally liable for the tax imposed, precollected or paid. For purposes of assessment and collection, any amount required to be precollected and paid over to the director, and any additions to tax, penalties and interest with respect to that amount, shall be considered the tax of the person required to precollect the tax. A person required to precollect tax shall have the same right in respect to collecting the tax from a purchaser or in respect to non-payment of the tax by the purchaser as if the tax were a part of the purchase price of the fuel and payable at the same time; provided, however, that the director shall be joined as a party in any action or proceeding brought to collect the tax. Any amount of tax actually precollected or paid pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall be held to be a special fund in trust for the director.

A person required to precollect tax who fails to precollect or remit the tax or any part thereof is fully responsible for the unpaid tax. The director may recover any unpaid taxes pursuant to P.L.2010, c.22 (C.54:39-101 et al.) from any party who was under a duty to precollect or pay the tax. That person remains liable for the taxes even if, for whatever reason, the person failed to precollect or pay the taxes due. The liability to precollect and remit tax shall be separate from any duty that the consumer may have pursuant to P.L.2010, c.22 (C.54:39-101 et al.) to pay upon consumption, and the existence of such overlapping duties shall not be a defense for a failure to precollect and remit, although it may give rise to a refund claim in accordance with section 12 of P.L.2010, c.22 (C.54:39-112) if both parties pay the tax.

16. Except as otherwise provided by the “Motor Fuel Tax Act,” P.L.2010, c.22 (C.54:39-101 et seq.), the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) on fuel imported from another state shall be precollected on behalf of the consumers and remitted to the director by the:

a. Importer who has imported the nonexempt fuel. The precollection shall be made and remitted when the tax return is due. If the importer was not subject to a precollection agreement with the supplier or permissive supplier, the precollection shall be remitted in the manner specified by the director; or

b. Importer who has imported the nonexempt fuel which is subject to a precollection agreement with the supplier or permissive supplier. If the
importer is a licensed distributor, the precollection shall be made and remitted to the supplier or permissive supplier no later than two business days prior to the date on which the tax is required to be remitted by the supplier or permissive supplier pursuant to section 19 of P.L. 2010, c.22 (C.54:39-119). The importer shall remit the tax to the supplier or permissive supplier, acting as trustee who shall remit to the director on behalf of the distributor under the same terms as a supplier payment pursuant to section 19 of P.L. 2010, c.22 (C.54:39-119); or

c. Unlicensed importer at the time the fuel is entered into this State. However, if the supplier of the fuel, as shown on the records of the terminal operator, has made a blanket election to precollect tax in accordance with section 18 of P.L. 2010, c.22 (C.54:39-118), then the importer shall remit the tax to the supplier, acting as trustee, who shall remit to the director on behalf of the importer under the same terms as a supplier payment pursuant to section 19 of P.L. 2010, c.22 (C.54:39-119), and no import verification number shall be required.

C.54:39-117 Import verification number required, certain circumstances.

17. An importer that acquires fuel for import by fuel transportation vehicle from a supplier that is not an elective supplier or a permissive supplier, and therefore will not be acting as trustee for the remittance of tax to the State on behalf of the importer, shall first obtain an import verification number from the director before importing the fuel. The importer shall write the import verification number on the shipping document issued for the fuel. The importer shall obtain a separate import verification number for each fuel transportation vehicle delivery of fuel into this State.

C.54:39-118 Elections permitted by certain suppliers.

18. a. A licensed supplier or licensed permissive supplier may make a blanket election with the director to treat all removals of fuel from all of its out-of-State terminals with a destination in this State as shown on the terminal-issued shipping paper as if the removals were removed across the rack by the supplier or permissive supplier from a terminal in this State for all purposes.

b. The election allowed by this section shall be made by filing a "notice of election" with the director, in the form and manner as the director by regulation may prescribe.

C.54:39-117 Import verification number required, certain circumstances.

17. An importer that acquires fuel for import by fuel transportation vehicle from a supplier that is not an elective supplier or a permissive supplier, and therefore will not be acting as trustee for the remittance of tax to the State on behalf of the importer, shall first obtain an import verification number from the director before importing the fuel. The importer shall write the import verification number on the shipping document issued for the fuel. The importer shall obtain a separate import verification number for each fuel transportation vehicle delivery of fuel into this State.
d. The absence of an election by a supplier in accordance with this section shall in no way relieve the supplier of responsibility for remitting the tax imposed by the "Motor Fuel Tax Act," P.L.2010, c.22 (C.54:39-101 et seq.) upon the removal from an out-of-State terminal for import into this State by the supplier.

e. A supplier that makes the election allowed by this section shall precollect the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) on all removals from a qualified terminal on its account as a position holder, or as a person receiving fuel from a position holder pursuant to a terminal bulk transfer, without regard to the license status of the person acquiring the fuel from the supplier, the point or terms of sale, or the character of delivery.

f. Each supplier who elects to precollect the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) agrees to waive any defense that this State lacks jurisdiction to require collection on all out-of-State sales by such person as to which the person had knowledge that the shipments were destined for this State and that this State imposes the requirement pursuant to this subsection under its general police powers to regulate the movement of fuels.

19. a. The tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103), measured by fuel removed from a terminal or refinery in this State, other than a terminal bulk transfer, shall be precollected and remitted on behalf of the consumers to the State by the transporter removing the fuel from the facility through the supplier or permissive supplier of the fuel, as shown in the records of the terminal operator, acting as a trustee.

b. The supplier, permissive supplier and each reseller shall list the amount of tax as a separate line item on all invoices or billings.

c. All tax to be paid by a supplier or permissive supplier with respect to gallons removed on the account of the supplier or permissive supplier during a calendar month shall be due and payable on or before the 22nd day of the following month unless that day falls upon a weekend or State holiday in which case the liability shall be due the next succeeding business day.

d. A supplier or permissive supplier shall remit any late taxes remitted to the supplier or permissive supplier by a licensed distributor and shall notify the director within the twenty business day limit provided by section 24 of P.L.2010, c.22 (C.54:39-124) of any late remittances if that supplier or permissive supplier has previously given notice to the director that the tax amount was not received pursuant to section 24 of P.L.2010, c.22 (C.54:39-124).
e. The remittance of all amounts of tax due shall be paid on the basis of the amount invoiced.

C.54:39-120 Liability for tax by terminal operator; exemptions.

20. a. The operator of a terminal in this State is jointly and severally liable for the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) and shall remit payment to this State at the same time and on the same basis as a supplier in accordance with section 19 of P.L.2010, c.22 (C.54:39-119) upon:

(1) The removal of fuel from the terminal on account of any supplier who is not licensed in this State; or
(2) The removal of motor fuel that is not dyed and marked in accordance with Internal Revenue Service requirements, if the terminal operator provides any person with any bill of lading, shipping paper, or similar document indicating that the motor fuel is dyed and marked in accordance with Internal Revenue Service requirements.

b. However, the terminal operator shall be relieved of liability for a removal of fuel from the terminal on account of a supplier who is not licensed in this State if the terminal operator establishes all of the following:

(1) the terminal operator has a valid terminal operator's license issued for the facility from which the fuel is withdrawn;
(2) the terminal operator has a copy of a valid license from the supplier as required by the director; and
(3) The terminal operator has no reason to believe that any information is false.

C.54:39-121 Election as to timing of remittance by licensed distributor.

21. A licensed distributor who removes fuel from a terminal or refinery operated by a supplier or permissive supplier and who remits the tax through the supplier or permissive supplier, acting as a trustee, may make an election as to the timing of the remittance. At the election of a licensed distributor, which notice shall be evidenced by a written statement from the director as to the purchaser's eligibility status as determined pursuant to section 22 of P.L.2010, c.22 (C.54:39-122), the supplier or permissive supplier shall not require a payment of motor fuel tax on fuel transportation vehicle loads from the licensed distributor sooner than two business days prior to the date on which the tax is required to be remitted by the supplier pursuant to section 19 of P.L.2010, c.22 (C.54:39-119). This election shall be subject to a condition that the remittances by the licensed distributor of tax due the supplier or permissive supplier shall be paid by electronic funds transfer.
Evidence presented by purchaser.

22. a. A purchaser desiring to make an election under section 21 of P.L.2010, c.22 (C.54:39-121) shall present evidence to the director that:

   (1) The applicant was a licensee in good standing under R.S.54:39-1 et seq. as to which the applicant remitted tax to the director; or

   (2) The applicant meets the financial responsibility and bonding requirements imposed by P.L.2010, c.22 (C.54:39-101 et al.), which bond shall conform to the specific requirements of this section.

b. The director shall require a purchaser who pays the tax to a supplier to file with the director a surety bond payable to the State, upon which the purchaser is the obligor, or other financial security, in an amount satisfactory to the director, calculated based on three times the potential monthly tax payments for gasoline and diesel fuel separately. The director shall require that the bond indemnify the director against the tax credits claimed by the suppliers pursuant to section 23 of P.L.2010, c.22 (C.54:39-123).

c. A purchaser desiring to make an election in accordance with section 21 of P.L.2010, c.22 (C.54:39-121) shall not be subject to the provisions of subsection b. of this section if the purchaser holds a valid distributor's license and meets the bonding requirements according to the law on the day prior to October 1, 2010. On and after October 1, 2010 each purchaser holding a valid distributor's license issued prior to October 1, 2010, may elect to become an eligible purchaser. An eligible purchaser shall have the option to provide bonding as provided for distributors in section 34 of P.L.2010, c.22 (C.54:39-134).

d. The director may rescind a purchaser's eligibility and election to defer fuel tax remittances for the purchaser's failure to make timely tax-deferred payment of tax to a supplier pursuant to section 21 of P.L.2010, c.22 (C.54:39-121), by sending written notice to all suppliers and publishing notice of the revocation on the website of the Division of Taxation in the Department of the Treasury. As a condition of restoring a purchaser's eligibility, the director may require further assurance of the financial responsibility of the purchaser, including an increase in the amount of the bond or any other action that the director may reasonably require to ensure remittance of the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.). The refusal of an application or the cancellation of eligibility shall be an action of the director subject to review pursuant to R.S.54:51A-14; provided however that, notwithstanding any other provision of law to the contrary, appeal shall not act as a stay.

e. The director shall publish a list of licensed distributors and make it available to all suppliers on at least a quarterly basis. The director may, at
the director's discretion, provide more timely publication via the website of the Division of Taxation in the Department of the Treasury.

C.54:39-123 Fiduciary duty of supplier to remit tax.

23. A supplier has a fiduciary duty to remit to the director the amount of tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) paid to the supplier, in its role as a trustee, by any purchaser, importer, exporter or licensed distributor. In computing the amount of tax due, the supplier shall be allowed a credit against the tax payable in the amount of tax paid by the supplier that was accrued and remitted to a state, but not received from a licensed distributor. The director may recover any unpaid tax directly from the licensed distributor.

C.54:39-124 Eligibility of supplier for credit.

24. For a supplier to be eligible for the credit provided by section 23 of P.L.2010, c.22 (C.54:39-123) the supplier shall provide notice to the director of a failure to collect the tax within 20 business days following the earliest date on which the supplier was entitled to collect the tax from the licensed distributor pursuant to section 21 of P.L.2010, c.22 (C.54:39-121).

A supplier shall supply with the claim for credit such information as the director may prescribe by regulation. The claim for credit shall identify the defaulting licensed distributor and any tax liability that remains unpaid. The credit of the supplier shall be limited to the amount due from the purchaser, plus any tax that accrues from that purchaser from the period from the date of the failure to pay to the date of notification to the director, not to exceed 20 days. Additional credit shall not be allowed to a supplier pursuant to this section with respect to that purchaser until the director has notified the supplier that the purchaser's eligibility to make deferrals in accordance with section 22 of P.L.2010, c.22 (C.54:39-122) has been restored.

25. If required by the director, all suppliers and other persons required to pay tax pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall remit tax by electronic fund transfer. The transfer shall be made on or before the date the tax is due.

C.54:39-126 Liability for tax upon delivery; exemptions.

26. a. If the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) is not otherwise precollected, the consumer shall be liable, unless the consumer is otherwise exempt pursuant to section 12 of P.L.2010, c.22
(C.54:39-112), for the tax upon the delivery into a motor vehicle fuel supply tank for the use of motor fuel on the highways including, but not limited to:
   (1) Any dyed fuel; or
   (2) Any motor fuel on which a claim for refund has been made.

b. A retail dealer, an aviation fuel dealer or liquefied petroleum gas dealer that sells fuel shall be jointly and severally liable for the tax precollected pursuant to subsection a. of this section if the retail dealer, aviation fuel dealer or liquefied petroleum gas dealer knows or has reason to know that the fuel, as to which tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) has not been paid, is or will be consumed in a nonexempt use.

27. a. A licensee shall, upon the discontinuance, sale, or transfer of the business or upon the cancellation, revocation or termination by law of a license pursuant to section 35 of P.L.2010, c.22 (C.54:39-135), or as otherwise provided, within thirty days, make a report as required pursuant to P.L.2010, c.22 (C.54:39-101 et al.) marked "Final Report," and shall pay all taxes, penalties and interest that may be due the State except as may otherwise be provided by law.

   b. The final report required by this section shall be accompanied by payment of the liability of the final month.

C.54:39-128 Application for license; fee, term.
28. a. An applicant for a license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall apply in the form and manner as the director shall prescribe by regulation. The application shall be subscribed to by the applicant and shall provide such information as the director may require, including the applicant's federal identification number.

   b. A license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.) shall be issued for a three-year period, or the unexpired portion thereof, commencing on April 1 and ending on the third succeeding March 31 and shall be void thereafter, and that license may be suspended, revoked or cancelled by the director. A license fee of $450 shall be paid for the issuance of that license.

   c. The director shall investigate each applicant for a license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.). A license shall not be issued if the director determines that any one of the following conditions exists:
      (1) The application is not filed in good faith;
      (2) The applicant is not the real party in interest;
      (3) The license of the real party in interest has been revoked for cause;
(4) The applicant managed, operated, owned or controlled, directly or indirectly, a business which held a license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.) which business is indebted to this State for any tax, penalties or interest accruing hereunder;

(5) The applicant is managed, operated or controlled, directly or indirectly, by a person who held a license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.) who is indebted to this State for any tax, penalties, or interest accruing hereunder;

(6) The applicant is managed, operated, owned, or controlled, directly or indirectly, by a person who managed, operated, owned or controlled, directly or indirectly, a business that held a license issued pursuant to P.L.2010, c.22 (C.54:39-101 et al.) and which is indebted to this State for any tax, penalties, or interest accruing hereunder;

(7) Any good cause as the director may determine; or

(8) With respect to a distributor's license, the applicant intending to export is not licensed in the intended specific state or states of destination.

d. A person shall not be entitled to hold a license if it shall appear to the director that an officer, director or employee of that person has been convicted of violating any of the provisions of P.L.2010, c.22 (C.54:39-101 et al.) or of R.S.54:39-1 et seq. or if a license issued pursuant to the provisions of P.L.2010, c.22 (C.54:39-101 et al.) or of R.S.54:39-1 et seq. and held by an officer, director or employee of that person has been revoked by the director for cause.

e. Applicants, including corporate officers, partners, and individuals, for a license issued by the director may be required to submit their fingerprints to the director at the time of application. Officers of a "publicly traded corporation," as that term is defined by section 39 of P.L.1977, c.110 (C.5:12-39), and its subsidiaries shall be exempt from this fingerprinting requirement. Persons, other than applicants for a distributor's license, who possessed licenses issued pursuant to R.S.54:39-1 et seq. continuously for three years prior to October 1, 2010, shall also be exempt from this provision. Fingerprints required by this section shall be submitted on forms prescribed by the director. The director may forward to the Federal Bureau of Investigation or any other agency for processing all fingerprints submitted by license applicants. The receiving agency shall issue its findings to the director. The director or another State agency may maintain a file of fingerprints.

29. a. In lieu of any of the bonds required by P.L.2010, c.22 (C.54:39-101 et al.), a licensee may deposit with the director cash, a certificate of
deposit or an irrevocable letter of credit. If the applicant files a bond or letter of credit it shall:

(1) Be with a surety company or bank approved by the director which may be an affiliate in the business of assuring such obligations;

(2) Name the applicant as the principal obligor and the State as the obligee; and

(3) Be on forms prescribed by the director.

b. The director may, at the discretion of the director, require a licensee or an applicant to furnish current verified financial statements. The director may make independent inquiry into the financial condition of the applicant and, in any case, shall not be required to accept as accurate financial statements which have not been certified or independently audited. If the director determines that the financial condition of a licensee warrants an increase in the bond, the director may require the licensee to furnish an increased bond.

c. The director may require a licensee to file a new bond with a satisfactory surety in the same form and amount if:

(1) Liability upon the previous bond is discharged or reduced by a judgment rendered, payment made, or otherwise disposed of; or

(2) In the opinion of the director, any surety on the previous bond becomes unsatisfactory. If the new bond is unsatisfactory, the director shall cancel the license. If the new bond is satisfactorily furnished, the director shall release in writing the surety on the previous bond from any liability accruing after the effective date of the new bond.

d. If a licensee has cash, a certificate of deposit or a letter of credit with the director and it is reduced by a judgment rendered, payment made, or otherwise disposed of, the director may require the licensee to make a new deposit equal to the amount of the reduction.

e. If the director determines that the amount of the existing bond is insufficient to ensure payment to the State of the tax, fee, and any penalty and interest for which a licensee is or may become liable, the licensee shall, upon written demand of the director, file a new or increased bond. The director shall allow the licensee at least 30 days to secure the increased bond or cash deposit.

f. A new or increased bond shall meet the requirements set forth in P.L.2010, c.22 (C.54:39-101 et al.); if the new or increased bond required pursuant to this section is unsatisfactory, the director shall cancel the license.

g. Sixty days after making a written request for release to the director, the surety of a bond furnished by a licensee shall be released from any liability to the State accruing on the bond after the 60-day period. The release shall not affect any liability accruing before the expiration of the sixty-day period.
h. The director shall promptly notify the licensee furnishing the bond that a release has been requested. Unless the licensee obtains a new bond that meets the requirements of P.L.2010, c.22 (C.54:39-101 et al.) and files with the director the new bond within the sixty-day period, the director shall cancel the license.

i. Sixty days after the licensee makes a written request for release to the director, the cash deposit, letter of credit or certificate of deposit provided by a licensee shall be cancelled as security for any obligation accruing after the expiration of the sixty-day period. However, the director may retain all or part of the bond for up to three years and one day as security for any obligations accruing before the effective date of the cancellation. Any part not retained by the director shall be released to the licensee. Before the expiration of the 60-day period, the licensee shall provide the director with a bond that satisfies the requirements of P.L.2010, c.22 (C.54:39-101 et al.) or the director shall cancel the license.

C.54:39-130 Supplier's license, permissive supplier's license, posting of bond.

30. a. Before becoming a position holder in a terminal in this State or engaging in a terminal bulk transfer a person shall first obtain a supplier's license. A valid supplier's license allows the holder of the license to engage in all other activities without having to obtain any other license.

b. A person who desires to precollect the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) as a supplier and who meets the definition of a permissive supplier may obtain a permissive supplier's license. Application for or possession of a permissive supplier's license shall not in itself subject the applicant or licensee to the jurisdiction of this State for any other purpose than administration and enforcement of P.L.2010, c.22 (C.54:39-101 et al.).

c. A supplier or a permissive supplier shall be required to post a bond of not less than three months' potential tax liability based on the number of taxable gallons handled as estimated by the director, but in no event shall the bond be less than $25,000 or more than $2,000,000. An applicant who is a "publicly traded corporation," as that term is defined by section 39 of P.L.1977, c.110 (C.5:12-39) and has assets within the State having a book value of $5 million or more may, at the discretion of the director, be exempted from having to post a bond under this section.

d. For the purpose of determining the amount of precollected tax due, a supplier shall file with the director, on forms prescribed and furnished by the director, a verified statement. The director may require the reporting of any information necessary to determine the amount of precollected tax due.
CHAPTER 22, LAWS OF 2010

... CHAPTER 22, LAWS OF 2010

e. The director may require each licensed supplier or licensed permissive supplier to separately disclose and identify, in a written statement to the director with the supplier or permissive supplier report, any removal and sale from the terminal transfer system in another state by that supplier to a person, other than a licensed supplier, permissive supplier or distributor, of gallons of fuel, other than dyed fuel, and which gallons are destined for this State, as shown by the terminal-issued shipping paper, and as to which gallons the tax imposed by P.L.2010, c.22 (C.54:39-101 et al.) has not been collected or accrued by the supplier upon the removal.

f. The reports required by this section shall be filed on or before the 22nd day of the current month with respect to information for the preceding calendar month.

C.54:39-131 Terminal operator’s license.

31. a. A person, other than a supplier licensed under section 30 of P.L.2010, c.22 (C.54:39-130), engaged in business in this State as a terminal operator shall first obtain a terminal operator’s license for each terminal site in this State.

b. A terminal operator shall be required to post a bond of not less than three months' potential tax liability based on the number of gallons handled as estimated by the director.

c. A person operating a terminal in this State shall file with the director by the 25th day of the next month a sworn statement of operations within this State for each of the operator’s terminals within this State, including information as the director may prescribe, on forms prescribed and furnished by the director.

d. For purposes of reporting and determining tax liability under P.L.2010, c.22 (C.54:39-101 et al.), a licensee shall maintain inventory records as the director by regulation shall require.

32. Every railway or railroad company, water transportation company, and every person transporting fuels in bulk, between points within the State, and every railway or railroad company, water transportation company, and every person transporting fuel in bulk to a point outside the State from any point within the State, or to a point within the State from a point outside of the State, shall, (at any time, and from time to time, upon written request of the director) report, in a manner prescribed by the director, all deliveries of fuel in bulk so made to points within or without the State.
CHAPTER 22, LAWS OF 2010

C.54:39-133 Distributor's license.

33. a. A person other than a supplier desiring to export fuel to a destination outside of this State shall first obtain a distributor's license. Issuance of a distributor's license shall be conditioned upon the applicant holding an appropriate license to import the fuel into the destination state or states.

b. A person desiring to deliver dyed fuel or undyed fuel into this State on the person's own behalf, for the person's own account, or for resale to a purchaser in this State, from another state in a fuel transportation vehicle or in a pipeline or barge shipment into storage facilities other than a qualified terminal, shall first make application for and obtain a distributor's license.

c. A person desiring to import fuel to a destination in this State from another state, and who has not entered into an agreement to remit the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103) to the supplier or permissive supplier as trustee with respect to the imports shall do the following:

(1) apply for and obtain a distributor's license; and
(2) comply with the payment requirements of section 12 of P.L.2010, c.22 (C.54:39-112).

d. A person blending any motor fuel for sale shall apply for and obtain a distributor's license.

e. A distributor's license is a prerequisite to making the election permitted in section 21 of P.L.2010, c.22 (C.54:39-121).

C.54:39-134 Bond posted by distributor.

34. A distributor shall post a bond of not less than three months' total liability for the tax imposed by section 3 of P.L.2010, c.22 (C.54:39-103), based on the number of gallons handled as estimated by the director for gasoline and diesel fuel separately. The tax on fuel exported from this State by a licensed distributor shall not be considered part of potential liability for calculation of the bond required of a distributor's licensee.

35. a. If the license applicant and bond are approved, the director shall issue a license for the applicant's principal place of business and the applicant shall make copies for each other business location.

b. A license is valid until suspended, revoked for cause, cancelled or the license expires.

c. A license is not transferable to another person or to another place of business. For purposes of this section, a transfer of a majority interest in a business association, including corporations, partnerships, trusts, joint ven-
tures and any other business association, shall be deemed to be a transfer of any license held by the business association to another person. Any change in ownership of a business association, other than a "publicly traded corporation," as that term is defined by section 39 of P.L.1977, c.110 (C.5:12-39), shall be reported to the director.

d. A license shall be preserved and conspicuously displayed at the principal place of business for which it is issued.

f. Upon the discontinuance, sale, transfer or change of ownership of the business, the license shall be immediately surrendered to the director. Any relocation of the business shall be immediately reported to the director.

g. If a person licensed to do business pursuant to P.L.2010, c.22 (C.54:39-101 et al.) discontinues, sells, or transfers the business, the licensee shall immediately notify the director in writing of the discontinuance, sale, or transfer. The notice shall give the date of discontinuance, sale, or transfer and if the business is sold or transferred, the name and address of the purchaser or transferee. The licensee shall be liable for all taxes, interest, and penalties that accrue or may be owing and any criminal liability for misuse of the license that occurs prior to cancellation of the license.

h. The director shall publish without charge a list of updates of all licensees, by category.

i. A licensee shall maintain and keep for a period of four years records of all transactions by which fuel is received, used, sold, delivered, or otherwise disposed of, together with invoices, bills of lading, and other pertinent records and papers as may be required by the director for reasonable administration of P.L.2010, c.22 (C.54:39-101 et al.).

C.54:39-136 Suspension, revocation of license.

36. a. Upon receipt of a written request from the holder of any license issued pursuant to the provisions of P.L.2010, c.22 (C.54:39-101 et al.), the director may cancel a license effective as soon thereafter as it has been determined that all tax, fines, penalties and interest properly owing to the State have been paid. If the director finds that a person to whom a license has been issued is no longer engaged
in the business for which the license was issued, the director may cancel that license by providing reasonable notice of the intent to cancel by mail to the last known address of such person. If a license is cancelled, the license certificate previously issued shall be surrendered to the director.

c. A person shall not engage in any business activity in this State for which a license is required by P.L.2010, c.22 (C.54:39-101 et al.) unless the person first obtains the license. A person who negligently violates this section is subject to a civil penalty in the amount of $1,000.

d. A supplier, permissive supplier, or distributor who knowingly fails to precollect or timely remit tax otherwise required to be paid over to the director pursuant to P.L.2010, c.22 (C.54:39-101 et al.), or pursuant to a tax precollection agreement pursuant to P.L.2010, c.22 (C.54:39-101 et al.), shall be liable for the uncollected tax plus any penalties determined pursuant to R.S.54:49-4.

2. The date the fuel was removed;
3. The amount of fuel removed, gross gallons and net gallons;
(4) The state of destination as represented to the terminal operator or refiner by the transporter, the shipper or the agent of the shipper. A refinery or terminal operator may load fuel if a portion of the fuel is destined for sale or use in this State and a portion of the fuel is destined for sale or use in another state or states. However, such split loads removed shall be documented by the terminal operator or refiner by issuing shipping papers designating the state of destination for each portion of the fuel;

(5) The supplier, consignee and transporter of the fuel; and

(6) Any other information required by the director for the enforcement of P.L.2010, c.22 (C.54:39-101 et al.).

c. No terminal operator or refiner shall imprint, and no supplier shall knowingly permit a terminal operator to imprint on behalf of the supplier, any false statement on a shipping paper relating to fuel to be delivered to this State or to a state having substantially the same shipping paper requirements with respect to the supplier of the fuel, whether or not it was dyed for the intended destination.

d. A terminal operator or refiner who shall knowingly imprint any false statement in violation of this section shall be jointly and severally liable for all the taxes imposed by P.L.2010, c.22 (C.54:39-101 et al.) which are not otherwise collected by this State as a result of that action.

c. The operator of a fuel retail outlet, bulk plant or bulk end user bulk storage facility shall receive, examine, and retain for a period of 30 days at the delivery location the terminal-issued shipping document received from the transporter for every shipment of fuel that is delivered to that location with record retention of the shipping paper of three years required off-site. If the delivery location is an unattended location, the operator may retain the shipping documents at the normal billing address of the operator.

d. A retail dealer, liquefied petroleum gas dealer, aviation fuel dealer, bulk plant operator, wholesale distributor or bulk end user shall not knowingly accept delivery of fuel into bulk storage facilities in this State if that delivery is not accompanied by a shipping paper issued by the terminal operator, or bulk plant operator as provided by regulations, that sets out on its face this State as the state of destination of the fuel.

The shipper, importer, transporter, agent of the shipper and any purchaser, not the supplier or terminal operator, shall be jointly liable for any tax otherwise due to the State as a result of a diversion of the fuel from the represented destination state. A terminal operator may rely on the representation of a licensed supplier with respect to the obligation of the supplier to precollect tax and the related shipping paper representation to be as shown on the shipping paper as provided by subsection a. of section 38 of P.L.2010, c.22 (C.54:39-138).

AN ACT concerning motor vehicle inspections and amending chapter 8 of Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:8-1 is amended to read as follows:

Motor vehicle inspections, exceptions.

39:8-1. a. Every motor vehicle registered in this State which is used over any public road, street, or highway or any public or quasi-public property in this State, and every vehicle subject to enhanced inspection and maintenance programs pursuant to 40 C.F.R. s.51.356, except motorcycles, historic motor vehicles registered as such, collector motor vehicles designated as such pursuant to this subsection, and those vehicles over 8,500 pounds gross weight that are under the inspection jurisdiction of the commission pursuant to Titles 27 and 48 of the Revised Statutes, shall be inspected by designated inspectors or at official inspection facilities to be designated by the commission or at licensed private inspection facilities. Passenger automobiles registered in accordance with R.S.39:3-4 or R.S.39:3-27 and noncommercial trucks registered in accordance with section 2 of P.L.1968, c.439 (C.39:3-8.1) or R.S.39:3-27 inspected pursuant to this section shall only be inspected for emissions and emission-related items such as emission control equipment and on-board diagnostics. The commission shall adopt rules and regulations establishing a procedure for the designation of motor vehicles as collector motor vehicles, which designation shall include consideration by the commission of one or more of the following factors: the age of the vehicle, the number of such vehicles originally manufactured, the number of such vehicles that are currently in use, the total number of miles the vehicle has been driven, the number of miles the vehicle has been driven during the previous year or other period of time determined by the commission, and whether the vehicle has a collector classification for insurance purposes.

b. The commission shall determine the official inspection facility or private inspection facility at which a motor vehicle, depending upon its characteristics, shall be inspected. The commission, with the concurrence of the Department of Environmental Protection, may exclude by regulation
from this inspection requirement any category of motor vehicle if good cause for such exclusion exists, unless the exclusion is likely to prevent this State from meeting the applicable performance standard established by the United States Environmental Protection Agency. The commission may determine that a vehicle is in compliance with the inspection requirements of this section if the vehicle has been inspected and passed under a similar inspection program of another state, district, or territory of the United States.

2. R.S.39:8-2 is amended to read as follows.

Inspectors of motor vehicles; rules, regulations.

39:8-2. a. The commission may designate and appoint, subject to existing laws, competent inspectors of motor vehicles to conduct examinations, other than the periodic inspections required pursuant to subsection b. of this section, of motor vehicles required to be inspected in accordance with the provisions of this chapter. The inspectors may be delegated to enforce the provisions of the motor vehicle and traffic law.

b. (1) The commission shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations consistent with P.L.1966, c.16 (C.26:2C-8.1 et seq.) and with the requirements of the federal Clean Air Act with respect to the type and character of the inspections to be made, the facility at which the vehicle shall be inspected, the frequency of inspections of motor vehicles and the approval or rejection of motor vehicles as a result of these inspections. These rules and regulations shall require the use of inspection tests that are designed to meet the enhanced inspection and maintenance requirements of the federal Clean Air Act and that have been proven to be feasible and effective for the inspection of large numbers of motor vehicles, except that these tests shall not include the "I/M 240" test. Nothing in this subsection shall preclude the use of the "I/M 240" test in sampling for performance evaluations only or the use of the test at the option of a private inspection facility. The rules and regulations may distinguish between vehicles based on model year, type, or other vehicle characteristics in order to facilitate inspections or to comply with the federal Clean Air Act.

(2) The Department of Environmental Protection and the commission shall investigate advanced testing technologies, including but not limited to remote sensing and onboard diagnostics, and shall, to the extent permitted by law, pursue the use of such technologies, other than the "I/M 240" test, in motor vehicle emission inspections required by the United States Environmental Protection Agency pursuant to the federal Clean Air Act. The
commission shall adopt, to the extent practicable, advanced technologies to facilitate the retrieval of testing and other information concerning motor vehicles, which technologies shall include but not be limited to the use of computer bar codes and personal cards containing encoded information, such as a person's operating license, motor vehicle registration, and motor vehicle insurance, the inspection status of a motor vehicle, and mass transit fares, that can be accessed quickly by a computer.

c. Except as modified by the commission to distribute evenly the volume of inspections, all motor vehicles required by the commission, in accordance with the provisions of R.S.39:8-1, to be inspected under this chapter shall be inspected biennially, except that:

(i) after certification by the commission of the federal approval by the Environmental Protection Agency of the State waiver request, model year 2006 and newer motor vehicles shall be inspected no later than five years from the last day of the month in which they were initially registered and thereafter biennially and a decal affixed thereto shall so indicate. Motor vehicles five model years old or newer, purchased in a foreign jurisdiction, and to be registered in this State, shall be subject to inspection not later than five years from the last day of the last calendar month of the model year of the vehicle, and thereafter, inspected biennially and a decal affixed thereto shall so indicate. Whenever a used motor vehicle five model years old or newer is purchased in this or any other state which has affixed thereto an unexpired decal issued pursuant to this paragraph or an unexpired New Jersey inspection certificate of approval and is initially registered by the purchaser in this State, the unexpired decal or unexpired New Jersey inspection certificate of approval displayed on the windshield shall be valid for the remaining time indicated thereon. Upon expiration of the decal or inspection certificate of approval, such vehicle shall be subject to inspection and inspected biennially thereafter; and

(ii) classes of vehicles that require more frequent inspections, such as school buses, shall be inspected at such shorter intervals as may be established by the commission after consultation with the Department of Environmental Protection. At any time, the commission may require the owner, lessee, or operator of a motor vehicle to submit the vehicle for inspection.

d. The commission shall furnish to designated inspectors or to other persons authorized to conduct inspections official certificates of approval and rejection stickers, the form, content and use of which it shall establish. The certificates of approval and rejection stickers shall be of a type, such as a windshield sticker or license plate decal, that can be attached to the vehicle or license plate in a location that is readily visible to anyone viewing the
vehicle. If a certificate of approval cannot be issued, the driver shall be provided with a written inspection report describing the reasons for rejection and, if appropriate, the repairs needed or likely to be needed to bring the vehicle into compliance with applicable standards.

e. The commission may, with the approval of the State House Commission, purchase, lease or acquire by the exercise of the power of eminent domain any property for the purpose of assisting it in carrying out the provisions of this chapter. This property may also be used by the commission for the exercise of the duties and powers conferred upon it by the other chapters of this Title.

f. For the purpose of implementing the motor vehicle inspection requirements of the federal Clean Air Act and subject to the approval of the Attorney General, the State Treasurer, prior to January 1, 1997, may:

(1) Purchase, lease or acquire by eminent domain any property for vehicle inspection purposes. Any other provision of law to the contrary notwithstanding, no further approval shall be required for transactions authorized by this paragraph, except that a proposed purchase, lease or acquisition by eminent domain shall require the approval of the Joint Budget Oversight Committee, and shall be submitted to the Joint Budget Oversight Committee, which shall review the proposed purchase, lease or acquisition by eminent domain within 15 business days; and

(2) Sell or lease, or grant an easement in, any property acquired, held or used for vehicle inspection purposes or any other suitable property held by the State that is not currently in use or dedicated to another purpose. For the purpose of this paragraph and notwithstanding any provision of R.S. 52:20-1 et seq. to the contrary, the sale or lease of, or the granting of an easement in, real property owned by the State shall be subject to the approval of the State House Commission, which shall meet at the call of the Governor to act on a proposed sale or lease or grant of an easement pursuant to this paragraph. A member of the State House Commission may permit a representative to act on that member's behalf in considering and voting on a sale or lease or grant of an easement pursuant to this paragraph. Any other provision of law to the contrary notwithstanding, any moneys derived from a sale, lease or granting of an easement by the State pursuant to this paragraph shall not be expended unless approved by the Joint Budget Oversight Committee for the purpose of purchasing, leasing or acquiring property pursuant to paragraph (1) of this subsection, except that any moneys derived therefrom and not approved for that purpose shall be appropriated to the Department of Transportation to provide for mass transit improvements.
g. The commission shall conduct roadside examinations of motor vehicles required to be inspected, using such inspection equipment and procedures, and standards established pursuant to section 1 of P.L.1966, c.16 (C.26:2C-8.1), including, but not limited to, remote sensing technology, as the commission shall deem appropriate to provide for the monitoring of motor vehicles pursuant to this subsection. At least 20,000 vehicles or 0.5 percent of the total number of motor vehicles required to be inspected under this chapter, whichever is less, shall be inspected during each inspection cycle by roadside examination teams under the supervision of the commission. The commission may require any vehicle failing a roadside examination to be inspected at an official inspection facility or a private inspection facility within a time period fixed by the commission. Failure to appear and pass inspection within the time period fixed by the commission shall result in registration suspension in addition to any other penalties provided in this Title. The commission shall conduct an aggressive roadside inspection program to ensure that all motor vehicles that are required to be inspected in this State are in compliance with State law.

h. The commission, and, when appropriate, the Department of Environmental Protection, shall conduct inspections and audits of licensed private inspection facilities, official inspection facilities and designated inspectors to ensure accurate test equipment calibration and use, and compliance with proper inspection procedures and with the provisions of P.L.1995, c.112 (C.39:8-41 et al.) and any regulations adopted pursuant thereto by the commission or by the Department of Environmental Protection. These inspections and audits shall be conducted at such times and in such manner as the commission, upon consultation with the Department of Environmental Protection, shall determine in order to provide quality assurance in the performance of the inspection and maintenance program.

i. (1) The commission shall make a charge of $2.50 for the initial inspection for each vehicle subject to inspection, which amount shall be paid to the commission or its representative when payment of the registration fees fixed in chapter 3 of this Title is made which inspection charge shall be considered a service charge and shall be subject to the calculation of proportional revenue remitted to the commission pursuant to section 105 of P.L.2003, c.13 (C.39:2A-36); provided however, that on and after January 1, 1999, a school bus as defined pursuant to section 3 of P.L.1999, c.5 (C.39:3B-20) and having a registration period commencing on or after January 1, 1999, shall be subject to an inspection fee for each in-terminal or in-lieu-of terminal inspection in accordance with the following schedule:

| School Bus Specification Inspection | $50 per bus |
School Bus Inspection  $25 per bus

subject to the conditions set forth below

The specification inspection is required when a school bus is put into service in New Jersey, whether a new bus or a bus from another state. The specification inspection is conducted to ensure that the school bus meets New Jersey specification standards. The school bus inspection fees shall be charged to the operator for each in-terminal or in-lieu-of terminal inspection. School Vehicle Type I and School Vehicle Type II buses shall be inspected semiannually. Retired school buses shall be inspected annually. No school bus inspection fee shall be charged for any reinspection conducted by the commission if the reinspection is conducted on the same day as the inspection that necessitated the reinspection. If an additional trip is required by the commission’s inspectors, a fee of $25 per bus shall be charged. School bus inspection fees shall be paid to the commission or the commission’s designee subject to the terms and conditions prescribed by the commission and not subject to the calculation of proportional revenue remitted to the commission pursuant to section 105 of P.L.2003, c.13 (C.39:2A-36). Any law or rule or regulation adopted pursuant thereto to the contrary notwithstanding, a registration fee authorized pursuant to chapter 3 of Title 39 of the Revised Statutes shall not be increased for the purpose of paying any costs associated in any manner with the establishment, implementation or operation of the motor vehicle inspection and maintenance program established pursuant to P.L.1995, c.112 (C.39:8-41 et al.).

(2) The commission shall establish by regulation a fee to cover the costs of inspecting any vehicle that is required, or has the option, under federal law to be inspected in this State but is registered in another state or is owned or leased by the federal government. In determining these costs, the commission shall include all capital and direct and indirect operating costs associated with the inspection of these vehicles including, but not limited to, the costs of the actual inspection, the creation and maintenance of the vehicle inspection record, administrative, oversight and quality assurance costs and the costs associated with reporting inspection information to the owner, the federal government and agencies of other states. All fees collected pursuant to this subsection shall be paid to the State Treasurer and deposited in the "Motor Vehicle Inspection Fund" established pursuant to subsection j. of this section.

j. There is established in the General Fund a special dedicated, non-lapsing fund to be known as the "Motor Vehicle Inspection Fund," which
shall be administered by the State Treasurer. The State Treasurer shall de­

CHAPTER 30

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:44-1 is amended to read as follows:

Criteria for withholding or imposing sentence of imprisonment.

2C:44-1. a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court shall consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not it was committed in an especially heinous, cruel, or depraved manner;

(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another offense;
(4) A lesser sentence will depreciate the seriousness of the defendant's offense because it involved a breach of the public trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;

(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant's prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority; the defendant committed the offense because of the status of the victim as a public servant; or the defendant committed the offense against a sports official, athletic coach or manager, acting in or immediately following the performance of his duties or because of the person's status as a sports official, coach or manager;

(9) The need for deterring the defendant and others from violating the law;

(10) The offense involved fraudulent or deceptive practices committed against any department or division of State government;

(11) The imposition of a fine, penalty or order of restitution without also imposing a term of imprisonment would be perceived by the defendant or others merely as part of the cost of doing business, or as an acceptable contingent business or operating expense associated with the initial decision to resort to unlawful practices;

(12) The defendant committed the offense against a person who he knew or should have known was 60 years of age or older, or disabled; and

(13) The defendant, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a stolen motor vehicle.

b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant's conduct neither caused nor threatened serious harm;

(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;

(3) The defendant acted under a strong provocation;
(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;

(5) The victim of the defendant's conduct induced or facilitated its commission;

(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;

(8) The defendant's conduct was the result of circumstances unlikely to recur;

(9) The character and attitude of the defendant indicate that he is unlikely to commit another offense;

(10) The defendant is particularly likely to respond affirmatively to probationary treatment;

(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;

(12) The willingness of the defendant to cooperate with law enforcement authorities;

(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.

(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

d. Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree, or a crime of the third degree where the court finds that the aggravating factor in paragraph (5) of subsection a. applies, by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others. Notwithstanding the provisions of subsection e. of this section, the court shall deal with a person who has been convicted of theft of a motor vehicle or of the unlawful taking of a motor vehicle and who has previously been convicted of either offense by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his im-
prisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than a crime of the first or second degree, who has not previously been convicted of an offense, without imposing a sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character and condition of the defendant, it is of the opinion that his imprisonment is necessary for the protection of the public under the criteria set forth in subsection a., except that this subsection shall not apply if the court finds that the aggravating factor in paragraph (5) of subsection a. applies or if the person is convicted of any of the following crimes of the third degree: theft of a motor vehicle; unlawful taking of a motor vehicle; eluding; if the person is convicted of a crime of the third degree constituting use of a false government document in violation of subsection c. of section 1 of P.L.1983, c.565 (C.2C:21-2.1); if the person is convicted of a crime of the third degree constituting distribution, manufacture or possession of an item containing personal identifying information in violation of subsection b. of section 6 of P.L.2003, c.184 (C.2C:21-17.3); if the person is convicted of a crime of the third or fourth degree constituting bias intimidation in violation of N.J.S.2C:16-1; if the person is convicted of a crime of the third degree under section 2 of P.L.1997, c.111 (C.2C:12-1.1); or if the person is convicted of a crime of the third or fourth degree under the provisions of section 1 or 2 of P.L.2007, c.341 (C.2C:33-29 or C.2C:33-30).

f. Presumptive Sentences. (1) Except for the crime of murder, unless the preponderance of aggravating or mitigating factors, as set forth in subsections a. and b., weights in favor of a higher or lower term within the limits provided in N.J.S.2C:43-6, when a court determines that a sentence of imprisonment is warranted, it shall impose sentence as follows:

(a) To a term of 20 years for aggravated manslaughter or kidnapping pursuant to paragraph (i) of subsection c. of N.J.S.2C:13-1 when the offense constitutes a crime of the first degree;

(b) Except as provided in paragraph (a) of this subsection to a term of 15 years for a crime of the first degree;

(c) To a term of seven years for a crime of the second degree;

(d) To a term of four years for a crime of the third degree; and

(e) To a term of nine months for a crime of the fourth degree.

In imposing a minimum term pursuant to 2C:43-6b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.
Unless the preponderance of mitigating factors set forth in subsection b. weighs in favor of a lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a.(1) shall have a presumptive term of life imprisonment. Unless the preponderance of aggravating and mitigating factors set forth in subsections a. and b. weighs in favor of a higher or lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a.(2) shall have a presumptive term of 50 years' imprisonment; sentences imposed pursuant to 2C:43-7a.(3) shall have a presumptive term of 15 years' imprisonment; and sentences imposed pursuant to 2C:43-7a.(4) shall have a presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to 2C:43-7b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second degree where the court is clearly convinced that the mitigating factors substantially outweigh the aggravating factors and where the interest of justice demands, the court may sentence the defendant to a term appropriate to a crime of one degree lower than that of the crime for which he was convicted. If the court does impose sentence pursuant to this paragraph, or if the court imposes a noncustodial or probationary sentence upon conviction for a crime of the first or second degree, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. (c) Any provider, or any person, firm, partnership, corporation or entity who solicits, offers, or receives any kickback, rebate or bribe in connection with:
   (1) The furnishing of items or services for which payment is or may be made in whole or in part under this act; or
   (2) The furnishing of items or services whose cost is or may be reported in whole or in part in order to obtain benefits or payments under this act; or

This subsection shall not apply to (A) a discount or other reduction in price under this act if the reduction in price is properly disclosed and appropriately reflected in the costs claimed or charges made under this act; and (B) any amount paid by an employer to an employee who has a bona fide employment relationship with such employer for employment in the provision of covered items or services.

(d) Whoever knowingly and willfully makes or causes to be made or induces or seeks to induce the making of any false statement or representation of a material fact with respect to the conditions or operations of any institution or facility in order that such institution or facility may qualify either upon initial certification or recertification as a hospital, skilled nursing facility, intermediate care facility, or health agency, thereby entitling them to receive payments under this act, shall be guilty of a crime of the fourth degree.

(e) Any person, firm, corporation, partnership, or other legal entity who violates the provisions of any of the foregoing subsections of this section or any provisions of section 3 of P.L.2007, c.265 (C.2A:32C-3), shall, in addition to any other penalties provided by law, be liable to civil penalties of (1) payment of interest on the amount of the excess benefits or payments at the maximum legal rate in effect on the date the payment was made to said person, firm, corporation, partnership or other legal entity for the period from the date upon which payment was made to the date upon which repayment is made to the State, (2) payment of an amount not to exceed three-fold the amount of such excess benefits or payments, and (3) payment in the sum of not less than and not more than the civil penalty allowed under the federal False Claims Act (31 U.S.C. s.3729 et seq.), as it may be adjusted for inflation pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990, Pub.L.101-410 for each excessive claim for assistance, benefits or payments.

(f) Any person, firm, corporation, partnership or other legal entity, other than an individual recipient of medical services reimbursable by the Division of Medical Assistance and Health Services, who, without intent to violate this act, obtains medical assistance or other benefits or payments under this act in excess of the amount to which he is entitled, shall be liable to a civil penalty of payment of interest on the amount of the excess bene-
fits or payments at the maximum legal rate in effect on the date the benefit or payment was made to said person, firm, corporation, partnership, or other legal entity for the period from September 15, 1976 or the date upon which payment was made, whichever is later, to the date upon which repayment is made to the State, provided, however, that no such person, firm, corporation, partnership or other legal entity shall be liable to such civil penalty when excess medical assistance or other benefits or payments under this act are obtained by such person, firm, corporation, partnership or other legal entity as a result of error made by the Division of Medical Assistance and Health Services, as determined by said division; provided, further, that if preliminary notification of an overpayment is not given to a provider by the division within 180 days after completion of the field audit as defined by regulation, no interest shall accrue during the period beginning 180 days after completion of the field audit and ending on the date preliminary notification is given to the provider.

(g) All interest and civil penalties provided for in this act and all medical assistance and other benefits to which a person, firm, corporation, partnership, or other legal entity was not entitled shall be recovered in an administrative proceeding held pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), except that recovery actions against minors or incompetents shall be initiated in a court of competent jurisdiction.

(h) Upon the failure of any person, firm, corporation, partnership or other legal entity to comply within 10 days after service of any order of the director or his designee directing payment of any amount found to be due pursuant to subsection (g) of this section, or at any time prior to any final agency adjudication not involving a recipient or former recipient of benefits under this act, the director may issue a certificate to the clerk of the Superior Court that such person, firm, corporation, partnership or other legal entity is indebted to the State for the payment of such amount. A copy of such certificate shall be served upon the person, firm, corporation, partnership or other legal entity against whom the order was entered. Thereupon the clerk shall immediately enter upon his record of docketed judgments the name of the person, firm, corporation, partnership or other legal entity so indebted, and of the State, a designation of the statute under which such amount is found to be due, the amount due, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the Superior Court. Such entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the final order of the director or his designee.
(i) In order to satisfy any recovery claim asserted against a provider under this section, whether or not that claim has been the subject of final agency adjudication, the division or its fiscal agents is authorized to withhold funds otherwise payable under this act to the provider.

(j) The Attorney General may, when requested by the commissioner or his agent, apply ex parte to the Superior Court to compel any party to comply forthwith with a subpoena issued under this act. Any party who, having been served with a subpoena issued pursuant to the provisions of this act, fails either to attend any hearing, or to appear or be examined, to answer any question or to produce any books, records, accounts, papers or documents, shall be liable to a penalty of $500.00 for each such failure, to be recovered in the name of the State in a summary civil proceeding to be initiated in the Superior Court. The Attorney General shall prosecute the actions for the recovery of the penalty prescribed in this section when requested to do so by the commissioner or his agent and when, in the judgment of the Attorney General, the facts and law warrant such prosecution. Such failure on the part of the party shall be punishable as contempt of court by the court in the same manner as like failure is punishable in an action pending in the court when the matter is brought before the court by motion filed by the Attorney General and supported by affidavit stating the circumstances.

(k) Notwithstanding the provisions of N.J.S.2C:43-3 to the contrary, but in addition to any other penalty or disposition that may be imposed by law:

(1) a person who violates the provisions of subsection (a), (b), or (c) of this section shall be liable to a penalty of not less than $15,000 and not more than $25,000 for each violation; and

(2) a person who violates the provisions of subsection (d) of this section shall be liable to a penalty of not less than $10,000 and not more than $25,000 for each violation.

(l) A person who violates the provisions of subsection (a), (b), or (c) of this section under circumstances in which the aggregate amount obtained or sought to be obtained is $1,000 or more, who has previously been convicted of a violation of the provisions of subsection (a), (b), or (c) of this section within 10 years of the current violation, under circumstances where the aggregate amount obtained or sought to be obtained was $1,000 or more, is guilty of a crime of the second degree and, in addition to any other penalty or disposition authorized by law and notwithstanding the provisions of N.J.S.2C:43-3 to the contrary, shall be liable to a penalty of not less than $25,000 and not more than $150,000 for each such repeat violation.
C.30:4D-17a Additional action by Attorney General.

3. In addition to any other action authorized or required by law, the Attorney General shall refer any matter regarding a person who is licensed or otherwise authorized to practice a health care profession in this State pursuant to Title 45 or Title 52 of the Revised Statutes and has been convicted of an offense under the provisions of section 17 of P.L.1968, c.413 (C.30:4D-17), to the appropriate professional and occupational licensing board within the Division of Consumer Affairs in the Department of Law and Public Safety or the Director of the Division of Consumer Affairs, as applicable, for such action as they determine appropriate regarding that person's license or other authorization to practice as a health care professional.

C.30:4D-17b Construction of act.

4. Nothing in section 17 of P.L.1968, c.413 (C.30:4D-17) or in section 3 of P.L.2010, c.30 (C.30:4D-17a) shall be construed to preclude the indictment or conviction for any other offense defined by law, or to impair or limit the discretion and authority of the State regarding any civil action, criminal prosecution, or other action authorized by law.

5. This act shall take effect immediately.

Approved June 29, 2010.

CHAPTER 33

AN ACT concerning the consolidation of the functions of the Office of the
Inspector General and the Office of the Medicaid Inspector General
under the Office of the State Comptroller, supplementing Title 52 of the
New Jersey Statutes and repealing sections 2 through 4 of P.L.2005,
c.119 and section 4 of P.L.2007, c.58.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

C.52:15C-20 Findings, declarations relative to consolidation of offices of Inspector
General and Medicaid Inspector General.

1. The Legislature finds and declares:
   a. Currently, there are numerous agencies within State government
      that are responsible for monitoring and auditing government programs and
      agencies, reviewing the performance of government functions and pro-
      grams, and investigating misconduct by public employees, all aimed at
      providing accountability and transparency, promoting the efficiency and
      integrity of government operations, and identifying cost savings.
   b. While the ongoing review of government operations helps guard
      against the waste, fraud, and abuse of public resources, the overlapping of
      the missions of the Office of the Inspector General, Office of the Medicaid
      Inspector General, and the Office of the State Comptroller has the potential
      to lead to inefficiencies in the performance of these critical functions.
   c. The consolidation of the powers and duties of these existing State
      offices within the Office of the State Comptroller will allow for the system-
      atic, efficient, and coordinated review and oversight of the State and its
      subdivisions.

2. a. The Office of the Inspector General established pursuant to P.L.2005, c.119 (C.52:15B-1 et seq.) and allocated, in but not of, the Department of the Treasury is abolished and all of its functions, powers, and duties, except as otherwise provided by this act, P.L.2010, c.33 (C.52:15C-20 et seq.), are continued and transferred to the Office of the State Comptroller.

b. Except as otherwise provided in this act, P.L.2010, c.33 (C.52:15C-20 et seq.), whenever, in any law, rule, regulation, order, reorganization plan, contract, document, judicial or administrative proceeding, or otherwise, reference is made to the Office of the Inspector General the same shall mean and refer to the Office of the State Comptroller.

c. The functions, powers, and duties conferred upon, or required to be exercised by, the Inspector General are continued but such functions, powers, and duties are hereby transferred to and shall be exercised and performed by the State Comptroller.

b. Employees of the Office of the Inspector General who are employed by the office on the effective date of this act, P.L.2010, c.33 (C.52:15C-20 et seq.), and determined by the State Comptroller to be necessary to carry out the duties of the Office of the State Comptroller pursuant to this act are continued and transferred to the Office of the State Comptroller. Such transfers shall be consistent with the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.). Employees transferred pursuant to this act, P.L.2010, c.33 (C.52:15C-20 et seq.), shall be deemed confidential employees for the purposes of the "New Jersey Employer-Employee Relations Act," P.L.1941, c. 100 (C.34:13A-1 et seq.).

C.52:15C-23 Office of Medicaid Inspector General abolished, functions, powers, duties transferred.

4. a. The Office of the Medicaid Inspector General established pursuant to P.L.2007, c.58 (C.30:4D-53 et seq.) in the Office of the Inspector Gen-
eral is abolished and all of its functions, powers and duties, except as otherwise provided by this act, P.L.2010, c.33 (C.52:15C-20 et seq.), are continued and transferred to the Office of the State Comptroller.

b. Except as otherwise provided in this act, P.L.2010, c.33 (C.52:15C-20 et seq.), whenever, in any law, rule, regulation, order, reorganization plan, contract, document, judicial or administrative proceeding, or otherwise, reference is made to the Office of the Medicaid Inspector General the same shall mean and refer to the Office of the State Comptroller.

c. The functions, powers, and duties conferred upon, or required to be exercised by, the Medicaid Inspector General are continued but such functions, powers, and duties are hereby transferred to and shall be exercised and performed by the State Comptroller.

b. Employees of the Office of the Medicaid Inspector General, including the Medicaid Inspector General, who are employed by the office on the effective date of this act, P.L.2010, c.33 (C.52:15C-20 et seq.), and determined by the State Comptroller to be necessary to carry out the duties of the Office of State Comptroller pursuant to this act are continued and transferred to the Office of the State Comptroller. Such transfers shall be consistent with the “State Agency Transfer Act,” P.L.1971, c.375 (C.52:14D-1 et seq.). Employees transferred pursuant to this act, P.L.2010, c.33 (C.52:15C-20 et seq.), shall be deemed confidential employees for the purposes of the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.).

d. An employee in the classified service transferred to the Office of the State Comptroller pursuant to this section, may remain in the classified service, provided, however, that when the transferred employee no longer serves in that classified position, the classified position shall be abolished. Nothing in this section shall be construed as limiting the authority of the State Comptroller to reclassify positions within the office as provided by law.

6. The following are hereby repealed:

Sections 2 through 4 of P.L.2005, c.119 (C.52:15B-2 through 52:15B-4); and

7. This act shall take effect immediately and any action necessary to implement this act may be taken at any time thereafter, with general implementation to be completed no later than the 30 day following enactment.

Approved June 29, 2010.

(3) All persons entering a nursing home pursuant to this section shall promptly notify the person in charge of their presence. They shall, upon request, produce identification to substantiate their identity. No such person shall enter the immediate living area of any resident without first identifying himself and then receiving permission from the resident to enter. The rights of other residents present in the room shall be respected. A resident shall have the right to terminate a visit by a person having access to his living area pursuant to this section at any time. Any communication whatsoever between a resident and such person shall be confidential in nature, unless the resident authorizes the release of such communication in writing.

h. Ensuring compliance with all applicable State and federal statutes and rules and regulations.

i. Ensuring that every resident, prior to or at the time of admission and during his stay, shall receive a written statement of the services provided by the nursing home, including those required to be offered by the nursing home on an as-needed basis, and of related charges, including any charges for services not covered under Title XVIII and Title XIX of the Social Security Act, as amended, or not covered by the nursing home's basic per diem rate. This statement shall further include the payment, fee, deposit and refund policy of the nursing home.

j. Ensuring that a prospective resident or the resident's family or guardian receives a copy of the contract or agreement between the nursing home and the resident prior to or upon the resident's admission.

11. Section 3 of P.L.1971, c.223 (C.46:8-21.1) is amended to read as follows:
3. Within 30 days after the termination of the tenant's lease or licen­see's agreement, the owner or lessee shall return by personal delivery, regis­tered or certified mail the sum so deposited plus the tenant's portion of the interest or earnings accumulated thereon, less any charges expended in ac­cordance with the terms of a contract, lease, or agreement, to the tenant or licen­see, or, in the case of a lease terminated pursuant to P.L.1971, c.318 (C.46:8-9.1), the executor or administrator of the estate of the tenant or li­censee or the surviving spouse of the tenant or licensee so terminating the lease. The interest or earnings and any such deductions shall be itemized and the tenant, licensee, executor, administrator or surviving spouse noti­fied thereof by personal delivery, registered or certified mail. Notwithstand­ing the provisions of this or any other section of law to the contrary, no de­ductions shall be made from a security deposit of a tenant who remains in possession of the rental premises.

Within five business days after:

a. the tenant is caused to be displaced by fire, flood, condemnation, or evacuation, and
b. an authorized public official posts the premises with a notice pro­hibiting occupancy; or
c. any building inspector, in consultation with a relocation officer, where applicable, has certified within 48 hours that displacement is ex­pected to continue longer than seven days and has so notified the owner or lessee in writing, the owner or lessee shall have available and return to the tenant or the tenant's designated agent upon his demand the sum so depos­ited plus the tenant's portion of the interest or earnings accumulated thereon, less any charges expended in accordance with the terms of the con­tract, lease or agreement and less any rent due and owing at the time of dis­placement.

Within 15 business days after a lease terminates as described in section 3 of P.L.2008, c.111 (C.46:8-9.6), the owner or lessee shall have available and return to the tenant or the tenant's designated agent upon his demand any money or advance of rent deposited as security plus the tenant's portion of the interest or earnings accumulated thereon, including the portion of any money or advance of rent due to a victim of domestic violence terminating a lease pursuant to section 3 of P.L.2008, c.111 (C.46:8-9.6), less any charges expended in accordance with the terms of the contract, lease or agreement and less any rent due and owing at the time of the lease termina­tion.
CHAPTER 34, LAWS OF 2010

Such net sum shall continue to be available to be returned upon demand during normal business hours for a period of 30 days at a location in the same municipality in which the subject leased property is located and shall be accompanied by an itemized statement of the interest or earnings and any deductions. The owner or lessee may, by mutual agreement with the municipal clerk, have the municipal clerk of the municipality in which the subject leased property is located return said net sum in the same manner. Within three business days after receiving notification of the displacement, the owner or lessee shall provide written notice to a displaced tenant by personal delivery or mail to the tenant's last known address. In the event that a lease terminates as described in section 3 of P.L.2008, c.111 (C.46:8-9.6), within three business days after the termination, the owner or lessee shall provide written notice to the victim of domestic violence by personal delivery or mail to the tenant's last known address. Such notice shall include, but not be limited to, the location at which and the hours and days during which said net sum shall be available to him. The owner or lessee shall provide a duplicate notice in the same manner to the relocation officer. Where a relocation officer has not been designated, the duplicate notice shall be provided to the municipal clerk. When the last known address of the tenant is that from which he was displaced and the mailbox of that address is not accessible during normal business hours, the owner or lessee shall also post such notice at each exterior public entrance of the property from which the tenant was displaced. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.), or any other law to the contrary, the municipal clerk, and any designee, agent or employee of the municipal clerk, shall not knowingly disclose or otherwise make available personal information about any victim of domestic violence that the clerk or any designee, agent or employee has obtained pursuant to the procedures described in section 3 of P.L.1971, c.223 (C.46:8-21.1).

Any such net sum not demanded by and returned to the tenant or the tenant's designated agent within the period of 30 days shall be redeposited or reinvested by the owner or lessee in an appropriate interest bearing or dividend yielding account in the same investment company, State or federally chartered bank, savings bank or savings and loan association from which it was withdrawn. In the event that said displaced tenant resumes occupancy of the premises, said tenant shall redeliver to the owner or lessee one-third of the security deposit immediately, one-third in 30 days and one-third 60 days from the date of reoccupancy. Upon the failure of said tenant to make such payments of the security deposit, the owner or lessee may
institute legal action for possession of the premises in the same manner that is authorized for nonpayment of rent.

The Commissioner of Community Affairs, the Attorney General, or any State entity which made deposits on behalf of a tenant may impose a civil penalty against an owner or lessee who has willfully and intentionally withheld deposits in violation of section 1 of P.L.1967, c.265 (C.46:8-19), when the deposits were made by or on behalf of a tenant who has received financial assistance through any State or federal program, including welfare or rental assistance. An owner or lessee of a tenant on whose behalf deposits were made by a State entity and who has willfully and intentionally withheld such deposits in violation of this section shall be liable for a civil penalty of not less than $500 or more than $2,000 for each offense. The penalty prescribed in this paragraph shall be collected and enforced by summary proceedings pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). The State entity which made such deposits on behalf of a tenant shall be entitled to any penalty amounts recovered pursuant to such proceedings.

In any action by a tenant, licensee, executor, administrator or surviving spouse, or other person acting on behalf of a tenant, licensee, executor, administrator or surviving spouse, for the return of moneys due under this section, the court upon finding for the tenant, licensee, executor, administrator or surviving spouse shall award recovery of double the amount of said moneys, together with full costs of any action and, in the court's discretion, reasonable attorney's fees.

12. Section 7 of P.L.2003, c.64 (C.46:10B-28) is amended to read as follows:

C.46:10B-28 Enforcement by department.

7. a. The department shall conduct examinations and investigations and issue subpoenas and orders to enforce the provisions of this act with respect to a person licensed or subject to the provisions of the "New Jersey Residential Mortgage Lending Act," sections 1 through 39 of P.L.2009, c.53 (C.17:11C-51 et seq.).

b. The department shall examine any instrument, document, account, book, record, or file of a person originating or brokering a high-cost home loan under this act. The department shall recover the cost of examinations from the person. A person originating or brokering high-cost home loans shall maintain its records in a manner that will facilitate the department in determining whether the person is complying with the provisions of this act.
and the regulations promulgated thereunder. The department shall require the submission of reports by persons originating or brokering high-cost home loans which shall set forth such information as the department shall require by regulation.

c. In the event that a person fails to comply with a subpoena for documents or testimony issued by the department, the department may request an order from a court of competent jurisdiction requiring the person to produce the requested information.

d. If the department determines that a person has violated the provisions of this act, the department may do any combination of the following that it deems appropriate:

(1) Impose a civil penalty of up to $10,000 for each offense, 40% of which penalty shall be dedicated for and used by the department for consumer education through nonprofit organizations which can establish to the satisfaction of the department that they have sufficient experience in credit counseling and financial education. In determining the penalty to be assessed, the commissioner shall consider the following criteria: whether the violation was willful; whether the violation was part of a pattern and practice; the amount of the loan; the points and fees charged; the financial condition of the violator; and other relevant factors. The department may require the person to pay investigative costs, if any.

(2) Suspend, revoke, or refuse to renew any license issued by the department.

(3) Prohibit or permanently remove an individual responsible for a violation of this act from working in his present capacity or in any other capacity related to activities regulated by the department.

(4) Order a person to cease and desist any violation of this act and to make restitution for actual damages to borrowers.

(5) Pending completion of an investigation or any formal proceeding instituted pursuant to this act, if the commissioner finds that the interests of the public require immediate action to prevent undue harm to borrowers, the commissioner may enter an appropriate temporary order to be effective immediately and until entry of a final order. The temporary emergent order may include: a temporary suspension of the creditor's authority to make high-cost home loans under this act; a temporary cease and desist order; a temporary prohibition against a creditor transacting high-cost home loan business in this State, or such other order relating to high-cost home loans as the commissioner may deem necessary to prevent undue harm to borrowers pending completion of an investigation or formal proceeding. Orders issued pursuant to this section shall be subject to an application to va-
cate upon two days' notice, and a preliminary hearing on the temporary emergent order shall be held, in any event, within five days after it is issued, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

(6) Impose such other conditions as the department deems appropriate.

e. Any person aggrieved by a decision of the department and who has a direct interest in the decision may appeal the decision of the department to the commissioner. The appeal shall be conducted in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

f. The department may maintain an action for an injunction or other process against any person to restrain and prevent the person from engaging in any activity violating this act.

g. A decision of the commissioner shall be a final order of the department and shall be enforceable in a court of competent jurisdiction. The department shall publish the final adjudication issued in accordance with this section, subject to redaction or modification to preserve confidentiality.

h. The provisions of this section shall not limit the authority of the Attorney General from instituting or maintaining any action within the scope of the Attorney General's authority with respect to the practices prohibited under this act.

13. Section 2 of P.L.1991, c.428 (C.48:2-21.17) is amended to read as follows:

2. As used in this act:

"Alternative form of regulation" means a form of regulation of telecommunications services other than traditional rate base, rate of return regulation to be determined by the board and may include, but not be limited to, the use of an index, formula, price caps, or zone of rate freedom.

"Assess" means, in relation to the Director of the Division of Rate Counsel in, but not of, the Department of the Treasury, the making of any assessment or statement of the compensation and expense of counsel, experts and assistants employed by rate counsel and billed by the Director of the Division of Rate Counsel in, but not of, the Department of the Treasury as a final agency order or determination to a local exchange telecommunications company or an interexchange telecommunications carrier filing a petition with the Board of Regulatory Commissioners pursuant to the provisions of this act.
"Board" means the Board of Regulatory Commissioners or its predecessor agency.

"Competitive service" means any telecommunications service determined by the board to be competitive prior to the effective date of this act or determined to be competitive pursuant to section 4 or 5 of this act, or any telecommunications service not regulated by the board.

"Interexchange telecommunications carrier" means a carrier, other than a local exchange telecommunications company, authorized by the board to provide long-distance telecommunications services.

"LATA" means Local Access Transport Area as defined by the board in conformance with applicable federal law.

"Local exchange telecommunications company" means a carrier authorized by the board to provide local telecommunications services.

"Protected telephone services" means any of the following telecommunications services provided by a local exchange telecommunications company, unless the board determines, after notice and hearing, that any of these services is competitive or should no longer be a protected telephone service: telecommunications services provided to business or residential customers for the purpose of completing local calls; touch-tone service or similar service; access services other than those services that the board has previously found to be competitive; toll service provided by a local exchange telecommunications company; and the ordering, installation and restoration of these services.

"Rate counsel" means the Division of Rate Counsel in, but not of, the Department of the Treasury acting pursuant to sections 46 through 54 of P.L.2005, c.155 (C.52:27EE-46 through C.52:27EE-54), as amended and supplemented by P.L.2010, c.34 (C.52:27EE-86 et al.).

"Telecommunications service" means any telecommunications service which is subject to regulation by the board pursuant to Title 48 of the Revised Statutes.

14. Section 3 of P.L.2007, c.94 (C.48:2-21.36) is amended to read as follows:

C.48:2-21.36 Definitions relative to a manufacturing facility; electricity, natural gas agreements.

3. a. As used in this section, "manufacturing facility" means a facility:

   (1) with respect to which the owner of the facility shall have entered into an off-tariff rate agreement with an electric public utility, pursuant to the provisions of P.L.1995, c.180 (C.48:2-21.24 et seq.);
(2) that manufactures products made from using "postconsumer material," as that term is defined in 40 C.F.R. s.247.3, and other recovered material feedstocks that meet the requirements of the Comprehensive Procurement Guideline For Products Containing Recovered Materials as promulgated by the United States Environmental Protection Agency in 40 C.F.R. s.247.1 et seq., pursuant to the "Resource Conservation and Recovery Act," Pub.L.94-580 (42 U.S.C. s.6901 et seq.) and Executive Order No. 13101, issued by the President of the United States on September 14, 1998, provided that at least 75 percent of the manufacturing facility's total annual sales dollar volume of such products that are produced in New Jersey meet the recycled content standards within such guidelines;

(3) for which a "comprehensive energy audit," as that term is defined in section 2 of P.L.1995, c.180 (C.48:2-21.25), shall have been undertaken within 90 days after the effective date of P.L.2007, c.94 (C.48:2-21.36 et al.), which audit shall have evaluated cost-effective energy efficiency and conservation measures as part of the efforts to reduce energy costs;

(4) that has been in operation in this State for at least 25 years as of the effective date of P.L.2007, c.94 (C.48:2-21.36 et al.); and

(5) at which at least 800 employees are employed on the first business or work day after the expiration of such off-tariff rate agreement.

b. An electric public utility or a gas public utility may enter into an agreement with the owner of a manufacturing facility that establishes a price for the transmission or distribution of electricity or natural gas, as appropriate, to that manufacturing facility that is different from, but in no case higher than, that specified in the electric public utility's or gas public utility's current cost-of-service based tariff rate for transmission or distribution service otherwise applicable to the manufacturing facility.

c. The board shall approve the agreement if such agreement meets all of the following conditions:

(1) The agreement shall be filed with the board and the Division of Rate Counsel in the Department of the Treasury;

(2) The agreement shall contain a provision that the owner of the manufacturing facility would have relocated the facility outside of the State to a location where electric power or natural gas supply could be obtained at a lower cost, had it not entered into the agreement;

(3) There shall be no retroactive recovery by the electric public utility or gas public utility, as appropriate, from its general ratepayer base of any revenue erosion that occurs prior to the conclusion of the utility's next base rate case. Subsequent to the conclusion of the utility's next base rate case,
any such recovery shall be prospective only. The board may require the uti-

(4) There shall be no undue transfer of cost allocation or revenue re-
covery responsibility by the electric public utility or gas public utility, as
appropriate, from the utility to its general ratepayer base. The utility agrees
to be subject to an independent audit or such accounting and reporting sys-
tems the board may deem as necessary to ensure that costs are allocated
properly and that revenue recovery responsibility is not transferred; and

(5) The term of the rate agreement shall begin within one year of the
effective date of P.L.2007, c.94 (C.48:2-21.36 et al.) and shall not exceed
seven years in duration.

15. Section 38 of P.L.1999, c.23 (C.48:3-87) is amended to read as fol-
lows:

C.48:3-87 Environmental disclosure requirements; standards; rules; terms defined.

38. a. The board shall require an electric power supplier or basic gen-
eration service provider to disclose on a customer's bill or on customer con-
tacts or marketing materials, a uniform, common set of information about
the environmental characteristics of the energy purchased by the customer,
including, but not limited to:

(1) Its fuel mix, including categories for oil, gas, nuclear, coal, solar,
hydroelectric, wind and biomass, or a regional average determined by the
board;

(2) Its emissions, in pounds per megawatt hour, of sulfur dioxide, car-
bon dioxide, oxides of nitrogen, and any other pollutant that the board may
determine to pose an environmental or health hazard, or an emissions de-
fault to be determined by the board; and

(3) Any discrete emission reduction retired pursuant to rules and regu-
lations adopted pursuant to P.L.1995, c.188.

b. Notwithstanding any provisions of the "Administrative Procedure
Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall
initiate a proceeding and shall adopt, in consultation with the Department of
Environmental Protection, after notice and opportunity for public comment
and public hearing, interim standards to implement this disclosure require-
ment, including, but not limited to:

(1) A methodology for disclosure of emissions based on output pounds
per megawatt hour;

(2) Benchmarks for all suppliers and basic generation service providers
to use in disclosing emissions that will enable consumers to perform a
meaningful comparison with a supplier's or basic generation service provider's emission levels; and

(3) A uniform emissions disclosure format that is graphic in nature and easily understandable by consumers. The board shall periodically review the disclosure requirements to determine if revisions to the environmental disclosure system as implemented are necessary.

Such standards shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

c. (1) The board may adopt, in consultation with the Department of Environmental Protection, after notice and opportunity for public comment, an emissions portfolio standard applicable to all electric power suppliers and basic generation service providers, upon a finding that:

(a) The standard is necessary as part of a plan to enable the State to meet federal Clean Air Act or State ambient air quality standards; and

(b) Actions at the regional or federal level cannot reasonably be expected to achieve the compliance with the federal standards.

(2) By July 1, 2009, the board shall adopt, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), a greenhouse gas emissions portfolio standard to mitigate leakage or another regulatory mechanism to mitigate leakage applicable to all electric power suppliers and basic generation service providers that provide electricity to customers within the State. The greenhouse gas emissions portfolio standard or any other regulatory mechanism to mitigate leakage shall:

(a) Allow a transition period, either before or after the effective date of the regulation to mitigate leakage, for a basic generation service provider or electric power supplier to either meet the emissions portfolio standard or other regulatory mechanism to mitigate leakage, or to transfer any customer to a basic generation service provider or electric power supplier that meets the emissions portfolio standard or other regulatory mechanism to mitigate leakage. If the transition period allowed pursuant to this subparagraph occurs after the implementation of an emissions portfolio standard or other regulatory mechanism to mitigate leakage, the transition period shall be no longer than three years; and

(b) Exempt the provision of basic generation service pursuant to a basic generation service purchase and sale agreement effective prior to the date of the regulation.
Unless the Attorney General or the Attorney General's designee determines that a greenhouse gas emissions portfolio standard would unconstitutionally burden interstate commerce or would be preempted by federal law, the adoption by the board of an electric energy efficiency portfolio standard pursuant to subsection g. of this section, a gas energy efficiency portfolio standard pursuant to subsection h. of this section, or any other enhanced energy efficiency policies to mitigate leakage shall not be considered sufficient to fulfill the requirement of this subsection for the adoption of a greenhouse gas emissions portfolio standard or any other regulatory mechanism to mitigate leakage.

d. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing, renewable energy portfolio standards that shall require:

(1) that two and one-half percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider be from Class I or Class II renewable energy sources; and

(2) beginning on January 1, 2001, that one-half of one percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider be from Class I renewable energy sources. The board shall increase the required percentage for Class I renewable energy sources so that by January 1, 2006, one percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider shall be from Class I renewable energy sources and shall additionally increase the required percentage for Class I renewable energy sources by one-half of one percent each year until January 1, 2012, when four percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider shall be from Class I renewable energy sources.

An electric power supplier or basic generation service provider may satisfy the requirements of this subsection by participating in a renewable energy trading program approved by the board in consultation with the Department of Environmental Protection.

(3) that the board establish a multi-year schedule, applicable to each electric power supplier or basic generation service provider in this State, beginning with the one-year period commencing on June 1, 2010, and continuing for each subsequent one-year period up to and including, the one-year period commencing on June 1, 2025, that requires suppliers or provid-
ers to purchase at least the following number of kilowatt-hours from solar electric power generators in this State:

- EY 2011: 306 Gwhrs
- EY 2012: 442 Gwhrs
- EY 2013: 596 Gwhrs
- EY 2014: 772 Gwhrs
- EY 2015: 965 Gwhrs
- EY 2016: 1,150 Gwhrs
- EY 2017: 1,357 Gwhrs
- EY 2018: 1,591 Gwhrs
- EY 2019: 1,858 Gwhrs
- EY 2020: 2,164 Gwhrs
- EY 2021: 2,518 Gwhrs
- EY 2022: 2,928 Gwhrs
- EY 2023: 3,433 Gwhrs
- EY 2024: 3,989 Gwhrs
- EY 2025: 4,610 Gwhrs
- EY 2026: 5,316 Gwhrs
- EY 2027: 5,316 Gwhrs

For every energy year thereafter, at least 5,316 Gwhrs per energy year to reflect an increasing number of kilowatt-hours to be purchased by suppliers or providers from solar electric power generators in this State, and to establish a framework within which suppliers and providers shall purchase at least 2,518 Gwhrs in the energy year 2021 and 5,316 Gwhrs in the energy year 2026 from solar electric power generators in this State, provided, however, that the number of solar kilowatt-hours required to be purchased by each supplier or provider, when expressed as a percentage of the total number of solar kilowatt-hours purchased in this State, shall be equivalent to each supplier's or provider's proportionate share of the total number of kilowatt-hours sold in this State by all suppliers and providers.

The solar renewable portfolio standards requirements in paragraph (3) of this subsection shall automatically increase by 20% for the remainder of the schedule in the event that the following two conditions are met: (a) the number of SRECs generated meets or exceeds the requirement for three consecutive reporting years, starting with energy year 2013; and (b) the average SREC price for all SRECs purchased by entities with renewable energy portfolio standards obligations has decreased in the same three consecutive reporting years. The board shall exempt providers' existing supply contracts that are: (a) effective prior to the date of P.L.2009, c.289; or (b) effective prior to any future increase in the solar renewable portfolio standard beyond the multi-year schedule established in paragraph (3) of this
subsection. This exemption shall apply to the number of SRECs that exceeds the number mandated by the solar renewable portfolio standards requirements that were in effect on the date that the providers executed their existing supply contracts. This limited exemption for providers' existing supply contracts shall not be construed to lower the Statewide solar purchase requirements set forth in paragraph (3) of this subsection. Such incremental new requirements shall be distributed over the electric power suppliers and providers not subject to the existing supply contract exemption until such time as existing supply contracts expire and all suppliers are subject to the new requirement.

An electric power supplier or basic generation service provider may satisfy the requirements of this subsection by participating in a renewable energy trading program approved by the board in consultation with the Department of Environmental Protection, or compliance with the requirements of this subsection may be demonstrated to the board by suppliers or providers through the purchase of SRECs.

The renewable energy portfolio standards adopted by the board pursuant to paragraphs (1) and (2) of this subsection shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

The renewable energy portfolio standards adopted by the board pursuant to paragraph (3) of this subsection shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 30 months after such filing, and shall, thereafter, be amended, adopted or readopted by the board in accordance with the "Administrative Procedure Act."

e. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing.

(1) net metering standards for electric power suppliers and basic generation service providers. The standards shall require electric power suppliers and basic generation service providers to offer net metering at nondiscriminatory rates to industrial, large commercial, residential and small commercial customers, as those customers are classified or defined by the board, that generate electricity, on the customer's side of the meter, using a Class I renewable energy source, for the net amount of electricity supplied by the electric power supplier or basic generation service provider over an
annualized period. Systems of any sized capacity, as measured in watts, are eligible for net metering. If the amount of electricity generated by the customer-generator, plus any kilowatt hour credits held over from the previous billing periods, exceeds the electricity supplied by the electric power supplier or basic generation service provider, then the electric power supplier or basic generation service provider, as the case may be, shall credit the customer-generator for the excess kilowatt hours until the end of the annualized period at which point the customer-generator will be compensated for any remaining credits or, if the customer-generator chooses, credit the customer-generator on a real-time basis, at the electric power supplier's or basic generation service provider's avoided cost of wholesale power or the PJM electric power pool's real-time locational marginal pricing rate, adjusted for losses, for the respective zone in the PJM electric power pool. Alternatively, the customer-generator may execute a bilateral agreement with an electric power supplier or basic generation service provider for the sale and purchase of the customer-generator's excess generation. The customer-generator may be credited on a real-time basis, so long as the customer-generator follows applicable rules prescribed by the PJM electric power pool for its capacity requirements for the net amount of electricity supplied by the electric power supplier or basic generation service provider. The board may authorize an electric power supplier or basic generation service provider to cease offering net metering whenever the total rated generating capacity owned and operated by net metering customer-generators statewide equals 2.5 percent of the State's peak electricity demand;

(2) safety and power quality interconnection standards for Class I renewable energy source systems used by a customer-generator that shall be eligible for net metering. Such standards or rules shall take into consideration the goals of the New Jersey Energy Master Plan, applicable industry standards, and the standards of other states and the Institute of Electrical and Electronic Engineers. The board shall allow electric public utilities to recover the costs of any new net meters, upgraded net meters, system reinforcements or upgrades, and interconnection costs through either their regulated rates or from the net metering customer-generator; and

(3) credit or other incentive rules for generators using Class I renewable energy generation systems that connect to New Jersey's electric public utilities' distribution system but who do not net meter. Such rules shall require the board or its designee to issue a credit or other incentive to those generators that do not use a net meter but otherwise generate electricity derived from a Class I renewable energy source and to
issue an enhanced credit or other incentive, including, but not limited to, a solar renewable energy credit, to those generators that generate electricity derived from solar technologies.

Such standards or rules shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

f. The board may assess, by written order and after notice and opportunity for comment, a separate fee to cover the cost of implementing and overseeing an emission disclosure system or emission portfolio standard, which fee shall be assessed based on an electric power supplier's or basic generation service provider's share of the retail electricity supply market. The board shall not impose a fee for the cost of implementing and overseeing a greenhouse gas emissions portfolio standard adopted pursuant to paragraph (2) of subsection c. of this section, the electric energy efficiency portfolio standard adopted pursuant to subsection g. of this section, or the gas energy efficiency portfolio standard adopted pursuant to subsection h. of this section.

g. The board may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an electric energy efficiency portfolio standard that may require each electric public utility to implement energy efficiency measures that reduce electricity usage in the State by 2020 to a level that is 20 percent below the usage projected by the board in the absence of such a standard. Medical Assistance and Health Services or the Department of Health and Sen-

of the gross recovery.

Notwithstanding the provisions of any law or regulation to the contrary, the

In order to permit flexibility in the handling of appropriations and ensure the
timely payment of claims to providers of medical services, amounts may be
transferred to and from the various items of appropriation within the General
Medical Services program classification in the Division of Medical Assistance
and Health Services in the Department of Human Services and the Medical
Services for the Aged program classification in Senior Services in the De-
partment of Health and Senior Services, subject to the approval of the Director
of the Division of Budget and Accounting. Notice thereof shall be provided to
the Legislative Budget and Finance Officer on the effective date of the ap-
proved transfer.

In order to permit flexibility in the handling of appropriations and ensure the
timely payment of claims to providers of medical services, amounts may be
transferred between the various items of appropriation within the Medical
Services for the Aged and Programs for the Aged program classifications to
ensure the continuity of long-term care support services for beneficiaries receiving services within the Medical Services for the Aged program classification in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Subject to federal approval, the appropriations for those programs within the Medical Services for the Aged program classification are conditioned upon the Division of Medical Assistance and Health Services in the Department of Human Services and the Department of Health and Senior Services implementing policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Department of Health and Senior Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Department of Health and Senior Services to fund the costs of enhanced audit recovery efforts of the Department within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, resources in the Global Budget for Long Term Care line item may be supplemented with transfers from the Medical Services for the Aged Program accounts, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinafter appropriated for Payments for Medical Assistance Recipients - Nursing Homes are available for the payment of obligations applicable to prior fiscal years.

Notwithstanding the provisions of any law or regulation to the contrary, payments from the Payments for Medical Assistance Recipients - Nursing Homes account shall be made at 50% only for bedhold days at facilities with total occu-
pency rates at 90% or higher based on the occupancy percentage reported on each facility's latest cost report; however, nursing homes shall hold a bed for a Medicaid beneficiary who is hospitalized for up to ten days.

Such sums as may be necessary are appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the “Nursing Home Quality of Care Improvement Fund Act,” P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of N.J.A.C.8:85 or any other law to the contrary, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care shall be conditioned upon the following: (1) each Special Care Nursing Facility shall receive the same per diem reimbursement rate as that nursing facility was entitled to receive in fiscal year 2010; (2) the per diem reimbursement rates effective July 1, 2010, for all other nursing facilities shall be developed according to the new rate setting methodology that shall be codified under N.J.A.C.8:85 during fiscal year 2011; (3) regardless of the actual calculated reimbursement per diem rate arising from implementation of this methodology, a nursing facility’s per diem reimbursement rate shall not vary more than $5.00 from the per diem reimbursement rate received by that facility during fiscal year 2010; and (4) monies designated pursuant to subsection c. of section 6 of P.L.2003, c.105 (C.26:2H-97) for distribution to nursing homes less the portion of those funds to be paid as pass-through payments in accordance with paragraph 1 of subsection d. of section 6 of P.L.2003, c.105 (C.26:2H-97) shall be combined with amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care for the purpose of Medicaid reimbursement to nursing facilities according to the new rate setting methodology. For the purposes of this paragraph, a nursing facility’s per diem reimbursement rate shall not include, if the nursing facility is eligible for reimbursement, the difference between the full calculated Provider Tax add-on and the Quality of Care portion of the Provider Tax add-on.

Notwithstanding the provisions of any law or regulation to the contrary, no payment for Medicaid Adult or Pediatric Medical Day Care services, as hereinabove appropriated in the Medical Day Care Services account, shall be provided unless the services are prior authorized by professional staff designated by the Department of Health and Senior Services.

Notwithstanding the provisions of any law or regulation to the contrary, amounts hereinabove appropriated for Medical Day Care Services shall be conditioned upon the following provision: the per diem reimbursement rate for all adult Medical Day Care providers, regardless of provider type, shall be set at $78.50.
Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: physical therapy, occupational therapy, and speech therapy shall no longer serve as permissible criteria for eligibility in the adult Medical Day Care Program.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: effective August 15, 2010, no payments for Medicaid adult medical day care services shall be provided on behalf of any beneficiary who received prior authorization for these services based exclusively on the need for medication administration.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned on the following provision: no licensed facility in the adult Medical Day Care Program may serve or receive reimbursement for more than 200 Medicaid beneficiaries per day. Furthermore, no reimbursement will be provided for any claim in excess of a given facility’s licensed capacity as established by the Department of Health and Senior Services.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled Program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $5.00 for generic drugs and $7.00 for brand name drugs.

At any point during the year, and notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be ex-
pended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer’s rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

Notwithstanding the provisions of any other law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for prescription claims with no Medicare Part D coverage except under the following conditions: (1) reimbursement for the cost of all legend and non-legend drugs shall be calculated based on the lesser of the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be determined by the Commissioner and the Director of the Division of Budget and Accounting; the federal Maximum Allowable Cost, the State Maximum Allowable Cost, or a pharmacy’s usual and customary charge; (2) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through the current fiscal year, including the current increments for impact allowances, as determined by revised qualifying requirements, and allowances for 24-hour emergency services; and (3) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Department of Health and Senior Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the New Jersey Drug Utilization Review Board, or brand name
drugs with a lower cost per unit than the generic may be excluded from prior authorization by the Department of Health and Senior Services.

In addition to the amount hereinafore appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are appropriated from the General Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program are available to a pharmacy that has not submitted an application to enroll as an approved medical supplier in the Medicare program, unless it already is an approved Medicare medical supplier. Pharmacies shall not be required to bill Medicare directly for Medicare Part B drugs and supplies, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange form to PAAD. Beneficiaries are responsible for the applicable PAAD or Senior Gold Prescription Discount Program copayment.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinafore appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAAD programs with the prescription drug benefits of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD recipients in the new federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with enrollment in Medicare Part D for
beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2006, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled programs, and Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and appeals of coverage determinations. PAAD is authorized to represent program beneficiaries in the pursuit of such coverage. PAAD representation shall not result in any additional financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; facilitated enrollment in a prescription drug plan or Medicare Advantage Prescription Drug plan. If the beneficiary declines enrollment in any Medicare Part D plan, the beneficiary shall be barred from all benefits of the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold
Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not to be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically excluded by the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” (MMA). In addition, this exclusion shall not impact the beneficiary’s rights, guaranteed by the MMA, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin conditions.

From the amount hereinabove appropriated for the Senior Gold Prescription Discount Program, an amount not to exceed $3,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries obtained through the efforts of any entity authorized to undertake the prevention and detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the Aged in the Division of Senior Services.

Such sums as may be necessary, not to exceed $70,840,000, for payments for the Lifeline Credit and Tenants’ Lifeline Assistance programs, may be credited from the Energy Assistance Program account in the Board of Public Utilities to the Lifeline program account and shall be applied in accordance with a Memorandum of Understanding between the President of the Board of Public Utilities and the Commissioner of Health and Senior Services, subject to the approval of the Director of the Division of Budgeting and Accounting.
In order to permit flexibility in implementing ElderCare Initiatives and the Global Budget for Long-Term Care within the Medical Services for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives within the Programs for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of P.L.2004, c.41 (C.26:2H-94 et seq.), the State Treasurer shall transfer to the General Fund an amount not to exceed $17,775,000 per quarter, or $71,100,000 for the full fiscal year, from revenues collected from the annual assessment on nursing homes, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, payments from the Payments for Medical Assistance Recipients-Nursing Homes account shall be conditioned upon the following provisions: no funding shall be provided for therapeutic days at facilities with total occupancy rates of less than 90% as reported on each facility’s latest cost report. Payment for therapeutic days at facilities with occupancy rates of 90% or greater shall be made at 50%.

The unexpended balance at the end of the preceding fiscal year in the Pharmaceutical Assistance to the Aged and Disabled - Claims account are appropriated.

Notwithstanding the provisions of N.J.A.C. 8:87 or any other law or regulation to the contrary, the amounts hereinabove appropriated for Medical Day Care Services shall be conditioned upon the following provision: the daily reimbursement for pediatric medical day care shall remain at the rate established in fiscal year 2010.

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) to the contrary, the amount appropriated for Community Based Senior Programs is subject to the following provision: private for-profit agencies shall be eligible grantees for funding from the Community Based Senior Programs account for Alzheimer’s Disease activities, provided however, that the sum of grants awarded to private for-profit agencies shall not exceed 105% of the sum of grants received by such agencies in the prior fiscal year.

In addition to the amounts hereinabove appropriated, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.
All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds appropriated for the Home Care Expansion Program (HCEP) shall be paid only for individuals enrolled in the program as of June 30, 1996 who are not eligible for the Global Budget for Long Term Care or alternative programs, and only for so long as those individuals require services covered by the HCEP.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue Fund, Medical Services for the Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year’s annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.
Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $5.00 for generic drugs and $7.00 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, effective July 1, 2003, no State funds are appropriated for the Drug Utilization Review Council in the Department of Health and Senior Services, and therefore, the functions of the Council shall cease.

At any point during the year, and notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program are available to a pharmacy that has not submitted an application to enroll as an approved medical supplier in the Medicare program, unless it already is an approved Medicare medical supplier. Pharmacies shall not be required to bill Medicare directly for Medicare Part B drugs and supplies, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAAD. Beneficiaries are responsible for the applicable PAAD copayment.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled pro-
gram classification shall be expended for prescription claims with no Medicare Part D coverage except under the following conditions: (1) reimbursement for the cost of all legend and non-legend drugs shall be calculated based on the lesser of the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be determined by the Commissioner and the Director of the Division of Budget and Accounting; the federal Maximum Allowable Cost; the State Maximum Allowable Cost; or a pharmacy’s usual and customary charge; (2) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through the current fiscal year, including the current increments for impact allowances, as determined by revised qualifying requirements, and allowances for 24-hour emergency services; and (3) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Department of Health and Senior Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the New Jersey Drug Utilization Review Board, or brand name drugs with a lower cost per unit than the generic may be excluded from prior authorization by the Department of Health and Senior Services.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with
enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2006, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and appeals of coverage determinations. PAAD is authorized to represent program beneficiaries in the pursuit of such coverage. PAAD representation shall not result in any additional financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; facilitated enrollment in a prescription drug plan or Medicare Advantage Prescription Drug plan. If any beneficiary declines enrollment in a Medicare Part D plan, that beneficiary shall be barred from all benefits of the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are
specifically excluded by the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA). In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the MMA, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, $400,000 shall be charged to the Casino Simulcasting Fund.

The unexpended balance at the end of the preceding fiscal year in the Pharmaceutical Assistance to the Aged and Disabled - Claims account are appropriated.

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) to the contrary, the amount appropriated for Community Based Senior Programs is subject to the following provision: private for-profit agencies shall be eligible grantees for funding from the Community Based Senior Programs account for Alzheimer's Disease activities, provided however, that the sum of grants awarded to private for-profit agencies shall not exceed 105% of the sum of grants received by such agencies in the prior fiscal year.

CHAPTER 68, LAWS OF 2010

08 Support of Patients in County Psychiatric Hospitals

The amount hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals account is available to pay liabilities applicable to prior fiscal years, subject to the approval of the Director of the Division of Budget and Accounting.

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 45% of the established State House Commission rate during the period January 1 through June 30 of each year and 125% during the period July 1 to December 31 of each year, such that the total amount to be paid by the State on behalf of county indigent patients shall not exceed 85% of the total reasonable per capita cost. Provided, however, beginning January 1, 2011, the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's established State House Commission rate.

Notwithstanding the provisions of any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.

With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services
had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal disproportionate share hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health Services determines that in order to provide the least restrictive setting appropriate a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional sums as may be required, as determined by the Assistant Commissioner of the Division of Mental Health Services, to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall (1) enroll and continue to maintain enrollment as providers in the State’s Medicaid program, (2) complete or pursue in good faith the completion of eligibility applications for patients who could be Medicaid eligible, (3) bill the Medicaid program for all applicable services, and (4) neither admit nor discharge patients based upon Medicaid eligibility.

Notwithstanding the provisions of any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State to prepare a complete, accurate and timely claim to federal authorities for Medicaid Disproportionate Share (DSH) claim revenues.

Enhanced Federal Medicaid Matching
Percentage ........................................... 496,564,000

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients are available for the payment of obligations applicable to prior fiscal years.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from Payments for Medical Assistance Recipients - Adult Mental Health Residential and Payments for Medical Assistance Recipients - Other Services accounts within the General Medical Services program classification in the Division of Medical Assistance and Health Services and the Payments for Medical Assistance Recipients - Personal Care and the Payments for Medical Assistance Recipients - Other Services accounts in the Division of Disability Services in the Department of Human Services. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in the Division of Aging and Community Services in the Department of Health and Senior Services. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts appropriated in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.
Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations.

In addition to the amounts hereinabove appropriated for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ FamilyCare program as defined in P.L.2005, c.156 (C.30:4J-8 et al.).

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance for the Aged program is eliminated.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal approval, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures. The amount hereinabove appropriated for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding the provisions of any law or regulation to the contrary, those hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment as hereinabove appropriated in the Payments for Medical Assistance Recipients - Inpatient Hospital program may receive enhanced payments from the Medicaid program for providing services to Medicaid and NJ FamilyCare beneficiaries. The total payments shall not exceed the amount appropriated and shall be allocated among hospitals proportionately based on the amount of HRSF payments (excluding any adjustments to the HRSF for other Medicaid payment increases). Interim payments shall be made from the Hospital Relief Offset Payment account, based on an estimate of the total enhanced amount.
payable to a qualifying hospital, and subject to cost settlement. The enhanced payment, determined at cost settlement, shall be an amount approved by the Director of the Division of Budget and Accounting per Medicaid patient day, adjusted by a volume variance factor (the ratio of expected Medicaid inpatient days to actual Medicaid inpatient days for the rate year) and an HRSF factor (the ratio of the hospital’s HRSF payments to total HRSF payments) and subject to a pro rata adjustment so that the total enhanced per diem amounts are equivalent to the total State and federal funds appropriated not to exceed an amount to be approved by the Director of the Division of Budget and Accounting. The total of these payments shall be reduced by an amount equal to any increase in Medicaid and NJ FamilyCare fee-for-service payments to New Jersey hospitals enacted herein or subsequent to this legislation. Notwithstanding the provisions of any law or regulation to the contrary, for those hospitals that qualify for a Hospital Relief Subsidy Fund payment the State Medicaid program may reimburse those hospitals Graduate Medical Education outpatient payments up to the amount the hospital would have received under Medicare principles of reimbursement for Medicaid and NJ FamilyCare fee-for-service beneficiaries. Payments shall be made from and are hereinabove appropriated in the Payments for Medical Assistance Recipients - Inpatient Hospital account, and shall be based on the qualifying hospitals’ first finalized 1996 cost reports. The amount that the qualifying hospital would otherwise be eligible to receive from the Hospital Relief Subsidy Fund shall be reduced by the amount of this Graduate Medical Education outpatient payment. The total amount of these payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds. In no case shall these payments and all other enhanced payments related to those services primarily used by Medicaid and NJ FamilyCare beneficiaries that the hospital receives exceed the amount the hospital would otherwise have been eligible to receive from the Hospital Relief Subsidy Fund in the State fiscal year.

Of the amounts hereinabove appropriated in State and federal funds in the Hospital Relief Offset Payment accounts in the Department of Human Services, Division of Medical Assistance and Health Services, such sums as may be necessary shall be transferred to the Hospital Relief Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160 (C26:2H-18.51 et seq.) to maximize federal revenues related to these accounts and maintain an appropriate level of hospital payments, subject to the approval of the Director of the Division of Budget and Accounting. The Division of Medical Assistance and Health Services (DMAHS), in coordination with the county welfare agencies, shall continue a program to outstation eligibility workers in disproportionate share hospitals and federally qualified health centers. Notwithstanding the provisions of any law or regulation to the contrary, commencing at the beginning of the current fiscal year, of the amounts hereinabove ap-
propriated to Payments for Medical Assistance Recipients - Inpatient Hospital, distribution of the Graduate Medical Education (GME) Medicaid payment to eligible acute care teaching hospitals shall not include federal funds without federal approval. GME shall be distributed using the same methodology as was used in State fiscal year 2008. Non-contracted hospitals providing emergency services to Medicaid or NJ FamilyCare members enrolled in the managed care program shall accept, as payment in full, the amounts that the non-contracted hospital would receive from Medicaid for the emergency services and/or any related hospitalization if the beneficiary were enrolled in Medicaid fee-for-service. Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2009, payments for the Payments for Medical Assistance Recipients - Outpatient Hospital account for outpatient hospital reimbursement for all psychiatric services provided as an outpatient hospital service to all eligible individuals regardless of age, shall be paid at the lower of charges or the prospective hourly rates as defined in N.J.A.C.10:52. Cost related to such services shall be excluded from outpatient hospital cost settlements. Hospitals may provide continued services to all eligible individuals in partial hospitalization programs in need of additional care beyond the 24 month limit and shall bill for these extended services at the community partial care rate of $77 per day. Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and Management accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, effective commencing at the beginning of the current fiscal year and subject to federal approval, of the amounts hereinabove appropriated to Payments for Medical Assistance Recipients - Inpatient Hospital, inpatient medical services provided through the Division of Medical Assistance and Health Services shall be conditioned upon the following provision: No funds shall be expended for hospital services during which a preventable hospital error occurred or for hospital services provided for the necessary inpatient treatment arising from a preventable hospital error, as shall be defined by the Commissioner of Human Services. The Division of Medical Assistance and Health Services is empowered to competitively bid and contract for performance of federally mandated inpatient hospital utilization reviews, and the funds necessary for the contracted utilization review of these hospital services are made available from the Payments for Medical Assistance Recipients - Inpatient Hospital account, subject to the approval of the Director of the Division of Budget and Accounting.
Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205, of the amount hereinabove appropriated for Payments for Medical Assistance Recipients - Adult Mental Health Residential, personal care assistant services shall be limited to no more than 25 hours per week, per recipient.

The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple’s resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

The Commissioners of Human Services and Health and Senior Services shall establish a system to utilize unopened prescription drugs at nursing facilities issued to patients at such facilities and which have not exceeded their expiration date.

The unexpended balance at the end of the preceding fiscal year in the NJ FamilyCare - Affordable and Accessible Health Coverage Benefits account is appropriated for the same purpose and may also be transferred to any appropriation in the General Medical Services program classification for payment for services to NJ FamilyCare clients. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, the NJ FamilyCare program benefit service packages, premium contributions, copayment levels, enrollment levels, and any other program features or operations may be modified as the Commissioner of Human Services deems necessary based upon a plan approved by the Director of the Division of Budget and Accounting to ensure that monies expended for the NJ FamilyCare program do not exceed the amount hereinabove appropriated.

Of the amount hereinabove appropriated for the NJ FamilyCare program, there shall be transferred to various accounts, including Direct State Services and State Aid accounts, such amounts, not to exceed $9,000,000, as are necessary to pay for the administrative costs of the program, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), to the contrary, the Commissioner of Human Services shall adopt immediately upon filing with the Office of Administrative Law such regulations as the Commissioner deems necessary to ensure that monies expended for the NJ FamilyCare program do not exceed the amount hereinabove appropriated. Such regulation may change or adjust the financial and non-financial eligibility requirements for some or all of the applicants or
beneficiaries in the program, the benefits provided, cost-sharing amounts, or may suspend in whole or in part the processing of applications for any or all categories of individuals covered by the program. Premiums received from families enrolled in the Nj FamilyCare program established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.) are appropriated for Nj FamilyCare payments. Notwithstanding the provisions of any law or regulation to the contrary, commencing at the beginning of the fiscal year, of the amounts hereinabove appropriated to Nj FamilyCare Affordable and Accessible Health Coverage Benefits, premiums will no longer be required for children from families with incomes at or below 200% of the federal poverty level. Of the revenues received as a result of sanctions to health maintenance organizations participating in Medicaid Managed Care, an amount not to exceed $500,000 is appropriated to the Managed Care Initiative or NJ KidCare A - Administration account to improve access to medical services and quality care through such activities as outreach, education, and awareness, subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, State funding for the New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as of July 1, 2001, or at such later date as shall be established by the Commissioner of Human Services. Rebates from pharmaceutical manufacturing companies during the current fiscal year for prescription expenditures made to providers on behalf of Medicaid clients are appropriated for the Payments for Medical Assistance Recipients - Prescription Drugs account. Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, no funds appropriated for prescription drugs in the Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance Medical Services account shall be expended except under the following conditions: (a) reimbursement for the cost of all legend and non-legend drugs shall be calculated based on lesser of the Average Wholesale Price less a volume discount not to exceed 17.5% as shall be determined by the Commissioner and the Director of the Division of Budget and Accounting; the federal Maximum Allowable Cost; the State Maximum Allowable Cost; or a pharmacy’s usual and customary charge; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through the current fiscal year, including the current increments for impact allowances as determined by revised qualifying requirements and allowances for 24-hour emergency services; and (c) in the absence of a drug cost comparison program, multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Division of Medical Assistance and Health Services or its
CHAPTER 68, LAWS OF 2010

authorizing agent; however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Review Board or brand name drugs with lower cost per unit than the generic, may be excluded from prior authorization by the Division of Medical Assistance and Health Services.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, the amounts hereinabove appropriated to Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance Medical Services are subject to the following conditions: reimbursement for the cost of certain prescription drugs shall be based on the maximum price which the State shall pay (the “State Maximum Allowable Cost”), which shall be established by the Commissioner of the Department of Human Services. The Commissioner shall establish the State Maximum Allowable Costs for prescription drugs based on cost information and drug acquisition information obtained from suppliers of multisource prescription drugs.

No funding shall be provided from the General Assistance Medical Services or NJ FamilyCare programs for anti-retroviral drugs for the treatment of HIV/AIDS, as specified in the Department of Health and Senior Services' formulary for the AIDS Drugs Distribution Program (ADDP).

Notwithstanding the provisions of any law or regulation to the contrary, the appropriation in the General Assistance Medical Services account hereinabove shall be conditioned upon the following provisions which shall apply to the dispensing of prescription drugs through that account: (a) all Maximum Allowable Cost (MAC) drugs dispensed shall state “Brand Medically Necessary” in the prescriber’s own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs; and (b) each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.). cals not included in the Part D formularies may be subject to prior authorization. The Department of Human Services may require proof of appeal or may appeal the Medicare Part D formulary decision on behalf of a dual-eligible client.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Payments for Medical Assistance Recipients - Prescription Drugs line item shall be expended for the payment of claims for pharmaceuticals not included in the Part D provider formularies of Medicare Part D eligibles unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services providing for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a) - (c). The Division of Medical Assistance and Health Services shall collect and submit utilization and coding information to the Secretary of the United States Department of Health and Human Services for all single source drugs administered by physicians.

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2010 of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 2011, reports on proposed expenditures during the current fiscal year for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting
of block grant expenditures during the prior fiscal year, and shall provide a de­tailed list of contracts awarded to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding in the Division of Medical Assistance and Health Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State Administra-
tive agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development’s agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.
Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding any other law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (hereinafter “SEP”) and the Energy Efficiency and Conservation Block Grant Program (hereinafter “Block Grant Program”), pursuant to the American Recovery and Reinvestment Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as “ARRA”), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such sums as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds received under ARRA are not in their entirety or in part allocated to the specific purposes listed below, to permit flexibility in the handling of appropriations, amounts may be transferred to and from the various items of the appropriations listed below or may be used for such other purposes permitted under ARRA subject to the approval of the Director of the Division of Budget and Accounting and upon the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under part D of title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal funds which are appropriated pursuant to this provision, NJEDA, HMFA, the Office of Energy Savings and the BPU shall prepare and timely submit to the United States Department of Energy the reports required under subsection (c) of section 1512 of Pub.L. 111-5,
including without limitation the detailed information required with respect to all projects or activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean Energy Fund and shall be allocated by the Board of Public Utilities (hereinafter “BPU”) as follows. The BPU shall enter into memoranda of understanding with the applicable agencies listed below which memoranda of understanding shall provide for the transfer of such monies to the applicable agencies for the purposes listed below.

1) $15,000,000 to the New Jersey Economic Development Authority (hereinafter “NJEDA”) for a grant and loan program to be developed and administered by the NJEDA to fund public and private renewable energy, energy efficiency and alternative energy projects, with applications prioritized based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

2) $20,643,000 for a program to be developed and administered by the BPU for grants to State departments, agencies, authorities and public colleges and universities for renewable and energy efficiency projects at such entities, including but not limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage applications, with applications prioritized by an interagency evaluation team consisting of one representative from each of the following, BPU, NJEDA, Office of Economic Growth, Commission on Science and Technology, and the Office of Energy Savings, based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

3) $7,000,000 to the New Jersey Housing Mortgage Finance Agency (hereinafter “HMFA”) for a program to be developed and administered by the HMFA to provide financing for the construction of solar energy projects on qualified multi-family housing financed through the HMFA, such funds to be leveraged with existing State energy rebate programs and the federal investment tax credit, with grants prioritized based on the ability to create jobs, generate energy, provide benefits to property residents and to meet HMFA timeframes, and with HMFA retaining ownership of all related solar renewable energy certificates for the purpose of establishing a revolving fund to support additional solar energy projects at HMFA-supported residential properties;

4) $8,000,000 to the HMFA for a low-interest loan program to be developed and administered by the HMFA for energy efficiency upgrades at single-family and multi-family facilities that are at or below 250% of the area median income (the higher of statewide or county median income) based on a family of four, and affordable multi-family housing owners which meet HMFA’s affordability requirements, and which are not eligible for equivalent financing programs offered by the utilities or the Clean Energy Program;

5) $17,000,000 to the Clean Energy Program for energy efficiency programs administered by the BPU, to be issued to public and private entities on a first-come, first-served basis and specifically targeting customers who are either not
currently eligible for Clean Energy Fund incentives or whose energy consumption patterns do not make them likely applicants; and

(6) $6,000,000 to the Office of Energy Savings in the New Jersey Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons.

b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby appropriated as follows:

(1) $4,160,700 to the Office of Energy Savings in the New Jersey Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons; and

(2) $10,240,000 to the BPU for grants to cities, counties and other local units of government which are not eligible to receive directly from the federal government funds under the Block Grant Program.

2. All dedicated funds are hereby appropriated for their dedicated purposes. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget and Finance Officer, private contributions, revolving funds and dedicated funds received, receivable or estimated to be received for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein. L.101-453 (31 U.S.C. s.6501 et seq.), subject to the approval of the Director of the Division of Budget and Accounting.

7. There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds such sums as may be necessary for the State to comply with the federal “Tax Reform Act of 1986,” Pub. L.99-514 (26 U.S.C. s.1 et seq.), which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

8. There are appropriated from the General Fund, subject to the approval of the Director of the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average rate of earnings during the fiscal year from the State’s general investments, to those bond funds that have borrowed money from the General Fund or other bond funds and that have insufficient resources to accrue and pay the interest expense on such borrowing.

9. In addition to the amounts appropriated hereinabove, such additional sums as may be necessary are appropriated to fund the costs of the collection of debts, taxes and other fees and charges owed to the State, including but not limited to the services of auditors and attorneys and enhanced compliance programs, subject to the approval of the Director of the Division of Budget and Accounting.

The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

17. The following transfer of appropriations rules are in effect for the current fiscal year:

a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, “item of appropriation” means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following
transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

1. Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

2. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account, as defined by major object 6, within an item of appropriation, from or to a different item of appropriation;

3. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

4. Requests for the transfer of State funds, in amounts greater than $50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

5. Requests for the transfer of federal funds, in amounts greater than $300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;

6. Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance subject to the approval of the Director of the Division of
Budget and Accounting. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative or Judicial branches of State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency or necessity under the Other Interdepartmental Accounts program classification and transfers from the appropriations to the various accounts in the category of Salary Increases and Other Benefits, both in the Interdepartmental Accounts, shall not be subject to legislative approval or disapproval.

18. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefore, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

19. The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the presentation of the Governor’s Budget Message and Recommendations that were proposed for this fiscal year.

20. None of the funds appropriated to the Executive Branch of State government for Information Processing, Development, Telecommunications, and Related Services and Equipment shall be available to pay for any of these services or equipment without the review of the Office of Information Technology, and compliance with statewide policies and standards and an approved department Information Technology Strategic Plan; authorization and approval by the Office of Information Technology is required for expenditure of amounts in excess of $2,500, as currently specified by Circular Letter 07-14-0MB/OIT.

21. If the sum provided in this act for a State aid payment pursuant to formula is insufficient to meet the full requirements of the formula, all recipients of State
aid shall have their allocation proportionately reduced, subject to the approval of the Director of the Division of Budget and Accounting.

22. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and the director is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be that officer’s duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

23. The Director of the Division of Budget and Accounting is empowered and it shall be the director’s duty in the disbursement of funds for payment of expenses classified as salary increases and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool, insurance, travel, postage, lease payments on equipment purchases, additions, improvements and equipment, and compensation awards to credit or transfer to the Department of the Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated or credited thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source, or to reimburse the Department of the Treasury, an Interdepartmental account, or the General Fund for reductions made representing statewide savings in the above expense classifications, as the director shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

24. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, or disaster. In addition, there are appropriated such additional sums as may be necessary for emergency repairs and reconstruction of State facilities or property, subject to the approval of the Director of the Division of Budget and Accounting and the Joint Budget Oversight Committee. Appropriations referred to the Joint Budget Oversight Committee shall be deemed approved unless a resolution of disapproval is adopted within 10 working days of receipt of notification of the proposed appropriation.
25. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

26. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

27. Notwithstanding any law to the contrary, should appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Property Tax Relief Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

28. Notwithstanding any law to the contrary, should appropriations in the Casino Revenue Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Casino Revenue Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

29. No funds shall be expended by any State Department in the Executive Branch in connection with a contract for the production of films, videotapes, video conferences, video-assisted training or multi-media projects that include video images unless the New Jersey Public Broadcasting Authority (PBA) has the opportunity to match any successful bid as part of any formal or informal contract award process. This is not a requirement to award a contract to PBA since the decision to award a contract may also be based on non-cost considerations.

30.
