BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1979, c.150 (C.27:25-5) is amended to read as follows:

5. In addition to the powers and duties conferred upon it elsewhere in this act, the corporation may do all acts necessary and reasonably incident to carrying out the objectives of this act, including but not in limitation thereof the following:

a. Sue and be sued;

b. Have an official seal and alter the same at pleasure;

c. Make and alter bylaws for its organization and internal management and for the conduct of its affairs and business;

d. Maintain an office at such place or places within the State as it may determine;

e. Adopt, amend and repeal such rules and regulations as it may deem necessary to effectuate the purposes of this act, which shall have the force and effect of law; it shall publish the same and file them in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) with the Director of the Office of Administrative Law;

f. Call to its assistance and avail itself of the service of such employees of any federal, State, county or municipal department or agency as it may require and as may be available to it for said purpose;

g. Apply for, accept and expend money from any federal, State, county or municipal agency or instrumentality and from any private source; comply
with federal statutes, rules and regulations, and qualify for and receive all
forms of financial assistance available under federal law to assure the continu-
ance of, or for the support or improvement of public transportation and as
may be necessary for that purpose to enter into agreements, including feder-
ally required labor protective agreements;

h. Plan, design, construct, equip, operate, improve and maintain, either
directly or by contract with any public or private entity, public transportation
services, capital equipment and facilities or any parts or functions thereof,
and other transportation projects, or any parts or functions thereof, which
may be funded under section 3 of the federal Urban Mass Transportation Act
of 1964, Pub.L.88-365 (49 U.S.C. s.1602), or any successor or additional
federal act having substantially the same or similar purposes or functions;
the operation of the facilities of the corporation, by the corporation or any
public or private entity, may include appropriate and reasonable limitations
on competition in order that maximum service may be provided most
efficiently to the public;

i. Apply for and accept, from appropriate regulatory bodies, authority
to operate public transportation services where necessary;

j. Purchase, lease as lessee, or otherwise acquire, own, hold, improve,
use and otherwise deal in and with real or personal property, or any interest
therein, from any public or private entity, wherever situated;

k. Lease as lessor, sell or otherwise dispose of on terms which the
corporation may prescribe, real and personal property, including tangible or
intangible property and consumable goods, or any interest therein, to any
public or private entity, in the exercise of its powers and the performance of
its duties under this act. In order to provide or encourage adequate and
efficient public transportation service, the corporation may lease or otherwise
permit the use or occupancy of property without cost or at a nominal rental;

l. Restrict the rights of persons to enter upon or construct any works
in or upon any property owned or leased by the corporation, except under
such terms as the corporation may prescribe; perform or contract for the
performance of all acts necessary for the management, maintenance and
repair of real or personal property leased or otherwise used or occupied
pursuant to this act;

m. Establish one or more operating divisions as deemed necessary.
Upon the establishment of an operating division, there shall be established
a geographically coincident advisory committee to be appointed by the
Governor with the advice and consent of the Senate. The committee shall
consist of county and municipal government representatives and concerned
citizens, in the number and for such terms as may be fixed by the corpora-
tion, and shall advise the corporation as to the public transportation service
provided in the operating division. At least two members of each advisory
committee shall be public transportation riders, including but not limited to urban transit users and suburban commuters as appropriate. One public member from the board of the corporation shall serve as a liaison to each advisory committee;

n. Set and collect fares and determine levels of service for service provided by the corporation either directly or by contract including, but not limited to, such reduced fare programs as deemed appropriate by the corporation; revenues derived from such service may be collected by the corporation and shall be available to the corporation for use in furtherance of any of the purposes of this act;

o. Set and collect rentals, fees, charges or other payments from the lease, use, occupancy or disposition of properties owned or leased by the corporation; such revenues shall be available to the corporation for use in furtherance of any of the purposes of this act;

p. Deposit corporate revenues in interest bearing accounts or in the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c.281 (C.52:18A-90.4);

q. Delegate to subordinate officers of the corporation such powers and duties as the corporation shall deem necessary and proper to carry out the purposes of this act;

r. Procure and enter into contracts for any type of insurance and indemnify against loss or damage to property from any cause, including loss of use and occupancy, against death or injury of any person, against employees' liability, against any act of any member, officer, employee or servant of the corporation, whether part-time, full-time, compensated or noncompensated, in the performance of the duties of his office or employment or any other insurable risk. In addition, the corporation may carry its own liability insurance and may also establish and utilize a wholly-owned insurance subsidiary or captive provided the subsidiary or captive is domiciled in the United States in a state which is accredited by the National Association of Insurance Commissioners and which licenses and regulates wholly-owned insurance subsidiaries or captives;

s. Promote the use of public transportation services, coordinate ticket sales and passenger information and sell, lease or otherwise contract for advertising in or on the equipment or facilities of the corporation;

t. Adopt and maintain employee benefit programs for employees of the corporation including, but not limited to, pension, deferred compensation, medical disability, and death benefits, and which programs may utilize insurance contracts, trust funds, and any other appropriate means of providing the stipulated benefits, and may involve new plans or the continuation of plans previously established by entities acquired by the corporation;
u. Own, vote, and exercise all other rights incidental to the ownership of shares of the capital stock of any incorporated entity acquired by the corporation pursuant to the powers granted by this act;

v. Enter into any and all agreements or contracts, execute any and all instruments, and do and perform any and all acts or things necessary, convenient or desirable for the purposes of the corporation, or to carry out any power expressly or implicitly given in this act;

w. Notwithstanding the provisions of section 17 of P.L.1979, c.150 (C.27:25-17) or any other law to the contrary, (1) issue operating grant anticipation notes which shall be secured and retired from operating assistance grants authorized under section 9 of the federal Urban Mass Transportation Act of 1964, Pub.L.88-365 (49 U.S.C. s.1602), or any successor or additional federal act having substantially the same or similar purposes or functions and (2) issue capital grant anticipation notes which shall be secured and retired from capital assistance grants authorized under section 3 or section 9 of the federal Urban Mass Transportation Act of 1964, Pub.L.88-365 (49 U.S.C. s.1602), or any successor or additional federal act having substantially the same or similar purposes or functions. As used in this subsection, "operating grant anticipation notes" or "capital grant anticipation notes" (hereinafter referred to as "notes") means credit obligations issued in anticipation of these grants. The notes shall be authorized by a resolution or resolutions of the corporation, and may be issued in one or more series and shall bear the date, or dates, bear interest at the rate or rates of interest per annum, be in the denomination or denominations, be in the form, carry the conversion or registration privileges, have the rank or priority, be executed in such manner as the resolution or resolutions require. The notes may be sold at public or private sale at the price or prices and in the manner that the corporation determines. The notes of the corporation, the sale or transfer thereof, and the income derived therefrom by the purchasers of the notes, shall, at all times, be free from taxation for State or local purposes, under any law of the State or any political subdivision thereof. Notes may be issued under the provisions of P.L.1979, c.150 (C.27:25-1 et seq.) without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings, conditions, or things which are specifically required by P.L.1979, c.150 (C.27:25-1 et seq.). The notes issued pursuant to P.L.1979, c.150 (C.27:25-1 et seq.) shall not in any way create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof or of the corporation, except as provided herein.

The notes shall be payable solely from (1) note proceeds, to the extent not disbursed to the corporation, (2) grant payments if, as, and when received from the federal government, and (3) investment earnings on note proceeds,
to the extent not disbursed to the corporation. Each note shall contain on its face a statement to the effect that the corporation is obligated to pay the principal thereof or the interest thereon only from these grants to the corporation and from the proceeds of the notes and investment earnings on the proceeds of the notes, to the extent not disbursed to the corporation, and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof or of the corporation is pledged to the payment of the principal and interest on these notes. Neither the members of the corporation's board nor any person executing the transactions are personally liable on those notes nor are they otherwise liable for their actions; and

x. Enter into agreements with a public or private entity or consortia thereof to provide for the development of demonstration projects through the use of public-private partnerships pursuant to sections 1 through 9 of P.L.1997, c.136 (C.27:1D-1 through C.27:1D-9).

2. Section 6 of P.L.1968, c.234 (C.17:32-21) is amended to read as follows:

C.17:32-21 Nonapplicability of act.

6. The provisions of this act shall not be construed to apply to:

(a) The investigation, settlement or litigation of claims under any policy of insurance of any kind lawful when written in this State, or liquidation of the assets and liabilities of an insurer (other than the collection of new premiums) resulting from the operations of an insurer within this State which were lawful when conducted;

(b) Transactions involving any policy of insurance of any kind, subsequent to the issuance thereof, covering only subjects of insurance not resident, located or expressly to be performed in this State at the time of issuance, and lawfully solicited, written and delivered outside this State;

(c) The continuation and servicing of life insurance or accident or health insurance policies or annuity contracts remaining in force as to residents of this State when the insurer has withdrawn from this State and is not collecting new premiums within or from this State;

(d) The lawful transaction of contracts of reinsurance by insurers;

(e) Transactions involving group life insurance, group or blanket accident and health insurance, and group annuities where the master policy for such groups was lawfully issued and delivered in a state in which the insurer is duly admitted, and such policy conforms to the laws of the state in which it is delivered;

(f) Any life insurance company organized and operated without profit to any private shareholder or individual and exclusively for the purpose of aiding educational or scientific institutions organized and operated without profit to any private shareholder or individual, which issues residents of this
State directly from its home office without agents, representatives or other field operations in this State, contracts of insurance and annuity contracts only to or for the benefit of such institutions and to individuals engaged in the service of such institutions; nor shall this subsection apply to any life, accident and health or annuity contracts issued by such life insurance company, provided that any such life insurance company shall: (1) furnish to the commissioner a copy of any policy or contract form issued to residents of this State; (2) furnish to the commissioner a copy of its annual statement prepared pursuant to the laws of the state of domicile of such life insurance company, as well as such other reports, documents and financial material as may be requested by the commissioner; and (3) designate the commissioner as its true and lawful attorney upon whom may be served all lawful process in any action or proceeding against such life insurance company arising under any contract of insurance or annuity contract it has issued to, or which is held by, a resident of this State and process so served against such life insurance company shall have the same force and validity as if served upon said life insurance company; and provided further that the commissioner may, if in his judgment the interest of the public so requires, promulgate regulations affecting the contracts, investments, or other aspects of the operations of companies covered by this subparagraph (f), which shall be not more restrictive than the laws and regulations applicable to admitted life insurance companies;

(g) Insurance of vessels, crafts or hulls, cargoes, marine builder risks, marine protection and indemnity or other risks including strike and war risks commonly insured under ocean or wet marine forms of policy;

(h) Any wholly-owned insurance subsidiary or captive established by New Jersey Transit Corporation pursuant to subsection r. of section 5 of P.L.1979, c.150 (C.27:25-5).

3. This act shall take effect immediately.

Approved March 26, 2004.

CHAPTER 2

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.40:55D-137 Short title.

1. Sections 1 through 27 of this act shall be known and may be cited as the "State Transfer of Development Rights Act."

C.40:55D-138 Findings, declarations relative to transfer of development rights by municipalities.

2. The Legislature finds and declares that as the most densely populated state in the nation, the State of New Jersey is faced with the challenge of accommodating vital growth while maintaining the environmental integrity, preserving the natural resources, and strengthening the agricultural industry and cultural heritage of the Garden State; that the responsibility for meeting this challenge falls most heavily upon local government to appropriately shape the land use patterns so that growth and preservation become compatible goals; that until now municipalities in most areas of the State have lacked effective and equitable means by which potential development may be transferred from areas where preservation is most appropriate to areas where growth can be better accommodated and maximized; and that the tools necessary to meet the challenge of balanced growth in an equitable manner in New Jersey must be made available to local government as the architects of New Jersey's future.

The Legislature further finds and declares that the "Burlington County Transfer of Development Rights Demonstration Act," P.L.1989, c.86 (C.40:55D-113 et al.), was enacted in 1989 as a pilot transfer of development rights (TDR) program to demonstrate the feasibility of TDR as a land use planning tool; and that the Burlington County pilot program has been a success and should now be expanded to the remainder of the State of New Jersey in a manner that is fair and equitable to all landowners.

The Legislature therefore determines that it is in the public interest to authorize all municipalities in the State to establish and implement TDR programs.

C.40:55D-139 Transfer of development potential within jurisdiction.

3. a. The governing body of any municipality that fulfills the criteria set forth in section 4 of P.L.2004, c.2 (C.40:55D-140) may, by ordinance approved by the county planning board, provide for the transfer of development potential within its jurisdiction. The governing bodies of two or more municipalities that fulfill the criteria set forth in section 4 of P.L.2004, c.2 (C.40:55D-140) may, by substantially similar ordinances approved by their respective county planning boards, provide for a joint program for the transfer of development potential, including transfers from sending zones in one municipality to receiving zones in the other, regardless of whether or not those municipalities are situated within the same county. Any such program shall be carried out by the municipal planning board or boards.
A program may include the designation of one or more sending or receiving zones.

b. The Office of Smart Growth shall provide such technical assistance as may be requested by municipalities or a county planning board, and as may be reasonably within the capacity of the office to provide, in the preparation, implementation or review, as the case may be, of the master plan elements required to have been adopted by the municipality as a condition for adopting a development transfer ordinance pursuant to section 4 of P.L.2004, c.2 (C.40:55D-140), capital improvement program or development transfer ordinance.

C.40:55D-140 Actions prior to adoption, amendment.

4. Prior to the adoption or amendment of any development transfer ordinance, a municipality shall:

a. Adopt a development transfer plan element of its master plan pursuant to paragraph (14) of subsection b. of section 19 of P.L.1975, c.291 (C.40:55D-28) in accordance with the requirements of section 5 of P.L.2004, c.2 (C.40:55D-141);

b. Adopt a capital improvement program pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29) for the receiving zone, which includes the location and cost of all infrastructure and a method of cost sharing if any portion of the cost is to be assessed against developers pursuant to section 30 of P.L.1975, c.291 (C.40:55D-42);

c. Adopt a utility service plan element of the master plan pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) that specifically addresses providing necessary utility services within any designated receiving zone within a specified time period so that no development seeking to utilize development potential transfer is unreasonably delayed because utility services are not available;

d. Prepare a real estate market analysis pursuant to section 12 of P.L.2004, c.2 (C.40:55D-148) which examines the relationship between the development rights anticipated to be generated in the sending zones and the capacity of designated receiving zones to accommodate the necessary development; and

e. Either receive approval of: (1) its initial petition for endorsement of its master plan by the State Planning Commission pursuant to P.L.1985, c.398 (C.52:18A-196 et seq.) and regulations adopted pursuant thereto either individually, or as part of a county or regional plan, provided that the petition included the development transfer ordinance and supporting documentation, or (2) the development transfer ordinance and supporting documentation as an amendment to a previously approved petition for master plan endorse
ment by the State Planning Commission pursuant to P.L.1985, c.398 (C.52:18A-196 et seq.) and regulations adopted pursuant thereto.

C.40:55D-141 Development transfer plan element, required inclusions.

5. In order to serve as the basis for a development transfer ordinance pursuant to subsection a. of section 4 of P.L.2004, c.2 (C.40:55D-140), a development transfer plan element of a master plan shall include:
   a. an estimate of the anticipated population and economic growth in the municipality for the succeeding 10 years;
   b. the identification and description of all prospective sending and receiving zones;
   c. an analysis of how the anticipated population growth estimated pursuant to subsection a. of this section is to be accommodated within the municipality in general, and the receiving zone or zones in particular;
   d. an estimate of existing and proposed infrastructure of the proposed receiving zone;
   e. a presentation of the procedure and method for issuing the instruments necessary to convey the development potential from the sending zone to the receiving zone; and
   f. explicit planning objectives and design standards to govern the review of applications for development in the receiving zone in order to facilitate their review by the approving authority.

C.40:55D-142 Procedure for municipality located in pinelands area.

6. a. Any municipality located in whole or in part in the pinelands area, as defined in the "Pinelands Protection Act," P.L.1979, c.111 (C.13:18A-1 et seq.), shall submit the proposed development transfer ordinance, development transfer and utility service plan elements of the master plan, real estate market analysis, and capital improvement program to the Pinelands Commission for review for those areas included in that proposed ordinance that are situated within the pinelands area. The Pinelands Commission shall determine whether the proposed ordinance is compatible with the provisions of the "Pinelands Development Credit Bank Act," P.L.1985, c.310 (C.13:18A-30 et seq.) and is otherwise consistent with the comprehensive management plan adopted by the Pinelands Commission pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.). If the commission determines that the proposed development transfer ordinance is not compatible or consistent, the commission shall make such recommendations as may be necessary to conform the proposed ordinance with the comprehensive management plan. The municipality shall not adopt the proposed ordinance unless the changes recommended by the Pinelands Commission have been included in the ordinance.
b. No development transfer ordinance that involves land in the pinelands area shall take effect unless it has been certified by the Pinelands Commission pursuant to the provisions of the "Pinelands Protection Act," P.L.1979, c.111 (C.13:18A-1 et seq.) and the comprehensive management plan.

C.40:55D-143 Preparation, amendment of development transfer ordinance.

7. A municipality which provides for the transfer of development as set forth in section 3 of P.L.2004, c.2 (C.40:55D-139) shall prepare or amend a development transfer ordinance that designates sending and receiving zones and is substantially consistent with or designed to effectuate the development transfer plan element of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and the capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29).

A governing body that chooses to adopt an ordinance or amendment or revision thereto which in whole or in part is inconsistent with the development transfer plan element of the master plan or the capital improvement program may do so only by affirmative vote of a majority of the full authorized membership of the governing body, with the reasons of the governing body for so acting set forth in a resolution and recorded in its minutes when adopting such an ordinance.

In creating and establishing sending and receiving zones, the governing body of the municipality shall designate tracts of land of such size and number and with such boundaries, densities and permitted uses as may be necessary to carry out the purposes of P.L.2004, c.2 (C.40:55D-137 et al.).

The adoption or amendment of a development transfer ordinance shall be considered a change to the classifications or boundaries of a zoning district and therefore subject to the notification requirements of section 2 of P.L.1995, c.249 (C.40:55D-62.1).

C.40:55D-144 Characteristics of sending zone.

8. a. A sending zone shall be composed predominantly of land having one or more of the following characteristics:

(1) agricultural land, woodland, floodplain, wetlands, threatened or endangered species habitat, aquifer recharge area, recreation or park land, waterfront, steeply sloped land or other lands on which development activities are restricted or precluded by duly enacted local laws or ordinances or by laws or regulations adopted by federal or State agencies;

(2) land substantially improved or developed in a manner so as to present a unique and distinctive aesthetic, architectural, or historical point of interest in the municipality;

(3) other improved or unimproved areas that should remain at low densities for reasons of inadequate transportation, sewerage or other infra
structure, or for such other reasons as may be necessary to implement the State Development and Redevelopment Plan adopted pursuant to P.L.1985, c.398 (C.52:18A-196 et al.) and local or regional plans.

b. Notwithstanding subsection a. of this section, lands permanently restricted through development easements or conservation easements existing prior to the adoption of a development transfer ordinance may be included in a sending zone upon a finding by the municipal governing body that this inclusion is in the public interest.

c. The development transfer ordinance may assign bonus development potential to specified properties in the sending zone based on specified criteria in order to encourage the permanent protection of those lands pursuant to the development transfer ordinance.

9. a. A receiving zone shall be appropriate and suitable for development and shall be at least sufficient to accommodate all of the development potential of the sending zone, and at all times there shall be a reasonable likelihood that a balance is maintained between sending zone land values and the value of the transferable development potential.

b. The development potential of the receiving zone shall be realistically achievable, considering: (1) the availability of all necessary infrastructure; (2) all of the provisions of the zoning ordinance including those related to density, lot size and bulk requirements; and (3) given local land market conditions as of the date of the adoption of the development transfer ordinance.

c. The development potential of the receiving zone shall be consistent with the criteria established pursuant to subsection b. of section 13 of P.L.2004, c.2 (C.40:55D-149).

d. All infrastructure necessary to support the development of the receiving zone as set forth in the zoning ordinance shall either exist or be scheduled to be provided so that no development requiring the purchase of transferable development potential shall be unreasonably delayed because the necessary infrastructure will not be available due to any action or inaction by the municipality.

e. No density increases may be achieved in a receiving zone without the use of appropriate instruments of transfer.

10. Except as otherwise provided in this section, a development transfer ordinance shall provide that, on granting a variance under subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70) that increases the development potential of a parcel of property not in the designated receiving zone for which the variance has been granted by more than 5%, that parcel of property
shall constitute a receiving zone and the provisions of the ordinance for receiving zones shall apply with respect to the amount of development potential required to implement that variance.

This section shall not apply to any development that fulfills the definition of a minor site plan or minor subdivision.

C.40:55D-147 Issuance of instruments, adoption of procedures relative to land use.

11. a. A development transfer ordinance shall provide for the issuance of such instruments as may be necessary and the adoption of procedures for recording the permitted use of the land at the time of the recording, the separation of the development potential from the land, and the recording of the allowable residual use of the land upon separation of the development potential.

b. A development transfer ordinance shall specifically provide that upon the transfer of development potential from a sending zone, the owner of the property from which the development potential has been transferred shall cause a statement containing the conditions of the transfer and the terms of the restrictions of the use and development of the land to be attached to and recorded with the deed of the land in the same manner as the deed was originally recorded. These restrictions and conditions shall state that any development inconsistent therewith is expressly prohibited, shall run with the land, and shall be binding upon the landowner and every successor in interest thereto.

c. The restrictions shall be expressly enforceable by the municipality and the county in which the property is located, any interested party, and the State of New Jersey.

d. All development potential transfers shall be recorded in the manner of a deed in the book of deeds in the office of the county clerk or county register of deeds and mortgages, as appropriate. This recording shall specify the lot and block number of the parcel in the sending zone from which the development potential was transferred and the lot and block number of the parcel in the receiving zone to which the development potential was transferred.

e. All development potential transfers also shall be recorded with the State Transfer of Development Rights Bank in the Development Potential Transfer Registry as required pursuant to section 5 of P.L.1993, c.339 (C.4:1C-53).

C.40:55D-148 Real estate market analysis.

12. a. Prior to the final adoption of a development transfer ordinance or any significant amendment to an existing development transfer ordinance, the planning board shall conduct a real estate market analysis of the current and future land market which examines the relationship between the devel-
development rights anticipated to be generated in the sending zone and the likelihood of their utilization in the designated receiving zone. The analysis shall include thorough consideration of the extent of development projected for the receiving zone and the likelihood of its achievement given current and projected market conditions in order to assure that the designated receiving zone has the capacity to accommodate the development rights anticipated to be generated in the sending zone. The real estate market analysis shall conform to rules and regulations adopted pursuant to subsection c. of this section.

b. Upon completion of the real estate market analysis and at a meeting of the planning board held prior to the meeting at which the development transfer ordinance receives first reading, the planning board shall hold a hearing on the real estate market analysis.

The hearing shall be held in accordance with the provisions of subsections a. through f. of section 6 of P.L.1975, c.291 (C.40:55D-10).

C.40:55D-149 Submission by municipality prior to adoption of ordinance to county planning board.

13. a. Prior to adoption of a development transfer ordinance or of any amendment of an existing development transfer ordinance, the municipality shall submit a copy of the proposed ordinance, copies of the development transfer and utility service plan elements of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29), proposed municipal master plan changes necessary for the enactment of the development transfer ordinance, and the real estate market analysis to the county planning board. If the ordinance and master plan changes involve agricultural land, then the county agriculture development board shall also be provided information identical to that provided to the county planning board.

b. The county planning board, upon receiving the proposed development transfer ordinance and accompanying documentation, shall conduct a review of the proposed ordinance with regard to the following criteria:

(1) consistency with the adopted master plan of the county;

(2) support of regional objectives for agricultural land preservation, natural resource management and protection, historic or architectural conser
vation, or the preservation of other public values as enumerated in subsection a. of section 8 of P.L.2004, c.2 (C.40:55D-144);
(3) consistency with reasonable population and economic forecasts for the county; and
(4) sufficiency of the receiving zone to accommodate the development potential that may be transferred from sending zones and a reasonable assurance of marketability of any instruments of transfer that may be created.

C.40:55D-150 Formal comments, recommendation of county planning board.

14. a. Within 60 days after receiving a proposed development transfer ordinance and accompanying documentation transmitted pursuant to section 13 of P.L.2004, c.2 (C.40:55D-149), the county planning board shall submit to the municipality formal comments detailing its review and shall either recommend or not recommend enactment of the proposed development transfer ordinance. If enactment of the proposed ordinance is recommended, the municipality may proceed with adoption of the ordinance. Failure to submit recommendations within the 60-day period shall constitute recommendation of the ordinance.
   b. The CADB shall review a proposed development transfer ordinance and accompanying documentation within 30 days of receipt thereof, and shall submit such written recommendations as it deems appropriate, to the county planning board.
   c. If the county planning board does not recommend enactment, the reasons therefor shall be clearly stated in the formal comments. If the objections of the county planning board cannot be resolved to the satisfaction of both the municipality and the county planning board within an additional 30 days, the municipality shall petition the Office of Smart Growth to render a final determination pursuant to section 15 of P.L.2004, c.2 (C.40:55D-151).

C.40:55D-151 Review by Office of Smart Growth.

15. When the Office of Smart Growth receives a petition pursuant to subsection c. of section 14 of P.L.2004, c.2 (C.40:55D-150), it shall review the petition, the record of comment of the county planning board, any supporting documentation submitted by the municipality, and any comments received from property owners in the sending or receiving zones and other members of the public. Within 60 days after receipt of the petition, the Office of Smart Growth shall approve, approve with conditions, or disapprove the proposed development transfer ordinance, stating in writing the reasons therefor. The basis for review by the Office of Smart Growth shall be:
   a. compliance of the proposed development transfer ordinance with the provisions of P.L.2004, c.2 (C.40:55D-137 et al.);
b. accuracy of the information developed in the proposed development transfer ordinance, the development transfer and utility service plan elements of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28), the real estate market analysis and capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29);

c. an assessment of the potential for successful implementation of the proposed development transfer ordinance; and

d. consistency with any plan that applies to the municipality that has been endorsed by the State Planning Commission pursuant to P.L.1985, c.398 (C.52:18A-196 et al.) and its implementing regulations.

C.40:55D-152 Approval of municipal petition; appeal.

16. If the Office of Smart Growth determines, in response to a municipal petition submitted pursuant to subsection c. of section 14 of P.L.2004, c.2 (C.40:55D-150), that the proposed development transfer ordinance may be approved, the municipality may proceed with adoption of the proposed ordinance. If the Office of Smart Growth determines that the proposed ordinance may be approved with conditions, the Office of Smart Growth shall make such recommendations as may be necessary for the proposed ordinance to be approved. The municipality shall not adopt the proposed ordinance unless the changes recommended by the Office of Smart Growth have been included in the proposed ordinance. If the Office of Smart Growth determines that the development transfer ordinance should be disapproved, the municipality may not proceed with adoption of the proposed ordinance.

The decision by the Office of Smart Growth on the petition shall have the effect of a final agency action and any appeal of that decision shall be made directly to the Appellate Division of the Superior Court.

C.40:55D-153 Transmission of record of transfer; assessment; taxation.

17. a. The county clerk or county register of deeds and mortgages, as the case may be, shall transmit to the assessor of the municipality in which a development potential transfer has occurred a record of the transfer and all pertinent information required to value, assess, and tax the properties subject to the transfer in a manner consistent with subsection b. of this section.

b. Property from which and to which development potential has been transferred shall be assessed at its fair market value reflecting the development transfer. Development potential that has been removed from a sending zone but has not yet been employed in a receiving zone shall not be assessed for real property taxation. Nothing in P.L.2004, c.2 (C.40:55D-137 et al.) shall be construed to affect, or in any other way alter, the valuation assessment, or taxation of land that is valued, assessed, and taxed pursuant to the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.).
c. Property in a sending or receiving zone that has been subject to a development potential transfer shall be newly valued, assessed, and taxed as of October 1 next following the development potential transfer.

d. Development potential that has been conveyed from a property pursuant to P.L.2004, c.2 (C.40:55D-137 et al.) shall not be subject to any fee imposed pursuant to P.L.1968, c.49 (C.46:15-5 et seq.).

C.40:55D-154 Rebuttable presumption that development transfer ordinance is no longer reasonable.

18. The absence of either of the following shall constitute a rebuttable presumption that a development transfer ordinance is no longer reasonable:
   a. plan endorsement pursuant to P.L.1985, c.398 (C.52:18A-196 et seq.) or regulations adopted pursuant thereto is no longer in effect for that municipality; or
   b. a sufficient percentage of the development potential has not been transferred in that municipality as provided in section 20 of P.L.2004, c.2 (C.40:55D-156).

If the ordinance of a municipality that is a participant of a joint program pursuant to section 3 of P.L.2004, c.2 (C.40:55D-139) is presumed to be no longer reasonable pursuant to this section, then the ordinances of all participating municipalities also shall be presumed to be no longer reasonable.

C.40:55D-155 Review by planning board, governing body after three years.

19. A development transfer ordinance and real estate market analysis shall be reviewed by the planning board and governing body of the municipality at the end of three years subsequent to its adoption. This review shall include an analysis of development potential transactions in both the private and public market, an update of current conditions in comparison to the development transfer plan element of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29), and an assessment of the performance goals of the development transfer program, including an evaluation of the units constructed with and without the utilization of the development transfer ordinance. A report of findings from this review shall be submitted to the county planning board, the Office of Smart Growth and, when the sending zone includes agricultural land, the CADB for review and recommendations. Based on this review the municipality shall act to maintain and enhance the value of development transfer potential not yet utilized and, if necessary, amend the capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29), the development transfer plan element of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and the development transfer ordinance adopted pursuant to P.L.2004, c.2 (C.40:55D-137 et al.).
CHAPTER 2, LAWS OF 2004

31

C.40:55D-156 Review after five years.

20. A development transfer ordinance and the real estate market analysis also shall be reviewed by the planning board and governing body of the municipality at the end of five years subsequent to its adoption. This review shall provide for the examination of the development transfer ordinance and the real estate market analysis to determine whether the program for development transfer and the permitted uses in the sending zone continue to remain economically viable, and, if not, an update of the development transfer plan element of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29) shall be required. If at least 25% of the development potential has not been transferred at the end of this five-year period, the development transfer ordinance shall be presumed to be no longer reasonable, including any zoning changes adopted as part of the development transfer program, within 90 days after the end of the five-year period unless one of the following is met:

a. the municipality immediately takes action to acquire or provide for the private purchase of the difference between the development potential already transferred and 25% of the total development transfer potential created in the sending zone under the development transfer ordinance;

b. a majority of the property owners in a sending zone who own land from which the development potential has not yet been transferred agree that the development transfer ordinance should remain in effect;

c. the municipality can demonstrate either future success or can demonstrate that low levels of development potential transfer activity are due, not to ordinance failure, but to low levels of development demand in general. This demonstration shall require the concurrence of the county planning board and the Office of Smart Growth, and shall be the subject of a municipal public hearing conducted prior to a final determination regarding the future viability of the development transfer program; or

d. the municipality can demonstrate that less than 25% of the remaining development potential in the sending zone has been available for sale at market value during the five-year period.

C.40:55D-157 Periodic reviews.

21. Following review of a development transfer ordinance as provided in section 20 of P.L.2004, c.2 (C.40:55D-156), the planning board and the governing body of the municipality shall review the development transfer ordinance and real estate market analysis at least once every five years with every second review occurring in conjunction with the review and update of the master plan of the municipality pursuant to the provisions of section 76 of P.L.1975, c.291 (C.40:55D-89). This review shall provide for the
examination of the ordinance and the real estate market analysis to determine whether the program and uses permitted in the sending zone continue to be economically viable and, if not, an update of the development transfer plan element of the master plan adopted pursuant to section 19 of P.L.1975, c.291 (C.40:55D-28) and capital improvement program adopted pursuant to section 20 of P.L.1975, c.291 (C.40:55D-29) shall be required.

If 25% of the remaining development transfer potential at the start of each five-year review period in the sending zone under the development transfer ordinance has not been transferred during the five-year period, the municipal governing body shall repeal the development transfer ordinance, including any zoning changes adopted as part of the development transfer program, within 90 days after the end of that five-year period unless the municipality meets one of the standards established pursuant to section 20 of P.L.2003, c.2 (C.40:55D-156).

22. a. The governing body of any municipality that has adopted a development transfer ordinance, or the governing body of any county in which at least one municipality has adopted a development transfer ordinance, may provide for the purchase, sale, or exchange of the development potential that is available for transfer from a sending zone by the establishment of a development transfer bank. Alternatively, the governing body of any municipality which has adopted a development transfer ordinance and has not established a municipal development transfer bank may either utilize the State TDR Bank or a county development transfer bank for these purposes, provided that the county in which the municipality is situated has established such a bank.

b. Any development transfer bank established by a municipality or county shall be governed by a board of directors comprising five members appointed by the governing body of the municipality or county, as the case may be. The members shall have expertise in either banking, law, land use planning, natural resource protection, historic site preservation or agriculture. For the purposes of P.L.2004, c.2 (C.40:55D-137 et al.) and the "Local Bond Law," N.J.S.40A:2-1 et seq., a purchase by the bank shall be considered an acquisition of lands for public purposes.

C.40:55D-159 Purchase by development transfer bank.

23. a. A development transfer bank may purchase property in a sending zone if adequate funds have been provided for these purposes and the person from whom the development potential is to be purchased demonstrates possession of marketable title to the property, is legally empowered to restrict the use of the property in conformance with P.L.2004, c.2 (C.40:55D-137...
et al.), and certifies that the property is not otherwise encumbered or transferred.

b. The development transfer bank may, for the purposes of its own development potential transactions, establish a municipal average of the value of the development potential of all property in a sending zone of a municipality within its jurisdiction, which value shall generally reflect market value prior to the effective date of the development transfer ordinance. The establishment of this municipal average shall not prohibit the purchase of development potential for any price by private sale or transfer, but shall be used only when the development transfer bank itself is purchasing the development potential of property in the sending zone. Several average values in any sending zone may be established for greater accuracy of valuation.

c. The development transfer bank may sell, exchange, or otherwise convey the development potential of property that it has purchased or otherwise acquired pursuant to the provisions of P.L.2004, c.2 (C.40:55D-137 et al.), but only in a manner that does not substantially impair the private sale or transfer of development potential.

d. When a sending zone includes agricultural land, a development transfer bank shall, when considering the purchase of development potential based upon values derived by municipal averaging, submit the municipal average arrived at pursuant to subsection b. of this section for review and comment to the CADB. The development transfer bank shall coordinate the development transfer program with the farmland preservation programs established pursuant to the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et al.) and the "Garden State Preservation Trust Act," sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.) to the maximum extent practicable and feasible.

e. A development transfer bank may apply for funds for the purchase of development potential under the provisions of sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.), or any other act providing funds for the purpose of acquiring and developing land for recreation and conservation purposes consistent with the provisions and conditions of those acts.

f. A development transfer bank may apply for matching funds for the purchase of development potential under the provisions of the "Garden State Preservation Trust Act," sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.) for the purpose of farmland preservation and agricultural development consistent with the provisions and conditions of that act and the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et al.). In addition, a development transfer bank may apply to the State Transfer of Development Rights Bank established pursuant to section 3 of P.L.1993, c.339 (C.4:1C-51) for either planning or development potential purchasing...
funds, or both, as provided pursuant to section 4 of P.L.1993, c.339 (C.4:1C-52).

C.40:55D-160 Sale of development potential associated with development easement.

24. If the governing body of a county provides for the acquisition of a development easement under the provisions of the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et al.) or the "Garden State Preservation Trust Act," sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.), it may sell the development potential associated with the development easement subject to the terms and conditions of the development transfer ordinance adopted pursuant to P.L.2004, c.2 (C.40:55D-137 et al.); provided that if the development easement was purchased using moneys provided pursuant to the "Garden State Preservation Trust Act," sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.), a percentage of all revenues generated through the resale of the development potential shall be refunded to the State in an amount equal to the State's percentage contribution to the original development easement purchase. Notwithstanding the foregoing, such refund shall not be paid to the State in the event the State Treasurer determines that such refund would adversely affect the tax-exempt status of any bonds authorized pursuant to the "Garden State Preservation Trust Act," sections 1 through 42 of P.L.1999, c.152 (C.13:8C-1 et seq.). This repayment shall be made within 90 days after the end of the calendar year in which the sale occurs.

C.40:55D-161 Right to farm benefits.

25. Agricultural land involved in an approved development transfer ordinance shall be provided the right to farm benefits under the "Right to Farm Act," P.L.1983, c.31 (C.4:1C-1 et al.) and other benefits that may be provided pursuant to the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et seq.).

C.40:55D-162 Annual report by municipality to county; county to State.

26. a. The governing body of a municipality that adopts a development transfer ordinance shall annually prepare and submit a report on activity undertaken pursuant to the development transfer ordinance to the county planning board.

b. The county planning board shall submit copies of these reports along with an analysis of the effectiveness of the ordinances in achieving the purposes of P.L.2004, c.2 (C.40:55D-137 et al.) to the State Planning Commission on July 1 of the third year next following enactment of P.L.2004, c.2 (C.40:55D-137 et al.) and annually thereafter.

C.40:55D-163 Construction of act relative to Burlington County municipalities.

27. a. Except as provided otherwise pursuant to subsections b. and c. of this section, the provisions of P.L.2004, c.2 (C.40:55D-137 et al.) shall not
apply or be construed to nullify any development transfer ordinance adopted by a municipality in Burlington County pursuant to P.L.1989, c.86 (C.40:55D-113 et al.) prior to the effective date of P.L. 2004, c.2 (C.40:55D-137 et al.).

c. Any municipality in Burlington County may utilize a development transfer bank established by the municipality or county pursuant to P.L. 2004, c.2 (C.40:55D-137 et al.), by the municipality or Burlington County pursuant to P.L. 1989, c.86 (C.40:55D-113 et al.), or by the State pursuant to P.L. 1993, c.339 (C.4:1C-49 et seq.) or P.L. 2004, c.2 (C.40:55D-137 et al.).

28. Section 24 of P.L. 1983, c.32 (C.4:1C-31) is amended to read as follows:

C.4:1C-31 Development easement purchases.

24. a. Any landowner applying to the board to sell a development easement pursuant to section 17 of P.L. 1983, c.32 (C.4:1C-24) shall offer to sell the development easement at a price which, in the opinion of the landowner, represents a fair value of the development potential of the land for nonagricultural purposes, as determined in accordance with the provisions of P.L. 1983, c.32.

b. Any offer shall be reviewed and evaluated by the board and the committee in order to determine the suitability of the land for development easement purchase. Decisions regarding suitability shall be based on the following criteria:

(1) Priority consideration shall be given, in any one county, to offers with higher numerical values obtained by applying the following formula:

\[
\frac{\text{nonagricultural} - \text{agricultural} - \text{landowner's developmental value}}{\text{asking price}}
\]

\[
\nonagricultural - \text{agricultural development value} \times \text{value}
\]

(2) The degree to which the purchase would encourage the survivability of the municipally approved program in productive agriculture; and

(3) The degree of imminence of change of the land from productive agriculture to nonagricultural use.
The board and the committee shall reject any offer for the sale of development easements which is unsuitable according to the above criteria and which has not been approved by the board and the municipality.

c. Two independent appraisals paid for by the board shall be conducted for each parcel of land so offered and deemed suitable. The appraisals shall be conducted by independent, professional appraisers selected by the board and the committee from among members of recognized organizations of real estate appraisers. The appraisals shall determine the current overall value of the parcel for nonagricultural purposes, as well as the current market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the development easement.

If Burlington County or a municipality therein has established a development transfer bank pursuant to the provisions of P.L.1989, c.86 (C.40:55D-113 et seq.) or if any county or any municipality in any county has established a development transfer bank pursuant to section 22 of P.L.2004, c.2 (C.40:55D-158), the municipal average of the value of the development potential of property in a sending zone established by the bank may be the value used by the board in determining the value of the development easement. If a development easement is purchased using moneys appropriated from the fund, the State shall provide no more than 80%, except 100% under emergency conditions specified by the committee pursuant to rules or regulations, of the cost of the appraisals conducted pursuant to this section.

d. Upon receiving the results of the appraisals, or in Burlington county or a municipality therein or elsewhere where a municipal average has been established under subsection c. of this section, upon receiving an application from the landowners, the board and the committee shall compare the appraised value, or the municipal average, as the case may be, and the landowner's offer and, pursuant to the suitability criteria established in subsection b. of this section:

(1) Approve the application to sell the development easement and rank the application in accordance with the criteria established in subsection b. of this section; or

Such program may encompass major projects being currently undertaken or future projects to be undertaken, with federal, State, county and other public funds or under federal, State or county supervision. The first year of such program shall, upon adoption by the governing body, constitute the capital budget of the municipality as required by N.J.S.40A:4-43 et seq. The program shall classify projects in regard to the urgency and need for realization, and shall recommend a time sequence for their implementation. The program may also contain the estimated cost of each project and indicate probable operating and maintenance costs and probable revenues, if any, as well as existing sources of funds or the need for additional sources of funds for the implementation and operation of each project. The program shall, as far as possible, be based on existing information in the possession of the departments and agencies of the municipality and shall take into account public facility needs indicated by the prospective development shown in the master plan of the municipality or as permitted by other municipal land use controls.

39. Section 52 of P.L.1975, c.291 (C.40:55D-65) is amended to read as follows:

C.40:55D-65 Contents of zoning ordinance.

52. A zoning ordinance may:

a. Limit and restrict buildings and structures to specified districts and regulate buildings and structures according to their type and the nature and
extent of their use, and regulate the nature and extent of the use of land for trade, industry, residence, open space or other purposes.

b. Regulate the bulk, height, number of stories, orientation, and size of buildings and the other structures; the percentage of lot or development area that may be occupied by structures; lot sizes and dimensions; and for these purposes may specify floor area ratios and other ratios and regulatory techniques governing the intensity of land use and the provision of adequate light and air, including, but not limited to the potential for utilization of renewable energy sources.

c. Provide districts for planned developments; provided that an ordinance providing for approval of subdivisions and site plans by the planning board has been adopted and incorporates therein the provisions for such planned developments in a manner consistent with article 6 of P.L.1975, c.291 (C.40:55D-37 et seq.). The zoning ordinance shall establish standards governing the type and density, or intensity of land use, in a planned development. Said standards shall take into account that the density, or intensity of land use, otherwise allowable may not be appropriate for a planned development. The standards may vary the type and density, or intensity of land use, otherwise applicable to the land within a planned development in consideration of the amount, location and proposed use of open space; the location and physical characteristics of the site of the proposed planned development; and the location, design and type of dwelling units and other uses. Such standards may provide for the clustering of development between noncontiguous parcels and may, in order to encourage the flexibility of density, intensity of land uses, design and type, authorize a deviation in various clusters from the density, or intensity of use, established for an entire planned development. The standards and criteria by which the design, bulk and location of buildings are to be evaluated shall be set forth in the zoning ordinance and all standards and criteria for any feature of a planned development shall be set forth in such ordinance with sufficient certainty to provide reasonable criteria by which specific proposals for planned development can be evaluated.

d. Establish, for particular uses or classes of uses, reasonable standards of performance and standards for the provision of adequate physical improvements including, but not limited to, off-street parking and loading areas, marginal access roads and roadways, other circulation facilities and water, sewerage and drainage facilities; provided that section 41 of P.L.1975, c.291 (C.40:55D-53) shall apply to such improvements.

e. Designate and regulate areas subject to flooding (1) pursuant to P.L.1972, c.185 (C.58:16A-55 et seq.) or (2) as otherwise necessary in the absence of appropriate flood hazard area designations pursuant to P.L.1962, c.19 (C.58:16A-50 et seq.) or floodway regulations pursuant to P.L.1972,
c.185 or minimum standards for local flood fringe area regulation pursuant to P.L.1972, c.185.
   g. Provide for senior citizen community housing.
   h. Require as a condition for any approval which is required pursuant to such ordinance and the provisions of this chapter, that no taxes or assessments for local improvements are due or delinquent on the property for which any application is made.
   j. Provide for sending and receiving zones for a development transfer program established pursuant to P.L.2004, c.2 (C.40:55D-137 et al.).

   40. This act shall take effect 180 days next following enactment, except that section 12 shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

   1. The Legislature finds and declares that:
      a. Juneteenth was first observed over 130 years ago, and is the oldest known celebration of the abolition of slavery in the United States;
      b. Juneteenth commemorates June 19, 1865, the day General Gordon Granger rode into Galveston, Texas, with news that the Civil War had ended and the enslaved were free;
      c. Word of freedom finally reached the slaves in Texas, two and a half years after the 1863 Emancipation Proclamation, and so the majority of slaves in the South were made aware of their freedom and jubilant celebrations evolved into a general celebration of freedom;
      d. The celebration of Juneteenth symbolizes freedom, celebrates the abolition of slavery, and reminds all Americans of the significant contributions African-Americans have made to our society;
e. Juneteenth serves as a reminder to all Americans of the triumph of the human spirit over the cruelty of slavery, honors those African-Americans who survived the inhumane institution of bondage, and demonstrates pride in their legacy of resistance and perseverance;

f. Juneteenth was first given official State recognition when, in 1980, Texas made it an official state holiday, and a campaign exists to establish Juneteenth as a national holiday;

g. In modern times, Juneteenth continues to enjoy growing interest, recognition, and celebration among organizations and communities throughout the country, with Juneteenth-centered activities having been sponsored by such institutions as the Smithsonian Museum and the Henry Ford Museum;

h. In New Jersey, Juneteenth is celebrated in communities such as East Orange, Camden, Jersey City, Paterson, Pennington, Trenton and Willingboro;

i. It is proper and fitting for the State of New Jersey to designate the third Saturday in June of each year as "Juneteenth Independence Day" in New Jersey to honor and celebrate the emancipation of our ancestors.

2. The third Saturday in June of each year is hereby designated as "Juneteenth Independence Day" in New Jersey to commemorate and celebrate the emancipation of African-Americans and foster respect for all cultures.

(iii) For a first offense, a person also shall be subject to the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.).

(2) For a second violation, a person shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall be sentenced to imprisonment for a term of not less than 48 consecutive hours, which shall not be suspended or served on probation, nor more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Chief Administrator of the New Jersey Motor Vehicle Commission for a license to operate a motor vehicle, which application may be granted at the discretion of the chief administrator, consistent with subsection (b) of this section. For a second violation, a person also shall be required to install an ignition interlock device under the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.) or shall have his registration certificate and registration plates revoked for two years under the provisions of section 2 of P.L.1995, c.286 (C.39:3-40.1).

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days in a county jail or workhouse, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center and shall thereafter forfeit his right to operate a
motor vehicle over the highways of this State for 10 years. For a third or subsequent violation, a person also shall be required to install an ignition interlock device under the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.) or shall have his registration certificate and registration plates revoked for 10 years under the provisions of section 2 of P.L.1995, c.286 (C.39:3-40.1).

As used in this section, the phrase "narcotic, hallucinogenic or habit-producing drug" includes an inhalant or other substance containing a chemical capable of releasing any toxic vapors or fumes for the purpose of inducing a condition of intoxication, such as any glue, cement or any other substance containing one or more of the following chemical compounds: acetone and acetate, amyl nitrite or amyl nitrate or their isomers, benzene, butyl alcohol, butyl nitrite, butyl nitrate or their isomers, ethyl acetate, ethyl alcohol, ethyl nitrite or ethyl nitrate, ethylene dichloride, isobutyl alcohol or isopropyl alcohol, methyl alcohol, methyl ethyl ketone, nitrous oxide, n-propyl alcohol, pentachlorophenol, petroleum ether, propyl nitrite or propyl nitrate or their isomers, toluene, toluol or xylene or any other chemical substance capable of causing a condition of intoxication, inebriation, excitement, stupor or the dulling of the brain or nervous system as a result of the inhalation of the fumes or vapors of such chemical substance.

Whenever an operator of a motor vehicle has been involved in an accident resulting in death, bodily injury or property damage, a police officer shall consider that fact along with all other facts and circumstances in determining whether there are reasonable grounds to believe that person was operating a motor vehicle in violation of this section.

A conviction of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this subsection unless the defendant can demonstrate by clear and convincing evidence that the conviction in the other jurisdiction was based exclusively upon a violation of a proscribed blood alcohol concentration of less than 0.08%.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title or Title 2C of the New Jersey Statutes at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the forfeiture, suspension or revocation of the driving privilege imposed by the court under this section shall commence immediately, run through the offender's seventeenth birthday and continue from that date for the period set by the court pursuant to paragraphs (1) through (3) of this
subsection. A court that imposes a term of imprisonment for a first or second offense under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, to an inpatient rehabilitation program or to an Intoxicated Driver Resource Center or other facility approved by the chief of the Intoxicated Driving Program Unit in the Department of Health and Senior Services. For a third or subsequent offense a person shall not serve a term of imprisonment at an Intoxicated Driver Resource Center as provided in subsection (f).

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the screening, evaluation, referral, program and fee requirements of the Division of Alcoholism and Drug Abuse's Intoxicated Driving Program Unit, and of the Intoxicated Driver Resource Centers and a program of alcohol and drug education and highway safety, as prescribed by the chief administrator. The sentencing court shall inform the person convicted that failure to satisfy such requirements shall result in a mandatory two-day term of imprisonment in a county jail and a driver license revocation or suspension and continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with the Rules Governing the Courts of the State of New Jersey, or R.S.39:5-22. Upon sentencing, the court shall forward to the Division of Alcoholism and Drug Abuse's Intoxicated Driving Program Unit a copy of a person's conviction record. A fee of $100.00 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established pursuant to section 3 of P.L.1983, c.531 (C.26:2B-32) to support the Intoxicated Driving Program Unit.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the chief administrator. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R.S.39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written
notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. In the event that a person convicted under this section is the holder of any out-of-State driver's license, the court shall not collect the license but shall notify forthwith the chief administrator, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The chief administrator shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) in order to establish a program of alcohol education and highway safety, as prescribed by this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Alcoholism and Drug Abuse and the commission, but subject to the approval of the Division of Alcoholism and Drug Abuse, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and as court monitors of a person's compliance with the ordered treatment, service alternative or community service. All centers established pursuant to this subsection shall be administered by a counselor certified by the Alcohol and Drug Counselor Certification Board of New Jersey or other professional with a minimum of five years' experience in the treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed one year. It shall be the center's responsibility to establish networks with the community alcohol and drug education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person's participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Alcoholism and Drug Abuse.
Upon a person's failure to report to the initial screening or any subsequent ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person's failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Intoxicated Driving Program Unit. Upon attendance at an Intoxicated Driver Resource Center, a person shall be required to pay a per diem fee of $75.00 for the first offender program or a per diem fee of $100.00 for the second offender program, as appropriate. Any increases in the per diem fees after the first full year shall be determined pursuant to rules and regulations adopted by the Commissioner of Health and Senior Services in consultation with the Governor's Council on Alcoholism and Drug Abuse pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

The centers shall conduct a program of alcohol and drug education and highway safety, as prescribed by the chief administrator.

The Commissioner of Health and Senior Services shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the purposes of this subsection.

(g) When a violation of this section occurs while:

(1) on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property;

(2) driving through a school crossing as defined in R.S.39:1-1 if the municipality, by ordinance or resolution, has designated the school crossing as such; or

(3) driving through a school crossing as defined in R.S.39:1-1 knowing that juveniles are present if the municipality has not designated the school crossing as such by ordinance or resolution, the convicted person shall: for a first offense, be fined not less than $500 or more than $800, be imprisoned for not more than 60 days and have his license to operate a motor vehicle suspended for a period of not less than one year or more than two years; for a second offense, be fined not less than $1,000 or more than $2,000, perform community service for a period of 60 days, be imprisoned for not less than 96 consecutive hours, which shall not be suspended or served on probation, nor more than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or
alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center, and have his license to operate a motor vehicle suspended for a period of 20 years; the period of license suspension shall commence upon the completion of any prison sentence imposed upon that person.

A map or true copy of a map depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board produced pursuant to section 1 of P.L.1987, c.101 (C.2C:35-7) may be used in a prosecution under paragraph (1) of this subsection.

It shall not be relevant to the imposition of sentence pursuant to paragraph (1) or (2) of this subsection that the defendant was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property or while driving through a school crossing. Nor shall it be relevant to the imposition of sentence that no juveniles were present on the school property or crossing zone at the time of the offense or that the school was not in session.

(h) A court also may order a person convicted pursuant to subsection a. of this section, to participate in a supervised visitation program as either a condition of probation or a form of community service, giving preference to those who were under the age of 21 at the time of the offense. Prior to ordering a person to participate in such a program, the court may consult with any person who may provide useful information on the defendant's physical, emotional and mental suitability for the visit to ensure that it will not cause any injury to the defendant. The court also may order that the defendant participate in a counseling session under the supervision of the Intoxicated Driving Program Unit prior to participating in the supervised visitation program. The supervised visitation program shall be at one or more of the following facilities which have agreed to participate in the program under the supervision of the facility's personnel and the probation department:

(1) a trauma center, critical care center or acute care hospital having basic emergency services, which receives victims of motor vehicle accidents for the purpose of observing appropriate victims of drunk drivers and victims who are, themselves, drunk drivers;

(2) a facility which cares for advanced alcoholics or drug abusers, to observe persons in the advanced stages of alcoholism or drug abuse; or

(3) if approved by a county medical examiner, the office of the county medical examiner or a public morgue to observe appropriate victims of vehicle accidents involving drunk drivers.

As used in this section, "appropriate victim" means a victim whose condition is determined by the facility's supervisory personnel and the probation officer to be appropriate for demonstrating the results of accidents
involving drunk drivers without being unnecessarily gruesome or traumatic to the defendant.

If at any time before or during a visitation the facility's supervisory personnel and the probation officer determine that the visitation may be or is traumatic or otherwise inappropriate for that defendant, the visitation shall be terminated without prejudice to the defendant. The program may include a personal conference after the visitation, which may include the sentencing judge or the judge who coordinates the program for the court, the defendant, defendant's counsel, and, if available, the defendant's parents to discuss the visitation and its effect on the defendant's future conduct. If a personal conference is not practicable because of the defendant's absence from the jurisdiction, conflicting time schedules, or any other reason, the court shall require the defendant to submit a written report concerning the visitation experience and its impact on the defendant. The county, a court, any facility visited pursuant to the program, any agents, employees, or independent contractors of the court, county, or facility visited pursuant to the program, and any person supervising a defendant during the visitation, are not liable for any civil damages resulting from injury to the defendant, or for civil damages associated with the visitation which are caused by the defendant, except for willful or grossly negligent acts intended to, or reasonably expected to result in, that injury or damage.

The Supreme Court may adopt court rules or directives to effectuate the purposes of this subsection.

(i) In addition to any other fine, fee, or other charge imposed pursuant to law, the court shall assess a person convicted of a violation of the provisions of this section a surcharge of $100, of which amount $50 shall be payable to the municipality in which the conviction was obtained and $50 shall be payable to the Treasurer of the State of New Jersey for deposit into the General Fund.

C.39:4-50.2a Guidelines for DWI and breath test refusal prosecutions.

3. In order to promote the uniform enforcement of R.S.39:4-50 and section 2 of P.L.1966, c.142 (C.39:4-50.2), the Attorney General shall promulgate guidelines concerning the prosecution of such violations. The guidelines shall be disseminated to county and municipal prosecutors within 120 days of the effective date of this act.

4. This act shall take effect immediately.

Approved April 26, 2004.
AN ACT concerning patient safety and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-12.23 Short title.
1. This act shall be known and may be cited as the "Patient Safety Act."

C.26:2H-12.24 Findings, declarations relative to patient safety.
2. The Legislature finds and declares that:
   a. Adverse events, some of which are the result of preventable errors, are inherent in all systems, and the health care literature demonstrates that the great majority of medical errors result from systems problems, not individual incompetence;
   b. Well-designed systems have processes built in to minimize the occurrence of errors, as well as to detect those that do occur; they incorporate mechanisms to continually improve their performance;
   c. To enhance patient safety, the goal is to craft a health care delivery system that minimizes, to the greatest extent feasible, the harm to patients that results from the delivery system itself;
   d. An important component of a successful patient safety strategy is a feedback mechanism that allows detection and analysis not only of adverse events, but also of "near-misses";
   e. To encourage disclosure of these events so that they can be analyzed and used for improvement, it is critical to create a non-punitive culture that focuses on improving processes rather than assigning blame. Health care facilities and professionals must be held accountable for serious preventable adverse events, however, punitive environments are not particularly effective in promoting accountability and increasing patient safety, and may be a deterrent to the exchange of information required to reduce the opportunity for errors to occur in the complex systems of care delivery. Fear of sanctions induces health care professionals and organizations to be silent about adverse events, resulting in serious under-reporting; and
   f. By establishing an environment that both mandates the confidential disclosure of the most serious, preventable adverse events, and also encourages the voluntary, anonymous and confidential disclosure of less serious adverse events, as well as preventable events and near misses, the State seeks to increase the amount of information on systems failures, analyze the sources of these failures and disseminate information on effective practices for reducing systems failures and improving the safety of patients.
C.26:2H-12.25 Definitions relative to patient safety; plans; reports; documentation, notification of adverse events, etc.

3. a. As used in this act:

"Adverse event" means an event that is a negative consequence of care that results in unintended injury or illness, which may or may not have been preventable.

"Anonymous" means that information is presented in a form and manner that prevents the identification of the person filing the report.

"Commissioner" means the Commissioner of Health and Senior Services.

"Department" means the Department of Health and Senior Services.

"Event" means a discrete, auditable and clearly defined occurrence.

"Health care facility" or "facility" means a health care facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) and a State psychiatric hospital operated by the Department of Human Services and listed in R.S.30:1-7.

"Health care professional" means an individual who, acting within the scope of his licensure or certification, provides health care services, and includes, but is not limited to, a physician, dentist, nurse, pharmacist or other health care professional whose professional practice is regulated pursuant to Title 45 of the Revised Statutes.

"Near-miss" means an occurrence that could have resulted in an adverse event but the adverse event was prevented.

"Preventable event" means an event that could have been anticipated and prepared against, but occurs because of an error or other system failure.

"Serious preventable adverse event" means an adverse event that is a preventable event and results in death or loss of a body part, or disability or loss of bodily function lasting more than seven days or still present at the time of discharge from a health care facility.

b. In accordance with the requirements established by the commissioner by regulation, pursuant to this act, a health care facility shall develop and implement a patient safety plan for the purpose of improving the health and safety of patients at the facility.

The patient safety plan shall, at a minimum, include:

(1) a patient safety committee, as prescribed by regulation;

(2) a process for teams of facility staff, which teams are comprised of personnel who are representative of the facility's various disciplines and have appropriate competencies, to conduct ongoing analysis and application of evidence-based patient safety practices in order to reduce the probability of adverse events resulting from exposure to the health care system across a range of diseases and procedures;
(3) a process for teams of facility staff, which teams are comprised of personnel who are representative of the facility's various disciplines and have appropriate competencies, to conduct analyses of near-misses, with particular attention to serious preventable adverse events and adverse events; and

(4) a process for the provision of ongoing patient safety training for facility personnel.

The provisions of this subsection shall not be construed to eliminate or lessen a hospital's obligation under current law or regulation to have a continuous quality improvement program.

c. A health care facility shall report to the department or, in the case of a State psychiatric hospital, to the Department of Human Services, in a form and manner established by the commissioner, every serious preventable adverse event that occurs in that facility.

d. A health care facility shall assure that the patient affected by a serious preventable adverse event or an adverse event specifically related to an allergic reaction, or, in the case of a minor or a patient who is incapacitated, the patient's parent or guardian or other family member, as appropriate, is informed of the serious preventable adverse event or adverse event specifically related to an allergic reaction, no later than the end of the episode of care, or, if discovery occurs after the end of the episode of care, in a timely fashion as established by the commissioner by regulation. The time, date, participants and content of the notification shall be documented in the patient's medical record in accordance with rules and regulations adopted by the commissioner. The content of the documentation shall be determined in accordance with the rules and regulations of the commissioner. If the patient's physician determines that the disclosure would seriously and adversely affect the patient's health, then the facility shall assure that the family member, if available, is notified in accordance with rules and regulations adopted by the commissioner. In the event that an adult patient is not informed of the serious preventable adverse event or adverse event specifically related to an allergic reaction, the facility shall assure that the physician includes a statement in the patient's medical record that provides the reason for not informing the patient pursuant to this section.

e. (1) A health care professional or other employee of a health care facility is encouraged to make anonymous reports to the department or, in the case of a State psychiatric hospital, to the Department of Human Services, in a form and manner established by the commissioner, regarding near-misses, preventable events and adverse events that are otherwise not subject to mandatory reporting pursuant to subsection c. of this section.

(2) The commissioner shall establish procedures for and a system to collect, store and analyze information voluntarily reported to the department.
pursuant to this subsection. The repository shall function as a clearinghouse for trend analysis of the information collected pursuant to this subsection.

f. Any documents, materials or information received by the department, or the Department of Human Services, as applicable, pursuant to the provisions of subsections c. and e. of this section concerning serious preventable adverse events, near-misses, preventable events and adverse events that are otherwise not subject to mandatory reporting pursuant to subsection c. of this section, shall not be:

1. subject to discovery or admissible as evidence or otherwise disclosed in any civil, criminal or administrative action or proceeding;
2. considered a public record under P.L.1963, c.73 (C.47:1A-1 et seq.) or P.L.2001, c.404 (C.47:1A-5 et al.); or
3. used in an adverse employment action or in the evaluation of decisions made in relation to accreditation, certification, credentialing or licensing of an individual, which is based on the individual’s participation in the development, collection, reporting or storage of information in accordance with this section. The provisions of this paragraph shall not be construed to limit a health care facility from taking disciplinary action against a health care professional in a case in which the professional has displayed recklessness, gross negligence or willful misconduct, or in which there is evidence, based on other similar cases known to the facility, of a pattern of significant substandard performance that resulted in serious preventable adverse events.

The information received by the department, or the Department of Human Services, as applicable, shall be shared with the Attorney General in accordance with rules and regulations adopted pursuant to subsection j. of this section, and may be used by the department, the Department of Human Services and the Attorney General for the purposes of this act and for oversight of facilities and health care professionals; however, the departments and the Attorney General shall not use the information for any other purpose.

In using the information to exercise oversight, the department, Department of Human Services and Attorney General, as applicable, shall place primary emphasis on assuring effective corrective action by the facility or health care professional, reserving punitive enforcement or disciplinary action for those cases in which the facility or the professional has displayed recklessness, gross negligence or willful misconduct, or in which there is evidence, based on other similar cases known to the department, Department of Human Services or the Attorney General, of a pattern of significant substandard performance that has the potential for or actually results in harm to patients.

g. Any documents, materials or information developed by a health care facility as part of a process of self-critical analysis conducted pursuant to
subsection b. of this section concerning preventable events, near-misses and adverse events, including serious preventable adverse events, and any document or oral statement that constitutes the disclosure provided to a patient or the patient's family member or guardian pursuant to subsection d. of this section, shall not be:

1. subject to discovery or admissible as evidence or otherwise disclosed in any civil, criminal or administrative action or proceeding; or
2. used in an adverse employment action or in the evaluation of decisions made in relation to accreditation, certification, credentialing or licensing of an individual, which is based on the individual's participation in the development, collection, reporting or storage of information in accordance with subsection b. of this section. The provisions of this paragraph shall not be construed to limit a health care facility from taking disciplinary action against a health care professional in a case in which the professional has displayed recklessness, gross negligence or wilful misconduct, or in which there is evidence, based on other similar cases known to the facility, of a pattern of significant substandard performance that resulted in serious preventable adverse events.

h. Notwithstanding the fact that documents, materials or information may have been considered in the process of self-critical analysis conducted pursuant to subsection b. of this section, or received by the department or the Department of Human Services pursuant to the provisions of subsection c. or e. of this section, the provisions of this act shall not be construed to increase or decrease, in any way, the availability, discoverability, admissibility or use of any such documents, materials or information if obtained from any source or context other than those specified in this act.

i. The investigative and disciplinary powers conferred on the boards and commissions established pursuant to Title 45 of the Revised Statutes, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety and the Attorney General under the provisions of P.L.1978, c.73 (C.45:1-14 et seq.) or any other law, rule or regulation, as well as the investigative and enforcement powers conferred on the department and the commissioner under the provisions of Title 26 of the Revised Statutes or any other law, rule or regulation, shall not be exercised in such a manner so as to unduly interfere with a health care facility's implementation of its patient safety plan established pursuant to this section. However, this act shall not be construed to otherwise affect, in any way, the exercise of such investigative, disciplinary and enforcement powers.

j. The commissioner shall, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt such rules and regulations necessary to carry out the provisions of this act. The regulations shall establish: criteria for a health care facility's patient safety plan and patient
safety committee; the time frame and format for mandatory reporting of serious preventable adverse events at a health care facility; the types of events that qualify as serious preventable adverse events and adverse events specifically related to an allergic reaction; the circumstances under which a health care facility is not required to inform a patient or the patient's family about a serious preventable adverse event or adverse event specifically related to an allergic reaction; and a system for the sharing of information received by the department and the Department of Human Services pursuant to subsections c. and e. of this section with the Attorney General. In establishing the criteria for reporting serious preventable adverse events, the commissioner shall, to the extent feasible, use criteria for these events that have been or are developed by organizations engaged in the development of nationally recognized standards.

The commissioner shall consult with the Commissioner of Human Services with respect to rules and regulations affecting the State psychiatric hospitals and with the Attorney General with respect to rules and regulations regarding the establishment of a system for the sharing of information received by the department and the Department of Human Services pursuant to subsections c. and e. of this section with the Attorney General.

k. Nothing in this act shall be construed to increase or decrease the discoverability, in accordance with Christy v. Salem, No. A-6448-02T3 (Superior Court of New Jersey, Appellate Division, February 17, 2004)(2004 WL291160), of any documents, materials or information if obtained from any source or context other than those specified in this act.

4. This act shall take effect 180 days after the date of enactment.

CHAPTER 17

AN ACT concerning medical professional liability, insurance reform and patient protection and revising parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "New Jersey Medical Care Access and Responsibility and Patients First Act."

C.2A:53A-38 Findings, declarations relative to medical professional liability, insurance reform and patient protection.

2. The Legislature finds and declares that:
a. One of the most vital interests of the State is to ensure that high-quality health care continues to be available in this State and that the residents of this State continue to have access to a full spectrum of health care providers, including highly trained physicians in all specialties;

b. The State's health care system and its residents' access to health care providers are threatened by a dramatic escalation in medical malpractice liability insurance premiums, which is creating a crisis of affordability in the purchase of necessary liability coverage for our health care providers;

c. One particularly alarming result of rising premiums is that there are increasing reports of doctors retiring or moving to other states where insurance premiums are lower, dropping high-risk patients and procedures, and practicing defensive medicine in a manner that may significantly increase the cost of health care for all our citizens;

d. The reasons for the steep increases in the cost of medical malpractice liability insurance are complex and involve issues related to: the State's tort liability system; the State's health care system, which includes issues related to patient safety and medical error reporting; and the State's regulation and requirements concerning medical malpractice liability insurers;

e. It is necessary and appropriate for the State to take meaningful and prompt action to address the various interrelated aspects of these issues that are impacted by, or impact on, the State's health care system; and

f. To that end, this act provides for a comprehensive set of reforms affecting the State's tort liability system, health care system and medical malpractice liability insurance carriers to ensure that health care services continue to be available and accessible to residents of the State and to enhance patient safety at health care facilities.

3. N.J.S.2A:14-2 is amended to read as follows:

Actions for injury caused by wrongful act, appointment of guardian ad litem.

2A:14-2. a. Every action at law for an injury to the person caused by the wrongful act, neglect or default of any person within this State shall be commenced within two years next after the cause of any such action shall have accrued; except that an action by or on behalf of a minor that has accrued for medical malpractice for injuries sustained at birth shall be commenced prior to the minor's 13th birthday.

b. In the event that an action by or on behalf of a minor that has accrued for medical malpractice for injuries sustained at birth is not commenced by the minor's parent or guardian prior to the minor's 12th birthday, the minor or a person 18 years of age or older designated by the minor to act on the minor's behalf may commence such an action. For this purpose, the
minor or designated person may petition the court for the appointment of a guardian ad litem to act on the minor's behalf.

4. N.J.S.2A:14-21 is amended to read as follows:

Disabilities affecting limitations; action on behalf of minor.

2A:14-21. If any person entitled to any of the actions or proceedings specified in N.J.S.2A:14-1 to 2A:14-8 or N.J.S.2A:14-16 to 2A:14-20 or to a right or title of entry under N.J.S.2A:14-6 is or shall be, at the time of any such cause of action or right or title accruing, under the age of 21 years, or insane, such person may commence such action or make such entry, within such time as limited by those statutes, after his coming to or being of full age or of sane mind. Notwithstanding the provisions of this section to the contrary, an action by or on behalf of a minor that has accrued for medical malpractice for injuries sustained at birth shall be commenced prior to the minor's 13th birthday, as provided in N.J.S.2A:14-2.

C.2A:53A-39 Judge may refer medical malpractice action to complementary dispute resolution mechanism.

5. The judge presiding over a medical malpractice action, or the judge's designee, shall, within 30 days after the discovery end date, determine whether referral to a complementary dispute resolution mechanism may encourage early disposition or settlement of the action. If the judge makes such a determination, the matter shall be referred to complementary dispute resolution pursuant to Rule 1:40 of the Rules Governing the Courts of the State of New Jersey.

Nothing in this section shall be construed to limit the authority of the judge to refer an action to complementary dispute resolution prior to the discovery end date.

6. a. A health care provider named as a defendant in a medical malpractice action may cause the action against that provider to be dismissed upon the filing of an affidavit of noninvolvement with the court. The affidavit of noninvolvement shall set forth, with particularity, the facts that demonstrate that the provider was misidentified or otherwise not involved, individually or through its servants or employees, in the care and treatment of the claimant, and was not obligated, either individually or through its servants or employees, to provide for the care and treatment of the claimant, and could not have caused the alleged malpractice, either individually or through its servants or employees, in any way.

b. A codefendant or claimant shall have the right to challenge an affidavit of noninvolvement by filing a motion and submitting an affidavit,
that contradicts the assertions of noninvolvement made by the health care provider in the affidavit of noninvolvement.

c. If the court determines that a health care provider named as a defendant falsely files or makes false or inaccurate statements in an affidavit of noninvolvement, the court, upon motion or upon its own initiative, shall immediately reinstate the claim against that provider. Reinstatement of a party pursuant to this subsection shall not be barred by any statute of limitations defense that was not valid at the time the original action was filed.

In any action in which the health care provider is found by the court to have knowingly filed a false or inaccurate affidavit of noninvolvement, the court shall impose upon the person who signed the affidavit or represented the party, or both, an appropriate sanction, including, but not limited to, an order to pay to the other party or parties the amount of the reasonable expenses incurred as a result of the filing of the false or inaccurate affidavit, including a reasonable attorney fee. The court shall also refer the matter to the Attorney General and the appropriate professional licensing board for further review.

d. If the court determines that a plaintiff falsely objected to a health care provider’s affidavit of noninvolvement, or knowingly provided an inaccurate statement regarding a health care provider’s affidavit, the court shall impose upon the plaintiff or the plaintiff’s counsel, or both, an appropriate sanction, including, but not limited to, an order to pay to the other party or parties the amount of the reasonable expenses incurred as a result of the submission of the false objection or inaccurate statement, including a reasonable attorney fee. The court shall also refer the matter to the Attorney General and the appropriate professional licensing board for further review.

e. As used in this section, “health care provider” means an individual or entity, which, acting within the scope of its licensure or certification, provides health care services, and includes, but is not limited to: a physician, dentist, nurse, pharmacist or other health care professional whose professional practice is regulated pursuant to Title 45 of the Revised Statutes; and a health care facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.)

C.2A:53A-41 Requirements for person giving expert testimony, executing affidavit.

7. In an action alleging medical malpractice, a person shall not give expert testimony or execute an affidavit pursuant to the provisions of P.L.1995, c.139 (C.2A:53A-26 et seq.) on the appropriate standard of practice or care unless the person is licensed as a physician or other health care professional in the United States and meets the following criteria:

a. If the party against whom or on whose behalf the testimony is offered is a specialist or subspecialist recognized by the American Board of Medical Specialties or the American Osteopathic Association and the care or treat-
ment at issue involves that specialty or subspecialty recognized by the American Board of Medical Specialties or the American Osteopathic Association, the person providing the testimony shall have specialized at the time of the occurrence that is the basis for the action in the same specialty or subspecialty, recognized by the American Board of Medical Specialties or the American Osteopathic Association, as the party against whom or on whose behalf the testimony is offered, and if the person against whom or on whose behalf the testimony is being offered is board certified and the care or treatment at issue involves that board specialty or subspecialty recognized by the American Board of Medical Specialties or the American Osteopathic Association, the expert witness shall be:

(1) a physician credentialed by a hospital to treat patients for the medical condition, or to perform the procedure, that is the basis for the claim or action; or

(2) a specialist or subspecialist recognized by the American Board of Medical Specialties or the American Osteopathic Association who is board certified in the same specialty or subspecialty, recognized by the American Board of Medical Specialties or the American Osteopathic Association, and during the year immediately preceding the date of the occurrence that is the basis for the claim or action, shall have devoted a majority of his professional time to either:

(a) the active clinical practice of the same health care profession in which the defendant is licensed, and, if the defendant is a specialist or subspecialist recognized by the American Board of Medical Specialties or the American Osteopathic Association, the active clinical practice of that specialty or subspecialty recognized by the American Board of Medical Specialties or the American Osteopathic Association; or

(b) the instruction of students in an accredited medical school, other accredited health professional school or accredited residency or clinical research program in the same health care profession in which the defendant is licensed, and, if that party is a specialist or subspecialist recognized by the American Board of Medical Specialties or the American Osteopathic Association, an accredited medical school, health professional school or accredited residency or clinical research program in the same specialty or subspecialty recognized by the American Board of Medical Specialties or the American Osteopathic Association; or

(c) both.

b. If the party against whom or on whose behalf the testimony is offered is a general practitioner, the expert witness, during the year immediately preceding the date of the occurrence that is the basis for the claim or action, shall have devoted a majority of his professional time to:
(1) active clinical practice as a general practitioner; or active clinical practice that encompasses the medical condition, or that includes performance of the procedure, that is the basis of the claim or action; or
(2) the instruction of students in an accredited medical school, health professional school, or accredited residency or clinical research program in the same health care profession in which the party against whom or on whose behalf the testimony is licensed; or
(3) both.
c. A court may waive the same specialty or subspecialty recognized by the American Board of Medical Specialties or the American Osteopathic Association and board certification requirements of this section, upon motion by the party seeking a waiver, if, after the moving party has demonstrated to the satisfaction of the court that a good faith effort has been made to identify an expert in the same specialty or subspecialty, the court determines that the expert possesses sufficient training, experience and knowledge to provide the testimony as a result of active involvement in, or full-time teaching of, medicine in the applicable area of practice or a related field of medicine.
d. Nothing in this section shall limit the power of the trial court to disqualify an expert witness on grounds other than the qualifications set forth in this section.
e. In an action alleging medical malpractice, an expert witness shall not testify on a contingency fee basis.
f. An individual or entity who threatens to take or takes adverse action against a person in retaliation for that person providing or agreeing to provide expert testimony, or for that person executing an affidavit pursuant to the provisions of P.L.1995, c.139 (C.2A:53A-26 et seq.), which adverse action relates to that person's employment, accreditation, certification, credentialing or licensure, shall be liable to a civil penalty not to exceed $10,000 and other damages incurred by the person and the party for whom the person was testifying as an expert.

8. Section 2 of P.L.1995, c.139 (C.2A:53A-27) is amended to read as follows:

C.2A:53A-27 Affidavit of lack of care in action for professional, medical malpractice or negligence; requirements.

2. In any action for damages for personal injuries, wrongful death or property damage resulting from an alleged act of malpractice or negligence by a licensed person in his profession or occupation, the plaintiff shall, within 60 days following the date of filing of the answer to the complaint by the defendant, provide each defendant with an affidavit of an appropriate li-
censed person that there exists a reasonable probability that the care, skill or knowledge exercised or exhibited in the treatment, practice or work that is the subject of the complaint, fell outside acceptable professional or occupational standards or treatment practices. The court may grant no more than one additional period, not to exceed 60 days, to file the affidavit pursuant to this section, upon a finding of good cause.

In the case of an action for medical malpractice, the person executing the affidavit shall meet the requirements of a person who provides expert testimony or executes an affidavit as set forth in section 7 of P.L.2004, c.17 (C.2A:53A-41). In all other cases, the person executing the affidavit shall be licensed in this or any other state; have particular expertise in the general area or specialty involved in the action, as evidenced by board certification or by devotion of the person's practice substantially to the general area or specialty involved in the action for a period of at least five years. The person shall have no financial interest in the outcome of the case under review, but this prohibition shall not exclude the person from being an expert witness in the case.

C.2A:53A-42 Procedure to evaluate award by judge following verdict.

9. A judge presiding over an action alleging medical malpractice, in which the jury has rendered a verdict in favor of the complaining party, shall, upon a motion by any party for additur or remittitut on the issue of the quantum of damages, consider the evidence in the light most favorable to the non-moving party and determine whether the award is clearly inadequate or excessive in view of the nature of the medical condition or injury that is the cause of action or because of passion or prejudice by the jury.

C.2A:62A-1.3 Immunity from civil liability for certain health care professionals, certain situations.

10. a. If an individual's actual health care facility duty, including on-call duty, does not require a response to a patient emergency situation, a health care professional who, in good faith, responds to a life-threatening emergency or responds to a request for emergency assistance in a life-threatening emergency within a hospital or other health care facility, is not liable for civil damages as a result of an act or omission in the rendering of emergency care. The immunity granted pursuant to this section shall not apply to acts or omissions constituting gross negligence, recklessness or willful misconduct.

b. The provisions of subsection a. of this section shall not apply to a health care professional if a provider-patient relationship existed before the emergency, or if consideration in any form is provided to the health care professional for the service rendered.

c. The provisions of subsection a. of this section do not diminish a general hospital's responsibility to comply with all Department of Health and
Senior Services licensure requirements concerning medical staff availability at the hospital.

d. A health care professional shall not be liable for civil damages for injury or death caused in an emergency situation occurring in the health care professional's private practice or in a health care facility on account of a failure to inform a patient of the possible consequences of a medical procedure when the failure to inform is caused by any of the following:

(1) the patient was unconscious;
(2) the medical procedure was undertaken without the consent of the patient because the health care professional reasonably believed that the medical procedure should be undertaken immediately and that there was insufficient time to fully inform the patient; or
(3) the medical procedure was performed on a person legally incapable of giving informed consent, and the health care professional reasonably believed that the medical procedure should be undertaken immediately and that there was insufficient time to obtain the informed consent of the person authorized to give such consent for the patient.

The provisions of this subsection shall apply only to actions for damages for an injury or death arising as a result of a health care professional's failure to inform, and not to actions for damages arising as a result of a health care professional's negligence in rendering or failing to render treatment.

e. As used in this section:
(1) "Health care professional" means a physician, dentist, nurse or other health care professional whose professional practice is regulated pursuant to Title 45 of the Revised Statutes and an emergency medical technician or mobile intensive care paramedic certified by the Commissioner of Health and Senior Services pursuant to Title 26 of the Revised Statutes; and

practice medicine by any out-of-State hospital, health care facility, health maintenance organization or other employer;

c. The State Board of Medical Examiners shall notify all physicians licensed by the board of the requirements of this section within 30 days of the date of enactment of this act.

b. If, during the course of an investigation of a physician, the board requests information from a health care facility, psychiatric hospital operated by the Department of Human Services or health maintenance organization regarding that physician, and the board subsequently makes a finding of no basis for disciplinary action, the board shall, within 30 days of making that finding, notify the health care facility, State psychiatric hospital or health maintenance organization of its determination.

c. A person or professional association who violates the provisions of this section shall be liable for a civil penalty of $10,000 for each violation. The penalty shall be sued for and collected by the Commissioner of Banking and Insurance in a summary proceeding in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

d. 14. Physicians may join together, by means of a joint contract under the procedures established by this section, to form a "Medical Malpractice Liability Insurance Purchasing Alliance" for the purpose of negotiating a reduced premium for its members in the purchase of medical malpractice liability insurance. financial services industry. The directors shall serve for terms of three years, and shall serve until their successors are elected and qualified. Each director shall serve without compensation, except for reimbursement for actual expenses incurred by that director.

c. The board shall adopt bylaws for the operation of the purchasing alliance, which shall be effective upon ratification by a two-thirds majority of the members. The bylaws shall include, but not be limited to:

(1) the establishment of procedures for the organization and administration of the alliance; and
(2) procedures for the qualifications and admission of the members of the alliance.

The bases for denial of membership shall include, but not be limited to:

(1) set reasonable fees for membership in the alliance that will finance reasonable and necessary costs incurred in administering the purchasing alliance;

e. A purchasing alliance established pursuant to the provisions of this section shall not:

   (1) assume risk for the cost or provision of medical malpractice liability insurance;

   (2) exclude a member who agrees to pay fees for membership and the premium for medical malpractice liability insurance coverage and who abides by the bylaws of the alliance;

   (3) engage in any trade practice or activity prohibited pursuant to P.L.1947, c.379 (C.17:29B-1 et seq.);

The insurer shall establish a premium for the endorsement, which premium shall reflect any savings or reduced costs attributable to the endorsement.

b. The Commissioner of Banking and Insurance, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall
adopt rules and regulations necessary to effectuate the provisions of this section.

C.17:30D-21 Offering of deductibles in medical malpractice liability insurance policy.

16. a. Every insurer authorized to transact medical malpractice liability insurance in this State shall offer medical malpractice liability insurance policies with a deductible, at the option of the insured, in an amount of at least $5,000 per claim and up to $1,000,000 per claim, and may require the insured to provide collateral for the deductible amount to the insurer.

b. Every insurer authorized to transact medical malpractice liability insurance in this State shall provide an appropriate premium reduction for any deductible chosen pursuant to subsection a. of this section.

c. In the case of a policy with any deductible, the insurer shall be responsible for payment of the deductible and shall be reimbursed for that amount by the insured.

C.17:30D-22 Increase of premium prohibited, certain circumstances.

17. Notwithstanding any other law or regulation to the contrary, an insurer authorized to transact medical malpractice liability insurance in this State shall not increase the premium of any medical malpractice liability insurance policy based on a claim of medical negligence or malpractice against the insured if the insured is dismissed from an action alleging medical malpractice within 180 days of the filing of the last responsive pleading.

C.17:30D-23 Certification as to adequacy of rates.

18. Each annual statement made after the effective date of P.L.2004, c.17 (C.2A:53A-37 et al.), pursuant to the provisions of section 16 of P.L.1982, c.114 (C.17:29AA-16), by an insurer writing medical malpractice in this State, shall include a certification by the chief executive officer or chief financial officer that the rates for every category, subcategory, or risk classification are adequate to cover expected losses and expenses of the insurer and to ensure the safety and soundness of the insurer.

C.17:30D-24 Mailing of notice of renewal, nonrenewal.

19. Notwithstanding the provisions of section 1 of P.L.1968, c.131 (C.17:29C-1) to the contrary, each notice of renewal or nonrenewal by an insurer authorized to transact medical malpractice liability insurance in this State shall be mailed or delivered by the insurer to the insured not less than 60 days prior to the expiration of the policy and, in the case of a nonrenewal, shall contain the reason for the nonrenewal.

20. Section 13 of P.L.1982, c.114 (C.17:29AA-13) is amended to read as follows:
CHAPTER 17, LAWS OF 2004

C.17:29AA-13 Rate, policy form noncompliance; order of commissioner; provisions for medical malpractice.

13. a. If the commissioner finds, after a hearing, that a rate or policy form in effect for any rating organization or insurer, whether or not a member or subscriber of a rating organization is not in compliance with the standards of this act, he shall issue an order specifying in what respects it so fails, and stating when, within a reasonable period thereafter, such rate or form shall be deemed no longer effective. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

b. If the commissioner finds, after a hearing, that a rate in effect for any insurer writing medical malpractice liability insurance is not in compliance with the provisions of P.L.1982, c.114 (C.17:29AA-1 et seq.), the commissioner shall issue an order specifying in what respects it so fails, and stating when such rate shall no longer be deemed effective. The order may provide for the retroactive adjustment of rates and require the payment or credit of interest to insureds covered during the adjusted rate period. Interest shall be calculated at the percentage of interest prescribed in the Rules Governing the Courts of the State of New Jersey for judgments, awards and orders for the payment of money.

C.17:30D-25 Annual review of capitalization, reserve requirements.

21. Subject to standards adopted by the National Association of Insurance Commissioners, the Commissioner of Banking and Insurance shall, within 180 days after the effective date of P.L.2004, c.17 (C.2A:53A-37 et al.) and annually thereafter, review the current capitalization and reserve requirements applicable to insurers authorized or admitted to transact medical malpractice liability insurance in this State, as those requirements are established by statute or regulation, or both.

Based upon the findings of that review, the commissioner shall adopt regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to modify those requirements, as the commissioner determines necessary in order to ensure the solvency of those insurers and the availability and affordability of medical malpractice liability insurance in this State. If the commissioner determines that legislation is necessary to effect any such modification, the commissioner shall notify the Governor and the Legislature within the 180-day period provided in this section.

C.17:30D-26 Option of installments for premium payments.

22. Every insurer authorized to transact medical malpractice liability insurance in this State shall offer its insureds the option to make premium
payments in installments, as prescribed by the Commissioner of Banking and Insurance by regulation.

23. Section 2 of P.L.1983, c.247 (C.17:30D-17) is amended to read as follows:

C.17:30D-17 Insurer to notify Medical Practitioner Review Panel of malpractice settlement, judgment, award.

2. a. Any insurer or insurance association authorized to issue medical malpractice liability insurance in the State shall notify the Medical Practitioner Review Panel established pursuant to section 8 of P.L.1989, c.300 (C.45:9-19.8) in writing of any medical malpractice claim settlement, judgment or arbitration award involving any practitioner licensed by the State Board of Medical Examiners and insured by the insurer or insurance association. Any practitioner licensed by the board who is not covered by medical malpractice liability insurance issued in this State, who has coverage through a self-insured health care facility or health maintenance organization, or has medical malpractice liability insurance which has been issued by an insurer or insurance association from outside the State, shall notify the review panel in writing of any medical malpractice claim settlement, judgment or arbitration award to which the practitioner is a party. The review panel or board, as the case may be, shall not presume that the judgment or award is conclusive evidence in any disciplinary proceeding and the fact of a settlement is not admissible in any disciplinary proceeding.

In any malpractice action against a practitioner, a settlement prohibiting a complaint against the practitioner or the providing of information to the review panel or board concerning the underlying facts or circumstances of the action is void and unenforceable.

b. An insurer or insurance association authorized to issue medical malpractice liability insurance in the State shall notify the review panel in writing of any termination or denial of coverage to a practitioner or surcharge assessed on account of the practitioner's practice method or medical malpractice claims history.

c. The form of notification shall be prescribed by the Commissioner of Banking and Insurance, shall contain such information as may be required by the board and the review panel, and shall be made within seven days of the settlement, judgment or award or the final action for a termination or denial of, or surcharge on, the medical malpractice liability insurance. Upon request of the board, the review panel or the commissioner, an insurer or insurance association shall provide all records regarding the defense of a malpractice claim, the processing of the claim and the legal proceeding; except that nothing in this subsection shall be construed to authorize disclo-
sure of any confidential communication which is otherwise protected by statute, court rule or common law.

An insurer or insurance association, or any employee thereof, shall be immune from liability for furnishing information to the review panel and the board in fulfillment of the requirements of this section unless the insurer or insurance association, or any employee thereof, knowingly provided false information.

d. An insurer, insurance association or practitioner who fails to notify the review panel as required pursuant to this section shall be subject to such penalties as the Commissioner of Banking and Insurance may determine pursuant to section 12 of P.L.1975, c.301 (C.17:30D-12). In addition to, or in lieu of suspension or revocation, the commissioner may assess a fine which shall not exceed $1,000 for the first offense and $2,000 for the second and each subsequent offense, which may be recovered in a summary proceeding, brought in the name of the State in a court of competent jurisdiction pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

(2) No person shall willfully and intentionally agree with another person to make a contribution to a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee with the intent, or upon the condition, understanding or belief, that the recipient candidate or committee shall make or have made a contribution to another such candidate or committee, but this paragraph shall not be construed to

It shall be the duty of the commission to enforce the provisions of this act, to conduct hearings with regard to possible violations and to impose penalties; and for the effectual carrying out of its enforcement responsibilities the commission shall have the authority to initiate a civil action in any court of competent jurisdiction for the purpose of enforcing compliance with the provisions of this act or enjoining violations thereof or recovering any penalty prescribed by this act. The commission shall promulgate such regulations and official forms and perform such duties as are necessary to implement the provisions of this act. Without limiting the generality of the foregoing, the commission is authorized and empowered to:

(2) Prepare and publish a manual for all candidates, political committees and continuing political committees, prescribing the requirements of the law, including uniform methods of bookkeeping and reporting and requirements as to the length of time that any person required to keep any records pursuant to the provisions of this act shall retain such records, or any class or category thereof, or any other documents, including canceled
checks, deposit slips, invoices and other similar documents, necessary for
the compilation of such records;

(10) Forward to the Attorney General or to the appropriate county
prosecutor information concerning any violations of this act which may
become the subject of criminal prosecution or which may warrant the
institution of other legal proceedings by the Attorney General.

c. The commission shall take such steps as may be necessary or
appropriate to furnish timely and adequate information, in appropriate
printed summaries and in such other form as it may see fit, to every
candidate or prospective candidate for public office who becomes or is
likely to become subject to the provisions of this act, and to every treasurer
and depository duly designated under the provisions of this act, informing
them of their actual or prospective obligations and responsibilities under
this act. Such steps shall include, but not be limited to, furnishing to every
person on whose behalf petitions of nomination are filed for any public
office a copy of such printed summary as aforesaid, which shall be furnished
to such person by the commission through the public official charged with
the responsibility of receiving and accepting such petitions of nomination, at the time when such petitions are filed. The commission shall also make available copies of such printed summary to any other person requesting the same. The commission shall also take such steps as it may deem necessary or effectual to disseminate among the general public such information as may serve to guide all persons who may become subject to the provisions of this act by reason of their participation in election campaigns or in the dissemination of political information, for the purpose of facilitating voluntary compliance with the provisions and purposes of this act. In the dissemination of such information, the commission shall to the greatest extent practicable enlist the cooperation of commercial purveyors, within and without the State, of materials and services commonly used for political campaign purposes.

d. If the nomination for or election to any public office or party position becomes void under the terms of subsection c. of section 21 of this act, the withholding or revocation of his certificate of election, the omission of his name from the ballot or the vacation of the office into which he has been inducted as a result of such void election, as the case may be, shall be subject to the provisions of chapter 3, articles 2 and 3, of this Title (R.S.19:3-7 et seq.).

e. The commission shall be assigned suitable quarters for the performance of its duties hereunder.

f. The commission through its legal counsel is authorized to render advisory opinions as to whether a given set of facts and circumstances would constitute a violation of any of the provisions of this act, or whether a given set of facts and circumstances would render any person subject to any of the reporting requirements of this act.

Unless an extension of time is consented to by any person requesting an advisory opinion, the commission shall render its advisory opinion within 10 days of receipt of the request therefor. Failure of the commission to reply to a request for an advisory opinion within the time so fixed or agreed to shall preclude it from instituting proceedings for imposition of a penalty upon any person for a violation of this act arising out of the particular facts and circumstances set forth in such request, except as such facts and circumstances may give rise to a violation when taken in conjunction with other facts and circumstances not set forth in such request.

g. The commission shall establish a training program for campaign treasurers and organizational treasurers and shall make the training program
available through its Internet site within one year of the effective date of this act, P.L.2004, c.22.

2. Section 9 of P.L.1973, c.83 (C.19:44A-9) is amended to read as follows:

C.19:44A-9 Candidate, joint candidates committees; reports; requirements.

9. a. Unless already established, each candidate, as defined in paragraph (1) of subsection c. of section 3 of P.L.1973, c.83 (C.19:44A-3), shall, no later than the date on which that candidate first receives any contribution or makes or incurs any expenditures in connection with an election, establish (1) a candidate committee, (2) a joint candidates committee, or (3) both, for the purpose of receiving contributions and making expenditures. No person serving as the chairman of a political party committee or a legislative leadership committee shall be eligible to be appointed or to serve as the chairman of a candidate committee or joint candidates committee, other than a candidate committee or joint candidates committee established to further the nomination for election or the election of that person as a candidate for public office. Subsequent to an election, a candidate, whether or not successful in that election, shall maintain a candidate committee or a joint candidates committee so long as contributions are received or expenditures made by that former candidate. An elected officeholder who receives contributions and who has not maintained a candidate committee or a joint candidates committee shall establish a candidate committee, a joint candidates committee, or both, in a timely manner for the purpose of receiving contributions and making expenditures.

b. (1) The candidate or candidates, as the case may be, shall file with the Election Law Enforcement Commission a certificate of organization on a form prescribed by the commission. The certificate shall identify the name of the committee, which shall be the sole name under which the committee receives contributions, makes expenditures and otherwise does business and which shall include the surname or surnames, as appropriate, of the candidate or candidates, except that in the case of a joint candidates committee, the name of the committee need not include such surnames if it identifies the legislative district, county, municipality or other jurisdiction in which the candidates jointly seek nomination for election or election and, in any case in which they seek nomination for election or election as the candidates of a political party, the name of that party, provided that no joint candidates committee so named shall take the same name as that of any
committee of a political party or another joint candidates committee. In the case of a candidate committee, the name of the committee shall identify the office sought by the candidate. The certificate shall provide for the initial appointment by the candidate, or candidates, of a campaign treasurer and for the designation by the candidate, or candidates, of that treasurer of the candidate committee, or joint candidates committee, as the campaign treasurer of the candidate, or candidates, for the purposes of subsection a. of section 8 of P.L.1973, c.83 (C.19:44A-8) and shall generally identify and be signed by the candidate, or candidates, and the chairman and the treasurer of the candidate committee or joint candidates committee, as the case may be. No person serving as the chairman of a political party committee or a legislative leadership committee shall be eligible to be appointed or to serve as the treasurer of a candidate committee or joint candidates committee, other than a candidate committee or joint candidates committee established to further the nomination for election or the election of that person as a candidate for public office. The certificate shall be filed prior to or simultaneously with the filing of a notification of the designation of a campaign depository as provided under subsection c. of this section. Upon the filing of such a certificate of organization and until the termination of the committee, the candidate committee or joint candidates committee shall file the reports which the campaign treasurer or treasurers of the candidate or candidates would otherwise be required to file under subsection a. of section 16 of P.L.1973, c.83 (C.19:44A-16).

Notification of the designation of the campaign depository shall be made by the candidate's, candidates' or committee's filing the name and address of such depository with the Election Law Enforcement Commission no later than the tenth day after receipt by the candidate or the committee of any contribution on behalf of the candidate or candidates or after the making
or incurring by the candidate or candidates of any expenditure on behalf of that candidacy, whichever comes first.

d. Each candidate and campaign treasurer shall certify the correctness of each report filed by the candidate committee or joint candidates committee with the commission and that each report conforms with the limitations on contributions and expenditures provided for in sections 18, 19 and 20 of P.L.1993, c.65 (C.19:44A-11.3, C.19:44A-11.4 and C.19:44A-11.5).

The candidate or candidates shall file the names and addresses of deputy campaign treasurers and additional campaign depositories with the Election Law Enforcement Commission.

f. A candidate or candidates may remove a campaign treasurer or deputy campaign treasurer. In the case of the death, resignation or removal of a campaign treasurer, the candidate or candidates shall appoint a successor as soon as practicable and shall file the name and address of that person with the Election Law Enforcement Commission within three days. A candidate may serve as his or her own campaign treasurer. One of the candidates in a joint candidates committee may serve as the campaign treasurer of the entire committee.

g. An individual who is a candidate for two or more public offices in an election or in separate elections shall establish separate candidate committees or separate joint candidates committees or both for each office contested.

h. (1) On and after the 366th day following the effective date of P.L.1993, c.65, no candidate shall establish, authorize the establishment of, maintain, or participate directly or indirectly in the management or control of, any political committee or any continuing political committee. Within one year after the enactment of this act, every candidate who maintains, or who participates either directly or indirectly in the management or control of, one or more political committees or one or more continuing political committees, or both, shall wind up or cause to be wound up the affairs of those committees in accordance with the provisions of section 8 of P.L.1973, c.83 (C.19:44A-8) and transfer all of the funds therein into a candidate committee or a joint candidates committee. All funds thus transferred shall be subject to the provisions of section 17 of P.L.1993, c.65 (C.19:44A-11.2).
(2) The person or persons having control over a legislative leadership committee shall not be required to wind up the affairs of that committee but shall be required to conform to the requirements of paragraph (1) of this subsection with regard to any other political committees or continuing political committees under the control of the person or persons and used by that person for the purpose of receiving contributions and making expenditures.

CHAPTER 27

AN ACT expanding the definition of lobbyist and legislative agent and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1971, c.183 (C.52:13C-18) is amended to read as follows:

C.52:13C-18 Declaration of intent.

1. The Legislature affirms that the preservation of responsible government requires that the fullest opportunity be afforded to the people of the State to petition their government for the redress of grievances and to express freely to individual legislators, committees of the Legislature and the Governor their opinion on legislation and current issues, to Executive Branch officers and agencies their opinion on rules and regulations developed and promulgated by those officers and agencies in the exercise of powers delegated to them by law, and to the Governor and Executive
Branch officers and agencies their opinion on matters involving the administration of various governmental processes by the Governor and those officers and agencies in the exercise of powers delegated to them by law.

The Legislature finds, however, that the preservation and maintenance of the integrity of the legislative process, the regulatory process and governmental process, including the development and promulgation of rules and regulations or administration of various governmental processes to effectuate the implementation of statutory law, requires the identification in certain instances of persons and groups who seek to influence the content, introduction, passage or defeat of legislation, the proposal, adoption, amendment, or repeal of rules and regulations or the administration of various governmental processes, and, where it is not otherwise apparent or readily ascertainable, the nature of the interest which those persons and groups seek to advance or protect through such activity.

It is in the public interest to closely monitor the activities of governmental affairs agents and lobbyists with respect to their involvement in influencing legislative, regulatory and governmental processes to ensure the integrity of government.

Therefore, it is the purpose of this act, as amended by P.L.2004, c.27, to require adequate disclosure in certain instances in order to make available to the Legislature, governmental officials and the public information relative to the activities of persons who seek to influence the content, introduction, passage or defeat of legislation, the proposal, adoption, amendment or repeal of rules and regulations or the administration of various governmental processes by such means.

2. Section 2 of P.L.1971, c.183 (C.52:13C-19) is amended to read as follows:

C.52:13C-19 Short title.
2. This act shall be known as the "Legislative and Governmental Process Activities Disclosure Act."

   e. The term "Governor" includes the Governor or the Acting Governor.
   f. The term "communication with a member of the Legislature," "with legislative staff," "with the Governor," "with the Governor's staff," or "with an officer or staff member of the Executive Branch" means any communication, oral or in writing or any other medium, addressed, delivered, distributed or disseminated, respectively, to a member of the Legislature, to legislative staff, to the Governor, to the Governor's staff, or to an officer or staff member of the Executive Branch, as distinguished from communication to the general public including but not limited to a member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch. If any person shall obtain, reproduce or excerpt any communication or part thereof which in its original form was not a communication under this subsection and shall cause such excerpt or reproduction to be addressed, delivered, distributed or disseminated to a member of the Legislature, to legislative staff, to the Governor, to the Governor's staff, or to an officer or staff member of the Executive Branch, such communication, reproduction or excerpt shall be deemed a communication with the member of the Legislature, with legislative staff, with the Governor, with the Governor's staff, or with an officer or staff member of the Executive Branch by such person.
g. 19. a. When it shall appear to the commission that a person required to file any statement under this act, as amended and supplemented, has failed to file such required statement, or has filed a statement false, inaccurate or incomplete in any material matter, or has otherwise violated the provisions of this act, as amended and supplemented; or when the commission believes it to be in the public interest that an investigation should be made to ascertain whether a person has in fact violated any of the provisions of this act, as amended and supplemented, it may apply to the Superior Court for an order or orders directing:

(1) That any such person or persons make available to the commission's inspection, or to the inspection of any of its authorized deputies or agents, such records as are required to be kept by that person pursuant to section 7 of P.L.1971, c.183 (C.52:13C-24); or

(3) That any person submit to examination under oath by the commission in connection with said circumstances, and produce any and all records, books and other documents which may be specified by order of the court; or

(4) That the commission may impound any record, book or other documents specified by order of the court.

b. Such application by the commission shall set forth all the facts and circumstances upon which its belief in the necessity of an investigation is based. The court may proceed on such application in a summary manner;
and if the court determines that from the evidence submitted it appears that a person required to file any statement under this act, as amended and supplemented, has failed to file such statement, or has filed a statement false, inaccurate or incomplete in any material respect, or has otherwise violated any of the provisions of this act, as amended and supplemented, or that it is in the public interest that an investigation be held to determine whether such violation has occurred, the court shall issue such order pursuant to subsection a. of this section as it may deem necessary and proper.

A person who is entitled by law to assert such privilege, and does so assert, and thereafter complies with such direction, shall not thereafter be prosecuted or subjected to any penalty or forfeiture in any criminal proceeding which arises out of and relates to the subject matter of the proceeding. Until that certification has been filed, the committee shall continue to file the quarterly reports as provided under this subsection.

c. Each political party committee and each legislative leadership committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 and January 15 of each calendar year, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public question.

The cumulative quarterly report shall contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this subsection, the report shall contain the name and address of each person who cosigns such loan, and where an individual has cosigned such loans, the report shall indicate the occupation of the individual and the name and mailing address of the individual's
employer. The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the amount and purpose of each such expenditure. The treasurer of the political party committee or legislative leadership committee reporting shall certify to the correctness of each cumulative quarterly report.

If a political party committee or a legislative leadership committee submitting cumulative quarterly reports as provided under this subsection receives a contribution from a single source of more than $500 after the final day of a quarterly reporting period and on or before a primary, general, municipal, school or special election which occurs after that final day but prior to the final day of the next reporting period it shall, in writing or by telegram, report that contribution to the commission within 48 hours of the receipt thereof, including in that report the amount and date of the contribution; the name and mailing address of the contributor; and where the contributor is an individual, the individual's occupation and the name and mailing address of the individual's employer.

d. In any report filed pursuant to the provisions of this section the organization or committee reporting may exclude from the report the name of and other information relating to any contributor whose contributions during the period covered by the report did not exceed $300, provided, however, that (1) such exclusion is unlawful if any person responsible for the preparation or filing of the report knew that it was made with respect to any person whose contributions relating to the same election or issue and made to the reporting organization or committee aggregate, in combination with the contribution in respect of which such exclusion is made, more than $300 and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identification of a contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requiring any committee or organization reporting pursuant to this act to report the amounts, dates or other circumstantial data regarding contributions made to any other organization or political committee, political party committee or campaign organization of a candidate.

Any report filed pursuant to the provisions of this section shall include an itemized accounting of all receipts and expenditures relative to any testimonial affairs held since the date of the most recent report filed, which accounting shall include the name and mailing address of each contributor in excess of $300 to such testimonial affair and the amount contributed by each; in the
case of an individual contributor, the occupation of the individual and the 
name and mailing address of the individual's employer; the expenses incurred; 
and the disposition of the proceeds of such testimonial affair.

The $300 limits established in this subsection shall remain as stated in 
this subsection without further adjustment by the commission in the manner 

e. A political committee shall be exempt from any requirement to file 
reports pursuant to this section of contributions received or expenditures 
made in behalf of two or more joint candidates in any election if the 
committee files with the Election Law Enforcement Commission a sworn 
statement to the effect that the total amount to be expended on behalf of 
their candidacies shall not exceed $4,000.00; provided, that if a committee 
which has filed such a sworn statement receives contributions from any one 
source aggregating more than $300, it shall forthwith report that fact, 
including the name and mailing address of the source; where the source is 
an individual, the occupation of the individual and the name and mailing 
address of the individual's employer; and the aggregate total of contributions 
from the source to the commission. Any sworn statement under this 
subsection may be filed with the notice of designation by a political 
committee of a campaign treasurer and campaign depository under section 
10 of P.L.1973, c.83 (C.19:44A-10), if that committee knows or has reason 
to believe, at the time when the notice of designation is given, that the total 
amount to be so expended shall not exceed $4,000.00.

The $300 limit established in this subsection shall remain as stated in 
this subsection without further adjustment by the commission in the manner 

4. Section 11 of P.L.1973, c.83 (C.19:44A-11) is amended to read as 
follows:

therefor, including but not limited to contributions, loans or obligations of 
a candidate himself or of his family, shall be made or received, and no 
expenditure of money or other thing of value, nor obligation therefor, 
including expenditures, loans or obligations of a candidate himself or of his 
family, shall be made or incurred, directly or indirectly, to support or defeat

No contribution of money shall be made in currency, except contributions in response to a public solicitation, provided that cumulative currency contributions of up to $200 may be made to a candidate committee or joint candidates committee, a political committee, a continuing political committee, a legislative leadership committee or a political party committee if the contributor submits with the currency contribution a written statement of a form as prescribed by the commission, indicating the contributor's name, mailing address and occupation and the amount of the contribution, including the contributor's signature and the name and mailing address of the contributor's employer. Adjustments to the $200 limit established in this paragraph which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The $200 limit established in this paragraph shall remain as stated in this paragraph without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2)
Any anonymous contribution received by a campaign treasurer or deputy campaign treasurer shall not be used or expended, but shall be returned to the donor, if his identity is known, and if no donor is found, the contribution shall escheat to the State.

No person, partnership or association, either directly or through an agent, shall make any loan or advance, the proceeds of which that person, partnership or association knows or has reason to know or believe are intended to be used by the recipient thereof to make a contribution or expenditure, except by check or money order identifying the name, mailing address and occupation or business of the maker of the loan, and, if the maker is an individual, the name and mailing address of that individual’s employer; provided, however, that such loans or advances to a single individual, up to a cumulative amount of $50 in any calendar year, may be made in currency.

5. Section 16 of P.L.1973, c.83 (C.19:44A-16) is amended to read as follows:

C.19:44A-16 Candidates' reports of contributions and expenditures.

16. a. The campaign treasurer of each candidate committee and joint candidates committee shall make a full cumulative report, upon a form prescribed by the Election Law Enforcement Commission, of all contributions in the form of moneys, loans, paid personal services or other things of value, made to him or to the deputy campaign treasurers of the candidate committee or joint candidates committee, and all expenditures paid out of the election fund of the candidate or candidates, during the period ending with the second day preceding the date of the cumulative report and beginning on the date of the first of those contributions, the date of the first of those expenditures, or the date of the appointment of the campaign treasurer, whichever occurred first. The report shall also contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value were contributed after the second day preceding the date of the previous cumulative report and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this section, the report shall further contain the name and mailing address of each person who cosigns such loan, the occupation of the person and the name and mailing address
of the person's employer. If no moneys, loans, paid personal services or other things of value were contributed, the report shall so indicate, and if no expenditures were paid or incurred, the report shall likewise so indicate. The campaign treasurer and the candidate or several candidates shall certify the correctness of the report.

b. During the period between the appointment of the campaign treasurer and the election with respect to which contributions are accepted or expenditures made by him, the campaign treasurer shall file his cumulative campaign report (1) on the 29th day preceding the election, and (2) on the 11th day preceding the election; and after the election he shall file his report on the 20th day following such election. Concurrent with the report filed on the 20th day following an election, or at any time thereafter, the campaign treasurer of a candidate committee or joint candidates committee may certify to the Election Law Enforcement Commission that the election fund of such candidate committee or joint candidates committee has wound up its business and been dissolved, or that business regarding the late election has been wound up but the candidate committee or joint candidates committee will continue for the deposit and use of contributions in accordance with section 17 of P.L.1993, c.65 (C.19:44A-11.2). Certification shall be accompanied by a final accounting of such election fund, or of the transactions relating to such election, including the final disposition of any balance remaining in such fund at the time of dissolution or the arrangements which have been made for the discharge of any obligations remaining unpaid at the time of dissolution. Until the candidate committee or joint candidates committee is dissolved, each such treasurer shall continue to file reports in the form and manner herein prescribed.

The Election Law Enforcement Commission shall promulgate regulations providing for the termination of post-election campaign reporting requirements applicable to political committees, candidate committees and joint candidates committees. The requirements to file quarterly reports after the first post-election report may be waived by the commission, notwithstanding that the certification has not been filed, if the commission determines under any regulations so promulgated that the outstanding obligations of the political committee, candidate committee or joint candidates committee do not exceed 10% of the expenditures of the campaign fund with respect to the election or $1,000.00, whichever is less, or are likely to be discharged or forgiven.
A candidate committee or joint candidates committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 of each calendar year in which the candidate or candidates in control of the committee does or do not run for election or reelection and January 15 of each calendar year in which the candidate or candidates does or do run for election or reelection, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it or to the candidate or candidates during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it or the candidate or candidates during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public question. The commission may by regulation require any such candidate committee or joint candidates committee to file during any calendar year one or more additional cumulative reports of such contributions received and expenditures made as may be necessary to ensure that no more than five months shall elapse between the last day of a period covered by one such report and the last day of the period covered by the next such report.

The commission, on any form it shall prescribe for the reporting of expenditures by a candidate committee or joint candidates committee, shall provide for the grouping together of all expenditures under the category of "campaign expenses" under paragraph (1) of subsection a. of section 17 of P.L.1993, c.65, identified as such, and for the grouping together, separately, of all other expenditures under the categories prescribed by paragraphs (2) through (6) of that subsection. The cumulative quarterly report due on April 15 in a year immediately after the year in which the candidate or candidates does or do run for election or reelection shall contain a report of all of the contributions received and expenditures made by the candidate or candidates since the 18th day after that election.

The cumulative quarterly report shall contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual
and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this section, the report shall contain the name and address of each person who cosigns such loan, and where an individual has cosigned such loans, the report shall indicate the occupation of the individual and the name and mailing address of his employer. The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the amount and purpose of each such expenditure. The treasurer of the candidate committee or joint candidates committee and the candidate or candidates shall certify to the correctness of each cumulative quarterly report.

c. In the case of an election of a candidate for an office elected by a municipal or countywide constituency or a school district a duplicate copy of the campaign treasurer's report, duly certified, shall be filed at the same time with the county clerk of the county in which the candidate resides and the county clerk shall retain a written record of that filing for a period of not less than four years following the date of the election.

d. There shall be no obligation to file the reports required by this section on behalf of a candidate if such candidate files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended in behalf of his candidacy by the candidate committee, by any political party committee, by any political committee, or by any person shall not in the aggregate exceed $2,000.00 or $4,000 for any joint candidates committee containing two candidates or $6,000 for any joint candidates committee containing three or more candidates. The sworn statement may be submitted at the time when the name and address of the campaign treasurer and depository is filed with the Election Law Enforcement Commission, provided that in any case the sworn statement is filed no later than the 29th day before an election. If a candidate who has filed such a sworn statement receives contributions from any one source aggregating more than $300 he shall forthwith make report of the same, including the name and mailing address of the source and the aggregate total of contributions therefrom, and where the source is an individual, the occupation of the individual and the name and mailing address of the individual's employer, to the Election Law Enforcement Commission. The $300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.i9:44A-7.2).
e. There shall be no obligation imposed upon a candidate seeking election to a public office of a school district to file either the reports required under subsection b. of this section or the sworn statement referred to in subsection d. of this section, if the total amount expended and to be expended in behalf of his candidacy by the candidate committee, any political committee, any continuing political committee, or a political party committee or by any person, does not in the aggregate exceed $2,000.00 per election or $4,000 for any joint candidates committee containing two candidates or $6,000 for any joint candidates committee containing three or more candidates; provided, that if such candidate receives contributions from any one source aggregating more than $300, he shall forthwith make a report of the same, including the name and mailing address of the source, the aggregate total of contributions therefrom, and where the source is an individual, the occupation of the individual and the name and mailing address of the individual's employer, to the commission.

The $300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

f. In any report filed pursuant to the provisions of this section, the names and addresses of contributors whose contributions during the period covered by the report did not exceed $300 may be excluded; provided, however, that (1) such exclusion is unlawful if any person responsible for the preparation or filing of the report knew that such exclusion was made with respect to any person whose total contributions relating to the same election and made to the reporting candidate or to an allied campaign organization or organizations aggregate, in combination with the total contributions in respect of which such exclusion is made, more than $300, and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identity of any contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requiring any candidate committee or joint candidates committee reporting pursuant to this act to report the amounts, dates or other circumstantial data regarding contributions made to any other candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee.
The $300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

g. Any report filed pursuant to the provisions of this section shall include an itemized accounting of all receipts and expenditures relative to any testimonial affair held since the date of the most recent report filed, which accounting shall include the name and mailing address of each contributor in excess of $300 to such testimonial affair and the amount contributed by each; in the case of any individual contributor, the occupation of the individual and the name and mailing address of the individual's employer; the expenses incurred; and the disposition of the proceeds of such testimonial affair. The $300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

h. (Deleted by amendment, P.L.1993, c.65.)

i. Each campaign treasurer of a candidate committee or joint candidates committee shall file written notice with the commission of a contribution in excess of $500 received during the period between the 13th day prior to the election and the date of the election. The notice shall be filed in writing or by telegram within 48 hours of the receipt of the contribution and shall set forth the amount and date of the contribution, the name and mailing address of the contributor, and where the contributor is an individual, the occupation of the individual and the name and mailing address of the individual's employer.

6. Section 19 of P.L.1973, c.83 (C.19:44A-19) is amended to read as follows:

C.19:44A-19 Public solicitations.

19. a. No person shall conduct any public solicitation as defined in this act except (1) upon written authorization of the campaign or organizational treasurer of the candidate committee or joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee on whose behalf such solicitation is conducted, or (2) in accordance with the provisions of subsection c. of this section. A person with such written authorization may employ and accept the services of others as solicitors, and shall be responsible for reporting to the treasurer the information required under subsection b. of this section and for delivery to the treasurer the net proceeds of such solicitation in compliance with section 11 of this act. A contribution made through
donation or purchase in response to a public solicitation conducted pursuant to written authorization of a treasurer shall be deemed to have been made through such treasurer.

b. If it is not practicable for such itemized report to be completed in time to be included with the report due under sections 8 and 16 of this act for the period during which such solicitation was held, then such itemized report may be omitted from said report and if so omitted shall be included in the report for the next succeeding period.

Adjustments to the $200 limit established in this subsection which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The $200 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

Notwithstanding the provisions of subsection b. of this section, it shall be lawful for any natural person, not acting in concert with any other person or group, to make personally a public solicitation the entire proceeds of which, without deduction for the expenses of solicitation, are to be expended by him personally or under his personal direction to finance any lawful activity in support of or opposition to any candidate or public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat
of legislation; provided, however, that any individual making such solicitation who receives gross contributions exceeding $200 in respect to activities relating to any one election shall be required to make a report stating (1) the amount so collected, (2) the method of solicitation, (3) the purpose or purposes for which the funds so collected were expended and the amount expended for each such purpose and (4) the individual's name and mailing address, the individual's occupation and the name and mailing address of the individual's employer. Adjustments to the $200 limit established in this subsection which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The $200 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

d. Contributions or purchases made in response to a public solicitation conducted in conformity with the requirements and conditions of this act shall not be deemed anonymous within the meaning of sections 11 and 20 of this act.

e. No person contributing in good faith to a public solicitation not duly authorized in compliance with the provisions of this act shall be liable to any penalty under this act by reason of having made such contribution.

7. This act shall take effect on January 1 following enactment.

1. a. As used in this section:

"candidate" means a candidate for nomination for election or election to the office of Governor or the office of member of the Senate or General Assembly, and any candidate committee, joint candidates committee, or both, of such a candidate;

"committee" means a political committee, continuing political committee, political party committee, or legislative leadership committee;

The terms "professional campaign fund raiser" and "fund raiser" do not include any person who is reimbursed only for incurred costs by a candidate or committee for performing any service directly related to the solicitation of contributions for that candidate or committee.

b. Whenever a professional campaign fund raiser plans or organizes or is involved in the planning or organizing of, or attends, at least three events within a three-month period at which contributions are raised by that person for a candidate or committee by whom he or she has been employed, retained or engaged, or that person raises money or other thing of value at least equivalent to the maximum amount of contributions permitted to be made by an individual to a candidate for public office pursuant to section 18 of P.L.1993, c.65 (C.19:44A-1.3) in the aggregate in contributions for such a candidate or committee prior to a primary election or prior to a general election, that person shall register with the Election Law Enforcement Commission using a form prepared by the commission.

The form shall be filed within five business days after either threshold is reached and shall include the name, business mailing address, and regular occupation or business of the fund raiser, the resident mailing address of a State resident designated as the fund raiser's agent for the service of process, the general nature of the services to be offered, the dates and locations of each fund raising event the person planned or organized or was involved in the planning or organizing of, or attended, the amount of money the person
raised at each event and any other information the commission deems relevant. A professional campaign fund raiser who registers for the first time pursuant to this subsection shall re-register annually thereafter regardless of the number of events that person plans, organizes or attends, or the amount of contributions that person receives as long as the person remains employed, retained or engaged as a professional fund raiser. A fund raiser who chooses to terminate fund raising services in this State shall so notify the commission in writing within 30 days after such termination of services.

c. A fund raiser who has filed a registration form with the commission pursuant to subsection b. of this section shall file, not later than April 15, July 15, October 15 and January 15 of each calendar year, a report with the commission which includes, for the preceding quarter, the names of each candidate or committee for which fund raising services were provided, the services provided to each named candidate or committee, gross and net amounts raised for each named candidate or committee, the amount of compensation received from each candidate or committee, and an itemized list of expenditures made in connection with providing fund raising services.

A fund raiser who has not registered with the commission pursuant to subsection b. of this section but is required to be registered, shall not, for compensation, perform for any candidate or committee any service directly related to the solicitation of contributions for that candidate or committee. A candidate or committee shall not pay any compensation to any fund raiser who is not registered pursuant to subsection b. of this section but is required to be registered, for performing any service directly related to the solicitation of contributions for that candidate or committee.

e. Each fund raiser who registers with the commission shall pay, with the initial registration and annually thereafter, a fee to the commission which the commission shall establish by regulation to be not less than the fee paid by legislative agents pursuant to subsection j. of section 6 of P.L.1971, c.183 (C.52:13C-23), as well as reasonable fees for the filing of quarterly reports.

All fees collected pursuant to subsection e. of this section shall be deposited in that fund and appropriated exclusively for the purposes of the commission. All monies appropriated from the fund
shall be dedicated to defray the expenses of the commission in administer­
ing this act.

g. (1) Any fund raiser who is determined by the commission to have purposely violated any provision of this section or to have filed or prepared or assisted in the preparation for filing or purposely acquiesced in the preparation or filing of any report required under this section which the fund raiser knows is false, inaccurate or incomplete in any material particular, or who purposely fails or refuses to file any such report when required to do so pursuant to this section, or who purposely supplies any information the fund raiser knows to be false, inaccurate or incomplete to any person preparing or assisting in the preparation of any such report, with the knowledge that such information is intended for the purposes of such report, is guilty of a crime of the fourth degree.

(2) Any fund raiser responsible for the preparation, certification, filing or retention of any reports, notices or other documents, who fails, neglects or omits to prepare, certify, file or retain any such report, record or notice or document by the time required by this section or who omits or incorrectly states or certifies any of the information required by this section to be included in such report, record, notice or document shall be liable to a penalty of not more than $6,000 for the first offense and not more than $12,000 for the second and each subsequent offense. Any penalty imposed pursuant to this subsection may be recovered by a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

2. This act shall take effect on the 60th day after enactment.

Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, or any group other than such a committee, or any person makes, incurs or authorizes an expenditure for the purpose of financing a communication aiding or promoting the nomination, election or defeat of any candidate or providing political information on any candidate which is an expenditure that the committee, group or person is required to report to the Election Law Enforcement Commission pursuant to P.L.1973, c.83 (C.19:44A-1 et seq.), the communication shall clearly state the name and business or residence address of the committee, group or person, as that information appears on reports filed with the commission, and that the communication has been financed by that committee, group or person.

b. Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, or any group other than such a committee, or any person makes, incurs or authorizes an expenditure for the purpose of financing a communication aiding the passage or defeat of any public question or providing political information on any public question which is an expenditure that the committee, group or person is required to report to the Election Law Enforcement Commission pursuant to P.L.1973, c.83 (C.19:44A-1 et seq.), the communication shall clearly state the name and business or residence address of the committee, group or person, as that information appears on reports filed with the commission, and that the communication has been financed by that committee, group or person.

c. A communication that is financed by any person, not acting in concert with a candidate or any person or committee acting on behalf of a candidate, shall contain a clear and conspicuous statement that the expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of, any such candidate, person or committee.

d. Any person who accepts compensation from a committee, group or individual described in subsection a. or b. of this section for the purpose of printing, broadcasting, or otherwise disseminating to the electorate a communication shall maintain a record of the transaction which shall include an exact copy of the communication and a statement of the number
of copies made or the dates and times that the communication was broadcast 
or otherwise transmitted, and the name and address of the committee, group 
or individual paying for the communication. The record shall be maintained 
on file at the principal office of the person accepting the communication for 
at least two years and shall be available for public inspection during normal 
business hours.

e. As used in this section, "communication" means a press release, 
pamphlet, flyer, form letter, sign, billboard, paid advertisement printed in 
any newspaper or other publication or broadcast on radio or television, or 
television call featuring a recorded message, or any other form of advertis­
ing directed to the electorate.

f. The provisions of this section shall not be construed to apply to any 
bona fide news item or editorial contained in any publication of bona fide 
general circulation.

g. (1) A person who violates a provision of this section shall be subject

h. The Election Law Enforcement Commission shall promulgate rules 
and regulations pursuant to the "Administrative Procedure Act," P.L.1968, 
c.410 (C.52:14B-1 et seq.) to effectuate the purpose of this section. The 
commission may, by regulation, exempt from the provisions of this section 
small, tangible items of de minimis value which are commonly used in 
campaigns to convey a political message, including, but not limited to, 
buttons, combs, and nail files. The commission may also, by regulation, 
exempt from the provisions of this section advertising space purchased by 
a candidate committee, joint candidates committee, political committee, 
continuing political committee, political party committee, legislative 
leadership committee or other person, in a political program book distrib­
uted at a fund-raising event if the financial transaction is otherwise subject 
to disclosure. An exemption granted by the commission with respect to any 
item shall not relieve the committee, group or individual making an 
expenditure therefor from any applicable campaign finance reporting 
requirements.

In addition, the commission shall have the authority to provide, by 
regulation, that a communication need not include the address of the 
committee, group or person financing the communication in circumstances 
where the name of a committee, group or person would be sufficient to 
identify it from the commission's records.
2. This act shall take effect on the 90th day after enactment.

d. There shall be no obligation to file the reports required by this section on behalf of a candidate if such candidate files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended in behalf of his candidacy by the candidate committee, by any political party committee, by any political committee, or by any person shall not in the aggregate exceed $2,000.00 or $4,000 for any joint candidates committee containing two candidates or $6,000 for any

statement may be submitted at the time when the name and address of the
campaign treasurer and depository is filed with the Election Law Enforce­

this subsection without further adjustment by the commission in the manner

f. In any report filed pursuant to the provisions of this section, the

covered by the report did not exceed $300 may be excluded; provided,
however, that (1) such exclusion is unlawful if any person responsible for
the preparation or filing of the report knew that such exclusion was made

moneys provided to the employer by the State for customized training services, or, if only a portion of the jobs are relocated or outsourced, return a part of the moneys, deemed by the commissioner to be appropriate and proportional to the portion of the jobs relocated or outsourced, and the returned amount shall be deposited into the Workforce Development Partnership Fund.

An evaluation by a qualified job counselor of what remedial education, if any, is determined to be necessary for the worker to advance in his current employment or occupation or to succeed in any particular vocational training which the worker would undertake under the program, provided that the remedial education shall be at a level not lower than that needed to meet the standards established pursuant to section 14 of P.L.1989, c.293 (C.34:1SC-11);

c. The provision to the worker of information regarding any of the labor demand occupations for which training meets the requirements of section 4 of this act in the worker's case, including information about the wage levels in those occupations, and information regarding the effectiveness of approved service providers of vocational training in occupations which the worker is considering, including a consumer report card on service providers showing the long-term success of former trainees of each provider in obtaining permanent employment and increasing earnings over a period of not more than two years following the completion of training;

d. The timely provision of information to the worker regarding the services and benefits available to the worker, and all actions required of the worker to obtain the services and benefits, under the provisions of this act and P.L.1992, c.47 (C.43:21-57 et al.), and under the Work First New Jersey program in the case of a qualified disadvantaged worker receiving or eligible for benefits under that program; and the provision to the worker of a written statement of the worker's rights and responsibilities with respect to programs for which the worker is eligible, which includes a full disclosure to the worker of the worker's right to obtain the services most likely to enable the worker to obtain employment providing self-sufficiency and the workers' right not to be denied training services for any of the reasons indicated in subsection d. of section 6 of P.L.1992, c.43 (C.34:15D-6), including the worker's right not to be denied training services because the worker already has identifiable vocational skills, if those
existing skills are for employment with a level of earnings lower than the level of self-sufficiency; and

e. Discussion with the counselor of the results of the testing and evaluation and, based on those results, the development of a written Employability Development Plan identifying the training and employment services, including any needed remedial education, to be provided to the worker pursuant to this act. In the case of a qualified disadvantaged worker, the Employability Development Plan will be, to the greatest extent possible while remaining in compliance with any applicable federal requirements, coordinated and made consistent with any individual responsibility plan developed for the worker under the Work First New Jersey program. In the case of a qualified disadvantaged worker who is or was receiving, or who is eligible for but not receiving, benefits under the Work First New Jersey program, and who does not have a marketable bachelor's degree, the counselor may approve, as part of the workers' Employability Development Plan, the replacement of Work First New Jersey program benefits by Supplemental Workforce Development Benefits paid to the disadvantaged worker for full-time educational activity without, or with insufficient, other work activity from available resources for employment-directed and workforce development programs and activities transferred from the Department of Human Services pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3) or from the account of the Workforce Development Partnership Fund reserved for qualified disadvantaged workers pursuant to subsection b. of section 9 of P.L.1992, c.43 (C.34:15D-9), for any period of time for which the counselor determines that:

(1) Full-time remedial education to obtain a high school diploma or G.E.D. or full-time post secondary education in a two-year or four-year degree-granting educational program with a course of study related to work, even if the duration of the full-time education is longer than two years, is the training and employment service that is most likely to enable the worker to obtain employment providing self-sufficiency;

(2) The worker has responsibility during that period of time for the care of dependent children or other family members unable to care for themselves the magnitude of which, if added to the full-time educational activities indicated in paragraph (1) of this subsection, make it likely that any additional work activity will jeopardize the success of the educational activity; and

(3) Providing Work First New Jersey program benefits to the worker during that period of time for the full-time educational activity without, or with insufficient, work activities would result in a loss of benefits for the worker pursuant to section 9 of P.L.1997, c.38 (C.44:10-63) or would be counted toward the maximum limit of 60 cumulative months of Work First New Jersey program benefits...
New Jersey program benefits provided to the worker pursuant to section 2 of P.L.1997, c.37 (C.44:10-72).

With respect to the use of the funds deposited during any fiscal year in the account of the Workforce Development Partnership Fund reserved for qualified disadvantaged workers pursuant to subsection b. of section 9 of P.L.1992, c.43 (C.34:15D-9), first priority shall be given for the payment of Supplemental Workforce Development Benefits pursuant to this subsection. Not more than 1,500 qualified disadvantaged workers shall receive Supplemental Workforce Development Benefits pursuant to this subsection at any one time. With respect to using available resources for employment-directed and workforce development programs and activities transferred from the Department of Human Services pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3) for Supplemental Workforce Development Benefits, no federal funds which are part of those resources may be used for Supplemental Workforce Development Benefits which result in the imposition of conditions of participation other than those established by this subsection. If federal funds are used for childcare costs of a participant, the Department of Human Services may transfer the funds to the Child Care and Development Block Grant, as permitted by law and as needed to permit the use of the federal funds while preventing any loss of benefits to the participant and preventing the childcare time from being counted toward the participant's maximum limit of 60 cumulative months of Work First New Jersey program benefits. The counselor shall assist in facilitating the use, to the maximum extent possible, of Pell grants or other available educational grants to pay for tuition and other educational costs of a recipient of Supplemental Workforce Development Benefits provided pursuant to this section. The requirements for receiving Supplemental Workforce Development Benefits may include work-site experience which will enhance the participant's employability in the participant's field, provided that the required sum of class hours for a full-time class schedule, hours of study time at not less than one and one half times class time, and hours of work-site experience, shall not exceed 40 hours per week and that the commissioner shall adopt regulations for reasonable adjustments in participation requirements for good cause, including verifiable needs related to physical or mental health problems, illness, accident or death or serious personal or family problems that necessitate reduced participation, provided further that no individual shall receive Supplemental Workforce Development Benefits for a period of more than five years. The commissioner shall adopt regulations setting standards for satisfactory academic progress for continued participation. Participation may not be denied for any of the reasons which subsection d. of section 6 of P.L.1992, c.43 (C.34:15D-6) prohibits from being used to deny training grants. For the purposes of this
section, "Work First New Jersey benefits" means benefits for which a worker and the worker's family would be eligible if the worker was participating in the Work First New Jersey program or any successor program to the Work First New Jersey program.

Counseling made available at the request of an employer participating in a customized training program may include only those components requested by the employer.

All information regarding a worker applicant or trainee which is obtained or compiled in connection with the testing, assessment and evaluation and which may be identified with the worker shall be confidential and shall be released to an entity other than the worker, the counselor or the department only if the worker provides written permission to the department for the release of the information or the information is used solely for program evaluation.

13. This act shall take effect immediately.

amended by P.L.2004, c.40, based upon the information provided by the

a homestead rebate, or from any other information as may be available to
the director in order that each individual applicant shall be paid the
homestead rebate that may be allowed to the claimant pursuant to sections

As used in this section, Range 1 equals $1,200 to $1,000 for tax year 2003, and shall be subject to the cost-of-living adjustment for each tax year thereafter as provided in subsection h. of this section; Range 2 equals $800 to $600 for tax year 2003, and shall be subject to the cost-of-living adjustment for each tax year thereafter as provided in subsection h. of this section; and Range 3 equals $500 for tax year 2003, and shall be subject to the cost-of-living adjustment for each tax year thereafter as provided in subsection h. of this section.

(3) (a) A homestead rebate shall be allowed for tax year 2003 pursuant to this section in relation to the amount of the property taxes actually paid.
by or allocable to a resident property taxpayer who is a claimant on more than one homestead, but the aggregate amount of the property taxes claimed shall not exceed the total of the proportionate amounts of property taxes assessed and levied against or allocable to each homestead for the portion of the tax year the claimant occupied it as the claimant's principal residence.

(b) Notwithstanding any provision of this act to the contrary, a homestead rebate shall be allowed for tax year 2004 and thereafter pursuant to this section in relation to the amount of the property taxes actually paid during the tax year for the homestead owned and occupied as such at 12:01 a.m. on October 1 of the tax year, whether paid for the entire tax year by the claimant or by any pre-October 1 owner or owners of that homestead during that tax year.

c. (1) If title to a homestead is held by more than one individual as joint tenants or tenants in common, each individual shall be allowed a homestead rebate pursuant to this section only in relation to the individual's proportionate share of the property taxes assessed and levied against the homestead. The individual's proportionate share of the property taxes on that homestead shall be equal to the share of that individual's interest in the title. Title shall be presumed to be held in equal shares among all co-owners, but if the claimant satisfactorily demonstrates to the director that the title provides for unequal interests, either under the conveyance under which the title is held, or as otherwise may be demonstrated, that claimant's share of the property taxes paid on that homestead shall be in proportion to the claimant's interest in the title.

(2) Eligible claimants shall include individuals within any of the filing categories set forth in N.J.S.54A:2-1 and any individual or individuals not required to file a gross income tax return because their gross income was below the minimum taxable income threshold established in N.J.S.54A:2-4 and N.J.S.54A:8-3.1. In the case of a married individual filing a separate New Jersey gross income tax return, if the spouse of the claimant maintains the same homestead as the claimant and also files a separate gross income tax return in this State the homestead rebate claimed under this subsection shall be equal to one-half of the amount of the homestead rebate allowable had the spouses filed a joint return and homestead rebate application.

(3) An application for a homestead rebate shall be allowed for a homestead the title to which is held by a partnership, to the extent of the applicant's interest as a partner therein, and by a guardian, trustee, committee, conservator or other fiduciary for any individual who would otherwise be eligible for a rebate. An application for a homestead rebate shall not be allowed for a homestead, the title to which is held partially or entirely by a corporate entity of any type, except as otherwise specifically allowed for an
application from a resident of a property owned by a continuing care retirement community, or a cooperative or mutual housing corporation.

d. If the homestead of a claimant is a residential property consisting of more than one unit, that claimant shall be allowed a homestead rebate pursuant to this section only in relation to the proportionate share of the property taxes assessed and levied against the residential unit occupied by that claimant, as determined by the local tax assessor.

e. Nothing in this section shall preclude a co-owner, who is other than a husband or wife claiming a homestead rebate on the same homestead, from receiving a homestead rebate determined pursuant to this section if another co-owner claims a homestead rebate pursuant to this section, provided however, that each claim for a homestead rebate determined pursuant to this section shall be separately subject to the provisions of subsections c. and d. of this section.

f. (Deleted by amendment, P.L.2004, c.40.)

g. (Deleted by amendment, P.L.2004, c.40.)
h. (1) For the 2005 tax year and each tax year thereafter, the director shall annually recompute the minimum and maximum homestead rebate ranges set forth in subsection a. of this section by multiplying the homestead rebate ranges allowed in the prior tax year by the cost-of-living adjustment, and recomputing the new homestead rebate ranges for the current tax year. The director shall round the recomputed homestead rebate ranges to the next highest multiple of $5.

(2) "Cost-of-living adjustment" for any tax year means the factor calculated by dividing the consumer price index for all urban consumers for the nation, as prepared by the United States Department of Labor as of the close of the 12-month period ending on August 31 of the tax year, by that index as of the close of the 12-month period ending on August 31 of the calendar year preceding the tax year in which the recomputation of the homestead rebate ranges is made.

5. Section 4 of P.L.1990, c.61 (C.54:4-8.60) is amended to read as follows:

C.54:4-8.60 Rebates for residential rental property units, amount; eligibility, conditions.

4. a. A resident of this State who is 65 years of age or older at the close of the tax year, or who is allowed to claim a personal deduction as a blind or disabled taxpayer pursuant to subsection b. of N.J.S.54A:3-1, whose homestead is a unit of residential rental property shall be allowed a homestead rebate for the tax year equal to the sum of the following two amounts: the amount by which the claimant's rent constituting property taxes in that tax year exceeds 5% of the claimant's gross income, rounded
to the nearest whole dollar, plus the amount of $50. For the tax year 2003 the homestead rebate shall be not more than $825 or less than $150, which maximum homestead rebate shall be subject to the cost-of-living adjustment for each tax year thereafter as provided in subsection g. of this section. Provided further, that for each tax year the following gross income limits apply:

(1) in the case of a married couple filing a joint New Jersey gross income tax return or an individual filing a return who determines gross income tax pursuant to subsection a. of N.J.S.54A:2-l, gross income does not exceed $70,000 for that year, or such individual or individuals not required to file a gross income tax return because their gross income was below the minimum taxable income threshold established in N.J.S.54A:2-4 and N.J.S.54A:8-3.1;

(2) in the case of an unmarried individual who determines gross income tax pursuant to subsection b. of N.J.S.54A:2-l, gross income does not exceed $35,000 for that year, or such individual not required to file a gross income tax return because their gross income was below the minimum taxable income threshold established in N.J.S.54A:2-4 and N.J.S.54A:8-3.1;

(3) in the case of a married individual filing a separate New Jersey gross income tax return, if the spouse of the claimant maintains the same homestead as the claimant and also files a separate gross income tax return in this State, the combined gross income of both spouses does not exceed $70,000 for that year, or such individual or individuals not required to file a gross income tax return because their gross income was below the minimum taxable income threshold established in N.J.S.54A:2-4 and N.J.S.54A:8-3.1, but in no event shall the homestead rebate claimed under this subsection exceed one-half of the amount of the homestead rebate allowable had the spouses filed a joint return and homestead rebate application; and

(4) in the case of a married individual filing a separate gross income tax return and maintaining a homestead apart from that individual's spouse, gross income does not exceed $35,000 for that year, or such individual not required to file a gross income tax return because their gross income was below the minimum taxable income threshold established in N.J.S.54A:2-4 and N.J.S.54A:8-3.1.

b. If more than one resident, other than a husband and wife, qualify for a homestead rebate by reason of their having occupied the same unit of residential rental property as their homestead, it shall be presumed that each claimant shall be allowed a homestead rebate pursuant to this section only in relation to the individual's proportionate share of the total rent constituting property taxes paid by that claimant which homestead rebate shall be in proportion to the percentage that the total rent paid by that claimant bears to
the total rent paid by all tenants of the same unit. For the purposes of a homestead rebate claimed by an individual subject to this subsection, the names and social security numbers of each co-tenant shall be reported by the claimant and the total rent paid shall be presumed to be paid in equal parts among all co-tenants.

c. If a claimant for a tax year 2003 homestead rebate pursuant to this section has no other homestead in this State other than a unit of residential rental property, and that claimant was not a resident of this State for the full tax year, but paid rent for the full tax year for one or more units of residential rental property in this State, the claimant's total homestead rebate otherwise calculated pursuant to this section shall be prorated in the proportion which the number of days the claimant occupied residential rental property in this State as a homestead during the tax year bears to 365 days. A claimant for a homestead rebate pursuant to this section for tax year 2004 and any tax year thereafter shall meet all the prerequisites for the homestead occupied as such at 12:01 a.m. on October 1 of the tax year.

d. Nothing in this section shall preclude a co-tenant, other than a husband or wife claiming a homestead rebate on the same homestead, from receiving a homestead rebate determined pursuant to this section if another co-tenant claims a rebate pursuant to this section, provided however, that each such claim shall be separately subject to the provisions of subsections b. and c. of this section.

e. (Deleted by amendment, P.L.2004, c.40.)

f. Notwithstanding any provisions of subsection a. of this section to the contrary,

(1) A resident of this State whose homestead is a unit of residential rental property,

(a) who is 65 years of age or older at the close of the tax year, or who is allowed to claim a personal deduction as a blind or disabled taxpayer pursuant to subsection b. of N.J.S.54A:3-1, who has gross income for the tax year in excess of the gross income limits in subsection a. but not in excess of $100,000 for that year; or

(b) who is not 65 years of age or older at the close of the tax year, or who is not allowed to claim a personal deduction as a blind or disabled taxpayer pursuant to subsection b. of N.J.S.54A:3-1, who has gross income for the tax year, who has gross income not in excess of $100,000 for that year,

shall be allowed a homestead rebate pursuant to this subsection of $150 for property taxes paid through rent during the 2003 tax year and for any tax year thereafter, provided however, that the homestead rebate allowed pursuant to this subsection shall be subject to the limitations and reductions
as may apply pursuant to the provisions of subsections b., c. and d. of this section.

(2) The gross income limit imposed in paragraph (1) of this subsection for a claim for a homestead rebate made pursuant to this subsection that is based upon a homestead maintained by both spouses shall be based upon the combined gross income of both spouses if the claimants filed a joint New Jersey gross income tax return for the tax year. If a claim by a married individual for a homestead rebate made pursuant to this subsection is based upon a homestead maintained by both spouses who each file separate New Jersey gross income tax returns for the tax year, no homestead rebate for the tax year shall be paid to either spouse if their combined gross income exceeds the gross income limit imposed in paragraph (1) of this subsection.

For such a claim, if the combined gross income of both spouses does not exceed the gross income limit imposed in paragraph (1) of this subsection, then each such spouse making a claim shall be allowed a homestead rebate amount equal to one-half of the homestead rebate amount otherwise allowed pursuant to this subsection.

g. (1) For the 2005 tax year and each tax year thereafter, the director shall annually recompute the maximum homestead rebate set forth in subsection a. of this section by multiplying the maximum homestead rebate allowed in the prior tax year by the cost-of-living adjustment, and recomputing the new maximum homestead rebate for the current tax year. The director shall round the recomputed maximum homestead rebate amount to the next highest multiple of $5.

(2) "Cost-of-living adjustment" for any tax year means the factor calculated by dividing the consumer price index for all urban consumers for the nation, as prepared by the United States Department of Labor as of the close of the 12-month period ending on August 31 of the tax year, by that index as of the close of the 12-month period ending on August 31 of the calendar year preceding the tax year in which the recomputation of the maximum homestead rebate is made.

6. Section 5 of P.L.1990, c.61 (C.54:4-8.61) is amended to read as follows:

C.54:4-8.61 Rebates for property taxes and rent; proportionate application.

5. a. For tax year 2003, the director shall determine the amount of the homestead rebate that shall be paid to an applicant who was a resident of this State for the full tax year and whose homestead has been other than a unit of residential rental property for a part of the tax year and has been a unit of residential rental property for the remainder of that year, based upon a proportionate application of the provisions of both section 3 of P.L.1990,
CHAPTER 40, LAWS OF 2004

C.54:4-8.59 and section 4 of P.L.1990, c.61 (C.54:4-8.60) as may apply for each part of the tax year, and based upon the information provided by the individual applicant in the applicant's application or from any other information as may be available to the director.

b. For tax year 2003, the director shall determine the amount of the homestead rebate that shall be paid to an applicant who was a resident of this State for less than the full tax year, and whose homestead has been other than a unit of residential rental property for a part of the tax year and has been a unit of residential rental property for the remainder of that year, based upon a proportionate application of the provisions of both section 3 of P.L.1990, c.61 (C.54:4-8.59) and section 4 of P.L.1990, c.61 (C.54:4-8.60) as may apply for each part of the tax year, and based upon the information provided by the individual applicant in the applicant's application or from any other information as may be available to the director.

c. (Deleted by amendment, P.L.2004, c.40.)

d. (Deleted by amendment, P.L.2004, c.40.)

7. Section 6 of P.L.1990, c.61 (C.54:4-8.62) is amended to read as follows:

C.54:4-8.62 Rebate applications.

6. a. No homestead rebate shall be allowed pursuant to this act except upon annual application therefor, in any manner, upon any form, and in any format, whether in writing or otherwise, as shall be prescribed by the director. The director may require a claimant for a homestead rebate to attach to the homestead rebate application a copy of the appropriate property tax bill or proof of rent paid for the prior tax year. The director may require such other verification of eligibility for a homestead rebate as the director may deem necessary. The director may require that the application for a homestead rebate for a unit of residential rental property authorized pursuant to section 4 of P.L.1990, c.61 (C.54:4-8.60) shall be submitted (1) as part of the claimant's gross income tax return filed pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., or, (2) on any other form, in any manner or format and at any time and prior to any date as the director shall prescribe if (a) the claimant is not required to file a gross income tax return or (b) the claimant has filed an application for extension of time to file the claimant's gross income tax return. The director may require that the application for a homestead rebate authorized pursuant to section 3 of P.L.1990, c.61 (C.54:4-8.59) shall be submitted (1) as part of the applicant's gross income tax return filed pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., or (2) on any other form, in any other format and at any time and prior to any date as the director shall prescribe. The
director shall, for good cause shown, extend the time of any applicant to file a claim for a homestead rebate for a reasonable period, and in such case, the application shall be processed and payment of a homestead rebate made in accordance with the procedures established in the case of applications timely filed, except the date for payment of the rebate may be delayed for a reasonable period. If an applicant or an applicant's spouse has filed an application for an extension of time to file a gross income tax return, the date by which the applicant shall file the homestead rebate application may, in the discretion of the director, be extended for a reasonable period, and the date for the payment of the rebate may be delayed for a reasonable period. The director may require sworn applications. In the event that the director waives the requirement of sworn applications, all declarations by claimants shall be considered as if made under oath and claimants, as to false declarations, shall be subject to the penalties as provided by law for perjury.

For the purposes of this subsection, in order to establish good cause to extend the time of any applicant to file a claim for a homestead rebate the applicant shall provide to the director either medical evidence, such as a doctor's certification, that the claimant was unable to file the claim by the date prescribed by the director because of illness or hospitalization, or evidence that the applicant attempted to file a timely application. Except as may be established by medical evidence of inability to file a claim, good cause shall not be established due to a claimant not having received an application from the director.

b. Upon approval of homestead rebate applications by the director, the director shall prepare lists of individuals entitled to a rebate, together with the respective amounts due each claimant and shall forward such lists to the State Treasurer, the Director of the Division of Budget and Accounting and any other officials as the director deems appropriate on or before the earliest of such date or dates as may be convenient for the director to compile such lists. The director may inspect all records in the offices of the tax collector and tax assessor of a municipality with respect to applications, claims and allowances for homestead rebates.

c. If a homestead rebate application contains a claim for a rebate that is incorrectly determined by the claimant or is based upon incorrect or insufficient information from which the director is to approve the claim, the director may determine the eligibility of the claimant for a homestead rebate and the correct amount of a homestead rebate to be paid to that claimant from such other information as may be available to the director. In addition, the director may adjust the amount of any homestead rebate to which a claimant may be entitled by any part of the amount of any previous homestead rebate erroneously claimed by and paid to that claimant.
d. In the case of a claimant for a homestead rebate whose homestead is a unit in a cooperative, mutual housing corporation or continuing care retirement community, the director may provide that the application shall include the name and address of the location of the property and the amount of real property taxes attributed to the cooperative, mutual housing residential unit or continuing care retirement community residential unit, as shall be indicated in an official notice which shall be furnished by the cooperative, mutual housing corporation or continuing care retirement community for the same year.

e. A homestead rebate shall be allowed pursuant to this act for a claimant whose ownership of an interest in a homestead is satisfied by the holding of the beneficial interest if legal title thereto or share therein is held by another for the benefit of the claimant.

f. All provisions of this section shall apply to NJ SAVER rebate applications filed for and paid as homestead rebates for tax year 2003.

g. The director may, in writing, require the owner of residential rental property upon which property tax is not assessed, and the owner's agents and representatives, to provide the names of residents and tenants on the residential rental property and such other information, in such form, as the director deems reasonable to ensure that no claimant claiming a unit of that residential rental property as a homestead under this act receives a homestead rebate for which the claimant is not eligible. Any individual or entity failing to provide the required information within 60 days of the written request of the director shall be liable, in the discretion of the director, to a penalty of up to $500 for each month that the required information is not provided, unless it is shown that such failure is due to reasonable cause and not to willful neglect.

8. Section 7 of P.L.1990, c.61 (C.54:4-8.63) is amended to read as follows:

C.54:4-8.63 Rebates, distribution.

7. The State Treasurer annually on or before October 31, upon certification of the director and upon warrant of the State Comptroller, shall pay and distribute the amount of a homestead rebate payable under this act that is claimed for the prior tax year to each claimant whose rebate is approved by the director.

9. Section 8 of P.L.1990, c.61 (C.54:4-8.64) is amended to read as follows:
CHAPTER 40, LAWS OF 2004

C.54:4-8.64 Property tax delinquency; withholding of rebates.

8. a. The tax collector of each municipality shall, on or before May 15 of each year, furnish the director with a list of property taxpayers in the district delinquent for taxes due and payable for the year immediately preceding and the amounts of such delinquencies. The collector shall report on such list the name, lot and block number on the property tax duplicate as may be applicable, and the address of each owner to whom a delinquency is attributable together with the amount of such delinquency so identified. No homestead rebate payment under this act shall be made to a property owner while that property owner's delinquency remains, provided however that for the purposes of this act, for an assessment on a property which is on appeal and for which the statutory percentage of the tax as provided in R.S.54:3-27 has been paid, the taxes assessed on that property shall not be regarded as delinquent.

b. If the director receives the list as provided for in subsection a. of this section, and the director determines that a property tax delinquency remains for the preceding tax year on May 15, the director shall ascertain the amount of the homestead rebate required to be withheld because of such delinquency in each municipality in the State, and shall certify such amounts to the State Treasurer as soon thereafter as may be practicable.

c. On or before November 15, the director shall notify each homestead rebate claimant whose rebate has been withheld because of delinquency that the amount of the rebate to which the claimant otherwise would have been entitled has been sent to the tax collector in the municipality to be credited against the claimant's delinquency.

d. Upon certification by the director as to the amount of homestead rebates required to be withheld because of delinquency in the several municipalities, the State Treasurer upon the warrant of the State Comptroller, shall pay such amount on or before October 30 to the tax collector in each municipality.

e. The tax collector in each municipality shall credit the tax delinquency of each property taxpayer who appears on the delinquency list set forth in subsection a. of this section in the amount that otherwise would have been returned to the property taxpayer as a homestead rebate. In the event that the amount so credited exceeds the amount of delinquency, the tax collector may return the difference to the taxpayer or credit such amount to the subsequent property tax bill.

f. In the case of delinquency in the payment of property taxes by a cooperative, mutual housing corporation or continuing care retirement community, a homestead rebate that may be due an individual resident shall be paid by the State Treasurer to the tax collector of the municipality. The
tax collector shall credit the cooperative, mutual housing corporation or continuing care retirement community with such payment and the cooperative, mutual housing corporation or continuing care retirement community shall, in turn, credit the individual unit owner to the extent of the rebate and notify the applicant of the amount to be credited.

g. If a tax collector fails to comply with the provisions of subsection a. of this section requiring the tax collector to furnish the director with a list, on or before May 15 of each year, of property taxpayers in the district delinquent for taxes due and payable for the year immediately preceding and the amounts of such delinquencies, the director shall pay the homestead rebate directly to the delinquent applicant rather than to the tax collector of the municipality as set forth in subsection d. of this section.

h. All provisions of this section shall apply to NJ SAVER rebate applications filed for and paid as homestead rebates for tax year 2003.

10. Section 9 of P.L.1990, c.61 (C.54:4-8.65) is amended to read as follows:

\[
\text{C.54:4-8.65 Rebates not subject to legal process; exceptions.}
\]

9. The homestead rebates authorized under this act shall not be subject to garnishment, attachment, execution or other legal process, except as provided in section 1 of P.L.1981, c.239 (C.54A:9-8.1), or except for an income withholding order issued pursuant to P.L.1981, c.417 (C.2A:17-56.8 et seq.), nor shall the payment thereof be anticipated.

11. Section 1 of P.L.1981, c.239 (C.54A:9-8.1) is amended to read as follows:

\[
\text{C.54A:9-8.1 Setoff of indebtedness to State agencies; precedence of child support indebtedness.}
\]

1. Whenever any taxpayer or resident shall be entitled to any refund of taxes pursuant to the "New Jersey Gross Income Tax Act" (N.J.S.54A:1-1 et seq.), including an earned income tax credit provided as a refund pursuant to P.L.2000, c.80 (C.54A:4-6 et al.), or whenever any individual is eligible to receive a homestead rebate pursuant to P.L.1990, c.61 (C.54:4-8.57 et al.), P.L.1999, c.63 (C.54:4-8.58a et al.) or P.L.2004, c.40, and if the rebate is not required to be paid over to the municipal tax collector under the provisions of section 8 of P.L.1990, c.61 (C.54:4-8.64), and at the same time the taxpayer or resident shall be indebted to any agency or institution of State Government, to the Victims of Crime Compensation Board for the portion of an assessment ordered pursuant to N.J.S.2C:43-3.1 for deposit in the Victims of Crime Compensation Board Account or restitution ordered to be paid to the board pursuant to N.J.S.2C:44-2 for deposit in the Victims of Crime Compensation Board Account, or for child support under Title...
IV-A, Title IV-D, or Title IV-E of the federal Social Security Act (42 U.S.C. s.601 et seq.), or other indebtedness in accordance with section 1 of P.L.1995, c.290 (C.2A:17-56.11b) the Department of the Treasury shall apply or cause to be applied the refund, homestead rebate, or all, or so much of any or all as shall be necessary, to satisfy the indebtedness. Child support indebtedness shall take precedence over all other indebtedness. The Department of the Treasury shall retain a percentage of the proceeds of any collection setoff as shall be necessary to provide for any expenses of the collection effort.

12. Section 10 of P.L.1990, c.61 (C.54:4-8.66) is amended to read as follows:

C.54:4-8.66 Appeal to tax court from director’s determination.

10. a. (1) The director shall determine the amount of the rebate, if any, that shall be paid to each claimant pursuant to P.L.1990, c.61 (C.54:4-8.57 et seq.) based upon the information provided by the individual applicant in the application or from any other information as may be available to the director and shall notify the applicant of the determined amount in the form of the homestead rebate check or in any other manner as the director may deem appropriate. Subject to the provisions of the State Uniform Tax Procedure Law, R.S. 54:48-1 et seq., such notification shall finally and irrevocably fix the amount of the rebate unless the applicant, within 90 days after having been given notice of such determination, shall apply to the director for a hearing, or unless the director shall redetermine the same. After such hearing the director shall give notice of the final determination to the applicant.

(2) An applicant for a homestead rebate authorized under this act who is aggrieved by any decision, order, finding, or denial by the director of all or part of that applicant’s homestead rebate may appeal therefrom to the New Jersey Tax Court in accordance with the provisions of the State Uniform Tax Procedure Law, R.S. 54-48-1 et seq.

b. The appeal provided by this section shall be the exclusive remedy available to an applicant for review of a decision of the director in respect to the determination of all or part of a homestead rebate authorized under this act.

13. Section 14 of P.L.1999, c.63 (C.54:4-8.66a) is amended to read as follows:

C.54:4-8.66a Misrepresentation, penalty.

14. Any individual who receives a homestead rebate otherwise authorized under this act but as a result of an intentional misrepresentation
of a material fact shall be required to repay to the director the amount of the homestead rebate and shall be liable to a penalty equal to 150% of the amount of the homestead rebate paid as a result of that misrepresentation.

14. Section 15 of P.L.1999, c.63 (C.54:4-8.66b) is amended to read as follows:

C.54:4-8.66b Erroneous rebates.
15. Any person who receives a homestead rebate otherwise authorized under this act but which has been paid in error and which is recoverable by the director, and fails to return the payment within 45 days of receiving notice from the director that such payment was erroneous, shall pay, in addition to the amount of the erroneous rebate, interest at the rate prescribed in R.S.54:49-3, assessed for each month or fraction thereof, compounded annually at the end of each year, from the date next following the 45th day after receiving the notice from the director that such payment was erroneous until the date of the return of the erroneous payment.

15. Section 16 of P.L.1999, c.63 (C.54:4-8.66c) is amended to read as follows:

C.54:4-8.66c Recovery of erroneous or misrepresented rebates, procedures.

Notwithstanding any provisions of P.L.1968, c.410 to the contrary, the director may adopt, immediately upon filing with the Office of Administrative Law, such regulations as the director deems necessary to implement the provisions of P.L.1999, c.63 (C. 54:4-8.58a et al.) and P.L.2004, c.40 which regulations shall be effective for a period not to exceed 180 days from the date of the filing. Such regulations may thereafter be amended, adopted or
readopted by the director as the director deems necessary in accordance with
the requirements of P.L.1968, c.410.

The assessment shall be comprised of the payments required pursuant to paragraph (2) of this subsection. This assessment shall be paid to the Director of the Division of Taxation in the Department of the Treasury. The director, in consultation with the commissioner, shall
establish appropriate procedures and forms for the purpose of collecting and recording this assessment. The provisions of the "State Tax Uniform Procedure Law," R.S.54:48-1 et seq., shall apply to the extent that those provisions, including the confidentiality, protest and appeal provisions, are not inconsistent with the provisions of this act. The State shall neither collect the assessment on nursing homes nor distribute increases in Medicaid until both the provider assessment and the plan for distribution of the proceeds of the fund are approved by the federal government.

(Deleted by amendment, P.L.2004, c.41).

(2) Notwithstanding any law to the contrary, each nursing home shall pay to the director for deposit into the fund, in accordance with the requirements set forth in this act, an amount for nursing home patient days, excluding Medicare patient days, up to the maximum limit allowed by law less any licensing or other fees which would be considered "health care-related taxes" as defined by 42 C.F.R. s.433.55, including, but not limited to, any fees established by the commissioner as permitted under law.

d. The assessment shall not be payable by nursing homes until both the provider assessment and the plan for distribution of the proceeds of the fund are approved by the federal government. Thereafter, the assessment shall be payable after the end of each calendar quarter during which the assessment accrues. Prior written notice of the due date of the assessment shall not be issued until the per diem add-ons pursuant to subsection d. of section 6 of this act have been paid.

e. A nursing home shall submit appropriate reports to the director to facilitate the purposes of this act, on a form and in a manner prescribed by the director and within such period of time as the director may require.

collected, not to exceed $51.5 million on an annual basis. All of the amounts so transferred to the General Fund shall be allocated for the support of nursing home programs as the commissioner shall designate, provided that of those amounts, a sufficient amount shall be used to fund nursing home rates at State fiscal year 2003 levels or higher and the continued applicability of nursing home rebasing and bed hold payment methodologies in effect during fiscal year 2003;

b. (Deleted by amendment, P.L.2004, c.41).

The State Treasurer, in consultation with the commissioner, shall distribute to nursing homes all remaining monies in the fund, in accordance with the provisions of this section, including any federal Medicaid funds received pursuant to this act, in order to enhance the quality of care for the residents of those facilities, which may include training, recruitment and improvement of wages and benefits for nursing home direct care employees;

d. The monies identified in subsection c. of this section shall be allocated in the following manner:

(1) sufficient monies from these funds shall be used to recognize the assessment as an allowable cost for Medicaid reimbursement purposes; and

(2) the remaining portion of these funds not allocated under paragraph (1) of this subsection shall be made as a uniform per diem add-on for all Medicaid days provided by nursing facilities.

The Medicaid payments to nursing homes provided for under this subsection shall not violate the hold harmless provisions set forth at 42 C.F.R. s.433.50 et seq.;

e. Beginning immediately and continuing for a period of 24 months following the enactment of this act, any monies received by facilities pursuant to this act that are expended in the furtherance of increasing recruitment and retention of employees and increasing the wages of caregivers shall not be subject to the nursing screen or direct patient care screens within the routine cost limits imposed by the nursing home rate setting regulations, in accordance with federal regulations and in such a manner so as to not violate the hold harmless provisions set forth at 42 C.F.R. s.433.50 et seq.

During this 24-month period it is recommended that nursing homes increase the nursing and direct care staffing ratio to above the State minimum requirement. Within 24 months of the enactment of this act, the commissioner shall develop, with the advice of industry representatives, consumer organizations and the caregivers' union, increased mandatory State ratios for direct patient care and nursing staffing, to significantly improve nursing and patient care staffing ratios, subject to the availability of funding;
f. The commissioner or his designee shall certify the amounts to be provided to each nursing home in accordance with the formulas established by the commissioner for Medicaid reimbursement.

   b. prescribe such procedures and forms, and take such other actions, as the commissioner determines necessary to carry out the provisions of this act, including, but not limited to, such actions as are necessary to ensure that the State receives its maximum share of federal financial participation for State Medicaid expenditures under the federal Medicaid program.

5. This act shall take effect immediately.

CHAPTER 42
AN ACT concerning signs and outdoor advertising, amending various parts of the statutory law and supplementing Title 27, Title 52 and Title 54 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.27:5-27 Authorized amount of outdoor advertising space; "State entity" defined.
1. Notwithstanding any other provision of law or regulation to the contrary, the commissioner shall determine the number of square feet of advertising space authorized on signs which have received permits pursuant to P.L.1991, c.413 (C.27:5-5 et seq.) which are in effect on the effective date of P.L.2004, c.42 (C.27:5-27 et al.), and which signs are located on property owned or controlled by a State entity. The total number of square feet of advertising space authorized for such signs on property owned or controlled by each State entity after the effective date of P.L.2004, c.42 (C.27:5-27 et al.) shall not exceed the total number of square feet authorized on that effective date for signs on such property of each such State entity. The limitation on
the total square footage of advertising space authorized on signs on property owned or controlled by each State entity after the effective date of P.L.2004, c.42 (C.27:5-27 et al.) shall not apply to outdoor advertising signs on bus shelters or on railroad station platforms. The commissioner may adjust the total number of square feet of advertising space authorized pursuant to this section if the State entity acquires additional property after the effective date of P.L.2004, c.42 (C.27:5-27 et al.).

Each such State entity shall adopt rules and regulations, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) providing for a reduction, over time, in the total number of square feet of advertising space authorized for signs subject to the permitting procedures of P.L.1991, c.413 (C.27:5-5 et seq.) located on the property of such State entity.

As used in this section, "State entity" means a State department or agency, board, commission, corporation or authority.

C.27:5-28 Disclosure statement required for outdoor advertising businesses.

2. Any person who is the holder of any license to engage in the business of outdoor advertising or of any outdoor advertising permit issued pursuant to the provisions of P.L.1991, c.413 (C.27:5-5 et seq.) which is in effect on or after the effective date of P.L.2004, c.42 (C.27:5-27 et al.) shall be subject to revocation of that license or permit unless that person files a disclosure statement with the Department of Transportation which shall include:

a. The full name and business address of the person who is the holder of the outdoor advertising license or permit, as the case may be, and of any officers, directors, or partners thereof and all persons holding any equity in or debt liability of that corporation, association, firm, partnership, sole proprietorship, trust or any other form of commercial organization, or, if the holder is a publicly traded corporation, all persons having more than 10% of the equity in or the debt liability of that corporation, association, firm, partnership, sole proprietorship, trust or any other form of commercial organization, except that where the debt liability is held by a chartered lending institution, the person need only supply the name and business address of the lending institution; and

b. The full name and business address of all officers, directors, or partners of any corporation, association, firm, partnership, sole proprietorship, trust or any other form of commercial organization disclosed in the disclosure statement and the names and addresses of all persons holding any equity in or the debt liability of any corporation, association, firm, partnership, sole proprietorship, trust or any other form of commercial organization so disclosed, or, if the corporation, association, firm, partnership, sole
proprietorship, trust or any other form of commercial organization is a 
publicly traded corporation, all persons holding more than 10% of the equity 
in or the debt liability of that corporation, association, firm, partnership, sole 
proprietorship, trust or any other form of commercial organization, except 
that where the debt liability is held by a chartered lending institution, the 
person need only supply the name and business address of the lending 
institution.

The disclosure statement shall be filed within 60 days of the effective 
date of P.L.2004, c.42 (C.27:5-27 et al.), except for licenses or permits 
issued on or after the effective date of P.L.2004, c.42 (C.27:5-27 et al.), in 
which case the disclosure statement shall be filed within 60 days of the 
issuance of the license or permit.

3. Section 7 of P.L.1991, c.413 (C.27:5-11) is amended to read as 
follows:

C.27:5-11 Exceptions for certain roadside signs.

7. a. No permit shall be issued by the commissioner for roadside signs

main-traveled way of any Interstate or Primary System highway within the 
State, except as provided herein.

(1) In protected areas, only the following signs shall be permitted,

(b) Signs located in zoned and unzoned commercial and industrial areas 
within 660 feet of the nearest edge of the right-of-way, any part of which

   (1) Signs located in areas which are zoned industrial or commercial under the authority of State law.
   (2) Signs located in areas determined to be industrial or commercial pursuant to State law.

c. In those instances where the commissioner deems it is in the public interest, he may issue a permit for a sign on public property which would not otherwise be permitted under the provisions of this act, and impose conditions as he deems appropriate, provided, however, that the State House Commission shall have previously reviewed and approved the issuance of such a permit.

4. Section 4 of P.L.1991, c.413 (C.27:5-8) is amended to read as follows:

C.27:5-8 License, permit required; public hearing.

4. a. A person shall not erect, maintain or make available to another a roadside sign, or engage in the business of outdoor advertising for profit through the rental or other compensation received for the erection, use or maintenance of signs or other objects upon real property for the display of advertising matter on any stationary object within public view without first obtaining from the commissioner a license to engage in that business, and a permit for the erection, use and maintenance of each sign or other object used for outdoor advertising, except as provided in this act. A permit issued to a person required to obtain a license under this act shall not be valid unless the person has obtained a license which is in full force and effect.

b. Notwithstanding any provision of law to the contrary, the commissioner shall not issue a permit, other than a conditional permit, for a new outdoor advertising sign required to be permitted pursuant to P.L.1991, c.413 (C.27:5-7 et seq.) unless a public hearing has been held in accordance with the provisions of section 6 of P.L.1975, c.291 (C.40:55D-10) and, where the permit applicant is a private entity, all relevant approvals required by the municipality have been received by the private entity seeking the permit.
5. Section 6 of P.L.1975, c.291 (C.40:55D-10) is amended to read as follows:

C.40:55D-10 Hearings.

6. Hearings. a. The municipal agency shall hold a hearing on each application for development, adoption, revision or amendment of the master plan, each application for approval of an outdoor advertising sign submitted to the municipal agency as required pursuant to an ordinance adopted under subsection g. of section 29.1 of P.L.1975, c.291 (C.40:55D-39) or any review undertaken by a planning board pursuant to section 22 of P.L.1975, c.291 (C.40:55D-31).

b. The municipal agency shall make the rules governing such hearings. Any maps and documents for which approval is sought at a hearing shall be on file and available for public inspection at least 10 days before the date of the hearing, during normal business hours in the office of the administrative officer. The applicant may produce other documents, records, or testimony at the hearing to substantiate or clarify or supplement the previously filed maps and documents.

c. The officer presiding at the hearing or such person as he may designate shall have power to administer oaths and issue subpoenas to compel the attendance of witnesses and the production of relevant evidence, including witnesses and documents presented by the parties, and the provisions of the "County and Municipal Investigations Law," P.L.1953, c.38 (C.2A:67A-1 et seq.) shall apply.

d. The testimony of all witnesses relating to an application for development shall be taken under oath or affirmation by the presiding officer, and the right of cross-examination shall be permitted to all interested parties through their attorneys, if represented, or directly, if not represented, subject to the discretion of the presiding officer and to reasonable limitations as to time and number of witnesses.

e. Technical rules of evidence shall not be applicable to the hearing, but the agency may exclude irrelevant, immaterial or unduly repetitious evidence.

f. The municipal agency shall provide for the verbatim recording of the proceedings by either stenographer, mechanical or electronic means. The municipal agency shall furnish a transcript, or duplicate recording in lieu thereof, on request to any interested party at his expense; provided that the governing body may provide by ordinance for the municipality to assume the expense of any transcripts necessary for appeal to the governing body, pursuant to section 8 of this act, of decisions by the zoning board of adjustment pursuant to subsection 57d. of this act, up to a maximum amount as specified by the ordinance.
The municipal agency, in furnishing a transcript or tape of the proceed­ings to an interested party at his expense, shall not charge such interested party more than the actual cost of preparing the transcript or tape. Transcripts shall be certified in writing by the transcriber to be accurate.

The municipal agency shall include findings of fact and conclusions based thereon in each decision on any application for development and shall reduce the decision to writing. The municipal agency shall provide the findings and conclusions through:

1. A resolution adopted at a meeting held within the time period provided in the act for action by the municipal agency on the application for development; or

2. A memorializing resolution adopted at a meeting held not later than 45 days after the date of the meeting at which the municipal agency voted to grant or deny approval. Only the members of the municipal agency who voted for the action taken may vote on the memorializing resolution, and the vote of a majority of such members present at the meeting at which the resolution is presented for adoption shall be sufficient to adopt the resolution. If only one member who voted for the action attends the meeting at which the resolution is presented for adoption, the resolution may be adopted upon the vote of that member. An action pursuant to section 5 of the act (C.40:55D-9) (resulting from the failure of a motion to approve an application) shall be memorialized by resolution as provided above, with those members voting against the motion for approval being the members eligible to vote on the memorializing resolution. The vote on any such resolution shall be deemed to be a memorialization of the action of the municipal agency and not to be an action of the municipal agency; however, the date of the adoption of the resolution shall constitute the date of the decision for purposes of the mailings, filings and publications required by subsections h. and i. of this section (C.40:55D-10). If the municipal agency fails to adopt a resolution or memorializing resolution as hereinabove specified, any interested party may apply to the Superior Court in a summary manner for an order compelling the municipal agency to reduce its findings and conclusions to writing within a stated time, and the cost of the application, including attorney's fees, shall be assessed against the municipality.

h. A copy of the decision shall be mailed by the municipal agency within 10 days of the date of decision to the applicant or, if represented, then to his attorney, without separate charge, and to all who request a copy of the decision, for a reasonable fee. A copy of the decision shall also be filed by the municipal agency in the office of the administrative officer. The administrative officer shall make a copy of such filed decision available to
any interested party for a reasonable fee and available for public inspection at his office during reasonable hours.

i. A brief notice of the decision shall be published in the official newspaper of the municipality, if there be one, or in a newspaper of general circulation in the municipality. Such publication shall be arranged by the applicant unless a particular municipal officer is so designated by ordinance; provided that nothing contained in this act shall be construed as preventing the applicant from arranging such publication if he so desires. The municipality may make a reasonable charge for its publication. The period of time in which an appeal of the decision may be made shall run from the first publication of the decision, whether arranged by the municipality or the applicant.

6. Section 7.1 of P.L.1975, c.291 (C.40:55D-12) is amended to read as follows:

C.40:55D-12 Notices of application, requirements.

7.1. Notice pursuant to subsections a., b., d., e., f., g. and h. of this section shall be given by the applicant unless a particular municipal officer is so designated by ordinance; provided that nothing contained herein shall prevent the applicant from giving such notice if he so desires. Notice pursuant to subsections a., b., d., e., f., g. and h. of this section shall be given at least 10 days prior to the date of the hearing.

a. Public notice of a hearing shall be given for an extension of approvals for five or more years under subsection d. of section 37 of P.L.1975, c.291 (C.40:55D-49) and subsection b. of section 40 of P.L.1975, c.291 (C.40:55D-52); for modification or elimination of a significant condition or conditions in a memorializing resolution in any situation wherein the application for development for which the memorializing resolution is proposed for adoption required public notice, and for any other applications for development, with the following exceptions: (1) conventional site plan review pursuant to section 34 of P.L.1975, c.291 (C.40:55D-46), (2) minor subdivisions pursuant to section 35 of P.L.1975, c.291 (C.40:55D-47) or (3) final approval pursuant to section 38 of P.L.1975, c.291 (C.40:55D-50); notwithstanding the foregoing, the governing body may by ordinance require public notice for such categories of site plan review as may be specified by ordinance, for appeals of determinations of administrative officers pursuant to subsection a. of section 57 of P.L.1975, c.291 (C.40:55D-70), and for requests for interpretation pursuant to subsection b. of section 57 of P.L.1975, c.291 (C.40:55D-70). Public notice shall also be given in the event that relief is requested pursuant to section 47 or 63 of P.L.1975, c.291 (C.40:55D-60 or C.40:55D-76) as
part of an application for development otherwise excepted herein from public notice.

In addition, public notice shall be given by a public entity seeking to erect an outdoor advertising sign on land owned or controlled by a public entity as required pursuant to section 22 of P.L.1975, c.291 (C.40:55D-31) or, if so provided by ordinance adopted pursuant to subsection g. of section 29.1 of P.L.1975, c.291 (C.40:55D-39), by a private entity seeking to erect an outdoor advertising sign on public land or on land owned by a private entity.

If the board determines that the utility's filing and the associated rate changes provided for therein are not in compliance with the provisions of this act, the board shall require the utility to amend or otherwise modify its filing to render it in compliance. The board may also permit the rates provided for in the utility's filing to be implemented on an interim basis pending the board's final determination in the event the board, in its discretion, determines that due to the filing's complexity, or for other valid reasons, including but not limited to the enactment of this act after June 30, 1997, additional time is needed for the board to complete its review of the filing. The rate adjustments implemented pursuant to this act shall not constitute a fixing of rates pursuant to R.S.48:2-21 and shall not be subject to the hearing requirements set forth in that section.

c. As of the effective date of the rate changes implemented pursuant to this act, and except for rates applicable to sales that were or are currently exempt from the unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) and rates applicable to sales to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies, the board shall remove from the base rates of each electric public utility and gas public utility the unit tax rates included therein for the recovery of those unit-based energy taxes, and include therein provision for the recovery of corporation business tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and additionally shall authorize the collection of the sales and use tax imposed pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), as follows:

1. The base rates of each gas and electric utility shall be reduced by the amount of the unit-based energy taxes per kilowatthour or per therm included therein.

2. The provision for corporation business tax initially included in the base rates of each gas and electric utility shall be based on the utility's after-tax net income earned in the base year as booked, unless the board determines, in its discretion, that such income as booked is unusually high or low or otherwise unrepresentative of the utility's prospective net income, in which case the utility's base year net income shall be adjusted as determined by the board.
To permit the board to make this determination, in addition to including in its filing schedules showing its net income earned in the base year as booked, the utility shall include adjustments to such booked income to eliminate the effect of revenues, expenses and extraordinary or other charges that are non-recurring, atypical, or both, including, but not limited to an adjustment to eliminate the effect of unusually hot or cold weather, and that would otherwise make the utility's base year net income unusually high or low or otherwise unrepresentative of the utility's prospective net income. If the adjustment is being made to eliminate the effect of unusually hot or cold weather, associated revenue and expense adjustments shall also be made. Subject to the board's approval, such adjusted income shall be the basis for the calculation of the initial provision for corporation business tax to be included in the utility's base rates.

The utility shall also include a calculation of its rate of return on common equity achieved in the base year, both as booked and as adjusted in accordance with the foregoing. The calculation shall be made employing the methodology set forth in N.J.A.C.14:12-4.2(b), and shall separately show the effect of reflecting adjustments to the calculation, if any, that may have been employed historically in establishing the utility's rate of return on common equity allowed for ratemaking purposes. The utility's filing shall also include copies of its audited financial statements for the base year and associated quarterly and other reports filed with the Securities and Exchange Commission.

To reflect the provision for corporation business tax in base rates, the demand charges, or charges per kilowatt, decatherm or million cubic feet; the energy charges, or charges per kilowatt-hour or per therm; and the customer charges, or charges other than demand and energy charges, set forth in each base rate schedule, and the floor price employed in parity rate schedules, included in the utility's tariff filed with and approved by the board shall be increased by amounts determined by multiplying such charges by the adjustment factor, "A_e,g" derived below:

\[
A_{e,g} = \left( (I_{e,g} \times \frac{[Rs/(1-Re)])}{(Br_{e,g})} \right)
\]

where:

"A_e,g" means the adjustment factor applicable to electric base rates (e), gas base rates (g), or both, other than rates applicable to sales that were exempt from unit-based energy taxes formerly imposed pursuant to
CHAPTER 43, LAWS OF 2004

P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;

"I e, g" means the utility's base year after-tax net income from electric or gas sales, or both, and transportation service subject to the board's jurisdiction and other operating revenue if such revenue is reflected in the utility's cost of service for ratemaking purposes, adjusted as approved by the board;

"Br e, g" means the utility's base year revenue from base rates applicable to electric or gas sales, or both, and transportation service subject to the board's jurisdiction, but excluding sales that were exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;

"Rs" means the corporation business tax rate, expressed as a decimal;

"Rf" means the applicable federal corporation income tax rate expressed as a decimal; and

"Re" equals Rs + Rf(1-Rs).

The utility shall account for the changes in tax liability provided for by this act effective January 1, 1998. Such accounting shall include the recording on the utility's income statement and balance sheet of deferred corporation business tax defined, for book accounting purposes, as differences in corporation business tax expense arising from timing differences in the recognition of revenue and expenses for book and tax purposes.

(3) When billed to the utility's customers, the adjusted base rate charges determined pursuant to paragraphs (1), (2), and (4) of this subsection, and the charges determined pursuant to the utility's levelized energy adjustment clause, levelized gas adjustment clause, or both, as determined both upon the effective date of the rate changes authorized by this act and as revised prospectively in accordance with the utility's tariff filed with and approved by the board, and the transitional energy facility assessment unit rate surcharges, hereinafter, "TEFA unit rate surcharges," determined in accordance with subsection d. of this section, shall be increased by an amount determined by multiplying such charges by the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.). In addition to the utility's rates for service included in its tariff, for informational purposes the tariff shall include such rates after application of the sales and use tax authorized by this section.

(4) The utility's filing with the board to implement the rate changes provided for by this act shall include an analysis, description, and quantification of the effect of the changes in rates and tax payments implemented pursuant to this act on the utility's requirement for cash working capital, and if such requirement is less than the cash working capital allowed for the collection and payment of unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) in determining the utility's base
rates in effect prior to the rate changes implemented pursuant to this act, and
to the extent the working capital reduction is not offset by a reduction in net
deferred taxes as provided for below, such base rates shall be reduced by the
reduction in the utility's revenue requirement associated with the remaining
reduction in the working capital requirement not so offset, if any. The
reduction in working capital shall be determined by using the same method­
ology employed in establishing the working capital allowance related to
unit-based energy taxes reflected in the utility's base rates in effect prior to
the rate changes implemented pursuant to this act. The reduction in the
utility's revenue requirement associated with the reduced working capital
requirement shall be calculated using the utility's last overall rate of return
allowed by the board, including provision for federal income taxes and the
corporation business tax implemented pursuant to this act payable on the
equity portion of the return, and shall be implemented on the effective date
of the rate changes provided for, and in the manner set forth in paragraph (2)
of this subsection.

If the utility's requirement for cash working capital is increased as a
result of the changes in rates and tax payments implemented pursuant to this
act, the utility may accrue carrying costs, calculated at its last overall rate of
return allowed by the board and applied on a simple annual interest basis
without compounding, on the increased working capital requirement and
request recovery of such carrying costs in a rate proceeding before the board.

The working capital-related base rate changes and carrying cost accruals
shall be subject to the board's approval, and shall not be included in the
determination of the TEP A unit tax surcharges provided for in subsection
d. of this section.

The utility's filing with the board to implement the rate changes provided
for by this act shall also include an analysis, description and quantification
of net deferred taxes. For the purposes of this section, "net deferred taxes"
means deferred corporation business taxes, net of federal deferred income
taxes, associated with the tax and rate changes implemented pursuant to this
act, including deferred corporation business tax recorded in accordance with
section 4 of P.L.1945, c.162 (C.54:10A-4), projected for the calendar year
in which this act takes effect and for each year of the tax life of the asset
giving rise to the deferred corporation business taxes pursuant to section 4
of P.L.1945, c.162 (C.54:10A-4).

If the change in such net deferred taxes projected for the calendar year
in which the rate changes implemented pursuant to this act takes effect is
negative and if the utility's requirement for working capital is reduced as a
result of the changes in rates and tax payments implemented pursuant to this
act, the working capital-related rate reduction that otherwise would have
been implemented pursuant to this subsection shall be treated as set forth in
subparagraph (a) or (b) of this paragraph. For the purposes of this act, a change in net deferred taxes is considered negative when it reduces an existing deferred tax liability or creates a deferred tax asset on the utility's balance sheet. An appropriate rate adjustment for the working capital impacts of this act, reflecting all relevant facts and circumstances at the time of the adjustment, shall be made in the year when the earlier of the following events occur:

(a) The year in which the reduction in carrying costs assumed for the rate reduction for working capital that would have been made but for this paragraph is no longer required to offset, on a present value basis, the annual carrying costs calculated on the accumulated balance of negative net deferred taxes projected to be recorded by the utility, its successors and assigns, over the tax life of the single asset account giving rise to such net deferred taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4). For the purposes of this subparagraph (a):

(i) Carrying costs and present values are to be computed using the weighted average after-tax rate of return approved by the board in the utility's last base rate proceeding.

(ii) The accumulated balance of such negative net deferred taxes shall include net deferred taxes associated with all assets and liabilities originally placed in service by the utility and held by the utility or a company affiliated with the utility regardless of whether or not such assets continue to be subject to regulation by the New Jersey Board of Public Utilities.

(b) The year in which both an appropriate working capital adjustment and the accumulated balance of negative deferred taxes, as described in (ii) of subparagraph (a) of this paragraph (4), are reflected in the utility's rate base in a rate proceeding before the board. It is the intent of this section to fully compensate utilities on a present value basis, for the carrying costs associated with negative net deferred taxes arising as a result of this act, and to remit to ratepayers any credit due them as a result of any overcompensation as may have occurred due to the treatment of working capital and deferred taxes as set forth herein or in subparagraph (a) of this paragraph (4). At the time the above base rate adjustment is made, an analysis shall be made to determine if such carrying costs have been or will be fully recovered pursuant to the intent of this provision and any additional credit or charge to ratepayers to adjust for ratepayer overpayments or underpayments, if any shall be addressed.

If the change in net deferred taxes is positive, the increase shall be added to, or increase, the reduction in the utility's requirement for working capital if the requirement is reduced as a result of the rate and tax payment changes implemented pursuant to this act, or subtracted from the working capital requirement if it is increased, and the resultant net working capital require-
ment shall be reflected in rates or accrue carrying costs in the same manner as prescribed for changes in the utility's requirement for working capital above.

The deferred tax-related rate changes or carrying cost accruals shall be subject to the board's approval and shall not be included in the determination of the TEFA unit rate surcharges provided for in subsection d. of this section.

d. (1) Electric and gas utilities shall file, for the board's review and approval, initial TEFA unit rate surcharges determined by deducting from each unit-based energy tax unit tax rate effective January 1, 1997 the following: (a) An amount per kilowatthour or per therm determined by multiplying the total revenue received in the base year from sales to which that unit tax rate would have been applicable by the factor Ru/(1 + Ru), where Ru is the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.) expressed as a decimal, and dividing the result by the kilowatthours or therms billed in that unit tax rate class in the base year; and (b) An amount per kilowatthour or per therm determined by dividing the revenue that would have been received in the base year from the inclusion, in the manner prescribed in paragraph (2) of subsection c. of this section, of the corporation business tax in the rates applicable to sales billed in that unit tax rate class by the kilowatthours or therms billed in that rate class. In each case, the determination shall reflect the effect of adjustments that affect the level of sales and revenue, if any, as provided in subsection c. of this section. Of the resultant rate per kilowatthour or per therm, the portion for recovery of the utility's transitional energy facilities assessment liability shall be determined by multiplying such rate by the factor (1 - Rs), where Rs is the corporation business tax rate expressed as a decimal. The TEFA unit rate surcharges shall constitute non-bypassable wires and/or mains charges of the utility, and shall be applied to all sales within the customer classes to which they apply, regardless of whether such customers are purchasing bundled or unbundled services from the utility, but shall not be applied to sales that were or are currently exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies.

If, following the effective date of this act, a customer taking bundled service from the utility shall elect to obtain its requirements from another supplier and take transportation or wheeling service from the utility, the TEFA unit rate surcharge applicable to the bundled service shall continue to apply to the transportation or wheeling service. The TEFA components of the unit rate surcharges determined pursuant to this subsection (the components of the surcharges remaining after deducting the provision for corporation business tax included therein) shall be used to determine the transi-
tional energy facility assessment liability pursuant to sections 36 through 49 of P.L.1997, c.162 (C.54:30A-100 through C.54:30A-113).

(2) Unless reduced pursuant to paragraphs (3) and (4) of this subsection, the initial TEFA unit rate surcharges are to be reduced annually on January 1, 1999 through January 1, 2001 by the following percentages:

- January 1, 1999, 20%
- January 1, 2000, 40%
- January 1, 2001, 60%

(3) For each year beginning with calendar year 1998 and ending with calendar year 2001, the TEFA surcharge adjustment shall be determined as the difference between:

   (a) The sum of the estimated, or actual when known, (i) TEFA liabilities, as defined in section 43 of P.L.1997, c.162 (C.54:30A-107), and sales and use taxes collected and corporation business taxes booked for the year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act (the year 1998 liability), and (ii) the TEFA liabilities of those utilities and entities in all years following the year 1998 through the year in which a determination is being made pursuant to this subsection (the determination year); and

   (b) The sum of (i) the total of each remitter's base year liability, as defined in section 37 of P.L.1997, c.162 (C.54:30A-101), and (ii) the cumulative TEFA obligation, defined as the sum through the determination year of the amounts calculated by multiplying, for the applicable year, the percentage in the second column of the following table:

by the Year 1998 TEFA,

where the Year 1998 TEFA is calculated as the total of each remitter's base year liability less the sales and use taxes collected and the corporation business taxes booked for the privilege period ending in calendar year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act. For purposes of this subsection, the amounts assumed for the determination year, including the year 1998 liability when first deter-
mined for the purposes of this subsection, shall be estimates based on nine
months of actual data through and including the month of September, and
three months of data forecast for the months of October through December.

(4) If the TEFA surcharge adjustment determined for the determination
year is positive (that is, if the amount determined pursuant to subparagraph
(a) of paragraph (3) of this subsection is greater than the amount determined
pursuant to subparagraph (b) of paragraph (3) of this subsection), no reduc­
tion shall be made in the reduction in the TEFA unit rate surcharges provided
for in paragraph (2) of this subsection for the year following the determina­
tion year. If the TEFA surcharge adjustment is negative, the reduction in the
TEFA unit rate surcharges that otherwise would have been implemented on
January 1 of the year following the determination year pursuant to paragraph
(2) of this subsection shall be reduced by an amount (by percentage points)
equal to the percentage the TEFA surcharge adjustment is of the total of the
base year transitional energy facility assessment of all remitters, as defined
in section 37 of P.L.1997, c.162 (C.54:30A-101), provided however, that
such reduction in the reduction in the TEFA unit rate surcharges shall not
exceed the percentage shown in paragraph (2) of this subsection for that year;
and provided further that in the first two years, that such reduction shall not
exceed 10 percentage points for each year.

(5) (a) The TEFA unit rate surcharges for calendar years 2002 through
2006 shall be the same as the TEFA unit rate surcharges in effect for calendar

(b) The TEFA unit rate surcharges in effect for calendar year 2006 shall
be reduced annually on January 1, 2007 through January 1, 2010 by the

e. The utility's filing with the board to implement the rate changes
provided for by this act shall include proof of revenue schedules that show
for each rate schedule included in the utility's tariff, aggregated by unit-based
energy tax unit tax classes, the number of customers billed under the rate
schedule, the billing determinants of such customers (i.e. the kilowatts of
billing demand and kilowatthours of electric energy consumed, and the
million cubic feet/decatherm subject to gas capacity-related charges and
decatherm of gas consumed) and the associated revenue, both as booked in
the base year and on a pro forma basis reflecting the rate changes imple­
mented pursuant to this act. The proof of revenue shall additionally show
the amount of unit-based energy taxes included in the base year revenue as booked, the unit-based energy taxes that would have been collected at the unit-based energy tax unit tax rates effective January 1, 1997, if different, as well as the corporation business tax, sales and use tax and transitional energy facility assessment revenue that would have been collected or received on a pro forma basis if the rates implemented pursuant to this act had been in effect in the base year.

f. The board may, in its discretion, permit the rate changes provided for by this act to be implemented as part of a pending base rate case or other proceeding in which the utility's rates are to be changed, provided that the effective date of the changes is not delayed beyond the date on which the changes would have been implemented under subsection c. of this section. The board may also, pursuant to its powers provided by law, permit or require further modifications in the implementation of this section to address unforeseen consequences arising out of the implementation of this act.

g. Customers of the utility who are exempt from the sales and use tax imposed on sales of gas and/or electricity or as a result of rate changes occurring prior to the effective date of this act or for other valid reasons are due a refund of sales or use tax inadvertently imposed on such customers as a result of implementing the rate changes provided for by this act shall file with the State Treasurer to obtain such refunds. The State Treasurer shall promptly notify the utility of customers granted refunds under this provision in order to prevent additional collections of the sales and use tax from such customers.

h. Public utilities providing telecommunications service regulated by the board shall file for the board's review and approval revised tariffs that eliminate from the rates applicable to such service the excise tax liability included therein pursuant to P.L.1940, c.4 (C.54:30A-16 et seq.), and shall include therein the corporation business tax calculated using the methodology used in calculating the adjustment factor set forth in paragraph (2) of subsection c. of this section. Subsection d. of this section shall not apply to telecommunication utilities, and telecommunication utilities subject to a plan of regulation other than rate base/rate of return shall additionally not be required to file the rate of return information required by paragraph (2) of subsection c. Such utilities shall, however, include a narrative and/or other documentation as required by the board to support the reasonableness of the after-tax income, which may be adjusted to eliminate the effect of non-recurring or other atypical events, on which the corporate business tax inclusion in rates is based. Telecommunications utilities shall comply with all other applicable provisions of this section.

i. (1) The board shall not adjust the rates of a public utility, as provided in subsections c. and d. of this section, for a purchase by a cogenerator of
natural gas and the transportation of that gas, that is exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46). The board shall not allocate, in any future rate case, any sales and use tax, corporation business tax, or transitional energy facility assessment to rates for this purpose.

(2) The board shall adjust the rates, as provided in subsection c. of this section, for a purchase by a cogenerator of any quantity of natural gas and the transportation of that gas that is not exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46).

(3) For the purposes of this section, "cogenerator" means a person or business entity that owns or operates a cogeneration facility in the State of New Jersey, which facility is a plant, installation or other structure whose primary purpose is the sequential production of electricity and steam or other forms of useful energy which are used for industrial, commercial, heating or cooling purposes, and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utility Regulatory Policies Act of 1978," Pub.L.95-617.

3. This act shall take effect immediately.

CHAPTER 44

AN ACT authorizing the withdrawal of $110 million from the State disability benefits fund and amending P.L.1948, c.110.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 23 of P.L.1948, c.110 (C.43:21-47) is amended to read as follows:

C.43:21-47 Withdrawal from federal treasury.

23. Withdrawal from Federal Treasury. (a) The State Treasurer is hereby authorized and directed to requisition and withdraw on or before December 31, 1948, the sum of $50,000,000.00 from the amount of worker contributions heretofore accumulated in the State unemployment compensation fund and deposited in and credited to the account of this State in the
unemployment trust fund of the United States of America, established and maintained pursuant to section 904 of the Social Security Act, as amended (42 U.S.C. s.1104), and to deposit such sums in the State disability benefits fund, established under the "Temporary Disability Benefits Law." The State Treasurer is further authorized and empowered to make such requisitions or withdrawals in accordance with such regulations relating thereto as may be prescribed by the United States Secretary of the Treasury. No portion of the amount requisitioned or withdrawn from the Federal Treasury shall be expended for the purpose of administering the "Temporary Disability Benefits Law."

(b) The State Treasurer is hereby authorized and directed to requisition and withdraw within 90 days of this enactment, an additional sum of $50,000,000.00 from the amount of worker contributions heretofore accumulated in the State unemployment compensation fund and deposited in and credited to the account of this State in the unemployment trust fund of the United States of America, established and maintained pursuant to section 904 of the Social Security Act, as amended (42 U.S.C. s.1104), and to deposit such sums in the State disability benefits fund, established under the "Temporary Disability Benefits Law." The State Treasurer is further authorized and empowered to make such requisitions or withdrawals in accordance with such regulations relating thereto as may be prescribed by the United States Secretary of the Treasury. If the balance in the State disability benefits fund as of December 31 of any calendar year, increased by the contributions credited thereto on or before, or as of January 31 immediately thereafter, is in excess of $75,000,000.00, the excess shall be withdrawn from the State disability benefits fund and deposited to the account of this State in the unemployment trust fund until the entire $50,000,000.00 requisitioned and withdrawn under this subsection (b) has been returned and deposited to the account of this State in the unemployment trust fund pursuant to the provisions of this subsection (b) and subsection (c) hereof. Such repayment to the unemployment trust fund shall be considered in determining contribution rates by employers to the State disability benefits fund under R.S.43:21-7(e). No portion of the amount requisitioned or withdrawn from the Federal Treasury shall be expended for the purpose of administering the "Temporary Disability Benefits Law."

(c) The State Treasurer shall transfer from the State disability benefits fund to the clearing account of the unemployment compensation fund, as established under R.S.43:21-9, the sum of $25,000,000.00. Such transfer may be made at such times and in such installments as the State Treasurer may deem proper, except that the total sum shall have been transferred by no later than April 30, 1971. Amounts transferred to the clearing account of the unemployment compensation fund under this subsection shall be clear.
immediately and shall be deposited with the Secretary of the Treasury of the United States of America in accordance with the provisions of R.S.43:21-9(b).

(d) The State Treasurer is hereby authorized and directed to requisition and withdraw on or before December 31, 1985 a minimum of $50,000,000.00, at the discretion of the Commissioner of Labor and Workforce Development, from the State disability benefits fund established under section 22 of P.L.1948, c.110 (C.43:21-46) and to deposit such sum in the clearing account of the State unemployment compensation fund established under R.S.43:21-9. The amount transferred under this subsection (d) shall be cleared immediately and shall be deposited with the Secretary of the Treasury of the United States of America, in accordance with the provisions of R.S.43:21-9(b).

(e) The State Treasurer is hereby authorized and directed to requisition and withdraw on or after July 1, 1992 an amount not greater than $25,000,000 from revenues received pursuant to paragraph (1) of subsection (e) of R.S.43:21-7, at the discretion of the Commissioner of Labor and Workforce Development, from the State disability benefits fund established pursuant to section 22 of P.L.1948, c.110 (C.43:21-46) and to deposit that amount in the New Jersey Workforce Development Partnership Fund created pursuant to section 9 of P.L.1992, c.43 (C.34:15D-9).

(f) The State Treasurer, in consultation with the Commissioner of Labor and Workforce Development, is hereby authorized and directed to requisition and withdraw on or after July 1, 1994 from revenues received pursuant to paragraph (1) of subsection (e) of R.S.43:21-7, an amount from the State disability benefits fund not greater than 25% of the balance in that fund as of June 30, 1994 and to deposit that amount in the clearing account of the unemployment compensation fund established under R.S.43:21-9. The amount transferred under this subsection (f) shall be cleared immediately and shall be deposited with the Secretary of the Treasury of the United States of America, in accordance with the provisions of R.S.43:21-9(b).

(g) To the extent that funds from the General Fund are also deposited into the clearing account subsequent to July 1, 1994 but before October 2, 1994, such amount shall be reimbursed to the General Fund from amounts collected pursuant to R.S.43:21-7(d)(1)(G) and R.S.43:21-7(e) for quarterly periods ending on or after September 30, 1994.

(h) The amount transferred from the State disability benefits fund to the clearing account of the unemployment compensation fund under subsection (f) of this section plus any amount reimbursed to the General Fund in accordance with subsection (g) shall be repaid to the State disability benefits fund from general State revenues with interest at the rate earned by the investments made with moneys remaining in the State disability benefits fund. The repayment period shall not exceed ten years. The amount repaid each year
shall be not less than one tenth of the total amount transferred from the State
disability benefits fund to the clearing account of the unemployment com-
pensation fund under subsection (f) of this section, plus not less than one
tenth of the amount reimbursed to the General Fund in accordance with
subsection (g), plus accrued interest. The State Treasurer shall, on or before
the thirty-first day of January in 1995 and in each subsequent year determine
what amount shall be repaid to the State disability benefits fund in the next
commencing fiscal year, which amount shall be consistent with the provi-
sions of this subsection (h). The Legislature shall appropriate that amount
from the General Fund to the State disability benefits fund. For purposes of
determining the balance in the State disability benefits fund as prescribed
pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsec-
tion (e) of R.S.43:21-7, the amount transferred from the State disability
benefits fund to the unemployment compensation fund pursuant to subsec-
tion (f) of this section and reimbursed to the General Fund pursuant to
subsection (g) of this section less repayments or other reductions, plus
accrued interest shall be included therein.

(i) The State Treasurer is hereby authorized and directed to requisition
and withdraw on or after July 1, 1996 an amount not greater than
$250,000,000 from the State disability benefits fund and to deposit that
amount in the General Fund. For purposes of determining the balance in the
State disability benefits fund as prescribed pursuant to subparagraph (1) of
subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the
amount transferred from the State disability benefits fund to the General
Fund pursuant to this subsection (i) shall be included therein.

(j) To ensure that the provisions of subsection (i) of this section do not
reduce or delay benefits payable pursuant to the "Temporary Disability
Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), whenever the amount
in the State disability benefits fund is less than the amount required to pay
the benefits provided under that law and the necessary costs of administering
those benefits, the additional amount required to pay the benefits and the
administrative costs shall be paid from the General Fund. The amounts paid
from the General Fund for benefits and administrative costs pursuant to this
subsection shall be repaid to the General Fund from the State disability
benefits fund at such time as the Treasurer determines that the repayment
may be made without reducing or delaying benefits payable pursuant to the
The repayment to the General Fund from the State disability benefits fund
pursuant to this subsection (j) shall not effect an increase in employee or
employer contributions under subsection (d) or (e) of R.S.43:21-7.

(k) The State Treasurer is hereby authorized and directed to requisition
and withdraw, in addition to the $33,000,000 appropriated from the State
disability benefits fund pursuant to section 61 of P.L.2001, c.130 for transfer to the General Fund, before July 1, 2002 an amount not greater than $50,000,000 from the State disability benefits fund and to deposit that amount in the General Fund, and in addition, is hereby authorized and directed to requisition and withdraw on or after July 1, 2003 an amount not greater than $30,000,000 from the State disability benefits fund and to deposit that amount in the General Fund. Also, on or after July 1, 2004, the State Treasurer is hereby authorized and directed to requisition and withdraw on or after July 1, 2004 an amount not greater than $110,000,000 from the State disability benefits fund and to deposit that amount in the General Fund.

For purposes of determining the balance in the State disability benefits fund as prescribed pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the amount transferred from the State disability benefits fund to the General Fund pursuant to this subsection (k) shall be regarded as being included in the State disability benefits fund.

(1) The State Treasurer is authorized to utilize funds from the State disability benefits fund to purchase insurance, excess insurance or reinsurance for the fund and to enter into whatever contracts are needed to ensure that the provisions of subsection (k) of this section do not reduce or delay benefits payable pursuant to the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

2. This act shall take effect immediately.

With respect to an individual's benefit year commencing on or after July 1, 1961, such individual, if eligible and unemployed (as defined in subsection (m) of R.S.43:21-19), shall be paid an amount (except as to final payment) equal to his weekly benefit rate less any remuneration, other than remuneration from self-employment paid to an individual who is receiving a self-employment assistance allowance, paid or payable to him for such week in excess of 20% of his weekly benefit rate (fractional part of a dollar omitted) or $5.00, whichever is the greater; provided that such amount shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(c) Weekly benefit rate.

(1) With respect to an individual whose benefit year commences after September 30, 1984, his weekly benefit rate under each determination shall be 60% of his average weekly wage, subject to a maximum of 56 2/3 % of the Statewide average weekly remuneration paid to workers by employers subject to this chapter (R.S.43:21-1 et seq.), as determined and promulgated by the Commissioner of Labor and Workforce Development; provided, however, that such individual's weekly benefit rate shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(2) Dependency benefits.

(A) With respect to an individual whose benefit year commences after September 30, 1984, the individual's weekly benefit rate as determined in paragraph (1) of this subsection (c) will be increased by 7% for the first dependent and 4% each for the next two dependents (up to a maximum of three dependents), computed to the next lower multiple of $1.00 if not already a multiple thereof, except that the maximum weekly benefit rate payable for an individual claiming dependency benefits shall not exceed the maximum amount determined under paragraph (1) of this subsection (c).

(B) For the purposes of this paragraph (2), a dependent is defined as an individual's unemployed spouse or an unemployed unmarried child (including a stepchild or a legally adopted child) under the age of 19 or an unemployed unmarried child, who is attending an educational institution as defined in subsection (y) of R.S.43:21-19 on a full-time basis and is under the age of 22. If an individual's spouse is employed during the week the individual files an initial claim for benefits, this paragraph (2) shall not apply. If both spouses establish a claim for benefits in accordance with the provisions of this chapter (R.S.43:21-1 et seq.), only one shall be entitled to dependency benefits as provided in this paragraph (2).

(C) Any determination establishing dependency benefits under this paragraph (2) shall remain fixed for the duration of the individual's benefit year and shall not be increased or decreased unless it is determined by the
division that the individual wrongfully claimed dependency benefits as a result of false or fraudulent representation.

(D) Notwithstanding the provisions of any other law, the division shall use every available administrative means to insure that dependency benefits are paid only to individuals who meet the requirements of this paragraph (2). These administrative actions may include, but shall not be limited to, the following:

(i) All married individuals claiming dependents under this paragraph (2) shall be required to provide the social security number of the individual's spouse. If the individual indicates that the spouse is unemployed, the division shall match the social security number of the spouse against available wage records to determine whether earnings were reported on the last quarterly earnings report filed by employers under R.S.43:21-14. If earnings were reported, the division shall contact in writing the last employer to determine whether the spouse is currently employed.

(ii) Where a child is claimed as a dependent by an individual under this paragraph (2), the individual shall be required to provide to the division the most recent federal income tax return filed by the individual to assist the division in verifying the claim.

(3) For the purposes of this subsection (c), the "Statewide average weekly remuneration paid to workers by employers" shall be computed and determined by the Commissioner of Labor and Workforce Development on or before September 1 of each year on the basis of one-fifty-second of the total remuneration reported for the preceding calendar year by employers subject to this chapter, divided by the average of the number of workers reported by such employers, and shall be effective as to benefit determinations in the calendar year following such computation and determination.

(d) Maximum total benefits.

(1) (A) (Deleted by amendment, P.L.2003, c.107).

(B) (i) With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 1986, and before July 1, 2003 as provided in this section, the individual shall be entitled to receive a total amount of benefits equal to three-quarters of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall be adjusted to the next lower multiple of $1.00 if not already a multiple thereof. With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 2003 as provided in this section, the individual shall be entitled to receive a total amount of benefits equal to the number of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall
be adjusted to the next lower multiple of $1.00 if not already a multiple thereof.

(ii) Except as provided pursuant to paragraph (1) of subsection (c) of R.S.43:21-7, benefits paid to an individual for benefit years commencing on or after July 1, 1986 shall be charged against the accounts of the individual's base year employers in the following manner:

Each week of benefits paid to an eligible individual shall be charged against each base year employer's account in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during the base year.

(iii) (Deleted by amendment, P.L.1997, c.255.)

(2) No such individual shall be entitled to receive benefits under this chapter (R.S.43:21-1 et seq.) in excess of 26 times his weekly benefit rate in any benefit year under either of subsections (c) and (f) of R.S. 43:21-4. In the event that any individual qualifies for benefits under both of said subsections during any benefit year, the maximum total amount of benefits payable under said subsections combined to such individual during the benefit year shall be one and one-half times the maximum amount of benefits payable under one of said subsections.

(3) (Deleted by amendment, P.L.1984, c.24.)

2. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.
(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 27/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.
(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.
(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the
contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) (Deleted by amendment, P.L.2004, c.45).
(v) With respect to the experience rating year beginning on July 1, 2003, the new employer rate or the unemployment experience rate of an employer
under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

(iii) With respect to experience rating years beginning on or after July 1, 2004, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(H) On or after January 1, 1993 until December 31, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 52.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%. On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as
computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. On or after April 1, 1996 until December 31, 1996, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 25.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

- From January 1, 1998 until December 31, 1998, a factor of 12%;
- From January 1, 1999 until December 31, 1999, a factor of 10%;
- From January 1, 2000 until December 31, 2000, a factor of 7%;

(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, March 31, 1998 or March 31, 1999, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1997, March 31, 1998 or March 31, 1999, as applicable, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, July 1, 1998, July 1, 1999, as applicable, of at least 3.00%. If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 2000, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor and Workforce Development shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 2000, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall
result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 2000 of at least 3.00%.

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) in the contribution of any other employer shall not be reduced to less than 0.0%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid,
annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.
(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is cov-

(i) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.
(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this
subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual’s contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker
contribution will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than \( \frac{1}{10} \) of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.
(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S. 43:21-1 et seq.);

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.
(E)(1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as
provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

   d. The department may impose a lien on the real property on which the waste tire site is located equal to the estimated cost to bring the tire site into compliance, including attorney's fees and court costs. An owner whose property has such a lien imposed may release that property from a lien claimed under this subsection by filing with the clerk of the Superior Court a cash or surety bond, payable to the department in the amount of the estimated cost of bringing the tire site into compliance with department rules, including attorney's fees and court costs, or the value of the property after the abatement action is complete, whichever is less.

AN ACT concerning the net operating loss deduction under the corporation business tax, amending P.L.1945, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:

C.54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:
   (a) "Commissioner" or "director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.
   (b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.
   (c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument, any other entity classified as a corporation for federal income tax purposes, and any state or federally chartered building and loan association or savings and loan association.
   (d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2)(F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from the net worth of the taxpayer, if the foreign entity is considered a corporation.
for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings means the earnings accumulated over the life of such facility and shall not include the distributive share of dividends paid and federal income taxes paid or payable during the tax year.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) (Deleted by amendment, P.L.1998, c.114.)

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation, a savings institution, or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation, and any partnership required, or consenting, to report or to pay taxes, interest or penalties under this act. "Taxpayer" shall not include a partnership that is listed on a United States national stock exchange.
(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets.

For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report, or, if the taxpayer is classified as a partnership for federal tax purposes, would otherwise be required to report, to the United States Treasury Department for the purpose of computing its federal income tax, provided however, that in the determination of such entire net income,

(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section;

(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivision thereof, on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section;

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on
and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer's accounting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the
discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.

(I) Interest paid, accrued or incurred for the privilege period to a related member, as defined in section 5 of P.L.2002, c.40 (C.54:10A-4.4), except that a deduction shall be permitted to the extent that the taxpayer establishes by clear and convincing evidence, as determined by the director, that: (i) a principal purpose of the transaction giving rise to the payment of the interest was not to avoid taxes otherwise due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, (ii) the interest is paid pursuant to arm's length contracts at an arm's length rate of interest, and (iii)(aa) the related member was subject to a tax on its net income or receipts in this State or another state or possession of the United States or in a foreign nation, (bb) a measure of the tax includes the interest received from the related member, and (cc) the rate of tax applied to the interest received by the related member is equal to or greater than a rate three percentage points less than the rate of tax applied to taxable interest by this State.

A deduction shall also be permitted if the taxpayer establishes by clear and convincing evidence, as determined by the director, that the disallowance of a deduction is unreasonable, or the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8); nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

A deduction shall also be permitted to the extent that the taxpayer establishes by a preponderance of the evidence, as determined by the director, that the interest is directly or indirectly paid, accrued or incurred to (i) a related member in a foreign nation which has in force a comprehensive income tax treaty with the United States, provided however that the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest, the relevant foreign nation, and such other information as the director may prescribe or (ii) to an independent lender and the taxpayer guarantees the debt on which the interest is required.

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:
(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section and shall exclude 50% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of 50% or more ownership of investment, such ownership of investment calculated in the same manner as the 80% or more of ownership of investment is calculated as described in subsection (d) of this section.

(6) (A) Net operating loss deduction. There shall be allowed as a deduction for the privilege period the net operating loss carryover to that period.

(B) Net operating loss carryover. A net operating loss for any privilege period ending after June 30, 1984 shall be a net operating loss carryover to each of the seven privilege periods following the period of the loss. The entire amount of the net operating loss for any privilege period (the "loss period") shall be carried to the earliest of the privilege periods to which the loss may be carried. The portion of the loss which shall be carried to each
of the other privilege periods shall be the excess, if any, of the amount of the loss over the sum of the entire net income, computed without the exclusions permitted in paragraphs (4) and (5) of this subsection or the net operating loss deduction provided by subparagraph (A) of this paragraph, for each of the prior privilege periods to which the loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term "net operating loss" means the excess of the deductions over the gross income used in computing entire net income without the net operating loss deduction provided for in subparagraph (A) of this paragraph and the exclusions in paragraphs (4) and (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover.

(E) Notwithstanding the provisions of this paragraph (6) of subsection (k) of this section to the contrary, for privilege periods beginning during calendar year 2002 and calendar year 2003, no deduction for any net operating loss carryover shall be allowed, and for privilege periods beginning during calendar year 2004 and calendar year 2005, there shall be allowed as a deduction for the privilege period so much of the net operating loss carryover as reduces entire net income otherwise calculated by 50%. If and only to the extent that any net operating loss carryover deduction is disallowed by reason of this subparagraph (E), the date on which the amount of the disallowed net operating loss carryover deduction would otherwise expire shall be extended by a period equal to the period for which application of the net operating loss was disallowed by this subparagraph.

Provided, that this subparagraph (E) shall not restrict the surrender or acquisition of corporation business tax benefit certificates pursuant to section 1 of P.L.1997, c.334 (C.34:1B-7.42a) and shall not restrict the application of corporation business tax benefit certificates pursuant to section 2 of P.L.1997, c.334 (C.54:10A-4.2).

(7) The entire net income of gas, electric and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance
shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for the single asset account described above based on the New Jersey tax basis as adjusted above as if all assets in the single asset account were first placed in service on January 1, 1998. Depreciation shall be computed using the straight line method over a thirty-year life. A full year's depreciation shall be allowed in the initial tax year. No half-year convention shall apply. The depreciable basis of the single account shall be reduced by the adjusted federal tax basis of assets sold, retired, or otherwise disposed of during any year on which gain or loss is recognized for federal income tax purposes as described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other dispositions of assets placed in service prior to January 1, 1998 shall be recognized and reported on the same basis as for federal income tax purposes.

(C) The Director of the Division of Taxation shall promulgate regulations describing the methodology for allocating the single asset account in the event that a portion of the utility's operations are separated, spun-off, transferred to a separate company or otherwise desegregated.

(D) In the case of taxpayers that are gas, electric, gas and electric, or telecommunication public utilities as defined pursuant to subsection (q) of this section, the director shall have authority to promulgate rules and issue guidance correcting distortions and adjusting timing differences resulting from the adoption of P.L.1997, c.162 (C.54:10A-5.25 et al.).
(9) Notwithstanding paragraph (1) of this subsection, entire net income shall not include the income derived by a corporation organized in a foreign country from the international operation of a ship or ships, or from the international operation of aircraft, if such income is exempt from federal taxation pursuant to section 883 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.883.

(10) Entire net income shall exclude all income of an alien corporation the activities of which are limited in this State to investing or trading in stocks and securities for its own account, investing or trading in commodities for its own account, or any combination of those activities, within the meaning of section 864 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.864, as in effect on December 31, 1998. Notwithstanding the previous sentence, if an alien corporation undertakes one or more infrequent, extraordinary or non-recurring activities, including but not limited to the sale of tangible property, only the income from such infrequent, extraordinary or non-recurring activity shall be subject to the tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and that amount of income subject to tax shall be determined without regard to the allocation to that specific transaction of any general business expense of the taxpayer and shall be specifically assigned to this State for taxation by this State without regard to section 6 of P.L.1945, c.162 (C.54:10A-6). For the purposes of this paragraph, "alien corporation" means a corporation organized under the laws of a jurisdiction other than the United States or its political subdivisions.

(11) No deduction shall be allowed for research and experimental expenditures, to the extent that those research and experimental expenditures are qualified research expenses or basic research payments for which an amount of credit is claimed pursuant to section 1 of P.L.1993, c.175 (C.54:10A-5.24) unless those research and experimental expenditures are also used to compute a federal credit claimed pursuant to section 41 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.41.

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for
determining the adjusted basis of the acquired property for the purposes of

In the event that the United States enacts a law, or the board of governors of the Federal Reserve System adopts a regulation which amends the present definition of international banking facility or of such facilities' time deposits or extensions of credit, the Commissioner of Banking and Insurance shall forthwith adopt regulations defining such terms in the same manner as such terms are set forth in the laws of the United States or the regulations of the board of governors of the Federal Reserve System. The regulations of the Commissioner of Banking and Insurance shall thereafter provide the applicable definitions.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:17C-17 Definitions relative to fees on mobile telecommunications customers.

1. As used in this act:

"Place of primary use" means the street address representative of where the customer's use of the mobile telecommunications service primarily occurs, which shall be the residential street address or the primary business street address of the customer and within the licensed service area of the home service provider. "Telephone exchange company" means a carrier providing telephone exchange service in this State;

"Telephone exchange service" means that term as defined in subsection (47) of 47 U.S.C. s.153, as well as any other technology, including but not limited to, voice over Internet telephony or cable telephony, except mobile telecommunications service, that provides access through interconnection to the public switched telephone network to 9-1-1 service; and

"Voice grade access" means a functionality that enables a user of telecommunications services to transmit voice communications, including signalling the network that the caller wishes to place a call, and to receive voice communications, including receiving a signal indicating there is an incoming call.
C.52:17C-18 Fee imposed on mobile telecommunications service customers; exemptions; administration.

2. a. (1) There is imposed on each mobile telecommunications service customer, charged by a mobile telecommunications company for mobile telecommunications service for each voice grade access telephone number provided to the customer billed by or for the customer's home service provider and provided to a customer with a place of primary use in this State, a fee of $0.90 on any periodic bill received by the customer for each voice grade access service number provided as part of the mobile telecommunications service.

(2) There is imposed on each customer charged by a telephone exchange company for each voice grade access service line provided to that customer that has a service address in this State, a fee of $0.90 on any periodic bill received by the customer for each voice grade access service line provided as part of that telephone exchange service. Each Private Branch Exchange (PBX) trunk or Centrex trunk equivalent shall constitute an individual and separate subscribed service line. Any customer that has been determined by its telephone exchange company to be enrolled in the Lifeline Telecommunication program, or in receipt of Lifeline Telecommunication or Universal Service Fund benefits for a periodic bill shall be exempt from the fee on that periodic bill. State government agencies, and county and municipal governments and their agencies, and school districts shall be exempt from the fee imposed on customers of telephone exchange companies for each voice grade access service line provided as part of telephone exchange service provided to that customer at a service address in this State for periodic bills issued to those customers on and after January 1, 2005.

b. The fee imposed by paragraphs (1) and (2) of subsection a. of this section shall be collected by the mobile telecommunications company or telephone exchange company providing the applicable service to its customers upon payment of any periodic bill for such service. This section shall not be deemed as extending to a telephone exchange company or mobile telecommunications company any obligation or authority otherwise not provided pursuant to law, to take legal action to enforce the collection of the fee imposed upon the customer. Any such action shall be brought by the State against the customer with any cooperation requested by the State of the telephone exchange company or mobile telecommunications company as the State deems necessary.

c. The fees collected pursuant to subsection b. of this section shall be collected monthly and reported and paid to the director on a quarterly basis in a manner prescribed by the Director of the Division of Taxation in the Department of the Treasury, which notwithstanding the provisions of subsec-
tion b. of section 1 of P.L.1992, c.140 (C.54:48-4.1) if any, to the contrary, shall be subject to the provisions of P.L.1992, c.140 as the director shall prescribe, and the State Treasurer shall credit the fee revenue to the "9-1-1 System and Emergency Response Trust Fund Account" established pursuant to section 3 of P.L.2004, c.48 (C.52:17C-19). The administration, collection and enforcement of the fee imposed by this act shall be subject to the provisions of the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., to the extent that the provisions of such law are not inconsistent with any provision of this act.

d. A telephone exchange company that provides telephone exchange service to the State government or any State government agency, a county or municipal government or any of its agencies, or a school district that is exempt for bills issued on and after January 1, 2005, shall be entitled after that date to a credit in an amount as the Director of the Division of Taxation shall determine within 60 days of application, against the amount of fees collected during and due to be paid over for the calendar quarter commencing on that date, for the reasonable costs certified by the telephone exchange company to have been incurred by the company for changes made to its billing system that are necessary to implement the exemption. The director shall consult with the Board of Public Utilities to ascertain from the board the reasonableness of the costs claimed to be incurred. The director and the board may adopt regulations necessary to administer the credit.

C.52:17C-19 "9-1-1 System and Emergency Response Trust Fund Account."

3. a. There is established in the Department of the Treasury within the General Fund a special account to be known as the "9-1-1 System and Emergency Response Trust Fund Account."

associated with planning, designing or implementing an automatic location identification technology that is not otherwise allocated to a wireless carrier and not eligible for reimbursement under law or regulation; and (8) any costs associated with planning, designing or acquiring replacement equipment or systems (including debt service) related to the enhanced 9-1-1 network as defined by subsection e. of section 1 of P.L.1989, c.3 (C.52:17C-1).

C.52:17C-20 Itemization, identification of fee on customer bills.

4. A mobile telecommunications company and a telephone exchange company collecting the fee imposed pursuant to section 2 of P.L.2004, c.48 (C.52:17C-18) shall itemize and separately identify the fee set forth on each periodic bill received by the customer as the "9-1-1 System and Emergency Response Assessment," which identification may be abbreviated as "911System/Emerg.Resp.Fee." Provided however, that a mobile telecommunications company or telephone exchange company may commence the separately identified itemization of the periodic charge on a periodic bill issued to a customer not later than October 1, 2004, but only if the customer's first periodic bill issued on and after that date includes the separately identified itemization for the periodic bills issued for the customer during the months of July, August and September of 2004, if any, and the fee imposed for the bills for those months is also set forth separately for collection thereon from the customers.

5. This act shall take effect immediately and apply to bills issued for billing periods ending on or after July 1, 2004; except that for bills issued for Private Branch Exchange (PBX) systems, Centrex systems or other similar telecommunications services, this act shall apply to such bills issued for billing periods ending on or after August 1, 2004.

CHAPTER 49

AN ACT establishing a special interim assessment on health maintenance organizations, requiring the State Treasurer and the Commissioner of Banking and Insurance to undertake a comparative study of the equity of the various taxes imposed thereon, and amending and supplementing P.L.1973, c.337.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.26:2J-45 Findings, declarations relative to special interim assessment on HMOs.

1. The Legislature finds and declares that:
   a. When the "Health Maintenance Organizations Act" took effect in 1973, among its purposes was the recognition and encouragement of the fledgling industry of health maintenance organizations as the emerging alternative model for health care delivery systems; and
   b. Part of this encouragement by the Legislature was the authority granted to insurance companies and nonprofit service corporations to operate, either directly or through a subsidiary or affiliate, a health maintenance organization, or to join together or contract with a health maintenance organization, to provide insurance or protection against the cost of health care; and
   c. At the same time, the act exempted health maintenance organizations from the provisions of the insurance and service corporation laws under most circumstances, and excluded charges paid by or on behalf of enrollees of a health maintenance organization with respect to health care services from the State's insurance premium tax; and
   d. Now, more than 30 years later, there has been a proliferation of health maintenance organizations, or HMO's, organized and operated according to myriad business models and various other business organizations designed to offer various health care services; and
   e. The regulatory and tax structures that developed as these various health care delivery systems developed and evolved over this span of time are essentially the same as those that were in place 30 years ago, even though the marketplace has been a dynamic and creative one throughout that same timeframe; and
   f. Meanwhile, the cost of reimbursing hospitals for the services they provide for the health care needs of the uninsured population, more commonly referred to as "charity care," has grown exponentially, with a concomitant urgency to identify, capture and retain appropriate revenue streams to fund that care; and
   g. Every sector of the New Jersey business community, including insurers, health service corporations and health maintenance organizations, contributes, either directly or indirectly, to the costs of charity care, although it is unclear whether inequities currently exist in the manner and proportions in which the various entities contribute, and in particular whether health maintenance organizations bear their fair share of the burden, given their varied business models and corresponding tax obligations; and
   h. It is time to examine and compare how the several health maintenance organizations, service corporations, insurers, and other health care delivery systems and providers are taxed, how they contribute to charity care
funding, and whether adjustments need to be made to the current tax structure to respond to the evolution of the industry; and

i. While the Legislature awaits the conclusions and recommendations of such an examination, it is imperative that an interim source of additional revenue be identified, pledged and appropriated to charity care funding in the ensuing fiscal year.

C.26:2J-46 Study of tax revenues received from HMOs, other health care delivery systems.

2. a. The State Treasurer and the Commissioner of Banking and Insurance shall undertake a comparative study of the revenues received under the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.) from health maintenance organizations and any other health care delivery systems or health care providers subject to that tax, and those insurers, health service corporations and any other health care delivery systems paying the insurance premium tax pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.), or any other State tax, to evaluate the equities of those respective tax schemes as applied to those entities. In particular, the study shall consider:

(1) the continued viability of the public policy behind the 1973 exemption of health maintenance organizations from taxation on enrollee charges, otherwise known as premiums;

(2) the various business models under which health maintenance organizations, health service corporations, insurers, and other health care delivery systems operate; and

(3) whether those various models allow the State to appropriately identify and capture revenues which adequately reflect both the volume of business conducted by those entities and the costs to the State of the operation of those various businesses in the State, as well as the current and anticipated future demands the State's charity care obligation will place on the General Fund and other State resources.

b. The State Treasurer and the Commissioner of Banking and Insurance shall complete their study pursuant to this section no later than September 1, 2004, at which time they shall report the results and conclusions of their study, together with any recommendations they may have for legislation, to the Governor and the members of the Legislature.

c. It is the intent of the Legislature, in requiring a speedy completion of this study, and enacting the interim special assessment contained in this act, that the study, report and recommendations will allow for an expeditious and deliberate consideration of any legislative initiative introduced in response to that report, so that the interim assessment will be unnecessary in future fiscal years.

3. a. (1) For the fiscal year 2005, the Commissioner of Banking and Insurance shall issue, in accordance with the provisions of this section, a special interim assessment in the amount of one percent on the net written premiums received by each health maintenance organization granted a certificate of authority to operate in this State pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.), to be allocated to the Health Care Subsidy Fund established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58) for the purpose of providing charity care payments to hospitals in accordance with the formula used for the distribution of charity care subsidies that are provided pursuant to P.L.1992, c.160 (C.26:2H-18.51 et al.).

(2) "Net written premiums received" means direct premiums as reported on the annual financial statement submitted pursuant to section 9 of P.L.1973, c.337 (C.26:2J-9).

Each health maintenance organization shall remit the amount so certified to the Department of Banking and Insurance in accordance with the procedures established in P.L.1995, c.156 (C.17:1C-19 et seq.). Amounts collected by the commissioner shall be allocated to the Health Care Subsidy Fund established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58) and used solely for the purpose of providing charity care payments to hospitals in accordance with the formula used for the distribution of charity care subsidies that are provided pursuant to P.L.1992, c.160 (C.26:2H-18.51 et al.).

4. Section 25 of P.L.1973, c.337 (C.26:2J-25) is amended to read as follows:

C.26:2J-25 Statutory construction and relationship to other laws.

25. Statutory construction and relationship to other laws.

a. Except as otherwise provided in this act, provisions of the insurance law and provisions of hospital, medical or health service corporation laws shall not be applicable to any health maintenance organization granted a certificate of authority under this act. This provision shall not apply to an insurer or hospital, medical or health service corporation licensed and regulated pursuant to the insurance laws or the hospital, medical or health service corporation laws of this State except with respect to its health maintenance organization activities authorized and regulated pursuant to this act. Charges paid by or on behalf of enrollees of a health maintenance organization with respect to health care services shall not be subject to taxation by the State or any of its political subdivisions, except as otherwise provided
in section 3 of P.L.2004, c.49 (C.26:2J-47) for the purpose of the special interim assessment issued pursuant thereto.

b. Solicitation of enrollees by a health maintenance organization granted a certificate of authority, or its representatives, shall not be construed to violate any provision of law relating to solicitation or advertising by health professionals.

c. Any health maintenance organization authorized under this act shall not be deemed to be practicing medicine and shall be exempt from the provisions of chapter 9 of Title 45, Medicine and Surgery, of the Revised Statutes relating to the practice of medicine.

d. Except as provided in P.L.2001, c.187 (C.2A:53A-30 et al.), no person participating in the arrangements of a health maintenance organization other than the actual provider of health care services or supplies directly to enrollees and their families shall be liable for negligence, misfeasance, nonfeasance or malpractice in connection with the furnishings of such services and supplies. The provisions of this subsection shall not be construed to eliminate any cause of action against a health maintenance organization otherwise provided by law.

e. A health maintenance organization shall be subject to the provisions of P.L.1970, c.22 (C.17:27A-1 et seq.), including those relating to merger or acquisition of control.

5. This act shall take effect immediately.

A facility shall not be considered a major facility for the purpose of P.L.1976, c.141 unless it has total combined aboveground or buried storage capacity of:

1. 20,000 gallons or more for hazardous substances which are other than petroleum or petroleum products, or
2. 200,000 gallons or more for hazardous substances of all kinds.

In determining whether a facility is a major facility for the purposes of P.L.1976, c.141 (C.58:10-23.11 et seq.), any underground storage tank at the
facility used solely to store heating oil for on-site consumption shall not be considered when determining the combined storage capacity of the facility.

For the purposes of this definition, "storage capacity" shall mean only that total combined capacity which is dedicated to, used for or intended to be used for storage of hazardous substances of all kinds. 2. Section 9 of P.L.1976, c.141 (C.58:10-23.11h) is amended to read as follows:

C.58:10-23.11h Imposition of tax; measurement; amount; return; filing; failure to file, penalty; presumptive evidence; powers of director.

9. a. There is hereby levied upon each owner or operator of one or more major facilities a tax to insure compensation for cleanup costs and damages associated with any discharge of hazardous substances to be paid by the transferee; provided, however, that in the case of a major facility which operates as a public storage terminal for hazardous substances owned by others, the owner of the hazardous substance transferred to such major facility or his authorized agent shall be considered to be the transferee or transferor, as the case may be, for the purposes of this section and shall be deemed to be a taxpayer for purposes of this act. Where such person has failed to file a return or pay the tax imposed by this act within 60 days after the due date thereof, the director shall forthwith take appropriate steps to collect same from the owner of the hazardous substance. In the event the director is not successful in collecting said tax, then on notice to the owner or operator of the public storage terminal of said fact said owner or operator shall not release any hazardous substance owned by the taxpayer. The director may forthwith proceed to satisfy any tax liability of the taxpayer by seizing, selling or otherwise disposing of said hazardous substance to satisfy the taxpayer's tax liability and to take any further steps permitted by law for its collection. For the purposes of this act, public storage terminal shall mean a public or privately owned major facility operated for public use which is used for the storage or transfer of hazardous substances. The tax shall be measured by the number of barrels or the fair market value, as the case may be, of hazardous substances transferred to the major facility; provided, however, that the same barrel, including any products derived therefrom, subject to multiple transfers from or between major facilities shall be taxed only once at the point of the first transfer.

When a hazardous substance other than petroleum which has not been previously taxed is transferred from a major in-State facility to a facility which is not a major facility, the transferor shall be liable for tax payment for said transfer.

b. (1) (a) The tax shall be $0.023 per barrel transferred and in the case of the transfer of hazardous substances other than petroleum or petroleum products, the tax shall be 1.53% of the fair market value of the product; provided, however, that with respect to transfers of hazardous substances other than petroleum or petroleum products which are or contain any precious metals to be recycled, refined, or rerefined in this State, which are transferred into this State subsequent to being recycled, refined or rerefined,
or which are or contain elemental phosphorus, or which are elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants, the tax shall be $0.023 per barrel of the hazardous substance; and provided further, however, that the total aggregate tax due for any individual taxpayer facility which has paid the tax in the 1986 tax year shall not exceed 125% of the tax due and payable by that taxpayer facility during the 1986 tax year plus an additional $0.0025 per barrel; except that for a hazardous substance which is directly converted to, and comprises more than 90% by weight of, a non-hazardous final product, the taxpayer facility shall pay no more than 100% of the tax due and payable in the 1986 tax year plus an additional $0.0025 per barrel. For major facilities established by the subdivision of a major facility which existed in 1986, including subsequent owners and operators of the subdivided major facilities, the total aggregated tax due shall not exceed 100% of the tax paid in 1999. For the purposes of applying the 125% of tax due limitation, a successor in interest pursuant to a sale or a reorganization, as defined pursuant to the Internal Revenue Code of 1986, on or before June 1, 2001 shall be entitled to the predecessor taxpayer’s limitation. In computing 125% of the tax due and payable by the taxpayer during the 1986 tax year, for taxes due after January 1, 1996 from an owner or operator including the successor in interest pursuant to a sale or a reorganization as defined in this paragraph of one or more major facilities who has continuously since 1986 filed a combined tax return for more than one major facility but who prior to January 1, 1996 has entirely closed and decommissioned one or more of those major facilities, a taxpayer shall include 1986 taxes arising from major facilities which (1) caused the taxpayer to incur a tax liability in 1986, and (2) continue to cause the taxpayer to incur a tax liability during the current tax year. For transfers which are or contain elemental phosphorus, or which are elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants, in computing the 125% of the taxes due and payable by the taxpayer during the 1986 tax year, a taxpayer, which shall include any subsequent owner or operator of a major facility which transfers elemental phosphorus, shall calculate the tax at $0.015 per barrel. For the purposes of this section, "precious metals" means gold, silver, osmium, platinum, palladium, iridium, rhodium, ruthenium and copper. In the event of a major discharge or series of discharges of petroleum or petroleum products resulting in reasonable claims against the fund exceeding the existing balance of the fund, the tax shall be levied at the rate of $0.04 per barrel of petroleum or petroleum products transferred, until the revenue produced by such increased rate equals 150% of the total dollar amount of all pending reasonable claims resulting from the discharge of petroleum or petroleum products; provided, however, that such rate may be set at less than $0.04 per barrel.
transferred if the administrator determines that the revenue produced by such lower rate will be sufficient to pay outstanding reasonable claims against the fund within one year of such levy. For the purposes of determining the existing balance of the fund, the administrator shall not include any amount in the fund collected from the $0.0025 per barrel increase in the tax imposed pursuant to P.L.1990, c.78 and dedicated for hazardous substance discharge prevention in accordance with paragraph (2) of this subsection.

(b) Notwithstanding any provision of subparagraph (a) of this paragraph to the contrary, in order to qualify for the reduced tax rate for elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants authorized in that subparagraph, the taxpayer shall demonstrate, by December 31 of each year, to the satisfaction of the Department of the Treasury, acting in cooperation with the Department of Environmental Protection, all of the following: (i) that the taxpayer's sales of the hazardous substance constitute, in the calendar year immediately prior to the first calendar year in which the reduced tax rate shall apply, at least 75% of the taxpayer's total annual income in that immediately prior calendar year; (ii) that no other competitor of the taxpayer located in another state is subject to a tax in that other state, with respect to the hazardous substance, that is substantially similar to the tax imposed thereon pursuant to this section; (iii) that the taxpayer otherwise would suffer economic stress unless the benefit from the reduced tax rate is allowed; (iv) that the taxpayer has never filed a successful claim against the New Jersey Spill Compensation Fund; (v) that the taxpayer has never discharged a hazardous substance that required cleanup and removal in accordance with P.L.1976, c.141 (C.58:10-23.11 et seq.); and (vi) that, upon request of the State Treasurer, the taxpayer's accountant or counsel can provide a certified document detailing, with respect to the hazardous substance, the amount of tax that would have been paid each calendar year by the taxpayer had the reduced tax rate not been in effect and the amount that was actually paid each calendar year under the reduced tax rate, so that the State Treasurer may calculate the loss of tax revenue, if any, to the State attributable to the reduced tax rate. If the taxpayer fails to qualify under the provisions of this subparagraph for the reduced tax rate, the taxpayer shall pay, for that calendar year, the tax at the full rate imposed pursuant to subparagraph (a) of this paragraph.

(c) Interest received on moneys in the fund shall be credited to the fund.

(2) An amount of $0.0025 per barrel collected from the proceeds of the tax imposed pursuant to this subsection shall be deposited into the New Jersey Spill Compensation Fund and dedicated for the purposes of P.L.1990, c.78 and for other authorized purposes designed to prevent the discharge of a hazardous substance.
c. (1) Every taxpayer and owner or operator of a public storage terminal for hazardous substances shall on or before the 20th day of the month following the close of each tax period render a return under oath to the director on such forms as may be prescribed by the director indicating the number of barrels of hazardous substances transferred and where appropriate, the fair market value of the hazardous substances transferred to or from the major facility, and at said time the taxpayer shall pay the full amount of the tax due.

(2) Every taxpayer or owner or operator of a major facility or vessel which transfers a hazardous substance, as defined in this act, and who is subject to the tax under subsection a. shall within 20 days after the first such transfer in any fiscal year register with the director on such form as shall be prescribed by him.

(3) Those hazardous substances determined by the Department of Environmental Protection not to be subject to regulation pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.) or P.L.1990, c.78 shall not be subject to taxation pursuant to this section.

d. If a return required by this act is not filed, or if a return when filed is incorrect or insufficient in the opinion of the director, the amount of tax due shall be determined by the director from such information as may be available. Notice of such determination shall be given to the taxpayer liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 30 days after receiving notice of such determination, shall apply to the director for a hearing, or unless the director on his own motion shall redetermine the same. After such hearing the director shall give notice of his determination to the person to whom the tax is assessed.

e. Any taxpayer who shall fail to file his return when due or to pay any tax when the same becomes due, as herein provided, shall be subject to such penalties and interest as provided in the "State Tax Uniform Procedure Law," R.S.54:48-1 et seq. If the Division of Taxation determines that the failure to comply with any provision of this section was excusable under the circumstances, it may remit such part or all of the penalty as shall be appropriate under such circumstances.

f. (1) (Deleted by amendment, P.L.1987, c.76.)

(2) (Deleted by amendment, P.L.1987, c.76.)

g. In addition to the other powers granted to the director in this section, he is hereby authorized and empowered:

(1) To delegate to any officer or employee of his division such of his powers and duties as he may deem necessary to carry out efficiently the provisions of this section, and the person or persons to whom such power has been delegated shall possess and may exercise all of said powers and perform all of the duties delegated by the director;
(2) To prescribe and distribute all necessary forms for the implementation of this section.

h. The tax imposed by this act shall be governed in all respects by the provisions of the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., except only to the extent that a specific provision of this act may be in conflict therewith.

i. (Deleted by amendment, P.L.1986, c.143.)

3. For any transfer of a hazardous substance subject to the tax imposed pursuant to section 9 of P.L.1976, c.141 (C.58:10-23.1h) and occurring on or after January 1, 2004, a taxpayer shall file an amended tax return on or before the third month following the date of enactment of this act and shall pay the additional taxes owed on transfers occurring between January 1, 2004 and the date of enactment of this act.

4. Section 3 of P.L.2002, c.37 is amended to read as follows:

3. This act shall take effect immediately.

5. Sections 1 and 4 of this act shall take effect on June 30, 2004, section 2 of this act shall take effect immediately, shall be retroactive to January 1, 2004 and shall apply to all transfers of hazardous substances occurring on or after January 1, 2004, and section 3 shall take effect immediately; provided, however, that if this act is enacted after June 30, 2004, sections 1 and 4 shall be retroactive to June 30, 2004.

2. a. (1) There is imposed upon the owner or operator of each facility an air toxics surcharge in the amount provided in subsection b. of this section. The surcharge shall be based on the annual emissions of each
Category 2 toxic substance, Category 3 toxic substance and Category 4 toxic substance as reported in the release and pollution prevention report for that facility.

(2) The air toxics surcharge due in a calendar year shall be based upon the data reported in the release and pollution prevention report for emissions that occurred two calendar years prior to the year for which the return is filed.

(3) Failure to submit a release and pollution prevention report shall not relieve the owner or operator of a facility of the obligation to pay the required air toxics surcharge.

b. The air toxics surcharge for each facility shall be assessed as follows:

(1) $10.00 shall be assessed for each pound of Category 4 toxic substances released as stack or fugitive emissions as reported on the release and pollution prevention report;

(2) $1.00 shall be assessed for each pound of Category 3 toxic substances released as stack or fugitive emissions as reported on the release and pollution prevention report; and

Notice of the determination shall be given to the owner or operator of the facility liable for the payment of the air toxics surcharge. The determination shall finally and irrevocably fix the air toxics surcharge unless the owner or operator of the facility against whom it is assessed, within 90 days after the

giving of the notice of the determination, shall file a protest in writing as provided in R.S.54:49-18 and request a hearing, or unless the director on the director's own motion shall redetermine the same. After the hearing the director shall give notice of the determination to the owner or operator of the facility to whom the air toxics surcharge is assessed.

C.13:1D-61 Credit against amount of air toxics surcharge.

3. a. Any owner or operator of a facility required to remit an air toxics surcharge pursuant to section 2 of this act shall be allowed a credit against the amount of air toxics surcharge due for each facility for any calendar year as follows:

(1) For any owner or operator of a facility required to remit an air toxics surcharge for any calendar year, a credit of 50% of the total air toxics surcharge due shall be allowed, provided that the owner or operator certifies that the total actual emissions to the atmosphere of mercury from that facility for the calendar year two years prior to the calendar year for which the return is filed is equal to or less than the numerical limits on mercury emissions from operations at the facility set by the Department of Environmental Protection for mercury in rules and regulations adopted after the date of enactment of this act, pursuant to the "Air Pollution Control Act (1954)," P.L.1954, c.212 (C.26:2C-1 et seq.);

(2) For any owner or operator of a facility required to remit an air toxics surcharge, an annual credit of 50% of the total air toxics surcharge due shall be allowed provided that the owner or operator has installed, uses and properly maintains selective catalytic reduction equipment or a scrubber, or other particulate control technology with similar benefits to selective catalytic reduction equipment or scrubbers, permitted by the department to reduce air emissions; and
(3) An annual credit for each year after the date of enactment of this act, up to a maximum of 10 years, may be claimed in the amount of not more than 5% of the purchase price, excluding interest or financing costs, of any control equipment purchased or installed subsequent to two years prior to the date of enactment of this act provided that:

(a) the control equipment is installed and used exclusively within this State at the facility for which the return is filed;

(b) the owner or operator of the facility has received a certification from the department pursuant to section 4 of this act that use of the control equipment will result in the reduction or prevention of emissions of toxic substances to the atmosphere;

(c) the credit of air toxics surcharge due for any calendar year shall not exceed 50% of the total amount of air toxics surcharge due in that calendar year as calculated pursuant to section 2 of this act; and

(d) for any calendar year in which a credit is claimed pursuant to this paragraph, the owner or operator of a facility has certified that the control equipment has been fully functional and properly maintained.

b. No credit received by any owner or operator of a facility pursuant to this section may exceed 50 percent of the maximum allowable air toxics surcharge calculated pursuant to section 2 of this act.

C.13:1D-62 Issuance of certification that equipment will prevent, reduce emission of toxic substances.

The owner or operator of a facility may request that the department, in issuing a permit to construct, reconstruct, install, or modify air pollution control equipment required pursuant to P.L.1954, c.212 (C.26:2C-1 et seq.), also issue a certification that the control equipment will prevent or reduce the emission of toxic substances into the atmosphere. The owner or operator shall make such a request before the permit is issued. The commissioner, when requested for any such certification, shall certify the control equipment whenever the commissioner finds that the control equipment constructed or installed, or to be constructed or installed, will control or abate the emission of toxic substances to the atmosphere and is suitable and reasonably adequate for that purpose. This certificate shall contain information identifying the facilities and the control equipment and the cost thereof and shall be in such form and detail as the commissioner shall prescribe. This certificate shall be submitted to the applicant therefor with a copy to the director, and the allowable credit as provided in paragraph (3) of subsection a. of section 3 of this act for such control equipment shall become effective for the calendar year in which certification has been granted.

The fund shall be credited with $2,000,000 from the amount of air toxics surcharges collected pursuant to section 2 of this act. Monies in the fund shall be used to provide or enhance security at nuclear power plants in this State.

6. This act shall take effect immediately and shall first apply to the calendar year in which it takes effect.

CHAPTER 52

A payment by electronic funds transfer shall be deemed to be made on the date the payment is received by the designated depository. The acceptable method of transfer; the method, form and content of the electronic funds transfer message, giving due regard to developing uniform standards for formats among the several states; the circumstances under which an electronic funds transfer shall serve as a substitute for the filing of another form of return; and the means, if any, by which taxpayers will be provided with acknowledgments of payments shall be as prescribed by the Director of the Division of Taxation in the Department of the Treasury. Notwithstanding any other law to the contrary, persons required to make payments by electronic funds transfer pursuant to subsection b. of this section shall make payments by electronic funds transfer no more frequently than once per week. The
director may, by regulation, provide for less frequent payments if the director deems such action in the best interest of the State.

b. Payments subject to the electronic funds transfer requirement of subsection a. of this section are:
   (1) those payments due in the first twelve calendar months for which this section is operative made by a taxpayer that had a prior year liability of $200,000 or more;

Subsection a. of this section shall not apply to a payment of the transfer inheritance tax imposed pursuant to R.S.54:33-1 et seq. or to a payment of the estate tax imposed pursuant to R.S.54:38-1 et seq.

d. If the availability of funds in payment of tax required to be made through electronic funds transfer is delayed, and the delay of availability is explained to the satisfaction of the director to be due to reasons beyond the control of the taxpayer, the director shall, notwithstanding any provision of R.S.54:49-11 to the contrary, abate up to the entire amount of penalty or interest that would otherwise be assessed.

e. As used in this section:
   "Electronic funds transfer" means any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, that is initiated through an electronic terminal, telephone, or computer or magnetic tape for the purpose of ordering, instructing or authorizing a financial institution to debit or credit an account.

The assessment established in this subsection shall not apply to an ambulatory care facility that is licensed to a hospital in this State as an off-site ambulatory care service facility.

(1) For Fiscal Year 2005, the assessment on an ambulatory care facility providing one or more of the services listed in this subsection shall be based on gross receipts for the 2003 tax year as follows:

If a facility fails to provide proof of gross receipts by September 15, 2004, the facility shall be assessed the maximum rate of $200,000 for Fiscal Year 2005.

(2) For Fiscal Year 2006, the commissioner shall use the calendar year 2004 data submitted in accordance with subsection c. of this section to calculate a uniform gross receipts assessment rate for each facility with gross receipts over $300,000 that is subject to the assessment, except that no facility shall pay an assessment greater than $200,000. The rate shall be calculated so as to raise the same amount in the aggregate as was assessed in Fiscal Year 2005. The annual report shall be submitted to the department according to a timetable and in a form and manner prescribed by the commissioner. The department may audit selected annual reports in order to determine their accuracy.

d. (1) If, upon audit as provided for in subsection c. of this section, it is determined that an ambulatory care facility understated its gross receipts in its annual report to the department, the facility's assessment for the fiscal year that was based on the defective report shall be retroactively increased to the appropriate amount and the facility shall be liable for a penalty in the amount of the difference between the original and corrected assessment.

(2) A facility that fails to provide the information required pursuant to subsection c. of this section shall be liable for a civil penalty not to exceed $500 for each day in which the facility is not in compliance.

(3) A facility that is operating one or more of the ambulatory care services listed in subsection b. of this section without a license from the department, on or after July 1, 2004, shall be liable for double the amount of the assessment provided for in subsection b. of this section, in addition to such other penalties as the department may impose for operating an ambulatory care facility without a license.

(4) The commissioner shall recover any penalties provided for in this subsection in an administrative proceeding in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

The commissioner shall develop equitable regulations regarding eligibility for and access to the financial assistance, within six months of the effective date of this act.

b. Such funds as may be necessary shall be transferred by the department from the fund to the Division of Medical Assistance and Health Services in the Department of Human Services for payment to disproportionate share hospitals.

c. Notwithstanding any law to the contrary, each general hospital and each specialty heart hospital shall pay .53% of its total operating revenue to the department for deposit in the Health Care Subsidy Fund, except that the amount to be paid by a hospital in a given year shall be prorated by the department so as not to exceed the $40 million limit set forth in this subsection. The hospital shall make monthly payments to the department beginning July 1, 1993, except that the total amount paid into the Health Care Subsidy Fund plus interest shall not exceed $40 million per year. "Administrative costs" means an amount equal to $10.00 per estimated gross income tax form filed with a county recording officer, which may be retained by the county treasurer from the estimated gross income tax payment accompanying such form to provide the resources necessary to offset the additional direct expenditures incurred by the county recording officer and the county treasurer for the implementation of their responsibilities under P.L.2004, c.55 (C.54A:8-8 et seq.);

"County recording officer" means the register of deeds and mortgages in counties having such an officer and the county clerk in the other counties;

b. An individual who is not domiciled in New Jersey but who may be considered a resident of New Jersey for tax purposes under paragraph (2) of subsection m. of N.J.S.54A:1-2 at the end of a taxable year, by virtue of maintaining a permanent place of abode in New Jersey for substantially all of the taxable year and by spending in aggregate more than 183 days of the taxable year in New Jersey, unless the individual has already qualified as a resident on the date of sale or transfer of real property;

"Seller or transferor" means the individual, estate or trust making the sale or transfer of a fee simple interest in real property.
C.54A:8-9 Payment of estimated tax by nonresident taxpayer.

2. a. A nonresident taxpayer shall estimate and pay the gross income tax liability on the gain, if any, upon the sale or transfer of real property within this State. A nonresident taxpayer shall estimate the gross income tax due on a form prescribed by the director, using an estimated tax rate that is equal to the highest rate of tax for the taxable year provided in N.J.S.54A:2-1. The estimated tax due shall equal the gain, if any, multiplied by that rate. The amount of gain used in the computation shall equal the amount of gain reportable for federal income tax purposes for the taxable year, but may not be less than 2% of the consideration for the sale of transfer stated in the deed affecting the conveyance.

b. If the real property sold or transferred is located partly with and partly without this State, the nonresident taxpayer shall estimate the tax due using only the portion of the gain reasonably attributable to the portion of the real property located within this State.

c. If the nonresident is an estate or trust, the taxpayer shall estimate the tax due based upon the gain, if any, computed without reduction for any distribution of income to the beneficiaries during the taxable year in which the sale or transfer occurred.

C.54A:8-10 Filing of estimated tax form required, exceptions.

3. a. A nonresident taxpayer shall file the estimated tax form with the county recording officer, along with the payment of any estimated tax due, at the time the deed is filed with the county recording officer for recording using the procedures prescribed in such form and accompanying instructions as the director shall prescribe. The nonresident taxpayer shall make that estimated tax payment payable to the Department of the Treasury for the estimated tax which payment shall be separate from any other payment required to be made by the seller or transferor pursuant to law. Except for a nonresident taxpayer who meets one of the exemptions provided in subsection b. of this section, a nonresident taxpayer who is a seller or transferor of real property within this State shall file the estimated tax form, whether or not they have a gain on the sale or transfer.

b. The requirements of this section shall not apply if:

(1) the real property being sold or transferred is used exclusively as the principal residence of the seller or transferor within the meaning of section 121 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.121;

(2) the seller or transferor is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure or in a transfer in lieu of foreclosure with no additional consideration; or

(3) the seller or transferor, or transferee is an agency or authority of the United States of America, an agency or authority of the State of New Jersey,
the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

c. The principal residence exemption set forth in paragraph (1) of subsection b. of this section, shall apply only if the property sold or transferred was used exclusively as the principal residence of the seller or transferor. If the real property sold or transferred includes both the principal residence and other real property, the taxpayer shall file and pay the estimated tax due based upon the gain on the other real property.

d. A county recording officer shall not record or accept for recording any deed for the sale or transfer of real property subject to P.L.2004, c.55 (C.54A:8-8 et seq.), unless accompanied by a form prescribed by the director pursuant to subsection a. of this section and the payment of any estimated tax shown as payable on such form, or unless such form includes a certification by the seller or transferor on the deed who is an individual, estate or trust that this section is not applicable to the sale or transfer. The method for the certification under this subsection shall be set forth in forms and instructions as shall be prescribed by the director.

e. A county recording officer shall act as an agent of the director for purposes of collecting the estimated gross income tax, if any, shown to be payable upon the form prescribed pursuant to subsection a. of this section. The director, by regulation, shall prescribe one or more methods for the county recording officer's collection of such estimated tax. Every county recording officer shall account for and remit to the county treasurer any funds collected and any returns filed with such county recording officer and the county treasurer shall remit those returns and those funds, net of administrative costs, to the director on such days as the director shall set by regulation consistent with the administration of the provisions of P.L.1968, c.49 (C.46:15-5 et seq.) as amended and supplemented. Every county recording officer also shall follow such procedures and keep such records in respect to the implementation of this section as the director may prescribe.

f. A county recording officer shall not be liable under this section for any inaccuracy in any statement on the form prescribed pursuant to subsection a. of this section or in the amount of estimated gross income tax a county recording officer shall collect under this section so long as the county recording officer shall collect the estimated gross income tax shown as payable on such form.

g. If a deed is recorded notwithstanding an omission or inaccuracy in the form prescribed pursuant to subsection a. of this section or in any certification by the transferor on such form or a deficiency in the payment of estimated gross income tax required by this section, the recording of such deed shall not be invalidated by reason of such omission, inaccuracy, errone-
ous certification or deficiency nor shall the title founded on such deed be impaired thereby.

h. If there has been an overpayment of tax required to be paid through the estimated tax payments made with the filing of the deed, the overpayment of tax may be refunded prior to the filing of a gross income tax return under such requirements and in a manner as the director shall prescribe, but no interest shall be allowed or paid on such overpayment.

4. This act shall take effect August 1, 2004.

"Person" means an individual, partnership, society, association, firm, joint stock company, corporation, estate, receiver, trustee, assignee, referee, or any other entity acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, or any entity that is a combination of the entities set forth herein;

2. Section 3 of P.L.1995, c.158 (C.54:50-26) is amended to read as follows:

C.54:50-26 Information furnished by State agency.

3. a. Notwithstanding any other provision of law, a State agency shall, upon request of the director, furnish the following information with respect to each person covered by this act:

   (1) business name or the name under which the applicant for a license or licenses will be licensed or is licensed;
   (2) business address or whatever type of address the State agency requires from the applicant for a license or the licensee to furnish to the agency including an Internet address;
   (3) federal social security number or federal taxpayer identification number, or both numbers when the person has both numbers, or the reason or reasons, furnished by the person, why the person does not have either number; and
   (4) as to holders of licenses, but not pending applicants for licenses, the information, if any, upon which the State agency has identified that a licensee is a business entity.

   b. The reports of information required under subsection a. of this section shall be submitted on a compatible magnetic tape file or in some other form which is mutually acceptable to the State agency and the director. Information as to current licensees shall be submitted to the director within the time prescribed in the director's request, or at such other mutually agreeable time.
C.54:50-26.1 Preliminary notice to business entity.

3. If the director does not already possess the information set forth in paragraph (3) of subsection a. of section 3 of P.L.1995, c.158 (C.54:50-26) as to a licensee, the director shall send a preliminary notice to each person identified as a business entity by a State agency as a result of an initial request by the director, requesting verification, in a manner to be prescribed by the director, of the business name, business address and federal social security number or federal taxpayer identification number. If no federal social security number or federal taxpayer identification number was provided to the director by the State agency, the preliminary notice shall require a person identified as a business entity by a State agency to provide such information to the director, pursuant to the authority under 42 U.S.C. s.405(c)(2)(C)(i). The preliminary notice shall advise that person that the information required under section 3 of P.L.1995, c.158 (C.54:50-26) has been provided to the director for purposes of reviewing the person's compliance with appropriate State tax laws, as a condition to the continued licensing of the person by the State agency, and to update or correct, as necessary, the tax records and files of the director. The director shall forward a preliminary notice only after the initial request has been made to a State agency for the information required by section 3 of P.L.1995, c.158.

4. It shall be the responsibility of a State agency to require federal social security numbers and federal taxpayer identification numbers, as appropriate, from its licensees for the purpose of State tax administration and to provide appropriate notice of the requirements of this section for all requests by the director for such information that occur after the initial request by the director pursuant to section 3 of P.L.2004, c.58 (C.54:50-26.1) for the information required from licensees that the State agency has identified as a business entity.

C.54:50-26.3 Review, verification of tax compliance status.

5. a. (1) Following the preliminary notice required by subsection a. of section 3 of P.L.2004, c.58 (C.54:50-26.1), the director shall review the State tax compliance status of each person identified by a State agency as a business entity pursuant to section 3 of P.L.1995, c.158 (C.54:50-26), and verify compliance with the business registration requirements of any State tax administered by the Division of Taxation. The director shall notify those persons not registered with the division and provide that person with 10 days to comply with that registration requirement.

(2) As to licensees for which the director has received any information set forth in paragraphs (1) through (3) of subsection a. of section 3 of
P.L.1985, c.158 (C.54:50-26), from any State agency, including from the Division of Taxation, independent of any information identifying the licensee as a business entity, the director shall review the State tax compliance status of each such licensee and verify compliance with the business registration requirements of any State tax administered by the Division of Taxation. The director shall notify a person not registered with the division and provide that person with 10 days to comply with that registration requirement.

b. (1) If the State tax compliance review of any license holder discloses a State tax indebtedness of that person reduced to judgment by the filing of a certificate of debt by the director or a State tax indebtedness finally determined after the exhaustion of remedies provided pursuant to the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., or following the failure of a person to exercise available remedies, then the director shall notify the person of the intent to demand the suspension of the person's license by the State agency. No additional right to protest or appeal the State tax indebtedness shall be available to any person pursuant to this paragraph.

(2) If the State tax compliance review discloses a State tax indebtedness that (a) is not a certificate of debt, (b) is not a State tax indebtedness that has been finally determined after the exhaustion of remedies provided pursuant to the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., or (c) is not a State tax indebtedness that has followed the failure of a person to exercise available remedies, the director shall forward a notice of tax delinquency or tax deficiency, or both, and the person may remit the State tax indebtedness to the director or contest the State tax indebtedness in accordance with the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq. The director shall not seek to suspend a license during the time available to contest the notice of tax delinquency or tax deficiency.

c. By written notice to a State agency, the director shall demand the suspension of a license of a person (1) to whom a notice has been provided pursuant to paragraph (1) of subsection b. of this section, or (2) to whom a notice of tax delinquency or tax deficiency has been provided pursuant to paragraph (2) of subsection b. of this section after the time to contest the notice has expired or after the exhaustion of available remedies. Upon receipt of the director's notice, a State agency shall suspend the license effective as of a date mutually agreed upon by the director and the State agency. Notwithstanding any other law to the contrary, no person shall have the right to a hearing prior to the imposition of the suspension.

6. Section 4 of P.L.1995, c.158 (C.54:50-27) is amended to read as follows:
CHAPTER 58, LAWS OF 2004

4. Notwithstanding any other provision of law, the information and report to be furnished by the State agency to the director shall not constitute a public record under P.L.1963, c.73 (C.47:1A-1 et seq.) or any court decision, or a government record subject to access pursuant to P.L.2001, c.404, and shall not otherwise be open to the public for inspection. The information and report furnished by any State agency under the provisions of this act shall be a record or file subject to the provisions of R.S.54:50-8 and R.S.54:50-9.

AN ACT establishing the NJ STARS Program for county college students, supplementing chapter 71B of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:71B-81 Short title.
1. This act shall be known and may be cited as the "New Jersey Student Tuition Assistance Reward Scholarship (NJ STARS) Program Act."

C.18A:71B-82 Findings relative to NJ STARS Program.
2. The Legislature finds that it is necessary for the State's citizens to acquire an education beyond the secondary level in order to succeed during the 21st century. A well-trained and educated population, moreover, is vital to New Jersey's efforts to attract and retain highly skilled businesses, and to ensure the State's continued economic well-being. It is therefore incumbent upon the Legislature to institute a program which will help high achieving students to pursue a post-secondary education.

C.18A:71B-83 Definitions relative to NJ STARS Program.
3. As used in this act:
"Authority" means the Higher Education Student Assistance Authority established pursuant to N.J.S.18A:71A-3.
"Full-time course of study" in any semester means a course of study, leading to a degree from the county college of enrollment, that includes at least 12 credit hours, not including any credit hours in a remedial or developmental curriculum.
"Program" means the New Jersey Student Tuition Assistance Reward Scholarship (NJ STARS) Program for county college students.

C.18A:71B-84 NJ STARS Program.
4. There is hereby created the New Jersey Student Tuition Assistance Reward Scholarship (NJ STARS) Program for county college students. It shall be the duty of the Higher Education Student Assistance Authority to administer the program.

C.18A:71B-85 NJ STARS scholarships; eligibility.
5. a. A scholarship under the NJ STARS Program shall cover the full cost of tuition and fees, subject to the prior application of other grants and scholarships against those costs as provided under paragraph (2) of subsection c. of this section, for up to 15 credit hours in any semester, for an eligible student enrolled in a full-time course of study at the New Jersey county
college serving the student's county of residence. An otherwise eligible student who demonstrates to the authority, in accordance with such criteria and by means of such documentation as the authority shall establish by regulation, that the county college serving the student's county of residence does not offer the curriculum that the student chooses to study shall be eligible for such scholarship at another New Jersey county college offering that curriculum. The amount of any scholarship allowed hereunder to a student at a county college serving a county other than the student's county of residence shall be computed as though the student were a resident of the county served by that college, and the college shall likewise compute the amount of any additional payment, required with respect to the enrollment of that student for credit hours of study during a semester in which the scholarship is awarded that are not covered by that scholarship, as though the student were a resident of the county.

b. A student shall be eligible for a scholarship under the NJ STARS Program for up to five semesters. The scholarship shall be payable for the first year of enrollment in a county college to a student who graduated in the top 20% of the student's high school graduating class, provided that in the case of students graduating from high schools that do not calculate the class rank of their students, the student's ranking shall be determined by the high school in consultation with the authority. During a student's enrollment in a county college after the first year of enrollment, the scholarship shall be payable to that student if, based on the student's performance in the first year of enrollment, the student was ranked in the top 20% of all first-time students enrolled in a full-time course of study at the county college during the student's initial year of county college enrollment.

c. To be eligible to receive a scholarship under the NJ STARS Program a student shall:

1. be a State resident pursuant to guidelines established by the authority;
2. have applied for all other available forms of State and federal need-based grants and merit scholarships, exclusive of loans, the full amount of which grants and scholarships shall be applied to tuition and fee charges to reduce the amount of any scholarship that the student shall receive under the provisions of this act;
3. be enrolled in a full-time course of study at a New Jersey county college;
4. have graduated from high school in 2004 or later, and not earlier than the calendar year two years prior to the first calendar year in which a scholarship payment is to be made; and
5. maintain continuous enrollment in a full-time course of study, unless on medical leave due to the illness of the student or a member of the student's
immediate family or emergency leave because of a family emergency, which medical or emergency leave shall have been approved by the county college.

d. A student who is dismissed for academic or disciplinary reasons from a county college shall no longer be eligible for a scholarship under this act. If a student participating in the program is dismissed for disciplinary reasons, the student shall repay in full all amounts received under the program. The county college shall be responsible for collecting the repayment, or the amount of any overpayment or other improper payment, of any State awards under the program, in accordance with the provisions of N.J.S.18A:71B-10.

e. A student scholarship under the NJ STAR$ Program may be renewed upon the student's filing of a renewal financial aid application and providing evidence that the student has satisfied the requirements pursuant to subsection b. of this section.

C.18A:71B-86 Report to Legislature, Governor on NJSTAR$ Program; guidelines rules, regulations.

6. a. Not later than September 30, 2006, the Higher Education Student Assistance Authority shall prepare and submit to the Legislature and the Governor a report on the implementation of the NJ STAR$ Program at the several county colleges. The report shall, for each college, set forth statistics on and include an analysis of student participation in the program at the college, the amounts of funding provided under the program to students enrolled at the college, the amounts of funding made available to those participating students from State sources other than the NJ STAR$ Program and from federal and institutional sources, and such other factors as the authority deems to be necessary or useful to the evaluation of the program.

b. The Higher Education Student Assistance Authority shall administer the provisions of this act and shall establish appropriate criteria, procedures, and guidelines for awarding New Jersey Student Tuition Assistance Reward Scholarships to eligible students in accordance with the provisions of this act. The authority shall adopt in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations as may be necessary to implement the provisions of this act.

7. This act shall take effect on July 1, 2004.

3. As used in this act, unless the context clearly requires a different meaning:

"Abbott district" means one of the 28 urban districts in district factor groups A and B specifically identified in the appendix to Raymond Abbott, et al. v. Fred G. Burke, et al. decided by the New Jersey Supreme Court on June 5, 1990 (119 N.J.287, 394) or any other district classified as a special needs district under the "Quality Education Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), or Salem City School District;

"Capital outlay" means capital outlay as defined in GAAP;

"Commissioner" means the Commissioner of Education;

"Concentration of low-income pupils" shall be based on prebudget year pupil data and means, for a school district or a county vocational school district, the number of low-income pupils among those counted in modified district enrollment, divided by modified district enrollment. For a school, it means the number of low-income pupils recorded in the registers at that school, divided by the total number of pupils recorded in the school's registers;

"District income" for the 1997-98 school year means the aggregate income of the residents of the taxing district or taxing districts, based upon data provided by the Bureau of the Census in the United States Department of Commerce for 1989. In the event that the equalized table certified by the director shall be revised by the tax court after January 15 of the prebudget year, the revised valuations shall be used in the recomputation of aid for an individual school district filing an appeal, but shall have no effect upon the calculation of the property value multiplier, Statewide equalized valuation per pupil, estimated minimum equalized tax rate for the State, or Statewide average equalized school tax rate;

CHAPTER 64

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:3-4 is amended to read as follows:

Registration of automobiles and motorcycles, application, registration certificates; expiration; issuance; violations; notification.

39:3-4. Except as hereinafter provided, every resident of this State and every nonresident whose automobile or motorcycle shall be driven in this
State shall, before using such vehicle on the public highways, register the same, and no automobile or motorcycle shall be driven unless so registered.

Such registration shall be made in the following manner: An application in writing, signed by the applicant or by an agent or officer, in case the applicant is a corporation, shall be made to the chief administrator or the chief administrator's agent, on forms prepared and supplied by the chief administrator, containing the name, street address of the residence or the business of the owner, mailing address, if different from the street address of the owner's residence or business, and age of the owner, together with a description of the character of the automobile or motorcycle, including the name of the maker and the vehicle identification number, or the manufacturer's number or the number assigned by the chief administrator if the vehicle does not have a vehicle identification number, and any other statement that may be required by the chief administrator. A post office box shall appear on the application only as part of a mailing address that is submitted by the owner, agent or officer, as the case may be, in addition to the street address of the applicant's residence or business; provided, however, the chief administrator, upon application, shall permit a person who was a victim of a violation of N.J.S.2C:12-10, N.J.S.2C:14-2, or N.J.S.2C:25-17 et seq., or who the chief administrator otherwise determines to have good cause, to use as a mailing address a post office box, an address other than the applicant's address or other contact point. An owner whose last address appears on the records of the division as a post office box shall change his address on his application for renewal to the street address of his residence or business and, if different from his street address, his mailing address unless the chief administrator has determined, pursuant to this section, that the owner may use a post office box, an address other than the owner's address or other contact point as a mailing address. The application shall contain the name of the insurer of the vehicle and the policy number. If the vehicle is a leased motor vehicle, the application shall make note of that fact and shall include along with the name and street address of the lessor the name, street address and driver license number of the lessee.

Thereupon the chief administrator shall have the power to grant a registration certificate to the owner of any motor vehicle, if over 17 years of age, application for the registration having been properly made and the fee therefor paid, and the vehicle being of a type that complies with the requirements of this title. The form and contents of the registration certificate to be issued shall be determined by the chief administrator.
If the vehicle is a leased motor vehicle, the registration certificate shall, in addition to containing the name and street address of the lessor, identify the vehicle as a leased motor vehicle.

The chief administrator shall maintain a record of all registration certificates issued, and of the contents thereof.

Every registration shall expire and the registration certificate thereof become void on the last day of the twelfth calendar month following the calendar month in which the certificate was issued; provided, however, that the chief administrator may, at his discretion, require registrations which shall expire, and issue certificates thereof which shall become void, on a date fixed by him, which date shall not be sooner than three months nor later than 26 months after the date of issuance of such certificates, and the fees for such registrations, including any other fees or charges collected in connection with the registration fee, shall be fixed by the chief administrator in amounts proportionately less or greater than the fees established by law. The chief administrator may fix the expiration date for registration certificates at a date other than 12 months if the chief administrator determines that the change is necessary, appropriate or convenient in order to aid in implementing the vehicle inspection requirements of chapter 8 of Title 39 or for other good cause. The chief administrator may, for good cause extend a registration beyond the expiration date that appears upon the registration certificate for periods not to exceed 12 additional months. The chief administrator may extend the expiration date of a registration without payment of a proportionate fee when the chief administrator determines that such extension is necessary for good cause. If any registration is so extended, the owner shall pay upon renewal the full registration fee for the period fixed by the chief administrator as if no extension had been granted.

Notwithstanding any other provision of law to the contrary, every registration for new passenger automobiles shall expire and the registration certificate shall become void on the last day of the 48th calendar month following the calendar month in which the certificate was initially issued. On and after February 1, 2005, the provisions of this paragraph shall not apply to new passenger automobiles purchased by a rental company for use as rental passenger automobiles. As used in this paragraph, "rental company" means a person engaged in the business of renting motor vehicles; and "rental passenger automobile" means a passenger automobile that is rented without a driver and used in the transportation of persons or property other than commercial freight.

If the new passenger automobile being registered is a leased passenger automobile, the registration shall expire in accordance with the term of the lease. If the term of the lease extends beyond one or more 12-month
periods by one or more months, the registration period shall be based upon the full year into which one or more of the months extend; provided, however, the registration period for a leased automobile shall not exceed 48-months.

Following the 48-month period of the initial registration of a new passenger automobile, the subsequent registration shall expire, and the registration certificate shall become void, on the last day of the 12th calendar month following the calendar month in which the certificate was next issued.

All motorcycles for which registrations have been issued prior to the effective date of P.L. 1989, c. 167 and which are scheduled to expire between November 1 and March 31 shall, upon renewal, be issued registrations by the chief administrator which shall expire on a date fixed by him, but in no case shall that expiration date be earlier than April 30 nor later than October 31. The fees for the renewal of the motorcycle registrations authorized under this paragraph shall be fixed by the chief administrator in an amount proportionately less or greater than the fee established by R.S. 39:3-21.

Application forms for all renewals of registrations for passenger automobiles shall be sent to the last addresses of owners of motor vehicles and motorcycles, as they appear on the records of the division.

No person owning or having control over any unregistered vehicle shall permit the same to be parked or to stand on a public highway.

Any police officer is authorized to remove any unregistered vehicle from the public highway to a storage space or garage, and the expense involved in such removal and storing of the vehicle shall be borne by the owner of the vehicle, except that the expense shall be borne by the lessee of a leased vehicle.

Any person violating the provisions of this section shall be subject to a fine not exceeding $100, except that for the misstatement of any fact in the application required to be made to the chief administrator, the person making such statement or omitting the statement that the motor vehicle is to be used as a leased motor vehicle when that is the case shall be subject to the penalties provided in R.S. 39:3-37.

The chief administrator may extend the expiration date of a registration certificate without payment of a proportionate fee when the chief administrator determines that such extension is necessary, appropriate or convenient to the implementation of vehicle inspection requirements. If any registration certificate is so extended, the owner shall pay upon renewal the full registration fee for the period fixed by the chief administrator as if no extension had been granted.
The New Jersey Motor Vehicle Commission shall make a reasonable effort to notify any lessor whose name and address is on file with the commission, or any other lessor the commission may determine it is necessary to notify, of the requirements of this amendatory act.

A lessor doing business in this State shall notify in writing the lessee of a motor vehicle registered pursuant to this Title of any change in its policies or procedures affecting the registration of the motor vehicle.

2. R.S.39:3-8 is amended to read as follows:

Registration fee for passenger automobile; other vehicles.

39:3-8. The applicant for registration for any passenger automobile manufactured in model year 1971 and thereafter, except as determined hereinafter, shall pay to the chief administrator for each registration a fee of $17 for each such vehicle having a manufacturer's shipping weight of less than 2,700 pounds, a fee of $28 for each such vehicle having a manufacturer's shipping weight of 2,700 pounds or more, but not greater than 3,800 pounds, and a fee of $51 for each such vehicle having a manufacturer's shipping weight in excess of 3,800 pounds; provided, however, an applicant who has been issued a handicapped person identification card pursuant to section 2 of P.L.1949, c.280 (C.39:4-205) and is registering a private passenger van manufactured in model year 1971 or thereafter, except as determined hereinafter, which has been equipped with a wheelchair lift for the handicapped, or any other specially designed mechanical device for the handicapped as designated by the chief administrator that specifically requires installation only in a private passenger van because of the...
device's dimensions, operating characteristics or manufacturer's installation requirements, shall pay a fee of $17 for that vehicle. The applicant for registration for any 1980 or thereafter model year passenger automobile registered on or after March 1, 1979 shall pay to the chief administrator for each registration a fee of $25 for each such vehicle having a manufacturer's shipping weight not greater than 3,500 pounds and a fee of $50 for each vehicle having a manufacturer's shipping weight in excess of 3,500 pounds; provided, however, an applicant who has been issued a handicapped person identification card pursuant to section 2 of P.L.1949, c.280 (C.39:4-205) and is registering any 1980 or thereafter model year private passenger van which has been equipped with a wheelchair lift for the handicapped, or any other specially designed mechanical device for the handicapped as designated by the chief administrator that specifically requires installation only in a private passenger van because of the device's dimensions, operating characteristics or manufacturer's installation requirements, shall pay a fee of $25 for that vehicle. Notwithstanding any other provision of law to the contrary, the applicant for registration for any new passenger automobile, for which the registration will expire on the last day of the 48th calendar month following the calendar month in which it was first issued, or for the term of the lease if the new passenger automobile is a leased motor vehicle subject to an extended registration period pursuant to R.S.39:3-4, shall prepay to the chief administrator the full amount due for the 48-month term, or the full amount due based upon the term of the lease if the new passenger automobile is a leased motor vehicle, upon the initial registration. The portion of that prepayment that is dedicated to specific purposes in accordance with section 110 of P.L.2003, c.13 (C.39:2A-38) and subsections a. and b. of section 1 of P.L.1992, c.87 (C.39:3-8.2) shall be deposited in their respective dedicated accounts. The chief administrator shall determine manufacturer's shipping weight and model year for each passenger automobile on the basis of the information contained in the certificate of origin, the application for registration or for renewal of registration, or the records of the division, or any or all of these; and any case in which the manufacturer's shipping weight of any particular passenger automobile is unavailable, or in doubt or dispute, the chief administrator may require that such automobile be weighed on a scale designated by him, and such actual weight shall be considered the manufacturer's shipping weight for the purposes of this section, but in all cases the chief administrator's determination of the manufacturer's shipping weight of any such automobile shall be final. The applicant for registration for passenger automobile shall also pay to the chief administrator the inspection fee fixed in R.S.39:8-2 in addition to the fees described hereinabove.
The chief administrator may also license private utility and house type semitrailers and trailers with a gross load not in excess of 2,000 pounds at a fee of $4.00 per annum and all other such utility and house-type semitrailers and trailers at $9.00 per annum. Application for such registration shall be made on a blank to be furnished by the commission and the application shall contain a statement to the effect that the vehicle so registered will not be used for the commercial transportation of goods, wares and merchandise, or for hire.

Except as provided in R.S.39:3-84 for recreation vehicles, no private utility or house type semitrailer or trailer with an outside width of more than 96 inches, a maximum height of 13 feet 6 inches, a maximum length for a single vehicle of more than 35 feet, a maximum length for a semitrailer and its towing vehicle of more than 45 feet, and a maximum length for a trailer and its towing vehicle of more than 50 feet, shall be operated on any highway in this State, except that a vehicle exceeding the above limitations may be operated when a special permit to operate is secured in advance from the chief administrator. A house type semitrailer or trailer with an outside width of no more than 16 feet shall be entitled to operate with such a special permit if the vehicle is a manufactured home on a transportation system that is designed in accordance with the "Manufactured Home Construction and Safety Standards," 24 CFR part 3280.901 et seq., promulgated by the United States Department of Housing and Urban Development, as amended and supplemented, provided that the operator complies with the provisions of this Title and the rules and regulations issued thereunder. The application for such permit shall be accompanied by a fee fixed by the chief administrator. A special permit issued by the chief administrator shall be in the possession of the operator of the vehicle for which such permit was issued. In computing any dimensions of a vehicle, for the purposes of this section, there shall not be included in the dimensional limitations safety equipment such as mirrors or lights, provided such appliances do not exceed the overall limitations established by the chief administrator by rule or regulation.

For the purposes of this section, the test of affiliation is whether the same entity directly or indirectly owns or controls 5% or more of the voting rights or 5% or more of the value of all classes of stock of both the taxpayer receiving the tax credits and the business that is surrendering the tax credits. The tax credits may be used on the corporation business tax and insurance premiums tax returns to be filed by those taxpayers in exchange for private financial assistance to be provided by the corporation business taxpayer or insurance premiums taxpayer that is the recipient of the corporation business tax credit certificate or insurance premiums tax credit certificate to assist in the funding of costs incurred by the relocating business.

18. Section 1 of P.L.1997, c.334 (C.34:1B-7.42a) is amended to read as follows:

C.34:1B-7.42a Corporation business tax benefit certificate transfer program.

1. a. The New Jersey Economic Development Authority shall establish within the New Jersey Emerging Technology and Biotechnology Financial Assistance Program established pursuant to P.L.1995, c.137 (C.34:1B-7.37 et seq.), a corporation business tax benefit certificate transfer program to allow new or expanding emerging technology and biotechnology companies in this State with unused amounts of research and development tax credits otherwise allowable which cannot be applied for the credit's tax year due to the limitations of subsection b. of section 1 of P.L.1993, c.175 (C.54:10A-5.24) and unused net operating loss carryover pursuant to subparagraph (B) of paragraph (6) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4), to surrender those tax benefits for use by other corporation business taxpayers in this State, provided that the taxpayer receiving the surrendered tax benefits is not affiliated with a corporation that is surrendering its tax benefits under the program established under P.L.1997, c.334. For the purposes of this section, the test of affiliation is whether the same entity directly or indirectly owns or controls 5% or more of the voting rights or 5% or more of the value of all classes of stock of both the taxpayer receiving the benefits and a corporation that is surrendering the benefits. The tax benefits may be used on the corporation business tax returns to be filed by those taxpayers in exchange for private financial assistance to be provided by the corporation business taxpayer that is the recipient of the corporation business tax benefit certificate to assist in the funding of costs incurred by the new or expanding emerging technology and biotechnology company.

b. The authority, in cooperation with the Division of Taxation in the Department of the Treasury, shall review and approve applications by new or expanding emerging technology and biotechnology companies in this State with unused but otherwise allowable carryover of research and development tax credits pursuant to section 1 of P.L.1993, c.175 (C.54:10A-5.24), and unused but otherwise allowable net operating loss carryover pursuant to paragraph (6) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4), to surrender those tax benefits in exchange
for private financial assistance to be made by the corporation business taxpayer that is the recipient of the corporation business tax benefit certificate in an amount equal to at least 75% of the amount of the surrendered tax benefit. Provided that the amount of the surrendered tax benefit for a surrendered research and development tax credit carryover is the amount of the credit, and provided that the amount of the surrendered tax benefit for a surrendered net operating loss carryover is the amount of the loss multiplied by the new or expanding emerging technology or biotechnology company's anticipated allocation factor, as determined pursuant to section 6 of P.L.1945, c.162 (C.54:10A-6) for the tax year in which the benefit is transferred and subsequently multiplied by the corporation business tax rate provided pursuant to subsection (c) of section 5 of P.L.1945, c.162 (C.54:10A-5). The authority shall be authorized to approve the transfer of no more than $50,000,000 of tax benefits over State fiscal year 2000, $40,000,000 of tax benefits over each State fiscal year 2001 through 2004, and $60,000,000 over State fiscal year 2005 and each State fiscal year thereafter. If the total amount of transferable tax benefits requested to be surrendered by approved applicants exceeds $50,000,000 for State fiscal year 2000, $40,000,000 for each State fiscal year 2001 through 2004, or $60,000,00 for State fiscal year 2005 and for each State fiscal year thereafter, the authority, in cooperation with the Division of Taxation in the Department of the Treasury, shall not be authorized to approve the transfer of more than $50,000,000 for State fiscal year 2000, more than $40,000,000 for each State fiscal 2001 through 2004, or $60,000,00 for State fiscal year 2005 and for each State fiscal year thereafter and shall allocate the transfer of tax benefits by approved companies using the following method:

(1) an eligible applicant with $250,000 or less of transferable tax benefits shall be authorized to surrender the entire amount of its transferable tax benefits;

(2) an eligible applicant with more than $250,000 of transferable tax benefits shall be authorized to surrender a minimum of $250,000 of its transferable tax benefits;

(3) an eligible applicant with more than $250,000 of transferable tax benefits that was approved to surrender tax benefits in the prior fiscal year shall be authorized to surrender a minimum of 50% of the transferable tax benefits surrendered in the prior fiscal year or $250,000 whichever is greater, provided that the amount of transferable tax benefits authorized shall not exceed the applicant's transferable tax benefits for the current fiscal year;

(4) an eligible applicant with more than $250,000 shall also be authorized to surrender additional transferable tax benefits determined by
multiplying the applicant's transferable tax benefits less the minimum transferable tax benefits that company is authorized to surrender under paragraph (2) or (3) of this subsection by a fraction, the numerator of which is the total amount of transferable tax benefits that the authority is authorized to approve less the total amount of transferable tax benefit approved under paragraphs (1), (2), (3) and (5) of this subsection and the denominator of which is the total amount of transferable tax benefits requested to be surrendered by all eligible applicants less the total amount of transferable tax benefits approved under paragraphs (1), (2), (3) and (5) of this subsection;

(5) The authority shall establish the boundaries for three innovation zones to be geographically distributed in the northern, central, and southern portions of this State. Of the $60,000,000 of transferable tax benefits authorized for each State fiscal year, $5,000,000 shall be allocated for the surrender of transferable tax benefits exclusively by eligible companies that operate within the boundaries of the innovation zones during State fiscal year 2005, and $10,000,000 shall be so allocated for State fiscal year 2006 and for each State fiscal year thereafter.

If the total amount of transferable tax benefits that would be authorized using the above method exceeds $50,000,000 for State fiscal year 2000, $40,000,000 for each State fiscal year 2001 through 2004, or $60,000,00 for each State fiscal year thereafter, then the authority, in cooperation with the Division of Taxation in the Department of the Treasury, shall limit the total amount of tax benefits authorized to be transferred to $50,000,000 for State fiscal year 2000, $40,000,000 for each State fiscal year 2001 through 2004, or $60,000,00 for State fiscal year 2005 and for each State fiscal year thereafter by applying the above method on an apportioned basis.

For purposes of this section transferable tax benefits include an eligible applicant's unused but otherwise allowable carryover of net operating losses multiplied by the applicant's anticipated allocation factor as determined pursuant to section 6 of P.L. 1945, c.162 (C.54:10A-6) for the tax year in which the benefit is transferred and subsequently multiplied by the corporation business tax rate as provided in subsection (e) of section 5 of P.L.1945, c.162 (C.54:10A-5) plus the total amount of the applicant's unused but otherwise allowable carryover of research and development tax credits. An eligible applicant's transferable tax benefits shall be limited to net operating losses and research and development tax credits that the applicant requests to surrender in its application to the authority and shall not, in total, exceed the maximum amount of tax benefits that the applicant is eligible to surrender.
The maximum lifetime value of surrendered tax benefits that a corporation shall be permitted to surrender pursuant to the program is $10,000,000. Applications must be received within 30 days from enactment of P.L.1999, c.140 (C.34:1B-7.42b et al.) for State fiscal year 2000 and on or before June 30 for each subsequent State fiscal year.

The private financial assistance shall be used to fund expenses incurred in connection with the operation of the new or expanding emerging technology or biotechnology company in the State, including but not limited to the expenses of fixed assets, such as the construction and acquisition and development of real estate, materials, start-up, tenant fit-out, working capital, salaries, research and development expenditures and any other expenses determined by the authority to be necessary to carry out the purposes of the New Jersey Emerging Technology and Biotechnology Financial Assistance Program.

c. The authority, in cooperation with the Division of Taxation in the Department of the Treasury, shall review and approve applications by taxpayers under the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), to acquire surrendered tax benefits approved pursuant to subsection b. of this section which shall be issued in the form of corporation business tax benefit transfer certificates, in exchange for private financial assistance to be made by the taxpayer in an amount equal to at least 75% of the amount of the surrendered tax benefit of an emerging technology or biotechnology company in the State. A corporation business tax benefit transfer certificate shall not be issued unless the applicant certifies that as of the date of the exchange of the corporation business tax benefit certificate it is operating as a new or expanding emerging technology or biotechnology company and has no current intention to cease operating as a new or expanding emerging technology or biotechnology company.

The private financial assistance shall assist in funding expenses incurred in connection with the operation of the new or expanding emerging technology or biotechnology company in the State, including but not limited to the expenses of fixed assets, such as the construction and acquisition and development of real estate, materials, start-up, tenant fit-out, working capital, salaries, research and development expenditures and any other expenses determined by the authority to be necessary to carry out the purposes of the New Jersey Emerging Technology and Biotechnology Financial Assistance Program.

d. The authority shall coordinate the applications for surrender and acquisition of unused but otherwise allowable tax benefits pursuant to this section in a manner that can best stimulate and encourage the extension of private financial assistance to new and expanding emerging technology
and biotechnology companies in this State. The applications shall be submitted and the authority shall approve or disapprove the applications.

The authority shall, in consultation with the New Jersey Commerce and Economic Growth Commission, the New Jersey Commission on Science and Technology and any institution of higher education in New Jersey, develop criteria for the approval or disapproval of applications. Such criteria shall include, but need not be limited to, an evaluation of the new or expanding emerging technology or biotechnology company's actual or potential scientific and technological viability, a determination that the new or expanding emerging technology or biotechnology company's principal products or services are sufficiently innovative to provide a competitive advantage, a determination that the proposed financial assistance will result in significant growth in permanent, full-time employment in the State, a determination made by the authority that the new or expanding emerging technology or biotechnology company does not have sufficient resources to operate in the short term or cannot secure financial assistance from venture capital, stock issuance, product sales revenue, a parent corporation or other affiliates, bank or any other method of obtaining capital, and a determination that the financial assistance provided pursuant to this act demonstrates the prospect of a significant positive change in the applicant's net income. The authority shall establish the weight of importance to be given each criterion utilized in its application approval process. No application shall be approved in which the new or expanding technology or biotechnology company (1) has demonstrated positive net income in any of the two previous full years of ongoing operations as determined on its financial statements; or (2) has demonstrated a ratio in excess of 110% or greater of operating revenues divided by operating expenses in any of the two previous full years of operations as determined on its financial statements; or (3) is directly or indirectly at least 50% owned or controlled by another corporation that has demonstrated positive net income in any of the two previous full years of ongoing operations as determined on its financial statements or is part of a consolidated group of affiliated corporations, as filed for federal income tax purposes, that in the aggregate has demonstrated positive net income in any of the two previous full years of ongoing operations as determined on its combined financial statements.

Once an application has been approved, the applicant shall be permitted to surrender, subject to the limitations set forth in subsection b. of this section and the net operating loss carryover and research and development tax credit carryover time periods pursuant to subparagraph (B) of paragraph (6) of subsection (k) of section 4 of P.L. 1945, c.162 (C.54:10A-4) and subsection b. of section 1 of P.L.1993, c.175 (C.54:10A-5.24), the
surrendered tax benefits that are requested in the application regardless of
whether the applicant continues to meet the eligibility criteria set forth in
the act in subsequent years.

The authority shall require a corporation business taxpayer that ac­
cquires a corporation business tax benefit certificate to enter into a written
agreement with the new or expanding emerging technology or biotechnol­
ogy company concerning the terms and conditions of the private financial
assistance made in exchange for the certificate. The written agreement
may contain terms concerning the maintenance by the new or expanding
emerging technology or biotechnology company of a headquarters or a
base of operation in this State.

24. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:

C.54:10A-4 Definitions.
4. For the purposes of this act, unless the context requires a different meaning:
   (a) "Commissioner" or "director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.
   (b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.
   (c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument, any other entity classified as a corporation for federal income tax purposes, and any state or federally chartered building and loan association or savings and loan association.
   (d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2)(F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of
a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from the net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings means the earnings accumulated over the life of such facility and shall not include the distributive share of dividends paid and federal income taxes paid or payable during the tax year.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) (Deleted by amendment, P.L.1998, c.114.)

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation, a savings institution, or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.
(h) "Taxpayer" shall mean any corporation, and any partnership required, or consenting, to report or to pay taxes, interest or penalties under this act. "Taxpayer" shall not include a partnership that is listed on a United States national stock exchange.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets.

For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report, or, if the taxpayer is classified as a partnership for federal tax purposes, would otherwise be required to report, to the United States Treasury Department for the purpose of computing its federal income tax, provided however, that in the determination of such entire net income,

(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 68(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section;

(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivision thereof, on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or
accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section;

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer's accounting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot,
sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.

(I) Interest paid, accrued or incurred for the privilege period to a related member, as defined in section 5 of P.L.2002, c.40 (C.54:10A-4.4), except that a deduction shall be permitted to the extent that the taxpayer establishes by clear and convincing evidence, as determined by the director, that: (i) a principal purpose of the transaction giving rise to the payment of the interest was not to avoid taxes otherwise due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, (ii) the interest is paid pursuant to arm's length contracts at an arm's length rate of interest, and (iii)(aa) the related member was subject to a tax on its net income or receipts in this State or another state or possession of the United States or in a foreign nation, (bb) a measure of the tax includes the interest received from the related member, and (cc) the rate of tax applied to the interest received by the related member is equal to or greater than a rate three percentage points less than the rate of tax applied to taxable interest by this State.

A deduction shall also be permitted if the taxpayer establishes by clear and convincing evidence, as determined by the director, that the disallowance of a deduction is unreasonable, or the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8); nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

A deduction shall also be permitted to the extent that the taxpayer establishes by a preponderance of the evidence, as determined by the director, that the interest is directly or indirectly paid, accrued or incurred to (i) a related member in a foreign nation which has in force a comprehensive income tax treaty with the United States, provided however that the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest, the relevant foreign nation, and such other information as the director may prescribe or (ii) to an
independent lender and the taxpayer guarantees the debt on which the interest is required.

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section and shall exclude 50% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of 50% or more ownership of investment, such ownership of investment calculated in the same manner as the
80% or more of ownership of investment is calculated as described in subsection (d) of this section.

(6) (A) Net operating loss deduction. There shall be allowed as a deduction for the privilege period the net operating loss carryover to that period.

(B) Net operating loss carryover. A net operating loss for any privilege period ending after June 30, 1984 shall be a net operating loss carryover to each of the seven privilege periods following the period of the loss. The entire amount of the net operating loss for any privilege period (the "loss period") shall be carried to the earliest of the privilege periods to which the loss may be carried. The portion of the loss which shall be carried to each of the other privilege periods shall be the excess, if any, of the amount of the loss over the sum of the entire net income, computed without the exclusions permitted in paragraphs (4) and (5) of this subsection or the net operating loss deduction provided by subparagraph (A) of this paragraph, for each of the prior privilege periods to which the loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term "net operating loss" means the excess of the deductions over the gross income used in computing entire net income without the net operating loss deduction provided for in subparagraph (A) of this paragraph and the exclusions in paragraphs (4) and (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover.

(E) Notwithstanding the provisions of this paragraph (6) of subsection (k) of this section to the contrary, for privilege periods beginning during calendar year 2002 and calendar year 2003, no deduction for any net operating loss carryover shall be allowed and for privilege periods beginning during calendar year 2004 and calendar year 2005, there shall be allowed as a deduction for the privilege period so much of the net operating loss carryover as reduces entire net income otherwise calculated by 50%. If and only to the extent that any net operating loss carryover deduction is disallowed by reason of this subparagraph (E), the date on which the amount of the disallowed net operating loss carryover deduction would otherwise expire shall be extended by a period equal to the period for
which application of the net operating loss was disallowed by this subparagraph.

Provided, that this subparagraph (E) shall not restrict the surrender or acquisition of corporation business tax benefit certificates pursuant to section 1 of P.L.1997, c.334 (C.34:1B-7.42a) and shall not restrict the application of corporation business tax benefit certificates pursuant to section 2 of P.L.1997, c.334 (C.54:10A-4.2).

(7) The entire net income of gas, electric and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for the single asset account described above based on the New Jersey tax basis as adjusted above as if all assets in the single asset account were first placed in service on January 1, 1998. Depreciation shall be computed using the straight line method over a thirty-year life. A full year's depreciation shall be allowed in the initial tax year. No half-year convention shall apply. The depreciable basis of the single account shall be reduced by the adjusted federal tax basis of assets sold, retired, or otherwise disposed of
during any year on which gain or loss is recognized for federal income tax purposes as described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other dispositions of assets placed in service prior to January 1, 1998 shall be recognized and reported on the same basis as for federal income tax purposes.

(9) Notwithstanding paragraph (1) of this subsection, entire net income shall not include the income derived by a corporation organized in a foreign country from the international operation of a ship or ships, or from the international operation of aircraft, if such income is exempt from federal taxation pursuant to section 883 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.883.

(10) Entire net income shall exclude all income of an alien corporation the activities of which are limited in this State to investing or trading in stocks and securities for its own account, investing or trading in commodities for its own account, or any combination of those activities, within the meaning of section 864 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.864, as in effect on December 31, 1998. Notwithstanding the previous sentence, if an alien corporation undertakes one or more infrequent, extraordinary or non-recurring activities, including but not limited to the sale of tangible property, only the income from such infrequent, extraordinary or non-recurring activity shall be subject to the tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and that amount of income subject to tax shall be determined without regard to the allocation to that specific transaction of any general business expense of the taxpayer and shall be specifically assigned to this State for taxation by this State without regard to section 6 of P.L.1945, c.162 (C.54:10A-6). (C.54:10A-5.24) unless those research and experimental expenditures are also used to compute a federal credit claimed pursuant to section 41 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.41.

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the Corporation Business Tax Act (1945), P.L.1945, c.162.

**C.54:10A-5.18 Taxpayer credit.**

3. a. A taxpayer shall be allowed a credit against the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), in an amount equal to 2% of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of $1,000,000; provided however, that if a taxpayer has 50 or fewer employees (an average number of full-time employees and full-time employee equivalents of 50 or less) and entire net income to be used as a measure of the tax determined pursuant to section 6 of P.L.1945, c.162 (C.54:10A-6) of less than $5,000,000 for the tax year, the taxpayer shall be allowed a credit against the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), in an amount equal to 4% of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of $1,000,000.

b. The tax imposed for the tax year pursuant to section 5 of P.L.1945, c.162, shall first be reduced by the amount of any credit allowed pursuant
to section 19 of P.L.1983, c.303 (C.52:27H-78), then by any credit allowed pursuant to section 12 of P.L.1985, c.227 (C.55:19-13), then by any credit allowed pursuant to section 42 of P.L.1987, c.102 (C.54:10A-5.3), prior to applying any credits allowable pursuant to this section. Credits allowable pursuant to this section shall be applied in the order of the credits' tax years. The amount of the credits applied under this section and section 4 of P.L.1993, c.171 (C.54:10A-5.19), against the tax imposed pursuant to section 5 of P.L.1945, c.162, for a tax year shall not exceed 50% of the tax liability otherwise due and shall not reduce the tax liability to an amount less than the statutory minimum provided in subsection (e) of section 5 of P.L.1945, c.162.

c. The amount of tax year credit otherwise allowable under subsection a. of this section which cannot be applied for the tax year due to the limitations of subsection b. of this section may be carried over, if necessary, to the seven tax years following a credit's tax year. Provided however, that a taxpayer may not carry over any amount of credit or credits allowed under subsection a. of this section to a tax year during which a corporate acquisition with respect to which the taxpayer was a target corporation occurred or during which the taxpayer was a party to a merger or consolidation, or to any subsequent tax year, if the credit was allowed for a tax year prior to the year of acquisition, merger or consolidation; provided further, however, that if in the case of a corporate merger or corporate consolidation the taxpayer can demonstrate, through the submission of a copy of the plan of merger or consolidation and such other evidence as may be required by the director, the identity of the constituent corporation which was the acquiring person, a credit allowed to the acquiring person may be carried over by the taxpayer. "Acquiring person" means the constituent corporation the stockholders of which own the largest proportion of the total voting power in the surviving or consolidated corporation after the merger or consolidation.

d. (1) With respect to equipment that is three-year property, as described in subsection (e) of section 168 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.168, which is disposed of or ceases to be qualified equipment prior to the end of the 36-month period following being placed in service in this State, the amount of credit allowed shall be that portion of the credit provided for in subsection a. of this section which represents the ratio which the months of qualified use bear to 36, and the difference between the credit taken and the credit allowed for actual use shall be forfeited. Additionally, except when the property is damaged or destroyed by fire, flood, storm or other casualty, or is stolen, the taxpayer shall redetermine the amount of credit allowed for the tax year of the credit by reducing the investment credit base by the cost of the amount of the
disposed or disqualified equipment. If the redetermination of the credit results in an increase in final liability for any tax year in which the credit was applied, then, notwithstanding the four year limitation of subsection b. of R.S.54:49-6 to the contrary, the amount of unpaid liability, if any, shall be considered a deficiency for the purposes of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq. The amount of credit allowed for actual use shall be determined by multiplying the original credit by the ratio which the months of qualified use bear to 36.

(2) With respect to property other than that described in subparagraph (1) of this subsection which is disposed of or ceases to be qualified equipment prior to the end of the 60-month period following being placed in service in this State, the amount of credit allowed shall be that portion of the credit provided for in subsection a. of this section which represents the ratio which the months of qualified use bear to 60, and the difference between the credit taken and the credit allowed for actual use shall be forfeited. Additionally, except when the property is damaged or destroyed by fire, flood, storm or other casualty, or is stolen, the taxpayer shall redetermine the amount of credit allowed for the tax year of the credit by reducing the investment credit base by the cost of the amount of the disposed or disqualified equipment. If the redetermination of the credit results in an increase in final liability for any tax year in which the credit was applied, then, notwithstanding the four year limitation of subsection b. of R.S.54:49-6 to the contrary, the amount of unpaid liability, if any, shall be considered a deficiency for the purposes of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq. The amount of credit allowed for actual use shall be determined by multiplying the original credit by the ratio which the months of qualified use bear to 60.

26. a. For taxable years beginning on or after January 1, 2004, notwithstanding the provisions of N.J.S.54A:5-1, if any, or any other law to the contrary, for the purposes of determining the amount of a category of income pursuant to N.J.S.54A:5-1 that is net of expenses:

(i) notwithstanding the provisions of subsection (k) of section 168 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.168, subsection (b) of section 1400L of the federal Internal Revenue Code of 1986, 26 U.S.C. s.1400L, or any other federal law, for property placed in service on or after January 1, 2004, the depreciation deduction otherwise allowed pursuant to section 167 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.167, shall be determined pursuant to the provisions of the federal

b. The director shall prescribe the rules and regulations necessary to carry out the provisions of this section, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq.

27. This act shall take effect immediately; sections 1 through 17 shall apply to State fiscal years beginning July 1, 2004 and thereafter; and section 25 shall apply to qualified equipment placed in service during privilege periods beginning on or after July 1, 2004.

proprietary lease of a cooperative unit and any assignment of a proprietary lease of a cooperative unit, shall be treated as a "freehold" for the purpose of this act. Instruments providing for common driveways, for exchanges of easements or rights-of-way, for revocable licenses to use, to adjust or to clear defects of or clouds on title, to provide for utility service lines such as drainage, sewerage, water, electric, telephone or other such service lines, or to quitclaim possible outstanding interests, shall not be "deeds" for the purposes of this act.

The amount of liens for real property taxes, water or sewerage charges for the current or any subsequent year, or by way of added assessment or other adjustment, as well as of other like liens or encumbrances of a current and continuing nature ordinarily adjusted between the parties according to the period of ownership shall be excluded as an element in determining the consideration, notwithstanding that such amount is to be paid by the grantee.

In the case of a leasehold interest for 99 years or more as defined in subsection (a) of this section, the consideration shall be in the amount of the assessed value of the property at the date of the transaction for the purpose of levying local real property taxes adjusted to reflect the true value in accordance with the county percentage level established for the current year.

In the case of a proprietary lease of a cooperative unit or assignment thereof as defined in subsection (a) of this section, the consideration is the total price paid for the ownership interest held in conjunction with a cooperative unit, including the pro rata amount of any underlying mortgage or other obligation of the cooperative.

c.80 (C.34:1B-4), bonds or refunding bonds may be issued without obtaining
the consent of any department, division, commission, board, bureau

h. The State hereby pledges and covenants with the holders of any bonds or refunding bonds issued pursuant to the provisions of this act, that it will not limit or alter the rights or powers vested in the authority by this act, nor limit or alter the rights or powers of the State Treasurer in any manner which would jeopardize the interest of the holders or any trustee of such holders, or inhibit or prevent performance or fulfillment by the authority or the State Treasurer with respect to the terms of any agreement made with the holders of these bonds or refunding bonds or agreements made pursuant to subsection c. of this section, except that the failure of
the Legislature to appropriate moneys for any purpose of this act shall not be deemed a violation of this section.

i. Notwithstanding any restriction contained in any other law, rule, regulation or order to the contrary, the State and all political subdivisions of the State, their officers, boards, commissioners, departments or other agencies, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, saving and loan associations, investment companies and other persons carrying on a banking or investment business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, and all other persons whatsoever who now are or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest any sinking funds, moneys or other funds, including capital, belonging to them or within their control, in any bonds or refunding bonds issued by the authority under the provisions of this act; and said bonds and refunding bonds are hereby made securities which may properly and legally be deposited with, and received by any State or municipal officers or agency of the State, for any purpose for which the deposit of bonds or other obligations of the State is now, or may hereafter be, authorized by law.

Provided however, that:

(1) no credits of dedicated cigarette tax revenues shall be made to the Dedicated Cigarette Tax Revenue Fund in any State fiscal year until the deposits of revenue from the cigarette tax required by section 4 of P.L.1997, c.264 (C.26:2H-18.58g) into the Health Care Subsidy Fund have been fully made in such fiscal year, and

(2) in each month of a State fiscal year beginning after the month in which the final deposits of revenue from the cigarette tax required by section 4 of P.L.1997, c.264 (C.26:2H-18.58g) into the Health Care Subsidy Fund have been fully made for such fiscal year, the State Treas-
surer shall credit to the Dedicated Cigarette Tax Revenue Fund an amount equivalent to all revenue collected by the State from the cigarette tax during such calendar month until the amount credited to the Dedicated Cigarette Tax Revenue Fund from the beginning of such fiscal year equals the amount that would have been credited to such Fund since the beginning of such fiscal year in accordance with the preceding sentence if the deposits of revenue from the cigarette tax required by section 4 of P.L.1997, c.264 (C.26:2H-18.58g) into the Health Care Subsidy Fund were not required to have been made.

b. In each State fiscal year during which the authority has outstanding bonds or refunding bonds which have been issued pursuant to this act or is obligated to make any payments under any contract or agreement entered into by the authority pursuant to subsection c. of section 4 of this act, the State Treasurer shall pay to the authority solely from the Dedicated Cigarette Tax Revenue Fund in accordance with the provisions of any contract between the authority and the State Treasurer authorized and entered into pursuant to section 6 of this act, an amount equal to the debt service payable on the authority's then outstanding bonds or refunding bonds issued pursuant to this act during such fiscal year and any amounts required to be paid by the authority during such fiscal year under any contract or agreement entered into by the authority pursuant to subsection c. of section 4 of this act and such other additional amounts as shall be authorized by this act and required to be paid to the authority pursuant to any contract between the authority and the State Treasurer authorized and entered into pursuant to section 6 of this act; provided, however, that the payment of all such amounts to the authority shall be subject to and dependent upon appropriations being made from time to time by the Legislature of the amounts thereof for the purposes of this act. Notwithstanding any other provision of any law, rule, regulation or order to the contrary, the authority shall be paid only such amounts as shall be required by the provisions of any contract between the authority and the State Treasurer authorized and entered into pursuant to section 6 of this act and the incurrence of any obligation of the State under any such contract, including any payments to be made thereunder from the Dedicated Cigarette Tax Revenue Fund, shall be subject to and dependent upon appropriations being made from time to time by the Legislature for the purposes of this act.

c. If the authority no longer has outstanding bonds or refunding bonds which have been issued pursuant to this act and is no longer obligated to make any payments under any contract or agreement entered into by the authority pursuant to subsection c. of section 4 of this act or to pay any other costs, fees, expenses, liabilities and other obligations incurred by the authority and the State pursuant to this act, then all monies on
deposit in the Dedicated Cigarette Tax Revenue Fund shall be transferred to the General Fund.

C.34:1B-21.21 Contracts to implement payment arrangement.

6. The State Treasurer and the authority are authorized to enter into one or more contracts to implement the payment arrangement that is provided for in section 5 of this act. The contract or contracts shall provide for payment by the State Treasurer of the amounts required to be paid from the Dedicated Cigarette Tax Revenue Fund pursuant to section 5 of this act and shall set forth the procedure for the transfer of moneys for the purpose of paying such amounts. The contract or contracts shall contain such terms and conditions as are determined by the authority and the State Treasurer, and shall include, but not be limited to, terms and conditions necessary and desirable to secure any bonds or refunding bonds of the authority issued pursuant to this act or any obligations of the authority under any contract or agreement entered into by the authority pursuant to subsection c. of section 4 of this act; provided however, that notwithstanding any other provision of any law, rule, regulation or order to the contrary, the authority shall be paid only such amounts as shall be required by the provisions of any contract or contracts, and the incurrence of any obligation of the State under any such contract or contracts, including any payments to be made thereunder from the Dedicated Cigarette Tax Revenue Fund, shall be subject to and dependent upon appropriations being made from time to time by the Legislature for the purposes of this act.

C.34:1B-21.22 "Cigarette Tax Securitization Fund."

4. Notwithstanding the provisions of any law, rule, regulation or order to the contrary:

a. The authority shall have the power, pursuant to and in accordance with the provisions of this act and P.L.1974, c.80 (C.34:1B-1 et seq.), to issue bonds and refunding bonds, incur indebtedness and borrow money secured, in whole or in part, by money received pursuant to this act for the purpose of providing funds:

b. The authority may, in any resolution authorizing the issuance of bonds or refunding bonds issued by the authority pursuant to this act, or the execution and delivery of any agreement authorized pursuant to subsection c. of this section, pledge the amounts from time to time on deposit in the Motor Vehicle Surcharges Revenue Fund and any contract entered
into with the State Treasurer pursuant to section 7 of this act, or any part thereof, to secure the payment, purchase or redemption of the bonds or refunding bonds issued pursuant to this act or any obligations of the authority under any agreement entered into pursuant to subsection c. of this section, and covenant as to the use and disposition of money on deposit in the Motor Vehicle Surcharges Revenue Fund for payments of bonds and refunding bonds. All costs, fees and other expenses related to, or incurred by the authority or the State in connection with, the issuance of bonds or refunding bonds by the authority for the purposes set forth in this act may be paid by the authority from amounts it receives from the proceeds of the bonds or refunding bonds and from amounts it receives pursuant to sections 5 and 7 of this act, section 7 of P.L.1994, c.57 (C.34:1B-21.7) and section 12 of P.L.1994, c.57 (C.34:1B-21.12), which costs, fees and other expenses may include, but are not limited to, any initial or annual administrative costs and fees of the authority attributable to any bonds or refunding bonds issued pursuant to this act, all legal, accounting, trustee or other professional fees, costs and expenses, all other costs, fees and expenses (including, but not limited to, termination payments) attributable to any agreement, contract or other commitment described in subsection c. of this section and any required rebate or other payment to the United States of America. The bonds or refunding bonds shall be authorized by resolution adopted by the authority, which shall stipulate the manner of execution and form of the bonds, whether the bonds or refunding bonds are to be issued in one or more series, the date or dates of issue, time or times of maturity, which shall not exceed 40 years, the rate or rates of interest payable on the bonds, which may be at fixed rates or variable rates, and which interest may be current interest or may accrue, the denomination or denominations in which the bonds are issued, conversion or registration privileges, the sources and medium of payment and place or places of payment, terms of redemption, privileges of exchangeability or interchangeability, and entitlement to priorities of payment or security in the amounts to be received by the authority pursuant to sections 5 and 6 of this act. The bonds may be sold at a public or private sale at a price or prices determined by the authority. Bonds or refunding bonds issued pursuant to the provisions of this act shall not be a debt or liability of the State or any agency or instrumentality thereof, other than a special and limited obligation of the authority, either legal, moral or otherwise, and nothing contained in this act shall be construed to authorize the authority to incur any indebtedness on behalf of or in any way to obligate the State or any political subdivision thereof, other than the authority, and all bonds and refunding bonds issued by the authority shall contain a statement to that effect on their face.

f. The authority is authorized to engage, subject to the approval of the State Treasurer and in such manner as the State Treasurer shall determine, the services of bond counsel, financial advisors and experts, placement agents, underwriters, trustees, verification agents, remarketing agents, auction agents, broker-dealers, appraisers, and such other advisors, consultants and agents as may be necessary to effectuate the purposes of this act.

g. All bonds or refunding bonds issued by the authority pursuant to this act are deemed to be issued by a body corporate and politic of the State for an essential governmental purpose, and the interest thereon and the income derived from all funds, revenues, incomes and other moneys received for or to be received by the authority and pledged and available to pay or secure the payment of bonds or refunding bonds and the interest
thereon, shall be exempt from all taxes levied pursuant to the provisions of Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, except for transfer inheritance and estate taxes levied pursuant to Subtitle 5 of Title 54 of the Revised Statutes.

d. The State hereby pledges and covenants with the holders of any bonds or refunding bonds issued pursuant to the provisions of this act, that it will not limit or alter the rights or powers vested in the authority by this act, nor limit or alter the rights or powers of the State Treasurer in any manner which would jeopardize the interest of the holders or any trustee of such holders, or inhibit or prevent performance or fulfillment by the authority or the State Treasurer with respect to the terms of any agreement made with the holders of these bonds or refunding bonds or agreements made pursuant to subsection c. of this section, except that the failure of the State Legislature to appropriate moneys for any purpose of this act shall not be deemed a violation of this section.

i. Notwithstanding any restriction contained in any other law, rule, regulation or order to the contrary, the State and all political subdivisions of this State, their officers, boards, commissioners, departments or other agencies, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, saving and loan associations, investment companies and other persons carrying on a banking or investment business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, and all other persons whatsoever who now are or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest any sinking funds, moneys or other funds, including capital, belonging to them or within their control, in any bonds or refunding bonds issued by the authority under the provisions of this act; and said bonds and refunding bonds are hereby made securities which may properly and legally be deposited with, and received by any State or municipal officers or agency of the State, for any purpose for which the deposit of bonds or other obligations of the State is now, or may hereafter be, authorized by law.

Notwithstanding any other provision of any law, rule, regulation or order to the contrary, the authority shall be paid only such amounts as shall be required by the provisions of any contract between the authority and the State Treasurer authorized and entered into pursuant to section 7 of this act and the incurrence of any obligation of the State under any such contract, including any payments to be made thereunder, shall be subject to and dependent upon appropriations being made from time to time by the Legislature for the purposes of this act.
c. C.34:1B-21.12 "Division of Motor Vehicles Surcharge Fund."

12. There is created within the Department of the Treasury a special nonlapsing fund to be known as the "Division of Motor Vehicles Surcharge Fund," which, beginning September 1, 1996 or earlier as provided pursuant to this section, shall be comprised of moneys transferred to the DMV Surcharge Fund from the Market Transition Facility which, notwithstanding the provisions of this section to the contrary, may be appropriated, immediately upon receipt from the Market Transition Facility, by the Legislature to the Facility Revenue Fund and all moneys collected pursu-
ant to subsection b. of section 6 of P.L.1983, c.65 (C.17:29A-35) and any interest or other income earned thereon. Moneys in the DMV Surcharge Fund shall be managed and invested by the Division of Investment in the Department of the Treasury. Commencing September 1, 1996, or at such earlier time as may be certified by the commissioner that moneys on deposit in the New Jersey Automobile Insurance Guaranty Fund created pursuant to section 23 of P.L.1990, c.8 (C.17:33B-5) are sufficient to satisfy the current and anticipated financial obligations of the New Jersey Automobile Full Insurance Underwriting Association, the moneys in the DMV Surcharge Fund shall be disbursed from time to time by the State Treasurer, upon appropriation by the Legislature, to the Market Transition Facility Revenue Fund, for payment of principal, interest and premium on the Market Transition Facility bonds or notes and New Jersey Motor Vehicle Commission bonds or notes issued by the authority pursuant to section 4 of P.L.1994, c.57 (C.34:1B-21.4). 10. Section 6 of P.L.1983, c.65 (C.17:29A-35) is amended to read as follows:

6. a. (Deleted by amendment, P.L.1997, c.151.)

b. There is created a New Jersey Merit Rating Plan which shall apply to all drivers and shall include, but not be limited to, the following provisions

(1) (a) Plan surcharges shall be levied, beginning on or after January 1, 1984, by the New Jersey Motor Vehicle Commission (hereafter the "commission") established by section 4 of P.L.2003, c.13 (C.39:2A-4) on any driver who, in the preceding 36-month period, has accumulated six or more motor vehicle points, as provided in Title 39 of the Revised
Statutes; except that the allowance for a reduction of points in Title 39 of the Revised Statutes shall not apply for the purpose of determining surcharges under this paragraph. The accumulation of points shall be calculated as of the date the point violation is posted to the driver history record and shall be levied pursuant to rules promulgated by the commission. Surcharges assessed pursuant to this paragraph shall be $150.00 for six points, and $25.00 for each additional point. No offense shall be selected for billing which occurred prior to February 10, 1983. No offense shall be considered for billing in more than three annual assessments.

(b) (Deleted by amendment, P.L.1984, c.1.)

(2) (a) Plan surcharges shall be levied pursuant to subsection f. of section 1 of P.L.2000, c.75 (C.39:4-97.2) for each offense of unsafe driving under subsection a. of that section.

(b) Plan surcharges shall be levied for convictions (i) under R.S.39:4-50 for violations occurring on or after February 10, 1983, and (ii) under section 2 of P.L.1981, c.512 (C.39:4-50.4a), or for offenses committed in other jurisdictions of a substantially similar nature to those under R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), for violations occurring on or after January 26, 1984. Except as hereinafter provided, surcharges under this subparagraph (b) shall be levied annually for a three-year period, and shall be $1,000.00 per year for each of the first two convictions, for a total surcharge of $3,000 for each conviction, and $1,500.00 per year for the third conviction occurring within a three-year period, for a total surcharge of $4,500 for the third conviction. If a driver is convicted under both R.S.39:4-50 and section 2 of P.L.1981, c.512 (C.39:4-50.4a) for offenses arising out of the same incident, the driver shall be assessed only one surcharge for the two offenses.

If, upon written notification from the commission or its designee, mailed to the last address of record with the commission, a driver fails to pay a surcharge levied under subparagraph (b) of paragraph (2) of this subsection b., the driving privilege of the driver shall be suspended forthwith until the minimum payment requirement as set forth by rule by the commission is paid to the commission; except that the commission may authorize payment of the surcharge on an installment basis over a period not to exceed 12 months for assessments under $2,300 or 24 months for assessments of $2,300 or more. If a driver fails to pay the surcharge or any installments on the surcharge, the total surcharge shall become due immediately, except as otherwise prescribed by rule of the commission.

The commission may authorize any person to pay the surcharge levied under this section and collectible by the commission by use of a credit card, debit card or other electronic payment device, and the administrator is authorized to require the person to pay all costs incurred by the commis-
sion in connection with the acceptance of the credit card, debit card or other electronic payment device. If a surcharge or related administrative fee is paid by credit or debit cards or any other electronic payment device and the amount is subsequently reversed by the credit card company or bank, the driving privilege of the surcharged driver shall be suspended and the driver shall be subject to the fee imposed for dishonored checks pursuant to section 31 of P.L.1994, c.60 (C.39:5-36.1).

In addition to any other remedy provided by law, the commission is authorized to utilize the provisions of the SOIL (Set off of Individual Liability) program established pursuant to P.L.1981, c.239 (C.54A:9-8.1 et seq.) to collect any surcharge levied under this section that and collectible by the commission is unpaid on or after the effective date of this act. As an additional remedy, the commission may issue a certificate to the Clerk of the Superior Court stating that the person identified in the certificate is indebted under this surcharge law in such amount as shall be stated in the certificate. The certificate shall reference the statute under which the indebtedness arises. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon the record of docketed judgments the name of such person as debtor; the State as creditor; the address of such person, if shown in the certificate; the amount of the debt so certified; a reference to the statute under which the surcharge is assessed, and the date of making such entries. The docketing of the entries shall have the same force and effect as a civil judgment docketed in the Superior Court, and the commission shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to any right of appeal. Upon entry by the clerk of the certificate in the record of docketed judgments in accordance with this provision, interest in the amount specified by the court rules for post-judgment interest shall accrue from the date of the docketing of the certificate, however payment of the interest may be waived by the commission or its designee. In the event that the surcharge remains unpaid following the issuance of the certificate of debt and the commission takes any further collection action including referral of the matter to the Attorney General or his designee, the fee imposed, in lieu of the actual cost of collection, may be 20 percent of surcharges of $1,000 or more. The administrator or his designee may establish a sliding scale, not to exceed a maximum amount of $200, for surcharge principal amounts of less than $1,000 at the time the certificate of debt is forwarded to the Superior Court for filing. The commission shall provide written notification to a driver of the proposed filing of the certificate of debt at least 10 days prior to the proposed filing; such notice shall be mailed to the driver's last address of record with the commission.
If a certificate of debt is satisfied following a credit card payment, debit card payment or payment by other electronic payment device and that payment is reversed, a new certificate of debt shall be filed against the surcharged driver unless the original is reinstated.

If the administrator or his designee approves a special payment plan for repayment of the certificate of debt, and the driver is complying with the approved plan, the plan may be continued for any new surcharge not part of the certificate of debt.

All moneys collectible by the commission under subparagraph (b) of paragraph (2) of this subsection b. shall be billed and collected by the commission except as provided in P.L.1997, c.280 (C.2B:19-10 et al.) for the collection of unpaid surcharges. Commencing on September 1, 1996, or such earlier time as the Commissioner of Banking and Insurance shall certify to the State Treasurer that amounts on deposit in the New Jersey Automobile Insurance Guaranty Fund are sufficient to satisfy the current and anticipated financial obligations of the New Jersey Automobile Full Insurance Underwriting Association, all plan surcharges collected by the commission under subparagraph (b) of paragraph (2) of this subsection b. shall be remitted to the Division of Motor Vehicles Surcharge Fund:

(i) for transfer to the Market Transition Facility Revenue Fund, as provided in section 12 of P.L.1994, c.57 (C.34:1B-21.12), for the purposes of section 4 of P.L.1994, c.57 (C.34:1B-21.4) until such a time as all the Market Transition Facility bonds, notes and obligations and all Motor Vehicle Commission bonds, notes and obligations issued pursuant to that section 4 of P.L.1994, c.57 (C.34:1B-21.4) and the costs thereof are discharged and no longer outstanding; and

(ii) from and after the date of certification by the Commissioner of Banking and Insurance that the moneys collectible under subparagraph (b) of paragraph (2) of this subsection b. are no longer needed to fund the association or at such time as all Market Transition Facility bonds, notes and obligations and all Motor Vehicle Commission bonds, notes and obligations issued pursuant to section 4 of P.L.1994, c.57 (C.34:1B-21.4) and the costs thereof are discharged and no longer outstanding, for transfer to the Motor Vehicle Surcharges Revenue Fund established pursuant to section 6 of the "Motor Vehicle Surcharges Securitization Act of 2004," P.L.2004, c.70 (C.34:1B-21.28) to be applied as set forth in section 6 that act. From and after such time as all bonds issued under section 4 of the "Motor Vehicle Surcharges Securitization Act of 2004," P.L.2004, c.70 (C.34:1B-21.26) and the costs thereof are discharged and no longer outstanding, all plan surcharges collected by the commission under subparagraph (b) of paragraph (2) of this subsection b. shall, subject to appropriation, be remitted to the New Jersey Property-Liability Insurance Guaranty
Association created pursuant to section 6 of P.L.1974, c.17 (C.17:30A-6) to be used for payment of any loans made by that association to the New Jersey Automobile Insurance Guaranty Fund pursuant to paragraph (10) of subsection a. of section 8 of P.L.1974, c.17 (C.17:30A-8); provided that all such payments shall be subject to and dependent upon appropriation by the State Legislature.

All surcharges collected by the courts as plan surcharges pursuant to subparagraph (a) of paragraph (2) of this subsection b. shall be forwarded not less frequently than monthly to the Division of Revenue. The Division of Revenue shall transfer: all such surcharges received prior to July 1, 2006, to the General Fund, and commencing July 1, 2006, all such surcharges to the Unsafe Driving Surcharge Revenue Fund established pursuant to section 5 of the "Motor Vehicle Surcharges Securitization Act of 2004," P.L.2004, c.70 (C.34:1B-21.27) to be applied as set forth in section 5 of that act. From and after such time as all bonds (including refunding bonds), notes and other obligations issued under section 4 of the "Motor Vehicle Surcharges Securitization Act of 2004," P.L.2004, c.70 (C.34:1B-21.26), and the costs thereof are discharged and no longer outstanding, all such plan surcharges collected by the courts pursuant to subparagraph (a) of paragraph (2) of this subsection b. and forwarded to the Division of Revenue shall be transferred to the General Fund.

Upon request, the Administrative Office of the Courts shall provide a monthly report to the Division of Revenue containing information on the number of convictions for the offense of unsafe driving pursuant to section 1 of P.L.2000, c.75 (C.39:4-97.2) that were entered during such month, the amount of the surcharges that were assessed by the courts pursuant to subsection f. of section 1 of P.L.2000, c.75 (C.39:4-97.2) for such month, and the amount of the surcharges collected by the courts pursuant to subsection f. of section 1 of P.L.2000, c.75 (C.39:4-97.2) during such month.

(3) In addition to any other authority provided in P.L.1983, c.65 (C.17:29A-33 et al.), the commissioner, after consultation with the commission, is specifically authorized (a) (Deleted by amendment, P.L.1994, c.64), (b) to impose, in accordance with subparagraph (a) of paragraph (1) of this subsection b., surcharges for motor vehicle violations or convictions for which motor vehicle points are not assessed under Title 39 of the Revised Statutes, or (c) to reduce the number of points for which surcharges may be assessed below the level provided in subparagraph (a) of paragraph (1) of this subsection b., except that the dollar amount of all surcharges levied under the New Jersey Merit Rating Plan shall be uniform on a Statewide basis for each filer, without regard to classification or territory. Surcharges adopted by the commissioner on or after January 1,
1984 for motor vehicle violations or convictions for which motor vehicle points are not assessable under Title 39 of the Revised Statutes shall not be retroactively applied but shall take effect on the date of the New Jersey Register in which notice of adoption appears or the effective date set forth in that notice, whichever is later.

c. No motor vehicle violation surcharges shall be levied on an automobile insurance policy issued or renewed on or after January 1, 1984, except in accordance with the New Jersey Merit Rating Plan, and all surcharges levied thereunder shall be assessed, collected and distributed in accordance with subsection b. of this section.

d. (Deleted by amendment, P.L.1990, c.8.)

e. The Commissioner of Banking and Insurance and the commission as may be appropriate, shall adopt any rules and regulations necessary or appropriate to effectuate the purposes of this section.

C.34:1B-21.30 Motor Vehicle Surcharges Securitization Fund.

11. There is hereby created in the Department of the Treasury a separate nonlapsing fund to be known as the Motor Vehicle Surcharges Securitization Fund. Revenue derived from bonds issued under the "Motor Vehicle Surcharges Securitization Act of 2004," P.L.2004, c 70 (C.34:1B-21.23 et al.) may be deposited into the Motor Vehicle Surcharges Securitization Fund and balances therein may be transferred to the General Fund.

12. The provisions of this act shall be severable, and if any of the provisions hereof shall be held to be unconstitutional or otherwise invalid, such decision shall not affect the validity of any of the remaining provisions of this act.

13. This act shall take effect immediately.

- **Stabilization Growth Limitation (PTRF):** 73,576,000
- **Growth Savings - Payment Changes (PTRF):** 14,500,000

Receipts from nonpublic schools handicapped and auxiliary recoveries are appropriated for the payment of additional aid in accordance with sections 17 of P.L.1977, c.192 (C.18A:46A-14) and section 14 of P.L.1977, c.193 (C.18A:46-19.8).

Notwithstanding the provisions of section 14 of P.L.1977, c.193 (C.18A:46-19.8) for the purpose of computing Nonpublic Handicapped Aid for pupils requiring the following services, the per pupil amounts for the 2004-2005 school year shall be:
- $1,225.00 for an initial evaluation or reevaluation for examination and classification;
- $380.00 for an annual review for examination and classification;
- $930.00 for speech correction; and
- $826.00 for supplementary instruction services.

Notwithstanding the provisions of section 9 of P.L.1977, c.192 (C.18A:46A-9), the per pupil amount for compensatory education for the 2004-2005 school year for the purposes of computing Nonpublic Auxiliary Services Aid shall equal $856.25.

Notwithstanding the provisions of section 9 of P.L.1991, c.226 (C.18A:40-31), the amount appropriated hereinabove for Nonpublic Nursing Services Aid shall be made available to local school districts based upon the number of pupils enrolled in each nonpublic school on the last day prior to October 16, 2003 and the rate per pupil shall be $74.25.

Nonpublic Technology Initiative aid shall be paid to school districts and allocated for nonpublic school pupils at the rate of $40.00 per pupil in a manner that is consistent with the provisions of the federal and State constitutions.

Of the amount hereinabove in the High School Equivalency account, such sums as are necessary may be transferred to an applicant State department.

The amount hereinabove for Extraordinary Special Education Costs Aid shall be charged first to receipts of the supplemental fee established pursuant to section 2 of P.L.2003, c.113 (C.46:15-7.1) credited to the Extraordinary Aid Account.

The amount appropriated hereinabove for Nonpublic Capital Projects Aid shall be distributed by the Commissioner of Education as grants to nonpublic high...
schools for capital projects, including capital projects completed during the 2003-2004 school year. Grants shall be awarded in accordance with criteria established by the commissioner which shall include but not be limited to: that the nonpublic high school have a significant minority or low-income student enrollment, and that the capital project be used for a secular purpose. A grant shall be awarded upon submission of an application by the nonpublic school to the commissioner and the commissioner's approval of that application. The amount of a grant shall not exceed $500,000.

Additional Formula Aid shall be provided to each “non-Abbott” school district in an amount that equals 3% of the total State aid amount payable for the 2003-2004 school year for the following aid categories: Core Curriculum Standards Aid, Supplemental Core Curriculum Standards Aid, Early Childhood Aid, Instructional Supplement Aid, Demonstrably Effective Program Aid, Stabilization Aid, Stabilization Aid II, Stabilization Aid III, Large Efficient District Aid, Aid for Districts with High Senior Citizen Populations, Regionalization Incentive Aid, Adult and Post-Secondary Education Grants, Bilingual Education Aid, Special Education Aid, County Vocational Program Aid, Transportation Aid, School Choice, Aid for Enrollment Adjustments, and Consolidated Aid. Notwithstanding any other law or regulation to the contrary, the amount provided to each district as Consolidated Aid and Additional Formula Aid shall be included in the calculation of the spending growth limitation pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5).

The amount appropriated hereinafore for Positive Achievement and Cost Effectiveness aid shall be distributed to school districts demonstrating high levels of academic achievement while incurring low education expenditures. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.), the Commissioner of Education shall be authorized to develop the criteria for distributing this aid and shall adopt regulations that shall be deemed adopted and effective immediately upon filing with the Office of Administrative Law. Upon receiving this award, districts will be expected to share information about their practices with the State and other districts.

The Commissioner of Education shall not authorize the disbursement of funds to any “Abbott district” until the commissioner is satisfied that all educational expenditures in the district will be spent effectively and efficiently in order to enable those students to achieve the core curriculum content standards. The commissioner shall be authorized to take any necessary action to fulfill this responsibility, including but not limited to, the adoption of regulations related to the receipt and/or expenditure of State aid by the “Abbott districts” and the programs, services and positions supported thereby. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.), any such regulations adopted by the commissioner shall be deemed adopted immediately upon filing with the Office of Administrative Law. In order to expeditiously fulfill the responsibilities of the commissioner under Abbott v. Burke, determinations by the commissioner hereunder shall be considered to be final agency action and appeal of that action shall be directly to the Appellate Division of the Superior Court.

Of the amount appropriated hereinafore for Education Opportunity Aid, an amount not to exceed $14,686,000, shall be transferred to the Department of
Education’s operating budget, subject to the approval of the Director of the Division of Budget and Accounting, for the purpose of managing and supervising implementation of Abbott remedies. In addition, the unexpended balance as of June 30, 2004, in the Abbott v. Burke Parity Remedy account is appropriated to the Education Opportunity Aid account and shall also be transferred to the Department of Education’s operating budget, for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.

The amount appropriated hereinafore for Education Opportunity Aid will provide resources to equalize spending between “I” and “J” districts and “Abbott districts,” and provide aid to fund additional needs of “Abbott districts.” Notwithstanding any other law to the contrary, Education Opportunity Aid shall be provided to each “Abbott district” whose per pupil regular education expenditure for 2004-2005 under P.L.1996, c.138 is below the estimated per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2004-2005. The amount of aid shall be determined as follows: funds shall be allocated in the amount of the difference between each “Abbott district’s” per pupil regular education expenditure for 2004-2005 and the actual per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2003-2004 indexed by the actual percentage increase in the per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2003-2004 over the per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2002-2003. In calculating the per pupil regular education expenditure of each “Abbott district” for 2004-2005, regular education expenditure shall equal the sum of the general fund tax levy for 2003-2004, Core Curriculum Standards Aid, Supplemental Core Curriculum Standards Aid and all forms of stabilization aid pursuant to section 10 of P.L.1996, c.138 (C.18A:7F-10); enrollments shall initially be those resident enrollments for preschool through grade 12 contained on the Application for State School Aid for 2004-2005 indexed by the district’s enrollment growth rate used to determine the estimated enrollments of October 2004; enrollments shall be calculated at their full-time equivalent and reduced by preschool and one half of full-day kindergarten enrollments. State aid shall be adjusted upon receipt of resident enrollment for the “Abbott districts” as of October 15, 2004 as reflected on the Application for State School Aid for 2005-2006. State aid shall also be adjusted based on the actual per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2004-2005. In calculating the actual per pupil average regular education expenditure of districts in district factor groups “I” and “J” for 2004-2005, regular education expenditure shall equal the sum of the general fund tax levy for 2004-2005, Core Curriculum Standards Aid, Supplemental Core Curriculum Standards Aid and all forms of stabilization aid pursuant to section 10 of P.L.1996, c.138 (C.18A:7F-10); enrollments shall be the resident enrollment for preschool through grade 12 as of October 15, 2004 as reflected on the Application for State School Aid for 2005-2006; enrollments shall be calculated at their full-time equivalent and reduced by preschool and one half
of full-day kindergarten enrollments in districts receiving Early Childhood Program Aid.

The amount appropriated hereinabove for Education Opportunity Aid shall also be used for the award of supplemental funding to “Abbott districts” for programs, services and positions that the Commissioner of Education determines are essential to the provision of a thorough and efficient education in those districts. Before the commissioner establishes the amount of the supplemental award, he shall determine whether some or all of the additional funds sought can be achieved by reallocating non-instructional expenditures or by achieving economies and efficiencies in the delivery of services and programs. If the commissioner determines that the district does have available such reallocations or achievement of economies and efficiencies, the commissioner shall direct that the district undertake those steps and use those funds to support, in part or in full, the requested programs and services. The supplemental award shall be adjusted based on the annual audit filed pursuant to N.J.S. 18A:23-1, and other financial statements and information, of each “Abbott district” that has requested these discretionary funds. Any district that fails to submit the required documentation or fails to submit its annual audit by November 15, 2004 may have its State aid withheld upon the commissioner’s request to the Director of the Division of Budget and Accounting. In making any adjustment to the supplemental award, the commissioner shall consider all of the district’s available resources and any appropriate reallocations, including, but not limited to, a reallocation of the district’s undesignated general fund balances in excess of two percent.

Notwithstanding any other law to the contrary, as a condition of receiving Education Opportunity Aid, an “Abbott district” shall raise a general fund tax levy which shall be no less than the general fund tax levy of the prior year.

The amount appropriated hereinabove as Abbott Preschool Expansion Aid is for the purpose of funding the increase in the approved budgeted costs from 2001-2002 to 2004-2005 for the projected expansion of preschool programs in “Abbott districts.” Payments of Abbott Preschool Expansion Aid shall be based on documented expansion of the preschool program. Upon the Commissioner of Education’s request, “Abbott districts” shall be required to provide such supporting documentation as deemed necessary to verify that the actual expansion in the preschool program has occurred in the 2004-2005 fiscal year. Such documentation may include expenditure, enrollment and attendance data that may be subject to an audit. Appropriate adjustments to a district’s Abbott Preschool Expansion Aid amount may be made by the commissioner based on actual need.

From the amount appropriated hereinabove for Early Launch to Learning Initiative, such funds as are necessary for the support of two staff persons to administer the program shall be transferred to the Office of Early Childhood Education in direct state services, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove for Above Average Enrollment Growth Aid shall be distributed to school districts whose projected enrollment for the 2004-05 school year exceeds its enrollment for the 2003-04 school year by at least 3.5
percent, as determined by the commissioner. Each such school district shall receive an amount equal to $765 multiplied by its projected increase in enrollment if its projected increase is less than 7.5 percent, and an amount equal to $1,600 multiplied by its projected increase in enrollment if its projected increase is equal to or greater than 7.5 percent. Any amount remaining in this account after distribution is made pursuant to these criteria shall be distributed by the commissioner to school districts meeting substantially similar circumstances.

The amount hereinabove for the New Jersey Character Education Partnership Initiative shall be made available to school districts according to a formula to be administered by the Commissioner of Education which will assure that each district that elects to participate shall receive funding for at least one school. Of the amount appropriated hereinabove, up to $100,000 may be used to fund the costs of operating this program, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any other law to the contrary, the amount of State aid made available to the Department of Human Services pursuant to "The State Facilities Education Act of 1979," P.L. 1979, c.207 (C.18A:7B-1 et al.), to defray the costs of educating eligible children in approved private schools under contract with the Department of Human Services shall not exceed the actual costs of the education of those children in such private schools.

Notwithstanding any other law to the contrary, Special Education Aid for pupils classified as severe cognitive impairment shall be paid directly to the resident school district; provided however, that for pupils under contract for service in a regional day school operated by or under contract with the Department of Human Services, tuition shall be withheld and paid to the Department of Human Services.

Notwithstanding the provisions of section 3 of P.L. 1971, c.271, (C.18A:46-31), a portion of the district tuition amounts payable to a county special services school district operating an extended school year program may be transferred to the county special services school district prior to the first of September in the event the board shall file a written request with the Commissioner of Education stating the needs for the funds. The commissioner shall review the board’s request and determine whether to grant the request after an assessment of whether the district needs to spend the funds prior to September and after considering the availability of district surplus. The commissioner shall transfer the payment for the portion of the tuition payable for which need has been demonstrated.

Of the amount appropriated hereinabove for County Special Services Restoration Aid, $15,000 shall be distributed to each of the eight County Special Services Districts.

Of the amount hereinabove for High Expectation for Learning Proficiency Aid, $15,000,000 shall be distributed to school districts, other than those designated as Abbott districts as of June 21, 2004, that are not county-based or non-operating as determined by the commissioner, and that are either (a) in district factor group A or B and whose equalized valuation per pupil is less than $380,000; (b) in district factor group A, B, CD or DE, and has a concentration
of low income pupils that is greater than or equal to 14 percent and has an 
equalized valuation per pupil that is less than $1,100,000 per pupil, and either 
has a general fund tax levy per pupil that exceeds $9,000 or a concentration of 
low income pupils that exceeds 30 percent; or (c) contiguous to a designated 
Abbott school district, have at least one school with a concentration of low 
income pupils equal to or greater than 20 percent and have not received Early 
Childhood Program Aid in the 2003-04 school year. Each such district shall 
receive the same proportion of $15,000,000 as its October 2003 resident 
enrollment bears to the total October 2003 resident enrollment of all such 
districts. As used hereinafter, "district factor group" shall be as determined by 
the commissioner using 2000 federal decennial census data; "equalized 
valuation per pupil" and "general fund tax levy per pupil" shall be as 
determined by the commissioner for the school year 2003-04; and 
"concentration of low income pupils" shall be as defined in section 3 of 
P.L.1996, c.138 (C.18A:7F-3), except that the ASSA data shall be as of 
October 2003. Any amount remaining in this account after distribution is 
made pursuant to these criteria shall be distributed by the commissioner to 
school districts meeting substantially similar circumstances.

Notwithstanding any other law to the contrary, as a condition of receiving 
discretionary Education Opportunity Aid (PTRF), an "Abbott district" shall 
examine all available group options for every insurance policy held by the 
district, including any self-insurance plan administered by the New Jersey 
School Boards Association Insurance Group on behalf of districts, and shall 
participate in the most cost effective plans. As a further condition, all "Abbott 
districts" shall take steps to maximize the district's participation in the federal 
Universal Service Program (E-rate) and the ACT telecommunications program 
offered through the New Jersey Association of School Business Administrators, 
shall participate in the ACES energy program offered through the New Jersey 
School Boards Association unless a district can demonstrate that it receives the 
goods or services at a cost less than or equal to the cost achieved by participants, 
and shall take appropriate steps to maximize the district's participation in the 
Special Education Medicaid Initiative (SEMI) program, with maximum 
participation defined by the Commissioner of Education and shall refinance all 
outstanding debt for which a three percent net present value savings threshold 
is achievable. An "Abbott district" that fails to meet any of these requirements 
may have its award of discretionary Education Opportunity Aid (PTRF) 
reduced by the approximate amount of potential savings and/or increased 
federal funding as determined by the Commissioner of Education. The 
commissioner is authorized to establish any additional condition on the 
disbursement of discretionary Education Opportunity Aid (PTRF) that the 
commissioner deems appropriate to ensure the effective and efficient spending 
in the "Abbott districts."

Notwithstanding any provision of law to the contrary, of the amount appropriated 
hereinafter for Additional Formula Aid (PTRF), $1,000,000 shall be 
allocated to any "non-Abbott" school district that enrolled less than 50 percent 
of the district's resident school aged population as measured in the 2000 
Decennial Census and whose local share calculated pursuant to section 14 of

Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 2005 are appropriated for payments to providers in the same program class from which the recovery originated.

The Division of Medical Assistance and Health Services in the Department of Human Services and the Department of Health and Senior Services, subject to federal approval, shall implement policies that would limit the ability of persons...
who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Department of Health and Senior Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Department of Health and Senior Services to fund the costs of enhanced audit recovery efforts of the department within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law to the contrary, effective July 1, 2004, reimbursement for nursing facility services, which are funded hereinafore in the Payments for Medical Assistance Recipients - Nursing Homes account, shall be 90% of the per diem rate when a Medicaid beneficiary is hospitalized. These payments shall be limited to the first 10 days of the hospitalization. Medicaid reimbursement for nursing facility services shall be discontinued beyond the 10th day of the hospitalization.

The funds appropriated hereinafore for Payments for Medical Assistance Recipients - Medicaid High Occupancy - Nursing Homes shall be distributed for patient services among those nursing homes where the Medicaid patient day occupancy level is at or above 75%. Each such facility shall receive its distribution through a prospective per diem rate adjustment according to the following formula: E = A Medicaid days / T Medicaid days x F; where E is the entitlement for a specific nursing home resulting from this allocation; A Medicaid days is an individual nursing home's reported Medicaid days on June 30, 2004; T Medicaid days is the total reported Medicaid days for all affected nursing homes; and F is the total amount of State and federal funds to be distributed. No nursing home shall receive a total allocation greater than the amount lost, due to adjustments in Medicaid reimbursement methodology, which became effective April 1, 1995. Any balances remaining undistributed, from the abovementioned amount, shall be deposited in a reserve account in the General Fund.

All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the General Medical Services program classification, excluding the Children’s Behavioral Health Services and Children’s Behavioral Health Services-Residential accounts, shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

For the purposes of account balance maintenance, the Children’s Behavioral Health Services and Children’s Behavioral Health Services-Residential accounts shall be considered as one object. Notwithstanding any law to the contrary, the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations.

In addition to the amounts hereinabove for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ KidCare program (Children’s Health Care Coverage Program) established in P.L.1997, c.272 (C.30:4F-1 et seq.).

When any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance for the Aged program is eliminated.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 2004 are appropriated for payments to providers in the same program class from which the recovery originated.

The amount appropriated hereinabove for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding any other law to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and
Management accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary and subject to federal approval, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 CFR 447.205, of the amount hereinabove for Payments for Medical Assistance Recipients - Personal Care, personal care assistant services shall be limited to no more than 25 hours per week.

The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources which is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan as shall be submitted by the Commissioner of Human Services.

The Division of Medical Assistance and Health Services is empowered to competitively bid and contract for performance of federally mandated inpatient hospital utilization reviews, and the funds necessary for the contracted utilization review of these hospital services are made available from the Payments for Medical Assistance Recipients-Inpatient Hospital account, subject to the approval of the Director of the Division of Budget and Accounting.

Such sums as may be necessary are available from the Health Care Subsidy Fund to supplement Payments for Medical Assistance Recipients-Inpatient Hospital, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any other laws to the contrary, State funding for the New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as of July 1, 2001, or at such later date as shall be established by the Commissioner of Human Services.

Notwithstanding any law to the contrary, a New Jersey major teaching acute medical/surgical care hospital that has been recognized by the State Medicaid program as an eligible non-State owned or operated government facility shall be eligible to receive an enhanced payment as appropriated in the Payments for Medical Assistance Recipients-Inpatient Hospital program for providing inpatient and outpatient services to Medicaid and NJ FamilyCare fee-for-service beneficiaries. Effective July 1, 2004, interim payments shall be made in equal monthly lump sum amounts, based on an estimate of the total enhanced amount
payable to a qualifying hospital, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the NJ FamilyCare program benefit service packages, premium contributions, copayment levels, enrollment levels, and any other program features or operations may be modified as the Commissioner of Human Services deems necessary based upon a plan approved by the Director of the Division of Budget and Accounting to ensure that monies expended for the NJ FamilyCare program do not exceed the amount appropriated hereunder.

Notwithstanding any provision of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), to the contrary, the Commissioner of Human Services shall adopt immediately upon filing with the Office of Administrative Law such regulations as the Commissioner deems necessary to ensure that monies expended for the NJ FamilyCare program do not exceed the amount appropriated hereunder. Such regulation may change or adjust the financial and non-financial eligibility requirements for some or all of the applicants or beneficiaries in the program, the benefits provided, cost-sharing amounts, or may suspend in whole or in part the processing of applications for any or all categories of individuals covered by the program.

Notwithstanding any other law to the contrary, those hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment as appropriated hereinabove in the Payments for Medical Assistance Recipients-Inpatient Hospital program shall receive enhanced payments from the Medicaid program for providing services to Medicaid and NJ FamilyCare beneficiaries. The total payments shall not exceed the amount appropriated and shall be allocated among hospitals proportionately based on the amount of HRSF payments (excluding any adjustments to the HRSF for other Medicaid payment increases). Effective July 1, 2004, interim payments shall be made from the Hospital Relief Offset Payment account, based on an estimate of the total enhanced amount payable to a qualifying hospital, and subject to cost settlement. The enhanced payment, determined at cost settlement, will be an amount approved by the Director of the Division of Budget and Accounting per Medicaid patient day, adjusted by a volume variance factor (the ratio of expected Medicaid inpatient days to actual Medicaid inpatient days for the rate year) and an HRSF factor (the ratio of the hospital’s HRSF payments to total HRSF payments) and subject to a pro rata adjustment so that the total enhanced per diem amounts are equivalent to the total State and federal funds appropriated not to exceed an amount to be approved by the Director of the Division of Budget and Accounting. The total of these payments shall be reduced by an amount equal to any increase in Medicaid and NJ FamilyCare fee-for-service payments to New Jersey hospitals enacted herein or subsequent to this legislation.

Notwithstanding any other law to the contrary for those hospitals that qualify for a Hospital Relief Subsidy Fund payment, the State Medicaid program shall reimburse those hospitals Graduate Medical Education outpatient payments up to the amount the hospital would have received under Medicare principles of reimbursement for Medicaid and NJ FamilyCare fee-for-service beneficiaries.
Effective July 1, 2004, payments shall be made from and are appropriated hereinabove in the Hospital Relief Offset Payment account, and shall be based on the qualifying hospitals' first finalized 1996 cost reports. The amount that the qualifying hospital would otherwise be eligible to receive from the Hospital Relief Subsidy Fund shall be reduced by the amount of this Graduate Medical Education outpatient payment. The total amount of these payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds. In no case shall these payments and all other enhanced payments related to those services primarily used by Medicaid and NJ FamilyCare beneficiaries that the hospital receives exceed the amount the hospital would otherwise have been eligible to receive from the Hospital Relief Subsidy Fund in the State fiscal year.

Of the amounts appropriated in State and federal funds in the Hospital Relief Offset Payment accounts in the Department of Human Services, Division of Medical Assistance and Health Services, such sums as may be necessary shall be transferred to the Hospital Relief Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160 (C26:2H-18.51 et seq.) to maximize federal revenues related to these accounts and maintain an appropriate level of hospital payments, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2004, the following provisions shall apply to the dispensing of prescription drugs through the General Assistance Medical Services account:

(a) all Maximum Allowable Cost (MAC) drugs dispensed shall state "Brand Medically Necessary" in the prescriber's own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs; and (b) each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.). The list of drugs substituted shall conform to all requirements pertaining to drug substitution and federal upper limits for MAC drugs as administered by the State Medicaid program.

Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Clinic, an amount not to exceed $1,900,000 is allocated for limited prenatal medical care provided by clinics, or in the case of radiology and clinical laboratory services ordered by a clinic, for New Jersey pregnant women who, except for financial requirements, are not eligible for any other State or federal health insurance program.

Notwithstanding any State law to the contrary, but subject to any necessary federal approval and/or change in federal law, receipt of such rewards shall not affect an applicant’s individual financial eligibility for the programs administered by DMAHS, or for PAAD or Work First New Jersey General Public Assistance programs.

The Division of Developmental Disabilities is authorized to transfer funds from the Dental Program for Non-Institutionalized Children account to the Division of
Medical Assistance and Health Services, in proportion to the number of program participants who are Medicaid eligible.

Excess State funds realized by federal involvement through Medicaid in the Dental Program for Non-Institutionalized Children are committed for the program's support during the subsequent fiscal year, rather than for expansion.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Amounts that become available as a result of the return of persons from private institutional care placements, including in-State and out-of-State placements, shall be available for transfer to community and community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Skill development homes cost recoveries during the fiscal year ending June 30, 2005, not to exceed $12,500,000, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

The total amount appropriated in the Community Services Waiting List Reduction Initiatives - FY2001, FY2002 and the Community Transition Initiative - FY2002 and the Community Nursing Care Initiative - FY2002 accounts are available for transfer to community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of Title 30 of the Revised Statutes or any other law or regulation to the contrary, the Director of the Division of Developmental Disabilities is authorized to waive statutory, regulatory, or licensing requirements in the use of funds appropriated hereinabove for the implementation of a self-determination pilot program including participants from the Community Services Waiting List Reduction Initiatives - FY1997 through FY2002, subject to the approval of a plan by the Director of the Division of Developmental Disabilities, which will allow an individual to be removed from the waiting list. This waiver also applies to those persons identified as part of the Community Transition Initiative - FY2001 and FY2002 and the Community Nursing Care Initiative - FY2002 who choose self-determination.

Cost recoveries from developmentally disabled patients and residents collected during the fiscal year ending June 30, 2005, not to exceed $5,500,000, are appropriated for the continued operation of the Group Homes program, and an additional amount, not to exceed $20,000,000, is appropriated for Community Services Waiting List Reduction Initiatives, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary, the State Treasurer, in consultation with the Commissioner of Human Services, may transfer, pursuant to the terms and conditions the State Treasurer deems to be in the best interest of the State, the operation, care, custody, maintenance and control of State-owned buses utilized for transportation of clients of the Adult Activity Centers funded from appropriations in the Adult Activities program classification in the Division of
Developmental Disabilities to any party under contract with the Department of Human Services to operate an Adult Activity Center. That transfer shall be for a time to run concurrent with the contract for the operation of the Adult Activity Center. That transfer as a non-cash award, and in conjunction with a cash appropriation, shall complete the terms of any contract with the Department of Human Services for the operation of the Adult Activity Center. Upon termination of any contract for the operation of an Adult Activity Center, the operation, care, custody, maintenance and control of the State-owned buses shall revert to the State. The State Treasurer shall execute any agreements necessary to effectuate the purpose of this provision.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to State Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan to be submitted by the Commissioner of Human Services. Notwithstanding any other law to the contrary, only the federal share of funds anticipated from these assessments shall be available to the Department of Human Services for the purposes set forth in P.L.1998, c.40 (C.30:6D-43 et seq.).

From the amounts appropriated hereinabove for the Community Services Waiting List Reduction Initiative - FY2002 and the Community Transition Initiative - FY2002 accounts, such funds as are necessary may be transferred to various administrative accounts as required, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary, expenditures of federal Community Care Waiver funds received for community-based programs in the Division of Developmental Disabilities are limited to $205,768,000. Federal funding received above this level must be approved by the Director of the Division of Budget and Accounting in accordance with a plan submitted by the Department of Human Services.

In order to permit flexibility in the handling of appropriations and assure timely payment of provider services, funds may be transferred within the Grants-in-Aid accounts in the Division of Developmental Disabilities, subject to the approval of the Director of the Division of Budget and Accounting.

The amount appropriated for Vocational Rehabilitation Services/Extended Employment Program from the Community Care Waiver will become available pending approval from the Center for Medicare and Medicaid Services (CMS), completion of necessary systems and program changes, in accordance with a Memorandum of Understanding between the Commissioners of the Department of Human Services and Labor.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Cost recoveries from skill development homes during the fiscal year ending June 30, 2005, not to exceed $12,500,000, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.
Cost recoveries from developmentally disabled patients and residents, collected during the fiscal year ending June 30, 2005, not to exceed $5,500,000, are appropriated for the continued operation of the Group Homes program, and an additional amount, not to exceed $20,000,000, is appropriated for Community Services Waiting List Reduction Initiatives, subject to the approval of the Director of the Division of Budget and Accounting.

Welfare boards shall pay the amount assessed.

There is appropriated an amount equal to the difference between actual revenue loss reflected in the Earned Income Tax Credit program and the amount anticipated as the revenue loss from the Earned Income Tax Credit to meet federal Maintenance of Effort requirements to allow the Department of Human
Services to comply with the Maintenance of Effort requirements as specified in the federal "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," Pub.L.104-193, and as legislatively required by the Work First New Jersey program established pursuant to section 4 of P.L.1997, c.38 (C.44:10-58), subject to the approval of the Director of the Division of Budget and Accounting.

From the amounts appropriated from the revenues and other funds of the New Jersey Transportation Trust Fund Authority for fiscal year 2005 transportation capital program, the Commissioner of Transportation shall allocate $4,000,000 of the amount listed for the Private Carrier Equipment Program to NJ Transit's Private Carrier Capital Improvement Program (PCCIP). The amount provided herein shall be allocated to the private motorbus carriers consistent with the formula used to administer the PCCIP and shall be restricted to those carriers that currently qualify for participation in the PCCIP. These funds may be used for the procurement of any goods or services currently approved under NJ Transit's PCCIP, as well as: facility improvements, vehicle procurement, and capital maintenance that comports with subsection t. of section 3 of P.L. 1984, c.73 (C.27:1B-3). Such maintenance and equipment procurements shall apply to vehicles owned by the private motorbus carriers and used in public transportation service, as well as to NJ Transit owned vehicles. Private motorbus carriers receiving an allocation of such funds shall be required to submit to NJ Transit a full accounting for all expenditures, demonstrating that the funds were used to increase or maintain the current level of public transportation service provided by the carrier or to improve revenue vehicle maintenance. Under no circumstances shall these funds be used to provide compensation of any office holder or owner or a private motorbus carrier.

The unexpended balances as of June 30, 2004 of appropriations from the New Jersey Transportation Trust Fund Authority are appropriated.

Notwithstanding the provisions of subsection d. of section 21 of P.L.1984, c.73 (C.27:1B-21), in order to provide the department with flexibility in administering the appropriations identified, the Commissioner may transfer funds among projects within the same general program heading subject to the approval of the Director of the Division of Budget and Accounting. The Commissioner shall apply to the Director of the Division of Budget and Accounting for permission to transfer funds among projects within different program headings. If the Director of the Division of Budget and Accounting shall consent thereto, the request to transfer funds among projects within different program headings shall be transmitted to the Legislative Budget and Finance Officer for approval or disapproval then returned to the Director of the
Division of Budget and Accounting. The Joint Budget Oversight Committee or its successor shall be empowered to review all transfers submitted to the Legislative Budget and Finance Officer and may direct said Legislative Budget and Finance Officer to approve or disapprove any transfer. Notwithstanding any other provisions of law, the Commissioner of Transportation, upon approval of the Director of the Division of Budget and Accounting, may transfer funds made available from the New Jersey Transportation Trust Fund Authority for public transportation projects under the program headings "New Jersey Transit Corporation" to the line-item under that same program heading entitled "Federal Transit Administration Projects" for any federally funded public transportation project shown in this act or any previous appropriation acts until such time as federal funds become available for the projects. Subject to the receipt of federal funds, the Transportation Trust Fund shall be reimbursed for all the monies that were transferred to advance Federal Transit Administration projects. Any transfer of funds which returns funds from the line-item "Federal Transit Administration Projects" to the account of origin shall be deemed approved.

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required; for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate
authorities or districts; "discretion" refers to any action in which an agency may
determine either the amount of funds to be allocated or the recipient of the
allocation; and "grants" refers to one-time, or time limited awards, which are
received pursuant to submission of a grant application in competition with other
grant applications.

The unexpended balances of federal funds as of June 30, 2004 are continued for the
same purposes. The Director of the Division of Budget and Accounting shall
inform the Legislative Budget and Finance Officer by November 1, 2004 of any
unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget
and Appropriations Committee and the Assembly Appropriations Committee,
or their successors, by March 1, 2005, reports on proposed expenditures during
fiscal year 2005 for the following federal programs: the alcohol, drug abuse and
mental health block grant; the education block grant; the community services
block grant; the jobs training partnership block grant; the low income energy
assistance block grant; the maternal and child health block grant; the preventive
health and health services block grant; the small cities block grant; the social
services block grant; and the child care block grant. These reports shall account
for all federal, State and local funds which are anticipated to be expended on
block grant programs, shall provide an accounting of block grant expenditures
during the prior fiscal year, and shall provide a detailed list of contracts awarded
to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and
Accounting is empowered to approve payments to liquidate any unrecorded
liabilities for materials delivered or services rendered in prior fiscal years, upon
the written recommendations of any department head or the department head’s
designated representative. The Director of the Division of Budget and
Accounting shall reject any recommendations for payment which the director
deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson
-Bergen Light Rail Transit System is hereby appropriated, to the extent
necessary, to pay the principal of and interest on the grant anticipation notes
issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely
payment of claims to providers of medical services, amounts may be transferred
to and from the various items of appropriation within the General Medical
Services program classification, and within the federal matching funding, in the
Division of Medical Assistance and Health Services in the Department of
Human Services, and within the Medical Services for the Aged program
classification, and within the federal matching funding, in the Division of
Senior Services in the Department of Health and Senior Services, subject to the
approval of the Director of the Division of Budget and Accounting. Notice
thereof shall be provided to the Legislative Budget and Finance Officer on the
effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the
contrary, any purchase by the State or by a State agency or local government
unit of equipment, goods or services related to homeland security and domestic
preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in this fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State Administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases.

Grand Total Appropriation, All Funds ........ $27,178,868,273

2. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget and Finance Officer, private contributions, revolving funds and dedicated funds received, receivable or estimated to be received for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein, and the unexpended balances as of June 30, 2004 of such funds, subject to the approval of the Director of the Division of Budget and Accounting.

3. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 2004 of such sums; sums received by any State
department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

6. There are appropriated such sums as may be required to pay interest liabilities to the federal government as required by the Treasury/State agreement pursuant to the provisions of the Cash Management Improvement Act of 1990, Pub.L.101-453 (31 U.S.C. s.6501 et seq.), subject to the approval of the Director of the Division of Budget and Accounting.

7. There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds such sums as may be necessary for the State to comply with the federal “Tax Reform Act of 1986,” Pub.L.99-514 (26 U.S.C. s.1 et seq.), which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

8. There are appropriated from the General Fund, subject to the approval of the Director of the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average rate of earnings during the fiscal year from the State’s general investments, to those bond funds that have borrowed money from the General Fund or other bond funds and that have insufficient resources to accrue and pay the interest expense on such borrowing.

9. In addition to the amounts appropriated hereinabove, such additional sums as may be necessary are appropriated to fund the costs of the collection of debts, taxes and other fees and charges owed to the State, including but not limited to the services of auditors and attorneys and enhanced compliance programs, subject to the approval of the Director of the Division of Budget and Accounting.

10. There is appropriated $11,600,000 from the Legal Services Trust Fund established pursuant to section 6 of P.L.1996, c.52 (C.22A:2-51), for transfer to the General Fund as State revenue to fund the following programs: $8,000,000 for Legal Services of New Jersey grant, $3,000,000 for ten additional judgeships in the Judiciary, and $600,000 for Clinical Legal Programs for the Poor at the Rutgers-Camden Law School, the Rutgers-Newark Law School and Seton Hall Law School.
11. The unexpended balances as of June 30, 2004 in the accounts of the several departments and agencies heretofore appropriated or established in the category of Additions, Improvements and Equipment are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

12. The unexpended balances as of June 30, 2004 in the Capital Construction accounts for all departments and agencies are appropriated.

13. Unless otherwise provided, balances remaining as of June 30, 2004 in accounts of appropriations enacted subsequent to April 1, 2004 are appropriated.

14. The unexpended balances as of June 30, 2004 in accounts that are funded by Interfund Transfers are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

15. Notwithstanding any other provisions in this act or the provisions of any other law to the contrary, no unexpended balances as of June 30, 2004 are appropriated without the approval of the Director of the Division of Budget and Accounting, except that the Legislative Branch of State government shall be exempt from this provision. The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

16. The administrative costs of the Special Education Medicaid Initiative and the Early Periodic Screening, Diagnosis and Treatment (EPSDT) program, including the participation of a consultant, are appropriated and shall be paid from the revenue received, subject to the approval of the Director of the Division of Budget and Accounting.

17. The following transfer of appropriations rules are in effect for fiscal year 2005:
   a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:
      (1) Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;
(2) Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account, as defined by major object 6, within an item of appropriation, from or to a different item of appropriation;

(3) Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

(4) Requests for the transfer of State funds, in amounts greater than $50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

(5) Requests for the transfer of federal funds, in amounts greater than $300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;

(6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. 5. As used in this section, "cost of living" means the CPI as defined in section 3 of P.L.1996, c.138 (C.18A:7F-3).
   a. Biennially, within 30 days following the approval of the Report on the Cost of Providing a Thorough and Efficient Education, the commissioner shall notify each district of the T&E amount, the T&E flexible amount, the T&E range, early childhood program amount, demonstrably effective program amount, instructional supplement amount, and categorical amounts per pupil for the subsequent two fiscal years.
   Annually, within two days following the transmittal of the State budget message to the Legislature by the Governor pursuant to section 11 of
P.L.1944, c.112 (C.52:27B-20), the commissioner shall notify each district of the maximum amount of aid payable to the district in the succeeding school year pursuant to the provisions of this act, and shall notify each district of the district's T&E budget, maximum T&E budget, and minimum permissible T&E budget for the succeeding school year.

Beginning in the 1998-99 school year, unless otherwise specified within this act, aid amounts payable for the budget year shall be based on budget year pupil counts, which shall be projected by the commissioner using data from prior years. Adjustments for the actual pupil counts of the budget year shall be made to State aid amounts payable during the school year succeeding the budget year. Additional amounts payable shall be reflected as revenue and an account receivable for the budget year.

Notwithstanding any other provision of this act to the contrary, each district's State aid payable for the 1997-98 school year, with the exception of transportation and facilities aids pursuant to sections 25, 26, and 27 of this act, shall be based on simulations employing the various formulas and State aid amounts contained in this act using projections based on the October 1995 pupil counts, December 1995 special education census data and October 1995 equalized valuations. Transportation aid shall be calculated based on the provisions of this act using pupil data used for the 1996-97 school year and adjusted to reflect the total amount of State aid disbursed in the 1996-97 school year. The commissioner shall prepare a report dated December 19, 1996 reflecting the State aid amounts payable by category for each district and shall submit the report to the Legislature prior to the adoption of this act. The amounts contained in the commissioner's report shall be the final amounts payable and shall not be subsequently adjusted because of changes in pupil counts or equalized valuations. The projected pupil counts and equalized valuations used for the calculation of State aid shall also be used for the calculation of maximum T&E budget, minimum T&E budget, local share, required local share, and spending growth limitation. State aid notification of debt service aid pursuant to section 27 of this act shall include a statement that debt service aid shall be determined in the budget.

Any school district which enrolls students who reside on federal property which were not included in the calculation of core curriculum standards aid for 1997-98 shall have its core curriculum standards aid recalculated for these additional enrollments through the 1997-98 school year using the property value multiplier, income value multiplier, equalized valuation, and district income which were used in the original Statewide calculation of core curriculum standards aid. The additional aid resulting from the recalculations shall be divided by 20 and the product shall be added to each of the remaining core curriculum standards aid payments for the 1997-98 school year. Additionally, the core curriculum standards aid calculation and pay-
ment schedule for 1998-99 shall be adjusted for such enrollments arriving after the last school day prior to October 16, 1997.

b. Each district shall have a required local share. For Abbott districts, the required local share for the purpose of determining its estimated minimum equalized tax rate and supplemental core curriculum standards aid shall equal the district’s local share calculated at the middle of the T&E range (T&E amount x WENR, where WENR is the district’s weighted enrollment pursuant to section 13 of this act).

Notwithstanding the above provision, no Abbott district shall raise a general fund tax levy which is less than the prior year general fund tax levy unless the sum of the levy and the other components of the T&E program budget equals or exceeds its maximum T&E budget calculated pursuant to section 13 of this act.

For district factor group A districts, the required local share shall equal the district’s local share calculated at its minimum T&E budget pursuant to section 13 of this act.

For all other districts, the required local share shall equal the lesser of the local share calculated at the district’s minimum T&E budget pursuant to section 13 of this act, or the district’s budgeted local share for the prebudget year.

In order to meet this requirement, each district shall raise a general fund tax levy which, when added to the general fund balance designated for the budget year, miscellaneous local general fund revenues estimated consistent with GAAP to be realized during the budget year, supplemental core curriculum standards aid calculated pursuant to section 17 of this act and stabilization aid and supplemental school tax reduction aid calculated pursuant to section 10 of this act, equals its required local share or, for Abbott districts, the amount required when the calculation of required local share would result in a general fund tax levy which is less than the general fund tax levy of the prebudget year. For 1997-98, the budgeted local share for the prebudget year shall be the district’s general fund tax levy.

For the 1997-98 school year, any tax increase which would be required of an Abbott district or district factor group A district to meet its required local share, after consideration of supplemental core curriculum standards aid, stabilization aid, and supplemental school tax reduction aid shall be fully funded by the State and recorded as supplemental core curriculum standards aid. The commissioner, in consultation with the Commissioner of the Department of Community Affairs and the Director of the Division of Local Government Services in the Department of Community Affairs, shall examine the fiscal ability of the Abbott districts and the district factor group A districts eligible for supplemental core curriculum standards aid to absorb any reduction in such aid and shall make recommendations to the Legislature.
and the Governor regarding the continuation of supplemental core curriculum standards aid to those districts. In making those recommendations, the commissioner shall consider the ratable base of the municipality or municipalities in which the district is located, the tax burden placed upon the local community due to other required municipal services, and the fiscal ability of the school district to raise its required local share. The commissioner shall not implement any of those recommendations until the recommendations are enacted into law.

No municipal governing body or bodies or board of school estimate, as appropriate, shall certify a general fund tax levy which does not meet the required local share provisions of this section.

c. Annually, on or before March 4, each district board of education shall adopt, and submit to the commissioner for approval, together with such supporting documentation as the commissioner may prescribe, a budget that provides no less than the minimum permissible T&E budget, plus categorical amounts required for a thorough and efficient education as established pursuant to the report, special revenue funds and debt service funds.

Notwithstanding any provision of this section to the contrary, for the 2005-2006 school year each district board of education shall submit a proposed budget in which the advertised per pupil administrative costs do not exceed the lower of the following:

1. the district's advertised per pupil administrative costs for the 2004-2005 school year inflated by the cost of living or 2.5 percent, whichever is greater; or

2. the per pupil administrative cost limits for the district's region as determined by the commissioner based on audited expenditures for the 2003-2004 school year.

The county superintendent of schools may disapprove the school district's 2005-2006 proposed budget if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district. The county superintendent shall work with each school district in the county during the 2004-2005 school year to identify administrative inefficiencies in the operations of the district that might cause the superintendent to reject the district's proposed 2005-2006 school year budget.

For the 2006-2007 school year and each school year thereafter, each district board of education shall submit a proposed budget in which the advertised per pupil administrative costs do not exceed the lower of the following:

1. the district's prior year per pupil administrative costs; except that the district may submit a request to the commissioner for approval to exceed the district's prior year per pupil administrative costs due to increases in enrollment, administrative positions necessary as a result of mandated programs,
administrative vacancies, nondiscretionary fixed costs, and such other items as defined in accordance with regulations adopted pursuant to section 7 of P.L.2004, c.73. In the event that the commissioner approves a district's request to exceed its prior year per pupil administrative costs, the increase authorized by the commissioner shall not exceed the cost of living or 2.5 percent, whichever is greater; or

(2) the prior year per pupil administrative cost limits for the district's region inflated by the cost of living or 2.5 percent, whichever is greater.

d. (1) A district proposing a budget which includes spending which exceeds the maximum T&E budget established pursuant to section 13 of this act shall submit, as appropriate, to the board of school estimate or to the voters of the district at the annual school budget election conducted pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of its net budget does not exceed the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of the cost of living or 2.5 percent, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expenditures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, expenditures incurred in connection with the opening of a new school facility during the budget year, and special education costs per pupil in excess of $40,000. The adjustment for special education costs shall equal any increase in the sum of per pupil amounts in excess of $40,000 for the budget year less the sum of per pupil amounts in excess of $40,000 for the prebudget year indexed by the cost of living or 2.5 percent, whichever is greater. The adjustment for enrollments shall equal the increase in unweighted resident enrollments between the prebudget year and budget year multiplied by the per pupil general fund tax levy amount for the prebudget year indexed by the cost of living or 2.5 percent, whichever is greater. The adjustment for capital outlay shall equal any increase between the capital outlay portion of the general fund budget for the budget year less any withdrawals from the capital reserve account and the capital outlay portion of the general fund budget for the prebudget year indexed by the cost of living or 2.5 percent, whichever is greater. Any district with a capital outlay adjustment to its spending growth limitation shall be restricted from transferring any funds from capital outlay accounts to current expense accounts. The adjustment for capital outlay shall not become part of the prebudget year net budget for purposes of calculating the spending growth limitation of the subsequent year. The adjustment for pupil transportation costs provided pursuant to N.J.S.18A:39-1.1 shall equal any increase between the cost of providing such pupil transportation services for the budget year and the cost of providing such pupil transportation services for the prebudget year in-
dexed by the cost of living or 2.5 percent, whichever is greater. The adjustment for the opening of a new school facility shall include costs associated with the new facility related to new teaching staff members, support staff, materials and equipment, custodial and maintenance expenditures, and such other required costs as determined by the commissioner.

(2) A district proposing a budget set at or below the minimum T&E budget established pursuant to section 13 of this act shall submit, as appropriate, to the board of school estimate or to the voters of the district at the annual school budget election conducted pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of the net T&E budget shall not exceed the prebudget year net T&E budget or in 1997-98 the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of the cost of living or 2.5 percent, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expenditures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, expenditures incurred in connection with the opening of a new school facility during the budget year, and special education costs per pupil in excess of $40,000. The enrollment adjustment shall equal the increase in weighted resident enrollment between the prebudget year and the budget year multiplied by the T&E amount less the T&E flexible amount. The adjustments for special education costs, pupil transportation services, and capital outlay expenditures shall be calculated pursuant to the provisions of paragraph (1) of this subsection. The adjustment for the opening of a new school facility shall include costs associated with the new facility related to new teaching staff members, support staff, materials and equipment, custodial and maintenance expenditures, and such other required costs as determined by the commissioner.

Notwithstanding the provisions of this paragraph, no district shall raise a net budget which is less than the local share required under the required local share provisions of this act plus the other components of its net budget.

(3) A district proposing a budget set at or below the maximum T&E budget, but including amounts in excess of the minimum T&E budget established pursuant to section 13 of this act, shall submit, as appropriate, to the board of school estimate or to the voters at the annual school budget election conducted pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of its net T&E budget does not exceed the prebudget year net T&E budget or in 1997-98 the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of the cost of living or 2.5 percent, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expendi-
tures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, expenditures incurred in connection with the opening of a new school facility during the budget year, and special education costs per pupil in excess of $40,000 per pupil. The enrollment adjustment shall equal the increase in the unweighted resident enrollment between the prebudget year and the budget year multiplied by the prebudget year T&E program budget per pupil indexed by the cost of living or 2.5 percent, whichever is greater. For the 1997-98 school year, the T&E program budget for the prebudget year shall equal the sum of the general fund tax levy, foundation aid, and transition aid. The adjustment for special education costs, pupil transportation services, and capital outlay expenditures shall be made pursuant to the provisions of paragraph (1) of this subsection. The adjustment for the opening of a new school facility shall include costs associated with the new facility related to new teaching staff members, support staff, materials and equipment, custodial and maintenance expenditures, and such other required costs as determined by the commissioner.

(4) Any debt service payment made by a school district during the budget year shall not be included in the calculation of the district's spending growth limitation.

(5) For the 1997-98 school year, a district's spending growth limitation shall be increased by the excess of county special services school district tuition over prebudget year county special services school district tuition indexed by the CPI or three percent, whichever is greater.

(6) For the purpose of determining a district's spending growth limitation for the 1997-98 school year, a district may apply to the commissioner to add all or a part of the district's original designated general fund balance for 1996-97 to the spending growth limitation if it can demonstrate through current accounting records and historical trend data that the fund balance will actually be spent in the budget year.

(7) (Deleted by amendment, P.L.2004, c.73).

(8) If an increase in tuition for the budget year charged to a sending district by the receiving district pursuant to the provisions of N.J.S.18A:38-19 would reduce the sending district's per pupil net budget amount below the prior year's per pupil net budget amount in order to comply with the district's spending growth limitation, the district may apply to the commissioner for an adjustment to that limitation.

(9) Any district may submit at the annual school budget election a separate proposal or proposals for additional funds, including interpretive statements, specifically identifying the program purposes for which the proposed funds shall be used, to the voters, who may, by voter approval, authorize the raising of an additional general fund tax levy for such purposes. In the case of a district with a board of school estimate, one proposal for the
additional spending shall be submitted to the board of school estimate. Any proposal or proposals submitted to the voters or the board of school estimate shall not: include any programs and services that were included in the district's prebudget year net budget unless the proposal is approved by the commissioner upon submission by the district of sufficient reason for an exemption to this requirement; or include any new programs and services necessary for students to achieve the thoroughness standards established pursuant to subsection a. of section 4 of P.L.1996, c.138 (C.18A:7F-4).

The county superintendent of schools may prohibit the submission of a separate proposal or proposals to the voters or board of school estimate if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district, which efficiencies would eliminate the need for the raising of additional general fund tax levy.

Any proposal or proposals rejected by the voters shall be submitted to the municipal governing body or bodies for a determination as to the amount, if any, that should be expended notwithstanding voter rejection. The decision of the municipal governing body or bodies or board of school estimate, as appropriate, shall be final and no appeals shall be made to the commissioner.

(10) Notwithstanding any provision of law to the contrary, if a district proposes a budget which exceeds the maximum T&E budget, the following statement shall be published in the legal notice of public hearing on the budget pursuant to N.J.S.18A:22-28, posted at the public hearing held on the budget pursuant to N.J.S.18A:22-29, and printed on the sample ballot required pursuant to section 10 of P.L.1995, c.278 (C.19:60-10):

"Your school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district."

(11) Any reduction that may be required to be made to programs and services included in a district's prebudget year net budget in order for the district to limit the growth in its budget between the prebudget and budget years by its spending growth limitation as calculated pursuant to this subsection, shall only include reductions to excessive administration or programs and services that are inefficient or ineffective.

e. (1) Any general fund tax levy rejected by the voters for a proposed budget in excess of the maximum T&E budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination of the amount that should be expended. If the governing body or bodies or board
of school estimate, as appropriate, reduce the district's proposed net budget, the district may appeal any of the reductions to the commissioner on the grounds that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall consider enrollment increases or decreases within the district; the history of voter approval or rejection of district budgets; the impact on the local levy; and whether the reductions will impact on the ability of the district to fulfill its contractual obligations. A district may not appeal any reductions on the grounds that the amount is necessary for a thorough and efficient education.

(2) Any general fund tax levy rejected by the voters for a proposed budget at or below the maximum T&E budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination. Any reductions may be appealed to the commissioner on the grounds that the amount is necessary for a thorough and efficient education or that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection.

In the case of a school district in which the proposed budget is below, or after a reduction made by the municipal governing body or board of school estimate is below, the minimum T&E budget calculated pursuant to section 13 of this act, any reductions made by the municipal governing body or board of school estimate shall be automatically reviewed by the commissioner. In reviewing the budget, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection. In addition, the municipal governing body or board of school estimate shall be required to demonstrate clearly to the commissioner that the proposed budget reductions shall not adversely affect the ability of the school district to provide a thorough and efficient education or the stability of the district given the need for long term planning and budgeting.

(3) In lieu of any budget reduction appeal provided for pursuant to paragraphs (1) and (2) of this subsection, the State board may establish pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an expedited budget review process based on a district's application to the commissioner for an order to restore a budget reduction.

(4) When the voters, municipal governing body or bodies, or the board of school estimate authorize the general fund tax levy, the district shall submit the resulting budget to the commissioner within 15 days of the action
of the voters or municipal governing body or bodies, whichever is later, or of the board of school estimate as the case may be.

f. Any district which is not an Abbott district but which was classified as a special needs district under the "Quality Education Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), may appeal any budget reduction made by the municipal governing body or board of school estimate, as appropriate, to the commissioner.

g. The commissioner shall annually review the budget of any district which was classified as a special needs district under the "Quality Education Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), to determine if any educationally meritorious program or service established through State resources provided as a result of that funding law is proposed to be reduced or eliminated. If the commissioner determines that the program or service is in jeopardy and that a reallocation of resources is possible without jeopardizing other educationally meritorious programs or services, he may require the school board to fund the program or service through a reallocation of resources.

2. Section 36 of P.L.2000, c.126 (C.18A:7F-5a) is amended to read as follows:

C.18A:7F-5a Inclusion of certain amounts in future school district budget.

36. a. Notwithstanding any provision of P.L.1996, c.138 (C.18A:7F-1 et seq.) to the contrary and except as otherwise provided pursuant to subsection b. of this section, any school district which increases its net budget between the prebudget and budget years in an amount less than that authorized pursuant to subsection d. of section 5 of P.L.1996, c.138 (C.18A:7F-5), shall be permitted to include the amount of the difference between its actual net budget and its permitted net budget in either of the next two succeeding budget years; except that beginning with any difference in the 2004-2005 budget year and any difference in a subsequent budget year, only 50% of the difference may be included in either of the next two succeeding budget years.

b. For the 2005-2006 school year and thereafter, the county superintendent of schools may disapprove a school district's proposed budget which includes the amount of any difference authorized pursuant to subsection a. of this section if the county superintendent determines that the district has not implemented all potential efficiencies in the administrative operations of the district, which efficiencies would eliminate the need for the inclusion of the differential amount. The county superintendent shall work with each school district in the county during the 2004-2005 school year and each subsequent school year to identify administrative inefficiencies in the opera-
tions of the district that might cause the county superintendent to reject the district's proposed budget.

3. Section 7 of P.L.1996, c.138 (C.18A:7F-7) is amended to read as follows:

C.18A:7F-7 Undesignated general fund balances, use, limits.

7. a. For the 2004-2005 school year, an undesignated general fund balance in excess of 3% of the budgeted general fund for the prebudget year or $100,000, whichever is greater, shall be appropriated by a school district based on surplus as anticipated pursuant to paragraph (2) of subsection a. of N.J.S.18A:22-8 and included in the budget prepared pursuant to section 5 of this act. In the event that the district's 2004-2005 budget is not approved by the voters of the district or the board of school estimate, the district may use the undesignated general fund balance which exceeds 3% to meet the reduction in tax levy certified by the municipal governing body or bodies or board of school estimate following review of the defeated budget. Any appropriation of the undesignated general fund balance made by board resolution following the April 2004 school budget election and prior to the effective date of P.L.2004, c.73 to the capital reserve account or maintenance reserve account or to increase spending for the 2003-2004 school year shall be null and void unless, upon written application to the commissioner, the district demonstrates that the appropriation was necessary for use in the 2003-2004 school year to meet the thoroughness standards established pursuant to subsection a. of section 4 of P.L.1996, c.138 (C.18A:7F-4) and no other line item account balances were available.

In the 2005-2006 school year and thereafter, an undesignated general fund balance in excess of 2% of the budgeted general fund for the prebudget year or $100,000, whichever is greater, shall be appropriated by a school district for the purpose of the budget prepared pursuant to section 5 of this act.

The amount of any funds made available for appropriation as a result of the reduction in the percentage of authorized undesignated general fund balance pursuant to P.L.2004, c.73 shall be used to reduce the general fund tax levy required for the budget year.

In the case of a county vocational school district, if the amount of the budgeted general fund for the prebudget year is $100 million or less, an undesignated general fund balance in excess of 6% of that amount or $100,000, whichever is greater, shall be appropriated by the county vocational school district for the purpose of the budget prepared pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5). If the amount of the budgeted general fund for the prebudget year exceeds $100 million, an undesignated
general fund balance in excess of 6% of the first $100 million and in excess of 3% of the amount which exceeds $100 million shall be appropriated by a county vocational school district for the purpose of the budget prepared pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5).

b. Notwithstanding the provisions of subsection a. of this section, if the district has a formal plan to expand, renovate or construct school facilities, join a distance learning network, or make a major replacement or acquisition of instructional equipment within the subsequent five years, the district may, with the approval of the commissioner, transfer the excess undesignated general fund balance to the capital reserve account established pursuant to N.J.S.18A:21-3 for that purpose.

c. If it is determined that the undesignated general fund balances at June 30 of any school year exceed those permitted under subsection a. of this section, the excess undesignated general fund balances shall be reserved and designated in the subsequent year's budget submitted to the commissioner pursuant to subsection c. of section 5 of this act.

d. The commissioner may withhold State aid in an amount not to exceed the excess undesignated general fund balances for failure to comply with subsection c. of this section.

e. Proceeds from the sale and lease-back of textbooks and non-consumable instructional materials shall not be included in the calculation of excess undesignated general fund balance during the budget year in which they are realized.

4. Section 13 of P.L.2000, c.72 (C.18A:7G-13) is amended to read as follows:

13. a. The authority shall be responsible for the financing, planning, design, construction management, acquisition, construction, and completion of school facilities projects. Upon submission to the authority of a final project report, the authority shall undertake the acquisition, construction, and all other appropriate actions necessary to complete the project. When the final eligible costs of a school facilities project are less than or equal to $500,000, the authority may, in its discretion, authorize a district to undertake the acquisition, construction and all other appropriate actions necessary to complete the project and enter into a grant agreement with the district for the payment of the State share.

b. The authority shall undertake the financing of school facilities projects pursuant to the provisions of this act. The authority may, in its discretion and upon consultation with the district, finance only the State share of the school facilities project or the State share and the local share of
the project. In the event that the authority finances only the State share of a project, the authority shall not commence acquisition or construction of the project until the authority receives the local share from the district.

c. In order to implement the arrangements established for school facilities projects which are to be constructed by the authority and financed pursuant to this section, a district shall enter into an agreement with the authority and the commissioner containing the terms and conditions determined by the parties to be necessary to effectuate the project.

d. Upon completion by the authority of a school facilities project, the district shall enter into an agreement with the authority to provide for the maintenance of the project by the district. In the event that the school facilities project is constructed by a district, upon the completion of the project, the district shall submit to the commissioner a plan to provide for the maintenance of the project by the district. Any agreement or plan shall contain, in addition to any other terms and provisions, a requirement for the establishment of a maintenance reserve fund consistent with the appropriation and withdrawal requirements for capital reserve accounts established pursuant to section 57 of P.L.2000, c.72 (C.18A:7G-31), the funding levels of which shall be as set forth in regulations adopted by the commissioner pursuant to section 26 of this act.

5. Section 57 of P.L.2000, c.72 (C.18A:7G-31) is amended to read as follows:

C.18A:7G-31 Establishment of capital reserve account.

57. a. Notwithstanding any provision of this act or any other law or regulation to the contrary, a board of education or a board of school estimate, as appropriate, may, through the adoption of a board resolution, establish a capital reserve account. The account shall be established and held in accordance with GAAP and shall be subject to annual audit. The funds in the capital reserve account shall be used to finance the district's long-range facilities plan required pursuant to subsection a. of section 4 of this act and the amount in the account shall not exceed the total amount of local funds required to implement the plan.

b. A board of education or a board of school estimate, as appropriate, may appropriate funds in the district's annual budget for the establishment of the capital reserve account pursuant to subsection a. of this section or to supplement the funds in the account as required to meet the needs of the long-range facilities plan.

c. A board of education may, by resolution of the board: transfer funds from the capital reserve account to the appropriate line item account for the funding of capital projects as contained in the district's long-range facilities
plan; and transfer funds from the capital reserve account to the debt service account for the purpose of offsetting principal and interest payments for bonded projects which are included in the district's long-range facilities plan.

6. Section 2 of P.L.1979, c.294 (C.18A:22-8.1) is amended to read as follows:

C.18A:22-8.1 Transfer of funds, conditions.

2. Except as otherwise provided pursuant to this section, whenever a school district desires to transfer amounts among line items and program categories, the transfers shall be by resolution of the board of education approved by a two-thirds affirmative vote of the authorized membership of the board; however, a board may, by resolution, designate the chief school administrator to approve such transfers as are necessary between meetings of the board. Transfers approved by the chief school administrator shall be reported to the board, ratified and duly recorded in the minutes at a subsequent meeting of the board, but not less than monthly. Transfers of surplus amounts or any other unbudgeted or underbudgeted revenue to line items and program categories shall require the approval of the Commissioner of Education and shall only be approved between April 1 and June 30 for line items and program categories necessary to achieve the thoroughness standards established pursuant to subsection a. of section 4 of P.L.1996, c.138 (C18A:7F-4); except that upon a two-thirds affirmative vote of the authorized membership of a board of education, the board may petition the commissioner for authority to transfer such revenue prior to April 1 due to an emergent circumstance and the commissioner may authorize the transfer if he determines that the transfer is necessary to meet such emergency. Transfers from any general fund appropriation account that, on a cumulative basis, exceed 10% of the amount of the account included in the school district's budget as certified for taxes shall require the approval of the commissioner. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1983, c.49 (C.40A:4-45.1a) is amended to read as follows:

C.40A:4-45.1a "Cost-of-living adjustment" defined.

4. As used in this amendatory and supplementary act, "cost-of-living adjustment" means the rate of annual percentage increase, rounded to the nearest half-percent, in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services, computed and published quarterly by the United States Department of Commerce, Bureau of Economic Analysis, calculating the annual increase therein at the second and fourth quarter which occurred in the next preceding local fiscal year. Any reference to "index rate" means the "cost-of-living adjustment" defined in this section. The Director of the Division of Local Government Services shall promulgate bi-annually the cost-of-living adjustment to apply in the next following local fiscal year.

2. Section 2 of P.L.1976, c.68 (C.40A:4-45.2) is amended to read as follows:

tions by more than 2.5% or the cost-of-living adjustment, whichever is less, over the previous year, except within the provisions set forth hereunder.

For the purpose of this section, in computing its final appropriations for the previous year, a municipality or county shall include, as part of its final appropriations:

a. Amounts of revenue generated by an increase in its valuations based solely on applying the preceding year's local purposes tax rate of the municipality to the assessed value of new construction or improvements, or on applying the preceding year's county tax rate to the apportionment valuation of new construction or improvements, as may be appropriate;

In each budget year subsequent to 1990, whenever any municipality shall have transferred to any local public utility, any local public authority or any special purposes district, during the immediately preceding budget year, or at any time during the current budget year prior to the final adoption of the budget, any service or function funded during the immediately preceding budget year, either partially or wholly, from appropriations in the municipal budget, the municipality shall deduct from its final appropriations upon which its permissible expenditures are calculated pursuant to this section the amount which the municipality expended for that service or function during the last full budget year throughout which the service or function so transferred was funded from appropriations in the municipal budget.

AN ACT concerning pediatric rehabilitation hospitals and amending P.L.2001, c.393.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2001, c.393 (C.30:4D-7h) is amended to read as follows:

C.30:4D-7h Reimbursement by State Medicaid program, rates; other costs.

2. a. A pediatric rehabilitation hospital licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) with 30 or fewer beds shall be reimbursed 100% of its Medicaid allowable reimbursable costs as defined by Medicare Principles of Reimbursement, subject to the "Tax Equity and Fiscal Responsibility Act of 1982" (TEFRA), Pub.L.97-248 as amended, and adjusted for occupancy, if applicable.

Any 2001, 2002 or 2003 Medicare cost reports that are not settled for Medicaid reimbursement on or before July 1, 2004 shall be prospectively settled, based on Medicaid allowable reimbursable costs as defined by Medicare Principles of Reimbursement, subject to TEFRA, and adjusted for occupancy, if applicable.

b. A pediatric rehabilitation hospital licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) with more than 30 beds shall be reimbursed a prospective per diem rate by the State Medicaid program for Medicaid fee-for-service recipients.
The initial prospective per diem rate shall be based on the total allowable cost for Medicaid patients divided by the total Medicaid days from the calendar year 1999 Medicare/Medicaid cost report, and shall be considered the base year rate. If the hospital has been in operation less than two full years prior to fiscal year 1999, the prospective per diem rate will be set using its first finalized audited fiscal year 2000 Medicaid/Medicare cost report. The base year rate shall be updated each year by the economic factor specified in N.J.A.C.10:52-5.13.

The Commissioner of Human Services shall adopt regulations to permit a pediatric rehabilitation hospital to seek rate relief or to seek a new base year rate in the event the hospital has experienced an increase in its operating costs which would impact the existing per diem rate, net of capital costs, greater than 5%. The hospital shall furnish evidence of that increase in costs to the Division of Medical Assistance and Health Services in the Department of Human Services and request an adjustment to its prospective inpatient reimbursement rate.

c. A pediatric rehabilitation hospital licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall be:

(1) reimbursed its outpatient costs based on applicable cost-based Medicare Principles of Reimbursement through the Medicare/Medicaid cost report, and shall not receive final reimbursement based on an outpatient prospective reimbursement methodology. If necessary, the Department of Human Services shall adopt regulations to specify an interim claims processing and payment methodology;

(2) entitled to a per diem adjustment to account for increases in its capital expenditures. Adjusted per diem payments shall begin upon project completion and facility operation. The adjustment shall be calculated based on the Medicaid share of the inpatient costs for any capital expenditures made on or after December 31, 2003. Utilizing data from the Medicare/Medicaid Cost Report, the Medicaid share shall be determined by dividing the combined total of Medicaid fee-for-service days and Medicaid managed care days by the total number of inpatient days, and the inpatient costs for capital expenditures shall be determined by dividing the hospital's inpatient costs by its total costs and multiplying that number by its total additional capital costs; and

(3) entitled to receive a per diem adjustment for its graduate medical education program, with the adjustment to be based on the Medicaid share of the costs incurred by the graduate medical education program. The Medicaid share shall be determined by dividing the Medicaid inpatient days by the total number of inpatient days and multiplying that number by the total amount of graduate medical education costs as reported on the Medicare/Medicaid cost report.

(ii) if the person's blood alcohol concentration is 0.10% or higher, or the person operates a vessel while under the influence of a narcotic, hallucinogenic or habit-producing drug, or the person permits another person who is under the influence of a narcotic, hallucinogenic or habit-producing drug to operate a vessel owned by him or in his custody or control, or permits another person with a blood alcohol concentration of 0.10% or more to operate a vessel, to a fine of not less than $300 nor more than $500; and to the revocation of the privilege to operate a vessel on the waters of this State for a period of one year from the date of conviction and to the forfeiting of the privilege to operate a motor vehicle over the highways of this State for a period of not less than seven months nor more than one year.

(2) For a second offense, to a fine of not less than $500 nor more than $1,000; to the performance of community service for a period of 30 days, in the form and on the terms as the court deems appropriate under the circumstances; and to imprisonment for a term of not less than 48 hours nor more than 90 days, which shall not be suspended or served on probation; and to the revocation of the privilege to operate a vessel on the waters of this State for a period of two years after the date of conviction and to the forfeiting of the privilege to operate a motor vehicle over the highways of this State for a period of two years.

(3) For a third or subsequent offense, to a fine of $1,000; to imprisonment for a term of not less than 180 days, except that the court may lower this term for each day not exceeding 90 days during which the person performs community service, in the form and on the terms as the court deems appropriate under the circumstances; and to the revocation of the privilege to operate a vessel on the waters of this State for a period of 10 years from the date of conviction and to the forfeiting of the privilege to operate a motor vehicle over the highways of this State for a period of 10 years.

Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the Chief Administrator of the New Jersey Motor Vehicle Commission. In the event that a person convicted under this section is the holder of any out-of-State motor vehicle driver's or vessel operator's license, the court shall not collect the license but
shall notify forthwith the Chief Administrator of the New Jersey Motor Vehicle Commission, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle and the nonresident's privilege to operate a vessel in this State.

b. A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section against a second or subsequent offender. If a second offense occurs more than 10 years after the first offense, the court shall treat a second conviction as a first offense for sentencing purposes and, if a third offense occurs more than 10 years after the second offense, the court shall treat a third conviction as a second offense for sentencing purposes.

c. If a court imposes a term of imprisonment under this section, the person may be sentenced to the county jail, to the workhouse of the county where the offense was committed, or to an inpatient rehabilitation program approved by the Chief Administrator of the New Jersey Motor Vehicle Commission and the Director of the Division of Alcoholism and Drug Abuse in the Department of Health and Senior Services.

d. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the period of the suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period as fixed by the court of not less than three months after the day the person reaches the age of 17 years. If the driving or vessel operating privilege of any person is under revocation, suspension, or postponement for a violation of any provision of this title or Title 39 of the Revised Statutes at the time of any conviction of any offense defined in this section, the revocation, suspension, or postponement period imposed herein shall commence as of the date of termination of the existing revocation, suspension or postponement. A second offense shall result in the suspension or postponement of the person's privilege to operate a motor vehicle for six months. A third or subsequent offense shall result in the suspension or postponement of the person's privilege to operate a motor vehicle for two years. The court before whom any person is convicted of or adjudicated delinquent for a violation shall collect forthwith the New Jersey driver's license or licenses of the person and forward such license or licenses to the Chief Administrator of the New Jersey Motor Vehicle Commission along with a report indicating the first and last day of the suspension or postponement period imposed by the court pursuant to this section. If the court is for any reason unable to collect the license or licenses of the person, the court shall cause a report of the conviction or adjudication of delinquency
to be filed with the chief administrator. That report shall include the complete name, address, date of birth, eye color, and sex of the person and shall indicate the first and last day of the suspension or postponement period imposed by the court pursuant to this section. The court shall inform the person orally and in writing that if the person is convicted of personally operating a motor vehicle or a vessel during the period of license suspension or postponement imposed pursuant to this section, the person shall, upon conviction, be subject to the penalties set forth in R.S.39:3-40 or section 14 of P.L.1995, c.401 (C.12:7-83), whichever is appropriate. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40 or section 14 of P.L.1995, c.401 (C.12:7-83). If the person is the holder of a driver's or vessel operator's license from another jurisdiction, the court shall not collect the license but shall notify forthwith the chief administrator who shall notify the appropriate officials in the licensing jurisdiction. The court shall, however, in accordance with the provisions of this section, revoke the person's non-resident driving or vessel operating privilege, whichever is appropriate, in this State.

e. In addition to any other requirements provided by law, a person convicted under this section shall satisfy the screening, evaluation, referral program and fee requirements of the Division of Alcoholism's Intoxicated Driving Programs Unit. A fee of $80 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established under section 3 of P.L.1983, c.531 (C.26:2B-32), by the convicted person in order to defray the costs of the screening, evaluation and referral by the Intoxicated Driving Programs Unit. Failure to satisfy this requirement shall result in the immediate forfeiture of the privilege to operate a vessel on the waters of this State or the continuation of revocation until the requirements are satisfied.

f. In addition to any other requirements provided by law, a person convicted under this section shall be required after conviction to complete a boat safety course from the list approved by the Superintendent of State Police pursuant to section 1 of P.L.1987, c.453 (C.12:7-60), which shall be completed prior to the restoration of the privilege to operate a vessel which may have been revoked or suspended for a violation of the provisions of this section. Failure to satisfy this requirement shall result in the immediate revocation of the privilege to operate a vessel on the waters of this State, or the continuation of revocation until the requirements of this subsection are satisfied.

2. Section 7 of P.L.1986, c.39 (C.12:7-55) is amended to read as follows:
C.12:7-55 Implied consent.

7. a. (1) A person who operates a power vessel or a vessel which is 12 feet or greater in length on the waters of this State shall be deemed to have given his consent to the taking of samples of his breath for the purpose of making chemical tests to determine the content of alcohol in his blood, except that the taking of samples shall be made in accordance with the provisions of P.L.1986, c.39 and at the request of a member of the State Police or a law enforcement officer who has reasonable grounds to believe that the person has been operating a vessel in violation of the provisions of section 3 of P.L.1952, c.157 (C.12:7-46).

(2) Whenever an operator has been involved in an accident resulting in death, bodily injury or property damage, an officer shall consider that fact along with all other facts and circumstances in determining under paragraph (1) of this subsection whether there are reasonable grounds to believe a person is operating a vessel in violation of the provisions of section 3 of P.L.1952, c.157 (C.12:7-46).

b. A record of the taking of the sample, disclosing the date and time thereof, as well as the result of any chemical test, shall be made and a copy shall be furnished or made available to the person so tested, upon his request.

c. In addition to the samples taken and tests made at the direction of a member of the State Police or a law enforcement officer, the person tested shall be permitted to have samples taken and chemical tests of his breath, urine or blood made by a person or physician of his own selection.

d. A member of the State Police or a law enforcement officer shall inform the person tested of his rights under subsections b. and c. of this section.

e. No chemical test, as provided in this section, or specimen necessary for a test, may be made or taken forcibly and against physical resistance thereto by the defendant. A member of the State Police or a law enforcement officer shall, however, inform the person arrested of the consequences of refusing to submit to the test, in accordance with section 9 of P.L.1986, c.39 (C.12:7-57). A standard statement, prepared by the Chief Administrator of the New Jersey Motor Vehicle Commission shall be read by a member of the State Police or a law enforcement officer to the person under arrest.

3. Section 8 of P.L.1986, c.39 (C.12:7-56) is amended to read as follows:

C.12:7-56 Methods, techniques.

8. Chemical analyses of the arrested person's breath, to be considered valid under the provisions of section 7 of P.L.1986, c.39 (C.12:7-55) shall have been performed according to methods approved by the Attorney General and by a person certified for this purpose by the Attorney General.
The Attorney General is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct the analyses, and to make certifications of the individuals. Certifications shall be subject to termination or revocation at the discretion of the Attorney General. The Attorney General shall prescribe a form for reports of the chemical analysis of breath to be used by law enforcement officers and others acting in accordance with the provisions of section 7 of P.L.1986, c.39 (C.12:7-55). The forms shall be sequentially numbered. Each chief of police, in the case of forms distributed to law enforcement officers and others in his municipality, or the other officer, board, or official having charge or control of the law enforcement department, where there is no chief, and the Chief Administrator of the New Jersey Motor Vehicle Commission and the Superintendent of State Police, in the case of forms distributed to law enforcement officers and other personnel in their divisions, shall be responsible for the furnishing and proper disposition of the forms. Each responsible party shall prepare or have prepared records and reports relating to the forms and their disposition, in the manner and at such times as the Attorney General shall prescribe.

4. Section 9 of P.L.1986, c.39 (C.12:7-57) is amended to read as follows:

C.12:7-57 Refusal to submit to chemical test; revocation of privileges, fines.

9. a. A court shall revoke the privilege of a person to operate a power vessel or a vessel which is 12 feet or greater in length, if after being arrested for a violation of section 3 of P.L.1952, c.157 (C.12:7-46), the person refuses to submit to the chemical test provided for in section 7 of P.L.1986, c.39 (C.12:7-55) when requested to do so. The revocation shall be for one year unless the refusal was in connection with a second offense under section 3 of P.L.1952, c.157 (C.12:7-46), in which case the revocation period shall be for two years. If the refusal was in connection with a third or subsequent offense under section 3 of P.L.1952, c.157 (C.12:7-46), the revocation shall be for 10 years. The court also shall revoke the privilege of a person to operate a motor vehicle over the highways of this State for a period of: not less than seven months or more than one year for a first offense; two years for a second offense; and 10 years for a third or subsequent offense. The court shall also fine a person convicted under this section: not less than $300 nor more than $500 for a first offense; not less than $500 or more than $1,000 for a second offense; and $1,000 for a third or subsequent offense.

b. The court shall determine by a preponderance of the evidence whether the arresting officer had probable cause to believe that the person had been operating or was in actual physical control of the vessel while under the influence of intoxicating liquor, or a narcotic, hallucinogenic or
habit-producing drug, whether the person was placed under arrest, and whether the person refused to submit to the test upon request of the officer. If these elements of the violation are not established, no conviction shall issue.

c. In addition to any other requirements provided by law, a person whose privilege to operate a vessel is revoked for refusing to submit to a chemical test shall satisfy the screening, evaluation, referral and program requirements of the Bureau of Alcohol Countermeasures in the Division of Alcoholism in the Department of Health and Senior Services. A fee of $40 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established under section 3 of P.L.1983, c.531 (C.26:2B-32), by the convicted person in order to defray the costs of the screening, evaluation and referral by the Bureau of Alcohol Countermeasures and the cost of an education or rehabilitation program. Failure to satisfy this requirement shall result in the immediate revocation of the privilege to operate a vessel on the waters of this State or the continuation of revocation until the requirements are satisfied. The revocation for a first offense may be concurrent with or consecutive to a revocation imposed for a conviction under the provisions of section 3 of P.L.1952, c.157 (C.12:7-46) arising out of the same incident; the revocation for a second or subsequent offense shall be consecutive to a revocation imposed for a conviction under the provisions of section 3 of P.L.1952, c.157 (C.12:7-46).

d. In addition to any other requirements provided by law, a person convicted under this section shall be required after conviction to complete a boat safety course from the list approved by the Superintendent of State Police pursuant to section 1 of P.L.1987, c.453 (C.12:7-60), which shall be completed prior to the restoration of the privilege to operate a vessel which may have been revoked or suspended for a violation of the provisions of this section. Failure to satisfy this requirement shall result in the immediate revocation of the privilege to operate a vessel on the waters of this State, or the continuation of revocation until the requirements of this subsection are satisfied.

5. This act shall take effect immediately.

CHAPTER 81

AN ACT concerning enrollment in State children's health insurance programs and making an appropriation.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. An estimated 70,000 low-income children in New Jersey lack health insurance, despite the fact that they probably are eligible for publicly-funded health insurance programs such as NJ FamilyCare and Medicaid;
   b. A lack of health care coverage frequently results in health problems that often interfere with a child's ability to learn;
   c. Despite substantial outreach efforts by the NJ FamilyCare and Medicaid programs, many uninsured, eligible children are not enrolled in these programs;
   d. Many of these uninsured, low-income children receive free or reduced-price lunches through the National School Lunch Program, and our State's schools are uniquely positioned to promote student enrollment in NJ FamilyCare and Medicaid because of their relationship of trust with children and their parents; and
   e. Facilitating enrollment in NJ FamilyCare and Medicaid of uninsured, low-income students who are eligible for the school lunch program will enhance the ability of these uninsured children to succeed in the classroom.

2. There is established the "NJ Express Enrollment for Children's Health Care Coverage" pilot program.
   The Commissioner of Education, in conjunction with the Commissioner of Human Services, shall establish the pilot program in eight school districts in the State, of which at least two each are in the northern, central and southern areas of the State, respectively, and at least four of which are Abbott districts.

3. a. The Commissioner of Human Services, in consultation with the Commissioner of Education, shall, within the limits of funds appropriated for this purpose, contract with the Rutgers Center for State Health Policy to:
   (1) facilitate enrollment of children in NJ FamilyCare and Medicaid, through use of information obtained through the school lunch application process, as provided in this act;
   (2) develop a form, which shall be attached to or included with the school lunch application form for the 2004-2005 school year in those school districts that are participating in the pilot program, that requests information concerning the health insurance status of the child who is the subject of the school lunch application and that provides an opportunity for the parent or guardian to give consent for information to be shared with the Department of Human Services for the purpose of determining eligibility for NJ FamilyCare and Medicaid. The center may consult with the Secretary of
Agriculture and the Commissioners of Education and Human Services in developing the form; and

(3) conduct an analysis of the effectiveness of the pilot program in identifying children who are eligible for NJ FamilyCare and Medicaid and in increasing enrollment of uninsured children in these programs.

b. The center shall:

(1) report its preliminary findings concerning the pilot program by January 2005 to the Departments of Human Services and Education and the Senate Health, Human Services and Senior Citizens and Assembly Family, Women and Children's Services Committees; and

(2) issue a final report by April 1, 2005 to the Departments of Human Services and Education and the Senate Health, Human Services and Senior Citizens and Assembly Family, Women and Children's Services Committees, which report shall include any recommendations the center deems appropriate.

c. The Departments of Education and Human Services shall provide such information about school lunch applicants and children enrolled in NJ FamilyCare and Medicaid as the center requires to carry out its responsibilities under this act.

4. The Commissioner of Education, in consultation with the Commissioner of Human Services, shall ensure that:

a. each participating school district includes in its cover letter to parents for the school lunch application for the 2004-2005 school year a request that the parent or guardian sign both the school lunch application and the health insurance status information inquiry;

b. upon receipt of the completed school lunch application and health insurance status information inquiry forms, each participating school district determines if a child is eligible for free or reduced price school lunch, and if the child is eligible, makes a notation on the health insurance status information inquiry form indicating the child's eligibility status for free or reduced price school lunch, respectively; and

c. each participating school district forwards the completed health insurance status information inquiry form that is returned by a parent or guardian to the Rutgers Center for State Health Policy.

5. a. The Rutgers Center for State Health Policy shall promptly notify the Department of Human Services about any child who qualifies for school lunch and whose parent or guardian has indicated that the child is not insured and has given consent to share information with the department for the purpose of determining eligibility for NJ FamilyCare and Medicaid.
b. Upon receipt of notification from the center, the Division of Medical Assistance and Health Services in the Department of Human Services shall deem a child who is eligible for school lunch as presumptively eligible for Medicaid or NJ FamilyCare, as applicable.

c. The division shall:
   (1) promptly make reasonable efforts to contact the child's parent or guardian in order to complete the eligibility determination process and enroll the child in NJ FamilyCare or Medicaid; and
   (2) accept the income and State residency information provided on the school lunch application and verified by the school district as proof of income and residency for the purposes of determining a child's eligibility for NJ FamilyCare or Medicaid.

6. The Commissioners of Education and Human Services, in consultation with the Secretary of Agriculture, shall report jointly to the Legislature and the Governor by May 1, 2005 on the pilot program. The report shall include, but not be limited to, a discussion of any administrative obstacles that were encountered in carrying out the program. The report shall also make recommendations as to whether the program should be expanded Statewide.

7. There is appropriated $90,000 from the General Fund to the Department of Human Services for the purpose of contracting with the Rutgers Center for State Health Policy as provided in section 3 of this act.

CHAPTER 84

AN ACT concerning certain abusive lending practices and amending P.L.2003, c. 64.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2003, c.64 (C.46:10B-23) is amended to read as follows:

C.46:10B-23 Findings, declarations relative to abusive lending practices.
2. The Legislature finds and declares that:
   a. Abusive mortgage lending has become an increasing problem in this State, exacerbating the loss of equity in homes and causing an increase in the number of foreclosures in recent years. One of the most common forms of abusive lending is the making of loans that are equity-based, rather than income-based. The financing of points and fees in these loans provides immediate income to the originator and encourages the repeated refinancing of home loans. The lender's ability to sell loans reduces the incentive to ensure that the homeowner can afford the payments of the loan. As long as there is sufficient equity in the home, an abusive lender benefits even if the borrower is unable to make the payments and is forced to refinance. In addition, the financing of high points and fees causes the loss of precious equity in each refinancing and often leads to foreclosure.
b. Abusive lending has threatened the viability of many communities and caused decreases in home ownership. While the marketplace appears to operate effectively for conventional mortgages, too many homeowners find themselves victims of overreaching lenders who provide loans with unnecessarily high costs and terms that are unnecessary to secure repayment of the loan.

c. As competition and self-regulation have not eliminated the abusive terms from loans secured by a consumer's home, the consumer protection provisions of this act are necessary to encourage lending at reasonable rates with reasonable terms.

d. Pursuant to this 2004 amendatory act, the "New Jersey Home Ownership Security Act of 2002," P.L.2003, c.64 (C.46:10B-22 et seq.) was amended to delete the covered home loan category and the provisions of subsection b. of section 4 of P.L.2003, c.64 (C.46:10B-25) which prohibited flipping a home loan. The deletions of the covered home loan category and of the prohibition on flipping shall create no presumption that any home loan that has been refinanced is not unconscionable, and the deletions of the covered home loan category and of the prohibition on flipping shall create no presumption that any home loan that is refinanced does not constitute an unlawful practice under P.L.1960, c.39 (C.56:8-1 et seq.).

2. Section 3 of P.L.2003, c.64 (C.46:10B-24) is amended to read as follows:

C.46:10B-24 Definitions relative to abusive lending practices.

3. As used in this act:

"Affiliate" means any company that controls, is controlled by, or is under the common control with any company, as set forth in 12 U.S.C. s.1841 et seq.

"Bona fide discount points" means loan discount points which are:

(1) Knowingly paid by the borrower;

(2) Paid for the express purpose of reducing, and which result in a reduction of, the interest rate or time-price differential applicable to the loan;

(3) In fact reducing the interest rate or time-price differential applicable to the loan from an interest rate which does not exceed the conventional mortgage rate for a home loan secured by a first lien, by more than two percentage points, or for a home loan secured by a junior lien, by more than three and one half percentage points; and

(4) Recouped within the first five years of the scheduled loan payments. Loan discount points will be considered to be recouped within the first five years of the scheduled loan payments if the reduction in the interest rate that is achieved by the payment of the loan discount points reduces the interest
charged on the scheduled payments such that the borrower's dollar amount of savings in interest over the first five years is equal to or exceeds the dollar amount of loan discount points paid by the borrower.

"Borrower" means any natural person obligated to repay the loan, including a co-borrower, cosigner, or guarantor.

"Commissioner" means the Commissioner of Banking and Insurance.

"Conventional mortgage rate" means the most recently published annual yield on conventional mortgages published by the Board of Governors of the Federal Reserve System, as published in Statistical Release H.15 or any publication that may supersede it, as of the applicable time set forth in 12 C.F.R. 226.32(a)(1)(I).

"Conventional prepayment penalty" means any prepayment penalty or fee that may be collected or charged in a home loan, and that is authorized by law other than by this act, provided the home loan (1) does not have an annual percentage rate that exceeds the conventional mortgage rate by more than two percentage points; and (2) does not permit any prepayment fees or penalties that exceed two percent of the amount prepaid.

"Creditor" means a person who extends consumer credit that is subject to a finance charge or is payable by written agreement in more than four installments, and to whom the obligation is payable at any time. Creditor shall also mean any person brokering a home loan, which shall include any person who directly or indirectly solicits, processes, places, or negotiates home loans for others or who closes home loans which may be in the person's own name with funds provided by others and which loans are thereafter assigned to the person providing the funding of such loans, provided that creditor shall not include a person who is an attorney providing legal services to the borrower or a person or entity holding an individual or organization insurance producer license in the line of title insurance or a title insurance company, as defined by subsection c. of section 1 of P.L.1975, c.106 (C.17:46B-1), or any officer, director or employee thereof, providing services in the closing of a home loan who is not also funding the home loan and is not an affiliate of the creditor or an assignee that is subject to the provisions of section 6 of this act.

"Department" means the Department of Banking and Insurance.

"High-cost home loan" means a home loan for which the principal amount of the loan does not exceed $350,000, which amount shall be adjusted annually to include the last published increase of the housing component of the national Consumer Price Index, New York- Northeastern New Jersey Region, in which the terms of the loan meet or exceed one or more of the thresholds as defined in this section.
"Home loan" means an extension of credit primarily for personal, family or household purposes, including an open-end credit plan, other than a reverse mortgage transaction, in which the loan is secured by:

(1) A mortgage or deed of trust on real estate in this State upon which there is located or there is to be located a one to six family dwelling which is or will be occupied by a borrower as the borrower's principal dwelling; or

(2) A security interest in a manufactured home which is or will be occupied by a borrower as the borrower's principal dwelling.

"Manufactured home" means a structure, transportable in one or more sections, which in the traveling mode is eight body feet or more in width or 40 body feet or more in length or, when erected on site is 320 or more square feet and which is built on a permanent chassis and designed to be used as a dwelling with a permanent foundation when erected on land secured in conjunction with the real property on which the manufactured home is located and connected to the required utilities and includes the plumbing, heating, air-conditioning and electrical systems contained therein; except that such term shall include any structure which meets all the requirements of this paragraph except the size requirements and with respect to which the manufacturer voluntarily files a certification required by the Secretary of the United States Department of Housing and Urban Development and complies with the standards established under the federal National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. s.5401 et seq. Such term does not include rental property or second homes or manufactured homes when not secured in conjunction with the real property on which the manufactured home is located.

"Points and fees" means:

(1) All items listed in 15 U.S.C. s.1605(a)(1) through (4), except interest or the time-price differential;

(2) All charges listed in 15 U.S.C. s.1605(e);

(3) All compensation paid directly or indirectly to a mortgage broker, including a broker that originates a loan in its own name in a table-funded transaction;

(4) The cost of all premiums financed by the creditor, directly or indirectly for any credit life, credit disability, credit unemployment or credit property insurance, or any other life or health insurance, or any payments financed by the creditor directly or indirectly for any debt cancellation or suspension agreement or contract, except that insurance premiums calculated and paid on a monthly basis shall not be considered financed by the creditor;

(5) The maximum prepayment fees and penalties that may be charged or collected under the terms of the loan documents;

(6) All prepayment fees or penalties that are incurred by the borrower if the loan refinances a previous loan made or currently held by the same
creditor or an affiliate of the creditor, except that this paragraph shall not apply to a loan which refinances a previous loan made by the same broker and funded by another creditor; and

(7) For open-end loans, the points and fees are calculated by adding the total points and fees known at or before closing, including the maximum prepayment penalties which may be charged or collected under the terms of the loan documents if prepayment penalties are authorized by law other than by this act, plus the minimum additional fees the borrower would be required to pay to draw down an amount equal to the total credit line.

"Points and fees" shall not include the following items: title insurance premiums and fees, charges and premiums paid to a person or entity holding an individual or organization insurance producer license in the line of title insurance or a title insurance company, as defined by subsection c. of section 1 of P.L.1975, c.106 (C.17:46B-1); taxes, filing fees, and recording and other charges and fees paid or to be paid to public officials for determining the existence of or for perfecting, releasing, or satisfying a security interest; and reasonable fees paid to a person other than a creditor or an affiliate of the creditor or to the mortgage broker or an affiliate of the mortgage broker for the following, provided that the conditions in 12 C.F.R. s.226.4(c)(7) are met: fees for tax payment services; fees for flood certification; fees for pest infestation and flood determinations; appraisal fees; fees for inspections performed prior to closing; fees for credit reports; fees for surveys; attorneys' fees; notary fees; escrow charges; and fire and flood insurance premiums, provided that the conditions in 12 C.F.R. s.226.4(d)(2) are met.

"Rate" means that annual percentage rate for the loan calculated at closing based on the points and fees set forth in this act and according to the provisions of 15 U.S.C. s.1601 et seq. and the regulations promulgated thereunder by the Federal Reserve Board.

"Threshold" means any one of the following two items, as defined:

(1) "Rate threshold" means the annual percentage rate of the loan at the time the loan is consummated such that the loan is considered a "mortgage" under section 152 of the federal "Home Ownership and Equity Protection Act of 1994," Pub.L. 103-325 (15 U.S.C. s.1602(aa)), and the regulations promulgated by the Federal Reserve Board, including 12 C.F.R. s.226.32, without regard to whether the loan transaction is or may be a "residential mortgage transaction," as defined in 12 C.F.R. s.226.2(a)(24).

(2) "Total points and fees threshold" means that the total points and fees payable by the borrower at or before the loan closing, excluding either a conventional prepayment penalty or up to two bona fide discount points, exceed:

(a) 4.5% of the total loan amount if the total loan amount is $40,000 or more; or
(b) the lesser of 6% of the total loan amount or $1,000, if the total loan amount is less than $20,000, and 6% if the total loan amount is $20,000 or more but less than $40,000.

"Total loan amount" means the principal of the loan minus those points and fees as defined in this section that are included in the principal amount of the loan. For open-end loans, the total loan amount shall be calculated using the total line of credit allowed under the home loan.

3. Section 4 of P.L.2003, c.64 (C.46:10B-25) is amended to read as follows:

C.46:10B-25 Creditors, prohibited practices relative to home loans.

4. a. No creditor making a home loan shall finance, directly or indirectly, any credit life, credit disability, credit unemployment or credit property insurance, or any other life or health insurance, or any payments directly or indirectly for any debt cancellation or suspension agreement or contract, except that insurance premiums or debt cancellation or suspension fees calculated and paid on a monthly basis shall not be considered financed by the creditor.

b. (Deleted by amendment, P.L.2004, c.84).

c. No creditor shall recommend or encourage default on an existing loan or other debt prior to and in connection with the closing or planned closing of a home loan that refinances all or any portion of that existing loan or debt.

d. No creditor shall charge a late payment fee in relation to a home loan except according to the following rules:

(1) The late payment fee may not be in excess of 5% of the amount of the payment past due.

(2) The fee may only be assessed by a payment past due for 15 days or more.

(3) The fee may not be charged more than once with respect to a single late payment. If a late payment fee is deducted from a payment made on the loan, and such deduction causes a subsequent default on a subsequent payment, no late payment fee may be imposed for such default. If a late payment fee has been once imposed with respect to a particular late payment, no such fee shall be imposed with respect to any future payment which would have been timely and sufficient, but for the previous default.

(4) No fee shall be charged unless the creditor notifies the borrower within 45 days following the date the payment was due that a late payment fee has been imposed for a particular late payment. No late payment fee may be collected from any borrower if the borrower informs the creditor that
nonpayment of an installment is in dispute and presents proof of payment within 45 days of receipt of the creditor's notice of the late fee.

(5) The creditor shall treat each and every payment as posted on the same date as it was received by the creditor, servicer, creditor's agent, or at the address provided to the borrower by the creditor, servicer, or the creditor's agent for making payments.

e. No home loan shall contain a provision that permits the creditor, in its sole discretion, to accelerate the indebtedness. This provision does not prohibit acceleration of the loan in good faith due to the borrower's failure to abide by the material terms of the loan.

f. No creditor shall charge a fee for informing or transmitting to any person the balance due to pay off a home loan or to provide a release upon prepayment. Payoff balances shall be provided within seven business days after the request.

4. Section 6 of P.L.2003, c.64 (C.46:10B-27) is amended to read as follows:

C.46:10B-27 Affirmative claims, defenses by borrower.

6. a. Notwithstanding any other law to the contrary, if a home loan was made, arranged, or assigned by a person selling either a manufactured home, or home improvements to the dwelling of a borrower, or was made by or through a creditor to whom the borrower was referred by such seller, the borrower may assert all affirmative claims and any defenses that the borrower may have against the seller or home-improvement contractor limited to amounts required to reduce or extinguish the borrower's liability under the home loan, plus the total amount paid by the borrower in connection with the transaction, plus amounts required to recover costs, including reasonable attorney's fees against the creditor, any assignee or holder, in any capacity.

b. Notwithstanding any other provision of law, any person who purchases or is otherwise assigned a high-cost home loan shall be subject to all affirmative claims and any defenses with respect to the loan that the borrower could assert against the original creditor or broker of the loan; provided that this subsection shall not apply if the purchaser or assignee demonstrates, by a preponderance of the evidence, that a reasonable person exercising reasonable due diligence could not determine that the mortgage was a high-cost home loan. It shall be presumed that a purchaser or assignee has exercised such due diligence if the purchaser or assignee demonstrates by a preponderance of the evidence that it: (1) has in place at the time of the purchase or assignment of the loan, policies that expressly prohibit its purchase or acceptance of assignment of any high-cost home loan; (2) requires by contract that a seller or assignor of home loans to the purchaser or assignee represents and warrants to the purchaser or assignee that either
(a) it will not sell or assign any high-cost home loan to the purchaser or assignee or (b) that the seller or assignor is a beneficiary of a representation and warranty from a previous seller or assignor to that effect; and (3) exercises reasonable due diligence at the time of purchase or assignment of home loans or within a reasonable period of time thereafter intended by the purchaser or assignee to prevent the purchaser or assignee from purchasing or taking assignment of any high-cost home loan.

   c. Notwithstanding any other law to the contrary, but limited to amounts required to reduce or extinguish the borrower's liability under the home loan plus amounts required to recover costs including reasonable attorney's fees, a borrower acting only in an individual capacity may assert against the creditor or any subsequent holder or assignee of the home loan:

       (1) within six years of the closing of a high-cost home loan, a violation of this act in connection with the loan as an original action; and

       (2) at any time during the term of a high-cost home loan after an action to collect on the home loan or foreclose on the collateral securing the home loan has been initiated or the debt arising from the home loan has been accelerated or the home loan has become 60 days in default, any defense, claim or counterclaim.

   d. It is a violation of this act for any person, in bad faith, to attempt to avoid the application of this act by:

       (1) Dividing any loan transaction into separate parts; or

       (2) Any other such subterfuge, with the intent of evading the provisions of this act.

   e. Nothing in this section shall be construed to limit the substantive rights, remedies or procedural rights, including, but not limited to, recoupment rights under the common law, available to a borrower against any creditor, assignee or holder under any other law. The limitations on assignee liability in subsection b. of this section shall not apply to the assignee liability in subsections a., c. and d. of this section.

5. Section 8 of P.L.2003, c.64 (C.46:10B-29) is amended to read as follows:

C.46:10B-29 Violations, remedies, liability.

8. a. (1) Any violation of this act constitutes an unlawful practice under P.L.1960, c.39 (C.56:8-1 et seq.). Any borrower may seek damages under the provisions of section 7 of P.L.1971, c.247 (C.56:8-19) or subparagraph (a) of paragraph (1) of subsection b. of this section, but not both.

       (2) Notwithstanding any provision of P.L.2003, c.64 (C.46:10B-22 et seq.) or other law to the contrary, any borrower who asserts any defense, claim or counterclaim pursuant to subsection c. of section 6 of P.L.2003, c.64
(C.46:10B-27) may do so only in an individual capacity and may not assert that defense, claim or counterclaim in a class action.

b. Except as provided in subsection a. of this section and, where applicable, subject to any limitation on the amounts recoverable against a holder or assignee pursuant to section 6 of this act, in addition to the remedies available to a borrower under P.L.1960, c.39 (C.56:8-1 et seq.) and without limiting those remedies:

(1) Any person found by a preponderance of the evidence to have violated this act shall be liable to the borrower for the following:

(a) For material violations, statutory damages equal to the finance charges agreed to in the home loan agreement, plus up to 10% of the amount financed;

(b) Punitive damages, when the violation was malicious or reckless in appropriate circumstances as determined by the fact-finder; and

(c) Costs and reasonable attorneys' fees.

(2) A borrower may be granted injunctive, declaratory, and such other equitable relief as the court deems appropriate in an action to enforce compliance with this act.

(3) The remedies provided in this section are not intended to be the exclusive remedies available to a borrower, nor must the borrower exhaust any administrative remedies provided under this act or any other applicable law before proceeding under this section.

c. A creditor in a home loan who, when acting in good faith, fails to comply with the provisions of this act, will not be deemed to have violated this section if the creditor establishes that either:

(1) Within 45 days of the loan closing, the creditor has made appropriate restitution to the borrower, and appropriate adjustments are made to the loan; or

(2) Within 365 days of the loan closing and prior to receiving any notice from the borrower of the compliance failure, the compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, the borrower is notified of the compliance failure, appropriate restitution is made to the borrower, and appropriate adjustments are made to the loan.

Examples of bona fide errors include clerical, calculation, computer malfunction and programming, and printing errors. An error of legal judgment with respect to a person's obligations under this section is not a bona fide error.

d. The remedies provided in this section are cumulative.

6. Section 14 of P.L.2003, c.64 (C.46:10B-35) is amended to read as follows:
C.46:10B-35 Regulations.

14. The Commissioner of Banking and Insurance, in consultation and collaboration with the Director of the Division of Consumer Affairs in the Department of Law and Public Safety, shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to effectuate the provisions of P.L.2003, c.64 (C.46:10B-22 et seq.).

7. This act shall take effect immediately.

Approved July 6, 2004.

CHAPTER 85

AN ACT establishing a Property Tax Convention Task Force to study property tax relief and the need for a constitutional convention to review the property tax system and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   for more than a decade, the problem of high property taxes has been among the most significant faced by the people of New Jersey;
   property taxes are a primary funding source for local services, including public schools, public works and public safety departments and other institutions;
   there is uniform agreement among governmental representatives that there is a need to lessen the dependence of local governments on property taxes, find alternative means to fund vital government services, and assist local governments in identifying and maximizing all potential fiscal efficiencies;
   to that end, attempts have been made to mitigate the burden of property taxes on the people through rebate programs, freezes and other measures;
   any such relief measures necessarily are limited by the fact that the current property tax system, as required by the State Constitution, is such that structural changes to it cannot be made without constitutional amendment;
   it is imperative that the State undertake a comprehensive review of State and local funding responsibilities, including considering the elimination of unnecessary State mandates, the maximization of shared services, and the
adoption of spending reforms, while ensuring that a quality public education system and other public services are maintained at appropriate levels;

in our State, the people have reserved to themselves the right to alter or reform the State Constitution and therefore the people must ultimately decide how the property tax system should be structured through consideration of a constitutional change;

fundamental changes to the Constitution typically have been made through a constitutional convention, which is convened upon the approval of the voters;

due to the uniquely complex and controversial nature of this issue, long-debated questions on how such a convention should be organized and what issues should be addressed require careful consideration, and will be integral to the success of the convention; and

the immediate convening of a task force of experts for the purpose of making concrete recommendations by a date certain to determine how to bring about all possible property tax relief within the current system and how a constitutional convention to consider systemic change should be composed is imperative to ensure that the long-standing problem of property taxes is addressed in the most effective, efficient and fair way possible.

2. There is hereby established the Property Tax Convention Task Force.

a. The task force shall consist of 15 members: nine members appointed by the Governor; two members appointed by the Senate President, one of whom shall be a member of the public; two members appointed by the Speaker of the General Assembly, one of whom shall be a member of the General Assembly and one of whom shall be a member of the public; one member appointed by the Minority Leader of the Senate who shall be a member of the Senate; and one member appointed by the Minority Leader of the General Assembly who shall be a member of the General Assembly. The members shall have substantial expertise and experience in State and local government matters, constitutional law, public finance or other related areas.

b. The Governor shall appoint the chair of the task force from among its members.

3. The duties of the task force shall be limited to the following:

a. Considering and developing recommendations regarding the process of conducting a constitutional convention designed to change the existing property tax system. Such recommendations shall include, but not be limited to, the recommended method for the selection of delegates to the convention, the appropriate scope of the convention's inquiry and the method for consideration of the convention's recommendations, and shall identify the specific
issues or questions that the convention should consider as well as the estimated costs of the convention.

b. Holding hearings throughout the State for the purpose of receiving input from members of the public on these issues.

c. Issuing a report by December 31, 2004 containing the task force's recommendations for legislative and programmatic changes and, if appropriate, a draft legislative proposal to implement the convening of such a convention.

4. The task force is authorized to call upon any department, office, division or agency of this State to supply it with data and other information or assistance that the task force deems necessary to discharge its duties under this act. Each department, office, division or agency of this State is hereby directed, to the extent not inconsistent with law, to cooperate fully with the task force and to furnish it with such information and assistance as is necessary to accomplish the purposes of this act.

5. The task force shall issue its report by December 31, 2004. The deadline for this report shall not be extended. The report shall be submitted to the Governor and the Legislature, who shall immediately review the task force's report upon its receipt. Each house of the Legislature shall consider the task force's report and legislative proposal or proposals regarding the convening of a constitutional convention within 60 days of receipt of the report.

6. There is hereby appropriated the amount of $250,000 from the General Fund to the task force to effectuate the purposes of this act.

CHAPTER 88

AN ACT concerning elections and amending and supplementing various parts of the statutory law.
CHAPTER 88, LAWS OF 2004

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.19:61-1 Findings, declarations relative to elections.

1. The Legislature finds and declares:
   a. The "Help America Vote Act of 2002," Pub.L.107-252, was enacted by Congress and signed into law by President Bush on October 29, 2002.
   b. The new federal law, based upon recommendations by several national study commissions including the National Commission on Federal Election Reform, resulted from a consensus that the nation's electoral system needs improvements to ensure that every eligible voter has the opportunity to vote, that every vote will be counted that should be counted, and that no legal vote will be canceled by a fraudulent vote.
   c. Accordingly, the "Help America Vote Act of 2002" authorizes substantial amounts of federal aid to the states to fund the purchase of more reliable voting systems, and mandates changes in the conduct of federal elections in all states to ensure greater access to the polls by individuals with disabilities, to provide more information for individuals who wish to vote and better training of poll workers, and to reduce the possibility of fraud.
   d. The "Help America Vote Act of 2002" also clearly defines the rights and privileges of those eligible individuals who seek to vote, including all overseas and military service voters, and seeks to prevent disenfranchisement due to mistaken determinations of ineligibility to vote, the use of outdated voting systems that are unreliable or insufficiently accessible for disabled voters, or unnecessary administrative obstacles.
   e. The purpose of P.L.2004, c.88 (C.19:61-1 et al.) is to begin the process of implementing the changes in New Jersey's election law required by the "Help America Vote Act of 2002" to accomplish the purposes described above, providing a fair, deliberative and consensus-oriented process for enacting election reform required by the federal law, and ensure the timely fulfillment by this State of all requirements for eligibility to receive appropriated federal funds.

2. This act shall be known and may be cited as "The Voting Opportunity and Technology Enhancement Act."

3. There is hereby established in the Department of the Treasury a special, nonlapsing fund to be known as the Federal Elections Assistance Fund.

   The fund is established in accordance with paragraph (b) of section 254 of Pub.L.107-252, (42 U.S.C.15404) for the purpose of receiving:
a. all moneys appropriated or otherwise made available by the State for the purpose of carrying out the activities required by Pub.L.107-252;

b. all payments which will be received from the federal government pursuant to Pub.L.107-252;

c. interest earned on deposits made in the fund; and

d. such other additional amounts as may be appropriated under federal or State law.

The State Treasurer is authorized to transfer into the fund in a timely manner such State moneys as will be necessary to insure that the State qualifies for the maximum amount of federal funds appropriated to implement Pub.L.107-252.

C.19:61-4 Free-access system for information to voters using provisional ballot.

4. The Attorney General shall establish a free-access system, such as a toll-free telephone number, an Internet website or any combination thereof, that any individual who casts a provisional ballot may access to ascertain whether the ballot of that individual was accepted for counting and, if the vote was not counted, the reason for the rejection of the ballot. The system shall at all times preserve the confidentiality of each voter, and shall ensure that no person, other than the individual who cast the ballot, may discover whether or not that individual's ballot was accepted, unless so informed by the voter.

C.19:61-5 Free-access system for information to voters using absentee ballot.

5. The Attorney General shall establish a free-access system, such as a toll-free telephone number, an Internet website or any combination thereof, that any individual who casts an absentee ballot may access to ascertain whether the ballot of that individual was accepted for counting and, if the ballot was not counted, the reason for the rejection of the ballot. The system shall at all times preserve the confidentiality of each voter, and shall ensure that no person, other than the individual who cast the ballot, may discover whether or not that individual's ballot was accepted for counting, unless so informed by the voter. This system may be the same one used for provisional ballots, established pursuant to section 4 of P.L.2004, c.88 (C.19:61-4).

C.19:61-6 Filing of complaint, procedure in Division of Elections, alternative procedure.

6. a. After January 1, 2004, any individual who believes that there is, has been, or will be a violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.) may, pursuant to the procedures set forth in this section established in compliance with the provisions of section 402 of P.L.107-252 (42 U.S.C. 15512), file a complaint with the Division of Elections in the Department of Law and Public Safety seeking appropriate relief with respect to the violation.
b Each such complaint shall be in writing, and shall be notarized, signed, and sworn by the individual filing the complaint. The Attorney General may consolidate all such complaints if the Attorney General deems it appropriate.

c. (1) If, upon administrative inquiry, the Attorney General determines that there is, has been, or will be a violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.), the Attorney General shall order appropriate relief. The complainant may request a hearing on the record, to be conducted in the manner provided for contested cases pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.); otherwise, the order of the Attorney General shall constitute final agency action on the matter and shall be subject to judicial review as provided in the Rules of Court.

(2) If, upon administrative inquiry, the Attorney General determines that there has been, is or will be no violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.), the Attorney General shall reject the claim of the violation and shall so notify the complainant. In that case, the complainant shall be afforded the opportunity for a hearing on the record in the manner provided for contested cases pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). Intervention in this hearing by any other person shall be as provided in the "Administrative Procedure Act." After review of the record of the hearing and the recommendation of the administrative law judge, the Attorney General shall affirm, reject or modify the decision. If, after a hearing, the Attorney General determines that there has been, is or will be a violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.), the Attorney General shall order appropriate relief. If the complainant does not request a hearing following a determination of no violation based upon administrative inquiry or if the Attorney General determines after a hearing that there has been, is or will be no violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.), the Attorney General shall dismiss the complaint and publish the results of the procedures. The decision of the Attorney General shall constitute final agency action on the matter, and shall be subject to judicial review as provided in the Rules of Court.

d. All complaints filed under this section shall be resolved finally by the Attorney General prior to the 90th day after the date that the complaint was filed, unless the complainant consents to a longer period for making such a determination.

e. If the Attorney General fails to meet the 90-day deadline provided in subsection d. of this section, the complaint shall be resolved within 60 days of that deadline under alternative dispute resolution procedures established by the Attorney General for the purpose of this section. The record
and other materials from any proceedings conducted under the complaint procedures established under this section shall be made available for use under the alternative dispute resolution procedures.

f. All of the procedures provided for by this section shall be applied uniformly and not in a manner that discriminates in any way against an individual based on that individual's gender, race, religion, ethnicity or sexual orientation.

g. An individual who believes that there is, or has been, or will be a violation of any provision of Title III of Pub.L.107-252 (42 U.S.C. 15481 et seq.) may, as an alternative to the procedures prescribed in subsections a. through f. of this section, file a complaint in the appropriate Superior Court seeking appropriate relief with respect to the violation. The complaint shall be resolved in an expedited manner.

7. No later than the 90th day following the day of each regularly scheduled general election of candidates for federal office occurring after January 1, 2004, each county board of elections shall submit to the Attorney General for transmittal to the Election Assistance Commission, established pursuant to section 201 of Pub.L.107-252 (42 U.S.C. 15321), a report on the combined number of absentee ballots transmitted to military service voters and overseas federal election voters and the combined number of such ballots which were returned by such voters, judged to be valid, cast and canvassed. The report shall be in the format developed by the commission. The Attorney General shall make copies of each such report available to the general public.

If the voter does not display one of these documents, the voter shall not be permitted to vote by machine but shall instead be provided with a provisional ballot, pursuant to the provisions of P.L.1999, c.232 (C.19:53C-1 et seq.). This subsection shall not apply to any voter entitled to vote by absentee ballot under the "Uniformed and Overseas Citizens Absentee Voting Act" (42 U.S.C. 1973ff-1 et seq.) or to any voter who is provided the right to vote other than in person under section 3 of Pub.L. 98-435, the "Voting Accessibility for the Elderly and Handicapped Act," or any other voter entitled to vote otherwise than in person under any other federal law. This subsection shall also not apply to any person who registers to vote by appearing in person at any voter registration agency or to any person whose voter registration form is delivered to the county commissioner of registration or to the Attorney General, as the case may be, through a third party by means other than by mail delivery.

C.19:53A-2 Use of electronic voting systems; devices, certain, prohibited.

2. a. The board of chosen freeholders of any county may adopt, acquire by purchase, lease, or otherwise, or abandon any electronic voting system or mechanical system authorized herein which has been approved for use in the State, in any election or primary or combination thereof, and may use such system in all or a part of the districts within its boundaries. The county authorities, on the adoption and acquisition of an electronic voting system, shall provide for the payment therefor in such manner as they deem for the best interest of the locality, in such manner as may be provided by law.

b. The provisions of this act shall be controlling with respect to elections where electronic voting systems are used, and shall be liberally construed so as to carry out the purpose and intent of this act. Any provisions of law relating to the conduct of elections which conflict with this act shall not apply to the conduct of elections with an approved electronic voting system.

c. Following the effective date of P.L.2004, c.88 (C.19:61-1 et al.), an electronic voting system that uses a voting device requiring the voter to punch out a hole in a ballot card or pull a mechanical lever as a means of recording the voter's vote shall not be used in any election in any district within this State.

18. Section 3 of P.L.1973, c.82 (C.19:53A-3) is amended to read as follows:

C.19:53A-3 Requirements of electronic voting systems.

3. Every electronic voting system, consisting of a voting device in combination with automatic tabulating equipment, acquired or used in accordance with this act, shall:

a. Provide for voting in secrecy, except in the case of voters who have received assistance as provided by law;

b. Permit each voter to vote at any election for all persons and offices for whom and for which he is lawfully entitled to vote; to vote for or against any question upon which he is entitled to vote; and the automatic tabulating equipment shall reject choices recorded on his ballot if the number of
choices exceeds the number which he is entitled to vote for the office or on
the measure;

c. Permit each voter, at presidential elections, by one mark to vote for
the candidates of that party for president, vice president, and their presiden-
tial electors;

d. Permit each voter, at other than primary elections, to vote for the
nominees of one or more parties and for independent candidates; and per-
sonal choice or write-in candidates;

e. Permit each voter in primary elections to vote for candidates in the
party primary in which he is qualified to vote, and the automatic tabulating
equipment shall reject any votes cast for candidates of another party;

f. Prevent the voter from voting for the same person more than once
for the same office;

g. Be suitably designed for the purpose used, of durable construction,
and may be used safely, efficiently, and accurately in the conduct of elec-
tions and counting ballots;

h. When properly operated, record correctly and count accurately every
vote cast, including all overvotes or undervotes and all affirmative votes or
negative votes on all public questions or referenda.

19. Section 5 of P.L.1973, c.82 (C.19:53A-5) is amended to read as

Such ballots may be counted by automatic tabulating equipment or by special canvassing boards appointed by and under the direction of the county board of elections. A true copy of absentee paper ballots may be made on ballot cards, which after being duly verified, shall forthwith be counted in the same manner as other ballot cards, except that, following the effective date of P.L.2004, c.88 (C.19:61-1 et al.), ballot cards that require a hole to be punched out in the card to record a vote shall not be used in any election in this State. Such paper ballots and ballot cards shall be forthwith marked with corresponding numbers, which numbering shall be done in such manner as not to identify any voter and such marking shall not be considered to be

21. The right to challenge a voter who uses the emergency ballot shall exist until the emergency ballot is deposited in the emergency ballot box. affirmation statements, and a corresponding number of written notices.
Additional provisional ballots, envelopes, and notices shall be available for
delivery to that election district on the day of the election, if necessary.

d. For the general election the provisional ballots shall be printed in ink.
The provisional ballots shall be uniform in size, quality and type and of a

In order to qualify for expedited permit application review pursuant to this section, an applicant shall include with a permit application all necessary documentation, a request for expedited permit application review, and the permit fee established in accordance with subsection d. of this section. The permit application shall be signed by the applicant and by a professional qualified and registered in accordance with subsection e. of this section, certifying that a permit application is complete and that the statutory and regulatory requirements for the permit have been met by the applicant. A copy of the application and the request shall also be submitted to the ombudsman and to the clerk of the municipality and the clerk of the county in which the proposed project is located. A permit application that qualifies for expedited permit application review pursuant to this section shall be subject to the following time frames:
