   C.5:12-195 Application to conduct casino simulcasting, conditions of approval.
   5. The New Jersey Racing Commission shall not approve the request of any permit holder to conduct casino simulcasting unless the permit holder will conduct a number of live racing programs during the period for which the permit is issued which is equal to the following:
      a. in the case of harness races, each permit holder shall conduct at least 75% of the average number of live racing programs conducted by that permit holder during calendar years 1990 and 1991; and

C.5:12-201 Payment to out-of-State sending track.

If the casino negotiates an agreement to pay the out-of-State sending track an amount equal to less than 3% of the parimutuel pool, the casino shall be entitled to retain the difference between the amount agreed upon and 3%.

b. Subject to the approval of the New Jersey Racing Commission and with respect to no more than 28 races per casino per calendar year, a casino may pay an out-of-State sending track an amount equal to not more than 6% of the parimutuel pool for the transmission of a race. If the casino negotiates an agreement to pay the out-of-State sending track an amount equal to less than 6% of the parimutuel pool, the casino shall be entitled to retain the difference between the amount agreed upon and 6%.

C.5:5-63.2 Interstate, intrastate handicapping contests, certain, authorized.

CHAPTER 199

AN ACT concerning horse racing, supplementing chapter 5 of Title 5 of the Revised Statutes and amending various parts of the statutory law and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:5-127 Short title.

1. Sections 1-35 of this act shall be known and may be cited as the "Off-Track and Account Wagering Act."

C.5:5-128 Findings, declarations relative to horse racing and off-track wagering.

2. The Legislature finds and declares that:
   a. The horse racing industry is economically important to this State, and the general welfare of the people of the State will be promoted by the advancement of horse racing and related projects and facilities in the State.
   b. It is the intent of the Legislature, by authorizing off-track wagering and account wagering in this State, to promote the economic future of the horse racing industry in this State, to foster the potential for increased commerce, employment and recreational opportunities in this State and to preserve the State's open spaces.
   c. It is the further intent of the Legislature that facilities offering off-track wagering opportunities to the public also offer other amenities such as quality dining and handicapping facilities.
   d. The Legislature has determined that the New Jersey Racing Commission is best suited to oversee, license and regulate off-track wagering and account wagering in the State, and that the New Jersey Sports and Exposition Authority, by virtue of its operation of parimutuel wagering facilities and other entertainment-related projects in this State, is particularly well-suited to coordinate with other parties to promote the uniformity and success of off-track wagering throughout the State and to ensure the fiscal
soundness and technical reliability of an account wagering system, pursuant to the terms of this act.

e. In establishing off-track wagering facilities, the authority will not be performing an essential government function but rather an essentially private business function. Numerous municipalities, residents and businesses will be impacted by the establishment of off-track wagering facilities throughout the State. A municipality may oppose the placement of an off-track wagering facility within its boundaries at the discretion of the authority and the commission. A municipality may want an off-track wagering facility sited within its boundaries, but only if the municipality receives an appropriate level of property tax for municipal services. Therefore, fundamental fairness dictates that any municipality be empowered to refuse the siting of a facility within its boundaries. Fundamental fairness also dictates that an off-track wagering facility, even if owned and not leased by the authority, be subject to local property tax requirements.

f. By regulation of the Division of Alcoholic Beverage Control, there exist special licenses that permit the sale of alcoholic beverages on public property. These special licenses, typically available to the authority, are inexpensive and circumvent the traditional method for obtaining a license to sell alcoholic beverages. Because the establishment of off-track wagering facilities is, in reality, essentially a private business function and not an essential government function, the authority is not permitted to receive a special license. Under this act, only a private holder of a Class C plenary retail consumption license is permitted to provide alcoholic beverages at an off-track wagering facility.

4. a. The commission is authorized to issue a license to the authority to permit off-track wagering at a specified facility, upon application of the authority and in accordance with the provisions of this act. A license issued pursuant to this act shall be valid for a period of one year. The commission shall issue a license only if the authority schedules at least the minimum number of race dates required in section 30 of this act and it is satisfied that the authority has entered into a participation agreement with each and every other person, partnership, association, corporation, or authority or the successor in interest to such person, partnership, association, corporation or authority that:

(1) held a valid permit to hold or conduct a race horse meeting within this State in the calendar year 2000;
(2) has complied with the terms of such permit; and
(3) is in good standing with the commission and the State of New Jersey.

An off-track wagering license may not be transferred or assigned to a successor in interest without the approval of the commission and the Attorney General, which approval may not be unreasonably withheld.

b. As part of the license application process, any participation agreement entered into for the purposes of this section, or any modification to the agreement made thereafter, shall be reviewed by the commission and
the Attorney General to determine whether the agreement meets the requirements of this act and shall be subject to the approval of the commission and the Attorney General.

The authority shall not hold a license to provide alcoholic beverages at an off-track wagering facility.

The authority, in lieu of obtaining municipal zoning and planning approvals that may otherwise be required in connection with the off-track wagering facility, shall submit a written notice of its intention to site an off-track wagering facility to the governing body of the municipality within which the facility would be sited. The notice shall identify the proposed site of the facility by street address, if any, or by reference to lot and block numbers as shown on the current tax duplicate in the municipal tax assessor’s offices. Within 45 days of its receipt of the authority's notice of intention, the municipal governing body may disapprove of the proposed site of an off-track wagering facility by adopting a resolution which shall be valid and binding upon the authority and the commission upon delivery of a duly certified copy of the resolution to the authority and the commission. Whenever a municipality determines to consider a resolution disapproving a proposed off-track wagering facility, the authority shall be given an opportunity to offer a public presentation of the proposed facility prior to consideration of the resolution. A resolution disapproving a proposed off-track wagering facility shall state the reasons for disapproval.

In the event the governing body shall not adopt such a resolution, the authority may seek a license for an off-track wagering facility in that municipality and the commission may grant the authority the license provided that:

(1) the proposed off-track wagering facility site is not in an area zoned residential;

The costs of the public hearing shall be paid by the authority. The executive director shall cause a display advertisement, approximately 11 inches by 8 inches in size, to be published at least once in a daily newspaper, and at least once in a weekly newspaper, published, or circulated if none is published, in the county where the municipality is located at least 15 days before the date of the public hearing and to be
published again in that daily newspaper on the third day preceding the public hearing and in the latest edition of that weekly newspaper that will be in circulation on the third day preceding the public hearing. The advertisement shall contain sufficient information to apprise the public as to the purpose of the hearing, the time and place thereof, and the nature of the license applied for. The advertisement shall be prepared and placed by the executive director, but shall be paid for by the authority.

C.5:5-133 Final determination on license application.

7. a. No sooner than 30 days nor later than 60 days following the public hearing, the commission shall make a final determination on the license application. The commission shall approve the application if it determines that the plan for the proposed facility includes appropriate standards of quality for the premises and services it will provide and that the authority has demonstrated by clear and convincing evidence that establishment of the proposed off-track wagering facility will not be inimical to the interests of the public and the horse racing industry in this State. The commission shall submit its determination to the Attorney General for review and approval. The determination of the commission shall be deemed approved by the Attorney General if not affirmatively approved or disapproved by the Attorney General within 14 days of the date of submission. The decision of the Attorney General shall be deemed a final decision. Upon approval by the Attorney General, the commission shall issue to the authority an off-track wagering license specifying the location, the periods of time during a calendar year and the hours of operation during which off-track wagering is permitted at the facility, and prescribing any other conditions or terms the commission deems appropriate.

b. C.5:5-134 Powers of commission relative to off-track wagering.

8. a. The commission shall have full power to prescribe rules, regulations and conditions under which all off-track wagering licenses are issued and renewed in the State, including requiring an annual audit of the off-track wagering licensee's books and records pertaining to off-track wagering, and to revoke, suspend or refuse to renew a license if in the opinion of the commission the revocation of, suspension of or refusal to renew such license is in the public interest; provided, however, that such rules, regulations and conditions shall be uniform in their application.
b. The commission shall have no right or power to determine who shall be officers, directors or employees of any off-track wagering facility, or the salaries thereof; provided, however, that the commission may compel the discharge of any official or employee of the licensee at the off-track wagering facility who: (1) fails or refuses for any reason to comply with the rules or regulations of the commission; (2) fails or refuses for any reason to comply with any of the provisions of this act; (3) fails to establish by clear and convincing evidence in the opinion of the commission good character, honesty, competency and integrity; or (4) has been convicted of a crime involving fraud, dishonesty or moral turpitude.

C.5:5-135 Right to control patrons.

9. A license issued pursuant to this act shall be valid for a term of one year. The commission shall issue a license only if the authority schedules at least the minimum number of race dates required in section 30
of this act and it is satisfied that the authority has entered into a participation agreement with each and every person, partnership, association, corporation or authority or the successor in interest to such person, partnership, association, corporation or authority that:

(1) held a valid permit to hold or conduct a race horse meeting within this State in the calendar year 2000 consisting of at least 40 live race dates in the aggregate at the permit holder's racetrack;

(3) is in good standing with the commission and the State of New Jersey.

An account wagering license may not be transferred or assigned to a successor in interest without the approval of the commission and the Attorney General, which approval may not be unreasonably withheld.

b. As part of the license application process, any participation agreement, or any modification to the agreement made thereafter, entered into for the purposes of this section shall be reviewed by the commission and the Attorney General to determine whether the agreement meets the requirements of this act and shall be subject to the approval of the commission and the Attorney General.

c. At the time of filing an application for licensure under this section, the authority shall submit to the commission a non-refundable filing fee in an amount established by regulation by the commission, and a certification in a form prescribed by the commission which specifies, but is not limited to, information about the operation of the account wagering system and the authority's participation therein.

C.5:5-140 Public hearing.

14. a. Within 14 days of receipt of a completed application, certification and applicable fees, the executive director shall determine whether the same is in due form and meets the requirements of law in all respects, and upon being satisfied thereof, the executive director, within 45 days of receipt of a completed application, certification and applicable fees, shall hold a public hearing, the costs of which shall be paid by the applicant.

b. No sooner than 30 days nor later than 60 days following the public hearing, the commission shall make a final determination on the application. The commission shall approve the application if it determines that the authority has demonstrated by clear and convincing evidence that wagers placed through the proposed account wagering system will be accurately processed and that there will be sufficient safeguards to maintain the integrity of the horse racing industry in this State. The commission's determination shall be submitted to the Attorney General for review and approval. The determination of the commission shall be deemed approved
by the Attorney General if not affirmatively approved or disapproved by the Attorney General within 14 days of the date of submission. b. The commission shall have no right or power to determine who shall be officers, directors or employees of any account wagering licensee, or the salaries thereof; provided, however, that the commission may compel the discharge of any official or employee of the licensee or the account wagering system who: (1) fails or refuses for any reason to comply with the rules or regulations of the commission; (2) fails or refuses for any reason to comply with any of the provisions of this act; (3) fails to establish by clear and convincing evidence in the opinion of the commission good character, honesty, competency and integrity; or (4) has been convicted of a crime involving fraud, dishonesty or moral turpitude.

f. The account wagering licensee shall have the right to suspend or close any wagering account at its discretion.

i. A wagering account shall not be assignable or otherwise transferable.

j. Except as otherwise provided in this act or in regulations which the commission may adopt hereunder, all account wagers shall be final and no wager shall be canceled by the account holder at any time after the wager has been accepted by the account wagering licensee.

k. For the purposes of this act and notwithstanding any other law to the contrary, all messages or orders to place account wagers received by the licensee on behalf of a participating permit holder shall be deemed made to a place within this State.

l. All persons accepting account wagers on behalf of the account wagering licensee shall do so at a location within this State.

   e. The account holder may place a wager in person, by direct telephone call or by communication through other electronic media.

f. The remainder of the parimutuel pool after deduction of the amounts under subsections a. through f. of this section shall be paid to the off-track wagering licensee or the account wagering licensee, as appropriate on a pro rata basis, as determined by the commission based upon the volume of wagering handled by each licensee.

g. All breakage moneys and outstanding parimutuel ticket moneys resulting from wagering at the off-track wagering facility or through the account wagering system on races conducted by an in-State track shall be paid to the commission for racing costs in accordance with section 26 of this act. If in any calendar year the total amount of breakage moneys and outstanding parimutuel ticket moneys referred to herein exceeds amounts required to pay racing costs as provided in section 26 of this act, such remaining funds shall be allocated as follows: 50% to the off-track wagering licensee or the account wagering licensee, as appropriate and 50% to the New Jersey Racing Industry Special Fund.

C.5:5-148 Receipt of simulcasts transmitted from out-of-State tracks.

22. a. The off-track wagering licensee may, in accordance with the provisions of this act and any applicable regulations of the commission and with the approval of the commission, also receive at the facility simulcast horse races conducted at out-of-State sending tracks; provided, however, that the off-track wagering licensee may receive simulcast horse races from only those out-of-State sending tracks that have been approved by the commission, which approval may not be unreasonably withheld.

b. b. The account wagering licensee accepting account wagers on a horse race conducted at an out-of-State host track shall pay to the out-of-State host
track such amount, if any, as provided for in the agreement, if any, between the account wagering licensee and the out-of-State host track.

C.5:5-150 Conditions for participation by out-of-State tracks; interstate common pools.

24. a. Except as provided in subsection b. of this section, the commission shall not permit an out-of-State sending track or an out-of-State host track to participate in off-track simulcasting or qualify as an out-of-State host track, respectively, unless the parimutuel pools respecting the off-track wagering facility or the account wagering system shall be combined with comparable parimutuel pools at the out-of-State track. The types of wagering, takeout, distribution of winnings, rules of racing, method of calculating breakage, and the percentage of deposits remaining undistributed from a parimutuel pool after payment is made to winning ticket holders shall be determined in accordance with the law or policy applicable to the out-of-State track.

b. With the prior approval of the commission and the concurrence of the out-of-State track, an off-track wagering licensee or the account wagering licensee, and receiving tracks or entities in other states other than the state in which the out-of-State track is located may form an interstate common pool. With respect to such interstate common pools, the commission may approve types of wagering, takeout, distribution of winnings, rules of racing, method of calculating breakage, and a percentage of deposits remaining undistributed from a parimutuel pool after payment is made to winning ticket holders which are different from those which would otherwise be applied in this State but which are consistent for all parties to the interstate common pool.

C.5:5-151 Takeout rate, distribution.

25. Sums wagered at an off-track wagering facility on races being transmitted to that off-track wagering facility from an out-of-State sending track and sums wagered through the account wagering system on races conducted by an out-of-State host track shall be subject to the takeout rate determined pursuant to section 24 of this act and the sums resulting from that takeout rate as applied to the parimutuel pool generated at the off-track wagering facility or through the account wagering system shall be distributed as follows, except money resulting from breakage on amounts wagered at the off-track wagering facility or through the account wagering system and from outstanding parimutuel ticket moneys issued at the off-track wagering facility shall be distributed as provided by subsection c. of this section.

a. The amount, if any, as agreed by the off-track wagering licensee or account wagering licensee and the out-of-State track pursuant to section 23 of this act shall be paid to the out-of-State track.
b. Of the amount remaining after the deduction of the amount under subsection a. of this section from the amount of the takeout rate, 40% shall be paid to the New Jersey Racing Industry Special Fund and 60% shall be paid to the off-track wagering licensee or the account wagering licensee, as appropriate.

c. Breakage moneys and outstanding parimutuel ticket moneys resulting from wagering at the off-track wagering facility or through the account wagering system on races conducted by the out-of-State track shall be distributed as follows: $150,000 annually to Jockey's Health and Welfare, $150,000 annually to Standardbred Drivers' Health and Welfare, and all remaining moneys to the commission for racing costs in accordance with section 26 of this act. If in any calendar year the total amount of breakage moneys and outstanding parimutuel ticket moneys referred to herein exceed the $300,000 to be paid to Jockey's Health and Welfare and Standardbred Drivers' Health and Welfare, and the amounts required to pay racing costs as provided in section 26 of this act, such remaining funds shall be allocated as follows: 50% to the off-track wagering licensee or account wagering licensee, as appropriate and 50% to the New Jersey Racing Industry Special Fund.

C.5:5-152 Annual certification of racing costs.

26. a. The State Treasurer shall certify racing costs on an annual basis. These racing costs shall be the basis for payment and reimbursement to the commission from the following sources, in the following order:

(1) license and permit fees received by the commission;
(2) breakage moneys and outstanding parimutuel ticket moneys as provided in sections 21 and 25 of this act, and the outstanding parimutuel ticket moneys as provided in section 44 of P.L.1940, c.17 (C.5:5-64), section 1 of P.L.1984, c.236 (C.5:5-64.1) and section 7 of P.L.1971, c.137 (C.5:10-7).

b. If, in any year, amounts received by the commission from the sources specified in subsection a. of this section are not sufficient to reimburse the commission for racing costs, there shall be an assessment against permit holders or successors in interest to permit holders, if applicable, to reimburse the commission for its costs for which funds are not otherwise appropriated to the commission by law. Such assessment shall be approved by the State Treasurer. The commission shall establish, by regulation, an assessment formula which apportions such costs to each permit holder or successor in interest, if applicable.

c. Subject to the approval of the State Treasurer, the commission may adjust the annual assessment when necessary to cover expenditures not anticipated at the time of the assessment.
d. The funds derived from the sources specified in this section shall be held in a non-lapsing dedicated account, for use in accordance with the provisions of this section.

   (1) in the case of money deposited into the special fund from the off-track wagering facility located on the former site of the Atlantic City Race Course, or, if no off-track wagering facility exists on that former site, the off-track wagering facility located closest to that former site, 100% to permit holders conducting thoroughbred racing;

   (2) except as provided in paragraph (1), 65% to permit holders conducting thoroughbred racing and 35% to permit holders conducting harness racing;

Of the allocations made pursuant to this subsection to permit holders conducting thoroughbred racing, specific distributions shall be made to the overnight thoroughbred purse account of each permit holder and for programs designed to aid the thoroughbred horsemen and the New Jersey Thoroughbred Horseman's Association. Expenditures for programs designed to aid the thoroughbred horsemen and the New Jersey Thoroughbred Horseman's Association shall not exceed 2.9% of such allocations. Distribution among thoroughbred permit holders shall be based on the following formula: total overnight thoroughbred purse distribution for each permit holder in the prior calendar year divided by the total overnight thoroughbred purse distribution of all permit holders in the prior calendar year.

Of the allocations made pursuant to this subsection to permit holders conducting standardbred racing, specific distributions shall be made to the overnight standardbred purse account of each permit holder and for programs designed to aid the standardbred horsemen and the Standardbred Breeders' and Owners' Association of New Jersey. Expenditures for programs designed to aid the standardbred horsemen and the Standardbred Breeders' and Owners' Association of New Jersey shall not exceed 3.5% of such allocations. Distribution among standardbred permit holders shall be based on the following formula: total overnight standardbred purse distribution for each permit holder in the prior calendar year divided by the total overnight standardbred purse distribution of all permit holders in the prior calendar year.
b. 8% shall be distributed as follows:
   (1) in the case of money deposited into the special fund from the off-track wagering facility located on the former site of the Atlantic City Race Course, or, if no off-track wagering facility exists on that former site, the off-track wagering facility located closest to that former site, 100% to thoroughbred funds; and
   (2) except as provided in paragraph (1), 65% to thoroughbred funds and 35% to harness funds.

Of the amounts distributed to thoroughbred funds pursuant to this subsection, the following distributions shall apply: 94% to Thoroughbred Breeders and Stallions; 3% to Backstretch Benevolency; and 3% to Breeding and Development.

Of the amount distributed to harness funds pursuant to this subsection, the following distributions shall apply: 75% to Sire Stakes; 8% to Breeders and Stallions; 3.5% to Backstretch Benevolency; 10% to Health and Welfare; and 3.5% to Breeding and Development.

C.5:5-154 Licensing, registration of persons conducting wagering-related activities.

28. All persons engaged in conducting wagering-related activities at an off-track facility or through an account wagering system, whether employed directly by the licensee or by a person or entity conducting or operating the off-track wagering facility or account wagering system to an agreement with the licensee, shall be licensed or registered in accordance with such regulations as may be promulgated by the commission hereunder. All other employees at the off-track wagering facility or of account wagering system shall be licensed or registered in accordance with regulations of the commission. The commission shall have full power to prescribe rules, regulations and conditions under which all such licenses are issued, or registrations made, in this State and to revoke or refuse to issue a license, or revoke or refuse to accept a registration, if in the opinion of the commission the revocation or refusal is in the public interest, provided, however, that such rules, regulations and conditions shall be uniform in their application, and further provided that no fee shall be in excess of $50 for each license so granted or registration accepted.

C.5:5-155 One-time right of first refusal offers of employment.

29. a. A person employed by a permit holder in the admissions department or parimutuel clerk department of a racetrack operated by a permit holder, or employed at the racetrack by a food and beverage vendor contracting with the permit holder to provide food and beverages at the racetrack, shall be given a one-time right of first refusal offer of employment, as each off-track wagering facility opens, for the then available positions of similar employment in that off-track wagering facility,
including any similar employment with the off-track wagering licensee or with any vendor contracting with the licensee to provide food and beverages at the off-track wagering facility, or as each account wagering licensee implements account wagering, for the then available positions of similar employment with any account wagering licensee.

b. In the event that an off-track wagering facility is sited and begins operations at the location or in the proximity of a former racetrack, a person who, at the time of the closing of the former racetrack, worked as an employee of the permit holder in the admissions department or parimutuel clerk department of the former racetrack operated by the permit holder, or who, at the time of the closing of the former racetrack, worked at the racetrack as an employee of a food and beverage vendor contracting with the permit holder to provide food and beverages at the former racetrack, shall be given a one-time right of first refusal offer of similar employment at the off-track wagering facility. In the event that there are not a sufficient number of employment opportunities for each of the former employees who seek a position pursuant to the provisions of this subsection, then each such former employee, for a period of four years thereafter, shall have the right of first refusal set forth in the provisions of subsection a. of this section. Employment opportunities that remain after each former employee has been given an offer of similar employment shall be made available to other persons in accordance with the provisions of subsection a. of this section.

c. An employee of the permit holder or vendor contracting with the permit holder who is given preference for employment pursuant to subsections a. and b. of this section and accepts the employment shall not suffer, at the time that the change in employment occurs, any reduction in seniority, pay, or employer contribution to pension and health benefits, and shall receive a substantially equivalent level of benefits.

C.5:5-156 Scheduling of race dates, minimum required.

30. a. The permit holder at Monmouth Park and the thoroughbred permit holder at the Meadowlands together shall schedule (1) no fewer than 141 thoroughbred race dates in the aggregate in each of calendar years 2002, 2003, and 2004; and (2) no fewer than 141 thoroughbred race dates in the aggregate in each calendar year thereafter, provided that the permit holders may schedule fewer than 141 thoroughbred race dates in the aggregate if the commission determines, upon application by the permit holders, that scheduling fewer dates in that calendar year is in the best interest of the racing industry and the State. In making its determination, the commission shall consider all factors, including, but not limited to, handle, number of starters, interstate competition, and export marketability. Notwithstanding
the foregoing, in no calendar year shall the permit holders schedule, in the aggregate, fewer than 120 thoroughbred race dates;

b. the standardbred permit holder at the Meadowlands shall schedule annually no fewer than 151 standardbred race dates; and

c. the permit holders at Freehold Raceway shall schedule annually no fewer than 192 standardbred race dates.

C.5:5-22.1 Delivery, certification of commission minutes to Governor; approval.

31. A true copy of the minutes of every meeting of the commission shall be forthwith delivered by and under the certification of, the executive director thereof to the Governor. No action taken at such meeting of the commission shall have force and effect until the earlier of 10 days, exclusive of Saturdays, Sundays and public holidays, after such copy of the minutes shall have been so delivered, or the approval thereof by the Governor. If, in the 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the commission or any member thereof at such meeting, such action shall be null and void and of no effect. The Governor may approve all or part of the action taken at such meeting, prior to the expiration of the 10-day period. This section shall not apply to enforcement actions for violations of regulations promulgated by the commission.

C.5:5-157 Severability.

32. The provisions of this act shall be deemed to be severable, and if any phrase, clause, sentence or provision of this act is declared to be unconstitutional or the applicability thereof to any person is held invalid, the remainder of this act shall not thereby be deemed to be unconstitutional or invalid.

Such funds shall be used to address
compulsive gambling issues related to off-track wagering facilities and account wagering. The New Jersey Racing Commission shall, by regulation, establish a formula which apportions the assessment to each permit holder or successor in interest, if applicable.

C.5:5-160 Supplementation, enhancement of purses at authority owned tracks.

35. In order to retain the competitive position of the standardbred and thoroughbred racing programs at the authority owned racetracks during the period in which the off-track wagering and account wagering systems are developed, the authority, as it deems appropriate, may supplement or enhance purses at its racetracks; provided, however, that any such supplements shall be decreased as the off-track wagering and account wagering systems are developed.

36. On or before July 1, 2002, the commission shall submit to the Governor and the Legislature a report indicating the feasibility of establishing a permanent training facility or other means to permit winter stabling for the New Jersey racing industry and $95,000 is appropriated from the General Fund to the commission for that purpose.

37. Section 37 of P.L.1992, c.19 (C.5:5-125) is amended to read as follows:

C.5:5-125 Race track may receive simulcast transmissions from out-of-State track; interstate common pools, formation.

37. a. (1) Notwithstanding any other law to the contrary, the New Jersey Racing Commission, upon application by a receiving track, as defined in section 2 of P.L.1985, c.269 (C.5:5-111), and in accordance with applicable federal law, may permit the track to receive, in addition to the horse races authorized by section 10 of P.L.1985, c.269 (C.5:5-119), simulcast transmissions of the racing program, in full or in part, from any out-of-State sending track, as defined in section 2 of P.L.1985, c.269 (C.5:5-111), during any time period, provided that the receiving track agrees to receive all simulcast horse races which any in-State sending track wishes to transmit to it during that same time period, and provided further that, except as provided in subsection b. of this section, the parimutuel pools at the receiving track shall be combined with comparable parimutuel pools at the out-of-State sending track. No limit shall be placed on the number of racing programs the track may receive from out-of-State sending tracks except as otherwise provided herein.

(2) Whenever an out-of-State sending track participates in simulcasting pursuant to paragraph (1) of this subsection and the parimutuel pools are combined at the out-of-State sending track, the types of wagering, takeout,
distribution of winnings, rules of racing, method of calculating breakage, and the percentage of deposits remaining undistributed from a parimutuel pool after payment is made to winning ticket holders shall be determined in accordance with the law or policy applicable to the out-of-State sending track. However, moneys resulting from breakage on amounts wagered at the receiving track and from outstanding parimutuel tickets issued at the receiving track in all instances shall be distributed as provided by section 38 of this act.

b. With the prior approval of the New Jersey Racing Commission and the concurrence of the out-of-State sending track, a receiving track and receiving tracks or entities in other states other than the state in which the sending track is located may form an interstate common pool, as defined in section 2 of P.L.1985, c.269 (C.5:5-111). With respect to such interstate common pools, the Racing Commission may approve types of wagering, takeout, distribution of winnings, rules of racing, method of calculating breakage, and a percentage of deposits remaining undistributed from a parimutuel pool after payment is made to winning ticket holders which are different from those which would otherwise be applied in this State but which are consistent for all parties to the interstate common pool. However, moneys resulting from breakage on amounts wagered at the receiving track and from outstanding parimutuel tickets issued at the receiving track in all instances shall be distributed as provided in section 38 of this act.

6. This act shall take effect on September 1, 2002 and shall apply to policies or contracts issued or renewed after the effective date.

Approved August 8, 2001.
AN ACT concerning the service credit of certain members of the Police and Firemen’s Retirement System of New Jersey and the payment of certain costs, amending P.L.1944, c.255 and supplementing P.L.1993, c.247 (C.43:16A-3.8 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.43:16A-3.14 Full credit toward PFRS benefits for transferred PERS service.

1. a. Notwithstanding the provisions of P.L.1993, c.247 (C.43:16A-3.8 et seq.) to the contrary, a member or retiree of the Police and Firemen’s Retirement System of New Jersey (PFRS), established pursuant to P.L.1944, c.255 (C.43:16A-1 et seq.), who was eligible to become a member of the PFRS and transferred membership from the Public Employees’ Retirement System of New Jersey (PERS), established pursuant to P.L.1954, c.84 (C.43:15A-1 et seq.), to the PFRS pursuant to section 1 of P.L.1993, c.247 (C.43:16A-3.8) shall receive full credit toward benefits under PFRS for the transferred PERS service.

b. The PFRS shall reimburse to any member or retiree who agreed to pay the full cost of the accrued liability for the transferred PERS credit as provided in section 3 of P.L.1993, c.247 (C.43:16A-3.10) the cost of that credit purchase.

2. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as follows:

C.43:16A-15 Contributions, expenses of administration.

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be 8.5% of compensation.

(3) (Deleted by amendment, P.L.1989, c.204).

(4) Upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute annually, beginning as of June 30, 1991, the amount of contribution which shall be the normal cost as computed under the projected unit credit method attributable to service rendered under the retirement system for the year beginning on July 1 immediately succeeding the date of the computation. This shall be known as the "normal contribution."

(6) (Deleted by amendment, P.L.1994, c.62.)
(7) Each employer shall cause to be deducted from the salary of each member the percentage of earnable compensation prescribed in subsection (2) of this section. To facilitate the making of deductions, the retirement system may modify the amount of deduction required of any member by an amount not to exceed 1/10 of 1% of the compensation upon which the deduction is based.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) With respect to employers other than the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall compute the amount of the accrued liability as of June 30, 1991 under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. Using the total amount of this unfunded accrued liability, the actuary shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 40 years on initial application of this section as amended by this act, P.L.1994, c.62. This shall be known as the "accrued liability contribution." Any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for the 10 valuation years following valuation year 1991 shall serve to increase or decrease, respectively, the unfunded accrued liability contribution. Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the
accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section.

With respect to the State, upon the basis of the tables recommended by the actuary which the board adopts and regular interest, the actuary shall annually determine if there is an amount of the accrued liability, computed under the projected unit credit method, which is not already covered by the assets of the retirement system, valued in accordance with the asset valuation method established in this section. This shall be known as the "unfunded accrued liability." If there was no unfunded accrued liability for the valuation period immediately preceding the current valuation period, the actuary, using the total amount of this unfunded accrued liability, shall compute the initial amount of contribution which, if the contribution is increased at a specific rate and paid annually for a specific period of time, will amortize this liability. The State Treasurer shall determine, upon the advice of the Director of the Division of Pensions and Benefits, the board of trustees and the actuary, the rate of increase for the contribution and the time period for full funding of this liability, which shall not exceed 30 years. This shall be known as the "accrued liability contribution." Thereafter, any increase or decrease in the unfunded accrued liability as a result of actuarial losses or gains for subsequent valuation years shall serve to increase or decrease, respectively, the amortization period for the unfunded accrued liability, unless an increase in the amortization period will cause it to exceed 30 years. If an increase in the amortization period as a result of actuarial losses for a valuation year would exceed 30 years, the accrued liability contribution shall be computed for the valuation year in the same manner provided for the computation of the initial accrued liability contribution under this section. The State may pay all or any portion of its unfunded accrued liability under the retirement system from any source of funds legally available for the purpose, including, without limitation, the proceeds of bonds authorized by law for this purpose.

The value of the assets to be used in the computation of the contributions provided for under this section for valuation periods shall be the value of the assets for the preceding valuation period increased by the regular interest rate, plus the net cash flow for the valuation period (the difference between the benefits and expenses paid by the system and the contributions to the system) increased by one half of the regular interest rate, plus 20% of the difference between this expected value and the full market value of the assets as of the end of the valuation period. This shall be known as the "valuation assets." Notwithstanding the first sentence of this paragraph, the valuation assets for the valuation period ending June 30, 1995 shall be the full market value of the assets as of that date and, with respect to the
valuation assets allocated to the State, shall include the proceeds from the bonds issued pursuant to the "Pension Bond Financing Act of 1997," P.L.1997, c.114 (C.34:1B-7.45 et seq.), paid to the system by the New Jersey Economic Development Authority to fund the unfunded accrued liability of the system. Notwithstanding the first sentence of this paragraph, the percentage of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1998 for the State shall be 100% and for other employers shall be 57% plus such additional percentage as is equivalent to $150,000,000. Notwithstanding the first sentence of this paragraph, the amount of the difference between the expected value and the full market value of the assets to be added to the expected value of the assets for the valuation period ending June 30, 1999 shall include an additional amount of the market value of the assets sufficient to fund (1) the unfunded accrued liability for the supplementary "special retirement" allowances provided under subsection b. of section 16 of P.L.1964, c.241 (C.43:16A-11.1) and (2) the unfunded accrued liability for the full credit toward benefits under the retirement system for service credited in the Public Employees' Retirement System and transferred pursuant to section 1 of P.L.1993, c.247 (C.43:16A-3.8) and the reimbursement of the cost of any credit purchase pursuant to section 3 of P.L.1993, c.247 (C.43:16A-3.10) provided under section 1 of P.L.2001, c.201 (C.43:16A-3.14).

"Excess valuation assets" means, with respect to the valuation assets allocated to the State, the valuation assets allocated to the State for a valuation period less the actuarial accrued liability of the State for the valuation period, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by the State as of the valuation period over the expected working lives of the active members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero. "Excess valuation assets" means, with respect to the valuation assets allocated to other employers, the valuation assets allocated to the other employers for a valuation period less the actuarial accrued liability of the other employers for the valuation period, excluding the unfunded accrued liability for early retirement incentive benefits pursuant to P.L.1993, c.99 for the other employers, and beginning with the valuation period ending June 30, 1998, less the present value of the expected additional normal cost contributions attributable to the provisions of P.L.1999, c.428 (C.43:16A-15.8 et al.) payable on behalf of the active members employed by other employers as of the valuation period over the expected working lives of the active
members in accordance with the tables of actuarial assumptions applicable to the valuation period, if the sum is greater than zero.

If there are excess valuation assets allocated to the State or to the other employers for the valuation period ending June 30, 1995, the normal contributions payable by the State or by the other employers for the valuation periods ending June 30, 1995, and June 30, 1996 which have not yet been paid to the retirement system shall be reduced to the extent possible by the excess valuation assets allocated to the State or to the other employers, respectively, provided that with respect to the excess valuation assets allocated to the State, the General Fund balances that would have been paid to the retirement system except for this provision shall first be allocated as State aid to public schools to the extent that additional sums are required to comply with the May 14, 1997 decision of the New Jersey Supreme Court in Abbott v. Burke.

If there are excess valuation assets allocated to the other employers for the valuation period ending June 30, 1998, the accrued liability contributions payable by the other employers for the valuation period ending June 30, 1997 shall be reduced to the extent possible by the excess valuation assets allocated to the other employers.

If there are excess valuation assets allocated to the State or to the other employers for a valuation period ending after June 30, 1998, the State Treasurer may reduce the normal contribution payable by the State or by other employers for the next valuation period as follows:

1. for valuation periods ending June 30, 1996 through June 30, 2000, to the extent possible by up to 100% of the excess valuation assets allocated to the State or to the other employers, respectively;

2. for the valuation period ending June 30, 2001, to the extent possible by up to 84% of the excess valuation assets allocated to the State or to the other employers, respectively;

3. for the valuation period ending June 30, 2002, to the extent possible by up to 68% of the excess valuation assets allocated to the State or to the other employers, respectively; and

4. for valuation periods ending on or after June 30, 2003, to the extent possible by up to 50% of the excess valuation assets allocated to the State or to the other employers, respectively.

Notwithstanding the discretion provided to the State Treasurer in the previous paragraph to reduce the amount of the normal contribution payable by employers other than the State, the State Treasurer shall reduce the amount of the normal contribution payable by employers other than the State by $150,000,000 in the aggregate for the valuation period ending June 30, 1998, and then the State Treasurer may reduce further pursuant to the
provisions of the previous paragraph the normal contribution payable by such employers for that valuation period.

The normal and accrued liability contributions shall be certified annually by the retirement system and shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

(10) The treasurer or corresponding officer of the employer shall pay to the State Treasurer no later than April 1 of the State's fiscal year in which payment is due the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds, of the retirement system.

If payment of the full amount of the employer's obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be included with the certification by the retirement system of the employer's contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) (Deleted by amendment, P.L.1992, c.125.)

(14) Commencing with valuation year 1991, with payment to be made in Fiscal Year 1994, the Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the retirement system an amount equal to 1.1% of the compensation of the members of the

(15) If the valuation assets are insufficient to fund the normal and accrued liability costs attributable to P.L.1999, c.428 (C.43:16A-15.8 et al.) as provided hereinabove, the normal and unfunded accrued liability contributions required to fund these costs for the State and other employers shall be paid by the State.

(16) The savings realized as a result of the amendments to this section by P.L.2001, c.44 in the payment of normal contributions computed by the actuary for the valuation periods ending June 30, 1998 for employers other than the State shall be used solely and exclusively by a county or municipality for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate. The Director of the Division of Local Government Services in the Department of Community Affairs shall certify for each year that each county or municipality has complied with the requirements set forth herein. If the director finds that a county or municipality has not used the savings solely and exclusively for the purpose of reducing the amount that is required to be raised by the local property tax levy by the county for county purposes or by the municipality for municipal purposes, as appropriate, the director shall direct the county or municipal governing body, as appropriate, to make corrections to its budget.

3. This act shall take effect 90 days following enactment

1. N.J.S.59:13-8 is amended to read as follows:

Interest on judgments.

59:13-8. Interest on judgments. No interest shall accrue prior to the entry of judgment in a court of competent jurisdiction, except that the court,
in its discretion, may award prejudgment interest on the whole or part of a judgment arising out of or relating to claims for the construction or installation of improvements to real property in accordance with principles of equity.

Approved August 8, 2001.

CHAPTER 203

AN ACT concerning opportunities for world language instruction and credit toward high school graduation requirements for certain world language courses and supplementing chapter 35 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. New Jersey is home to over 100 ethnic groups and there are approximately 125 different world languages used by persons living in this State to describe, interpret and give meaning to their world.
   b. We live in a world that is increasingly interdependent creating the need for educated citizens who are multilingual and who have multicultural sensitivities.
   c. Persons engaging in commerce in this State are finding that their markets are no longer limited to an area where one language is predominant, but that markets in this State and in the United States and in many different parts of the world require the use of different world languages and an understanding of the cultures of which those languages are an integral part to effectively carry out commercial transactions.
   d. In such a world it is important to provide a variety of opportunities for public school pupils to learn different languages and to provide recognition, including credit toward a high school diploma, for those pupils who take advantage of these opportunities.
   e. The resources of local school districts are limited and, as such, it is not practicable to expect local school districts to develop and teach the variety of world languages in which local community groups may wish their children and youth to receive instruction.
f. Many of these local community groups are well equipped to provide instruction in a world language and the culture which forms, shapes and provides meaning for that world language.

g. It is therefore in the interest of the people of this State that the Department of Education establish a committee to develop a plan which would provide students in the public schools the opportunity to receive instruction in and graduation credit for a world language not taught in the public school district.

2. There is created in the Department of Education the World Language Instruction Committee. The committee shall consist of 15 members selected as follows: the Commissioner of Education or the commissioner's designee; two members to be appointed by the President of the Senate, who shall not be of the same political party; two members to be appointed by the Speaker of the General Assembly, who shall not be of the same political party; seven public members appointed by the Governor, three of whom shall be from the higher education academic community with experience in world language instruction; and one member each from the New Jersey Education Association; the New Jersey Principals and Supervisors Association; and the New Jersey School Boards Association.

3. All appointments shall be made within 30 days after the effective date of this act. Vacancies in the membership of the committee shall be filled in the same manner as the original appointments were made. Members of the committee shall serve without compensation.

4. The Commissioner of Education or the commissioner's designee, shall serve as the committee's chair and shall convene the committee within 30 days after the appointment of its members. The committee shall select a vice-chair from among its members and a secretary who need not be a member of the committee.

5. The committee shall develop a plan which provides public school pupils with opportunities for instruction in a wide variety of world languages, including instruction in world languages provided by qualified entities other than school districts. The committee shall consider and include proposals in the plan regarding, but not limited to, the following items:

a. the identification of Statewide proficiency standards for world languages;

b. the use of other world language programs currently in operation in other states;
c. procedures for use by a local school district in working with another entity desiring to provide instruction in a world language to a resident pupil of that district;

d. identification of the cost elements of the plan for the State and local districts; and

e. implementation of the plan as a Statewide or a pilot program.

6. Staff and related support services shall be provided to the committee by the Department of Education. The committee shall also be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal board, bureau, commission or agency as it may require and as may be available to it for its purposes.

7. The committee may meet and hold hearings at the place or places it designates and shall issue its plan to the State Board of Education not later than eight months after the effective date of this act.

C.18A:35-4.18 Credit for world language course not offered by public school.

8. A pupil who is enrolled in a public high school within the State who wishes to take a world language course not offered in the resident public school district may complete and receive credit toward high school graduation for a world language course offered by a religious organization or any other nonpublic school organization or entity. In order to receive credit for the course, the pupil shall meet local district proficiency requirements.

9. This act shall take effect immediately, except section 8 shall take effect July 1 next following submission of the committee’s plan to the State Board of Education. Sections 1 through 7 shall expire 30 days after the committee submits its plan to the State Board of Education.

Approved August 8, 2001.

2. This act shall take effect immediately.

C.52:14-17.28b Determination of obligation of State, agencies to pay premium; periodic charges.

Notwithstanding the provisions of any other law to the contrary, the obligations of the State or an independent State authority, board, commission, corporation, agency, or organization to pay the premium or periodic charges for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.) may be determined by means of a binding collective negotiations agreement, including any agreements in force at the time of the adoption of P.L.1996, c.8. With respect to State employees for whom there is no majority representative for collective negotiations purposes, the commission may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for the State and such employees in a manner consistent with the terms of any collective negotiations agreement binding on the State. With respect to employees of an independent State

purposes, the employer may, in its sole discretion, modify the respective
payment obligations set forth in P.L.1961, c.49 for such employer and such
employees in a manner consistent with the terms of any collective negotia-
tions agreement binding on such employer. The provisions of this
subsection shall also apply to employees deemed or considered to be
employees of the State pursuant to subsection (c) of section 2 of P.L.1961,
c.49 (C.52:14-17.26).

for each State employee who accrues 25 years of nonconcurrent service
credit in one or more State or locally-administered retirement systems
before July 1, 1997, excepting the employee who elects deferred retirement,
the State, upon the employee's retirement, shall pay the full cost of the
premium or periodic charges for the health benefits provided to a retired
State employee and dependents covered under the State Health Benefits
Program, but not including survivors, and shall also reimburse the retired
employee for premium charges under Part B of Medicare covering the
retired employee and the employee's spouse.

(2) Notwithstanding the provisions of any other law to the contrary, for
each State employee who accrues 25 years of nonconcurrent service credit
in one or more State or locally-administered retirement systems on or after
July 1, 1997, excepting the employee who elects deferred retirement, the
State, upon the employee's retirement, shall pay the premium or periodic
charges for the health benefits provided to a retired State employee and
dependents covered under the State Health Benefits Program, but not
including survivors, and shall reimburse the retired employee for premium
charges under Part B of Medicare covering the retired employee and the
employee's spouse: (a) in accordance with the provisions, if any, concerning

time of the employee's accrual of 25 years of nonconcurrent service credit
in one or more State or locally-administered retirement systems.

2. Section 8 of P.L.1961, c.49 (C.52:14-17.32) is amended to read as
follows:
C.52:14-17.32 Health benefits for retirees.

The commission may also establish regulations prescribing an extension of coverage when an employee or dependent is totally disabled at termination of coverage.

b. Rates payable by retired employees for themselves and their dependents, by active employees for dependents covered by medicare benefits, and by the State or other employer for an active employee alone covered by medicare benefits, shall be determined on the basis of utilization experience according to classifications determined by the commission, provided, however, that the total rate payable by such retired employee for the employee and the employee's dependents, or by such active employee for the employee's dependents and the State or other employer for such active employee alone, for coverage hereunder and for Part B of medicare, shall not exceed by more than 25%, as determined by the commission, the total amount which would have been required to have been paid by the employee and by the State or other employer for the coverage maintained had the employee continued in office or active employment and the employee and the employee's dependents were not eligible for medicare benefits. Any full-time employee of the Rutgers University Cooperative Extension Service who meets the eligibility requirements set forth in this amendatory act shall be eligible for the benefits provided in this section, provided that at the time of retirement such employee was covered by the State Health Benefits Program and elected to continue such coverage into retirement.

(3) Notwithstanding the provisions of this section to the contrary, in the case of an employee of a State college, as described in chapter 64 of Title 18A of the New Jersey Statutes, or of a county college, as defined in N.J.S.18A:64A-1, service credited in a private defined contribution retirement plan which was earned as an employee of an auxiliary organization, as defined in section 2 of P.L.1982, c.16 (C.18A:64-27), at a State or county college shall be considered in combination with service credited in a State-administered retirement system for the purposes of establishing the minimum 25-year service requirement to qualify for the benefits provided in this section, provided that the employee is covered by the program at the time of retirement.

(4) Notwithstanding the provisions of this section to the contrary, from funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and any dependents covered under the program, but not including survivors, if the employee: (a) retired prior to the effective date of this act, P.L.1997, c.335

by the State Police Retirement System; (c) has, in the aggregate, at least 30
years of full-time employment with the State; and (d) is covered by the
program at the time of terminating full-time employment with the State.

shall apply to:

benefits based in the aggregate upon 25 or more years of nonconcurrent
service credit in one or more State or locally-administered retirement
systems, or retires on a disability pension based upon fewer years of service

aggregate upon 25 or more years of nonconcurrent service credit in one or
more State or locally-administered retirement systems and receives a
retirement allowance from that system or systems;

service credited in another defined contribution retirement program as an
employee of a private institution of higher education which, under contract
with a county government, provided services as a county college and
subsequently merged with a county technical institute to become a county
college, which additional years of service when added to the service credited
in the alternate benefit program totals 25 or more years and any such
employee who retired prior to the effective date of P.L.1999, c.382 if the
employee applies to the program for coverage within one year after the effective date of P.L.1999, c.382.

The costs of the premium or periodic charges for the benefits and reimbursement of Medicare premiums provided to a retiree and the dependents of the retiree under this section shall be paid by the State.

4. Section 7 of P.L.1964, c.125 (C.52:14-17.38) is amended to read as follows:

C.52:14-17.38 Certification of premium rates, charges; Medicare premiums; employer obligations.

from one or more State or locally-administered retirement systems prior to the date that the employer became a participating employer in the New Jersey State Health Benefits Program or who did not elect to continue coverage in the program during such time after the employer became a participating employer that the employer did not pay premium or periodic charges for benefits to retired employees and their dependents pursuant to this section. Eligibility and enrollment of such employees and dependents shall be in accordance with such rules and regulations as may be adopted by the State Health Benefits Commission.

The employer other than the State may, by resolution, pay the premium or periodic charges for the benefits provided to the surviving spouse of a retired employee and the employee’s dependents covered under the program as provided in this section.

Service upon the commissioner shall be of
the same force and effect as if served on the nonresident insurance producer. 10. a. An individual who applies for an insurance producer license in this State who was previously licensed for the same lines of authority in another state shall not be required to complete any prelicensing education or examination. b. A person licensed as an insurance producer in another state who moves to this State shall make application within 90 days of establishing legal residence to become a resident licensee pursuant to section 7 of this act.    (4) In any other circumstance in which the commissioner determines that the public interest will best be served by the issuance of a temporary insurance producer license.

b. The commissioner may, by order, limit the authority of any temporary licensee in any way necessary to protect insureds and the public. The commissioner may require the temporary licensee to have a suitable sponsor who is a licensed insurance producer or insurer and who assumes responsibility for all acts of the temporary licensee and may impose other similar requirements designed to protect insureds and the public. The commissioner may by order revoke a temporary license if the interest of insureds or the public are endangered. A temporary license shall not continue after the owner or the personal representative disposes of the insurance producer's business.

b. If the action by the commissioner is to nonrenew or to deny an application for an insurance producer license, the commissioner shall notify the applicant or licensee and advise, in writing, the applicant or licensee of the reason for the denial or nonrenewal of the license. The applicant or licensee may make written demand upon the commissioner for a hearing before the commissioner, or his designee, to determine the reasonableness of the commissioner's action. The hearing shall be held pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

c. d. An insurer or insurance producer may pay or assign commissions, service fees, brokerages or other valuable consideration to an insurance agency or to persons who do not sell, solicit or negotiate insurance in this State, unless the payment would violate section 15 of P.L.1944, c.27 (C.17:29A-15), section 14 of P.L.1982, c.114 (C.17:29AA-14), section 4 of P.L.1947, c.379 (C.17:29B-4), section 5 of P.L.1968, c.248 (C.17:46A-5), section 34 or 35 of P.L.1975, c.106 (C.17:46B-34 or 17:46B-35) or N.J.S.17B:30-13 or any other provision of law.

Any insurer authorized to transact business in this State may, by written contract, appoint as its agent, a person that holds a valid insurance producer license issued in accordance with the provisions of this act. The contract shall authorize the insurance producer to act as an agent for the appointing insurer for all lines of insurance for which the insurer is authorized in this State and the agent holds authority in this State, unless specifically limited. The contract shall contain the duties, responsibilities and limitations of authority between the agent and the appointing insurer, and the agent shall abide by its terms. While the agent is properly licensed, an agency appointment shall continue in effect until termination in accordance with this act. Both the appointing insurer and the appointed agent shall maintain a copy of the agency contract in their office, and shall make the contract available for inspection by the commissioner upon request. The requirements of this subsection shall not affect any notice or filing requirements otherwise established by law.

c. Any insurer appointing an agent pursuant to this section shall file with the commissioner, on a form prescribed by the commissioner, a notice of appointment providing the names and business addresses of its agents, including notice of any limitations on the agent's authority. The filing of a
single notice of appointment by each insurer represented by a licensed business entity shall cover all of its licensed producers.

d. The filing of a notice of appointment pursuant to subsection c. of this section shall constitute notice that the named insurance producer has been appointed an agent for any subsidiary or affiliate company of the insurer if certified copies of any resolution duly adopted by the board of directors of each insurer requesting that authority are filed with the commissioner. (2) In any action brought against a person that has immunity under paragraph (1) of this subsection for making any statement required by this section or providing any information relating to any statement that may be requested in writing by the commissioner, from an insurer or insurance producer; or a statement by a terminating insurer or insurance producer to an insurer or insurance producer limited solely and exclusively to whether a termination for cause under subsection b. of section 17 of this act was reported to the commissioner, the party bringing the action shall plead specifically in any allegation that paragraph (1) does not apply because the person making the statement or providing the information did so with actual malice.

(3) Paragraph (1) or (2) of this subsection shall not abrogate or modify any existing statutory or common law privileges or immunities.

b. (1) Any documents, materials or other information in the control or possession of the department furnished by an insurer, insurance producer or an employee or agent thereof acting on behalf of the insurer or insurance producer, or obtained by the commissioner in an investigation pursuant to this section, shall be confidential by law and privileged, shall not be subject to any State or federal freedom of information law, shall not be subject to
subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. However, the commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's duties.

(2) Neither the commissioner, nor any person who received documents, materials or other information while acting under the authority of the commissioner, shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to paragraph (1) of this subsection.

(3) In order to assist in the performance of the commissioner's duties under this act, the commissioner:

(a) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to paragraph (1) of this subsection, with other state, federal, and international regulatory agencies, with the NAIC, and with state, federal, and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material or other information pursuant to this section;

(b) May receive documents, materials or information, including otherwise confidential and privileged documents, materials or information, from the NAIC and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information; and

(c) May enter into agreements governing sharing and use of information consistent with this subsection.

(4) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in paragraph (3) of this subsection.

(5) Nothing in this act shall prohibit the commissioner from releasing final, adjudicated actions including terminations for cause that are open to public inspection pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.) to a database or other clearinghouse service maintained by the NAIC.

c. An insurer, the authorized representative of the insurer, or an insurance producer that fails to report as required under the provisions of this section or that is found by a court of competent jurisdiction to have reported with actual malice may, after notice and hearing, have its license or certificate of authority suspended or revoked and may be fined in accordance with section 20 of this act.
C.17:22A-44 Fees.

19. a. The commissioner shall, by regulation, set reasonable, necessary and appropriate fees to be charged for licensing insurance producers, filing agency appointments, filing limited insurance producer registrations, filing fictitious, trade or firm names, issuing certification of license status and processing any document required to be submitted pursuant to this act, except that the total annual revenue generated from these fees shall not be less than the total annual revenue generated from equivalent fees for the preceding fiscal year.

b. Applicants may be charged a fee for any licensing examination conducted pursuant to this act in an amount designated or approved by the commissioner.

c. All fees payable to the commissioner pursuant to this section are nonrefundable.

d. The commissioner may, by rule or regulation, provide for the waiving of fees for disabled war veterans of the United States military service.

b. Subpoenas shall be issued in the name of the commissioner, the deputy commissioner or other employee designated by the commissioner, but no subpoena shall be issued except for good cause. Any person failing or refusing to comply with a subpoena may be ordered by a judge of the Superior Court, on application made by the commissioner or by the person at whose instance the subpoena was issued, to comply with the terms of the subpoena or be punished by the court for contempt. The court may proceed in a summary manner.

c. Any person violating any provision of this act shall be liable to a penalty not exceeding $5,000 for the first offense and not exceeding $10,000 for each subsequent offense to be recovered in a summary proceeding in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). In addition, the commissioner or the court, as the case may be, may order restitution of moneys owed any person and reimbursement of the costs of investigation and prosecution, as appropriate.

d. In any formal proceeding, if the commissioner finds that the interests of the public require that immediate action be taken prior to completion of the hearing, the making of a determination and the entry of
a final order, he may enter an appropriate order to be effective pending completion of the hearing and entry of a final order. These orders may be entered on ex parte proofs if the proofs indicate that the commissioner's withholding of any action until completion of a full hearing will be harmful to the public interest. Orders issued pursuant to this section shall be subject to an application to vacate upon 10 days' notice, and a preliminary hearing on the ex parte order shall be held in any event within 20 days after it is entered. In the alternative, or in addition, the commissioner is authorized to institute a proceeding in the Superior Court, to be conducted in a summary manner, for an injunction against specified acts or conduct in aid of the proceedings pending before him, including temporary injunctions and interim restraints.

C.17:22A-46 Fees, requirements for nonresident insurance producers, reciprocity.

21. a. The commissioner shall not assess a greater fee for an insurance producer license or related service to a person not residing in this State based solely on the fact that the person does not reside in this State.

b. The commissioner shall waive any license application requirements for a nonresident insurance producer license applicant with a valid license from his home state, except the requirements imposed by section 9 of this act, if the applicant's home state awards nonresident insurance producer licenses to licensees of this State on the same basis.

c. A nonresident insurance producer's satisfaction of his home state's continuing education requirements for licensed insurance producers shall constitute satisfaction of this State's continuing education requirements if the nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon insurance producers from this State on the same basis.

C.17:22A-47 Reports to commissioner.

22. a. A copy of any amendments to the agreement and of any notice of cancellation or termination of the agreement shall be filed by the agent with the commissioner no later than 10 days after adoption thereof.

C.3B:19B-3 Fiduciary duties; general principles.

3. Fiduciary Duties; General Principles. a. In allocating receipts and disbursements to or between principal and income, and with respect to any matter within the scope of sections 5 through 9 of this act, a fiduciary:

(1) shall administer a trust or estate in accordance with the terms of the trust or the will, even if there is a different provision in this act;

(2) may administer a trust or estate by the exercise of a discretionary power of administration given to the fiduciary by the terms of the trust or the will, even if the exercise of the power produces a result different from a result required or permitted by this act;

(3) shall administer a trust or estate in accordance with this act if the terms of the trust or the will do not contain a different provision or do not give the fiduciary a discretionary power of administration; and

(4) shall add a receipt or charge a disbursement to principal to the extent that the terms of the trust and this act do not provide a rule for allocating the receipt or disbursement to or between principal and income.

b. A fiduciary shall administer a trust or estate impartially, based on what is fair and reasonable to all of the beneficiaries, except to the extent that the terms of the trust or the will clearly manifest an intention that the fiduciary shall or may favor one or more of the beneficiaries.

C.3B:19B-4 Trustee’s power to adjust.

4. Trustee’s Power to Adjust. a. A trustee may adjust between principal and income if the terms of the trust describe the amount that may or shall be distributed to a beneficiary by referring to the trust’s income and the trustee determines, after applying the rules in subsection a. of section 3 of this act, that the trustee is unable to comply with subsection b. of section 3 of this act. A decision by a trustee to increase the distribution to the income beneficiary or beneficiaries in any accounting period to an amount not in excess of four percent, or to decrease that period’s distributions to not less than six percent, of the net fair market value of the trust assets on the first business day of that accounting period shall be presumed to be fair and reasonable to all of the beneficiaries. Any adjustment by a trustee between income and principal with respect to any accounting period shall be made during that accounting period or within 65 days after the end of that period.
b. In deciding whether and to what extent to exercise the power conferred by subsection a. of this section, a trustee shall consider all factors relevant to the trust and its beneficiaries, including the following factors to the extent they are relevant:

(1) the nature, purpose and expected duration of the trust;
(2) the intent of the settlor;
(3) the identity and circumstances of the beneficiaries;
(4) the needs for liquidity, regularity of income and preservation and appreciation of capital;
(5) the assets held in the trust; the extent to which they consist of financial assets, interests in closely held enterprises, tangible and intangible personal property or real property; the extent to which an asset is used by a beneficiary; and whether an asset was purchased by the trustee or received from the settlor;
(6) the net amount allocated to income under the other sections of this act and the increase or decrease in the value of the principal assets, which the trustee may estimate as to assets for which market values are not readily available;
(7) whether and to what extent the terms of the trust give the trustee the power to invade principal or accumulate income or prohibit the trustee from invading principal or accumulating income, and the extent to which the trustee has exercised a power from time to time to invade principal or accumulate income;
(8) the actual and anticipated effect of economic conditions on principal and income and effects of inflation and deflation;
(9) the shifting of economic interests or tax benefits between income beneficiaries and remainder beneficiaries that arise from elections and decisions regarding tax matters, the imposition of an income or other tax on the fiduciary or a beneficiary as a result of a transaction involving a distribution from the estate or trust, or the ownership of an interest in an entity whose taxable income, whether or not distributed, is includable in the taxable income of the estate, trust or a beneficiary; and
(10) the anticipated tax consequences of an adjustment.

c. A trustee shall not make an adjustment:

(1) that diminishes the income interest in a trust that requires all of the income to be paid at least annually to a spouse and for which an estate tax or gift tax marital deduction would be allowed, in whole or in part, if the trustee did not have the power to make the adjustment;
(2) that reduces the actuarial value of the income interest in a trust to which a person transfers property with the intent to qualify for a gift tax exclusion;
that changes the amount payable to a beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;

(4) from any amount that is permanently set aside for charitable purposes under a will or the terms of a trust unless both income and principal are so set aside;

(5) if possessing or exercising the power to make an adjustment causes an individual to be treated as the owner of all or part of the trust for income tax purposes, and the individual would not be treated as the owner if the trustee did not possess the power to make an adjustment;

(6) if possessing or exercising the power to make an adjustment causes all or part of the trust assets to be included for estate tax purposes in the estate of an individual who has the power to remove a trustee or appoint a trustee, or both, and the assets would not be included in the estate of the individual if the trustee did not possess the power to make an adjustment;

(7) if the trustee is a beneficiary of the trust; or

(8) if the trustee is not a beneficiary, but the adjustment would benefit the trustee directly or indirectly.

d. If paragraph (5), (6), (7) or (8) of subsection c. of this section applies to a trustee and there is more than one trustee, a cotrustee to whom the provision does not apply may make the adjustment unless the exercise of the power by the remaining trustee or trustees is not permitted by the terms of the trust.

e. A trustee may release the entire power conferred by subsection a. of this section or may release only the power to adjust from income to principal or the power to adjust from principal to income if the trustee is uncertain about whether possessing or exercising the power will cause a result described in paragraphs (1) through (6) or (8) of subsection c. of this section, or if the trustee determines that possessing or exercising the power will or may deprive the trust of a tax benefit or impose a tax burden not described in subsection c. of this section. The release may be permanent or for a specified period, including a period measured by the life of an individual.

f. Terms of a trust that limit the power of a trustee to make an adjustment between principal and income do not affect the application of this section unless it is clear from the terms of the trust that the terms are intended to deny the trustee the power of adjustment conferred by subsection a. of this section.

C.3B:19B-5 Determination and distribution of net income.

5. Determination and Distribution of Net Income. After a decedent dies, in the case of an estate or after an income interest in a trust ends, the following rules apply:
a. A fiduciary of an estate or of a terminating income interest shall determine the amount of net income and net principal receipts received from property specifically devised to a beneficiary under the rules in sections 7 through 28 of this act which apply to trustees and the rules in subsection e. of this section. The fiduciary shall distribute the net income and net principal receipts to the beneficiary who is to receive the specific property.

b. A fiduciary shall determine the remaining net income of a decedent's estate or a terminating income interest under the rules in sections 7 through 28 of this act which apply to trustees and by:

  (1) including in net income all income from property used to discharge liabilities; and

  (2) paying from principal all disbursements made or incurred in connection with the settlement of a decedent's estate or the winding up of a terminating income interest, expenses of administration, including fees of attorneys, accountants and fiduciaries, court costs, debts, funeral expenses, disposition of remains, family allowances and death taxes and related penalties that are apportioned to the estate or terminating income interest by the will, the terms of the trust or applicable law.

c. A fiduciary shall distribute to a beneficiary who receives a pecuniary amount outright the interest or any other amount provided by the will, the terms of the trust or applicable law from net income determined under subsection b. of this section or from principal to the extent that net income is insufficient. If a beneficiary is to receive a pecuniary amount outright from a trust after an income interest ends and no interest or other amount is provided for by the terms of the trust or applicable law, the fiduciary shall distribute the interest or other amount to which the beneficiary would be entitled under applicable law if the pecuniary amount were required to be paid under a will.

d. A fiduciary shall distribute the net income remaining after distributions required by subsection c. of this section in the manner described in section 6 of this act to all other beneficiaries, excluding a beneficiary who receives a pecuniary amount outright or in trust.

e. A fiduciary shall not reduce principal or income receipts from property described in subsection a. of this section because of a payment described in section 24 or 25 of this act to the extent that the will, the terms of the trust, or applicable law requires the fiduciary to make the payment from assets other than the property or to the extent that the fiduciary recovers or expects to recover the payment from a third party. The net income and principal receipts from the property are determined by including all of the amounts the fiduciary receives or pays with respect to the property, whether those amounts accrued or became due before, on or after the date of a decedent's death or an income interest's terminating event, and by
making a reasonable provision for amounts that the fiduciary believes the
estate or terminating income interest may become obligated to pay after the
property is distributed.

C.3B:19B-6 Distribution to residuary and remainder beneficiaries.

6. Distribution to Residuary and Remainder Beneficiaries. a. Each
beneficiary described in subsection d. of section 5 of this act is entitled to
receive a portion of the net income equal to the beneficiary’s fractional
interest in undistributed principal assets, using values as of the distribution
date. If a fiduciary makes more than one distribution of assets to beneficia-
ries to whom this section applies, each beneficiary, including one who does
not receive part of the distribution, is entitled, as of each distribution date,
to the net income the fiduciary has received after the date of death or
terminating event or earlier distribution date but has not distributed as of the
current distribution date.

b. In determining a beneficiary’s share of net income, the following
rules apply:
(1) The beneficiary is entitled to receive a portion of the net income
equal to the beneficiary’s fractional interest in the undistributed principal
assets immediately before the distribution date, including assets that later
may be sold to meet principal obligations.
(2) The beneficiary’s fractional interest in the undistributed principal
assets shall be calculated without regard to property specifically given to a
beneficiary and property required to pay pecuniary amounts not in trust.
(3) The beneficiary’s fractional interest in the undistributed principal
assets shall be calculated on the basis of the aggregate value of those assets
as of the distribution date without reducing the value by any unpaid
principal obligation.
(4) The distribution date for purposes of this section may be the date as
of which the fiduciary calculates the value of the assets if that date is
reasonably near the date on which assets are actually distributed.

c. If a fiduciary does not distribute all of the collected but undistributed
net income to each person as of a distribution date, the fiduciary shall
maintain appropriate records showing the interest of each beneficiary in that
net income.

d. A fiduciary may apply the rules in this section, to the extent that the
fiduciary considers it appropriate, to net gain or loss realized after the date
of death or terminating event or earlier distribution date from the disposition
of a principal asset if this section applies to the income from the asset.

C.3B:19B-7 When right to income begins and ends.

7. When Right to Income Begins and Ends. a. An income beneficiary
is entitled to net income from the date on which the income interest begins.
CHAPTER 212, LAWS OF 2001

An income interest begins on the date specified in the terms of the trust or, if no date is specified, on the date an asset becomes subject to a trust or successive income interest.

b. An asset becomes subject to a trust:
   (1) on the date it is transferred to the trust in the case of an asset that is transferred to a trust during the transferor's life;
   (2) on the date of a testator's death in the case of an asset that becomes subject to a trust by reason of a will, even if there is an intervening period of administration of the testator's estate; or
   (3) on the date of an individual's death in the case of an asset that is transferred to a fiduciary by a third party because of the individual's death.

c. An asset becomes subject to a successive income interest on the day after the preceding income interest ends, as determined under subsection d. of this section, even if there is an intervening period of administration to wind up the preceding income interest.

d. An income interest ends on the day before an income beneficiary dies or another terminating event occurs, or on the last day of a period during which there is no beneficiary to whom a trustee may distribute income.

C.3B:19B-8 Apportionment of receipts and disbursements when decedent dies or income interest begins.

8. Apportionment of Receipts and Disbursements When Decedent Dies or Income Interest Begins. a. A trustee shall allocate an income receipt or disbursement, other than one to which subsection a. of section 5 of this act applies, to principal if its due date occurs before a decedent dies in the case of an estate or before an income interest begins in the case of a trust or successive income interest.

b. A trustee shall allocate an income receipt or disbursement to income if its due date occurs on or after the date on which a decedent dies or an income interest begins and it is a periodic due date. An income receipt or disbursement shall be treated as accruing from day to day if its due date is not periodic or it has no due date. The portion of the receipt or disbursement accruing before the date on which a decedent dies or an income interest begins shall be allocated to principal and the balance shall be allocated to income.

c. An item of income or an obligation is due on the date the payer is required to make a payment. If a payment date is not stated, there is no due date for the purposes of this act. Distributions to shareholders or other owners from an entity to which section 10 of this act applies are deemed to be due on the date fixed by the entity for determining who is entitled to receive the distribution or, if no date is fixed, on the declaration date for the
distribution. A due date is periodic for receipts or disbursements that are to be paid at regular intervals under a lease or an obligation to pay interest or if an entity customarily makes distributions at regular intervals.

C.3B:19B-9 Apportionment when income interest ends.

9. Apportionment When Income Interest Ends. a. As used in this section, "undistributed income" means net income received before the date on which an income interest ends. The term does not include an item of income or expense that is due or accrued or net income that has been added or is required to be added to principal under the terms of the trust.

b. When a mandatory income interest ends, the trustee shall pay to a mandatory income beneficiary who survives that date, or the estate of a deceased mandatory income beneficiary whose death causes the interest to end, the beneficiary's share of the undistributed income that is not disposed of under the terms of the trust, unless the beneficiary has an unqualified power to revoke more than five percent of the trust immediately before the income interest ends. In the latter case, the undistributed income from the portion of the trust that may be revoked shall be added to principal.

c. When a trustee's obligation to pay a fixed annuity or a fixed fraction of the value of the trust's assets ends, the trustee shall prorate the final payment if and to the extent required by applicable law to accomplish a purpose of the trust or its settlor relating to income, gift, estate or other tax requirements.

C.3B:19B-10 Character of receipts.

10. Character of Receipts. a. As used in this section, "entity" means a corporation, partnership, limited liability company, regulated investment company, real estate investment trust, common trust fund or any other organization in which a trustee has an interest other than a trust or estate to which section 11 of this act applies, a business or activity to which section 12 of this act applies or an asset-backed security to which section 23 of this act applies.

b. Except as otherwise provided in this section, a trustee shall allocate to income money received from an entity.

c. A trustee shall allocate the following receipts from an entity to principal:

(1) property other than money;
(2) money received in one distribution or a series of related distributions in exchange for part or all of a trust's interest in the entity;
(3) money received in total or partial liquidation of the entity; and
(4) money received from an entity that is a regulated investment company or a real estate investment trust if the money distributed is a capital gain dividend for federal income tax purposes.
d. Money is received in partial liquidation:
   (1) to the extent that the entity, at or near the time of a distribution, indicates that it is a distribution in partial liquidation; or
   (2) if the total amount of money and property received in a distribution or series of related distributions is greater than 20 percent of the entity's gross assets, as shown by the entity's year-end financial statements immediately preceding the initial receipt.

e. Money is not received in partial liquidation, nor may it be taken into account under paragraph (2) of subsection d. of this section, to the extent that it does not exceed the amount of income tax that a trustee or beneficiary must pay on taxable income of the entity that distributes the money.

f. A trustee may rely upon a statement made by an entity about the source or character of a distribution if the statement is made at or near the time of distribution by the entity's board of directors or other person or group of persons authorized to exercise powers to pay money or transfer property comparable to those of a corporation's board of directors.

C3B:19B-11 Distribution from trust or estate.
11. Distribution from Trust or Estate. A trustee shall allocate to income an amount received as a distribution of income from a trust or an estate in which the trust has an interest other than a purchased interest, and shall allocate to principal an amount received as a distribution of principal from such a trust or estate. If a trustee purchases an interest in a trust that is an investment entity, or a decedent or donor transfers an interest in such a trust to a trustee, section 10 or 23 of this act applies to a receipt from the trust.

C3B:19B-12 Business and other activities conducted by trustee.
12. Business and Other Activities Conducted by Trustee. a. If a trustee who conducts a business or other activity determines that it is in the best interest of all the beneficiaries to account separately for the business or activity instead of accounting for it as part of the trust's general accounting records, the trustee may maintain separate accounting records for its transactions, whether or not its assets are segregated from other trust assets.

b. A trustee who accounts separately for a business or other activity may determine the extent to which its net cash receipts are to be retained for working capital, the acquisition or replacement of fixed assets and other reasonably foreseeable needs of the business or activity, and the extent to which the remaining net cash receipts are accounted for as principal or income in the trust's general accounting records. If a trustee sells assets of the business or other activity, other than in the ordinary course of the business or activity, the trustee shall account for the net amount received as principal in the trust's general accounting records to the extent the trustee
C.3B:19B-13 Principal receipts.

13. Principal Receipts. A trustee shall allocate to principal:

a. To the extent not allocated to income under this act, assets received from a transferor during the transferor’s lifetime, a decedent’s estate, a trust with a terminating income interest or a payer under a contract naming the trust or its trustee as beneficiary;

b. Money or other property received from the sale, exchange, liquidation or change in form of a principal asset, including realized profit, subject to sections 10 through 23 of this act;

c. Amounts recovered from third parties to reimburse the trust because of disbursements described in paragraph (9) of subsection a. of section 25 of this act or for other reasons to the extent not based on the loss of income;

d. Proceeds of property taken by eminent domain, but a separate award made for the loss of income with respect to an accounting period during which a current income beneficiary had a mandatory income interest is income;

e. Net income received in an accounting period during which there is no beneficiary to whom a trustee may or shall distribute income; and

f. Other receipts as provided in sections 17 through 23 of this act.

C.3B:19B-14 Rental property.

14. Rental Property. To the extent that a trustee accounts for receipts from rental property pursuant to this section, the trustee shall allocate to income an amount received as rent of real or personal property, including an amount received for cancellation or renewal of a lease. An amount received as a refundable deposit, including a security deposit or a deposit that is to be applied as rent for future periods, shall be added to principal and held subject to the terms of the lease and is not available for distribution to a beneficiary until the trustee’s contractual obligations have been satisfied with respect to that amount.
CHAPTER 212, LAWS OF 2001

C.3B:19B-15 Obligation to pay money.

15. Obligation to Pay Money. a. An amount received as interest, whether determined at a fixed, variable or floating rate, on an obligation to pay money to the trustee, including an amount received as consideration for prepaying principal, shall be allocated to income without any provision for amortization of premium.

b. A trustee shall allocate to principal an amount received from the sale, redemption or other disposition of an obligation to pay money to the trustee more than one year after it is purchased or acquired by the trustee, including an obligation whose purchase price or value when it is acquired is less than its value at maturity. If the obligation matures within one year after it is purchased or acquired by the trustee, an amount received in excess of its purchase price or its value when acquired by the trust shall be allocated to income.

c. This section does not apply to an obligation to which section 17, 18, 19, 20, 22 or 23 of this act applies.

C.3B:19B-16 Insurance policies and similar contracts.

16. Insurance Policies and Similar Contracts. a. Except as otherwise provided in subsection b. of this section, a trustee shall allocate to principal the proceeds of a life insurance policy or other contract in which the trust or its trustee is named as beneficiary, including a contract that insures the trust or its trustee against loss for damage to, destruction of or loss of title to a trust asset. The trustee shall allocate dividends on an insurance policy to income if the premiums on the policy are paid from income, and to principal if the premiums are paid from principal.

b. A trustee shall allocate to income proceeds of a contract that insures the trustee against loss of occupancy or other use by an income beneficiary, loss of income or, subject to section 12 of this act, loss of profits from a business.

c. This section does not apply to a contract to which section 17 of this act applies.

C.3B:19B-17 Deferred compensation, retirement benefits, annuities, and similar payments.

17. Deferred Compensation, Retirement Benefits, Annuities, and Similar Payments. a. As used in this section, “payment” means a payment that a trustee may receive over a fixed period of time or during the life of one or more individuals because of services rendered or property transferred to the payer in exchange for future payments. The term includes a payment made in money or property from the payer’s general assets or from a separate fund created by the payer or by another, including a private or
commercial annuity, an individual retirement account and a pension, profit-sharing, stock-bonus, or stock-ownership plan.

b. To the extent that a trustee can readily ascertain the part of a payment from a separate fund held for the benefit of the trust that represents the then undistributed net income of the fund realized since the trust acquired its interest in the fund, a trustee shall allocate that part to income. The trustee shall allocate to principal the balance of the payment.

c. If no part of a payment is allocated to income under subsection b. of this section, and all or part of the payment is required to be made, a trustee shall allocate to income 10 percent of the part that is required to be made during the accounting period and the balance to principal. If no part of a payment is required to be made or the payment received is the entire amount to which the trustee is entitled, the trustee shall allocate the entire payment to principal. For purposes of this subsection, a payment is not "required to be made" to the extent that it is made because the trustee exercises a right of withdrawal.

d. If, to obtain an estate tax or gift tax marital deduction for a trust, the trustee must allocate more of a payment to income than provided for by this section, the trustee shall allocate to income the additional amount necessary to obtain the marital deduction.

e. This section does not apply to payments to which section 18 of this act applies.

C.3B:19B-18 Liquidating asset.

18. Liquidating Asset. a. As used in this section, "liquidating asset" means an asset whose value will diminish or terminate because the asset is expected to produce receipts for a period of limited duration. The term includes a leasehold, patent, copyright, royalty right and right to receive payments during a period of more than one year under an arrangement that does not provide for the payment of interest on the unpaid balance. The term does not include a payment subject to section 17 of this act, resources subject to section 19 of this act, timber subject to section 20 of this act, an activity subject to section 22 of this act, an asset subject to section 23 of this act, or any asset for which the trustee establishes a reserve for depreciation under section 26 of this act.

b. A trustee shall allocate to income 10 percent of the receipts from a liquidating asset and the balance to principal.

C.3B:19B-19 Minerals, water and other natural resources.

19. Minerals, Water and Other Natural Resources. a. To the extent that a trustee accounts for receipts from an interest in minerals or other natural resources pursuant to this section, the trustee shall allocate them as follows:
(1) if received as nominal delay rental or nominal annual rent on a lease, a receipt shall be allocated to income;
(2) if received from a production payment, a receipt shall be allocated to income if and to the extent that the agreement creating the production payment provides a factor for interest or its equivalent. The balance shall be allocated to principal;
(3) if an amount received as a royalty, shut-in-well payment, take-or-pay payment, bonus or delay rental is more than nominal, 90 percent shall be allocated to principal and the balance to income;
(4) if an amount is received from a working interest or any other interest not provided for in paragraph (1), (2) or (3) of this subsection a., 90 percent of the net amount received shall be allocated to principal and the balance to income.

b. An amount received on account of an interest in water that is renewable shall be allocated to income. If the water is not renewable, 90 percent of the amount shall be allocated to principal and the balance to income.

c. This act applies whether or not a decedent or donor was extracting minerals, water or other natural resources before the interest became subject to the trust.

d. If a trust owns an interest in minerals, water, or other natural resources on the effective date of this act, the trustee may allocate receipts from the interest as provided in this act or in the manner used by the trustee before the effective date of this act. If the trust acquires an interest in minerals, water or other natural resources after the effective date of this act, the trustee shall allocate receipts from the interest as provided in this act.

C.3B:19B-20 Timber

20. Timber. a. To the extent that a trustee accounts for receipts from the sale of timber and related products pursuant to this section, the trustee shall allocate the net receipts:
(1) to income to the extent that the amount of timber removed from the land does not exceed the rate of growth of the timber during the accounting periods in which a beneficiary has a mandatory income interest;
(2) to principal to the extent that the amount of timber removed from the land exceeds the rate of growth of the timber or the net receipts are from the sale of standing timber;
(3) to or between income and principal if the net receipts are from the lease of timberland or from a contract to cut timber from land owned by a trust, by determining the amount of timber removed from the land under the lease or contract and applying the rules in paragraphs (1) and (2) of this subsection a.; or
(4) to principal to the extent that advance payments, bonuses and other payments are not allocated pursuant to paragraph (1), (2) or (3) of this subsection a.

b. In determining net receipts to be allocated pursuant to subsection a. of this section, a trustee shall deduct and transfer to principal a reasonable amount for depletion.

c. This section applies whether or not a decedent or transferor was harvesting timber from the property before it became subject to the trust.

d. If a trust owns an interest in timberland on the effective date of this act, the trustee may allocate net receipts from the sale of timber and related products as provided in this act or in the manner used by the trustee before the effective date of this act. If the trust acquires an interest in timberland after the effective date of this act, the trustee shall allocate net receipts from the sale of timber and related products as provided in this act.

C.3B:19B-21 Property not productive of income.

21. Property Not Productive of Income. a. If a marital deduction is allowed for all or part of a trust whose assets consist substantially of property that does not provide the spouse with sufficient income from or use of the trust assets, and if the amounts that the trustee transfers from principal to income under section 4 of this act and distributes to the spouse pursuant to the terms of the trust are insufficient to provide the spouse with the beneficial enjoyment required to obtain the marital deduction, the spouse may require the trustee to make property productive of income, convert property within a reasonable time or exercise the power conferred by subsection a. of section 4 of this act. The trustee may decide which action or combination of actions to take.

b. In cases not governed by subsection a. of this section, proceeds from the sale or other disposition of an asset are principal without regard to the amount of income the asset produces during any accounting period.

C.3B:19B-22 Derivatives and options.

22. Derivatives and Options. a. As used in this section, “derivative” means a contract or financial instrument or a combination of contracts and financial instruments which gives a trust the right or obligation to participate in some or all changes in the price of a tangible or intangible asset or group of assets, or changes in a rate, an index of prices or rates or other market indicator for an asset or a group of assets.

b. To the extent that a trustee does not account under section 12 of this act for transactions in derivatives, the trustee shall allocate to principal receipts from and disbursements made in connection with those transactions.
c. If a trustee grants an option to buy property from the trust, whether or not the trust owns the property when the option is granted, grants an option that permits another person to sell property to the trust or acquires an option to buy property for the trust or an option to sell an asset owned by the trust, and the trustee or other owner of the asset is required to deliver the asset if the option is exercised, an amount received for granting the option shall be allocated to principal. An amount paid to acquire the option shall be paid from principal. A gain or loss realized upon the exercise of an option, including an option granted to a settlor of the trust for services rendered, shall be allocated to principal.

C.3B:19B-23 Asset-backed securities.

23. Asset-backed Securities. a. As used in this section, “asset-backed security” means an asset whose value is based upon the right it gives the owner to receive distributions from the proceeds of financial assets that provide collateral for the security. The term includes an asset that gives the owner the right to receive from the collateral financial assets only the interest or other current return or only the proceeds other than interest or current return. The term does not include an asset to which section 10 or 17 of this act applies.

b. If a trust receives a payment from interest or other current return and from other proceeds of the collateral financial assets, the trustee shall allocate to income the portion of the payment which the payer identifies as being from interest or other current return and shall allocate the balance of the payment to principal.

c. If a trust receives one or more payments in exchange for the trust’s entire interest in an asset-backed security in one accounting period, the trustee shall allocate the payments to principal. If a payment is one of a series of payments that will result in the liquidation of the trust’s interest in the security over more than one accounting period, the trustee shall allocate 10 percent of the payment to income and the balance to principal.

C.3B:19B-24 Disbursements from income.

24. Disbursements from Income. A trustee shall make the following disbursements from income to the extent that they are not disbursements to which paragraph (1) or (2) of subsection b. of section 5 of this act applies:

a. commissions allowed by law to a trustee on income receipts, if properly chargeable to the trust;

b. one-half of the fees paid to banks and other financial institutions for custodial services to the fiduciary if properly chargeable to the trust;

c. all of the other ordinary expenses incurred in connection with the administration, management, or preservation of trust property and the distribution of income, including interest paid by the trustee, including
interest on death taxes, regularly recurring taxes assessed against any portion of the principal, water rates, bond premiums, and the expenses, including court costs, attorneys' fees, and accountants' fees, of an accounting, judicial proceeding or other matter that concerns primarily the income interest, unless the court directs otherwise; and
d. recurring premiums on insurance covering the loss of a principal asset or the loss of income from or use of the asset.

C.3B:19B-25 Disbursements from principal.
25. Disbursements from Principal. a. A trustee shall make the following disbursements from principal:
   (1) commissions allowed by law to a trustee on principal receipts or distributions on termination of the trust estate;
   (2) the remaining one-half of the fees paid to banks and other financial institutions for custodial services, if properly chargeable to the trust;
   (3) fees paid to banks and other financial institutions and registered investment advisors for investment advisory or investment management services, if properly chargeable to the trust;
   (4) costs of investing and reinvesting principal and payments on the principal of an indebtedness, including a mortgage or security interest amortized by periodic payments of principal;
   (5) extraordinary repairs or expenses incurred in making a capital improvement, including special assessments, and disbursements made to prepare property for sale;
   (6) court costs, attorneys' fees, accountants' fees and other fees, incurred on an accounting or judicial proceeding or in maintaining or defending any action to construe a will or a trust, protect it or the trust estate, or assure the title of any property, unless properly chargeable to income under subsection c. of section 24 of this act or the court otherwise directs;
   (7) premiums paid on an insurance policy not described in subsection d. of section 24 of this act of which the trust is the owner and beneficiary;
   (8) estate, inheritance and other transfer taxes, including penalties apportioned to the trust;
   (9) disbursements related to environmental matters, including reclamation, assessing environmental conditions, remediating and removing environmental contamination, monitoring remedial activities and the release of substances, preventing future releases of substances, collecting amounts from persons liable or potentially liable for the cost of those activities, penalties imposed under environmental laws or regulations and other payments made to comply with those laws or regulations, statutory or common law claims by third parties and defending claims based on environmental matters; and
(10) if an estate or inheritance tax is levied in respect of a trust in which both an income beneficiary and remainderman have an interest, any amount apportioned to the trust, including penalties, even though the income beneficiary also has rights in the principal.

b. If a principal asset is encumbered with an obligation that requires income from that asset to be paid directly to the creditor, the trustee shall transfer from principal to income an amount equal to the income paid to the creditor in reduction of the principal balance of the obligation.

C.3B:19B-26 Transfers from income to principal for depreciation.

26. Transfers from Income to Principal for Depreciation.

a. As used in this section, “depreciation” means a reduction in value due to wear, tear, decay, corrosion or gradual obsolescence of a fixed asset having a useful life of more than one year.

b. A trustee may transfer to principal a reasonable amount of the net cash receipts from a principal asset that is subject to depreciation, but may not transfer any amount for depreciation:

   (1) of that portion of real property used or available for use by a beneficiary as a residence or of tangible personal property held or made available for the personal use or enjoyment of a beneficiary;
   (2) during the administration of a decedent’s estate; or
   (3) under this section if the trustee is accounting under section 12 of this act for the business or activity in which the asset is used.

c. An amount transferred to principal need not be held as a separate fund.

C.3B:19B-27 Transfer from income to reimburse principal.

27. Transfer from Income to Reimburse Principal. a. If a trustee makes or expects to make a principal disbursement described in this section, the trustee may transfer an appropriate amount from income to principal in one or more accounting periods to reimburse principal or to provide a reserve for future principal disbursements.

b. Principal disbursements to which subsection a. of this section applies include the following, but only to the extent that the trustee has not been and does not expect to be reimbursed by a third party:

   (1) an amount chargeable to income but paid from principal because it is unusually large, including extraordinary repairs;
   (2) disbursements made to prepare property for rental, including tenant allowances, leasehold improvements and broker’s commissions; and
   (3) periodic payments on an obligation secured by a principal asset to the extent that the amount transferred from income to principal for depreciation is less than the periodic payments.
c. If the asset whose ownership gives rise to the disbursements becomes subject to a successive income interest after an income interest ends, a trustee may continue to transfer amounts from income to principal as provided in subsection a. of this section.

C.3B:19B-28 Income taxes.

28. Income Taxes. a. A tax required to be paid by a trustee based on receipts allocated to income shall be paid from income.
   b. A tax required to be paid by a trustee based on receipts allocated to principal shall be paid from principal, even if the tax is called an income tax by the taxing authority.
   c. A tax required to be paid by a trustee on the trust’s share of an entity’s taxable income shall be paid proportionately:
      (1) from income to the extent that receipts from the entity are allocated to income; and
      (2) from principal to the extent that:
         (a) receipts from the entity are allocated to principal; and
         (b) the trust’s share of the entity’s taxable income exceeds the total receipts described in paragraph (1) and subparagraph (a) of this paragraph (2).
   d. For purposes of this section, receipts allocated to principal or income shall be reduced by the amount distributed to a beneficiary from principal or income for which the trust receives a deduction in calculating the tax.

C.3B:19B-29 Uniformity of application and construction.

29. Uniformity of Application and Construction. In applying and construing this act, consideration shall be given to the fact that this is a uniform act, and there is a need to promote uniformity of the act with respect to its subject matter among states that enact it.

C.3B:19B-30 Application of act to existing and future trusts and estates.

30. Application of Act to Existing and Future Trusts and Estates. This act applies to every trust or decedent’s estate existing on or after the effective date of this act, except as otherwise expressly provided in the will or terms of the trust or in this act.

C.3B:19B-31 Judicial control of discretionary powers.

31. Judicial Control of Discretionary Powers. a. A court shall not change a fiduciary’s decision to exercise or not to exercise a discretionary power conferred by this act unless it determines that the decision was an abuse of discretion. A court shall not determine that a fiduciary abused its discretion merely because the court would have exercised the discretion in a different manner or would not have exercised the discretion.
b. The decisions to which subsection a. of this section applies include:
   (1) A determination under subsection a. of section 4 of this act of
   whether and to what extent an amount should be transferred from principal
   to income or from income to principal.
   (2) A determination of the factors that are relevant to the trust and its
   beneficiaries, the extent to which they are relevant, and the weight, if any,
   to be given to the relevant factors in deciding whether and to what extent to
   exercise the powers conferred by subsection a. of section 4 of this act.

c. If a court determines that a fiduciary has abused its discretion, the
   remedy is to restore the income and remainder beneficiaries to the position
   they would have occupied if the fiduciary had not abused its discretion,
   according to the following rules:
   (1) To the extent that the abuse of discretion has resulted in no
   distribution to a beneficiary or a distribution that is too small, the court shall
   require the fiduciary to distribute from the trust to the beneficiary an amount
   that the court determines will restore the beneficiary, in whole or in part, to
   his appropriate position.
   (2) To the extent that an abuse of discretion has resulted in a distribu-
   tion to a beneficiary that is too large, the court shall restore the beneficiaries,
   the trust, or both, in whole or in part, to their appropriate position by
   requiring the fiduciary to withhold an amount from one or more of future
   distributions to the beneficiary who received the distribution that was too
   large or requiring that beneficiary to return some or all of the distribution to
   the trust.
   (3) To the extent that the court is unable, after applying paragraphs (1)
   and (2) of this subsection to restore the beneficiaries, the trust, or both, to the
   position they would have occupied if the fiduciary had not abused its
   discretion, the court may require the fiduciary to pay an appropriate amount
   from its own funds to one or more of the beneficiaries or the trust or both.

d. Upon a petition by the fiduciary, the court having jurisdiction over
   the trust or estate shall determine whether a proposed exercise or
   nonexercise by the fiduciary of a discretionary power conferred by this act
   will result in an abuse of the fiduciary’s discretion. If the petition describes
   the proposed exercise or nonexercise of the power and contains sufficient
   information to inform the beneficiaries of the reasons for the proposal, the
   facts upon which the fiduciary relies, and an explanation of how the income
   and remainder beneficiaries will be affected by the proposed exercise or
   nonexercise of the power, a beneficiary who challenges the proposed
   exercise or nonexercise has the burden of establishing that it will result in
   an abuse of discretion.
CHAPTER 213, LAWS OF 2001

Repealer.

32. Repealer. N.J.S.3B:19A-1 et seq. is repealed.

Nor shall it be relevant to the imposition of sentence that no juveniles were present on the school property or crossing zone at the time of the offense or that the school was not in session;

The additional period of suspension shall commence upon the completion of any term of imprisonment.

c. The provisions of N.J.S.2C:2-3 governing the causal relationship between conduct and result shall not apply in a prosecution under this section. For purposes of this offense, the defendant's act of operating a motor vehicle while his driver's license or reciprocity privilege has been suspended or revoked or who operates a motor vehicle without being licensed to do so is the cause of death or injury when:

(1) The operation of the motor vehicle is an antecedent but for which the death or injury would not have occurred; and

(2) The death or injury was not:

(1) construction of the district project will commence no later than June 30, 2002 or as otherwise provided pursuant to the project grant agreement with the authority, or pursuant to the district project plan approved by the authority for an authority sponsored district project;

(2) a proposed district project plan submitted pursuant to section 10 of P.L.2001, c.221 (C.5:12-173.18) is economically sound and will assist in the overall development of the city of Atlantic City and will benefit the people of New Jersey by increasing employment opportunities and strengthening New Jersey's economy;

(3) the disbursement of grants to a casino licensee is a material factor in the licensee's decision to go forward with a district project; and

(4) the casino licensee has agreed to invest a minimum of $20 million in its investment alternative tax obligations under section 3 of P.L.1984, c.218 (C.5:12-144.1), such obligation to be made in $10 million increments to one or more entertainment-retail projects, or housing and community development projects, approved by the authority and the department, in an urban area outside of Atlantic City, and designated by the commissioner as eligible for, and in need of the project, pursuant to section 11 of P.L.2001, c.221 (C.5:12-173.19).
b. Notwithstanding any provision to the contrary in P.L.2001, c.221 (C.5:12-173.9 et al.), the authority and the commissioner jointly may, in their discretion, also designate two entertainment-retail projects, one in North Jersey and one in South Jersey, as eligible for funds under the incentive program.

C.5:12-173.13 Deposit of sales and use tax revenues.

5. a. Notwithstanding the provisions of any law, rule or regulation to the contrary, all revenues received pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) from the taxation of construction materials used for building a district project approved by the authority pursuant to a project grant agreement or for building a district project sponsored by the authority, and from the taxation of retail sales of tangible personal property and services originating from and delivered from business locations in a district project approved by the authority pursuant to a project grant agreement or from business locations in a district project sponsored by the authority, shall be deposited immediately upon collection by the Department of the Treasury in the project fund. Contractors purchasing materials and supplies for use in constructing a district project shall complete a form or certification prescribed by the Director of the Division of Taxation in the Department of the Treasury. The contractor shall identify the district project, materials, supplies, purchase price and New Jersey sales or use tax paid and provide such other information and receipts as the director may require. The forms or certificates shall be filed with the authority as documentation for a report, which the authority shall provide to the Division of Revenue and the Division of Taxation for revenue certification purposes. Approved casino licensees shall also provide to the authority, on a form prescribed by the Director of the Division of Taxation, the sales tax collected from sales made by vendors in a district project for each quarter. The authority shall provide a report to the Division of Revenue and Division of Taxation in the Department of the Treasury for revenue certification purposes.

b. The revenues required to be deposited in the project fund under subsection a. of this section shall be used for the purposes of the project fund and for the uses prescribed in section 7 of P.L.2001, c.221 (C.5:12-173.15).

C.5:12-173.14 Deposit of hotel room use fee revenues.

6. a. Notwithstanding the provisions of any law, rule or regulation to the contrary, all revenues received from hotel room use fees pursuant to P.L.1991, c.376 (C.40:48-8.45 et seq.), which originate from and are delivered from the casino-hotel facilities of the casino licensee with an approved district project, or of any casino licensee that has the same holding
company as the casino licensee with the approved district project, pursuant to a project grant agreement, and in the case of a district project sponsored by the authority, all revenues received from the hotel room use fees which originate from and are delivered from hotel facilities located within the authority sponsored district project and designated as part of the approved district project, and if applicable, from additional hotel rooms that are approved by the authority as part of the district project, shall be paid immediately upon collection to the Department of the Treasury which shall deposit the revenues into the room fund.

b. The revenues required to be deposited in the room fund under subsection a. of this section shall be used for the purposes of the room fund and for the uses prescribed in section 8 of P.L.2001, c.221 (C.5:12-173.16).

C.5:12-173.15 Project fund created.

7. a. There is created a dedicated, nonlapsing project fund to be held by the State Treasurer, which shall be the repository for all moneys required to be deposited therein under section 5 of P.L.2001, c.221 (C.5:12-173.13) and any moneys appropriated or otherwise made available to the project fund.

b. All moneys deposited in the project fund shall be held and disbursed, subject to the requirements of section 11 of P.L.2001, c.221 (C.5:12-173.19), in the form of district project grants as follows:

(1) an amount from the project fund equivalent to the total revenues received pursuant to the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.) from the taxation of construction materials used for building a district project approved by the authority pursuant to a project grant agreement, or for building a district project sponsored by the authority, shall be rebated in the form of a one-time grant to the authority for disbursement to the casino licensee with an approved district project or to the authority for an authority sponsored district project;

(2) an amount from the project fund equivalent to the total revenues received pursuant to the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.) from the taxation of retail sales of tangible property and services originating from and delivered from business locations in a district project approved by the authority pursuant to a project grant agreement or from business locations in a district project sponsored by the authority, shall be rebated in the form of annual grants to the authority for disbursement to the casino licensee with an approved district project, or to the authority for an authority sponsored district project, with each annual grant not to exceed $2.5 million per district project and payable annually until December 31, 2022, or until the date on which the combined total of grants disbursed under this section and under section 8 of P.L.2001, c.221...
(C.5:12-173.16) equals the approved cost of the district project, as determined by the authority, whichever is earlier;

(3) the balance of the revenues in the project fund shall be deposited in the General Fund if the authority, in consultation with the State Treasurer, determines that the revenues are no longer needed for the purposes of the project fund or for the uses prescribed in P.L.2001, c.221 (C.5:12-173.9 et al.).

c. The State Treasurer may invest and reinvest any moneys in the project fund, or any portion thereof, in legal obligations of the United States or of the State or any political subdivision thereof. Any income from, interest on, or increment to moneys so invested or reinvested shall be included in the project fund.

C.5:12-173.16 Room fund created.

8. a. There is created a dedicated, nonlapsing room fund to be held by the State Treasurer, which shall be the repository for all moneys required to be deposited therein under section 6 of P.L.2001, c.221 (C.5:12-173.14) and any moneys appropriated or otherwise made available to the room fund.

b. All moneys deposited in the room fund shall be held and disbursed, subject to the requirements of section 11 of P.L.2001, c.221 (C.5:12-173.19), in the form of district projects grants as follows:

   (1) an amount from the room fund equivalent to the incremental luxury tax for a district project approved by the authority pursuant to a project grant agreement or for a district project sponsored by the authority, shall be rebated in the form of annual grants from the room fund to the authority for disbursement to the casino licensee with an approved district project, or to the authority for an authority sponsored district project, and shall be payable annually until December 31, 2022, or until the date on which the combined total of grants disbursed under this section and under section 7 of P.L.2001, c.221 (C.5:12-173.15) equals the approved cost of the district project, as determined by the authority, whichever is earlier;

   (2) the balance of the revenues in the room fund shall be deposited in the special fund established pursuant to section 3 of P.L.1991, c.376 (C.40:48-8.47) if the authority, in consultation with the State Treasurer, determines that the revenues are no longer needed for the purposes of the room fund or for the uses prescribed in P.L.2001, c.221 (C.5:12-173.9 et al.).

c. The State Treasurer may invest and reinvest any moneys in the room fund, or any portion thereof, in legal obligations of the United States or of the State or any political subdivision thereof. Any income from, interest on, or increment to moneys so invested or reinvested shall be included in the room fund.
C.5:12-173.17 Separate accounts within project, room funds.

9. a. The State Treasurer shall maintain separate accounts in the project fund and room fund for each casino licensee approved by the authority for a district project, and for the authority in the event the authority sponsors a district project, and shall credit to each account an amount of the moneys deposited in each fund equal to the appropriate share of revenues collected from the taxation of construction materials and retail sales and services, as provided in section 7 of P.L.2001, c.221 (C.5:12-173.15), and from hotel room fees, as provided in section 8 of P.L.2001, c.221 (C.5:12-173.16), or that amount of moneys appropriated to the funds or otherwise made available to the funds, and required to be credited to the casino licensee's or the authority's project fund account or room fund account.

b. The Director of the Division of Taxation in consultation with the State Treasurer shall promulgate such rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to govern the administration of the project fund and room fund for the purposes of P.L.2001, c.221 (C.5:12-173.9 et al.). In addition, the Director of the Division of Taxation and the Director of the Division of Revenue are authorized to prescribe forms and procedures and to require any person to provide any information necessary to enforce and administer the provisions of this act.

c. The amount necessary to provide for tax collection, administrative and enforcement costs incurred by the Division of Taxation and the Division of Revenue, to meet the requirements of P.L.2001, c.221 (C.5:12-173.9 et al.) shall be annually appropriated from the project fund and the room fund, subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.

C.5:12-173.18 Proposed district project plan.

10. a. A casino licensee or the authority, as appropriate, shall submit a proposed district project plan for approval by the authority under the incentive program.

b. A proposed district project plan submitted under subsection a. of this section shall include, but not necessarily be limited to:

(1) A description of the proposed district project;

(2) An estimate of the total project costs and an estimate of the annual amounts of district project grants anticipated under the incentive program for the casino licensee or the authority;

(3) A statement of any other revenue sources to be used to finance the development of a district project;

(4) A statement of the time needed to complete a district project; and
(5) A statement of the impact that the proposed district project is expected to have on the city of Atlantic City.

C.5:12-173.19 Proposal for entertainment-retail project, community and housing development project.

11. a. A casino licensee shall submit a proposal to the authority and to the department for an entertainment-retail project or community and housing development project in an urban area outside of Atlantic City, consistent with the requirements of paragraph (4) of subsection a. of section 4 of P.L.2001, c.221 (C.5:12-173.12), that will further the development and revitalization of an urban area designated by the department as eligible for, and in need of, the proposed project. The department shall evaluate the proposal and determine whether the proposed project meets the department's project criteria, and the authority shall evaluate the proposal and determine whether the proposal project meets the authority's project criteria for approval of urban development projects outside of the city of Atlantic City under the incentive program. The authority and the commissioner jointly may, in their discretion, also designate two entertainment-retail projects, one in North Jersey and one in South Jersey, as eligible for funds under the incentive program.

b. The commissioner and the authority are authorized to approve the proposed project submitted under subsection a. of this section if the commissioner and the authority determine that the project meets the criteria established by the department and the authority, respectively. Upon approval by the commissioner, the State Treasurer shall annually, upon receipt of a written statement from the department certifying the satisfactory status of the project, rebate the district project grants to the authority for disbursement to casino licensees under the incentive program.

c. The authority and the commissioner shall give preference to those proposed projects that best leverage non-authority funds for the total construction project cost.

C.5:12-173.20 Authority sponsored project.

12. Notwithstanding any provision to the contrary in P.L.2001, c.221 (C.5:12-173.9 et al.), in the event that fewer than six district projects are proposed by casino licensees, and approved by the authority, the authority may sponsor a district project which meets the criteria of paragraphs (1) and (2) of subsection a. of section 4 of P.L.2001, c.221 (C.5:12-173.12), and in that event, paragraphs (3) and (4) of subsection a. of section 4 of P.L.2001, c.221 (C.5:12-173.12) are not applicable to the authority and the grants otherwise payable to a casino licensee pursuant to paragraphs (1) and (2) of subsection b. of section 7 and paragraph (1) of subsection b. of section 8 of
P.L.2001, c.221 (C.5:12-173.15 and 5:12-173.16) shall be payable to the authority.

C.5:12-173.21 Termination of investment alternative tax for licensed facility.

13. a. Notwithstanding the provisions of any other law to the contrary, if a district project of a casino licensee is approved by the authority under the incentive program established by section 4 of P.L.2001, c.221 (C.5:12-173.12), the investment alternative tax imposed by subsection a. of section 3 of P.L.1984, c.218 (C.5:12-144.1), and any credits which may by law be applied against that tax, shall end for the casino licensee's licensed facility, as determined by the authority, 35 years after any investment alternative tax obligation is first incurred in connection with the licensed facility operated by the licensee.

b. During the additional five years of a casino licensee's investment alternative tax obligations required pursuant to subsection a. of this section, the total of the proceeds of all bonds purchased by a licensee from or through the authority and all approved investments in eligible projects by a licensee shall be devoted to the financing of projects in the following areas and amounts: a) 25% for the city of Atlantic City; b) 25% for South Jersey; c) 50% for North Jersey.

14. Section 3 of P.L.1984, c.218 (C.5:12-144.1) is amended to read as follows:

C.5:12-144.1 Imposition of investment alternative tax.

3. a. (1) Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1983, there is imposed an investment alternative tax on the gross revenues as defined in section 24 of P.L.1977, c.110 (C.5:12-24) of the licensee in the amount of 2.5% of those gross revenues. The tax imposed with respect to each calendar year shall be due and payable on the last day of April next following the end of the calendar year. The State Treasurer shall have a lien against the property constituting the casino of a licensee for the amount of any tax not paid when due. No tax shall be imposed, however, on the gross revenues received by a licensee during the first 12 months of the operation of any casino that commences operation after January 1, 1984, but prior to the effective date of this act, P.L.1996, c.118 (C.5:12-173.3a et al.).

(2) A licensee shall pay to the State Treasurer on or before the 15th day of the first, fourth, seventh, and 10th months of each year as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection an amount equal to 1.25% of the estimated gross revenues for the three-month period immediately preceding the first day of those months. The moneys received shall be placed in an escrow account and shall be held
until the licensee directs that the moneys be transferred to the Casino Reinvestment Development Authority for the purchase of bonds issued by or offered through the Casino Reinvestment Development Authority or pursuant to a contract for such a purchase, be made available to the licensee for a direct investment approved by the authority, or be transferred to the Casino Revenue Fund as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection. Any interest derived from the moneys in the escrow account shall be paid or made available to the Casino Revenue Fund. If a licensee fails to pay the amount due or underpays by an unjustifiable amount, the Casino Control Commission shall impose a fine of 5% of the amount due or of the underpayment, as the case may be, for each month or portion thereof the licensee is in default of payment, up to 25% of the amount in default. Any fine imposed shall be paid to the Casino Reinvestment Development Authority and shall be used for the purposes of this 1984 amendatory and supplementary act.

b. Each licensee shall be entitled to an investment tax credit against the tax imposed by subsection a. of this section, provided the licensee shall pay over the moneys required pursuant to section 5 of P.L.1993, c.159 (C.5:12-173.5): (1) for the first 10 years of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and (2) for the remainder of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and twice the amount of investments made by a licensee in other approved eligible investments made pursuant to section 25 of this act. The Casino Reinvestment Development Authority shall have the power to enter into a contract or contracts with a licensee pursuant to which the Casino Reinvestment Development Authority agrees to issue and sell bonds to the licensee, and the licensee agrees to purchase the bonds issued by or offered through the Casino Reinvestment Development Authority, in annual purchase price amounts as will constitute a credit against at least 50% of the tax to become due in any future year or years. The contract may contain those terms and conditions relating to the terms of the bonds and to the issuance and sale of the bonds to the licensee as the Casino Reinvestment Development Authority shall deem necessary or desirable. The contract shall not be deemed to be in violation of section 104 of P.L.1977, c.110 (C.5:12-104). After the first 10 years of a licensee's investment alternative tax obligation, a licensee will have the option of
entering into a contract with the Casino Reinvestment Development Authority to have its tax credit comprised of direct investments in approved eligible projects. These direct investments shall not comprise more than 50% of a licensee’s eligible tax credit in any one year.

The entering of a contract pursuant to this section shall be sufficient to entitle a licensee to an investment tax credit for the appropriate tax year.

c. A contract entered into between a licensee and the Casino Reinvestment Development Authority may provide for a deferral of payment for and delivery of bonds required to be purchased and for a deferral from making approved eligible investments in any year, but no deferral shall occur more than two years consecutively. A deferral of payment for any bonds required to be purchased by a licensee and a deferral from making approved eligible investments may be granted by the Casino Reinvestment Development Authority only upon a determination by the Casino Control Commission that purchase of these bonds or making approved eligible investments would cause extreme financial hardship to the licensee and a determination by the Casino Reinvestment Development Authority that the deferral of the payment would not violate any covenant or agreement or impair any financial obligation of the Casino Reinvestment Development Authority. The contract may establish a late payment charge to be paid in the event of deferral or other late payment at a rate as shall be agreed to by the Casino Reinvestment Development Authority. If a deferral of purchase or investment is granted, the licensee shall be deemed to have made the purchase or investment at the time required by the contract, except that if the purchase is not made at the time to which the purchase or investment was deferred, then the licensee shall be deemed not to have made the purchase or investment. The Casino Control Commission shall adopt regulations establishing a uniform definition of extreme financial hardship applicable to all these contracts. If a licensee petitions the Casino Reinvestment Development Authority for a deferral, the Casino Reinvestment Development Authority shall give notice of that petition to the Casino Control Commission and to the Division of Gaming Enforcement within three days of the filing of the petition. The Casino Control Commission shall render a decision within 60 days of notice as to whether the licensee has established extreme financial hardship, after consultation with the Division of Gaming Enforcement. The Casino Reinvestment Development Authority shall render a decision as to the availability of the deferral within 10 days of the receipt by it of the decision of the Casino Control Commission and shall notify the Division of Gaming Enforcement and the Casino Control Commission of that decision. If a deferral is granted, the Casino Reinvestment Development Authority may determine whether the purchases or investments shall be made in a lump sum, made over a period of years, or
whether the period of obligation shall be extended an additional period of
time equivalent to the period of time deferred.

d. The license of any licensee which has defaulted in its obligation to
make any purchase of bonds or investment in any approved eligible project
under a contract entered into pursuant to subsection b. of this section for a
period of 90 days may be suspended by the Casino Control Commission
until that purchase is made or deferred in accordance with subsection b. of
this section, or a fine or other penalty may be imposed upon the licensee by
the commission. If the Casino Control Commission elects not to suspend
the license of a licensee after the licensee has first defaulted in its obligation
but instead imposes some lesser penalty and the licensee continues to be in
default of its obligation after a period of 30 additional days and after any
additional 30-day period, the commission may impose another fine or
penalty upon the licensee, which may include suspension of that licensee’s
license. The fine shall be 5% of the amount of the obligation owed for each
month or portion thereof a licensee is in default, up to 25% of that obliga-
tion; shall be paid to the Casino Reinvestment Development Authority; and
shall be used for the purposes of this 1984 amendatory and supplementary
act.

e. A contract entered into by a licensee and the Casino Reinvestment
Development Authority pursuant to subsection b. of this section may
provide that after the first 10 years of a licensee’s investment alternative tax
obligation imposed by subsection a. of this section, the Casino Reinvest-
ment Development Authority may repurchase bonds previously sold to the
licensee, which were issued after the 10th year of a licensee's investment
alternative tax obligation, by the Casino Reinvestment Development
Authority, if the Casino Reinvestment Development Authority determines
that the repurchase will not violate any agreement or covenant or impair any
financial obligation of the Casino Reinvestment Development Authority
and that the licensee will reinvest the proceeds of the resale in an eligible
project approved by the Casino Reinvestment Development Authority.

f. (1) During the 30 years a licensee is obligated to pay an investment
alternative tax pursuant to subsection k. of this section, the total of (a) the
proceeds of all bonds purchased by a licensee from or through the Casino
Reinvestment Development Authority and (b) all approved investments in
eligible projects by a licensee shall be devoted to the financing of projects
in the following areas and amounts:

except that, with respect to the obligations for calendar years 1994 through
1998, the amount allocated for the financing of projects in North Jersey
from each casino licensee's obligation shall be the amount allocated for
calendar year 1993, and the difference between that amount and the amount
to be allocated to North Jersey, on the basis of the above schedule, from
each casino licensee's obligations for calendar years 1994 through 1998
shall be paid into or credited to the Atlantic City Fund established by section
44 of P.L.1995, c.18 (C.5:12-161.1) and be devoted to the financing of
projects in Atlantic City through that fund. For the purposes of this
paragraph, "South Jersey" means the counties of Atlantic, Burlington,
Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem;
and "North Jersey" means the remaining 12 counties of the State. For the
purposes of this 1984 amendatory and supplementary act, bond "proceeds"
means all funds received from the sale of bonds and any funds generated or
derived therefrom.

In the financing of projects outside Atlantic City, the Casino Reinvest-
ment Development Authority shall give priority to the revitalization of the
urban areas of this State in the ways specified in section 12 of this 1984
amendatory and supplementary act. Those areas shall include, but not be
limited to, all municipalities qualifying for aid pursuant to P.L.1978, c.14
(C.52:27D-178 et seq.).

Within nine months from the effective date of this 1984 amendatory and
supplementary act, the Casino Reinvestment Development Authority shall
determine the allocation of projected available moneys to municipalities in
South Jersey for the first seven years of their receipt of funds, giving priority
to the revitalization of the urban areas of the region. Municipalities
receiving such an allocation shall present to the Casino Reinvestment
Development Authority for its approval comprehensive plans or projects for
which the allocations shall be used. Any such comprehensive plan or
project may be submitted to the Casino Reinvestment Development Authority
for a determination of eligibility at any time prior to the year for
which the funds are allocated, and the Casino Reinvestment Development
Authority shall make a determination of eligibility of the plan or project
within a reasonable amount of time. If the Casino Reinvestment Develop-
ment Authority makes a positive determination of eligibility for any
comprehensive plan or project, or combination of comprehensive plans or
projects, for any municipality whose total cost exceeds the amount allocated
to that municipality for the first seven years of the receipt of funds by South
Jersey municipalities, the Casino Reinvestment Development Authority
shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the seventh year of the receipt of funds by South Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

Within 36 months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in North Jersey for the first five years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first five years of the receipt of funds by North Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the fifth year of the receipt
of funds by North Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

(2) Commencing with the first year in which a licensee incurs a tax obligation pursuant to this section, and for the period of two years thereafter, 100% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City pursuant to paragraph (1) of this subsection shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, as defined in this subsection. For the purposes of this subsection, the "rehabilitation, development, or construction of housing facilities" shall include expenses attributable to site preparation, infrastructure needs and housing-related community facilities and services, including supporting commercial development. Commencing with the fourth year in which a licensee incurs a tax obligation pursuant to this subsection, 50% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income. Commencing with the 11th year in which a licensee incurs a tax obligation pursuant to this section, 50% of the annual aggregate of the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City and investments in approved eligible projects commenced by a licensee in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income.
(3) The Legislature finds that it is necessary to provide for a balanced community and develop a comprehensive housing program. The Casino Reinvestment Development Authority shall determine the need for housing in the city of Atlantic City, in consultation with the city of Atlantic City and specifically its zoning and planning boards. This shall include determining the types and classes of housing to be constructed and the number of units of each type and class of housing to be built. The Casino Reinvestment Development Authority shall give priority to the housing needs of the persons and their families residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act. The actual percentage of the proceeds of bonds and investments in approved eligible projects commenced by a licensee in the city of Atlantic City, which shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, shall be based upon the authority's determination of the need for housing in the city of Atlantic City conducted pursuant to this subsection. Once the housing needs of the persons residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act have been met, as determined by the Casino Reinvestment Development Authority pursuant to this subsection, any required percentages for such housing in the city of Atlantic City may, in its sole discretion, be waived by the Casino Reinvestment Development Authority. To aid the Casino Reinvestment Development Authority in making these determinations, the Casino Reinvestment Development Authority shall review the proposal for a housing redevelopment program and strategy for the city of Atlantic City approved and adopted by the Casino Control Commission and shall give priority to same and any other plan or project which is consistent with the standards of this subsection and is acceptable to the Casino Reinvestment Development Authority, pursuant to section 25 of this 1984 amendatory and supplementary act. The Casino Reinvestment Development Authority may determine whether the funds used to finance housing facilities in the city of Atlantic City for persons or families of low, moderate, median range, and middle income are derived from the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority to be devoted to the financing of projects in the city of Atlantic City, investments in approved eligible projects commenced by a licensee in the city of Atlantic City, or a combination of both. Any investment made by a licensee in excess of 100% of its eligible investment tax credit during the first three years and in excess of 50% thereafter in either the purchase of bonds or direct investments in approved eligible projects for low, moderate, median
range, and middle income family housing facilities in the city of Atlantic City may be carried forward and credited against the licensee's obligation to make a 100% investment during the first three years and 50% thereafter in low, moderate, median range, and middle income family housing in any future year, with the approval of the Casino Reinvestment Development Authority. For the purposes of this act, "low income families" means families whose income does not exceed 50% of the median income of the area, with adjustments for smaller and larger families. "Moderate income families" means families whose income does not exceed 80% and is not less than 50% of the median income for the area, with adjustments for smaller and larger families. "Median range income families" means families whose income does not exceed 120% and is not less than 80% of the median income for the area, with adjustments for smaller and larger families. "Middle income families" means families whose income does not exceed 150% and not less than 120% of the median income for the area, with adjustments for smaller and larger families. "Median income" means an income defined as median within the Standard Metropolitan Statistical Area for Atlantic City by the United States Department of Housing and Urban Development.

In order to achieve a balanced community, the authority shall ensure that the development of housing for families of low and moderate income shall proceed at the same time as housing for families of median range and middle income, until such time as there is no longer a need for such facilities in the city of Atlantic City, as determined by the Casino Reinvestment Development Authority.

(4) Notwithstanding any other law or section to the contrary, particularly this subsection regarding the waiver of the required percentages for housing in the city of Atlantic City, subsection i. of section 14, and sections 26, 27, 28, 29, and 31 of this 1984 amendatory and supplementary act, nothing shall be implemented or waived by the Casino Reinvestment Development Authority which would reduce, impair, or prevent the fulfillment of the priorities established and contained in this subsection of this 1984 amendatory and supplementary act.

g. If a person is a licensee with regard to more than one approved hotel pursuant to section 82 of P.L.1977, c.110 (C.5:12-82), the person shall separately account for the gross revenues, the investment alternative tax obligations, and the investments for a tax credit against the investment alternative tax for each approved hotel, and the tax obligations of the licensee under this section shall be determined separately for each approved hotel. The licensee may apportion investments between its approved hotels; provided that no amount of investment shall be credited more than once. If a licensee receives the prior approval of the Casino Reinvestment Develop-
ment Authority, the licensee may make eligible investments in excess of the investments necessary to receive a tax credit against the investment alternative tax for a given calendar year, and the licensee may carry forward this excess investment and have it credited to its next investment alternative tax obligation. If the Casino Reinvestment Development Authority approves of such excess investment and approves the carry forward of this excess investment, and a licensee elects to purchase bonds of the Casino Reinvestment Development Authority or makes direct investments in approved eligible projects in excess of the investments necessary to receive a tax credit against the investment alternative tax for its current obligation, the licensee shall be entitled to a reduction of the amount of investments necessary in future years, which amount shall be determined annually by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase or investment to the date the purchase or investment would have been required to be made.

h. Each casino licensee shall prepare and file, in a form prescribed by the Casino Reinvestment Development Authority, an annual return reporting that financial information as shall be deemed necessary by the Casino Reinvestment Development Authority to carry out the provisions of this act. This return shall be filed with the Casino Reinvestment Development Authority and the Casino Control Commission on or before April 30 following the calendar year on which the return is based. The Casino Control Commission shall verify to the Casino Reinvestment Development Authority the information contained in the report, to the fullest extent possible. Nothing in this subsection shall be deemed to affect the due dates for making any investment or paying any tax under this section.

i. Any purchase by a licensee of bonds issued by or offered through the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this act and subsection b. of this section and all approved eligible investments made by a licensee pursuant to section 25 of this act and subsection b. of this section are to be considered investments and not taxes owed or grants to the State or any political subdivision thereof. As such, a licensee shall have the possibility of the return of principal and a return on the capital invested as with other investments. Investors in the bonds issued by or offered through the Casino Reinvestment Development Authority shall be provided with an opinion from a recognized financial rating agency or a financial advisory firm with national standing that each loan of bond proceeds by the Casino Reinvestment Development Authority has the minimum characteristics of an investment, in that a degree of assurance exists that interest and principal payments can be made and other terms of the proposed investment be maintained over the period of the investment, and that the loan of the bond proceeds would qualify for a bond rating of
"C" or better. If an opinion cannot be obtained from a recognized financial rating agency or a financial advisory firm with national standing, an opinion shall be obtained from an expert financial analyst with national standing, selected and hired by the Casino Reinvestment Development Authority. In order to achieve a balanced portfolio, assure the viability of the authority and the projects, facilities and programs undertaken pursuant to this 1984 amendatory and supplementary act, no more than 25% of the total investments made by or through the Casino Reinvestment Development Authority with the proceeds of bonds generated in each year shall be investments which would qualify for a bond rating of "C," unless all holders of obligations in each year agree to waive the 25% limit for that year. Nothing herein shall be interpreted as limiting the Casino Reinvestment Development Authority from taking any steps it deems appropriate to protect the characteristics of its investment in projects or any other investments from not being real investments with a prospect for the return of principal and a return on the capital invested. Anything contained in this section shall not be considered a guarantee by the State or any political subdivision thereof of any return of principal or interest, but any purchase by a licensee of bonds or approved eligible investments made by a licensee pursuant to this act shall be at the risk of the licensee. A licensee or the licensees purchasing an issue of bonds issued by the Casino Reinvestment Development Authority in any given year may arrange, at their option, for those bonds or the investments, made by or through the Casino Reinvestment Development Authority with the proceeds of those bonds, to be insured. The cost of any such insurance purchased by a licensee or licensees shall be paid by the licensee or licensees desiring such insurance.

j. The Casino Reinvestment Development Authority shall promulgate rules and regulations deemed necessary to carry out the purposes of this section.

k. Except as provided in section 13 of P.L.2001, c.221 (C.5:12-173.21), the obligation of a licensee to pay an investment alternative tax pursuant to subsection a. of this section shall end for each licensed facility operated by the licensee 30 years after any investment alternative tax obligation is first incurred in connection with each licensed facility operated by the licensee, unless extended in connection with a deferral granted by the Casino Reinvestment Development Authority pursuant to subsection c. of this section.

15. Section 13 of P.L.1984, c.218 (C.5:12-161) is amended to read as follows:
C.5:12-161 Powers of authority.

   h. To determine eligibility for investments in eligible projects in order to accomplish the purposes of the Casino Reinvestment Development Authority;
   i. To collect and invest any proceeds received under subsection b. of section 3 and section 14 of this act;
   j. To invest in obligations of local governmental units issued to finance eligible projects, provided that the investment shall only be effected through direct negotiation by the Casino Reinvestment Development Authority with the local governmental unit;

A pro rata share of 66 2/3 % of all interest earned by the Casino Reinvestment Development Authority on any such investments shall be paid to the licensees who entered into a contract with the Casino Reinvestment Development Authority for the purchase of its bonds and who contributed to the moneys which were received by the Casino Reinvestment Development Authority and were invested pursuant to this subsection. All functions, powers and duties relating to the investment or reinvestment of these funds, including the purchase, sale or exchange of any investments or securities, may, upon the request of the Casino Reinvestment Development Authority, be exercised and performed by the Director of the Division of Investment, in accordance with written directions of the Casino Reinvestment Development Authority signed by an authorized officer, without regard to any other law relating to investments by the Director of the Division of Investment;

f. Bonds, notes or other obligations of the trust issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) shall not be a debt or liability of the State or of any political subdivision thereof other than the trust and shall not create or constitute any indebtedness, liability or obligation of the State or any political subdivision, but all these bonds, notes and other obligations, unless funded or refunded by bonds, notes or other obligations, shall be payable solely from revenues or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obligations, including subordinated indebtedness of the trust, shall not exceed $1,350,000,000. (1) Upon the decision by the trust to issue refunding bonds, and prior to the sale of those bonds, the trust shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the trust relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the trust to issue and sell the refunding bonds at public or private sale and the reasons therefor.

(2) The Joint Budget Oversight Committee or its successor shall have the authority to approve or disapprove the sales of refunding bonds as included in each report submitted in accordance with paragraph (1) of this subsection. The committee shall notify the trust in writing of the approval or disapproval as expeditiously as possible.
(3) No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee or its successor as set forth in paragraphs (1) and (2) of this subsection.

(4) Within 30 days after the sale of the refunding bonds, the trust shall notify the committee of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

(5) The committee shall review all information and reports submitted in accordance with this subsection and may, on its own initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

h. Each issue of bonds, notes or other obligations of the trust may, if it is determined by the trust, be general obligations thereof payable out of any revenues, receipts or funds of the trust, or special obligations thereof payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds, notes or other obligations, and may be secured by one or more of the following:

(1) Pledge of revenues and other receipts to be derived from the payment of the interest on and principal of notes, bonds or other obligations issued to the trust by one or more local government units, and any other payment made to the trust pursuant to agreements with any local government units, or a pledge or assignment of any notes, bonds or other obligations of any local government unit and the rights and interest of the trust therein;

(2) Pledge of rentals, receipts and other revenues to be derived from leases or other contractual arrangements with any person or entity, public or private, including one or more local government units, or a pledge or assignment of those leases or other contractual arrangements and the rights and interest of the trust therein;

(3) Pledge of all moneys, funds, accounts, securities and other funds, including the proceeds of the bonds, notes or other obligations;

(4) Pledge of the receipts to be derived from the payments of State aid, payable to the trust pursuant to section 12 of P.L.1985, c.334 (C.58:11B-12);

(5) A mortgage on all or any part of the property, real or personal, of the trust then owned or thereafter to be acquired, or a pledge or assignment of mortgages made to the trust by any person or entity, public or private, including one or more local government units and the rights and interest of the trust therein.
i. The trust shall not issue any bonds, notes or other obligations, or otherwise incur any additional indebtedness, on or after November 5, 2025.

j. (Deleted by amendment, P.L. 1996, c. 88).

   (2) The trust may make and contract to make loans to public water utilities, or to any other person or local government unit on behalf of a public water utility, in accordance with and subject to the provisions of P.L. 1985, c. 334 (C.58:11B-1 et seq.) or P.L. 1997, c. 224 (C.58:11B-10.1 et al.) to finance the cost of any water supply project, which the public water utility may lawfully undertake or acquire.

   The loans may be made subject to those terms and conditions as the trust shall determine to be consistent with the purposes thereof. Each loan by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the loan. Each loan to a local government unit, public water utility or any other person shall be evidenced by notes, bonds or other obligations thereof issued to the trust. Each loan to a local government unit, public water utility or any other person and the notes, bonds or other obligations thereby issued shall bear interest at a rate or rates per annum as the trust and the local government unit, public water utility or any other person, as the case may be, may agree.

b. The trust is authorized to guarantee or contract to guarantee the payment of all or any portion of the principal and interest on bonds, notes or other obligations issued by a local government unit to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money, and the guarantee shall constitute an obligation of the trust for the purposes of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each guarantee by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the guarantee.

5. In accordance with and subject to the provisions of sections 5, 6 and 23 of P.L.1985, c.334 (C.58:11B-5, 58:11B-6, and 58:11B-23) and as set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21), or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1), any proceeds from bonds issued by the trust to make loans for priority environmental infrastructure projects listed in sections 2 and 4 of this act which are not expended for that purpose may
be applied for the payment of all or any part of the principal of and interest and premium on the trust bonds whether due at stated maturity, the interest payment dates or earlier upon redemption. A portion of the proceeds from bonds issued by the trust to make loans for priority environmental infrastructure projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses; for the payment of reserve capacity expenses; for the payment of debt service reserve fund expenses; and for the payment of increased costs as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

6. Any loan made by the New Jersey Environmental Infrastructure Trust pursuant to this act shall be subject to the following requirements:
   a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L.1977, c.224, P.L.1985, c.334, P.L.1992, c.88, P.L.1997, c.223, P.L.1997, c.224, P.L.1997, c.225 or P.L.1999, c.175, and any rules and regulations adopted pursuant thereto. In making this certification, the chairman may conclusively rely on the project review conducted by the Department of Environmental Protection without any independent review thereof by the trust;
   b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the "Water Supply Fund" established pursuant to section 14 of the "Water Supply Bond Act of 1981," (P.L.1981, c.261), as amended by P.L.1983, c.555 and amended and supplemented by P.L.1997, c.223, the "Wastewater Treatment Fund" established pursuant to section 15 of the "Wastewater Treatment Bond Act of 1985" (P.L.1985, c.329), the "1992 Wastewater Treatment Fund" established pursuant to section 27 of the "Green Acres, Clean Water, Farmland and Historic Preservation Bond Act of 1992" (P.L.1992, c.88), or the Drinking Water State Revolving Fund established pursuant to section 1 of P.L.1998, c.84;
   c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;
   d. The loan shall not exceed the allowable project cost of the environmental infrastructure facility, exclusive of capitalized interest and issuance expenses as provided in subsection b. of section 7 of this act, reserve capacity expenses and the debt service reserve fund expenses as provided in subsection c. of section 7 of this act, interest earned on project costs as provided in subsection d. of section 7 of this act, refunding increases as provided in section 8 of this act and increased costs as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27);
e. The loan shall bear interest, exclusive of any late charges or administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5) by the project sponsors receiving trust loans, at or below the interest rate paid by the trust on the bonds issued to make or refund the loans authorized by this act, adjusted for underwriting discount and original issue discount or premium, in accordance with the terms and conditions set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21) or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1); and

f. The loan shall be subject to all other terms and conditions as the trust shall determine to be consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) and any rules and regulations adopted pursuant thereto, and with the financial plan required by section 21 of P.L.1985, c.334 (C.58:11B-21) or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1).

The priority lists and authorization for the making of loans pursuant to this act shall expire on July 1, 2002, and any project sponsor which has not executed and delivered a loan agreement with the trust for a loan authorized in this act shall no longer be entitled to that loan.

7. a. The New Jersey Environmental Infrastructure Trust is authorized to reduce the individual amount of loan funds made available to or on behalf of project sponsors pursuant to sections 2 and 4 of this act based upon final building costs defined in and determined in accordance with rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27) or rules and regulations adopted by the Commissioner of Environmental Protection pursuant to section 4 of P.L.1985, c.329, section 11 of P.L.1977, c.224 (C.58:12A-11) or section 5 of P.L.1981, c.261. The trust is authorized to use any such reduction in the loan amount made available to a project sponsor to cover that project sponsor's increased costs due to differing site conditions or other allowable expenses as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

b. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the amount of capitalized interest and issuance expenses allocable to each loan made by the trust pursuant to this act; provided that the increase for issuance expenses, excluding underwriters' discount, original issue discount or premiums, municipal bond insurance premiums and bond rating agency fees, shall not exceed 0.4% of the principal amount of trust bonds issued to make loans authorized by this act.
c. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the amount of reserve capacity expenses, and by the debt service reserve fund expenses associated with such reserve capacity expenses or associated with loans issued to owners of public water utilities, as may be allowed for the project by the trust in accordance with rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

d. The trust is authorized to increase each loan amount authorized in sections 2 and 4 of this act by the interest earned on amounts deposited for project costs pending their distribution to project sponsors.

10. This act shall take effect immediately.

CHAPTER 225

AN ACT concerning small employer health benefits purchasing alliances and amending and supplementing P.L.1992, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.17B:27A-25.1 Findings, declarations relative to small employer health benefits purchasing alliances.

1. The Legislature finds and declares that:
   a. Small employers, that is, employers that employ between two and 50 employees, have traditionally been at an economic disadvantage with respect to the purchase and provision of health benefits for their employees because certain administrative and premium rate savings that are available to larger employers are not available to them by virtue of their size;
   b. Providing for the establishment of purchasing alliances comprised of groups of small employers would enable small employers to take advantage of the economies of scale in the delivery of health benefits currently available to large employer groups; and
   c. Working within the framework of the Small Employer Health Benefits Program established by P.L.1992, c.162 (C.17B:27A-17 et seq.), small employer purchasing alliances, with the voluntary participation of insurance carriers, would have access to the standard health benefits plans developed under that law at a reduced premium, along with the protections afforded under that law, including: guaranteed access to health benefits coverage for their employees; guaranteed renewability of health plans regardless of the health status of employees or their dependents; and prohibitions against the use of certain rating factors such as health status, prior claims history or occupation.

C.17B:27A-25.2 Definitions relative to small employer benefits purchasing alliances.

C.17B:27A-25.3 Small Employer Purchasing Alliance, formation.

3. Any eligible group of small employers may join together, by means of a joint contract under the procedures established by this act, to form a "Small Employer Purchasing Alliance" for the purpose of negotiating a reduced premium for its members purchasing a small employer health benefits plan or plans for their eligible employees and the employees' dependents. The joint contract shall be executed by all members of the purchasing alliance.

C.17B:27A-25.4 Board of directors.

4. The purchasing alliance, which may be a corporation, shall be governed by a board of directors, elected by the members of the purchasing alliance. No person may serve as an officer or director of an alliance who has a prior record of administrative, civil or criminal violations within the financial services industry. The directors shall serve for terms of three years, and shall serve until their successors are elected and qualified. The directors shall serve without compensation, except for reimbursement for actual expenses.

C.17B:27A-25.5 Bylaws, contents.

5. The board shall adopt by-laws for the operation of the purchasing alliance, which shall be effective upon ratification by a two-thirds majority of the members. The by-laws shall include, but not be limited to:

a. The establishment of procedures for the organization and administration of the alliance.

b. Procedures for the qualifications and admission of the members of the alliance. The bases for denial of membership shall include, but not be limited to:

(1) Performance of an act or practice that constitutes fraud or intentional misrepresentation of material fact;

(2) Previous denial of membership in the alliance; or

(3) Previous expulsion from the alliance.

c. Procedures for the withdrawal of members from the alliance.

d. Procedures for the expulsion of members from the alliance. The bases for expulsion shall include, but not be limited to:
(1) Failure to pay membership or other fees required by the purchasing alliance;
(2) Failure to pay premiums in accordance with the terms of the health benefits plan or the terms of the joint contract; or
(3) Performance of an act or practice that constitutes fraud or intentional misrepresentation of material fact.

c. Procedures for the termination of the alliance.

C.17B:27A-25.6 Further authority of alliance.

6. In addition to the powers authorized under this act, a purchasing alliance shall have the authority to:
a. Set reasonable fees for membership in the alliance that will finance reasonable and necessary costs incurred in administering the purchasing alliance;
b. Negotiate premium rates with carriers on behalf of the members of the alliance; and
c. Contract with third parties for any services necessary to carry out the powers and duties authorized or required pursuant to this act.

C.17B:27A-25.7 Restrictions on alliances.

7. A purchasing alliance established pursuant to the provisions of this act shall not:
a. Purchase health care services, assume risk for the cost or provision of health care services or otherwise contract with health care providers for the provision of health care services to eligible employees or their dependents;
b. Exclude a small employer, eligible employee or dependent from membership in the purchasing alliance who agrees to pay fees for membership and the premium for health benefits coverage and who abides by the by-laws and rules of the purchasing alliance;
c. Engage in any act or practice that results in the selection of member small employers or eligible employees based on any health status-related factor; or
d. Engage in any trade practice or activity prohibited pursuant to chapter 30 of Title 17B of the New Jersey Statutes.

C.17B:27A-25.8 Certificate from alliance to commissioner.

8. a. Within 30 days after its organization, the purchasing alliance board shall file with the commissioner a certificate which shall list the members of the alliance, the names of the board of directors and the chairman, treasurer, and secretary of the purchasing alliance, and the address at which communications for the purchasing alliance are to be received, a copy of the certificate of incorporation of the purchasing
alliance, if any, and a copy of the joint contract executed by all of the members. Any change in the information required by the provisions of this section shall be filed with the commissioner within 30 days of the change.

b. If the commissioner determines that the premium reduction, permitted pursuant to subsection k. of section 9 of P.L.1992, c.162 (C.17B:27A-25) and filed by a carrier in the informational filing required pursuant to subsection f. of that section, results in rates that are excessive, inadequate or unfairly discriminatory, the commissioner may disapprove or deny the premium reduction. If, after notice and a hearing pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), a carrier of purchasing alliance is found by the commissioner to be in violation of any provision of this act, the commissioner may disapprove or deny the premium reduction permitted pursuant to subsection k. of section 9 of P.L.1992, c.162 (C.17B:27A-25).

9. Section 9 of P.L.1992, c.162 (C.17B:27A-25) is amended to read as follows:

C.17B:27A-25 Premium rates; other plan requirements.

   (2) (Deleted by amendment, P.L.1997, c.146).
   (3) For all policies or contracts providing health benefits plans for small employers issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19), and including policies or contracts offered by a carrier to a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.) the premium rate charged by a carrier to the highest rated small group purchasing a small employer health benefits plan issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19) shall not be greater than 200% of the premium rate charged for the lowest rated small group purchasing that same health benefits plan; provided, however, that the only factors upon which the rate differential may be based are age, gender and geography, and provided further, that such factors are applied in a manner consistent with regulations adopted by the board.

   A health benefits plan issued pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall be rated in accordance with the provisions of section 7 of P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the requirements of this paragraph.
   (4) (Deleted by amendment, P.L.1994, c.11).
   (5) Any policy or contract issued after January 1, 1994 to a small employer who was not previously covered by a health benefits plan issued by the issuing small employer carrier, shall be subject to the same premium
rate restrictions as provided in paragraphs (1), (2) and (3) of this subsection, which rate restrictions shall be effective on the date the policy or contract is issued.

(6) The board shall establish, pursuant to section 17 of P.L.1993, c.162 (C.17B:27A-51):

(a) up to six geographic territories, none of which is smaller than a county; and

(b) age classifications which, at a minimum, shall be in five-year increments.

d. Notwithstanding any other provision of law to the contrary, this act shall apply to a carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers.

A carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers after the effective date of P.L.1992, c.162 (C.17B:27A-17 et seq.), shall be required to offer small employer health benefits plans to non-association or trust employers in the same manner as any other small employer carrier is required pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.).

e. Nothing contained herein shall prohibit the use of premium rate structures to establish different premium rates for individuals and family units.

f. No insurance contract or policy subject to this act, including a contract or policy entered into with a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be entered into unless and until the carrier has made an informational filing with the commissioner of a schedule of premiums, not to exceed 12 months in duration, to be paid pursuant to such contract or policy, of the carrier's rating plan and classification system in connection with such contract or policy, and of the actuarial assumptions and methods used by the carrier in establishing premium rates for such contract or policy.

g. (1) Beginning January 1, 1995, a carrier desiring to increase or decrease premiums for any policy form or benefit rider offered pursuant to subsection i. of section 3 of P.L.1992, c.162 (C.17B:27A-19) subject to this act may implement such increase or decrease upon making an informational filing with the commissioner of such increase or decrease, along with the actuarial assumptions and methods used by the carrier in establishing such increase or decrease, provided that the anticipated minimum loss ratio for all policy forms shall not be less than 75% of the premium therefor as
provided in paragraph (2) of this subsection. Until December 31, 1996, the informational filing shall also include the carrier's rating plan and classification system in connection with such increase or decrease.

(2) Each calendar year, a carrier shall return, in the form of aggregate benefits for all of the five standard policy forms offered by the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162 (C.17B:27A-19), at least 75% of the aggregate premiums collected for all of the standard policy forms, other than alliance policy forms, at least 75% of the aggregate premiums collected for all of the non-standard policy forms and at least 75% of the aggregate premiums collected for all of the alliance policy forms during that calendar year. Carriers shall annually report, no later than August 1st of each year, the loss ratio calculated pursuant to this section for all of the standard, other than alliance policy forms, non-standard policy forms and alliance policy forms for the previous calendar year. In each case where the loss ratio fails to substantially comply with the 75% loss ratio requirement, the carrier shall issue a dividend or credit against future premiums for all policyholders with the standard, other than alliance policy forms, nonstandard policy forms or alliance policy forms, as applicable, in an amount sufficient to assure that the aggregate benefits paid in the previous calendar year plus the amount of the dividends and credits shall equal 75% of the aggregate premiums collected for the respective policy forms in the previous calendar year. All dividends and credits must be distributed by December 31 of the year following the calendar year in which the loss ratio requirements were not satisfied. The annual report required by this paragraph shall include a carrier's calculation of the dividends and credits applicable to standard, other than alliance policy forms, non-standard policy forms and alliance policy forms, as well as an explanation of the carrier's plan to issue dividends or credits. The instructions and format for calculating and reporting loss ratios and issuing dividends or credits shall be specified by the commissioner by regulation. Such regulations shall include provisions for the distribution of a dividend or credit in the event of cancellation or termination by a policyholder. For purposes of this paragraph, "alliance policy forms" means policies purchased by small employers who are members of Small Employer Purchasing Alliances.

The certification shall state that the form has been made available for sale or use in accordance with current state regulations governing the type of product submitted, subject to state variations that do not alter the unique product features or design of the product, in 40 states. Upon receipt of an acknowledgment from the commissioner that the form and the certification memorandum which conforms to the requirements of this section have been received, the form so submitted may be used in this State by the insurer. The acknowledgment shall be sent by first class mail by the commissioner to the insurer within 30 days of receipt by the commissioner of the form and the certification memorandum that conforms to the requirements of this section.

e. (1) An insurer submitting an improper certification shall be subject to a fine not to exceed $50,000 and, in addition, a maximum penalty of $1,000 per policy issued on a form determined to be improperly certified pursuant to the provisions of this section. The commissioner shall promulgate a schedule of penalties to be applied pursuant to this section. In determining the amount of any penalty to be imposed, the commissioner shall consider
the severity of the violation based upon the potential adverse impact to the public and whether it is the filer's first violation of this section.

(2) If, after notice and a hearing pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an insurer is found by the commissioner to be in violation of this section, the form may be disapproved, and in addition to any other penalties that may be imposed under Title 17B of the New Jersey Statutes, the commissioner may bar that insurer from participating in the certification process pursuant to this section for a period not to exceed one year.

f. (1) Initial regulations shall be adopted pursuant to this section no later than 120 days after enactment of this act. These regulations shall stand on their own and deal solely and specifically with the provisions of this section and only address the certification and the process of certification required by this section.

(2) Until the commissioner adopts rules and regulations pursuant to this act, an insurer may submit certifications in any format that satisfies the requirements of this section.

(3) The commissioner shall submit an annual report, on or before December 1, to the Governor and the Legislature, on the administration of this act including, but not limited to, the number and type of forms approved and rejected pursuant to the provisions of this section.

g. (1) The certification memorandum shall list the 40 States, the form number submitted and the date that form was made available for sale or use in each state.

(2) An insurer who files in accordance with this section shall be exempt from the certification requirements of section 17 of P.L.1995, c.73 (C.17B:25-18.3).

h. For purposes of this section:

(1) "A responsible officer of the insurer" means a corporate officer of the level of vice president or higher, or of equivalent title within the insurer's structure, who is either the actuary of the insurer with responsibility for the type of form filed, or the individual with responsibility for managing the form filing process for the insurer with regard to the type of form filed;

CHAPTER 241

AN ACT concerning layoffs in the civil service system and amending

BE IT ENACTED by the Senate and General Assembly of the State of New
Jersey:

1. N.J.S.11A:8-1 is amended to read as follows:

Layoff.

11A:8-1. a. A permanent employee may be laid off for economy,
efficiency or other related reason. A permanent employee shall receive 45
days' written notice, unless in State government a greater time period is
ordered by the commissioner, which shall be served personally or by
certified mail, of impending layoff or demotion and the reasons therefor.
The notice shall expire 120 days after service unless extended by the
commissioner for good cause. At the same time the notice is served, the
appointing authority shall provide the commissioner with a list of the names
and permanent titles of all employees receiving the notice. The board shall
adopt rules to implement employee layoff rights consistent with the
provisions of this section, upon recommendation by the commissioner. The
commissioner shall consult with the advisory board representing labor
organizations prior to such recommendations.

b. Permanent employees in the service of the State or a political
subdivision shall be laid off in inverse order of seniority. As used in this
subsection, "seniority" means the length of continuous permanent service in the jurisdiction, regardless of title held during the period of service, except that for police and firefighting titles, "seniority" means the length of continuous permanent service only in the current permanent title and any other title that has lateral or demotional rights to the current permanent title. Seniority for all titles shall be based on the total length of calendar years, months and days in continuous permanent service regardless of the length of the employee's work week, work year or part-time status.

c. For purposes of State service, a "layoff unit" means a department or autonomous agency and includes all programs administered by that department or agency. For purposes of political subdivision service, the "layoff unit" means a department in a county or municipality, an entire autonomous agency, or an entire school district, except that the commissioner may establish broader layoff units.

For purposes of local service, "job location" means the entire political subdivision and includes any facility operated by the political subdivision outside its geographic borders.

e. For purposes of determining lateral title rights in State and political subdivision service, title comparability shall be determined by the department based upon whether the: (1) titles have substantially similar duties and responsibilities; (2) education and experience requirements for the titles are identical or similar; (3) employees in an affected title, with minimal training and orientation, could perform the duties of the designated title by virtue of having qualified for the affected title; and (4) special skills, licenses, certifications or registration requirements for the designated title are similar and do not exceed those which are mandatory for the affected title. Demotional title rights shall be determined by the commissioner based upon the same criteria, except that the demotional title shall have lower but substantially similar duties and responsibilities as the affected title.

f. In State service, a permanent employee in a position affected by a layoff action shall be provided with applicable lateral and demotional title rights first, at the employee's option, within the municipality in which the facility or office is located and then to the job locations selected by the employee within the department or autonomous agency. The employee shall select individual job locations in preferential order from the list of all job locations and shall indicate job locations at which the employee will accept lateral and demotional title rights. In local service, a permanent employee in a position affected by a layoff action shall be provided lateral and demotional title rights within the layoff unit.
g. Following the employee's selection of job location preferences, lateral and demotional title rights shall be provided in the following order:

(1) a vacant position that the appointing authority has previously indicated it is willing to fill;

(2) a position held by a provisional employee who does not have permanent status in another title, and if there are multiple employees at a job location, the specific position shall be determined by the appointing authority;

(3) a position held by a provisional employee who has permanent status in another title, and if there are multiple provisional employees at a job location, the specific position shall be determined based on level of the permanent title held and seniority;

(4) the position held by the employee serving in a working test period with the least seniority;

(5) in State service, and in local jurisdictions having a performance evaluation program approved by the department, the position held by the permanent employee whose performance rating within the most recent 12 months in the employee's permanent title was significantly below standards or an equivalent rating;

(6) in State service, and in local jurisdictions having a performance evaluation program approved by the department, the position held by the permanent employee whose performance rating within the most recent 12 months in the employee's permanent title was marginally below standards or an equivalent rating; and

(7) the position held by the permanent employee with the least seniority.

h. A permanent employee shall be granted special reemployment rights based on the employee's permanent title at the time of the layoff action and the employee shall be certified for reappointment after the layoff action to the same, lateral and lower related titles. Special reemployment rights shall be determined by the commissioner in the same manner as lateral and demotional rights.

2. N.J.S.11A:8-2 is amended to read as follows:

Pre-layoff actions.

11A:8-2. a. An appointing authority shall lessen the possibility, extent or impact of layoffs by implementing pre-layoff actions, which may include but need not be limited to:

(1) initiating a temporary hiring or promotion freeze;

(2) separating non-permanent employees;

(3) returning provisional employees to their permanent titles;
(4) reassigning employees; and
(5) assisting potentially affected employees in securing transfers or other employment.

b. An appointing authority shall consult with the majority representative of public employees selected or designated pursuant to section 7 of P.L.1968, c.303 (C.34:13A-5.3) that represents the affected employees prior to implementing pre-layoff actions pursuant to this section.

3. This act shall take effect immediately.

CHAPTER 246

AN ACT concerning domestic security preparedness, establishing a
domestic security preparedness planning group and task force and
making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New
Jersey:

C.App.A:9-64 Short title.
1. This act shall be known and may be cited as the "New Jersey
Domestic Security Preparedness Act."

C.App.A:9-65 Findings, declarations relative to domestic security preparedness.
2. The Legislature finds and declares:
a. The events of September 11, 2001 have refocused attention on the
importance of domestic preparedness for any terrorist attack, and the utility
of maintaining a select task force, comprised of representatives of State
government, local emergency management and law enforcement officials,
the Federal Emergency Management Agency, the Federal Bureau of
Investigation, and relief organizations, for developing a coordinated plan of
action to prepare for, respond to, and recover from, incidents of terrorism;
b. Because the targets of terrorist activities may not be limited to the
public sector, the State also must review the preparedness of the private
sector to ensure its readiness and to foster cooperation and coordination
between the public and private sectors in assessing risks and developing and
implementing preparedness, response and recovery strategies; and
c. It is, therefore, altogether fitting and proper, and within the public
interest, to reinforce and expand the State’s existing anti-terrorism efforts by
integrating and enhancing intelligence gathering and preparedness efforts
throughout State and local government and the private sector in New Jersey
by establishing a New Jersey Domestic Security Preparedness Task Force
in, but not of, the Department of Law and Public Safety, in order to
maximize, enhance and effectuate coordination of the disaster preparedness
and recovery resources provided through the Office of Emergency
Management in the Division of State Police, the New Jersey National
Guard and county and local emergency management organizations.

3. For the purposes of this act:
"Planning group" means the Domestic Security Preparedness Planning
Group established pursuant to section 8 of this act.
"Task force" means the Domestic Security Preparedness Task Force created pursuant to section 4 of this act.

4. a. There is established in, but not of, the Department of Law and Public Safety the Domestic Security Preparedness Task Force, which shall provide Statewide coordination and supervision of all activities related to domestic preparedness for a terrorist attack. The task force shall be composed of nine members: the Superintendent of State Police or his designee, the Attorney General or his designee, the Adjutant General of Military and Veterans' Affairs or his designee, the Commissioner of Transportation or his designee, the Commissioner of Health and Senior Services or his designee, the Coordinator of the Office of Recovery and Victim Assistance, all of whom shall serve ex officio, and three public members appointed by the Governor, with the advice and consent of the Senate. One of the public members shall have, by education or expertise, experience in chemical or biological agents that may be used in acts of terrorism. The public members shall serve for terms of three years and shall be subject to such security screening as may be necessary or appropriate. Of the public members first appointed, one shall be appointed for a term of one year, one shall be appointed for a term of two years, and one shall be appointed for a term of three years. The Governor shall appoint a chairperson from among the members of the task force, who shall serve in that position at the pleasure of the Governor. The chairperson shall act as the State's liaison with the federal Homeland Security Council. In the event the Governor shall appoint a public member as chairperson, that appointee shall be accorded cabinet status for the purposes of effectuating the purposes of this act. The task force shall adopt a plan of operation for the carrying out of its duties, which shall be approved by the Governor in accordance with the provisions of section 5 of this act.

b. The task force may appoint, in accordance with its plan of operation, such personnel, including attorneys, professionals in the field of terrorism and terrorism preparedness, disaster response, mitigation and recovery, and such other special consultants and experts as may be deemed necessary to carry out its duties under this act, as well as such clerical and other personnel as may be appropriate and necessary. All employees appointed pursuant to this section shall be in the unclassified service of the civil service of the State and shall be deemed confidential employees for the purposes of the “New Jersey Employer-Employee Relations Act,” P.L.1941, c.100 (C.34:13A-1 et seq.).
C.App.A:9-68 Duties of task force.

5. The primary duties of the task force shall include, but not be limited to:
   a. The development of proposals to preserve, protect and sustain domestic security and to ensure a comprehensive program of domestic preparedness. The task force shall formulate proposals for operational plans relative to domestic security, using inter-agency expertise, coordination and resource planning to meet and address the need to prevent terrorist attacks, to mitigate their impact, and to prepare and plan for the various responses required in the event of a terrorist attack. In carrying out this function, the task force shall identify and assess potential risks to the domestic security and well-being of New Jersey's citizens, including risks to, and disruptions of, essential State and local infrastructures, transportation networks, public and private telecommunications and information networks, financial systems and networks, the delivery and availability of essential health care services, and the potential impact of terroristic chemical, biological and nuclear attacks or sabotage.
   b. The development, implementation and management of comprehensive responses to any terrorist attack or any other technological disaster and the effective administration, management and coordination of remediation and recovery actions and responses following any such attack or disaster. In this regard, the task force shall be charged with managing responses in accordance with the State Emergency Operations Plan and serve as an all-hazards response center. The disaster remediation, recovery and response functions performed by the task force shall supplement those disaster relief functions currently performed by the Office of Emergency Management in the Division of State Police, which shall continue in its current capacity, subject to the direction and supervision of the Superintendent of State Police. The task force and Office of Emergency Management shall coordinate and consult with each other on the performance of their respective remediation, recovery and relief functions.

6. a. The task force shall adopt domestic security and preparedness standards, guidelines and protocols, subject to applicable constitutional and statutory limitations, to preserve, protect and sustain the critical assets of the State's infrastructure, which may be applicable to both public and private entities and facilities, as may be appropriate and critical to the public interest and well-being. In adopting such standards, guidelines and protocols, the task force shall not be bound by the requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.); however, no adoption shall take place without review by the Infrastructure Advisory
Committee established pursuant to section 7 of this act and approval by the Governor. The task force may issue and implement orders to effectuate those standards, guidelines and protocols for the purposes of this act.

b. The task force may draw on the assistance of any State, county, or municipal government, independent authority or other agency or instrumentality of the State for the purposes of carrying out its duties under this act.

c. Subject to applicable constitutional and statutory limitations, the task force may seek or request and, if necessary, compel the production of such information as it deems necessary to perform its duties under this act; provided, however, that any such information that is confidential in nature, including proprietary information, shall be deemed privileged and shall not be publicly disclosed by the task force unless directly relating to the security, public safety or well-being of the citizens of this State.

7. The task force shall establish an Infrastructure Advisory Committee to assist it in fulfilling its obligations under this act. The advisory committee shall act as a liaison to private industry throughout the State and establish ongoing communication between private industry, and any other private entity, and State and local officials regarding domestic preparedness and the respective roles and responsibilities of the public and private sectors, and shall serve as a resource to the task force and the Domestic Security Preparedness Planning Group established in section 8 of this act with respect to domestic preparedness issues facing private industry and other private entities. The advisory committee shall include representatives of gas, water, electric and utilities, nuclear facilities, and the telecommunications, transportation, health care, chemical, and pharmaceutical industries situate in or otherwise serving the citizens of this State, as well as such other industries or entities the task force deems appropriate.

8. a. There is established in the Department of Law and Public Safety the Domestic Security Preparedness Planning Group, which shall assist the task force in performing its duties under this act. In cooperation with the task force, the planning group shall develop and provide to the task force, for consideration, a coordinated plan to be included in the State Emergency Operations Plan to prepare for, respond to, mitigate and recover from incidents of terrorism.

b. The members of the planning group shall include the Director of the New Jersey Office of Emergency Management, the Adjutant General of Military and Veterans' Affairs or his designee, the Commissioner of Agriculture or his designee, the Commissioner of Community Affairs or his designee, the Commissioner of Corrections or his designee, the Commiss-

The planning group may include, to the extent such individuals may be made available for such purpose, a representative of the Federal Emergency Management Agency, a representative of the Federal Bureau of Investigation, a representative of the American Red Cross, and a representative of such other charitable groups as may be appropriate. The chairperson of the task force shall appoint the chair and vice chair of the planning group.

C.App.A:9-72 Duties of planning group.

9. a. It shall be the duty of the planning group to identify needs and resources; to explore and determine the availability of the resources available to meet those needs; to develop, coordinate and integrate proposals to afford guidance to the task force in carrying out its duties; to formulate recommendations for the development of necessary training programs; and to provide such technical assistance as may be appropriate and necessary for the task force to fulfill its duties under this act. To the extent that the planning group obtains critical or sensitive intelligence information, such information shall be confidential. The planning group, in consultation with the task force, shall obtain and maintain data on the security needs of State and local governments and shall serve as the central agency for submitting applications to the federal government for terrorism planning and equipment grants.

b. There shall be established within the planning group a Weapons of Mass Destruction Advisory Committee. For the purposes of this subsection, weapons of mass destruction shall include, but not be limited to, nuclear weapons and biological or chemical agents. The Adjutant General of Military and Veterans' Affairs, or his designee, shall chair the advisory committee. C.App.A:9-74 Records not deemed public; OPMA not applicable.

11. a. No record held, maintained or kept on file by the task force or the planning group shall be deemed to be a public record under the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.) or the common law concerning access to public records. The task force and the planning group shall designate such records as may be available for public inspection when, in the sole discretion of the entity possessing the record, the inspection of those records shall not jeopardize the public safety.

b. Cognizant of the public safety and well-being of the citizens of this State and their domestic security, neither the task force nor the planning group shall be subject to the provisions of the “Open Public Meetings Act,” P.L.1975, c.231 (C.10:4-6 et seq.).

13. The task force shall issue a report annually to the Legislature, as provided herein, as to its activities during the preceding year. The report shall include, but not be limited to, an account of the general security measures that have been implemented during the preceding year, the public

CHAPTER 249

AN ACT to enact the Emergency Management Assistance Compact and supplementing Title 38A of the New Jersey Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.38A:20-4 Short title.
1. This act shall be known and may be cited as "The Emergency Management Assistance Compact Act."

C.38A:20-5 Emergency Management Assistance Compact.
2. The Governor is hereby authorized and directed to execute a compact on behalf of this State with any other state legally joining therein in the form substantially as follows:

Emergency Management Assistance Compact

The contracting states solemnly agree:

ARTICLE I PURPOSE

This compact is made and entered into by and between the participating member states which enact this compact, hereinafter called party states. For the purposes of this agreement, the term "states" is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all United States territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency or disaster that is duly declared by the governor of the affected state or states, whether arising from natural disaster, technological hazard, man-made disaster, civil emergency due to resource shortages, community disorders, insurgency, or enemy attack.

This compact also shall provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating the performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, when such actions occur outside actual declared emergency periods. Mutual assistance in this compact may include the use of the states’ National Guard forces, either in accordance with the National Guard Mutual Assistance Compact or by mutual agreement between states.

ARTICLE II GENERAL IMPLEMENTATION

Each party state entering into this compact recognizes many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and procedures to apply outside resources to make
a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, full, and effective utilization of resources of the participating states, including any resources on hand or available from the Federal Government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this Compact shall be understood.

On behalf of the governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III PARTY STATE RESPONSIBILITIES

1. It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:
   a. Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, resource shortages, civil disorders, insurgency, or enemy attack.
   b. Review party states’ individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency.
   c. Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans.
   d. Assist in warning communities adjacent to or crossing the state boundaries.
   e. Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material.
   f. Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness.
g. Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the above responsibilities.

2. The authorized representative of a party state may request assistance of another party state by contacting the authorized representative of that state. The provisions of this agreement shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

a. A description of the emergency service function for which assistance is needed, such as but not limited to fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue.

b. The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time they will be needed.

c. The specific place and time for staging of the assisting party’s response and a point of contact at that location.

3. There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States Government, with free exchange of information, plans, and resource records relating to emergency capabilities.

ARTICLE IV LIMITATIONS

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with its terms; except that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state.

Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving state), duties, rights, and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces shall continue under the command and control of their regular leaders, but the organizational units shall come under the
operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state of emergency or disaster by the governor of the party state that is to receive assistance or commencement of exercises or training for mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect or loaned resources remain in the receiving state or states, whichever is longer.

ARTICLE V LICENSES AND PERMITS

Whenever any person holds a license, certificate, or other permit issued by any state party to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI LIABILITY

Officers or employees of a party state rendering aid to another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes; and no party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article shall not include willful misconduct, gross negligence, or recklessness.

ARTICLE VII SUPPLEMENTARY AGREEMENTS

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that among the states that are party hereto, this instrument contains elements of a broad base common to all states, and nothing herein contained shall preclude any state from entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may include, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.
ARTICLE VIII  COMPENSATION

Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX  REIMBURSEMENT

Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with such requests; except that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and furthermore, that any two or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this provision.

ARTICLE X  EVACUATION

Plans for the orderly evacuation and interstate reception of portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management or services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care, and like items.
Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support or repatriation of such evacuees.

ARTICLE XI IMPLEMENTATION

This compact shall become operative immediately upon its enactment into law by any two states; thereafter, this compact shall become effective as to any other state upon its enactment by such state.

Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until 30 days after the governor of the withdrawing state has given notice in writing of such withdrawal to the governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States Government.

ARTICLE XII VALIDITY

This act shall be construed to effectuate the purposes stated in Article I of this compact. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this act and its applicability to other persons and circumstances shall not be affected.

ARTICLE XIII ADDITIONAL PROVISIONS

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would, in the absence of express statutory authorization, be prohibited under Section 1385 of Title 18 of the United States Code.

3. This act shall take effect immediately.

CHAPTER 250

AN ACT establishing kinship legal guardianship, supplementing Title 3B of the New Jersey Statutes and Title 30 of the Revised Statutes, amending N.J.S.2B:2-1 and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.3B:12A-1 Findings, declarations relative to kinship legal guardianship.

1. The Legislature finds and declares that:
   a. There is an increase in the number of children who cannot reside with their parents due to the parents' incapacity or inability to perform the regular and expected functions of care and support of the child;
   b. An increasing number of relatives, including grandparents, find themselves providing care on a long-term basis to these children without court approved legal guardianship status because the caregivers either are unable or unwilling to seek termination of the legal relationships between the birth parent and the child, particularly when it is the caregiver's own child or sibling who is the parent. In these cases, adoption of the child is neither feasible nor likely, and it is imperative that the State create an alternative, permanent legal arrangement for children and their caregivers. One such alternative arrangement, which does not require the termination of parental rights, is a court awarded kinship legal guardianship that is intended to be permanent and self-sustaining, as evidenced by the transfer to the caregiver of certain parental rights, but retains the birth parents' rights to consent to adoption, the obligation to pay child support, and the parents' right to have some ongoing contact with the child;
   c. In considering kinship legal guardianship, the State is seeking to add another alternative, permanent placement option, beyond custody, without rising to the level of termination of parental rights, for caregivers in relationships where adoption is neither feasible nor likely; and
   d. Therefore, it is in the public interest to create a new type of legal guardianship that addresses the needs of children and caregivers in long-term kinship relationships.

C.3B:12A-4 Rights, responsibilities, authority of kinship legal guardian.
4. a. (1) Except as provided in paragraph (2) of this subsection, a kinship legal guardian shall have the same rights, responsibilities and authority relating to the child as a birth parent, including, but not limited to: making decisions concerning the child's care and well-being; consenting to routine and emergency medical and mental health needs; arranging and consenting to educational plans for the child; applying for financial assistance and
social services for which the child is eligible; applying for a motor vehicle

but not limited to, those relating to inheritance or eligibility for benefits or
insurance.

(6) Kinship legal guardianship terminates when the child reaches 18
years of age or when the child is no longer continuously enrolled in a
secondary education program, whichever event occurs later, or when
kinship legal guardianship is otherwise terminated.

b. There shall be no filing fee charged for kinship legal guardianship
complaints or motions in the court.

c. For the purposes of P.L.2001, c.250 (C.3B:12A-1 et al.), a kinship
legal guardian shall have the same meaning as the term "legal guardian" as
defined in 42 U.S.C. s. 675, except that the process, procedure and ruling for
kinship legal guardianship shall be apart from, and shall not amend,
supplant or contravene, the provisions of Chapter 12 of Title 3B of the New
Jersey Statutes.

d. (1) The provisions of P.L.2001, c.250 (C.3B:12A-1 et al.) shall not
be construed to grant or confer upon any person appointed kinship legal
guardian of a child any of the additional rights or privileges accorded to
persons appointed guardian of a minor's person or estate by a Surrogate or
the Superior Court, Chancery Division, Probate Part pursuant to the
provisions of Chapter 12 of Title 3B of the New Jersey Statutes.

(2) The provisions of P.L.2001, c.250 (C.3B:12A-1 et al.) shall not be
construed to preclude an application to the court for guardianship of the
person or estate of a minor by any person appointed kinship legal guardian
of a child.

5. a. Upon petition of a caregiver, the court may appoint the caregiver
as kinship legal guardian of a child residing in the caregiver's home pursuant
to the provisions of P.L.2001, c.250 (C.3B:12A-1 et al.).
b. A petition for the appointment of a kinship legal guardian shall include a kinship caregiver assessment, which shall contain:

   (13) the results of the caregiver's home review.

C.3B:12A-6 Considerations for appointment as kinship legal guardian.

6. a. In making its determination about whether to appoint the caregiver as kinship legal guardian, the court shall consider:
   (1) if proper notice was provided to the child's parents;
   (2) the best interests of the child;
   (3) the kinship caregiver assessment;
   (4) in cases in which the division is involved with the child as provided in subsection a. of section 8 of P.L.2001, c.250 (C.30:4C-85), the recommendation of the division, including any parenting time or visitation restrictions;
   (5) the potential kinship legal guardian's ability to provide a safe and permanent home for the child;
   (6) the wishes of the child's parents, if known to the court;
   (7) the wishes of the child if the child is 12 years of age or older, unless unique circumstances exist that make the child's age irrelevant;
(8) the suitability of the kinship caregiver and the caregiver's family to raise the child;
(9) the ability of the kinship caregiver to assume full legal responsibility for the child;
(10) the commitment of the kinship caregiver and the caregiver's family to raise the child to adulthood;
(11) the results from the child abuse record check conducted pursuant to section 9 of P.L.2001, c.250 (C.30:4C-86); and
(12) the results from the criminal history record background check and domestic violence check conducted pursuant to section 9 of P.L.2001, c.250 (C.30:4C-86). In any case in which the caregiver petitioning for kinship legal guardianship, or any adult residing in the prospective caregiver's home, has a record of criminal history or a record of being subjected to a final domestic violence restraining order under P.L.1991, c.261 (C.2C:25-17 et seq.), the court shall review the record with respect to the type and date of the criminal offense or the provisions and date of the final domestic violence restraining order and make a determination as to the suitability of the person to become a kinship legal guardian. For the purposes of this paragraph, with respect to criminal history, the court shall consider convictions for offenses specified in subsections c., d. and e. of section 1 of P.L.1985, c.396 (C.30:4C-26.8).

b. The court shall not award kinship legal guardianship of the child unless proper notice was served upon the parents of the child and any other party to whom the court has awarded custody or parenting time for that child, in accordance with the Rules of Court.
c. The court shall not award kinship legal guardianship of the child solely because of parental incapacity.
d. The court shall appoint the caregiver as a kinship legal guardian if, based upon clear and convincing evidence, the court finds that:
(1) each parent's incapacity is of such a serious nature as to demonstrate that the parents are unable, unavailable or unwilling to perform the regular and expected functions of care and support of the child;
(2) the parents' inability to perform those functions is unlikely to change in the foreseeable future;
(3) in cases in which the division is involved with the child as provided in subsection a. of section 8 of P.L.2001, c.250 (C.30:4C-85), (a) the division exercised reasonable efforts to reunify the child with the birth parents and these reunification efforts have proven unsuccessful or unnecessary; and (b) adoption of the child is neither feasible nor likely; and
(4) awarding kinship legal guardianship is in the child's best interests.
e. The court order appointing the kinship legal guardian shall specify, as appropriate, that:
(1) a kinship legal guardian shall have the same rights, responsibilities and authority relating to the child as a birth parent, including, but not limited to: making decisions concerning the child's care and well-being; consenting to routine and emergency medical and mental health needs; arranging and consenting to educational plans for the child; applying for financial assistance and social services for which the child is eligible; applying for a motor vehicle operator's license; applying for admission to college; responsibility for activities necessary to ensure the child's safety, permanency and well-being; and ensuring the maintenance and protection of the child; except that a kinship legal guardian may not consent to the adoption of the child or a name change for the child;

(2) the birth parent of the child retains the authority to consent to the adoption of the child or a name change for the child;

(3) the birth parent of the child retains the obligation to pay child support;

(4) the birth parent of the child retains the right to visitation or parenting time with the child, as determined by the court;

(5) the appointment of a kinship legal guardian does not limit or terminate any rights or benefits derived from the child's parents, including, but not limited to, those relating to inheritance or eligibility for benefits or insurance; and

(6) kinship legal guardianship terminates when the child reaches 18 years of age or when the child is no longer continuously enrolled in a secondary education program, whichever event occurs later, or when kinship legal guardianship is otherwise terminated.

d. An order or judgment awarding kinship legal guardianship may be vacated by the court prior to the child's 18th birthday if the court finds that the kinship legal guardianship is no longer in the best interests of the child or, based upon clear and convincing evidence, the court finds that the parental incapacity or inability to care for the child that led to the original award of kinship legal guardianship is no longer the case and termination of kinship legal guardianship is in the child's best interests.

In cases in which the division was involved, when determining whether a child should be returned to a parent, the court may refer a parent for an assessment prepared by the division, in accordance with regulations adopted by the commissioner.

d. An order or judgment awarding kinship legal guardianship may be vacated by the court if, based upon clear and convincing evidence, the court finds that the guardian failed or is unable, unavailable or unwilling to provide proper care and custody of the child, or that the guardianship is no longer in the child's best interests.

c. Whether or not the bonds and notes are of the form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A.

Bonds or notes may be further secured by a trust indenture between the authority and a corporate trustee within or without the State. All other obligations of the authority shall be
authorized by resolution containing terms and conditions as the authority shall determine.

e. Bonds, notes or other obligations of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine, either on a negotiated or on a competitive basis. Every bond, or refunding bond, issued on or after the effective date of P.L.1995, c.108 (C.27:1B-25.1 et al.) shall mature and be paid no later than 21 years from the date of the issuance of that bond or refunding bond.

f. Bonds or notes may be issued and other obligations incurred under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, other than the approval as required by subsection a. of this section, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

Bonds, notes and other obligations of the authority issued or incurred under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision or be or constitute a pledge of the faith and credit of the State or of any political subdivision but all bonds, notes and obligations, unless funded or refunded by bonds, notes or other obligations of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. Each bond, note or other obligation shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal or the interest on the bonds, notes or other obligations. For the purposes of this subsection, political subdivision does not include the authority.

h. All expenses incurred in carrying out the provisions of the act shall be payable solely from the revenues or funds provided or to be provided under or pursuant to the provisions of the act and nothing in the act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

i. The authority shall minimize debt incurrence by first relying on appropriations and other revenues available to the authority before incurring debt to meet its statutory purposes. Commencing on the 90th day following the date of enactment of this 1995 amendatory and supplementary act, the
authority shall not incur debt in any fiscal year in excess of $650,000,000, except that if that permitted amount of debt, or any portion thereof, is not incurred in a fiscal year it may be incurred in a subsequent fiscal year. Any increase in this limitation shall only occur if so provided for by law. In computing the foregoing limitation as to the amount of debt the authority may incur, the authority may exclude any bonds, notes or other obligations, including subordinated obligations of the authority, issued for refunding purposes.

j. Upon the decision by the authority to issue refunding bonds pursuant to this section, and prior to the sale of those bonds, the authority shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

k. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sale of refunding bonds as included in each report submitted in accordance with subsection j. of this section. The committee shall approve or disapprove the sale of refunding bonds within 10 business days after physical receipt of the report. The committee shall notify the authority in writing of the approval or disapproval as expeditiously as possible.

l. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection k. of this section.

m. Within 30 days after the sale of the refunding bonds, the authority shall notify the Joint Budget Oversight Committee, or its successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, and the actual amount of debt service savings to be realized as a result of the sale of refunding bonds.

n. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the authority or to the Legislature, or both, as it deems appropriate.

2. This act shall take effect immediately.

Upon the receipt of proper proofs of the death in active service of a workers compensation judge member of the retirement system, there shall be paid to the member's widow a survivor's benefit of 25% of final salary for the use of the widow, to continue during widowhood, plus 10% of final salary payable to one surviving child or plus 15% of final salary to two or more surviving children; if there is no surviving widow or in case the widow dies or remarries, 15% of final salary shall be payable to one surviving child. 20% of final salary to two surviving children in equal shares and if there are three or more children, 30% of final salary shall be payable to such children in equal shares. If there is no surviving widow or child, 20% of final salary shall be payable to one surviving parent or 30% of final salary shall be payable to two surviving parents in equal shares.

b. In addition to the benefits payable under subsection a. of this section, there shall also be paid in one sum to the member's beneficiary an amount equal to one and one-half times the final salary received by the member.

C.43:15A-152 Credit for previous service; purchase, conditions.

11. a. Any workers compensation judge who wishes to receive credit for previous service as a judge of compensation or in an office, position, or employment of this State or of a county, municipality, board of education, or public agency of this State, shall file an application therefor with the
board of trustees and pay into the annuity savings fund the amount required by applying the factor, supplied by the actuary, as being applicable to the judge's age at the time of purchase and the type of service to be purchased, to the member's salary at that time. Such purchase may be made in regular installments, equal to at least one-half the full normal contribution to the retirement system over a maximum period to be determined by the board of trustees.

In the case of any judge coming under the provisions of this section, full pension credit for the period of employment for which arrears are being paid shall be given upon the payment of at least one-half the total arrearage obligation and the completion of one year of membership and the making of such arrears payments, except that in the case of retirement, the total membership credit for such service shall be in direct proportion as the amount paid bears to the total amount of arrearage obligation.

b. The State shall pay to the retirement system the employer's accrued liability obligation on behalf of such judge purchasing prior service credit.

C.43:15A-153 Return of accumulated contributions; election of retirement allowance.

12. a. A workers compensation judge making contributions pursuant to the provisions of this act, P.L.2001, c.259 (C.43:15A-142 et seq.), and who is not eligible for any benefits under the Workers Compensation Judges Part, may, upon termination of such service as a judge of compensation, elect to receive the return of the judge's accumulated contributions in accordance with the provisions of subsection a. of section 41 of P.L.1954, c. 84 (C.43:15A-41). If a workers compensation judge is a member of the retirement system on the basis of other public service, no application for a return of contributions shall be approved until the judge has terminated all service covered by the system and makes application for a return of all contributions made to the retirement system. If all or any part of a member's service as a workers compensation judge is applied toward qualifying for benefits under any other provision of P.L.1954, c.84 to which this act, P.L.2001, c.259 (C.43:15A-142 et seq.), is a supplement, no return of contributions made on the basis of the workers compensation judge salary shall be approved, and in that event, service established as a workers compensation judge and salary pertaining thereto shall be credited in the same manner as all other service and salary covered by the retirement system.

b. At the time of retirement, a member enrolled on the basis of service as a judge of compensation as well as other public service shall be permitted to elect the largest possible retirement allowance, if the member qualifies for benefits under both the provisions of this act and the act to which this is a supplement. An application for a return of contributions made on the basis
of such other public service not used for the calculation of a retirement allowance or to qualify for State payment for health care benefits in retirement may be approved.

c. A workers compensation judge electing to receive a retirement allowance under the Workers Compensation Judges Part shall be ineligible to receive a retirement allowance or pension for the same service under any other law of the State.

13. The actuary for the Public Employees' Retirement System shall determine the unfunded accrued liability for the Workers Compensation Judges Part of the retirement system and the benefits provided for workers compensation judges under that part in the same manner provided for the determination of the unfunded accrued liability of the retirement system by section 24 of P.L.1954, c.84 (C.43:15A-24). This unfunded accrued liability shall be amortized in the manner provided by section 24 over an amortization period of 30 years. Accrued liability and normal contributions for workers compensation judges shall be paid by transfers from the Second Injury Fund as provided by subsection j. of R.S.34:15-94. The Commissioner of Labor may, with the authorization of and appropriation by the Legislature, pay this unfunded accrued liability in a lump sum or over a period of time shorter than 30 years.

14. This act shall take effect immediately.

Approved December 6, 2001.

c. The employee leasing company shall file reports prescribed under the "unemployment compensation law," R.S.43:21-1 et seq. on behalf of its covered employees using the State tax identification number of the employee leasing company.

C.34:8-73 Actions upon entry, dissolution of leasing agreement.

7. a. Upon entering into the employee leasing agreement:

(1) If the employee leasing company acquires the client company's total workforce, the employee leasing company shall report wages and pay contributions pursuant to the "unemployment compensation law," R.S.43:21-1 et seq., based on the benefit experience assigned to the employee leasing company under R.S.43:21-7. The benefit experience of the client company shall not be transferred to the leasing company and shall not be used in the calculation of the employee leasing company's future contribution rates.

(2) If the employee leasing company acquires less than all of the client company's total workforce, the employee leasing company shall report wages and pay contributions pursuant to the "unemployment compensation law," R.S.43:21-1 et seq. for that portion of the workforce acquired based on the benefit experience assigned to the employee leasing company under R.S.43:21-7. The benefit experience associated with that portion of the client company's workforce acquired by the employee leasing company
shall not be transferred to the employee leasing company and shall not be used in the calculation of the employee leasing company's future contribution rates. The client company shall continue to report wages and pay contributions for the workforce not acquired by the employee leasing company using the client company's contribution rate.

b. Upon dissolution of the employee leasing agreement:

(1) If, under the dissolved employee leasing agreement, the client company had leased its total workforce, and if, at the time of dissolution, the client company had leased those employees for at least two full calendar years, the client company shall be assigned the rate of a new employer under R.S.43:21-7 until it is eligible for a rate based on benefit experience pursuant to that section or enters into another employee leasing agreement.

(2) If, under the dissolved employee leasing agreement, the client company had leased its total workforce, and if, at the time of the dissolution, the client company had leased those employees for less than two full calendar years, the employee leasing company at the time of dissolution shall provide the Department of Labor with the data necessary to calculate the benefit experience of the client company for the duration of the employee leasing agreement. That benefit experience shall then be added to the client company's benefit experience which was established prior to entering the employee leasing agreement. Both the client company and the employee leasing company shall continue to use the rate of the employee leasing company for the period from the date of the dissolution of the employee leasing agreement until the following July 1.

(3) If, under the dissolved employee leasing agreement, the client company had leased less than its total workforce from the employee leasing company, and if, at the time of dissolution, the client company had leased those covered employees for at least two full calendar years, the benefit experience associated with that portion of the client company's workforce which had been leased from the employee leasing company shall not be transferred to the client company and shall not be used in the calculation of the client company's future contribution rates.

(4) If, under the dissolved employee leasing agreement, the client company had leased less than its total workforce from the employee leasing company, and if, at the time of dissolution, the client company had leased those covered employees for less than two full calendar years, the leasing company shall provide the department with the data necessary to calculate the benefit experience associated with that portion of the client's workforce which had been leased from the employee leasing company. The department shall combine that benefit experience with the client company's existing benefit experience. Both the client company and the employee leasing company shall use the rate of the employee leasing company for the period from the date of the dissolution of the employee leasing agreement until the following July 1.
leasing company shall continue to use their own rates for the period from
the date of the dissolution until the following July 1.

(5) If, immediately upon dissolution of the employee leasing agreement,
the client company enters into a subsequent employee leasing agreement
regarding those covered employees with another employee leasing
company, the payroll relative to the client company shall be reported and
paid at the rate assigned the second employee leasing company.

C.34:8-74 Calculation of unemployment benefit experience.

8. The employee leasing company shall provide to each client
company, upon signing of an employee leasing agreement, written
disclosure as to the method to be utilized for calculation of unemployment
benefit experience contribution rates and temporary disability contribution
rates upon both the inception and dissolution of the employee leasing
relationship.

C.34:8-75 Inapplicability to temporary help service firms.

9. a. The provisions of this act shall not apply to temporary help service
firms, as defined in section 1 of P.L.1989, c.331 (C.34:8-43), or farm labor
crew leaders who are subject to P.L.1971, c.192 (C.34:8A-7 et seq.).

b. Nothing in this act shall exempt either a client company or the
covered employees leased to a client company from any applicable State,
local, or federal licensing, registration or certification statutes and regula-
tions.

c. Any covered employee who must be licensed, registered or certified,
according to law, shall be treated as a covered employee of the client
company for the purposes of the license, registration or certification.

d. The provisions of the "New Jersey Prevailing Wage Act," P.L.1963,
c.56.25 (C.34:11-56.25 et seq.) shall remain applicable in all respects to those
client companies of the employee leasing company who participate in public
construction contracts as set forth in that act.

C.34:8-76 Noncompliance, rescinding of registration.

10. a. If an employee leasing company fails to comply with any of the
requirements set forth in this act, the department may rescind the registra-
tion of that employee leasing company, thereby also rescinding the
employee leasing company's co-employer status for purposes of the act, but
not relieving the employee leasing company or client company from
liabilities accrued.

b. If the department rescinds the registration of an employee leasing
company, all client companies of the employee leasing company thereafter
shall file reports and make contributions separately, as provided in
R.S.43:21-1 et seq. The department shall calculate the respective unem-
ployment benefit experience contribution rates and temporary disability contribution rates of the employee leasing company and client company, thereafter, as set forth in subsection b. of section 7 of this act, and the exclusive remedy provision of R.S.34:15-8 shall, as of the date upon which the department has rescinded the registration of the employee leasing company, no longer apply to the employee leasing company relative to personal injuries to, or the death of, any employee formerly covered by the employee leasing agreement, by accident arising out of and in the course of employment, as otherwise provided in the workers' compensation law.

d. Whenever the department shall find cause to rescind the registration of an employee leasing company, it shall notify the registrant in writing of the reasons therefor, and provide the registrant with an opportunity for a
hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

e. Whenever the department rescinds a registration, it shall simultaneously notify the client companies listed on the annual report required pursuant to section 4 of this act of that action.

C.34:8-77 Compliance with C.17:22A-1 et seq.

11. Nothing in this act shall exempt an employee leasing company or any employee thereof from compliance with the provisions of P.L.1987, c.293 (C.17:22A-1 et seq.) if its activities fall within the scope of that act or any regulation promulgated pursuant to that act.

C.34:8-78 Rules, regulations.

12. The commissioner shall, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), promulgate those rules and regulations necessary to effectuate the purposes of this act.

13. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:71B-64 Short title.

1. Sections 1 through 17 of this act shall be known and may be cited as the "New Jersey Prepaid Higher Education Expense Program Act of 2001."

C.18A:71B-65 Findings, declarations relative to Prepaid Higher Education Expense Program.

2. The Legislature finds and declares: that educational opportunity at the college and university level is a critical State interest which is linked to the needs of the State to ensure a well-educated work force; that educational opportunity is best ensured through the provision of institutions of higher education which are geographically and financially accessible; that it is in the best interests of this State to adopt and foster mechanisms which will encourage its citizens to engage in the timely financial planning which is necessary to guarantee that students will have the financial resources necessary to pursue a higher education given the annually escalating level of resources which such attendance requires; and that one such mechanism which has proven successful in some other states is the establishment of a program through which a portion of the costs associated with attendance at institutions of higher education may be paid in advance and fixed at a guaranteed level for the duration of undergraduate enrollment.

C.18A:71B-66 Definitions relative to Prepaid Higher Education Expense Program.

3. As used in sections 1 through 17 of this act:
   "Advance payment contract" means a contract entered into by the board and a purchaser pursuant to the provisions of this act;
   "Board" means the Prepaid Higher Education Expense Board established pursuant to section 6 of this act;
   "Eligible independent institution of higher education" means those institutions of higher education incorporated and located in this State, which, by virtue of law or character or license, are nonprofit educational institutions empowered to grant academic degrees and which provide a level of education which is equivalent to the education provided by the State's public institutions of higher education as attested by the receipt of and continuation of regional accreditation by the Middle States Association of Colleges and Schools, and which are eligible to receive State aid under the provisions of the Constitution of the United States and the Constitution of the State of New Jersey and whose students are eligible to receive benefits under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.529. "Eligible independent institution of higher education" shall include a proprietary institution if expenses for tuition at the institution
would be considered qualified higher education expenses under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529, but only for degree granting programs licensed or approved by the Commission on Higher Education or for other proprietary institutions as determined by the board. "Eligible independent institution of higher education" does not include any educational institution dedicated primarily to the preparation or training of ministers, priests, rabbis, or other professional persons in the field of religion.

"Fund" means the Prepaid Higher Education Expense Trust Fund established pursuant to section 5 of this act;

A public institution of higher education is an institution whose students are eligible to receive benefits under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.529;

"Purchaser" means a person who makes or is obligated to make payments in accordance with an advance payment contract;

4. a. There is established the New Jersey Prepaid Higher Education Expense Program to provide a means for payment of the costs of tuition in advance of enrollment at a public institution of higher education. Moneys remitted in accordance with advance payment contracts shall be combined and invested in a manner that is intended to yield sufficient interest to
generate the difference between the prepaid amount and the average in-state tuition costs at public institutions of higher education in the State at the time that the benefits are exercised. The program shall pay to the public institution of higher education at which the qualified beneficiary is enrolled an amount equal to the institution's tuition rate at the time the benefits are exercised.

5. a. There is created within the Prepaid Higher Education Expense Board the Prepaid Higher Education Expense Trust Fund. c. Any balance contained in the fund at the end of a fiscal year shall remain therein and shall be available for carrying out the purposes of the program.

d. The assets of the fund shall be maintained, invested, and expended solely for the purposes of this act and shall not be loaned, transferred, or otherwise used by the State for any purpose other than the purposes of this act. This subsection shall not be construed to prohibit the board from investing in, by purchase or otherwise, bonds, notes or other obligations of the State or an agency or instrumentality of the State.

e. Unless otherwise specified by the board, assets of the fund shall be expended in the following order of priority:

(1) to make payments to institutions of higher education on behalf of qualified beneficiaries;

(2) to make refunds upon cancellation of advance payment contracts; and

(3) to pay the costs of program administration and operations.

f. The board shall administer the fund in a manner that is sufficiently actuarially sound to defray the obligations of the program. The board shall annually evaluate or cause to be evaluated the actuarial soundness of the fund. If the board determines a need for additional assets in order to
preserve actuarial soundness, the board may adjust the terms of subsequent
advance payment contracts to ensure soundness.

  g. If the board finds that a surplus in the fund exists, the board may
compensate purchasers of advance payment contracts in a manner that the
board determines to be appropriate.

anual report.

8. a. The board, acting with the approval of the State Investment
Council in the Division of Investment, shall establish a comprehensive
investment plan for the purposes of this act and annually review the plan to
assure that the program remains actuarially sound. The comprehensive
investment plan shall specify the investment policies to be utilized by the
board in its administration of the fund. The board may place assets of the
fund in savings accounts or use the funds to purchase fixed or variable life
insurance or annuity contracts, securities, evidence of indebtedness or other
investment products, pursuant to the comprehensive investment plan and in
such proportions as may be designated or approved under that plan. The
board shall be subject to the "prudent person" standard of care applicable to
the Division of Investment in the Department of the Treasury pursuant to
subsection b. of section 11 of P.L.1950, c.270 (C.52:18A-89). The
insurance, annuity, savings or investment products shall be underwritten and
offered in compliance with the applicable federal and State laws and
regulations and by persons who are duly authorized by applicable federal
and State authorities.

b. The board may delegate responsibility for administration of the
program to a person the board determines to be qualified. Directly or
through the person, the board may contract, in accordance with the
provisions of P.L.1954, c.48 (C.52:34-6 et seq.), with a private corporation
or institution authorized to do business in this State to provide such services
as may be a part of the program or as may be deemed necessary for
implementation of the program, including, but not limited to, providing
consolidated billing, individual and collective record keeping and accounting,
asset purchase, control and safekeeping, investment management,
marketing, administration, program operations, and other services deemed
necessary and proper to carry out the purposes of this act. In the event that
the board delegates a private entity as the investment manager, the assets of
the fund shall be invested in accordance with an investment plan approved
by the State Investment Council in the Division of Investment.

The board shall determine whether the services deemed necessary and
proper to carry out the purposes of this act shall be provided by a single or
multiple entities.

c. The board shall annually prepare or cause to be prepared a report
setting forth in appropriate detail an accounting of the fund and a description
of the financial condition of the program at the close of each fiscal year.
The report shall be submitted to the Governor, the President of the Senate,
the Speaker of the General Assembly, the State Treasurer, the executive
director of the New Jersey Commission on Higher Education and the
executive director of the Higher Education Student Assistance Authority on
or before August 1 each year. In addition, the board shall make the report
available to purchasers of advance payment contracts. The board shall
provide to the Commission on Higher Education by August 1 each year
complete advance payment contract sales information, including projected
higher education enrollments of qualified beneficiaries.

d. The accounts of the funds shall be subject to annual audits by the
State Auditor or a designee. In addition, the board shall commission an
annual independent audit of the program. The results of the independent
audit shall be provided to the Governor, the President of the Senate, the
Speaker of the General Assembly, the State Treasurer, the executive
director of the New Jersey Commission on Higher Education and the executive
director of the Higher Education Student Assistance Authority. If the board delegates responsibility for the administration of the comprehensive investment plan pursuant to subsection b. of this section, the cost of the independent audit shall be borne by that person.

e. The board may make available insurance coverage written exclusively for the purpose of protecting advance payment contracts, and the purchasers or beneficiaries thereof, which may be issued in the form of a group term life policy to purchasers of advance payment contracts.

f. Materials produced for the purpose of marketing the program shall be submitted to the board for review and approval. Marketing materials shall not be made available or distributed to the public prior to the materials being approved by the board. An institution of higher education may distribute marketing materials produced for the program. The State and the board shall not be liable for misrepresentation of the program by a marketing agent.

g. Statements, reports on distributions and information returns relating to accounts shall be prepared, distributed, and filed to the extent required by section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.529.

9. a. The board shall develop an advance payment contract with the assistance of the Office of the Attorney General. An advance payment contract shall be exempt from the provisions of Subtitle 3 of Title 17 of the Revised Statutes and Subtitle 3 of Title 17B of the New Jersey Statutes. The contents of the contract shall include, but not be limited to, the following:

(1) the amount of the payments and the number of payments required from a purchaser;

(2) the terms and conditions under which purchasers are required to remit payments, including, but not limited to, the date or dates upon which each payment is due;

(3) provisions for late payment charges and for default;

(4) provisions for penalty fees for withdrawals from the fund;

(5) the name and date of birth of the qualified beneficiary on whose behalf the contract is drawn and the terms and conditions under which another person may be substituted as the qualified beneficiary;

(6) the name of any person who may cancel the contract. The terms of the contract shall specify whether the contract may be canceled by the purchaser, the qualified beneficiary, a specific designated person or any combination of these persons;

(7) the terms and conditions under which a contract may be canceled, the name of the person entitled to any refund due as a result of the cancella-
tion of the contract pursuant to those terms and conditions, and the method for determining the amount of refund;

(8) the time limitations, if any, within which the qualified beneficiary is required to claim benefits through the program. If time limitations are included in the contract, the time expended by a qualified beneficiary as an active duty member of any of the armed services of the United States shall be added to the period of time permitted to exercise the benefits;

(9) the terms and conditions, if any, under which a purchaser may designate another individual as a successor owner of the contract; and

(10) other terms and conditions deemed by the board to be necessary or proper.

b. In addition to the provisions of subsection a. of this section an advance payment contract shall include the following:

(1) the number of credit hours contracted by the purchaser;

(2) the plan toward which the credit hours shall be applied;

(3) the assumption of a contractual obligation by the board to the qualified beneficiary to provide for a specified number of credit hours of undergraduate instruction at a public institution of higher education, not to exceed the maximum number of credit hours which may be purchased under the program for the associate degree or the baccalaureate degree, as appropriate.

C.18A:71B-73 Availability of advance payment contracts; plans.

10. a. At a minimum, the board shall make advance payment contracts available for two independent plans to be known as the county college plan and the university plan.

(1) Through the county college plan, the advance payment contract shall provide prepaid tuition for a specified number of undergraduate credit hours not to exceed the maximum number of credit hours which may be purchased under the program for an associate degree. The cost of participation in the county college plan shall be based primarily on the average current and projected tuition within the county college system and the number of years expected to elapse between the purchase of the plan on behalf of a qualified beneficiary and the exercise of the benefits provided in the plan by the qualified beneficiary. Qualified beneficiaries shall bear the cost of any laboratory fees associated with enrollment in specific courses. In the event that a qualified beneficiary chooses to attend a four-year public institution of higher education, the qualified beneficiary may convert the maximum number of credit hours which may be purchased under the program for an associate degree from a county college plan to a university plan. Each qualified beneficiary shall be classified as an in-county resident.
2. (2) Through the university plan, the advance payment contract shall provide prepaid tuition for a specified number of undergraduate credit hours not to exceed the maximum number of credit hours which may be purchased under the program for a baccalaureate degree. The cost of participation in the university plan shall be based primarily on the average current and projected tuition of the four-year public institutions of higher education and the number of years expected to elapse between the purchase of the plan on behalf of a qualified beneficiary and the exercise of the benefits provided in the plan by the beneficiary. Qualified beneficiaries shall bear the cost of any laboratory fees associated with enrollment in specific courses. In the event that a qualified beneficiary fails to be admitted to a four-year public institution of higher education or chooses to attend a county college, the qualified beneficiary may convert the maximum number of credit hours which may be purchased under the program for an associate degree from a university plan to a county college plan and may retain the remaining credit hours in the university plan or may request a refund for prepaid credit hours in excess of the maximum number of credit hours which may be purchased under the program for an associate degree. A refund may also be requested for the difference in the cost of credit hours under the university plan and the county college plan for the number of credit hours converted to the county college plan. Each qualified beneficiary shall be classified as a resident for tuition purposes regardless of his actual legal residence during the period in which benefits under the program are being utilized.

b. In addition to the plans required pursuant to subsection a. of this section, the board may make advance payment contracts available for other plans, such as the county college plus university plan whereby the advance payment contract would provide tuition that would allow a qualified beneficiary to attend a county college for an associate degree and then attend a four-year public institution of higher education for a baccalaureate degree.

c. The board shall establish procedures for conversions between plans established under the program. The procedures shall include, but not be limited to, the conditions under which a conversion may occur and the method for calculating any refund due.

d. A qualified beneficiary may apply a county college plan or a university plan toward any eligible independent institution of higher education. The board shall transfer or cause to have transferred to the eligible independent institution of higher education designated by the qualified beneficiary an amount not to exceed the weighted average tuition purchased under the advance payment contract. In the event that the cost of
tuition at the eligible independent institution of higher education is less than the weighted average tuition purchased under the advance payment contract, the amount transferred shall not exceed the actual cost of tuition. A transfer authorized pursuant to this subsection shall not exceed the number of credit hours contracted on behalf of a qualified beneficiary.

e. A qualified beneficiary may apply the benefits of an advance payment contract toward an eligible out-of-State institution of higher education. Institutional eligibility for out-of-State institutions of higher education shall be determined by the board, but in making those determinations the board shall recognize that the benefits may only be used at an out-of-State institution of higher education whose students are eligible to receive benefits under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.529. The board shall transfer or cause to have transferred to the eligible out-of-State institution of higher education designated by the qualified beneficiary an amount not to exceed the weighted average tuition purchased under the advance payment contract. In the event that the cost of tuition at the eligible out-of-State institution of higher education is less than the weighted average tuition purchased under the advance payment contract, the amount transferred shall not exceed the actual cost of tuition. A transfer authorized pursuant to this subsection shall not exceed the number of credit hours contracted on behalf of a qualified beneficiary.

11. a. The board shall determine the conditions under which refunds are payable under the program. Unless authorized by the board or under the provisions of this section, a refund shall not exceed the amount paid into the fund by the purchaser. A refund may exceed the amount paid into the fund in the following circumstances:

(1) if the qualified beneficiary is awarded a scholarship (or allowance or payment described in subparagraph (B) or (C) of paragraph (1) of subsection (d) of section 135 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.135), the terms of which cover the benefits included in the advance payment contracts, moneys paid for the purchase of the advance payment contracts may be returned to the purchaser in enrollment period installments coinciding with the matriculation by the qualified beneficiary in amounts equal to the lesser of the original purchase price plus 5% interest compounded annually, or the weighted average tuition purchased under the advance payment contract; and

(2) in the event of the death or disability of the qualified beneficiary, moneys paid for the purchase of advance payment contracts shall be returned to the purchaser together with 5% interest compounded annually.
b. A refund shall not be authorized through an advance payment contract for any school year partially attended but not completed. For purposes of this subsection, a school year partially attended but not completed means any one enrollment period whereby the student is still enrolled at the conclusion of the official drop-add period, but withdraws before the end of the enrollment period.

c. If a qualified beneficiary does not complete a county college plan or university plan, for reasons other than specified in subsection a. of this section, the purchaser shall receive a refund of the amount paid into the fund for the remaining unattended years of the advance payment contract pursuant to rules promulgated by the board and in accordance with the provisions of section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.529.

C.18A:71B-75 Exemption from creditors.

12. Moneys paid into or out of the fund by or on behalf of a purchaser or qualified beneficiary of an advance payment contract for the purposes of financing the cost of qualified higher education expenses under the program are exempt from all claims of creditors of the purchaser or the beneficiary.

C.18A:71B-76 Remittance of payments through governmental payroll deductions.

13. The State or any State agency, county, municipality, or other political subdivision may, by contract or collective bargaining agreement, agree with any employee to remit payments toward advance payment contracts through payroll deductions made by the appropriate officer or officers of the State, State agency, county, municipality, or political subdivision. The payments shall be held and administered in accordance with this act.

14. If the investment manager is the Division of Investment in the Department of the Treasury, in order to meet the obligations of the board under this act, there shall be paid to the board for deposit in the fund, at the time of distribution, subject to appropriation, such sum, if any, as shall be certified by the chair of the board as necessary to provide that amount at the time of distribution. The chair shall make and deliver to the Governor, or his designee, the certificate stating the sums, if any, required to make available in the fund the amount aforesaid, and the sums so certified shall be appropriated and paid to the board during the then current State fiscal year.

C.18A:71B-78 Discontinuance of program.

15. In the event that the State Treasurer determines the program to be financially infeasible, the State may discontinue the provision of the
program. A qualified beneficiary who has been accepted by and is enrolled or is within five years of enrollment in an institution of higher education shall be entitled to exercise the benefits for which he has contracted. All other contract holders shall receive a refund of the amount paid into the fund.

C.18A:71B-79 Admission to public colleges, guaranteed; requirements.

16. a. A qualified beneficiary who graduates from high school with a 3.0 cumulative grade point average on a 4.0 scale in an academic program or a 3.2 cumulative grade point average on a 4.0 scale in a vocational-educational program, based upon grades in core curriculum content subject areas as determined by the board, or who graduates in the top 15% of his high school graduating class shall be admitted to a public institution of higher education. In order to be admitted to a public institution of higher education pursuant to this section, the qualified beneficiary shall meet all of the institution's requirements for admittance. This provision shall not be construed to promise or guarantee that a qualified beneficiary shall be admitted to a particular public institution of higher education.

b. In order to effectuate the provisions of subsection a. of this section, the board, in consultation with the Commission on Higher Education, shall develop a process to assist qualified beneficiaries in applying to all public institutions of higher education.

C.18A:71B-80 Admission to particular college, continuance not guaranteed; obligation of State limited.

17. a. Nothing in this article shall be construed to guarantee that a qualified beneficiary will be admitted to a particular higher education institution or be allowed to continue enrollment at or graduate from a higher education institution after admission.

b. Nothing in this article shall establish any obligation or liability on the part of this State or any agency or instrumentality of this State with respect to any federal or State tax liability of any contributor or designated beneficiary in this program.

c. Under regulations promulgated by the board, every contract and application that may be used in connection with the program shall clearly indicate that the contract is not insured by this State, other than as set forth in sections 14 and 15 of P.L.2001, c.262 (C.18A:71B-77 and C.18A:71B-78).

18. N.J.S.18A:71B-40 is amended to read as follows:
Chapter 262, Laws of 2001

Selection of investment manager:

18A:71B-40. a. The authority shall select an investment manager or managers to invest the funds of the trust or the funds in accounts. In making this selection, any investment manager shall be subject to the "prudent person" standard of care applicable to the Division of Investment in the Department of the Treasury pursuant to subsection b. of section 11 of P.L.1950, c.270 (C.52:18A:89), and the authority shall consider the impact of fees and costs imposed by the manager or managers on yield to contributors.

b. The authority may select more than one investment manager and investment instrument for the program if it is in the best interest of contributors and will not interfere with the administration of the program.

c. The authority may provide a contributor with a choice of investment managers or investment instruments or both for the program if both of the following conditions exist:
   (1) the federal Internal Revenue Service has provided guidance that providing a contributor with a choice of investment managers or instruments under a State tuition program will not cause the program to fail to qualify for favorable tax treatment under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529; and
   (2) the authority concludes that a choice of investment managers or of investment instruments is in the best interest of contributors and will not interfere with the administration of the program.

d. the authority terminates the designation of an investment manager to hold accounts, and accounts must be moved from that investment manager to another investment manager, the authority shall select the investment manager and type of investment instrument to which the balance of the account is moved, unless the federal Internal Revenue Service provides guidance that allowing the contributor to select among several investment managers or investment instruments that have been selected by the authority would not cause a program to cease to be a qualified State tuition program for the purposes of section 529 of the federal Internal Revenue Code, 26 U.S.C.s.529.

e. If the selection process provided for in this section results in an investment manager other than the Division of Investment, the authority shall provide for the orderly transfer of accounts and shall ensure that all the rights of the contributors and designated beneficiaries participating in the program as of the effective date of P.L.2001, c.262 (C.18A:71B:64 et al.), are protected.

19. N.J.S.18A:71B-44 is amended to read as follows:

18A:71B-44. a. If the investment manager is the Division of Investment in the Department of the Treasury, in order to assure the availability of principal of any amount contributed under this article, there shall be paid to the authority for deposit in the trust, at the time of distribution, subject to appropriation, such sum, if any, as shall be certified by the chair of the authority as necessary to provide that amount at the time of distribution. The chair shall make and deliver to the Governor, or his designee, the certificate stating the sums, if any, required to make available in the trust the amount aforesaid, and the sums so certified shall be appropriated and paid to the authority during the then current State fiscal year.

b. If the investment manager is a private entity, the investment of the principal and interest of any amount contributed under this article shall be made in accordance with an investment plan approved by the State Investment Council in the Division of Investment.

C.18A:71B-41.1 Exemption from claims of creditors for NJBEST accounts.

20. Moneys paid into or out of an NJBEST account by or on behalf of a contributor or designated beneficiary for the purposes of financing the cost of qualified higher education expenses under this article are exempt from all claims of creditors of the contributor or the designated beneficiary.

21. Section 13 of P.L.1997, c.237 (C.54A:6-25) is amended to read as follows:

C.54A:6-25 State tuition programs, education; distributions, certain, excluded from gross income.

13. a. a. A written requisition for the performance of such work or the furnishing of materials or supplies, certified by the employee in charge of the building, facility or equipment where the emergency occurred, is filed with the contracting agent or his deputy in charge, describing the nature of the emergency, the time of its occurrence, and the need for invoking this section. The contracting agent, or his deputy in charge, being satisfied that the emergency exists, is hereby authorized to award a contract for said work, materials or supplies.

5. Section 25 of P.L.1982, c.189 (C.18A:64A-25.25) is amended to read as follows:

C.18A:64A-25.25 Cost over threshold level; separate plans and specifications; bids; advertisement; award of contract; payment to subcontractor.

25. In the preparation of plans and specifications for the construction, alteration or repair of any building by a county college, when the entire cost of the work and materials will exceed $25,000 or, commencing January 1, 2003, the amount determined pursuant to subsection b. of section 3 of P.L.1982, c.189 (C.18A:64A-25.3), separate plans and specifications may be prepared for each of the following to include all work and materials related thereto or to be performed or furnished in connection therewith:

(a) The plumbing and gas fitting work;
(b) The heating and ventilating systems and equipment;
(c) The electrical work, including any electrical power plants;
(d) The structural steel and ornamental iron work;
(e) All other work and materials required for the completion of the project.

The contracting agent shall advertise for and receive in the manner provided by law (1) separate bids for each of the foregoing categories (a) through (e), or (2) bids for all work and materials required to complete the entire project, if awarded as a single contract, or (3) both. All bids submitted shall set forth the name or names of, and evidence of performance security from, all subcontractors to whom the bidder will subcontract the work described in the foregoing categories (a) through (e).

Contracts shall be awarded to the lowest responsible bidder. In the event that a contract is advertised in accordance with (3) above, the contract shall be awarded in the following manner: if the sum total of the amounts bid by the lowest responsible bidder for each category (a) through (e) is less than the amount bid by the lowest responsible bidder for all the work and materials, the county college shall award separate contracts for each of such categories to the lowest responsible bidder therefor, but if the sum total of the amount bid by the lowest responsible bidder for each category is not less than the amount bid by the lowest responsible bidder for all the work and materials, the county college shall award a single contract to the lowest responsible bidder for all of such work and materials. In every case in which a contract is awarded under (2) above, all payments required to be made under the contract for work and materials supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

b. Notice of the date, time and place of the public sale, together with a description of the items to be sold and the conditions of sale shall be
published once in a legal newspaper. Such sales shall be held not less than seven nor more than 14 days after the publication of the notice thereof.

c. Personal property may be sold to the United States, the State of New Jersey, another county college or to any body politic by private sale without advertising for bids.

d. If no bids are received, the property may then be sold at private sale without further publication or notice thereof but in no event at less than the estimated fair value; or the county college may, if it so elects, reoffer the property at public sale. As used herein, "estimated fair value" means the market value of the property if sold by a willing seller to a willing buyer less the cost to the college of continuing to store or maintain such property.

e. A county college may reject all bids if it determines such rejection to be in the public interest. In any case in which the college has rejected all bids, it may readvertise such personal property for a subsequent public sale. If it elects to reject all bids at a second public sale pursuant to this section, it may then sell such personal property without further publication or notice thereof at private sale, provided that in no event shall the negotiated price at the private sale be less than the amount of the highest bid rejected at the preceding two public sales, and provided further that in no event shall the terms or conditions of sale be changed or amended.

f. If the estimated fair value of the property to be sold does not exceed $25,000 or, commencing January 1, 2003, the amount determined pursuant to subsection b. of section 3 of P.L.1982, c.189 (C.18A:64A-25.3) in any one sale or the property consists of perishable goods, it may be sold at private sale without advertising for bids.

g. Notwithstanding the provisions of this section, by resolution of the board of trustees, a purchasing agent may include a sale of personal property no longer needed for county college purposes as part of specifications to offset the price of a new purchase.

7. Section 28 of P.L.1982, c.189 (C.18A:64A-25.28) is amended to read as follows:

2. Section 32 of P.L.1996, c.157 (C.17:11C-32) is amended to read as follows:

C.17:11C-32 Consumer loans permitted by licensees, terms.

32. a. Notwithstanding the provisions of R.S.31:1-1 or any other law to the contrary, every licensee authorized to engage in the consumer loan business may loan any sum of money not exceeding $50,000, repayable in an installment or installments, and may charge, contract for and receive thereon interest at an annual percentage rate or rates agreed to by the licensee and the borrower.

b. A closed-end consumer loan contract may provide for a variation in the interest rate in which adjustments to the interest rate shall correspond directly to the movement of an interest rate index which is readily available to and verifiable by the borrower and is beyond the control of the lender. No increase during the entire loan term shall result in an interest rate of more than 6% per annum over the rate applicable initially, nor shall the rate be raised more than 3% per annum during any 12-month period. The lender shall not be obligated to decrease the interest rate more than 6% over the term of the loan, nor more than 3% per annum during any 12-month period. If a rate increase is applied to the loan, the lender shall also be obligated to adopt and implement uniform standards for decreasing the rate. If the contract provides for the possibility of an increase or decrease or both in the rate, that fact shall be clearly described in plain language, in at least 8-point bold face type on the face of the contract. No rate increase shall take effect unless (1) at least 90 days prior to the effective date of the first such increase, or 30 days prior to the effective date of any subsequent increase, a written notice has been mailed or delivered to the borrower that clearly and conspicuously describes such increase, and (2) unless at least 365 days have elapsed without any increase in the rate. Where the loan contract so provides for an increase or decrease in the rate of interest, the installments may vary in amount, notwithstanding any other law to the contrary, except
that if the rate increases, the borrower may request, and the lender shall provide for, either an increase in the amount of the installment payment or an extension of the term of the loan, or some combination of an increase in the amount of the installment payment and extension of the term.

c. An open-end loan agreement may provide that the lender may at any time, or from time to time, change the terms of the agreement, including the terms governing the periodic interest rate, calculation of interest or the method of computing the required amount of periodic installment payments, provided however, that:

(1) the periodic interest rate shall not be changed more than once in each billing cycle;

(2) any change in the periodic interest rate shall correspond to the movement of a market interest rate index specified in the agreement which is readily verifiable by the borrower and beyond the control of the lender;

(3) a change in any term of the agreement, including the periodic interest rate, may be permitted to apply to any then-outstanding unpaid indebtedness in the borrower's account, including any indebtedness which shall have arisen from advances obtained prior to the effective date of the change, so long as that fact is clearly and conspicuously disclosed in the agreement;

(4) if the agreement provides for the possibility of a change in any term of the agreement, including the rate, that fact shall be clearly described in plain language, in at least 8-point bold face type on the face of the written notice; and

(5) no change in any term of the agreement or of the index specified in the agreement shall be effective unless: (a) at least 30 days prior to the effective date of the change, a written notice has been mailed or delivered to the borrower that clearly and conspicuously describes the change and the indebtedness to which it applies, and states that the incurrence by the borrower or another person authorized by him of any further indebtedness under the law to which the agreement relates on or after the effective date of the change specified in the notice shall constitute acceptance of the change; and (b) either the borrower agrees in writing to the change or the borrower or another person authorized by him incurs further indebtedness on or after the effective date of the change stated in that notice, which indebtedness may include outstanding balances. Any borrower who fails to use the borrower's account or so to indicate agreement to the change shall be permitted to pay the outstanding unpaid indebtedness in the borrower's account in accordance with the terms governing the open-end consumer loan agreement without giving effect to the change.

d. The consumer lender shall notify each affected borrower in a consumer loan agreement of any change in the manner set forth in the
closed-end and open-end agreement governing the plan and in compliance with the requirements of the federal "Truth in Lending Act" (15 U.S.C.s.1601 et seq.) and regulations promulgated thereunder, as in effect from time to time, if applicable.

e. The interest and periodic payments for consumer loans at these rates shall be computed from the standard tables based on the actuarial or annuity method which conforms to the so-called "United States Rule of Partial Payments," which provides that interest shall be calculated whenever a payment is made and the payment shall be first applied to the payment of interest and if it exceeds the interest due, the balance is to be applied to diminish principal. If the payment is insufficient to pay the entire amount of interest, the balance of interest due shall not be added to principal, so as to produce interest thereon.

f. No interest on a consumer loan shall be paid, deducted, or received in advance. Interest shall not be compounded and shall be computed only on unpaid principal balances. For the purpose of computing interest, all installment payments shall be applied on the date of receipt, and interest shall be charged for the actual number of days elapsed at the daily rate of 1/365 of the yearly rate.

g. No consumer lender shall induce or permit any person nor any husband and wife, jointly or severally, to become obligated, directly or contingently or both, under more than one contract of a consumer loan at the same time for the purpose of obtaining a higher rate of interest than would otherwise be permitted by this section. This prohibition shall not apply to any loan made pursuant to any other law of this State.

3. Section 37 of P.L.1996, c.157 (C.17:11C-37) is amended to read as follows:

C.17:11C-37 Prohibited charges for large consumer loans.

37. No licensee authorized to engage in the consumer loan business shall directly or indirectly charge, contract for, or receive any interest, discount, or consideration greater than he would be permitted by law to charge if he were not a licensee under this act upon the loan, use, or sale of credit, of the amount or value of more than $50,000. The foregoing prohibition shall also apply to any licensee who permits any person, as borrower or as indorser, guarantor, or surety for any borrower, or otherwise, to owe directly or contingently or both under one or more loan contracts to the licensee at any time the sum of more than $50,000 for principal.

4. Section 38 of P.L.1996, c.157 (C.17:11C-38) is amended to read as follows:
C.17:11C-38 Certain payments deemed loan secured by assignment.
38. The payment of $50,000 or less in money, credit, goods or things in action, as consideration for any sale, assignment or order for the payment of wages, salary, commissions or other compensation for services, whether earned or to be earned, shall, for the purposes of this act, be deemed a loan secured by the assignment. The transaction shall be governed by and subject to the provisions of this act and any such sale, assignment or order hereafter made shall, for the purposes of this act, be void and of no effect.

5. Section 40 of P.L.1996, c.157 (C.17:11C-40) is amended to read as follows:

C.17:11C-40 Loans secured by property.
40. The payment of $50,000 or less in money, credit, goods or things in action as consideration for any sale of personal property which is made on condition that the property be sold back at a greater price shall, for the purposes of this act, be deemed to be a loan secured by the property and the amount by which the repurchase price exceeds the original payment actually paid shall be deemed interest or charges upon the loan from the date the original payment is made until the date the repurchase price is paid. The transaction shall be governed by and be subject to the provisions of this act as if it were a consumer loan.

6. Section 41 of P.L.1996, c.157 (C.17:11C-41) is amended to read as follows:

C.17:11C-41 Consumer lenders, prohibited practices.
41. a. No consumer lender shall make any loan upon security of any assignment of or order for the payment of any salary, wages, commissions or other compensation for services earned, or to be earned, nor shall any such assignment or order be taken by a licensee at any time in connection with any consumer loan, or for the enforcement or repayment thereof, and any such assignment or order hereafter so taken or given to secure any loan made by any licensee under this act shall be void and of no effect.

b. No consumer lender shall take a lien upon real estate as security for any consumer loan, except a lien created by law upon the recording of a judgment.

c. No licensee shall conduct the consumer loan business within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction therewith, except as may be authorized in writing by the commissioner.
d. Every multiple installment consumer loan contract, other than an open-end consumer loan contract or a variable rate closed-end consumer loan contract under subsection b. of section 32 of this act, shall provide for repayment of principal and interest combined in installments which shall be payable at approximately equal periodic intervals of time and which shall be so arranged that no installment is substantially greater in amount than any preceding installment, except that the repayment schedule may reduce or omit installments when necessary because of the seasonal nature of the borrower's income.

e. No person, except as authorized by this act, shall directly or indirectly charge, contract for, or receive any interest, discount, or consideration greater than the lender would be permitted by law to charge if he were not a licensee hereunder upon the loan, use, or forbearance of money, goods, or things in action, or upon the loan, use, or sale of credit of the amount of $50,000 or less. This prohibition shall apply to any person who, by any device, subterfuge, or pretense, shall charge, contract for, or receive greater interest, consideration, or charges than is authorized by this act for the loan, use, or forbearance of money, goods, or things in action or for the loan, use, or sale of credit.

f. No consumer loans of the amount or value of $50,000 or less for which a greater rate of interest, consideration, or charge than is permitted by this act has been charged, contracted for, or received, whenever made, shall be enforced in this State and any person, partnership, association or corporation in any way participating therein in this State shall be subject to the provisions of this act. The foregoing shall not apply to loans legally made in any state which then has in effect a regulatory small loan law similar in principle to this act, but an action to enforce any loan made in any state to a person then residing in this State may be maintained in this State only if the amount of interest, discount, consideration or other charge for that loan, demanded to be paid in the action, does not exceed that permitted to a licensee authorized to engage in the consumer loan business by this act for a loan of the same amount repayable in the same manner.

7. This act shall take effect immediately.

Approved December 31, 2001.

CHAPTER 297

AN ACT prohibiting excessive price increases at certain times and supplementing P.L. 1960, c. 39 (C. 56:8-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.56:8-107 Findings, declarations relative to excessive price increases at certain times.

1. The Legislature finds and declares that during emergencies and major disasters, including, but not limited to, earthquakes, fires, floods or civil disturbances, some merchants have taken unfair advantage of consumers by greatly increasing prices for certain merchandise. While the pricing of merchandise is generally best left to the marketplace under ordinary conditions, when a declared state of emergency results in abnormal disruptions of the market, the public interest requires that excessive and unjustified price increases in the sale of certain merchandise be prohibited. It is the intention of the Legislature to prohibit excessive and unjustified price increases in the sale of certain merchandise during declared states of emergency in New Jersey.

C.56:8-108 Definitions relative to excessive price increases at certain times.

2. As used in this act:

"Excessive price increase" means a price that is excessive as compared to the price at which the consumer good or service was sold or offered for
sale by the seller in the usual course of business immediately prior to the state of emergency. A price shall be deemed excessive if:

(1) The price exceeds by more than 10 percent the price at which the good or service was sold or offered for sale by the seller in the usual course of business immediately prior to the state of emergency, unless the price charged by the seller is attributable to additional costs imposed by the seller’s supplier or other costs of providing the good or service during the state of emergency;

(2) In those situations where the increase in price is attributable to additional costs imposed by the seller’s supplier or additional costs of providing the good or service during the state of emergency, the price represents an increase of more than 10 percent in the amount of markup from cost, compared to the markup customarily applied by the seller in the usual course of business immediately prior to the state of emergency.

"State of emergency" means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

C.56:8-109 Unlawful practice to sell merchandise at excessive price during emergency.

3. It shall be an unlawful practice for any person to sell or offer to sell during a state of emergency or within 30 days of the termination of a state of emergency, in the area for which the state of emergency has been declared, any merchandise which is consumed or used as a direct result of an emergency or which is consumed or used to preserve, protect, or sustain the life, health, safety or comfort of persons or their property for a price that constitutes an excessive price increase.

4. This act shall take effect immediately.

Approved January 2, 2002.

c. In 1998, students who were ages 12 through 18 were victims of more than 2.7 million crimes at school;
d. There were also 60 school-associated violent deaths in the United States during the 1997-98 school year, including 47 homicides;

f. It is in the public interest of this State to designate a week in October of each year as "School Violence Awareness Week" to provide students, parents, school district and law enforcement personnel with an opportunity to discuss methods to keep our schools safe from violence, to create school safety plans, and to recognize those students in need of help.

C.18A:36-5.1 "School Violence Awareness Week"; designated.

2. The week beginning with the third Monday in October of each year is designated as "School Violence Awareness Week" in the State of New Jersey. Law enforcement personnel shall be invited to join members of the teaching staff in the discussions. Programs shall also be provided for school board employees that are designed to help them recognize warning signs of school violence and to instruct them on recommended conduct during an incident of school violence. The public hearing on violence and vandalism, required pursuant to section 1 of P.L.1982, c.163 (C.18A:17-46) as amended by P.L.2001, c.299, shall be held during this week. The Department of Education shall provide guidelines and information to boards of education for use in planning the activities in observance of the week and such funds as are necessary to pay the costs of the required activities and programs.

Verification of the annual report on violence and vandalism shall be part of the State's monitoring of the school district, and the State Board of Education shall adopt regulations that impose a penalty on a school employee who knowingly falsifies the report. A board of education shall provide ongoing staff training, in cooperation with the Department of Education, in fulfilling the reporting requirements pursuant to this section. The majority representative of the school employees shall have access monthly to the number and disposition of all reported acts of school violence and vandalism.

The board of education shall file the transcript of the public hearing with the Division of Student Services in the Department of Education by November 1. The division shall review the transcript to ensure compliance with this section of law. 4. R.S.27:19-31 is amended to read as follows:

Financing of purposes, powers of bridge commission.

27:19-31. (A) To finance any of the purposes or powers provided for in this article, the bridge commission shall from time to time first determine which bridge or bridges, project or projects are to be constructed, acquired, improved or replaced and, for any project which the county unconditionally guarantees the punctual payment of the principal of and interest on any bonds of the commission, seek approval or consent of the board or boards of chosen freeholders for such projects, and upon receiving such approval or consent, or whenever deemed by it necessary or desirable for the purpose of funding or refunding its bonds, notes or other indebtedness or providing funds or reserves for payment or security of any indebtedness including interest or redemption premiums thereon due or to accrue, such commission shall be authorized to issue its bonds, notes or other evidences of indebtedness. The commission may issue such types of bonds, notes or other evidences of indebtedness as it may determine including, without limitation, bonds, notes and other evidence of indebtedness on which the principal and interest are payable: (1) exclusively from the income and revenues or facility charges of the project financed with the proceeds of such obligations; (2) exclusively from the income and revenues or facility charges of certain designated projects whether or not they are financed in whole or in part with the proceeds of such obligations; or (3) from its revenues generally. In addition, such bonds, notes and other evidence of indebtedness may be secured by a pledge of any grant or contribution from any governmental unit or person or a pledge of any income or revenues of the commission from any source whatsoever, or by a lien, mortgage or pledge upon any one or more of its bridges, approaches or all or any part of the real or personal
property of the commission, including property which is acquired, improved, constructed, financed or refinanced by the proceeds of such bonds, or upon the tolls to be received in the operation of any one or more of such bridges, approaches or other properties or any other income or receipts of the commission, or upon any combination of any of the foregoing. No county other than a county which in accordance with paragraph (B) of this section shall have guaranteed payment of the principal of and interest on any such bonds shall incur any indebtedness of any kind or nature or pledge credit, taxes or taxing power, or any part thereof, in support of such principal and interest.

(B) For the purpose of aiding a commission in the accomplishment of any of the purposes or powers provided for in this article and in marketing any of its bonds, refunding or otherwise, the county which created it may, pursuant to resolution duly adopted by its board of chosen freeholders in the manner provided for adoption of a bond ordinance as provided in the Local Bond Law (N.J.S., Title 40A, chapter 2) and with or without consideration and upon such terms and conditions as may be agreed to by and between the county and the commission, unconditionally guarantee the punctual payment of the principal of and interest on any bonds of the commission. Any guaranty of bonds of a commission made pursuant to this section shall be evidenced by endorsement thereof on such bonds, executed in the name of the county and on its behalf by such officer thereof as may be designated in the resolution authorizing such guaranty, and such county shall thereupon and thereafter be obligated to pay the principal of and interest on said bonds in the same manner and to the same extent as in the case of bonds issued by it. Any such guaranty of bonds of a commission may be made, and any resolution authorizing such guaranty may be adopted, notwithstanding any statutory debt or other limitations, including particularly any limitation or requirement under or pursuant to said Local Bond Law, but the principal amount of bonds so guaranteed, shall, after their issuance, be included in the gross debt of such county for the purpose of determining the indebtedness of such county under or pursuant to said Local Bond Law. The principal amount of said bonds so guaranteed and included in gross debt shall be deducted and is hereby declared to be and to constitute a deduction from such gross debt under and for all the purposes of said Local Bond Law (a) from and after the time of issuance of said bonds until the end of the third fiscal year beginning next after such time of issuance and (b) in any annual debt statement filed pursuant to said Local Bond Law as of the end of said fiscal year or any subsequent fiscal year if the revenues or other receipts or moneys of the commission in such year are sufficient to pay its expenses of operation and maintenance in such year and all amounts payable in such
year on account of the principal and interest on all such guaranteed bonds and any other bonds of the commission issued under this article.

5. R.S.27:19-32 is amended to read as follows:

Bonds of bridge commission.

27:19-32. The bonds, notes or other evidences of indebtedness (hereinafter in this section called "bonds") issued by such bridge commissions shall bear interest at such rate or rates per annum which may be fixed or may change, at such time or times and according to such formula or method of determination, payable at such times, and may be sold at either private or public sale, to any person or governmental unit, as the commissions shall determine. Such commissions shall provide the form of such bonds and shall fix the denominations, place or places of payment of principal and interest, the terms and conditions and do all other things that may be necessary for the proper execution and delivery of said bonds.

The proceeds from the sale of any such bonds of a commission shall be deposited and used as provided in any contract or agreement of the commission relative thereto or in the resolution authorizing such bonds, or if not so provided, then as the commission shall direct and solely for the purposes for which such bonds were issued, to be drawn over the signatures of the chairman or vice-chairman, the secretary and the treasurer of the commission, with the surplus, if any, to be paid into the fund hereinafter provided for the payment of the principal and interest of such bonds.

This article authorizes any commission, subject to the terms of any contract or agreement of the commission, to charge tolls for the use of any one or more of the bridges operated by it or of less than all of such bridges, to charge any such tolls in order to make or secure the payment of any bonds issued by it whether or not the bridge or bridges financed by the issuance of such bonds are subject to tolls imposed by the commission or are still operated by the commission, and to charge any such tolls in order to accumulate reserves for application in future to payment of principal or interest on bonds issued by it or of costs of
undertaking or accomplishing any of the purposes or powers provided in this article.

The facility charges fixed, charged and collected by the commission with respect to any project shall comply with the terms of any lease or other agreement of the commission with regard to such project, and the facility charges fixed, charged and collected by the commission may be so adjusted that the revenues of the commission will at all times be adequate to pay all expenses of the commission, including the expense of operation and maintenance of any project or other property owned or controlled by the commission, including insurance, improvements, replacements, reconstruction and any other required payments, and to pay the principal of and interest on any bonds, and to maintain such reserves or sinking funds for any of the foregoing purposes as may be required by the terms of any lease or other agreement of the commission or as may be deemed necessary or convenient and desirable by the commission.

All bonds of a bridge commission shall be authorized by resolution of the commission. Any such resolution may contain provisions, and the commission, in order to secure the payment of such bonds and in addition to its other powers, shall have power to agree by provision in such resolution with the several holders of such bonds, and to make, enter into and perform covenants and agreements, as to

a. the custody, security, use, expenditure or application of the proceeds of any bonds;

d. payment of the principal of or interest on any bonds, and the sources and methods thereof, the rank or priority of any bonds as to any lien or security, or the acceleration of the maturity of any bonds;

e. the use and disposition of any moneys of the commission, including revenues (hereinafter in this section sometimes called "bridge revenues") derived or to be derived from the operation of all or any part of any bridge or bridges or approaches thereto or revenues (hereinafter in this section sometimes called "facility revenues") derived or to be derived from the operation of any project authorized by this article, including any parts thereof theretofore constructed or acquired and any parts, extensions, replacements or improvements thereof thereafter constructed or acquired;
f. pledging, setting aside, depositing or trusteeing all or any part of any bridge revenues, facility revenues or other moneys of the commission and mortgaging, pledging, or otherwise encumbering all or any part of the commission’s real or personal property, then owned or acquired, to secure the payment of the principal of or interest on any bonds, or the payment of expenses of operation or maintenance of any bridge or bridges or approaches thereto or any project authorized by this article;

g. the setting aside out of any bridge revenues, facility revenues or other moneys of the commission of reserves and sinking funds, and the source, custody, security, regulation, application and disposition thereof;

h. determination or definition of the bridge revenues, facility revenues, or of the expenses of operation and maintenance of any bridge or bridges or approaches thereto or any project authorized by this article;

i. the rates, tolls, rents, fares, fees, facility charges or other charges in connection with, for the use or services of, or for passage over or through or the use of, or otherwise relating thereto, any bridge or bridges or approaches thereto or any project authorized by this article, including any parts thereof theretofore constructed or acquired and any parts, extensions, replacements or improvements thereof thereafter constructed or acquired, and the fixing, establishment, collection and enforcement of the same, the amount or amounts of bridge revenues or facility revenues to be produced thereby, and the disposition and application of the amounts charged or collected;

j. the assumption or payment or discharge of any indebtedness, liens or other claims relating to any part of any bridge or bridges or approaches thereto or any project authorized by this article or any obligations constituting or which may constitute a lien on any part of the bridge revenues or facility revenues;

k. limitations on the issuance of additional bonds, notes or other evidences of indebtedness or on the incurrence of indebtedness of the commission;

l. limitations on the powers of the commission to construct, acquire or operate, or permit the construction, acquisition or operation of, any structures, facilities or properties which may compete or tend to compete with any bridge or bridges or approaches thereto or any project authorized by this article;

m. payment of costs or expenses incident to the enforcement of any bonds or of the provisions of such resolution or of any covenant or agreement with the holders of any bonds;

n. the procedure, if any, by which the terms of any covenant or agreement with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given or evidenced; or
o. any other matter or course of conduct which, by recital in such resolution, is declared to further secure the payment of the principal of or interest on the bonds.

All such provisions of said resolution and all such covenants and agreements shall constitute valid and legally binding contracts between the commission and the several holders of the bonds, regardless of the time of issuance of such bonds, and shall be enforceable by any such holder or holders by appropriate action or proceeding, including a proceeding in lieu of prerogative writ, in any court of competent jurisdiction.

6. Section 11 of P.L.1946, c.318 (C.27:19-32.1) is amended to read as follows:

10. Any governmental unit or person is hereby empowered to enter into and perform any lease or other agreement with the commission for the lease to or use by such governmental unit or person of all or any part of any project. CHAPTER 303

AN ACT concerning the school curriculum and supplementing chapter 35 of Title 18A of the New Jersey Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known as the "AIDS Prevention Act of 1999."

C.18A:35-4.20 Sex education programs to stress abstinence.
2. Any sex education that is given as part of any planned course, curriculum or other instructional program and that is intended to impart information or promote discussion or understanding in regard to human sexual behavior, sexual feelings and sexual values, human sexuality and reproduction, pregnancy avoidance or termination, HIV infection or sexually transmitted diseases, regardless of whether such instruction is described as, or incorporated into a description of "sex education," "family life education," "family health education," "health education," "family living," "health," "self esteem," or any other course, curriculum program or goal of education, and any materials including, but not limited, to handouts, speakers, notes or audiovisuals presented on school property concerning methods for the prevention of acquired immune deficiency syndrome (HIV/AIDS), other sexually transmitted diseases and of avoiding pregnancy, shall stress that abstinence from sexual activity is the only completely reliable means of eliminating the sexual transmission of HIV/AIDS and other sexually transmitted diseases and of avoiding pregnancy.

5. This act shall take effect immediately.

Approved January 2, 2002.
C.26:2Y-1 Short title.
1. This act shall be known and may be cited as the "New Jersey Adult Family Care Act."

C.26:2Y-2 Findings, declarations relative to adult family care.
2. The Legislature finds and declares that:
   a. In the absence of appropriate housing with supportive services, many elders or people with physical disabilities are often subject to inappropriate, premature, or overextended institutionalization. This results in the overutilization of costly services and the negative impact of the institutional environment on the individual's emotional and physical well-being. A need exists to fill this gap in the housing continuum between independent living and institutionalization for those elders and physically disabled citizens who are in need of shelter and services to remain in the community.
   b. Adult family care has proven to be a successful and cost-effective means of fulfilling basic shelter and everyday service needs of elders and physically disabled adults, thereby enabling them to preserve their independence, choice and dignity in a secure environment.
   c. Therefore, it is the policy of this State to promote the health, safety and welfare of its elderly and physically disabled citizens by encouraging the development of adult family care homes for elders and physically disabled adults and to provide for the licensing of caregivers and regulation of such adult family care homes by the Department of Health and Senior Services.

C.26:2Y-3 Definitions relative to adult family care.
3. As used in this act:
   "Activities of daily living" or "ADL" means functions and tasks for self-care which are performed either independently or with supervision or assistance, which include, but are not limited to, mobility, transferring, walking, grooming, bathing, dressing and undressing, eating and toileting.
   "Adult family care" means a 24-hour per day living arrangement for persons who, because of age or physical disability, need assistance with activities of daily living, and for whom services designed to meet their
individual needs are provided by licensed caregivers in approved adult family care homes.

"Adult family care caregiver" means a person licensed to provide care and services in the daily operation of an adult family care home, but does not include the owner or lessor of the building in which the adult family care home is situated unless the owner or lessor is also the provider of care and services in the adult family care home.

"Adult family care home" means a residence regulated by the department and housing no more than three clients, in which personal care and other supportive services are provided by an individual who has been licensed by the department as an adult family care caregiver. "Adult family care home" shall not include a rooming or boarding house used and operated under license of the Department of Community Affairs pursuant to P.L.1979, c.496 (C.55:13B-1 et seq.).

"Adult family care sponsor agency" means an entity licensed by the department to administer an adult family care program within a given area, which provides essential administrative and clerical support services to two or more caregivers, and which shall not be considered to be a health care facility as defined in section 2 of P.L.1971, c.136 (C.26:2H-2).

"Client" means an elder or person with physical disabilities enrolled in adult family care.

"Commissioner" means the Commissioner of Health and Senior Services.

"Elder" means a person sixty years of age or older.

C.26:2Y-4 Licensing required for operation of adult family care home.

4. a. No person may operate an adult family care home unless the person is licensed as an adult family care caregiver in accordance with this act. A person may not be licensed as an adult family care caregiver unless that person owns or rents the home that is to be utilized as an adult family care home, resides in that home on a full-time basis and has resided in the municipality in which the adult family care home is located for one year prior to the granting of an initial license.

b. Application for licensure as an adult family care caregiver shall be made upon forms prescribed by the department. The department shall charge a single, non-refundable fee for the filing of an application for the issuance of a license and a single, non-refundable fee for any renewal thereof, as it shall from time to time fix in rules or regulations, except that neither fee shall exceed $200.

c. The department shall issue a license as an adult family care caregiver to an applicant if it finds that:
(1) the applicant and the adult family care home identified in the application are fit and adequate, in accordance with the qualifications and standards established by regulation of the commissioner; 
(2) there is reasonable assurance that care will be provided to clients in the manner required by this act and any rules or regulations adopted pursuant thereto; and 
(3) there are sufficient indicia of fiscal responsibility such that the applicant will be able to maintain residence at the adult family care home with minimal likelihood of eviction or mortgage foreclosure during the term of licensure.

All licenses issued by the department shall be effective for up to two years from the date of issuance unless revoked in accordance with the provisions of this act.

d. An adult family care caregiver license shall specify both the name of the licensee and the location of the particular home in which clients will be housed. An adult family care caregiver’s license is not transferable and shall apply only to the location and person indicated on the license.

e. Upon issuance of a license to an adult family care caregiver, the department shall provide a copy of the license to the municipality in which the adult family care home is located.

f. Upon receipt of a license as an adult family care caregiver, the caregiver shall provide notification of the license to the police department, fire department and ambulance corps that serve the municipality in which the adult family care home is located for their planning purposes.

g. For three years following the date of this act, a licensed caregiver shall operate under a contractual agreement with an adult family care sponsor agency to provide services to individuals enrolled in adult family care. At the end of this three-year period, the department may extend this requirement, at its discretion, by regulation.

C.26:2Y-5 Criminal history record background check for applicants for licensure as adult family caregiver.

5. a. The department shall establish a program to check the criminal history record background of any applicant for licensure as an adult family care caregiver as well as any person who may act as a substitute caregiver, as defined by regulation of the commissioner, and any non-client 18 years of age or above who resides in the adult family care home. The criminal history record background check shall include the exchange of fingerprint data with, and the receipt of criminal history record information from, the Federal Bureau of Investigation and the Division of State Police.

b. A person shall be disqualified from being licensed as an adult family care caregiver or acting as a substitute caregiver if the check of his criminal
history record background reveals a conviction for any of the following crimes or offenses, and a home shall be disqualified from being approved as an adult family care home if the criminal history record background check of any non-client 18 years of age or older who resides in the home reveals a conviction for any of the following crimes or offenses:

(1) In New Jersey, any crime or disorderly persons offense:
   (a) involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq., or N.J.S.2C:15-1 et seq.; or

   (e) any other crime or disorderly persons offense substantially related to the qualifications or duties of an adult family care caregiver.

(2) In any other state or jurisdiction, conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

(c) Notwithstanding the provisions of subsection b. of this section to the contrary, an applicant shall not be denied a license when the person found to have a conviction as specified in subsection b. of this section affirmatively provides evidence satisfactory to the department of the person's rehabilitation. In determining the person's rehabilitation, the department shall consider the following factors, as applicable:

(1) the nature and seriousness of the offense;
(2) the circumstances under which the offense occurred;
(3) the date of the offense;
(4) the age of the person when the offense was committed;
(5) whether the offense was an isolated or repeated incident;

and

(7) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the person under their supervision.

d. Upon receipt of the criminal history record and a determination that an applicant should be disqualified from acting as a caregiver or that a home should be disqualified as an adult family care home, the department shall so
notify the applicant in writing. The notice shall specify the convictions upon which the disqualification is based.

C.26:2Y-6 Licensure required for adult family care sponsor agency.

In addition to any licensing fee required under this act, the department may charge an annual, non-refundable fee for inspection of any adult family care home, as shall be established from time to time by regulation of the commissioner.

CHAPTER 307

AN ACT concerning professional licensing boards and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1978, c.73 (C.45:1-18) is amended to read as follows:

C.45:1-18 Investigative powers of boards, director or attorney general.

5. Whenever it shall appear to any board, the director or the Attorney General that a person has engaged in, or is engaging in any act or practice declared unlawful by a statute or regulation administered by such board, or when the board, the director or the Attorney General shall deem it to be in the public interest to inquire whether any such violation may exist, the board or the director through the Attorney General, or the Attorney General acting independently, may exercise any of the following investigative powers:
a. Require any person to file on such form as may be prescribed, a statement or report in writing under oath, or otherwise, as to the facts and circumstances concerning the rendition of any service or conduct of any sale incidental to the discharge of any act or practice subject to an act or regulation administered by the board;

b. Examine under oath any person in connection with any act or practice subject to an act or regulation administered by the board;

c. Inspect any premises from which a practice or activity subject to an act or regulation administered by the board is conducted;

d. Examine any goods, ware or item used in the rendition of a practice or activity subject to an act or regulation administered by the board;

e. Examine any record, book, document, account or paper prepared or maintained by or for any professional or occupational licensee in the regular course of practicing such profession or engaging in such occupation or any individual engaging in practices subject to an act or regulation administered by the board. Nothing in this subsection shall require the notification or consent of the person to whom the record, book, account or paper pertains, unless otherwise required by law;

f. For the purpose of preserving evidence of an unlawful act or practice, pursuant to an order of the Superior Court, impound any record, book, document, account or paper prepared or maintained by or for any board licensee in the regular course of practicing such profession or engaging in such occupation or any individual engaging in practices subject to an act or regulation administered by the board. In such cases as may be necessary, the Superior Court may, on application of the Attorney General, issue an order sealing items or material subject to this subsection; and

g. Require any board licensee, permit holder or registered or certified person to submit to an assessment of skills to determine whether the board licensee, permit holder or registered or certified person can continue to practice with reasonable skill and safety.

In order to accomplish the objectives of this act or any act or regulation administered by a board, the Attorney General may hold such investigative hearings as may be necessary and the board, director or Attorney General may issue subpoenas to compel the attendance of any person or the production of books, records or papers at any such hearing or inquiry.

2. Section 9 of P.L.1978, c.73 (C.45:1-22) is amended to read as follows:
C.45:1-22 Additional, alternative penalties.

9. In addition or as an alternative, as the case may be, to revoking, suspending or refusing to renew any license, registration or certificate issued by it, a board may, after affording an opportunity to be heard:
   a. Issue a letter of warning, reprimand, or censure with regard to any act, conduct or practice which in the judgment of the board upon consideration of all relevant facts and circumstances does not warrant the initiation of formal action;
   b. Assess civil penalties in accordance with this act;
   c. Order that any person violating any provision of an act or regulation administered by such board to cease and desist from future violations thereof or to take such affirmative corrective action as may be necessary with regard to any act or practice found unlawful by the board;
   d. Order any person found to have violated any provision of an act or regulation administered by such board to restore to any person aggrieved by an unlawful act or practice, any moneys or property, real or personal, acquired by means of such act or practice; provided, however, no board shall order restoration in a dollar amount greater than those moneys received by a licensee or his agent or any other person violating the act or regulation administered by the board;
   e. Order any person, as a condition for continued, reinstated or renewed licensure, to secure medical or such other professional treatment as may be necessary to properly discharge licensee functions;
   f. Order any person, as a condition for continued, reinstated or renewed licensure, to submit to any medical or diagnostic testing and monitoring or psychological evaluation which may be required to evaluate whether continued practice may jeopardize the safety and welfare of the public;
   g. Order any person, as a condition for continued, reinstated or renewed licensure, to submit to an assessment of skills to determine whether the licensee can continue to practice with reasonable skill and safety, and to take and successfully complete educational training determined by the board to be necessary;
   h. Order any person, as a condition for continued, reinstated or renewed licensure, to submit to an assessment of skills to determine whether the licensee can continue to practice with reasonable skill and safety, and to submit to any supervision, monitoring or limitation on practice determined by the board to be necessary.

A board may, upon a duly verified application of the Attorney General that either provides proof of a conviction of a court of competent jurisdiction for a crime or offense involving moral turpitude or relating adversely to the regulated profession or occupation, or alleges an act or practice
violating any provision of an act or regulation administered by such board, enter a temporary order suspending or limiting any license issued by the board pending plenary hearing on an administrative complaint; provided, however, no such temporary order shall be entered unless the application made to the board palpably demonstrates a clear and imminent danger to the public health, safety and welfare and notice of such application is given to the licensee affected by such order. If, upon review of the Attorney General’s application, the board determines that, although no palpable demonstration of a clear and imminent danger has been made, the licensee’s continued unrestricted practice pending plenary hearing may pose a risk to the public health, safety and welfare, the board may order the licensee to submit to medical or diagnostic testing and monitoring, or psychological evaluation, or an assessment of skills to determine whether the licensee can continue to practice with reasonable skill and safety.

In any administrative proceeding commenced on a complaint alleging a violation of an act or regulation administered by a board, such board may issue subpoenas to compel the attendance of witnesses or the production of books, records, or documents at the hearing on the complaint.

3. Section 12 of P.L.1978, c.73 (C.45:1-25) is amended to read as follows:

C.45:1-25 Violations, penalties.

12. a. Any person who engages in any conduct in violation of any provision of an act or regulation administered by a board shall, in addition to any other sanctions provided herein, be liable to a civil penalty of not more than $10,000 for the first violation and not more than $20,000 for the second and each subsequent violation. For the purpose of construing this section, each act in violation of any provision of an act or regulation administered by a board shall constitute a separate violation and shall be deemed a second or subsequent violation under the following circumstances:

(1) an administrative or court order has been entered in a prior, separate and independent proceeding;

(2) the person is found within a single proceeding to have committed more than one violation of any provision of an act or regulation administered by a board; or

(3) the person is found within a single proceeding to have committed separate violations of any provision of more than one act or regulation administered by a board.

b. In lieu of an administrative proceeding or an action in the Superior Court, the Attorney General may bring an action in the name of any board
for the collection or enforcement of civil penalties for the violation of any provision of an act or regulation administered by such board. Such action may be brought in summary manner pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.) and the rules of court governing actions for the collection of civil penalties in the municipal court where the offense occurred. Process in such action may be by summons or warrant and in the event that the defendant in such action fails to answer such action, the court shall, upon finding an unlawful act or practice to have been committed by the defendant, issue a warrant for the defendant's arrest in order to bring such person before the court to satisfy the civil penalties imposed. In any action commenced pursuant to this section, the court may order restored to any person in interest any moneys or property acquired by means of an unlawful act or practice.

c. Any action alleging the unlicensed practice of a profession or occupation shall be brought pursuant to this section or, where injunctive relief is sought, by an action commenced in the Superior Court.

d. In any action brought pursuant to this act, a board or the court may order the payment of costs for the use of the State, including, but not limited to, costs of investigation, expert witness fees and costs, attorney fees and costs, and transcript costs.

4. R.S.45:5-9 is amended to read as follows:

Biennial certificate of registration for licensed podiatrist; reinstatement procedure.

45:5-9. a. Every licensed podiatrist shall procure every two years from the executive director of the board, on or before November 1, a biennial certificate of registration, which shall be issued by the executive director upon payment of a fee to be determined by the board. The executive director shall mail to each licensed podiatrist on or before October 1 every two years a printed blank form to be properly filled in and returned to the executive director by such licensed person on or before the succeeding November 1, together with such fee. Upon the receipt of said form properly filled in, and such fee, the biennial certificate of registration shall be issued and transmitted. Every licensed podiatrist who continues the practice of podiatry after having failed to secure a biennial certificate of registration at the time and in the manner required by this section shall be subject to a penalty of $25.00 for each failure. Immediately after November 1, the executive director shall send by registered mail to every podiatrist who has failed to obtain a biennial registration certificate for the ensuing two-year period a notice that their license will be automatically suspended within 30 days unless the penalty and registration fee is paid immediately. Upon failure to register after such notice, the license of such person shall be
automatically suspended and shall not be reinstated except upon full payment of penalty and registration fee. However, such suspension shall not apply to anyone who has ceased to practice in this State. Any person whose license shall have been automatically suspended under this section shall during such period of suspension be regarded as an unlicensed person, and if he continue to engage in the practice of podiatry during such period, he shall be liable to the penalties prescribed by R.S.45:5-11.

b. If an applicant for reinstatement of licensure has not engaged in practice in any jurisdiction for a period of more than five years, or the board's review of the reinstatement application establishes a basis for concluding that there may be clinical deficiencies in need of remediation, before reinstatement the board may require the applicant to submit to, and successfully pass, an examination or an assessment of skills. If that examination or assessment identifies clinical deficiencies or educational needs, the board may require the licensee, as a condition of reinstatement of licensure, to take and successfully complete any educational training, or to submit to any supervision, monitoring or limitations, as the board determines are necessary to assure that the licensee practices with reasonable skill and safety.

5. Section 1 of P.L.1971, c.236 (C.45:9-6.1) is amended to read as follows:

C.45:9-6.1 Biennial registration for practitioners of medicine and surgery; reinstatement procedure.

1. All persons who are licensed to practice medicine and surgery shall be required on or before July 1 biennially to register on the form prescribed by the board and furnished by the executive director of the board, and to pay a biennial registration fee to be determined by the board.

The license of any licensee who fails to procure any biennial certificate of registration, shall be automatically suspended on July 1. It shall be the duty of the executive director of the board on June 1 of each year to send a written notice to each licensee whose license is expiring that year, whether a resident or not, at his last address on file with the board, that his biennial registration fee is due on or before July 1 and that his license to practice in this State will be suspended if he does not procure said certificate by July 1 of that year.

Any licensee whose license has been suspended under this section may be reinstated by the payment of all past due annual registration fees and in addition thereto a fee to be determined by the board to cover cost of reinstatement.
Any person who desires to retire from the practice of medicine and surgery, and during retirement to refrain from practicing under the terms of his license, upon application to the executive director of the board, may be registered biennially, without the payment of any registration fee, as a retired physician. The certificate of registration which shall be issued to a retired physician shall state, among other things, that the holder has been licensed to practice in New Jersey, but that during his retirement he shall not so practice. The holder of a certificate of registration as a retired licensee shall be entitled to resume practice at any time; provided, he first shall have obtained from the executive director a biennial certificate of registration as hereinbefore provided.

If an applicant for reinstatement of licensure has not engaged in practice in any jurisdiction for a period of more than five years, or the board's review of the reinstatement application establishes a basis for concluding that there may be clinical deficiencies in need of remediation, before reinstatement the board may require the applicant to submit to, and successfully pass, an examination or an assessment of skills. If that examination or assessment identifies clinical deficiencies or educational needs, the board may require the licensee, as a condition of reinstatement of licensure, to take and successfully complete any educational training, or to submit to any supervision, monitoring or limitations, as the board determines are necessary to assure that the licensee practices with reasonable skill and safety.

The license to practice medicine and surgery of any person who fails to procure any biennial certificate of registration, or in lieu thereof a biennial certificate of registration as a retired licensee, at the time and in the manner required by this act shall be automatically suspended. Any person whose license shall have been automatically suspended shall, during the period of such suspension, be regarded as an unlicensed person and, in case he shall continue or engage in practice under the terms of his license during such period, shall be liable to the penalties prescribed by R.S.45:9-22. Any person to whom a certificate of registration as a retired licensee shall have been issued who shall continue or engage in practice under the terms of his license without first having obtained a certificate of registration authorizing him to resume such practice, shall be liable to the penalties prescribed by R.S.45:9-22 for practicing without a license.

It shall be the duty of each such licensee holding a certificate to practice medicine and surgery in this State, whether a resident or not, to notify the executive director of the board in writing of any change in his office address or his employment within ten days after such change shall have taken place.

This section shall not be construed so as to render inoperative the provisions of R.S.45:9-17.
6. R.S.45:9-8 is amended to read as follows:

Additional requirements for licensure to practice medicine and surgery.

45:9-8. Except as otherwise provided in R.S.45:9-1 et seq., every applicant for admission to licensure by examination to practice medicine and surgery shall, in addition to the requirements set forth in R.S.45:9-1 et seq.:

   (1) Notice from a health care facility or health maintenance organization, pursuant to section 1 of P.L. 1983, c. 247 (C.26:2H-12.2);
   (2) Notice from an insurer or insurance association or a practitioner, pursuant to section 2 of P.L. 1983, c. 247 (C.17:30D-17), regarding a medical malpractice claim settlement, judgment or arbitration award or a termination or denial of, or surcharge on, the medical malpractice liability insurance coverage of a practitioner; and
   b. The review panel may receive referrals from the board which may include complaints alleging professional misconduct, incompetence, negligence or impairment of a practitioner from other health care providers and consumers of health care.
   c. Upon receipt of a notice or complaint pursuant to this section, the review panel shall promptly investigate the information received and obtain any additional information that may be necessary in order to make a recommendation to the board. The review panel may seek the assistance of a consultant or other knowledgeable person, as necessary, in making its recommendation. The review panel may request the board or the Attorney General to exercise investigative powers pursuant to section 5 of P.L. 1978, c. 73 (C.45:1-18) in the conduct of its investigation.
(1) If the review panel has reasonable cause to believe that a practitioner represents an imminent danger to his patients, the review panel shall immediately notify the State Board of Medical Examiners and the Attorney General and recommend the initiation of an application before the board to temporarily suspend or otherwise limit the practitioner's license pending further proceedings by the review panel or the board.

If the board temporarily suspends or otherwise limits the license, the board shall notify each licensed health care facility and health maintenance organization with which the practitioner is affiliated and every practitioner in the State with which the practitioner is directly associated in his private practice.

(2) A practitioner who is the subject of an investigation shall be promptly notified of the investigation, pursuant to procedures adopted by regulation of the board that give consideration to the health, safety and welfare of the practitioner's patients and to the necessity for a confidential or covert investigation by the review panel. At the panel's request or upon a good cause showing by the practitioner an informal hearing shall be scheduled before the review panel or a subcommittee of at least three review panel members, in accordance with regulations adopted by the board. The hearing shall be transcribed and the practitioner shall be entitled to a copy of the transcript, at his own expense. A practitioner who presents information to the review panel is entitled to be represented by counsel.

(3) Notwithstanding any provision of this section to the contrary, in any case in which the board determines to conduct an investigation of a practitioner who it has reasonable cause to believe represents an imminent danger to his patients, the board may direct the review panel to provide the board with its files pertaining to that practitioner and may direct the review panel to promptly terminate its investigation of that practitioner without making a recommendation pursuant to subsection d. of this section.

Upon request of the review panel, the State Board of Medical Examiners shall provide the review panel with any information contained in the board's files concerning a practitioner.

d. Upon completion of its review, the review panel shall prepare a report recommending one of the following dispositions:

(1) Recommend to the State Board of Medical Examiners that the matter be referred to the Attorney General for the initiation of disciplinary action against the practitioner who is the subject of the notice or complaint, pursuant to section 8 or 9 of P.L.1978, c.73 (C.45:1-21 or 45:1-22);

(2) Defer making a recommendation to the board pending the outcome of litigation or a health care facility or health maintenance organization disciplinary proceeding, if there is no evidence that the practitioner's
professional conduct may jeopardize or improperly risk the health, safety or life of a patient;

(3) Refer the practitioner to the appropriate licensed health care practitioner treatment program recognized by the State Board of Medical Examiners and promptly notify the medical director of the board of the referral;

(4) Refer the practitioner to the appropriate focused education program recognized by the State Board of Medical Examiners and promptly notify the educational director of the board of the referral; or

(5) Find that no further action is warranted at this time.

e. A member of the State Board of Medical Examiners shall not participate by voting or any other action in any matter before the board on which the board member has participated previously as a review panel member.

f. The State Board of Medical Examiners may affirm, reject or modify any disposition of the review panel. After its consideration of the panel recommendation the board shall notify the practitioner who has been the subject of a notice or complaint of the review panel’s recommendation and the board's determination.

g. Nothing in this section shall be construed to prevent or limit the State Board of Medical Examiners, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety or the Attorney General from taking any other action permitted by law against a practitioner who is the subject of an investigation by the review panel.

(5) Delineate, through the promulgation of regulations, any specific courses or topics which, on the recommendation of the advisory committee created pursuant to paragraph (4) of this subsection and in the discretion of the board, are to be required.

c. Each hour of an educational course or program shall be equivalent to one credit of continuing medical education.

d. The board may, in its discretion, waive requirements for continuing medical education on an individual basis for reasons of hardship such as illness or disability, retirement of license, or other good cause. A waiver shall apply only to the current biennial renewal period at the time of board issuance.

e. The board shall not require completion of continuing medical education credits for any registration period commencing within 12 months of the effective date of this section.

f. The board shall require completion of medical education credits on a pro-rated basis for any registration period commencing more than 12 months but less than 24 months from the effective date of this section.

C.40A:12A-66 Tax abatement within redevelopment area; special assessments.

3. a. A municipality that has designated a redevelopment area may provide for tax abatement within that redevelopment area and for payments in lieu of taxes in accordance with the provisions of P.L.1991, c.431 (C.40A:20-1 et seq.) and P.L.1991, c.441 (C.40A:21-1 et seq.); provided, however, that the provisions of section 12 of P.L.1991, c.431 (C.40A:20-12) establishing a minimum or maximum annual service charge and requiring staged increases in annual service charges over the term of the exemption period, and of section 13 of P.L.1991, c.431 (C.40A:20-13) permitting the relinquishment of status under that act, shall not apply to redevelopment projects financed with bonds.

b. In addition to, or in lieu of, the tax abatement provided for in subsection a. of this section, the municipality may provide by ordinance for one or more special assessments within the redevelopment area in accordance with chapter 56 of Title 40 of the Revised Statutes, R.S.40:56-1 et seq., provided, however, that the provisions of R.S.40:56-35 shall be applied so that if any installment of a special assessment shall remain unpaid for 30 days after the time at which it shall become due, the municipality may provide, by ordinance, either that: (1) the whole assessment or balance due thereon shall become and be immediately due; or, (2) any subsequent installments which would not yet have become due except for the default shall be considered as not in default and that the lien for the installments not yet due shall continue; and provided, further, that the ordinance may require that the assessments be payable in quarterly, semi-annual or yearly installments, with legal interest thereon, over a period of years up to but in no event exceeding the period of years for which the bonds were issued, or for 30 years, whichever shall be less. In levying a special assessment on the lands or improvements, or both, located in the redevelopment area, the municipality may provide that the amount of the special assessment shall be a specific amount, not to exceed the cost of the improvements, paid with respect to property located in the redevelopment area. That specific amount shall, to the extent accepted by the owner of the property benefitted, be deemed the conferred benefit, in lieu of the amount being determined by the procedures otherwise applicable to determining the actual benefit conferred on the property. Special assessments levied pursuant to an ordinance adopted under this subsection shall constitute a municipal lien upon confirmation by the municipal governing body or by the court, under R.S.40:56-33, except that such amount shall constitute a municipal lien
effective upon the date accepted in writing by the owner of the property benefitted if prior to the actual confirmation.

c. Upon adoption, a copy of the ordinance shall be filed for public inspection in the office of the municipal clerk, and there shall be published in a newspaper, published or circulating in the municipality, a notice stating the fact and the date of adoption and the place where the ordinance is filed and a summary of the contents of the ordinance. The notice shall state that any action or proceeding of any kind or nature in any court questioning the validity or proper authorization of the ordinance or the actions authorized to be taken as set forth in the ordinance shall be commenced within 20 days after the publication of the notice. If no action or proceeding questioning the validity of the ordinance providing for tax abatement, special assessments or other actions authorized by the ordinance shall be commenced or instituted within 20 days after the publication of the notice, the county and the school district and all other municipalities within the county and all residents and taxpayers and owners of property therein shall be forever barred and foreclosed from instituting or commencing any action or proceeding in any court questioning the validity or enforceability of the ordinance or the validity or enforceability of acts authorized under the ordinance, and the ordinance and acts authorized by the ordinance shall be conclusively deemed to be valid and enforceable in accordance with their terms and tenor.

C.40A:12A-67 Issuance of bonds by municipality.

4. a. The municipality may issue bonds itself in the manner provided for herein or pursuant to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.) or may apply to the authority to issue bonds, which in either case may be secured by payments in lieu of taxes or special assessments or both by the adoption of a resolution of the governing body to that effect.

b. A municipality that has designated a redevelopment area may, by resolution of its governing body, if it determines to issue bonds through the authority, enter into contracts with the authority relating to any project or projects for the purpose of financing or refinancing redevelopment, or act as a redeveloper, within a redevelopment area. A resolution so adopted shall contain findings and determinations of the governing body: (1) that the project will result in the redevelopment of the municipality; and, (2) that the contract with the authority is a necessary or important inducement to the undertaking of the project in that the contract makes the financing thereof feasible. The contract or contracts, or the terms of any bonds issued directly by a municipality may provide for the assignment, for the benefit of bondholders, of all or any portion of payments in lieu of taxes, or special
assessments, or both. A contract may be made and entered into for a term
beginning currently or at some future or contingent date, and with or
without consideration, and for a specified or unlimited time, and on any
terms and conditions which may be requested by the municipality and, if
applicable, as may be agreed to by the authority in conformity with its
contracts with the holders of bonds, and shall be valid and binding on the
municipality. The municipality is hereby authorized and directed to do and
perform any contract so entered into by it and to provide for the discharge
of any obligation thereunder in the same manner as other obligations of the
municipality.

Any contract, and any instrument making or evidencing the same, may
be pledged or assigned by the authority, with the consent of the municipality
executing the contract, to secure its bonds and thereafter may not be
modified except as provided by the terms of the instrument or by the terms
of the pledge or assignment.

The municipality may include in the terms of a bond or contract a
provision that the payments in lieu of taxes or special assessments shall
constitute a municipal charge for the purposes of R.S.54:4-66.

c. The payments in lieu of taxes or special assessments, or both, may
be assigned directly by the municipality or the authority or the trustee for the
bonds as payment or security for the bonds. Notwithstanding any law to the
contrary, the assignment shall be an absolute assignment of all the munici-
pality's right, title, and interest in the payment in lieu of taxes or special
assessments, or both, or portion thereof, along with the rights and remedies
provided to the municipality under the agreement including, but not limited
to, the right of collection of payments due. Payments in lieu of taxes and
special assessments assigned as provided hereunder shall not be included in
the general funds of the municipality, nor shall they be subject to any laws
regarding the receipt, deposit, investment or appropriation of public funds
and shall retain such status notwithstanding enforcement of the payment or
assessment by the municipality or assignee as provided herein. The
municipality shall be a "person" within the meaning of that term as defined
in section 3 of P.L.1974, c.80 (C.34:1B-3); and the purpose described in
this section shall be a "project" within the meaning of that term as defined
in section 3 of P.L.1974, c.80 (C.34:1B-3).

d. Notwithstanding the provisions of subsection g. of section 37 of
P.L.1992, c.79 (C.40A:12A-37), the bonds issued pursuant to this section
may be issued as non-recourse obligations, and unless otherwise provided
for by a separate action of the municipality to guarantee such bonds or
otherwise provide for a pledge of the municipality's full faith and credit
shall not, except for such action, be considered to be direct and general
obligations of the municipality, and, absent such action, the municipality
shall not be obligated to levy and collect a tax sufficient in an amount to pay
the principal and interest on the bonds when the same become due and
payable. The provisions of the "Local Government Supervision Act
(1947)," P.L.1947, c.151 (C.52:27BB-1 et seq.) shall not apply to any bonds
issued or authorized pursuant to this section and those bonds shall not be
considered gross debt of the municipality on any debt statement filed in
accordance with the "Local Bond Law," N.J.S.40A:2-1 et seq., and the
provisions of chapter 27 of Title 52 of the Revised Statutes shall not apply
to such bonds.

e. The proceeds from the sale of bonds and any funds provided by any
department of the State, authority created by the State or bi-state authority
for the purposes described in the "Redevelopment Area Bond Financing
Law," sections 1 through 10 of P.L.2001, c.310 (C.40A:12A-64 et seq.),
shall not require compliance with public bidding laws, including the "Local
Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.), or any other
statute where the redeveloper shall undertake the redevelopment project.
The use of these funds shall be subject to public accountability and
oversight by the municipality or agency providing the funds.

f. In order to provide additional security for any loan to a redeveloper
or to bonds issued to finance a redevelopment project, the municipality may
utilize powers otherwise provided by law, including the "Local Redevelop-
ment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.), to provide
for any extension of the municipality's credit to any redeveloper or its full
faith and credit which may include a full faith and credit lease as security
for the bonds or any loan to a redeveloper. To the extent that the municipality
provides for a full faith and credit guarantee of any loan to a redeveloper or
any bonds, but determines not to authorize the issuance of bonds or notes to
provide for the funding source thereof, or otherwise determines to enter into
a full faith and credit lease, it may do so by resolution approved by a
majority of the full governing body. To the extent that bonds or notes are
authorized as provided above, such bonds or notes shall be authorized
pursuant to the provisions of the "Local Bond Law," N.J.S.40A:2-1 et seq.,
and shall be deductible from the gross debt of the municipality until such
time as such bonds or notes are actually issued, and only up to the amount
actually issued, to fund such guarantee.

g. A financial instrument, whether issued by a municipality or an
authority, that is secured in whole or in part by payments in lieu of taxes or
by special assessments, or both, as provided herein shall be subject to the
review and approval of the board. That review and approval shall be made
prior to approval of, in the case of a municipality, an introduce ordinance or,
in the case of an authority, a resolution. The board shall be entitled to
receive from the applicant an amount sufficient to provide for all reasonable
professional and other fees and expenses incurred by it for the review, analysis and determination with respect thereto. As part of its review, the board shall specifically solicit comments from the Office of State Planning and the New Jersey Economic Development Authority in addition to comments from the public. As part of the board's review and approval, it shall consider where appropriate one or more of the following: whether the redevelopment project or plan promotes approaches and concepts to reduce congestion; enhance mobility; assist in the redevelopment of our municipalities; and otherwise improve the quality of life of our citizens.

C.40A:12A-68 Payments in lieu of taxes constitute municipal lien.

5. a. Payments required to be made in accordance with an agreement for payments in lieu of taxes entered into under section 3 of P.L.2001, c.310 (C.40A:12A-66) shall be a continuous lien on the land against which the ordinance is recorded on and after the date of recordation of both the ordinance and the agreement, whether simultaneously or not, or the date of confirmation of the special assessments, whichever is earlier. All subsequent payments in lieu of taxes thereunder, interest, penalties and costs of collection which thereafter fall due or accrue shall be added and relate back to and be a part of the initial lien. Upon recordation of the ordinance and agreement, payments in lieu of taxes shall constitute a municipal lien within the meaning, and for all purposes, of law.

b. If bonds are issued, the municipality or the redeveloper may record, either simultaneously or at different times, any ordinance enacted by the municipality relating to the payment in lieu of taxes agreement or special assessments and, either simultaneously with the ordinance or at different times, a copy of the agreement or agreements. The ordinance, when recorded, shall contain a legend at the top of the front page substantially as follows:

"THIS ORDINANCE SECURES BONDS OR OTHER OBLIGATIONS ISSUED IN ACCORDANCE WITH THE PROVISIONS OF THE 'REDEVELOPMENT AREA BOND FINANCING LAW' AND THE LIEN HEREOF IN FAVOR OF THE OWNERS OF SUCH BONDS OR OTHER OBLIGATIONS IS A MUNICIPAL LIEN SUPERIOR TO ALL OTHER NON-MUNICIPAL LIENS HEREAFTER RECORDED."

c. Notwithstanding any law to the contrary, upon recordation of both the ordinance and any accompanying agreement, the lien thereof shall be perfected for all purposes in accordance with law and the lien shall thereafter be superior to all non-municipal liens thereafter recorded or otherwise arising, without any additional notice, recording, filing, continuation filing or action, until the payment in full of the bonds. The lien thereby established shall apply not only to the bonds initially issued, but also to any
refinancing or refunding thereof, as well as to any additional bonds thereafter issued on a parity therewith in accordance with the provisions of the original documents securing the initial bonds; provided, however, that in the event any ordinance or agreement is amended or supplemented in a way which increases the amount of payment in lieu of taxes or special assessments, the lien as to that increase shall be perfected and apply upon the recordation of the amended or supplemented ordinance and agreement (including the above-recited legend). Except as set forth in this section, no amendment or supplement to the ordinance or agreement thereafter recorded shall affect the perfection or priority of the lien established upon original recordation thereof.

d. Upon the final payment in full of any bonds secured as provided in this section and section 4 of P.L.2001, c.310 (C.40A:12A-67), the lien established hereby shall terminate, and the municipality shall record a notice to that effect.

C.40A:12A-69 Payment secured by mortgage.

6. In lieu of, or in addition to, the provisions of section 5 of P.L.2001, c.310 (C.40A:12A-68), the municipality may provide in the agreement that the payment in lieu of taxes, if any, is to be secured by a mortgage. In that event the mortgage may also be assigned and pledged to the repayment of the bonds authorized herein.

The assignment of any mortgage that secures a payment in lieu of taxes, if any, may also be an absolute assignment of all or part of the municipality's right, title, and interest in the mortgage and, to the extent assigned, any moneys realized from the foreclosure of the mortgaged property shall not be included in the general funds of the municipality.

After the bonds are paid and no longer deemed to be outstanding, the assignment of the mortgage shall terminate.

C.40A:12A-70 Bonds exempt from taxation.

7. All bonds issued pursuant to the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) are hereby declared to be issued by a political subdivision of this State and for an essential public and governmental purpose and the bonds, and the interest thereon and the income therefrom, and all facility charges, funds, revenues and other moneys pledged or available to pay or secure the payment of the bonds, or interest thereon, shall at all times be exempt from taxation except for transfer inheritance and estate taxes.

C.40A:12A-71 Covenant, agreement with bondholders.

8. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds issued pursuant to the "Redevelopment
Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) that the State will not limit or alter the terms of any agreement, ordinance or resolution made in connection with the security for and the issuance and sale of any bonds, so as to in any way impair the rights or remedies of such holders, and will not modify in any way the exemption from taxation provided for in the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.), until the bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged or provided for.

C.40A:12A-72 Severability.

9. If any section, subsection, clause or provision of the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) shall be adjudged to be unconstitutional or ineffective in whole or in part, to the extent that it is not adjudged unconstitutional or is not ineffective, it shall be valid and effective and no other section, subsection, clause or provision of the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) shall on account thereof be deemed invalid or ineffective, and the inapplicability or invalidity of any section, subsection, clause or provision of the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) in any one or more instances or under any one or more circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance or under any other circumstance.

C.40A:12A-73 Bonds presumed authorized.

10. After issuance, pursuant to the "Redevelopment Area Bond Financing Law," P.L.2001, c.310 (C.40A:12A-64 et seq.) all bonds shall be conclusively presumed to be fully authorized and issued by all courts and officers of this State, and any person shall be estopped from questioning their sale, execution or delivery.

C.52:27D-459 Short title.

11. Sections 11 through 41 of P.L.2001, c.310 (C.52:27D-459 et seq.) shall be known and may be cited as the "Revenue Allocation District Financing Act."

C.52:27D-460 Findings, declaration relative to "Revenue Allocation District Financing Act."

12. The Legislature finds and declares that:

a. There are areas within certain municipalities in this State that deter private capital investment because of the deteriorating condition of the land, buildings and infrastructure within those areas, or that have not experienced
private capital investment due to inadequate infrastructure or adverse economic conditions.

b. These areas also create an economic burden for the municipality due to the limited tax base and underutilization of resources.

c. The scarcity of resources available to municipalities for redevelopment has severely hampered these municipalities' ability to rehabilitate these areas.

d. In order to redevelop these areas in a beneficial manner, municipalities should be provided the means to finance certain costs of redevelopment so as to open new avenues for private investment; stimulate commercial, industrial, recreational, cultural, entertainment, civic and educational enterprise; and create favorable conditions for increases in economic activity, property values, employment opportunities and the provision of affordable housing.

e. The use of new redevelopment tools as a catalyst for economic revitalization can be maximized if employed in conjunction with the redevelopment planning process established pursuant to P.L.1992, c.79 (C.40A:12A-1 et al.).

f. The State should consider, where appropriate, one or more of the following: whether the redevelopment project or plan promotes approaches and concepts to reduce congestion; enhance mobility; assist in the redevelopment of our municipalities; and otherwise improve the quality of life of our citizens.

g. It is, therefore, in the public interest to authorize the use of revenue allocation financing by municipalities and the dedication of payments in lieu of taxes toward the retirement of debt incurred in redevelopment, as set forth hereunder, to encourage private investment within areas that are blighted or in need of redevelopment or would otherwise remain unused.

C.52:27D-462 Establishment of districts.

14. The governing body of any municipality may by ordinance establish a district or districts. In the case of a municipality whose redevelopment powers are assigned by law to a regional planning commission, the commission may, by resolution, establish a district or districts in the area within which the commission has jurisdiction.

A revenue allocation district shall consist of all lots and streets within the borders of an area within a municipality or within areas of the municipality designated in the plan. The lots and streets shall be contiguous unless the municipality determines that non-contiguous areas of the municipality should comprise one district because those areas are part of a common development project or plan. The total taxable value in all districts designated shall not exceed 15 percent of the total taxable property assessed within the municipality, as determined by the municipal assessor, except that, upon a request by the governing body, the board may approve for inclusion in the district up to 20 percent of the total taxable property assessed in the municipality, as determined by the municipal assessor. The lots and streets to be designated as part of the plan shall be designated as a revenue allocation district as part of a duly adopted redevelopment plan approved by the governing body.

The ordinance or resolution, as appropriate, shall be adopted as provided in section 17 of P.L.2001, c.310 (C.52:27D-465), and shall include or incorporate:

a. a map designating the area or areas within the municipality as a district or districts;

b. a certification by the municipal assessor that, upon the basis of property assessments as of October 1 of the year preceding the certification, the total taxable property value in all districts designated by the municipality, including the district being proposed in the ordinance, does not exceed 15 or 20 percent, as the case may be, of the total taxable property assessed in the municipality, as provided in the ordinance adopted in accordance with the provisions of this section;

c. the designation of a district agent, which may be a county, a county improvement authority, the New Jersey Redevelopment Authority, the New Jersey Economic Development Authority or a municipality; provided, however, that if a district is created in an area under the jurisdiction of a regional planning commission which has been assigned redevelopment
powers pursuant to law, that commission shall serve as the district agent in connection with that district;
  d. a designation of all or any percentage of any eligible revenue or revenues as pledged revenues;
  e. a statement of whether or not the municipality intends that any of the bonds issued by the district agent, if other than a municipality, be guaranteed by the municipality, or be issued as qualified bonds pursuant to the "Municipal Qualified Bond Act," P.L.1976, c.38 (C.40A:3-1 et seq.), or both;

15. The proposed preliminary revenue allocation plan shall include:
   a. a certification by the municipal tax assessor of the property tax increment base of the district;
   b. a statement of the revenues, if any, to be pledged to support bonds of the district, the percentage of such revenues to be so pledged, and a certification by the chief financial officer of the municipality of the revenue increment base for each of the pledged revenues other than the property tax revenue base.    e. an estimate of the taxable value of the assessed property within a district upon completion of the projects;
   f. a projection of the amount of the pledged revenues during the period in which any bond will be outstanding;
g. a statement of whether or not the district agent intends to create a reserve for payment of project costs prior to the adoption of the final revenue allocation plan;

h. a statement of whether or not tax abatements or exemptions or special assessments are expected to be granted in the district; and

i. a fiscal impact statement for the taxing entities involved.

C.52:27D-464 Submission of ordinance as application.

16. When an ordinance establishing or amending a district has passed first reading, it shall be submitted as an application, together with all included and incorporated certificates and documents and such additional documentation as the board may by rule prescribe, to the board.

The board shall approve the ordinance if it determines that:

a. the planned developments are likely to be realized and would not likely be accomplished by private enterprise without the creation of the district and the revenue allocation financing of the proposed project or projects;

b. the revenue increments and any other pledged revenues will be sufficient to pay debt service on bonds issued to effectuate the plan;

c. the credit of the municipality and its ability to pay the principal of and interest on its debts and to provide essential public services will not be impaired;

d. the creation of the district will contribute to the economic development of the municipality;

e. the size of the proposed district and the amount of the pledged revenues do not exceed the size and amount necessary to accomplish the purposes of the plan;

f. any insufficiency or shortfall in the amount of the revenue or guarantees pledged to pay debt service or bonds issued to effectuate the plan would not pose inappropriate risk or undue financial hardship to the taxpayers of the community;

g. there are no other factors which, in the determination of the board, will impair the credit of the municipality or reduce its ability to pay punctually the principal of and interest on its debts and supply other essential public improvements and services; and

h. the planned development does one or more of the following: promote approaches and concepts to reduce congestion; enhance mobility; assist in the redevelopment of our municipalities; and otherwise improve the quality of life of our citizens.

C.52:27D-465 Written recommendations by board.

17. a. The board may make written recommendations as to any aspect of the ordinance and the preliminary revenue allocation plan and any related
fiscal matters of the municipality which in the opinion of the board shall be changed in order to effectuate the plan. The board may condition its approval of the ordinance upon the adoption of its recommendations by the municipality.

b. The board shall approve, approve with conditions, or disapprove the ordinance within 60 days of its receipt of an application which the board has deemed to be complete. If the board does not act within 60 days the ordinance shall be deemed approved. The municipality may amend the ordinance and resubmit it to the board.

c. Upon receipt of the approved ordinance from the board, the municipal governing body may adopt the ordinance at a meeting of the governing body by a majority of the authorized membership thereof.

C.52:27D-466 No alteration of established district without amending ordinance.

18. After adoption of the ordinance establishing a district there shall be no expansion or contraction of the boundaries of the district, the designation of the district agent, or the designation of the pledged revenues without adoption of an amending ordinance approved by the board as provided in section 17 of P.L.2001, c.310 (C.52:27D-465).

C.52:27D-467 Property tax increment base for altered districts.

19. Whenever a district is expanded as permitted under section 18 of P.L.2001, c.310 (C.52:27D-466) the property tax increment base for any area added to the district shall be the aggregate taxable value of all property assessed which is located within the added area as of October 1 of the year preceding the year in which the area is added, as certified by the municipal assessor. The revenue increment base of all other eligible revenues shall include the amounts of all other eligible revenues from sources within the added area in the calendar year preceding the year in which the area is added, as certified by the chief financial officer of the municipality.

Whenever a district is contracted as permitted under section 18 of P.L.2001, c.310 (C.52:27D-466) the tax increment base and the increment base of all other eligible revenues of the district shall be adjusted as if that area had not been a part of the district at the time when it became part of the district.

20. The district agent shall have the following powers and responsibilities to the extent so designated by ordinance:

a. to make and enter into contracts or agreements with public agencies, nonprofit corporations or other suitable public or private persons, firms,
corporations or associations, and to make loans or grants to, or guarantee the
obligations of, any other public agency or corporation, as may be necessary,
convenient or incidental to the execution of the plan and the exercise of the
district agent's powers under the "Revenue Allocation District Financing

grants, loans, appropriations or other assistance or cooperation from the
United States or any agency thereof, or from the State or a county or
municipal governing body or any agency thereof, or any nonprofit corpo-

association in furtherance of the purposes of the "Revenue Allocation
District Financing Act," sections 11 through 41 of P.L.2001, c.310
(C.52:27D-459 et seq.);

issuance of bonds as provided in the "Revenue Allocation District Financing

f. to seek and receive funds from local, State and federal govern-
ments and from private sources for the purpose of implementing any authorized
development or project or meeting any project cost;

g. to pay project costs, specifically including payments to a private
developer, as reimbursement for project costs incurred by a private
developer, in accordance with a redevelopment bond financing agreement
entered into by the municipality or municipalities and the private developer;
and

h. to include in the terms of any resolution, bond or contract a
provision that the payments in lieu of taxes or special assessments shall
constitute a municipal charge for the purposes of R.S.54:4-66.

Except as provided otherwise herein, nothing herein is intended to limit
the powers granted under any other law or regulation to the entity acting as
district agent under the "Revenue Allocation District Financing Act,"
sections 11 through 41 of P.L.2001, c.310 (C.52:27D-459 et seq.).
C.52:27D-469 Eligible revenues.

21. The plan may include one or more of the following eligible revenues if the municipality is otherwise authorized by law to collect such revenues:

b. incremental revenues from payroll or wage taxes with respect to activities carried on within the district;

c. incremental revenue from lease payments made to the municipality or district agent with respect to property located in the district;

j. the property tax increment.

The incremental revenue for the revenues listed in subsections b., c., d. and e. of this section shall be calculated as the difference between the amount collected in any calendar year from any eligible revenue source included in the plan, less the revenue increment base for that eligible revenue.

C.52:27D-470 Adoption of final revenue allocation plan.

22. Before pledging any revenues, issuing any bonds, incurring any obligations or guaranteeing the obligations of any other entity with respect to the project costs of any project, the district agent shall adopt a final revenue allocation plan for that project. That plan shall include:
a. a description of the project or projects to be financed, including the
cost and construction schedule;

b. a description of any development to be undertaken by any developer

rate; the period of capitalized interest, if any; an estimate of the costs of
issuance, with identification of bond counsel, financial advisers, underwrit-
ers and other professionals engaged to assist in the issuance of bonds; lien
priorities among projects, if any; and such other information as the board
may require; and

f. a certification by the chief financial officer of the property tax
increment base, if property tax increment revenue is to be pledged, and of
the revenue increment base for each other pledged revenue. If the amount
of any such revenue increment base cannot be certified, then the chief
financial officer shall estimate the amount and describe the basis for
preparing the estimate and the manner in which the revenue increment base
will be determined after adoption of the final plan.

C.52:27D-471 Submissions of final revenue allocation plan.

23. A final revenue allocation plan shall be submitted to the governing
body of the municipality for approval by ordinance. When an ordinance
embodying a final revenue allocation plan has been introduced in writing at
a meeting of the governing body and approved on first reading, which may
be by title, by a majority of the authorized membership thereof, it shall be
submitted, together with all included and incorporated certificates and
documents and such additional supporting documentation as the board may
by rule prescribe, to the board.

The board shall approve the plan if it determines that:

a. the planned developments are likely to be realized and would not be
accomplished by private enterprise without the creation of the district and
the financing of the proposed project or projects;
b. the pledged revenues will be sufficient to pay debt service on bonds and discharge any obligations undertaken by the district agent to effectuate the plan;

c. the credit of the municipality and its ability to pay the principal of and interest on its debts and to provide essential public services will not be impaired;

d. any insufficiency or shortfall in the amount of the revenues or guarantees pledged to pay debt service or bonds issued to effectuate the plan would not pose inappropriate risk or undue financial hardship to the taxpayers of the community;

e. there are no other factors which, in the determination of the board, will impair the credit of the municipality or reduce its ability to pay punctually the principal of and interest on its debts and supply other essential public improvements and services; and

f. the planned development does one or more of the following: promote approaches and concepts to reduce congestion; enhance mobility; assist in the redevelopment of our municipalities; and otherwise improve the quality of life of our citizens.

C.52:27D-472 Written recommendations by board.

24. a. The board may make written recommendations as to any aspect of the plan and any related fiscal matters of the municipality or the district agent which, in the determination of the board, must be changed in order to effectuate the plan, and the board may condition its approval of the plan upon the adoption of its recommendations.

b. The board shall approve, approve with conditions, or disapprove the plan within 60 days of its receipt of an application which the board has deemed to be complete. If the board does not act within 60 days the plan shall be deemed approved. If the board disapproves the plan it shall set forth its reasons in writing within 30 days of its disapproval. The governing body, upon recommendation of the district agent, may amend the ordinance and resubmit it to the board.

c. Upon receipt of the approved ordinance from the board the municipal governing body may adopt the ordinance at a meeting of the governing body by a majority of the authorized membership thereof. Any changes to the plan as embodied in the ordinance, including the pledge or utilization of eligible revenues subject, however, to any rights of bondholders shall be by amendment of the ordinance adopted and approved by the same method as prescribed in section 17 of P.L.2001, c.310 (C.52:27D-465) in connection with the proposed preliminary revenue allocation plan included in the ordinance establishing the district.
C.52:27D-473 Calculation of property tax increment.

25. If the preliminary revenue allocation plan has designated the property tax increment as a pledged revenue, the property tax increment shall be calculated and paid to the revenue allocation fund or the bond trustee, as appropriate, as provided hereunder.

a. Upon the striking of the tax rate in each year following the adoption of the ordinance creating the district, the chief financial officer of the municipality, with assistance provided by the assessor and collector, shall calculate the amount of property tax increment, if any, for each revenue allocation district within the municipality and shall certify to the district agent of each such district a copy of that calculation. Thereafter the chief financial officer shall, within 10 days after each date fixed by statute for the payment of property taxes, cause to be deposited in the revenue allocation fund of the district agent or paid to the trustees as provided in the resolution authorizing the issuance of bonds the percentage of the property tax increments certified in the plan as designated to be so deposited or paid. The calculation of the property tax increment shall be based on the amount to be billed at the quarterly payment date, regardless of whether or not the increment is actually collected from the taxpayers within the district.

b. Whenever an added assessment shall occur within a district, the chief financial officer of the municipality shall notify the district agent and thereafter shall, within 10 days of the date fixed by law for payment of property taxes on such added assessment, cause to be paid to the revenue allocation fund or the bond trustee, as appropriate, the property taxes, or a percentage thereof as designated in the plan, billed upon such added assessment, regardless of whether or not the tax or any portion thereof is actually collected.

c. Whenever an omitted assessment which if not omitted would have been included in the computation of the tax increment of a district occurs, the chief financial officer of the municipality shall notify the district agent and thereafter shall, within 10 days after the date fixed by statute for payment of taxes upon such omitted assessments, cause to be deposited to the revenue allocation fund or paid to the bond trustees of the district, as appropriate, the proportion of tax upon such omitted assessments designated in the plan for such deposit or payment, regardless of whether or not the tax or any portion thereof is actually collected.

d. In no event shall any changes in assessed valuation within a district due to appeals or correction of errors with respect to a tax year subsequent to the creation of the district alter the amount of property tax increment certified pursuant to this section for that tax year.
e. In no event shall any changes in assessed valuation within a district due to appeals or correction of errors alter the property tax increment base of the district.

f. Whenever a revaluation or general reassessment occurs in a municipality which has designated one or more districts, the property tax increment base for each district shall be adjusted to equal the absolute difference between the taxable value of the property in the district after revaluation or reassessment less the amount of the property tax increment base for the year immediately prior to the revaluation or reassessment divided by the adjusted tax rate. The adjusted tax rate shall be a fraction, the numerator of which is the total tax levy of the municipality before revaluation or reassessment and the denominator of which is the total taxable value of all taxable property in the municipality after revaluation or reassessment.

C.52:27D-474 Deposit of pledged revenues.

26. If the preliminary revenue allocation plan has designated any eligible revenues, in addition to or other than the property tax increment, as a pledged revenue, the other pledged revenues shall be deposited as provided in this section.

a. The collector of any pledged revenues shall certify to the municipal chief financial officer the amount of the eligible revenue collected in the preceding calendar year no later than January 30 of each year and shall pay to the municipality such amount, or the percentage thereof designated in the plan, beginning in the first calendar year after the creation of the district.

b. The municipality shall include in its budget the amount certified as collected in the preceding year and shall pay to the district agent for deposit in the revenue allocation financing fund the amount certified in the plan as designated for such payment.

c. Payments in lieu of taxes shall be deposited in four equal installments, regardless of the date or dates fixed for such payments by statute, agreement or otherwise.

C.52:27D-475 Submission of operating budget.

27. The district agent shall submit its operating budget for the district annually to the Director of the Division of Local Government Services in the Department of Community Affairs. If the district agent certifies that the budget is in compliance with a preliminary or final financing plan and all other relevant statutes and rules, the director shall approve the budget within 45 days of receipt. If the director disapproves the budget he shall state the reasons therefor, in writing. The district agent may then make the necessary changes and resubmit the budget for approval. The director may adopt rules and regulations in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to ensure the fiscal integrity of

C.52:27D-476 Revenue allocation fund for district.

28. The district agent shall establish and maintain a special fund called the "(Name of district agent) Revenue Allocation Fund," and herein referred to as "district fund" or "fund."

The fund shall be used by the district agent for purposes of the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.), including but not limited to:

a. paying the project costs;

b. paying the principal of and interest on bonds or other obligations issued or guaranteed pursuant to the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.);

c. prepaying the principal of and interest on the bonds or other obligations;

d. paying additional property tax increment revenue, if any, to taxing entities, as provided for in subsections b. and c. of section 29 of P.L.2001, c.310 (C.52:27D-477) or in the final revenue allocation plan; and

e. reimbursing the municipality for any payments made by the State pursuant to the "Municipal Qualified Bond Act," P.L.1976, c.38 (C.40A:3-1 et seq.) to pay debt service on any qualified bonds issued pursuant to section 35 of P.L.2001, c.310 (C.52:27D-483).

C.52:27D-477 Payment of project costs; distribution of moneys.

29. a. Prior to the adoption of a final revenue allocation plan, the district agent may draw money from the revenue allocation fund for purposes of paying all project costs incurred in connection with the development of the final revenue allocation plan as provided in the approved operating budget, including a reserve for project costs if such reserve is part of the preliminary plan.

b. At the end of each calendar year, any moneys in the fund not pledged to bondholders or otherwise required by the district agent for development of the plan shall be distributed to the appropriate taxing or revenue collecting entities that shall forgo the pledged revenues. The revenues shall be distributed by the district agent in proportion to the taxing effort of each taxing or revenue collecting entity in the year of distribution; except that no revenues deposited in the fund shall be included in the calculation of any adjustment payments payable to an intermunicipal account pursuant to statute.

c. After the adoption of the final revenue allocation plan the district agent may decide to distribute to the taxing or revenue collecting entities that shall forgo the revenues pursuant to the "Revenue Allocation District
Financing Act," sections 11 through 41 of P.L.2001, c.310 (C.52:27D-459 et seq.), a portion of the revenue increments received by the district agent not pledged to the payment of debt service or necessary to pay project costs. The revenues shall be distributed in proportion to the taxing or revenue collecting effort of each such taxing or revenue collecting entity in the year of distribution.

d. Moneys in the fund may be invested in the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L.1977, c.281 (C.52:18A-90.4) or in any securities that a local government is permitted to purchase pursuant to section 8 of P.L.1977, c.396 (C.40A:5-15.1).

C.52:27D-478 Termination, dissolution of district.

30. Subject to the limitations contained in the "Revenue Allocation District Financing Act," sections 11 through 41 of P.L.2001, c.310 (C.52:27D-459 et seq.), each district shall remain in existence until obligations for any project in that district cease to be outstanding; provided, however, the district may be terminated if sufficient moneys have been deposited in the revenue allocation fund, which, when invested in obligations of or guaranteed by the United States government, will be sufficient to pay when due the principal of and interest on the bonds at maturity or any redemption date or full payment of any other obligations, and if the board approves the dissolution of the district. The Division of Local Government Services in the Department of Community Affairs may recommend to the municipality the dissolution of a district which has not taken substantial steps to implement the plan, so long as there are no bonded obligations outstanding or contractual obligations to pay any part of project costs.

C.52:27D-479 Calculation of general tax rate.

31. a. In calculating the general tax rate levied each year, the aggregate amount of the ratable increments of the revenue allocation districts that have been pledged to bondholders or are otherwise required by the district agent for the development of the plan shall not be considered a part of the total taxable value of land and improvements within the municipality.

b. In calculating the net valuation on which school district taxes are apportioned, the aggregate amount of the ratable increments in the revenue allocation district shall be excluded.

c. For purposes of this section, "ratable increment" means the taxable value of all property assessed within a revenue allocation district for the tax year, minus the property tax increment base.

C.52:27D-480 Powers of district agent following adoption of ordinance.

32. Upon approval of the resolution by the board and adoption of an ordinance approving or adopting: a. the final revenue allocation plan by the
a determination regarding a particular project for which there exist sufficient eligible revenues within the district to pay the principal of and interest on obligations issued to finance such project, the district agent shall have the power to incur indebtedness, borrow money and issue its bonds or notes for purposes of financing a project or funding or refunding its bonds or notes. If the district agent is the municipal governing body, any pledge of revenues or funds and obligations incurred shall be limited to the revenues and property accruing to the municipality as district agent and shall not be deemed to include any other municipal revenue or property unless such revenues are pledged or obligations are incurred pursuant to the "Revenue Allocation District Financing Act," P.L. 2001, c.310 (C.52:27D-459 et seq.). The district agent may from time to time issue its bonds or notes in such principal amounts as in the opinion of the district agent are necessary to provide sufficient funds for all or any portion of project costs, including the payment, funding or refunding of the principal of or interest or redemption premiums on any bonds or notes issued by it, whether the bonds or notes or interest to be funded or refunded has or has not become due; the establishment or increase of such reserves to secure or to pay the bonds or notes or interest thereon; and all other costs or expenses of the district agent incident to and necessary to carrying out its corporate purposes and powers.

Any provisions of law to the contrary notwithstanding, a bond issued pursuant to the "Revenue Allocation District Financing Act," P.L. 2001, c.310 (C.52:27D-459 et seq.) shall be fully negotiable within the meaning and for all purposes of Title 12A of the New Jersey Statutes, and each holder of the bond, or a coupon appurtenant thereto, by accepting the bond or coupon shall be conclusively deemed to have agreed that the bond or coupon is and shall be fully negotiable within the meaning and for the purposes of that title.

C.52:27D-481 Issuance of bonds, notes.

33. Bonds or notes of the district agent shall be authorized by a resolution or resolutions of the district agent and may be issued in one or more series and shall bear such dates, mature at such times, bear interest at such rates of interest per annum, be in such denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources and in such medium of payment at such places within or without the State, and be subject to such terms of redemption, with or without premium, as the resolution or resolutions may provide.

Notwithstanding the provisions of any other law to the contrary related to such district agent, bonds or notes of the district agent may be sold at
public or private sale at such price and in such manner as the district agent
shall determine. Every bond shall mature and be paid not later than 35 years
from the date thereof.

Bonds or notes may be issued under the provisions of the "Revenue
Allocation District Financing Act," sections 11 through 41 of P.L.2001,
c.310 (C.52:27D-459 et seq.) without any other proceeding or the occur-
rence of any other conditions or other things than those proceedings,
conditions or things which are specifically required by the "Revenue
Allocation District Financing Act," sections 11 through 41 of P.L.2001,
c.310 (C.52:27D-459 et seq.).

Bonds or notes of the district agent issued under the provisions of the
"Revenue Allocation District Financing Act," sections 11 through 41 of
P.L.2001, c.310 (C.52:27D-459 et seq.) shall contain a statement to the
effect that they are issued pursuant to the "Revenue Allocation District
et seq.) and entitled to the provisions of the "Revenue Allocation District
et seq.).

C.52:27D-482 Bonds, notes considered general obligations.

34. Each issue of bonds or notes of the district may, if it is determined
by the district agent, be general obligations thereof payable out of any
revenues, receipts or funds held by the district agent, subject only to any
agreements with the holders of particular bonds or notes pledging any
particular revenues or funds, and may be secured by one or more of the
following:

a. pledge of eligible revenues and any other revenues derived from
leases, sales agreements, service contracts or similar contractual arrange-
ments with one or more persons, firms, partnerships or corporations,
whether or not the same relate to the project or part thereof financed with the
bonds or notes;

b. pledge of grants, subsidies, contributions or other payments to be
received from the United States of America or any instrumentality thereof,
or from any State, county or municipal governmental body or agency;

c. a first mortgage on all or any part of the property, real or personal,
of the district agent then owned or thereafter to be acquired; or

d. pledge of any moneys, funds, accounts, securities and other funds,
including the proceeds of the bonds or notes.

C.52:27D-483 Guarantee of bonds.

35. The municipal governing body may provide for the guarantee of
any such bonds and may issue general obligation bonds to provide for the
funding of such guarantee which shall be authorized pursuant to the
provisions of the "Local Bond Law," N.J.S.40A:2-1 et seq. Such guarantees shall be set forth in the final revenue allocation plan approved pursuant to section 23 of P.L.2001, c.310 (C.52:27D-471). To the extent that the municipality provides for a full faith and credit guarantee of any loan to a redeveloper or any bonds but determines not to authorize the issuance of bonds or notes to provide for the funding source thereof, it may do so by resolution approved by a majority of the full governing body. To the extent that bonds or notes are authorized as provided above, such bonds or notes shall be authorized pursuant to the provisions of the "Local Bond Law," N.J.S.40A:2-1 et seq., and shall be deductible from the gross debt of the municipality until such time as such bonds or notes are actually issued, and only up to the amount actually issued, to fund such guarantee.

The district agent may file an application with the board to qualify an issue of its bonds pursuant to the "Municipal Qualified Bond Act," P.L.1976, c.38 (C.40A:3-1 et seq.) provided, however, that only municipal qualified bonds issued by a municipality, as defined in the "Municipal Qualified Bond Act," P.L.1976, c.38 (C.40A:3-1 et seq.) shall constitute debt of such municipality and be secured by the full faith and credit of such municipality. Intention to file such an application shall be set forth in the final revenue allocation plan approved pursuant to section 23 of P.L.2001, c.310 (C.52:27D-471). Bonds may be issued by the district agent as municipal qualified bonds upon the review and approval of the board as provided in the "Municipal Qualified Bond Act," P.L.1976, c.38 (C.40A:3-1 et seq.). In considering the ordinance, the board may require the governing body to adopt resolutions restricting or limiting any future issuance of bonds for any purpose.

Upon the issuance of such bonds and certification to the State Treasurer of the name and address of the paying agent, the maturity schedule, interest rates and dates of payment of debt service, the State Treasurer shall withhold municipal qualified revenues payable to the municipality in amounts sufficient to pay debt service on such bonds as the same shall mature and become due. The State Treasurer shall on or before each principal and interest payment date forward such withheld amounts to the paying agent for the sole purpose of paying debt service on such bonds. As such withheld amounts are forwarded to the paying agent, the district agent shall return a like amount of eligible revenues received by the district agent, if any, which may be applied to the payment of municipal operating expenses.

Any financial instrument issued by a district agent that is secured in whole or in part by eligible revenues shall be subject to the review and approval of the board. That review and approval shall be made prior to approval of a resolution or agreement authorizing the financing. The board
shall be entitled to receive from the applicant an amount sufficient to provide for all reasonable professional and other fees and expenses incurred by it for the review, analysis and determination with respect thereto. As part of its review, the board shall specifically solicit comments from the Office of State Planning in addition to comments from the public. As part of the board's review and approval, it shall consider where appropriate one or more of the following: whether the redevelopment project or plan promotes approaches and concepts to reduce congestion; enhance mobility; assist in the redevelopment of our municipalities; and otherwise improve the quality of life our citizens.

C.52:27D-484 Power of district agent to secure payment.

36. In any resolution of the district agent authorizing or relating to the issuance of any bonds or notes, the district agent, in order to secure the payment of the bonds or notes and in addition to its other powers, shall have power by provisions in that resolution, which shall constitute covenants by the district agent and contracts with the holders of the bonds or notes, to:
   a. secure the bonds or notes as provided in section 35 of P.L.2001, c.310 (C.52:27D-483);
   b. covenant against pledging all or any part of its revenues or receipts from its lease, sales arrangement, service contracts or other security instruments, of the revenues or receipts under any of the foregoing or the proceeds thereof, or against mortgaging or leasing all or any part of its real or personal property then owned or thereafter acquired, or against permitting or suffering any of the foregoing;
   c. covenant with respect to limitations on any right to sell, mortgage, lease or otherwise dispose of any project or any part thereof or any property of any kind;

   e. covenant as to the issuance of additional bonds or notes or as to limitations on the issuance of additional bonds or notes and on the incurring of other debts by it;
   f. covenant as to the payment of the principal of or interest on the bonds or notes, or any other obligations, as to the sources and methods of the payment, as to the rank or priority of the bonds, notes or obligations with respect to any lien or security or as to acceleration of the maturity of the bonds, notes or obligations;
   g. provide for the replacement of lost, stolen, destroyed or mutilated bonds or notes;
h. covenant against extending the time for the payment of bonds or notes or interest thereon;

i. covenant as to the redemption of bonds or notes and privileges of exchange thereof for other bonds or notes of the district agent;

j. covenant as to the fixing and collection of rents, fees, rates and other charges, the amount to be raised each year or other period of time by rents, fees, rates and other charges and as to the use and disposition to be made thereof;

k. covenant to create or authorize the creation of special funds or moneys to be held in pledge or otherwise for construction, operating expenses, tax rebate, payment or redemption of bonds or notes; reserves or other purposes and as to the use, investment, and disposition of the moneys held in these funds;

l. establish the procedure, if any, by which the terms of any contract or covenant with or for the benefit of the holders of bonds or notes may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which the consent may be given;

m. covenant as to the construction, improvement, operation or maintenance of any project and its other real and personal property, the replacement thereof, the insurance to be carried thereon, and the use and disposition of insurance moneys;

n. provide for the release of property, leases or other agreements, or revenues and receipts from any pledge or mortgage and to reserve rights and powers in, or the right to dispose of, property which is subject to a pledge or mortgage;

o. provide for the rights and liabilities, powers and duties arising upon the breach of any covenant, condition or obligation and prescribe the events of default and the terms and conditions upon which any or all of the bonds, notes or other obligations of the district agent shall become or may be declared due and payable before maturity and the terms and conditions upon which the declaration and its consequences may be waived;

p. vest in a trustee or trustees within or without the State such property rights, powers and duties in trust as the district agent may determine, including the right to foreclose any mortgage, which may include any or all of the rights, powers and duties of any trustee appointed by the holders of any bonds or notes issued pursuant to this section and to limit or abrogate the right of the holders of any bonds or notes of the district agent to appoint a trustee under the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.), and to limit the rights, duties and powers of the trustee;

q. execute all mortgages, leases, sales agreements, service contracts, bills of sale, conveyances, deeds of trust and other instruments necessary or
convenient in the exercise of its powers or in the performance of its
covenants or duties:

t. pay the costs or expenses incident to the enforcement of the bonds
or notes or of the provisions of the resolution or of any covenant or
agreement of the district agent with the holders of its bonds or notes;

s. limit the rights of the holders of any bonds or notes to enforce any
pledge or covenant securing bonds or notes; and

t. make covenants other than or in addition to the covenants autho-
rized by the "Revenue Allocation District Financing Act," P.L.2001, c.310
(C.52:27D-459 et seq.) of like or different character, and to make such
covenants to do or refrain from doing such acts and things as may be
necessary, or convenient and desirable, in order to better secure bonds or
notes or which, in the absolute discretion of the district agent will tend to
make bonds or notes more marketable, notwithstanding that the covenants,
acts or things may not be enumerated herein.

C.52:27D-485 Pledge of district agent valid, binding.

37. Any pledge of revenues, receipts, moneys, funds, levies, sales
agreements, service contracts or other property or instruments made by the
district agent shall be valid and binding from the time when the pledge is
made. The revenues, receipts, moneys, funds or other property so pledged
and thereafter received by the district agent or a subsidiary shall immedi-
ately be subject to the lien of the pledge without any physical delivery
thereof or further act, and the lien of any pledge shall be valid and binding
as against all parties having claims of any kind in tort, contract or otherwise
against the district agent irrespective of whether the parties have notice
thereof. Neither the resolution nor any other instrument by which a pledge
under this section is created need be filed or recorded except in the records
of the district agent.

C.52:27D-486 Immunity from personal liability.

38. Neither the directors of the district agent nor any person executing
bonds or notes issued pursuant to the "Revenue Allocation District
personally on the bonds or notes by reason of the issuance thereof.

C.52:27D-487 Establishment of reserves, funds, account.

39. The district agent may establish such reserves, funds or account as
may be, in its discretion, necessary or desirable to further the accomplish-
ment of the purposes of the district agent or to comply with the provisions
of any agreement made by or any resolution of the district agent.

thereof, all banks, trust companies, savings banks and institutions, building
and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.), and such bonds or notes shall be authorized security for any and all public deposits.

Bonds, notes or other obligations issued pursuant to the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.) are for an essential public and governmental purpose, and the bonds, notes or other obligations, their transfer and the interest and premium, if any, thereon and the income therefrom, including any profit made on the sale thereof, and all assessments, charges, funds, revenues, income and other moneys pledged or available to pay or secure the payments of the bonds, or interest thereon, shall be exempt from taxation of every kind by the State and the municipality, except transfer inheritance and estate taxes unless exemptions from those taxes have been provided under other laws.

C.52:27D-489 Severability.

41. If any section, part, phrase, or provision of the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.) of the application thereof to any person, project or circumstances, be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the section, part, phrase, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of the "Revenue Allocation District Financing Act," P.L.2001, c.310 (C.52:27D-459 et seq.) or the application thereof to other persons, projects or circumstances.

42. Section 29 of P.L.1992, c.79 (C.40A:12A-29) is amended to read as follows:

C.40A:12A-29 Issuance of bonds, notes.

29. a. Bonds and notes issued by a redevelopment entity pursuant to this act shall be authorized by resolution of the redevelopment entity and may be issued in one or more series and shall be sold in any one of the following manners: (1) at public sale at not less than par after advertisement in a newspaper of general circulation in the municipality or county and in a

43. Section 30 of P.L.1992 c.79 (C.40A:12A-30) is amended to read as follows:

C.40A:12A-30 Power of redevelopment entity issue bonds, notes.

30. a. A redevelopment entity shall have the power and is hereby authorized to issue, from time to time, its bonds, bond anticipation notes and other notes and obligations in such principal amounts as in its opinion shall be necessary to provide sufficient funds for achieving any of its corporate purposes, including, but not limited to: the making of mortgage loans, the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, bond anticipation notes and other notes and obligations issued by it whether or not such have become due; the establishment or increase of reserves to secure or to pay such bonds, bond anticipation notes and other notes and obligations or interest thereon; and all costs or expenses incident to and necessary or convenient to carry out its corporate purposes and powers.

CHAPTER 310, LAWS OF 2001

bond anticipation notes or other notes or obligations as to which the
principal and interest are payable: (1) exclusively from the income and
revenues of the redevelopment entity resulting from projects financed with
the proceeds of such bonds, bond anticipation notes or other notes or
obligations; (2) exclusively from the income and revenues of the redevelop-
ment entity resulting from certain projects, whether or not such projects
were financed in whole or in part from the proceeds of such bonds, bond
anticipation notes or other notes or obligations; or, (3) from its revenues
generally. Any bonds, bond anticipation notes or other notes or obligations
may be additionally secured by a pledge of any grant, subsidy or contribu-
tion from the United States of America or an agency or instrumentality
thereof or the State or any agency, instrumentality or political subdivision
thereof, or any person, firm or corporation or a pledge of any income or
revenues, funds or moneys of the redevelopment entity from any source
whatsoever.

c. Whether or not the bonds, bond anticipation notes and other notes
and obligations issued pursuant to this act are of such form and character as
to be negotiable instruments under the terms of Title 12A, Commercial

a redevelopment entity issued under the provisions of this act shall not be
in any way a debt or liability of the State or of any political subdivision
thereof other than the redevelopment entity and shall not create or constitute
any indebtedness, liability or obligation of the State or of any political
subdivision, nor be or constitute a pledge of the faith and credit of the State
or of any political subdivision; but all such bonds, bond anticipation notes
and other notes and obligations, unless funded or refunded by bonds, bond
anticipation notes or other notes or obligations of the redevelopment entity
shall be payable from revenues or funds pledged or available for their
payment as authorized in this act. Each bond, bond anticipation note or
other note or obligation shall contain on its face a statement to the effect that
the redevelopment entity is obligated to pay the principal thereof or the
interest thereon only from the revenues or funds of the redevelopment
entity, and that neither the State nor any political subdivision thereof is
obligated to pay such principal or interest, and that neither the faith and
credit nor the taxing power of the State or any political subdivision thereof
is pledged to the payment of the principal of or the interest on such bonds,
bond anticipation notes or other notes or obligations.
e. All expenses incurred in carrying out the provisions of this act shall be payable solely from revenues or funds provided or to be provided under the provisions of this act, and nothing in this act shall be construed to authorize a redevelopment entity to incur indebtedness or liability on behalf of or payable by this State or any political subdivision thereof.

44. Section 31 of P.L.1992, c. 79 (C.40A:12A-31) is amended to read as follows:

Any bond resolution of a redevelopment entity providing for or authorizing the issuance of any bonds may contain provisions, and such entity, in order to secure the payment of such bonds and in addition to its other powers, shall have power by provision in such bond resolution to covenant and agree with the several holders of such bonds, as to:

a. The custody, security, use, expenditure or application of the proceeds of the bonds;

b. The construction and completion, or replacement, of any project;

i. (1) Commencing July 1, 2004 and until five years after the date of enactment of P.L.2001, c.315, when the department, a local government unit, or a qualifying tax exempt nonprofit organization seeks to acquire lands for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part or Green Acres bond act moneys in whole or in part, it shall conduct or cause to be conducted an appraisal or appraisals of the value of the lands that shall be made using the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and associated requirements and standards applicable to the lands subject to the appraisal (a) in effect at the time of proposed acquisition, and (b) in effect on November 3, 1998 as if those rules and regulations and associated requirements and standards are still in effect at the time of proposed acquisition. The higher of those two values shall be utilized by the department, a local government unit, or a qualifying tax exempt nonprofit organization as the basis for negotiation with the landowner with respect to the acquisition price for the lands. The landowner shall be provided with both values determined pursuant to this paragraph. A landowner may waive any of the requirements of this paragraph and may agree to sell the lands for less than the values determined pursuant to this paragraph.

(2) The requirements of this subsection shall be in addition to any other requirements of law, rule, or regulation not inconsistent therewith.

(3) This subsection shall not:

(a) apply if the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and associated requirements and standards applicable to the lands at the time of proposed acquisition have not changed since November 3, 1998;

(b) apply in the case of lands to be acquired with federal moneys in whole or in part;

(c) apply in the case of lands to be acquired in accordance with subsection c. of this section; or

(d) alter any requirements to disclose information to a landowner pursuant to the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).
2. Section 38 of P.L.1999, c.152 (C.13:8C-38) is amended to read as follows:

C.13:8C-38 Acquisitions, grants with respect to farmland preservation.

38. a. All acquisitions or grants made pursuant to section 37 of this act shall be made with respect to farmland devoted to farmland preservation under programs established by law.

b. The expenditure and allocation of constitutionally dedicated moneys for farmland preservation purposes shall reflect the geographic diversity of the State to the maximum extent practicable and feasible.

c. The committee shall implement the provisions of section 37 of this act in accordance with the procedures and criteria established pursuant to the "Agriculture Retention and Development Act," P.L.1983, c.32 (C:4.1C-11 et seq.) except as provided otherwise by this act.

d. The committee shall adopt the same or a substantially similar method for determining, for the purposes of this act, the committee's share of the cost of a development easement on farmland to be acquired by a local government as that which is being used by the committee on the date of enactment of this act for prior farmland preservation funding programs.

e. Notwithstanding the provisions of section 24 of P.L.1983, c.32 (C:4.1C-31) or this act, or any rule or regulation adopted pursuant thereto, to the contrary, whenever the value of a development easement on farmland to be acquired using constitutionally dedicated moneys in whole or in part is determined based upon the value of any pinelands development credits allocated to the parcel pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.) and the pinelands comprehensive management plan adopted pursuant thereto, the committee shall determine the value of the development easement by:

(1) conducting a sufficient number of fair market value appraisals as it deems appropriate to determine the value for farmland preservation purposes of the pinelands development credits;

(2) considering development easement values in counties, municipalities, and other areas (a) reasonably contiguous to, but outside of, the pinelands area, which in the sole opinion of the committee constitute reasonable development easement values in the pinelands area for the purposes of this subsection, and (b) in the pinelands area where pinelands development credits are or may be utilized, which in the sole opinion of the committee constitute reasonable development easement values in the pinelands area for the purposes of this subsection;

(3) considering land values in the pinelands regional growth areas;

(4) considering the importance of preserving agricultural lands in the pinelands area; and
(5) considering such other relevant factors as may be necessary to increase participation in the farmland preservation program by owners of agricultural lands located in the pinelands area.

f. No pinelands development credit that is acquired or obtained in connection with the acquisition of a development easement on farmland or fee simple title to farmland by the State, a local government unit, or a qualifying tax exempt nonprofit organization using constitutionally dedicated moneys in whole or in part may be conveyed in any manner. All such pinelands development credits shall be retired permanently.

g. (1) (a) For State fiscal years 2000 through 2004 only, when the committee, a local government unit, or a qualifying tax exempt nonprofit organization seeks to acquire a development easement on farmland or the fee simple title to farmland for farmland preservation purposes using constitutionally dedicated moneys in whole or in part, it shall conduct or cause to be conducted an appraisal or appraisals of the value of the lands that shall be made using the land use zoning of the lands (i) in effect at the time of proposed acquisition, and (ii) in effect on November 3, 1998 as if that land use zoning is still in effect at the time of proposed acquisition. The higher of those two values shall be utilized by the committee, a local government unit, or a qualifying tax exempt nonprofit organization as the basis for negotiation with the landowner with respect to the acquisition price for the lands. The landowner shall be provided with both values determined pursuant to this subparagraph.

A landowner may waive any of the requirements of this paragraph and may agree to sell the lands for less than the values determined pursuant to this paragraph.

(b) After the date of enactment of P.L.2001, c.315 and through June 30, 2004, in determining the two values required pursuant to subparagraph (a) of this paragraph, the appraisal shall be made using not only the land use zoning but also the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and associated requirements and standards applicable to the lands subject to the appraisal (i) in effect at the time of proposed acquisition, and (ii) in effect on November 3, 1998 as if those rules and regulations and associated requirements and standards are still in effect at the time of proposed acquisition.

(2) The requirements of this subsection shall be in addition to any other requirements of law, rule, or regulation not inconsistent therewith.

(3) This subsection shall not:

(a) apply if the land use zoning of the lands at the time of proposed acquisition, and the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and
associated requirements and standards applicable to the lands at the time of proposed acquisition, have not changed since November 3, 1998;

(b) apply in the case of lands to be acquired with federal moneys in whole or in part;

(c) apply in the case of lands to be acquired in accordance with subsection e. of this section;

(d) apply to projects funded using constitutionally dedicated moneys appropriated pursuant to the annual appropriations act for State fiscal year 2000 (P.L.1999, c.138); or

(e) alter any requirements to disclose information to a landowner pursuant to the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).

h. Any farmland for which a development easement or fee simple title has been acquired pursuant to section 37 of this act shall be entitled to the benefits conferred by the "Right to Farm Act," P.L.1983, c.31 (C.4:1C-1 et al.) and the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et al.).

i. (1) Commencing July 1, 2004 and until five years after the date of enactment of P.L.2001, c.315, when the committee, a local government unit, or a qualifying tax exempt nonprofit organization seeks to acquire a development easement on farmland or the fee simple title to farmland for farmland preservation purposes using constitutionally dedicated moneys in whole or in part, it shall conduct or cause to be conducted an appraisal or appraisals of the value of the lands that shall be made using the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and associated requirements and standards applicable to the lands subject to the appraisal (a) in effect at the time of proposed acquisition, and (b) in effect on November 3, 1998 as if those rules and regulations and associated requirements and standards are still in effect at the time of proposed acquisition. The higher of those two values shall be utilized by the committee, a local government unit, or a qualifying tax exempt nonprofit organization as the basis for negotiation with the landowner with respect to the acquisition price for the lands. The landowner shall be provided with both values determined pursuant to this paragraph. A landowner may waive any of the requirements of this paragraph and may agree to sell the lands for less than the values determined pursuant to this paragraph.

(2) The requirements of this subsection shall be in addition to any other requirements of law, rule, or regulation not inconsistent therewith.

(3) This subsection shall not:

(a) apply if the Department of Environmental Protection wastewater, water quality and watershed management rules and regulations and
associated requirements and standards applicable to the lands at the time of proposed acquisition have not changed since November 3, 1998;
(b) apply in the case of lands to be acquired with federal moneys in whole or in part;
(c) apply in the case of lands to be acquired in accordance with subsection e. of this section; or
(d) alter any requirements to disclose information to a landowner pursuant to the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).

Notwithstanding the provisions of section 8 of P.L.1961, c.49 (C.52:14-17.32), the State shall pay the premium or periodic charge for the benefits provided under this subsection to a member retiring under subsection c. of this section with fewer than 25 years of service credited in the retirement system, and the member's dependents covered under the program, but not including survivors.

e. Any member of the retirement system as of the effective date of P.L.1985, c.175 who is required to retire pursuant to subsection c. of this section shall be entitled to the retirement allowance provided for by subsection b. of this section, notwithstanding that the member shall have fewer than 20 years' creditable service.

CHAPTER 319

AN ACT concerning water supply management, and amending P.L.1981, c.262.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1981, c.262 (C.58:1A-7) is amended to read as follows:

C.58:1A-7 Diversion of water, permit, renewal; criteria for critical water supply concerns.

7. a. A person shall not divert more than 100,000 gallons per day of any waters of the State or construct any building or structure which may require a diversion of water unless the person obtains a diversion permit or water usage certification, as appropriate, pursuant to section 6 of P.L.1981, c.262 (C.58:1A-6).
b. Every diversion permit issued or water usage certification approved pursuant to section 6 of P.L.1981, c.262 (C.58:1A-6) shall be renewed by the department upon the expiration thereof, with any conditions deemed appropriate by the department, for the same quantity of water, except that the department may, after notice and public hearing, limit that quantity to the amount currently diverted, subject to contract, or reasonably required for a demonstrated future need. In designated areas of critical water supply concern, the department may, after notice and public hearing, modify the conditions of an existing diversion permit or water usage certification in order to (1) limit or reduce the quantity of water which lawfully may be diverted to the safe or dependable yield of the resource; (2) transfer the point of diversion; or (3) require a permittee to utilize alternate sources of water, upon a determination that the existing diversion or continued use of the same source in excess of the safe and dependable yield, as the case may be, adversely impacts or threatens to adversely impact the water resources of the State.

c. For any surface water or ground water source or area of the State that the department determines to be approaching conditions that may require the commissioner to designate that region as an area of critical water supply concern, and that meets the criteria established pursuant to subsection d. of this section, the department may, after notice and opportunity for public hearing, issue a temporary diversion permit which may be modified or terminated to any person seeking a new or modified permit to divert any waters of the State or to construct any building or structure or commence any activity which may require a diversion permit or water usage certification, as appropriate, pursuant to section 6 of P.L.1981, c.262 (C.58:1A-6).

The duration of any temporary permit issued by the department pursuant to this subsection shall be for no longer than five years. The department may alter the conditions or amount of water allowed to be diverted, terminate the permit or renew the temporary permit for a subsequent term.

For the duration of the temporary permit issued by the department pursuant to this subsection, the permittee shall actively seek an alternative for the permittee's long-term water supply needs which, in the department's opinion, may be viable for the permittee to replace the previously allowable diversion amount.

Whenever the department terminates or modifies the conditions of a temporary permit, the department shall provide adequate advance notice to the permittee of the department's intentions and the rationale therefor. The department's rationale may include, but need not be limited to, an explanation of the status of watershed and water supply planning and infrastructure conditions and improvement initiatives for surface water or ground water
sources or areas and alternatives which, in the department’s opinion, may be viable for the permittee to replace the previously allowable diversion amount. These alternatives may include, but need not be limited to, reuse of treated wastewater effluent or other alternatives approved by the department.

Nothing herein shall alter the authority of the department to administer and enforce the provisions of P.L.1981, c.262 (C.58:1A-1 et seq.) or P.L.1993, c.202 (C.58:1A-7.3 et al.) or any rules, regulations and orders adopted, issued or effective thereunder pertaining to designated areas of critical water supply concern.

Any procedures or requirements necessary to implement the provisions of this subsection shall be contained in rules and regulations adopted by the department pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

d. The department may issue a temporary permit pursuant to subsection c. of this section only when the proposed diversion, construction or activity is intended to serve the long-term water supply needs of the permittee and water users of Salem or Gloucester counties.

2. This act shall take effect immediately.

Approved January 3, 2002.

AN ACT concerning the reuse of treated effluent in industrial facilities, and supplementing P.L.1945, c.162 (C.54:10A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54:10A-531 Tax credit for purchase of effluent treatment, conveyance equipment.

1. a. (1) A taxpayer who in a privilege period purchases treatment equipment or conveyance equipment for use exclusively within this State, shall be allowed a credit as provided herein against the tax imposed for that privilege period pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5) in an amount equal to 50% of the cost of the treatment equipment or conveyance equipment less the amount of any loan received pursuant to section 5 of P.L.1981, c.278 (C.13:1E-96) and excluding the amount of any sales and use tax paid pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), provided that the Commissioner of the Department of Environmental Protection has issued a determination under subsection b. of this section that the operation of the system of equipment and the reuse of wastewater effluent that results therefrom are or will be beneficial to the environment. The amount of the credit claimed for the privilege period in which the purchase of treatment equipment or conveyance equipment is made, and the amount of credit claimed thereafter in each privilege period thereafter, shall not exceed 20% of the amount of the total credit allowable, shall not, together with any other credits allowed by law, exceed 50% of the tax liability which would be otherwise due, and shall not reduce the amount of tax liability to less than the statutory minimum provided in subsection (e) of section 5 of P.L.1945, c.162 (C.54:10A-5). An unused credit amount may be carried forward, if necessary, for use in future privilege periods. Notwithstanding any other provision of law, the order of priority in which the credit allowed under this section and
any other credits allowed by law may be taken shall be as prescribed by the director.

A taxpayer who, in a privilege period, purchased treatment equipment or conveyance equipment, but who did not receive approval of an application for determination pursuant to subsection b. of this section before filing a return for that privilege period, may, in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., and subject to the provisions of this section, file with the director a claim for the credit for that privilege period and any subsequent privilege period, as appropriate.

For the purposes of this section, "treatment equipment" means any equipment that is used exclusively to treat effluent from a primary wastewater treatment facility, which effluent would otherwise have been discharged into the waters of the State, for purposes of reuse in an industrial process thereafter, and "conveyance equipment" means any equipment that is used exclusively to transport that effluent to the facility in which the treatment equipment has been or is to be installed and to transport the product of that further treatment to the site of that reuse.

(2) If a person who purchases treatment equipment or conveyance equipment for which the Commissioner of the Department of Environmental Protection has issued a determination of environmentally beneficial operation pursuant to subsection b. of this section is a partnership, limited liability company, or other person classified as a partnership for federal tax purposes and not subject to the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), a portion of the amount of the credit otherwise allowed to the purchaser pursuant to paragraph (1) of this subsection shall be allowed to each owner of that purchaser that is subject to the tax in proportion to the owner's share of the income of the purchaser. The purchaser shall be treated as the taxpayer for the purpose of administering the provisions of this section.

b. In order to qualify for the tax credit pursuant to subsection a. of this section, the taxpayer shall apply for a determination from the Commissioner of the Department of Environmental Protection that the equipment with respect to which the credit is sought (1) qualifies as treatment equipment or conveyance equipment as defined in subsection a. of this section, and (2) is or will be in its operation, considered in conjunction with the reuse of the further treated wastewater effluent that results from that operation, beneficial to the environment. The application shall be submitted in writing in a form as the commissioner shall prescribe and shall specifically
include; the date or anticipated date of purchase of the equipment, a physical and functional description of the equipment, the cost, the name and address or location of each primary wastewater treatment facility from which effluent is or is to be received for further treatment, the name and address or location of each facility to which the effluent is or is to be conveyed after the further treatment for reuse, the nature of the reuse, the location of any site at which the wastewater that has been or is to be further treated is being or is to be discharged either prior to or after reuse, the volume of such wastewater that is or is to be reused, the portion of that volume that is or is to be consumed in that reuse and the portion thereof that is or is to be discharged thereafter, and the taxpayer's explanation of how the operation of the system and the reuse of the wastewater effluent that has been further treated are or will be beneficial to the environment. The application shall also include the taxpayer's affidavit that, to the best of the taxpayer's knowledge, the equipment has not previously qualified for a credit pursuant to this section either for the taxpayer or other owner or for a previous owner.

Upon approval of the application, the Commissioner of the Department of Environmental Protection shall submit a copy of the determination of equipment qualification and environmentally beneficial operation to the taxpayer and the Director of the Division of Taxation. When filing a tax return that includes a claim for a credit pursuant to this section, the taxpayer shall include a copy of the determination and the taxpayer's affidavit that the treatment equipment or conveyance equipment is or will be used exclusively in New Jersey. Any credit shall be initially allowed for the privilege period in which the equipment is purchased, and any unused portion thereof may be carried forward into subsequent privilege periods as provided in subsection a. of this section.

The Commissioner of the Department of Environmental Protection, in consultation with the Director of the Division of Taxation, shall adopt rules and regulations establishing technical and administrative requirements for the qualification of treatment equipment and conveyance equipment, and for the determination that the operation of a system of such equipment and the reuse of wastewater effluent that has been treated thereby are beneficial to the environment, for the purpose of establishing a taxpayer's eligibility for a credit pursuant to this section. In the development and adoption of the rules and regulations prescribed under this act and of any procedure for making application for a credit under subsection a. of this section, the commissioner, in consultation with
the director, shall to the greatest extent possible ensure that they are consolidated or consistent with any corresponding rules, regulations, and procedures established under P.L. , c. (C. ) (now pending before the Legislature as Senate Bill No. 1210 (IR) and Assembly Bill No. 2695 of 2000) and P.L.2001, c.322.

c. No amount of cost included in calculation of the credit allowed under this section shall be included in the costs for calculation of any other credit against the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5).

d. On or before January 31 of each year, the Commissioner of the Department of Environmental Protection shall submit a report to the Governor, the State Treasurer, and the Legislature setting forth the number of taxpayer applications under subsection b. of this section that were approved during the preceding calendar year and the cost of each type of equipment which has been determined to qualify for the credit.

C.54:10A-5.32 Temporary regulations for effluent treatment tax credit.

2. Notwithstanding the provisions of P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the Commissioner of the Department of Environmental Protection may, immediately upon filing with the Office of Administrative Law, adopt such temporary regulations as the commissioner deems necessary to implement the provisions of section 1 of P.L.2001, c.321 (C.54:10A-5.31), which regulations shall be effective for a period not to exceed 270 days from the date of the filing, but in no case after one year from the effective date of that P.L.2001, c.321. The regulations may thereafter be amended, adopted or readopted by the commissioner as the commissioner deems necessary in accordance with the requirements of P.L.1968, c.410.

3. This act shall take effect immediately and apply to purchases made in privilege periods beginning on or after July 1 next following enactment

1. Section 1 of P.L. 1981, c.546 (C.54:32B-8.36) is amended to read as follows:

C.54:32B-8.36 Recycling, effluent treatment, conveyance equipment; exemption from sales and use tax.

1. a. Receipts from the sales of recycling equipment are exempt from the tax imposed under the "Sales and Use Tax Act." For purposes of this subsection "recycling equipment" means any equipment which is used exclusively to sort and prepare solid waste for recycling or in the recycling of solid waste. "Recycling equipment" does not include conventional motor vehicles, or any equipment used in a process after the first marketable product is produced, or in the case of recycling iron or steel, any equipment used to reduce the waste to molten state and in any process thereafter.

b. (1) Receipts from the sales of treatment equipment or conveyance equipment are exempt from the tax imposed under the "Sales and Use Tax Act," provided that the Commissioner of the Department of Environmental Protection has determined that the operation of the system in which the equipment is being or is to be used, and the reuse of wastewater effluent that results from that operation, are or will be beneficial to the environment. For purposes of this subsection, "treatment equipment" means any equipment that is used exclusively to treat effluent from a primary wastewater treatment facility, which effluent would otherwise have been discharged into the waters of the State, for purposes of reuse in an industrial process thereafter, and "conveyance equipment" means any equipment that is used exclusively to transport that effluent to the facility in which the treatment equipment has been or is to be installed and to transport the product of that further treatment to the site of that reuse.

1. R.S.34:15-96 is amended to read as follows:

First report of accident.

34:15-96. First report of accident. Every employer who has made provisions for payment of obligations to an injured employee as required by article 5 of this chapter (R.S.34:15-70 et seq.) shall, upon the happening of any accident or the occurrence of any compensable occupational disease in its establishment, promptly furnish the insurance carrier, or the third party administrator, if applicable, with information necessary to enable it to carry out the intent of this chapter. Within three weeks after learning of an accident, or obtaining knowledge of the occurrence of a compensable occupational disease, every insurance carrier, third party administrator, statutory non-insured employer, including the State, county, municipality or school district, and duly authorized self-
insured employer not utilizing a third party administrator shall file a report designated as "first notice of accident" in electronic data interchange media with the Division of Workers' Compensation through the Compensation Rating and Inspection Bureau in a format prescribed by the Compensation Rating and Inspection Bureau with a report sent to the employer. The reports, if filed through interim vendors, shall not be used for any purpose other than formatting and transmitting this information to the Compensation Rating and Inspection Bureau and the Division of Workers' Compensation. For purposes of this section, "interim vendor" means a software supplier, network service provider, programming consultants or an insurance support organization, except that an insurance support organization may disclose the information to prevent the misrepresentation or nondisclosure of information which is material to an insurance claim.

If the employer disagrees with the report, the employer may prepare and sign an amended report and file it with the insurance carrier, or third party administrator, if applicable. Any resultant change shall be filed by the insurance carrier, or third party administrator, if applicable, with the Division of Workers' Compensation through the Compensation Rating and Inspection Bureau as provided for in this section.

The Compensation Rating and Inspection Bureau shall make provisions to insure that information received pursuant to this section shall be readily available to the Division of Workers' Compensation or any person authorized by the Commissioner of Labor pursuant to R.S.34:15-99.

2. R.S.34:15-98 is amended to read as follows:

Final report of accident.

34:15-98. Final report of accident. Not more than 26 weeks after an insurance carrier, third party administrator, self-insured employer or statutory non-insured employer learns that an employee has recovered so as to be able to resume work or has reached maximum medical improvement prior to resumption of work, the insurance carrier, third party administrator, self-insured employer or statutory non-insured employer shall prepare a final report, and take the steps necessary to have it copied to the employee. The report shall be transmitted to the Division of Workers' Compensation through the Compensation Rating and Inspection Bureau in the manner prescribed in R.S.34:15-96. This report shall be fully
prepared before presentation to the employee. It shall be unlawful to present any injured employee with a blank report to be later filled out and filed with the Compensation Rating and Inspection Bureau.

If the employee disagrees with the report, the employee may forward written objections directly to the Division of Workers' Compensation with a copy to the insurance carrier, third party administrator, self-insured employer or statutory non-insured employer, if applicable. Any resultant change to the final report shall be filed by the insurance carrier, third party administrator, self-insured employer or statutory non-insured employer with the Division of Workers' Compensation through the Compensation Rating and Inspection Bureau in the manner prescribed in R.S.34:15-96.

The report shall be retained by the insurance carrier, third party administrator, self-insured employer or statutory non-insured employer for 10 years. Any written objections forwarded by an employee to the Division of Workers' Compensation pursuant to this section shall be retained by the division for 10 years.

The Compensation Rating and Inspection Bureau shall insure that information received pursuant to this section shall be readily available to the Division of Workers' Compensation or any person authorized by the Commissioner of Labor pursuant to R.S.34:15-99.

**Report not public.**

34:15-99. Report not public. The reports of accidents filed with, or transmitted or forwarded to, the Division of Workers' Compensation or the Compensation Rating and Inspection Bureau, shall not be made public, and shall not be open to inspection unless, in the opinion of the Commissioner of Labor, some public interest shall so require, and such reports shall not be used as evidence against any employer in any suit or action at law brought by an employee for the recovery of damages.

4. Section 1 of P.L.1966, c.164 (C.34:15-128) is amended to read as follows:

the claimant, employer or insurance carrier to conduct an investiga-

proceeding;

(5) The division provides the information to another governmen-
tal agency pursuant to law, for a duly recognized purpose of that
agency, which agency shall not subsequently disclose any of the
information to any person, organization, entity or governmental
agency not entitled to receive the information from the Compensation
Rating and Inspection Bureau or the Division of Workers' Compensation pursuant to the workers' compensation law, R.S.
34:15-1 et seq.; or

(6) The information is information about the claimant requested

information and the claimant shall not be charged fees in excess of
the cost of providing copies of the information.
b. Notwithstanding any other provision of law, no information from records maintained by the Compensation Rating and Inspection Bureau pertaining to any work injury or illness or workers' compensation claim shall be disclosed to any business or other member of the public unless the bureau discloses the information in a manner which makes it impossible to identify the claimant.

c. Notwithstanding any other provision of law, no information provided by the division to any other governmental agency pursuant to subsection a. of this section shall be disclosed by the agency to any business or other member of the public unless the information is disclosed to the business or other member of the public in a manner which makes it impossible to identify the claimant.

Notwithstanding the restrictions on disclosure set forth under subsections a. through c. of this section, a claimant may authorize the release of records of the claimant to a specific person not otherwise authorized to receive the records, by submitting written authorization for the release to the division specifically directing the division to release workers' compensation records to that person. However, no such authorization directing disclosure of records to a prospective employer shall be valid, nor shall an authorization permitting disclosure of records in connection with assessing fitness or capability for employment be valid, and no disclosure of records shall be made with respect thereto, unless requested pursuant to and consistent with the federal "Americans with Disabilities Act of 1990," 42 U.S.C. s.12101 et seq. and the "Law Against Discrimination," P.L.1945, c.169 (C.10:5-1 et seq.). AN ACT concerning the Nurse Multistate Licensure Compact and supplementing Title 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.45:11A-1 Nurse Multistate Licensure Compact.

1. The State of New Jersey enacts and enters into the Nurse Multistate Licensure Compact with all other jurisdictions that legally join in the compact in the form substantially as follows:

   Article I. Findings and Statement of Purpose.

   1. The party states to this compact find that:

   a. The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;
   b. Violations of nurse licensure and other laws relating to the practice of nursing may result in injury or harm to the public;
   c. The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;
   d. New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex; and
   e. The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and the states.

   2. The general purposes of this compact are to:
a. Facilitate the states' responsibility to protect the health and safety of the public;
b. Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;
c. Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions;
d. Promote compliance with the laws governing the practice of nursing in each jurisdiction; and
e. Through the mutual recognition of party state licenses, authorize the party states to hold a nurse accountable for meeting all nurse practice laws in the state in which the patient is located at the time that care was rendered.

Article II. Definitions.

3. For the purposes of this compact, and of any supplemental or concurring legislation enacted under this compact, except as may be otherwise required by the context:

   b. "Alternative program" means a voluntary, nondisciplinary monitoring program approved by a nurse licensing board.
   c. "Compact" means this Nurse Multistate Licensing Compact.
   d. "Coordinated licensure information system" means an integrated process for collecting, storing, and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, that is administered by a nonprofit organization composed of and controlled by state nurse licensing boards.
   e. "Current significant investigative information" means investigative information that indicates a licensee:
      (1) has committed more than a minor infraction; or
      (2) represents an immediate threat to public health and safety.
   f. "Home state" means the party state that is the nurse's primary state of residence.
   g. "Home state action" means any administrative, civil, equitable, or criminal action permitted by the laws of the home state that is imposed on a nurse by the licensing board or other authority of the home state. "Home state action" includes: revocation, suspension or probation of a licensee; or any other action that affects a nurse's authorization to practice.
   h. "Licensee" means a person licensed by the New Jersey Board of Nursing or the nurse licensing board of a party state.
i. "Licensing board" means a party state's regulatory agency that is responsible for licensing nurses.

j. "Multistate licensure privilege" means the current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical or vocational nurse in a party state.

k. "Nurse" means a registered nurse or a licensed practical or vocational nurse as those terms are defined by the laws of each party state.

l. "Party state" means any state that has adopted this compact.

m. "Remote state" means the party state, other than the home state:
   (1) where the patient is located at the time nursing care is provided; or
   (2) in the case of the practice of nursing that does not involve a patient, where the recipient of nursing practices is located.

n. "Remote state action" means any:
   (1) administrative, civil, equitable, or criminal action permitted by the laws of the remote state which are imposed on a nurse by the remote state's nurse licensing board or other authority, including actions against an individual's multistate licensure privilege to practice in the remote state; and

o. "State" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

p. "State practice laws" means those individual party state's laws and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for disciplining nurses. "State practice laws" does not include the initial qualifications for licensure or the requirements necessary to obtain and retain a license, except for the qualifications and requirements of the home state.

Article III. General Provisions and Jurisdiction.

4. a. A license to practice registered nursing issued by a home state to a resident of that state shall be recognized by each party state as authorization for a multistate licensure privilege to practice as a registered nurse in a party state. A license to practice practical or vocational nursing issued by a home state to a resident in that state
shall be recognized by each party state as authorization for a multistate licensure privilege to practice as a licensed practical or vocational nurse in a party state. In order to obtain or retain a license, an applicant shall meet the home state's qualifications for licensure and license renewal, as well as other applicable state laws.

b. Party states may, in accordance with the due process laws of that state, limit, suspend or revoke the multistate licensure privilege of any licensee to practice in the state and may take any other actions under the applicable state laws necessary to protect the health and safety of the citizens of the party state. If a party state takes an action authorized by this section, it shall promptly notify the administrator of the coordinated licensure information system. The administrator shall promptly notify the home state of any actions by remote states.

c. Every licensee practicing in a party state shall comply with the state practice laws of the state in which the patient is located at the time that care is rendered. The practice of nursing is not limited to patient care, but shall include all nursing practice, as defined by the practice laws of a party state. The practice of nursing in a party state shall subject a nurse to the jurisdiction of the nurse licensing board and the laws and courts of the party state.

d. This compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

e. Persons not residing in a party state may continue to apply for nurse licensure in party states as provided for under the laws of each party state. The license granted to the person shall not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

Article IV. Application for Licensure in a Party State.

5. a. Upon receiving an application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether:

   (1) the applicant holds or has ever held a license issued by any other state;

   (2) there are any restrictions on the applicant's multistate licensure privilege; and
(3) any other adverse action by any state has been taken against the applicant's license.

b. A licensee in a party state shall hold licensure in only one party state at a time, which license shall be issued by the home state.

c. A licensee who intends to change his primary state of residence may apply for licensure in the new home state in advance of the change; however, a new license shall not be issued by a party state until after the licensee provides evidence of the change in the primary state of residence that is satisfactory to the new home state's licensing board.

d. When a licensee changes his primary state of residence by moving:
   (1) between two party states and obtains a license from the new home state, the license from the former home state is no longer valid;
   (2) from a nonparty state to a party state and obtains a license from the new home state, the license issued by the nonparty state shall not be affected and shall remain in full force if the laws of the nonparty state so provide; and
   (3) from a party state to a nonparty state, the license issued by the former home state converts to an individual state license that is valid only in the former home state. The license does not grant the multistate licensure privilege to practice in other party states.

Article V. Adverse Actions.

6. a. The remote state's nurse licensing board shall promptly report to the administrator of the coordinated licensure information system any remote state actions, including the factual and legal basis for the actions, if known. The remote state's nurse licensing board shall also promptly report any current significant investigative information yet to result in a remote state action. The administrator shall promptly notify the home state of any such reports.

b. The party state's nurse licensing board may complete any pending investigation of a licensee who changes his primary state of residence during the course of an investigation. It may also take appropriate action against a licensee, and shall promptly report the conclusion of the investigation to the administrator of the coordinated licensure information system. The administrator shall promptly notify the new home state of any action taken against a licensee.
c. A remote state may take adverse action that affects the multistate licensure privilege to practice within that party state; however, only the home state may take adverse action that affects a license that was issued by the home state.

d. For purposes of taking adverse action, the home state’s nurse licensing board shall give the same priority and effect to the conduct reported by a remote state that it would if the conduct had occurred in the home state. The board shall apply its own state laws to determine the appropriate action that should be taken against the licensee.

e. The home state may take adverse action based upon the factual findings of the remote state, if each state follows its own procedures for imposing the adverse action.

f. Nothing in this compact shall prohibit a party state from allowing a licensee to participate in an alternative program instead of taking adverse action against the licensee. If required by the party state’s laws, the licensee’s participation in an alternative program shall be confidential information. Party states shall require licensees who enter alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from the other party state.

Article VI. Additional Authority Invested in Party State Nurse Licensing Boards.

7. Notwithstanding any other powers, party state nurse licensing boards may:
   a. If otherwise permitted by state law, recover from the licensee the costs of investigating and disposing of cases that result in adverse action;
   b. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a party state nurse licensing board for the attendance and testimony of witnesses or the production of evidence from another party state, shall be enforced in the other party state by any court of competent jurisdiction, according to the practice and procedure of that court. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the laws of the party state where the witnesses or the evidence are located;
   c. Issue cease and desist orders to limit or revoke a licensee’s authority to practice in the board’s state; and
d. Adopt uniform rules and regulations that are developed by the compact administrators pursuant to Article VIII of this compact.

Article VII. Coordinated Licensure Information System.

8. a. All party states shall participate in a cooperative effort to create a coordinated database of all licensed registered nurses and licensed practical or vocational nurses. This system shall include information on the licensure and disciplinary history of each licensee, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.
   b. Notwithstanding any other provision of law to the contrary, the party states' nurse licensing boards shall promptly report to the coordinated licensure information system any adverse action taken against licensees, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, and any denials of applications for licensure, and the reasons for the denials.
   c. Current significant investigative information shall be transmitted through the coordinated licensure information system only to the party states' nurse licensing boards.
   d. Notwithstanding any other provision of law to the contrary, all party states' nurse licensing boards contributing information to the coordinated licensure information system may designate information that shall not be shared with nonparty states or disclosed to other individuals or entities without the express permission of the contributing party state.
   e. Any personally identifiable information obtained by a party state nurse licensing board from the coordinated licensure information system shall not be shared with nonparty states or disclosed to other individuals or entities except to the extent permitted by the laws of the party state contributing the information.
   f. Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall be expunged from the coordinated licensure information system.
   g. The compact administrators, acting jointly and in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection and exchange of information under this compact.
9. a. The executive director of the nurse licensing board of each party state, or the executive director's designee, shall be the administrator of this compact for that state.
   b. In New Jersey, the administrator of this compact shall be the Director of the Division of Consumer Affairs in the Department of Law and Public Safety or the director's designee.
   c. To facilitate the administration of this compact, the compact administrator of each party state shall furnish to the compact administrators of all other party states any information and documents concerning each licensee, including a uniform data set of investigations, identifying information, licensure data, and disclosable alternative program participation information.
   d. Compact administrators shall develop uniform rules and regulations to facilitate and coordinate implementation of this compact. These uniform rules shall be adopted by party states, pursuant to Article VI of this compact.

Article IX. Immunity.

10. A party state, and the officers, employees, or agents of a party state's nurse licensing board, who act in accordance with this compact shall not be liable for any good faith act or omission committed while they were engaged in the performance of their duties under this compact. Good faith shall not include willful misconduct, gross negligence or recklessness.

Article X. Effective Date, Withdrawal and Amendment.

11. a. This compact shall become effective as to any state when it has been enacted into the laws of that state. A party state may withdraw from the compact by enacting a statute repealing the compact, but the withdrawal shall not take effect until six months after the withdrawing state has given notice of the withdrawal to the compact administrators of all other party states.
   b. No withdrawal shall affect the validity or applicability of any report of adverse action taken by the nurse licensing board of a state that remains a party to the compact if the adverse action occurred prior to the withdrawal.
   c. This compact does not invalidate or prevent any nurse licensure agreement or other cooperative agreement between a party
state and a nonparty state that is made in accordance with this compact.

d. This compact may be amended by the party states. No amendment to this compact shall become effective and binding upon the party states until it is enacted into the laws of all party states.

Article XI. Construction and Severability.

12. a. This compact shall be liberally construed so as to effectuate the purposes of the compact. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of the United States or the constitution of the party states, or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance may not be affected. If this compact is held to be contrary to the constitution of a party state, this compact shall remain in full force and effect as to the remaining party states, and to the party state affected as to all severable matters.

b. In the event party states find a need for settling disputes arising under this compact, the party states shall submit the issues in dispute to an arbitration panel that shall consist of an individual appointed by the compact administrator in the home state, an individual appointed by the compact administrator in the remote states involved, and an individual appointed by the compact administrators of all of the party states involved in the dispute. The decision of a majority of the arbitrators shall be final and binding.

C.45:11A-2 Suspended, probationary nurse prohibited to practice in party state.

2. a. A State licensed nurse whose license is under suspension or under probation by the New Jersey Board of Nursing, or who is participating in an established treatment program which is an alternative to disciplinary action, shall not practice in any other party state during the term of the suspension, probation or participation without prior authorization from the other party state. The board may revoke the State license of a nurse under suspension, probation or participation who practices nursing in another party state without prior authorization from that state.

b. The multistate licensure privilege granted by this State pursuant to the compact is subject to revocation or other disciplinary action as the result of any disciplinary action imposed by a nurse's home state.
C.45:11A-3 Purpose of compact.

3. This compact is intended to facilitate the regulation of the practice of nursing and does not relieve employers from complying with contractual and statutorily imposed obligations.

C.45:11A-4 Provisions not abrogated, irreconcilable conflicts; omissions.

4. a. This compact shall not abrogate any provision in Title 45 of the Revised Statutes or any other title applicable to the practice of nursing in this State.

result of the enactment and adoption of a plethora of unrelated laws
and regulations addressing many and diverse issues. While these
actions by State government occurred in order to address a variety
of public concerns, they all shared a common philosophical under-
pinning: the mandatory implementation of State policy directives by
local government officials.

While the overwhelming majority of these statutes and regula-
tions was established by sincere-minded and well-intentioned public
officials in order to address legitimate public concerns, the collec-
tive regulatory weight of these mandates on local officials continues
to be a matter of deep concern and a subject that cries for legislative
relief.

In response to this decades long pattern of seemingly inexorable
increases in burdensome mandates from Trenton, local officials
repeatedly petition the Legislature for relief. In response to
entreaties of local officials, various committees of several Legisla-
tures have determined to continue to address the problem of
burdensome mandates on an expedited basis through the enactment
of omnibus acts that repeal or modify many of those mandates,
resolve administrative ambiguities and encourage more businesslike
practices. This is the fourth such omnibus mandate relief act.

2. R.S.39:4-8 is amended to read as follows:

Commissioner of Transportation's approval required; exceptions.

39:4-8. a. Except as otherwise provided in this section, no
ordinance or resolution concerning, regulating or governing traffic
or traffic conditions, adopted or enacted by any board or body
having jurisdiction over highways, shall be of any force or effect
unless the same is approved by the Commissioner of Transportation,
according to law. The commissioner shall not be required to
approve any such ordinance, resolution or regulation, unless, after
investigation by him, the same shall appear to be in the interest of
safety and the expedition of traffic on the public highways.

b. In the case of totally self-contained streets under municipal
jurisdiction which have no direct connection with any street in any
other municipality, or in the case of totally self-contained streets
under county jurisdiction which have no direct connection with any
street in any other county, the municipality or county may, by
ordinance or resolution, as appropriate, without the approval of the
Commissioner of Transportation, designate parking restrictions, no
passing zones, mid-block crosswalks and crosswalks at intersections,
except that in the case of any streets under municipal jurisdiction, the municipality may, by ordinance, designate reasonable and safe speed limits and in the case of totally self-contained streets under county jurisdiction which have no direct connection with any street in any other county, the county may, by ordinance or resolution, as appropriate, designate reasonable and safe speed limits, and erect appropriate signs, designate any intersection as a stop or yield intersection and erect appropriate signs and place longitudinal pavement markings delineating the separation of traffic flows and the edge of the pavement, provided that the municipal or county engineer shall, under his seal as a licensed professional engineer, certify to the municipal or county governing body, as appropriate, that any designation or erection of signs or placement of markings: (1) has been approved by him after investigation by him of the circumstances, (2) appears to him to be in the interest of safety and the expedition of traffic on the public highways and (3) conforms to the current standards prescribed by the Manual of Uniform Traffic Control Devices for Streets and Highways, as adopted by the Commissioner of Transportation.

A certified copy of the adopted ordinance or resolution, as appropriate, shall be transmitted by the clerk of the municipality or county, as appropriate, to the commissioner within 30 days of adoption, together with a copy of the engineer's certification; a statement of the reasons for the engineer's decision; detailed information as to the location of streets, intersections and signs affected by any designation or erection of signs or placement of markings; and traffic count, accident and speed sampling data, when appropriate. The commissioner, at his discretion, may invalidate the provisions of the ordinance or resolution within 90 days of receipt of the certified copy if he reviews it and finds that the provisions of the ordinance or resolution are inconsistent with the Manual of Uniform Traffic Control Devices for Streets or Highways; are inconsistent with accepted engineering standards; are not based on the results of an accurate traffic and engineering survey; or place an undue traffic burden or impact on streets in an adjoining municipality or negatively affect the flow of traffic on the State highway system.

Nothing in this subsection shall allow municipalities to designate any intersection with any highway under State or county jurisdiction as a stop or yield intersection or counties to designate any intersection with any highway under State or municipal jurisdiction as a stop or yield intersection.
c. Subject to the provisions of R.S.39:4-138, in the case of any street under municipal or county jurisdiction, a municipality or county may, without the approval of the Commissioner of Transportation, do the following:

By ordinance or resolution:
(1) prohibit or restrict general parking;
(2) designate restricted parking under section 1 of P.L.1977, c.309 (C.39:4-197.6);
(3) designate time limit parking;
(4) install parking meters.

By ordinance, resolution or regulation:
(1) designate loading and unloading zones and taxi stands;
(2) approve street closings for periods up to 48 continuous hours; and
(3) designate restricted parking under section 1 of P.L.1977, c.202 (C.39:4-197.5);

Nothing in this subsection shall allow municipalities or counties to establish angle parking or to reinstate or add parking on any street, or approve the closure of streets for more than 48 continuous hours, without the approval of the Commissioner of Transportation.

d. A municipality or county may, by ordinance or resolution, as appropriate, in any street under its jurisdiction, install or place an in-street pedestrian crossing right-of-way sign at a marked crosswalk or unmarked crosswalk at an intersection. The installation shall be subject to guidelines that shall be issued by the Commissioner of Transportation after consultation with the Director of the Office of Highway Traffic Safety in the Department of Law and Public Safety. The guidelines shall be aimed at ensuring safety to both pedestrians and motorists including, but not limited to, the proper method of sign installation, dimensions, composition of material, proper placement points and maintenance. A certified copy of the adopted ordinance or resolution shall be transmitted to the commissioner within 30 days of adoption. The commissioner, at his discretion, may invalidate the provisions of the ordinance or resolution within 90 days of receipt of the certified copy if he reviews it and finds that the provisions of the ordinance or resolution are inconsistent with the guidelines issued pursuant to this subsection. A claim against the State or a municipality or county for damage or injury under this subsection for a wrongful act or omission shall be dismissed if the municipality or county is deemed to have conformed to the guidelines required hereunder.
e. A municipality or county may, by resolution, in any street under its jurisdiction, designate stops, stations or stands for omnibuses. The designation shall be subject to guidelines that shall be issued by the Commissioner of Transportation. The guidelines shall be aimed at ensuring safety to both pedestrians and motorists including, but not limited to, the proper method of sign installation, dimensions, composition of material, proper placement points and maintenance. A certified copy of the adopted resolution shall be transmitted to the commissioner within 30 days of adoption. The commissioner, at his discretion, may invalidate the provisions of the ordinance or resolution within 90 days of receipt of the certified copy if he reviews it and finds that the provisions of the ordinance or resolution are inconsistent with the guidelines issued pursuant to this subsection. A claim against the State or a municipality or county for damage or injury under this subsection for a wrongful act or omission shall be dismissed if the municipality or county is deemed to have conformed to the guidelines required hereunder.

3. Section 1 of P.L.1984, c.219 (C.39:4-183.la) is amended to read as follows:

C.39:4-183.1a Installation of traffic control device, sign by municipality at request of school.

1. Notwithstanding any law to the contrary, a municipality may, upon the request of the appropriate board of education or, in the case of a private school, by the school’s governing body, provide by resolution for the installation of a traffic control device or sign consistent with the current standards prescribed by the Manual of Uniform Traffic Control Devices for Streets and Highways as adopted by the Commissioner of Transportation, to regulate motor vehicle traffic at an intersection located within 300 feet of any public or private school; provided that the municipal or county engineer shall, under the engineer’s seal as a licensed professional engineer, certify to the municipal or county governing body, as appropriate, that the traffic control or device has been approved by the engineer after the engineer’s investigation of the circumstances. Before a resolution shall take effect, however, the governing body shall submit a copy of the resolution to the Commissioner of Transportation for his review and approval together with detailed information as to the location of streets, intersections and signs affected by any installation, traffic count, accident and speed sampling data when appropriate, the municipal or county engineer’s certification, under the engineer’s seal as a licensed professional
engineer, to the municipal or county governing body, and any other information as the commissioner may require. If the commissioner disapproves the resolution, he shall file his disapproval, in writing, with a statement of the reasons for his disapproval, with the governing body within 90 days following the receipt of the resolution. If the commissioner approves the resolution or fails to file his disapproval within the 90-day review period, the resolution shall take effect immediately.

For the purposes of this section, the term "public or private school" has the meaning that term is given in N.J.S.18A:1-1.

4. Section 1 of P.L.1952, c.195 (C.40:5-2.11) is amended to read as follows:

1. The board of chosen freeholders of any county and the governing body of any municipality may by resolution appropriate and dedicate all or any portion of the revenues which it derives from parking meters in excess of the cost of purchase, installation, maintenance and operation of said parking meters, to the purposes of creation, purchase, construction and maintenance of off-street parking facilities.

The ordinance or resolution shall state that the governing body will not be submitting the question of forming a consolidation commission to the voters of that municipality by referendum. seq.), and shall name the participating municipalities for which a consolidation commission is proposed. C.52:14B-25 Definitions relative to certain mandate requirements, procedures for small municipalities.

13. a. For the purposes of this section:

"State mandate" means a program, service or activity that is to be performed or implemented by a local unit for or on behalf of its residents, which results in an added net cost to the local unit, and which is mandated in any statute enacted by the Legislature either prior to or after the effective date of this act. A "state mandated program" shall not include the following: any activity pertaining to a statute carrying criminal penalties; any mandate required by or arising from a court order or judgment; any program or service which is provided at local option under permissive State laws, rules, regulations or orders; any program which is required by private, special or local laws pursuant to Article IV, Section VII, paragraphs 8 and 10 of the State Constitution; any program required by or arising from an executive order of the Governor in exercising emergency powers granted by law; or any program mandated by federal law, rule, regulation or order.
"Small municipality" shall mean a municipality that has a limited population or geographic area according to criteria promulgated by the Director of the Division of Local Government Services in the Department of Community Affairs.

b. In developing and proposing a rule for adoption, the agency involved shall utilize approaches which will accomplish the objectives of applicable statutes while minimizing any adverse economic impact of the proposed rule on small municipalities. Consistent with the objectives of applicable statutes, the agency shall utilize such approaches as:

(1) The establishment of differing compliance or reporting requirements or timetables that take into account the resources available to small municipalities;
(2) The use of performance rather than design standards; and
(3) An exemption from coverage by the rule, or by any part thereof, for small municipalities so long as the public health, safety, or general welfare is not endangered, or if an exemption is not a possibility, the use of alternative methods of implementing the requirements of the rule.

c. In proposing a rule for adoption, the agency involved shall issue a State mandate flexibility analysis regarding the rule, which shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4). Each State mandate flexibility analysis shall contain:

(1) An estimate of the number of small municipalities to which the proposed rule will apply;
(2) A description of the reporting, record-keeping and other compliance requirements being proposed for adoption, and the kinds of professional services that a small municipality is likely to need in order to comply with the requirements;
(3) An estimate of the annual cost to a small municipality of complying with the rule; and
(4) An indication of how the rule, as proposed for adoption, is designed to minimize any adverse economic impact of the proposed rule on small municipalities.

d. This section shall not apply to any proposed rule which the agency finds would not impose reporting, record-keeping, or other compliance requirements on small municipalities. The agency's finding and an indication of the basis for its finding shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4).
e. In order to avoid duplicative action, an agency may consider a series of closely related rules as one rule for the purposes of complying with the requirements of this section.

f. In complying with the provisions of this section, an agency may provide either a quantifiable or numerical description of the effects of a proposed rule or more general descriptive statements, if quantification is not practicable or reliable.

Repealer.

15. This act shall take effect immediately.

CHAPTER 343

AN ACT establishing the New Jersey Commission on Italian and Americans of Italian Heritage Cultural and Educational Programs, supplementing chapter 4 of Title 18A of the New Jersey Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:4-42 Findings, declarations relative to Italian heritage and cultural and educational programs.

1. The Legislature finds and declares that:
   a. For the past several decades Hollywood and the communications media have continuously portrayed Italians and Americans of Italian heritage as mobsters, buffoons and other nefarious characters to such an extent that it appears to be an orchestrated program of cultural dismemberment and disdain which can and will promote ethnic bigotry and loss of cultural identity.
   b. The exposure of our children and others to this unrelenting barrage of negative images has led to the erosion and denigration of Italian-American culture, history and heritage. It has, furthermore, encouraged children to emulate negative role models and promoted the social acceptability of disrespect for and bigotry towards Italians and Americans of Italian heritage and their culture, history and heritage--a culture, history and heritage shared by over 22 percent of New Jersey's population.
c. The histories of our nation and our State have been significantly enriched by the heritage of Italians and Americans of Italian heritage. The cultural heritage of Italy includes the classical civilization of Rome, the fine arts of the Renaissance, the scientific and artistic genius of Da Vinci, the literary works of Dante and Petrarch, the operas of Verdi and Puccini and many other contributions that have ennobled civilization.

d. More than 5.4 million Italians emigrated to the United States between the years 1820 and 1991; today more than 2 million citizens of this State are of Italian descent. Our nation and our State have benefitted substantially from the influences and contributions of these men, women and children and their distinctive culture, history and heritage.

e. It is desirable to educate our citizens about the positive aspects of the culture, music, art, language, history and heritage of Italians and Americans of Italian heritage.

f. It is the policy of the State of New Jersey that the culture, history and heritage of Italians and Americans of Italian heritage are a proper concern for all people, particularly students enrolled in the schools of this State.

g. It is appropriate and desirable that programs, workshops, institutes, seminars and other teacher-training activities for the study of the culture, history and heritage of Italians and Americans of Italian heritage be conducted at the various high schools and institutions of higher education in this State.

h. It is fitting and proper to establish a permanent State-level commission to survey, design, encourage and promote the implementation of Italian and Americans of Italian heritage cultural and educational programs in this State, with responsibility for the coordination of events that will provide appropriate awareness and memorialization of the culture, history, heritage and language of Italians and Americans of Italian heritage on a regular basis throughout the State.

The public members shall be residents of the State who have served prominently as spokespersons for, or as leaders of, organizations in the Italian and Americans of Italian heritage community which serve members of religious, ethnic, national heritage or social groups or who are experienced in the field of Italian and Americans of Italian heritage education. To the greatest extent practicable, they shall be chosen with due regard to afford the commission with broad regional representation and ethnic diversity. At least one-half of the public members shall be of Italian descent.

b. Each public member of the commission shall serve for a term of three years, except that of the initial members so appointed: one member appointed by the President of the Senate, one member appointed by the Speaker of the General Assembly and two members appointed by the Governor shall serve for terms of one year; two members appointed by the President of the Senate, two members appointed by the Speaker of the General Assembly and three members appointed by the Governor shall serve for terms of two years; and two members appointed by the President of the Senate, two members appointed by the Speaker of the General Assembly and four members appointed by the Governor shall serve for terms of three years. Public members shall be eligible for reappointment. They shall serve until their successors are appointed and qualified, and the term of the successor of any incumbent shall be calculated from the expiration of the term of that incumbent. A vacancy occurring other than by expiration of term shall be filled in the same manner as the original appointment, but for the unexpired term only.
c. The members of the commission shall serve without compensation, but they shall be entitled to reimbursement for all necessary expenses incurred in the performance of their duties.

d. The commission annually shall elect a chairman from among its members. It shall meet upon the call of the chairman or of a majority of the commission members. The presence of a majority of the authorized membership of the commission shall be required for the conduct of official business.

In furtherance of this responsibility, the commission shall be authorized to contact and cooperate with existing Italian and Americans of Italian heritage public or private nonprofit resource organizations and may act as a liaison concerning issues and topics involving and relating to the culture, history and heritage of Italians and Americans of Italian
heritage to members of the United States Senate and House of Representatives and the New Jersey Senate and General Assembly;

To prepare reports for the Governor and the Legislature regarding its findings and recommendations to facilitate the inclusion of Italian and Americans of Italian heritage studies and special programs memorializing the culture, history and heritage of Italians and Americans of Italian heritage in the educational system of this State; and

g. To develop, in consultation with the State Department of Education, curriculum guidelines for the teaching of subjects and topics concerning and relating to the culture, history and heritage of Italians and Americans of Italian heritage. To the greatest extent practicable, each board of education shall incorporate those guidelines as part of the curriculum for its district's elementary and secondary school students.

C.18A:4-45 Assistance to commission.

4. a. The commission is authorized to call upon any department, office, division or agency of the State, or of any county, municipality or school district of the State, to supply such data, program reports and other information, personnel and assistance as it deems necessary to discharge its responsibilities under this act.

b. These departments, offices, divisions and agencies shall, to the extent possible, and not inconsistent with any other law of this State, cooperate with the commission and shall furnish it with such
information, personnel and assistance as may be necessary or helpful to accomplish the purposes of this act.

C.18A:4-46 Duties of commission relative to Institute of Italian and Italian American Heritage Studies.

5. a. The commission shall create, establish and oversee the Institute of Italian and Italian American Heritage Studies as an entity whose purpose is to assist the commission in implementation of its responsibilities as identified in section 3 of this act, P.L.2001, c.343 (C.18A:4-44). The commission shall function as the board of governors for the institute. The commission shall appoint an executive director of the institute who shall serve at its pleasure.

b. The commission shall survey the New Jersey four-year universities and colleges that have an advanced degree program in the fields of Italian and/or Italian American studies and select one to serve as host to the institute. The Commissioner of Human Services, in consultation with the New Jersey Task Force on Child Abuse and Neglect, shall establish standards for a county team. AN ACT requiring the State to sell and convey to Morris County a portion of Greystone Park Psychiatric Hospital property.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. a. (1) The portions, located as described in paragraph (2) of this subsection, of the 671± acres of real property, including the improvements thereon, owned by the State, known as the Greystone Park Psychiatric Hospital, are hereby declared to be surplus to the needs of the hospital and the State and are deemed appropriate and usable for preservation, recreation, or conservation purposes, as well as for the provision of services to the public by local governmental or private not-for-profit entities. The Attorney General is hereby authorized to sell and convey all of the State's interest in those portions of real property, and improvements thereon, owned by the State to the County of Morris, in accordance with the provisions and schedule set forth in this section. During the period ending six months after the effective date of this act, the county shall be permitted, before entering into any agreement for the sale and conveyance of such property interest, to enter upon the real property for the purpose of examining and evaluating the condition thereof, and the State shall provide the county at its request with any information or other assistance reasonably necessary for the conduct of that examination and evaluation. The sale and conveyance of this property is declared to be in the best interests of the State.

(2) The portions of real property and improvements thereon to be sold and conveyed pursuant to paragraph (1) of this subsection shall be those designated on the map thereof prepared by the Office of the County Engineer of the County of Morris and generally meeting the following descriptions:

If the description of either portion of land, as set forth in the foregoing provisions of this paragraph, varies from the designation of that portion as it appears on the map, the Attorney General, in consultation with the governing body of the County of Morris, is authorized and directed, in preparing the instrument of conveyance, to conform the instrument's description of that portion to the designation indicated by the map.

b. (1) The deed conveying the property described in subsection a. of this section from the State to the County of Morris shall contain appropriate restrictions limiting the use of the property for preservation, recreation, or conservation purposes, but also permitting use for the purpose of providing services to the public by local governmental or private not-for-profit entities simultaneously with the use of the property for preservation, recreation, or conservation purposes. Upon the conveyance, the County of Morris shall agree to assume responsibility for the preservation, management and maintenance of the property and to provide public access thereto.
(2) (a) Prior to the execution of the sale and conveyance of the property described in subsection a. of this section, the State shall conduct a review and determination of any abatement of hazardous materials or remediation of environmental conditions that would be required on the property both if the land, buildings and structures are to be restored to habitable use and if the buildings and structures are to be demolished. A written report of this review and determination shall be submitted to the County of Morris upon completion. The review shall be completed within 90 days following the effective date of this act.

(b) If the report contains a determination that abatement or remediation is needed, the State and the County of Morris shall enter into a written agreement, prior to the execution of the sale and conveyance, as to which entity shall be responsible for the abatement or remediation, and the schedule for the abatement and remediation to be undertaken and completed by the State, if any, before the sale and conveyance or after.

(c) The property shall be conveyed to the County of Morris in an "as is" condition with no responsibility assumed or expenditure made by the State prior to, or as a condition of, the execution of the sale or conveyance, unless otherwise provided in a written agreement between the State and the County of Morris prior to the execution of the sale and conveyance, for any repair, reconstruction or renovation of the land, buildings or structures made necessary due to ordinary or extraordinary use, wear and tear, neglect, deterioration due to exposure to the elements, vandalism, or age, or for any infrastructure, habitability, life safety or building code upgrade or improvement to, nor any demolition on, the property. The State may assume responsibility for and make expenditure for such repair, reconstruction, renovation, upgrade or improvement if such is an integral part of any abatement or remediation to be undertaken and completed by the State in accordance with a written agreement entered into pursuant to subparagraph (b) of this paragraph.

c. The Attorney General shall be responsible for ensuring implementation with this act and for the expeditious execution of the sale and conveyance of the property described in subsection a. of this section in accordance with the schedule set forth in subsection e. of this section. The necessary documents required for the execution of the sale and conveyance, including any written agreements provided for in this section, shall be prepared by the Attorney General.
d. (1) The conveyance of the property described in subsection a. of this section shall be made free of all liens and other claims by third parties which adversely affect good and marketable title.

(2) The consideration to be paid to the State by the County of Morris for the sale and conveyance shall be the sum of one dollar, which shall be deposited into the State General Fund.

e. (1) Within 90 days following the effective date of this act, the Attorney General shall obtain a survey and inventory of the property described in subsection a. of this section necessary for the proper conveyance.

(2) If the property to be sold and conveyed is being used for the purposes of the hospital or State government on the effective date of this act, the execution of the sale and conveyance of that section in use may be delayed, but in no event longer than one year following the effective date of this act. If delay in the execution is necessary, the property shall be divided, into several sections but no more than three sections if necessary to ensure the efficacy of the conveyance, so that the section that is being used for hospital or State purposes is segregated from the whole for sale and conveyance at a later date.

(3) The County of Morris and the Attorney General may enter into a written agreement to extend, in whole or in part, the schedule provided for in this section for the sale and conveyance. If no such agreement is entered into prior to the 180th day following the effective date of this act, the schedule set forth in this section shall be implemented.

f. (1) Notwithstanding the provisions of P.L.1999, c.188 specifically or any other law, rule, or regulation to the contrary, the sale and conveyance described in this act shall not require the approval of the Department of the Treasury, Department of Human Services or the State House Commission, nor shall the sale and conveyance require any further approval of the Legislature.

(2) With respect to the Greystone Park Psychiatric Hospital property not conveyed under the provisions of subsection a. of this act, no portion of that property shall be used for any purpose other than (a) recreation and conservation, historic preservation, or
farmland preservation, or (b) the administration of programs and the provision of services by the Department of Human Services.

b. That the severe and persistent deterioration of these areas demands vigorous and coordinated efforts by private and public entities to restore their prosperity and enable them to resume significant contributions to the economic and social life of the State.

c. That the economic revitalization of these areas requires application of the skills and entrepreneurial vigor of private enterprise; and it is the responsibility of government to provide a framework within which encouragement be given to private capital investment in these areas, disincentives to investment be removed or abated, and mechanisms be provided for the coordination and cooperation of private and public agencies in restoring the economic viability and prosperity of these areas.

d. That certain urban areas which continue to experience high levels of unemployment should be able to continue to receive the aforementioned assistance and incentives necessary to promote economic revitalization of those areas.

e. That a business district with urban enterprise zones adjacent to it on two or more sides can be negatively impacted because the businesses in the adjacent enterprise zones are permitted to collect 50% less sales tax and thus have a significant advantage in competition for customers. The impacted business district can become economically distressed because there is a disincentive to businesses to invest in or stay in that business district.
2. Section 3 of P.L.1983, c.303 (C.52:27H-62) is amended to read as follows:

The annual average of unemployed persons and the average annual unemployment rates shall be estimated for the relevant calendar year by the Office of Labor Planning and Analysis of the State Department of Labor. In addition to those municipalities that qualify pursuant to the criteria set forth
above, that municipality accorded priority designation pursuant to subsection e. of section 7 of P.L.1983, c.303 (C.52:27H-66), that municipality set forth in paragraph (7) of section 3 of P.L.1995, c.382 (C.52:27H-66.1) and the municipalities in which the three additional enterprise zones, including the joint enterprise zone, are to be designated pursuant to criteria according priority consideration for designation of the zones pursuant to section 12 of P.L.2001, c.347 (C.52:27H-66.7) shall be deemed qualifying municipalities;

g. "Zone development plan" means a plan adopted by the governing body of a qualifying municipality for the development of an enterprise zone therein, and for the direction and coordination of activities of the municipality, zone businesses and community organizations within the enterprise zone toward the economic betterment of the residents of the zone and the municipality;

i. "Enterprise zone assistance fund" or "assistance fund" means the fund created by section 29 of P.L.1983, c.303 (C.52:27H-88); and

j. "UEZ-impacted business district" or "district" means an economically-distressed business district classified by the authority as having been negatively impacted by two or more adjacent urban enterprise zones in which 50% less sales tax is collected pursuant to section 21 of P.L.1983, c.303 (C.52:27H-80).
3. The authority shall designate a classification known as a "UEZ-impacted business district" for a municipality which can demonstrate to the authority that its business district is economically distressed and is being negatively impacted by the presence of two or more adjacent enterprise zones in which 50% less sales tax is collected pursuant to section 21 of P.L. 1983, c. 303 (C.52:27H-80).

4. a. A municipality shall apply to the authority for the classification of UEZ-impacted business district by submitting an application as required by the authority along with detailed findings made after a public hearing that the business district is economically distressed and that the adjacent enterprise zones are having a negative impact upon the municipality's business district.

b. In according consideration for designation of the UEZ-impacted business district classification authorized pursuant to section 3 of P.L.2001, c.347 (C.52:27H-66.2), the following criteria shall be utilized by the authority:

   (1) the district shall be located in a municipality which is between two municipalities each of which has an enterprise zone; and

   (2) the borders of the two enterprise zones of the adjacent municipalities shall in part be contiguous to the border of the applicant municipality.

b. The reduced rate revenues authorized by this section and received from the taxation of retail sales made by qualified businesses in the UEZ-impacted business district shall be deposited in the General Fund and not allocated in accordance with section 21 of the "New Jersey Urban Enterprise Zones Act," P.L.1983, c.303 (C.52:27H-80), to the enterprise zone assistance fund.

If upon conducting a hearing, the authority finds that the business district continues to be economically distressed and negatively impacted by the remaining adjacent enterprise zone, the UEZ-impacted business district designation shall be continued. The designation of UEZ-impacted business district shall terminate automatically when the duration of the last enterprise zone adjacent to the district ends.

7. Section 4 of P.L.1983, c.303 (C.52:27H-63) is amended to read as follows:

C.52:27H-63 New Jersey Urban Enterprise Zone Authority.

Except as otherwise provided by section 11 of P.L.2001, c.347 (C.52:27H-66.6), any designation granted shall be for a period of 20 years, beginning with the year in which a zone is eligible for an exemption to the extent of 50% of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), and shall not be renewed at the end of that period. In designating enterprise zones the authority shall seek to avoid excessive geographic concentration of zones in any particular region of the State. At least six of the 10 additional enterprise zones authorized pursuant to section 3 of P.L.1993, c.367 shall be located in counties in which enterprise zones have not previously been designated and shall be designated within 90 days of the date of the submittal of an application and zone development plan. The following criteria shall be utilized in according priority consideration for designation of these zones by the authority:

b. Two zones shall be located in a county of the second class with a population greater than 445,000 and less than 455,000 according to the latest federal decennial census, one of which shall be located in the qualifying municipality in that county with the highest annual average number of unemployed persons and the highest average annual unemployment rate for the 1992 calendar year according to the estimate by the State Department of Labor, and one of which shall be located in the qualifying municipality in that county with the second highest annual average number of unemployed persons and the second highest average annual unemployment rate for the 1992 calendar year according to the estimate by the State Department of Labor;

9. Section 21 of P.L.1983, c.303 (C.52:27H-80) is amended to read as follows:

C.52:27H-80 Sales tax exemption for retail sales.

Any vendor, which is a qualified business having a place of business located in a designated enterprise zone or in a designated UEZ-impacted business district, may apply to the Director of the Division of Taxation in the Department of the Treasury for certification pursuant to this section. The director shall certify a vendor if he shall find that the vendor owns or leases and regularly operates a place of business located in the designated enterprise zone or in the designated UEZ-impacted business district for the purpose of making retail sales, that items are regularly exhibited and offered for retail sale at that location, and that the place of business is not utilized primarily for the purpose of catalogue or mail order sales. The certification under this section shall remain in effect during the time the business retains its status as a qualified business meeting the eligibility criteria of section 27 of P.L.1983, c.303
(C.52:27H-86). However, the director may at any time revoke a certification granted pursuant to this section if he shall determine that the vendor no longer complies with the provisions of this section.

Notwithstanding the provisions of this act to the contrary, except as may otherwise be provided by section 7 of P.L.1983, c.303 (C.52:27H-66), the authority may, in its discretion, determine whether or not the provisions of this section shall apply to any enterprise zone designated after the effective date of P.L.1985, c.142 (C.52:27H-66 et al.); provided, however, that the authority may make such a determination only where the authority finds that the award of an exemption of 50 percent of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) will not have any adverse economic impact upon any other urban enterprise zone.

Notwithstanding any other provisions of law to the contrary, except as provided in subsection b. of section 6 of P.L.1996, c.124 (C.13:1E-116.6), after first depositing 10 percent of the gross amount of all revenues received from the taxation of retail sales made by certified vendors from business locations in designated enterprise zones to which this exemption shall apply into the account created in the name of the authority in the enterprise zone assistance fund pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88), the remaining 90 percent shall be deposited immediately upon collection by the Department of the Treasury, as follows:

a. In the first five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, all such revenues shall be deposited in the enterprise zone assistance fund created pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88);

b. In the second five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 66 2/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 33 1/3% shall be deposited in the General Fund;

c. In the third five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 33 1/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 66 2/3% shall be deposited in the General Fund;

d. In the final five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, but not to exceed the life of the enterprise zone, all those revenues shall be deposited in the General Fund.
Commencing on the effective date of P.L.1993, c.144, all revenues in any enterprise zone to which the provisions of this section have been extended prior to the enactment of P.L.1993, c.144 shall be deposited into the enterprise zone assistance fund until there shall have been deposited all revenues into that fund for a total of five full years, as set forth in subsection a. of this section. The State Treasurer then shall proceed to deposit funds into the enterprise zone assistance fund according to the schedule set forth in subsections b. through d. of this section, beginning at the point where the enterprise zone was located on that schedule on the effective date of P.L.1993, c.144. No enterprise zone shall receive the deposit benefit granted by any one subsection of this section for more than five cumulative years.

The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of P.L.1983, c.303 (C.52:27H-88), subject to annual appropriations being made for those purposes and uses.

10. Section 27 of P.L.1983, c.303 (C.52:27H-86) is amended to read as follows:

C.52:27H-86 Eligibility for incentives.

27. To be eligible for any of the incentives provided under this act a qualified business must demonstrate to the satisfaction of the authority that:

a. The business will create new employment in the municipality;

b. The business will not create unemployment in other areas of the State, including the municipality in which the zone or UEZ-impacted business district is located.

c. For the purposes of eligibility for the incentives provided under sections 17, 19, 20, and 21 of P.L.1983, c.303 (C.52:27H-76, 52:27H-78, 52:27H-79, and 52:27H-80, respectively), a qualified business shall not be required to meet the requirements of subsection a. of this section, if:

(1) At the time of designation of the enterprise zone or at the time zone designation is extended by expansion to the location of a business or at the time of designation of the UEZ-impacted business district, the qualified business had been engaged in the active conduct of a trade or business in that zone or in the added area of that zone or in that district for at least one year prior to that designation or expansion;
(2) The qualified business employs fewer than 50 employees; and
(3) The qualified business has entered into an agreement, approved by the authority, with the governing body of the qualifying municipality in which the enterprise zone is located or the municipality where the UEZ-impacted business district is located, under which the qualified business agrees to undertake an investment in the enterprise zone or district in lieu of the employment of new employees. An investment permitted under an agreement shall be in an amount and of a nature which the municipal governing body and the authority find shall contribute substantially to the economic attractiveness of the enterprise zone or district, and may include, but shall not be limited to:

(a) The improvement of the exterior appearance or customer facilities of the property constituting the place of business of the qualified business within the zone or district; provided that the improvement is of a permanent nature and not required to meet existing ordinances or code regulations; or

(b) Monetary contributions to the municipality to undertake improvements to increase the safety or attractiveness of the zone or district to businesses which may wish to locate there or to consumer visitors to the zone or district, including, but not limited to litter clean-up and control, landscaping, parking areas and facilities, recreational and rest areas and facilities, repair or improvements to public streets, curbing, sidewalks and pedestrian thoroughfares, street lighting, or increased police, fire or sanitation services in the enterprise zone or UEZ-impacted business district.

In order to meet the requirements of paragraph (3) of this subsection, an investment shall be in an amount no less than $5,000.00 if the qualified business employs 10 or fewer employees, or if the qualified business employs more than 10 employees, not less than the amount produced by multiplying the number of employees employed by the qualified business by $500.00. A qualified business shall be required to make an investment for each year the qualified business does not meet the requirements of subsection a. of this section. In order to receive the incentives permitted by this section, the business shall provide written evidence of the investment to the authority.

11. a. Notwithstanding the provisions of any law, rule, regulation or order to the contrary, the designation of an enterprise zone by the authority pursuant to P.L.1983, c.303 (C.52:27H-60 et seq.), which
is located in a municipality in which the annual average of unemployed persons is equal to or greater than 2,000, or the municipal average annual unemployment rate exceeds the State average annual unemployment rate, or an enterprise zone which is located in a municipality contiguous to a municipality in which an enterprise zone is designated pursuant to P.L.1983, c.303 (C.52:27H-60 et seq.) and in which the annual average of unemployed persons is equal to or greater than 2,000 or the municipal average annual unemployment rate exceeds the State average annual unemployment rate, shall, following the expiration of the third five-year period during which the State shall have collected reduced rate revenues within the zone as provided in subsection c. of section 21 of P.L.1983, c.303 (C.52:27H-80), be extended by the authority, on a one-time basis, for a period of 16 years, within 90 days after the effective date of P.L.2001, c.347 (C.52:27H-66.2 et al.), or within 90 days after the expiration of that third five-year period, whichever is later.

b. During the 90-day period provided for in subsection a. of this section, the authority shall notify all qualified businesses in the enterprise zone that the benefits authorized by sections 16 through 20 of P.L.1983, c.303 (C.52:27H-75 through C.52:27H-79) shall be extended to qualified businesses in the enterprise zone commencing with the designation of the extended enterprise zone and continuing as long as a zone retains its designation as an extended enterprise zone.

c. Notwithstanding any other provisions of any law, rule or regulation to the contrary, 90 days after the expiration of the period provided for in subsection c. of section 21 of P.L.1983, c.303 (C.52:27H-80), except as provided in subsection b. of section 6 of P.L.1996, c.124 (C.13:1E-116.6), and after first depositing 10 percent of the gross amount of all revenues received from the taxation of retail sales made by certified vendors from business locations in an extended enterprise zone designated pursuant to subsection a. of this section, to which this exemption shall apply into the account created in the name of the authority in the enterprise zone assistance fund pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88), the remaining 90 percent shall be deposited immediately upon collection by the Department of the Treasury, as follows:

1. In the first five-year period during which the State shall have collected reduced rate revenues within the extended enterprise zone, all such revenues shall be deposited in the enterprise zone assistance
fund created pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88);

(2) In the second five-year period during which the State shall have collected reduced rate revenues within the extended enterprise zone, 66 2/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 33 1/3% shall be deposited in the General Fund;

(3) In the third five-year period during which the State shall have collected reduced rate revenues within the extended enterprise zone, 33 1/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 66 2/3% shall be deposited in the General Fund;

(4) In the final year during which the State shall have collected reduced rate revenues within the extended enterprise zone, but not to exceed the life of the enterprise zone, all those revenues shall be deposited in the General Fund.

The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of P.L.1983, c.303 (C.52:27H-88), subject to annual appropriations being made for those purposes and uses.

d. The designation as an extended enterprise zone pursuant to this section shall terminate if the authority determines that the municipality in which the zone is located fails to meet the criteria of subsection a. of this section for three consecutive years. Any enterprise zone which loses its designation as an extended enterprise zone pursuant to this subsection shall be eligible to re-apply to the authority for designation as an extended enterprise zone pursuant to the provisions of P.L.1983, c.303 (C.52:27H-60 et seq.). If the authority approves its application, an urban enterprise zone designation may be extended to the applicant in accordance with the schedules set forth in P.L.1983, c.303 (C.52:27H-60 et seq.), beginning at the point where the enterprise zone was located on such schedules on the effective date of P.L.2001, c.347 (C.52:27H-66.2 et al.).

C.52:27H-66.7 Designation of three additional zones.

12. The three additional zones, authorized pursuant to P.L.2001, c.347 (C.52:27H-66.2 et al.), shall be designated within 90 days of the date of the submittal of an application and zone development plan, provided that the joint zone shall be designated within 90 days of the date of the submittal of a joint application and a joint zone development plan by the adjoining municipalities. The authority
shall accept applications within 90 days of the effective date of P.L.2001, c.347 (C.52:27H-66.2 et al.). Notwithstanding the provisions of P.L.1983, c.303 (C.52:27H-60 et seq.) to the contrary, the additional enterprise zones to be designated by the authority pursuant to the criteria for priority consideration set forth in this section shall be entitled to an exemption to the extent of 50% of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.). The following criteria shall be utilized in according priority consideration for designation of the three additional enterprise zones authorized pursuant to P.L.2001, c.347 (C.52:27H-66.2 et al.):

13. This act shall take effect immediately, except that sections 3, 4, 5, 6 and 12 of this act shall take effect on the first day of the third month following enactment, but the State Treasurer, the Chief
Executive Officer and Secretary of the New Jersey Commerce and Economic Growth Commission, and the Executive Director of the New Jersey Urban Enterprise Zone Authority may take such anticipatory actions as may be necessary for the implementation of this act.

Approved January 6, 2002.

CHAPTER 348

AN ACT concerning county budget cap exceptions and supplementing chapter 4 of Title 40A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares:
   The proper management of solid waste is essential to the health, safety and welfare of the people of this State and it is in the public interest to assure safe, reliable, efficient and reasonably priced solid waste management services.
   It is imperative that the State take appropriate action to authorize counties to implement measures which enable counties to continue to fund the implementation of comprehensive solid waste management plans in a manner which assures accountability to residents and businesses.
   Due to the change in solid waste flow rules in 1997, many county solid waste operations were forced to reduce tipping fees in order to remain competitive with solid waste facilities located outside the State of New Jersey. These reductions in tipping fees have resulted in a loss of revenues to these county solid waste operations, with the potential to cause operational funding shortfalls.
   Therefore, it is a matter of good public policy to address the issue of potential operational funding shortfalls by providing a means by which county governments can address the issue of funding shortfalls while maintaining stability in the county budget by permitting counties to fund the shortfalls through the county general fund with funds not subject to budget cap limits.
C.40A:4-45.4b Budget cap exception for solid waste reclamation utility.

2. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 14 of P.L.1965, c.89 (C.53:5A-14) is amended to read as follows;

C.53:5A-14 Accidental death benefits; payment of health insurance premiums.

14. a. Upon the death of a member in active service as a result of an accident met in the actual performance of duty at some definite time and place, and such death was not the result of the member's willful negligence, an accidental death benefit shall be payable if a report of the accident is filed in the office of the Division of State Police within 60 days next following the accident, but the board of trustees may waive such time limit, for a reasonable period, if in the judgment of the board the circumstances warrant such action. No such application shall be valid or acted upon unless it is filed in the office of the retirement system within five years of the date of such death.

b. (1) Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there shall be paid to the surviving spouse a pension of 70% of final compensation or of adjusted final compensation, as appropriate, for the use of that spouse and children of the deceased, to continue for as long as the person qualifies as a "surviving spouse" for the purposes of this act. If there is no surviving spouse or in case the spouse dies or remarries, 20% of final compensation or of adjusted final compensation, as the case may be, will be payable to one surviving child, 35% of final compensation or of adjusted final compensation, as the case may be, to two surviving children in equal shares and if there be three or more children, 50% of final compensation or of adjusted final compensation, as the case may be, will be payable to such children in equal shares.

If there is no surviving spouse or child, 25% of final compensation will be payable to one surviving parent or 40% of final compensation will be payable to two surviving parents in equal shares.

As used in this paragraph, "adjusted final compensation" means the amount of final compensation or final compensation as adjusted, as the case may be, increased by the same percentage increase which is applied in any adjustments of the compensation schedule of active members after the member's death and before the date on which the deceased member of the retirement system would have accrued 25 years of service under an assumption of continuous service, at which time the amount resulting from such increases shall become fixed and shall be the basis for adjustments pursuant to the Pension Adjustment Act, P.L.1958, c.143 (C.43:3B-1 et seq.). Any adjustments to final compensation or adjusted final compensation shall take effect at the same time as any adjustments in the compensation schedule of active members. The provisions of the Pension Adjustment
Act shall not apply to any pension based upon adjusted final compensation other than the fixed pension in effect at the conclusion of the 25-year period.

(2) In the event of accidental death occurring in the first year of creditable service, the benefits, payable pursuant to this subsection, shall be computed at the annual rate of compensation.

c. If there is no surviving spouse, child or parent, there shall be paid to any other beneficiary of the deceased member, his aggregate contributions at the time of death.

d. In no case shall the death benefits provided in subsection b. be less than that provided under subsection c.

e. In addition to the foregoing benefits payable under subsection a. or b., there shall also be paid in one sum to the member's beneficiary, an amount equal to 3 \( \frac{11}{12} \) times final compensation.

f. (Deleted by amendment.)

g. (Deleted by amendment.)

h. In addition to the foregoing benefits, the State shall pay to the member's employer-sponsored health insurance program all health insurance premiums for the coverage of the member's surviving spouse and surviving children.

C.53:5A-14.2 Applicability of adjustment in survivors' benefits.

2. The adjustment in survivors' benefits pursuant to this act, P.L.2001, c.350, shall apply to benefit entitlements granted prior to and in effect on the effective date of this act but only for benefit payments after the effective date of this act. No surviving spouse or surviving child of a deceased member of the retirement system shall be granted a retroactive payment based upon the difference between the benefit the person would have received if the adjustment pursuant to this act had been applicable at the date of entitlement and the benefit that the surviving spouse or surviving child has received from the date of entitlement to the effective date of this act.

3. This act shall take effect immediately but the adjustment provided for in this act shall not begin until the first benefit payment following the 90th day after enactment.

Approved January 6, 2002.

Upon subsequent retirement of such member, his former retirement allowance shall be reinstated together with any optional selection, based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of chapter 84 of the laws of 1954; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement, but shall not be less than the death benefit that was applicable to his former retirement.

b. The cancellation, re-enrollment, and additional retirement allowance provisions of subsection a. of this section shall not apply to a former member of the retirement system who, after having been granted a retirement allowance, becomes employed again by: (1) an employer or employers in a position or positions for which the aggregate compensation does not exceed $15,000 per year; or (2) if the compensation exceeds $10,000 per year, by an employer that is a public institution of higher education as defined in N.J.S. 18A:62-1 in a teaching staff position. The Director of the Division of Pensions and Benefits may from time to time adjust the amount in paragraph (1) of this subsection. This adjustment shall be 3/5 of the percentage of change in the index, as defined in section 1 of P.L.1958, c.143 (C.43:3B-1), over a period of time as determined by the director.

c. The cancellation, reenrollment, and additional retirement allowance provisions of subsection a. and the compensation limitations of subsection b. of this section shall not apply to a former member of the retirement system who, after having been granted a retirement allowance, becomes employed by the State Department of Education in a position of critical need as determined by the State Commissioner of Education, or becomes employed by a board of education in a position of critical need as determined by the superintendent of the district on a contractual basis for a term of not more than one year; except that the cancellation, reenrollment, and additional retirement allowance provisions and the compensation limitations shall apply if the former member becomes employed within 120 days of retirement in a position with the employer from which the member retired. Nothing herein shall preclude a former member so reemployed by a board of education from renewing a contract for one additional year, provided that the total period of employment with any individual board of education does not exceed a two-year period.
3. This act shall take effect immediately.

Approved January 6, 2002.

CHAPTER 356

AN ACT concerning the funding of special education costs for public school students and amending P.L.1996, c.138.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 19 of P.L.1996, c.138 (C.18A:7F-19) is amended to read as follows:

C.18A:7F-19 Calculation of special education categorical aid.

19. a. Special education categorical aid for each school district and county vocational school district shall be calculated for the 1997-98 school year as follows:

Tier I is the number of pupils classified for other than speech correction services resident in the district which receive related services including, but not limited to, occupational therapy, physical therapy, speech and counseling. Aid shall equal 0.0223 of the T&E amount rounded to the nearest whole dollar for each of the four service categories provided per classified pupil.

Tier II is the number of pupils resident in the district meeting the classification definitions for perceptually impaired, neurologically impaired, educable mentally retarded and preschool handicapped; all classified pupils in shared time county vocational programs in a county vocational school which does not have a child study team receiving services pursuant to chapter 46 of Title 18A of the New Jersey Statutes; and nonclassified pupils in State training schools or secure care facilities. For the purpose of calculating State aid for 1997-98, each district, other than a county vocational school district, shall have its pupil count for perceptually impaired reduced by perceptually impaired classifications in excess of one standard deviation above the State average classification rate at December 1995 or 9.8 percent of the district’s resident enrollment. The perceptually impaired limitation shall be phased down to the State average of the prebudget year over a five-year period by adjusting the standard deviation as follows: 75 percent in 1998-99, 50 percent in 1999-2000, 25 percent in 2000-2001 and the State average in year five. No reduction in aid shall be assessed against any district in which the perceptually impaired classifica-
tion rate is 6.5% or less of resident enrollment. Aid shall equal 0.4382 of the T&E amount rounded to the nearest whole dollar for each student meeting the Tier II criteria.

The commissioner shall develop a system to provide that each school district submits data to the department on the number of the district's pupils with a classification definition of perceptually impaired who are enrolled in a county vocational school. Such pupils shall be counted in the district of residence's resident enrollment for the purpose of calculating the limit on perceptually impaired classifications for Tier II State aid.

Tier III is the number of classified pupils resident in the district in categories other than speech correction services, perceptually impaired, neurologically impaired, educable mentally retarded, socially maladjusted, preschool handicapped, and who do not meet the criteria of Tier IV, intensive services; and nonclassified pupils in juvenile community programs. Aid shall equal 0.8847 of the T&E amount for each pupil meeting the Tier III criteria.

Tier IV is the number of classified pupils resident in the district receiving intensive services. For 1997-98, intensive services are defined as those provided in a county special services school district and services provided for pupils who meet the classification definitions for autistic, chronically ill, day training eligible, or visually handicapped, or are provided for pupils who meet the classification definition for multiply handicapped and are in a private school for the handicapped, educational services commission, or jointure commission placement in the 1996-97 school year. The commissioner shall collect data and conduct a study to determine intensive service criteria and the appropriate per pupil cost factor to be universally applied to all service settings, beginning in the 1998-99 school year. Aid shall equal 1.2277 of the T&E amount for each pupil meeting the Tier IV criteria.

Classified pupils in Tiers II through IV shall be eligible for Tier I aid. Classified pupils shall be eligible to receive aid for up to four services under Tier I.

For the 1998-99 school year, these cost factors shall remain in effect and special education aid growth shall be limited by the CPI growth rate applied to the T&E amount and changes in classified pupil counts. For subsequent years, the additional cost factors shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education.

For the purposes of this section, classified pupil counts shall include pupils attending State developmental centers, DHS Regional Day Schools, State Division of Youth and Family Services' residential centers, State residential mental health centers, and institutions operated by or under contract with the Department of Human Services. Classified pupils of
elementary equivalent age shall include classified preschool handicapped and kindergarten pupils.

b. In those instances in which the cost of providing education for an individual classified pupil exceeds $40,000:

(1) For costs in excess of $40,000 incurred in the 2002-2003 through 2004-2005 school years, the district of residence shall, in addition to any special education State aid to which the district is entitled on behalf of the pupil pursuant to subsection a. of this section, receive additional special education State aid as follows: (a) with respect to the amount of any costs in excess of $40,000 but less than or equal to $60,000, the additional State aid for the classified pupil shall equal 60% of that amount; (b) with respect to the amount of any costs in excess of $60,000 but less than or equal to $80,000, the additional State aid for the classified pupil shall equal 70% of that amount; and (c) with respect to the amount of any costs in excess of $80,000, the additional State aid for the classified pupil shall equal 80% of that amount; provided that in the case of an individual classified pupil for whom additional special education State aid was awarded to a district for the 2001-2002 school year, the amount of such aid awarded annually to the district for that pupil for the 2002-2003, 2003-2004 or 2004-2005 school year shall not be less than the amount for the 2001-2002 school year, except that if the district's actual special education costs incurred for the pupil in the 2002-2003, 2003-2004 or 2004-2005 school year are reduced below the amount of such costs for the pupil in the 2001-2002 school year, the amount of aid shall be decreased by the amount of that reduction; and

(2) For costs in excess of $40,000 incurred in the 2005-2006 school year and thereafter, a district shall receive additional special education State aid equal to 100% of the amount of that excess.

A district, in order to receive funding pursuant to this subsection, shall file an application with the department that details the expenses incurred on behalf of the particular classified pupil for which the district is seeking reimbursement. Additional State aid awarded for extraordinary special education costs shall be recorded by the district as revenue in the current school year and paid to the district in the subsequent school year.

c. A school district may apply to the commissioner to receive emergency special education aid for any classified pupil who enrolls in the district prior to March of the budget year and who is in a placement with a cost in excess of $40,000. The commissioner may debit from the student's former district of residence any special education aid which was paid to that district on behalf of the student.

d. The department shall review expenditures of federal and State special education aid by a district in every instance in which special
education monitoring identifies a failure on the part of the district to provide services consistent with a pupil's individualized education program.

2. This act shall take effect immediately.

Approved January 6, 2002.

   g. In the absence of a vaccine for hepatitis C, emphasis must be placed on other means of awareness and prevention of this disease, including, but not limited to, education of persons at high risk for hepatitis C as defined by the federal Centers for Disease Control and Prevention, and the Occupational Safety and Health Administration in the U.S. Department of Labor, including but not limited to, police officers, correctional officers,
firefighters, including volunteers, health care workers, emergency services personnel, employees of the State's developmental centers and the general public; and

(6) a collaborative effort with the Department of Corrections to develop screening services to identify inmates at risk for hepatitis C upon admission, and to provide education and counseling about treatment options to reduce the potential health risk to the community from these persons.

b. The commissioner shall evaluate existing hepatitis C support services in the community and assess the need for improving the quality and accessibility of these services.

c. The commissioner shall seek to establish public-private partnerships to promote outreach and increase awareness for the purposes of this act among employers, organized labor, health care providers, health insurers, and community-based organizations and coalitions.

d. The commissioner shall take such actions as are reasonably necessary to ensure that the program established pursuant to this act provides clear, complete and accurate hepatitis C education, information and referral services in a multiculturally competent manner that is designed to provide appropriate linkages to health care services for persons in need thereof.

e. f. The commissioner shall seek, to the maximum extent practicable, to coordinate the activities of the program, as applicable, with services provided separately to specific populations, including, but not limited to, veterans of the United States armed forces, persons participating in private or public drug abuse or alcohol treatment programs, and persons with HIV.
C.26:2T-8 Hepatitis C advisory board.

c. The members of the advisory board shall serve without compensation, but shall be entitled to reimbursement for necessary expenses incurred in the performance of their duties.

d. The advisory board shall organize as soon as may be practicable after the appointment of its members and shall select a chairman from among its members and a secretary who need not be a member of the board.

The report shall clearly describe the guidelines, assessments and strategies employed by the commissioner in developing, implementing and evaluating the program. In addition, the commissioner shall seek to include in the report information on the proportion of acute versus chronic HCV infection among persons with HCV in the State and information about HCV infection that is specific to various populations within the State. The commissioner shall accompany the report with any recommendations that the commissioner desires to make for administrative or legislative action relating to hepatitis C education, prevention, screening or treatment.

The commissioner shall require that such information be reported directly to the department, rather than to local health departments, as he determines necessary to assist the department to develop hepatitis C disease control measures, and shall revise these requirements as necessary to reflect technological advances which improve the ability to diagnose and treat the disease.

7. This act shall take effect on the 30th day after enactment.

Approved January 6, 2002.

AN ACT concerning dam repair, lake dredging and stream cleaning, supplementing Title 58 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.58:4-11 Findings, declarations relative to dam repair, lake dredging and stream cleaning.

1. The Legislature finds and declares that the condition of many dams, lakes, and streams throughout the State has been deteriorating at an alarming rate due to a chronic lack of maintenance, and that the deterioration was exacerbated by unusually heavy amounts of rainfall during the summer of 2000, particularly the storms occurring on August 12 and August 13 that created a state of emergency in several counties.

The Legislature further finds and declares that these conditions have led to the collapse of dams, polluted lakes, stream flooding and property damage to homes, businesses, lake communities and public utilities; and that federal, State and local financial resources have not met adequately the costs of remediating the sites and facilities affected by these conditions.

The Legislature therefore determines that it is in the public interest to provide additional funding for State programs that are responsible for remediating, and for providing assistance to other public or private entities to remediate, the conditions described herein.

C.58:4-12 "Dam, Lake and Stream Project Fund."

2. a. There is established in the Department of Environmental Protection a dedicated, nonlapsing fund, designated the "Dam, Lake and Stream Project Fund." Moneys in the fund shall be used for the purpose of supplementing the department's capital construction programs that provide funding for dam restoration and repair, lake dredging and restoration, and stream cleaning and desnagging, and to fund the cost of dam inspection as prescribed under subsection f. of this section. There is appropriated from the "Surplus Revenue Fund," established pursuant to P.L.1990, c.44 (C.52:9H-14 et seq.), to the Dam, Lake and Stream Project Fund the sum of $6,730,000.

b. Moneys in the Dam, Lake and Stream Project Fund are appropriated for State, local or privately-owned projects and may be combined with other State or non-State funding sources.

c. Moneys appropriated from the Dam, Lake and Stream Project Fund may be used by the department to provide loans bearing an interest rate of not more than 2% or other forms of assistance, other than full or matching
grants, to owners of private dams, lakes or streams, in accordance with criteria for existing programs established under previous State bond acts, legislative initiatives, or federal aid guidelines.

d. (1) Loans awarded under this section to owners of private dams or lake associations shall require local government units to act as co-applicants. The cost of payment of the principal and interest on these loans shall be assessed, in the same manner as provided for the assessment of local improvements generally under chapter 56 of Title 40 of the Revised Statutes, against the real estate benefited thereby in proportion to and not in excess of the benefits conferred, and such assessment shall bear interest and penalties from the same time and at the same rate as assessments for local improvements in the municipality in which they are imposed, and from the date of confirmation shall be a first and paramount lien upon the real estate assessed to the same extent, and be enforced and collected in the same manner, as assessments for local improvements.

(2) Notwithstanding the provisions of paragraph (1) of this subsection or of any other law to the contrary, no project for which loans to owners of private dams or lake associations are awarded under this section shall be considered a municipal capital improvement, nor shall the amount of any such loan be considered part of the municipal capital budget, and no such loan shall be subject to the review or approval of the Local Finance Board established under P.L.1974, c.35 (C.52:27D-18.1).

e. The moneys appropriated under this section shall be allocated commencing with the fiscal year of enactment in such a manner that (a) the amount allocated to dam restoration and repair shall be $4,730,000 (b) the amount allocated to lake dredging and restoration and to stream cleaning and desnagging shall be $2,000,000 and (c) the amount allocated to the Department of Environmental Protection for repair of department-owned dams shall be $0.00.

f. In addition to the number of individuals employed as inspectors of dams on October 1, 2000, the Department of Environmental Protection is directed to employ nine additional individuals as inspectors of dams and to keep all of the positions, including both those in which individuals were employed as inspectors of dams on October 1, 2000 and those to which the nine additional individuals shall have been appointed thereafter, with employees having educational backgrounds or skills in engineering necessary to conduct the inspection of dams and otherwise to carry out the objectives of this act. The salary costs for the nine additional staff positions shall be charged against the moneys appropriated under subsection a. of this section and allocated under subparagraph (a) of paragraph (2) of subsection e. hereof.
C.58:4-13 Annual report.

3. On or before October 1, 2001, and on or before October 1 of each succeeding year, the Department of Environmental Protection shall submit a written report to the Joint Budget Oversight Committee, or its successor, specifying the nature and location of each project to which funds appropriated under this act shall have been allocated during the preceding State fiscal year; for each project, the names of the individuals, groups and political subdivisions to which the funds so allocated shall have been awarded; the amount awarded to each recipient; whether such amount shall have been awarded as a grant or loan; and in the case of each loan, the terms thereof.

4. This act shall take effect immediately.

Approved January 6, 2002.

6. A certificate of authority to establish and operate a health maintenance organization in this State shall not be issued or continued on or after the effective date of this act for a health maintenance organization that provides health care services for prescription drugs under a contract, unless the health maintenance organization also provides health care services in the purchase of specialized non-standard infant formulas, when the covered infant's physician has diagnosed the infant as having multiple food protein intolerance and has determined such formula to be medically necessary, and when the covered infant has not been responsive to trials of standard non-cow milk-based formulas, including soybean and goat milk. The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The health care services shall be provided to the same extent as for any other prescribed items under the contract.

The provisions of this section shall apply to those contracts for health care services by health maintenance organizations under which the health maintenance organization has reserved the right to change the schedule of charges for enrollee coverage.

7. Section 6 of P.L.1992, c.161 (C.17B:27A-7) is amended to read as follows:

C.17B:27A-7 Establishment of policy, contract forms; high deductible health plan; benefit levels.

6. The board shall establish the policy and contract forms and benefit levels to be made available by all carriers for the health benefits plans required to be issued pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), and shall adopt such modifications to one or more plans as the board determines are necessary to make available a "high deductible health plan" or plans consistent with section 301 of Title III of the "Health Insurance Portability and Accountability Act of 1996," Pub.L.104-191, regarding tax-deductible medical savings accounts, within 60 days after the enactment of P.L.1997, c.414 (C.54A:3-4 et al.). The board shall provide the commissioner with an informational filing of the policy and contract forms and benefit levels it establishes.

a. The individual health benefits plans established by the board may include cost containment measures such as, but not limited to: utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; and reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions.
b. An individual health benefits plan offered pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) shall contain a limitation of no more than 12 months on coverage for preexisting conditions. An individual health benefits plan offered pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) shall not contain a preexisting condition limitation of any period under the following circumstances:

(1) to an individual who has, under creditable coverage, with no intervening lapse in coverage of more than 31 days, been treated or diagnosed by a physician for a condition under that plan or satisfied a 12-month preexisting condition limitation; or

(2) to a federally defined eligible individual who applies for an individual health benefits plan within 63 days of termination of the prior coverage.

c. In addition to the five standard individual health benefits plans provided for in section 3 of P.L.1992, c.161 (C.17B:27A-4), the board may develop up to five rider packages. Premium rates for the rider packages shall be determined in accordance with section 8 of P.L.1992, c.161 (C.17B:27A-9).

d. After the board's establishment of the individual health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), and notwithstanding any law to the contrary, a carrier shall file the policy or contract forms with the board and certify to the board that the health benefits plans to be used by the carrier are in substantial compliance with the provisions in the corresponding board approved plans. The certification shall be signed by the chief executive officer of the carrier. Upon receipt by the board of the certification, the certified plans may be used until the board, after notice and hearing, disapproves their continued use.

Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

The benefits shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

8. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to read as follows:

C.17B:27A-19 Five health benefit plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer the five health benefit plans as provided in this section. The board shall establish a standard policy form for each of the five plans, which except as otherwise provided in subsection j. of this section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and
26:2J-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:

1. Basic inpatient and outpatient hospital care;
2. Basic and extended medical-surgical benefits;
3. Diagnostic tests, including X-rays;
4. Maternity benefits, including prenatal and postnatal care; and
5. Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees' small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available to all small employers on a continuing basis. Every small employer which elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the five standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).
c. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may approve a health benefits plan containing only medical-surgical benefits or major medical expense benefits, or a combination thereof, which is issued as a separate policy in conjunction with a contract of insurance for hospital expense benefits issued by a hospital service corporation, if the health benefits plan and hospital service corporation contract combined otherwise comply with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.). Deductibles and coinsurance limits for the contract combined may be allocated between the separate contracts at the discretion of the carrier and the hospital service corporation.

f. Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section.

Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is approved pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section, except that the plans shall provide the same level of benefits as required for a federally qualified health maintenance organization, including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance organization or otherwise affiliate with a health maintenance organization in order to comply with the provisions of this section, but the carrier shall be required to offer the five health benefits plans which are formulated by the board and approved by the commissioner, including one plan which contains benefits and cost sharing levels that are equivalent to those required for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may modify the benefits provided for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3).

i. (1) In addition to the rider packages provided for in subsection d. of this section, every carrier may offer, in connection with the five health benefits plans required to be offered by this section, any number of riders which may revise the coverage offered by the five plans in any way, provided, however, that any form of such rider or amendment thereof which decreases benefits or decreases the actuarial value of one of the five plans
shall be filed for informational purposes with the board and for approval by
the commissioner before such rider may be sold. Any rider or amendment
thereof which adds benefits or increases the actuarial value of one of the five
plans shall be filed with the board for informational purposes before such
rider may be sold.

The commissioner shall disapprove any rider filed pursuant to this
subsection that is unjust, unfair, inequitable, unreasonably discriminatory,
disleading, contrary to law or the public policy of this State. The commis-
sioner shall not approve any rider which reduces benefits below those
required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2,
17B:26B-2 and 26:2I-4.3) and required to be sold pursuant to this section.
The commissioner’s determination shall be in writing and shall be appeal-
able.

(2) The benefit riders provided for in paragraph (1) of this subsection
shall be subject to the provisions of section 2, subsection b. of section 3, and
sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19,

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17
et seq.) to the contrary, a health benefits plan issued by or through a carrier,
association, multiple employer arrangement prior to January 1, 1994 or, if
the requirements of subparagraph (c) of paragraph (6) of this subsection are
met, issued by or through an out-of-State trust prior to January 1, 1994, at
the option of a small employer policy or contract holder, may be renewed
or continued after February 28, 1994, or in the case of such a health benefits
plan whose anniversary date occurred between March 1, 1994 and the
effective date of P.L.1994, c.11 (C.17B:27A-19.1 et al.), may be reinstated
within 60 days of that anniversary date and renewed or continued if,
beginning on the first 12-month anniversary date occurring on or after the
sixtieth day after the board adopts regulations concerning the implementa-
tion of the rating factors permitted by section 9 of P.L.1992, c.162
(C.17B:27A-25) and, regardless of the situs of delivery of the health benefits
plan, the health benefits plan renewed, continued or reinstated pursuant to
this subsection complies with the provisions of section 2, subsection b. of
section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18,

Nothing in this subsection shall be construed to require an association,
multiple employer arrangement or out-of-State trust to provide health
benefits coverage to small employers that are not contemplated by the
organizational documents, bylaws, or other regulations governing the
purpose and operation of the association, multiple employer arrangement or
out-of-State trust. Notwithstanding the foregoing provision to the contrary,
an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members' employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;

(b) shall not use actual or expected health status in determining its membership; and

(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.

(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall
monitor compliance of any such plan with the requirements of this subsection, except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2, 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph, shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer groups that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(9) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et seq.) to the contrary, any individual, who is eligible for small employer coverage under a policy
issued, renewed, continued or reinstated pursuant to this subsection, but who would be subject to a preexisting condition exclusion under the small employer health benefits plan, or who is a member of a small employer group who has been denied coverage under the small employer group health benefits plan for health reasons, may elect to purchase or continue coverage under an individual health benefits plan until such time as the group health benefits plan covering the small employer group of which the individual is a member complies with the provisions of P.L. 1992, c. 162 (C.17B:27A-17 et seq.).

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the effective date of P.L. 1995, c. 340, the new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L. 1995, c. 340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

(12) In a case in which a small employer purchased a health benefits plan directly from a carrier on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L. 1995, c. 340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan’s issuing carrier pursuant to the provisions of this paragraph, shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

k. Effective immediately for a health benefits plan issued on or after the effective date of P.L. 1995, c. 316 (C.17:48E-35.10 et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L. 1995, c. 316 (C.17:48E-35.10 et al.), the health benefits plans required pursuant to this section, including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

(1) Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of
P.L.1995, c.316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

(2) All childhood immunization as recommended by the Advisory Committee on Immunization Practices of the United State Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

The benefits shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

1. The board shall consider including benefits for speech-language pathology and audiology services, as rendered by speech-language pathologists and audiologists within the scope of their practices, in at least one of the five standard policies and in at least one of the five riders to be developed under this section.

m. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits plans required pursuant to this section that provide benefits for expenses incurred in the purchase of prescription drugs shall provide benefits for expenses incurred in the purchase of specialized non-standard infant formulas, when the covered infant's physician has diagnosed the infant as having multiple food protein intolerance and has determined such formula to be medically necessary, and when the covered infant has not been responsive to trials of standard non-cow milk-based formulas, including soybean and goat milk. If the restraints contained in the court order differ from the restraints contained in the notice, the order shall not be effective until the third court day following the issuance of the order. The juvenile may apply to the court to stay or modify the order on the grounds set forth in subsection e. of this section.

e. The court may forego issuing a restraining order for which application has been made pursuant to section 3 of P.L. 2001, c. 365
(C.2C:35-5.9) only if the defendant establishes by clear and convincing evidence that:

(1) the defendant lawfully resides at or has legitimate business on or near the place, or otherwise legitimately needs to enter the place. In such an event, the court shall not issue an order pursuant to this section unless the court is clearly convinced that the need to bar the person from the place in order to protect the public safety and the rights, safety and health of the residents and persons working in the place outweighs the person's interest in returning to the place. If the balance of the interests of the person and the public so warrants, the court may issue an order imposing conditions upon the person's entry at, upon or near the place; or

(2) the issuance of an order would cause undue hardship to innocent persons and would constitute a serious injustice which overrides the need to protect the rights, safety and health of persons residing in or having business in the place.

f. A restraining order issued pursuant to subsection a., b., c., d. or h. of this section shall describe the place from which the person has been barred and any conditions upon the person's entry into the place, with sufficient specificity to enable the person to guide his conduct accordingly and to enable a law enforcement officer to enforce the order. The order shall also prohibit the person from entering an area of up to 500 feet surrounding the place, unless the court rules that a different buffer zone would better effectuate the purposes of this act. In the discretion of the court, the order may contain modifications to permit the person to enter the area during specified times for specified purposes, such as attending school during regular school hours. When appropriate, the court may append to the order a map depicting the place. The person shall be given a copy of the restraining order and any appended map and shall acknowledge in writing the receipt thereof.

g. (1) The court shall provide notice of the restraining order to the local law enforcement agency where the arrest occurred and to the county prosecutor.

(2) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, the local law enforcement agency may post a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, upon one or more of the principal entrances of the place or in any other conspicuous location. Such posting shall be for the purpose of informing the public, and the failure to post a copy of the order shall in no way excuse any violation of the order.

(3) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of
delinquency for a criminal offense, any law enforcement agency may publish a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, in a newspaper circulating in the area of the restraining order. Such publication shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.

(4) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, any law enforcement agency may distribute copies of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, to residents or businesses located within the area delineated in the order or, in the case of a school or any government-owned property, to the appropriate administrator, or to any tenant association representing the residents of the affected area. Such distribution shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.

h. When a person is convicted of or adjudicated delinquent for any criminal offense, the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L. 2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall, by separate order or within the judgment of conviction, issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section. Upon the person's conviction or adjudication of delinquency for a criminal offense, a law enforcement agency, in addition to posting, publishing, and distributing the order or an equivalent notice pursuant to paragraphs (2), (3) and (4) of subsection g. of this section, may also post, publish and distribute a photograph of the person.

i. When a juvenile has been adjudicated delinquent for an act which, if committed by an adult, would be a criminal offense, in addition to an order required by subsection h. of this section or any other disposition authorized by law, the court may order the juvenile and any parent, guardian or any family member over whom the court has jurisdiction to take such actions or obey such restraints as may be necessary to facilitate the rehabilitation of the juvenile or to protect public safety or to safeguard or enforce the rights of residents of the place. The court may commit the juvenile to the care of the Department of Human Services under the responsibility of the Division of Youth and Family Services until such time as the juvenile reaches the age of 18 or until the order of removal and
restraint expires, whichever first occurs, or to such alternative residential placement as is practicable.

j. An order issued pursuant to subsection a., b., c. or d. of this section shall remain in effect until the case has been adjudicated or dismissed, or for not less than two years, whichever is less. An order issued pursuant to subsection h. of this section shall remain in effect for such period of time as shall be fixed by the court but not longer than the maximum term of imprisonment or incarceration allowed by law for the underlying offense or offenses. When the court issues a restraining order pursuant to subsection h. of this section and the person is also sentenced to any form of probationary supervision or participation in the Intensive Supervision Program, the court shall make continuing compliance with the order an express condition of probation or the Intensive Supervision Program. When the person has been sentenced to a term of incarceration, continuing compliance with the terms and conditions of the order shall be made an express condition of the person's release from confinement or incarceration on parole. At the time of sentencing or, in the case of a juvenile, at the time of disposition of the juvenile case, the court shall advise the defendant that the restraining order shall include a fixed time period in accordance with this subsection and shall include that provision in the judgment of conviction, dispositional order, separate order or order vacating an existing restraining order, to the law enforcement agency that made the arrest and to the county prosecutor.

k. All applications to stay or modify an order issued pursuant to this act, including an order originally issued in municipal court, shall be made in the Superior Court. The court shall immediately notify the county prosecutor in writing whenever an application is made to stay or modify an order issued pursuant to this act. If the court does not issue a restraining order, the sentence imposed by the court for a criminal offense as defined in subsection b. of this section shall not become final for ten days in order to permit the appeal of the court's findings by the prosecution.

l. Nothing in this section shall be construed in any way to limit the authority of the court to take such other actions or to issue such orders as may be necessary to protect the public safety or to safeguard or enforce the rights of others with respect to the place.

m. Notwithstanding any other provision of this section, the court may permit the person to return to the place to obtain personal belongings and effects and, by court order, may restrict the time and duration and provide for police supervision of such a visit.

C.2C:35-5.9 Certification of offense location.

3. Certification of Offense Location.
The court shall issue a restraining order pursuant to P.L. 1999, c. 334 (C.2C:35-5.4 et seq.) only upon request by a law enforcement officer or prosecuting attorney and submission of a certification describing the location of the offense.

C.2C:35-5.10 Discretion to not seek restraining order.

4. Discretion to Not Seek Restraining Order.

A law enforcement officer or prosecuting attorney shall have discretion to not seek a restraining order pursuant to P.L. 1999, c. 334 (C.2C:35-5.4 et seq.) if the defendant is charged with an offense resulting from the stop of a motor vehicle, if the defendant was using public transportation, or if the provisions of paragraph (1) or (2) of subsection e. of section 4 of P.L. 1999, c. 334 (C.2C:35-5.7) are applicable.

5. There is appropriated from the General Fund to the Administrative Office of the Courts $50,000 for the modification of the judiciary's automated systems in accordance with the implementation of this act.

6. This act shall take effect on the 120th day following enactment except for section 5, which shall take effect immediately.

Approved January 7, 2002.

4. a. Any member of the Prosecutors Part who has attained age 55 years may retire on a service retirement allowance by filing with the retirement system a written application, duly attested, stating at what time subsequent to the execution and filing thereof the member desires to be retired. The board of trustees shall retire the member at the time specified or at such other time within one month after the date so specified as the board finds advisable. Any prosecutor in service who attains age 70 years shall be retired by the board of trustees on a service retirement allowance forthwith on the first day of the next calendar month or at such time within one month thereafter as it finds advisable, except that a prosecutor attaining age 70 years may be continued in service on an annual basis upon written notice to the retirement system by the Attorney General or the Board of Chosen Freeholders of the county employing the prosecutor.

section, 3% of final compensation multiplied by the number of years of creditable service over 20 but not over 25.

d. 5. Should a member of the Prosecutors Part resign after having established 25 years of creditable service, the prosecutor may elect "special retirement," provided, that such election is communicated by the prosecutor to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof the prosecutor desires to be retired. (1) An annuity which shall be the actuarial equivalent of prosecutor's aggregate contributions at the time of severance from the service and
(2) A pension in the amount which, when added to the prosecutor's annuity, will provide a total retirement allowance of 2% of final compensation multiplied by the number of years of creditable service up to 30 plus 1% of final compensation multiplied by the number of years of creditable service over 30, provided that such inactive prosecutor may elect to receive payments provided under section 4 or 5 of P.L.2001, c.366 (C.43:15A-158 or C.43:15A-159), if the prosecutor had qualified under that section at the time of leaving service, except that in order to avail himself or herself of the option, the prosecutor must exercise such option at least 30 days before the effective date of retirement. If such inactive prosecutor shall die before attaining age 55, the prosecutor's aggregate contributions shall be paid in accordance with subsection c. of section 41 of P.L.1954, c.84 (C.43:15A-41). If such inactive prosecutor shall die after attaining age 55 but before filing an application for retirement benefits pursuant to this section or section 5 of P.L.2001, c.366 (C.43:15A-159) and has not withdrawn his or her aggregate contributions, or in the event of death after retirement, an amount equal to the accumulated deductions plus one-half of the compensation upon which contributions by the prosecutor to the annuity savings fund were based in the last year of creditable service shall be paid to such prosecutor's beneficiary.

Any prosecutor who, having elected to receive a deferred retirement allowance, again becomes a prosecutor covered by the Prosecutors Part of the retirement system while under the age of 55, shall thereupon be reenrolled. If the prosecutor had discontinued service for more than two consecutive years, subsequent contributions shall be at the prosecutor's former rate increased for the years of inactive membership. The prosecutor shall be credited with all service as a member of the Prosecutors Part standing to the prosecutor's credit at the time of an election to receive a deferred retirement allowance.

C.43:15A-161 State liability for increased county pension costs.

7. The State shall be liable for any increased pension costs to a county as a result of the enrollment of prosecutors, first assistant prosecutors and assistant prosecutors in the Prosecutors Part, established pursuant to P.L.2001, c.366 (C.43:15A-155 et seq.), of the Public Employees' Retirement System, established pursuant to P.L.1954, c.84 (C.43:15A-1 et seq.). CHAPTER 368

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17B:27A-4.4 Findings, declarations relative to exclusive provider organization health benefit plans.

1. The Legislature hereby finds and declares that:

a. While the Legislature enacted ground-breaking health insurance reform in 1992 for the individual market that provided guaranteed-issue, guaranteed-renewal coverage, with a prohibition against rating on the basis of health status and limiting preexisting condition exclusions in policies, the plans that were established by the New Jersey Individual Health Coverage Program Board did not offer sufficient variety or options to insureds in terms of the range of coverages that are provided under the standard plans;

b. The original intent of the Legislature was to give policyholders a wider range of coverage options, including policies that provide reimbursement for basic and essential health care services but do not contain either the traditional mandated benefits to which the standard plans are subject or reimbursement for services which the consumer can more economically pay for himself, rather than having those services paid for through a third-party system, which adds significantly to the cost;

c. The New Jersey Individual Health Coverage Program Board elected to provide little variance in the coverage provided under the standard plans; rather, reductions in premium cost can be obtained
primarily through increasing the deductibles to substantial sums, which
defeats the objective of making the policies affordable, in that large
deductibles represent large out-of-pocket expenses;

d. In the absence of any affirmative action by the board to remedy
this situation, it is the purpose of this bill to create a policy that is more
affordable than the options that presently exist; even though the benefit
package is not as rich as the existing plans, the benefit plan provided by
this act will make health insurance more accessible to many individuals
that do not have the economic resources to afford the existing plans while
still providing essential coverage;

e. It is to the interest of the State and of all health care providers that
as many people have access to reasonably affordable health insurance as
possible, for this reduces the amount of charity care that providers provide
as well as the amount of bad debt that must be absorbed by providers each
year.

C.17B:27A-4.5 Carrier offering plans pursuant to C.17B:27A-2 et seq. to offer EPO; coverages.

et seq.), every carrier that writes individual health benefits plans pursuant
to P.L.1992, c.161 shall offer a health benefits plan in the individual
health insurance market that includes only the coverages enumerated in
this section, as follows:
90 days hospital room and board - $500 copayment per hospital stay;
Outpatient and ambulatory surgery- $250 copayment per surgery;
Physicians' fees connected with hospital care, including general acute care
and surgery;
Physicians' fees connected with outpatient and ambulatory surgery;
Anesthesia and the administration of anesthesia;
Coverage for newborns;
Treatment for complications of pregnancy;
Intravenous solutions, blood and blood plasma;

The boards shall report to the Legislature and Governor two years after the effective date of this act on their evaluation of the health benefits plan established in this act and shall include in their report the number of policies or contracts sold, the premiums charged and the effect, if any, that the health benefits plan has had on the five standard health benefits plans offered to individuals in the State. C.17B:27A-4.7 Carrier offering plans pursuant to C.17B:27A-2 et seq. may offer additional plan with certain limited benefits.

4. In addition to the five health benefits plans offered by a carrier on the effective date of this act, a carrier that writes individual health benefits plans pursuant to P.L.1992, c.161 (C.17B:27A-2 et seq.) may also offer one or more of the plans through the carrier's network of providers, with
no reimbursement for any out-of-network benefits other than emergency care, urgent care, and continuity of care. A carrier's network of providers shall be subject to review and approval or disapproval by the Commissioner of Banking and Insurance, in consultation with the Commissioner of Health and Senior Services, pursuant to regulations promulgated by the Department of Banking and Insurance, including review and approval or disapproval before plans with benefits provided through a carrier's network of providers pursuant to this section may be offered by the carrier. Policies or contracts written on this basis shall be rated in a separate rating pool for the purposes of establishing a premium, but for the purpose of determining a carrier's losses, these policies or contracts shall be aggregated with the losses on the carrier's other business written pursuant to the provisions of P.L.1992, c.161 (C.17B:27A-2 et seq.).

CHAPTER 371

AN ACT providing for joint negotiations by physicians and dentists with carriers and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.52:17B-196 Findings, declarations relative to joint negotiations by physicians and dentists with carriers.

1. The Legislature finds and declares that:
   a. Active, robust and fully competitive markets for health care and dental services provide the best opportunity for the residents of this State to receive high-quality health care and dental services at an appropriate cost;
   b. A substantial amount of health care and dental services in this State is purchased for the benefit of patients by health and dental insurance carriers engaged in the financing of health care and dental services or is otherwise delivered subject to the terms of agreements between carriers and physicians and dentists;
   c. Carriers are able to control the flow of patients to physicians and dentists through compelling financial incentives for patients in their health and dental benefits plans to utilize only the services of physicians and dentists with whom the carriers have contracted;
   d. Carriers also control the health care and dental services rendered to patients through utilization management and other managed care tools and associated coverage and payment policies;
   e. Carriers are often able to virtually dictate the terms of the contracts that they offer physicians and dentists and commonly offer these contracts on a take-it-or-leave-it basis;
   f. The power of carriers to unilaterally impose provider contract terms jeopardizes the ability of physicians and dentists to deliver the superior quality health care and dental services traditionally available in this State;
   g. Physicians and dentists do not have sufficient market power to reject unfair provider contract terms offered by carriers that impede their ability to deliver medically appropriate care without undue delay or difficulties;
   h. Inadequate reimbursement and other unfair payment terms offered by carriers adversely affect the quality of patient care and access to care by reducing the resources that physicians and dentists can devote to patient care and decreasing the time that physicians and dentists are able to spend with their patients;
   i. Inequitable reimbursement and other unfair payment terms also endanger the health care infrastructure and medical progress by diverting capital needed for reinvestment in the health care delivery system, curtailing the purchase of state-of-the-art technology, the pursuit of medical research, and expansion of medical services, all to the detriment of the residents of this State;
j. The inevitable collateral reduction and migration of the health care work force will also have negative consequences for the economy of this State;
k. Empowering independent physicians and dentists to jointly negotiate with carriers as provided in this act will help restore the competitive balance and improve competition in the markets for health care and dental services in this State, thereby providing benefits for consumers, physicians and dentists and less dominant carriers;
l. This act is necessary and proper, and constitutes an appropriate exercise of the authority of this State to regulate the business of insurance and the delivery of health care and dental services;
m. The pro-competitive and other benefits of the joint negotiations and related joint activity authorized by this act, including, but not limited to, restoring the competitive balance in the market for health care services, protecting access to quality patient care, promoting the health care infrastructure and medical progress, and improving communications, outweigh any potential anti-competitive effects of this act; and
n. It is the intention of the Legislature to authorize independent physicians and dentists to jointly negotiate with carriers and to qualify such joint negotiations and related joint activities for the State-action exemption to the federal antitrust laws through the articulated State policy and active supervision provided under this act.

n. the formulation and application of reimbursement methodology;

o. the terms and conditions of physician or dentist contracts, including, but not limited to, all products clauses, and the duration and renewal provisions of the contract; and

p. the inclusion or alteration of a contractual term or condition, except when the inclusion or alteration is required by a federal or State regulation concerning that term or condition; however, the restriction shall not limit a physician's or dentist's rights to jointly petition the federal or State government, as applicable, to change the regulation.

C.52:17B-199 Joint negotiations regarding fees, fee related matters.

4. a. Upon a finding by the Attorney General, in consultation with the Commissioners of Banking and Insurance and Health and Senior Services, that the carrier has substantial market power in its service area and that any of the terms or conditions of the contract with the carrier pose an actual or potential threat to the quality and availability of patient care among covered persons, two or more independent physicians or dentists who are practicing in the service area of a carrier may jointly negotiate with the carrier and engage in related joint activity, as provided in this act regarding fees and fee-related matters, including, but not limited to, any of the following:

(6) the amount of any other component of the reimbursement methodology for a health care or dental service.

b. The Department of Banking and Insurance, in consultation with the Department of Health and Senior Services, shall have the authority to collect and investigate such information as it reasonably believes is necessary to determine, on an annual basis:

(1) the average number of covered lives and geographical distribution of covered lives per quarter per county for every carrier in the State; and

(2) the impact of the provisions of this section on average physician or dentist fees in the State.

The Department of Banking and Insurance shall provide this information to the Attorney General on an annual basis.

      (4) the carrier with which the representative proposes to enter into negotiations on behalf of the identified physicians or dentists;
      (5) the intended subject matter of the proposed negotiations with the identified carrier;
      (6) the representative's plan of operation and procedures to ensure compliance with the provisions of this act;
      (7) the anticipated effect of the proposed joint negotiations on the quality and availability of health or dental care among covered persons;
      (8) the anticipated benefits of a contract between the identified physicians or dentists and carrier;
      (9) such other data, information and documents as the petitioner desires to submit in support of their petition; and
      (10) such other data, information and documents as the Attorney General deems necessary.

The joint negotiation representative, upon submitting the petition, shall pay a fee to the Attorney General in an amount, as determined by the Attorney General, which shall be reasonable and necessary to cover the costs associated with carrying out the provisions of this act.

b. After the joint negotiation representative and the carrier identified pursuant to subsection a. of this section have reached an agreement on the contractual terms or conditions that were the subject matter of their negotiations, the joint negotiation representative shall submit to the Attorney General, for his approval in accordance with the provisions of section 8 of this act, a copy of the proposed contract between the physicians or dentists identified pursuant to subsection a. of this section and the carrier,
as well as any plan of action which the joint negotiation representative and
the carrier may formally agree to for the purpose of implementing the terms
and conditions of the contract.

c. Within 14 days after either party notifies the other party of its
decision to decline or terminate negotiations entered into pursuant to this
act, or after the date that a joint negotiation representative requests that a
carrier enter into such negotiations to which request the plan fails to
respond, the joint negotiation representative shall report to the Attorney
General that the negotiations have ended, on a form and in a manner to be
prescribed by the Attorney General. The joint negotiation representative
may resume negotiations with the carrier no later than 60 days after
reporting to the Attorney General that the negotiations have ended, on the
basis of the petition submitted to the Attorney General pursuant to
subsection a. of this section and approved by the Attorney General in
accordance with the provisions of section 8 of this act. After that date, the
joint negotiation representative shall be required to submit a new petition
and pay an additional fee to the Attorney General pursuant to subsection a.
of this section, in order to engage in negotiations with the carrier under this
act.

8. a. The Attorney General shall provide written approval or disapproval
of a petition or a proposed contract furnished by a joint negotiation
representative pursuant to section 7 of this act no later than 30 days after
receipt of the petition or proposed contract, as applicable. If the Attorney
General fails to provide written approval or disapproval within this time
period, the joint negotiation representative may petition a court of compe-
tent jurisdiction for an order to require the Attorney General to take such
action. If the Attorney General disapproves the petition or the proposed
contract, he shall forward a written explanation of any deficiencies therein
to the joint negotiation representative along with a statement of the specific
remedial measures by which those deficiencies may be corrected.

A joint negotiation representative shall not engage in negotiations with
a carrier over any contractual term or condition unless the petition furnished
by the joint negotiation representative has been approved in writing by the
Attorney General, nor shall a proposed contract between two or more
independent physicians or dentists and a carrier be implemented unless the
Attorney General has approved the contract.

b. The Attorney General shall approve a petition or a proposed
contract furnished by a joint negotiation representative pursuant to section
7 of this act if the Attorney General determines that the petition or proposed
contract demonstrates that the benefits which are likely to result from the
proposed joint negotiations over a contractual term or condition or the proposed contract, as applicable, outweigh the disadvantages attributable to a reduction in competition that may result from the proposed joint negotiations. In making his determination, the Attorney General shall consider physician or dentist distribution by specialty and its effect on competition in the geographic service area of the carrier.

c. The Attorney General’s written approval of a petition which is furnished by a joint negotiation representative under section 7 of this act shall be effective for all subsequent negotiations between the joint negotiation representative and the identified carrier, subject to the provisions of subsection c. of section 7 of this act.

d. In the case of a petition submitted pursuant to subsection a. of section 7 of this act, the Attorney General shall notify the carrier of the petition and provide the carrier with the opportunity to submit written comments within a specified time frame that does not extend beyond the date by which the Attorney General is required to act on the petition.

C.52:17B-204 Application for hearing.

9. a. Within 30 days from the mailing by the Attorney General of a notice of disapproval of a petition submitted under section 7 of this act, the petitioners may make a written application to the Attorney General for a hearing.

b. Upon receipt of a timely written application for a hearing, the Attorney General shall schedule and conduct a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). The hearing shall be held within 30 days of the application unless the petitioner seeks an extension.

c. The sole parties with respect to any petition under section 7 of this act shall be the petitioners, and notwithstanding any other provision of law to the contrary, the Attorney General shall not be required to treat any other person as a party and no other person shall be entitled to appeal the Attorney General’s determination.

C.52:17B-205 Confidentiality of information.

10. All information, including documents and copies thereof, obtained by or disclosed to the Attorney General or any other person in a petition under section 7 of this act, shall be treated confidentially and shall be deemed proprietary and shall not be made public or otherwise disclosed by the Attorney General or any other person without the written consent of the petitioners to whom the information pertains.
C.52:17B-206 Good faith negotiation required.

11. A carrier and a joint negotiation representative shall negotiate in good faith regarding the terms and conditions of physician or dentist contracts pursuant to this act.

C.52:17B-207 Construction of act.

12. a. The provisions of this act shall not be construed to:

(1) permit two or more physicians or dentists to jointly engage in a coordinated cessation, reduction or limitation of the health care or dental services which they provide;

(2) permit two or more physicians or dentists to meet or communicate in order to jointly negotiate a requirement that at least one of the physicians or dentists, as a condition of participation with a carrier, be allowed to participate in all of the products offered by the carrier;

(3) permit two or more physicians or dentists to jointly negotiate with a carrier to exclude, limit or otherwise restrict a non-physician or non-dentist health care provider from participating in the carrier's health benefits or dental plan based substantially on the fact that the health care provider is not a physician or dentist, unless that exclusion, limitation or restriction is otherwise permitted by law;

(4) prohibit or restrict activity by physicians or dentists that is sanctioned under federal or State law or subject such activity to the requirements of this act;

(5) affect governmental approval of, or otherwise restrict activity by, physicians or dentists that is not prohibited under federal antitrust law; or

(6) require approval of physician or dentist contract terms to the extent that the terms are exempt from State regulation under section 514(a) of the "Employee Retirement Income Security Act of 1974," Pub.L.93-406 (29 U.S.C. s.1144(a)).

b. Prior to entering into negotiations with a carrier on behalf of two or more independent physicians or dentists over a contractual term or condition, a joint negotiation representative shall notify the physicians or dentists in writing of the provisions of this act and advise them as to their potential for legal action against physicians or dentists who violate federal antitrust law.

C.52:17B-208 Report to Governor, Legislature by Attorney General.

13. The Attorney General, in consultation with the Commissioners of Banking and Insurance and Health and Senior Services, shall report to the Governor and the Legislature no later than four years after the effective date of this act on its implementation.

The report shall include the number of petitions submitted for approval to engage in joint negotiations and the outcome of the petitions and the
negotiations, an assessment of the effect the joint negotiations provided for in this act has had in restoring the competitive balance in the market for health care or dental services and in protecting access to quality patient care, an assessment of the impact this act has had on health insurance premiums in the State, and such other information that the Attorney General deems appropriate. The report shall also include the Attorney General's recommendations as to whether the provisions of this act shall be expanded to include other types of health care professionals and facilities.

The Attorney General, in consultation with the Commissioners of Banking and Insurance and Health and Senior Services, shall report to the Governor and the Legislature no later than five years after the effective date of this act with his recommendation as to whether this act shall be made permanent.

C.52:17B-209 Rules, regulations.

14. The Attorney General, in consultation with the Commissioners of Banking and Insurance and Health and Senior Services and pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate the purposes of this act.

15. This act shall take effect 90 days after enactment and shall expire six years after the effective date, but the expiration of this act shall not impair any contract negotiated pursuant to this act that is in effect on the date of expiration. The Attorney General, in consultation with the Commissioners of Banking and Insurance and Health and Senior Services, may take such anticipatory administrative action in advance of the effective date as shall be necessary to implement the act.

Approved January 8, 2002.

CHAPTER 373

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
CHAPTER 373, LAWS OF 2001

C.26:2-103.1 Findings, declarations relative to universal newborn hearing screening.

1. The Legislature finds and declares that:

Hearing loss occurs in newborns more frequently than any other health condition for which newborn screening is currently required. Moreover, early detection of hearing loss in a child and early intervention and treatment before six months of age has been demonstrated to be highly effective in facilitating a child's healthy development in a manner consistent with the child's age and cognitive ability. Eighty percent of a child's ability to learn speech, language and related cognitive skills is established by the time the child is 36 months of age, and hearing is vitally important to the healthy development of such language skills. Due to advances in medical technology, children of all ages can receive reliable and valid screening for hearing loss in a cost-effective manner. Appropriate screening and identification of newborns and infants with hearing loss will facilitate early intervention and treatment in the critical time period for language development, and may, therefore, serve the public purposes of promoting the healthy development of children and reducing public expenditures for health care and special education and related services.

Therefore, it is necessary for the Legislature to establish a universal newborn hearing screening program that will: a. provide early detection of hearing loss in newborn children at the hospital or birthing center or as soon after birth as possible; b. enable these children and their care givers to obtain needed multi-disciplinary evaluation, treatment, and intervention services at the earliest opportunity; and c. prevent or mitigate the developmental delays and academic failures associated with late identification of hearing loss.

C.26:2-103.2 Definitions relative to universal newborn hearing screening.

2. As used in this act:

"Commissioner" means the Commissioner of Health and Senior Services.

"Department" means the Department of Health and Senior Services.

"Electrophysiologic screening measures" means the electrical result of the application of physiologic agents and includes, but is not limited to, the procedures currently known as Auditory Brainstem Response testing (ABR) and Otoacoustic Emissions testing (OAE) and any other procedure adopted by regulation by the commissioner.

"Hearing loss" means a hearing loss of 30dB or greater in the frequency region important for speech recognition and comprehension in one or both ears, which is approximately 500 through 4000 Hz., except that the commissioner may adopt a standard which establishes a less severe hearing loss, as appropriate.
"Newborn" means a child up to 28 days old.  
"Parent" means a biological parent, stepparent, adoptive parent, legal guardian or other legal custodian of a child.

C.26:2-103.3 Screening for hearing loss in all newborn children.  
3. a. The commissioner shall ensure that, effective January 1, 2002, all newborn children in the State shall be screened for hearing loss by an appropriate electrophysiologic screening measure.  
   b. Effective January 1, 2002, the department shall issue guidelines for the periodic monitoring of all infants between the age of 29 days and 36 months for delayed onset hearing loss.  
   c. Notwithstanding the provisions of subsection a. of this section to the contrary, no newborn child shall be screened for hearing loss if the parent of the newborn objects to such screening on the grounds that the screening conflicts with the parents' bona fide religious tenets or practices.

C.26:2-103.4 Hospital, birthing center to provide for newborn screening for hearing loss.  
4. Every hospital that provides inpatient maternity services and every birthing center licensed in the State pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall be required to provide for newborn screening for hearing loss for all newborns born at the facility. The hospital or birthing center shall file a plan with the department, in a manner and on forms prescribed by the commissioner, detailing how the hospital or birthing center will implement the newborn hearing screening requirements established pursuant to this act. The plan shall include, at a minimum, the following:  
   a. the electrophysiologic screening measure to be performed;  
   b. the qualifications of the personnel designated to perform the electrophysiologic screening measure;  
   c. guidelines for the provision of follow-up services for newborns identified as having or being at risk of developing a hearing loss;  
   d. the educational services to be provided to the parents of newborns identified as having or being at risk for developing a hearing loss; and  
   e. the protocol to be followed to ensure the confidentiality of any patient identifying information furnished to the department for the purposes of the central registry established pursuant to this act.

C.26:2-103.5 Physician, midwife to advise parent of availability of newborn hearing screening.  
5. In the case of a newborn born outside of a hospital or birthing center who is not transferred to a hospital or birthing center, the physician or midwife, licensed in this State pursuant to Title 45 of the Revised Statutes, caring for the newborn shall advise the parent or guardian of the newborn of the availability of newborn hearing screening pursuant to this act, and
shall take such actions as may facilitate the provision of such screening to
the newborn in accordance with the provisions of this act.

C.26:2-103.6 Central registry of newborns at risk of hearing loss.

6. a. The commissioner shall establish a central registry of newborns
identified as having or being at risk of developing a hearing loss. The
information in the central registry shall be used for the purposes of
compiling statistical information and providing follow-up counseling,
intervention and educational services to the parents of the newborns listed
in the registry.

b. A hospital, birthing center or health care professional who performs
testing required by this act shall report the results of such testing when a
hearing loss is indicated to the department in a manner and on forms
prescribed by the commissioner.

C.26:2-103.7 Screening, monitoring covered service.

7. The Commissioner of Human Services shall ensure that the newborn
hearing screening and periodic monitoring of infants for delayed onset hearing
loss required pursuant to this act is a covered service under the State Medicaid
program established pursuant to P.L.1968, c. 413 (C.30:4D-1 et seq.), the
"Children's Health Care Coverage Program" established pursuant to P.L.1997,
c.272 (C.30:4I-1 et seq.), and the "FamilyCare Health Coverage Program"
established pursuant to P.L.2000, c.71 (C.30:4J-1 et seq.).

C.26:2-103.8 Hearing Evaluation Council.

8. The commissioner shall establish a Hearing Evaluation Council to
provide on-going advice to the department on implementation of this act.
The council shall be composed of not less than seven persons appointed by
the commissioner who include: a board certified pediatrician, a board
certified otolaryngologist, an audiologist with certified clinical competence,
a person who is profoundly deaf, a person who is hearing impaired, a
hearing person of parents who are deaf, and a citizen of the State who is
interested in the concerns and welfare of the deaf.

Each member shall hold office for a term of two years and until each
member's successor is appointed and qualified. Any person appointed to fill
a vacancy occurring prior to the expiration of the term for which the person's
predecessor was appointed shall be appointed for the remainder of such
term.

The council shall meet as frequently as the commissioner deems
necessary, but not less than once each year. Council members shall receive
no compensation but shall be reimbursed for actual expenses incurred in
carrying out their duties as members of this council.

Effective immediately for an individual health benefits plan issued on or after the effective date of P.L. 1995, c. 316 (C. 17:48E-35.10 et al.) and effective on the first 12-month anniversary date of an individual health benefits plan in effect on the effective date of P.L. 1995, c. 316 (C. 17:48E-35.10 et al.), the individual health benefits plans required pursuant to section 3 of P.L. 1992, c. 161 (C. 17B:27A-4), including any plan offered by a federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:
(1) Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

(2) All childhood immunizations as recommended by the Advisory Committee on Immunization Practices of the United States Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

(3) Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset hearing loss, pursuant to P.L.2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

f. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) that provide benefits for expenses incurred in the purchase of prescription drugs shall provide benefits for expenses incurred in the purchase of specialized non-standard infant formulas, when the covered infant's physician has diagnosed the infant as having multiple food protein intolerance and has determined such formula to be medically necessary, and when the covered infant has not been responsive to trials of standard non-cow milk-based formulas, including soybean and goat milk. The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.
15. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to read as follows:

C.17B:27A-19 Five health benefit plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer the five health benefit plans as provided in this section. The board shall establish a standard policy form for each of the five plans, which except as otherwise provided in subsection j. of this section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:21-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:

(1) Basic inpatient and outpatient hospital care;
(2) Basic and extended medical-surgical benefits;
(3) Diagnostic tests, including X-rays;
(4) Maternity benefits, including prenatal and postnatal care; and
(5) Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees' small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available to all small employers on a continuing basis. Every small employer which
elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the five standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).

e. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may approve a health benefits plan containing only medical-surgical benefits or major medical expense benefits, or a combination thereof, which is issued as a separate policy in conjunction with a contract of insurance for hospital expense benefits issued by a hospital service corporation, if the health benefits plan and hospital service corporation contract combined otherwise comply with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.). Deductibles and coinsurance limits for the contract combined may be allocated between the separate contracts at the discretion of the carrier and the hospital service corporation.

f. Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.s.300e et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section.

Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is approved pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section, except that the plans shall provide the same level of benefits as required for a federally qualified health maintenance organization, including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance organization or otherwise affiliate with a health maintenance organization in order to comply with the provisions of this section, but the carrier shall be required to offer the five health benefits plans which are
formulated by the board and approved by the commissioner, including one plan which contains benefits and cost sharing levels that are equivalent to those required for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may modify the benefits provided for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3).

i. (1) In addition to the rider packages provided for in subsection d. of this section, every carrier may offer, in connection with the five health benefits plans required to be offered by this section, any number of riders which may revise the coverage offered by the five plans in any way, provided, however, that any form of such rider or amendment thereof which decreases benefits or decreases the actuarial value of one of the five plans shall be filed for informational purposes with the board and for approval by the commissioner before such rider may be sold. Any rider or amendment thereof which adds benefits or increases the actuarial value of one of the five plans shall be filed with the board for informational purposes before such rider may be sold.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner shall not approve any rider which reduces benefits below those required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and required to be sold pursuant to this section. The commissioner's determination shall be in writing and shall be appealable.

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued by or through a carrier, association, or multiple employer arrangement prior to January 1, 1994 or, if the requirements of subparagraph (c) of paragraph (6) of this subsection are met, issued by or through an out-of-State trust prior to January 1, 1994, at the option of a small employer policy or contract holder, may be renewed or continued after February 28, 1994, or in the case of such a health benefits plan whose anniversary date occurred between March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-19.1 et al.), may be reinstated within 60 days of that anniversary date and renewed or continued if, beginning on the first 12-month anniversary date occurring on or after the sixtieth day after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162.

Nothing in this subsection shall be construed to require an association, multiple employer arrangement or out-of-State trust to provide health benefits coverage to small employers that are not contemplated by the organizational documents, bylaws, or other regulations governing the purpose and operation of the association, multiple employer arrangement or out-of-State trust. Notwithstanding the foregoing provision to the contrary, an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members' employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;
(b) shall not use actual or expected health status in determining its membership; and
(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.

(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall monitor compliance of any such plan with the requirements of this subsection, except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48E-9.2, 17:48E-13.2 and 26:2j-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph, shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer groups
that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(9) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et seq.) to the contrary, any individual who is eligible for small employer coverage under a policy issued, renewed, continued or reinstated pursuant to this subsection, but who would be subject to a preexisting condition exclusion under the small employer health benefits plan, or who is a member of a small employer group who has been denied coverage under the small employer group health benefits plan for health reasons, may elect to purchase or continue coverage under an individual health benefits plan until such time as the group health benefits plan covering the small employer group of which the individual is a member complies with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the effective date of P.L.1995, c.340, the new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

(12) In a case in which a small employer purchased a health benefits plan directly from a carrier on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan's issuing carrier pursuant to the provisions of this paragraph,
shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

k. Effective immediately for a health benefits plan issued on or after the effective date of P.L.1995, c.316 (C.17:48E-35.10 et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.1995, c.316 (C.17:48E-35.10 et al.), the health benefits plans required pursuant to this section, including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

1. Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

2. All childhood immunization as recommended by the Advisory Committee on Immunization Practices of the United State Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

3. Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset hearing loss, pursuant to 2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

l. The board shall consider including benefits for speech-language pathology and audiology services, as rendered by speech-language pathologists and audiologists within the scope of their practices, in at least one of the five standard policies and in at least one of the five riders to be developed under this section.

m. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits

The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

Repealer.

CHAPTER 376

AN ACT establishing the Office on Women's Health in the Department of Health and Senior Services.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:1A-123 Findings, declarations relative to women's health.

1. The Legislature finds and declares that: women tend to live seven years longer than men and are at greater risk of having chronic diseases; approximately 75% of residents in New Jersey's long-term care facilities are women; approximately 19%, or 500,000 women 19 through 64 years of age in the State have no health insurance; women of color experience a shorter life expectancy, higher maternal and infant mortality, and more chronic disease; and it is important to promote the prevention and early detection of diseases in women and the equality of care, treatment and rehabilitation for women when they become ill.

The Legislature further recognizes that: heart disease is the leading cause of death for women, however, women with heart disease are not diagnosed or treated as early or as aggressively as men, and the classic risk profile for cardiovascular disease is based on a male model of disease; breast cancer is the leading cause of death in women between the ages of 35-50; New Jersey has higher than average rates for breast cancer and the
State ranks 25th among all states for breast cancer screening; there remains a tremendous need for education and information regarding breast cancer symptoms, self-evaluation, routine mammography, prevention programs and access to services; nearly one fourth of pregnant women do not receive adequate prenatal care; women constitute the fastest growing group of people with AIDS in New Jersey; and domestic violence is a major health problem for women nationally and in this State.

Therefore, it is necessary to create a special office to focus exclusively on these crucial health concerns facing the women in New Jersey.

A member shall hold office for the term of his appointment and until his successor has been appointed and qualified. All vacancies shall be filled for the balance of the unexpired term in the same manner as the original appointment. A member of the commission is eligible for reappointment.

CHAPTER 377

AN ACT concerning certain testing of evidence and supplementing Title 2A and Title 53 of the New Jersey Statutes.
CHAPTER 377, LAWS OF 2001

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:84A-32a Motion for performance of forensic DNA testing, certain circumstances.

1. a. Any person who was convicted of a crime and is currently serving a term of imprisonment may make a motion before the trial court that entered the judgment of conviction for the performance of forensic DNA testing.

   (1) The motion shall be verified by the convicted person under penalty of perjury and shall do all of the following:

      (a) explain why the identity of the defendant was a significant issue in the case;

      (b) explain in light of all the evidence, how if the results of the requested DNA testing are favorable to the defendant, a motion for a new trial based upon newly discovered evidence would be granted;

      (c) explain whether DNA testing was done at any prior time, whether the defendant objected to providing a biological sample for DNA testing, and whether the defendant objected to the admissibility of DNA testing evidence at trial. If evidence was subjected to DNA or other forensic testing previously by either the prosecution or the defense, the court shall order the prosecution or defense to provide all parties and the court with access to the laboratory reports, underlying data and laboratory notes prepared in connection with the DNA testing;

      (d) make every reasonable attempt to identify both the evidence that should be tested and the specific type of DNA testing sought; and

      (e) include consent to provide a biological sample for DNA testing.

   (2) Notice of the motion shall be served on the Attorney General, the prosecutor in the county of conviction, and if known, the governmental agency or laboratory holding the evidence sought to be tested. Responses, if any, shall be filed within 60 days of the date on which the Attorney General and the prosecutor are served with the motion, unless a continuance is granted. The Attorney General or prosecutor may support the motion for DNA testing or oppose it with a statement of reasons and may recommend to the court that if any DNA testing is ordered, a particular type of testing be conducted.

   b. The court, in its discretion, may order a hearing on the motion. The motion shall be heard by the judge who conducted the trial unless the presiding judge determines that judge is unavailable. Upon request of either party, the court may order, in the interest of justice, that the convicted person be present at the hearing of the motion.

   c. The court shall appoint counsel for the convicted person who brings a motion pursuant to this section if that person is indigent.
d. The court shall not grant the motion for DNA testing unless, after conducting a hearing, it determines that all of the following have been established:

(1) the evidence to be tested is available and in a condition that would permit the DNA testing that is requested in the motion;
(2) the evidence to be tested has been subject to a chain of custody sufficient to establish it has not been substituted, tampered with, replaced or altered in any material aspect;
(3) the identity of the defendant was a significant issue in the case;
(4) the convicted person has made a prima facie showing that the evidence sought to be tested is material to the issue of the convicted person's identity as the offender;
(5) the requested DNA testing result would raise a reasonable probability that if the results were favorable to the defendant, a motion for a new trial based upon newly discovered evidence would be granted. The court in its discretion may consider any evidence whether or not it was introduced at trial;
(6) the evidence sought to be tested meets either of the following conditions:
   (a) it was not tested previously;
   (b) it was tested previously, but the requested DNA test would provide results that are reasonably more discriminating and probative of the identity of the offender or have a reasonable probability of contradicting prior test results;
(7) the testing requested employs a method generally accepted within the relevant scientific community; and
(8) the motion is not made solely for the purpose of delay.

e. If the court grants the motion for DNA testing, the court order shall identify the specific evidence to be tested and the DNA technology to be used.

(1) If the parties agree upon a mutually acceptable laboratory that is accredited by the American Society of Crime Laboratory Directors Laboratory Accreditation Board or a laboratory that has a certificate of compliance with national standards issued pursuant to 42 U.S.C.A. s.14131 from the National Forensic Science Technology Center, the testing shall be conducted by that laboratory.

(2) If the parties fail to agree, the testing shall be conducted by the New Jersey State Police Forensic Science Laboratory. For good cause shown, however, the court may direct the evidence to an alternative laboratory that is accredited by the American Society of Crime Laboratory Directors Laboratory Accreditation Board or a laboratory that has a certificate of compliance with national standards issued pursuant to 42 U.S.C.A. s.14131 from the National Forensic Science Technology Center.
f. The result of any testing ordered pursuant to this section shall be fully disclosed to the person filing the motion, the prosecutor and the Attorney General. If requested by any party, the court shall order production of the underlying laboratory data and notes.

h. An order granting or denying a motion for DNA testing pursuant to this section may be appealed, pursuant to the Rules of Court.

i. DNA testing ordered by the court pursuant to this section shall be done as soon as practicable.

j. DNA profile information from biological samples taken from a convicted person pursuant to a motion for post-conviction DNA testing in accordance with the provisions of this section shall be treated as confidential and shall not be deemed a public record under P.L.1963, c.73 (C.47:1A-1 et seq.) or the common law concerning access to public records; except as provided in section 2 of P.L.2001, c.377 (C.53:1-20.37).

k. As used in this act, the terms "DNA," "DNA sample," DNA databank," "CODIS" and "FBI" shall have the meaning set forth in section 3 of P.L.1994, c.136 (C.53:1-20.19).

C.53:1-20.37 Retaining of all DNA profile information.

2. a. Notwithstanding any other provision of law to the contrary, the Division of State Police in the Department of Law and Public Safety shall retain all DNA profile information from biological samples taken from a convicted person pursuant to a motion for post-conviction DNA testing in accordance with the provisions of section 1 of P.L.2001, c.377 (C.2A:84A-32a) and may use the profile information in the investigation and prosecution of other crimes. The DNA profile information shall be added to, stored and maintained in the State DNA databank established pursuant to the "DNA Database and Databank Act of 1994," P.L.1994, c.136 (C.53:1-20.17 et seq.) and shall be forwarded to the FBI for inclusion in CODIS.

b. The Attorney General shall adopt rules governing the procedures to be used in the analysis and storage of DNA profile information obtained in accordance with the provisions of P.L.2001, c.377 (C.2A:84A-32a et al.).

3. The Supreme Court of New Jersey may adopt rules appropriate and necessary to effectuate the purpose of this act.

4. This act shall take effect on the 180th day after enactment, but the Attorney General may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.

Approved January 8, 2002.

CHAPTER 381

AN ACT concerning certain grand jury charges and supplementing Title 2B of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2B:22-9 Grand jury instruction in elements of justification for use of force by law enforcement officer.

1. a. In a grand jury proceeding where the use of force by a law enforcement officer has been introduced as an issue, the prosecutor shall instruct the grand jury in the elements of justification for the use of force in law enforcement pursuant to N.J.S.2C:3-7 and N.J.S.2C:3-9.

b. The prosecutor shall specifically charge the grand jury as follows:

(1) Subject to the limitations set out below, the use of force upon or toward the person of another is justifiable when a law enforcement officer is making an arrest or assisting in making an arrest and the officer reasonably believes that such force is immediately necessary to effect a lawful arrest.

(2) The use of force is not justifiable unless:

(a) The officer makes known the purpose of the arrest or reasonably believes that it is otherwise known by or cannot reasonably be made known to the person to be arrested; and

(b) When the arrest is made under a warrant, the warrant is valid or reasonably believed by the officer to be valid.

(3) The use of deadly force is not justifiable unless:

(a) The officer effecting the arrest is authorized to act as a law enforcement officer; and

(b) The officer reasonably believes that the force employed creates no substantial risk of injury to innocent persons; and
(c) The officer reasonably believes that the crime for which the arrest is made was homicide, kidnapping, an offense under N.J.S.2C:14-2 or N.J.S.2C:14-3, arson, robbery, burglary of a dwelling, or an attempt to commit one of these crimes; and

(d) the officer reasonably believes:
   (i) There is an imminent threat of deadly force to himself or to a third party; or
   (ii) The use of deadly force is necessary to thwart the commission of a crime as set forth in subparagraph (c) of this paragraph; or
   (iii) The use of deadly force is necessary to prevent an escape.

(4) The use of force to prevent the escape of an arrested person from custody is justifiable when the force could have been employed to effect the arrest under which the person is in custody under the provisions of this act. A correction officer or other person authorized to act as a law enforcement officer is, however, justified in using any force including deadly force, which he reasonably believes to be immediately necessary to prevent the escape of a person committed to a jail, prison, or other institution for the detention of persons charged with or convicted of an offense so long as the actor believes that the force employed creates no substantial risk of injury to innocent persons.

(5) The justification for the use of force afforded by this act is unavailable when:
   (a) The officer's belief in the unlawfulness of the force or conduct against which he employs protective force or his belief in the lawfulness of an arrest which he endeavors to effect by force is erroneous; and
   (b) His error is due to ignorance or mistake as to the provisions of the code, any other provisions of the criminal law or the law governing the legality of an arrest or search.

c. When the officer is justified under N.J.S.2C:3-3 to 2C:3-8 in using force upon or toward the person of another but he recklessly or negligently injures or creates a risk of injury to innocent persons, the justification afforded by those sections is unavailable in a prosecution for such recklessness or negligence towards innocent persons.

2. This act shall take effect immediately.

Approved January 8, 2002.

The remaining $3,786,667 shall be used solely to supplement thoroughbred purses at the tracks designated herein. Interest earned on the account shall be distributed to the New Jersey Thoroughbred Horsemen’s Association to be used specifically for an owner/trainer incentive awards program to encourage participation in New Jersey racing, and such program shall be designated, implemented and maintained by the association in conjunction with the Racing Secretaries of Monmouth Park and the Meadowlands. Money remaining in the account at the end of the calendar year shall be available to supplement purses in the following year.

Thoroughbred purse supplements distributed from the amount appropriated hereinabove shall be reconciled by the commission and the respective Racing Secretary with the track operator in writing, on a weekly basis, and payment shall be made within the same time period to the track operator’s purse account. The track operator shall
continue the practice of exercising responsibility for tax accounting on the distribution of the amounts appropriated hereinabove that are used in supplementing purses. The thoroughbred purse supplements distributed from the amounts appropriated hereinabove shall be paid over and above the contract rate in effect at that thoroughbred track in calendar year 2001. Purse supplements from the amounts appropriated hereinabove shall be applied to purses at the Monmouth Park Thoroughbred Meet during those days designated as "Monmouth Park" days and the Meadowlands Thoroughbred Meeting during those days designated as "Meadowlands" days only and shall not apply to any other track that opts to run its meet at either Monmouth Park or the Meadowlands. Purse supplements from the amounts appropriated hereinabove shall be applied only to purses at a track that runs a "Meet" that consists of a complement of at least 45 race days with an average of at least nine live thoroughbred events each race day.

Of the $2,100,000 to be distributed to benefit standardbred horsemen, the commission may, in consultation with the New Jersey Standardbred Breeders and Owners' Association, distribute up to $67,333 to the association for programs designed to aid horsemen. All remaining money shall be used solely to supplement standardbred purses at Freehold Raceway and the Meadowlands, with each track receiving a share according to the following formula: $A/B$, where $A$ equals the total amount of standardbred overnight purses distributed by that racetrack in calendar year 2001 and where $B$ equals the total amount of standardbred overnight purses distributed by both racetracks in calendar year 2001. Moneys remaining in the account at the end of the calendar year shall be available to supplement standardbred purses in the following year.
Standardbred purse supplements distributed from the amount appropriated hereinabove shall be reconciled by the commission and the respective Racing Secretary with the track operator in writing, on a weekly basis, and payment shall be made within the same time period to the track operator's purse account. The track operator shall continue the practice of exercising responsibility for tax accounting on the distribution of the amounts appropriated hereinabove that are used in supplementing purses. 2. N.J.S.12A:9-103 is amended to read as follows:

Purchase-money security interest; application of payments; burden of establishing.

(a) Definitions. In this section:

(1) "purchase-money collateral" means goods or software that secures a purchase-money obligation incurred with respect to that collateral; and
(2) "purchase-money obligation" means an obligation of an obligor incurred as all or part of the price of the collateral or for value given to enable the debtor to acquire rights in or the use of the collateral if the value is in fact so used.

(b) Purchase-money security interest in goods. A security interest in goods is a purchase-money security interest:
(1) to the extent that the goods are purchase-money collateral with respect to that security interest;
(2) if the security interest is in inventory that is or was purchase-money collateral, also to the extent that the security interest secures a purchase-money obligation incurred with respect to other inventory in which the secured party holds or held a purchase-money security interest; and
(3) also to the extent that the security interest secures a purchase-money obligation incurred with respect to software in which the secured party holds or held a purchase-money security interest.

(c) Purchase-money security interest in software. A security interest in software is a purchase-money security interest to the extent that the security interest also secures a purchase-money obligation incurred with respect to goods in which the secured party holds or held a purchase-money security interest if:
(1) the debtor acquired its interest in the software in an integrated transaction in which it acquired an interest in the goods; and
(2) the debtor acquired its interest in the software for the principal purpose of using the software in the goods.

(d) Consignor's inventory purchase-money security interest. The security interest of a consignor in goods that are the subject of a consignment is a purchase-money security interest in inventory.

(e) Application of payment in non-consumer-goods transaction. In a transaction other than a consumer-goods transaction, if the extent to which a security interest is a purchase-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:
(1) in accordance with any reasonable method of application to which the parties agree;
(2) in the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or
(3) in the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:
(A) to obligations that are not secured; and
(B) if more than one obligation is secured, to obligations secured by
purchase-money security interests in the order in which those obligations
were incurred.

(f) No loss of status of purchase-money security interest in non-
consumer-goods transaction. In a transaction other than a consumer-goods
transaction, a purchase-money security interest does not lose its status as
such, even if:

(1) the purchase-money collateral also secures an obligation that is not
a purchase-money obligation;

(2) collateral that is not purchase-money collateral also secures the
purchase-money obligation; or

(3) the purchase-money obligation has been renewed, refinanced,
consolidated, or restructured.

(g) Burden of proof in non-consumer-goods transaction. In a transac-
tion other than a consumer-goods transaction, a secured party claiming a
purchase-money security interest has the burden of establishing the extent
to which the security interest is a purchase-money security interest.

(h) Non-consumer-goods transactions; no inference. The limitation of
the rules in subsections (e), (f) and (g) to transactions other than consumer-
goods transactions is intended to leave to the court the determination of the
proper rules in consumer-goods transactions. The court may not infer from
that limitation the nature of the proper rule in consumer-goods transactions;
and may continue to apply established approaches.

3. N.J.S.12A:9-104 is amended to read as follows:

Control of deposit account.

12A:9-104. Control of Deposit Account.

(a) Requirements for control. A secured party has control of a deposit
account if:

(1) the secured party is the bank with which the deposit account is
maintained;

(2) the debtor, secured party, and bank have agreed in an authenticated
record that the bank will comply with instructions originated by the secured
party directing disposition of the funds in the deposit account without
further consent by the debtor; or

(3) the secured party becomes the bank's customer with respect to the
deposit account.

(b) Debtor's right to direct disposition. A secured party that has
satisfied subsection (a) has control, even if the debtor retains the right to
direct the disposition of funds from the deposit account.
CHAPTER 386, LAWS OF 2001

4. N.J.S.12A:9-105 is amended to read as follows:

Control of electronic chattel paper.

A secured party has control of electronic chattel paper if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

(1) a single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;

(2) the authoritative copy identifies the secured party as the assignee of the record or records;

(3) the authoritative copy is communicated to and maintained by the secured party or its designated custodian;

(4) copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the participation of the secured party;

(5) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision.

5. N.J.S.12A:9-106 is amended to read as follows:

Control of investment property.

12A:9-106. Control of Investment Property.

(a) Control under 12A:8-106. A person has control of a certificated security, uncertificated security, or security entitlement as provided in 12A:8-106.

(b) Control of commodity contract. A secured party has control of a commodity contract if:

(1) the secured party is the commodity intermediary with which the commodity contract is carried; or

(2) the commodity customer, secured party, and commodity intermediary have agreed that the commodity intermediary will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer.

(c) Effect of control of securities account or commodity account. A secured party having control of all security entitlements or commodity contracts carried in a securities account or commodity account has control over the securities account or commodity account.

6. N.J.S.12A:9-108 is amended to read as follows:
Sufficiency of description.

(a) Sufficiency of description. Except as otherwise provided in subsections (c), (d), (e) and (f), a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.

(b) Examples of reasonable identification. Except as otherwise provided in subsection (d), a description of collateral reasonably identifies the collateral if it identifies the collateral by:

(1) specific listing;
(2) category;
(3) except as otherwise provided in subsection (e), a type of collateral defined in the Uniform Commercial Code;
(4) quantity;
(5) computational or allocational formula or procedure; or
(6) except as otherwise provided in subsection (c), any other method, if the identity of the collateral is objectively determinable.

(c) Supergeneric description not sufficient. A description of collateral as "all the debtor's assets" or "all the debtor's personal property" or using words of similar import does not reasonably identify the collateral.

(d) Investment property. Except as otherwise provided in subsection (e), a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

(1) the collateral by those terms or as investment property; or
(2) the underlying financial asset or commodity contract.

(e) When description by type insufficient. A description only by type of collateral defined in the Uniform Commercial Code is an insufficient description of:

(1) a commercial tort claim; or
(2) in a consumer transaction, consumer goods, a security entitlement, a securities account, or a commodity account

(f) Bondable transition property. A description of bondable transition property is sufficient if it refers to the bondable stranded costs rate order, as defined in section 3 of P.L.1999, c.23 (C.48:3-51), establishing the bondable transition property.

7. N.J.S.12A:9-109 is amended to read as follows:

Scope.

(a) General scope of chapter. Except as otherwise provided in subsections (c) and (d), this chapter applies to:
(1) a transaction, regardless of its form, that creates a security interest in personal property or fixtures by contract;
(2) an agricultural lien;
(3) a sale of accounts, chattel paper, payment intangibles, or promissory notes;
(4) a consignment;
(5) a security interest arising under 12A:2-401, 12A:2-505, 12A:2-711(3), or 12A:2A-508(5), as provided in 12A:9-110; and
(6) a security interest arising under 12A:4-210 or 12A:5-118.
(b) Security interest in secured obligation. The application of this chapter to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this chapter does not apply.
(c) Extent to which chapter does not apply. This chapter does not apply to the extent that:
(1) a statute, regulation, or treaty of the United States preempts this chapter; or
(2) the rights of a transferee beneficiary or nominated person under a letter of credit are independent and superior under 12A:5-114.
(d) Inapplicability of chapter. This chapter does not apply to:
(1) a landlord’s lien, other than an agricultural lien;
(2) a lien, other than an agricultural lien, given by statute or other rule of law for services or materials, but 12A:9-333 applies with respect to priority of the lien;

(4) a sale of accounts, chattel paper, payment intangibles, or promissory notes as part of a sale of the business out of which they arose;

(6) an assignment of a right to payment under a contract to an assignee that is also obligated to perform under the contract;
(7) an assignment of a single account, payment intangible, or promissory note to an assignee in full or partial satisfaction of a preexisting indebtedness;
(8) a transfer of an interest in or an assignment of a claim under a policy of insurance, other than an assignment by or to a health-care provider of a health-care-insurance receivable and any subsequent assignment of the right to payment, but 12A:9-315 and 12A:9-322 apply with respect to proceeds and priorities in proceeds;
(9) an assignment of a right represented by a judgment, other than a judgment taken on a right to payment that was collateral;
(10) a right of recoupment or set-off, but:
(A) 12A:9-340 applies with respect to the effectiveness of rights of recoupment or set-off against deposit accounts; and
(B) 12A:9-404 applies with respect to defenses or claims of an account debtor;
(11) the creation or transfer of an interest in or lien on real property, including a lease or rents thereunder, except to the extent that provision is made for:
(A) liens on real property in 12A:9-203 and 12A:9-308;
(B) fixtures in 12A:9-334; and
(C) fixture filings in 12A:9-501, 12A:9-502, 12A:9-512, 12A:9-516 and 12A:9-519; and
(D) security agreements covering personal and real property in 12A:9-604;

(14) a transfer by a government or governmental unit.

8. N.J.S.12A:9-201 is amended to read as follows:

General effectiveness of security agreement.
12A:9-201. General Effectiveness of Security Agreement.
(a) General effectiveness. Except as otherwise provided in the Uniform Commercial Code, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(b) Applicable consumer laws and other law. A transaction subject to this chapter is subject to any applicable rule of law which establishes a different rule for consumers and to (1) any other statute or regulation of this State that regulates the rates, charges, agreements, and practices for loans, credit sales, or other extensions of credit and (2) any consumer protection statute or regulation of this State.

(c) Other applicable law controls. In case of conflict between this chapter and a rule of law, statute, or regulation described in subsection (b), the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. This chapter does not:
(1) validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b); or
(2) extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.

9. N.J.S.12A:9-203 is amended to read as follows:

Attachment and enforceability of security interest; proceeds; supporting obligations; formal requisites.

12A:9-203. Attachment and Enforceability of Security Interest; Proceeds; Supporting Obligations; Formal Requisites.

(a) Attachment. A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. Except as otherwise provided in subsections (c) through (i), a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

(1) value has been given;

(2) the debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and

(3) one of the following conditions is met:

(A) the debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;

(B) the collateral is not a certificated security and is in the possession of the secured party under 12A:9-313 pursuant to the debtor's security agreement;

(C) the collateral is a certificated security in registered form and the security certificate has been delivered to the secured party under 12A:8-301 pursuant to the debtor's security agreement;

(D) the collateral is deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights, and the secured party has control under 12A:9-104, 12A:9-105, 12A:9-106, or 12A:9-107 pursuant to the debtor's security agreement.

(c) Other Uniform Commercial Code provisions. Subsection (b) is subject to 12A:4-210 on the security interest of a collecting bank, 12A:5-118 on the security interest of a letter-of-credit issuer or nominated person, 12A:9-110 on a security interest arising under Chapter 2 or 2A, and 12A:9-206 on security interests in investment property.

(d) When person becomes bound by another person's security agreement. A person becomes bound as debtor by a security agreement entered
into by another person if, by operation of law other than this chapter or by contract:

(1) the security agreement becomes effective to create a security interest in the person's property; or

(2) the person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.

(e) Effect of new debtor becoming bound. If a new debtor becomes bound as debtor by a security agreement entered into by another person:

(1) the agreement satisfies subsection (b) (3) with respect to existing or after-acquired property of the new debtor to the extent the property is described in the agreement; and

(2) another agreement is not necessary to make a security interest in the property enforceable.

(f) Proceeds and supporting obligations. The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by 12A:9-315 and is also attachment of a security interest in a supporting obligation for the collateral.

(g) Lien securing right to payment. The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage, or other lien.

(h) Security entitlement carried in securities account. The attachment of a security interest in a securities account is also attachment of a security interest in the security entitlements carried in the securities account.

(i) Commodity contracts carried in commodity account. The attachment of a security interest in a commodity account is also attachment of a security interest in the commodity contracts carried in the commodity account.

(j) Bondable transition property. Bondable transition property is presently existing property for all purposes, including for purposes of subsection (b) (2), whether or not the revenues and proceeds arising under the property have accrued and notwithstanding that the value of the property may depend upon customer use of electricity or performance of service by electric public utilities, or both.

After-acquired property, future advances.

12A:9-204. After-acquired Property; Future Advances.
(a) After-acquired collateral. Except as otherwise provided in subsection (b), a security agreement may create or provide for a security interest in after-acquired collateral.

(b) When after-acquired property clause not effective. A security interest does not attach under a term constituting an after-acquired property clause to:

1. consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within 10 days after the secured party gives value; or
2. a commercial tort claim.

(c) Future advances and other value. A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold in connection with, future advances or other value, whether or not the advances or value are given pursuant to commitment.

11. N.J.S.12A:9-205 is amended to read as follows:

Use or disposition of collateral permissible.

12A:9-205. Use or Disposition of Collateral Permissible.

(a) When security interest not invalid or fraudulent. A security interest is not invalid or fraudulent against creditors solely because:

1. the debtor has the right or ability to:
   (A) use, commingle, or dispose of all or part of the collateral, including returned or repossessed goods;
   (B) collect, compromise, enforce, or otherwise deal with collateral;
   (C) accept the return of collateral or make repossessions; or
   (D) use, commingle, or dispose of proceeds; or
2. the secured party fails to require the debtor to account for proceeds or replace collateral.

(b) Requirements of possession not relaxed. This section does not relax the requirements of possession if attachment, perfection, or enforcement of a security interest depends upon possession of the collateral by the secured party.

12. N.J.S.12A:9-206 is amended to read as follows:

Security interest arising in purchase or delivery of financial asset.

(a) Security interest when person buys through securities intermediary. A security interest in favor of a securities intermediary attaches to a person’s security entitlement if:

(f) Acknowledgment not required. A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g) Effectiveness of acknowledgment; no duties or confirmation. If a person acknowledges that it holds possession for the secured party's benefit:

(1) the acknowledgment is effective under subsection (c) or 12A:8-301 (a), even if the acknowledgment violates the rights of a debtor; and

(2) unless the person otherwise agrees or law other than this chapter otherwise provides, the person does not owe any duty to the secured party and is not required to confirm the acknowledgment to another person.

(h) Secured party's delivery to person other than debtor. A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

(1) to hold possession of the collateral for the secured party's benefit; or

(2) to redeliver the collateral to the secured party.
(i) Effect of delivery under subsection (h); no duties or confirmation. A secured party does not relinquish possession, even if a delivery under subsection (h) violates the rights of a debtor. A person to which collateral is delivered under subsection (h) does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this chapter otherwise provides.

30. N.J.S.12A:9-314 is amended to read as follows:

Perfection by control.

(a) Perfection by control. A security interest in investment property, deposit accounts, letter-of-credit rights, or electronic chattel paper may be perfected by control of the collateral under 12A:9-104, 12A:9-105, 12A:9-106 or 12A:9-107.

(b) Specified collateral: time of perfection by control; continuation of perfection. A security interest in deposit accounts, electronic chattel paper, or letter-of-credit rights is perfected by control under 12A:9-104, 12A:9-105 or 12A:9-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.

(c) Investment property: time of perfection by control; continuation of perfection. A security interest in investment property is perfected by control under 12A:9-106 from the time the secured party obtains control and remains perfected by control until:

(1) the secured party does not have control; and
(2) one of the following occurs:
(A) if the collateral is a certificated security, the debtor has or acquires possession of the security certificate;
(B) if the collateral is an uncertificated security, the issuer has registered or registers the debtor as the registered owner; or
(C) if the collateral is a security entitlement, the debtor is or becomes the entitlement holder.

31. N.J.S.12A:9-315 is amended to read as follows:

Secured party's rights on disposition of collateral and in proceeds.

(a) Disposition of collateral: continuation of security interest or agricultural lien; proceeds. Except as otherwise provided in this chapter and in 12A:2-403(2):

(1) a security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange, or other disposition thereof
unless the secured party authorized the disposition free of the security interest or agricultural lien; and

(2) a security interest attaches to any identifiable proceeds of collateral.

(b) When commingled proceeds identifiable. Proceeds that are commingled with other property are identifiable proceeds:

(1) if the proceeds are goods, to the extent provided by 12A:9-336; and

(2) if the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this chapter with respect to commingled property of the type involved.

(c) Perfection of security interest in proceeds. A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) Continuation of perfection. A perfected security interest in proceeds becomes unperfected on the 21st day after the security interest attaches to the proceeds unless:

(1) the following conditions are satisfied:

(A) a filed financing statement covers the original collateral;

(B) the proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and

(C) the proceeds are not acquired with cash proceeds;

(2) the proceeds are identifiable cash proceeds; or

(3) the security interest in the proceeds is perfected other than under subsection (c) when the security interest attaches to the proceeds or within 20 days thereafter.

(e) When perfected security interest in proceeds becomes unperfected. If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subsection (d) (1) becomes unperfected at the later of:

(1) when the effectiveness of the filed financing statement lapses under 12A:9-515 or is terminated under 12A:9-513; or

(2) the 21st day after the security interest attaches to the proceeds.

32. N.J.S.12A:9-316 is amended to read as follows:

Continued perfection of security interest following change in governing law.

(a) General rule: effect on perfection of change in governing law. A security interest perfected pursuant to the law of the jurisdiction designated in 12A:9-301 (1) or 12A:9-305 (c) remains perfected until the earliest of:
(1) the time perfection would have ceased under the law of that jurisdiction;
(2) the expiration of four months after a change of the debtor's location to another jurisdiction; or
(3) the expiration of one year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) Security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (a) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) Possessory security interest in collateral moved to new jurisdiction. A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:
(1) the collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;
(2) thereafter the collateral is brought into another jurisdiction; and
(3) upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Goods covered by certificate of title from this State. Except as otherwise provided in subsection (e), a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this State remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. A security interest described in subsection (d) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under 12A:9-311(b) or 12A:9-313 are not satisfied before the earlier of:
(1) the time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this State; or
(2) the expiration of four months after the goods had become so covered.
(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

1. the time the security interest would have become unperfected under the law of that jurisdiction; or
2. the expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (f) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

33. N.J.S.12A:9-317 is amended to read as follows:

Interests that take priority over or take free of security interest or agricultural lien.

12A:9-317. Interests That Take Priority Over or Take Free of Security Interest or Agricultural Lien.

(a) Conflicting security interests and rights of lien creditors. A security interest or agricultural lien is subordinate to the rights of:

1. a person entitled to priority under 12A:9-322; and
2. except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of:
   (A) the security interest or agricultural lien is perfected; or
   (B) one of the conditions specified in 12A:9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral...
without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Purchase-money security interest. Except as otherwise provided in 12A:9-320 and 12A:9-321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

34. N.J.S.12A:9-318 is amended to read as follows:

No Interest retained in right to payment that is sold; rights and title of seller of account or chattel paper with respect to creditors and purchasers.

12A:9-318. No Interest Retained in Right to Payment That Is Sold; Rights and Title of Seller of Account or Chattel Paper with Respect to Creditors and Purchasers.

(a) Seller retains no interest. A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) Deemed rights of debtor if buyer's security interest unperfected. For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

35. N.J.S.12A:9-319 is amended to read as follows:

Rights and title of consignee with respect to creditors and purchasers.

12A:9-319. Rights and Title of Consignee with Respect to Creditors and Purchasers.

(e) Consignee has consignor's rights. Except as otherwise provided in subsection (b), for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.
(b) Applicability of other law. For purposes of determining the rights of a creditor of a consignee, law other than this chapter determines the rights and title of a consignee while goods are in the consignee's possession if, under this part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

36. N.J.S.12A:9-320 is amended to read as follows:

Buyer of goods.

(a) Buyer in ordinary course of business. Except as otherwise provided in subsection (e), a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.
(b) Buyer of consumer goods. Except as otherwise provided in subsection (e), a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys:
   (1) without knowledge of the security interest;
   (2) for value;
   (3) primarily for the buyer's personal, family, or household purposes; and
   (4) before the filing of a financing statement covering the goods.
(c) Effectiveness of filing for subsection (b). To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b), the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by 12A:9-316 (a) and (b).
(d) Buyer in ordinary course of business at wellhead or minehead. A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.
(e) Possessory security interest not affected. Subsections (a) and (b) do not affect a security interest in goods in the possession of the secured party under 12A:9-313.

37. N.J.S.12A:9-321 is amended to read as follows:

Licensee of general intangible and lessee of goods in ordinary course of business.

(a) "Licensee in ordinary course of business." In this section, "licensee in ordinary course of business" means a person that becomes a licensee of
a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) Rights of licensee in ordinary course of business. A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(c) Rights of lessee in ordinary course of business. A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

38. N.J.S. 12A:9-322 is amended to read as follows:

Priorities among conflicting security interests in and agricultural liens on same collateral.

12A:9-322. Priorities Among Conflicting Security Interests in and Agricultural Liens on Same Collateral.

(a) General priority rules. Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

1. Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

2. A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

3. The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) Time of perfection: proceeds and supporting obligations. For the purposes of subsection (a)(1):

1. the time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

2. the time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.
(c) Special priority rules: proceeds and supporting obligations. Except as otherwise provided in subsection (f), a security interest in collateral which qualifies for priority over a conflicting security interest under 12A:9-327, 12A:9-328, 12A:9-329, 12A:9-330, or 12A:9-331 also has priority over a conflicting security interest in:

1. any supporting obligation for the collateral; and
2. proceeds of the collateral if:
   A. the security interest in proceeds is perfected;
   B. the proceeds are cash proceeds or of the same type as the collateral; and
   C. in the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) First-to-file priority rule for certain collateral. Subject to subsection (e) and except as otherwise provided in subsection (f), if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter-of-credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) Applicability of subsection (d). Subsection (d) applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter-of-credit rights.

(f) Limitations on subsections (a) through (e). Subsections (a) through (e) are subject to:

1. subsection (g) and the other provisions of this part;
2. 12A:4-210 with respect to a security interest of a collecting bank;
3. 12A:5-118 with respect to a security interest of an issuer or nominated person; and
4. 12A:9-110 with respect to a security interest arising under Chapter 2 or 2A.

(g) Priority under agricultural lien statute. A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

39. N.J.S.12A:9-323 is amended to read as follows:

**Future advances.**

(a) When priority based on time of advance. Except as otherwise provided in subsection (e), for purposes of determining the priority of a perfected security interest under 12A:9-322(a)(1), perfection of the security
interest dates from the time an advance is made to the extent that the security interest secures an advance that:

(1) is made while the security interest is perfected only:
(A) under 12A:9-309 when it attaches; or
(B) temporarily under 12A:9-312 (e), (f) or (g); and
(2) is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under 12A:9-309 or 12A:9-312 (e), (f) or (g).

(b) Lien creditor. Except as otherwise provided in subsection (c), a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than 45 days after the person becomes a lien creditor unless the advance is made:

(1) without knowledge of the lien; or
(2) pursuant to a commitment entered into without knowledge of the lien.

(c) Buyer of receivables. Subsections (a) and (b) do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes, or a consignor.

(d) Buyer of goods. Except as otherwise provided in subsection (e), a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

(1) the time the secured party acquires knowledge of the buyer’s purchase; or
(2) 45 days after the purchase.

(e) Advances made pursuant to commitment: priority of buyer of goods. Subsection (d) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer’s purchase and before the expiration of the 45-day period.

(f) Lessee of goods. Except as otherwise provided in subsection (g), a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

(1) the time the secured party acquires knowledge of the lease; or
(2) 45 days after the lease contract becomes enforceable.

(g) Advances made pursuant to commitment: priority of lessee of goods. Subsection (f) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.

40. N.J.S.12A:9-324 is amended to read as follows:
Priority of purchase-money security interests.

(a) General rule: purchase-money priority. Except as otherwise provided in subsection (g), a perfected purchase-money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods, and, except as otherwise provided in 12A:9-327, a perfected security interest in its identifiable proceeds also has priority, if the purchase-money security interest is perfected when the debtor receives possession of the collateral or within 20 days thereafter.

(b) Inventory purchase-money priority. Subject to subsection (c) and except as otherwise provided in subsection (g), a perfected purchase-money security interest in inventory has priority over a conflicting security interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in 12A:9-330, and, except as otherwise provided in 12A:9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the delivery of the inventory to a buyer, if:

(1) the purchase-money security interest is perfected when the debtor receives possession of the inventory;

(2) the purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) the holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(4) the notification states that the person sending the notification has or expects to acquire a purchase-money security interest in inventory of the debtor and describes the inventory.

(c) Holders of conflicting inventory security interests to be notified. Subsections (b) (2) through (4) apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

(1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) if the purchase-money security interest is temporarily perfected without filing or possession under 12A:9-312 (f), before the beginning of the 20-day period thereunder.

(d) Livestock purchase-money priority. Subject to subsection (e) and except as otherwise provided in subsection (g), a perfected purchase-money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock, and, except as otherwise
provided in 12A:9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) the purchase-money security interest is perfected when the debtor receives possession of the livestock;

(2) the purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) the holder of the conflicting security interest receives the notification within six months before the debtor receives possession of the livestock; and

(4) the notification states that the person sending the notification has or expects to acquire a purchase-money security interest in livestock of the debtor and describes the livestock.

(e) Holders of conflicting livestock security interests to be notified. Subsections (d)(2) through (4) apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:

(1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) if the purchase-money security interest is temporarily perfected without filing or possession under 12A:9-312(f), before the beginning of the 20-day period thereunder.

(f) Software purchase-money priority. Except as otherwise provided in subsection (g), a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in 12A:9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) Conflicting purchase-money security interests. If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d) or (f):

(1) a security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) in all other cases, 12A:9-322(a) applies to the qualifying security interests.

41. N.J.S.12A:9-325 is amended to read as follows:
Priority of security interests in transferred collateral.

(a) Subordination of security interest in transferred collateral. Except as otherwise provided in subsection (b), a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:
(1) the debtor acquired the collateral subject to the security interest created by the other person;
(2) the security interest created by the other person was perfected when the debtor acquired the collateral; and
(3) there is no period thereafter when the security interest is unperfected.
(b) Limitation of subsection (a) subordination. Subsection (a) subordinates a security interest only if the security interest:
(i) otherwise would have priority solely under 12A:9-322(a) or 12A:9-324; or
(ii) arose solely under 12A:2-711(3) or 12A:2A-508(5).

42. N.J.S.12A:9-326 is amended to read as follows:

Priority of security interests created by new debtor.

(a) Subordination of security interest created by new debtor. Subject to subsection (b), a security interest created by a new debtor which is perfected by a filed financing statement that is effective solely under 12A:9-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under 12A:9-508.
(b) Priority under other provisions; multiple original debtors. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under 12A:9-508. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

43. N.J.S.12A:9-327 is amended to read as follows:

Priority of security interests in deposit account.

The following rules govern priority among conflicting security interests in the same deposit account:
(1) A security interest held by a secured party having control of the deposit account under 12A:9-104 has priority over a conflicting security interest held by a secured party that does not have control.

(2) Except as otherwise provided in paragraphs (3) and (4), security interests perfected by control under 12A:9-314 rank according to priority in time of obtaining control.

(3) Except as otherwise provided in paragraph (4), a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(4) A security interest perfected by control under 12A:9-104 (a) (3) has priority over a security interest held by the bank with which the deposit account is maintained.

44. N.J.S.12A:9-328 is amended to read as follows:

Priority of security interests in investment property.

The following rules govern priority among conflicting security interests in the same investment property:

(1) A security interest held by a secured party having control of investment property under 12A:9-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(2) Except as otherwise provided in paragraphs (3) and (4), conflicting security interests held by secured parties each of which has control under 12A:9-106 rank according to priority in time of:

(A) if the collateral is a security, obtaining control;

(B) if the collateral is a security entitlement carried in a securities account and:

(i) if the secured party obtained control under 12A:8-106 (d) (1), the secured party's becoming the person for which the securities account is maintained;

(ii) if the secured party obtained control under 12A:8-106 (d) (2), the securities intermediary's agreement to comply with the secured party's entitlement orders with respect to security entitlements carried or to be carried in the securities account; or

(iii) if the secured party obtained control through another person under 12A:8-106 (d) (3), the time on which priority would be based under this paragraph if the other person were the secured party; or

(C) if the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in
12A:9-106 (b) (2) with respect to commodity contracts carried or to be carried with the commodity intermediary.

(3) A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party.

(5) A security interest in a certificated security in registered form which is perfected by taking delivery under 12A:9-313 (a) and not by control under 12A:9-314 has priority over a conflicting security interest perfected by a method other than control.

(6) Conflicting security interests created by a broker, securities intermediary, or commodity intermediary which are perfected without control under 12A:9-106 rank equally.

(7) In all other cases, priority among conflicting security interests in investment property is governed by 12A:9-322 and 12A:9-323.

45. N.J.S.12A:9-329 is amended to read as follows:

Priority of security interests in letter-of-credit right.

The following rules govern priority among conflicting security interests in the same letter-of-credit right:

(2) Security interests perfected by control under 12A:9-314 rank according to priority in time of obtaining control.

46. N.J.S.12A:9-330 is amended to read as follows:

Priority of purchaser of chattel paper or instrument.

(a) Purchaser's priority: security interest claimed merely as proceeds.

A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:
(1) in good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under 12A:9-105; and
(2) the chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) Purchaser's priority: other security interests. A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under 12A:9-105 in good faith, in the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Chattel paper purchaser's priority in proceeds. Except as otherwise provided in 12A:9-327, a purchaser having priority in chattel paper under subsection (a) or (b) also has priority in proceeds of the chattel paper to the extent that:

(1) 12A:9-322 provides for priority in the proceeds; or
(2) the proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Instrument purchaser's priority. Except as otherwise provided in 12A:9-331(a), a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.

(e) Holder of purchase-money security interest gives new value. For purposes of subsections (a) and (b), the holder of a purchase-money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) Indication of assignment gives knowledge. For purposes of subsections (b) and (d), if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.

47. N.J.S.12A:9-331 is amended to read as follows:

Priority of rights of purchasers of instruments, documents, and securities under other chapters; priority of interests in financial assets and security entitlements under chapter 8.

(a) Rights under Chapters 3, 7, and 8 not limited. This chapter does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Chapters 3, 7, and 8.

(b) Protection under Chapter 8. This chapter does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Chapter 8.

(c) Filing not notice. Filing under this chapter does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b).

48. N.J.S.12A:9-332 is amended to read as follows:

Transfer of money; transfer of funds from deposit account.
12A:9-332. Transfer of Money; Transfer of Funds from Deposit Account.
(a) Transferee of money. A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.
(b) Transferee of funds from deposit account. A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

49. N.J.S.12A:9-333 is amended to read as follows:

Priority of certain liens arising by operation of law.
(a) "Possessory lien." In this section, "possessory lien" means an interest, other than a security interest or an agricultural lien:
(1) which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;
(2) which is created by statute or rule of law in favor of the person; and
(3) whose effectiveness depends on the person's possession of the goods.
(b) Priority of possessory lien. A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

50. N.J.S.12A:9-334 is amended to read as follows:
Priority of security interests in fixtures and crops.

(a) Security interest in fixtures under this chapter. A security interest under this chapter may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this chapter in ordinary building materials incorporated into an improvement on land.
(b) Security interest in fixtures under real-property law. This chapter does not prevent creation of an encumbrance upon fixtures under real property law.
(c) General rule: subordination of security interest in fixtures. In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.
(d) Fixtures purchase-money priority. Except as otherwise provided in subsection (h), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:
(1) the security interest is a purchase-money security interest;
(2) the interest of the encumbrancer or owner arises before the goods become fixtures; and
(3) the security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.
(e) Priority of security interest in fixtures over interests in real property. A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:
(1) the debtor has an interest of record in the real property or is in possession of the real property and the security interest:
(A) is perfected by a fixture filing before the interest of the encumbrancer or the owner is of record; and
(B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;
(2) before the goods become fixtures, the security interest is perfected by any method permitted by this chapter and the fixtures are readily removable:
(A) factory or office machines;
(B) equipment that is not primarily used or leased for use in the operation of the real property; or
(C) replacements of domestic appliances that are consumer goods;
(3) the conflicting interest is a lien on real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this chapter; or

(4) the security interest is:
  (A) created in a manufactured home in a manufactured-home transaction; and
  (B) perfected pursuant to a statute described in 12A:9-311(a)(2).

(f) Priority based on consent, disclaimer, or right to remove. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) the debtor has a right to remove the goods as against the encumbrancer or owner.

(g) Continuation of paragraph (f)(2) priority. The priority of the security interest under paragraph (f)(2) continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) Priority of construction mortgage. A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f), a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) Priority of security interest in crops. A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

(j) Subsection (i) prevails. Subsection (i) prevails over any inconsistent provisions of State law.

51. N.J.S.12A:9-335 is amended to read as follows:

Accessions.
(a) Creation of security interest in accession. A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) Perfection of security interest. If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Priority of security interest. Except as otherwise provided in subsection (d), the other provisions of this part determine the priority of a security interest in an accession.

(d) Compliance with certificate-of-title statute. A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under 12A:9-311 (b).

(e) Removal of accession after default. After default, subject to Part 6, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) Reimbursement following removal. A secured party that removes an accession from other goods under subsection (e) shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

52. N.J.S.12A:9-336 is amended to read as follows:

Commingled goods.

(a) "Commingled goods." In this section, "commingled goods" means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) No security interest in commingled goods as such. A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) Attachment of security interest to product or mass. If collateral becomes commingled goods, a security interest attaches to the product or mass.
(d) Perfection of security interest. If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) is perfected.

(e) Priority of security interest. Except as otherwise provided in subsection (f), the other provisions of this part determine the priority of a security interest that attaches to the product or mass under subsection (c).

(f) Conflicting security interests in product or mass. If more than one security interest attaches to the product or mass under subsection (c), the following rules determine priority:

1. A security interest that is perfected under subsection (d) has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

2. If more than one security interest is perfected under subsection (d), the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

53. N.J.S.12A:9-337 is amended to read as follows:

Priority of security interests in goods covered by certificate of title.

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this State issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

1. a buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

2. the security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under 12A:9-311 (b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

54. N.J.S.12A:9-338 is amended to read as follows:

Priority of security interest or agricultural lien perfected by filed financing statement providing certain incorrect information.

12A:9-338. Priority of Security Interest or Agricultural Lien Perfected by Filed Financing Statement Providing Certain Incorrect Information.
If a security interest or agricultural lien is perfected by a filed financing statement providing information described in 12A:9-516 (b) (5) which is incorrect at the time the financing statement is filed:

(1) the security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) a purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate, receives delivery of the collateral.

55. N.J.S.12A:9-340 is amended to read as follows:

Effectiveness of right of recoupment or set-off against deposit account.

12A:9-340. Effectiveness of Right of Recoupment or Set-off Against Deposit Account.

(a) Exercise of recoupment or set-off. Except as otherwise provided in subsection (c), a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) Recoupment or set-off not affected by security interest. Except as otherwise provided in subsection (c), the application of this chapter to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) When set-off ineffective. The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under 12A:9-104 (a) (3), if the set-off is based on a claim against the debtor.

56. N.J.S.12A:9-341 is amended to read as follows:

Bank’s Rights and Duties with Respect to Deposit Account.

12A:9-341. Bank’s rights and duties with respect to deposit account.

Except as otherwise provided in 12A:9-340 (c), and unless the bank otherwise agrees in an authenticated record, a bank’s rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) the creation, attachment, or perfection of a security interest in the deposit account;

(2) the bank’s knowledge of the security interest; or
(3) the bank's receipt of instructions from the secured party.

57. N.J.S.12A:9-342 is amended to read as follows:

Bank's right to refuse to enter into or disclose existence of control agreement.

12A:9-342. Bank's Right to Refuse to Enter into or Disclose Existence of Control Agreement.

This chapter does not require a bank to enter into an agreement of the kind described in 12A:9-104 (a) (2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

58. N.J.S.12A:9-401 is amended to read as follows:

Alienability of debtor's rights.

(a) Other law governs alienability; exceptions. Except as otherwise provided in subsection (b) and 12A:9-406, 12A:9-407, 12A:9-408 and 12A:9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this chapter.

(b) Agreement does not prevent transfer. An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

59. N.J.S.12A:9-403 is amended to read as follows:

Agreement not to assert defenses against assignee.

12A:9-403. Agreement Not to Assert Defenses Against Assignee.

(a) "Value." In this section, "value" has the meaning provided in 12A:3-303 a.

(b) Agreement not to assert claim or defense. Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

(i) for value;

(ii) in good faith;

(iii) without notice of a claim of a property or possessor right to the property assigned; and
without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under 12A:3-305 a.

(c) When subsection (b) not applicable. Subsection (b) does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under 12A:3-305 b.

(d) Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this chapter requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:

(1) the record has the same effect as if the record included such a statement; and

(2) the account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) Rule for individual under other law. This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(f) Other law not displaced. Except as otherwise provided in subsection (d), this section does not displace law other than this chapter which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.

60. N.J.S.12A:9-404 is amended to read as follows:

Rights acquired by assignee; claims and defenses against assignee.

12A:9-404. Rights Acquired by Assignee; Claims and Defenses Against Assignee.

(a) Assignee's rights subject to terms, claims, and defenses; exceptions. Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e), the rights of an assignee are subject to:

(1) all terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.
(b) Account debtor's claim reduces amount owed to assignee. Subject to subsection (c) and except as otherwise provided in subsection (d), the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) only to reduce the amount the account debtor owes.

(c) Rule for individual under other law. This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this chapter requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

61. N.J.S.12A:9-405 is amended to read as follows:

Modification of assigned contract.

(a) Effect of modification on assignee. A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d).

(b) Applicability of subsection (a). Subsection (a) applies to the extent that:

(1) the right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) the right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under 12A:9-406 (a).

(c) Rule for individual under other law. This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.
(d) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

62. N.J.S.12A:9-406 is amended to read as follows:

Discharge of account debtor; notification of assignment; identification and proof of assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective.

(a) Discharge of account debtor; effect of notification. Subject to subsections (b) through (i), an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. Subject to subsection (h), notification is ineffective under subsection (a):

(1) if it does not reasonably identify the rights assigned;
(2) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this chapter; or
(3) at the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:
   (A) only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;
   (B) a portion has been assigned to another assignee; or
   (C) the account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. Subject to subsection (h), if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a).

(d) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (e), 12A:2A-303 and 12A:9-407, and
subject to subsection (h), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) provides that the assignment or transfer of the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. Subsection (d) does not apply to the sale of a payment intangible or promissory note.

(f) Legal restrictions on assignment generally ineffective. Except as otherwise provided in 12A:2-303 and 12A:9-407 and subject to subsections (h), (i) and (j), a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(i) prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) provides that the assignment or transfer of the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subsection (b) (3) not waivable. Subject to subsection (h), an account debtor may not waive or vary its option under subsection (b) (3).

(h) Rule for individual under other law. This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability. This section does not apply to an assignment of a health-care-insurance receivable. Subsection (f) does not apply to an assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (f): R.S.34:15-29 (workers' compensation claims); section 13 of P.L.1970, c.13 (C.5:9-13) (State lottery
j. Section prevails over specified inconsistent law. Except to the extent otherwise provided in subsection (i), this section prevails over any inconsistent provision of an existing or future statute, rule or regulation of this State, unless the provision is contained in a statute of this State, refers expressly to this section and states that the provision prevails over this section.

63. N.J.S.12A:9-407 is amended to read as follows:

Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b), a term in a lease agreement is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. Except as otherwise provided in 12A:2A-303 (7), a term described in subsection (a) (2) is effective to the extent that there is:

(1) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) a delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. The creation, attachment, perfection, or enforcement of a security interest in the lessee's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of 12A:2A-303 (4) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.
64. N.J.S.12A:9-408 is amended to read as follows:

Restrictions on assignment of promissory notes, health-care-insurance receivables, and certain
general intangibles ineffective.

12A:9-408. Restrictions on Assignment of Promissory Notes,
Health-care-insurance Receivables, and Certain General Intangibles
Ineffective.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b), a term in a promissory note or in an
agreement between an account debtor and a debtor which relates to a
health-care-insurance receivable or a general intangible, including a
contract, permit, license, or franchise, and which term prohibits, restricts, or
requires the consent of the person obligated on the promissory note or the
account debtor to, the assignment or transfer of, or creation, attachment, or
perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the
extent that the term:

(1) would impair the creation, attachment, or perfection of a security
interest; or

(2) provides that the assignment or transfer or the creation, attachment,
or perfection of the security interest may give rise to a default, breach, right
of recoupment, claim, defense, termination, right of termination, or remedy
under the promissory note, health-care-insurance receivable, or general
intangible.

(b) Applicability of subsection (a) to sales of certain rights to payment.
Subsection (a) applies to a security interest in a payment intangible or
promissory note only if the security interest arises out of a sale of the
payment intangible or promissory note.

(c) Legal restrictions on assignment generally ineffective. Except as
provided in subsection (e), a rule of law, statute, or regulation that prohibits,
restricts, or requires the consent of a government, governmental body or
official, person obligated on a promissory note, or account debtor to the
assignment or transfer of, or creation of a security interest in, a promissory
note, health-care-insurance receivable, or general intangible, including a
contract, permit, license, or franchise between an account debtor and a
debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(1) would impair the creation, attachment, or perfection of a security
interest; or

(2) provides that the assignment or transfer or the creation, attachment,
or perfection of the security interest may give rise to a default, breach, right
of recoupment, claim, defense, termination, right of termination, or remedy
under the promissory note, health-care-insurance receivable, or general intangible.

(d) Limitation on ineffectiveness under subsections (a) and (c). To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) would be effective under law other than this chapter but is ineffective under subsection (a) or (c), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

1. is not enforceable against the person obligated on the promissory note or the account debtor;
2. does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;
3. does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;
4. does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;
5. does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and
6. does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) Section prevails over specified inconsistent law. Except to the extent otherwise provided in subsection (f), this section prevails over any inconsistent provision of an existing or future statute, rule or regulation of this State, unless the provision is contained in a statute of this State, refers expressly to this section and states that the provision prevails over this section.

(f) Inapplicability. Subsection (c) does not apply to an assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, a right the transfer of which is prohibited or restricted by any of the following statutes to the extent that the statute is inconsistent with subsection (c): R.S.34:15-29 (workers' compensation claims); section 13 of P.L.1970, c.13 (C.5:9-13) (State lottery winnings); and P.L.2001, c.139 (C.2A:16-63 et seq.) (structured settlement agreements).
Restrictions on assignment of letter-of-credit rights ineffective.

(a) Term or law restricting assignment generally ineffective. A term in a letter of credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(2) provides that the assignment or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(b) Limitation on ineffectiveness under subsection (a). To the extent that a term in a letter of credit is ineffective under subsection (a) but would be effective under law other than this chapter or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(1) is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party.

66. N.J.S.12A:9-501 is amended to read as follows:

Filing office.

(a) Filing offices. Except as otherwise provided in subsection (b), if the local law of this State governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:
(1) the office designated for the filing or recording of a record of a mortgage on the related real property, if:
(A) the collateral is as-extracted collateral or timber to be cut; or
(B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or
(2) the Division of Commercial Recording or other office designated by Executive Order, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the Division of Commercial Recording or other office designated by Executive Order. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.

67. N.J.S.12A:9-502 is amended to read as follows:

Contents of financing statement; record of mortgage as financing statement; time of filing financing statement.
(a) Sufficiency of financing statement. Subject to subsection (b), a financing statement is sufficient only if it:
(1) provides the name of the debtor;
(2) provides the name of the secured party or a representative of the secured party; and
(3) indicates the collateral covered by the financing statement.
(b) Real-property-related financing statements. Except as otherwise provided in 12A:9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) and also:
(1) indicate that it covers this type of collateral;
(2) indicate that it is to be filed in the real property records;
(3) provide a description of the real property to which the collateral is related sufficient to give constructive notice of a mortgage under the law of this State if the description were contained in a record of the mortgage of the real property; and
(4) if the debtor does not have an interest of record in the real property, provide the name of a record owner.
(c) Record of mortgage as financing statement. A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) the record indicates the goods or accounts that it covers;
(2) the goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;
(3) the record satisfies the requirements for a financing statement in this section other than an indication that it is to be filed in the real property records; and
(4) the record is recorded.

(d) Filing before security agreement or attachment. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

68. N.J.S.12A:9-503 is amended to read as follows:

Name of debtor and secured party

(a) Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:

(1) if the debtor is a registered organization, only if the financing statement provides the name of the debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor to have been organized;
(2) if the debtor is a decedent's estate, only if the financing statement provides the name of the decedent and indicates that the debtor is an estate;
(3) if the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:
   (A) provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one or more of the same settlors; and
   (B) indicates, in the debtor's name or otherwise, that the debtor is a trust or a trustee acting with respect to property held in trust; and
(4) in other cases:
   (A) if the debtor has a name, only if it provides the individual or organizational name of the debtor; and
   (B) if the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor.
(b) Additional debtor-related information. A financing statement that provides the name of the debtor in accordance with subsection (a) is not rendered ineffective by the absence of:
   (1) a trade name or other name of the debtor; or
   (2) unless required under subsection (a) (4) (B), names of partners, members, associates, or other persons comprising the debtor.
(c) Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.
(d) Representative capacity. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.
(e) Multiple debtors and secured parties. A financing statement may provide the name of more than one debtor and the name of more than one secured party.

69. N.J.S.12A:9-504 is amended to read as follows:

Indication of collateral.

A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:
   (1) a description of the collateral pursuant to 12A:9-108; or
   (2) an indication that the financing statement covers all assets or all personal property.

70. N.J.S.12A:9-505 is amended to read as follows:

Filing and compliance with other statutes and treaties for consignments, leases, other bailments, and other transactions.

12A:9-505. Filing and Compliance with Other Statutes and Treaties for Consignments, Leases, Other Bailments, and Other Transactions.
(a) Use of terms other than "debtor" and "secured party." A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in 12A:9-311(a), using the terms "consignor," "consignee," "lessor," "lessee," "bailor," "bailee," "licensor," "licensee," "owner," "registered owner," "buyer," "seller," or words of similar import, instead of the terms "secured party" and "debtor".
(b) Effect of financing statement under subsection (a). This part applies to the filing of a financing statement under subsection (a) and, as appropriate, to compliance that is equivalent to filing a financing statement under 12A:9-311 (b), but the filing or compliance is not of itself a factor in
determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.

71. N.J.S.12A:9-506 is amended to read as follows:

Effect of errors or omissions.

12A:9-506. Effect of Errors or Omissions.

(a) Minor errors and omissions. A financing statement substantially satisfying the requirements of this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Financing statement seriously misleading. Except as otherwise provided in subsection (c), a financing statement that fails sufficiently to provide the name of the debtor in accordance with 12A:9-503(a) is seriously misleading.

(c) Financing statement not seriously misleading. If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with 12A:9-503 (a), the name provided does not make the financing statement seriously misleading.

(d) "Debtor's correct name." For purposes of 12A:9-508(b), the "debtor's correct name" in subsection (c) means the correct name of the new debtor.

72. N.J.S.12A:9-507 is amended to read as follows:

Effect of certain events on effectiveness of financing statement.

(a) Disposition. A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Information becoming seriously misleading. Except as otherwise provided in subsection (c) and 12A:9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under 12A:9-506.

(c) Change in debtor's name. If a debtor so changes its name that a filed financing statement becomes seriously misleading under 12A:9-506:
(1) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and
(2) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change.

73. N.J.S.12A:9-508 is amended to read as follows:

**Effectiveness of financing statement if new debtor becomes bound by security agreement.**

(a) Financing statement naming original debtor. Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) Financing statement becoming seriously misleading. If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) to be seriously misleading under 12A:9-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under 12A:9-203 (d); and
(2) the financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under 12A:9-203 (d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) When section not applicable. This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under 12A:9-507 (a).

74. N.J.S.12A:9-509 is amended to read as follows:

**Persons entitled to file a record.**

12A:9-509. Persons Entitled to File a Record.

(a) Person entitled to file record. A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:
(1) the debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c); or
(2) the person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) Security agreement as authorization. By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:
(1) the collateral described in the security agreement; and
(2) property that becomes collateral under 12A:9-315 (a) (2), whether or not the security agreement expressly covers proceeds.

(c) Acquisition of collateral as authorization. By acquiring collateral in which a security interest or agricultural lien continues under 12A:9-315 (a) (1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under 12A:9-315 (a) (2).

(d) Person entitled to file certain amendments. A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:
(1) the secured party of record authorizes the filing; or
(2) the amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by 12A:9-513 (a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) Multiple secured parties of record. If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d).

75. N.J.S.12A:9-510 is amended to read as follows:

Effectiveness of filed record.

12A:9-510. Effectiveness of Filed Record.
(a) Filed record effective if authorized. A filed record is effective only to the extent that it was filed by a person that may file it under 12A:9-509.
(b) Authorization by one secured party of record. A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.
(c) Continuation statement not timely filed. A continuation statement that is not filed within the six-month period prescribed by 12A:9-515 (d) is ineffective.
76. N.J.S.12A:9-511 is amended to read as follows:

Secured party of record.

(a) Secured party of record. A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under 12A:9-514 (a), the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) Amendment naming secured party of record. If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under 12A:9-514 (b), the assignee named in the amendment is a secured party of record.

(c) Amendment deleting secured party of record. A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.

77. N.J.S.12A:9-512 is amended to read as follows:

Amendment of financing statement.

(a) Amendment of information in financing statement. Subject to 12A:9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e), otherwise amend the information provided in, a financing statement by filing an amendment that:

(1) identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) if the amendment relates to an initial financing statement filed in a filing office described in 12A:9-501(a)(1), provides the information specified in 12A:9-502(b).

(b) Period of effectiveness not affected. Except as otherwise provided in 12A:9-515, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) Effectiveness of amendment adding collateral. A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) Effectiveness of amendment adding debtor. A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.
(e) Certain amendments ineffective. An amendment is ineffective to the extent it:

(1) purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) purports to delete all secured parties of record and fails to provide the name of a new secured party of record.

78. N.J.S.12A:9-513 is amended to read as follows:

Termination statement.

(a) Consumer goods. A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) the debtor did not authorize the filing of the initial financing statement.

(b) Time for compliance with subsection (a). To comply with subsection (a), a secured party shall cause the secured party of record to file the termination statement:

(1) within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) if earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(c) Other collateral. In cases not governed by subsection (a), within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(2) the financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) the financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or
(4) the debtor did not authorize the filing of the initial financing statement.

(d) Effect of filing termination statement. Except as otherwise provided in 12A:9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in 12A:9-510, for purposes of 12A:9-519 (g), 12A:9-522 (a) and 12A:9-523 (c), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

79. N.J.S.12A:9-514 is amended to read as follows:

Assignment of powers of secured party of record.

(a) Assignment reflected on initial financing statement. Except as otherwise provided in subsection (c), an initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Assignment of filed financing statement. Except as otherwise provided in subsection (c), a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) identifies, by its file number, the initial financing statement to which it relates;

(2) provides the name of the assignor; and

(3) provides the name and mailing address of the assignee.

(c) Assignment of record of mortgage. An assignment of record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing under 12A:9-502 (c) may be made only by an assignment of record of the mortgage in the manner provided by law of this State other than the Uniform Commercial Code.

80. N.J.S.12A:9-515 is amended to read as follows:

Duration and effectiveness of financing statement; effect of lapsed financing statement.

(a) Five-year effectiveness. Except as otherwise provided in subsections (b), (e), (f) and (g), a filed financing statement is effective for a period of five years after the date of filing.
(b) Public-finance or manufactured-home transaction. Except as otherwise provided in subsections (e), (f) and (g), an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) Lapse and continuation of financing statement. The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d). Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) When continuation statement may be filed. A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) or the 30-year period specified in subsection (b), whichever is applicable.

(e) Effect of filing continuation statement. Except as otherwise provided in 12A:9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c), unless, before the lapse, another continuation statement is filed pursuant to subsection (d). Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) Transmitting utility financing statement. If a debtor is a transmitting utility and a filed financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) Record of mortgage as financing statement. A record of mortgage that is effective as a financing statement filed as a fixture filing under 12A:9-502 (c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

(h) Bondable transition property. If a filed financing statement relates to a security interest in bondable transition property and the financing statement so states, it is effective until a termination statement is filed.

81. N.J.S.12A:9-516 is amended to read as follows:
What constitutes filing; effectiveness of filing.

12A:9-516. What Constitutes Filing; Effectiveness of Filing.

(a) What constitutes filing. Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Refusal to accept record; filing does not occur. Filing does not occur with respect to a record that a filing office refuses to accept because:

1. the record is not communicated by a method or medium of communication authorized by the filing office;

2. an amount equal to or greater than the applicable filing fee is not tendered;

3. the filing office is unable to index the record because:
   (A) in the case of an initial financing statement, the record does not provide a name for the debtor;
   (B) in the case of an amendment or correction statement, the record:
      (i) does not identify the initial financing statement as required by 12A:9-512 or 12A:9-518, as applicable; or
      (ii) identifies an initial financing statement whose effectiveness has lapsed under 12A:9-515;
   (C) in the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name; or
   (D) in the case of a record filed or recorded in the filing office described in 12A:9-501 (a) (1), the record does not provide a sufficient description of the real property to which it relates;

4. in the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

5. in the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:
   (A) provide a mailing address for the debtor;
   (B) indicate whether the debtor is an individual or an organization; or
   (C) if the financing statement indicates that the debtor is an organization, provide:
      (i) a type of organization for the debtor;
      (ii) a jurisdiction of organization for the debtor; or
      (iii) an organizational identification number for the debtor or indicate that the debtor has none;
(6) in the case of an assignment reflected in an initial financing statement under 12A:9-514 (a) or an amendment filed under 12A:9-514 (b), the record does not provide a name and mailing address for the assignee; or
(7) in the case of a continuation statement, the record is not filed within the six-month period prescribed by 12A:9-515 (d).

(c) Rules applicable to subsection (b). For purposes of subsection (b):
(1) a record does not provide information if the filing office is unable to read or decipher the information; and
(2) a record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by 12A:9-512, 12A:9-514, or 12A:9-518, is an initial financing statement.

(d) Refusal to accept record; record effective as filed record. A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

82. N.J.S.12A:9-518 is amended to read as follows:

Claim concerning inaccurate or wrongfully filed record.
12A:9-518. Claim Concerning Inaccurate or Wrongfully Filed Record.
(a) Correction statement. A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) Sufficiency of correction statement. A correction statement must:
(1) identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;
(2) indicate that it is a correction statement; and
(3) provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) Record not affected by correction statement. The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

83. N.J.S.12A:9-519 is amended to read as follows:

Numbering, maintaining, and indexing records; communicating information provided in records.
(a) Filing office duties. For each record filed in a filing office, the filing office shall:

1. assign a unique number to the filed record;
2. create a record that bears the number assigned to the filed record and the date and time of filing;
3. maintain the filed record for public inspection; and
4. index the filed record in accordance with subsections (c), (d) and (e).

(b) File number. A file number assigned after January 1, 2002, must include a digit that:

1. is mathematically derived from or related to the other digits of the file number; and
2. aids the filing office in determining whether a number communicated as the file number includes a single-digit or transpositional error.

(c) Indexing: general. Except as otherwise provided in subsections (d) and (e), the filing office shall:

1. index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and
2. index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) Indexing: real-property-related financing statement. If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index it:

1. under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and
2. to the extent that the law of this State provides for indexing of records or mortgages under the name of the mortgagees, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if the indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) Indexing: real-property-related assignment. If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under 12A:9-514 (a) or an amendment filed under 12A:9-514 (b):

1. under the name of the assignor as grantor; and
2. to the extent that the law of this State provides for indexing a record of the assignment of a mortgage under the name of the assignee, under the name of the assignee.
(f) Retrieval and association capability. The filing office shall maintain a capability:
   (1) to retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates; and
   (2) to associate and retrieve with one another an initial financing statement and each filed record relating to the initial financing statement.

(g) Removal of debtor's name. The filing office may not remove a debtor's name from the index until one year after the effectiveness of a financing statement naming the debtor lapses under 12A:9-515 with respect to all secured parties of record.

(h) Timeliness of filing office performance. The filing office shall perform the acts required by subsections (a) through (e) at the time and in the manner prescribed by filing-office rule, but not later than two business days after the filing office receives the record in question.

(i) Inapplicability to real property related filing office. Subsections (b) and (h) do not apply to a filing office described in 12A:9-501 (a) (1).

84. N.J.S.12A:9-520 is amended to read as follows:

Acceptance and refusal to accept record.

12A:9-520. Acceptance and Refusal to Accept Record.

(a) Mandatory refusal to accept record. A filing office shall refuse to accept a record for filing for a reason set forth in 12A:9-516 (b) and may refuse to accept a record for filing only for a reason set forth in 12A:9-516 (b).

(b) Communication concerning refusal. (b) Destruction of written records. (2) as to both the personal property and the real property in accordance with the rights with respect to the real property, in which case the other provisions of this part do not apply.

(b) Enforcement: fixtures. Subject to subsection (c), if a security agreement covers goods that are or become fixtures, a secured party may proceed:
(1) under this part; or
(2) in accordance with the rights with respect to real property, in which case the other provisions of this part do not apply.

(c) Removal of fixtures. Subject to the other provisions of this part, if a secured party holding a security interest in fixtures has priority over all owners and encumbrancers of the real property, the secured party, after default, may remove the collateral from the real property.

(d) Injury caused by removal. A secured party that removes collateral shall promptly reimburse any encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any physical injury caused by the removal. The secured party need not reimburse the encumbrancer or owner for any diminution in value of the real property caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

(2) may take any proceeds to which the secured party is entitled under 12A:9-315;

(3) may enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligation of the account debtor or other person obligated on the collateral;

(4) if it holds a security interest in a deposit account perfected by control under 12A:9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) if it holds a security interest in a deposit account perfected by control under 12A:9-104(a)(2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(b) Nonjudicial enforcement of mortgage. If necessary to enable a secured party to exercise under subsection (a)(3) the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) a copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) the secured party's sworn affidavit in recordable form stating that:

(A) a default has occurred; and

(B) the secured party is entitled to enforce the mortgage nonjudicially.

(c) Commercially reasonable collection and enforcement. A secured party shall proceed in a commercially reasonable manner if the secured party:

(1) undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and

(2) is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) Expenses of collection and enforcement. A secured party may deduct from the collections made pursuant to subsection (c), reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under 12A:9-607 in the following order to:

(A) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney’s fees and legal expenses incurred by the secured party;

(B) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(C) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed.

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder’s demand under paragraph (1) (C).

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under 12A:9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

98. N.J.S.12A:9-609 is amended to read as follows:

(b) Commercially reasonable disposition. Every aspect of a disposition of collateral, including the method, manner, time, place, and other terms, must be commercially reasonable. If commercially reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more contracts, as a unit or in parcels, and at any time and place and on any terms.

(c) Purchase by secured party. A secured party may purchase collateral:

(1) at a public disposition; or

(2) at a private disposition only if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations.

(d) Warranties on disposition. A contract for sale, lease, license, or other disposition includes the warranties relating to title, possession, quiet enjoyment, and the like which by operation of law accompany a voluntary disposition of property of the kind subject to the contract.

(e) Disclaimer of warranties. A secured party may disclaim or modify warranties under subsection (d):
(1) in a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or
(2) by communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.

(f) Record sufficient to disclaim warranties. A record is sufficient to disclaim warranties under subsection (e) if it indicates "There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition" or uses words of similar import.

100. N.J.S. 12A:9-611 is amended to read as follows:

Notification before disposition of collateral.

(a) "Notification date." In this section, "notification date" means the earlier of the date on which:

(Names of all other debtors and obligors, if any.)

(End of Form)

(4) A notification in the form of paragraph (3) is sufficient, even if additional information appears at the end of the form.

(5) A notification in the form of paragraph (3) is sufficient, even if it includes errors in information not required by paragraph (1), unless the error is misleading with respect to rights arising under this chapter.

(6) If a notification under this section is not in the form of paragraph (3), law other than this chapter determines the effect of including information not required by paragraph (1).

104. N.J.S.12A:9-615 is amended to read as follows:

Application of proceeds of disposition; liability for deficiency and right to surplus.

12A:9-615. Application of Proceeds of Disposition; Liability for Deficiency and Right to Surplus.

(a) Application of proceeds. A secured party shall apply or pay over for application the cash proceeds of disposition under 12A:9-610 in the following order:

(1) the reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) the satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.
(b) Proof of subordinate interest. If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder’s demand under subsection (a) (3).

(c) Application of noncash proceeds. A secured party need not apply or pay over for application noncash proceeds of disposition under 12A:9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) and permitted by subsection (c):

(1) unless subsection (a) (4) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) the obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) the debtor is not entitled to any surplus; and

(2) the obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) the transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) Cash proceeds received by junior secured party. A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) takes the cash proceeds free of the security interest or other lien;
(2) is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and
(3) is not obligated to account to or pay the holder of the security interest or other lien for any surplus.

105. N.J.S.12A:9-616 is amended to read as follows:

Explanation of calculation of surplus or deficiency.

12A:9-616. Explanation of Calculation of Surplus or Deficiency.
(a) Definitions. In this section:
(1) "Explanation" means a writing that:
(A) states the amount of the surplus or deficiency;
(B) provides an explanation, in accordance with subsection (c) of how the secured party calculated the surplus or deficiency;
(C) states, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and
(D) provides a telephone number or mailing address from which additional information concerning the transaction is available.

(2) "Request" means a record:
(A) authenticated by a debtor or consumer obligor;
(B) requesting that the recipient provide an explanation; and
(C) sent after disposition of the collateral under 12A:9-610.
(b) Explanation of calculation. In a consumer-goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under 12A:9-615, the secured party shall:
(1) send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:
(A) before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and
(B) within 14 days after receipt of a request; or
(2) in the case of a consumer obligor who is liable for a deficiency, within 14 days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.
(c) Required information. To comply with subsection (a) (1) (B), a writing must provide the following information in the following order:
(1) the aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:
(A) if the secured party takes or receives possession of the collateral after default, not more than 35 days before the secured party takes or receives possession; or

(B) if the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than 35 days before the disposition;

(2) the amount of proceeds of the disposition;

(3) the aggregate amount of the obligations after deducting the amount of proceeds;

(4) the amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) the amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in paragraph (1); and

(6) the amount of the surplus or deficiency.

(d) Substantial compliance. A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) is sufficient, even if it includes minor errors that are not seriously misleading.

(e) Charges for responses. A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subsection (b) (1). The secured party may require payment of a charge not exceeding $25 for each additional response.

106. N.J.S.12A:9-617 is amended to read as follows:

Rights of transferee of collateral.

(a) Effects of disposition. A secured party's disposition of collateral after default:

(1) transfers to a transferee for value all of the debtor's rights in the collateral;

(2) discharges the security interest under which the disposition is made; and

(3) discharges any subordinate security interest or other subordinate lien.
(b) Rights of good-faith transferee. A transferee that acts in good faith takes free of the rights and interests described in subsection (a), even if the secured party fails to comply with this chapter or the requirements of any judicial proceeding.

(c) Rights of other transferee. If a transferee does not take free of the rights and interests described in subsection (a), the transferee takes the collateral subject to:

1. the debtor's rights in the collateral;
2. the security interest or agricultural lien under which the disposition is made; and
3. any other security interest or other lien.

107. N.J.S.12A:9-618 is amended to read as follows:

Rights and duties of certain secondary obligors.

(a) Rights and duties of secondary obligor. A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

1. receives an assignment of a secured obligation from the secured party;
2. receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or
3. is subrogated to the rights of a secured party with respect to collateral.

(b) Effect of assignment, transfer, or subrogation. An assignment, transfer, or subrogation described in subsection (a):

1. is not a disposition of collateral under 12A:9-610; and
2. relieves the secured party of further duties under this chapter.

108. N.J.S.12A:9-619 is amended to read as follows:

Transfer of record or legal title.

12A:9-619. Transfer of Record or Legal Title.

(a) "Transfer statement." In this section, "transfer statement" means a record authenticated by a secured party stating:

1. that the debtor has defaulted in connection with an obligation secured by specified collateral;
2. that the secured party has exercised its post-default remedies with respect to the collateral;
3. that, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and
(4) the name and mailing address of the secured party, debtor, and transferee.

(b) Effect of transfer statement. A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:
    (1) accept the transfer statement;
    (2) promptly amend its records to reflect the transfer; and
    (3) if applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) Transfer not a disposition; no relief of secured party's duties. A transfer of the record or legal title to collateral to a secured party under subsection (b) or otherwise is not of itself a disposition of collateral under this chapter and does not of itself relieve the secured party of its duties under this chapter.

109. N.J.S.12A:9-620 is amended to read as follows:

Acceptance of collateral in full or partial satisfaction of obligation; compulsory disposition of collateral.

12A:9-620. Acceptance of Collateral in Full or Partial Satisfaction of Obligation; Compulsory Disposition of Collateral.

(a) Conditions to acceptance in satisfaction. Except as otherwise provided in subsection (g), a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:
    (1) the debtor consents to the acceptance under subsection (c);
    (2) the secured party does not receive, within the time set forth in subsection (d), a notification of objection to the proposal authenticated by:
        (A) a person to which the secured party was required to send a proposal under 12A:9-621; or
        (B) any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;
    (3) if the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and
    (4) subsection (e) does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to 12A:9-624.

(b) Purported acceptance ineffective. A purported or apparent acceptance of collateral under this section is ineffective unless:
the secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and
(2) the conditions of subsection (a) are met.

(c) Debtor's consent. For purposes of this section:
(1) a debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and
(2) a debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:
(A) sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;
(B) in the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and
(C) does not receive a notification of objection authenticated by the debtor within 20 days after the proposal is sent.

(d) Effectiveness of notification. To be effective under subsection (a) (2), a notification of objection must be received by the secured party:
(1) in the case of a person to which the proposal was sent pursuant to 12A:9-621, within 20 days after notification was sent to that person; and
(2) in other cases:
(A) within 20 days after the last notification was sent pursuant to 12A:9-621; or
(B) if a notification was not sent, before the debtor consents to the acceptance under subsection (c).

(e) Mandatory disposition of consumer goods. A secured party that has taken possession of collateral shall dispose of the collateral pursuant to 12A:9-610 within the time specified in subsection (f) if:
(1) 60 percent of the cash price has been paid in the case of a purchase-money security interest in consumer goods; or
(2) 60 percent of the principal amount of the obligation secured has been paid in the case of a non-purchase-money security interest in consumer goods.

(f) Compliance with mandatory disposition requirement. To comply with subsection (e), the secured party shall dispose of the collateral:
(1) within 90 days after taking possession; or
(2) within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.
(g) No partial satisfaction in consumer transaction. In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.

110. N.J.S.12A:9-621 is amended to read as follows:

Notification of proposal to accept collateral.

(a) Persons to which proposal to be sent. A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:
(1) any person from which the secured party has received, before the debtor consented to the acceptance, an authenticated notification of a claim of an interest in the collateral;
(2) any other secured party or lienholder that, 10 days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:
(A) identified the collateral;
(B) was indexed under the debtor's name as of that date; and
(C) was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and
(3) any other secured party that, 10 days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in 12A:9-311 (a).
(b) Proposal to be sent to secondary obligor in partial satisfaction. A secured party that desires to accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any secondary obligor in addition to the persons described in subsection (a).

111. N.J.S.12A:9-622 is amended to read as follows:

Effect of acceptance of collateral.

(a) Effect of acceptance. A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:
(1) discharges the obligation to the extent consented to by the debtor;
(2) transfers to the secured party all of a debtor's rights in the collateral;
(3) discharges the security interest or agricultural lien that is the subject of the debtor's consent and any subordinate security interest or other subordinate lien; and
(4) terminates any other subordinate interest.
(b) Discharge of subordinate interest notwithstanding noncompliance. A subordinate interest is discharged or terminated under subsection (a), even if the secured party fails to comply with this chapter.

112. N.J.S. 12A:9-623 is amended to read as follows:

Right to redeem collateral.

(a) Persons that may redeem. A debtor, any secondary obligor, or any other secured party or lienholder may redeem collateral.
(b) Requirements for redemption. To redeem collateral, a person shall tender:
(1) fulfillment of all obligations secured by the collateral; and
(2) the reasonable expenses and attorney's fees described in 12A:9-615 (a) (1).
(c) When redemption may occur. A redemption may occur at any time before a secured party:
(1) has collected collateral under 12A:9-607;
(2) has disposed of collateral or entered into a contract for its disposition under 12A:9-610; or
(3) has accepted collateral in full or partial satisfaction of the obligation it secures under 12A:9-622.

113. N.J.S. 12A:9-624 is amended to read as follows:

Waiver.

12A:9-624. Waiver.
(a) Waiver of disposition notification. A debtor or secondary obligor may waive the right to notification of disposition of collateral under 12A:9-611 only by an agreement to that effect entered into and authenticated after default.
(b) Waiver of mandatory disposition. A debtor may waive the right to require disposition of collateral under 12A:9-620 (e) only by an agreement to that effect entered into and authenticated after default.
(c) Waiver of redemption right. Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under 12A:9-623 only by an agreement to that effect entered into and authenticated after default.

114. N.J.S. 12A:9-625 is amended to read as follows:
Remedies for secured party's failure to comply with chapter.

12A:9-625. Remedies for Secured Party's Failure to Comply with Chapter.

(a) Judicial orders concerning noncompliance. If it is established that a secured party is not proceeding in accordance with this chapter, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. Subject to subsections (c), (d) and (f), a person is liable for damages in the amount of any loss caused by a failure to comply with this chapter. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages in consumer-goods transaction. Except as otherwise provided in 12A:9-628:

(1) a person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) for its loss; and

(2) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus 10 percent of the principal amount of the obligation or the time-price differential plus 10 percent of the cash price.

(d) Recovery when deficiency eliminated or reduced. A debtor whose deficiency is eliminated under 12A:9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under 12A:9-626 may not otherwise recover under subsection (b) for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) Statutory damages: noncompliance with specified provisions. In addition to any damages recoverable under subsection (b), the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover $500 in each case from a person that:

(1) fails to comply with 12A:9-207;

(2) fails to comply with 12A:9-208;

(3) files a record that the person is not entitled to file under 12A:9-509 (a);

(4) fails to cause the secured party of record to file or send a termination statement as required by 12A:9-513 (a) or (c);

(5) fails to comply with 12A:9-616 (b) (1) and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) fails to comply with 12A:9-616 (b) (2).
(f) Statutory damages: noncompliance with 12A:9-210. A debtor or consumer obligor may recover damages under subsection (b) and, in addition, $500 in each case from a person that, without reasonable cause, fails to comply with a request under 12A:9-210. A recipient of a request under 12A:9-210 which never claimed an interest in the collateral or obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) Limitation of security interest: noncompliance with 12A:9-210. If a secured party fails to comply with a request regarding a list of collateral or a statement of account under 12A:9-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

115. N.J.S.12A:9-626 is amended to read as follows:

Action in which deficiency or surplus is in issue.

12A:9-626. Action in Which Deficiency or Surplus Is in Issue.
(a) Applicable rules if amount of deficiency or surplus is in issue. In an action arising from a transaction in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part.

(3) Except as otherwise provided in 12A:9-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

(A) the proceeds of the collection, enforcement, disposition, or acceptance; or

(B) the amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of paragraph (3) (B), the amount of proceeds that would have been realized is equal to the sum of the secured obligation,
expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under 12A:9-615 (f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

116. N.J.S.12A:9-627 is amended to read as follows:

Determination of whether conduct was commercially reasonable.

12A:9-627. Determination of Whether Conduct Was Commercially Reasonable.

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

(1) in the usual manner on any recognized market;
(2) at the price current in any recognized market at the time of the disposition; or
(3) otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) Approval by court or on behalf of creditors. A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:

(1) in a judicial proceeding;
(2) by a bona fide creditors' committee;
(3) by a representative of creditors; or
(4) by an assignee for the benefit of creditors.

(d) Approval under subsection (c) not necessary; absence of approval has no effect. Approval under subsection (c) need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.

117. N.J.S.12A:9-628 is amended to read as follows:
Nonliability and limitation on liability of secured party; liability of secondary obligor.

(a) Limitation of liability of secured party for noncompliance with chapter. Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

(1) the secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this chapter; and

(2) the secured party's failure to comply with this chapter does not affect the liability of the person for a deficiency.

(b) Limitation of liability based on status as secured party. A secured party is not liable because of its status as secured party:

(1) to a person who is a debtor or obligor, unless the secured party knows:

(A) that the person is a debtor or obligor;

(B) the identity of the person; and

(C) how to communicate with the person; or

(2) to a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(A) that the person is a debtor; and

(B) the identity of the person.

(c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or consumer transaction. A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) a debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) an obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) Limitation of liability for statutory damages. A secured party is not liable to any person under 12A:9-625 (c) (2) for its failure to comply with 12A:9-616.

(e) Limitation of multiple liability for statutory damages. A secured party is not liable under 12A:9-625 (c) (2) more than once with respect to any one secured obligation.
118. N.J.S.12A:9-701 is amended to read as follows:

Effective date.

12A:9-701. Effective Date.

This chapter shall take effect on July 1, 2001. References in this part to "this chapter" are to Chapter 9 of the Uniform Commercial Code as enacted by P.L.2001, c.117 and P.L.2001, c.386. References in this part to "former Chapter 9" are to Chapter 9 of the Uniform Commercial Code (12A:9-1 et seq.) as in effect before July 1, 2001.

119. N.J.S.12A:9-702 is amended to read as follows:

Savings clause.

(a) Pre-effective-date transactions or liens. Except as otherwise provided in this part, this chapter applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before this chapter takes effect.

(b) Continuing validity. Except as otherwise provided in subsection (c) and 12A:9-703 through 12A:9-709:

(1) transactions and liens that were not governed by former Chapter 9, were validly entered into or created before this chapter takes effect, and would be subject to this chapter if they had been entered into or created after this chapter takes effect, and the rights, duties, and interests flowing from those transactions and liens remain valid after this chapter takes effect; and

(2) the transactions and liens may be terminated, completed, consummated, and enforced as required or permitted by this chapter or by the law that otherwise would apply if this chapter had not taken effect.

(c) Pre-effective-date proceedings. This chapter does not affect an action, case, or proceeding commenced before this chapter takes effect.

120. N.J.S.12A:9-703 is amended to read as follows:

Security interest perfected before effective date.

12A:9-703. Security Interest Perfected Before Effective Date.

(a) Continuing priority over lien creditor: perfection requirements satisfied. A security interest that is enforceable immediately before this chapter takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this chapter if, when this chapter takes effect, the applicable requirements for enforceability and perfection under this chapter are satisfied without further action.
(b) Continuing priority over lien creditor: perfection requirements not satisfied. Except as otherwise provided in 12A:9-705, if, immediately before this chapter takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this chapter are not satisfied when this chapter takes effect, the security interest:

(1) is a perfected security interest for one year after this chapter takes effect;
(2) remains enforceable thereafter only if the security interest becomes enforceable under 12A:9-203 before the year expires; and
(3) remains perfected thereafter only if the applicable requirements for perfection under this chapter are satisfied before the year expires.

121. N.J.S.12A:9-704 is amended to read as follows:

Security interest unperfected before effective date.

A security interest that is enforceable immediately before this chapter takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) remains an enforceable security interest for one year after this chapter takes effect;
(2) remains enforceable thereafter if the security interest becomes enforceable under 12A:9-203 when this chapter takes effect or within one year thereafter; and
(3) becomes perfected:
   (A) without further action, when this chapter takes effect if the applicable requirements for perfection under this chapter are satisfied before or at that time; or
   (B) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

122. N.J.S.12A:9-705 is amended to read as follows:

Effectiveness of action taken before effective date.

12A:9-705. Effectiveness of Action Taken Before Effective Date.
(a) Pre-effective-date action; one-year perfection period unless reperfected. If action, other than the filing of a financing statement, is taken before this chapter takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before this chapter takes effect, the action is effective to perfect a security interest that attaches
under this chapter within one year after this chapter takes effect. An attached security interest becomes unperfected one year after this chapter takes effect unless the security interest becomes a perfected security interest under this chapter before the expiration of that period.

(b) Pre-effective-date filing. The filing of a financing statement before this chapter takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this chapter.

(c) Pre-effective-date filing in jurisdiction formerly governing perfection. This chapter does not render ineffective an effective financing statement that, before this chapter takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former 12A:9-103. However, except as otherwise provided in subsections (d) and (e) and 12A:9-706, the financing statement ceases to be effective at the earlier of:

1. the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(d) Continuation statement. The filing of a continuation statement after this chapter takes effect does not continue the effectiveness of the financing statement filed before this chapter takes effect. However, upon the timely filing of a continuation statement after this chapter takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Part 3, the effectiveness of a financing statement filed in the same office in that jurisdiction before this chapter takes effect continues for the period provided by the law of that jurisdiction.

(e) Application of subsection (c) (2) to transmitting utility financing statement. Subsection (c) (2) of this section applies to a financing statement that, before this chapter takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former 12A:9-103 only to the extent that Part 3 provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5. A financing statement that includes a financing statement filed before this chapter takes effect and a continuation statement filed after this chapter takes effect is effective only to the extent that it satisfies the requirements of Part 5 for an initial financing statement.

123. N.J.S.12A:9-706 is amended to read as follows:
When initial financing statement suffices to continue effectiveness of financing statement.

(a) Initial financing statement in lieu of continuation statement. The filing of an initial financing statement in the office specified in 12A:9-501 continues the effectiveness of a financing statement filed before this chapter takes effect if:

(1) the filing of an initial financing statement in that office would be effective to perfect a security interest under this chapter;

(2) the pre-effective-date financing statement was filed in an office in another state or another office in this State; and

(3) the initial financing statement satisfies subsection (c).

(b) Period of continued effectiveness. The filing of an initial financing statement under subsection (a) continues the effectiveness of the pre-effective-date financing statement:

(1) if the initial financing statement is filed before this chapter takes effect, for the period provided in former 12A:9-403 with respect to a financing statement; and

(2) if the initial financing statement is filed after this chapter takes effect, for the period provided in 12A:9-515 with respect to an initial financing statement.

(c) Requirements for initial financing statement under subsection (a). To be effective for purposes of subsection (a), an initial financing statement shall:

(1) satisfy the requirements of Part 5 for an initial financing statement;

(2) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) indicate that the pre-effective-date financing statement remains effective.

124. N.J.S.12A:9-707 is amended to read as follows:

Persons entitled to file initial financing statement or continuation statement.

A person may file an initial financing statement or a continuation statement under this part if:

(1) the secured party of record authorizes the filing; and

(2) the filing is necessary under this part:
(A) to continue the effectiveness of a financing statement filed before this chapter takes effect; or
(B) to perfect or continue the perfection of a security interest.

125. Title 12A, chapter 9 is supplemented as follows:

Amendment of pre-effective-date financing statement.

12A:9-707. Amendment of Pre-effective-date Financing Statement.

(a) "Pre-effective-date financing statement". In this section, "pre-effective-date financing statement" means a financing statement filed before this chapter takes effect.

(b) Applicable law. After this chapter takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. Except as otherwise provided in subsection (d), if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after this chapter takes effect only if:

(1) the pre-effective-date financing statement and an amendment are filed in the office specified in 12A:9-501;
(2) an amendment is filed in the office specified in 12A:9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies 12A:9-706(c); or
(3) an initial financing statement that provides the information as amended and satisfies 12A:9-706(c) is filed in the office specified in 12A:9-501.

(d) Method of amending: continuation. If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under 12A:9-705(d) and (f) or 12A:9-706.

(e) Method of amending: additional termination rule. Whether or not the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this State may be terminated after this chapter takes effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies 12A:9-706(c) has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Part 3 as the office in which to file a financing
statement. The preceding sentence applies only to the office described in 12A:9-501(a)(2).

126. N.J.S.12A:9-708 is amended to read as follows:

Priority.

12A:9-709 Priority.

(a) Law governing priority. This chapter determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this chapter takes effect, former Chapter 9 determines priority.

(b) Priority if security interest becomes enforceable under 12A:9-203. For purposes of 12A:9-322 (a), the priority of a security interest that becomes enforceable under 12A:9-203 of this chapter dates from the time this chapter takes effect if the security interest is perfected under this chapter by the filing of a financing statement before this chapter takes effect which would not have been effective to perfect the security interest under former Chapter 9. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.

127. Title 12A, chapter 9 is supplemented as follows:

Retroactivity provision.

This act, P.L.2001, c.386, amends and supplements P.L.2001, c.117 and shall take effect immediately and shall be applied retroactively to July 1, 2001.

If, on or after July 1, 2001 and prior to the effective date of this act, action required for the attachment, perfection or priority of a security interest under Post-Amendment Chapter 9 was taken, but was not heretofore effective, such action shall be effective when taken.

If, on or after July 1, 2001 and prior to the effective date of this act, action required for the attachment, perfection or priority of a security interest under Pre-Amendment Chapter 9 was taken and was heretofore effective, but is not effective under Post-Amendment Chapter 9, such action shall be deemed effective when taken if, within 60 days after the effective date of this act, any other action required under Post-Amendment Chapter 9 for such attachment, perfection or priority is taken, except to the extent that, after the effective date of this act and before the time such other required action is taken, a purchaser has given value in reasonable reliance upon such other required action not having been taken.

As used in this section, “Pre-Amendment Chapter 9” means Chapter 9 of Title 12A of the New Jersey Statutes, P.L.2001, c.117 (12A:9-101
through 12A:9-708) as constituted before giving effect to this act, and “Post-Amendment Chapter 9” means Chapter 9 of Title 12A of the New Jersey Statutes (12A:9-101 through 12A:9-709) as amended and supplemented by this act.

128. Title 12A, chapter 1 is supplemented as follows:

Section captions.

Section captions are part of the Uniform Commercial Code. The subsection headings in Chapter 9 on Secured Transactions (12A:9-101 et seq.) are not parts of that chapter or of the Uniform Commercial Code.

129. N.J.S.12A:1-201 is amended to read as follows:

General definitions.

Subject to additional definitions contained in the subsequent chapters of the Uniform Commercial Code which are applicable to specific chapters or subchapters thereof, and unless the context otherwise requires, in the Uniform Commercial Code:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in the Uniform Commercial Code (12A:1-205, 2-208 and 2A-207). Whether an agreement has legal consequences is determined by the provisions in the Uniform Commercial Code, if applicable; otherwise by the law of contracts (12A:1-103). (Compare "Contract.")

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or indorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill.

"Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.
(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.

(9) "Buyer in ordinary course of business" means a person that buys goods in good faith, without knowledge that the sale violates the rights of another person in the goods, and in ordinary course from a person, other than a pawnbroker, in the business of selling goods of that kind. A person buys goods in ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices. A person that sells oil, gas or other minerals at the wellhead or minehead is a person in the business of selling goods of that kind. A buyer in ordinary course of business may buy for cash, by exchange of other property or on secured or unsecured credit, and may acquire goods or documents of title under a pre-existing contract for sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under Chapter 2 may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business.

(10) "Conspicuous": A term or cause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous." Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by the Uniform Commercial Code and any other applicable rules of law. (Compare "Agreement.")

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.

(14) "Delivery" with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt, or order for the delivery of goods, and also any other document which in the regular course of business or financing is
treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document shall purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of the Uniform Commercial Code to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder," with respect to a negotiable instrument, means the person in possession if the instrument is payable to bearer or, in the case of an instrument payable to an identified person, if the identified person is in possession. "Holder" with respect to a document of title means the person in possession if the goods are deliverable to bearer or to the order of the person in possession.

(21) To "honor" is to pay or accept and pay, where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay the person's debts in the ordinary course of business or cannot pay the person's debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government and includes a monetary unit of account established by an intergovernmental organization or by agreement between two or more nations.

(25) A person has "notice" of a fact when:
   (a) The person has actual knowledge of it; or
   (b) The person has received a notice or notification of it; or
   (c) From all the facts and circumstances known to the person at the time in question the person has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when the person has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and
circumstances under which a notice or notification may cease to be effective are not determined by the Uniform Commercial Code.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not the other actually comes to know of it. A person "receives" a notice or notification when:

(a) It comes to the person's attention; or
(b) It is duly delivered at the place of business through which the contract was made or at any other place held out by the person as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to the attention of the individual if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of the individual's regular duties or unless the individual has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within the Uniform Commercial Code.

(30) "Person" includes an individual or an organization (See 12A:1-102).

(31) "Presumption" or "presumed" means that the trier of fact shall find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, security interest, issue or reissue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.
(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The term also includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible, or a promissory note in a transaction that is subject to Chapter 9. The special property interest of a buyer of goods on identification of those goods to a contract for sale under 12A:2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with Chapter 9. Except as otherwise provided in 12A:2-505, the right of a seller or lessee of goods under Chapter 2 or 2A to retain or acquire possession of the goods is not a "security interest," but a seller or lessee may also acquire a "security interest" by complying with Chapter 9. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (12A:2-401) is limited in effect to a reservation of a "security interest." Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and

(a) the original term of the lease is equal to or greater than the remaining economic life of the goods,

(b) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods,

(c) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement, or

(d) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that
(a) the present value of the consideration the lessee is obligated to pay
the lessor for the right to possession and use of the goods is substantially
equal to or is greater than the fair market value of the goods at the time the
lease is entered into,
(b) the lessee assumes risk of loss of the goods, or agrees to pay taxes,
insurance, filing, recording, or registration fees, or service or maintenance
costs with respect to the goods,
(c) the lessee has an option to renew the lease or to become the owner
of the goods,
(d) the lessee has an option to renew the lease for a fixed rent that is
equal to or greater than the reasonably predictable fair market rent for the
use of the goods for the term of the renewal at the time the option is to be
performed, or
(e) the lessee has an option to become the owner of the goods for a
fixed price that is equal to or greater than the reasonably predictable fair
market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):
Additional consideration is not nominal if (i) when the option to renew
the lease is granted to the lessee the rent is stated to be the fair market rent
for the use of the goods for the term of the renewal determined at the time
the option is to be performed, or (ii) when the option to become the owner
of the goods is granted to the lessee the price is stated to be the fair market
value of the goods determined at the time the option is to be performed.
Additional consideration is nominal if it is less than the lessee's reasonably
predictable cost of performing under the lease agreement if the option is not
exercised;
"Reasonably predictable" and "remaining economic life of the goods"
are to be determined with reference to the facts and circumstances at the
time the transaction is entered into; and
"Present value" means the amount as of a date certain of one or more
sums payable in the future, discounted to the date certain. The discount is
determined by the interest rate specified by the parties if the rate is not
manifestly unreasonable at the time the transaction is entered into;
otherwise, the discount is determined by a commercially reasonable rate that
takes into account the facts and circumstances of each case at the time the
transaction was entered into.

(38) "Send" in connection with any writing or notice means to deposit
in the mail or deliver for transmission by any other usual means of
communication with postage or cost of transmission provided for and
properly addressed and in the case of an instrument to an address specified
thereon or otherwise agreed, or if there be none to any address reasonable
under the circumstances. The receipt of any writing or notice within the
time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature or indorsement means one made without actual, implied, or apparent authority and includes a forgery.

(44) "Value." Except as otherwise provided with respect to negotiable instruments and bank collections (12A:3-303, 12A:4-210 and 12A:4-211), a person gives "value" for rights if the person acquires them:

(a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) As security for or in total or partial satisfaction of a pre-existing claim; or

(c) By accepting delivery pursuant to a pre-existing contract for purchase; or

(d) Generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting, or any other intentional reduction to tangible form.

130. N.J.S.12A:1-206 is amended to read as follows:

Statute of frauds for kinds of personal property not otherwise covered.

(1) Except in the cases described in subsection (2) a contract for the sale of personal property is not enforceable by way of action or defense beyond five thousand dollars in amount or value of remedy unless there is some writing which indicates that a contract for sale has been made between the parties at a defined or stated price, reasonably identifies the subject matter, and is signed by the party against whom enforcement is sought or by his authorized agent.
(2) Subsection (1) does not apply to contracts for the sale of goods (12A:2-201) nor of securities (12A:8-113) nor to security agreements (12A:9-203).

131. N.J.S.12A:2A-103 is amended to read as follows:

Definitions and index of definitions.

12A:2A-103. Definitions and index of definitions.
(1) In this chapter unless the context otherwise requires:
(a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to the person is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.
(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.
(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.
(d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.
(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is a natural person and who takes under the lease primarily for a personal, family, or household purpose.
(f) "Fault" means wrongful act, omission, breach, or default.
(g) "Finance lease" means a lease with respect to which:
(i) the lessor does not select, manufacture, or supply the goods;
(ii) the lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and
(iii) one of the following occurs:
(A) the lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) the lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) the lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) if the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (12A:2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or
course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.

(o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to the person is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.
(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

(2) Except as otherwise provided in subsection (3) and in 12A:2A-306 and 12A:2A-308, a creditor of a lessor takes subject to the lease contract unless the creditor holds a lien that attached to the goods before the lease contract became enforceable.
(3) Except as otherwise provided in 12A:9-317, 12A:9-321 and 12A:9-323, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor.

133. N.J.S.12A:8-103 is amended to read as follows:

Rule for determining whether certain obligations and interests are securities or financial assets.

12A:8-103. Rule for Determining whether Certain Obligations and Interests are Securities or Financial Assets.

a. A share or similar equity interest issued by a corporation, business trust, joint stock company, or similar entity is a security.
b. An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.
c. An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this chapter, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.
d. A writing that is a security certificate is governed by this chapter and not by chapter 3, even though it also meets the requirements of that chapter. However, a negotiable instrument governed by chapter 3 is a financial asset if it is held in a securities account.
e. An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.
f. A commodity contract, as defined in 12A:9-102 (a) (15), is not a security or a financial asset.

134. N.J.S.12A:8-110 is amended to read as follows:

Applicability; choice of law.

12A:8-110. Applicability; Choice of Law.
   a. The local law of the issuer's jurisdiction, as specified in subsection d. of this section, governs:
   (1) the validity of a security;
   (2) the rights and duties of the issuer with respect to registration of transfer;
   (3) the effectiveness of registration of transfer by the issuer;
   (4) whether the issuer owes any duties to an adverse claimant to a security; and
   (5) whether an adverse claim can be asserted against a person to whom transfer of a certificated or uncertificated security is registered or a person who obtains control of an uncertificated security.
   b. The local law of the securities intermediary's jurisdiction, as specified in subsection e. of this section, governs:
   (1) acquisition of a security entitlement from the securities intermediary;
   (2) the rights and duties of the securities intermediary and entitlement holder arising out of a security entitlement;
   (3) whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and
   (4) whether an adverse claim can be asserted against a person who acquires a security entitlement from the securities intermediary or a person who purchases a security entitlement or interest therein from an entitlement holder.
   c. The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.
   d. "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this State may specify the law of another jurisdiction as the law governing the matters specified in paragraphs (2) through (5) of subsection a. of this section.
   e. The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:
(1) If an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of this part, this chapter, or the Uniform Commercial Code, that jurisdiction is the securities intermediary's jurisdiction.

(2) If paragraph (1) does not apply and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(3) If neither paragraph (1) nor paragraph (2) of this subsection e. applies and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(4) If none of the preceding paragraphs applies, the securities intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the entitlement holder's account is located.

(5) If none of the preceding paragraphs applies, the securities intermediary's jurisdiction is the jurisdiction in which the chief executive office of the securities intermediary is located.

f. A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement, or by the location of facilities for data processing or other record keeping concerning the account.

135. N.J.S.12A:8-510 is amended to read as follows:

Rights of purchaser of security entitlement from entitlement holder.

a. In a case not covered by the priority rules in Chapter 9 or the rules stated in subsection c. of this section, an action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.
b. If an adverse claim could not have been asserted against an entitlement holder under 12A:8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

c. In a case not covered by the priority rules in Chapter 9, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain control. Except as otherwise provided in subsection d of this section, purchasers who have control rank according to priority in time of:

(1) the purchaser's becoming the person for whom the securities account, in which the security entitlement is carried, is maintained, if the purchaser obtained control under 12A:8-106d. (1);

(2) the securities intermediary's agreement to comply with the purchaser's entitlement orders with respect to security entitlements carried or to be carried in the securities account in which the security entitlement is carried, if the purchaser obtained control under 12A:8-106d. (2); or

(3) if the purchaser obtained control through another person under 12A:8-106d. (3), the time on which priority would be based under this subsection if the other person were the secured party.

d. A securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary.

136. Section 27 of P.L.1999, c.23 (C.48:3-76) is amended to read as follows:

Bondable transition property constitutes an account.

27. a. For purposes of this act, and the Uniform Commercial Code - Secured Transactions, N.J.S.12A:9-101 et seq., bondable transition property, as defined in N.J.S.12A:9-102 (a) (8.1), shall constitute an account. Any description of bondable transition property in a security agreement or other agreement or a financing statement shall be sufficient if it refers to the bondable stranded costs rate order establishing the bondable transition property.
b. In addition to the other rights and remedies provided or authorized by this act, and by the Uniform Commercial Code - Secured Transactions, N.J.S.12A:9-101 et seq., when a debtor is in default under a security agreement and the collateral is bondable transition property, then upon application by the secured party, the board or any court of competent jurisdiction shall order the sequestration and payment to the secured party of all collections and other proceeds of such bondable transition property up to the value of the property. In the event of any conflicts, priority among pledgees, transferees or secured parties shall be determined under N.J.S.12A:9-101 et seq. The secured party shall account to the debtor for any surplus and, unless otherwise agreed, the debtor shall be liable for any deficiency.

137. N.J.S.2A:25-1 is amended to read as follows:

Contracts and judgments assignable; action by assignee; defenses.

2A:25-1. All contracts for the sale and conveyance of real estate, all judgments and decrees recovered in any of the courts of this State or of the United States or in any of the courts of any other state of the United States and all choses in action arising on contract shall be assignable, and the assignee may sue thereon in his own name. In such an action, the person sued shall be allowed, not only all set-offs, discounts and defenses he has against the assignee, but also all set-offs, discounts and defenses he had against the assignor before notice of such assignment was given to him. c. (1) To the extent that moneys remain available after the projects listed in subsection a. of this section are offered funding pursuant thereto, any project of a local government unit that previously received funding appropriated or reappropriated from any Green Acres bond act, any annual appropriations act, or the Garden State Green Acres Preservation Trust Fund for recreation and conservation purposes, or that receives funding approved pursuant to section 3 of P.L.2001, c.389, shall be eligible to receive additional funding, as determined by the Department of Environmental Protection, subject to the approval of the Joint Budget Oversight Committee or its successor. Any such additional funding provided from a Green Acres bond act may include administrative costs.

(2) For the purposes of this subsection:

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The title of P.L.1999, c.28 is amended to read as follows:

   Title amended.

   AN ACT concerning four year driver's licenses, amending various parts of the statutory law, supplementing chapter 3 of Title 39 of the Revised Statutes, and repealing various parts of the statutory law.

2. R.S.39:3-10 is amended to read as follows:

   Licensing of drivers; classifications.

   39:3-10. No person shall drive a motor vehicle on a public highway in this State unless in possession of a validated permit, or a provisional or basic driver's license issued to him in accordance with this article.

   No person under 18 years of age shall be issued a basic license to drive motor vehicles, nor shall a person be issued a validated permit, including a validated examination permit, until he has passed a satisfactory examination and other requirements as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road. No person shall sit for an examination for any permit without exhibiting photo identification deemed acceptable by the director, unless that person is a high school student participating in a course of driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). A road test shall be required for a provisional license and serve as a demonstration of the applicant's ability to operate a vehicle of the class designated. No person shall sit for a road test unless that person exhibits photo identification deemed acceptable by the director. A high school student who has completed a course of behind-the-wheel automobile

driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, who has been issued a special learner's permit pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1) prior to January 1, 2003, shall not be required to exhibit photo identification in order to sit for a road test. The road test shall be given on public streets, where practicable and feasible, but may be preceded by an off-street screening process to assess basic skills. The director shall approve locations for the road test which pose no more than a minimal risk of injury to the applicant, the examiner and other motorists. No new locations for the road test shall be approved unless the test can be given on public streets.

The director shall issue a basic driver's license to operate a motor vehicle other than a motorcycle to a person over 18 years of age who previously has not been licensed to drive a motor vehicle in this State or another jurisdiction only if that person has: (1) operated a passenger automobile in compliance with the requirements of this title for not less than one year, not including any period of suspension or postponement, either from the date of issuance of an examination permit pursuant to R.S.39:3-13 or a provisional license pursuant to section 4 of P.L.1950, c.127 (C.39:3-13.4); (2) not been assessed more than two motor vehicle points and has not been convicted in the previous year for a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1; or any other motor vehicle-related violation the director determines to be significant and applicable pursuant to regulation; and (3) passed an examination of his ability to operate a motor vehicle pursuant to this section.

The director shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health and Senior Services concerning the use of alcohol or drugs as related to highway safety. The director shall develop in conjunction with the State Department of Health and Senior Services supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

The director shall expand the driver's license examination to include a question asking whether the applicant is aware of the provisions of the "Uniform Anatomical Gift Act," P.L.1969, c.161 (C.26:6-57 et seq.) and the procedure for indicating on the driver's license the intention to make a
donation of body organs or tissues pursuant to P.L.1978, c.181 (C.39:3-12.2).

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the director any current driver's license issued to him by another state or jurisdiction upon his receipt of a driver's license for this State. The director shall refuse to issue a driver's license if the applicant fails to comply with this provision. An applicant for a permit or license who is less than 18 years of age, and who holds a permit or license for a passenger automobile issued by another state or country that is valid or has expired within a time period designated by the director, shall be subject to the permit and license requirements and penalties applicable to State permit and license applicants who are of the same age; except that if the other state or country has permit or license standards substantially similar to those of this State, the credentials of the other state or country shall be acceptable.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering;

b. Omnibuses as classified by R.S.39:3-10.1 and school buses classified under N.J.S.18A:39-1 et seq.;

c. (Deleted by amendment, P.L.1999, c.28).

d. All motor vehicles not included in classifications a. and b. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. shall be a holder of a basic driver's license. Any issuance of a license under classification b. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, issue a license to the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him. If the director issues a
license to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard period of the license, the director shall fix the expiration date of the license at a date based on the period in which the person is authorized to be present in the United States under federal immigration laws. The director may renew such a license only if it is demonstrated that the person's continued presence in the United States is authorized under federal law. The fee for licenses with expiration dates fixed by the director shall be fixed by the director in amounts proportionately less or greater than the fee herein established. The required fee for a license for the 48-month period shall be as follows:

- Motorcycle license or endorsement $18
- Omnibus or school bus endorsement $18
- Basic driver's license $18

The director shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made in a manner prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a permit or license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a permit or license, but no defect of the applicant shall debar him from receiving a permit or license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

In addition to requiring an applicant for a driver's license to submit satisfactory proof of identity and age, the director also shall require the applicant to provide, as a condition for obtaining a permit and license, satisfactory proof that the applicant's presence in the United States is authorized under federal law.

If the director has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the director shall refuse to grant the permit or license until such time as the document may be verified by the issuing agency to the director's satisfaction.
A person violating this section shall be subject to a fine not exceeding $500 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.

Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

3. Section 1 of P.L.1979, c.261 (C.39:3-10f) is amended to read as follows:

C.39:3-10f  Initial license, renewal, digitized color picture of licensee required; exceptions.

1. In addition to the requirements for the form and content of a motor vehicle driver's license under R.S.39:3-10, on and after the operative date of P.L.2001, c.391 (C.39:3-10f4 et al.), each initial New Jersey license and each renewal of a New Jersey driver's license shall have a digitized color picture of the licensee. All licenses issued on and after January 1, 2000 shall be valid for a period of 48 calendar months. However, the director may, at his discretion, issue licenses and endorsements which shall expire on a date fixed by him. The fee for such licenses or endorsements shall be fixed in amounts proportionately less or greater than the fee otherwise established. Notwithstanding the provisions of this section to the contrary, a person 70 years of age or older may elect to have a license issued for a period of two or four years, which election may not be altered by the director. The fee for the two-year license shall be $9, in addition to the fee for a digitized picture established in section 4 of P.L.2001, c.391 (C.39:3-10f4).

Each initial motor vehicle license issued to a person under the age of 21 after the effective date of P.L.1999, c.28 shall be conspicuously distinct, through the use of color and design, from the driver's licenses issued to persons 21 years of age or older. The director, in consultation with the Superintendent of State Police, shall determine the color and the manner in which the license is designed to achieve this result. The license shall also bear the words "UNDER 21" in a conspicuous manner. The director shall provide that upon attaining the age of 21, a licensee shall be issued a
replacement driver's license or a new license, as appropriate. The fee for a replacement license shall be $5 in addition to the digitized picture fee.

As conditions for the renewal of a driver's license, the director shall provide that the picture of a licensee be updated except that the director may elect to use a stored picture to renew a license for a period not exceeding four additional years for $18 in addition to the digitized picture fee.

Whenever a person has reconstructive or cosmetic surgery which significantly alters the person's facial features, the person shall notify the division and the director may require the picture of the licensee to be updated, for $5 in addition to the digitized picture fee.

Nothing in this section shall be construed to alter or change any expiration date on any New Jersey driver's license issued prior to the operative date of P.L.2001, c.391 (C.39:3-10f4 et al.) and, unless a licensee's driving privileges are otherwise suspended or revoked, except as provided in R.S.39:3-10, that license shall remain valid until that expiration date.

Specific use of the driver's license and any information stored or encoded, electronically or otherwise, in relation thereto shall be in accordance with P.L.1997, c.188 (C.39:2-3.3 et seq.) and the federal Driver's Privacy Protection Act of 1994, Pub. L.103-322. Notwithstanding the provisions of any other law to the contrary, the digitized picture or any access thereto or any use thereof shall not be sold, leased or exchanged for value.

To replace a photo-license issued prior to the effective date of this act for a licensee who is temporarily out of this State, the director may issue a "valid without picture" picture license for the unexpired term of the license.

C.39:3-10f4 Fee for digitized picture.

4. The fee for a digitized picture shall be $6 for each license, renewal or duplicate thereof, and shall be in addition to the fee presently authorized for the issuance of a driver's license pursuant to R.S.39:3-10.

5. Section 3 of P.L.1979, c.261 (C.39:3-10h) is amended to read as follows:

C.39:3-10h Process to prevent forgery, alteration.

3. The director shall provide for the use of a process or processes in the issuance of licenses with digitized color pictures that prevent, to the extent possible, the alteration, delamination, duplication, counterfeiting, photographing, forging or other modification of the license and prevent the superimposition of a digitized color picture other than the authorized original on such license. The director shall provide that material used for, and the manufacturing process, of, the license shall prevent, to the greatest extent possible, any alteration, delamination, duplication, counterfeiting,
photographing, forging or other modification of the license. A license that consists of a composite material that does not use lamination and offers at least the same level of security as that required by the director for noncomposite material may fulfill the requirements of this section. The director may provide for the electronic storage of the licensee's motor vehicle information, including the licensee's digitized picture and digitized signature, in a bar code, magnetic stripe or database. In addition, the director shall provide that the license include features to ensure the security and integrity of the license. Any information encoded in a bar code or magnetic stripe on the license shall be limited to the following: name, address, municipality of residence, state, zip code of residence, date of birth, under 21 until xx/xx/xx (date of licensee's 21st birthday), gender, color of eyes, height, driver's license number, date of issuance, expiration date, document type, class, endorsements and restrictions, organ donor status, identification of issuer, license fee, transaction number, and the licensee's digitized picture and digitized signature. Any information encoded in a bar code or magnetic stripe on the license shall be displayed on the driver's license, which may be done in abbreviated form.

6. Section 22 of P.L.1990, c.103 (C.39:3-10.30) is amended to read as follows:

C.39:3-10.30 Fees; duration of commercial driver license.

22. Notwithstanding the provisions of R.S.39:3-14 or any other sections of law which permit or require the issuance of a driver's license without charge, the required fee for a commercial driver license examination or learner's permit shall be $35. A permit issued before April 1, 1992 shall be valid for a period of two years from the date of issuance, unless another time period is established for such permits in federal regulations promulgated by the Secretary of the United States Department of Transportation. The permit holder shall have unlimited testing opportunities consistent with the scheduling obligations of the Division of Motor Vehicles and the need to provide testing opportunities to all persons affected by this act. For an examination or learner's permit issued on or after April 1, 1992, the director may limit the permit's validity to a specific length of time or number of testing opportunities.

After the issuance of a commercial driver license, the examination or learner's permit fee for an additional endorsement or license class shall be $10 per endorsement or class.

In addition to fees for a basic driver license and any non-commercial endorsement and renewals thereof, the required fee for a 48-month licensing period shall be $18 for each commercial driver license and renewal thereof
CHAPTER 391, LAWS OF 2001

and $2 for each endorsement and renewal thereof. In addition, the director shall charge a fee of $6 for a digitized picture of the licensee.

The commercial driver license shall expire on the last day of the 48th calendar month following the calendar month in which the license was issued. However, the director may, at his discretion, issue licenses and endorsements which shall expire on a date fixed by him. The fee for such licenses or endorsements shall be fixed in amounts proportionately less or greater than the fee otherwise established.

Nothing in this section shall be construed to alter or change any expiration date on any New Jersey commercial driver license issued prior to the operative date of P.L.2001, c.391 (C.39:3-10f4 et al.) and, unless a licensee's driving privileges are otherwise suspended or revoked, except as provided in R.S.39:3-10, the license shall remain valid until its expiration date.

7. Section 4 of P.L.1980, c.47 (C.39:3-29.5) is amended to read as follows:

C.39:3-29.5 Expiration of card; renewal cards for blind, handicapped valid for life, authorized presence in U.S. required for renewal.

4. a. Except as provided in subsection b. of this section, each original identification card authorized by section 2 of this act shall, unless canceled earlier, be valid for 48 calendar months from its date of issuance, and shall be renewable upon the request of the bearer of the card, pursuant to terms of license renewal established by the Division of Motor Vehicles, and upon payment of a fee as required by section 6 of this act. An identification card issued pursuant to this act to an applicant who is blind, disabled, or handicapped shall be valid for the life of the holder unless canceled by the holder. Cards issued prior to October 16, 1989 and valid upon the effective date of this amendatory act shall be valid for the life of the holder unless canceled by the holder. Cards issued to blind, disabled or handicapped persons between October 16, 1989 and the effective date of this amendatory act, and which are valid on the effective date of this act, shall be made valid for the life of the holder unless canceled by the holder, upon presentation of proof that the blindness, disability, or handicap existed at the time of the original application. The director is authorized to require periodic verification of information included on any identification card issued for or valid for the life of the holder. Nothing in this section shall be construed to alter or change any expiration date on any New Jersey identification card issued prior to the operative date of P.L.2001, c.391 (C.39:3-10f4 et al.) and any such identification card shall remain valid until its expiration date.
b. If the director issues an identification card to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard periods of such cards, the director shall fix the expiration date of the identification card at a date based on the period in which the person is authorized to be present in the United States under federal immigration laws. The director may renew such an identification card only if it is demonstrated that the person's continued presence in the United States is authorized under federal law.

8. Section 6 of P.L.1980, c.47 (C.39:3-29.7) is amended to read as follows:

The director, upon presentation of a statement, duly sworn to, stating that the original driver's license has been destroyed, lost or stolen, or requesting a new color picture, may, if he is satisfied that the facts as set forth in the statement are substantially true, issue a duplicate driver's license to the original holder thereof, upon payment to the director of a fee of $5 in addition to the digitized picture fee.

10. R.S.39:3-36 is amended to read as follows:

Notification of change of residence; fees, penalties.

39:3-36. A licensed operator shall notify the director of any change in residence within one week after the change is made. Notice shall be in such
form and shall contain such information as the director may require. Upon notification, and payment of a fee of $5 for the license in addition to the digitized picture fee, the director shall provide the licensed operator with a new license.

The registered owner of a motor vehicle or a motorized bicycle shall notify the director of any change in residence within one week after the change is made. Notice shall be in such form and shall contain such information as the director may require. Upon notification, and payment of a fee of $5, the director shall provide the registered owner with a new registration certificate.

A person who violates this section shall be subject to a penalty of not more than $25.

11. Section 4 of P.L.1995, c.401 (C.12:7-73) is amended to read as follows:

C.12:7-73 Fees for power vessel operator's license, digitized picture.

4. a. The fee for a 48-month power vessel operator's license required pursuant to section 3 of P.L.1995, c.401 (C.12:7-72) shall be $18 and shall be paid to the director for deposit into the State General Fund.
   b. Each New Jersey power vessel operator's license issued pursuant to section 3 of P.L.1995, c.401 (C.12:7-72) shall have a digitized color picture of the licensee. In addition to the fee required pursuant to subsection a. of this section, the fee for the digitized color picture shall be $6 for each license or renewal.

12. R.S.39:3-13 is amended to read as follows:

Examination permits.

39:3-13. The director may, in his discretion, issue to a person over 17 years of age an examination permit, under the hand and seal of the director, allowing such person, for the purpose of fitting himself to become a licensed driver, to operate a designated class of motor vehicles other than passenger automobiles for a specified period of not more than 90 days, while in the company and under the supervision of a driver licensed to operate such designated class of motor vehicles.

The director, in his discretion, may issue for a specified period of not less than one year an examination permit to operate a passenger automobile to a person over 17 years of age regardless of whether a person has completed a course of behind-the-wheel automobile driving education pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). An examination permit applicant who is under 18 years of age shall obtain the signature of a parent or guardian for submission to the division on a form prescribed by
the director. The director shall postpone for six months the driving
privileges of any person who submits a fraudulent signature for a parent or
guardian.

For six months immediately following the issuance of an examination
permit, the holder who is less than 21 years of age shall operate the
passenger automobile only when accompanied by, and under the supervi-
sion of, a New Jersey licensed driver who is at least 21 years of age and has
been licensed to drive a passenger automobile for not less than three years.
The holder of an examination permit who is at least 21 years of age shall
operate the passenger automobile for the first three months under such
supervision. The supervising driver shall sit in the front seat of the vehicle.
Whenever operating a vehicle while in possession of an examination
permit, the holder of the permit shall operate the passenger automobile with
only one additional passenger in the vehicle excluding persons with whom
the holder resides, except that this passenger restriction shall not apply when
either the permit holder or one other passenger is at least 21 years of age.
Further, the holder of the permit who is less than 21 years of age shall not
drive during the hours between 12:01 a.m. and 5 a.m.; provided, however,
that this condition may be waived for an emergency which, in the judgment
of local police, is of sufficient severity and magnitude to substantially
endanger the health, safety, welfare or property of a person, or for any bona
tide employment or religion-related activity if the employer or appropriate
religious authority provides written verification of such activity in a manner
provided for by the director. The permit holder shall also ensure that all
occupants of the vehicle are secured in a properly adjusted and fastened seat
belt or child restraint system.

When notified by a court of competent jurisdiction that an examination
permit holder has been convicted of a violation which causes the permit
holder to accumulate more than two motor vehicle points or has been
convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512
(C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129;
N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1 or any other motor vehi-
cle-related law the director deems significant and applicable pursuant to
regulation, in addition to any other penalty that may be imposed, the
director shall, without the exercise of discretion or a hearing, suspend the
examination permit holder's examination permit for 90 days. The director
shall restore the permit following the term of the permit suspension if the
permit holder satisfactorily completes a remedial training course of not less
than four hours and remits a course fee prescribed by the director. The
director also shall postpone without the exercise of discretion or a hearing
the issuance of a basic license for 90 days if the director is notified by a
court of competent jurisdiction that the examination permit holder, after
completion of the remedial training course, has been convicted of any motor vehicle violation which results in the imposition of any motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.182 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5, subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the director deems significant and applicable pursuant to regulation. When the director is notified by a court of competent jurisdiction that an examination permit holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle and is not otherwise subject to any other suspension penalty therefor, the director shall, without the exercise of discretion or a hearing, suspend the examination permit for six months. A fine of $100 shall be imposed for any other violation of the conditions of the examination permit.

An examination permit for a motorcycle or a commercial motor vehicle issued to a handicapped person, as determined by the Division of Motor Vehicles after consultation with the Department of Education, shall be valid for nine months or until the completion of the road test portion of his license examination, whichever period is shorter. Each permit shall be sufficient license for the person to operate such designated class of motor vehicles in this State during the period specified, while in the company of and under the control of a driver licensed by this State to operate such designated class of motor vehicles, or, in the case of a commercial driver license permit, while in the company of and under the control of a holder of a valid commercial driver license for the appropriate license class and with the appropriate endorsements issued by this or any other state. Such person, as well as the licensed driver, except for a motor vehicle examiner administering a driving skills test, shall be held accountable for all violations of this subtitle committed by such person while in the presence of the licensed driver. In addition to requiring an applicant for an examination permit to submit satisfactory proof of identity and age, the director also shall require the applicant to provide, as a condition for obtaining the permit, satisfactory proof that the applicant's presence in the United States is authorized under federal law. If the director has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the director shall refuse to grant the permit until such time as the document may be verified by the issuing agency to the director's satisfaction.

The holder of an examination permit shall be required to take a road test in order to obtain a basic driver's license. No road test for any person who has been issued an examination permit to operate a passenger vehicle shall be given unless the person has met the requirements of this section. No road test for a basic driver's license shall be given unless the applicant has
first secured an examination permit and no such road test shall be scheduled for an applicant who has secured an examination permit for a passenger vehicle until at least one year shall have elapsed following the validation of the examination permit for practice driving or, in the case of an examination permit for other vehicles, until 20 days has elapsed, except that in the case of an omnibus endorsement or school bus no road test shall be scheduled until at least 10 days shall have elapsed. Every applicant for an examination permit to qualify for an omnibus endorsement or an articulated vehicle endorsement shall be a holder of a valid basic driver's license.

The required fees for special learners' permits and examination permits shall be as follows:

- Basic driver's license ................................ up to $10
- Motorcycle license or endorsement ....................... $5
- Omnibus or school bus endorsement ........................ $25
- Articulated vehicle endorsement ........................... $15

1. The Legislature finds and declares that:

a. Currently, there are two pediatric rehabilitation hospitals in the State that provide pediatric inpatient and ambulatory rehabilitation and pediatric long-term care services to children throughout the State. These hospitals offer a variety of medical, developmental and educational services to children with severe disabilities and chronic illnesses; and
b. There is a tremendous need in the State for the unique services provided by these facilities, and few providers within the health care community have the capability and expertise to properly treat the special needs of these children.

The initial prospective per diem rate shall be based on the total allowable cost for Medicaid patients divided by the total Medicaid days from the calendar year 1999 Medicare/Medicaid cost report, and shall be considered the base year rate. If the hospital has been in operation less than two full years prior to fiscal year 1999, the prospective per diem rate will be set using its first finalized audited fiscal year 2000 Medicare/Medicaid cost report. The base year rate shall be updated each year by the economic factor specified in N.J.A.C.10:52-5.13.

The Commissioner of Human Services shall adopt regulations to permit a pediatric rehabilitation hospital to seek rate relief or to seek a new base year rate in the event the hospital can demonstrate that it is entitled to rate relief or a new base year pursuant to applicable Medicare Principles of Reimbursement.

C.30:4D-7i Exemption from close proximity requirements, notification as to off-site location.

A pediatric rehabilitation hospital licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall not be subject to the close proximity requirements established pursuant to N.J.A.C.10:52-1.3(b)(1) for the purposes of receiving Medicaid fee-for-service reimbursement for outpatient hospital services.

3. Section 2 of P.L.1995, c.23 (C.47:1A-1.2) is amended to read as follows:

C.47:1A-1.2 Restricted access to biotechnology trade secrets.

2. a. When federal law or regulation requires the submission of biotechnology trade secrets and related confidential information, a public agency shall not have access to this information except as allowed by federal law.

b. A public agency shall not make any biotechnology trade secrets and related confidential information it has access to under this act available to any other public agency, or to the general public, except as allowed pursuant to federal law.

4. Section 1 of P.L.1998, c.17 (C.47:1A-2.2) is amended to read as follows:

C.47:1A-2.2 Access to certain information by convict prohibited; exceptions.

1. a. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.) or the provisions of any other law to the contrary, where it shall appear that a person who is convicted of any indictable offense under the laws of this State, any other state or the United States is seeking government records containing personal information pertaining to the person's victim or the victim's family, including but not limited to a victim's home address, home telephone number, work or school address, work telephone number,
social security account number, medical history or any other identifying information, the right of access provided for in P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented shall be denied.

b. A government record containing personal identifying information which is protected under the provisions of this section may be released only if the information is necessary to assist in the defense of the requestor. A determination that the information is necessary to assist in the requestor's defense shall be made by the court upon motion by the requestor or his representative.

c. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented, or any other law to the contrary, a custodian shall not comply with an anonymous request for a government record which is protected under the provisions of this section.

5. Section 3 of P.L.1963, c.73 (C.47:1A-3) is amended to read as follows:

C.47:1A-3 Access to records of investigation in progress.

3. a. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented, where it shall appear that the record or records which are sought to be inspected, copied, or examined shall pertain to an investigation in progress by any public agency, the right of access provided for in P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented may be denied if the inspection, copying or examination of such record or records shall be inimical to the public interest; provided, however, that this provision shall not be construed to allow any public agency to prohibit access to a record of that agency that was open for public inspection, examination, or copying before the investigation commenced. Whenever a public agency, during the course of an investigation, obtains from another public agency a government record that was open for public inspection, examination or copying before the investigation commenced, the investigating agency shall provide the other agency with sufficient access to the record to allow the other agency to comply with requests made pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.).

b. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.), as amended and supplemented, the following information concerning a criminal investigation shall be available to the public within 24 hours or as soon as practicable, of a request for such information:

where a crime has been reported but no arrest yet made, information as to the type of crime, time, location and type of weapon, if any;

if an arrest has been made, information as to the name, address and age of any victims unless there has not been sufficient opportunity for notifica-
tion of next of kin of any victims of injury and/or death to any such victim or where the release of the names of any victim would be contrary to existing law or court rule. In deciding on the release of information as to the identity of a victim, the safety of the victim and the victim's family, and the integrity of any ongoing investigation, shall be considered:

if an arrest has been made, information as to the defendant's name, age, residence, occupation, marital status and similar background information and, the identity of the complaining party unless the release of such information is contrary to existing law or court rule;

information as to the text of any charges such as the complaint, accusation and indictment unless sealed by the court or unless the release of such information is contrary to existing law or court rule;

information as to the identity of the investigating and arresting personnel and agency and the length of the investigation;

information of the circumstances immediately surrounding the arrest, including but not limited to the time and place of the arrest, resistance, if any, pursuit, possession and nature and use of weapons and ammunition by the suspect and by the police; and

information as to circumstances surrounding bail, whether it was posted and the amount thereof.

Notwithstanding any other provision of this subsection, where it shall appear that the information requested or to be examined will jeopardize the safety of any person or jeopardize any investigation in progress or may be otherwise inappropriate to release, such information may be withheld. This exception shall be narrowly construed to prevent disclosure of information that would be harmful to a bona fide law enforcement purpose or the public safety. Whenever a law enforcement official determines that it is necessary to withhold information, the official shall issue a brief statement explaining the decision.

C.47:1A-5 Times during which records may be inspected, examined, copied; access; copy fees.

6. a. The custodian of a government record shall permit the record to be inspected, examined, and copied by any person during regular business hours; or in the case of a municipality having a population of 5,000 or fewer according to the most recent federal decennial census, a board of education having a total district enrollment of 500 or fewer, or a public authority having less than $10 million in assets, during not less than six regular business hours over not less than three business days per week or the entity's regularly-scheduled business hours, whichever is less; unless a government record is exempt from public access by: P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented; any other statute; resolution of either or both houses of the Legislature; regulation promulgated under the authority of any
statute or Executive Order of the Governor; Executive Order of the Governor; Rules of Court; any federal law; federal regulation; or federal order. Prior to allowing access to any government record, the custodian thereof shall redact from that record any information which discloses the social security number, credit card number, unlisted telephone number, or driver license number of any person; except for use by any government agency, including any court or law enforcement agency, in carrying out its functions, or any private person or entity acting on behalf thereof, or any private person or entity seeking to enforce payment of court-ordered child support; except with respect to the disclosure of driver information by the Division of Motor Vehicles as permitted by section 2 of P.L.1997, c.188 (C.39:2-3.4); and except that a social security number contained in a record required by law to be made, maintained or kept on file by a public agency shall be disclosed when access to the document or disclosure of that information is not otherwise prohibited by State or federal law, regulation or order or by State statute, resolution of either or both houses of the Legislature, Executive Order of the Governor, rule of court or regulation promulgated under the authority of any statute or executive order of the Governor. Except where an agency can demonstrate an emergent need, a regulation that limits access to government records shall not be retroactive in effect or applied to deny a request for access to a government record that is pending before the agency, the council or a court at the time of the adoption of the regulation.

b. A copy or copies of a government record may be purchased by any person upon payment of the fee prescribed by law or regulation, or if a fee is not prescribed by law or regulation, upon payment of the actual cost of duplicating the record. Except as otherwise provided by law or regulation, the fee assessed for the duplication of a government record embodied in the form of printed matter shall not exceed the following: first page to tenth page, $0.75 per page; eleventh page to twentieth page, $0.50 per page; all pages over twenty, $0.25 per page. The actual cost of duplicating the record shall be the cost of materials and supplies used to make a copy of the record, but shall not include the cost of labor or other overhead expenses associated with making the copy except as provided for in subsection c. of this section. If a public agency can demonstrate that its actual costs for duplication of a government record exceed the foregoing rates, the public agency shall be permitted to charge the actual cost of duplicating the record.

c. Whenever the nature, format, manner of collation, or volume of a government record embodied in the form of printed matter to be inspected, examined, or copied pursuant to this section is such that the record cannot be reproduced by ordinary document copying equipment in ordinary business size or involves an extraordinary expenditure of time and effort to
accommodate the request, the public agency may charge, in addition to the actual cost of duplicating the record, a special service charge that shall be reasonable and shall be based upon the actual direct cost of providing the copy or copies; provided, however, that in the case of a municipality, rates for the duplication of particular records when the actual cost of copying exceeds the foregoing rates shall be established in advance by ordinance. The requestor shall have the opportunity to review and object to the charge prior to it being incurred.

d. A custodian shall permit access to a government record and provide a copy thereof in the medium requested if the public agency maintains the record in that medium. If the public agency does not maintain the record in the medium requested, the custodian shall either convert the record to the medium requested or provide a copy in some other meaningful medium. If a request is for a record: (1) in a medium not routinely used by the agency; (2) not routinely developed or maintained by an agency; or (3) requiring a substantial amount of manipulation or programming of information technology, the agency may charge, in addition to the actual cost of duplication, a special charge that shall be reasonable and shall be based on the cost for any extensive use of information technology, or for the labor cost of personnel providing the service, that is actually incurred by the agency or attributable to the agency for the programming, clerical, and supervisory assistance required, or both.

e. Immediate access ordinarily shall be granted to budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information.

f. The custodian of a public agency shall adopt a form for the use of any person who requests access to a government record held or controlled by the public agency. The form shall provide space for the name, address, and phone number of the requestor and a brief description of the government record sought. The form shall include space for the custodian to indicate which record will be made available, when the record will be available, and the fees to be charged. The form shall also include the following: (1) specific directions and procedures for requesting a record; (2) a statement as to whether prepayment of fees or a deposit is required; (3) the time period within which the public agency is required by P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented, to make the record available; (4) a statement of the requestor’s right to challenge a decision by the public agency to deny access and the procedure for filing an appeal; (5) space for the custodian to list reasons if a request is denied in whole or in part; (6) space for the requestor to sign and date the form; (7) space for the custodian to sign and date the form if the request is fulfilled or denied. The
custodian may require a deposit against costs for reproducing documents sought through an anonymous request whenever the custodian anticipates that the information thus requested will cost in excess of $5 to reproduce.

g. A request for access to a government record shall be in writing and hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. A custodian shall promptly comply with a request to inspect, examine, copy, or provide a copy of a government record. If the custodian is unable to comply with a request for access, the custodian shall indicate the specific basis therefor on the request form and promptly return it to the requestor. The custodian shall sign and date the form and provide the requestor with a copy thereof. If the custodian of a government record asserts that part of a particular record is exempt from public access pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented, the custodian shall delete or excise from a copy of the record that portion which the custodian asserts is exempt from access and shall promptly permit access to the remainder of the record. If the government record requested is temporarily unavailable because it is in use or in storage, the custodian shall so advise the requestor and shall make arrangements to promptly make available a copy of the record. If a request for access to a government record would substantially disrupt agency operations, the custodian may deny access to the record after attempting to reach a reasonable solution with the requestor that accommodates the interests of the requestor and the agency.

h. Any officer or employee of a public agency who receives a request for access to a government record shall forward the request to the custodian of the record or direct the requestor to the custodian of the record.

i. Unless a shorter time period is otherwise provided by statute, regulation, or executive order, a custodian of a government record shall grant access to a government record or deny a request for access to a government record as soon as possible, but not later than seven business days after receiving the request, provided that the record is currently available and not in storage or archived. In the event a custodian fails to respond within seven business days after receiving a request, the failure to respond shall be deemed a denial of the request, unless the requestor has elected not to provide a name, address or telephone number, or other means of contacting the requestor. If the requestor has elected not to provide a name, address, or telephone number, or other means of contacting the requestor, the custodian shall not be required to respond until the requestor reappears before the custodian seeking a response to the original request. If the government record is in storage or archived, the requestor shall be so advised within seven business days after the custodian receives the request. The requestor shall be advised by the custodian when the record can be
made available. If the record is not made available by that time, access shall be deemed denied.

j. A custodian shall post prominently in public view in the part or parts of the office or offices of the custodian that are open to or frequented by the public a statement that sets forth in clear, concise and specific terms the right to appeal a denial of, or failure to provide, access to a government record by any person for inspection, examination, or copying or for purchase of copies thereof and the procedure by which an appeal may be filed.

k. The files maintained by the Office of the Public Defender that relate to the handling of any case shall be considered confidential and shall not be open to inspection by any person unless authorized by law, court order, or the State Public Defender.

C.47:1A-6 Proceeding to challenge denial of access to record.

7. A person who is denied access to a government record by the custodian of the record, at the option of the requestor, may:
   institute a proceeding to challenge the custodian's decision by filing an action in Superior Court which shall be heard in the vicinage where it is filed by a Superior Court Judge who has been designated to hear such cases because of that judge's knowledge and expertise in matters relating to access to government records; or
   in lieu of filing an action in Superior Court, file a complaint with the Government Records Council established pursuant to section 8 of P.L.2001, c.404 (C.47:1A-7).

The right to institute any proceeding under this section shall be solely that of the requestor. Any such proceeding shall proceed in a summary or expedited manner. The public agency shall have the burden of proving that the denial of access is authorized by law. If it is determined that access has been improperly denied, the court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

C.47:1A-7 Government Records Council.

8. a. There is established in the Department of Community Affairs a Government Records Council. The council shall consist of the Commissioner of Community Affairs or the commissioner's designee, the Commissioner of Education or the commissioner's designee, and three public members appointed by the Governor, with the advice and consent of the Senate, not more than two of whom shall be of the same political party. The three public members shall serve during the term of the Governor making the appointment and until the appointment of a successor. A public member shall not hold any other State or local elected or appointed office.
or employment while serving as a member of the council. A public member shall not receive a salary for service on the council but shall be reimbursed for reasonable and necessary expenses associated with serving on the council and may receive such per diem payment as may be provided in the annual appropriations act. A member may be removed by the Governor for cause. Vacancies among the public members shall be filled in the same manner in which the original appointment was made. The members of the council shall choose one of the public members to serve as the council's chair. The council may employ an executive director and such professional and clerical staff as it deems necessary and may call upon the Department of Community Affairs for such assistance as it deems necessary and may be available to it.

b. The Government Records Council shall:

- establish an informal mediation program to facilitate the resolution of disputes regarding access to government records;
- receive, hear, review and adjudicate a complaint filed by any person concerning a denial of access to a government record by a records custodian;
- issue advisory opinions, on its own initiative, as to whether a particular type of record is a government record which is accessible to the public;
- prepare guidelines and an informational pamphlet for use by records custodians in complying with the law governing access to public records;
- prepare an informational pamphlet explaining the public's right of access to government records and the methods for resolving disputes regarding access, which records custodians shall make available to persons requesting access to a government record;
- prepare lists for use by records custodians of the types of records in the possession of public agencies which are government records;
- make training opportunities available for records custodians and other public officers and employees which explain the law governing access to public records; and
- operate an informational website and a toll-free helpline staffed by knowledgeable employees of the council during regular business hours which shall enable any person, including records custodians, to call for information regarding the law governing access to public records and allow any person to request mediation or to file a complaint with the council when access has been denied;

In implementing the provisions of subsections d. and e. of this section, the council shall: act, to the maximum extent possible, at the convenience of the parties; utilize teleconferencing, faxing of documents, e-mail and similar forms of modern communication; and when in-person meetings are
necessary, send representatives to meet with the parties at a location convenient to the parties.

c. At the request of the council, a public agency shall produce documents and ensure the attendance of witnesses with respect to the council's investigation of any complaint or the holding of any hearing.

d. Upon receipt of a written complaint signed by any person alleging that a custodian of a government record has improperly denied that person access to a government record, the council shall offer the parties the opportunity to resolve the dispute through mediation. Mediation shall enable a person who has been denied access to a government record and the custodian who denied or failed to provide access thereto to attempt to mediate the dispute through a process whereby a neutral mediator, who shall be trained in mediation selected by the council, acts to encourage and facilitate the resolution of the dispute. Mediation shall be an informal, nonadversarial process having the objective of helping the parties reach a mutually acceptable, voluntary agreement. The mediator shall assist the parties in identifying issues, foster joint problem solving, and explore settlement alternatives.

e. If any party declines mediation or if mediation fails to resolve the matter to the satisfaction of all parties, the council shall initiate an investigation concerning the facts and circumstances set forth in the complaint. The council shall make a determination as to whether the complaint is within its jurisdiction or frivolous or without any reasonable factual basis. If the council shall conclude that the complaint is outside its jurisdiction, frivolous or without factual basis, it shall reduce that conclusion to writing and transmit a copy thereof to the complainant and to the records custodian against whom the complaint was filed. Otherwise, the council shall notify the records custodian against whom the complaint was filed of the nature of the complaint and the facts and circumstances set forth therein. The custodian shall have the opportunity to present the board with any statement or information concerning the complaint which the custodian wishes. If the council is able to make a determination as to a record's accessibility based upon the complaint and the custodian's response thereto, it shall reduce that conclusion to writing and transmit a copy thereof to the complainant and to the records custodian against whom the complaint was filed. If the council is unable to make a determination as to a record's accessibility based upon the complaint and the custodian's response thereto, the council shall conduct a hearing on the matter in conformity with the rules and regulations provided for hearings by a State agency in contested cases under the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), insofar as they may be applicable and practicable. The council shall, by a majority vote of its members, render a decision as to whether the record
which is the subject of the complaint is a government record which must be made available for public access pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented. If the council determines, by a majority vote of its members, that a custodian has knowingly and willfully violated P.L.1963, c.73 (C.47:1A-1 et seq.), as amended and supplemented, and is found to have unreasonably denied access under the totality of the circumstances, the council may impose the penalties provided for in section 12 of P.L.2001, c.404 (C.47:1A-11). A decision of the council may be appealed to the Appellate Division of the Superior Court. A decision of the council shall not have value as a precedent for any case initiated in Superior Court pursuant to section 7 of P.L.2001, c.404 (C.47:1A-6). All proceedings of the council pursuant to this subsection shall be conducted as expeditiously as possible.

f. The council shall not charge any party a fee in regard to actions filed with the council. The council shall be subject to the provisions of the "Open Public Meetings Act," P.L.1975, c.231 (C.10:4-6), except that the council may go into closed session during that portion of any proceeding during which the contents of a contested record would be disclosed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

g. The council shall not have jurisdiction over the Judicial or Legislative Branches of State Government or any agency, officer, or employee of those branches.

C.47:1A-8 Construction of act.

9. Nothing contained in P.L.1963, c.73 (C.47:1A-1 et seq.), as amended and supplemented, shall be construed as limiting the common law right of access to a government record, including criminal investigatory records of a law enforcement agency.

C.47:1A-9 Other laws, regulations, privileges unaffected.

10. a. The provisions of this act, P.L.2001, c.404 (C.47:1A-5 et al.), shall not abrogate any exemption of a public record or government record from public access heretofore made pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.); any other statute; resolution of either or both Houses of the Legislature; regulation promulgated under the authority of any statute or Executive Order of the Governor; Executive Order of the Governor; Rules of Court; any federal law; federal regulation; or federal order.

b. The provisions of this act, P.L.2001, c.404 (C.47:1A-5 et al.), shall not abrogate or erode any executive or legislative privilege or grant of confidentiality heretofore established or recognized by the Constitution of this State, statute, court rule or judicial case law, which privilege or grant of
confidentiality may duly be claimed to restrict public access to a public record or government record.

C.47:1A-10 Personnel, pension records not considered public information; exceptions.

11. Notwithstanding the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.) or any other law to the contrary, the personnel or pension records of any individual in the possession of a public agency, including but not limited to records relating to any grievance filed by or against an individual, shall not be considered a government record and shall not be made available for public access, except that:

- an individual's name, title, position, salary, payroll record, length of service, date of separation and the reason therefor, and the amount and type of any pension received shall be a government record;
- personnel or pension records of any individual shall be accessible when required to be disclosed by another law, when disclosure is essential to the performance of official duties of a person duly authorized by this State or the United States, or when authorized by an individual in interest; and
- data contained in information which disclose conformity with specific experiential, educational or medical qualifications required for government employment or for receipt of a public pension, but not including any detailed medical or psychological information, shall be a government record.

C.47:1A-11 Violations, penalties, disciplinary proceeding.

12. a. A public official, officer, employee or custodian who knowingly and willfully violates P.L.1963, c.73 (C.47:1A-1 et seq.), as amended and supplemented, and is found to have unreasonably denied access under the totality of the circumstances, shall be subject to a civil penalty of $1,000 for an initial violation, $2,500 for a second violation that occurs within 10 years of an initial violation, and $5,000 for a third violation that occurs within 10 years of an initial violation. This penalty shall be collected and enforced in proceedings in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and the rules of court governing actions for the collection of civil penalties. The Superior Court shall have jurisdiction of proceedings for the collection and enforcement of the penalty imposed by this section.

Appropriate disciplinary proceedings may be initiated against a public official, officer, employee or custodian against whom a penalty has been imposed.

C.47:1A-12 Court rules.

CHAPTER 405

AN ACT concerning the preservation of historic buildings and structures on
preserved farmland, amending P.L.1983, c.32, P.L.1988, c.4, and
amending and supplementing P.L.1999, c.152.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

C.13:8C-40.1 Property acquired for farmland preservation of historic buildings, structures;
terms defined.

1. a. Notwithstanding any law, rule, or regulation to the contrary,
whenever the State, a local government unit, or a qualifying tax exempt
nonprofit organization acquires, for farmland preservation purposes using
constitutionally dedicated moneys in whole or in part, the fee simple title to
farmland which is to be offered for resale or lease with agricultural deed
restrictions as determined by the committee, and there is an historic building
or structure located on the farmland, the State, local government unit, or
qualifying tax exempt nonprofit organization may, with the approval of the
committee:

(1) place a historic preservation restriction on any historic building or
structure on the farmland as a condition of the resale or lease of the
farmland; or

(2) subdivide the historic building or structure, together with at least
enough associated acreage to meet local zoning requirements, from the
remaining portion of the farmland, and, after placing a historic preservation
restriction upon the historic building or structure, offer the historic building
or structure for resale or lease separately from the remaining portion of the
farmland.

b. A historic preservation restriction may be placed on any historic
building or structure on farmland as provided pursuant to subsection a. of
this section even if the proceeds received from the resale or lease of the
farmland or the historic building or structure would be less than otherwise
would have been realized for use for farmland preservation purposes
without the historic preservation restriction in place or the subdivision
having been made.

c. For the purposes of this section:

"Historic building or structure" means a building or structure that:

(1) is included, meets the criteria for inclusion, or has been determined
to be potentially eligible for inclusion in the New Jersey Register of Historic
Places pursuant to P.L.1970, c.268 (C.13:1B-15.128 et seq.) or any rules or
regulations adopted pursuant thereto;

(2) has been recognized by a county or municipality as a place of
historic interest in a county or municipal master plan;

(3) is located in a historic district on a municipal zoning map; or

(4) meets any other criteria which may be adopted by the committee,
pursuant to the "Administrative Procedure Act," P.L.1968, c.410
(C.52:14B-1 et seq.), for recognizing the historical value or significance of
a building or structure on farmland; and

"Historic preservation restriction" means the same as that term is
defined pursuant to section 2 of P.L.1979, c.378 (C.13:8B-2).

C.13:8C-40.2 Demolishing of historic building, structure prohibited, terms defined.

2. a. No historic building or structure located on farmland for which a
development easement has been acquired by the State, a local government
unit, or a qualifying tax exempt nonprofit organization after one year from
the date of enactment of this act for farmland preservation purposes using constitutionally dedicated moneys in whole or in part may be demolished by the landowner or any other person without the prior approval of the committee.

b. (1) The committee may institute a civil action in a court of competent jurisdiction to prohibit or prevent a violation of this section, and the court may proceed in the action in a summary manner. The committee may also seek damages and other appropriate relief for a violation of this section.

(2) The committee may, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations providing for liquidated damages to be paid by the violator to the committee in the event of a violation of this section.

c. For the purposes of this section:

"Historic building or structure" means a building or structure that:

(1) is included in the New Jersey Register of Historic Places established pursuant to P.L.1970, c.268 (C.13:1B-15.128 et seq.); or

(2) meets any other criteria which may be adopted by the committee, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), for recognizing the historical value or significance of a building or structure on farmland, and which criteria may include but need not be limited to (a) the building or structure having met the criteria for inclusion, or having been determined to be potentially eligible for inclusion, in the New Jersey Register of Historic Places pursuant to P.L.1970, c.268 (C.13:1B-15.128 et seq.) or any rules or regulations adopted pursuant thereto; (b) recognition by a county or municipality of the building or structure as a place of historic interest in a county or municipal master plan; or (c) location of the building or structure in a historic district on a municipal zoning map; and

"Historic preservation restriction" means the same as that term is defined pursuant to section 2 of P.L.1979, c.378 (C.13:8B-2).

3. Section 24 of P.L.1983, c.32 (C.4:1C-31) is amended to read as follows:

C.4:1C-31 Development easement purchases.

24. a. Any landowner applying to the board to sell a development easement pursuant to section 17 of P.L.1983, c.32 (C.4:1C-24) shall offer to sell the development easement at a price which, in the opinion of the landowner, represents a fair value of the development potential of the land for nonagricultural purposes, as determined in accordance with the provisions of this act.
b. Any offer shall be reviewed and evaluated by the board and the committee in order to determine the suitability of the land for development easement purchase. Decisions regarding suitability shall be based on the following criteria:

(1) Priority consideration shall be given, in any one county, to offers with higher numerical values obtained by applying the following formula:

\[
\text{nonagricultural} - \text{agricultural} - \text{landowner's developmental value} \quad \text{value} \quad \text{asking price}
\]

(2) The degree to which the purchase would encourage the survivability of the municipally approved program in productive agriculture; and

(3) The degree of imminence of change of the land from productive agriculture to nonagricultural use.

The board and the committee shall reject any offer for the sale of development easements which is unsuitable according to the above criteria and which has not been approved by the board and the municipality.

c. Two independent appraisals paid for by the board shall be conducted for each parcel of land so offered and deemed suitable. The appraisals shall be conducted by independent, professional appraisers selected by the board and the committee from among members of recognized organizations of real estate appraisers. The appraisals shall determine the current overall value of the parcel for nonagricultural purposes, as well as the current market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the development easement. If Burlington County or a municipality therein has established a development transfer bank pursuant to the provisions of P.L.1989, c.86 (C.40:55D-113 et seq.), the municipal average of the value of the development potential of property in a sending zone established by the bank may be the value used by the board in determining the value of the development easement. If a development easement is purchased using moneys appropriated from the fund, the State shall provide no more than 80%, except 100% under emergency conditions specified by the committee pursuant to rules or regulations, of the cost of the appraisals conducted pursuant to this section.

d. Upon receiving the results of the appraisals, or in Burlington county or a municipality therein where a municipal average has been established
under P.L.1989, c.86 (C.40:55D-113 et seq.), upon receiving an application from the landowners, the board and the committee shall compare the appraised value, or the municipal average, as the case may be, and the landowner's offer and, pursuant to the suitability criteria established in subsection b. of this section:

(1) Approve the application to sell the development easement and rank the application in accordance with the criteria established in subsection b. of this section; or

(2) Disapprove the application, stating the reasons therefor.

e. Upon approval by the committee and the board, the secretary is authorized to provide the board, within the limits of funds appropriated therefor, an amount equal to no more than 80%, except 100% under emergency conditions specified by the committee pursuant to rules or regulations, of the purchase price of the development easement, as determined pursuant to the provisions of this section. The board shall provide its required share and accept the landowner's offer to sell the development easement. The acceptance shall cite the specific terms, contingencies and conditions of the purchase.

f. The landowner shall accept or reject the offer within 30 days of receipt thereof. Any offer not accepted within that time shall be deemed rejected.

g. Any landowner whose application to sell a development easement has been rejected for any reason other than insufficient funds may not reapply to sell a development easement on the same land within two years of the original application.

h. No development easement shall be purchased at a price greater than the appraised value determined pursuant to subsection c. of this section or the municipal average, as the case may be.

i. The appraisals conducted pursuant to this section or the fair market value of land restricted to agricultural use shall not be used to increase the assessment and taxation of agricultural land pursuant to the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.).

j. (1) In determining the suitability of land for development easement purchase, the board and the committee may also include as additional factors for consideration the presence of a historic building or structure on the land and the willingness of the landowner to preserve that building or structure, but only if the committee first adopts, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations implementing this subsection. The committee may, by rule or regulation adopted pursuant to the "Administrative Procedure Act," assign any such weight it deems appropriate to be given to these factors.
(2) The provisions of paragraph (1) of this subsection may also be applied in determining the suitability of land for fee simple purchase for farmland preservation purposes as authorized by P.L.1983, c.31 (C.4:1C-1 et seq.), P.L.1983, c.32 (C.4:1C-11 et seq.), and P.L.1999, c.152 (C.13:8C-1 et seq.).

(3) (a) For the purposes of paragraph (1) of this subsection: "historic building or structure" means the same as that term is defined pursuant to subsection c. of section 2 of P.L.2001, c.405 (C.13:8C-40.2).

(b) For the purposes of paragraph (2) of this subsection, "historic building or structure" means the same as that term is defined pursuant to subsection c. of section 1 of P.L.2001, c.405 (C.13:8C-40.1).

4. Section 5 of P.L.1988, c.4 (C.4:1C-31.1) is amended to read as follows:

C.4:1C-31.1 Fee simple absolute purchases.

5. a. Any landowner of farmland within an agricultural development area certified by the committee may apply to the committee to sell the fee simple absolute title at a price which, in the opinion of the landowner, represents a fair market value of the property.

b. The committee shall evaluate the offer to determine the suitability of the land for purchase. Decisions regarding suitability shall be based on the eligibility criteria for the purchase of development easements listed in section 24 of P.L.1983, c.32 (C.4:1C-31) and the criteria adopted by the committee and the board of that county. The committee shall also evaluate the offer taking into account the amount of the asking price, the asking price relative to other offers, the location of the parcel relative to areas targeted within the county by the board and among the counties, and any other criteria as the committee has adopted pursuant to rule or regulation. The committee may negotiate reimbursement with the county and include the anticipated reimbursement as part of the evaluation of an offer.

c. The committee shall rank the offers according to the criteria to determine which, if any, should be appraised. The committee shall reject any offer for the purchase of fee simple absolute title determined unsuitable according to any criterion in this subsection or adopted pursuant to this subsection, or may defer decisions on offers with a low ranking. The committee shall state, in writing, its reasons for rejecting an offer.

d. Appraisals of the parcel shall be conducted to determine the fair market value according to procedures adopted by regulation by the committee.

e. The committee shall notify the landowner of the fair market value and negotiate for the purchase of the title in fee simple absolute.
CHAPTER 405, LAWS OF 2001

f. Any land acquired by the committee pursuant to the provisions of this amendatory and supplementary act shall be held of record in the name of the State and shall be offered for resale by the State, notwithstanding any other law, rule or regulation to the contrary, within a reasonable time of its acquisition with agricultural deed restrictions for farmland preservation purposes as determined by the committee pursuant to the provisions of this act.

g. The committee shall be responsible for the operation and maintenance of lands acquired and shall take all reasonable steps to maintain the value of the land and its improvements.

h. To the end that municipalities may not suffer loss of taxes by reason of acquisition and ownership by the State of New Jersey of property under the provisions of this act, the State shall pay annually on October 1 to each municipality in which property is so acquired and has not been resold a sum of money equal to the tax last assessed and last paid by the taxpayer upon this land and the improvement thereon for the taxable year immediately prior to the time of its acquisition. In the event that land acquired by the State pursuant to this act had been assessed at an agricultural and horticultural use valuation in accordance with provisions of the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.), at the time of its acquisition by the State, no rollback tax pursuant to section 8 of P.L.1964, c.48 (C.54:4-23.8) shall be imposed as to this land nor shall this rollback tax be applicable in determining the annual payments to be made by the State to the municipality in which this land is located.

All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of these municipalities, and to accomplish this end the sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

5. Section 39 of P.L.1999, c.152 (C.13:8C-39) is amended to read as follows:

C.13:8C-39 Grant to qualifying tax exempt nonprofit organization for farmland.

39. a. The committee may provide a grant to a qualifying tax exempt nonprofit organization for up to 50% of the cost of acquisition of (1) a development easement on farmland, provided that the terms of any such development easement shall be approved by the committee, or (2) fee simple title to farmland, which shall be offered for resale or lease with an agricultural deed restriction, as determined by the committee, and any
proceeds received from a resale shall be dedicated for farmland preservation purposes and the State's pro rata share of any such proceeds shall be deposited in the Garden State Farmland Preservation Trust Fund to be used for the purposes of that fund.

b. The value of a development easement or fee simple title shall be established by two appraisals conducted on each parcel and certified by the committee. The appraisals shall be conducted by independent professional appraisers selected by the qualifying tax exempt nonprofit organization and approved by the committee from among members of recognized organizations of real estate appraisers.

c. The appraisals shall determine the fair market value of the fee simple title to the parcel, as well as the fair market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the parcel for nonagricultural purposes, which shall be the value of the development easement.

d. Any grant provided to a qualifying tax exempt nonprofit organization pursuant to this section shall not exceed 50% of the appraised value of the development easement, or of the fee simple title in the case of fee simple acquisitions, plus up to 50% of any costs incurred including but not limited to the costs of surveys, appraisals, and title insurance.

e. The appraisals conducted pursuant to this section or the fair market value of land restricted to agricultural use shall not be used to increase the assessment and taxation of agricultural land pursuant to the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.).

f. To qualify to receive a grant pursuant to this section, the applicant shall:

(1) demonstrate that it has the resources to match the grant requested; and

(2) in the case of the acquisition of a development easement, agree not to convey the development easement except to the federal government, the State, a local government unit, or another qualifying tax exempt nonprofit organization, for farmland preservation purposes.

g. (1) In deciding whether to award a grant to a qualifying tax exempt nonprofit organization pursuant to this section, the committee may also include as additional factors for consideration the presence of a historic building or structure on the land and the willingness of the landowner to preserve that building or structure, but only if the committee first adopts, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations implementing this subsection. The committee may, by rule or regulation adopted pursuant to the "Administrative Procedure Act," assign any such weight it deems appropriate to be given to these factors.
(2) For the purposes of this subsection: "historic building or structure," in the context of the grant program for qualifying tax exempt nonprofit organizations to acquire development easements on farmland for farmland preservation purposes, means the same as that term is defined pursuant to subsection c. of section 2 of P.L.2001, c.405 (C.13:8C-40.2); and "historic building or structure," in the context of the grant program for qualifying tax exempt nonprofit organizations to acquire fee simple titles to farmland for farmland preservation purposes, means the same as that term is defined pursuant to subsection c. of section 1 of P.L.2001, c.405 (C.13:8C-40.1).

6. Section 40 of P.L.1999, c.152 (C.13:8C-40) is amended to read as follows:

C.13:8C-40 Acquisition, permanent retirement of development easements on farmland.

40. a. The committee may acquire and permanently retire development easements on farmland.

b. The committee shall evaluate the suitability of the acquisition of a development easement based upon the eligibility criteria listed in section 24 of P.L.1983, c.32 (C.4:1C-31) and any other criteria that may be adopted by the committee.

c. Appraisals to determine the fair market value of a development easement to be acquired by the committee shall be conducted by appraisers approved by the committee and in a manner consistent with the process set forth in subsection c. of section 24 of P.L.1983, c.32 (C.4:1C-31).

d. Any development easement acquired by the committee shall be held of record in the name of the committee.

7. This act shall take effect on the 180th day after the date of enactment, but the State Agriculture Development Committee may take such anticipatory administrative action in advance thereof as may be necessary for the implementation of this act.

Approved January 8, 2002.

CHAPTER 406

AN ACT concerning an annual report on the school-based probation program and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
CHAPTER 406, LAWS OF 2001

C.2A:12-5.1 Findings, declarations relative to school-based probation.

1. The Legislature finds and declares that:
   a. School-based probation is an approach to the supervision of children which shifts the primary location of probation operations to the school environment;
   b. School-based probation is designed to provide closer monitoring of a juvenile's behavior in order to improve school attendance and academic performance, lower school drop-out rates and reduce recidivism and out-of-home placements resulting from delinquent behaviors;
   c. School-based probation programs have stimulated much interest and enthusiasm because they are believed to enhance both the school environment and probation services;
   d. Studies that have been conducted on the program are very encouraging and have shown that children who have been assigned to school-based probation are more likely to be in the community longer prior to their first charge after their assignment to probation and are also more likely to be charged with probation violation and status offenses rather than new charges of a more serious nature;
   e. Children who have been assigned to school-based probation tend not to "penetrate" the juvenile justice system as deeply as do children who are assigned to more traditional forms of supervision, resulting in not only cost savings, but also reductions in the destructive effects of extended placements and involvement in the more restrictive components of the juvenile justice system;
   f. Various models of school-based probation have been implemented in many counties of this State, each designed to address the particular needs of the individual county or school district; and
   g. The Legislature would benefit from input by probation departments currently involved in school-based probation and the school districts with which they are in partnership on their evaluation of the program and any recommendations regarding the expansion and replication of the program throughout the State.

C.2A:12-5.2 Annual report to Legislature.

2. a. The Administrative Director of the Courts, in consultation with the Commissioner of Education, shall submit an annual report to the Legislature evaluating the effectiveness of the school-based probation program. The report shall include, but need not be limited to: information on the cost-effectiveness of the program as compared to the more traditional model of juvenile probation; the methods by which the confidentiality of the child involved in the program has been protected and any information-sharing protocols which have been developed between school and probation staff;
information on the impact of the program in such areas as drop-out rates, disciplinary referrals, tardiness, absenteeism and academic performance; recommendations as to the preferred model or models of school-based probation to implement on a Statewide basis or any specific parameters of the program that should be mandated; and any other recommendations regarding the expansion of the program.

b. For the purposes of compiling the report required pursuant to subsection a. of this section, the Administrative Director of the Courts shall have access to the pupil record of any child who has been assigned to school-based probation. Information which is provided to the Administrative Director of the Courts pursuant to this subsection regarding a student who has been assigned to school-based probation shall be used under strict conditions of anonymity and confidentiality.

No liability shall attach to any member, officer or employee of any board of education for the furnishing of any pupil records pursuant to this subsection.

3. This act shall take effect immediately.

Approved January 8, 2002.
(3) The parents or guardian and to the attorney of the juvenile;
(4) The Department of Human Services, if providing care or custody of the juvenile;
(5) Any institution or facility to which the juvenile is currently committed or in which the juvenile is placed;
(6) Any person or agency interested in a case or in the work of the agency keeping the records, by order of the court for good cause shown, except that information concerning adjudications of delinquency, records of custodial confinement, payments owed on assessments imposed pursuant to section 2 of P.L.1979, c.396 (C.2C:43-3.1) or restitution ordered following conviction of a crime or adjudication of delinquency, and the juvenile's financial resources, shall be made available upon request to the Victims of Crime Compensation Board established pursuant to section 3 of P.L.1971, c.317 (C.52:4B-3), which shall keep such information and records confidential;
(7) The Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170);
(8) Law enforcement agencies for the purpose of reviewing applications for a permit to purchase a handgun or firearms purchaser identification card;
(9) Any potential party in a subsequent civil action for damages related to an act of delinquency committed by a juvenile, including the victim or a member of the victim's immediate family, regardless of whether the action has been filed against the juvenile; provided, however, that records available under this paragraph shall be limited to official court documents, such as complaints, pleadings and orders, and that such records may be disclosed by the recipient only in connection with asserting legal claims or obtaining indemnification on behalf of the victim or the victim's family and otherwise shall be safeguarded from disclosure to other members of the public. Any potential party in a civil action related to the juvenile offense may file a motion with the civil trial judge seeking to have the juvenile's social, medical or psychological records admitted into evidence in a civil proceeding for damages; and
(10) Any potential party in a subsequent civil action for damages related to an act of delinquency committed by a juvenile, including the victim or a member of the victim's immediate family, regardless of whether the action has been filed against the juvenile; provided, however, that records available under this paragraph shall be limited to police or investigation reports concerning acts of delinquency, which shall be disclosed by a law enforcement agency only with the approval of the County Prosecutor's Office or the Division of Criminal Justice. Prior to disclosure, all personal information regarding all individuals, other than the requesting party and the
arresting or investigating officer, shall be redacted. Such records may be
disclosed by the recipient only in connection with asserting legal claims or
obtaining indemnification on behalf of the victim or the victim's family, and
otherwise shall be safeguarded from disclosure to other members of the
public.

b. Records of law enforcement agencies may be disclosed for law
enforcement purposes, or for the purpose of reviewing applications for a
permit to purchase a handgun or a firearms purchaser identification card to
any law enforcement agency of this State, another state or the United States,
and the identity of a juvenile under warrant for arrest for commission of an
act that would constitute a crime if committed by an adult may be disclosed
to the public when necessary to execution of the warrant.

c. At the time of charge, adjudication or disposition, information as to
the identity of a juvenile charged with an offense, the offense charged, the
adjudication and disposition shall, upon request, be disclosed to:

(1) The victim or a member of the victim's immediate family;
(2) Any law enforcement agency which investigated the offense, the
person or agency which filed the complaint, and any law enforcement
agency in the municipality where the juvenile resides; and
(3) On a confidential basis, the principal of the school where the
juvenile is enrolled for use by the principal and such members of the staff
and faculty of the school as the principal deems appropriate for maintaining
order, safety or discipline in the school or to planning programs relevant to
the juvenile's educational and social development, provided that no record
of such information shall be maintained except as authorized by regulation
of the Department of Education; or
(4) A party in a subsequent legal proceeding involving the juvenile,
upon approval by the court.

d. A law enforcement or prosecuting agency shall, at the time of a
charge, adjudication or disposition, advise the principal of the school where
the juvenile is enrolled of the identity of the juvenile charged, the offense
charged, the adjudication and the disposition if:

(1) The offense occurred on school property or a school bus, occurred
at a school-sponsored function or was committed against an employee or
official of the school; or
(2) The juvenile was taken into custody as a result of information or
evidence provided by school officials; or
(3) The offense, if committed by an adult, would constitute a crime, and
the offense:
(a) resulted in death or serious bodily injury or involved an attempt or
conspiracy to cause death or serious bodily injury; or
(b) involved the unlawful use or possession of a firearm or other weapon; or
(c) involved the unlawful manufacture, distribution or possession with intent to distribute a controlled dangerous substance or controlled substance analog; or
(d) was committed by a juvenile who acted with a purpose to intimidate an individual or group of individuals because of race, color, religion, sexual orientation or ethnicity; or
(e) would be a crime of the first or second degree.

Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to a juvenile's educational and social development, and no record of such information shall be maintained except as authorized by regulation of the Department of Education.

e. Nothing in this section prohibits a law enforcement or prosecuting agency from providing the principal of a school with information identifying one or more juveniles who are under investigation or have been taken into custody for commission of any act that would constitute an offense if committed by an adult when the law enforcement or prosecuting agency determines that the information may be useful to the principal in maintaining order, safety or discipline in the school or in planning programs relevant to the juvenile's educational and social development. Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or in planning programs relevant to the juvenile's educational and social development. No information provided pursuant to this section shall be maintained.

f. Information as to the identity of a juvenile adjudicated delinquent, the offense, the adjudication and the disposition shall be disclosed to the public where the offense for which the juvenile has been adjudicated delinquent if committed by an adult, would constitute a crime of the first, second or third degree, or aggravated assault, destruction or damage to property to an extent of more than $500.00, unless upon application at the time of disposition the juvenile demonstrates a substantial likelihood that specific and extraordinary harm would result from such disclosure in the specific case. Where the court finds that disclosure would be harmful to the juvenile, the reasons therefor shall be stated on the record.

g. (1) Nothing in this section shall prohibit the establishment and maintaining of a central registry of the records of law enforcement agencies
relating to juveniles for the purpose of exchange between State and local law enforcement agencies and prosecutors of this State, another state, or the United States. These records of law enforcement agencies shall be available on a 24-hour basis.

(2) Certain information and records relating to juveniles in the central registry maintained by the courts shall be available to State and local law enforcement agencies and prosecutors on a 24-hour basis.

h. Whoever, except as provided by law, knowingly discloses, publishes, receives, or makes use of or knowingly permits the unauthorized use of information concerning a particular juvenile derived from records listed in subsection a. or acquired in the course of court proceedings, probation, or police duties, shall, upon conviction thereof, be guilty of a disorderly persons offense.

i. Juvenile delinquency proceedings.

(1) Except as provided in paragraph (2) of this subsection, the court may, upon application by the juvenile or his parent or guardian, the prosecutor or any other interested party, including the victim or complainant or members of the news media, permit public attendance during any court proceeding at a delinquency case, where it determines that a substantial likelihood that specific harm to the juvenile would not result. The court shall have the authority to limit and control attendance in any manner and to the extent it deems appropriate;

(2) The court or, in cases where the county prosecutor has entered an appearance, the county prosecutor shall notify the victim or a member of the victim's immediate family of any court proceeding involving the juvenile and the court shall permit the attendance of the victim or family member at the proceeding except when, prior to completing testimony as a witness, the victim or family member is properly sequestered in accordance with the law or the Rules Governing the Courts of the State of New Jersey or when the juvenile or the juvenile's family member shows, by clear and convincing evidence, that such attendance would result in a substantial likelihood that specific harm to the juvenile would result from the attendance of the victim or a family member at a proceeding or any portion of a proceeding and that such harm substantially outweighs the interest of the victim or family member to attend that portion of the proceeding;

(3) The court shall permit a victim, or a family member of a victim to make a statement prior to ordering a disposition in any delinquency proceeding involving an offense that would constitute a crime if committed by an adult.

j. The Department of Education, in consultation with the Attorney General, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations concerning the
creation, maintenance and disclosure of pupil records including information acquired pursuant to this section.

2. Section 4 of P.L.1985, c.249 (C.52:4B-37) is amended to read as follows:

C.52:4B-37 "Victim" defined.

4. As used in this act, "victim" means a person who suffers personal, physical or psychological injury or death or incurs loss of or injury to personal or real property as a result of a crime committed by an adult or an act of delinquency that would constitute a crime if committed by an adult, committed against that person. "Victim" also includes the nearest relative of the victim of a criminal homicide.

3. This act shall take effect immediately.

Approved January 8, 2002.

CHAPTER 408

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1982, c.77 (C.2A:4A-21) is amended to read as follows:

2. Purposes. This act shall be construed so as to effectuate the following purposes:
   a. To preserve the unity of the family whenever possible and to provide for the care, protection, and wholesome mental and physical development of juveniles coming within the provisions of this act;
   b. Consistent with the protection of the public interest, to remove from children committing delinquent acts certain statutory consequences of criminal behavior, and to substitute therefor an adequate program of supervision, care and rehabilitation, and a range of sanctions designed to promote accountability and protect the public;
c. To separate juveniles from the family environment only when necessary for their health, safety or welfare or in the interests of public safety;

d. To secure for each child coming under the jurisdiction of the court such care, guidance and control, preferably in his own home, as will conduce to the child's welfare and the best interests of the State; and when such child is removed from his own family, to secure for him custody, care and discipline as nearly as possible equivalent to that which should have been given by his parents;

e. To insure that children under the jurisdiction of the court are wards of the State, subject to the discipline and entitled to the protection of the State, which may intervene to safeguard them from neglect or injury and to enforce the legal obligations due to them and from them; and

f. Consistent with the protection of the public interest, to insure that any services and sanctions for juveniles provide balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable children to become responsible and productive members of the community.

2. Section 23 of P.L.1982, c.77 (C.2A:4A-42) is amended to read as follows:

C.2A:4A-42 Predispositional evaluation.

23. Predispositional evaluation. a. Before making a disposition, the court may refer the juvenile to an appropriate individual, agency or institution for examination and evaluation.

b. In arriving at a disposition, the court may also consult with such individuals and agencies as may be appropriate to the juvenile's situation, including the county probation division, the Division of Youth and Family Services, the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170), the county youth services commission, school personnel, clergy, law enforcement authorities, family members and other interested and knowledgeable parties. In so doing, the court may convene a predispositional conference to discuss and recommend disposition.

c. The predisposition report ordered pursuant to the Rules of Court may include a statement by the victim of the offense for which the juvenile has been adjudicated delinquent or by the nearest relative of a homicide victim. The statement may include the nature and extent of any physical harm or psychological or emotional harm or trauma suffered by the victim, the extent of any loss to include loss of earnings or ability to work suffered by the victim and the effect of the crime upon the victim's family. The
probation division shall notify the victim or nearest relative of a homicide victim of his right to make a statement for inclusion in the predisposition report if the victim or relative so desires. Any statement shall be made within 20 days of notification by the probation division. The report shall further include information on the financial resources of the juvenile. This information shall be made available on request to the Victims of Crime Compensation Board established pursuant to section 3 of P.L.1971, c.317 (C.52:4B-3) or to any officer authorized under section 3 of P.L.1979, c.396 (C.2C:46-4) to collect payment of an assessment, restitution or fine. Any predisposition report prepared pursuant to this section shall include an analysis of the circumstances attending the commission of the act, the impact of the offense on the community, the offender's history of delinquency or criminality, family situation, financial resources, the financial resources of the juvenile's parent or guardian, and information concerning the parent or guardian's exercise of supervision and control relevant to commission of the act.

Information concerning financial resources included in the report shall be made available to any officer authorized to collect payment on any assessment, restitution or fine.

3. Section 24 of P.L.1982, c.77 (C.2A:4A-43) is amended to read as follows:

C.2A:4A-43 Disposition of delinquency cases.

24. Disposition of delinquency cases. a. In determining the appropriate disposition for a juvenile adjudicated delinquent the court shall weigh the following factors:

(1) The nature and circumstances of the offense;
(2) The degree of injury to persons or damage to property caused by the juvenile's offense;
(3) The juvenile's age, previous record, prior social service received and out-of-home placement history;
(4) Whether the disposition supports family strength, responsibility and unity and the well-being and physical safety of the juvenile;
(5) Whether the disposition provides for reasonable participation by the child's parent, guardian, or custodian, provided, however, that the failure of a parent or parents to cooperate in the disposition shall not be weighed against the juvenile in arriving at an appropriate disposition;
(6) Whether the disposition recognizes and treats the unique physical, psychological and social characteristics and needs of the child;
(7) Whether the disposition contributes to the developmental needs of the child, including the academic and social needs of the child where the child has mental retardation or learning disabilities;
(8) Any other circumstances related to the offense and the juvenile's social history as deemed appropriate by the court;

(9) The impact of the offense on the victim or victims;

(10) The impact of the offense on the community; and

(11) The threat to the safety of the public or any individual posed by the child.

b. If a juvenile is adjudged delinquent, and except to the extent that an additional specific disposition is required pursuant to subsection e. or f. of this section, the court may order incarceration pursuant to section 25 of P.L.1982, c.77 (C.2A:4A-44) or any one or more of the following dispositions:

(1) Adjourn formal entry of disposition of the case for a period not to exceed 12 months for the purpose of determining whether the juvenile makes a satisfactory adjustment, and if during the period of continuance the juvenile makes such an adjustment, dismiss the complaint; provided that if the court adjourns formal entry of disposition of delinquency for a violation of an offense defined in chapter 35 or 36 of Title 2C of the New Jersey Statutes the court shall assess the mandatory penalty set forth in N.J.S.2C:35-15 but may waive imposition of the penalty set forth in N.J.S.2C:35-16 for juveniles adjudicated delinquent;

(2) Release the juvenile to the supervision of the juvenile's parent or guardian;

(3) Place the juvenile on probation to the chief probation officer of the county or to any other suitable person who agrees to accept the duty of probation supervision for a period not to exceed three years upon such written conditions as the court deems will aid rehabilitation of the juvenile;

(4) Transfer custody of the juvenile to any relative or other person determined by the court to be qualified to care for the juvenile;

(5) Place the juvenile under the care of the Department of Human Services under the responsibility of the Division of Youth and Family Services pursuant to P.L.1951, c.138 (C.30:4C-1 et seq.) for the purpose of providing services in or out of the home. Within 14 days, unless for good cause shown, but not later than 30 days, the Department of Human Services shall submit to the court a service plan, which shall be presumed valid, detailing the specifics of any disposition order. The plan shall be developed within the limits of fiscal and other resources available to the department. If the court determines that the service plan is inappropriate, given existing resources, the department may request a hearing on that determination;

(6) Place the juvenile under the care and custody of the Commissioner of the Department of Human Services for the purpose of receiving the services of the Division of Developmental Disabilities of that department,
provided that the juvenile has been determined to be eligible for those services under P.L.1965, c.59, s.16 (C.30:4-25.4);

(7) Commit the juvenile, pursuant to applicable laws and the Rules of Court governing civil commitment, to the Department of Human Services under the responsibility of the Division of Mental Health Services for the purpose of placement in a suitable public or private hospital or other residential facility for the treatment of persons who are mentally ill, on the ground that the juvenile is in need of involuntary commitment;

(8) Fine the juvenile an amount not to exceed the maximum provided by law for such a crime or offense if committed by an adult and which is consistent with the juvenile's income or ability to pay and financial responsibility to the juvenile's family, provided that the fine is specially adapted to the rehabilitation of the juvenile or to the deterrence of the type of crime or offense. If the fine is not paid due to financial limitations, the fine may be satisfied by requiring the juvenile to submit to any other appropriate disposition provided for in this section;

(9) Order the juvenile to make restitution to a person or entity who has suffered loss resulting from personal injuries or damage to property as a result of the offense for which the juvenile has been adjudicated delinquent. The court may determine the reasonable amount, terms and conditions of restitution. If the juvenile participated in the offense with other persons, the participants shall be jointly and severally responsible for the payment of restitution. The court shall not require a juvenile to make full or partial restitution if the juvenile reasonably satisfies the court that the juvenile does not have the means to make restitution and could not reasonably acquire the means to pay restitution;

(10) Order that the juvenile perform community services under the supervision of a probation division or other agency or individual deemed appropriate by the court. Such services shall be compulsory and reasonable in terms of nature and duration. Such services may be performed without compensation, provided that any money earned by the juvenile from the performance of community services may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(11) Order that the juvenile participate in work programs which are designed to provide job skills and specific employment training to enhance the employability of job participants. Such programs may be without compensation, provided that any money earned by the juvenile from participation in a work program may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(12) Order that the juvenile participate in programs emphasizing self-reliance, such as intensive outdoor programs teaching survival skills, including but not limited to camping, hiking and other appropriate activities;
(13) Order that the juvenile participate in a program of academic or vocational education or counseling, such as a youth service bureau, requiring attendance at sessions designed to afford access to opportunities for normal growth and development. This may require attendance after school, evenings and weekends;

(14) Place the juvenile in a suitable residential or nonresidential program for the treatment of alcohol or narcotic abuse, provided that the juvenile has been determined to be in need of such services;

(15) Order the parent or guardian of the juvenile to participate in appropriate programs or services when the court has found either that such person's omission or conduct was a significant contributing factor towards the commission of the delinquent act, or, under its authority to enforce litigant's rights, that such person's omission or conduct has been a significant contributing factor towards the ineffective implementation of a court order previously entered in relation to the juvenile;

(16) (a) Place the juvenile in a nonresidential program operated by a public or private agency, providing intensive services to juveniles for specified hours, which may include education, counseling to the juvenile and the juvenile's family if appropriate, vocational training, employment counseling, work or other services;

(b) Place the juvenile under the custody of the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170) for placement with any private group home or private residential facility with which the commission has entered into a purchase of service contract;

(17) Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver's license, registration certificate, or both of any juvenile who used a motor vehicle in the course of committing an act for which the juvenile was adjudicated delinquent. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the delinquent act and the potential effect of the loss of driving privileges on the juvenile's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial commitment;

(18) Order that the juvenile satisfy any other conditions reasonably related to the rehabilitation of the juvenile;

(19) Order a parent or guardian who has failed or neglected to exercise reasonable supervision or control of a juvenile who has been adjudicated delinquent to make restitution to any person or entity who has suffered a loss as a result of that offense. The court may determine the reasonable amount, terms and conditions of restitution; or
(20) Place the juvenile, if eligible, in an appropriate juvenile offender program established pursuant to P.L.1997, c.81 (C.30:8-61 et al.).

   c. (1) Except as otherwise provided in subsections e. and f. of this section, if the county in which the juvenile has been adjudicated delinquent has a juvenile detention facility meeting the physical and program standards established pursuant to this subsection by the Juvenile Justice Commission, the court may, in addition to any of the dispositions not involving placement out of the home enumerated in this section, incarcerate the juvenile in the youth detention facility in that county for a term not to exceed 60 consecutive days. Counties which do not operate their own juvenile detention facilities may contract for the use of approved commitment programs with counties with which they have established agreements for the use of pre-disposition juvenile detention facilities. The Juvenile Justice Commission shall promulgate such rules and regulations from time to time as deemed necessary to establish minimum physical facility and program standards for the use of juvenile detention facilities pursuant to this subsection.

   (2) No juvenile may be incarcerated in any county detention facility unless the county has entered into an agreement with the Juvenile Justice Commission concerning the use of the facility for sentenced juveniles. Upon agreement with the county, the Juvenile Justice Commission shall certify detention facilities which may receive juveniles sentenced pursuant to this subsection and shall specify the capacity of the facility that may be made available to receive such juveniles; provided, however, that in no event shall the number of juveniles incarcerated pursuant to this subsection exceed 50% of the maximum capacity of the facility.

   (3) The court may fix a term of incarceration under this subsection where:

      (a) The act for which the juvenile was adjudicated delinquent, if committed by an adult, would have constituted a crime or repetitive disorderly persons offense;

      (b) Incarceration of the juvenile is consistent with the goals of public safety, accountability and rehabilitation and the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors as set forth in section 25 of P.L.1982, c.77 (C.2A:4A-44); and

      (c) The detention facility has been certified for admission of adjudicated juveniles pursuant to paragraph (2).

   (4) If as a result of incarceration of adjudicated juveniles pursuant to this subsection, a county is required to transport a predisposition juvenile to a juvenile detention facility in another county, the costs of such transportation shall be borne by the Juvenile Justice Commission.
d. Whenever the court imposes a disposition upon an adjudicated delinquent which requires the juvenile to perform a community service, restitution, or to participate in any other program provided for in this section other than subsection c., the duration of the juvenile's mandatory participation in such alternative programs shall extend for a period consistent with the program goal for the juvenile and shall in no event exceed one year beyond the maximum duration permissible for the delinquent if the juvenile had been committed to a term of incarceration.

e. In addition to any disposition the court may impose pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44), the following orders shall be included in dispositions of the adjudications set forth below:

(1) An order of incarceration for a term of the duration authorized pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) or an order to perform community service pursuant to paragraph (10) of subsection b. of this section for a period of at least 60 days, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of theft of a motor vehicle, or the crime of unlawful taking of a motor vehicle in violation of subsection c. of N.J.S.2C:20-10, or the third degree crime of eluding in violation of subsection b. of N.J.S.2C:29-2;

(2) An order of incarceration for a term of the duration authorized pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) which shall include a minimum term of 60 days during which the juvenile shall be ineligible for parole, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of aggravated assault in violation of paragraph (6) of subsection b. of N.J.S.2C:12-1, the second degree crime of eluding in violation of subsection b. of N.J.S.2C:29-2, or theft of a motor vehicle, in a case in which the juvenile has previously been adjudicated delinquent for an act, which if committed by an adult, would constitute unlawful taking of a motor vehicle or theft of a motor vehicle;

(3) An order to perform community service pursuant to paragraph (10) of subsection b. of this section for a period of at least 30 days, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the fourth degree crime of unlawful taking of a motor vehicle in violation of subsection b. of N.J.S.2C:20-10;

(4) An order of incarceration for a term of the duration authorized pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) which shall include a minimum term of 30 days during which the juvenile shall be ineligible for parole, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of unlawful taking of a motor vehicle in violation of N.J.S.2C:20-10 or the third degree
crime of eluding in violation of subsection b. of N.J.S.2C:29-2, and if the juvenile has previously been adjudicated delinquent for an act which, if committed by an adult, would constitute either theft of a motor vehicle, the unlawful taking of a motor vehicle or eluding.

f. (1) The minimum terms of incarceration required pursuant to subsection e. of this section shall be imposed regardless of the weight or balance of factors set forth in this section or in section 25 of P.L.1982, c.77 (C.2A:4A-44), but the weight and balance of those factors shall determine the length of the term of incarceration appropriate, if any, beyond any mandatory minimum term required pursuant to subsection e. of this section.

(2) When a court in a county that does not have a juvenile detention facility or a contractual relationship permitting incarceration pursuant to subsection c. of this section is required to impose a term of incarceration pursuant to subsection e. of this section, the court may, subject to limitations on commitment to State correctional facilities of juveniles who are under the age of 11 or developmentally disabled, set a term of incarceration consistent with subsection c. which shall be served in a State correctional facility. When a juvenile who because of age or developmental disability cannot be committed to a State correctional facility or cannot be incarcerated in a county facility, the court shall order a disposition appropriate as an alternative to any incarceration required pursuant to subsection e.

(3) For purposes of subsection e. of this section, in the event that a "boot camp" program for juvenile offenders should be developed and is available, a term of commitment to such a program shall be considered a term of incarceration.

g. Whenever the court imposes a disposition upon an adjudicated delinquent which requires the juvenile to perform a community service, restitution, or to participate in any other program provided for in this section, the order shall include provisions which provide balanced attention to the protection of the community, accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the child to become a responsible and productive member of the community.

4. Section 25 of P.L.1982, c.77 (C.2A:4A-44) is amended to read as follows:

C.2A:4A-44 Incarceration -- aggravating and mitigating factors.

25. Incarceration--Aggravating and mitigating factors.

a. (1) Except as provided in subsections e. and f. of section 24 of P.L.1982, c.77 (C.2A:4A-43), in determining whether incarceration is an appropriate disposition, the court shall consider the following aggravating circumstances:
(a) The fact that the nature and circumstances of the act, and the role of the juvenile therein, was committed in an especially heinous, cruel, or depraved manner;
(b) The fact that there was grave and serious harm inflicted on the victim and that based upon the juvenile's age or mental capacity the juvenile knew or reasonably should have known that the victim was particularly vulnerable or incapable of resistance due to advanced age, disability, ill-health, or extreme youth, or was for any other reason substantially incapable;
(c) The character and attitude of the juvenile indicate that the juvenile is likely to commit another delinquent or criminal act;
(d) The juvenile's prior record and the seriousness of any acts for which the juvenile has been adjudicated delinquent;
(e) The fact that the juvenile committed the act pursuant to an agreement that the juvenile either pay or be paid for the commission of the act and that the pecuniary incentive was beyond that inherent in the act itself;
(f) The fact that the juvenile committed the act against a policeman or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority, or the juvenile committed the act because of the status of the victim as a public servant;
(g) The need for deterring the juvenile and others from violating the law;
(h) The fact that the juvenile knowingly conspired with others as an organizer, supervisor, or manager to commit continuing criminal activity in concert with two or more persons and the circumstances of the crime show that he has knowingly devoted himself to criminal activity as part of an ongoing business activity;
(i) The fact that the juvenile on two separate occasions was adjudged a delinquent on the basis of acts which if committed by an adult would constitute crimes;
(j) The impact of the offense on the victim or victims;
(k) The impact of the offense on the community; and
(l) The threat to the safety of the public or any individual posed by the child.

(2) In determining whether incarceration is an appropriate disposition the court shall consider the following mitigating circumstances:
(a) The child is under the age of 14;
(b) The juvenile's conduct neither caused nor threatened serious harm;
(c) The juvenile did not contemplate that the juvenile's conduct would cause or threaten serious harm;
(d) The juvenile acted under a strong provocation;
(e) There were substantial grounds tending to excuse or justify the juvenile's conduct, though failing to establish a defense;
(f) The victim of the juvenile's conduct induced or facilitated its commission;
(g) The juvenile has compensated or will compensate the victim for the damage or injury that the victim has sustained, or will participate in a program of community service;
(h) The juvenile has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present act;
(i) The juvenile's conduct was the result of circumstances unlikely to recur;
(j) The character and attitude of the juvenile indicate that the juvenile is unlikely to commit another delinquent or criminal act;
(k) The juvenile is particularly likely to respond affirmatively to noncustodial treatment;
(l) The separation of the juvenile from the juvenile's family by incarceration of the juvenile would entail excessive hardship to the juvenile or the juvenile's family;
(m) The willingness of the juvenile to cooperate with law enforcement authorities;
(n) The conduct of the juvenile was substantially influenced by another person more mature than the juvenile.

b. (1) There shall be a presumption of nonincarceration for any crime or offense of the fourth degree or less committed by a juvenile who has not previously been adjudicated delinquent or convicted of a crime or offense.
(2) Where incarceration is imposed, the court shall consider the juvenile's eligibility for release under the law governing parole.

c. The following juveniles shall not be committed to a State juvenile facility:
(1) Juveniles age 11 or under unless adjudicated delinquent for the crime of arson or a crime which, if committed by an adult, would be a crime of the first or second degree; and
(2) Juveniles who are developmentally disabled as defined in paragraph (1) of subsection a. of section 3 of P.L.1977, c.82 (C.30:6D-3).
which shall provide for the juvenile's placement in a suitable juvenile facility pursuant to the conditions set forth in this subsection and for terms not to exceed the maximum terms as provided herein for what would constitute the following crimes if committed by an adult:

(a) Murder under 2C:11-3a(1) or (2) ............ 20 years
(b) Murder under 2C:11-3a(3) ............... 10 years
(c) Crime of the first degree, except murder .... 4 years
(d) Crime of the second degree ............... 3 years
(e) Crime of the third degree ................. 2 years
(f) Crime of the fourth degree ............... 1 year
(g) Disorderly persons offense ........... 6 months

(2) Except as provided in subsection e. of section 24 of P.L.1982, c.77 (C.2A:4A-43), the period of confinement shall continue until the appropriate paroling authority determines that such a person should be paroled, except that in no case shall the period of confinement and parole exceed the maximum provided by law for such offense. However, if a juvenile is approved for parole prior to serving one-third of any term imposed for any crime of the first, second or third degree, including any extended term imposed pursuant to paragraph (3) or (4) of this subsection, or one-fourth of any term imposed for any other crime the granting of parole shall be subject to approval of the sentencing court. Prior to approving parole, the court shall give the prosecuting attorney notice and an opportunity to be heard. If the court denies the parole of a juvenile pursuant to this paragraph it shall state its reasons in writing and notify the parole board, the juvenile and the juvenile's attorney. The court shall have 30 days from the date of notice of the pending parole to exercise the power granted under this paragraph. If the court does not respond within that time period, the parole will be deemed approved.

Any juvenile committed under this act who is released on parole prior to the expiration of the juvenile's maximum term may be retained under parole supervision for a period not exceeding the unserved portion of the term and any term of post-incarceration supervision imposed pursuant to paragraph (5) of this subsection. The Parole Board, the juvenile, the juvenile's attorney, the juvenile's parent or guardian or, with leave of the court any other interested party, may make a motion to the court, with notice to the prosecuting attorney, for the return of the child from a juvenile facility prior to his parole and provide for an alternative disposition which would not exceed the duration of the original time to be served in the facility. Nothing contained in this paragraph shall be construed to limit the authority of the Parole Board as set forth in section 15 of P.L.1979, c.441 (C.30:4-123.59).
(3) Upon application by the prosecutor, the court may sentence a juvenile who has been convicted of a crime of the first, second, or third degree if committed by an adult, to an extended term of incarceration beyond the maximum set forth in paragraph (1) of this subsection, if it finds that the juvenile was adjudged delinquent on at least two separate occasions, for offenses which, if committed by an adult, would constitute a crime of the first or second degree, and was previously committed to an adult or juvenile facility. The extended term shall not exceed five additional years for an act which would constitute murder and shall not exceed two additional years for all other crimes of the first degree or second degree, if committed by an adult, and one additional year for a crime of the third degree, if committed by an adult.

(4) Upon application by the prosecutor, when a juvenile is before the court at one time for disposition of three or more unrelated offenses which, if committed by an adult, would constitute crimes of the first, second or third degree and which are not part of the same transaction, the court may sentence the juvenile to an extended term of incarceration not to exceed the maximum of the permissible term for the most serious offense for which the juvenile has been adjudicated plus two additional years.

(5) Every disposition that includes a term of incarceration shall include a term of post-incarceration supervision equivalent to one-third of the term of incarceration imposed. During the term of post-incarceration supervision the juvenile shall remain in the community and in the legal custody of the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170) in accordance with the rules of the parole board, unless the appropriate parole board panel determines that post-incarceration supervision should be revoked and the juvenile returned to custody in accordance with the procedures and standards set forth in sections 15 through 21 of P.L.1979, c.441 (C.30:4-123.59 through C.30:4-123.65). The term of post-incarceration supervision shall commence upon release from incarceration or parole, whichever is later. A term of post-incarceration supervision imposed pursuant to this paragraph may be terminated by the appropriate parole board panel if the juvenile has made a satisfactory adjustment in the community while on parole or under such supervision, if continued supervision is not required and if the juvenile has made full payment of any fine or restitution.

5. Section 5 of P.L.1982, c.81 (C.2A:4A-74) is amended to read as follows:

C.2A:4A-74 Court intake service conference.

5. Court intake service conference. a. Where the juvenile is diverted to a court intake service conference, notices of the conference shall be sent
to the juvenile and his parents or guardian and to the complainant or victim. The parties may be requested to bring to the conference all pertinent documents in their possession, including medical, social, and school records.

b. In determining the appropriate resolution of a complaint, the following factors shall be considered by court intake services:

1. The seriousness of the alleged offense or conduct and the circumstances in which it occurred;
2. The age and maturity of the juvenile;
3. The risk that the juvenile presents as a substantial danger to others;
4. The family circumstances, including any history of drugs, alcohol abuse or child abuse on the part of the juvenile, his parents or guardian;
5. The nature and number of contacts with court intake services and the court that the juvenile and his family have had;
6. The outcome of those contacts, including the services to which the juvenile or family have been referred and the results of those referrals;
7. The availability of appropriate services;
8. Any recommendations expressed by the victim or complainant, or arresting officer, as to how the case should be disposed;
9. Whether diversion can be accomplished in a manner that holds the juvenile accountable for the conduct;
10. The impact of the offense on the victim or victims; and
11. The impact of the offense on the community.

c. Each juvenile shall be reviewed without a presumption of guilt. The intake conference shall be concerned primarily with providing balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the juvenile offender to become a responsible and productive member of the community. In addition, the conference shall be concerned with preventing more serious future misconduct by the juvenile offender by obtaining the cooperation of the juvenile and his parents or guardian in complying with its recommendations. The court may schedule a hearing where the complainant or victim objects to the recommendations from the conference.

d. The resolution from the conference may include but shall not be limited to counseling, restitution, referral to appropriate community agencies, or any other community work programs or other conditions consistent with diversion that aids in providing balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the juvenile
offender to become a responsible and productive member of the community, provided that:

(1) Obligations imposed as a result of the intake conference shall be an order of the court approved by the presiding judge and shall be set forth in writing and may not exceed six months. The juvenile and his or her parents or guardian shall receive copies, as shall any agencies providing services under the agreement;

(2) The court intake service worker shall inform the juvenile and the juvenile's parents or guardian in writing of their right to object at any time prior to their written agreement to the facts or terms of the intake conference decision, and if objections arise, the intake service worker may alter the terms of the proposed agreement or refer the matter to the presiding judge who shall determine if the complaint will be heard in court or returned to intake conference for further action;

(3) Written agreement pursuant to intake conferences may be terminated at any time upon the request of the juvenile and the matter referred to the presiding judge;

(4) The court intake services conference may not order the confinement of a juvenile, place a juvenile on probation, or remove a juvenile from his family as a disposition; and

(5) If, at any time during the diversion period, the court intake service worker determines that the obligations imposed under the written agreement are not being met, the intake worker shall notify the presiding judge in writing. In the case of failure to comply with the obligations imposed under the agreement by the parents or guardian, the court may proceed against such persons for enforcement of the agreement. In the case of failure to comply by the juvenile, the matter shall be referred to the court for action.

e. At the end of the diversion period a second court intake services conference may be held with all parties to the written agreement present to ascertain if the terms of the agreement have been fulfilled. If all conditions have been met, the intake worker shall so inform the presiding judge in writing who shall order the complaint dismissed. A copy of the order dismissing the complaint shall be sent to the juvenile. If the conditions of the written agreement have not been met, the intake worker may refer the matter to the presiding judge who shall determine if the complaint will be heard in court or returned to court intake services for further action. Based on the evaluations required under this paragraph, the intake conference agreement may be extended beyond the six-month maximum if all parties agree. In no case shall an intake conference agreement exceed nine months.

f. All proceedings before the conference are confidential and they shall receive only those records which in the court's judgment are necessary to aid in making a recommendation.
6. Section 6 of P.L.1982, c.81 (C.2A:4A-75) is amended to read as follows:

C.2A:4A-75 Juvenile conference committees.
   6. a. The court may appoint one or more juvenile conference committees for each county or municipality to hear and decide matters referred to it by the court.
   b. The method of appointment and terms of membership to the committees shall be made pursuant to guidelines developed by the Supreme Court.
   c. Where the juvenile is diverted to a juvenile conference committee, notices of the conference shall be sent to the juvenile and his parents or guardian and to the complainant or victim. The parties may be requested to bring to the conference all pertinent documents in their possession, including medical, social, and school records.
   d. The committee shall serve under the authority of the court in hearing and deciding such matters involving alleged juvenile offenders as are specifically referred to it by the court. Each juvenile shall be reviewed without a presumption of guilt. The committee shall be concerned primarily with providing balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the juvenile offender to become a responsible and productive member of the community. In addition, the committee shall be concerned with preventing more serious future misconduct by the juvenile offender by obtaining the cooperation of the juvenile and his parents or guardian in complying with its recommendations. The court may schedule a hearing where the complainant or victim objects to the recommendations from the conference.
   e. The committee shall provide for the resolution of the matter and shall supervise and follow up compliance with its recommendations in the same manner and under the same limitations and with the same sanctions as the court intake service conference.
   f. All proceedings before the juvenile conference committee are confidential and include only those records which in the court's judgment are necessary to aid in making a recommendation.

7. Section 1 of P.L.1995, c.284 (C.52:17B-169) is amended to read as follows:

C.52:17B-169 Findings, declarations relative to juvenile justice.
   1. The Legislature finds and declares:
a. The public safety requires reform of the juvenile justice system;
b. Juvenile arrests for murder, robbery, aggravated sexual assault, sexual assault and aggravated assault have increased 38 percent between 1988 and 1993 and New Jersey ranks near the top nationally in the number of juvenile arrests for serious violent crimes;
c. Juvenile crime has become a leading cause of injury and death among young people;
d. Currently, preventive, deterrent and rehabilitative services and sanctions for juveniles are the responsibility of no less than three State departments: The Department of Law and Public Safety deals with county prosecutors and local police and implements prevention programs; the Department of Corrections operates the New Jersey Training School for Boys and the Juvenile Medium Security Facility, and its Bureau of Parole supervises juvenile parolees; and the Department of Human Services operates residential and day programs in facilities for juveniles adjudicated delinquent;
e. The division of responsibility for the juvenile justice population and the limitations on resources available to meet ever-increasing demands for services provided by the Departments of Human Services and Corrections have prevented the departments from maximizing efforts to meet the special needs of the juvenile justice population;
f. The juvenile justice system lacks services and sanctions short of incarceration, particularly in urban areas and for that reason, many juveniles are not held accountable until they have committed a series of increasingly serious criminal acts;
g. The special needs of juveniles can be addressed through services and sanctions provided at the county and local level;
h. The need to protect the public from criminal acts by juvenile offenders requires a comprehensive program and concerted action of governmental agencies and private organizations at the State, county and local level that permit effective response and avoid waste of scarce resources;
i. (1) The comprehensive program should provide a range of services and sanctions for juveniles sufficient to protect the public through prevention; early intervention; and a range of meaningful sanctions that ensure accountability, provide training, education, treatment and, when necessary, confinement followed by community supervision that is adequate to protect the public and promote successful reintegration into the community;
(2) Consistent with the need to protect the public, services and sanctions for juveniles shall provide balanced attention to the protection of the community, the imposition of accountability for offenses committed, fostering interaction and dialogue between the offender, victim and
community and the development of competencies to enable juvenile offenders to become responsible and productive members of the community.

j. The most efficient and effective use of available resources requires fixing responsibility for the comprehensive program in a single State agency and providing incentives to encourage the development and provision of appropriate services and sanctions at the county and local level; and

k. It is, therefore, necessary to establish a Juvenile Justice Commission responsible for operating State services and sanctions for juveniles involved in the juvenile justice system and responsible for developing a Statewide plan for effective provision of juvenile justice services and sanctions at the State, county and local level; to establish a State/Community Partnership Grant Program through which the State will provide incentives to county and local governments to encourage the provision of services and sanctions for juveniles adjudicated or charged as delinquent and programs for the prevention of juvenile delinquency, and to establish county youth services commissions responsible for planning and implementing the Partnership at the local level.

8. Section 5 of P.L. 1995, c.284 (C.52:17B-173) is amended to read as follows:

C.52:17B-173 Functions, powers, duties, authority of advisory council.

5. The advisory council shall have the following functions, powers, duties and authority:

a. To meet at least quarterly and at such other times as designated by the executive director or the chair of the advisory council;

b. To establish any committees to carry out its responsibilities;

c. To advise the executive director regarding the implementation of the recommendations included in the final report submitted pursuant to Executive Order 10 of 1994; the master plan submitted pursuant to section 2 of P.L. 1995, c.284 (C.52:17B-170); the integration, coordination and collaboration of programs, services and sanctions for juveniles; and the actions to be taken to increase public awareness of the juvenile justice system and its needs; and

d. To ensure the programs, services and sanctions for juvenile offenders are striving to provide balanced attention to the protection of the community, imposing accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and developing competencies in the juveniles to enable them to become responsible and productive members of the community.
9. This act shall take effect on the first day of the seventh month after the date of enactment, but the Director of the Administrative Office of the Courts and the Juvenile Justice Commission shall take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.

Approved January 8, 2002.

DELAWARE-NEW JERSEY COMPACT

WHEREAS, The states of Delaware and New Jersey are separated by the Delaware River and Bay which create a natural obstacle to the uninterrupted passage of traffic other than by water and with normal commercial activity between the two states thereby hindering the economic growth and development of those areas in both states which border the river and bay; and

WHEREAS, The pressures of existing trends from increasing traffic, growing population and greater industrialization indicate the need for closer cooperation between the two states in order to advance the economic development and to improve crossings, transportation, terminal and other facilities of the area; and

WHEREAS, The financing, construction, operation and maintenance of such crossings, transportation, terminal and other facilities of commerce and the overall planning for future economic development of the area may be best accomplished for the benefit of the two states and their citizens, the region and nation, by the cordial cooperation of Delaware and New Jersey by and through a joint or common agency or authority; and

WHEREAS, The Delaware-New Jersey Compact, enacted pursuant to 53 Laws of Delaware, Chapter 145 (17 Del. The authority shall not undertake any major project or part thereof without first giving public notice and holding a public hearing, if requested, on any proposed major project, in accordance with the law of the state in which the major project is to be located. Each state shall provide by law for the time and manner for the giving of such public notice, the requesting of a public hearing and the holding of such public hearings.

states, and shall each hold office for two years. The chairmanship and

manner in each state as may be provided by the law thereof. In the
establishment of rules, regulations and orders respecting the use of any
crossing, transportation or terminal facility or commerce facility or
development owned or operated by the authority, including approach roads,
it shall consult with appropriate officials of both states in order to insure, as
far as possible, uniformity of such rules, regulations and orders with the law
of both states.

e. To appoint, or employ, such other officers, agents, attorneys,
engineers and employees as it may require for the performance of its duties
and to fix and determine their qualifications, duties, compensation,
pensions, terms of office and all other conditions and terms of employment
and retention.
f. To enter into contracts and agreements with either state or with the
United States, or with any public body, department, or other agency of either
state or of the United States or with any individual, firm or corporation,

agency or other public or private body, or from any other source, grants or
contributions of money or property as well as loans, advances, guarantees, or other forms of financial assistance which it may use for or in aid of any of its purposes.

h. To acquire (by gift, purchase or condemnation), own, hire, lease, use, operate and dispose of property, whether real, personal or mixed, or of any interest therein, including any rights, franchise and property for any crossing, facility or other project owned by another, and which the authority is authorized to own and operate.

i. To designate as express highways, and control public and private access thereto, all or any approaches to any crossing or other facility of the authority for the purpose of connecting the same with any highway or other route in either state.

j. To borrow money and to evidence such loans by bonds, notes or other obligations, either secured or unsecured, and either in registered or unregistered form, and to fund or refund such evidences of indebtedness, which may be executed with facsimile signatures of such persons as may be designated by the authority and by a facsimile of its corporate seal.

For the purpose of effectuating the authorized purposes of the authority, additional powers may be granted to the authority by legislation of either state without the concurrence of the other, and may be exercised within such state, or may be granted to the authority by Congress and exercised by it; but no additional duties or obligations shall be undertaken by the authority under the law of either state or of Congress without authorization by the law of both states.

ARTICLE IX
EMINENT DOMAIN

If the authority shall find and determine that any property or interest therein is required for a public use in furtherance of the purposes of the authority, said determination shall not be affected by the fact that such property has theretofore been taken over or is then devoted to a public use, but the public use in the hands or under the control of the authority, shall be deemed superior to the public use for which it has theretofore been taken or to which it is then devoted. The authority shall not exercise the power of eminent domain granted herein to acquire any property, other than a crossing, devoted to a public use, of either state, or of any municipality, local government, agency, public authority or commission, or of two or more of them, for any purpose other than a crossing, without having first secured the authorization of the holder of the title to the land in question and such other approvals as may be required by legislation of the state in which the project is to be located. The authority shall not exercise the power of eminent domain in connection with any commerce facility or development.

In any condemnation proceeding in connection with the acquisition by the authority of property or property rights of any character in either state and the right of inspection and immediate entry thereon, through the exercise by it of its power of eminent domain, any existing or future law or rule of court of the state in which such property is located with respect to the condemnation of property for the construction, reconstruction and maintenance of highways therein, shall control. The authority shall have the same power and authority with respect thereto as the state agency named in any such law; provided that nothing herein contained shall be construed as requiring joint or concurrent action by the two states with respect to the enactment, repeal or amendment of any law or rule of court on the subject of condemnation under which the authority may proceed by virtue of this article.
If the established grade of any street, avenue, highway or other route shall be changed by reason of the construction by the authority of any work so as to cause loss or injury to any property abutting on such street, avenue, highway or other route, the authority may enter into voluntary agreements with such abutting property owners and pay reasonable compensation for any loss or injury so sustained, whether or not it be compensable as damages under the condemnation law of the state.

The power of the authority to acquire property by condemnation shall be a continuing power, and no exercise thereof shall be deemed to exhaust it.

ARTICLE X
REVENUES AND APPLICATION

The authority is hereby authorized to establish, levy and collect such tolls and other charges as it may deem necessary, proper or desirable, in connection with any crossing, transportation or terminal facility, commerce facility or development, or other project which it is or may be authorized at any time to construct, own, operate or control, and the aggregate of said tolls and charges shall be at least sufficient (1) to meet the combined expenses of operation, maintenance and improvement thereof, (2) to pay the cost of acquisition or construction, including the payment, amortization and retirement of bonds or other securities or obligations assumed, issued or incurred by the authority, together with interest thereon and (3) to provide reserves for such purposes; and the authority is hereby authorized and empowered, subject to prior pledges, if any, to pledge such tolls and other revenues or any part thereof as security for the repayment with interest of any moneys borrowed by it or advanced to it for its authorized purposes and as security for the satisfaction of any other obligations assumed by it in connection with such loans or advances. There shall be allocated to the cost of the acquisition, construction, operation, maintenance and improvement of such facilities and projects, such proportion of the general expenses of the authority as it shall deem properly chargeable thereto.

ARTICLE XI
COVENANT WITH BONDHOLDERS

other obligations remain outstanding and unpaid, diminish or impair the
power of the authority to establish, levy and collect tolls and other charges
in connection therewith; and that neither of the two said states will, so long
as any of such bonds or other obligations remain outstanding and unpaid,
authorize any crossing of the Delaware River or Delaware Bay south of the
line mentioned in Article IV (a) of this compact, by any person or body
other than the authority; unless, in either case, adequate provision shall be
made by law for the protection of those advancing money upon such
obligations.

ARTICLE XII
SECURITIES LAWFUL INVESTMENTS

The bonds or other securities or obligations which may be issued by the
authority pursuant to this compact, or any amendments hereof or supple-

of each state, all banks, bankers, trust companies, savings banks, building
and loan associations, savings and loan associations, investment companies
and other persons carrying on a banking business, all insurance companies,
insurance associations and other persons carrying on an insurance business,

authorized to invest in bonds or other obligations of either state, may
properly and legally invest any funds, including capital, belonging to them
or within their control; and said obligations are hereby made securities
which may properly and legally be deposited with and shall be received by
any state or municipal officer or agency of either state for any purpose for
which the deposit of bonds or other obligations of such state is now or may
hereafter be authorized.

and any amendments hereof or supplements hereto are and will be in all
respects for the benefit of the people of the states of Delaware and New

prosperity and for the enhancement of their general welfare. To this end, the
authority shall be regarded as performing essential governmental functions
in exercising such powers and functions and in carrying out the provisions
of this compact and of any law relating thereto, and shall not be required to
pay any taxes or assessments of any character, levied by either state or
political subdivision thereof, upon any of the property used by it for such purposes, or any income or revenue therefrom, including any profit from a sale or exchange. The bonds or other securities or obligations issued by the authority, their transfer and the interest paid thereon or income therefrom, including any profit from a sale or exchange, shall at all times be free from taxation by either state or any subdivision thereof.

   (b) any neighborhood empowerment plan approved by the State pursuant to section 49 of P.L.1996, c.62 (C.55:19-64);
(4) The plan sets forth an overall concept of the future of the neighborhood; one or more strategies to foster preservation and revitalization of the neighborhood in accordance with that concept; one or more activities, including housing and economic development activities and other preservation and revitalization activities proposed within the neighborhood to foster preservation and revitalization of the neighborhood in furtherance of those strategies, including a description of funding sources obtained or to be
sought for the planned activities and a timetable for the conduct of those activities; and
(5) The plan covers a period of no less than two and no more than ten years.

b. A nonprofit organization may, in submitting a proposed plan pursuant to P.L.2001, c.415 (C.52:27D-490 et seq.), adopt a redevelopment plan adopted pursuant to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.), and currently being implemented; or a State-approved neighborhood empowerment plan pursuant to section 49 of P.L.1996, c.62 (C.55:19-64) as its neighborhood preservation and revitalization plan or a neighborhood preservation and revitalization plan previously approved by the department. The department shall approve such a plan.

c. A nonprofit organization that has submitted a neighborhood preservation and revitalization plan to the department may seek to amend it at any time. The department shall approve amendments if they comply with the standards set forth in subsection b. of this section.

C.52:27D-495 Project proposed by nonprofit organization, determination as to qualification.

6. a. The department shall determine in accordance with law and regulation whether a project proposed by a nonprofit organization is qualified for assistance for which a tax credit certificate will be granted pursuant to P.L.2001, c.415 (C.52:27D-490 et seq.).

b. The department shall determine that a project proposed by a nonprofit organization or jointly by two or more nonprofit organizations is qualified for assistance if it meets all the following standards:

(1) The project consists of neighborhood preservation and revitalization activities within an eligible low and moderate income neighborhood. If two or more nonprofits propose a project jointly, all the proposed activities are within the same eligible low and moderate income neighborhood. The department may establish standards for waiver of compliance with this paragraph for activities located outside an eligible neighborhood but which particularly benefit residents of that neighborhood or for activities that benefit more than one eligible neighborhood.

(2) The project is reasonably designed to accomplish its intended purpose and it would further the purposes of a neighborhood preservation and revitalization plan approved in accordance with section 5 of this act.

(3) The nonprofit organization demonstrates that it has the capacity to carry out the activities.

(4) The nonprofit organization provides adequate assurances that the assistance will be expended exclusively for the proposed activities.
(5) "Housing and economic development activities" make up at least 60 percent of the total cost of the neighborhood preservation and revitalization activities in the proposed project. If two or more nonprofit organizations jointly propose a project, the total cost shall include the aggregate cost of all the activities included in the joint proposal.

c. The department shall establish by regulation the standards and procedures for determining which projects shall be determined to be qualified if the total tax credits certified under P.L.2001, c.415 (C.52:27D-490 et seq.) will exceed, or appears likely to exceed, $10,000,000 for the year, so as to remain within that annual limit. Such standards shall establish criteria for rating projects which shall take into account, among other things, the following factors:

(1) The extent to which the project is addressing urban distress, as measured by existing levels of poverty and unemployment within the neighborhood;

(2) The extent to which the project is likely to attract private or public investment to the subject project or other projects in the neighborhood; and

(3) The extent to which the nonprofit organization has demonstrated the capacity to carry out the project.

Such standards shall focus exclusively on the relative merits of the project (including the capacity of the nonprofit to carry out the project) and shall not include any consideration of whether the project has, or does not yet have, a proposed source of assistance by a business entity.

C.52:27D-496 Issuance of certificate.

7. a. The commissioner shall determine, in accordance with law and regulation, whether to issue a certificate based upon proposed assistance by a business entity to a nonprofit organization to implement a qualified project.

b. The commissioner shall issue a certificate if the proposed assistance satisfies the following standards:

(1) The assistance is for a qualified neighborhood preservation and revitalization project;

(2) The assistance is not less than $25,000 in each tax year for which credit is sought. Assistance may be approved for the current tax year and up to four additional years in the future. If assistance is approved for years other than the current tax year, the approval shall include a schedule showing the amount of assistance to be provided in each year;

(3) Neither the business entity nor any wholly owned subsidiary has previously failed to provide assistance to a nonprofit organization for which approval was granted. This requirement may be waived by the department upon a showing of good cause;
(4) The total of all assistance approved on behalf of a nonprofit organization per project does not exceed $500,000; and

(5) The amount of assistance as proposed in a letter of intent from the business entity has been paid to the State Treasurer and deposited in a special trust account for the use of a qualified nonprofit organization in carrying out a qualified project, and the State Treasurer has sent authorization for issuance of a certificate to the commissioner. The qualified nonprofit shall have full access to the funds in the special trust account, subject to the provisions of section 8 of P.L.2001, c.415 (C.52:27D-497).

C.52:27D-497 Monitoring of projects carried out by nonprofit organizations.

8. a. The commissioner shall monitor the carrying out by nonprofit organizations of projects for which assistance has been received and tax credits awarded pursuant to P.L.2001, c.415 (C.52:27D-490 et seq.) to ascertain whether the assistance is being used for the activities for which it was approved. The commissioner may require the submission of reports, the audit of financial records, the conduct of investigations, the posting of bonds or security and the inspection of activities whether carried out on the premises of the nonprofit organization or elsewhere. In furtherance of this function, the commissioner, or his or her designee, may issue subpoenas, hold evidentiary hearings, and administer oaths.

b. If, after notice and hearing, the commissioner determines that assistance is not being used for the activities for which it was approved, the commissioner may impose sanctions, including but not limited to:

(1) Requiring corrective actions by the nonprofit organization;

(2) Requiring that assistance or its cash value be paid back to the department. The department shall account for such funds to the Treasurer and may expend them in any manner that lawfully furthers the purposes of P.L.2001, c.415 (C.52:27D-490 et seq.).

(3) Revoking the department's determination that the project was qualified; or

(4) Barring the nonprofit for a period of time from approval of future projects.

c. No sanction imposed by the commissioner against the nonprofit organization shall affect the validity of the credits for assistance already contributed allowed to a business entity that was not on notice of the wrongful actions of the nonprofit at the time it made the contribution.

d. In the event a project proposed by a nonprofit cannot be completed, the department may take whatever action necessary to ensure that the funds earmarked for the failed project are reallocated to a project which is proceeding.
C.52:27D-498 Establishment for forms, procedures, rules; annual report to Governor, Legislature.

9. a. In order to administer the neighborhood preservation and revitalization tax credit program, the department shall establish any necessary forms, procedures or rules to effectuate this act, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). The department shall seek to foster use of the tax credit and to make the tax credit simple to apply for and simple to use.

b. The department shall act as a clearinghouse. It shall maintain lists of qualified projects and of business entities that have expressed a desire to provide assistance to qualified projects.

c. The department shall give priority in processing to applications that demonstrate a multi-year commitment by the business entity to implementation of the neighborhood preservation and revitalization plan.

d. The department shall submit to the Governor and Legislature an annual report which shall include at least:

   (1) the purpose and effectiveness of the credit;
   (2) the benefits of the credit to the state;
   (3) any recommendations by the department as to changes in legislation needed to better carry out the purposes of P.L.2001, c.415 (C.52:27D-490 et seq.).

e. For each application by, or behalf of, a business entity to approve assistance for a project, the department may charge a fee of up to 0.5 percent of the amount of assistance proposed, or approved, whichever is less, to pay for the administration of this program.

C.52:27D-499 Copy of certificate to taxpayers of the entity.

10. a. If a partnership, an S corporation, or a limited liability company qualifies for the credit, it shall provide a copy of the certificate to the taxpayers of the entity.

b. A taxpayer shall attach a copy of the certificate to any return upon which a credit is claimed under this section.

c. Any credit taken in this section may be subject to audit by the department or the State Treasurer.

11. This act shall take effect on the first day of the next State fiscal year after its enactment.

Approved January 8, 2002.

   (4) Immediately notify the division when a new adult becomes a resident of the foster parent applicant's or foster parent's household in order to ensure that the department can conduct a criminal history record background check pursuant to section 1 of P.L.1985, c.396 (C.30:4C-26.8) and the division can conduct a child abuse record information check on the new adult household member.
e. As a condition of securing a license, the applicant shall participate in pre-service training in accordance with standards adopted by the commissioner pursuant to this act.
f. A foster parent licensed pursuant to this act shall participate in a minimum of 14 hours of in-service training in every 24-month period in accordance with standards adopted by the commissioner pursuant to this act.

C.30:4C-27.7 Child abuse record information check required, conditions.
5. a. The division shall conduct a child abuse record information check of the division's child abuse records to determine if an incident of child abuse or neglect has been substantiated, pursuant to section 4 of P.L.1971, c.437 (C.9:6-8.11), against a foster parent applicant or any adult member of the foster parent applicant's household, upon receipt of written consent from the foster parent applicant or any adult member of the foster parent applicant's household pursuant to subsection d. of section 4 of this act.

The division shall consider, for the purposes of this act, any incidents of child abuse or neglect that were substantiated on or after June 29, 1995, to ensure that a foster parent applicant or adult member of the foster parent applicant's household has had an opportunity to appeal a substantiated finding of child abuse or neglect pursuant to N.J.A.C.10:120A-1.1 et seq., except that the division may consider substantiated incidents prior to that date if the division, in its judgment, determines that the foster parent applicant or adult household member poses a risk of harm in a foster home. In cases involving incidents substantiated prior to June 29, 1995, the division shall offer the foster parent applicant or adult member of the foster
parent applicant's household an opportunity for a hearing to contest its action restricting the foster parent applicant from providing foster care to a child.

b. (1) The division shall conduct an annual on-site inspection of a foster home and evaluate the foster home to determine whether it complies with the provisions of this act.

(2) The division may, without prior notice, inspect and examine a foster home and inspect all documents, records, files or other data required to be maintained by a foster parent pursuant to this act.

c. If an applicant meets the requirements of this act, the division shall issue a license to that person.

d. (1) The license shall be valid for three years, subject to the foster parent's continued compliance with the provisions of this act.

(2) The division shall determine if the license shall be renewed based upon the results of the annual on-site inspection and evaluation of the foster home conducted pursuant to this section. If the on-site inspection and evaluation indicate the foster home's full or substantial compliance with the provisions of this act, the division shall renew the license.

6. a. The department shall ensure that a State and federal criminal history record background check is conducted on a foster parent applicant and any adult member of the foster parent applicant's household pursuant to the provisions of section 1 of P.L.1985, c.396 (C.30:4C-26.8).

b. The Division of State Police in the Department of Law and Public Safety shall promptly notify the division in the event a foster parent or any adult member of the foster parent's household, who was the subject of a criminal history record background check conducted pursuant to this section, is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of such notification, the division shall make a determination whether to suspend or revoke the foster parent's license.

C.30:4C-27.9 Denial, suspension, revocation of license.

a. Failure of a foster parent applicant or foster parent to comply with the provisions of this act;

b. If the on-site inspection and reevaluation indicate the foster home’s full or substantial compliance with the provisions of this act, the division shall issue a license to the foster parent.

b. A foster parent who was not certified by the division on or prior to the effective date of this act shall apply to the division for a license within 90 days of the effective date of this act and may continue to provide foster care to a child until the division conducts an on-site inspection and evaluation of the foster parent’s home to determine whether the home complies with the provisions of this act. CHAPTER 420

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1998, c.108 (C.27:5F-41) is amended to read as follows:

8. a. The Director of the Office of Highway Traffic Safety in the Department of Law and Public Safety, after consultation with the Director of the Division of Motor Vehicles in the Department of Transportation and the Review Board on Driver Education established in section 10 of P.L.1998, c.108 (C.27:5F-43), shall develop curriculum guidelines for use by teachers of approved classroom driver education courses. The course of instruction for approved courses shall be no less than 30 hours in length and be designed to develop and instill the knowledge and attitudes necessary for the safe operation and driving of motor vehicles. Defensive driving, highway courtesy, accident avoidance, understanding and respect for the
State's motor vehicle laws, insurance fraud and State requirements for and benefits of maintaining automobile insurance shall be emphasized. The incorporation of these curriculum guidelines in these classroom courses and the use of related instructional materials shall be a requirement for approval of the course by the Director of the Division of Motor Vehicles.

b. The Director of the Office of Highway Traffic Safety, in consultation with the Director of the Division of Motor Vehicles, shall produce an informational brochure for parents and guardians of beginning drivers under the age of 18 years. The division shall ensure that the parents or guardians of a permit holder receive these brochures at the time a permit is issued to a beginning driver. The brochures shall include, but not be limited to, the following information:

1. Setting an example for the beginning driver;
2. Accident and fatality statistics about beginning drivers;
3. Causes of accidents among beginning drivers;
4. The need to supervise vehicle operation by a beginning driver;
5. Methods to coach a beginning driver on how to reduce accidents;
6. A description of the graduated driver's license program; and
7. Benefits of classroom and behind-the-wheel driver education under the direction of State certified or licensed driving instructors, as the case may be.

2. Section 10 of P.L.1998, c.108 (C.27:5F-43) is amended to read as follows:

C.27:5F-43 State Review Board on Driver Education; guidelines for driver education.

10. a. There is established a State Review Board on Driver Education. The Director of the Office of Highway Traffic Safety or his designee shall be ex officio the chairman of the board. The Governor shall appoint to the board a certified secondary school driver education teacher and representatives from the Department of Education, the Department of Transportation, the AAA Clubs of New Jersey, the Driving School Association of New Jersey, the Insurance Council of New Jersey, the New Jersey Association of Chiefs of Police, the New Jersey State Safety Council and the New Jersey Traffic Safety Officers Association. The board shall make recommendations to the Director of the Division of Motor Vehicles with respect to rules and regulations promulgated under this act including, but not limited to, the development of uniform curriculum guidelines for approved classroom and behind-the-wheel driver education. Any vacancies occurring in the membership shall be filled in the same manner as the original appointments.

b. The course of instruction for behind-the-wheel driver education shall be designed to develop the skills necessary for the safe and lawful operation of a motor vehicle. Defensive driving, highway courtesy,
appropriate driving behavior and attitudes, accident avoidance, safe passing and lane changing, and a general understanding of and respect for the State's motor vehicle laws shall be emphasized.

3. R.S.39:3-10 is amended to read as follows:

Licensing of drivers; classifications.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless the person is under supervision while participating in a behind-the-wheel driving course pursuant to section 6 of P.L.1977, c.25 (C.39:3-13.2a) or is in possession of a validated permit, or a provisional or basic driver's license issued to him in accordance with this article.

No person under 18 years of age shall be issued a basic license to drive motor vehicles, nor shall a person be issued a validated permit, including a validated examination permit, until he has passed a satisfactory examination and other requirements as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road. No person shall sit for an examination for any permit without exhibiting photo identification deemed acceptable by the director, unless that person is a high school student participating in a course of driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). A road test shall be required for a provisional license and serve as a demonstration of the applicant's ability to operate a vehicle of the class designated. No person shall sit for a road test unless that person exhibits photo identification deemed acceptable by the director. A high school student who has completed a course of behind-the-wheel automobile driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, who has been issued a special learner's permit pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1) prior to January 1, 2003, shall not be required to exhibit photo identification in order to sit for a road test. The road test shall be given on public streets, where practicable and feasible, but may be preceded by an off-street screening process to assess basic skills. The director shall approve locations for the road test which pose no more than a minimal risk of injury to the applicant, the examiner and other motorists. No new locations for the road test shall be approved unless the test can be given on public streets.
CHAPTER 420, LAWS OF 2001

The director shall issue a basic driver's license to operate a motor vehicle other than a motorcycle to a person over 18 years of age who previously has not been licensed to drive a motor vehicle in this State or another jurisdiction only if that person has: (1) operated a passenger automobile in compliance with the requirements of this title for not less than one year, not including any period of suspension or postponement, from the date of issuance of a provisional license pursuant to section 4 of P.L.1950, c.127 (C.39:3-13.4); (2) not been assessed more than two motor vehicle points; (3) not been convicted in the previous year for a violation of R.S.39:4-50, section 2 of P.L.1981, c.512 (C.39:4-50.4a), P.L.1992, c.189 (C.39:4-50.14), R.S.39:4-129, N.J.S.2C:11-5, subsection c. of N.J.S. 2C:12-1, or any other motor vehicle-related violation the director determines to be significant and applicable pursuant to regulation; and (4) passed an examination of his ability to operate a motor vehicle pursuant to this section.

The director shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health and Senior Services concerning the use of alcohol or drugs as related to highway safety. The director shall develop in conjunction with the State Department of Health and Senior Services supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Up to 20 questions may be added to the examination on subjects to be determined by the director that are of particular relevance to youthful drivers, after consultation with the Director of the Office of Highway Traffic Safety.

The director shall expand the driver's license examination to include a question asking whether the applicant is aware of the provisions of the "Uniform Anatomical Gift Act," P.L.1969, c.161 (C.26:6-57 et seq.) and the procedure for indicating on the driver's license the intention to make a donation of body organs or tissues pursuant to P.L.1978, c.181 (C.39:3-12.2).

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the director any current driver's license issued to him by another state or jurisdiction upon his receipt of a driver's license for this State. The director shall refuse to issue a driver's license if the applicant fails to comply with this provision. An applicant for a permit or license who is less than 18 years of age, and who holds a permit or license for a passenger automobile issued by another state or country that is valid or has expired within a time period designated by the director, shall be subject to the permit and license requirements and penalties applicable to State permit and license applicants who are of the same age; except that
if the other state or country has permit or license standards substantially similar to those of this State, the credentials of the other state or country shall be acceptable.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering;

b. Omnibuses as classified by R.S.39:3-10.1 and school buses classified under N.J.S.18A:39-1 et seq.;

c. (Deleted by amendment, P.L.1999, c.28).

d. All motor vehicles not included in classifications a. and b. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. shall be a holder of a basic driver's license. Any issuance of a license under classification b. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, issue a license to the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him. If the director issues a license to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard period of the license, the director shall fix the expiration date of the license at a date based on the period in which the person is authorized to be present in the United States under federal immigration laws. The director may renew such a license only if it is demonstrated that the person's continued presence in the United States is authorized under federal law. The fee for licenses with expiration dates fixed by the director shall be fixed by the director in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:
Motorcycle license or endorsement $18
Omnibus or school bus endorsement $18
Basic driver's license $18

The director shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made in a manner prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a permit or license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a permit or license, but no defect of the applicant shall debar him from receiving a permit or license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

In addition to requiring an applicant for a driver's license to submit satisfactory proof of identity and age, the director also shall require the applicant to provide, as a condition for obtaining a permit and license, satisfactory proof that the applicant's presence in the United States is authorized under federal law.

If the director has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the director shall refuse to grant the permit or license until such time as the document may be verified by the issuing agency to the director's satisfaction.

A person violating this section shall be subject to a fine not exceeding $500 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.
Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

4. Section 1 of P.L.1977, c.23 (C.39:3-10b) is amended to read as follows:

C.39:3-10b Applications for motorcycle license.

1. An applicant for a motorcycle license, but not for a motorcycle endorsement to a basic license, who previously has never been licensed to drive a motor vehicle in this, or any other state, shall, during the permit period, be subject to the applicable restrictions and penalties for examination permit holders as provided under R.S.39:3-13. Until the provisions of P.L.1998, c.108, as amended by P.L.2001, c.420, are fully implemented, all holders of permits issued pursuant to R.S.39:3-13 and section 6 of P.L.1977, c.25 (C.39:3-13.2a) shall be subject to a probationary driver program for the two-year period immediately following the issuance of the permits. This two-year period shall not be altered if the permit holder obtains a provisional driver's license pursuant to section 4 of P.L.1950, c.127 (C.39:3-13.4). All holders of permits issued on or after the date of full implementation of P.L.1998, c.108, as amended by P.L.2001, c.420, shall not be subject to this section.

5. Section 1 of P.L.1942, c.324 (C.39:3-11.1) is amended to read as follows:

C.39:3-11.1 License to persons 16 years of age to drive motor vehicles in agricultural pursuits.

1. Any person, under seventeen years of age and not under sixteen years of age, may be licensed to drive motor vehicles in agricultural pursuits as herein limited; provided such person has passed an examination satisfactory to the director as to his ability as an operator. The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, license the applicant to drive any motor vehicle which is registered under the provisions of R.S.39:3-24 and R.S.39:3-25. The holder of an agricultural permit or license shall be subject to the applicable requirements, restrictions and penalties for special learner's permit holders provided under section 6 of P.L.1977, c.25 (C.39:3-13.2a). Such registration shall expire on March thirty-first of each year terminating the period for which such license is issued. The annual license fee for such license shall be one dollar ($1.00), and is for the limited use herein provided, and is not to be used in the operation of any other vehicle and shall have the name of the licensee endorsed thereon in his own handwrit-
ing. The holder of an agricultural license shall be entitled to a provisional driver's license upon attaining the age of 17 years and shall be subject to applicable restrictions and penalties in section 4 of P.L.1950, c.127 (C.39:3-13.4) as they pertain to a provisional driver's license holder.

6. R.S.39:3-13 is amended to read as follows:

Examination permits.

39:3-13. The director may, in his discretion, issue to a person over 17 years of age an examination permit, under the hand and seal of the director, allowing such person, for the purpose of fitting himself to become a licensed driver, to operate a designated class of motor vehicles other than passenger automobiles and motorcycles of persons licensed to operate motorcycles only for a specified period of not more than 90 days, while in the company and under the supervision of a driver licensed to operate such designated class of motor vehicles.

The director, in his discretion, may issue for a specified period of not less than one year a passenger automobile or motorcycle-only examination permit to a person over 17 years of age regardless of whether a person has completed a course of behind-the-wheel automobile driving education pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). An examination permit applicant who is under 18 years of age shall obtain the signature of a parent or guardian for submission to the division on a form prescribed by the director. The director shall postpone for six months the driving privileges of any person who submits a fraudulent signature for a parent or guardian.

For six months immediately following the validation of an examination permit, and until the holder passes the road test, the holder who is less than 21 years of age shall operate the passenger automobile or motorcycle only when accompanied by, and under the supervision of, a New Jersey licensed driver who is at least 21 years of age and has been licensed to drive a passenger automobile or motorcycle, as the case may be, for not less than three years. The holder of an examination permit who is at least 21 years of age shall operate the passenger automobile or motorcycle for the first three months under such supervision and until the holder passes the road test. The supervising driver of the passenger automobile shall sit in the front seat of the vehicle. Whenever operating a vehicle while in possession of an examination permit, the holder of the permit shall operate the passenger automobile with only one additional passenger in the vehicle excluding persons with whom the holder resides, except that this passenger restriction shall not apply when either the permit holder or one other passenger is at least 21 years of age. Further, the holder of the permit who is less than 21
years of age shall not drive during the hours between 12:01 a.m. and 5 a.m.; provided, however, that this condition may be waived for an emergency which, in the judgment of local police, is of sufficient severity and magnitude to substantially endanger the health, safety, welfare or property of a person, or for any bona fide employment or religion-related activity if the employer or appropriate religious authority provides written verification of such activity in a manner provided for by the director. The holder of the examination permit shall not use any interactive wireless communication device, except in an emergency, while operating a moving passenger automobile on a public road or highway. "Use" shall include, but not be limited to, talking or listening on any interactive wireless communication device or operating its keys, buttons or other controls. The passenger automobile permit holder shall ensure that all occupants of the vehicle are secured in a properly adjusted and fastened seat belt or child restraint system.

When notified by a court of competent jurisdiction that an examination permit holder has been convicted of a violation which causes the permit holder to accumulate more than two motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the director deems significant and applicable pursuant to regulation, in addition to any other penalty that may be imposed, the director shall, without the exercise of discretion or a hearing, suspend the examination permit holder's examination permit for 90 days. The director shall restore the permit following the term of the permit suspension if the permit holder satisfactorily completes a remedial training course of not less than four hours which may be given by the division, a drivers' school licensed by the director pursuant to section 2 of P.L.1951, c.216 (C.39:12-2) or any Statewide safety organization approved by the director. The course shall be subject to oversight by the division according to its guidelines. The permit holder shall also remit a course fee prior to the commencement of the course. The director also shall postpone without the exercise of discretion or a hearing the issuance of a basic license for 90 days if the director is notified by a court of competent jurisdiction that the examination permit holder, after completion of the remedial training course, has been convicted of any motor vehicle violation which results in the imposition of any motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.182 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5, subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the director deems significant and applicable pursuant to regulation. When the director is notified by a court of compe-
tent jurisdiction that an examination permit holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle and is not otherwise subject to any other suspension penalty therefor, the director shall, without the exercise of discretion or a hearing, suspend the examination permit for six months.

An examination permit for a motorcycle or a commercial motor vehicle issued to a handicapped person, as determined by the Division of Motor Vehicles after consultation with the Department of Education, shall be valid for nine months or until the completion of the road test portion of his license examination, whichever period is shorter.

Each permit shall be sufficient license for the person to operate such designated class of motor vehicles in this State during the period specified, while in the company of and under the control of a driver licensed by this State to operate such designated class of motor vehicles, or, in the case of a commercial driver license permit, while in the company of and under the control of a holder of a valid commercial driver license for the appropriate license class and with the appropriate endorsements issued by this or any other state. Such person, as well as the licensed driver, except for a motor vehicle examiner administering a driving skills test, shall be held accountable for all violations of this subtitle committed by such person while in the presence of the licensed driver. In addition to requiring an applicant for an examination permit to submit satisfactory proof of identity and age, the director also shall require the applicant to provide, as a condition for obtaining the permit, satisfactory proof that the applicant's presence in the United States is authorized under federal law. If the director has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the director shall refuse to grant the permit until such time as the document may be verified by the issuing agency to the director's satisfaction.

The holder of an examination permit shall be required to take a road test in order to obtain a provisional license. No road test for any person who has been issued an examination permit to operate a passenger vehicle shall be given unless the person has met the requirements of this section. No road test for a provisional license shall be given unless the applicant has first secured an examination permit and no such road test shall be scheduled for an applicant who has secured an examination permit for a passenger vehicle or a motorcycle for which an endorsement is not required until at least six months for an applicant under 21 years of age or three months for an applicant 21 years of age or older shall have elapsed following the validation of the examination permit for practice driving or, in the case of an examination permit for other vehicles, until 20 days have elapsed. In the case of an omnibus endorsement or school bus, no road test shall be
scheduled until at least 10 days shall have elapsed. Every applicant for an examination permit to qualify for an omnibus endorsement or an articulated vehicle endorsement shall be a holder of a valid basic driver's license.

The required fees for special learners' permits and examination permits shall be as follows:

The director shall waive the payment of fees for issuance of examination permits for omnibus endorsements whenever the applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The specified period for which a permit is issued may be extended for not more than an additional 60 days, without payment of added fee, upon application made by the holder thereof, where the holder has applied to take the examination for a driver's license prior to the expiration of the original period for which the permit was issued and the director was unable to schedule an examination during said period.

7. Section 6 of P.L.1977, c.25 (C.39:3-13.2a) is amended to read as follows:

C.39:3-13.2a Special learner's permit; use, hours.

6. a. Any person to whom a special learner's permit has been issued pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1), upon successful completion of a State approved written examination, eye examination and an approved minimum six-hour behind-the-wheel driving course, shall be entitled to retain the special learner's permit in his own possession. The special learner's permit shall be validated by the division for the purpose of driving a motor vehicle on a public highway in this State after the holder has successfully met the necessary examination requirements, and upon the successful completion of a behind-the-wheel driving course. Such person may operate a motor vehicle of the class for which a basic driver's license is required except during the hours between 11:01 p.m. and 5:00 a.m. while in the company and under the supervision, from the front passenger seat, of a licensed motor vehicle driver of this State who is over 21 years of age and has been licensed to drive a passenger automobile for at least three years. Such special permit shall be valid until such person's seventeenth birthday.
or until he qualifies for a provisional license. Except during an instructional period of a behind-the-wheel driving course, the holder of a special permit shall operate a passenger automobile with only the following passengers: (1) the supervising passenger; (2) persons who share the permit holder's residence; and (3) one additional passenger who does not reside with the permit holder. The holder of the special learner's permit shall not use any interactive wireless communication device, except in an emergency, while operating a moving passenger automobile on a public road or highway. "Use" shall include, but not be limited to, talking or listening on any interactive wireless communication device or operating its keys, buttons or other controls. All occupants of the automobile shall be secured in a properly adjusted and fastened seat belt or child restraint system.

b. When notified by a court of competent jurisdiction that a special learner's permit holder has been convicted of a violation which causes the permit holder to accumulate more than two motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the director determines to be significant and applicable pursuant to regulation, and in addition to any other penalty that may be imposed, the director shall, without the exercise of discretion or a hearing, suspend the holder's special learner's permit for 90 days. The director shall restore the permit following the term of the permit suspension if the permit holder, regardless of age, satisfactorily completes a remedial training course of not less than four hours which may be given by the division, a drivers' school licensed by the director pursuant to section 2 of P.L.1951, c.216 (C.39:12-2) or any Statewide safety organization approved by the director. The course shall be administered pursuant to rules and regulations promulgated by the director and subject to oversight by the division. The authority of the director to suspend, revoke or deny issuance of an initial or renewal license to operate a drivers' school or an instructor's license, and to assess fines, pursuant to P.L.1951, c.216 (C.39:12-1 et seq.) shall apply to any violations related to the administration of a remedial training course. The permit holder shall also remit a course fee prior to the commencement of the course. If, after completion of the remedial training course, the director is notified by a court of competent jurisdiction that the special learner's permit holder has been convicted of any motor vehicle violation which results in the imposition of any motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1 or any other motor vehicle-related law the director deems significant and applicable pursuant to regulation, the director, without the exercise of
discretion or a hearing, shall also postpone the issuance of a basic license for 90 days. When the director is notified by a court of competent jurisdiction that a special learner's permit holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle and he is not otherwise subject to any other suspension penalty therefor, the director shall, without the exercise of discretion or a hearing, suspend the special learner's permit for six months.

8. Section 4 of P.L.1950, c.127 (C.39:3-13.4) is amended to read as follows:

C.39:3-13.4 Provisional driver's license.

4. The holder of a special learner's permit shall be entitled to a provisional driver's license (1) upon attaining the age of 17 years, (2) upon the satisfactory completion of an approved behind-the-wheel automobile driving education course as indicated upon the face of the special permit over the signature of the principal of the school or the person operating the drivers' school in which the course was conducted, (3) upon the completion of six months' driving experience with a validated special learner's permit in compliance with the provisions of section 6 of P.L.1977, c.25 (C.39:3-13.2a) and (4) upon passing the road test pursuant to R.S.39:3-10.

The holder of a provisional license shall be permitted to operate the passenger automobile with only one additional passenger in the vehicle besides persons with whom the holder resides, except that this passenger restriction shall not apply when either the holder of the provisional license or one other passenger is at least 21 years of age. Further, the holder of the provisional license who is under 21 years of age shall not drive during the hours between 12:01 a.m. and 5 a.m.; provided however, that this condition may be waived for an emergency which, in the judgment of local police, is of sufficient severity and magnitude to substantially endanger the health, safety, welfare or property of a person or for any bona fide employment or religion-related activity if the employer or appropriate religious authority provides written verification of such activity in a manner provided for by the director. The holder of the provisional license shall not use any interactive wireless communication device, except in an emergency, while operating a moving passenger automobile on a public road or highway. "Use" shall include, but not be limited to, talking or listening on any interactive wireless communication device or operating its keys, buttons or other controls. In addition, the holder of the provisional license shall ensure that all occupants of the vehicle are secured in a properly adjusted and fastened seat belt or child restraint system. In addition to any other penalties provided under law, the holder of a provisional license who accumulates more than two motor vehicle
points or is convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c.512 (C.39:4-50.4a); P.L.1992, c.189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1 or any other motor vehicle law the director deems to be significant and applicable pursuant to regulation shall, for the first violation, be required to satisfactorily complete a remedial training course of not less than four hours which may be given by the division, a drivers' school licensed by the director pursuant to section 2 of P.L.1951, c.216 (C.39:12-2) or any Statewide safety organization approved by the director. The course shall be administered pursuant to rules and regulations promulgated by the director and subject to oversight by the division. The authority of the director to suspend, revoke or deny issuance of an initial or renewal license to operate a drivers' school or an instructor's license, and to assess fines, pursuant to P.L.1951, c.216 (C.39:12-1 et seq.) shall apply to any violations related to the administration of a remedial training course. The permit holder shall also remit a course fee prior to the commencement of the course. When notified by a court of competent jurisdiction that a provisional license holder has been convicted of a second or subsequent violation, in addition to any other penalties provided under law, the director shall, without the exercise of discretion or a hearing, suspend the provisional license for three months and shall postpone eligibility for a basic license for an equivalent period. In addition, when the director is notified by a court of competent jurisdiction that a provisional license holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle, and he is not otherwise subject to any other suspension penalty therefor, the director shall, without the exercise of discretion or a hearing, suspend the provisional license for six months.

A provisional license may be sent by mail and shall be clearly identifiable and distinguishable in appearance from a basic license by any name, mark, color or device deemed appropriate by the director.

9. Section 2 of P.L.1951, c.216 (C.39:12-2) is amended to read as follows:

C.39:12-2 License required to conduct drivers' school; application; fees.

2. No person shall engage in the business of conducting a drivers' school without being licensed therefor by the Director of Motor Vehicles. Application therefor shall be in writing and contain such information therein as he shall require on initial and renewal applications, including the applicant's Federal Tax Identification number, State tax identification number and proof of workers' compensation insurance coverage by a mutual association or stock company authorized to write coverage on such risks in this State or written authorization by the Commissioner of Banking and
Insurance to self-insure for workers' compensation pursuant to R.S.34:15-77. The applicant shall file a surety bond in the amount of $10,000 issued by a company authorized to transact surety business in this State and payable to the division. A license shall not be issued or renewed unless the applicant or an employee is a qualified supervising instructor. For purposes of this section, a "qualified supervising instructor" shall mean a drivers' school instructor who a. is currently licensed and has been licensed by the division for at least two years prior to submission of the initial or renewal application, b. has successfully provided a minimum of 500 hours of behind-the-wheel instruction, and c. has successfully completed a three credit New Jersey driver education college course offered by a college or university licensed by the New Jersey Commission on Higher Education. The applicant shall furnish, together with the application, satisfactory evidence that the applicant or an employee is a qualified supervising instructor as set forth herein, except that an applicant for license renewal shall have one year after the date this act becomes effective to furnish evidence of completion of a three credit New Jersey driver education college course to the division. If the application is approved, the applicant shall be granted a license to teach approved courses in classroom and behind-the-wheel driver education upon the payment of a fee of $250.00; provided, however, no license fee shall be charged for the issuance of a license to any board of education, school board, public, private or parochial school, which conducts a course in driver education, approved by the State Department of Education. A license so issued shall be valid during the calendar year. The annual fee for renewal shall be $200. The director shall issue a license certificate or license certificates to each licensee, one of which shall be displayed in each place of business of the licensee.

A public, parochial or private school or a drivers' school licensed by the director pursuant to this section shall be authorized to provide behind-the-wheel driving instruction.

Upon further application to the director, a drivers' school licensed by the director pursuant to this section may be approved by the director to conduct a State approved written drivers' examination, eye examination, or remedial training course, subject to a fee and annual renewal thereof in an amount which shall be determined by the director. The examinations and training course shall be administered pursuant to rules and regulations promulgated by the director and subject to oversight by the division. The authority of the director to suspend, revoke or deny issuance of an initial or renewal license to operate a drivers' school or an instructor's license, and to assess fines, pursuant to this chapter, shall apply to any violations related to the administration of a State approved written drivers' examination, eye examination or remedial training course.
CHAPTER 420, LAWS OF 2001

In case of the loss, mutilation or destruction of a certificate, the director shall issue a duplicate upon proof of the facts and the payment of a fee of $5.

C.39:12-4.1 Inspection of premises of licensee; violations, fines.

10. The director shall make or cause to be made a full and complete inspection, at least annually, of the premises of each licensee at reasonable hours as the director may deem necessary to be assured that the licensee and the premises comply at all times with the provisions of this title governing drivers' schools, as well as the rules and regulations and the minimum standards established thereunder. A violation of such rules, regulations and standards sufficient to be considered more than de minimis shall result in a fine for the first violation of no less than $500 or more than $1,500; for a second violation, a fine of no less than $1,500 or more than $2,500; and for a third or subsequent violation, the suspension or revocation by the director of the license of any drivers' school.

C.39:3-13.8 Fine for violations of special learners permit conditions.

11. A fine of $100 shall be imposed for violating the following conditions of a special learners permit, an examination permit or a provisional driver's license:
   a. supervision requirements for permit holders;
   b. passenger restrictions;
   c. hours of operation;
   d. seat belt requirements;
   e. interactive wireless communication device use restrictions; or
   f. any other violation of the conditions of a permit or provisional license as the director may designate.

C.39:2-9.8 Construction of act concerning graduated driver licensing and driving schools.

12. The provisions of this act are not intended, nor shall they be construed or used, as a basis to privatize existing services or programs, or in any manner reduce the number of State employees performing driver testing duties in the Division of Motor Vehicles.

13. This act shall take effect immediately and shall apply to any applicant for an initial special learner's permit or examination permit on or after the effective date of this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1995, c.9 (C.2B:19-2) is amended to read as follows:

C.2B:19-2 Findings, declarations.
2. The Legislature finds and declares that:
   a. The Judiciary routinely enters judgments and court orders setting forth assessments, surcharges, fines and restitution against litigants pursuant to statutory law.
   b. The enforcement of court orders is crucial to ensure respect for the rule of law and credibility of the court process.
   c. Despite monitoring of judgments and court orders by probation divisions and other segments of the Judiciary responsible for doing so, many orders are not complied with because there is a lack of central coordination, funding, automation, and control.
   d. The Judiciary has successfully developed a hearing officer program in child support enforcement and a pilot criminal enforcement court project, which is in the process of being expanded, that have demonstrated significant increases in collections and compliance.
   e. The Governor's Management Review Commission has reviewed the collections process in New Jersey and made recommendations supporting the establishment and funding of a Statewide comprehensive enforcement program operated by the Judiciary.
   f. Upon passage of this act, the Supreme Court and the Chief Justice will establish a Statewide comprehensive enforcement program which will provide for the enforcement of court orders and oversee collection of court-ordered fines, assessments, surcharges and judgments in the civil, criminal and family divisions, the Tax Court and in municipal court as provided in section 6 of P.L.1995, c.9 (C.2B:19-6). The comprehensive enforcement program will provide for the collection of certain surcharges administratively imposed by the Division of Motor Vehicles as provided in section 6 of P.L.1995, c.9 (C.2B:19-6). The comprehensive enforcement program will utilize the child support hearing officer model and the pilot project criminal enforcement court model, supported by a Statewide...
automation system designed to increase collections, compliance and accountability.

2. Section 6 of P.L.1995, c.9 (C.2B:19-6) is amended to read as follows:

C.2B:19-6 Unresolved money collection matters; DMV surcharges; public defender liens.

6. a. All matters involving the collection of moneys in the Superior Court and Tax Court which have not been resolved in accordance with an order of the court may be transferred, pursuant to court rule, to the comprehensive enforcement program for such action as may be appropriate.

b. (1) A municipal court may request that all matters which have not been resolved in accordance with an order of that court be transferred to the comprehensive enforcement program in accordance with the provisions of section 9 of P.L.1995, c.9 (C.2B:19-9) for such action as may be appropriate. All moneys collected through the comprehensive enforcement program which result from the enforcing of orders transferred from any municipal court shall be subject to the 25% deduction authorized pursuant to section 4 of this act except for moneys collected in connection with the enforcement of orders related to parking violations.

(2) Nothing contained in this act shall prevent any municipal court from contracting the services of a private collection agency to collect any moneys which have not been remitted in accordance with an order of that court.

c. The Director of the Division of Motor Vehicles may refer matters of surcharges imposed administratively under the New Jersey Merit Rating Plan in accordance with the provisions of section 6 of P.L.1983, c.65 (C.17:29A-35) which have not been satisfied to the comprehensive enforcement program in accordance with the procedures established pursuant to section 4 of P.L.1997, c.280 (C.2B:19-10) to be reduced to judgment and for such additional action as may be appropriate. All moneys collected through the comprehensive enforcement program which result from the collection of these surcharge moneys shall be subject to the 25% deduction authorized pursuant to section 4 of P.L.1995, c.9 (C.2B:19-4).

d. (1) At the request of the Public Defender, the Clerk of the Superior Court shall refer every unsatisfied lien, filed by the Public Defender, to the comprehensive enforcement program for collection. All moneys collected through the comprehensive enforcement program which result from the collection of these liens shall be subject to the deduction authorized pursuant to section 4 of P.L.1995, c.9 (C.2B:19-4).

(2) Upon satisfaction of a public defender lien through the comprehensive enforcement program, the comprehensive enforcement program shall notify the Clerk of the Superior Court within 10 days of satisfaction and the
satisfaction of the lien shall be entered in the Superior Court Judgment Index.

3. Section 9 of P.L.1995, c.9 (C.2B:19-9) is amended to read as follows:

C.2B:19-9 Recommendation of hearing officer; approval.

9. Any recommendation by a comprehensive enforcement hearing officer shall be in conformity with court rules and shall be approved by:
   a. a judge of the Superior Court for Superior Court matters and for any municipal court matters in which a final judgment has been docketed in the Superior Court; or
   b. a judge of the municipal court, designated by the Assignment Judge of the vicinage, for municipal court matters in which a final judgment has not been docketed with the Superior Court.

CHAPTER 424

AN ACT concerning hazardous substances, and amending P.L. 1976, c.141.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 9 of P.L.1976, c.141 (C.58:10-23.11h) is amended to read as follows:

   C.58:10-23.11h Imposition of tax; measurement; amount; return; filing; failure to file; penalty; presumptive evidence; powers of director.

9. a. There is hereby levied upon each owner or operator of one or more major facilities a tax to insure compensation for cleanup costs and damages associated with any discharge of hazardous substances to be paid by the transferee, provided, however, that in the case of a major facility which operates as a public storage terminal for hazardous substances owned by others, the owner of the hazardous substance transferred to such major facility or his authorized agent shall be considered to be the transferee or transferor, as the case may be, for the purposes of this section and shall be deemed to be a taxpayer for purposes of this act. Where such person has failed to file a return or pay the tax imposed by this act within 60 days after the due date thereof, the director shall forthwith take appropriate steps to collect same from the owner of the hazardous substance. In the event the director is not successful in collecting said tax, then on notice to the owner or operator of the public storage terminal of said fact said owner or operator shall not release any hazardous substance owned by the taxpayer. The director may forthwith proceed to satisfy any tax liability of the taxpayer by seizing, selling or otherwise disposing of said hazardous substance to satisfy the taxpayer's tax liability and to take any further steps permitted by law for its collection. For the purposes of this act, public storage terminal shall mean a public or privately owned major facility operated for public use which is used for the storage or transfer of hazardous substances. The tax shall be measured by the number of barrels or the fair market value, as the case may be, of hazardous substances transferred to the major facility; provided, however, that the same barrel, including any products derived therefrom, subject to multiple transfers from or between major facilities shall be taxed only once at the point of the first transfer.

   When a hazardous substance other than petroleum which has not been previously taxed is transferred from a major in-State facility to a facility which is not a major facility, the transferor shall be liable for tax payment for said transfer.

   b. (1) (a) The tax shall be $0.0150 per barrel transferred and in the case of the transfer of hazardous substances other than petroleum or petroleum products, the tax shall be the greater of $0.0150 per barrel or 1.0% of the fair market value of the product plus $0.0025 per barrel; provided, however, that
with respect to transfers of hazardous substances other than petroleum or petroleum products which are or contain any precious metals to be recycled, refined, or rerefined in this State, which are transferred into this State subsequent to being recycled, refined or rerefined, or which are or contain elemental phosphorus, or which are elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants, the tax shall be $0.0150 per barrel of the hazardous substance; and provided further, however, that the total aggregate tax due for any individual taxpayer facility which has paid the tax in the 1986 tax year shall not exceed 125% of the tax due and payable by that taxpayer facility during the 1986 tax year plus an additional $0.0025 per barrel; except that for a hazardous substance which is directly converted to, and comprises more than 90% by weight of, a non-hazardous final product, the taxpayer facility shall pay no more than 100% of the tax due and payable in the 1986 tax year plus an additional $0.0025 per barrel. For major facilities established by the subdivision of a major facility which existed in 1986, including subsequent owners and operators of the subdivided major facilities, the total aggregated tax due shall not exceed 100% of the tax paid in 1999. For the purposes of applying the 125% of tax due limitation, a successor in interest pursuant to a sale or a reorganization, as defined pursuant to the Internal Revenue Code of 1986, on or before June 1, 2001 shall be entitled to the predecessor taxpayer's limitation. In computing 125% of the tax due and payable by the taxpayer during the 1986 tax year, for taxes due after January 1, 1996 from an owner or operator including the successor in interest pursuant to a sale or a reorganization as defined in this paragraph of one or more major facilities who has continuously since 1986 filed a combined tax return for more than one major facility but who prior to January 1, 1996 has entirely closed and decommissioned one or more of those major facilities, a taxpayer shall include 1986 taxes arising from major facilities which (1) caused the taxpayer to incur a tax liability in 1986, and (2) continue to cause the taxpayer to incur a tax liability during the current tax year. For transfers which are or contain elemental phosphorus, or which are elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants, in computing the 125% of the taxes due and payable by the taxpayer during the 1986 tax year, a taxpayer, which shall include any subsequent owner or operator of a major facility which transfers elemental phosphorus, shall calculate the tax at $0.015 per barrel. For the purposes of this section, "precious metals" means gold, silver, osmium, platinum, palladium, iridium, rhodium, ruthenium and copper. In the event of a major discharge or series of discharges of petroleum or petroleum products resulting in reasonable claims against the fund exceeding the existing balance of the fund, the tax shall be levied at the rate of $0.04 per
barrel of petroleum or petroleum products transferred, until the revenue produced by such increased rate equals 150% of the total dollar amount of all pending reasonable claims resulting from the discharge of petroleum or petroleum products; provided, however, that such rate may be set at less than $0.04 per barrel transferred if the administrator determines that the revenue produced by such lower rate will be sufficient to pay outstanding reasonable claims against the fund within one year of such levy. For the purposes of determining the existing balance of the fund, the administrator shall not include any amount in the fund collected from the $0.0025 per barrel increase in the tax imposed pursuant to P.L.1990, c.78 and dedicated for hazardous substance discharge prevention in accordance with paragraph (2) of this subsection.

(b) Notwithstanding any provision of subparagraph (a) of this paragraph to the contrary, in order to qualify for the reduced tax rate for elemental antimony or antimony trioxide sold for use in the manufacture or for the purpose of fire retardants authorized in that subparagraph, the taxpayer shall demonstrate, by December 31 of each year, to the satisfaction of the Department of the Treasury, acting in cooperation with the Department of Environmental Protection, all of the following: (i) that the taxpayer's sales of the hazardous substance constitute, in the calendar year immediately prior to the first calendar year in which the reduced tax rate shall apply, at least 75% of the taxpayer's total annual income in that immediately prior calendar year; (ii) that no other competitor of the taxpayer located in another state is subject to a tax in that other state, with respect to the hazardous substance, that is substantially similar to the tax imposed thereon pursuant to this section; (iii) that the taxpayer otherwise would suffer economic stress unless the benefit from the reduced tax rate is allowed; (iv) that the taxpayer has never filed a successful claim against the New Jersey Spill Compensation Fund; (v) that the taxpayer has never discharged a hazardous substance that required cleanup and removal in accordance with P.L.1976, c.141 (C.58:10-23.11 et seq.); and (vi) that, upon request of the State Treasurer, the taxpayer's accountant or counsel can provide a certified document detailing, with respect to the hazardous substance, the amount of tax that would have been paid each calendar year by the taxpayer had the reduced tax rate not been in effect and the amount that was actually paid each calendar year under the reduced tax rate, so that the State Treasurer may calculate the loss of tax revenue, if any, to the State attributable to the reduced tax rate. If the taxpayer fails to qualify under the provisions of this subparagraph for the reduced tax rate, the taxpayer shall pay, for that calendar year, the tax at the full rate imposed pursuant to subparagraph (a) of this paragraph.

(c) Interest received on moneys in the fund shall be credited to the fund.
(2) An amount of $0.0025 per barrel collected from the proceeds of the tax imposed pursuant to this subsection shall be deposited into the New Jersey Spill Compensation Fund and dedicated for the purposes of P.L.1990, c.78 and for other authorized purposes designed to prevent the discharge of a hazardous substance.

c. (1) Every taxpayer and owner or operator of a public storage terminal for hazardous substances shall on or before the 20th day of the month following the close of each tax period render a return under oath to the director on such forms as may be prescribed by the director indicating the number of barrels of hazardous substances transferred and where appropriate, the fair market value of the hazardous substances transferred to or from the major facility, and at said time the taxpayer shall pay the full amount of the tax due.

CHAPTER 429

AN ACT concerning maritime transportation, establishing the Office of Maritime Resources within the Department of Transportation, amending P.L.1997, c.97, and supplementing Title 27 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.27:1A-75 Short title.
1. Sections 1 through 11 of this act shall be known and may be cited as the "New Jersey Marine Transportation System Act."

C.27:1A-76 Findings, declarations relative to maritime transportation.
2. The Legislature finds and declares that:
   a. There should be a single State agency for New Jersey's maritime industry charged with advancing Statewide maritime development initiatives and technologies, planning for maritime systems, enhancing New Jersey's marine environment, fostering maritime education, and providing overall support functions to the maritime industry in close coordination with the Department of Environmental Protection, the New Jersey Commerce and Economic Growth Commission, and other State agencies.
   b. New Jersey's maritime industry is a $50 billion industry supporting more than 300,000 New Jersey citizens. The industry is located along 127 miles of New Jersey shoreline, on 116 State navigation channels, 240 miles of navigable waterways in New York Harbor, and along 106 miles of the Delaware River and Bay. Throughout the State, warehousing, manufacturing and cargo handling facilities service the commerce taking place along these water highways, and the intermodal connections which service them support local, national and international port commerce. The industry includes boat-building companies, members of the marine trades' associations, marinas, the commercial and recreational fishing industry, science, technology, and educational and related services. It also includes those
industries that support waterborne military operations and national security initiatives.

c. The infrastructure required to support New Jersey's commercial and recreational maritime industry is collectively designated as New Jersey's Marine Transportation System. It is a comprehensive system which includes navigable channels, waterborne commerce, dredging and dredged material management technologies, berth, terminal and related structures, intermodal transportation facilities and corridors, shipping, receiving and cargo-movement tracking systems, global positioning systems, vessel traffic and port information systems, physical oceanographic real-time systems, and geographical information systems. Navigation aids, boat building technologies, ocean habitat tracking systems and other new technologies interact to create a seamless system linking all aspects of the maritime industry into a single transportation matrix. The Marine Transportation System provides economic value, State and national security support, environmental protection and recreational opportunity for the State, the region and the nation.

d. Water transportation systems are a desirable, necessary and environmentally beneficial means of moving people and goods and such systems will promote the development and redevelopment of the State's urban centers. It is further declared that in a densely settled state such as New Jersey, it should be a priority of the Department of Transportation to promote the development of water transportation systems and to provide, as necessary for the public safety and welfare, for the coordination and facilitation of water transportation systems.

C.27:1A-77 Definitions relative to maritime transportation.

3. As used in this act:

"Commissioner" means the Commissioner of Transportation.

"Department" means the Department of Transportation.

"Marine transportation system" means navigable channels, berths, terminals and related intermodal transportation infrastructure, facilities and equipment, sediment and dredged materials management programs, shipping, receiving, cargo-movement and tracking, aids to navigation, intelligent and vessel transportation systems, and such related activities
which promote the efficient operation, environmental integrity, and economic development of New Jersey's maritime industry.

"Maritime industry" means ports and terminals, ship services and boat building, education, science and technology, marine trades and support services, ferries, movement of cargo and waterborne commerce, commercial and recreational fishing, navigation and government support services, including waterborne military operations and national security initiatives, and the direct and indirect industries supporting the entire marine transportation system.

In support of the State's long range transportation plan, the office shall be responsible, in collaboration with the Division of Transportation Systems Planning in the department, for the preparation of a "New Jersey Marine Transportation System Development" section of the State's long range transportation plan which shall assess conditions, define future needs and propose recommendations that improve New Jersey's Marine Transportation System, in accordance with the findings and declarations contained in section 2 of this act. The section shall outline strategic initiatives on regional port planning, marine transportation system infrastructure, technology, and economic development related to the maritime infrastructure and capital investment strategies.

In furtherance of the Agreement, the State Treasurer is authorized to act jointly with other states that are members of the Agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

The State Treasurer is further authorized to take other actions reasonably required to implement the provisions set forth in this act. Other actions authorized by this section include, but are not limited to, the adoption of rules and regulations and the joint procurement, with other member states, of goods and services in furtherance of the cooperative agreement.

The State Treasurer or the State Treasurer's designee is authorized to represent this State before the other states that are signatories to the Agreement.

C.54:32B-50 Requirements for entry into agreement.

7. The State Treasurer shall not enter into the Streamlined Sales and Use Tax Agreement unless the Agreement requires each state to abide by the following requirements:

a. Uniform State Rate. The Agreement shall set restrictions to achieve more uniform state rates through the following:
   (1) Limiting the number of state rates.
   (2) Limiting the application of maximums on the amount of state tax that is due on a transaction.
   (3) Limiting the application of thresholds on the application of state tax.

b. Uniform Standards. The Agreement shall establish uniform standards for the following:
   (1) The sourcing of transactions to taxing jurisdictions.
   (2) The administration of exempt sales.
   (3) The allowances a seller can take for bad debts.
   (4) Sales and use tax returns and remittances.

c. Uniform Definitions. The Agreement shall require states to develop and adopt uniform definitions of sales and use tax terms. The definitions shall enable a state to preserve its ability to make policy choices not inconsistent with the uniform definitions.
d. Central Registration. The Agreement shall provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.

e. No Nexus Attribution. The Agreement shall provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.

f. Local Sales and Use Taxes. The Agreement shall provide for reduction of the burdens of complying with local sales and use taxes through the following:

(1) Restricting and eliminating variances between the state and local tax bases.

(2) Requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions.

(3) Restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes.

(4) Providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions.

g. Monetary Allowances. The Agreement shall outline any monetary allowances that are to be provided by the states to sellers or certified service providers.

h. State Compliance. The Agreement shall require each state to certify compliance with the terms of the Agreement prior to joining and to maintain compliance, under the laws of the member state, with all provisions of the Agreement while a member.

i. Consumer Privacy. The Agreement shall require each state to adopt a uniform policy for Certified Service Providers that protects the privacy of consumers and maintains the confidentiality of tax information.

j. Advisory Councils. The Agreement shall provide for the appointment of an advisory council of private sector representatives and an advisory council of non-member state representatives to consult with in the administration of the Agreement.

C.54:32B-51 Purpose of Agreement.

8. The Agreement authorized by this Act is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The Agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the applica-
tion and administration of sales and use taxes under the duly adopted law of each member state.

C.54:32B-52 Agreement binds, inures to benefit of member states.

9. a. The Agreement authorized by this act binds and inures only to the benefit of this State and the other member states. No person, other than a member state, is an intended beneficiary of the Agreement. Any benefit to a person other than a state shall be established by the law of this State and the other member states and not by the terms of the Agreement.

b. Consistent with subsection a. of this section, no person shall have any cause of action or defense under the Agreement or by virtue of this State’s approval of the Agreement. No person shall challenge, in any action brought under any provision of law, any action or inaction by any department, agency, or other instrumentality of this State, or any political subdivision of this State on the ground that the action or inaction is inconsistent with the Agreement.

c. No law of this State, or the application thereof, shall be declared invalid as to any person or circumstance on the ground that the provision or application is inconsistent with the Agreement.

C.54:32B-53 Certified service provider serves as agent of a seller.

10. a. A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller’s agent, the certified service provider shall be liable for sales and use tax due each member state on all sales transactions it processes for the seller except as otherwise provided in this section.

A seller that contracts with a certified service provider shall not be liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller shall not be subject to audit on the transactions processed by the certified service provider. A seller shall be subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller’s procedures to determine if the certified service provider’s system is functioning properly and the extent to which the seller’s transactions are being processed by the certified service provider.

b. A person that provides a certified automated system shall be responsible for the proper functioning of that system and shall be liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated
system remains responsible and shall be liable to the state for reporting and remitting tax.

c. A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system shall be liable for the failure of the system to meet the performance standard.

11. This act shall take effect immediately.

Approved January 8, 2002.

c. To the extent that moneys remain available after the projects listed in subsection a. of this section are offered funding pursuant thereto, any project of a local government unit or qualifying tax exempt nonprofit organization that previously received funding for historic preservation purposes appropriated or reappropriated from any Green Acres bond act, any annual appropriations act, or the Garden State Historic Preservation Trust Fund, shall be eligible to receive additional funding, as determined by the New Jersey Historic Trust, subject to the approval of the Joint Budget Oversight Committee or its successor.

2. This act shall take effect immediately.

Approved January 8, 2002.
AN ACT changing the phase-out schedule of the transitional energy facility assessment (TEFA) unit rate surcharges on certain energy sales and amending P.L.1997, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 38 of P.L.1997, c.162 (C.54:30A-102) is amended to read as follows:

C.54:30A-102 Establishment of remitter's transition energy facility assessment.

2. Section 41 of P.L.1997, c.162 (C.54:30A-105) is amended to read as follows:

C.54:30A-105 Statement of liability from remitter due October 15.

41. a. Every remitter shall on or before October 15, 1998, and on or before October 15, in each year thereafter for years in which the transitional energy facility assessment is imposed, return to the Director of the Division of Taxation in the Department of the Treasury and the Board of Public Utilities a statement in such form, manner and detail as the director shall require showing the actual transitional energy facility assessment liability from January 1 through September 30 and estimated liability from October 1 through December 31 for the current calendar year.

b. On or before November 15, 1998, and on or before November 15 of each year thereafter for years in which the transitional energy facility assessment is imposed, the State Treasurer shall, with the cooperation of the Board of Public Utilities, calculate the percentage reduction, as may be applicable, in the initial TEFA unit rate surcharges or the calendar year 2001 TEFA unit rate surcharges based upon the formula set forth in section 67 of P.L.1997, c.162 (C.48:2-21.34) and the board shall report the amount of such reduction, if any, to the remitters subject to the transitional energy facility assessment.

c. Every remitter shall on or before February 1, 1998 file with the director a statement showing:
(1) The total public utility tax advance payments paid in the initial year pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.); and
(2) The remitter's base year liability and each of the amounts described in subsections (a), (b) and (c) in the definition of "base year transitional energy facility assessment" in section 37 of P.L.1997, c.162 (C.54:30A-101).

d. For any remitter owning or holding both gas and electric facilities and conducting both gas and electric business in this State each of the amounts reported on the return required to be filed pursuant to subsection c. shall be allocated by the director between those operations in the proportion that the sum of the unit-based taxes bore to the whole of the unit-based taxes in the base year or such other allocation methodology as the director shall prescribe.

e. The statements required pursuant to this section shall be subscribed and sworn to by the president, a vice-president or chief officer of the corporation preparing each statement. Any remitter refusing or neglecting to make the statements herein provided for shall forfeit and pay to the State of New Jersey the sum of $100 per day for each day of such refusal or neglect, to be recovered in an action at law in the name of the State and which, when recovered, shall be paid into the State Treasury. It shall be the duty of the director to certify any such default to the Attorney General of the State who, thereupon, shall prosecute an action at law for each penalty.

f. The Director of the Division of Taxation shall audit and verify the statements filed by remitters whenever and in such respects the director shall deem necessary or advisable. The director may require any remitter to supply additional data and information in such form, manner, and detail as the director shall request, whenever the director may deem it necessary or helpful, for the proper performance of the director's duties under this act.

g. The director may, by regulation, additionally require that all filings required for the calculation and certification of assessment to be paid by remitters established pursuant to this act shall be made in an electronic form. The form and content of the electronic filing message, the circumstances under which the electronic filing message shall serve as a substitute for the filing of another return and the means by which remitters shall be determined to be subject to this electronic filing requirement shall be prescribed by the director.

For the purpose of this act "electronic filing" or "electronic filings" means any message that is initiated through an electronic terminal, telecommunication device, or computer for the purpose of fulfilling the reporting responsibilities set forth hereinafter.
3. Section 43 of P.L.1997, c.162 (C.54:30A-107) is amended to read as follows:

C.54:30A-107 Liability for TEFA assessment.

43. a. (1) The liability for the transitional energy facility assessment made against any remitter in the first year of assessment shall be an amount equal to TEFA unit rate surcharges (excluding the provision for corporation business taxes included therein) determined in section 67 of P.L.1997, c.162 (C.48:2-21.34) multiplied by the associated therms of natural gas and kilowatthours of electricity sold or transported for sale to ultimate consumers in New Jersey in the first year plus any advances paid in the initial year pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) by that remitter.

(2) The liability for the transitional energy facility assessment made against any remitter for each year subsequent to the first year shall be an amount equal to the TEFA unit rate surcharges (excluding the provision for corporation business taxes included therein) calculated in section 67 of P.L.1997, c.162 (C.48:2-21.34) for that year multiplied by the associated therms of natural gas and kilowatthours of electricity sold or transported for sale to ultimate consumers in New Jersey in that year.

b. A credit against the liability determined pursuant to paragraph (1) of subsection a. of this section shall be taken in the first year by the remitter in the amount of all advances paid in the initial year pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.).

c. (1) Each remitter shall make an estimated payment on May 15 of the first assessment year in the amount of the base year transitional energy facility assessment.

(2) Subsequent to the first year, each remitter shall make an estimated payment on May 15 of each assessment year in which the transitional energy facility assessment is in effect, in an amount equal to the transitional energy facility assessment liability described in subsection a. of this section for the immediately preceding assessment year, excluding advances paid in the initial year pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.), reduced by the applicable reduction percentage, if any, for the current assessment year determined pursuant to paragraphs (2), (3) and (4) or paragraph (5) of subsection d. of section 67 of P.L.1997, c.162 (C.48:2-21.34) less credits described in subsection d. of this section, if any.

d. Any excess of the estimated payment made pursuant to paragraph (1) or (2) of subsection c. of this section over the liability determined pursuant to subsection a. of this section shall be treated as a credit against the estimated payment for the subsequent assessment year and reduce the amount of the estimated payment required to be made for that subsequent year. Any excess of the estimated payment made pursuant to paragraph (2)
of subsection c. of this section over the liability for the final year of the transitional energy facility assessment shall be utilized as a nonrefundable credit with an unlimited carryforward against that remitter's corporation business tax liability in the subsequent privilege period year. Such credit shall be applied in full to each estimated corporation business tax payment beginning in the subsequent privilege period until fully utilized.

4. Section 67 of P.L.1997, c.162 (C.48:2-21.34) is amended to read as follows:

C.48:2-21.34 Definitions relative to 1997 tax changes; filings required; formulas; adjustments to rates.

67. a. As used in this section:

"Base rates" means the rates, including minimum bills, charged for utility commodities or service subject to the board's jurisdiction, other than the rates charged under a utility's levelized energy adjustment clause, hereinafter "LEAC," or levelized gas adjustment clause, hereinafter "LGAC," or equivalent rate provision;

"Base year" means the calendar year 1996;

"Board" means the Board of Public Utilities;

"Sales and use tax" means the sales and use tax liability computed on sales and use of energy and utility service as defined in section 2 of P.L.1966, c.30 (C.54:32B-2);

"Utility" means a public utility subject to regulation by the board pursuant to Title 48 of the Revised Statutes; and

"Utility service" means the supply, transmission, distribution or transportation of electricity, natural gas or telecommunications services or any combination of such commodities, processes or services.

b. No later than 60 days after the date this act is enacted, each electric, gas and telecommunications utility subject to the provisions of this act shall file with the board, and shall simultaneously provide copies to the Director of the Division of the Ratepayer Advocate, revised tariffs and such other supporting schedules, narrative and documentation required by this act, as set forth in this section, to reflect in the utility's rates the changes in tax liability effected pursuant to this act. No later than 90 days after the date of the utility's filing, and after determining that the filing and the rate changes provided for therein are in compliance with the provisions of this act, the board shall approve the utility's filing and associated rates for billing to the utility's customers, effective for utility service rendered on and after January 1, 1998. If the board determines that the utility's filing and the associated rate changes provided for therein are not in compliance with the provisions of this act, the board shall require the utility to amend or otherwise modify its filing to render it in compliance. The board may also permit the rates
provided for in the utility's filing to be implemented on an interim basis pending the board's final determination in the event the board, in its discretion, determines that due to the filing's complexity, or for other valid reasons, including but not limited to the enactment of this act after June 30, 1997, additional time is needed for the board to complete its review of the filing. If the rates approved by the board upon its final determination are less than the rates implemented on an interim basis, the difference shall be refunded to the utility's customers with interest computed in accordance with N.J.A.C.14:3-7.5(c). The rate adjustments implemented pursuant to this act shall not constitute a fixing of rates pursuant to R.S.48:2-21 and shall not be subject to the hearing requirements set forth in that section.

c. As of the effective date of the rate changes implemented pursuant to this act, and except for rates applicable to sales that were or are currently exempt from the unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) and rates applicable to sales to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies, the board shall remove from the base rates of each electric public utility and gas public utility the unit tax rates included therein for the recovery of those unit-based energy taxes, and include therein provision for the recovery of corporation business tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and additionally shall authorize the collection of the sales and use tax imposed pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), as follows:

(1) The base rates of each gas and electric utility shall be reduced by the amount of the unit-based energy taxes per kilowatt-hour or per therm included therein.

(2) The provision for corporation business tax initially included in the base rates of each gas and electric utility shall be based on the utility's after-tax net income earned in the base year as booked, unless the board determines, in its discretion, that such income as booked is unusually high or low or otherwise unrepresentative of the utility's prospective net income, in which case the utility's base year net income shall be adjusted as determined by the board.

To permit the board to make this determination, in addition to including in its filing schedules showing its net income earned in the base year as booked, the utility shall include adjustments to such booked income to eliminate the effect of revenues, expenses and extraordinary or other charges that are non-recurring, atypical, or both, including, but not limited to an adjustment to eliminate the effect of unusually hot or cold weather, and that would otherwise make the utility's base year net income unusually high or low or otherwise unrepresentative of the utility's prospective net income. If the adjustment is being made to eliminate the effect of unusually hot or cold weather, associated revenue and expense adjustments shall also
be made. Subject to the board's approval, such adjusted income shall be the
basis for the calculation of the initial provision for corporation business tax
to be included in the utility's base rates.

The utility shall also include a calculation of its rate of return on
common equity achieved in the base year, both as booked and as adjusted
in accordance with the foregoing. The calculation shall be made employing
the methodology set forth in N.J.A.C.14:12-4.2(b), and shall separately
show the effect of reflecting adjustments to the calculation, if any, that may
have been employed historically in establishing the utility's rate of return on
common equity allowed for ratemaking purposes. The utility's filing shall
also include copies of its audited financial statements for the base year and
associated quarterly and other reports filed with the Securities and Exchange
Commission.

To reflect the provision for corporation business tax in base rates, the
demand charges, or charges per kilowatt, decatherm or million cubic feet;
the energy charges, or charges per kilowatthour or per therm; and the
customer charges, or charges other than demand and energy charges, set
forth in each base rate schedule, and the floor price employed in parity rate
schedules, included in the utility's tariff filed with and approved by the
board shall be increased by amounts determined by multiplying such
charges by the adjustment factor, "A e, g" derived below:

\[
A_e, g = \frac{(I_e, g) \times \left[R_s/(1-R_e)\right]}{(B_r e, g)}
\]

where:

"A e, g" means the adjustment factor applicable to electric base rates (e),
gas base rates (g), or both, other than rates applicable to sales that were
exempt from unit-based energy taxes formerly imposed pursuant to
P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997,
c.162 (C.48:2-21.31) applies;

"I e, g" means the utility's base year after-tax net income from electric
or gas sales, or both, and transportation service subject to the board's
jurisdiction and other operating revenue if such revenue is reflected in the
utility's cost of service for ratemaking purposes, adjusted as approved by the
board;

"B r e, g" means the utility's base year revenue from base rates applicable
to electric or gas sales, or both, and transportation service subject to the
board's jurisdiction, but excluding sales that were exempt from unit-based
energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et
seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;
"Rs" means the corporation business tax rate, expressed as a decimal; "Rf" means the applicable federal corporation income tax rate expressed as a decimal; and "Re" equals Rs + Rf(1-Rs).

The utility shall account for the changes in tax liability provided for by this act effective January 1, 1998. Such accounting shall include the recording on the utility's income statement and balance sheet of deferred corporation business tax defined, for book accounting purposes, as differences in corporation business tax expense arising from timing differences in the recognition of revenue and expenses for book and tax purposes.

(3) When billed to the utility's customers, the adjusted base rate charges determined pursuant to paragraphs (1), (2), and (4) of this subsection, and the charges determined pursuant to the utility's levelized energy adjustment clause, levelized gas adjustment clause, or both, as determined both upon the effective date of the rate changes authorized by this act and as revised prospectively in accordance with the utility's tariff filed with and approved by the board, and the transitional energy facility assessment unit rate surcharges, hereinafter, "TEFA unit rate surcharges," determined in accordance with subsection d. of this section, shall be increased by an amount determined by multiplying such charges by the sales and use tax rate imposed under P.L.1966, c.36 (C.54:32B-1 et seq.). In addition to the utility's rates for service included in its tariff, for informational purposes the tariff shall include such rates after application of the sales and use tax authorized by this section.

(4) The utility's filing with the board to implement the rate changes provided for by this act shall include an analysis, description, and quantification of the effect of the changes in rates and tax payments implemented pursuant to this act on the utility's requirement for cash working capital, and if such requirement is less than the cash working capital allowed for the collection and payment of unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) in determining the utility's base rates in effect prior to the rate changes implemented pursuant to this act, and to the extent the working capital reduction is not offset by a reduction in net deferred taxes as provided for below, such base rates shall be reduced by the reduction in the utility's revenue requirement associated with the remaining reduction in the working capital requirement not so offset, if any. The reduction in working capital shall be determined by using the same methodology employed in establishing the working capital allowance related to unit-based energy taxes reflected in the utility's base rates in effect prior to the rate changes implemented pursuant to this act. The reduction in the utility's revenue requirement associated with the
reduced working capital requirement shall be calculated using the utility's last overall rate of return allowed by the board, including provision for federal income taxes and the corporation business tax implemented pursuant to this act payable on the equity portion of the return, and shall be implemented on the effective date of the rate changes provided for, and in the manner set forth in paragraph (2) of this subsection.

If the utility's requirement for cash working capital is increased as a result of the changes in rates and tax payments implemented pursuant to this act, the utility may accrue carrying costs, calculated at its last overall rate of return allowed by the board and applied on a simple annual interest basis without compounding, on the increased working capital requirement and request recovery of such carrying costs in a rate proceeding before the board.

The working capital-related base rate changes and carrying cost accruals shall be subject to the board's approval, and shall not be included in the determination of the TEFA unit tax surcharges provided for in subsection d. of this section.

The utility's filing with the board to implement the rate changes provided for by this act shall also include an analysis, description and quantification of net deferred taxes. For the purposes of this section, "net deferred taxes" means deferred corporation business taxes, net of federal deferred income taxes, associated with the tax and rate changes implemented pursuant to this act, including deferred corporation business tax recorded in accordance with section 4 of P.L.1945, c.162 (C.54:10A-4), projected for the calendar year in which this act takes effect and for each year of the tax life of the asset giving rise to the deferred corporation business taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4).

If the change in such net deferred taxes projected for the calendar year in which the rate changes implemented pursuant to this act takes effect is negative and if the utility's requirement for working capital is reduced as a result of the changes in rates and tax payments implemented pursuant to this act, the working capital-related rate reduction that otherwise would have been implemented pursuant to this subsection shall be treated as set forth in subparagraph (a) or (b) of this paragraph. For the purposes of this act, a change in net deferred taxes is considered negative when it reduces an existing deferred tax liability or creates a deferred tax asset on the utility's balance sheet. An appropriate rate adjustment for the working capital impacts of this act, reflecting all relevant facts and circumstances at the time of the adjustment, shall be made in the year when the earlier of the following events occur:

(a) The year in which the reduction in carrying costs assumed for the rate reduction for working capital that would have been made but for this
paragraph is no longer required to offset, on a present value basis, the annual carrying costs calculated on the accumulated balance of negative net deferred taxes projected to be recorded by the utility, its successors and assigns, over the tax life of the single asset account giving rise to such net deferred taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4). For the purposes of this subparagraph (a):

(i) Carrying costs and present values are to be computed using the weighted average after-tax rate of return approved by the board in the utility’s last base rate proceeding.

(ii) The accumulated balance of such negative net deferred taxes shall include net deferred taxes associated with all assets and liabilities originally placed in service by the utility and held by the utility or a company affiliated with the utility regardless of whether or not such assets continue to be subject to regulation by the New Jersey Board of Public Utilities.

(b) The year in which both an appropriate working capital adjustment and the accumulated balance of negative deferred taxes, as described in (ii) of subparagraph (a) of this paragraph (4), are reflected in the utility’s rate base in a rate proceeding before the board. It is the intent of this section to fully compensate utilities on a present value basis, for the carrying costs associated with negative net deferred taxes arising as a result of this act, and to remit to ratepayers any credit due them as a result of any overcompensation as may have occurred due to the treatment of working capital and deferred taxes as set forth herein or in subparagraph (a) of this paragraph (4). At the time the above base rate adjustment is made, an analysis shall be made to determine if such carrying costs have been or will be fully recovered pursuant to the intent of this provision and any additional credit or charge to ratepayers to adjust for ratepayer overpayments or underpayments, if any shall be addressed.

If the change in net deferred taxes is positive, the increase shall be added to, or increase, the reduction in the utility’s requirement for working capital if the requirement is reduced as a result of the rate and tax payment changes implemented pursuant to this act, or subtracted from the working capital requirement if it is increased, and the resultant net working capital requirement shall be reflected in rates or accrue carrying costs in the same manner as prescribed for changes in the utility’s requirement for working capital above.

The deferred tax-related rate changes or carrying cost accruals shall be subject to the board’s approval and shall not be included in the determination of the TEFA unit rate surcharges provided for in subsection d. of this section.

d. (1) Electric and gas utilities shall file, for the board’s review and approval, initial TEFA unit rate surcharges determined by deducting from
each unit-based energy tax unit tax rate effective January 1, 1997 the following: (a) An amount per kilowatthour or per therm determined by multiplying the total revenue received in the base year from sales to which that unit tax rate would have been applicable by the factor $R_u/(1 + R_u)$, where $R_u$ is the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.) expressed as a decimal, and dividing the result by the kilowatthours or therms billed in that unit tax rate class in the base year; and (b) An amount per kilowatthour or per therm determined by dividing the revenue that would have been received in the base year from the inclusion, in the manner prescribed in paragraph (2) of subsection c. of this section, of the corporation business tax in the rates applicable to sales billed in that unit tax rate class by the kilowatthours or therms billed in that rate class. In each case, the determination shall reflect the effect of adjustments that affect the level of sales and revenue, if any, as provided in subsection c. of this section. Of the resultant rate per kilowatthour or per therm, the portion for recovery of the utility's transitional energy facilities assessment liability shall be determined by multiplying such rate by the factor $(1 - R_s)$, where $R_s$ is the corporation business tax rate expressed as a decimal. The TEFA unit rate surcharges shall constitute non-bypassable wires and/or mains charges of the utility, and shall be applied to all sales within the customer classes to which they apply, regardless of whether such customers are purchasing bundled or unbundled services from the utility, but shall not be applied to sales that were or are currently exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies.

If, following the effective date of this act, a customer taking bundled service from the utility shall elect to obtain its requirements from another supplier and take transportation or wheeling service from the utility, the TEFA unit rate surcharge applicable to the bundled service shall continue to apply to the transportation or wheeling service. The TEFA components of the unit rate surcharges determined pursuant to this subsection (the components of the surcharges remaining after deducting the provision for corporation business tax included therein) shall be used to determine the transitional energy facility assessment liability pursuant to sections 36 through 49 of P.L.1997, c.162 (C.54:30A-100 through C.54:30A-113).

(2) Unless reduced pursuant to paragraphs (3) and (4) of this subsection, the initial TEFA unit rate surcharges are to be reduced annually on January 1, 1999 through January 1, 2001 by the following percentages:

<table>

<tr>

<td>60%</td>

</tbody>
</table>
(3) For each year beginning with calendar year 1998 and ending with calendar year 2001, the TEFA surcharge adjustment shall be determined as the difference between:

(a) The sum of the estimated, or actual when known, (i) TEFA liabilities, as defined in section 43 of P.L.1997, c.162 (C.54:30A-107), and sales and use taxes collected and corporation business taxes booked for the year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act (the year 1998 liability), and (ii) the TEFA liabilities of those utilities and entities in all years following the year 1998 through the year in which a determination is being made pursuant to this subsection (the determination year); and

(b) The sum of (i) the total of each remitter's base year liability, as defined in section 37 of P.L.1997, c.162 (C.54:30A-101), and (ii) the cumulative TEFA obligation, defined as the sum through the determination year of the amounts calculated by multiplying, for the applicable year, the percentage in the second column of the following table:

by the Year 1998 TEFA, where the Year 1998 TEFA is calculated as the total of each remitter's base year liability less the sales and use taxes collected and the corporation business taxes booked for the privilege period ending in calendar year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act. For purposes of this subsection, the amounts assumed for the determination year, including the year 1998 liability when first determined for the purposes of this subsection, shall be estimates based on nine months of actual data through and including the month of September, and three months of data forecast for the months of October through December.

(4) If the TEFA surcharge adjustment determined for the determination year is positive (that is, if the amount determined pursuant to subparagraph (a) of paragraph (3) of this subsection is greater than the amount determined pursuant to subparagraph (b) of paragraph (3) of this subsection), no reduction shall be made in the reduction in the TEFA unit rate surcharges provided for in paragraph (2) of this subsection for the year following the determination year. If the TEFA surcharge adjustment is negative, the
reduction in the TEFA unit rate surcharges that otherwise would have been implemented on January 1 of the year following the determination year pursuant to paragraph (2) of this subsection shall be reduced by an amount (by percentage points) equal to the percentage the TEFA surcharge adjustment is of the total of the base year transitional energy facility assessment of all remitters, as defined in section 37 of P.L. 1997, c. 162 (C.54:30A-101), provided however, that such reduction in the reduction in the TEFA unit rate surcharges shall not exceed the percentage shown in paragraph (2) of this subsection for that year; and provided further that in the first two years, that such reduction shall not exceed 10 percentage points for each year.

(5) (a) The TEFA unit rate surcharges for calendar years 2002 through 2004 shall be the same as the TEFA unit rate surcharges in effect for calendar year 2001.

(b) The TEFA unit rate surcharges in effect for calendar year 2004 shall be reduced annually on January 1, 2005 through January 1, 2006 by the following percentages:

e. The utility's filing with the board to implement the rate changes provided for by this act shall include proof of revenue schedules that show for each rate schedule included in the utility's tariff, aggregated by unit-based energy tax unit tax classes, the number of customers billed under the rate schedule, the billing determinants of such customers (i.e. the kilowatts of billing demand and kilowatthours of electric energy consumed, and the million cubic feet/decatherm subject to gas capacity-related charges and decatherm of gas consumed) and the associated revenue, both as booked in the base year and on a pro forma basis reflecting the rate changes implemented pursuant to this act. The proof of revenue shall additionally show the amount of unit-based energy taxes included in the base year revenue as booked, the unit-based energy taxes that would have been collected at the unit-based energy tax unit tax rates effective January 1, 1997, if different, as well as the corporation business tax, sales and use tax and transitional energy facility assessment revenue that would have been collected or received on a pro forma basis if the rates implemented pursuant to this act had been in effect in the base year.

f. The board may, in its discretion, permit the rate changes provided for this act to be implemented as part of a pending base rate case or other proceeding in which the utility's rates are to be changed, provided that the effective date of the changes is not delayed beyond the date on which the changes would have been implemented under subsection c. of this section. The board may also, pursuant to its powers provided by law, permit or require
further modifications in the implementation of this section to address unforeseen consequences arising out of the implementation of this act.

g. Customers of the utility who are exempt from the sales and use tax imposed on sales of gas and/or electricity or as a result of rate changes occurring prior to the effective date of this act or for other valid reasons are due a refund of sales or use tax inadvertently imposed on such customers as a result of implementing the rate changes provided for by this act shall file with the State Treasurer to obtain such refunds. The State Treasurer shall promptly notify the utility of customers granted refunds under this provision in order to prevent additional collections of the sales and use tax from such customers.

h. Public utilities providing telecommunications service regulated by the board shall file for the board's review and approval revised tariffs that eliminate from the rates applicable to such service the excise tax liability included therein pursuant to P.L.1940, c.4 (C.54:30A-16 et seq.), and shall include therein the corporation business tax calculated using the methodology used in calculating the adjustment factor set forth in paragraph (2) of subsection c. of this section. Subsection d. of this section shall not apply to telecommunication utilities, and telecommunication utilities subject to a plan of regulation other than rate base/rate of return shall additionally not be required to file the rate of return information required by paragraph (2) of subsection c. Such utilities shall, however, include a narrative and/or other documentation as required by the board to support the reasonableness of the after-tax income, which may be adjusted to eliminate the effect of non-recurring or other atypical events, on which the corporate business tax inclusion in rates is based. Telecommunications utilities shall comply with all other applicable provisions of this section.

i. (1) The board shall not adjust the rates of a public utility, as provided in subsections c. and d. of this section, for a purchase by a cogenerator of natural gas and the transportation of that gas, that is exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46). The board shall not allocate, in any future rate case, any sales and use tax, corporation business tax, or transitional energy facility assessment to rates for this purpose.

(2) The board shall adjust the rates, as provided in subsection c. of this section, for a purchase by a cogenerator of any quantity of natural gas and the transportation of that gas that is not exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46).

(3) For the purposes of this section, "cogenerator" means a person or business entity that owns or operates a cogeneration facility in the State of New Jersey, which facility is a plant, installation or other structure whose
primary purpose is the sequential production of electricity and steam or other forms of useful energy which are used for industrial, commercial, heating or cooling purposes, and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utility Regulatory Policies Act of 1978," Pub.L.95-617.

5. This act shall take effect immediately and be retroactive to January 1, 2002.

Approved January 8, 2002.

AN ACT concerning affordable housing, amending and supplementing P.L.1985, c.222.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1985, c.222 (C.52:27D-307) is amended to read as follows:

C.52:27D-307 Duties of council.

7. It shall be the duty of the council, seven months after the confirmation of the last member initially appointed to the council, or January 1, 1986, whichever is earlier, and from time to time thereafter, to:

a. Determine housing regions of the State;

b. Estimate the present and prospective need for low and moderate income housing at the State and regional levels;

c. Adopt criteria and guidelines for:

   (1) Municipal determination of its present and prospective fair share of the housing need in a given region which shall be computed for a 10-year period. Municipal fair share shall be determined after crediting on a one-to-one basis each current unit of low and moderate income housing of adequate standard, including any such housing constructed or acquired as part of a housing program specifically intended to provide housing for low and moderate income households. Notwithstanding any other law to the contrary, a municipality shall be entitled to a credit for a unit if it demonstrates that (a) the municipality issued a certificate of occupancy for the unit, which was either newly constructed or rehabilitated between April 1, 1980 and December 15, 1986; (b) a construction code official certifies, based upon a visual exterior survey, that the unit is in compliance with pertinent construction code standards with respect to structural elements, roofing, siding, doors and windows; (c) the household occupying the unit certifies in writing, under penalty of perjury, that it receives no greater income than that established pursuant to section 4 of P.L.1985, c.222 (C.52:27D-304) to qualify for moderate income housing; and (d) the unit for which credit is sought is affordable to low and moderate income households under the standards established by the council at the time of filing of the petition for substantive certification. It shall be
sufficient if the certification required in subparagraph (c) is signed by one member of the household. A certification submitted pursuant to this paragraph shall be reviewable only by the council or its staff and shall not be a public record;

Nothing in P.L.1995, c.81 shall affect the validity of substantive certification granted by the council prior to November 21, 1994, or to a judgment of compliance entered by any court of competent jurisdiction prior to that date. Additionally, any municipality that received substantive certification or a judgment of compliance prior to November 21, 1994 and filed a motion prior to November 21, 1994 to amend substantive certification or a judgment of compliance for the purpose of obtaining credits, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81. Any municipality that filed a motion prior to November 21, 1994 for the purpose of obtaining credits, which motion was supported by the results of a completed survey performed pursuant to council rules, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81;

(2) Municipal adjustment of the present and prospective fair share based upon available vacant and developable land, infrastructure considerations or environmental or historic preservation factors and adjustments shall be made whenever:

(a) The preservation of historically or important architecture and sites and their environs or environmentally sensitive lands may be jeopardized,

(b) The established pattern of development in the community would be drastically altered,

(c) Adequate land for recreational, conservation or agricultural and farmland preservation purposes would not be provided,

(d) Adequate open space would not be provided,

(e) The pattern of development is contrary to the planning designations in the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.),

(f) Vacant and developable land is not available in the municipality, and

(g) Adequate public facilities and infrastructure capacities are not available, or would result in costs prohibitive to the public if provided; and

(3) (Deleted by amendment, P.L.1993, c.31).
d. Provide population and household projections for the State and housing regions;

e. In its discretion, place a limit, based on a percentage of existing housing stock in a municipality and any other criteria including employment opportunities which the council deems appropriate, upon the aggregate number of units which may be allocated to a municipality as its fair share of the region's present and prospective need for low and moderate income housing. No municipality shall be required to address a fair share beyond 1,000 units within ten years from the grant of substantive certification, unless it is demonstrated, following objection by an interested party and an evidentiary hearing, based upon the facts and circumstances of the affected municipality that it is likely that the municipality through its zoning powers could create a realistic opportunity for more than 1,000 low and moderate income units within that ten-year period. For the purposes of this section, the facts and circumstances which shall determine whether a municipality's fair share shall exceed 1,000 units, as provided above, shall be a finding that the municipality has issued more than 5,000 certificates of occupancy for residential units in the ten-year period preceding the petition for substantive certification in connection with which the objection was filed.

For the purpose of crediting low and moderate income housing units in order to arrive at a determination of present and prospective fair share, as set forth in paragraph (1) of subsection c. of this section, housing units comprised in a community residence for the developmentally disabled, as defined in section 2 of P.L.1977, c.448 (C.30:11B-2), shall be fully credited pursuant to rules promulgated or to be promulgated by the council, to the extent that the units are affordable to persons of low and moderate income and are available to the general public.

In carrying out the above duties, including, but not limited to, present and prospective need estimations the council shall give appropriate weight to pertinent research studies, government reports, decisions of other branches of government, implementation of the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.) and public comment. To assist the council, the State Planning Commission established under that act shall provide the council annually with economic growth, development and decline projections for each housing region for the next ten years. The council shall develop procedures for periodically adjusting regional need based upon the...
low and moderate income housing that is provided in the region through any federal, State, municipal or private housing program.

2. Section 10 of P.L.1985, c.222 (C.52:27D-310) is amended to read as follows:

C.52:27D-310 Essential components of municipality's housing element.

10. A municipality's housing element shall be designed to achieve the goal of access to affordable housing to meet present and prospective housing needs, with particular attention to low and moderate income housing, and shall contain at least:

a. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low and moderate income households and substandard housing capable of being rehabilitated, and in conducting this inventory the municipality shall have access, on a confidential basis for the sole purpose of conducting the inventory, to all necessary property tax assessment records and information in the assessor's office, including but not limited to the property record cards;

b. A projection of the municipality's housing stock, including the probable future construction of low and moderate income housing, for the next ten years, taking into account, but not necessarily limited to, construction permits issued, approvals of applications for development and probable residential development of lands;

c. An analysis of the municipality's demographic characteristics, including but not necessarily limited to, household size, income level and age;

d. An analysis of the existing and probable future employment characteristics of the municipality;

e. A determination of the municipality's present and prospective fair share for low and moderate income housing and its capacity to accommodate its present and prospective housing needs, including its fair share for low and moderate income housing; and

f. A consideration of the lands that are most appropriate for construction of low and moderate income housing and of the existing structures most appropriate for conversion to, or rehabilitation for, low and moderate income housing, including a consideration of lands of developers who have expressed a commitment to provide low and moderate income housing.

3. Section 11 of P.L.1985, c.222 (C.52:27D-311) is amended to read as follows:
C.52:27D-311 Provision of fair share by municipality.

11. a. In adopting its housing element, the municipality may provide for its fair share of low and moderate income housing by means of any technique or combination of techniques which provide a realistic opportunity for the provision of the fair share. The housing element shall contain an analysis demonstrating that it will provide such a realistic opportunity, and the municipality shall establish that its land use and other relevant ordinances have been revised to incorporate the provisions for low and moderate income housing. In preparing the housing element, the municipality shall consider the following techniques for providing low and moderate income housing within the municipality, as well as such other techniques as may be published by the council or proposed by the municipality:

(1) Rezoning for densities necessary to assure the economic viability of any inclusionary developments, either through mandatory set-asides or density bonuses, as may be necessary to meet all or part of the municipality's fair share;

(2) Determination of the total residential zoning necessary to assure that the municipality's fair share is achieved;

(3) Determination of measures that the municipality will take to assure that low and moderate income units remain affordable to low and moderate income households for an appropriate period of not less than six years;

(4) A plan for infrastructure expansion and rehabilitation if necessary to assure the achievement of the municipality's fair share of low and moderate income housing;

(5) Donation or use of municipally owned land or land condemned by the municipality for purposes of providing low and moderate income housing;

(6) Tax abatements for purposes of providing low and moderate income housing;

(7) Utilization of funds obtained from any State or federal subsidy toward the construction of low and moderate income housing;

(8) Utilization of municipally generated funds toward the construction of low and moderate income housing; and

(9) The purchase of privately owned real property used for residential purposes at the value of all liens secured by the property, excluding any tax liens, notwithstanding that the total amount of debt secured by liens exceeds the appraised value of the property,
pursuant to regulations promulgated by the Commissioner of Community Affairs pursuant to subsection b. of section 41 of P.L.2000, c.126 (C.52:27D-311.2).

b. The municipality may provide for a phasing schedule for the achievement of its fair share of low and moderate income housing.

c. The municipality may propose that a portion of its fair share be met through a regional contribution agreement. The housing element shall demonstrate, however, the manner in which that portion will be provided within the municipality if the regional contribution agreement is not entered into. The municipality shall provide a statement of its reasons for the proposal.

d. Nothing in P.L.1985, c.222 shall require a municipality to raise or expend municipal revenues in order to provide low and moderate income housing.

e. When a municipality's housing element includes the provision of rental housing units in a community residence for the developmentally disabled, as defined in section 2 of P.L.1977, c.448 (C.30:11B-2), which will be affordable to persons of low and moderate income, and for which adequate measures to retain such affordability pursuant to paragraph (3) of subsection a. of this section are included in the housing element, those housing units shall be fully credited as permitted under the rules of the council towards the fulfillment of the municipality's fair share of low and moderate income housing.

f. It having been determined by the Legislature that the provision of housing under this act is a public purpose, a municipality or municipalities may utilize public monies to make donations, grants or loans of public funds for the rehabilitation of deficient housing units and the provision of new or substantially rehabilitated housing for low and moderate income persons, providing that any private advantage is incidental.

4. Section 12 of P.L.1985, c.222 (C.52:27D-312) is amended to read as follows:

C.52:27D-312 Regional contribution agreements.

12. a. A municipality may propose the transfer of up to 50% of its fair share to another municipality within its housing region by means of a contractual agreement into which two municipalities voluntarily enter. A municipality may also propose a transfer by contracting with the agency or another governmental entity designated by the council if the council determines that the municipality has exhausted all possibilities within its housing region. A munici-
pality proposing to transfer to another municipality, whether
directly or by means of a contract with the agency or another
governmental entity designated by the council, shall provide the
council with the housing element and statement required under
subsection c. of section 11 of P.L.1985, c.222 (C.52:27D-311), and
shall request the council to determine a match with a municipality
filing a statement of intent pursuant to subsection e. of this section.
Except as provided in subsection b. of this section, the agreement
may be entered into upon obtaining substantive certification under
section 14 of P.L.1985, c.222 (C.52:27D-314), or anytime thereafter.
The regional contribution agreement entered into shall specify how
the housing shall be provided by the second municipality, hereinafter
the receiving municipality, and the amount of contributions to be
made by the first municipality, hereinafter the sending municipality.

b. A municipality which is a defendant in an exclusionary
zoning suit and which has not obtained substantive certification
pursuant to P.L.1985, c.222 may request the court to be permitted to
fulfill a portion of its fair share by entering into a regional contribu-
tion agreement. If the court believes the request to be reasonable,
the court shall request the council to review the proposed agreement
and to determine a match with a receiving municipality or munici-
palities pursuant to this section. The court may establish time
limitations for the council's review, and shall retain jurisdiction over
the matter during the period of council review. If the court deter-
mines that the agreement provides a realistic opportunity for the
provision of low and moderate income housing within the housing
region, it shall provide the sending municipality a credit against its
fair share for housing to be provided through the agreement in the
manner provided in this section. The agreement shall be entered
into prior to the entry of a final judgment in the litigation. In cases
in which a final judgment was entered prior to the date P.L.1985,
c.222 takes effect and in which an appeal is pending, a municipality
may request consideration of a regional contribution agreement;
provided that it is entered into within 120 days after P.L.1985, c.222
takes effect. In a case in which a final judgment has been entered,
the court shall consider whether or not the agreement constitutes an
expeditious means of providing part of the fair share.

c. Regional contribution agreements shall be approved by the
council, after review by the county planning board or agency of the
county in which the receiving municipality is located. The council
shall determine whether or not the agreement provides a realistic
opportunity for the provision of low and moderate income housing within convenient access to employment opportunities. The council shall refer the agreement to the county planning board or agency which shall review whether or not the transfer agreement is in accordance with sound, comprehensive regional planning. In its review, the county planning board or agency shall consider the master plan and zoning ordinance of the sending and receiving municipalities, its own county master plan, and the State development and redevelopment plan. In the event that there is no county planning board or agency in the county in which the receiving municipality is located, the council shall also determine whether or not the agreement is in accordance with sound, comprehensive regional planning. After it has been determined that the agreement provides a realistic opportunity for low and moderate income housing within convenient access to employment opportunities, and that the agreement is consistent with sound, comprehensive regional planning, the council shall approve the regional contribution agreement by resolution. All determinations of a county planning board or agency shall be in writing and shall be made within such time limits as the council may prescribe, beyond which the council shall make those determinations and no fee shall be paid to the county planning board or agency pursuant to this subsection.

d. In approving a regional contribution agreement, the council shall set forth in its resolution a schedule of the contributions to be appropriated annually by the sending municipality. A copy of the adopted resolution shall be filed promptly with the Director of the Division of Local Government Services in the Department of Community Affairs, and the director shall thereafter not approve an annual budget of a sending municipality if it does not include appropriations necessary to meet the terms of the resolution. Amounts appropriated by a sending municipality for a regional contribution agreement pursuant to this section are exempt from the limitations or increases in final appropriations imposed under P.L.1976, c.68 (C.40A:4-45.1 et seq.).

e. The council shall maintain current lists of municipalities which have stated an intent to enter into regional contribution agreements as receiving municipalities, and shall establish procedures for filing statements of intent with the council. No receiving municipality shall be required to accept a greater number of low and moderate income units through an agreement than it has expressed a willingness to accept in its statement, but the number stated shall not be less than a reasonable minimum number of units, not to
exceed 100, as established by the council. The council shall require a project plan from a receiving municipality prior to the entering into of the agreement, and shall submit the project plan to the agency for its review as to the feasibility of the plan prior to the council's approval of the agreement. The agency may recommend and the council may approve as part of the project plan a provision that the time limitations for contractual guarantees or resale controls for low and moderate income units included in the project shall be less than 30 years, if it is determined that modification is necessary to assure the economic viability of the project.

f. The council shall establish guidelines for the duration and amount of contributions in regional contribution agreements. In doing so, the council shall give substantial consideration to the average of: (1) the median amount required to rehabilitate a low and moderate income unit up to code enforcement standards; (2) the average internal subsidization required for a developer to provide a low income housing unit in an inclusionary development; (3) the average internal subsidization required for a developer to provide a moderate income housing unit in an inclusionary development. Contributions may be prorated in municipal appropriations occurring over a period not to exceed ten years and may include an amount agreed upon to compensate or partially compensate the receiving municipality for infrastructure or other costs generated to the receiving municipality by the development. Appropriations shall be made and paid directly to the receiving municipality or municipalities or to the agency or other governmental entity designated by the council, as the case may be.

g. The council shall require receiving municipalities to file annual reports with the agency setting forth the progress in implementing a project funded under a regional contribution agreement, and the agency shall provide the council with its evaluation of each report. The council shall take such actions as may be necessary to enforce a regional contribution agreement with respect to the timely implementation of the project by the receiving municipality.

5. Section 13 of P.L.1985, c.222 (C.52:27D-313) is amended to read as follows:

C.52:27D-313 Petition for substantive certification.

13. a. A municipality which has filed a housing element may, at any time during a two-year period following the filing of the housing element, petition the council for a substantive certification
of its element and ordinances or institute an action for declaratory judgment granting it repose in the Superior Court, but in no event shall a grant of substantive certification extend beyond a 10-year period starting on the date the municipality files its housing element with the council. The municipality shall publish notice of its petition in a newspaper of general circulation within the municipality and county and shall make available to the public information on the element and ordinances in accordance with such procedures as the council shall establish. The council shall also establish a procedure for providing public notice of each petition which it receives.

b. Notwithstanding the provisions of subsection a. of this section, a municipality which filed a housing element prior to the effective date of P.L.1990, c.121, shall be permitted to petition for substantive certification at any time within two years following that filing, or within one year following the effective date of P.L.1990, c.121, whichever shall result in permitting the municipality the longer period of time within which to petition.

The Council shall establish procedures for a realistic opportunity review at the midpoint of the certification period and shall provide for notice to the public.

C.52:27D-307.6 Methodology for change in calculation for use on June 7, 2000 and after.

6. The change in the calculation of a municipality's determination of present and prospective share of housing need as provided in P.L.2001, c.435 shall apply to the methodology employed by the council for the certification period beginning June 7, 2000 and thereafter.

7. This act shall take effect immediately.

Approved January 10, 2002.

For the 2002-2003 school year, the maximum amount of nonpublic school transportation costs per pupil provided for in N.J.S.18A:39-1 shall equal $735 and this amount shall be increased in each subsequent year in direct proportion to the increase in the State transportation aid per pupil in the year prior to the prebudget year compared to the amount for the prebudget year or by the CPI, whichever is greater.

As used in this section, State transportation aid per pupil shall equal the total State transportation aid payments made pursuant to section 25 of P.L.1996, c.138 (C.18A:7F-25) divided by the number of pupils eligible for transportation. "CPI" means the average annual increase, expressed as a decimal, in the consumer price index for the New York City and Philadelphia areas during the fiscal year preceding the prebudget year as reported by the United States Department of Labor.

Provided however, that the cement foundation to which the supporting structure is attached, and all underground piping and electrical wiring, up to the point of connections with the supporting structure, shall be considered real property.

Real property, as defined herein, shall not be construed to affect any transaction or security interest provided for under the provisions of chapter 9 of Title 12A of the New Jersey Statutes (N.J.S.12A:9-101 et seq.). CHAPTER 443

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. An additional chapter 16, Bias Crimes, is added to Title 2C of the New Jersey Statutes as follows:

Bias intimidation.

2C:16-1. Bias Intimidation.

a. Bias Intimidation. A person is guilty of the crime of bias intimidation if he commits, attempts to commit, conspires with another to commit, or threatens the immediate commission of an offense specified in chapters 11 through 18 of Title 2C of the New Jersey Statutes; N.J.S.2C:33-4; N.J.S.2C:39-3; N.J.S.2C:39-4 or N.J.S.2C:39-5,

(1) with a purpose to intimidate an individual or group of individuals because of race, color, religion, gender, handicap, sexual orientation, or ethnicity; or

(2) knowing that the conduct constituting the offense would cause an individual or group of individuals to be intimidated because of race, color, religion, gender, handicap, sexual orientation, or ethnicity; or

(3) under circumstances that caused any victim of the underlying offense to be intimidated and the victim, considering the manner in which the offense was committed, reasonably believed either that (a) the offense was committed with a purpose to intimidate the victim or any person or entity in whose welfare the victim is interested because of race, color, religion, gender, handicap, sexual orientation, or ethnicity, or (b) the victim or the victim's property was selected to be the target of the offense because of the victim's race, color, religion, gender, handicap, sexual orientation, or ethnicity.

b. Permissive inference concerning selection of targeted person or property. Proof that the target of the underlying offense was selected by
the defendant, or by another acting in concert with the defendant, because of race, color, religion, gender, handicap, sexual orientation, or ethnicity shall give rise to a permissive inference by the trier of fact that the defendant acted with a purpose to intimidate an individual or group of individuals because of race, color, religion, gender, handicap, sexual orientation, or ethnicity.

c. Grading. Bias intimidation is a crime of the fourth degree if the underlying offense referred to in subsection a. is a disorderly persons offense or petty disorderly persons offense. Otherwise, bias intimidation is a crime one degree higher than the most serious underlying crime referred to in subsection a., except that where the underlying crime is a crime of the first degree, bias intimidation is a first-degree crime and the defendant upon conviction thereof may, notwithstanding the provisions of paragraph (1) of subsection a. of N.J.S.2C:43-6, be sentenced to an ordinary term of imprisonment between 15 years and 30 years, with a presumptive term of 20 years.

d. Gender exemption in sexual offense prosecutions. It shall not be a violation of subsection a. if the underlying criminal offense is a violation of chapter 14 of Title 2C of the New Jersey Statutes and the circumstance specified in paragraph (1), (2) or (3) of subsection a. of this section is based solely upon the gender of the victim.

e. Merger. Notwithstanding the provisions of N.J.S.2C:1-8 or any other provision of law, a conviction for bias intimidation shall not merge with a conviction of any of the underlying offenses referred to in subsection a. of this section nor shall any conviction for such underlying offense merge with a conviction for bias intimidation. The court shall impose separate sentences upon a conviction for bias intimidation and a conviction of any underlying offense.

Criteria for withholding or imposing sentence of imprisonment.

2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment. a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court shall consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not it was committed in an especially heinous, cruel, or depraved manner;

(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another offense;

(4) A lesser sentence will depreciate the seriousness of the defendant's offense because it involved a breach of the public trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;

(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant's prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority; the defendant committed the offense because of the status of the victim as a public servant; or the defendant committed the offense against a sports official, athletic coach or manager, acting in or immediately following the performance of his duties or because of the person's status as a sports official, coach or manager;

(9) The need for deterring the defendant and others from violating the law;

(10) The offense involved fraudulent or deceptive practices committed against any department or division of State government;

(11) The imposition of a fine, penalty or order of restitution without also imposing a term of imprisonment would be perceived by the
defendant or others merely as part of the cost of doing business, or as an acceptable contingent business or operating expense associated with the initial decision to resort to unlawful practices;

(12) The defendant committed the offense against a person who he knew or should have known was 60 years of age or older, or disabled;

(13) The defendant, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a stolen motor vehicle.

b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant's conduct neither caused nor threatened serious harm;

(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;

(3) The defendant acted under a strong provocation;

(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;

(5) The victim of the defendant's conduct induced or facilitated its commission;

(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;

(8) The defendant's conduct was the result of circumstances unlikely to recur;

(9) The character and attitude of the defendant indicate that he is unlikely to commit another offense;

(10) The defendant is particularly likely to respond affirmatively to probationary treatment;

(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;

(12) The willingness of the defendant to cooperate with law enforcement authorities;

(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.

(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing
parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

(d) Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others. Notwithstanding the provisions of subsection e. of this section, the court shall deal with a person who has been convicted of theft of a motor vehicle or of the unlawful taking of a motor vehicle and who has previously been convicted of either offense by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than a crime of the first or second degree, who has not previously been convicted of an offense, without imposing sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character and condition of the defendant, it is of the opinion that his imprisonment is necessary for the protection of the public under the criteria set forth in subsection a., except that this subsection shall not apply if the person is convicted of any of the following crimes of the third degree: theft of a motor vehicle; unlawful taking of a motor vehicle; or eluding; or if the person is convicted of a crime of the third or fourth degree constituting bias intimidation in violation of N.J.S.2C:16-1.

(f) Presumptive Sentences. (1) Except for the crime of murder, unless the preponderance of aggravating or mitigating factors, as set forth in subsections a. and b., weighs in favor of a higher or lower term within the limits provided in N.J.S.2C:43-6, when a court determines that a sentence of imprisonment is warranted, it shall impose sentence as follows:

(a) To a term of 20 years for aggravated manslaughter or kidnapping pursuant to paragraph (1) of subsection c. of N.J.S.2C:13-1 when the offense constitutes a crime of the first degree;

(b) Except as provided in paragraph (a) of this subsection to a term of 15 years for a crime of the first degree;

(c) To a term of seven years for a crime of the second degree;

(d) To a term of four years for a crime of the third degree; and

(e) To a term of nine months for a crime of the fourth degree.

In imposing a minimum term pursuant to 2C:43-6b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.
Unless the preponderance of mitigating factors set forth in subsection
b. weighs in favor of a lower term within the limits authorized, sentences
imposed pursuant to 2C:43-7a.(1) shall have a presumptive term of life
imprisonment. Unless the preponderance of aggravating and mitigating
factors set forth in subsections a. and b. weighs in favor of a higher or
lower term within the limits authorized, sentences imposed pursuant to
2C:43-7a.(2) shall have a presumptive term of 50 years' imprisonment;
sentences imposed pursuant to 2C:43-7a.(3) shall have a presumptive
term of 15 years' imprisonment; and sentences imposed pursuant to
2C:43-7a.(4) shall have a presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to 2C:43-7b., the sentencing
court shall specifically place on the record the aggravating factors set
forth in this section which justify the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second degree
where the court is clearly convinced that the mitigating factors substan-
tially outweigh the aggravating factors and where the interest of justice
demands, the court may sentence the defendant to a term appropriate to
a crime of one degree lower than that of the crime for which he was
convicted. If the court does impose sentence pursuant to this paragraph,
or if the court imposes a noncustodial or probationary sentence upon
conviction for a crime of the first or second degree, such sentence shall
not become final for 10 days in order to permit the appeal of such
sentence by the prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. If the
court, in considering the aggravating factors set forth in subsection a.,
finds the aggravating factor in paragraph a.(2) or a.(12) and does not
impose a custodial sentence, the court shall specifically place on the
record the mitigating factors which justify the imposition of a noncusto-
dial sentence.

h. Except as provided in section 2 of P.L.1993, c.123 (C.2C:43-11),
the presumption of imprisonment as provided in subsection d. of this
section shall not preclude the admission of a person to the Intensive
Supervision Program, established pursuant to the Rules Governing the
Courts of the State of New Jersey.

8. N.J.S.2C:44-3 is amended to read as follows:

Criteria for sentence of extended term of imprisonment.

The court may, upon application of the prosecuting attorney, sentence
a person who has been convicted of a crime of the first, second or third
degree to an extended term of imprisonment if it finds one or more of the
grounds specified in subsection a., b., c., or f. of this section. If the grounds specified in subsection d. are found, and the person is being sentenced for commission of any of the offenses enumerated in N.J.S.2C:43-6c. or N.J.S.2C:43-6g., the court shall sentence the defendant to an extended term as required by N.J.S.2C:43-6c. or N.J.S.2C:43-6g., and application by the prosecutor shall not be required. The court shall, upon application of the prosecuting attorney, sentence a person who has been convicted of a crime under N.J.S.2C:14-2 or N.J.S.2C:14-3 to an extended term of imprisonment if the grounds specified in subsection g. of this section are found. The court shall, upon application of the prosecuting attorney, sentence a person who has been convicted of a crime to an extended term of imprisonment if the grounds specified in subsection h. of this section are found. The court shall, upon application of the prosecuting attorney, sentence a person to an extended term if the imposition of such term is required pursuant to the provisions of section 2 of P.L.1994, c.130 (C.2C:43-6.4). The finding of the court shall be incorporated in the record.

A persistent offender is a person who at the time of the commission of the crime is 21 years of age or over, who has been previously convicted on at least two separate occasions of two crimes, committed at different times, when he was at least 18 years of age, if the latest in time of these crimes or the date of the defendant's last release from confinement, whichever is later, is within 10 years of the date of the crime for which the defendant is being sentenced.

b. The defendant has been convicted of a crime of the first, second or third degree and is a professional criminal. A professional criminal is a person who committed a crime as part of a continuing criminal activity in concert with two or more persons, and the circumstances of the crime show he has knowingly devoted himself to criminal activity as a major source of livelihood.

c. The defendant has been convicted of a crime of the first, second or third degree and committed the crime as consideration for the receipt, or in expectation of the receipt, of anything of pecuniary value the amount of which was unrelated to the proceeds of the crime or he procured the commission of the offense by payment or promise of payment of anything of pecuniary value.

"Criminal street gang" means three or more persons associated in fact. Individuals are associated in fact if (1) they have in common a group name or identifying sign, symbol, tattoo or other physical marking, style of dress or use of hand signs or other indicia of association or common leadership, and (2) individually or in combination with other members of a criminal street gang, while engaging in gang related activity, have committed, conspired or attempted to commit, within the preceding three years, two or more offenses of robbery, carjacking, aggravated assault, assault, aggravated sexual assault, sexual assault, arson, burglary, kidnapping, extortion, or a violation of chapter 11, section 3, 4, 5, 6 or 7 of chapter 35 or chapter 39 of Title 2C of the New Jersey Statutes regardless of whether the prior offenses have resulted in convictions.

The court shall not impose a sentence pursuant to this subsection unless the ground therefore has been established by a preponderance of the evidence established at a hearing, which may occur at the time of sentencing. In making its finding, the court shall take judicial notice of any testimony or information adduced at the trial, plea hearing or other
court proceedings and also shall consider the presentence report and any other relevant information.

surrendered to the director immediately upon the registrant's ceasing
to do business at the place named.

6. Section 7 of P.L.1990, c.39 (C.54:40B-7) is amended to read
as follows:

C.54:40B-7 Records of charges, amounts to be kept by distributor, wholesaler.

7. Every distributor or wholesaler required to pay any tax
imposed by this act shall keep records of every charge for and of all
amounts of wholesale price paid or due thereon and of the tax
payable thereon, in such form as the director may require. Records
shall include a true copy of each invoice, receipt, statement or
memorandum upon which the provisions of section 4 of this act
require that the tax paid be stated. Records shall be available for
inspection and examination at any time upon demand by the director
or duly authorized agent or employee and shall be preserved for a
period of three years, except that the director may consent to their
destruction within that period or may require that they be kept
longer.

7. Section 8 of P.L.1990, c.39 (C.54:40B-8) is amended to read
as follows:

C.54:40B-8 Contents of return.

8. a. Every distributor or wholesaler required to pay tax under
this act shall on or before August 20, 1990, and on or before the 20th
day of each month thereafter, make and file a return for the preced-
ing month with the director. The return shall show the total amount
of wholesale price paid for sales to the distributor or wholesaler for
tobacco products that are payable during the period and the amount
of taxes required to be paid with respect to such amount. The return
shall also reflect any use tax due.

b. The director may permit or require returns to be made
covering other periods and upon such dates as the director may
specify. In addition, the director may require payments of tax
liability at such intervals and based upon such classifications as the
director may designate. In prescribing other periods to be covered
by the return or intervals or classifications for payment of tax
liability, the director may take into account the dollar volume of tax
involved as well as the need for ensuring the prompt and orderly
collection of the taxes imposed.

c. The form of returns shall be prescribed by the director and
shall contain such information as the director may deem necessary
for the proper administration of this act. The director may require
amended returns to be filed within 20 days after notice and to
contain the information specified in the notice.

8. Section 9 of P.L.1990, c.39 (C.54:40B-9) is amended to read
as follows:

C.54:40B-9 Payment of taxes; bond; security.

9. Every distributor or wholesaler required to file a return under
this act shall, at the time of filing the return, pay to the director the
taxes imposed by this act. Taxes for the period for which a return is
required to be filed or for a lesser interval as shall have been
designated by the director, shall be due and payable to the director
on the date limited for the filing of the return for the period, or on
the date limited for such lesser interval as the director has desig-
nated, without regard to whether a return is filed or whether the
return which is filed correctly shows the total amount of the
wholesale price paid for sales to the distributor or wholesaler for
tobacco products that are taxable during the period or the taxes due
thereon. If the director deems it necessary to protect the revenues to
be obtained under this act, the director may require a distributor or
wholesaler required to pay the tax imposed by this act to file with
the director a bond, issued by a surety company authorized to
transact business in this State as to solvency and responsibility, in an
amount as the director may fix, to secure the payment of any tax or
penalties or interest due or which may become due from the
distributor or wholesaler under this act. If the director determines
that a distributor or wholesaler is to file a bond, the director shall
give notice to the distributor or wholesaler to that effect specifying
the amount of the bond required. The distributor or wholesaler shall
file the bond within five days after the giving of notice unless within
the five days the distributor or wholesaler requests in writing a
hearing before the director at which the necessity, propriety and
amount of the bond shall be determined by the director. The
determination shall be final and shall be complied with within 15
days after the giving of notice thereof. In lieu of bond, securities
approved by the director or cash in an amount as the director may
prescribe, may be deposited, which shall be kept in the custody of
the director who may at any time without notice to the depositor
apply them to any tax or interest or penalties due, and for that
purpose the securities may be sold by the director at public or private
sale without notice to the depositor thereof.

9. Section 10 of P.L.1990, c.39 (C.54:40B-10) is amended to
read as follows:

C.54:40B-10 Estimation of taxes; notice of determination.

10. If a return required by this act is not filed, or if a return when filed
is incorrect or insufficient, the amount of tax due shall be determined by the
director from such information as may be available. If necessary, the tax
may be estimated on the basis of external indices, such as purchases,
location, scale of charges, comparable charges, number of employees or
other factors. Notice of the determination shall be given to the distributor,
wholesaler, retail dealer or consumer liable for the payment of the tax. The
determination shall finally and irrevocably fix the tax unless the wholesaler,
distributor, retail dealer or consumer against whom it is assessed, within 30
days after the notice date of the determination, shall apply to the director for
a hearing, or unless the director on the director's motion shall redetermine
the same. After the hearing the director shall give notice of the determina-
tion to the wholesaler, distributor, retail dealer or consumer against whom
the tax is assessed.

10. Section 12 of P.L.1990, c.39 (C.54:40B-12) is amended
to read as follows:

C.54:40B-12 Powers of director.

12. In addition to the powers granted in this act, the director
may:

a. Make, adopt and amend rules and regulations appropriate to
the carrying out of this act.

b. Extend, for cause shown by general regulation or individual
authorization, the time of filing any return for a period not exceeding
three months on such terms and conditions as the director may
require; and for cause shown, remit penalties and interest as
provided for in the State Uniform Tax Procedure Law, R.S.54:48-1
et seq.

c. Delegate functions and powers to any officer or employee of
the division, and such of the director's powers as the director may
dean necessary to carry out efficiently the provisions of this act, and
the person or persons to whom such power has been delegated shall possess and may exercise all of the power and perform all of the duties as delegated.

d. Require any distributor or wholesaler required to pay tax to keep detailed records of all amounts of wholesale prices paid for the tobacco products on which taxes are payable, and names and addresses of wholesalers, distributors, retail dealers and consumers, and other facts relevant in determining the amount of tax due and to furnish such information upon request to the director.

e. Assess, determine, revise and readjust the taxes imposed by this act.

f. Enter into agreements with other states and the District of Columbia, providing for the reciprocal enforcement of similar tax laws imposed by the states entering into such an agreement. The agreement may empower the duly authorized officer of any contracting state, which extends like authority to officers or employees of this State, to sue for the collection of that state's taxes in the courts of this State.

11. This act shall take effect on the first day of the second month beginning after enactment and shall apply to tobacco products sold or otherwise disposed of on and after that date, except for those tobacco products for which the tax was paid prior to the effective date.

Approved January 11, 2002.

AN ACT concerning pension funds of certain boards of education in first-class counties and amending and supplementing chapter 66 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:66-97 is amended to read as follows:

Board of trustees, membership, terms, vacancies.

18A:66-97. Any pension fund created or to be created as provided in this article shall be under the control and management of the board of
seven trustees, no more than three of whom shall be employees of the same board of education. The two trustees of the board added pursuant to this act, P.L.2001, c.454, shall be retirees of the pension fund elected by the retirees of the pension fund, and each such member shall serve for a term of two years. The first board selected as provided in section 18A:66-96 shall serve until the month of January following the incorporation of such association. At such time four members of the association shall be elected as trustees, in place of the four first selected, by a majority vote of the members of the association as follows: one for the term of one year, one for the term of two years, one for the term of three years, and one for the term of four years, who shall serve for the respective terms for which they are each chosen. Thereafter in the month of January of each year a member shall be chosen for a full term of four years to serve in place of the trustee whose term shall have expired.

Any vacancy occurring among the board of trustees or in the office of chairman, secretary, treasurer, or other officers of such corporation shall be filled in the manner provided in bylaws, and in the absence of such provision shall be filled by the board of trustees.

2. N.J.S.18A:66-106 is amended to read as follows:

Credit purchase for employment in other governmental units in this or other states; certain leaves of absence.

18A:66-106, a. Persons heretofore permanently or provisionally employed by such boards of education who became members of the pension fund at any time prior to June 26, 1962, shall be permitted to purchase credit covering any period of temporary, permanent or provisional service preceding said permanent or provisional employment, by making application therefor, and in such case, the payments to be made by the employee and board of education for such previous service shall be based on appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect at the time of making the application to purchase such credit. Persons becoming members thereafter shall be permitted to purchase credit for any temporary service which immediately precedes their permanent or provisional appointment by making application therefor at the time of becoming members and paying into the fund, the amount determined to be due for such service on the basis of appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect based on the salary at that time.
Any person coming into the employ of any such board of education as a provisional employee after June 26, 1962, shall become a member of the pension fund as a condition of employment.

A member shall have the right to purchase credit for any period of service in other municipalities or governmental units in this State or in any other State of the United States of America, rendered by the member prior to becoming a member up to the nearest number of years and months but not exceeding 10 years, by making application therefor at the time of becoming a member or for present members within two years of the effective date of this 1968 amendatory act and in such case the payments to be made by the employee and the employing board of education for such service credits shall be on the basis of appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect based on the salary at the time of making application.

b. For a period of two years after the effective date of this act, (P.L.1995, c.240), any member who meets the definition of "veteran" as set forth in N.J.S.18A:66-104 may, upon filing an application with the board of trustees of the pension fund, purchase credit for up to five years of military service in the Armed Forces of the United States prior to his enrollment in the retirement system. The member may purchase credit for the service by paying into the pension fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time or to the highest annual compensation for service in the school district for which contributions were made during any prior fiscal year of membership, whichever is greater. Any member electing to purchase this service credit who retires prior to completing payment shall receive credit only for the service purchased, unless at the time of retirement the member makes a lump sum payment necessary to purchase full credit.

c. After the effective date of this act, P.L.2001, c.454, a member of the pension fund may, upon filing an application with the board of trustees of the pension fund, purchase credit for the types of prior service described in subsection a. of this section, or for time during which the member shall have been absent on an official leave without pay. Credit for an official leave without pay shall be purchased for a period of time equal to: (1) three months or the duration of the leave, whichever is less; or (2) if the leave was due to the member's personal illness, including maternity leave and child care, two years or the duration of the leave, whichever is less. The member may purchase credit by paying into the pension fund the amount required by applying the factor, supplied by the actuary as being applicable at the time of the purchase, to the member's
salary at that time. Any member electing to purchase this service credit who retires prior to completing payment shall receive credit only for the service purchased, unless at the time of retirement the member makes a lump sum payment necessary to purchase full credit.

3. N.J.S.18A:66-110 is amended to read as follows:

Manner of payment.

18A:66-110. Pensions shall be paid from the fund in the manner following:

a. A member of the pension fund who was a member on or before June 26, 1962 and who has or shall hereafter have credit in the pension fund for 30 years or more as an employee of a board of education in a county wherein the fund has been established and maintained shall, upon application to the board of trustees of the pension fund, be retired by such board of trustees and shall thereupon receive annually from the fund, for and during the remainder of his or her life, by way of pension, an amount equal to one-forty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board.

b. Upon the retirement of a member who has reached the age of 60 years, the person so retired shall be entitled to receive during his or her life, by way of pension, one-forty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board. Upon the receipt of proper proof of death of a member who has retired on a service retirement allowance, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member’s estate an amount equal to one-half of the highest annual compensation received by the member in any year of creditable service.

c. A member of the fund who has credit therein for 10 years, who shall become incapacitated, either mentally or physically, and who cannot perform the regular duties of employment, or who is found unfit for the performance of his or her duties, upon the application of his employer or upon his own application or the application of someone acting in his behalf, shall be retired by the board of trustees of the pension fund and thereupon shall receive annually from the fund a retirement allowance as described in subsection b. of this section if he has reached or passed age
60 and if he is under age 60, an amount equal to nine-tenths of one-fourty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years of creditable service; provided, however, that in no event shall the pension be based upon less than 17 years or more than 30 years of service unless the member would have had less than 17 years of service at age 60, in which event he shall be given credit for the years to age 60; however, a member who has not attained age 70 who shall become incapacitated, either mentally or physically, as a direct result of a traumatic event occurring in the performance of his or her duties of such employee, shall, upon the application of his employer or upon his own application or the application of someone acting in his behalf, be retired by the board of trustees of the pension fund, and, thereupon, if a report of the accident, in a form acceptable to the board of trustees of the pension fund, is filed with the said board of trustees within 60 days next following the accident and the application for retirement is filed with the said board of trustees within two years of the date of the accident, shall receive annually from the fund an amount equal to two-thirds of the annual salary being received by such employee on the date of the accident. The board of trustees may waive strict compliance with the time limits within which a report of the accident and an application for retirement must be filed with the board if it is satisfied: (1) that a report of the accident from which the disability is claimed to have resulted was filed with the employing board of education with reasonable promptitude and in no event later than 60 days after the accident, and (2) the applicant shall show that his failure to file a report with the board of trustees or to file his application for retirement within the time limited by law was due to mistake, inadvertence, ignorance of fact or law, inability, or to the fraud, misrepresentation or deceit of any person, or to a delay in the manifestation of the incapacity, or to any other reasonable cause or excuse, and (3) that the application for retirement was filed in good faith and the circumstances justify its favorable consideration.

The trustees of the pension fund shall have the power to determine whether or not any employee is permanently and totally disabled, and whether or not a disability of an employee is the direct result of a traumatic event occurring at some definite time and place in the performance of his or her duties as such employee. The claimant shall have the right to present physicians, witnesses or other testimony in his or her behalf before the board of trustees. The chairman, or any other member of the board of trustees, may administer oaths to any physician or other persons called before the trustees regarding the employee's disability. The
board of trustees shall decide, by resolution, whether the applicant is entitled to the benefit of this article.

Permanent and total disability resulting from a cardiovascular, pulmonary or muscular-skeletal condition which was not a direct result of a traumatic event occurring in the performance of duty shall be deemed an ordinary disability.

Once in each year, the board of trustees may, and upon the member's application shall, require any member retired for a disability, who is under the age of 60, to undergo medical examination by a physician or physicians designated by the board of trustees. The examination shall be made at the residence of the pensioner or any other place mutually agreed upon. If the physician or physicians thereupon report and certify to the board of trustees that the disabled pensioner is not permanently and totally incapacitated, either mentally or physically, for the performance of duty, and the board finds that said member is engaged in a gainful occupation, or could be engaged in a gainful occupation, and if the board concurs in the report, then the amount of the pension shall be reduced to an amount which, when added to the amount then being earned by him or her or an amount which he or she could earn if gainfully employed, shall not exceed the amount of compensation received by him or her at the time of his or her retirement, including any cost of living adjustment. If subsequent examination of such pensioner shows that his or her earnings have changed since the date of his or her last examination, then the amount of the pension shall be further altered, but the new pension shall not exceed the amount of the pension originally granted, nor shall the new pension, when added to the amount then being earned by the pensioner, exceed the salary or compensation received by him or her at the time of his or her retirement, including any cost of living adjustment.

d. At the time of retirement, any member may elect to receive his or her benefits in a retirement allowance payable throughout life, or he or she may, on retirement, elect to convert the benefits, otherwise payable to him or her, into a retirement allowance of the equivalent actuarial value computed on the basis of such mortality tables as shall be adopted by the board of trustees, in accordance with one of the optional forms following:

Option 1. A reduced retirement allowance, payable during life, with a provision that in the case of death, before the total pension payments have equaled the actuarial value computed as aforesaid, the balance shall be paid to his or her surviving designated beneficiary, duly acknowledged and filed with the board of trustees; and if none, then to the executor or administrator of his or her estate.

Option 2. A reduced retirement allowance, payable during the retired member's life, with the provision that after his or her death it will continue
during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 3. A reduced retirement allowance, payable during the retired member's life, with the provision that after his or her death, an allowance at one-half of the rate of his or her reduced allowance will be continued during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 4. A reduced retirement allowance, payable during the retired member's life, with some other benefit payable after his or her death, provided the benefit is approved by the board of trustees.

Option 5. Some other benefit, which is equivalent to the full amount, three-quarters, one-half or one-quarter of the member's retirement allowance, shall be paid upon the member's death to the beneficiary designated by the member, and if that beneficiary dies before the member, the member's retirement allowance shall increase to the maximum retirement allowance for the member's lifetime, provided that such other benefit together with the member's lesser and maximum retirement allowances shall be certified by the actuary to be of equivalent actuarial value.

No optional selection shall be effective in case a member dies within 30 days after retirement and such a member shall be considered an active member at the time of death until the first payment on account of any benefit becomes normally due.

The board of trustees shall, from time to time and as often as they deem it necessary, employ an actuary, who shall recommend, and the board shall keep in convenient form, such data as shall be necessary for actuarial valuations of the various funds created by this article. At least once in every five-year period, or more frequently as determined by the board of trustees, the actuary shall make an actuarial investigation into the mortality, service and salary experience of the members and beneficiaries of the retirement system, and shall make a valuation of the assets and liabilities of the various funds thereof, and upon the basis of such investigation the board of trustees shall:

(a) Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

(b) Certify the rate of contribution which shall be made by each board of education to the pension fund as provided by this article.

C.18A:66-110.2 Increase in certain retirement benefits.

pursuant to N.J.S.18A:66-110, on the effective date of this act, P.L.2001, c.454, shall be increased by 33.3%.

c. The pension fund shall be liable for any increased cost to an employer under section 6 of P.L.1971, c.278 (C.18A:66-126.6) as a result of this section.

d. A person who is eligible to receive an increased retirement allowance under this section may, at any time, waive his or her right thereto by filing a written notice of waiver with the secretary of the pension fund. The application for the waiver of all or part of the increase shall be made by the retiree at least 30 days prior to the desired effective date on a form satisfactory to the pension fund and shall be effective on the first day of the following month. Such waiver may be withdrawn at any time and upon such withdrawal the increase in the retirement allowance shall commence with the retirement allowance payment for the next following month.

5. This act shall take effect immediately.

Approved January 14, 2002.

4. a. There is hereby established in the Department of Community Affairs a public body corporate and politic, with corporate succession, to be known as the "New Jersey Sports and Exposition Authority." The authority is hereby constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by the act shall be deemed and held to be an essential governmental function of the State and the application of the revenue derived from the projects to the purposes provided in this act shall be deemed and held to be applied in support of government.

be eligible for reappointment. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. Each appointed member may be removed from office by the Governor, for cause, after a public hearing, and may be suspended by the Governor pending the completion of such hearing. Each member before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

d. The chairman shall be appointed by the Governor from the members of the authority other than ex officio members, and the members of the authority shall elect one of their number as vice chairman thereof. The authority shall elect a secretary and a treasurer, who need not be members, and the same person may be elected to serve both as secretary and treasurer. The powers of the authority shall be vested in the members thereof in office from time to time and eight members of the authority shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the authority at any meeting thereof by the affirmative vote of at least eight members of the authority. No vacancy in the membership of the authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the authority.

e. Each member and the treasurer of the authority shall execute a bond to be conditioned upon the faithful performance of the duties of such member or treasurer, as the case may be, in such form and amount as may be prescribed by the Director of the Division of Budget and Accounting in the Department of the Treasury. Such bonds shall be filed in the office of the Secretary of State. At all times thereafter the members and treasurer of the authority shall maintain such bonds in full force and effect. Notwithstanding the provisions of any other law, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of his acceptance of the office of ex officio member of the authority or his services therein.

g. Each ex officio member of the authority may designate an officer or employee of his department or agency to represent him at meetings of the authority, and each such designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any such
designations shall be in writing delivered to the authority and shall continue in effect until revoked or amended by writing delivered to the authority.

h. The authority may be dissolved by act of the Legislature on condition that the authority has no debts or obligations outstanding or that provision has been made for the payment or retirement of such debts or obligations. Upon any such dissolution of the authority all property, funds and assets thereof shall be vested in the State.

i. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the authority shall have force or effect until 15 days after such copy of the minutes shall have been so delivered unless during such 15-day period the Governor shall approve the same, in which case such action shall become effective upon such approval. If, in said 15-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting, such action shall be null and void and of no effect. The powers conferred in this subsection i. upon the Governor shall be exercised with due regard for the rights of the holders of bonds and notes of the authority at any time outstanding, and nothing in, or done pursuant to, this subsection i. shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or notes or for the benefit, protection or security of the holders thereof.

C.52:27D-131 Construction permits; application, approval, expiration, cancellation, extension.

13. a. The enforcing agency shall examine each application for a construction permit. If the application conforms with this act, the code, and the requirements of other applicable laws and ordinances, the enforcing agency shall approve the application and shall issue a construction permit to the applicant. Every application for a construction permit shall be granted, in whole or in part, or denied within 20 business days. If application is denied in whole or in part, the enforcing agency shall set forth the reasons therefor in writing. If an enforcing agency fails to grant, in whole or in part, or deny an application for a construction permit within the period of time prescribed herein, such failure shall be deemed a denial of the application for purposes of an appeal to the construction board of appeals unless such period of time has been extended with the consent of the applicant. The enforcing agency may approve changes in plans and specifications previously approved by it, if the plans and specifications when so changed remain in conformity with law. Except as otherwise provided in this act or the code, the construction or alteration of a building or structure shall not be commenced until a construction permit has been issued. The construction of a building or structure shall be in compliance with the approved application for a construction permit; and the enforcing agency shall insure such compliance in the manner set forth in section 14 of this act.

The commissioner, after consultation with the code advisory board, may, for certain classes or types of occupancy posing special or unusual hazards to public safety, establish regulations designating the department as the enforcing agency for purposes of approving plans and specifications. A municipal enforcing agency shall not grant an occupancy permit for any such class or type of construction unless the applicant submits appropriate plans and specifications certified or approved by the department. Upon submission by an applicant of such certified approved plans and specifications, the enforcing agency shall recognize the approval when deciding whether to approve the application for a construction permit.

b. A construction permit, issued in accordance with the foregoing provisions, pursuant to which no construction has been undertaken above the foundation walls within one year from the time of issuance, shall expire.

c. The enforcing agency may revoke or cancel a construction permit in the event the project for which the permit is obtained is not completed by the third anniversary of the date of issuance of the construction permit. Notwithstanding the provisions of any other law, rule or regulation to the
CHAPTER 457, LAWS OF 2001

contrary, the enforcing agency may revoke or cancel a construction permit in effect on the effective date of P.L.2001, c.457 (C.52:27D-131.1 et al.), if the project for which the construction permit was obtained is not completed by the third anniversary of the effective date of P.L.2001, c.457 (C.52:27D-131.1 et al.).

d. If the project for which the permit is obtained is not completed by a deadline set forth in this section, the permittee may submit a request for an extension of the permit to the enforcing agency for review. The enforcing agency may extend the permit for a period of one year. Approval of the extension shall not be unreasonably withheld. Denial of a request for an extension may be appealed to the county construction board of appeals established pursuant to section 9 of P.L.1975, c.217 (C.52:27D-127). If a project is not completed within the deadline set forth in this section, the enforcing agency shall take all appropriate action up to and including demolition of the uncompleted structure.

The provisions of this subsection shall not apply to a permit obtained:
(1) to construct improvements to the interior of a residential property in which the permittee is currently residing that are not visible from the outside of the residential property, (2) for any building of which the exterior and all required site improvements have been fully constructed, or (3) for a project while that project is under the control of a mortgagee in possession.

The enforcing agency may suspend, revoke or cancel a construction permit in case of neglect or failure to comply with the provisions of this act or the code, or upon a finding by it that a false statement or representation has been made in the application for the construction permit.

C.52:27D-131.1 Removal, demolition of certain building, structure.

2. a. If the owner of a building or structure fails to comply with a removal or demolition order issued by an enforcing agency under authority of P.L.2001, c.457 (C.52:27D-131.1 et al.) or of P.L.1975, c.217 (C.52:27D-119 et seq.), the enforcing agency may cause such building or structure to be removed or demolished or may notify the governing body of the need to contract for the removal or demolition thereof in accordance with the provisions of the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.). Such removal or demolition shall include the clearance, and any necessary leveling, of the site.

b. The cost of any such removal or demolition, together with the cost of filing legal papers, expert witnesses' fees, search fees and advertising charges incurred in the course of any proceeding taken under P.L.2001, c.457 (C.52:27D-131.1 et al.) or under P.L.1975, c.217 (C.52:27D-119 et seq.), less any proceeds received by the enforcing agency from the sale of
the materials of the building or structure, shall be a municipal lien against the real property upon which such cost was incurred. In the event that costs were paid by any governmental entity other than the municipality, the lien shall be assigned to that governmental entity. The lien shall be filed and shall be enforceable in the same manner as are other municipal liens.

EXECUTIVE ORDER NO. 127

WHEREAS, It is the policy of this State to eradicate and prohibit the practice of racial profiling in which law enforcement officers prejudge the likelihood that persons are engaged in criminal activity based not
upon an objective assessment of their conduct but rather upon their race or ethnicity; and

WHEREAS, The practice of racial profiling offends the interests of all citizens in being treated fairly, impartially, and justly and, is, therefore, contrary to fundamental notions of fairness and respect for individual civil rights; and

WHEREAS, The practice of racial profiling undermines the confidence of the citizens of this State that the New Jersey State Police and other law enforcement agencies are enforcing laws in a fair, impartial and evenhanded manner; and

WHEREAS, It is imperative to ensure that civil rights are not abridged and to restore public confidence in the integrity and impartiality of the law enforcement community by taking steps to eradicate all forms of racial profiling by any law enforcement agency operating under the laws of this State; and

WHEREAS, It is vitally important that, in addition to the measures already being taken to end the practice of racial profiling, all New Jerseyans work together to forge a stronger, more positive and cooperative relationship between New Jersey's law enforcement agencies and the communities they serve; and

WHEREAS, In order to foster an environment that will facilitate the eradication of the practice of racial profiling, it is appropriate to convene a Statewide summit to study the state of police and community relations in New Jersey, including the practice of racial profiling, and to establish an Institute to explore "Policing in a Modern Democratic Society" at the Graduate School of Criminal Justice at Rutgers, the State University;

NOW, THEREFORE, I, DONALD T. DiFRANCESCO, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby INSTRUCT and DIRECT:

1. The Attorney General shall convene, within 120 days following the issuance of this Executive Order, a Statewide Summit of law enforcement executives and community leaders to examine the practice of racial profiling, and to review those efforts being made by the New Jersey State Police and the Office of State Police Affairs, other law enforcement
agencies in New Jersey, law enforcement executives from other jurisdictions throughout the United States, and scholars and other experts in the field to address the practice of racial profiling and otherwise to enhance the relationship between law enforcement agencies and the communities they serve.

2. There is hereby established in the Graduate School of Criminal Justice at Rutgers, The State University, an Institute whose mission shall be to explore "Policing in a Modern Democratic Society." As its first project, the Institute shall examine the issue of racial profiling and consider how law enforcement can develop effective partnerships with New Jersey's diverse communities to ensure the protection of civil rights and public safety. In so doing, the Institute shall identify the expectations of the community and responsibilities of law enforcement, and determine the means by which law enforcement public policymakers can understand these expectations and translate them into public safety strategies that are effective, comply with local mandates and are acceptable to the community.

Toward this end, the Institute shall assist the Attorney General with the Statewide Summit and thereafter convene a series of workshops, seminars and meetings, as may be appropriate, for members of law enforcement and the community in order to identify the prevalent issues and develop strategies to deal effectively with those issues. The Institute shall engage in research and utilize the resources of the University to work with several communities in a "laboratory" setting to implement the strategies developed by the Institute.

EXECUTIVE ORDER NO. 128

WHEREAS, When the New Jersey Highway Authority (the "Authority") was first established in 1952, it was widely understood by the public that tolls on the Garden State Parkway (the "Parkway") would only be necessary until such time as the bonds financing the cost of the construction of the Parkway could be retired; and

WHEREAS, The Parkway has been a toll road for nearly 50 years and there is no existing plan or timetable to either permanently retire the bonds of the Authority or to phase out tolls on the Parkway; and
WHEREAS, The Authority was established and authorized to take, construct, maintain and operate the Parkway to facilitate vehicular traffic and remove the then existing handicaps and hazards on congested highways, and now the Parkway's toll barrier plazas constructed for the collection of tolls by means of periodic main line toll barriers is economically inefficient, directly impedes and interferes with the free flow of traffic, increases energy consumption, and contributes to the creation of traffic congestion and delay; and

WHEREAS, The Authority and the State will fully and affirmatively honor its financial and other obligations to its bondholders, and further, will honor its financial and other obligations as part of the electronic toll collection consortium, it must also be affirmatively stated that the first priority of the Authority is to serve the citizens of the State of New Jersey and the Parkway users; and

WHEREAS, The institution of a 24-hour, one-day, toll holiday on Labor Day 2001, which is a peak summer travel day, whereby the Authority would permit the passage of vehicles on the Parkway without the imposition of a toll or charge, will contribute to the free flow of traffic and provide much needed traffic congestion relief; and

WHEREAS, The institution of a discounted charge for EZ-Pass users will encourage greater utilization of the EZ-Pass electronic toll system, which will also contribute to the free flow of traffic and provide traffic congestion relief; and

WHEREAS, The public expects and demands relief from the continued inconvenience of the imposition of barrier tolls on the Parkway;

NOW, THEREFORE, I, DONALD T. DiFRANCESCO, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Commissioner of the New Jersey Department of Transportation (the "Commissioner") is directed to prepare a Garden State Parkway Congestion Relief Plan, which will phase out toll barrier plazas on the Parkway over a stated period of time not to exceed ten (10) years. The Parkway Congestion Relief Plan shall address all issues related to the phase out of toll barrier plazas, including, but not limited to the engineering and
planning, financial, and legal implications. The Commissioner may retain such consultants as are necessary for the preparation of said plan.

2. The Commissioner shall provide the Parkway Congestion Relief Plan to the Governor no later than sixty (60) days from the effective date of this Executive Order.

3. The Commissioner, who serves as an ex officio member of the Authority, is directed to request that the Authority institute a 24-hour, one-day, toll holiday on Monday, September 3, 2001. On such date, the Authority shall permit the passage of vehicles on the Garden State Parkway without the imposition of a toll or charge.

REORGANIZATION PLANS
REORGANIZATION PLAN NO. 001-2001
A PLAN FOR THE TRANSFER AND REORGANIZATION
OF THE STATE OFFICE OF DISABILITY SERVICES TO THE
DIVISION OF DISABILITY SERVICES IN THE
DEPARTMENT OF HUMAN SERVICES

PLEASE TAKE NOTICE that on March 8, 2001, President of the Senate and Acting Governor Donald T. DiFrancesco hereby issues this Reorganization Plan No. 001-2001 (the Plan), providing for the transfer and reorganization of the Office of Disability Services in the Department of Human Services and all of its functions, powers, duties and personnel as the newly created Division of Disability Services in the Department of Human Services and for the transfer to that Division of certain related functions, powers and duties of the Division of Medical Assistance and Health Services.

The Plan furthers an ongoing effort to streamline and make more effective the operations of the Executive Branch in the interests of efficiency and economy, without quantitative or qualitative diminution of services to the public.

GENERAL STATEMENT OF PURPOSE

The Office of Disability Services (Office) was created by P.L. 1999, c.91 and allocated to the Department of Human Services (DHS). Headed by a director, the Office is charged with acting as the single point of entry with State government for persons with disabilities who are seeking assistance but who do not meet the requirements for the disability-specific programs located in DHS or other agencies of State government. The Office is charged with acting as the State-level coordinating body among State agencies providing services to persons with disabilities and is charged with serving as the locus within the State government for the interests of persons with disabilities and their families. Finally, the Office administers the Personal Assistance Services Program under P.L. 1987, c.350 (N.J.S.A. 30:4G-13 et seq.) and coordinates other publicly funded programs that provide personal assistance and other home-based services to persons with disabilities.

The Division of Medical Assistance and Health Services (DMAHS) in DHS also administers certain programs and services similar to those administered by the Office. These programs and services also are designed
to serve persons with disabilities and their families and include certain home and community-based waiver programs, and other long-term personal care assistant services.

This Plan will provide for more effective and efficient coordination and delivery of home and community-based waiver programs, and personal care assistant services by transferring the administration of these programs and services to the newly created Division of Disability Services (Division). The Division will continue the functions of the Office of Disability Services, but will ensure that continued policy and program development for persons with disabilities and their families occurs in a centralized location, with an emphasis on reducing duplication and increasing coordination and efficiency.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.) (Act), I find with respect to the transfer and reorganization provided for in this Plan, that each aspect of the Plan is necessary to accomplish the purposes set forth in Section 2 of the Act and that each aspect will:

1. Promote the more effective management of the Executive Branch by consolidating within one Division within the Department of Human Services certain home and community-based waiver programs, and personal care assistant services targeted to people with disabilities;

2. Reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive Branch;

3. Increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

4. Group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes; and

5. Eliminate overlapping and duplication of effort by having the newly created Division of Disability Services administer the home and community-based waiver programs, and personal care assistant services targeted to people with disabilities.
REORGANIZATION PLANS

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

1. (a) The Office of Disability Services in the Department of Human Services, established pursuant to P.L. 1999, c.91 (C.30:6E-1 et seq.) and its functions, powers, duties and personnel are continued and are transferred to the newly created Division of Disability Services within the Department of Human Services.

(b) The functions, powers, and duties of the Director of the Office of Disability Services under P.L. 1999, c.91 (C.30:6E-1 et seq.) are continued and are transferred to the newly created position of Director of the Division of Disability Services within the Department of Human Services.

(c) The functions, powers and duties of the Office under P.L. 1994, c.182 s.26 (C.19:31-6.11), P.L. 1995, c.318, s.2, as amended (C.26:2B-37), P.L. 1987, c.350, s.3 and s.8, as amended (C.30:4G-15), P.L. 1981, c.488, s.3, as amended (C.30:6-25) and P.L. 1975, c.224, s.2, as amended (C.52:32-15) are continued and are transferred to the Director of the Division of Disability Services as appropriate, within the Department of Human Services.

(d) I find this plan is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203 (C.52:14C-2). In addition to the reasons set forth above, this Plan will result in increased efficiency due to economies of scale, and also will result in greater coordination and improved functioning of the State's services offered to people with disabilities and their families. Further, this Plan will streamline State government for the benefit of all New Jersey citizens.

2. All records, property, appropriations, and any unexpended balance of funds appropriated or otherwise available to DMAHS for the purposes of administering the aforementioned functions, will be transferred to the Division of Disability Services as constituted in the Department of Human Services.

3. Whenever in P.L.1999, c.91 (C.30:6E-1 et seq.), or any of the laws referred to in paragraph 1(c), or in any rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise thereunder, reference is made to the Office of Disability Services in the Department of Human Services or to the Office of Disability Services in the Department of Human Services, the same shall mean the Division of Disability Services in the Department of Human Services.
4. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

5. Unless otherwise specified in this Plan, all transfers directed by this Plan shall be effected pursuant to the State Agency Transfer Act, P.L. 1971, c.375 (C.52:14D-1 et seq.).

6. If any provision of this Plan or the application thereof to any person, or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

7. This Plan is intended to protect and promote the public health, safety and welfare, and shall be liberally construed to obtain the objectives and effect the purposes thereof.

A copy of this Reorganization Plan was filed on March 8, 2001 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective on July 1, 2001, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution within 60 days of the issuance of the Plan, stating in substance that the Legislature does not favor this Plan.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of Reorganization Plans.

Filed March 8, 2001.
Effective July 1, 2001.
