CHAPTER 3

The waiver shall be in such form as the county, municipality or contracting unit shall prescribe and shall be filed with the county, municipality or contracting unit. In consideration of filing such a waiver, a county,
municipality or contracting unit may pay to the employee annually an amount, to be established in the sole discretion of the county, municipality or contracting unit, which shall not exceed 50% of the amount saved by the county, municipality or contracting unit because of the employee's waiver of coverage. An employee who waives coverage shall be permitted to resume coverage under the same terms and conditions as apply to initial coverage if the employee ceases to be covered through the employee's spouse for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received which represents an advance payment for a period of time during which coverage is resumed. An employee who wishes to resume coverage shall file a declaration with the county, municipality or contracting unit, in such form as the county, municipality or contracting unit shall prescribe, that the waiver is revoked. The decision of a county, municipality or contracting unit to allow its employees to waive coverage and the amount of consideration to be paid therefor shall not be subject to the collective bargaining process.

The waiver shall be in such form as the Director of the Division of Pensions and Benefits shall prescribe and shall be filed with the division. After such waiver has been filed and for so long as that waiver remains in effect, no premium shall be required to be paid by the municipality, the municipal authority, or the county college as the case may be, for the employee or the employee's dependents. Not later than the 180th day after the date on which the waiver is filed, the division shall refund to the municipality, the municipal authority or the county college the amount of any premium previously paid by the municipality, the municipal authority or the county college with respect to any period of coverage which followed the filing date. In consideration of filing such a waiver, a municipality, a municipal authority or a county college may pay to the employee annually an amount, to be
established in the sole discretion of the municipality, the municipal authority or the county college, which shall not exceed 50% of the amount saved by the municipality, the municipal authority or the county college because of the employee's waiver of coverage. An employee who waives coverage shall be permitted to immediately resume coverage if the employee ceases to be covered through the employee's spouse for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the municipality, the municipal authority or the county college which represents an advance payment for a period of time during which coverage is resumed. An employee who wishes to resume coverage shall notify the municipality, the municipal authority or the county college in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked. The decision of a municipality, a municipal authority or a county college to allow its employees to waive coverage and the amount of consideration to be paid therefor shall not be subject to the collective bargaining process.

C.18A:64A-13.1 County college employee permitted to waive health care coverage.

3. Notwithstanding the provisions of any other law to the contrary, a county college that enters into a contract providing group health care benefits to its employees may allow any employee who is eligible for other health care coverage to waive coverage under the county college's plan to which the employee is entitled by virtue of employment with the county college. The waiver shall be in such form as the county college shall prescribe and shall be filed with the county college. In consideration of filing such a waiver, a county college may pay to the employee annually an amount, to be established in the sole discretion of the county college, which shall not exceed 50% of the amount saved by the county college because of the employee's waiver of coverage. An employee who waives coverage shall be permitted to resume coverage under the same terms and conditions as apply to initial coverage if the employee ceases to be covered through the other health care coverage for any reason, including, but not limited to, the retirement or death of the employee's spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received which represents an advance payment for a period of time during which coverage is resumed. An employee who wishes to resume coverage shall file a declaration with the county college in such form as the county college shall prescribe, that the waiver is revoked. The decision of a county college to allow its employees to waive coverage and the amount of consideration to be paid therefor shall not be subject to the collective bargaining process.
4. This act shall take effect immediately.

CHAPTER 4

AN ACT concerning the implementation of school breakfast programs and supplementing Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:33-9 Findings, declarations relative to school breakfast programs.

1. The Legislature finds and declares that:
   a. The School Breakfast Program is a federally assisted meal program operating in public and nonprofit private schools and residential child care institutions nationwide, and supplying to each participating child at least one-fourth of the nutrients needed daily;
   b. The School Breakfast Program was established by the federal government in 1966 with the purpose of providing a nutritious, well-balanced breakfast to promote sound eating habits, and fostering good health and academic achievement for school-age children;
   c. New Jersey ranks fiftieth in the nation for participation in the School Breakfast Program by schools offering school lunch, and has seen only modest increases in participation in recent years;
   d. Research shows that school breakfast increases attendance and decreases tardiness, improves academic performance both in class and on standardized tests, improves attentiveness, and reduces emotional and behavioral problems among students from all backgrounds; and
   e. Therefore, it is clearly in the public interest for the State to require that school districts with large populations of students eligible for federally subsidized meals offer the School Breakfast Program and publicize the program in their communities.

C.18A:33-10 Establishment of School Breakfast Program in certain schools.

2. a. A public school operated by a local or regional school district of the State in which 20% or more of the students enrolled in the school on October 1 of the preceding school year were eligible for free or reduced price meals under the federal School Lunch Program or the federal School Breakfast Program, shall establish a School Breakfast Program in the school.
   
   The school district shall submit a plan for the establishment of school breakfast programs for each school in the district subject to the requirements of this section that is in compliance with and pursuant to the School Breakfast
CHAPTER 4, LAWS OF 2003

Program administered by the State Department of Agriculture. The plan for each school shall be submitted to the Department of Agriculture by the date required by subsection b. of this section in a form and manner prescribed by the Secretary of Agriculture.

b. (1) A school district shall submit a plan for all grades of each school that has one or more of the grades pre-K through sixth grade and for which a plan is required by subsection a. of this section on or before November 1, 2003.

(2) A school district shall submit a plan for all grades of each school that is not described in paragraph (1) of this subsection and for which a plan is required by subsection a. of this section on or before November 1, 2004.

c. The Department of Agriculture, in consultation with the Department of Education, shall review each school breakfast plan submitted pursuant to this section and make recommendations, if necessary, on how the school breakfast program can operate within the limits of the federal and State reimbursement rates for the federal School Breakfast Program.

d. The Department of Agriculture shall notify each school district that submits a school breakfast plan pursuant to this section of the completion of the department's review and any recommended changes to the plan, within three months of the receipt of the plan, but no later than the February 1 following the date required for submission of the plan pursuant to subsection b. of this section.

e. A school district subject to the requirements of this section shall establish a school breakfast program in each of its schools, based on the plan submitted by the school district to the Department of Agriculture, by September 1, 2004 for schools for which plans are required to be submitted by paragraph (1) of subsection b. of this section and by September 1, 2005 for schools for which plans are required to be submitted by paragraph (2) of subsection b. of this section.

f. (1) If a school district does not submit a school breakfast plan to the Department of Agriculture pursuant to subsection a. of this section by the date required by subsection b. of this section, it shall establish a school breakfast program in each of its schools in which a program is required pursuant to subsection a. of this section based on a model plan provided by the department.

(2) The model plan shall include recommendations on how the school breakfast program can operate within the limits of the federal and State reimbursement rates for the federal School Breakfast Program.

(3) The Department of Agriculture shall provide the model plan to the school district no later than March 1, 2004 for schools for which plans are required to be submitted by paragraph (1) of subsection b. of this section and by March 1, 2005 for schools for which plans are required to be submitted by paragraph (2) of subsection b. of this section and the school district shall
establish the school breakfast program in each of its schools based on the plan by September 1, 2004 for schools for which plans are required to be submitted by paragraph (1) of subsection b. of this section and by September 1, 2005 for schools for which plans are required to be submitted by paragraph (2) of subsection b. of this section.

3. In implementing a school breakfast program under this act, a school district shall:
   a. publicize the availability of the school breakfast program to parents and students;
   b. make every effort to ensure that income-eligible students are not recognized as program participants by the student body, faculty, or staff in a manner distinct from student participants who are not income-eligible. Such efforts shall include, but not be limited to, the establishment of a meal plan or voucher system under which students receiving subsidized breakfasts are not distinguished from students receiving non-subsidized breakfasts; and
   c. make every effort to encourage students who are not income-eligible to participate in the program.

C.18A:33-12 One-year waiver permitted under certain circumstances.

4. a. The Department of Agriculture may grant a one-year waiver of the requirements of this act to a school in a school district subject to the requirements of this act that lacks the staff, facilities or equipment to offer a school breakfast program, or the means to finance the hiring or acquisition of such staff, facilities or equipment, if the district submits a school breakfast plan to the department pursuant to the requirements of section 2 of P.L.2003, c.4 (C.18A:33-10) and requests a waiver for the specific school.
   b. A school district that requests a waiver pursuant to this section shall provide such information as the Department of Agriculture shall specify pursuant to regulation to justify the request. The information shall include, but not be limited to, a description of the specific impediments to implementing the program, the specific actions that will be taken to remove those impediments, and the specific steps required to successfully implement the program in the following school year.

5. Nothing in this act shall be construed to prevent a school district not subject to this act from implementing a school breakfast program pursuant to section 2 of this act.

6. The Department of Agriculture, in consultation with the Department of Education, shall adopt rules and regulations, pursuant to the "Administrative
CHAPTER 6, LAWS OF 2003

AN ACT concerning penalties for violations of certain laws pertaining to shellfish and marine fisheries, amending P.L.1979, c.199, and amending and supplementing P.L.1979, c.321 (C.58:24-1 et seq.)
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 73 of P.L.1979, c.199 (C.23:2B-14) is amended to read as follows:

C.23:2B-14 "Act" defined, penalties; enforcement.

73. For purposes of this section, the "act" means and includes all the new sections and amended sections contained herein, all the remaining sections of Title 50 of the Revised Statutes, sections 23:3-41, 23:3-46, 23:3-47, 23:3-48, 23:3-51, 23:3-52, 23:5-9, 23:5-16, 23:9-114, 23:9-115 and 23:9-120 of Title 23 of the Revised Statutes, and sections 1, 2, and 3 of P.L.1941, c.211 (C.23:5-24.1 to 23:5-24.3).

The commissioner may utilize any or all of the following remedies for any violation of this act:

a. (1) A person who violates the provisions of this act or of any rule, regulation, license or permit adopted or issued pursuant to this act shall be liable to a penalty of not less than $300 or more than $3,000 for the first offense and not less than $500 or more than $5,000 for any subsequent offense, unless the commissioner has established an alternate penalty for a specific offense pursuant to paragraph (2) of this subsection.

(2) The Commissioner of Environmental Protection, with the approval of the Marine Fisheries Council, may, by regulation, establish a penalty schedule for any specific violation of this act or of any rule or regulation adopted pursuant to this act. No such penalty may be less than $30 or more than $100 for the first offense or less than $50 or more than $200 for any subsequent offense. Any penalty provided for by this act or by the fee schedule adopted by the commissioner shall be collected in a civil action by a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). The Superior Court or any municipal court shall have jurisdiction to enforce the "Penalty Enforcement Law of 1999." If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense.

b. (1) A person who violates the provisions of this act or any rule or regulation or any license or permit adopted or issued pursuant to this act shall be liable to the revocation or suspension of any license or permit held by the violator pursuant to this act for such period of time as the court may choose, except when the rule or regulation violated includes a mandatory revocation or suspension schedule in which case that schedule shall determine the period of time of the revocation or suspension.

(2) In the case of a person who knowingly violates the provisions of R.S.50:2-11, R.S.50:3-13, R.S.50:4-2 or R.S.50:4-3, or any rule or regulation
CHAPTER 8, LAWS OF 2003

or any license or permit adopted or issued pursuant thereto, the violator shall be subject to a mandatory revocation or suspension of the license or permit or privilege for the taking of oysters, clams or other shellfish held by the violator, or in the case of a violator without the necessary license or permit the loss of the privilege to take oysters, clams or other shellfish, for a period of three years for a first offense, five years for a second offense, and 10 years for the third and any subsequent offense. For purposes of this paragraph, a knowing violator shall include, but need not be limited to: (a) a person who is the holder of a commercial shellfish license or permit; (b) a person who is the holder of a recreational shellfish license or permit who is in possession of more than the daily recreational shellfish limit; (c) a person without any shellfish license or permit who is in possession of more than the daily recreational shellfish limit; (d) a person who is the holder of a recreational shellfish license or permit who is engaging in shellfish activities with the holder of a commercial shellfish license or permit; or (e) a person without the necessary shellfish license or permit who is engaging in shellfish activities with the holder of a commercial shellfish license or permit.

c. If a person violates any of the provisions of this act, or any rule or regulation or any license or permit adopted or issued pursuant to this act, the department may institute a civil action in a court of competent jurisdiction for injunctive relief to prohibit and prevent the violation or violations and the court may proceed in the action in a summary manner.

The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

d. In addition to the penalties prescribed by this section, a person who violates the provisions of R.S.50:2-11, R.S.50:3-13, R.S.50:4-2 or R.S.50:4-3, or any rule or regulation or any license or permit adopted or issued pursuant thereto, shall be subject to the forfeiture of any vessel, vehicle, or equipment used in the commission of the violation. A designated conservation officer of the Department of Environmental Protection, a member of the State Police, or any other law enforcement officer may seize and secure any vessel, vehicle, or equipment used in the commission of such a violation. Upon the seizure of the vessel, vehicle, or equipment, the conservation officer, member of the State Police, or other law enforcement officer shall immediately thereafter institute a civil action to determine if the forfeiture is warranted in the court in which the penalty action was filed pursuant to this section, which court shall have jurisdiction to adjudicate the forfeiture action. The owner or any person having a security interest in the vessel, vehicle, or equipment may secure its release by depositing with the clerk of the court in which the action is pending a bond with good and sufficient sureties in an amount to be fixed by the court,
conditioned upon the return of the vessel, vehicle, or equipment to the Department of Environmental Protection upon demand after completion of the court proceeding. The court may proceed in a summary manner and may direct the confiscation of the vessel, vehicle, or equipment by the department for its use or for disposal by sale or public auction. Moneys collected by the department through the sale or public auction of the vessel, vehicle, or equipment shall be used by the Division of Fish and Wildlife for the enforcement of the provisions of this act.

2. Section 4 of P.L.1979, c.321 (C.58:24-4) is amended to read as follows:

   4. For the purposes of P.L.1979, c.321 (C.58:24-1 et seq.), the distribution, sale, offering for sale, or having in possession with intent to distribute or sell, any oysters, clams or other shellfish shall be prima facie evidence that such shellfish were intended for use as food.

3. Section 6 of P.L.1979, c.321 (C.58:24-6) is amended to read as follows:

   6. The department may make such specific orders regarding the growing and handling of oysters, clams or other shellfish and the disposal of polluting matter which may affect the purity of oysters, clams or other shellfish, as it may deem necessary to enforce the provisions of P.L.1979, c.321 (C.58:24-1 et seq.).

4. Section 9 of P.L.1979, c.321 (C.58:24-9) is amended to read as follows:

   9. A person who violates any of the provisions of P.L.1979, c.321 (C.58:24-1 et seq.) or any rule, regulation, order or permit adopted or issued pursuant thereto is guilty of a petty disorderly persons offense and a person convicted of a subsequent offense is guilty of a disorderly persons offense.

5. Section 10 of P.L.1979, c.321 (C.58:24-10) is amended to read as follows:

   10. Any vessel, vehicle, or equipment used in violation of P.L.1979, c.321 (C.58:24-1 et seq.) or any rule, regulation, order or permit issued or adopted pursuant thereto may be confiscated and forfeited. The department may seize and secure any vessel, vehicle, or equipment and shall immediately thereafter give notice thereof to a court located in the county where the seizure is made.
which shall, at an appointed time and place, summarily hear and determine whether the vessel, vehicle, or equipment was unlawfully used and if it does so determine, it may direct the confiscation and forfeiture of the vessel, vehicle, or equipment to the use of the department. The Commissioner of Environmental Protection may dispose of any confiscated and forfeited vessel, vehicle, or equipment at the commissioner's discretion. Nothing contained in P.L.1979, c.321 (C.58:24-1 et seq.) shall be construed to limit the powers and responsibilities of the Department of Health and Senior Services pursuant to any provisions of Title 24 of the Revised Statutes.

C.58:24-10.1 Additional penalties.

6. a. In addition to the penalties prescribed in sections 9 and 10 of P.L.1979, c.321 (C.58:24-9 and 58:24-10), a person who knowingly violates any of the provisions of P.L.1979, c.321 (C.58:24-1 et seq.), or any rule, regulation, order or permit adopted or issued pursuant thereto, shall be subject to the mandatory revocation or suspension of any license or permit or privilege required by the Department of Environmental Protection for the taking of oysters, clams or other shellfish, or in the case of a violator without the necessary license or permit the loss of the privilege to take oysters, clams or other shellfish, for a period of three years for a first offense, five years for a second offense, and 10 years for the third offense and any subsequent offense.

b. For purposes of this section, a knowing violator shall include, but need not be limited to (1) a person who is the holder of a commercial shellfish license or permit, (2) a person who is the holder of a recreational shellfish license or permit who is in possession of more than the daily recreational shellfish limit, (3) a person without any shellfish license or permit who is in possession of more than the daily recreational shellfish limit, (4) a person who is the holder of a recreational shellfish license or permit who is engaging in shellfish activities with the holder of a commercial shellfish license or permit, or (5) a person without the necessary shellfish license or permit who is engaging in shellfish activities with the holder of a commercial shellfish license or permit.

2. This act shall take effect immediately.

CHAPTER 12

AN ACT limiting liability of dissolved limited liability companies to creditors in certain circumstances and supplementing P.L. 1993, c.210 (C.42:2B-1 et seq.).
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.42:2B-49.1 Notice by dissolved company requiring creditors to present claims in writing; "creditor" defined.

1. a. At any time after a limited liability company has been dissolved, the limited liability company, the liquidating trustee or a receiver appointed for the limited liability company may give notice requiring all creditors to present their claims in writing. The notice shall be published three times, once in each of three consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the limited liability company is located and shall state that all persons who are creditors of the limited liability company shall present written proof of their claims to the limited liability company, the liquidating trustee or a receiver appointed for the limited liability company at a place and on or before a date named in the notice, which date shall not be less than six months after the date of the first publication.

b. On or before the date of the first publication of the notice as provided in subsection a. of this section, the limited liability company, the liquidating trustee or a receiver appointed for the limited liability company shall mail a copy of the notice to each known creditor of the limited liability company. The giving of this notice shall not constitute recognition that any person to whom that notice is directed is a creditor of the limited liability company other than for the purpose of receipt of notice hereunder.

c. Proof of the publication and mailing authorized by this section shall be made by an affidavit filed with the Division of Commercial Recording in the Department of the Treasury.

d. As used in this act, "creditor" means all persons to whom the limited liability company is indebted, and all other persons who have claims or rights against the limited liability company, whether liquidated or unliquidated, matured or unmatured, direct or indirect, absolute or contingent, secured or unsecured.

C.42:2B-49.2 Creditors not complying barred from suing, exceptions.

2. Any creditor who does not file a claim as provided within the time limit specified in the notice given pursuant to section 1 of this act, and all those claiming through the creditor or under the claim, shall be forever barred from suing on the claim or otherwise realizing upon or enforcing it except, in the case of a creditor who shows good cause for not having previously filed a claim, to the extent the Superior Court may allow:

a. against the limited liability company to the extent of any undistributed assets; or
b. if the undistributed assets are not sufficient to satisfy a claim, against a member to the extent of the member's ratable part of the claim, out of the assets of the limited liability company distributed to the member in dissolution. This section shall not apply to claims which are in litigation on the date of the first publication of the notice pursuant to section 1 of this act.

3. This act shall take effect immediately.

CHAPTER 13

AN ACT concerning motor vehicles, abolishing the Division of Motor Vehicles in the Department of Transportation, establishing the New Jersey Motor Vehicle Commission and revising parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:2A-1 Short title.
1. Sections 1 through 30, 32 through 35, 40, 41, 105, 109, 110 and 120 through 123 of this act shall be known and may be cited as "The Motor Vehicle Security and Customer Service Act."

2. The Legislature finds and declares that:
   a. The Division of Motor Vehicle Services (DMV) is one of the State's principal customer service agencies with regular and direct contact with virtually every citizen;
   b. The DMV has over 15 million contacts a year with the public, including 39 million transactions, more than any other State agency;
   c. The DMV has responsibility for issuing and certifying motor vehicle driver's licenses, ensuring the proper registration of motor vehicles, as well as conducting safety and emissions inspections of motor vehicles;
   d. The public expects courteous, efficient and accessible service from government agencies, including the DMV;
   e. The DMV's failed security systems are contributing to a growing national problem of identity theft that is costing New Jersey and the nation millions of dollars each week;
   f. In the past, the DMV has been unable to deal with fraud and corruption because of inadequate funding, training, security, internal controls and oversight;
g. The DMV must improve its security system and equipment, and its fraud detection, training and monitoring so that fraudulent driver’s licenses, such as those used in the furtherance of terroristic activities, will be eliminated;

h. Internal audits and controls and investigations are also needed to detect patterns of fraud, theft, corruption, identity theft and mismanagement in the issuance of driver’s licenses, registrations, and titles because DMV documents must be more resistant to compromise;

i. Criminals have used counterfeit passports, Social Security cards, county identification cards, pay stubs and W-2 forms to obtain fraudulent driver’s licenses and identification cards in furtherance of identity-theft schemes;

j. Proper identification must be required at all phases of the licensing and driver testing process to assure that only those persons qualified to legally obtain licenses do so;

k. It is essential that DMV records be matched with Social Security Administration records in order to verify the validity of Social Security numbers in DMV databases;

l. Cameras, armed security guards, panic buttons, alarms, safety upgrades, card access systems and door replacements are needed in order to prevent fraud;

m. Employees or agents of the DMV should be required to undergo background checks and fingerprinting;

n. Cleaning crews and maintenance workers at DMV facilities must be supervised by DMV employees to ensure the security of DMV records;

o. In a time of rapidly changing information technology and Internet communications, the DMV lacks an information technology plan to bring it to the 21st Century and still operates on a decades-old computer network with patchwork hardware, antiquated software and obsolete display terminals that lack processing abilities;

p. Previous DMV efforts to implement complex technological mandates have failed, due to bureaucratic mismanagement, inefficient planning and inadequate oversight, as characterized by reports of the State Commission of Investigation;

q. The DMV has become a reactive agency, struggling to keep up with the demands of newly legislated responsibilities, and without the necessary resources to prevent fraud and corruption at its front-line agencies and without the ability to provide even adequate service to its six million customers;

r. The DMV needs a strategic business plan, which is a key to the operation of an agency, and must work within the confines of such plan in an effort to adopt best practices, improve customer service and gain back the confidence of New Jersey citizens and the Legislature;

s. The DMV’s privatization of some of its agencies in July 1995 has created poor, disjointed and confused service delivery without consistency
among the agencies in terms of policies and procedures, which has led to confusion and frustration in the minds of New Jersey citizens;

t. The DMV privatization has also resulted in poorly paid employees who have received inadequate benefits, resulting in a high turnover rate at DMV agencies;

u. A major benefit to a State-operated DMV system is the ability to centralize anti-fraud policies and procedures;

v. Historically, the privately-operated local motor vehicle agencies have been plagued with long lines, poor customer service and inadequate business practices that have routinely caused network delays and failures for hours at a time;

w. The DMV would be in a better position to plan for long-term improvements, replacements and daily operations if it had a dedicated and consistent source of funding;

x. In order to address the various problems with the DMV, a "FIX DMV Commission" was formed on April 25, 2002, by Governor's Executive Order Number 19 to conduct a comprehensive review of the DMV and to make recommendations on the restructuring and reorganization of the agency;

y. The "FIX DMV Commission" has reported that the DMV is in crisis and has recommended that a New Jersey Motor Vehicle Commission be formed in, but not of, the Department of Transportation to replace the current New Jersey Division of Motor Vehicles with the purposes of: (1) identifying and regulating drivers and motor vehicles to deter unlawful and unsafe acts; (2) identifying and correcting vehicle defects and limiting the amount of vehicle-produced air pollution; (3) focusing on and responding to customer service and security issues; and (4) effectuating change by bringing greater attention and resources to the needs of the organization;

z. It is therefore in the public interest to create a New Jersey Motor Vehicle Commission, the duties of which would include, but not be limited to: (1) addressing the multitude of functions assigned to it while curtailing fraudulent and criminal activities that present threats to the State's security system; (2) following a multi-year strategic business plan that is constantly reviewed and updated, thus avoiding the need for the cyclical reforms that have characterized its history; and (3) conducting operations on a fiscal year budget, controlling fees sufficient to fund the budget, adopting regulations regarding processes and fees; and implementing an annual strategic business plan.

3. As used in this act:

"Agency" or "motor vehicle agency" means that enterprise run by an agent designated by the commission to be the commission's agent for the registering
CHAPTER 14, LAWS OF 2003

of motor vehicles, issuing registration certificates and licensing of drivers, as provided in R.S.39:3-3 and R.S.39:10-25.

"Agent" or "Motor Vehicle Agent" means a person designated as agent in R.S.39:3-3 and R.S.39:10-25.

"Chair" means the chair of the commission.

"Chief Administrator" or "administrator" means the chief administrator of the commission.

"Commission" means the New Jersey Motor Vehicle Commission established and created by section 4 of this act.

"Commissioner" means the Commissioner of Transportation of this State.

"Department" means the Department of Transportation of this State.

"Deputy Chief Administrator" or "deputy administrator" means the deputy chief administrator of the commission and all references in any law, rule, regulation or order to the Deputy Director of the division shall mean and refer to the deputy administrator.

"Director" means the Director of the Division of Motor Vehicles.

6. a. (Deleted by amendment, P.L.1997, c.151.)

b. There is created a New Jersey Merit Rating Plan which shall apply to all drivers and shall include, but not be limited to, the following provisions:

(1) (a) Plan surcharges shall be levied, beginning on or after January 1, 1984, by the New Jersey Motor Vehicle Commission (hereafter the "commission") established by section 4 of P.L.2003, c.13 (C.39:2A-4) on any driver who, in the preceding 36-month period, has accumulated six or more motor vehicle points, as provided in Title 39 of the Revised Statutes; except that the allowance for a reduction of points in Title 39 of the Revised Statutes shall not apply for the purpose of determining surcharges under this paragraph. The accumulation of points shall be calculated as of the date the point violation is posted to the driver history record and shall be levied pursuant to rules promulgated by the commission. Surcharges assessed pursuant to this paragraph shall be $100.00 for six points, and $25.00 for each additional point. No offense shall be selected for billing which occurred prior to February 10, 1983. No offense shall be counted for billing in more than three annual assessments.

(b) (Deleted by amendment, P.L.1984, c.1.)

(2) Plan surcharges shall be levied for convictions (a) under R.S.39:4-50 for violations occurring on or after February 10, 1983, and (b) under section 2 of P.L.1981, c.512 (C.39:4-50.4a), or for offenses committed in other
jurisdictions of a substantially similar nature to those under R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), for violations occurring on or after January 26, 1984. Except as hereinafter provided, surcharges under this paragraph shall be levied annually for a three-year period, and shall be $1,000.00 per year for each of the first two convictions, for a total surcharge of $3,000 for each conviction, and $1,500.00 per year for the third conviction occurring within a three-year period, for a total surcharge of $4,500 for the third conviction. If a driver is convicted under both R.S.39:4-50 and section 2 of P.L.1981, c.512 (C.39:4-50.4a) for offenses arising out of the same incident, the driver shall be assessed only one surcharge for the two offenses.

If, upon written notification from the commission or its designee, mailed to the last address of record with the commission, a driver fails to pay a surcharge levied under this subsection, the driving privilege of the driver shall be suspended forthwith until the minimum payment requirement as set forth by rule of the commission is paid to the commission; except that the commission may authorize payment of the surcharge on an installment basis over a period not to exceed 12 months for assessments under $2,300 or 24 months for assessments of $2,300 or more. If a driver fails to pay the surcharge or any installments on the surcharge, the total surcharge shall become due immediately, except as otherwise prescribed by rule of the commission.

The commission may authorize any person to pay the surcharge levied under this section by use of a credit card, debit card or other electronic payment device, and the administrator is authorized to require the person to pay all costs incurred by the commission in connection with the acceptance of the credit card, debit card or other electronic payment device. If a surcharge or related administrative fee is paid by credit or debit cards or any other electronic payment device and the amount is subsequently reversed by the credit card company or bank, the driving privilege of the surcharged driver shall be suspended and the driver shall be subject to the fee imposed for dishonored checks pursuant to section 31 of P.L.1994, c.60 (C.39:5-36.1).

In addition to any other remedy provided by law, the commission is authorized to utilize the provisions of the SOIL (Set off of Individual Liability) program established pursuant to P.L.1981, c.239 (C.54A:9-8.1 et seq.) to collect any surcharge levied under this section that is unpaid on or after the effective date of this act. As an additional remedy, the commission may issue a certificate to the Clerk of the Superior Court stating that the person identified in the certificate is indebted under this surcharge law in such amount as shall be stated in the certificate. The certificate shall reference the statute under which the indebtedness arises. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon the record of docketed judgments the name of such person as debtor; the State as creditor; the address of such person, if shown in the certificate; the amount of the debt so certified; a reference
to the statute under which the surcharge is assessed, and the date of making such entries. The docketing of the entries shall have the same force and effect as a civil judgment docketed in the Superior Court, and the commission shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to any right of appeal. Upon entry by the clerk of the certificate in the record of docketed judgments in accordance with this provision, interest in the amount specified by the court rules for post-judgment interest shall accrue from the date of the docketing of the certificate, however payment of the interest may be waived by the commission or its designee. In the event that the surcharge remains unpaid following the issuance of the certificate of debt and the commission takes any further collection action including referral of the matter to the Attorney General or his designee, the fee imposed, in lieu of the actual cost of collection, may be 20 percent of surcharges of $1,000 or more. The administrator or his designee may establish a sliding scale, not to exceed a maximum amount of $200, for surcharge principal amounts of less than $1,000 at the time the certificate of debt is forwarded to the Superior Court for filing. The commission shall provide written notification to a driver of the proposed filing of the certificate of debt at least 10 days prior to the proposed filing; such notice shall be mailed to the driver's last address of record with the commission. If a certificate of debt is satisfied following a credit card payment, debit card payment or payment by other electronic payment device and that payment is reversed, a new certificate of debt shall be filed against the surcharged driver unless the original is reinstated.

If the administrator or his designee approves a special payment plan for repayment of the certificate of debt, and the driver is complying with the approved plan, the plan may be continued for any new surcharge not part of the certificate of debt.

All moneys collectible under this subsection b. shall be billed and collected by the commission except as provided in P.L.1997, c.280 (C.2B:19-10 et al.) for the collection of unpaid surcharges. Commencing on September 1, 1996, or such earlier time as the Commissioner of Banking and Insurance shall certify to the State Treasurer that amounts on deposit in the New Jersey Automobile Insurance Guaranty Fund are sufficient to satisfy the current and anticipated financial obligations of the New Jersey Automobile Full Insurance Underwriting Association, all plan surcharges collected by the commission under this subsection b. shall be remitted to the Division of Motor Vehicles Surcharge Fund for transfer to the Market Transition Facility Revenue Fund, as provided in section 12 of P.L.1994, c.57 (C.34:1B-21.12), for the purposes of section 4 of P.L.1994, c.57 (C.34:1B-21.4) until such a time as all the Market Transition Facility bonds, notes and obligations and all Motor Vehicle Commission bonds,
notes and obligations issued pursuant to that section 4 of P.L.1994, c.57 (C.34:1B-21.4) and the costs thereof are discharged and no longer outstanding. From the date of certification by the Commissioner of Banking and Insurance that the moneys collectible under this subsection are no longer needed to fund the association or at such a time as all Market Transition Facility bonds, notes and obligations issued pursuant to section 4 of P.L.1994, c.57 (C.34:1B-21.4) and the costs thereof are discharged and no longer outstanding moneys collectible under this subsection shall, subject to appropriation, be remitted to the New Jersey Property-Liability Insurance Guaranty Association created pursuant to section 6 of P.L.1974, c.17 (C.17:30A-6) to be used for payment of any loans made by that association to the New Jersey Automobile Insurance Guaranty Fund pursuant to paragraph (10) of subsection a. of section 8 of P.L.1974.c.17 (C.17:30A-8); provided that all such payments shall be subject to and dependent upon appropriation by the State Legislature.

(3) In addition to any other authority provided in P.L.1983, c.65 (C.17:29A-33 et al.), the commissioner, after consultation with the commission, is specifically authorized (a) (Deleted by amendment, P.L.1994, c.64), (b) to impose, in accordance with paragraph (1)(a) of this subsection, surcharges for motor vehicle violations or convictions for which motor vehicle points are not assessed under Title 39 of the Revised Statutes, or (c) to reduce the number of points for which surcharges may be assessed below the level provided in paragraph (1)(a) of this subsection, except that the dollar amount of all surcharges levied under the New Jersey Merit Rating Plan shall be uniform on a Statewide basis for each filer, without regard to classification or territory. Surcharges adopted by the commissioner on or after January 1, 1984 for motor vehicle violations or convictions for which motor vehicle points are not assessable under Title 39 of the Revised Statutes shall not be retroactively applied but shall take effect on the date of the New Jersey Register in which notice of adoption appears or the effective date set forth in that notice, whichever is later.

c. No motor vehicle violation surcharges shall be levied on an automobile insurance policy issued or renewed on or after January 1, 1984, except in accordance with the New Jersey Merit Rating Plan, and all surcharges levied thereunder shall be assessed, collected and distributed in accordance with subsection b. of this section.

c. If the information from the criminal history record background check discloses that a prospective or current employee has a record of criminal history, the commission shall review the information with respect to the type and date of the criminal offense to determine if the person is qualified for employment with the commission. f. Notwithstanding the provisions of subsection b. or c. of this section, an individual shall not be disqualified from employment or service on the basis of any conviction disclosed by a criminal history record background check performed pursuant to this act if the individual has affirmatively demonstrated to the administrator, clear and convincing evidence of the individual's rehabilitation. If the applicant is disqualified, the basis for the disqualification shall be identified in the written notice to the applicant.

c. The applicant shall have 30 days from the postmarked date of the written notice of disqualification to challenge the accuracy of the criminal history record information. If no challenge is filed or if the determination of the accuracy of the criminal history record information upholds the disqualification, the applicant's disqualification for a commercial driver's license, with a hazardous material endorsement, a tank vehicle endorsement or both will stand.

d. The commission, in a manner not inconsistent with appropriate federal requirements, shall provide by regulation the grounds upon which an applicant may be disqualified.

37. R.S.39:3-10 is amended to read as follows:

Licensing of drivers; classifications.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless the person is under supervision while participating in a behind-the-wheel driving course pursuant to section 6 of P.L.1977, c.25 (C.39:3-13.2a) or is in possession of a validated permit, or a provisional or basic driver's license issued to him in accordance with this article.

No person under 18 years of age shall be issued a basic license to drive motor vehicles, nor shall a person be issued a validated permit, including a validated examination permit, until he has passed a satisfactory examination and other requirements as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road. No person shall sit for an examination for any permit without exhibiting photo identification deemed acceptable by the commission, unless that person is a high school student participating in a course of driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). The commission may waive the written law knowledge examination for any person 18 years of age or older possessing a valid driver's license issued by any other state, the District of Columbia or the United States Territories of American Samoa, Guam, Puerto Rico or the Virgin Islands. The commission shall be required to provide that person with a booklet that highlights those motor vehicle laws unique to New Jersey. A road test shall be required for a provisional license and serve as a demonstration of the applicant's ability to operate a vehicle of the class designated. No person shall sit for a road test unless that person exhibits photo identification deemed acceptable by the commission. A high school student who has completed a course of behind-the-wheel automobile driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, who has been issued a special learner's permit pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1) prior to January 1, 2003, shall not be required to exhibit photo identification in order to sit for a road test. The commission may waive the
road test for any person 18 years of age or older possessing a valid driver's license issued by any other state, the District of Columbia or the United States Territories of American Samoa, Guam, Puerto Rico or the Virgin Islands. The road test shall be given on public streets, where practicable and feasible, but may be preceded by an off-street screening process to assess basic skills. The commission shall approve locations for the road test which pose no more than a minimal risk of injury to the applicant, the examiner and other motorists. No new locations for the road test shall be approved unless the test can be given on public streets.

The commission shall issue a basic driver's license to operate a motor vehicle other than a motorcycle to a person over 18 years of age who previously has not been licensed to drive a motor vehicle in this State or another jurisdiction only if that person has: (1) operated a passenger automobile in compliance with the requirements of this title for not less than one year, not including any period of suspension or postponement, from the date of issuance of a provisional license pursuant to section 4 of P.L. 1950, c. 127 (C.39:3-13.4); (2) not been assessed more than two motor vehicle points; (3) not been convicted in the previous year for a violation of R.S. 39:4-50, section 2 of P.L. 1981, c. 512 (C.39:4-50.4a), P.L. 1992, c. 189 (C.39:4-50.14), R.S. 39:4-129, N.J.S. 2C:11-5, subsection c. of N.J.S. 2C:12-1, or any other motor vehicle-related violation the commission determines to be significant and applicable pursuant to regulation; and (4) passed an examination of his ability to operate a motor vehicle pursuant to this section.

The commission shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health and Senior Services concerning the use of alcohol or drugs as related to highway safety. The commission shall develop in conjunction with the State Department of Health and Senior Services supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Up to 20 questions may be added to the examination on subjects to be determined by the commission that are of particular relevance to youthful drivers, after consultation with the Director of the Office of Highway Traffic Safety.

The commission shall expand the driver's license examination to include a question asking whether the applicant is aware of the provisions of the "Uniform Anatomical Gift Act," P.L. 1969, c. 161 (C.26:6-57 et seq.) and the procedure for indicating on the driver's license the intention to make a donation of body organs or tissues pursuant to P.L. 1978, c. 181 (C.39:3-12.2).

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the commission any current
driver's license issued to him by another state or jurisdiction upon his receipt of a driver's license for this State. The commission shall refuse to issue a driver's license if the applicant fails to comply with this provision. An applicant for a permit or license who is less than 18 years of age, and who holds a permit or license for a passenger automobile issued by another state or country that is valid or has expired within a time period designated by the commission, shall be subject to the permit and license requirements and penalties applicable to State permit and license applicants who are of the same age; except that if the other state or country has permit or license standards substantially similar to those of this State, the credentials of the other state or country shall be acceptable.

The commission shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering.

b. Omnibuses as classified by R.S.39:3-10.1 and school buses classified under N.J.S.18A:39-1 et seq.

c. (Deleted by amendment, P.L.1999, c.28).

d. All motor vehicles not included in classifications a. and b. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. shall be a holder of a basic driver's license. Any issuance of a license under classification b. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The commission, upon payment of the lawful fee and after it or a person authorized by it has examined the applicant and is satisfied of the applicant's ability as an operator, may, in its discretion, issue a license to the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The commission may, at its discretion and for good cause shown, issue licenses which shall expire on a date fixed by it. If the commission issues a license to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard period of the license, the commission shall fix the expiration date of the license at a date based on the period in which the person is authorized to be present in the United States.
under federal immigration laws. The commission may renew such a license only if it is demonstrated that the person's continued presence in the United States is authorized under federal law. The fee for licenses with expiration dates fixed by the commission shall be fixed by the commission in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:
- Motorcycle license or endorsement: $18.
- Omnibus or school bus endorsement: $18.
- Basic driver's license: $18.

The commission shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the commission's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The commission shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made in a manner prescribed by the commission and in accordance with procedures established by it.

The commission in its discretion may refuse to grant a permit or license to drive motor vehicles to a person who is, in its estimation, not a proper person to be granted such a permit or license, but no defect of the applicant shall debar him from receiving a permit or license unless it can be shown by tests approved by the commission that the defect incapacitates him from safely operating a motor vehicle.

In addition to requiring an applicant for a driver's license to submit satisfactory proof of identity and age, the commission also shall require the applicant to provide, as a condition for obtaining a permit and license, satisfactory proof that the applicant's presence in the United States is authorized under federal law.

If the commission has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the commission shall refuse to grant the permit or license until such time as the document may be verified by the issuing agency to the commission's satisfaction.

A person violating this section shall be subject to a fine not exceeding $500 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200 and, in addition, the court shall issue an order to the commission requiring the commission to refuse to issue a license to operate a motor vehicle to the person for a period of not
less than 180 days. The penalties provided for by this paragraph shall not
be applicable in cases where failure to have actual possession of the operator's
license is due to an administrative or technical error by the commission.

Nothing in this section shall be construed to alter or extend the expiration
of any license issued prior to the date this amendatory and supplementary
act becomes operative.

38. Section 15 of P.L.2001, c.391 (C.39:3-10f5) is amended to read as
follows:

C.39:3-10f5 Use of revenues from fees.
15. a. Revenues from the fees collected for the digitized picture provided
for in this act shall be revenues of the commission upon enactment of P.L.2003,
c.13 (C.39:2A-1 et al.) and used for the purposes of the commission.
b. (Deleted by amendment, P.L.2003, c.13).
c. Any revenue credited to the fund shall remain in the fund exclusively
for the purposes of the commission.

39. Section 14 of P.L.1995, c.112 (C.39:8-54) is amended to read as

14. A person who displays or causes or permits to be displayed any sign,
mark, or advertisement, or otherwise identifies that person as a private
inspection facility, a registered motor vehicle repair facility or an emission
inspector when not holding a valid license or registration issued by the director,
or who inspects a motor vehicle without being licensed as a private inspection
facility, or who conducts an emission inspection without being licensed as
an emission inspector, or who performs for compensation an emission-related
repair on a motor vehicle that has failed an emission test without being registered
as a motor vehicle emission repair facility, or who transfers or attempts to
transfer a valid license or registration, shall be subject to a fine of not less than
$1,000 or imprisonment for not more than 30 days, or both. Any fine collected
under the provisions of this section shall be paid to the State Treasurer and
deposited in the "Motor Vehicle Inspection Fund" established pursuant to
subsection j. of R.S.39:8-2.

C.39:2A-34 Reorganization plans superseded.
40. To the extent that Reorganization Plans Nos. 002-1995 and 005-1998
are inconsistent with any provisions of this act, they are superseded to the
extent of such inconsistencies and any reference in such Plans to the Division
of Motor Vehicles in the Department of Transportation shall mean and refer
to the commission.
41. The Commercial Bus Unit in the Department of Transportation, together with all of its functions, powers and duties is transferred to and vested in the commission. This transfer shall be subject to the provisions of the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.). All career service employees who serve in the Commercial Bus Unit shall be employees of the commission and shall retain their present civil service employment status and their collective bargaining status, including all rights of tenure, retirement pension, disability, leave of absence, or similar benefits. All records, property appropriations, and any unexpended balance of funds appropriated or otherwise available to the Commercial Bus Unit, shall be transferred to the commission pursuant to the "State Agency Transfer Act."

42. R.S.39:2-3 is amended to read as follows:

Powers, duties of commission.

   c. Collect such data with respect to the proper restrictions to be placed upon motor vehicles and their use upon the public roads, turnpikes and thoroughfares as shall seem for the public good;
   d. Execute all contracts entered into by the commission and approve all bills for disbursement of money under any provision of this chapter and chapter 3 of this title (R.S. 39:3-1 et seq.), which bills shall be paid by the State Treasurer upon the warrant of the comptroller out of any appropriation regularly made therefor.

43. R.S.39:3-3 is amended to read as follows:

Motor Vehicle Agents, appointment, duties; background checks.

39:3-3. A Motor Vehicle Agent (hereinafter "agent") shall administer and ensure the efficient operations of a local commission office. The commission shall designate at least one person in each county for each 300,000 inhabitants or fraction thereof to be its agent for the registering of motor vehicles, issuing registration certificates and licensing of drivers, subject to the requirements of this subtitle and to any rules and regulations the commission imposes. The agent shall so act until his authority is revoked by the commission.
All moneys received by such agents for registrations and licenses granted under the provisions of this chapter shall forthwith be deposited as received with the State Treasurer. Notwithstanding any provision of law to the contrary, all current agent contracts shall remain in effect until their expiration. Until the agent contract expires, the fee allowed the agent for registration certificates issued by him and for every license granted by him shall be fixed by the commission on the basis of the registration or license fees collected by the agent. The commission may limit the fee so paid to a maximum. Such fee shall be paid to the agent by the State Treasurer upon the voucher of the commission in the same manner as other State expenses are paid until the agent contract expires. At such time as the agent becomes a State employee, the agent shall receive a salary as fixed by the administrator in accordance with the commission table of organization. Future agent appointments shall be in the State unclassified service and the agents shall serve at the pleasure of the administrator. To determine suitability for appointment, all agents shall undergo a background check prior to appointment based upon an examination of State, federal and financial records. No person shall be appointed as an agent who has contributed $1,000 or more to any gubernatorial or State party committee in any one year during the five years preceding appointment. All agents appointed pursuant to this section shall be qualified by education and experience to administer and ensure the efficient operation of a local commission office. As used in this section, education and experience shall include a background in law enforcement, security services, customer relations or services; business administration, finance or management; or public administration or finance.

a. No person shall drive, move, park or be in custody of any vehicle or combination of vehicles on any street or highway during the times when lighted lamps are required unless such vehicle or combination of vehicles displays lighted lamps and illuminating devices as hereinafter in this article required. Failure to use lighted lamps when lighted lamps are required may result in a fine not to exceed $50.00. In no case shall motor vehicle points or automobile insurance eligibility points pursuant to section 26 of P.L. 1990, c. 8 (C:17:33B-14) be assessed against any person for a violation of this subsection. A person who is fined under this subsection for a violation of this subsection shall not

c. No person shall alter the equipment or performance of equipment of any vehicle which has been approved at an official inspection station designated by the commission with intent to defeat the purpose of such inspection, and no person shall drive or use any vehicle with equipment so altered.

45. R.S.39:3-69 is amended to read as follows:

39:3-69. The driver of a motor vehicle shall, when reasonably necessary to insure safe operation, give audible warning with his horn but shall not otherwise use such horn when upon a highway.

No vehicle shall be equipped with nor shall any person use upon a vehicle any siren, whistle or bell except as otherwise permitted in this section. It is permissible but not required that any vehicle be equipped with a theft alarm signal device which is so arranged that it cannot be used by the driver as an ordinary warning signal. Any emergency vehicle authorized by the commission may be equipped with a siren, whistle, or bell capable of emitting sound audible under normal conditions from a distance of not less than 500 feet and of a type approved by the commission, but such siren, whistle or bell shall not be used except when such vehicle is operated in response to an emergency call or in the immediate pursuit of an actual or suspected violator of the law, in which said latter events the driver of such vehicle shall sound said siren, whistle or bell when necessary to warn pedestrians and other drivers of the approach thereof.

No person shall install or use on the exhaust system of any motor vehicle any device which emits an audible sound unless authorized to do so by the commission.

No bicycle shall be equipped with nor shall any person use upon a bicycle any siren or whistle.

The commission is hereby authorized in its discretion to promulgate standards concerning the audibility of audible warning devices.
46. Section 2 of P.L.1938, c.352 (C.39:3-85.2) is amended to read as follows:

C.39:3-85.3 Record of stolen motor vehicles, registration plates.
3. The Superintendent of State Police and the commission having been notified of the theft of a motor vehicle or the loss or theft of registration plates by a chief of police or other peace officer, shall index and file this information in such a manner that a motor vehicle or registration plates can be properly identified. These records shall be available to all police officers and other interested agencies. The Superintendent of State Police and the commission shall co-operate with and assist all peace officers and other agencies in tracing or examining any questionable automobiles to determine the ownership thereof.

48. R.S.39:4-6 is amended to read as follows:

Duties of commissioner.
39:4-6. The commissioner shall investigate traffic conditions, means for their improvement and the enforcement of laws and regulations relating to traffic, including pedestrian travel on the public streets and highways. He may determine, regulate and control the character, type, location, placing of and operation of all official traffic control devices on the streets, highways and public places in the State, or cause the removal of such devices determined to be unnecessary. He shall see that the laws relating to such devices are enforced, investigate the manner of enforcing the laws regarding the parking of vehicles on public highways, the use of streets by pedestrians, investigate the location of “stop” signs and cause the removal of those which in his opinion are installed in violation of this chapter, and cause the removal of all colored lights so located as to be confused with traffic signals. He shall also enforce
the provisions of this chapter and promulgate rules and regulations for the enforcement of his duties hereunder.

This section shall not be construed to in any way curtail the powers of actual enforcement vested by law in the local authorities.

49. Section 2 of P.L.1975, c.250 (C.39:4-14.3) is amended to read as follows:

C.39:4-14.3 Regulations relative to motorized bicycles.

2. a. Motorized bicycles shall not be operated upon interstate highways or upon public highways divided by a grass or concrete median or highways with posted speed limits in excess of 50 miles per hour or upon the railroad or right-of-way of an operating railroad within the State of New Jersey or upon any public land where expressly prohibited by the governing body, department or agency having jurisdiction thereof.

The commissioner is authorized to adopt regulations either prohibiting the operation of motorized bicycles on any public road or highway with a speed limit in excess of 40 miles per hour, which in his discretion are hazardous for the operation of motorized bicycles or permitting the operation of motorized bicycles on any public road or highway, upon which the operation of motorized bicycles is otherwise prohibited by the provisions of this section, which in his discretion are safe for the operation of motorized bicycles. In no case, however, shall the commissioner adopt a regulation permitting motorized bicycles to be operated on any highway with a posted speed in excess of 50 miles per hour.

b. No municipality shall limit or otherwise restrict the operation of motorized bicycles on any public roads or highways under its jurisdiction in contravention of the provisions of this act or any regulations adopted by the director pursuant thereto.

c. Motorized bicycles shall not be operated by a person under 15 years of age.

d. No person shall operate a motorized bicycle unless he is in possession of a valid driver's license of any class or a motorized bicycle license, which shall be issued by the commission to any person 15 years of age or older, upon proof of identity and date of birth, and after he has passed a satisfactory examination as to his ability as an operator. Such examination shall include a test of the applicant's knowledge of such portions of the mechanism of motorized bicycles as is necessary to insure their safe operation and of the laws and ordinary usages of the road and a demonstration of his ability to operate a motorized bicycle.

The demonstration of an applicant's ability to operate a motorized bicycle shall be administered at such municipalities that the commission shall designate,
under the supervision of the commission, or an officer, employee, or authorized agent of the commission, in accordance with rules and regulations promulgated by the commission.

The administrator may, in his discretion, issue a learner's permit to a person 15 years of age or older, upon proof of identity and date of birth, allowing such person, for the purpose of fitting himself to become a motorized bicycle driver, to operate a motorized bicycle during daylight hours without supervision for a period not to exceed 45 days. The permit shall be sufficient license for the person to operate a motorized bicycle. No permit shall be issued unless the person applying therefor shall pay the sum of $5.00 to the commission, or an officer, employee or agent of the commission.

e. The valid driver's license, the insurance identification card, and the registration certificate shall be in the possession of the operator at all times when he is operating a motorized bicycle with motor engaged on the highways of this State. The operator shall exhibit his driver's license when requested to do so by any police officer or magistrate, while in the performance of the duties of his office and shall write his name in the presence of the officer, so that the officer may thereby determine the identity of the licensee and at the same time determine the correctness of the registration certificate, as it relates to the registration number and number plates of the motorized bicycle for which it was issued and the correctness of the evidence of a policy of insurance, as it relates to the coverage of the motorized bicycle for which it was issued. Any person violating this subsection shall be subject to a fine not exceeding $50.00.

If a person charged with a violation of this subsection can exhibit his valid driver's license, insurance identification card, and registration certificate, which were valid on the day he was charged, to the judge of the municipal court before whom he is summoned to answer to the charge, the judge may dismiss the charge; however, the judge may impose court costs.

f. Unless otherwise determined by the commissioner, statutes, rules and regulations applicable to bicycles shall apply whenever a motorized bicycle is operated upon any highway or upon any public land.

Every person operating a motorized bicycle upon a public road or highway shall be subject to all of the duties applicable to the driver of a vehicle by chapter 4 of Title 39 and N.J.S.2C:11-5 and all amendments and supplements thereto.

42. The commissioner with respect to highways under his jurisdiction may by regulation, and local and county authorities with respect to highways
under their jurisdiction may by ordinance or resolution designate any such highway or any separate roadway of such highway for one-way traffic and shall erect appropriate signs giving notice thereon.

Upon a highway or roadway properly designated and signed for one-way traffic, a vehicle shall be driven only in the direction designated.

51. R.S.39:4-120 is amended to read as follows:

The commissioner may adopt a manual and specifications for a uniform system of traffic control signals consistent with the provisions of this act for use upon public highways within the State. Such uniform system shall correlate with and so far as possible conform to the system then current as specified in the "Manual on Uniform Traffic Control Devices for Streets and Highways."

C.39:4-183.9 Design of traffic signs.

10. The design of all traffic signs shall conform to and have the minimum dimensions of the specifications adopted by the commissioner, except as otherwise approved by the commissioner. Where conditions require greater visibility necessitating a larger sign, standard shapes and colors shall be used, and standard proportions shall be retained, so far as practicable.

This is not to be deemed to prohibit the erection of enlarged bridge type signs or narrow longitudinal type signs suspended from mast arms, over the roadway.

55. Section 3 of P.L.1971, c.393 (C.39:4-183.21a) is amended to read as follows:

An auto body repair facility shall be licensed by the commission upon submission and approval of an application and payment of a reasonable application fee sufficient to cover the cost of implementing the provisions of this act and to be prescribed by the commission. Motor vehicle inspections, exceptions.

39:8-1. a. Every motor vehicle registered in this State which is used over any public road, street, or highway or any public or quasi-public property in this State, and every vehicle subject to enhanced inspection and maintenance programs pursuant to 40 C.F.R. s.51.356, except historic motor vehicles registered as such, collector motor vehicles designated as such pursuant to this subsection, and those vehicles over 8,500 pounds gross weight that are under the inspection jurisdiction of the commission pursuant to Titles 27 and 48 (as amended by this legislation) of the Revised Statutes, shall be inspected by designated examiners or at official inspection facilities to be designated by the commission or at licensed private inspection facilities. The commission shall adopt rules and regulations establishing a procedure for the designation of motor vehicles as collector motor vehicles, which designation shall include consideration by the commission of one or more of the following factors: the age of the vehicle, the number of such vehicles originally manufactured, the number of such vehicles that are currently in use, the total number of miles the vehicle has been driven, the number of miles the vehicle has been driven during the previous year or other period of time determined by the commission, and whether the vehicle has a collector classification for insurance purposes.

b. The commission shall determine the official inspection facility or private inspection facility at which a motor vehicle, depending upon its characteristics, shall be inspected. The commission, with the concurrence of the Department of Environmental Protection, may exclude by regulation from this inspection requirement any category of motor vehicle if good cause for such exclusion exists, unless the exclusion is likely to prevent this State from meeting the applicable performance standard established by the United States Environmental Protection Agency. The commission may determine that a vehicle is in compliance with the inspection requirements of this section if the vehicle has been inspected and passed under a similar inspection program of another state, district, or territory of the United States.

76. Section 2 of P.L.1995, c.157 (C.39:8-60) is amended to read as follows:

Diesel-powered motor vehicle shall also mean a vehicle that is designed or used for construction or farming purposes and is greater than 8,500 pounds gross vehicle weight, except that the commission, in consultation with the Department of Environmental Protection, may exempt from the requirements of this act diesel-powered motor vehicles that are registered as construction vehicles under Titles 39 and 41 of the Revised Statutes or that are greater than 8,500 pounds gross vehicle weight and are designed or used for construction or farming purposes;

"EPA" means the United States Environmental Protection Agency;

77. Section 3 of P.L.1995, c.157 (C.39:8-61) is amended to read as follows:

C.39:8-61 Exhaust emissions standards, test methods.

3. The test methods shall be accurate, objective, and capable of being performed routinely in the periodic inspection program and the roadside enforcement program. In adopting such standards and test methods, the Department of Environmental Protection may consider, but need not necessarily adopt, exhaust control technology current at the time of adoption of the rules and regulations, as well as guidance, standards, directives, and other information issued by the EPA, any other state, or any governmental agency, scientific research entity, or industry. The Department of Environmental Protection may provide that the standards and test methods vary according to the age of the vehicle or according to other relevant factors, and the department may provide exemptions based upon good cause, including, but not limited to, whether the vehicle has been tested within the previous six months or other reasonable period of time in accordance with the law of another state or jurisdiction and has been found to be in compliance with the exhaust emissions standards of the state or jurisdiction.
in which the vehicle was tested. The provisions of this act shall not apply to any heavy-duty diesel truck or other diesel-powered motor vehicle owned and operated by a county, municipality, fire district, or duly incorporated nonprofit organization for first aid, emergency, ambulance, rescue, or firefighting purposes.

78. Section 5 of P.L. 1995, c.157 (C.39:8-63) is amended to read as follows:

C.39:8-63 Violations, penalties.

5. a. The owner and the lessee, if any, of a heavy-duty diesel truck operated in violation of section 4 of this act shall be jointly and severally liable for a civil penalty of: $700 for the first violation, except as otherwise provided in this subsection; and $1,300 for the second or subsequent violation, except as otherwise provided in this subsection. A second or subsequent violation is one that occurs within one year of the occurrence of a previous violation committed with respect to the same heavy-duty diesel truck, without regard to the date of the hearing that adjudicated the violation and without regard to the identity of the defendant against whom it was adjudicated. The complaint and summons shall state whether the charges pertain to a first violation or to a second or subsequent violation, but if the complaint and summons fail to allege a second or subsequent violation, the civil penalty imposed shall be that for a first violation. The penalty for a first violation may be reduced to $150 and the penalty for a second or subsequent violation may be reduced to $500 if the defendant provides a certification of the repairs to the vehicle that is satisfactory to the court and in compliance with emissions standards. The commission may specify by rule or regulation the manner of the repairs and the certification necessary to effect a reduction of penalty. The commission may, by rule or regulation, provide that information pertaining to penalties, the repairs that may effect a reduction of penalty, and the certification necessary to substantiate those repairs and compliance with emissions standards be served with the complaint and summons. The commission may, by rule or regulation, prescribe a form for certifying repairs and compliance with emissions standards, with instructions as to how the form should be completed and certified. The commission may provide that the form be served with the complaint and summons.

Notwithstanding any other provision of law or any rule or regulation adopted pursuant thereto to the contrary, repairs to effect a reduction of penalty under the provisions of this subsection shall be made before the hearing date or within 45 days of the occurrence of the violation, whichever is sooner. A defendant who is permitted to waive appearance and plead guilty by mail shall also be permitted to submit the certification of repairs by mail; provided
that if the court deems the certification to be inadequate, it shall afford the defendant the option to withdraw the defendant's guilty plea.

b. The owner and the lessee, if any, of a diesel bus operated in violation of section 4 of this act shall be jointly and severally liable for a civil penalty determined by a penalty schedule that the commission, in consultation with the Commissioner of Transportation, shall adopt by rule or regulation pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), but in no event shall the penalties established thereby exceed the penalties established by subsection a. of this section for heavy-duty diesel trucks. The penalty schedule may provide for a reduction of penalty if the defendant provides a certification of the repairs to the vehicle that is satisfactory to the court and in compliance with emissions standards. The commission, in consultation with the Commissioner of Transportation, may, by rule or regulation, specify the timing and manner of the repairs and compliance with emissions standards, and the certification necessary to effect a reduction of penalty. The commission, in consultation with the Commissioner of Transportation, may, by rule or regulation, provide whether information pertaining to repairs and compliance with emissions standards, and whether a form to certify those repairs and that compliance, should be served with the complaint and summons.

Notwithstanding the provisions of this subsection to the contrary, the New Jersey Transit Corporation shall not be liable for any civil penalty assessed for a violation of section 4 or a violation of any other provision of this act if the diesel bus that is the subject of the violation is operated by a lessee or contractor, or an employee or agent of a lessee or contractor, of the New Jersey Transit Corporation. However, if a diesel bus that is the subject of a violation is leased by the New Jersey Transit Corporation from another person, and the diesel bus is operated by the New Jersey Transit Corporation or an employee thereof, the New Jersey Transit Corporation as lessee, and not the owner of the diesel bus, shall be liable for any civil penalty assessed for the violation.

c. The owner and the lessee, if any, of a diesel-powered motor vehicle operated in violation of section 4 of this act shall be jointly and severally liable for a civil penalty determined by a penalty schedule that the commission shall adopt by rule or regulation pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), but in no event shall the penalties established thereby exceed the penalties established by subsection a. of this section for heavy-duty diesel trucks. The penalty schedule may provide for a reduction of penalty if the defendant provides a certification of the repairs to the vehicle that is satisfactory to the court and in compliance with emissions standards. The commission may, by rule or regulation, specify the timing and manner of the repairs and compliance with emissions standards, and the certification necessary to effect a reduction of penalty. The commission may, by rule or regulation, provide whether information pertaining to repairs and
79. Section 6 of P.L.1995, c.157 (C.39:8-64) is amended to read as follows:

C.39:8-64 Periodic inspection, roadside enforcement programs.

6. a. The commission, in consultation with the Department of Environmental Protection and the Department of Transportation and with the approval of the Attorney General, shall establish and implement a periodic inspection program and a roadside enforcement program to implement the standards and test methods adopted pursuant to section 3 of this act. These programs shall be designed to measure exhaust emissions and to inspect emission control apparatus and related items on diesel buses, heavy-duty diesel trucks, and other diesel-powered motor vehicles. The programs shall include, at a minimum, diesel buses and heavy-duty diesel trucks subject to the rules and regulations adopted pursuant to section 3 of this act; provided that the commission, in consultation with the Department of Transportation, may exempt vehicles from either program for good cause, which may include that vehicles belonging to an exempted class are, by law, subject to emissions testing in another program. The commission, in consultation with the Department of Environmental Protection and with the approval of the Attorney General, may, by rule or regulation, expand the periodic inspection program and the roadside enforcement program to include other diesel-powered motor vehicles that are subject to the rules and regulations adopted pursuant to section 3 of this act. The commission, in consultation with the Commissioner of Transportation, may, by rule or regulation, impose upon every owner and lessee of a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle subject to periodic inspection the obligation to have the vehicle periodically inspected in a manner determined by the commission in consultation with the Commissioner of Transportation, to effect repairs or to abstain from operating or to limit the operation of a rejected vehicle or a vehicle overdue for inspection, and may take other action necessary or appropriate for implementation of the periodic inspection program. The commission, in consultation with the Commissioner of Transportation, may, by rule or regulation, impose upon every owner and lessee of a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle subject to roadside inspection the obligation to abstain from operating or to limit the operation of a vehicle that has been tested and found to be in violation of the rules and regulations adopted pursuant to section 3 of this act, or to effect repairs, and may take other action necessary or appropriate for implementation of the roadside enforcement program. A school bus, as defined pursuant to R.S.39:1-1, shall be exempt from the roadside enforcement program. However, nothing in this
subsection allowing or mandating exemptions from the periodic inspection program or the roadside enforcement program shall be construed to limit any other enforcement actions permitted by law.

b. The commission shall exercise all authority, including but not limited to administrative, implementation, enforcement, and penalty authority, in connection with the periodic inspection program for diesel buses and the roadside enforcement program for diesel buses that are under the jurisdiction of the commission pursuant to Titles 27 and 48 of the Revised Statutes or any other law, rule, or regulation. The commission shall consult with the Department of Environmental Protection and the Department of Transportation in conducting the periodic inspection program for diesel buses and the roadside enforcement program for diesel buses that are under the jurisdiction of the commission. Any periodic inspection that may be required pursuant to this act for a diesel bus under the jurisdiction of the commission shall be conducted only in conjunction with any periodic safety inspection required for that diesel bus pursuant to law, rule, or regulation. Any suspension of registration privileges with respect to diesel buses for a violation of this act or any rule or regulation adopted pursuant thereto shall be implemented by the commission.

80. Section 7 of P.L.1995, c.197 (C.39:8-65) is amended to read as follows:

C.39:8-65 Pilot roadside enforcement program.

7. In implementing the roadside enforcement program, the commission, in consultation with the Commissioner of Transportation, shall phase in roadside inspections by establishing a pilot roadside enforcement program providing a six-month grace period in which warnings shall be issued in lieu of the civil penalties established by this act or any rule or regulation adopted pursuant thereto. Notwithstanding the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), procedures for the pilot program may be adopted immediately.

81. Section 8 of P.L.1995, c.157 (C.39:8-66) is amended to read as follows:

8. a. The commission, in consultation with the Department of Environmental Protection and the Department of Transportation, shall establish procedures by which test methods established pursuant to section 3 of this act shall be conducted in the periodic inspection program and in the roadside enforcement program.

b. The commission, in consultation with the Department of Transportation and with the approval of the Attorney General, may, by rule or regulation, require that personnel from, and agents of, the commission and the Department of Transportation, and personnel from the Division of State Police, who perform
the test methods utilized in the roadside enforcement program, and licensees and persons employed by licensees who perform the tests and test methods utilized in the periodic inspection program in accordance with the provisions of section 11 of this act, be trained to do so and be examined, periodically if the rule or regulation so provides, to ensure that their training and competence are adequate. Testing in the roadside enforcement program may be conducted by personnel from the commission, or the Division of State Police, or by agents appointed by or under contract with the commission.

c. The commission, in consultation with the Department of Environmental Protection and the Department of Transportation and with the approval of the Attorney General, shall designate one or more test methods among those established pursuant to section 3 of this act that shall be utilized in the roadside enforcement program established pursuant to section 6 of this act. The commission, in consultation with the Department of Transportation and with the approval of the Attorney General, shall establish a form or forms upon which the results of these designated tests or test methods shall be reported in the ordinary course. The form shall contain a statement or statements establishing the following: the type of test performed; the result achieved; that the person completing the form is the person who performed the test; that the tester has been certified by the commission as having adequate training and competence to perform the test; that the tester is an employee or agent of the State and was acting in an official capacity when the tester performed the test; and any other information that the commission may prescribe. The form shall contain a certification subscribed by the person performing the test and certifying that that person did perform the test in a proper manner and believes the test results to be valid and accurate. The presentation of a form prepared in accordance with the provisions of this subsection to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this subsection have been met and that the form has been prepared in accordance with the provisions of this subsection. The form shall be admissible evidence as proof of the statements contained therein in any civil penalty proceeding brought pursuant to the provisions of this act or any rule or regulation adopted pursuant thereto. A copy of the form shall be served, if practicable, with the complaint and summons upon the defendant or the defendant’s agent for service of process; and, in any event, shall be served upon such person at least 20 days before the hearing. Whenever the form is served upon a defendant or a defendant’s agent, together with the complaint and summons, the law enforcement officer serving the form shall execute and file with the court a proof of service on a form prescribed by the Administrative Director of the Courts and in a manner consistent with the Rules Governing the Courts of the State of New Jersey. The form shall not be admissible if it is not served at least 20 days before the hearing, provided
that the court, upon a showing of good cause and that the defendant is not prejudiced, may postpone the hearing, subject to the Rules Governing the Courts of the State of New Jersey.

d. A roadside inspection of a diesel bus to enforce standards adopted pursuant to section 3 of this act shall be conducted only in conjunction with a roadside safety inspection that is conducted pursuant to law, rule or regulation.

82. Section 9 of P.L.1995, c.157 (C.39:8-67) is amended to read as follows:

C.39:8-67 Provision of State Police officers.

9. The Superintendent of the State Police, in consultation with and subject to the approval of the Attorney General, shall provide State Police officers to assist the commission in conducting the roadside enforcement program and the pilot roadside enforcement program. The State Police officers shall have authority to direct diesel buses, heavy-duty diesel trucks, or other diesel-powered motor vehicles from the roadway for the purpose of inspection, and shall perform other police duties necessary for or helpful to the implementation of the programs.

83. Section 10 of P.L.1995, c.157 (C.39:8-68) is amended to read as follows:

C.39:8-68 Additional penalties.

10. In addition to any other penalties that may be applicable, the operator of a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle who fails to comply with any direction given pursuant to section 9 of this act, or who refuses to submit or resists submitting a vehicle under the operator's control for roadside inspection, or who fails to comply with any other obligation imposed upon that person as part of the roadside enforcement program shall be jointly and severally liable with the owner and the lessee, if any, of the vehicle for a civil penalty of $500. The owner and the lessee, if any, of a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle subject to periodic inspections who violates any rule or regulation adopted pursuant to section 6 of this act pertaining to periodic inspections shall be liable for a civil penalty determined by a penalty schedule that the commission, in consultation with the Commissioner of Transportation, shall adopt by rule or regulation pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), but in no event shall a penalty established thereby exceed $500.

Notwithstanding the provisions of this section to the contrary, the New Jersey Transit Corporation shall not be liable for any civil penalty assessed for a violation of this section if the diesel bus that is the subject of the violation is operated by a lessee or contractor, or an employee or agent of a lessee or
contractor, of the New Jersey Transit Corporation. However, if a diesel bus that is the subject of a violation of this section is leased by the New Jersey Transit Corporation from another person, and the diesel bus is operated by the New Jersey Transit Corporation or an employee thereof, the New Jersey Transit Corporation as lessee, and not the owner of the diesel bus, shall be liable for any civil penalty assessed for the violation.

84. Section 11 of P.L.1995, c.157 (C.39:8-69) is amended to read as follows:

C.39:8-69 Licensing of diesel emission inspection centers.

11. a. The commission, in consultation with the Department of Transportation and after appropriate inquiry and investigation, shall issue licenses to operate diesel emission inspection centers to as many qualified and properly equipped persons, including owners or lessees of diesel buses, heavy-duty diesel trucks, or other diesel-powered motor vehicles, as the commission determines shall be necessary to conduct periodic inspections. A licensee shall inspect and pass or reject a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle presented to the licensee for inspection. Passing shall indicate that the licensee or the licensee’s employee has inspected the diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle as prescribed by the commission and has found that the vehicle conforms to the standards established by law and rule or regulation. The commission, in consultation with the Department of Transportation and with the approval of the Attorney General, may establish by rule or regulation adopted pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.) an application fee for the licensing of diesel emission inspection centers, which fee shall not exceed $250 per year.

b. For the purpose of documenting compliance with periodic inspection requirements, the commission shall furnish official inspection forms to licensed diesel emission inspection centers. The commission shall require each diesel emission inspection center and each owner or lessee of a diesel bus, heavy-duty diesel truck, or other diesel-powered motor vehicle subject to periodic inspection to keep such records and file such reports regarding these inspections as the commission shall deem necessary. The commission may conduct such audits or inspections of these centers as the commission deems appropriate.

c. The commission may deny, suspend or revoke a diesel emission inspection center license or refuse renewal thereof for cause, including, but not limited to, one or more of the following:

(1) Violation of any provision of this act or of any rule or regulation adopted pursuant thereto; or
(2) Fraud or misrepresentation in securing a license or in the conduct of
the licensed activity; or
(3) Conviction of a crime demonstrating that the applicant or licensee
is unfit; or
(4) Improper, negligent, or fraudulent inspection of a diesel bus, heavy-duty
diesel truck, or other diesel-powered motor vehicle; or
(5) Other good cause.

d. In addition to any other civil or criminal penalties that may be
applicable, a person licensed by the commission to operate a diesel emission
inspection center who commits fraud or misrepresentation in securing a license
or in the conduct of the licensed activity or who improperly or negligently
or fraudulently conducts an inspection of a diesel bus, heavy-duty diesel truck,
or other diesel-powered motor vehicle shall be liable for a civil penalty of
$1,500. In addition to any other civil or criminal penalties that may be
applicable, a person licensed by the commission to operate a diesel emission
inspection center who otherwise violates any provision of this act or of any
rule or regulation adopted pursuant thereto shall be liable for a civil penalty
of $500.

85. Section 12 of P.L.1995, c.157 (C.39:8-70) is amended to read as
follows:

C.39:8-70 Civil penalty.

12. Any person who violates any provision of sections 2 through 20 of
this act or any rule or regulation adopted pursuant thereto shall be liable for
a civil penalty. The amount of the penalty shall be that specified in the other
sections of this act or in the rules or regulations adopted pursuant to this act;
but if no amount is otherwise specified, then the amount shall be $200.
Additionally, the commission may suspend the registration privileges of a
vehicle registered in this State that is operated in violation of this act or any
rule or regulation adopted pursuant thereto.

86. Section 13 of P.L.1995, c.157 (C.39:8-71) is amended to read as
follows:

C.39:8-71 Issuance of ticket for violations; service.

13. a. A complaint and summons charging a violation of this act or any
rule or regulation adopted pursuant thereto and seeking the imposition of a
civil penalty in accordance with the provisions of this act or any rule or
regulation adopted pursuant to this act shall be a ticket in the form prescribed
by the Administrative Director of the Courts pursuant to the Rules Governing
the Courts of the State of New Jersey and may contain information advising
the persons to whom it is issued of the manner in which and time within which
an answer to the alleged violation is required. The ticket may also advise that
penalties may result from a failure to answer, that the failure to answer or appear
shall be considered an admission of liability, and that a default judgment may
be entered. Service of the ticket shall be subject to the Rules Governing the
Courts of the State of New Jersey. The ticket may be served personally upon
the operator of a vehicle, and the owner’s or the lessee’s name may be recorded
on the ticket, together with the plate number and state or jurisdiction as shown
by the registration plates of the vehicle and the make or model of the vehicle.
A ticket may be served upon the owner or the lessee of the vehicle by affixing
the ticket to the vehicle in a conspicuous place. A ticket may be served by
mail upon the owner or the lessee of the vehicle on file with the commission,
or the licensing authority of another jurisdiction by mailing the ticket to the
vehicle owner or lessee by regular or certified mail to the address on file with
the commission, or the licensing authority of another jurisdiction. Service
of a ticket by regular or certified mail shall have the same effect as if the ticket
were served personally, subject to the Rules Governing the Courts of the State
of New Jersey.

b. Subject to the Rules Governing the Courts of the State of New Jersey,
the ticket shall contain sufficient information to identify the person or persons
charged and to inform them of the nature, date, time and location of the alleged
violation. Subject to the Rules Governing the Courts of the State of New Jersey,
the original of the ticket shall be signed by the complaining witness, who shall
certify to the truth of the facts set forth therein. Any person may serve as the
complaining witness. For the purposes of the certification, the complaining
witness may rely upon information from the commission, or the Division of
State Police, upon official reports, and upon any form prepared in accordance
with subsection c. of section 8 of this act. The original ticket or a true copy
of the ticket shall be considered a record kept in the ordinary business of the
commission and shall be prima facie evidence of the facts contained therein.

c. Any operator who drives a vehicle in this State when the owner or
lessee of that vehicle causes, authorizes, or otherwise permits such operation
shall be the owner’s or lessee’s agent for service of any ticket, process, or
penalty or other notice against the owner or lessee arising out of any alleged
violation of this act or any rule or regulation adopted pursuant thereto. The
owner and the lessee, if any, of a vehicle driven by any operator in this State
shall be the operator’s agent or agents for service of any ticket, process, or
penalty or other notice arising out of any alleged violation of section 10 of
this act pertaining to a roadside inspection. Subject to the Rules Governing
the Courts of the State of New Jersey, any service of ticket, process, or penalty
or other notice served on an operator who operates in this State, or on an owner
or lessee of the vehicle, shall also constitute service upon the remaining persons,
so long as the ticket, process, or penalty or other notice advises the person actually served of that person's responsibility to notify the remaining persons.

d. Subject to the Rules Governing the Courts of the State of New Jersey, judicial proceedings under this act may be instituted on any day of the week, and the institution of the proceedings on a Sunday or a holiday shall not be a bar to the successful prosecution thereof. Subject to the Rules Governing the Courts of the State of New Jersey, any process served on a Sunday or holiday shall be as valid as if served on any other day of the week.

e. A municipal court before which proceedings pursuant to this act are instituted shall, subject to the Rules Governing the Courts of the State of New Jersey, immediately, upon expiration of the time for a defendant to answer or appear: (1) with respect to a resident of New Jersey, mail notice as provided in the Rules Governing the Courts of the State of New Jersey; or (2) with respect to a non-resident of New Jersey, mail notice as provided in the Rules Governing the Courts of the State of New Jersey. The notice shall be upon a form approved by the Administrative Director of the Courts that informs the defendant of the following: the infraction charged; the time and date of the infraction; the amount of penalties due; the defendant's right to have a hearing; and that a civil judgment may be entered against the defendant for failure to answer or appear or pay the amount of penalties due. Upon failure to answer or appear in response to the notice, the court shall give notice of that fact to the commission in a manner prescribed by the commission, and money judgment shall be entered and execution shall issue in accordance with the Rules Governing the Courts of the State of New Jersey. If the judgment has been docketed in the Superior Court pursuant to section 15 of this act, execution shall be under the jurisdiction of that court. In no case of an unsatisfied judgment shall an arrest warrant or execution against the body of the defendant issue unless otherwise provided by the Rules Governing the Courts of the State of New Jersey. If notice has been given under this subsection of a person's failure to respond to a failure to appear notice and if the person appears or if the case is dismissed or otherwise disposed of, the court shall promptly give notice to that effect to the commission.

f. If the defendant is the owner or lessee of a vehicle that is the subject of the violation and if the defendant fails to respond to a failure to appear notice, the judge or the commission may suspend the registration privileges of the defendant in this State. The commission shall keep a record of a suspension ordered by the court pursuant to this subsection. If the registration privileges of the defendant have been suspended pursuant to this subsection and if the defendant appears or the case is disposed of and if the defendant satisfies all penalties and costs that are owing, the court shall forward to the commission a notice to restore the defendant's registration privileges. Upon receiving a notice to restore and upon the defendant's payment of the restoration fee in
accordance with section 23 of P.L.1975, c.180 (C.39:3-10a), the commission shall record the restoration and notify the defendant of the restoration.

87. Section 14 of P.L.1995, c.157 (C.39:8-72) is amended to read as follows:

C.39:8-72 Action for recovery of civil penalty.

14. An action for the recovery of a civil penalty for violation of this act or any rule or regulation adopted pursuant to this act shall be within the jurisdiction of and may be brought before the municipal court in the municipality where the offense was committed or where the defendant may be found, or where the measurement of emissions was physically made. The municipal prosecutor shall proceed in the matter on behalf of the State, unless the county prosecutor or the Attorney General assumes responsibility for the prosecution. The civil penalties provided by this act or any rule or regulation adopted pursuant thereto shall be recovered in the name of the commission, as appropriate, and any money collected by the court in payment of a civil penalty shall be conveyed to the State Treasurer for deposit into the State General Fund. The civil penalties provided by this act or any rule or regulation adopted pursuant thereto shall be collected and enforced by summary proceedings pursuant to "The Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). If the ticket has not been marked to indicate that a court appearance is required, the defendant shall have the option to waive trial, enter a plea of guilty, and pay the penalty, either by mail or in person, to the violations clerk, subject to the Rules Governing the Courts of the State of New Jersey.

88. Section 15 of P.L.1995, c.157 (C.39:8-73) is amended to read as follows:

C.39:8-73 Docketing of judgments; enforcement.

15. a. The court administrator of the municipal court shall docket in the Superior Court a municipal court judgment imposing a civil penalty pursuant to this act, or any rule or regulation adopted pursuant thereto, that remains unpaid at the time of the judgment’s entry in the municipal court. The court administrator shall give notice of the docketing to the commission in a manner prescribed by the commission. The provisions and procedures of N.J.S.2B:12-26 shall apply to the docketing, except that the court administrator of the municipal court, rather than the commission, shall effect the docketing; provided that nothing in this act shall be construed to prohibit the commission or its designee from docketing the judgment on behalf of the commission and in accordance with N.J.S.2B:12-26 if the court administrator of the municipal court fails to do so or if the commission or its designee chooses to do so for any other reason. No fee shall be charged to docket the judgment. The
docketing shall have the same force and effect as a civil judgment docketed in the Superior Court, and the commission and its designee shall have all of the remedies and may take all of the proceedings for the collection thereof that may be had or taken upon recovery of a judgment in an action, but without prejudice to any right of appeal.

b. If the defendant is the owner or lessee of a vehicle that is the subject of the violation, and if the defendant fails to pay a civil penalty imposed pursuant to this act or any rule or regulation adopted pursuant thereto, the commission may suspend the registration privileges of the defendant in this State.

c. Any vehicle that is registered or present in this State and for which a civil penalty has been assessed pursuant to this act or any rule or regulation adopted pursuant thereto may be placed out of service by the commission or the Division of State Police if the civil penalty remains unpaid after the date on which it became due and owing. A vehicle placed out of service pursuant to this act by either the commission or the Division of State Police shall not be operated until all civil penalties that are due and owing are paid to the commission. When a vehicle is placed out of service pursuant to this act, an administrative out-of-service order shall be prepared on a form or forms specified by the commission and a copy served upon the operator of the vehicle or upon the owner or lessee of the vehicle. The operator of a vehicle served with an out-of-service order pursuant to this act shall report the issuance of the out-of-service order to the owner and the lessee, if any, of the vehicle within 24 hours. When a vehicle is placed out of service pursuant to this act it shall be the responsibility of the owner or lessee of that vehicle to arrange for the prompt removal of that vehicle, by means other than operating the vehicle, and to pay all costs associated therewith. The vehicle shall be removed to a secure storage place where the commission and the Division of State Police can readily confirm its non-operation. If the owner or lessee fails to comply, or is otherwise incapable of complying with this subsection, the commission or the Division of State Police may make such arrangements for the removal of the vehicle to a secure storage place where the commission and the Division of State Police can readily confirm its non-operation, with all attendant charges and expenses to be paid by the owner, lessee, or bailee. No entity of government of this State or any political subdivision thereof shall be held liable for costs associated with or incurred in the enforcement of this subsection. Upon payment by cashier's check or money order, or in such other form as may be determined by the commission, subject to law or the Rules Governing the Courts of the State of New Jersey, of all unpaid civil penalties and attendant storage charges and expenses for a vehicle that has been placed out of service, the commission shall remove the out-of-service order. Any person who operates, and any owner or lessee who causes or allows to be operated, a vehicle in violation
of an out-of-service order prepared and served in accordance with the provisions of this subsection shall be liable for a civil penalty of $1,500, and, if the person has the vehicle registered in this State, the commission may suspend the registration privileges of the vehicle.

d. The commission shall exercise all duties, powers and responsibilities set forth in this section with respect to the periodic inspection program for diesel buses and the roadside enforcement program for diesel buses under the jurisdiction of the commission as set forth in subsection b. of section 6 of this act.

89. Section 16 of P.L.1995, c.157 (C.39:8-74) is amended to read as follows:

C.39:8-74 Distribution of fees.

16. Notwithstanding any other provisions of this title to the contrary, all fees and other monies that the commission, or the State Treasurer receives pursuant to the provisions of this act or any rule or regulation adopted pursuant thereto shall be paid to the Commercial Vehicle Enforcement Fund established pursuant to section 17 of this act; except that monies received for attendant storage charges and expenses as provided in subsection c. of section 15 of this act shall be paid to the entity that incurred those charges and expenses.

90. Section 19 of P.L.1995, c.157 (C.39:8-77) is amended to read as follows:

C.39:8-77 Rules, regulations.

19. Except as otherwise provided in this act, the commission, the Department of Environmental Protection, and the Department of Transportation may adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the purposes of this act.

91. Section 20 of P.L.1995, c.157 (C.39:8-78) is amended to read as follows:

On the first day of the forty-eighth month after this act takes effect, the Attorney General, in consultation with the Commissioner of Environmental Protection, the commission, and the Commissioner of Transportation, shall submit to the Governor and to the members of the Legislature a report assessing the effectiveness of the programs required by this act and the necessity and feasibility of providing for periodic centralized emissions inspections of diesel buses, heavy-duty diesel trucks, and other diesel-powered motor vehicles.
92. Section 90 of P.L.1962, c.198 (C.48:4-2.1a) is amended to read as follows:

90. a. The commission may make rules, regulations and orders applicable to the construction, equipment and insurance required of every motor vehicle within the jurisdiction of the commission, and shall inspect, through its agents, inspectors and employees, any such motor vehicle to determine the manner of compliance with such rules, regulations and orders.

b. In the event of noncompliance with such rules, regulations and orders, or with statutory requirements, the commission may, through its agents, inspectors and employees, cause the immediate discontinuance of the operation of such motor vehicle, and no such motor vehicle shall be restored to service without the express approval of the commission.

c. Any person who shall remove or deface any notice of discontinuance that has been affixed or otherwise attached to the motor vehicle without approval of the commission is guilty of a crime of the fourth degree. In addition to any other penalties or remedies provided by law, a person who violates this subsection is subject to a civil penalty of $1,000.

d. Any person who owns or causes to be operated a motor vehicle subject to this section without a valid certificate of inspection issued by the commission, or in violation of rules or orders made by the commission concerning insurance requirements of that vehicle, is a disorderly person. In addition to any other penalties or remedies provided by law, a person who violates this subsection is subject to a civil penalty of $500 per day for each vehicle so operated.

e. Any person who operates a motor vehicle subject to this section without a valid certificate of inspection issued by the commission, or in violation of rules or orders made by the commission concerning insurance requirements of that vehicle, is a petty disorderly person.

f. Any inspection conducted pursuant to this section relating to emissions from a motor vehicle powered with diesel fuel that is also subject to the provisions of P.L.1995, c.157 (C.39:8-59 et al.) shall be conducted in accordance with the provisions of that act.

The
commission may adopt regulations setting the amount of and providing for the charging and collecting of a fee for each vehicle emission test and each brake test conducted pursuant to this section, which fee shall be in an amount necessary to cover only the actual costs of the program.

Any inspection conducted pursuant to this section relating to emissions from a motor vehicle powered with diesel fuel that is also subject to the provisions of P.L.1995, c.157 (C.39:8-59 et al.) shall be conducted in accordance with the provisions of that act.

103. R.S.39:3-43 is amended to read as follows:

$200,000,000 in revenue from those service charges to the commission shall be increased or lowered proportionately:

Proportional revenues remitted to the commission for the fiscal years beginning July 1, 2004 and thereafter shall have the same proportion as the proportional revenues remitted to the commission for the fiscal year beginning July 1, 2003.
b. In addition to the proportionately increased or lowered revenue provided for in subsection a. of this section, the commission shall receive 100 percent of the revenues collected from any new service charge and 100 percent of the increased revenues collected from any existing service charge increased by law. Any new or increased service charge shall not be included in the calculation of the proportional revenue remitted to the commission.

c. In addition to the revenues provided for in subsections a. and b. of this section, all fees collected pursuant to Chapter 3 of Title 39 of the Revised Statutes required to defray the costs of the commission with respect to producing, issuing, renewing, and publicizing license plates, or related computer programming shall be considered revenues of the commission notwithstanding any other provision of law.

d. Revenues of the commission shall not be subject to appropriation as direct State services by the Legislature. In addition, the revenues of the commission shall not be restricted from use by the commission in any manner except as provided by law. Revenues of the commission may be used in the furtherance of any purpose of the commission or as otherwise provided for by law.

106. Section 17 of P.L.1995, c.157 (C.39:8-75) is amended to read as follows:

C.39:8-75 "Commercial Vehicle Enforcement Fund."

17. a. There is established in the General Fund a separate, nonlapsing, dedicated account to be known as the “Commercial Vehicle Enforcement Fund.” The Commercial Vehicle Enforcement Fund shall be administered by the commission. All fees and other monies collected pursuant to this act or any rule or regulation adopted pursuant thereto shall be forwarded to the State Treasury for deposit into the Commercial Vehicle Enforcement Fund account. The commission shall receive 40 percent of this fund annually, which monies shall be considered revenue of the commission. All remaining fees and other monies deposited in the Commercial Vehicle Enforcement Fund account shall be used to fund the costs of administering the programs and activities of the Department of Law and Public Safety, the Department of Transportation, the commission and the Department of Environmental Protection established or specified in this act and in subsection f. of R.S.39:3-20, subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.

b. A municipality may be eligible for periodic grants from the fund in such amounts as the commission, in consultation with the Commissioner of Transportation, may determine pursuant to rule or regulation to subsidize costs of prosecuteing and trying actions pursuant to this act.
Examiners of motor vehicles; rules; regulations; inspections; requirements, etc.

39:8-2 a. The commission may designate and appoint, subject to existing laws, competent examiners of motor vehicles to conduct examinations, other than the periodic inspections required pursuant to subsection b. of this section, of motor vehicles required to be inspected in accordance with the provisions of this chapter. The examiners may be delegated to enforce the provisions of the motor vehicle and traffic law.

b. (1) The commission shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations consistent with P.L.1966, c.16 (C.26:2C-8.1 et seq.) and with the requirements of the federal Clean Air Act with respect to the type and character of the inspections to be made, the facility at which the vehicle shall be inspected, the frequency of inspections of motor vehicles and the approval or rejection of motor vehicles as a result of these inspections. These rules and regulations shall require the use of inspection tests that are designed to meet the enhanced inspection and maintenance requirements of the federal Clean Air Act and that have been proven to be feasible and effective for the inspection of large numbers of motor vehicles, except that these tests shall not include the "I/M 240" test. Nothing in this subsection shall preclude the use of the "I/M 240" test in sampling for performance evaluations only or the use of the test at the option of a private inspection facility. The rules and regulations may distinguish between vehicles based on model year, type, or other vehicle characteristics in order to facilitate inspections or to comply with the federal Clean Air Act. A low mileage vehicle shall not be subject to a tailpipe inspection test utilizing a dynamometer but may be subject to an idle test and a purge and pressure test. For the purpose of this paragraph, "low mileage vehicle" means a motor vehicle that is driven less than 10,000 miles during the biennial inspection period, except that the commission may set the qualifying number of miles for this exemption at a lower number in order to meet the federal enhanced inspection and maintenance performance standard.

(2) The Department of Environmental Protection and the commission shall investigate advanced testing technologies, including but not limited to remote sensing and onboard diagnostics, and shall, to the extent permitted by law, pursue the use of such technologies, other than the "I/M 240" test, in motor vehicle emission inspections required by the United States Environmental Protection Agency pursuant to the federal Clean Air Act. The commission shall adopt, to the extent practicable, advanced technologies to facilitate the retrieval of testing and other information concerning motor vehicles, which technologies shall include but not be limited to the use of computer bar codes and personal cards containing encoded information, such
as a person's operating license, motor vehicle registration, and motor vehicle insurance, the inspection status of a motor vehicle, and mass transit fares, that can be accessed quickly by a computer.

c. Except as modified by the commission to distribute evenly the volume of inspections, all motor vehicles required by the commission, in accordance with the provisions of R.S.39:8-1, to be inspected under this chapter shall be inspected biennially, except that (i) after certification by the commission of the federal approval by the Environmental Protection Agency of the State waiver request, model year 2000 and newer motor vehicles shall be inspected no later than four years from the last day of the month in which they were initially registered and thereafter biennially; and (ii) classes of vehicles that require more frequent inspections, such as school buses, shall be inspected at such shorter intervals as may be established by the commission after consultation with the Department of Environmental Protection. At any time, the commission may require the owner, lessee, or operator of a motor vehicle to submit the vehicle for inspection.

d. The commission shall furnish to designated examiners or to other persons authorized to conduct inspections or to grant waivers official certificates of approval, rejection stickers or waiver certificates, the form, content and use of which it shall establish. The certificates of approval, rejection stickers and waiver certificates shall be of a type, such as a windshield sticker or license plate decal, that can be attached to the vehicle or license plate in a location that is readily visible to anyone viewing the vehicle. If a certificate of approval cannot be issued, the driver shall be provided with a written inspection report describing the reasons for rejection and, if appropriate, the repairs needed or likely to be needed to bring the vehicle into compliance with applicable standards.

e. The commission may, with the approval of the State House Commission, purchase, lease or acquire by the exercise of the power of eminent domain any property for the purpose of assisting it in carrying out the provisions of this chapter. This property may also be used by the commission for the exercise of the duties and powers conferred upon it by the other chapters of this Title.

f. For the purpose of implementing the motor vehicle inspection requirements of the federal Clean Air Act and subject to the approval of the Attorney General, the State Treasurer, prior to January 1, 1997, may:

(1) Purchase, lease or acquire by eminent domain any property for vehicle inspection purposes. Any other provision of law to the contrary notwithstanding, no further approval shall be required for transactions authorized by this paragraph, except that a proposed purchase, lease or acquisition by eminent domain shall require the approval of the Joint Budget Oversight Committee, and shall be submitted to the Joint Budget Oversight Committee, which shall
review the proposed purchase, lease or acquisition by eminent domain within 15 business days; and

(2) Sell or lease, or grant an easement in, any property acquired, held or used for vehicle inspection purposes or any other suitable property held by the State that is not currently in use or dedicated to another purpose. For the purpose of this paragraph and notwithstanding any provision of R.S.52:20-1 et seq. to the contrary, the sale or lease of, or the granting of an easement in, real property owned by the State shall be subject to the approval of the State House Commission, which shall meet at the call of the Governor to act on a proposed sale or lease or grant of an easement pursuant to this paragraph. A member of the State House Commission may permit a representative to act on that member's behalf in considering and voting on a sale or lease or grant of an easement pursuant to this paragraph. Any other provision of law to the contrary notwithstanding, any moneys derived from a sale, lease or granting of an easement by the State pursuant to this paragraph shall not be expended unless approved by the Joint Budget Oversight Committee for the purpose of purchasing, leasing or acquiring property pursuant to paragraph (1) of this subsection, except that any moneys derived therefrom and not approved for that purpose shall be appropriated to the Department of Transportation to provide for mass transit improvements.

g. The commission shall conduct roadside examinations of motor vehicles required to be inspected, using such inspection equipment and procedures, and standards established pursuant to section 1 of P.L.1966, c.16 (C.26:2C-8.1), including, but not limited to, remote sensing technology, as the commission shall deem appropriate to provide for the monitoring of motor vehicles pursuant to this subsection. At least 20,000 vehicles or 0.5 percent of the total number of motor vehicles required to be inspected under this chapter, whichever is less, shall be inspected during each inspection cycle by roadside examination teams under the supervision of the commission. The commission may require any vehicle failing a roadside examination to be inspected at an official inspection facility or a private inspection facility within a time period fixed by the commission. Failure to appear and pass inspection within the time period fixed by the commission shall result in registration suspension in addition to any other penalties provided in this Title. The commission shall conduct an aggressive roadside inspection program to ensure that all motor vehicles that are required to be inspected in this State are in compliance with State law.

h. The commission, and, when appropriate, the Department of Environmental Protection, shall conduct inspections and audits of licensed private inspection facilities, official inspection facilities and designated examiners to ensure accurate test equipment calibration and use, and compliance with proper inspection procedures and with the provisions of
P.L. 1995, c. 112 (C.39:8-41 et al.) and any regulations adopted pursuant thereto by the commission or by the Department of Environmental Protection. These inspections and audits shall be conducted at such times and in such manner as the commission, upon consultation with the Department of Environmental Protection, shall determine in order to provide quality assurance in the performance of the inspection and maintenance program.

i. (1) The commission shall make a charge of $2.50 for the initial inspection for each vehicle subject to inspection, which amount shall be paid to the commission or its representative when payment of the registration fees fixed in chapter 3 of this Title is made which inspection charge shall be considered a service charge and shall be subject to the calculation of proportional revenue remitted to the commission pursuant to section 105 of P.L.2003, c.13 (C.39:2A-36); provided however, that on and after January 1, 1999, a school bus as defined pursuant to section 3 of P.L.1999, c.5 (C.39:3B-20) and having a registration period commencing on or after January 1, 1999, shall be subject to an inspection fee for each in-terminal or in-lieu-of terminal inspection in accordance with the following schedule:

The school bus inspection fee shall be charged to the operator for each in-terminal or in-lieu-of terminal inspection. School Vehicle Type I and School Vehicle Type II buses shall be inspected semiannually. Retired school buses shall be inspected annually. No school bus inspection fee shall be charged for any reinspection conducted by the commission if the reinspection is conducted on the same day as the inspection that necessitated the reinspection. If an additional trip is required by the commission's inspectors, a fee of $25 per bus shall be charged. School bus inspection fees shall be paid to the commission or the commission's designee subject to the terms and conditions prescribed by the commission and shall be considered service charges of the commission and not subject to the calculation of proportional revenue remitted to the commission pursuant to section 105 of P.L.2003, c.13 (C.39:2A-36). Any law or rule or regulation adopted pursuant thereto to the contrary notwithstanding, a registration fee authorized pursuant to chapter 3 of Title 39 of the Revised Statutes shall not

In determining these costs, the commission shall include all capital and direct and indirect operating costs associated with the inspection of these vehicles including, but not limited to, the costs of the actual inspection, the creation and maintenance of the vehicle inspection record, administrative, oversight and quality assurance costs and the costs associated with reporting inspection information to the owner, the federal government and agencies of other states. fulfillment by the authority or the State Treasurer with respect to the terms of any agreement made with the holders of these bonds, notes, or other obligations. The State also pledges and covenants with the holders of any such bonds, notes, or obligations, that it will not act to prevent the authority from obtaining any of the revenues provided for in this act, which shall be sufficient to meet all costs and expenses in connection with the issuance of such obligations, until the bonds, notes, or other obligations, together with interest thereon, are fully met and discharged or payment thereof is fully provided for, except that the failure of the State to appropriate monies for any purpose of this act shall not be deemed a violation of this section.

CHAPTER 15

AN ACT concerning local unit bonds, amending and supplementing chapter 2 of Title 40A of the New Jersey Statutes and repealing N.J.S.40A:2-8.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.40A:2-10 is amended to read as follows:

Filing of supplemental debt statement required.

40A:2-10. Prior to the passage on first reading of any bond ordinance, refunding bond ordinance or ordinance amending such ordinance, except amending as to matters which are not required to be contained in such ordinance or which does not increase the total amount of the obligations authorized by such ordinance, a financial officer of the local unit shall execute and swear to a supplemental debt statement which shall be filed in the office of the clerk. Prior to the final passage of such ordinance, an executed duplicate of such statement shall be filed in the office of the director.
2. N.J.S.40A:2-11 is amended to read as follows:

**Down payment.**

40A:2-11. a. No bond ordinance shall be finally adopted unless it appropriates to the purpose, or ratably to the respective purposes to be financed, in addition to the obligations thereby authorized, a sum as a down payment which is not less than 5% of the amount of the obligations authorized.
b. Said sum so appropriated as a down payment must have been made available prior to final adoption of the bond ordinance from any one or more of the following:
   1. by provision in a previously adopted budget or budgets of the local unit for down payment or for capital improvement purposes;
   2. from moneys then actually held by the local unit and previously contributed for such purpose other than by the local unit; or
   3. by emergency appropriation.
c. The provisions of this section shall not apply to a bond ordinance which authorizes obligations solely for any purpose referred to in paragraphs a, b, c, d, e and h of section 40A:2-7 or for those bond ordinances which involve projects funded by State grants such as Green Acres, Environmental Trust Fund, Transportation Trust Fund, and other similar programs.

3. N.J.S.40A:2-26 is amended to read as follows:

**Maturities of bonds.**

40A:2-26. Maturities of all bonds shall be as determined by bond ordinance or by subsequent resolution and within the following limitations:
   a. All bonds shall mature within the period or average period of usefulness determined in the bond ordinance.
b. All bonds shall mature in annual installments, the first of which shall be payable not more than one year from the date of the bonds. No annual installment shall exceed by more than 100% the amount of the smallest prior installment.
c. The first installment of bonds to finance a municipal public utility may be made payable not later than the end of the second year's operation, computed from the estimated date of completion, as fixed in the project report submitted pursuant to this chapter.
d. Bonds to finance that part of the cost of a local improvement which is to be assessed on property shall mature in annual installments not exceeding in number the number of annual installments or average thereof fixed in the bond ordinance for the payment of special assessments. The first annual installment of such bonds shall be payable not more than two years from the date of the bonds, and no annual installment shall exceed the amount of the smallest prior installment.
e. A governing body which has concluded that the limitations as to maturities or amounts of annual installments will adversely affect the financial position of the local unit, may make written application to the local government board setting forth its conclusion and the reasons therefor and the desired maturities or the amounts of annual installments for bonds about to be issued. If the local government board finds such conclusion to be well founded, it may, by order, fix the maturities or amounts of annual installments of such bonds as desired by the local unit, or fix any such other maturities or amounts of annual installments which the circumstances warrant.

f. The governing body, by resolution, may provide for a single and combined issue of bonds not exceeding the aggregate amount of bonds authorized by two or more bond ordinances. The bonds of such issue shall mature within the average period of usefulness which shall be determined in said resolution, taking into consideration the respective amount of bonds authorized by each of the bond ordinances and the period or average period of usefulness therein determined. The provisions of this chapter applicable to the sale and issuance of a single issue of bonds shall apply to the sale and issuance of such combined issue of bonds.

g. The governing body, by resolution, may allow the adjustment of, or otherwise delegate to a finance officer the authority to adjust, the maturity schedule of the bonds, up to 24 hours prior to the time advertised for the receipt of bids and within 24 hours after the award of bids; provided that no maturity schedule adjustment shall exceed 10% of the principal for any maturity with the aggregate adjustment to maturity not to exceed 10% of the principal for the overall issue. When an adjustment has been made to a maturity schedule previously approved by the local finance board, a copy of the final maturity schedule which meets or complies with the limitations in this subsection shall be filed with the board within 30 days of the sale and shall be conclusively deemed to have been approved by the board.

4. N.J.S.40A:2-27 is amended to read as follows:

Sale of bonds, methods.

40A:2-27. a. All bonds shall be sold at public sale upon the submission of sealed bids or through the submission of electronic proposals, except that bonds may be sold at private sale without any previous public offering:

(2) if sold to any board, body, agency, commission, instrumentality, district, authority or political subdivision of any local unit, or of the State, or of the Federal Government.
b. (1) If no legally acceptable bid is received at advertised public offering pursuant to subsection a. of this section, such bonds or any of them may be sold at private sale within 30 days after the advertised date for public bidding, provided, however, that no bonds shall contain substantially different provisions from those specified in said notice.

(2) Any purchaser of bonds at private sale, other than a public body, shall deposit a certified or cashier's or treasurer's check drawn upon a bank or trust company in an amount equal to 5% of the amount of bonds purchased and such amount shall be applied as in the case of a deposit made at public sale.

(3) Any private sale of bonds shall be made or confirmed by resolution of the governing body adopted by not less than a 2/3 vote of the full membership thereof, setting forth the date, maturities, interest rate and price of the bonds and the name of the purchaser.

c. If the governing body determines to conduct the public sale through the submission of electronic proposals, such electronic proposals shall be submitted in the form of open or closed auctions conducted through a nationally recognized electronic securities bidding service and in accordance with such rules as may be promulgated by the board. The local finance board may adopt rules in accordance with the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), regulating the terms and conditions of the submission of electronic proposals.

5. N.J.S.40A:2-29 is amended to read as follows:

Minimum price for obligations.

40A:2-29. Obligations sold pursuant to subsection d. of N.J.S.40A:2-32 shall be sold at not less than par value plus any interest accrued to the date of delivery. No other obligations shall be sold for less than 99% of par value and interest accrued to date of delivery unless the local unit has obtained the approval of the director, which approval may be subject to such conditions as the director deems necessary and appropriate.

6. N.J.S.40A:2-30 is amended to read as follows:

Advertisement of public sale of bonds.

40A:2-30. a. A notice of public sale of bonds containing the provisions described in subsection a. of N.J.S.40A:2-31 shall be advertised at least once at least seven days prior thereto in a newspaper qualified for publication of a bond ordinance of the local unit. A summary of the notice of public sale of bonds as provided for in subsection b. of N.J.S.40A:2-31 shall be advertised at least once at least seven days prior thereto in a nationally recognized local government bond marketing publication or electronic information service
carrying municipal bond notices and devoted primarily to financial news or the subject of state and municipal bonds.

b. The governing body, may, by resolution, allow or otherwise delegate to a finance officer the authority to postpone a public sale without readvertisement provided that the notice pursuant to subsection a. of this section contained precise information concerning the postponement and rescheduling procedure. The postponement and rescheduling procedure shall provide that a public sale may be postponed upon not less than 24 hours' notice, and that if the public sale is postponed, it may be recommenced upon not less than 48 hours' notice without further notice of sale. A public sale may not be postponed for more than 60 days without readvertisement.

7. N.J.S.40A:2-31 is amended to read as follows:

Contents of notice.

40A:2-31. a. A notice of public sale of bonds required to be advertised pursuant to N.J.S.40A:2-30 shall set forth:

(1) the principal amount, date, denomination and maturities, and authorization for any adjustments to the maturities pursuant to subsection g. of N.J.S.40A:2-26 of the bonds offered for sale;

(2) the rate or rates of interest or maximum rate or rates of interest to be borne by the bonds and the method of calculation of interest cost pursuant to subsection e. of N.J.S.40A:2-32;

(3) postponement provisions and other terms and conditions of such public sale;

(4) the type of sale to be conducted, through the submission of either sealed or electronic proposals; and

(5) such other provisions as may be determined by the governing body.

b. A summary of the notice of public sale of bonds required to be advertised pursuant to N.J.S.40A:2-30 shall set forth:

(1) the principal amount, date, denomination and maturities of the bonds offered for sale;

(2) the rate or rates of interest or maximum rate or rates of interest to be borne by the bonds;

(3) a reference to where additional terms and conditions of the public sale may be obtained; and

(4) the type of sale to be conducted, through the submission of either sealed or electronic proposals.

8. N.J.S.40A:2-32 is amended to read as follows:
CHAPTER 15, LAWS OF 2003  

Sale of bonds; bidding requirements.

40A:2-32. a. (1) All bidders shall be required to deposit a certified or cashier's or treasurer's check, drawn upon a bank or trust company, equal to not less than 2% of the bonds to secure the local unit in part from any loss resulting from the failure of the bidder to comply with the terms of his bid, or as liquidated damages for such failure.

(2) The local finance board may adopt rules to permit local units to accept a financial surety bond in lieu of a certified, cashier's or treasurer's check as required in paragraph (1) of this subsection.

b. All sealed bids for bonds shall be publicly opened and announced, and all bids received electronically shall be received and announced, at the advertised time and place of sale, except upon a postponement and recommencement of the public sale made in accordance with the provisions of subsection b. of N.J.S.40A:2-30 in which case such bids or proposals shall be publicly opened, received and announced, as appropriate, at the postponed and recommenced date. Such bids as comply with the terms of the notice of sale shall be considered, and any bid not complying with the terms of such notice may be rejected. All bids received may be rejected.

c. Bonds of two or more issues may be sold on the basis of combined maturities, or the maturities of each issue offered for sale.

d. Bonds may be offered for sale at a single rate of interest, or bidders may be requested to name a single rate of interest, but no proposal shall be considered which offers to pay less than the principal amount of bonds offered for sale or which names a rate of interest higher than the lowest rate of interest stated in any legally acceptable proposal. As between proposals naming the same lowest rate of interest, the proposal offering to accept the least amount of bonds shall be accepted, the bonds to be accepted shall be those first maturing, and as between such proposals, the proposal offering to pay the greatest premium shall be accepted. The amount of premium bid for the bonds shall in no event exceed $1,000.00 for the principal amount of bonds offered for sale. In order to effect the foregoing, a sufficient number of the last maturing bonds shall be of the denomination of $1,000.00 or less.

e. (1) Bonds may be offered for sale at different rates of interest for the same issue or different rates of interest for different issues, or parts thereof, or bidders may be requested to name any such rates of interest. No proposal shall be considered under which the total loan is made at an interest cost higher than the lowest net interest cost or the true interest cost to the local unit under any legally acceptable proposal. The governing body shall specify in its notice of public sale advertised pursuant to N.J.S.40A:2-30 whether the award shall be based on net interest cost or true interest cost.

(2) The net interest cost shall be computed by adding to the total principal amount of bonds bid for, the total interest cost to maturity in accordance with
such bid and by deduction therefrom of the amount of premium, if any, bid or the addition thereto of the amount of discount, if any, bid.

(3) The true interest cost shall be computed in each instance by determining the interest rate, compounded semi-annually, necessary to discount the debt service payments to the date of the bonds and to the price bid, excluding interest accrued to the delivery date.

f. The governing body may establish additional terms or conditions of sale.

g. The governing body may, by resolution, allow or otherwise delegate to a finance officer the authority to permit bidders to aggregate consecutive principal maturities for which such bidder bid the same interest rate into term bonds, provided that mandatory sinking funds for which redemptions in lieu of the principal maturities are provided. For the purposes of this subsection "term bond" means a bond that is due in a certain year but has mandatory retirement provisions for portions of the term bond on specified dates prior to the maturity date of the term bond itself.

9. N.J.S.40A:2-51 is amended to read as follows:

Issuance of refunding bonds.

40A:2-51. Any local unit may incur indebtedness, borrow money, authorize and issue refunding bonds, notwithstanding any provision or limitation contained in this chapter or in any other law, and in any amount determined to be necessary by the governing body of the local unit and approved by the Local Finance Board, except as provided in subsection c. of this section, to effect the refunding for the purpose of:

a. Paying, funding or refunding outstanding bonds of the local unit, including emergency appropriations, temporary emergency appropriations, advance funding of pension obligations as part of an early retirement program offered by the State, and amounts owing to others for taxes levied in the local unit, or any renewals or extensions thereof, or any bonds issued to fund or refund the same and whether or not prior to the maturity or earliest redemption date of the bonds to be refunded.

b. Paying the cost of the issuance of such refunding bonds, including printing, advertising, accounting and financial and legal expenses.

c. Issuance of refunding bonds to realize debt service savings on outstanding obligations without the approval of the local finance board when authorized by conditions set forth in rules and regulations of the local finance board and upon a resolution adopted by 2/3 vote of the full membership of the governing body.

d. The sale and award of bonds by a finance officer who has been delegated that responsibility by resolution of the governing body in accordance
with the advertised terms of public sale. The finance officer making any such sale shall report in writing to the governing body at the next meeting thereof as to the principal amount, interest rate and maturities of the bonds sold, along with the price obtained and the name of the purchaser.

10. N.J.S.40A:2-52 is amended to read as follows:

Authorization of refunding bonds.

40A:2-52. Refunding bonds shall be authorized by a refunding bond ordinance which shall be adopted in the manner prescribed for adoption of a bond ordinance, except that no down payment shall be required. Bonds to be paid, funded or refunded with respect to which a refunding bond ordinance has been adopted pursuant to the provisions of this chapter and not otherwise deductible shall be deducted from the gross debt of the local unit. To the extent such refunding bonds are authorized for purposes other than the refunding of outstanding bonds, such refunding bonds shall be deductible from gross debt.

C.40A:2-8.1 Issuance of bond anticipation note; rules, regulations.

11. On and after the effective date of P.L.2003, c.15, a local unit may, in anticipation of the issuance of bonds, borrow money and issue notes if the bond ordinance or subsequent resolution so provides. Any such note shall be designated as a "bond anticipation note" and shall contain a recital that it is issued for a period not exceeding one year and may be renewed from time to time for additional periods, none of which shall exceed one year, but all such notes, including renewals, shall mature and be paid not later than the first day of the fifth month following the close of the tenth fiscal year next following the date of the original notes; provided, however, that no such notes shall be renewed beyond the third anniversary date of the original notes unless an amount of such notes, at least equal to the first legally payable installment of the bonds in anticipation of which those notes are issued, is paid and retired on or before each subsequent anniversary date beyond which such notes are renewed from funds other than the proceeds of obligations.

The local finance board shall, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt such rules and regulations as are necessary to implement the provisions of this act.

In the event benefits paid by an insurer pursuant to this subsection are in excess of $75,000 on account of personal injury to any one person in any one accident, such excess shall be paid by the insurer in consultation with the Unsatisfied Claim and Judgment Fund Board and shall be reimbursable to the insurer from the Unsatisfied Claim and Judgment Fund pursuant to section 2 of P.L.1977, c.310 (C.39:6-73.1). Benefits provided under basic coverage shall be in accordance with a benefit plan provided in the policy and approved by the commissioner. The policy form, which shall be subject to the approval of the commissioner, shall set forth the benefits provided under the policy, including eligible medical treatments, diagnostic tests and services as well as such other benefits as the policy may provide. Protocols shall be deemed to establish guidelines as to standard appropriate treatment and diagnostic tests for injuries sustained in automobile accidents, but the establishment of standard treatment protocols or protocols for the administration of diagnostic tests shall not be interpreted in such a manner as to preclude variance from the standard when warranted by reason of medical necessity. The policy form may provide for the precertification of certain procedures, treatments, diagnostic tests, or other services or for the purchase of durable medical goods, as approved by the commissioner, provided that the requirement for precertification shall not be unreasonable, and no precertification requirement shall apply within ten days of the insured event. The policy may provide that certain benefits provided by the policy which are in excess of the basic benefits required by the commissioner to be included in the policy may be subject to reasonable copayments in addition to the copayments provided for herein, provided that the copayments shall not be unreasonable and shall be established in such a manner as not to serve to encourage underutilization of benefits subject to the copayments, nor encourage overutilization of benefits. The policy form shall clearly set forth any limitations on benefits or exclusions, which may include, but need not be limited to, benefits which are otherwise compensable under workers' compensation, or benefits for treatments deemed to be experimental or investigational, or benefits deducted pursuant to section 6 of P.L.1972, c.70 (C.39:6A-6). The commissioner may enlist the services of a benefit consultant in establishing the basic benefits level provided in this subsection, which shall be set forth by regulation no later than 120 days following the enactment date of this amendatory and supplementary act. The commissioner shall not advertise for the consultant as provided in sections 3 and 4 of P.L.1954, c.48 (C.52:34-8 and 52:34-9).

Medical expense benefits payable under this subsection shall not be assignable, except to a provider of service benefits, in accordance with policy terms approved by the commissioner, nor shall they be subject to levy, execution, attachment or other process for satisfaction of debts. Medical expense benefits payable in accordance with this subsection may be subject to a deductible and copayments as provided for in the policy, if any. c. In addition to the aforesaid coverages required to be provided in a basic automobile insurance policy, optional liability insurance coverage insuring against loss resulting from liability imposed by law for bodily injury or death in an amount or limit of $10,000, exclusive of interests and costs, on account of injury to, or death of, one or more persons in any one accident.

If a named insured has elected the basic automobile insurance policy option and an immediate family member or members or relatives resident in his household have one or more policies with the coverages provided for in sections 3 and 4 of P.L.1972, c.70 (C.39:6A-3 and 39:6A-4), the provisions of section 12 of P.L.1983, c.362 (C.39:6A-4.2) shall apply.

Every named insured and any other person to whom the basic automobile insurance policy, with or without the optional $10,000 liability coverage insuring against loss resulting from liability imposed by law for bodily injury or death provided for in subsection c. of this section, applies shall be subject to the tort option provided in subsection a. of section 8 of P.L.1972, c.70 (C.39:6A-8).

No licensed insurance carrier shall refuse to renew the coverage stipulated by this section of an eligible person as defined in section 25 of P.L.1990, c.8 (C.17:33B-13) except in accordance with the provisions of section 26 of P.L.1988, c.119 (C.17:29C-7.1) or with the consent of the Commissioner of Banking and Insurance.

The commissioner, in consultation with the Commissioner of the Department of Health and Senior Services and the applicable licensing boards, may reject the use of protocols, standards and practices or lists of diagnostic tests set by any organization deemed not to have standing or general recognition by the provider community or the applicable licensing boards. Protocols shall be deemed to establish guidelines as to standard appropriate treatment and diagnostic tests for injuries sustained in automobile accidents, but the establishment of standard treatment protocols or protocols for the administration of diagnostic tests shall not be interpreted in such a manner as to preclude variance from the standard when warranted.
by reason of medical necessity. The policy form may provide for the precertification of certain procedures, treatments, diagnostic tests, or other services or for the purchase of durable medical goods, as approved by the commissioner, provided that the requirement for precertification shall not be unreasonable, and no precertification requirement shall apply within ten days of the insured event. The policy may provide that certain benefits provided by the policy which are in excess of the basic benefits required by the commissioner to be included in the policy may be subject to reasonable copayments in addition to the copayments provided for pursuant to subsection e. of this section, provided that the copayments shall not be unreasonable and shall be established in such a manner as not to serve to encourage underutilization of benefits subject to the copayments, nor encourage overutilization of benefits. The policy form shall clearly set forth any limitations on benefits or exclusions, which may include, but need not be limited to, benefits which are otherwise compensable under workers' compensation, or benefits for treatments deemed to be experimental or investigational, or benefits deducted pursuant to section 6 of P.L.1972, c.70 (C.39:6A-6). The commissioner may enlist the services of a benefit consultant in establishing the basic benefits level provided in this subsection, which shall be set forth by regulation no later than 120 days following the enactment date of P.L.1998, c.21 (C.39:6A-1.1 et al.). The rules and regulations adopted by the board pursuant to this section shall provide for the recovery by an electric public utility or a gas public utility of all reasonable costs incurred by the electric public utility or gas public utility in implementing a government energy aggregation and all reasonable costs incurred in assisting a governing body considering a government energy aggregation program. The rules and regulations shall provide that the costs allowed to be recovered pursuant to this subsection shall be recovered on a timely basis from the governing body or government energy aggregator that is a municipality or a county, as the case may be. No electric public utility or gas public utility shall be required to seek recovery of costs for a government energy aggregation program or costs for assisting a governing body considering a government energy aggregation program from the electric public utility's or gas public utility's shareholders or ratepayers.

c. As used in this section "government aggregator," "government energy aggregation program," "electric power supplier" and "gas supplier" shall have the same meaning as set forth in section 3 of P.L.1999, c.23 (C.48:3-51).

3. Section 36 of P.L.1999, c.23 (C.48:3-85) is amended to read as follows:

C.48:3-85 Consumer protection standards.

36. a. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board, in consultation with the Division of Consumer Affairs in the Department of Law and Public Safety, shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing, interim consumer protection standards for electric power suppliers or gas suppliers, within 90 days of February 9, 1999, including, but not limited to, standards for collections, credit, contracts, authorized changes of an energy consumer's electric power supplier or gas supplier, for the prohibition of discriminatory marketing, for advertising and for disclosure. Such standards shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be
effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

(1) Contract standards shall include, but not be limited to, requirements that electric power supply contracts or gas supply contracts must conspicuously disclose the duration of the contract; state the price per kilowatt hour or per therm or other pricing determinant approved by the board; have the customer's written signature; the customer's electronic signature; an audio recording of a telephone call initiated by the customer; independent, third-party verification, in accordance with section 37 of P.L.1999, c.23 (C.48:3-86), of a telephone call initiated by an electric power supplier, gas supplier or private aggregator; or such alternative forms of verification as the board, in consultation with the Division of Consumer Affairs, may permit for switching electric power suppliers or gas suppliers and for contract renewal; and include termination procedures, notice of any fees, and toll-free or local telephone numbers for the electric power supplier or gas supplier and for the board.

(2) Standards for the prohibition of discriminatory marketing standards shall provide at a minimum that a decision made by an electric power supplier or a gas supplier to accept or reject a customer shall not be based on race, color, national origin, age, gender, religion, source of income, receipt of public benefits, family status, sexual preference, or geographic location. The board shall adopt reporting requirements to monitor compliance with such standards.

(3) Advertising standards for electric power suppliers or gas suppliers shall provide, at a minimum, that optional charges to the consumer will not be added to any advertised cost per kilowatt hour or per therm, and that the only unit of measurement that may be used in advertisements is cost per kilowatt hour or per therm, unless otherwise approved by the board. If an electric power supplier or gas supplier does not advertise using cost per kilowatt hour or per therm, the electric power supplier or gas supplier shall provide, at the consumer's request, an estimate of the cost per kilowatt hour or per therm. Any optional charges to the consumer shall be identified separately and denoted as optional.

(4) Credit standards shall include, at a minimum, that the credit requirements used to make offer decisions must be the same for all residential customers and that electric power suppliers, gas suppliers and private aggregators not impose unreasonable income or credit requirements.

(5) Billing standards shall include, at a minimum, provisions prohibiting electric public utilities, gas public utilities, electric power suppliers and gas suppliers from charging a fee to residential customers for either the commencement or termination of electric generation service or gas supply service.

b. (1) Except as provided in paragraph (2) of this subsection, an electric power supplier, a gas supplier, an electric public utility, and a gas public utility
shall not disclose, sell or transfer individual proprietary information, including, but not limited to, a customer's name, address, telephone number, energy usage and electric power payment history, to a third party without the consent of the customer.

(2) (a) An electric public utility or a gas public utility may disclose and provide, in an electronic format, which may include a CD rom, diskette, and other format as determined by the board, without the consent of a residential customer, a residential customer's name, rate class, and account number, to a government aggregator that is a municipality or a county, or to an energy agent acting as a consultant to a government aggregator that is a municipality or a county, if the customer information is to be used to establish a government energy aggregation program pursuant to sections 42, 43 and 45 of P.L.1999, c.23 (C.48:3-91; 48:3-92; and 48:3-94). The number of residential customers and their rate class, and the load profile of non-residential customers who have affirmatively chosen to be included in a government energy aggregation program pursuant to paragraph (3) of subsection a. of section 45 of P.L.1999, c.23 (C.48:3-94) may be disclosed pursuant to this paragraph prior to the request by the government aggregator for bids pursuant to paragraph (1) of subsection b. of section 45 of P.L.1999, c.23 (C.48:3-94), and the name, address, and account number of a residential customer and the name, address and account number of non-residential customers who have affirmatively chosen to be included in a government energy aggregation program pursuant to paragraph (3) of subsection a. of section 45 of P.L.1999, c.23 (C.48:3-94) may be disclosed pursuant to this paragraph upon the awarding of a contract to a licensed power supplier or licensed gas supplier pursuant to paragraph (2) of subsection b. of section 45 of P.L.1999, c.23. Any customer information disclosed pursuant to this paragraph shall not be considered a government record for the purposes of and shall be exempt from the provisions of P.L.2001, c.404.

(b) An electric public utility or a gas public utility disclosing customer information pursuant to this paragraph shall exercise reasonable care in the preparation of this customer information, but shall not be responsible for errors or omissions in the preparation or the content of the customer information.

(c) Any person using any information disclosed pursuant to this paragraph for any other purpose than to establish a government energy aggregation program pursuant to sections 42, 43 and 45 of P.L.1999, c.23 (C.48:3-91; 48:3-92; and 48:3-94) shall be subject to the provisions of section 34 of P.L.1999, c.23 (C.48:3-83).

(d) The role of an electric public utility or a gas public utility in a government energy aggregation program established pursuant to P.L.1999, c.23 shall be limited to the provisions of this paragraph.

(3) Whenever any individual proprietary information is disclosed, sold or transferred, pursuant to paragraph (1) or paragraph (2) of subsection b. of
this section, it shall be used only for the provision of continued electric
generation service, electric related service, gas supply service or gas related
service to that customer. In the case of a transfer or sale of a business, customer
consent shall not be required for the transfer of customer proprietary information
to the subsequent owner of the business for maintaining the continuation of
such services.

(4) Notwithstanding any provisions of the "Administrative Procedure
Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall,
within 90 days of the effective date of P.L.2003, c.24 (C.48:3-93.1 et al.),
review existing regulations including, without limitation, Chapter 4 of Title
14 of the New Jersey Administrative Code (Energy Competition Standards),
to determine their consistency with the provisions of section 36 of P.L.1999,
c.23 (C.48:3-85), section 43 of P.L.1999, c.23 (C.48:3-92) and section 45
of P.L.1999, c.23 (C.48:3-94), shall repeal or modify any regulations that are
inconsistent with the provisions thereof and shall adopt regulations and
standards implementing the provisions thereof permitting disclosure of customer
information without the consent of the customer including, without limitation,
provisions for the development of a board-approved agreement between the
disclosing party and the receiving party and the creation of a mechanism for
the recovery by the disclosing electric public utility or gas public utility of
its reasonable incremental costs of providing such information if such costs
are not covered in an existing third party supplier agreement.

(5) An electric power supplier, a gas supplier, a gas public utility or an
electric public utility may use individual proprietary information that it has
obtained by virtue of its provision of electric generation service, electric related
service, gas supply service or gas related service to:

(a) Initiate, render, bill and collect for such services to the extent otherwise
authorized to provide billing and collection services;

(b) Protect the rights or property of the electric power supplier, gas supplier
or public utility; and

(c) Protect consumers of such services and other electric power suppliers,
gas suppliers or electric and gas public utilities from fraudulent, abusive or
unlawful use of, or subscription to, such services.

c. The board shall establish and maintain a database for the purpose of
recording customer complaints concerning electric and gas public utilities,
electric power suppliers, gas suppliers, private aggregators, and energy agents.

d. The board, in consultation with the Division of Consumer Affairs in
the Department of Law and Public Safety, shall establish, or cause to be
established, a multi-lingual electric and gas consumer education program. The
goal of the consumer education program shall be to educate residential, small
business, and special needs consumers about the implications for consumers
of the restructuring of the electric power and gas industries. The consumer
education program shall include, but need not be limited to, the dissemination of information to enable consumers to make informed choices among available electricity and gas services and suppliers, and the communication to consumers of the consumer protection provisions of this act.

The board shall ensure the neutrality of the content and message of advertisements and materials.

The board shall promulgate standards for the recovery of consumer education program costs from customers which include reasonable measures and criteria to judge the success of the program in enhancing customer understanding of retail choice.

e. (Deleted by amendment, P.L.2003, c.24).

4. Section 43 of P.L.1999, c.23 (C.48:3-92) is amended to read as follows:

C.48:3-92 Government energy aggregation programs.

43. Government energy aggregation programs shall be subject to the following provisions:

a. A contract between a government aggregator and a licensed electric power supplier or licensed gas supplier shall include the following provisions:
   (1) The specific responsibilities of the government aggregator and the licensed electric power supplier or licensed gas supplier;
   (2) The charges, rates, fees, or formulas to be used to determine the charges, rates or fees, to be charged to the energy consumers electing to receive electric generation service or gas supply service pursuant to the government energy aggregation program;
   (3) The method and procedures to be followed by the licensed electric power supplier or licensed gas supplier to enroll and educate energy consumers concerning the provisions of the aggregation program;
   (4) The proposed terms and conditions of a standard contract between energy consumers and the licensed electric power supplier or licensed gas supplier including, but not necessarily limited to:
      (a) The allocation of the risks in connection with the provision of such services between the licensed electric power supplier or licensed gas supplier and the energy consumers receiving such services;
      (b) The terms of the proposed contract;
      (c) The allocation of the risks associated with circumstances or occurrences beyond the control of the parties to the contract;
      (d) Default and remedies; and
      (e) The allocation of any penalties that may be imposed by any electric public utility or gas public utility as a result of over-delivery of electricity or gas, under-delivery of electricity or gas, or non-performance by the licensed electric power supplier or licensed gas supplier;
(5) The use of government aggregator resources, equipment, systems or employees in connection with such services;

(6) The term of the contract with the government aggregator;

(7) A provision indemnifying and holding the government aggregator harmless from all liabilities, damages and costs associated with any contract between a resident of the government aggregator and the licensed electric power supplier or licensed gas supplier;

(8) The requirements for the provision of a performance bond by the licensed electric power supplier or licensed gas supplier, if so required by the government aggregator;

(9) Procedures to ensure that participation in the aggregation program is consistent with the provisions of this act and with rules and regulations adopted by the board;

(10) Terms and conditions applicable to consumer protection as provided in rules and regulations adopted by the board, in consultation with the Division of Consumer Affairs in the Department of Law and Public Safety;

(11) A requirement that certain communications between a licensed electric power supplier and a licensed gas supplier and a customer be in a non-English language, as appropriate; and

(12) Such other terms and conditions as the government aggregator deems necessary.

b. The award of a contract for a government energy aggregation program shall be based on the most advantageous proposal, price and other factors considered. The governing body shall only award a contract for service to residential customers where the rate is the same as or lower than the price of basic generation service pursuant to section 9 of P.L.1999, c.23 (C.48:3-57), plus the pro-rata value of the cost of compliance with the renewable energy portfolio standards imposed pursuant to this act derived from a non-utility generation contract with an electric public utility and transferred by the electric public utility to a supplier of basic generation service or basic gas supply service pursuant to section 10 of P.L.1999, c.23 (C.48:3-58), as determined by the board. The governing body may award a contract for electric generation service where the rate is higher than the price of basic generation service as determined by the board pursuant to section 9 of P.L.1999, c.23, plus the pro-rata value of the cost of compliance with the renewable energy portfolio standards imposed pursuant to this act derived from a non-utility generation contract with an electric public utility and transferred by the electric public utility to a supplier of basic generation service, provided that the award is for electricity the percentage of which that is derived from verifiable Class I or Class II renewable energy as defined pursuant to section 3 of P.L.1999, c.23 (C.48:3-51) is greater than the percentage of Class I and Class II renewable energy required pursuant to subsection d. of section 38 of P.L.1999, c.23 (C.48:3-87), and that the
customers are informed, in a manner determined by the board secretary, that such a higher rate is under consideration by the governing body.

c. No concession fees, finders' fees, or other direct monetary benefit shall be paid to any government aggregator by, or on behalf of, a licensed electric power supplier or licensed gas supplier or broker or energy agent as a result of the contract.

d. A licensed electric power supplier or licensed gas supplier shall be subject to the prohibitions against political contributions in accordance with the provisions of R.S.19:34-45.

e. A government aggregator may enter into more than one contract for the provision of electric generation service and gas supply service, provided, however that the governing body indicates in each contract which is the default provider if a customer does not choose one of the providers.

f. A county government acting as a government aggregator shall not enter into a contract for the provision of a government energy aggregation program that is in competition with any existing contract of any government aggregator within its territorial jurisdiction.

(1) A county government may enter into a contract for a government energy aggregation program only if one or more constituent municipalities in the county adopt an ordinance authorizing the county to enter into such a contract.

(2) A county government energy aggregation program shall only be conducted for residential and business customers located within the constituent municipalities that have approved participation in the county's government energy aggregation program.

5. Section 45 of P.L.1999, c.23 (C.48:3-94) is amended to read as follows:

C.48:3-94 Operation of government energy aggregation program.

45. a. (1) A government aggregator that is a municipality or a county may operate a government energy aggregation program that provides for the aggregation of residential electric generation service or gas supply service, non-residential electric generation service or gas supply service on a voluntary basis, and appliance repair services for residential and non-residential customers on a voluntary basis, either separately or bundled, in accordance with the provisions of this section.

(2) Electric generation service or gas supply service for residential customers within the municipality or county and for non-residential customers on a voluntary basis, and for appliance repair services for residential and non-residential customers on a voluntary basis, may be aggregated together with electric generation service, electric related service, gas supply service or gas related service, either separately or bundled, for the government aggregator's own facilities or with other government aggregators, provided that each
governing body adopts an ordinance in the case of a municipality, or resolution in the case of a county, after notice and public hearing, indicating its intent to solicit bids for the provision of electric generation service or gas supply service, either separately or bundled, and for appliance repair services on a voluntary basis at a separate price and by separate bid solicitation, as the case may be, which approval shall require passage by a majority vote of the full membership of the governing body.

(3) If an ordinance or resolution adopted pursuant to paragraph (2) of this subsection would include non-residential customers in a government energy aggregation program on a voluntary basis, the adoption of the ordinance or resolution shall be accompanied by a public notice that non-residential customers will be included in the government energy aggregation program if they contact the appropriate governing body within 30 days of the adoption of the ordinance or resolution stating their affirmative choice to be included in the government energy aggregation program.

(4) (a) If an ordinance or resolution adopted pursuant to paragraph (2) of this subsection would include appliance repair services for residential or non-residential customers on a voluntary basis at a separate price and by separate bid solicitation, the adoption of the ordinance or resolution shall be accompanied by a public notice that residential or non-residential customers may receive appliance repair services if they contact the appropriate governing body within 30 days of the adoption of the ordinance or resolution stating their affirmative choice to receive appliance repair services under the government energy aggregation program.

(b) The Board of Public Utilities shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations determining the manner in which electric related services and gas related services, other than appliance repair services, shall be included in government energy aggregation programs.

(5) A government energy aggregation program shall be structured to provide that each residential or non-residential customer, as the case may be, shall receive electric generation service or gas supply service from one licensed electric power supplier or one licensed gas supplier, as the case may be.

(6) Any residential or non-residential customer receiving electric generation service or gas supply service from a licensed electric power supplier or a licensed gas supplier prior to the establishment of a government energy aggregation program pursuant to this section shall be exempt from a government energy aggregation program established pursuant to this section. Under no circumstance shall a residential or non-residential customer's affirmative choice to be included in a government energy aggregation program abrogate the existing terms of an electric power or gas supply contract between a non-residential customer and a licensed electric power supplier or licensed gas supplier.
b. (1) The governing body shall commence public bidding pursuant to the provisions of the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.) to receive bids from a licensed electric power supplier or licensed gas supplier, as appropriate, for electric generation service or gas supply service at one or more projected load levels, either separately or bundled, for customers within the municipality or county, and if appropriate, for any appliance repair services at a separate price and by separate bid solicitation, and for electric generation service, electric related service, gas supply service or gas related service, either separately or bundled, for the government aggregator's own facilities. Thirty days prior to the commencement of public bidding the governing body shall transmit the bid notice and all bidding documents to the board and the Division of the Ratepayer Advocate for review. The board and the Division of the Ratepayer Advocate shall have 15 days to review the bid notice and bidding documents and provide comments to the governing body, which may accept or reject the comments.

(2) Upon receipt of the bids, the governing body shall evaluate the proposals. The governing body shall select a licensed electric power supplier or licensed gas supplier, or both, based on the most advantageous proposal, price and other factors considered. The governing body shall only select a licensed electric power supplier or licensed gas supplier to be awarded a contract for service where the rate is the same as or lower than the price of basic generation service pursuant to section 9 of P.L.1999, c.23 (C.48:3-57) plus the pro-rata value of the cost of compliance with the renewable energy portfolio standards imposed pursuant to this act derived from a non-utility generation contract with an electric public utility and transferred by the electric public utility to a supplier of basic generation service or basic gas supply service pursuant to section 10 of P.L.1999, c.23 (C.48:3-58), as determined by the board. The governing body may award a contract for electric generation service where the rate is higher than the price of basic generation service as determined by the board pursuant to section 9 of P.L.1999, c.23 plus the pro-rata value of the cost of compliance with the renewable energy portfolio standards imposed pursuant to this act derived from a non-utility generation contract with an electric public utility and transferred by the electric public utility to a supplier of basic generation service, provided that the award is for electricity the percentage of which that is derived from verifiable Class I or Class II renewable energy as defined pursuant to section 3 of P.L.1999, c.23 (C.48:3-51) is greater than the percentage of Class I and Class II renewable energy required pursuant to subsection d. of section 38 of P.L.1999, c.23 (C.48:3-87), and that the customers are informed, in a manner determined by the board secretary, that such a higher rate is under consideration by the governing body.

c. Upon selection of a licensed electric power supplier or licensed gas supplier, or both, pursuant to subsection b. of this section, the governing body
shall enter into a written agreement with the selected licensed supplier. The written agreement shall include:

(1) the contract with the selected licensed electric power supplier or licensed gas supplier, or both, for the government aggregator's own load; and

(2) a contract form which shall comply with and include the requirements of subsection a. of section 43 of P.L.1999, c.23 (C.48:3-92).

The governing body shall transmit a copy of the written agreement to the board and the Division of the Ratepayer Advocate, each of which shall have 15 days to review the written agreement and provide comments to the governing body, which may accept or reject the comments.

d. (Deleted by amendment, P.L.2003, c.24).

e. (1) After entering into the agreement pursuant to section c. of this section, the governing body shall provide written individual notice to customers advising them of their individual right to affirmatively decline participation in the government energy aggregation program, and providing 30 days for customers to respond to the governing body of their decision to affirmatively decline participation in the government energy aggregation program and providing them with the price and other factors allowing the customer to compare the government energy aggregation program to other alternatives; and

(2) upon expiration of the 30-day period required pursuant to paragraph (1) of this subsection, the governing body shall determine the number and identity of customers who did not affirmatively decline to participate in the government energy aggregation program.

(3) The governing body shall then authorize the selected licensed electric power supplier or licensed gas supplier, or both, to enroll each customer within the municipality or county who did not initially affirmatively decline to be part of a government energy aggregation program pursuant to the provisions of paragraph (1) of subsection e. of this section.

(4) The Board of Public Utilities shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations regarding service for residential and non-residential customers in municipalities and counties in which government energy aggregation programs have been established providing for the notification to new customers of the availability of the established government energy aggregation program and their option to enroll in the program, and establishing a process by which customers that have been enrolled in a government energy aggregation program and that move to a new location where that same government energy aggregation program is available may consent to continue in the program without reverting to basic generation service or basic gas service. The rules and regulations adopted by the board pursuant to this section shall provide for the recovery by an electric public utility or a gas public utility of all reasonable costs incurred by the electric
public utility or gas public utility in complying with the regulations adopted pursuant to this section.

f. The licensed electric power supplier or licensed gas supplier, or both, selected pursuant to the provisions of this section shall be subject to the provisions of section 37 of this act.

g. Whenever the process results in a change of provider of energy or of price to program participants, the governing body shall give residential customers notice, as determined by the board, of their right to decline continued participation.

h. A government aggregator that is a county may implement the provisions of this section only as authorized pursuant to the provisions of subsection f. of section 43 of this act.

i. The provisions of this section shall only apply to government energy aggregation programs for residential customers and to non-residential customers on a voluntary basis.

j. Nothing in this section shall preclude a government energy aggregation program from including non-residential customers as participants on a voluntary basis.

k. Nothing in this section shall preclude a residential customer who did not affirmatively decline to participate in a government energy aggregation program from switching electric service to another electric power supplier or to basic generation service pursuant to regulations adopted by the board.

C.48:3-93.3 Contributions to campaign committees, candidates, office holders; restrictions; enforcement.

6. a. The provisions of any law, or rule or regulation adopted pursuant thereto, to the contrary notwithstanding, a government aggregator that is a municipality or a county shall not award a contract to a licensed electric power supplier, a licensed gas supplier, or appliance repair service provider if the licensed electric power supplier, licensed gas supplier, or appliance repair service provider has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a campaign committee of any candidate or holder of the public office having ultimate responsibility for the award of the contract, or to any State, county or municipal party committee or legislative leadership committee, in excess of the thresholds specified in subsection c. of this section within one calendar year immediately proceeding commencement of negotiations for the contract.

b. No licensed electric power supplier, licensed gas supplier, or appliance repair service provider which enters into negotiations for, or agrees to, any contract with a government aggregator that is a municipality or a county shall knowingly solicit or make any contribution of money, or pledge of a contribution, including in-kind contributions, to any candidate or holder of
the public office having ultimate responsibility for the award of the contract, or to any State, county or municipal party committee or legislative leadership committee, between the commencement of negotiations for and the later of the termination of negotiations or the completion of the contract.

c. Any individual included within the definition of a licensed electric power supplier, licensed gas supplier, or appliance repair service provider pursuant to subsection o. of this section may annually contribute a maximum of $250 for any purpose to any candidate for the office of Governor or for the office of member of the Legislature, or $500 to any State, county or municipal party committee or legislative leadership committee, without violating subsection a. of this section. However, any group of individuals meeting the definition of a licensed electric power supplier, a licensed gas supplier, or appliance repair service provider pursuant to subsection o. of this section, in the aggregate shall not annually contribute for any purpose in excess of $5,000 to all candidates for the office of Governor or for the office of member of the Legislature and officeholders with ultimate responsibility for the awarding of the contract, and all State, county and municipal political parties and legislative leadership committees combined, without violating subsection a. of this section.

d. For purposes of this section, the office that is considered to have ultimate responsibility for the award of the contract shall be any elected official of the governing body of the municipality or county serving as the government aggregator.

e. No contribution of money or other thing of value, including in-kind contributions, made by a licensed electric power supplier, a licensed gas supplier, or appliance repair service provider to any candidate for the office of Governor or for the office of member of the Legislature and officeholders with ultimate responsibility for the awarding of the contract, and all State, county and municipal political parties and legislative leadership committees shall be deemed a violation of section a. of this section nor shall an agreement for property, goods or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the licensed electric power supplier, licensed gas supplier, or appliance repair service provider prior to the effective date of P.L.2003, c.24 (C.48:3-93.1 et al.).

f. (1) Prior to awarding any contract to a licensed electric power supplier, a licensed gas supplier, or appliance repair service provider, a government aggregator that is a municipality or a county shall receive a sworn statement from the licensed electric power supplier, licensed gas supplier, or appliance repair service provider made under penalty of perjury that the licensed electric power supplier, licensed gas supplier, or appliance repair service provider has not made a contribution in violation of subsection a. of this section.
(2) A licensed electric power supplier, licensed gas supplier, and appliance repair service provider shall have a continuing duty to report any violations of this section that may occur during the negotiation of duration of the contract.

g. Candidates for the office of Governor or for the office of member of the Legislature, and State and county party committees and legislative leadership committees shall use reasonable efforts to notify contributors and potential contributors that contributions, including in-kind contributions, from a licensed electric power supplier, a licensed gas supplier, or appliance repair service provider and certain individuals associated with a licensed electric power supplier, licensed gas supplier, or appliance repair service provider may affect the ability of the licensed electric power supplier, licensed gas supplier, or appliance repair service provider to contract or continue to contract with a government aggregator that is a municipality or a county. Such reasonable efforts shall include, but need not be limited to, notification in written fundraising solicitations or donor information request forms or other fundraising solicitation materials. The failure of a licensed electric power supplier, licensed gas supplier, or appliance repair service provider to receive the notice prescribed in this subsection shall not be a defense to a violation of subsection a. of this section.

h. A licensed electric power supplier, licensed gas supplier, appliance repair service provider, candidate for the office of Governor or for the office of member of the Legislature, an officeholder or a State, county or municipal party committee or legislative leadership committee may cure a violation of subsection a. of this section if, within 30 days after the election for which a contribution is made the licensed electric power supplier, licensed gas supplier, or appliance repair service provider seeks and receives reimbursement of a contribution from the candidate for the office of Governor or for the office of member of the Legislature or State, county or municipal political party or legislative leadership committee.

i. It shall be a breach of the terms of a contract for a licensed electric power supplier, licensed gas supplier, or appliance repair service provider to violate subsection a. of this section or to knowingly conceal or misrepresent contributions given or received, or to make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution, and any such licensed electric power supplier, licensed gas supplier, or appliance repair service provider shall be subject to penalties prescribed in subsection k. of this section and any other penalties prescribed by law.

j. No person shall make and no person, other than a candidate or an official representative of the candidate committee or joint candidates committee of the candidate, shall accept any contribution on the condition or with the agreement that it will be contributed to any other particular candidate, subject
to penalties prescribed in subsection k. of this section and any other penalties prescribed by law. The expenditure of funds received by a person shall be made at the sole discretion of the recipient person.

k. Any licensed electric power supplier, licensed gas supplier, or appliance repair service provider who knowingly fails to reveal a contribution made in violation of subsection a. of this section, or who knowingly makes or solicits contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution, shall be disqualified from eligibility for future energy aggregation program contracts for a period of four calendar years from the date of the determination of violation, and shall have any contract with the State then in effect immediately terminated.

l. The governing body of a county or municipality shall have the option to promulgate and implement its own ordinances restricting campaign contributions by licensed electric power suppliers and licensed gas suppliers.

m. (1) Any licensed electric power supplier, licensed gas supplier, or appliance repair service provider making a contribution to any candidate, committee, or political party shall file an annual disclosure statement with the New Jersey Election Law Enforcement Commission setting forth all political contributions made during the 12 months prior to the reporting deadline.

(2) The Election Law Enforcement Commission shall prescribe forms and procedures for the reporting required in paragraph (1) of this subsection which, at a minimum, shall require the following information:

(a) The names and addresses of the licensed electric power supplier, licensed gas supplier, or appliance repair service provider making the contributions, and the amount contributed;

(b) The name of the candidate committee or political party receiving the contribution; and

CHAPTER 25

AN ACT concerning certain tobacco product manufacturers and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:4D-4 Findings, declarations relative to enforcement of the Model Statute.
1. The Legislature finds and declares that facilitating the diligent enforcement of P.L. 1999, c.148 (C.52:4D-1 et seq.), the so-called "Model Statute" contemplated by the "Master Settlement Agreement" which settled tobacco-related litigation between the settling states, including New Jersey, and leading United States tobacco product manufacturers, is beneficial to the public interest. The Model Statute requires tobacco product manufacturers that are not participants in the Master Settlement Agreement to pay into a qualified escrow fund to guarantee a source of compensation to pay any future judgment or settlement that may be reached with the State. Overall tobacco industry compliance with the provisions of the Model Statute will be encouraged by requiring cigarette distributors to stamp and distribute only cigarettes of tobacco product manufacturers that are in compliance with the act and by requiring holders of certificates of authority under P.L. 1990, c.39 (C.54:40B-1
et seq.) and other persons that collect or pay the tax on a tobacco product as defined in section 2 of P.L.1990, c.39 (C.54:40B-2) that is also defined as a cigarette under section 2 of P.L.1999, c.148 (C.52:4D-2) to distribute only the tobacco products of tobacco product manufacturers that are in compliance with the act. The establishment of additional procedural enhancements and penalties related to these requirements will aid the State in its continuing diligent enforcement of this law and thereby safeguard the Master Settlement Agreement and the effectuation of the goals of the tobacco litigation settlement, which in turn will have a salutary effect on the fiscal soundness of the State and the public health.

3. a. Every tobacco product manufacturer whose cigarettes are sold in this State, whether directly or through a distributor, retailer or similar intermediary or intermediaries, annually shall execute and deliver in the manner prescribed by the Attorney General a certification to the director and Attorney General no later than April 30, certifying under penalty of perjury that, as of the date of such certification, such tobacco product manufacturer either is a participating manufacturer or is in full compliance with the requirements of P.L.1999, c.148 (C.52:4D-1 et seq.).

   (1) A participating manufacturer shall include in its certification a complete list of its brand families. The participating manufacturer shall update such list no later than 30 days prior to any addition or modification to brand families by executing and delivering a supplemental certification to the Attorney General.

   (2) A non-participating manufacturer shall include in its certification a complete list of all of its brand families: (a) separately listing brand families of cigarettes and the number of units sold for each brand family that were sold in the State during the preceding calendar year; (b) all of its brand families that have been sold in the State at any time during the current calendar year; (c) indicating, by an asterisk, any brand family sold in the State during the preceding calendar year that is no longer being sold in the State as of the date of the certification; and (d) identifying by name and address any other manufacturer of those brand families in the preceding calendar year. b. A tobacco product manufacturer shall not include a brand family in its certification unless:

(1) in the case of a participating manufacturer, that participating manufacturer affirms that the brand family is to be deemed to be cigarettes of the participating manufacturer for purposes of calculating its payments under the Master Settlement Agreement for the relevant year, in the volume and shares determined pursuant to the Master Settlement Agreement; and

(2) in the case of a non-participating manufacturer, that non-participating manufacturer affirms that the brand family is to be deemed to be cigarettes of the non-participating manufacturer for purposes of calculating its units sold pursuant to section 3 of P.L.1999, c.148 (C.52:4D-3).

Nothing in this section shall be construed as limiting or otherwise affecting the State's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the Master Settlement Agreement or for purposes of P.L.1999, c.148 (C.52:4D-1 et seq.).

c. A tobacco product manufacturer shall maintain all invoices and documentation of sales and any other information relied upon for the certification for a period of five years, unless otherwise required by law to maintain them for a longer period of time.

C.52:4D-7 Development, publication of directory listing compliers.

4. a. Not later than 60 days after enactment of this act, the Attorney General shall develop and publish through the Internet a directory listing all tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of subsection a. of section 3 of this act in a timely manner, pursuant to the initial schedule provided in section 9 of this act, and all brand families that are listed in those certifications, except as noted below.

b. The Attorney General shall not include or retain in the directory the name or brand families of any non-participating manufacturer that fails to provide the required certification or whose certification the Attorney General determines is not in compliance with paragraph (2) or paragraph (3) of
subsection a. of section 3 of this act, unless the Attorney General has determined that the violation has been cured to the satisfaction of the Attorney General.

c. The Attorney General shall not include or retain a tobacco product manufacturer or brand family in the directory if the Attorney General concludes that (1) in the case of a non-participating manufacturer all escrow payments required pursuant to section 3 of P.L.1999, c.148 (C.52:4D-3), for any period for any brand family, whether or not listed by that non-participating manufacturer, have not been fully paid into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the Attorney General, or (2) all outstanding final judgments, including interest thereon, for violations of P.L.1999, c.148 (C.52:4D-1 et seq.) have not been fully satisfied for that brand family and that manufacturer.

d. The Attorney General shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand families to keep the directory in conformity with the requirements of this act.

Such service shall constitute legal and valid service of process on the non-participating manufacturer. The non-participating manufacturer shall provide the name, address, telephone number and proof of the appointment and availability of such agent to the Attorney General.

b. A non-participating manufacturer shall provide notice to the director and Attorney General not later than 30 calendar days prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the Attorney General of the appointment of a new agent no less than five
calendar days prior to the termination of an existing agent appointment. If an agent terminates an agency appointment, the non-participating manufacturer shall notify the director and Attorney General of that termination within five calendar days and shall include proof to the satisfaction of the Attorney General of the appointment of a new agent.

c. A non-participating manufacturer whose products are sold in this State, without appointing or designating an agent as herein required shall be deemed to have appointed the Secretary of State as that agent and may be proceeded against in the courts of this State by service of process upon the Secretary of State; provided however, that the appointment of the Secretary of State as that agent shall not satisfy the condition precedent to having its brand families listed or retained in the directory established pursuant to section 4 of this act.

C.52:4D-10 Submission of information.

7. a. Within 20 days after the end of each calendar quarter, and more frequently if so directed by the director, each licensed distributor and each holder of a certificate of authority pursuant to section 6 of P.L.1990, c.39 (C.54:40B-6) shall submit such information as the director requires to facilitate compliance with this section, including, but not limited to, a list by brand family of the total number of cigarettes or in the case of roll your own, the equivalent stick count, for which the licensed distributor affixed stamps or impressed or attached metered impressions or for which the holder of the certificate of authority otherwise paid the tax due for such cigarettes during the previous calendar quarter. Each licensed distributor and holder of a certificate of authority shall, for a period of five years, maintain, and make available to the director and the Attorney General, all invoices and documentation of sales of all cigarettes sold by the licensed distributor or holder of a certificate of authority that were manufactured by a non-participating manufacturer and any other information relied upon in reporting to the director.

b. The director is authorized to disclose to the Attorney General any information received under this act or requested by the Attorney General for purposes of determining compliance with and enforcing the provisions of this act. The director and Attorney General shall share with each other the information received under this act, and may share such information with other federal, State or local agencies only for purposes of enforcement of this act, P.L.1999, c.148 (C.52:4D-1 et seq.), or the corresponding laws of other states.

c. The Attorney General may require at any time that a non-participating manufacturer provide from the financial institution in which the manufacturer has established a qualified escrow fund for the purpose of compliance with P.L.1999, c.148 (C.52:4D-1 et seq.), proof of the amount of money in the

subject to the requirements of paragraph (2) of subsection a. of section 3 of this

and forfeiture as provided in section 607, and all cigarettes so seized and
forfeited shall be destroyed and not resold.

Approved March 10, 2003.

CHAPTER 27

AN ACT concerning notification by employers and insurers with regard to health benefits plans and supplementing Title 34 of the Revised Statutes and Title 17B of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:11A-16 Findings, declarations relative to notification with regard to health benefits plans.

1. The Legislature finds and declares that:

a. Many employers in this State offer health benefits coverage to their employees under a health benefits plan as an incentive to attract and retain qualified employees.

b. Health benefits coverage is very important to employees and their families and the availability of such coverage through an employer can be the determining factor as to whether an individual accepts employment with a particular employer.

c. According to data tabulated by the Urban Institute based on the 1999 National Survey of America's Families, approximately 5.5 million New Jersey
residents, which includes employees and their dependents, were covered by an employer-sponsored health benefits plan in 1999.

d. In certain instances, an employer may make a business decision not to continue an employee health benefits plan, due to rising health care costs and other economic factors, and may not always notify the employees beforehand of its decision.

e. It is a disservice to the working people of this State not to require that an employer provide prior notification to its employees when the employee health benefits plan will be terminated, for whatever reason.

C.34:11A-17 Notice by employer of termination, change of benefits.

2. An employer that provides a health benefits plan as defined in section 2 of P.L.1997, c.192 (C.26:2S-2) to its employees in this State shall provide, in writing, 30 days' prior notice to those employees before the health benefits plan is terminated; except that, in the case of an employer that changes a health benefits plan, the employer shall immediately notify its employees in writing of the change upon receipt by the employer of notification from the health insurer that its employees will be covered by the new plan.

C.34:11A-18 Violations, penalties.

3. a. The Commissioner of Labor shall enforce and administer the provisions of sections 1 through 4 of this act, and the commissioner or his authorized representatives are empowered to investigate violations of those provisions.

b. When the commissioner finds that an employer has violated this act by failing to provide the notice required pursuant to section 2 of this act, the commissioner is authorized to assess and collect administrative penalties specified in a schedule of penalties to be promulgated by the commissioner by regulation. The penalty amount shall be based on the number of employees covered under the health benefits plan and shall not exceed $200 an employee.

c. No administrative penalty shall be levied pursuant to this section unless the commissioner provides the alleged violator with notification of the violation and of the amount of the penalty by certified mail and an opportunity to request a hearing before the commissioner or his designee within 15 days following the receipt of the notice. If a hearing is requested, the commissioner shall issue a final order upon that hearing and a finding that a violation has occurred. If no hearing is requested, the notice shall become a final order upon expiration of the 15-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order.

d. Any penalty imposed pursuant to this section may be recovered with costs in a summary proceeding commenced by the commissioner pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).
C.34:11A-19 Regulations.

4. The Commissioner of Labor shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the provisions of sections 1 through 4 of this act.

C.17B:30-40 Definitions, construction, regulations on notice of premium increase to employers.

5. a. As used in this section:
   "Carrier" means any entity subject to the insurance laws and regulations of this State, or subject to the jurisdiction of the Commissioner of Banking and Insurance, that contracts or offers to contract to provide, deliver, arrange for, pay for, or reimburse any of the costs of health care services, including an insurance company authorized to issue health insurance, a health maintenance organization, a hospital service corporation, medical service corporation and health service corporation, or any other entity providing a plan of health insurance, health benefits or health services. The term "carrier" shall not include a joint insurance fund established pursuant to State law.
   "Health benefits plan" means a health benefits plan as defined in section 2 of P.L.1997, c.192 (C.26:2S-2).

   b. For the renewal of a health benefits plan for which the premium rate will increase, a carrier shall provide, in writing, 60 days' prior notice of the amount of the increase, to the employer that purchased that plan.

   c. The provisions of this section shall not be construed to diminish the right of a carrier to negotiate with an employer that purchased a health benefits plan over the amount of any proposed increase in the premium rate for the renewal of that plan.

   d. The Commissioner of Banking and Insurance shall promulgate regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the provisions of this section.

6. This act shall take effect on the 60th day after enactment, but the Commissioners of Labor and Banking and Insurance may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.

Approved March 10, 2003.

Each local fire mutual aid plan shall be adopted no later than one year after the effective date of this act. Following adoption, each municipality or fire district shall file a copy of its local fire mutual aid plan with the county fire coordinator. In any instance where a local fire mutual aid plan provides for the provision of assistance and fire service resources by or to a political subdivision of another state, the municipality or fire district also shall file a copy of that plan with the State fire coordinator. Each local fire mutual aid plan shall be reviewed and updated every two years.

The State fire coordinator shall appoint the county fire coordinator from the list of eligible candidates submitted by the county emergency management coordinator. Each county fire coordinator shall serve for a two-year term and until his or her successor is appointed. Vacancies shall be filed in the same manner as the original appointment.

3) The county fire coordinator in each county shall, in consultation with the fire chiefs of the units of the fire service within each county, appoint the deputy county fire coordinator or coordinators. Each candidate shall possess a minimum of four years of documented fire service experience to be eligible for appointment as a deputy county fire coordinator. Each deputy county fire coordinator shall serve for a two-year term, which shall be served concurrently with the term of the county fire coordinator appointed in that county. Vacancies shall be filed for the unexpired term only and in the same manner as the original appointment.

b. The county fire coordinator shall implement the county's fire mutual aid plan, coordinate the utilization of fire service resources with the county in response to emergency incidents which require implementation of the county's fire mutual aid plan and perform such other duties as may be necessary and appropriate to effectuate the purposes of this act.

Each county fire mutual aid plan shall be based upon the planning criteria, objectives, requirements, responsibilities and concepts of operation essential for the implementation of all necessary and appropriate protective or remedial measures to be taken in response to emergency incidents. Each county fire mutual aid plan shall be adopted no later than one year after the effective date of this act. Following adoption, each county shall file a copy of its county fire mutual aid plan with the State fire coordinator. Each county fire mutual aid plan shall be reviewed and updated every two years.

6. a. In the event of an emergency incident, the incident commander shall determine whether additional fire service resources are required and, if so, shall first call upon the members of his local fire mutual aid plan.

b. Should the incident commander determine, after calling for assistance from members of his local fire mutual aid plan, that further fire service resources are required to respond to the emergency incident, he shall request that the county fire coordinator place the county fire mutual aid plan into effect. Upon making such a request, the incident commander also shall notify the municipal emergency management coordinator appointed pursuant to section 8 of P.L. 1953, c.438 (C.App.A:9-40.1) of the emergency incident so that the municipal emergency management coordinator may alert and utilize his staff should additional emergency resources be required.

c. Upon the activation of a county fire mutual aid plan, the county fire coordinator shall notify the regional fire coordinator assigned to that county and the State fire coordinator with regard to the emergency incident and shall further provide periodic updates to both until termination of the emergency incident. The State fire coordinator shall ensure that the county and State Offices of Emergency Management are notified and provide them with periodic updates until termination of the emergency incident.

d. In the event that the municipal emergency management coordinator determines to mobilize local resources in response to an emergency incident, he shall so notify the county emergency management coordinator appointed pursuant to section 12 of P.L. 1953, c.438 (C.App.A:9-42.1) in order that the county emergency management coordinator shall be prepared to respond in the event that local resources are insufficient to effectively deal with the emergency incident.

e. In the event of an emergency incident, the incident commander also may declare a local fire emergency disaster. In making any such determination, the incident commander shall utilize the best information then available.

f. Whenever a local fire emergency disaster is declared pursuant to subsection e. of this section, the municipal emergency management coordinator shall activate the municipal emergency operations plan adopted pursuant to section 19 of P.L. 1989, c. 222 (C.App.A:9-43.2). The municipal emergency management coordinator shall coordinate the interactions of all those providing emergency response, emergency resources or both for the emergency incident.

g. The municipal emergency management coordinator shall provide periodic updates to the county emergency management coordinator with regard to the emergency incident. The county emergency management coordinator shall provide additional resources as may be necessary and available. The county emergency management coordinator also shall notify the State Office of Emergency Management in the Division of State Police in the Department
of Law and Public Safety of the emergency incident. Requests for assistance from the State Office of Emergency Management shall be made by the county office of emergency management.

h. The county fire coordinator shall maintain a liaison with the supervisory representative of the forest fire service in deploying fire service resources and coordinating protection activities during wildfire emergency incidents pursuant to R.S.13:9-1 et seq.

i. The county fire coordinator shall request additional resources, beyond those from within his county, through the regional or State fire coordinator. The regional or State fire coordinator shall utilize the Office of Emergency Management system to request these resources.

C.52:14E-17 Powers of State fire coordinator.

7. The State fire coordinator shall have all powers necessary or convenient to effectuate the purposes of this act including, without limitation, power:

a. To enforce and administer the provisions of this act; to seek mandatory injunctive relief in State courts; to issue subpoenas for the production of persons, things, and documents that are necessary to achieve compliance with the provisions of this act; and to prosecute or cause to be prosecuted violators of the provisions of this act in administrative hearings and in civil proceedings in State and local courts;

b. To assess penalties and to compromise and settle a claim for a penalty for a violation of the provisions of this act in an amount as may appear appropriate and equitable; and

c. To hold and exercise all the rights and remedies available to a judgment creditor.

C.52:14E-18 Procedure for coordinating fire service resources.

8. a. Whenever a county fire coordinator determines that fire service resources are needed from other counties due to an emergency incident or a local fire emergency disaster, the county fire coordinator shall notify the regional fire coordinator with responsibility for that county. Upon receipt of a request for out of county fire service resources from the county fire coordinator, the regional fire coordinator shall notify the State fire coordinator as well as the county fire coordinators from the counties adjacent to the county from which the emergency incident or local fire emergency disaster originates.

b. Whenever the State fire coordinator:

(1) makes the determination that fire service resources should be deployed to assist in fire suppression and related activities in another state during a fire emergency in that state; or

(2) makes the determination, in consultation with the regional fire coordinator and county fire coordinator for the county from which an emergency incident or a local fire emergency disaster originates, that the emergency incident
or local fire emergency disaster requires the deployment of additional fire service resources,

the State fire coordinator shall be empowered and authorized to issue immediately an order of deployment and require any unit of the fire service to respond, be recalled, standby or deploy any or all of its fire service resources to any location and for any period of the emergency incident or local fire emergency disaster. During any such emergency incident or local fire emergency disaster, the assigned fire service resources shall be under the operational command of the incident commander at the site. In issuing an order of deployment, the State fire coordinator also shall be empowered and authorized to direct that any unit of fire service not respond to an emergency incident or a local fire emergency disaster, but remain on standby.

c. If the State fire coordinator determines that the residents of a municipality or any portion thereof may not have sufficient fire service resources as a result of an order of deployment issued pursuant to this section to the unit of the fire service responsible for the fire protection of that municipality or that portion thereof, the State fire coordinator may issue an order of deployment to an adjacent or nearby unit of the fire service to provide necessary fire protection services, including the provision of fire service resources in the affected municipality or portion thereof. An order of deployment issued pursuant to this section shall be terminated by the State fire coordinator when he determines that the deployed unit of the fire service is once again able to provide adequate fire protection to the residents within its area of responsibility without the provision of fire services resources from other units of the fire service.

d. An order of deployment shall remain in effect during the period of the emergency incident or local fire emergency disaster or until otherwise rescinded by the State fire coordinator, superseded by order of the Governor pursuant to P.L.1942, c.251 (C.App.A:9-33 et seq.), or superseded by the determination that mutual aid should be provided in accordance with the "Emergency Management Assistance Compact," P.L.2001, c.249 (C.38A:20-4 et seq.), or the Interstate Civil Defense and Disaster Compact, N.J.S.38A:20-3. Upon the issuance of an order of the Governor pursuant to P.L.1942, c.251 (C.App.A:9-33 et seq.), the State fire coordinator shall coordinate all fire resources in accordance with the State Emergency Operations Plan. If deemed necessary, and if the emergency incident or local fire emergency disaster continues to exist, the State fire coordinator may reinstate any previously issued order of deployment or any portion of any such order of deployment. The State fire coordinator may modify the terms of an order of deployment issued to a unit of the fire service in order to respond immediately to a current or developing emergency incident or local fire emergency disaster or to provide adequate fire protection to a municipality or any portion thereof impacted
by the order of deployment, including, but not limited to, reducing or increasing
the number of deployed fire service personnel, emergency equipment or
emergency vehicles.

e. The State fire coordinator shall maintain a liaison with the supervisory
representative of the forest fire service in deploying fire service resources and
coordinating protection activities during wildfire emergency incidents pursuant
to R.S. 13:9-1 et. seq.

9. The State fire coordinator may require any unit of the fire service
periodically to provide information on the status, condition and readiness of
any of the unit's fire service resources or any other information deemed
necessary by the State fire coordinator. The State fire coordinator may prescribe
the form and the manner in which such information is to be provided.

C.52:14E-20 Rules, regulations.

10. The Director of the Division of Fire Safety may adopt rules and
regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410
(C.52:14B-1 et seq.) to effectuate the purposes of this act; except that,
notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.) to
the contrary, the Commissioner of Community Affairs may adopt, immediately
upon filing with the Office of Administrative Law, such regulations as the
State fire coordinator deems necessary to implement the provisions of this
act, and which shall be effective for a period not to exceed six months and
may thereafter be amended, adopted or readopted by the State fire coordinator
in accordance with the requirements of P.L.1968, c.410 (C.52:14B-1 et seq.).

C.52:14E-21 Enforcement of order of deployment.

11. Any State or local law enforcement agency or officer may enforce
an order of deployment issued by the State fire coordinator pursuant to this
act. If the State fire coordinator shall determine that such enforcement is
essential in order to facilitate the immediate response to an emergency incident
or local fire emergency disaster, he shall so notify any State or local law
enforcement agency or officer and that agency or officer shall forthwith enforce
that order of deployment.

C.52:14E-22 Violations, penalties.

12. Any person who knowingly and willfully violates, causes to violate,
hinders, or otherwise interferes with an order of the State fire coordinator issued
pursuant to this act shall be liable to a penalty of not more than $10,000 for
each violation. Any person aggrieved by an order imposing such penalty shall
be entitled to an administrative hearing. The application for the hearing shall
be filed with the division by the 15th day after receipt by the person of the
penalty notice. The application for an administrative hearing shall not stay or otherwise delay the implementation of an order of deployment issued by the State fire coordinator pursuant to this act. If the administrative penalty order has not been satisfied by the 30th day after its issuance and an application for an administrative hearing has not been made, the penalty may be recovered in the name of the Commissioner of Community Affairs pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

The requirements of this subsection shall not apply to titles or positions on the Superintendent's executive staff which involve managerial executive functions. For purposes of this section, "managerial executive functions" means the formulation of management policies and the direction of the effectuation of such management policies on behalf of the Superintendent.

d. This section shall not apply to titles or positions established on a temporary basis in order to respond to an emergency situation in which immediate action is warranted in order to provide for or maintain the public safety and to titles or positions where public disclosure would jeopardize the safety of any person or jeopardize any investigation in progress or be otherwise inappropriate based on a bona fide law enforcement purpose or the public safety.

e. The information set forth in the catalogue prepared or updated pursuant to subsection a. and in any notices provided pursuant to subsection c. shall not be subject to collective negotiation or collective bargaining. Nothing in this act shall be deemed to affect or impair any rights which are subject to collective negotiation or collective bargaining.

2. This act shall take effect on the first day of the sixth month following enactment.

AN ACT permanently extending the deadline for the filing of an application for a homestead property tax reimbursement, designating this extension as the Senior Property Tax Freeze Protection Act, and amending P.L.1997, c.348.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1997, c.348 (C.54:4-8.70) is amended to read as follows:

C.54:4-8.70 Filing of application for homestead property tax reimbursement.

3. An application for a homestead property tax reimbursement hereunder shall be filed with the director annually on or before June 1 of the year following the year for which the claim is being made and shall reflect the prerequisites for a homestead property tax reimbursement on December 31 of the tax year for which the claim is being made; provided, however, that the director may,
by rule, designate a later date as the date by which the application shall be filed or waive the requirement for filing an annual application for any year or years subject to any limitations and conditions the director may deem appropriate. The application shall be on a form prescribed by the director and provided for the use of applicants hereunder. Each applicant making a claim for a homestead property tax reimbursement under this act shall provide, if required by the director, to the director a copy of his or her current year property tax bill or current year site fee bill on the homestead constituting that person's principal residence and a copy of his or her property tax bill for the base year or site fee bill for the base year on the same homestead, or other equivalent proof as permitted by the director.

It shall be the duty of every eligible claimant to inform the director of any change in his or her status or homestead which may affect his or her right to continuance of the homestead property tax reimbursement.

If an eligible claimant receives an additional homestead property tax reimbursement to which the claimant was not entitled or greater than the reimbursement to which the claimant was entitled, the director may, in addition to all other available legal remedies, offset such amount against a gross income tax refund or amount due pursuant to P.L.1990, c.61.

2. Section 4 of P.L.1997, c.348 (C.54:4-8.71) is amended to read as follows:

4. The director shall administer the homestead property tax reimbursement program. A payment for the homestead property tax reimbursement amount, as calculated by the director, shall be mailed to each person determined by the director to be an eligible claimant under this act on or before July 15, 1999 and July 15 annually thereafter, except that the payment of any homestead property tax reimbursement amount for an eligible claimant whose application is filed during the period May 1 through June 1 shall be mailed on or before September 1 annually. Provided further, however, that the payment of any homestead property tax reimbursement amount for an eligible claimant whose application is filed during a period after June 1 pursuant to an extended application deadline as may be designated by the director shall be mailed on or before such latter mailing date as the director may determine. All payments made pursuant to this section shall be appropriated from receipts in the Casino Revenue Fund.

3. This act shall take effect immediately

AN ACT concerning certain acts of official misconduct involving deprivation of civil rights by public officials and supplementing chapter 30 of Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2C:30-5 Findings, declarations relative to deprivation of civil rights by public officials.
   i. The Legislature finds and declares that:
      a. Public confidence in the institutions of government is undermined when an official engages in any form of misconduct involving the official's office.
      b. Such misconduct, and the corresponding damage to the public confidence, impairs the ability of government to function properly, fosters mistrust and engenders disrespect for government and public servants.
      c. A particular concern arises when a law enforcement official, duly entrusted to protect the public safety and impartially enforce the laws, abuses that trust by unlawfully depriving persons of their civil rights, especially in the context of racial profiling.
      d. It is important to ensure that law enforcement officers are prohibited from using racial characteristics or color, either alone or in conjunction with other composite characteristics such as a generalized vehicle description or the age of the driver or passengers, as the basis for initiating an investigative stop.
      e. Existing laws must be amended to provide a greater deterrent to this type of conduct, as well as to enhance other provisions of the law targeting official misconduct.
      f. Accordingly, it is in the public interest to strengthen our laws that define and punish acts of official misconduct by members of law enforcement and other public servants.

C.2C:30-6 Crime of official deprivation of civil rights.
   2. a. A public servant acting or purporting to act in an official capacity commits the crime of official deprivation of civil rights if, knowing that his conduct is unlawful, and acting with the purpose to intimidate or discriminate against an individual or group of individuals because of race, color, religion, gender, handicap, sexual orientation or ethnicity, the public servant: (1) subjects another to unlawful arrest or detention, including, but not limited to, motor vehicle investigative stops, search, seizure, dispossession, assessment, lien or other infringement of personal or property rights; or (2) denies or impedes
another in the lawful exercise or enjoyment of any right, privilege, power or immunity.

b. (1) Except as provided in paragraphs (2) and (3) of this subsection, a public servant who violates the provisions of subsection a. of this section is guilty of a crime of the third degree.

(2) If bodily injury results from depriving a person of a right or privilege in violation of subsection a. of this section, the public servant is guilty of a crime of the second degree.

(3) If, during the course of violating the provisions of this section, a public servant commits or attempts or conspires to commit murder, manslaughter, kidnapping or aggravated sexual assault against a person who is being deprived of a right or privilege in violation of subsection a. of this section, the public servant is guilty of a crime of the first degree.

c. Notwithstanding the provisions of N.J.S.2C:1-8 or any other law, a conviction of official deprivation of civil rights under this section shall not merge with a conviction of any other criminal offense, nor shall such other conviction merge with a conviction under this section, and the court shall impose separate sentences upon each violation of this section and any other criminal offense.

d. Proof that a public servant made a false statement, prepared a false report, or, if the agency that employs the public servant, the Attorney General or the county prosecutor having supervisory authority over the agency required a report to be prepared, failed to prepare a report concerning the conduct that is the subject of the prosecution, shall give rise to an inference that the actor knew his conduct was unlawful.

e. For purposes of this section, an act is unlawful if it violates the Constitution of the United States or the Constitution of this State, or if it constitutes a criminal offense under the laws of this State.

C.2C:30-7 Crime of pattern of official misconduct.

3. a. A person commits the crime of pattern of official misconduct if he commits two or more acts that violate the provisions of N.J.S.2C:30-2 or section 2 of P.L.2003, c.31 (C.2C:30-6). It shall not be a defense that the violations were not part of a common plan or scheme, or did not have similar methods of commission.

b. Pattern of official misconduct is a crime of the second degree if one of the acts committed by the defendant is a first or second degree crime; otherwise, it is a crime of the third degree, provided, however, that the presumption of nonimprisonment set forth in subsection e. of N.J.S.2C:44-1 for persons who have not previously been convicted of an offense shall not apply. Notwithstanding the provisions of N.J.S.2C:1-8 or any other law, a conviction of pattern of official misconduct shall not merge with a conviction
of official misconduct, official deprivation of civil rights, or any other criminal offense, nor shall such other conviction merge with a conviction under this section, and the court shall impose separate sentences upon each violation of N.J.S.2C:30-2 and sections 2 and 3 of P.L.2003, c.31 (C.2C:30-6 and C.2C:30-7).

4. This act shall take effect immediately.

12. It is an affirmative defense to a prosecution pursuant to subsection e. of section 4 of P.L.1984, c.184 (C.2C:20-25), which shall be proved by clear and convincing evidence, that the actor obtained, copied or accessed a computer program or computer software that had a retail value of less than $1,000 and the actor did not disseminate or disclose the program or software to any other person.

6. Section 13 of P.L.1984, c.184 (C.2C:20-34) is amended to read as follows:

C.2C:20-34 Situs of offense, determination.

13. For the purpose of prosecution under this act, and in addition to determining the situs of the offense pursuant to the provisions of N.J.S.2C:1-3, the situs of an offense of computer criminal activity shall also be the location of the computer, computer storage medium, computer program, computer software, computer equipment, computer system or computer network which is accessed, or where the computer, computer storage medium, computer program, computer software, computer equipment, computer system, computer network or other device used in the offense is situated, or where the actual damage occurs.

7. N.J.S.2C:20-2 is amended to read as follows:

Consolidation of theft offenses; grading; provisions applicable to theft generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally.

a. Consolidation of Theft and Computer Criminal Activity Offenses. Conduct denominated theft or computer criminal activity in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of theft or computer criminal activity may be supported by evidence that it was committed in any manner that would be theft or computer criminal activity under this chapter,
CHAPTER 39, LAWS OF 2003

notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if:
   (a) The amount involved is $75,000.00 or more;
   (b) The property is taken by extortion;
   (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the quantity is in excess of one kilogram;
   (d) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is $75,000 or more; or
   (e) The property stolen is human remains or any part thereof.

(2) Theft constitutes a crime of the third degree if:
   (a) The amount involved exceeds $500.00 but is less than $75,000.00;
   (b) The property stolen is a firearm, motor vehicle, vessel, boat, horse, domestic companion animal or airplane;
   (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the amount involved is less than $75,000.00 or is undetermined and the quantity is one kilogram or less;
   (d) It is from the person of the victim;
   (e) It is in breach of an obligation by a person in his capacity as a fiduciary;
   (f) It is by threat not amounting to extortion;
   (g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant;
   (h) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is less than $75,000;
   (i) The property stolen is any real or personal property related to, necessary for, or derived from research, regardless of value, including, but not limited to, any sample, specimens and components thereof, research subject, including any warm-blooded or cold-blooded animals being used for research or intended for use in research, supplies, records, data or test results, prototypes or equipment, as well as any proprietary information or other type of information related to research;
   (j) The property stolen is a New Jersey Prescription Blank as referred to in R.S.45:14-14; or
(k) The property stolen consists of an access device or a defaced access
device.

(3) Theft constitutes a crime of the fourth degree if the amount involved
is at least $200.00 but does not exceed $500.00. If the amount involved was
less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft or computer criminal activity shall
be determined by the trier of fact. The amount shall include, but shall not
be limited to, the amount of any State tax avoided, evaded or otherwise unpaid,
improperly retained or disposed of. Amounts involved in thefts or computer
criminal activities committed pursuant to one scheme or course of conduct,
whether from the same person or several persons, may be aggregated in
determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft
that the actor:

(1) Was unaware that the property or service was that of another;
(2) Acted under an honest claim of right to the property or service involved
or that he had a right to acquire or dispose of it as he did; or
(3) Took property exposed for sale, intending to purchase and pay for
it promptly, or reasonably believing that the owner, if present, would have
consented.

d. Theft from spouse. It is no defense that theft or computer criminal
activity was from or committed against the actor's spouse, except that
misappropriation of household and personal effects, or other property normally
accessible to both spouses, is theft or computer criminal activity only if it occurs
after the parties have ceased living together.

8. Section 7 of P.L.1982, c.77 (C.2A:4A-26) is amended to read as
follows:

C:2A:4A-26 Referral to another court without juvenile's consent.
7. Referral to another court without juvenile's consent.
a. On motion of the prosecutor, the court shall, without the consent of
the juvenile, waive jurisdiction over a case and refer that case from the Superior
Court, Chancery Division, Family Part to the appropriate court and prosecuting
authority having jurisdiction if it finds, after hearing, that:

(1) The juvenile was 14 years of age or older at the time of the charged
delinquent act; and

(2) There is probable cause to believe that the juvenile committed a
delinquent act or acts which if committed by an adult would constitute:

(a) Criminal homicide other than death by auto, strict liability for drug
induced deaths, pursuant to N.J.S.2C:35-9, robbery which would constitute
a crime of the first degree, carjacking, aggravated sexual assault, sexual assault,
aggravated assault which would constitute a crime of the second degree, kidnapping or aggravated arson; or

(b) A crime committed at a time when the juvenile had previously been adjudicated delinquent, or convicted, on the basis of any of the offenses enumerated in subsection a.(2)(a); or

(c) A crime committed at a time when the juvenile had previously been sentenced and confined in an adult penal institution; or

(d) An offense against a person committed in an aggressive, violent and willful manner, other than an offense enumerated in subsection a.(2)(a) of this section, or the unlawful possession of a firearm, destructive device or other prohibited weapon, arson or death by auto if the juvenile was operating the vehicle under the influence of an intoxicating liquor, narcotic, hallucinogenic or habit producing drug; or

(e) A violation of N.J.S.2C:35-3, N.J.S.2C:35-4, or N.J.S.2C:35-5; or

(f) Crimes which are a part of a continuing criminal activity in concert with two or more persons and the circumstances of the crimes show the juvenile has knowingly devoted himself to criminal activity as a source of livelihood; or

(g) An attempt or conspiracy to commit any of the acts enumerated in paragraph (a), (d) or (e) of this subsection; or

(h) Theft of an automobile pursuant to chapter 20 of Title 2C of the New Jersey Statutes; or

(i) Possession of a firearm with a purpose to use it unlawfully against the person of another under subsection a. of N.J.S.2C:39-4, or the crime of aggravated assault, aggravated criminal sexual contact, burglary or escape if, while in the course of committing or attempting to commit the crime including the immediate flight therefrom, the juvenile possessed a firearm; or

(j) Computer criminal activity which would be a crime of the first or second degree pursuant to section 4 or section 10 of P.L.1984 c.184 (C.2C:20-25 or C.2C:20-31); and

(3) Except with respect to any of the acts enumerated in subparagraph (a), (i) or (j) of paragraph (2) of subsection a. of this section, or with respect to any acts enumerated in subparagraph (e) of paragraph (2) of subsection a. of this section which involve the distribution for pecuniary gain of any controlled dangerous substance or controlled substance analog while on any property used for school purposes which is owned by or leased to any school or school board, or within 1,000 feet of such school property or while on any school bus, or any attempt or conspiracy to commit any of those acts, the State has shown that the nature and circumstances of the charge or the prior record of the juvenile are sufficiently serious that the interests of the public require waiver.
b. (Deleted by amendment, P.L.1999, c.373).

c. An order referring a case shall incorporate therein not only the alleged act or acts upon which the referral is premised, but also all other delinquent acts arising out of or related to the same transaction.

d. A motion seeking waiver shall be filed by the prosecutor within 30 days of receipt of the complaint. This time limit shall not, except for good cause shown, be extended.

e. If the juvenile can show that the probability of his rehabilitation by the use of the procedures, services and facilities available to the court prior to the juvenile reaching the age of 19 substantially outweighs the reasons for waiver, waiver shall not be granted. This subsection shall not apply with respect to a juvenile 16 years of age or older who is charged with committing any of the acts enumerated in subparagraph (a), (i) or (j) of paragraph (2) of subsection a. of this section or with respect to a violation of N.J.S.2C:35-3, N.J.S.2C:35-4 or section 1 of P.L.1998, c.26 (C.2C:39-4.1).

f. The Attorney General shall develop for dissemination to the county prosecutors those guidelines or directives deemed necessary or appropriate to ensure the uniform application of this section throughout the State.

Repealer.

10. This act shall take effect immediately.

Approved April 14, 2003.

CHAPTER 41

AN ACT to prevent discrimination against victims of domestic violence in certain insurance contracts, and supplementing chapter 29B of Title 17 of the Revised Statutes and P.L.1985, c.179 (C.17:23A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:29B-16 Definitions relative to victims of domestic violence.

1. As used in this act:
"Domestic violence" and "victim of domestic violence" shall have the same meaning as in section 3 of P.L.1991, c.261 (C.2C:25-19). "Domestic
violence" shall also mean intentionally, knowingly or recklessly causing or attempting to cause damage to property so as to intimidate or attempt to control the behavior of a person in a relationship with a perpetrator of one or more acts of domestic violence.

"Domestic violence-related condition" means a medical condition which arises in whole or in part from one or more acts of domestic violence.

"Insurer" means:

a. any corporation, association, partnership, reciprocal exchange, interinsurer, Lloyd's insurer, fraternal benefit society or other person engaged in the business of insurance pursuant to Subtitle 3 of Title 17 of the Revised Statutes (R.S.17:17-1 et seq.), but shall not include health insurance, accident and health insurance, automobile medical payment insurance or personal injury protection insurance issued pursuant to P.L.1972, c.70 (C.39:6A-1 et seq.);

b. any corporation, association, partnership, reciprocal exchange, interinsurer, Lloyd's insurer, fraternal benefit society or other person engaged in the business of insurance that provides policies or contracts of life insurance delivered, issued, executed or renewed in this State pursuant to Subtitle 3 of Title 17B of the New Jersey Statutes (N.J.S.17B:17-1 et seq.), or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance; and

c. the State disability benefits fund established by the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

C.17:29B-17 Prohibited insurance practices relative to victims of domestic violence.

2. An insurer, on the basis that the insured or prospective insured: is or may be a victim of domestic violence; employs a person who is or may be a victim of domestic violence; or is a domestic violence shelter that is operating pursuant to the standards set forth in P.L.1979, c.337 (C.30:14-1 et seq.) or is employed by a domestic violence shelter, shall not discriminate by engaging in the practices set forth in subsections a., b. and c. of this section. The prohibited practices are:

a. denying, refusing to issue or renew, canceling or otherwise terminating an insurance policy;

b. (1) restricting, excluding or limiting benefits under an insurance policy, (2) denying a covered claim incurred by an insured as a result of domestic violence, or (3) failing to pay claims arising out of abuse to an innocent claimant to the extent of that claimant's legal interest in the covered property if the loss is caused by the intentional act of an insured, or using other exclusions or limitations on coverage which the Commissioner of Banking and Insurance has determined unreasonably restrict the ability of a victim of domestic violence to be indemnified for the loss; or

c. adding a premium differential to any insurance policy.
The provisions of paragraphs (2) and (3) of subsection b. of this section shall not require payment in excess of the loss or policy limits. The provisions of paragraph (3) of subsection b. of this section shall not require payment in the event that the claimant conspires with the insured to commit insurance fraud. Nothing in paragraphs (2) and (3) of subsection b. of this section shall be construed to prohibit an insurer from applying reasonable standards of proof to claims under this section.

Nothing contained in this section shall be construed to require an insurer to issue or renew an insurance policy or contract, or provide benefits or coverage for claims, solely on the basis that an insured or prospective insured: is or may be a victim of domestic violence; employs a person who is or may be a victim of domestic violence; or is a domestic violence shelter or is employed by a domestic violence shelter.

C.17:23A-13.3 Disclosure of information relative to victim of domestic violence prohibited; exceptions.

3. An insurer or insurance producer shall not disclose any personal or privileged information collected or received in connection with an insurance transaction regarding an individual's status as a victim of domestic violence or a domestic violence-related condition as defined in section 1 of P.L.2003, c.41 (C.17:29B-16), or the individual's status as an employer of a victim of domestic violence, unless the disclosure is:
   a. To the individual or another person with the written authorization of the individual;
   b. To a licensed physician or health care provider for the direct provision of health care services with the written authorization of the individual;
   c. Ordered by a court of competent jurisdiction;
   d. Necessary to perform a valid business purpose, including the transfer of personal or privileged information that cannot be reasonably segregated without undue hardship, provided that the recipient of the information has executed a written agreement with the insurer or insurance producer and the disclosure is for the benefit of the individual. The disclosure shall only be made to the following:
      (1) A reinsurer who seeks to reinsurance a policy covering the individual and cannot write or satisfy the reinsurer’s obligations under a reinsurance agreement without the disclosure;
      (2) A party to a proposed or consummated sale, transfer, merger or consolidation of all or part of the business of an insurer or insurance producer;
      (3) A medical or claims professional contracting with the insurer or insurance producer, when necessary, to process an application, perform the insurer or insurance producer's duties under a policy, or protect the safety or privacy of the individual; or
(4) A person, other than the insurer or insurance producer, to enable the person to transact business with the disclosing insurer or insurance producer, if the business cannot be transacted without the individual’s address and telephone number, and the person agrees not to disclose the information further without the individual’s written authorization;

e. To an attorney for the purpose of representing the insurer or insurance producer in a judicial matter, provided that the insurer or insurance producer informs the attorney of its obligations under this section and requests the attorney to exercise due diligence in preventing the disclosure of the information, unless disclosure is reasonably necessary to enable the attorney to effectively represent the insurer or insurance producer;

f. To a policyholder or assignee, in the course of delivering an insurance policy, if the policy contains information about the individual’s status as a victim of domestic violence or domestic violence-related condition or an employer of a victim of domestic violence;

g. To any other entity as ordered by the commissioner; or

h. Otherwise required by law.

As used in this section, "individual" shall have the same meaning as defined in section 2 of P.L.1985, c.179 (C.17:23A-2).

(2) order the insurer to make restitution to the aggrieved person; or

(3) obtain equitable relief in a State or federal court of competent jurisdiction against an insurer, as well as the costs of suit, attorney's fees and expert witness fees.

C.17:29B-19 Rules, regulations.

5. The Commissioner of Banking and Insurance shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the purposes of this act.

6. This act shall take effect immediately.

Approved April 14, 2003.
CHAPTER 42

AN ACT concerning the payment of sales taxes by vendors under the sales and use tax, amending P.L.1966, c.30.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 14 of P.L.1966, c.30 (C.54:32B-14) is amended to read as follows:

C.54:32B-14 Liability for tax.

14. (a) Every person required to collect any tax imposed by this act shall be personally liable for the tax imposed, collected or required to be collected under this act. Any such person shall have the same right in respect to collecting the tax from that person's customer or in respect to non-payment of the tax by the customer as if the tax were a part of the purchase price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the director shall be joined as a party in any action or proceeding brought to collect the tax.

(b) Where any customer has failed to pay a tax imposed by this act to the person required to collect the same, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the customer directly to the director and it shall be the duty of the customer to file a return with the director and to pay the tax to the director within 20 days of the date the tax was required to be paid.

(c) The director may, whenever the director deems it necessary for the proper enforcement of this act, provide by regulation that customers shall file returns and pay directly to the director any tax herein imposed, at such times as returns are required to be filed and payment over made by persons required to collect the tax.

(d) No person required to collect any tax imposed by this act shall advertise or hold out to any person or to the public in general, in any manner, directly or indirectly, that the tax is not considered as an element in the price, amusement charge or rent payable by the customer, or except as provided by subsection (f) of this section that the person required to collect the tax will pay the tax, that the tax will not be separately charged and stated to the customer or that the tax will be refunded to the customer. Upon written application duly made and proof duly presented to the satisfaction of the director showing that in the particular business of the person required to collect the tax it would be impractical for the vendor to separately charge the tax to the customer, the director may waive the application of the requirement herein as to such vendor.
(e) All vendors of energy or utility service shall include the tax imposed by the "Sales and Use Tax Act" within the purchase price of the tangible personal property or service.

(f) A vendor other than a vendor subject to subsection (e) of this section making retail sales of tangible personal property or sales of services may advertise that the vendor will pay the tax for the customer subject to the conditions of this subsection.

1. The advertising shall indicate that the vendor is, in fact, paying the tax for the customer and shall not indicate or imply that the sale or charge is exempt from taxation.

2. Notwithstanding the provisions of section 12 of P.L.1966, c.30 (C.54:32B-12) to the contrary, any sales slip, invoice, receipt or other statement or memorandum of the price or service charge paid or payable given to the customer shall state that the tax will be paid by the vendor; provided however that such record shall be otherwise subject to the provisions of section 12 of P.L.1966, c.30 (C.54:32B-12).

3. The vendor shall pay the amount of tax due on the retail sale or service receipt, as determined pursuant to section 4 of P.L.1966, c.30 (C.54:32B-4), as trustee for and on account of the State, and shall have the same liability for that amount of tax pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), as for an amount collected from a customer.

2. This act shall take effect immediately.

Approved April 14, 2003.

CHAPTER 43

AN ACT concerning the solicitation or collection of funds for a charitable purpose and amending N.J.S.2C:20-4.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:20-4 is amended to read as follows:

Theft by deception.

2C:20-4. Theft by deception.

A person is guilty of theft if he purposely obtains property of another by deception. A person deceives if he purposely:
a. Creates or reinforces a false impression, including false impressions as to law, value, intention or other state of mind, and including, but not limited to, a false impression that the person is soliciting or collecting funds for a charitable purpose; but deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise;

b. Prevents another from acquiring information which would affect his judgment of a transaction; or

c. Fails to correct a false impression which the deceiver previously created or reinforced, or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship.

The term "deceive" does not, however, include falsity as to matters having no pecuniary significance, or puffing or exaggeration by statements unlikely to deceive ordinary persons in the group addressed.

2. This act shall take effect immediately.

CHAPTER 44

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1999, c.15 (C.52:27D-133.3) is amended to read as follows:

In any case in which a change of occupancy of any dwelling unit in a building with fewer than three dwelling units is subject to a municipal ordinance requiring the issuance of a certificate of occupancy, certificate of inspection or other documentary certification of compliance with laws and regulations relating to the safety, healthfulness and upkeep of the premises, no such certificate shall issue until the officer or agency responsible for its issuance has determined that: (1) the dwelling unit is equipped with one or more carbon monoxide sensor devices, or (2) that there is no potential carbon monoxide hazard in the dwelling unit. Any such determination shall be made in accordance with rules adopted by the Commissioner of Community Affairs.
b. In the case of an initial occupancy or a change of occupancy of any dwelling unit in a building with fewer than three dwelling units to which the provisions of subsection a. of this section do not apply, no owner shall sell, lease or otherwise permit occupancy for residential purposes of that dwelling unit without first obtaining from the relevant enforcing agency under the "Uniform Fire Safety Act," P.L. 1983, c. 383 (C.52:27D-192 et seq.) a certificate indicating: (1) that the dwelling unit is equipped with one or more carbon monoxide sensor devices, or (2) that there is no potential carbon monoxide hazard in the dwelling unit. Any such determination shall be made in accordance with rules adopted by the Commissioner of Community Affairs.

c. The local governing body having jurisdiction over the enforcing agency or, where the Division of Fire Safety is the enforcing agency, the Commissioner of Community Affairs, may establish a fee which covers the cost of inspection and of issuance of the certificate; however, if an inspection is being made and a certificate is being issued evidencing compliance with section 2 of P.L. 1991, c. 92 (C.52:27D-198.2), the fee authorized therein shall cover the costs of complying with this section.

d. For the purposes of this section:
"Carbon monoxide sensor device" means a carbon monoxide alarm or detector that bears the label of a nationally recognized testing laboratory, and has been tested and listed as complying with the most recent Underwriters Laboratories standard 2034 or its equivalent.

"Dwelling unit" means a structure, or a room or group of rooms within a structure, used or intended for use, in whole or in part, for residential purposes.

e. An owner who sells, leases or otherwise permits occupancy of a dwelling unit without complying with the provisions of this section shall be subject to a fine of not more than $100, which may be collected and enforced by the local enforcing agency by summary proceedings pursuant to "The Penalty Enforcement Law of 1999," P.L. 1999, c. 274 (C.2A:58-10 et seq.).

f. This section shall become operative on the 61st day after enactment of P.L. 2003, c. 44 (C.52:27D-133.5 et al.).

b. To enter into agreements with federal and State of New Jersey agencies, after consultation with the code advisory board, to provide insofar as practicable (1) single-agency review of construction plans and inspection of construction and (2) intergovernmental acceptance of such review and inspection to avoid unnecessary duplication of effort and fees. The commissioner shall have the power to enter into such agreements although the federal standards are not identical with State standards; provided that the same basic objectives are met. The commissioner shall have the power through such agreements to bind the State of New Jersey and all governmental entities deriving authority therefrom.

c. To take testimony and hold hearings relating to any aspect of or matter relating to the administration or enforcement of this act, including but not limited to prospective interpretation of the code so as to resolve inconsistent or conflicting code interpretations, and, in connection therewith, issue subpoena to compel the attendance of witnesses and the production of evidence. The commissioner may designate one or more hearing examiners to hold public hearings and report on such hearings to the commissioner.

e. To study the effect of this act and the code to ascertain their effect upon the cost of building construction and maintenance, and the effectiveness of their provisions for insuring the health, safety, and welfare of the people of the State of New Jersey.

AN ACT concerning individuals with developmental disabilities and amending and supplementing P.L.1979, c.105.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:1AA-1.1 Findings, declarations relative to individuals with developmental disabilities.

1. The Legislature finds and declares that:
   a. Disability is a natural part of the human experience that does not diminish the right of individuals with developmental disabilities to live independently, exert control and choice over their own lives, and fully participate in and contribute to their communities through full integration and inclusion in the economic, political, social, cultural and educational mainstream of United States society;
   b. Recent studies indicate that individuals with developmental disabilities comprise between 1.2 and 1.65% of the United States population, and individuals whose disabilities occur during their developmental period frequently have severe disabilities that are likely to continue indefinitely;
   c. Individuals with developmental disabilities often encounter discrimination in the provision of critical services and are at greater risk than the general population of abuse, neglect, financial and sexual exploitation, and the violation of their legal and human rights;
   d. A substantial portion of individuals with developmental disabilities and their families do not have access to appropriate support and services, including access to assistive technology, from generic and specialized service systems, and remain unserved or underserved;
   e. Individuals with developmental disabilities often require lifelong community services, individualized supports and other forms of assistance that are most effective when provided in a coordinated manner;
   f. There is a need to ensure that services, supports and other assistance are provided in a culturally competent manner, which ensures that individuals from racial and ethnic minority backgrounds are fully included in all activities provided under P.L.2003, c.54 (C.30:1AA-1.1 et al.);
   g. Family members, friends and members of the community can play an important role in enhancing the lives of individuals with developmental disabilities, especially when the family members, friends and community members are provided with the necessary community services, individualized supports and other forms of assistance;
h. Current research indicates that 88% of individuals with developmental disabilities live with their families or in their own households, and many service delivery systems and communities are not prepared to meet the impending needs of the adults with developmental disabilities who are living at home with parents who are 60 years of age or older and serve as the primary caregivers of these adults;

i. Individuals with developmental disabilities are waiting for appropriate services in their communities, and the public needs increased awareness of the capabilities and competencies of individuals with developmental disabilities, particularly in cases in which the individuals are provided with necessary services, supports and other assistance;

j. As increasing numbers of individuals with developmental disabilities are living, learning, working and participating in all aspects of community life, there is an increasing need for a well trained workforce that is able to provide the services, supports and other forms of direct assistance that are required to enable the individuals to carry out those activities;

k. There needs to be greater effort to recruit individuals from minority backgrounds into professions serving individuals with developmental disabilities and their families;

l. The goals of the State properly include providing individuals with developmental disabilities with the information, skills, opportunities and support to: make informed choices and decisions about their lives; live in homes and communities in which these individuals can exercise their full rights and responsibilities as citizens; pursue meaningful and productive lives; contribute to their families, communities, the State and the nation; have interdependent friendships and relationships with other persons; live free of abuse, neglect, financial and sexual exploitation, and violations of their legal and human rights; and achieve full integration and inclusion in society, in an individualized manner, consistent with the unique strengths, resources, priorities, concerns, abilities and capabilities of each individual;

m. As the nation, states and communities maintain and expand community living options for individuals with developmental disabilities, there is a need to evaluate the access to those options by individuals with developmental disabilities and the effects of those options on those individuals; and

n. Therefore, the purpose of this act is to assure that individuals with developmental disabilities and their families participate in the design of, and have access to, needed community services, individualized supports and other forms of assistance which promote self-determination, independence, productivity, and integration and inclusion in all facets of community life, through culturally competent advocacy, capacity-building and systemic-change activities conducted by the State Council on Developmental
Disabilities, as required by the "Developmental Disabilities Assistance and Bill of Rights Act of 2000," Pub.L.106-402, 42 U.S.C. s.15001 et seq. These activities shall:

(1) be consistent with the purpose described in this subsection and the public policy described in section 2 of P.L.2003, c.54 (C.30:1AA-1.2); and

(2) contribute to a coordinated, consumer- and family-centered and consumer- and family-directed comprehensive system which includes needed community services, individualized supports and other forms of assistance that promote self-determination for individuals with developmental disabilities and their families.

C.30:1AA-1.2 Provisions relative to programs, projects, activities declared as public policy.

2. It is the public policy of the State that all programs, projects and activities conducted by the State Council on Developmental Disabilities shall be carried out in a manner consistent with the following provisions:

a. Individuals with developmental disabilities, including those with the most severe developmental disabilities, are capable of self-determination, independence, productivity, and integration and inclusion in all facets of community life, but often require the provision of community services, individualized supports and other forms of assistance;

b. Individuals with developmental disabilities and their families have competencies, capabilities and personal goals that should be recognized, supported and encouraged, and any assistance to these individuals should be provided in an individualized manner, consistent with the unique strengths, resources, priorities, concerns, abilities and capabilities of these individuals;

c. Individuals with developmental disabilities and their families are the primary decision-makers regarding the services and supports they receive, including services and supports for choosing, from available options, where the individuals live, and they should play decision-making roles in policies and programs that affect their lives;

d. Services, supports and other assistance should be provided in a manner that demonstrates respect for individual dignity, personal preferences and cultural differences;

e. Individuals with developmental disabilities from racial and ethnic minority backgrounds and their families need specific efforts to ensure that they can enjoy increased and meaningful opportunities to access and use community services, individualized supports and other forms of assistance available to other individuals with developmental disabilities and their families;

f. Recruitment efforts relating to pre-service training, community training, practice, administration and policymaking must focus on bringing
larger numbers of racial and ethnic minorities into these disciplines in order to provide appropriate skills, knowledge, role models and sufficient personnel to address the growing needs of an increasingly diverse population with developmental disabilities;

  g. With education and support, communities can be accessible and responsive to the needs of individuals with developmental disabilities and their families, and they are enriched by the contributions and full and active participation in community activities by individuals with developmental disabilities and their amities;

  h. Individuals with developmental disabilities should have access to opportunities and the necessary support to be included in community life, have interdependent relationships, live in homes and communities and make contributions to their families, communities, the State and the nation;

  i. Efforts undertaken to maintain or expand community-based living options for individuals with disabilities must be monitored in order to determine and report to appropriate individuals and entities the extent of access by individuals with developmental disabilities to those options, and the extent of compliance with quality assurance standards by entities providing the options;

  j. Families of children with developmental disabilities need to have access to, and use of, safe and appropriate child care and before- and after-school programs in the most integrated settings in order to enrich the participation of the children in community life;

  k. Individuals with developmental disabilities need to have access to, and use of, public transportation in order to be independent and directly contribute to, and participate in, all facets of community life; and

  l. Individuals with developmental disabilities need to have access to, and use of, recreational, leisure and social opportunities in the most integrated settings in order to enrich their participation in community life.

3. Section 1 of P.L.1979, c.105 (C.30:1AA-1) is amended to read as follows:

C.30:1AA-1 State Council on Developmental Disabilities, additional powers, duties.

  1. a. The State Council on Developmental Disabilities, established pursuant to Executive Order Number 20 of 1971, as amended by Executive Order Number 49 of 1973 and Executive Order Number 42 of 1976, is hereby established and continued in the Executive Branch of State Government.

  b. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the State Council on Developmental Disabilities is hereby allocated within the Department of Human Services, but, notwithstanding said allocation, the council shall be
independent of any supervision or control by the department or any board
or officer thereof, or any other cabinet-level department, board or officer

with State and federal administrative, fiscal, legislative, procedural and
personnel requirements.

c. In addition to the powers and duties herein provided, the State
Council on Developmental Disabilities shall constitute the planning entity
authorized in the "Developmental Disabilities Assistance and Bill of Rights
all the powers and duties as may be necessary to effectuate the purposes and
provisions thereof.

4. Section 2 of P.L.1979, c.105 (C.30:1AA-2) is amended to read as
follows:

C.30:1AA-2 Definition of developmental disability.
2. For the purposes of this act, a "developmental disability" means:

      (5) Reflects the need for a combination and sequence of special,
          interdisciplinary, or generic care, or other services which are of lifelong or

CHAPTER 55

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:4-129 is amended to read as follows:

Action in case of accident.

R.S.39:4-129. (a) The driver of any vehicle, knowingly involved in an accident resulting in injury or death to any person shall immediately stop the vehicle at the scene of the accident or as close thereto as possible but shall then forthwith return to and in every event shall remain at the scene until he has fulfilled the requirements of subsection (c) of this section. Every such stop shall be made without obstructing traffic more than is necessary. Any person who shall violate this subsection shall be fined not less than $2,500 nor more than $5,000, or be imprisoned for a period of 180 days, or both. The term of imprisonment required by this subsection shall be imposed only if the accident resulted in death or injury to a person other than the driver convicted of violating this section.

In addition, any person convicted under this subsection shall forfeit his right to operate a motor vehicle over the highways of this State for a period of one year from the date of his conviction for the first offense and for a subsequent offense shall thereafter permanently forfeit his right to operate a motor vehicle over the highways of this State.
(b) The driver of any vehicle knowingly involved in an accident resulting only in damage to a vehicle, including his own vehicle, or other property which is attended by any person shall immediately stop his vehicle at the scene of such accident or as close thereto as possible, but shall then forthwith return to and in every event shall remain at the scene of such accident until he has fulfilled the requirements of subsection (c) of this section. Every such stop shall be made without obstructing traffic more than is necessary. Any person who shall violate this subsection shall be fined not less than $200 nor more than $400, or be imprisoned for a period of not more than 30 days, or both, for the first offense, and for a subsequent offense, shall be fined not less than $400 nor more than $600, or be imprisoned for a period of not less than 30 days nor more than 90 days or both.

In addition, a person who violates this subsection shall, for a first offense, forfeit the right to operate a motor vehicle in this State for a period of six months from the date of conviction, and for a period of one year from the date of conviction for any subsequent offense.

(c) The driver of any vehicle knowingly involved in an accident resulting in injury or death to any person or damage to any vehicle or property shall give his name and address and exhibit his operator's license and registration certificate of his vehicle to the person injured or whose vehicle or property was damaged and to any police officer or witness of the accident, and to the driver or occupants of the vehicle collided with and render to a person injured in the accident reasonable assistance, including the carrying of that person to a hospital or a physician for medical or surgical treatment, if it is apparent that the treatment is necessary or is requested by the injured person.

In the event that none of the persons specified are in condition to receive the information to which they otherwise would be entitled under this subsection, and no police officer is present, the driver of any vehicle involved in such accident after fulfilling all other requirements of subsections (a) and (b) of this section, insofar as possible on his part to be performed, shall forthwith report such accident to the nearest office of the local police department or of the county police of the county or of the State Police and submit thereto the information specified in this subsection.

(d) The driver of any vehicle which knowingly collides with or is knowingly involved in an accident with any vehicle or other property which is unattended resulting in any damage to such vehicle or other property shall immediately stop and shall then and there locate and notify the operator or owner of such vehicle or other property of the name and address of the driver and owner of the vehicle striking the unattended vehicle or other property or, in the event an unattended vehicle is struck and the driver or
owner thereof cannot be immediately located, shall attach securely in a
conspicuous place in or on such vehicle a written notice giving the name
and address of the driver and owner of the vehicle doing the striking or, in
the event other property is struck and the owner thereof cannot be immedi­
ately located, shall notify the nearest office of the local police department or
of the county police of the county or of the State Police and in addition shall
notify the owner of the property as soon as the owner can be identified and
located. Any person who violates this subsection shall be punished as
provided in subsection (b) of this section.

(e) The driver of any motor vehicle involved in an accident resulting in
injury or death to any person or damage in the amount of $250.00 or more
to any vehicle or property shall be presumed to have knowledge that he was
involved in such accident, and such presumption shall be rebuttable in
nature.

For purposes of this section, it shall not be a defense that the operator of
the motor vehicle was unaware of the existence or extent of personal injury
or property damage caused by the accident as long as the operator was
aware that he was involved in an accident.

2. Section 1 of P.L.1997, c.111 (C.2C:11-5.1) is amended to read as
follows:

C.2C:11-5.1 Knowingly leaving scene of motor vehicle accident resulting in death, third degree
crime; sentencing.

1. A motor vehicle operator who knows he is involved in an accident
and knowingly leaves the scene of that accident under circumstances that
violate the provisions of R.S. 39:4-129 shall be guilty of a crime of the third
degree if the accident results in the death of another person. The presump­
tion of nonimprisonment set forth in N.J.S.2C:44-1 shall not apply to
persons convicted under the provisions of this section.

If the evidence so warrants, nothing in this section shall be deemed to
preclude an indictment and conviction for aggravated manslaughter under
the provisions of N.J.S.2C:11-4 or vehicular homicide under the provisions
of N.J.S.2C:11-5.

Notwithstanding the provisions of N.J.S.2C:1-8 or any other provisions
of law, a conviction arising under this section shall not merge with a
conviction for aggravated manslaughter under the provisions of
N.J.S.2C:11-4 or for vehicular homicide under the provisions of
N.J.S.2C:11-5 and a separate sentence shall be imposed upon each such
conviction.

Notwithstanding the provisions of N.J.S.2C:44-5 or any other provi­
sions of law, when the court imposes multiple sentences of imprisonment
for more than one offense, those sentences shall run consecutively.
For the purposes of this section, neither knowledge of the death nor knowledge of the violation are elements of the offense and it shall not be a defense that the operator of the motor vehicle was unaware of the death or of the provisions of R.S.39:4-129.

3. Section 2 of P.L.1997, c.111 (C.2C:12-1.1) is amended to read as follows:

C.2C:12-1.1 Knowingly leaving scene of motor vehicle accident resulting in serious bodily injury, fourth degree crime; sentencing.

2. A motor vehicle operator who knows he is involved in an accident and knowingly leaves the scene of that accident under circumstances that violate the provisions of R.S.39:4-129 shall be guilty of a crime of the fourth degree if the accident results in serious bodily injury to another person. The presumption of nonimprisonment set forth in N.J.S.2C:44-1 shall not apply to persons convicted under the provisions of this section.

If the evidence so warrants, nothing in this section shall be deemed to preclude an indictment and conviction for aggravated assault or assault by auto under the provisions of N.J.S.2C:12-1.

Notwithstanding the provisions of N.J.S.2C:1-8 or any other provisions of law, a conviction arising under this section shall not merge with a conviction for aggravated assault or assault by auto under the provisions of N.J.S.2C:12-1 and a separate sentence shall be imposed upon each conviction.

Notwithstanding the provisions of N.J.S.2C:44-5 or any other provisions of law, whenever in the case of such multiple convictions the court imposes multiple sentences of imprisonment for more than one offense, those sentences shall run consecutively.

For the purposes of this section, neither knowledge of the serious bodily injury nor knowledge of the violation are elements of the offense and it shall not be a defense that the driver of the motor vehicle was unaware of the serious bodily injury or provisions of R.S.39:4-129.

4. N.J.S.2C:44-1 is amended to read as follows:

Criteria for withholding or imposing sentence of imprisonment.

2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment. a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court shall consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not it was committed in an especially heinous, cruel, or depraved manner;
(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another offense;

(4) A lesser sentence will depreciate the seriousness of the defendant's offense because it involved a breach of the public trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;

(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant's prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority; the defendant committed the offense because of the status of the victim as a public servant; or the defendant committed the offense against a sports official, athletic coach or manager, acting in or immediately following the performance of his duties or because of the person's status as a sports official, coach or manager;

(9) The need for deterring the defendant and others from violating the law;

(10) The offense involved fraudulent or deceptive practices committed against any department or division of State government;

(11) The imposition of a fine, penalty or order of restitution without also imposing a term of imprisonment would be perceived by the defendant or others merely as part of the cost of doing business, or as an acceptable contingent business or operating expense associated with the initial decision to resort to unlawful practices;

(12) The defendant committed the offense against a person who he knew or should have known was 60 years of age or older, or disabled; and

(13) The defendant, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a stolen motor vehicle.
b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant's conduct neither caused nor threatened serious harm;
(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;
(3) The defendant acted under a strong provocation;
(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;
(5) The victim of the defendant's conduct induced or facilitated its commission;
(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;
(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;
(8) The defendant's conduct was the result of circumstances unlikely to recur;
(9) The character and attitude of the defendant indicate that he is unlikely to commit another offense;
(10) The defendant is particularly likely to respond affirmatively to probationary treatment;
(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;
(12) The willingness of the defendant to cooperate with law enforcement authorities;
(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.
(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

d. Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others. Notwithstanding the provisions of subsection e. of this section, the court shall deal with a person who has been convicted of theft of a motor
vehicle or of the unlawful taking of a motor vehicle and who has previously
been convicted of either offense by imposing a sentence of imprisonment
unless, having regard to the character and condition of the defendant, it is of
the opinion that his imprisonment would be a serious injustice which
overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than
a crime of the first or second degree, who has not previously been convicted
of an offense, without imposing a sentence of imprisonment unless, having
regard to the nature and circumstances of the offense and the history,
character and condition of the defendant, it is of the opinion that his
imprisonment is necessary for the protection of the public under the criteria
set forth in subsection a., except that this subsection shall not apply if the
person is convicted of any of the following crimes of the third degree: theft
of a motor vehicle; unlawful taking of a motor vehicle; or eluding; or if the
person is convicted of a crime of the third or fourth degree constituting bias
intimidation in violation of N.J.S. 2C:16-1; or if the person is convicted of
a crime of the third or fourth degree under the provisions of section 1 or 2
of P.L. 1997, c. 111 (C.2C:11-5.1 or 2C:12-1.1).

f. Presumptive Sentences. (1) Except for the crime of murder, unless
the preponderance of aggravating or mitigating factors, as set forth in
subsections a. and b., weighs in favor of a higher or lower term within the
limits provided in N.J.S. 2C:43-6, when a court determines that a sentence
of imprisonment is warranted, it shall impose sentence as follows:

(a) To a term of 20 years for aggravated manslaughter or kidnapping
pursuant to paragraph (1) of subsection c. of N.J.S. 2C:13-1 when the
offense constitutes a crime of the first degree;

(b) Except as provided in paragraph (a) of this subsection to a term of
15 years for a crime of the first degree;

(c) To a term of seven years for a crime of the second degree;

(d) To a term of four years for a crime of the third degree; and

(e) To a term of nine months for a crime of the fourth degree.

In imposing a minimum term pursuant to 2C:43-6b., the sentencing
court shall specifically place on the record the aggravating factors set forth
in this section which justify the imposition of a minimum term.

Unless the preponderance of mitigating factors set forth in subsection
b. weighs in favor of a lower term within the limits authorized, sentences
imposed pursuant to 2C:43-7a.(1) shall have a presumptive term of life
imprisonment. Unless the preponderance of aggravating and mitigating
factors set forth in subsections a. and b. weighs in favor of a higher or lower
term within the limits authorized, sentences imposed pursuant to
2C:43-7a.(2) shall have a presumptive term of 50 years' imprisonment;
sentences imposed pursuant to 2C:43-7a.(3) shall have a presumptive term
272 CHAPTER 56, LAWS OF 2003

of 15 years' imprisonment; and sentences imposed pursuant to 2C:43-7a.(4) shall have a presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to 2C:43-7b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second degree where the court is clearly convinced that the mitigating factors substantially outweigh the aggravating factors and where the interest of justice demands, the court may sentence the defendant to a term appropriate to a crime of one degree lower than that of the crime for which he was convicted. If the court does impose sentence pursuant to this paragraph, or if the court imposes a noncustodial or probationary sentence upon conviction for a crime of the first or second degree, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. If the court, in considering the aggravating factors set forth in subsection a., finds the aggravating factor in paragraph a.(2) or a.(12) and does not impose a custodial sentence, the court shall specifically place on the record the mitigating factors which justify the imposition of a noncustodial sentence.

h. Except as provided in section 2 of P.L.1993, c.123 (C.2C:43-11), the presumption of imprisonment as provided in subsection d. of this section shall not preclude the admission of a person to the Intensive Supervision Program, established pursuant to the Rules Governing the Courts of the State of New Jersey.

5. This act shall take effect on the first day of the second month following enactment.

Nothing in P.L.1974, c.50 shall be construed to require a cooperative corporation to comply with the certificate of registration requirement unless the corporation leases a unit to a person other than a proprietary shareholder of the cooperative. CHAPTER 64

AN ACT prohibiting certain abusive lending practices and supplementing Title 46 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:10B-22 Short title.
1. This act shall be known and may be cited as the "New Jersey Home Ownership Security Act of 2002."

C.46:10B-23 Findings, declarations relative to abusive lending practices.
2. The Legislature finds and declares that:
a. Abusive mortgage lending has become an increasing problem in this State, exacerbating the loss of equity in homes and causing an increase in the number of foreclosures in recent years. One of the most common forms of abusive lending is the making of loans that are equity-based, rather than income-
The financing of points and fees in these loans provides immediate income to the originator and encourages the repeated refinancing of home loans. The lender's ability to sell loans reduces the incentive to ensure that the homeowner can afford the payments of the loan. As long as there is sufficient equity in the home, an abusive lender benefits even if the borrower is unable to make the payments and is forced to refinance. In addition, the financing of high points and fees causes the loss of precious equity in each refinancing and often leads to foreclosure.

b. Abusive lending has threatened the viability of many communities and caused decreases in home ownership. While the marketplace appears to operate effectively for conventional mortgages, too many homeowners find themselves victims of overreaching lenders who provide loans with unnecessarily high costs and terms that are unnecessary to secure repayment of the loan.

c. As competition and self-regulation have not eliminated the abusive terms from loans secured by a consumer's home, the consumer protection provisions of this act are necessary to encourage lending at reasonable rates with reasonable terms.

C.46:10B-24 Definitions relative to abusive lending practices.

3. As used in this act:

"Affiliate" means any company that controls, is controlled by, or is under the common control with any company, as set forth in 12 U.S.C. s.1841 et seq.

"Bona fide discount points" means loan discount points which are:

(1) Knowingly paid by the borrower;

(2) Paid for the express purpose of reducing, and which result in a reduction of, the interest rate or time-price differential applicable to the loan;

(3) In fact reducing the interest rate or time-price differential applicable to the loan from an interest rate which does not exceed the conventional mortgage rate for a home loan secured by a first lien, by more than two percentage points, or for a home loan secured by a junior lien, by more than three and one half percentage points; and

(4) Recouped within the first five years of the scheduled loan payments. Loan discount points will be considered to be recouped within the first five years of the scheduled loan payments if the reduction in the interest rate that is achieved by the payment of the loan discount points reduces the interest charged on the scheduled payments such that the borrower's dollar amount of savings in interest over the first five years is equal to or exceeds the dollar amount of loan discount points paid by the borrower.

"Borrower" means any natural person obligated to repay the loan, including a coborrower, cosigner, or guarantor.
"Commissioner" means the Commissioner of Banking and Insurance.

"Conventional mortgage rate" means the most recently published annual yield on conventional mortgages published by the Board of Governors of the Federal Reserve System, as published in Statistical Release H.15 or any publication that may supersede it, as of the applicable time set forth in 12 C.F.R. 226.32(a)(1)(I).

"Conventional prepayment penalty" means any prepayment penalty or fee that may be collected or charged in a home loan, and that is authorized by law other than by this act, provided the home loan (1) does not have an annual percentage rate that exceeds the conventional mortgage rate by more than two percentage points; and (2) does not permit any prepayment fees or penalties that exceed two percent of the amount prepaid.

"Covered home loan" means a home loan in which:

1. The total points and fees payable in connection with the loan, excluding either a conventional prepayment penalty or not more than two bona fide discount points, exceed 4 percent of the total loan amount, or 4.5 percent of the total loan amount if the total loan amount is $40,000 or less, and 4.5 percent of the total loan amount if the loan is insured by the Federal Housing Administration or guaranteed by the federal Department of Veterans Affairs; or

2. The home loan is such that it is considered a high-cost home loan under this act.

"Creditor" means a person who extends consumer credit that is subject to a finance charge or is payable by written agreement in more than four installments, and to whom the obligation is payable at any time. Creditor shall also mean any person brokering a home loan, which shall include any person who directly or indirectly solicits, processes, places, or negotiates home loans for others or who closes home loans which may be in the person's own name with funds provided by others and which loans are thereafter assigned to the person providing the funding of such loans, provided that creditor shall not include a person who is an attorney providing legal services to the borrower or a person or entity holding an individual or organization insurance producer license in the line of title insurance or a title insurance company, as defined by subsection c. of section 1 of P.L.1975, c.106 (C.17:46B-1), or an officer, director or employee thereof, providing services in the closing of a home loan who is not also funding the home loan and is not an affiliate of the creditor or an assignee that is subject to the provisions of section 6 of this act.

"Department" means the Department of Banking and Insurance.

"High-cost home loan" means a home loan for which the principal amount of the loan does not exceed $350,000, which amount shall be adjusted annually to include the last published increase of the housing component of the national Consumer Price Index, New York-Northeastern New Jersey Region, in which
the terms of the loan meet or exceed one or more of the thresholds as defined in this section.

"Home loan" means an extension of credit primarily for personal, family or household purposes, including an open-end credit plan, other than a reverse mortgage transaction, in which the loan is secured by:

(1) A mortgage or deed of trust on real estate in this State upon which there is located or there is to be located a one to six family dwelling which is or will be occupied by a borrower as the borrower's principal dwelling; or

(2) A security interest in a manufactured home which is or will be occupied by a borrower as the borrower's principal dwelling.

"Manufactured home" means a structure, transportable in one or more sections, which in the traveling mode is eight body feet or more in width or 40 body feet or more in length or, when erected on site is 320 or more square feet and which is built on a permanent chassis and designed to be used as a dwelling with a permanent foundation when erected on land secured in conjunction with the real property on which the manufactured home is located and connected to the required utilities and includes the plumbing, heating, air-conditioning and electrical systems contained therein; except that such term shall include any structure which meets all the requirements of this paragraph except the size requirements and with respect to which the manufacturer voluntarily files a certification required by the Secretary of the United States Department of Housing and Urban Development and complies with the standards established under the federal National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. s.5401 et seq. Such term does not include rental property or second homes or manufactured homes when not secured in conjunction with the real property on which the manufactured home is located.

"Points and fees" means:

(1) All items listed in 15 U.S.C. s.1605(a)(1) through (4), except interest or the time-price differential;

(2) All charges listed in 15 U.S.C. s.1605(e);

(3) All compensation paid directly or indirectly to a mortgage broker, including a broker that originates a loan in its own name in a table-funded transaction;

(4) The cost of all premiums financed by the creditor, directly or indirectly for any credit life, credit disability, credit unemployment or credit property insurance, or any other life or health insurance, or any payments financed by the creditor directly or indirectly for any debt cancellation or suspension agreement or contract, except that insurance premiums calculated and paid on a monthly basis shall not be considered financed by the creditor;

(5) The maximum prepayment fees and penalties that may be charged or collected under the terms of the loan documents;
(6) All prepayment fees or penalties that are incurred by the borrower if the loan refinances a previous loan made or currently held by the same creditor or an affiliate of the creditor; and

(7) For open-end loans, the points and fees are calculated by adding the total points and fees known at or before closing, including the maximum prepayment penalties which may be charged or collected under the terms of the loan documents if prepayment penalties are authorized by law other than by this act, plus the minimum additional fees the borrower would be required to pay to draw down an amount equal to the total credit line.

"Points and fees" shall not include the following items: title insurance premiums and fees, charges and premiums paid to a person or entity holding an individual or organization insurance producer license in the line of title insurance or a title insurance company, as defined by subsection c. of section 1 of P.L.1975, c.106 (C.17:46B-1); taxes, filing fees, and recording and other charges and fees paid or to be paid to public officials for determining the existence of or for perfecting, releasing, or satisfying a security interest; and reasonable fees paid to a person other than a creditor or an affiliate of the creditor or to the mortgage broker or an affiliate of the mortgage broker for the following, provided that the conditions in 12 C.F.R. 226.4(c)(7) are met: fees for tax payment services; fees for flood certification; fees for pest infestation and flood determinations; appraisal fees; fees for inspections performed prior to closing; fees for credit reports; fees for surveys; attorneys' fees; notary fees; escrow charges; and fire and flood insurance premiums, provided that the conditions in 12 C.F.R. 226.4(d)(2) are met.

"Rate" means that annual percentage rate for the loan calculated at closing based on the points and fees set forth in this act and according to the provisions of 15 U.S.C. s. 1601 et seq. and the regulations promulgated thereunder by the Federal Reserve Board.

"Threshold" means any one of the following two items, as defined:

(1) "Rate threshold" means the annual percentage rate of the loan at the time the loan is consummated such that the loan is considered a "mortgage" under section 152 of the federal "Home Ownership and Equity Protection Act of 1994," Pub.L. 103-325 (15 U.S.C. s.1602(aa)), and the regulations promulgated by the Federal Reserve Board, including 12 C.F.R. s.226.32, without regard to whether the loan transaction is or may be a "residential mortgage transaction," as defined in 12 C.F.R. s.226.2(a)(24).

(2) "Total points and fees threshold" means that the total points and fees payable by the borrower at or before the loan closing, excluding either a conventional prepayment penalty or up to two bona fide discount points, exceed:

(a) 5% of the total loan amount if the total loan amount is $40,000 or more; or
(b) the lesser of 6% of the total loan amount or $1,000, if the total loan amount is less than $20,000, and 6% if the total loan amount is $20,000 or more but less than $40,000.

"Total loan amount" means the principal of the loan minus those points and fees as defined in this section that are included in the principal amount of the loan. For open-end loans, the total loan amount shall be calculated using the total line of credit allowed under the home loan.

C.46:10B-25 Creditors, prohibited practices relative to home loans.

4. a. No creditor making a home loan shall finance, directly or indirectly, any credit life, credit disability, credit unemployment or credit property insurance, or any other life or health insurance, or any payments directly or indirectly for any debt cancellation or suspension agreement or contract, except that insurance premiums or debt cancellation or suspension fees calculated and paid on a monthly basis shall not be considered financed by the creditor.

b. No creditor shall engage in the unfair act or practice of "flipping" a home loan. "Flipping" occurs when a creditor makes a covered home loan to a borrower that refinances an existing home loan that was consummated within the prior 60 months when the new loan does not have reasonable, tangible net benefit to the borrower considering all of the circumstances, including the terms of both the new and refinanced loans, the economic and noneconomic circumstances, the purpose of the loan, the cost of the new loan, and the borrower's circumstances. In addition, the following home loan refinancings shall be presumed to be flipping if:

(1) The primary tangible benefit to the borrower is an interest rate lower than the interest rate on a debt satisfied or refinanced in connection with the home loan, and it will take more than four years for the borrower to recoup the costs of the points and fees and other closing costs through savings resulting from the lower interest rate; or

(2) The new loan refines an existing home loan that is a special mortgage originated, subsidized, or guaranteed by or through a state, tribal or local government, or nonprofit organization, which either bears a below-market interest rate at the time the loan was originated, or has nonstandard payment terms beneficial to the borrower, such as payments that vary with income or are limited to a percentage of income, or where no payments are required under specified conditions, and where, as a result of refinancing, the borrower will lose one or more of the benefits of the special mortgage.

Without limiting the foregoing, it is hereby declared that subsection b. of this section shall create no presumption that any home loan that is not a covered home loan or a high-cost home loan, and any refinancing outside the durational limits set forth above, is not unconscionable, and it is hereby further declared that subsection b. of this section shall create no presumption
that any home loan that is not a covered home loan or a high-cost home loan, and any refinancing outside the durational limits set forth above, shall not constitute an unlawful practice under P.L. 1960, c. 39 (C. 56:8-1 et seq.), based on factors including those set forth in subsection b. of this section alone or in conjunction with any other circumstances.

c. No creditor shall recommend or encourage default on an existing loan or other debt prior to and in connection with the closing or planned closing of a home loan that refinances all or any portion of that existing loan or debt.

d. No creditor shall charge a late payment fee in relation to a home loan except according to the following rules:
   (1) The late payment fee may not be in excess of 5% of the amount of the payment past due.
   (2) The fee may only be assessed by a payment past due for 15 days or more.
   (3) The fee may not be charged more than once with respect to a single late payment. If a late payment fee is deducted from a payment made on the loan, and such deduction causes a subsequent default on a subsequent payment, no late payment fee may be imposed for such default. If a late payment fee has been once imposed with respect to a particular late payment, no such fee shall be imposed with respect to any future payment which would have been timely and sufficient, but for the previous default.
   (4) No fee shall be charged unless the creditor notifies the borrower within 45 days following the date the payment was due that a late payment fee has been imposed for a particular late payment. No late payment fee may be collected from any borrower if the borrower informs the creditor that nonpayment of an installment is in dispute and presents proof of payment within 45 days of receipt of the creditor’s notice of the late fee.
   (5) The creditor shall treat each and every payment as posted on the same date as it was received by the creditor, servicer, creditor’s agent, or at the address provided to the borrower by the creditor, servicer, or the creditor’s agent for making payments.

e. No home loan shall contain a provision that permits the creditor, in its sole discretion, to accelerate the indebtedness. This provision does not prohibit acceleration of the loan in good faith due to the borrower’s failure to abide by the material terms of the loan.

f. No creditor shall charge a fee for informing or transmitting to any person the balance due to pay off a home loan or to provide a release upon prepayment. Payoff balances shall be provided within seven business days after the request.

C. 46:10B-26 High-cost home loans, limitations, prohibited practices.

5. A high-cost home loan shall be subject to the following additional limitations and prohibited practices:
a. No high-cost home loan shall contain a scheduled payment that is more than twice as large as the average of earlier scheduled payments. This provision shall not apply when the payment schedule is adjusted to the seasonal or irregular income of the borrower.

b. No high-cost home loan shall include payment terms under which the outstanding principal balance will increase at any time over the course of the loan because the regular periodic payments do not cover the full amount of interest due.

c. No high-cost home loan shall contain a provision that increases the interest rate after default. This provision shall not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness.

d. No high-cost home loan shall include terms under which more than two periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

e. Without regard to whether a borrower is acting individually or on behalf of others similarly situated, any provision of a high-cost home loan agreement that allows a party to require a borrower to assert any claim or defense in a forum that is less convenient, more costly, or more dilatory for the resolution of a dispute than a judicial forum established in this State if the borrower may otherwise properly bring a claim or defense or limits in any way any claim or defense the borrower may have is unconscionable and void.

f. A creditor shall not make a high-cost home loan unless the creditor has given the following notice, or substantially similar notice, in writing, to the borrower, acknowledged in writing and signed by the borrower not later than the time the notice is required under the notice provision contained in 12 C.F.R. s.226.31(c).

NOTICE TO BORROWER

YOU SHOULD BE AWARE THAT YOU MIGHT BE ABLE TO OBTAIN A LOAN AT A LOWER COST. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES. MORTGAGE LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH CREDITOR OR BROKER YOU SELECT.
IF YOU ACCEPT THE TERMS OF THIS LOAN, THE CREDITOR WILL HAVE A MORTGAGE LIEN ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR PAYMENT OBLIGATIONS UNDER THE LOAN.

YOU SHOULD CONSULT AN ATTORNEY-AT-LAW AND A QUALIFIED INDEPENDENT CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES AND PROVISIONS OF THIS MORTGAGE LOAN BEFORE YOU PROCEED. A LIST OF QUALIFIED COUNSELORS IS AVAILABLE BY CONTACTING THE NEW JERSEY DEPARTMENT OF BANKING AND INSURANCE.

YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE RECEIVED THIS DISCLOSURE OR HAVE SIGNED A LOAN APPLICATION.

REMEMBER, PROPERTY TAXES AND HOMEOWNER'S INSURANCE ARE YOUR RESPONSIBILITY. NOT ALL CREDITORS PROVIDE ESCROW SERVICES FOR THESE PAYMENTS. YOU SHOULD ASK YOUR CREDITOR ABOUT THESE SERVICES.

ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING CREDITORS.

g. A creditor shall not make a high-cost home loan to a borrower who finances points and fees in connection with a high-cost home loan without first receiving certification from a third-party nonprofit credit counselor, approved by the United States Department of Housing and Urban Development and the Department of Banking and Insurance, that the borrower has received counseling on the advisability of the loan transaction or completing another substantial requirement developed by the department.

h. A creditor shall not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan, unless the instrument is payable to the borrower or jointly to the borrower and the contractor, or, at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the creditor, and the contractor prior to the disbursement.
i. A creditor shall not charge a borrower any fees or other charges to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan.

j. A creditor shall not charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same creditor as note holder.

k. Notwithstanding any other law to the contrary, a creditor making a high-cost home loan that has the legal right to foreclose shall use the judicial foreclosure procedures of this State so long as the property securing the loan is located in this State.

l. No creditor making a high-cost home loan shall directly or indirectly finance points and fees in excess of 2% of the total loan amount.

C.46:10B-27 Affirmative claims, defenses by borrower.

6. a. Notwithstanding any other law to the contrary, if a home loan was made, arranged, or assigned by a person selling either a manufactured home, or home improvements to the dwelling of a borrower, or was made by or through a creditor to whom the borrower was referred by such seller, the borrower may assert all affirmative claims and any defenses that the borrower may have against the seller or home-improvement contractor limited to amounts required to reduce or extinguish the borrower's liability under the home loan, plus the total amount paid by the borrower in connection with the transaction, plus amounts required to recover costs, including reasonable attorney's fees against the creditor, any assignee or holder, in any capacity.

b. Notwithstanding any other provision of law, any person who purchases or is otherwise assigned a high-cost home loan shall be subject to all affirmative claims and any defenses with respect to the loan that the borrower could assert against the original creditor or broker of the loan; provided that this subsection shall not apply if the purchaser or assignee demonstrates, by a preponderance of the evidence, that a reasonable person exercising reasonable due diligence could not determine that the mortgage was a high-cost home loan. It shall be presumed that a purchaser or assignee has exercised such due diligence if the purchaser or assignee demonstrates by a preponderance of the evidence that it: (1) has in place at the time of the purchase or assignment of the loan, policies that expressly prohibit its purchase or acceptance of assignment of any high-cost home loan; (2) requires by contract that a seller or assignor of home loans to the purchaser or assignee represents and warrants to the purchaser or assignee that either (a) it will not sell or assign any high-cost home loan to the purchaser or assignee or (b) that the seller or assignor is a beneficiary of a representation and warranty from a previous seller or assignor to that effect; and (3) exercises reasonable due diligence at the time of purchase or assignment
of home loans or within a reasonable period of time thereafter intended by the purchaser or assignee to prevent the purchaser or assignee from purchasing or taking assignment of any high-cost home loan.

c. Notwithstanding any other law to the contrary, but limited to amounts required to reduce or extinguish the borrower's liability under the home loan plus amounts required to recover costs including reasonable attorney's fees, a borrower acting only in an individual capacity may assert against the creditor or any subsequent holder or assignee of the home loan:

   (1) within six years of the closing of a covered home loan, a violation of this act in connection with the loan as an original action, or as a defense, claim or counterclaim after an action to collect on the home loan or foreclose on the collateral securing the home loan has been initiated or the debt arising from the home loan has been accelerated or the home loan has become 60 days in default; and

   (2) at any time during the term of a high-cost home loan after an action to collect on the home loan or foreclose on the collateral securing the home loan has been initiated or the debt arising from the home loan has been accelerated or the home loan has become 60 days in default, any defense, claim or counterclaim.

d. It is a violation of this act for any person, in bad faith, to attempt to avoid the application of this act by:

   (1) Dividing any loan transaction into separate parts; or

   (2) Any other such subterfuge, with the intent of evading the provisions of this act.

e. Nothing in this section shall be construed to limit the substantive rights, remedies or procedural rights, including, but not limited to, recoupment rights under the common law, available to a borrower against any creditor, assignee or holder under any other law. The limitations on assignee liability in subsection b. of this section shall not apply to the assignee liability in subsections a., c. and d. of this section.

C.46:10B-28 Enforcement by department.

7. a. The department shall conduct examinations and investigations and issue subpoenas and orders to enforce the provisions of this act with respect to a person licensed or subject to the provisions of the "New Jersey Licensed Lenders Act," P.L.1996, c.157 (C.17:11C-1 et seq).

b. The department shall examine any instrument, document, account, book, record, or file of a person originating or brokering a high-cost home loan under this act. The department shall recover the cost of examinations from the person. A person originating or brokering high-cost home loans shall maintain its records in a manner that will facilitate the department in determining whether the person is complying with the provisions of this act.
and the regulations promulgated thereunder. The department shall require
the submission of reports by persons originating or brokering high-cost home
loans which shall set forth such information as the department shall require
by regulation.

c. In the event that a person fails to comply with a subpoena for documents
or testimony issued by the department, the department may request an order
from a court of competent jurisdiction requiring the person to produce the
requested information.

d. If the department determines that a person has violated the provisions
of this act, the department may do any combination of the following that it
deems appropriate:

(1) Impose a civil penalty of up to $10,000 for each offense, 40% of which
penalty shall be dedicated for and used by the department for consumer
education through nonprofit organizations which can establish to the satisfaction
of the department that they have sufficient experience in credit counseling
and financial education. In determining the penalty to be assessed, the
commissioner shall consider the following criteria: whether the violation was
willful; whether the violation was part of a pattern and practice; the amount
of the loan; the points and fees charged; the financial condition of the violator;
and other relevant factors. The department may require the person to pay
investigative costs, if any.

(2) Suspend, revoke, or refuse to renew any license issued by the
department.

(3) Prohibit or permanently remove an individual responsible for a violation
of this act from working in his present capacity or in any other capacity related
to activities regulated by the department.

(4) Order a person to cease and desist any violation of this act and to make
restitution for actual damages to borrowers.

(5) Pending completion of an investigation or any formal proceeding
instituted pursuant to this act, if the commissioner finds that the interests of
the public require immediate action to prevent undue harm to borrowers, the
commissioner may enter an appropriate temporary order to be effective
immediately and until entry of a final order. The temporary emergent order
may include: a temporary suspension of the creditor's authority to make high-

cost home loans under this act; a temporary cease and desist order; a temporary
prohibition against a creditor transacting high-cost home loan business in this
State, or such other order relating to high-cost home loans as the commissioner
may deem necessary to prevent undue harm to borrowers pending completion
of an investigation or formal proceeding. Orders issued pursuant to this section
shall be subject to an application to vacate upon two days' notice, and a
preliminary hearing on the temporary emergent order shall be held, in any
event, within five days after it is issued, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

(6) Impose such other conditions as the department deems appropriate.

e. Any person aggrieved by a decision of the department and who has a direct interest in the decision may appeal the decision of the department to the commissioner. The appeal shall be conducted in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

f. The department may maintain an action for an injunction or other process against any person to restrain and prevent the person from engaging in any activity violating this act.

g. A decision of the commissioner shall be a final order of the department and shall be enforceable in a court of competent jurisdiction. The department shall publish the final adjudication issued in accordance with this section, subject to redaction or modification to preserve confidentiality.

h. The provisions of this section shall not limit the authority of the Attorney General or the Public Advocate as established pursuant to P.L., c. (C.) (now before the Legislature as Assembly Committee Substitute for Assembly Bill Nos. 345 and 2341) from instituting or maintaining any action within the scope of their respective authority with respect to the practices prohibited under this act.

C.46:10B-29 Violations, remedies, liability.

8. a. Any violation of this act constitutes an unlawful practice under P.L.1960, c.39 (C.56:8-1 et seq.). Any borrower may seek damages under the provisions of section 7 of P.L.1971, c.247 (C.56:8-19) or subparagraph (a) of paragraph (1) of subsection b. of this section, but not both.

b. Except as provided in subsection a. of this section and, where applicable, subject to any limitation on the amounts recoverable against a holder or assignee pursuant to section 6 of this act, in addition to the remedies available to a borrower under P.L.1960, c.39 (C.56:8-1 et seq.) and without limiting those remedies:

(1) Any person found by a preponderance of the evidence to have violated this act shall be liable to the borrower for the following:

(a) For material violations, statutory damages equal to the finance charges agreed to in the home loan agreement, plus up to 10% of the amount financed;

(b) Punitive damages, when the violation was malicious or reckless in appropriate circumstances as determined by the fact-finder; and

(c) Costs and reasonable attorneys' fees.

(2) A borrower may be granted injunctive, declaratory, and such other equitable relief as the court deems appropriate in an action to enforce compliance with this act.
(3) The remedies provided in this section are not intended to be the exclusive remedies available to a borrower, nor must the borrower exhaust any administrative remedies provided under this act or any other applicable law before proceeding under this section.

c. A creditor in a home loan who, when acting in good faith, fails to comply with the provisions of this act, will not be deemed to have violated this section if the creditor establishes that either:

(1) Within 45 days of the loan closing, the creditor has made appropriate restitution to the borrower, and appropriate adjustments are made to the loan; or

(2) Within 90 days of the loan closing and prior to receiving any notice from the borrower of the compliance failure, and the compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, the borrower is notified of the compliance failure, appropriate restitution is made to the borrower, and appropriate adjustments are made to the loan.

Examples of bona fide errors include clerical, calculation, computer malfunction and programming, and printing errors. An error of legal judgment with respect to a person's obligations under this section is not a bona fide error.

d. The remedies provided in this section are cumulative.

C.46:10B-30 Rights, remedies, prohibitions declared additional, cumulative.

9. The rights, remedies, and prohibitions accorded by the provisions of this act are hereby declared to be in addition to and cumulative of any other right, remedy, or prohibition accorded by the common law or statutes of the United States or of this State, and nothing herein shall be construed to deny, abrogate, or impair any such common law or statutory right, remedy, or prohibition. Without limiting the foregoing, the rights, remedies and prohibitions accorded by the provisions of this act are hereby further declared to create no presumption that any home loan or any term in a home loan is not unconscionable, whether or not the home loan or loan term, alone or in conjunction with other terms of the loan, violates the provisions of this act.

C.46:10B-31 Law of state of location of property applicable.

10. The law of the state in which the property is located shall be applied to all transactions governed by this act regardless of where those transactions originated. This act shall apply to all loans made or entered into after the effective date of this act.

C.46:10B-32 Program of consumer counseling, awareness.

11. The Director of the Division of Banking in the Department of Banking and Insurance, in consultation with the Director of the Division of Consumer Affairs and the Division of Civil Rights in the Department of Law and Public
Safety, shall develop and implement a program of consumer counseling and awareness designed to inform the public about the methods by which predatory creditors impose unconscionable and noncompetitive fees and charges as part of complex home mortgage transactions, to protect the public from incurring those fees and charges, and otherwise to encourage the informed and responsible use of credit.

C.46:10B-33 Liability of mortgage broker.

12. Notwithstanding any provision of this act to the contrary, a mortgage broker shall be liable under the provisions of this act only for acts performed by the mortgage broker in the course of providing mortgage brokering services. However, a mortgage broker may be held liable for acts performed by the mortgage broker outside the scope of mortgage brokering services if the acts are related to the purchasing or the making of a home loan and are otherwise prohibited under this act.

C.46:10B-34 Preemption of local rules, regulations.

13. No municipality, county or political subdivision thereof, shall enact an ordinance or resolution or promulgate any rules or regulations relating to this act. The provisions of any ordinance or resolution or rules or regulations of any municipality or county relative to abusive home loan lending practices are superseded by the provisions of this act.

C.46:10B-35 Regulations.

14. The Commissioner of Banking and Insurance shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to effectuate the provisions of subsections f. and g. of section 5 and section 11 of this act except that prior to the effective date of this act the commissioner may take those actions and promulgate those regulations necessary to implement these provisions.

15. This act shall take effect on the 210th day following enactment and shall apply to home loans closed on and after that date, except that section 14 shall take effect immediately, and except that a loan in existence on the effective date of this act and which meets the definition of home loan in this act shall be a home loan for the purposes of subsection b. of section 4 of this act.

Approved May 1, 2003.

CHAPTER 65

AN ACT concerning the transport of dredged material and supplementing Title 13 of the Revised Statutes.
CHAPTER 66, LAWS OF 2003

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.13:19-33 Transport, dumping of certain dredged materials in certain ocean sites prohibited.
1. a. The Department of Environmental Protection shall not permit or otherwise authorize the transport in State waters of dredged material for the purpose of placing or dumping of such material into State waters of the Atlantic Ocean at a site designated for remediation if the material is found to exceed an effects level of 113 parts per billion of polychlorinated biphenyls (PCBs) in the tissue of worms tested and analyzed in accordance with the applicable federal procedures, or a level or in accordance with a procedure subsequently determined by the Commissioner of Environmental Protection to be more protective of human health and the environment.

2. This act shall take effect immediately.

CHAPTER 66

AN ACT concerning the qualifications of school bus drivers, amending various parts of the statutory law and supplementing chapter 39 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 12 of P.L.1998, c.31 (C.18A:6-7.1c) is amended to read as follows:

C.18A:6-7.1c Employment of applicant on emergent basis, conditions.

12. A board of education or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending
completion of a criminal history records check and, with respect to a bus driver applicant, a check for the driver's record of alcohol and drug-related motor vehicle violations pursuant to section 6 of P.L. 1989, c. 104 (C.18A:39-19.1), if the board or service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment. The board's or service provider's request to the commissioner shall include: (1) a description of the vacant position that needs to be filled; (2) a statement describing the board's or contract provider's good faith efforts to fill the position on a timely basis or a statement describing the unanticipated need for the applicant's employment; and (3) a sworn statement submitted by the applicant attesting that the applicant has not been convicted or does not have a charge pending for a crime or any other offense enumerated in section 1 of P.L. 1986, c. 116 (C.18A:6-7.1) or a record of alcohol and drug-related motor vehicle violations pursuant to section 6 of P.L. 1989, c. 104 (C.18A:39-19.1).

In the event that the background check is not completed within three months, the board or contracted service provider may petition the commissioner for an extension of time, not to exceed two months, in order to retain the employee.

2. N.J.S. 18A:39-17 is amended to read as follows:

Names, certain information relative to bus drivers to be filed by secretary of board of education.

18A:39-17. In each school year, prior to the assignment of any driver or substitute driver to any vehicle operated by the board of education of any district as a school bus, there shall be filed by the secretary of such board with the county superintendent the name and social security number of each such driver or substitute driver and certification of a valid school bus driver's license, criminal background check, and evidence of a check for the driver's record of alcohol and drug-related motor vehicle violations pursuant to section 6 of P.L. 1989, c. 104 (C.18A:39-19.1).

3. N.J.S. 18A:39-18 is amended to read as follows:

Information relative to bus drivers furnished by contractor.

18A:39-18. In each school year, prior to the beginning of transportation of school pupils under a contract awarded by a board of education, the contractor shall furnish to the county superintendent the name, social security number, and certification of a valid school bus driver's license and criminal background check, and evidence of a check for the driver's record of alcohol and drug-related motor vehicle violations pursuant to section 6 of P.L. 1989, c. 104 (C.18A:39-19.1) of each driver or substitute driver to be assigned to any vehicle in the performance of his contract.
4. Section 6 of P.L.1989, c.104 (C.18A:39-19.1) is amended to read as follows:

C.18A:39-19.1 Bus drivers required to submit certain information to commissioner; notice of pending charges.

6. a. Prior to employment as a school bus driver, and upon application for renewal of a school bus driver's license, a bus driver shall submit to the Commissioner of Education his or her name, address and fingerprints in accordance with procedures established by the commissioner. No criminal history record check or check for alcohol and drug-related motor vehicle violations shall be furnished without his or her written consent to such a check. The applicant shall bear the cost for the checks, including all costs for administering and processing the checks.

Upon receipt of the criminal history record information for an applicant from the Federal Bureau of Investigation and the Division of State Police, and information on the check for alcohol and drug-related motor vehicle violations from the Division of Motor Vehicle Services, the Commissioner of Education shall notify the applicant, in writing, of the applicant's qualification or disqualification as a school bus driver. If the applicant is disqualified, the convictions which constitute the basis for the disqualification shall be identified in the written notice to the applicant. A school bus driver, except as provided in subsection e. of this section, shall be permanently disqualified from employment or service if the individual's criminal history record reveals a record of conviction for which public school employment candidates are disqualified pursuant to section 1 of P.L.1986, c.116 (C.18A:6-7.1) or if the driver has been convicted at least two times within the last 10 years for a violation of R.S.39:4-50, section 2 of P.L.1981, c.512 (C.39:4-50.4a), section 5 of P.L.1990, c.103 (C.39:3-10.13), or section 16 of P.L.1990, c.103 (C.39:3-10.24); or once for a violation of section 5 of P.L.1990, c.103 (C.39:3-10.13) or section 16 of P.L.1990, c.103 (C.39:3-10.24) while transporting school children.

Following qualification for employment as a school bus driver pursuant to this section, the State Bureau of Identification shall immediately forward to the Commissioner of Education any information which the bureau receives on a charge pending against the school bus driver. If the charge is for one of the crimes or offenses enumerated in section 1 of P.L.1986, c.116 (C.18A:6-7.1), the commissioner shall notify the employing board of education or contractor, and the board or contractor shall take appropriate action. If the pending charge results in conviction, the school bus driver shall not be eligible for continued employment.
A school bus driver shall not be eligible to operate a school bus if the individual's bus driver's license is currently revoked or suspended by the Division of Motor Vehicle Services in accordance with R.S.39:3-10.1. Following qualification for employment as a school bus driver, the Division of Motor Vehicle Services shall immediately forward to the Commissioner of Education any information which the division receives on a conviction for an alcohol or drug-related motor vehicle violation that would disqualify the driver from employment pursuant to the provisions of this subsection. The commissioner shall notify the employing board of education or contractor that the driver is no longer eligible for employment.

b. Notwithstanding the provisions of this section, an individual shall not be disqualified from employment or service under this act on the basis of any conviction disclosed by a criminal history record check or a check for alcohol and drug-related motor vehicle violations performed pursuant to this section without an opportunity to challenge the accuracy of the disqualifying records.

c. When charges are pending for a crime or any other offense enumerated in section 1 of P.L.1986, c.116 (C.18A:6-7.1), the employing board of education or contractor shall be notified that the candidate shall not be eligible for employment until the commissioner has made a determination regarding qualification or disqualification upon adjudication of the pending charges.

d. The applicant shall have 30 days from the date of the written notice of disqualification to challenge the accuracy of the criminal history record information or the record of convictions for an alcohol or drug-related motor vehicle violation. If no challenge is filed or if the determination of the accuracy of the criminal history record information or the record of convictions for an alcohol or drug-related motor vehicle violation upholds the disqualification, notification of the applicant's disqualification for employment shall be forwarded to the Division of Motor Vehicle Services. The local board of education or the school bus contractor and the County Superintendent of Schools shall also be notified of the disqualification. Notwithstanding the provisions of any law to the contrary, the Director of the Division of Motor Vehicle Services shall, upon notice of disqualification from the Commissioner of Education, immediately revoke the applicant's special license issued pursuant to R.S.39:3-10.1 without necessity of a further hearing. Candidates' records shall be maintained in accordance with the provisions of section 4 of P.L.1986, c.116 (C.18A:6-7.4).

e. This section shall first apply to criminal history record checks conducted on or after the effective date of P.L.1998, c.31 (C.18A:6-7.1c et al.); except that in the case of a school bus driver employed by a board of education or a contracted service provider who is required to undergo a check upon
application for renewal of a school bus driver's license, the individual shall be disqualified only for the following offenses:

(1) any offense enumerated in this section prior to the effective date of P.L.1998, c.31 (C.18A:6-7.1c et al.); and

(2) any offense enumerated in this section which had not been enumerated in this section prior to the effective date of P.L.1998, c.31 (C.18A:6-7.1c et al.), if the person was convicted of that offense on or after the effective date of that act.

f. (1) Notwithstanding any provision of this section to the contrary, the check for alcohol and drug-related motor vehicle violations shall be conducted in accordance with the provisions of this section prior to initial employment as a school bus driver and upon application for renewal of a school bus driver's license until such time as the provisions of the "Motor Carrier Safety Improvement Act of 1999," Pub. L. 106-159, are effective and implemented by the State.

(2) Notwithstanding any provision of this section to the contrary, upon the implementation by the State of the "Motor Carrier Safety Improvement Act of 1999," Pub. L. 106-159, a check for alcohol and drug-related motor vehicle violations shall be conducted in accordance with the provisions of this section prior to initial employment as a school bus driver. A check for alcohol and drug-related motor vehicle violations conducted for any subsequent renewal of a school bus driver's license shall be subject to the provisions of the "Motor Carrier Safety Improvement Act of 1999," Pub. L. 106-159.

(3) Upon the implementation by the State of the "Motor Carrier Safety Improvement Act of 1999," Pub. L. 106-159, following qualification for employment as a school bus driver, the Division of Motor Vehicle Services shall immediately notify the Commissioner of Education of the suspension or revocation of a school bus driver's commercial driver's license. The commissioner shall notify the employing board of education or contractor of the suspension or revocation, and the employment of the school bus driver shall be immediately terminated. In the case of a school bus driver whose commercial driver's license has been suspended, the driver may apply for re-employment at the end of the period of suspension.

5. N.J.S.18A:39-20 is amended to read as follows:

Compliance required for assigning bus driver; violations; fine.

18A:39-20. No board of education or contractor shall knowingly approve or knowingly assign an individual, as a driver or substitute driver of a school bus, without first complying with the provisions of this chapter, and any person violating, or failing to comply with such provisions shall be subject to a fine of not more than $5,000 for each driver unlawfully approved or assigned.
C.39:3-10.32 Additional penalties.

6. In addition to any other penalty provided by law, a school bus driver who violates section 5 of P.L.1990, c.103 (C.39:3-10.13) or section 16 of P.L.1990, c.103 (C.39:3-10.24) while transporting school children shall be guilty of a disorderly persons offense.

Notwithstanding any other provision of law to the contrary, a conviction under this section shall not merge with a conviction for a violation of R.S.39:4-50, section 2 of P.L.1981, c.512 (C.39:4-50.4a), section 5 of P.L.1990, c.103 (C.39:3-10.13) or section 16 of P.L.1990, c.103 (C.39:3-10.24).

7. This act shall take effect on the first day of the sixth month after enactment; except that the State Board of Education and the Division of Motor Vehicle Services may take such administrative and regulatory action in advance as shall be necessary to implement the provisions of this act.

CHAPTER 67

AN ACT concerning certified animal control officers, amending P.L.1983, c.525 and supplementing chapter 22 of Title 4 of the Revised Statutes and Title 2B of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1983, c.525 (C.4:19-15.16a) is amended to read as follows:

C.4:19-15.16a Rules, regulations concerning training, educational qualifications for animal control officers.

3. a. The Commissioner of Health and Senior Services shall, within 120 days after the effective date of P.L.1983, c.525, and pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations concerning the training and educational qualifications for the certification of animal control officers, including, but not limited to, a course of study approved by the commissioner and the Police Training Commission, in consultation with the New Jersey Certified Animal Control Officers Association, which acquaints a person with:

(1) The law as it affects animal control, animal welfare, and animal cruelty;
(2) Animal behavior and the handling of stray or diseased animals;
(3) Community safety as it relates to animal control; and

(4) The law enforcement methods and techniques required for an animal control officer to properly exercise the authority to investigate and sign complaints and arrest without warrant pursuant to section 8 of P.L. 1997, c. 247 (C. 4: 19-15.16c), including, but not limited to, those methods and techniques which relate to search, seizure and arrest. The training in law enforcement methods and techniques described pursuant to this paragraph shall be part of the course of study for an animal control officer only when required by the governing body of a municipality pursuant to section 4 of P.L. 1983, c. 525 (C. 4: 19-15.16).

Any person 18 years of age or older may satisfy the courses of study established pursuant to this subsection at that person's own time and expense; however, nothing in this section shall be construed as authorizing a person to exercise the powers and duties of an animal control officer absent municipal appointment or authorization pursuant to section 4 of P.L. 1983, c. 525 (C. 4: 19-15.16b).

b. (1) The commissioner shall provide for the issuance of a certificate to a person who possesses, or acquires, the training and education required to qualify as a certified animal control officer pursuant to paragraphs (1) through (3) of subsection a. of this section and to a person who has been employed in the State of New Jersey in the capacity of, and with similar responsibilities to those required of, a certified animal control officer pursuant to the provisions of P.L. 1983, c. 525, for a period of three years before January 17, 1987. The commissioner shall not issue a certificate to any person convicted of, or found civilly liable for, a violation of any provision of chapter 22 of Title 4 of the Revised Statutes.

(2) The commissioner shall revoke the certificate of any person convicted of, or found civilly liable for, a violation of any provision of chapter 22 of Title 4 of the Revised Statutes, and shall place the name of the person on the list established pursuant to subsection c. of this section.

c. (1) The commissioner shall establish a list of all persons issued a certificate pursuant to subsection b. of this section (a) for whom that certificate has been revoked, or (b) who have been convicted of, or found civilly liable for, a violation of any provision of chapter 22 of Title 4 of the Revised Statutes. The commissioner shall provide each municipality in the State with a copy of this list within 30 days after the list is established and not less often than annually thereafter if no revised list required pursuant to paragraph (2) of this subsection has been issued in the interim.

(2) Upon receipt of a notice required pursuant to section 3 or 4 of P.L. 2003, c. 67 (C. 4: 22-57 or C. 2B: 12-17.1) involving a person who has been issued a certificate pursuant to subsection b. of this section, the commissioner shall add to the list the name of the person convicted of, or found civilly liable for,
a violation of any provision of chapter 22 of Title 4 of the Revised Statutes according to the notice, and shall issue a copy of the revised list to each municipality within 30 days after receipt of any such notice.

2. Section 4 of P.L.1983, c.525 (C.4:19-15.16b) is amended to read as follows:

C.4:19-15.16b Appointment of certified animal control officer.

4. The governing body of a municipality shall, within three years of the effective date of P.L.1983, c.525, appoint a certified animal control officer who shall be responsible for animal control within the jurisdiction of the municipality and who shall enforce and abide by the provisions of section 16 of P.L.1941, c.151 (C.4:19-15.16). The governing body shall not appoint a certified animal control officer, shall not contract for animal control services with any company that employs a certified animal control officer, and shall revoke the appointment of a certified animal control officer, who has been convicted of, or found civilly liable for, a violation of any provision of chapter 22 of Title 4 of the Revised Statutes or whose name is on the list or any revision thereto established and provided by the Commissioner of Health and Senior Services pursuant to subsection c. of section 3 of P.L.1983, c.525 (C.4:19-15.16a). The governing body shall, within 30 days after receipt thereof, review any such list or revision thereto received by the municipality and shall, within that 30-day period, take action accordingly as required pursuant to this section.

The governing body may authorize the certified animal control officer to investigate and sign complaints, arrest violators and otherwise act as an officer for detection, apprehension and arrest of offenders against the animal control, animal welfare and animal cruelty laws of the State and ordinances of the municipality, if the officer has completed the training required pursuant to paragraph 4 of subsection a. of section 3 of P.L.1983, c.525 (C.4:19-15.16a). Only certified animal control officers who have completed the training may be authorized by the governing body to so act as an officer for detection, apprehension and arrest of offenders; however, officers who have completed the training shall not have the authority to so act unless authorized by the governing body which is employing the officer or contracting for the officer's services.

C.4:22-57 Notice to commissioner of persons ineligible to be certified animal control officers.

3. a. For the purposes of establishing the list of persons not eligible to be certified animal control officers as required pursuant to subsections b. and c. of section 3 of P.L.1983, c.525 (C.4:19-15.16a), notice shall be provided, within 90 days after the effective date of this section, to the Commissioner of Health and Senior Services of any person who has been convicted of, or found civilly liable for, a violation of any provision of chapter 22 of Title 4
of the Revised Statutes, by any court or other official administrative entity maintaining records of such violations adjudged on or before the effective date of this section.

b. For the purposes of maintaining the list of persons not eligible to be certified animal control officers as established pursuant to subsections b. and c. of section 3 of P.L.1983, c.525 (C.4:19-15.16a), the court or other official adjudging the guilt or liability for a violation of any provision of chapter 22 of Title 4 of the Revised Statutes, shall charge the prosecutor, officer of the New Jersey Society for the Prevention of Cruelty to Animals or the district (county) society for the prevention of cruelty to animals, or other appropriate person, other than a certified animal control officer, with the responsibility to notify within 30 days the commissioner, in writing, of the full name of the person found guilty of, or liable for, an applicable violation, and the violation for which or of which that person was found guilty or liable, and the person charged with the responsibility shall provide such notice.

C.2B:12-17.1 Responsibility for notification.

4. As required pursuant to section 3 of P.L.2003, c.67 (C.4:22-57), a municipal court adjudging guilt or liability for a violation of any provision of chapter 22 of Title 4 of the Revised Statutes, shall charge the prosecutor, officer of the New Jersey Society for the Prevention of Cruelty to Animals or the district (county) society for the prevention of cruelty to animals, or other appropriate person, other than a certified animal control officer, with the responsibility to notify within 30 days the Commissioner of Health and Senior Services, in writing, of the full name of the person found guilty of, or liable for, an applicable violation, and the violation for which or of which that person was found guilty or liable, and the person charged with the responsibility shall provide such notice.

5. Sections 1, 3 and 4 of this act shall take effect immediately, and section 2 shall take effect 180 days after the date of enactment.

CHAPTER 68

AN ACT concerning the core curriculum content standards and supplementing chapter 7F of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.18A:7F-4.1 Findings, declarations relative to core curriculum content standards and cross-content workplace readiness standards.

1. The Legislature finds and declares that:
   a. the five cross-content workplace readiness standards, which are a part of the core curriculum content standards, apply to all areas of instruction and are concepts which are designed to be integrated by teachers into all programs in content-specific and grade-appropriate ways;
   b. one of the cross-content workplace readiness standards is the requirement that all students use technology;
   c. with the growing importance of technology to our society, it is vital that students receive an education that emphasizes technological literacy;
   d. rather than being one component of the cross-content workplace readiness standards, technology, given its importance in our knowledge-based economy, should rightfully be one of the core fields of study in school, along with mathematics, science, social studies, world languages, visual and performing arts, comprehensive health and physical education and language arts/literacy that currently comprise the core curriculum content areas.

C.18A:7F-4.2 Adoption of core curriculum content standards for technology.

2. a. Within one year of the effective date of this act, the State Board of Education shall adopt core curriculum content standards in the area of technology.
   b. The State board shall convene a committee comprised of educators, business persons, information technology professionals, parents and Department of Education personnel to develop a set of core curriculum content standards in the area of technology. In developing the standards the committee shall review the Standards for Technological Literacy set forth by the International Technology Education Association, other states' standards and any other information deemed relevant by the committee. The committee shall engage experts to review the standards it develops.
   c. Prior to adopting the core curriculum content standards in the area of technology, the State board shall conduct at least one public hearing in the northern part of the State, at least one public hearing in the central part of the State, and at least one public hearing in the southern part of the State for the purpose of permitting the public to comment on the rigor, clarity and reasonableness of the standards developed by the committee.

3. This act shall take effect immediately.

CHAPTER 69, LAWS OF 2003

CHAPTER 69

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:39-3 is amended to read as follows:

Pupil transportation contracts.

18A:39-3. a. No contract for the transportation of pupils to and from school shall be made, when the amount to be paid during the school year for such transportation shall exceed $7,500.00 or the amount determined pursuant to subsection b. of this section, and have the approval of the county superintendent of schools, unless the board of education making such contract shall have first publicly advertised for bids therefor in a newspaper published in the district or, if no newspaper is published therein, in a newspaper circulating in the district, once, at least 10 days prior to the date fixed for receiving proposals for such transportation, and shall have awarded the contract to the lowest responsible bidder.

Nothing in this chapter shall require the advertisement and letting on proposals or bids of annual extensions, approved by the county superintendent, of any contract for transportation entered into through competitive bidding when--

(1) Such annual extensions impose no additional cost upon the board of education, regardless of the fact that the route description has changed; or

(2) The increase in the contractual amount as a result of such extensions does not exceed the rise in the Consumer Price Index as defined in section 3 of P.L.1996, c.138 (C.18A:7F-3) for that school year, regardless of the fact that the route description has changed or an aide has been added or removed; or

(3) (Deleted by amendment, P.L.1982, c.74.)

(4) The increase in the contractual amount as a result of an extension exceeds the rise in the Consumer Price Index as defined in section 3 of P.L.1996, c.138 (C.18A:7F-3) for that school year, but the following apply to the extensions:

(a) The increase is directly attributable to a route change to accommodate new student riders or safety concerns as provided for in the original bid, or the increase is directly attributable to the addition of an aide as provided for in the original bid; and
(b) The school destination remains unchanged from the original contract. Any such extension as described in this paragraph shall require the approval of the county superintendent of schools.

Nothing in this chapter shall require the immediate bid of any contract renewal for the remainder of a school year in which the only change, in addition to route description, is the bus type. However, any such extension shall be approved by the county superintendent of schools and shall be bid for the next school year.

b. The Governor, in consultation with the Department of the Treasury, shall, no later than March 1 of each odd-numbered year, adjust the threshold amount set forth in subsection a. of this section, or subsequent to 1985 the threshold amount resulting from any adjustment under this subsection or section 17 of P.L. 1985, c. 469, in direct proportion to the rise or fall of the Consumer Price Index for all urban consumers in the New York City and the Philadelphia areas as reported by the United States Department of Labor. The Governor shall, no later than June 1 of each odd-numbered year, notify all local school districts of the adjustment. The adjustment shall become effective on July 1 of each odd-numbered year.

2. This act shall take effect immediately.

CHAPTER 70

AN ACT to validate certain proceedings of school districts and any bonds or other obligations issued or to be issued pursuant to those proceedings.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. All proceedings heretofore had or taken by any school district or at any school election for the authorization or issuance of bonds of the school district and any bonds or other obligations of the school district issued or to be issued in pursuance of any proposal adopted by the legal voters at such meeting or election, are hereby ratified, validated and confirmed, notwithstanding that the proposal was not in the form required pursuant to N.J.S.18A:24-24 and a supplemental debt statement was not filed in accordance with N.J.S.18A:24-17; provided that no action, suit, or other proceeding of any nature to contest the validity of the proceedings has heretofore been instituted prior to the date upon which this act shall take effect and within the time fixed...
therefor by or pursuant to law or rule of court, or when such time has not
heretofore expired, if instituted within 15 days after the effective date of this
act.

2. This act shall take effect immediately.

AN ACT concerning handicapped accessibility of public buildings and
multi-family dwellings and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New
Jersey:

1. Section 11 of P.L.1992, c.146 (C.10:5-12.4) is amended to read as

of 1988," Pub. L.100-430. Whenever the Attorney General receives a complaint
alleging an unlawful discrimination pursuant to this section, the Attorney
General shall refer the complaint to the Commissioner of Community Affairs
for a determination and report as to whether there is a violation of such
standards. Following receipt of the report, a complaint alleging an unlawful
discrimination pursuant to this section shall be investigated and prosecuted
in accordance with the provisions of the "Law Against Discrimination,"
P.L.1945, c.169 (C.10:5-1 et seq.). Nothing in this section shall be construed
to limit any enforcement authority of the Commissioner of Community Affairs
or the Attorney General otherwise provided by law. Nothing in the "State
and P.L.1971, c.269 (C.52:32-4 et seq.) shall be deemed to limit the powers
of the Attorney General under this act. The Attorney General and the
Commissioner of Community Affairs shall adopt regulations to effectuate
the purposes of this section.

2. Section 5 of P.L.1975, c.217 (C.52:27D-123) is amended to read as
follows:
C.52:27D-123 State Uniform Construction Code; adoption.

5. a. The commissioner shall after public hearing pursuant to section 4 of the "Administrative Procedure Act," P.L. 1968, c. 410 (C.52:14B-4) adopt a State Uniform Construction Code for the purpose of regulating the structural design, construction, maintenance and use of buildings or structures to be erected and alteration, renovation, rehabilitation, repair, maintenance, removal or demolition of buildings or structures already erected. Prior to the adoption of said code, the commissioner shall consult with the code advisory board and other departments, divisions, bureaus, boards, councils or other agencies of State Government heretofore authorized to establish or administer construction regulations.

Such prior consultations with departments, divisions, bureaus, boards, councils, or other agencies of State Government shall include but not be limited to consultation with the Commissioner of Health and Senior Services and the Public Health Council prior to adoption of a plumbing subcode pursuant to paragraph b. of this section. Said code shall include any code, rule or regulation incorporated therein by reference.

b. The code shall be divided into subcodes which may be adopted individually by the commissioner as he may from time to time consider appropriate. These subcodes shall include but not be limited to a building code, a plumbing code, an electrical code, an energy code, a fire prevention code, a manufactured or mobile home code and mechanical code.

These subcodes shall be adoptions of the model codes of the Building Officials and Code Administrators International, Inc., the National Electrical Code, and the National Standard Plumbing Code, provided that for good reasons, the commissioner may adopt as a subcode a model code or standard of some other nationally recognized organization upon a finding that such model code or standard promotes the purposes of this act. The initial adoption of a model code or standard as a subcode shall constitute adoption of subsequent edition year publications of the model code or standard organization, except as provided for in paragraphs (1) through (4) of this subsection. Adoption of publications shall not occur more frequently than once every three years; provided, however, that a revision or amendment may be adopted at any time in the event that the commissioner finds that there exists an imminent peril to the public health, safety or welfare.

(1) Except as otherwise provided in this subsection, the edition of a model code or standard in effect as a subcode as of July 1, 1995 shall continue in effect regardless of any publication of a subsequent edition of that model code or standard. Prior to establishing the effective date for any subsequent revision or amendment of any model code or standard adopted as a subcode, the commissioner shall review, in consultation with the code advisory board, the
text of the revised or amended model code or standard and determine whether
the amended or revised provisions of the model code are essential to carry
out the intent and purpose of this act as viewed in contrast to the corresponding
provisions of the subcode then currently in effect.

(2) In the event that the commissioner, pursuant to paragraph (1) of this
subsection, determines that any amended or revised provision of a model code
is essential to carry out the intent and purpose of this act as viewed in contrast
to any corresponding provision of the subcode then currently in effect, the
commissioner may then adopt that provision of the amended or revised model
code.

(3) The commissioner, in consultation with the code advisory board, shall
have the authority to review any model code or standard currently in effect
as a subcode of the State Uniform Construction Code and compare it with
previously adopted editions of the same model code or standard in order to
determine if the subcode currently in effect is at least as consistent with the
intent and purpose of this act as were previously adopted editions of the same
model code or standard.

(4) In the event that the commissioner, after consultation with the code
advisory board, determines pursuant to this subsection that a provision of a
model code or standard currently in effect as a subcode of the State Uniform
Construction Code is less consistent with the intent and purpose of this act
than was the corresponding provision of a previously adopted edition of the
same model code or standard, the commissioner may delete the provision
in effect and substitute in its place the corresponding provision of the previously
adopted edition of the same model code or standard determined to be more
consistent with the intent and purpose of this act.

(5) The commissioner shall be authorized to adopt a barrier free subcode
or to supplement or revise any model code adopted hereunder, for the purpose
of insuring that adequate and sufficient features are available in buildings
or structures so as to make them accessible to and usable by the physically
handicapped. Multi-family residential buildings with four or more dwelling
units in a single structure shall be constructed in accordance with the barrier
free subcode; for the purposes of this subsection the term "multi-family
residential buildings with four or more dwelling units in a single structure"
shall not include buildings constructed as townhouses, which are single dwelling
units with two or more stories of living space, exclusive of basement or attic,
with most or all of the sleeping areas on one story and with most of the
remaining habitable space, such as kitchen, living and dining areas, on another
story, and with an independent entrance at or near grade level.

c. Any municipality through its construction official, and any State agency
or political subdivision of the State may submit an application recommending
to the commissioner that a State sponsored code change proposal be adopted.
Such application shall contain such technical justification and shall be submitted in accordance with such rules of procedure as the commissioner may deem appropriate, except that whenever the State Board of Education shall determine that enhancements to the code are essential to the maintenance of a thorough and efficient system of education, the enhancements shall be made part of the code; provided that the amendments do not result in standards that fall below the adopted subcodes. The Commissioner of the Department of Education shall consult with the Commissioner of the Department of Community Affairs prior to publishing the intent of the State Board to adopt any amendments to the Uniform Construction Code. Upon adoption of any amendments by the State Board of Education they shall be transmitted forthwith to the Commissioner of the Department of Community Affairs who shall publish and incorporate the amendments as part of the Uniform Construction Code and the amendments shall be enforceable as if they had been adopted by the commissioner.

At least 45 days prior to the final date for the submission of amendments or code change proposals to the National Model Code Adoption Agency, the code of which has been adopted as a subcode under this act, the commissioner shall hold a public hearing in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), at which testimony on any application recommending a State sponsored code change proposal will be heard.

The commissioner shall maintain a file of such applications, which shall be made available to the public upon request and upon payment of a fee to cover the cost of copying and mailing.

After public hearing, the code advisory board shall review any such applications and testimony and shall within 20 days of such hearing present its own recommendations to the commissioner.

The commissioner may adopt, reject or return such recommendations to the code advisory board for further deliberation. If adopted, any such proposal shall be presented to the subsequent meeting of the National Model Code Agency by the commissioner or by persons designated by the commissioner as a State sponsored code change proposal. Nothing herein, however, shall limit the right of any municipality, the department, or any other person from presenting amendments to the National Model Code Agency on its own initiative.

The commissioner may adopt further rules and regulations pursuant to this subsection and may modify the procedures herein described when a model code change hearing has been scheduled so as not to permit adequate time to meet such procedures.

d. (Deleted by amendment, P.L.1983, c.496.)
3. Section 2 of P.L.1971, c.269 (C.52:32-5) is amended to read as follows:

C.52:32-5 Regulations relative to access for physically handicapped.

2. The Department of Community Affairs shall promulgate regulations which shall prescribe the kinds, types and quality of facilities in public buildings as defined in section 3 of P.L.1975, c.220 (C.52:32-6) required to provide access for the physically handicapped. The regulations shall differentiate between small public buildings, defined as those with a total gross enclosed floor area of less than 10,000 square feet, and large public buildings defined as those with a total gross enclosed floor area of 10,000 square feet or more. Small public buildings shall be required to have accessible entrances servicing the first or ground floor areas and facilities for the physically handicapped on all accessible floors, however, the provisions for small public buildings shall not apply to the conversion of a small public building to another use or to renovations or modifications of a small public building if there is insufficient space between the building and its lot lines or between the building and the public way to allow for the installation of an entrance ramp which meets the criteria of the "State Uniform Construction Code" adopted pursuant to the "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-119 et seq.). Large public buildings shall be required to have accessible entrances, facilities for the physically handicapped on all accessible floors, and elevators or other means of access for the physically handicapped between floors, except floors which contain only mechanical equipment or floors which contain less than 3,000 square feet of total floor area.

4. Section 3 of P.L.1975, c.220 (C.52:32-6) is amended to read as follows:

b. "Physical handicap" means a physical impairment which confines a person to a wheelchair; causes a person to walk with difficulty or insecurity; affects the sight or hearing to the extent that a person functioning in public areas is insecure or exposed to danger; causes faulty coordination; or reduces mobility, flexibility, coordination and perceptiveness to the extent that facilities are needed to provide for the safety of that person.

c. "Remodel" means, with respect to an existing public building as defined in this act, to construct an addition, alter the design or layout of said public building so that a change or modification of the entrance facilities, toilet facilities, or vertical access facilities is achieved, or make substantial repairs or alterations.

CHAPTER 73

AN ACT concerning permits to purchase handguns and firearms purchaser identification cards in certain cases and amending N.J.S.2C:58-3.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. N.J.S.2C:58-3 is amended to read as follows:

Purchase of firearms.

a. Permit to purchase a handgun. No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer’s registration number. The said certification shall be retained by the seller, as provided in section 2C:58-2a., or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of a crime, whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies
CHAPTER 73, LAWS OF 2003 323

any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years for a firearms purchaser identification card and to any person under the age of 21 years for a permit to purchase a handgun;

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare;

(6) To any person who is subject to a court order issued pursuant to section 13 of P.L.1991, c.261 (C.2C:25-29) prohibiting the person from possessing any firearm; or

(7) To any person who as a juvenile was adjudicated delinquent for an offense which, if committed by an adult, would constitute a crime and the offense involved the unlawful use or possession of a weapon, explosive or destructive device or is enumerated in subsection d. of section 2 of P.L.1997, c.117 (C:2C:43-7.2).

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on
a temporary, interim or permanent basis, giving the name and location of the 
institution or hospital and the dates of such confinement or commitment, 
whether he has been attended, treated or observed by any doctor or psychiatrist 
or at any hospital or mental institution on an inpatient or outpatient basis for 
any mental or psychiatric condition, giving the name and location of the doctor, 
psychiatrist, hospital or institution and the dates of such occurrence, whether he 
presently or ever has been a member of any organization which advocates 
or approves the commission of acts of force and violence to overthrow the 
Government of the United States or of this State, or which seeks to deny others 
their rights under the Constitution of either the United States or the State of 
New Jersey, whether he has ever been convicted of a crime or disorderly persons 
offense, whether the person is subject to a court order issued pursuant to section 
13 of P.L. 1991, c.261 (C.2C:25-29) prohibiting the person from possessing 
any firearm, and such other information as the superintendent shall deem 
necessary for the proper enforcement of this chapter. For the purpose of 
complying with this subsection, the applicant shall waive any statutory or 
other right of confidentiality relating to institutional confinement. The 
application shall be signed by the applicant and shall contain as references 
the names and addresses of two reputable citizens personally acquainted with 
him. Application blanks shall be obtainable from the superintendent, from 
any other officer authorized to grant such permit or identification card, and 
from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints 
of the applicant and shall have them compared with any and all records of 
fingerprints in the municipality and county in which the applicant resides and 
also the records of the State Bureau of Identification and the Federal Bureau 
of Investigation, provided that an applicant for a handgun purchase permit 
who possesses a valid firearms purchaser identification card, or who has 
previously obtained a handgun purchase permit from the same licensing 
authority for which he was previously fingerprinted, and who provides other 
reasonably satisfactory proof of his identity, need not be fingerprinted again; 
however, the chief police officer or the superintendent shall proceed to 
investigate the application to determine whether or not the applicant has become 
subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. 
The application for the permit to purchase a handgun together with a fee of 
$2.00, or the application for the firearms purchaser identification card together 
with a fee of $5.00, shall be delivered or forwarded to the licensing authority 
who shall investigate the same and, unless good cause for the denial thereof 
appears, shall grant the permit or the identification card, or both, if application 
has been made therefor, within 30 days from the date of receipt of the application 
for residents of this State and within 45 days for nonresident applicants. A
permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under section 2C:39-10a. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit, but a person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall
CHAPTER 74, LAWS OF 2003

not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

1. Nothing in this section and in N.J.S.2C:58-2 shall apply to the sale or purchase of a visual distress signalling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signalling device.

2. This act shall take effect immediately.

Approved May 6, 2003.

CHAPTER 75

AN ACT concerning death benefits in the alternate benefit program and amending P.L.1969, c.242.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 10 of P.L.1969, c.242 (C.18A:66-176) is amended to read as follows:

C.18A:66-176 Group life insurance and disability benefits; noncontributory; coverage.

10. As of July 1, 1969 the group contract providing life insurance and disability benefits for all participants in the alternate benefit program of each public institution of higher education in the State shall be on a non-contributory basis and shall be in lieu of any non-contributory and contributory benefits provided pursuant to sections 18A:64C-11.1 to 18A:64C-11.9 (inclusive) and article 16 of chapter 65 of Title 18A of the New Jersey Statutes, chapters 278 and 281 of the laws of 1967, and chapter 181 of the laws of 1968. In accordance with the provisions of this act such group contract or contracts
providing life insurance shall be in an amount equal to 3 1/2 times the base annual salary of the participant in the alternate benefit program; provided, however, that if death shall occur after retirement, the amount payable shall equal 1/2 of the participant's base annual salary.

For purposes of this section a participant shall be deemed to be in service and covered by the group life insurance for a period of no more than 93 days while on official leave of absence without pay when such leave is due to any reason other than illness, except for a leave up to one year to fulfill a residency requirement for an advanced degree, for a period of no more than one year in the event of an official leave due to maternity and for a period of no more than two years if satisfactory evidence is presented to the Division of Pensions and Benefits that such official leave of absence without pay is due to illness. A participant shall be deemed to be on an official leave of absence only if the leave is formally approved by his employer prior to the time the leave commenced and timely notice is filed by the employer with the Division of Pensions and Benefits; the lack of such timely notice shall place the responsibility for the payment of any benefits pursuant to this section directly upon the employer if the participant was otherwise eligible for such benefits.

In the event of the death of a participant in active service in the first year of participation as a result of an accident met in the actual performance of duty at some definite time and place, the death benefit payable pursuant to this section shall be computed at the annual rate of base salary.

No beneficiary of a retired member shall be entitled to receive the death benefits payable in the event of death after retirement pursuant to this section unless such member (a) had at least 10 years of credited New Jersey participation in an alternate benefit program established pursuant to this act and (b) had attained 60 years of age and was an actively employed participant in such a program in the year immediately preceding his initial receipt of a retirement annuity.

2. Section 17 of P.L.1969, c.242 (C.18A:66-183) is amended to read as follows:

C.18A:66-183 Designation of beneficiary; form; payment.

17. The designation of beneficiary by a participant or retirant shall be made in writing on a form satisfactory to the Division of Pensions and Benefits and filed with the division. The participant or retirant may, from time to time and without the consent of his designee, change the beneficiary by filing a written notice of the change on a satisfactory form. The new nomination will be effective on the date the notice, in proper form, is received and any prior nomination shall thereupon become void.
If more than one beneficiary is nominated and in such nomination the participant or retirant has failed to specify their respective interests, the beneficiaries shall share equally. If any beneficiary predeceases the participant or retirant, the interest of such beneficiary shall terminate and shall be shared equally by such of the beneficiaries as survive the participant or retirant, unless the participant or retirant has made written request to the contrary in his beneficiary nomination.

Any amounts due for which there is no beneficiary at the death of a participant, retirant or beneficiary shall be payable to the estate of such participant, retirant or beneficiary.

Except with regard to the payment of the group life insurance death benefit upon the death of a retirant, a participant may elect, by making written request, that the whole or any part of his group life death benefits be made payable to his beneficiary either as a life annuity or in equal installments over a period of years specified in such election, and may alter such election from time to time during his lifetime by again making such written request. In the event of a change of beneficiary, any previous arrangement by the participant or retirant under this paragraph shall be void. The election set forth in this paragraph shall not apply or be available when the beneficiary is an estate, or a corporation, partnership, association, institution, trustee, or any fiduciary.

If, at the participant's death, an amount of group life death benefit would be payable to the beneficiary in a single sum, any election with regard to such amount which was available to the participant immediately prior to his death in accordance with the preceding paragraph shall then be available to such beneficiary for the benefit of such beneficiary.

With respect to any death benefits payable on the basis of the individual retirement annuity contract or contracts, all settlement options will be made available to the participant, retirant or beneficiary as are allowed by the insurer or insurers.

The provisions of this section shall be construed separately with respect to each of the death benefits for which a beneficiary is designated by the participant or retirant.

3. This act shall take effect immediately.

CHAPTER 76

AN ACT prohibiting unsolicited telemarketing sales calls to certain customers, and supplementing P.L.1960, c.39 (C.56:8-1 et seq.).
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.56:8-119 Findings, declarations relative to telemarketing calls.

1. a. The Legislature finds and declares that telemarketing calls:
   (1) Have interrupted the public's privacy, family life and home sanctity with unsolicited phone calls to sell products and services;
   (2) Cannot be selectively ignored by recipients, since the calls are commonly made by means which do not enable the recipient to use caller I.D. to identify, in advance, a telemarketing call or an emergency;
   (3) May arrive at inconvenient times when a resident or family member is retired for the night;
   (4) May arrive when a resident or family member is having a meal and the interruption disrupts valuable time when family members are together, where family members are more remote from a telephone and when food may, during the interruption, cool, melt, thicken, dry, or undergo a change in palatability;
   (5) May arrive at inconvenient times when a resident or family member is engaged in entertainment, a compelling activity or relaxation;
   (6) Use a strategy called "predictive calling" which results in tens of thousands of call recipients rushing to answer phone calls, to find no one is on the line. This results in great aggravation and inconvenience to the public, merely to spare telemarketers (who won't identify themselves as the source of the aggravation) the inconvenience of finding no one home;
   (7) Have been made to wireless phone lines resulting in cost to the recipient, and in some cases, endangering the recipient's safety when they may have been driving;
   (8) Have been increasing in number, causing increased inconvenience, widespread public outrage and urgent appeals to protect the public from such calls;
   (9) Are not the only means for marketers to promote their product or services to prospective customers, although marketers often claim it to be more economical and more productive than other means to provide the benefits of increased competition. Marketers have available mail, email, face to face personal solicitation and various forms of advertising;
   (10) Are in some cases beyond the regulatory jurisdiction of this Legislature and any New Jersey statute, because they are forms of speech protected by State and federal constitutional case law.

b. The Legislature further declares it to be the policy of this State to provide the broadest possible protection to protect public privacy and the sanctity of homes and to protect families and individuals from unsolicited interruptions.
c. It is not the intent of the State to restrict telemarketing activity where such activity is protected by State and federal case law, where such restriction is prohibited by State and federal constitutional case law or to restrict purely charitable activities.

A refusal or revocation shall not be made except upon reasonable notice to, and opportunity to be heard by, the applicant or registrant.

b. The director, in lieu of revoking a registration, may suspend the registration for a reasonable period of time, or assess a penalty in lieu of suspension, or both, and may issue a new registration, notwithstanding the revocation of a prior registration, if the applicant is found to have become entitled to the new registration.

the bond may maintain an action at law against the surety or director, as the case may be. The aggregate liability of the surety or director to all persons for all breaches of the conditions of the bond held by the director shall not exceed the amount of the bond held by the director.

b. The director may also establish that any person required to be registered pursuant to this act file a copy of the bond with the director and a certificate by the surety that the surety will notify the director at least 10 days in advance of the date of any cancellation or material change in the bond.

C.56:8-130 Prohibited practices; "commercial mobile service", "commercial mobile service device" defined.

12. a. No telemarketer shall make or cause to be made any telemarketing sales call to a commercial mobile service device of any customer, except that a telemarketer that is a commercial mobile services company may call its customer using its commercial mobile services if its customer will not incur telecommunication charges or a usage allocation deduction as a result of such call and the call is directly related to the commercial mobile services of the commercial mobile services company, unless the customer has stated to the commercial mobile services company that the customer no longer desires to receive these calls.

b. For purposes of this section, "commercial mobile service" means a type of mobile telecommunications service as defined in subsection (d) of section 332 of the Communications Act of 1934 (47 U.S.C. s.332(d)); and "commercial mobile service device" means any equipment used for the purpose of providing commercial mobile service.

c. Such procedures may include, but not be limited to, establishing a means of matching the no call list with the names and numbers of persons with current listings supplied by the local exchange telephone companies, or establishing a requirement for re-enrollment to the list from time to time.

1. R.S.40:73-1 is amended to read as follows:

CHAPTER 79

AN ACT abolishing the New Jersey Highway Authority, transferring its projects and functions to the New Jersey Turnpike Authority, altering or increasing certain powers of the New Jersey Turnpike Authority, supplementing and amending the body and title of P.L.1948, c.454 (C.27:23-1 et seq.) and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.27:23-41 Findings, declarations relative to transfer of functions of New Jersey Highway Authority to New Jersey Turnpike Authority.

1. The Legislature finds and declares:
   a. Increasing traffic and related congestion are impairing the quality of life and economy of the State. In order to deal with the problems of increasing traffic and congestion, it is necessary to provide for a more coordinated and rational organization of the State's two major toll roads by abolishing the New Jersey Highway Authority and providing for the acquisition by the New Jersey
Turnpike Authority of the Garden State Parkway and all other projects of the New Jersey Highway Authority.

b. The abolition of the New Jersey Highway Authority and the transfer of its functions to the New Jersey Turnpike Authority will permit improved transportation planning, facilitate more efficient operations, improve the capital budget process and achieve administrative economies.

c. Joining the two highways under one umbrella will maintain the historic integrity and separate identities of each roadway while bringing to each economies of scale and financial savings in operations, purchasing, maintenance and administration. These economies and the ability to pool capital resources will create a safer, less congested, better maintained and improved road network. Doing so is vital to fostering a strong State economy and achieving the high quality of life we derive from it.

d. The abolishment and transfer will also permit implementation of effective remedies to address the financial, operational and administrative problems that have hitherto plagued the E-ZPass system. This enactment will stem the brewing E-ZPass crisis threatening the very success of the E-ZPass system now enjoyed by nearly 60% of the drivers on the two roadways for its convenience and easing of congestion by permitting a repayment of over $300 million in E-ZPass debt and cost overruns without a toll increase.

2. Section 1 of P.L.1948, c.454 (C.27:23-1) is amended to read as follows:

C.27:23-1 Transportation projects.

1. Transportation projects. In order to facilitate vehicular traffic and remove the present handicaps and hazards on the congested highways in the State, and to provide for the acquisition and construction of modern express highways embodying every known safety device including center divisions, ample shoulder widths, long sight distances, multiple lanes in each direction and grade separations at all intersections with other highways and railroads, and for the purposes enumerated in section 1 of P.L.2003, c.79 (C.27:23-41), the New Jersey Turnpike Authority is hereby authorized and empowered to acquire, construct, maintain, improve, manage, repair and operate transportation projects (as hereinafter defined) or any part thereof at such locations as shall be established by the authority in its discretion or by law, and to issue transportation revenue bonds of the Authority, payable from tolls, other revenues, proceeds of bonds and other available sources to finance such projects.

C.27:23-42 Powers, rights, duties conferred as of transfer date.

3. a. Until the Transfer Date, the New Jersey Turnpike Authority (hereinafter the "authority") shall not exercise any powers, rights or duties conferred by this act or by any other law in any way which will interfere with the powers, rights and duties of the New Jersey Highway Authority (hereinafter
the "Highway Authority"). The authority shall not before the Transfer Date exercise any powers of the Highway Authority. The authority and the Highway Authority are directed to cooperate with each other so that the Transfer Date shall occur as soon as practicable after the date of enactment of this act, and both authorities shall make available information concerning their property and assets, outstanding bonds and other debts, obligations, liabilities and contracts, operations and finances as the authority may require to provide for the retirement of any outstanding bonds, notes or other obligations of either authority and the efficient exercise by the authority of all powers, rights and duties conferred upon it by this act.

b. On the Transfer Date: (1) The authority shall assume all of the powers, rights, assets and duties of the Highway Authority to the extent provided by this act, and such powers shall then and thereafter be vested in and shall be exercised by the authority.

(2) The terms of office of the members of the Highway Authority shall terminate, the officers having custody of the funds of the Highway Authority shall deliver those funds into the custody of the chief financial officer of the authority, the property and assets of the Highway Authority shall, without further act or deed, become the property and assets of the authority, and the Highway Authority shall cease to exist.

(3) The officers and employees of the Highway Authority are transferred to the authority and shall become employees of the authority until determined otherwise by the authority.

Nothing in this act shall be construed to deprive any officers or employees of the Highway Authority of their rights, privileges, obligations or status with respect to any pension or retirement system. The employees shall retain all of their rights and benefits under existing collective negotiation agreements or contracts until such time as new or revised agreements or contracts are agreed to. All existing employee representatives shall be retained to act on behalf of those employees until such time as the employees shall, pursuant to law, elect to change those representatives. Nothing in this act shall affect the civil service status, if any, of those officers or employees.

(4) All debts, liabilities, obligations and contracts of the Highway Authority, except to the extent specifically provided or established to the contrary in this act, are imposed upon the authority, and all creditors of the Highway Authority and persons having claims against or contracts with the Highway Authority of any kind or character may enforce those debts, claims and contracts against the authority as successor to the Highway Authority in the same manner as they might have had against the Highway Authority, and the rights and remedies of those holders, creditors and persons having claims against or contracts with the Highway Authority shall not be limited or restricted in any manner by this act.
(5) In continuing the functions, contracts, obligations and duties of the Highway Authority, the authority is authorized to act in its own name or in the name of the Highway Authority as may be convenient or advisable under the circumstances from time to time.

(6) Any references to the Highway Authority in any other law or regulation shall be deemed to refer and apply to the authority.

(7) All rules and regulations of the Highway Authority shall continue in effect as the rules and regulations of the authority until amended, supplemented or rescinded by the authority in accordance with law. Notwithstanding any requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the authority may adopt regulations, after notice and an opportunity for public comment, amending, supplementing, modifying or repealing the regulations of both authorities or either of them. Such regulations shall be effective immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months from the Transfer Date and they may, thereafter, be amended, adopted or readopted in accordance with the "Administrative Procedure Act." Regulations of the Highway Authority inconsistent with the provisions of this act or of regulations of the authority shall be deemed void if so judged by the authority acting pursuant to the provisions of this paragraph.

(8) All operations of the Highway Authority shall continue as operations of the authority until altered by the authority as may be permitted pursuant to this act.

(9) The powers vested in the authority by this act shall be construed as being in addition to and not in diminution of the powers heretofore vested by law in the Highway Authority to the extent not otherwise altered or provided for in this act.

c. As soon as practicable after the Transfer Date, the authority shall notify the Governor and the presiding officers of each house of the Legislature that the transfer has occurred, the date of the transfer and any other information concerning the transfer the authority deems appropriate.

d. On and after the Transfer Date, no officer or employee of the authority shall be granted permanent tenure at the authority.

C.27:23-43 Authorization relative to existing projects, facilities of the Highway Authority.

4. The authority, pursuant to the provisions of this act, is hereby authorized to construct, maintain, improve, manage, repair and operate a project known as the "Garden State Parkway," authorized pursuant to section 20 of P.L.1952, c.16 (C.27:12B-20), repealed by this act, and any other existing project or facility of the Highway Authority.
5. Section 2 of P.L.1948, c.454 (C.27:23-2) is amended to read as follows:

C.27:23-2 Credit of State not pledged.

2. Transportation revenue bonds issued under the provisions of this act shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but such bonds, unless refunded by bonds of the Authority created in this act, shall be payable from funds pledged or available for their payment as authorized herein. All such transportation revenue bonds shall contain on the face thereof a statement to the effect that the Authority is obligated to pay the same or the interest thereon only from the tolls, other revenues, proceeds of bonds and other available sources, and that, except as provided in section 41 of P.L.2003, c.79 (C.27:23-44), neither the State nor any political subdivision thereof is obligated to pay the principal thereof, premium or the interest thereon and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of, premium or the interest on such bonds.

All expenses incurred in carrying out the provisions of this act shall be payable solely from funds provided under the authority of this act and, except as provided in section 41 of P.L.2003, c.79 (C.27:23-44), nothing in this act contained shall be construed to authorize the Authority to incur indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

6. Section 3 of P.L.1948, c.454 (C.27:23-3) is amended to read as follows:

C.27:23-3 New Jersey Turnpike Authority.

3. New Jersey Turnpike Authority. (A) There is hereby established in the State Department of Transportation a body corporate and politic, with corporate succession, to be known as the "New Jersey Turnpike Authority." The authority is hereby constituted an instrumentality exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by this act in the acquisition, construction, operation, improvement, management, repair and maintenance of transportation projects or any part thereof shall be deemed and held to be an essential governmental function of the State.

(B) The New Jersey Turnpike Authority shall consist of eight members, as follows: the Commissioner of Transportation, ex officio, or his designee; five members appointed by the Governor, with the advice and consent of the Senate, and two members appointed by the Governor, one upon recommendation of the President of the Senate and the other upon recommendation of the Speaker of the General Assembly, each of whom shall be a resident of the State and shall have been a qualified elector therein for a period of at least
one year next preceding his appointment. Each appointed member of the authority shall serve for a term of five years and until his successor is appointed and has qualified; except that of the first appointments hereunder, one shall be for a term of two years and one for a term of three years, and they shall serve until their respective successors are appointed and have qualified. The term of each of the first appointees hereunder shall be designated by the Governor. Each appointed member of the authority may be removed from office by the Governor, for cause, after a public hearing. Each member of the authority before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State. Any vacancies in the appointed membership of the authority occurring other than by expiration of term shall be filled in the same manner as the original appointment, but for the unexpired term only.

(C) The Governor shall designate one of the members of the authority as chairman thereof and another member as vice chairman thereof. The chairman and vice chairman of the authority so designated shall serve as such at the pleasure of the Governor and until their respective successors have been designated. The authority shall elect a secretary and a treasurer who need not be members. At the option of the authority the same person may be elected to serve both as secretary and treasurer. Five members of the authority shall constitute a quorum and the vote of five members shall be necessary for any action taken by the authority. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority.

(D) Each member of the authority shall execute a surety bond in the penal sum of $25,000.00 and the treasurer shall execute a surety bond in the penal sum of $50,000.00, each such surety bond to be conditioned upon the faithful performance of the duties of the office of such member or treasurer, as the case may be, to be executed by a surety company authorized to transact business in the State of New Jersey as surety and to be approved by the Attorney General and filed in the office of the Secretary of State.

(E) The members of the authority shall not receive compensation for their services as members of the authority. Each member shall be reimbursed by the authority for his actual expenses necessarily incurred in the performance of his duties. Notwithstanding the provisions of any other law, no member shall be deemed to have forfeited, nor shall the member forfeit, the member's office or employment or any benefits or emoluments thereof by reason of the member's acceptance of the office of ex officio member of the authority or the member's services therein.

(F) No resolution or other action of the authority providing for the issuance of bonds, refunding bonds or other obligations or for the fixing, revising or
adjusting of tolls for the use of any transportation project or parts or sections thereof shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and at least one of the following: the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof, to the Governor. No action taken at such meeting by the authority shall have force or effect until 10 days, exclusive of Saturdays, Sundays and public holidays, after such copy of the minutes shall have been so delivered. If, in said 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting such action shall be null and of no effect. The Governor may approve all or part of the action taken at such meeting prior to said 10-day period. C.27:23-5 General grant of powers.

5. General grant of powers. The authority shall be a body corporate and politic and shall have perpetual succession and shall have the following powers:
   (a) To adopt bylaws for the regulation of its affairs and the conduct of its business;
   (b) To adopt an official seal and alter the same at pleasure;
   (c) To maintain an office at such place or places within the State as it may designate and to organize itself into such sub-departments, operating divisions or units as it deems appropriate;
   (d) To sue and be sued in its own name;
   (e) To acquire, improve, construct, maintain, repair, manage, and operate transportation projects or any part thereof at such locations as shall be established by law or by the authority;
   (f) To borrow money and issue negotiable bonds for any of its corporate purposes, and to secure the same through the pledging of tolls and other revenues and proceeds of such bonds, or other available sources, and to refund its bonds, and to enter into any credit agreement, all as provided in this act;
   (g) In the exercise of any of its powers, by resolution to fix and revise from time to time and charge and collect tolls, fees, licenses, rents, concession charges and other charges for each transportation project or any part thereof constructed or acquired by it. No toll revenues derived from the New Jersey...
Turnpike or the Garden State Parkway shall be used or available for any transportation project other than a highway project and all transportation projects other than highway projects shall be self-sustaining; provided however that such toll revenues may be used to finance or support the costs of non-highway transportation projects on an interim basis according to such terms, with or without interest, as the authority shall establish;

(h) To establish rules and regulations for the use of any project including restrictions on the type, weight and size of vehicles utilizing transportation projects, and also including the power to exclude from any part of a highway project any traffic other than passenger automobiles if the authority finds that such part is not suitable or sufficient as a highway to carry mixed traffic;

(i) To acquire, hold and dispose of real and personal property in the exercise of its powers and the performance of its duties under this act;

(j) To acquire in the name of the authority by purchase or otherwise, on such terms and conditions and in such manner as it may deem proper, or by the exercise of the power of eminent domain, except as against the State of New Jersey, any land and other property, which it may determine is reasonably necessary for any transportation project or feeder road or for the relocation or reconstruction of any highway by the authority under the provisions of this act and any and all rights, title and interest in such land and other property, including public lands, parks, playgrounds, reservations, highways or parkways, owned by or in which the State of New Jersey or any county, city, borough, town, township, village, or other political subdivision of the State of New Jersey has any right, title or interest, or parts thereof or rights therein and any fee simple absolute or any lesser interest in private property, and any fee simple absolute in, easements upon, or the benefit of restrictions upon, abutting property to preserve and protect transportation projects.

Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.), insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; provided, however, that separate awards be made for each tract or parcel of land or property; and provided, further, that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

Upon the filing of such petition or complaint or at any time thereafter the authority may file with the clerk of the county in which such property is located
and also with the Clerk of the Superior Court a declaration of taking, signed
by the authority, declaring that possession of one or more of the tracts or parcels
of land or property described in the petition or complaint is thereby being taken
by and for the use of the authority. The said declaration of taking shall be
sufficient if it sets forth: (1) a description of each tract or parcel of land or
property to be so taken sufficient for the identification thereof, to which there
may or may not be attached a plan or map thereof; (2) a statement of the estate
or interest in the said land or property being taken; and (3) a statement of the
sum of money estimated by the authority by resolution to be just compensation
for the taking of the estate or interest in each tract or parcel of land or property
described in said declaration.

Upon the filing of the said declaration, the authority shall deposit with
the Clerk of the Superior Court the amount of the estimated compensation
stated in said declaration.

Upon the filing of the said declaration as aforesaid and depositing with
the Clerk of the Superior Court the amount of the estimated compensation
stated in said declaration, the authority, without other process or proceedings,
shall be entitled to the exclusive possession and use of each tract of land or
property described in said declaration and may forthwith enter into and take
possession of said land or property, it being the intent of this provision that
the proceedings for compensation or any other proceedings relating to the
taking of said land or interest therein or other property shall not delay the taking
of possession thereof and the use thereof by the authority for the purpose or
purposes for which the authority is authorized by law to acquire or condemn
such land or other property or interest therein.

The authority shall cause notice of the filing of said declaration and the
making of said deposit to be served upon each party in interest named in the
petition residing in this State, either personally or by leaving a copy thereof
at his residence, if known, and upon each party in interest residing out of the
State, by mailing a copy thereof to him at his residence, if known. In the event
that the residence of any such party or the name of such party is unknown,
such notice shall be published at least once in a newspaper published or
circulating in the county or counties in which the land is located. Upon the
application of any party in interest and after notice to other parties in interest,
including the authority, any judge of the Superior Court assigned to sit for
said county may order that the money deposited with the Clerk of the Superior
Court or any part thereof be paid forthwith to the person or persons entitled
thereto for or on account of the just compensation to be awarded in said
proceeding; provided, that each such person shall have filed with the Clerk
of the Superior Court a consent in writing that, in the event the award in the
condemnation proceeding shall be less than the amount deposited, the court,
after notice as herein provided and hearing, may determine his liability, if
any, for the return of such difference or any part thereof and enter judgment
therefor. If the amount of the award as finally determined shall exceed the
amount so deposited, the person or persons to whom the award is payable
shall be entitled to recover from the authority the difference between the amount
of the deposit and the amount of the award, with interest at the rate of six per
centum (6%) per annum from the date of making the deposit. If the
amount of the award shall be less than the amount so deposited, the Clerk
of the Superior Court shall return the difference between the amount of the
award and the deposit to the authority, unless the amount of the deposit or
any part thereof shall have theretofore been distributed, in which event the
court, on petition of the authority and notice to all persons interested in the
award and affording them an opportunity to be heard, shall enter judgment
in favor of the authority for such difference against the party or parties liable
for the return thereof. The authority shall cause notice of the date fixed for
such hearing to be served upon each party thereto residing in this State, either
personally or by leaving a copy thereof at his residence, if known, and upon
each party residing out of the State, by mailing a copy to him at his residence,
if known. In the event that the residence of any party or the name of such
party is unknown, such notice shall be published at least once in a newspaper
published or circulating in the county or counties in which the land is located.
Such service, mailing or publication shall be made at least 10 days before
the date fixed for such hearing.

Whenever under the "Eminent Domain Act of 1971" the amount of the
award may be paid into court, payment may be made into the Superior Court
and may be distributed according to law;

(k) To designate the locations, and establish, limit and control such points
of ingress to and egress from each highway or transportation project as may
be necessary or desirable in the judgment of the authority to insure the proper
operation and maintenance of such project, and to prohibit entrance to such
project from any point or points not so designated;

(l) To make and enter into all contracts and agreements necessary or
incidental to the performance of its duties and the execution of its powers
under this act and to enter into contracts with federal, State and local
governments and private entities for the financing, administration, operation,
management and construction of transportation projects;

(m) To appoint such additional officers, who need not be members of
the authority, as the authority deems advisable, and to employ consulting
engineers, attorneys, accountants, construction and financial experts,
superintendents, managers, and such other similarly situated employees and
agents as may be necessary in its judgment; to fix their compensation; and
to promote and discharge such officers, employees and agents, all without
regard to the provisions of Title 11A of the New Jersey Statutes;
(n) To receive and accept from any federal agency, subject to the approval of the Governor, grants for or in aid of the acquisition or construction of any transportation project or any part thereof, and to receive and accept aid or contributions, from any source, of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made;

(o) To do all acts and things necessary or convenient to carry out the powers expressly or impliedly granted in this act;

(p) Subject to any agreement with the bondholders, to invest moneys of the authority not required for immediate use, including proceeds from the sale of any bonds, in such obligations, securities and other investments as the authority shall deem prudent;

(q) To apply for, receive and accept from any federal agency, any bistate agency, or the State and any subdivision thereof, grants for or in aid of the planning, acquisition, management, maintenance, operation or construction of any project, and to receive and accept aid or contributions from any other public or private source, of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which those grants and contributions may be made;

(r) To procure and enter into contracts for any type of insurance and to indemnify against loss or damage to property from any cause, including the loss of use and occupancy and business interruption, death or injury of any person, employee liability, any act of any member, officer, employee or servant of the authority, whether part-time, compensated or uncompensated, in the performance of the duties of office or employment or any other insurable risk or any other losses in connection with property, operations, assets or obligations in any amounts and from any insurers as are deemed desirable. In addition, the authority may carry its own liability insurance;

(s) To adopt regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to provide open and competitive procedures for awarding contracts for towing and storage services. Towing and storage services on a highway project may be provided on a rotating basis, provided that the authority determines that there would be no additional cost to the authority, excepting administrative costs, as a result of those services being provided on a rotating basis. The regulations shall fix maximum towing and storage fees, and establish objective criteria to be considered in awarding a contract for towing and storage services which shall include, but shall not be limited to, reliability, experience, response time, acceptance of credit cards and prepaid towing contracts, adequate equipment to safely handle a sufficient volume of common vehicle types under a variety of traffic and weather conditions, location of storage and repair facilities, security of vehicles towed or stored, financial return to the authority, maintenance of adequate liability
insurance and appropriate safeguards to protect the personal safety of customers, including considerations related to the criminal background of employees. The Division of Consumer Affairs in the Department of Law and Public Safety shall provide, at the authority's request, a report to the authority on any prospective contractor for which the division has information relevant to the prospective contractor's service record, subject to the provisions of the New Jersey consumer fraud act, P.L. 1960, c. 39 (C. 56:8-1 et seq.). The Division of Insurance Fraud Prevention in the Department of Banking and Insurance also shall provide, at the authority's request, a report to the authority on any prospective contractor for which the division has information relevant to the prospective contractor's service record, subject to the "New Jersey Insurance Fraud Prevention Act," P.L. 1983, c. 320 (C. 17:33A-1 et seq.).

(t) To adopt, prior to the Transfer Date and notwithstanding any other provision of law to the contrary, a resolution authorizing the issuance of bonds, notes or other obligations on such terms as otherwise provided for in this act for the retirement by defeasance, redemption, secondary market purchase, tender payment at maturity or otherwise, of all of the New Jersey Highway Authority's outstanding bonds, notes or other obligations, as if the Transfer Date transferring to the authority the rights, duties and obligations to operate, maintain and manage the Garden State Parkway had already occurred; and

(u) To transfer, sell, dispose of, or otherwise relinquish all right, title, or interest in the Garden State Arts Center, and any related or auxiliary facilities, to the New Jersey Sports and Exposition Authority, established by P.L. 1971, c. 137 (C. 5:10-1 et seq.), or to any other entity, according to such terms and process as the authority may establish in its discretion.

10. Section 2 of P.L. 1949, c. 40 (C. 27:23-5.2) is amended to read as follows:

C. 27:23-5.2 Authorization relative to feeder road.

2. The New Jersey Turnpike Authority is authorized to acquire, construct, reconstruct, repair and maintain any feeder road.

11. Section 4 of P.L. 1949, c. 40 (C. 27:23-5.4) is amended to read as follows:

C. 27:23-5.4 Powers relative to feeder road constructed over new alignment.

4. In any case where a feeder road is constructed over new alignment, the Turnpike Authority is granted the same powers concerning the construction thereof as is granted in connection with the construction of the highway project by the terms of the act to which this act is a supplement. Any feeder road, eighty per centum (80%) or more of which is built over new alignment, shall for the purposes of this act be deemed to be a "new feeder road."
C.27:23-5.6a Projects turned over to DOT.

12. The authority may in its discretion turn over to the Department of Transportation any highway project or part thereof and provide by agreement with the department for its continued maintenance and repair by the authority.

13. Section 6 of P.L.1949, c.40 (C.27:23-5.6) is amended to read as follows:

C.27:23-5.6 Return of certain roads to local authorities.

6. The Turnpike Authority is authorized to turn back to local authorities any road or portions of road taken over from such local authorities in connection with the establishing of a feeder road.

1. The New Jersey Turnpike Authority shall have, in addition to the powers heretofore granted to it, power:

a. To pay or make any advance or contribution to the United States Government or the State of New Jersey or any agency thereof for the purpose of paying the State's share or any portion thereof under the federal aid highway laws of the cost of construction of any transportation improvement determined by the authority to be a major improvement necessary to restore or prevent physical damage to any transportation project or any feeder roads, for the safe or efficient operation of such project, or to prevent loss of revenues therefrom.

b. Subject to the rights and security interests of the holders from time to time of bonds or notes heretofore or hereafter issued by the New Jersey Turnpike Authority, to enter into contracts with the State or the New Jersey Transportation Trust Fund Authority established by section 4 of the "New Jersey Transportation Trust Fund Authority Act of 1984," P.L.1984, c.73 (C.27:1B-4), providing for the payment from the revenues of the New Jersey Turnpike Authority to the State or to the New Jersey Transportation Trust Fund Authority of the amount or amounts of revenues that may be set forth in or determined in accordance with the contracts. Any contracts authorized pursuant to this section may include conditions and covenants necessary and desirable to facilitate the issuance and sale of bonds, notes and other obligations of the New Jersey Transportation Trust Fund Authority. Any agreements entered into between the State and the Turnpike Authority pursuant to this subsection shall terminate upon the effective date of any agreement entered into between the Turnpike Authority and the New Jersey Transportation Trust Fund Authority providing for the payment of revenues of the Turnpike Authority directly from the Turnpike Authority to the New Jersey Transportation Trust Fund Authority.
c. To enter into agreements with the Department of Transportation with respect to the funding of the resurfacing, restoring, rehabilitation and reconstruction of the I-95 Extension of the New Jersey Turnpike through the allocation of monies apportioned by the United States Department of Transportation pursuant to 23 U.S.C. s.119 or a successor program. Any such agreement shall be subject to the continued eligibility of the I-95 Extension for federal aid, the availability of funds appropriated by Congress and the appropriation of funds by the Legislature for that purpose. No such agreement shall constitute or create a debt or liability of the State within the meaning of any constitutional or statutory limitation nor shall any such agreement constitute a pledge of either the faith and credit or the taxing power of the State. Funds payable or paid to the authority pursuant to any such agreement shall not be pledged as security for any indebtedness of the authority.

15. Section 2 of P.L.1969, c.197 (C.27:23-5.9) is amended to read as follows:

The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways shall be ascertained and paid by the authority as a part of the cost of such highway project.

If the authority shall find it necessary to change the location of any portion of any public highway, it shall cause the same to be reconstructed at such
location as the authority shall deem most favorable and of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the authority as a part of the cost of such highway project.

Any public highway affected by the construction of any highway project may be vacated or relocated by the authority in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the authority as a part of the cost of such project.

In addition to the foregoing powers the authority and its authorized agents and employees may enter upon any lands, waters and premises in the State for the purpose of making surveys, soundings, drillings and examinations as it may deem necessary or convenient for the purposes of this act, and such entry shall not be deemed an entry under any condemnation proceedings which may be then pending. In case of any such relocation or removal of facilities, as aforesaid, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenance, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations.

Such approaches, curbing, sidewalk paving, guard rails on approaches and surface paving on turnpike projects or feeder roads as shall be within the rights of way of a railroad company or companies shall be owned and maintained, repaired and renewed by the authority; rails, pipes and lines shall be owned and maintained, repaired and renewed by the railroad company or companies.

18. Section 1 of P.L.1968, c.461 (C.27:23-6.1) is amended to read as follows:

C.27:23-6.1 Standing operating rules, procedures for entering into contracts by Turnpike Authority.

1. a. The New Jersey Turnpike Authority, in the exercise of its authority to make and enter into contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers, shall adopt standing operating rules and procedures providing that, except as hereinafter provided, no contract on behalf of the authority shall be entered into for the doing of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds the sum of $25,000 or, after the effective date of P.L.1999, c.440, the amount determined pursuant to subsection b. of this section unless the authority shall first publicly advertise for bids therefor, and shall award the contract to the lowest responsible bidder; provided, however, that such advertising shall not be required where the contract to be entered into is one for the furnishing or performing services of a professional or consultative nature, or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Board of Public Utilities of this State and tariffs and schedules of the charges, made, charged, or exacted by the public utility for any such products to be supplied or services to be rendered are filed with the said board, or when the purchase is to be made through or by the Director of the Division of Purchase and Property pursuant to section 1 of P.L.1959, c.40 (C.52:27B-56.1), or through a contract made by any of the following: the New Jersey Sports and Exposition Authority established under section 4 of P.L.1971, c.137 (C.5:10-4); the New Jersey Meadowlands Commission established under section 5 of P.L.1968, c.404 (C.13:17-5); the New Jersey Water Supply Authority established under section 4 of P.L.1981, c.293 (C.58:1B-4); the South Jersey Transportation Authority established under section 4 of P.L.1991, c.252 (C.27:25A-4); the Port Authority of New York and New Jersey established under R.S.32:1-4; the Delaware
River Port Authority established under R.S.32:3-2; the Higher Education Student Assistance Authority established under N.J.S.18A:71A-3. Any purchase, contract or agreement may be made, negotiated or awarded by the authority without public bid or advertising when the authority has advertised for bids on two occasions and has received no bids on both occasions in response to its advertisements, or received no responsive bids. Any purchase, contract or agreement may then be negotiated and may then be awarded to any contractor or supplier determined to be responsible except that the terms, conditions, restrictions and specifications set forth in the negotiated contract agreement shall not be substantially different from those which were the subject of competitive bidding.

This subsection shall not prevent the authority from having any work done by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience require, or the exigency of the authority’s service will not admit of such advertisement. In such case the authority shall, by resolution, passed by the affirmative vote of a majority of its members, declare the exigency or emergency to exist, and set forth in the resolution the nature thereof and the approximate amount to be so expended.

b. Commencing in the fifth year after the year in which P.L.1999, c.440 takes effect, and every five years thereafter, the Governor, in consultation with the Department of the Treasury, shall adjust the threshold amount set forth in subsection a. of this section, or after the effective date of P.L.1999, c.440, the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise and fall of the index rate as that term is defined in section 2 of P.L.1971, c.198 (C.40A:11-2), and shall round the adjustment to the nearest $1,000. The Governor shall, no later than June 1 of every fifth year, notify the authority of the adjustment. The adjustment shall become effective on July 1 of the year in which it is made.

19. Section 7 of P.L.1948, c.454 (C.27:23-7) is amended as follows:

C.27:23-7 Bonds.

7. The authority is hereby authorized to provide by resolution, at one time or from time to time, for the issuance of bonds of the authority for any of its corporate purposes, including the refunding of its bonds. The principal of and the interest on any issue of such bonds shall be payable solely from and may be secured by a pledge of tolls and other revenues of all or any part of the transportation projects. The proceeds of any such bonds may be used or pledged for the payment or security of the principal of or interest on bonds and for the establishment of any or all reserves for such payment or security
or for other corporate purposes as the authority may authorize in the resolution authorizing the issuance of bonds or in the trust agreement securing the same. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the authority, and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of the bonds including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. The bonds shall be signed by the chairman of the authority or shall bear his facsimile signature and the official seal of the authority or a facsimile thereof shall be impressed, imprinted, engraved or otherwise reproduced thereon. The official seal or facsimile thereof shall be attested by the secretary and treasurer of the authority, or by such other officer or agent as the authority shall appoint and authorize and any coupons attached to such bonds shall bear the facsimile signature of the chairman of the authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the State. The bonds may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The authority may sell such bonds in such manner and for such price, as it may determine to be for the best interests of the authority. Neither the members of the authority nor any person executing the bonds shall be personally liable on the bonds or be accountable by reason of the issuance thereof in accordance with the provisions of this act.

The proceeds of the bonds of each issue shall be disbursed in such manner and under such restrictions, if any, as the authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same.

Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The authority may also provide for the
replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.

The State of New Jersey does pledge to and agree with the holders of the bonds issued pursuant to authority contained in this act, that the State will not limit or restrict the rights hereby vested in the authority to acquire, maintain, construct, improve, manage, repair, reconstruct, and operate any projects as defined in this act, or to establish and collect such charges and tolls as may be convenient or necessary to produce sufficient revenue to meet the expenses of maintenance and operation thereof and to fulfill the terms of any agreements made with the holders of bonds authorized by this act or in any way impair the rights or remedies of the holders of such bonds until, the bonds, together with interest thereon, are fully paid and discharged.

20. Section 21 of P.L. 1991, c.183 (C.27:23-7a) is amended to read as follows:

C.27:23-7a New Jersey Turnpike Authority to protect bondholders.

21. Nothing in or done pursuant to the powers and obligations set forth in this amendatory and supplementary act (P.L. 1991, c.183) shall in any way limit or restrict the obligations or powers of the New Jersey Turnpike Authority to carry out and perform each and every covenant, agreement or contract heretofore made or entered into by the Authority or the New Jersey Highway Authority with respect to its bonds or for the benefit, protection or security of the holders thereof.

21. Section 8 of P.L. 1948, c.454 (C.27:23-8) is amended to read as follows:

C.27:23-8 Trust agreement.

8. Trust agreement. In the discretion of the Authority any bonds issued under the provisions of this act may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds (subject to the provisions of section 7 of this act) may pledge or assign tolls or other revenues to which the Authority's right then exists or may thereafter come into existence, and the moneys derived therefrom, and the proceeds of such bonds, but shall not convey or mortgage any transportation project or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the
rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property and the acquisition, construction, improvement, maintenance, repair, operation and insurance of the transportation project or projects or any part thereof, the rates of tolls and revenues to be charged, the payment, security or redemption of bonds, and the custody, safeguarding and application of all moneys, and provisions for the employment of consulting engineers in connection with the acquisition, construction or operation of such transportation project or projects or any part thereof. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual rights of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement may be treated as a part of the cost of the operation of the transportation project or projects.

Any pledge of tolls or other revenues or other moneys made by the Authority shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Authority.

22. Section 9 of P.L.1948, c.454 (C.27:23-9) is amended to read as follows:

rates of charges for such use; provided, that a sufficient number of gas stations may be authorized to be established in each service area along any such highway to permit reasonable competition by private business in the public interest. Such tolls shall be so fixed and adjusted as to carry out and perform the terms and provisions of any contract with or for the benefit of bondholders. Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. The use and disposition of tolls and revenues shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same.

(B) (Deleted by amendment, P.L. 2003, c. 79).

(C) All revenues and other funds of the authority not pledged or otherwise required to pay or secure the payment of principal and interest on any indebtedness of the authority existing from time to time under, and not otherwise required for the purpose of, this act and not pledged under a contract providing for payment of funds to the State or New Jersey Transportation Trust Fund Authority created pursuant to P.L. 1984, c.73 (C.27:1B-1 et seq.) shall be applied to the authority's corporate purposes or as hereafter provided by law.

Each such project shall also be policed and operated by such force of police, toll-takers and other operating employees as the Authority may in its discretion employ, unless the Authority provides otherwise by agreement with any federal, state or local entity. The expenses for this maintenance and operation shall be paid by the authority from its own funds or from funds made available to the authority, unless the authority provides otherwise by agreement with any federal, state or local entity.

All counties, cities, boroughs, towns, townships, villages, and other political subdivisions and all public departments, agencies and commissions of the State of New Jersey, notwithstanding any contrary provision of law, are hereby authorized and empowered to sell, lease, lend, grant or otherwise convey to the Authority at its request upon such terms and conditions as the proper authorities of such counties, cities, boroughs, towns, townships, villages, and political subdivisions and departments, agencies or commissions of the State may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the regular and formal action of the authorities concerned, any real property which may be necessary or convenient to the effectuation of the authorized purposes of the Authority, including public roads and other real property already devoted to public use.

No person shall operate a vehicle on any such highway project at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation thereof.

any regulation for the control of traffic on any such highway project, including
the designation of any speed limits, the Authority shall investigate and consider
the need for and desirability of such regulation for the safety of persons and
property, including the Authority's property, and the contribution which any
such regulation would make toward the efficient and safe handling of traffic
and use of such highway project, and shall determine that such regulation
is necessary or desirable to accomplish such purposes or one or some of them,
and that upon or prior to the effective date of any such regulation and during
its continuance, notice thereof shall be given to the drivers of vehicles by
appropriate signs erected at the roadside or otherwise posted.

The Authority is hereby authorized and empowered to make, adopt and
promulgate regulations referred to in this section in accordance with the
provisions hereof.

Regulations adopted by the Authority pursuant to the provisions of this

The advisory and payment request shall contain sufficient information to inform the owner of the nature, date, time and location of the alleged violation. The authority or its agent may require as part of the advisory and payment request that the owner pay to the agent the proper toll and a reasonable administrative fee established by the authority and based upon the actual cost of processing and collecting the violation. If the owner fails to pay the required toll and fee within 30 days of the date the advisory and payment request was sent, the owner shall be subject to liability on the 31st day following the date the advisory and payment request was sent for the violation of the toll collection monitoring system regulations by the vehicle operator pursuant to the issuance of a complaint and summons.

b. An owner of a vehicle who is a lessor of the vehicle used in violation of the toll collection monitoring system regulations of the authority shall not be liable for the violation of the regulations if the lessor submits to the authority, in a timely manner, a copy of the rental agreement, lease or other contract document covering that vehicle on the date of the violation, with the name and address of the lessee clearly legible to the authority and to the court having jurisdiction over the violation. If the lessor fails to provide the information in a timely manner, the lessor shall be held liable for the violation of the regulations. However, in the event that, notwithstanding the provisions of subsection c. of section 7 of this act, a recorded image of the face of the operator or any passenger in a motor vehicle is produced by the toll collection monitoring system, that image shall not be used by the authority for any purpose nor shall the image or any record or copy thereof be transmitted or communicated to any person, governmental, non-governmental, or judicial or administrative entity.

e. The municipal court of the municipality wherein a toll collection monitoring system record was made shall have jurisdiction to hear violations of the toll collection monitoring system regulations. Violations shall be enforced and penalties collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). A proceeding and a judgment arising therefrom shall be pursued and entered in accordance with the provisions of N.J.S.2B:12-1 et seq. and the Rules Governing the Courts of the State of New Jersey.

In addition to the civil penalty that may be assessed by a court having jurisdiction for a violation of the toll collection monitoring system regulations, a court shall require the defendant to pay the proper toll and shall require the

The term shall also include any other process that identifies a vehicle by photographic, electronic or other method.

"Toll collection monitoring system regulations" means the regulations authorized and adopted pursuant to section 12 of P.L.1997, c.59 (C.27:25A-21.2) that prohibit a vehicle from making use of any project except upon the payment of such tolls as may from time to time be prescribed by the authority and that further makes it a violation subject to a civil penalty for any person to refuse to pay, to evade, or to attempt to evade the payment of such tolls, if the violation is recorded by a toll collection monitoring system as defined in this section.

"Vehicle" means the term "vehicle" as defined in R.S.39:1-1.

47. Section 12 of P.L.1997, c.59 (C.27:25A-21.2) is amended to read as follows:

12. a. The authority may, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt toll collection monitoring system regulations. The regulations shall include a procedure for processing toll violations and for the treatment of inadvertent violations. A person who violates the regulations shall be liable to a civil penalty in an amount not to exceed $500 to be established by the authority. The penalty shall be enforced pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).
b. Except as provided in subsection b. of section 13 of P.L.1997, c.59 (C.27:25A-21.3), an owner of a vehicle shall be jointly and severally liable for the failure of an operator of the vehicle to comply with the toll collection monitoring system regulations. The owner of a vehicle shall be liable if such vehicle was used or operated by the operator with the express or implied permission of the owner when the violation of the toll collection monitoring system regulations was committed, and the evidence of the violation is obtained by a toll collection monitoring system. An owner of a vehicle shall not be liable if the operator of the vehicle has been identified and charged with a violation of section 21 of P.L.1991, c.252 (C.27:25A-21) for the same incident.

c. A toll collection monitoring system acquired or operated by, or under contract to, the authority shall be so designed that it does not produce one or more photographs, microphotographs, a videotape or other recorded image or images of the face of the operator or any passenger in a motor vehicle.

48. Section 13 of P.L.1997, c.59 (C.27:25A-21.3) is amended to read as follows:

13. a. If a violation of the toll collection monitoring system regulations is committed as evidenced by a toll collection monitoring system, the authority or the agent of the authority may send an advisory and payment request within 60 days of the date of the violation to the owner of the vehicle by regular mail at the address of record for that owner with the Division of Motor Vehicles in the Department of Transportation or with any other motor vehicle licensing authority of another jurisdiction, providing the owner with the opportunity to resolve the matter prior to the issuance of a summons and complaint that charges a violation of the toll collection monitoring system regulations. The advisory and payment request shall contain sufficient information to inform the owner of the nature, date, time and location of the alleged violation. The authority or its agent may require as part of the advisory and payment request that the owner pay to the agent the proper toll and a reasonable administrative fee established by the authority and based upon the actual cost of processing and collecting the violation. If the owner fails to pay the required toll and fee within 30 days of the date the advisory and payment request was sent, the owner shall be subject to liability on the 31st day following the date the advisory and payment request was sent for the violation of the toll collection monitoring system regulations by the vehicle operator pursuant to the issuance of a complaint and summons.

b. An owner of a vehicle who is a lessor of the vehicle used in violation of the toll collection monitoring system regulations of the authority shall not be liable for the violation of the regulations if the lessor submits to the authority, in a timely manner, a copy of the rental agreement, lease or other contract
document covering that vehicle on the date of the violation, with the name and address of the lessee clearly legible to the authority and to the court having jurisdiction over the violation. If the lessor fails to provide the information in a timely manner, the lessor shall be held liable for the violation of the regulations. If the lessor provides the required information to the authority, the lessee of the vehicle on the date of the violation shall be deemed to be the owner of the vehicle for the purposes of sections 11 through 15 of P.L. 1997, c. 59 (C.27:25A-21.1 through C.27:25A-21.5) and the toll collection monitoring system regulations and shall be subject to liability for the violation of the regulations.

c. A certified report of an employee or agent of the authority reporting a violation of the toll collection monitoring system regulations and any information obtained from a toll collection monitoring system shall be available for the exclusive use of the authority and any law enforcement official for the purposes of discharging their duties pursuant to sections 11 through 15 of P.L. 1997, c. 59 (C.27:25A-21.1 through C.27:25A-21.5) and the toll collection monitoring system regulations. Any such report or information shall not be deemed a public record under P.L. 1963, c. 73 (C.47:1A-1 et seq.) or the common law concerning access to public records. The certified reports and information shall not be discoverable as a public record by any person, entity or governmental agency, nor shall they be offered in evidence in any civil, criminal or administrative proceeding, not directly related to a violation of the toll collection monitoring system regulations. However, in the event that, notwithstanding the provisions of subsection c. of section 12 of this act, a recorded image of the face of the operator or any passenger in a motor vehicle is produced by the toll collection monitoring system, that image shall not be used by the authority for any purpose nor shall the image or any record or copy thereof be transmitted or communicated to any person, governmental, non-governmental or judicial or administrative entity.

d. A complaint and summons charging a violation of the toll collection monitoring system regulations shall be on a form prescribed by the Administrative Director of the Courts pursuant to the Rules Governing the Courts of the State of New Jersey. The authority may authorize by regulation an employee or agent to be a complaining witness to make, sign, and initiate complaints and to issue summonses in the name of the authority on behalf of the State of New Jersey, pursuant to the Rules Governing the Courts of the State of New Jersey. The complaints and summonses may be made on information based upon evidence obtained by a toll collection monitoring system, the toll collection monitoring system record and the records of the Division of Motor Vehicles in the Department of Transportation or of any other state, province, or motor vehicle licensing authority.
Service may be made by means provided by the Rules Governing the Courts of the State of New Jersey.

Except as provided in subsection c. of this section, the recorded images produced by a toll collection monitoring system shall be considered an official record kept in the ordinary course of business and shall be admissible in a proceeding for a violation of any toll collection monitoring system regulations.

e. The municipal court of the municipality wherein a toll collection monitoring system record was made shall have jurisdiction to hear violations of the toll collection monitoring system regulations. Violations shall be enforced and penalties collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). A proceeding and a judgment arising therefrom shall be pursued and entered in accordance with the provisions of N.J.S.2B:12-1 et seq. and the Rules Governing the Courts of the State of New Jersey.

In addition to the civil penalty that may be assessed by a court having jurisdiction for a violation of the toll collection monitoring system regulations, a court shall require the defendant to pay the proper toll and shall require the defendant to pay a reasonable administrative fee as established by the authority. Following collection and distribution of the fees set forth in section 11 of P.L.1953, c.22 (C.22A:3-4), any tolls and administrative fees imposed and collected by the court for a violation of the toll collection monitoring system regulations shall be promptly remitted to the authority by the court. The civil penalty shall be distributed pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

Repealer.

The repeal of any statute herein shall not be deemed to revive any act previously repealed by any such statute.

50. This act shall take effect on the Transfer Date, except that section 3, section 8 and the amendment of section 5 of P.L.1948, c.454 (C.27:23-5) adding
a new subsection (t), as provided in section 9 of this act, shall take effect immediately, provided that the authority shall be granted such powers as are contained herein which shall be necessary or appropriate for it to issue bonds and to take such other actions to effectuate the transfer of the Highway Authority and its projects and functions to the authority as soon as practicable after the date of enactment. The authority may take such anticipatory action in advance as shall be necessary for the implementation of this act.

Approved May 27, 2003.

CHAPTER 88

AN ACT concerning electric personal assistive mobility devices and amending P.L.2001, c.430.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.2001, c.430 (C.39:4-14.10) is amended to read as follows:

C.39:4-14.10 Electric personal assistive mobility device defined; regulations concerning.

1. a. As used in this act, "electric personal assistive mobility device" means a self-balancing non-tandem two wheeled device designed to transport one
person which uses an electric propulsion system with average power of 750 watts (one horsepower), whose maximum speed on a paved level surface, when powered solely by such a propulsion system while operated by a person weighing 170 pounds is less than 20 miles per hour. The device shall not be considered a motorized wheelchair, motorized bicycle, motorcycle, motorized scooter, motorized skateboard, vehicle or motor vehicle.

b. An electric personal assistive mobility device may be operated on the public highways, sidewalks and bicycle paths of the State. Every person operating such a device shall be granted all of the rights and be subject to all of the duties applicable to the driver of a bicycle by chapter four of Title 39 of the Revised Statutes except as to those provisions thereof which by their nature can have no application. An electric personal assistive mobility device shall be subject to the safety and equipment requirements applicable to the bicycle provisions of chapter 4 of Title 39 of the Revised Statutes, except as to those provisions thereof which by their nature can have no application.

c. The operator of an electric personal assistive mobility device shall not be required to obtain a driver's license therefor or to register the device. The operator shall not be required to furnish proof of having liability insurance for the device or other proof of financial responsibility.

d. The governing body of any municipality may, by ordinance, regulate the operation of electric personal assistive mobility devices upon the roadways and public properties under municipal jurisdiction. The State or the governing body of any county or municipality may prohibit or regulate their operation on any public highway under its jurisdiction.

e. Notwithstanding the other provisions of this section, an operator of an electric personal assistive mobility device shall:

1. wear a helmet while operating that device; and
2. be 16 years of age or older, except for an operator with a mobility-related disability.

2. This act shall take effect immediately.

Approved June 8, 2003.
C.17:30A-2.1 Findings, declarations relative to automobile insurance and consolidation of operations.

1. With respect to sections 2 through 34 of this act, the Legislature finds and declares that:

a. The Unsatisfied Claim and Judgment Fund, created pursuant to P.L.1952, c.174 (C.39:6-61 et seq.) currently serves a dual purpose: its original intent to pay the claims of victims of hit and run or uninsured motor vehicle accidents in certain circumstances, and a subsequent objective to reimburse private passenger automobile insurers when medical expense benefits payments exceed $75,000 per person per accident.

b. When the Unsatisfied Claim and Judgment Fund was charged with reimbursing an insurer for medical expense benefits in excess of $75,000 per person per accident, the amount of medical expense benefits provided on a per person, per accident basis was unlimited. However, insurers are required at present to provide medical expense benefits only up to $250,000 per person per accident. Prospective elimination of the reimbursement function of the Unsatisfied Claim and Judgment Fund for medical expense benefits in excess of $75,000 per person for an injury suffered in an accident covered by a policy issued or renewed on or after January 1, 2004 is deemed appropriate. Insurers would continue to be reimbursed for medical benefits in excess of $75,000 per person per accident for injuries suffered in accidents covered by policies issued or renewed prior to January 1, 2004.

c. Since all motor vehicle liability policies issued in this State, except basic automobile insurance policies, include coverage for the payment of all or part of the sums which a person insured thereunder shall be legally entitled to recover as compensatory damages from owners or operators of uninsured motor vehicles (other than hit and run motor vehicles), the number of third party claims made against the Unsatisfied Claim and Judgment Fund is not substantial. It would be more efficient to have these claims administered by the New Jersey Property-Liability Insurance Guaranty Association, established pursuant to P.L.1974, c.17 (C.17:30A-1 et seq.).

d. The New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L.1983, c.65 (C.17:30E-1 et seq.) and the Market Transition Facility, created pursuant to section 88 of P.L.1990, c.8 (C.17:33B-11) have both ceased issuing private passenger automobile insurance policies and are currently in run off, operating only to process the remaining claims against them. Currently, the funding for the claims payment and other operational activities of the New Jersey Automobile Full Insurance Underwriting Association and the Market Transition Facility is primarily provided by the New Jersey Automobile Insurance Guaranty Fund, created pursuant to section 23 of P.L.1990, c.8 (C.17:33B-5). However, existing statutes do not state how the consolidation or runoff operations of these entities will be handled.
Administrative and operational efficiencies would result from consolidating these entities and transferring the claims handling and other administrative duties of these entities to the New Jersey Property-Liability Insurance Guaranty Association.

e. Based upon recent financial and actuarial analysis, it is anticipated that the value of all residual New Jersey Automobile Full Insurance Underwriting Association and Market Transition Facility assets, including the balances in the New Jersey Automobile Insurance Guaranty Fund, to be transferred to the New Jersey Property-Liability Insurance Guaranty Association will be adequate to allow the association to discharge all remaining obligations of the New Jersey Automobile Full Insurance Underwriting Association and Market Transition Facility which are now to be administered by the association. Since no asset shortfall is projected, no additional assessment or other revenue generating powers are being conferred upon the association at this time with respect to such remaining obligations.

f. It is in the public interest to authorize the transfer and consolidation of compatible operations of the Unsatisfied Claim and Judgment Fund, the New Jersey Automobile Full Insurance Underwriting Association, and the Market Transition Facility to the New Jersey Property-Liability Insurance Guaranty Association.

g. Following transfer to the New Jersey Property-Liability Insurance Guaranty Association by the Unsatisfied Claim and Judgment Fund of all its management, administrative and claim functions, the Unsatisfied Claim and Judgment Fund shall continue to exist as a separate legal entity subject to the provisions of P.L.2003, c.89 (C.17:30A-2.1 et al.).

h. The New Jersey Property-Liability Insurance Guaranty Association will run off the remaining policyholder claim obligations of the New Jersey Automobile Full Insurance Underwriting Association and Market Transition Facility. The New Jersey Property-Liability Insurance Guaranty Association will also run off the obligations of the Unsatisfied Claim and Judgment Fund pursuant to section 2 of P.L.1977, c.310 (C.39:6-73.1) and take over all governance, administrative and financial functions of the Unsatisfied Claim and Judgment Fund, including the claim payment function.

i. As part of the consolidation being accomplished by P.L.2003, c.89 (C.17:30A-2.1 et al.), the New Jersey Property-Liability Insurance Guaranty Association is formally designated as a servicing facility for several statutory entities for which it currently provides administrative services and also for the Unsatisfied Claim and Judgment Fund which, pursuant to P.L.2003, c.89 (C.17:30A-2.1 et al.), is transferring specified functions to the New Jersey Property-Liability Insurance Guaranty Association. The association is also authorized to serve, either by designation or by contract, as a servicing facility.
for other entities which may be recommended by the association's board of
directors and approved by the commissioner.

j. This act is not intended to abrogate in any way the settlement agreement
entered into by the State and member insurers of the Market Transition Facility

2. Section 2 of P.L.1974, c.17 (C.17:30A-2) is amended to read as follows:

C.17:30A-2 Payment of covered claims.

2. a. The purpose of this act is to provide a mechanism for the payment of
covered claims under certain insurance policies, to avoid excessive delay
in payment, to avoid financial loss to claimants or policyholders because of the
insolvency of an insurer, to assist in the detection and prevention of insurer
insolvencies, to provide an association to assess the cost of such protection
among insurers, and to provide a mechanism to run off, manage, administer
and pay claims asserted against the Unsatisfied Claim and Judgment Fund,
created pursuant to P.L.1952, c.174 (C.39:6-61 et seq.), the New Jersey
Automobile Full Insurance Underwriting Association, created pursuant to
P.L.1983, c.65 (C.17:30E-1 et seq.), and the Market Transition Facility, created
pursuant to section 88 of P.L.1990, c.8 (C.17:33B-11).

b. This act shall apply to all kinds of direct insurance, except life insurance,

6. There is created a private, nonprofit, unincorporated, legal entity to be
known as the New Jersey Property-Liability Insurance Guaranty Association.
All insurers defined as member insurers in subsection 5 f. shall be and remain
members of the association as a condition of their authority to transact insurance
in this State. The association shall perform its functions under a plan of
operation established and approved under section 9 and shall exercise its powers
through a board of directors established under section 7.

The association is also authorized and shall have all of the powers necessary
and appropriate for the management and administration of the affairs of the
New Jersey Surplus Lines Insurance Guaranty Fund, in accordance with the
provisions of the "New Jersey Surplus Lines Insurance Guaranty Fund Act,
P.L.1984, c.101 (C.17:22-6.70 et seq.).

The association is also authorized and shall have all of the powers necessary
and appropriate for the management and administration of the affairs of, and

4. Section 8 of P.L.1974, c.17 (C.17:30A-8) is amended to read as follows:

C.17:30A-8 Association's obligations, powers and duties.

8. a. The association shall:

(1) Be obligated to the extent of the covered claims against an insolvent insurer incurred, in the case of private passenger automobile insurance, prior to or after the determination of insolvency, but before the policy expiration date or the date upon which the insured replaces the policy or causes its cancellation, or in the case of insurance other than private passenger automobile insurance, covered claims against such insolvent insurer incurred prior to or 90 days after the determination of insolvency, or before the policy expiration date if less than 90 days after said determination, or before the insured replaces the policy or causes its cancellation, if he does so within 90 days of the determination, but such obligation shall include only that amount of each covered claim which is less than $300,000.00 and subject to any applicable deductible contained in the policy, except that the $300,000.00 limitation shall not apply to a covered claim arising out of insurance coverage mandated by section 4 of P.L.1972, c.70 (C.39:6A-4). In the case of benefits payable under subsection a. of section 4 of P.L.1972, c.70 (C.39:6A-4), the association shall be liable for payment of benefits in an amount not to exceed the amount set forth in section 4 of P.L.1972, c.70 (C.39:6A-4). In no event shall the association be obligated to a policyholder or claimant in an amount in excess of the limits of liability stated in the policy of the insolvent insurer from which the claim arises;

(2) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent;

(3) Assess member insurers in amounts necessary to pay:

(a) The obligations of the association under paragraphs (1) and (11) of this subsection;

(b) The expenses of handling covered claims;

(c) The cost of examinations under section 13; and

(d) Other expenses authorized by this act, excluding expenses incurred by the association pursuant to paragraphs (9) and (10) of this subsection.
The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment.

Each member insurer shall be notified of the assessment not later than 30 days before it is due. No member insurer of the association may be assessed pursuant to this paragraph (3) in any year in an amount greater than 2% of that member insurer's net direct written premiums for the calendar year preceding the assessment with regard to the association's obligation to pay covered claims and related expenses arising under coverages issued by insolvent insurers pursuant to P.L.1974, c.17 (C.17:30A-1 et seq.).

The association may, subject to the approval of the commissioner, exempt, abate or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. In the event an assessment against a member insurer is exempted, abated, or deferred, in whole or in part, because of the limitations set forth in this section, the amount by which such assessment is exempted, abated, or deferred shall be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as it is permitted by this act. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

(4) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested;

(5) Notify such persons as the commissioner directs under paragraph (1) of subsection b. of section 10 of P.L.1974, c.17 (C.17:30A-10);

(6) Handle claims through its employees or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer. The association is designated as a servicing facility for the administration of claim obligations of: (a) the New Jersey Surplus Lines Insurance Guaranty Fund; (b) the New Jersey Medical
418  CHAPTER 89, LAWS OF 2003

Malpractice Reinsurance Association; and (c) the Unsatisfied Claim and Judgment Fund. The association may also be designated or may contract as a servicing facility for any other entity which may be recommended by the association's board of directors and approved by the commissioner;

(7) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this act;

(8) Make loans to the New Jersey Surplus Lines Insurance Guaranty Fund and the Unsatisfied Claim and Judgment Fund in such amounts and on such terms as the board of directors may determine are necessary or appropriate to effectuate the purposes of P.L.2003, c.89 (C.17:30A-2.1 et al.) in accordance with the plan of operation; provided, however, no such loan transaction shall be authorized to the extent the federal tax exemption of the association would be withdrawn or the association would otherwise incur any federal tax or penalty as a result of such transaction;

(9) Assess member insurers in amounts necessary to make loans pursuant to paragraph (10) of this subsection. The estimated assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment with actual assessments adjusted in the succeeding year based on the proportion that the assessed member insurer's net direct written premiums in the year of assessment bears to the net direct written premiums of all member insurers for that year.

(a) For the purposes of this paragraph, "net direct written premiums" shall not include medical malpractice liability insurance premiums paid to member insurers to which an additional charge has been applied for deposit in the New Jersey Medical Malpractice Reinsurance Recovery Fund as provided in the "Medical Malpractice Liability Insurance Act," P.L.1975, c.301 (C.17:30D-1 et seq.) and the regulations promulgated pursuant thereto.

(b) In the event that the commissioner certifies that loans in amounts less than $160 million per calendar year as provided in paragraph (10) of this subsection will satisfy the current and anticipated financial obligations of the Market Transition Facility, without reference to the amount of funds remaining from the sale of the Market Transition Facility Senior Lien Revenue Bonds, a member insurer, and all of its affiliates as defined in subsection a. of section 1 of P.L.1970, c.22 (C.17:27A-1), shall be subject to a reduced assessment pursuant to this paragraph if the member insurer and all such affiliates: (i) did not issue or renew a policy of private passenger automobile insurance in this State on or after January 1, 1973; (ii) were not assessed as members of the Market Transition Facility as established by section 88 of P.L.1990,
c.8 (C.17:33B-11); and (iii) had not relinquished voluntarily any expectation they may have had for the repayment of loans made pursuant to paragraph (10) of this subsection, as provided by paragraph (2) of subsection b. of section 6 of P.L.1983, c.65 (C.17:29A-35), pursuant to any court order or settlement agreement approved by any court of competent jurisdiction, on or before the effective date of this 1995 amendatory act. The reduced assessment of such members shall be equal to their proportionate share of the difference between the amount certified by the commissioner and the total of the assessment of all other insurers subject to such assessment. If the amount of such difference is zero or less, the reduced assessment shall be zero;

(10) Make loans in the amount of $160 million per calendar year, beginning in calendar year 1990, or upon certification by the commissioner, as provided by paragraph (b) of subsection (9) of this section, that lesser amounts will satisfy the current and anticipated financial obligations of the Market Transition Facility, such lesser amounts as may be collected pursuant to paragraph (9) of this subsection, to the New Jersey Automobile Insurance Guaranty Fund created pursuant to section 23 of P.L.1990, c.8 (C.17:33B-5), except that no loan shall be made pursuant to this paragraph after December 31, 1997. In no event shall member insurers subject to assessments have their financial obligation increased due to reductions granted pursuant to paragraph (9) of this subsection;

(11) Reimburse an insurer for medical expense benefits in excess of $75,000 per person per accident as provided in section 2 of P.L.1977, c.310 (C.39:6-73.1) for injuries covered under an automobile insurance policy issued prior to January 1, 2004;

b. The association may:

(1) Employ or retain such persons as are necessary to handle claims and perform such other duties of the association;

(2) Borrow and separately account for funds from any source, including, but not limited to, the New Jersey Surplus Lines Insurance Guaranty Fund and the Unsatisfied Claim and Judgment Fund, in such amounts and on such terms, as the board of directors may determine are necessary or appropriate to effectuate the purpose of this act in accordance with the plan of operation; provided, however, no such borrowing transaction shall be authorized to the extent the federal tax exemption of the association would be withdrawn or
the association would otherwise incur any federal tax or penalty as a result of such transaction;

(3) Sue or be sued;

(4) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this act;

(5) Perform such other acts as are necessary or proper to effectuate the purpose of this act;

(6) Refund to the member insurers in proportion of the contribution of each member insurer that amount by which the assets exceed the liabilities if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities, as estimated by the board of directors for the coming year.

5. Section 9 of P.L. 1974, c. 17 (C.17:30A-9) is amended to read as follows:

C.17:30A-9 Plan of operation.

9. a. (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner;

(2) If the association fails to submit a plan of operation acceptable to the commissioner within 90 days following the effective date of this act, or if at any time thereafter the association fails to submit an acceptable amendment to the plan, the commissioner shall, after notice and hearing adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this act. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

b. All member insurers shall comply with the plan of operation.

c. The plan of operation shall:

(1) Establish the procedures whereby all the powers and duties of the association under section 8 of this act will be performed;

(2) Establish procedures for handling assets of the association;

(3) Establish the amount and method of reimbursing members of the board of directors under section 7 of this act;

(4) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association by the receiver or liquidator;

(5) Establish regular places and times for meetings of the board of directors;
(6) Establish procedures for records to be kept in all financial transactions of the association, its agents, and the board of directors;

(7) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the commissioner within 30 days after the action or decision;

(8) Establish the procedures whereby selections for the board of directors will be submitted to the commissioner;

(9) Contain additional provisions necessary or proper for the execution of the powers and duties of the association;

(10) Establish procedures for the transition and consolidation of compatible functions of the Unsatisfied Claim and Judgment Fund, the New Jersey Automobile Full Insurance Underwriting Association and the Market Transition Facility in order to eliminate redundant operational activities and promote greater efficiencies in claims handling and other operations;

(11) Establish procedures as necessary or proper to finance the operation of and account for receipts and disbursements as well as other financial transactions involving the Unsatisfied Claim and Judgment Fund, the New Jersey Automobile Full Insurance Underwriting Association and the Market Transition Facility;

(12) Create such advisory boards as necessary or proper to assist in the administration and management of the operations of the Unsatisfied Claim and Judgment Fund.

d. The plan of operation may provide that any or all powers and duties of the association except those under sections 8a.(3) and 8b.(2), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of the functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this act.

Wherever in any law, rule or regulation, reference is made to the Unsatisfied Claim and Judgment Fund Board, the same shall mean and refer to the New Jersey Property-Liability Insurance Guaranty Association.

8. Section 2 of P.L. 1954, c.174 (C.39:6-62) is amended to read as follows:

"Commissioner" means the Commissioner of Banking and Insurance.
"Unsatisfied Claim and Judgment Fund" or "Fund" means the fund derived from the sources specified in this act.

"Qualified person" means a resident of this State or the owner of a motor vehicle registered in this State or a resident of another state, territory, or federal district of the United States or province of Canada or of a foreign country, in which recourse is afforded, to residents of this State, of substantially similar character to that provided for by this act; provided, however, that no person shall be a qualified person where such person is an insured under a policy provision providing coverage for damages sustained by the insured as a result of the operation of an uninsured motor vehicle in a form authorized to be included in automobile liability policies of insurance delivered or issued for delivery in this State, pursuant to the provisions of, or any supplement to, chapter 28 of Title 17 of the Revised Statutes or in a form substantially similar thereto.

"Uninsured motor vehicle" means a motor vehicle as to which there is not in force a liability policy meeting the requirements of section 3 or 26 of the "Motor Vehicle Security-Responsibility Law," P.L.1952, c.173 (C.39:6-25 or C.39:6-48), and which is not owned by a holder of a certificate of self-insurance under said law, but shall not include a motor vehicle with a policy in force which is insured pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1).

9. Section 3 of P.L.1952, c.174 (C.39:6-63) is amended to read as follows:

C.39:6-63 Creation, maintenance of fund.

3. For the purpose of creating and maintaining the fund:
   (a) (Deleted by amendment, P.L.1968, c.323, s.3.)
   (b) (Deleted by amendment, P.L.1968, c.323, s.3.)
   (c) (Deleted by amendment, P.L.1968, c.323, s.3.)
   (d) Commencing on or before December 30, 2003, and on or before December 30 in each year thereafter, the association shall calculate the probable amount which will be needed to carry out its responsibilities under section 35 of P.L.2003, c.89 (C.39:6-86.7), section 9 of P.L.1952, c.174 (C.39:6-69) and section 7 of P.L.1972, c.198 (C.39:6-86.1) during the ensuing year. In
that calculation, the association shall take into consideration the amount presently reserved for pending claims, anticipated payments from the fund during that year and during the two years after that year, anticipated amounts to be reserved for claims pending during that year, and the desirability of maintaining a surplus over and above those anticipated payments and present and anticipated reserves, which surplus shall not exceed the amount actually paid from the fund during the 12 full calendar months immediately preceding the date of calculation. The association shall then, within 30 days of the adoption of such amendment, recalculate the probable amount which will be needed to carry out the provisions of P.L.2003, c.89 (C.17:30A-2.1 et al.) during the ensuing fiscal year, in accordance with the provisions of subsection (d) of this section. If, in the judgment of the association, the estimated balance of the fund at the beginning of the next year will be sufficient to meet those needs, the association shall determine the contributions of insurers, if any, in accordance with the provisions of subsection (d) of this section.

10. Section 18 of P.L.1955, c.1 (C.39:6-64.1) is amended to read as follows:

C.39:6-64.1 Plan of operation.

18. a. The association may from time to time, adopt and amend a plan of operation, subject to the approval of the commissioner, necessary or desirable in connection with its functions, duties and responsibilities in administering this act.

The plan of operation shall provide that the Unsatisfied Claim and Judgment Fund may (1) borrow and separately account for moneys from any source, including, but not limited to, the New Jersey Property-Liability Insurance Guaranty Association and the New Jersey Surplus Lines Insurance Guaranty Fund, in such amounts and on such terms as the board of directors may determine, are necessary or appropriate and (2) make loans, in such amounts and on such terms as the board of directors may determine are necessary or appropriate, to the New Jersey Property-Liability Insurance Guaranty Association and the New Jersey Surplus Lines Insurance Guaranty Fund.

b. There shall be no liability on the part of and no cause of action of any nature shall arise against the association, its agents, employees, or the

5. Any qualified person, or the personal representative of such person, who suffers damages resulting from bodily injury or death or damage to property arising out of the ownership, maintenance or use of a motor vehicle in this State on or after April 1, 1955, and whose damages may be satisfied in whole or in part from the fund, shall, except in cases in which the claim is asserted by actions brought under section 18 of this act pursuant to section 19 of this act, within 180 days after the accident, as a condition precedent to the right thereafter to apply for payment from the fund, give notice to the association, the form and contents of which shall be prescribed by the association, of his intention to make a claim thereon for such damages if otherwise uncollectible; provided, any such qualified person may, in lieu of giving said notice within said time, make proof to the court on the hearing of the application for the payment of a judgment (a) that he was physically incapable of giving said notice within said period and that he gave said notice within 180 days after he became physically capable to do so or in the event he did not become so capable, that a notice was given on his behalf within a reasonable period, or (b) that he gave notice to the association within 15 days of receiving notice that an insurer had disclaimed on a policy of insurance so as to remove or withdraw liability insurance coverage for his claim against a person or persons who allegedly caused him to suffer damages. A copy of the complaint shall be furnished to the association if an action has theretofore been brought for the enforcement of such claim. Such person shall also notify the association of any action thereafter instituted for the enforcement of such claim within 15 days after the institution thereof and such notice shall be accompanied by a copy of the complaint.

The New Jersey Motor Vehicle Commission is hereby authorized and empowered, the provisions of any other law relating to the confidential nature of any reports or information furnished to or filed with the division notwithstanding, to furnish to the association upon its request, for such use, utilization and purposes as the association may deem reasonably appropriate to administer this act and discharge its functions hereunder, any reports or information filed by any person or persons claiming benefits under the provisions of this act, that the director has with regard to any accident, and any operator or owner of a motor vehicle involved in any accident, and as to any automobile or motor vehicle liability insurance or bond carried by an operator or owner of any motor vehicle.

7. The association may through counsel enter an appearance on behalf of the defendant, file a defense, appear at the trial or take such other steps as it may deem appropriate on the behalf and in the name of the defendant, and may thereupon, on the behalf and in the name of the defendant, conduct his defense, take recourse to any appropriate method of review on behalf of, and in the name of, the defendant, and all such acts shall be deemed to be the acts of such defendant; provided, however, that nothing contained herein shall deprive the defendant of the right to also employ his own counsel and defend the action. All expense incurred by the association in connection with any review prosecuted or defended by it from a judgment rendered in such action, including its attorneys' fees in connection therewith, shall be borne by the fund.

13. Section 8 of P.L.1952, c.174 (C.39:6-68) is amended to read as follows:

8. In any case in which the association has assumed under this act, the defense of any action, the defendant shall co-operate with the association in the defense of such action. In the event of his failure to do so, the association may apply to the court for an order directing such co-operation.

not exceed, or upon such judgment for damage to property, which exceeds the sum of $500.00 and does not exceed--

(b) The maximum amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to, or death of, more than one person, in any one accident, and

(c) The maximum amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident.

(j) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of personal or real property or other assets, liable to be sold or applied in satisfaction of the judgment,

(k) By such search he has discovered no personal or real property or other assets, liable to be sold or applied or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so sold and applied and that he has taken all necessary action and proceedings for the realization thereof and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized,

(l) The application is not made by or on behalf of any insurer by reason of the existence of a policy of insurance, whereby the insurer is liable to pay, in whole or in part, the amount of the judgment and that no part of the amount to be paid out of the fund is sought in lieu of making a claim or receiving a payment which is payable by reason of the existence of such a policy of insurance and that no part of the amount so sought will be paid to an insurer to reimburse or otherwise indemnify the insurer in respect of any amount paid or payable by the insurer by reason of the existence of such a policy of insurance,

(m) Whether or not he has recovered a judgment in an action against any other person against whom he has a cause of action in respect of his damages for bodily injury or death or damage to property arising out of the accident and what amounts, if any, he has received by way of payments upon the judgment, or by way of settlement of such cause of action, in whole or in part, from or on behalf of such other person,

(n) In order to recover for noneconomic loss, as defined in section 2 of P.L.1972, c.70 (C.39:6A-2) for accidents to which the benefits of sections 7 and 10 of P.L.1972, c.198 (C.39:6-86.1 and C.39:6-86.4) apply, the injured person shall have sustained an injury described in subsection a. of section 8 of P.L.1972, c.70 (C.39:6A-8).

Whenever the applicant satisfies the court that it is not possible to comply with one or more of the requirements enumerated in subsections (h) and (i) of this section and that the applicant has taken all reasonable steps to collect the amount of the judgment or the unsatisfied part thereof and has been unable to collect the same, the court may dispense with the necessity for complying with such requirements.

The association may appear and be heard on application and show cause why the order should not be made.
16. Section 11 of P.L.1952, c.174 (C.39:6-71) is amended to read as follows:

**C.39:6-71 Order for payment of judgment.**

11. The court shall make an order directed to the association requiring the association to make payment from the fund of such sum, if any, as it shall find to be payable upon said claim, pursuant to the provisions of and in accordance with the limitations contained in this act, if the court is satisfied, upon the hearing:

(a) Of the truth of all matters required to be shown by the applicant by section 10,

(b) That the applicant has fully pursued and exhausted all remedies available to him for recovering damages against all persons mentioned in subparagraph (m) of section 10 by

(1) Commencing action against all such persons against whom the applicant might reasonably be considered as having a cause of action in respect of such damages and prosecuting every such action in good faith to judgment and

(2) Taking all reasonable steps available to him to collect on every judgment so obtained and by applying the proceeds of any judgment or recovery so obtained towards satisfaction of the amount due upon the judgment for payment of which the claim is made.

Any amount which the plaintiff has received or can collect by way of payments upon the judgment or by way of settlement of the cause of action, in whole or in part, from or on behalf of any person other than the judgment debtor, described in subparagraph (m) of section 10, shall be deducted from the amount due upon the judgment for payment of which claim is made.

17. Section 12 of P.L.1952, c.174 (C.39:6-72) is amended to read as follows:

**C.39:6-72 Contents of petition; settlement of claim.**

12. (a) In any action against an operator or owner of a motor vehicle for injury to or death of any person or for damage to property arising out of the ownership, maintenance or use of said vehicle in this State on or after April 1, 1955, pending in any court of competent jurisdiction in this State, the plaintiff may upon notice to the association file a verified petition with the court alleging:

(1) the matters set forth in subparagraphs (a), (b), (c), (d), (e) and (f) of section 10;

(2) that the petition is not presented on behalf of an insurer under circumstances set forth in subparagraph (1) of section 10;

(4) that the said proposed settlement has been entered into with and by the consent of the Superior Court and approved by the association;
(5) that the defendant has executed and delivered to the association a verified statement of his financial condition;

(6) that a judgment against the defendant would be uncollectible;

(7) that the defendant has undertaken in writing to repay to the association the sum that he would be required to pay under such settlement, and has executed a confession of judgment in connection therewith.

If the court be satisfied of the truth of the allegations in said petition and of the fairness of such proposed settlement, it may enter an order approving the same and directing the association, upon receipt of the undertaking and confession of judgment mentioned in subparagraph (7) of this section, to make payment to the plaintiff of the amount agreed to be accepted.

(b) The association may settle any claim, without court approval, if satisfied:

(1) that the claimant is not a person of the character described in subparagraphs (a), (b), (c), (d), (e) and (f) of section 10;

(2) that the settlement is not made on behalf of an insurer under circumstances set forth in subparagraph (e) of section 10; and

(3) that a judgment against the owner or operator of the motor vehicle involved in the accident would be uncollectible, and that such owner or operator has consented to such settlement, executed and delivered to the association a verified statement of his financial condition and undertaken in writing to repay to the association the sum to be paid under the settlement, and executed a confession of judgment in connection therewith.

(a) Any claim for damage to property for less than $500.00,

(b) The first $500.00 of any judgment for damage to property or of the unsatisfied portion thereof, or

(c) The unsatisfied portion of any judgment which, after deducting $500.00 therefrom if the judgment is for damage to property, exceeds

(1) the maximum or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person in any one accident, and

(2) the maximum amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to, or death of, more than one person, in any one accident, and

(3) the maximum amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident; provided, that such maximum
amounts shall be reduced by any amount received or recovered as specified in subsection (m) of section 10.

(d) Any claim for damage to property which includes any sum greater than the difference between said maximum amounts and the sum of $500.00, and any amount paid out of the fund in excess of the amount so authorized may be recovered by the association in an action brought to it against the person receiving the same.

19. Section 2 of P.L.1977, c.310 (C.39:6-73.1) is amended to read as follows:

C.39:6-73.1 Assumption of excess payment by fund; exceptions.

2. In the event medical expense benefits paid by an insurer, in accordance with subsection a. of section 4 of P.L.1972, c.70 (C.39:6A-4) or section 4 of P.L.1998, c.21 (C.39:6A-3.1), are in excess of $75,000.00 on account of personal injury to any one person in any one accident covered under a policy issued prior to January 1, 2004, the Unsatisfied Claim and Judgment Fund shall assume the following: a. the entire excess for a medical expense benefits claim covered under a policy issued before January 1, 1991; and b. such excess up to $250,000 for a medical expense benefits claim covered under a policy issued on or after January 1, 1991 and the Unsatisfied Claim and Judgment Fund shall reimburse the insurer therefor in accordance with rules and regulations promulgated by the commissioner; provided, however, that this provision is not intended to broaden the coverage available to accidents involving uninsured or hit-and-run automobiles, to provide extraterritorial coverage, or to pay excess medical expenses.

The Unsatisfied Claim and Judgment Fund shall cease to reimburse an insurer for medical expense benefits under this section for injuries covered under a policy issued on or after January 1, 2004.

20. Section 14 of P.L.1952, c.174 (C.39:6-74) is amended to read as follows:

C.39:6-74 Default and consent judgments.

14. If the court, upon a hearing for the allowance of any claim against the fund, finds that it was a claim which was not assigned by the association for defense, or that the action upon such claim was not fully and fairly defended,
or that the judgment thereon was entered upon the consent or with the agreement of the defendant, the court shall allow such claim but shall order it to be paid only in such sum as the court shall determine to be justly due and payable out of the fund, on the basis of the actual amount of damages for which the defendant was liable to the plaintiff under the cause of action, upon which the judgment was rendered and reduced by any amount received from any person mentioned in subparagraph (m) of section 10, notwithstanding that the judgment is for a greater amount.

21. Section 17 of P.L.1952, c.174 (C.39:6-77) is amended to read as follows:

C.39:6-77 Assignment of judgments to association.

17. Assignment of judgments to association. The association shall not pay any sum from the fund, in compliance with an order made for that purpose, in any case in which the claim is founded upon a judgment, except a judgment obtained against the association under this act, until the applicant assigns the judgment to the association and, thereupon, the association shall be deemed to have all the rights of the judgment creditor under the judgment and shall enforce and collect the same for the full amount thereof with interest and costs and if more money is collected upon any such judgment than the amount paid out of the fund, the association shall pay the balance, after reimbursing the fund, to the judgment creditor. Upon assignment of a judgment to the association the association may enter into agreement with the defendant for reimbursement of the fund by lump sum or installment payments, including waiver of interest and subordination of the lien of the judgment where the same is determined to be advantageous in obtaining reimbursement of payments made by the fund. Any such agreement may be annexed to an application for a court order made pursuant to section 27(b).

(b) The claimant is not a person covered with respect to such injury or
death by any workers' compensation law, or the personal representative of
such a person,
(c) The claimant was not at the time of the accident the owner or registrant
of an uninsured motor vehicle, or was not operating a motor vehicle in violation

motor vehicle and of the owner and operator thereof and either that the identity
of the motor vehicle and the owner and operator thereof cannot be established,
or that the identity of the operator, who was operating the motor vehicle without
the owner's consent, cannot be established,

person, arising out of the ownership, maintenance or use of a motor vehicle

on the sole ground that such death or personal injury was occasioned by a
motor vehicle--
(a) The identity of which, and of the owner and operator of which, has
not been established, or
(b) Which was in the possession of some person other than the owner
or his agent without the consent of the owner and the identity of the operator

The association shall for all purposes of the action be deemed to be the defendant. The association shall have available to it any and all defenses which would have been available to said operator or owner or both if the action had been brought against them or either of them and process upon them or either of them had been duly served within this State, but the association shall be entitled to defend in all cases without asserting any specific facts.

26. Section 22 of P.L.1952, c.174 (C.39:6-82) is amended to read as follows:

C.39:6-82 Settlement of actions against the association.

22. Settlement of actions against the association. If the court be satisfied of the fairness of such proposed settlement, it may enter an order approving such settlement and enter a judgment against the association for the amount so agreed to be paid thereunder.

of, or injury to, any one person, does not exceed $30,000.00, exclusive of interest and costs, on account of the injury to, or death of, more than one person, in any one accident, provided that such maximum amount shall be reduced by any amount received or recovered by the plaintiff as specified in subparagraph (m) of section 10.

in such event the Unsatisfied Claim and Judgment Fund shall provide, under the following conditions, the following benefits:

d. Death benefits. In the event of the death of an income producer as a result of injuries sustained in an accident entitling such person to benefits under this section, the maximum amount of benefits which could have been paid to the income producer, but for his death, under subsection b. of this section shall be paid to the surviving spouse, or in the event there is no surviving spouse, then to the surviving children, and in the event there are no surviving spouse or surviving children, then to the estate of the income producer.

If the identity of the owner and operator is not ascertained until after personal injury protection benefits have been paid then the association shall be entitled to recover for such payments, regardless of fault, from the operator if he was driving without the owner's permission or from the operator and the owner if he was driving with the owner's permission or, in either case, from the insurer if there is an insurance policy providing personal injury protection benefits that was in effect at the time of the accident with respect to such automobile.

"Personal injury protection coverage" issued pursuant to this section means and includes payment of medical expense benefits, as provided in the policy and approved by the commissioner, for the reasonable and necessary treatment of bodily injury in an amount not to exceed $15,000 per person per accident; except that, medical expense benefits shall be paid in an amount not to exceed $250,000: (1) for all medically necessary treatment of permanent or significant brain injury, spinal cord injury or disfigurement or (2) for medically necessary treatment of other permanent or significant injuries rendered at a trauma center or acute care hospital immediately following the accident and until the patient is stable, no longer requires critical care and can be safely discharged or transferred to another facility in the judgment of the attending physician. In the event benefits paid by an insurer pursuant to this subsection are in excess of $75,000 on account of personal injury to any one person in any one accident covered by a policy issued or renewed prior to January 1, 2004, such excess shall be paid by the insurer and shall be reimbursable to the insurer from the Unsatisfied Claim and Judgment Fund pursuant to section 2 of P.L.1977, c.310 (C.39:6-73.1). The commissioner shall set forth by regulation a statement of the basic benefits which shall be included in the policy. Medical treatments, diagnostic tests, and services provided by the policy shall be rendered in
accordance with commonly accepted protocols and professional standards and practices which are commonly accepted as being beneficial for the treatment of the covered injury. Protocols and professional standards and practices which are deemed to be commonly accepted pursuant to this section shall be those recognized by national standard setting organizations, national or state professional organizations of the same discipline as the treating provider, or those designated or approved by the commissioner in consultation with the professional licensing boards in the Division of Consumer Affairs in the Department of Law and Public Safety. The commissioner, in consultation with the Commissioner of the Department of Health and Senior Services and the applicable licensing boards, may reject the use of protocols, standards and practices or lists of diagnostic tests set by any organization deemed not to have standing or general recognition by the provider community or the applicable licensing boards. Protocols shall be deemed to establish guidelines as to standard appropriate treatment and diagnostic tests for injuries sustained in automobile accidents, but the establishment of standard treatment protocols or protocols for the administration of diagnostic tests shall not be interpreted in such a manner as to preclude variance from the standard when warranted by reason of medical necessity. The policy form may provide for the precertification of certain procedures, treatments, diagnostic tests, or other services or for the purchase of durable medical goods, as approved by the commissioner, provided that the requirement for precertification shall not be unreasonable, and no precertification requirement shall apply within ten days of the insured event. The policy may provide that certain benefits provided by the policy which are in excess of the basic benefits required by the commissioner to be included in the policy may be subject to reasonable copayments in addition to the copayments provided for herein, provided that the copayments shall not be unreasonable and shall be established in such a manner as not to serve to encourage underutilization of benefits subject to the copayments, nor encourage overutilization of benefits. The policy form shall clearly set forth any limitations on benefits or exclusions, which may include, but need not be limited to, benefits which are otherwise compensable under workers' compensation, or benefits for treatments deemed to be experimental or investigational, or benefits deducted pursuant to section 6 of P.L.1972, c.70 (C.39:6A-6). The commissioner may enlist the services of a benefit consultant in establishing the basic benefits level provided in this subsection, which shall be set forth by regulation no later than 120 days following the enactment date of this amendatory and supplementary act. The commissioner shall not advertise for the consultant as provided in sections 3 and 4 of P.L.1954, c.48 (C.52:34-8 and 52:34-9).

Medical expense benefits payable under this subsection shall not be assignable, except to a provider of service benefits, in accordance with policy
terms approved by the commissioner, nor shall they be subject to levy, execution, attachment or other process for satisfaction of debts. Medical expense benefits payable in accordance with this subsection may be subject to a deductible and copayments as provided for in the policy, if any. No insurer or provider providing service benefits to an insured shall have a right of subrogation for the amount of benefits paid pursuant to any deductible or copayment under this section.

Notwithstanding the provisions of P.L.2003, c.18, physical therapy treatment shall not be reimbursable as medical expense benefits pursuant to this subsection unless rendered by a licensed physical therapist pursuant to a referral from a licensed physician, dentist, podiatrist or chiropractor within the scope of their respective practices.

b. Liability insurance coverage insuring against loss resulting from liability imposed by law for property damage sustained by any person arising out of the ownership, maintenance, operation or use of an automobile in an amount or limit of $5,000, exclusive of interest and costs, for damage to property in any one accident.

c. In addition to the aforesaid coverages required to be provided in a basic automobile insurance policy, optional liability insurance coverage insuring against loss resulting from liability imposed by law for bodily injury or death in an amount or limit of $10,000, exclusive of interests and costs, on account of injury to, or death of, one or more persons in any one accident.

If a named insured has elected the basic automobile insurance policy option and an immediate family member or members or relatives resident in his household have one or more policies with the coverages provided for in sections 3 and 4 of P.L.1972, c.70 (C.39:6A-3 and 39:6A-4), the provisions of section 12 of P.L.1983, c.362 (C.39:6A-4.2) shall apply.

Every named insured and any other person to whom the basic automobile insurance policy, with or without the optional $10,000 liability coverage insuring against loss resulting from liability imposed by law for bodily injury or death provided for in subsection c. of this section, applies shall be subject to the tort option provided in subsection a. of section 8 of P.L.1972, c.70 (C.39:6A-8).

No licensed insurance carrier shall refuse to renew the coverage stipulated by this section of an eligible person as defined in section 25 of P.L.1990, c.8 (C.17:33B-13) except in accordance with the provisions of section 26 of P.L.1988, c.119 (C.17:29C-7.1) or with the consent of the Commissioner of Banking and Insurance.

37. Section 4 of P.L.1972, c.70 (C.39:6A-4) is amended to read as follows:

C.39:6A-4 Personal injury protection coverage, regardless of fault.

4. Personal injury protection coverage, regardless of fault.
Except as provided by section 45 of P.L.2003, c.89 (C.39:6A-3.3) and section 4 of P.L.1998, c.21 (C.39:6A-3.1), every standard automobile liability insurance policy issued or renewed on or after the effective date of P.L.1998, c.21 (C.39:6A-1.1 et al.) shall contain personal injury protection benefits for the payment of benefits without regard to negligence, liability or fault of any kind, to the named insured and members of his family residing in his household who sustain bodily injury as a result of an accident while occupying, entering into, alighting from or using an automobile, or as a pedestrian, caused by an automobile or by an object propelled by or from an automobile, and to other persons sustaining bodily injury while occupying, entering into, alighting from or using the automobile of the named insured, with permission of the named insured.

"Personal injury protection coverage" means and includes:

a. Payment of medical expense benefits in accordance with a benefit plan provided in the policy and approved by the commissioner, for reasonable, necessary, and appropriate treatment and provision of services to persons sustaining bodily injury, in an amount not to exceed $250,000 per person per accident. In the event benefits paid by an insurer pursuant to this subsection are in excess of $75,000 on account of bodily injury to any one person in any one accident, that excess shall be paid by the insurer and shall be reimbursable to the insurer from the Unsatisfied Claim and Judgment Fund pursuant to section 2 of P.L.1977, c.310 (C.39:6-73.1). The policy form, which shall be subject to the approval of the commissioner, shall set forth the benefits provided under the policy, including eligible medical treatments, diagnostic tests and services as well as such other benefits as the policy may provide. The commissioner shall set forth by regulation a statement of the basic benefits which shall be included in the policy. Medical treatments, diagnostic tests, and services provided by the policy shall be rendered in accordance with commonly accepted protocols and professional standards and practices which are commonly accepted as being beneficial for the treatment of the covered injury. Protocols and professional standards and practices and lists of valid diagnostic tests which are deemed to be commonly accepted pursuant to this section shall be those recognized by national standard setting organizations, national or state professional organizations of the same discipline as the treating provider, or those designated or approved by the commissioner in consultation with the professional licensing boards in the Division of Consumer Affairs in the Department of Law and Public Safety. The commissioner, in consultation with the Commissioner of the Department of Health and Senior Services and the applicable licensing boards, may reject the use of protocols, standards and practices or lists of diagnostic tests set by any organization deemed not to have standing or general recognition by the provider community or the applicable licensing boards. Protocols shall be deemed to establish guidelines as to standard appropriate treatment and
diagnostic tests for injuries sustained in automobile accidents, but the establishment of standard treatment protocols or protocols for the administration of diagnostic tests shall not be interpreted in such a manner as to preclude variance from the standard when warranted by reason of medical necessity. The policy form may provide for the precertification of certain procedures, treatments, diagnostic tests, or other services or for the purchase of durable medical goods, as approved by the commissioner, provided that the requirement for precertification shall not be unreasonable, and no precertification requirement shall apply within ten days of the insured event. The policy may provide that certain benefits provided by the policy which are in excess of the basic benefits required by the commissioner to be included in the policy may be subject to reasonable copayments in addition to the copayments provided for pursuant to subsection e. of this section, provided that the copayments shall not be unreasonable and shall be established in such a manner as not to serve to encourage underutilization of benefits subject to the copayments, nor encourage overutilization of benefits. The policy form shall clearly set forth any limitations on benefits or exclusions, which may include, but need not be limited to, benefits which are otherwise compensable under workers' compensation, or benefits for treatments deemed to be experimental or investigational, or benefits deducted pursuant to section 6 of P.L.1972, c.70 (C.39:6A-6). The commissioner may enlist the services of a benefit consultant in establishing the basic benefits level provided in this subsection, which shall be set forth by regulation no later than 120 days following the enactment date of P.L.1998, c.21 (C.39:6A-1.1 et al.). The commissioner shall not advertise for bids for the consultant as provided in sections 3 and 4 of P.L.1954, c.48 (C.52:34-8 and 52:34-9).

Notwithstanding the provisions of P.L.2003, c.18, physical therapy treatment shall not be reimbursable as medical expense benefits pursuant to this subsection unless rendered by a licensed physical therapist pursuant to a referral from a licensed physician, dentist, podiatrist or chiropractor within the scope of their respective practices.

b. Income continuation benefits. The payment of the loss of income of an income producer as a result of bodily injury disability, subject to a maximum weekly payment of $100. Such sum shall be payable during the life of the injured person and shall be subject to an amount or limit of $5,200, on account of injury to any one person in any one accident, except that in no case shall income continuation benefits exceed the net income normally earned during the period in which the benefits are payable.

c. Essential services benefits. Payment of essential services benefits to an injured person shall be made in reimbursement of necessary and reasonable expenses incurred for such substitute essential services ordinarily performed by the injured person for himself, his family and members of the family residing in the household, subject to an amount or limit of $12 per day. Such benefits
shall be payable during the life of the injured person and shall be subject to an amount or limit of $4,380, on account of injury to any one person in any one accident.

d. Death benefits. In the event of the death of an income producer as a result of injuries sustained in an accident entitling such person to benefits under this section, the maximum amount of benefits which could have been paid to the income producer, but for his death, under subsection b. of this section shall be paid to the surviving spouse, or in the event there is no surviving spouse, then to the surviving children, and in the event there are no surviving spouse or surviving children, then to the estate of the income producer.

In the event of the death of one performing essential services as a result of injuries sustained in an accident entitling such person to benefits under subsection c. of this section, the maximum amount of benefits which could have been paid to such person, under subsection c., shall be paid to the person incurring the expense of providing such essential services.

e. Funeral expenses benefits. All reasonable funeral, burial and cremation expenses, subject to a maximum benefit of $1,000, on account of the death of any one person in any one accident shall be payable to the decedent's estate.

Benefits payable under this section shall:

1. Be subject to any option elected by the policyholder pursuant to section 13 of P.L.1983, c.362 (C.39:6A-4.3);

2. Not be assignable, except to a provider of service benefits under this section in accordance with policy terms approved by the commissioner, nor subject to levy, execution, attachment or other process for satisfaction of debts.

Medical expense benefit payments shall be subject to any deductible and any copayment which may be established as provided in the policy. Upon the request of the commissioner or any party to a claim for benefits or payment for services rendered, a provider shall present adequate proof that any deductible or copayment related to that claim has not been waived or discharged by the provider.

No insurer or health provider providing benefits to an insured shall have a right of subrogation for the amount of benefits paid pursuant to any deductible or copayment under this section.

38. Section 27 of P.L.1990, c.8 (C.17:33B-15) is amended to read as follows:

C.17:33B-15 Provision of automobile insurance coverage by insurers.

27. a. On or after April 1, 1992, every insurer, either by one or more separate rating plans filed in accordance with the provisions of section 6 of P.L.1988, c.156 (C.17:29A-45) prior to March 1, 1998, or section 14 of P.L.1997, c.151 (C.17:29A-46.1) on or after March 1, 1998, or through one or more affiliated
insurers, shall provide automobile insurance coverage for eligible persons. This subsection shall become inoperative on January 1, 2009.

b. No insurer shall refuse to insure, refuse to renew, or limit coverage available for automobile insurance to an eligible person who meets its underwriting rules as filed with and approved by the commissioner in accordance with the provisions of section 7 of P.L.1988, c.156 (C.17:29A-46) prior to March 1, 1998 or section 15 of P.L.1997, c.151 (C.17:29A-46.2) on or after March 1, 1998. This subsection shall become inoperative on January 1, 2009.

c. Notwithstanding the provisions of subsections a. and b. of this section to the contrary, any qualified insurer engaged in writing automobile insurance in an automobile insurance urban enterprise zone pursuant to section 22 of P.L.1997, c.151 (C.17:33C-4) may limit the number of exposures written through its UEZ agent or agents, or in the case of a qualified insurer doing business on a direct writing basis, the qualified insurer may limit the number of exposures written in an automobile insurance urban enterprise zone consistent with its marketing plans and goals as provided in subsection a. of section 21 of P.L.1997, c.151 (C.17:33C-3). Nothing in this subsection shall be construed to relieve a qualified insurer from its obligation under subsections a. and b. of this section to write all eligible persons residing within an automobile insurance urban enterprise zone through its non-UEZ agent points of access.

d. (1) Notwithstanding the provisions of subsections a. and b. of this section to the contrary, an insurer may file underwriting rules by which it may refuse to issue or limit coverage available for automobile insurance in any rating territory to an eligible person if the insurer has increased its aggregate number of private passenger automobile non-fleet exposures in the rating territory during the previous year: by 5% during the one-year period beginning January 1, 2004; by 4% during the one-year period beginning January 1, 2005; by 3% during the one-year period beginning January 1, 2006; by 2% during the one-year period beginning January 1, 2007; and by 1% during the one-year period beginning January 1, 2008, provided further that an insurer may file with the commissioner for a lower percentage growth standard than that listed in this subsection and the commissioner shall approve such a filing if he finds that the insurer does not have the financial and business resources to accommodate growth statewide at a higher percentage than that proposed in the filing.

(2) Underwriting rules filed pursuant to this subsection shall provide that the rules are activated only upon the filing with the commissioner of a proper certification. The certification shall be by an officer of the insurer attesting to the aggregate number of private passenger automobile non-fleet exposures in each rating territory on June 30 and December 31 of the preceding year and clearly identify any rating territory in which the insurer has met the percentage growth standard established by this subsection. Such underwriting
rules shall be operational in the identified territory on the first day of the second calendar month after the end of the calendar six-month period in which the percentage growth standard has been met. Such underwriting rules shall be operational in an identified territory for a period of six months, unless prior to their expiration, an officer of the insurer files a certification with the commissioner attesting that the percentage growth standard in an identified territory continues to be met.

(3) Notwithstanding any provision of this section to the contrary, the commissioner may make operative the provisions of subsections a. and b. of this section only by order finding one of the following circumstances:

(a) The commissioner determines, after a hearing, that a competitive market does not exist among insurers authorized to write private passenger automobile insurance in this State, which determination shall only be made pursuant to subsection f. of this section, provided, however, that there shall be a rebuttable presumption that a competitive market exists among insurers authorized to write private passenger automobile insurance in this State if the plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1) is insuring less than 10% of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State.

(b) The commissioner certifies that the plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1) is insuring 10% or more of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State.

(4) Any order issued by the commissioner that makes operative the provisions of subsections a. and b. of this section may limit the form of policies to which the order applies and shall establish a maximum increase in an insurer's aggregate number of private passenger automobile non-fleet exposures to which the order applies, which increase shall not exceed the maximum limit set forth in paragraph (1) of this subsection d.

(5) An eligible person denied or refused renewal of automobile insurance in a rating territory by an insurer granted relief pursuant to this subsection shall be advised by the insurer that coverage may be available from another insurer or that coverage is available from the plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1). The commissioner shall establish by regulation the form and content of the notice to be provided to such an eligible person.

(6) The provisions of this subsection d. shall not reduce an insurer's obligation to renew policies pursuant to section 26 of P.L. 1988, c. 119 (C. 17:29C-7.1).

e. The commissioner may suspend, revoke or otherwise terminate the certificate of authority to transact automobile insurance business in this State of any insurer who violates the provisions of this section.
f. (1) A determination that a competitive market for private passenger automobile insurance does not exist may be made by the commissioner, after notice and hearing, based on two or more of the factors set forth in paragraph (2) of this subsection. A hearing under this subsection shall be held consistent with the rulemaking provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), except that an order by the commissioner pursuant to this subsection shall include specific finding of fact and be supported by clear and convincing evidence. Any ruling that finds that competition does not exist within the market for automobile insurance shall include specific findings regarding: (a) the actions the State and the commissioner have taken to return the market to a competitive market; and (b) an explanation regarding why those actions have failed to return the market to a competitive market. A ruling pursuant to this subsection shall expire one year after issued unless rescinded earlier by the commissioner or unless the commissioner renews the ruling after a hearing and a finding as to continued lack of a reasonable degree of competition.

(2) The following factors shall be considered by the commissioner for purposes of determining if a reasonable degree of competition does not exist in a particular line of private passenger automobile insurance:

(a) The number of insurers or groups of affiliated insurers actively engaged in providing coverage in the market, taking into account the specialization traditionally associated with the line of insurance;

(b) Measures of market concentration and changes of market concentration over time, including, but not limited to, the Herfindahl-Hirschman Index (HHI) and the United States Department of Justice merger guidelines for an unconcentrated market;

(c) Ease of entry and exit and the existence of financial or economic barriers that could prevent new insurers from entering the market;

(d) The extent to which any insurer or group of affiliated insurers controls all or a dominant portion of the market and has actively sought to prevent competition;

(e) Whether the total number of insurers writing the line of insurance in this State is sufficient to provide multiple options;

(f) The availability of insurance coverage to consumers in the voluntary market; and

(g) The opportunities available to consumers in the market to acquire pricing and other consumer information.

(3) The commissioner shall monitor, and take all reasonable actions to maintain, the degree and continued existence of competition in this State on an on-going basis. In doing so, the commissioner may utilize existing relevant information, analytical systems and other sources, or rely on any combination thereof. Monitoring activities may be conducted internally within the
department, in cooperation with other state insurance departments, through outside contractors and in any other manner determined appropriate by the commissioner.

39. Section 1 of P.L.1970, c.215 (C.17:29D-1) is amended to read as follows:

C.17:29D-1 Rules, regulations for insurance plans; administration; requirements for automobile plan.

1. The Commissioner of Banking and Insurance may adopt, issue and promulgate rules and regulations establishing a plan for the providing and apportionment of insurance coverage for applicants therefor who are in good faith entitled to, but are unable to procure the same, through ordinary methods. Every insurer admitted to transact and transacting any line, or lines, of insurance in the State of New Jersey shall participate in such plan and provide insurance coverage to the extent required in such rules and regulations.

The governing board of any plan established pursuant to the commissioner's rules and regulations shall continue to exercise such administrative authority, subject to the commissioner's oversight and as provided in any rules and regulations promulgated pursuant to this section, as is necessary to ensure the plan's efficient operation, including, but not limited to, the authority to investigate complaints and hear appeals from applicants, insureds, producers, servicing carriers or participants about any matter pertaining to the plan's proper administration, as well as the authority to appoint subcommittees to hear such appeals. Any determination of an appeal by a plan's governing board shall be subject to review by the commissioner on the record below, and shall not be considered a contested case under the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). The commissioner's determination shall be a final order and shall be subject to review by the Superior Court.

Any plan established pursuant to this section to provide insurance for automobiles, as defined in section 2 of P.L.1972, c.70 (C.39:6A-2), shall provide:

a. For a rating system which shall produce rates for each coverage which are adequate for the safeness and soundness of the plan, and are not excessive nor unfairly discriminatory with regard to risks in the plan involving essentially the same hazards and expense elements, which rates may be changed from time to time by a filing with the commissioner in a manner and form approved by the commissioner;

b. For rates charged to plan insureds which shall be sufficient to meet the plan's expenses and the plan's losses on an incurred basis, including the establishment and maintenance of actuarially sound loss reserves to cover all future costs associated with the exposure;
c. For a limited assignment distribution system permitting insurers to enter into agreements with other mutually agreeable insurers or other qualified entities to transfer their applicants and insureds under such plan to such insurers or other entities, including applicants and insureds who may be covered by special automobile insurance polices issued pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3);

d. That it shall not provide insurance coverage for more than 10 percent of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State. The plan shall provide for the cessation of the acceptance of applications or the issuance of new policies to eligible persons at any time it reaches 10 percent of market share, as certified by the commissioner, until such time that the commissioner certifies that the plan is insuring less than 10 percent of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State;

e. Except for risks written in automobile insurance urban enterprise zones pursuant to subsection i., or risks written pursuant to subsection j. of this section, that it shall not provide coverage to an eligible person as defined pursuant to section 25 of P.L.1990, c.8 (C.17:33B-13);

f. (Deleted by amendment, P.L.1997, c.151.)

g. That the plan shall not be subsidized by any source external to the plan;

h. That a qualified insurer who writes automobile insurance risks in those automobile insurance urban enterprise zones designated by the commissioner pursuant to section 20 of P.L.1997, c.151 (C.17:33C-2) shall receive assigned risk credits for voluntary risks written in those designated automobile insurance urban enterprise zones as a direct writer or through a UEZ agent or agents or through any agent with whom the insurer has an in-force contract as of the effective date of P.L.1997, c.151 (C.17:33B-64 et al.). The commissioner shall establish by regulation the manner in which any qualified automobile insurer may utilize the provisions of this subsection. In no event shall that credit apply to reduce an insurer's obligations under subsection i. of this section;

i. (1) For a voluntary rating tier to accommodate eligible persons, as defined in section 25 of P.L.1990, c.8 (C.17:33B-13), residing in automobile insurance urban enterprise zones, designated by the commissioner pursuant to section 20 of P.L.1997, c.151 (C.17:33C-2), to provide increased availability and encourage the voluntary writing of eligible persons residing in those zones;

(2) The rates utilized in this voluntary rating tier shall be the voluntary market rates in use by the insurer to whom the risk is assigned in that territory;

(3) The voluntary rating tier shall not provide insurance coverage for more than five percent of the aggregate number of private passenger automobile...
CHAPTER 89, LAWS OF 2003

non-fleet exposures being written in the total private passenger automobile insurance market in this State, and the number of exposures written in the voluntary rating tier shall be included for computing the maximum number of exposures permitted to be written in the plan;

(4) The plan shall distribute risks submitted by qualified producers to insurers authorized to write automobile insurance in this State pursuant to a fair and nondiscriminatory formula established by the commissioner. The formula shall provide that insurers which have, and maintain, an aggregate voluntary automobile insurance market share in automobile insurance urban enterprise zones, which is reasonably equal to the insurer's voluntary Statewide market share excluding risks written in automobile insurance urban enterprise zones, shall be exempt from these distributions;

(5) Qualified producers may submit eligible person risks from automobile insurance urban enterprise zones to the plan for coverage in the voluntary rating tier. As used in this subsection i.: a "qualified producer" means a UEZ agent, as defined in section 19 of P.L.1997, c.151 (C.17:33C-1), who has met any limit on exposures that may be written in accordance with the UEZ agent's agreement with the appointing insurer pursuant to section 22 of P.L.1997, c.151 (C.17:33C-4); and a producer who: is duly licensed with property/casualty authority for the three years immediately preceding the effective date of P.L.1997, c.151 (C.17:33B-64 et al.); has no affiliation with a voluntary market insurer for the placement of automobile insurance; had an affiliation with a voluntary market insurer for the placement of automobile insurance that was terminated by the insurer in the last three years; demonstrates to the plan his competency, efficiency and effectiveness in the solicitation, negotiation and effectuation of automobile insurance as evidenced by any history of disciplinary actions or complaints against the producer, and other relevant factors; conducts his business in an office in an automobile insurance urban enterprise zone; and meets such other requirements as may be established by the commissioner by regulation. For purposes of this subsection i., "insurer" means an insurer or group of affiliated insurers admitted or authorized to transact the business of automobile insurance in this State;

(6) This subsection shall expire on the first day of the 97th month after the first policy using the voluntary rating tier required by this subsection was issued to a risk, as certified by the commissioner;

j. For a voluntary rating tier to accommodate eligible persons, as defined in section 25 of P.L.1990, c.8 (C.17:33B-13), denied or refused renewal of automobile insurance in a rating territory by an insurer granted relief pursuant to subsection d. of section 27 of P.L.1990, c.8 (C.17:33B-15);

k. That an insurer granted relief pursuant to subsection d. of section 27 of P.L.1990, c.8 (C.17:33B-15) shall receive assigned risk credits for voluntary risks written in excess of the percentage growth standard established by that
subsection d. The commissioner shall establish by regulation the manner in which such an insurer may utilize the provisions of this subsection. In no event shall that credit apply to reduce an insurer’s obligations under subsection i. of this section; and

1. That an insurer granted relief pursuant to subsection d. of section 27 of P.L.1990, c.8 (C.17:33B-15) shall also receive assigned risk credits for the voluntary first renewal of an eligible person written pursuant to subsection j. of this section.

Prior to the adoption or amendment of such rules and regulations, the commissioner shall consult with such members of the insurance industry as he deems appropriate. Such consultation shall be in addition to any otherwise required public hearing or notice with regard to the adoption or amendment of rules and regulations.

The governing body administering the plan shall report annually to the Legislature and the Governor on the activities of the plan. The report shall contain an actuarial analysis regarding the adequacy of the rates for each coverage for the safeness and soundness of the plan.

40. Section 15 of P.L.1997, c.151 (C.17:29A-46.2) is amended to read as follows:

C.17:29A-46.2 Underwriting rules; factors.

15. a. Insurers shall put in writing all underwriting rules applicable to each rate level utilized pursuant to section 14 of P.L.1997, c.151 (C.17:29A-46.1). An insurer may take into account factors, including, but not limited to, driving record characteristics appropriate for underwriting and classification in formulating its underwriting rules; provided that no underwriting rule based on motor vehicle violations shall be formulated in such a manner as to assign any named insured to a rating tier other than the standard rating tier applicable to the insured’s territory solely on the basis of accumulating four motor vehicle points or less. No underwriting rule shall operate in such a manner as to assign a risk to a rating plan on the basis of the territory in which the insured resides or any other factor which the commissioner finds is a surrogate for territory. An insurer which knowingly fails to transact automobile insurance consistently with its underwriting rules shall be subject to a fine of not less than $1,000 for each violation.

b. All underwriting rules applicable to each rate level as provided for in section 14 of P.L.1997, c.151 (C.17:29A-46.1) shall be filed with the commissioner and shall be subject to his prior approval. All underwriting rules shall be subject to public inspection. Except as provided in subsection d. of section 27 of P.L.1990, c.8 (C.17:33B-15), insurers shall apply their underwriting rules uniformly and without exception throughout the State, so that every applicant or insured conforming with the underwriting rules will
be insured or renewed, and so that every applicant not conforming with the underwriting rules will be refused insurance.

c. An insurer with more than one rating plan for private passenger automobile insurance policies providing identical coverages shall not adopt underwriting rules which would permit a person to be insured for private passenger automobile insurance under more than one of the rating plans.

d. An insurer that revises its underwriting rules with respect to the assignment of insureds to rating tiers based on the number of accumulated motor vehicle points, as provided by subsection a. of this section, as amended by P.L.2003, c.89, shall certify to the commissioner that the revised rule will produce rates that are revenue neutral based upon the insurer's current coverages and book of business.

41. Section 14 of P.L.1944, c.27 (C.17:29A-14) is amended to read as follows:

C.17:29A-14 Filing of rate changes; hearing.

14. a. With regard to all property and casualty lines, a filer may, from time to time, alter, supplement, or amend its rates, rating systems, or any part thereof, by filing with the commissioner copies of such alterations, supplements, or amendments, together with a statement of the reason or reasons for such alteration, supplement, or amendment, in a manner and with such information as may be required by the commissioner. If such alteration, supplement, or amendment shall have the effect of increasing or decreasing rates, the commissioner shall determine whether the rates as altered thereby are reasonable, adequate, and not unfairly discriminatory. If the commissioner shall determine that the rates as so altered are not unreasonably high, or inadequate, or unfairly discriminatory, he shall make an order approving them. If he shall find that the rates as altered are unreasonable, inadequate, or unfairly discriminatory, he shall issue an order disapproving such alteration, supplement or amendment.

b. (Deleted by amendment, P.L.1984, c.1.)

c. If an insurer or rating organization files a proposed alteration, supplement or amendment to its private passenger automobile insurance rating system, or any part thereof, the commissioner shall transmit the filing to the appropriate office in the Division of Insurance, which office shall issue a preliminary determination within 90 days of receipt of a rate filing, except that the commissioner may, for good cause, extend the time for a preliminary determination by not more than 30 days. The preliminary determination shall set forth the basis for accepting, rejecting or modifying the rates as filed. A copy of the preliminary determination shall be provided to the filer and other interested parties. Unless the filer or other interested party requests a hearing,
the commissioner may adopt the preliminary determination as final within 30 days of the preliminary determination. If a hearing is requested, it shall proceed on an expedited basis in accordance with the provisions of this section. If a preliminary determination is not made within the time provided, a filing shall be transmitted to the Office of Administrative Law for a hearing and the commissioner shall adopt the determination of the administrative law judge as a final decision on the filing.

For filings other than private passenger automobile, if an insurer or rating organization files a proposed alteration, supplement or amendment to its rating system, or any part thereof, which would result in a change in rates, the commissioner may, or upon the request of the filer or the appropriate office in the Division of Insurance shall, certify the matter for a hearing. The hearing shall, at the commissioner's discretion, be conducted by himself, by a person appointed by the commissioner pursuant to section 26 of P.L.1944, c.27 (C.17:29A-26), or by the Office of Administrative Law, created by P.L.1978, c.67 (C.52:14F-1 et seq.), as a contested case. The following requirements shall apply to the hearing:

(1) The hearing shall commence within 30 days of the date of the request or decision that a hearing is to be held. The hearing shall be held on consecutive working days, except that the commissioner may, for good cause, waive the consecutive working day requirement. If the hearing is conducted by an administrative law judge, the administrative law judge shall submit his findings and recommendations to the commissioner within 30 days of the close of the hearing. The commissioner may, for good cause, extend the time within which the administrative law judge shall submit his findings and recommendations by not more than 30 days. A decision shall be rendered by the commissioner not later than 60 days, or, if he has granted a 30-day extension, not later than 90 days, from the close of the hearing. A filing shall be deemed to be approved unless rejected or modified by the commissioner within the time period provided herein.

(2) The commissioner, or the Director of the Office of Administrative Law, as appropriate, shall notify all interested parties, including the appropriate office in the Division of Insurance on behalf of insurance consumers, of the date set for commencement of the hearing, on the date of the filing of the request for a hearing, or within 10 days of the decision that a hearing is to be held.

(3) The insurer or rating organization making a filing on which a hearing is held shall bear the costs of the hearing.

(4) The commissioner may promulgate rules and regulations (a) to establish standards for the submission of proposed filings, amendments, additions, deletions and alterations to the rating system of filers, which may include forms to be submitted by each filer; and (b) making such other provisions as he deems necessary for effective implementation of this act.
d. (Deleted by amendment, P.L.1984, c.1.)
e. (Deleted by amendment, P.L.2003, c.89.)

42. Section 34 of P.L.1997, c.151 (C.17:29A-46.6) is amended to read as follows:

C.17:29A-46.6 Proposed alteration to rating system, expedited.

34. a. Notwithstanding section 14 of P.L.1944, c.27 (C.17:29A-14), an insurer, affiliated group of insurers or rating organization may elect to file a proposed alteration to its rating system pursuant to the expedited process set forth in this section when the filer requests either an increase of no more than 7% or any decrease in its Statewide average base rate for private passenger automobile insurance.

b. A filer electing to use this expedited process shall file with the commissioner that reasonable information and calculations necessary to support the rate change which the commissioner prescribes by regulation. The prescribed filing requirements shall recognize the intent of this section to provide an expedited process that will not produce rates that are excessive, inadequate for the safety and soundness of the insurer, or unfairly discriminatory between risks in the State involving substantially the same hazards and expense elements.

c. If the commissioner determines that the filing includes all the information and calculations required to support the rate change, the commissioner shall approve the filing.

d. A decision on a filing requesting an increase of up to 3% shall be rendered not later than 30 days after receipt of the filing, unless the commissioner grants an extension, in which case a decision shall be rendered not later than 45 days after receipt of the filing. A decision on a filing requesting an increase of more than 3%, but not more than 7%, shall be rendered not less than 45 days after receipt of the filing, unless the commissioner grants an extension, in which case a decision shall be rendered not later than 60 days after receipt of the filing. A filing shall be complete and received when the filing is accompanied by a certification by a qualified actuary which states that the material, data and documentation, which is part of the filing, includes the documents set forth in regulations, supports the requested rate change and is consistent with generally accepted ratemaking principles of the actuarial profession. A filing shall be deemed to be approved unless rejected or modified by the commissioner within the time provided.

e. The commissioner shall not approve any rate change pursuant to this expedited process that results in an overall increase of more than 7% or an increase in any single coverage of more than 10%.

f. An insurer shall not file more than one request for an increase in rates pursuant to this section in any 12-month period, provided that this limitation
shall not apply to a filing for an overall reduction in rates or prohibit a filing to recover an overall reduction in rates, or to a filing reflecting a statutory change in coverage.

g. An insurer not using this expedited process in a 12-month period may elect to file a proposed alteration to its rating system that will result in a rate change of not more than double the increase permitted pursuant to subsection e. of this section if the filing complies with subsections b. and c. of this section and is made not more than once within a twenty-four month period.

C.17:29A-52 Automobile Insurance Consumer Bill of Rights.

43. a. Every insurer writing private passenger automobile insurance in this State shall provide each insured at least annually and each applicant upon receipt of initial application with an Automobile Insurance Consumer Bill of Rights. The Automobile Insurance Consumer Bill of Rights shall contain information that the Commissioner of Banking and Insurance establishes by regulation as necessary, relevant or appropriate to improve the understanding of the rights and responsibilities of consumers and insurers regarding automobile insurance.

b. To further assist consumers in evaluating an automobile insurer, the commissioner shall develop and disseminate an Automobile Insurance Report Card. Those insurers with more than 50,000 insured private passenger automobiles writing private passenger automobile insurance in this State shall maintain and submit annually to the commissioner customer satisfaction data. The commissioner shall establish by regulation the methodology and criteria to be used in collecting the customer satisfaction data, including, but not limited to, the use of a survey. This data, including consumer complaint ratios and other relevant consumer information designated by the commissioner, shall be included in the Automobile Insurance Report Card. The Automobile Insurance Report Card shall be available on the official website of the Department of Banking and Insurance, and shall be updated annually.

c. Every insurer writing private passenger automobile insurance in this State shall also provide each new applicant seeking automobile insurance and each insured upon request, with three premium scenarios demonstrating the effect of different coverage choices. The commissioner shall establish by regulation the types of coverage examples for which insurers shall provide premium scenarios and the time in which such scenarios shall be provided.

d. If the commissioner finds, after notice and hearing, that an insurer has a pattern and practice of failing to provide any of the information required by this section, the commissioner may, after notice and hearing, order the payment of a penalty not to exceed $1,000 for each offense. Each instance of a failure to provide information to an insured, an applicant or the commissioner, as the case may be, shall be a separate offense and subject to
assessments of a separate penalty. Penalties assessed pursuant to this section shall be collected by the commissioner pursuant to the “Penalty Enforcement Law of 1999,” P.L.1999, c.274 (C.2A:58-10 et seq.).

44. a. The Department of Banking and Insurance shall publish on its official website, to the extent practicable, as the case may be: (1) notice of all filings for consumer insurance rate increases; (2) all requests for hearing dates for such increases; and (3) the date or dates a hearing is to be held. Publication on the website shall take place within three business days of the applicable notice of filing, request for hearing, and date or dates of hearings.

b. If an insurer or rating organization files for a consumer insurance overall rate increase, the insurer or rating organization shall, in conjunction with such filing, notify the public of the proposed rate change; except, however, the filer is not required to notify the public of the proposed rate change if the rate increase pertains to: (1) an expedited prior approval rate filing made pursuant to either section 34 of P.L.1997, c.151 (C.17:29A-46.6) or section 3 of P.L.2001, c.409 (C.17:36-5.35); (2) rating system changes made pursuant to sections 14 through 18 and section 34 of P.L.1997, c.151 (C.17:29A-46.1 et seq.), or (3) a rate filing made pursuant to any statutory change in coverage provided under a policy of private passenger automobile insurance.

c. (1) For insurers, that notice shall be communicated through regular or electronic mail to the named policy holders who use the products and services subject to the overall rate increase, within 10 business days after the applicable filing and shall conform to a form prescribed by the Department of Banking and Insurance pursuant to regulations.

(2) For rating organizations, the notice shall be communicated in a form and manner prescribed by the commissioner by regulation.

d. For purposes of this section, “consumer insurance rate increases” means prior approval rate increases for: personal lines property casualty coverages; or Medicare supplemental coverages.

C.39:6A-3.3 Establishment of special automobile insurance policy.

45. a. In order to assist certain low income individuals in this State and encourage their greater compliance in satisfying the mandatory private passenger automobile insurance requirements, the Legislature intends to establish a special automobile insurance policy. The special automobile insurance policy shall be offered only to individuals who qualify for and are actively covered by designated government subsidized programs in the State. For the purpose of this section, “eligible low income individual” means an individual who meets the income criteria established by the commissioner by regulation.

In setting the low income criteria, the commissioner shall limit availability to those persons eligible and enrolled in the federal Medicaid program.
b. As an additional option to the mandatory coverage provided in sections 3 and 4 of P.L.1972, c.70 (C.39:6A-3 and 39:6A-4) or the alternative covered provided in section 4 of P.L. 1998, c.21 (C.39:6A-3.1), an owner or registered owner of an automobile registered or principally garaged in this State, who is an eligible low income individual, may elect a special automobile insurance policy providing the following coverage:

(1) Emergency personal injury protection coverage, for the payment of benefits without regard to negligence, liability or fault of any kind, only to the named insured and dependent members of his family, as defined by the federal Medicaid program, residing in his household, who sustain bodily injury as a result of an accident while occupying, entering into, alighting from or using an automobile, or as a pedestrian, caused by an automobile or by an object propelled by or from an automobile, and to other persons sustaining bodily injury while occupying, entering into, alighting from or using the automobile of the named insured, with the permission of the named insured. “Emergency personal injury protection coverage” means and includes only payment of treatment for emergency care in an amount not to exceed $250,000 per person per accident. “Emergency care” means all medically necessary treatment of a traumatic injury or a medical condition manifesting itself by acute symptoms of sufficient severity such that absence of immediate attention could reasonably be expected to result in death; serious impairment to bodily functions; or serious dysfunction of a bodily organ or part. Such emergency care shall include all medically necessary care immediately following an automobile accident, including, but not limited to, immediate pre-hospitalization care, transportation to a hospital or trauma center, emergency room care, surgery, critical and acute care. Emergency care extends during the period of initial hospitalization until the patient is discharged from acute care by the attending physician. Emergency care shall be presumed when medical care is initiated at a hospital within 120 hours of the accident. “Emergency personal injury protection coverage” shall also include all medically necessary treatment of permanent or significant brain injury, spinal cord injury or disfigurement after the patient is discharged from acute care. In the event benefits paid by an insurer pursuant to this subsection are in excess of $75,000 on account of bodily injury to any one person in any one accident covered by a policy issued or renewed prior to January 1, 2004, that excess shall be paid by the insurer and shall be reimbursable to the insurer from the Unsatisfied Claim and Judgment Fund pursuant to section 2 of P.L. 1977, c.310 (C.39:6-73.1);

(2) Death benefit in the amount of $10,000;

(3) The tort option provided in subsection a. of section 8 of P.L.1972, c.70 (C.39:6A-8) shall apply to every named insured and any other person to whom the special automobile insurance policy applies.
c. A special automobile insurance policy shall not provide liability, collision, comprehensive, uninsured or underinsured motorist coverage.

d. The policy form for special automobile insurance policies shall be subject to the approval of the Commissioner of Banking and Insurance and shall clearly and conspicuously set forth the limitations on benefits provided under the policy.

e. The commissioner shall approve the rating system to be used for a special automobile insurance policy, which shall be administered by the plan created pursuant to section 1 of P.L.1970, c.215 (C.17:29D-1), to provide a uniform Statewide rate to be utilized by all insurers providing coverage through a special automobile insurance policy. The rate established by the commissioner shall be sufficient to reimburse the insurer for the cost of writing the policy and an amount set by the commissioner to be forwarded to the Unsatisfied Claim and Judgment Fund to offset claims paid by the Unsatisfied Claim and Judgment Fund. The commissioner may adjust the rate annually.

f. Special automobile insurance policies shall be assigned to insurers pursuant to the apportionment methodology of the plan created pursuant to section 1 of P.L.1970, c.215 (C.17:29D-1). The number of policies assigned pursuant to this subsection shall not be included in the determination of a competitive market pursuant to subsection d. of section 27 of P.L.1990, c.8 (C.17:33B-15).

46. Section 5 of P.L.1998, c.21 (C.39:6A-3.2) is amended to read as follows:

5. a. All automobile insurance policies issued or renewed on or after the effective date of P.L.1998, c.21 (C.39:6A-1.1 et al.) shall be issued or renewed including at least the coverages required pursuant to sections 3 and 4 of P.L.1972, c.70 (C.39:6A-3 and 39:6A-4), unless the named insured elects a basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or, after the effective date of P.L.2003, c.89 (C.17:30A-2.1 et al.), a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3). Election of a basic automobile insurance policy or a special automobile insurance policy shall be in writing and signed by the named insured on the coverage selection form required by section 17 of P.L.1983, c.362 (C.39:6A-23). The coverage selection form shall contain a statement, clearly readable and in 12-point bold type, in a form approved by the commissioner, that: (1) election of a basic automobile insurance policy will result in less coverage than the $250,000 medical expense benefits coverage mandated prior to the effective date of P.L.1998, c.21 (C.39:6A-1.1 et al.); or (2) election of a special automobile insurance policy will result in coverage only for emergency care. Furthermore, the coverage election form shall contain a
statement, clearly readable and in 12-point bold type, in a form approved by the commissioner, that election of a special automobile insurance policy, or a basic automobile insurance policy without the optional $10,000 liability coverage provided for in section 4 of P.L.1998, c.21 (C.39:6A-3.1) may subject the named insured to a claim or judgment for noneconomic loss which is not covered by the basic or special automobile insurance policy, and which may place his assets at risk, and in the event the named insured is sued, the insurer shall not provide legal counsel.

b. The insurance coverages provided for in section 4 of P.L.1998, c.21 (C.39:6A-3.1) shall be offered by every insurer which writes insurance coverages pursuant to sections 3 and 4 of P.L.1972, c.70 (C.39:6A-3 and 39:6A-4) for a period of five years after the effective date of P.L.1998, c.21 (C.39:6A-1.1 et al.). The commissioner shall require every company writing such insurance coverage to report to him annually during that five-year period as to the number of policies written pursuant to this subsection in the previous year, the number of policies with the coverage offered pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4) which have been converted to policies with the coverage offered pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) and any other information the commissioner may require such as, but not limited to, the age of the policyholders and the territories in which the policyholders reside. The commissioner shall then report to the Governor and the Legislature regarding the acceptance of the basic automobile insurance policy by the automobile insurance consumers of this State annually for the first four years the basic policy is sold. On or before January 1, 2003, the commissioner shall make a final, cumulative report which shall include recommendations as to the continuation of the basic policy to the Governor and the Legislature.

c. The insurance coverages provided for in section 45 of P.L.2003, c.89 (C.39:6A-3.3) shall be offered or provided pursuant to subsection f. of that section for a period of five years after the effective date of P.L.2003, c.89 (C.17:30A-2.1 et al.). On or before January 1, 2008, the commissioner shall make a final report which shall include recommendations as to the continuation of the special policy to the Governor and the Legislature.

47. Section 14 of P.L.1985, c.520 (C.39:6A-4.5) is amended to read as follows:

C.39:6A-4.5 Loss of right to sue for failure to insure, for DWI, for intentional acts.

shall have no cause of action for recovery of economic or noneconomic loss sustained as a result of an accident while operating an uninsured automobile.

b. Any person who is convicted of, or pleads guilty to, operating a motor vehicle in violation of R.S.39:4-50, section 2 of P.L. 1981, c.512 (C.39:4-50.4a), or a similar statute from any other jurisdiction, in connection with an accident, shall have no cause of action for recovery of economic or noneconomic loss sustained as a result of the accident.

c. Any person acting with specific intent of causing injury to himself or others in the operation or use of an automobile shall have no cause of action for recovery of economic or noneconomic loss sustained as a result of an accident arising from such conduct.

48. Section 5 of P.L.1972, c.70 (C.39:6A-5) is amended to read as follows:

5. Payment of personal injury protection coverage benefits.

a. An insurer may require written notice to be given as soon as practicable after an accident involving an automobile with respect to which the policy affords personal injury protection coverage benefits payable under a standard automobile insurance policy pursuant to section 4 of P.L.1972, c.70 (C.34:6A-4), medical expense benefits payable under a basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or emergency care medical expense benefits payable under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3). In the case of claims for medical expense benefits under any of those policies, written notice shall be provided to the insurer by the treating health care provider no later than 21 days following the commencement of treatment. Notification required under this section shall be made in accordance with regulations adopted by the Commissioner of Banking and Insurance and on a form prescribed by the Commissioner of Banking and Insurance. Within a reasonable time after receiving notification required pursuant to this act, the insurer shall confirm to the treating health care provider that its policy affords the claimant personal injury protection coverage benefits as required by section 4 of P.L.1972, c.70 (C.39:6A-4), medical expense benefits pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or emergency care medical expense benefits payable under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3).

b. For the purposes of this section, notification shall be deemed to be met if a treating health care provider submits a bill or invoice to the insurer for reimbursement of services within 21 days of the commencement of treatment.

c. In the event that notification is not made by the treating health care provider within 21 days following the commencement of treatment, the insurer
shall reserve the right to deny, in accordance with regulations established by the Commissioner of Banking and Insurance, payment of the claim and the treating health care provider shall be prohibited from seeking any payment directly from the insured. In establishing the standards for denial of payment, the Commissioner of Banking and Insurance shall consider the length of delay in notification, the severity of the treating health care provider's failure to comply with the notification provisions of this act based upon the potential adverse impact to the public and whether or not the provider has engaged in a pattern of noncompliance with the notification provisions of this act. In establishing the regulations necessary to effectuate the purposes of this subsection, the Commissioner of Banking and Insurance shall define specific instances where the sanctions permitted pursuant to this subsection shall not apply. Such instances may include, but not be limited to, a treating medical provider's failure to provide notification to the insurer as required by this act due to the insured's medical condition during the time period within which notification is required.

d. A health care provider who fails to notify the insurer within 21 days and whose claim for payment has been denied by the insurer pursuant to the standards established by the Commissioner of Banking and Insurance may, in the discretion of a judge of the Superior Court, be permitted to refile such claim provided that the insurer has not been substantially prejudiced thereby. Application to the court for permission to refile a claim shall be made within 14 days of notification of denial of payment and shall be made upon motion based upon affidavits showing sufficient reasons for the failure to notify the insurer within the period of time prescribed by this act.

e. (Deleted by amendment, P.L.1998, c.21.)

f. In instances when multiple treating health care providers render services in connection with emergency care, the Commissioner of Banking and Insurance shall designate, through regulation, a process whereby notification by one treating health care provider to the insurer shall be deemed to meet the notification requirements of all the treating health care providers who render services in connection with emergency care.

g. Personal injury protection coverage benefits pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4) and medical expense benefits pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or emergency care medical expense benefits payable under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3) shall be overdue if not paid within 60 days after the insurer is furnished written notice of the fact of a covered loss and of the amount of same. If such written notice is not furnished to the insurer as to the entire claim, any partial amount supported by written notice is overdue if not paid within 60 days after such written notice is furnished to the insurer. Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not paid within 60 days after such written notice
is furnished to the insurer; provided, however, that any payment shall not be
deemed overdue where, within 60 days of receipt of notice of the claim, the
insurer notifies the claimant or his representative in writing of the denial of
the claim or the need for additional time, not to exceed 45 days, to investigate
the claim, and states the reasons therefor. The written notice stating the need
for additional time to investigate the claim shall set forth the number of the
insurance policy against which the claim is made, the claim number, the address
of the office handling the claim and a telephone number, which is toll free
or can be called collect, or is within the claimant's area code. Written notice
to the organization administering dispute resolution pursuant to sections 24
request for additional time to investigate a claim pursuant to this subsection.
For the purpose of determining interest charges in the event the injured party
prevails in a subsequent proceeding where an insurer has elected a 45-day
extension pursuant to this subsection, payment shall be considered overdue
at the expiration of the 45-day period or, if the injured person was required
to provide additional information to the insurer, within 10 business days
following receipt by the insurer of all the information requested by it, whichever
is later.

For the purpose of calculating the extent to which any benefits are overdue,
payment shall be treated as being made on the date a draft or other valid
instrument which is equivalent to payment was placed in the United States
mail in a properly addressed, postpaid envelope, or, if not so posted, on the
date of delivery.

h. All overdue payments shall bear interest at the percentage of interest
prescribed in the Rules Governing the Courts of the State of New Jersey for
judgments, awards and orders for the payment of money.

i. All automobile insurers and the Unsatisfied Claim and Judgment Fund
shall provide any claimant with the option of submitting a dispute under this
section to dispute resolution pursuant to sections 24 and 25 of P.L.1998, c.21

49. Section 24 of P.L.1998, c.21 (C.39:6A-5.1) is amended to read as
follows:

The commissioner shall promulgate rules and regulations with respect to the conduct of the dispute resolution proceedings. The organization administering dispute resolution shall utilize qualified professionals who serve on a full-time basis and who meet standards of competency established by the commissioner. The commissioner shall establish standards of performance for the organization to ensure the independence and fairness of the review process, including, but not limited to, standards relative to the professional qualifications of the professionals presiding over the dispute resolution process, and standards to ensure that no conflict of interest exists which would prevent the professional from performing his duties in an impartial manner. The standards of performance shall include a requirement that the organization establish an advisory council composed of parties who are users of the dispute resolution mechanism established herein. The commissioner may contract with a consulting firm for the formulation of the standards of performance of the organization and establishment of qualifications for the persons who are to conduct the dispute resolution proceedings. Dispute resolution proceedings under this section 24 and section 25 of this amendatory and supplementary act shall include disputes arising regarding medical expense benefits provided under subsection a. of section 4 of P.L. 1972, c. 70 (C. 39:6A-4), section 4 of P.L. 1998, c. 21 (C. 39:6A-3.1) or section 45 of P.L. 2003, c. 89 (C. 39:6A-3.3), benefits provided pursuant to subsection b., c., d. or e. of section 4 of P.L. 1972, c. 70 (C. 39:6A-4), subsection b., c., d. or e. of section 7 of P.L. 1972, c. 198 (C. 39:6-86.1), and
disputes as to additional first party coverage benefits required to be offered pursuant to section 10 of P.L.1972, c.70 (C.39:6A-10). Disputes involving medical expense benefits may include, but not necessarily be limited to, matters concerning: (1) interpretation of the insurance contract; (2) whether the treatment or health care service which is the subject of the dispute resolution proceeding is in accordance with the provisions of section 4 of P.L.1972, c.70 (C.39:6A-4), section 4 of P.L.1998, c.21 (C.39:6A-3.1) or section 45 of P.L.2003, c.89 (C.39:6A-3.3) or the terms of the policy; (3) the eligibility of the treatment or service for compensation; (4) the eligibility of the provider performing the treatment or service to be compensated under the terms of the policy or under regulations promulgated by the commissioner, including whether the person is licensed or certified to perform such treatment; (5) whether the disputed medical treatment was actually performed; (6) whether diagnostic tests performed in connection with the treatment are those recognized by the commissioner; (7) the necessity or appropriateness of consultations by other health care providers; (8) disputes involving application of and adherence to fee schedules promulgated by the commissioner; and (9) whether the treatment performed is reasonable, necessary, and compatible with the protocols provided for pursuant to P.L.1998, c.21 (C.39:6A-1.1 et al.). The dispute resolution professionals may review the entire claims file of the insurer, subject to any confidentiality requirement established pursuant to State or federal law. All decisions of the dispute resolution professional shall be in writing, in a form prescribed by the commissioner; shall state the issues in dispute, the findings and conclusions on which the decision is based, and shall be signed by the dispute resolution professional. All decisions of a dispute resolution professional shall be binding. The dispute resolution organization shall provide for the retention of all documents used in dispute resolution proceedings under this section and section 25 of this amendatory and supplementary act, including the written decision, for a period of at least five years, in a form approved by the commissioner, or for such additional time as may be established by the commissioner. The written decisions of the dispute resolution professional shall be forwarded to the commissioner, who shall establish a record of the proceedings conducted under the dispute resolution procedure, which shall be accessible to the public and may be used as guidance in subsequent dispute resolution proceedings.

d. With respect to disputes as to the diagnosis, the medical necessity of the treatment or diagnostic test administered to the injured person, whether the injury is causally related to the insured event or is the product of a preexisting condition, or disputes as to the appropriateness of the protocols utilized by the provider, the dispute resolution professional shall, either at his option or at the request of any party to the dispute, refer the matter to a medical review organization for a determination. The determination of the medical review
organization on the dispute referred shall be presumed to be correct by the
dispute resolution professional, which presumption may be rebutted by a
preponderance of the evidence. Should the dispute resolution professional
find that the decision of the medical review organization is not correct, the
reasons supporting that finding shall be set forth in the dispute resolution
professional's written decision.

e. Any person submitting a matter to the dispute resolution process
established herein may submit for review all or a portion of a disputed treatment
or treatments or a dispute regarding a diagnostic test or tests or a dispute

of a treatment or diagnostic test or service which is not under review shall
be reimbursed in accordance with the provisions of section 5 of P.L.1972,
c.70 (C.39:6A-5). If the dispute resolution proceeding results in a determination
that all or part of a treatment or treatments, diagnostic test or tests or service
performed, or durable medical goods provided are medically necessary and
appropriate, reimbursement shall be made with interest payable in accordance
with the provisions of section 5 of P.L.1972, c.70 (C.39:6A-5).

50. Section 6 of P.L.1972, c.70 (C.39:6A-6) is amended to read as follows:

in section 45 of P.L.2003, c.89 (C.39:6A-3.3) shall be payable as loss accrues,
upon written notice of such loss and without regard to collateral sources, except

temporary disability benefit statutes, Medicare provided under federal law,

If an insurer has paid those benefits and the insured is entitled to, but has
failed to apply for, workers' compensation benefits or employees' temporary
disability benefits, the insurer may immediately apply to the provider of workers'
compensation benefits or of employees' temporary disability benefits for a
reimbursement of any benefits pursuant to sections 4 and 10 of P.L.1972,
c.70 (C.39:6A-4 and 39:6A-10), medical expense benefits pursuant to section
4 of P.L.1998, c.21 (C.39:6A-3.1) or benefits pursuant to section 45 of P.L.2003,

b. 52. Section 8 of P.L. 1972, c.70 (C.39:6A-8) is amended to read as follows:

C.39:6A-8 Tort exemption, limitation on the right to noneconomic loss.

8. Tort exemption; limitation on the right to noneconomic loss.

One of the following two tort options shall be elected, in accordance with section 14.1 of P.L.1983, c.362 (C.39:6A-8.1), by any named insured required to maintain personal injury protection coverage pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4):
a. Limitation on lawsuit option. Every owner, registrant, operator or occupant of an automobile to which section 4 of P.L.1972, c.70 (C.39:6A-4), personal injury protection coverage, section 4 of P.L.1998, c.21 (C.39:6A-3.1), medical expense benefits coverage, or section 45 of P.L.2003, c.89 (C.39:6A-3.3) regardless of fault, applies, and every person or organization legally responsible for his acts or omissions, is hereby exempted from tort liability for noneconomic loss to a person who is subject to this subsection and who is either a person who is required to maintain personal injury protection coverage pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4), medical expense benefits pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or benefits pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3), or is a person who has a right to receive benefits under section 4 of P.L.1972, c.70 (C.39:6A-4), section 4 of P.L.1998, c.21 (C.39:6A-3.1) or section 45 of P.L.2003, c.89 (C.39:6A-3.3), as a result of bodily injury, arising out of the ownership, operation, maintenance or use of such automobile in this State, unless that person has sustained a bodily injury which results in death; dismemberment; significant disfigurement or significant scarring; displaced fractures; loss of a fetus; or a permanent injury within a reasonable degree of medical probability, other than scarring or disfigurement. An injury shall be considered permanent when the body part or organ, or both, has not healed to function normally and will not heal to function normally with further medical treatment. For the purposes of this subsection, "physician" means a physician as defined in section 5 of P.L.1939, c.115 (C.45:9-5.1).

In order to satisfy the tort option provisions of this subsection, the plaintiff shall, within 60 days following the date of the answer to the complaint by the defendant, provide the defendant with a certification from the licensed treating physician or a board-certified licensed physician to whom the plaintiff was referred by the treating physician. The certification shall state, under penalty of perjury, that the plaintiff has sustained an injury described above. The certification shall be based on and refer to objective clinical evidence, which may include medical testing, except that any such testing shall be performed in accordance with medical protocols pursuant to subsection a. of section 4 of P.L.1972, c.70 (C.39:6A-4) and the use of valid diagnostic tests administered in accordance with section 12 of P.L.1998, c.21 (C.39:6A-4.7). Such testing may not be experimental in nature or dependent entirely upon subjective patient response. The court may grant no more than one additional period not to exceed 60 days to file the certification pursuant to this subsection upon a finding of good cause.

A person is guilty of a crime of the fourth degree if that person purposefully or knowingly makes, or causes to be made, a false, fictitious, fraudulent, or misleading statement of material fact in, or omits a material fact from, or causes a material fact to be omitted from, any certification filed pursuant to this
468 CHAPTER 89, LAWS OF 2003

subsection. Notwithstanding the provisions of subsection e. of N.J.S.2C:44-1, the court shall deal with a person who has been convicted of a violation of this subsection by imposing a sentence of imprisonment unless, having regard to the character and condition of the person, the court is of the opinion that imprisonment would be a serious injustice which overrides the need to deter such conduct by others. If the court imposes a noncustodial or probationary sentence, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution. Nothing in this subsection a. shall preclude an indictment and conviction for any other offense defined by the laws of this State. In addition, any professional license held by the person shall be forfeited according to the procedures established by section 4 of P.L.1997, c.353 (C.2C:51-5); or

b. No limitation on lawsuit option. As an alternative to the basic tort option specified in subsection a. of this section, every owner, registrant, operator, or occupant of an automobile to which section 4 of P.L.1972, c.70 (C.39:6A-4), personal injury protection coverage, section 4 of P.L.1998, c.21 (C.39:6A-3.1), medical expense benefits coverage, or section 45 of P.L.2003, c.89 (C.39:6A-3.3), regardless of fault, applies, and every person or organization legally responsible for his acts or omissions, shall be liable for noneconomic loss to a person who is subject to this subsection and who is either a person who is required to maintain the coverage mandated by P.L.1972, c.70 (C.39:6A-1 et seq.) or is a person who has a right to receive benefits under section 4 of that act (C.39:6A-4), as a result of bodily injury, arising out of the ownership, operation, maintenance or use of such automobile in this State.

The tort option provisions of subsection b. of this section shall also apply to the right to recover for noneconomic loss of any person eligible for benefits pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4), section 4 of P.L.1998, c.21 (C.39:6A-3.1) or section 45 of P.L.2003, c.89 (C.39:6A-3.3) but who is not required to maintain personal injury protection coverage pursuant to section 4 of P.L.1972, c.70 (C.39:6A-4), medical expense benefits coverage pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or benefits pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3) and is not an immediate family member, as defined in section 14.1 of P.L.1983, c.362 (C.39:6A-8.1), under a standard automobile insurance policy or basic automobile insurance policy.

The tort option provisions of subsection a. of this section shall also apply to any person subject to section 14 of P.L.1985, c.520 (C.39:6A-4.5) and to every named insured and any other person to whom the benefits of the special automobile insurance policy provided in section 45 of P.L.2003, c.89 (C.39:6A-3.3) or the medical expense benefits of the basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) apply whether or not the person has elected the optional $10,000 liability coverage insuring against
loss resulting from liability imposed by law for bodily injury or death provided for in subsection c. of section 4 of P.L.1998, c.21 (C.39:6A-3.1).

The tort option provisions of subsections a. and b. of this section as provided in this 1998 amendatory and supplementary act shall apply to automobile insurance policies issued or renewed on or after the effective date of P.L.1998, c.21 (C.39:6A-1.1 et al.) and as otherwise provided by law.

53. Section 20 of P.L.1983, c.362 (C.39:6A-9.1) is amended to read as follows:

20. An insurer, health maintenance organization or governmental agency paying benefits pursuant to subsection a., b. or d. of section 13 of P.L.1983, c.362 (C.39:6A-4.3), personal injury protection benefits in accordance with section 4 or section 10 of P.L.1972, c.70 (C.39:6A-4 or 39:6A-10), medical expense benefits pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or benefits pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3), as a result of an accident occurring within this State, shall, within two years of the filing of the claim, have the right to recover the amount of payments from any tortfeasor who was not, at the time of the accident, required to maintain personal injury protection or medical expense benefits coverage, other than for pedestrians, under the laws of this State, including personal injury protection coverage required to be provided in accordance with section 18 of P.L.1985, c.520 (C.17:28-1.4), or although required did not maintain personal injury protection or medical expense benefits coverage at the time of the accident. In the case of an accident occurring in this State involving an insured tortfeasor, the determination as to whether an insurer, health maintenance organization or governmental agency is legally entitled to recover the amount of payments and the amount of recovery, including the costs of processing benefit claims and enforcing rights granted under this section, shall be made against the insurer of the tortfeasor, and shall be by agreement of the involved parties or, upon failing to agree, by arbitration.

54. Section 11 of P.L.1972, c.70 (C.39:6A-11) is amended to read as follows:

11. Contribution among insurers. If two or more insurers are liable to pay benefits under sections 4 and 10 of P.L.1972, c.70 (C.39:6A-4 and 39:6A-10) under a standard automobile insurance policy for the same bodily injury, or death, of any one person, the maximum amount payable shall be as specified in those sections 4 and 10 of P.L.1972, c.70 (C.39:6A-4 and 39:6A-10), section 4 of P.L.1998, c.21 (C.39:6A-3.1) and section 45 of
P.L.2003, c.89 (C.39:6A-3.3), respectively, if additional first party coverage applies and any insurer paying the benefits shall be entitled to recover from each of the other insurers, only by inter-company arbitration or inter-company agreement, an equitable pro-rata share of the benefits paid.

55. Section 12 of P.L.1972, c.70 (C.39:6A-12) is amended to read as follows:

C.39:6A-12 Inadmissibility of evidence of losses collectible under personal injury protection coverage.

12. Inadmissibility of evidence of losses collectible under personal injury protection coverage. Except as may be required in an action brought pursuant to section 20 of P.L.1983, c.362 (C.39:6A-9.1), evidence of the amounts collectible or paid under a standard automobile insurance policy pursuant to sections 4 and 10 of P.L.1972, c.70 (C.39:6A-4 and 39:6A-10), amounts collectible or paid for medical expense benefits under a basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) and amounts collectible or paid for benefits under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3), to an injured person, including the amounts of any deductibles, copayments or exclusions, including exclusions pursuant to subsection d. of section 13 of P.L.1983, c.362 (C.39:6A-4.3), otherwise compensated is inadmissible in a civil action for recovery of damages for bodily injury by such injured person.

The court shall instruct the jury that, in arriving at a verdict as to the amount of the damages for noneconomic loss to be recovered by the injured person, the jury shall not speculate as to the amount of the medical expense benefits paid or payable by an automobile insurer under personal injury protection coverage payable under a standard automobile insurance policy pursuant to sections 4 and 10 of P.L.1972, c.70 (C.39:6A-4 and 39:6A-10), medical expense benefits under a basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) or benefits under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3) to the injured person, nor shall they speculate as to the amount of benefits paid or payable by a health insurer, health maintenance organization or governmental agency under subsection d. of section 13 of P.L.1983, c.362 (C.39:6A-4.3).

Nothing in this section shall be construed to limit the right of recovery, against the tortfeasor, of uncompensated economic loss sustained by the injured party.

56. Section 13 of P.L.1972, c.70 (C.39:6A-13) is amended to read as follows:
CHAPTER 89, LAWS OF 2003

13. Discovery of facts as to personal injury protection coverage. The following apply to personal injury protection coverage benefits payable under a standard automobile insurance policy pursuant to sections 4 and 10 of P.L.1972, c.70 (C.39:6A-4 and 39:6A-10), medical expense benefits payable under a basic automobile insurance policy pursuant to section 4 of P.L.1998, c.21 (C.39:6A-3.1) and benefits payable under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3):

a. Every employer shall, if a request is made by an insurer or the Unsatisfied Claim and Judgment Fund providing personal injury protection benefits under a standard automobile insurance policy or medical expense benefits payable under a basic automobile insurance policy against whom a claim has been made, furnish forthwith, in a form approved by the Commissioner of Banking and Insurance, a signed statement of the lost earnings since the date of the bodily injury and for a reasonable period before the injury, of the person upon whose injury the claim is based.

b. Every physician, hospital, or other health care provider providing, before and after the bodily injury upon which a claim for personal injury protection benefits or medical expense benefits is based, any products, services or accommodations in relation to such bodily injury or any other injury, or in relation to a condition claimed to be connected with such bodily injury or any other injury, shall, if requested to do so by the insurer or the Unsatisfied Claim and Judgment Fund against whom the claim has been made, furnish forthwith a written report of the history, condition, treatment, dates and costs of such treatment of the injured person, and produce forthwith and permit the inspection and copying of his or its records regarding such history, condition, treatment dates and costs of treatment. The person requesting such records shall pay all reasonable costs connected therewith.

c. The injured person shall be furnished upon demand a copy of all information obtained by the insurer or the Unsatisfied Claim and Judgment Fund under the provisions of this section, and shall pay a reasonable charge, if required by the insurer and the Unsatisfied Claim and Judgment Fund.

d. Whenever the mental or physical condition of an injured person covered by personal injury protection under a standard automobile insurance policy or medical expense benefits under a basic automobile insurance policy is material to any claim that has been or may be made for such past or future personal injury protection benefits or medical expense benefits, such person shall, upon request of an insurer or the Unsatisfied Claim and Judgment Fund submit to mental or physical examination conducted by a health care provider licensed in this State in the same profession or specialty as the health care provider whose services are subject to review under this section and who is
located within a reasonable proximity to the injured person's residence. The injured person shall provide or make available to the provider any pertinent medical records or medical history that the provider deems necessary to the examination. Failure to submit to a mental or physical examination requested by an insurer or the Unsatisfied Claim and Judgment Fund pursuant to the provisions of this section shall subject the injured person to certain limitations in coverage as specified in regulations promulgated by the commissioner.

e. If requested by the person examined, a party causing an examination to be made, shall deliver to him a copy of every written report concerning the examination rendered by an examining health care provider, at least one of which reports must set out his findings and conclusions in detail. After such request and delivery, the party causing the examination to be made is entitled upon request to receive from the person examined every written report available to him, or his representative, concerning any examination, previously or thereafter made of the same mental or physical condition.

f. The injured person, upon reasonable request by the insurer or the Unsatisfied Claim and Judgment Fund, shall sign all forms, authorizations or releases for information, approved by the Commissioner of Banking and Insurance, which may be necessary to the discovery of the above facts, in order to reasonably prove the injured person's losses.

g. In the event of any dispute regarding an insurer's or the Unsatisfied Claim and Judgment Funds' or an injured person's right as to the discovery of facts about the injured person's earnings or about his history, condition, treatment, dates and costs of such treatment, or the submission of such injured person to a mental or physical examination subject to the provisions of this section, the insurer, Unsatisfied Claim and Judgment Fund or the injured person may petition a court of competent jurisdiction for an order resolving the dispute and protecting the rights of all parties. The order may be entered on motion for good cause shown giving notice to all persons having an interest therein.
Such court may protect against annoyance, embarrassment or oppression and may as justice requires, enter an order compelling or refusing discovery, or specifying conditions of such discovery; the court may further order the payment of costs and expenses of the proceeding, as justice requires.

automobile insurance policy under section 4 of P.L.1998, c.21 (C.39:6A-3.1) or any claim or action arising for benefits payable under a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3) wherein any person obtains or attempts to obtain from any other person, insurance company or Unsatisfied Claim and Judgment Fund any money or other thing of value by (1) falsely or fraudulently representing that such person is entitled to such benefits; (2) falsely and fraudulently making statements or presenting documentation in order to obtain or attempt to obtain such benefits; or (3) cooperates, conspires or otherwise acts in concert with any person seeking to falsely or fraudulently obtain, or attempt to obtain, such benefits may upon conviction be fined not more than $5,000.00, or imprisoned for not more than three years or both, or in the event the sum so obtained or attempted to be obtained is not more than $500.00, may upon conviction, be fined not more than $500.00, or imprisoned for not more than six months or both, as a disorderly person.

In addition to any penalties imposed by law, any person who is either found by a court of competent jurisdiction to have violated any provision of P.L.1983 c.320 (C.17:33A-1 et seq.) pertaining to automobile insurance or been convicted of any violation of Title 2C of the New Jersey Statutes arising out of automobile insurance fraud shall not operate a motor vehicle over the highways of this State for a period of one year from the date of judgment or conviction.

59. Section 2 of P.L.1968, c.385 (C.17:28-1.1) is amended to read as follows:

C.17:28-1.1 Required coverage; exceptions.

2. a. Except for a basic automobile insurance policy, no motor vehicle liability policy or renewal of such policy of insurance, including a standard liability policy for an automobile as defined in section 2 of P.L.1972, c.70 (C.39:6A-2), insuring against loss resulting from liability imposed by law for bodily injury or death, sustained by any person arising out of the ownership, maintenance or use of a motor vehicle, shall be issued in this State with respect to any motor vehicle registered or principally garaged in this State unless it includes coverage in limits for bodily injury or death as follows:

(1) an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident, and

(2) an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to or death of more than one person, in any one accident, under provisions approved by the Commissioner of Banking and Insurance, for payment of all or part of the sums which the insured or his legal representative shall be legally entitled to recover as damages from the operator or owner of an
uninsured motor vehicle, or hit and run motor vehicle, as defined in section 18 of P.L.1952, c.174 (C.39:6-78), because of bodily injury, sickness or disease, including death resulting therefrom, sustained by the insured, caused by accident and arising out of the ownership, maintenance, operation or use of such uninsured or hit and run motor vehicle anywhere within the United States or Canada; except that uninsured motorist coverage shall provide that in order to recover for non-economic loss, as defined in section 2 of P.L.1972, c.70 (C.39:6A-2), for accidents to which the benefits of section 4 (C.39:6A-4) of that act apply, the tort option elected pursuant to section 8 (C.39:6A-8) of that act shall apply to that injured person.

All motor vehicle liability policies, except basic automobile insurance policies, shall also include coverage for the payment of all or part of the sums which persons insured thereunder shall be legally entitled to recover as damages from owners or operators of uninsured motor vehicles, other than hit and run motor vehicles, because of injury to or destruction to the personal property of such insured, with a limit in the aggregate for all insureds involved in any one accident of $5,000.00, and subject, for each insured, to an exclusion of the first $500.00 of such damages.

b. Uninsured and underinsured motorist coverage shall be provided as an option by an insurer to the named insured electing a standard automobile insurance policy up to at least the following limits: $250,000.00 each person and $500,000.00 each accident for bodily injury; $100,000.00 each accident for property damage or $500,000.00 single limit, subject to an exclusion of the first $500.00 of such damage to property for each accident, except that the limits for uninsured and underinsured motorist coverage shall not exceed the insured's motor vehicle liability policy limits for bodily injury and property damage, respectively.

Rates for uninsured and underinsured motorist coverage for the same limits shall, for each filer, be uniform on a Statewide basis without regard to classification or territory.

c. Uninsured and underinsured motorist coverage provided for in this section shall not be increased by stacking the limits of coverage of multiple motor vehicles covered under the same policy of insurance nor shall these coverages be increased by stacking the limits of coverage of multiple policies available to the insured. If the insured had uninsured motorist coverage available under more than one policy, any recovery shall not exceed the higher of the applicable limits of the respective coverages and the recovery shall be prorated between the applicable coverages as the limits of each coverage bear to the total of the limits.

d. Uninsured and underinsured motorist coverage shall be subject to the policy terms, conditions and exclusions approved by the Commissioner
of Banking and Insurance, including, but not limited to, unauthorized settlements, nonduplication of coverage, subrogation and arbitration.

e. For the purpose of this section, (1) "underinsured motorist coverage" means insurance for damages because of bodily injury and property damage resulting from an accident arising out of the ownership, maintenance, operation or use of an underinsured motor vehicle. Underinsured motorist coverage shall not apply to an uninsured motor vehicle. A motor vehicle is underinsured when the sum of the limits of liability under all bodily injury and property damage liability bonds and insurance policies available to a person against whom recovery is sought for bodily injury or property damage is, at the time of the accident, less than the applicable limits for underinsured motorist coverage afforded under the motor vehicle insurance policy held by the person seeking that recovery. A motor vehicle shall not be considered an underinsured motor vehicle under this section unless the limits of all bodily injury liability insurance or bonds applicable at the time of the accident have been exhausted by payment of settlements or judgments. The limits of underinsured motorist coverage available to an injured person shall be reduced by the amount he has recovered under all bodily injury liability insurance or bonds;

(2) "uninsured motor vehicle" means:
(a) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is no bodily injury liability insurance or bond applicable at the time of the accident;
(b) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is bodily injury liability insurance in existence but the liability insurer denies coverage or is unable to make payment with respect to the legal liability of its insured because the insurer has become insolvent or bankrupt, or the Commissioner of Banking and Insurance has undertaken control of the insurer for the purpose of liquidation;
(c) a hit and run motor vehicle as described in section 18 of P.L.1952, c.174 (C.39:6-78); or
(d) an automobile covered by a special automobile insurance policy pursuant to section 45 of P.L.2003, c.89 (C.39:6A-3.3).

"Uninsured motor vehicle" shall not include an automobile covered by a basic automobile insurance policy; an underinsured motor vehicle; a motor vehicle owned by or furnished for the regular use of the named insured or any resident of the same household; a self-insurer within the meaning of any financial responsibility or similar law of the state in which the motor vehicle is registered or principally garaged; a motor vehicle which is owned by the United States or Canada, or a state, political subdivision or agency of those governments or any of the foregoing; a land motor vehicle or trailer operated on rails or crawler treads; a motor vehicle used as a residence or stationary
structure and not as a vehicle; or equipment or vehicles designed for use principally off public roads, except while actually upon public roads.

60. Section 1 of P.L.1972, c.197 (C.39:6B-1) is amended to read as follows:

C.39:6B-1 Maintenance of motor vehicle liability insurance coverage.

1. a. Every owner or registered owner of a motor vehicle registered or principally garaged in this State shall maintain motor vehicle liability insurance coverage, under provisions approved by the Commissioner of Banking and Insurance, insuring against loss resulting from liability imposed by law for bodily injury, death and property damage sustained by any person arising out of the ownership, maintenance, operation or use of a motor vehicle wherein such coverage shall be at least in: (1) an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident; and (2) an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to or death of, more than one person, in any one accident; and (3) an amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident.

b. Notwithstanding the provisions of subsection a. of this section, an owner or registered owner of an automobile, as defined in section 2 of P.L.1972, c.70 (C.39:6A-2), registered or primarily garaged in the State may satisfy the requirements of subsection a. of this section by maintaining a basic automobile insurance policy containing coverages provided pursuant to subsections a. and b. of section 4 of P.L.1998, c.21 (C.39:6A-3.1).

c. Notwithstanding the provisions of subsection a. of this section, an owner or registered owner of an automobile, as defined in section 2 of P.L.1972, c.70 (C.39:6A-2), registered or primarily garaged in the State may satisfy the requirements of subsection a. of this section by maintaining a special automobile insurance policy containing coverages provided pursuant to subsection b. of section 45 of P.L.2003, c.89 (C.39:6A-3.3).

61. Section 2 of P.L.1968, c.158 (C.17:29C-7) is amended to read as follows:

C.17:29C-7 Notice of cancellation; reasons.

2. (A) A notice of cancellation of a policy shall be effective only if it is based on one or more of the following reasons:

(a) Nonpayment of premium or nonpayment of a residual market equalization charge imposed pursuant to the provisions of section 20 of P.L.1983, c.65 (C.17:30E-8); or

(b) The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily
operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period; or
  (c) Knowingly providing materially false or misleading information in connection with any application for insurance, renewal of insurance or claim for benefits under an insurance policy; or
  (d) The insurer determines, within 60 days of issuance of the policy, that the named insurer does not meet the approved underwriting rules of the insured then in effect.
  
(B) (Deleted by amendment, P.L.2003, c.89.)
  
(C) (Deleted by amendment, P.L.2003, c.89.)
  
(D) This section shall not apply to nonrenewal.

(E) Nothing in this section shall be interpreted to limit the ability of an insurer to void a policy ab initio as otherwise provided by law.
  
(F) The commissioner shall adopt rules and regulations necessary or appropriate to effectuate the purposes of this section.

62. Section 4 of P.L.1968, c.158 (C.17:29C-9) is amended to read as follows:

C.17:29C-9 Intention not to renew, notice required.

4. No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least 60 days' advance notice of its intention not to renew, except that the commissioner may extend the advance notice period up to an additional 30 days by regulation. This section shall not apply:
  
(a) If the insurer has manifested its willingness to renew; nor
  
(b) In case of nonpayment of premium;

provided that, notwithstanding the failure of an insurer to comply with this section, the policy shall terminate on the effective date of any other insurance policy with respect to any automobile designated in both policies. Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

   The rules and regulations shall contain provisions designed to deter and detect counterfeit or fraudulent insurance identification cards.

C.2C:21-4.4 Findings, declarations relative to insurance fraud.
   71. With respect to sections 72 through 74 of P.L.2003, c.89 (C.2C:21-4.5 through C.2C:21-4.7), the Legislature finds and declares:
   a. Insurance fraud is inimical to public safety, welfare and order within the State of New Jersey. Insurance fraud is pervasive and expensive, costing consumers and businesses millions of dollars in direct and indirect losses each year. Insurance fraud increases insurance premiums, to the detriment of
individual policyholders, small businesses, large corporations and governmental entites. All New Jerseyans ultimately bear the societal burdens and costs caused by those who commit insurance fraud.

b. The problem of insurance fraud must be confronted aggressively by facilitating the detection, investigation and prosecution of such misconduct, as well as by reducing its occurrence and achieving deterrence through the implementation of measures that more precisely target specific conduct constituting insurance fraud.

c. To enable more efficient prosecution of criminally culpable persons who knowingly commit or assist or conspire with others in committing fraud against insurance companies, it is necessary to establish a crime of "insurance fraud" to directly and comprehensively criminalize this type of harmful conduct, with substantial criminal penalties to punish wrongdoers and to appropriately deter others from such illicit activity.

d. In addition to criminal penalties, in order to maintain the public trust and ensure the integrity of professional licensees and certificate-holders who by virtue of their professions are involved in insurance transactions, it is appropriate to provide civil remedial provisions governing license or certificate forfeiture and suspension tailored to this new crime of insurance fraud and other criminal insurance-related activities.

e. To enhance the State's ability to detect insurance fraud, which will lead to more productive investigations and, ultimately, more successful criminal prosecutions, it is appropriate to provide members of the public with significant incentives to come forward when they may have reasonable suspicions or knowledge of a person or persons committing insurance fraud. The establishment of an Insurance Fraud Detection Reward Program will enable the Insurance Fraud Prosecutor to obtain information which may lead to the arrest, prosecution and conviction of persons or entities who have committed insurance-related fraud.

C.2C:21-4.5 Definitions relative to insurance fraud.

72. As used in sections 73 and 74 of P.L.2003, c.89 (C.2C:21-4.6 and C.2C:21-4.7), unless the context otherwise requires, the following words and terms shall have the following meanings:

"Insurance company" means any person, company, corporation, unincorporated association, partnership, professional corporation, agency of government and any other entity authorized or permitted to do business in New Jersey, subject to regulation by the State, or incorporated or organized under the laws of any other state of the United States or of any foreign nation or of any province or territory thereof, to indemnify another against loss, damage, risk or liability arising from a contingent or unknown event. "Insurance company" includes, but is not limited to, an insurance company as that term
is defined in section 3 of P.L.1983, c.320 (C.17:33A-3), self-insurer, re-insurer, reciprocal exchange, inter-insurer, hospital, medical or health service corporation, health maintenance organization, surety, assigned risk plan, joint insurance fund, and any other entity legally engaged in the business of insurance as authorized or permitted by the State of New Jersey, including but not limited to any such entity incorporated or organized under the laws of any other state of the United States or of any foreign nation or of any province or territory thereof.

"Insurance policy" means the instrument, in writing, electronically or in any other form, in which are set forth the terms of any certificate of insurance, binder of coverage, contract of insurance or contract of re-insurance, issued by an insurance company, including, but not limited to, a State-assigned risk plan, plan of indemnity protection provided by or on behalf of a joint insurance fund or benefit plan, motor club service plan, or guaranty bond, surety bond, cash bond or any other alternative to insurance authorized or permitted by the State of New Jersey.

"Insurance transaction" means a transaction by, between, or among (1) an insurance company and (2) an insured, claimant, applicant for insurance, public adjuster, insurance professional, practitioner as defined by section 2 of P.L.1997, c.353 (C.2C:21-4.2), attorney, or any person who acts on behalf of any of the foregoing for the purpose of obtaining insurance or reinsurance, calculating insurance premiums, submitting a claim, negotiating or adjusting a claim, or otherwise obtaining insurance, self insurance, or reinsurance, or obtaining the benefits or annuities thereof or therefrom.

"Premium finance transaction" means a transaction involving or related to insurance premium financing which is subject to the "Insurance Premium Finance Company Act," P.L.1968, c.221 (C.17:16D-1 et seq.).

C.2C:21-4.6 Crime of insurance fraud.

73. a. A person is guilty of the crime of insurance fraud if that person knowingly makes, or causes to be made, a false, fictitious, fraudulent, or misleading statement of material fact in, or omits a material fact from, or causes a material fact to be omitted from, any record, bill, claim or other document, in writing, electronically, orally or in any other form, that a person attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted as part of, in support of or opposition to or in connection with: (1) a claim for payment, reimbursement or other benefit pursuant to an insurance policy, or from an insurance company or the "Unsatisfied Claim and Judgment Fund Law," P.L.1952, c.174 (C.39:6-61 et seq.); (2) an application to obtain or renew an insurance policy; (3) any payment made or to be made in accordance with the terms of an insurance policy or premium finance transaction; or (4) an
CHAPTER 89, LAWS OF 2003

affidavit, certification, record or other document used in any insurance or premium finance transaction.

b. Insurance fraud constitutes a crime of the second degree if the person knowingly commits five or more acts of insurance fraud, including acts of health care claims fraud pursuant to section 2 of P.L.1997, c.353 (C.2C:21-4.2) and if the aggregate value of property, services or other benefit wrongfully obtained or sought to be obtained is at least $1,000. Otherwise, insurance fraud is a crime of the third degree. Each act of insurance fraud shall constitute an additional, separate and distinct offense, except that five or more separate acts may be aggregated for the purpose of establishing liability pursuant to this subsection. Multiple acts of insurance fraud which are contained in a single record, bill, claim, application, payment, affidavit, certification or other document shall each constitute an additional, separate and distinct offense for purposes of this subsection.

c. Proof that a person has signed or initialed an application, bill, claim, affidavit, certification, record or other document may give rise to an inference that the person has read and reviewed the application, bill, claim, affidavit, certification, record or other document.

d. In order to promote the uniform enforcement of this act, the Attorney General shall develop insurance fraud prosecution guidelines and disseminate them to county prosecutors within 180 days of the effective date of this act.

e. Nothing in this act shall preclude an indictment and conviction for any other offense defined by the laws of this State.

f. Nothing in this act shall preclude an assignment judge from dismissing a prosecution of insurance fraud if the assignment judge determines, pursuant to N.J.S.2C:2-11, the conduct charged to be a de minimis infraction.

C.2C:21-4.7 Insurance Fraud Detection Reward Program.

74. a. There is established within the Office of the Insurance Fraud Prosecutor an Insurance Fraud Detection Reward Program, to be funded from surcharges imposed pursuant to section 53 of P.L.2002, c.34 (C.17:33A-5.1) and supplemented as necessary and appropriate by amounts budgeted for the operation of the office.

b. A member of the public who has knowledge of or who believes that an act of health care claims fraud, insurance fraud or any other criminal offense involving or related to an insurance transaction is being or has been committed may provide the Insurance Fraud Prosecutor with a report or information pertinent to that knowledge or belief and may provide additional information that the Insurance Fraud Prosecutor requests.

c. The Insurance Fraud Prosecutor shall maintain a 24-hour toll-free insurance fraud hotline to receive information from members of the public who have knowledge of or who believe that an act of health care claims fraud,
insurance fraud or any other criminal offense involving or related to an insurance transaction is being or has been committed.

d. The Attorney General, through the Insurance Fraud Prosecutor, is authorized to pay a reward of up to $25,000 to persons providing information leading to the arrest, prosecution and conviction of persons or entities who have committed health care claims fraud, insurance fraud or any other criminal offense related to an insurance transaction. Only a single reward amount may be paid by the Insurance Fraud Prosecutor for claims arising out of the same transaction or occurrence, regardless of the number of persons arrested, prosecuted and convicted and regardless of the number of persons submitting claims for the reward. The reward may be divided and disbursed among more than one person in amounts determined by the Insurance Fraud Prosecutor, in accordance with the provisions of this subsection. The decision of the Insurance Fraud Prosecutor as to the person or persons entitled to the reward shall be final unless the reward recipients shall disagree, in which event, the matter shall be referred to the Attorney General whose decision shall be final and shall not be subject to judicial review.

e. Any person acting in good faith who provides information in accordance with subsection b. of this section shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed as a result of such act.

f. The Attorney General shall promulgate and adopt rules and regulations which set forth the reward program application and approval process, including the criteria against which claims shall be evaluated, the basis for determining specific reward amounts, and the manner of reward disbursement. Applications for rewards authorized by this section must be submitted in accordance with rules established by the Attorney General.

75. Section 3 of P.L.1997, c.353 (C.2C:21-4.3) is amended to read as follows:

C.2C:21-4.3 Health care claims fraud, degree of crime; prosecution guidelines.

3. a. A practitioner is guilty of a crime of the second degree if that person knowingly commits health care claims fraud in the course of providing professional services. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

b. A practitioner is guilty of a crime of the third degree if that person recklessly commits health care claims fraud in the course of providing professional services. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.
c. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the third degree if that person knowingly commits health care claims fraud. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the second degree if that person knowingly commits five or more acts of health care claims fraud and the aggregate pecuniary benefit obtained or sought to be obtained is at least $1,000. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

d. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the fourth degree if that person recklessly commits health care claims fraud. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

e. Each act of health care claims fraud shall constitute an additional, separate and distinct offense, except that five or more separate acts may be aggregated for the purpose of establishing liability pursuant to subsection c. of this section. Multiple acts of health care claims fraud which are contained in a single record, bill, claim, application, payment, affidavit, certification or other document shall each constitute an additional, separate and distinct offense for purposes of this section.

f. (1) The falsity, fictitiousness, fraudulence or misleading nature of a statement may be inferred by the trier of fact in the case of a practitioner who attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted, any record, bill, claim or other document for treatment or procedure without the practitioner, or an associate of the practitioner, having performed an assessment of the physical or mental condition of the patient or client necessary to determine the appropriate course of treatment.

(2) The falsity, fictitiousness, fraudulence or misleading nature of a statement may be inferred by the trier of fact in the case of a person who attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted any record, bill, claim or other document for more treatments or procedures than can be performed during the time in which the treatments or procedures were represented to have been performed.

(3) Proof that a practitioner has signed or initialed a record, bill, claim or other document gives rise to an inference that the practitioner has read and reviewed that record, bill, claim or other document.

g. In order to promote the uniform enforcement of this act, the Attorney General shall develop health care claims fraud prosecution guidelines and
disseminate them to the county prosecutors within 120 days of the effective date of this act.

h. For the purposes of this section, a person acts recklessly with respect to a material element of an offense when he consciously disregards a substantial and unjustifiable risk that the material element exists or will result from his conduct. The risk must be of such a nature and degree that, considering the nature and purpose of the actor’s conduct and the circumstances known to him, its disregard involves a gross deviation from the standard of conduct that a reasonable person would observe in the actor’s situation.

i. (1) Nothing in this act shall preclude an indictment and conviction for any other offense defined by the laws of this State.

(2) Nothing in this act shall preclude an assignment judge from dismissing a prosecution of health care claims fraud if the assignment judge determines, pursuant to N.J.S.2C:2-11, the conduct charged to be a de minimis infraction.

76. Section 4 of P.L.1997, c.353 (C.2C:51-5) is amended to read as follows:

C.2C:51-5 Forfeiture, suspension of license, certificate; exceptions.

4. a. (1) A practitioner convicted of health care claims fraud pursuant to subsection a. of section 3 of P.L.1997, c.353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States shall forfeit his license and be forever barred from the practice of the profession unless the court finds that such license forfeiture would be a serious injustice which overrides the need to deter such conduct by others and in such case the court shall determine an appropriate period of license suspension which shall be for a period of not less than one year. If the court does not permanently forfeit such license pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

(2) Upon a first conviction of health care claims fraud pursuant to subsection b. of section 3 of P.L.1997, c.353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States, a practitioner shall have his license suspended and be barred from the practice of the profession for a period of at least one year.

(3) Upon a second conviction of health care claims fraud pursuant to subsection b. of section 3 of P.L.1997, c.353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States, a practitioner shall forfeit his license and be forever barred from the practice of the profession.

(4) A person convicted of second degree insurance fraud pursuant to section 73 of P.L.2003, c.89 (C.2C:21-4.6) or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, or vocation or business, including but not limited to a practitioner as
defined in section 2 of P.L. 1997, c.353 (C.2C:21-4.2), shall forfeit that license or certificate and be forever barred from the practice of that profession, occupation, trade, vocation or business if the act or acts of insurance fraud were related to or performed while engaged in the practice of that profession, occupation, trade, vocation or business, unless the court finds that such license or certificate forfeiture would be a serious injustice which overrides the need to deter such conduct by others and in that case the court shall determine an appropriate period of license or certificate suspension which shall be for a period of not less than one year. If the court does not permanently forfeit such license or certificate pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of that sentence by the prosecution.

(5) A person convicted of third degree insurance fraud pursuant to section 73 of P.L.2003, c.89 (C.2C:21-4.6) or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, vocation or business, including but not limited to a practitioner as defined in section 2 of P.L.1997, c.353 (C.2C:21-4.2), shall have his license or certificate suspended and be barred from the practice of that profession, occupation, trade, vocation or business for a period of at least one year if the act or acts of insurance fraud were related to or performed while engaged in the practice of that profession, occupation, trade, vocation or business.

(6) Upon a second conviction of third degree insurance fraud pursuant to section 73 of P.L.2003, c.89 (C.2C:21-4.6) or a substantially similar crime under the laws of another state or the United States which meets the criteria of paragraph (2) of this subsection, a person shall forfeit his license or certificate and be forever barred from the practice of that profession, occupation, trade, vocation or business.

(7) Upon application of the county prosecutor or the Attorney General, a person convicted of any crime of the second degree or above enumerated in chapter 20 or 21 of Title 2C of the New Jersey Statutes or a substantially similar crime under the laws of another state or the United States who holds a license or certificate or authority or qualification to engage in the practice of a profession, occupation, trade, vocation or business, including a practitioner as defined in section 2 of P.L.1997, c.353 (C.2C:21-4.2), shall forfeit such license or certificate and be forever barred from the practice of that profession, occupation, trade, vocation or business if the act or acts underlying the conviction involved or were related to an insurance transaction as defined in section 72 of P.L.2003, c.89 (C.2C:21-4.5) and touched upon or were performed while engaged in the practice of that profession, occupation, trade, vocation or business, unless the court finds that the license or certificate forfeiture would be a serious injustice which overrides the need to deter such
conduct by others and in that case the court shall determine an appropriate period of license or certificate suspension which shall be for a period of not less than one year. If the court does not permanently forfeit that license or certificate pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of that sentence by the prosecution.

(8) Upon application of the county prosecutor or the Attorney General, a person convicted of any crime of the third degree enumerated in chapter 20 or 21 of Title 2C of the New Jersey Statutes or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, vocation or business, including but not limited to a practitioner as defined in section 2 of P.L.1997, c.353 (C.2C:21-4.2), shall have his license or certificate suspended and be barred from the practice of that profession, occupation, trade, vocation or business for a period of at least one year if the act or acts underlying the conviction involved or were related to an insurance transaction as defined in section 72 of P.L.2003, c.89 (C.2C:21-4.5) and touched upon or were performed while engaged in the practice of that profession, occupation, trade, vocation or business.

b. A court of this State shall enter an order of license or certificate forfeiture or suspension pursuant to subsection a. of this section:

(1) Immediately upon a finding of guilt by the trier of fact or a plea of guilty entered in any court of this State; or

(2) Upon application of the county prosecutor or the Attorney General, when the license or certificate forfeiture or suspension is made pursuant to paragraph (4) of subsection a. of this section or is based upon a conviction of an offense under the laws of another state or of the United States. An order of license or certificate forfeiture or suspension pursuant to this paragraph shall be effective as of the date the person is found guilty by the trier of fact or pleads guilty to the offense.

This application may also be made in the alternative by the Attorney General to the appropriate licensing agency.

The court shall provide notice of the forfeiture or suspension to the appropriate licensing agency within 10 days of the date an order of forfeiture or suspension is entered.

c. No court shall grant a stay of an order of license or certificate forfeiture or suspension pending appeal of a conviction or forfeiture or suspension order unless the court is clearly convinced that there is a substantial likelihood of success on the merits. If the conviction is reversed or the order of license or certificate forfeiture or suspension is overturned, the court shall provide notice of reinstatement to the appropriate licensing agency within 10 days of the date of the order of reinstatement. The license or certificate shall be restored,
in accordance with applicable procedures, unless the appropriate licensing agency determines to suspend or revoke the license or certificate.

d. In any case in which the issue of license or certificate forfeiture or suspension is not raised in a court of this State at the time of a finding of guilt, entry of a guilty plea or sentencing, a license or certificate forfeiture or suspension required by this section may be ordered by a court or by the appropriate licensing agency of this State upon application of the county prosecutor or the Attorney General or upon application of the appropriate licensing agency having authority to revoke or suspend the professional's license or certificate. The fact that a court has declined to order license or certificate forfeiture or suspension shall not preclude the appropriate licensing agency having authority to revoke or suspend the professional's license or certificate from seeking to do so on the ground that the conduct giving rise to the conviction demonstrates that the person is unfit to hold the license or certificate or is otherwise liable for an offense as specified in section 8 of P.L.1978, c.73 (C.45:1-21).

e. If the Supreme Court of the State of New Jersey issues Rules of Court pursuant to this act, the Supreme Court may revoke the license to practice law of any attorney who has been convicted, under the laws of this State, of health care claims fraud pursuant to section 3 of P.L.1997, c.353 (C.2C:21-4.3), or an offense which, if committed in this State, would constitute health care claims fraud, insurance fraud pursuant to section 73 of P.L.2003, c.89 (C.2C:21-4.6), or an offense which, if committed in this State, would constitute insurance fraud.

f. Nothing in this section shall be construed to prevent or limit the appropriate licensing agency or any other party from taking any other action permitted by law against the practitioner.

77. Section 5 of P.L.1997, c.353 (C.2C:52-27.1) is amended to read as follows:
C.2C:52-27.1 Petition to rescind order of debarment for health care claims fraud; restoration.

5. a. If an order of expungement of records of conviction under the provisions of chapter 52 of Title 2C of the New Jersey Statutes is granted by the court to a person convicted of health care claims fraud in which the court had ordered the offender's professional license or certificate be forfeited and the person be forever barred from the practice of the profession, occupation, trade, vocation or business pursuant to subsection a. of section 4 of P.L.1997, c.353 (C.2C:51-5), the person may petition the court for an order to rescind the court's order of debarment if the person can demonstrate that the person is sufficiently rehabilitated.
b. If an order to rescind the court's order of debarment is granted, the person granted the order may apply to be licensed or certified to practice the profession, occupation, trade, vocation or business from which the offender was barred.

78. R.S.39:3-29 is amended to read as follows:

License, registration certificate and insurance identification card; possession; exhibit upon request; violations; fine; defense.

39:3-29. The driver's license, the registration certificate of a motor vehicle and an insurance identification card shall be in the possession of the driver or operator at all times when he is in charge of a motor vehicle on the highways of this State.

The driver or operator shall exhibit his driver's license and an insurance identification card, and the holder of a registration certificate or the operator or driver of a motor vehicle for which a registration certificate has been issued, whether or not the holder, driver or operator is a resident of this State, shall also exhibit the registration certificate, when requested so to do by a police officer or judge, while in the performance of the duties of his office, and shall write his name in the presence of the officer, so that the officer may thereby determine the identity of the licensee and at the same time determine the correctness of the registration certificate, as it relates to the registration number and number plates of the motor vehicle for which it was issued; and the correctness of the evidence of a policy of insurance, as it relates to the coverage of the motor vehicle for which it was issued.

Any person violating this section shall be subject to a fine of $150, of which $25 shall be deposited in the Uninsured Motorist Prevention Fund established by section 2 of P.L.1983, c.141 (C.39:6B-3).

If a person charged with a violation of this section can exhibit his driver's license, insurance identification card and registration certificate, which were valid on the day he was charged, to the judge of the municipal court before whom he is summoned to answer to the charge, such judge may dismiss the charge. However, the judge may impose court costs.

C.39:3-29.1a Provision of proof of insurance; impoundment of vehicle.

79. a. Upon the issuance of a summons for failing to possess or exhibit an insurance identification card in violation of R.S.39:3-29, the violator or registrant shall have 24 hours from the time of the citation to provide the issuing law enforcement agency with the insurance identification card, or other satisfactory proof of insurance. Failure to provide the insurance identification card or other satisfactory proof of insurance within the 24-hour time frame shall result in the issuance of a warrant for the immediate impoundment of the vehicle that was being operated when the summons was issued. A motor
vehicle impounded pursuant to the provisions of this subsection shall be
removed to a storage space or garage. The registrant shall be responsible for
the cost of the removal and storage of the impounded motor vehicle.

b. (1) If the registrant fails to claim a motor vehicle impounded pursuant
to subsection a. of this section and pay the reasonable costs of removal and
storage by midnight of the 30th day following impoundment, along with a
fine of $100 to cover the administrative costs of the municipality wherein
the violation occurred, and after a hearing, the municipality may sell the motor
vehicle at public auction. The municipality shall give notice of the sale by
certified mail to the registrant of the motor vehicle and to the holder of any
security interest filed with the New Jersey Motor Vehicle Commission, and
by publication in a form to be prescribed by the director by one insertion, at
least five days before the date of the sale, in one or more newspapers published
in this State and circulating in the municipality in which the motor vehicle
has been impounded.

(2) At any time prior to the sale, the registrant or other person entitled
to the motor vehicle may reclaim possession of it upon providing satisfactory
proof of motor vehicle liability insurance coverage and payment of the
reasonable costs of removal and storage of the motor vehicle and any
outstanding fines or penalties; provided, however, if the other person entitled
to the motor vehicle is a lessor or the holder of a lien on the motor vehicle,
he may reclaim the motor vehicle without payment. In such cases, the registrant
shall be liable for all outstanding costs, fines and penalties, and the municipality
shall have a lien against the property and income of that registrant for the total
amount of those outstanding costs, fines and penalties.

(3) Any proceeds obtained from the sale of a motor vehicle at public auction
pursuant to paragraph (1) of this subsection in excess of the amount owed
to the municipality for the reasonable costs of removal and storage of the motor
vehicle and any outstanding fines or penalties shall be returned to the registrant
of the vehicle.

80. Section 2 of P.L.1983, c.141 (C.39:6B-3) is amended to read as follows:

C.39:6B-3 Uninsured Motorist Prevention Fund.

2. The Uninsured Motorist Prevention Fund (hereinafter referred to as
the "fund") is established as a nonlapsing, revolving fund into which shall
be deposited all revenues from the fines imposed pursuant to section 2 of
P.L.1972, c.197 (C.39:6B-2) and $25 from each fine imposed pursuant to
R.S.39:3-29. Interest received on moneys in the fund shall be credited to the
fund. The fund shall be administered by the New Jersey Motor Vehicle
Commission. Moneys in the fund shall be allocated and used for the purpose
of the administrative expenses of the fund and enforcement of the compulsory

5. a. The fund shall:

(1) Be obligated to the extent of the covered claims against an insolvent insurer incurred prior to or 30 days after the determination of insolvency, or before the policy expiration date, if less than 30 days after that determination, or before the policyholder replaces the policy or causes its cancellation, if he does so within 30 days of the determination. The fund's obligation for covered claims shall not be greater than $300,000.00 per occurrence, subject to any applicable deductible contained in the policy. (a) Obligations of the fund under paragraph (1) of this subsection,
(b) Expenses of handling covered claims,
(c) Any other expenses incurred in the implementation of the provisions of this act;

(4) Investigate claims brought against the fund; and adjust, compromise, settle, and pay covered claims to the extent of the fund's obligation; and deny all other claims; and may review settlements, releases and judgments to which the insolvent insurer or its policyholders were parties to determine the extent to which the settlements, releases and judgments may be properly contested;

82. Section 7 of P.L.1988, c.118 (C.17:29A-5.12) is amended to read as follows:
C.17:29A-5.12 Plan for refund, credit.
  7. If the commissioner finds that an insurer has excess profits, the insurer shall establish, subject to the approval of the commissioner, a fair, practicable, and nondiscriminatory plan for the refund or credit of the excess profits to such group or groups of policyholders as the commissioner may determine to be reasonable in consideration of the insurer's financial and business circumstances.

83. R.S.17:17-10 is amended to read as follows:
Certificate authorizing company to commence business; issuance, surrender; replacement carrier.
  17:17-10. a. When satisfied that a company has complied with all the requirements of this subtitle to entitle it to engage in business and that the proposed methods of operation of the company are not such as would render its operation hazardous to the public or its policyholders, the commissioner shall issue to the company a certificate authorizing it to commence business, specifying in the certificate the particular kind or kinds of insurance it is authorized to transact. The commissioner may refuse to issue a certificate of authority if he finds that any of the company's directors or officers has been
convicted of a crime involving fraud, dishonesty, or like moral turpitude or that said persons are not persons of good character and integrity. No company shall transact the business for which it is incorporated until it has received the certificate from the commissioner. If any company fails to obtain the certificate of authority within one year from the date of the certificate of the Attorney General to its certificate of incorporation, as provided in R.S. 17: 17-5, the company shall, ipso facto, be dissolved and its certificate of incorporation be null and void.

b. No company licensed to transact insurance business in this State pursuant to chapter 17 of Title 17 of the Revised Statutes may surrender its certificate of authority or discontinue writing or renewing any kind or kinds of insurance specified in the certificate, except in accordance with an informational filing submitted to the commissioner, which filing shall be subject to the following provisions regarding any withdrawals:

(1) the company shall send a notice to policyholders of the proposed withdrawal no later than thirty days following the submission of the informational filing to the commissioner, which shall state that the insurer intends to withdraw and has filed its intention to withdraw with the commissioner, the terms of the withdrawal, including the date of the proposed commencement of nonrenewal of policies, and the proposed duration of the nonrenewal of the company's book of business;

(2) nonrenewals shall not commence prior to one calendar year and ninety days following the submission of the informational filing;

(3) the company shall send a notice of nonrenewal to every policyholder (a) no later than one calendar year preceding the date of nonrenewal and (b) a subsequent notice of nonrenewal in accordance with any time limit otherwise established by law for that line of insurance;

(4) nonrenewals shall take place in a manner so as to be applicable to all insureds on an equitable basis with respect to risk classification and territorial or other form of rating factor, and shall be effectuated at a uniform rate over a period not exceeding three calendar years, commencing with the date established in paragraph (2) of this subsection; provided, however, that if more than one company files for withdrawal for the same line of business and the companies, in the aggregate, write more than 25% of the market share for that line of business, the commissioner may extend the period of withdrawal provided for herein to five years.

The commissioner's authority with respect to withdrawals as provided for herein shall be limited to enforcing compliance with this subsection and enforcing the terms of the withdrawal plan proposed in the informational filing.

c. Upon receiving the informational filing provided for in subsection b. of this section, the commissioner shall consider, and may require as a condition of approval, whether some or all of the company's other certificates
of authority issued pursuant to Title 17 of the Revised Statutes held by the company or other companies within the same holding company system as the company submitting the plan shall be required to be surrendered.

d. Notwithstanding the provisions of subsection b. of this section, if the company finds a replacement carrier for the business that will not be renewed as the result of the withdrawal either prior to or after the date of the informational filing, the insurer may apply to the commissioner for approval to transfer the business to a replacement carrier or carriers. If the commissioner approves the replacement carrier or carriers, notwithstanding the provisions of paragraphs (1), (2), and (3) of subsection b. of this section, the notice of nonrenewal shall be in compliance with the time limits provided by law for that line of insurance, and the company shall offer every insured coverage with the replacement carrier prior to the effective date of the nonrenewal. The commissioner shall not withhold approval of a replacement carrier or carriers if that insurer is authorized to do business in the same line of business in New Jersey and has the financial and business capability to write and service the business being transferred to it by the withdrawing company. The commissioner shall approve or disapprove the replacement carrier or carriers within 60 days of (1) the date of the filing by both the withdrawing insurer requesting approval of a replacement carrier or carrier or (2) the filing by the replacement carrier or carriers requesting to be a replacement carrier, whichever is later.

e. Notwithstanding the provisions of subsection b. of this section, the commissioner may waive the requirements of paragraph (2) of that subsection, and the one-year nonrenewal notice of paragraph (3) of that subsection, as well as the three-year minimum nonrenewal period provided in paragraph (4) of that subsection if the commissioner deems a waiver to be necessary to protect the solvency of the insurer making the informational filing or if the commissioner deems the withdrawal to have a limited impact on the market.

84. Section 72 of P.L. 1990, c.8 (C.17:33B-30) is amended to read as follows:

C.17:33B-30 Out-of-State insurance company, surrender of certificate.

72. a. An insurance company of another state or foreign country authorized under chapter 32 of Title 17 of the Revised Statutes to transact insurance business in this State may surrender to the commissioner its certificate of authority and thereafter cease to transact insurance in this State, or discontinue the writing or renewal of private passenger automobile insurance specified in the certificate of authority only after the submission of an informational filing submitted to the commissioner, which filing shall be subject to the following provisions:

(1) the company shall send a notice to policyholders of the proposed withdrawal no later than thirty days following the submission of the
informational filing to the commissioner, which shall state that the insurer intends to withdraw and has filed its intention to withdraw with the commissioner, the terms of the withdrawal, including the date of the proposed commencement of nonrenewal of policies, and the proposed duration of the nonrenewal of the company's book of business;

(2) nonrenewals shall not commence prior to one calendar year and ninety days following the submission of the informational filing;

(3) the company shall send a notice of nonrenewal to every policyholder (a) no later than one calendar year preceding the date of nonrenewal and (b) a subsequent notice of nonrenewal in accordance with any time limit otherwise established by law for that line of insurance;

(4) nonrenewals shall take place in a manner so as to be applicable to all insureds on an equitable basis with respect to risk classification and territorial or other form of rating factor, and shall be effectuated at a uniform rate over a period not exceeding three calendar years, commencing with the date established in paragraph (2) of this subsection; provided, however, that if more than one company files for withdrawal for the same line of business and the companies, in the aggregate, write more than 25% of the market share for that line of business, the commissioner may extend the period of withdrawal provided for herein to five years.

The commissioner's authority with respect to withdrawals as provided for herein shall be limited to enforcing compliance with this subsection and enforcing the terms of the withdrawal plan proposed in the informational filing.

b. Upon receiving the informational filing provided for in subsection a. of this section, the commissioner shall consider, and may require as a condition of approval, whether some or all of the company's other certificates of authority issued pursuant to Title 17 of the Revised Statutes held by the company or other companies within the same holding company system as the company submitting the plan shall be required to be surrendered.

c. Notwithstanding the provisions of subsection a. of this section, if the company finds a replacement carrier for the business that will not be renewed as the result of the withdrawal either prior to or after the date of the informational filing, the insurer may apply to the commissioner for approval to transfer the business to a replacement carrier or carriers. If the commissioner approves the replacement carrier or carriers, notwithstanding the provisions of paragraphs (1), (2), and (3) of subsection a. of this section, the notice of nonrenewal shall be in compliance with the time limits provided by law for that line of insurance, and the company shall offer every insured coverage with the replacement carrier prior to the effective date of the nonrenewal. The commissioner shall not withhold approval of a replacement carrier or carriers if that insurer is authorized to do business in the same line of business in New Jersey and has the financial and business capability to write and service the business being transferred
to it by the withdrawing company. The commissioner shall approve or
disapprove the replacement carrier or carriers within 60 days of (1) the date
of the filing by both the withdrawing insurer requesting approval of a
replacement carrier or carrier or (2) the filing by the replacement carrier or
carriers requesting to be a replacement carrier, whichever is later.

d. Notwithstanding the provisions of subsection a. of this section, the
commissioner may waive the requirements of paragraph (2) of that subsection,
and the one-year nonrenewal notice of paragraph (3) of that subsection, as
well as the three-year minimum nonrenewal period provided in paragraph
(4) of that subsection if the commissioner deems a waiver to be necessary
to protect the solvency of the insurer making the informational filing or if
the commissioner deems the withdrawal to have a limited impact on the market.

CHAPTER 94

AN ACT concerning financing of certain home repair contracts and amending P.L.1969, c.237.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1969, c.237 (C.17:16C-64.2) is amended to read as follows:

C.17:16C-64.2 Form, terms of consumer notes; contractor's bond.

2. No home repair contract shall require or entail the execution of any note unless a home repair contractor obtains a bond in a form and amount prescribed by regulations of the commissioner, but said bond shall be in the amount of $25,000 or 1% of a home repair contractor's home improvement annual sales of the previous year, whichever is greater, and applies for a building permit, if required, within 10 business days of the execution of the home repair contract. The bond shall be obtained from a surety company authorized by law to do business in this State and shall be filed with the commissioner. The bond required by this section shall contain a provision that it shall not be canceled for any cause unless notice of intention to cancel is filed in the department at least 30 days before the day upon which cancellation shall take
effect. That note shall have printed the words "CONSUMER NOTE" in 10-point bold type or larger on the face thereof. Such a note with the words "CONSUMER NOTE" printed thereon shall be subject to the terms and conditions of the home repair contract and shall not be a negotiable instrument within the meaning of chapter 3 (Negotiable Instruments) of the Uniform Commercial Code, N.J.S.12A:3-101 et seq.

2. This act shall take effect immediately.

CHAPTER 95

AN ACT concerning arbitration procedures and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:23B-1 Definitions relative to arbitration after 2002.

1. Definitions. For the purposes of this act:
   "Arbitration organization" means an association, agency, board, commission or other entity that is neutral and initiates, sponsors or administers an arbitration proceeding or is involved in the appointment of an arbitrator.
   "Arbitrator" means an individual appointed either as a neutral arbitrator or as a party arbitrator to render an award, alone or with others, in a controversy that is subject to an agreement to arbitrate.

2. Notice.
a. Except as otherwise provided in this act, a person gives notice to another person by taking action that is reasonably necessary to inform the other person in ordinary course, whether or not the other person acquires knowledge of the notice.

b. A person has notice if the person has knowledge of the notice or has received notice.

c. A person receives notice when it comes to the person's attention or the notice is delivered at the person's place of residence or place of business, or at another location held out by the person as a place of delivery of such a notice.

C.2A:23B-3 When act applies.

3. When Act Applies.

a. This act governs all agreements to arbitrate made on or after January 1, 2003 with the exception of an arbitration between an employer and a duly elected representative of employees under a collective bargaining agreement or collectively negotiated agreement.

b. This act governs an agreement to arbitrate made before January 1, 2003 if all the parties to the agreement or to the arbitration proceeding so agree in a record with the exception of an arbitration between an employer and a duly elected representative of employees under a collective bargaining agreement or collectively negotiated agreement.

c. On or after January 1, 2005, this act governs an agreement to arbitrate whenever made with the exception of an arbitration between an employer and a duly elected representative of employees under a collective bargaining agreement or collectively negotiated agreement.

d. This act shall not apply to agreements to arbitrate made before July 4, 1923.

C.2A:23B-4 Effect of agreement to arbitrate; nonwaivable provisions.

a. Except as otherwise provided in subsections b. and c. of this section, a party to an agreement to arbitrate or to an arbitration proceeding may waive or, the parties may vary the effect of, the requirements of this act to the extent permitted by law.

b. Before a controversy that is subject to an agreement to arbitrate arises, a party to the agreement may not:

(1) waive or agree to vary the effect of the requirements of section 5a., 6a., 8, 17a., 17b., 26, or 28 of this act;

(2) agree to unreasonably restrict the right to notice of the initiation of an arbitration proceeding pursuant to section 9 of this act;

(3) agree to unreasonably restrict the right to disclosure of any facts by an arbitrator pursuant to section 12 of this act; or
(4) waive the right of a party to an agreement to arbitrate to be represented by a lawyer pursuant to section 16 of this act at any proceeding or hearing pursuant to this act.

c. A party to an agreement to arbitrate or arbitration proceeding may not waive, or the parties may not vary the effect of, the requirements of this section or section 3a., 3c., 7, 14, 18, 20d., 20e., 22, 23, 24, 25a., 25b., 29, 30, 34 or 35. Provided however, that nothing in this act shall preclude the parties from expanding the scope of judicial review of an award by expressly providing for such expansion in a record.

C.2A:23B-5 Application for judicial relief.

5. Application for Judicial Relief.

a. Except as otherwise provided in section 28 of this act, an application for judicial relief pursuant to this act shall be made upon commencement of a summary action with the court and heard in the manner provided for in such matters by the applicable court rules.

b. Unless a civil action involving the agreement to arbitrate is pending, notice of commencement of a summary action pursuant to this act shall be served in the manner provided by the court rules for serving process in summary actions.

C.2A:23B-6 Validity of agreement to arbitrate.

6. Validity of Agreement to Arbitrate.

a. An agreement contained in a record to submit to arbitration any existing or subsequent controversy arising between the parties to the agreement is valid, enforceable, and irrevocable except upon a ground that exists at law or in equity for the revocation of a contract.

b. The court shall decide whether an agreement to arbitrate exists or a controversy is subject to an agreement to arbitrate.

c. An arbitrator shall decide whether a condition precedent to arbitrability has been fulfilled and whether a contract containing a valid agreement to arbitrate is enforceable.

d. If a party to a judicial proceeding challenges the existence of, or claims that a controversy is not subject to, an agreement to arbitrate, the arbitration proceeding may continue pending final resolution of the issue by the court, unless the court otherwise orders.

C.2A:23B-7 Application to compel or stay arbitration.

7. Application to Compel or Stay Arbitration.

a. On filing a summary action with the court by a person showing an agreement to arbitrate and alleging another person's refusal to arbitrate pursuant to the agreement:
(1) if the refusing party does not appear or does not oppose the summary action, the court shall order the parties to arbitrate; and

(2) if the refusing party opposes the summary action, the court shall proceed summarily to decide the issue and order the parties to arbitrate unless it finds that there is no enforceable agreement to arbitrate.

b. On filing a summary action with the court by a person alleging that an arbitration proceeding has been initiated or threatened but that there is no agreement to arbitrate, the court shall proceed summarily to decide the issue. If the court finds that there is an enforceable agreement to arbitrate, it shall order the parties to arbitrate.

c. If the court finds that there is no enforceable agreement, it may not, pursuant to subsection a. or b. of this section, order the parties to arbitrate.

d. The court may not refuse to order arbitration because the claim subject to arbitration lacks merit or grounds for the claim have not been established.

e. If a proceeding involving a claim referable to arbitration pursuant to an alleged agreement to arbitrate is pending in court, an application pursuant to this section shall be made in that court. Otherwise, an application pursuant to this section may be made in any court as provided in section 27 of this act.

f. If a party commences a summary action to order arbitration, the court on just terms shall stay any judicial proceeding that involves a claim alleged to be subject to the arbitration until the court renders a final decision pursuant to this section.

g. If the court orders arbitration, the court on just terms shall stay any judicial proceeding that involves a claim subject to the arbitration. If a claim subject to the arbitration is severable, the court may limit the stay to that claim.

C.2A:23B-8 Provisional remedies.

8. Provisional Remedies.

a. Before an arbitrator is appointed and is authorized and able to act, the court, in such summary action upon application of a party to an arbitration proceeding and for good cause shown, may enter an order for provisional remedies to protect the effectiveness of the arbitration proceeding to the same extent and pursuant to the same conditions as if the controversy were the subject of a civil action.

b. After an arbitrator is appointed and is authorized and able to act:

(1) the arbitrator may issue orders for provisional remedies, including interim awards, as the arbitrator finds necessary to protect the effectiveness of the arbitration proceeding and to promote the fair and expeditious resolution of the controversy, to the same extent and pursuant to the same conditions as if the controversy were the subject of a civil action; and
(2) a party to an arbitration proceeding may move the court for a provisional remedy only if the matter is urgent and the arbitrator is not able to act timely or the arbitrator cannot provide an adequate remedy.

c. A party does not waive a right of arbitration by making an application pursuant to subsection a. or b. of this section.

C.2A:23B-9 Initiation of arbitration.

a. A person initiates an arbitration proceeding by giving notice in a record to the other parties to the agreement to arbitrate in the manner agreed between the parties or, in the absence of agreement, by certified or registered mail, return receipt requested and obtained, or by service as authorized for the commencement of a civil action. The notice shall describe the nature of the controversy and the remedy sought.

b. Unless a person objects for lack or insufficiency of notice pursuant to subsection c. of section 15 of this act not later than the beginning of the arbitration hearing, the person, by appearing at the hearing, waives any objection to the lack or insufficiency of notice.

C.2A:23B-10 Consolidation of separate arbitration proceedings.

a. Except as otherwise provided in subsection c. of this section, upon application of a party to an agreement to arbitrate or to an arbitration proceeding, the court may order consolidation of separate arbitration proceedings as to all or some of the claims if:

1. there are separate agreements to arbitrate or separate arbitration proceedings between the same persons or one of them is a party to a separate agreement to arbitrate or a separate arbitration proceeding with a third person;

2. the claims subject to the agreements to arbitrate arise in substantial part from the same transaction or series of related transactions;

3. the existence of a common issue of law or fact creates the possibility of conflicting decisions in the separate arbitration proceedings; and

4. prejudice resulting from a failure to consolidate is not outweighed by the risk of undue delay or prejudice to the rights of or hardship to parties opposing consolidation.

b. The court may order consolidation of separate arbitration proceedings as to some claims and allow other claims to be resolved in separate arbitration proceedings.

c. The court may not order consolidation of the claims of a party to an agreement to arbitrate if the agreement prohibits consolidation.

C.2A:23B-11 Appointment of arbitrator; service as a neutral arbitrator.

11. Appointment of Arbitrator; Service as a Neutral Arbitrator.
a. If the parties to an agreement to arbitrate agree on a method for appointing an arbitrator, that method shall be followed, unless the method fails. If the parties have not agreed on a method, the agreed method fails, or an arbitrator appointed fails or is unable to act and a successor has not been appointed, the court, on application of a party to the arbitration proceeding, shall appoint the arbitrator. An arbitrator so appointed has all the powers of an arbitrator designated in the agreement to arbitrate or appointed pursuant to the agreed method.

b. An individual who has a known, direct, and material interest in the outcome of the arbitration proceeding or a known, existing, and substantial relationship with a party may not serve as an arbitrator required by an agreement to be neutral.

c. An individual who has a known, direct, and material interest in the outcome of the arbitration proceeding or a known, existing, and substantial relationship with a party may not serve as a party arbitrator if such information has not been disclosed pursuant to section 12 of this act.

d. An individual appointed as a party arbitrator may be predisposed toward the appointing party. From and after the commencement of an arbitration, an arbitrator shall act in good faith and exercise the arbitrator's responsibilities in a manner consistent with the authority placed in the arbitrator by the courts of this State and this act.

C.2A:23B-12 Disclosure by arbitrator.

a. Before accepting appointment, an individual who is requested to serve as an arbitrator, after making a reasonable inquiry, shall disclose to all parties to the agreement to arbitrate and arbitration proceeding and to any other arbitrators any known facts that a reasonable person would consider likely to affect the impartiality of the arbitrator in the arbitration proceeding, including:

(1) a financial or personal interest in the outcome of the arbitration proceeding; and

(2) an existing or past relationship with any of the parties to the agreement to arbitrate or the arbitration proceeding, their counsel or representatives, a witness, or other arbitrators.

b. An arbitrator has a continuing obligation to disclose to all parties to the agreement to arbitrate and arbitration proceeding and to any other arbitrators any facts that the arbitrator learns after accepting appointment which a reasonable person would consider likely to affect the impartiality of the arbitrator.

c. If an arbitrator discloses a fact required by subsection a. or b. of this section to be disclosed and a party timely objects to the appointment or continued service of the arbitrator based upon the fact disclosed, subject to
the provisions of section 11d. of this act, the objection may be a ground pursuant to paragraph (2) of subsection a. of section 23 of this act for vacating an award made by the arbitrator.

d. If the arbitrator did not disclose a fact as required by subsection a. or b. of this section, upon timely objection by a party, the court pursuant to paragraph (2) of subsection a. of section 23 may vacate an award.
e. An individual appointed as an neutral arbitrator who does not disclose a known, direct and material interest in the outcome of the arbitration proceeding or a known, existing, and substantial relationship with a party is presumed to act with evident partiality pursuant to paragraph (2) of subsection a. of section 23 of this act.
f. An individual appointed as a party arbitrator who does not disclose a known, direct and material interest in the outcome of the arbitration proceeding is presumed to act with evident partiality pursuant to paragraph (2) of subsection a. of section 23 of this act.
g. If the parties to an arbitration proceeding agree to the procedures of an arbitration organization or any other procedures for challenges to arbitrators before an award is made, substantial compliance with those procedures is a condition precedent to a summary action to vacate an award on that ground pursuant to paragraph (2) of subsection a. of section 23 of this act.
h. Should an individual designated as an arbitrator make full disclosure as required by this section and a party fails to object within a reasonable time, the party receiving such information shall be held to have waived any right to object to the designation of the arbitrator on the grounds so revealed.

C.2A:23B-13 Action by majority.

If there is more than one arbitrator, the powers of an arbitrator shall be exercised by a majority of the arbitrators, but all of them shall conduct the hearing pursuant to subsection c. of section 15 of this act.

C.2A:23B-14 Immunity of arbitrator; competency to testify; attorney’s fees and costs.

14. Immunity of Arbitrator; Competency to Testify; Attorney’s Fees and Costs.

a. An arbitrator or an arbitration organization acting in that capacity is immune from civil liability to the same extent as a judge of a court of this State acting in a judicial capacity.

b. The immunity afforded by this section supplements any immunity pursuant to other law.

c. The failure of an arbitrator to make a disclosure required by section 12 of this act does not cause any loss of immunity pursuant to this section.

d. In a judicial, administrative, or similar proceeding, an arbitrator or representative of an arbitration organization is not competent to testify, and
may not be required to produce records as to any statement, conduct, decision,
or ruling occurring during the arbitration proceeding, to the same extent as
a judge of a court of this State acting in a judicial capacity. This subsection
does not apply:

(1) to the extent necessary to determine the claim of an arbitrator, arbitration
organization, or representative of the arbitration organization against a party
to the arbitration proceeding; or

(2) to a hearing in a summary action to vacate an award pursuant to
paragraph (1) or (2) of subsection a. of section 23 of this act if the movant
establishes prima facie that a ground for vacating the award exists.

e. If a person commences a civil action against an arbitrator, arbitration
organization or representative of an arbitration organization arising from the
services of the arbitrator, organization or representative or if a person seeks
to compel an arbitrator or a representative of an arbitration organization to
testify or produce records in violation of subsection d. of this section, and
the court decides that the arbitrator, arbitration organization or representative
of an arbitration organization is immune from civil liability or that the arbitrator
or representative of the organization is not competent to testify, the court shall
award to the arbitrator, organization or representative reasonable attorney's
fees and other reasonable expenses of litigation.

C.2A:23B-15 Arbitration process.

a. An arbitrator may conduct an arbitration in such manner as the arbitrator
considers appropriate for a fair and expeditious disposition of the proceeding.
The authority conferred upon the arbitrator includes the power to hold
conferences with the parties to the arbitration proceeding before the hearing
and, among other matters, determine the admissibility, relevance, materiality,
and weight of any evidence.

b. An arbitrator may decide a request for summary disposition of a claim
or particular issue:

(1) if all interested parties agree; or

(2) upon request of one party to the arbitration proceeding if that party
gives notice to all other parties to the proceeding, and the other parties have
a reasonable opportunity to respond.

c. If an arbitrator orders a hearing, the arbitrator shall set a time and place
and give notice of the hearing not less than five days before the hearing begins.
Unless a party to the arbitration proceeding makes an objection due to lack
or insufficiency of notice not later than the beginning of the hearing, the party's
appearance at the hearing waives the objection. Upon request of a party to
the arbitration proceeding and for good cause shown, or upon the arbitrator's
own initiative, the arbitrator may adjourn the hearing from time to time as
necessary but may not postpone the hearing to a time later than that fixed by the agreement to arbitrate for making the award unless the parties to the arbitration proceeding consent to a later date. The arbitrator may hear and decide the controversy upon the evidence produced although a party who was duly notified of the arbitration proceeding did not appear. The court, on request, may direct the arbitrator to conduct the hearing promptly and render a timely decision.

d. At a hearing pursuant to subsection c. of this section, a party to the arbitration proceeding has a right to be heard, to present evidence material to the controversy, and to cross-examine witnesses appearing at the hearing.

e. An arbitrator ceases or is unable to act during the arbitration proceeding, a replacement arbitrator shall be appointed in accordance with section 11 of this act to continue the proceeding and to resolve the controversy.

C.2A:23B-16 Representation by lawyer.

16. Representation by Lawyer.
A party to an arbitration proceeding may be represented by a lawyer.

C.2A:23B-17 Witnesses; subpoenas; depositions; discovery.

17. Witnesses; Subpoenas; Depositions; Discovery.

a. An arbitrator may issue a subpoena for the attendance of a witness and for the production of records and other evidence at any hearing and may administer oaths. A subpoena shall be served in the manner for service of subpoenas in a civil action, and upon filing a summary action with the court by a party to the arbitration proceeding or the arbitrator, enforced in the manner for enforcement of subpoenas in any civil action.

b. In order to make the proceedings fair, expeditious, and cost effective, upon request of a party to or a witness in an arbitration proceeding, an arbitrator may permit a deposition of any witness to be taken for use as evidence at the hearing, including a witness who cannot be subpoenaed or is unable to attend a hearing. The arbitrator shall determine the conditions pursuant to which the deposition is taken.

c. An arbitrator may permit such discovery as the arbitrator decides is appropriate in the circumstances, taking into account the needs of the parties to the arbitration proceeding and other affected persons and the desirability of making the proceeding fair, expeditious, and cost effective.

d. If an arbitrator permits discovery pursuant to subsection c. of this section, the arbitrator may order a party to the arbitration proceeding to comply with the arbitrator’s discovery-related orders, issue subpoenas for the attendance of a witness and for the production of records and other evidence at a discovery proceeding, and take action against a noncomplying party to the extent a court could if the controversy were the subject of a civil action in this State.
e. An arbitrator may issue a protective order to prevent the disclosure of privileged information, confidential information, trade secrets, and other information protected from disclosure to the extent a court could if the controversy were the subject of a civil action in this State.

f. All laws compelling a person under subpoena to testify and all fees for attending a judicial proceeding, a deposition or a discovery proceeding as a witness apply to an arbitration proceeding as if the controversy were the subject of a civil action in this State.

g. The court may enforce a subpoena or discovery-related order for the attendance of a witness within this State and for the production of records and other evidence issued by an arbitrator in connection with an arbitration proceeding in another State upon conditions determined by the court so as to make the arbitration proceeding fair, expeditious, and cost effective. A subpoena or discovery-related order issued by an arbitrator in another State shall be served in the manner provided by law for service of subpoenas in a civil action in this State and, upon filing a summary action with the court by a party to the arbitration proceeding or the arbitrator, enforced in the manner provided by law for enforcement of subpoenas in any civil action in this State.

C.2A:23B-18 Judicial enforcement of preaward ruling by arbitrator.

If an arbitrator makes a preaward ruling in favor of a party to the arbitration proceeding, the party may request the arbitrator to incorporate the ruling into an award pursuant to section 19 of this act. A prevailing party may file a summary action with the court for an expedited order to confirm the award pursuant to section 22 of this act, in which case the court shall summarily decide the application. The court shall issue an order to confirm the award unless the court vacates, modifies, or corrects the award pursuant to section 23 or 24 of this act.

C.2A:23B-19 Award.

19. Award.

a. An arbitrator shall make a record of an award. The record shall be signed or otherwise authenticated by any arbitrator who concurs with the award. The arbitrator or the arbitration organization shall give notice of the award, including a copy of the award, to each party to the arbitration proceeding.

b. An award shall be made within the time specified by the agreement to arbitrate or, if not specified therein, within the time ordered by the court. The court may extend or the parties to the arbitration proceeding may agree in a record to extend the time. The court or the parties may do so within or after the time specified or ordered. A party waives any objection that an award was not timely made unless the party gives notice of the objection to the arbitrator before receiving notice of the award.
CHAPTER 95, LAWS OF 2003 543

C.2A:23B-20 Change of award by arbitration.

20. Change of Award by Arbitrator.
   a. On application to an arbitrator by a party to an arbitration proceeding, the arbitrator may modify or correct an award:
      (1) upon a ground stated in paragraph (1) or (3) of subsection a. of section 24 of this act;
      (2) if the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceeding; or
      (3) to clarify the award.
   b. An application pursuant to subsection a. of this section shall be made and notice given to all parties within 20 days after the aggrieved party receives notice of the award.
   c. A party to the arbitration proceeding shall give notice of any objection to the application within 10 days after receipt of the notice.
   d. If a summary action with the court is pending pursuant to section 22, 23, or 24 of this act, the court may submit the claim to the arbitrator to consider whether to modify or correct the award:
      (1) upon a ground stated in paragraph (1) or (3) of subsection a. of section 24 of this act.
      (2) if the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceeding; or
      (3) to clarify the award.
   e. An award modified or corrected pursuant to this section is subject to sections 19a., 22, 23, and 24 of this act.

C.2A:23B-21 Remedies; fees and expenses of arbitration proceeding.

21. Remedies; Fees and Expenses of Arbitration Proceeding.
   a. An arbitrator may award punitive damages or other exemplary relief if such an award is authorized by law in a civil action involving the same claim and the evidence produced at the hearing justifies the award in accordance with the legal standards otherwise applicable to the claim.
   b. An arbitrator may award reasonable attorney’s fees and other reasonable expenses of arbitration if such an award is authorized by law in a civil action involving the same claim or by the agreement of the parties to the arbitration proceeding.
   c. As to all remedies other than those authorized by subsections a. and b. of this section, an arbitrator may order such remedies as the arbitrator considers just and appropriate under the circumstances of the arbitration proceeding. The fact that such a remedy could not or would not be granted by the court is not a ground for refusing to confirm an award pursuant to section 22 of this act or for vacating an award pursuant to section 23 of this act.
d. An arbitrator’s expenses and fees, together with other expenses, shall be paid as provided in the award.

e. If an arbitrator awards punitive damages or other exemplary relief pursuant to subsection a. of this section, the arbitrator shall specify in the award the basis in fact justifying and the basis in law authorizing the award and state separately the amount of the punitive damages or other exemplary relief.

C.2A:23B-22 Confirmation of award.

22. Confirmation of Award.

After a party to an arbitration proceeding receives notice of an award, the party may file a summary action with the court for an order confirming the award, at which time the court shall issue a confirming order unless the award is modified or corrected pursuant to section 20 or 24 of this act or is vacated pursuant to section 23 of this act.

C.2A:23B-23 Vacating award.

23. Vacating Award.

a. Upon the filing of a summary action with the court by a party to an arbitration proceeding, the court shall vacate an award made in the arbitration proceeding if:

(1) the award was procured by corruption, fraud, or other undue means;
(2) the court finds evident partiality by an arbitrator; corruption by an arbitrator; or misconduct by an arbitrator prejudicing the rights of a party to the arbitration proceeding;
(3) an arbitrator refused to postpone the hearing upon showing of sufficient cause for postponement, refused to consider evidence material to the controversy, or otherwise conducted the hearing contrary to section 15 of this act, so as to substantially prejudice the rights of a party to the arbitration proceeding;
(4) an arbitrator exceeded the arbitrator’s powers;
(5) there was no agreement to arbitrate, unless the person participated in the arbitration proceeding without raising the objection pursuant to subsection c. of section 15 of this act not later than the beginning of the arbitration hearing; or
(6) the arbitration was conducted without proper notice of the initiation of an arbitration as required in section 9 of this act so as to substantially prejudice the rights of a party to the arbitration proceeding.

b. A summary action pursuant to this section shall be filed within 120 days after the aggrieved party receives notice of the award pursuant to section 19 of this act or within 120 days after the aggrieved party receives notice of a modified or corrected award pursuant to section 20 of this act, unless the aggrieved party alleges that the award was procured by corruption, fraud, or other undue means, in which case the summary action shall be commenced
within 120 days after the ground is known or by the exercise of reasonable care would have been known by the aggrieved party.

c. If the court vacates an award on a ground other than that set forth in paragraph (5) of subsection a. of this section, it may order a rehearing. If the award is vacated on a ground stated in paragraph (1) or (2) of subsection a. of this section, the rehearing shall be before a new arbitrator. If the award is vacated on a ground stated in paragraph (3), (4), or (6) of subsection a. of this section, the rehearing may be before the arbitrator who made the award or the arbitrator’s successor. The arbitrator shall render the decision in the rehearing within the same time as that provided in subsection b. of section 19 of this act for an award.

d. If the court denies an application to vacate an award, it shall confirm the award unless an application to modify or correct the award is pending.

C.2A:23B-24 Modification or correction of award.

24. Modification or Correction of Award.

a. Upon filing a summary action within 120 days after the party receives notice of the award pursuant to section 19 of this act or within 120 days after the party receives notice of a modified or corrected award pursuant to section 20 of this act, the court shall modify or correct the award if:

(1) there was an evident mathematical miscalculation or an evident mistake in the description of a person, thing, or property referred to in the award;

(2) the arbitrator made an award on a claim not submitted to the arbitrator and the award may be corrected without affecting the merits of the decision upon the claims submitted; or

(3) the award is imperfect in a matter of form not affecting the merits of the decision on the claims submitted.

b. If an application made pursuant to subsection a. of this section is granted, the court shall modify or correct and confirm the award as modified or corrected. Otherwise, unless an application to vacate is pending, the court shall confirm the award.

c. An application to modify or correct an award pursuant to this section may be joined with an application to vacate the award.

C.2A:23B-25 Judgment on award; attorney’s fees and litigation expenses.

25. Judgment on Award; Attorney’s Fees and Litigation Expenses.

a. Upon granting an order confirming, vacating without directing a rehearing, modifying, or correcting an award, the court shall enter a judgment in conformity with the arbitrator’s award. The judgment may be recorded, docketed, and enforced as any other judgment in a civil action.

b. A court may allow reasonable costs of the summary action and subsequent judicial proceedings.
On application of a prevailing party to a contested judicial proceeding pursuant to section 22, 23, or 24 of this act, the court may add reasonable attorney’s fees and other reasonable expenses of litigation incurred in a judicial proceeding after the award is made to a judgment confirming, vacating without directing a rehearing, or substantially modifying or correcting an award.

C.2A:23B-26 Jurisdiction.

   a. A court of this State having jurisdiction over the controversy and the parties may enforce an agreement to arbitrate.
   b. An agreement to arbitrate providing for arbitration in this State confers exclusive jurisdiction on the court to enter judgment on an award pursuant to this act.
   c. Wherever reference is made to any procedural matter stated in this act, the New Jersey Supreme Court rules governing summary actions, or such other rules as may be adopted by the Supreme Court of New Jersey shall apply.

27. Venue.
   A summary action pursuant to section 5 of this act shall be commenced in the court of the county that would have venue if the matter were subject to Superior Court rules in civil actions, or to a court in which the agreement to arbitrate specifies the arbitration hearing is to be held or, if the hearing has been held, in the court of the county in which it was held.

C.2A:23B-28 Appeals.

28. Appeals.
   a. An appeal may be taken from:
      (1) an order denying a summary action to compel arbitration;
      (2) an order granting a summary action to stay arbitration;
      (3) an order confirming or denying confirmation of an award;
      (4) an order modifying or correcting an award;
      (5) an order vacating an award without directing a rehearing; or
      (6) a final judgment entered pursuant to this act.
   b. An appeal pursuant to this section shall be taken as from an order or a judgment in a civil action.

C.2A:23B-29 Uniformity of application and construction.

29. Uniformity of Application and Construction.
   In applying and construing this uniform act, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.
CHAPTER 95, LAWS OF 2003 547

30. Relationship to Electronic Signatures in Global and National Commerce Act.

The provisions of this act governing the legal effect, validity, and enforceability of electronic records or electronic signatures, and of contracts performed with the use of such records or signatures conform to the requirements of the "Electronic Signatures in Global and National Commerce Act," 15 U.S.C.s.7002.

C.2A:23B-31 Prior action or proceeding.

31. Prior Action or Proceeding.

This act does not affect an action or proceeding commenced or right accrued before this act takes effect. Subject to section 3 of this act, an arbitration agreement made before the effective date of this act is governed by N.J.S.2A:24-1 et seq. and P.L.1987, c.54 (C.2A:23A-1 et seq.).

C.2A:23B-32 Statutes and procedures not affected.

32. Statutes and Procedures Not Affected.

33. Section 11 of P.L.1987, c.54 (C.2A:23A-11) is amended to read as follows:

C.2A:23A-11 Hearing by umpire; witnesses; subpoena; factual, legal contentions.

11. a. When more than one umpire is agreed upon, all the umpires shall sit at the hearing of the case, unless by written consent, all parties agree to a lesser number.

b. The umpire conducting an alternative resolution proceeding may require the attendance of any person as a witness and the production of any book or written instrument. The fees for the attendance shall be those allowed witnesses in a civil action.

c. Subpoenas shall issue in the name of and be signed by the umpire, or if there is more than one umpire, by a majority of them, and shall be directed to the person therein named and served in the same manner as a subpoena to testify before a court of record. If a person subpoenaed to testify refuses or neglects to obey a subpoena, the Superior Court, upon application, may
compel his attendance before the umpire or hold the person in contempt as if the person had failed to respond to a subpoena issued by the court.

d. In alternative resolution proceedings held under this act, parties shall not be bound by the statutory and common law rules of evidence, except as provided for conduct of contested cases under the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.); provided, however, that all statutes and common law rules relating to privilege shall remain in effect. In any case when no rule, procedure or practice applies to the offer of evidence or procedure to be adopted, the umpire shall proceed so that the informality of the proceedings is assured.

e. Each party to an alternative resolution proceeding shall submit to the umpire and his adversary a statement of the party's factual and legal position with respect to the issues to be resolved, at a date fixed by the umpire to permit proper preparation for all hearings. The submitted statement shall govern, control and limit the facts and legal issues to be determined in the alternative resolution proceeding. Amended or supplemental legal and factual statements may be filed as permitted by the umpire where the same will not unduly prejudice the other party to the proceeding.

f. In an alternative resolution proceeding when the umpire is of the opinion that evidence by impartial experts would be of assistance, the umpire may direct that expert evidence be obtained. The fees and expenses of expert witnesses shall be paid by the parties as directed by the umpire.

g. Unless otherwise provided by the agreement for alternative resolution:

(1) The umpire shall appoint a time and place for the hearing and cause notification to the parties by personal service or by certified mail, with return receipt requested, not less than five days before the hearing. Appearance at the hearing waives the notice requirement. The umpire may adjourn the hearing from time to time as necessary and, on request of a party and for good cause, or upon their own motion, may postpone the hearing to a time not later than the date fixed by the agreement for making the award, unless the parties consent to a later date. The umpire may determine the controversy upon the evidence produced, notwithstanding the failure of a party duly notified to appear. The Superior Court, on application in any pending summary proceeding, may direct the umpire to proceed promptly with the hearing and determination of the controversy.

(2) The parties are entitled to be heard, to present evidence material to the controversy and to cross-examine witnesses appearing at the hearing.

(3) The hearing shall be conducted by all the umpires, but a majority may determine any question and render a final award. If, during the course of the hearing, an umpire for any reason ceases to act, the remaining umpires appointed to act may continue with the hearing and determination of the controversy.
CHAPTER 96, LAWS OF 2003

34. N.J.S.2A:24-1 through N.J.S.2A:24-11 shall only apply to an arbitration or dispute arising from a collective bargaining agreement or a collectively negotiated agreement.

35. Effective Date.
This act shall take effect on January 1, 2003

CHAPTER 96

AN ACT concerning the dissemination of certain information about physicians and podiatrists to the public, amending P.L.1983, c.248 and P.L.1989, c.300 and supplementing Title 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.45:9-22.21 Short title.
1. This act shall be known and may be cited as the "New Jersey Health Care Consumer Information Act."

2. a. The Division of Consumer Affairs in the Department of Law and Public Safety, in consultation with the State Board of Medical Examiners, shall collect and maintain information concerning all physicians and podiatrists licensed in the State for the purpose of creating a profile of each physician and podiatrist pursuant to this act. The profiles shall be made available to the public through electronic and other appropriate means, at no charge to the public. The division shall establish a toll-free telephone number for members of the public to contact the division to obtain a paper copy of a physician or podiatrist profile and to make other inquiries about the profiles.
   b. A physician or podiatrist shall be required to provide the board or division or its designated agent with any information necessary to complete the profile as provided in section 3 of this act.
   c. The board may request any additional information it deems necessary to complete the profiles on the biennial license renewal form submitted by physicians and podiatrists.
   d. The board shall provide to the division or its designated agent any information required pursuant to this act that is available to the board concerning
a physician or podiatrist, for the purpose of creating the physician and podiatrist profiles.

C.45:9-22.23 Information included in profile of physician, podiatrist.

3. a. The following information shall be included for each profile of a physician or podiatrist:

   (1) Name of all medical schools attended and dates of graduation;
   (2) Graduate medical education, including all internships, residencies and fellowships;
   (3) Year first licensed;
   (4) Year first licensed in New Jersey;
   (5) Location of the physician's or podiatrist's office practice site or sites, as applicable;
   (6) A description of any criminal convictions for crimes of the first, second, third or fourth degree within the most recent 10 years. For the purposes of this paragraph, a person shall be deemed to be convicted of a crime if the individual pleaded guilty or was found or adjudged guilty by a court of competent jurisdiction. The description of criminal convictions shall not include any convictions that have been expunged. The following statement shall be included with the information about criminal convictions: "Information provided in this section may not be comprehensive. Courts in New Jersey are required by law to provide information about criminal convictions to the State Board of Medical Examiners."
   (7) A description of any final board disciplinary actions within the most recent 10 years, except that any such disciplinary action that is being appealed shall be identified;
   (8) A description of any final disciplinary actions by appropriate licensing boards in other states within the most recent 10 years, except that any such disciplinary action that is being appealed shall be identified. The following statement shall be included with the information about disciplinary actions in other states: "Information provided in this section may not be comprehensive. The State Board of Medical Examiners receives information about disciplinary actions in other states from physicians themselves and outside sources."
   (9) A description of the revocation or involuntary restriction of privileges at a health care facility for reasons related to the practitioner's competence or misconduct or impairment taken by a health care facility's governing body or any other official of the health care facility after procedural due process has been afforded; the resignation from or nonrenewal of medical staff membership at the health care facility for reasons related to the practitioner's competence or misconduct or impairment; or the restriction of privileges at a health care facility taken in lieu of or in settlement of a pending disciplinary case related to the practitioner's competence or misconduct or impairment.
Only those cases that have occurred within the most recent 10 years and that were reported by the health care facility pursuant to section 1 of P.L.1983, c.247 (C.26:2H-12.2) shall be included in the profile; and

(10) All medical malpractice court judgments and all medical malpractice arbitration awards reported to the board, in which a payment has been awarded to the complaining party during the most recent five years, and all settlements of medical malpractice claims reported to the board, in which a payment is made to the complaining party within the most recent five years, as follows:

(a) Pending medical malpractice claims shall not be included in the profile and information on pending medical malpractice claims shall not be disclosed to the public;

(b) A medical malpractice judgment that is being appealed shall be so identified;

(c) The context in which the payment of a medical malpractice claim occurs shall be identified by categorizing the number of judgments, arbitration awards and settlements against the physician or podiatrist into three graduated categories: average, above average and below average number of judgments, arbitration awards and settlements. These groupings shall be arrived at by comparing the number of an individual physician's or podiatrist's medical malpractice judgments, arbitration awards and settlements to the experience of other physicians or podiatrists within the same specialty. In addition to any information provided by a physician or podiatrist, an insurer or insurance association authorized to issue medical malpractice liability insurance in the State shall, at the request of the division, provide data and information necessary to effectuate this subparagraph; and

(d) The following statement shall be included with the information concerning medical malpractice judgments, arbitration awards and settlements: "Settlement of a claim and, in particular, the dollar amount of the settlement may occur for a variety of reasons, which do not necessarily reflect negatively on the professional competence or conduct of the physician (or podiatrist). A payment in settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred."

b. If requested by a physician or podiatrist, the following information shall be included in a physician's or podiatrist's profile:

(1) Names of the hospitals where the physician or podiatrist has privileges;

(2) Appointments of the physician or podiatrist to medical school faculties within the most recent 10 years;

(3) Information regarding any board certification granted by a specialty board or other certifying entity recognized by the American Board of Medical Specialties, the American Osteopathic Association or the American Board of Podiatric Medicine or by any other national professional organization that has been demonstrated to have comparable standards;
(4) Information regarding any translating services that may be available at the physician's or podiatrist's office practice site or sites, as applicable, or languages other than English that are spoken by the physician or podiatrist;

(5) Information regarding whether the physician or podiatrist participates in the Medicaid program or accepts assignment under the Medicare program;

(6) Information regarding the medical insurance plans in which the physician or podiatrist is a participating provider;

(7) Information concerning the hours during which the physician or podiatrist conducts his practice; and

(8) Information concerning accessibility of the practice site or sites, as applicable, to persons with disabilities.

The following disclaimer shall be included with the information supplied by the physician or podiatrist pursuant to this subsection: "This information has been provided by the physician (or podiatrist) but has not been independently verified by the State Board of Medical Examiners or the Division of Consumer Affairs."

If the physician or podiatrist includes information regarding medical insurance plans in which the practitioner is a participating provider, the following disclaimer shall be included with that information: "This information may be subject to change. Contact your health benefits plan to verify if the physician (or podiatrist) currently participates in the plan."

c. Before a profile is made available to the public, each physician or podiatrist shall be provided with a copy of his profile. The physician or podiatrist shall be given 30 calendar days to correct a factual inaccuracy that may appear in the profile and so advise the Division of Consumer Affairs or its designated agent; however, upon receipt of a written request that the division or its designated agent deems reasonable, the physician or podiatrist may be granted an extension of up to 15 calendar days to correct a factual inaccuracy and so advise the division or its designated agent.

d. If new information or a change in existing information is received by the division concerning a physician or podiatrist, the physician or podiatrist shall be provided with a copy of the proposed revision and shall be given 30 calendar days to correct a factual inaccuracy and to return the corrected information to the division or its designated agent.

e. The profile and any revisions thereto shall not be made available to the public until after the review period provided for in this section has lapsed.

C.45:9-22.24 Contracts with public, private entity for profiles.

4. The Division of Consumer Affairs may contract with a public or private entity for the purpose of developing, administering and maintaining the physician and podiatrist profiles required pursuant to this act.
a. The contract shall specify the duties and responsibilities of the entity with respect to the development, administration and maintenance of the profile. The contract shall specify the duties and responsibilities of the division with respect to providing the information required pursuant to section 3 of this act to the entity on a regular and timely basis.

b. The contract shall specify that any identifying information concerning a physician or podiatrist provided to the entity by the division, the State Board of Medical Examiners or the physician or podiatrist shall be used only for the purpose of the profile.

c. The division shall monitor the work of the entity to ensure that physician and podiatrist profiles are properly developed and maintained pursuant to the requirements of this act.

5. The Director of the Division of Consumer Affairs shall report to the Legislature no later than 18 months after the effective date of this act on the status of the physician and podiatrist profiles.

The director shall also make recommendations in the report on the issue of developing profiles for other licensed health care professionals, including, but not limited to, dentists, advanced practice nurses, physician assistants, optometrists, physical therapists and chiropractors, and the type of information that would be appropriate to include in the respective profiles for each type of licensed health care professional.

6. Section 3 of P.L.1983, c.248 (C.45:9-19.3) is amended to read as follows:

C.45:9-19.3 Confidentiality of information.

3. Any information concerning the conduct of a physician or surgeon provided to the State Board of Medical Examiners pursuant to section 1 of P.L.1983, c.248 (C.45:9-19.1), section 5 of P.L.1978, c.73 (C.45:1-18) or any other provision of law, is confidential pending final disposition of the inquiry or investigation by the board, except for that information required to be shared with the Division of Insurance Fraud Prevention in the Department of Banking and Insurance to comply with the provisions of section 9 of P.L.1983, c.320 (C.17:33A-9) or with any other law enforcement agency. If the result of the inquiry or investigation is a finding of no basis for disciplinary action by the board, the information shall remain confidential, except that the board may release the information to a government agency, for good cause shown, upon an order of the Superior Court after notice to the physician or surgeon, who is the subject of the information, and an opportunity to be heard. The application for the court order shall be placed under seal.

The provisions of this section shall not apply to information that the Division of Consumer Affairs in the Department of Law and Public Safety, or its
designated agent, is required to include in a physician's profile pursuant to P.L.2003, c.96 (C.45:9-22.21 et al.).

7. Section 10 of P.L.1989, c.300 (C.45:9-19.10) is amended to read as follows:

C.45:9-19.10 Records maintained by review panel.
10. a. The review panel shall maintain records of all notices and complaints it receives and all actions taken with respect to the notices and complaints.
   b. At least once a month, the review panel shall provide the State Board of Medical Examiners with a summary report of all information received by the review panel and all recommendations made by the review panel. Upon request of the board, the review panel shall provide the board with any information contained in the review panel's files concerning a practitioner.
   c. Any information concerning the professional conduct of a practitioner provided to, or obtained by, the review panel is confidential pending final disposition of an inquiry or investigation of the practitioner by the State Board of Medical Examiners, and may be disclosed only to the board, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety and the Attorney General for the purposes of carrying out their respective responsibilities pursuant to Title 45 of the Revised Statutes.
   The provisions of this section shall not apply to information that the division, or its designated agent, is required to include in a physician's or podiatrist's profile pursuant to P.L.2003, c.96 (C.45:9-22.21 et al.).

C.45:9-22.25 Regulations.
8. Within 180 days of the effective date of this act, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety, in consultation with the State Board of Medical Examiners, shall adopt regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to effectuate the purposes of this act.

9. This act shall take effect on the 365th day after enactment, except that the division and the board may take such anticipatory action in advance as may be necessary for the timely implementation of the act.

CHAPTER 97

AN ACT concerning borrowing by public school districts and supplementing chapter 22 of Title 18A of the New Jersey Statutes.
CHAPTER 97, LAWS OF 2003

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:22-44.2 State school aid payments not made until following school budget year; borrowing.

1. a. Notwithstanding any provision of law, rule, or regulation to the contrary, in the event that a State school aid payment for the current school budget year is not made until the following school budget year, the payment shall be recorded as revenue for budget purposes only in the current school budget year.

b. Notwithstanding the provisions of N.J.S.18A:22-25 and section 1 of P.L.1968, c.384 (C.18A:22-44.1) or any other law, rule, or regulation to the contrary, if a board of education of a school district is notified by the Commissioner of Education that a June State school aid payment will not be made until the following school budget year, and the district demonstrates through a written application to the commissioner the need to borrow and the commissioner approves that application, the board may borrow on or before June 30 of the current school budget year but not earlier than June 22 of the current school budget year a sum not exceeding the amount of the delayed State school aid payment, and may execute and deliver promissory notes therefore through private sale or delivery thereof. The district shall pay the amount so borrowed together with interest thereon and costs thereof. The promissory notes shall mature on or prior to the date of payment of the delayed June State school aid payment, may be redeemable prior to maturity, shall have such terms and conditions as shall be accepted by the board, and shall be authorized by resolution adopted by the board, which resolution may be adopted prior to application to the commissioner contingent upon approval by the commissioner. The amount so borrowed shall constitute a general obligation of the board and shall not constitute gross debt for purposes of N.J.S.40A:2-43.

c. If a school district's application to the commissioner contains a determination letter from a lending bank certifying to the interest charges on the borrowing and if the district's application is approved by the commissioner, the State shall pay on behalf of the district the approved interest on the promissory notes in an amount calculated from the date of borrowing through the date of payment by the State of the delayed June State school aid payment and other approved costs of issuance. Any obligations of the State to make payments pursuant to this section shall not constitute a general obligation of the State or a debt or a liability within the meaning of the State Constitution. Any payments required to be made by the State pursuant to this section shall be subject to appropriation.

d. Each school district which issues promissory notes pursuant to this section shall certify to the State Treasurer the name and address of the paying
agent, the maturity schedule, interest rate, and date of payment of debt service on the promissory notes within three days after the date of issuance of the promissory notes. Following receipt of the certification, the State Treasurer shall withhold from the amount of State school aid payable to the district an amount sufficient to pay the principal on the maturity date of the promissory notes. In the event that there are interest or issuance costs which are not approved by the commissioner pursuant to subsection c. of this section, the State Treasurer shall also withhold an amount sufficient to pay those unapproved costs. The State Treasurer shall, on or before the maturity date, forward the withheld amount to the paying agent for the purpose of paying the debt service on the promissory notes. Notwithstanding any provision of this section to the contrary, the State Treasurer's obligation to pay the paying agent pursuant to this subsection, other than those payments required to be made pursuant to subsection c. of this section, shall not exceed the amount of State school aid payable to the school district or the municipality.

e. Any negative unreserved, undesignated general fund balance that may be recorded as a direct result of a State aid payment for the current school budget year which is not made until the following school budget year shall not be considered a violation of any law or regulation and in need of corrective action.

f. The State Treasurer may, at his discretion, establish procedures and forms necessary to implement the provisions of this section. The State Treasurer may also adopt, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), rules and regulations necessary to implement the provisions of this section.

2. This act shall take effect immediately.

CHAPTER 98

AN ACT providing for the designation of a children's hospital for Morris and Union counties, supplementing Title 26 of the Revised Statutes and amending P.L. 1993, c. 374.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
a. Morristown Memorial Hospital currently offers the full array of services for, and meets all of the licensure criteria that apply to, a children's hospital, and has met and complied with all of the appropriate certificate of need and licensure requirements to obtain State authorization to offer the component services that constitute a children's hospital; and

b. It is, therefore, appropriate that the Commissioner of Health and Senior Services designate Morristown Memorial Hospital as the State's specialty acute care children's hospital for Morris and Union counties.

C.26:2H-18f Morristown Memorial Hospital designated specialty acute care children's hospital for Morris, Union counties.

2. a. The Commissioner of Health and Senior Services, subject to the provisions of subsection b. of this section, shall designate Morristown Memorial Hospital as the State's specialty acute care children's hospital for Morris and Union counties.

b. The designation by the Commissioner of Health and Senior Services pursuant to subsection a. of this section shall be made subsequent to, and shall be contingent upon, the execution of written transfer agreements between Morristown Memorial Hospital and a majority of the acute care hospitals providing inpatient pediatric services which are located in Morris and Union counties.

The written agreement shall state that the other facility recognizes Morristown Memorial Hospital as the State's specialty acute care children's hospital for Morris and Union counties and shall set forth the basis on which the other facility shall make referrals to Morristown Memorial Hospital.

3. Section 1 of P.L.1993, c.374 (C.26:2H-18e) is amended to read as follows:

CHAPTER 105

AN ACT establishing the "Nursing Home Quality of Care Improvement Fund" and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-92 Short title.

1. This act shall be known and may be cited as the "Nursing Home Quality of Care Improvement Fund Act."

C.26:2H-93 Findings, declarations relative to nursing home quality of care.

2. The Legislature finds and declares that:
   a. It is in the public interest of this State for its nursing home industry to continue to provide high-quality services to those frail and vulnerable citizens who critically need nursing home care;
   b. Presently, New Jersey has the lowest Medicaid reimbursement rate in the region for nursing home services provided;
   c. Additional reductions in federal funding, together with the current budget crisis facing the State, are likely to deepen the nursing home industry's funding shortfall;
   d. This funding crisis leads directly to caregiver staffing problems, high staff turnover, reduced staffing levels, and, in turn, a diminution in the quality of nursing care services;
   e. By establishing an appropriate assessment on nursing homes, in accordance with federal regulations set forth at 42 C.F.R. s.433.68(f), additional funding will be made available to improve the quality of care by increasing Medicaid reimbursement for services delivered to those senior citizens and other persons residing in New Jersey nursing homes;
   f. It is, therefore, appropriate to establish a "Nursing Home Quality of Care Improvement Fund" by using investment contributions from nursing home providers to attract federal matching funds; and
g. This innovative approach would allow New Jersey to improve nursing home services by using available federal dollars in the best manner possible.

C.26:2H-94 Definitions relative to nursing home quality of care.

3. As used in this act:
   "Commissioner" means the Commissioner of Health and Senior Services.
   "Department" means the Department of Health and Senior Services.

   "Fund" means the "Nursing Home Quality of Care Improvement Fund" established pursuant to this act.
   "High Medicaid occupancy nursing home" means those nursing homes with the highest Medicaid occupancy that will ensure eligibility for the federal waiver of uniformity under federal regulations consistent with this act.
   "Low Medicaid occupancy nursing home" means the 30% of all nursing homes with the lowest Medicaid occupancy consistent with this act.
   "Medicaid" means the Medicaid program established pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.).
   "Medicaid occupancy" means the ratio resulting from dividing Medicaid patient days by total patient days paid for by Medicaid, Medicare, private insurance and private payers.
   "Non-Medicare patient day" means any day that a nursing home is paid for a patient and for which it does not receive a payment or copayment from Medicare for Part A skilled nursing facility care.
   "Nursing home" means a long-term care facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.), as well as the distinct part of another health care facility or continuing care retirement community that is licensed to provide skilled nursing care services pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.). For the purposes of this act, nursing home shall not include: an acute care hospital; assisted living facility; comprehensive personal care home; residential health care facility; adult day health care facility; alternate family care program; adult family care program; home health care agency; State psychiatric hospital; county health care facility, including, but not limited to, county geriatric center, county nursing home or other county long-term care facility; the New Jersey Firemen's Home; or a health care facility operated by the Department of Military and Veterans' Affairs.

C.26:2H-95 "Nursing Home Quality of Care Improvement Fund."

4. The "Nursing Home Quality of Care Improvement Fund" is established as a nonlapsing fund in the Department of the Treasury. The fund shall be administered by the State Treasurer, in consultation with the Commissioner of Health and Senior Services or his designee, who shall be responsible for the oversight, coordination and disbursement of fund monies, and shall be
credited with monies received pursuant to section 6 of this act, except for those monies which are deposited into the General Fund in accordance with the provisions of that section.

a. The fund shall be comprised of:

(1) revenues from assessments paid by nursing homes pursuant to section 5 of this act;

(2) matching federal funds received pursuant to Title XIX of the federal Social Security Act (42 U.S.C. s.1396 et seq.) that result from the expenditure of revenues from assessments collected pursuant to section 5 of this act;

(3) General Fund revenues, as necessary, to allow for the per diem add-on payments pursuant to subsection d. of section 6 of this act until the revenue from the assessment has been collected. Upon collection of the revenue from the assessment, the General Fund shall be repaid within 90 days; and

(4) any interest or other income earned on monies deposited into the fund.

b. Any disbursement of monies from the fund shall be used solely for Medicaid nursing home add-ons as provided for under section 6 of this act, which shall not in any manner render the assessment mechanism set forth in section 5 of this act to be in violation of the hold harmless provisions of 42 C.F.R. s.433.68(f).

c. The State Treasurer shall provide by regulation for such measures as are required to ensure the integrity of the fund.

d. The State Treasurer shall establish separate accounts within the fund as are needed to efficiently manage and disburse fund monies.

e. Monies in the fund shall not be used to supplant appropriations from the General Fund to the department or the Department of Human Services for use in securing matching federal funds not otherwise provided for in this act.

f. The Director of the Division of Taxation shall be responsible for collecting the assessments.

C.26:2H-96 Payment of annual assessment by nursing homes.

5. a. Each nursing home shall pay an assessment which, when combined with the aggregate amount of assessments paid by all other nursing homes pursuant to this section shall not exceed 6% of the aggregate amount of annual revenues received by all nursing homes in accordance with 42 C.F.R. s.433.68(f)(3)(I). The assessment shall be comprised of the payments required pursuant to paragraphs (1) and (2) of this subsection. This assessment shall be paid to the Director of the Division of Taxation in the Department of the Treasury. The director, in consultation with the commissioner, shall establish appropriate procedures and forms for the purpose of collecting and recording this assessment. The provisions of the "State Tax Uniform Procedure Law," R.S.54:48-1 et seq., shall apply to the extent that those provisions, including
the confidentiality, protest and appeal provisions, are not inconsistent with the provisions of this act. The State shall neither collect the assessment on nursing homes nor distribute increases in Medicaid until both the provider assessment and the plan for distribution of the proceeds of the fund are approved by the federal government.

(1) All high or low Medicaid occupancy nursing homes shall pay annually an amount of $1 per patient day based upon non-Medicare patient days. All other nursing homes shall pay a per diem assessment, to be calculated by dividing the total Statewide maximum allowable assessment permitted under 42 C.F.R. s.433.68(f)(3)(I) less the amount of assessment paid by high and low Medicaid occupancy nursing homes by the total non-Medicare patient days of those nursing homes which are not high or low Medicaid occupancy nursing homes.

(2) Notwithstanding any law to the contrary, each nursing home shall pay to the director for deposit into the fund, in accordance with the requirements set forth in this act, an amount for nursing home patient days, excluding Medicare patient days, up to the maximum limit allowed by law less any licensing or other fees which would be considered "health care-related taxes" as defined by 42 C.F.R. s.433.55, including, but not limited to, any fees established by the commissioner as permitted under law.

b. The assessment paid under subsection a. of this section shall not include Medicare patient day revenues and receipts from Medicare certified beds.

c. The director, in consultation with the commissioner, shall prescribe by regulation the method by which nursing homes shall report information necessary for the director to calculate the assessment.

d. The assessment shall not be payable by nursing homes until both the provider assessment and the plan for distribution of the proceeds of the fund are approved by the federal government. Thereafter, the assessment shall be payable after the end of each calendar quarter during which the assessment accrues. Prior written notice of the due date of the assessment shall not be issued until the per diem add-ons pursuant to subsection d. of section 6 of this act have been paid.

e. A nursing home shall submit appropriate reports to the director to facilitate the purposes of this act, on a form and in a manner prescribed by the director and within such period of time as the director may require.

C.26:2H-97 Dedicated purposes for monies collected from assessment.

6. The monies collected from the assessment paid by nursing homes pursuant to section 5 of this act shall be dedicated for the purposes provided in this section and shall be allocated through appropriation as follows:

a. As soon after the collection of the monies from the assessment as is practicable, the State Treasurer shall authorize the transfer to the General
Fund of $12.875 million for each quarter for which the assessment has been collected, not to exceed $51.5 million on an annual basis. All of the amounts so transferred to the General Fund shall be allocated for the support of nursing home programs as the commissioner shall designate, provided that of those amounts, a sufficient amount shall be used to fund nursing home rates at State fiscal year 2003 levels or higher and the continued applicability of nursing home rebasing and bed hold payment methodologies in effect during fiscal year 2003:

b. After the transfer set forth in subsection a. of this section, the director shall transfer $625,000 for each quarter for which the assessment has been collected, not to exceed $2.5 million on an annual basis, from the fund to such accounts as the commissioner shall designate to establish a grant program for all nursing homes located in this State. The purpose of the grants shall be: to ensure quality care and to promote recruitment and retention of qualified staff; to improve the quality of care for nursing home residents through the increase of direct or indirect care staff at nursing homes; and to increase or improve the use of innovative patient care technologies. The commissioner shall adopt rules and regulations in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this subsection, but in no way shall this subsection be designed to violate the hold harmless provisions of 42 C.F.R. 433.50 et seq.;

c. The State Treasurer, in consultation with the commissioner, shall distribute to nursing homes all remaining monies in the fund, in accordance with the provisions of this section, including any federal Medicaid funds received pursuant to this act, in order to enhance the quality of care for the residents of those facilities, which may include training, recruitment and improvement of wages and benefits for nursing home direct care employees;

d. The monies identified in subsection c. of this section shall be allocated in the following manner:

(1) sufficient monies from these funds shall be used to recognize the assessment as an allowable cost for Medicaid reimbursement purposes; and

(2) the remaining portion of these funds not allocated under paragraph (1) of this subsection shall be made as a uniform per diem add-on for all Medicaid days provided by nursing facilities.

The Medicaid payments to nursing homes provided for under this subsection shall not violate the hold harmless provisions set forth at 42 C.F.R. s.433.50 et seq.;

e. Beginning immediately and continuing for a period of 24 months following the enactment of this act, any monies received by facilities pursuant to this act that are expended in the furtherance of increasing recruitment and retention of employees and increasing the wages of caregivers shall not be subject to the nursing screen or direct patient care screens within the routine
cost limits imposed by the nursing home rate setting regulations, in accordance with federal regulations and in such a manner so as to not violate the hold harmless provisions set forth at 42 C.F.R. s.433.50 et seq.

During this 24-month period it is recommended that nursing homes increase the nursing and direct care staffing ratio to above the State minimum requirement. Within 24 months of the enactment of this act, the commissioner shall develop, with the advice of industry representatives, consumer organizations and the caregivers' union, increased mandatory State ratios for direct patient care and nursing staffing, to significantly improve nursing and patient care staffing ratios, subject to the availability of funding;

f. The commissioner or his designee shall certify the amounts to be provided to each nursing home in accordance with the formulas established by the commissioner for Medicaid reimbursement.

C.26:2H-98 Duties of commissioner.

7. The commissioner shall:
   a. apply for: a State plan amendment to secure federal financial participation for State Medicaid expenditures under the federal Medicaid program pursuant to 42 U.S.C. s.1396b(w)(3)(B); and a waiver of the uniformity requirements contained in 42 C.F.R. s.433.68(e)(2)(i); and
   b. prescribe such procedures and forms, and take such other actions, as the commissioner determines necessary to carry out the provisions of this act.

C.26:2H-99 Noncompliance with mechanism for distribution of moneys.

8. a. Notwithstanding any other provision of this act to the contrary, if the State, or any of its officials, agents or employees, fails to comply with the mechanism for distributing monies from the fund as set forth in section 6 of this act, or if the State does not demonstrate continued maintenance of effort for the level of State funding of nursing home reimbursement provided in fiscal year 2003:
   (1) the assessment provided for in section 5 of this act shall become void, no further assessment shall be collected and all funds collected to date shall be returned to nursing homes in proportion to the amounts of assessments paid by them under the provisions of this act; and
   (2) thereafter, no penalty, fine or fee shall be imposed upon, or other punitive measure taken against, a nursing home that fails to pay an assessment.
   b. If federal law is altered to prohibit the use of provider assessments to generate a matching amount of federal Medicaid funds as provided for in this act, the provisions of this act shall become inoperative and void upon the effective date of that prohibition.
   c. Notwithstanding any other provision of this act to the contrary, the assessments imposed by section 5 of this act shall not be imposed or collected
and the authorized expenditures shall not be made until the State has obtained federal approval of any related State plan amendment and verified the availability of federal financial participation for the New Jersey Medicaid expenditure funded in whole or in part by revenues collected in accordance with section 5 of this act from the assessments.

C.26:2H-100 Payment of assessment not passed through as cost, charge to payers.

9. a. A nursing home that realizes a net financial gain resulting from the payment of its assessment pursuant to section 5 of this act and the distribution of monies in the fund pursuant to section 6 of this act shall not pass through, as a charge or other cost to its residents or a third party payer, any portion of its assessment paid pursuant to section 5 of this act.

b. A nursing home that realizes a net financial loss resulting from the payment of its assessment pursuant to section 5 of this act and the distribution of monies in the fund pursuant to section 6 of this act shall not pass through, as a charge or other cost to its residents or a third party payer, any amount that exceeds the amount of that net financial loss.

C.26:2H-101 Rules, regulations.

10. a. The State Treasurer shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the applicable provisions of this act; except that, notwithstanding any provision of P.L.1968, c.410 to the contrary, the State Treasurer may adopt, immediately upon filing with the Office of Administrative Law, such regulations as the State Treasurer deems necessary to implement the applicable provisions of this act, which shall be effective for a period not to exceed six months and may thereafter be amended, adopted or readopted by the State Treasurer in accordance with the requirements of P.L.1968, c.410.

b. The rules and regulations adopted by the State Treasurer pursuant to subsection a. of this section shall be adopted in consultation with the commissioner and shall include, but not be limited to: establishment of a system for the efficient collection of the assessment paid by nursing homes pursuant to section 5 of this act; the auditing of nursing home financial information relevant to the collection of the assessment; the reporting of relevant information needed to effectuate the assessment and procedures to effectuate the purposes of section 9 of this act.

4. Notwithstanding any other provisions of law to the contrary:

a. The State Treasurer is authorized to enter into a structured financing transaction, on such terms, covenants and conditions and at such times as the State Treasurer may determine, to enter into, execute and deliver a structured financing agreement, and to do any act necessary or convenient to carrying out a structured financing transaction; provided that the State Treasurer shall not enter into a structured financing transaction relating to any State assets that are otherwise restricted by law, regulation or contract with respect to the transfer of the State's interest in those assets. A structured financing transaction shall not result in a change in the use or occupancy by the State of the assets that are the subject of a structured financing transaction; provided however, that the structured financing transaction may permit that, upon the occurrence of certain events, the investor may have the right to exercise certain rights and remedies and to acquire certain interests which may interfere with or terminate the State's ownership, occupation or use of the assets.

b. No consent or approval of any State agency or State authority, other than the approval as required by subsection a. and subsection c. of this section, shall be required to effectuate a structured financing transaction and to enter into, execute, deliver and perform a structured financing agreement.

c. If with respect to assets that are the subject of a structured financing agreement, the participation of a State agency or State authority is required,
the State Treasurer shall not enter into that structured financing agreement without the consent of the participating State agency or State authority, as the case may be, and upon such consent if given, such State agency or State authority is hereby authorized, notwithstanding any other law to the contrary, to enter into, execute, deliver and perform a structured financing agreement upon such terms and conditions as such State agency, State authority and the State Treasurer shall determine; and no consent or approval of any other State agency or State authority, except as otherwise required by this section, shall be required to authorize entry into, execution, delivery and performance of a structured financing agreement. Notwithstanding anything to the contrary, the entry into, execution, delivery and performance of a structured financing agreement by the New Jersey Building Authority established pursuant to the "New Jersey Building Authority Act," P.L. 1981, c.120 (C.52:18A-78.1 et seq.) shall not constitute a "project" for the purposes of the "New Jersey Building Authority Act."

d. The State Treasurer is authorized to select the investors for structured financing transactions through a public bidding procedure.

e. The State Treasurer is authorized to engage, in such manner as the State Treasurer may determine, the services of financial advisors and experts, placement agents, underwriters, appraisers, and such other advisors, consultants and agents as may be necessary in the State Treasurer's judgment to assist the State Treasurer in carrying out a structured financing transaction.

f. An obligation of the State to make payments pursuant to a structured financing transaction shall not constitute a general obligation of the State or a debt or a liability within the meaning of the State Constitution. An obligation of the State to make payments pursuant to a structured financing agreement shall be subject to and dependent upon appropriations being made by the Legislature for the purposes of this act. The net receipt made in connection with a structured financing transaction and received by the State Treasurer shall be deposited in the General Fund of the State.

g. A structured financing agreement may, upon the determination of the State Treasurer, provide that an entity taking part in a structured financing transaction shall be immune from liability in the same manner and to the same extent as is the State under the provisions of the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq., and the "New Jersey Contractual Liability Act," N.J.S.59:13-1 et seq.

h. A structured financing agreement may provide that an entity taking part in a structured financing transaction, and the officers, directors and employees of that entity, shall have a right of indemnification from the State or the State agency or State authority with which the agreement is made for any claim or judgment arising out of assets that are the subject of the structured financing agreement, except that the State, State agency or State authority,
as appropriate, shall not indemnify or agree to indemnify such an entity, officer, director or employee for any act or omission to act that constitutes gross negligence, actual malice, actual fraud, willful misconduct or a crime, or that relates to any financial decisions made by the entity and its officers, directors and employees in connection with the structured financing transaction. The State or State agency or State authority may agree to indemnify any entity taking part in a structured financing transaction, and the officers, directors and employees of that entity, for punitive damages for a violation of civil law if such damages do not arise from actions that constitute gross negligence, actual malice, actual fraud or willful misconduct. The State Treasurer may set forth a provision for indemnity under this subsection in the structured financing agreement upon such terms and conditions as the State Treasurer shall determine.

2. Section 10 of P.L.1999, c.157 (C.52:31C-10) is amended to read as follows:

C.52:31C-10 Procedures for undertaking structured financing agreements by public agencies other than the State.

10. Notwithstanding any law to the contrary, the State Treasurer shall establish procedures under which a county or municipal governing board, a board of education, a sewerage authority created pursuant to the "sewerage authorities law," P.L.1946, c.138 (C.40:14A-1 et seq.), a utilities authority created pursuant to the "municipal and county utilities authorities law," P.L.1957, c.183 (C.40:14B-1 et seq.), or the Passaic Valley Sewerage Commissioners, continued pursuant to R.S.58:14-2 may undertake structured financing agreements involving local assets in a manner similar to that provided for State assets, including procedures for the incorporation in such agreements of provisions that accord entities participating in structured financing transactions such rights of immunity and indemnification as the State Treasurer, under subsections g. and h. of section 4 of P.L.1999, c.157 (C.52:31C-4), may deem appropriate to be established for entities participating in a structured financing transaction with the State.

3. This act shall take effect immediately.

Approved July 1, 2003.

CHAPTER 107

AN ACT concerning the provision and funding of services and benefits for certain persons and revising parts of the statutory law.
CHAPTER 107, LAWS OF 2003

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1992, c.160 (C.26:2H-18.58) is amended to read as follows:

C.26:2H-18.58 Health Care Subsidy Fund.

8. There is established the Health Care Subsidy Fund in the Department of Health and Senior Services.

a. The fund shall be comprised of revenues from employee and employer contributions made pursuant to section 29 of P.L.1992, c.160 (C.43:21-7b), revenues from the hospital assessment made pursuant to section 12 of P.L.1992, c.160 (C.26:2H-18.62), revenues pursuant to section 11 of P.L.1996, c.28 (C.26:2H-18.58c), revenues from interest and penalties collected pursuant to this act and revenues from such other sources as the Legislature shall determine. Interest earned on the monies in the fund shall be credited to the fund. The fund shall be a nonlapsing fund dedicated for use by the State to:
   (1) distribute charity care and other uncompensated care disproportionate share payments to hospitals, and other eligible providers pursuant to section 8 of P.L.1996, c.28 (C.26:2H-18.59f), provide subsidies for the Health Access New Jersey program established pursuant to section 15 of P.L.1992, c.160 (C.26:2H-18.65), and provide funding for children's health care coverage pursuant to P.L.1997, c.272 (C.30:41-1 et seq.); (2) assist hospitals and other health care facilities in the underwriting of innovative and necessary health care services; and (3) provide for the payment in State fiscal year 2002 of appropriate Medicaid expenses, subject to the approval of the Director of the Division of Budget and Accounting.

b. The fund shall be administered by a person appointed by the commissioner.

The administrator of the fund is responsible for overseeing and coordinating the collection and reimbursement of fund monies. The administrator is responsible for promptly informing the commissioner if monies are not or are not reasonably expected to be collected or disbursed.

c. The commissioner shall adopt rules and regulations to ensure the integrity of the fund, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

d. The administrator shall establish separate accounts for the charity care component of the disproportionate share hospital subsidy, other uncompensated care component of the disproportionate share hospital subsidy, hospital and other health care initiatives funding and the payments for subsidies for insurance premiums to provide care in disproportionate share hospitals, known as the Health Access New Jersey subsidy account, respectively.
e. In the event that the charity care component of the disproportionate share hospital subsidy account has a surplus in a given year after payments are distributed pursuant to the methodology established in section 13 of P.L.1995, c.133 (C.26:2H-18.59b) and section 7 of P.L.1996, c.28 (C.26:2H-18.59e) and within the limitations provided in subsection e. of section 9 of P.L. 1992, c.160 (C.26:2H-18.59), the surplus monies in calendar years 2002, 2003 and 2004 shall lapse to the unemployment compensation fund established pursuant to R.S.43:21-9, and each year thereafter shall lapse to the charity care component of the disproportionate share hospital subsidy account for distribution in subsequent years.

2. R.S.43:21-3 is amended to read as follows:

Benefits.

(a) Payment of benefits.

All benefits shall be promptly paid from the fund in accordance with such regulations as may be prescribed hereunder.

(b) Weekly benefits for unemployment.

With respect to an individual's benefit year commencing on or after July 1, 1961, such individual, if eligible and unemployed (as defined in subsection (m) of R.S.43:21-19), shall be paid an amount (except as to final payment) equal to his weekly benefit rate less any remuneration, other than remuneration from self-employment paid to an individual who is receiving a self-employment assistance allowance, paid or payable to him for such week in excess of 20% of his weekly benefit rate (fractional part of a dollar omitted) or $5.00, whichever is the greater; provided that such amount shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(c) Weekly benefit rate.

(1) With respect to an individual whose benefit year commences after September 30, 1984, his weekly benefit rate under each determination shall be 60% of his average weekly wage, subject to a maximum of 56 2/3 % of the Statewide average weekly remuneration paid to workers by employers subject to this chapter (R.S.43:21-1 et seq.), as determined and promulgated by the Commissioner of Labor; provided, however, that such individual's weekly benefit rate shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(2) Dependency benefits.

(A) With respect to an individual whose benefit year commences after September 30, 1984, the individual's weekly benefit rate as determined in paragraph (1) of this subsection (c) will be increased by 7% for the first dependent and 4% each for the next two dependents (up to a maximum of three dependents), computed to the next lower multiple of $1.00 if not already
a multiple thereof, except that the maximum weekly benefit rate payable for an individual claiming dependency benefits shall not exceed the maximum amount determined under paragraph (1) of this subsection (c).

(B) For the purposes of this paragraph (2), a dependent is defined as an individual's unemployed spouse or an unemployed unmarried child (including a stepchild or a legally adopted child) under the age of 19 or an unemployed unmarried child, who is attending an educational institution as defined in subsection (y) of R.S.43:21-19 on a full-time basis and is under the age of 22. If an individual's spouse is employed during the week the individual files an initial claim for benefits, this paragraph (2) shall not apply. If both spouses establish a claim for benefits in accordance with the provisions of this chapter (R.S.43:21-1 et seq.), only one shall be entitled to dependency benefits as provided in this paragraph (2).

(C) Any determination establishing dependency benefits under this paragraph (2) shall remain fixed for the duration of the individual's benefit year and shall not be increased or decreased unless it is determined by the division that the individual wrongfully claimed dependency benefits as a result of false or fraudulent representation.

(D) Notwithstanding the provisions of any other law, the division shall use every available administrative means to insure that dependency benefits are paid only to individuals who meet the requirements of this paragraph (2). These administrative actions may include, but shall not be limited to, the following:

(i) All married individuals claiming dependents under this paragraph (2) shall be required to provide the social security number of the individual's spouse. If the individual indicates that the spouse is unemployed, the division shall match the social security number of the spouse against available wage records to determine whether earnings were reported on the last quarterly earnings report filed by employers under R.S.43:21-14. If earnings were reported, the division shall contact in writing the last employer to determine whether the spouse is currently employed.

(ii) Where a child is claimed as a dependent by an individual under this paragraph (2), the individual shall be required to provide to the division the most recent federal income tax return filed by the individual to assist the division in verifying the claim.

(3) For the purposes of this subsection (c), the "Statewide average weekly remuneration paid to workers by employers" shall be computed and determined by the Commissioner of Labor on or before September 1 of each year on the basis of one-fifteenth of the total remuneration reported for the preceding calendar year by employers subject to this chapter, divided by the average of the number of workers reported by such employers, and shall be effective
as to benefit determinations in the calendar year following such computation and determination.

(d) Maximum total benefits.

(1) (A) (Deleted by amendment, P.L.2003, c.107).

(B) (i) With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 1986, and before July 1, 2003, and on or after July 1, 2005, as provided in this section, the individual shall be entitled to receive a total amount of benefits equal to three-quarters of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall be adjusted to the next lower multiple of $1.00 if not already a multiple thereof. With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 2003 and before July 1, 2005, as provided in this section, the individual shall be entitled to receive a total amount of benefits equal to the number of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall be adjusted to the next lower multiple of $1.00 if not already a multiple thereof.

(ii) Except as provided pursuant to paragraph (1) of subsection (c) of R.S.43:21-7, benefits paid to an individual for benefit years commencing on or after July 1, 1986 shall be charged against the accounts of the individual's base year employers in the following manner:

Each week of benefits paid to an eligible individual shall be charged against each base year employer's account in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during the base year.

(iii) (Deleted by amendment, P.L.1997, c.255.)

(2) No such individual shall be entitled to receive benefits under this chapter (R.S.43:21-1 et seq.) in excess of 26 times his weekly benefit rate in any benefit year under either of subsections (c) and (f) of R.S. 43:21-4. In the event that any individual qualifies for benefits under both of said subsections during any benefit year, the maximum total amount of benefits payable under said subsections combined to such individual during the benefit year shall be one and one-half times the maximum amount of benefits payable under one of said subsections.

(3) (Deleted by amendment, P.L.1984, c.24.)

3. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346
(C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.
(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C.s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall
identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C.s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2.8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2.8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2.5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2.2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1.9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) 1.6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer’s contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer’s rate shall be specially assigned as follows:
(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for
a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42
U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) With respect to the experience rating year beginning on July 1, 2002, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.
On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after April 1, 1996 until December 31, 1996, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 25.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, March 31, 1998 or March 31, 1999, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1997, March 31, 1998 or March 31, 1999, as applicable, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, July 1, 1998, July 1, 1999, as applicable, of at least 3.00%.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 2000, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of
3.00%. The State Treasurer shall, prior to March 31, 2000, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 2000 of at least 3.00%.

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.
(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).
(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under
section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until December 31, 2002, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions to the State disability benefits fund or nongovernmental
employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer...
with respect thereto, the amount so prorated. The provisions of R.S.43:21-14
with respect to collection of employer contributions shall apply to such
assessments. The amount so recovered by the controller shall be paid into
the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit
which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his
employer, or receives his wages from some other employing unit, such employer
shall nevertheless be liable for such individual's contributions in the first
instance; and after payment thereof such employer may deduct the amount
of such contributions from any sums payable by him to such employing unit,
or may recover the amount of such contributions from such employing unit,
or, in the absence of such an employing unit, from such individual, in a civil
action; provided proceedings therefore are instituted within three months after
the date on which such contributions are payable. General rules shall be
prescribed whereby such an employing unit may recover the amount of such
contributions from such individuals in the same manner as if it were the
employer.

(5) Every employer who has elected to become an employer subject to
this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to
this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8,
shall post and maintain printed notices of such election on his premises, of
such design, in such numbers, and at such places as the director may determine
to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided,
shall be exempt from garnishment, attachment, execution, or any other remedy
for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to
the contributions required by subsections (a), (b), and (c) of this section,
contribute 1/2 of 1% of the wages paid by such employer to workers with
respect to employment unless he is not a covered employer as defined in section
3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that
the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year
1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to
July 1 each year thereafter, the controller shall review the experience
accumulated in the account of the State of New Jersey and establish a rate
for the next following fiscal year which, in combination with worker
contributions, will produce sufficient revenue to keep the account in balance;
except that the rate so established shall not be less than 1/10 of 1%. Such
contributions shall become due and be paid by the employer to the controller
for the State disability benefits fund as established by law, in accordance with
such regulations as may be prescribed, and shall not be deducted, in whole
or in part, from the remuneration of individuals in his employ. In the payment
of any contributions, a fractional part of a cent shall be disregarded unless
it amounts to $0.005 or more, in which case it shall be increased to $0.01.

2. During the continuance of coverage of a worker by an approved private
plan of disability benefits under the "Temporary Disability Benefits Law,"
the employer shall be exempt from the contributions required by subparagraph
(1) above with respect to wages paid to such worker.

3. (A) The rates of contribution as specified in subparagraph (1) above
shall be subject to modification as provided herein with respect to employer
contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each
employer required to contribute to the State disability benefits fund and such
account shall be credited with contributions deposited in and credited to such
fund with respect to employment occurring on and after January 1, 1949.
Each employer's account shall be credited with all contributions paid on or
before January 31 of any calendar year on his own behalf and on behalf of
individuals in his service with respect to employment occurring in preceding
calendar years; provided, however, that if January 31 of any calendar year
falls on a Saturday or Sunday an employer's account shall be credited as of
January 31 of such calendar year with all the contributions which he has paid
on or before the next succeeding day which is not a Saturday or Sunday. But
nothing in this act shall be construed to grant any employer or individuals
in his service prior claims or rights to the amounts paid by him to the fund
either on his own behalf or on behalf of such individuals. Benefits paid to
any covered individual in accordance with Article III of the "Temporary
Disability Benefits Law" on or before December 31 of any calendar year with
respect to disability in such calendar year and in preceding calendar years shall
be charged against the account of the employer by whom such individual was
employed at the commencement of such disability or by whom he was last
employed, if out of employment.

(C) The controller may prescribe regulations for the establishment,
maintenance, and dissolution of joint accounts by two or more employers,
and shall, in accordance with such regulations and upon application by two
or more employers to establish such an account, or to merge their several
individual accounts in a joint account, maintain such joint account as if it
constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a
preliminary determination of the rate of contribution for the 12 months
commencing on such July 1 for each employer subject to the contribution
requirements of this subsection (e).

1. Such preliminary rate shall be 1/2 of 1% unless on the preceding January
31 of such year such employer shall have been a covered employer who has
paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.).

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1 1/2% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the
amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

4. Section 29 of P.L.1992, c.160 (C.43:21-7b) is amended to read as follows:
C.43:21-7b Contributions to Health Care Subsidy Fund.

29. a. Beginning January 1, 1993 until December 31, 1995, except as provided pursuant to subsection b. of this section, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.6% of the employee's taxable wages.

Beginning April 1, 1996 through December 31, 1996, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.6% of the employee's taxable wages, except that the total amount contributed to the fund when combined with the employee's contribution made pursuant to R.S.43:31-7(d)(1)(D) for the period January 1, 1996 through March 31, 1996, shall not exceed 0.6% of the employee's taxable wages for the 1996 calendar year.

Beginning January 1, 1997 through December 31, 1997, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.5% of the employee's taxable wages.

Also beginning on January 1, 1998 until December 31, 2000, and beginning on January 1, 2002 and ending June 30, 2004, each employer shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to the amount that the employer's contribution to the unemployment compensation fund is decreased pursuant to subparagraph (H) of paragraph (5) of subsection (c) of R.S.43:21-7.

b. If the unemployment compensation fund reserve ratio, as determined pursuant to paragraph (5) of subsection (c) of R.S.43:21-7, decreases to a level
of less than 4.00% on March 31 of calendar year 1994 or calendar year
1995, the provisions of subsection a. of this section shall cease to be in effect as of
July 1 of that calendar year and each employer who would be subject to making
the contributions pursuant to subsection a. of this section if that subsection
were in effect shall, beginning on July 1 of that calendar year, contribute to
the fund an amount equal to 0.62% of the total wages paid by the employer
and shall continue to contribute that amount until December 31, 1995.

(c) If the total amount of contributions to the fund pursuant to this section
during the calendar year 1993 exceeds $600 million, all contributions which
exceed $600 million shall be deposited in the unemployment compensation
fund. If the total amount of contributions to the fund pursuant to this section
during calendar year 1994 or calendar year 1995 exceeds $500 million, all
contributions which exceed $500 million shall be deposited in the unemploy­
ment compensation fund. If the total amount of contributions made to the
fund pursuant to this section for the calendar year 1996 or 1997 exceeds $330
million, all contributions which exceed $330 million in calendar year 1996
or 1997 shall be deposited in the unemployment compensation fund. If the
total amount of contributions made to the fund pursuant to this section for
the calendar year 1998 exceeds $288 million, all contributions which exceed
$288 million in the calendar year 1998 shall be deposited in the unemploy­
ment compensation fund. If the total amount of contributions made to the
fund pursuant to this section for the calendar year 1999 exceeds $233.9 million,
all contributions which exceed $233.9 million in the calendar year 1999 shall

5. Section 4 of P.L.1971, c.346 (C.43:21-7.3) is amended to read as follows:

C.43:21-7.3 Governmental entities.

4. (a) Notwithstanding any other provisions of the "unemployment compensation law" for the payment of contributions, benefits paid to individuals based upon wages earned in the employ of any governmental entity or instrumentality which is an employer defined under R.S.43:21-19(h)(5) shall, to the extent that such benefits are chargeable to the account of such governmental entity or instrumentality in accordance with the provisions of R.S.43:21-1 et seq., be financed by payments in lieu of contributions.

(b) Any governmental entity or instrumentality may, as an alternative to financing benefits by payments in lieu of contributions, elect to pay contributions beginning with the date on which its subjectivity begins by filing written notice of its election with the department no later than 120 days after such subjectivity begins, provided that such election shall be effective for at least two full calendar years; or it may elect to pay contributions for a period of not less than two calendar years beginning January 1 of any year if written notice of such election is filed with the department not later than February 1 of such year; provided, further, that such governmental entity or instrumentality shall remain liable for payments in lieu of contributions with respect to all benefits paid based on base year wages earned in the employ of such entity or instrumentality in the period during which it financed its benefits by payments in lieu of contributions.

(c) Any governmental entity or instrumentality may terminate its election to pay contributions as of January 1 of any year by filing written notice not later than February 1 of any year with respect to which termination is to become effective. It may not revert to a contributions method of financing for at least two full calendar years after such termination.

(d) Any governmental entity or instrumentality electing the option for contributions financing shall report and pay contributions in accordance with the provisions of R.S.43:21-7 except that, notwithstanding the provisions of that section, the contribution rate for such governmental entity or instrumentality shall be 1% for the entire calendar year 1978 and the contribution rate for any subsequent calendar years shall be the rate established for governmental entities or instrumentalities under subsection (e) of this section.

(e) On or before September 1 of each year, the Commissioner of Labor shall review the composite benefit cost experience of all governmental entities and instrumentalities electing to pay contributions and, on the basis of that experience, establish the contribution rate for the next following calendar year which can be expected to yield sufficient revenue in combination with
worker contributions to equal or exceed the projected costs for that calendar year.

(f) Any covered governmental entity or instrumentality electing to pay contributions shall each year appropriate, out of its general funds, moneys to pay the projected costs of benefits at the rate determined under subsection (e) of this section. These funds shall be held in a trust fund maintained by the governmental entity for this purpose. Any surplus remaining in this trust fund may be retained in reserve for payment of benefit costs for subsequent years either by contributions or payments in lieu of contributions.

(g) Any governmental entity or instrumentality electing to finance benefit costs with payments in lieu of contributions shall pay into the fund an amount equal to all benefit costs for which it is liable pursuant to the provisions of the "unemployment compensation law." Each subject governmental entity or instrumentality shall require payments from its workers in the same manner and amount as prescribed under R.S.43:21-7(d) for governmental entities and instrumentalities financing their benefit costs with contributions. No such payment shall be used for a purpose other than to meet the benefits liability of such governmental entity or instrumentality. In addition, each subject governmental entity or instrumentality shall appropriate out of its general funds sufficient moneys which, in addition to any worker payments it requires, are necessary to pay its annual benefit costs estimated on the basis of its past benefit cost experience; provided that for its first year of coverage, its benefit costs shall be deemed to require an appropriation equal to 1% of the projected total of its taxable wages for the year. These appropriated moneys and worker payments shall be held in a trust fund maintained by the governmental entity or instrumentality for this purpose. Any surplus remaining in this trust fund shall be retained in reserve for payment of benefit costs in subsequent years. If a governmental entity or instrumentality requires its workers to make payments as authorized herein, such workers shall not be subject to the contributions required in R.S.43:21-7(d).

(h) Notwithstanding the provisions of the above subsection (g), commencing July 1, 1986 worker contributions to the unemployment trust fund with respect to wages paid by any governmental entity or instrumentality electing or required to make payments in lieu of contributions, including the State of New Jersey, shall be made in accordance with the provisions of R.S.43:21-7(d)(1)(C) or R.S.43:21-7(d)(1)(D), as applicable, and, in addition, each governmental entity or instrumentality electing or required to make payments in lieu of contributions shall, except during the period starting January 1, 1993 and ending December 31, 1995 and the period starting April 1, 1996 and ending December 31, 1998, require payments from its workers at the following rates of wages paid, which amounts are to be held in the trust fund maintained by the governmental entity or instrumentality for payment of benefit costs.
costs: for the calendar year 1999, 0.05%; for each calendar year from 2000 to 2002, and the period from January 1, 2003 to June 30, 2004, 0.10%; and each fiscal year thereafter, 0.30%.

6. Section 1 of P.L.1952, c.282 (C.43:21-20.1) is amended to read as follows:

C.43:21-20.1 Individuals employed part time; eligibility for benefits.

1. Notwithstanding any other provision of R.S.43:21-1 et seq. to the contrary, no individual, who is otherwise eligible, shall be deemed unavailable for work or ineligible for benefits solely for the reason that the individual is available for, seeks, applies for, or accepts only part-time work, instead of full-time work, if the claim is based on part-time employment and the individual is actively seeking and is willing to accept work under essentially the same conditions as existed in connection with the employment from which the individual became eligible for benefits.

7. This act shall take effect immediately.

Approved July 1, 2003.
rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

b. With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability of the retirement system as of March 31, 1992 under the projected unit credit method, excluding the liability for pension adjustment benefits for active employees funded pursuant to section 2 of P.L.1990, c.6 (C.43:15A-24.1), which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for the 10 valuation years following valuation year 1992 shall serve to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the commission adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability of the retirement system, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period
of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the commission and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending March 31, 1996 shall be the full market value of the assets as of that date and, with respect to the valuation assets allocated to the State, shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1999 shall be the full market value of the assets as of that date.

"Excess valuation assets" for a valuation period means, with respect to the valuation assets allocated to the State:

1. the valuation assets allocated to the State; less
2. the actuarial accrued liability of the State for basic benefits and pension adjustment benefits under the retirement system; less
3. the contributory group insurance premium fund, created by section 4 of P.L.1955, c.214 (C.43:15A-91), as amended by section 4 of P.L.1960, c.79; less
(4) the post retirement medical premium fund, created pursuant to section 2 of P.L.1990, c.6 (C.43:15A-24.1), as amended by section 8 of P.L.1994, c.62; less

(5) the present value of the projected total normal cost for pension adjustment benefits in excess of the projected total phased-in normal cost for pension adjustment benefits for the State authorized by section 2 of P.L.1990, c.6 (C.43:15A-24.1) over the full phase-in period, determined in the manner prescribed for the determination and amortization of the unfunded accrued liability of the system, if the sum of the foregoing items is greater than zero.

"Excess valuation assets" for a valuation period means, with respect to the valuation assets allocated to other employers:

(1) the valuation assets allocated to the other employers; less

(2) the actuarial accrued liability of the other employers for basic benefits and pension adjustment benefits under the retirement system, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1991, c.229, P.L.1991, c.230, P.L.1993, c.138, and P.L.1993, c.181, for employers other than the State; less

(3) the contributory group insurance premium fund, created by section 4 of P.L.1955, c.214 (C.43:15A-91), as amended by section 4 of P.L.1960, c.79; less

(4) the present value of the projected total normal cost for pension adjustment benefits in excess of the projected total phased-in normal cost for pension adjustment benefits for the other employers authorized by section 2 of P.L.1990, c.6 (C.43:15A-24.1) over the full phase-in period, determined in the manner prescribed for the determination and amortization of the unfunded accrued liability of the system, if the sum of the foregoing items is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending March 31, 1996, the normal contributions payable by the State or by the other employers for the valuation periods ending March 31, 1996 and March 31, 1997 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in *Abbott v. Burke*. If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after March 31, 1996, the State
Treasurer may reduce the normal contribution payable by the State or by the other employers for the next valuation period as follows:

1. for valuation periods ending March 31, 1997 through March 31, 2001, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;

2. for the valuation period ending March 31, 2002, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

3. for the valuation period ending March 31, 2003, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and

4. for valuation periods ending on or after March 31, 2004, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

For calendar years 1998 and 1999, the rate of contribution of members of the retirement system under section 25 of P.L.1954, c.84 (C.43:15A-25) shall be reduced by 1/2 of 1% from excess valuation assets and for calendar years 2000 and 2001, the rate of contribution shall be reduced by 2% from excess valuation assets. Thereafter, the rate of contribution of members of the retirement system under that section for a calendar year shall be reduced equally with normal contributions to the extent possible, but not by more than 2%, from excess valuation assets if the State Treasurer determines that excess valuation assets shall be used to reduce normal contributions by the State and local employers for the fiscal year beginning immediately prior to the calendar year, or for the calendar year for local employers whose fiscal year is the calendar year, and excess valuation assets above the amount necessary to fund the reduction for that calendar year in the member contribution rate plus an equal reduction in the normal contribution shall be available for the further reduction of normal contributions, subject to the limitations prescribed by this subsection.

If there are excess valuation assets after reductions in normal contributions and member contributions as authorized in the preceding paragraphs for a valuation period beginning with the valuation period ending June 30, 1999, an amount of excess valuation assets not to exceed the amount of the member contributions for the fiscal year in which the normal contributions are payable shall be credited to the benefit enhancement fund. The amount of excess valuation assets credited to the benefit enhancement fund shall not exceed the present value of the expected additional normal contributions attributable to the provisions of P.L.2001, c.133 payable on behalf of the active members over the expected working lives of the active members in accordance with the tables of actuarial assumptions for the valuation period. No additional excess valuation assets shall be credited to the benefit enhancement fund after
the maximum amount is attained. Interest shall be credited to the benefit enhancement fund as provided under section 33 of P.L.1954, c.84 (C.43:15A-33).

The normal contribution for the increased benefits for active employees under P.L.2001, c.133 shall be paid from the benefit enhancement fund. If assets in the benefit enhancement fund are insufficient to pay the normal contribution for the increased benefits for a valuation period, the State shall pay the amount of normal contribution for the increased benefits not covered by assets from the benefit enhancement fund.

c. The retirement system shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in this section.

The State Treasurer shall reduce the normal and accrued liability contributions payable by employers other than the State, excluding the contribution payable from the benefit enhancement fund, to a percentage of the amount certified annually by the retirement system, which percentage shall be: for payments due in the State fiscal year ending June 30, 2005, 20%; for payments due in the State fiscal year ending June 30, 2006, not more than 40%; for payments due in the State fiscal year ending June 30, 2007, not more than 60%; and for payments due in the State fiscal year ending June 30, 2008, not more than 80%.

The State shall pay into the contingent reserve fund during the ensuing year the amount so determined. The death benefits, payable as a result of contribution by the State under the provisions of this chapter upon the death of an active or retired member, shall be paid from the contingent reserve fund.

d. The disbursements for benefits not covered by reserves in the system on account of veterans shall be met by direct contributions of the State and other employers.

2. Section 16 of P.L.1964, c.241 (C.43:16A-11.1) is amended to read as follows:

C.43:16A-11.1 Special retirement; resignation with 25 years of creditable service; allowance; death benefit.

16. a. Should a member resign after having established 25 years of creditable service, he may elect "special retirement," provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 11, a retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions, and
(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 65% of his final compensation, plus 1% of his final compensation multiplied by the number of years of creditable service over 25 but not over 30; or, beginning in the fiscal year immediately following the adoption of the valuation report by the retirement system board of trustees in which the funded level is in excess of 104%, a pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 70% of final compensation, plus 1% of final compensation multiplied by the number of years of creditable service over 25 but not over 30; provided, however, that any member who has earned, prior to July 1, 1979, more than 30 years of creditable service, shall receive an additional 1% of his final compensation for each year of his creditable service over 30.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

Upon the receipt of proper proofs of the death of such a retired member, there shall be paid to his beneficiary an amount equal to one-half of the final compensation received by the member.

b. The "special retirement" allowance payable under subsection a. of this section to any person who retired under the retirement system prior to December 20, 1989 shall be increased by an amount equal to 5% of the person's final compensation or by such lesser amount as would, if added to the allowance payable at the time of retirement, provide a total retirement allowance of 70% of final compensation, except that in the case of such a retirant who retired on or after July 1, 1979 and had earned prior to that date more than 30 years of creditable service, the amount of the increase shall be equal to 5% of the person's final compensation irrespective of the total retirement allowance which such an increase would provide. The provisions of this subsection shall not be construed either to require a reduction in the retirement allowance payable to any retirant or to provide for the payment of any adjustment in such an allowance with respect to any period of time prior to the first day of the month following that effective date.

3. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as follows:

C.43:16A-15 Contributions, expenses of administration.

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be 8.5% of compensation.

(3) (Deleted by amendment, P.L.1989, c.204).
CHAPTER 108, LAWS OF 2003

(4) Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute annually, beginning as of June 30, 1991, the amount of contribution which shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

(5) (Deleted by amendment, P.L.1989, c.204).

(6) (Deleted by amendment, P.L.1994, c.62.)

(7) Each employer shall cause to be deducted from the salary of each member the percentage of earnable compensation prescribed in subsection (2) of this section. To facilitate the making of deductions, the retirement system may modify the amount of deduction required of any member by an amount not to exceed 1/10 of 1% of the compensation upon which the deduction is based.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability as of June 30, 1991 under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as
a result of actuarial losses or gains for the 10 valuation years following valuation year 1991 shall serve to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the
benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1995 shall be the full market value of the assets as of that date and, with respect to the valuation assets allocated to the State, shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the percentage of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1998 for the State shall be 100% and for other employers shall be 57% plus such additional percentage as is equivalent to $150,000,000. Notwithstanding the first sentence of this paragraph, the amount of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1999 shall include an additional amount of the market value of the assets sufficient to fund (1) the unfunded accrued liability for the supplementary "special retirement" allowances provided under subsection b. of section 16 of P.L.1964, c.241 (C.43:16A-11.1) and (2) the unfunded accrued liability for the full credit toward benefits under the retirement system for service credited in the Public Employees' Retirement System and transferred pursuant to section 1 of P.L.1993, c.247 (C.43:16A-3.8) and the reimbursement of the cost of any credit purchase pursuant to section 3 of P.L.1993, c.247 (C.43:16A-3.10) provided under section 1 of P.L.2001, c.201 (C.43:16A-3.14).

"Excess valuation assets" means, with respect to the valuation assets allocated to the State, the valuation assets allocated to the State for a valuation period less the actuarial accrued liability of the State for the valuation period, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable.
to the valuation period, if the sum is greater than zero. "Excess valuation assets" means, with respect to the valuation assets allocated to other employers, the valuation assets allocated to the other employers for a valuation period less the actuarial accrued liability of the other employers for the valuation period, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1993, c.99 for the other employers, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, and less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending June 30, 1995, the normal contributions payable by the State or by the other employers for the valuation periods ending June 30, 1995, and June 30, 1996 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke.

If there are excess valuation assets allocated to the other employers for the valuation period ending June 30, 1998, the accrued liability contributions payable by the other employers for the valuation period ending June 30, 1997 shall be reduced to the extent possible by the excess valuation assets allocated to the other employers.

If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after June 30, 1998, the State Treasurer may reduce the normal contribution payable by the State or by other employers for the next valuation period as follows:

(1) for valuation periods ending June 30, 1996 through June 30, 2000, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;
(2) for the valuation period ending June 30, 2001, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

(3) for the valuation period ending June 30, 2002, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and

(4) for valuation periods ending on or after June 30, 2003, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

Notwithstanding the discretion provided to the State Treasurer in the previous paragraph to reduce the amount of the normal contribution payable by employers other than the State, the State Treasurer shall reduce the amount of the normal contribution payable by employers other than the State by $150,000,000 in the aggregate for the valuation period ending June 30, 1998, and then the State Treasurer may reduce further pursuant to the provisions of the previous paragraph the normal contribution payable by such employers for that valuation period.

As of the valuation report in which the funded level is in excess of 104%, an amount equal to the present value of the future normal contributions for the benefits provided by P.L.2003, c.108 as amending section 16 of P.L.1964, c.241 (C.43:16A-11.1), shall be credited to the benefit enhancement fund. If there are excess valuation assets after reductions in normal contributions as authorized in the preceding paragraphs, for a valuation period beginning with the valuation period in which the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.2003, c.108 apply, an amount of excess valuation assets not to exceed the amount of the member contributions for the fiscal year in which the normal contributions are payable shall be credited to the benefit enhancement fund. The amount of excess valuation assets credited to the benefit enhancement fund shall not exceed the present value of the expected additional normal and accrued liability contributions attributable to the provisions of section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.2003, c.108, payable on behalf of the active members over the expected working lives of the active members in accordance with the tables of actuarial assumptions for the valuation period. No additional excess valuation assets shall be credited to the benefit enhancement fund after the maximum amount is attained. Interest shall be credited to the benefit enhancement fund.

The normal and accrued liability contributions for the increased benefits for active employees under section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.2003, c.108, shall be paid from the benefit enhancement fund. If assets in the benefit enhancement fund are insufficient to pay the normal and accrued liability contributions for the increased benefits for a valuation period ending on or after June 30, 2003.
period, the retirement system shall pay the amount of normal and accrued liability contributions for the increased benefits not covered by assets from the benefit enhancement fund.

The normal and accrued liability contributions shall be certified annually by the retirement system and shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

Notwithstanding the preceding sentence, the normal and accrued liability contributions to be included in the budget of and paid by the employer other than the State shall be as follows: for the payment due in the State fiscal year ending on June 30, 2004, 20% of the amount certified by the retirement system; for the payment due in the State fiscal year ending on June 30, 2005, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 40%; for the payment due in the State fiscal year ending on June 30, 2006, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 60%; and for the payment due in the State fiscal year ending on June 30, 2007, a percentage of the amount certified by the retirement system as the State Treasurer shall determine but not more than 80%.

(10) The treasurer or corresponding officer of the employer shall pay to the State Treasurer no later than April 1 of the State's fiscal year in which payment is due the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds, of the retirement system.

If payment of the full amount of the employer's obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be
included with the certification by the retirement system of the employer's contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) (Deleted by amendment, P.L.1992, c.125.)

(14) Commencing with valuation year 1991, with payment to be made in Fiscal Year 1994, the Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the retirement system an amount equal to 1.1% of the compensation of the members of the system for the valuation year to fund the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.1979, c.109.

(15) If the valuation assets are insufficient to fund the normal and accrued liability costs attributable to P.L.1999, c.428 (C.43:16A-15.8 et al.) as provided hereinafore, the normal and unfunded accrued liability contributions required to fund these costs for the State and other employers shall be paid by the State.

(16) The savings realized as a result of the amendments to this section by P.L.2001, c.44 in the payment of normal contributions computed by the actuary for the valuation periods ending June 30, 1998 for employers other than the State shall be used solely and exclusively by a county or municipality for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate. The Director of the Division of Local Government Services in the Department of Community Affairs shall certify for each year that each county or municipality has complied with the requirements set forth herein. If the director finds that a county or municipality has not used the savings solely and exclusively for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate, the director shall direct the county or municipal governing body, as appropriate, to make corrections to its budget.

4. Section 16 of P.L.1944, c.255 (C.43:16A-16) is amended to read as follows:

C.43:16A-16 Funds to be established.

16. (1) All the assets of the retirement system shall be credited according to the purpose for which they are held to one of five funds, namely, the annuity savings fund, the pension accumulation fund, the retirement reserve fund, the special reserve fund, and the benefit enhancement fund.
(2) The annuity savings fund shall be a fund in which shall be credited accumulated contributions by members or on their behalf to provide for their allowances. The aggregate contributions of a member withdrawn by him or paid to his estate or his designated beneficiary in event of his death as provided in this act shall be paid from the annuity savings fund. Upon the retirement of a member where the aggregate contributions of the member are to be provided in the form of an annuity, the aggregate contributions of the member shall be transferred from the annuity savings fund to the retirement reserve fund.

(3) The pension accumulation fund shall be the fund in which shall be credited contributions made by employers. Upon the death of a member either before or after retirement any lump sum benefit payable shall be charged to the pension accumulation fund. Upon the retirement or death of a member the reserve of any pension payable to or on his account shall be transferred to the retirement reserve fund. The retirement system at the end of each fiscal year shall allow interest on the balance of the retirement reserve fund as of the beginning of said fiscal year at the regular interest rate applicable thereto to cover the interest creditable for the year. The amount so allowed shall be due and payable and shall be credited annually. All other income received on the securities, funds and investments of the retirement system shall be credited to the pension accumulation fund, except as provided by subsection (5) of this section. The retirement system, upon the advice of the actuary, shall transfer to and from the pension accumulation fund any surplus or deficit in the retirement reserve fund.

(4) The retirement reserve fund shall be the fund from which all retirement allowances and benefits in lieu thereof shall be paid. If the retirement allowance of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the pension accumulation fund and the annuity savings fund.

(5) The special reserve fund shall be the fund to which any earnings in excess of the amounts annually allowed under the provisions of subsection (3) of this section shall be transferred. No additional amounts shall be credited to the special reserve fund at any time when the total accumulations in such fund equal 1% of the book value of the investments of the retirement system. In this event, any such excess shall be credited to the pension accumulation fund. All losses from the sale of securities shall be charged against the special reserve fund. The special reserve fund shall be considered for valuation purposes by the actuary as an asset of the retirement system.

C.40A:4-45.43 Exemption on limits on increases for certain appropriations for pension contributions.

5. In addition to the exceptions to the limits on increases to municipal appropriations set forth in section 3 of P.L.1976, c.68 (C.40A:4-45.3) and
to the county tax levy set forth in section 4 of P.L.1976, c.68 (C.40A:4-45.4), appropriations that represent expenditures made by a municipality or county for the purpose of funding normal and accrued liability contributions to the Public Employees' Retirement System of New Jersey due in the State fiscal years 2004-05, 2005-06, 2006-07, 2007-08 and 2008-09, or to the Police and Firemen's Retirement System due in the State fiscal years 2003-04, 2004-05, 2005-06, 2006-07 and 2007-08, shall be exempt from the limits on increases to municipal appropriations and to the limits on increases to the county tax levy in county budgets, respectively, for the local budget year in which those contributions are due.

6. This act shall take effect immediately.

Approved July 1, 2003.

Such repayment to the unemployment trust fund shall be considered in determining contribution rates by employers to the State disability benefits fund under R.S.43:21-7(e). No portion of the amount requisitioned or withdrawn from the Federal Treasury shall be expended for the purpose of administering the "Temporary Disability Benefits Law."

(c) The State Treasurer shall transfer from the State disability benefits fund to the clearing account of the unemployment compensation fund, as established under R.S.43:21-9, the sum of $25,000,000.00. Amounts transferred to the clearing account of the unemployment compensation fund under this subsection shall be cleared immediately and shall be deposited with the Secretary of the Treasury of the United States of America in accordance with the provisions of R.S.43:21-9(b).

(f) The State Treasurer, in consultation with the Commissioner of Labor, is hereby authorized and directed to requisition and withdraw on or after July 1, 1994 from revenues received pursuant to paragraph (1) of subsection (e) of R.S.43:21-7, an amount from the State disability benefits fund not greater than 25% of the balance in that fund as of June 30, 1994 and to deposit that amount in the clearing account of the unemployment compensation fund established under R.S.43:21-9. The amount transferred under this subsection (f) shall be cleared immediately and shall be deposited with the Secretary of the Treasury of the United States of America, in accordance with the provisions of R.S.43:21-9(b).

(g) To the extent that funds from the General Fund are also deposited into the clearing account subsequent to July 1, 1994 but before October 2, 1994, such amount shall be reimbursed to the General Fund from amounts collected pursuant to R.S.43:21-7(d)(1)(G) and R.S.43:21-7(e) for quarterly periods ending on or after September 30, 1994.

(h) The amount transferred from the State disability benefits fund to the clearing account of the unemployment compensation fund under subsection (f) of this section plus any amount reimbursed to the General Fund in accordance with subsection (g) shall be repaid to the State disability benefits fund from general State revenues with interest at the rate earned by the investments made with moneys remaining in the State disability benefits fund. The repayment period shall not exceed ten years. The amount repaid each year shall be not less than one tenth of the total amount transferred from the State disability benefits fund to the clearing account of the unemployment compensation fund under subsection (f) of this section, plus not less than one tenth of the amount reimbursed to the General Fund in accordance with subsection (g), plus accrued interest. The State Treasurer shall, on or before the thirty-first day of January in 1995 and in each subsequent year determine what amount shall be repaid to the State disability benefits fund in the next commencing fiscal year, which amount shall be consistent with the provisions of this subsection (h). The Legislature shall appropriate that amount from the General Fund to the State disability benefits fund. For purposes of determining the balance in the State disability benefits fund as prescribed pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the amount transferred from the State disability benefits fund to the unemployment compensation fund pursuant to subsection (f) of this section and reimbursed

For purposes of determining the balance in the State disability benefits fund as prescribed pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the amount transferred from the State disability benefits fund to the General Fund pursuant to this subsection (i) shall be included therein.

(j) To ensure that the provisions of subsection (i) of this section do not reduce or delay benefits payable pursuant to the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), whenever the amount in the State disability benefits fund is less than the amount required to pay the benefits provided under that law and the necessary costs of administering those benefits, the additional amount required to pay the benefits and the administrative costs shall be paid from the General Fund. The amounts paid from the General Fund for benefits and administrative costs pursuant to this subsection shall be repaid to the General Fund from the State disability benefits fund at such time as the Treasurer determines that the repayment may be made without reducing or delaying benefits payable pursuant to the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.). The repayment to the General Fund from the State disability benefits fund pursuant to this subsection (j) shall not effect an increase in employee or employer contributions under subsection (d) or (e) of R.S.43:21-7.

(k) The State Treasurer is hereby authorized and directed to requisition and withdraw, in addition to the $33,000,000 appropriated from the State disability benefits fund pursuant to section 61 of P.L.2001, c.130 for transfer to the General Fund, before July 1, 2002 an amount not greater than $50,000,000 from the State disability benefits fund and to deposit that amount in the General Fund, and in addition, is hereby authorized and directed to requisition and withdraw on or after July 1, 2003 an amount not greater than $30,000,000 from the State disability benefits fund and to deposit that amount in the General Fund. (l) The State Treasurer is authorized to utilize funds from the State disability benefits fund to purchase insurance, excess insurance or reinsurance for the fund and to enter into whatever contracts are needed to ensure that the provisions of subsection (k) of this section do not reduce or delay benefits

AN ACT concerning certain motor vehicle surcharges, and supplementing Title 17 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. a. In addition to the provisions of the New Jersey Merit Rating Plan established pursuant to section 6 of P.L.1983, c.65 (C.17:29A-35), and notwithstanding the provisions of any other law to the contrary, there is established a motor vehicle surcharge amnesty period. This period, which shall begin on the 60th day following the enactment of this act, shall be for a period of 60 days in duration. During this amnesty period, a driver who has failed to pay any motor vehicle surcharges levied pursuant to paragraph (1) or (3) of subsection b. of section 6 of P.L.1983, c.65 (C.17:29A-35) may pay the full principal amount of any such surcharges to the Chief Administrator of the New Jersey Motor Vehicle Commission without any interest that otherwise may be due and without any costs of collection that otherwise may be due.

Notwithstanding the provisions of any other law to the contrary, no person shall be entitled to a waiver of any interest or cost of collection afforded under this subsection unless full payment of the motor vehicle surcharges due is made in accordance with rules and procedures established by the Chief Administrator. Full payment of the surcharges due shall constitute satisfaction of the applicable surcharge obligation. A driver who has been authorized by the Chief Administrator to pay a surcharge levied pursuant to paragraph (1) or (3) of subsection b. of section 6 of P.L.1983, c.65 (C.17:29A-35) on an installment basis may participate in the amnesty established pursuant to this subsection. The amnesty afforded under this subsection shall not apply to surcharges levied pursuant to paragraph (2) of subsection b. of section 6 of P.L.1983, c.65 (C.17:29A-35) nor shall any driver who has any outstanding surcharges levied pursuant to that paragraph be eligible to participate in this amnesty.
b. There shall be imposed a penalty equal to 5% of the principal outstanding upon any motor vehicle surcharges which are eligible to be satisfied during the amnesty period established pursuant to subsection a. of this section, but which are not so satisfied during that amnesty period. This penalty shall be in addition to all other penalties, interest or costs of collection otherwise authorized by law upon those unsatisfied surcharges; provided, however, this 5% penalty shall not be assessed against any person who:
   (1) prior to the effective date of this act, was authorized by the Chief Administrator to pay a surcharge on an installment basis; or
   (2) during the 60-day amnesty period established under subsection a. of this section, was a member of the United States Armed Forces engaged in active military duty and provides documentation of such service to the Chief Administrator.

2. a. Except as otherwise provided in subsection b. of this section, all monies collected pursuant to the provisions of section 1 of this act shall be remitted to the Division of Motor Vehicles Surcharge Fund established pursuant to section 12 of P.L. 1994, c. 57 (C. 34:1B-21.12).
   b. From the monies collected pursuant to subsection a. of section 1 of this act, there is appropriated to the New Jersey Motor Vehicle Commission an amount not to exceed $250,000 to implement and administer the surcharge amnesty program established under this act.

3. This act shall take effect immediately

CHAPTER 111

AN ACT concerning the calculation of certain surcharges pursuant to Title 34 of the Revised Statutes and amending R.S. 34:15-94.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S. 34:15-94 is amended to read as follows:

Annual surcharge for Second Injury Fund.
   b. Commencing January 1, 1989 and on the first day of each year thereafter, the Commissioner of Labor shall levy an annual surcharge upon all policyholders and self-insured employers for the purpose of providing moneys to the Second Injury Fund. Each policyholder and self-insured employer shall
be liable for payment of the annual surcharge in accordance with the provisions of this section and all regulations promulgated pursuant hereto. The annual surcharge levied under this section shall be applied to all workers' compensation and employer's liability insurance policies providing coverage on or after January 1, 1989 and, in the case of self-insured employers, to coverage provided on or after January 1, 1989. Notwithstanding any law to the contrary, the surcharge levied pursuant to this section shall not apply: to any reinsurance or retrocessional transaction; to the State or any political subdivision thereof which acts as a self-insured employer; or to any workers' compensation endorsement required pursuant to section 1 of P.L.1979, c.380 (C.17:36-5.29).

c. On or before July 31 of 1988 and of each year thereafter:

(1) Each insurer and self-insured employer shall submit to the Commissioner of Labor, in a form and manner prescribed by the Commissioner of Labor, a report of the total compensation payments made by the insurer or self-insured employer during the 12-month period ending on the immediately preceding June 30th;

(2) Each insurer shall submit to the Commissioner of Banking and Insurance, in a form and manner prescribed by the Commissioner of Banking and Insurance, a report of the total earned premiums collected by the insurer on all workers' compensation or employer's liability policies written on risks located in this State pursuant to the provisions of R.S.17:17-1 et seq., during the 12-month period ending on the immediately preceding June 30th;

(3) The Commissioner of Labor shall estimate the amount of special adjustment and supplemental benefits payable by each insurer writing workers' compensation or employer's liability insurance in the State and by each self-insured employer pursuant to R.S.34:15-95 during the then current fiscal year;

(4) The Commissioner of Labor shall make a determination of the aggregate annual surcharge to be levied upon policyholders and self-insured employers during the next following calendar year, which shall be an amount equal to (a) 150%, in the case of any calendar year commencing prior to January 1, 2000, and (b) 125%, in the case of any calendar year commencing after December 31, 1999, of the compensation and benefits estimated by the Commissioner of Labor to be payable from the Second Injury Fund during the next following calendar year plus 100% of the amount estimated by the Commissioner of Labor to be necessary for the cost of administration of the Division of Workers' Compensation in the Department of Labor, less the estimated amount of net assets exceeding $5,000,000.00 which will remain in the Second Injury Fund on December 31st of the then current calendar year, and the Commissioner of Labor shall submit an informational copy to the Joint Budget Oversight Committee. For the purpose of determining the annual surcharge to be levied upon policyholders and self-insured employers as
prescribed herein, any amount transferred from the Second Injury Fund to the General Fund pursuant to P.L.2002, c.12 and pursuant to P.L.2002, c.38 shall be added back to the Second Injury Fund for computational purposes only;

(5) The Commissioner of Labor shall apportion the aggregate annual surcharge calculated pursuant to paragraph (4) of this subsection among policyholders as a group and self-insured employers as a separate group. Policyholders shall be liable to pay that portion of the aggregate annual surcharge that is equal to the proportion that the compensation payments made by all policyholders during the 12-month period ending on the immediately preceding June 30th bear to the total compensation payments made by all policyholders and self-insured employers during the 12-month period ending on the immediately preceding June 30th. Self-insured employers shall be liable to pay that portion of the aggregate annual surcharge that is equal to the proportion that the compensation payments made by all self-insured employers during the 12-month period ending on the immediately preceding June 30th bear to the total compensation payments made by all policyholders and self-insured employers during the 12-month period ending on the immediately preceding June 30th; and

(6) The Commissioner of Labor shall notify the Commissioner of Banking and Insurance of the aggregate annual surcharge amount applicable to policyholders during the next following calendar year.

d. On or before September 15 of 1988 and of each year thereafter:

(1) In consultation with the Commissioner of Labor, the Commissioner of Banking and Insurance shall determine the annual policyholder surcharge rate to be applied to each workers' compensation and employer's liability policy during the next following calendar year, and shall notify insurers of the annual policyholder surcharge rate to be applied to policy premiums during the next following calendar year. The annual policyholder surcharge rate shall be established as a percentage, which shall be equal to the percentage relationship that the annual surcharge amount which is applicable to all policyholders bears to the total earned premiums for workers' compensation and employer's liability coverage written on risks located in this State for the 12-month period ending on the immediately preceding June 30th.

(2) The Commissioner of Labor shall notify each self-insured employer of the amount of the annual surcharge applicable to that self-insured employer during the next following calendar year. The net annual surcharge for each self-insured employer shall be established as a pro rata portion of the annual surcharge applicable to all self-insured employers, which shall be chargeable to the self-insured employer in the proportion that the self-insured employer's compensation payments during the 12-month period ending on the immediately preceding June 30th bear to the total compensation payments made by all
self-insured employers during the 12-month period ending on the immediately preceding June 30th, less the estimated amount of special adjustment and supplemental benefits payable by that self-insured employer pursuant to R.S.34:15-95 during the then current fiscal year.

e. (1) Every insurer providing workers' compensation and employer's liability insurance shall collect from each of its policyholders, on behalf of the Commissioner of Labor and in accordance with subsections b., c. and d. of this section, an amount equal to the annual policyholder surcharge rate established by the Commissioner of Banking and Insurance pursuant to subsection d. of this section, multiplied by the amount of the policyholder's premium. The surcharge to be collected from the policyholder shall be stated separately on the policy or billing statement and be collected at the same time and in the same manner that the premium or other charges for the coverage are collected. On or before the 30th day after the end of the calendar quarter commencing January 1, 1989, and on or before the 30th day following the end of each calendar quarter thereafter, each insurer shall report to the Commissioner of Labor, on forms as the commissioner may require, the total amount of its workers' compensation and employer's liability insurance earned premiums for the preceding quarterly accounting period, and remit the surcharge collected from policyholders on those premiums, less special adjustment and supplemental benefits paid during the preceding calendar quarter by the insurer pursuant to the workers' compensation law, R.S.34:15-1 et seq. No insurer or its agent shall be entitled to any portion of any surcharge imposed pursuant to this section as a fee or commission for its collection nor shall that surcharge be subject to any taxes, licenses or fees.

(2) On or before the 30th day after the end of each calendar quarter commencing January 1, 1989, and on or before the 30th day following the end of each calendar quarter thereafter, each self-insured employer shall remit to the Commissioner of Labor an amount equal to one-fourth of the effective net annual surcharge as established for that self-insured employer during the then current calendar year pursuant to subsection d. of this section, less special adjustment and supplemental benefits paid during the preceding calendar quarter by the self-insured employer pursuant to the workers' compensation law, R.S.34:15-1 et seq.

f. The Commissioner of Labor shall promulgate within 180 days of the effective date of this act and in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any rules and regulations as may be necessary for the apportionment and collection of annual surcharges from policyholders and self-insured employers covered by this section.

g. The Commissioner of Banking and Insurance shall promulgate within 180 days of the effective date of this act and in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any
rules and regulations as may be necessary for the collection, and provision to the Commissioner of Labor, of information with respect to earned premiums of insurers and the establishment of the annual surcharge rate for policyholders.

h. For each 30-day period or part thereof during which a policyholder, self-insured employer, or insurer fails to make a payment or transfer of payment as required by this section or regulations promulgated pursuant hereto, a penalty of one-half of one percent (0.5%) of the amount of delinquent payment or transfer of payment shall be assessed against the delinquent policyholder, self-insured employer or insurer. In no case of single failure, however, shall penalties assessed under this section exceed five percent (5.0%) of the amount of surcharge unpaid or untransferred. Penalties assessed under this subsection shall be collected in a civil action by a summary proceeding brought by the Commissioner of Labor pursuant to "The Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and shall be deposited by the commissioner in the Second Injury Fund.

i. For each 30-day period during which an insurer or self-insured employer fails to file a report as required by this section, the Commissioner of Labor shall assess a penalty of $100.00 against the insurer or self-insured employer and, upon collection thereof, shall deposit those moneys in the "uninsured employer's fund." As a result of any single failure, however, no such penalty shall exceed a total of $500.00. During the period of any such failure to file this report, the estimate by the Department of Labor of the amounts of such compensation payments or earned premiums shall be used for the purposes cited in the workers' compensation law, R.S.34:15-1 et seq.

j. The Commissioner of Labor may, with the authorization of and appropriation by the Legislature, transfer from the Second Injury Fund an amount necessary for the cost of administration of the Division of Workers' Compensation in the Department of Labor.

k. As used in this section, "policyholder" means a holder of a policy of workers' compensation or employer's liability insurance issued by an insurer. "Insurer" means a domestic, foreign or alien mutual association or stock company writing workers' compensation or employer's liability insurance on risks located in this State and subject to premium taxes pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.). "Self-insured employer" means an employer which self-insures for workers' compensation or employer's liability insurance pursuant to the provisions of R.S.34:15-77.

2. This act shall take effect immediately.

Approved July 1, 2003.
AN ACT concerning the collection of unpaid hospital accounts and supplementing Title 17B of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17B:30-41 Findings, declarations relative to collection of unpaid hospital accounts.

1. The Legislature finds and declares that:
   a. The rising cost of hospital-based health care in this State impedes the ability of the State and insurers to provide reasonably priced, comprehensive health insurance to the citizens of the State.
   b. Hospitals located within the State report more than $1 billion annually in debts that they are unable to collect.
   c. The cost of covering the unpaid care represented by the debt is spread among citizens, private insurers, hospitals and the State in the form of higher bills for hospital-based care.
   d. A significant portion of the uncollected debt is related to copayments and deductibles that are difficult for hospitals to collect efficiently.
   e. The State's Set off of Individual Liability (SOIL) program has proven to be an administratively efficient means of collecting debts owed to State agencies.
   f. It is, therefore, in the public interest to create a New Jersey Hospital Care Payment Commission, the duties of which would include, but not be limited to, creating a system for using the State's SOIL program to collect valid hospital debts.

C.17B:30-43 "Hospital Care Payment Commission."

3. a. There is established, within the Department of Banking and Insurance, a "Hospital Care Payment Commission." The commission is constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the commission of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

b. The commission shall consist of the Commissioners of Banking and Insurance, Health and Senior Services and Human Services and the State Treasurer, who shall serve ex officio, and a representative of the hospital community appointed by the Governor for a term of three years. The Commissioner of Banking and Insurance shall serve as chair of the commission.

The powers of the commission shall be vested in the members thereof, and a majority of the total authorized membership of the commission shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the commission at any meeting of the commission by the affirmative vote of a majority of the members present. A vacancy in the membership of the commission shall not impair the right of a quorum of the members to exercise all the powers and perform all the duties of the commission.
c. Each ex officio member may designate an officer or employee of the member's department to serve as the member's representative at meetings of the commission, and each such designee may lawfully vote and otherwise act on behalf of the member. Any such designation shall be in writing delivered to the commission, and shall continue in effect until revoked or amended by a writing delivered to the commission.

d. On or before March 31 in each year, the commission shall make an annual report of its activities for the preceding calendar year to the Governor and the Legislature. Each report shall set forth at least the following: the number of hospitals participating in the program; the number and value of the debts processed; the number of challenges received by the commission; the number of debts returned to hospitals for incomplete information or a finding of lack of validity of the debt; the total level of funds recovered; and the total funds returned to hospitals. The commission shall also report at least quarterly to each participating hospital on the results regarding debts assigned by that hospital.

e. The director of the Division of Budget and Accounting in the Department of the Treasury is authorized to provide all necessary accounting services to the commission, and to maintain the books, records and accounts of the commission, including receipts, disbursements, contracts and any other matter related to its financial standing.

C.17B:30-44 "New Jersey Hospital Care Payment Fund."

4. a. There is established the "New Jersey Hospital Care Payment Fund" in the Department of the Treasury.

b. The fund shall be comprised of monies collected from debtors of hospitals pursuant to this act, and any other monies appropriated thereto to carry out the purposes of this act.

c. The fund shall be a nonlapsing fund, from which costs shall be paid in the following order, for each hospital participating:

(1) administrative costs of the commission;

(2) administrative fees to the collection agency;

(3) 50% of the remainder, but only from monies collected from debtors of hospitals pursuant to this act after paragraphs (1) and (2) of this subsection are paid, shall be payable to the hospital from which the debt originated within 90 days of receipt of monies related to discharge of the assigned debt into the fund; and

(4) the remainder, after paragraphs (1), (2) and (3) of this subsection are paid, shall be deposited into the General Fund.

C.17B:30-45 Authority of commission.

5. The commission is authorized to:
a. Accept assignment of debts from hospitals which have followed the procedures outlined in section 7 of this act, or such other procedures as the commission shall adopt.

b. Pursue collection of debts pursuant to this act. The commission shall initiate the program in phases. The first phase may involve acceptance of assignment of debt that:

   (1) derives from a limited number of hospitals;
   (2) consists of coinsurance and deductibles that remain payable after adjudication by a health plan;
   (3) is assigned by a general hospital;
   (4) is less than two years old at the date of assignment to the commission, as determined by the date of discharge for inpatient services and date of service for outpatient services;
   (5) involves any of the above or any combination of the above, or includes such other limitations as the commission determines are desirable to smooth implementation of the program created by this act.

After the first phase, the commission may expand acceptance of assignments as it shall determine pursuant to this act.

c. Test assignment data received from the hospitals to determine whether the records are sufficient to make set-off practicable, and return records that do not pass the test to the hospitals.

d. Conduct such fact-finding, as is necessary, in preparation for making a determination as to the validity of debts.

e. Make final determinations as to the validity of debts.

f. Determine the payment to be collected from the debtor, based upon a "fairness formula" to be determined by the commission. For debt processed by the commission during the fiscal year starting on July 1, 2003, the fairness formula shall be based upon the Department of Health and Senior Services’ report entitled "Net Patient Revenue to Charge Ratio," for the most recent year available. For debt processed by the commission during the fiscal year starting on July 1, 2004 and thereafter, the fairness formula shall be based upon the most recent available "Net Patient Revenue to Charge Ratio" report, or such other measure as the commission determines would most fairly reimburse hospitals for treatment.

g. Offset liability for the hospital debts against the New Jersey Gross Income Tax pursuant to N.J.S.54A:1-1 et seq., including an earned income tax credit provided as a refund pursuant to P.L.2000, c.80 (C.54A:4-5 et al.), or whenever any individual is eligible to receive an NJ SAVER rebate or a homestead rebate pursuant to P.L.1990, c.61 (C.54:4-8.57 et al.) or P.L.1999, c.63 (C.54:4-8.58a et al.), and if the rebate is not required to be paid over to the municipal tax collector under the provisions of section 8 of P.L.1990, c.61 (C.54:4-8.64), and including any other financial resource authorized as a source

capable of offset for any reason by section 1 of P.L. 1981, c. 239 (C. 54A:9-8.1 et seq.).

h. Adjudicate the validity of all set-off challenges pursuant to N.J.A.C. 18:35-10.1 et seq.

i. Make such decisions as to compromise and waiver of interest, penalties, post-judgment interest and write-off as it shall deem prudent.

j. Refer assigned debts under section 7 of this act to a collection agency in the event that offsetting is not practical or is not successful in fully resolving the debt.

k. Create standards for settlement of debts through the collection agency process.

l. Determine to cease accepting debt from a hospital until such time as the hospital can demonstrate to the satisfaction of the commission that its accuracy has improved to acceptable levels where the commission determines that data forwarded by a hospital to the commission has an unacceptable level of inaccuracies regarding validity or quality of the debt forwarded to the commission.

m. Contract with other State agencies for services, including administrative services necessary to carry out the duties of the commission.

n. Fund the cost of its operations from the fund created by section 4 of this act.

o. Adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.) to effectuate the purposes of this act; except that, notwithstanding any provision of P.L. 1968, c. 410 to the contrary, the commission may adopt, immediately upon filing with the Office of Administrative Law, such regulations as the commission deems necessary to implement the provisions of this act, which shall be effective for a period not to exceed six months and may thereafter be amended, adopted or readopted by the commission in accordance with the requirements of P.L. 1968, c. 410.

C.17B:30-46 Decisions of commission constitute final agency action.

6. Decisions of the commission, regarding the fairness formula, the validity of debts, the adequacy of data provided to the commission by hospitals for use in the program, and other such matters as shall arise concerning the administration of the program, shall constitute final agency action.

C.17B:30-47 Procedures for participating hospitals.

7. a. The following procedures shall apply for those hospitals that wish to participate in the voluntary assignment program created by this act.

b. The hospital shall file with the commission a notice signifying its intent to participate voluntarily and certifying the following:

(1) the hospital has determined that the patient is not eligible for charity care under the New Jersey Hospital Care Payment Assistance Program
established by the Department of Health and Senior Services pursuant to section 10 of P.L.1992, c.160 (C.26:2H-18.60);

(2) the hospital has submitted a "clean claim" pursuant to P.L.1999, c.154 (C.17B:30-23 et al.) and P.L.1999, c.155 (C.17B:30-26 et seq.) to the patient, a responsible party, Medicaid, Medicare or a health plan, as applicable, within a reasonable time following the patient's discharge, or in the case of outpatient service, the date of service;

(3) the claims have been fully adjudicated by a health plan, Medicare or Medicaid, where applicable, and a debt remains outstanding;

(4) the hospital has not initiated collection procedures against the patient or responsible party while a claim was pending adjudication with Medicare or a health plan, for which a debt remains outstanding;

(5) the hospital has notified the patient of the hospital's intention, if the account is not paid in full, or alternatively through a payment plan with the hospital, to proceed with legal action, or to turn the bill over to the State Hospital Care Payment Commission for collection.

c. Nothing herein shall be deemed to create any new right to collection of hospital debts by hospitals beyond existing law; nor shall it be deemed to preclude any existing right to collection.

d. The commission may determine the content of the notice required by paragraph (5) of subsection b. of this section to the patient concerning the likelihood that the account will be turned over to the commission for collection.

e. The minimum amount of an unpaid bill that may be assigned to the commission by a hospital is $100, or such other minimum as the commission shall determine by regulation.

f. Upon receipt of the voluntary assignment, the Department of the Treasury shall send, on behalf of the commission, a notice to the person named as a debtor of the hospital, notifying the person as to receipt of the assignment by the commission, providing the person with 30 days to challenge the validity of the debt, and providing notice that in the absence of such challenge, a Certificate of Debt will be filed with the Superior Court of New Jersey. The notice shall also include a statement on the commission's intention to take action to set off the liability against any refund of taxes pursuant to the "New Jersey Gross Income Tax Act" including an earned income tax credit, a NJ SAVER rebate or a homestead rebate, or other such funds as may be authorized by law.

g. If the person named as a debtor responds within the 30-day period, the person shall be provided with an opportunity to present, either in writing or in person, evidence as to why the person does not believe he is responsible for the debt. The commission shall provide written notice to both the person and the hospital as to its determination regarding the validity of the debt, including the imposition of collection fees and interest, if applicable.
h. If the person fails to respond within 30 days to the commission, the commission may utilize the provisions of the Set off of Individual Liability (SOIL) program established pursuant to P.L.1981, c.239 (C.54A:9-8.1 et seq.), to collect any surcharge levied under this section that is unpaid on or after the effective date of this act.

As additional remedies, the commission may utilize the services of a collection agency to settle the debt and may also issue a certificate to the Clerk of the Superior Court stating that the person identified in the certificate is indebted under this law in such amount as shall be stated in the certificate. The certificate shall reference this act. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon the record of docketed judgments: the name of the person as debtor; the State as creditor; the address of the person, if shown in the certificate; the amount of the debt so certified; a reference to this act under which the debt is assessed; and the date of making the entries. The docketing of the entries shall have the same force and effect as a civil judgment docketed in the Superior Court, and the commission shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to any right of appeal. Upon entry by the clerk of the certificate in the record of docketed judgments in accordance with this provision, interest in the amount specified by the court rules for post-judgment interest shall accrue from the date of the docketing of the certificate; however, payment of the interest may be waived by the commission.

i. Any collection efforts undertaken pursuant to this act shall be undertaken in accordance with the "Health Insurance Portability and Accountability Act of 1996," Pub.L. 104-191 and 45 C.F.R. 160.101 to 164.534, or any other similar law. The commission and any other entity performing collection activities pursuant to this act is authorized to enter into any agreements required to comply with such laws, including, but not limited to, entering into agreements with the hospitals and collection agencies to provide for appropriate safeguarding of information.

8. This act shall take effect on the 30th day after enactment.

Approved July 1, 2003.

CHAPTER 113

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L. 1968, c. 49 (C. 46:15-6) is amended to read as follows:

   **C.46:15-6 Requirements for recording of deed evidencing transfer of title.**
   2. In addition to other prerequisites for recording, no deed evidencing transfer of title to real property shall be recorded in the office of any county recording officer unless it satisfies one of the following requirements:
   a. If the transfer is subject to the additional fee as provided in section 3 of P.L. 1968, c. 49 (C. 46:15-7) or to the supplemental fee as provided in section 2 of P.L. 2003, c. 113 (C. 46:15-7.1), a statement of the true consideration for the transfer is contained in (1) the deed, or (2) the acknowledgment, or (3) the proof of the execution, or (4) an appended affidavit by one of the parties to the deed or that party's legal representative.
   b. If the transfer is exempt from the additional fee required by section 3 of P.L. 1968, c. 49 (C. 46:15-7), or from the supplemental fee as provided in section 2 of P.L. 2003, c. 113 (C. 46:15-7.1), an affidavit stating the basis for the exemption is appended to the deed.

   **C.46:15-7.1 Supplemental fee for conveyance, transfer of property.**
   2. a. For each conveyance or transfer of property, the grantor shall pay a supplemental fee of:
      (1) (a) $0.25 for each $500.00 of consideration or fractional part thereof not in excess of $150,000.00 recited in the deed;
      (b) $0.85 for each $500.00 of consideration or fractional part thereof in excess of $150,000.00 but not in excess of $200,000.00 recited in the deed; and
      (c) $1.40 for each $500.00 of consideration or fractional part thereof in excess of $200,000.00 recited in the deed, plus
      (2) for a transfer described in subsection (b) of section 4 of P.L. 1975, c. 176 (C. 46:15-10.1), an additional $1.00 for each $500.00 of consideration or fractional part thereof not in excess of $150,000.00 recited in the deed.
   which fee shall be collected by the county recording officer at the time the deed is offered for recording, except as provided by subsection b. of this section.
   b. The supplemental fee imposed by subsection a. of this section shall not be imposed on a conveyance or transfer that is made by a deed described in section 6 of P.L. 1968, c. 49 (C. 46:15-10) or on a transfer described in paragraph (1) or paragraph (2) of subsection (a) of section 4 of P.L. 1975, c. 176 (C. 46:15-10.1).
   c. The proceeds of the supplemental fees collected by the county recording officer pursuant to subsection a. of this section shall be accounted for and remitted to the county treasurer. An amount equal to $0.25 of the supplemental
fee for each $500.00 of consideration or fractional part thereof recited in the deed so collected pursuant to this section shall be retained by the county treasurer for the purposes set forth in subsection d. of this section, and the balance shall be remitted to the State Treasurer for deposit to the Extraordinary Aid Account, which shall be established as an account in the General Fund. Payments shall be made to the State Treasurer on the tenth day of each month following the month of collection.

d. From the proceeds of the supplemental fees collected by the county recording officer pursuant to subsection a. of this section and retained by the county treasurer pursuant to subsection c. of this section, a county that received funding in State fiscal year 2003 for the support of public health services pursuant to the provisions of the Public Health Priority Funding Act of 1977, P.L.1966, c.36 (C.26:2F-1 et seq.) shall, at a minimum, fund its priority health services under that act in subsequent years at the same level as the level at which those services were funded in State fiscal year 2003 pursuant to the annual appropriations act for that fiscal year as the Commissioner of the Department of Health and Senior Services shall determine. In any county, amounts of supplemental fees retained that are in excess of the amounts required to be used for the funding of the county's priority health services under this subsection shall be used by the county for general county purposes.

f. Every deed subject to the supplemental fee required by this section, which is in fact recorded, shall be conclusively deemed to have been entitled to recording, notwithstanding that the amount of the consideration shall have been incorrectly stated, or that the correct amount of the supplemental fee, if any, shall not have been paid, and no such defect shall in any way affect or impair the validity of the title conveyed or render the same unmarketable; but the person or persons required to pay that supplemental fee at the time of recording shall be and remain liable to the county recording officer for the payment of the proper amount thereof.

3. Section 4 of P.L.1968, c.49 (C.46:15-8) is amended to read as follows:

shall be retained by the county treasurer for the use of the county and the balance shall be paid to the State Treasurer for the use of the State; provided however, that on and after the tenth day following a certification by the Director of the Division of Budget and Accounting in the Department of the Treasury pursuant to subsection b. of section 2 of P.L.1992, c.148 (C.46:15-10.2), 100.0% of the proceeds from the first $0.50 for each $500.00 of consideration or fractional part thereof recited in the deed so collected shall be retained by the county treasurer for the use of the county and no amount shall be paid to the State Treasurer for the use of the State. Payments shall be made to the State Treasurer on the tenth day of each month following the month of collection. Amounts, not in excess of $25,000,000, paid during the State fiscal year to the State Treasurer from the payment of fees collected by the county recording officer other than the additional fee of $0.75 for each $500.00 of consideration or fractional part thereof recited in the deed in excess of $150,000.00 collected pursuant to section 3 of P.L.1968, c.49 (C.46:15-7) shall be credited to the "Shore Protection Fund" created pursuant to section 1 of P.L.1992, c.148 (C.13:19-16.1), in the manner established under that section. All amounts paid to the State Treasurer in payment of the additional fee of $0.75 for each $500.00 of consideration or fractional part thereof recited in the deed in excess of $150,000.00 collected pursuant to section 3 of P.L.1968, c.49 (C.46:15-7) shall be credited to the Neighborhood Preservation Nonlapsing Revolving Fund established pursuant to P.L.1985, c.222 (C.52:27D-301 et al.), in the manner established under section 20 thereof (C.52:27D-320).

4. a. The following transfers of title to real property shall be exempt from payment of $1.25 per $500.00 of consideration or fractional part thereof of the fee imposed upon grantors by section 3 of P.L.1968, c.49 (C.46:15-7):

(1) The sale of any one- or two-family residential premises which are owned and occupied by a senior citizen, blind person, or disabled person who is the seller in such transaction; provided, however, that except in the instance of a husband and wife no exemption shall be allowed if the property being sold is jointly owned and one or more of the owners is not a senior citizen, blind person, or disabled person.

(2) The sale of low and moderate income housing.

b. Transfers of title to real property upon which there is new construction shall be exempt from payment of $1.00 for each $500.00 of consideration or fractional part thereof not in excess of $150,000.00 of the fee imposed upon grantors by section 3 of P.L.1968, c.49 (C.46:15-7).
c. The director shall promulgate rules, regulations and forms of certification or otherwise necessary to carry out the provisions of this section. (6) The corporation shall include among the purposes stated in its certificate of incorporation the conduct of casino gaming and provide that the certificate of incorporation includes all provisions required by this act;

(7) The corporation, if it is not a publicly traded corporation, shall file with the commission such adopted corporate charter provisions as may be
necessary to establish the right of prior approval by the commission with regard to transfers of securities, shares, and other interests in the applicant corporation; and, if it is a publicly traded corporation, provide in its corporate charter that any securities of such corporation are held subject to the condition that if a holder thereof is found to be disqualified by the commission pursuant to the provisions of this act, such holder shall dispose of his interest in the corporation; provided, however, that, notwithstanding the provisions of N.J.S.14A:7-12 and N.J.S.12A:8-101 et seq., nothing herein shall be deemed to require that any security of such corporation bear any legend to this effect;

(8) The corporation, if it is not a publicly traded corporation, shall establish to the satisfaction of the commission that appropriate charter provisions create the absolute right of such non-publicly traded corporations and companies to repurchase at the market price or the purchase price, whichever is the lesser, any security, share or other interest in the corporation in the event that the commission disapproves a transfer in accordance with the provisions of this act;

(9) Any publicly traded holding, intermediary, or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall contain in its corporate charter the same provisions required under paragraph (7) for a publicly traded corporation to be eligible to apply for a casino license; and

(10) Any non-publicly traded holding, intermediary or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall establish to the satisfaction of the commission that its charter provisions are the same as those required under paragraphs (7) and (8) for a non-publicly traded corporation to be eligible to apply for a casino license.

The provisions of this subsection shall apply with the same force and effect with regard to casino license applicants and casino licensees which have a legal existence that is other than corporate to the extent which is appropriate.

e. No person shall be issued or be the holder of a casino license if the issuance or the holding results in undue economic concentration in Atlantic City casino operations by that person. The commission shall, after conducting public hearings thereon, promulgate rules and regulations in accordance with the "Administrative Procedure Act," P.L. 1968, c.410 (C.52:14B-1 et seq.) defining the criteria the commission will use in determining what constitutes undue economic concentration. For the purpose of this subsection a person shall be considered the holder of a casino license if such license is issued to
such person or if such license is held by any holding, intermediary or subsidiary
compagn thereof, or by any officer, director, casino key employee or principal
employee of such person, or of any holding, intermediary or subsidiary company
thereof.

is in no way affected by the amount of any such money, property, revenues,
profits or earnings shall not be subject to the provisions of this subsection;

or improvement of facilities, or changes in services supplied.

(2) Agreements between a casino licensee and a junket enterprise or junket

(6) Agreements relating to simulcast racing and wagering between a casino licensee and an in-State or out-of-State sending track licensed or exempt from licensure in accordance with subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92) shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the parimutuel pool wagered at a simulcasting facility to be paid to the sending track shall not be subject to the provisions of this subsection.

(7) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) as a hub facility, as defined in joint regulations of the Casino Control Commission and the New Jersey Racing Commission, shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the hub facility shall not be subject to the provisions of this subsection.

(8) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to conduct casino simulcasting in a simulcasting facility shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the casino service industry shall not be subject to the provisions of this subsection.

(9) Written agreements relating to the operation of multi-casino progressive slot machine systems between one or more casino licensees and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, which provide for an interest, percentage or share of the casino licensee's revenues, profits or earnings from the operation of such multi-casino progressive slot machines to be paid to the casino service industry licensee or applicant shall not be subject to the provisions of this subsection if the agreements are filed with and approved by the commission.
b. Each casino applicant or licensee shall maintain, in accordance with the rules of the commission, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the commission on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of this act. If the commission disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the commission may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if the commission shall require termination of an agreement pursuant to this subsection, such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate the agreement. If the agreement is not maintained or presented to the commission in accordance with commission regulations, or the disapproved agreement is not terminated, the commission may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the commission for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

(3) no excise tax shall be imposed on the value of any service or property upon which a sales or use tax has been paid by a casino licensee;

(4) for the purpose of computing the tax, the value of a room complimentary shall be $67, provided that the commission shall review the room value within 90 days of the effective date of this act, and shall adjust the statutory room value to a rate that, along with the tax imposed pursuant to this section on food, beverages and entertainment, is sufficient to generate $26 million in State fiscal year 2004, and the commission's review and adjustment shall take into account tax paid under this section by a casino licensee commencing operations in calendar year 2003 in determining whether the adjusted statutory room value would generate $26 million in State fiscal year 2004, and in addition, the commission shall establish an inflation factor for the room value and the amount raised in each State fiscal year by the tax imposed pursuant to this section;

(5) for the purpose of computing the tax, the value of food, beverages and entertainment complimentaries shall be determined pursuant to section 2 of P.L. 1983, c. 41 (C. 5:12-14a), provided that the value of a beverage complimentary served in a casino room shall be the cost to the casino licensee of providing the beverage; and

(6) for each casino licensee, the amount of tax imposed by this section shall not be less than the tax that the licensee would have paid if the tax had been in effect for calendar year 2002.

b. Each casino licensee shall file a return, on a form as prescribed by the Director of the Division of Taxation in the Department of the Treasury, and pay the amount of tax due pursuant to this section in the manner and at a frequency as the Director of the Division of Taxation prescribes, but no more frequently than monthly. In prescribing the periods to be covered by the return or intervals or classifications for payment of tax liability, the Director of the Division of Taxation may take into account the dollar volume of tax involved, as well as the need for ensuring the prompt and orderly collection of the tax imposed.

c. The Director of the Division of Taxation in the Department of the Treasury shall collect and administer the tax imposed pursuant to this section. In carrying out the provisions of this section, the Director of the Division of Taxation shall have all of the powers and authority granted in P.L. 1966, c. 30 (C. 54:32B-1 et seq.). C.5:12-148.2 Tax of 8% imposed on multi-casino progressive slot machine revenue.

4. a. A tax at the rate of 8% is imposed on casino service industry multi-casino progressive slot machine revenue. The tax shall not be considered a tax collectable under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.).

b. As used in this section, "casino service industry multi-casino progressive slot machine revenue" means sums received by a casino service industry, licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, net of any money accrued for return to patrons in the form of jackpots, that are directly or indirectly related to: (1) the conduct of multi-casino progressive slot machine system operations in a casino; or (2) the sale, lease, servicing or management of a multi-casino progressive slot machine system. e. The Director of the Division of Taxation may permit or require returns to be made covering other periods and upon any dates as the Director of the Division of Taxation may specify. In addition, the Director of the Division of Taxation may require payments of tax liability at any intervals and based upon any classifications as the Director of the Division of Taxation may designate. In prescribing any other periods to be covered by the return or intervals or classifications for payment of tax liability, the Director of the Division of Taxation may take into account the dollar volume of tax involved as well as the need for ensuring the prompt and orderly collection of the tax imposed.

f. The Director of the Division of Taxation may require amended returns to be filed within 20 days after notice and to contain the information specified in the notice.

For a casino licensee that was not in operation in calendar year 2002, the amount of the tax shall be 7.5% of its adjusted net income in State fiscal year 2004, as filed by the licensee with the commission pursuant to regulations promulgated in accordance with subsection n. of section 70 of P.L.1977, c.110 (C.5:12-70). As used in this section, "adjusted net income" means annual net income plus management fees.

The aggregate amount of tax imposed by this section shall not exceed $10 million annually for a holder of more than one casino license, and for each casino licensee the tax imposed by this section shall not be less than $350,000 annually.
b. The Director of the Division of Taxation in the Department of the Treasury shall collect and administer the tax imposed pursuant to this section. 8. Section 1 of P.L.1993, c.159 (C.5:12-173.1) is amended to read as follows:

C.5:12-173.1 Findings, declarations relative to redevelopment in Atlantic City.

1. The Legislature finds that the single most significant factor contributing to the cost of constructing, maintaining, operating and supporting highways, roads and infrastructure, in Atlantic City, and particularly in the "corridor" region of the city, is the heavy volume of motor vehicular traffic occasioned by the attraction of casino gambling in Atlantic City. This traffic is encouraged by the provision of free parking by casino operations, by the relative underdevelopment of public transportation services, and by the shortage of hotel accommodations in the city. While the Legislature has taken various measures, most notably the "South Jersey Transportation Authority Act," P.L.1991, c.252 (C.27:25A-1 et al.), to provide and improve public transportation services in the South Jersey region as an alternative to the use of motor vehicles, the heavy capital costs associated with reconstruction of the corridor region's infrastructure require a continuous source of public funding. The Legislature declares, therefore, that it is in the public interest to require a standard minimum charge for casino parking within Atlantic City, and to impose fees on amounts received from those charges, with the proceeds of those fees to be used by the Casino Reinvestment Development Authority for projects which are related to improving the highways, roads, infrastructure, traffic regulation and public safety of the city, or which are otherwise necessary or useful to the economic development and redevelopment of the city in this regard. It is also in the public interest to establish a special temporary fund for the use of existing moneys of the authority for the provision of financial assistance to casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City.

The Legislature declares that it is the public purpose of this amendatory act, P.L.1996, c.118 (C.5:12-173.3a et al.), that financial assistance to casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City shall be determined after excluding costs reasonably related to space used for the conduct of casino gaming. It was, and continues to be, the public purpose of P.L.1993, c.159 (C.5:12-173.1 et seq.) that financial assistance may be provided to a project which includes, incorporates, facilitates or supports space used for the conduct of casino gaming in a casino hotel facility, but only for costs reasonably related to hotel rooms and their appurtenant facilities in the project.
The Legislature declares that it is the public purpose of this amendatory and supplementary act, P.L.2003, c.116 (C.5:12-148.1 et al.), that the proceeds of the increase in the fee imposed on the minimum charge for casino hotel parking within Atlantic City be deposited into the Casino Revenue Fund in State fiscal years 2004 through 2006, in order to assist the Casino Revenue Fund, and thereafter for use for the purposes specified.

9. Section 2 of P.L.1993, c.159 (C.5:12-173.2) is amended to read as follows:

C.5:12-173.2 Minimum charge of $3.00 imposed for use of casino parking facility.

2. On and after July 1, 1993, there is established a minimum amount which shall be charged in the City of Atlantic City for the use of a parking space for the purpose of parking, garaging or storing a motor vehicle in a parking facility or property owned or leased by a casino hotel licensed under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), or by any person on behalf of a casino hotel. The charge shall be not less than $3.00 per day for each motor vehicle parked, garaged or stored in the parking space. The charge shall be made for all motor vehicles so parked, garaged or stored, except for motor vehicles owned or leased by the owner or operator of the parking facility or property, or by an employee of the casino hotel which owns or leases the parking facility or property. A parking space is considered to be that of a licensed casino hotel if the facility or property in which the space is located is owned, wholly or in part, or leased by the casino hotel, and is utilized in whole or in part in conjunction with the operations of the casino hotel. A parking space shall be considered to be on behalf of a casino hotel if spaces within the facility or property are kept under lease or contract for the use of visitors or guests of the casino hotel. No motor vehicle shall be required, upon proof of payment of the $3.00 charge, to pay the charge again in the same calendar day, either for use of a parking space in the same parking facility or property, or for use of a parking space in another casino hotel parking facility or property.

10. Section 3 of P.L.1993, c.159 (C.5:12-173.3) is amended to read as follows:

C.5:12-173.3 Minimum fee of $3.00 imposed for use of casino parking space.

3. On and after July 1, 1993, there is imposed in the City of Atlantic City a fee upon the use of spaces for the parking, garaging or storing of motor vehicles in a parking facility or property owned or leased by a casino hotel licensed under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), or by any person on behalf of a casino hotel. The fee so imposed is $3.00
CHAPTER 116, LAWS OF 2003

of the amount received by the casino hotel or person from each charge made for the use of a parking space; provided, however, that if the casino hotel or person shall fail to collect, or shall rebate, all or a portion of the charge required herein to be imposed for the use of any parking space, the full amount of the fee shall be payable by the casino hotel or person.

11. Section 4 of P.L.1993, c.159 (C.5:12-173.4) is amended to read as follows:

C.5:12-173.4 Special fund, use of fees.

4. a. The State Treasurer shall deposit the first $1.50 of the fee collected pursuant to section 3 of this act, P.L.1993, c.159 (C.5:12-173.3) into a special fund established and held by the State Treasurer and made available for the exclusive use of the Casino Reinvestment Development Authority established pursuant to section 5 of P.L.1984, c.218 (C.5:12-153), and shall deposit the remaining $1.50 of the fee into the Casino Revenue Fund established pursuant to section 145 of P.L.1977, c.110 (C.5:12-145) in State fiscal years 2004 through 2006. Beginning in State fiscal year 2007 and thereafter, the State Treasurer shall deposit the remaining $1.50 of the fee as follows: $0.50 into the Casino Revenue Fund and $1.00 to the authority for its purposes pursuant to law, as approved by the membership of the authority, provided that the authority shall use the portion of this $1.00 that is necessary to carry out the purpose of section 13 of P.L.2003, c.116 (C.5:12-173.22).

b. Amounts in the special fund shall be expended by the authority for eligible projects in the corridor region of the City of Atlantic City in Atlantic County as defined by regulation of the authority, which are related to improving the highways, roads, infrastructure, traffic regulation and public safety of the city or which are otherwise necessary or useful to the economic development and redevelopment of the city in this regard. The State Treasurer may require that a financial plan demonstrating the need, schedule and use for moneys placed in the special fund be approved by the State Treasurer prior to allocation. Pending application of moneys held in this special fund for these purposes, the moneys shall be invested in accordance with applicable law and income therefrom shall be credited exclusively to the special fund.

12. Section 5 of P.L.1993, c.159 (C.5:12-173.5) is amended to read as follows:

C.5:12-173.5 Responsibility for collection of fees.

5. Each person subject to the provisions of section 3 of P.L.1993, c.159 (C.5:12-173.3) shall be responsible for the collection of the fees imposed pursuant thereto, which shall be collected as part of the charge made for the use of a parking space. Amounts so collected shall be forwarded to the Director
of the Division of Taxation in the Department of the Treasury. The director, in administering the provisions of P.L.1993, c.159, shall have all the powers granted in P.L.1966, c.30 (C.54:32B-1 et seq.). The director shall determine and certify to the State Treasurer on a monthly basis the amount of revenues collected by the director pursuant to this section which are payable as directed by section 4 of P.L.1993, c.159 (C.5:12-173.4). The principal and interest of such bonds shall be repaid exclusively from the revenue dedicated to the authority for this purpose pursuant to section 4 of P.L.1993, c.159 (C.5:12-173.4), as amended by section 11 of P.L.2003, c.116.

A casino licensee may receive a distribution up to the licensee's maximum share in each State fiscal year and the share of the fund so designated and reserved for a casino licensee that has not been distributed by June 30, 2014 shall be forfeited to the authority for use for its purposes pursuant to law for projects located within the boundaries of the City of Atlantic City, County of Atlantic, as approved by the membership of the authority.

Retaliatory provision.
17B:23-5. a. When by or pursuant to the laws of any other state or a province of Canada any taxes, licenses and other fees, in the aggregate, and any fines, penalties, deposit requirements or other obligations, prohibitions or restrictions are or would be imposed upon New Jersey insurers, or upon the agents or representatives of such insurers, which are in excess of such taxes, licenses and other fees, in the aggregate, or which are in excess of the fines, penalties, deposit requirements or other obligations, prohibitions, or restrictions directly imposed upon similar insurers, or upon the agents or representatives of such insurers of such other state or province under the statutes of this State, so long as such laws of such other state or province continue in force or are so applied, the same taxes, licenses and other fees, in the aggregate, or fines, penalties or deposit requirements or other obligations, prohibitions, or restrictions of whatever kind shall be imposed by the commissioner upon the insurers or upon the agents or representatives of such insurers, of such other state or province doing business in New Jersey. Any tax, license or other fee or other obligation imposed by any city, county, or other political subdivision or agency of such other state or province on New Jersey insurers or their agents or representatives shall be deemed to be imposed by such state or province within the meaning of this section and the commissioner may compute the burden of any such taxes on an aggregate basis as an addition to the rate of tax payable by similar New Jersey insurers in such state or province. The addition to the rate of tax payable by similar New Jersey insurers shall be determined by dividing (1) the aggregate of the tax obligations paid to such city, county or other political subdivisions of such state or province by such New Jersey insurers, by (2) the aggregate of the taxable premiums of such insurers under the premium taxing statute of such state or province. The commissioner may issue regulations to carry out the purpose of this section that may include identification of any specific obligation imposed by any other state or province, in order to ensure the ability of this State to calculate and collect all appropriate fees.

b. This section shall not apply to personal income taxes, nor as to ad valorem taxes on real or personal property nor as to special purpose obligations
or assessments imposed in connection with particular kinds of insurance; except that deductions, from premium taxes otherwise payable, allowed on account of real estate or personal property taxes shall be taken into consideration by the commissioner in determining the propriety and extent of retaliatory action under this section.

c. For the purposes of this section the domicile of an alien insurer, other than insurers formed under the laws of Canada or a province thereof, shall be that state designated by the insurer in writing filed with the commissioner at time of admission to this State or within 6 months after the effective date of this code, whichever date is the later; and may be any one of the following states:

(1) That in which the insurer was first authorized to transact insurance;
(2) That in which is located the insurer's principal place of business in the United States;
(3) That in which is held the larger deposit of trustee assets of the insurer for the protection of its policyholders and creditors in the United States;

If the insurer makes no such designation its domicile shall be deemed to be that state in which is located its principal place of business in the United States. In the case of an insurer formed under the laws of Canada or a province thereof, its domicile shall be deemed to be that province in which its head office is situated.

16. Section 2 of P.L.1971, c.158 (C.24:15-14) is amended to read as follows:

C.24:15-14 Fee for license or inspection.
2. Where no other fee is provided by law or regulation, the commissioner may in accordance with a fee schedule adopted by the department as a rule or regulation establish and charge reasonable fees for any service performed in the licensing and inspection of any premises coming within the provisions of this chapter. The fees charged as provided for by this section shall be no more than $1,000 based on criteria set forth in the rule or regulation.

17. Section 2 of P.L.1985, c.69 (C.53:1-20.6) is amended to read as follows:

C.53:1-20.6 Rules, regulations concerning dissemination of information; fees.
2. a. The Superintendent of State Police, with the approval of the Attorney General, shall, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations authorizing the dissemination, by the State Bureau of Identification, of criminal history record background information requested by State, county and local government agencies, including the Division of State Police, in noncriminal matters, or requested by individuals, nongovernmental entities or other governmental
entities whose access to such criminal history record background information is not prohibited by law. A fee not to exceed $30 shall be imposed for processing fingerprint identification checks; a fee not to exceed $18 shall be imposed for processing criminal history name search identification checks. These fees shall be in addition to any other fees required by law. In addition to any fee specified herein, a nonrefundable fee, the amount of which shall be determined by the Superintendent of State Police, with the approval of the Attorney General, shall be collected to cover the cost of securing and processing a federal criminal records check for each applicant.

b. State, county and local government agencies, including the Division of State Police, and nongovernmental entities are authorized to impose and collect the processing fee established pursuant to subsection a. of this section from the person for whom the criminal history record background check is being processed or from the party requesting the criminal history record background check. The Superintendent of State Police shall provide this processing service without the collection of fees from the applicants in processing background checks of prospective foster parents or members of their immediate families. In such cases, the Department of Human Services shall be responsible for paying the fees imposed pursuant to subsection a. of this section. Nothing in this section shall prohibit the Superintendent of State Police, with the approval of the Attorney General, from providing this processing service without the collection of fees from the applicant in other circumstances which in his sole discretion he deems appropriate, if the applicants would not receive a wage or salary for the time and services they provide to an organization or who are considered volunteers. In those circumstances where the Superintendent of State Police, with the approval of the Attorney General, determines to provide this processing service without the collection of fees to the individual applicants, the superintendent may assess the fees for providing this service on behalf of the applicants to any department of State, county or municipal government which is responsible for operating or overseeing that volunteer program. The agencies shall transfer all moneys collected for the processing fee to the Division of State Police.

18. Section 14 of P.L.1971, c.136 (C.26:2H-14) is amended to read as follows:

C.26:2H-14 Unlicensed health care facility; rules; violations; penalties.

14. Any person, firm, partnership, corporation or association who shall operate or conduct a health care facility without first obtaining the license required by this act, or who shall operate such health care facility after revocation or suspension of license, shall be liable to a penalty of not more than $2,500 as provided for by regulation for each day of operation in violation
hereof for the first offense and $5,000 for any subsequent offense. Any person, firm, partnership, corporation or association who violates any rule or regulation adopted in accordance with this act as the same pertains to the care of patients and physical plant standards shall be subject to a penalty of not more than $5,000 as provided for by regulation for each day that he is in violation of such rule or regulation. Upon notification to the facility of such violations as pertain to the care of patients or to the hazardous or unsafe condition existing in or upon the structure in which the licensed facility is maintained, the commissioner shall allow the facility 72 hours in which to correct any such violation and if at the end of such period the violation is not corrected and it poses an imminent threat to the health, safety or welfare of the public or the residents of the facility, he may, in his discretion, summarily suspend the license of the facility without a hearing and may order immediate correction of such violation as a prerequisite of reinstatement of licensure. If a licensee that is subject to summary suspension shall deny that a violation exists or has occurred, he shall have the right to apply to the commissioner for a hearing. Such hearing shall be held and a decision rendered within 48 hours of receipt of said request. If the commissioner shall rule against the licensee, the licensee shall have the right to apply for injunctive relief against the commissioner’s order. Jurisdiction of such injunctive relief shall be in the Superior Court of New Jersey. Nothing herein shall be construed to prevent the commissioner from thereafter suspending or revoking the license in accordance with the procedure set forth in section 13. If, within one year after such violation such person, firm, partnership, corporation or association is found guilty of the same violation such penalties as herebefore set forth shall be doubled, and if there be a third violation within such time, such penalties shall be tripled. The State Treasurer shall be the administrator of the "Worker and Community Right To Know Fund", and all disbursements from the "Worker and Community Right To Know Fund" shall be made by the State Treasurer upon the warrant of the Director of the Division of Budget and Accounting.

b. (1) The Department of Labor shall annually assess each employer a fee of not less than $75.00 nor more than an amount equal to $4.00 per employee to provide for the implementation of the provisions of this act. All fees collected by the department pursuant to this paragraph shall be deposited in the "Worker and Community Right To Know Fund".

(2) The Department of Labor shall annually assess each employer a fee of $2.00 per employee for the implementation of P.L.1991, c.235 (C.13:1D-35 et seq.). All fees collected by the department pursuant to this paragraph shall be deposited in the "Pollution Prevention Fund" established pursuant to section 16 of P.L.1991, c.235 (C.13:1D-50), and shall be used only for the implementation of P.L.1991, c.235 (C.13:1D-35 et seq.).

20. R.S.43:21-14 is amended to read as follows:

(a)(1) In addition to such reports as may be required under the provisions of subsection (g) of R.S.43:21-11, every employer shall file with the controller periodic contribution reports on such forms and at such times as the controller shall prescribe, to disclose the employer's liability for contributions under the provisions of this chapter (R.S.43:21-1 et seq.), and at the time of filing each contribution report shall pay the contributions required by this chapter (R.S.43:21-1 et seq.), for the period covered by such report. The controller may require that such reports shall be under oath of the employer. Any employer who shall fail to file any report, required by the controller, on or before the last day for the filing thereof shall pay a penalty of $10.00 for each day of delinquency until and including the fifth day following such last day and for any period of delinquency after such fifth day, a penalty of $10.00 a day or 25% of the amount of the contributions due and payable by the employer for the period covered by the report, whichever is the lesser; if there be no liability for contributions for the period covered by any contribution report or in the case of any report other than a contribution report, the employer or employing unit shall pay a penalty of $10.00 a day for each day of delinquency in filing or $50.00, whichever is the lesser; provided, however, that when it is shown to the satisfaction of the controller that the failure to file any such report was not the result of fraud or an intentional disregard of this chapter (R.S.43:21-1 et seq.), or the regulations promulgated hereunder, the controller, in his discretion, may remit or abate any unpaid penalties heretofore or hereafter imposed under this section. On or before October 1 of each year, the controller shall submit to the Commissioner of Labor a report covering the 12-month period ending on the preceding June 30, and showing the names and addresses of all employers for whom the controller remitted or abated any penalties, or ratified any remission or abatement of penalties, and the amount of such penalties with respect to each employer. Any employer
who shall fail to pay the contributions due for any period, on or before the
date they are required by the controller to be paid, shall pay interest on the
amount thereof from such date until the date of payment thereof, at the rate
of 1% a month through June 30, 1981 and at the rate of 1 1/4% a month after
June 30, 1981. Upon the written request of any employer or employing unit,
filed with the controller on or before the due date of any report or contribution

extension of time for the filing of such report or the paying of such contribution,
with interest at the applicable rate; provided no such extension shall exceed
30 days and that no such extension shall postpone payment of any contribution
for any period beyond the day preceding the last day for filing tax returns under
Title IX of the federal Social Security Act for the year in which said period
occurs.

(2)(A) For the calendar quarter commencing July 1, 1984 and each
successive quarter thereafter, each employer shall file a report with the controller
within 30 days after the end of each quarter in a form and manner prescribed
by the controller, listing the name, social security number and wages paid
to each employee and the number of base weeks (as defined in subsection
(t) of R.S.43:21-19) worked by the employee during the calendar quarter.
(B) Any employer who fails without reasonable cause to comply with the
reporting requirements of this paragraph (2) shall be liable for a penalty in
the following amount for each employee with respect to whom the employer
is required to file a report but who is not included in the report or for whom
the required information is not accurately reported for each employee required
to be included, whether or not the employee is included:
   (i) For the first failure for one quarter in any eight consecutive quarters,
       $5.00 for each employee;
   (ii) For the second failure for any quarter in any eight consecutive quarters,
        $10.00 for each employee; and
   (iii) For the third failure for any quarter in any eight consecutive quarters,
        $25.00 for each employee.

(C) Information reported by employers as requested by this paragraph
(2) shall be used by the Department of Labor for the purpose of determining
eligibility for benefits of individuals in accordance with the provisions of
R.S.43:21-1 et seq. Notwithstanding the provisions of subsection (g) of
R.S.43:21-11, the Department of Labor is hereby authorized to provide the
Department of Human Services and the Higher Education Assistance Authority
with information reported by employers as required by this paragraph (2).
For each fiscal year, the Director of the Division of Budget and Accounting
of the Department of the Treasury shall charge the appropriate account of
the Department of Human Services and the Higher Education Assistance
Authority in amounts sufficient to reimburse the Department of Labor for the cost of providing information under this subparagraph (C).

(D) For the purpose of administering the provisions of this paragraph (2), all appropriations, files, books, papers, records, equipment and other property, and employees currently assigned to the Division of Taxation for the implementation of the "Wage Reporting Act," P.L.1980, c.48 (C.54:1-55 et seq.), shall be transferred to the Department of Labor as of September 1, 1984 in accordance with the provisions of the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

(b) The contributions, penalties, and interest due from any employer under the provisions of this chapter (R.S.43:21-1 et seq.), from the time they shall be due, shall be a personal debt of the employer to the State of New Jersey, recoverable in any court of competent jurisdiction in a civil action in the name of the State of New Jersey; provided, however, that except in the event of fraud, no employer shall be liable for contributions or penalties unless contribution reports have been filed or assessments have been made in accordance with subsection (c) or (d) of this section before four years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), nor shall any employer be required to pay interest on any such contribution unless contribution reports were filed or assessments made within such four-year period; provided further that if such contribution reports were filed or assessments made within the four-year period, no civil action shall be instituted, nor shall any certificate be issued to the Clerk of the Superior Court under subsection (e) of this section, except in the event of fraud, after six years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), or July 1, 1958, whichever is later. Payments received from an employer on account of any debt incurred under the provisions of this chapter (R.S.43:21-1 et seq.) may be applied by the controller on account of the contribution liability of the employer and then to interest and penalties, and any balance remaining shall be recoverable by the controller from the employer. Upon application therefor, the controller shall furnish interested persons and entities certificates of indebtedness covering employers, employing units and others for contributions, penalties and interest, for each of which certificates the controller shall charge and collect a fee of $2.00 per name; no such certificate to be issued, however, for a fee of less than $10.00. All fees so collected shall be paid into the unemployment compensation administration fund.

(c) If any employer shall fail to make any report as required by the rules and regulations of the division pursuant to the provisions of this chapter (R.S.43:21-1 et seq.), the controller may make an estimate of the liability of such employer from any information it may obtain, and, according to such
estimate so made, assess such employer for the contributions, penalties, and interest due the State from him, give notice of such assessment to the employer, and make demand upon him for payment.

(d) After a report is filed under the provisions of this chapter (R.S.43:21-1 et seq.) and the rules and regulations thereof, the controller shall cause the report to be examined and shall make such further audit and investigation as it may deem necessary, and if therefrom there shall be determined that there is a deficiency with respect to the payment of the contributions due from such employer, the controller shall assess the additional contributions, penalties, and interest due the State from such employer, give notice of such assessment to the employer, and make demand upon him for payment.

(e) As an additional remedy, the controller may issue to the Clerk of the Superior Court of New Jersey a certificate stating the amount of the employer's indebtedness under this chapter (R.S.43:21-1 et seq.) and describing the liability, and thereupon the clerk shall immediately enter upon his record of docketed judgments such certificate or an abstract thereof and duly index the same. Any such certificate or abstract, heretofore or hereafter docketed, from the time of docketing shall have the same force and effect as a judgment obtained in the Superior Court of New Jersey, and the controller shall have all the remedies and may take all the proceedings for the collection thereof which may be had or taken upon the recovery of such a judgment in a civil action upon contract in said court. Such debt, from the time of docketing thereof, shall be a lien on and bind the lands, tenements and hereditaments of the debtor.

The Clerk of the Superior Court shall be entitled to receive for docketing such certificate, $0.50, and for a certified transcript of such docket, $0.50. If the amount set forth in said certificate as a debt shall be modified or reversed upon review, as hereinafter provided, the Clerk of the Superior Court shall, when an order of modification or reversal is filed, enter in the margin of the docket opposite the entry of the judgment, the word "modified" or "reversed," as the case may be, and the date of such modification or reversal.

The employer, or any other party having an interest in the property upon which the debt is a lien, may deposit the amount claimed in the certificate with the Clerk of the Superior Court of New Jersey, together with an additional 10% of the amount thereof, or $100.00, whichever amount is the greater, to cover interest and the costs of court, or in lieu of depositing the amount in cash, may give a bond to the State of New Jersey in double the amount claimed in the certificate, and file the same with the Clerk of the Superior Court. Said bond shall have such surety and shall be approved in the manner required by the Rules Governing the Courts of the State of New Jersey.

After the deposit of said money or the filing of said bond, the employer, or any other party having an interest in the said property, may, after exhausting all administrative remedies, secure judicial review of the legality or validity
of the indebtedness or the amount thereof, and the said deposit of cash shall be as security for, and the bond shall be conditioned to prosecute, the judicial review with effect.

Upon the deposit of said money or the filing of the said bond with the Clerk of the Superior Court, all proceedings on such judgment shall be stayed until the final determination of the cause, and the moneys so deposited shall be subject to the lien of the indebtedness and costs and interest thereon, and the lands, tenements, and hereditaments of said debtor shall forthwith be discharged from the lien of the State of New Jersey and no execution shall issue against the same by virtue of said judgment.

Notwithstanding the provisions of subsections (a) through (c) of this section, the Department of Labor may, with the concurrence of the State Treasurer, when all reasonable efforts to collect amounts owed have been exhausted, or to avoid litigation, reduce any liability for contributions, penalties and interest, provided no portion of those amounts represents contributions made by an employee pursuant to subsection (d) of R.S.43:21-7.

(f) If, not later than two years after the calendar year in which any moneys were erroneously paid to or collected by the controller, whether such payments were voluntarily or involuntarily made or made under mistake of law or of fact, an employer, employing unit, or employee who has paid such moneys shall make application for an adjustment thereof, the said moneys shall, upon order of the controller, be either credited or refunded, without interest, from the appropriate fund. For like cause and within the same period, credit or refund may be so made on the initiative of the controller.

(g) All interest and penalties collected pursuant to this section shall be paid into a special fund to be known as the unemployment compensation auxiliary fund; all moneys in this special fund shall be deposited, administered and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury, and shall be expended, under legislative appropriation, for the purpose of aiding in defraying the cost of the administration of this chapter (R.S.43:21-1 et seq.); for the repayment of any interest bearing advances made from the federal unemployment account pursuant to the provisions of section 1202(b) of the Social Security Act, 42 U.S.C. s.1322; and for essential and necessary expenditures in connection with programs designed to stimulate employment, as determined by the Commissioner of Labor, except that any moneys in this special fund shall be first applied to aiding in the defraying of necessary costs of the administration of this chapter (R.S.43:21-1 et seq.) as determined by the Commissioner of Labor. The Treasurer of the State shall be ex officio the treasurer and custodian of this special fund and, subject to legislative appropriation, shall administer the fund in accordance with the directions of the controller. Any balances in this fund shall not lapse at any time, but shall
be continuously available, subject to legislative appropriation, to the controller for expenditure. The State Treasurer shall give a separate and additional bond conditioned upon the faithful performance of his duties in connection with the unemployment compensation auxiliary fund, in an amount to be fixed by the division, the premiums for such bond to be paid from the moneys in the said special fund.

Each license shall show the name and address of the licensee and shall have imprinted thereon the seal of the commission. Notice in writing shall be given to the commission by each licensed broker of any change of business address, whereupon the commission shall issue new licenses to the broker and to all persons licensed through the broker for the unexpired period, upon the payment of a fee of $50 for the issuance of the new broker license and a fee of $10 for each additional new license certificate so issued. A change of business address without notification to the commission, and without the issuance of a new broker's license, shall automatically cancel the license theretofore issued.

36. R.S.45:15-15 is amended to read as follows:

45:15-15. The biennial fee for each real estate broker's license shall be $200, the biennial fee for each real estate broker-salesperson's license shall be $200 and the biennial fee for each real estate salesperson's license shall be $100. The biennial fee for a branch office license shall be $100. Each license granted under this article shall entitle the licensee to perform all of the acts contemplated herein during the period for which the license is issued, as prescribed by this article. If a licensee fails to apply for a renewal of his license prior to the date of expiration of such license, the commission may refuse to issue a renewal license except upon the payment of a late renewal fee in the amount of $20 for a salesperson or broker-salesperson and $40 for a broker; provided, however, the commission may, in its discretion, refuse to renew any license upon sufficient cause being shown. The commission
shall refuse to renew the license of any licensee convicted of any offense enumerated in section 6 of P.L.1953, c.229 (C.45:15-19.1) during the term of the last license issued by the commission unless the conviction was previously the subject of a revocation proceeding. Renewed licenses may be granted for each ensuing two years upon request of licensees and the payment of the full fee therefor as herein required. Upon application and payment of the fees provided herein, initial licenses and licenses reinstated pursuant to R.S.45:15-9 may be issued, but the commission may, in its discretion, refuse to grant or reinstate any license upon sufficient cause being shown. The license fees for initial or reinstated licenses shall be determined based upon the biennial fees established herein, with a full biennial fee payable for the license term in which application is received. The revocation or suspension of a broker's license shall automatically suspend every real estate broker-salesperson's and salesperson's license granted to employees of the broker whose license has been revoked or suspended, pending a change of employer and the issuance of a new license. The new license shall be issued without additional charge, if the same is granted during the license term in which the original license was granted. Any renewal fee in this section shall be billed by the commission on or after April 1 but before April 15, and such fees shall be paid on or before June 1, except that the fee increases imposed pursuant to the amendments made in this section pursuant to section 36 of P.L.2003, c.117 due for the first biennial renewal period ending after enactment of section 36 shall be paid on or before June 1, 2004.

A real estate broker who maintains a main office or branch office licensed by the commission which is located in another state shall maintain a valid real estate broker's license in good standing in the state where the office is located and shall maintain a real estate license in that other state for each office licensed by the commission. Upon request, the real estate broker shall provide a certification of his license status in the other state to the commission. Any license issued by the commission to a real estate broker for a main or branch office located outside this State shall be automatically suspended upon the revocation, suspension or refusal to renew the real estate broker's license issued by the state where the office is located. The licenses issued by the commission to every broker-salesperson or salesperson employed by the broker shall be automatically suspended pending a change of employer and the issuance of a new license. The new license shall be issued without additional charge if granted during the license term in which the original license was granted.

CHAPTER 118

AN ACT concerning the fund for the support of free public schools and amending N.J.S.18A:56-16 and P.L.1980, c.72.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:56-16 is amended to read as follows:

Certification of anticipated default; purchase of bonds, payment of interest by trustees; State aid treatment.

18A:56-16. In the event that a school district or a county or municipality anticipates that it will be unable to meet the payment of principal or interest on any of its bonds issued for school purposes after December 4, 1958, it shall certify such liability to the commissioner and the Director of the Division of Local Finance at least 10 days prior to the date any such payment is due. If the commissioner and director shall approve said certification, they shall immediately certify the same to the trustees of the fund for the support of public schools. Upon the receipt thereof, or in the event any such district, county or municipality fails to certify its anticipated inability to meet any such payments, upon notice and verification of such inability, the trustees shall, within the limits of the school bond guaranty reserve established within the fund purchase any such bonds at a price equivalent to the face amount thereof or pay to the holder of any such bond the interest due or to become due thereon, as the case may be, and such purchases and payments of interest may continue so long as the district, county or municipality remains unable to make such payments. Upon making any such payment of interest, the trustees of the fund shall be subrogated to all rights of the bondholder against the issuer in respect to the collection of such interest and if such interest is represented by a coupon such coupon shall be delivered to the trustees of the fund.

The State Treasurer shall act as agent of the trustees of the fund in making any such payments or purchases, and he shall prescribe, in consultation with the commissioner, such rules and regulations as may be necessary and proper to effectuate the purposes of this section.

The amount of any payment of interest or purchase price pursuant to this section shall be deducted from the appropriation or apportionment of State aid, other than any State aid which may be otherwise restricted pursuant to the provisions of P.L.1996, c.138 (C.18A:7F-1 et seq.), payable to the district, county or municipality and shall not obligate the State to make, nor entitle the district, county or municipality to receive, any additional appropriation or apportionment. Any amount so deducted shall be applied by the State Treasurer to satisfy the obligation of the district, county or municipality arising as a result of the payment of interest or purchase price pursuant to this section.

2. Section 5 of P.L.1980, c.72 (C.18A:56-19) is amended to read as follows:
C.18A:56-19  School bond reserve accounts; establishment; composition; funding of accounts.

5. a. There is established within the fund for the support of free public schools a school bond reserve. The school bond reserve shall consist of two accounts, the old school bond reserve account and the new school bond reserve account. The old school bond reserve account shall be funded in an amount equal to at least 1 1/2 % of the aggregate issued and outstanding bonded indebtedness of counties, municipalities or school districts for school purposes for all such indebtedness issued prior to the effective date of P.L.2003, c.118, exclusive of bonds the debt service for which is provided by State appropriations but not to exceed the moneys available in the account. The new school bond reserve account shall be funded in an amount equal to at least 1% of the aggregate issued and outstanding bonded indebtedness of counties, municipalities or school districts for school purposes for all such indebtedness issued on and after the effective date of P.L.2003, c.118, exclusive of bonds the debt service for which is provided by State appropriations. The school bond reserve shall be composed entirely of direct obligations of the United States Government or obligations guaranteed by the full faith and credit of the United States Government.

b. Securities representing at least one-third of the minimum market value to be held in the school bond reserve shall be due to mature within one year of the date of issuance or purchase. It shall be the duty of the trustees of the fund to determine that the school bond reserve is established at the proper level, based on the market value of the obligations on the effective date of this act, to ascertain annually on or before September 15 the aggregate amount of bonds issued and outstanding and to maintain the old school bond reserve account and the new school bond reserve account at the appropriate levels for the ensuing year based on annual market valuations of the obligations. The trustees are authorized to retain so much of the income earned by the fund in the preceding year as they may determine to be required to maintain each account in the reserve at the levels herein specified. The amount of the reserve held in the old school bond reserve account so established is pledged as security for prompt payment, in accordance with the provisions of N.J.S.18A:56-16, to holders of bonds issued prior to the effective date of P.L.2003, c.118, for school purposes by counties, municipalities or school districts of principal of and interest on the bonds in the event of the inability of the issuer to make payment. The amount of the reserve held in the new school bond reserve account so established is pledged as security for prompt payment, in accordance with the provisions of N.J.S.18A:56-16, to holders of bonds issued on and after the effective date of P.L.2003, c.118, for school purposes by counties, municipalities or school districts of principal of and interest on the bonds in the event of the inability of the issuer to make payment. In the event the amount held in the old school bond reserve account exceeds the amount required to
be held pursuant to subsection a. of this section, the excess may be transferred by the State Treasurer to the new school bond reserve account. In the event the amounts in either the old school bond reserve account or the new school bond reserve account fall below the amount required to make payments on bonds, the amounts in both the old school and new school bond reserve accounts shall be available to make payments for bonds secured by the reserve.

c. Beginning with the fiscal year ending on June 30, 2003 and continuing on each June 30 thereafter, the State Treasurer shall calculate the amount necessary to fully fund the old school bond reserve account and the new school bond reserve account as required pursuant to subsection a. of this section. To the extent moneys available under P.L.1967, c.271 (C.18A:56-1 et seq.) are insufficient to maintain each account in the reserve at the required levels, the State hereby agrees that the State Treasurer shall, no later than September 15 of the fiscal year following the June 30 calculation date, pay to the trustees for deposit in the school bond reserve such amounts as may be necessary to maintain the old school bond reserve account and the new school bond reserve account at the levels set forth in subsection a. of this section. No moneys may be borrowed from the fund to provide liquidity to the State unless the 1 1/2% and 1% accounts are at the levels certified as full funding on the most recent June 30 calculation date.

3. Section 6 of P.L.1980, c.72 (C.18A:56-20) is amended to read as follows:

6. a. Bonds issued for school purposes by counties, municipalities or school districts subsequent to the effective date of P.L.1980, c.72 (C.18A:56-17 et seq.) and prior to the effective date of P.L.2003, c.118, shall bear the following legend: "Payment of this obligation is secured under the provisions of the 'New Jersey School Bond Reserve Act' in accordance with which an amount equal to 1 1/2 % of the aggregate outstanding bonded indebtedness (but not to exceed the moneys available in the fund), of New Jersey counties, municipalities and school districts for school purposes as of September 15 of each year, is held within the State Fund for the Support of Free Public Schools as a school bond reserve pledged by law to secure payments of principal and interest due on such bonds in the event of the inability of the issuer to make payment."

b. Bonds issued for school purposes by counties, municipalities or school districts on and after the effective date of P.L.2003, c.118, shall bear the following legend: "Payment of this obligation is secured under the provisions of the 'New Jersey School Bond Reserve Act' in accordance with which an amount equal to 1% of the aggregate outstanding bonded indebtedness (but
CHAPTER 119, LAWS OF 2003

not to exceed the moneys available in the fund), of New Jersey counties, municipalities and school districts for school purposes as of September 15 of each year, is held within the State Fund for the Support of Free Public Schools as a school bond reserve pledged by law to secure payments of principal and interest due on such bonds in the event of the inability of the issuer to make payment."

4. This act shall take effect immediately.

Approved July 1, 2003.

CHAPTER 119

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1961, c.49 (C.52:14-17.28) is amended to read as follows:

C.52:14-17.28 Purchase of contracts.

4. The commission shall negotiate with and arrange for the purchase, on such terms as it deems to be in the best interests of the State and its employees, from carriers licensed to operate in the State, contracts providing hospital, surgical, obstetrical, medical and major medical expense benefits covering employees of the State and their dependents, and shall execute all documents pertaining thereto for and on behalf and in the name of the State. The commission shall not enter into a contract under this act unless the benefits provided thereunder equal or exceed the minimum standards specified in section 5 for the particular coverage which such contract provides; and unless coverage is available to all eligible employees and their dependents on the basis specified by section 7, except that a State employee enrolled in the program on or after July 1, 2003 may not be eligible for coverage under the traditional plan as defined in section 2 of P.L.1961, c.49 (C.52:14-17.26) pursuant to a binding collective negotiations agreement or pursuant to the application by the commission, in its sole discretion, of the terms of any collective negotiations agreement binding on the State to State employees for whom there is no majority representative for collective negotiations purposes.
2. Section 7 of P.L.1968, c.303 (C.34:13A-5.3) is amended to read as follows:

C.34:13A-5.3 Employee organizations; right to form or join; collective negotiations; grievance procedures.

7. Except as hereinafter provided, public employees shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join and assist any employee organization or to refrain from any such activity; provided, however, that this right shall not extend to elected officials, members of boards and commissions, managerial executives, or confidential employees, except in a school district the term managerial executive shall mean the superintendent of schools or his equivalent, nor, except where established practice, prior agreement or special circumstances dictate the contrary, shall any supervisor having the power to hire, discharge, discipline, or to effectively recommend the same, have the right to be represented in collective negotiations by an employee organization that admits nonsupervisory personnel to membership, and the fact that any organization has such supervisory employees as members shall not deny the right of that organization to represent the appropriate unit in collective negotiations; and provided further, that, except where established practice, prior agreement, or special circumstances dictate the contrary, no policeman shall have the right to join an employee organization that admits employees other than policemen to membership. The negotiating unit shall be defined with due regard for the community of interest among the employees concerned, but the commission shall not intervene in matters of recognition and unit definition except in the event of a dispute.

Representatives designated or selected by public employees for the purposes of collective negotiation by the majority of the employees in a unit appropriate for such purposes or by the majority of the employees voting in an election conducted by the commission as authorized by this act shall be the exclusive representatives for collective negotiation concerning the terms and conditions of employment of the employees in such unit. Nothing herein shall be construed to prevent any official from meeting with an employee organization for the purpose of hearing the views and requests of its members in such unit so long as (a) the majority representative is informed of the meeting; (b) any changes or modifications in terms and conditions of employment are made only through negotiation with the majority representative; and (c) a minority organization shall not present or process grievances. Nothing herein shall be construed to deny to any individual employee his rights under Civil Service laws or regulations. When no majority representative has been selected as the bargaining agent for the unit of which an individual employee is a part, he may present his own grievance either personally or through an appropriate
representative or an organization of which he is a member and have such grievance adjusted.

A majority representative of public employees in an appropriate unit shall be entitled to act for and to negotiate agreements covering all employees in the unit and shall be responsible for representing the interest of all such employees without discrimination and without regard to employee organization membership. Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established. In addition, the majority representative and designated representatives of the public employer shall meet at reasonable times and negotiate in good faith with respect to grievances, disciplinary disputes, and other terms and conditions of employment. Nothing herein shall be construed as permitting negotiation of the standards or criteria for employee performance.

When an agreement is reached on the terms and conditions of employment, it shall be embodied in writing and signed by the authorized representatives of the public employer and the majority representative.

Public employers shall negotiate written policies setting forth grievance and disciplinary review procedures by means of which their employees or representatives of employees may appeal the interpretation, application or violation of policies, agreements, and administrative decisions, including disciplinary determinations, affecting them, provided that such grievance and disciplinary review procedures shall be included in any agreement entered into between the public employer and the representative organization. Such grievance and disciplinary review procedures may provide for binding arbitration as a means for resolving disputes. Except as otherwise provided herein, the procedures agreed to by the parties may not replace or be inconsistent with any alternate statutory appeal procedure nor may they provide for binding arbitration of disputes involving the discipline of employees with statutory protection under tenure or civil service laws, except that such procedures may provide for binding arbitration of disputes involving the minor discipline of any public employees protected under the provisions of section 7 of P.L.1968, C.303 (C.34:13A-5.3), other than public employees subject to discipline pursuant to R.S.53:1-10. Grievance and disciplinary review procedures established by agreement between the public employer and the representative organization shall be utilized for any dispute covered by the terms of such agreement. For the purposes of this section, minor discipline shall mean a suspension or fine of less than five days unless the employee has been suspended or fined an aggregate of 15 or more days or received more than three suspensions or fines of five days or less in one calendar year.

Where the State of New Jersey and the majority representative have agreed to a disciplinary review procedure that provides for binding arbitration of disputes involving the major discipline of any public employee protected under
the provisions of this section, other than public employees subject to discipline pursuant to R.S.53:1-10, the grievance and disciplinary review procedures established by agreement between the State of New Jersey and the majority representative shall be utilized for any dispute covered by the terms of such agreement. For the purposes of this section, major discipline shall mean a removal, disciplinary demotion, suspension or fine of more than five days, or less where the aggregate number of days suspended or fined in any one calendar year is 15 or more days or unless the employee received more than three suspensions or fines of five days or less in one calendar year.

3. This act shall take effect immediately.

Approved July 1, 2003.

CHAPTER 120

AN ACT concerning tax lien financing and supplementing P.L.2002, c.43 (C.52:27BBB-1 et al.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Tax Lien Financing Corporation Act."

C.52:27BBB-67 Declarations relative to tax lien financing; purposes of act.

2. It is hereby declared to be in the public interest and to be the policy of the State to assist qualified municipalities by facilitating the creation of capital markets structures to fund public improvements or purposes at a reduced cost not otherwise available in the absence of such capital markets structures, particularly for qualified municipalities that are not otherwise able to access the capital markets for such purposes. It is hereby further declared that qualified municipalities are owed millions of dollars annually in unpaid property taxes, and that such uncollected taxes adversely impact qualified municipalities' ability to timely collect the moneys necessary to meet their operating expenditures and provide for the delivery of necessary government services, amplifying the risk of future real property tax increases and negatively impacting those taxpayers who timely remit payment. It is hereby further declared that limited means exist for qualified municipalities to expedite the collection of delinquent taxes, that as a result, such delinquencies often remain unpaid, and that the assignment sale of the tax liens related to such delinquent taxes will enable
qualified municipalities to expedite the receipt of anticipated revenues and provide a funding source that will enable such qualified municipalities to more effectively carry out their public purposes. Accordingly, one of the purposes of this act is to authorize, create and establish a corporation empowered to acquire from a qualified municipality all or a portion of the qualified municipality’s tax liens. Additional purposes of this act are: to authorize the sale by a qualified municipality of all or a portion of the tax liens to the corporation; to authorize the transfer to and the receipt by the corporation of the tax liens; to authorize the corporation to issue securities of the corporation for the purposes authorized in this act, payable solely from and secured solely by such portion of the tax liens as the corporation may designate and pledge to secure the securities, together with the investment income thereon and any reserve funds created by the corporation from any portion of the proceeds of the securities; to authorize the corporation to hold and invest the portion of the net proceeds of the sale of the securities pending direction by a qualified municipality and the portion of a qualified municipality’s tax liens sold to the corporation which are not pledged to secure securities of the corporation; to authorize the corporation to acquire, hold, operate, maintain, improve and dispose of real and personal property; and to authorize the corporation to manage the portion of the net proceeds of the sale of the securities pending direction by a qualified municipality and all or a portion of a qualified municipality’s tax liens sold to the corporation for the purposes and in the manner authorized in this act.

The corporation is hereby constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the corporation of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State. The corporation shall be treated and accounted for as a separate legal entity with its separate corporate purposes as set forth in this act. The assets, liabilities and funds of the corporation shall be neither consolidated nor commingled with those of a qualified municipality or of any entity capable of being a debtor in a case commenced under the federal bankruptcy code.

b. The corporation shall have and be governed by five members, including one seat reserved for the State Treasurer, who shall be a member ex officio, a second seat reserved for the Commissioner of Community Affairs, who shall be a member ex officio, a third seat reserved for a Chief Operating Officer to be selected by the Governor, a fourth seat reserved for a public member
appointed by the Governor and who shall serve at the pleasure of the Governor, and a fifth seat reserved for a public member to be appointed by the Governor and selected from three persons nominated by any mayor of any qualified municipality. The State Treasurer shall serve as the chairperson of the corporation. The corporation shall elect from among its members a vice chairperson. The powers of the corporation shall be vested in the members thereof in office from time to time and a majority of the total authorized membership of the corporation shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the corporation at any meeting thereof by the affirmative vote of a majority of the members present. No vacancy in the membership of the corporation shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the corporation.

c. Each member before entering upon his or her duties shall take and subscribe an oath to perform the duties of his or her office faithfully, impartially and justly to the best of his or her ability. A record of the oaths shall be filed in the office of the Secretary of State.

d. The State Treasurer shall be the president of the corporation. The president of the corporation shall appoint the vice president, treasurer and secretary of the corporation. The staff of the office of the State Treasurer shall also serve as staff of the corporation. Officers, agencies, and departments of the State and of a qualified municipality may render services to the corporation within their respective functions, as requested by the corporation.

e. Each member and the treasurer of the corporation shall execute a bond to be conditioned upon the faithful performance of the duties of the member or treasurer in the form and amount as may be prescribed by the State Comptroller. The bonds shall be filed in the office of the Secretary of State. At all times thereafter the members and treasurer of the corporation shall maintain the bonds in full force and effect. All costs of the bonds shall be borne by the corporation.

f. The members of the corporation shall serve without compensation, but the corporation shall reimburse its members for actual expenses necessarily incurred in the discharge of their duties. Notwithstanding the provisions of any other laws, no officer or employee of a qualified municipality or of the State shall be deemed to have forfeited or shall forfeit office or employment or any benefits or emoluments thereof by reason of that person's acceptance of the office of ex officio member or officer of the corporation.

g. Each ex officio member of the corporation may designate an officer or employee of the member's department to represent the member at meetings of the corporation. A designee may lawfully vote and otherwise act on behalf of the member designating the designee. Any designation shall be in writing
delivered to the secretary of the corporation and shall continue in effect until revoked or amended by writing delivered to the secretary of the corporation.

h. The corporation may be dissolved by act of the Legislature on condition that the corporation has no debts, obligations or residual interests outstanding or that provision has been made for the payment or retirement of the debts, obligations or residual interests. Upon any dissolution of the corporation, all property, funds and assets thereof shall be vested in the State.

i. The corporation shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and cause a copy thereof to be filed with the Secretary of State.

j. No member, officer or employee of the corporation shall have an interest, either directly or indirectly, in any business organization engaged in any business, contract or transaction with the corporation or in any contract of any other person engaged in any business with the corporation, or in the purchase, sale, lease or transfer of any property to or from the corporation.

C.52:27BBB-70 Sales, agreements applicable to tax liens; procedures, conditions.

5. a. Authority to Enter into Sale Agreements. A qualified municipality may sell to the corporation, and the corporation may purchase, for cash or other consideration and in one or more installments, all or a portion of the tax liens pursuant to the terms of one or more sale agreements. Any sale agreement shall provide, among other matters, the purchase price payable by the corporation to a qualified municipality for the tax liens, which amount may be more or less than the face amount of the tax liens purchased by the corporation, and may include the residual interests, if any. The sale agreement may require a qualified municipality to repurchase a tax lien, or to substitute another tax lien of equivalent value, under conditions to be specified in the sale agreement. The sale agreement may provide that a qualified municipality shall be obligated to sell to the corporation subsequent tax liens encumbering the property encumbered by the tax liens originally sold and remaining unpaid on such terms as the corporation deems desirable. Any sale shall be conducted pursuant to one or more sale agreements that may contain such terms and conditions deemed appropriate by a qualified municipality to carry out and effectuate the purposes of this section, including, without limitation, covenants binding the qualified municipality in favor of the corporation and its assignees,
including, without limitation, the owners of its securities and benefitted parties; a provision authorizing inclusion of the State's pledge and agreement, as set forth in section 10 of this act, in any agreement with owners of the securities or any benefitted parties; and covenants with respect to the application and use of the proceeds of the sale of the qualified municipality's tax liens to preserve the tax exemption of the interest on any securities, if issued as tax exempt. A qualified municipality in any sale agreement may agree to, and the corporation may provide for, the assignment of the corporation's right, title and interest under the sale agreement for the benefit and security of the owners of securities and benefitted parties. The residual interest shall be uncertificated.

Notwithstanding that the corporation is hereby constituted an instrumentality of the State, all of the residual interests arising upon the transfer of a qualified municipality's tax liens to the corporation shall be the property of and vest in such qualified municipality and all of the economic avails and benefits of such residual interests, including, but not limited to, the income attributable to and accruing with respect to such interests from time to time, shall accrue to and inure to the benefit of such qualified municipality.

b. True Sale. Any sale of tax liens to the corporation pursuant to a sale agreement shall constitute a true sale and absolute transfer of the property so transferred and not a pledge or a grant of a security interest for any borrowing. The characterization of a sale as an absolute transfer by the participants shall not be negated or adversely affected by the fact that only a portion of a qualified municipality's tax liens is transferred, nor by the acquisition or retention by a qualified municipality of a residual interest, nor by the characterization of the corporation or its obligations for purposes of accounting, taxation or securities regulation, nor by any actual pledge, assignment or grant of a security interest in the tax liens and any proceeds of the tax liens, nor by any other factor whatsoever.

c. Qualified Municipality to Notify Collector. On and after the effective date of each sale of tax liens, a qualified municipality shall have no right, title or interest in or to the tax liens sold, and the tax liens so sold shall be property of the corporation and not of the qualified municipality, and shall be owned and held by the corporation and not the qualified municipality. On or before the effective date of any sale, the qualified municipality shall notify the collector that the tax liens have been sold to the corporation and irrevocably instruct the collector that, subsequent to the effective date of the sale, it shall pay over to the corporation or its designee within two days of its receipt any payments made on the transferred tax liens for the benefit of the owners of the securities and benefitted parties.

d. No Right to Cancel, Reduce or Compromise. Notwithstanding any other law to the contrary, a qualified municipality shall not have any right to cancel, reduce or compromise any taxes, penalties or interest secured by
a tax lien sold pursuant to this act or extend the time for payment thereof. A qualified municipality may not waive any penalties and interest on a tax lien that has been sold pursuant to this act.

e. Sale by Assignment. A qualified municipality's sale of tax liens to the corporation shall be made by assignment. The certificates of sale may be assigned separately or in bulk with other such certificates. Upon such assignment, the qualified municipality shall promptly deliver such certificates to the corporation or its designee.

f. Recording. Any and all further or additional assignments of the tax sale certificates shall promptly be recorded in the office of the county clerk or the register of deeds and mortgages, as the case may be, of the county where the real property is located, and a photocopy of the recorded assignment shall be served upon the collector by certified mail, return receipt requested. When assignments have not been recorded and served upon the collector, the collector shall be held harmless for the payment of any redemption amounts to the holder of the certificate of sale as appears on the records of the collector. All assignments must be submitted to the office of the county clerk or register of deeds and mortgages for recording within 90 days of the sale by assignment.

g. Presumptive Evidence. The certificate of sale shall be presumptive evidence in all courts in all proceedings by and against the corporation of the truth of the statements therein, of the title of the corporation in the transferred tax liens, and the regularity and validity of all proceedings had in reference to the sale. After six months from the recording of the certificate of sale, no evidence shall be admitted in any court to rebut the presumption that the lien purported to be transferred by the certificate of sale is a valid and enforceable lien, unless the corporation shall have procured it by fraud, or had previous knowledge that it was fraudulently made or procured.

h. Destruction or Loss of a Certificate. In case of the destruction or loss of a certificate of sale issued by a qualified municipality, the corporation shall present an affidavit of destroyed or lost certificate to the collector, and the collector shall then issue and execute a new certificate of sale in place of the one destroyed or lost. There shall appear on the new certificate a statement that it is a duplicate of the original certificate that was destroyed or lost, the date of the original certificate, the date the tax sale of the original certificate, the date the original certificate was issued and the name and title of the officer who issued the original certificate.

i. Duplicate Certificate and Time Limit to Redeem. The time limit within which the right to redeem from any tax sale in which a duplicate certificate has been issued shall be the same as though the original certificate had not been destroyed or lost.

j. Amount Required for Redemption. Any person having a legal and beneficial interest in the property affected by a certificate of sale acquired
by the corporation may satisfy the outstanding lien on the property at any time upon payment to the collector of all sums due with respect to such certificate and for subsequent taxes, municipal liens and charges, and interest and costs thereon, together with interest on the amounts so paid at the rate or rates chargeable by the qualified municipality.

k. Cancellation of Certificate Upon Redemption. Upon satisfaction of a tax lien, the redeeming party shall be entitled to have, upon demand, the certificate of sale, duly receipted for cancellation, or a certificate of redemption thereof, duly executed, stating that said certificate of sale may be canceled of record in the manner prescribed by law.

l. Duties Upon Redemption. The collector, on receiving payment as set forth in subsection j. of this section from a redeeming party, shall confirm with the corporation that such payment constitutes a payment in full. Upon such confirmation, the collector shall execute and deliver to the redeeming party a certificate of redemption which may be recorded with the county clerk or register of deeds and mortgages, as appropriate. The county clerk or register of deeds and mortgages, as appropriate, shall, on request, note on the record of the original certificate of sale a reference to the record of the certificate of redemption, and shall be entitled to the same fees as provided for the cancellation of a mortgage, or, at the option of the redeeming party, the collector shall request the corporation to deliver to it the certificate of sale and in turn, the collector shall deliver to the redeeming party the certificate of sale receipted for cancellation by endorsement in the same manner required by the law of the State to satisfy or cancel a mortgage, whereupon the record of the certificate of sale shall be canceled by the county clerk or register of deeds and mortgages in the same manner and for the same fees as in the case of a mortgage.

m. Installment Agreements. If the corporation holds a certificate of sale, it shall be entitled in its own name or in the name of its duly authorized representative to enter into installment agreements with the related taxpayers as if it were a municipality acting pursuant to Title 54 of the Revised Statutes and on such terms as the corporation deems desirable; provided, however, that the payment of the total sum due the corporation on any one parcel shall be made in substantially equal monthly installments, over a period not exceeding five years.

n. Filing of Installment Agreements. The installment agreement must be in writing and filed with the collector where the property is located. Upon due execution of the installment agreement the corporation shall forward a true copy of the agreement to the collector's office.

o. Foreclosure. When the corporation is the purchaser or assignee of a certificate of sale, the corporation, or its assignee or transferee, may, in its own name or in the name of its duly authorized representative, at any time after the expiration of the term of six months from the issuance of the certificate
of sale, institute a procedure to foreclose the right of redemption. The corporation shall be entitled to foreclose the tax lien or liens evidenced thereby in the manner provided by the law for the foreclosure of tax liens as if it were a municipality. In connection with the enforcement of a tax lien, all statutory references to a municipality acting pursuant to the provisions of Title 54 of the Revised Statutes shall be deemed to refer to the corporation, and all references to actions to be taken by an officer of the municipality shall be deemed to refer to an appropriate officer or duly authorized representative of the corporation.

p. Jurisdiction of Court. The Superior Court, in a procedure to foreclose the right of redemption, may give full and complete relief under this act, in accordance with other statutory authority of the court, to bar the right of redemption and to foreclose all prior or subsequent alienations and descents of the lands and encumbrances thereon, except subsequent municipal liens, and to adjudge an absolute and indefeasible estate of inheritance in fee simple, to be vested in the purchaser or assignee. The judgment shall be final upon the defendants, their heirs, devisees and personal representatives, and any of their heirs, devisees, executors, administrators, grantees, assigns or successors in right, title or interest and no application shall be entertained to reopen the judgment after the date thereof, and then only upon the grounds of lack of jurisdiction or fraud in the conduct of the suit. The judgment and recording thereof shall not be deemed a sale, transfer, or conveyance of title or interest to the subject property under the provisions of the "Uniform Fraudulent Transfer Act," R.S.25:2-20 et seq.

In the event that any federal statute or regulation requires a judicial sale of the property in order to debar and foreclose a mortgage interest or any other lien held by the United States or any agency or instrumentality thereof, then the tax lien may be foreclosed in the same manner as a mortgage, and the final judgment shall provide for the issuance of a writ of execution to the sheriff of the county wherein the property is situated and the holding of a judicial sale as in the manner of the foreclosure of a mortgage.

q. Conflict. In connection with the foreclosure of the right of redemption, in the event of any conflict between this act and any other law relating to the foreclosure of the right of redemption, this act shall be given precedence over the other law or laws.

r. Recovery of Fees and Expenses. To the extent permitted by law, in connection with the foreclosure of tax liens, the corporation or its designee shall have the right to recover attorneys' fees and disbursements incurred relating to the foreclosure at the time such fees and disbursements are incurred, together with the expenses of the sale.

s. Evidence of Payments of Subsequent Tax Liens at Foreclosure. Notwithstanding R.S.54:5-99, in connection with the foreclosure of tax liens,
the corporation or its designee shall produce evidence that all subsequent tax liens on the related land have been paid in full at the time a foreclosure judgment shall be entered. The evidence shall not be required to be produced at the commencement of a foreclosure procedure.

C.52:27BBB-71 Powers of the corporation.

6. The corporation also shall have the power to and be authorized to:
   a. sue and be sued;
   b. have a seal and alter the same at its pleasure;
   c. make and alter bylaws for its organization and internal management and make rules and regulations governing the use of its property and facilities;
   d. make and execute contracts including, without limitation, sale agreements, trust agreements, indentures, bond purchase agreements, tax regulatory agreements, continuing disclosure agreements, servicing agreements, ancillary facilities, and all other instruments necessary or convenient for the exercise of its powers and functions, and commence any action to protect or enforce any right conferred upon it by any law, contract or other agreement;
   e. engage, in such manner as the corporation may determine, the services of financial advisors and experts, servicers, contractors, real estate agents, property maintenance contractors, custodians, placement agents, underwriters, appraisers and such other advisors, auditors, consultants, and fiduciaries as may be necessary to effectuate the purposes of this act;
   f. pay its operating expenses and financing costs;

   h. procure insurance against any loss in connection with its activities, properties and assets in such amount and from insurers as it deems desirable;
   i. invest any funds or other moneys under its custody and control in investments and securities that are legal investments under the laws of the State for funds of the State and, notwithstanding any law to the contrary, in any ancillary facility, in obligations the interest on which is exempt from federal income taxation under the code and in shares or participation interests in funds or trusts that invest solely in such obligations;
   j. as security for the payment of the principal of and interest on any securities and for its obligations under any ancillary facility, transfer, assign or pledge all or any part of the tax liens or other assets;
   k. procure insurance, letters of credit or other credit enhancement with respect to any securities for the payment of tenders of securities, or for the payment upon maturity of securities;
   l. (1) enter into any ancillary facility with any person under such terms and conditions as the corporation may determine;
(2) procure insurance, letters of credit or other credit enhancement with respect to any ancillary facility;

(3) provide security for the payment or performance of its obligations with respect to any ancillary facility from such sources and with the same effect as is authorized by this act with respect to security for securities; and

(4) modify, amend or replace any existing, or enter into a new, ancillary facility;

m. establish, create or otherwise form and control one or more trusts or other single purpose entities to facilitate the purchase of tax liens and the issuance of tax lien collateralized securities;

n. acquire, hold and dispose of real and personal property for its corporate purposes;

o. cancel, reduce or compromise any taxes, penalties or interest secured by tax liens sold pursuant to this act or extend the time for payment thereof; provided, however, that in the event such reduction causes the principal sum of any taxes secured by the tax liens to fall below the fair market value of the underlying property, the corporation shall obtain the approval of the board prior to such reduction; and

p. do any and all things necessary or convenient to carry out its purposes and exercise the powers expressly given and granted in this act.

C.52:27BBB-72 Issuance of securities.

7. a. The corporation shall have the power and is hereby authorized from time to time to issue securities in principal amount or amounts as the corporation shall determine to be necessary to provide sufficient funds for achieving its authorized purposes, consisting of the purchase of all or a portion of a qualified municipality's tax liens pursuant to section 5 of this act and the payment of or provision for financing costs.

(1) The issuance of securities shall be authorized by a corporation resolution. Other than the express written consent of the State Treasurer, securities (including securities issued to refund securities) may be issued without obtaining the consent of any department, division, commission, board, bureau or agency of a qualified municipality and without any other proceedings or the occurrence of any other conditions or other things other than those proceedings, conditions or things which are specifically required by this act. Every issue of securities shall be special revenue obligations payable from, and secured, in whole or in part, by a pledge of encumbered tax liens or other assets, or both, including, without limitation, those proceeds of the securities deposited in a reserve fund for the benefit of the owners of the securities, earnings on funds of the corporation and other funds as may become available, as specified by the corporation in the corporation resolution pursuant to which
the securities are issued or in a related trust agreement, indenture or sale agreement.

(2) The corporation may issue securities to refund any securities by the issuance of new securities, whenever it deems refunding expedient, whether the securities to be refunded have or have not matured, and may issue securities partly to refund securities then outstanding and partly for any of its other authorized purposes. The refunding securities may be exchanged for the securities to be refunded or sold and the proceeds applied to the purchase, redemption or payment of the securities.

b. Each issue of securities shall be dated, shall bear interest (which under the code may be includable in or excludable from the gross income tax of the owners for federal income tax purposes) at such fixed or variable rates, payable at or prior to maturity, and shall mature at such time or times, as may be determined by the corporation and may be made redeemable before maturity, at the option of the corporation, at such price or prices and under such terms and conditions as may be fixed by the corporation. The principal and interest of the securities may be made payable in any lawful medium. The corporation shall determine the form of the securities, either coupon, registered or book entry form, and the manner of execution of the securities and shall fix the denomination or denominations of the securities and the place or places of payment of principal and interest thereof, which may be at any bank or trust company within or without a qualified municipality. If any officer whose signature or a facsimile thereof appears on any securities shall cease to be the officer before the delivery of the securities, the signature or facsimile shall nevertheless be valid and sufficient for all purposes as if he or she had remained in office until delivery. The securities may be issued in coupon or in registered form or both, as the corporation may determine, and provisions may be made for the registration of any coupon securities as to principal alone, interest alone and as to both principal and interest and for the reconversion of any securities registered as to both principal and interest into coupon securities. The corporation may also provide for temporary securities and for the replacement of any security that shall become mutilated or shall be destroyed or lost.

c. The corporation may sell the securities in any manner, either at public or private sale and on either a competitive or negotiated basis. The proceeds of the securities shall be disbursed for the purposes for which the securities were issued as the act, the sale agreement and the corporation resolution authorizing the issuance of the securities or the related trust agreement or indenture may provide.

d. Any pledge made by the corporation shall be valid and binding at the time the pledge is made. The revenues, reserves or earnings so pledged, or earnings on the investment thereof, shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien
of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the corporation, irrespective of whether the parties have notice thereof. Notwithstanding any other provision of law to the contrary, neither the corporation resolution nor any trust agreement or indenture or other instrument by which a pledge is created, or by which the corporation’s interest in the encumbered tax liens, reserves or earnings thereon or in properties acquired by the corporation as a result of the foreclosure or other liquidation of tax liens is assigned, need be filed or recorded in any public records in order to protect the pledge thereof, or perfect the lien thereof, as against third parties, except that a copy thereof shall be filed in the records of the corporation.

e. Notwithstanding the provisions of any other law to the contrary, any securities issued pursuant to this act shall be fully negotiable within the meaning and for all purposes of Title 12A of the New Jersey Statutes, and each owner of such a security or other obligation, by accepting the security shall be conclusively deemed to have agreed that the security is and shall be fully negotiable within the meaning and for all purposes of Title 12A.

f. In the discretion of the corporation, any securities and any ancillary facilities may be secured by a trust agreement or indenture by and between the corporation and the trustee thereunder, which may be any trust company or bank having the powers of a trust company, whether located within or without the State. A trust agreement or indenture or corporation resolution providing for the issuance of securities may provide for the creation and maintenance of such reserves as the corporation shall determine to be proper and may include covenants setting forth the duties of the corporation in relation to the securities, the ancillary facilities, the income to the corporation, the sale agreement, the encumbered tax liens and residual interests. The trust agreement, indenture or corporation resolution may contain provisions respecting the servicing of the tax liens, the custody, safeguarding and application of all moneys and securities, and may contain such provisions for protecting and enforcing the rights and remedies (pursuant thereto and to the sale agreement) of the owners of the securities and benefitted parties as may be reasonable and proper and not in violation of law. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of securities or of any other funds or obligations received on behalf of the corporation to furnish such indemnifying bonds or to pledge such obligations as may be required by the corporation. Any trust agreement or indenture or corporation resolution may contain such other provisions as the corporation may deem reasonable and proper for priorities and subordination among the owners of the securities and benefitted parties.

g. The corporation may enter into, amend or terminate, as it determines to be necessary or appropriate, any ancillary facilities to facilitate the issuance,
sale, resale, purchase, repurchase or payment of securities. The determination of the corporation that an ancillary facility or the amendment or termination thereof is necessary or appropriate as aforesaid shall be conclusive. The ancillary facility shall be made upon the terms and conditions established by the corporation, including, without limitation, provisions as to security, default, termination, payment, remedy and consent to service of process.

h. The corporation may enter into, amend or terminate any ancillary facility as it determines to be necessary or appropriate to place the obligations or investments of the corporation, as represented by the securities or the investment of their proceeds, in whole or in part, on the interest rate, cash flow or other basis desired by the corporation. These contracts or arrangements may be entered into by the corporation in connection with, or incidental to, entering into, or maintaining any (1) agreement which secures securities of the corporation or (2) investment, or contract providing for investments, of reserves or similar facility guaranteeing an investment rate for a period of years. The determination by the corporation that an ancillary facility or the amendment or termination thereof is necessary or appropriate as aforesaid shall be conclusive. Any ancillary facility may contain such payment, security, default, remedy, termination provisions and payments, and other terms and conditions as determined by the corporation, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including, without limitation, any rating by any nationally recognized rating agency, and any other criteria as may be appropriate.

i. Securities and ancillary facilities may contain a recital that they are issued pursuant to this act, which recital shall be conclusive evidence of their validity, the validity of any ancillary facility and the regularity of the proceedings relating thereto.

j. Neither the members of the corporation nor any other person executing the securities or an ancillary facility shall be subject to any personal liability or accountability by reason of the issuance or execution and delivery thereof.

C.52:27BBB-73 Securities, ancillary facility not debt, liability of State.

8. The securities and any ancillary facility shall not be a debt or liability of the State, a qualified municipality or any agency or instrumentality of either thereof (other than the corporation as set forth in this act), either legal, moral or otherwise, and nothing contained in this act shall be construed to authorize the corporation to incur any indebtedness on behalf of or in any way to obligate the State or a qualified municipality (excluding a qualified municipality's obligation, if any, to repurchase or substitute for a tax lien pursuant to the terms set forth in the sale agreement), and the securities and any ancillary facility shall contain on the face thereof, or other prominent place thereon, in bold typeface, a statement to the foregoing effect.
CHAPTER 120, LAWS OF 2003

C.52:27BBB-74 Tax exemptions.

9. a. It is hereby determined that the creation of the corporation and the carrying out of its authorized purposes is in all respects a public and governmental purpose for the benefit of the people of a qualified municipality and for the improvement of financial security of a qualified municipality, and that said purposes are public purposes and that the corporation will be performing an essential governmental function in the exercise of the powers conferred upon it by this act.

b. The property of the corporation and its income and operations shall be exempt from all State taxation.

c. The securities and the interest thereon and the income derived from all funds, revenues, incomes and other moneys received for or to be received by the corporation and the properties and income thereon acquired and held by the corporation or its designee as a result of the foreclosure or other liquidation of tax liens shall be exempt from all taxes levied pursuant to the provisions of Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, except for transfer inheritance and estate taxes levied pursuant to Subtitle 5 of Title 54 of the Revised Statutes.

d. In the case of any securities, the interest on which is exempt from federal and State (personal and corporate) income tax, the corporation may prescribe restrictions on the use of the proceeds thereof and related matters as may be necessary to assure such exemption, if any, and the recipients of such proceeds shall then be bound thereby to the extent such restrictions shall be made applicable to them. Any such recipient, including without limitation, a qualified municipality, is authorized to execute a tax regulatory agreement with the corporation and the execution of such an agreement may be treated as a condition to receiving any such proceeds.

C.52:27BBB-75 State pledges, agreements with parties.

10. a. The State hereby pledges and agrees with the corporation, the owners of the securities and benefitted parties, that until all securities and ancillary facilities, together with the interest thereon and all costs and expenses in connection with any action or proceedings by or on behalf of owners of securities or benefitted parties, are fully paid and discharged the State will (1) not limit or alter the rights of the corporation to fulfill the terms of its agreements with the owners or benefitted parties and (2) not in any way impair the rights and remedies of the owners or benefitted parties or the security for the securities or ancillary facilities. The State is authorized and directed to include this pledge and agreement in sale agreements and the corporation is authorized and directed to include this pledge and agreement in any contract with the owners of the securities and benefitted parties.
b. Prior to the date that is one year and one day after the corporation no longer has any securities or ancillary facilities outstanding, the corporation shall have no authority to file a voluntary petition under chapter 9 of the federal bankruptcy code or the corresponding chapter or sections as may, from time to time, be in effect, and neither any public officer nor any organization, entity or other person shall authorize the corporation to be or become a debtor under chapter 9, or any successor or corresponding chapter or sections, during this period. The State hereby covenants with the owners of the securities and benefitted parties that the State will not limit or alter the denial of the corporation under this subsection during the period referred to in the preceding sentence. The corporation is authorized and directed to include this covenant as an agreement of the state in any contract with the owners of the securities and benefitted parties.

C.52:27BBB-76 Immunity.

11. Neither any member of the corporation nor any officer, employee or agent of the corporation, while acting within the scope of his or her authority, shall be subject to any personal liability resulting from exercising or carrying out of any of the corporation's purposes or powers.

C.52:27BBB-77 Rules, regulations.

12. The corporation may adopt any rule and regulation to effectuate the purposes of this act and, if it does so, shall apply the procedures of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), with respect thereto.

C.52:27BBB-78 Liberal construction.

13. This act and all powers granted hereby shall be liberally construed to effectuate its intent and their purposes, without implied limitations thereon. This act shall constitute full and complete authority for all things herein contemplated to be done. All rights and powers herein granted shall be cumulative with those derived from other sources and shall not, except as expressly stated herein, be construed in limitation thereof. Insofar as the provisions of this act are inconsistent with the provisions of any other act, general or special, the provisions of this act shall be controlling. If any clause, sentence, paragraph, section or part of this act be adjudged by any court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder hereof, but shall be applied in its operation to the clause, sentence, paragraph, section or part hereof directly involved in the controversy in which the judgment shall have been rendered.
C.52:27BBB-79 Title 54 unaffected; precedence of act.

14. Title 54 of the Revised Statutes shall remain in full force and effect. In the event of any conflict between this act and Title 54 of the Revised Statutes, this act shall be given precedence over such other law.

15. This act shall take effect immediately.

Approved July 1, 2003.

Receipts from nonpublic schools handicapped and auxiliary recoveries are appropriated for the payment of additional aid in accordance with section 17 of P.L.1977, c.192 (C.18A:46A-14) and section 14 of P.L.1977, c.193 (C.18A:46-19.8).

Notwithstanding the provisions of section 14 of P.L.1977, c.193 (C.18A:46-19.8) for the purpose of computing Nonpublic Handicapped Aid for pupils requiring the following services, the per pupil amounts shall be: $1,185.64 for an initial evaluation or reevaluation for examination and classification; $355.50 for an annual review for examination and classification; $901.06 for speech correction; and $785.81 for supplementary instruction services.

Notwithstanding the provisions of section 9 of P.L.1977, c.192 (C.18A:46A-9), the per pupil amount for compensatory education for the 2003-2004 school year for the purposes of computing Nonpublic Auxiliary Services Aid shall equal $739.60.

Notwithstanding the provisions of section 9 of P.L.1991, c.226 (C.18A:40-31), the amount appropriated hereinabove for Nonpublic Nursing Services Aid shall be made available to local school districts based upon the number of pupils enrolled in each nonpublic school on the last day prior to October 16, 2002.

Nonpublic Technology Initiative aid shall be paid to school districts and allocated for nonpublic school pupils at the rate of $40 per pupil in a manner that is consistent with the provisions of the federal and State constitutions.

Of the amount hereinabove in the High School Equivalency and the Adult Literacy accounts, such sums as are necessary may be transferred to an applicant State department.

Notwithstanding any provision of law to the contrary, the amount appropriated hereinabove for Formula Entitlement Amelioration Aid shall be allocated to any
K-8 school district whose 2001-2002 projected enrollment growth exceeded 8 percent and whose 2001-2002 transportation aid cash payment was reduced to zero due to a 2000-2001 deferred reduction resulting from the recalculation of the district's 2000-2001 stabilization growth limitation. The amount provided to each district as Formula Entitlement Amelioration Aid shall equal the total amount of the 2000-2001 deferred reductions and shall be included in the calculation of the spending growth limitation for the 2003-2004 school year pursuant to section 5 of P.L. 1996, c.138 (C.18A:7F-5).

The Commissioner of Education shall not authorize the disbursement of funds to any "Abbott district" until the commissioner is satisfied that all educational expenditures in the district will be spent effectively and efficiently in order to enable those students to achieve the core curriculum content standards. The commissioner shall be authorized to take any necessary action to fulfill this responsibility, including but not limited to, the adoption of regulations related to the receipt and/or expenditure of State aid by the "Abbott districts" and the programs, services and positions supported thereby. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.), any such regulations adopted by the commissioner shall be deemed adopted immediately upon filing with the Office of Administrative Law. The commissioner may deduct from the State aid of any "Abbott district" the expenses required to manage, control and supervise the implementation of that State aid. In order to expeditiously fulfill the responsibilities of the commissioner under Abbott v. Burke, determinations by the commissioner hereunder shall be considered to be final agency action and appeal of that action shall be directly to the Appellate Division of the Superior Court. The unexpended balance as of June 30, 2003, in the Abbott v. Burke Parity Remedy account is appropriated for the same purpose and with the same conditions as are applied to the fiscal year 2004 appropriation for this purpose.

Notwithstanding any other law to the contrary, State aid for each "Abbott district" whose per pupil regular education expenditure for 2003-2004 under P.L.1996, c.138 is below the estimated per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2003-2004 shall be increased. The amount of increase shall be appropriated as the sum of Abbott v. Burke Parity Remedy aid and an amount of Additional Abbott v. Burke aid such that the increase is fully funded, and shall be determined as follows: funds shall be allocated in the amount of the difference between each "Abbott district's" per pupil regular education expenditure for 2003-2004 and the actual per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2002-2003 indexed by the actual percentage increase in the per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2002-2003 over the per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2001-2002. In calculating the per pupil regular education expenditure of each "Abbott district" for 2003-2004, regular education expenditure shall equal the sum of the general fund tax levy for 2002-2003, Core Curriculum Standards Aid, Supplemental Core Curriculum Standards Aid and all forms of stabilization aid pursuant to
section 10 of P.L.1996, c.138 (C.18A:7F-10); enrollments shall initially be those resident enrollments for preschool through grade 12 contained on the Application for State School Aid for 2003-2004 indexed by the district's enrollment growth rate used to determine the estimated enrollments of October 2003; enrollments shall be calculated at their full-time equivalent and reduced by preschool and one half of full-day kindergarten enrollments. State aid shall be adjusted upon receipt of resident enrollment for the "Abbott districts" as of October 15, 2003 as reflected on the Application for State School Aid for 2004-2005. State aid shall also be adjusted based on the actual per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2003-2004. In calculating the actual per pupil average regular education expenditure of districts in district factor groups "I" and "J" for 2003-2004, regular education expenditure shall equal the sum of the general fund tax levy for 2003-2004, Core Curriculum Standards Aid, Supplemental Core Curriculum Standards Aid and all forms of stabilization aid pursuant to section 10 of P.L.1996, c.138 (C.18A:7F-10); enrollments shall be the resident enrollment for preschool through grade 12 as of October 15, 2003 as reflected on the Application for State School Aid for 2004-2005; enrollments shall be calculated at their full-time equivalent and reduced by preschool and one half of full-day kindergarten enrollments in districts receiving Early Childhood Program Aid.

Notwithstanding any other law to the contrary, as a condition of receiving Abbott v. Burke Parity Remedy aid, an "Abbott district" shall raise a general fund tax levy which shall be no less than the general fund tax levy of the prior year.

Consolidated Aid shall be distributed to each district in district factor groups "I" or "J" in an amount equal to the total of the amount allocated to the district in 2002-2003 as Distance Learning Network Aid, aid for approved adult high schools and post-graduate programs, and academic achievement rewards and to all other districts at the greater of the total of the amount allocated to the district in 2002-2003 as Distance Learning Network Aid, aid for approved adult high schools and post-graduate programs, and academic achievement rewards or the amount calculated at a rate of $109.72 per pupil based on the resident enrollment contained on the Application for State School Aid for 2003-2004 indexed by the district's enrollment growth rate used to determine the estimated enrollments of October 2003. Notwithstanding any other law or regulation to the contrary, the amount provided to each district as Consolidated Aid shall be included in the calculation of the spending growth limitation pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5). The amount distributed as Consolidated Aid shall be appropriated as the sum of the amount hereinabove for Consolidated Aid and $18,399,000 of the amount hereinabove for Adult and Postsecondary Education Grants.

For the purposes of calculating Consolidated Aid, the amount that would have been allocated as additional school aid in 2002-2003 based on the impact of the withdrawal of a constituent member from a limited purpose regional school district effective July 1, 2003 shall be allocated as Consolidated Aid and the 2002-2003 amounts allocated as Distance Learning Network Aid and academic
achievement rewards will also be calculated as though the withdrawal had occurred in the prior year.

The amount appropriated hereinabove for Additional Abbott v. Burke State Aid will provide additional resources to “Abbott districts” to meet the State’s obligation to fully fund parity and approved “Abbott” preschool expansion. The remaining funds appropriated will be used for the award of discretionary funding to “Abbott districts” to maintain the programs, services and positions from the prior year that the commissioner determines are essential to the provision of a thorough and efficient education in those districts. Before the Commissioner of Education establishes the discretionary award, he shall determine whether some or all of the additional funds sought can be achieved by reallocating non-instructional expenditures or achieving economies and efficiencies in the delivery of services and programs. If the commissioner determines that the district does have available such reallocations or achievement of economies and efficiencies, the commissioner shall direct that the district undertake those steps and use those funds to support, in part or in full, the requested programs and services. The discretionary award shall be adjusted based on the annual audit filed pursuant to N.J.S. 18A:23-1, and other financial statements and information, of each “Abbott district” that has requested Additional Abbott v. Burke State Aid. Any district that fails to submit the required documentation or fails to submit its annual audit by November 15, 2003 may have its State aid withheld upon the commissioner’s request to the Director of the Division of Budget and Accounting. In making any adjustment to the discretionary award, the commissioner shall consider all of the district’s available resources and any appropriate reallocations, including, but not limited to, a reallocation of the district’s undesignated general fund balances in excess of two percent.

The amount appropriated hereinabove as Abbott Preschool Expansion Aid is for the purpose of funding the increase in the approved budgeted costs from 2001-2002 to 2003-2004 for the projected expansion of preschool programs in “Abbott districts.” Payments of Abbott Preschool Expansion Aid shall be based on documented expansion of the preschool program. Upon the Commissioner of Education’s request, “Abbott districts” will be required to provide such supporting documentation as deemed necessary to verify that the actual expansion in the preschool program has occurred in the 2003-2004 fiscal year. Such documentation may include expenditure, enrollment and attendance data that may be subject to an audit. Appropriate adjustments to a district’s Abbott Preschool Expansion Aid amount may be made by the commissioner based on actual need.

The amount hereinabove for the New Jersey Character Education Partnership Initiative shall be made available to school districts according to a formula to be administered by the Commissioner of Education which will assure that each district that elects to participate shall receive funding for at least one school. Of the amount appropriated hereinabove, up to $100,000 may be used to fund the costs of operating this program, subject to the approval of the Director of the Division of Budget and Accounting.
Notwithstanding any other law to the contrary, the amount of State aid made available to the Department of Human Services pursuant to "The State Facilities Education Act of 1979," P.L.1979, c.207 (C.18A:7B-1 et al.), to defray the costs of educating eligible children in approved private schools under contract with the Department of Human Services shall not exceed the actual costs of the education of those children in such private schools.

Notwithstanding any other law to the contrary, Special Education Aid for pupils classified as eligible for day training shall be paid directly to the resident school district; provided however, that for pupils under contract for service in a regional day school operated by or under contract with the Department of Human Services, tuition shall be withheld and paid to the Department of Human Services.

Notwithstanding the provisions of section 3 of P.L.1971, c.271 (C.18A:46-31), a portion of the district tuition amounts payable to a county special services school district operating an extended school year program may be transferred to the county special services school district prior to the first of September in the event the board shall file a written request with the Commissioner of Education stating the needs for the funds. The commissioner shall review the board's request and determine whether to grant the request after an assessment of whether the district needs to spend the funds prior to September and after considering the availability of district surplus. The Commissioner of Education shall transfer the payment for the portion of the tuition payable for which need has been demonstrated.

The amount appropriated hereinabove for Extraordinary Special Education Costs Aid in excess of the amount appropriated for the same purpose in fiscal year 2003 shall be used to achieve property tax relief in the 2003 or 2004 local tax year.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAA/D) program and the Senior Gold Prescription Discount Program are available to pharmacies that have not submitted an application to enroll as an approved medical supplier in the Medicare program, unless they already are an approved Medicare medical supplier. Pharmacies will not be required to bill Medicare directly, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAAD. Beneficiaries are responsible for the applicable PAA/D or Senior Gold Prescription Discount Program copayment.

Notwithstanding the provisions of any law or regulation to the contrary, the Commissioner of Health and Senior Services shall establish a retrospective Polypharmacy drug utilization review program to study the efficacy, necessity and safety of prescriptions in excess of ten per month per PAAD or Senior Gold client and shall approve or disallow future payments for clients whose prescriptions exceed ten per client per month if the prescriptions have been proven inefficient, unnecessary or unsafe.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Health and Senior Services shall have the authority to establish a voluntary prescription drug mail-order program. The mail-order program may waive, discount or rebate the beneficiary copay and mail-order pharmacy providers may dispense up to a 90 day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of the Department of Health and Senior Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provision of any law or contracts to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled and Senior Gold Prescription Discount programs pursuant to this act shall be expended unless participating manufacturing companies execute contracts with the Department of Health and Senior Services through the Department of Human Services providing for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through and including (c) of the federal Social Security Act, 42 U.S.C. s.1396 r-8 (a) - (c), with the exception that the
formula for the rebates for generic drugs, which will be determined by the Commissioners of the Departments of Health and Senior Services and Human Services, will be calculated on the same basis (best price of minimum of 15.1%) as brand name drugs. Rebates paid to the State for pharmaceuticals dispensed after January 1, 2003, shall be paid to the State on the same basis as provided for in Section 1927 (a) through and including (c) of the Federal Social Security Act, 42 U.S.C. §1396 r-8 (a) - (c), provided that the manufacturer's rebates for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the Senior Gold Discount Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Commissioner of Health and Senior Services shall establish a disease management program to improve the quality of care and reduce costs in the Pharmaceutical Assistance to the Aged and Disabled and Senior Gold Discount programs.

Notwithstanding the provisions of any other law to the contrary and subject to the notice provisions of 42 CFR 447.205, for rates implemented on or after July 1, 2000, target occupancy as determined pursuant to N.J.A.C.10:63-3.16 shall not apply to those facilities receiving enhanced rates of reimbursement pursuant to N.J.A.C.10:63-2.21. The per diem amounts for all other expenses of the enhanced rates shall be based upon reasonable base period costs divided by actual base period patient days, but no less than 85% of licensed bed days shall be used.

Such sums as may be necessary are appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment (pending enactment of legislation), subject to the approval of the Director of the Division of Budget and Accounting of a plan to be submitted by the Commissioner of Health and Senior Services.

In addition to the amount hereinabove, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds appropriated for the Home Care Expansion Program (HCEP) shall be paid only for individuals enrolled in the program as of June 30, 1996 who are not eligible for the Community Care Program for the Elderly and Disabled or alternative programs, and only for so long as those individuals require services covered by the HCEP. Individuals enrolled in the HCEP as of June 30, 1996 and eligible for the Community Care Program for the Elderly and Disabled, may apply to be enrolled in that program.

Notwithstanding the provisions of any other law to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue Fund Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the fiscal year 2004 budget may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years. Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2003, each prescription order dispensed in the Pharmaceutical Assistance to the Aged and Disabled program for Maximum Allowable Cost (MAC) drugs shall state "Brand Medically Necessary" in the prescriber's own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs, and each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.).

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled program shall be used to pay for quantities of erectile dysfunction therapy medication in excess of four treatments per month. Moreover, payment will only be provided if the diagnosis of erectile dysfunction is written on the prescription form and the treatment is provided to males over the age of 18 years.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAA/D) program are available to pharmacies that have not submitted an application to enroll as an approved medical supplier in the Medicare program, unless they already are an approved Medicare medical supplier. Pharmacies will not be required to bill Medicare directly, but must agree to allow PAA/D to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAA/D. The amounts hereinabove appropriated for Payments for Medical Assistance Recipients are available for the payment of obligations applicable to prior fiscal years.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from Payments for Medical Assistance Recipients-Personal Care and Payments for Medical Assistance Recipients-Other Services within the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services and the Payments for Medical Assistance Recipients-Personal Care and the Payments for Medical Assistance Recipients-Other Services accounts in the Division of Disability Services in the Department of Human Services. Amounts may also be transferred to and from various items of appropriations within the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in the Division of Senior Services in the Department of Health and Senior Services, excluding the Partnership for Children and Partnership for Children-Residential accounts. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the General Medical Services program classification, excluding the Partnership for Children and Partnership for Children-Residential accounts, shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

Notwithstanding any law to the contrary, of the amount appropriated hereinabove funding is available for the Department of Human Services to provide education and public awareness concerning the use of the new rapid AIDS test.

For the purposes of account balance maintenance, the Partnership for Children and Partnership for Children-Residential accounts shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program.

The State appropriation for Medicaid Title XIX is based on a federal financial participation rate of 48.7%, provided however, that if the federal financial participation rate exceeds this percentage, there will be placed in reserve a portion of the State appropriation equal to the amount of additional federal funds, subject to the approval of the Director of the Division of Budget and Accounting.
Notwithstanding any law to the contrary, the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations.

In addition to the amounts hereinabove for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ KidCare program (Children's Health Care Coverage Program) as defined in P.L.1997, c.272 (C.30:41-1 et seq.).

When any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance for the Aged program is eliminated.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 2003 are appropriated for payments to providers in the same program class from which the recovery originated.

The amount appropriated hereinabove for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding any other law to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and Management accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary and subject to federal approval, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 CFR 447.205, of the amount hereinabove for Personal Care Assistant services, Personal Care Assistant services shall be limited to no more than 25 hours per week. Additional hours for emergency utilization, up to 40 per week, shall be authorized by the Division of Medical Assistance and Health Services prior to the provision of services not provided by clinics under contract with the Division of Mental Health Services. The hourly weekend rate shall not exceed $16.

The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The division shall require, in the case of a married individual requiring long-term care services, that the
portion of the couple's resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services. Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan as shall be submitted by the Commissioner of Human Services.

The Division of Medical Assistance and Health Services is empowered to competitively bid and contract for performance of federally mandated inpatient hospital utilization reviews, and the funds necessary for the contracted utilization review of these hospital services are made available from the Payments for Medical Assistance Recipients - Inpatient Hospital account, subject to the approval of the Director of the Division of Budget and Accounting.

Such sums as may be necessary are available from the Health Care Subsidy Fund to supplement Payments for Medical Assistance Recipients - Inpatient Hospital, subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding any other laws to the contrary, State funding for the New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as of July 1, 2001, or at such later date as shall be established by the Commissioner of Human Services.

Notwithstanding any law to the contrary, a New Jersey major teaching acute medical/surgical care hospital that has been recognized by the New Jersey Medicaid program as an eligible non-State owned or operated government facility shall be eligible to receive an enhanced payment for providing inpatient and outpatient services to New Jersey Medicaid fee-for-service and NJ FamilyCare fee-for-service beneficiaries. Effective July 1, 2003, interim payments shall be made in equal monthly lump sum amounts, based on an estimate of the total enhanced amount payable to a qualifying hospital, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the New Jersey FamilyCare Health Coverage Program benefit service packages, premium contributions, copayment levels, enrollment levels and any other program features or operations may be modified as the Commissioner of Human Services deems necessary based upon a plan approved by the Director of the Division of Budget and Accounting to ensure that monies expended for the New Jersey FamilyCare Health Coverage Program do not exceed the amount appropriated hereunder.

Notwithstanding any provision of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the Commissioner of Human Services shall adopt immediately upon filing with the Office of Administrative Law such regulations as the commissioner deems necessary to ensure that monies expended for the New Jersey FamilyCare Health Coverage Program do not exceed the amount appropriated hereunder. Such regulations may change or adjust the financial and non-financial eligibility requirements for some or all of the applicants or beneficiaries in the program, the benefits provided,
cost-sharing amounts, or may suspend in whole or in part the processing of applications for any or all categories of individuals covered by the program. Notwithstanding any other law to the contrary, those hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment shall receive enhanced payments from the Medicaid program for providing services to Medicaid and NJ FamilyCare beneficiaries. The total payments shall not exceed the amount appropriated and shall be allocated among hospitals proportionately based on the amount of HRSF payments (excluding any adjustments to the HRSF for other Medicaid payment increases). Effective July 1, 2003, interim payments shall be made from the Hospital Relief Offset Payment account, based on an estimate of the total enhanced amount payable to a qualifying hospital, and subject to cost settlement. The enhanced payment, determined at cost settlement, will be an amount approved by the Director of the Division of Budget and Accounting per Medicaid patient day, adjusted by a volume variance factor (the ratio of expected Medicaid inpatient days to actual Medicaid inpatient days for the rate year) and an HRSF factor (the ratio of the hospital’s HRSF payments to total HRSF payments) and subject to a pro rata adjustment so that the total enhanced per diem amounts are equivalent to the total State and federal funds appropriated not to exceed an amount to be approved by the Director of the Division of Budget and Accounting. The total of these payments shall be reduced by an amount equal to any increase in Medicaid and NJ FamilyCare fee-for-service payments to New Jersey hospitals enacted herein or subsequent to this legislation.

Notwithstanding any other law to the contrary, for those hospitals that qualify for a Hospital Relief Subsidy Fund payment, the New Jersey Medicaid program shall reimburse those hospitals’ Graduate Medical Education outpatient payments up to the amount the hospital would have received under Medicare principles of reimbursement for Medicaid and NJ FamilyCare fee-for-service beneficiaries. Effective July 1, 2003, payments shall be made from the Hospital Relief Offset Payment account and shall be based on the qualifying hospitals’ first finalized 1996 cost reports. The amount that the qualifying hospital would otherwise be eligible to receive from the Hospital Relief Subsidy Fund shall be reduced by the amount of this Graduate Medical Education outpatient payment. The total amount of these payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds. In no case shall these payments and all other enhanced payments related to those services primarily used by Medicaid and NJ FamilyCare beneficiaries that the hospital receives exceed the amount the hospital would otherwise have been eligible to receive from the Hospital Relief Subsidy Fund in the State fiscal year.

Of the amounts appropriated in State and federal funds in the Hospital Relief Offset Payment accounts in the Division of Medical Assistance and Health Services, such sums as may be necessary shall be transferred to the Hospital Relief Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160 (C.26:2H-18.51 et seq.) to maximize federal revenues related to these
accounts and maintain an appropriate level of hospital payments, subject to the approval of the Director of the Division of Budget and Accounting. Rebates from pharmaceutical manufacturing companies during the fiscal year ending June 30, 2003 for prescription expenditures made to providers on behalf of Medicaid clients are appropriated for the Payments for Medical Assistance Recipients - Prescription Drugs account.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2003, or at the earliest date thereafter consistent with the notice provisions of 42 CFR 447.205 where applicable, no funds appropriated for prescription drugs in the Payments for Medical Assistance Recipients - Prescription Drugs or General Assistance Medical Services account shall be expended except under the following conditions: (a) reimbursement for the cost of legend and non-legend drugs and nutritional supplements shall not exceed their Average Wholesale Price (AWP) less a 12.5% discount; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $4.07 in effect on June 30, 2003 shall remain in effect through fiscal year 2004, including the current increments for patient consultation, impact allowances and allowances for 24-hour emergency services; and (c) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Division of Medical Assistance and Health Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Review Board or brand name drugs with lower cost per unit than the generic, may be excluded from prior authorization by the Division of Medical Assistance and Health Services.

Notwithstanding any laws or regulations to the contrary, payments from the Payments for Medical Assistance Recipients - Prescription Drugs account, the General Assistance drug program or the fee-for-service portion of NJ FamilyCare shall not cover quantities of erectile dysfunction drug therapies, in excess of four treatments per month. Moreover, payments will only be provided if the diagnosis of erectile dysfunction is written on the prescription form and the treatment is provided to males over the age of 18 years.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 CFR 447.205, effective July 1, 2003, approved nutritional supplements will be reimbursed in accordance with a fee schedule set by the Director of the Division of Medical Assistance and Health Services.

Effective July 1, 2003, no funding shall be provided from the Payments for Cost of General Assistance or NJ FamilyCare programs for anti-retroviral drugs for the treatment of HIV/AIDS, as specified in the Department of Health and Senior Services’ formulary for the AIDS Drugs Distribution Program (ADDP).

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2003, the following provisions shall apply to the dispensing of prescription drugs through the General Assistance Medical Services account: (a) all Maximum Allowable Cost (MAC) drugs dispensed shall state “Brand
Medically Necessary" in the prescriber's own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs; and (b) each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.). The list of drugs substituted shall conform to all requirements pertaining to drug substitution and federal upper limits for MAC drugs as administered by the State Medicaid Program.

Notwithstanding the provision of any law or contracts to the contrary, no funds appropriated for the Payments for Medical Assistance Recipients - Prescription Drugs program pursuant to this act shall be expended unless participating manufacturing companies execute contracts with the Department of Human Services providing for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through and including (c) of the federal Social Security Act, 42 U.S.C. s.1396 r-8 (a) - (c), with the exception that the formula for the rebates for generic drugs, which will be determined by the Commissioner of the Department Human Services, will be calculated on the same basis (best price or minimum of 15.1%) as brand name drugs. Rebates paid to the State for pharmaceuticals dispensed after January 1, 2003, shall be paid to the State on the same basis as provided for in section 1927 (a) through and including (c) of the federal Social Security Act, 42 U.S.C. s.1396 r-8 (a) - (c).

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Division of Medical Assistance and Health Services to fund the costs of enhanced audit recovery efforts of the division within the General Medical Services program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2003, each prescription order for protein nutritional supplements and specialized infant formulas dispensed in the Medicaid, General Assistance Medical Services, NJ FamilyCare and NJ KidCare fee-for-services programs shall be filled with the generic equivalent unless the prescription order states "Brand Medically Necessary" in the prescriber's own handwriting.

Notwithstanding the provisions of any other law or regulation to the contrary, reimbursement rates for outpatient hospital services are limited to the payment level in effect during State fiscal year 2003.

Of the revenues received as a result of sanctions to health maintenance organizations participating in Medicaid Managed Care, an amount not to exceed $500,000 is appropriated to the Payments for Medical Assistance Recipients - Physician account, subject to the approval of the Director of the Division of Budget and Accounting.

Non-contracted hospitals providing emergency services to Medicaid or NJ FamilyCare members enrolled in the managed care program shall accept, as payment in full, the amounts that the non-contracted hospital would receive...
from Medicaid for the emergency services and/or any related hospitalization if the beneficiary were enrolled in Medicaid fee-for-service.

Notwithstanding the provisions of subsection (b) of N.J.A.C.10:60-5.3 and subsection (a) of N.J.A.C.10:60-5.4 to the contrary, a person receiving the maximum number of Early and Periodic Screening, Diagnosis and Treatment/Private Duty Nursing (EPSDT/PDN) services, that is, 16 hours in any 24-hour period, may be authorized to receive additional PDN hours if private health insurance is available to cover the cost of the additional hours and appropriate medical documentation is provided which indicates that additional PDN hours are required and that the primary caregiver is not qualified to provide the additional PDN hours.

Of the amount hereinabove for Payments for Medical Assistance Recipients - Clinic, an amount not to exceed $1,900,000 is allocated for limited prenatal medical care provided by clinics, or in the case of radiology and clinical laboratory services ordered by a clinic, for New Jersey pregnant women who, except for financial requirements, are not eligible for any other State or federal health insurance program.

Additional federal Title XIX revenue generated from the claiming of family planning services payments on behalf of individuals enrolled in the Medicaid managed care program is appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

Effective July 1, 2003, the Division of Medical Assistance and Health Services (DMAHS) is authorized to pay financial rewards to individuals or entities who report instances of health care-related fraud and/or abuse involving the programs administered by DMAHS (including, but not limited to, the New Jersey Medicaid, NJ FamilyCare and NJ KidCare programs) or the Pharmaceutical Assistance to the Aged and Disabled (PAAD) or Work First New Jersey General Public Assistance programs. Rewards may be paid only when the reports result in a recovery by DMAHS, and only if other conditions established by DMAHS are met, and shall be limited to 10% of the recovery or $1,000, whichever is less. Notwithstanding any State law to the contrary, but subject to any necessary federal approval and/or change in federal law, receipt of such rewards shall not affect an applicant's individual financial eligibility for the programs administered by DMAHS or for PAAD or Work First New Jersey General Public Assistance programs.

The Division of Medical Assistance and Health Services, in coordination with the county welfare agencies, shall continue a program to outstation eligibility workers in disproportionate share hospitals and federally qualified health centers.

Of the amount hereinabove for Eligibility Determination, an amount not to exceed $630,000 is allocated for increased eligibility determination costs related to immigrant services.

Premiums received from families enrolled in the NJ KidCare program (Children's Health Care Coverage Program) established pursuant to P.L.1997, c.272 (C.30:4I-1 et seq.) are appropriated for NJ KidCare payments.

The Division of Developmental Disabilities in the Department of Human Services is authorized to transfer funds from the Dental Program for Non-Institutionalized Children account to the Division of Medical Assistance and Health Services in the Department of Human Services, in proportion to the number of program participants who are Medicaid eligible.
Excess State funds realized by federal involvement through Medicaid in the Dental Program for Non-Institutionalized Children are committed for the program's support during the subsequent fiscal year, rather than for expansion.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Amounts that become available as a result of the return of persons from private institutional care placements, including in-State and out-of-State placements, shall be available for transfer to community and community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Skill development homes cost recoveries during the fiscal year ending June 30, 2004, not to exceed $12,500,000, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

The total amount appropriated in the Community Services Waiting List Reduction Initiatives - FY 2000, FY 2001 and FY 2002 and the Community Transition Initiative - FY 2001 and FY 2002 and the Community Nursing Care Initiative - FY 2002 accounts are available for transfer to community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of Title 30 of the Revised Statutes or any other law or regulation to the contrary, the Director of the Division of Developmental Disabilities is authorized to waive statutory, regulatory or licensing requirements for the implementation of a self-determination pilot program included in the Community Services Waiting List Reduction Initiatives - FY 1997, FY 1998, FY 1999, FY 2000, FY 2001 and FY 2002, subject to the approval of a plan by the Director of the Division of Developmental Disabilities, which will allow an individual to be removed from the waiting list. This waiver also applies to those persons identified as part of the Community Transition Initiative - FY 2001 and FY 2002 and the Community Nursing Care Initiative - FY 2002 who choose self-determination.

Cost recoveries from developmentally disabled patients and residents collected during the fiscal year ending June 30, 2004, not to exceed $5,500,000, are appropriated for the continued operation of the Group Homes program, and an additional amount, not to exceed $20,000,000, is appropriated for Community Services Waiting List Reduction Initiatives, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary, the State Treasurer, in consultation with the Commissioner of Human Services, may transfer, pursuant to the terms and conditions the State Treasurer deems to be in the best interest of the State, the operation, care, custody, maintenance and control of State-owned buses utilized for transportation of clients of the Adult Activity Centers funded from appropriations in the Adult Activities program classification in the Division of Developmental Disabilities to any party under contract with the Department of Human Services to operate an Adult Activity Center. That transfer shall be for a time to run concurrent with the contract for the operation of the Adult Activity
Center. That transfer as a non-cash award, and in conjunction with a cash appropriation, shall complete the terms of any contract with the Department of Human Services for the operation of the Adult Activity Center. Upon termination of any contract for the operation of an Adult Activity Center, the operation, care, custody, maintenance and control of the State-owned buses shall revert to the State. The State Treasurer shall execute any agreements necessary to effectuate the purpose of this provision.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to State Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan to be submitted by the Commissioner of Human Services. Notwithstanding any other law to the contrary, only the federal share of funds anticipated from these assessments shall be available to the Department of Human Services for the purposes set forth in P.L.1998, c.40 (C.30:6D-43 et seq.).

From the amounts appropriated hereinafore for the Community Services Waiting List Reduction Initiative - FY2002 and the Community Transition Initiative - FY2002 accounts, such funds as are necessary may be transferred to various administrative accounts as required, subject to the approval of the Director of Budget and Accounting.

Notwithstanding any law to the contrary, expenditures of federal Community Care Waiver funds received for community-based programs in the Division of Developmental Disabilities are limited to $184,282,000. Federal funding received above this level must be approved by the Director of the Division of Budget and Accounting in accordance with a plan submitted by the Department of Human Services.

In order to permit flexibility in the handling of appropriations and assure timely payment of provider services, funds may be transferred within the Grants-in-Aid accounts in the Division of Developmental Disabilities, subject to the approval of the Director of the Division of Budget and Accounting.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Cost recoveries from skill development homes during the fiscal year ending June 30, 2004, not to exceed $12,500,000, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

Cost recoveries from developmentally disabled patients and residents collected during the fiscal year ending June 30, 2004, not to exceed $5,500,000, are appropriated for the continued operation of the Group Homes program, and an additional amount, not to exceed $20,000,000, is appropriated for Community Services Waiting List Reduction Initiatives, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25 percent of unanticipated grant awards, and up to 25 percent of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate
authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances of federal funds as of June 30, 2003 are continued for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2003 of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 2004, reports on proposed expenditures during fiscal year 2004 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, any purchase by a state or local entity of federally approved homeland security
equipment that is directly paid for with or reimbursed by federal funds awarded by the U.S. Department of Homeland Security, Office for Domestic Preparedness, from First Responder Preparedness Allocation grant programs may be made through direct purchase from the Combat Support and Logistics Equipment/NBC, Marine Corps Systems Command prime vendor list, the Defense Logistics Agency, Defense Supply Center Philadelphia prime vendor list or any other list approved by the Department of Homeland Security, without advertising for bids, on the condition that the price of the equipment being purchased is no greater than the price offered to federal agencies or to the State through existing State contracts.

Grand Total Appropriation, All Funds ........... $33,921,624,752

2. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget and Finance Officer, private contributions, revolving funds and dedicated funds received, receivable or estimated to be received for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein, and the unexpended balances as of June 30, 2003 of such funds, subject to the approval of the Director of the Division of Budget and Accounting.

3. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 2003 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

6. There are appropriated such sums as may be required to pay interest liabilities to the federal government as required by the Treasury/State agreement pursuant to the provisions of the Cash Management Improvement Act of 1990, Pub.L. 101-453 (31 U.S.C. s.6501 et seq.), subject to the approval of the Director of the Division of Budget and Accounting.
7. There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds such sums as may be necessary for the State to comply with the federal "Tax Reform Act of 1986," Pub.L.99-514 (26 U.S.C. s.1 et seq.), which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

8. There are appropriated from the General Fund, subject to the approval of the Director of the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average rate of earnings during the fiscal year from the State’s general investments, to those bond funds that have borrowed money from the General Fund or other bond funds and that have insufficient resources to accrue and pay the interest expense on such borrowing.

9. In addition to the amounts appropriated hereinabove, such additional sums as may be necessary are appropriated to fund the costs of the collection of debts, taxes and other fees and charges owed to the State, including but not limited to the services of auditors and attorneys and enhanced compliance programs, subject to the approval of the Director of the Division of Budget and Accounting.

10. There is appropriated $11,600,000 from the Legal Services Trust Fund established pursuant to section 6 of P.L.1996, c.52 (C.22A:2-51), for transfer to the General Fund as State revenue to fund the following programs: $8,000,000 for Legal Services of New Jersey grant, $3,000,000 for ten additional judgeships in the Judiciary, and $600,000 for Clinical Legal Programs for the Poor at the Rutgers-Camden Law School, the Rutgers-Newark Law School and Seton Hall Law School.

11. The unexpended balances as of June 30, 2003 in the accounts of the several departments and agencies heretofore appropriated or established in the category of Additions, Improvements and Equipment are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

12. The unexpended balances as of June 30, 2003 in the Capital Construction accounts for all departments and agencies are appropriated.

13. Unless otherwise provided, balances remaining as of June 30, 2003 in accounts of appropriations enacted subsequent to April 1, 2003 are appropriated.

14. The unexpended balances as of June 30, 2003 in accounts that are funded by Interfund Transfers are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

15. Notwithstanding any other provisions in this act or the provisions of any other law to the contrary, no unexpended balances as of June 30, 2003 are appropriated without the approval of the Director of the Division of Budget and
Accounting, except that the Legislative Branch of State government shall be exempt from this provision. The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

16. The administrative costs of the Special Education Medicaid initiative and the Early Periodic Screening, Diagnosis and Treatment (EPSDT) program, including the participation of a consultant, are appropriated and shall be paid from the revenue received, subject to the approval of the Director of the Division of Budget and Accounting.

17. The following transfer of appropriations rules are in effect for fiscal year 2004:

a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, “item of appropriation” means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

1. Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

2. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account, as defined by major object 6, within an item of appropriation, from or to a different item of appropriation;

3. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

4. Requests for the transfer of State funds, in amounts greater than $50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

5. Requests for the transfer of federal funds, in amounts greater than $300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;
(6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance subject to the approval of the Director of the Division of Budget and Accounting. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative or Judicial branches of State government. The municipality shall not utilize any other redevelopment powers within the urban enterprise zone unless the municipal governing body and planning board have also taken the actions and fulfilled the requirements prescribed in P.L.1992, c.79 (C.40A:12A-1 et al.) for determining that the area is in need of redevelopment or an area in need of rehabilitation and the municipal governing body has adopted a redevelopment plan ordinance including the area of the enterprise zone.

h. The designation of the delineated area is consistent with smart growth planning principles adopted pursuant to law or regulation.
4. Section 6 of P.L.1992, c.79 (C.40A:12A-6) is amended to read as follows:

C.40A:12A-6 Investigation for determination as redevelopment area, public hearing.

6. a. No area of a municipality shall be determined a redevelopment area unless the governing body of the municipality shall, by resolution, authorize the planning board to undertake a preliminary investigation to determine whether the proposed area is a redevelopment area according to the criteria set forth in section 5 of P.L.1992, c.79 (C.40A:12A-5). Such determination shall be made after public notice and public hearing as provided in subsection b. of this section. The governing body of a municipality shall assign the conduct of the investigation and hearing to the planning board of the municipality.

b. (1) Before proceeding to a public hearing on the matter, the planning board shall prepare a map showing the boundaries of the proposed redevelopment area and the location of the various parcels of property included therein. There shall be appended to the map a statement setting forth the basis for the investigation.

(2) The planning board shall specify a date for and give notice of a hearing for the purpose of hearing persons who are interested in or would be affected by a determination that the delineated area is a redevelopment area.

(3) The hearing notice shall set forth the general boundaries of the area to be investigated and state that a map has been prepared and can be inspected at the office of the municipal clerk. A copy of the notice shall be published in a newspaper of general circulation in the municipality once each week for two consecutive weeks, and the last publication shall be not less than ten days prior to the date set for the hearing. A copy of the notice shall be mailed at least ten days prior to the date set for the hearing to the last owner, if any, of each parcel of property within the area according to the assessment records of the municipality. A notice shall also be sent to all persons at their last known address, if any, whose names are noted on the assessment records as claimants of an interest in any such parcel. The assessor of the municipality shall make a notation upon the records when requested to do so by any person claiming to have an interest in any parcel of property in the municipality. The notice shall be published and mailed by the municipal clerk, or by such clerk or official as the planning board shall otherwise designate. Failure to mail any such notice shall not invalidate the investigation or determination thereon.

(4) At the hearing, which may be adjourned from time to time, the planning board shall hear all persons who are interested in or would be affected by a determination that the delineated area is a redevelopment area. All objections to such a determination and evidence in support of those objections, given orally or in writing, shall be received and considered and made part of the public record.
(5) After completing its hearing on this matter, the planning board shall recommend that the delineated area, or any part thereof, be determined, or not be determined, by the municipal governing body to be a redevelopment area. After receiving the recommendation of the planning board, the municipal governing body may adopt a resolution determining that the delineated area, or any part thereof, is a redevelopment area. Upon the adoption of a resolution, the clerk of the municipality shall, forthwith, transmit a copy of the resolution to the Commissioner of Community Affairs for review. If the area in need of redevelopment is not situated in an area in which development or redevelopment is to be encouraged pursuant to any State law or regulation promulgated pursuant thereto, the determination shall not take effect without first receiving the review and the approval of the commissioner. If the commissioner does not issue an approval or disapproval within 30 calendar days of transmittal by the clerk, the determination shall be deemed to be approved. If the area in need of redevelopment is situated in an area in which development or redevelopment is to be encouraged pursuant to any State law or regulation promulgated pursuant thereto, then the determination shall take effect after the clerk has transmitted a copy of the resolution to the commissioner. The determination, if supported by substantial evidence and, if required, approved by the commissioner, shall be binding and conclusive upon all persons affected by the determination. Notice of the determination shall be served, within 10 days after the determination, upon each person who filed a written objection thereto and stated, in or upon the written submission, an address to which notice of determination may be sent.

(6) If written objections were filed in connection with the hearing, the municipality shall, for 45 days next following its determination to which the objections were filed, take no further action to acquire any property by condemnation within the redevelopment area.

(7) If a person who filed a written objection to a determination by the municipality pursuant to this subsection shall, within 45 days after the adoption by the municipality of the determination to which the person objected, apply to the Superior Court, the court may grant further review of the determination by procedure in lieu of prerogative writ; and in any such action the court may make any incidental order that it deems proper.

c. An area determined to be in need of redevelopment pursuant to this section shall be deemed to be a "blighted area" for the purposes of Article VIII, Section III, paragraph 1 of the Constitution. If an area is determined to be a redevelopment area and a redevelopment plan is adopted for that area in accordance with the provisions of this act, the municipality is authorized to utilize all those powers provided in section 8 of P.L.1992, c.79 (C.40A:12A-8).
5. Section 14 of P.L.1992, c.79 (C.40A:12A-14) is amended to read as follows:

**C.40A:12A-14 Conditions for determination of need for rehabilitation.**

14. a. A delineated area may be determined to be in need of rehabilitation if the governing body of the municipality determines by resolution that there exist in that area conditions such that (1) a significant portion of structures therein are in a deteriorated or substandard condition and there is a continuing pattern of vacancy, abandonment or underutilization of properties in the area, with a persistent arrearage of property tax payments thereon or (2) more than half of the housing stock in the delineated area is at least 50 years old, or a majority of the water and sewer infrastructure in the delineated area is at least 50 years old and is in need of repair or substantial maintenance; and (3) a program of rehabilitation, as defined in section 3 of P.L.1992, c.79 (C.40A:12A-3), may be expected to prevent further deterioration and promote the overall development of the community. Where warranted by consideration of the overall conditions and requirements of the community, a finding of need for rehabilitation may extend to the entire area of a municipality. Prior to adoption of the resolution, the governing body shall submit it to the municipal planning board for its review. Within 45 days of its receipt of the proposed resolution, the municipal planning board shall submit its recommendations regarding the proposed resolution, including any modifications which it may recommend, to the governing body for its consideration. Thereafter, or after the expiration of the 45 days if the municipal planning board does not submit recommendations, the governing body may adopt the resolution, with or without modification. The resolution shall not become effective without the approval of the commissioner pursuant to section 6 of P.L.1992, c.79 (C.40A:12A-6), if otherwise required pursuant to that section.

b. A delineated area shall be deemed to have been determined to be an area in need of rehabilitation in accordance with the provisions of this act if it has heretofore been determined to be an area in need of rehabilitation pursuant to P.L.1975, c.104 (C.54:4-3.72 et seq.), P.L.1977, c.12 (C.54:4-3.95 et seq.) or P.L.1979, c.233 (C.54:4-3.121 et seq.).

6. Section 2 of P.L.1991, c.431 (C.40A:20-2) is amended to read as follows:

**C.40A:20-2 Findings, declarations.**

2. The Legislature finds that in the past a number of laws have been enacted to provide for the clearance, replanning, development, and redevelopment of blighted areas pursuant to Article VIII, Section III, paragraph 1 of the New Jersey Constitution. These laws had as their public purpose the restoration of deteriorated or neglected properties to a use resulting in the
elimination of the blighted condition, and sought to encourage private capital and participation by private enterprise to contribute toward this purpose through the use of special financial arrangements, including the granting of property tax exemptions with respect to land and the buildings, structures, infrastructure and other valuable additions to and amelioration of land, provided that the construction or rehabilitation of buildings, structures, infrastructure and other valuable additions to and amelioration of land constitute improvements to blighted conditions.

The Legislature finds that these laws, separately enacted, contain redundant and unnecessary provisions, or provisions which have outlived their usefulness, and that it is necessary to revise, consolidate and clarify the law in this area in order to preserve and improve the usefulness of the law in promoting the original public purpose.

The Legislature declares that the provisions of this act are one means of accomplishing the redevelopment and rehabilitation purposes of the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et al.) through the use of private entities and financial arrangements pertaining thereto, and that this act should be construed in conjunction with that act.

7. Section 3 of P.L.1991, c.431 (C.40A:20-3) is amended to read as follows:

C.40A:20-3 Definitions.
3. As used in P.L.1991, c.431 (C.40A:20-1 et seq.):

"Gross revenue" means annual gross revenue or gross shelter rent or annual gross rents, as appropriate, and other income, for each urban renewal entity designated pursuant to P.L.1991, c.431 (C.40A:20-1 et seq.). The financial agreement shall establish the method of computing gross revenue for the entity, and the method of determining insurance, operating and maintenance expenses paid by a tenant which are ordinarily paid by a landlord, which shall be included in the gross revenue; provided, however, that any federal funds received, whether directly or in the form of rental subsidies paid to tenants, by a nonprofit corporation that is the sponsor of a qualified subsidized housing project, shall not be included in the gross revenue of the project for computing the annual services charge for municipal services supplied to the project; and provided further that any gain realized by the urban renewal entity on the sale of any unit in fee simple, whether or not taxable under federal or State law, shall not be included in computing gross revenue.
   b. "Limited-dividend entity" means an urban renewal entity incorporated pursuant to Title 14A of the New Jersey Statutes, or established pursuant to Title 42 of the Revised Statutes, for which the profits and the entity are limited as follows. The allowable net profits of the entity shall be determined by
applying the allowable profit rate to each total project unit cost, if the project is undertaken in units, or the total project cost, if the project is not undertaken in units, and all capital costs, determined in accordance with generally accepted accounting principles, of any other entity whose revenue is included in the computation of excess profits, for the period commencing on the date on which the construction of the unit or project is completed, and terminating at the close of the fiscal year of the entity preceding the date on which the computation is made, where:

"Allowable profit rate" means the greater of 12% or the percentage per annum arrived at by adding 1 1/4% to the annual interest percentage rate payable on the entity's initial permanent mortgage financing. If the initial permanent mortgage is insured or guaranteed by a governmental agency, the mortgage insurance premium or similar charge, if payable on a per annum basis, shall be considered as interest for this purpose. If there is no permanent mortgage financing the allowable profit rate shall be the greater of 12% or the percentage per annum arrived at by adding 1 1/4% per annum to the interest rate per annum which the municipality determines to be the prevailing rate on mortgage financing on comparable improvements in the county.

c. "Net profit" means the gross revenues of the urban renewal entity less all operating and non-operating expenses of the entity, all determined in accordance with generally accepted accounting principles, but:

(1) there shall be included in expenses: (a) all annual service charges paid pursuant to section 12 of P.L.1991, c.431 (C.40A:20-12); (b) all payments to the municipality of excess profits pursuant to section 15 or 16 of P.L.1991, c.431 (C.40A:20-15 or 40A:20-16); (c) an annual amount sufficient to amortize the total project cost and all capital costs determined in accordance with generally accepted accounting principles, of any other entity whose revenue is included in the computation of excess profits, over the term of the abatement as set forth in the financial agreement; (d) all reasonable annual operating expenses of the urban renewal entity and any other entity whose revenue is included in the computation of excess profits, including the cost of all management fees, brokerage commissions, insurance premiums, all taxes or service charges paid, legal, accounting, or other professional service fees, utilities, building maintenance costs, building and office supplies, and payments into repair or maintenance reserve accounts; (e) all payments of rent including, but not limited to, ground rent by the urban renewal entity; (f) all debt service;

(2) there shall not be included in expenses either depreciation or obsolescence, interest on debt, except interest which is part of debt service, income taxes, or salaries, bonuses or other compensation paid, directly or indirectly to directors, officers and stockholders of the entity, or officers, partners or other persons holding any proprietary ownership interest in the entity.
CHAPTER 125, LAWS OF 2003 1029

The urban renewal entity shall provide to the municipality an annual audited statement which clearly identifies the calculation of net profit for the urban renewal entity during the previous year. The annual audited statement shall be prepared by a certified public accountant and shall be submitted to the municipality within 90 days of the close of the fiscal year.

d. "Nonprofit entity" means an urban renewal entity incorporated pursuant to Title 15A of the New Jersey Statutes for which no part of its net profits inures to the benefit of its members.

e. "Project" means any work or undertaking pursuant to a redevelopment plan adopted pursuant to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et al.), which has as its purpose the redevelopment of all or any part of a redevelopment area including any industrial, commercial, residential or other use, and may include any buildings, land, including demolition, clearance or removal of buildings from land, equipment, facilities, or other real or personal properties which are necessary, convenient, or desirable appurtenances, such as, but not limited to, streets, sewers, utilities, parks, site preparation, landscaping, and administrative, community, health, recreational, educational and welfare facilities.

f. "Redevelopment area" means an area determined to be in need of redevelopment and for which a redevelopment plan has been adopted by a municipality pursuant to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et al.).

g. "Urban renewal entity" means a limited-dividend entity, the New Jersey Economic Development Authority or a nonprofit entity which enters into a financial agreement pursuant to P.L.1991, c.431 (C.40A:20-l et seq.) with a municipality to undertake a project pursuant to a redevelopment plan for the redevelopment of all or any part of a redevelopment area, or a project necessary, useful, or convenient for the relocation of residents displaced or to be displaced by the redevelopment of all or any part of one or more redevelopment areas, or a low and moderate income housing project.

h. "Total project unit cost" or "total project cost" means the aggregate of the following items as related to a unit of a project, if the project is undertaken in units, or to the total project, if the project is not undertaken in units, all of which as limited by, and approved as part of the financial agreement: (1) cost of the land and improvements to the entity, whether acquired from a private or a public owner, with cost in the case of leasehold interests to be computed by capitalizing the aggregate rental at a rate provided in the financial agreement; (2) architect, engineer and attorney fees, paid or payable by the entity in connection with the planning, construction and financing of the project; (3) surveying and testing charges in connection therewith; (4) actual construction costs which the entity shall cause to be certified and verified to the municipality and the municipal governing body by an independent and qualified architect,
including the cost of any preparation of the site undertaken at the entity's expense; (5) insurance, interest and finance costs during construction; (6) costs of obtaining initial permanent financing; (7) commissions and other expenses paid or payable in connection with initial leasing; (8) real estate taxes and assessments during the construction period; (9) a developer's overhead based on a percentage of actual construction costs, to be computed at not more than the following schedule:

If the financial agreement so provides, there shall be excluded from the total project cost: (1) actual costs incurred by the entity and certified to the municipality by an independent and qualified architect or engineer which are associated with site remediation and cleanup of environmentally hazardous materials or contaminants in accordance with State or federal law; and (2) any extraordinary costs incurred by the entity and certified to the chief financial officer of the municipality by an independent certified public accountant in order to alleviate blight conditions within the area in need of redevelopment including, but not limited to, the cost of demolishing structures considered by the entity to be an impediment to the proposed redevelopment of the property, costs associated with the relocation or removal of public utility facilities as defined pursuant to section 10 of P.L.1992, c.79 (C.40A:12A-10) considered necessary in order to implement the redevelopment plan, costs associated with the relocation of residents or businesses displaced or to be displaced by the proposed redevelopment, and the clearing of title to properties within the area in need of redevelopment in order to facilitate redevelopment.

C.40A:20-5 Urban renewal entities, qualification; provisions.

5. Any duly formed corporation, partnership, limited partnership, limited partnership association, or other unincorporated entity may qualify as an urban renewal entity under P.L.1991, c.431 (C.40A:20-1 et seq.), if its certificate of incorporation, or other similar certificate or statement as may be required by law, shall contain the following provisions:

a. The name of the entity shall include the words "Urban Renewal."

b. The purpose for which it is formed shall be to operate under P.L.1991, c.431 (C.40A:20-1 et seq.) and to initiate and conduct projects for the
redevelopment of a redevelopment area pursuant to a redevelopment plan, or projects necessary, useful, or convenient for the relocation of residents displaced or to be displaced by the redevelopment of all or part of one or more redevelopment areas, or low and moderate income housing projects, and, when authorized by financial agreement with the municipality, to acquire, plan, develop, construct, alter, maintain or operate housing, senior citizen housing, business, industrial, commercial, administrative, community, health, recreational, educational or welfare projects, or any combination of two or more of these types of improvement in a single project, under such conditions as to use, ownership, management and control as regulated pursuant to PL. 1991, c.431 (C.40A:20-1 et seq.).

d. A declaration that the entity has been organized to serve a public purpose, that its operations shall be directed toward: (1) the redevelopment of redevelopment areas, the facilitation of the relocation of residents displaced or to be displaced by redevelopment, or the conduct of low and moderate income housing projects; (2) the acquisition, management and operation of a project, redevelopment relocation housing project, or low and moderate income housing project under P.L. 1991, c.431 (C.40A:20-1 et seq.); and (3) that it shall be subject to regulation by the municipality in which its project is situated, and to a limitation or prohibition, as appropriate, on profits or dividends for so long as it remains the owner of a project subject to P.L. 1991, c.431 (C.40A:20-1 et seq.).

e. A provision that the entity shall not voluntarily transfer more than 10% of the ownership of the project or any portion thereof undertaken by it under P.L. 1991, c.431 (C.40A:20-1 et seq.), until it has first removed both itself and the project from all restrictions of P.L. 1991, c.431 (C.40A:20-1 et seq.) in the manner required by P.L. 1991, c.431 (C.40A:20-1 et seq.) and, if the project includes housing units, has obtained the consent of the Commissioner of Community Affairs to such transfer; with the exception of transfer to another urban renewal entity, as approved by the municipality in which the project is situated, which other urban renewal entity shall assume all contractual obligations of the transferor entity under the financial agreement with the municipality. The provisions of this subsection shall not be construed to authorize the sale of a project between an urban renewal entity and a for-profit developer.
   d. Any financial agreement which provides for consent pursuant to subsection a., b. or c. of this section may allow the municipality to levy an administrative fee, not to exceed two percent of the annual service charge, for the processing of any such request for the continuation of a tax exemption.

11. Section 12 of P.L.1991, c.431 (C.40A:20-12) is amended to read as follows:

CHAPTER 125, LAWS OF 2003

a redevelopment relocation housing project, pursuant to P.L.1991, c.431 (C.40A:20-1 et seq.), shall be exempt from taxation for a limited period as hereinafter provided. When housing is to be constructed, acquired or rehabilitated by an urban renewal entity, the land upon which that housing is situated shall be exempt from taxation for a limited period as hereinafter provided. The exemption shall be allowed when the clerk of the municipality wherein the property is situated shall certify to the municipal tax assessor that a financial agreement with an urban renewal entity for the development or the redevelopment of the property, or the provision of a redevelopment relocation housing project, or the provision of a low and moderate income housing project has been entered into and is in effect as required by P.L.1991, c.431 (C.40A:20-1 et seq.).

Delivery by the municipal clerk to the municipal tax assessor of a certified copy of the ordinance of the governing body approving the tax exemption and financial agreement with the urban renewal entity shall constitute the required certification. For each exemption granted pursuant to P.L.2003, c.125 (C.40A:12A-4.1 et al.), upon certification as required hereunder, the tax assessor shall implement the exemption and continue to enforce that exemption without further certification by the clerk until the expiration of the entitlement to exemption by the terms of the financial agreement or until the tax assessor has been duly notified by the clerk that the exemption has been terminated.

Upon the adoption of a financial agreement pursuant to P.L.1991, c.431 (C.40A:20-1 et seq.), a certified copy of the ordinance of the governing body approving the tax exemption and the financial agreement with the urban renewal entity shall forthwith be transmitted to the Director of the Division of Local Government Services.

Whenever an exemption status changes during a tax year, the procedure for the apportionment of the taxes for the year shall be the same as in the case of other changes in tax exemption status during the tax year. Tax exemptions granted pursuant to P.L.2003, c.125 (C.40A:12A-4.1 et al.) represent long term financial agreements between the municipality and the urban renewal entity and as such constitute a single continuing exemption from local property taxation for the duration of the financial agreement. The validity of a financial agreement or any exemption granted pursuant thereto may be challenged only by filing an action in lieu of prerogative writ within 20 days from the publication of a notice of the adoption of an ordinance by the governing body granting the exemption and approving the financial agreement. Such notice shall be published in a newspaper of general circulation in the municipality and in a newspaper of general circulation in the county if different from the municipal newspaper.

a. The duration of the exemption for urban renewal entities shall be as follows: for all projects, a term of not more than 30 years from the completion
of the entire project, or unit of the project if the project is undertaken in units, or not more than 35 years from the execution of the financial agreement between the municipality and the urban renewal entity.

b. During the term of any exemption, in lieu of any taxes to be paid on the buildings and improvements of the project and, to the extent authorized pursuant to this section, on the land, the urban renewal entity shall make payment to the municipality of an annual service charge, which shall remit a portion of that revenue to the county as provided hereinafter. In addition, the municipality may assess an administrative fee, not to exceed two percent of the annual service charge, for the processing of the application. The annual service charge for municipal services supplied to the project to be paid by the urban renewal entity for any period of exemption, shall be determined as follows:

(1) An annual amount equal to a percentage determined pursuant to this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), of the annual gross revenue from each unit of the project, if the project is undertaken in units, or from the total project, if the project is not undertaken in units. The percentage of the annual gross revenue shall not be more than 15% in the case of a low and moderate income housing project, nor less than 10% in the case of all other projects.

At the option of the municipality, or where because of the nature of the development, ownership, use or occupancy of the project or any unit thereof, if the project is to be undertaken in units, the total annual gross rental or gross shelter rent or annual gross revenue cannot be reasonably ascertained, the governing body shall provide in the financial agreement that the annual service charge shall be a sum equal to a percentage determined pursuant to this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), of the total project cost or total project unit cost determined pursuant to P.L.1991, c.431 (C.40A:20-1 et seq.) calculated from the first day of the month following the substantial completion of the project or any unit thereof, if the project is undertaken in units. The percentage of the total project cost or total project unit cost shall not be more than 2% in the case of a low and moderate income housing project, and shall not be less than 2% in the case of all other projects.

(2) In either case, the financial agreement shall establish a schedule of annual service charges to be paid over the term of the exemption period, which shall be in stages as follows:

(a) For the first stage of the exemption period, which shall commence with the date of completion of the unit or of the project, as the case may be, and continue for a time of not less than six years nor more than 15 years, as specified in the financial agreement, the urban renewal entity shall pay the municipality an annual service charge for municipal services supplied to the project in an annual amount equal to the amount determined pursuant to
paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11). For the remainder of the period of the exemption, if any, the annual service charge shall be determined as follows:

(b) For the second stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), or 20% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

(c) For the third stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), or 40% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

(d) For the fourth stage of the exemption period, which shall not be less than one year nor more than six years, as specified in the financial agreement, an amount equal to either the amount determined pursuant to paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), or 60% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

(e) For the final stage of the exemption period, the duration of which shall not be less than one year and shall be specified in the financial agreement, an amount equal to either the amount determined pursuant to paragraph (1) of this subsection and section 11 of P.L.1991, c.431 (C.40A:20-11), or 80% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater.

If the financial agreement provides for an exemption period of less than 30 years from the completion of the entire project, or less than 35 years from the execution of the financial agreement, the financial agreement shall set forth a schedule of annual service charges for the exemption period which shall be based upon the minimum service charges and staged adjustments set forth in this section.

The annual service charge shall be paid to the municipality on a quarterly basis in a manner consistent with the municipality's tax collection schedule.

Each municipality which enters into a financial agreement on or after the effective date of P.L.2003, c.125 (C.40A:12A-4.1 et al.) shall remit 5 percent of the annual service charge to the county upon receipt of that charge in accordance with the provisions of this section.

Against the annual service charge the urban renewal entity shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last four preceding quarterly installments.
CHAPTER 125, LAWS OF 2003

Notwithstanding the provisions of this section or of the financial agreement, the minimum annual service charge shall be the amount of the total taxes levied against all real property in the area covered by the project in the last full tax year in which the area was subject to taxation, and the minimum annual service charge shall be paid in each year in which the annual service charge calculated pursuant to this section or the financial agreement would be less than the minimum annual service charge.

c. All exemptions granted pursuant to the provisions of P.L.1991, c.431 (C.40A:20-1 et seq.) shall terminate at the time prescribed in the financial agreement.

Upon the termination of the exemption granted pursuant to the provisions of P.L.1991, c.431 (C.40A:20-1 et seq.), the project, all affected parcels, land and all improvements made thereon shall be assessed and subject to taxation as are other taxable properties in the municipality. After the date of termination, all restrictions and limitations upon the urban renewal entity shall terminate and be at an end upon the entity's rendering its final accounting to and with the municipality.

12. Section 15 of P.L.1991, c.431 (C.40A:20-15) is amended to read as follows:

C.40A:20-15 Excess profits of a limited dividend entity.

15. An urban renewal entity which is a limited dividend entity under P.L.1991, c.431 (C.40A:20-1 et seq.) shall be subject, during the period of the financial agreement and tax exemption under P.L.1991, c.431 (C.40A:20-1 et seq.), to a limitation of its profits and in addition, in the case of a corporation, of the dividends payable by it. Whenever the net profits of the entity for the period, taken as one accounting period, commencing on the date on which the construction of the first unit of the project is completed, or on which the project is completed if the project is not undertaken in units, and terminating at the end of the last full fiscal year, shall exceed the allowable net profits for the period, the entity shall, within 120 days of the close of that fiscal year, pay the excess net profits to the municipality as an additional service charge. The entity may maintain during the term of the financial agreement a reserve against vacancies, unpaid rentals and contingencies in an amount established in the financial agreement not to exceed 10% of the gross revenues of the entity for the last full fiscal year, and may retain such part of those excess net profits as is necessary to eliminate a deficiency in that reserve. Upon the termination of the financial agreement, the amount of reserve, if any, shall be paid to the municipality.

No entity shall make any distribution of profits, or pay or declare any dividend or other distribution on any shares of any class of its stock, unless,
after giving effect thereto, the allowable net profit for the period as determined above and preceding the date of the proposed dividend or distribution would equal or exceed the aggregate amount of all dividends and other distributions paid or declared on any shares of its stock since its incorporation or establishment.

If an entity purchases an existing project from another urban renewal entity, the purchasing entity shall compute its allowable net profits, and, for the purpose of dividend payments, shall commence with the date of acquisition of the project. The date of transfer of title of the project to the purchasing entity shall be considered to be the close of the fiscal year of the selling entity. Within 90 days after that date of the transfer of title, the selling entity shall pay to the municipality the amount of reserve, if any, maintained by it pursuant to this section, as well as the excess net profit, if any, payable pursuant to this section.

For the purposes of this section, the calculation of an entity's "excess net profits" shall include those project costs directly attributable to site remediation and cleanup expenses and any other costs excluded in the financial agreement as provided for in subsection h. of section 3 of P.L.1991, c.431 (C.40A:20-3), even though those costs may have been deducted from the project cost for the purpose of calculating the in lieu of tax payment.

13. R.S.54:3-21 is amended to read as follows:

**Appeal by taxpayer or taxing district; petition; complaint; exception.**

54:3-21. a. Except as provided in subsection b. of this section a taxpayer feeling aggrieved by the assessed valuation of the taxpayer's property, or feeling discriminated against by the assessed valuation of other property in the county, or a taxing district which may feel discriminated against by the assessed valuation of property in the taxing district, or by the assessed valuation of property in another taxing district in the county, may on or before April 1, or 45 days from the date the bulk mailing of notification of assessment is completed in the taxing district, whichever is later, appeal to the county board of taxation by filing with it a petition of appeal; provided, however, that any such taxpayer or taxing district may on or before April 1, or 45 days from the date the bulk mailing of notification of assessment is completed in the taxing district, whichever is later, file a complaint directly with the Tax Court, if the assessed valuation of the property subject to the appeal exceeds $750,000.00. Within ten days of the completion of the bulk mailing of notification of assessment, the assessor of the taxing district shall file with the county board of taxation a certification setting forth the date on which the bulk mailing was completed. If a county board of taxation completes the bulk mailing of notification of assessment, the tax administrator of the county
board of taxation shall within ten days of the completion of the bulk mailing prepare and keep on file a certification setting forth the date on which the bulk mailing was completed. A taxpayer shall have 45 days to file an appeal upon the issuance of a notification of a change in assessment. An appeal to the Tax Court by one party in a case in which the Tax Court has jurisdiction shall establish jurisdiction over the entire matter in the Tax Court. All appeals to the Tax Court hereunder shall be in accordance with the provisions of the State Uniform Tax Procedure Law, R.S.54:48-1 et seq.

If a petition of appeal or a complaint is filed on April 1 or during the 19 days next preceding April 1, a taxpayer or a taxing district shall have 20 days from the date of service of the petition or complaint to file a cross-petition of appeal with a county board of taxation or a counterclaim with the Tax Court, as appropriate.

b. No taxpayer or taxing district shall be entitled to appeal either an assessment or an exemption or both that is based on a financial agreement subject to the provisions of the "Long Term Tax Exemption Law" under the appeals process set forth in subsection a. of this section.

C.40A:20-21 Severability.

14. The provisions of P.L.2003, c.125 (C.40A:12A-4.1 et al.) shall be deemed to be severable, and if any phrase, clause, sentence, word or provision of P.L.2003, c.125 (C.40A:12A-4.1 et al.) is declared to be unconstitutional, invalid or inoperative in whole or in part, or the applicability thereof to any person is held invalid, by a court of competent jurisdiction, the remainder of this act shall not thereby be deemed to be unconstitutional, invalid or inoperative and, to the extent it is not declared unconstitutional, invalid or inoperative, shall be effectuated and enforced.

C.40A:20-22 Tax exemptions approved pursuant to C.40A:20-1 et seq. ratified and validated.

15. The terms and conditions of any tax exemption approved pursuant to P.L.1991, c.431 (C.40A:20-1 et seq.) or its predecessor statutes, as the case may be, including any financial agreement, separate agreement or amendment implementing that exemption, are hereby ratified and validated. This ratification and validation shall include, without limitation, the structure and methods used to calculate excess profits and annual service charges, including the limitation of revenue, expenses and total project costs, to those of the urban renewal entity, regardless of any other entity, whether affiliated or unaffiliated, with the urban renewal entity.

16. This act shall take effect immediately and shall govern tax appeals filed for the 2003 tax year and thereafter.

Approved July 9, 2003.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. An employee of a public agency or instrumentality that elects to provide the benefits authorized under this act who:

   b. files an application to retire within one month after the effective date of the resolution adopted by the governing body of the employee's employer pursuant to section 5 of this act; and
   c. retires under the retirement system within three months after the effective date of the resolution, other than a veteran who retires on a special veteran's retirement, shall receive an additional three years of service credit under PERS. If the member is under age 55 at the time of retirement, the member's retirement allowance shall not be reduced.

An employee who meets the age and service credit requirements under this section and retires on a special veteran's retirement under PERS shall
receive an additional pension under the retirement system in the amount of 3/55 of the compensation upon which the retirement allowance is based.

The additional retirement benefit under this section is applicable only to the full-time employment with the employer that elects to provide the benefits authorized under this act and from which the employee retires to receive the benefit and the compensation for that employment.

2. For an employee of a public agency or instrumentality that provides paid health care benefits to retirees pursuant to P.L.1961, c.49 (C.52:14-17.25 et seq.), N.J.S.40A:10-23, or another group health insurance contract or health care benefits plan and that elects to provide the benefits authorized under this section who:

   c. retires under the retirement system within three months after the effective date of the resolution, the employer shall pay the entire cost for coverage for the retired employee and the employee's dependents, but not including survivors unless the employer is paying the entire cost for coverage for survivors on the effective date of this act. For employers participating in the New Jersey State Health Benefits Program (NJSHBP), the payment shall be made in the same manner provided for payment by an employer other than the State of premiums or periodic charges for retired employees under section 7 of P.L.1964, c.125 (C.52:14-17.38). For employers not participating in the NJSHBP, the payment shall be made in the same manner provided for payment of premiums after retirement under N.J.S.40A:10-23 or section 8 of P.L.1979, c.391 (C.18A:16-19), or the employer's group health insurance contract or health care benefits plan.

   The level of benefits to retirees under this section shall be the same as the level of benefits provided by that employer to other retirees who would retire during the same period.

3. A public agency or instrumentality that does not provide paid health care benefits to retirees and that elects to provide the benefits authorized under this act shall pay to an employee who meets the qualifications of subsections a., b. and c. of section 2 of this act an additional pension of $500 per month in each of the 24 months following the date of retirement.

4. For an employee of a public agency or instrumentality that elects to provide the benefits authorized under this act who:
a. is at least 60 years of age and has at least 10, but less than 20, years of service credit under PERS before the effective date of retirement;

b. files an application to retire within one month after the effective date of the resolution adopted by the governing body of the employee's employer pursuant to section 5 of this act; and

c. retires under the retirement system within three months after the effective date of the resolution, the employer shall pay an additional pension of $500 per month in each of the 24 months following the date of retirement.

5. An employer may elect to provide the benefits under this act by the adoption of a resolution by its governing body, which is to be effective on the first day of a month, within one year of the effective date of this act, P.L.2003, c.127, and the filing of a certified copy of the resolution with the Director of the Division of Pensions and Benefits within 3 business days after its adoption. The governing body may elect to provide the benefits under this act one time only and the effective date of the resolution shall fall within the one-year period following the effective date of this act. The employer shall submit to the director any information necessary to provide the benefits or to determine the liability for them.

6. The actuary for the PERS shall determine the liability of the retirement system for the additional service credit or pensions provided under this act and for the early retirement of employees in accordance with the tables of actuarial assumptions adopted by the board of trustees of the retirement system. This liability shall be added to the unfunded accrued liability of the employer under the retirement system and shall be paid by the employer over a period of 15 years in the same manner as provided for the employer's unfunded accrued liability of the retirement system under section 24 of P.L.1954, c.84 (C.43:15A-24).

The retirement system shall annually certify to each employer the contributions due to the contingent reserve fund for the liability under this act. The contributions certified by the retirement systems shall be paid by the employer to the retirement system on or before the date prescribed by law for payment of employer contributions for basic retirement benefits. If payment of the full amount of the contribution certified is not made within 30 days after the last date for payment of employer contributions for basic retirement benefits, interest at the rate of 10% per year shall be assessed against the unpaid balance on the first day after the thirtieth day.

The employer shall pay the cost of the actuarial work to determine the additional liability of the retirement system for the benefits under this act and that cost shall be included in the initial contribution required from the employer.
7. An employee who receives a benefit under this act shall forfeit all tenure rights.

8. When the needs of a public agency or instrumentality require the services of an employee who elects to retire and receive a benefit under this act, the employer, with the approval of the governing body of that agency or instrumentality and with the consent of the employee, may delay the effective retirement date of the employee until the first day of any calendar month after the third month after the effective date of the resolution adopted by the governing body of the employer pursuant to section 5 of this act but not later than one year after that three-month period. A delay in the effective retirement date of an employee shall not extend the dates set forth in sections 1 through 4 of this act to qualify for benefits under this act.

For a member of the PERS whose effective retirement date is delayed under this section and who dies before the retirement becomes effective, the retirement shall be effective as of the first day of the month after the date of death of the member if the member's beneficiary requests in writing to the board of trustees of the retirement system that the retirement be effective under the Option settlement selected by the member, or under Option 3 if the member did not select an Option.

9. An employee of a public agency or instrumentality purchasing service credit on or after the effective date of this act to qualify for a benefit under this act may purchase a portion of the credit that the employee is eligible to purchase.

10. For the purposes of this act, "employee of a public agency or instrumentality" means a full-time employee of an authority, board, commission, corporation, or other agency or instrumentality that is a participating employer in the PERS, excluding an agency or instrumentality authorized to participate in the PERS under section 73 of P.L.1954, c.84 (C.43:15A-73) and P.L.1990, c.25 (C.43:15A-73.2 et seq.) and excluding an agency or instrumentality whose employees were covered by P.L.2002, c.23, and including a public agency or organization as defined in section 71 of P.L.1954, c.84 (C.43:15A-71) but not any State agency or organization, but excluding Rutgers. The State University, the New Jersey Institute of Technology, the University of Medicine and Dentistry of New Jersey, a State or a county college, a board of education, a county and a municipality, who is eligible to participate in the employer's health care benefits plan.

11. Prior to the end of the one-year period following the effective date of this act, each public agency or instrumentality covered by the provisions of this act shall meet and consult with the representatives of the bargaining
unit or units representing the employees who would be eligible for benefits under this act.

12. The Director of the Division of Pensions and Benefits may promulgate rules and regulations that the director deems necessary for the effective implementation of this act.

C.43:15A-24.2 Refunding bonds of public agency, instrumentality relative to early retirement incentives.

13. A public agency or instrumentality that has the power pursuant to P.L.2002, c.42 to issue bonds from time to time in its discretion for any of its purposes, including the paying or retiring of any bonds previously issued by it, and the power to issue bonds to retire the present value of the unfunded accrued liability due and owing by an agency or instrumentality, as calculated by the system actuary for a date certain upon the request of an agency or instrumentality, for early retirement incentive benefits granted by the agency or instrumentality shall have the power to do the same for benefits granted pursuant to P.L.2003, c.127.

14. This act shall take effect immediately.

c. retires under the retirement system within three months after the effective date of the resolution, other than a veteran who retires on a special veteran's retirement, shall receive an additional three years of service credit under the PERS or TPAF, or an amount equal to 100% of the employee's base annual salary at the time of retirement from the employer for participants of the ABP. The payments shall be made to the employee's retirement annuity contract under the ABP up to the maximum contribution allowable under section 415 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.415. Any payment amount in excess of the section 415 contribution limit shall be contributed to a contract on behalf of the employee that meets the requirements of subsection (b) of section 403 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.403, to the extent that the payment may be contributed on a before-tax basis under the maximum limits allowed under the Internal Revenue Code of 1986. Payment amounts in excess of the section 403(b) limit shall be paid directly to the employee.

If a member of PERS or TPAF is under age 55 at the time of retirement, the member’s retirement allowance shall not be reduced.

An employee who meets the age and service requirements under this section and retires on a special veteran's retirement shall receive an additional pension under the retirement system in the amount of 3/55 of the compensation on which the retirement allowance is based.

The additional retirement benefit under this section is applicable only to the full-time employment with the employer that elects to provide the benefits authorized under this act and from which the employee retires to receive the benefit and the compensation for that employment.

c. C.39:5B-29 Violations, penalties.

5. a. Any person who violates the provisions of this act or any rule or regulation adopted pursuant thereto shall be subject to a penalty of not less than $100 nor more than $5,000.00 for the first offense, nor less than $200 nor more than $10,000.00 for the second offense, nor less than $500 nor more than $25,000.00 for the third or any subsequent offense. Notwithstanding any other provision of law, 50 percent of the penalty moneys collected pursuant to this paragraph shall be deposited into the "Highway Safety Fund" created pursuant to section 5 of P.L.2003, c.131 (C.39:3-20.4). The complaint and summons shall state whether the charges pertain to a first offense, or to a second or subsequent offense, but if the complaint or summons fails to allege a second or subsequent offense, the penalty imposed shall be for a first offense. The penalty may be reduced to $25 for a first offense, $50 for a second offense, and $125 for a third and subsequent offense for a non-out-of-service equipment violation if the defendant provides proof of repair to the vehicle that is satisfactory to the court. Proof that the violation has been corrected shall be by a document certifying that the non-out-of-service equipment violation has been corrected. The Division of State Police, a diesel emissions inspection center licensed by the New Jersey Motor Vehicle Commission, a certified fleet mechanic approved by the New Jersey Motor Vehicle Commission, or any other entity approved by the New Jersey Motor Vehicle Commission shall be authorized to issue the requisite certifying documentation. The Division of State Police may, in its discretion, designate times and locations where a defendant may bring a vehicle for an inspection pursuant to which a requisite certifying document may be issued. Nothing in this act shall be construed as requiring the Division of State Police to
conduct a vehicle inspection pursuant to which a requisite certifying document may be issued other than at the time and locations as the Division of State Police may provide.

Repairs to effect a reduction of penalty under the provisions of this section shall be made before the hearing date. A defendant may be permitted to submit the certification of repairs by mail; provided that if the court deems the certification to be inadequate, it shall afford the defendant the option to withdraw the defendant's guilty plea.

The Department of Transportation is authorized to adopt a schedule of penalties for any specific violation of P.L.1983, c.401 (C.39:5B-25 et seq.) or any rule or regulation adopted pursuant thereto. A penalty imposed pursuant to this act may be collected in a civil action by a summary proceeding under the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), or in a summary proceeding before a court of competent jurisdiction wherein injunctive relief has been sought. The State Police and police officers of the Port Authority of New York and New Jersey may issue a summons and complaint returnable in a municipal court or other court of competent jurisdiction for violations of P.L.1983, c.401 (C.39:5B-25 et seq.) and this amendatory and supplementary act or any rule or regulation adopted pursuant thereto. In addition to the jurisdiction conferred by the "Penalty Enforcement Law of 1999," the Law and Chancery Divisions of the Superior Court shall have jurisdiction of proceedings for the enforcement of the penalties provided in this act. The various municipal courts shall have jurisdiction of proceedings for the enforcement of penalties under $5,000.00 provided in P.L.1983, c.401 (C.39:5B-25 et seq.).

b. Penalties imposed pursuant to this act shall in no way reduce or otherwise limit the liability of any person, pursuant to the laws of this State, for cleanup costs or other damages arising from a discharge of hazardous materials.

c. The Superintendent of the State Police, police officers of the Port Authority of New York and New Jersey and personnel of the Department of Transportation and of the Department of Environmental Protection duly authorized by the superintendent may, in addition to seeking a civil penalty, seek injunctive relief in the Chancery Division, General Equity Part of the Superior Court as to any person found to have violated any provision of P.L.1983, c.401 (C.39:5B-25 et seq.) or this amendatory and supplementary act or any rule or regulation adopted pursuant to either.

d. (Deleted by amendment, P.L.2003, c.131).

3. R.S.39:5-30 is amended to read as follows:
Suspension, revocation of registration, license certificates.

39:5-30. a. Every registration certificate, every license certificate, every privilege to drive motor vehicles, including commercial motor vehicles as defined in P.L.1990, c.103 (C.39:3-10.9 et al.), every endorsement, class of license, and commercial driver's license, may be suspended or revoked, and any person may be prohibited from obtaining a driver's license or a registration certificate, or disqualified from obtaining any class of or endorsement on a commercial driver's license, and the reciprocity privilege of any nonresident may be suspended or revoked by the director for a violation of any of the provisions of this Title or on any other reasonable grounds, after due notice in writing of such proposed suspension, revocation, disqualification or prohibition and the ground thereof.

He may also summon witnesses to appear before him at his office or at any other place he designates, to give testimony in a hearing which he holds looking toward a revocation of a license or registration certificate issued by or under his authority. The summons shall be served at least five days before the return date, either by registered mail or personal service. A person who fails to obey the summons shall be subject to a penalty not exceeding $100.00, to be recovered with costs in an action at law, prosecuted by the Attorney General, and in addition the vehicle registration or driver's license, or both, as the case may be, shall forthwith be revoked. The fee for witnesses required to attend before the director shall be $1.00 for each day's attendance and $0.03 for every mile of travel by the nearest generally traveled route in going to and from the place where the attendance of the witness is required. These fees shall be paid when the witness is excused from further attendance, and the disbursements made from payment of the fees shall be audited and paid in the manner provided for expenses of the department. The actual conduct of said hearing may be delegated by the director to such departmental employees as he may designate, in which case the said employees shall recommend to the director in writing whether the said licenses or certificates shall or shall not be suspended or revoked.

b. Whenever a matter is presented to the director involving an alleged violation of

(1) R.S.39:4-98, where an excess of 20 miles per hour over the authorized speed limit is alleged, and which has resulted in the death of another;
(2) R.S.39:4-50, and which has resulted in the death of another;
(3) R.S.39:4-96, and which has resulted in the death of another; or
(4) R.S.39:4-129, wherein the death of another has occurred, and the director has not determined to immediately issue a preliminary suspension pursuant to subsection e. of this section, the director shall issue a notice of proposed final suspension or revocation of any license certificate or any nonresident reciprocity privilege to operate any motor vehicle or motorized
bicycle held by the individual charged or temporary order prohibiting the individual from obtaining any license to operate any motor vehicle or motorized bicycle in this State.

In the notice, the director shall provide the individual charged with an opportunity for a plenary hearing to contest the proposed final suspension, revocation or other final agency action. Unless the division receives, no later than the 10th day from the date the notice was mailed, a written request for hearing, the proposed final agency action shall take effect on the date specified in the notice.

Upon receipt of a timely request for a plenary hearing, a preliminary hearing shall be held by an administrative law judge within 15 days of the receipt of the request. The preliminary hearing shall be for the purpose of determining whether, pending a plenary hearing on the proposed final agency action, a preliminary suspension shall be immediately issued by the judge. Adjournment of such hearing upon motion by the individual charged shall be given only for good cause shown.

At the preliminary hearing, the parties shall proceed on the papers submitted to the judge, including the summons, the police reports and the charged individual's prior driving record submitted by the division, and any brief affidavits permitted by the judge from persons who shall be witnesses at the plenary hearing, and the parties may present oral argument. Based on the papers, on any oral argument, on the individual's prior driving record, and on the circumstances of the alleged violation presented in the papers, the judge shall determine whether the individual was properly charged with a violation of the law and a death occurred; and, if so, whether in the interest of public safety, a preliminary suspension shall be immediately ordered pending the plenary hearing on the proposed suspension or revocation. The administrative law judge shall transmit his findings to the director.

A plenary hearing shall be held no later than the 45th day following the preliminary hearing. Adjournment of the hearing shall be given only for good cause shown. If the hearing is otherwise postponed or delayed solely at the instance of the individual charged, the administrative law judge shall immediately issue a preliminary suspension of any license certificate or any nonresident reciprocity privilege held by the individual charged, or if any such preliminary suspension or order is in effect, he shall continue such suspension or order. Such preliminary suspension or temporary order shall remain in effect pending a final agency decision on the matter. If the hearing is otherwise postponed or delayed at the instance of anyone other than the individual charged, the judge shall immediately issue an order restoring the individual's license certificate or any nonresident reciprocity privilege pending final agency decision in the matter. The period of any preliminary suspension
imposed under this section shall be deducted from any suspension imposed by the final agency decision in the matter.

c. Whenever any other matter is presented to the director involving an alleged violation of this title, wherein the death of another occurred and for which he determines immediate action is warranted, he may proceed in the manner prescribed in subsection b. above.

d. Whenever a fatal accident occurs in this State, an investigation of the incident, whether performed by the State Police or by local police, shall be completed and forwarded to the director within 72 hours of the time of the accident.

e. Whenever a matter is presented to the director involving an alleged violation of

(1) R.S.39:4-98, where an excess of 20 miles per hour over the authorized speed limit is alleged, and which has resulted in the death or serious bodily injury of another;

(2) R.S.39:4-50, which has resulted in the death or serious bodily injury of another;

(3) R.S.39:4-96 or R.S.39:4-97, which has resulted in the death or serious bodily injury of another; or

(4) R.S.39:4-129, wherein the death or serious bodily injury of another has occurred, the director for good cause may, without hearing, immediately issue a preliminary suspension of any license certificate or any nonresident reciprocity privilege to operate any motor vehicle or motorized bicycle held by an individual charged or temporary order prohibiting the individual from obtaining any license to operate any motor vehicle or motorized bicycle in this State. For purposes of this subsection, "serious bodily injury" means bodily injury which creates a substantial risk of death or which causes serious, permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ. Along with the notice of preliminary suspension, the director shall issue a notice of proposed final suspension, revocation or other final agency action, and shall afford the individual the right to a preliminary hearing to contest the preliminary suspension and a plenary hearing to contest the proposed final agency action.

The preliminary suspension shall remain in effect pending a final agency decision on the proposed final agency action, unless a request for a preliminary hearing is received by the division no later than the 10th day from the date on which the notice was mailed. The proposed final agency action shall take effect on the date specified in the notice unless a request for a plenary hearing is received by the division no later than the 10th day from the date on which the notice was mailed.

Upon timely request by the individual, a preliminary hearing shall be held by an administrative law judge, no later than the 15th day from the date on
which the division receives the request. The preliminary hearing shall be for the purpose of determining whether, pending a final agency decision on the matter, the preliminary suspension issued by the director shall remain in effect. Adjournment of the hearing shall be given only for good cause shown. If the preliminary hearing is otherwise postponed or delayed solely at the instance of someone other than the individual charged, the judge shall immediately order that the individual’s license certificate or any nonresident reciprocity privilege be restored pending the rescheduled preliminary hearing.

At the preliminary hearing, the parties shall proceed on the papers submitted to the judge, including the summons, the police reports and the charged individual’s prior driving record submitted by the division, and any brief affidavits permitted by the judge from persons who shall be witnesses at the final hearing, and the parties may present oral arguments. Based on the papers, on any oral argument, on the individual’s prior driving record, and on the circumstances of the alleged violation presented in the papers, the judge shall immediately determine whether the individual was properly charged with a violation of the law and a death occurred; and, if so, whether in the interest of public safety, the preliminary suspension shall be continued pending the final agency decision on the matter. The administrative law judge shall transmit his findings to the director.

Any plenary hearing to contest the proposed final agency action shall conform to the requirements for a plenary hearing contained in subsection b. of this section.

f. In addition to any other final agency action, the director shall require any person whose privileges to operate a motor vehicle or motorized bicycle are suspended or who has been prohibited from obtaining a license, pursuant to this section, to be reexamined to determine the person’s ability to operate a motor vehicle or motorized bicycle, prior to regaining or obtaining any driving privileges in this State.

Any determination resulting from any preliminary or plenary hearing held pursuant to subsection b., c., or e. of this section shall not be admissible at any criminal or quasi-criminal proceedings on the alleged violation or violations.

g. In addition to any other requirements imposed by statute or regulation, as a condition for the restoration of a revoked or suspended license issued under the provisions of the "New Jersey Commercial Driver License Act," P.L.1990, c.103 (C.39:3-10.9 et seq.), the person whose commercial driving privileges are revoked or suspended shall successfully complete a commercial driver improvement program. The director, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall promulgate rules and regulations prescribing the scope and content of the program, the qualifications of third parties that may offer a commercial
driver improvement program, a fee schedule for persons attending a commercial driver improvement program and such other matters as the director may deem appropriate and necessary. The successful completion of a commercial driver improvement program pursuant to this subsection shall not entitle a person to any reduction in the points assessed and recorded under P.L. 1982, c.43 (C.39:5-30.5 et seq.). In addition, the director may also require a person holding a commercial driver's license pursuant to P.L. 1990, c.103 (C.39:3-10.9 et seq.) who receives 12 or more points during a 24-month period to complete a commercial driver improvement program successfully or face full suspension of the commercial driver's license driving privilege.

C.39:3-20.3 Weight limit for vehicles registered out-of-State; violations, penalties, fines.

4. It shall be unlawful for any vehicle or combination of vehicles registered as a commercial motor vehicle by another state or jurisdiction to operate on the highways of this State if it has a gross weight, including load or contents, which is in excess of the gross weight limit permitted on the registration certificate issued for it by that other state or jurisdiction.

The owner, lessee or bailee of any vehicle or combination of vehicles that is found or operated on any public road, street or highway or on any public or quasi-public property in this State with a gross weight in excess of the weight limitation permitted by the certificate of registration issued for it by that other state or jurisdiction shall be assessed a penalty of $500 plus an amount equal to $100 for each 1,000 pounds or fractional portion of 1,000 pounds of weight in excess of the weight limitation permitted by that certificate of registration.

For the purposes of enforcement, a vehicle or combination of vehicles for which there is no valid certificate of registration shall be deemed to have been registered for zero pounds.

All fines, penalties and forfeitures imposed and collected in the enforcement of this section shall be forwarded by the person to whom they are paid to the State Treasurer, who shall annually deposit those moneys in the "Highway Safety Fund" established pursuant to section 5 of P.L.2003, c.131 (C.39:3-20.4).

C.39:3-20.4 "Highway Safety Fund."

5. There is established in the General Fund a separate, nonlapsing, dedicated account to be known as the "Highway Safety Fund." All fines, penalties and forfeitures imposed and collected as a result of the enforcement of section 4 of P.L.2003, c.131 (C.39:3-20.3) and 50 percent of all fines and penalties imposed and collected in enforcement of section 5 of P.L.1983, c.401 (C.39:5B-29), and the increase from the doubling of fines imposed and collected pursuant to section 1 of P.L.1993, c.332 (C.39:4-203.5) in designated safe corridor areas shall be forwarded to the State Treasurer for

b. The council shall adopt regulations specifying the criteria for approval of a foreign medical school to operate a clinical clerkship program in the State. The criteria shall include, but not be limited to, satisfactory evaluation, pursuant to a site visit, of the applicant's institution, including both its main campus and any clinical facilities in locations other than the main campus.

c. The applicant shall be responsible for all costs incurred by persons designated by the council, who are experienced in medical education program evaluation, for conducting the site visit, and by the council for reviewing and processing the application.

d. After a medical school is approved by the council to operate a clinical clerkship program, it may apply to the council for authorization to operate a specific clinical clerkship program in this State, in accordance with standards adopted by the council. The standards shall include, but not be limited to, those standards listed in paragraphs (1) through (9) of subsection b. of section 5 of this act.

e. A medical school that has been approved by the council, pursuant to this act, to operate a specific clinical clerkship program in this State shall be deemed an alternatively accredited medical school for the purposes of this act, provided it maintains its accreditation status as provided in subsection e. of section 1 of this act.

f. A medical school authorized to operate a specific clinical clerkship program pursuant to this section may apply to the council to increase the number of students participating in the clinical clerkships or to increase the number of programs operated by the school, pursuant to the requirements of section 5 of this act.

C.18A:64H-13 Review of applications, conditions for approval.

5. The Advisory Graduate Medical Education Council of New Jersey shall review each application made by an alternatively accredited medical school to increase the number of students participating in clinical clerkships or to increase the number of programs operated by the school. The application shall be made in a form and manner prescribed by the council.

a. The council shall notify the applicant, in writing, of the approval or disapproval of an application within 90 days; except that, if the council determines that the application is not complete or additional information is
required before the council can make a determination, the council shall notify the applicant in writing and shall have an additional 90 days after receipt of the requested information to approve or disapprove the application. If the council does not affirmatively approve or disapprove the application, or request additional information concerning the application, within 90 days of its submission, the application shall be deemed approved.

b. The council shall approve an application if the applicant demonstrates that it meets the registration standards comparable to those promulgated by the Liaison Committee on Medical Education, which include, but are not limited to: (1) a requirement that a medical student who will participate in a clinical clerkship program shall have successfully completed the United States Medical Licensing Examination - Step 1; (2) the hospital is accredited by the Joint Commission on Accreditation of HealthCare Organizations; (3) the clinical clerkship program shall take place in a hospital with an approved Accreditation Council for Graduate Medical Education or American Osteopathic Association residency training program in the clinical area of instruction for which credit is sought; (4) clinical instruction shall be supervised by a Director of Medical Education; (5) clinical instruction shall be provided pursuant to a written agreement that includes a written curriculum for each individual clinical subject; (6) the hospital shall insure that there is a minimum daily census in each clerkship area that will meet the instructional needs of the clinical subject; (7) the hospital shall have on the premises a library facility that has adequate resources to support clinical clerkships in each core area; (8) each department chair shall be board certified in the specialty area in his department; and (9) the hospital shall ensure a ratio of no less than one medical resident for every two clinical clerkship students.

c. If the council disapproves the application, the notification of disapproval shall specify each deficiency, including the reason the applicant failed to meet the registration standards, and shall provide information on remedial steps that applicant must take to meet the standard. An applicant shall be provided the opportunity to submit evidence of remediation, within a time period specified by the council.

d. The applicant shall be responsible for all costs incurred by the council for reviewing and processing the application.

C.18A:64H-14 Procedures when clinical clerkship student rejected by teaching hospital.

6. Notwithstanding the provisions of this act to the contrary, if a State-funded institution of higher education and an alternatively accredited medical school both operate clinical clerkship programs at a teaching hospital with an institutional academic clinical clerkship agreement with that State-funded institution of higher education:
a. Upon a showing by a State-funded institution of higher education that one or more of its clinical clerkship students has been rejected by that teaching hospital because the hospital's clinical clerkship positions were filled to capacity, the alternatively accredited medical school shall take immediate steps to withdraw a corresponding number of its students from its clinical clerkship program at the hospital so that the students at the State-funded institution are able to secure clerkship positions at that hospital.

In the event that its students have been rejected by a hospital pursuant to this subsection, the State-funded institution of higher education shall provide the Advisory Graduate Medical Education Council of New Jersey with a letter from the hospital, which states that the hospital's clinical clerkship program is filled to capacity; or

b. If a State-funded institution of higher education receives notice from the Liaison Committee on Medical Education, in the course of its standard four-year review, that the committee finds that such hospital does not have the capacity to support all of the clinical clerkship positions or programs that are currently operating at the hospital and the accreditation status of the State-funded institution may be in jeopardy because of the lack of capacity at that hospital, the alternatively accredited medical school shall take immediate steps to withdraw its students from its clinical clerkship program at the hospital.

In the event that the committee provides such notice to the State-funded institution, the institution shall provide the Advisory Graduate Medical Education Council of New Jersey with a letter from the committee stating the committee's findings.

c. If an alternatively accredited medical school is required to withdraw any of its students from such hospital pursuant to subsection a. or b. of this section, the school shall not be permitted to increase the number of students participating in the school's clinical clerkship program at that hospital until such time as the school provides a letter from the hospital or the committee, as appropriate, which states that the hospital has sufficient capacity to absorb the increase without jeopardizing existing clinical clerkship programs at that hospital operated by the State-funded institution. Upon providing the letter to the Advisory Graduate Medical Education Council of New Jersey, the school may apply to increase the number of students participating in the clerkship program in accordance with the provisions of this act.

7. The Commission on Higher Education, in consultation with the Advisory Graduate Medical Education Council of New Jersey, shall adopt regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to carry out the purposes of this act.
8. This act shall take effect 180 days after enactment.
