10. a. 6. Section 15 of P.L.1981, c.261 is amended to read as follows:

15. a. The moneys in the "Water Supply Fund" are hereby specifically dedicated and shall be applied to the cost of the purposes set forth in subsection a. of section 4 of P.L.1981, c.261, and all such moneys are hereby appropriated for such purposes. However, no moneys in the fund shall be expended for those purposes, except as otherwise authorized by this act, without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of the moneys. Any act appropriating moneys from the "Water Supply Fund" shall identify the particular project to be funded by the moneys. Payments of principal and interest on loans made from the "Water Supply Fund" shall be returned to that fund for use for any authorized purpose to which moneys in the fund may be used pursuant to subsection a. of section 4 of P.L.1981, c.261.

(1) Payments of principal and interest on loans returned to the "Water Supply Fund" may be made available to the trust, with the concurrence of the department, for temporary use by the trust for any of the purposes set forth in paragraph (2) of this subsection, under terms and conditions established therefor by the commissioner and the trust and approved by the
State Treasurer. A maximum of $50,000,000 may be made available to the trust for these purposes.

Any moneys made available to the trust pursuant to this paragraph shall be deposited in a separate nonlapsing revolving fund, which shall be known as the "Water Supply Trust Fund," for use by the trust as hereinafter provided. The trust shall repay to the "Water Supply Fund" any moneys made available for temporary use. Repayment shall be in accordance with the terms and conditions approved therefor.

(2) The moneys in the "Water Supply Trust Fund" are specifically dedicated and allocated to, and shall be applied to the cost of, the establishment by the trust of reserve and loan guarantee accounts within that fund. The reserve account is to be used to secure debt issued by the trust pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.); and the guarantee account is to be used by the trust to secure debt issued by a local government unit. The trust shall not directly or indirectly use any moneys paid to it pursuant to this paragraph for the purpose of issuing a loan guarantee in connection with the financing of a water supply project, unless the project, and the amount and the terms or conditions of the loan guarantee, shall have been approved by the Legislature. Moneys in the reserve and loan guarantee accounts may be made available to the department, with the concurrence of the trust, for temporary use by the department in implementing the provisions of P.L.1981, c.261, under terms and conditions established therefor by the commissioner and the trust and approved by the State Treasurer. The department shall repay to the "Water Supply Trust Fund" any sums made available for temporary use. Repayment shall be in accordance with the terms and conditions approved therefor.

(3) Moneys in the "Water Supply Fund" may be transferred to the trust for use as set forth in paragraph (2) of this subsection.

If the "New Jersey Environmental Infrastructure Trust Act" has not been enacted into law by the date of the approval of this act by the voters, paragraphs (1) (2) and (3) of this subsection shall be inoperative.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available moneys in any fund of the Treasury of the State to the credit of the "Water Supply Fund" or the "Water Supply Trust Fund" those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purposes provided in this act, the moneys in the "Water Supply Fund" may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law, and moneys in the "Water Supply Trust Fund" may be
invested and reinvested by the trust as are other trust funds in the custody of the trust. Net earnings received from the investment or deposit of moneys in the "Water Supply Fund" shall be paid to that fund, and net earnings received from the investment or deposit of moneys in the "Water Supply Trust Fund" shall be paid to that fund for use by the trust to cover administrative expenses incurred in administering that fund. Any moneys not required for administrative expenses shall be used for any other authorized purpose to which moneys in the "Water Supply Trust Fund" may be used.

d. The trust may charge and collect annually from local government units fees and charges in connection with any loans, guarantees or other services provided by the trust, in amounts sufficient to reimburse the trust for all reasonable costs necessarily incurred in connection therewith, and in connection with the establishment and maintenance of reserve or other funds, as the trust may determine to be reasonable.

7. The commissioner shall, on or before January 15 of each year, develop and submit to the Legislature a priority system for water supply projects and shall establish the ranking criteria and funding policies for the projects therefor. The commissioner shall set forth a water supply project priority list for funding for each fiscal year and shall include the aggregate amount of funds to be authorized for these purposes. No moneys shall be expended for loans in a fiscal year for any water supply project unless the expenditure is authorized pursuant to an appropriations act.

As part of the annual submission required by this subsection, the department and the trust shall each provide a financial accounting of all project expenditures made in the preceding year, and of all administrative expenses incurred by the trust from interest earnings from the "Water Supply Trust Fund" in connection therewith.

8. Section 26 of P.L.1981, c.261 is amended to read as follows:

26. Not less than 30 days prior to the commissioner or the trust entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the commissioner or the trust shall report to and consult with the Joint Budget Oversight Committee, or its successor.

9. a. All appropriations from the "Water Supply Fund" shall be by specific allocation for each project, and any transfer of any funds so appropriated shall require the approval of the Joint Budget Oversight Committee or its successor.

b. Notwithstanding any other provision of P.L.1981, c.261, as amended and supplemented, the department is authorized to use moneys in the
"Water Supply Fund" for direct program administrative costs incurred in implementing the provisions of P.L.1981, c.261, as amended and supplemented, subject to the annual appropriation thereof by the Legislature. In no event may the Legislature appropriate to the Department of Environmental Protection or to any other State department or entity from the "Water Supply Fund," either directly or indirectly, any moneys for indirect program costs or fringe benefit costs. The total sum of all appropriations to the Department of Environmental Protection and to any other State department or entity from the "Water Supply Fund" for direct program administrative costs may not exceed in any fiscal year the total sum of all appropriations that were made to the Department of Environmental Protection from the proceeds of bonds, interest, and loan repayments pursuant to P.L.1981, c.261, for direct program administrative costs, pursuant to P.L.1996, c.42, plus an annual increase of not more than three percent. In calculating the total sum of all appropriations made to the Department of Environmental Protection for direct program administrative costs pursuant to P.L.1996, c.42, the Legislature may not include any appropriations made for indirect program administrative costs and fringe benefit costs. The provisions of this subsection shall not affect the ability of the Trust to use moneys for its administrative expenses as specifically provided in P.L.1981, c.261, as amended and supplemented.

10. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1997. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers are published therein, and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

If you approve of the act entitled below, make a cross (X), plus (+), or check (√) mark in the square opposite the word "Yes."

If you disapprove of the act entitled below, make a cross (X), plus (+), or check (√) mark in the square opposite the word "No."

If voting machines are used, a vote of "Yes" or "No" shall be equivalent to these markings respectively.
AMENDS AND SUPPLEMENTS WATER SUPPLY
BOND ACT OF 1981

Shall the amendments and supplementary language to the
"Water Supply Bond Act of 1981," which authorize the
Department of Environmental Protection and the New Jersey
Environmental Infrastructure Trust to use moneys from such
bonds to provide loans and loan guarantees to local govern-
ments to plan, design, and construct water supply facilities,
which limit the authority of the State to use bond moneys to
cover administrative costs incurred therewith, which authorize
the trust to use interest earnings on bond moneys to cover
administrative costs incurred therewith, and which establish
reserve and guarantee accounts in conjunction therewith, be
approved?

YES

INTERPRETIVE STATEMENT

If approved, moneys from bonds issued under the "Water
Supply Bond Act of 1981" could be used to make loans to local
governments to finance the costs of water supply projects. The
"Water Supply Bond Act of 1981" was approved by the voters
in 1981 and again in 1983 in revised form. These proposed
changes allow the Department of Environmental Protection and
the New Jersey Environmental Infrastructure Trust to use the
bond moneys for a combined loan and loan guarantee program
for water supply projects. The bill provides that the State would
be limited in using bond moneys for administrative expenses
and that the trust would be permitted to use interest earnings on
bond moneys to cover its administrative expenses.

Approval of these revisions to the "Water Supply Bond Act of
1981" would not involve any new State bonded indebtedness.

NO

The fact and date of the approval or passage of this act, as the case may
be, may be inserted in the appropriate place after the title in the ballot. No
other requirements of law of any kind or character as to notice or procedure,
except as herein provided, need be adhered to.

The votes so cast for and against the approval of this amendatory act, by
ballot or voting machine, shall be counted and the result thereof returned by
the election officer, and a canvass of the election had in the same manner as
is provided for by law in the case of the election of a Governor, and the
approval or disapproval of this act so determined shall be declared in the
same manner as the result of an election for a Governor, and if there is a
majority of all the votes cast for and against it at the election in favor of the
approval of this amendatory and supplementary act, then all the provision's
thereof not made effective theretofore shall take effect forthwith.
11. There is appropriated, from the General Fund, the sum of $5,000 to the Department of State for expenses in connection with the publication of the notice required pursuant to section 10 of P.L.1997, c.223.

12. Sections 10 and 11 of this act shall take effect immediately, and the remainder of the act shall take effect as and when provided in section 10 of this act.

Approved August 20, 1997.

CHAPTER 224

AN ACT concerning the financing of environmental infrastructure projects, and amending and supplementing the title and body of P.L.1985, c.334.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The title of P.L.1985, c.334 is amended to read as follows:

   AN ACT establishing the New Jersey Environmental Infrastructure Trust, defining the functions, duties and powers thereof, including the authorization to issue bonds, notes and other obligations and to establish any reserve funds necessary therefor, and to make loans to and guarantee debt incurred by local government units for environmental infrastructure projects.

2. Section 1 of P.L.1985, c.334 (C.58:11B-1) is amended to read as follows:

   C.58:11B-1 Short title.
   1. This act shall be known and may be cited as the "New Jersey Environmental Infrastructure Trust Act."

3. Section 2 of P.L.1985, c.334 (C.58:11B-2) is amended to read as follows:

   C.58:11B-2 Findings, determinations.
   2. a. The Legislature finds that the steady deterioration of older sewage and sewer systems and wastewater treatment plants endangers the availability and quality of uncontaminated water resources of the State, thereby
posing a grave danger to the health, safety and welfare of the residents of the concerned communities and the State; that the construction, rehabilitation, operation, and maintenance of modern and efficient sewer systems and wastewater treatment plants are essential to protecting and improving the State's water quality; that in addition to protecting and improving water quality, adequate wastewater treatment systems are essential to economic growth and development; that many of the wastewater treatment systems in New Jersey must be replaced or upgraded if an inexorable decline in water quality is to be avoided during the coming decades; that the United States Congress in recognition of the crucial role wastewater treatment systems and plants play in maintaining and improving water quality, and with an understanding that the cost of financing and constructing these systems must be borne by local governments and authorities with limited sources of revenues, established in the "Federal Water Pollution Control Act Amendments of 1972," Pub.L.92-500 (33 U.S.C. s.1251 et al.) a program to provide local governments with grants for constructing these systems; that during the last several years the amount of federal grant money available to states and local governments for assistance in constructing and improving wastewater treatment systems has sharply diminished; that the current level of federal grant funding is inadequate to meet the cost of upgrading the State's wastewater treatment capacity to comply with State water quality standards; that the collective needs of the State and local governments for capital financing of wastewater treatment systems far exceed the sums of money presently available through revenue initiatives and State and federal aid programs; and that it is fitting and proper for the State to encourage local governments to undertake wastewater treatment projects through the establishment of a State mechanism to provide loans at the lowest reasonable interest rates and to guarantee or insure local capital improvement bonds.

b. The Legislature finds that stormwater runoff and combined sewer overflows are among the major sources of ocean pollution, contributing to beach closings; that combined sewer systems discharge untreated wastewater and stormwater into rivers, streams and coastal waters during wet weather, resulting in water pollution; that some combined sewer systems have deteriorated to the point that overflows occur regularly, even during dry weather; that many sewer systems are on inadequate repair and replacement programs, which may cause disturbances at sewage treatment plants; that many municipalities are under building moratoriums due to the inadequacy of their sewage and stormwater collection systems, which severely affect municipal budgets; and that large unmet capital expenses exist for combined sewer system separation and abatement projects.
The Legislature further finds that funding at the federal level for wastewater treatment, stormwater management and combined sewer system rehabilitation projects is insufficient; that State funds available for these projects are inadequate to meet current needs; that local revenues are insufficient to meet these expenses; and that additional funding at the State level is necessary to meet this financial obligation.

c. The Legislature finds that construction, rehabilitation, operation and maintenance of modern and efficient water supply facilities are essential to protecting and improving the State's water quality; that the citizens of this State, in recognition of the crucial role the construction of new and the upgrading of existing water supply facilities play in maintaining and augmenting the natural water resources of the State, and with an understanding that the cost of financing and constructing these systems is beyond the limited financial resource capabilities of local governments and authorities and must be subsidized by the State and repaid through a system of water supply user charges, approved the enactment of the "Water Supply Bond Act of 1981" (P.L.1981, c.261); that the water supply needs of the State are so great that the funds allocated for this purpose from the "Water Supply Fund" established by that 1981 bond act should be augmented and maximized, to the extent practicable, through the use of alternative methods of State financing to offset the costs of water supply projects and for the construction of new or the rehabilitation of antiquated or inadequate existing water supply facilities; that the United States Congress in recognition of the essential role that safe drinking water plays in protecting the public health, and with an understanding that financing, constructing and maintaining water systems that meet the requirements of the "Safe Drinking Water Act," 42 U.S.C. s.300f et seq. exceed the financial and technical capacity of the operators of some water systems, has established in the "Safe Drinking Water Act Amendments of 1996," P.L.104-182, a program to provide public water systems with financial assistance to meet national primary drinking water regulations or to otherwise further the health protection objectives of the federal law and that the State must, in order to make use of the federal funds, provide State funds for the program; and therefore, State funding for the program is necessary to meet this financial obligation.

d. The Legislature therefore determines that it is in the public interest to establish a State authority authorized to issue bonds, notes and other obligations and to establish any reserve funds necessary therefor, and to make loans to and guarantee debt incurred by local government units for environmental infrastructure projects.

C.58:11B-4 New Jersey Environmental Infrastructure Trust.

4. a. There is established in, but not of, the Department of Environmental Protection a body corporate and politic, with corporate succession, to be known as the "New Jersey Environmental Infrastructure Trust." The trust is constituted as an instrumentality of the State exercising public and essential governmental functions, no part of whose revenues shall accrue to the benefit of any individual, and the exercise by the trust of the powers conferred by the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), shall be deemed and held to be an essential governmental function of the State.

b. The trust shall consist of a seven-member board of directors composed of the State Treasurer, the Commissioner of the Department of Community Affairs, and the Commissioner of the Department of Environmental Protection, who shall be members ex officio; one person appointed by the Governor upon the recommendation of the President of the Senate and one person appointed by the Governor upon the recommendation of the
Speaker of the General Assembly, who shall serve during the two-year legislative term in which they are appointed; and two residents of the State appointed by the Governor with the advice and consent of the Senate, who shall serve for terms of four years, except that the first two appointed shall serve terms of two and three years respectively. Each appointed director shall serve until his successor has been appointed and qualified. A director is eligible for reappointment. Any vacancy shall be filled in the same manner as the original appointment, but for the unexpired term only.

With respect to those public members first appointed by the Governor, the appointment of each of the two members upon the advice and consent of the Senate shall become effective 30 days after their nomination by the Governor if the Senate has not given advice and consent on those nominations within that time period; the President of the Senate and the Speaker of the General Assembly each shall recommend to the Governor a public member for appointment within 20 days following the effective date of this act, and a recommendation made in this manner shall become effective if the Governor makes the appointment in accordance with the recommendation, in writing, within 10 days of the Governor's receipt thereof. In each instance where the Governor fails to make the appointment, the President of the Senate and the Speaker of the General Assembly shall make new recommendations subject to appointment by the Governor as determined in this section.

c. Each appointed director may be removed from office by the Governor for cause, upon the Governor's consideration of the findings and recommendations of an administrative law judge after a public hearing before the judge, and may be suspended by the Governor pending the completion of the hearing. Each director, before entering upon his duties, shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of oaths shall be filed in the office of the Secretary of State.

d. The Governor shall designate one of the appointed members to be the chairman and chief executive officer of the trust and the directors shall biannually elect a vice-chairman from among the appointed directors. The chairman shall serve as such for a term of two years and until a successor has been designated. A chairman shall be eligible to succeed himself for one additional two-year term. The directors shall elect a secretary and treasurer, who need not be directors, and the same person may be elected to serve as both secretary and treasurer.

The powers of the trust are vested in the directors in office from time to time and four directors shall constitute a quorum at any meeting. Action may be taken and motions and resolutions adopted by the trust by the affirmative majority vote of those directors present, but in no event shall any action be taken or motions or resolutions adopted without the affirmative
vote of at least four members. No vacancy on the board of directors of the trust shall impair the right of a quorum of the directors to exercise the powers and perform the duties of the trust.

e. Each director and the treasurer of the trust shall execute a bond to be conditioned upon the faithful performance of the duties of the director or treasurer in a form and amount as may be prescribed by the State Treasurer. Bonds shall be filed in the office of the Secretary of State. At all times thereafter, the directors and treasurer shall maintain these bonds in full effect. All costs of the bonds shall be borne by the trust.

f. The directors of the trust shall serve without compensation, but the trust shall reimburse the directors for actual and necessary expenses incurred in the performance of their duties. Notwithstanding the provisions of any other law to the contrary, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of his acceptance of the office of ex officio director of the trust or his services thereon.

g. Each ex officio director may designate an officer of his department to represent him at meetings of the trust. Each designee may lawfully vote and otherwise act on behalf of the director for whom he constitutes the designee. The designation shall be delivered in writing to the trust and shall continue in effect until revoked or amended in writing and delivered to the trust.

h. The trust may be dissolved by law; provided the trust has no debts or obligations outstanding or that provision has been made for the payment or retirement of these debts or obligations. The trust shall continue in existence until dissolved by act of the Legislature. Upon any dissolution of the trust all property, funds and assets of the trust shall be vested in the State.

i. A true copy of the minutes of every meeting of the trust shall be forthwith delivered by and under the certification of the secretary thereof to the Governor and at the same time to the Senate and General Assembly. The time and act of this delivery shall be duly recorded on a delivery receipt. No action taken or motion or resolution adopted at a meeting by the trust shall have effect until 10 days, exclusive of Saturdays, Sundays and public holidays, after a copy of the minutes has been delivered to the Governor, unless during the 10-day period the Governor shall approve all or part of the actions taken or motions or resolutions adopted, in which case the action or motion or resolution shall become effective upon the approval.

If, in the 10-day period, the Governor returns the copy of the minutes with a veto of any action taken by the trust or any member thereof at that meeting, the action shall be of no effect. The Senate or General Assembly shall have the right to provide written comments concerning the minutes to
the Governor within the 10-day period, which comments shall be returned to the trust by the Governor with his approval or veto of the minutes.

The powers conferred in this subsection upon the Governor shall be exercised with due regard for the rights of the holders of bonds, notes and other obligations of the trust at any time outstanding, and nothing in, or done pursuant to, this subsection shall in any way limit, restrict or alter the obligation or powers of the trust or any representative or officer of the trust to carry out and perform each covenant, agreement or contract made or entered into by or on behalf of the trust with respect to its bonds, notes or other obligations or for the benefit, protection or security of the holders thereof.

j. No resolution or other action of the trust providing for the issuance of bonds, refunding bonds, notes or other obligations shall be adopted or otherwise made effective by the trust without the prior approval in writing of the Governor and the State Treasurer. The trust shall provide the Senate and General Assembly with written notice of any request for approval of the Governor and State Treasurer at the time the request is made, and shall also provide the Senate and General Assembly written notice of the response of the Governor and State Treasurer at the time that the response is received by the trust.

6. a. Except as may be otherwise expressly provided in the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), the trust may from time to time issue its bonds, notes or other obligations in any principal amounts as in the judgment of the trust shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations or the interest or redemption premiums thereon to be funded or refunded have or have not become due, the establishment or increase of reserves or other funds to secure or to pay the bonds, notes or other obligations or interest thereon and all other costs or expenses of the trust incident to and necessary to carry out its corporate purposes and powers.

b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A of the New Jersey Statutes, subject only to the provisions of the bonds, notes and other obligations for registration.

c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) as the trust may determine.
d. Bonds, notes or other obligations of the trust may be sold at any price or prices and in any manner as the trust may determine. Each bond, note or other obligation shall mature and be paid not later than 20 years from the effective date thereof, or the certified useful life of the project or projects to be financed by the bonds, whichever is less.

All bonds of the trust shall be sold at such price or prices and in such manner as the trust shall determine, after notice of sale, a summary of which shall be published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in New Jersey or the city of New York, the first notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the trust, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The trust may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) without obtaining the consent of any department, division, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things, other than those consents, proceedings, conditions or things which are specifically required by P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.).

f. Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that
neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obligations, including subordinated indebtedness of the trust, shall not exceed $1,000,000,000.00. The commissioner may include a water supply project on the project priority list if it meets the eligibility requirements for funding pursuant to the federal "Safe Drinking Water Act Amendments of 1996," Pub.L.104-182. The project priority list shall include a description of each project and an explanation of the manner in which priorities were established. The priority system and project priority

The financial plan shall also set forth a complete operating and financial statement covering its proposed operations during the forthcoming fiscal year,
including amounts of income from all sources, and the uniform schedule of fees and charges established by the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5), and the amounts to be derived therefrom, and shall summarize the status of each water supply project for which loans or guarantees have been made by the trust, and shall describe major impediments to the accomplishment of the planned water supply projects.

C.58:11B-22.1 Submission of financial plan, details; approval.

26. a. The trust shall submit the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1) to the President of the Senate and the Speaker of the General Assembly on a day when both houses are meeting. The President and the Speaker shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively.

b. Unless the financial plan as described in the submission is approved by adoption of a concurrent resolution of both houses within the time period prescribed in this subsection, the financial plan shall be deemed disapproved and the trust shall not undertake any of the proposed activities contained therein. The President and the Speaker shall cause a concurrent resolution of approval of the trust's financial plan to be placed before the members of the respective houses for a recorded vote within the time period. The time period shall commence on the day of submission and expire on the forty-fifth day after submission or for a house not meeting on the forty-fifth day, on the next meeting day of that house.

C.58:11B-22.2 Submission of consolidated financial plan.

27. As an alternative to the individual annual submissions required by the provisions of sections 21 and 22 of P.L.1985, c.334 (C.58:11B-21 and 58:11B-22) and sections 25 and 26 of P.L.1997, c.224 (C.58:11B-21.1 and C.58:11B-22.1), the trust may develop and submit to the Legislature a consolidated financial plan designed to implement the financing of the wastewater treatment system projects on the project priority list approved pursuant to section 20 of P.L.1985, c.334 (C.58:11B-20) and the water supply projects on the project priority list approved pursuant to section 24 of P.L.1997, c.224 (C.58:11B-20.1).

5. Section 15 of P.L.1989, c.181 is amended to read as follows:

The trust shall repay to the "Stormwater Management and Combined Sewer Overflow Abatement Fund" any sums made available for temporary use. Repayment shall be in accordance with the terms and conditions approved therefor.

(2) The moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Trust Fund" are specifically dedicated and allocated to, and shall be applied to the cost of, the establishment by the trust of reserve and loan guarantee accounts within that fund. The reserve account is to be used to secure debt issued by the trust pursuant to P.L. 1985, c. 334 (C. 58:11B-1 et seq.); and the guarantee account is to be used by the trust to secure debt issued by a local government unit. The trust shall not directly or indirectly use any moneys paid to it pursuant to this paragraph for the purpose of issuing a loan guarantee in connection with the financing of a stormwater management or combined sewer overflow abatement project, unless the project, and the amount and the terms or conditions of the loan guarantee, shall have been approved by the Legislature. Moneys in the reserve and loan guarantee accounts may be made available to the department, with the concurrence of the trust, for temporary use in implementing the provisions of P.L. 1989, c. 181, under terms and conditions established therefor by the commissioner and the trust and approved by the State Treasurer. Net earnings received from the investment or deposit of moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Fund" shall be paid to that fund, and net earnings received from the investment or deposit of moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Trust Fund" shall be paid to that fund for use by the trust to cover administrative expenses incurred in administering that fund. Any moneys not required for administrative expenses shall be used for any other authorized purpose to which moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Trust Fund" may be used.

d. The trust may charge and collect annually from local government units fees and charges in connection with any loans, guarantees or other services provided by the trust, in amounts sufficient to reimburse the trust for all reasonable costs necessarily incurred in connection therewith, and in connection with the establishment and maintenance of reserve or other funds, as the trust may determine to be reasonable.

6. Section 28 of P.L.1989, c.181 is amended to read as follows:

28. The commissioner shall, on or before January 15 of each year, develop and submit to the Legislature a priority system for stormwater management system and combined sewer overflow abatement projects and shall establish the ranking criteria and funding policies for the projects therefor. The commissioner shall set forth a stormwater management system
and combined sewer overflow abatement project priority list for funding for each fiscal year and shall include the aggregate amount of funds to be authorized for these purposes. No moneys shall be expended for grants or loans in a fiscal year for any stormwater management system or combined sewer overflow abatement project unless the expenditure is authorized pursuant to an appropriations act. As part of the annual submission required by this subsection, the department and the trust shall each provide a financial accounting of all project expenditures made in the preceding year, and of all administrative expenses incurred by the trust from interest earnings from the "Stormwater Management and Combined Sewer Overflow Abatement Trust Fund" in connection therewith.

7. Section 29 of P.L.1989, c.181 is amended to read as follows:

29. Not less than 30 days prior to entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the commissioner or the trust shall report to and consult with the Joint Budget Oversight Committee, or its successor.

8. Section 30 of P.L.1989, c.181 is amended to read as follows:

30. a. All appropriations from the "Stormwater Management and Combined Sewer Overflow Abatement Fund" shall be by specific allocation for each project, and any transfer of any funds so appropriated shall require the approval of the Joint Budget Oversight Committee or its successor.

b. Notwithstanding any other provision of P.L.1989, c.181, as amended, the department is authorized to use moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Fund" for direct program administrative costs incurred in implementing the provisions of P.L.1989, c.181, as amended, subject to the annual appropriation thereof by the Legislature. In no event may the Legislature appropriate to the Department of Environmental Protection or to any other State department or entity from the "Stormwater Management and Combined Sewer Overflow Abatement Fund," either directly or indirectly, any moneys for indirect program costs or fringe benefit costs. The total sum of all appropriations to the Department of Environmental Protection and to any other State department or entity from the "Stormwater Management and Combined Sewer Overflow Abatement Fund" for direct program administrative costs may not exceed in any fiscal year the total sum of all appropriations that were made to the Department of Environmental Protection from the proceeds of bonds, interest, and loan repayments pursuant to P.L.1989, c.181, for direct program administrative costs, pursuant to P.L.1996, c.42, plus an annual increase of not more than three percent. In
calculating the total sum of all appropriations made to the Department of Environmental Protection for direct program administrative costs pursuant to P.L.1996, c.42, the Legislature may not include any appropriations made for indirect program administrative costs and fringe benefit costs. The provisions of this subsection shall not affect the ability of the Trust to use moneys for its administrative expenses as specifically provided in P.L.1989, c.181, as amended.

9. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1997. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers are published therein, and to notify the clerk of each county of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

If approved, bond moneys in the "Stormwater Management and Combined Sewer Overflow Abatement Bond Act of 1989," could be used by the Department of Environmental Protection and the New Jersey Environmental Infrastructure Trust to make grants or low or zero interest loans to local governments. The grants or loans are to be used to finance the costs of projects to manage stormwater and to abate overflows of combined wastewater and stormwater sewers in order to stop or decrease pollutants from going into the State's waters. The voters approved the original bond act in 1989. These changes would permit the Department and the Trust to administer a combined loan and loan guarantee program for stormwater management and combined sewer overflow abatement projects. The bill provides that the State would be limited in using bond moneys for administrative expenses, that the Trust would be permitted to cover its administrative costs out of interest earned on bond moneys, and that the Trust would be permitted to establish reserve and guarantee accounts for loan moneys. Approval of these revisions to the "Stormwater Management and Combined Sewer Overflow Abatement Bond Act of 1989" would not involve any new State bonded indebtedness.

The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in the ballot. No other requirements of law of any kind or character as to notice or procedure, except as herein provided, need be adhered to.

The votes so cast for and against the approval of this amendatory act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of the election had in the same manner as is provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined shall be declared in the same manner as the result of an election for a Governor, and if there is a majority of all the votes cast for and against it at the election in favor of the approval of this amendatory act, then all the provisions thereof not made effective theretofore shall take effect forthwith.

10. There is appropriated, from the General Fund, the sum of $5,000 to the Department of State for expenses in connection with the publication of the notice required pursuant to section 9 of P.L.1997, c.225.

11. Sections 9 and 10 of this act shall take effect immediately, and the remainder of the act shall take effect as and when provided in section 9 of this act.

Approved August 20, 1997.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:4C-1 Findings, declarations relative to persons mistakenly imprisoned.

1. The Legislature finds and declares that innocent persons who have been convicted of crimes and subsequently imprisoned have been frustrated in seeking legal redress and that such persons should have an available avenue of redress over and above the existing tort remedies to seek compensation for damages. The Legislature intends by enactment of the provisions of this act that those innocent persons who can demonstrate by clear and convincing evidence that they were mistakenly convicted and imprisoned be able to recover damages against the State.

In light of the substantial burden of proof that must be carried by such persons, it is the intent of the Legislature that the court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted pursuant to this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence or other factors not caused by such persons or those acting on their behalf.

C.52:4C-2 Suit for damages.

2. Notwithstanding the provisions of any other law, any person convicted and subsequently imprisoned for one or more crimes which he did not commit may, under the conditions hereinafter provided, bring a suit for damages in Superior Court against the Department of the Treasury.

C.52:4C-3 Evidence claimant must establish.

3. The person (hereinafter titled, "the claimant") shall establish the following by clear and convincing evidence:
   a. That he was convicted of a crime and subsequently sentenced to a term of imprisonment, served all or any part of his sentence; and
   b. He did not commit the crime for which he was convicted; and
   c. He did not by his own conduct cause or bring about his conviction.

C.52:4C-4 Time to bring suit.

4. The person has continued, after written notice to cease, to substantially violate or breach any of the landlord's rules and regulations governing said premises, provided such rules and regulations are reasonable and have been accepted in writing by the tenant or made a part of the lease at the beginning of the lease term.

e. (1) The person has continued, after written notice to cease, to substantially violate or breach any of the covenants or agreements contained in the lease for the premises where a right of reentry is reserved to the landlord in the lease for a violation of such covenant or agreement, provided that such covenant or agreement is reasonable and was contained in the lease at the beginning of the lease term.

(2) In public housing under the control of a public housing authority or redevelopment agency, the person has substantially violated or breached any of the covenants or agreements contained in the lease for the premises pertaining to illegal uses of controlled dangerous substances, or other illegal activities, whether or not a right of reentry is reserved to the landlord in the lease for a violation of such covenant or agreement, provided that such covenant or agreement conforms to federal guidelines regarding such lease provisions and was contained in the lease at the beginning of the lease term.

f. The person has failed to pay rent after a valid notice to quit and notice of increase of said rent, provided the increase in rent is not unconscionable and complies with any and all other laws or municipal ordinances governing rent increases.

g. h. The owner seeks to retire permanently the residential building or the mobile home park from residential use or use as a mobile home park, provided this subsection shall not apply to circumstances covered under subsection g. of this section.

i. The landlord or owner proposes, at the termination of a lease, reasonable changes of substance in the terms and conditions of the lease, including specifically any change in the term thereof, which the tenant, after written notice, refuses to accept; provided that in cases where a tenant has received a notice of termination pursuant to subsection g. of section 3 of P.L.1974, c.49 (C.2A:18-61.2), or has a protected tenancy status pursuant to section 9 of the "Senior Citizens and Disabled Protected Tenancy Act," P.L.1981, c.226 (C.2A:18-61.30), or pursuant to the "Tenant Protection Act of 1992," P.L.1991, c.509 (C.2A:18-61.40 et al.), the landlord or owner shall have the burden of proving that any change in the terms and conditions of the lease, rental or regulations both is reasonable and does not substantially reduce the rights and privileges to which the tenant was entitled prior to the conversion.

j. The person, after written notice to cease, has habitually and without legal justification failed to pay rent which is due and owing.

k. The landlord or owner of the building or mobile home park is converting from the rental market to a condominium, cooperative or fee simple ownership of two or more dwelling units or park sites, except as hereinafter provided in subsection l. of this section. (1) The owner of a building or mobile home park, which is constructed as or being converted to a condominium, cooperative or fee simple ownership, seeks to evict a tenant or sublessee whose initial tenancy began after the master deed, agreement establishing the cooperative or subdivision plat was recorded, because the owner has contracted to sell the unit to a buyer who seeks to personally occupy it and the contract for sale calls for the unit to be vacant at the time of closing. However, no action shall be brought against a tenant under paragraph (1) of this subsection unless the tenant was given a statement in accordance with section 6 of P.L.1975, c.311 (C.2A:18-61.9);

(2) The owner of three or less condominium or cooperative units seeks to evict a tenant whose initial tenancy began by rental from an owner of three or less units after the master deed or agreement establishing the cooperative was recorded, because the owner seeks to personally occupy the unit, or has contracted to sell the unit to a buyer who seeks to personally occupy it and the contract for sale calls for the unit to be vacant at the time of closing;

CHAPTER 229

AN ACT establishing an Advisory Council on Adolescent Pregnancy, supplementing Title 26 of the Revised Statutes and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C26:2-170 Findings, declarations relative to out-of-wedlock adolescent births.

1. The Legislature finds and declares that:
A. Out-of-wedlock adolescent births are a serious problem facing the State of New Jersey and the nation;  
b. A large number of adolescents ages 10-19 are having children with approximately one million adolescents in the United States becoming pregnant each year;  
c. Adolescent pregnancy has serious medical consequences, including the following: adolescents are less likely than older mothers to obtain prenatal care as only half of the pregnant adolescents in New Jersey receive early prenatal care; pregnant teenagers are at excess risk for anemia, cervical trauma, premature delivery, prolonged or abrupt labor and maternal mortality; and children of adolescent mothers are more likely to have low birth weight, require further hospitalization and die in infancy;  
d. Out-of-wedlock adolescent pregnancy has serious social consequences, including the following: adolescent mothers are more likely to live in poverty, receive public assistance, be a high school dropout and be unemployed as nearly 75% of all single mothers under age 25 live in poverty, approximately half of all women receiving AFDC from 1976-1992 were or had been teenage mothers, only slightly more than half of adolescents who become mothers finish high school and children of adolescent mothers experience excess rates of dropping out of school, incarceration, depression, premature sexual activity and out-of-wedlock births. As of 1992, 84% of all births to mothers under the age of 20 in New Jersey were out-of-wedlock, the sixth highest rate in the country;  
e. Out-of-wedlock adolescent pregnancy imposes large economic costs to federal, state and local governments;  
f. There is a need for a permanent body to confront the issue of out-of-wedlock adolescent pregnancy and to review policy proposals, such as the findings and recommendations presented in the 1988 report of the New Jersey Task Force on Adolescent Pregnancy; and  
g. It is therefore necessary to establish an advisory council to determine the best methods of coordination and improvement of the services of State and local governmental, private and voluntary agencies, community organizations, and schools which seek to serve adolescents at high risk of pregnancy, pregnant adolescents, adolescent parents, and their families.

2. a. There is established in the Executive Branch of the State Government an Advisory Council on Adolescent Pregnancy. For the purposes of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the advisory council is allocated within the Department of Health and Senior Services, but
notwithstanding that allocation, the advisory council shall be independent of any supervision or control by the department or by any board or officer thereof.

b. The advisory council shall consist of 23 members as follows: the Commissioners of the Departments of Health and Senior Services, Human Services, Education, Community Affairs, and Labor, who shall serve as ex officio members, and 18 public members, four of whom shall be teenagers, including two teenage parents and two teenagers who are not parents, and fourteen of whom shall be representatives of community based religious, health and social service organizations which serve adolescents and health professionals and educators with recognized expertise in the field of adolescent pregnancy. Of the public members, three shall be appointed by the President of the Senate, no more than two of whom shall be of the same political party; three shall be appointed by the Speaker of the General Assembly, no more than two of whom shall be of the same political party; and 12 shall be appointed by the Governor with the advice and consent of the Senate, no more than six of whom shall be of the same political party. The advisory council shall organize within 30 days after the appointment of its members. The members shall select one person from among them to serve as the chairperson and the members shall select a secretary, who need not be a member of the advisory council.

c. Each ex officio member may designate an employee of the member's department to represent the member at hearings of the advisory council. All designees may lawfully vote and otherwise act on behalf of the member for whom they constitute the designee.

d. Each public member shall be appointed for a term of three years, but of the members first appointed, six shall serve for a term of one year, six for a term of two years and six for a term of three years. Members shall serve until their successors are appointed and qualified. Vacancies shall be filled in the same manner as the original appointments were made.

e. Members of the advisory council shall serve without compensation but, within the limits of funds appropriated or otherwise made available to it, shall be eligible for reimbursement of necessary expenses incurred in the performance of their duties.

f. The Department of Health and Senior Services shall provide such staff as the advisory council requests to carry out the purposes of this act.

C.26:2-172 Advisory council duties.

3. It shall be the duty of the advisory council to:

a. Review past policy proposals, including those contained in the 1988 report of the New Jersey Task Force on Adolescent Pregnancy;
b. Develop policy proposals for the State to prevent adolescent pregnancy, reduce out-of-wedlock births among adolescents and improve services to at-risk, pregnant, and parenting adolescents;

c. Assist with and promote a coordinated and comprehensive approach to the social, economic, and health problems of adolescent pregnancy and parenthood among public and private groups;

d. Collect information on ongoing and new efforts aimed at preventing adolescent pregnancy and improving services to at-risk, pregnant, and parenting adolescents;

e. Promote and encourage broad community input, communication and education regarding adolescent pregnancy;

f. Provide advice to local public and private agencies and schools seeking to mobilize local efforts designed to prevent adolescent pregnancies and assist adolescent parents; and

g. Coordinate activities generated by the National Campaign to Prevent Teen Pregnancy and the Family Planning Program in the State Department of Health and Senior Services.

C.26:2-173 Assistance, services available.

4. The advisory council may call to its assistance and avail itself of the services of the Legislature and officials and employees of any State, county or municipal department, board, bureau, commission, task force, or agency as may be required and made available for its purposes. It may also, within the limits of funds appropriated or otherwise made available to it, incur travel and miscellaneous expenses necessary for the performance of its duties.

C.26:2-174 Report to Governor, Legislature.

5. The advisory council shall report to the Governor and the Legislature biannually, or more frequently if deemed appropriate, on its activities, findings and recommendations for legislation, administrative action or other methods for preventing adolescent pregnancy, reducing out-of-wedlock births among adolescents and improving services related to adolescent pregnancy.

6. There is appropriated $95,000 from the General Fund to the Advisory Council on Adolescent Pregnancy to effectuate the purposes of this act.

7. This act shall take effect immediately.

CHAPTER 230

AN ACT concerning testing for syphilis, amending P.L.1938, c.41 and repealing P.L.1938, c.126.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1938, c.41 (C.26:4-49.1) is amended to read as follows:

C.26:4-49.1 Blood sample, syphilis testing for pregnant women.

1. Every physician attending pregnant women in the State for conditions relating to their pregnancy during the period of gestation and/or at delivery shall, in the case of every woman so attended, take or cause to be taken a sample of blood of such woman at the time of first examination and take or cause to be taken a sample of blood of the woman or from the umbilical cord of the infant at the time of delivery of a live infant, and shall submit such sample to an approved laboratory for a standard serological test for syphilis. Every other person permitted by law to attend pregnant women in the State, but not permitted by law to take blood samples, shall cause a sample of blood of such pregnant women or postpartum woman or infant, as the case may be, to be taken by a physician duly licensed to practice medicine and surgery and have such sample submitted to an approved laboratory for a standard serological test for syphilis.

2. Section 3 of P.L.1938, c.41 (C.26:4-49.3) is amended to read as follows:

C.26:4-49.3 Statement of blood test in birth or stillbirth report.

3. In reporting every birth and stillbirth, physicians and others required to make such reports shall state on the certificate whether a blood test for syphilis has been made upon a specimen of blood taken from the woman who bore the child or from the umbilical cord of the infant for which a birth or stillbirth certificate is filed and the date when the specimen was taken.

Repealer.

3. The following is repealed:

4. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1983, c.264 (C.6:1-90) is amended to read as follows:

C.6:1-90 Findings, declarations.

2. a. The Legislature finds and declares that:

(1) New Jersey's public use, general aviation airports are an integral part of the State's transportation network and promote mobility and economic activities of common public benefit. These public use, general aviation transportation facilities are deteriorating and must be improved as to safety and their economic vitality in order to realize their full public benefit.

(2) There is a growing need to upgrade the safety of general aviation airports, which require such improvements and equipment as radar, instrument landing aids and weather-reporting equipment to enable them to safely handle modern general aviation aircraft.

(3) Many publicly owned, general aviation airports are unable to obtain all of the federal funds available to them for airport development because they are unable to raise money for their local matching requirements.

(4) Many privately owned, public use, general aviation airports which are essential to the State's economic development are in danger of conversion to nonaviation uses, and it is in the public interest to provide State assistance to county and municipal efforts to preserve these airports, through acquisition or other means.

(5) Users of general aviation airports have contributed substantial amounts to the State treasury through fees and fuel taxes, and this money should henceforth be used to establish an airport assistance program.

(6) The long term stability and viability of unrestricted public use airports are greatly dependent upon the economic stability and vitality of the aviation enterprises which are located within them.

(7) It is in the public interest for the Department of Transportation to undertake activities which promote aviation safety, promote aviation education, and provide for the promotion of aeronautics.

b. The Legislature therefore finds and declares that it is in the public interest to establish an Airport Safety Fund, impose a two cent per gallon tax on fuel distributed to general aviation airports, and authorize the Commis-
sioner of Transportation to establish assistance programs to improve the safety and economic vitality of general aviation airports, to promote aviation safety and education, and to provide for the promotion of aeronautics.

c. The Legislature also declares that, inasmuch as federal authorities already register aircraft, it is deemed appropriate to cease the State registration of New Jersey based aircraft, which is currently administered at a net loss.

2. Section 3 of P.L.1983, c.264 (C.6:1-91) is amended to read as follows:

C.6:1-91 Definitions.

4. a. There is established in the general fund a separate special account to be known as the "Airport Safety Fund." Notwithstanding any provisions of law to the contrary and except as otherwise provided in this act, revenues
from the taxes imposed on the sale of fuel used in aircraft, pursuant to chapter 39 of Title 54 of the Revised Statutes, revenues from the taxes imposed on the sale of aircraft fuels sold for distribution to general aviation airports, pursuant to this act, and fees imposed under Title 6 of the Revised Statutes shall be credited to the fund.

b. Moneys shall be appropriated from the fund, notwithstanding the provisions of P.L.1976, c.67 (C.52:9H-5 et seq.).

c. Moneys in the fund shall be appropriated to the department only for those aviation purposes which the department is empowered to undertake pursuant to this act or under Title 6 and Title 27.

d. All revenues generated by the taxes imposed on the sale of aircraft fuels, pursuant to chapter 39 of Title 54 of the Revised Statutes; the taxes imposed on the sale of aircraft fuels sold for distribution to general aviation airports, pursuant to this act, and fees imposed under the provisions of Title 6 of the Revised Statutes shall be collected and invested by the Treasurer pursuant to law. e. Any revenues credited to the fund but not appropriated to the department shall remain in the fund exclusively for the purposes set forth in this act.

g. Moneys paid back to the State pursuant to loans made from the fund shall be paid back into and become part of the fund.

4. Section 9 of P.L.1983, c.264 (C.6:1-93) is amended to read as follows:

C.6:1-93 Permitted uses of "Airport Safety Fund."

9. The commissioner is hereby authorized to expend moneys from the Airport Safety Fund established by section 4 of the "New Jersey Airport Safety Act of 1983," P.L.1983, c.264 (C.6:1-92), for the following purposes:

a. To provide grants to publicly and privately owned, unrestricted, public use airports to obtain federal funds for airport assistance. The commissioner is authorized to provide up to 50% of the required local match; except that the commissioner is authorized to provide up to 100% of the required local match, when he deems that an emergency situation exists.

b. To provide grants or loans, or both, to publicly owned and private, unrestricted, public use airports for safety projects, including but not limited
to engineering, planning, construction and rehabilitation of lighting, runways, aprons, airport approach aids and obstruction removals.

c. To provide grants or loans, or both, to publicly owned airports or counties or municipalities to acquire airports or lands, rights in land and easements, including aviation easements necessary for clear zones or clear areas, which are owned, controlled or operated, or to be owned, controlled or operated by municipalities, counties or other political subdivisions of this State.

d. To acquire lands or rights in lands adjacent to privately owned, public use airports, which are found necessary for airport or air safety purposes, and while retaining title to that land or rights in land, the commissioner may lease those lands or rights to airports or airport authorities for use in the furtherance of airport, air safety, or air transportation purposes. The commissioner shall establish terms in any such lease so as to protect the State's interest in the promotion of aviation and the State's investment in lands and property.

e. To provide loans to unrestricted public use airports and New Jersey based aviation enterprises, in amounts not to exceed $200,000 per loan, for such specific purposes and on such terms and conditions as may be determined by the commissioner pursuant to this subsection. Loans pursuant to this subsection may be provided for revenue or nonrevenue generating capital construction, capital development, or equipment acquisition purposes. In providing such loans, the commissioner shall establish loan security terms so as to protect the State's interests. CHAPTER 232, LAWS OF 1997

2. Section 10 of P.L. 1996, c.138 (C.18A:7F-10) is amended to read as follows:

C.18A:7F-10 Stabilization aid per district; calculation.

10. a. Notwithstanding any other provision of this act to the contrary, the total stabilized aid for each district shall not be increased by more than the district's stabilization aid growth limit. In the event that total stabilized aid exceeds the prebudget year total by a rate greater than the stabilization aid growth limit, the commissioner shall adjust the components of total stabilized aid so that they total exactly the prebudget year total increased by the stabilization aid growth limit. For the 1997-98 school year, the prebudget year total shall include foundation aid, transition aid, categorical aids for special education, bilingual education and county vocational education, and transportation aid paid for the 1996-97 school year. For the 1997-98 school year and thereafter, the prebudget year total shall be the total for the same aid categories as included in total stabilized aid plus any stabilization aid the district has received pursuant to subsection b. of this section, as paid in the prebudget years. For the 1997-98 and 1998-99 school years, total stabilized aid shall include core curriculum standards aid, categorical aids for special education programs, bilingual education programs, and county vocational programs, transportation aid, and aid for adult and postsecondary programs calculated pursuant to sections 15, 19, 20, 21, 25, and 28 of this act. For the 1999-2000 school year and thereafter, total stabilized aid shall include core curriculum standards aid, supplemental core curriculum standards aid, distance learning network aid, categorical aids for special education programs, bilingual education programs, county vocational programs, early childhood program aid, demonstrably effective program aid, instructional supplement aid, transportation aid, aid for adult and postsecondary programs, and academic achievement rewards calculated pursuant to sections 15 through 22, 25, 28 and 29 of this act.

Notwithstanding any provision of this section to the contrary, the commissioner shall ensure that for any district with a stabilization reduction in 1997-98 that by the 1999-2000 school year and thereafter, the total stabilized aid for each school district reflects the actual pupil counts of the district.

b. Notwithstanding any other provision of this act to the contrary, the total of a district's stabilization aid, core curriculum standards aid, supplemental core curriculum standards aid, distance learning network aid, categorical aids for special education programs, bilingual education programs, county vocational programs, early childhood program aid, demonstrably effective program aid, transportation aid, aid for adult and postsecondary programs, and academic achievement rewards calculated
pursuant to subsection a. of this section and sections 15 through 17, subsection a. of section 18, 19 through 22, 25, 28 and 29 of this act, shall not be decreased by more than 10% below the amounts paid for these categories in the prebudget year. In the event that the sum of the formula entitlements calculated pursuant to those sections is less than 90% of the prebudget total, stabilization aid shall be paid in the amount of the difference between 90% of the prebudget year total and the sum of those entitlements. For the 1997-98 school year, the prebudget year total shall include foundation aid, transition aid, aid for at-risk pupils, technology aid and categorical aids for special education, bilingual education and county vocational education, and transportation aid.

(c) For the 1997-98 school year, supplemental stabilization aid shall be paid to any district in which:

1. the total aid payable for the categories listed in subsection b. of this section is less than the prebudget year total for the same aids; and
2. resident enrollment projected for October 1997 exceeds 99 percent of the resident enrollment for October 1991 or resident enrollment projected for October 1997 is less than resident enrollment for October 1991 by 35 or fewer pupils or the pre budget year equalized school tax rate exceeded the Statewide average equalized school tax rate by 10% or more.

An eligible district shall be aided in the amount of its total aid decline, after offset by any stabilization aid provided pursuant to subsection b. of this section, or $4,000,000, whichever is less. The commissioner, in consultation with the Commissioner of the Department of Community Affairs and the Director of the Division of Local Government Services in the Department of Community Affairs, shall examine the fiscal ability of districts eligible for supplemental stabilization aid to absorb aid losses and shall make recommendations to the Legislature and the Governor regarding the continuation of supplemental stabilization aid. The commissioner shall not implement any of those recommendations until the recommendations are enacted into law.

(d) Additional supplemental stabilization aid of $500,000 per district shall be disbursed to any district which meets all of the following criteria:

1. the district's projected resident enrollment for the 1997-98 school year exceeds 10,000 pupils;
2. the district's 1996-97 net budget is less than the sum of its maximum T&E budget calculated pursuant to section 13 of this act and early childhood program aid, demonstrably effective program aid, instructional supplement aid, transportation aid, and categorical program aid received pursuant to sections 19 through 22, 28, and 29 of this act;

(6) the district was certified as of November 30, 1996.

e. For the 1997-98 school year, each district which had pupils placed in a county special services school district on October 15, 1995 shall receive additional supplemental stabilization aid as follows:

(1) when the sum of the district's total aid payable for the categories listed in subsection b. of this section, aid payable pursuant to subsections c. and d. of this section, and aid payable pursuant to subsection c. of section 18 of this act exceeds the prebudget year total for the same aids pursuant to subsection b. of this section, the district shall receive an amount equal to the excess of the State aid generated by such placements in the county special services school district in 1996-97 over the excess calculated pursuant to this paragraph; or

(2) when the district's prebudget year aid pursuant to subsection b. of this section equals or exceeds the sum of the total aid payable for the categories listed in subsection b. of this section, aid payable pursuant to subsections c. and d. of this section, and aid payable pursuant to subsection c. of section 18 of this act, the district shall receive an amount equal to the State aid generated by such placements in the county special services school district in 1996-97.

where
ESTR is the district's equalized tax rate of the general fund for the 1996-97 school year;
STESTR is the Statewide average equalized school tax rate for the 1996-97 school year; and
EVAL is the district October 1995 equalized valuation.
No district shall receive more than $300,000 pursuant to this subsection.
g. Additional supplemental stabilization aid shall be paid to any district which is located in a municipality which has a population composed of more than 45% senior citizens age 65 or older according to the most recent federal decennial census. The aid shall equal $200 multiplied by the district's resident enrollment projected for October 1997.
h. For the 1997-98 school year, any county vocational school district which is not eligible for supplemental stabilization aid pursuant to subsection c. of this section but which meets the requirements of paragraph (1) of that subsection and in which the secondary resident enrollment for October 1996 exceeds the resident enrollment projected for October 1997 shall be entitled to supplemental stabilization aid after offset by any aid received by the district pursuant to subsections b., d., e., f., and g. of this section and subsection c. of section 18 of P.L.1996, c.138 (C.18A:7F-18), or $500,000, whichever is less. 3. There is appropriated from the General Fund to the Department of Education $8,127,271 to effectuate the purposes of this act.

4. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that the Pinelands comprehensive management plan and its accompanying land use regulations place a number of restrictions on opportunities for economic development in portions of the region in which growth is restricted and which are largely devoted to conservation and agriculture; that within these areas, there is potential for limited development that may be undertaken in a manner that does not detract from ecological protection goals; and that certain types of economic development can be identified that are compatible with the environmentally sensitive and rural character of the region.

The Legislature further finds and declares that small villages exist in non-growth portions of the region that include areas zoned for commercial and other uses but are isolated in the rural municipalities and lack the staff and resources for planning and economic development; that economic development of a certain type, such as ecotourism, retail sales and services, recreation, and light manufacturing, may be viable alternatives for these areas; and that in order to promote opportunities for these areas, it is necessary to create a program to research and test viable economic development opportunities and to design implementation strategies to bring development to these areas compatible with the ecologically sensitive nature of the region.

2. a. The Pinelands Commission shall develop a pilot program to assist rural Pinelands municipalities in non-growth regions in the Pinelands area in identifying economic development opportunities that complement regional requirements for resource protection and in attracting such development to the area. The pilot program shall be developed by the Pinelands Commission, together with several rural municipalities within non-growth areas in the Pinelands area chosen by the commission, to enable similarly situated municipalities to match local conditions with compatible economic development opportunities. The commission shall choose municipalities to participate in the program based on the extent to which: the entire municipality or large portions thereof are located in an environmentally sensitive area; limited sites are available for development; sewer service is unavailable in most of the municipality; large portions of the municipality are owned by the State; and no local resources are available for economic development planning.

b. The Pinelands Commission shall establish a partnership with each municipality participating in the program. The municipality shall be given
technical and other assistance in developing a local economic development entity. Each local economic development entity shall, together with the commission, perform a community assessment to determine community interests and opportunities for development, and to identify sites for development that are compatible with resource protection and that take into account constraints on the scale of allowable development. The commission, together with the local economic development entities shall develop strategies for attracting development and shall develop promotional materials for that purpose, and shall develop links with county and regional economic development entities. The commission shall develop strategies for the expedited review of development applications and permits for such projects.

3. Not later than two years after the effective date of this act, the Pinelands Commission shall prepare and submit a report to the Governor and the Legislature describing the pilot program developed pursuant to this act, evaluating its effectiveness, detailing the expenditure of the funds appropriated pursuant to section 4 of P.L.1997, c.233 and discussing its applicability to other regions of the State. The commission shall also make the report available, upon request, to any municipality in the State.

4. There is appropriated from the General Fund, the sum of $250,000 to the Pinelands Commission in order to implement the provisions of this act.

5. This act shall take effect immediately.

Approved August 30, 1997.

3. a. Of the moneys from the "Hazardous Discharge Fund of 1986," created pursuant to the "Hazardous Discharge Bond Act of 1986," P.L.1986, c.113, as amended by P.L.1989, c.182, and appropriated to the Department of Environmental Protection pursuant to section 1 of P.L.1993, c.348, the sum of $20,000,000 is reappropriated to the New Jersey Economic Development Authority for deposit into the Hazardous Discharge Site Remediation Fund, created pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4) for the purposes of that fund.

b. The expenditure of the sum reappropriated by this section is subject to the provisions and conditions of P.L.1986, c.113 and P.L.1989, c.182.

4. Notwithstanding any other law to the contrary, as of the effective date of this section, moneys appropriated from the "Hazardous Discharge Bond Act," P.L.1981, c.275, and the "Hazardous Discharge Bond Act of 1986," P.L.1986, c.113, that were previously appropriated or that may be reappropriated may not be used to pay the indirect administrative or fringe benefit costs incurred by the State of New Jersey.

5. This act shall take effect immediately.

Approved August 30, 1997.

operators of petroleum underground storage tanks in this State in order to finance the eligible project costs of remediations that are necessary due to the discharge of petroleum from one or more of those petroleum underground storage tanks. Priority for the issuance of financial assistance from the fund, and the terms and conditions of that financial assistance, shall be based upon the criteria set forth in this section.

b. Upon a determination that an application for financial assistance meets all established criteria for the award of financial assistance from the fund, the authority shall approve the application. Prior to December 22, 1998, the authority may approve only those applications given priority pursuant to paragraphs (1) and (2) of this subsection or pursuant to subsections c. and f. of this section, but the authority may receive, file, and deem complete any application for financial assistance it receives prior to that date.

Upon the authority's approval of an application for financial assistance, the authority shall award financial assistance to an applicant upon the availability of sufficient monies in the fund. When monies in the fund are not sufficient at any point in time to fully fund all applications for financial assistance that have been approved by the authority, the authority shall award financial assistance to approved applicants, notwithstanding the date of approval of the application, in the following order of priority:

(1) Upgrades of regulated tanks required to be upgraded pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given first priority;

(2) Closure of any regulated tank required to be upgraded pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given second priority;

(3) Upgrades of regulated tanks required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.), but not pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given third priority;

(4) Any necessary remediations at the sites of petroleum underground storage tanks other than those given priority pursuant to paragraph (1), (2), or (3) of this subsection shall be given fourth priority;

(5) Closure of any regulated tank required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.), but not pursuant to 42 U.S.C. s.6991 et seq., shall be given last priority.

c. Notwithstanding the priority for the award of financial assistance set forth in subsection b. of this section, whenever there has been a discharge, and the discharge poses an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area, an approved application for the award of financial assistance for the
remediation and upgrade or closure, if necessary, shall be given priority over all other applications for financial assistance.

d. The priority ranking of applicants within any priority category enumerated in paragraphs (1), (2), (3), (4), and (5) of subsection b. and in subsection c. of this section shall be based upon the date an application for financial assistance is filed with the authority as determined pursuant to section 6 of P.L.1997, c.235 (C.58:10A-37.6).

e. Whenever a facility consists of petroleum underground storage tanks from more than one priority category as enumerated in paragraphs (1) through (5) of subsection b. of this section, and subsection c. of this section, all the petroleum underground storage tanks at that facility shall be accorded the priority that would be accorded the highest priority petroleum underground storage tank at that facility.

f. Notwithstanding the priority rankings established in this section, one-tenth of the amount annually appropriated to the Petroleum Underground Storage Tank Remediation, Upgrade and Closure Fund shall be used to provide financial assistance to owners or operators of petroleum underground storage tanks used to store heating oil for onsite consumption in a residential building, in order to finance the eligible project costs of remediations that are necessary due to the discharge of heating oil from those petroleum underground storage tanks. The authority shall provide financial assistance pursuant to this subsection notwithstanding the owner or operator’s ability to obtain commercial loans for all or part of the financing. The priority ranking of applicants for these funds shall be based upon the date an application for financial assistance is filed with the authority as determined pursuant to section 6 of P.L.1997, c.235 (C.58:10A-37.6). If the authority does not receive qualified applications for financial assistance from owners and operators of petroleum underground storage tanks used to store heating oil for onsite consumption that meet the criteria set forth in this act and in any rules or regulations issued pursuant thereto, sufficient to enable the award of financial assistance an amount equal to one-tenth of the amount annually appropriated to the fund in any one year as required pursuant to this subsection, the authority may award that financial assistance in the order of priority as provided in this section. In addition to the monies dedicated pursuant to this subsection, the authority may award financial assistance to an owner or operator of a petroleum underground storage tank used to store heating for onsite consumption when the criteria enumerated in subsection c. of this section are met.

C.58:10A-37.5 Awarding of financial assistance.

5. a. The authority may award financial assistance from the fund to an eligible owner or operator in the form of a loan or a conditional hardship
grant as provided in this section. An award of financial assistance, either as a loan or a grant, or a combination of both, may, upon application therefor, be for 100% of the eligible project costs. However, a loan that any applicant may receive from the fund for an upgrade, remediation, or closure, or any combination thereof, for any one facility, may not exceed $1,000,000 and a grant that any applicant may receive from the fund for any one facility, may not exceed $250,000. The total amount of financial assistance awarded as grants in any one year may not exceed 10% of the total amount of financial assistance awarded in that year.

b. A public entity applying for financial assistance from the fund may only be awarded financial assistance in the form of an interest free loan.

c. An applicant, other than a public entity, may apply for and receive a conditional hardship grant as provided in paragraph (1) of this subsection, or a loan for an upgrade, closure, or remediation as provided in paragraph (2) of this subsection. Financial assistance awarded an applicant pursuant to this subsection may consist entirely of a conditional hardship grant, a loan for an upgrade, or loan for a closure, or a loan for a remediation, or any combination thereof, except that the total amount of the award of financial assistance shall be subject to the per facility dollar limitation enumerated in subsection a. of this section. Notwithstanding any other provision of this subsection to the contrary, no tax exempt, nonprofit organization, corporation, or association shall be awarded a conditional hardship grant pursuant to paragraph (1) of this subsection.

(1) A conditional hardship grant for eligible project costs of an upgrade, closure or remediation shall be awarded by the authority based upon a finding of eligibility and financial hardship and upon a finding that the applicant meets the criteria set forth in this act.

In order to be eligible for a conditional hardship grant, the applicant shall have owned or operated the subject petroleum underground storage tank as of December 1, 1996 and continually thereafter or shall have inherited the property from a person who owned the petroleum underground storage tank as of that date. No applicant shall be eligible for a conditional hardship grant if the applicant has a taxable income of more than $100,000 or a net worth, exclusive of the applicant's primary residence, of over $100,000.

A finding of financial hardship by the authority shall be based upon a determination that an applicant cannot reasonably be expected to repay all or a portion of the eligible project costs if the financial assistance were to be awarded as a loan. The amount of an award of a conditional hardship grant shall be the amount of that portion of the eligible project costs the authority determines the applicant cannot reasonably be expected to repay.
In making a finding of financial hardship for an application for the upgrade, closure, or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is a part of the business property of the owner, the authority shall base its finding upon the cash flow of the applicant's business, whether or not any part of the applicant's business is related to the ownership or operation of that petroleum underground storage tank. In making a finding of financial hardship for an application for the upgrade or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is not a part of the business property of the owner, the authority shall base its finding upon the applicant's taxable income in the year prior to the date of the application being submitted.

If the authority awards a conditional hardship grant in combination with a loan pursuant to this subsection, the authority shall release to the applicant the loan monies prior to the release of the conditional hardship grant monies.

Conditional hardship grants awarded to an applicant shall be subject to the lien provisions enumerated in section 16 of P.L.1997, c.235 (C.58:10A-37.16).

(2) A loan to an eligible owner or operator for the eligible project costs of an upgrade, closure, or remediation shall be awarded by the authority only upon a finding that the applicant other than a public entity is able to repay the amount of the loan.

In making a finding of an applicant's ability to repay a loan for the upgrade, closure, and remediation of a regulated tank, or for the remediation of a discharge from a petroleum underground storage tank, the authority shall base its finding, as applicable, upon the cash flow of the applicant's business, the applicant's taxable income and the applicant's personal and business assets, except that the authority may not consider the applicant's primary residence as collateral, except that the authority may consider the applicant's primary residence as collateral with the permission of the applicant or where the subject petroleum underground storage tank or regulated tank is located at the primary residence.

d. The authority shall, where applicable, require an applicant applying for financial assistance from the fund to submit to the authority the financial statements of the applicant's business for three years prior to the date of the application, the most recent interim financial statement for the year of the application, the applicant's federal income tax returns, or other relevant documentation.

e. Nothing in this section is intended to alter the priority or criteria for awarding financial assistance established pursuant to section 4 of P.L.1997, c.235 (C.58:10A-37.4).
f. An eligible owner or operator may only be awarded that amount of financial assistance issued as a loan for which the applicant demonstrates he could not qualify for and obtain as a commercial loan. The provisions of this subsection shall not apply to an owner or operator or petroleum underground storage tank used to store heating oil for onsite consumption in a residential building.

C.58:10A-37.6 Application for financial assistance; fee.

6. An eligible owner or operator seeking financial assistance from the fund shall file an application on a form to be developed by the authority. The application form shall be submitted with the application fee. The application fee per facility for residential petroleum underground storage tanks shall be $250. The authority may establish the application fee per facility for nonresidential petroleum underground storage tanks.

The authority shall adopt rules and regulations listing the filing requirements for a complete application for financial assistance. If a financial assistance application is determined to be incomplete by the authority, an applicant shall have 30 days from the date of receipt of written notification of incompleteness to file such additional information as may be required by the authority for a completed application. If an applicant fails to file the additional information within the 30 days, the filing date for that application shall be the date that such additional information is received by the authority. If the additional information is filed within the 30 days and is satisfactory to the authority, the filing date for that application shall be the initial date of application with the authority. Notwithstanding the above, if a completed application has been submitted and the applicant fails to submit the filing fee, then the filing date for the application shall not be established until the date on which the authority receives the application fee.

An applicant shall have 120 days from receipt of notice of approval of a financial assistance award to submit to the authority an executed contract for the upgrade, closure, or remediation, or all three, as the case may be, that is consistent with the terms and conditions of the financial assistance approval. Failure to submit an executed contract within the allotted time, without good cause, may result in an alteration of an applicant’s priority ranking.

C.58:10A-37.7 Conditions for awarding financial assistance.

7. a. The authority shall award financial assistance to an owner or operator of a facility only if the facility is properly registered with the department pursuant to section 3 of P.L.1986, c.102 (C.58:10A-23), where applicable, and if all fees or penalties due and payable on the facility to the department pursuant to P.L.1986, c.102 have either been paid or the nature or the amount of the fee or penalty is being contested in accordance with law.
b. The authority may deny an application for financial assistance, and any award of financial assistance may be recoverable by the authority, upon a finding that:

(1) in the case of financial assistance awarded for a remediation, the discharge was proximately caused by the applicant's knowing conduct;

(2) in the case of financial assistance awarded for a remediation, the discharge was proximately caused or exacerbated by knowing conduct by the applicant with regard to any lawful requirement applicable to petroleum underground storage tanks intended to prevent, or to facilitate the early detection of, the discharge;

(3) the applicant failed to commence or complete a remediation, closure, or an upgrade for which an award of financial assistance was made within the time required by the department in accordance with the applicable rules and regulations, within the time prescribed in an administrative order, an administrative consent agreement, a memorandum of agreement, or a court order; or

(4) the applicant provided false information or withheld information on a loan or grant application, or other relevant information required to be submitted to the authority, on any matter that would otherwise render the applicant ineligible for financial assistance from the fund, that would alter the priority of the applicant to receive financial assistance from the fund, that resulted in the applicant receiving a larger grant or loan award than the applicant would otherwise be eligible, or that resulted in payments from the fund in excess of the actual eligible project costs incurred by the applicant or the amount to which the applicant is legally eligible.

Nothing in this subsection shall be construed to require the authority to undertake an investigation or make any findings concerning the conduct described in this subsection.

c. An application for financial assistance from the fund for an upgrade or closure of a regulated tank shall include all regulated tanks at the facility for which the applicant is seeking financial assistance. Once financial assistance for an upgrade, closure or a remediation is awarded for a facility, no additional award of financial assistance may be made for that facility. However, if an applicant discovers while performing upgrade or closure activities that a remediation is necessary at the site of a facility, and if financial assistance was previously awarded for that site only for an upgrade or closure of a regulated tank, the applicant may amend his application and apply for financial assistance for the required remediation subject to the limitations enumerated in section 5 of this act. An application for financial assistance for an upgrade or closure of a regulated tank shall be conditioned upon the applicant agreeing to perform, at the time of the upgrade or closure, any remediation necessary as a result of a discharge from the regulated tank.
and commencement of the remediation within the time prescribed and in accordance with the rules and regulations of the department.

d. No financial assistance shall be awarded for any regulated tank to meet the upgrade or closure requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.), or for the remediation of a discharge from any such regulated tank except as provided in subsection c. of this section, unless the application is filed with the authority prior to January 1, 1999 and the application is complete and the application fee is received by March 1, 1999.

e. The date of occurrence of a discharge shall not affect eligibility for financial assistance from the fund. Except for a preliminary assessment or a site investigation performed after the effective date of P.L.1997, c.235 (C.58:10A-37.1 et seq.), and except as provided in subsection g. of this section, no award of financial assistance shall be made from the fund for the otherwise eligible project costs of a remediation, closure, or an upgrade, or parts thereof, completed prior to an award of financial assistance from the fund.

f. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if financial assistance from the Hazardous Discharge Site Remediation Fund established pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4) has previously been made for a remediation at that site as a result of a discharge from that petroleum underground storage tank. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if the discharge began subsequent to the completion of an upgrade of that petroleum underground storage tank, which upgrade was intended to meet all applicable upgrade regulations of the department, no matter when the upgrade was performed.

g. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.), where an eligible owner or operator has filed an application for financial assistance from the fund, and there are either insufficient monies in the fund or the authority has not yet acted upon the application or awarded the financial assistance, the eligible owner or operator may expend its own funds for the upgrade, closure, or remediation, and upon approval of the application, the authority shall award the financial assistance as a reimbursement of the monies expended for eligible project costs.

C.58:10A-37.8 Rules, regulations relative to application procedure.

8. a. The authority shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations to:

(1) require an applicant:
(a) to submit documentation or other information on the nature and scope of the work to be performed, cost estimates thereon, and, as available, proofs of the actual costs of all work performed;

(b) to demonstrate, where applicable, an ability to repay the amount of any loan and to provide adequate collateral to secure the amount of a loan;

(c) to submit a certification that the applicant has not engaged in any of the conduct described in subsection b. of section 7 of P.L.1997, c.235 (C.58:10A-37.7);

(d) to submit a certification that any upgrade, closure, and remediation being undertaken will be or was completed or was in conformance with rules and regulations of the department;

(e) require the loan or grant recipient to provide access at reasonable times to the subject property to determine compliance with the terms and conditions of the loan or grant; and

(f) to submit documentation and a certification, as applicable, that the applicant was unable to qualify for and obtain a commercial loan for all or part of the eligible project costs;

(2) require any financial assistance awarded to be used only for the purposes for which the award is made and that the applicant is adhering to all of the terms and conditions of the loan agreement; and

(3) adopt such other requirements as may be deemed necessary to carry out its responsibilities pursuant to this act.

b. Information submitted as part of an application that results in the award of a grant from the fund shall be a public record subject to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.). Information submitted as part of an application that results solely in the award of a loan from the fund shall not be a public record subject to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.).

c. The authority may file a lien on real property owned by the applicant in addition to the property at which the subject facility is located to secure a loan, except that such a filing shall be subject to the restrictions on the use of the applicant's primary residence as collateral, as provided in section 5 of P.L.1997, c.235 (C.58:10A-37.5) and paragraph (3) of subsection d. of this section. Liens filed pursuant to this subsection shall not affect any valid lien, right or interest in the real property filed in accordance with established procedure prior to the filing of this notice of lien.

d. In establishing requirements for applications for financial assistance, the authority:

(1) may not impose conditions that interfere with the everyday normal operations of a financial assistance recipient's business activities, except to the extent necessary to ensure the recipient's ability to repay the loan and to preserve the value of any loan collateral;
(2) shall strive to minimize the complexity and costs to applicants or recipients of compliance with such requirements;

(3) may not require as collateral for any loan, except with the applicant's consent, the primary residence of the applicant, except that this paragraph shall not apply to a loan issued from the fund for the eligible project costs for a petroleum underground storage tank at the site of the primary residence; and

(4) shall expeditiously process all applications in accordance with a schedule established by the authority for the review thereof and the taking of final action, which schedule shall reflect the complexity of an application.

C.58:10A-37.9 Enforcement action prohibited; exceptions.

9. a. The department and the Office of the Attorney General may not take any enforcement action pursuant to section 12 of P.L.1986, c.102 (C.58:10A-32) against the owner or operator of a regulated tank for failure to upgrade or close a regulated tank or for failure to maintain evidence of financial responsibility pursuant to section 5 of P.L.1986, c.102 (C.58:10A-25), if the owner or operator, (1) has submitted an application for financial assistance from the fund prior to the date upon which the upgrade or closure is required by law to be completed, (2) the authority has not yet acted on the application as of that date, (3) the owner or operator agrees to enter into a consent agreement or a memorandum of agreement with the department to comply with the upgrade, closure, remediation, and financial responsibility requirements, (4) the owner or operator complies with the provisions of the consent agreement or the memorandum of agreement, and (5) the owner or operator maintains an acceptable method of release detection for the regulated tanks that are the subject of the application for financial assistance as required pursuant to section 5 of P.L.1986, c.102 (C.58:10-25).

b. The provisions of subsection a. of this section shall not apply upon the denial of an application for financial assistance or in the case of a knowing discharge that may result in a serious threat to the public health or the environment. The department shall make an annual report to the Senate Environment Committee and the Assembly Agriculture and Waste Management Committee or their successors listing any enforcement actions taken against an owner or operator of a regulated tank who meets the requirements of subsection a. of this section. The report shall list the name of the violator, the specific statute or regulation alleged to have been violated, the status of the case at the time of the report, and the penalty imposed.

C.58:10A-37.10 Term of loans.

10. a. All loans awarded from the fund shall be for a term not to exceed ten years. Except as provided in subsection b. of section 5 of P.L.1997,
1318  CHAPTER 235, LAWS OF 1997

c.235 (C.58:10A-37.5), all loans shall be at a rate between two percent and the prime rate at the time of approval, or at the time of loan closing if the prime rate is lower at that time. The authority shall determine the interest rate to be imposed based on the applicant's ability to repay the loan.

b. Upon the sale of the facility for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. Upon the sale of a facility for which a conditional hardship grant was made pursuant to section 5 of P.L.1997, c.235 (C.58:10A-37.5), that amount of the conditional hardship grant that must be repaid, as calculated pursuant to section 16 of P.L.1997, c.235 (C.58:10A-37.16), shall become immediately payable in full.

C.58:10A-37.11 Insurance coverage for costs of remediation.

11. Notwithstanding any other provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.), if an owner or operator maintains environmental liability or other insurance coverage for the remediation of a discharge, the insurance coverage shall be the primary coverage for the costs of a remediation. Eligible owners and operators may apply for financial assistance from the fund for any excess thereof, including any deductible, up to the per facility monetary limits set forth in section 5 of P.L.1997, c.235 (C.58:10A-37.5). An eligible owner or operator shall file a notice of a claim with its insurance carrier prior to filing an application for financial assistance from the fund. The notice of claim shall list the fund as a beneficiary of the claim to the extent of an award of financial assistance is made from the fund. As a condition of receiving an award of financial assistance from the fund, the eligible owner or operator shall agree to diligently pursue the claim against its insurance carrier.

C.58:10A-37.12 Memorandum of agreement relative to powers, responsibilities.

12. The authority and the department may enter into a memorandum of agreement whereby any of the powers or responsibilities that the authority may exercise pursuant to P.L.1997, c.235 (C.58:10A-37.1 et seq.), may be exercised by the department. The authority may require an applicant for financial assistance to enter into an agreement with the department prior to an application being deemed complete, which agreement shall provide that any upgrade, closure, or remediation will be performed pursuant to rules and regulations of the department. Any agreement, review of documents, or other powers to be exercised by the department pursuant to this section must be completed by the department within 45 days of the application being submitted to the department. Pursuant to the memorandum of agreement, the authority and the department may provide that any of the monies in the fund that may be used for administrative expenses by the
authority pursuant to section 3 of P.L.1997, c.235 (C.58:10A-37.3), may be used by the department in carrying out its responsibilities under this section.

C.58:10A-37.13 Joint application filing, review and approval procedure.

13. The authority shall establish a joint application filing, review and approval procedure whereby a person who is eligible for financial assistance from the fund, created pursuant to section 3 of P.L.1997, c.235 (C.58:10A-37.3) and who is eligible for financial assistance from the Hazardous Discharge Site Remediation Fund, created pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4), may file one application for financial assistance from both funds and receive a joint response from the authority that approves or disapproves the application in whole or in part.

C.58:10A-37.14 Authority's right of subrogation, recovery.

14. a. Payment of any grant from the fund, or of a loan from the fund where the loan is in default and is uncollectible, for any costs relating to a remediation, shall be conditioned upon the authority being subrogated to all of the rights of an owner or operator against any insurance carrier, against any previous owner or operator of the facility where the previous owner or operator engaged in any conduct identified in paragraph (1) or (2) of subsection b. of section 7 of P.L.1997, c.235 (C.58:10A-37.7), and against any other person liable for the discharge pursuant to subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), for the costs of the remediation necessitated by the discharge. In an action by the authority to enforce a right of subrogation, the authority shall be entitled to invoke all the rights and defenses available to the grant or loan recipient if the action had been brought by the grant or loan recipient against such other person. Nothing in this subsection shall be construed to affect or limit any right that an owner or operator of a petroleum underground storage tank may have under statutory or common law against any other person concerning a discharge of petroleum from that tank.

b. The authority may seek to recover any financial assistance or that part of an award of financial assistance that exceeds the eligible project costs or that was obtained as a result of conduct described in paragraph (4) of subsection b. of section 7 of P.L.1997, c.235 (C.58:10A-37.7). If the authority is the prevailing party in an action to recover financial assistance payments made from the fund, the authority shall be entitled to all investigative and legal costs incurred by the authority in bringing and prosecuting the action, as well as interest charges which shall accrue as of the date such payments were made from the fund, unless the court makes a finding of a lack of intent to defraud the fund. The rate of interest shall be the interest rate for judgments established pursuant to the Rules Governing the Courts of the State of New Jersey.
C.58:10A-37.15 Violations, penalties.

15. a. A person who purposely, knowingly, recklessly, or negligently provides false documents or false information to the authority or to the department, or withholds documents or information, in relation to an application for financial assistance from the fund or in relation to documents or information that may be required as a condition of receiving an award of financial assistance from the fund, shall be subject to a civil penalty not to exceed $50,000. Any penalty incurred under this subsection may be recovered with costs in a summary proceeding pursuant to "the penalty enforcement law," N.J.S.2A:58-1 et seq. in the Superior Court.

b. (1) The authority may commence a civil action in Superior Court to recover any financial assistance awarded to an applicant from the fund if financial assistance was obtained, in whole or in part, as the result of providing false documents or false information to the authority or to the department or by withholding documents or information from the authority or the department. The action to recover money awarded by the authority may be combined with any action to impose penalties provided for in subsection a. of this section.

(2) The authority may commence a civil action in Superior Court to recover any financial assistance awarded as a loan where the recipient of the loan has not made loan repayments in accordance with the loan agreement, where any condition or provision of the loan agreement has been violated by the loan recipient, or to enforce any lien filed pursuant to the issuance of financial assistance.

c. (1) A person who purposely or knowingly provides false documents or false information to the authority or to the department, or withholds documents or information, in relation to an application for financial assistance from the fund or in relation to documents or information that may be required as a condition of receiving an award of financial assistance from the fund, with the intent to alter the applicant's eligibility for financial assistance from the fund, alter the priority of the applicant's application to receive financial assistance from the fund, cause the applicant to receive a larger grant award than the applicant would otherwise be eligible for, or obtain financial assistance from the fund in excess of the eligible project costs, shall be guilty of a crime of the third degree.

(2) A person who recklessly provides false documents or false information to the authority or to the department, or withholds documents or information, in relation to an application for financial assistance from the fund or in relation to documents or information that may be required as a condition of receiving an award of financial assistance from the fund, which results in the alteration of the applicant's eligibility for financial assistance
from the fund, the alteration of the priority of the applicant's application to receive financial assistance from the fund, which causes the applicant to receive a larger grant award than the applicant would otherwise be eligible for, or obtain financial assistance from the fund in excess of the eligible project costs, shall be guilty of a crime of the fourth degree.

C.58:10A-37.16 Liens for financial assistance.

16. a. In addition to any other financial assistance requirements imposed by the authority pursuant to P.L.1997, c.235 (C.58:10A-37.1 et seq.), any award of financial assistance from the fund shall constitute, in each instance, a debt of the applicant to the fund. The debt shall constitute a lien on the real property at which the subject facility is located. The lien shall be in the amount of the financial assistance awarded the applicant. The lien shall attach when a notice of lien, incorporating the name of the property owner, a description of the real property on which the subject facility is located and an identification of the amount of the financial assistance awarded, is duly filed with the county recording officer in the county in which the property is located.

Where financial assistance from the fund is awarded as a combination of a loan and a grant, separate liens for the loan and the grant shall be filed. No lien shall be placed on any real property of an applicant based on a conditional hardship grant awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's primary residence.

b. A lien that is filed on real property pursuant to a loan shall be removed upon repayment of the loan.

c. The lien that is filed on real property pursuant to a conditional hardship grant shall be removed upon repayment of the amount of the grant that is unsatisfied or upon the end of a 15-year period in which the site for which the financial assistance was awarded continued to be operated in substantially the same manner as it was operated at the time of the award of financial assistance. The period of operation need not run consecutively. Beginning with the 11th year of operating in substantially the same manner, 20% of the conditional hardship grant shall be deemed satisfied with an additional 20% to be satisfied each year until the entire amount of the conditional hardship grant is satisfied at the end of the 15-year period. The owner or operator of the facility claiming to have satisfied a conditional hardship grant due to the 15-year period of operation, shall submit a certification of this fact to the authority. Upon repayment of the unsatisfied grant award or upon submittal of this certification, unless the authority has
made a finding that the certification is not correct, the authority shall remove
the lien from the property.

Where real property for which a conditional hardship grant was awarded
is not being operated in substantially the same manner, the 15-year period
to satisfy the lien shall be tolled. If at any time prior to the satisfaction of
the lien the property is developed or operated for a purpose that is not substan-
tially the same as its operation at the time of the award of the conditional
hardship grant, the grant recipient shall so certify to the authority upon the
change in operation. Upon receipt of this certification, the authority shall
determine, based upon the new operation of the property if the financial
assistance shall continue as a conditional hardship grant or if it shall be
converted into a loan. In making this determination, the authority shall base
its decision on the financial hardship factors used in determining the original
eligibility for the conditional hardship grant.

The authority may take whatever enforcement actions it deems
necessary to verify the operation of any property for which a conditional
hardship grant was made. The terms and conditions of any loan converted
from a grant pursuant to this subsection shall be the same as those autho-
rized pursuant to this act.

d. The provisions of this section do not apply to any real property of
an applicant who is a public entity.

CHAPTER 236

AN ACT concerning aquaculture, and amending and supplementing parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.4:27-1 Short title.

1. Sections 1 through 24 of this act shall be known, and may be cited, as the "New Jersey Aquaculture Development Act."

C.4:27-2 Findings, declarations relative to aquaculture.

2. The Legislature finds and declares that aquaculture is the fastest growing segment of agriculture in the nation; and that the development of an economically viable aquaculture industry in New Jersey has the potential to augment existing fisheries, and to produce a significant number of jobs and revenue in a new economic activity.

The Legislature further finds and declares that the Aquaculture Development Task Force, established by Executive Order No. 104 (1993), was directed to prepare an aquaculture development plan; that the "Aquaculture Development Plan" asserts that legislative and regulatory obstacles are major impediments to aquaculture growth and development in New Jersey, and that the lack of specific legislation defining and permitting various aquaculture activities has greatly hindered aquaculture development in New Jersey; and that the plan also presents a compelling case for State investment in aquaculture, discusses specific suggestions to remove barriers impeding the development of the industry and methods for achieving the interdepartmental cooperation necessary to developing aquaculture.

The Legislature therefore determines that in order to foster development of an aquaculture industry in New Jersey it is in the best interest of the citizens of this State that the recommendations contained in the "Aquaculture Development Plan" be adopted by the Legislature.

"Toxic pollutant" means any pollutant identified pursuant to the Federal Act, or any pollutant or combination of pollutants, including disease causing agents, which after discharge and upon exposure, ingestion, inhalation or assimilation into any organism, either directly or indirectly by ingestion through food chains, will, on the basis of information available to the commissioner, cause death, disease, behavioral abnormalities, cancer, genetic mutations, physiological malfunctions, including malfunctions in reproduction, or physical deformation, in such organisms or their offspring;

v. "Serious violation" means an exceedance of an effluent limitation for a discharge point source set forth in a permit, administrative order, or administrative consent agreement, including interim enforcement limits, by 20 percent or more for a hazardous pollutant, or by 40 percent or more for a nonhazardous pollutant, calculated on the basis of the monthly average for a pollutant for which the effluent limitation is expressed as a monthly average, or, in the case of an effluent limitation expressed as a daily maximum and without a monthly average, on the basis of the monthly average of all maximum daily test results for that pollutant in any month; in the case of an effluent limitation for a pollutant that is not measured by mass or concentration, the department shall prescribe an equivalent exceedance factor therefor. The department may utilize, on a case-by-case basis, a more stringent factor of exceedance to determine a serious violation if the department states the specific reasons therefor, which may include the potential for harm to human health or the environment. "Serious violation" shall not include a violation of a permit limitation for color;

w. "Significant noncomplier" means any person who commits a serious violation for the same hazardous pollutant or the same nonhazardous pollutant, at the same discharge point source, in any two months of any six-month period, or who exceeds the monthly average or, in a case of a pollutant for which no monthly average has been established, the monthly average of the daily maximums for an effluent limitation for the same pollutant at the same discharge point source by any amount in any four months of any six-month period, or who fails to submit a completed discharge monitoring report in any two months of any six-month period. The department may utilize, on a case-by-case basis, a more stringent frequency or factor of exceedance to determine a significant noncomplier, if the department states the specific reasons therefor, which may include the potential for harm to human health or the environment. A local agency shall not be deemed a "significant noncomplier" due to an exceedance of an effluent limitation established in a permit for flow;

x. "Local agency" means a political subdivision of the State, or an agency or instrumentality thereof, that owns or operates a municipal treatment works;

y. "Delegated local agency" means a local agency with an industrial pretreatment program approved by the department;
"Upset" means an exceptional incident in which there is unintentional and temporary noncompliance with an effluent limitation because of an event beyond the reasonable control of the permittee, including fire, riot, sabotage, or a flood, storm event, natural cause, or other act of God, or other similar circumstance, which is the cause of the violation. "Upset" also includes noncompliance consequent to the performance of maintenance operations for which a prior exception has been granted by the department or a delegated local agency;

aa. "Bypass" means the anticipated or unanticipated intentional diversion of waste streams from any portion of a treatment works;

bb. "Major facility" means any facility or activity classified as such by the Administrator of the United States Environmental Protection Agency, or his representative, in conjunction with the department, and includes industrial facilities and municipal treatment works;

c. "Significant indirect user" means a discharger of industrial or other pollutants into a municipal treatment works, as defined by the department, including, but not limited to, industrial dischargers, but excluding the collection system of a municipal treatment works;

ff. "Aquatic organism" means and includes, but need not be limited to, finfish, mollusks, crustaceans, and aquatic plants which are the property of a person engaged in aquaculture.

27. Section 6 of P.L.1977, c.74 (C.58:10A-6) is amended to read as follows:

C.58:10A-6 Permits; issuance; exemptions; prohibitions; requirements.

6. a. It shall be unlawful for any person to discharge any pollutant, except as provided pursuant to subsections d. and p. of this section, or when the discharge conforms with a valid New Jersey Pollutant Discharge Elimination System permit that has been issued by the commissioner
pursuant to P.L.1977, c.74 (C.58:10A-1 et seq.) or a valid National Pollutant Discharge Elimination System permit issued by the administrator pursuant to the Federal Act, as the case may be.

b. It shall be unlawful for any person to build, install, modify or operate any facility for the collection, treatment or discharge of any pollutant, except after approval by the department pursuant to regulations adopted by the commissioner.

c. The commissioner is hereby authorized to grant, deny, modify, suspend, revoke, and reissue NJPDES permits in accordance with P.L.1977, c.74, and with regulations to be adopted by him. The commissioner may reissue, with or without modifications, an NPDES permit duly issued by the federal government as the NJPDES permit required by P.L.1977, c.74.

d. The commissioner may, by regulation, exempt the following categories of discharge, in whole or in part, from the requirement of obtaining a permit under P.L.1977, c.74; provided, however, that an exemption afforded under this section shall not limit the civil or criminal liability of any discharger nor exempt any discharger from approval or permit requirements under any other provision of State or federal law:

1. Additions of sewage, industrial wastes or other materials into a publicly owned sewage treatment works which is regulated by pretreatment standards;

2. Discharges of any pollutant from a marine vessel or other discharges incidental to the normal operation of marine vessels;

3. Discharges from septic tanks, or other individual waste disposal systems, sanitary landfills, and other means of land disposal of wastes;

4. Discharges of dredged or fill materials into waters for which the State could not be authorized to administer the section 404 program under section 404(g) of the "Federal Water Pollution Control Act Amendments of 1972," as amended by the "Clean Water Act of 1977" (33 U.S.C. s.1344) and implementing regulations;

5. Nonpoint source discharges;

6. Uncontrolled nonpoint source discharges composed entirely of storm water runoff when these discharges are uncontaminated by any industrial or commercial activity unless these particular storm water runoff discharges have been identified by the administrator or the department as a significant contributor of pollution;

7. Discharges conforming to a national contingency plan for removal of oil and hazardous substances, published pursuant to section 311(c)(2) of the Federal Act;

8. Discharges resulting from agriculture, including aquaculture, activities.

e. The commissioner shall not issue any permit for:
(1) The discharge of any radiological, chemical or biological warfare agent or high-level radioactive waste into the waters of this State;

(2) Any discharge which the United States Secretary of the Army, acting through the Chief of Engineers, finds would substantially impair anchorage or navigation;

(3) Any discharge to which the administrator has objected in writing pursuant to the Federal Act;

(4) Any discharge which conflicts with an areawide plan adopted pursuant to law.

f. A permit issued by the department or a delegated local agency pursuant to P.L.1977, c.74 shall require the permittee:

(1) To achieve effluent limitations based upon guidelines or standards established pursuant to the Federal Act or to P.L.1977, c.74, together with such further discharge restrictions and safeguards against unauthorized discharge as may be necessary to meet water quality standards, areawide plans adopted pursuant to law, or other legally applicable requirements;

(2) Where appropriate, to meet schedules for compliance with the terms of the permit and interim deadlines for progress or reports of progress towards compliance;

(3) To insure that all discharges are consistent at all times with the terms and conditions of the permit and that no pollutant will be discharged more frequently than authorized or at a level in excess of that which is authorized by the permit;

(4) To submit application for a new permit in the event of any contemplated facility expansion or process modification that would result in new or increased discharges or, if these would not violate effluent limitations or other restrictions specified in the permit, to notify the commissioner, or delegated local agency, of such new or increased discharges;

(5) To install, use and maintain such monitoring equipment and methods, to sample in accordance with such methods, to maintain and retain such records of information from monitoring activities, and to submit to the commission, or to the delegated local agency, reports of monitoring results for surface waters, as may be stipulated in the permit, or required by the commissioner or delegated local agency pursuant to paragraph (9) of this subsection, or as the commissioner or the delegated local agency may prescribe for ground water. Significant indirect users, major industrial dischargers, and local agencies, other than those discharging only stormwater or noncontact cooling water, shall, however, report their monitoring results for discharges to surface waters monthly to the commissioner, or the delegated local agency. Discharge monitoring reports for discharges to surface waters shall be signed by the highest ranking official having
day-to-day managerial and operational responsibilities for the discharging facility, who may, in his absence, authorize another responsible high ranking official to sign a monthly monitoring report if a report is required to be filed during that period of time. The highest ranking official shall, however, be liable in all instances for the accuracy of all the information provided in the monitoring report; provided, however, that the highest ranking official may file, within seven days of his return, amendments to the monitoring report to which he was not a signatory. The highest ranking official having day-to-day managerial and operational responsibilities for the discharging facility of a local agency shall be the highest ranking licensed operator of the municipal treatment works in those instances where a licensed operator is required by law to operate the facility. In those instances where a local agency has contracted with another entity to operate a municipal treatment works, the highest ranking official who signs the discharge monitoring report shall be an employee of the contract operator and not of the local agency. Notwithstanding that an employee of a contract operator is the official who signs the discharge monitoring report, the local agency, as the permittee, shall remain liable for compliance with all permit conditions. In those instances where the highest ranking official having day-to-day managerial and operational responsibilities for a discharging facility of a local agency does not have the responsibility to authorize capital expenditures and hire personnel, a person having that responsibility, or a person designated by that person, shall submit to the department, along with the discharge monitoring report, a certification that that person has received and reviewed the discharge monitoring report. The person submitting the certification to the department shall not be liable for the accuracy of the information on the discharge monitoring report due to the submittal of the certification. Whenever a local agency has contracted with another entity to operate the municipal treatment works, the person submitting the certification shall be an employee of the permittee and not of the contract operator. The filing of amendments to a monitoring report in accordance with this paragraph shall not be considered a late filing of a report for purposes of subsection d. of section 6 of P.L.1990, c.28 (C.58:10A-10.1), or for purposes of determining a significant noncomplier.

(6) At all times, to maintain in good working order and operate as effectively as possible, any facilities or systems of control installed to achieve compliance with the terms and conditions of the permit;

(7) To limit concentrations of heavy metal, pesticides, organic chemicals and other contaminants in the sludge in conformance with the land-based sludge management criteria established by the department in the Statewide Sludge Management Plan adopted pursuant to the "Solid Waste Management Act," P.L.1970, c.39 (C.13:1E-1 et seq.) or established
pursuant to the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. s.1251 et seq.), or any regulations adopted pursuant thereto;

(8) To report to the department or delegated local agency, as appropriate, any exceedance of an effluent limitation that causes injury to persons, or damage to the environment, or poses a threat to human health or the environment, within two hours of its occurrence, or of the permittee becoming aware of the occurrence. Within 24 hours thereof, or of an exceedance, or of becoming aware of an exceedance, of an effluent limitation for a toxic pollutant, a permittee shall provide the department or delegated local agency with such additional information on the discharge as may be required by the department or delegated local agency, including an estimate of the danger posed by the discharge to the environment, whether the discharge is continuing, and the measures taken, or being taken, to remediate the problem and any damage to the environment, and to avoid a repetition of the problem;

(9) Notwithstanding the reporting requirements stipulated in a permit for discharges to surface waters, a permittee shall be required to file monthly reports with the commissioner or delegated local agency if the permittee:

(a) in any month commits a serious violation or fails to submit a completed discharge monitoring report and does not contest, or unsuccessfully contests, the assessment of a civil administrative penalty therefor; or

(b) exceeds an effluent limitation for the same pollutant at the same discharge point source by any amount for four out of six consecutive months.

The commissioner or delegated local agency may restore the reporting requirements stipulated in the permit if the permittee has not committed any of the violations identified in this paragraph for six consecutive months;

(10) To report to the department or delegated local agency, as appropriate, any serious violation within 30 days of the violation, together with a statement indicating that the permittee understands the civil administrative penalties required to be assessed for serious violations, and explaining the nature of the serious violation and the measures taken to remedy the cause or prevent a recurrence of the serious violation.

h. The commissioner and a local agency shall have a right of entry to all premises in which a discharge source is or might be located or in which monitoring equipment or records required by a permit are kept, for purposes of inspection, sampling, copying or photographing.

In addition, any permit issued for a discharge from a municipal treatment works shall require the permittee:

(1) To notify the commissioner or local agency in advance of the quality and quantity of all new introductions of pollutants into a facility and of any substantial change in the pollutants introduced into a facility by an
existing user of the facility, except for such introductions of nonindustrial pollutants as the commissioner or local agency may exempt from this notification requirement when ample capacity remains in the facility to accommodate new inflows. The notification shall estimate the effects of the changes on the effluents to be discharged into the facility.

(2) To establish an effective regulatory program, alone or in conjunction with the operators of sewage collection systems, that will assure compliance and monitor progress toward compliance by industrial users of the facilities with user charge and cost recovery requirements of the Federal Act or State law and toxicity standards adopted pursuant to P.L.1977, c.74 and pretreatment standards.

(3) As actual flows to the facility approach design flow or design loading limits, to submit to the commissioner or local agency for approval, a program which the permittee and the persons responsible for building and maintaining the contributory collection system shall pursue in order to prevent overload of the facilities.

   i. (1) All local agencies shall prescribe terms and conditions, consistent with applicable State and federal law, or requirements adopted pursuant thereto by the department, upon which pollutants may be introduced into treatment works, and shall have the authority to exercise the same right of entry, inspection, sampling, and copying, and to impose the same remedies, fines and penalties, and to recover costs and compensatory damages as authorized pursuant to subsection a. of section 10 of P.L.1977, c.74 (C.58:10A-10) and section 6 of P.L.1990, c.28 (C.58:10A-10.1), with respect to users of such works, as are vested in the commissioner by P.L.1977, c.74, or by any other provision of State law, except that a local agency, except as provided in P.L.1991, c.8 (C.58:10A-10.4 et seq.), may not impose civil administrative penalties, and shall petition the county prosecutor or the Attorney General for a criminal prosecution under that section. Terms and conditions shall include limits for heavy metals, pesticides, organic chemicals and other contaminants in industrial wastewater discharges based upon the attainment of land-based sludge management criteria established by the department in the Statewide Sludge Management Plan adopted pursuant to the "Solid Waste Management Act," P.L.1970, c.39 (C.13:1E-1 et seq.) or established pursuant to the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. s.1251 et seq.), or any regulations adopted pursuant thereto.

   (2) Of the amount of any penalty assessed and collected pursuant to an action brought by a local agency in accordance with section 10 of P.L.1977, c.74 or section 6 of P.L.1990, c.28 (C.58:10A-10.1), 10% shall be deposited in the "Wastewater Treatment Operators' Training Account," established in accordance with section 13 of P.L.1990, c.28 (C.58:10A-14.5), and used to
finance the cost of training operators of municipal treatment works. The remainder shall be used by the local agency solely for enforcement purposes, and for upgrading municipal treatment works.

j. In reviewing permits submitted in compliance with P.L.1977, c.74 and in determining conditions under which such permits may be approved, the commissioner shall encourage the development of comprehensive regional sewerage planning or facilities, which serve the needs of the regional community, conform to the adopted area-wide water quality management plan for that region, and protect the needs of the regional community for water quality, aquifer storage, aquifer recharge, and dry weather based stream flows.

k. No permit may be issued, renewed, or modified by the department or a delegated local agency so as to relax any water quality standard or effluent limitation until the applicant, or permit holder, as the case may be, has paid all fees, penalties or fines due and owing pursuant to P.L.1977, c.74, or has entered into an agreement with the department establishing a payment schedule therefor; except that if a penalty or fine is contested, the applicant or permit holder shall satisfy the provisions of this section by posting financial security as required pursuant to paragraph (5) of subsection d. of section 10 of P.L.1977, c.74 (C.58:10A-10). The provisions of this subsection with respect to penalties or fines shall not apply to a local agency contesting a penalty or fine.

l. Each permitted facility or municipal treatment works, other than one discharging only stormwater or non-contact cooling water, shall be inspected by the department at least once a year; except that each permitted facility discharging into the municipal treatment works of a delegated local agency, other than a facility discharging only stormwater or non-contact cooling water, shall be inspected by the delegated local agency at least once a year. Except as hereinafter provided, an inspection required under this subsection shall be conducted within six months following a permittee's submission of an application for a permit, permit renewal, or, in the case of a new facility or municipal treatment works, issuance of a permit therefor, except that if for any reason, a scheduled inspection cannot be made the inspection shall be rescheduled to be performed within 30 days of the originally scheduled inspection or, in the case of a temporary shutdown, of resumed operation. Exemption of stormwater facilities from the provisions of this subsection shall not apply to any permitted facility or municipal treatment works discharging or receiving stormwater runoff having come into contact with a hazardous discharge site on the federal National Priorities List adopted by the United States Environmental Protection Agency pursuant to the "Comprehensive Environmental Response, Compensation, and Liability Act," Pub.L.96-510 (42 U.S.C. s.9601 et seq.),
or any other hazardous discharge site included by the department on the master list for hazardous discharge site cleanups adopted pursuant to section 2 of P.L.1982, c.202 (C.58:10-23.16). Inspections shall include:

1. A representative sampling of the effluent for each permitted facility or municipal treatment works, except that in the case of facilities or works that are not major facilities or significant indirect users, sampling pursuant to this paragraph shall be conducted at least once every three years;

2. An analysis of all collected samples by a State owned and operated laboratory, or a certified laboratory other than one that has been or is being used by the permittee, or that is directly or indirectly owned, operated or managed by the permittee;

3. An evaluation of the maintenance record of the permittee's treatment equipment;

4. An evaluation of the permittee's sampling techniques;

5. A random check of written summaries of test results, prepared by the certified laboratory providing the test results, for the immediately preceding 12-month period, signed by a responsible official of the certified laboratory, certifying the accuracy of the test results; and

6. An inspection of the permittee's sample storage facilities and techniques if the sampling is normally performed by the permittee.

The department may inspect a facility required to be inspected by a delegated local agency pursuant to this subsection. Nothing in this subsection shall require the department to conduct more than one inspection per year.

m. The facility or municipal treatment works of a permittee identified as a significant noncomplier shall be subject to an inspection by the department, or the delegated local agency, as the case may be, which inspection shall be in addition to the requirements of subsection l. of this section. The inspection shall be conducted within 60 days of receipt of the discharge monitoring report that initially results in the permittee being identified as a significant noncomplier. The inspection shall include a random check of written summaries of test results, prepared by the certified laboratory providing the test results, for the immediately preceding 12-month period, signed by a responsible official of the certified laboratory, certifying the accuracy of the test results. A copy of each summary shall be maintained by the permittee. The inspection shall be for the purpose of determining compliance. The department or delegated local agency is required to conduct only one inspection per year pursuant to this subsection, and is not required to make an inspection hereunder if an inspection has been made pursuant to subsection l. of this section within six months of the period within which an inspection is required to be conducted under this subsection.
n. To assist the commissioner in assessing a municipal treatment works' NJPDES permit in accordance with paragraph (3) of subsection b. of section 7 of P.L.1977, c.74 (C.58:10A-7), a delegated local agency shall perform a complete analysis that includes a complete priority pollutant analysis of the discharge from, and inflow to, the municipal treatment works. The analysis shall be performed by a delegated local agency as often as the priority pollutant scan is required under the permit, but not less than once a year, and shall be based upon data acquired in the priority pollutant scan and from applicable sludge quality analysis reports. The results of the analysis shall be included in a report to be attached to the annual report required to be submitted to the commissioner by the delegated local agency.

o. Except as otherwise provided in section 3 of P.L.1963, c.73 (C.47:1A-3), any records, reports or other information obtained by the commissioner or a local agency pursuant to this section or section 5 of P.L.1972, c.42 (C.58:11-53), including any correspondence relating thereto, shall be available to the public; however, upon a showing satisfactory to the commissioner by any person that the making public of any record, report or information, or a part thereof, other than effluent data, would divulge methods or processes entitled to protection as trade secrets, the commissioner or local agency shall consider such record, report, or information, or part thereof, to be confidential, and access thereto shall be limited to authorized officers or employees of the department, the local agency, and the federal government.

p. The provisions of this section shall not apply to a discharge of petroleum to the surface waters of the State that occurs as a result of the process of recovering, containing, cleaning up or removing a discharge of petroleum in the surface waters of the State and that is undertaken in compliance with the instructions of a federal on-scene coordinator or of the commissioner or the commissioner's designee.

q. The commissioner shall, in consultation with the Department of Agriculture and the Aquaculture Advisory Council, provide for the issuance of general permits for the discharge of pollutants from concentrated aquatic animal production facilities and aquacultural projects. In establishing general permits the commissioner shall take into consideration the source and receiving water quality and the type of aquaculture activity being conducted. The general permits issued pursuant to this subsection shall give priority to meeting best management practices rather than attaining numeric pollutant discharge parameter levels. If the commissioner determines that a permittee cannot perform the best management practices in order to obtain a general permit or that the performance of best management practices will not be protective of water quality as required by P.L.1977, c.74, the
commissioner may require the permittee to obtain an individual permit which may contain numeric pollutant parameter discharge limits.

28. Section 2 of P.L. 1989, c.119 (C.58:10A-7.1) is amended to read as follows:

2. After December 31, 1991, the department may not issue a permit to any private, commercial, or industrial applicant for the discharge of any solid, semi-solid, or liquid wastes into the ocean waters of the State, the provisions of any other law, or rule or regulation to the contrary notwithstanding. Any permit issued by the department for the discharge of any such waste prior to January 1, 1992 shall expire on January 1, 1992, the provisions of any such permit to the contrary notwithstanding. The provisions of P.L.1989, c.119 shall not apply to permits applied for, or issued to, municipal treatment works, seafood processing facilities, public water supply desalinization plants, or aquaculture activities. As used in this act, "ocean waters" means those waters of the open seas lying seaward of the base line from which the territorial sea is measured, as provided for in the Convention on the Territorial Sea and the Contiguous Zone (15 UST 1606; TIAS 5639).

As used in this section, "aquaculture" means the propagation, rearing, and subsequent harvesting of aquatic organisms in controlled or selected environments, and the subsequent processing, packaging and marketing, and shall include, but need not be limited to, activities such as stocking, intervention in the rearing process to increase production, feeding, transplanting, and providing for protection from predators and shall not include the construction of facilities and appurtenant structures that might otherwise be regulated pursuant to any State or federal law or regulation, and "aquatic organism" means and includes, but need not be limited to, finfish, mollusks, crustaceans, and aquatic plants which are the property of a person engaged in aquaculture.

29. Section 3 of P.L.1981, c.262 (C.58:1A-3) is amended to read as follows:

C.58:1A-3 Definitions.

   a. "Commissioner" means the Commissioner of the Department of Environmental Protection or his designated representative;
b. "Consumptive use" means any use of water diverted from surface or ground waters other than a nonconsumptive use as defined in this act;

e. "Nonconsumptive use" means the use of water diverted from surface or ground waters in such a manner that it is returned to the surface or ground water at or near the point from which it was taken without substantial diminution in quantity or substantial impairment of quality;

f. "Person" means any individual, corporation, company, partnership, firm, association, owner or operator of a water supply facility, political subdivision of the State and any state, or interstate agency or Federal agency;

g. "Waters" or "waters of the State" means all surface waters and ground waters in the State;

h. "Safe or dependable yield" or "safe yield" means that maintainable yield of water from a surface or ground water source or sources which is available continuously during projected future conditions, including a repetition of the most severe drought of record, without creating undesirable effects, as determined by the department;

i. "Aquaculture" means the propagation, rearing and subsequent harvesting of aquatic species in controlled or selected environments, and the subsequent processing, packaging and marketing, and shall include, but need not be limited to, activities to intervene in the rearing process to increase production such as stocking, feeding, transplanting, and providing for protection from predators. "Aquaculture" shall not include the construction of facilities and appurtenant structures that might otherwise be regulated pursuant to any State or federal law or regulation;

j. "Aquatic organism" means and includes, but need not be limited to, finfish, mollusks, crustaceans, and aquatic plants which are the property of a person engaged in aquaculture.

30. Section 6 of P.L.1981, c.262 (C.58:1A-6) is amended to read as follows:

C.58:1A-6 Permit system; development of guidelines.

6. a. The department in developing the permit system established by P.L.1981, c.262 (C.58:1A-1 et al.) shall:

(1) Permit privileges previously allowed pursuant to lawful legislative or administrative action, except that the department may, after notice and
public hearing, limit the exercise of these privileges to the extent currently exercised, subject to contract, or reasonably required for a demonstrated future need. All diversion permits issued by the Water Policy and Supply Council prior to August 13, 1981 shall remain in effect until modified by the department pursuant to P.L. 1981, c.262 (C.58:1A-1 et al.). Persons having or claiming a right to divert more than 100,000 gallons of water per day pursuant to prior legislative or administrative action, including persons previously exempted from the requirement to obtain a permit, shall renew that right by applying for a diversion permit, or water usage certification, as the case may be, no later than February 9, 1982. Thereafter, the conditions of the new diversion permit or water usage certification shall be deemed conclusive evidence of such previously allowed privileges.

(2) Require any person diverting 100,000 or more gallons of water per day for agricultural or horticultural purposes to obtain approval of the appropriate county agricultural agent of a five-year water usage certification program. This approval shall be based on standards and procedures established by the department. This program shall include the right to construct, repair or reconstruct dams or other structures, the right to divert water for irrigation, frost protection, harvesting and other agriculturally-related purposes, including aquaculture, and the right to measure the amount of water diverted by means of a log or other appropriate record, and shall be obtained in lieu of any permit which would otherwise be required by P.L.1981, c.262 (C.58:1A-1 et al.).

(3) Require any person diverting more than 100,000 gallons per day of any waters of the State or proposing to construct any building or structure which may require a diversion of water to obtain a diversion permit. Prior to issuing a diversion permit, the department shall afford the general public with reasonable notice of a permit application, and with the opportunity to be heard thereon at a public hearing held by the department.

b. In exercising the water supply management and planning functions authorized by P.L. 1981, c.262 (C.58:1A-1 et al.), particularly in a region of the State where excessive water usage or diversion present undue stress, or wherein conditions pose a significant threat to the long-term integrity of a water supply source, including a diminution of surface water supply due to excess groundwater diversion, the commissioner shall, after notice and public hearing as provided by and required pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), designate that region as an area of critical water supply concern.

In designating an area of critical water supply concern, the department shall be required to demonstrate that the specific area is stressed to a degree which jeopardizes the integrity and viability of the water supply source or poses a threat to the public health, safety, or welfare. This designation shall
conform to and satisfy the criteria of an area of critical water supply concern as defined in rules and regulations adopted by the department pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

Those specific areas previously designated by the department as water supply critical and margin areas, considered as Depleted or Threatened Zones, respectively, prior to the effective date of P.L.1993, c.202 shall be considered to be areas of critical water supply concern for the purposes of P.L.1981, c.262 (C.58:1A-1 et al.) or P.L.1993, c.202 (C.58:1A-7.3 et al.).

c. In designated areas of critical water supply concern, the department, in consultation with affected permittees and local governing bodies and after notice and public hearing, shall:

(1) study water supply availability;
(2) estimate future water supply needs;
(3) identify appropriate and reasonable alternative water supply management strategies;
(4) select and adopt appropriate water supply alternatives; and
(5) require affected permittees to prepare water supply plans consistent with the adopted water supply management alternatives.

d. Following implementation of the adopted water supply management alternatives, the department shall monitor water levels and water quality within the designated area of critical water supply concern to determine the effectiveness of the alternative water supply management strategies selected. If the department determines that the alternatives selected are not effective in protecting the water supply source of concern, the department may revise the designation and impose further restrictions in accordance with the procedures set forth in this section. The results of all monitoring conducted pursuant to this section shall be reported to all affected permittees on an annual basis.

e. Nothing in P.L.1981, c.262 (C.58:1A-1 et al.) or P.L.1993, c.202 (C.58:1A-7.3 et al.) shall prevent the department from including, or require the department to include, the presently non-utilized existing privileges in any new, modified or future diversion permit issued to the present holder of these privileges, except as otherwise expressly provided in subsection b. of section 7 of P.L.1981, c.262 (C.58:1A-7).

31. Section 2 of P.L.1981, c.277 (C.58:1A-7.2) is amended to read as follows:

C.58:1A-7.2 No tax, fee imposed on diversion of water; exceptions; "aquaculture" defined.

2. The provisions of any law, rule or regulation to the contrary notwithstanding, no tax, fee or other charge shall be imposed on the diversion, for agricultural or horticultural purposes, including aquaculture,
of any ground or surface water of this State; provided, however, that nothing in this section shall prohibit the imposition of a fee, pursuant to law, for the cost of processing, monitoring and administering a water usage certification program for persons who divert any ground or surface water for agricultural and horticultural purposes, or other agriculturally-related purposes, including aquaculture.

As used in this section, "aquaculture" means the propagation, rearing, and subsequent harvesting of aquatic organisms in controlled or selected environments, and the subsequent processing, packaging and marketing, and shall include, but need not be limited to, activities such as stocking, intervention in the rearing process to increase production, feeding, transplanting, and providing for protection from predators and shall not include the construction of facilities and appurtenant structures that might otherwise be regulated pursuant to any State or federal law or regulation, and "aquatic organism" means and includes, but need not be limited to, finfish, mollusks, crustaceans, and aquatic plants which are the property of a person engaged in aquaculture.

32. Section 13 of P.L.1981, c.262 (C.58:1A-13) is amended to read as follows:

13. a. The department shall prepare and adopt the New Jersey Statewide Water Supply Plan, which plan shall be revised and updated at least once every five years.

b. The plan shall include, but need not be limited to, the following:

"Program" means the "New Jersey Better Educational Savings Trust (NJBEST) Program" established pursuant to this act;

"Trust" means the "New Jersey Better Educational Savings Trust" established pursuant to section 4 of this act.

4. There is created within the New Jersey Higher Education Assistance Authority the New Jersey Better Educational Savings (NJBEST) Trust. The trust shall provide a mechanism through which the authority, as trustee, holds accounts established and maintained pursuant to the provisions of this act to finance the cost of qualified higher education expenses.

C.18A:72-47 Administration of NJBEST Program.

5. The Office of Student Assistance shall administer the NJBEST Program established in the authority. The authority shall have the power to:

a. serve as trustee of the trust;

b. adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to carry out the provisions of this act;
c. prescribe and provide appropriate forms for participation in the
program;

d. select an investment manager and any other contractors needed to
manage and market the program;

e. monitor the investment manager and any other contractors by audits
and other reports;

f. collect reasonable administrative fees in connection with any
contract or transaction relating to the program;

g. impose penalties for nonqualified withdrawals;

h. take all actions required so that the program is treated as a qualified
State tuition program under section 529 of the federal Internal Revenue
Code of 1986, 26 U.S.C.s.529; and

i. perform any other acts which may be deemed necessary or
appropriate to carry out the objects and purposes of this act.

6. Neither the members of the authority, nor any officer or employee
of the authority shall be liable personally for the debts, liabilities or
obligations of the program established pursuant to this act.

7. a. The authority shall select an investment manager or managers to
invest the funds of the trust or the funds in accounts. In making this
selection, any investment manager shall be subject to the "prudent person"
standard of care applicable to the Division of Investment in the Department
of the Treasury pursuant to subsection b. of section 11 of P.L.1950, c.270
(C.52:18A-89), and the authority shall consider the impact of fees and costs
imposed by the manager or managers on yield to contributors.

b. The authority may select more than one investment manager and
investment instrument for the program if it is in the best interest of
contributors and will not interfere with the administration of the program.

c. The authority may provide a contributor with a choice of investment
managers or investment instruments or both for the program if both of the
following conditions exist:

(1) the federal Internal Revenue Service has provided guidance that
providing a contributor with a choice of investment managers or instru­
ments under a State tuition program will not cause the program to fail to
qualify for favorable tax treatment under section 529 of the federal Internal
Revenue Code of 1986, 26 U.S.C. s.529; and

(2) the authority concludes that a choice of investment managers or of
investment instruments is in the best interest of contributors and will not
interfere with the administration of the program.
d. If the authority terminates the designation of an investment manager to hold accounts, and accounts must be moved from that investment manager to another investment manager, the authority shall select the investment manager and type of investment instrument to which the balance of the account is moved, unless the federal Internal Revenue Service provides guidance that allowing the contributor to select among several investment managers or investment instruments that have been selected by the authority would not cause a program to cease to be a qualified State tuition program for the purposes of section 529 of the federal Internal Revenue Code, 26 U.S.C. s.529.

C.18A:72-50 Operation of program.

8. a. The program shall be operated as a trust through the use of accounts for designated beneficiaries. An account may be opened by any person who desires to save to pay the qualified higher education expenses of an individual by satisfying each of the following requirements:

   (1) completing an application in the form prescribed by the authority;
   (2) paying the one-time application fee established by the authority;
   (3) making the minimum contribution required by the authority for opening an account;
   (4) designating the account or accounts to be opened; and
   (5) in the case of an account to which subsection a. of section 11 of this act would apply, demonstrating to the satisfaction of the authority that either the contributor, if an individual, or the designated beneficiary is a New Jersey resident. The requirement of New Jersey residency for either the contributor or the designated beneficiary would not apply to an account to which subsection b. of section 11 of this act would apply unless otherwise determined by the authority.

b. Except as provided under section 9 of this act, only the contributor may make contributions to an account after the account is opened.

c. Contributions to accounts shall be made only in cash, as defined by the authority pursuant to regulations, in accordance with section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529.

d. Contributors may withdraw all or part of the balance from an account on sixty days' notice or a shorter period, as may be authorized by the authority pursuant to regulations.

e. A contributor may change the designated beneficiary of an account or rollover all or a portion of an account to another account if the change or rollover would not result in a distribution includible in gross income under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529, in accordance with procedures established by the authority.
f. In the case of any nonqualified withdrawal, a penalty at a level established by the authority and sufficient to be considered a more than de minimis penalty for purposes of section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529, shall be withheld and paid to the authority for use in operating and marketing the program. The authority may elect not to impose a penalty if that section ceases to include a provision requiring more than de minimis penalties for a program to qualify as a qualified State tuition program.

g. If a contributor makes a nonqualified withdrawal and a penalty amount is not withheld pursuant to subsection f. of this section or the amount withheld is less than the amount required to be withheld under that subsection, the contributor shall pay the unpaid portion of the penalty to the authority at the same time that the contributor files a State income tax return for the taxable year of the withdrawal, or if the contributor does not file a return, the unpaid portion of the penalty shall be paid on or before the due date for the filing of that income tax return.

h. Each account shall be maintained separately from each other account under the program.

i. Separate records and accounting shall be maintained for each account for each designated beneficiary.

j. A contributor or designated beneficiary of any account shall not direct the investment of any contributions to an account or the earnings from the account, except as permitted under section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529.

k. A contributor or a designated beneficiary shall not use an interest in an account as security for a loan. Any pledge of an interest in an account is of no force and effect.

l. The maximum contribution for any designated beneficiary shall be determined by the authority pursuant to regulations, in accordance with section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529.

m. Statements, reports on distributions and information returns relating to accounts shall be prepared, distributed, and filed to the extent required by section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529, or regulations issued thereunder.

n. The authority may charge, impose and collect reasonable administrative fees and service charges in connection with any agreement, contract or transaction relating to the program. These fees and charges may be imposed directly on contributors or may be taken as a percentage of the investment earnings on accounts.
C.18A:72-51 Provision of funds, conditions.

9. a. An amount of no less than $500 shall be provided by the State for the qualified higher education expenses of a designated beneficiary at the time of a qualified withdrawal provided that:

(1) the contributor demonstrates, to the satisfaction of the authority, that the contributor participated in the program for at least four years by making a qualifying minimum initial deposit or qualifying minimum annual contributions, or both, as shall be determined by the authority, for a designated beneficiary;

(2) the designated beneficiary demonstrates, to the satisfaction of the authority, attendance or enrollment in a higher education institution in this State, at the time of initial attendance or enrollment in the higher education institution; and

(3) either the contributor, if an individual, or the designated beneficiary demonstrates, to the satisfaction of the authority, that the contributor or designated beneficiary is a New Jersey resident.

b. The amount provided under subsection a. of this section shall meet the requirements of a qualified scholarship within the meaning of section 117 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.117, for a designated beneficiary satisfying the requirements of subsection a. of this section.

c. A designated beneficiary shall not receive more than one State scholarship provided pursuant to subsection a. of this section.

10. Annually, the authority shall determine a dollar amount of an account, which shall not be less than $25,000, which shall not be considered in evaluating the financial needs of a student enrolled in an institution of higher education located in the State of New Jersey, or be deemed a financial resource or a form of financial aid or assistance to a student, for purposes of determining the eligibility of a student for any scholarship, grant, or monetary assistance awarded by the State; nor shall the amount of any account as determined by the authority provided for a designated beneficiary under this act reduce the amount of any scholarship grant or monetary assistance which the student is entitled to be awarded by the State.

11. a. If the investment manager is the Division of Investment in the Department of the Treasury, in order to assure the availability of principal of any amount contributed under this act, there shall be paid to the authority for deposit in the trust, at the time of distribution, subject to appropriation, such sum, if any, as shall be certified by the chairman of the authority as
necessary to provide that amount at the time of distribution. The chairman shall make and deliver to the Governor, or his designee, the certificate stating the sums, if any, required to make available in the trust the amount aforesaid, and the sums so certified shall be appropriated and paid to the authority during the then current State fiscal year.

b. If the investment manager is a private entity, the investment of the principal and interest of any amount contributed under this act shall be backed by the full faith and credit of the United States or be fully insured by the Federal Deposit Insurance Corporation or other similar insurer backed by the full faith and credit of the United States. No account balance shall exceed the maximum amount of insurance provided by the insurer. No investment is permitted in derivatives of eligible securities, and any investment must be designed to balance prospective payments according to the guidelines established.

12. a. Nothing in this act shall be construed to:
   (1) guarantee that a designated beneficiary will be admitted to a higher education institution or be allowed to continue enrollment at or graduate from a higher education institution after admission;
   (2) establish State residency for a person merely because the person is a designated beneficiary;
   (3) guarantee that amounts saved pursuant to the program will be sufficient to cover the qualified higher education expenses of a designated beneficiary.

b. Nothing in this act establishes any obligation of this State or any agency or instrumentality of this State to guarantee for the benefit of any contributor or designated beneficiary any of the following:
   (1) the rate of interest or other return on any account; or
   (2) the payment of interest or other return on any account.

c. Nothing in this act establishes any obligation or liability of this State or any agency or instrumentality of this State with respect to any federal or State tax liability of any contributor or designated beneficiary in this program.

d. Under regulations promulgated by the authority, every contract and application that may be used in connection with a contribution to an account shall clearly indicate that the account is not insured by this State nor is the investment return guaranteed by this State.

C:54A:6-25 NJBEST distributions excluded from gross income.

13. a. Gross income shall not include the earnings on or distribution from an individual trust account or savings account established pursuant to
the "New Jersey Better Educational Savings Trust Program" established pursuant to P.L.1997, c.237 (C.18A:72-43 et seq.).

b. "Distribution" means a withdrawal which pays the designated beneficiary's qualified higher education expenses described in section 529 of the federal Internal Revenue Code of 1986, 26 U.S.C.s.529 or which represents contributions net of earnings thereon.

14. If the Congress of the United States enacts legislation that exempts educational savings accounts from federal income taxation, sections 9 and 10 of this act shall apply with respect to such educational savings accounts as if they were accounts established under this act and the beneficiaries of the accounts were designated beneficiaries subject to the approval of the New Jersey Higher Education Assistance Authority.

15. This act shall take effect immediately.

Approved September 2, 1997.

CHAPTER 238

AN ACT creating the Higher Education Technology Infrastructure Fund and supplementing chapter 72A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Higher Education Technology Infrastructure Fund Act."

C.18A:72A-60 Findings, declarations relative to higher education technology infrastructure.
2. The Legislature finds and declares that:
   a. New Jersey's public and independent colleges and universities contribute substantially to the local, State, and national economies by developing the workforce, advancing knowledge through research and scholarship, and serving as a repository for information.
   b. An integrated technology infrastructure is increasingly critical to teaching, research, workforce training, and the effectiveness and efficiency of New Jersey's higher education system.
   c. Up-to-date telecommunications and information technology, including connectivity within and among institutions and with libraries and elementary and secondary schools, will enable students and faculty to access
information and educational opportunities efficiently and effectively and will increase opportunities for institutions to collaborate and share resources.

d. Consortial arrangements and distance learning offer significant potential to reduce costs and increase access, but these new modes of delivery cannot succeed without a technology infrastructure which insures compatibility and connectivity.

e. Colleges and universities must address substantial, yet varying, technological needs in order to participate fully in a comprehensive, current telecommunications network. To strengthen New Jersey’s competitiveness and enhance the State’s higher education system in a global and highly technological economy, it is essential to establish a dedicated source of funding to support investment by New Jersey’s public and independent higher education institutions in technology infrastructure.

3. There is created within the New Jersey Educational Facilities Authority, established pursuant to N.J.S.18A:72A-1 et seq., the "Higher Education Technology Infrastructure Fund," hereinafter referred to as the "technology fund." The technology fund shall be maintained as a separate account and administered by the authority to carry out the provisions of this act. The technology fund shall consist of:

a. moneys received from the issuance of bonds or notes pursuant to section 7 of P.L.1997, c.238 (C.18A:72A-65);

b. all moneys appropriated by the State for the purposes of the fund; and

c. all interest and investment earnings received on moneys in the technology fund.

4. The technology fund shall be used to develop technology infrastructure within and among New Jersey's institutions of higher education in order to provide access effectively and efficiently to information, educational opportunities, and workforce training. Funds may also be used to enhance the connectivity of higher education institutions to libraries and elementary and secondary schools.

As used in this act, "technology infrastructure" means video, voice, and data telecommunications equipment and linkages, including transport services and network interconnections.

C.18A:72A-63 Grant conditions, allocations.

5. The use of a grant from the technology fund shall require a matching amount from an institution equal to the amount of the grant provided. The initial grants from the technology fund shall be allocated as follows:
a. a minimum of $12,600,000 for the acquisition of higher education technology infrastructure at the State colleges;
b. a minimum of $7,722,000 for the acquisition of higher education technology infrastructure at Rutgers, The State University;
c. a minimum of $4,306,500 for the acquisition of higher education technology infrastructure at the University of Medicine and Dentistry of New Jersey;
d. a minimum of $2,821,500 for the acquisition of higher education technology infrastructure at the New Jersey Institute of Technology;
e. a minimum of $12,600,000 for the acquisition of higher education technology infrastructure at the county colleges;
f. a minimum of $4,950,000 for the acquisition of higher education technology infrastructure at private institutions of higher education;
g. a maximum of $5,000,000 for interconnectivity among the higher education institutions. Expenditures shall be based on an inter-institutional needs assessment. If, as a result of the needs assessment, less than $5,000,000 is expended from the funds allocated in this subsection, the remaining funds shall be allocated among the institutions designated in subsections a. through f. of this section based on the percentage of the total funds allocated in each of the subsections a. through f.; and
h. a minimum of $5,000,000 for non-matching public library grants or for Statewide library technology initiatives through the New Jersey State Library.

The Commission on Higher Education may reallocate any balance in the amount authorized in subsections a. through g. of this section, which has not been approved by the commission for a grant within 18 months of the effective date of P.L.1997, c.238 (C.18A:72A-59 et seq.).

The commission shall determine the allocation of moneys deposited into the technology fund resulting from the issuance by the authority of new bonds because of the retirement of bonds previously issued by the authority.

Acquisition of technology infrastructure funded by grants from the technology fund shall follow the principles of affirmative action and equal opportunity employment. In furtherance of these principles, the commission shall continue its policy of encouraging institutions to solicit bids from, and award contracts to, minority and women-owned businesses.

C.18A:72A-64 Application for grant, conditions.

6. a. The governing board of a public or private institution of higher education may determine, by resolution, to apply for a grant from the technology fund. Upon adoption of the resolution, the board shall file an application with the Commission on Higher Education, which application shall include a complete description of the technology infrastructure to be
acquired and an identification of the sources of revenue to be used for the required institutional match.

b. The commission shall review the application and, by resolution, approve or disapprove the grant. For each grant which is approved, the commission shall establish the amount and shall forward a copy of the resolution along with the amount of the grant to the authority.

c. Each grant awarded under this act shall be contingent upon the recipient governing board entering into a contract or contracts for the acquisition of technology infrastructure within one year of the date on which the funds of the grant are made available to the institution.

7. a. The authority shall from time to time issue bonds or notes in an amount sufficient to finance the grants provided under this act and to finance the administrative costs associated with the approval process and the issuance of the bonds and notes for the purchase of higher education technology infrastructure for public and private institutions of higher education, provided that the total outstanding principal amount of the bonds and notes shall not exceed $55,000,000 and the term of any bond issued shall not exceed 15 years. In computing the foregoing limitation as to amount, there shall be excluded all bonds or notes which shall be issued for refunding purposes, provided that the refunding shall be determined by the authority to result in a debt service savings. The State Treasurer is hereby authorized to enter into a contract with the authority pursuant to which the State Treasurer, subject to available appropriation, shall pay the amount necessary to pay the principal and interest on bonds and notes of the authority issued pursuant to this section.

b. Bonds or notes issued pursuant to this act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof, or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof, but all bonds or notes, unless funded or refunded by the bonds or notes of the authority, shall be payable solely from revenues of funds pledged or available for their payment as authorized by this act. Each bond or note shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof, redemption premium, if any, or the interest thereon only from revenue or funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay the principal thereof, redemption premium, if any, or interest thereon and that neither the faith and credit nor the taxing power of the State or of any
political subdivision thereof is pledged to the payment of the principal of, redemption premium, if any, or the interest on the bonds.

   c. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds or notes issued pursuant to P.L.1997, c.238 (C.18A:72A-59 et seq.) that the State shall not limit or alter the rights or powers hereby vested in the authority to perform and fulfill the terms of any agreement made with the holders of the bonds or notes, or to fix, establish, charge and collect such rents, fees, rates, payments, or other charges as may be convenient or necessary to produce sufficient revenues to meet all expenses of the authority and to fulfill the terms of any agreement made with the holders of the bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of the holders, until the bonds and notes, together with interest thereon, are fully met and discharged or provided for.

C.18A:72A-66 Agreements between authority and institutions of higher education.

   8. The authority may enter into an agreement with a public or private institution of higher education to finance the acquisition of higher education technology infrastructure by the institution. In entering into an agreement with a public or private institution of higher education, the authority shall include in the agreement such provisions as may be necessary to ensure that the institution shall provide a matching amount at least equal to the amount of the grant provided.

   9. The authority shall not enter into an agreement with an institution of higher education unless the Commission on Higher Education has adopted a resolution which approves the acquisition of the higher education technology infrastructure by the institution.

   10. a. To finance the matching amounts for institutions of higher education which have received grants from the technology fund, the authority may from time to time issue bonds or notes in an amount sufficient to finance the purchase of higher education technology infrastructure pursuant to agreements with public and private institutions of higher education and to finance the administrative costs associated with the issuance of bonds or notes. The authority shall issue the bonds or notes in such manner as it shall determine in accordance with the provisions of P.L.1997, c.238 (C.18A:72A-59 et seq.) and the "New Jersey educational facilities authority law," N.J.S.18A:72A-1 et seq. The bonds or notes issued pursuant to this section shall be repaid by the institutions of higher
education from any available funds, except grant funds provided to the institution of higher education pursuant to this act.

b. The authority shall require that if an institution of higher education fails or is unable to pay to the authority in full, when due, any obligation of the institution to the authority, an amount sufficient to satisfy the deficiency shall be retained by the State Treasurer from State aid or an appropriation payable to the institution and paid to the authority. As used in this subsection, "obligation of the institution" means any amount payable by the institution for technology infrastructure pursuant to an agreement with the authority.

c. The amount retained by the State Treasurer shall be deducted from the corresponding appropriation or apportionment of State aid payable to the institution of higher education and shall not obligate the State to make, nor entitle the institution to receive, any additional appropriation or apportionment.

C.18A:72A-69 Criteria for approval, specific information in grant application.

11. In order to ensure the most effective utilization of the moneys in the technology fund and to guide governing boards which elect to apply for a grant, the Commission on Higher Education shall establish criteria for approval and shall specify the information to be included in a grant application.

12. The Commission on Higher Education, in consultation with the New Jersey Educational Facilities Authority, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the rules and regulations necessary to carry out the provisions of this act.

13. The Commission on Higher Education shall annually submit a report to the Governor and the Legislature on the higher education technology infrastructure purchases at public and private institutions of higher education, which have been approved by the commission and financed by the New Jersey Educational Facilities Authority pursuant to this act.

3. Every nursing home shall have the responsibility for:
   a. Maintaining a complete record of all funds, personal property and possessions of a nursing home resident from any source whatsoever, which have been deposited for safekeeping with the nursing home for use by the resident. This record shall contain a listing of all deposits and withdrawals transacted, and these shall be substantiated by receipts given to the resident or his guardian. A nursing home shall provide to each resident or his guardian a quarterly statement which shall account for all of such resident's
property on deposit at the beginning of the accounting period, all deposits and withdrawals transacted during the period, and the property on deposit at the end of the period. The resident or his guardian shall be allowed daily access to his property on deposit during specific periods established by the nursing home for such transactions at a reasonable hour. A nursing home may, at its own discretion, place a limitation as to dollar value and size of any personal property accepted for safekeeping.

b. Providing for the spiritual needs and wants of residents by notifying, at a resident's request, a clergyman of the resident's choice and allowing unlimited visits by such clergyman. Arrangements shall be made, at the resident's expense, for attendance at religious services of his choice when requested. No religious beliefs or practices, or any attendance at religious services, shall be imposed upon any resident.

c. Admitting only that number of residents for which it reasonably believes it can safely and adequately provide nursing care. Any applicant for admission to a nursing home who is denied such admission shall be given the reason for such denial in writing.

d. Ensuring that an applicant for admission or a resident is treated without discrimination as to age, race, religion, sex or national origin. However, the participation of a resident in recreational activities, meals or other social functions may be restricted or prohibited if recommended by a resident's attending physician in writing and consented to by the resident.

e. Ensuring that no resident shall be subjected to physical restraints except upon written orders of an attending physician for a specific period of time when necessary to protect such resident from injury to himself or others. Restraints shall not be employed for purposes of punishment or the convenience of any nursing home staff personnel. The confinement of a resident in a locked room shall be prohibited.

f. Ensuring that drugs and other medications shall not be employed for purposes of punishment, for convenience of any nursing home staff personnel or in such quantities so as to interfere with a resident's rehabilitation or his normal living activities.

g. Permitting citizens, with the consent of the resident being visited, legal services programs, employees of the Office of the Public Defender, employees of the private entity designated by the Governor as the State's mental health protection and advocacy agency pursuant to section 22 of P.L.1994, c.58 (C.52:27E-68), and employees and volunteers of the Office of the Nursing Home Ombudsman Program in the Department of Community Affairs, whose purposes include rendering assistance without charge to nursing home residents, full and free access to the nursing home in order to visit with and make personal, social and legal services available to all residents and to assist and advise residents in the assertion of their rights.

They shall, upon request, produce identification to substantiate their identity. No such person shall enter the immediate living area of any resident without first identifying himself and then receiving permission from the resident to enter. The rights of other residents present in the room shall be respected. A resident shall have the right to terminate a visit by a person having access to his living area pursuant to this section at any time. Any communication whatsoever between a resident and such person shall be confidential in nature, unless the resident authorizes the release of such communication in writing.

h. Ensuring compliance with all applicable State and federal statutes and rules and regulations.

i. Ensuring that every resident, prior to or at the time of admission and during his stay, shall receive a written statement of the services provided by the nursing home, including those required to be offered by the nursing home on an as-needed basis, and of related charges, including any charges for services not covered under Title XVIII and Title XIX of the Social Security Act, as amended, or not covered by the nursing home's basic per diem rate. This statement shall further include the payment, fee, deposit and refund policy of the nursing home.

j. Ensuring that a prospective resident or the resident's family or guardian receives a copy of the contract or agreement between the nursing home and the resident prior to or upon the resident's admission.

The action may be brought in any court of competent jurisdiction to enforce such rights and to recover actual and punitive damages for their violation. Any plaintiff who prevails
in any such action shall be entitled to recover reasonable attorney's fees and costs of the action.

b. In addition to the provisions of subsection a. of this section, treble damages may be awarded to a resident or alleged third party guarantor of payment who prevails in any action to enforce the provisions of section 3 of P.L.1997, c.241 (C.30:13-3.1).

   (2) require a third party guarantee of payment to the facility as a condition of admission or expedited admission to, or continued residence in, that facility; except that when an individual has legal access to a resident's income or resources available to pay for facility care pursuant to a durable power of attorney, order of guardianship or other valid document, the facility may require the individual to sign a contract to provide payment to the facility from the resident's income or resources without incurring personal financial liability.

b. A nursing home shall prominently display in that facility, and provide to an applicant for admission or a resident of the facility, written information about how to apply for benefits under the Medicare or Medicaid program, and how to receive a refund of previous payments to the facility which may be covered by those benefits.

c. The provisions of subsections a. and b. of this section shall only apply to those distinct parts of a nursing home certified to participate in the Medicare or Medicaid program.

C.30:13-3.2 Applicability of act.

4. Except as otherwise provided in this act, the provisions of P.L.1976, c.120 (C.30:13-1 et seq.) and section 3 of P.L.1997, c.241 (C.30:13-3.1) shall apply to any applicant for admission to a nursing home or any resident of the facility, whether the applicant or resident is eligible for benefits under the Medicare or Medicaid program or is a private pay patient, or may in the future convert from a private pay patient to a Medicare or Medicaid patient.

CHAPTER 248

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.12A:9-301 is amended to read as follows:

Persons who take priority over unperfected security interests; right of "lien creditor."

12A:9-301. Persons who take priority over unperfected security interests; right of "lien creditor."

(1) Except as otherwise provided in subsection (2), an unperfected security interest is subordinate to the rights of:

(a) Persons entitled to priority under 12A:9-312;

(b) A person who becomes a lien creditor before the security interest is perfected;

(c) In the case of goods, instruments, documents, and chattel paper, a person who is not a secured party and who is a transferee in bulk or other buyer not in ordinary course of business, or is a buyer of farm products in ordinary course of business, to the extent that he gives value and receives delivery of the collateral without knowledge of the security interest and before it is perfected;
(d) In the case of accounts and general intangibles, a person who is not a secured party and who is a transferee to the extent that he gives value without knowledge of the security interest and before it is perfected.

(2) If the secured party files with respect to a purchase money security interest before or within 20 days after the debtor receives possession of the collateral, he takes priority over the rights of a transferee in bulk or of a lien creditor which arise between the time the security interest attaches and the time of filing.

(3) A "lien creditor" means a creditor who has acquired a lien on the property involved by attachment, levy or the like and includes an assignee for benefit of creditors from the time of assignment, and a trustee in bankruptcy from the date of the filing of the petition or a receiver in equity from the time of appointment.

(4) A person who becomes a lien creditor while a security interest is perfected takes subject to the security interest only to the extent that it secures advances made before he becomes a lien creditor or within 45 days thereafter or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien.

2. N.J.S.12A:9-312 is amended to read as follows:

Priorities among conflicting security interests in the same collateral.

12A:9-312. Priorities Among Conflicting Security Interests in the Same Collateral.

(1) The rules of priority stated in other sections of this subchapter and in the following sections shall govern when applicable: 12A:4-210 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; 12A:9-103 on security interests related to other jurisdictions; 12A:9-114 on consignments.

(2) (Deleted by amendment, P.L.1962, c.203, s.4.)

(3) A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if:

(a) The purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) The purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21-day period where the purchase money security interest
is temporarily perfected without filing or possession (subsection (5) of 12A:9-304); and

(c) The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(d) The notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within 20 days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to attach has priority.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing, the taking of possession, or under 12A:8-321 on securities, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances, made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

3. This act shall take effect immediately.

Approved September 9, 1997.

Such investment shall not be deemed self-dealing or a fiduciary conflict; nor shall the fact that other beneficiaries of fiduciary accounts of the qualified bank have similar investments be deemed to be an improper commingling of assets by the qualified bank.

For purposes of this subsection, "fiduciary account" shall include a trust, estate, agency or other account in which funds, property, or both, are held by a qualified bank pursuant to section 28 of P.L.1948, c.67 (C.17:9A-28), or an account for which a qualified bank acts as investment advisor or manager; and

x. The powers set forth in this section are in addition to any other powers granted by law, and by a will, deed or other instrument.

2. This act shall take effect immediately.

Approved September 9, 1997.

CHAPTER 252

AN ACT concerning commercial transactions, replacing chapter 8 of Title 12A of the New Jersey Statutes, enacting additional sections of chapter 9 of Title 12A of the New Jersey Statutes and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Chapter 8 of Title 12A of the New Jersey Statutes (N.J.S.12A:8-101 through 12A:8-805, including any amendments or supplements thereto) is repealed and replaced as follows:

CHAPTER 8. INVESTMENT SECURITIES

PART 1
SHORT TITLE AND GENERAL MATTERS

Short Title.

12A:8-101. Short Title.
This chapter may be cited as Uniform Commercial Code--Investment Securities.

Definitions.

a. In this chapter:
(1) "Adverse claim" means a claim that a claimant has a property interest in a financial asset and that it is a violation of the rights of the claimant for another person to hold, transfer, or deal with the financial asset.

(2) "Bearer form," as applied to a certificated security, means a form in which the security is payable to the bearer of the security certificate according to its terms but not by reason of an indorsement.

(3) "Broker" means a person defined as a broker or dealer under the federal securities laws, but without excluding a bank acting in that capacity.

(4) "Certificated security" means a security that is represented by a certificate.

(5) "Clearing corporation" means:
   (a) a person that is registered as a "clearing agency" under the federal securities laws;
   (b) a federal reserve bank; or
   (c) any other person that provides clearance or settlement services with respect to financial assets that would require it to register as a clearing agency under the federal securities laws but for an exclusion or exemption from the registration requirement, if its activities as a clearing corporation, including promulgation of rules, are subject to regulation by a federal or state governmental authority.

(6) "Communicate" means to:
   (a) send a signed writing; or
   (b) transmit information by any mechanism agreed upon by the persons transmitting and receiving the information.

(7) "Entitlement holder" means a person identified in the records of a securities intermediary as the person having a security entitlement against the securities intermediary. If a person acquires a security entitlement by virtue of paragraph (2) or (3) of subsection b. of 12A:8-501, that person is the entitlement holder.

(8) "Entitlement order" means a notification communicated to a securities intermediary directing transfer or redemption of a financial asset to which the entitlement holder has a security entitlement.

(9) "Financial asset," except as otherwise provided in 12A:8-103, means:
   (a) a security;
   (b) an obligation of a person or a share, participation, or other interest in a person or in property or an enterprise of a person, which is, or is of a type, dealt in or traded on financial markets, or which is recognized in any area in which it is issued or dealt in as a medium for investment; or
   (c) any property that is held by a securities intermediary for another person in a securities account if the securities intermediary has expressly
agreed with the other person that the property is to be treated as a financial asset under this chapter.

As context requires, the term means either the interest itself or the means by which a person's claim to it is evidenced, including a certificated or uncertificated security, a security certificate, or a security entitlement.

(10) "Good faith," for purposes of the obligation of good faith in the performance or enforcement of contracts or duties within this chapter, means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(11) "Indorsement" means a signature that alone or accompanied by other words is made on a security certificate in registered form or on a separate document for the purpose of assigning, transferring, or redeeming the security or granting a power to assign, transfer, or redeem it.

(12) "Instruction" means a notification communicated to the issuer of an uncertificated security which directs that the transfer of the security be registered or that the security be redeemed.

(13) "Registered form," as applied to a certificated security, means a form in which:
   (a) the security certificate specifies a person entitled to the security; and
   (b) a transfer of the security may be registered upon books maintained for that purpose by or on behalf of the issuer, or the security certificate so states.

(14) "Securities intermediary" means:
   (a) a clearing corporation; or
   (b) a person, including a bank or broker, that in the ordinary course of its business maintains securities accounts for others and is acting in that capacity.

(15) "Security," except as otherwise provided in 12A:8-103, means an obligation of an issuer or a share, participation, or other interest in an issuer or in property or an enterprise of an issuer:
   (a) which is represented by a security certificate in bearer or registered form, or the transfer of which may be registered upon books maintained for that purpose by or on behalf of the issuer;
   (b) which is one of a class or series or by its terms is divisible into a class or series of shares, participations, interests, or obligations; and
   (c) which:
      (A) is, or is of a type, dealt in or traded on securities exchanges or securities markets; or
      (B) is a medium for investment and by its terms expressly provides that it is a security governed by this chapter.

(16) "Security certificate" means a certificate representing a security.
(17) "Security entitlement" means the rights and property interest of an entitlement holder with respect to a financial asset specified in 12A:8-501 through 12A:8-511.

(18) "Uncertificated security" means a security that is not represented by a certificate.

b. Other definitions applying to this chapter and the sections in which they appear are:

Appropriate person 12A:8-107
Control 12A:8-106
Delivery 12A:8-301
Investment company security 12A:8-103
Issuer 12A:8-201
Overissue 12A:8-210
Protected purchaser 12A:8-303
Securities account 12A:8-501

c. In addition, chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter.

d. The characterization of a person, business, or transaction for purposes of this chapter does not determine the characterization of the person, business, or transaction for purposes of any other law, regulation, or rule.

Rule for determining whether certain obligations and interests are securities or financial assets.

12A:8-103. Rule for Determining whether Certain Obligations and Interests are Securities or Financial Assets.

a. A share or similar equity interest issued by a corporation, business trust, joint stock company, or similar entity is a security.

b. An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.

c. An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this chapter, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.
d. A writing that is a security certificate is governed by this chapter and not by chapter 3, even though it also meets the requirements of that chapter. However, a negotiable instrument governed by chapter 3 is a financial asset if it is held in a securities account.
e. An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.
f. A commodity contract, as defined in 12A:9-115, is not a security or a financial asset.

Acquisition of security or financial asset or interest therein.
12A:8-104. Acquisition of Security or Financial Asset or Interest Therein.
a. A person acquires a security or an interest therein, under this chapter, if:
(1) the person is a purchaser to whom a security is delivered pursuant to 12A:8-301; or
(2) the person acquires a security entitlement to the security pursuant to 12A:8-501.
b. A person acquires a financial asset, other than a security, or an interest therein, under this chapter, if the person acquires a security entitlement to the financial asset.
c. A person who acquires a security entitlement to a security or other financial asset has the rights specified in 12A:8-501 through 12A:8-511, but is a purchaser of any security, security entitlement, or other financial asset held by the securities intermediary only to the extent provided in 12A:8-503.
d. Unless the context shows that a different meaning is intended, a person who is required by other law, regulation, rule, or agreement to transfer, deliver, present, surrender, exchange, or otherwise put in the possession of another person a security or financial asset satisfies that requirement by causing the other person to acquire an interest in the security or financial asset pursuant to subsection a. or b. of this section.

Notice of adverse claim.
a. A person has notice of an adverse claim if:
(1) the person knows of the adverse claim;
(2) the person is aware of facts sufficient to indicate that there is a significant probability that the adverse claim exists and deliberately avoids information that would establish the existence of the adverse claim; or
(3) the person has a duty, imposed by statute or regulation, to investigate whether an adverse claim exists, and the investigation so required would establish the existence of the adverse claim.
b. Having knowledge that a financial asset or interest therein is or has been transferred by a representative imposes no duty of inquiry into the rightfulness of a transaction and is not notice of an adverse claim. However, a person who knows that a representative has transferred a financial asset or interest therein in a transaction that is, or whose proceeds are being used, for the individual benefit of the representative or otherwise in breach of duty has notice of an adverse claim.

c. An act or event that creates a right to immediate performance of the principal obligation represented by a security certificate or sets a date on or after which the certificate is to be presented or surrendered for redemption or exchange does not itself constitute notice of an adverse claim except in the case of a transfer more than:
   (1) one year after a date set for presentment or surrender for redemption or exchange; or
   (2) six months after a date set for payment of money against presentation or surrender of the certificate, if money was available for payment on that date.

d. A purchaser of a certificated security has notice of an adverse claim if the security certificate:
   (1) whether in bearer or registered form, has been indorsed "for collection" or "for surrender" or for some other purpose not involving transfer; or
   (2) is in bearer form and has on it an unambiguous statement that it is the property of a person other than the transferor, but the mere writing of a name on the certificate is not such a statement.

e. Filing of a financing statement under chapter 9 is not notice of an adverse claim to a financial asset.

Control.

12A:8-106. Control.
a. A purchaser has "control" of a certificated security in bearer form if the certificated security is delivered to the purchaser.
b. A purchaser has "control" of a certificated security in registered form if the certificated security is delivered to the purchaser, and:
   (1) the certificate is indorsed to the purchaser or in blank by an effective indorsement; or
   (2) the certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.
c. A purchaser has "control" of an uncertificated security if:
   (1) the uncertificated security is delivered to the purchaser; or
   (2) the issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.
d. A purchaser has "control" of a security entitlement if:
   (1) the purchaser becomes the entitlement holder; or
   (2) the securities intermediary has agreed that it will comply with
       entitlement orders originated by the purchaser without further consent by the
       entitlement holder.

e. If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

f. A purchaser who has satisfied the requirements of paragraph (2) of subsection c. or paragraph (2) of subsection d. of this section has control even if the registered owner in the case of paragraph (2) of subsection c. or the entitlement holder in the case of paragraph (2) of subsection d. of this section retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

g. An issuer or a securities intermediary may not enter into an agreement of the kind described in paragraph (2) of subsection c. or paragraph (2) of subsection d. of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder.

Whether indorsement, instruction, or entitlement order is effective.

12A:8-107. Whether Indorsement, Instruction, or Entitlement Order is Effective.

a. "Appropriate person" means:
   (1) with respect to an indorsement, the person specified by a security certificate or by an effective special indorsement to be entitled to the security;
   (2) with respect to an instruction, the registered owner of an uncertificated security;
   (3) with respect to an entitlement order, the entitlement holder;
   (4) if the person designated in paragraph (1), (2), or (3) of this subsection a. is deceased, the designated person's successor taking under other law or the designated person's personal representative acting for the estate of the decedent; or
   (5) if the person designated in paragraph (1), (2), or (3) of this subsection a. lacks capacity, the designated person's guardian, conservator.
or other similar representative who has power under other law to transfer the security or financial asset.

b. An indorsement, instruction, or entitlement order is effective if:
   (1) it is made by the appropriate person;
   (2) it is made by a person who has power under the law of agency to transfer the security or financial asset on behalf of the appropriate person, including, in the case of an instruction or entitlement order, a person who has control under paragraph (2) of subsection c. or paragraph (2) of subsection d. of 12A:8-106; or
   (3) the appropriate person has ratified it or is otherwise precluded from asserting its ineffectiveness.

c. An indorsement, instruction, or entitlement order made by a representative is effective even if:
   (1) the representative has failed to comply with a controlling instrument or with the law of the State having jurisdiction of the representative relationship, including any law requiring the representative to obtain court approval of the transaction; or
   (2) the representative's action in making the indorsement, instruction, or entitlement order or using the proceeds of the transaction is otherwise a breach of duty.

d. If a security is registered in the name of or specially indorsed to a person described as a representative, or if a securities account is maintained in the name of a person described as a representative, an indorsement, instruction, or entitlement order made by the person is effective even though the person is no longer serving in the described capacity.

e. Effectiveness of an indorsement, instruction, or entitlement order is determined as of the date the indorsement, instruction, or entitlement order is made, and an indorsement, instruction, or entitlement order does not become ineffective by reason of any later change of circumstances.

Warranties in direct holding.

12A:8-108. Warranties in Direct Holding.

a. A person who transfers a certificated security to a purchaser for value warrants to the purchaser, and an indorser, if the transfer is by indorsement, warrants to any subsequent purchaser, that:
   (1) the certificate is genuine and has not been materially altered;
   (2) the transferor or indorser does not know of any fact that might impair the validity of the security;
   (3) there is no adverse claim to the security;
   (4) the transfer does not violate any restriction on transfer;
(5) if the transfer is by indorsement, the indorsement is made by an appropriate person, or if the indorsement is by an agent, the agent has actual authority to act on behalf of the appropriate person; and
(6) the transfer is otherwise effective and rightful.

b. A person who originates an instruction for registration of transfer of an uncertificated security to a purchaser for value warrants to the purchaser that:
   (1) the instruction is made by an appropriate person, or if the instruction is by an agent, the agent has actual authority to act on behalf of the appropriate person;
   (2) the security is valid;
   (3) there is no adverse claim to the security; and
   (4) at the time the instruction is presented to the issuer:
      (a) the purchaser will be entitled to the registration of transfer;
      (b) the transfer will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction;
      (c) the transfer will not violate any restriction on transfer; and
      (d) the requested transfer will otherwise be effective and rightful.

c. A person who transfers an uncertificated security to a purchaser for value and does not originate an instruction in connection with the transfer warrants that:
   (1) the uncertificated security is valid;
   (2) there is no adverse claim to the security;
   (3) the transfer does not violate any restriction on transfer; and
   (4) the transfer is otherwise effective and rightful.

d. A person who indorses a security certificate warrants to the issuer that:
   (1) there is no adverse claim to the security; and
   (2) the indorsement is effective.

e. A person who originates an instruction for registration of transfer of an uncertificated security warrants to the issuer that:
   (1) the instruction is effective; and
   (2) at the time the instruction is presented to the issuer the purchaser will be entitled to the registration of transfer.

f. A person who presents a certificated security for registration of transfer or for payment or exchange warrants to the issuer that the person is entitled to the registration, payment, or exchange, but a purchaser for value and without notice of adverse claims to whom transfer is registered warrants only that the person has no knowledge of any unauthorized signature in a necessary indorsement.
g. If a person acts as agent of another in delivering a certificated security to a purchaser, the identity of the principal was known to the person to whom the certificate was delivered, and the certificate delivered by the agent was received by the agent from the principal or received by the agent from another person at the direction of the principal, the person delivering the security certificate warrants only that the delivering person has authority to act for the principal and does not know of any adverse claim to the certificated security.

h. A secured party who redelivers a security certificate received, or after payment and on order of the debtor delivers the security certificate to another person, makes only the warranties of an agent under subsection g. of this section.

i. Except as otherwise provided in subsection g. of this section, a broker acting for a customer makes to the issuer and a purchaser the warranties provided in subsections a. through f. of this section. A broker that delivers a security certificate to its customer, or causes its customer to be registered as the owner of an uncertificated security, makes to the customer the warranties provided in subsection a. or b. of this section, and has the rights and privileges of a purchaser under this section. The warranties of and in favor of the broker acting as an agent are in addition to applicable warranties given by and in favor of the customer.

Warranties in Indirect Holding.

a. A person who originates an entitlement order to a securities intermediary warrants to the securities intermediary that:

(1) the entitlement order is made by an appropriate person, or if the entitlement order is by an agent, the agent has actual authority to act on behalf of the appropriate person; and

(2) there is no adverse claim to the security entitlement.

b. A person who delivers a security certificate to a securities intermediary for credit to a securities account or originates an instruction with respect to an uncertificated security directing that the uncertificated security be credited to a securities account makes to the securities intermediary the warranties specified in subsection a. or b. of 12A:8-108.

c. If a securities intermediary delivers a security certificate to its entitlement holder or causes its entitlement holder to be registered as the owner of an uncertificated security, the securities intermediary makes to the entitlement holder the warranties specified in subsection a. or b. of 12A:8-108.

Applicability; choice of law.

12A:8-110. Applicability; Choice of Law.

a. The local law of the issuer's jurisdiction, as specified in subsection d. of this section, governs:
(1) the validity of a security;
(2) the rights and duties of the issuer with respect to registration of transfer;
(3) the effectiveness of registration of transfer by the issuer;
(4) whether the issuer owes any duties to an adverse claimant to a security; and
(5) whether an adverse claim can be asserted against a person to whom transfer of a certificated or uncertificated security is registered or a person who obtains control of an uncertificated security.

b. The local law of the securities intermediary's jurisdiction, as specified in subsection e. of this section, governs:
(1) acquisition of a security entitlement from the securities intermediary;
(2) the rights and duties of the securities intermediary and entitlement holder arising out of a security entitlement;
(3) whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and
(4) whether an adverse claim can be asserted against a person who acquires a security entitlement from the securities intermediary or a person who purchases a security entitlement or interest therein from an entitlement holder.

c. The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.

d. "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this State may specify the law of another jurisdiction as the law governing the matters specified in paragraphs (2) through (5) of subsection a. of this section.

e. The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:
(1) If an agreement between the securities intermediary and its entitlement holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.
(2) If an agreement between the securities intermediary and its entitlement holder does not specify the governing law as provided in paragraph (1) of this subsection e., but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.
(3) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph
(1) or (2) of this subsection e., the securities intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the entitlement holder's account.

(4) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph (1) or (2) of this subsection e. and an account statement does not identify an office serving the entitlement holder's account as provided in paragraph (3) of this subsection e., the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary.

f. A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement, or by the location of facilities for data processing or other record keeping concerning the account.

Clearing corporation rules.

A rule adopted by a clearing corporation governing rights and obligations among the clearing corporation and its participants in the clearing corporation is effective even if the rule conflicts with this chapter and affects another party who does not consent to the rule.

Creditor's legal process.

a. The interest of a debtor in a certificated security may be reached by a creditor only by actual seizure of the security certificate by the officer making the attachment or levy, except as otherwise provided in subsection d. of this section. However, a certificated security for which the certificate has been surrendered to the issuer may be reached by a creditor by legal process upon the issuer.

b. The interest of a debtor in an uncertificated security may be reached by a creditor only by legal process upon the issuer at its chief executive office in the United States, except as otherwise provided in subsection d. of this section.

c. The interest of a debtor in a security entitlement may be reached by a creditor only by legal process upon the securities intermediary with whom the debtor's securities account is maintained, except as otherwise provided in subsection d. of this section.

d. The interest of a debtor in a certificated security for which the certificate is in the possession of a secured party, or in an uncertificated security registered in the name of a secured party, or a security entitlement
maintained in the name of a secured party, may be reached by a creditor by legal process upon the secured party.

e. A creditor whose debtor is the owner of a certificated security, uncertificated security, or security entitlement is entitled to aid from a court of competent jurisdiction, by injunction or otherwise, in reaching the certificated security, uncertificated security, or security entitlement or in satisfying the claim by means allowed at law or in equity in regard to property that cannot readily be reached by other legal process.

Statutes of frauds inapplicable.

A contract or modification of a contract for the sale or purchase of a security is enforceable whether or not there is a writing signed or record authenticated by a party against whom enforcement is sought, even if the contract or modification is not capable of performance within one year of its making.

Evidentiary rules concerning certificated securities.

The following rules apply in an action on a certificated security against the issuer:

(1) Unless specifically denied in the pleadings, each signature on a security certificate or in a necessary indorsement is admitted.

(2) If the effectiveness of a signature is put in issue, the burden of establishing effectiveness is on the party claiming under the signature, but the signature is presumed to be genuine or authorized.

(3) If signatures on a security certificate are admitted or established, production of the certificate entitles a holder to recover on it unless the defendant establishes a defense or a defect going to the validity of the security.

(4) If it is shown that a defense or defect exists, the plaintiff has the burden of establishing that the plaintiff or some person under whom the plaintiff claims is a person against whom the defense or defect cannot be asserted.

Securities intermediary and others not liable to adverse claimant.

12A:8-115. Securities Intermediary and Others Not Liable to Adverse Claimant.

A securities intermediary that has transferred a financial asset pursuant to an effective entitlement order, or a broker or other agent or bailee that has dealt with a financial asset at the direction of its customer or principal, is not liable to a person having an adverse claim to the financial asset, unless the securities intermediary, or broker or other agent or bailee:
(1) took the action after it had been served with an injunction, restraining order, or other legal process enjoining it from doing so, issued by a court of competent jurisdiction, and had a reasonable opportunity to act on the injunction, restraining order, or other legal process; or
(2) acted in collusion with the wrongdoer in violating the rights of the adverse claimant; or
(3) in the case of a security certificate that has been stolen, acted with notice of the adverse claim.

Securities intermediary as purchaser for value.

A securities intermediary that receives a financial asset and establishes a security entitlement to the financial asset in favor of an entitlement holder is a purchaser for value of the financial asset. A securities intermediary that acquires a security entitlement to a financial asset from another securities intermediary acquires the security entitlement for value if the securities intermediary acquiring the security entitlement establishes a security entitlement to the financial asset in favor of an entitlement holder.

PART 2
ISSUE AND ISSUER

Issuer.

12A:8-201. Issuer.

a. With respect to an obligation on or a defense to a security, an "issuer" includes a person that:
(1) places or authorizes the placing of its name on a security certificate, other than as authenticating trustee, registrar, transfer agent, or the like, to evidence a share, participation, or other interest in its property or in an enterprise, or to evidence its duty to perform an obligation represented by the certificate;
(2) creates a share, participation, or other interest in its property or in an enterprise, or undertakes an obligation, that is an uncertificated security;
(3) directly or indirectly creates a fractional interest in its rights or property, if the fractional interest is represented by a security certificate; or
(4) becomes responsible for, or in place of, another person described as an issuer in this section.

b. With respect to an obligation on or defense to a security, a guarantor is an issuer to the extent of its guaranty, whether or not its obligation is noted on a security certificate.

c. With respect to a registration of a transfer, issuer means a person on whose behalf transfer books are maintained.
Issuer's responsibility and defenses; notice of defect or defense.

a. Even against a purchaser for value and without notice, the terms of a certificated security include terms stated on the certificate and terms made part of the security by reference on the certificate to another instrument, indenture, or document or to a constitution, statute, ordinance, rule, regulation, order, or the like, to the extent the terms referred to do not conflict with terms stated on the certificate. A reference under this subsection does not of itself charge a purchaser for value with notice of a defect going to the validity of the security, even if the certificate expressly states that a person accepting it admits notice. The terms of an uncertificated security include those stated in any instrument, indenture, or document or in a constitution, statute, ordinance, rule, regulation, order, or the like, pursuant to which the security is issued.

b. The following rules apply if an issuer asserts that a security is not valid:

(1) A security other than one issued by a government or governmental subdivision, agency, or instrumentality, even though issued with a defect going to its validity, is valid in the hands of a purchaser for value and without notice of the particular defect unless the defect involves a violation of a constitutional provision. In that case, the security is valid in the hands of a purchaser for value and without notice of the defect, other than one who takes by original issue.

(2) Paragraph (1) of this subsection b. applies to an issuer that is a government or governmental subdivision, agency, or instrumentality only if there has been substantial compliance with the legal requirements governing the issue or the issuer has received a substantial consideration for the issue as a whole or for the particular security and a stated purpose of the issue is one for which the issuer has power to borrow money or issue the security.

c. Except as otherwise provided in 12A:8-205, lack of genuineness of a certificated security is a complete defense, even against a purchaser for value and without notice.

d. All other defenses of the issuer of a security, including nondelivery and conditional delivery of a certificated security, are ineffective against a purchaser for value who has taken the certificated security without notice of the particular defense.

e. This section does not affect the right of a party to cancel a contract for a security "when, as and if issued" or "when distributed" in the event of a material change in the character of the security that is the subject of the
contract or in the plan or arrangement pursuant to which the security is to be issued or distributed.

f. If a security is held by a securities intermediary against whom an entitlement holder has a security entitlement with respect to the security, the issuer may not assert any defense that the issuer could not assert if the entitlement holder held the security directly.

Staleness as notice of defect or defense.

12A:8-203. Staleness as Notice of Defect or Defense.

After an act or event, other than a call that has been revoked, creating a right to immediate performance of the principal obligation represented by a certificated security or setting a date on or after which the security is to be presented or surrendered for redemption or exchange, a purchaser is charged with notice of any defect in its issue or defense of the issuer, if the act or event:

a. requires the payment of money, the delivery of a certificated security, the registration of transfer of an uncertificated security, or any of them on presentation or surrender of the security certificate, the money or security is available on the date set for payment or exchange, and the purchaser takes the security more than one year after that date; or

b. is not covered by subsection a. of this section and the purchaser takes the security more than two years after the date set for surrender or presentation or the date on which performance became due.

Effect of issuer’s restriction on transfer.

12A:8-204. Effect of Issuer’s Restriction on Transfer.

A restriction on transfer of a security imposed by the issuer, even if otherwise lawful, is ineffective against a person without knowledge of the restriction unless:

a. the security is certificated and the restriction is noted conspicuously on the security certificate; or

b. the security is uncertificated and the registered owner has been notified of the restriction.

Effect of unauthorized signature on security certificate.

An unauthorized signature placed on a security certificate before or in the course of issue is ineffective, but the signature is effective in favor of a purchaser for value of the certificated security if the purchaser is without notice of the lack of authority and the signing has been done by:

a. an authenticating trustee, registrar, transfer agent, or other person entrusted by the issuer with the signing of the security certificate or of
similar security certificates, or the immediate preparation for signing of any of them; or

b. an employee of the issuer, or of any of the persons listed in subsection a. of this section, entrusted with responsible handling of the security certificate.

Completion or alteration of security certificate.

12A:8-206. Completion or Alteration of Security Certificate.

a. If a security certificate contains the signatures necessary to its issue or transfer but is incomplete in any other respect:

(1) any person may complete it by filling in the blanks as authorized; and

(2) even if the blanks are incorrectly filled in, the security certificate as completed is enforceable by a purchaser who took it for value and without notice of the incorrectness.

b. A complete security certificate that has been improperly altered, even if fraudulently, remains enforceable, but only according to its original terms.

Rights and duties of issuer with respect to registered owners.

12A:8-207. Rights and Duties of Issuer with Respect to Registered Owners.

a. Before due presentment for registration of transfer of a certificated security in registered form or of an instruction requesting registration of transfer of an uncertificated security, the issuer or indenture trustee may treat the registered owner as the person exclusively entitled to vote, receive notifications, and otherwise exercise all the rights and powers of an owner.

b. This chapter does not affect the liability of the registered owner of a security for a call, assessment, or the like.

Effect of signature of authenticating trustee, registrar, or transfer agent.

12A:8-208. Effect of Signature of Authenticating Trustee, Registrar, or Transfer Agent.

a. A person signing a security certificate as authenticating trustee, registrar, transfer agent, or the like, warrants to a purchaser for value of the certificated security, if the purchaser is without notice of a particular defect, that:

(1) the certificate is genuine;

(2) the person's own participation in the issue of the security is within the person's capacity and within the scope of the authority received by the person from the issuer; and
(3) the person has reasonable grounds to believe that the certificated security is in the form and within the amount the issuer is authorized to issue.

b. Unless otherwise agreed, a person signing under subsection a. of this section does not assume responsibility for the validity of the security in other respects.

Issuer's lien.

12A:8-209. Issuer's Lien.
A lien in favor of an issuer upon a certificated security is valid against a purchaser only if the right of the issuer to the lien is noted conspicuously on the security certificate.

Overissue.

a. In this section, "overissue" means the issue of securities in excess of the amount the issuer has corporate power to issue, but an overissue does not occur if appropriate action has cured the overissue.

b. Except as otherwise provided in subsections c. and d. of this section, the provisions of this chapter which validate a security or compel its issue or reissue do not apply to the extent that validation, issue, or reissue would result in overissue.

c. If an identical security not constituting an overissue is reasonably available for purchase, a person entitled to issue or validation may compel the issuer to purchase the security and deliver it if certificated or register its transfer if uncertificated, against surrender of any security certificate the person holds.

d. If a security is not reasonably available for purchase, a person entitled to issue or validation may recover from the issuer the price the person or the last purchaser for value paid for it with interest from the date of the person's demand.

PART 3
TRANSFER OF CERTIFICATED AND UNCERTIFICATED SECURITIES

Delivery.

12A:8-301. Delivery.
a. Delivery of a certificated security to a purchaser occurs when:
   (1) the purchaser acquires possession of the security certificate;
   (2) another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having
previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or
(3) a securities intermediary acting on behalf of the purchaser acquires possession of the security certificate, only if the certificate is in registered form and has been specially indorsed to the purchaser by an effective indorsement.
b. Delivery of an uncertificated security to a purchaser occurs when:
   (1) the issuer registers the purchaser as the registered owner, upon original issue or registration of transfer; or
   (2) another person, other than a securities intermediary, either becomes the registered owner of the uncertificated security on behalf of the purchaser or, having previously become the registered owner, acknowledges that it holds for the purchaser.

Rights of purchaser.
a. Except as otherwise provided in subsections b. and c. of this section, upon delivery of a certificated or uncertificated security to a purchaser, the purchaser acquires all rights in the security that the transferor had or had power to transfer.
b. A purchaser of a limited interest acquires rights only to the extent of the interest purchased.
c. A purchaser of a certificated security who as a previous holder had notice of an adverse claim does not improve its position by taking from a protected purchaser.

Protected purchaser.
12A:8-303. Protected Purchaser.
a. "Protected purchaser" means a purchaser of a certificated or uncertificated security, or of an interest therein, who:
   (1) gives value;
   (2) does not have notice of any adverse claim to the security; and
   (3) obtains control of the certificated or uncertificated security.
b. In addition to acquiring the rights of a purchaser, a protected purchaser also acquires its interest in the security free of any adverse claim.

Indorsement.
12A:8-304. Indorsement.
a. An indorsement may be in blank or special. An indorsement in blank includes an indorsement to bearer. A special indorsement specifies to whom a security is to be transferred or who has power to transfer it. A holder may convert a blank indorsement to a special indorsement.
b. An indorsement purporting to be only of part of a security certificate representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.

c. An indorsement, whether special or in blank, does not constitute a transfer until delivery of the certificate on which it appears or, if the indorsement is on a separate document, until delivery of both the document and the certificate.

d. If a security certificate in registered form has been delivered to a purchaser without a necessary indorsement, the purchaser may become a protected purchaser only when the indorsement is supplied. However, against a transferor, a transfer is complete upon delivery and the purchaser has a specifically enforceable right to have any necessary indorsement supplied.

e. An indorsement of a security certificate in bearer form may give notice of an adverse claim to the certificate, but it does not otherwise affect a right to registration that the holder possesses.

f. Unless otherwise agreed, a person making an indorsement assumes only the obligations provided in 12A:8-108 and not an obligation that the security will be honored by the issuer.

Instruction.

12A:8-305. Instruction.

a. If an instruction has been originated by an appropriate person but is incomplete in any other respect, any person may complete it as authorized and the issuer may rely on it as completed, even though it has been completed incorrectly.

b. Unless otherwise agreed, a person initiating an instruction assumes only the obligations imposed by 12A:8-108 and not an obligation that the security will be honored by the issuer.

Effect of guaranteeing signature, indorsement, or instruction.

12A:8-306. Effect of Guaranteeing Signature, Indorsement, or Instruction.

a. A person who guarantees a signature of an indorser of a security certificate warrants that at the time of signing:

(1) the signature was genuine;

(2) the signer was an appropriate person to indorse, or if the signature is by an agent, the agent had actual authority to act on behalf of the appropriate person; and

(3) the signer had legal capacity to sign.

b. A person who guarantees a signature of the originator of an instruction warrants that at the time of signing:

(1) the signature was genuine;
(2) the signer was an appropriate person to originate the instruction, or if the signature is by an agent, the agent had actual authority to act on behalf of the appropriate person, if the person specified in the instruction as the registered owner was, in fact, the registered owner, as to which fact the signature guarantor does not make a warranty; and
(3) the signer had legal capacity to sign.

c. A person who specially guarantees the signature of an originator of an instruction makes the warranties of a signature guarantor under subsection b. of this section and also warrants that at the time the instruction is presented to the issuer:
(1) the person specified in the instruction as the registered owner of the uncertificated security will be the registered owner; and
(2) the transfer of the uncertificated security requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

d. A guarantor under subsections a. and b. of this section or a special guarantor under subsection c. of this section does not otherwise warrant the rightfulness of the transfer.

e. A person who guarantees an indorsement of a security certificate makes the warranties of a signature guarantor under subsection a. of this section and also warrants the rightfulness of the transfer in all respects.

f. A person who guarantees an instruction requesting the transfer of an uncertificated security makes the warranties of a special signature guarantor under subsection c. of this section and also warrants the rightfulness of the transfer in all respects.

g. An issuer may not require a special guaranty of signature, a guaranty of indorsement, or a guaranty of instruction as a condition to registration of transfer.

h. The warranties under this section are made to a person taking or dealing with the security in reliance on the guaranty, and the guarantor is liable to the person for loss resulting from their breach. An indorser or originator of an instruction whose signature, indorsement, or instruction has been guaranteed is liable to a guarantor for any loss suffered by the guarantor as a result of breach of the warranties of the guarantor.

Purchaser's right to requisites for registration of transfer.
Unless otherwise agreed, the transferor of a security on due demand shall supply the purchaser with proof of authority to transfer or with any other requisite necessary to obtain registration of the transfer of the security, but if the transfer is not for value, a transferor need not comply unless the purchaser pays the necessary expenses. If the transferor fails within a
reasonable time to comply with the demand, the purchaser may reject or rescind the transfer.

PART 4
REGISTRATION

Duty of issuer to register transfer:
12A:8-401. Duty of Issuer to Register Transfer:
a. If a certificated security in registered form is presented to an issuer with a request to register transfer or an instruction is presented to an issuer with a request to register transfer of an uncertificated security, the issuer shall register the transfer as requested if:
   (1) under the terms of the security the person seeking registration of transfer is eligible to have the security registered in its name;
   (2) the indorsement or instruction is made by the appropriate person or by an agent who has actual authority to act on behalf of the appropriate person;
   (3) reasonable assurance is given that the indorsement or instruction is genuine and authorized (12A:8-402);
   (4) any applicable law relating to the collection of taxes has been complied with;
   (5) the transfer does not violate any restriction on transfer imposed by the issuer in accordance with 12A:8-204;
   (6) a demand that the issuer not register transfer has not become effective under 12A:8-403, or the issuer has complied with subsection b. of 12A:8-403 but no legal process or indemnity bond is obtained as provided in subsection d. of 12A:8-403; and
   (7) the transfer is in fact rightful or is to a protected purchaser.
b. If an issuer is under a duty to register a transfer of a security, the issuer is liable to a person presenting a certificated security or an instruction for registration or to the person's principal for loss resulting from unreasonable delay in registration or failure or refusal to register the transfer.

Assurance that indorsement or instruction is effective.
12A:8-402. Assurance that Indorsement or Instruction is Effective.
a. An issuer may require the following assurance that each necessary indorsement or each instruction is genuine and authorized:
   (1) in all cases, a guaranty of the signature of the person making an indorsement or originating an instruction including, in the case of an instruction, reasonable assurance of identity;
   (2) if the indorsement is made or the instruction is originated by an agent, appropriate assurance of actual authority to sign:
(3) if the indorsement is made or the instruction is originated by a fiduciary pursuant to paragraph (4) or (5) of subsection a. of 12A:8-107, appropriate evidence of appointment or incumbency;

(4) if there is more than one fiduciary, reasonable assurance that all who are required to sign have done so; and

(5) if the indorsement is made or the instruction is originated by a person not covered by another provision of this subsection, assurance appropriate to the case corresponding as nearly as may be to the provisions of this subsection.

b. An issuer may elect to require reasonable assurance beyond that specified in this section.

c. In this section:

(1) "Guaranty of the signature" means a guaranty signed by or on behalf of a person reasonably believed by the issuer to be responsible. An issuer may adopt standards with respect to responsibility if they are not manifestly unreasonable.

(2) "Appropriate evidence of appointment or incumbency" means:

(a) in the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of the court or an officer thereof and dated within 60 days before the date of presentation for transfer; or

(b) in any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by an issuer to be responsible or, in the absence of that document or certificate, other evidence the issuer reasonably considers appropriate.

Demand that issuer not register transfer.

12A:8-403. Demand That Issuer Not Register Transfer.

a. A person who is an appropriate person to make an indorsement or originate an instruction may demand that the issuer not register transfer of a security by communicating to the issuer a notification that identifies the registered owner and the issue of which the security is a part and provides an address for communications directed to the person making the demand. The demand is effective only if it is received by the issuer at a time and in a manner affording the issuer reasonable opportunity to act on it.

b. If a certificated security in registered form is presented to an issuer with a request to register transfer or an instruction is presented to an issuer with a request to register transfer of an uncertificated security after a demand that the issuer not register transfer has become effective, the issuer shall promptly communicate to the person who initiated the demand at the address provided in the demand and the person who presented the security
for registration of transfer or initiated the instruction requesting registration of transfer a notification stating that:

(1) the certificated security has been presented for registration of transfer or the instruction for registration of transfer of the uncertificated security has been received;

(2) a demand that the issuer not register transfer had previously been received; and

(3) the issuer will withhold registration of transfer for a period of time stated in the notification in order to provide the person who initiated the demand an opportunity to obtain legal process or an indemnity bond.

c. The period described in paragraph (3) of subsection b. of this section may not exceed 30 days after the date of communication of the notification. A shorter period may be specified by the issuer if it is not manifestly unreasonable.

d. An issuer is not liable to a person who initiated a demand that the issuer not register transfer for any loss the person suffers as a result of registration of a transfer pursuant to an effective indorsement or instruction if the person who initiated the demand does not, within the time stated in the issuer's communication, either:

(1) obtain an appropriate restraining order, injunction, or other process from a court of competent jurisdiction enjoining the issuer from registering the transfer; or

(2) file with the issuer an indemnity bond, sufficient in the issuer's judgment to protect the issuer and any transfer agent, registrar, or other agent of the issuer involved from any loss it or they may suffer by refusing to register the transfer.

e. This section does not relieve an issuer from liability for registering transfer pursuant to an indorsement or instruction that was not effective.

Wrongful registration.

12A:8-404. Wrongful Registration.

a. Except as otherwise provided in 12A:8-406, an issuer is liable for wrongful registration of transfer if the issuer has registered a transfer of a security to a person not entitled to it, and the transfer was registered:

(1) pursuant to an ineffective indorsement or instruction;

(2) after a demand that the issuer not register transfer became effective under subsection a. of 12A:8-403 and the issuer did not comply with subsection b. of 12A:8-403;

(3) after the issuer had been served with an injunction, restraining order, or other legal process enjoining it from registering the transfer, issued by a court of competent jurisdiction, and the issuer had a reasonable opportunity to act on the injunction, restraining order, or other legal process; or
(4) by an issuer acting in collusion with the wrongdoer.

b. An issuer that is liable for wrongful registration of transfer under subsection a. of this section on demand shall provide the person entitled to the security with a like certificated or uncertificated security, and any payments or distributions that the person did not receive as a result of the wrongful registration. If an overissue would result, the issuer's liability to provide the person with a like security is governed by 12A:8-210.

c. Except as otherwise provided in subsection a. of this section or in a law relating to the collection of taxes, an issuer is not liable to an owner or other person suffering loss as a result of the registration of a transfer of a security if registration was made pursuant to an effective indorsement or instruction.

Replacement of lost, destroyed, or wrongfully taken security.

12A:8-405. Replacement of Lost, Destroyed, or Wrongfully Taken Security.

a. If an owner of a certificated security, whether in registered or bearer form, claims that the certificate has been lost, destroyed, or wrongfully taken, the issuer shall issue a new certificate if the owner:

(1) so requests before the issuer has notice that the certificate has been acquired by a protected purchaser;

(2) files with the issuer a sufficient indemnity bond; and

(3) satisfies other reasonable requirements imposed by the issuer.

b. If, after the issue of a new security certificate, a protected purchaser of the original certificate presents it for registration of transfer, the issuer shall register the transfer unless an overissue would result. In that case, the issuer's liability is governed by 12A:8-210. In addition to any rights on the indemnity bond, an issuer may recover the new certificate from a person to whom it was issued or any person taking under that person, except a protected purchaser.

Obligation to notify issuer of lost, destroyed, or wrongfully taken security certificate.

12A:8-406. Obligation to Notify Issuer of Lost, Destroyed, or Wrongfully Taken Security Certificate.

If a security certificate has been lost, apparently destroyed, or wrongfully taken, and the owner fails to notify the issuer of that fact within a reasonable time after the owner has notice of it and the issuer registers a transfer of the security before receiving notification, the owner may not assert against the issuer a claim for registering the transfer under 12A:8-404 or a claim to a new security certificate under 12A:8-405.

Authenticating trustee, transfer agent, and registrar.

12A:8-407. Authenticating Trustee, Transfer Agent, and Registrar.

A person acting as authenticating trustee, transfer agent, registrar, or other agent for an issuer in the registration of a transfer of its securities, in
the issue of new security certificates or uncertificated securities, or in the
cancellation of surrendered security certificates, has the same obligation to
the holder or owner of a certificated or uncertificated security with regard
to the particular functions performed as the issuer has in regard to those
functions.

PART 5
SECURITY ENTITLEMENTS

Securities account; acquisition of security entitlement from securities intermediary.
12A:8-501. Securities Account; Acquisition of Security Entitlement from Securities Intermediary.
a. "Securities account" means an account to which a financial asset is
or may be credited in accordance with an agreement under which the person
maintaining the account undertakes to treat the person for whom the account
is maintained as entitled to exercise the rights that comprise the financial
asset.
b. Except as otherwise provided in subsections d. and e. of this section,
a person acquires a security entitlement if a securities intermediary:
(1) indicates by book entry that a financial asset has been credited
to the person’s securities account;
(2) receives a financial asset from the person or acquires a financial
asset for the person and, in either case, accepts it for credit to the person’s
securities account; or
(3) becomes obligated under other law, regulation, or rule to credit a
financial asset to the person’s securities account.
c. If a condition of subsection b. of this section has been met, a person
has a security entitlement even though the securities intermediary does not
itself hold the financial asset.
d. If a securities intermediary holds a financial asset for another person,
and the financial asset is registered in the name of, payable to the order of,
or specially indorsed to the other person, and has not been indorsed to the
securities intermediary or in blank, the other person is treated as holding the
financial asset directly rather than as having a security entitlement with
respect to the financial asset.
e. Issuance of a security is not establishment of a security entitlement.

Assertion of adverse claim against entitlement holder.
An action based on an adverse claim to a financial asset, whether
framed in conversion, replevin, constructive trust, equitable lien, or other
theory, may not be asserted against a person who acquires a security
entitlement under 12A:8-501 for value and without notice of the adverse claim.

Property interest of entitlement holder in financial asset held by securities intermediary.

a. To the extent necessary for a securities intermediary to satisfy all security entitlements with respect to a particular financial asset, all interests in that financial asset held by the securities intermediary are held by the securities intermediary for the entitlement holders, are not property of the securities intermediary, and are not subject to claims of creditors of the securities intermediary, except as otherwise provided in 12A:8-511.

b. An entitlement holder's property interest with respect to a particular financial asset under subsection a. of this section is a pro rata property interest in all interests in that financial asset held by the securities intermediary, without regard to the time the entitlement holder acquired the security entitlement or the time the securities intermediary acquired the interest in that financial asset.

c. An entitlement holder's property interest with respect to a particular financial asset under subsection a. may be enforced against the securities intermediary only by exercise of the entitlement holder's rights under 12A:8-505 through 12A:8-508.

d. An entitlement holder's property interest with respect to a particular financial asset under subsection a. of this section may be enforced against a purchaser of the financial asset or interest therein only if:

(1) insolvency proceedings have been initiated by or against the securities intermediary,

(2) the securities intermediary does not have sufficient interests in the financial asset to satisfy the security entitlements of all of its entitlement holders to that financial asset,

(3) the securities intermediary violated its obligations under 12A:8-504 by transferring the financial asset or interest therein to the purchaser; and

(4) the purchaser is not protected under subsection e. of this section.

The trustee or other liquidator, acting on behalf of all entitlement holders having security entitlements with respect to a particular financial asset, may recover the financial asset, or interest therein, from the purchaser. If the trustee or other liquidator elects not to pursue that right, an entitlement holder whose security entitlement remains unsatisfied has the right to recover its interest in the financial asset from the purchaser.

e. An action based on the entitlement holder's property interest with respect to a particular financial asset under subsection a. of this section, whether framed in conversion, replevin, constructive trust, equitable lien,
or other theory, may not be asserted against any purchaser of a financial asset or interest therein who gives value, obtains control, and does not act in collusion with the securities intermediary in violating the securities intermediary's obligations under 12A:8-504.

**Duty of securities intermediary to maintain financial asset.**

a. A securities intermediary shall promptly obtain and thereafter maintain a financial asset in a quantity corresponding to the aggregate of all security entitlements it has established in favor of its entitlement holders with respect to that financial asset. The securities intermediary may maintain those financial assets directly or through one or more other securities intermediaries.

b. Except to the extent otherwise agreed by its entitlement holder, a securities intermediary may not grant any security interests in a financial asset it is obligated to maintain pursuant to subsection a. of this section.

c. A securities intermediary satisfies the duty in subsection a. of this section if:

   (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

   (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to obtain and maintain the financial asset.

d. This section does not apply to a clearing corporation that is itself the obligor of an option or similar obligation to which its entitlement holders have security entitlements.

**Duty of securities intermediary with respect to payments and distributions.**

12A:8-505. Duty of Securities Intermediary with Respect to Payments and Distributions.

a. A securities intermediary shall take action to obtain a payment or distribution made by the issuer of a financial asset. A securities intermediary satisfies the duty if:

   (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

   (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to attempt to obtain the payment or distribution.

b. A securities intermediary is obligated to its entitlement holder for a payment or distribution made by the issuer of a financial asset if the payment or distribution is received by the securities intermediary.
Duty of securities intermediary to exercise rights as directed by entitlement holder.

12A:8-506. Duty of Securities Intermediary to Exercise Rights as Directed by Entitlement Holder.

A securities intermediary shall exercise rights with respect to a financial asset if directed to do so by an entitlement holder. A securities intermediary satisfies the duty if:

a. the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
b. in the absence of agreement, the securities intermediary either places the entitlement holder in a position to exercise the rights directly or exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

Duty of securities intermediary to comply with entitlement order.

12A:8-507. Duty of Securities Intermediary to Comply with Entitlement Order.

a. A securities intermediary shall comply with an entitlement order if the entitlement order is originated by the appropriate person, the securities intermediary has had reasonable opportunity to assure itself that the entitlement order is genuine and authorized, and the securities intermediary has had reasonable opportunity to comply with the entitlement order. A securities intermediary satisfies the duty if:

(1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
(2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to comply with the entitlement order.

b. If a securities intermediary transfers a financial asset pursuant to an ineffective entitlement order, the securities intermediary shall reestablish a security entitlement in favor of the person entitled to it, and pay or credit any payments or distributions that the person did not receive as a result of the wrongful transfer. If the securities intermediary does not reestablish a security entitlement, the securities intermediary is liable to the entitlement holder for damages.

Duty of securities intermediary to change entitlement holder's position to other form of security holding.

12A:8-508. Duty of Securities Intermediary to Change Entitlement Holder's Position to Other Form of Security Holding.

A securities intermediary shall act at the direction of an entitlement holder to change a security entitlement into another available form of holding for which the entitlement holder is eligible, or to cause the financial asset to be transferred to a securities account of the entitlement holder with
another securities intermediary. A securities intermediary satisfies the duty if:

a. the securities intermediary acts as agreed upon by the entitlement holder and the securities intermediary; or

b. in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

Specification of duties of securities intermediary by other statute or regulation; manner of performance of duties of securities intermediary and exercise of rights of entitlement holder.

12A:8-509. Specification of Duties of Securities Intermediary by Other Statute or Regulation; Manner of Performance of Duties of Securities Intermediary and Exercise of Rights of Entitlement Holder.

a. If the substance of a duty imposed upon a securities intermediary by 12A:8-504 through 12A:8-508 is the subject of other statute, regulation, or rule, compliance with that statute, regulation, or rule satisfies the duty.

b. To the extent that specific standards for the performance of the duties of a securities intermediary or the exercise of the rights of an entitlement holder are not specified by other statute, regulation, or rule or by agreement between the securities intermediary and entitlement holder, the securities intermediary shall perform its duties and the entitlement holder shall exercise its rights in a commercially reasonable manner.

c. The obligation of a securities intermediary to perform the duties imposed by 12A:8-504 through 12A:8-508 is subject to:

(1) rights of the securities intermediary arising out of a security interest under a security agreement with the entitlement holder or otherwise; and

(2) rights of the securities intermediary under other law, regulation, rule, or agreement to withhold performance of its duties as a result of unfulfilled obligations of the entitlement holder to the securities intermediary.

d. The provisions of 12A:8-504 through 12A:8-508 do not require a securities intermediary to take any action that is prohibited by other statute, regulation, or rule.

Rights of purchaser of security entitlement from entitlement holder.

a. An action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.
b. If an adverse claim could not have been asserted against an entitlement holder under 12A:8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

c. In a case not covered by the priority rules in chapter 9, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain control. Purchasers who have control rank equally, except that a securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary.

Priority among security interests and entitlement holders.

a. Except as otherwise provided in subsections b. and c. of this section, if a securities intermediary does not have sufficient interests in a particular financial asset to satisfy both its obligations to entitlement holders who have security entitlements to that financial asset and its obligation to a creditor of the securities intermediary who has a security interest in that financial asset, the claims of entitlement holders, other than the creditor, have priority over the claim of the creditor.

b. A claim of a creditor of a securities intermediary who has a security interest in a financial asset held by a securities intermediary has priority over claims of the securities intermediary's entitlement holders who have security entitlements with respect to that financial asset if the creditor has control over the financial asset.

c. If a clearing corporation does not have sufficient financial assets to satisfy both its obligations to entitlement holders who have security entitlements with respect to a financial asset and its obligation to a creditor of the clearing corporation who has a security interest in that financial asset, the claim of the creditor has priority over the claims of entitlement holders.

PART 6
TRANSITION PROVISION

Savings clause.

12A:8-601. Savings Clause.

a. This act does not affect an action or proceeding commenced before this act takes effect.

b. If a security interest in a security is perfected at the date this act takes effect, and the action by which the security interest was perfected would suffice to perfect a security interest under this act, no further action is required to continue perfection. If a security interest in a security is
perfected at the date this act takes effect but the action by which the security interest was perfected would not suffice to perfect a security interest under this act, the security interest remains perfected for a period of four months after the effective date and continues perfected thereafter if appropriate action to perfect under this act is taken within that period. If a security interest is perfected at the date this act takes effect and the security interest can be perfected by filing under this act, a financing statement signed by the secured party instead of the debtor may be filed within that period to continue perfection or thereafter to perfect.

2. N.J.S.12A:9-103 is amended to read as follows:

Perfection of security interests in multiple state transactions.

(1) Documents, instruments and ordinary goods.

(a) This subsection applies to documents and instruments and to goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until 30 days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the 30-day period.

(d) When collateral is brought into and kept in this State while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by subchapter 3 of this chapter to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four months after the collateral is brought into this State, whichever period first expires, the security interest becomes unperfected at the end of that period and is
thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of 12A:9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this State or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this State and thereafter covered by a certificate of title issued by this State is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this State while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this State and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that he gives value and receives delivery of the goods after issuance of the certificate and without the knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) on minerals) and general intangibles (other than uncertificated securities) and to goods which are mobile and which are of a type normally used in more than one jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like,
if the goods are equipment or are inventory leased or held for lease by the
debtor to others, and are not covered by a certificate of title described in
subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdiction in
which the debtor is located governs the perfection and the effect of
perfection or nonperfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part
of the United States, and which does not provide for perfection of the
security interest by filing or recording in that jurisdiction, the law of the
jurisdiction in the United States in which the debtor has its major executive
office in the United States governs the perfection and the effect of perfection
or nonperfection of the security interest through filing. In the alternative, if
the debtor is located in a jurisdiction which is not a part of the United States
or Canada and the collateral is accounts or general intangibles for money
due or to become due, the security interest may be perfected by notification
to the account debtor. As used in this paragraph, "United States" includes
its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at his place of business if he has
one, at his chief executive office if he has more than one place of business,
otherwise at his residence. If, however, the debtor is a foreign air carrier
under the Federal Aviation Act of 1958, 49 U.S.C. s.1301 et seq., as
amended, it shall be deemed located at the designated office of the agent
upon whom service of process may be made on behalf of the foreign air
carrier.

(e) A security interest perfected under the law of the jurisdiction of the
location of the debtor is perfected until the expiration of four months after
a change of the debtor's location to another jurisdiction, or until perfection
would have ceased by the law of the first jurisdiction, whichever period first
expires. Unless perfected in the new jurisdiction before the end of that
period, it becomes unperfected thereafter and is deemed to have been
unperfected as against a person who became a purchaser after the change.

(4) Chattel paper.
The rules stated for goods in subsection (1) apply to a possessory
security interest in chattel paper. The rules stated for accounts in subsection
(3) apply to a nonpossessory security interest in chattel paper, but the
security interest may not be perfected by notification to the account debtor.

(5) Minerals.
Perfection and the effect of perfection or nonperfection of a security
interest which is created by a debtor who has an interest in minerals or the
like (including oil and gas) before extraction and which attaches thereto as
extracted, or which attaches to an account resulting from the sale thereof at
the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Investment property.
(a) This subsection applies to investment property.
(b) Except as otherwise provided in paragraph (f), during the time that a security certificate is located in a jurisdiction, perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in the certificated security represented thereby are governed by the local law of that jurisdiction.
(c) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in an uncertificated security are governed by the local law of the issuer's jurisdiction as specified in subsection d. of 12A:8-110.
(d) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in a security entitlement or securities account are governed by the local law of the securities intermediary's jurisdiction as specified in subsection e. of 12A:8-110.
(e) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in a commodity contract or commodity account are governed by the local law of the commodity intermediary's jurisdiction. The following rules determine a "commodity intermediary's jurisdiction" for purposes of this paragraph:
(i) If an agreement between the commodity intermediary and commodity customer specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.
(ii) If an agreement between the commodity intermediary and commodity customer does not specify the governing law as provided in subparagraph (i) of this paragraph, but expressly specifies that the commodity account is maintained at an office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.
(iii) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii) of this paragraph, the commodity intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the commodity customer's account.
(iv) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii) of this paragraph and an account statement does not identify an office serving the commodity customer's account as provided in subparagraph (iii) of this paragraph, the commodity intermediary's
jurisdiction is the jurisdiction in which is located the chief executive office of the commodity intermediary.

(f) Perfection of a security interest by filing, automatic perfection of a security interest in investment property granted by a broker or securities intermediary, and automatic perfection of a security interest in a commodity contract or commodity account granted by a commodity intermediary are governed by the local law of the jurisdiction in which the debtor is located.

3. N.J.S.12A:9-105 is amended to read as follows:

Definitions and Index of Definitions.

(1) In this chapter unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the chapter dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;

(f) "Document" means document of title as defined in the general definitions of chapter 1 (12A:1-201), and a receipt of the kind described in subsection (2) of 12A:7-201;

(g) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (12A:9-313), but does not include money, documents, instruments, investment property, accounts,
chattel paper, general intangibles, or minerals or the like (including oil and gas) before extraction. "Goods" also includes standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals, and growing crops;

(i) "Instrument" means a negotiable instrument (defined in 12A:3-104), or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment. The term does not include investment property;

(j) "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(k) An advance is made "pursuant to commitment" if the secured party has bound himself to make it, whether or not a subsequent event of default or other event not within his control has relieved or may relieve him from his obligation;

(l) "Security agreement" means an agreement which creates or provides for a security interest;

(m) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party.

4. N.J.S.12A:9-106 is amended to read as follows:

Definitions: "Account"; "General intangibles."
"Account" means any right to payment for goods sold or leased or for services rendered which is not evidenced by an instrument or chattel paper, whether or not it has been earned by performance. All rights to payment earned or unearned under a charter or other contract involving the use or hire of a vessel and all rights incident to the charter or contract are accounts. "General intangibles" means any personal property (including things in action) other than goods, accounts, chattel paper, documents, instruments, investment property and money.

Investment property.
(1) In this chapter 9 of Title 12A of the New Jersey Statutes:
(a) "Commodity account" means an account maintained by a commodity intermediary in which a commodity contract is carried for a commodity customer.
(b) "Commodity contract" means a commodity futures contract, an option on a commodity futures contract, a commodity option, or other contract that, in each case, is:
   (i) traded on or subject to the rules of a board of trade that has been designated as a contract market for such a contract pursuant to the federal commodities laws; or
   (ii) traded on a foreign commodity board of trade, exchange, or market, and is carried on the books of a commodity intermediary for a commodity customer.

(c) "Commodity customer" means a person for whom a commodity intermediary carries a commodity contract on its books.

(d) "Commodity intermediary" means:
   (i) a person who is registered as a futures commission merchant under the federal commodities laws; or
   (ii) a person who in the ordinary course of its business provides clearance or settlement services for a board of trade that has been designated as a contract market pursuant to the federal commodities laws.

(e) "Control" with respect to a certificated security, uncertificated security, or security entitlement has the meaning specified in 12A:8-106. A secured party has control over a commodity contract if by agreement among the commodity customer, the commodity intermediary, and the secured party, the commodity intermediary has agreed that it will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer. If a commodity customer grants a security interest in a commodity contract to its own commodity intermediary, the commodity intermediary as secured party has control. A secured party has control over a securities account or commodity account if the secured party has control over all security entitlements or commodity contracts carried in the securities account or commodity account.

(f) "Investment property" means:
   (i) a security, whether certificated or uncertificated;
   (ii) a security entitlement;
   (iii) a securities account;
   (iv) a commodity contract; or
   (v) a commodity account.

(2) Attachment or perfection of a security interest in a securities account is also attachment or perfection of a security interest in all security entitlements carried in the securities account. Attachment or perfection of a security interest in a commodity account is also attachment or perfection of a security interest in all commodity contracts carried in the commodity account.
(3) A description of collateral in a security agreement or financing statement is sufficient to create or perfect a security interest in a certificated security, uncertificated security, security entitlement, securities account, commodity contract, or commodity account whether it describes the collateral by those terms, or as investment property, or by description of the underlying security, financial asset, or commodity contract. A description of investment property collateral in a security agreement or financing statement is sufficient if it identifies the collateral by specific listing, by category, by quantity, by a computational or allocational formula or procedure, or by any other method, if the identity of the collateral is objectively determinable.

(4) Perfection of a security interest in investment property is governed by the following rules:

(a) A security interest in investment property may be perfected by control.

(b) Except as otherwise provided in paragraphs (c) and (d), a security interest in investment property may be perfected by filing.

(c) If the debtor is a broker or securities intermediary, a security interest in investment property is perfected when it attaches. The filing of a financing statement with respect to a security interest in investment property granted by a broker or securities intermediary has no effect for purposes of perfection or priority with respect to that security interest.

(d) If a debtor is a commodity intermediary, a security interest in a commodity contract or a commodity account is perfected when it attaches. The filing of a financing statement with respect to a security interest in a commodity contract or a commodity account granted by a commodity intermediary has no effect for purposes of perfection or priority with respect to that security interest.

(5) Priority between conflicting security interests in the same investment property is governed by the following rules:

(a) A security interest of a secured party who has control over investment property has priority over a security interest of a secured party who does not have control over the investment property.

(b) Except as otherwise provided in paragraphs (c) and (d) of this subsection, conflicting security interests of secured parties each of whom has control rank equally.

(c) Except as otherwise agreed by the securities intermediary, a security interest in a security entitlement or a securities account granted to the debtor's own securities intermediary has priority over any security interest granted by the debtor to another secured party.

(d) Except as otherwise agreed by the commodity intermediary, a security interest in a commodity contract or a commodity account granted
to the debtor's own commodity intermediary has priority over any security interest granted by the debtor to another secured party.

(e) Conflicting security interests granted by a broker, a securities intermediary, or a commodity intermediary which are perfected without control rank equally.

(f) In all other cases, priority between conflicting security interests in investment property is governed by subsections (5), (6) and (7) of 12A:9-312. The provisions of subsection (4) of 12A:9-312 do not apply to investment property.

6. If a security certificate in registered form is delivered to a secured party pursuant to agreement, a written security agreement is not required for attachment or enforceability of the security interest, delivery suffices for perfection of the security interest, and the security interest has priority over a conflicting security interest perfected by means other than control, even if a necessary indorsement is lacking.

Security interest arising in purchase or delivery of financial asset.

(1) If a person buys a financial asset through a securities intermediary in a transaction in which the buyer is obligated to pay the purchase price to the securities intermediary at the time of the purchase, and the securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary, the securities intermediary has a security interest in the buyer's security entitlement securing the buyer's obligation to pay. A security agreement is not required for attachment or enforceability of the security interest, and the security interest is automatically perfected.

(2) If a certificated security, or other financial asset represented by a writing which in the ordinary course of business is transferred by delivery with any necessary indorsement or assignment, is delivered pursuant to an agreement between persons in the business of dealing with such securities or financial assets and the agreement calls for delivery versus payment, the person delivering the certificate or other financial asset has a security interest in the certificated security or other financial asset securing the seller's right to receive payment. A security agreement is not required for attachment or enforceability of the security interest, and the security interest is automatically perfected.

7. N.J.S.12A:9-203 is amended to read as follows:
Attachment and enforceability of security interest; proceeds; formal requisites.

12A:9-203. Attachment and Enforceability of Security Interest; Proceeds; Formal Requisites.

(1) Subject to the provisions of 12A:4-210 on the security interest of a collecting bank, 12A:9-113 on a security interest arising under the chapter on sales and 12A:9-115 and 12A:9-116 on security interests in investment property, a security interest is not enforceable against the debtor or third parties with respect to the collateral and does not attach unless:

(a) the collateral is in the possession of the secured party pursuant to agreement, the collateral is investment property and the secured party has control pursuant to agreement, or the debtor has signed a security agreement which contains a description of the collateral and in addition, when the security interest covers crops growing or to be grown or timber to be cut, a description of the land concerned;
(b) value has been given; and
(c) the debtor has rights in the collateral.

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) have taken place unless explicit agreement postpones the time of attaching.

(3) Unless otherwise agreed a security agreement gives the secured party the rights to proceeds provided by 12A:9-306.

(4) A transaction, although subject to this chapter, is also subject to the provisions of those statutes set forth as saved from repeal by this subtitle in section 12A:10-104, and in case of conflict between the provisions of this chapter and any such statute so saved from repeal, the provisions of such statute control. Failure to comply with any such applicable statute has only the effect which is specified therein.

(5) In case of conflict between this chapter and the provisions of "The Credit Union Act of 1984," P.L.1984, c.171, ss.2 to 46 (C.17:13-79 to C.17:13-124), concerning a transaction subject to this chapter and also subject to the provisions of "The Credit Union Act of 1984," the provisions of "The Credit Union Act of 1984" shall control.

8. N.J.S.12A:9-301 is amended to read as follows:

Persons who take priority over unperfected security interests; right of "lien creditor."

12A:9-301. Persons Who Take Priority Over Unperfected Security Interests; Right of "Lien Creditor."

(1) Except as otherwise provided in subsection (2), an unperfected security interest is subordinate to the rights of:

(a) Persons entitled to priority under 12A:9-312;
(b) A person who becomes a lien creditor before the security interest is perfected;
(c) In the case of goods, instruments, documents, and chattel paper, a person who is not a secured party and who is a transferee in bulk or other buyer not in ordinary course of business, or is a buyer of farm products in ordinary course of business, to the extent that he gives value and receives delivery of the collateral without knowledge of the security interest and before it is perfected;
(d) in the case of accounts, general intangibles, and investment property, a person who is not a secured party and who is a transferee to the extent that he gives value without knowledge of the security interest and before it is perfected.

(2) If the secured party files with respect to a purchase money security interest before or within 20 days after the debtor receives possession of the collateral, he takes priority over the rights of a transferee in bulk or of a lien creditor which arise between the time the security interest attaches and the time of filing.

(3) A "lien creditor" means a creditor who has acquired a lien on the property involved by attachment, levy or the like and includes an assignee for benefit of creditors from the time of assignment, and a trustee in bankruptcy from the date of the filing of the petition or a receiver in equity from the time of appointment.

(4) A person who becomes a lien creditor while a security interest is perfected takes subject to the security interest only to the extent that it secures advances made before he becomes a lien creditor or within 45 days thereafter or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien.

9. N.J.S.12A:9-302 is amended to read as follows:

When filing is required to perfect security interests; security interests to which filing provisions of this chapter do not apply.

12A:9-302. When Filing Is Required to Perfect Security Interests; Security Interests to Which Filing Provisions of This Chapter Do Not Apply.

(1) A financing statement shall be filed to perfect all security interests except the following:
(a) A security interest in collateral in possession of the secured party under 12A:9-305;
(b) a security interest temporarily perfected in instruments, certificated securities or documents without delivery under 12A:9-304 or in proceeds for a 10-day period under 12A:9-306;
(c) A security interest created by an assignment of a beneficial interest in a trust or a decedent's estate;

(d) A purchase money security interest in consumer goods; but filing is required for a motor vehicle required to be registered; and fixture filing is required for priority over conflicting interests in fixtures to the extent provided in 12A:9-313;

(e) An assignment of accounts which does not alone or in conjunction with other assignments to the same assignee transfer a significant part of the outstanding accounts of the assignor;

(f) a security interest of a collecting bank (12A:4-210) or arising under the chapter on sales (see 12A:9-113) or covered in subsection (3) of this section;

(g) an assignment for the benefit of all the creditors of the transferor, and subsequent transfers by the assignee thereunder;

(h) a security interest in investment property which is perfected without filing under 12A:9-115 or 12A:9-116.

(2) If a secured party assigns a perfected security interest, no filing under this chapter is required in order to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

(3) The filing of a financing statement otherwise required by this chapter is not necessary or effective to perfect a security interest in property subject to:

(a) A statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this chapter for filing of the security interest; or

(b) The following statutes of this State:

R.S.39:10-1 to R.S.39:10-9 both inclusive;

P.L.1971, c.311 (C.39:10-9.1 and C.39:10-9.2);

R.S.39:10-10 to R.S.39:10-16 both inclusive;

R.S.39:10-18 to R.S.39:10-25 both inclusive;

but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of this chapter (subchapter 4) apply to a security interest in that collateral created by him as debtor; or

(c) A certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of 12A:9-103).

(4) Compliance with a statute or treaty described in subsection (3) is equivalent to the filing of a financing statement under this chapter, and a security interest in property subject to the statute or treaty can be perfected
only by compliance therewith except as provided in 12A:9-103 on multiple state transactions. Duration and renewal of perfection of a security interest perfected by compliance with the statute or treaty are governed by the provisions of the statute or treaty; in other respects the security interest is subject to this chapter.

10. N.J.S.12A:9-303 is amended to read as follows:

When security interest is perfected; continuity of perfection.

12A:9-303. When Security Interest Is Perfected; Continuity of Perfection.

(1) A security interest is perfected when it has attached and when all of the applicable steps required for perfection have been taken. Such steps are specified in 12A:9-115, 12A:9-302, 12A:9-304, 12A:9-305, and 12A:9-306. If such steps are taken before the security interest attaches, it is perfected at the time when it attaches.

(2) If a security interest is originally perfected in any way permitted under this chapter and is subsequently perfected in some other way under this chapter, without an intermediate period when it was unperfected, the security interest shall be deemed to be perfected continuously for the purposes of this chapter.

11. N.J.S.12A:9-304 is amended to read as follows:

Perfection of security interest in instruments, documents, and goods covered by documents; perfection by permissive filing; temporary perfection without filing or transfer of possession.

12A:9-304. Perfection of Security Interest In Instruments, Documents, and Goods Covered by Documents; Perfection by Permissive Filing; Temporary Perfection Without Filing or Transfer of Possession.

(1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in money or instruments (other than instruments which constitute part of chattel paper) can be perfected only by the secured party's taking possession, except as provided in subsections (4) and (5) of this section and subsections (2) and (3) of 12A:9-306 on proceeds.

(2) During the period that goods are in the possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in the document, and any security interest in the goods otherwise perfected during such period is subject thereto.

(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance of a document in the name of the secured party or by the bailee's receipt of notification of the secured party's interest or by filing as to the goods.
(4) A security interest in instruments, certificated securities, or negotiable documents is perfected without filing or the taking of possession for a period of 21 days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of 21 days without filing where a secured party having a perfected security interest in an instrument, a certificated security, a negotiable document, or goods in possession of a bailee other than one who has issued a negotiable document therefor:

(a) Makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange, but priority between conflicting security interests in the goods is subject to subsection (3) of 12A:9-312; or

(b) delivers the instrument or certificated security to the debtor for the purpose of ultimate sale or exchange or of presentation, collection, renewal, or registration of transfer.

(6) After the 21-day period in subsections (4) and (5) perfection depends upon compliance with applicable provisions of this chapter.

12. N.J.S.12A:9-305 is amended to read as follows:

When possession by secured party perfects security interest without filing.

A security interest in letters of credit and advices of credit (subsection (2)(a) of 12A: 5-116), goods, instruments, money, negotiable documents, or chattel paper may be perfected by the secured party's taking possession of the collateral. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party's interest. A security interest is perfected by possession from the time possession is taken without a relation back and continues only so long as possession is retained, unless otherwise specified in this chapter. The security interest may be otherwise perfected as provided in this chapter before or after the period of possession by the secured party.

13. N.J.S.12A:9-306 is amended to read as follows:

"Proceeds"; secured party's rights on disposition of collateral.

(1) "Proceeds" includes whatever is received upon the sale, lease, exchange, collection, or other disposition of collateral or proceeds. Insurance payable by reason of loss or damage to the collateral is proceeds, except to the extent that it is payable to a person other than a party to the security agreement. Any payments or distributions made with respect to investment property collateral are proceeds. Money, checks, deposit accounts, and the like, are "cash proceeds." All other proceeds are "non-cash proceeds."

(2) Except where this chapter or the chapter on leases (2A) otherwise provides, a security interest continues in collateral notwithstanding sale, lease, exchange or other disposition thereof unless the disposition was authorized by the secured party in the security agreement or otherwise, and also continues in any identifiable proceeds including collections received by the debtor.

(3) The security interest in proceeds is a continuously perfected security interest if the interest in the original collateral was perfected but it ceases to be a perfected security interest and becomes unperfected 10 days after receipt of the proceeds by the debtor unless

(a) A filed financing statement covers the original collateral and the proceeds are collateral in which a security interest may be perfected by filing in the office or offices where the financing statement has been filed and, if the proceeds are acquired with cash proceeds, the description of collateral in the financing statement indicates the types of property constituting the proceeds; or

(b) A filed financing statement covers the original collateral and the proceeds are identifiable cash proceeds;

(c) The original collateral was investment property and the proceeds are identifiable cash proceeds; or

(d) The security interest in the proceeds is perfected before the expiration of the 10-day period.

Except as provided in this section, a security interest in proceeds can be perfected only by the methods or under the circumstances permitted in this chapter for original collateral of the same type.

(4) In the event of insolvency proceedings instituted by or against a debtor, a secured party with a perfected security interest in proceeds has a perfected security interest only in the following proceeds:

(a) In identifiable noncash proceeds and in separate deposit accounts containing only proceeds;

(b) In identifiable cash proceeds in the form of money which is neither commingled with other money nor deposited in a deposit account prior to the insolvency proceedings;
(c) In identifiable cash proceeds in the form of checks and the like which are not deposited in a deposit account prior to the insolvency proceedings; and

(d) In all cash and deposit accounts of the debtor in which proceeds have been commingled with other funds, but the perfected security interest under this paragraph (d) is

(i) Subject to any right of set-off; and

(ii) Limited to an amount not greater than the amount of any cash proceeds received by the debtor within 10 days before the institution of the insolvency proceedings less the sum of (I) the payments to the secured party on account of cash proceeds received by the debtor during that period and (II) the cash proceeds received by the debtor during that period to which the secured party is entitled under paragraphs (a) through (c) of this subsection (4).

(5) If a sale or lease of goods results in an account or chattel paper which is transferred by the seller or lessor to a secured party, and if the goods are returned to or are repossessed by the seller or lessor or the secured party, the following rules determine priorities:

(a) If the goods were collateral at the time of sale or lease, for an indebtedness of the seller or lessor which is still unpaid, the original security interest attaches again to the goods covered by the sale or lease and continues as a perfected security interest if it was perfected at the time when the goods were sold or leased. If the security interest was originally perfected by a filing which is still effective, nothing further is required to continue the perfected status; in any other case, the secured party shall take possession of the returned or repossessed goods or shall file.

(b) An unpaid transferee of the chattel paper has a security interest in the goods against the transferor. This security interest is prior to a security interest asserted under paragraph (a) to the extent that the transferee of the chattel paper was entitled to priority under 12A:9-308.

(c) An unpaid transferee of the account has a security interest in the goods against the transferor. This security interest is subordinate to a security interest asserted under paragraph (a).

(d) A security interest of an unpaid transferee asserted under paragraph (b) or (c) shall be perfected for protection against creditors of the transferor and purchasers of the returned or repossessed goods.

14. N.J.S.12A:9-309 is amended to read as follows:

Protection of purchasers of instruments, documents, and securities.

Nothing in this chapter limits the rights of a holder in due course of a negotiable instrument (12A:3-302) or a holder to whom a negotiable document of title has been duly negotiated (12A:7-501) or a protected purchaser of a security (12A:8-303) and such holders or purchasers take priority over an earlier security interest even though perfected. Filing under this chapter does not constitute notice of the security interest to such holders or purchasers.

15. N.J.S.12A:9-312 is amended to read as follows:

Priorities among conflicting security interests in the same collateral.

12A:9-312. Priorities Among Conflicting Security Interests in the Same Collateral.

1. The rules of priority stated in other sections of this subchapter, and in the following sections shall govern when applicable: 12A:4-210 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; 12A:9-103 on security interests related to other jurisdictions; 12A:9-114 on consignments; 12A:9-115 on security interests in investment property.

2. (Deleted by amendment, P.L.1962, c.203, s.4.)

3. A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if:

   (a) The purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

   (b) The purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21-day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of 12A:9-304); and

   (c) The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

   (d) The notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

4. A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its
proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within 20 days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to attach has priority.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing, the taking of possession, or under 12A:9-115 or 12A:9-116 on investment property, the security interest has the same priority for the purposes of subsection (5) of this section or subsection (5) of 12A:9-115 with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

16. N.J.S.12A:1-105 is amended to read as follows:

Territorial Application of the Act; Parties' Power to Choose Applicable Law.

12A:1-105. Territorial Application of the Act; Parties' Power to Choose Applicable Law.

(1) Except as provided hereafter in this section, when a transaction bears a reasonable relation to this State and also to another state or nation the parties may agree that the law either of this State or of such other state or nation shall govern their rights and duties. Failing such agreement this act applies to transactions bearing an appropriate relation to this State.

(2) Where one of the following provisions of this act specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

17. N.J.S.12A:1-206 is amended to read as follows:

Statute of frauds for kinds of personal property not otherwise covered.

(1) Except in the cases described in subsection (2) of this section a contract for the sale of personal property is not enforceable by way of action or defense beyond five thousand dollars in amount or value of remedy unless there is some writing which indicates that a contract for sale has been made between the parties at a defined or stated price, reasonably identifies the subject matter, and is signed by the party against whom enforcement is sought or by his authorized agent.
(2) Subsection (1) of this section does not apply to contracts for the sale of goods (12A:2-201) nor of securities (12A:8-113) nor to security agreements (12A:9-203).

19. N.J.S.12A:5-114 is amended to read as follows:

Issuer's duty and privilege to honor; right to reimbursement.

(1) An issuer shall honor a draft or demand for payment which complies with the terms of the relevant credit regardless of whether the goods or documents conform to the underlying contract for sale or other contract between the customer and the beneficiary. The issuer is not excused from honor of such a draft or demand by reason of an additional general term that all documents shall be satisfactory to the issuer, but an issuer may require that specified documents shall be satisfactory to it.

(2) Unless otherwise agreed when documents appear on their face to comply with the terms of a credit but a required document does not in fact conform to the warranties made on negotiation or transfer of a document of title (12A:7-507) or of a certificated security (12A:8-108) or is forged or fraudulent or there is fraud in the transaction:

(a) The issuer shall honor the draft on demand for payment if honor is demanded by a negotiating bank or other holder of the draft or demand which has taken the draft or demand under the credit and under circumstances which would make it a holder in due course (12A:3-302) and in an appropriate case would make it a person to whom a document of title has been duly negotiated (12A:7-502) or a protected purchaser of a certificated security (12A:8-302); and

(b) In all other cases as against its customer, an issuer acting in good faith may honor the draft or demand for payment despite notification from the customer of fraud, forgery or other defect not apparent on the face of the documents but a court of appropriate jurisdiction may enjoin such honor.

(3) Unless otherwise agreed an issuer which has duly honored a draft or demand for payment is entitled to immediate reimbursement of any payment made under the credit and to be put in effectively available funds not later than the day before maturity of any acceptance made under the credit.

20. N.J.S.14A:7-3 is amended to read as follows:

Subscription for shares.

(1) Unless otherwise provided by the subscription agreement or unless all of the subscribers consent to the revocation of such subscription, a subscription for shares of a corporation to be formed shall be irrevocable for
a period of six months if no certificate of incorporation shall be filed within such period. If the certificate of incorporation is filed within such period, or if it is filed at any later time before revocation, such subscription shall also be irrevocable until 60 days after the filing of the certificate of incorporation.

Subscriptions for shares, whether made before or after the organization of a corporation, shall be accepted or rejected by the board, unless the certificate of incorporation or the bylaws require action by the shareholders.

(2) (Deleted by amendment, P.L.1997, c.252.)

(3) A subscriber shall not become a holder of any shares for which the full consideration has not been paid. Unless otherwise provided by the subscription agreement

(a) Any payment made by the subscriber, in accordance with the subscription agreement or as called for by the board, shall be applied to pay the full consideration for as many whole shares as possible and any remaining balance of such payment shall be applied as part payment of a share;

(b) A share certificate shall be registered in the name of the subscriber for the number of shares so paid for in full; and

(c) The corporation shall be entitled to retain such share certificate as security for the performance by the subscriber of his obligations under the subscription agreement and subject to the power of sale or rescission upon default provided in paragraphs 14A:7-3(5)(b) and 14A:7-3(5)(c).

(4) Unless otherwise provided by the subscription agreement

(a) Subscriptions for shares, whether made before or after the organization of a corporation, shall be paid in full at such time, or in such installments and at such times, as shall be determined by the board;

(b) Any call made by the board for payment on subscriptions shall be uniform as to all shares of the same class or as to all shares of the same series, as the case may be;

(c) All such calls for payments on subscriptions shall be upon 30 days' notice thereof and of the time and place of payment, which notice shall be given personally or by registered or certified mail.

(5) In the event of default in the payment of any installment or call or other amount due under the terms of the subscription agreement, including any amount which may become due as a result of a default in the performance of any provision thereof, the corporation shall have the following rights and duties:

(a) It may proceed to collect the amount due in the same manner as any other debt owing to it. At any time before full satisfaction of the claim or any judgment therefor, it may proceed as provided in paragraph 14A:7-3(5)(b).

(b) It may sell the shares in any reasonable manner. Notice of the time and place of any public sale or of the time after which any private sale may be had, together with a statement of the amount due upon each share, shall be given in writing to the subscriber personally or by registered or certified mail at least 20
days before any such time stated in the notice. Unless otherwise provided in the subscription agreement, the corporation may not be the purchaser at any sale. Any excess of net proceeds realized over the amount due plus interest shall be paid over to the subscriber. If the sale is made in good faith, in a reasonable manner and upon the notice required by this paragraph, the corporation may recover the difference between the amount due plus interest and the net proceeds of the sale. A good faith purchaser for value shall acquire title to the sold shares free of any rights of the subscriber even though the corporation fails to comply with one or more of the requirements of this subsection.

(c) It may rescind the subscription, with the effect provided in subsection 14A:7-3(6), and may recover damages for breach of contract. Unless special circumstances show proximate damages of a different amount, the measure of damages shall be the difference between the market price at the time and place for tender of the shares and the unpaid contract price. Liquidated damages may be provided for in the subscription agreement in an amount which is reasonable under the circumstances, including the difficulties of proof of loss. The subscriber shall be entitled to restitution of any amount by which the sum of his payments exceeds the corporation's damages for breach of contract, whether fixed by agreement or judgment.

The rights and duties set forth in subsection 14A:7-3(5) shall be interpreted as cumulative so far as is consistent with the purpose of entitling the corporation to a full and single recovery of the amount due or its damages. The subscription agreement may limit the rights and remedies of the corporation set forth in subsection 14A:7-3(5), and may add to them so far as is consistent with the preceding sentence.

(6) The rescission by the corporation of a subscription under which a portion of the shares subscribed for have been issued and in which the corporation retains a security interest, as provided in subsection 14A:7-3(3), shall effect the cancellation of such shares.

(7) A contract made with a corporation to purchase its shares is a subscription agreement and not an executory contract to purchase shares, unless otherwise provided in the agreement.

Repealer.

21. Sections 1 through 12 of P.L.1959, c.200 (C.14:18-1 through 14:18-12) are repealed.

22. This act shall take effect immediately.

Approved September 12, 1997.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:43-2 is amended to read as follows:

   Sentence in accordance with code; authorized dispositions.

   2C:43-2. Sentence in accordance with code; authorized dispositions. a. Except as otherwise provided by this code, all persons convicted of an offense or offenses shall be sentenced in accordance with this chapter.
   b. Except as provided in subsection a. of this section and subject to the applicable provisions of the code, the court may suspend the imposition of sentence on a person who has been convicted of an offense, or may sentence him as follows:
      (1) To pay a fine or make restitution authorized by N.J.S.2C:43-3 or P.L.1997, c.253 (C.2C:43-3.4 et al.); or
      (2) To be placed on probation and, in the case of a person convicted of a crime, to imprisonment for a term fixed by the court not exceeding 364 days to be served as a condition of probation, or in the case of a person convicted of a disorderly persons offense, to imprisonment for a term fixed by the court not exceeding 90 days to be served as a condition of probation; or
      (3) To imprisonment for a term authorized by sections 2C:11-3, 2C:43-5, 2C:43-6, 2C:43-7, and 2C:43-8 or 2C:44-5; or
      (4) To pay a fine, make restitution and probation, or fine, restitution and imprisonment; or
      (5) To release under supervision in the community or to require the performance of community-related service; or
      (6) To a halfway house or other residential facility in the community, including agencies which are not operated by the Department of Human Services; or
      (7) To imprisonment at night or on weekends with liberty to work or to participate in training or educational programs.
   c. Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver's license, registration certificate, or both of any person convicted of a crime, disorderly persons offense, or petty disorderly
persons offense in the course of which a motor vehicle was used. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the crime or offense and the potential effect of the loss of driving privileges on the person's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial sentence.

d. This chapter does not deprive the court of any authority conferred by law to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty. Such a judgment or order may be included in the sentence.

e. The court shall state on the record the reasons for imposing the sentence, including its findings pursuant to the criteria for withholding or imposing imprisonment or fines under sections 2C:44-1 to 2C:44-3, where imprisonment is imposed, consideration of the defendant's eligibility for release under the law governing parole and the factual basis supporting its findings of particular aggravating or mitigating factors affecting sentence.

f. The court shall explain the parole laws as they apply to the sentence and shall state:
   (1) the approximate period of time in years and months the defendant will serve in custody before parole eligibility;
   (2) the jail credits or the amount of time the defendant has already served;
   (3) that the defendant may be entitled to good time and work credits; and
   (4) that the defendant may be eligible for participation in the Intensive Supervision Program.

2. Section 3 of P.L.1979, c.396 (C.2C:46-4) is amended to read as follows:

C.2C:46-4 Fines, assessments, restitution; collection; disposition.

3. a. All fines, assessments imposed pursuant to section 2 of P.L.1979, c.396 (C.2C:43-3.1) and restitution shall be collected as follows:

   (1) All fines, assessments imposed pursuant to section 2 of P.L.1979, c.396 (C.2C:43-3.1) and restitution imposed by the Superior Court or otherwise imposed at the county level, shall be collected by the county probation division except when such fine, assessment or restitution is imposed in conjunction with a custodial sentence to a State correctional facility or in conjunction with a term of incarceration imposed pursuant to section 25 of P.L.1982, c.77 (C.2A:4A-44) in which event such fine, assessment or restitution shall be collected by the Department of Corrections or the Juvenile Justice Commission established pursuant to section 2
CHAPTER 253, LAWS OF 1997

An adult prisoner of a State correctional institution or a juvenile serving a term of incarceration imposed pursuant to section 25 of P.L.1982, c.77 (C.2A:4A-44) who has not paid an assessment imposed pursuant to section 2 of P.L.1979, c.396 (C.2C:43-3.1) or restitution shall have the assessment or restitution deducted from any income the inmate receives as a result of labor performed at the institution or on any type of work release program or, pursuant to regulations promulgated by the Commissioner of the Department of Corrections or the Juvenile Justice Commission, from any personal account established in the institution for the benefit of the inmate.

CHAPTER 255

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-3 is amended to read as follows:

Benefits.

(a) Payment of benefits.

All benefits shall be promptly paid from the fund in accordance with such regulations as may be prescribed hereunder.

(b) Weekly benefits for unemployment.

With respect to an individual's benefit year commencing on or after July 1, 1961, such individual, if eligible and unemployed (as defined in subsection (m) of R.S.43:21-19), shall be paid an amount (except as to final payment) equal to his weekly benefit rate less any remuneration, other than remuneration from self-employment paid to an individual who is receiving a self-employment assistance allowance, paid or payable to him for such week in excess of 20% of his weekly benefit rate (fractional part of a dollar omitted) or $5.00, whichever is the greater; provided that such amount shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(c) Weekly benefit rate.

(1) With respect to an individual whose benefit year commences after September 30, 1984, his weekly benefit rate under each determination shall be 60% of his average weekly wage, subject to a maximum of 56 2/3% of the Statewide average weekly remuneration paid to workers by employers subject to this chapter (R.S.43:21-1 et seq.), as determined and promulgated by the Commissioner of Labor; provided, however, that such individual's
weekly benefit rate shall be computed to the next lower multiple of $1.00 if not already a multiple thereof.

(2) Dependency benefits.

(A) With respect to an individual whose benefit year commences after September 30, 1984, the individual's weekly benefit rate as determined in paragraph (1) of this subsection (c) will be increased by 7% for the first dependent and 4% each for the next two dependents (up to a maximum of three dependents), computed to the next lower multiple of $1.00 if not already a multiple thereof, except that the maximum weekly benefit rate payable for an individual claiming dependency benefits shall not exceed the maximum amount determined under paragraph (1) of this subsection (c).

(B) For the purposes of this paragraph (2), a dependent is defined as an individual's unemployed spouse or an unemployed unmarried child (including a stepchild or a legally adopted child) under the age of 19 or an unemployed unmarried child, who is attending an educational institution as defined in subsection (y) of R.S.43:21-19 on a full-time basis and is under the age of 22. If an individual's spouse is employed during the week the individual files an initial claim for benefits, this paragraph (2) shall not apply. If both spouses establish a claim for benefits in accordance with the provisions of this chapter (R.S.43:21-1 et seq.), only one shall be entitled to dependency benefits as provided in this paragraph (2).

(C) Any determination establishing dependency benefits under this paragraph (2) shall remain fixed for the duration of the individual's benefit year and shall not be increased or decreased unless it is determined by the division that the individual wrongfully claimed dependency benefits as a result of false or fraudulent representation.

(D) Notwithstanding the provisions of any other law, the division shall use every available administrative means to insure that dependency benefits are paid only to individuals who meet the requirements of this paragraph (2). These administrative actions may include, but shall not be limited to, the following:

(i) All married individuals claiming dependents under this paragraph (2) shall be required to provide the social security number of the individual's spouse. If the individual indicates that the spouse is unemployed, the division shall match the social security number of the spouse against available wage records to determine whether earnings were reported on the last quarterly earnings report filed by employers under R.S.43:21-14 of this chapter. If earnings were reported, the division shall contact in writing the last employer to determine whether the spouse is currently employed.

(ii) Where a child is claimed as a dependent by an individual under this paragraph (2), the individual shall be required to provide to the division the
most recent federal income tax return filed by the individual to assist the
division in verifying the claim.

(3) For the purposes of this subsection (c), the "Statewide average
weekly remuneration paid to workers by employers" shall be computed and
determined by the Commissioner of Labor on or before September 1 of each
year on the basis of one-fifty-second of the total remuneration reported for
the preceding calendar year by employers subject to this chapter, divided by
the average of the number of workers reported by such employers, and shall
be effective as to benefit determinations in the calendar year following such
computation and determination.

(d) Maximum total benefits.

(1) (A) With respect to an individual to whom benefits shall be payable
for benefit years commencing on or after January 1, 1975 and prior to July
1, 1986, as provided in this section, such individual shall be entitled to
receive, under each successive benefit determination relating to each of his
base year employers, a total amount of benefits equal to three-quarters of his
base weeks from the employer in question multiplied by his weekly benefit
rate; but the amount of benefits thus resulting under any such determination
made with respect to any employer shall be adjusted to the next lower
multiple of $1.00 if not already a multiple thereof.

(B) (i) With respect to an individual for whom benefits shall be payable
for benefit years commencing on or after July 1, 1986, as provided in this
section, the individual shall be entitled to receive a total amount of benefits
equal to three-quarters of the individual's base weeks with all employers in
the base year multiplied by the individual's weekly benefit rate; but the
amount of benefits thus resulting under that determination shall be adjusted
to the next lower multiple of $1.00 if not already a multiple thereof.

(ii) Except as provided pursuant to paragraph (1) of subsection (c) of
R.S.43:21-7, benefits paid to an individual for benefit years commencing on
or after July 1, 1986 shall be charged against the accounts of the individual's
base year employers in the following manner:

Each week of benefits paid to an eligible individual shall be charged
against each base year employer's account in the same proportion that the
wages paid by each employer to the individual during the base year bear to
the wages paid by all employers to that individual during the base year.

(iii) (Deleted by amendment, P.L.1997, c.255.)

(2) No such individual shall be entitled to receive benefits under this
chapter (R.S.43:21-1 et seq.) in excess of 26 times his weekly benefit rate
in any benefit year under either of subsections (c) and (f) of section 43:21-4
of this chapter (R.S.43:21-1 et seq.). In the event that any individual
qualifies for benefits under both of said subsections during any benefit year,
the maximum total amount of benefits payable under said subsections
combined to such individual during the benefit year shall be one and one-half times the maximum amount of benefits payable under one of said subsections.

(3) (Deleted by amendment, P.L.1984, c.24.)

2. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 27/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor
employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in
whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his
own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

1. 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
2. 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
3. 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
4. 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
5. 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
6. 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
7. 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
8. 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

1. 4%, if such excess is less than 10% of his average annual payroll;
2. 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
3. 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.
(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on
March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C. s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

2 Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).
(F)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, if the balance of the unemployment trust fund as of the prior March 31 is negative, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(ii) With respect to experience rating years beginning on or after July 1, 1997, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.00%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year in which the fund reserve ratio is equal to or greater than 7.00%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On or after January 1, 1993 until December 31, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 52.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after April 1, 1996 until December 31, 1996, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 25.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after January 1, 1997 until December 31, 1997, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 10.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. (I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level
The State Treasurer shall, prior to March 31, 1997, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, of at least 3.00%.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1998, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1998, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1998 of at least 3.00%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller
shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).
(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is
exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (i), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other
governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 contribute to the unemployment compensation fund 0.40% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948 c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(2) (A) (Deleted by amendment, P.L.1984, c.24.)

(B) (Deleted by amendment, P.L.1984, c.24.)
(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such
employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits
1480

CHAPTER 255, LAWS OF 1997

...the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.
(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:
   (i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.));
   (ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;
   (iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:
   (i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;
   (ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;
   (iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;
   (iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;
   (v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law
(C.43:21-46)), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(i) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(l) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(l) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(l) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.
3. R.S. 43:21-14 is amended to read as follows:

Periodic contribution reports.

43:21-14. (a)(1) In addition to such reports as may be required under the provisions of subsection (g) of R.S. 43:21-11, every employer shall file with the controller periodical contribution reports on such forms and at such times as the controller shall prescribe, to disclose the employer's liability for contributions under the provisions of this chapter (R.S. 43:21-1 et seq.), and at the time of filing each contribution report shall pay the contributions required by this chapter (R.S. 43:21-1 et seq.), for the period covered by such report. The controller may require that such reports shall be under oath of the employer. Any employer who shall fail to file any report, required by the controller, on or before the last day for the filing thereof shall pay a penalty of $5.00 for each day of delinquency until and including the fifth day following such last day and for any period of delinquency after such fifth day, a penalty of $5.00 a day or 20% of the amount of the contributions due and payable by the employer for the period covered by the report, whichever is the lesser; if there be no liability for contributions for the period covered by any contribution report or in the case of any report other than a contribution report, the employer or employing unit shall pay a penalty of $5.00 a day for each day of delinquency in filing or $25.00, whichever is the lesser; provided, however, that when it is shown to the satisfaction of the controller that the failure to file any such report was not the result of fraud or an intentional disregard of this chapter (R.S. 43:21-1 et seq.), or the regulations promulgated hereunder, the controller, in his discretion, may remit or abate any unpaid penalties heretofore or hereafter imposed under this section. On or before October 1 of each year, the controller shall submit to the Commissioner of Labor a report covering the 12-month period ending on the preceding June 30, and showing the names and addresses of all employers for whom the controller remitted or abated any penalties, or ratified any remission or abatement of penalties, and the amount of such penalties with respect to each employer. Any employer who shall fail to pay the contributions due for any period, on or before the date they are required by the controller to be paid, shall pay interest on the amount thereof from such date until the date of payment thereof, at the rate of 1% a month through June 30, 1981 and at the rate of 1 1/4% a month after June 30, 1981. Upon the written request of any employer or employing unit, filed with the controller on or before the due date of any report or contribution payment, the controller, for good cause shown, may grant, in writing, an extension of time for the filing of such report or the paying of such contribution, with interest at the applicable rate; provided no such extension shall exceed 30 days and that no such extension shall postpone
payment of any contribution for any period beyond the day preceding the last day for filing tax returns under Title IX of the federal Social Security Act for the year in which said period occurs.

(2)(A) For the calendar quarter commencing July 1, 1984 and each successive quarter thereafter, each employer shall file a report with the controller within 30 days after the end of each quarter in a form and manner prescribed by the controller, listing the name, social security number and wages paid to each employee and the number of base weeks (as defined in subsection (t) of R.S.43:21-19) worked by the employee during the calendar quarter. (B) Any employer who fails without reasonable cause to comply with the reporting requirements of this paragraph (2) shall be liable for a penalty in the following amount for each employee with respect to whom the employer is required to file a report but who is not included in the report or for whom the required information is not accurately reported for each employee required to be included, whether or not the employee is included:

(i) For the first failure for one quarter in any eight consecutive quarters, $5.00 for each employee;

(ii) For the second failure for any quarter in any eight consecutive quarters, $10.00 for each employee; and

(iii) For the third failure for any quarter in any eight consecutive quarters, and for any failure in any eight consecutive quarters, which failure is subsequent to the third failure, $25.00 for each employee.

(C) Information reported by employers as requested by this paragraph (2) shall be used by the Department of Labor for the purpose of determining eligibility for benefits of individuals in accordance with the provisions of R.S.43:21-1 et seq. Notwithstanding the provisions of subsection (g) of R.S.43:21-11, the Department of Labor is hereby authorized to provide the Department of Human Services and the Higher Education Assistance Authority with information reported by employers as required by this paragraph (2). For each fiscal year, the Director of the Division of Budget and Accounting of the Department of the Treasury shall charge the appropriate account of the Department of Human Services and the Higher Education Assistance Authority in amounts sufficient to reimburse the Department of Labor for the cost of providing information under this subparagraph (C).

(D) For the purpose of administering the provisions of this paragraph (2), all appropriations, files, books, papers, records, equipment and other property, and employees currently assigned to the Division of Taxation for the implementation of the "Wage Reporting Act," P.L.1980, c.48 (C.54:1-55 et seq.), shall be transferred to the Department of Labor as of September 1, 1984 in accordance with the provisions of the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).
(b) The contributions, penalties, and interest due from any employer under the provisions of this chapter (R.S.43:21-1 et seq.), from the time they shall be due, shall be a personal debt of the employer to the State of New Jersey, recoverable in any court of competent jurisdiction in a civil action in the name of the State of New Jersey; provided, however, that except in the event of fraud, no employer shall be liable for contributions or penalties unless contribution reports have been filed or assessments have been made in accordance with subsection (c) or (d) of this section before four years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), nor shall any employer be required to pay interest on any such contribution unless contribution reports were filed or assessments made within such four-year period; provided further that if such contribution reports were filed or assessments made within the four-year period, no civil action shall be instituted, nor shall any certificate be issued to the Clerk of the Superior Court under subsection (e) of this section, except in the event of fraud, after six years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), or July 1, 1958, whichever is later. Payments received from an employer on account of any debt incurred under the provisions of this chapter (R.S.43:21-1 et seq.) may be applied by the controller on account of the contribution liability of the employer and then to interest and penalties, and any balance remaining shall be recoverable by the controller from the employer. Upon application therefor, the controller shall furnish interested persons and entities certificates of indebtedness covering employers, employing units and others for contributions, penalties and interest, for each of which certificates the controller shall charge and collect a fee of $2.00 per name; no such certificate to be issued, however, for a fee of less than $10.00. All fees so collected shall be paid into the unemployment compensation administration fund.

(c) If any employer shall fail to make any report as required by the rules and regulations of the division pursuant to the provisions of this chapter (R.S.43:21-1 et seq.), the controller may make an estimate of the liability of such employer from any information it may obtain, and, according to such estimate so made, assess such employer for the contributions, penalties, and interest due the State from him, give notice of such assessment to the employer, and make demand upon him for payment.

(d) After a report is filed under the provisions of this chapter (R.S.43:21-1 et seq.) and the rules and regulations thereof, the controller shall cause the report to be examined and shall make such further audit and investigation as it may deem necessary, and if therefrom there shall be determined that there is a deficiency with respect to the payment of the
contributions due from such employer, the controller shall assess the additional contributions, penalties, and interest due the State from such employer, give notice of such assessment to the employer, and make demand upon him for payment.

(e) As an additional remedy, the controller may issue to the Clerk of the Superior Court of New Jersey a certificate stating the amount of the employer's indebtedness under this chapter (R.S.43:21-1 et seq.) and describing the liability, and thereupon the clerk shall immediately enter upon his record of docketed judgments such certificate or an abstract thereof and duly index the same. Any such certificate or abstract, heretofore or hereafter docketed, from the time of docketing shall have the same force and effect as a judgment obtained in the Superior Court of New Jersey, and the controller shall have all the remedies and may take all the proceedings for the collection thereof which may be had or taken upon the recovery of such a judgment in a civil action upon contract in said court. Such debt, from the time of docketing thereof, shall be a lien on and bind the lands, tenements and hereditaments of the debtor.

The Clerk of the Superior Court shall be entitled to receive for docketing such certificate, $0.50, and for a certified transcript of such docket, $0.50. If the amount set forth in said certificate as a debt shall be modified or reversed upon review, as hereinafter provided, the Clerk of the Superior Court shall, when an order of modification or reversal is filed, enter in the margin of the docket opposite the entry of the judgment, the word "modified" or "reversed," as the case may be, and the date of such modification or reversal.

The employer, or any other party having an interest in the property upon which the debt is a lien, may deposit the amount claimed in the certificate with the Clerk of the Superior Court of New Jersey, together with an additional 10% of the amount thereof, or $100.00, whichever amount is the greater, to cover interest and the costs of court, or in lieu of depositing the amount in cash, may give a bond to the State of New Jersey in double the amount claimed in the certificate, and file the same with the Clerk of the Superior Court. Said bond shall have such surety and shall be approved in the manner required by the Rules Governing the Courts of the State of New Jersey.

After the deposit of said money or the filing of said bond, the employer, or any other party having an interest in the said property, may, after exhausting all administrative remedies, secure judicial review of the legality or validity of the indebtedness or the amount thereof, and the said deposit of cash shall be as security for, and the bond shall be conditioned to prosecute, the judicial review with effect.
Upon the deposit of said money or the filing of the said bond with the Clerk of the Superior Court, all proceedings on such judgment shall be stayed until the final determination of the cause, and the moneys so deposited shall be subject to the lien of the indebtedness and costs and interest thereon, and the lands, tenements, and hereditaments of said debtor shall forthwith be discharged from the lien of the State of New Jersey and no execution shall issue against the same by virtue of said judgment.

Notwithstanding the provisions of subsections (a) through (c) of this section, the Department of Labor may, with the concurrence of the State Treasurer, when all reasonable efforts to collect amounts owed have been exhausted, or to avoid litigation, reduce any liability for contributions, penalties and interest, provided no portion of those amounts represents contributions made by an employee pursuant to subsection (d) of R.S.43:21-7.

(f) If, not later than two years after the calendar year in which any moneys were erroneously paid to or collected by the controller, whether such payments were voluntarily or involuntarily made or made under mistake of law or of fact, an employer, employing unit, or employee who has paid such moneys shall make application for an adjustment thereof, the said moneys shall, upon order of the controller, be either credited or refunded, without interest, from the appropriate fund. For like cause and within the same period, credit or refund may be so made on the initiative of the controller.

(g) All interest and penalties collected pursuant to this section shall be paid into a special fund to be known as the unemployment compensation auxiliary fund; all moneys in this special fund shall be deposited, administered and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury, and shall be expended, under legislative appropriation, for the purpose of aiding in defraying the cost of the administration of this chapter (R.S.43:21-1 et seq.); for the repayment of any interest bearing advances made from the federal unemployment account pursuant to the provisions of section 1202(b) of the Social Security Act, 42 U.S.C. §1322; and for essential and necessary expenditures in connection with programs designed to stimulate employment, as determined by the Commissioner of Labor, except that any moneys in this special fund shall be first applied to aiding in the defraying of necessary costs of the administration of this chapter (R.S.43:21-1 et seq.) as determined by the Commissioner of Labor. The Treasurer of the State shall be ex officio the treasurer and custodian of this special fund and, subject to legislative appropriation, shall administer the fund in accordance with the directions of the controller. Any balances in this fund shall not lapse at any time, but shall be continuously available,
subject to legislative appropriation, to the controller for expenditure. The State Treasurer shall give a separate and additional bond conditioned upon the faithful performance of his duties in connection with the unemployment compensation auxiliary fund, in an amount to be fixed by the division, the premiums for such bond to be paid from the moneys in the said special fund.

4. R.S.43:21-16 is amended to read as follows:

Unemployment compensation offenses and penalties.

43:21-16. (b) (1) An employing unit or any officer or agent of an employing unit or any other person who makes a false statement or representation, knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this chapter (R.S.43:21-1 et seq.), or under an employment security law of any other state or of the federal government, or who willfully fails or refuses to furnish any reports required hereunder (except for such reports as may be required under subsection (b) of R.S.43:21-6) or to produce or permit the inspection or copying of records, as required hereunder, shall be liable to a fine of $100.00, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14, said fine when recovered to be paid to the unemployment compensation auxiliary fund for the use of said fund; and each such false statement or representation or failure to disclose a material fact, and
each day of such failure or refusal shall constitute a separate offense. Any penalties imposed by this paragraph shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

(2) Any employing unit or any officer or agent of an employing unit or any other person who fails to submit any report required under subsection (b) of R.S.43:21-6 shall be subject to a penalty of $25.00 for the first report not submitted within 10 days after the mailing of a request for such report, and an additional $25.00 penalty may be assessed for the next 10-day period, which may elapse after the end of the initial 10-day period and before the report is filed, provided that when such report or reports are not filed within the prescribed time but it is shown to the satisfaction of the director that the failure was due to a reasonable cause, no such penalty shall be imposed. Any penalties imposed by this paragraph shall be recovered as provided in subsection (e) of R.S.43:21-14, and when recovered shall be paid to the unemployment compensation auxiliary fund for the use of said fund.

(c) Any person who shall willfully violate any provision of this chapter (R.S.43:21-1 et seq.) or any rule or regulation thereunder, the violation of which is made unlawful or the observance of which is required under the terms of this chapter (R.S.43:21-1 et seq.), and for which a penalty is neither prescribed herein nor provided by any other applicable statute, shall be liable to a fine of $50.00, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14, said fine when recovered to be paid to the unemployment compensation auxiliary fund for the use of said fund; and each day such violation continues shall be deemed to be a separate offense.

The sum shall be deducted from any future benefits payable to the individual under this chapter (R.S.43:21-1 et seq.) or shall be paid by the individual to the division for the unemployment
compensation fund, and such sum shall be collectible in the manner provided for by law, including, but not limited to, the filing of a certificate of debt with the Clerk of the Superior Court of New Jersey; provided, however, that, except in the event of fraud, no person shall be liable for any such refunds or deductions against future benefits unless so notified before four years have elapsed from the time the benefits in question were paid. Such person shall be promptly notified of the determination and the reasons therefor. Unless such person, within seven calendar days after the delivery of such determination, or within 10 calendar days after such notification was mailed to his last-known address, files an appeal from such determination, such determination shall be final.

CHAPTER 256

AN ACT concerning the appointment and funding of municipal public defenders, supplementing Title 2B of the New Jersey Statutes and repealing N.J.S.2B:12-28.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2B:24-1 Findings, declarations relative to municipal public defenders.

1. The Legislature finds and declares:
   a. Municipal public defenders are a critical component of New Jersey's system for the administration of justice and the effective, fair and equal representation of the poor.
   b. As the New Jersey Supreme Court stated in Rodriguez v. Rosenblatt, 58 N.J.281 (1971), "as a matter of simple justice, no indigent defendant should be subjected to a conviction entailing imprisonment in fact or other consequence of magnitude without first having had due and fair opportunity to have counsel assigned without cost."
   c. The appointment of municipal public defenders increases the efficiency and effectiveness of the system and the professionalism of the municipal courts.
   d. Not all municipalities employ municipal public defenders, and in order to ensure the uniform and proper administration of justice, it is essential to require the appointment of municipal public defenders by each municipal government in the State.
C.2B:24-2 Definitions relative to municipal public defenders.

2. As used in this act:

"Indigent defendant" means a person who is entitled to be represented by a municipal public defender pursuant to this act, and does not have the present financial ability to secure competent legal representation, as determined by section 9 of this act.

"Municipal court" means a municipal, central or joint municipal court established pursuant to N.J.S.2B:12-1.

"Municipal public defender" means a person, as defined in section 4 of this act, appointed to represent indigent defendants in proceedings over which the municipal court has jurisdiction.

C.2B:24-3 Appointment of municipal public defenders, chief municipal public defender.

3. Each municipal court in this State shall have at least one municipal public defender appointed by the governing body of the municipality in accordance with applicable laws, ordinances and resolutions. Any municipal court with two or more municipal public defenders shall have a "chief municipal public defender" who shall be appointed by the governing body of the municipality. The chief municipal public defender of a joint municipal court shall be appointed upon the concurrence of the governing bodies of each municipality. The chief municipal public defender shall have authority over other municipal public defenders serving that court with respect to the performance of their duties.

C.2B:24-4 Requirements for municipal public defenders.

4. a. A municipal public defender shall be an attorney-at-law of this State in good standing, and shall serve for a term of one year from the date of his appointment, and may continue to serve in office pending reappointment or appointment of a successor. A municipal public defender may be appointed to that position in one or more municipal courts. The provisions of this act shall apply to each such position held. A municipal public defender need not reside in the municipality where he acts as a municipal public defender.

b. A municipal public defender of a joint municipal court shall be appointed upon the concurrence of the governing bodies of each of the municipalities in accordance with applicable laws, ordinances or resolutions.

c. In accordance with applicable laws, ordinances and resolutions, a municipality may appoint additional municipal public defenders as necessary to administer justice in a timely and effective manner in its municipal court. Additional appointments shall be subject to the provisions of this act, including appointments in a joint municipal court.
d. Appointments to fill vacancies in the position of municipal public defender shall be made in accordance with the provisions of this act as soon as practicable.

e. In addition to any other means provided by law for the removal from office of a public official, a municipal public defender may be removed by the governing body of a municipality for good cause shown and after a public hearing, and upon due notice and an opportunity to be heard. Failure to reappoint a municipal public defender for a second or subsequent term does not constitute a "removal from office" within the meaning of this subsection.

f. The municipal public defenders may represent private clients in any municipality, including the municipality where they act as a municipal public defender, subject to the Rules of Court Governing the Conduct of Lawyers, Judges and Court Personnel.

C.2B:24-5 Compensation of municipal public defender.

5. A municipal public defender shall receive compensation, either on an hourly, per diem, annual or other basis as the municipality may provide. In the case of a joint municipal court, participating municipalities, by similar ordinances, shall enter into an agreement fixing the compensation of the municipal public defender and providing for payment. The compensation of a municipal public defender for services rendered pursuant to the provisions of this act shall be in lieu of any and all other compensation by the municipality. The ordinance, resolution or agreement setting compensation shall set forth any additional compensation to be paid for interlocutory appeals in the Superior Court.

C.2B:24-6 Duties of municipal public defender.

6. a. It shall be the duty of the municipal public defender to represent, except in the case of temporary unavailability or conflict of interest, any defendant charged with an offense in municipal court who is an indigent municipal defendant entitled to representation pursuant to this act. All necessary services and facilities of representation, including both expert and lay investigation and testimony as well as other preparations, shall be provided in every case. The municipality shall be responsible for payment for services pursuant to this section. The factors of need and real value to a defendant may be weighed against the financial constraints of the municipality in determining the necessary services and facilities of representation. The final determination as to necessity for services required pursuant to this section shall be made by the court.

b. A municipal public defender shall be responsible for handling all phases of the defense, including but not limited to discovery, pretrial and post-trial hearings, motions, removals to federal district court and other
CHAPTER 256, LAWS OF 1997 1495

collateral functions reasonably related to the defense. As used in this subsection, "post-trial hearing" shall not include de novo appeals in Superior Court.

c. Nothing in this section shall be deemed to require a municipality to pay for expert and lay investigation or testimony for a period of one year after the effective date of P.L.1997, c.256 (C.2B:24-1 et seq.).

C.2B:24-7 Representation of indigent defendants.

7. a. The municipal public defender shall represent an indigent defendant charged in municipal court with a crime as specified in N.J.S.2B:12-18 or, if in the opinion of the municipal court there is a likelihood that the defendant, if convicted, of any other offense will be subject to imprisonment or other consequence of magnitude, the municipal public defender shall represent an indigent defendant.

b. If there is a vacancy in the office of municipal public defender, if the municipal public defender is temporarily unavailable or if a finding of conflict of interest precludes the municipal public defender from representing an indigent defendant, the municipal prosecutor may prosecute the offense if the municipal court appoints a qualified attorney to represent the indigent defendant. Unless rates are otherwise established by the municipality, the attorney shall be entitled to compensation at the same rate as attorneys hired by the Office of the Public Defender in conflict cases, with payment to be made within 30 days. Once appointed, the attorney shall carry out all duties of the municipal public defender in connection with the case that is the subject of the appointment.

C.2B:24-8 Communications protected under attorney-client privilege.

8. All communications between the indigent defendant and the municipal public defender or any other attorney appointed to act as a municipal public defender shall be fully protected by the attorney-client privilege to the same extent and degree as though counsel has been privately engaged. This shall not preclude the use by the municipal public defender of privileged material for the preparation and disclosure of statistical, case study and other sociological data, provided that in any such use there shall be no disclosure of the identity of or means for discovery of the identity of particular defendants.

C.2B:24-9 Eligibility for services of municipal public defender.

9. Eligibility for services of the municipal public defender shall be determined by the municipal court on the basis of the need of the defendant, except as provided in section 11 of this act. Need shall be measured
according to section 14 of P.L.1967, c.43 (C.2A:158A-14) and guidelines promulgated by the New Jersey Supreme Court.

In the event that a determination of eligibility cannot be made before the time when the first services are to be rendered, or if an initial determination is found to be erroneous, the municipal court shall refer the defendant to the municipal public defender provisionally, and if subsequently it is determined that the defendant is ineligible the municipal court shall inform the defendant, and the defendant shall be obliged to engage his own counsel and to reimburse the municipality for the cost of the services rendered to that time.

C.2B:24-10 Investigation of financial status of defendant.

10. The municipal court shall make an investigation of the financial status of each defendant seeking representation pursuant to this act and shall have the authority to require a defendant to execute and deliver written requests or authorizations required under applicable law to provide the court with access to records of public or private sources, otherwise confidential, as may be of aid in evaluating eligibility. The court is authorized to obtain information from any public record office of the State or of any subdivision or agency thereof on request and without payment of the fees ordinarily required by law.

C.2B:24-11 Eligibility of defendant under 18 years of age.

11. Whenever a person entitled to representation by a municipal public defender pursuant to this act, is under the age of 18 years, the eligibility for services shall be determined on the basis of the financial circumstances of the individual and the financial circumstances of the individual's parents or legal guardians. The municipality shall be entitled to recover the cost of legal services from the parents or legal guardians as provided in section 16 of this act and the municipal court shall have authority to require parents or legal guardians to execute and deliver the written requests or authorization required under applicable law in order to provide the court with access to records of public or private sources, otherwise confidential, as may be of aid to it in evaluating eligibility.

C.2B:24-12 Reimbursement to municipality.

12. If the defendant has or reasonably expects to have means to meet some part, though not all, of the cost of the services rendered, the defendant shall be required to reimburse the municipality, either by a single payment or in installments in such amounts as he can reasonably be expected to pay; but no default or failure in making payment shall affect or reduce the rendering of services.
C.2B:24-13 Lien on property of defendant.

13. a. A municipality shall have a lien on any property to which the defendant shall have or acquire an interest for an amount equal to the reasonable value of the services rendered to a defendant pursuant to this act as calculated at the same rate as the Office of the Public Defender bills clients at that time.

b. To effectuate such a lien for the municipality, the municipal attorney shall file a notice setting forth services rendered to the defendant and the reasonable value thereof with the Clerk of the Superior Court. The filing of the notice with the Clerk of the Superior Court shall constitute a lien on property for a period of 10 years from the date of filing, unless discharged sooner. And, except for such time limitations, shall have the force and effect of a judgment. Within 10 days of the filing of the notice, the municipal attorney shall send by certified mail, or serve personally, a copy of the notice with a statement of the date of the filing to or upon the defendant at the defendant's last known address. If the municipal attorney shall fail to give notice, the lien is void.

C.2B:24-14 Compromise, settlement of claims.

14. The municipal attorney is authorized to compromise and settle any claim for services performed pursuant to this act whenever the financial circumstances of the person receiving the services are such that, in the judgment of the municipal attorney, the best interest of the State will be served by compromise and settlement.

C.2B:24-15 Books for recording liens.

15. The Clerk of the Superior Court shall provide separate books for the recording of liens established pursuant to section 13 of this act, which books shall be properly indexed in the name of the judgment debtor. The municipal attorney shall not be required to pay filing or recording fees.

C.2B:24-16 Collection of money due municipality.

16. The municipal attorney in the name of the municipality may do all things necessary to collect any money due to the municipality by way of reimbursement for services rendered by a municipal public defender pursuant to this act. The municipal attorney may enter into arrangements with any State or county agency to handle collections on a cost basis. The municipal attorney shall have all the remedies and proceedings available for collection which are available for or upon the recovery of a judgment in a civil action and shall also be permitted to collect counsel fees and costs from the defendant for such collection action so that the same are not borne by the municipality.
C.2B:24-17 Application fee, waiver; deposit in dedicated fund.

17. a. A municipality may require by ordinance a person applying for representation by a municipal public defender or court approved counsel to pay an application fee of not more than $200.00, but only in an amount necessary to pay the costs of municipal public defender services. In accordance with guidelines promulgated by the Supreme Court, the municipal court may waive any required application fee, in whole or in part, only if the court determines, in its discretion, upon a clear and convincing showing by the applicant that the application fee represents an unreasonable burden on the person seeking representation. The municipal court may permit a person to pay the application fee over a specific period of time not to exceed four months.

b. Funds collected pursuant to subsection a. of this section shall be deposited in a dedicated fund administered by the chief financial officer of the municipality or in the case of a joint municipal court in a manner agreed to by the constituent municipalities. Such funds shall be used exclusively to meet the costs incurred in providing the services of a municipal public defender including, when required, expert and lay investigation and testimony.

c. Beginning in 1999, if it is determined by the Division of Local Government Services during its annual review of a municipal budget that the amount of money in a dedicated fund established pursuant to this section exceeds by more than 25% the amount which the municipality expended during the prior year providing the services of a municipal public defender, the amount in excess of the amount expended shall be forwarded to the Criminal Disposition and Review Collection Fund administered by Victims of Crime Compensation Board.

Repealer.

18. N.J.S.2B:12-28 is repealed.

19. This act shall take effect on January 1, 1998 or on the 180th day after enactment, whichever is later except that sections 17 and 18 of this act shall take effect on the 90th day after enactment.

Approved September 23, 1997.

CHAPTER 258

AN ACT concerning funding for community mental health and developmental disability services and supplementing Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:4-177.53 Short title.

1. This act shall be known and may be cited as the "Community Mental Health and Developmental Disability Services Investment Act."

C.30:4-177.54 Findings, declarations relative to funding for community mental health, developmental disability services.

2. The Legislature finds and declares that:

a. It is desirable for persons with serious mental illness, including children and adolescents with serious emotional disturbances, as well as persons with developmental disabilities, to receive treatment in their home community;

b. The availability of a range of community-based services will enable many persons who might otherwise require continued institutionalization to return to the community and allow the State to reduce its longstanding reliance on State inpatient care for adults with serious mental illness, and children and adolescents with serious emotional disturbances, as well as persons with developmental disabilities. As more services are provided at the local level, there is a compelling State interest in assuring that these services are coordinated and that resources are provided throughout the State; and

c. As expenditures for State inpatient resources are reduced, additional funding should be invested in community-based mental health services for persons with serious mental illness, including children and adolescents with
serious emotional disturbances, as well as community-based services for persons with developmental disabilities.

C.30:4-177.55 Definitions relative to funding for community mental health, developmental disability services.

3. As used in this act:

Each member of the board shall have immunity from any civil or criminal liability on account of these referrals, unless a member has acted in bad faith or with malicious purpose.

C.45:2B-64 Single prohibited act justifies penalty.

23. In any action brought under this act, evidence of the commission of a single act prohibited by this act shall be sufficient to justify a penalty, injunction, restraining order, or conviction, respectively, without evidence of a general course of conduct.

Nothing in this section shall prohibit any temporary transfer of working papers or other material necessary in the course of carrying out quality reviews or as otherwise interfering with the disclosure of information pursuant to this act.

b. A licensee shall furnish to a client or former client, upon request and reasonable notice:

(1) A copy of the licensee's working papers or other records, to the extent that these would ordinarily constitute part of the client's records and are not otherwise available to the client; and

(2) Any accounting or other records belonging to the client, or obtained from or on behalf of the client, that the licensee or firm removed from the client's premises or received for the client's account. The licensee or firm may make and retain copies of such documents of the client when they form the basis for work done by the licensee or firm.

c. Nothing contained in this section shall require a licensee or firm to keep any working papers beyond the period prescribed in any other applicable statute.

C.45:2B-67 Quality Enhancement Program.

26. a. The board may adopt regulations establishing a Quality Enhancement Program for the review of audits, reviews, compilations or other reports issued by licensees or firms engaged in the practice of public accountancy in this State to determine whether the reports comply with accepted accounting and auditing standards.

b. Each licensee or firm may be required to submit copies of audits, reviews, compilations or other reports as required by the board.

c. The Quality Enhancement Program established under this section may include procedures for review of the reports submitted and for
follow-up reviews and remedial and other actions to be taken in cases of reports which are deficient or in some other manner are not in compliance with applicable accounting and auditing standards. The board may exempt firms which have reports reviewed under a program conducted by other states or other public or private entities which the board finds to be equal to or to exceed the Quality Enhancement Program established under this act.

7. a. (1) No person shall own or operate a rooming or boarding house, hold out a building as available for rooming or boarding house occupancy, or apply for any necessary construction or planning approvals related to the establishment of a rooming or boarding house without a valid license to own or operate such a facility, issued by the commissioner.

(3) Any person found to be in violation of this subsection shall be liable for a civil penalty of not more than $5,000.00 for each building so owned or operated.

b. The commissioner shall establish separate categories of licensure for owning and for operating a rooming or boarding house, provided, however, that an owner who himself operates such a facility need not also possess an operator's license.

If an owner seeking to be licensed is other than an individual, the application shall state the name of an individual who is a member, officer or stockholder in the corporation or association seeking to be licensed, and the same shall be designated the primary owner of the rooming or boarding house.
Each application for licensure shall contain such information as the commissioner may prescribe and shall be accompanied by a fee established by the commissioner which shall not be less than $75.00 nor more than $150.00. If, upon receipt of the fee and a review of the application, the commissioner determines that the applicant will operate, or provide for the operation of, a rooming or boarding house in accordance with the provisions of this act, he shall issue a license to him.

Each license shall be valid for one year from the date of issuance, but may be renewed upon application by the owner or operator and upon payment of the same fee required for initial licensure.

c. Only one license shall be required to own a rooming or boarding house, but an endorsement thereto shall be required for each separate building owned and operated or intended to be operated as a rooming or boarding house. Each application for licensure or renewal shall indicate every such building for which an endorsement is required. If, during the term of a license, an additional endorsement is required or an existing one is no longer required, an amended application for licensure shall be submitted.

d. A person making application for, or who has been issued, a license to own or operate a rooming or boarding house who conceals the fact that the person has been denied a license to own or operate a residential facility, or that the person's license to own or operate a residential facility has been revoked by a department or agency of state government in this or any other state is liable for a civil penalty of not more than $5,000.00, and any license to own or operate a rooming or boarding house which has been issued to that person shall be immediately revoked.

4. No person who owns or operates a rooming or boarding house shall provide health care services in that facility. Nothing in this section shall be construed to prohibit a licensed health care professional acting within the scope of that person's license from providing health care services to a resident of a rooming or boarding house in that facility.

5. This act shall take effect immediately.

Approved October 9, 1997.
AN ACT concerning watershed preservation, protection and management, providing for the expenditure of monies dedicated pursuant to Article VIII, Section II, paragraph 6, subparagraph (a) of the New Jersey Constitution, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.58:29-1 Short title.

1. This act shall be known and may be cited as the "Watershed Protection and Management Act of 1997."

C.58:29-2 Findings, declarations relative to watershed protection and management.

2. The Legislature finds and declares that, on November 5, 1996, the voters overwhelmingly approved an amendment to the New Jersey Constitution dedicating the equivalent of 4 percent of the revenues annually generated by the Corporation Business Tax for financing the costs of hazardous discharge site remediation, upgrading hazardous underground storage tanks, and water quality point and nonpoint source pollution monitoring, watershed-based water resource planning and management, and nonpoint source pollution prevention projects; and that, of the 4 percent dedicated for these purposes, a minimum of one-sixth, or a minimum of $5,000,000, whichever is less, is annually dedicated for the purposes of water quality point and nonpoint source pollution monitoring, watershed-based water resource planning and management and nonpoint source pollution prevention projects.

The Legislature further finds and declares that the Department of Environmental Protection currently administers the State's water quality planning, monitoring, permitting and enforcement programs; that the department has recently begun to change its long-standing, permit-based approach to water resource protection and water pollution control to that of a watershed-based planning approach; that such an approach would greatly increase the overall efficiency and precision with which pollution control measures could be applied; and that the federal Clean Water Act establishes policy guidelines requiring states to clean up polluted waters and protect waters that meet water quality standards.

The Legislature further finds and declares that the Fiscal Year 1997 funding levels must be increased in future years to enable the department to meet the requirements of the federal Clean Water Act; and that the constitutionally dedicated and appropriated additional monies, when used to fund a watershed-based approach to water resource management and
pollution control, will greatly assist the State in protecting waters that meet water quality standards and in attaining and complying with federal water quality standards.

The Legislature therefore determines that it is in the public interest and consistent with the intent of Article VIII, Section II, paragraph 6, subparagraph (a) of the New Jersey Constitution to provide statutory guidance to the department for the use of the dedicated monies; that the dedicated monies should be used to support an expansion of department efforts in the area of water resource management; and that the State should adopt a watershed-based approach to most effectively and efficiently comply with federal guidelines.

C.58:29-3 Definitions relative to watershed protection and management.

Where a regional planning agency has been created for all or part of the watershed management area to be represented by the watershed management group, an official of that regional planning agency shall be included in the watershed management group; and

C.58:29-4 "Watershed Management Fund," established.

4. The "Watershed Management Fund," hereinafter referred to as the "fund," is hereby established as a nonlapsing, revolving fund in the Department of Environmental Protection. The number of monitoring sites within a watershed shall be determined by existing water quality, land uses, known and potential pollution sources, and the amount of available historical data. The supplemental survey monitoring program, shall be designed to provide:

(1) a detailed profile of water quality over specified time periods;

(2) an identification and detailed profile of both point and nonpoint pollution sources;

(3) a quantification of pollutant loadings and pollution impacts on receiving waters from both point and nonpoint sources; and

(4) water quality modeling based upon amounts of point and nonpoint sources of pollution and land use;

The Legislature may approve all or part of that list and only those persons listed in the approved concurrent resolution may receive a watershed protection loan or grant from the department. The concurrent resolution may limit or specify the amount of any loan or grant and may establish any other condition of receiving the loan or grant. 8. There is appropriated from the General Fund, pursuant to the requirements of Article VIII, Section II, paragraph 6, subparagraph (a) of the New Jersey Constitution, to the Department of Environmental Protection, the sum of $4,900,000 for deposit into the Watershed Management Fund established pursuant to section 4 of this act.

In a given year, the department shall transfer from the fund to the Division of Medical Assistance and Health Services in the Department of Human Services such funds as may be necessary for the total approved charity care disproportionate share payments to hospitals for that year.

b. For the period January 1, 1993 to December 31, 1993, the commission shall allocate $500 million to the charity care component of the disproportionate share hospital subsidy account. The Department of Health and Senior Services shall recommend the amount that the Division of Medical Assistance and Health Services shall pay to an eligible hospital on a provisional, monthly basis pursuant to paragraphs (1) and (2) of this subsection. The department shall also advise the commission and each eligible hospital of the amount a hospital is entitled to receive.

(1) The department shall determine if a hospital is eligible to receive a charity care subsidy in 1993 based on the following:

\[
\text{Hospital Specific Approved Uncompensated Care-1991} \\
\text{Hospital Specific Preliminary Cost Base-1992} \\
\frac{\text{Hospital Specific Approved Uncompensated Care-1991}}{\text{Hospital Specific Preliminary Cost Base-1992}} = \text{Hospital Specific } \% \text{ Uncompensated Care } (\%UC)
\]

A hospital is eligible for a charity care subsidy in 1993 if, upon establishing a rank order of the %UC for all hospitals, the hospital is among the 80% of hospitals with the highest %UC.

(2) The maximum amount of the charity care subsidy an eligible hospital may receive in 1993 shall be based on the following:
CHAPTER 263, LAWS OF 1997  1539

Hospital Specific Approved Uncompensated Care-1991

Total approved Uncompensated Care All Eligible Hospitals-1991

X $500 million

= Maximum Amount of Hospital Specific Charity Care Subsidy for 1993

(3) A hospital shall be required to submit all claims for charity care cost reimbursement, as well as demographic information about the persons who qualify for charity care, to the department in a manner and time frame specified by the Commissioner of Health and Senior Services, in order to continue to be eligible for a charity care subsidy in 1993 and in subsequent years.

(4) A hospital shall be reimbursed for the cost of eligible charity care at the same rate paid to that hospital by the Medicaid program; except that charity care services provided to emergency room patients who do not require those services on an emergency basis shall be reimbursed at a rate appropriate for primary care, according to a schedule of payments developed by the commission.

(5) The department shall provide for an audit of a hospital's charity care for 1993 within a time frame established by the department.

c. For the period January 1, 1994 to December 31, 1994, a hospital shall receive disproportionate share payments from the Division of Medical Assistance and Health Services based on the amount of charity care submitted to the commission or its designated agent, in a form and manner specified by the commission. The commission or its designated agent shall review and price all charity care claims and notify the Division of Medical Assistance and Health Services of the amount it shall pay to each hospital on a monthly basis based on actual services rendered.

(1) (Deleted by amendment, P.L.1995, c.133.)

(2) If the commission is not able to fully implement the charity care claims pricing system by January 1, 1994, the commission shall continue to make provisional disproportionate share payments to eligible hospitals,
through the Division of Medical Assistance and Health Services, based on
the charity care costs incurred by all hospitals in 1993, until such time as the
commission is able to implement the claims pricing system.

If there are additional charity care balances available after the 1994
distribution based on 1993 charity care costs, the department shall transfer
these available balances from the fund to the Division of Medical Assis­t ance
and Health Services for an approved one-time additional dispro­portionate
share payment to hospitals according to the methodology provided
in section 12 of P.L.1995, c.133 (C.26:2H-18.59a). The total payment for
all hospitals shall not exceed $75.5 million.

(3) A hospital shall be reimbursed for the cost of eligible charity care
at the same rate paid to that hospital by the Medicaid program; except that
charity care services provided to emergency room patients who do not
require those services on an emergency basis shall be reimbursed at a rate
appropriate for primary care, according to a schedule of payments devel­oped
by the commission.

(4) (Deleted by amendment, P.L.1995, c.133.)

d. (Deleted by amendment, P.L.1995, c.133.)
e. The total amount allocated for charity care subsidy payments shall
be: in 1994, $450 million; in 1995, $400 million; in 1996, $310 million; in
1997, $300 million; for the period January 1, 1998 through June 30, 1998,
$160 million; and in fiscal year 1999 and each fiscal year thereafter, $320
million. Total payments to hospitals shall not exceed the amount allocated
for each given year.

f. Beginning January 1, 1995:

(1) The charity care subsidy shall be determined pursuant to section 13

(2) A charity care claim shall be valued at the same rate paid to that
hospital by the Medicaid program, except that charity care services provided
to emergency room patients who do not require those services on an
emergency basis shall be valued at a rate appropriate for primary care
according to a schedule of payments adopted by the commissioner.

(3) The department shall provide for an audit of a hospital's charity care
within a time frame established by the commissioner.

5. Section 7 of P.L.1996, c.28 (C.26:2H-18.59e) is amended to read as
follows:

C.26:2H-18.59e Determination of charity care subsidy.

7. a. Beginning January 1, 1996, and except as provided in section 8 of
P.L.1996, c.28 (C.26:2H-18.59f), the charity care subsidy shall be
determined according to the following methodology.
If the Statewide total of adjusted charity care is less than available charity care funding, a hospital’s charity care subsidy shall equal its adjusted charity care.

If the Statewide total of adjusted charity care is greater than available charity care funding, then the hospital-specific charity care subsidy shall be determined by allocating available charity care funds so as to equalize hospital-specific payer mix factors to the Statewide target payer mix factor. Those hospitals with a payer mix factor greater than the Statewide target payer mix factor shall be eligible to receive a subsidy sufficient to reduce their factor to that Statewide level; those hospitals with a payer mix factor that is equal to or less than the Statewide target payer mix factor shall not be eligible to receive a subsidy.

Charity care subsidy payments shall be based upon actual documented hospital charity care.

As used in this section:

(1) The hospital-specific "documented charity care" shall be equal to the dollar amount of charity care provided by the hospital that is verified in the department’s most recent charity care audit conducted under the most recent charity care eligibility rules adopted by the department and valued at the same rate paid to that hospital by the Medicaid program.

For 1996, documented charity care shall equal the audited, Medicaid-priced amounts reported for the first three quarters of 1995. This amount shall be multiplied by 1.33 to determine the annualized 1995 charity care amount. For 1997 and the period from January 1, 1998 through June 30, 1998, documented charity care shall be equal to the audited Medicaid-priced amounts for the last quarter two years prior to the payment period and the first three quarters of the year prior to the payment period. For fiscal year 1999 and each fiscal year thereafter, documented charity care shall be equal to the audited Medicaid-priced amounts for the most recent calendar year;

(2) In 1996, the hospital-specific "operating margin" shall be equal to: the hospital's 1993 and 1994 income from operations minus its 1993 and 1994 charity care subsidies divided by its 1993 and 1994 total operating revenue minus its 1993 and 1994 charity care subsidies. After calculating each hospital's operating margin, the department shall determine the Statewide median operating margin.

In 1997 and each year thereafter, the hospital-specific "operating margin" shall be calculated in the same manner as for 1996, but on the basis of income from operations, total operating revenue and charity care subsidies data from the three most current years;

(3) The hospital-specific "profitability factor" shall be determined annually as follows. Those hospitals that are equal to or below the
Statewide median operating margin shall be assigned a profitability factor of "1." For those hospitals that are above the Statewide median operating margin, the profitability factor shall be equal to:

\[
0.75 \times \frac{\text{hospital specific operating margin} - \text{Statewide median operating margin}}{\text{highest hospital specific operating margin} - \text{Statewide median operating margin}}
\]

(4) The hospital-specific "adjusted charity care" shall be equal to a hospital's documented charity care times its profitability factor;

(5) The hospital-specific "revenue from private payers" shall be equal to the sum of the gross revenues, as reported to the department in the hospital's most recently available New Jersey Hospital Cost Reports for all non-governmental third party payers including, but not limited to, Blue Cross and Blue Shield plans, commercial insurers and health maintenance organizations;

(6) The hospital-specific "payer mix factor" shall be equal to a hospital's adjusted charity care divided by its revenue from private payers; and

(7) The "Statewide target payer mix factor" is the lowest payer mix factor to which all hospitals receiving charity care subsidies can be reduced by spending all available charity care subsidy funding for that year.

b. For the purposes of this section, "income from operations" and "total operating revenue" shall be defined by the department in accordance with financial reporting requirements established pursuant to N.J.A.C.8:31B-3.3.

c. Charity care subsidy payments shall commence on or after the date of enactment of P.L.1996, c.28 and the full calendar year 1996 allocation shall be disbursed by January 31, 1997.

C.26H-18.58e Transfer of funds to Hospital Relief Fund.

6. a. The Commissioner of Health and Senior Services shall transfer to the Hospital Health Care Subsidy account, known as the Hospital Relief Fund, in the Division of Medical Assistance and Health Services in the Department of Human Services from the Health Care Subsidy Fund, $50.75 million in fiscal year 1998 and $101.5 million each fiscal year thereafter, according to a schedule to be determined by the Commissioner of Health and Senior Services in consultation with the Commissioner of Human Services. These funds shall be distributed to eligible disproportionate share hospitals according to a methodology adopted by the Commissioner of Human Services pursuant to N.J.A.C.10:52-8.2, using hospital expenditure
data for the most recent calendar year available for reimbursements from these funds.

b. In fiscal year 1998 and each fiscal year thereafter, the Governor shall recommend and the Legislature shall appropriate to the Hospital Health Care Subsidy account for distribution to disproportionate share hospitals which are eligible for reimbursement pursuant to subsection a. of this section, those federal funds received in connection with the provision of hospital reimbursements from that account.

7. Section 16 of P.L.1992, c.160 (C.26:2H-18.66) is amended to read as follows:

C.26:2H-18.58f Transfer of funds to Division of Medical Assistance and Health Services.
8. a. The Commissioner of Health and Senior Services shall transfer to the Division of Medical Assistance and Health Services in the Department of Human Services from the Health Care Subsidy Fund, $23.8 million in fiscal year 1998, $47.6 million in fiscal year 1999, and an amount in each succeeding fiscal year that is necessary to obtain the maximum amount of federal funds to which the State is entitled in order to provide children's health care coverage pursuant to P.L.1997, c.272 (C.30:41-1 et seq.), according to a schedule to be determined by the Commissioner of Health and Senior Services in consultation with the Commissioner of Human Services. These funds shall be expended to provide children's health care coverage pursuant to P.L.1997, c.272 (C.30:41-1 et seq.).

b. In fiscal year 1999 and each fiscal year thereafter, the Governor shall recommend and the Legislature shall appropriate to the Division of Medical Assistance and Health Services for the purposes of subsection a. of this section, those federal funds received in connection with the provision of children's health care coverage pursuant to P.L.1997, c.272 (C.30:41-1 et seq.).

9. a. There is appropriated $42.9 million from the General Fund to the Department of Health and Senior Services for deposit in the Health Care Subsidy Fund to carry out the purposes of P.L.1997, c.263 (C.26:2H-58e et al.).

b. There is appropriated to the Department of Human Services $15.25 million in federal Title XIX funds for the Hospital Health Care Subsidy

c. There is appropriated to the Department of Human Services $44.2 million in federal Title XXI funds for the children's health care coverage program established pursuant to P.L.1997, c.272 (C.30:4i-1 et seq.) for the period January 1, 1998 to June 30, 1998.

d. Any premiums received from families enrolled in the children's health care coverage program established pursuant to P.L.1997, c.272 (C.30:4i-1 et seq.), are appropriated to the program.

e. An amount not to exceed 10% of the total appropriated for the children's health care coverage program established pursuant to P.L.1997, c.272 (C.30:4i-1 et seq.), may be used for administration of the program.

10. In fiscal year 1999 and each year thereafter, the Governor shall recommend and the Legislature shall appropriate to the Health Care Subsidy Fund to carry out the purposes of P.L.1992, c.160 (C.26:2H-18.51 et al.), such funds from the General Fund which, when combined with other resources deposited in the Health Care Subsidy Fund, shall be sufficient to carry out the purposes of that act.

C.26:2H-18.59h Transferred employees guaranteed equivalent health insurance coverage.

11. In the event that a hospital or other health care institution that receives a charity care subsidy pursuant to P.L.1992, c.160 (C.26:2H-18.51 et al.) or funds from the Hospital Health Care Subsidy account in the Department of Human Services, sells, leases, assigns, subcontracts or otherwise transfers ownership, control or management of any of its services to another entity, the hospital or other health care institution shall provide that the new entity guarantee to offer to its employees who were affected by the transfer, health insurance coverage at substantially equivalent levels, terms and conditions to those that were offered to the employees prior to the transfer.

CHAPTER 263, LAWS OF 1997

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be 28 times the Statewide average weekly remuneration paid to workers by
employers, as determined under R.S.43:21-3(c), raised to the next higher
multiple of $100.00 if not already a multiple thereof, provided that if the
amount of wages so determined for a calendar year is less than the amount
similarly determined for the preceding year, the greater amount will be used;
provided, further, that if the amount of such wages so determined does not
equal or exceed the amount of wages as defined in subsection (b) of section
3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal
Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in
this paragraph in any calendar year shall be raised to equal the amount
established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this
shall be credited with all the contributions which he has paid on his own
behalf on or before January 31 of any calendar year with respect to
employment occurring in the preceding calendar year; provided, however,
that if January 31 of any calendar year falls on a Saturday or Sunday, an
employer's account shall be credited as of January 31 of such calendar year
with all the contributions which he has paid on or before the next succeed­
ing day which is not a Saturday or Sunday. But nothing in this chapter
(R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals
in his service prior claims or rights to the amounts paid by him into the fund
either on his own behalf or on behalf of such individuals. Benefits paid with
respect to benefit years commencing on and after January 1, 1953, to any
individual on or before December 31 of any calendar year with respect to
unemployment in such calendar year and in preceding calendar years shall
be charged against the account or accounts of the employer or employers in
whose employment such individual established base weeks constituting the
basis of such benefits, except that, with respect to benefit years commencing
after January 4, 1998, an employer's account shall not be charged for
benefits paid to a claimant if the claimant's employment by that employer
was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or
(h) of R.S.43:21-5, would have disqualified the claimant for benefits if the
claimant had applied for benefits at the time when that employment ended.
Benefits paid under a given benefit determination shall be charged against
the account of the employer to whom such determination relates. When
each benefit payment is made, either a copy of the benefit check or other
form of notification shall be promptly sent to the employer against whose
account the benefits are to be charged. Such copy or notification shall
identify the employer against whose account the amount of such payment
is being charged, shall show at least the name and social security account
number of the claimant and shall specify the period of unemployment to
which said check applies. If the total amount of benefits paid to a claimant
and charged to the account of the appropriate employer exceeds 50% of the
total base year, base week wages paid to the claimant by that employer, then
such employer shall have canceled from his account such excess benefit
charges as specified above.

Each employer shall be furnished an annual summary statement of
benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance,
and dissolution of joint accounts by two or more employers, and shall, in
accordance with such regulations and upon application by two or more
employers to establish such an account, or to merge their several individual
accounts in a joint account, maintain such joint account as if it constituted
a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of
such lower rate is consistent with the conditions applicable to additional
credit allowance for such year under section 3303(a)(1) of the Internal
Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this
section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%,
extcept as otherwise provided in the following provisions. No employer's rate
for the 12 months commencing July 1 of any calendar year shall be other than
2 8/10%, unless as of the preceding January 31 such employer shall have paid
contributions with respect to wages paid in each of the three calendar years
immediately preceding such year, in which case such employer's rate for the
12 months commencing July 1 of any calendar year shall be determined on
the basis of his record up to the beginning of such calendar year. If, at the
beginning of such calendar year, the total of all his contributions, paid on his
own behalf, for all past years exceeds the total benefits charged to his account
for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of
his average annual payroll (as defined in paragraph (2), subsection (a) of
R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%,
of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%,
of his average annual payroll;

(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%,
of his average annual payroll;

(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%,
of his average annual payroll;

(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his
average annual payroll:
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;

(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;

(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.
If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C. s.1103), during any period in which such moneys are appropri-
ated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (Deleted by amendment, P.L. 1997, c.263).

(ii) With respect to experience rating years beginning on or after July 1, 1997, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

(ii) With respect to experience rating years beginning on or after July 1, 1997, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.00%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The State Treasurer shall, prior to March 31, 1997, March 31, 1998 or March 31, 1999, as applicable, transfer from the General
CHAPTER 263. LAWS OF 1997 1555

Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, July 1, 1998, July 1, 1999, as applicable, of at least 3.00%.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 2000, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 2000, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 2000 of at least 3.00%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the
successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.
(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other
provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.
Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2002, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after January 1, 2003, contribute to the unemployment compensation fund 0.40% of wages paid with respect
to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction thereof at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28.)
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such
employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.
(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer’s account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer’s account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

   (i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.));

   (ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;
(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46)), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:
(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

13. Section 4 of P.L.1971, c.346 (C.43:21-7.3) is amended to read as follows:

C.43:21-7.3 Governmental entities.

4. (a) Notwithstanding any other provisions of the "unemployment compensation law" for the payment of contributions, benefits paid to individuals based upon wages earned in the employ of any governmental entity or instrumentality which is an employer defined under R.S.43:21-19(h)(5) shall, to the extent that such benefits are chargeable to the account of such governmental entity or
instrumentality in accordance with the provisions of R.S.43:21-1 et seq., be
financed by payments in lieu of contributions.

(b) Any governmental entity or instrumentality may, as an alternative
to financing benefits by payments in lieu of contributions, elect to pay
contributions beginning with the date on which its subjectivity begins by
filing written notice of its election with the department no later than 120
days after such subjectivity begins, provided that such election shall be
effective for at least two full calendar years; or it may elect to pay contribu­tions for a period of not less than two calendar years beginning January 1 of
any year if written notice of such election is filed with the department not later than February 1 of such year;
provided, further, that such governmental
entity or instrumentality shall remain liable for payments in lieu of
contributions with respect to all benefits paid based on base year wages
earned in the employ of such entity or instrumentality in the period during
which it financed its benefits by payments in lieu of contributions.

(c) Any governmental entity or instrumentality may terminate its
election to pay contributions as of January 1 of any year by filing written
notice not later than February 1 of any year with respect to which termina­tion is to become effective. It may not revert to a contributions method of
financing for at least two full calendar years after such termination.

(d) Any governmental entity or instrumentality electing the option for
contributions financing shall report and pay contributions in accordance
with the provisions of R.S.43:21-7 except that, notwithstanding the
provisions of that section, the contribution rate for such governmental entity
or instrumentality shall be 1% for the entire calendar year 1978 and the
contribution rate for any subsequent calendar years shall be the rate
established for governmental entities or instrumentalities under subsection
(e) of this section.

(e) On or before September 1 of each year, the Commissioner of Labor
shall review the composite benefit cost experience of all governmental
entities and instrumentalities electing to pay contributions and, on the basis
of that experience, establish the contribution rate for the next following
calendar year which can be expected to yield sufficient revenue in
combination with worker contributions to equal or exceed the projected
costs for that calendar year.

(f) Any covered governmental entity or instrumentality electing to pay
contributions shall each year appropriate, out of its general funds, moneys
to pay the projected costs of benefits at the rate determined under subsection
(e) of this section. These funds shall be held in a trust fund maintained by
the governmental entity for this purpose. Any surplus remaining in this trust
fund may be retained in reserve for payment of benefit costs for subsequent
years either by contributions or payments in lieu of contributions.

CHAPTER 269

AN ACT concerning exemptions from the licensing provisions for commercial drivers licenses and amending P.L. 1989, c.164.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L. 1989, c.164 (C.39:3-10j) is amended to read as follows:

C.39:3-10j Findings, declaration concerning commercial driver’s licenses.

1. The Legislature finds that:
   a. On September 20, 1988, the Secretary of the United States Department of Transportation granted the states of this nation the authority to exempt certain drivers from the licensing provisions of the "Commercial Motor Vehicle Safety Act of 1986," Pub.L.99-570 (49 U.S.C. s.2701 et seq.).
   b. The "Commercial Motor Vehicle Safety Act of 1986" requires a commercial driver’s license for anyone who operates a vehicle that has a gross weight rating in excess of 26,000 pounds, carries 15 or more passengers or transports hazardous materials.
   c. While that act’s objectives to regulate and improve the traffic safety of the commercial trucking industry are laudable, it could have an unintended, and largely adverse, impact upon certain non-commercial drivers.
   d. Unless the State of New Jersey, in accordance with the Secretary of the United States Department of Transportation’s directive, exercises its exemption authority, certain operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad or for disaster control, non-civilian operators of military vehicles owned or operated by the United States Department of Defense or the National Guard, and farmers operating farm vehicles will be obligated to secure commercial driver’s licenses under that act.
   e. There appears to be no significant evidence that the operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad or for disaster control, non-civilian operators of military vehicles owned or operated by the
United States Department of Defense or the National Guard, or farmers operating farm vehicles in and about their regular agricultural activities pose or have created any safety hazards on the public highways which would warrant their being licensed under the provisions of the "Commercial Motor Vehicle Safety Act of 1986."

The Legislature, therefore, declares that it is altogether fitting and proper to authorize, in accordance with the directives issued by the Secretary of the United States Department of Transportation, that the designated operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad or for disaster control, non-civilian operators of military vehicles owned and operated by the United States Department of Defense or the National Guard, and operators of farm vehicles under certain circumstances be exempted from the licensing requirements set forth in the "Commercial Motor Vehicle Safety Act of 1986."

Notwithstanding the provisions of this section, a waiver shall not be granted if the granting of the waiver would place the State in a position of not being in substantial compliance with the requirements of the federal act.

CHAPTER 272

AN ACT establishing the Children's Health Care Coverage Program, amending P.L.1968, c.413 and supplementing Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:41-1 Short title.

1. This act shall be known and may be cited as the "Children's Health Care Coverage Act."

C.30:41-2 Findings, declarations relative to Children's Health Care Coverage Program.

2. The Legislature finds and declares that:
a. Title XXI of the federal Social Security Act, which was created by Subtitle J of Title IV of the federal "Balanced Budget Act of 1997," Pub.L.105-33, established the State Children's Health Insurance Program, which allows a state, subject to certain conditions, to establish a health insurance program for low-income children.

b. A substantial number of New Jersey's children who reside in low-income families lack health care coverage, and this lack of coverage prevents these children from obtaining needed preventive and other care on a consistent and managed basis.

c. Because of a lack of health insurance coverage, children forgo care until conditions which were either preventable or treatable at the outset require more extensive and expensive interventions or treatment, and providing health care coverage will prevent these conditions from occurring or deteriorating in these children.

d. Children with health care coverage have a significantly greater opportunity to stay healthy and to realize their full educational and developmental potential and become productive citizens.

e. The Children's Health Care Coverage Program established pursuant to this act builds on New Jersey's longstanding commitment to assure access to quality health care provided in an efficient and effective manner and at a reasonable cost through the Medicaid program, services provided in certain health care facilities, and limited subsidized health insurance coverage.

f. In addition, the Children's Health Care Coverage Program will utilize the new options permitted under federal law and State and other resources to establish the foundation for assuring health care coverage for all of New Jersey's children.

C.30:41-3 Definitions relative to Children's Health Care Coverage Program.

3. As used in this act:
   "Commissioner" means the Commissioner of Human Services.
   "Program" means the Children's Health Care Coverage Program established pursuant to this act.

C.30:41-4 Children's Health Care Coverage Program established.

4. a. The Children's Health Care Coverage Program is established in the Department of Human Services. The purpose of the program shall be to provide subsidized private health insurance coverage, and other health care benefits as determined by the commissioner, to children from birth through 18 years of age within the limits of funds appropriated or otherwise made available for the program. The program shall require copayments and a premium contribution from families with incomes which exceed 150% of the official poverty level, which shall be based upon a sliding income scale. The program shall include the provision of well-child and other preventive
services, hospitalization, physician care, laboratory and x-ray services, prescription drugs, mental health services, and other services as determined by the commissioner.  

b. The commissioner, in consultation with the Commissioner of Health and Senior Services, shall take such actions as are necessary to implement and operate the program in accordance with the provisions governing the State Children's Health Insurance Program in Title XXI of the federal Social Security Act, as provided in Subtitle J of Title IV of the federal "Balanced Budget Act of 1997," Pub.L.105-33.  
c. The commissioner shall by regulation establish standards for determining eligibility and other requirements for the program, including, but not limited to, premium payments and copayments, and may contract with one or more appropriate entities to assist in administering the program. The commissioner shall take, or cause to be taken, any action necessary to secure for the State the maximum amount of federal financial participation available with respect to the program, subject to the constraints of fiscal responsibility and within the limits of available funding in any fiscal year.

Upon approval, a copy of the bylaws shall be filed in the Office of the Secretary of State and with the Director of the Division of Local Government Services. Upon proof of such filings, the joint municipal lien pool shall, in any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract or obligation or act of the joint municipal lien pool, be conclusively deemed to have been lawfully and properly created, organized and established and authorized to transact business and exercise its powers under this act. Copies of the filing, duly certified by the Secretary
of State, shall be admissible in evidence in any suit, action or proceeding and shall be conclusive evidence of due and proper filing thereof.

C.54:5-131 Powers of joint municipal lien pool.

   c. To assess initial and continuing membership fees to fund the operations of the joint municipal lien pool, such fees to be refunded from proceeds of sales of liens.
   d. To create special purpose pools of certain liens, subject to approval of the Local Finance Board.
   e. To employ or contract with professionals, such as administrators, trustees and other service providers, on such terms as the board of directors of the pool deems appropriate, to manage the affairs of the pool and to sell pooled liens and/or arrange for their use as collateral for bonds or notes.
   f. To contract for the purchase of supplies and other such needs as the pool may require, including, but not limited to, acquisition of office space and the hiring of clerical and secretarial employees.
   g. Notwithstanding any other provisions of law to the contrary, the joint municipal lien pool shall employ or contract with a person holding a tax collector certificate pursuant to P.L.1979, c.384 (C.40A:9-145.1 et seq.), to perform those functions and responsibilities normally performed by a municipal tax collector with regard to municipal liens.

3. For the purposes of P.L.1997, c.274 (C.54:5-130 et seq.), municipal liens means municipal liens as defined under the "tax sale law," R.S.54:5-1 et seq., except that no lien for taxes shall be transferred to a joint municipal lien pool unless the taxes that are the basis for that lien continue to be delinquent after the tenth day of the eleventh month of the fiscal year of the municipality for which those taxes were due and payable.

C.54:5-133 Laws applicable to operation of pool.

C.54:5-134 Transfer of municipal lien.

b. A municipal lien transferred to a joint municipal lien pool shall remain the property of the municipality transferring the lien until actually sold by the pool. Joint municipal lien pools shall not own or foreclose upon municipal liens. The sale or arrangement for use as collateral for a bond or note of a municipal lien shall not affect redemption rights or the existing foreclosure process.

C.54:5-135 Execution of lien certificates.

6. A joint municipal lien pool may act on behalf of any member municipal tax collector to execute lien certificates as part of a sale. All interests and penalties otherwise due shall be paid to the municipality in cash or notes up to and until the time the liens are sold or used as collateral for a bond or note.

C.54:5-136 Operating plan filed by joint municipal lien pool.

7. Prior to any initial bulk sale, public sale at auction or arrangement for use as collateral for a bond or note of municipal liens by a joint municipal lien pool, the pool shall file an operating plan for review and approval of the Local Finance Board. The operating plan shall include the procedure by which the sale, auction or issuance of bonds or notes shall be accomplished along with a method of distribution of revenues that exceed the costs of operating the activities of the pool. The Local Finance Board shall ensure that the operating plan is fiscally prudent, that the fees and costs to be incurred, including those for professional contracts, are appropriate and reasonable, and that the plan meets such other criteria as the board deems necessary.

CHAPTER 275

AN ACT establishing the Ticket Brokering Study Commission.
CHAPTER 275, LAWS OF 1997

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. There is established the Ticket Brokering Study Commission, which shall consist of nine members as follows: two members of the Senate, to be appointed by the President thereof, who shall not be of the same political party; two members of the General Assembly, to be appointed by the Speaker thereof, who shall not be of the same political party; and the Director of the Division of Consumer Affairs or his designee. The following members shall be appointed by the Governor: a representative of ticket brokers or agents; a representative of a group or association representing consumers; and two representatives of the general public.

Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made. Members of the commission shall serve without compensation, but may be reimbursed for the necessary expenses incurred in the performance of their duties to the extent that funds are made available for this purpose.

2. The commission shall organize as soon as possible after the appointment and qualification of its members. The members of the commission shall elect a chairperson from among the membership and a secretary, who need not be a member of the commission.

3. The commission shall conduct a study comparing the impact of a regulated and deregulated ticket brokering market on the cost and availability of tickets to entertainment events. As part of this assessment, the commission shall determine whether a deregulated market will cause ticket prices and availability to consumers to significantly increase or decrease; whether it is in the best interests of the consumer to establish a permanent deregulated market for the resale of entertainment tickets or to maintain some regulatory oversight; and, whether a deregulated market or regulated market would increase attendance at New Jersey entertainment events. The commission also shall determine how to best ensure the public's equal access to tickets.

4. The commission shall be entitled to request the assistance and services of the employees of any State, county or municipal department, board, bureau, commission or agency which it may require and as may be available to it for its purposes, and to employ such stenographic and clerical assistants and incur traveling and other miscellaneous expenses as necessary to perform its duties and as may be within the limits of funds appropriated or otherwise made available to it for its purposes.
5. The commission may meet and hold hearings at such places as it shall designate and shall report its findings and recommendations to the Governor and the Legislature within four months of the effective date of this act, accompanied by any legislative bills which it may desire to recommend for enactment.

6. This act shall take effect immediately.

Approved December 24, 1997.

(10) Any offer or sale of a preorganization certificate or subscription if (i) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective subscriber, (ii) the number of subscribers does not exceed 10, and (iii) no payment is made by any subscriber;

(11) Any transaction pursuant to an offer to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, nontransferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if no commission or other remuneration (other than a standby commission) is paid or given directly or indirectly for soliciting any security holder in this State;

(12) Any transaction by or on behalf of an issuer, or other person, if (i) the seller has reasonable grounds to believe and, after making reasonable inquiry, believes, immediately prior to making any sale, that there are no more than 35 purchasers of the issue in this State during any period of 12 consecutive months and that each purchaser, who is not an accredited investor, either alone or with his representative has the knowledge and experience in financial and business matters that he or they are capable of evaluating the merits and risks of the prospective investment; (ii) a written offering statement or prospectus is furnished to each purchaser who is not an accredited investor containing substantially the same information as is required by subsection (b) of section 14 of P.L.1967, c.93 (C.49:3-61) or any applicable form of registration under federal law, and provided that if any purchaser is furnished with a written offering statement or prospectus, then all purchasers shall be furnished therewith; (iii) the securities shall not be offered or sold by general solicitation or any general advertisement; and (iv) a report of the offering is filed with the bureau not later than 15 days after the first sale of those securities in this State, setting forth the name and address of the issuer, the total amount of the securities sold under this paragraph (12), the price at which the securities were sold, the total number of purchasers of the securities, and the names and addresses of the purchasers of the securities who reside in this State, indicating the number and amount of the securities each purchased. Supplemental reports shall be filed promptly after the initial filing with the bureau whenever there are material changes to the information contained in the initial filing until the closing of the offering. A final report shall be filed at the closing of the offering if the information in the final report would be materially different from the last prior filing. The fee for filing the report with the bureau shall be established by regulation of the bureau chief. The information in the report of sale shall be deemed confidential and shall not be disclosed to the
public except by order of the court or in court proceedings. In calculating
the number of purchasers permitted under this paragraph, accredited
investors shall be excluded;

(13) The bureau chief, by rule or order, as to a particular transaction or
class of transactions, may adopt a transactional exemption (i) that will
further the objectives of compatibility with the exemptions from securities
registration authorized by the "Securities Act of 1933" and uniformity
among the states, or (ii) if the bureau chief determines that the public
interest does not require registration.

(c) The bureau chief may by order deny or revoke any exemption
specified in paragraph (9), (10) or (11) of subsection (a) of this section or
in subsection (b) of this section with respect to a specific security or
transaction. These exemptions may be denied or revoked for the grounds
set forth in subsection (k) of section 9, section 11 and section 17 of
P.L.1967, c.93 (C.49:3-56, 49:3-58 or 49:3-64). No such order may be
entered without appropriate notice to all interested parties, opportunity for
hearing, and written findings of fact and conclusions of law, except that the
bureau chief may by order summarily deny or revoke any of the specified
exemptions pending final determination of any proceeding under this
subsection. Upon the entry of a summary order, the bureau chief shall
promptly notify all interested parties that it has been entered and of the
reasons therefor.

(1) Upon service of notice of the order issued by the bureau chief, the
respondent shall have up to 15 days to respond to the bureau in the form of
a written answer and written request for a hearing. The bureau chief shall,
within five days of receiving the answer and a request for a hearing, either
transmit the matter to the Office of Administrative Law for a hearing or
schedule a hearing at the bureau. Orders issued pursuant to this subsection
(c) shall be subject to an application to vacate upon 10 days' notice, and a
preliminary hearing on the order shall be held in any event within 20 days
after it is requested; and the filing of a motion to vacate the order shall toll
the time for filing an answer and written request for a hearing.

(2) If a respondent fails to respond by either filing a written answer and
written request for a hearing with the bureau or moving to vacate an order
within the 15-day prescribed period, the respondent shall be deemed to have
waived the opportunity to be heard. The order will remain in effect until it
is modified or vacated upon notice to all interested parties by the bureau
chief. No order under this subsection may operate retroactively.

(d) In any proceeding under this act, the burden of proving an exemp-
tion or an exception from a definition is upon the person claiming it.
4. Section 4 of P.L.1967, c.93 (C.49:3-51) is amended to read as follows:

C.49:3-51 Applicability of act.

4. (a) Sections 5, 8, subsection (a) of section 9, and sections 13 and 24 of P.L.1967, c.93 (C.49:3-52, 49:3-55, 49:3-56, 49:3-60 and 49:3-71) apply to persons who sell or offer to sell when (1) an offer to sell is made in this State, or (2) an offer to buy is made or accepted in this State;

(b) Sections 5, 8 and subsection (a) of section 9 of P.L.1967, c.93 (C.49:3-52, 49:3-55 and 49:3-56) apply to persons who buy or offer to buy when (1) an offer to buy is made in this State, or (2) an offer to sell is made or accepted in this State;

(c) For the purpose of this section, except to the extent the bureau chief may by rule or order determine, an offer to sell or to buy is made in this State, whether or not either party is then present in this State, when the offer (1) originates from this State or (2) is directed by the offeror to this State and received at the place to which it is directed (or at any post office in this State in the case of a mailed offer);

(d) For the purpose of this section, an offer to buy or to sell is accepted in this State when acceptance (1) is communicated to the offeror in this State and (2) has not previously been communicated to the offeror, orally or in writing, outside this State; and acceptance is communicated to the offeror in this State, whether or not either party is then present in this State, when the offeree directs it to the offeror in this State reasonably believing the offeror to be in this State and it is received at the place to which it is directed (or at any post office in this State in the case of a mailed acceptance);

(e) (Deleted by amendment, P.L.1997, c.276.)

(f) Sections 6, 8 and subsection (c) of section 9 of P.L.1967, c.93 (C.49:3-53, 49:3-55 and 49:3-56), so far as investment advisers are concerned, apply when any act instrumental in effecting prohibited conduct is done in this State, whether or not either party is then present in this State.

C.49:3-52.1 Prohibitions relative to securities.

5. (a) Without limiting the general applicability of section 5 of P.L.1967, c.93 (C.49:3-52), a person may not:

(1) quote a fictitious price with respect to a security;

(2) effect a transaction in a security which involves no change in the beneficial ownership of the security for the purpose of creating a false or misleading appearance of active trading in a security or with respect to the market for the security;

(3) enter an order for the purchase of a security with the knowledge that an order of substantially the same size and at substantially the same time and price for the sale of the security has been, or will be, entered by or for the
same, or affiliated, person for the purpose of creating a false or misleading appearance of active trading in a security or with respect to the market for the security;

(4) enter an order for the sale of a security with knowledge that an order of substantially the same size and at substantially the same time and price for the purchase of the security has been, or will be, entered by or for the same, or affiliated, person for the purposes of creating a false or misleading appearance of active trading in a security or with respect to the market for the security; or

(5) employ any other deceptive or fraudulent device, scheme, or artifice to manipulate the market in a security.

(b) A transaction effected in compliance with, or conduct that does not violate, the applicable provisions of the "Securities Exchange Act of 1934" and the rules and regulations of the Securities and Exchange Commission thereunder is not a violation of subsection (a) of this section.

6. Section 6 of P.L.1967, c.93 (C.49:3-53) is amended to read as follows:

C.49:3-53 Prohibited practices relative to investment adviser.

6. (a) It shall be unlawful for any person who receives, directly or indirectly, any compensation from another person for advising the other person as to the value of securities or their purchase or sale, whether through the issuance of analyses or reports or otherwise,

(1) to employ any device, scheme or artifice to defraud the other person;

(2) to engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon the other person; or

(3) to engage in dishonest or unethical practices as the bureau chief may by rule define in a manner consistent with and compatible with the laws and regulations of the Securities and Exchange Commission, the self-regulatory organizations, and uniformity with the other states, the remedies for which shall be civil or administrative only;

(b) It shall be unlawful for any person acting as an investment adviser, whether required to be registered or not, to enter into, extend, or renew any investment advisory contract unless it provides in writing

(1) that no assignment of the contract may be made by the investment adviser without the consent of the other party to the contract; and

(2) that the investment adviser shall notify the other party to the contract of any change in control of the investment adviser within a reasonable time after the change;

(c) It shall be unlawful for any investment adviser required to be registered or any registered broker-dealer acting as an investment adviser to
enter into, extend, or renew any investment advisory contract, unless it provides in writing that the investment adviser shall not be compensated on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds, of the client, except as may be authorized by rules issued by the bureau chief;

(d) The bureau chief may by rule or order prohibit any investment adviser, except an investment adviser that is registered or not required to be registered under the "Investment Advisers Act of 1940," from being compensated on the basis of a share of capital gains upon, or capital appreciation of the funds, or any portion of the funds, of the client;

(e) Subsection (c) of this section does not prohibit an investment advisory contract which provides for compensation based upon the total value of a fund averaged over a definite period, or as of definite dates or taken as of a definite date. "Assignment," as used in paragraph (1) of subsection (b) of this section, includes any direct or indirect transfer or hypothecation of an investment advisory contract by the assignor or of a controlling block of the assignor's outstanding voting securities by a security holder of the assignor; but, if the investment adviser is a partnership, no assignment of an investment advisory contract is considered to result from the death or withdrawal of a minority of the members of the investment adviser having only a minority interest in the business of the investment adviser, or from the admission to the investment adviser of one or more members who, after admission, will be only a minority of the members and will have only a minority interest in the business;

(f) It shall be unlawful for any person soliciting advisory clients to make any untrue statement of a material fact, or omit to state a material fact necessary to make the statements made, in light of the circumstances under which they are made, not misleading.

7. Section 7 of P.L.1967, c.93 (C.49:3-54) is amended to read as follows:

C.49:3-54 False, misleading statements.

7. It is unlawful for any person to make or cause to be made, in any document filed with the bureau or in any proceeding, investigation or examination conducted under this act, any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect.

8. Section 8 of P.L.1967, c.93 (C.49:3-55) is amended to read as follows:
C.49:3-55 Determination of validity of filed document.

8. (a) Neither (1) the fact that an application for registration of any persons or a registration statement of any security has been filed nor (2) the fact that a person or security is effectively registered constitutes a finding by the bureau chief that any document filed under this act is true, complete, and not misleading. Neither any such fact nor the fact that an exemption or exception is available for a person, security or transaction means that the bureau chief has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction.

(b) It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with subsection (a) of this section.

9. Section 9 of P.L.1967, c.93 (C.49:3-56) is amended to read as follows:

C.49:3-56 Registration required.

9. (a) It shall be unlawful for any person to act as a broker-dealer, agent, investment adviser or investment adviser representative in this State unless that person is registered or exempt from registration under this act;

(b) A person shall be exempt from registration as a broker-dealer if, during any period of 12 consecutive months, that person (1) does not effect more than 15 transactions with persons other than those specified in paragraph (5) of subsection (c) of section 2 of P.L.1967, c.93 (C.49:3-49) located within New Jersey; (2) does not effect transactions in more than five customer accounts of New Jersey residents; or (3) effects transactions with persons who have no place of residence in New Jersey and who are temporarily located in the State; if at the time of the transactions described in paragraph (1), (2) or (3) of this subsection (b), the broker-dealer has no place of business in this State and is a member in good standing of a recognized self-regulatory organization and is registered in the state in which the broker-dealer is located;

(c) Agents who represent broker-dealers in transactions exempt pursuant to paragraph (1), (2) or (3) of subsection (b) of this section shall be exempt from registration for those transactions if they are members of a recognized self-regulatory organization and registered in the state in which they are located at the time of the transaction;

(d) The burden of proving an exemption from registration under this section shall be on the person claiming the exemption. A person claiming an exemption from registration under this section shall keep his books and records open to inspection by the bureau. If the bureau chief finds it is in the public interest and necessary for the protection of investors, the bureau chief
may deny any exemption specified in paragraph (1), (2) or (3) of subsection (b) or in subsection (c) of this section as to any broker-dealer or agent. The bureau chief may proceed in summary fashion or otherwise;

(e) The bureau chief may identify classes of customers, securities, transactions and broker-dealers for the purpose of increasing the number of transactions or accounts available under the exemptions specified in paragraph (1), (2) or (3) of subsection (b) or subsection (c) of this section;

(f) The bureau chief may by order identify the self-regulatory organizations recognized under subsections (b) and (c) of this section and may by rule or order define the conditions under which non-resident persons are temporarily in New Jersey under paragraph (3) of subsection (b) of this section;

(g) A person shall be exempt from registration as an investment adviser or from making a notice filing required by section 10 of P.L.1967, c.93 (C.49:3-57), if:

1. The person has a place of business in this State and during any period of 12 consecutive months that person does not have more than five clients, who are residents of this State, other than those specified in subparagraph (vi) of paragraph (2) of subsection (g) of section 2 of P.L.1967, c.93 (C.49:3-49); or
2. The person has no place of business in this State, and during any period of 12 consecutive months that person does not have more than five clients, who are residents of this State, other than those specified in subparagraph (vi) of paragraph (2) of subsection (g) of section 2 of P.L.1967, c.93 (C.49:3-49).

The bureau chief may by rule or order determine the availability of the exemptions provided by this subsection (g), including the waiver of the conditions in paragraphs (1) and (2) of this subsection;

(h) It shall be unlawful for any broker-dealer or issuer to employ an agent in this State unless the agent is registered. The registration of an agent is not effective during any period when he is not associated with a particular broker-dealer registered under this act or a particular issuer. When an agent begins or terminates a connection with a broker-dealer or issuer, or begins or terminates those activities which make him an agent, the agent as well as the broker-dealer or issuer shall promptly notify the bureau. When an agent terminates his connection with a particular broker-dealer or issuer, his authorization to engage in those activities which make him an agent is terminated;

(i) It shall be unlawful for any person to transact business in this State as an investment adviser unless (1) he is so registered under this act, is exempt from registration under this act, or is excluded from the definition of investment adviser under this act, or (2) he is registered as a bro-
ker-dealer without the imposition of a condition under paragraph (5) of subsection (b) of section 11 of P.L.1967, c.93 (C.49:3-58);

(j) It shall be unlawful for any investment adviser required to be registered pursuant to this section to employ an investment adviser representative, unless the investment adviser representative is also registered pursuant to this section. It is unlawful for any person registered or required to be registered as an investment adviser under section 203 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-3, to employ, supervise, or associate with an investment adviser representative having a place of business located in this State, unless that investment adviser representative is registered under this act, or is exempt from registration. The registration of an investment adviser representative is not effective during any period when the investment adviser representative is not employed by an investment adviser registered pursuant to this section or registered under section 203 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-3. When an investment adviser representative described in this subsection begins or terminates employment with an investment adviser, the investment adviser and the investment adviser representative shall promptly notify the bureau chief. When an investment adviser representative terminates his connection with a particular investment adviser, his authorization to engage in those activities which make him an investment adviser representative is terminated;

(k) The bureau chief may summarily bar, pending final determination of any proceeding under this subsection, any person, who has been convicted of any crime of embezzlement under state, federal or foreign law or any crime involving any theft, forgery or fraudulent practices in regard to any state, federal or foreign securities, banking, insurance, or commodities trading laws or anti-fraud laws, from being a partner, officer or director of an issuer, broker-dealer or investment adviser, or from occupying a similar status or performing a similar function or from directly or indirectly controlling or being under common control or being controlled by an issuer, broker-dealer or investment adviser, or from acting as a broker-dealer, agent or investment adviser in this State. Any person barred by this subsection shall be entitled to request a hearing by the same procedures as set forth in subsection (c) of section 3 of P.L.1967, c.93 (C.49:3-50);

(l) Notwithstanding any other provision of this act, the bureau chief may bring an administrative or court action pursuant to section 29 of this act (C.49:3-70.1), to seek and obtain civil penalties for violations of this section;

(m) Every registration shall expire one year from its effective date unless renewed, except that the bureau chief may by rule provide that registrations shall all expire on the same date;
(n) Except with respect to advisers whose only clients are those described in subparagraph (vi) of paragraph (2) of subsection (g) of section 2 of P.L.1967, c.93 (C.49:3-49), it is unlawful for any person who is registered or required to be registered under section 203 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-3, as an investment adviser to conduct advisory business in this State, unless that person files those documents filed with the Securities and Exchange Commission with the bureau chief, as the bureau chief may by rule or otherwise require, and a fee and consent to service of process, as the bureau chief, by rule or otherwise, may require;

(o) Notwithstanding anything to the contrary in this act, until October 11, 1999, the bureau chief may require the registration of any person who is registered or required to be registered as an investment adviser under section 203 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-3, and who has failed to promptly pay the fees required by subsection (n) of this section after being notified in writing by the bureau chief of the non-payment or underpayment of those fees. A person shall be considered to have promptly paid those fees if they are remitted to the bureau chief within 15 days following that person's receipt of the written notification from the bureau chief.

10. Section 10 of P.L.1967, c.93 (C.49:3-57) is amended to read as follows:

C.49:3-57 Obtaining initial, renewal registration.

10. (a) A broker-dealer, agent, investment adviser or investment adviser representative may obtain an initial or renewal registration by filing with the bureau an application together with a consent to service of process pursuant to subsection (a) of section 26 of P.L.1967, c.93 (C.49:3-73). National Association of Securities Dealers, Inc. (NASD) member broker-dealers and their agents shall file their applications for initial or renewal registration with the Central Registration Depository, or its successor organization, as appropriate and available. The application shall contain whatever information the bureau chief by rule requires concerning such matters as (1) the applicant's form and place of organization; (2) the applicant's proposed method of doing business; (3) the qualifications and business history of the applicant; in the case of a broker-dealer or investment adviser, the qualifications and business history of any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser; and, in the case of an investment adviser or registered broker-dealer acting as an investment adviser, the qualifications and
business history of any employee who is to give investment advice or who is an investment adviser representative; (4) any injunction or administrative order or conviction of a crime of the fourth degree or its equivalent in any other jurisdiction involving a security or any aspect of the securities or investment advisory business and any conviction of a crime of the first, second or third degree or its equivalent in any other jurisdiction; (5) the applicant's financial condition; and (6) in the case of an investment adviser, a copy of any information or brochure used by the adviser to comply with any rule of the bureau promulgated pursuant to subsection (b) of section 12 of P.L.1967, c.93 (C.49:3-59). If no denial, postponement or suspension order is in effect and no proceeding is pending under section 11 of P.L.1967, c.93 (C.49:3-58), registration becomes effective at noon of the thirtieth day after an application is filed. The bureau chief may by rule or order specify an earlier effective date, or he may by order defer the effective date until the first day of the next calendar month after the thirtieth day after the filing of the application. The bureau chief may by order defer the effective date for additional periods, as the applicant shall agree to in writing. The time limits herein provided shall run anew from the filing of any amendment;

(b) Every applicant for initial or renewal registration for broker-dealer, agent, investment adviser and investment adviser representative shall pay filing fees in the amounts as set by rule of the bureau chief. If an application is denied or withdrawn, the bureau shall retain the fee. Whenever any supplemental filing is made, for the purpose of keeping current the information furnished to the bureau chief, there may be a supplemental filing fee in an amount set by rule of the bureau chief;

(c) A registered broker-dealer or investment adviser may file an application for registration of a successor, whether or not the successor is then in existence, for the unexpired portion of the registration period. There shall be no filing fee, except as may be provided by rule of the bureau chief;

(d) (1) The bureau chief may by rule require a minimum capital for registered broker-dealers not to exceed the limitations provided in section 15 of the "Securities Exchange Act of 1934," 15 U.S.C. s.78o. The minimum capital required for a registered broker-dealer shall be determined by rule of the bureau chief;

(2) The bureau chief may by rule establish minimum financial requirements for investment advisers, not to exceed the limitations provided in section 222 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-18a, which may include different requirements for those investment advisers who maintain custody of or have discretionary authority over clients' funds or securities and investment advisers who do not maintain such custody or discretionary authority;
(e) The bureau chief may by rule require registered investment advisers who have custody of clients' funds or securities to post bonds in amounts not to exceed the limitations provided in section 222 of the "Investment Advisers Act of 1940," 15 U.S.C. s.80b-18a and registered broker-dealers to post bonds in amounts not to exceed the limitations provided in section 15 of the "Securities Exchange Act of 1934," 15 U.S.C. s.78o, and may determine their conditions. Any appropriate deposit of cash or securities shall be accepted in lieu of any bond so required. Every bond shall provide for suit thereon by any person who has a cause of action under section 24 of P.L.1967, c.93 (C.49:3-71). Every bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within two years after the sale or other act upon which it is based, or within two years of the time when the person aggrieved knew or should have known of the existence of his cause of action, whichever is later. The dollar amount of the bonds shall be set by rule of the bureau chief;

(f) (1) The bureau chief may by rule provide for an examination which may be written or oral or both, to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser;

(2) Each applicant for broker-dealer, agent, investment adviser or investment adviser representative who takes an examination provided pursuant to paragraph (1) of this subsection shall pay examination fees in the amounts as set forth by rule of the bureau chief;

(g) (1) Registration as a broker-dealer or agent under this act for the limited purpose of engaging in the business of effecting or attempting to effect transactions in direct participation securities for the accounts of others or for his own account shall be permitted. All the requirements of this act shall apply to these limited registrations; except that any examination or other evaluation of proficiency or knowledge required by the bureau for this registration shall be limited to matters relating to direct participation securities and to the requirements of laws and regulations applicable to this registrant.

(2) Any applicant for a limited registration shall acknowledge in writing to the bureau prior to registration that he understands (i) the limitations on the scope of his authority to do business pursuant to this limited registration; and (ii) that any activity which exceeds the limitations of the registration shall violate the provisions of this act and may result in disciplinary action by the bureau, prosecution under this act or other laws, or civil liability, to the same extent as if he was not registered under this act.

11. Section 11 of P.L.1967, c.93 (C.49:3-58) is amended to read as follows:
11. (a) The bureau chief may by order deny, suspend, or revoke any registration if he finds:

   (1) that the order is in the public interest; and

   (2) that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

      (i) has filed an application for registration which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

      (ii) has willfully violated or willfully failed to comply with any provision of this act or any rule or order authorized by this act or has willfully, materially aided others in such conduct;

      (iii) has been convicted of any crime involving a security or any aspect of the securities, commodities, banking, insurance or investment advisory business or any crime involving moral turpitude; however, where the applicant can show by proof satisfactory to the bureau chief that during the 10-year period preceding the application he has conducted himself in such a manner as to warrant his registration consistent with all other provisions of this act, the conviction shall not be a bar to registration;

      (iv) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities, commodities, banking, insurance or investment advisory business;

      (v) is the subject of an effective order of the bureau chief denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, investment adviser representative or securities offering registrant;

      (vi) is the subject of an order entered within the past five years by any federal or state securities, commodities, banking, insurance or investment advisory administrator or self-regulatory organization denying or revoking a securities, commodities, banking, insurance or investment advisory license or registration under federal or state securities, commodities, banking, insurance or investment advisory law, including, but not limited to registration as a broker-dealer, agent, investment adviser, investment adviser representative or issuer, or the substantial equivalent of those terms as defined in this act, or is the subject of an order of the Securities and Exchange Commission, a self-regulatory organization, the Commodity Futures Trading Commission, an insurance regulator, or a federal or state
banking regulator, suspending or expelling him from a national securities or commodities exchange or national securities or commodities association registered under the "Securities Exchange Act of 1934," or the "Commodity Exchange Act," or from engaging in the banking or insurance business, or is the subject of a United States Post Office fraud order; but (A) the bureau chief may not institute a revocation or suspension proceeding under this subparagraph (vi) more than two years from the date of the order relied on and (B) he may not enter an order under this subparagraph (vi) on the basis of an order under another state act unless that order was based on facts which would currently constitute a ground for an order under New Jersey law;

(vii) has engaged in dishonest or unethical practices in the securities, commodities, banking, insurance or investment advisory business, as may be defined by rule of the bureau chief;

(viii) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the bureau chief may not enter an order against a broker-dealer or investment adviser for insolvency without a finding of insolvency as to the broker-dealer or investment adviser;

(ix) is not qualified on the basis of such factors as character, training, experience and knowledge of the securities business, except as otherwise provided in subsection (b) of this section;

(x) has failed to pass an examination under subsection (f) of section 10 of P.L. 1967, c.93 (C.49:3-57) if such an examination has been by rule provided for by the bureau chief;

(xi) has failed reasonably to supervise: his agents if he is a broker-dealer or issuer; the agents of a broker dealer or issuer for whom he has supervisory responsibility; or his employees who give investment advice if he is an investment adviser;

(xii) has failed to pay the proper fees, as set by rule of the bureau chief.

(b) The following provisions govern the application of subparagraph (ix) of paragraph (2) of subsection (a) of this section:

(1) The bureau chief may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than (i) the broker-dealer himself if he is an individual or (ii) an agent of the broker-dealer;

(2) The bureau chief may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than (i) the investment adviser himself if he is an individual or (ii) any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
(3) The bureau chief may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

(4) The bureau chief shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

(5) The bureau chief shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. If he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser, he may by order condition the applicant’s registration as a broker-dealer upon his not transacting business in this State as an investment adviser.

(c) The bureau chief, for good cause shown, may by order summarily postpone, suspend, revoke or deny any registration pending final determination of any proceeding under this section. Upon entry of the order, the bureau chief shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent or an investment adviser representative, that the order has been entered and of the reasons therefor.

(1) The bureau chief shall entertain on no less than three days’ notice a written application to lift the summary postponement, suspension or revocation on written application of the applicant or registrant and in connection therewith may, but need not, hold a hearing and hear testimony, but shall provide to the applicant or registrant a written statement of the reasons for the summary postponement, suspension or revocation.

(2) Upon service of notice of the order issued by the bureau chief, the applicant or registrant shall have up to 15 days to respond to the bureau in the form of a written answer and written request for a hearing. The bureau chief shall, within five days of receiving the answer and a request for a hearing, either transmit the matter to the Office of Administrative Law for a hearing or schedule a hearing at the Bureau of Securities. Orders issued pursuant to this subsection to suspend or revoke any registration shall be subject to an application to vacate upon 10 days' notice, and a preliminary hearing on the order to suspend or revoke any registration shall be held in any event within 20 days after it is requested, and the filing of a motion to vacate the order shall toll the time for filing an answer and written request for a hearing.

(3) If an applicant or registrant fails to respond by filing a written answer and request for a hearing with the bureau or moving to vacate an order to suspend or revoke any registration within the 15-day prescribed period, the registrant shall have waived the opportunity to be heard and the order shall remain in effect until modified or vacated.
(d) If the bureau chief finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser or investment adviser representative, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the bureau chief may by order summarily revoke or deny the registration or application;

(e) Withdrawal from registration as a broker-dealer, agent, investment adviser or investment adviser representative becomes effective 30 days after receipt of an application to withdraw or within such other period of time as the bureau chief may determine by rule or order. The bureau chief may nevertheless institute a revocation or suspension proceeding under subparagraph (ii) of paragraph (2) of subsection (a) of this section within two years after withdrawal becomes effective and enter a revocation or suspension order as of the last date on which registration was effective;

(f) (Deleted by amendment, P.L.1997, c.276).

(g) Every hearing which this act requires to be held shall be held in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

12. Section 12 of P.L.1967, c.93 (C.49:3-59) is amended to read as follows:

C.49:3-59 Maintenance of records, examination.

12. (a) (Deleted by amendment, P.L.1997, c.276.)

(b) Every registered broker-dealer and investment adviser shall make and keep those accounts, correspondence, memoranda, papers, books, and other records as the bureau chief by rule prescribes. Such books, records and accounts shall conform to those prescribed by the Securities and Exchange Commission. All records and books so required shall be accessible to the bureau and preserved for three years unless the bureau chief by rule prescribes otherwise;

(c) With respect to investment advisers, the bureau chief may require by rule that certain information be furnished or disseminated as necessary or appropriate in the public interest or for the protection of investors and investment advisory clients. To the extent determined by the bureau chief, information furnished to clients or prospective clients of an investment adviser that would be in compliance with the "Investment Advisers Act of 1940" and the regulations promulgated thereunder may be used in whole or partial satisfaction of this requirement;

(d) Every registered broker-dealer and investment adviser shall file the financial reports the bureau chief prescribes by rule, except that the bureau
chief shall not require a registered broker-dealer to file financial reports which exceed the limitations provided in section 15 of the "Securities Exchange Act of 1934," 15 U.S.C. s.78o;

(e) If the information contained in any document filed with the bureau is or becomes inaccurate or incomplete in any material respect, the registrant shall promptly file a correcting amendment unless notification of the correction has been given under subsection (h) of section 9 of P.L.1967, c.93 (C.49:3-56);

(f) All the records referred to in subsection (b) of this section are subject at any time or from time to time to such reasonable periodic, special, or other examinations by representatives of the bureau chief, within or without this State, as the bureau chief deems necessary or appropriate in the public interest or for the protection of investors. The bureau chief may cooperate with the securities administrators of other states, the Securities and Exchange Commission, Commodity Futures Trading Commission, federal and state banking regulators, state insurance regulators and any national securities exchange or national securities association registered under the "Securities Exchange Act of 1934."

13. Section 13 of P.L.1967, c.93 (C.49:3-60) is amended to read as follows:

C.49:3-60 Offer or sale of securities, lawful; conditions.

13. It is unlawful for any security to be offered or sold in this State unless:

(a) The security or transaction is exempt under section 3 of P.L.1967, c.93 (C.49:3-50);

(b) (Deleted by amendment, P.L.1997, c.276.)

(c) (Deleted by amendment, P.L. 1985, c. 405.)

(d) (Deleted by amendment, P.L. 1985, c. 405.)

(e) The security is registered under this act; or

(f) It is a federal covered security for which a notice filing and fees have been submitted as required by section 14 of this act (C.49:3-60.1).

C.49:3-60.1 Documents required to be filed.

14. (a) The bureau chief, by rule or otherwise, may require the filing of any or all of the following documents with respect to a federal covered security under paragraph (2) of subsection (b) of section 18 of the "Securities Act of 1933," 15 U.S.C. s.77r(b):

(1) Prior to the initial offer of such federal covered security in this State, a notice as prescribed by the bureau chief by rule or otherwise or all documents that are part of a current federal registration statement filed with the Securities and Exchange Commission under the "Securities Act of
CHAPTER 276, LAWS OF 1997

1933," together with a consent to service of process signed by the issuer and with the fee required by section 15 of P.L.1967, c.93 (C.49:3-62);

(2) After the initial offer of such federal covered security in this State, all documents that are part of an amendment to a current federal registration statement filed with the Securities and Exchange Commission under the "Securities Act of 1933;"

(3) To the extent necessary to compute fees, an annual or periodic report of the value of such federal covered securities offered or sold in this State;

(4) A notice setting forth the name and address of the issuer, and the name and the dollar amount of the securities issued and the number of the securities to be issued;

(5) That notice shall be effective on the later of date of its receipt by the bureau chief or effectiveness of the offering with the Securities and Exchange Commission and shall expire on June 30 of each year, unless renewed prior to expiration by filing an additional notice and fee, except that the bureau chief may by rule determine that such notice will automatically remain in effect in the case of unit investment trusts. A renewal notice shall take effect upon expiration of the notice filing being renewed. Only one notice and one fee needs to be filed for multiple portfolios, classes, trusts, or funds that are offered through one prospectus. In setting fees, the bureau shall take into account whether the investment company issuing the shares is an open-end management company or unit investment trust and shall establish different fees for different types of investment companies. In no event shall the fee charged in any calendar year for claiming this exemption exceed the fee charged for registering securities with the bureau under subsection (b) of section 15 of P.L.1967, c.93 (C.49:3-62);

(b) With respect to any security that is a federal covered security under subparagraph (D) of paragraph (4) of subsection (b) of section 18 of the "Securities Act of 1933," 15 U.S.C. s.77r(b)(4)(D), the bureau chief, by rule or otherwise, may require the issuer to file a notice on SEC Form D, 17 C.F.R. s.239.500, or a successor form, and a consent to service of process signed by the issuer no later than 15 days after the first sale of that federal covered security in this State, together with the fee required to be paid pursuant to paragraph (12) of subsection (b) of section 3 of P.L. 1967, c.93 (C.49:3-50);

(c) The bureau chief, by rule or otherwise, may require the filing of any document filed with the Securities and Exchange Commission under the "Securities Act of 1933" with respect to a federal covered security under paragraph (3) or (4) of subsection (b) of section 18 of the "Securities Act of 1933," 15 U.S.C. s.77r(b)(3) or (4);
(d) The bureau chief may issue a stop order suspending the offer and sale of a federal covered security, except a federal covered security under paragraph (1) of subsection (b) of section 18 of the "Securities Act of 1933," 15 U.S.C. s.77r(b)(1), if the bureau chief finds that (1) the order is in the public interest and (2) there is a failure to comply with any condition established under this section;

(e) The bureau chief, by rule or otherwise, may waive any or all of the provisions of this section.

15. Section 14 of P.L.1967, c.93 (C.49:3-61) is amended to read as follows:

The bureau chief may by rule or order determine the conditions of any escrow required hereunder, but he may not reject a depository solely because of location in another state.

(f) The bureau chief may by rule or order require as a condition of registration that any security registered by qualification be sold only on a specified form of subscription or sale contract, and that a signed or conformed copy of each contract be filed with the bureau chief or preserved for any period up to three years specified in the rule or order.
16. Section 7 of P.L.1985, c.405 (C.49:3-61.1) is amended to read as follows:

C.49:3-61.1 Coordination with federal registration.

7. a. Any security for which a registration statement has been filed under the "Securities Act of 1933," in connection with the same offering may be registered by coordination.

b. A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in section 15 of P.L.1967, c.93 (C.49:3-62) and the consent to service of process required by section 26 of P.L.1967, c.93 (C.49:3-73):

(1) Three copies of the latest form of prospectus filed under the "Securities Act of 1933;"

(2) If the bureau chief by rule or otherwise requires, a copy of the articles of incorporation and bylaws, or other substantial equivalents, currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(3) If the bureau chief requests, any other information, or copies of any other documents, filed under the "Securities Act of 1933;" and

(4) An undertaking to forward all amendments to the federal prospectus, other than an amendment which merely delays the effective date of the registration statement, promptly, and in any event, not later than the first business day after the day they are forwarded to or filed with the Securities and Exchange Commission, whichever occurs first.

c. The bureau chief shall make reasonable efforts to coordinate comments or requests with the securities administrators in other jurisdictions in which registration is sought and particularly with jurisdictions in which the issuer is located.

d. A registration statement under this section becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied:

(1) No stop order is in effect and no proceeding is pending against any person directly or indirectly involved in the offering under subsection (c) of section 3, section 17 or 23 of P.L.1967, c.93 (C.49:3-50, 49:3-64 or 49:3-70) or section 29 of this act (C.49:3-70.1); and

(2) The registration statement has been on file with the bureau chief for at least five days, but if the registration statement is not filed with the bureau chief within 10 days after the initial filing under the "Securities Act of 1933," the registration statement has been on file with the bureau chief for
30 days or any shorter period the bureau chief, by rule or order, specifies; and

(3) There are no comments or requests from the bureau that have not been answered to the satisfaction of the bureau; and

(4) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two full business days or a shorter period as the bureau chief permits by rule or otherwise; and

(5) The offering is made within the limitations set forth in paragraphs (1), (2), (3) and (4) of this subsection.

The registrant shall promptly notify the bureau chief by telephone or telegram of the date and time when the federal registration statement became effective, and the content of a price amendment, if any is made, and shall promptly file a post-effective amendment containing the information and documents in the price amendment.

For the purposes of this section, "price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering prices.

e. Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the bureau chief may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until there is compliance with subsection d. of this section, if he promptly notifies the registrant by telephone or telegram, and in the case of a telephone notification, by subsequent written notification, of the issuance of the order. If the registrant proves compliance with the requirements of this subsection as to notice and post-effective amendment, the stop order shall be void as of the time of its entry. The bureau chief may by rule or otherwise waive any of the conditions specified in paragraphs (1), (2), (3) and (4) of subsection d. of this section.

f. If the federal registration statement becomes effective before all the conditions in subsection d. are satisfied and they are not waived, the registration statement shall become effective as soon as all the conditions are satisfied. If the registrant advises the bureau chief of the date when the federal registration statement is expected to become effective, the bureau chief shall promptly advise the registrant by telephone or telegram, at the registrant's expense, whether all the conditions are satisfied and whether he contemplates the institution of a proceeding under section 17 of P.L.1967, c.93 (C.49:3-64), but any advice by the bureau chief pursuant to this
subsection shall not preclude the institution of such a proceeding at any
time.

17. Section 8 of P.L.1985, c.405 (C.49:3-61.2) is amended to read as
follows:

C.49:3-61.2 Registration by notification.
8. The following securities may be registered by notification, whether
or not they are also eligible for registration by coordination under section 7
of P.L.1985, c.405 (C.49:3-61.1) or by qualification under section 14 of
P.L.1967, c.93 (C. 49:3-61):

a. Any security whose issuer, and any predecessors, have been in
continuous operation for at least five years, if:
(1) There has been no default during the current fiscal year or within the
three preceding fiscal years in the payment of principal, interest, or
dividends on any security of the issuer, or of any predecessor thereof, with
a fixed maturity or a fixed interest or dividend provision; and
(2) The issuer, and any predecessors, during the past three fiscal years,
have had an average net earnings, determined in accordance with generally
accepted accounting practices:
   (i) Which are applicable to all securities without a fixed maturity or a
fixed interest or dividend provision, which securities are outstanding at the
date the registration statement is filed, and which average net earnings equal
at least 5% of the amount of those outstanding securities, as measured by the
maximum offering price or the market price on a day, selected by the
registrant, within 30 days before the date of filing the registration statement,
whichever is higher, or by the book value on a day, selected by the
registrant, within 90 days of the date of filing the registration statement, to
the extent that there is neither a readily determinable market price nor a cash
offering price; or
   (ii) Which average net earnings, if the issuer, and any predecessors,
have not had any security of the type specified in subparagraph (i) of this
paragraph outstanding for three full fiscal years, equal to at least 5% of the
amount, as established in subparagraph (i) of this paragraph, of all securities
which will be outstanding if all of the securities being offered or proposed
to be offered, whether or not they are proposed to be registered or offered in
this State, are issued;

b. A registration statement under this section shall contain the
following information and shall be accompanied by the following docu-
ments, in addition to the information specified in section 15 of P.L.1967,
c.93 (C.49:3-62) and the consent to service of process required by section
26 of P.L.1967, c.93 (C.49:3-73):
(1) A statement demonstrating eligibility for registration by notification;
(2) With respect to the issuer and any significant subsidiary: its name, address, and form of organization, the state or foreign jurisdiction and the date of its organization, and the general character and location of its business;
(3) With respect to any person on whose behalf any part of the offering is to be made in a nonissuer distribution: his name and address, the amount of securities of the issuer held by him as of the date of the filing of the registration statement, and a statement of his reasons for making the offering;
(4) A description of the security being registered;
(5) The information and documents specified in paragraphs (10), (12), and (14) of subsection (b) of section 14 of P.L.1967, c.93 (C.49:3-61); and
(6) In the case of any registration under paragraph (2) of subsection a. of this section which does not satisfy the conditions of paragraph (1) of subsection a. of this section, a balance sheet of the issuer as of a date within four months prior to the filing of the registration statement, and a summary of earnings for each of the two fiscal years preceding the date of the balance sheet and for any period between the close of the last fiscal year and the date of the balance sheet, or for the period of the issuer's and any predecessors' existence, if less than two years.

If no stop order is in effect and no proceeding is pending against any person directly or indirectly involved in the offering under subsection (c) of section 3, section 17 or section 23 of P.L.1967, c.93 (C.49:3-50, 49:3-64 or 49:3-70) or section 29 of this act (C.49:3-70.1), a registration statement under this section automatically becomes effective at three o'clock Eastern Standard Time in the afternoon of the second full business day after the filing of the registration statement or the last amendment, or at such earlier time as the bureau chief determines.

18. Section 15 of P.L.1967, c.93 (C.49:3-62) is amended to read as follows:

C.49:3-62 Filing of registration statement, fee.

15. (a) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer.
(b) Every person filing a registration statement shall pay a filing fee for each registration statement, as set by rule of the bureau chief. This fee shall not be refundable.
(c) Every registration statement shall specify (1) the amount of securities to be offered in this State; (2) the states in which a registration
statement or similar document in connection with the offering has been or is to be filed; and (3) any adverse order, judgment, or decree entered in connection with the offering by the regulatory authorities in any state or by any court or the Securities and Exchange Commission.

(d) Any document filed pursuant to this supplementary act within three years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate.

(e) The bureau chief may by rule or order permit the omission of any item of information or document from any registration statement.

(f) (Deleted by amendment, P.L.1997, c.276.)

(g) Every registration statement is effective for one year from its effective date, or any longer period during which the security is being offered or distributed in a nonexempt transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him as a participant in the distribution, except during the time a stop order is in effect under section 17 of P.L.1967, c.93 (C.49:3-64). All outstanding securities of the same class as a registered security of the issuer are considered to be registered for the purpose of any nonissuer transaction (1) so long as the registration statement is effective and (2) between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under section 17 of P.L.1967, c.93 (C.49:3-64) (if the registration statement did not relate in whole or in part to a nonissuer distribution) and one year from the effective date of the registration statement. A registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding. A registration statement may be withdrawn otherwise only in the discretion of the bureau chief.

(h) So long as a registration statement is effective, the bureau chief may by rule or order require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering.

(i) A registration statement relating to a security issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust, as those terms are defined in the "Investment Company Act of 1940," may be amended after its effective date so as to increase the securities specified as proposed to be offered. Such an amendment becomes effective when the bureau chief so orders. Every person filing such an amendment shall pay a filing fee, as
may be set by rule of the bureau chief, with respect to the additional
securities proposed to be offered.

j. Every registration statement shall be accompanied by an undertak­
ing by the registrant agreeing that, as a condition of registration, the
registrant will allow the bureau chief in the bureau chief's discretion (subject
in all cases to the constitutional or statutory rights of the registrant, its agents
and principals, if any) to (1) make such investigations within or outside this
State as the bureau chief deems necessary to determine if the registrant, the
registrant's agents, or principals have violated or are about to violate any
 provision of this act or any rule or order hereunder, or to aid in the
enforcement of this act or in the prescribing of rules and forms hereunder,
or (2) require or permit the registrant, the registrant's agents, and principals
to file a statement in writing, under oath or otherwise as the bureau chief
determines, as to all the facts and circumstances concerning the matter to be
investigated.

k. The bureau chief may by rule or order restrict or condition a
securities registration of any kind, or restrict the sale of such securities to
accredited investors.

19. Section 16 of P.L.1967, c.3 (C.49:3-63) is amended to read as
follows:

C.49:3-63 Filing of materials distributed to prospective investors.

16. The bureau chief may by rule or order require the filing of any
prospectus, pamphlet, circular, form letter, advertisement, or other sales
literature or advertising communication addressed or intended for distribu­
tion to prospective investors, including clients or prospective clients of an
investment adviser, unless the security is not required to be registered by
subsection (a) or (f) of section 13 of P.L.1967, c.93 (C.49:3-60).

20. Section 17 of P.L.1967, c.93 (C.49:3-64) is amended to read as
follows:

C.49:3-64 Issuance of stop order.

17. (a) The bureau chief may issue a stop order denying effectiveness
to, or suspending or revoking the effectiveness of, any registration statement
if he finds:

(1) that the order is in the public interest; and
(2) that:

(i) The registration statement, as of its effective date or as of any earlier
date in the case of an order denying effectiveness, or any amendment under
subsection (i) of section 15 of P.L.1967, c.93 (C.49:3-62) as of its effective
date, or any report under subsection (h) of section 15 of P.L.1967, c.93
(C.49:3-62), is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact; or

(ii) Any provision of this act or any rule, order, or condition lawfully imposed thereunder has been willfully violated, in connection with the offering by (A) the person filing the registration statement, (B) the issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, or (C) any underwriter; or

(iii) The security registered or sought to be registered is the subject of an administrative stop order or similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal, foreign or State act applicable to the offering; but the bureau chief may not institute a proceeding against an effective registration statement under this subsection more than two years from the date of the order or injunction relied on; or

(iv) The issuer's enterprise or method of business includes or would necessarily include activities which are illegal where performed; or

(v) (Deleted by amendment, P.L.1985, c.405).

(vi) (Deleted by amendment, P.L.1985, c.405).

(vii) The applicant or registrant has failed to pay the proper filing fee, as set by rule of the bureau chief;

(viii) The issuer, any partner, officer or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, or any broker-dealer or other person involved directly or indirectly in the offering (A) has been convicted of any crime of embezzlement under state, federal or foreign law or any crime involving any theft, forgery or fraudulent practices in regard to any state, federal or foreign securities, investment advisory, banking, insurance, or commodities trading laws or anti-fraud laws; (B) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities, commodities, banking, insurance or investment advisory business; (C) is the subject of an effective order of the bureau chief denying, suspending, or revoking securities registration, registration as a broker-dealer, agent, investment adviser or investment adviser representative; (D) is the subject of an order entered by any federal or state securities, commodities, banking, insurance or investment advisory administrator or self-regulatory organization denying or revoking any securities, commodities, banking, insurance or investment advisory license or registration under federal or state securities, commodities, banking, insurance or investment advisory law, including, but not limited to,
registration as a broker-dealer, agent, investment adviser, investment adviser representative, or the substantial equivalent of those terms as defined in this act, or is the subject of an order of the Securities and Exchange Commission, a self-regulatory organization, the Commodity Futures Trading Commission, an insurance commissioner, or a federal or state banking regulator, suspending or expelling him from a national securities or commodities exchange or national securities or commodities association registered under the "Securities Exchange Act of 1934" or the "Commodity Exchange Act," or from engaging in the banking or insurance business, or is the subject of a United States Postal Service fraud order, except the bureau chief may not institute a revocation or suspension proceeding pursuant to this subsubparagraph (D) of this subparagraph more than two years from the date of the order relied on and he may not enter an order pursuant to this subsubparagraph (D) of this subparagraph on the basis of an order under another state act unless that order was based on facts which would currently constitute a ground for an order under New Jersey law; (E) has engaged in dishonest or unethical practices in the securities business; or (F) is insolvent, either in the sense that liabilities exceed assets or in the sense that obligations cannot be met as they mature; or

(ix) The offering is a blind pool.

(b) (Deleted by amendment, P.L.1997, c.276.)

c) The bureau chief may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding instituted pursuant to this section. Upon entry of such an order, the bureau chief shall promptly notify each person specified in subsection (d) of this section that it has been entered and of the reasons therefor.

(1) Upon service of notice of the order issued by the bureau chief, the applicant shall have up to 15 days to respond to the bureau in the form of a written answer and written request for a hearing. The bureau chief shall, within five days of receiving the answer and a request for a hearing, either transmit the matter to the Office of Administrative Law for a hearing or schedule a hearing at the Bureau of Securities. Orders issued pursuant to this subsection to postpone or suspend the effectiveness of any registration statement shall be subject to an application to vacate upon 10 days' notice, and in any event a preliminary hearing on the order to postpone or suspend the effectiveness of any registration statement shall be held within 20 days after it is requested, and the filing of a motion to vacate the order shall toll the time for filing an answer and written request for a hearing.

(2) If an applicant fails to respond by either filing a written answer and written request for a hearing with the bureau or moving to vacate an order to postpone or suspend the effectiveness of any registration statement within
the 15-day period prescribed, the registrant shall have waived the opportunity to be heard and the order shall remain in effect until modified or vacated.

(d) No stop order may be entered pursuant to this section, except as provided in subsection (c), without (1) appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be offered, (2) opportunity for hearing, and (3) written findings of fact and conclusions of law.

(e) The bureau chief may vacate or modify a stop order if he finds that the conditions which prompted its entry have changed.

(f) Notwithstanding any other provision of this act to the contrary, the bureau chief may bring an administrative or court action pursuant to section 29 of this act (C.49:3-70.1) to seek and obtain civil penalties for violations of this section.

21. Section 18 of P.L.1967, c.93 (C.49:3-65) is amended to read as follows:

C.49:3-65 Handling of filed documents.

18. (a) A document is filed when it is received in completed form by the bureau;

(b) The bureau shall keep a register of all applications for registration and registration statements which are or have ever been effective under this act and all denial, suspension, revocation or other orders which have been entered under this act. The register shall be open for public inspection;

(c) The information contained in or filed with any registration statement, application or report may be made available to the public under such rules as the bureau chief prescribes;

(d) Upon request, the bureau chief shall furnish to any person photographic or other copies, certified under his seal of office if requested, of any entry in the register or any document in the custody of the bureau chief which is a public record. The bureau chief may establish such reasonable conditions and charges for the obtaining of such copies as will in his judgment be practicable.

(e) The provisions of this section are subject to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.).

22. Section 19 of P.L.1967, c.93 (C.49:3-66) is amended to read as follows:

C.49:3-66 Administration of act.

19. (a) This act shall be administered by the Bureau of Securities in the Division of Consumer Affairs of the Department of Law and Public Safety.
The principal executive officer of the bureau shall be a chief who is appointed by and serves at the pleasure of the Attorney General. The chief of the bureau shall have power to employ such officers and employees as may be necessary to carry out the purposes of this act and to define their duties;

(b) It shall be unlawful for any of the officers or employees of the bureau to use for personal benefit any information which is filed with or obtained by the bureau and which is not made public. No provision of this act authorizes any officers or employees of the bureau to disclose any such information except among themselves or when necessary or appropriate in a proceeding or investigation under this act. No provision of this act either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under subpoena directed to any of the officers or employees of the bureau.

23. Section 15 of P.L.1985, c.405 (C.49:3-66.1) is amended to read as follows:

15. The "Securities Enforcement Fund" in the Division of Consumer Affairs of the Department of Law and Public Safety shall continue as a nonlapsing, revolving fund. All fees, penalties, costs, fines and other moneys collected pursuant to this act, shall be deposited in the fund. Moneys in the fund shall be used by the Director of the Division of Consumer Affairs to administer the provisions of this act and to investigate violations and to enforce the prohibitions of this act to protect the public. There shall be made available from the General Fund such additional amounts as may be required to carry out the provisions of this act.

All fees set by rule of the bureau chief pursuant to this act may be imposed for revenue if the fees, taken together, are reasonably related to the overall costs of carrying out the regulatory and administrative duties of the bureau as set forth in this act.

The fees set pursuant to the "Uniform Securities Law (1967)," P.L.1967, c.93 (C.49:3-47 et seq.) and supplements thereto which are in effect on the effective date of this act, but which are to be set by regulation pursuant to this act, shall remain in effect until the regulations promulgated pursuant to this act take effect.

An annual accounting of deposits to and withdrawals from the fund shall be made by the Director of the Division of Consumer Affairs and filed with the Attorney General and bureau chief and any State agency, as required by law.
24. Section 20 of P.L.1967, c.93 (C.49:3-67) is amended to read as follows:

C.49:3-67 Rules, forms, orders from bureau chief.

20. (a) The bureau chief may from time to time make, amend and rescind such rules, forms and orders as are reasonably necessary to carry out the provisions of this act, including rules and forms governing applications and reports, and defining any terms, whether or not used in this act, insofar as the definitions are not inconsistent with the provisions of this act. For the purpose of rules and forms, the bureau chief may classify securities, persons and matters within his jurisdiction, and prescribe different requirements for different classes;

(b) No rule, form or order may be made, amended or rescinded unless the bureau chief finds that the action is necessary and appropriate (1) in the public interest, or (2) for the protection of investors, or (3) consistent with the purposes fairly intended by the policy and provisions of this act. In prescribing rules and forms the bureau chief may co-operate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of applications and reports wherever practicable;

(c) The bureau chief may by rule prescribe (1) the form and content of financial statements required under this act; and (2) the circumstances under which consolidated financial statements shall be filed. All financial statements shall be prepared in accordance with generally accepted accounting practices. The form and content of financial statements shall conform, insofar as practicable, to those prescribed by the Securities and Exchange Commission;

(d) All rules and forms promulgated by the bureau chief shall be filed as required pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). Copies of the rules and samples of the forms shall be published in convenient form by the bureau for distribution to interested persons, subject to available appropriations.

25. Section 21 of P.L.1967, c.93 (C.49:3-68) is amended to read as follows:

C.49:3-68 Powers of bureau chief.

21. (a) The bureau chief in his discretion (1) may make such private investigations within or outside of this State as he deems necessary to determine whether any person has violated or is about to violate any provision of this act or any rule or order hereunder, or to aid in the enforcement of this act or in the prescribing of rules and forms hereunder,
(2) may require or permit any person to file a statement in writing, under oath or otherwise as the bureau chief determines, as to all the facts and circumstances concerning the matter to be investigated, and (3) may publish information concerning any violation of this act or any rule or order hereunder;

(b) For the purpose of any investigation or proceeding under this act, the bureau chief or any officer designated by him may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence and require the production of any books, papers, correspondence, memoranda, agreements or other documents or records which the bureau chief deems relevant or material to the inquiry. At his discretion, the bureau chief may make available private investigative materials to representatives of domestic or foreign governmental authorities, self-regulatory organizations, state or federal law enforcement officers, state securities administrators, and trustees in bankruptcy. The bureau may also disclose that information: (i) in court proceedings; (ii) if ordered to do so by a court of competent jurisdiction; or (iii) if appropriate, in furtherance of any ongoing investigation or proceeding. The bureau chief may also request and use private investigative materials provided to it by other federal and state authorities, including authorities of other states and foreign countries;

(c) In case of contumacy by, or refusal to obey a subpoena or order issued to, any person, the Superior Court, upon application by the bureau chief, may issue to the person an order requiring him to appear before the bureau chief, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. The court may grant injunctive relief restraining the issuance, sale or offer for sale, purchase or offer to purchase, promotion, negotiation, advertisement or distribution from or within this State of any securities or investment advisory advice concerning securities by a person, or agent, employee, broker, partner, officer, director, investment adviser, investment adviser representative or issuer or stockholder thereof, until such person has fully complied with such subpoena or order and the bureau has completed its investigation. The court may proceed in the action in a summary manner or otherwise;

(d) No person is excused from attending and testifying or from producing any document or record before the bureau or in obedience to the subpoena or order of the bureau chief or any officer designated by him, or in any proceeding instituted by the bureau, on the ground that the testimony or evidence (documentary or otherwise) required of him may tend to incriminate him or subject him to a penalty or forfeiture; but the testimony or evidence (documentary or otherwise) compelled from an individual who has claimed his privilege against self-incrimination, or the fruits thereof,
may not be used to prosecute that individual or to subject that individual to any penalty or forfeiture, except that the individual testifying is not exempt from prosecution and punishment for perjury, false swearing or contempt committed in testifying;

(e) When it shall appear to the bureau chief that the testimony of any person is essential to an investigation instituted by him as provided by this chapter, and that the failure of such person to appear and testify may defeat the proper and effective conduct thereof, the bureau chief, in addition to the other remedies provided for herein, may, by petition verified generally, setting forth the facts, apply to the Superior Court for a writ of ne exeat against such person. The court shall thereupon direct the issuance of the writ against such person requiring him to give sufficient bail conditioned to insure his appearance before the bureau chief for examination under oath in such investigation and that he will continue his appearance therein from time to time until the completion of the investigation and will appear before the court if the bureau chief shall institute any proceeding therein as a result of his investigation.

The court shall cause to be indorsed on the writ of ne exeat, in words at length, a suitable amount of bail upon which the person named in the writ shall be freed, having a due regard to the nature of the case and the value of the securities involved. All applications to be freed on bail shall be on notice to the bureau chief and the sufficiency of the bail given on the writ shall be approved by the court. All recognizances shall be to the State and all forfeitures thereof shall be declared by the court. The proceeds of the forfeitures shall be paid into the State treasury.

C.49:3-68.1 Restraints ordered by bureau chief.

26. (a) In case of contumacy by, or refusal to obey a subpoena or order issued to, any person, the bureau chief may, in his discretion, summarily order restraints on the issuance, sale, offer for sale, purchase or offer to purchase, promotion, negotiation, advertisement, or distribution from or within the State of any securities or investment advisory advice concerning securities, by the person, or agent, employee, broker, partner, officer, director, investment adviser representative, or stockholder thereof, until that person has fully complied with that subpoena or order and the bureau has completed its investigation.

(b) The bureau chief may proceed in an action in a summary manner or otherwise, by issuing a cease and desist order, by denying, revoking or suspending any registration or exemption under this act, by assessing civil monetary penalties, or by any combination of these actions he deems appropriate. Upon entry of such an order, the bureau chief shall promptly notify each person subject thereto that it has been entered and of the reasons
therefor. In the case of an agent, notice shall also be given to the broker-dealer with which the agent is affiliated as shown on the Central Registration Depository, and in the case of an investment adviser representative, notice shall also be given to the investment adviser with which the investment adviser representative is affiliated as shown on Form ADV, 17 C.F.R. s.279.1, or successor federal registration form;

(1) The bureau chief shall entertain on no less than three days' notice an application to lift the summary order on written application of the person subject thereto and in connection therewith may, but need not, hold a hearing and hear testimony, but shall provide to the person subject thereto a written statement of the reasons for the summary order;

(2) Upon service of notice of the order issued by the bureau chief, each person subject thereto shall have up to 15 days to respond to the bureau in the form of a written answer and written request for a hearing. The bureau chief shall, within five days of receiving the answer and request for a hearing, either transmit the matter to the Office of Administrative Law for a hearing, or schedule a hearing at the Bureau of Securities. Orders issued pursuant to this section shall be subject to an application to vacate upon 10 days' notice, and in any event a preliminary hearing on the order shall be held within 20 days after it is requested, and the filing of a motion to vacate the order shall toll the time for filing an answer and written request for a hearing;

(3) If a person subject to the order fails to respond by either filing a written answer and written request for a hearing with the bureau or moving to vacate the order within the 15-day prescribed period, that person shall have waived the opportunity to be heard and the order shall remain in effect as to that person until modified or vacated by the bureau chief.

27. Section 22 of P.L.1967, c.93 (C.49:3-69) is amended to read as follows:

C.49:3-69 Enforcement actions by bureau chief.

22. (a) If it appears to the bureau chief that any person has, or directly or indirectly controls another person who has engaged in, is engaging in, or is about to engage in any act or practice constituting a violation of any provision of this act or any rule or order hereunder, or if it appears that it will be against the public interest for any person to issue, sell, offer for sale, purchase, offer to purchase, promote, negotiate, advertise or distribute any securities from or within this State, the bureau chief may take, in addition to any other enforcement actions available under this act and in the bureau chief's discretion, either or both of the following actions:

(1) issue a cease and desist order against the persons engaged in the prohibited activities directing them to cease and desist from further illegal
activity or doing any acts in furtherance thereof. Upon entry of such an order, the bureau chief shall promptly notify each person subject thereto that it has been entered and of the reasons therefor. In the case of an agent, notice shall also be given to the broker-dealer with which the agent is affiliated as shown on the Central Registration Depository, and in the case of an investment adviser representative, notice shall also be given to the investment adviser with which the investment adviser representative is affiliated as shown on Form ADV, 17 C.F.R. s.279.1, or successor federal registration form;

(i) The bureau chief shall entertain on no less than three days' notice an application to lift the summary order on written application of the person subject thereto and in connection therewith may, but need not, hold a hearing and hear testimony, but shall provide to the person subject thereto a written statement of the reasons for the summary order;

(ii) Upon service of notice of the order issued by the bureau chief, each person subject thereto shall have up to 15 days to respond to the bureau in the form of a written answer and written request for a hearing. The bureau chief shall, within five days of receiving the answer and request for a hearing, either transmit the matter to the Office of Administrative Law for a hearing or schedule a hearing at the Bureau of Securities. Orders issued pursuant to this section shall be subject to an application to vacate upon 10 days' notice, and in any event a preliminary hearing on the order shall be held within 20 days after it is requested, and the filing of a motion to vacate the order shall toll the time for filing an answer and written request for a hearing;

(iii) If any person subject to the order fails to respond by either filing a written answer and written request for a hearing with the bureau or moving to vacate the order within the 15-day prescribed period, that person shall have waived the opportunity to be heard and the order shall remain in effect as to that person until modified or vacated by the bureau chief; or

(2) Have an action brought by the Attorney General in the Superior Court on the bureau chief's behalf to enjoin the acts or practices to enforce compliance with this act or any rule or order hereunder. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. In addition, upon a proper showing by the bureau chief, the court may enter an order of rescission, restitution or disgorgement or any other order within the court's power, directed to any person who has engaged in any act constituting a violation of any provision of this act or any rule or order hereunder. The court may not require the bureau chief to post a bond. The court may proceed in the action in a summary manner or otherwise;
(b) If it appears to the court in the action that such person has engaged in, is engaging in, or is about to engage in any act or practice constituting a violation of any provision of this act or any rule or order hereunder, it may enjoin such person, and any agent, employee, broker, partner, officer, director or stockholder thereof, from continuing such practices or engaging therein or doing any acts in furtherance thereof. The court may also enjoin the issuance, sale, offer for sale, purchase, offer to purchase, promotion, negotiation, advertisement or distribution from or within this State of any securities by such persons, and any agent, employee, broker, partner, officer, director or stockholder thereof, until the court shall otherwise order;

(c) If the court grants injunctive relief as provided for in subsection (b) of this section, it may appoint a receiver with power to sue for, collect, receive and take into his possession all the goods and chattels, rights and credits, moneys and effects, lands and tenements, books, records, documents, papers, choses in action, bills, notes and property of every description, derived by means of any practice constituting a violation of this act or any rule or order hereunder, including property with which such property has been mingled, if it cannot be identified in kind because of such commingling, and to sell, convey and assign the same and hold and dispose of the proceeds thereof under the direction of the court for the equal benefit of all who establish an interest therein by reason of the use and employment by the defendant of any practices constituting a violation of this act or any rule or order hereunder. The receiver may retain an attorney with the consent of the Attorney General and the court. The court shall have jurisdiction of all questions arising in such proceedings and may make such orders and judgments therein as justice shall require;

(d) If injunctive relief is granted as provided for in subsection (b) of this section against a corporation, partnership, company, association or trust, the court may appoint a receiver and may restrain the corporation, its officers, directors, stockholders, and agents, the partnership, company or association, its officers, members and agents, and the trust, its grantors, trustees, officers, cestuis que trustent and agents, from exercising any of its privileges or franchises, and in the case of a trust from executing the trust, and in all cases from collecting or receiving any debts, or paying out, selling, assigning or transferring any of its estate, moneys, funds, lands, tenements or effects except to the receiver appointed by the court until the court shall otherwise order.

Upon the appointment of the receiver, all the real and personal property of the corporation, partnership, company, association or trust, and its franchises, rights, privileges and effects shall forthwith vest in him and the corporation, partnership, company, association or trust shall be divested of the title thereto.
The receiver shall settle the estate and distribute the assets, and have all
the powers and duties conferred upon receivers by the provisions of Title
14A of the New Jersey Statutes, Corporations, General, so far as the
provisions thereof are applicable.

There is contribution as in cases of contract among the several persons so liable;

the security, and he failed to accept the offer within 30 days of its receipt, or
(2) if the buyer received such an offer before suit and at a time when he did
not own the security, unless he rejected the offer in writing within 30 days
of its receipt;

(h) No person who has made or engaged in the performance of any
contract in violation of any provision of this act or any rule or order
hereunder, or who has acquired any purported right under any such contract
with knowledge of the facts by reason of which its making or performance

(i) Any condition, stipulation or provision binding any person
acquiring any security or receiving investment advice to waive compliance
with any provision of this act or any rule or order hereunder is void;

(j) The rights and remedies provided by this act are in addition to any
other rights or remedies that may exist at law or in equity, but this act does
not create any cause of action not specified in this section or subsection (e)

31. Section 25 of P.L.1967, c.93 (C.49:3-72) is amended to read as
follows:

C.49:3-72 Nonapplicability of act.

25. No provision of this act imposing any liability applies to any act
done or omitted in good faith in conformity with any rule, form or order of
the bureau chief, notwithstanding that the rule, form or order may later be
amended or rescinded or be determined by judicial or other authority to be
invalid for any reason.

32. Section 26 of P.L.1967, c.93 (C.49:3-73) is amended to read as
follows:
C.49:3-73 Consent to bureau chief as attorney for service of process.

26. (a) Every broker-dealer, agent or investment adviser applicant for registration under this act and every issuer who is required to file with the bureau to claim an exemption from registration or to register a security in this State shall file with the bureau, in such form as the bureau chief by rule prescribes, an irrevocable consent appointing the bureau chief or his successor in office to be his attorney to receive service of any lawful process in any noncriminal suit, action or proceeding against him or his successor, executor or administrator which arises under this act or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the bureau, but it is not effective unless the plaintiff, who may be the bureau chief, in a suit, action or proceeding instituted on his behalf by the Attorney General forthwith sends notice of the service and a copy of the process by certified or registered mail to the defendant or respondent at his last address on file with the bureau. It is the responsibility of the registrant to maintain its current address on file with the bureau. If process was served on the last address on file with the bureau and is returned by the post office unclaimed, refused or not forwarded, that service will constitute valid service;

(b) If any person, including any nonresident of this State, engages in conduct prohibited or made actionable by this act or any rule or order authorized by this act, and he has not filed a consent to service of process under subsection (a) of this section and personal jurisdiction over him cannot otherwise be obtained in this State, that conduct shall be considered equivalent to his appointment of the bureau chief or his successor in office to be his attorney to receive service of any lawful process in any noncriminal suit, action or proceeding against him or his successor, executor or administrator which grows out of that conduct and which is brought under this act or any rule or order hereunder, with the same force and validity as if served on him personally. Service may be made by leaving a copy of the process in the office of the bureau, and it is not effective unless the plaintiff, who may be the bureau chief in any action instituted on his behalf by the Attorney General, forthwith sends notice of the service and a copy of the process by certified or registered mail to the defendant or respondent at his last known address.

33. Section 28 of P.L.1967, c.93 (C.49:3-75) is amended to read as follows:
Construction of act.

28. This act shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact similar laws and to co-ordinate the interpretation and administration of this act with related federal regulations. The bureau chief and the bureau chief's designees may participate in private investigations and enforcement proceedings and cooperate in sharing information with other State authorities, and with authorities of other states and of federal and foreign governments.

Repealer.

34. The following are repealed:
Sections 2 and 3 of P.L.1967, c.96 (C.49:3-45 and C.49:3-46); and

35. This act shall take effect immediately.

Approved December 24, 1997.

CHAPTER 277

AN ACT concerning penalties for driving while intoxicated and amending

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:4-50 is amended to read as follows:

Driving while intoxicated.

R.S.39:4-50. (a) A person who operates a motor vehicle while under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug, or operates a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood or permits another person who is under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug to operate a motor vehicle owned by him or in his custody or control or permits another to operate a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood, shall be subject:

(1) For the first offense, to a fine of not less than $250.00 nor more than $400.00 and a period of detention of not less than 12 hours nor more than 48 hours spent during two consecutive days of not less than six hours each day and served as prescribed by the program requirements of the Intoxicated Driver Resource Centers established under subsection (f) of this section and,
in the discretion of the court, a term of imprisonment of not more than 30 days and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of not less than six months nor more than one year.

(2) For a second violation, a person shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall be sentenced to imprisonment for a term of not less than 48 consecutive hours, which shall not be suspended or served on probation, nor more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director, consistent with subsection (b) of this section.

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and shall thereafter forfeit his right to operate a motor vehicle over the highways of this State for 10 years.

Whenever an operator of a motor vehicle has been involved in an accident resulting in death, bodily injury or property damage, a police officer shall consider that fact along with all other facts and circumstances in determining whether there are reasonable grounds to believe that person was operating a motor vehicle in violation of this section.

A conviction of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L. 1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this subsection unless the defendant can demonstrate by clear and convincing evidence that the conviction in the other jurisdiction was based exclusively upon a violation of a proscribed blood alcohol concentration of less than .10%.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title or Title 2C of the New Jersey Statutes at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the forfeiture, suspension or revocation of the driving privilege
imposed by the court under this section shall commence immediately, run through the offender's seventeenth birthday and continue from that date for the period set by the court pursuant to paragraphs (1) through (3) of this subsection. A court that imposes a term of imprisonment under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, to an inpatient rehabilitation program or to an Intoxicated Driver Resource Center or other facility approved by the chief of the Intoxicated Driving Program Unit in the Department of Health and Senior Services; provided that for a third or subsequent offense a person shall not serve a term of imprisonment at an Intoxicated Driver Resource Center as provided in subsection (f).

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the screening, evaluation, referral, program and fee requirements of the Division of Alcoholism and Drug Abuse's Intoxicated Driving Program Unit, and of the Intoxicated Driver Resource Centers and a program of alcohol and drug education and highway safety, as prescribed by the Director of the Division of Motor Vehicles. The sentencing court shall inform the person convicted that failure to satisfy such requirements shall result in a mandatory two-day term of imprisonment in a county jail and a driver license revocation or suspension and continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with Rule 7:8-2 of the Rules Governing the Courts of the State of New Jersey, or R.S.39:5-22. Upon sentencing, the court shall forward to the Division of Alcoholism and Drug Abuse's Intoxicated Driving Program Unit a copy of a person's conviction record. A fee of $100.00 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established pursuant to section 3 of P.L.1983, c.531 (C.26:2B-32) to support the Intoxicated Driving Program Unit.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the Director of the Division of Motor Vehicles. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this
CHAPTER 277, LAWS OF 1997

section, he shall, upon conviction, be subject to the penalties established in R.S.39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. In the event that a person convicted under this section is the holder of any out-of-State driver's license, the court shall not collect the license but shall notify forthwith the director, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresidents driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The Director of the Division of Motor Vehicles shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) in order to establish a program of alcohol education and highway safety, as prescribed by this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing Criminal Practice, as set forth in the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Alcoholism and Drug Abuse and the Division of Motor Vehicles, but subject to the approval of the Division of Alcoholism and Drug Abuse, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and as court monitors of a person's compliance with the ordered treatment, service alternative or community service. All centers established pursuant to this subsection shall be administered by a counselor certified by the Alcohol and Drug Counselor Certification Board of New Jersey or other professional with a minimum of five years' experience in the treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed one year. It shall be the center's responsibility to establish networks with the community alcohol and drug education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person's
participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Alcoholism and Drug Abuse.

Upon a person's failure to report to the initial screening or any subsequent ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person's failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Intoxicated Driving Program Unit. Upon attendance at an Intoxicated Driver Resource Center, a person shall be required to pay a per diem fee of $75.00 for the first offender program or a per diem fee of $100.00 for the second offender program, as appropriate. Any increases in the per diem fees after the first full year shall be determined pursuant to rules and regulations adopted by the Commissioner of Health and Senior Services in consultation with the Governor's Council on Alcoholism and Drug Abuse pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

The centers shall conduct a program of alcohol and drug education and highway safety, as prescribed by the Director of the Division of Motor Vehicles.

The Commissioner of Health and Senior Services shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the purposes of this subsection.

2. Section 2 of P.L.1981, c.512 (C.39:4-50.4a) is amended to read as follows:

C.39:4-50.4a Revocation for refusal to submit to breath test; penalties.

2. The municipal court shall revoke the right to operate a motor vehicle of any operator who, after being arrested for a violation of R.S.39:4-50, shall refuse to submit to a test provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) when requested to do so, for six months unless the refusal was in connection with a second offense under this section, in which case the revocation period shall be for two years or unless the refusal was in connection with a third or subsequent offense under this section in which case the revocation shall be for ten years. A conviction or administrative determination of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this section.

The municipal court shall determine by a preponderance of the evidence whether the arresting officer had probable cause to believe that the person
had been driving or was in actual physical control of a motor vehicle on the public highways or quasi-public areas of this State while the person was under the influence of intoxicating liquor or a narcotic, hallucinogenic, or habit-producing drug or marijuana; whether the person was placed under arrest, if appropriate, and whether he refused to submit to the test upon request of the officer; and if these elements of the violation are not established, no conviction shall issue. In addition to any other requirements provided by law, a person whose operator's license is revoked for refusing to submit to a test shall be referred to an Intoxicated Driver Resource Center established by subsection (f) of R.S.39:4-50 and shall satisfy the same requirements of the center for refusal to submit to a test as provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) in connection with a first, second, third or subsequent offense under this section that must be satisfied by a person convicted of a commensurate violation of this section, or be subject to the same penalties as such a person for failure to do so. The revocation shall be independent of any revocation imposed by virtue of a conviction under the provisions of R.S.39:4-50.

In addition to issuing a revocation, the municipal court shall fine a person convicted under this section, a fine of not less than $250.00 nor more than $500.00.

3. This act shall take effect immediately.

Approved December 30, 1997.

CHAPTER 278

AN ACT concerning the remediation of contaminated sites, revising parts of the statutory law, and making appropriations.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.S.10B-1.1 Short title.

1. Sections 23 through 43 and section 45 of P.L.1993, c.139 (C.58:10B-1 et seq.), as may be amended and supplemented, shall be known and may be cited as the "Brownfield and Contaminated Site Remediation Act."

C.S.10B-1.2 Findings, declarations relative to remediation of contaminated sites.

2. The Legislature finds and declares that due to New Jersey's industrial history, large areas in the State's urban and suburban areas
formerly used for commercial and industrial purposes are underused or abandoned; that many of these properties, often referred to as brownfields, are contaminated with hazardous substances and pose a health risk to the nearby residents and a threat to the environment; and that these sites can be a blight to the neighborhood and a financial drain on a municipality because they have no productive use, and fail to generate property taxes and jobs. The Legislature further finds that often there are legal, financial, technical, and institutional impediments to the efficient and cost-effective cleanup of brownfield sites as well as all other contaminated sites wherever they may be. The Legislature finds and declares that the State needs to ensure that the public health and safety and the environment are protected from the risks posed by contaminated sites and that strict standards coupled with a risk based and flexible regulatory system will result in more cleanups and thus the elimination of the public's exposure to these hazardous substances and the environmental degradation that contamination causes.

The Legislature therefore declares that strict remediation standards are necessary to protect public health and safety and the environment; that these standards should be adopted based upon the risk posed by discharged hazardous substances; that unrestricted remedies for contaminated sites are preferable and the State must adopt policies that encourage their use; that institutional and engineering controls should be allowed only when the public health risk and environmental protection standards are met; and that in order to encourage the cleanup of contaminated sites, there must be finality in the process, the provision of financial incentives, liability protection for innocent parties who clean up, cleanup procedures that are cost effective and regulatory action that is timely and efficient.

C.58:10B-21 Investigation, determination of extent of contamination of aquifers.

3. a. The Department of Environmental Protection shall investigate and determine the extent of contamination of every aquifer in this State. The department shall prioritize its investigations of aquifers giving the highest priority to those aquifers underlying urban or industrial areas that are known or suspected of having large areas of contamination. This information shall be updated periodically as necessary. The information derived from the investigation shall be made available to the public by entering it into the Department of Environmental Protection's existing geographic information system, by making this information available on the system, and by making copies of any maps and data available to the public. The functions required pursuant to this section shall be considered a site remediation obligation of the State. The department may charge a reasonable fee for the reproduction of the maps and data which fee shall reflect the cost of their reproduction.
b. Upon completion of an investigation of an aquifer by the department and upon the department's determination of the extent of contamination of an aquifer, a person performing a remediation may rely upon that information for that person's submission of information to the department in the performance of a remediation.

c. The entire cost of the investigation required pursuant to this section shall be borne by the department from appropriations made to it by the Legislature specifically for this purpose. The department may not fund any part of this investigation by the imposition of a fee or charge on any person performing a remediation or upon any person who is in need of a permit or approval from the department.

d. Nothing in this section shall be construed to require or obligate the department to reclassify the groundwater of any aquifer.

C.S8:10B-22 Investigation, mapping of historic fill areas.

4. a. The Department of Environmental Protection shall investigate and map those areas of the State at which large areas of historic fill exist. The department shall prioritize its investigations of historic fill areas giving highest priority to those areas of the State that are known or suspected to contain historic fill. This information shall be updated periodically as necessary. The information derived from the investigation shall be made available to the public by entering it into the Department of Environmental Protection's existing geographic information system, by making this information available on the system, and by making copies of any maps and data available to the public. The functions required pursuant to this section shall be considered a site remediation obligation of the State. The department may charge a reasonable fee for the reproduction of the maps and data which fee shall reflect the cost of their reproduction.

b. Upon completion of an investigation of an area of historic fill by the department and upon the department's determination of the location of historic fill in an area, a person performing a remediation may rely upon that information for that person's performance of a remediation and selection of a remedial action pursuant to subsection h. of section 35 of P.L. 1993, c. 139 (C.S8:10B-12).

c. The entire cost of investigation required pursuant to this section shall be borne by the department from appropriations made to it by the Legislature specifically for this purpose. The department may not fund any part of this investigation by the imposition of a fee or charge on any person performing a remediation or upon any person who is in need of a permit or approval from the department.
C.58:10B-23 "Brownfields Redevelopment Task Force"; duties.

5. a. There is created the "Brownfields Redevelopment Task Force." The Task Force shall consist of five representatives from State agencies and six public members. The State agency representatives shall be from each of the following State agencies: the Office of State Planning in the Department of the Treasury, the Office of Neighborhood Empowerment in the Department of Community Affairs, the New Jersey Redevelopment Authority in the Department of Commerce and Economic Development, the Department of Transportation, and the Site Remediation Program in the Department of Environmental Protection. The six public members shall be appointed by the Governor with the advice and consent of the Senate. The public members shall include to the extent practicable: a representative of commercial or residential development interests, a representative of the financial community, a representative of a public interest environmental organization, a representative of a neighborhood or community redevelopment organization, a representative of a labor or trade organization, and a representative of a regional planning entity.

The Office of State Planning shall provide staff to implement the functions and duties of the Task Force. The public members of the Task Force shall serve without compensation but may be reimbursed for actual expenses in the performance of their duties. The Governor shall select the chairperson of the Task Force.

b. The Task Force shall prepare and update an inventory of brownfield sites in the State. In preparing the inventory, priority shall be given to those areas of the State that receive assistance from the Urban Coordinating Council or from the Office of Neighborhood Empowerment. To the extent practicable, the inventory shall include an assessment of the contaminants known or suspected to have been discharged or that are currently stored on the site, the extent of any remediation performed on the site, the site's proximity to transportation networks, and the availability of infrastructure to support the redevelopment of the site. The information gathered for the inventory shall, to the extent practicable, be made available to the public by entering it into the Department of Environmental Protection's existing geographic information system, by making this information available on the system and by making copies of any maps and data available to the public. The department may charge a reasonable fee for the reproduction of maps and data which fee shall reflect the cost of their reproduction.

c. In addition to its functions pursuant to subsection b. of this section, the Task Force shall:
(1) coordinate State policy on brownfields redevelopment, including incentives, regulatory programs, provision of infrastructure, and redevelopment planning assistance to local governments;

(2) use the inventory to prioritize sites based on their immediate economic development potential;

(3) prepare a plan of action to return these sites to productive economic use on an expedited basis;

(4) actively market sites on the inventory to prospective developers;

(5) use the inventory to provide a targeted environmental assessment of the sites, or of areas containing several brownfield sites, by the Department of Environmental Protection;

(6) consult with the Pinelands Commission concerning the remediation and redevelopment of brownfield sites located in the pinelands area as designated pursuant to section 10 of P.L.1979, c.111 (C.13:18A-11);

(7) evaluate the performance of current public incentives in encouraging the remediation of and redevelopment of brownfields; and

(8) make recommendations to the Governor and the Legislature on means to better promote the redevelopment of brownfields, including the provision of necessary public infrastructure and methods to attract private investment in redevelopment.

d. As used in this section, "brownfield" means any former or current commercial or industrial site that is currently vacant or underutilized and on which there has been, or there is suspected to have been, a discharge of a contaminant.

C.58:10B-13.1 No further action letter; covenant not to sue.

6. a. Whenever after the effective date of P.L.1997, c.278 (C.58:10B-1.1 et al.) the Department of Environmental Protection issues a no further action letter pursuant to a remediation, it shall also issue to the person performing the remediation a covenant not to sue with respect to the real property upon which the remediation has been conducted. A covenant not to sue shall be executed by the person performing the remediation and by the department in order to become effective. The covenant not to sue shall be consistent with any conditions and limitations contained in the no further action letter. The covenant not to sue shall be for any area of concern remediated and may apply to the entire real property if the remediation included a preliminary assessment and, if necessary, a site investigation of the entire real property, and any other necessary remedial actions. The covenant remains effective only for as long as the real property for which the covenant was issued continues to meet the conditions of the no further action letter. Upon a finding by the department that real property or a portion thereof to which a covenant not to sue pertains, no longer meets
with the conditions of the no further action letter, the department shall provide notice of that fact to the person responsible for maintaining compliance with the no further action letter. The department may allow the person a reasonable time to come into compliance with the terms of the original no further action letter. If the property does not meet the conditions of the no further action letter and if the department does not allow for a period of time to come into compliance or if the person fails to come into compliance within the time period, the department may invoke the provisions of the covenant not to sue permitting revocation of the covenant not to sue.

Except as provided in subsection e. of this section, a covenant not to sue shall contain the following, as applicable:

(1) a provision releasing the person who undertook the remediation from all civil liability to the State to perform any additional remediation or for any cleanup and removal costs;
(2) for a remediation that involves the use of engineering or institutional controls:
   (a) a provision requiring the person, or any subsequent owner, lessee, or operator during the person's period of ownership, tenancy, or operation, to maintain those controls, conduct periodic monitoring for compliance, and submit to the department, on a biennial basis, a certification that the engineering and institutional controls are being properly maintained and continue to be protective of public health and safety and of the environment. The certification shall state the underlying facts and shall include the results of any tests or procedures performed that support the certification; and
   (b) a provision revoking the covenant if the engineering or institutional controls are not being maintained or are no longer in place; and

d. A covenant not to sue and the protections it affords shall not apply to any discharge that occurs subsequent to the issuance of the no further action letter which was the basis of the issuance of the covenant, nor shall a covenant not to sue and the protections it affords relieve any person of the obligations to comply in the future with laws and regulations.

e. The covenant not to sue may be issued to any person who obtains a no further action letter as provided in subsection a. of this section. The covenant not to sue shall not provide relief from any liability, either under statutory or common law, to any person who is liable for cleanup and removal costs pursuant to subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), and who does not have a defense to liability pursuant to subsection d. of that section.

d. (1) Upon the submission of the results of either the preliminary assessment, site investigation, remedial investigation, or remedial action, where applicable, which demonstrate that there are no discharged hazardous substances or hazardous wastes at the industrial establishment, or that have migrated from or are migrating from the industrial establishment, in violation of the applicable remediation regulations, the owner or operator may submit to the department for approval a proposed negative declaration as provided in subsection c. of this section.

(2) After the submission and review of the information submitted pursuant to a preliminary assessment, site investigation, remedial investigation, or remedial action, as necessary, the department shall, within 45 days of submission of a complete and accurate negative declaration, approve the negative declaration, or inform the owner or operator of the industrial
establishment that a remedial action workplan or additional remediation shall be required. The department shall approve a negative declaration by the issuance of a no further action letter.

e. The owner or operator of an industrial establishment, who has submitted a notice to the department pursuant to subsection a. of this section, may transfer ownership or operations of the industrial establishment prior to the approval of a negative declaration or remedial action workplan upon application to and approval by the department of a remediation agreement. The owner or operator requesting a remediation agreement shall submit the following documents: (1) an estimate of the cost of the remediation that is approved by the department; (2) a certification of the statutory liability of the owner or operator pursuant to P.L.1983, c.330 to perform and to complete a remediation of the industrial establishment in the manner and time limits provided by the department in regulation and consistent with all applicable laws and regulations; however, nothing in this paragraph shall be construed to be an admission of liability, or to impose liability on the owner or operator, pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.) or pursuant to any other statute or common law; (3) evidence of the establishment of a remediation funding source in an amount of the estimated cost of the remediation and in accordance with the provisions of section 25 of P.L.1993, c.139 (C.58:10B-3); (4) a certification that the owner or operator is subject to the provisions of P.L.1983, c.330, including the liability for penalties for violating the act, defenses to liability and limitations thereon, the requirement to perform a remediation as required by the department, allowing the department access to the industrial establishment as provided in section 5 of P.L.1983, c.330 (C.13:1K-10), and the requirement to prepare and submit any document required by the department relevant to the remediation of the industrial establishment; and (5) evidence of the payment of all applicable fees required by the department.

The department may require in the remediation agreement that all plans for and results of the preliminary assessment, site investigation, remedial investigation, and the implementation of the remedial action workplan, prepared or initiated subsequent to the transfer of ownership or operations, be submitted to the department, for review purposes only, at the completion of each phase of the remediation.

The department shall adopt regulations establishing the manner in which the documents required pursuant to paragraphs (1) through (5), inclusive, of this subsection shall be submitted. The department shall approve the application for the remediation agreement upon the complete and accurate submission of the documents required to be submitted pursuant to this subsection. The regulations shall include a sample form of the certifications. Approval of a remediation agreement shall not affect an owner's or operator's right to avail itself of the provisions of section 6 of P.L.1983, c.330 (C.13:1K-11), of section 13, 14, 15, 16, 17, or 18 of P.L.1993, c.139
f. An owner or operator of an industrial establishment may perform a preliminary assessment, site investigation, or remedial investigation for a soil, surface water, or groundwater remediation without the prior submission to or approval of the department, except as otherwise provided in a remediation agreement required pursuant to subsection e. of this section. However, the plans for and results of the preliminary assessment, site investigation, and remedial investigation may, at the discretion of the owner or operator, be submitted to the department for its review and approval at the completion of each phase of the remediation.

g. The soil, groundwater, and surface water remediation standard and the remedial action to be implemented on an industrial establishment shall be selected by the owner or operator, and reviewed and approved by the department, based upon the policies and criteria enumerated in section 35 of P.L.1993, c.139 (C.58:10B-12).

h. An owner or operator of an industrial establishment may implement a soil remedial action at an industrial establishment without prior department approval of the remedial action workplan for the remediation of soil when the remedial action can reasonably be expected to be completed pursuant to standards, criteria, and time schedules established by the department, which schedules shall not exceed five years from the commencement of the implementation of the remedial action and if the owner or operator is implementing a soil remediation which meets the established minimum residential or nonresidential use soil remediation standards adopted by the department.

Nothing in this subsection shall be construed to authorize the closing of operations or the transfer of ownership or operations of an industrial establishment without the department's approval of a negative declaration, a remedial action workplan or a remediation agreement.

i. An owner or operator of an industrial establishment shall base the decision to select a remedial action based upon the standards and criteria set forth in section 35 of P.L.1993, c.139 (C.58:10B-12). When a remedial action selected by an owner or operator includes the use of an engineering or institutional controls that necessitates the recording of a notice pursuant to section 36 of P.L.1993, c.139 (C.58:10B-13), the owner or operator shall obtain the approval of the transferee of the industrial establishment.

At any time after the effective date of P.L.1993, c.139, an owner or operator may request the department to provide a determination as to whether a proposed remedial action is consistent with the standards and criteria set forth in section 35 of P.L.1993, c.139 (C.58:10B-12). The department shall make that determination based upon the standards and criteria set forth in that
section. The department shall provide any such determination within 30 calendar days of the department's receipt of the request.

j. An owner or operator proposing to implement a soil remedial action other than one which is set forth in subsection h. of this section must receive department approval prior to implementation of the remedial action.

k. An owner or operator of an industrial establishment shall not implement a remedial action involving the remediation of groundwater or surface water without the prior review and approval by the department of a remedial action workplan.

l. Submissions of a preliminary assessment, site investigation, remedial investigation, remedial action workplan, and the results of a remedial action shall be in a manner and form, and shall contain any relevant information relating to the remediation, as may be required by the department.

Upon receipt of a complete and accurate submission, the department shall review and approve or disapprove the submission in accordance with the review schedules established pursuant to section 2 of P.L.1991, c.423 (C.13:1D-106). The owner or operator shall not be required to wait for a response by the department before continuing remediation activities, except as otherwise provided in this section. Upon completion of the remediation, the plans for and results of the preliminary assessment, site investigation, remedial investigation, remedial action workplan, and remedial action and any other information required to be submitted as provided in section 35 of P.L.1993, c.139 (C.58:10B-12), that has not previously been submitted to the department, shall be submitted to the department for its review and approval.

The department shall review all information submitted to it by the owner or operator at the completion of the remediation to determine whether the actions taken were in compliance with rules and regulations of the department regarding remediation.

The department may review and approve or disapprove every remedial action workplan, no matter when submitted, to determine, in accordance with the criteria listed in subsection g. of section 35 of P.L.1993, c.139 (C.58:10B-12) if the remedial action that has occurred or that will occur is appropriate to meet the applicable health risk or environmental standards.

The department may order additional remediation activities at the industrial establishment, or offsite where necessary, or may require the submission of additional information, where (a) the department determines that the remediation activities undertaken were not in compliance with the applicable rules or regulations of the department; (b) all documents required to be submitted to the department were not submitted or, if submitted, were inaccurate, or deficient; or (c) discharged hazardous substances or hazardous wastes remain at the industrial establishment, or have migrated or are
migrating offsite, at levels or concentrations or in a manner that is in violation of the applicable health risk or environmental standards. Upon a finding by the department that the remediation conducted at the industrial establishment was in compliance with all applicable regulations, that no hazardous substances or hazardous wastes remain at the industrial establishment in a manner that is in violation of the applicable health risk or environmental standards, and that all hazardous substances or hazardous wastes that migrated from the industrial establishment have been remediated in conformance with the applicable health risk or environmental standards, the department shall approve the remediation for that industrial establishment by the issuance of a no further action letter.

"Remedial investigation" means a process to determine the nature and extent of a discharge of a contaminant at a site or a discharge of a contaminant that has migrated or is migrating from the site and the problems presented by a discharge, and may include data collected, site characterization, sampling, monitoring, and the gathering of any other sufficient and relevant information necessary to determine the necessity for remedial action and to support the evaluation of remedial actions if necessary;

"Remediation" or "remediate" means all necessary actions to investigate and clean up or respond to any known, suspected, or threatened discharge of contaminants, including, as necessary, the preliminary assessment, site investigation, remedial investigation, and remedial action;

"Remediation fund" means the Hazardous Discharge Site Remediation Fund established pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4);

"Remediation funding source" means the methods of financing the remediation of a discharge required to be established by a person performing the remediation pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3);

"Remediation standards" means the combination of numeric standards that establish a level or concentration, and narrative standards to which contaminants must be treated, removed, or otherwise cleaned for soil, groundwater, or surface water, as provided by the department pursuant to section 35 of P.L.1993, c.139 (C.58:10B-12) in order to meet the health risk or environmental standards;

"Restricted use remedial action" means any remedial action that requires the continued use of engineering and institutional controls in order to meet the established health risk or environmental standards;

"Site investigation" means the collection and evaluation of data adequate to determine whether or not discharged contaminants exist at a site or have migrated or are migrating from the site at levels in excess of the applicable remediation standards. A site investigation shall be developed based upon the information collected pursuant to the preliminary assessment;

"Unrestricted use remedial action" means any remedial action that does not require the continued use of engineering or institutional controls in order to meet the established health risk or environmental standards;

"Voluntarily perform a remediation" means performing a remediation without having been ordered or directed to do so by the department or by a court and without being compelled to perform a remediation pursuant to the provisions of P.L. 1983, c.330 (C.13:1K-6 et al.).

10. Section 24 of P.L.1993, c.139 (C.58:10B-2) is amended to read as follows:
C.58:10B-2 Rules, regulations, deviations from regulations.

24. a. The department shall, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations establishing criteria and minimum standards necessary for the submission, evaluation and approval of plans or results of preliminary assessments, site investigations, remedial investigations, and remedial action workplans and for the implementation thereof. The documents for the preliminary assessment, site investigation, remedial investigation, and remedial action workplan required to be submitted for a remediation, shall not be identical to the criteria and standards used for similar documents submitted pursuant to federal law, except as may be required by federal law. In establishing criteria and minimum standards for these terms the department shall strive to be result oriented, provide for flexibility, and to avoid duplicate or unnecessarily costly or time consuming conditions or standards.

b. The regulations adopted by the department pursuant to subsection a. of this section shall provide that a person performing a remediation may deviate from the strict adherence to the regulations, in a variance procedure or by another method prescribed by the department, if that person can demonstrate that the deviation and the resulting remediation would be as protective of human health, safety, and the environment, as appropriate, as the department's regulations and that the health risk standards established in subsection d. of section 35 of P.L.1993, c.139 (C.58:10B-12) and any applicable environmental standards would be met. Factors to be considered in determining if the deviation should be allowed are whether the alternative method:

(1) has been either used successfully or approved by the department in writing or similar situations;

(2) reflects current technology as documented in peer-reviewed professional journals;

(3) can be expected to achieve the same or substantially the same results or objectives as the method which it is to replace; and

(4) furthers the attainment of the goals of the specific remedial phase for which it is used.

The department shall make available to the public, and shall periodically update, a list of alternative remediation methods used successfully or approved by the department as provided in paragraph (1) of this subsection.

c. To the extent practicable and in conformance with the standards for remediations as provided in section 35 of P.L.1993, c.139 (C.58:10-12), the department shall adopt rules and regulations that allow for certain remedial actions to be undertaken in a manner prescribed by the department without having to obtain prior approval from or submit detailed documentation to
the department. A person who performs a remedial action in the manner prescribed in the rules and regulations of the department, and who certifies this fact to the department, shall obtain a no further action letter from the department for that particular remedial action.

d. The department shall develop regulatory procedures that encourage the use of innovative technologies in the performance of remedial actions and other remediation activities.

11. Section 25 of P.L.1993, c.139 (C.58:10B-3) is amended to read as follows:

C.58:10B-3 Establishment, maintenance of remediation funding source.

25. a. The owner or operator of an industrial establishment or any other person required to perform remediation activities pursuant to P.L.1983, c.330 (C.13:1K-6 et al.), or a discharger, a person in any way responsible for a hazardous substance, or a person otherwise liable for cleanup and removal costs pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.) who has been issued a directive or an order by a State agency, who has entered into an administrative consent order with a State agency, or who has been ordered by a court to clean up and remove a hazardous substance or hazardous waste discharge pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), shall establish and maintain a remediation funding source in the amount necessary to pay the estimated cost of the required remediation. A person who voluntarily undertakes a remediation pursuant to a memorandum of agreement with the department, or without the department's oversight, or who performs a remediation in an environmental opportunity zone is not required to establish or maintain a remediation funding source. A person who uses an innovative technology or who, in a timely fashion, implements an unrestricted use remedial action or a limited restricted use remedial action for all or part of a remedial action is not required to establish a remediation funding source for the cost of the remediation involving the innovative technology or permanent remedy. A person required to establish a remediation funding source pursuant to this section shall provide to the department satisfactory documentation that the requirement has been met.

The remediation funding source shall be established in an amount equal to or greater than the cost estimate of the implementation of the remediation
as approved by the department, (2) as provided in an administrative consent order or remediation agreement as required pursuant to subsection e. of section 4 of P.L.1983, c.330, (3) as stated in a departmental order or directive, or (4) as agreed to by a court, and shall be in effect for a term not less than the actual time necessary to perform the remediation at the site. Whenever the remediation cost estimate increases, the person required to establish the remediation funding source shall cause the amount of the remediation funding source to be increased to an amount at least equal to the new estimate. Whenever the remediation or cost estimate decreases, the person required to obtain the remediation funding source may file a written request to the department to decrease the amount in the remediation funding source. The remediation funding source may be decreased to the amount of the new estimate upon written approval by the department delivered to the person who established the remediation funding source and to the trustee or the person or institution providing the remediation trust, the environmental insurance policy, or the line of credit, as applicable. The department shall approve the request upon a finding that the remediation cost estimate decreased by the requested amount. The department shall review and respond to the request to decrease the remediation funding source within 90 days of receipt of the request.

b. The person responsible for performing the remediation and who established the remediation funding source may use the remediation funding source to pay for the actual cost of the remediation. The department may not require any other financial assurance by the person responsible for performing the remediation other than that required in this section. In the case of a remediation performed pursuant to P.L.1983, c.330, the remediation funding source shall be established no more than 14 days after the approval by the department of a remedial action workplan or upon approval of a remediation agreement pursuant to subsection e. of section 4 of P.L.1983, c.330 (C.13:1K-9), unless the department approves an extension. In the case of a remediation performed pursuant to P.L.1976, c.141, the remediation funding source shall be established as provided in an administrative consent order signed by the parties, as provided by a court, or as directed or ordered by the department. The establishment of a remediation funding source for that part of the remediation funding source to be established by a grant or financial assistance from the remediation fund may be established for the purposes of this subsection by the application for a grant or financial assistance from the remediation fund and satisfactory evidence submitted to the department that the grant or financial assistance will be awarded. However, if the financial assistance or grant is denied or the department finds that the person responsible for establishing the remediation funding source did not take reasonable action to obtain the
grant or financial assistance, the department shall require that the full amount of the remediation funding source be established within 14 days of the denial or finding. The remediation funding source shall be evidenced by the establishment and maintenance of (1) a remediation trust fund, (2) an environmental insurance policy, issued by an entity licensed by the Department of Banking and Insurance to transact business in the State of New Jersey, to fund the remediation, (3) a line of credit from a person or institution satisfactory to the department authorizing the person responsible for performing the remediation to borrow money, or (4) a self-guarantee, or by any combination thereof. Where it can be demonstrated that a person cannot establish and maintain a remediation funding source for the full cost of the remediation by a method specified in this subsection, that person may establish the remediation funding source for all or a portion of the remediation, by securing financial assistance from the Hazardous Discharge Site Remediation Fund as provided in section 29 of P.L.1993, c.139 (C.58:10B-7).

 c. A remediation trust fund shall be established pursuant to the provisions of this subsection. An originally signed duplicate of the trust agreement shall be delivered to the department by certified mail within 14 days of receipt of notice from the department that the remedial action workplan or remediation agreement as provided in subsection e. of section 4 of P.L.1983, c.330 is approved or as specified in an administrative consent order, civil order, or order of the department, as applicable. The remediation trust fund agreement shall conform to a model trust fund agreement as established by the department and shall be accompanied by a certification of acknowledgment that conforms to a model established by the department. The trustee shall be an entity which has the authority to act as a trustee and whose trust operations are regulated and examined by a federal or New Jersey agency.

 The trust fund agreement shall provide that the remediation trust fund may not be revoked or terminated by the person required to establish the remediation funding source or by the trustee without the written consent of the department. The trustee shall release to the person required to establish the remediation funding source, or to the department or transferee of the property, as appropriate, only those moneys as the department authorizes, in writing, to be released. The person entitled to receive money from the remediation trust fund shall submit documentation to the department detailing the costs incurred or to be incurred as part of the remediation. Upon a determination by the department that the costs are consistent with the remediation of the site, the department shall, in writing, authorize a disbursement of moneys from the remediation trust fund in the amount of the documented costs.
CHAPTER 278, LAWS OF 1997

The department shall return the original remediation trust fund agreement to the trustee for termination after the person required to establish the remediation funding source substitutes an alternative remediation funding source as specified in this section or the department notifies the person that that person is no longer required to maintain a remediation funding source for remediation of the contaminated site.

d. An environmental insurance policy shall be established pursuant to the provisions of this subsection. An originally signed duplicate of the insurance policy shall be delivered to the department by certified mail, overnight delivery, or personal service within 30 days of receipt of notice from the department that the remedial action workplan or remediation agreement, as provided in subsection e. of section 4 of P.L. 1983, c. 330, is approved or as specified in an administrative consent order, civil order, or order of the department, as applicable. The environmental insurance policy may not be revoked or terminated without the written consent of the department. The insurance company shall release to the person required to establish the remediation funding source, or to the department or transferee of the property, as appropriate, only those moneys as the department authorizes, in writing, to be released. The person entitled to receive money from the environmental insurance policy shall submit documentation to the department detailing the costs incurred or to be incurred as part of the remediation.

e. A line of credit shall be established pursuant to the provisions of this subsection. A line of credit shall allow the person establishing it to borrow money up to a limit established in a written agreement in order to pay for the cost of the remediation for which the line of credit was established. An originally signed duplicate of the line of credit agreement shall be delivered to the department by certified mail, overnight delivery, or personal service within 14 days of receipt of notice from the department that the remedial action workplan or remediation agreement as provided in subsection e. of section 4 of P.L. 1983, c. 330 is approved, or as specified in an administrative consent order, civil order, or order of the department, as applicable. The line of credit agreement shall conform to a model agreement as established by the department and shall be accompanied by a certification of acknowledgment that conforms to a model established by the department. A line of credit agreement shall provide that the line of credit may not be revoked or terminated by the person required to obtain the remediation funding source or the person or institution providing the line of credit without the written consent of the department. The person or institution providing the line of credit shall release to the person required to establish the remediation funding source, or to the department or transferee of the property as appropriate, only those moneys as the department authorizes, in writing, to be
released. The person entitled to draw upon the line of credit shall submit documentation to the department detailing the costs incurred or to be incurred as part of the remediation. Upon a determination that the costs are consistent with the remediation of the site, the department shall, in writing, authorize a disbursement from the line of credit in the amount of the documented costs.

The department shall return the original line of credit agreement to the person or institution providing the line of credit for termination after the person required to establish the remediation funding source substitutes an alternative remediation funding source as specified in this section, or after the department notifies the person that that person is no longer required to maintain a remediation funding source for remediation of the contaminated site.

f. A person may self-guarantee a remediation funding source upon the submittal of documentation to the department demonstrating that the cost of the remediation as estimated in the remedial action workplan, in the remediation agreement as provided in subsection e. of section 4 of P.L.1983, c.330, in an administrative consent order, or as provided in a departmental or court order, would not exceed one-third of the tangible net worth of the person required to establish the remediation funding source, and that the person has a cash flow sufficient to assure the availability of sufficient moneys for the remediation during the time necessary for the remediation. Satisfactory documentation of a person's capacity to self-guarantee a remediation funding source shall consist only of a statement of income and expenses or similar statement of that person and the balance sheet or similar statement of assets and liabilities as used by that person for the fiscal year of the person making the application that ended closest in time to the date of the self-guarantee application. The self-guarantee application shall be certified as true to the best of the applicant's information, knowledge, and belief, by the chief financial, or similar officer or employee, or general partner, or principal of the person making the self-guarantee application. A person shall be deemed by the department to possess the required cash flow pursuant to this section if that person's gross receipts exceed its gross payments in that fiscal year in an amount at least equal to the estimated costs of completing the remedial action workplan schedule to be performed in the 12-month period following the date on which the application for self-guarantee is made. In the event that a self-guarantee is required for a period of more than one year, applications for a self-guarantee shall be renewed annually pursuant to this subsection for each successive year. The department may establish requirements and reporting obligations to ensure that the person proposing to self-guarantee a remediation funding source meets the criteria for self-guaranteeing prior to the initiation of remedial action and until completion of the remediation.
g. (1) If the person required to establish the remediation funding source fails to perform the remediation as required, the department shall make a written determination of this fact. A copy of the determination by the department shall be delivered to the person required to establish the remediation funding source and, in the case of a remediation conducted pursuant to P.L. 1983, c. 330 (C. 13: 1K-6 et al.), to any transferee of the property. Following this written determination, the department may perform the remediation in place of the person required to establish the remediation funding source. In order to finance the cost of the remediation the department may make disbursements from the remediation trust fund or the line of credit or claims upon the environmental insurance policy, as appropriate, or, if sufficient moneys are not available from those funds, from the remediation guarantee fund created pursuant to section 45 of P.L. 1993, c. 139 (C. 58: 10B-20).

(2) The transferee of property subject to a remediation conducted pursuant to P.L. 1983, c. 330 (C. 13: 1K-6 et al.), may, at any time after the department's determination of nonperformance by the owner or operator required to establish the remediation funding source, petition the department, in writing, with a copy being sent to the owner and operator, for authority to perform the remediation at the industrial establishment. The department, upon a determination that the transferee is competent to do so, may grant that petition which shall authorize the transferee to perform the remediation as specified in an approved remedial action workplan, or to perform the activities as required in a remediation agreement, and to avail itself of the moneys in the remediation trust fund or line of credit or to make claims upon the environmental insurance policy for these purposes. The petition of the transferee shall not be granted by the department if the owner or operator continues or begins to perform its obligations within 14 days of the petition being filed with the department.

(3) After the department has begun to perform the remediation in the place of the person required to establish the remediation funding source or has granted the petition of the transferee to perform the remediation, the person required to establish the remediation funding source shall not be permitted by the department to continue its performance obligations except upon the agreement of the department or the transferee, as applicable, or except upon a determination by the department that the transferee is not adequately performing the remediation.

12. Section 26 of P.L. 1993, c. 139 (C. 58: 10B-4) is amended to read as follows:

C. 58: 10B-4 Hazardous Discharge Site Remediation Fund.

26. a. There is established in the New Jersey Economic Development Authority a special, revolving fund to be known as the Hazardous Discharge
Site Remediation Fund. Moneys in the remediation fund shall be dedicated for the provision of financial assistance or grants to municipal governmental entities, the New Jersey Redevelopment Authority, individuals, corporations, partnerships, and other private business entities, for the purpose of financing remediation activities at sites at which there is, or is suspected of being, a discharge of hazardous substances or hazardous wastes.

b. The remediation fund shall be credited with:
   (1) moneys as are appropriated by the Legislature;
   (2) moneys deposited to the fund as repayment of principal and interest on outstanding loans made from the fund;
   (3) any return on investment of moneys deposited in the fund;
   (4) remediation funding source surcharges imposed pursuant to section 33 of P.L.1993, c.139 (C.58:10B-11);
   (5) moneys deposited to the fund from cost recovery subrogation actions; and
   (6) moneys made available to the authority for the purposes of the fund.

13. Section 27 of P.L.1993, c.139 (C.58:10B-5) is amended to read as follows:

C.58:10B-5 Financial assistance from remediation fund.

27. a. (1) Financial assistance from the remediation fund may only be rendered to persons who cannot establish a remediation funding source for the full amount of a remediation. Financial assistance pursuant to this act may be rendered only for that amount of the cost of a remediation for which the person cannot establish a remediation funding source. The limitations on receiving financial assistance established in this paragraph (1) shall not limit the ability of municipal governmental entities, the New Jersey Redevelopment Authority, persons who are not required to establish a remediation funding source for the part of the remediation involving an innovative technology, an unrestricted use remedial action or a limited restricted use remedial action, persons performing a remediation in an environmental opportunity zone, or persons who voluntarily perform a remediation, to receive financial assistance from the fund.

(2) Financial assistance rendered to persons who voluntarily perform a remediation or perform a remediation in an environmental opportunity zone may only be made for that amount of the cost of the remediation that the person cannot otherwise fund by any of the authorized methods to establish a remediation funding source.

(3) Financial assistance rendered to persons who do not have to provide financial assurance for the part of the remediation that involves an innovative technology, an unrestricted use remedial action, or a limited...
restricted use remedial action may only be made for that amount of the cost of the remediation that the person cannot otherwise fund by any of the authorized methods to establish a remediation funding source.

b. Financial assistance may be rendered from the remediation fund to (1) owners or operators of industrial establishments who are required to perform remediation activities pursuant to P.L.1983, c.330 (C.13:1K-6 et al.), upon closing operations or prior to the transfer of ownership or operations of an industrial establishment, (2) persons who are liable for the cleanup and removal costs of a hazardous substance pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), and (3) persons who voluntarily perform a remediation of a discharge of a hazardous substance or hazardous waste.

c. Financial assistance and grants may be made from the remediation fund to municipal governmental entities or the New Jersey Redevelopment Authority that own or hold a tax sale certificate on real property or that have acquired real property through foreclosure or other similar means, or by voluntary conveyance for the purpose of redevelopment, and on which there has been a discharge or on which there is a suspected discharge of a hazardous substance or hazardous waste. Financial assistance and grants may not be made to any entity listed in this subsection for any real property used by that entity for the conduct of its official business.

d. Grants may be made from the remediation fund to persons and the New Jersey Redevelopment Authority, who own real property on which there has been a discharge of a hazardous substance or a hazardous waste and that person or the authority qualifies for an innocent party grant pursuant to section 28 of P.L.1993, c.139 (C.58:10B-6).

e. Grants may be made from the remediation fund to qualifying persons who propose to perform a remedial action that uses an innovative technology or that would result in an unrestricted use remedial action or a limited restricted use remedial action.

For the purposes of this section, "person" shall not include any governmental entity.

14. Section 28 of P.L.1993, c.139 (C.58:10B-6) is amended to read as follows:

C.58:10B-6 Financial assistance and grants from the fund; allocations.

28. a. Except for moneys deposited in the remediation fund for specific purposes, financial assistance and grants from the remediation fund shall be rendered for the following purposes and, on an annual basis, obligated in the percentages as provided in this subsection. Upon a written joint determination by the authority and the department that the demand for financial assistance or grants for moneys allocated in any paragraph exceeds the
percentage of funds allocated for that paragraph, financial assistance and grants dedicated for the purposes and in the percentages set forth in any other paragraph of this subsection, may, for any particular year, if the demand for financial assistance or grants for moneys allocated in that paragraph is less than the percentage of funds allocated for that paragraph, be obligated to the purposes set forth in the over allocated paragraph. The written determination shall be sent to the Senate Environment Committee, and the Assembly Agriculture and Waste Management Committee, or their successors. For the purposes of this section, "person" shall not include any governmental entity.

(1) At least 15% of the moneys shall be allocated for financial assistance to persons, and the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), for remediation of real property located in a qualifying municipality as defined in section 1 of P.L.1978, c.14 (C.52:27D-178);

(2) At least 10% of the moneys shall be allocated for financial assistance and grants to municipal governmental entities and the New Jersey Redevelopment Authority that owns or holds a tax sale certificate on real property or have acquired real property through foreclosure or other similar means, or by voluntary conveyance for the purpose of redevelopment, on which there has been or on which there is suspected of being a discharge of hazardous substances or hazardous wastes. Grants provided pursuant to this paragraph shall be used for performing preliminary assessments, site investigations, and remedial investigations on real property in order to determine the existence or extent of any hazardous substance or hazardous waste contamination on those properties. A municipal governmental entity or the New Jersey Redevelopment Authority that has performed, or on which there has been performed, a preliminary assessment, site investigation or remedial investigation on property may obtain a loan for the purpose of continuing the remediation on those properties as necessary to comply with the applicable remediation regulations adopted by the department;

(3) At least 15% of the moneys shall be allocated for financial assistance to persons, the New Jersey Redevelopment Authority, or municipal governmental entities for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area;
(4) At least 10% of the moneys shall be allocated for financial assistance to persons who voluntarily perform a remediation of a hazardous substance or hazardous waste discharge;

(5) At least 15% of the moneys shall be allocated for financial assistance to persons who are required to perform remediation activities at an industrial establishment pursuant to P.L.1983, c.330 (C.13:1K-6 et al.), as a condition of the closure, transfer, or termination of operations at that industrial establishment;

(6) At least 15% of the moneys shall be allocated for grants to persons who own real property on which there has been a discharge of a hazardous substance or a hazardous waste and that person qualifies for an innocent party grant. A person qualifies for an innocent party grant if that person acquired the property prior to December 31, 1983, except as provided hereunder, the hazardous substance or hazardous waste that was discharged at the property was not used by the person at that site, and that person certifies that he did not discharge any hazardous substance or hazardous waste at an area where a discharge is discovered; provided, however, that notwithstanding any other provision of this section the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), shall qualify for an innocent party grant pursuant to this paragraph where the immediate predecessor in title to the authority would have qualified for but failed to apply for or receive such grant. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person or the New Jersey Redevelopment Authority may exceed $1,000,000;

(7) At least 5% of the moneys shall be allocated for financial assistance to persons who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L.1995, c.413 (C.54:4-3.154);

(8) At least 5% of the moneys shall be allocated for matching grants for up to 25% of the project costs to qualifying persons who propose to perform a remedial action that uses an innovative technology except that no grant awarded pursuant to this paragraph to any qualifying person may exceed $100,000;

(9) At least 5% of the moneys shall be allocated for matching grants for up to 25% of the project costs to qualifying persons for the implementation of a limited restricted use remedial action or an unrestricted use remedial action except that no grant awarded pursuant to this paragraph to any qualifying person may exceed $100,000. The authority may use money allocated pursuant to this paragraph to provide loan guarantees to encourage
financial institutions to provide loans to any person who may receive financial assistance from the fund who plans to implement a limited restricted use remedial action or an unrestricted use remedial action; and

(10) Five percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (9) of this subsection, except that where moneys in the fund are insufficient to fund all the applications in any calendar year that would otherwise qualify for financial assistance or a grant pursuant to this paragraph, the authority shall give priority to financial assistance applications that meet the criteria enumerated in paragraph (3) of this subsection.

For the purposes of paragraphs (8) and (9) of this subsection, "qualifying persons" means any person who has a net worth of not more than $2,000,000 and "project costs" means that portion of the total costs of a remediation that is specifically for the use of an innovative technology or to implement an unrestricted use remedial action or a limited restricted use remedial action, as applicable.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. Loans to municipal governmental entities and the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a person, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipal governmental entity or the New Jersey Redevelopment Authority may not exceed $2,000,000 in any calendar year. Repayments of principal and interest on the loans issued from the remediation fund shall be paid to the authority and shall be deposited into the remediation fund.

c. No person, other than a qualified person planning to use an innovative technology for the cost of that technology, a qualified person planning to use a limited restricted use remedial action or an unrestricted use remedial action for the cost of the remedial action, a person performing a remediation in an environmental opportunity zone, or a person voluntarily
performing a remediation, shall be eligible for financial assistance from the remediation fund to the extent that person is capable of establishing a remediation funding source for the remediation as required pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3).

d. The authority may use a sum that represents up to 2\% of the moneys issued as financial assistance or grants from the remediation fund each year for administrative expenses incurred in connection with the operation of the fund and the issuance of financial assistance and grants.

e. Prior to March 1 of each year, the authority shall submit to the Senate Environment Committee and the Assembly Agriculture and Waste Management Committee, or their successors, a report detailing the amount of money that was available for financial assistance and grants from the remediation fund for the previous calendar year, the amount of money estimated to be available for financial assistance and grants for the current calendar year, the amount of financial assistance and grants issued for the previous calendar year and the category for which each financial assistance and grant was rendered, and any suggestions for legislative action the authority deems advisable to further the legislative intent to facilitate remediation and promote the redevelopment and use of existing industrial sites.

15. Section 30 of P.L.1993, c.139 (C.58:10B-8) is amended to read as follows:

C.58:10B-8 Financial assistance, grant recipients compliance, conditions.

30. a. The authority shall, by rule or regulation:

(1) require a financial assistance or grant recipient to provide to the authority, as necessary or upon request, evidence that financial assistance or grant moneys are being spent for the purposes for which the financial assistance or grant was made, and that the applicant is adhering to all of the terms and conditions of the financial assistance or grant agreement;

(2) require the financial assistance or grant recipient to provide access at reasonable times to the subject property to determine compliance with the terms and conditions of the financial assistance or grant;

(3) establish a priority system for rendering financial assistance or grants for remediations identified by the department as involving an imminent and significant threat to a public water source, human health, or to a sensitive or significant ecological area pursuant to paragraph (3) of subsection a. of section 28 of P.L.1993, c.139 (C.58:10B-6);

(4) provide that payment of a grant shall be conditioned upon the subrogation to the department of all rights of the recipient to recover remediation costs from the discharger or other liable parties. All moneys
collected in a cost recovery subrogation action shall be deposited into the remediation fund;

(5) provide that an applicant for financial assistance or a grant pay a reasonable fee for the application which shall be used by the authority for the administration of the loan and grant program;

(6) provide that where financial assistance to a person other than a municipal governmental entity or the New Jersey Redevelopment Authority is for a portion of the remediation cost, that the proceeds thereof not be disbursed to the applicant until the costs of the remediation for which a remediation funding source has been established has been expended;

(7) adopt such other requirements as the authority shall deem necessary or appropriate in carrying out the purposes for which the Hazardous Discharge Site Remediation Fund was created.

b. An applicant for financial assistance or a grant shall be required to:

(1) provide proof, as determined sufficient by the authority, that the applicant, where applicable, cannot establish a remediation funding source for all or part of the remediation costs, as required by section 25 of P.L.1993, c.139 (C.58:10B-3). The provisions of this paragraph do not apply to grants to innocent persons, grants for the use of innovative technologies, or grants for the implementation of unrestricted use remedial actions or limited restricted use remedial actions or to financial assistance or grants to municipal governmental entities or the New Jersey Redevelopment Authority; and

(2) demonstrate the ability to repay the amount of the financial assistance and interest, and, if necessary, to provide adequate collateral to secure the financial assistance amount.

c. Information submitted as part of a loan or grant application or agreement shall be deemed a public record subject to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.).

d. In establishing requirements for financial assistance or grant applications and financial assistance or grant agreements, the authority:

(1) shall minimize the complexity and costs to applicants or recipients of complying with such requirements;

(2) may not require financial assistance or grant conditions that interfere with the everyday normal operations of the recipient's business activities, except to the extent necessary to ensure the recipient's ability to repay the financial assistance and to preserve the value of the loan collateral; and

(3) shall expeditiously process all financial assistance or grant applications in accordance with a schedule established by the authority for the review and the taking of final action on the application, which schedule shall reflect the degree of complexity of a financial assistance or grant application.
16. Section 33 of P.L. 1993, c.139 (C.58:10B-11) is amended to read as follows:

C.58:10B-11 Remediation funding source surcharge.

33. a. There is imposed upon every person who is required to establish a remediation funding source pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3) a remediation funding source surcharge. The remediation funding source surcharge shall be in an amount equal to 1% of the required amount of the remediation funding source required by the department to be maintained. No surcharge, however, may be imposed upon (1) that amount of the remediation funding source that is met by a self-guarantee as provided in subsection f. of section 25 of P.L.1993, c.139 (C.58:10B-3), (2) that amount of the remediation funding source that is met by financial assistance or a grant from the remediation fund, (3) any person who voluntarily performs a remediation pursuant to an administrative consent order, (4) any person who entered voluntarily into a memorandum of understanding with the department to remediate real property, as long as that person continues the remediation in a reasonable manner, or as required by law, even if subsequent to initiation of the memorandum of understanding, the person received an order by the department or entered into an administrative consent order to perform the remediation, (5) any person performing a remediation in an environmental opportunity zone, or (6) that portion of the cost of the remediation that is specifically for the use of an innovative technology or to implement a limited restricted use remedial action or an unrestricted use remedial action. The surcharge shall be based on the cost of remediation work remaining to be completed and shall be paid on an annual basis as long as the remediation continues and until the Department of Environmental Protection issues a no further action letter for the property subject to the remediation. The remediation funding source surcharge shall be due and payable within 14 days of the time of the department's approval of a remedial action workplan or signing an administrative consent order or as otherwise provided by law. The department shall collect the surcharge and shall remit all moneys collected to the Economic Development Authority for deposit into the Hazardous Discharge Site Remediation Fund.

b. By February 1 of each year, the department shall issue a report to the Senate Environment Committee and to the Assembly Agriculture and Waste Management Committee, or their successors, listing, for the prior calendar year, each person who owed the remediation funding source surcharge, the amount of the surcharge paid, and the total amount collected.

17. Section 35 of P.L.1993, c.139 (C.58:10B-12) is amended to read as follows:
C.58:10B-12 Adoption of remediation standards.

35. a. The Department of Environmental Protection shall adopt minimum remediation standards for soil, groundwater, and surface water quality necessary for the remediation of contamination of real property. The remediation standards shall be developed to ensure that the potential for harm to public health and safety and to the environment is minimized to acceptable levels, taking into consideration the location, the surroundings, the intended use of the property, the potential exposure to the discharge, and the surrounding ambient conditions, whether naturally occurring or man-made.

Until the minimum remediation standards for the protection of public health and safety as described herein are adopted, the department shall apply public health and safety remediation standards for contamination at a site on a case-by-case basis based upon the considerations and criteria enumerated in this section.

The department shall not propose or adopt remediation standards protective of the environment pursuant to this section, except standards for groundwater or surface water, until recommendations are made by the Environment Advisory Task Force created pursuant to section 37 of P.L.1993, c.139. Until the Environment Advisory Task Force issues its recommendations and the department adopts remediation standards protective of the environment as required by this section, the department shall continue to determine the need for and the application of remediation standards protective of the environment on a case-by-case basis in accordance with the guidance and regulations of the United States Environmental Protection Agency pursuant to the "Comprehensive Environmental Response, Compensation and Liability Act of 1980," 42 U.S.C. s.9601 et seq., and other statutory authorities as applicable.

The department may not require any person to perform an ecological evaluation of any area of concern that consists of an underground storage tank storing heating oil for on-site consumption in a one to four family residential building.

b. In developing minimum remediation standards the department shall:

(1) base the standards on generally accepted and peer reviewed scientific evidence or methodologies;

(2) base the standards upon reasonable assumptions of exposure scenarios as to amounts of contaminants to which humans or other receptors will be exposed, when and where those exposures will occur, and the amount of that exposure;

(3) avoid the use of redundant conservative assumptions. The department shall avoid the use of redundant conservative assumptions by
the use of parameters that provide an adequate margin of safety and which
avoid the use of unrealistic conservative exposure parameters and which
guidelines make use of the guidance and regulations for exposure assess-
ment developed by the United States Environmental Protection Agency
pursuant to the "Comprehensive Environmental Response, Compensation,
and Liability Act of 1980," 42 U.S.C. s.9601 et seq. and other statutory
authorities as applicable;

(4) where feasible, establish the remediation standards as numeric or
narrative standards setting forth acceptable levels or concentrations for
particular contaminants; and

(5) consider and utilize, in the absence of other standards used or
developed by the Department of Environmental Protection and the United
States Environmental Protection Agency, the toxicity factors, slope factors
for carcinogens and reference doses for non-carcinogens from the United
States Environmental Protection Agency's Integrated Risk Information
System (IRIS).

c. (1) The department shall develop residential and nonresidential soil
remediation standards that are protective of public health and safety. For
contaminants that are mobile and transportable to groundwater or surface
water, the residential and nonresidential soil remediation standards shall be
protective of groundwater and surface water. Residential soil remediation
standards shall be set at levels or concentrations of contamination for real
property based upon the use of that property for residential or similar uses
and which will allow the unrestricted use of that property without the need
of engineering devices or any institutional controls and without exceeding
a health risk standard greater than that provided in subsection d. of this
section. Nonresidential soil remediation standards shall be set at levels or
concentrations of contaminants that recognize the lower likelihood of
exposure to contamination on property that will not be used for residential
or similar uses, which will allow for the unrestricted use of that property for
nonresidential purposes, and that can be met without the need of engineer-
ing controls. Whenever real property is remediated to a nonresidential soil
remediation standard, except as otherwise provided in paragraph (3) of
subsection g. of this section, the department shall require, pursuant to
section 36 of P.L.1993, c.139 (C.58:10B-13), that the use of the property be
restricted to nonresidential or other uses compatible with the extent of the
contamination of the soil and that access to that site be restricted in a
manner compatible with the allowable use of that property.

(2) The department may develop differential remediation standards for
surface water or groundwater that take into account the current, planned, or
potential use of that water in accordance with the "Clean Water Act" (33
The department shall develop minimum remediation standards for soil, groundwater, and surface water intended to be protective of public health and safety taking into account the provisions of this section. In developing these minimum health risk remediation standards the department shall identify the hazards posed by a contaminant to determine whether exposure to that contaminant can cause an increase in the incidence of an adverse health effect and whether the adverse health effect may occur in humans. The department shall set minimum soil remediation health risk standards for both residential and nonresidential uses that:

(1) for human carcinogens, as categorized by the United States Environmental Protection Agency, will result in an additional cancer risk of one in one million;

(2) for noncarcinogens, will limit the Hazard Index for any given effect to a value not exceeding one.

The health risk standards established in this subsection are for any particular contaminant and not for the cumulative effects of more than one contaminant at a site.

f. (1) A person performing a remediation of contaminated real property, in lieu of using the established minimum soil remediation standard for either residential use or nonresidential use adopted by the department...
pursuant to subsection c. of this section, may submit to the department a request to use an alternative residential use or nonresidential use soil remediation standard. The use of an alternative soil remediation standard shall be based upon site specific factors which may include (1) physical site characteristics which may vary from those used by the department in the development of the soil remediation standards adopted pursuant to this section; or (2) a site specific risk assessment. If a person performing a remediation requests to use an alternative soil remediation standard based upon a site specific risk assessment, that person shall demonstrate to the department that the requested deviation from the risk assessment protocol used by the department in the development of soil remediation standards pursuant to this section is consistent with the guidance and regulations for exposure assessment developed by the United States Environmental Protection Agency pursuant to the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 42 U.S.C. §9601 et seq. and other statutory authorities as applicable. A site specific risk assessment may consider exposure scenarios and assumptions that take into account the form of the contaminant present, natural biodegradation, fate and transport of the contaminant, available toxicological data that are based upon generally accepted and peer reviewed scientific evidence or methodologies, and physical characteristics of the site, including, but not limited to, climatic conditions and topographic conditions. Nothing in this subsection shall be construed to authorize the use of an alternative soil remediation standard in those instances where an engineering control is the appropriate remedial action, as determined by the department, to prevent exposure to contamination.

Upon a determination by the department that the requested alternative remediation standard satisfies the department's regulations, is protective of public health and safety, as established in subsection d. of this section, and is protective of the environment pursuant to subsection a. of this section, the alternative residential use or nonresidential use soil remediation standard shall be approved by the department. The burden to demonstrate that the requested alternative remediation standard is protective rests with the person requesting the alternative standard and the department may require the submission of any documentation as the department determines to be necessary in order for the person to meet that burden.

(2) The department may, upon its own initiative, require an alternative remediation standard for a particular contaminant for a specific real property site, in lieu of using the established minimum residential use or nonresidential use soil remediation standard adopted by the department for a particular contaminant pursuant to this section. The department may require an alternative remediation standard pursuant to this paragraph upon a
determination by the department, based on the weight of the scientific evidence, that due to specific physical site characteristics of the subject real property, including, but not limited to, its proximity to surface water, the use of the adopted residential use or nonresidential use soil remediation standards would not be protective, or would be unnecessarily overprotective, of public health or safety or of the environment, as appropriate.

The development, selection, and implementation of any remediation standard or remedial action shall ensure that it is protective of public health, safety, and the environment, as applicable, as provided in this section. In determining the appropriate remediation standard or remedial action that shall occur at a site, the department and any person performing the remediation, shall base the decision on the following factors:

1. Unrestricted use remedial actions, limited restricted use remedial actions and restricted use remedial actions shall be allowed except that unrestricted use remedial actions and limited restricted use remedial actions shall be preferred over restricted use remedial actions. The department, however, may not disapprove the use of a restricted use remedial action or a limited restricted use remedial action so long as the selected remedial action meets the health risk standard established in subsection d. of this section, and where, as applicable, is protective of the environment. The choice of the remedial action to be implemented shall be made by the person performing the remediation in accordance with regulations adopted by the department and that choice of the remedial action shall be approved by the department if all the criteria for remedial action selection enumerated in this section, as applicable, are met. The department may not require a person to compare or investigate any alternative remedial action as part of its review of the selected remedial action;

2. Contamination may, upon the department's approval, be left onsite at levels or concentrations that exceed the minimum soil remediation standards for residential use if the implementation of institutional or engineering controls at that site will result in the protection of public health, safety and the environment at the health risk standard established in subsection d. of this section and if the requirements established in subsections a., b., c. and d. of section 36 of P.L.1993, c.139 (C.58:10B-13) are met;

3. Real property on which there is soil that has not been remediated to the residential soil remediation standards, or real property on which the soil, groundwater, or surface water has been remediated to meet the required health risk standard by the use of engineering or institutional controls, may be developed or used for residential purposes, or for any other similar purpose, if (a) all areas of that real property at which a person may come into contact with soil are remediated to meet the residential soil remediation standards and (b) it is clearly demonstrated that for all areas of the real
property, other than those described in subparagraph (a) above, engineering and institutional controls can be implemented and maintained on the real property sufficient to meet the health risk standard as established in subsection d. of this section;

(4) Remediation shall not be required beyond the regional natural background levels for any particular contaminant. The department shall develop regulations that set forth a process to identify background levels of contaminants for a particular region. For the purpose of this paragraph "regional natural background levels" means the concentration of a contaminant consistently present in the environment of the region of the site and which has not been influenced by localized human activities;

(5) Remediation shall not be required of the owner or operator of real property for contamination coming onto the site from another property owned and operated by another person, unless the owner or operator is the person who is liable for cleanup and removal costs pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.);

(6) Groundwater that is contaminated shall not be required to be remediated to a level or concentration for any particular contaminant lower than the level or concentration that is migrating onto the property from another property owned and operated by another person;

(7) The technical performance, effectiveness and reliability of the proposed remedial action in attaining and maintaining compliance with applicable remediation standards and required health risk standards shall be considered. In reviewing a proposed remedial action, the department shall also consider the ability of the owner or operator to implement the proposed remedial action within a reasonable time frame without jeopardizing public health, safety or the environment;

(8) The use of a remedial action for soil contamination that is determined by the department to be effective in its guidance document created pursuant to section 38 of P.L.1993, c.139 (C.58:10B-14), is presumed to be an appropriate remedial action if it is to be implemented on a site in the manner described by the department in the guidance document and applicable regulations and if all of the conditions for remedy selection provided for in this section are met. The burden to prove compliance with the criteria in the guidance document is with the person performing the remediation;

(9) (Deleted by amendment, P.L.1997, c.278).

The burden to demonstrate that a remedial action is protective of public health, safety and the environment, as applicable, and has been selected in conformance with the provisions of this subsection is with the person proposing the remedial action.
The department may require the person performing the remediation to supply the information required pursuant to this subsection as is necessary for the department to make a determination.

h. (1) The department shall adopt regulations which establish a procedure for a person to demonstrate that a particular parcel of land contains large quantities of historical fill material. Upon a determination by the department that large quantities of historic fill material exist on that parcel of land, there is a rebuttable presumption that the department shall not require any person to remove or treat the fill material in order to comply with applicable health risk or environmental standards. In these areas the department shall establish by regulation the requirement for engineering or institutional controls that are designed to prevent exposure of these contaminants to humans, that allow for the continued use of the property, that are less costly than removal or treatment, which maintain the health risk standards as established in subsection d. of this section, and, as applicable, are protective of the environment. The department may rebut the presumption only upon a finding by the preponderance of the evidence that the use of engineering or institutional controls would not be effective in protecting public health, safety, and the environment. The department may not adopt any rule or regulation that has the effect of shifting the burden of rebutting the presumption. For the purposes of this paragraph "historic fill material" means generally large volumes of non-indigenous material, no matter what date they were emplaced on the site, used to raise the topographic elevation of a site, which were contaminated prior to emplacement and are in no way connected with the operations at the location of emplacement and which include, but are not limited to, construction debris, dredge spoils, incinerator residue, demolition debris, fly ash, and non-hazardous solid waste. Historic fill material shall not include any material which is substantially chromate chemical production waste or any other chemical production waste or waste from processing of metal or mineral ores, residues, slags or tailings.

(2) The department shall develop recommendations for remedial actions in large areas of historic industrial contamination. These recommendations shall be designed to meet the health risk standards established in subsection d. of this section, and to be protective of the environment and shall take into account the industrial history of these sites, the extent of the contamination that may exist, the costs of remedial actions, the economic impacts of these policies, and the anticipated uses of these properties. The department shall issue a report to the Senate Environment Committee and to the Assembly Agriculture and Waste Management Committee, or their successors, explaining these recommendations and making any recommendations for legislative or regulatory action.
(3) The department may not, as a condition of allowing the use of a nonresidential use soil remediation standard, or the use of institutional or engineering controls, require the owner of that real property, except as provided in section 36 of P.L. 1993, c.139 (C.58:10B-13), to restrict the use of that property through the filing of a deed easement, covenant, or condition.

i. The department may not require a remedial action workplan to be prepared or implemented or engineering or institutional controls to be imposed upon any real property unless sampling performed at that real property demonstrates the existence of contamination above the applicable remediation standards.

j. Upon the approval by the department of a remedial action workplan, or similar plan that describes the extent of contamination at a site and the remedial action to be implemented to address that contamination, the department may not subsequently require a change to that workplan or similar plan in order to compel a different remediation standard due to the fact that the established remediation standards have changed; however, the department may compel a different remediation standard if the difference between the new remediation standard and the remediation standard approved in the workplan or other plan differs by an order of magnitude. The limitation to the department's authority to change a workplan or similar plan pursuant to this subsection shall only apply if the workplan or similar plan is being implemented in a reasonable timeframe, as may be indicated in the approved remedial action workplan or similar plan.

l. Upon the adoption of a remediation standard for a particular contaminant in soil, groundwater, or surface water pursuant to this section, the department may amend that remediation standard only upon a finding that a new standard is necessary to maintain the health risk standards established in subsection d. of section 35 of P.L. 1993, c.139 (C.58:10B-12) or to protect the environment, as applicable. The department may not amend a public health based soil remediation standard to a level that would result in a health risk standard more protective than that provided for in subsection d. of section 35 of P.L. 1993, c.139 (C.58:10B-12).

m. Nothing in P.L. 1993, c.139 shall be construed to restrict or in any way diminish the public participation which is otherwise provided under the provisions of the "Spill Compensation and Control Act," P.L. 1976, c.141 (C.58:10-23.11 et seq.).
n. Notwithstanding any provision of subsection a. of section 36 of P.L. 1993, c.139 (C.58:10B-13) to the contrary, the department may not require a person intending to implement a remedial action at an underground storage tank facility storing heating oil for on-site consumption at a one to four family residential dwelling to provide advance notice to a municipality prior to implementing that remedial action.

o. A person who has remediated a site pursuant to the provisions of this section, who was liable for the cleanup and removal costs of that discharge pursuant to the provisions of paragraph (1) of subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), and who remains liable for the discharge on that site due to a possibility that a remediation standard may change, undiscovered contamination may be found, or because an engineering control was used to remediate the discharge, shall maintain with the department a current address at which that person may be contacted in the event additional remediation needs to be performed at the site. The requirement to maintain the current address shall be made part of the conditions of the no further action letter issued by the department.

18. Section 36 of P.L.1993, c.139 (C.58:10B-13) is amended to read as follows:

C.58:10B-13 Use of nonresidential standards or other controls, requirements.

36. a. When real property is remediated to a nonresidential soil remediation standard or engineering or institutional controls are used in lieu of remediating a site to meet an established remediation standard for soil, groundwater, or surface water, the department shall, as a condition of the use of that standard or control measure:

(1) require the establishment of any engineering or institutional controls the department determines are reasonably necessary to prevent exposure to the contaminants, require maintenance, as necessary, of those controls, and require the restriction of the use of the property in a manner that prevents exposure;

(2) require, with the consent of the owner of the real property, the recording with the office of the county recording officer, in the county in which the property is located, a notice to inform prospective holders of an interest in the property that contamination exists on the property at a level that may statutorily restrict certain uses of or access to all or part of that property, a delineation of those restrictions, a description of all specific engineering or institutional controls at the property that exist and that shall be maintained in order to prevent exposure to contaminants remaining on the property, and the written consent to the notice by the owner of the property. The notice shall be recorded in the same manner as are deeds and other interests in real property. The department shall develop a uniform deed notice that ensures
the proper filing of the deed notice. The provisions of this paragraph do not apply to restrictions on the use of surface water or groundwater;

(3) require a notice to the governing body of each municipality in which the property is located that contaminants will exist at the property above residential use soil remediation standards or any other remediation standards and specifying the restrictions on the use of or access to all or part of that property and of the specific engineering or institutional controls at the property that exist and that shall be maintained;

(4) require, when determined necessary by the department, that signs be posted at any location at the site where access is restricted or in those areas that must be maintained in a prescribed manner, to inform persons on the property that there are restrictions on the use of that property or restrictions on access to any part of the site;

(5) require that a list of the restrictions be kept on site for inspection by governmental enforcement officials; and

(6) require a person, prior to commencing a remedial action, to notify the governing body of each municipality wherein the property being remediated is located. The notice shall include, but not be limited to, the commencement date for the remedial action; the name, mailing address and business telephone number of the person implementing the remedial action, or his designated representative; and a brief description of the remedial action.

b. If the owner of the real property does not consent to the recording of a notice pursuant to paragraph (2) of subsection a. of this section, the department shall require the use of a residential soil remediation standard in the remediation of that real property.

c. Whenever engineering or institutional controls on property as provided in subsection a. of this section are no longer required, or whenever the engineering or institutional controls are changed because of the performance of subsequent remedial activities, a change in conditions at the site, or the adoption of revised remediation standards, the department shall require that the owner or operator of that property record with the office of the county recording officer a notice that the use of the property is no longer restricted or delineating the new restrictions. The department shall also require that the owner or operator notify, in writing, the municipality in which the property is located of the removal or change of the restrictive use conditions.

d. The owner or lessee of any real property, or any person operating a business on real property, which has been remediated to a nonresidential use soil remediation standard or on which the department has allowed engineering or institutional controls for soil, groundwater, or surface water to protect the public health, safety, or the environment, as applicable, shall maintain
the engineering or institutional controls as required by the department. An owner, lessee, or operator who takes any action that results in the improper alteration or removal of engineering or institutional controls or who fails to maintain the engineering or institutional controls as required by the department, shall be subject to the penalties and actions set forth in section 22 of P.L.1976, c.141 (C.58:10-23.11u) and, where applicable, shall be liable for any additional remediation and damages pursuant to the provisions of section 8 of P.L.1976, c.141 (C.58:10-23.11g). The provisions of this subsection shall not apply if a notification received pursuant to subsection b. of this section authorizes all restrictions or controls to be removed from the subject property.

e. Notwithstanding the provisions of any other law, or any rule, regulation, or order adopted pursuant thereto to the contrary, whenever contamination at a property is remediated in compliance with any soil, or any groundwater or surface water remediation standards that were in effect or approved by the department at the completion of the remediation, no person, except as otherwise provided in this section, shall be liable for the cost of any additional remediation that may be required by a subsequent adoption by the department of a more stringent remediation standard for a particular contaminant. Upon the adoption of a regulation that amends a remediation standard, or where the adoption of a regulation would change a remediation standard which was otherwise approved by the department, only a person who is liable to clean up and remove that contamination pursuant to section 8 of P.L.1976, c.141 (C.58:10-23.11g), and who does not have a defense to liability pursuant to subsection d. of that section, shall be liable for any additional remediation costs necessary to bring the site into compliance with the new remediation standards except that no person shall be so liable unless the difference between the new remediation standard and the level or concentration of a contaminant at the property differs by an order of magnitude. The department may compel a person who is liable for the additional remediation costs to perform additional remediation activities to meet the new remediation standard except that a person may not be compelled to perform any additional remediation activities on the site if that person can demonstrate that the existing engineering or institutional controls on the site prevent exposure to the contamination and that the site remains protective of public health, safety and the environment pursuant to section 35 of P.L.1993, c.139 (C.58:10B-12). The burden to prove that a site remains protective is on the person liable for the additional remediation costs. A person liable for the additional remediation costs who is relying on engineering or institutional controls to make a site protective, shall comply with the provisions of subsections a., b., c. and d. of this section.
Nothing in the provisions of this subsection shall be construed to affect the authority of the department, pursuant to subsection f. of this section, to require additional remediation on real property where engineering controls were implemented.

Nothing in the provisions of this subsection shall limit the rights of a person, other than the State, or any department or agency thereof, to bring a civil action for damages, contribution, or indemnification as provided by statutory or common law.

f. Whenever the department approves or has approved the use of engineering controls for the remediation of soil, groundwater, or surface water, to protect public health, safety or the environment, the department may require additional remediation of that site only if the engineering controls no longer are protective of public health, safety, or the environment.

g. Whenever the department approves or has approved the use of engineering or institutional controls for the remediation of soil, groundwater, or surface water, to protect public health, safety or the environment, the department shall inspect that site at least once every five years in order to ensure that the engineering and institutional controls are being properly maintained and that the controls remain protective of public health and safety and of the environment.

h. A property owner of a site on which a deed notice has been recorded shall notify any person who intends to excavate on the site of the nature and location of any contamination existing on the site and of any conditions or measures necessary to prevent exposure to contaminants.

19. Section 3 of P.L.1976, c.141 (C.58:10-23.11b) is amended to read as follows:

C.58:10-23.11b Definitions.

3. Unless the context clearly indicates otherwise, the following terms shall have the following meanings:

"Administrator" means the chief executive of the New Jersey Spill Compensation Fund;

"Barrel" means 42 United States gallons or 159.09 liters or an appropriate equivalent measure set by the director for hazardous substances which are other than fluid or which are not commonly measured by the barrel;

"Cleanup and removal costs" means all costs associated with a discharge, incurred by the State or its political subdivisions or their agents or any person with written approval from the department in the: (1) removal or attempted removal of hazardous substances, or (2) taking of reasonable measures to prevent or mitigate damage to the public health, safety, or welfare, including, but not limited to, public and private property, shorelines, beaches, surface waters, water columns and bottom sediments, soils and other affected property, including wildlife and other natural resources, and shall include costs incurred by the State for the indemnification and legal defense of contractors pursuant to sections 1 through 11 of P.L.1991, c.373 (C.58:10-23.11f8 et seq.). For the purposes of this definition, costs incurred by the State shall not include any indirect costs for department oversight performed after the effective date of P.L.1997, c.278 (C.58:10B-l.1 et al.), but may include only those program costs directly related to the cleanup and removal of the discharge; however, where the State or the fund have expended money for the cleanup and removal of a discharge and are seeking to recover the costs incurred in that cleanup and removal action from a responsible party, costs incurred by the State shall include any indirect costs;

"Commissioner" means the Commissioner of Environmental Protection;

"Department" means the Department of Environmental Protection;

In determining whether a facility is a major facility for the purposes of P.L.1976, c.141 (C.58:10-23.11 et seq.), any underground storage tank at the facility used solely to store heating oil for on-site consumption shall not be considered when determining the combined storage capacity of the facility.

For the purposes of this definition, "storage capacity" shall mean only that total combined capacity which is dedicated to, used for or intended to be used for storage of hazardous substances of all kinds. Where appropriate to the nature of the facility, storage capacity may be determined by the

20. Section 8 of P.L. 1976, c. 141 (C. 58:10-23.11g) is amended to read as follows:

C.58:10-23.11g Liability for cleanup and removal costs.

8. a. The fund shall be strictly liable, without regard to fault, for all cleanup and removal costs and for all direct and indirect damages no matter by whom sustained, including but not limited to:

(1) The cost of restoring, repairing, or replacing any real or personal property damaged or destroyed by a discharge, any income lost from the time such property is damaged to the time such property is restored, repaired or replaced, and any reduction in value of such property caused by such discharge by comparison with its value prior thereto;

(2) The cost of restoration and replacement, where possible, of any natural resource damaged or destroyed by a discharge;

(3) Loss of income or impairment of earning capacity due to damage to real or personal property, including natural resources destroyed or damaged by a discharge; provided that such loss or impairment exceeds 10% of the amount which claimant derives, based upon income or business records, exclusive of other sources of income, from activities related to the particular real or personal property or natural resources damaged or destroyed by such discharge during the week, month or year for which the claim is filed;

(4) Loss of tax revenue by the State or local governments for a period of one year due to damage to real or personal property proximately resulting from a discharge;

(5) Interest on loans obtained or other obligations incurred by a claimant for the purpose of ameliorating the adverse effects of a discharge pending the payment of a claim in full as provided by this act.

b. The damages which may be recovered by the fund, without regard to fault, subject to the defenses enumerated in subsection d. of this section against the owner or operator of a major facility or vessel, shall not exceed $50,000,000.00 for each major facility or $150.00 per gross ton for each vessel, except that such maximum limitation shall not apply and the owner or operator shall be liable, jointly and severally, for the full amount of such damages if it can be shown that such discharge was the result of (1) gross negligence or willful misconduct, within the knowledge and privity of the owner, operator or person in charge, or (2) a gross or willful violation of applicable safety, construction or operating standards or regulations. Damages which may be recovered from, or by, any other person shall be limited to those authorized by common or statutory law.

c. (1) Any person who has discharged a hazardous substance, or is in any way responsible for any hazardous substance, shall be strictly liable,
jointly and severally, without regard to fault, for all cleanup and removal costs no matter by whom incurred. Such person shall also be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs incurred by the department or a local unit pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.1lf).

(2) In addition to the persons liable pursuant to this subsection, in the case of a discharge of a hazardous substance from a vessel into the waters of the State, the owner or operator of a refinery, storage, transfer, or pipeline facility to which the vessel was en route to deliver the hazardous substance who, by contract, agreement, or otherwise, was scheduled to assume ownership of the discharged hazardous substance, and any other person who was so scheduled to assume ownership of the discharged hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs if the owner or operator of the vessel did not have the evidence of financial responsibility required pursuant to section 2 of P.L.1991, c.58 (C.58:10-23.1lg2).

Where a person is liable for cleanup and removal costs as provided in this paragraph, any expenditures made by the administrator for that cleanup and removal shall constitute a debt of that person to the fund. The debt shall constitute a lien on all property owned by that person when a notice of lien identifying the nature of the discharge and the amount of the cleanup, removal and related costs expended from the fund is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the liable person and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and removal, shall attach to the revenues and all real and personal property of the liable person, whether or not that person is insolvent.

For the purpose of determining priority of this lien over all other claims or liens which are or have been filed against the property of an owner or operator of a refinery, storage, transfer, or pipeline facility, the lien on the facility to which the discharged hazardous substance was en route shall have priority over all other claims or liens which are or have been filed against the property. The notice of lien filed pursuant to this paragraph which affects any property of a person liable pursuant to this paragraph other than the property of an owner or operator of a refinery, storage, transfer, or pipeline facility to which the discharged hazardous substance was en route, shall have priority from the day of the filing of the notice of the lien over all claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this paragraph.
CHAPTER 278, LAWS OF 1997

To the extent that a person liable pursuant to this paragraph is not otherwise liable pursuant to paragraph (1) of this subsection, or under any other provision of law or under common law, that person may bring an action for indemnification for costs paid pursuant to this paragraph against any other person who is strictly liable pursuant to paragraph (1) of this subsection.

Nothing in this paragraph shall be construed to extend or negate the right of any person to bring an action for contribution that may exist under P.L.1976, c.141, or any other act or under common law.

(3) In addition to the persons liable pursuant to this subsection, any person who owns real property acquired on or after September 14, 1993 on which there has been a discharge prior to the person’s acquisition of that property and who knew or should have known that a hazardous substance had been discharged at the real property, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs no matter by whom incurred. Such person shall also be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs incurred by the department or a local unit pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.11f). Nothing in this paragraph shall be construed to alter liability of any person who acquired real property prior to September 14, 1993.

d. (1) In addition to those defenses provided in this subsection, an act or omission caused solely by war, sabotage, or God, or a combination thereof, shall be the only defenses which may be raised by any owner or operator of a major facility or vessel responsible for a discharge in any action arising under the provisions of this act.

(2) A person, including an owner or operator of a major facility, who owns real property acquired on or after September 14, 1993 on which there has been a discharge, shall not be liable for cleanup and removal costs or for any other damages to the State or to any other person for the discharged hazardous substance pursuant to subsection c. of this section or pursuant to civil common law, if that person can establish by a preponderance of the evidence that subparagraphs (a) through (d) apply, or if applicable, subparagraphs (a) through (e) apply:

(a) the person acquired the real property after the discharge of that hazardous substance at the real property;
(b) (i) at the time the person acquired the real property, the person did not know and had no reason to know that any hazardous substance had been discharged at the real property, or (ii) the person acquired the real property by devise or succession, except that any other funds or property received by that person from the deceased real property owner who discharged a hazardous substance or was in any way responsible for a hazardous

substance, shall be made available to satisfy the requirements of P.L.1976, c.141, or (iii) the person complies with the provisions of subparagraph (e) of paragraph (2) of this subsection;

(c) the person did not discharge the hazardous substance, is not in any way responsible for the hazardous substance, and is not a corporate successor to the discharger or to any person in any way responsible for the hazardous substance or to anyone liable for cleanup and removal costs pursuant to this section;

(d) the person gave notice of the discharge to the department upon actual discovery of that discharge.

To establish that a person had no reason to know that any hazardous substance had been discharged for the purposes of this paragraph (2), the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property. For the purposes of this paragraph (2), all appropriate inquiry shall mean the performance of a preliminary assessment, and site investigation, if the preliminary assessment indicates that a site investigation is necessary, as defined in section 23 of P.L.1993, c.139 (C.58:10B-1), and performed in accordance with rules and regulations promulgated by the department defining these terms.

Nothing in this paragraph (2) shall be construed to alter liability of any person who acquired real property prior to September 14, 1993; and

(e) For the purposes of this subparagraph the person must have (i) acquired the property subsequent to a hazardous substance being discharged on the site and which discharge was discovered at the time of acquisition as a result of the appropriate inquiry, as defined in this paragraph (2), (ii) performed, following the effective date of P.L.1997, c.278, a remediation of the site or discharge consistent with the provisions of section 35 of P.L.1993, c.139 (C.58:10B-12), or, relied upon a valid no further action letter from the department for remediation performed prior to acquisition, or obtained approval of a remedial action workplan by the department after the effective date of P.L.1997, c.278 and continued to comply with the conditions of that workplan, and (iii) established and maintained all engineering and institutional controls as may be required pursuant to sections 35 and 36 of P.L.1993, c.139. A person who complies with the provisions of this subparagraph by actually performing a remediation of the site or discharge as set forth in (ii) above shall be issued, upon application, a no further action letter by the department. A person who complies with the provisions of this subparagraph either by receipt of a no further action letter from the department following the effective date of P.L.1997, c.278, or by relying on a previously issued no further action letter shall not be liable for any further remediation including any changes in a remediation
standard or for the subsequent discovery of a hazardous substance, at the site, if
the remediation was for the entire site, and the hazardous substance
was discharged prior to the person acquiring the property. Notwithstanding
any other provisions of this subparagraph, a person who complies with the
provisions of this subparagraph only by virtue of the existence of a
previously issued no further action letter shall receive no liability protections
for any discharge which occurred during the time period between the
issuance of the no further action letter and the property acquisition.
Compliance with the provisions of this subparagraph (e) shall not relieve
any person of any liability for a discharge that is off the site of the property
covered by the no further action letter, for a discharge that occurs at that
property after the person acquires the property, for any actions that person
negligently takes that aggravates or contributes to a discharge of a hazardous
substance, for failure to comply in the future with laws and regulations, or
if that person fails to maintain the institutional or engineering controls on
the property or to otherwise comply with the provisions of the no further
action letter.

(3) Notwithstanding the provisions of paragraph (2) of this subsection to
the contrary, if a person who owns real property obtains actual knowledge of
a discharge of a hazardous substance at the real property during the period of
that person's ownership and subsequently transfers ownership of the property
to another person without disclosing that knowledge, the transferor shall be
strictly liable for the cleanup and removal costs of the discharge and no
defense under this subsection shall be available to that person.

(4) Any federal, State, or local governmental entity which acquires
ownership of real property through bankruptcy, tax delinquency, abandon­
ment, escheat, eminent domain, condemnation or any circumstance in
which the governmental entity involuntarily acquires title by virtue of its
function as sovereign, or where the governmental entity acquires the
property by any means for the purpose of promoting the redevelopment of
that property, shall not be liable, pursuant to subsection c. of this section or
pursuant to common law, to the State or to any other person for any
discharge which occurred or began prior to that ownership. This paragraph
shall not provide any liability protection to any federal, State or local
governmental entity which has caused or contributed to the discharge of a
hazardous substance. This paragraph shall not provide any liability
protection to any federal, State, or local governmental entity that acquires
ownership of real property by condemnation or eminent domain where the
real property is being remediated in a timely manner at the time of the
condemnation or eminent domain action.

e. Neither the fund nor the Sanitary Landfill Contingency Fund
established pursuant to P.L. 1981, c.306 (C.13:1E-100 et seq.) shall be liable
for any damages incurred by any person who is relieved from liability pursuant to subsection d. or f. of this section for a remediation that involves the use of engineering controls but the fund and the Sanitary Landfill Contingency Fund shall be liable for any remediation that involves only the use of institutional controls if after a valid no further action letter has been issued the department orders additional remediation except that the fund and the Sanitary Landfill Contingency Fund shall not be liable for any additional remediation that is required to remove an institutional control.

f. Notwithstanding any other provision of this section, a person, who owns real property acquired on or after the effective date of P.L. 1997, c. 278 (C.58:10B-1.1 et al.), shall not be liable for any cleanup and removal costs or damages, under this section or pursuant to any other statutory or civil common law, to any person, other than the State and the federal government, harmed by any hazardous substance discharged on that property prior to acquisition, and any migration off that property related to that discharge, provided that all the conditions of this subsection are met:

(1) the person acquired the real property after the discharge of that hazardous substance at the real property;
(2) the person did not discharge the hazardous substance, is not in any way responsible for the hazardous substance, and is not a corporate successor to the discharger or to any person in any way responsible for the hazardous substance or to anyone liable for a discharge pursuant to this section;
(3) the person gave notice of the discharge to the department upon actual discovery of that discharge;
(4) within 30 days after acquisition of the property, the person commenced a remediation of the discharge, including any migration, pursuant to a department oversight document executed prior to acquisition, and the department is satisfied that remediation was completed in a timely and appropriate fashion; and
(5) Within ten days after acquisition of the property, the person agrees in writing to provide access to the State for remediation and related activities, as determined by the State.

The provisions of this subsection shall not relieve any person of any liability:
(1) for a discharge that occurs at that property after the person acquired the property;
(2) for any actions that person negligently takes that aggravates or contributes to the harm inflicted upon any person;
(3) if that person fails to maintain the institutional or engineering controls on the property or to otherwise comply with the provisions of a no
further action letter or a remedial action workplan and a person is harmed thereby;

(4) for any liability to clean up and remove, pursuant to the department's regulations and directions, any hazardous substances that may have been discharged on the property or that may have migrated therefrom; and

(5) for that person's failure to comply in the future with laws and regulations.

g. Nothing in the amendatory provisions to this section adopted pursuant to P.L.1997, c.278 shall be construed to remove any defense to liability that a person may have had pursuant to subsection e. of this section that existed prior to the effective date of P.L.1997, c.278.

h. Nothing in this section shall limit the requirements of any person to comply with P.L.1983, c.330 (C.13:1K-6 et seq.).

21. Section 2 of P.L.1995, c.413 (C.54:4-3.151) is amended to read as follows:

C.54:4-3.151 Findings, declarations relative to contaminated real property.

2. The Legislature finds that there are numerous properties that are underutilized or that have been abandoned and that are not being utilized for any commercial use because of contamination that exists at those properties; that abandoned contaminated properties harm society by causing a burden on municipal services while failing to contribute to the funding of those services; that a disproportionate percentage of these properties are located in older urban municipalities given the fact that these municipalities were once the center for industrial production; that the revitalization of these properties will not only bring tax ratables to the municipality and other local governments, but will result in job creation and foster urban redevelopment; that one of the central tenets of the State Development and Redevelopment Plan is to redevelop urban areas with existing utilities and infrastructure and that the use of these now abandoned or underutilized sites for commercial purposes will make a significant contribution toward implementing the plan; that the federal "Clean Air Act" encourages the reindustrialization of urban areas as this would provide jobs near where people live thus reducing harmful air pollutants emitted from automobiles needed to travel distances to places of employment; and that it is in the economic interest of the State and the municipalities in which abandoned or underutilized contaminated properties are located to encourage the remediation of these properties so that they can be reused or fully used for commercial, residential, or other productive purposes.
22. Section 3 of P.L.1995, c.413 (C.54:4-3.152) is amended to read as follows:

3. As used in this act:
"Assessor" means the municipal tax assessor appointed pursuant to the provisions of chapter 9 of Title 40A of the New Jersey Statutes;
"Contamination" or "contaminant" means any discharged hazardous substance as defined pursuant to section 3 of P.L.1976, c.41 (C.58:10-23.11b), hazardous waste as defined pursuant to section 1 of P.L.1976, c.99 (C.13:1E-38), or pollutant as defined pursuant to section 3 of P.L.1977, c.74 (C.58:10A-3);
"Environmental opportunity zone" means any qualified real property that has been designated by the governing body as an environmental opportunity zone pursuant to section 4 of P.L.1995, c.413 (C.54:4-3.153);
"Limited restricted use remedial action" means any remedial action that requires the continued use of institutional controls but does not require the use of an engineering control;
"Qualified real property" means any parcel of real property that is now vacant or underutilized, which is in need of a remediation due to a discharge or threatened discharge of a contaminant;
"Remediation" means all necessary actions to investigate and clean up or respond to any known, suspected, or threatened discharge of contaminants, including, as necessary, the preliminary assessment, site investigation, remedial investigation, and remedial action;
"Remediation cost" means cost associated with the implementation of a remediation, including all direct and indirect legal, administrative and capital costs, engineering costs, and annual operation, maintenance, and monitoring costs;
"Unrestricted use remedial action" means any remedial action that does not require the continued use of engineering or institutional controls in order to meet the established health risk or environmental standards.

23. Section 5 of P.L.1995, c.413 (C.54:4-3.154) is amended to read as follows:

C.54:4-3.154 Ordinance providing for tax exemptions.
5. The governing body of a municipality which has adopted an ordinance pursuant to section 4 of P.L.1995, c.413 (C.54:4-3.153), shall, by ordinance, provide for exemptions of real property taxes for environmental opportunity zones. The governing body shall include the following items in its enabling ordinance:
a. A property tax exemption term of ten years except that a tax exemption may be extended up to fifteen years, at the municipality's option, if the qualified real property is to be remediated with a limited restricted use remedial action or an unrestricted use remedial action. The property tax exemption shall end if the difference between the real property taxes otherwise due and payments made in lieu of those taxes equals the total remediation cost for the qualified real property;
b. The application procedure for an exemption authorized under P.L.1995, c.413 (C.54:4-3.150 et seq.);
c. The method of computing payments in lieu of real property taxes pursuant to subsection b. of section 7 of P.L.1995, c.413 (C.54:4-3.156);
d. An approval method for exemption applications by the assessor or by ordinance on a per application basis; and
e. A requirement that the environmental opportunity zone will be remediated in compliance with the remediation regulations adopted by the Department of Environmental Protection pursuant to P.L.1993, c.139 (C.58:10B-1 et al.), that the owner of the property will enter into a memorandum of agreement or administrative consent order with the department to perform the remediation and will complete the remediation pursuant to the agreement or order, and that, once remediated, the environmental opportunity zone will be used for a commercial, industrial, residential, or other productive purpose during the time period for which the real property tax exemption is given.

24. Section 7 of P.L.1995, c.413 (C.54:4-3.156) is amended to read as follows:

C.54:4-3.156 Financial agreement evidencing approved exemption.

7. a. Each approved exemption shall be evidenced by a financial agreement between the municipality and the applicant. The agreement shall be prepared by the applicant and shall contain the representations that are required by the enabling ordinance. The agreement shall provide for the applicant to annually pay to the municipality an amount in lieu of real property taxes, to be computed according to subsection b. of this section. With the approval of the governing body, the agreement may be assigned to a subsequent owner of the environmental opportunity zone.
b. Payments in lieu of real property taxes may be computed as a portion of the real property taxes otherwise due, according to the following schedule:

(1) In the first tax year following execution of a memorandum of agreement or administrative consent order, no payment in lieu of taxes otherwise due,
(2) In the second tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 10% of taxes otherwise due;

(3) In the third tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 20% of taxes otherwise due;

(4) In the fourth tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 30% of taxes otherwise due;

(5) In the fifth tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 40% of taxes otherwise due;

(6) In the sixth tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 50% of the taxes otherwise due;

(7) In the seventh tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 60% of the taxes otherwise due;

(8) In the eighth tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 70% of the taxes otherwise due;

(9) In the ninth tax year following execution of a memorandum of agreement or administrative consent order, an amount not less than 80% of the taxes otherwise due;

(10) In the tenth and all subsequent tax years following execution of a memorandum of agreement or administrative consent order, the exemption shall expire and the full amount of the assessed real property taxes, taking into account the value of the real property in its remediated state, shall be due.

Where a property tax exemption has been extended because of the proposed implementation of a limited restricted use remedial action or unrestricted use remedial action, the municipality may provide for a different schedule for the payment in lieu of real property taxes which payments may not exceed the length of the property tax exemption.

c. For the purposes of this section, only the amount of "taxes otherwise due" shall be determined by using the assessed valuation of the environmental opportunity zone at the time of the approval by the assessor of the exemption, regardless of any improvement made to the environmental opportunity zone thereafter and as if the designation of the environmental opportunity zone had not occurred.

d. Notwithstanding any other provision in P.L.1995, c.413 (C.54:4-3.150 et seq.), if at any time the governing body of the municipality
finds that the memorandum of agreement for remediation of the environ-
mental opportunity zone has been terminated at the option of the applicant,
unless if an administrative consent order is issued in its place, or that any of
the conditions in the ordinance as required by subsection e. of section 5 of
P.L.1995, c.413 (C.54:4-3.154) are not met, the period of the property tax
exemption shall end.

C.58:10B-24 Duties of Department of Environmental Protection.
25. The Department of Environmental Protection shall:
   (1) Prepare materials for dissemination to the public that explain the
environmental and health risks associated with site remediations in general
and which are designed to assist local governments and the public in
assessing the risks associated with particular site remediation projects;
   (2) Serve as an informational resource for county improvement
authorities who are involved in remediating and redeveloping contaminated
redevelopment areas and for municipalities and residents of this State who
may be impacted by the remediation or redevelopment of contaminated real
property regardless of who is undertaking the remediation or redevelopment;
   (3) Work with residents and municipalities to form neighborhood
informational groups whose purpose is to research, understand and
disseminate information in neighborhoods concerning the public health and
environmental risks associated with site remediations and redevelopment,
as well as the economic benefits to be gained; and
   (4) Make recommendations to the Legislature and the Governor in
order to improve the public understanding, perception and risk associated
with site remediations in the State.

26. Section 12 of P.L.1970, c.33 (C.13:1D-9) is amended to read as
follows:

C.13:1D-9 Powers of department.
12. The department shall formulate comprehensive policies for the
conservation of the natural resources of the State, the promotion of
environmental protection and the prevention of pollution of the environment
of the State. The department shall in addition to the powers and duties
vested in it by this act or by any other law have the power to:
   a. Conduct and supervise research programs for the purpose of
determining the causes, effects and hazards to the environment and its
ecology;
   b. Conduct and supervise Statewide programs of education, including
the preparation and distribution of information relating to conservation,
environmental protection and ecology;
c. Require the registration of persons engaged in operations which may result in pollution of the environment and the filing of reports by them containing such information as the department may prescribe to be filed relative to pollution of the environment, all in accordance with applicable codes, rules or regulations established by the department;

d. Enter and inspect any building or place for the purpose of investigating an actual or suspected source of pollution of the environment and ascertaining compliance or noncompliance with any codes, rules and regulations of the department. Any information relating to secret processes concerning methods of manufacture or production, obtained in the course of such inspection, investigation or determination, shall be kept confidential, except this information shall be available to the department for use, when relevant, in any administrative or judicial proceedings undertaken to administer, implement, and enforce State environmental law, but shall remain subject only to those confidentiality protections otherwise afforded by federal law and by the specific State environmental laws and regulations that the department is administering, implementing and enforcing in that particular case or instance. In addition, this information shall be available upon request to the United States Government for use in administering, implementing, and enforcing federal environmental law, but shall remain subject to the confidentiality protection afforded by federal law. If samples are taken for analysis, a duplicate of the analytical report shall be furnished promptly to the person suspected of causing pollution of the environment;

e. Receive or initiate complaints of pollution of the environment, including thermal pollution, hold hearings in connection therewith and institute legal proceedings for the prevention of pollution of the environment and abatement of nuisances in connection therewith and shall have the authority to seek and obtain injunctive relief and the recovery of fines and penalties in summary proceedings in the Superior Court;

f. Prepare, administer and supervise Statewide, regional and local programs of conservation and environmental protection, giving due regard for the ecology of the varied areas of the State and the relationship thereof to the environment, and in connection therewith prepare and make available to appropriate agencies in the State technical information concerning conservation and environmental protection, cooperate with the Commissioner of Health and Senior Services in the preparation and distribution of environmental protection and health bulletins for the purpose of educating the public, and cooperate with the Commissioner of Health and Senior Services in the preparation of a program of environmental protection;

g. Encourage, direct and aid in coordinating State, regional and local plans and programs concerning conservation and environmental protection in accordance with a unified Statewide plan which shall be formulated,
approved and supervised by the department. In reviewing such plans and programs and in determining conditions under which such plans may be approved, the department shall give due consideration to the development of a comprehensive ecological and environmental plan in order to be assured insofar as is practicable that all proposed plans and programs shall conform to reasonably contemplated conservation and environmental protection plans for the State and the varied areas thereof;

h. Administer or supervise programs of conservation and environmental protection, prescribe the minimum qualifications of all persons engaged in official environmental protection work, and encourage and aid in coordinating local environmental protection services;

i. Establish and maintain adequate bacteriological, radiological and chemical laboratories with such expert assistance and such facilities as are necessary for routine examinations and analyses, and for original investigations and research in matters affecting the environment and ecology;

j. Administer or supervise a program of industrial planning for environmental protection; encourage industrial plants in the State to undertake environmental and ecological engineering programs; and cooperate with the State Departments of Health and Senior Services, Labor, and Commerce and Economic Development in formulating rules and regulations concerning industrial sanitary conditions;

k. Supervise sanitary engineering facilities and projects within the State, authority for which is now or may hereafter be vested by law in the department, and shall, in the exercise of such supervision, make and enforce rules and regulations concerning plans and specifications, or either, for the construction, improvement, alteration or operation of all public water supplies, all public bathing places, landfill operations and of sewerage systems and disposal plants for treatment of sewage, wastes and other deleterious matter, liquid, solid or gaseous, require all such plans or specifications, or either, to be first approved by it before any work thereunder shall be commenced, inspect all such projects during the progress thereof and enforce compliance with such approved plans and specifications;

l. Undertake programs of research and development for the purpose of determining the most efficient, sanitary and economical ways of collecting, disposing or utilizing of solid waste;

m. Construct and operate, on an experimental basis, incinerators or other facilities for the disposal of solid waste, provide the various municipalities and counties of this State, the Board of Public Utilities, and the Division of Local Government Services in the Department of Community Affairs with statistical data on costs and methods of solid waste collection, disposal and utilization;
n. Enforce the State air pollution, water pollution, conservation, environmental protection, waste and refuse disposal laws, rules and regulations, including the making and signing of a complaint and summons for their violation by serving the summons upon the violator and thereafter filing the complaint promptly with a court having jurisdiction;

o. Acquire by purchase, grant, contract or condemnation, title to real property, for the purpose of demonstrating new methods and techniques for the collection or disposal of solid waste;

p. Purchase, operate and maintain, pursuant to the provisions of this act, any facility, site, laboratory, equipment or machinery necessary to the performance of its duties pursuant to this act;

q. Contract with any other public agency or corporation incorporated under the laws of this or any other state for the performance of any function under this act;

r. With the approval of the Governor, cooperate with, apply for, receive and expend funds from, the federal government, the State Government, or any county or municipal government or from any public or private sources for any of the objects of this act;

s. Make annual and such other reports as it may deem proper to the Governor and the Legislature, evaluating the demonstrations conducted during each calendar year;

t. Keep complete and accurate minutes of all hearings held before the commissioner or any member of the department pursuant to the provisions of this act. All such minutes shall be retained in a permanent record, and shall be available for public inspection at all times during the office hours of the department;

u. Require any person subject to a lawful order of the department, which provides for a period of time during which such person subject to the order is permitted to correct a violation, to post a performance bond or other security with the department in such form and amount as shall be determined by the department. Such bond need not be for the full amount of the estimated cost to correct the violation but may be in such amount as will tend to insure good faith compliance with said order. The department shall not require such a bond or security from any public body, agency or authority. In the event of a failure to meet the schedule prescribed by the department, the sum named in the bond or other security shall be forfeited unless the department shall find that the failure is excusable in whole or in part for good cause shown, in which case the department shall determine what amount of said bond or security, if any, is a reasonable forfeiture under the circumstances. Any amount so forfeited shall be utilized by the department for the correction of the violation or violations, or for any other action required to insure compliance with the order; and
v. Encourage and aid in coordinating State, regional and local plans, efforts and programs concerning the remediation and reuse of former industrial or commercial properties that are currently underutilized or abandoned and at which there has been, or is perceived to have been, a discharge, or threat of a discharge, of a contaminant. For the purposes of this subsection, "underutilized property" shall not include properties undergoing a reasonably timely remediation or redevelopment process.

27. Section 2 of P.L.1976, c.141 (C.58:10-23.11a) is amended to read as follows:

C.58:10-23.11a Findings and declarations.

2. The Legislature finds and declares: that New Jersey's lands and waters constitute a unique and delicately balanced resource; that the protection and preservation of these lands and waters promote the health, safety and welfare of the people of this State; that the tourist and recreation industry dependent on clean waters and beaches is vital to the economy of this State; that the State is the trustee, for the benefit of its citizens, of all natural resources within its jurisdiction; and that the storage and transfer of petroleum products and other hazardous substances between vessels, between facilities and vessels, and between facilities, whether onshore or offshore, is a hazardous undertaking and imposes risk of damage to persons and property within this State.

The Legislature finds and declares that the discharge of petroleum products and other hazardous substances within or outside the jurisdiction of this State constitutes a threat to the economy and environment of this State. The Legislature intends by the passage of this act to exercise the powers of this State to control the transfer and storage of hazardous substances and to provide liability for damage sustained within this State as a result of any discharge of said substances, by requiring the prompt containment and removal of such pollution and substances, and to provide a fund for swift and adequate compensation to resort businesses and other persons damaged by such discharges, and to provide for the defense and indemnification of certain persons under contract with the State for claims or actions resulting from the provision of services or work to mitigate or clean up a release or discharge of hazardous substances.

The Legislature further finds and declares that many former industrial sites in the State remain vacant or underutilized in part because they have been contaminated by a discharge of a hazardous substance; that these properties constitute an economic drain on the State and the municipalities in which they exist; that it is in the public interest to have these properties cleaned up sufficiently so that they can be safely returned to productive use; and that it should be a function of the Department of Environmental
Protection to facilitate and coordinate activities and functions designed to clean up contaminated sites in this State.

28. Section 7 of P.L.1976, c.141 (C.58:10-23.11f) is amended to read as follows:

C.58:10-23.11f Cleanup and removal of hazardous substances.

7. a. (1) Whenever any hazardous substance is discharged, the department may, in its discretion, act to clean up and remove or arrange for the cleanup and removal of the discharge or may direct the discharger to clean up and remove, or arrange for the cleanup and removal of, the discharge. If the discharge occurs at any hazardous waste facility or solid waste facility, the department may order the hazardous waste facility or solid waste facility closed for the duration of the cleanup and removal operations. The department may monitor the discharger's compliance with any such directive. Any discharger who fails to comply with such a directive shall be liable to the department in an amount equal to three times the cost of such cleanup and removal, and shall be subject to the revocation or suspension of any license issued or permit held authorizing that person to operate a hazardous waste facility or solid waste facility.

(2) Whenever one or more dischargers or persons cleans up and removes a discharge of a hazardous substance, those dischargers and persons shall have a right of contribution against all other dischargers and persons in any way responsible for a discharged hazardous substance or other persons who are liable for the cost of the cleanup and removal of that discharge of a hazardous substance. In an action for contribution, the contribution plaintiffs need prove only that a discharge occurred for which the contribution defendant or defendants are liable pursuant to the provisions of subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), and the contribution defendant shall have only the defenses to liability available to parties pursuant to subsection d. of section 8 of P.L.1976, c.141 (C.58:10-23.11g). In resolving contribution claims, a court may allocate the costs of cleanup and removal among liable parties using such equitable factors as the court determines are appropriate. Nothing in this subsection shall affect the right of any party to seek contribution pursuant to any other statute or under common law.

(3) In an action for contribution taken pursuant to this subsection, a contribution plaintiff may file a claim with the court for treble damages. A contribution plaintiff may be granted an award of treble damages by the court from one or more contribution defendants only upon a finding by the court that: (a) the contribution defendant is a person who was named on or subject to a directive issued by the department, who failed or refused to
comply with such a directive, and who is subject to contribution pursuant to this subsection; (b) the contribution plaintiff gave 30 days' notice to the contribution defendant of the plaintiff's intention to seek treble damages pursuant to this subsection and gave the contribution defendant an opportunity to participate in the cleanup; (c) the contribution defendant failed or refused to enter into a settlement agreement with the contribution plaintiff; and (d) the contribution plaintiff entered into an agreement with the department to remediate the site. Notwithstanding the foregoing requirements, any authorization to seek treble damages made by the department prior to the effective date of P.L.1997, c.278 (C.58:10B-1.1 et al.) shall remain in effect, provided that the department or the contribution plaintiff gave notice to the contribution defendant of the plaintiff's request to the department for authorization to seek treble damages.

A contribution defendant from whom treble damages is sought in a contribution action shall not be assessed treble damages by any court where the contribution defendant, for good cause shown, failed or refused to enter the settlement agreement with the contribution plaintiff or where principles of fundamental fairness will be violated. One third of an award of treble damages in a contribution action pursuant to this paragraph shall be paid to the department, which sum shall be deposited in the New Jersey Spill Compensation Fund. The other two thirds of the treble damages award shall be shared by the contribution plaintiffs in the proportion of the responsibility for the cost of the cleanup and removal that the contribution plaintiffs have agreed to with the department or in an amount as has been agreed to by those parties.

Cleanup and removal of hazardous substances and actions to minimize damage from discharges shall, to the greatest extent possible, be in accordance with the National Contingency Plan for cleanup and removal of oil and hazardous substances established pursuant to section 311(c)(2) of the federal Water Pollution Control Act Amendments of 1972 (Pub.L.92-500, 33 U.S.C. s. 1251 et seq.).

Whenever the department acts to clean up and remove a discharge or contracts to secure prospective cleanup and removal services, it is authorized to draw upon the money available in the fund. Such money shall be used to pay promptly for all cleanup and removal costs incurred by the department in cleaning up, in removing or in minimizing damage caused by such discharge.

Nothing in this section is intended to preclude removal and cleanup operations by any person threatened by such discharges, provided such persons coordinate and obtain approval for such actions with ongoing State or federal operations. No action taken by any person to contain or clean up and remove a discharge shall be construed as an admission of liability for
said discharge. No person who renders assistance in containing or cleaning up and removing a discharge shall be liable for any civil damages to third parties resulting solely from acts or omissions of such person in rendering such assistance, except for acts or omissions of gross negligence or willful misconduct. In the course of cleanup or removal operations, no person shall discharge any detergent into the waters of this State without prior authorization of the commissioner.

b. Notwithstanding any other provisions of P.L.1976, c.141 (C.58:10-23.11 et seq.), the department, subject to the approval of the administrator with regard to the availability of funds therefor, or a local unit as a part of an emergency response action and with the approval of the department, may clean up and remove or arrange for the cleanup and removal of any hazardous substance which:

(1) Has not been discharged from a grounded or disabled vessel, if the department determines that such cleanup and removal is necessary to prevent an imminent discharge of such hazardous substance; or

(2) Has not been discharged, if the department determines that such substance is not satisfactorily stored or contained and said substance possesses any one or more of the following characteristics:

(a) Explosiveness;
(b) High flammability;
(c) Radioactivity;
(d) Chemical properties which in combination with any discharged hazardous substance at the same storage facility would create a substantial risk of imminent damage to public health or safety or an imminent and severe damage to the environment;
(e) Is stored in a container from which its discharge is imminent as a result of contact with a hazardous substance which has already been discharged and such additional discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or
(f) High toxicity and is stored or being transported in a container or motor vehicle, truck, rail car or other mechanized conveyance from which its discharge is imminent as a result of the significant deterioration or the precarious location of the container, motor vehicle, truck, rail car or other mechanized conveyance, and such discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(3) Has been discharged prior to the effective date of P.L.1976, c.141.

c. If and to the extent that he determines that funds are available, the administrator shall approve and make payments for any cleanup and removal costs incurred by the department for the cleanup and removal of a
hazardous substance other than petroleum as authorized by subsection b. of this section; provided that in determining the availability of funds, the administrator shall not include as available funds revenues realized or to be realized from the tax on the transfer of petroleum, to the extent that such revenues result from a tax levied at a rate in excess of $0.01 per barrel, pursuant to subsection b. of section 9 of P.L. 1976, c. 141 (C.58:10-23.11h), unless the administrator determines that the sum of claims paid by the fund on behalf of petroleum discharges or cleanup and removals plus pending reasonable claims against the fund on behalf of petroleum discharges or cleanup and removals is greater than 30% of the sum of all claims paid by the fund plus all pending reasonable claims against the fund.

d. The administrator may only approve and make payments for any cleanup and removal costs incurred by the department for the cleanup and removal of a hazardous substance discharged prior to the effective date of P.L. 1976, c. 141, pursuant to subsection b. of this section, if, and to the extent that, he determines that adequate funds from another source are not or will not be available; and provided further, with regard to the cleanup and removal costs incurred for discharges which occurred prior to the effective date of P.L. 1976, c. 141, the administrator may not during any one-year period pay more than $18,000,000 in total or more than $3,000,000 for any discharge or related set or series of discharges.

e. Notwithstanding any other provisions of P.L. 1976, c. 141, the administrator, after considering, among any other relevant factors, the department's priorities for spending funds pursuant to P.L. 1976, c. 141, and within the limits of available funds, shall make payments for the restoration or replacement of, or connection to an alternative water supply for, any private residential well destroyed, contaminated, or impaired as a result of a discharge prior to the effective date of P.L. 1976, c. 141; provided, however, total payments for said purpose shall not exceed $500,000 for the period between the effective date of this subsection e. and January 1, 1983, and in any calendar year thereafter.

f. Any expenditures made by the administrator pursuant to this act shall constitute, in each instance, a debt of the discharger to the fund. The debt shall constitute a lien on all property owned by the discharger when a notice of lien, incorporating a description of the property of the discharger subject to the cleanup and removal and an identification of the amount of cleanup, removal and related costs expended from the fund, is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the discharger and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup
and removal, shall attach to the revenues and all real and personal property of the discharger, whether or not the discharger is insolvent.

The notice of lien filed pursuant to this subsection which affects the property of a discharger subject to the cleanup and removal of a discharge shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this notice of lien shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this notice of lien. The notice of lien filed pursuant to this subsection which affects any property of a discharger, other than the property subject to the cleanup and removal, shall have priority from the day of the filing of the notice of the lien over all other claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this subsection.

g. In the event a vessel discharges a hazardous substance into the waters of the State, the cleanup and removal and related costs resulting from that discharge that constitute a maritime lien on the discharging vessel pursuant to 33 U.S.C. s.1321 or any other law, may be recovered by the Department of Environmental Protection in an action in rem brought in the district court of the United States. An impoundment of a vessel resulting from this action shall continue until:

(1) the claim against the owner or operator of the vessel for the cleanup and removal and related costs of the discharge is satisfied;

(2) the owner or operator of the vessel, or a representative of the owner or operator, provides evidence of financial responsibility as provided in section 2 of P.L.1991, c.58 (C.58:10-23.11g2) and satisfactorily guarantees that these costs will be paid; or

(3) the impoundment is otherwise vacated by a court order. The remedy provided in this subsection is in addition to any other remedy or enforcement power that the department may have under any other law.

Any action brought by the State pursuant to this subsection and any impoundment of a vessel resulting therefrom shall not subject the State to be in any way liable for a subsequent or continued discharge of a hazardous substance from that vessel.

29. Section 1 of P.L.1993, c.112 (C.58:10-23.11g4) is amended to read as follows:

C.58:10-23.11g4 Definitions.

1. For purposes of sections 1 through 5 of P.L.1993, c.112 (C.58:10-23.11g4 through 58:10-23.11g8):
"Active participation in the management" or "participation in the management" means actual participation in the management or operational affairs by the holder of the security interest and shall not include the mere capacity, or ability to influence, or the unexercised right to control vessel, facility, or underground storage tank facility operations.

(1) A holder of a security interest shall be considered to be in active participation in the management, while the borrower is still in possession, only if the holder either:

(a) exercises decision making control over the borrower's environmental compliance, such that the holder has undertaken responsibility for the borrower's waste disposal or hazardous substance handling practices; or

(b) exercises control at a level comparable to that of a manager of the borrower's enterprise, such that the holder has assumed or manifested responsibility for the overall management of the enterprise encompassing the day-to-day decision making of the enterprise with respect to:

(i) environmental compliance; or

(ii) all, or substantially all, of the operational (as opposed to financial or administrative) aspects of the enterprise other than environmental compliance. Operational aspects of the enterprise include functions such as that of facility manager, underground storage tank facility manager, or plant manager, operations manager, chief operating officer, or chief executive officer. Financial or administrative aspects include functions such as that of credit manager, accounts payable or receivable manager, or both, personnel manager, controller, chief financial officer, or similar functions.

(2) No act or omission prior to the time that indicia of ownership are held primarily to protect a security interest constitutes evidence of participation in management. A prospective holder who undertakes or requires an environmental inspection of the vessel, facility, or underground storage tank facility in which indicia of ownership are to be held, or requires a prospective borrower to clean up a vessel, facility, or underground storage tank facility or to comply or come into compliance (whether prior or subsequent to the time that indicia of ownership are held primarily to protect a security interest) with any applicable law or regulation, is not by such action considered to be participating in the vessel's, facility's, or underground storage tank facility's management, provided however, that a holder shall not be required to conduct or require an inspection to qualify for the protection for holders granted pursuant to sections 1 through 5 of P.L.1993, c.112 (C.58:10-23.11g4 through 58:10-23.11g8), and the liability of a holder shall not be based on or affected by the holder not conducting or not requiring an inspection.

(3) Actions that are consistent with holding ownership indicia primarily to protect a security interest do not constitute participation in management
for purposes of sections 1 through 5 of P.L.1993, c.112 (C.58:10-23.11g4 through 58:10-23.11g8). The authority for the holder to make such actions may, but need not, be contained in contractual or other documents specifying requirements for financial, environmental, and other warranties, covenants, conditions, representations or promises from the borrower. Loan policing and work out activities cover and include all activities up to foreclosure and its equivalents.

(a) A holder who engages in policing activities prior to foreclosure shall remain within the exemption provided that the holder does not by such actions participate in the management of the vessel, facility, or underground storage tank facility. Such actions include, but are not limited to, requiring the borrower to clean up the vessel, facility, or underground storage tank facility during the term of the security interest; requiring the borrower to comply or come into compliance with applicable federal, state, and local environmental and other laws, rules and regulations during the term of the security interest; securing or exercising authority to monitor or inspect the vessel, facility, or underground storage tank facility (including on-site inspections) in which indicia of ownership are maintained, or the borrower’s business or financial conditions during the term of the security interest; or taking other actions to adequately police the loan or security interest (such as requiring a borrower to comply with any warranties, covenants, conditions, representations or promises from the borrower).

(b) A holder who engages in work out activities prior to foreclosure and its equivalents shall remain within the exemption provided that the holder does not by such action participate in the management of the vessel, facility, or underground storage tank facility. For purposes of this act, "work out" refers to those actions by which a holder, at any time prior to foreclosure and its equivalents, seeks to: prevent, cure, or mitigate a default by the borrower or obligor; or preserve or prevent the diminution of the value of the security. Work out activities include, but are not limited to: restructuring or renegotiating the terms of the security interest; requiring payment of additional rent or interest; exercising forbearance; requiring or exercising rights pursuant to an assignment of accounts or other amounts owing to an obligor; requiring or exercising rights pursuant to an escrow agreement pertaining to amounts owing to an obligor; providing specific or general financial or other advice, suggestions, counseling, or guidance; and exercising any right or remedy the holder is entitled to by law or under any warranties, covenants, conditions, representations or promises from the borrower.

(4) A holder does not participate in the management of a vessel, facility, or underground storage tank facility by making any response or performing any response action or undertaking any cleanup or removal or similar action under the federal "Comprehensive Environmental Response, Compensa-

"Date of foreclosure" means the date on which the holder obtains legal or equitable title to the vessel or facility pursuant to or incident to foreclosure.

"Fair consideration" means the value of the security interest when calculated as an amount equal to or in excess of the sum of the outstanding principal (or comparable amount in the cases of a lease that constitutes a security interest) owed to the holder immediately preceding the acquisition of full title (or possession in the case of property subject to a lease financing transaction) pursuant to foreclosure and its equivalents, plus any unpaid interest, rent or penalties (whether arising before or after foreclosure and its equivalents), plus all reasonable and necessary costs, fees, or other charges incurred by the holder incident to work out, foreclosure and its equivalents, retention, maintaining the business activities of the enterprise, preserving, protecting and preparing the vessel, facility, or underground storage tank facility prior to sale, re-lease of property held pursuant to a lease financing transaction (whether by a new lease financing transaction or substitution of the lessee) or other disposition, plus response costs incurred under applicable federal or State environmental cleanup laws or regulations, or at the direction of an on-scene coordinator, less any amounts received by the holder in connection with any partial disposition of the property, net revenues received as a result of maintaining the business activities of the enterprise, and any amounts paid by the borrower subsequent to the acquisition of full title (or possession in the case of property subject to a lease financing transaction) pursuant to foreclosure and its equivalents. In the case of a holder maintaining indicia of ownership primarily to protect a junior security interest, fair consideration is the value of all outstanding higher priority security interests plus the value of the security interest held by the junior holder, each calculated as set forth in this definition.

"Foreclosure" or "foreclosure and its equivalents" means purchase at foreclosure sale; acquisition or assignment of title in lieu of foreclosure; termination of a lease or other repossession; acquisition of a right to title or possession; an agreement in satisfaction of the obligation; or any other form or informal manner (whether pursuant to law or under warranties, covenants, conditions, representations or promises from the borrower) by which the holder acquires title to or possession of the secured property.

"Holder" is a person who maintains indicia of ownership primarily to protect a security interest. A holder includes the initial holder (such as a loan originator), any subsequent holder (such as a successor-in-interest or
subsequent purchaser of the security interest on the secondary market), a guarantor of an obligation, surety, or any other person who holds ownership indicia primarily to protect a security interest, or a receiver or other person who acts on behalf or for the benefit of a holder.

"Indicia of ownership" means evidence of a security interest, evidence of an interest in a security interest, or evidence of an interest in real or personal property securing a loan or other obligation, including any legal or equitable title to real or personal property acquired incident to foreclosure and its equivalents. Evidence of such interests include, but are not limited to, mortgages, deeds of trust, liens, surety bonds and guarantees of obligations, title held pursuant to a lease financing transaction in which the lessor does not select initially the leased property (hereinafter "lease financing transaction"), legal or equitable title obtained pursuant to foreclosure and their equivalents. Evidence of such interests also includes assignments, pledges, or other rights to or other forms of encumbrance against property that are held primarily to protect a security interest. A person is not required to hold title or a security interest in order to maintain indicia of ownership.

"Primarily to protect a security interest" means that the holder's indicia of ownership are held primarily for the purpose of securing payment or performance of an obligation but does not include indicia of ownership held primarily for investment purposes, nor ownership indicia held primarily for purposes other than as a protection for a security interest. A holder may have other, secondary reasons for maintaining indicia of ownership, but the primary reasons why any ownership indicia are held shall be as protection for a security interest.

"Security interest" means an interest in a vessel or facility created or established for the purpose of securing a loan or other obligation. Security interests include, but are not limited to, mortgages, deeds of trust, liens, and title pursuant to lease financing transactions. Security interests may also arise from transactions such as sale and leasebacks, conditional sales, installment sales, trusts receipt transactions, certain assignments, factoring agreements, accounts receivable financing arrangements, and consignments, if the transaction creates or establishes an interest in a vessel or facility for the purpose of securing a loan or other obligation.

"Underground storage tank" shall have the same meaning as set forth in section 2 of P.L. 1986, c.102 (C.58:10A-22).

"Underground storage tank facility" shall mean one or more underground storage tanks.

30. Section 2 of P.L.1993, c.112 (C.58:10-23.11g5) is amended to read as follows:
C.58:10-23.11g5 Liability for cleanup costs, damages.

2. A person who maintains indicia of ownership of a vessel, facility, or underground storage tank facility primarily to protect a security interest in a vessel, facility, or underground storage tank facility and who does not participate in the management of the vessel or facility or underground storage tank facility is not deemed to be an owner or operator of the vessel, facility, or underground storage tank facility, shall not be deemed the discharger or responsible party for a discharge from the vessel, facility, or underground storage tank facility and shall not be liable for cleanup costs or damages resulting from discharges from the vessel or facility pursuant to sections 8, 18, and 22 of P.L.1976, c.141 (C.58:10-23.11g, 58:10-23.11q and 58:10-23.11u), section 2 of P.L.1990, c.75 (C.58:10-23.11u1), or section 8 of P.L.1986, c.102 (C.58:10A-28) except to the extent that liability may still apply to holders after foreclosure as set forth in section 3 of P.L.1993, c.112 (C.58:10-23.11g6).

31. Section 3 of P.L.1993, c.112 (C.58:10-23.11g6) is amended to read as follows:

C.58:10-23.11g6 Status and liability of holders after foreclosure.

3. The indicia of ownership, held after foreclosure, continue to be maintained primarily as a protection for a security interest provided that the holder did not participate in management prior to foreclosure and that the holder undertakes to sell, re-lease property held pursuant to a lease financing transaction (whether by a new lease financing transaction or substitution of the lessee) or otherwise divest itself of the vessel, facility, or underground storage tank facility in a reasonably expeditious manner in accordance with the means and procedures specified in this section. Such a holder may liquidate, maintain business operations, undertake environmental response actions pursuant to State and federal law, and take measures to preserve, protect or prepare the secured asset prior to sale or other disposition, without losing status as a person who maintains indicia of ownership primarily to protect a security pursuant to section 2 of P.L.1993, c.112 (C.58:10-23.11g5).

a. For purposes of establishing that a holder is seeking to sell, re-lease property held pursuant to a new lease financing transaction (whether by a new lease financing transaction or substitution of the lessee), or divest a vessel, facility, or underground storage tank facility in a reasonably expeditious manner, the holder may use whatever commercially reasonable means are relevant or appropriate with respect to the vessel, facility, or underground storage tank facility, or may employ the means specified in this section.
b. (1) A holder that outbids, rejects or fails to act upon a written bona fide, firm offer of fair consideration within 90 days of receipt of the offer, and which offer is received at any time after six months following the date of foreclosure, shall not be deemed to be using a commercially reasonable means for the purpose of this section. A "written bona fide, firm offer" means a legally enforceable, commercially reasonable, cash offer solely for the foreclosed vessel, facility, or underground storage tank facility, including all material terms of the transaction, from a ready, willing, and able purchaser who demonstrates to the holder's satisfaction the ability to perform. For purposes of this subsection, the six-month period begins to run from the time that the holder acquires a marketable title, provided that the holder, after the expiration of any redemption or other waiting period provided by law, was acting diligently to acquire marketable title.

(2) A holder that outbids, rejects, or fails to act upon an offer of fair consideration for the vessel, facility, or underground storage tank facility within the 90-day period, establishes that the ownership indicia in the secured property are not held primarily to protect the security interest, unless the holder is required, in order to avoid liability under federal or State law, to make a higher bid, to obtain a higher offer, or to seek or obtain an offer in a different manner.

c. A holder establishes that it is proceeding in a commercially reasonable manner after foreclosure by, within 12 months following foreclosure, listing the vessel, facility, or underground storage tank facility with a broker, dealer, or agent who deals with the type of property in question, or by advertising the vessel, facility, or underground storage tank facility as being for sale or disposition on at least a monthly basis in either a real estate publication or a trade or other publication suitable for the vessel, facility, or underground storage tank facility in question, or a newspaper of general circulation (defined as one with a circulation over 10,000, or one suitable under any applicable federal, State, or local rules of court for publication required by court order or rules of civil procedure) covering the area where the property is located. For purposes of this subsection, the 12-month period begins to run from the time that the holder acquires marketable title, provided that the holder, after the expiration of any redemption or other waiting period provided by law, was acting diligently to acquire marketable title.

d. A holder shall sell, re-lease the property held pursuant to a new lease financing transaction, or otherwise divest such vessel, facility, or underground storage tank facility in a reasonably expeditious manner, but not later than five years after the date of foreclosure, except that a holder may continue to hold the property for a time period longer than five years without losing status as a person who maintains indicia of ownership.
primarily to protect a security interest if (1) the holder has made a good faith effort to sell, re-lease or otherwise divest itself of the property using commercially reasonable means or other procedures prescribed by this act; (2) the holder has obtained any approvals required pursuant to applicable federal or State banking or other lending laws to continue its possession of the property; and (3) the holder has exercised reasonable custodial care to prevent or mitigate any new discharges from the vessel, facility, or underground storage tank facility that could substantially diminish the market value of the property.

e. (1) The exemption granted to holders pursuant to this section shall not apply to the liability for any new discharge from the vessel, facility, or underground storage tank facility, occurring after the date of foreclosure, that is caused by acts or omissions of the holder which can be shown, based on a preponderance of the evidence, to have been negligent. In the event a property has both preexisting and new discharges, the liability, if any, allocable to the holder pursuant to this subsection shall be limited to those cleanup costs or damages that relate directly to the new discharge. In the event there is a substantial commingling of a new discharge with a preexisting discharge, the liability, if any, allocable to the holder pursuant to this subsection shall be limited to the cleanup costs or damages in excess of those cleanup costs or damages relating to the preexisting discharge.

In order to establish that a discharge occurred or began prior to the date of foreclosure, a holder may perform, but shall not be required to perform, an environmental audit, in accordance with any applicable Department of Environmental Protection regulations and guidelines, to identify such discharges at the vessel, facility, or underground storage tank facility. Upon receipt of a complete audit from the holder, the Department of Environmental Protection shall, within 90 days of its receipt of the audit, review the audit and transmit its findings to the holder. The Department of Environmental Protection may charge reasonable fees and adopt any additional regulations necessary to provide guidelines for the submission and review of such audits.

(2) Nothing in this subsection shall be deemed to impose liability for a new discharge from the vessel, facility, or underground storage tank facility that is authorized pursuant to a federal or State permit or cleanup procedure.

(3) The exemption granted to holders of indicia of ownership to protect a security interest shall not apply to liability, if any, pursuant to applicable law and regulation, for arranging for the offsite disposal or treatment of a hazardous substance or by accepting for transportation and disposing of a hazardous substance at an offsite facility selected by the holder.

f. (1) A holder who acquires an underground storage tank continues to hold the exemption granted to holders pursuant to this section if there is an
operator of the underground storage tank, other than the holder, who is in control of the underground storage tank or has responsibility for compliance with applicable federal and State requirements.

(2) If an operator does not exist, a holder continues to maintain the exemption from liability granted to holders pursuant to this section if the holder:

(i) empties all underground storage tanks within 60 days after foreclosure or within 60 days after the effective date of P.L.1997, c.278 (C.58:10B-1.1 et al.), whichever is later, so that no more than one inch of residue, or .3 percent by weight of the total capacity of the underground storage tank remains in the underground storage tank, leaves vent lines open and functioning, and caps and secures all other lines, pumps, manways, and ancillary equipment; (ii) empties those underground storage tanks that are discovered after foreclosure within 60 days of discovery or within 60 days of the effective date of P.L.1997, c.278, whichever is later, so that no more than one inch of residue, or .3 percent by weight of the total capacity of the underground storage tank remains in the underground storage tank, leaves vent lines open and functioning, and caps and secures all other lines, pumps, manways, and ancillary equipment; and (iii) permanently closes the underground storage tank pursuant to the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.) or temporarily closes the underground storage tank.

g. An underground storage tank may be temporarily closed until a subsequent purchaser has acquired marketable title to the underground storage tank. When a subsequent purchaser acquires marketable title to the facility, the purchaser shall operate the underground storage tank in accordance with applicable State and federal laws or shall permanently close or remove the underground storage tank in accordance with the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.).

For the purposes of this section, an underground storage tank shall be considered temporarily closed if a holder installs or continues to operate and maintain corrosion protection and reports suspected releases to the Department of Environmental Protection. If the underground storage tank has not been upgraded to comply with the provisions of P.L.1986, c.102 and the applicable federal law or does not comply with the standards for new underground storage tanks pursuant to State and federal law except for spill and overfill protection, and is temporarily closed for 12 months or more, the holder shall conduct a site investigation in accordance with rules and regulations adopted by the department.

32. Section 4 of P.L.1993, c.112 (C.58:10-23.11g7) is amended to read as follows:

C.58:10-23.11g7 Departmental rights retained; violations, penalties.

4. a. Nothing in sections 1 through 5 of P.L.1993, c.112 (C.58:i0-23.11g4 through 58:10-23.11g8) shall be deemed to prohibit or limit the
rights of the Department of Environmental Protection to clean up a property or to obtain a lien on the property of a discharger or holder in order to recover cleanup costs pursuant to section 7 of P.L. 1976, c.141 (C.58:10-23.11f). Any recovery of cleanup costs from a holder pursuant to a lien obtained by the Department of Environmental Protection shall be limited to the actual financial benefit conferred on such holder by a cleanup or removal action, and shall not exceed the amount realized by the holder on the sale or other disposition of the property.

b. Nothing in sections 1 through 5 of P.L.1993, c.112 (C.58:10-23.11g4 through 58:10-23.11g8) shall be deemed to prohibit or limit the rights of the Department of Environmental Protection, pursuant to section 7 of P.L.1976, c.141 (C.58:10-23.11f), to direct the holder to take any emergency response actions, including closure of the vessel, facility, or underground storage tank facility, necessary to prevent, contain or mitigate a continuing or new discharge that poses an immediate threat to the environment or to the public health, safety or welfare.

c. (1) If a holder forecloses on a vessel, facility, or underground storage tank facility at which it has actual knowledge a discharge occurred or began prior to the date of foreclosure, the holder shall, within 30 days of the date of foreclosure, notify the Department of Environmental Protection that foreclosure has occurred. Any person who fails to give notice required pursuant to this subsection or knowingly gives or causes to be given false information in any such report, shall be subject to a civil penalty not to exceed $25,000. A court, in determining the amount of the penalty to be imposed, shall consider, among other relevant factors, the amount of any damages caused by the failure to give timely notice and whether the failure to notify was inadvertent or intentional.

(2) The holder shall immediately notify the Department of Environmental Protection of any new discharge, of which it has actual knowledge, occurring after the date of foreclosure, from the vessel, facility, or underground storage tank facility. Any person who fails to give notice required pursuant to this subsection or knowingly gives or causes to be given any false information in any such report, shall be subject to a civil penalty not to exceed $10,000 per day for each violation. A court, in determining the amount of the penalty to be imposed and the appropriateness of imposing multiple penalties for a continuing offense, shall consider, among other relevant factors, the amount of any damages caused by the failure to give timely notice and whether the failure to notify was inadvertent or intentional.

(3) Any penalty incurred under this section may be recovered with costs in a summary proceeding pursuant to "the penalty enforcement law," N.J.S.2A:58-1 et seq., in the Superior Court or a municipal court. Failure to give any required notice pursuant to this subsection shall not cause the
holder to lose its status as a person who maintains indicia of ownership primarily to protect a security interest.

C.58:10-23.11g8a  Compliance not required; loss of exemption.

33. A holder of an interest in an underground storage tank shall not be required to comply with the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.) unless the holder loses the exemption under P.L.1993, c.112 (C.58:10-23.11g4 et seq.).

C.58:10B-26  Definitions relative to redevelopment agreements.

34. As used in sections 34 through 39 of P.L.1997, c.278 (C.58:10B-26 through 58:10B-31):

"Contamination" or "contaminant" means any discharged hazardous substance as defined pursuant to section 3 of P.L.1976, c.141 (C.58:10-23.11b), hazardous waste as defined pursuant to section 1 of P.L.1976, c.99 (C.13:1E-38), or pollutant as defined pursuant to section 3 of P.L.1977, c.74 (C.58:10A-3);

"Developer" means any person that enters or proposes to enter into a redevelopment agreement with the State pursuant to the provisions of section 35 of P.L.1997, c.278 (C.58:10B-27).

"Director" means the Director of the Division of Taxation in the Department of the Treasury.

"Project" or "redevelopment project" means a specific work or improvement, including lands, buildings, improvements, real and personal property or any interest therein, including lands under water, riparian rights, space rights and air rights, acquired, owned, developed or redeveloped, constructed, reconstructed, rehabilitated or improved, undertaken by a developer within an area of land whereon a contaminated site is located, under a redevelopment agreement with the State pursuant to section 35 of P.L.1997, c.278 (C.58:10B-27).

"Redevelopment agreement" means an agreement between the State and a developer under which the developer agrees to perform any work or undertaking necessary for the remediation of the contaminated site located at the site of the redevelopment project, and for the clearance, development or redevelopment, construction or rehabilitation of any structure or improvement of commercial, industrial or public structures or improvements within an area of land whereon a contaminated site is located pursuant to section 35 of P.L.1997, c.278 (C.58:10B-27), and the State agrees that the developer shall be eligible for the reimbursement of up to 75% of the costs of remediation of the contaminated site from the fund established pursuant to section 38 of P.L.1997, c.278 (C.58:10B-30) as authorized pursuant to section 36 of P.L.1997, c.278 (C.58:10B-28).
"Remediation" or "remediate" means all necessary actions to investigate and clean up or respond to any known, suspected, or threatened discharge of contaminants, including, as necessary, the preliminary assessment, site investigation, remedial investigation, and remedial action, as those terms are defined in section 23 of P.L.1993, c.139 (C.58:10B-1).

"Remediation costs" means all reasonable costs associated with the remediation of a contaminated site except that "remediation costs" shall not include any costs incurred in financing the remediation.

C.58:10B-27 Terms and conditions of agreements.

35. a. The provisions of any other law, or rule or regulation adopted pursuant thereto, to the contrary notwithstanding, any developer may enter into a redevelopment agreement with the State pursuant to the provisions of this section. The State may not enter into a redevelopment agreement with a developer who is liable, pursuant to paragraph (1) of subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), for the contamination at the site proposed to be in the redevelopment agreement.

The decision whether or not to enter into a redevelopment agreement is solely within the discretion of the Commissioner of Commerce and Economic Development and the State Treasurer and both must agree to enter into the redevelopment agreement. Nothing in P.L.1997, c.278 (C.58:10B-1.1 et al.) may be construed to compel the commissioner and the State Treasurer to enter into any redevelopment agreement.

The Commissioner of Commerce and Economic Development in consultation with the State Treasurer shall negotiate the terms and conditions of any redevelopment agreement on behalf of the State. The redevelopment agreement shall specify the amount of the reimbursement to be awarded the developer, the frequency of payments and the length of time in which that reimbursement shall be granted. In no event shall the amount of the reimbursement, when taken together with the property tax exemption received pursuant to the "Environmental Opportunity Zone Act," P.L.1995, c.413 (C.54:4-3.151), less any in lieu of tax payments made pursuant to that act, or any other State, local, or federal tax incentive or grant to remediate a site, exceed 75% of the total cost of the remediation.

The commissioner and the State Treasurer may only enter into a redevelopment agreement if they make a finding that the State tax revenues to be realized from the redevelopment project will be in excess of the amount necessary to reimburse the developer. This finding may be made by an estimation based upon the professional judgment of the commissioner and the State Treasurer.

The percentage of each payment to be made to the developer pursuant to the redevelopment agreement shall be conditioned on the occupancy rate
of the buildings or other work areas located on the property. The redevelopment agreement shall provide for the payments made in order to reimburse the developer to be in the same percentages as the occupancy rate at the site except that upon the attainment of a 90% occupancy rate, the developer shall be entitled to the entire amount of each payment toward the reimbursement as set forth in the redevelopment agreement. The redevelopment agreement shall provide for the frequency of the director’s finding of the occupancy rate during the payment schedule.

b. In deciding whether or not to enter into a redevelopment agreement and in negotiating a redevelopment agreement with a developer, the commissioner shall consider the following factors:

(1) the economic feasibility of the redevelopment project;
(2) the extent of economic and related social distress in the municipality and the area to be affected by the redevelopment project;
(3) the degree to which the redevelopment project will advance State, regional and local development and planning strategies;
(4) the likelihood that the redevelopment project shall, upon completion, be capable of generating new tax revenue in an amount in excess of the amount necessary to reimburse the developer for the remediation costs incurred as provided in the redevelopment agreement;
(5) the relationship of the redevelopment project to a comprehensive local development strategy, including other major projects undertaken within the municipality;
(6) the need of the redevelopment agreement to the viability of the redevelopment project; and
(7) the degree to which the redevelopment project enhances and promotes job creation and economic development.

C58:10B-28 Eligibility for reimbursement; certification.

36. a. The provisions of any other law, or rule or regulation adopted pursuant thereto, to the contrary notwithstanding, any developer that enters into a redevelopment agreement pursuant to section 35 of P.L. 1997, c.278 (C58:10B-27), may be eligible for reimbursement of up to 75% of the costs of the remediation of the subject real property pursuant to the provisions of this section upon the commencement of a business operation within a redevelopment project.

b. To be eligible for reimbursement of the costs of remediation, a developer shall submit an application, in writing, to the director for review and certification of the reimbursement. The director shall review the request for the reimbursement upon receipt of an application therefor, and shall approve or deny the application for certification on a timely basis. The director shall also make a finding of the occupancy rate of the property
subject to the redevelopment agreement in the frequency set forth in the redevelopment agreement as provided in section 35 of P.L.1997, c.278 (C.58:10B-27).

The director shall certify a developer to be eligible for the reimbursement if the director finds that:

1. a place of business is located in the area subject to the redevelopment agreement that has generated new tax revenues;

2. the developer had entered into a memorandum of agreement with the Commissioner of Environmental Protection, after the developer entered into the redevelopment agreement, for the remediation of contamination located on the site of the redevelopment project pursuant to section 37 of P.L.1997, c.278 (C.58:10B-29) and the developer is in compliance with the memorandum of agreement; and

3. the costs of the remediation were actually and reasonably incurred.

In making this finding the director may consult with the Department of Environment Protection.

c. When filing an application for certification for a reimbursement pursuant to this section, the developer shall submit to the director a certification of the total remediation costs incurred by the developer for the remediation of the subject property located at the site of the redevelopment project as provided in the redevelopment agreement, information concerning the occupancy rate of the buildings or other work areas located on the property subject to the redevelopment agreement, and such other information as the director deems necessary in order to make the certifications and findings pursuant to this section.

C.58:10B-29 Qualification for certification of reimbursement of remediation costs; memorandum of agreement.

37. a. To qualify for the certification of reimbursement of the remediation costs authorized pursuant to section 36 of P.L.1997, c.278 (C.58:10B-28), a developer shall enter into a memorandum of agreement with the Commissioner of Environmental Protection for the remediation of the site of the redevelopment project.

b. Under the memorandum of agreement, the developer shall agree to perform and complete any remediation activity as may be required by the Department of Environmental Protection to ensure the remediation is conducted pursuant to the regulations adopted by the Department of Environmental Protection pursuant to P.L.1993, c.139 (C.58:10B-1 et seq.).

c. After the developer has entered into a memorandum of agreement with the Commissioner of Environmental Protection, the commissioner shall submit a copy thereof to the developer, the clerk of the municipality in
which the subject property is located, the Commissioner of the Department of Commerce and Economic Development, and the director.

C.58:10B-30 Brownfield Site Reimbursement Fund.

38. a. There is created in the Department of Treasury a special fund to be known as the Brownfield Site Reimbursement Fund. Moneys in the fund shall be dedicated to the purpose of reimbursing a developer who enters into a redevelopment agreement pursuant to section 35 of P.L.1997, c.278 (C.58:10B-27) and is certified for reimbursement pursuant to section 36 of P.L.1997, c.278 (C.58:10B-28). A special account within the fund shall be created for each developer upon approval of a certification pursuant to section 36 of P.L.1997, c.278 (C.58:10B-28). The Legislature shall annually appropriate the entire balance of the fund for the purposes of reimbursement of remediation costs as provided in section 39 of P.L.1997, c.278 (C.58:10B-31).

b. The fund shall be credited with an amount from the General Fund, determined sufficient by the Commissioner of Commerce and Economic Development, to provide the negotiated reimbursement to the developer. Moneys credited to the fund shall be an amount that equals the percent of the remediation costs expected to be reimbursed pursuant to the redevelopment agreement. In estimating the amount of new State taxes that is anticipated to be derived from a redevelopment project pursuant to section 35 of P.L.1997, c.278 (C.58:10B-27), the Commissioner of Commerce and Economic Development and the State Treasurer shall consider taxes from the following: the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), "The Savings Institution Tax Act," P.L.1973, c.31 (C.54:10D-1 et seq.), the tax imposed on marine insurance companies pursuant to R.S.54:16-1 et seq., the tax imposed on fire insurance companies pursuant to R.S.54:17-4 et al., the tax imposed on insurers generally, pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.), the public utility franchise tax, public utilities gross receipts tax and public utility excise tax imposed pursuant to P.L.1940, c.4, and P.L.1940, c.5 (C.54:30A-16 et seq. and C.54:30A-49 et seq.), that is a taxpayer in respect of net profits from business, a distributive share of partnership income, or a prorata share of corporation income under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., or who is required to collect the tax pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.).

C.58:10B-31 Reimbursement of remediation costs.

39. a. The State Treasurer shall reimburse the developer the amount of the remediation costs agreed upon in the redevelopment agreement, and as provided in sections 35 and 36 of P.L.1997, c.278 (C.58:10B-27 and C.58:10B-28) upon issuance of the certification by the director pursuant to
section 36 of P.L.1997, c.278 (C.58:10B-28). The developer shall be entitled to periodic payments from the fund in an amount, in the frequency, and over the time period as provided in the redevelopment agreement. Notwithstanding any other provision of sections 34 through 39 of P.L.1997, c.278 (C.58:10B-26 through C.58:10B-31), the State Treasurer may not reimburse the developer any amount of the remediation costs from the fund until the State Treasurer is satisfied that the anticipated tax revenues from the redevelopment project have been realized by the State in an amount sufficient to pay for the cost of the reimbursements.

b. A developer shall submit to the director updated remediation costs actually incurred by the developer for the remediation of the contaminated property located at the site of the redevelopment project as provided in the redevelopment agreement. The reimbursement authorized pursuant to this section shall continue until such time as the aggregate dollar amount of the agreed upon reimbursement. To remain entitled to the reimbursement authorized pursuant to this section, the developer shall perform and complete all remediation activities as may be required pursuant to the memorandum of agreement entered into with the Commissioner of Environmental Protection pursuant to section 37 of P.L.1997, c.278 (C.58:10B-29). The Department of Environmental Protection may review the remediation costs incurred by the developer to determine if they are reasonable.

40. a. There is established a Legislative Underground Storage Tank Remediation Task Force. The task force shall consist of seven members as follows: one member of the Senate to be appointed by the Senate President; one member of the General Assembly to be appointed by the Speaker of the General Assembly; the Commissioner of Environmental Protection or a designee; an environmental consultant with a degree in hydrogeology and experience in petroleum underground storage tank remediations to be appointed by the Senate President; a representative of an environmental interest group to be appointed by the Senate President; a small business representative who owns or operates an underground storage tank to be appointed by the Speaker of the General Assembly; and a representative from a major oil company to be appointed by the Speaker of the General Assembly.

The chairman of the task force shall be jointly appointed by the Senate President and the Speaker of the General Assembly. Vacancies shall be filled in the same manner as the original appointments are made.

b. The task force shall evaluate the use of expanded risk based decision making that allows for alternative remediation standards and natural attenuation in all environmental media at petroleum underground storage
tank discharge sites; consider the use of standard probabilistic approaches in the development of minimum remediation standards; examine and evaluate the State policies that are preventing the development and use of alternative remediation standards for soil and groundwater and the implementation of the Risk Based Corrective Action decision making process described in ASTM standard 1739-95.

Within six months of the first meeting, the task force shall prepare a written report to the Legislature and the Chairman of the Senate Environment Committee, and the Assembly Agriculture and Waste Management Committee or their successor committees. The report shall include a comparison of the department's process for remediating petroleum underground storage tanks with the process recommended in the Risk Based Corrective Action decision making process described in ASTM standard 1739-95 or that used by other states, an examination of the process that could be used to develop alternative remediation standards, a review and discussion of any policy changes necessary in order to allow for natural attenuation in all environmental media; together with any recommendations for further legislative remedies regarding expanded risk based decision making at petroleum underground storage tank discharge sites.

(3) The task force shall convene its first meeting within sixty days of the effective date of P.L.1997, c.278.

41. There is appropriated to the Department of Environmental Protection from the "1996 Environmental Cleanup Fund" created pursuant to section 19 of the "Port of New Jersey Revitalization, Dredging, Environmental Cleanup, Lake Restoration, and Delaware Bay Area Economic Development Bond of 1996," P.L.1996, c.70, the sum of $3,000,000 for the investigations, determinations, and data collection and entry into the geographic information system as provided in section 3 of this act.

42. There is appropriated to the Department of Environmental Protection from the "1996 Environmental Cleanup Fund" created pursuant to section 19 of the "Port of New Jersey Revitalization, Dredging, Environmental Cleanup, Lake Restoration, and Delaware Bay Area Economic Development Bond of 1996," P.L.1996, c.70, the sum of $2,000,000 for the data collection and entry into the geographic information system as provided in section 4 of this act.

43. Section 14 of P.L.1993, c.139 (C.13:1K-11.3) is amended to read as follows:
14. a. The owner or operator of an industrial establishment planning to close operations or transfer ownership or operations of the industrial establishment may, in lieu of complying with the provisions of subsection b. of section 4 of P.L.1983, c.330 (C.13:1K-9), apply to the department for a limited site review. An application for a limited site review pursuant to this section shall include:

(1) the notice required pursuant to the provisions of subsection a. of section 4 of P.L.1983, c.330 (C.13:1K-9);

(2) a certification that for the industrial establishment, a remedial action workplan has previously been implemented and a no further action letter has been issued pursuant to P.L.1983, c.330, a negative declaration has been previously approved by the department pursuant to P.L.1983, c.330, or the department or the United States Environmental Protection Agency, pursuant to the "Resource Conservation and Recovery Act," 42 U.S.C. s.6901 et seq. or the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 42 U.S.C. s.9601 et seq., or any other law, has previously approved a remediation of the industrial establishment equivalent to that performed pursuant to the provisions of P.L.1983, c.330;

(3) a certification that the owner or operator has performed remediation activities at the industrial establishment that are consistent with current regulations established by the department in order to identify areas of concern and, based on those remediation activities, that subsequent to the issuance of the negative declaration, no further action letter or remediation approval described in paragraph (2) of this subsection, a discharge has occurred at the industrial establishment that was not remediated in accordance with the procedures established by the department or that any remediation performed has not been approved by the department and that no other discharge of a hazardous substance or hazardous waste has occurred at the industrial establishment;

(4) a certification that for any underground storage tank covered by the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.), an approved method of secondary containment or a monitoring system as required by P.L.1986, c.102, has been installed;

(5) a copy of the most recent negative declaration, no further action letter, or other approval, as applicable, approved by the department for the industrial establishment; and

(6) a proposed negative declaration, if applicable.

b. Upon the submission of a complete application, and after an inspection if necessary, the department may:
(1) approve the negative declaration upon a finding that any discharge of a hazardous substance or hazardous waste, as certified to pursuant to paragraph (3) of subsection a. of this section, has been remediated consistent with the applicable remediation regulations as established by the department; or

(2) require that the owner or operator perform a remediation as set forth in subsection b. of section 4 of P.L.1983, c.330 (C.13:1K-9) only for those areas of concern identified by the information provided pursuant to paragraph (3) of subsection a. of this section upon a finding that further investigation or remediation is necessary to bring the industrial establishment into compliance with the applicable remediation regulations.

c. The owner or operator of an industrial establishment subject to the provisions of this section shall not close operations or transfer ownership or operations until a remedial action workplan, or a negative declaration, as applicable, has been approved by the department or upon approval of a remediation agreement as provided in subsection e. of section 4 of P.L.1983, c.330.

44. Section 43 of P.L.1993, c.139 (C.58:10B-19) is amended to read as follows:

C.58:10B-19 Implementation of interim response action.

43. The owner or operator of an industrial establishment who has submitted a notice to the department pursuant to subsection a. of section 4 of P.L.1983, c.330 (C.13:1K-9), or any person who has discharged a hazardous substance or is liable for the remediation of that discharge pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), or any person who has been directed to or has entered into an agreement with the department to remediate a discharge, may implement an interim response action prior to departmental approval of that action. The interim response action may be implemented when the expeditious temporary or partial remediation of a discharged hazardous substance or hazardous waste is necessary to contain or stabilize a discharge prior to implementation of an approved remedial action workplan in order to prevent, minimize, or mitigate damage to public health or safety or to the environment which may otherwise result from a discharge. The interim response action shall be implemented in compliance with the procedures and standards established by the department. The department may require submission of a notice of intent to implement an interim response action, what those actions will be, and may require, subsequent to completion of the interim response action, a report detailing the actions taken and a certification that the interim response action was implemented in accordance with all applicable laws and regulations. The department shall review these submissions to verify whether the interim
response action was implemented in accordance with applicable laws and regulations. The department shall not require that additional remediation be undertaken at an area of concern subject to the interim response action except in instances when further remediation is necessary to bring that area of concern into compliance with the applicable remediation regulations.

The department may, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations establishing a fee schedule, as necessary, reflecting the actual costs associated with the review of the interim response action and any implementation thereof.

45. Section 6 of P.L.1993, c.112 (C.58:10-23.11g9) is amended to read as follows:

C.58:10-23.11g9 Obligations of trusts, estates.

6. In the event of the discharge of a hazardous substance from a vessel, facility, or underground storage tank facility, which vessel, facility, or underground storage tank facility is all or part of a trust, receivership estate, guardianship estate or estate of a deceased person, only the assets of the trust or estate, or assets of any discharger other than the fiduciary of such trust or estate, shall be subject to the obligation to pay for the cleanup of the discharge as set forth in the "Spill Compensation and Control Act," P.L.1976, c.141 (C.58:10-23.11 et seq.) or subject to any obligations imposed pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.).

46. Section 20 of P.L.1993, c.139 (C.13:1K-11.9) is amended to read as follows:

C.13:1K-11.9 Responsibilities of owner as landlord, operator as tenant.

20. a. Where the owner of an industrial establishment is a landlord and the operator of the industrial establishment is a tenant, the landlord shall be responsible for providing any information that is requested by the tenant that is not otherwise available through a diligent inquiry by the tenant, and the tenant shall be responsible for providing any information that is requested by the landlord that is not otherwise available through a diligent inquiry by the landlord.

b. Where the owner of an industrial establishment is a landlord and the operator of the industrial establishment is a tenant, the person that remediates the industrial establishment shall provide copies to the other person of all submissions to the department concerning the remediation.

c. Where the owner of an industrial establishment is a landlord and the operator of the industrial establishment is a tenant, and there has been a failure to comply with the provisions of P.L.1983, c.330, the landlord or the tenant may petition the department, in writing, to first compel that party who
is responsible pursuant to the provisions of the lease, to comply with the requirements of P.L. 1983, c.330. The department shall develop a form for a petition made pursuant to this section, and shall establish a list of documents required to be submitted with the petition which shall include, but not be limited to: (1) a copy of the notice required pursuant to subsection a. of section 4 of P.L.1983, c.330 (C.13:1K-9); (2) the names and addresses of the landlord and the tenant; (3) a copy of the signed lease between the landlord and the tenant; (4) a certification by the petitioner that includes the relevant facts concerning noncompliance with the act; and (5) any other documents the department deems relevant. The department shall make a determination that the provisions of the lease are unclear within 30 days of receipt of a complete petition. Upon a determination by the department that the provisions of the lease are unclear as it relates to the responsibility of either party to comply with the provisions of P.L.1983, c.330, or upon the failure by the person responsible pursuant to the provisions of the lease to comply, the department may compel compliance by all persons subject to the requirements of P.L.1983, c.330 for the industrial establishment.

47. Section 8 of P.L.1983, c.330 (C.13:1K-13) is amended to read as follows:

C.13:1K-13 Grounds for voiding sale; violations; penalties.

8. a. Failure of the transferor to perform a remediation and obtain department approval thereof as required pursuant to the provisions of this act is grounds for voiding the sale or transfer of an industrial establishment or any real property utilized in connection therewith by the transferee, entitles the transferee to recover damages from the transferor, and renders the owner or operator of the industrial establishment strictly liable, without regard to fault, for all remediation costs and for all direct and indirect damages resulting from the failure to implement the remedial action workplan. A transferee may not act to void the sale or transfer of an industrial establishment or any real property except upon providing notice to the transferor of the failure to perform and affording the transferor a reasonable amount of time to comply with the provisions of this act. A transferee may bring an action in Superior Court to void the sale or transfer of an industrial establishment or any real property or to recover damages from the transferor, pursuant to this section.

b. Any person who knowingly gives or causes to be given any false information or who fails to comply with the provisions of this act is liable for a penalty of not more than $25,000.00 for each offense. If the violation is of a continuing nature, each day during which it continues shall constitute
CHAPTER 279, LAWS OF 1997

an additional and separate offense. Penalties shall be collected in a civil action by a summary proceeding under "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). Any officer or management official of an industrial establishment who knowingly directs or authorizes the violation of any provisions of this act shall be personally liable for the penalties established in this subsection.

C.58:10B-25 Designation of State environmental agency under federal law.

48. Pursuant to section 941 of the federal "Taxpayer Relief Act of 1997," Pub. L. 105-34, the Governor shall designate the Department of Environmental Protection as the appropriate State environmental agency to issue statements that an area is within a targeted area and that there has been a release, or threat of release, or disposal of any hazardous substance at or on that area. For the purposes of this section "targeted area" and "hazardous substance" shall have the meanings given to them in the federal act.

49. This act shall take effect immediately.

Approved January 6, 1998.

CHAPTER 279

AN ACT concerning the professionalization of the office of municipal clerk, amending various parts of the statutory law, and supplementing Chapter 9 of Title 40A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.40A:9-133 is amended to read as follows:

Municipal clerk, appointment, duties.

40A:9-133. a. In every municipality there shall be a municipal clerk appointed for a three-year term by the governing body of the municipality. Commencing January 1 following the third anniversary of the effective date of P.L.1997, c.279 (C.40A:9-133.9 et al.), no person shall be appointed or reappointed as a municipal clerk unless that person holds a registered municipal clerk certificate issued pursuant to section 3 or section 4 of P.L.1985, c.174 (C.40A:9-133.3 or C.40A:9-133.4).

b. For the purposes of tenure, the term of a municipal clerk shall be deemed to have begun as of the actual date upon which a person serving as municipal clerk is appointed. In the event of a vacancy in the office of municipal
clerk, an appointment shall be made for a new term and not for the unexpired term. A reappointment of an incumbent municipal clerk made within 60 days following the expiration of the prior term shall not be considered to be a new appointment and the effective date of the reappointment shall date back to the date of expiration of the initial term of appointment.

c. Within 90 days of the occurrence of a vacancy in the office of municipal clerk by reason of the departure of a registered municipal clerk, the governing body may appoint a person who does not hold a registered municipal clerk certificate to serve as acting municipal clerk for a period not to exceed one year and commencing on the date of the vacancy. Any person so appointed may, with the approval of the Director of the Division of Local Government Services in the Department of Community Affairs, be reappointed as acting municipal clerk for a maximum of two subsequent one-year terms following the termination of the temporary appointment. No local unit shall fill the position of acting municipal clerk for more than three consecutive years. Time served as acting municipal clerk may be credited toward the experience authorized as a substitute for the college education requirement pursuant to section 2 of P.L. 1985, c. 174 (C.40A:9-133.2).

Time served as acting municipal clerk may not be credited as time served as municipal clerk for the purpose of acquiring tenure pursuant to section 7 of P.L. 1985, c. 174 (C.40A:9-133.7).

d. (Deleted by amendment, P.L. 1997, c. 279).

e. The municipal clerk shall:

(1) act as secretary of the municipal corporation and custodian of the municipal seal and of all minutes, books, deeds, bonds, contracts, and archival records of the municipal corporation. The governing body may, however, provide by ordinance that any other specific officer shall have custody of any specific other class of record;

(2) act as secretary to the governing body, prepare meeting agendas at the discretion of the governing body, be present at all meetings of the governing body, keep a journal of the proceedings of every meeting, retain the original copies of all ordinances and resolutions, and record the minutes of every meeting;

(3) serve as the chief administrative officer in all elections held in the municipality, subject to the requirements of Title 19 of the Revised Statutes;

(4) serve as chief registrar of voters in the municipality, subject to the requirements of Title 19 of the Revised Statutes;

(5) serve as the administrative officer responsible for the acceptance of applications for licenses and permits and the issuance of licenses and permits, except where statute or municipal ordinance has delegated that responsibility to some other municipal officer;
(6) serve as coordinator and records manager responsible for implementing local archives and records retention programs as mandated pursuant to Title 47 of the Revised Statutes;

(7) perform such other duties as are now or hereafter imposed by statute, regulation or by municipal ordinance or regulation.

f. If a governing body fails or refuses to comply with subsection a., b. or c. of this section, the director may order the governing body to comply by a date certain which shall afford the governing body a reasonable time within which to comply.

2. Section 1 of P.L.1981, c.394 (C.40A:9-133.1) is amended to read as follows:

C.40A:9-133.1 Municipal clerks, appointment, continuation, tenure.

1. a. The provisions of any other law to the contrary notwithstanding, commencing on the effective date of P.L.1981, c.394, all municipal clerks shall hold office by virtue of appointment pursuant to the provisions of N.J.S. 40A:9-133, except as otherwise provided in this section.

b. All municipal clerks holding office on the effective date of P.L.1981, c.394 shall continue in office until their successors are appointed in the manner provided by N.J.S. 40A:9-133.

c. Nothing contained in P.L.1981, c.394 or in any other statute shall prevent any municipal clerk who, upon the effective date of P.L.1981, c.394, holds office by virtue of election thereto, from acquiring tenure upon being appointed thereto after the effective date of P.L.1981, c.394, if the clerk otherwise qualifies for tenure pursuant to N.J.S.40A:9-134.

3. Section 2 of P.L.1985, c.174 (C.40A:9-133.2) is amended to read as follows:

C.40A:9-133.2 Application for examination; qualifications.

2. Commencing on the effective date of P.L.1985, c.174, the Director of the Division of Local Government Services in the Department of Community Affairs shall hold examinations semiannually, and at such other times as he may deem appropriate, for certification as municipal clerk. An applicant for examination shall furnish proof to the director, not less than 30 days before an examination, that the applicant is not less than 21 years of age, is a citizen of the United States, is of good moral character, has obtained a certificate or diploma issued after at least four years of study at an approved secondary school or has received an academic education considered and accepted by the Commissioner of Education as fully equivalent, and has completed at least two years of education at a college of recognized standing. For purposes of this section, 30 college credits will be
considered equivalent to one year of college. An applicant who does not meet the two-year college requirement may substitute on a year-for-year basis full-time experience or the equivalent part-time experience in a position as deputy municipal clerk, assistant municipal clerk or other position of county or municipal government which performs duties relative to those performed by a municipal clerk as described in subsection e. of N.J.S.40A:9-133. An applicant shall also present proof of completion of the following courses offered through Rutgers, The State University or similar courses offered at a college or university approved by the Division of Local Government Services in the Department of Community Affairs:
- Introduction of the Duties of the Municipal Clerk;
- Advanced Duties of the Municipal Clerk;
- Local Election Administration;
- Information and Records Management and Municipal Finance Administration for Municipal Clerks.

Every applicant submitting an application prior to January 1, 1997 may present proof of satisfactory completion of a course in Municipal Finance Administration, in lieu of the course in Municipal Finance Administration for Municipal Clerks.

The proofs required pursuant to this section shall be provided on the application forms and in the manner as shall be prescribed by the director. Each completed application shall be accompanied by a fee in the amount of $50 payable to the order of the State Treasurer. Examinations shall be written, or both written and oral, and shall be of such character as fairly to test and determine the qualifications, fitness and ability of the person tested to actually perform the duties of municipal clerk.

4. Section 3 of P.L.1985, c.174 (C.40A:9-133.3) is amended to read as follows:

C.40A:9-133.3 Certification; fee.

3. Upon the successful completion of the examination by an applicant, a certificate shall be issued to the applicant as a registered municipal clerk. The certificate fee shall be $50 payable to the order of the State Treasurer.

5. Section 7 of P.L.1985, c.174 (C.40A:9-133.7) is amended to read as follows:

C.40A:9-133.7 Reappointment; removal for good cause.

7. Notwithstanding the provisions of any other law to the contrary, any person who:

a. Shall be reappointed municipal clerk subsequent to having received a registered municipal clerk certificate pursuant to P.L.1985, c.174 and
having served as municipal clerk or performed the duties of municipal clerk for not less than three consecutive years immediately prior to such reappointment; or

b. Shall have acquired tenure; shall hold office during good behavior and efficiency, and compliance with the continuing education requirements set forth in section 8 of P.L. 1997, c. 279 (C.40A:9-133.10), notwithstanding that such reappointment was for a fixed term of years; and shall not be removed therefrom for political reasons but only for good cause shown and after a proper hearing before the director or the director's designee. The removal of a registered municipal clerk shall be only upon a written complaint setting forth with specificity the charge or charges against the clerk. The complaint shall be filed with the director and a certified copy of the complaint shall be served upon the person so charged, with notice of a designated hearing date before the director or the director's designee, which shall be not less than 30 days nor more than 60 days from the date of service of the complaint. Such date may be extended by the Superior Court for good cause shown upon the application of either party. The person so charged and the complainant shall have the right to be represented by counsel and the power to subpoena witnesses and documentary evidence together with discovery proceedings. The provisions of this section shall apply to every person actually in office as registered municipal clerk, whether or not in the classified service under Title 11A of the New Jersey Statutes (Civil Service).

For the purposes of this section, the definition of good cause for removal of a municipal clerk may include the failure of the clerk to meet the continuing education requirements set forth in section 8 of P.L. 1997, c. 279 (C.40A:9-133.10).

6. N.J.S.40A:9-134 is amended to read as follows:

Tenure for municipal clerks.

40A:9-134. On or before December 31, 1985, any person holding the office of municipal clerk in any municipality and having held such office continuously for five years from the date of his original appointment shall have tenure in such office and shall not be removed therefrom except for good cause shown after a fair and impartial hearing.

For the purposes of this section, the definition of good cause for removal of a municipal clerk may include the failure of the clerk to meet the continuing education requirements set forth in section 8 of P.L. 1997, c. 279 (C.40A:9-133.10).
C.40A:9-133.9 Application for registered municipal clerk by tenured municipal clerk.

7. Within six months of the effective date of P.L.1997, c.279 (C.40A:9-133.9 et al.), any municipal clerk who has been granted tenure pursuant to P.L.1981, c.394, or P.L.1985, c.174 but does not hold a registered municipal clerk certificate shall apply to the director for a registered municipal clerk certificate. Application shall be made on a form approved by the director at no cost to the applicant. Upon verification of the applicant's tenured status, the director shall issue a registered municipal clerk certificate, marked as restricted to the municipality employing the municipal clerk. A municipal clerk holding such a certificate shall then be subject to all provisions affecting other certificate holders under P.L.1997, c.279 (C.40A:9-133.9 et al.) including but not limited to renewal, continuing education and maintenance of tenure rights.

C.40A:9-133.10 Renewal of certificates; conditions; fee.

8. a. Commencing July 1, 1996 all registered municipal clerk certificates issued pursuant to section 3 or section 4 of P.L.1985, c.174 (C.40A:9-133.3 or C.40A:9-133.4), or section 7 of P.L.1997, c.279 (C.40A:9-133.9) shall be renewed upon application, payment of the required fee, and verification that the applicant has met the requirements as set forth in this section. Each renewal shall be for a period of two years. The renewal date shall be 30 days prior to the expiration date.

b. All registered municipal clerk certificates subject to renewal pursuant to this section issued prior to July 1, 1996 shall have an expiration date of June 30, 1998. All registered municipal clerk certificates issued on or after July 1, 1996 shall expire two years from the date on which the certificate was originally issued.

c. Each applicant for renewal of a registered municipal clerk certificate shall, on a form prescribed by the director, furnish proof of having earned at least 2.0 continuing education units in subject areas related to the statutory duties of the municipal clerk and minimum contact hours as prescribed by the director. For the purposes of this section, 1.0 continuing education unit equals 10 contact hours. Upon verification of this requirement, and upon payment of a fee of $50 to the order of the Treasurer of the State of New Jersey, the director shall renew the registered municipal clerk certificate.

d. Where the holder of a registered municipal clerk certificate has allowed the certificate to lapse by failing to renew the certificate, a new application and certificate shall be required. If application is made within six months of the expiration of the certificate, then application may be made in the same manner as renewal but the application shall be accompanied by the fee for a new application.
C.40A:9-133.11 Rules, regulations.

9. The director is authorized to adopt, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), such regulations, forms and procedures as may be necessary to carry out the terms of this act.

C.40A:9-133.12 Costs of complying with requirements; "costs" defined.

10. Nothing in P.L.1997, c.279 (C.40A:9-133.9 et al.) shall be construed as requiring a municipal governing body to pay any of the costs an individual may incur in complying with the requirements for obtaining or renewing a registered municipal clerk certificate; however, a municipal governing body, by resolution, may determine to reimburse an individual for all or any portion of the costs an individual may incur. For the purposes of this section, the term "costs" shall include but not be limited to the costs associated with course registration, application fees, transportation and leaves of absence.

11. This act shall take effect immediately.

Approved January 6, 1998.

CHAPTER 280

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1995, c.9 (C.2B:19-2) is amended to read as follows:

C.2B:19-2 Findings, declarations.

2. The Legislature finds and declares that:

a. The Judiciary routinely enters judgments and court orders setting forth assessments, surcharges, fines and restitution against litigants pursuant to statutory law.

b. The enforcement of court orders is crucial to ensure respect for the rule of law and credibility of the court process.

c. Despite monitoring of judgments and court orders by probation divisions and other segments of the Judiciary responsible for doing so, many
orders are not complied with because there is a lack of central coordination, funding, automation, and control.

d. The Judiciary has successfully developed a hearing officer program in child support enforcement and a pilot criminal enforcement court project, which is in the process of being expanded, that have demonstrated significant increases in collections and compliance.

e. The Governor's Management Review Commission has reviewed the collections process in New Jersey and made recommendations supporting the establishment and funding of a Statewide comprehensive enforcement program operated by the Judiciary.

f. Upon passage of this act, the Supreme Court and the Chief Justice will establish a Statewide comprehensive enforcement program within the present structure of the Superior Court which will provide for the enforcement of court orders and oversee collection of court-ordered fines, assessments, surcharges and judgments in the civil, criminal and family divisions, the Tax Court and in certain municipal court matters as provided in section 6 of this act. The comprehensive enforcement program will provide for the collection of certain surcharges administratively imposed by the Division of Motor Vehicles as provided in section 6 of this act (C.2B:19-6). The comprehensive enforcement program will utilize the child support hearing officer model and the pilot project criminal enforcement court model, supported by a Statewide automation system designed to increase collections, compliance and accountability.

2. Section 4 of P.L.1995, c.9 (C.2B:19-4) is amended to read as follows:

C.2B:19-4 Deduction of collections to fund program.

4. a. Subject to the approval of the Director of the Division of Budget and Accounting, the Administrative Office of the Courts is authorized to deduct an amount up to 25% of all moneys collected through the comprehensive enforcement program, except for victim restitution and for Victims of Crime Compensation Board assessments, for deposit in the "Comprehensive Enforcement Program Fund" established pursuant to section 3 of P.L.1995, c.9 (C.2B:19-3) to fund the comprehensive enforcement program, the CAPS computer system, enforced community service, and other programs employed to collect court ordered financial obligations. The Administrative Office of the Courts shall promulgate a schedule for the deduction of collections to be deposited in the "Comprehensive Enforcement Program Fund."

b. (Deleted by amendment, P.L.1997, c.280).
3. Section 6 of P.L.1995, c.9 (C.2B:19-6) is amended to read as follows:

C.2B:19-6 Unresolved money collection matters; DMV surcharges.

6. a. All matters involving the collection of moneys in the Superior Court and Tax Court which have not been resolved in accordance with an order of the court may be transferred, pursuant to court rule, to the comprehensive enforcement program for such action as may be appropriate.

   b. (1) A municipal court may request that all matters which have not been resolved in accordance with an order of that court be transferred to the comprehensive enforcement program for such action as may be appropriate. All moneys collected through the comprehensive enforcement program which result from the enforcing of orders transferred from any municipal court shall be subject to the 25% deduction authorized pursuant to section 4 of this act except for moneys collected in connection with the enforcement of orders related to parking violations.

   (2) Nothing contained in this act shall prevent any municipal court from contracting the services of a private collection agency to collect any moneys which have not been remitted in accordance with an order of that court.

   c. The Director of the Division of Motor Vehicles may refer matters of surcharges imposed administratively under the New Jersey Merit Rating Plan in accordance with the provisions of section 6 of P.L.1983, c.65 (C.17:29A-35) which have not been satisfied to the comprehensive enforcement program in accordance with the procedures established pursuant to section 4 of P.L.1997, c.280 (C.2B:19-10) to be reduced to judgment and for such additional action as may be appropriate. All moneys collected through the comprehensive enforcement program which result from the collection of these surcharge moneys shall be subject to the 25% deduction authorized pursuant to section 4 of P.L.1995, c.9 (C.2B:19-4).

C.2B:19-10 Referral of uncollected DMV surcharges.

4. The Director of the Division of Motor Vehicles and the Administrative Office of the Courts shall develop procedures for the referral of uncollected surcharges imposed administratively by the Division of Motor Vehicles under the New Jersey Merit Rating Plan pursuant to section 6 of P.L.1983, c.65 (C.17:29A-35). These procedures shall include, but shall not be limited to, the following:

   a. The total dollar amount of uncollected surcharges imposed on a driver and the number of months of delinquency which may result in referral pursuant to section 6 of P.L.1995, c.9 (C.2B:19-6) including procedures for installment payments, procedures for negotiating and implementing new schedules for installment payments and surcharges deferred until the end of
a policy term of an automobile insurance policy as permitted by section 6 of
P.L.1983, c.65 (C.17:29A-35);
 b. The interval of referral between the Division of Motor Vehicles and
the comprehensive enforcement program such as monthly, quarterly or
semi-annually and the method of referral such as through the municipal
court where the Title 39 violation occurred or directly to the Superior Court;
c. The form of notice to be provided by the Division of Motor
Vehicles when a surcharge is imposed indicating that an unpaid surcharge
may be referred to the comprehensive enforcement program; and
 d. Procedures for payment to the Division of Motor Vehicles of
moneys collected and the billing and accounting methods to be used.

5. Section 6 of P.L.1983, c.65 (C.17:29A-35) is amended to read as
follows:

6. a. (Deleted by amendment, P.L.1997, c.151.)
b. There is created a New Jersey Merit Rating Plan which shall apply
to all drivers and shall include, but not be limited to, the following
provisions:

(1) (a) Plan surcharges shall be levied, beginning on or after January
1, 1984, by the Division of Motor Vehicles on any driver who has
accumulated, within the immediately preceding three-year period,
beginning on or after February 10, 1983, six or more motor vehicle points,
as provided in Title 39 of the Revised Statutes, exclusive of any points for
convictions for which surcharges are levied under paragraph (2) of this
subsection; except that the allowance for a reduction of points in Title 39
of the Revised Statutes shall not apply for the purpose of determining
surcharges under this paragraph. Surcharges shall be levied for each year in
which the driver possesses six or more points. Surcharges assessed
pursuant to this paragraph shall be $100.00 for six points, and $25.00 for
each additional point.

(b) (Deleted by amendment, P.L.1984, c.1.)

(2) Plan surcharges shall be levied for convictions (a) under
R.S.39:4-50 for violations occurring on or after February 10, 1983, and (b)
under section 2 of P.L.1981, c.512 (C.39:4-50.4a), or for offenses commit-
ted in other jurisdictions of a substantially similar nature to those under
R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), for violations
occurring on or after January 26, 1984. Except as hereinafter provided,
surcharges under this paragraph shall be levied annually for a three-year
period, and shall be $1,000.00 per year for each of the first two convictions,
for a total surcharge of $3,000 for each conviction, and $1,500.00 per year.
for the third conviction occurring within a three-year period, for a total surcharge of $4,500 for the third conviction. If a driver is convicted under both R.S.39:4-50 and section 2 of P.L.1981, c.512 (C.39:4-50.4a) for offenses arising out of the same incident, the driver shall be assessed only one surcharge for the two offenses.

If, upon written notification from the Division of Motor Vehicles, mailed to the last address of record with the division, a driver fails to pay a surcharge levied under this subsection, the license of the driver shall be suspended forthwith until the surcharge is paid to the Division of Motor Vehicles; except that the Division of Motor Vehicles may authorize payment of the surcharge on an installment basis over a period not to exceed 12 months. If a driver fails to pay the surcharge or any installments on the surcharge, the total surcharge shall become due immediately.

The director may authorize any person to pay the surcharge levied under this section by use of a credit card, and the director is authorized to require the person to pay all costs incurred by the division in connection with the acceptance of the credit card.

In addition to any other remedy provided by law, the director is authorized to utilize the provisions of the SOIL (Setoff of Individual Liability) program established pursuant to P.L.1981, c.239 (C.54A:9-8.1 et seq.) to collect any surcharge levied under this section that is unpaid on or after the effective date of this act. As an additional remedy, the director may issue a certificate to the Clerk of the Superior Court stating that the person identified in the certificate is indebted under this surcharge law in such amount as shall be stated in the certificate. The certificate shall reference the statute under which the indebtedness arises. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon the record of docketed judgments the name of such person as debtor; the State as creditor; the address of such person, if shown in the certificate; the amount of the debt so certified; a reference to the statute under which the surcharge is assessed, and the date of making such entries. The docketing of the entries shall have the same force and effect as a civil judgment docketed in the Superior Court, and the director shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to any right of appeal. Upon entry by the clerk of the certificate in the record of docketed judgments in accordance with this provision, interest in the amount specified by the court rules for post-judgment interest shall accrue from the date of the docketing of the certificate, however payment of the interest may be waived by the director. In the event that the surcharge remains unpaid following the issuance of the certificate of debt and the director takes any further collection action including referral of the
matter to the Attorney General or his designee, the fee imposed, in lieu of the actual cost of collection, may be 20 percent of the surcharge or $200, whichever is greater. The director shall provide written notification to a driver of the proposed filing of the certificate of debt 10 days prior to the proposed filing; such notice shall be mailed to the driver’s last address of record with the division.

All moneys collectible under this subsection b. shall be billed and collected by the Division of Motor Vehicles except as provided in P.L.1997, c.280 (C.2B:19-10 et al.) for the collection of unpaid surcharges. Of the moneys collected: 10%, or the actual cost of administering the collection of the surcharge, whichever is less, shall be retained by the Division of Motor Vehicles until August 31, 1996; five percent, or the actual cost of administering the cancellation notification system established pursuant to section 50 of P.L.1990, c.8 (C.17:33B-41), whichever is less, shall be retained by the Division of Motor Vehicles until August 31, 1996; and prior to October 1, 1991, the remainder shall be remitted to the New Jersey Automobile Full Insurance Underwriting Association and on or after October 1, 1991 until August 31, 1996, the remainder shall be remitted to the New Jersey Automobile Insurance Guaranty Fund created pursuant to section 23 of P.L.1990, c.8 (C.17:33B-5). Commencing on September 1, 1996, or such earlier time as the Commissioner of Banking and Insurance shall certify to the State Treasurer that amounts on deposit in the New Jersey Automobile Insurance Guaranty Fund are sufficient to satisfy the current and anticipated financial obligations of the New Jersey Automobile Full Insurance Underwriting Association, all plan surcharges collected by the Division of Motor Vehicles under this subsection b. shall be remitted to the Division of Motor Vehicles Surcharge Fund for transfer to the Market Transition Facility Revenue Fund, as provided in section 12 of P.L.1994, c.57 (C.34:1B-21.12), for the purposes of section 4 of P.L.1994, c.57 (C.34:1B-21.4) until such a time as all the Market Transition Facility bonds, notes and obligations issued pursuant to that section 4 of that act and the costs thereof are discharged and no longer outstanding. From the date of certification by the Commissioner of Banking and Insurance that the moneys collectible under this subsection are no longer needed to fund the association or at such a time as all Market Transition Facility bonds, notes and obligations issued pursuant to section 4 of P.L.1994, c.57 (C.34:1B-21.4) and the costs thereof are discharged and no longer outstanding moneys collectible under this subsection shall, subject to appropriation, be remitted to the New Jersey Property-Liability Insurance Guaranty Association created pursuant to section 6 of P.L.1974, c.17 (C.17:30A-6) to be used for payment of any loans made by that association to the New Jersey Automobile Insurance Guaranty Fund pursuant to paragraph (10) of
subsection a. of section 8 of P.L.1974, c.17 (C.17:30A-8); provided that all such payments shall be subject to and dependent upon appropriation by the State Legislature.

(3) In addition to any other authority provided in P.L.1983, c.65 (C.17:29A-33 et al.), the commissioner, after consultation with the Director of the Division of Motor Vehicles, is specifically authorized (a) (Deleted by amendment, P.L.1994, c.64), (b) to impose, in accordance with paragraph (1)(a) of this subsection, surcharges for motor vehicle violations or convictions for which motor vehicle points are not assessed under Title 39 of the Revised Statutes, or (c) to reduce the number of points for which surcharges may be assessed below the level provided in paragraph (1)(a) of this subsection, except that the dollar amount of all surcharges levied under the New Jersey Merit Rating Plan shall be uniform on a Statewide basis for each filer, without regard to classification or territory. Surcharges adopted by the commissioner on or after January 1, 1984 for motor vehicle violations or convictions for which motor vehicle points are not assessable under Title 39 of the Revised Statutes shall not be retroactively applied but shall take effect on the date of the New Jersey Register in which notice of adoption appears or the effective date set forth in that notice, whichever is later.

c. No motor vehicle violation surcharges shall be levied on an automobile insurance policy issued or renewed on or after January 1, 1984, except in accordance with the New Jersey Merit Rating Plan, and all surcharges levied thereunder shall be assessed, collected and distributed in accordance with subsection b. of this section.

d. (Deleted by amendment, P.L.1990, c.8.)

e. The Commissioner of Banking and Insurance and the Director of the Division of Motor Vehicles as may be appropriate, shall adopt any rules and regulations necessary or appropriate to effectuate the purposes of this section.

6. This act shall take effect on the 90th day after enactment except for section 4 which shall take effect immediately.

Approved January 6, 1998.

(a) An annuity which shall be the actuarial equivalent of his aggregate contributions and
(b) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 2/3 of the member's actual annual compensation for which contributions were being made at the time of the occurrence of the accident or at the time of the member's retirement, whichever provides the largest possible benefit to the member.

(3) Upon receipt of proper proofs of the death of a member who has retired on accidental disability retirement allowance, there shall be paid to such member's beneficiary, an amount equal to 3 1/2 times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained 55 years of age the amount payable shall equal 1/2 of such compensation instead of 3 1/2 times such compensation.

A person shall be disqualified from certification if that person's
criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

A person shall be disqualified from certification if that person's criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

(1) the nature and responsibility of the position which the convicted person would hold or has held, as the case may be;
(2) the nature and seriousness of the offense;
(3) the circumstances under which the offense occurred;
(4) the date of the offense;

P.L.1997, c.100 (C.45:11-24.3 through 24.9) refuses to consent to, or
cooperate in, the securing of a criminal history record background check, the
New Jersey Board of Nursing shall not issue a homemaker-home health

if the applicant is conditionally employed as provided in subsection d. of
section 8 of P.L.1997, c.100 (C.45:11-24.4) or the applicant's prospective

A conditionally employed person who disputes the accuracy of the criminal history record information and who files a petition requesting a hearing pursuant to subsection c. of this section may remain employed by the employer until the board rules on the applicant's petition but, pending the board's ruling, the employer shall not permit the applicant to have unsupervised contact with patients or clients who are 60 years of age or older.

CHAPTER 286

AN ACT concerning the prevention of flooding, amending P.L.1993, c.376, and supplementing Title 58 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 1 of P.L. 1993, c. 376 (C. 58:16A-67) is amended to read as follows:

C. 58:16A-67 Written notice of intent to undertake a project to clean, clear, desnag stream; definitions.

1. a. The provisions of any other law, or any rule or regulation adopted pursuant thereto, to the contrary notwithstanding, a county or municipality, or designated agency thereof, before undertaking any project to clean, clear, or desnag a stream within its jurisdiction, shall submit to the Department of Environmental Protection or to any State agency requiring a stream cleaning permit or an application for the proposed stream cleaning, clearing, or desnagging project, a written notice of intent to undertake a project to clean, clear, or desnag a stream and a certification attested to by the county or municipal engineer or the local soil conservation district, provided that the certification is made by a licensed professional engineer. The engineer shall certify that:

(1) the project is being undertaken solely for the purpose of stream cleaning, clearing, or desnagging;
(2) the removal of any material will not extend below the natural stream bed;
(3) the activities will not alter the natural stream banks;
(4) the activities will consist of the removal only of accumulated sediments, debris, and garbage from a stream with a natural stream bed or the removal of any accumulated material from a stream previously channelized with concrete or similar artificial material;
(5) every effort will be made to perform work from only one stream bank and that vegetation and canopy on the more southerly or westerly banks will be preserved for stream shading; and
(6) the activities are necessary and in the public interest.

The notice shall also include a description of the nature of the project, a description, including a photograph, of the reach of the stream in which the activity is to take place, and an identification of the regulatory water quality classification of the stream in which the activity is to take place. The reach of the stream may be provided by the submission of a photostatic copy of the United States Geological Survey topographic quadrangle.

b. For any project that includes sediment removal, in addition to the conditions enumerated in subsection a. of this section, the following conditions must be met:

(1) the applicant shall provide a statement from the engineer that the stream floods and that such flooding results or can result in property damage necessitating the proposed cleaning, clearing, or desnagging;
(2) the stream to be cleaned, cleared, or desnagged is not classified as pinelands waters or category one waters;
(3) the stream bed is 15 feet or less in average width;
(4) the stream corridor to be cleaned, cleared, or desnagged is less than 500 feet in length;
(5) the stream is not in a municipality, as defined by the department, that is known to have federally or State listed threatened or endangered species associated with its wetlands. Regulated activities in these municipalities shall be coordinated with federal agencies;
(6) the applicant shall provide a certification by the engineer that the material to be removed is not beyond the natural stream bed;
(7) the applicant shall submit surface color photographs of the areas of the stream to be cleaned, cleared, or desnagged and of the access points; and
(8) the applicant shall incorporate appropriate timing restrictions as required by the department.

c. Upon receipt of a notification and certification submitted pursuant to this section, the department, or any other State agency requiring a stream cleaning permit or an application for the proposed stream cleaning, clearing, or desnagging project, as the case may be, shall, except as provided otherwise in this subsection, have 15 days to notify the applicant if particular circumstances mandate that the stream cleaning, clearing, or desnagging not be done in this particular case. For a project involving the removal of sediment, the department shall have 60 days prior to the commencement of activities to notify the applicant if particular circumstances mandate that the stream cleaning, clearing, or desnagging not be done in that particular case. If the department, or any other State agency requiring a stream cleaning permit or an application for the proposed stream cleaning, clearing, or desnagging project, as the case may be, makes such a determination, it shall provide the applicant with the technical reasons therefor. For the purposes of this subsection, if the department’s technical reasons therefor are based upon the inability to determine the natural stream bed, the department shall, at the request of the applicant, assist in identifying the natural stream bed. The department may not prohibit the removal of any garbage no matter how long it has been in the stream, nor shall the department require extensive mapping or other engineering services which involve significant expense to the municipality.

d. Upon completion of the project to clean, clear, or desnag a stream involving the removal of sediment within its jurisdiction, the applicant shall submit to the department a written notice that the project has been completed in accordance with the conditions outlined in subsection b. of this section. The notice shall contain a certification attested to by the county or municipal engineer or the local soil conservation district, provided that the certification is made by a licensed professional engineer. The engineer shall
certify that all the conditions in subsection b. of this section have been adhered to.

e. As used in this section:

"Applicant" means a county or municipality, or designated agency thereof;

"Category one waters" means, for the purposes of sediment removal, those waters designated by the Department of Environmental Protection, for purposes of implementing the antidegradation policies of the "Water Pollution Control Act," P.L.1977, c.74 (C.58:10A-1 et seq.), for protection from measurable changes in water quality characteristics because of their clarity, color, scenic setting, other characteristics of aesthetic value, exceptional ecological significance, exceptional recreational significance, exceptional water supply significance, or exceptional fisheries resources. These waters may include, but are not limited to:

1. Waters originating wholly within federal, interstate, State, county, or municipal parks, forests, fish and wildlife lands, and other special holdings that have not been designated by the department as FW1;
2. Waters classified by the department as FW2 trout production waters and their tributaries;
3. Surface waters classified by the department as FW2 trout maintenance waters or FW2 non-trout waters that are not more than 750 feet upstream of waters classified by the department as FW2 trout production waters;
4. Shellfish waters of exceptional resource value; or
5. Other waters and their tributaries that flow through, or border, federal, State, county or municipal parks, forest, fish and wildlife lands, and other special holdings;

"Department" means the Department of Environmental Protection;

"FW" means the general surface water classification applied to fresh waters;

"FW1" means those fresh waters that originate in and are wholly within federal or State parks, forests, fish and wildlife lands, and other special holdings, that are to be maintained in their natural state of quality and not subjected to any man-made wastewater discharges;

"FW2" means the general surface water classification applied to those fresh waters that are not designated as FW1 or pinelands waters;

"Trout maintenance waters" means waters designated by the department for the support of trout throughout the year; and

"Trout production waters" means waters designated by the department for use by trout for spawning or nursery purposes during their first summer.
f. Any person or governmental entity violating the provisions of this section shall be subject to penalties imposed for violations of the "Flood Hazard Area Control Act," P.L.1962, c.19 (C.58:16A-50 et seq.).

C.58:16A-68 Municipal plan for flood control facilities.

2. a. Any municipality, either alone or jointly with any other municipality, may establish a plan, with the approval of the Department of Environmental Protection, for the size and location of flood control facilities, including detention basins, in order to minimize flood damage, to reduce stormwater runoff from new or existing development, or to induce water recharge into the ground where practical. Notwithstanding any provision of this subsection to the contrary, for new development the standards adopted pursuant to P.L.1993, c.32 (C.40:55D-40.1 et seq.) shall be applicable. This subsection shall apply only to municipally-owned flood control facilities, including detention basins, constructed on public property.

b. Any municipality, either alone or jointly with any other municipality, may establish a plan, with the approval of the Department of Environmental Protection, to maintain the water level of any lake or reservoir within its borders at a level necessary to provide an equivalent surface water safe yield established by the department for any affected water supply system and protection against flooding. Any such plan shall (1) comply with the provisions of R.S.23:5-29, P.L.1981, c.262 (C.58:1A-1 et seq.), and R.S.58:4-1 et seq., (2) include a calculation of the quantity of storage necessary to achieve a given level of flood control protection, (3) consider the environmental impact upon aquatic resources and fish spawning, the impact upon recreational use, and the financial impact upon all users of the lake or reservoir, and (4) consider any other criteria deemed necessary by the department. The department shall hold a public hearing prior to approval of a plan to seek input on the plan from any municipality that borders the lake or reservoir, or borders a river, stream or brook that feeds into or flows from that lake or reservoir. The department shall issue its decision on the plan in writing and transmit a copy thereof to each affected municipality and water supply purveyor prior to the effective date of the decision. No plan that jeopardizes safe yield and the provision of adequate water supply or reduces current safe yield levels of any lake or reservoir shall be approved by the department. No plan within the area of jurisdiction of the New Jersey Water Supply Authority may be established without the approval of the authority.

c. Nothing in this section shall be construed to supersede any other State law that applies to the construction of flood control facilities or the regulation of water levels in lakes or reservoirs.
3. This act shall take effect immediately.

Approved January 8, 1998.

CHAPTER 287

AN ACT concerning the responsibilities and liabilities of individuals involved in equestrian activities and supplementing Title 5 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:15-1 Findings, declarations relative to equine animal activities.

1. The Legislature finds and declares that equine animal activities are practiced by a large number of citizens of this State; that equine animal activities attract large numbers of nonresidents to the State; that those activities significantly contribute to the economy of this State; and that horse farms are a major land use which preserves open space.

The Legislature further finds and declares that equine animal activities involve risks that are essentially impractical or impossible for the operator to eliminate; and that those risks must be borne by those who engage in those activities.

The Legislature therefore determines that the allocation of the risks and costs of equine animal activities is an important matter of public policy and it is appropriate to state in law those risks that the participant voluntarily assumes for which there can be no recovery.

C.5:15-2 Definitions relative to equine animal activities.

2. As used in this act:

"Equestrian area" means all of the real and personal property under the control of the operator or on the premises of the operator which are being occupied, by license, lease, fee simple or otherwise, including but not limited to designated trail areas, designated easements or rights-of-way for access to trails, and other areas utilized for equine animal activities.

"Equine animal" means a horse, pony, mule or donkey.

"Equine animal activity" means any activity that involves the use of an equine animal and shall include selling equipment and tack; transportation, including the loading and off-loading for travel to or from a horse show or trail system; inspecting, or evaluating an equine animal belonging to another person whether or not the person has received compensation; placing or
replacing shoes on an equine animal; and veterinary treatment on an equine animal.

"Inherent risk or risks of an equine animal activity" means those dangers which are an integral part of equine animal activity, which shall include but need not be limited to:

a. The propensity of an equine animal to behave in ways that result in injury, harm, or death to nearby persons;

b. The unpredictability of an equine animal's reaction to such phenomena as sounds, sudden movement and unfamiliar objects, persons or other animals;

c. Certain natural hazards, such as surface or subsurface ground conditions;

d. Collisions with other equine animals or with objects; and

e. The potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, including but not limited to failing to maintain control over the equine animal or not acting within the participant's ability.

"Operator" means a person or entity who owns, manages, controls or directs the operation of an area where individuals engage in equine animal activities whether or not compensation is paid. "Operator" shall also include an agency of this State, political subdivisions thereof or instrumentality of said entities, or any individual or entity acting on behalf of an operator for all or part of such activities.

"Participant" means any person, whether an amateur or professional, engaging in an equine animal activity, whether or not a fee is paid to engage in the equine animal activity or, if a minor, the natural guardian, or trainer of that person standing in loco parentis, and shall include anyone accompanying the participant, or any person coming onto the property of the provider of equine animal activities or equestrian area whether or not an invitee or person pays consideration.

"Spectator" means a person who is present in an equestrian area for the purpose of observing equine animal activities whether or not an invitee.

C.5:15-3 Assumption of inherent risks of equine animal activities.

3. A participant and spectator are deemed to assume the inherent risks of equine animal activities created by equine animals, weather conditions, conditions of trails, riding rings, training tracks, equestrians, and all other inherent conditions. Each participant is assumed to know the range of his ability and it shall be the duty of each participant to conduct himself within the limits of such ability to maintain control of his equine animal and to refrain from acting in a manner which may cause or contribute to the injury
of himself or others, loss or damage to person or property, or death which results from participation in an equine animal activity.

C.5:15-4 Equine activity prohibited under certain circumstances.

4. A participant or a spectator shall not engage in, attempt to engage in, or interfere with, an equine animal activity if he is knowingly under the influence of any alcoholic beverage as defined in R.S.33:1-1 or under the influence of any prescription, legend drug or controlled dangerous substance as is defined in P.L.1970, c.226 (C.24:21-1 et seq.), or any other substance that affects the individual's ability to safely engage in the equine animal activity and abide by the posted and stated instructions. The operator may prevent a participant or a spectator who is perceptibly or apparently under the influence of drugs or alcohol, from engaging in, or interfering with, an equine animal activity or being in an equestrian area. An operator who prevents a participant or a spectator from engaging in, or interfering with, an equine animal activity, or being in an equestrian area in accordance with this section shall not be criminally or civilly liable in any manner or to any extent whatsoever if the operator has a reasonable basis for believing that the participant or spectator is under the influence of drugs or alcohol.

C.5:15-5 Complete bar of suit, defense.

5. The assumption of risk set forth in section 3 of this act shall be a complete bar of suit and shall serve as a complete defense to a suit against an operator by a participant for injuries resulting from the assumed risks, notwithstanding the provisions of P.L.1973, c.146 (C.2A:15-5.1 et seq.) relating to comparative negligence. Failure of a participant to conduct himself within the limits of his abilities as provided in section 3 of this act shall bar suit against an operator to compensate for injuries resulting from equine animal activities, where such failure is found to be a contributory factor in the resulting injury.

C.5:15-6 Written report as precondition to suit.

6. a. As a precondition to bringing any suit in connection with a participant injury against an operator, a participant shall submit a written report to the operator setting forth all details of any accident or incident as soon as possible, but in no event longer than 180 days from the time of the accident or incident giving rise to the suit.

b. The report shall include at least the following: The participant's name and address, a brief description of the accident or incident, the location of the accident or incident, the alleged cause of the accident or incident, the names of any other persons involved in the accident or incident and witnesses, if any. If it is not practicable to submit the report within 180 days because of severe physical disability resulting from a participant
accident or incident, the report shall be submitted as soon as practicable. This section is not applicable with respect to an equestrian area unless the operator conspicuously posts notice to participants of the requirements of the section.

c. A participant who fails to submit the report within 180 days from the time of the accident or incident may be permitted to submit the report at any time within one year after the accident or incident, if in the discretion of a judge of the Superior Court the operator is not substantially prejudiced thereby. Application to the court for permission to submit a late report shall be made upon motion based on affidavits showing sufficient reasons for the participant's failure to give the report within 180 days from the time of the accident or incident.

C.5:15-7 Action must be commenced within two years.

7. Notwithstanding any provision of this act, or any other law to the contrary, an action for injury or death against an operator, an equestrian area or its employees or owner, whether based upon tort or breach of contract or otherwise arising out of equine animal activities, shall be commenced no later than two years after the occurrence of the incident or earliest of incidents giving rise to the cause of action.

C.5:15-8 Time limits for action involving minor.

8. If a participant accident or incident, or an action based upon an equine animal activity or incident, involves a minor, the time limits set forth in sections 6 and 7 of this act shall not begin to run against the minor until the minor reaches the age of majority, unless there was present to approve conditions and riding ability a person standing in loco parentis, who made these decisions for the minor in activities including but not limited to horse shows, trying a horse for sale, riding lessons, trail rides, and demonstrations.

C.5:15-9 Exceptions to limitation on liability.

9. Notwithstanding any provisions of sections 3 and 4 of this act to the contrary, the following actions or lack thereof on the part of operators shall be exceptions to the limitation on liability for operators:

   a. Knowingly providing equipment or tack that is faulty to the extent that it causes or contributes to injury.

   b. Failure to make reasonable and prudent efforts to determine the participant's ability to safely manage the particular equine animal, based on the participant's representation of his ability, or the representation of the guardian, or trainer of that person standing in loco parentis, if a minor.

   c. A case in which the participant is injured or killed by a known dangerous latent condition on property owned or controlled by the equine animal activity operator and for which warning signs have not been posted.
d. An act or omission on the part of the operator that constitutes negligent disregard for the participant's safety, which act or omission causes the injury, and
e. Intentional injuries to the participant caused by the operator.

C.5:15-10 Posting of sign required.
10. All operators shall post and maintain signs on all lands owned or leased thereby and used for equine activities, which signs shall be posted in a manner that makes them visible to all participants and which shall contain the following notice in large capitalized print:

"WARNING: UNDER NEW JERSEY LAW, AN EQUESTRIAN AREA OPERATOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ANIMAL ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ANIMAL ACTIVITIES, PURSUANT TO P.L.1997, c.287 (C.5:15-1 et seq.)."

Individuals or entities providing equine animal activities on behalf of an operator, and not the operator, shall be required to post and maintain signs required by this section.

11. The provisions of this act are cumulative with the defenses available to a public entity or public employee under the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq.

C.5:15-12 Act not applicable to racing industry.
12. This act shall not apply to the horse racing industry.

13. This act shall take effect immediately.

Approved January 8, 1998.

C.17:11C-22 Mortgage bankers, brokers; prohibited practices.

22. a. No person shall use the word "mortgage" or similar words in any advertising, signs, letterheads, cards, or like matter which tend to represent that the person arranges first mortgage loans unless that person is licensed to act as a mortgage banker or mortgage broker under this act, or is exempt from licensing under section 4 of this act. No person licensed under this act shall be granted a license in a name containing such words as "insured," "bonded," "guaranteed," "secured" and the like. Notwithstanding the provisions of section 18 of P.L.1948, c.67 (C.17:9A-18) or any other law to the contrary, a person licensed under this act to act as a mortgage banker or mortgage broker may use the terms "mortgage banker" or "mortgage broker," respectively, as part of the licensee's name.

b. No mortgage banker or mortgage broker shall, in connection with or incidental to the making of a first mortgage loan, require or permit the
mortgage instrument or bond or note to be signed by a party to the transaction if the instrument contains any blank spaces to be filled in after it has been signed, except blank spaces relating to recording.

c. No mortgage banker or mortgage broker shall charge or exact directly or indirectly from the mortgagor or any other person fees, commissions or charges not authorized by this act.

d. No person shall receive any commission, bonus or fee in connection with arranging or originating a first mortgage loan for a borrower unless that person is licensed or exempt from licensure as a mortgage banker or mortgage broker, except that a registered mortgage solicitor may receive a commission, bonus, or fee from his employer.

e. No person or licensee authorized to act as a mortgage banker or mortgage broker shall pay any commission, bonus or fee to any person not licensed or not exempt under the provisions of this act in connection with arranging for or originating a mortgage loan for a borrower, except that a registered mortgage solicitor may be paid a bonus, commission or fee by his employer.

g. No mortgage banker or mortgage broker shall misrepresent, circumvent, or conceal the nature of any material particular of any transaction to which the mortgage banker or broker is a party.

h. No mortgage banker or mortgage broker shall fail to disburse funds in accordance with the mortgage banker's or broker's agreements, unless otherwise ordered by the commissioner or a court of this State or of the United States.

No mortgage banker or mortgage broker shall fail without good cause to account or deliver to any person any personal property, money, fund, deposit, check, draft, mortgage, document or thing of value, which is not the mortgage banker's or broker's property, or which the mortgage banker or broker is not in law or equity entitled to retain under the circumstances, at the time which has been agreed upon, or is required by law or, in the absence of a fixed time, upon demand of the person entitled to such accounting and delivery.

j. No person or licensee shall fail to place in escrow, immediately upon receipt, any money, fund, deposit, check or draft entrusted to him by any person dealing with him as a mortgage banker or mortgage broker, in a manner approved by the commissioner, or to deposit the funds in a trust or escrow account maintained by him with a financial institution the deposits of which are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, wherein the funds shall be kept until the disbursement thereof is properly authorized.

Nothing contained in this subsection k. shall prevent the person or licensee from assessing a reasonable charge as set forth by regulation by the commissioner to reflect the additional cost to the person or licensee for the issuance of a certified, cashier's, teller's or bank check or for arranging an electronic fund transfer. That reasonable charge shall be fully disclosed at application or at or prior to the issuance of the loan commitment. b. No title insurance producer or company shall disburse funds representing closing or settlement proceeds of a real estate transaction unless those funds shall have been deposited in a separate trust or escrow account by cash, electronic wire transfer, or certified, cashier's, teller's or
bank check, or other collected funds; provided nevertheless, that nothing contained herein shall be construed to prohibit a title insurance producer or company from disbursing against funds deposited in a separate trust or escrow account other than by cash, electronic wire transfer, or certified, cashier's, teller's or bank check, or other collected funds in an amount not to exceed $1,000. A "bank check" means a negotiable instrument drawn by a state or federally chartered bank, savings bank or savings and loan association on itself or on its account in another state or federally chartered bank, savings bank or savings and loan association doing business in this State. 3. a. Any purchase, contract or agreement for the performance of any work or the furnishing or hiring of materials or supplies, the cost or price of which, together with any sums expended for the performance of any work or services in connection with the same project or the furnishing of similar materials or supplies during the same fiscal year, paid with or out of college funds, does not exceed the total sum of $17,700 or, commencing January 1, 1997, the amount determined pursuant to subsection b. of this section, in any fiscal year may be made, negotiated and awarded by a contracting agent,

b. Commencing January 1, 1997 and every two years thereafter, the Governor, in consultation with the Department of the Treasury, shall adjust the threshold amount set forth in subsection a. of this section in direct proportion to the rise or fall of the Consumer Price Index for all urban consumers in the New York and Northeastern New Jersey and the Philadelphia areas, as reported by the United States Department of Labor. The adjustment shall become effective on July 1 of the year in which it is reported.

c. Any purchase, contract or agreement made pursuant to this section may be awarded for a period of 12 consecutive months, notwithstanding that the 12-month period does not coincide with the fiscal year.

C.18A:64-55 Public bidding required.

4. Every contract or agreement for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price of which is to be paid with or out of college funds, not included within the terms of section 3 of this article, shall be made and awarded only by the State college after public advertising for bids and bidding therefor, except as provided otherwise in this article or specifically by any other law. 6. Any purchase, contract, or agreement may be made, negotiated or awarded by a State college without public advertising for bids and bidding therefor, notwithstanding that the cost or contract price will exceed $17,700 or, commencing January 1, 1997, the amount determined pursuant to subsection b. of section 3 of P.L.1986, c.43 (C.18A:64-54), when an emergency affecting the health, safety or welfare of occupants of college property requires the immediate delivery of the materials or supplies or the performance of the work, if the purchases, contracts or agreements are awarded or made in the following manner:
a. A written requisition for the performance of the work or the furnishing of materials or supplies, certified by the employee in charge of the building, facility or equipment where the emergency occurred, is filed with the contracting agent or his deputy in charge describing the nature of the emergency, the time of its occurrence, and the need for invoking this section. The contracting agent, or his deputy in charge, being satisfied that the emergency exists, is authorized to award a contract for the work, materials or supplies.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 22 of P.L.1981, c.243 (C.2A:4-30.45) is amended to read as follows:

22. Rules of evidence. In any hearing for the civil enforcement of this act the court is governed by the rules of evidence applicable in a civil court action in the Superior Court. If the action is based on a support order issued by another court a certified copy of the order shall be received as evidence of the duty of support, subject only to any defenses available to an obligor with respect to paternity (section 26) or to a defendant in an action or a proceeding to enforce a foreign money judgment. The determination or enforcement of a duty of support owed to one obligee is unaffected by any
interference by another obligee with rights of custody or parenting time granted by a court.

2. Section 2 of P.L.1990, c.104 (C.2A:34-31.1) is amended to read as follows:

C.2A:34-31.1 Protective custody of child; reasonable cause.

2. After the issuance of any temporary or permanent order determining custody or parenting time of a minor child, a law enforcement officer having reasonable cause to believe that a person is likely to flee the State with the child or otherwise by flight or concealment evade the jurisdiction of the courts of this State may take a child into protective custody and return the child to the parent having lawful custody, or to a court in which a custody hearing concerning the child is pending.

3. Section 3 of P.L.1990, c.104 (C.2A:34-31.2) is amended to read as follows:

C.2A:34-31.2 Court orders to advise of penalties for custody interference.

3. Every order of a court involving custody or parenting time shall include a written notice, in both English and Spanish, advising the persons affected as to the penalties provided in N.J.S.2C:13-4 for violating that order.

4. Section 9 of P.L.1979, c.124 (C.2A:34-36) is amended to read as follows:

C.2A:34-36 Jurisdiction declined under certain circumstances.

9. a. If the petitioner for an initial decree has wrongfully taken the child from another state or has engaged in similar reprehensible conduct the court may decline to exercise jurisdiction if this is just and proper under the circumstances.

b. Unless required in the interest of the child, the court shall not exercise its jurisdiction to modify a custody decree of another state if the petitioner, without consent of the person entitled to custody, has improperly removed the child from the physical custody of the person entitled to custody or has improperly retained the child after the scheduled parenting time has elapsed or other temporary relinquishment of physical custody. If the petitioner has violated any other provision of a custody decree of another state the court may decline to exercise its jurisdiction if this is just and proper under the circumstances.

c. In appropriate cases a court dismissing a petition under this section may assess, and if not paid enter a judgment against the petitioner for
necessary travel and other expenses, including attorneys' fees, incurred by other parties or their witnesses. Payment shall be made to the clerk of the court for remittance to the proper party, or in the event of a judgment shall be collected in accordance with the normal procedures for the collection of judgments.

5. Section 10 of P.L.1979, c.124 (C.2A:34-37) is amended to read as follows:

C.2A:34-37 Information under oath submitted to court.

10. a. Every party in a custody proceeding in his first pleading or in an affidavit attached to that pleading shall give information under oath as to the child's present address, the places where the child has lived within the last five years, and the names and present addresses of the persons with whom the child has lived during that period. In this pleading or affidavit every party shall further declare under oath whether:

(1) He has participated (as a party, witness, or in any other capacity) in any other litigation concerning the custody of the same child in this or any other state;
(2) He has information of any custody proceeding concerning the child pending in a court of this or any other state; and
(3) He knows of any person not a party to the proceedings who has physical custody of the child or claims to have custody or parenting time rights with respect to the child.

b. If the declaration as to any of the above items is in the affirmative the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to details of the information furnished and as to other matters pertinent to the court's jurisdiction and the disposition of the case.

c. Each party has a continuing duty to inform the court of any custody proceeding concerning the child in this or any other state of which he obtained information during this proceeding.

6. Section 11 of P.L.1979, c.124 (C.2A:34-38) is amended to read as follows:

C.2A:34-38 Additional parties to custody proceedings.

11. If the court learns from information furnished by the parties pursuant to section 10 of P.L.1979, c.124 (C.2A:34-37), or from other sources that a person not a party to the custody proceeding has physical custody of the child or claims to have custody or parenting time rights with respect to the child, it shall order that person to be joined as a party and to be duly notified of the pendency of the proceeding and of his joinder as a
party. If the person joined as a party is outside that State he shall be served with process or otherwise notified in accordance with the provisions of section 6 of P.L.1979, c.124 (C.2A:34-33).

7. N.J.S.2C:13-4 is amended to read as follows:

Interference with custody.

2C:13-4. Interference with custody. a. Custody of children. A person, including a parent, guardian or other lawful custodian, is guilty of interference with custody if he:

(1) Takes or detains a minor child with the purpose of concealing the minor child and thereby depriving the child’s other parent of custody or parenting time with the minor child; or

(2) After being served with process or having actual knowledge of an action affecting marriage or custody but prior to the issuance of a temporary or final order determining custody and parenting time rights to a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of depriving the child’s other parent of custody or parenting time, or to evade the jurisdiction of the courts of this State;

(3) After being served with process or having actual knowledge of an action affecting the protective services needs of a child pursuant to Title 9 of the Revised Statutes in an action affecting custody, but prior to the issuance of a temporary or final order determining custody rights of a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of evading the jurisdiction of the courts of this State; or

(4) After the issuance of a temporary or final order specifying custody, joint custody rights or parenting time, takes, detains, entices or conceals a minor child from the other parent in violation of the custody or parenting time order.

Interference with custody is a crime of the third degree but the presumption of non-imprisonment set forth in subsection e. of N.J.S.2C:44-1 for a first offense of a crime of the third degree shall not apply. However, if the child is taken, detained, enticed or concealed outside the United States, interference with custody is a crime of the second degree.

b. Custody of committed persons. A person is guilty of a crime of the fourth degree if he knowingly takes or entices any committed person away from lawful custody when he is not privileged to do so. "Committed person" means, in addition to anyone committed under judicial warrant, any orphan, neglected or delinquent child, mentally defective or insane person, or other dependent or incompetent person entrusted to another’s custody by or through a recognized social agency or otherwise by authority of law.
c. It is an affirmative defense to a prosecution under subsection a. of this section, which must be proved by clear and convincing evidence, that:

(1) The actor reasonably believed that the action was necessary to preserve the child from imminent danger to his welfare. However, no defense shall be available pursuant to this subsection if the actor does not, as soon as reasonably practicable but in no event more than 24 hours after taking a child under his protection, give notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Human Services;

(2) The actor reasonably believed that the taking or detaining of the minor child was consented to by the other parent, or by an authorized State agency; or

(3) The child, being at the time of the taking or concealment not less than 14 years old, was taken away at his own volition and without purpose to commit a criminal offense with or against the child.

d. It is an affirmative defense to a prosecution under subsection a. of this section that a parent having the right of custody reasonably believed he was fleeing from imminent physical danger from the other parent, provided that the parent having custody, as soon as reasonably practicable:

(1) Gives notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Human Services; or

(2) Commences an action affecting custody in an appropriate court.

e. The offenses enumerated in this section are continuous in nature and continue for so long as the child is concealed or detained.

f. (1) In addition to any other disposition provided by law, a person convicted under subsection a. of this section shall make restitution of all reasonable expenses and costs, including reasonable counsel fees, incurred by the other parent in securing the child's return.

(2) In imposing sentence under subsection a. of this section the court shall consider, in addition to the factors enumerated in chapter 44 of Title 2C of the New Jersey Statutes:

(a) Whether the person returned the child voluntarily; and

(b) The length of time the child was concealed or detained.

g. As used in this section, "parent" means a parent, guardian or other lawful custodian of a minor child.

8. Section 13 of P.L.1991, c.261 (C.2C:25-29) is amended to read as follows:
13. a. A hearing shall be held in the Family Part of the Chancery Division of the Superior Court within 10 days of the filing of a complaint pursuant to section 12 of P.L. 1991, c.261 (C.2C:25-28) in the county where the ex parte restraints were ordered, unless good cause is shown for the hearing to be held elsewhere. A copy of the complaint shall be served on the defendant in conformity with the Rules of Court. If a criminal complaint arising out of the same incident which is the subject matter of a complaint brought under P.L. 1991, c.261 (C.2C:25-17 et seq.) has been filed, testimony given by the plaintiff or defendant in the domestic violence matter shall not be used in the simultaneous or subsequent criminal proceeding against the defendant, other than domestic violence contempt matters and where it would otherwise be admissible hearsay under the rules of evidence that govern where a party is unavailable. At the hearing the standard for proving the allegations in the complaint shall be by a preponderance of the evidence. The court shall consider but not be limited to the following factors:

1. The previous history of domestic violence between the plaintiff and defendant, including threats, harassment and physical abuse;
2. The existence of immediate danger to person or property;
3. The financial circumstances of the plaintiff and defendant;
4. The best interests of the victim and any child;
5. In determining custody and parenting time the protection of the victim's safety; and
6. The existence of a verifiable order of protection from another jurisdiction.

An order issued under this act shall only restrain or provide damages payable from a person against whom a complaint has been filed under this act and only after a finding or an admission is made that an act of domestic violence was committed by that person. The issue of whether or not a violation of this act occurred, including an act of contempt under this act, shall not be subject to mediation or negotiation in any form. In addition, where a temporary or final order has been issued pursuant to this act, no party shall be ordered to participate in mediation on the issue of custody or parenting time.

b. In proceedings in which complaints for restraining orders have been filed, the court shall grant any relief necessary to prevent further abuse. At the hearing the judge of the Family Part of the Chancery Division of the Superior Court may issue an order granting any or all of the following relief:

1. An order restraining the defendant from subjecting the victim to domestic violence, as defined in this act.
(2) An order granting exclusive possession to the plaintiff of the residence or household regardless of whether the residence or household is jointly or solely owned by the parties or jointly or solely leased by the parties. This order shall not in any manner affect title or interest to any real property held by either party or both jointly. If it is not possible for the victim to remain in the residence, the court may order the defendant to pay the victim's rent at a residence other than the one previously shared by the parties if the defendant is found to have a duty to support the victim and the victim requires alternative housing.

(3) An order providing for parenting time. The order shall protect the safety and well-being of the plaintiff and minor children and shall specify the place and frequency of the parenting time. Parenting time arrangements shall not compromise any other remedy provided by the court by requiring or encouraging contact between the plaintiff and defendant. Orders for parenting time may include a designation of a place of parenting time away from the plaintiff, the participation of a third party, or supervised parenting time.

(a) The court shall consider a request by a custodial parent who has been subjected to domestic violence by a person with parenting time rights to a child in the parent's custody for an investigation or evaluation by the appropriate agency to assess the risk of harm to the child prior to the entry of a parenting time order. Any denial of such a request must be on the record and shall only be made if the judge finds the request to be arbitrary or capricious.

(b) The court shall consider suspension of the parenting time order and hold an emergency hearing upon an application made by the plaintiff certifying under oath that the defendant's access to the child pursuant to the parenting time order has threatened the safety and well-being of the child.

(4) An order requiring the defendant to pay to the victim monetary compensation for losses suffered as a direct result of the act of domestic violence. The order may require the defendant to pay the victim directly, to reimburse the Violent Crimes Compensation Board for any and all compensation paid by the Violent Crimes Compensation Board directly to or on behalf of the victim, and may require that the defendant reimburse any parties that may have compensated the victim, as the court may determine. Compensatory losses shall include, but not be limited to, loss of earnings or other support, including child or spousal support, out-of-pocket losses for injuries sustained, cost of repair or replacement of real or personal property damaged or destroyed or taken by the defendant, cost of counseling for the victim, moving or other travel expenses, reasonable attorney’s fees, court costs, and compensation for pain and suffering. Where appropriate, punitive damages may be awarded in addition to compensatory damages.
(5) An order requiring the defendant to receive professional domestic violence counseling from either a private source or a source appointed by the court and, in that event, at the court's discretion requiring the defendant to provide the court at specified intervals with documentation of attendance at the professional counseling. The court may order the defendant to pay for the professional counseling.

(6) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim or of other family or household members of the victim and requiring the defendant to stay away from any specified place that is named in the order and is frequented regularly by the victim or other family or household members.

(7) An order restraining the defendant from making contact with the plaintiff or others, including an order forbidding the defendant from personally or through an agent initiating any communication likely to cause annoyance or alarm including, but not limited to, personal, written, or telephone contact with the victim or other family members, or their employers, employees, or fellow workers, or others with whom communication would be likely to cause annoyance or alarm to the victim.

(8) An order requiring that the defendant make or continue to make rent or mortgage payments on the residence occupied by the victim if the defendant is found to have a duty to support the victim or other dependent household members; provided that this issue has not been resolved or is not being litigated between the parties in another action.

(9) An order granting either party temporary possession of specified personal property, such as an automobile, checkbook, documentation of health insurance, an identification document, a key, and other personal effects.

(10) An order awarding emergency monetary relief, including emergency support for minor children, to the victim and other dependents, if any. An ongoing obligation of support shall be determined at a later date pursuant to applicable law.

(11) An order awarding temporary custody of a minor child. The court shall presume that the best interests of the child are served by an award of custody to the non-abusive parent.

(12) An order requiring that a law enforcement officer accompany either party to the residence or any shared business premises to supervise the removal of personal belongings in order to ensure the personal safety of the plaintiff when a restraining order has been issued. This order shall be restricted in duration.

(13) (Deleted by amendment, P.L.1995, c.242.)

(14) An order granting any other appropriate relief for the plaintiff and dependent children, provided that the plaintiff consents to such relief,
including relief requested by the plaintiff at the final hearing, whether or not
the plaintiff requested such relief at the time of the granting of the initial
emergency order.

(15) An order that requires the defendant to report to the intake unit
of the Family Part of the Chancery Division of the Superior Court for
monitoring of any other provision of the order.

(16) An order prohibiting the defendant from possessing any firearm or
other weapon enumerated in subsection r. of N.J.S.2C:39-1 and ordering the
search for and seizure of any such weapon at any location where the judge
has reasonable cause to believe the weapon is located. The judge shall state
with specificity the reasons for and scope of the search and seizure
authorized by the order.

(17) An order prohibiting the defendant from stalking or following, or
threatening to harm, to stalk or to follow, the complainant or any other
person named in the order in a manner that, taken in the context of past
actions of the defendant, would put the complainant in reasonable fear that
the defendant would cause the death or injury of the complainant or any
other person. Behavior prohibited under this act includes, but is not limited
to, behavior prohibited under the provisions of P.L.1992, c.209
(C.2C:12-10).

(18) An order requiring the defendant to undergo a psychiatric
evaluation.

c. Notice of orders issued pursuant to this section shall be sent by the
clerk of the Family Part of the Chancery Division of the Superior Court or
other person designated by the court to the appropriate chiefs of police,
members of the State Police and any other appropriate law enforcement
agency.

d. Upon good cause shown, any final order may be dissolved or
modified upon application to the Family Part of the Chancery Division of
the Superior Court, but only if the judge who dissolves or modifies the order
is the same judge who entered the order, or has available a complete record
of the hearing or hearings on which the order was based.

9. R.S.9:2-4 is amended to read as follows:

Custody of child; rights of both parents considered.

9:2-4. The Legislature finds and declares that it is in the public policy
of this State to assure minor children of frequent and continuing contact
with both parents after the parents have separated or dissolved their
marriage and that it is in the public interest to encourage parents to share the
rights and responsibilities of child rearing in order to effect this policy.
In any proceeding involving the custody of a minor child, the rights of both parents shall be equal and the court shall enter an order which may include:

a. Joint custody of a minor child to both parents, which is comprised of legal custody or physical custody which shall include: (1) provisions for residential arrangements so that a child shall reside either solely with one parent or alternatively with each parent in accordance with the needs of the parents and the child; and (2) provisions for consultation between the parents in making major decisions regarding the child's health, education and general welfare;

b. Sole custody to one parent with appropriate parenting time for the noncustodial parent; or

c. Any other custody arrangement as the court may determine to be in the best interests of the child.

In making an award of custody, the court shall consider but not be limited to the following factors: the parents' ability to agree, communicate and cooperate in matters relating to the child; the parents' willingness to accept custody and any history of unwillingness to allow parenting time not based on substantiated abuse; the interaction and relationship of the child with its parents and siblings; the history of domestic violence, if any; the safety of the child and the safety of either parent from physical abuse by the other parent; the preference of the child when of sufficient age and capacity to reason so as to form an intelligent decision; the needs of the child; the stability of the home environment offered; the quality and continuity of the child's education; the fitness of the parents; the geographical proximity of the parents' homes; the extent and quality of the time spent with the child prior to or subsequent to the separation; the parents' employment responsibilities; and the age and number of the children. A parent shall not be deemed unfit unless the parents' conduct has a substantial adverse effect on the child.

The court, for good cause and upon its own motion, may appoint a guardian ad litem or an attorney or both to represent the minor child's interests. The court shall have the authority to award a counsel fee to the guardian ad litem and the attorney and to assess that cost between the parties to the litigation.

d. The court shall order any custody arrangement which is agreed to by both parents unless it is contrary to the best interests of the child.

e. In any case in which the parents cannot agree to a custody arrangement, the court may require each parent to submit a custody plan which the court shall consider in awarding custody.

f. The court shall specifically place on the record the factors which justify any custody arrangement not agreed to by both parents.
10. Section 10 of P.L. 1977, c.367 (C.9:3-46) is amended to read as follows:

C.9:3-46 Objection to adoption.

10. a. A person who is entitled to notice pursuant to section 9 of P.L. 1977, c.367 (C.9:3-45) shall have the right to object to the adoption of his child. A judgment of adoption shall not be entered over an objection of a parent communicated to the court by personal appearance or by letter unless the court finds:

   (1) that the parent has substantially failed to perform the regular and expected parental functions of care and support of the child, although able to do so, or

   (2) that the parent is unable to perform the regular and expected parental functions of care and support of the child and that the parent's inability to perform those functions is unlikely to change in the immediate future.

The regular and expected functions of care and support of a child shall include the following:

   (a) the maintenance of a relationship with the child such that the child perceives the person as his parent;

   (b) communicating with the child or person having legal custody of the child and parenting time rights unless having parenting time is impossible because of the parent's confinement in an institution, or unless prevented from so doing by the custodial parent or other custodian of the child or a social service agency over the birth parent's objection; or

   (c) providing financial support for the child unless prevented from doing so by the custodial parent or other custodian of the child or a social service agency.

A parent shall be presumed to have failed to perform the regular and expected parental functions of care and support of the child if the court finds that the situation set forth in paragraph (1) or (2) has occurred for six or more months.

b. The guardian of a child to be adopted who has not executed a surrender pursuant to section 5 of P.L. 1977, c.367 (C.9:3-41) and any other person who has provided care and supervision in his home for the child for a period of six months or one half of the life of the child, whichever is less, in the two years prior to the complaint shall be given notice of the action and in accordance with the Rules of Court shall have standing to object to the adoption, which objection shall be given due consideration by the court in determining whether the best interests of the child would be promoted by the adoption.
11. Section 16 of P.L. 1983, c.17 (C.9:17-53) is amended to read as follows:

**C.9:17-53 Judgment, order on parent and child relationship; amendment of birth record; amount of support.**

16. a. The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes.

b. If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that an amendment to the original birth record be made under section 22.

c. The judgment or order may contain any other provision directed against the appropriate party to the proceeding concerning the duty of support, the custody and guardianship of the child, parenting time privileges with the child, the furnishing of bond or other security for the payment of the judgment, the repayment of any public assistance grant, or any other matter in the best interests of the child. The judgment or order may direct the father to pay the reasonable expenses of the mother's pregnancy and postpartum disability, including repayment to an agency which provided public assistance funds for those expenses.

d. Support judgments or orders ordinarily shall be for periodic payments, which may vary in amount. In the best interests of the child, the purchase of an annuity may be ordered in lieu of periodic payments of support. The court may limit a parent's liability for past support of the child to the proportion of the expenses already incurred that the court deems just.

e. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, a court enforcing the obligation of support shall consider all relevant facts, including the:

1. Needs of the child;
2. Standard of living and economic circumstances of each parent;
3. Income and assets of each parent, including any public assistance grant received by a parent;
4. Earning ability of each parent, including educational background, training, employment skills, work experience, custodial responsibility for children and the length of time and cost for each parent to obtain training or experience for appropriate employment;
5. Need and capacity of the child for education, including higher education;
6. Age and health of the child and each parent;
7. Income, assets and earning ability of the child;
8. Responsibility of the parents for the support of others; and
(9) Debts and liabilities of each child and parent. The factors set forth herein are not intended to be exhaustive. The court may consider such other factors as may be appropriate under the circumstances.

12. This act shall take effect immediately.

Approved January 8, 1998.

CHAPTER 300

AN ACT concerning sanctions against parties who violate visitation orders and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:34-23.2 Findings, declarations relative to violation of visitation orders.

1. The Legislature finds and declares that:
   a. There has been an increase in the filings of dissolutions of marriages in the recent years; and
   b. The best interests of the children of these marriages in maintaining close relationships with both parents regardless of which parent has the physical custody of the child is paramount; and
   c. Proceeding criminally in cases where the terms of an order of visitation with a child has failed to be honored may be both difficult and inappropriate; and
   d. Bolstering the statutory civil remedies available to a judge hearing these types of matters may provide an indication of legislative intent to promote the enforcement of these matters.

C.2A:34-23.3 Available remedies.

2. A judge who sanctions a party for failure to comply with an order of visitation shall have these remedies available:
   a. The awarding of counsel fees of the aggrieved party against the party who violated the terms of the order;
   b. Community service;
   c. The awarding of compensatory time for the time with the child for which the party was deprived;
   d. The awarding of monetary compensation for additional costs incurred when a parent fails to appear for scheduled visitation; and
   e. Other economic sanctions which may be decided on a case-by-case basis.
3. This act shall take effect immediately.

CHAPTER 301

AN ACT concerning alimony and amending N.J.S.2A:34-25.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2A:34-25 is amended to read as follows:

Termination of alimony.

2A:34-25. If after the judgment of divorce a former spouse shall remarry, permanent alimony shall terminate as of the date of remarriage except that any arrearages that have accrued prior to the date of remarriage shall not be vacated or annulled. A former spouse who remarries shall promptly so inform the spouse paying permanent alimony as well as the collecting agency, if any. The court may order such alimony recipient who fails to comply with the notification provision of this act to pay any reasonable attorney fees and court costs incurred by the recipient's former spouse as a result of such non-compliance.

The remarriage of a former spouse receiving rehabilitative alimony shall not be cause for termination of the rehabilitative alimony by the court unless the court finds that the circumstances upon which the award was based have not occurred or unless the payer spouse demonstrates an agreement or good cause to the contrary.

Alimony shall terminate upon the death of the payer spouse, except that any arrearages that have accrued prior to the date of the payer spouse's death shall not be vacated or annulled.

Nothing in this act shall be construed to prohibit a court from ordering either spouse to maintain life insurance for the protection of the former spouse or the children of the marriage in the event of the former spouse's death.

2. This act shall take effect immediately.

Approved January 8, 1998.
CHAPTER 302, LAWS OF 1997

CHAPTER 302

AN ACT concerning alimony and amending N.J.S. 2A:34-23.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 2A:34-23 is amended to read as follows:

Alimony, maintenance.

2A:34-23. Pending any matrimonial action brought in this State or elsewhere, or after judgment of divorce or maintenance, whether obtained in this State or elsewhere, the court may make such order as to the alimony or maintenance of the parties, and also as to the care, custody, education and maintenance of the children, or any of them, as the circumstances of the parties and the nature of the case shall render fit, reasonable and just, and require reasonable security for the due observance of such orders, including, but not limited to, the creation of trusts or other security devices, to assure payment of reasonably foreseeable medical and educational expenses. Upon neglect or refusal to give such reasonable security, as shall be required, or upon default in complying with any such order, the court may award and issue process for the immediate sequestration of the personal estate, and the rents and profits of the real estate of the party so charged, and appoint a receiver thereof, and cause such personal estate and the rents and profits of such real estate, or so much thereof as shall be necessary, to be applied toward such alimony and maintenance as to the said court shall from time to time seem reasonable and just; or the performance of the said orders may be enforced by other ways according to the practice of the court. Orders so made may be revised and altered by the court from time to time as circumstances may require.

The court may order one party to pay a retainer on behalf of the other for expert and legal services when the respective financial circumstances of the parties make the award reasonable and just. In considering an application, the court shall review the financial capacity of each party to conduct the litigation and the criteria for award of counsel fees that are then pertinent as set forth by court rule. Whenever any other application is made to a court which includes an application for pendente lite or final award of counsel fees, the court shall determine the appropriate award for counsel fees, if any, at the same time that a decision is rendered on the other issue then before the court and shall consider the factors set forth in the court rule on counsel fees, the financial circumstances of the parties, and the good or bad faith of either party.
a. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, the court in those cases not governed by court rule shall consider, but not be limited to, the following factors:

1. Needs of the child;
2. Standard of living and economic circumstances of each parent;
3. All sources of income and assets of each parent;
4. Earning ability of each parent, including educational background, training, employment skills, work experience, custodial responsibility for children including the cost of providing child care and the length of time and cost of each parent to obtain training or experience for appropriate employment;
5. Need and capacity of the child for education, including higher education;
6. Age and health of the child and each parent;
7. Income, assets and earning ability of the child;
8. Responsibility of the parents for the court-ordered support of others;
9. Reasonable debts and liabilities of each child and parent; and
10. Any other factors the court may deem relevant.

b. In all actions brought for divorce, divorce from bed and board, or nullity the court may award permanent or rehabilitative alimony or both to either party, and in so doing shall consider, but not be limited to, the following factors:

1. The actual need and ability of the parties to pay;
2. The duration of the marriage;
3. The age, physical and emotional health of the parties;
4. The standard of living established in the marriage and the likelihood that each party can maintain a reasonably comparable standard of living;
5. The earning capacities, educational levels, vocational skills, and employability of the parties;
6. The length of absence from the job market of the party seeking maintenance;
7. The parental responsibilities for the children;
8. The time and expense necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment, the availability of the training and employment, and the opportunity for future acquisitions of capital assets and income;
9. The history of the financial or non-financial contributions to the marriage by each party including contributions to the care and education of the children and interruption of personal careers or educational opportunities;
(10) The equitable distribution of property ordered and any payouts on equitable distribution, directly or indirectly, out of current income, to the extent this consideration is reasonable, just and fair; and

(11) Any other factors which the court may deem relevant.

When a share of a retirement benefit is treated as an asset for purposes of equitable distribution, the court shall not consider income generated thereafter by that share for purposes of determining alimony.

In any case in which there is a request for an award of rehabilitative or permanent alimony, the court shall consider and make specific findings on the evidence about the above factors.

An award of rehabilitative alimony may be modified based either upon changed circumstances, or upon the nonoccurrence of circumstances that the court found would occur at the time of the rehabilitative award. This section is not intended to preclude a court from modifying permanent alimony awards based upon the law. In all actions for divorce other than those where judgment is granted solely on the ground of separation the court may consider also the proofs made in establishing such ground in determining an amount of alimony or maintenance that is fit, reasonable and just. In all actions for divorce or divorce from bed and board where judgment is granted on the ground of institutionalization for mental illness the court may consider the possible burden upon the taxpayers of the State as well as the ability of the party to pay in determining an amount of maintenance to be awarded.

In all actions where a judgment of divorce or divorce from bed and board is entered the court may make such award or awards to the parties, in addition to alimony and maintenance, to effectuate an equitable distribution of the property, both real and personal, which was legally and beneficially acquired by them or either of them during the marriage. However, all such property, real, personal or otherwise, legally or beneficially acquired during the marriage by either party by way of gift, devise, or intestate succession shall not be subject to equitable distribution, except that interspousal gifts shall be subject to equitable distribution.

2. This act shall take effect immediately.

Approved January 8, 1998.

the "New Jersey Medical Assistance and Health Services Act," P.L.1968,
c.413 (C.30:4D-1 et seq.).

C.13:1E-99.47 Sale of certain packages, components, packaged products, restricted; terms defined.

4. a. On or after January 1, 1993, no person shall sell, offer for sale, or offer for promotional purposes in this State any package or packaging component which includes, in the package itself or in any packaging component, inks, dyes, pigments, adhesives, stabilizers or any other additives containing any lead, cadmium, mercury or hexavalent chromium which has been intentionally introduced as a chemical element during manufacturing or distribution as opposed to the incidental presence of any of these elements.

b. On or after January 1, 1993, no person shall sell, offer for sale, or offer for promotional purposes in this State any product contained in a package which includes, in the package itself or in any packaging component, inks, dyes, pigments, adhesives, stabilizers or any other additives containing any lead, cadmium, mercury or hexavalent chromium which has been intentionally introduced as a chemical element during manufacturing or distribution as opposed to the incidental presence of any of these elements.

Using recycled materials as feed stock for the manufacture of new packaging materials, where some portion of the recycled materials may contain amounts of the regulated metals if the new package or packaging component is in compliance with this act.

3. Section 5 of P.L.1991, c.520 (C.13:1E-99.48) is amended to read as follows:

C.13:1E-99.48 Exemptions, criteria.

5. a. Any package manufacturer, product manufacturer or distributor may, in accordance with rules or regulations adopted by the department pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), claim an exemption from the provisions of section 4 of this act for any package or packaging component meeting any of the following criteria:

(1) Those packages or packaging components labeled with a code indicating a date of manufacture prior to January 1, 1993; except that the labeling requirement may be waived by the department in those instances where it is not feasible or practical to label individual packages or packaging components provided that suitable alternative evidence of date of manufacture is furnished to the department;

(2) Those packages or packaging components used to contain alcoholic beverages, including liquor, wine, vermouth and sparkling wine, bottled prior to January 1, 1993;

(3) Those packages or packaging components which are glass containers with ceramic labeling used to contain pharmaceutical preparations; except that the exemption provided in this paragraph shall expire on January 1, 1995;

(4) Those packages or packaging components which are glass containers with ceramic labeling used to contain cosmetics; except that the exemption provided in this paragraph shall expire on January 1, 1995;

(5) Those packages or packaging components to which lead, cadmium, mercury or hexavalent chromium have been added in the manufacturing, forming, printing or distribution process in order to comply with health or safety requirements of federal law, provided that the package manufacturers of such package or packaging component shall petition the department for an exemption and receive approval from the department based upon a satisfactory demonstration that the criterion is met; provided that an exemption under this paragraph shall be for a period of no more than two years, except that the package manufacturer may apply to the department for renewals of the exemption for periods of no more than two years;

(6) Those packages or packaging components to which lead, cadmium, mercury or hexavalent chromium have been added in the manufacturing,
forming, printing or distribution process for the use of which there is no feasible or practical alternative, provided that the package manufacturers of such package or packaging component shall petition the department for an exemption and receive approval from the department based upon a satisfactory demonstration that the criterion is met; provided that an exemption under this paragraph shall be for a period of no more than two years, except that the package manufacturer may apply to the department for renewals of the exemption for periods of no more than two years; (7) Those packages or packaging components that would not exceed the maximum contaminant levels set forth in subsection c. of section 4 of this act but for the addition of recycled materials; except that the exemption provided in this paragraph shall expire on January 1, 2000; (8) Those packages or packaging components composed of metal and commonly referred to as "tin cans" that are used to contain food or food products intended for human consumption and that may exceed the maximum contaminant levels set forth in subsection c. of section 4 of this act due to the incidental presence of lead as a naturally occurring chemical element in the metal that is unrelated to the manufacturing process; (9) Those packages or packaging components composed of metal and commonly referred to as "tin cans" that are used to contain paint, chemicals or other nonfood products, to which lead has been added in the manufacturing process for the purposes of forming, soldering or sealing the can, or that may exceed the maximum contaminant levels set forth in subsection c. of section 4 of this act due to the incidental presence of lead as a naturally occurring chemical element in the metal that is unrelated to the manufacturing process; (10) Those packages or packaging components that are reused, provided that the related product is regulated under federal or State health or safety requirements and that the transportation of the related product is regulated under federal or State transportation requirements, and the disposal of the related product is performed according to federal or State radioactive or hazardous waste disposal requirements; provided that an exemption under this paragraph shall expire on January 1, 2000; (11) Those packages or packaging components having a controlled distribution and reuse, provided that the manufacturers or distributors of such package or packaging component shall petition the department for an exemption and receive approval from the department, based on satisfactory demonstration that the environmental benefit of the controlled distribution and reuse is significantly greater as compared to the same package manufactured in compliance with the contaminant levels; provided that an exemption under this paragraph shall expire on January 1, 2000.

The manufacturer shall submit with the petition a plan that shall include:
(a) A means of identifying in a permanent and visible manner those reusable entities containing regulated metals for which an exemption is sought;

(b) A method of regulatory and financial accountability so that a specified percentage of the reusable entities manufactured and distributed to other persons are not discarded by those persons after use but are returned to the manufacturer or designee;

(c) A system of inventory and record maintenance to account for the reusable entities placed in, and removed from, service;

(d) A means of transforming returned entities, that are no longer reusable, into recycled materials for manufacturing or into manufacturing waste that are subject to existing federal or State laws or regulations governing manufacturing waste to ensure that these wastes do not enter the commercial or municipal waste stream; and

(e) A system of annually reporting to the commissioner changes to the system and changes in designees; or

(12) Those packages or packaging components that are glass or ceramic that have a vitrified decoration and when tested in accordance with the toxicity characteristic leaching procedure (TCLP) of the United States Environmental Protection Agency Test Method SW-846 does not exceed 1.0 ppm for cadmium and 5.0 ppm for lead; provided that an exemption under this paragraph shall expire on January 1, 2000.

The exemptions provided in paragraphs (8) and (9) shall expire on January 1, 1997, except that any exemption provided in paragraph (8) or (9) may be renewed by the department after this date for periods not to exceed two years. Any renewal granted by the department for the exemption provided in paragraph (8) or (9) shall be based on evidence furnished to the department that there is no feasible method to reduce the concentration levels of lead for the specified package or packaging component.

For the purposes of this subsection, a use for which there is "no feasible or practical alternative or substitute" means one in which the use of lead, cadmium, mercury or hexavalent chromium is essential to the protection, safe handling, or function of the contents of the package.

b. Any package manufacturer, product manufacturer or distributor claiming an exemption pursuant to subsection a. of this section shall maintain on file a written declaration of exemption for each specified package or packaging component for which an exemption is claimed. Copies of each declaration of exemption shall be furnished to the department upon its request and to members of the public in accordance with the provisions of section 14 of this act.

c. Any product contained in a package or packaging component for which an exemption is claimed may be sold by a retailer provided that the
declaration of exemption claimed is valid and in accordance with the criteria provided in subsection a. of this section, as may be verified by the department pursuant to section 9 of this act.

b. The report may contain recommendations to include additional toxic substances contained in packages or packaging components on the list set forth in section 4 of this act in order to further reduce the toxicity of packaging waste.

Any recommendation to include an additional toxic substance on the list set forth in section 4 of this act shall include:

(1) a determination as to whether the continued use of the proposed substance presents or will present an unreasonable risk to health or the environment, which determination shall utilize a nationally recognized risk assessment protocol taking into account the magnitude and severity of the environmental harm against the benefits of the substance to product manufacturers and the general public;

(2) a determination as to the availability of a substitute element to be used in lieu of the proposed substance; and

(3) a description of other adverse effects which the addition of the proposed substance to the list set forth in section 4 of this act may have on product manufacturers or the general public.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1967, c.265 (C.46:8-19) is amended to read as follows:
C.46:8-19 Security deposits; investment, deposit, disposition.

1. Whenever money or other form of security shall be deposited or advanced on a contract, lease or license agreement for the use or rental of real property as security for performance of the contract, lease or agreement or to be applied to payments upon such contract, lease or agreement when due, such money or other form of security, until repaid or so applied including the tenant's portion of the interest or earnings accumulated thereon as hereinafter provided, shall continue to be the property of the person making such deposit or advance and shall be held in trust by the person with whom such deposit or advance shall be made for the use in accordance with the terms of the contract, lease or agreement and shall not be mingled with the personal property or become an asset of the person receiving the same.

The person receiving money so deposited or advanced shall:

a. (1) Invest that money in shares of an insured money market fund established by an investment company based in this State and registered under the "Investment Company Act of 1940," 54 Stat. 789 (15 U.S.C. s.80a-1 et seq.) whose shares are registered under the "Securities Act of 1933," 48 Stat. 74 (15 U.S.C. s.77a. et seq.) and the only investments of which fund are instruments maturing in one year or less, or (2) deposit that money in a State or federally chartered bank, savings bank or savings and loan association in this State insured by an agency of the federal government in an account bearing a variable rate of interest, which shall be established at least quarterly, which is similar to the average rate of interest on active interest-bearing money market transaction accounts paid by the bank or association under 12 C.F.R. Part 1204.108, or equal to similar accounts of an investment company described in paragraph (1) of this subsection, less an amount not to exceed 1% per annum of the amount so invested or deposited for the costs of servicing and processing the account.

This subsection shall not apply to persons receiving money for less than 10 rental units except where required by the Commissioner of Banking and Insurance by rule or regulation. The commissioner shall apply the provisions of this subsection to some or all persons receiving money for less than 10 rental units where the commissioner finds that it is practicable to deposit or invest the money received with an investment company or State or federally chartered bank, savings bank or savings and loan association in accordance with this subsection. Except as expressly provided herein, nothing in this subsection shall affect or modify the rights or obligations of persons receiving money for rental premises or units, tenants, licensees or contractees under any other law.

b. Persons not required to invest or deposit money in accordance with subsection a. of this section shall deposit such money in a State or federally...
chartered bank, savings bank or savings and loan association in this State insured by an agency of the federal government in an account bearing interest at the rate currently paid by such institutions and associations on time or savings deposits.

The person investing the security deposit pursuant to subsection a. or b. of this section shall thereupon notify in writing each of the persons making such security deposit or advance, giving the name and address of the investment company, State or federally chartered bank, savings bank or savings and loan association in which the deposit or investment of security money is made, and the amount of such deposit or investment.

All of the money so deposited or advanced may be deposited or invested by the person receiving the same in one interest-bearing or dividend yielding account as long as he complies with all the other requirements of this act.

The person receiving money so deposited or so advanced shall be entitled to receive as administrative expenses, a sum equivalent to 1% per annum thereon or 12.5% of the aggregate interest yield on the security deposit, whichever is greater, less the amount of any service fee charged by an investment company, a State or federally chartered bank, savings bank or savings and loan association for money deposited pursuant to this section, which shall be in lieu of all other administrative and custodial expenses. The balance of the interest or earnings paid thereon by the investment company, State or federally chartered bank, savings bank or savings and loan association, hereinafter referred to as tenant's portion, shall belong to the person making the deposit or advance and shall be permitted to compound to the benefit of the tenant, or be paid to the tenant in cash, or be credited toward the payment of rent due on the renewal or anniversary of said tenant's lease.

In the event the person receiving a security deposit fails to invest or deposit the security money in the manner required under this section or notify the tenant of the name and address of the investment company, State or federally chartered bank, savings bank or savings and loan association in which the deposit or investment of such security is made, and the amount thereof, within 30 days after receipt of same from the tenant, or within 30 days after the effective date of this 1990 amendatory act, whichever occurs later, the tenant may give written notice to the person receiving the same that such security money be applied on account of rent payment or payments due or to become due from the tenant, and thereafter the tenant shall be without obligation to make any further security deposit and the person receiving the money so deposited shall not be entitled to make further demand for a security deposit.

The provisions of this section requiring that the security advanced be deposited or invested in a money market fund, or in an interest bearing
account in a State or federally chartered bank, savings bank or savings and loan association shall not apply to any security advanced on a contract, lease or license agreement for the seasonal use or rental of real property. For purposes of this paragraph "seasonal use or rental" means use or rental for a term of not more than 125 consecutive days for residential purposes by a person having a permanent place of residence elsewhere. "Seasonal use or rental" does not mean use or rental of living quarters for seasonal, temporary or migrant farm workers in connection with any work or place where work is being performed. 1. R.S.39:3-20 is amended to read as follows:

Commercial motor vehicle registrations; fees.

39:3-20. For the purpose of this section, gross weight means the weight of the vehicle or combination of vehicles, including load or contents.

a. The director is authorized to issue registrations for commercial motor vehicles other than omnibuses or motor-drawn vehicles upon application therefor and payment of a fee based on the gross weight of the vehicle, including the gross weight of all vehicles in any combination of vehicles of which the commercial motor vehicle is the drawing vehicle. The gross weight of a disabled commercial vehicle or combination of disabled commercial vehicles being removed from a highway shall not be included in the calculation of the registration fee for the drawing vehicle.

Except as otherwise provided in this subsection, every registration for a commercial motor vehicle other than an omnibus or motor-drawn vehicle shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued; provided, however, that the director may require registrations which shall expire, and issue certificates thereof which shall become void, on a date fixed by the director, which shall not be sooner than three months or later than 26 months after the date of issuance of such certificates, and the fees for such registrations or registration applications, including any other fees or charges collected in connection with the registration fee, shall be fixed by the director in amounts proportionately less or greater than the fees established by law. The director may fix the expiration date for registration certificates at a date other than 11 months if the director determines that such change is necessary, appropriate or convenient in order to aid in implementing the vehicle inspection requirements of chapter 8 of Title 39 or for other good cause. The minimum registration fee shall be as follows:
For vehicles not in excess of 5,000 pounds, $53.50.

Except as otherwise provided in this subsection, every registration for these commercial motor vehicles shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued; provided, however, that the director may require registrations which shall expire, and issue certificates thereof which shall become void on a date fixed by the director, which shall not be sooner than three months or later than 26 months after the date of issuance of such certificates, and the fees for such registrations or registration applications, including any other fees or charges collected in connection with the registration fee, shall be fixed by the director in amounts proportionately less or greater than the fees established by law. Such commercial motor vehicle shall be operated in compliance with the speed limitations of Title 39 of the Revised Statutes and shall not be operated at a speed greater than 45 miles per hour when one or more of its axles has a load which exceeds the limitations prescribed in R.S.39:3-84.

Except as otherwise provided in this subsection, every registration for a solid waste vehicle shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued.

The registration fee shall be $50 plus $11.50 for each 1,000 pounds or portion thereof in excess of 5,000 pounds.

d. The director is also authorized to issue registrations for commercial motor-drawn vehicles upon application therefor. The registration year for commercial motor-drawn vehicles shall be April 1 to the following March 31 and the fee therefor shall be $18 for each such vehicle.

At the discretion of the director, an applicant for registration for a commercial motor-drawn vehicle may be provided the option of registering such vehicle for a period of four years. In the event that the applicant for registration exercises the four-year option, a fee of $64 for each such vehicle shall be paid to the director in advance.

If any commercial motor-drawn vehicle registered for a four-year period is sold or withdrawn from use on the highways, the director may, upon surrender of the vehicle registration and plate, refund $16 for each full year of unused prepaid registration.

e. It shall be unlawful for any vehicle or combination of vehicles registered under this act, having a gross weight, including load or contents, in excess of the gross weight provided on the registration certificate to be operated on the highways of this State.

The owner, lessee, bailee or any one of the aforesaid of a vehicle or combination of vehicles, including load or contents, found or operated on any public road, street or highway or on any public or quasi-public property in this State with a gross weight of that vehicle or combination of vehicles, including load or contents, in excess of the weight limitation permitted by the certificate of registration for the vehicle or combination of vehicles, pursuant to the provisions of this section, shall be assessed a penalty of $500 plus an amount equal to $100 for each 1,000 pounds or fractional portion of 1,000 pounds of weight in excess of the weight limitation permitted by the certificate of registration for that vehicle or combination of vehicles. purposes of the enforcement of this act, in addition to any other violation of this Title, but is not deemed to be lawfully or validly registered pursuant to the provisions of this Title.

This section shall not be construed to supersede or repeal the provisions of section 39:3-84, 39:4-75, or 39:4-76 of this Title.

C.17:44B-7 Location of principal office; reports.

7. a. The principal office of any domestic society shall be located in this State. The meetings of its supreme governing body may be held in any state, district, province or territory wherein such society has at least one subordinate lodge, or in such other location as determined by the supreme governing body, and all business transacted at those meetings shall be as valid in all respects as if those meetings were held in this State. The minutes of the proceedings of the assembly or board of directors shall be in the English language.

b. (1) A society may provide in its laws for an official publication in which any notice, report or statement required by law to be given to members, including notice of election, may be published. These required reports, notices and statements shall be printed conspicuously in the publication. If the records of a society show that two or more members have the same mailing address, an official publication mailed to one member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

(2) Not later than June 1 of each year, a synopsis of the society's annual statement providing an explanation of the facts concerning the condition of the society disclosed in the statement shall be printed and mailed to each benefit member of the society or, in lieu thereof, the synopsis may be published in the society's official publication.

c. A society may provide in its laws or rules for grievance or complaint procedures for members.

C.17:44B-8 Immunity of officers, members from personal liability.

8. a. The officers and members of the supreme governing body or any subordinate body of a society shall not be personally liable for any benefits provided by a society.

b. Any person may be indemnified and reimbursed by any society for expenses reasonably incurred by, and liabilities imposed upon, that person in connection with or arising out of any action, suit or proceeding, whether civil, criminal, administrative or investigative, or threat thereof, in which the person may be involved by reason of the fact that he is or was a commissioner, officer, employee or agent of the society or of any firm, corporation or organization which he served in any capacity at the request of the society. A person shall not be indemnified or reimbursed: (1) in relation to any matter in an action, suit or proceeding which he is finally adjudged to be or have been guilty of breach of a duty as a director, officer, employee or agent of the society or (2) in relation to any matter in an action, suit or proceeding, or threat thereof, which results in a compromise settlement; unless in either case the person acted in good faith for a purpose
the person reasonably believed to be in or not opposed to the best interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that his conduct was unlawful. The determination whether the conduct of that person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in paragraph (1) or (2) of this subsection may only be made by the assembly or board of directors by a majority vote of a quorum consisting of persons who were not parties to that action, suit or proceeding or by a court of competent jurisdiction. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to that person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The right of indemnification and reimbursement shall not be exclusive of other rights to which that person may be entitled as a matter of law and shall inure to the benefit of his heirs, executors and administrators.

c. A society shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the society, or who is or was serving at the request of the society as a director, officer, employee or agent of any other firm, corporation or organization against any liability asserted against that person and incurred by him in that capacity or arising out of his status in that capacity whether or not the society would have the power to indemnify the person against that liability under this section.

d. No director, officer, employee, member or volunteer of a society serving without compensation, shall be liable, and no cause of action may be brought, for damages resulting from the exercise of judgment or discretion in connection with the duties or responsibilities of that person for the society unless the act or omission involved willful or wanton misconduct.

C.17:44B-9 Waiver of society’s laws by subordinates prohibited.

9. The laws of the society may provide that no subordinate body, nor any of its subordinate officers or members, shall have the power or authority to waive any of the provisions of the laws of the society. This provision shall be binding on the society and every member and beneficiary of a member.

C.17:44B-10 Formation of domestic society.

10. A domestic society organized on or after the effective date of this act shall be formed as follows:

a. Seven or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society, may make, sign and acknowledge, before some officer competent to take acknowledgment of deeds, articles of incorporation, in which shall be stated:
(1) the proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;

(2) the purposes for which it is being formed and the mode in which its corporate powers are to be exercised. Those purposes shall not include more liberal powers than are granted by this act;

(3) the names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors and other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all the officers are elected by the supreme governing body, which election shall be held not later than one year from the date of issuance of the permanent certificate of authority.

b. The articles of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within one year shall be filed with the commissioner, who may require further information that he deems necessary. The bond with sureties approved by the commissioner shall be in an amount, not less than $300,000, as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this act and all provisions of the law have been complied with, the commissioner shall certify, retain and file the articles of incorporation and furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members pursuant to this act.

c. No preliminary certificate of authority granted under the provisions of this section shall be valid after one year from its date or after a further period, not exceeding one year, authorized by the commissioner upon cause shown, unless the 500 applicants required pursuant to paragraph (4) of subsection d. of this section have been secured and the organization has been completed pursuant to this section. The articles of incorporation and all other proceedings thereunder shall become null and void in one year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society has completed its organization and received a certificate of authority to do business pursuant to this section.

d. Upon receipt of a preliminary certificate of authority from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the amount of premium collected. No society shall incur any liability other than for the return of an advance

premium, nor issue any certificate, nor pay, allow, or offer or promise to pay
or allow, any benefit to any person until:

1. actual bona fide applications for benefits have been secured on 500
applicants and any necessary evidence of insurability has been furnished to
and approved by the society;

2. at least 10 subordinate lodges have been established into which the
500 applicants have been admitted;

3. there has been submitted to the commissioner, under oath of the
president or secretary, or corresponding officer of the society, a list of
applicants, giving their names, addresses, date each was admitted, name and
number of the subordinate lodge of which each applicant is a member,
amount of benefits to be granted and premiums therefor; and

4. it shall have been shown to the commissioner, by sworn statement
of the treasurer, or corresponding officer of the society, that 500 applicants
have each paid in cash at least one regular monthly premium, which
premiums in the aggregate shall amount to at least $150,000 for each kind
of business specified in N.J.S. 17B:17-3, N.J.S. 17B:17-4 or N.J.S. 17B:17-
that the society is authorized to transact. The advance premiums shall be
held in trust during the period of organization and if the society does not
qualify for a certificate of authority within one year, the premiums shall be
returned to the applicants.

e. The commissioner may examine, and require further information of,
a society as the commissioner deems advisable. Upon presentation of
satisfactory evidence that the society has complied with all the provisions
of law, the commissioner shall issue to the society a certificate of authority
to that effect and the society is authorized to transact business pursuant to
the provisions of this act. The certificate of authority shall be prima facie
evidence of the existence of the society at the date of the certificate. The
commissioner shall cause a record of the certificate of authority to be made.
A certified copy of that record may be given in evidence with like effect as
the original certificate of authority.

f. Any incorporated society authorized to transact business in this
State at the time this act becomes effective shall not be required to
reincorporate.

g. No unincorporated or voluntary association shall be permitted to
transact business in this State as a society.

by the vote of the voting members of the society, by the vote of delegates or representatives of voting members or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within six months from the date of its submission, 2/3 of the members voting shall have signified their consent to an amendment by one of the methods specified in this section.

b. No amendment to the laws of any domestic society shall take effect unless approved by the commissioner who shall approve the amendment if the commissioner finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this State or with the character, objects and purposes of the society. If the commissioner does not disapprove an amendment within 60 days after filing it, the amendment shall be considered approved. The approval or disapproval of the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. If the commissioner disapproves an amendment, the reasons for the disapproval shall be stated in the written notice.

c. Within 90 days after the approval of an amendment by the commissioner, the amendment, or a synopsis thereof, shall be furnished to all members of the society either by mail or publication in full in the official publication of the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendment or synopsis of the amendment, stating facts which show that the amendment has been duly addressed and mailed, shall be prima facie evidence that the amendment or synopsis thereof, has been furnished the addressee.

d. Every foreign or alien society authorized to do business in this State shall file with the commissioner a duly certified copy of all amendments of, or additions to, its laws within 90 days after the enactment of same.

e. Printed copies of the laws as amended, certified by the secretary or corresponding officer of the society, shall be prima facie evidence of the legal adoption thereof.

C.17:44B-12 Establishment of not-for-profit institutions.

12. a. A society may create, maintain and operate, or may establish organizations to operate, not-for-profit institutions to further the purposes permitted by paragraph (2) of subsection a. of section 5 of this act. These institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held or leased by the society for this purpose shall be reported in every annual statement but may not be allowed as an admitted asset of the society.

b. No society shall own or operate funeral homes or undertaking establishments.
C.17:44B-13 Reinsurance agreement to cede risks.

13. a. A domestic society may, by a reinsurance agreement, cede any individual risk or risks in whole or in part to an insurer, other than another fraternal benefit society, having the power to reinsure and authorized to do business in this State, or if not so authorized, an insurer which is approved by the commissioner, but no domestic society may reinsure substantially all of its insurance in force without the written permission of the commissioner. Credit for reinsurance shall be allowed a domestic ceding society as either an asset or a reduction from liability in accordance with P.L.1993, c.243 (C.17:51B-1 et seq.). A domestic society shall also comply with all requirements of law generally applicable to reinsurance ceded or assumed by life and health insurers of this State.

b. Notwithstanding the limitation of subsection a. of this section, a society may reinsure the risks of another society in a consolidation or merger approved by the commissioner under section 14 of this act.

C.17:44B-14 Consolidation, merger.

14. a. A domestic society may consolidate or merge with any other society by complying with the provisions of this section. It shall file with the commissioner:

(1) a certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(2) a sworn statement by the president and secretary, or corresponding officers of each society, showing the financial condition of the domestic society on a date fixed by the commissioner but not earlier than December 31, next preceding the date of the contract;

(3) a certificate of the officers of the societies, duly verified by their respective oaths, that the consolidation or merger has been approved by a 2/3 vote of the supreme governing body of each society, the vote being conducted at a regular or special meeting of each supreme governing body, or, if the society's laws so permit, by mail; and

(4) evidence that at least 60 days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

b. If the commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, the commissioner shall approve the contract and issue a certificate to that effect. Upon approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In that event the consolidation or merger
shall not become effective unless and until it has been approved as provided by the laws of that other state or territory and a certificate of approval from that other state is filed with the commissioner of this State or, if the laws of that other state or territory contain no like provision, then the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of that other state or territory and a certificate of approval from the commissioner of that other state is filed with the commissioner of this State.

c. Upon the consolidation or merger becoming effective, all the rights, franchises and interests of the consolidated or merged societies in and to every species of property, real, personal or mixed, and things in action thereunto belonging shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds, and the title to any real estate or interest therein, vested under the laws of this State in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after the consolidation or merger.

d. The affidavit of any officer of the society or anyone authorized by it to mail any notice or document stating that the notice or document has been duly addressed and mailed, shall be prima facie evidence that the notice or document has been furnished the addressees.

15. a. A domestic fraternal benefit society which is organized pursuant to the provisions of this act may convert to a domestic mutual insurer by complying with the provisions of this section.

b. A written plan of conversion setting forth in full the terms and conditions of conversion shall be prepared by the assembly or board of directors of the society. The plan shall include:

(1) the purpose of the conversion;
(2) the effect of conversion on existing benefit contracts issued by the society;
(3) a business plan;
(4) a provision that each holder of a benefit contract of the society shall receive any rights with respect to the domestic mutual insurer as may be prescribed by the commissioner, provided that those rights shall not exceed the rights provided to policyholders of other domestic mutual insurers authorized to transact the kind or kinds of business specified in N.J.S.17B:17-3, N.J.S.17B:17-4 and N.J.S.17B:17-5; and
(5) a provision that each member of the society shall be notified of the conversion, which notification process shall be approved by the commissioner.

c. The written plan of conversion provided for in subsection b. of this section shall be approved by an affirmative vote of 2/3 of all members of the supreme governing body at a regular or special meeting and then filed with the commissioner.

d. The commissioner shall approve or disapprove the plan. The commissioner shall approve the plan unless he finds the plan:

(1) is contrary to law;
(2) would be detrimental to the safety or soundness of the proposed domestic mutual insurer;
(3) prejudices the interests of the holders of benefit contracts of the society or treats them inequitably.

The commissioner shall set forth his decision in writing and shall state the reasons therefor. A disapproval shall be subject to judicial review.

e. Upon approval of the plan by the commissioner and the issuance of a certificate of authority to transact the business of insurance as a domestic mutual insurer, the society shall be deemed to be a domestic mutual insurer subject to the provisions of Title 17B of the New Jersey Statutes, including surplus requirements, and all other applicable law.

f. On and after the date of issuance of the certificate of authority, the society shall be a domestic mutual insurer, vested with all the powers and privileges of a domestic mutual insurer, and subject to all provisions of law applicable to those insurers, including surplus requirements, in the same manner and with the same effect as if the converted society had originally been incorporated as a domestic mutual insurer on the date of issuance of the certificate of authority, and the members of the society shall become and be members of the domestic mutual insurer.

g. The conversion of a society into a domestic mutual insurer shall not affect the right of any creditor or member of the society, but all rights of all persons against the society before its conversion shall continue unaffected and shall be enforced against the domestic mutual insurer in the same manner they could have been enforced against the society had its conversion not taken place; except that all rights of assessment or reduction in benefits in lieu of assessment, prescribed in the certificate of incorporation or bylaws of the society, or provided in any certificate, policy or contract of the society, shall be canceled. As used in this section, "assessment" means the right to require the payment of a sum in addition to the weekly or other periodical dues, contributions, premiums and fees required under the terms of any certificate, policy or contract; and "domestic mutual insurer" shall only include a domestic mutual insurer authorized to transact the kind or

C.17:44B-16 Provision of contractual benefits.

16. a. A society may provide the following contractual benefits in any form, except in the form of group insurance:

   (4) temporary or permanent disability benefits;
   (5) hospital, medical or nursing benefits;
   (6) monument or tombstone benefits to the memory of deceased members; and
   (7) other benefits as authorized for life and health insurers and which are not inconsistent with this act.

   b. A society shall specify in its rules those persons who may be issued, or covered by, the contractual benefits in subsection a. of this section, consistent with providing benefits to members and their dependents. A society may provide benefits on the lives of minors under the minimum age for adult membership upon application of an adult person.

C.17:44B-17 Right to change beneficiary.

17. a. The owner of a benefit contract shall have the right at all times to change the beneficiary or beneficiaries in accordance with the laws or rules of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or rules, limit the scope of beneficiary designations and shall provide that no revocable beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the benefit contract.

   b. A society may make provision for the payment of funeral benefits to the extent of that portion of any payment under a certificate as reasonably appears to be due to any person equitably entitled thereto by reason of having incurred expense occasioned by the burial of the member, provided the amount paid shall not exceed the sum of $5,000.

   c. If, at the death of any person insured under a benefit contract, there is no lawful beneficiary to whom the proceeds shall be payable, the amount of the benefit, except to the extent that funeral benefits may be paid as provided in subsection b. of this section, shall be payable to the estate of the deceased insured, provided that if the owner of the certificate is other than the insured, the proceeds shall be payable to the owner.
C.17:44B-18 Issuance of certificate specifying amount of benefits.

18. a. Every society authorized to do business in this State shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided by the contract. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each document shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall state this requirement. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of the provisions of the subsection shall be void.

b. Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though the changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

c. Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.

d. A society shall provide in its laws that if its reserves as to all or any class of certificates become impaired its board of directors or assembly may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of the deficiency ascertained by its board or assembly, and that if the payment is not made either: (1) it shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates; or (2) in lieu of or in combination with paragraph (1), the owner may accept a proportionate reduction in benefits under benefits under the certificate. The society may specify the manner of the election and which alternative is to be presumed if no election is made.

e. Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions of the contract.

f. No certificate shall be delivered or issued for delivery in this State unless a copy of the form has been filed with the commissioner for approval in the manner provided for like policies issued by life and health insurers in
this State. Every life, accident, health, or disability insurance certificate and every annuity certificate issued on or after one year from the effective date of this act shall meet the standard contract provision requirements, not inconsistent with this act, for like policies issued by life and health insurers in this State. Any non-complying certificate shall be deemed withdrawn one year from the effective date of this act, except that the commissioner may, for good cause shown, allow the continued use of a non-conforming certificate for an additional period not to exceed one year. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any section of the society's laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.

g. Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control of ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government and control of those certificates and all rights, obligations and liabilities incident thereto and connected therewith. Ownership rights prior to the transfer shall be specified in the certificate.

h. A society may specify the terms and conditions on which benefit contracts may be assigned.

C.17:44B-19 Certificates issued in 1998, compliance with prior law; after 1998 requirements.

19. a For certificates issued prior to one year after the effective date of this act, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall comply with the provisions of law applicable immediately prior to the effective date of this act.

b. For certificates issued on or after one year after the effective date of this act, every paid-up nonforfeiture benefits and the amount of any cash surrender value, loan or other option granted shall not be less than the corresponding amount based on the interest rate and mortality tables authorized by the laws of this State for the calculation of those benefits by life and health insurers issuing policies containing like benefits.

d. Separate accounts of foreign or alien societies are subject to approval by the department, unless the society's place of domicile has adopted a substantially similar act.

C.17:44B-22 Societies governed by act.

22. Except as otherwise provided in this act, societies shall be governed by this act and shall be exempt from all other provisions of the insurance laws of this State, not only in governmental relations with the State, but for every other purpose. (5) Petition the Attorney General to bring a criminal action in accordance with subsection g. of this section.

c. Whenever the commissioner finds that a person has violated any provision of P.L.1970, c.39, or any rule or regulation adopted, permit issued, or district solid waste management plan adopted pursuant to P.L.1970, c.39, he may issue an order specifying the provision or provisions of P.L.1970, c.39, or the rule, regulation, permit or district solid waste management plan of which the person is in violation, citing the action which constituted the violation, ordering abatement of the violation, and giving notice to the person of his right to a hearing on the matters contained in the order. The ordered party shall have 20 calendar days from receipt of the order within which to deliver to the commissioner a written request for a hearing. Such
order shall be effective upon receipt and any person to whom such order is
directed shall comply with the order immediately. A request for hearing
shall not automatically stay the effect of the order.

d. The commissioner, a local board of health or county health
department may institute an action or proceeding in the Superior Court for
injunctive and other relief, including the appointment of a receiver for any
violation of this act, or of any code, rule or regulation adopted, permit
issued, district solid waste management plan adopted or order issued
pursuant to this act and said court may proceed in the action in a summary
manner. In any such proceeding the court may grant temporary or
interlocutory relief, notwithstanding the provisions of R.S.48:2-24.

Such relief may include, singly or in combination:

(1) A temporary or permanent injunction;

(2) Assessment of the violator for the costs of any investigation,
inspection, or monitoring survey which led to the establishment of the
violation, and for the reasonable costs of preparing and litigating the case
under this subsection;

(3) Assessment of the violator for any cost incurred by the State in
removing, correcting or terminating the adverse effects upon water and air
quality resulting from any violation of any provision of this act or any rule,
regulation or condition of approval for which the action under this
subsection may have been brought;

(4) Assessment against the violator of compensatory damages for any
loss or destruction of wildlife, fish or aquatic life, and for any other actual
damages caused by any violation of this act or any rule, regulation or
condition of approval established pursuant to this act for which the action
under this subsection may have been brought. Assessments under this
subsection shall be paid to the State Treasurer, or to the local board of
health, or to the county health department, as the case may be, except that
compensatory damages may be paid by specific order of the court to any
persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health
department, notice thereof shall be served upon the commissioner in the
same manner as if the commissioner were a named party to the action or
proceeding. The department may intervene as a matter of right in any
proceeding brought by a local board of health or county health department.

e. The commissioner is authorized to assess a civil administrative
penalty of not more than $50,000.00 for each violation provided that each
day during which the violation continues shall constitute an additional,
separate and distinct offense. The commission shall not assess a civil
administrative penalty in excess of $25,000.00 for a single violation, or in
excess of $2,500.00 for each day during which a violation continues, until
the department has adopted, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), regulations requiring the commissioner, in assessing a civil administrative penalty, to consider the operational history of the solid waste facility at which the violation occurred, the severity of the violation, the measures taken to mitigate or prevent further violations, and whether the penalty will maintain an appropriate deterrent. No assessment shall be levied pursuant to this section until after the violator has been notified by certified mail or personal service. The notice shall include a reference to the section of the statute, rule, regulation, order, permit condition or district solid waste management plan violated, a concise statement of the facts alleged to constitute a violation, a statement of the amount of the civil administrative penalties to be imposed, and a statement of the party's right to a hearing. The ordered party shall have 20 calendar days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in P.L.1970, c.39, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. The department may compromise any civil administrative penalty assessed under this section in an amount the department determines appropriate.

f. Any person who violates the provisions of P.L.1970, c.39, or any code, rule or regulation adopted pursuant thereto shall be liable to a penalty of not more than $50,000.00 per day, to be collected in a civil action commenced by a local board of health, a county health department, or the commissioner.

Any person who violates an administrative order issued pursuant to subsection c. of this section, or a court order issued pursuant to subsection d. of this section, or who fails to pay an administrative assessment in full pursuant to subsection e. of this section is subject upon order of a court to a civil penalty not to exceed $100,000.00 per day of such violations.

Of the penalty imposed pursuant to this subsection, 10% or $250.00, whichever is greater, shall be paid to the department from the General Fund if the Attorney General determines that a person is entitled to a reward pursuant to section 2 of P.L.1987, c.158 (C.13:1E-9.2).

Any penalty imposed pursuant to this subsection may be collected with costs in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). The Superior Court and the municipal court shall
have jurisdiction to enforce the provisions of "the penalty enforcement law" in connection with this act.

g. Any person who knowingly:
   (1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;
   (2) Generates and causes or permits to be transported any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;
   (3) Disposes, treats, stores or transports hazardous waste without authorization from the department;
   (4) Makes any false or misleading statement to any person who prepares any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department; or
   (5) Makes any false or misleading statement on any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department shall, upon conviction, be guilty of a crime of the third degree and, notwithstanding the provisions of N.J.S.2C:43-3, shall be subject to a fine of not more than $50,000.00 for the first offense and not more than $100,000.00 for the second and each subsequent offense and restitution, in addition to any other appropriate disposition authorized by subsection b. of N.J.S.2C:43-2.

h. Any person who recklessly:
   (1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;
   (2) Generates and causes or permits to be transported any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;
   (3) Disposes, treats, stores or transports hazardous waste without authorization from the department;
   (4) Makes any false or misleading statement to any person who prepares any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department; or
   (5) Makes any false or misleading statement on any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department shall, upon conviction, be guilty of a crime of the fourth degree.

i. Any person who, regardless of intent, generates and causes or permits any hazardous waste to be transported, transports, or receives transported hazardous waste without completing and submitting to the department a hazardous waste manifest in accordance with the provisions
of this act or any rule or regulation adopted pursuant thereto shall, upon conviction, be guilty of a crime of the fourth degree.

j. All conveyances used or intended for use in the willful discharge, in violation of the provisions of P.L.1970, c.39 (C.13:1E-1 et seq.), of any solid waste, or hazardous waste as defined in P.L.1976, c.99 (C.13:1E-38 et seq.) are subject to forfeiture to the State pursuant to the provisions of P.L.1981, c.387 (C.13:1K-1 et seq.).

k. (Deleted by amendment, P.L.1997, c.325.)

l. Pursuit of any remedy specified in this section shall not preclude the pursuit of any other remedy provided by any other law. Administrative and judicial remedies provided in this section may be pursued simultaneously.

4. Section 20 of P.L.1989, c.34 (C.13:1E-48.20) is amended to read as follows:

20. a. This act, and any rule or regulation adopted pursuant thereto, shall be enforced by the departments and by every local board of health, or county health department, as the case may be.

The departments and the local board of health, or the county health department, as the case may be, shall have the right to enter the premises of a generator, transporter, or facility at any time in order to determine compliance with this act.

The municipal attorney or an attorney retained by a municipality in which a violation of this act is alleged to have occurred shall act as counsel to a local board of health.

The county counsel or an attorney retained by a county in which a violation of this act is alleged to have occurred shall act as counsel to the county health department.

All enforcement activities undertaken by county health departments pursuant to this subsection shall conform to all applicable performance and administrative standards adopted pursuant to section 10 of the "County Environmental Health Act," P.L.1977, c.443 (C.26:3A2-28).

b. Whenever the Commissioner of Environmental Protection or the Commissioner of Health and Senior Services finds that a person has violated this act, or any rule or regulation adopted pursuant thereto, that commissioner shall:

(1) issue an order requiring the person found to be in violation to comply in accordance with subsection c. of this section;

(2) bring a civil action in accordance with subsection d. of this section;

(3) levy a civil administrative penalty in accordance with subsection e. of this section;
(4) bring an action for a civil penalty in accordance with subsection f. of this section; or

(5) petition the Attorney General to bring a criminal action in accordance with subsections g. through l. of this section.

Pursuit of any of the remedies specified under this section shall not preclude the seeking of any other remedy specified.

c. Whenever the Commissioner of Environmental Protection or the Commissioner of Health and Senior Services finds that a person has violated this act, or any rule or regulation adopted pursuant thereto, that commissioner may issue an order specifying the provision or provisions of this act, or the rule or regulation adopted pursuant thereto, of which the person is in violation, citing the action that constituted the violation, ordering abatement of the violation, and giving notice to the person of the person’s right to a hearing on the matters contained in the order. The ordered party shall have 20 days from receipt of the order within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order. If no hearing is requested, the order shall become final after the expiration of the 20-day period. A request for hearing shall not automatically stay the effect of the order.

d. The Commissioner of Environmental Protection, the Commissioner of Health and Senior Services, a local board of health, or a county health department may institute an action or proceeding in the Superior Court for injunctive and other relief, including the appointment of a receiver for any violation of this act, or of any rule or regulation adopted pursuant thereto, and the court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief.

Such relief may include, singly or in combination:

(1) a temporary or permanent injunction;

(2) assessment of the violator for the costs of any investigation, inspection, or monitoring survey that led to the establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection;

(3) assessment of the violator for any cost incurred by the State in removing, correcting, or terminating the adverse effects upon environmental quality or public health resulting from any violation of this act, or any rule or regulation adopted pursuant thereto, for which the action under this subsection may have been brought;

(4) assessment against the violator of compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by any violation of this act, or any rule or regulation
adopted pursuant thereto, for which the action under this subsection may have been brought.

Assessments under this subsection shall be paid to the State Treasurer, or to the local board of health, or to the county health department, as the case may be, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health department, notice thereof shall be served upon the commissioners in the same manner as if the commissioners were named parties to the action or proceeding. Either of the departments may intervene as a matter of right in any proceeding brought by a local board of health or county health department.

e. Either of the commissioners, as the case may be, may assess a civil administrative penalty of not more than $50,000 for each violation. Each day that a violation continues shall constitute an additional, separate, and distinct offense. A commissioner may not assess a civil administrative penalty in excess of $25,000 for a single violation, or in excess of $2,500 for each day during which a violation continues, until the departments have respectively adopted, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), regulations requiring the appropriate commissioner, in assessing a civil administrative penalty, to consider the operational history of the violator; the severity of the violation; the measures taken to mitigate or prevent further violations; and whether the penalty will maintain an appropriate deterrent. No assessment may be levied pursuant to this section until after the violator has been notified by certified mail or personal service. The notice shall include a reference to the section of the statute, rule, regulation, or order violated; a concise statement of the facts alleged to constitute a violation; a statement of the amount of the civil administrative penalties to be imposed; and a statement of the party's right to a hearing. The ordered party shall have 20 calendar days from receipt of the notice within which to deliver to the appropriate commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, that commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. AN ACT concerning distributing, dispensing, or possessing controlled dangerous substances or controlled substance analogs and supplementing chapter 35 of Title 2C of the New Jersey Statutes.
CHAPTER 327, LAWS OF 1997

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2C:35-7.1 Violations of N.J.S.2C:35-5, certain locations; degree of crime; terms defined.

1. a. Any person who violates subsection a. of N.J.S.2C:35-5 by distributing, dispensing or possessing with intent to distribute a controlled dangerous substance or controlled substance analog while in, on or within 500 feet of the real property comprising a public housing facility, a public park, or a public building is guilty of a crime of the second degree, except that it is a crime of the third degree if the violation involved less than one ounce of marijuana.

b. It shall be no defense to a prosecution for violation of this section that the actor was unaware that the prohibited conduct took place while on or within 500 feet of a public housing facility, a public park, or a public building.

c. Notwithstanding the provisions of N.J.S.2C:1-8 or any other provisions of law, a conviction arising under this section shall not merge with a conviction for a violation of subsection a. of N.J.S.2C:35-5 (manufacturing, distributing or dispensing) or N.J.S.2C:35-6 (employing a juvenile in a drug distribution scheme). Nothing in this section shall be construed to preclude or limit a prosecution or conviction for a violation of N.J.S.2C:35-7 or any other offense defined in this chapter.

d. It is an affirmative defense to prosecution for a violation of this section that the prohibited conduct did not involve distributing, dispensing or possessing with the intent to distribute or dispense any controlled dangerous substance or controlled substance analog for profit, and that the prohibited conduct did not involve distribution to a person 17 years of age or younger. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. Nothing herein shall be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

e. In a prosecution under this section, a map produced or reproduced by any municipal or county engineer for the purpose of depicting the location and boundaries of the area on or within 500 feet of a public housing facility which is owned by or leased to a housing authority according to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.), the area in or within 500 feet of a public park, or the area in or within 500 feet of a public building, or a true copy of such a map, shall, upon proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas, provided that the governing body of the municipality or county has adopted a resolution or ordinance approving the map as official finding and record of the location and boundaries of the area or areas on or within 500 feet of a public housing
facility, a public park, or a public building. Any map approved pursuant to this section may be changed from time to time by the governing body of the municipality or county. The original of every map approved or revised pursuant to this section, or a true copy thereof, shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. Nothing in this section shall be construed to preclude the prosecution from introducing or relying upon any other evidence or testimony to establish any element of this offense; nor shall this section be construed to preclude the use or admissibility of any map or diagram other than one which has been approved by the governing body of a municipality or county, provided that the map or diagram is otherwise admissible pursuant to the Rules of Evidence.

f. As used in this act:

"Public housing facility" means any dwelling, complex of dwellings, accommodation, building, structure or facility and real property of any nature appurtenant thereto and used in connection therewith, which is owned by or leased to a local housing authority in accordance with the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.) for the purpose of providing living accommodations to persons of low income.

The project has been successful in ensuring more timely and accurate collection of forensic evidence for use in prosecuting suspected rapists and in creating a compassionate way to treat sexual assault victims, and it is important to continue the program.
2. a. The Sexual Assault Nurse Examiner Model Project established pursuant to P.L. 1995, c. 187 is continued in accordance with the provisions of this act and shall be designated as the Sexual Assault Nurse Examiner Program in Monmouth county. The chief may contract with any agency, organization or other entity, as appropriate, to effectuate the purposes of this act, and that agency, organization or other entity shall seek, to the maximum extent practicable, to obtain funds from nongovernmental sources as a supplement to State funds appropriated to operate the program.

b. The program shall be designed to use forensic nurse sexual assault examiners, who shall be registered professional nurses or nurse practitioners/clinical nurse specialists licensed in this State and trained in forensic science, in accordance with regulations adopted by the New Jersey Board of Nursing with the approval of the Attorney General, to perform sexual assault examinations in an area of the hospital designated solely for sexual assault examinations. (4) Notwithstanding the provisions of this section to the contrary, from funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and any dependents covered under the program, but not including survivors, if the employee: (a) retired prior to the effective date of this act, P.L.1997, c.335 (C.52:14-17.32), under the State Police Retirement System, established pursuant to P.L.1965, c.89 (C.53:5A-1 et seq.), with more than 20 but less than 25 years of service credit in the retirement system; (b) was subsequently employed by the State in another position or positions not covered by the State Police Retirement System; (c) has, in the aggregate, at least 30 years of full-time employment with the State; and (d) is covered by the program at the time of terminating full-time employment with the State.

The person, either individually or through an attorney, may apply to the court for expungement of the record. A copy of the application for expungement shall be served on the prosecutor for the county in which the conviction was obtained not less than 20 days prior to the date of the hearing on the application. A certified copy of the order reversing and dismissing the conviction shall be attached to an order expunging the DNA record or profile insofar as its inclusion rests upon that conviction.

(2) Any juvenile adjudicated delinquent whose DNA record or profile has been included in the State DNA database and whose DNA sample is stored in the State DNA databank may apply for expungement on the grounds that the adjudication that resulted in the inclusion of the juvenile's DNA record or profile in the State database or the inclusion of the juvenile's DNA sample in the State databank has been reversed and the case dismissed. AN ACT creating the Rahway River Intergovernmental Cooperation Committee and supplementing Title 58 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known, and may be cited, as the "Rahway River Intergovernmental Cooperation Committee Act."
2. The Legislature finds and declares that the Rahway river is an important natural, recreational, and economic resource utilized and enjoyed by the citizens of the State; that the value of this resource is heavily dependent upon water quality, and poor water quality is a potential threat to the public health, safety, and welfare, and to the environment; that the river has suffered in the past, and continues to suffer, from abuse and neglect due to point and nonpoint source pollution discharges, stormwater runoff, illegal dumping of litter and other debris, and is subject to flooding conditions, creating a threat to people and property throughout the river system. The Legislature therefore determines that it is appropriate for the municipalities and counties within which the Rahway river is located to form an intergovernmental cooperative working group to (1) develop recommended regional planning strategies and other regional policies, procedures, and model ordinances and resolutions, which would be implemented by each member municipality and county on a voluntary basis, (2) where appropriate, coordinate efforts of member municipalities and counties to clean up the Rahway river system or any tributary or watershed land thereof and to alleviate flooding conditions in that river system, (3) recommend appropriate State legislation and administrative action, and (4) advocate, and where appropriate, act as a coordinating, distributing, or recipient agency for, federal and State funding of environmental protection projects in river municipalities and river counties, all for the purpose of achieving the State goal of fully restoring, promoting, preserving, and maintaining the environmental health and water quality of the Rahway river system.

   "River counties" means Union county, Middlesex county, and Essex county.

Any municipality in Union county, Middlesex county, or Essex county that is not a river municipality may, through its governing body, request membership, with full voting privileges, on the committee. Such membership shall be granted upon a majority vote of the voting membership of the committee.

b. Vacancies in the positions on the committee shall be filled in the same manner as the original appointments were made.

c. Members of the committee shall serve without compensation, but may, within the limits of funds appropriated or otherwise made available to the committee, be reimbursed for actual expenses necessarily incurred in the discharge of their official duties.

C.58:1A-22 Committee organization; quorum; meetings.

5. a. The committee shall organize as soon as may be practicable after the appointment of its members and shall select a chairperson and a vice-chairperson from among its members. The department shall provide technical and planning assistance to the committee.
b. A majority of the voting membership of the committee shall constitute a quorum for the transaction of committee business. Action may be taken and motions and resolutions adopted by the committee at any meeting thereof by the affirmative vote of a majority of the full voting membership of the committee.

C.58:1A-23 Committee duties.

6. In order to facilitate achievement of the State goal, as set forth in this act, to fully restore, promote, preserve, and maintain the environmental health and water quality of the Rahway river system, the committee shall:

9. a. The committee shall report its findings and conclusions, together with any recommendations for legislation or administrative action to abate environmental threats to the Rahway river system or to otherwise further the State goal to fully restore, promote, preserve, and maintain the environmental health and water quality of that river system, and to alleviate flooding conditions in that river system, to the Governor, the Legislature, and the commissioner within one year after the date of enactment of this act and periodically as necessary thereafter.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:35-3 is amended to read as follows:

Leader of narcotics trafficking network.

2C:35-3. Leader of Narcotics Trafficking Network.

As used in this section:

"Financier" means a person who, with the intent to derive a profit, provides money or credit or other thing of value in order to purchase a controlled dangerous substance or an immediate precursor, or otherwise to finance the operations of a drug trafficking network.

A person is a leader of a narcotics trafficking network if he conspires with two or more other persons in a scheme or course of conduct to unlawfully manufacture, distribute, dispense, bring into or transport in this State methamphetamine, lysergic acid diethylamide, phencyclidine or any controlled dangerous substance classified in Schedule I or II, or any...
controlled substance analog thereof as a financier, or as an organizer, supervisor or manager of at least one other person.

Leader of narcotics trafficking network is a crime of the first degree and upon conviction thereof, except as may be provided by N.J.S.2C:35-12, a person shall be sentenced to an ordinary term of life imprisonment during which the person must serve 25 years before being eligible for parole. Notwithstanding the provisions of subsection a. of N.J.S.2C:43-3, the court may also impose a fine not to exceed $750,000.00 or five times the street value of the controlled dangerous substance or controlled substance analog involved, whichever is greater.

Notwithstanding the provisions of N.J.S.2C:1-8, a conviction of leader of narcotics trafficking network shall not merge with the conviction for any offense which is the object of the conspiracy. Nothing contained in this section shall prohibit the court from imposing an extended term pursuant to N.J.S.2C:43-7; nor shall this section be construed in any way to preclude or limit the prosecution or conviction of any person for conspiracy under N.J.S.2C:5-2, or any prosecution or conviction under N.J.S.2C:35-4 (manufacturing or operating a CDS production facility), N.J.S.2C:35-5 (manufacturing, distributing or dispensing), N.J.S.2C:35-6 (employing a juvenile in a drug distribution scheme), N.J.S.2C:35-9 (strict liability for drug induced death), N.J.S.2C:41-2 (racketeering activities) or subsection g. of N.J.S.2C:5-2 (leader of organized crime).

It shall not be necessary in any prosecution under this section for the State to prove that any intended profit was actually realized. The trier of fact may infer that a particular scheme or course of conduct was undertaken for profit from all of the attendant circumstances, including but not limited to the number of persons involved in the scheme or course of conduct, the actor's net worth and his expenditures in relation to his legitimate sources of income, the amount or purity of the specified controlled dangerous substance or controlled substance analog involved, or the amount of cash or currency involved.

It shall not be a defense to a prosecution under this section that such controlled dangerous substance or controlled substance analog was brought into or transported in this State solely for ultimate distribution or dispensing in another jurisdiction; nor shall it be a defense that any profit was intended to be made in another jurisdiction.

It shall not be a defense that the defendant was subject to the supervision or management of another, nor that another person or persons were also leaders of the narcotics trafficking network.

2. This act shall take effect immediately.

The governing body of a municipality that elects to license rooming and boarding houses may adopt, by ordinance, such regulations as it deems appropriate and necessary to enforce the provisions of P.L.1993, c.290; except those regulations shall not be inconsistent with the rules and regulations promulgated by the commissioner pursuant to P.L.1979, c.496 (C.55:13B-1 et seq.) to which rooming and boarding houses shall remain subject. If the governing body elects to license such facilities, the governing body shall so notify the Commissioner of Community Affairs or his designee.

   2. Section 5 of P.L.1993, c.290 (C.40:52-13) is amended to read as follows:

   a. With respect to the premises for which a license is sought (1) that they are in compliance with all applicable building, housing, health and safety codes and regulations. An inspection performed by a municipal enforcement agent under a contractual agreement with the Department of Community Affairs pursuant to P.L.1979, c.496 (C.55:13B-1 et seq.) may be deemed by the licensing authority to satisfy the investigation requirements of this section; (2) that the location of the premises will not, in conjunction with the proximity of other rooming and boarding houses, lead to an excessive concentration of such facilities in the municipality or a particular section thereof;
b. With respect to the owner or owners of the premises: (1) if a natural person or persons, that he or they are 21 years of age or older, and never convicted, in this State or elsewhere, of a crime involving moral turpitude, or of any crime under any law of this State licensing or regulating a rooming or boarding house, and have never had a license required pursuant to P.L.1979, c.496 (C.55:13B-1 et seq.) revoked; (2) if a corporation, that all officers and members of the board of directors, and every stockholder holding 10% or more of the stock of the corporation, directly or indirectly having a beneficial interest therein, have the same qualifications as set forth in this subsection for an applicant who is a natural person;

c. With respect to the operator or proposed operator, that he meets the requirements for licensure by the Department of Community Affairs;

d. That the owner and operator, either individually or jointly, have established sufficient guarantee of financial and other responsibility to assure appropriate relocation of the residents of the rooming or boarding house to suitable facilities in the event that the license is subsequently revoked or its renewal denied. The Department of Community Affairs shall determine, in the case of each type of rooming and boarding house under its jurisdiction, what constitutes suitable facilities for this purpose;

e. At the discretion of the licensing municipality and pursuant to an ordinance, that the owner has paid all municipal property taxes due and owing on the rooming and boarding house, or in the case of an initial application, the applicant has paid all municipal property taxes due and owing on any other rooming and boarding house located within the municipality and owned by the applicant, provided that the owner has received written notice of any payment delinquency which has remained unpaid for more than 120 days. The provisions of this subsection shall not be construed as denying or limiting the rights of any displaced residents to relocation assistance in accordance with P.L.1971, c.362 (C.20:4-1 et seq.); and

f. That the applicant has complied with regulations adopted in accordance with section 2 of P.L.1993, c.290 (C.40:52-10).

The amount of the homestead property tax reimbursement shall be reduced by the amount of the deductions taken by the eligible claimant pursuant to P.L.1963, c.171 (C.54:4-8.10 to 54:4-8.23) and P.L.1964, c.255 (C.54:4-8.40 et al.). C.54:4-8.70 Filing of application for homestead property tax reimbursement.

3. An application for a homestead property tax reimbursement hereunder shall be filed with the director on or before December 31, 1998 and on or before December 31 annually thereafter and shall reflect the prerequisites for a homestead property tax reimbursement on December 31 of the year of filing; provided, however, that the director may, by rule, waive the requirement for filing an annual application for any year or years subject to any limitations and conditions the director may deem appropriate. The application shall be on a form prescribed by the director and provided for the use of applicants hereunder. Each applicant making a claim for a
homestead property tax reimbursement under this act shall provide, if
required by the director, to the director a copy of his or her current year
property tax bill or current year site fee bill on the homestead constituting
that person's principal residence and a copy of his or her property tax bill
for the base year or site fee bill for the base year on the same homestead, or
other equivalent proof as permitted by the director.

It shall be the duty of every eligible claimant to inform the director of
any change in his or her status or homestead which may affect his or her
right to continuance of the homestead property tax reimbursement.

If an eligible claimant receives an additional homestead property tax
reimbursement to which the claimant was not entitled or greater than the
reimbursement to which the claimant was entitled, the director may, in
addition to all other available legal remedies, offset such amount against a
gross income tax refund or amount due pursuant to P.L. 1990, c.61.

C.54:4-8.71 Payments mailed.

4. The director shall administer the homestead property tax reimbur­
sement program. A payment for the homestead property tax reimbursement
amount, as calculated by the director, shall be mailed to each person
determined by the director to be an eligible claimant under this act on or
before July 15, 1999 and July 15 annually thereafter. All payments made
pursuant to this section shall be appropriated from receipts in the Casino
Revenue Fund.

C.54:4-8.72 Proportionate shares, forms of ownership.

5. When title to a homestead as to which a homestead property tax
reimbursement is claimed is held by an eligible claimant and another or
others, either as tenants in common or as joint tenants, the eligible claimant
shall not be allowed a homestead property tax reimbursement in an amount
in excess of his or her proportionate share of the taxes assessed against the
homestead, which proportionate share, for the purposes of this act, shall be
deemed to be equal to that of each of the other tenants, unless it is shown
that the interests in question are not equal, in which event the eligible
claimant's proportionate share shall be as shown. Nothing herein shall
preclude more than one tenant, whether title be held in common or joint
tenancy, from claiming a homestead property tax reimbursement from the
taxes assessed against the property so held, but no more than the equivalent
of one full homestead property tax reimbursement in regard to such
homestead shall be allowed in any year. In any case in which the eligible
claimants cannot agree as to the apportionment thereof, such homestead
property tax reimbursement shall be apportioned between or among them
in proportion to their interest. Property held by husband and wife, as
tenants by the entirety, shall be deemed wholly owned by each tenant, but
no more than one full homestead property tax reimbursement in regard to such homestead shall be allowed in any year. Right to claim a homestead property tax reimbursement hereunder shall extend to a homestead the title to which is held by a partnership, to the extent of the eligible claimant's interest as a partner therein, and by a guardian, trustee, committee, conservator or other fiduciary for any person who would otherwise be entitled to claim such homestead property tax reimbursement hereunder, but not to a homestead the title to which is held by a corporation; except that a residential shareholder in a cooperative or mutual housing corporation shall be entitled to claim a homestead property tax reimbursement if he or she is otherwise eligible to receive it, to the extent of the proportionate share of the taxes assessed against the homestead of the corporation, or any other entity holding title, attributable to his or her unit therein. No eligible claimant shall be entitled to payment under this act for a homestead property tax reimbursement on more than one homestead within the State in the same tax year.

C.54:4-8.73 Rules, regulations.
6. Pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the director shall promulgate such rules and regulations and prescribe such forms as the director shall deem necessary to implement this act. The director shall also promulgate rules and regulations to implement an appeals process for aggrieved persons to use if eligibility for a homestead property tax reimbursement rebate is denied.

C.54:4-8.74 Determination of base year.
7. In the event that a previously eligible claimant ceases to be an eligible claimant for any tax year, the base year for that claimant shall be the year prior to which the claimant again becomes an eligible claimant.

8. Section 3 of P.L.1996, c.60 (C.54A:3A-17) is amended to read as follows:

b. A deduction for property taxes shall be allowed pursuant to this section in relation to the amount of the property taxes actually paid by or allocable to a resident taxpayer who has more than one homestead, but the
aggregate amount of the property taxes claimed shall not exceed the total of
the proportionate amounts of property taxes assessed and levied against or
allocable to each homestead for the portion of the taxable year for which the
taxpayer occupied it as the taxpayer's principal residence.

c. If title to a homestead is held by more than one individual as joint
tenants or tenants in common, each individual shall be allowed a deduction
pursuant to this section only in relation to the individual's proportionate
share of the property taxes assessed and levied against the homestead. The
proportionate share shall be equal to that of all other individuals who hold
the title, but if the conveyance under which the title is held provides for
unequal interests therein, a taxpayer's share of the property taxes shall be in
proportion to the taxpayer's interest in the title.

d. If title to a homestead is held by a husband and wife who own the
homestead as tenants by the entirety, or if that husband and wife are both
residential shareholders of a cooperative or mutual housing corporation and
occupy the same homestead therein, and who elect to file separate income
tax returns pursuant to the "New Jersey Gross Income Tax Act,"
N.J.S.54A:1-1 et seq., that husband and wife shall each be entitled to
one-half of the deduction for property taxes for which they may be jointly
eligible pursuant to this section.

e. If the homestead is a dwelling house consisting of more than one
unit, that taxpayer shall be allowed a deduction for property taxes only in
relation to the proportionate share of the property taxes assessed and levied
against the residential unit occupied by the taxpayer, as determined by the
local tax assessor.

f. Notwithstanding the provisions of subsection a. of this section to the
contrary: (1) a resident taxpayer shall be allowed a deduction for a taxpayer's
taxable year beginning during 1996 based on 50% of the property taxes not
in excess of $5,000 paid on the taxpayer's homestead; and (2) a resident
taxpayer shall be allowed a deduction for a taxpayer's taxable year
beginning during 1997 based on 75% of the property taxes not in excess of
$7,500 paid on the taxpayer's homestead.

g. Notwithstanding any other provision of this section, the deduction
allowed under this section to a resident taxpayer eligible to receive a
homestead property tax reimbursement pursuant to P.L.1997, c.348 (C.54:4-
8.67 et al.) shall not exceed that resident taxpayer's base year property tax
liability as determined pursuant to P.L.1997, c.348 (C.54:4-8.67 et al.).

C.54:4-8.68 Income eligibility limits, adjustment.

9. The income eligibility limits provided in the definition of "eligible
claimant" under section 1 of P.L.1997, c.348 (C.54:4-8.67) shall increase by
the amount of the maximum Social Security benefit cost of living increase

for that year for single and married persons, respectively. The director shall adopt new income limits annually by notice or regulation.

C.54:4-8.75 Violations, penalties.

10. Any person violating any provisions of this act shall be subject to the applicable civil and criminal penalties under New Jersey law. Any person who violates any provisions of this act shall be subject to a suspension of eligibility for one year for a first offense and permanent revocation of eligibility for a second offense.

11. This act shall take effect immediately.

CHAPTER 353

AN ACT establishing health care claims fraud as a criminal offense and supplementing chapters 21, 51 and 52 of Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares:
   a. Billions of dollars are spent each year on health care in New Jersey. Approximately ten percent of these costs can be attributed to fraud.
   b. In order to maintain the financial integrity of the health care system in this State, it is necessary to prosecute and deter the commission of fraud.
   c. Under the current law, it is difficult to prosecute and deter health care claims fraud because fraudulent claims often involve small amounts that require prosecutors to prove hundreds of relatively small thefts in order to establish a second degree offense.
   d. It is, therefore, necessary to establish the crime of "health care claims fraud" to enable more efficient prosecution of criminally culpable persons who knowingly, or with criminal recklessness, submit false or fraudulent claims for payment or reimbursement for health care services. It is not the intent of this act to facilitate the prosecution of those persons who may make negligent errors in the preparation of filing of bills or claims.

C.2C:21-4.2 Definitions relative to health care claims fraud.

2. As used in this act:
   "Health care claims fraud" means making, or causing to be made, a false, fictitious, fraudulent, or misleading statement of material fact in, or omitting a material fact from, or causing a material fact to be omitted from, any record, bill, claim or other document, in writing, electronically or in any
other form, that a person attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted for payment or reimbursement for health care services.

"Practitioner" means a person licensed in this State to practice medicine and surgery, chiropractic, podiatry, dentistry, optometry, psychology, pharmacy, nursing, physical therapy, or law; any other person licensed, registered or certified by any State agency to practice a profession or occupation in the State of New Jersey or any person similarly licensed, registered, or certified in another jurisdiction.

C.2C:21-4.3 Health care claims fraud, degree of crime; prosecution guidelines.

3. a. A practitioner is guilty of a crime of the second degree if that person knowingly commits health care claims fraud in the course of providing professional services. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

b. A practitioner is guilty of a crime of the third degree if that person recklessly commits health care claims fraud in the course of providing professional services. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

c. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the third degree if that person knowingly commits health care claims fraud. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the second degree if that person knowingly commits five or more acts of health care claims fraud and the aggregate pecuniary benefit obtained or sought to be obtained is at least $1,000. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

d. A person, who is not a practitioner subject to the provisions of subsection a. or b. of this section, is guilty of a crime of the fourth degree if that person recklessly commits health care claims fraud. In addition to all other criminal penalties allowed by law, a person convicted under this subsection may be subject to a fine of up to five times the pecuniary benefit obtained or sought to be obtained.

e. Each act of health care claims fraud shall constitute an additional, separate and distinct offense, except that five or more separate acts may be aggregated for the purpose of establishing liability pursuant to subsection c. of this section.
f. (1) The falsity, fictitiousness, fraudulence or misleading nature of a statement may be inferred by the trier of fact in the case of a practitioner who attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted, any record, bill, claim or other document for treatment or procedure without the practitioner, or an associate of the practitioner, having performed an assessment of the physical or mental condition of the patient or client necessary to determine the appropriate course of treatment.

(2) The falsity, fictitiousness, fraudulence or misleading nature of a statement may be inferred by the trier of fact in the case of a person who attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted any record, bill, claim or other document for more treatments or procedures than can be performed during the time in which the treatments or procedures were represented to have been performed.

(3) Proof that a practitioner has signed or initialed a record, bill, claim or other document gives rise to an inference that the practitioner has read and reviewed that record, bill, claim or other document.

g. In order to promote the uniform enforcement of this act, the Attorney General shall develop health care claims fraud prosecution guidelines and disseminate them to the county prosecutors within 120 days of the effective date of this act.

h. For the purposes of this section, a person acts recklessly with respect to a material element of an offense when he consciously disregards a substantial and unjustifiable risk that the material element exists or will result from his conduct. The risk must be of such a nature and degree that, considering the nature and purpose of the actor's conduct and the circumstances known to him, its disregard involves a gross deviation from the standard of conduct that a reasonable person would observe in the actor's situation.

i. (1) Nothing in this act shall preclude an indictment and conviction for any other offense defined by the laws of this State.

(2) Nothing in this act shall preclude an assignment judge from dismissing a prosecution of health care claims fraud if the assignment judge determines, pursuant to N.J.S. 2C:2-11, the conduct charged to be a de minimis infraction.

C.2C:51-5 Forfeiture, suspension of license; exceptions.

4. a. (1) A practitioner convicted of health care claims fraud pursuant to subsection a. of section 3 of P.L.1997, c.353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States shall forfeit his license and be forever barred from the practice of the profession unless the court finds that such license forfeiture would be a serious
injustice which overrides the need to deter such conduct by others and in such case the court shall determine an appropriate period of license suspension which shall be for a period of not less than one year. If the court does not permanently forfeit such license pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

(2) Upon a first conviction of health care claims fraud pursuant to subsection b. of section 3 of P.L. 1997, c. 353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States, a practitioner shall have his license suspended and be barred from the practice of the profession for a period of at least one year.

(3) Upon a second conviction of health care claims fraud pursuant to subsection b. of section 3 of P.L. 1997, c. 353 (C.2C:21-4.3) or a substantially similar crime under the laws of another state or the United States, a practitioner shall forfeit his license and be forever barred from the practice of the profession.

b. A court of this State shall enter an order of license forfeiture or suspension pursuant to subsection a. of this section:

(1) Immediately upon a finding of guilt by the trier of fact or a plea of guilty entered in any court of this State; or

(2) Upon application of the county prosecutor or the Attorney General, when the license forfeiture or suspension is based upon a conviction of an offense under the laws of another state or of the United States. An order of license forfeiture or suspension pursuant to this paragraph shall be effective as of the date the person is found guilty by the trier of fact or pleads guilty to the offense.

This application may also be made in the alternative by the Attorney General to the appropriate licensing agency.

The court shall provide notice of the forfeiture or suspension to the appropriate licensing agency within 10 days of the date an order of forfeiture or suspension is entered.

c. No court shall grant a stay of an order of license forfeiture or suspension pending appeal of a conviction or forfeiture or suspension order unless the court is clearly convinced that there is a substantial likelihood of success on the merits. If the conviction is reversed or the order of license forfeiture or suspension is overturned, the court shall provide notice of reinstatement to the appropriate licensing agency within 10 days of the date of the order of reinstatement. The license shall be restored, in accordance with applicable procedures, unless the appropriate licensing agency determines to suspend or revoke the license.

d. In any case in which the issue of license forfeiture or suspension is not raised in a court of this State at the time of a finding of guilt, entry of a
guilty plea or sentencing, a license forfeiture or suspension required by this section may be ordered by a court or by the appropriate licensing agency of this State upon application of the county prosecutor or the Attorney General or upon application of the appropriate licensing agency having authority to revoke or suspend the professional's license. The fact that a court has declined to order license forfeiture or suspension shall not preclude the appropriate licensing agency having authority to revoke or suspend the professional's license from seeking to do so on the ground that the conduct giving rise to the conviction demonstrates that the person is unfit to hold the license or is otherwise liable for an offense as specified in section 8 of P.L.1978, c.73 (C.45:1-21).

e. If the Supreme Court of the State of New Jersey issues Rules of Court pursuant to this act, the Supreme Court may revoke the license to practice law of any attorney who has been convicted, under the laws of this State, of health care claims fraud pursuant to section 3 of P.L.1997, c.353 (C.2C:21-4.3), or an offense which, if committed in this State, would constitute health care claims fraud.

f. Nothing in this section shall be construed to prevent or limit the appropriate licensing agency or any other party from taking any other action permitted by law against the practitioner.

C.2C:52-27.1 Petition to rescind order of debarment for health care claims fraud.

5. a. If an order of expungement of records of conviction under the provisions of chapter 52 of Title 2C of the New Jersey Statutes is granted by the court to a person convicted of health care claims fraud in which the court had ordered the offender's professional license be forfeited and the person be forever barred from the practice of the profession pursuant to paragraph (1) of subsection a. of section 4 of P.L.1997, c.353 (C.2C:51-5), the person may petition the court for an order to rescind the court's order of debarment if the person can demonstrate that the person is sufficiently rehabilitated.

b. If an order to rescind the court's order of debarment is granted, the person granted the order may apply to be licensed to practice the profession from which the offender was barred.

6. If any provision of this act, or an application of any provision is held invalid, the invalidity shall not affect other applications of the provision or other provisions of the act which reasonably can be given effect despite the invalidity.

7. This act shall take effect immediately.

AN ACT establishing a county college capital projects fund in the New Jersey Educational Facilities Authority, amending various parts of statutory law, and supplementing chapter 72A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Sections 1 through 4 of this act shall be known and may be cited as the "County College Capital Projects Fund Act."

C.18A:72A-12.3 Findings, declarations relative to county college capital projects fund.
2. The Legislature finds and declares that:
   a. Higher education plays a vital role in the economic development of the nation and the State by providing the education and training of the work force of the future;
   b. The county colleges serve a vital role in the educational system of the State by providing students with an affordable means of obtaining higher education, thereby providing opportunities to the residents of the State which would not otherwise be available;
   c. County colleges and the residents of the State would benefit from additional funds and resources enabling counties to undertake and complete county college capital projects;
   d. It would therefore be appropriate for the New Jersey Educational Facilities Authority created pursuant to N.J.S.18A:72A-1 et seq. to enter into contracts with counties and the State Treasurer to provide for the financing of county college capital projects.

C.18A:72A-12.4 County college capital projects fund, established.
3. a. There is created within the New Jersey Educational Facilities Authority, established pursuant to chapter 72A of Title 18A of the New Jersey Statutes, hereinafter referred to as the "authority," a county college capital projects fund to finance county college capital projects. The authority may issue bonds to finance the State share of county college capital projects and the county share of county college capital projects as certified by the State Treasurer pursuant to section 2 of P.L.1971, c.12 (C.18A:64A-22.2). The State Treasurer is hereby authorized to enter into a contract with the authority pursuant to which the State Treasurer, subject to available appropriation, shall pay the amount necessary to pay the principal and interest on bonds and notes of the authority issued to finance...
the State share of county college capital projects. The authority may enter into a loan agreement with each county in which a county college capital project is located for the purpose of funding the county share of the applicable county college capital project.

b. The authority may from time to time issue bonds or notes in an amount sufficient to finance county college capital projects and which shall also finance the administrative costs and any reserves or other issuance costs associated with the issuance of bonds or notes. The authority shall issue the bonds or notes in such manner as it shall determine in accordance with the provisions of this act and the "New Jersey educational facilities authority law," N.J.S.18A:72A-1 et seq. The authority shall not issue any bonds or notes pursuant to this section without the prior written consent of the State Treasurer.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:8D-13.1 Findings, declarations relative to rental housing and cooperatives; agreements, certain, unenforceable.

1. a. The Legislature finds and declares that it is in the public interest of the citizens of this State that the availability of rental housing be encouraged. Therefore restrictions imposed by certain cooperative agreements which unreasonably inhibit or prevent the holder of a proprietary lease to a cooperative unit from making the unit available for rental shall be contrary to the public policy of the State of New Jersey and shall be unenforceable.

b. Subsection a. of this section shall not apply to: any cooperative in which requirements limiting occupancy to holders of proprietary leases to units were established at the time that the cooperative was created, and which requirements were emphasized in the offering document as an absolute condition of ownership, and have been consistently and strictly enforced since that time, or which requirements were established upon the transfer of control of the association board from the developer to the holders of proprietary leases to units through properly amended bylaws which have been consistently and strictly enforced since the time of amendment.

c. Notwithstanding any provision of law to the contrary, in those cooperatives which meet the criteria of subsection b. and in which more than ten units are under one roof, when a unit is offered for sale at or below a sales price such that a sale will result in a return of any investment only, and the unit nevertheless remains unsold for four or more months, then the owner shall have the right, subject to the conditions in subsection d. of this section, to rent the unit for such a period of time until prevailing market conditions permit a sale which will allow recoupment of the investment in the unit. For the purposes of this subsection, investment shall include the purchase price, costs related to the acquisition of the property, and the costs of any improvements made to the property.
d. Nothing in this act shall prohibit a cooperative association from adopting reasonable rules necessary to protect the health, safety or interest of all of the owners, including rules based on lending policies of financial institutions pertaining to owner-occupancy ratios or from requiring a reasonable minimum term of leasehold, nor shall such associations be prohibited from requiring that all tenants comply with the properly adopted rules of the association which are applicable to other unit owners, including, but not limited to, rules relating to such matters as parking, pets, noise, and the number of permitted occupants per unit. A cooperative association which elects to screen tenants shall interview prospective tenants within seven days of the date of the submission of the tenant's name to the association.

Nothing in this act shall grant a tenant any additional rights or protected status under the laws applicable to eviction from rental premises.

2. This act shall take effect immediately.

Address confidentiality for victims of domestic violence.

47:4-2. The Legislature finds that persons attempting to escape from actual or threatened domestic violence frequently establish new addresses to prevent their assailants from finding them. The purpose of this act is to enable public agencies to respond to requests for public records without disclosing the location of a victim of domestic violence, to enable interagency cooperation with the Secretary of State in providing address confidentiality for victims of domestic violence, and to enable public agencies to accept a program participant's use of an address designated by the Secretary of State as a substitute mailing address.

Definitions relative to protection of persons threatened by domestic violence.

"Secretary" means the Secretary of State.
"Address Confidentiality Program."

47:4-4. a. There is created in the department a program to be known as the "Address Confidentiality Program." A person 18 years of age or over, a parent or guardian acting on behalf of a minor, or a guardian acting on behalf of an incapacitated person may apply to the secretary to have an address designated by the secretary as the applicant's address. The secretary shall approve an application if it is filed in the manner and on the form prescribed by the secretary and if it contains:

1. a sworn statement by the applicant that the applicant has good reason to believe:

5. the signature of the applicant and any person who assisted in the preparation of the application, and the date.

b. An application shall be filed with the secretary.

c. Upon approving a completed application, the secretary shall certify the applicant as a program participant. An applicant shall be certified for four years following the date of filing unless the certification is withdrawn or invalidated before that date.

d. A program participant may apply to be recertified every four years thereafter.

e. A program participant may use the address designated by the secretary as his or her work address.

f. Upon receipt of first class mail addressed to a program participant, the secretary or a designee shall forward the mail to the actual address of the participant. The secretary may arrange to receive and forward other kinds and classes of mail for any program participant at the participant's expense. The actual address of a program participant shall be available only to the secretary and to those employees involved in the operation of the address confidentiality program and to law enforcement officers for law enforcement purposes.

(2) the program participant changes the participant's residential address and does not provide seven days' advance notice to the secretary;

(3) mail forwarded by the secretary to the address or addresses provided by the program participant is returned as undeliverable; or

(4) any information on the application is false.

The application form shall notify each applicant of the provisions of this section.

Use of designated address, exceptions.

47:4-6. A program participant may request that any State or local agency use the address designated by the secretary as the program participant's address. The agency shall accept the address designated by the secretary as a program participant's address, unless the agency has demonstrated to the satisfaction of the secretary that:

(1) the agency has a bona fide statutory basis for requiring the program participant to disclose to it the actual location of the program participant; and

A purchaser or assignee of a licensed wholesaler or licensed distributor, or any other person upon whom the business of a licensed wholesaler or licensed distributor shall devolve by operation of law, shall upon application to the director, be entitled to an assignment or transfer of the wholesale or distributor license for the balance of the existing license period upon payment of a transfer fee of $5.00 and subject to his qualification to be a licensed wholesaler or licensed distributor under the provisions of this act. The license issued for each vending machine for the sale of cigarettes may be transferred from machine to machine in the same ownership. CHAPTER 376

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.3B:5-10 is amended to read as follows:

Establishment of parent-child relationship.

3B:5-10. Establishment of Parent-Child Relationship.

If, for the purposes of intestate succession, a relationship of parent and child must be established to determine succession by, through, or from a person, in cases not covered by N.J.S.3B:5-9, a person is the child of the person's parents regardless of the marital state of the person's parents, and the parent and child relationship may be established as provided by the "New Jersey Parentage Act," P.L.1983, c.17 (C.9:17-38 et seq.). The parent and child relationship may be established for purposes of this section regardless of the time limitations set forth in subsection b. of section 8 of P.L.1983, c.17 (C.9:17-45).

2. Section 8 of P.L.1983, c.17 (C.9:17-45) is amended to read as follows:

8. a. A child, a legal representative of the child, the natural mother, the estate or legal representative of the mother, if the mother has died or is a minor, a man alleged or alleging himself to be the father, the estate or legal representative of the alleged father, if the alleged father has died or is a minor, the Division of Family Development in the Department of Human Services, or the county welfare agency, or any person with an interest recognized as justiciable by the court may bring or defend an action or be made a party to an action at any time for the purpose of determining the existence or nonexistence of the parent and child relationship.
b. No action shall be brought under this act more than five years after the child attains the age of majority.

c. The death of the alleged father shall not cause abatement of any action to establish paternity, and an action to determine the existence or nonexistence of the parent and child relationship may be instituted or continued against the estate or the legal representative of the alleged father.

d. Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with subsection c. of section 11 of P.L.1983, c.17 (C.9:17-48) between an alleged or presumed father and the mother of the child, shall not bar an action under this section.

e. If an action under this section is brought before the birth of the child, all proceedings shall be stayed until after the birth, except service of process and the taking of depositions to perpetuate testimony. The court may consider the issue of medical expenses and may order the alleged father to pay the reasonable expenses of the mother's pregnancy and postpartum disability.

f. This section does not extend the time within which a right of inheritance or a right to succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise, or limit any time period for the determination of any claims arising under the laws governing probate, including the construction of wills and trust instruments.

3. Section 4 of P.L.1983, c.17 (C.9:17-41) is amended to read as follows:

C.9:17-41 Establishment of parent-child relationship; termination of natural parental rights; action.

4. The parent and child relationship between a child and:

a. The natural mother, may be established by proof of her having given birth to the child, or under this act;

b. The natural father, may be established by proof that his paternity has been adjudicated under prior law; under the laws governing probate; by giving full faith and credit to a determination of paternity made by any other state, whether established through voluntary acknowledgment or through judicial or administrative processes; by a Certificate of Parentage as provided in section 7 of P.L.1994, c.164 (C.26:8-28.1) that is executed by the father prior to or after the birth of a child, and filed with the appropriate State agency; by a default judgment or order of the court; by an order of the court based on a blood test or genetic test that meets or exceeds the specific threshold probability as set by subsection i. of section 11 of P.L.1983, c.17 (C.9:17-48) creating a rebuttable presumption of paternity; or under this act;
c. An adoptive parent, may be established by proof of adoption;

d. The natural mother or the natural father, may be terminated by an
order of a court of competent jurisdiction in granting a judgment of adoption
or as the result of an action to terminate parental rights;

e. The establishment of the parent and child relationship pursuant to
subsections a., b., and c. of this section shall be the basis upon which an
action for child support may be brought by a party and acted upon by the
court without further evidentiary proceedings.

4. Section 11 of P.L.1983, c.17 (C.9:17-48) is amended to read as
follows:

C.9:17-48 Consent conference; blood, genetic tests; presumption.

11. a. As soon as practicable after an action to declare the existence or
nonexistence of the father and child relationship has been brought, a consent
conference shall be held by the Superior Court, Chancery Division, Family
Part intake service, the county probation department or the county welfare
agency. A court appearance shall be scheduled in the event that a consent
agreement cannot be reached.

b. On the basis of the information produced at the conference, an
appropriate recommendation for settlement shall be made to the parties,
which may include any of the following:

(i) That the action be dismissed with or without prejudice; or

(ii) That the alleged father voluntarily acknowledge his paternity of the
child.

c. If the parties accept a recommendation made in accordance with
subsection b. of this section, which has been approved by the court,
judgment shall be entered accordingly.

d. If a party refuses to accept a recommendation made under subsec­tion
b. of this section or the consent conference is terminated because it is
unlikely that all parties would accept a recommendation pursuant to
subsection b. of this section, and blood tests or genetic tests have not been
taken, the court shall require the parties to submit to blood tests or genetic
tests if the court determines that there is an articulable reason for suspecting
that the alleged father is the natural father. The tests shall be scheduled
within 10 days and shall be performed by qualified experts. Thereafter the
Family Part intake service, with the approval of the court, shall make an
appropriate final recommendation. If a party refuses to accept the final
recommendation, the action shall be set for trial.

If the results of the blood test or genetic test indicate that the specific
threshold probability as set by subsection i. of this section to establish
paternity has been met or exceeded, the results shall be received in evidence
as a rebuttable presumption of paternity and no additional foundation testimony or proof of authenticity or accuracy shall be required to establish paternity. In actions based on allegations of fraud or inaccurate analysis, the court shall require that the additional blood test or genetic test be scheduled within 10 days and be performed by qualified experts. The test shall be paid for by the moving party.

If a party objects to the blood test or genetic test, the party shall make the objection to the appropriate agency, in writing, within 10 days of receipt of the results.

e. The guardian ad litem may accept or refuse to accept a recommendation under this section.

g. No evidence, testimony or other disclosure from the consent conference shall be admitted as evidence in a civil action except by consent of the parties. However, blood tests or genetic tests ordered pursuant to subsection d. of this section may be admitted as evidence.

h. The refusal to submit to a blood test or genetic test required pursuant to subsection d. of this section, or both, shall be admitted into evidence and shall give rise to the presumption that the results of the test would have been unfavorable to the interests of the party who refused to submit to the test. Refusal to submit to a blood test or genetic test, or both, is also subject to the contempt power of the court.

i. Blood test or genetic test results indicating a 95% or greater probability that the alleged father is the father of the child shall create a presumption of paternity which may be rebutted only by clear and convincing evidence that the results of the tests are not reliable in that particular case.

5. This act shall take effect immediately and shall apply to any matter pending before any trial or appellate court for which the time limitations established by Title 3B of the New Jersey Statutes or any rule or principle of equity have not expired.

If the need for a guardian appears to continue, the commissioner shall apply to the Superior Court upon notice to the alleged incapacitated person for the appointment of a guardian of the person in the same manner as provided in section 1 of P.L. 1970, c.289 (C.30:4-165.7), unless another application is pending. If, as a result of the commissioner's review, it appears that the person is no longer in need of a guardian, the provision of guardianship services shall be discontinued, and this disposition shall be documented in the records of the Division of Developmental Disabilities. For those persons who received guardianship services without prior judicial review before the effective date of P.L. 1985, c.133 (C.30:4-165.4 et al.), the division shall continue to provide these services until final disposition resulting from the commissioner's review, either through a court determination regarding the commissioner's application for appointment of a guardian or an administrative termination of guardianship services; and this interim provision of services shall be equivalent to exercising the same responsibility and authority as a guardian of the person, in accordance with the provisions of section 1 of P.L. 1985, c.133 (C.30:4-165.4).

Upon the receipt of a complaint for the appointment of a guardian, the court shall appoint an attorney where the alleged incapacitated person is not represented by an attorney. The attorney, after conducting an investigation into the matter, which shall include an interview with the alleged incapacitated person, an interview with the proposed guardian, and, if there is cause to question the alleged incapacitated person's level of functioning and need for a guardian, the report of an independent expert professionally qualified to render an opinion on issues pertaining to incapacity, shall advise the court by way of a report in affidavit form whether there is cause to dispute either
the contention of the commissioner that the appointment of a guardian is necessary or the commissioner's recommendation as to whom that guardian should be. If the alleged incapacitated person expresses an opinion on the subject, the attorney shall advise the court of that opinion. The facts contained in the report of the attorney shall be sworn to or verified in a manner as prescribed by the court.

If, after reviewing the report of the attorney, there appears to be no difference between the position of the commissioner and the findings of the attorney, the court may proceed in a summary fashion to appoint a guardian. A plenary hearing shall be held if requested by the alleged incapacitated person, his attorney, or anyone acting on his behalf.

(iv) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities, commodities, banking, insurance or investment advisory business;
(v) is the subject of an effective order of the bureau chief denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, investment adviser representative or securities offering registrant;

(x) has failed to pass an examination under subsection (f) of section 10 of P.L.1967, c.93 (C.49:3-57) if such an examination has been by rule provided for by the bureau chief;

(3) The bureau chief may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

(4) The bureau chief shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

(5) The bureau chief shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. If he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this State as an investment adviser.

(c) The bureau chief, for good cause shown, may by order summarily postpone, suspend, revoke or deny any registration pending final determination of any proceeding under this section. Upon entry of the order, the bureau chief shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent or an investment adviser representative, that the order has been entered and of the reasons therefor.

(1) The bureau chief shall entertain on no less than three days' notice a written application to lift the summary postponement, suspension or revocation on written application of the applicant or registrant and in connection therewith may, but need not, hold a hearing and hear testimony, but shall provide to the applicant or registrant a written statement of the reasons for the summary postponement, suspension or revocation.

(2) Upon service of notice of the order issued by the bureau chief, the applicant or registrant shall have up to 15 days to respond to the bureau in the form of a written answer and written request for a hearing. The bureau chief shall, within five days of receiving the answer and a request for a hearing, either transmit the matter to the Office of Administrative Law for a hearing or schedule a hearing at the Bureau of Securities. Orders issued pursuant to this subsection to suspend or revoke any registration shall be subject to an application to vacate upon 10 days' notice, and a preliminary hearing on the order to suspend or revoke any registration shall be held in any event within 20 days after it is requested, and the filing of a motion to vacate the order shall toll the time for filing an answer and written request for a hearing.
(3) If an applicant or registrant fails to respond by filing a written answer and request for a hearing with the bureau or moving to vacate an order to suspend or revoke any registration within the 15-day prescribed period, the registrant shall have waived the opportunity to be heard and the order shall remain in effect until modified or vacated.

(d) If the bureau chief finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser or investment adviser representative, or is subject to an adjudication of incapacity or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the bureau chief may by order summarily revoke or deny the registration or application;

(e) Withdrawal from registration as a broker-dealer, agent, investment adviser or investment adviser representative becomes effective 30 days after receipt of an application to withdraw or within such other period of time as the bureau chief may determine by rule or order. The bureau chief may nevertheless institute a revocation or suspension proceeding under subparagraph (ii) of paragraph (2) of subsection (a) of this section within two years after withdrawal becomes effective and enter a revocation or suspension order as of the last date on which registration was effective;

(f) (Deleted by amendment, P.L.1997, c.276).

(g) Every hearing which this act requires to be held shall be held in accordance with the "Administrative Procedure Act, " P.L.1968, c.410 (C.52:14B-1 et seq.).

13. Whenever in any law, rule, regulation or document, reference is made to the term "mental incompetent," that term shall mean and refer to "incapacitated person", except that nothing in this act shall affect the provisions of chapter 4 of Title 2C of the New Jersey Statutes.

14. This act shall take effect immediately.

protect the interests of providers, contract holders, enrollees, and the residents of this State. An organization shall make its relevant books and records available for examination by the commissioner, and retain its records in accordance with a schedule established by the commissioner by regulation. The reasonable expenses of the examination shall be borne by the organization being examined. In lieu of such examination, the commissioner may accept the report of an examination made by the commissioner of another state.

C.17:48F-13 Terms, conditions required in contracts.

13. All prepaid prescription service organization contracts with providers or with entities subcontracting for the provision of prescription services shall contain the following terms and conditions:

a. In the event that the organization fails to pay for prescription services for any reason whatsoever, including, but not limited to, insolvency or breach of contract, neither the contract holder nor the enrollee shall be liable to the provider for any sums owed to the provider under the contract.

b. No provider, agent, trustee or assignee thereof may maintain an action at law or attempt to collect from the contract holder or enrollee sums owed to the provider by the organization, but this shall not be construed to prohibit collection of uncovered charges consented to or lawfully owed to providers by a contract holder or enrollee.

C.17:48F-14 Maintenance of tangible net equity.

14. a. Except as provided in subsection b. of this section, each prepaid prescription service organization shall, at all times, have and maintain tangible net equity equal to the greater of:

   (1) $50,000; or
   (2) 2% of the organization’s annual gross premium income, up to a maximum of the required capital and surplus of an admitted health insurer.

b. An organization which has uncovered expenses in excess of $50,000, as reported on the most recent annual financial statement filed with the commissioner, shall maintain tangible net equity equal to 25% of the uncovered expense in excess of $50,000, in addition to the tangible net equity required by subsection a. of this section.

c. The dollar amounts specified in subsections a. and b. of this section shall be adjusted annually by the commissioner, by regulation, in accordance with changes in the Consumer Price Index.

C.17:48F-15 Deposit of cash, securities; net worth requirement.

or any combination of these or other measures that is acceptable to the commissioner in an amount equal to $25,000, which amount shall be adjusted annually by the commissioner, by regulation, in accordance with changes in the Consumer Price Index, plus 25% of the tangible net equity required by section 14 of this act; except that the deposit shall not be required to exceed $100,000, which amount may be adjusted by the commissioner annually in accordance with changes in the Consumer Price Index. The deposit shall be deemed an admitted asset of the organization in the determination of tangible net equity.

b. All income from deposits shall be an asset of the organization. An organization may withdraw a deposit or any part thereof after making a substitute deposit of equal amount and value, except that a security may not be substituted unless it has been approved by the commissioner.

c. Amounts on deposit shall be used to protect the interests of the organization’s enrollees in the State and to assure continuation of limited health care services to enrollees of an organization which is in rehabilitation or liquidation. If an organization is placed in rehabilitation or liquidation, the deposit shall be treated as an asset subject to the provisions of N.J.S. 17B:32-1 et seq.

d. The commissioner may, by regulation, adjust the amount of required net worth that an organization may have in order to provide adequate protection against contingencies affecting the organization’s financial position which are not fully covered by reserves and other liabilities and supporting assets.

C.17:48F-16 Maintenance of fidelity bond.

16. A prepaid prescription service organization shall maintain in force a fidelity bond in its own name on its officers and employees, in an amount established by the commissioner by regulation. In lieu of the bond, the organization may deposit with the commissioner cash or securities or other investments approved by the commissioner.

C.17:48F-17 Annual report.

17. A prepaid prescription service organization shall file an annual report with the commissioner, on or before March 1 of each year, attested to by at least two principal officers, which covers the preceding calendar year. The report shall be on a form prescribed by the commissioner and shall include:

a. A financial statement of the organization, including its balance sheet, income statement and statement of changes in financial position for the preceding year, certified by an independent public accountant, or a consolidated audited financial statement of its parent company certified by
an independent certified public accountant, attached to which shall be consolidating financial statements of the organization;

b. The number of enrollees at the beginning of the year, the number of enrollees as of the end of the year, and the number of enrollments during the year;

c. At the discretion of the commissioner, a statement by a qualified actuary setting forth his opinion as to the adequacy of reserves; and

d. Any other information relating to the performance of the organization as may be required by the commissioner.

The commissioner may assess a fine of up to $100 per day for each day a required report is late. The commissioner may require the submission of additional reports from time to time, as he deems necessary.

C.17:48F-18 Suspension, revocation of certificate of authority.

18. The commissioner may suspend or revoke the certificate of authority issued to a prepaid prescription service organization pursuant to this act upon his determination that:

a. The organization is operating significantly in contravention of its basic organizational document;

b. The organization issues an evidence of coverage or uses rates or charges which do not comply with the requirements of this act;

c. The organization is unable to fulfill its obligations to enrollees or prospective enrollees;

d. The tangible net equity of the organization is less than that required by this act, or the organization has failed to correct any deficiency in its tangible net equity as required by the commissioner;

f. The continued operation of the organization would be hazardous to the health and welfare of its enrollees;

g. The organization has failed to file any report required pursuant to this act; or

h. The organization has otherwise failed to comply with this act.

C.17:48F-19 Notification of suspension, revocation of certificate of authority.

19. If the commissioner has cause to believe that grounds exist for the suspension or revocation of a certificate of authority, he shall notify the prepaid prescription service organization in writing, specifically stating the grounds for suspension or revocation and fixing a time for a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). If a certificate of authority is revoked, the organization shall submit a plan to the commissioner within 15 days of the revocation, for the winding up of its affairs, and shall conduct no further business except
as may be essential to the orderly conclusion of its business. The commissioner may, by written order, permit such further operation of the organization as he may find to be in the best interest of enrollees, to the end that enrollees will be afforded the greatest practical opportunity to obtain continuing prescription services.

C.17:48F-20 Maintenance of insurance to cover insolvency.

20. The commissioner may require, in connection with the plan for insolvency required pursuant to subsection p. of section 3 of this act, that a prepaid prescription service organization maintain insurance to cover the expenses to be paid for continued benefits following a determination of insolvency, or make other arrangements to ensure that benefits are continued for the period determined in the insolvency plan.

C.17:48F-21 Rehabilitation, liquidation, conservation of prepaid prescription service organization.

21. Any rehabilitation, liquidation or conservation of a prepaid prescription service organization shall be subject to the provisions of N.J.S.17B:32-1 et seq. and shall be conducted under the supervision of the commissioner; except that the commissioner shall have the authority to regulate any prepaid prescription service organization doing business in this State as a domestic insurer. The commissioner may apply for an order directing him to rehabilitate, liquidate, reorganize or conserve an organization upon any one or more applicable grounds as stated for insurers in N.J.S.17B:32-1 et seq. or any other provision of Title 17B of the New Jersey Statutes or when in his opinion the organization fails to satisfy the requirements for the issuance of a certificate of authority relating to solvency or the requirements for solvency protection as set forth in this act.

C.17:48F-22 Order of rehabilitation.

22. If an order of rehabilitation issued pursuant to this act directs or provides for the continued operation of the prepaid prescription service organization, including the receipt of payments from, and the provision of prescription services to enrollees, the order may authorize the rehabilitator to make the payments necessary for continued operation, including those expenses necessary for the conduct of the rehabilitation.

C.17:48F-23 Providers enjoined from billing enrollees, beneficiaries under order of rehabilitation.

23. In the event that an order of rehabilitation or liquidation is granted, the order may enjoin providers from billing enrollees and their beneficiaries for health care services provided. In the course of a rehabilitation proceeding, the court may allow reformation of enrollee and provider contracts, or other restructuring of outstanding liabilities, or transfer of the business to
another prepaid prescription service organization. A primary goal of the restructuring or transfer shall be the provision of uninterrupted services to enrollees of the organization. In the course of a rehabilitation proceeding, a plan for settling the claims of general creditors shall not be deemed to be inequitable or to constitute preferential treatment if the amount of reimbursement for an outstanding claim depends, in part, on the estimated increase or decrease in future or prior claims of the creditor.

C.17:48F-24 Inapplicability of C.17B:32A-1 et seq.

24. A prepaid prescription service organization shall not be subject to the "New Jersey Life and Health Insurance Guaranty Association Act," P.L.1991, c.208 (C.17B:32A-1 et seq.), and the New Jersey Life and Health Insurance Guaranty Association established pursuant to that act shall not provide protection to any individuals entitled to receive prescription services from a prepaid prescription service organization.

26. a. The commissioner may, upon notice and hearing, levy an administrative penalty in an amount not less than $1,000 nor more than $30,000 for each violation, per contract or enrollee. Penalties imposed by the commissioner pursuant to this section may be in lieu of, or in addition to, suspension or revocation of a certificate of authority pursuant to this act. A penalty may be recovered in a summary proceeding pursuant to "the penalty enforcement law," N.J.S.2A:58-1 et seq.

b. If the commissioner believes that any violation of this act has occurred or is threatened, the commissioner may give notice to the prepaid prescription service organization, its representatives, or any other persons who appear to be involved in the alleged violation. The commissioner may arrange a conference with the alleged violators or their authorized representatives to ascertain the facts relating to the alleged violation. In the event that it appears that a violation has occurred or is threatened, the commissioner may implement the necessary measures to correct or prevent the violation. Appeals under this section shall be conducted pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.17:48F-27 Cease and desist order; injunctive relief.

27. a. The commissioner may issue an order directing a prepaid prescription service organization to cease and desist from engaging in any
act or practice which is in violation of the provisions of this act. The order shall be subject to review pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). b. In the event of noncompliance with a cease and desist order issued pursuant to subsection a. of this section, or if the commissioner elects not to issue a cease and desist order in the case of a violation of any provision of this act, the commissioner may institute a proceeding to obtain injunctive relief, in accordance with the applicable procedures provided in the Rules of Court.

C.17:48F-28 Confidentiality of data, information.
28.    a. To the extent that it may be necessary to carry out the purposes of this act;
   b. Upon the express consent of the enrollee or prospective enrollee;
   c. Pursuant to statute or court order for the production of evidence or the discovery thereof; or
   d. In the event of a claim or litigation between an enrollee or a prospective enrollee and the organization wherein such data or information is relevant. An organization shall be entitled to claim any statutory privilege against disclosure which the provider who furnished the information to the organization is entitled to claim.

C.17:48F-29 Rules, regulations.
29. The commissioner shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.
30. This act shall take effect 180 days after enactment, but the commissioner may take such anticipatory administrative action in advance of the effective date as shall be necessary for the implementation of the act.

Commencing with the fiscal year beginning on July 1, 1999, and for each fiscal year thereafter, the commissioner shall use the priority system to establish a shore protection project priority list for projects designated to receive funding pursuant to an appropriation made from the Shore Protection Fund, hereinafter referred to as the "fund," established pursuant to section 1 of P.L.1992, c.148 (C.13:19-16.1). CHAPTER 388

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40A:14-183 Short title.

1. Sections 1 through 11 of this act shall be known and may be cited as the "Emergency Services Volunteer Length of Service Award Program Act."

"Year of active emergency service" means a 12-month period during which an active volunteer member participates in the fire or first aid service and satisfies the minimum requirements of participation established by the sponsoring agency on a consistent and uniform basis.

C.40A:14-185 Establishment, termination of length of service award program, referendum.

3. a. A local government unit that is a county or municipality in which a fire district does not exist may by ordinance establish or terminate a length of service award program for the active volunteer members of the emergency service organizations operating under the county's or municipality's jurisdiction.

b. The board of fire commissioners of any fire district may by resolution establish or terminate a length of service award program for the active volunteer members of the emergency service organizations operating under the district's jurisdiction.

c. No such ordinance or resolution shall take effect until it is presented as a public question, for a municipality or county at the next general election, and for a fire district at the next annual election, and ratified by the voters. Each such ordinance or resolution shall be adopted by the governing body or the board of fire commissioners no less than 60 days prior to the election at which such question is presented for ratification.

d. In addition to any other procedures provided by law, every ordinance or resolution creating a length of service awards program shall include:
(1) A general description of the program;
(2) A statement of the proposed estimated total amount to be budgeted for the program;
(3) A statement of the proposed maximum annual contribution for an active volunteer member;
(4) If the proposed program authorizes the crediting of prior year service, a statement of the number of prior years of service available for crediting for each active volunteer member; and
(5) Any such other provisions as may be reasonably required by the director to carry out the purposes of this act.

e. No ordinance, resolution or public question related to a length of service award program shall require prior approval of the director.
f. Subsequent to the adoption of a length of service award program as provided in this section, the maximum annual contribution may be increased, from time to time, without public hearing or public question, provided such increased contribution does not exceed a number calculated by multiplying the original contribution as approved by public question by the consumer price index factor. As used in this section "consumer price index factor" means a fraction the denominator of which shall be the "Revised Consumers Price Index-All Items, Philadelphia Area (1967-100)" (the "CPI") published by the Bureau of Labor Statistics of the United States Department of Labor for the month in which the length of service award program passes public question and whose numerator shall be the CPI for the most recent month available at the time the increased contribution or benefit takes effect. If the publication of the CPI is discontinued, the director shall issue regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), setting forth such revisions in the method of computation of the consumer price index factor as the circumstances require to carry out the purposes of this subsection. Except as otherwise provided in this act, all other material changes to a length of service award program subsequent to its adoption shall be effected without public question but by ordinance or by resolution subject to public hearing, as appropriate to the sponsoring agency.

g. Any amounts appropriated annually for a length of service award program shall be included in the budget of the local government unit as a separate line item. In the case of a fire district, the budget to be voted on at the time of the public question to establish a length of service award program shall include the first year's appropriation for funding such program, which appropriation, if the public question is defeated, shall be removed from the budget. In the case of a municipality or county, appropriations for length of service award programs shall commence with the budget immediately following enactment of such program.
h. No length of service award program shall be adopted by any local
government unit other than pursuant to this act.

C.40A:14-186 Length of service award programs, defined contribution programs.

4. Length of service award programs shall be established as defined
contribution programs and shall be subject to the provisions of this act.
Length of service award programs shall be based on applicable features of
deferred compensation plans adopted by local government units pursuant
to P.L.1977, c.381 (C.43:15B-1 et seq.), in reference to which the local
government unit shall be treated as an "employer" as defined in that law,
length of service award contributions by a sponsoring agency shall be
 treated as "deferred salary" as defined in that law, and the active volunteer
members shall be treated as "participants" as defined in that law. If
applicable, a length of service award program shall also be administered in
compliance with provisions of the federal Internal Revenue Code for such
programs and the provisions of this act.

C.40A:14-187 Abolishment, amendment of length of service award program, special vote.

5. A length of service award program established by a local govern­
ment unit pursuant to section 3 of P.L.1997, c.388 (C.40A:14-185) may be
abolished or amended in the same manner as it was created. However, any
such amendment or abolition shall be by a two-thirds vote of the full
membership of the governing body of the local government unit. All
accumulated proceeds shall remain in trust for the volunteer members.

C.40A:14-188 Provision of length of service award program not required; program
requirements.

6. No emergency service organization shall be required to provide a
length of service award for its active volunteer members pursuant to the
provisions of this act. Any length of service award provided to an active
volunteer member shall be governed by the provisions of this act. No length
of service award program shall be provided under the provisions of this act
unless the following requirements are met:

a. An active volunteer member shall be eligible to participate in a
length of service award program immediately upon the commencement of
the active volunteer member's performance of active emergency services in
any emergency service organization, and shall be eligible to vest in any
length of service award program provided under the provisions of this act
if the active volunteer member has completed at least five years of
emergency service in any emergency service organization in the State.

b. Under a length of service award program, a year of active emer­
gency service commencing after the establishment of the program shall be
credited for each calendar year in which an active volunteer member
accumulates a number of points that are granted in accordance with a schedule adopted by the sponsoring agency. The program shall provide that points shall be granted for activities designated by the sponsoring agency, which activities may include the following:

1. Training courses;
2. Drills;
3. Sleep-in or standby. A "standby" means line of duty activity of the volunteer fire company, lasting for four hours, not falling under one of the other categories;
4. Completion of a one-year elected or appointed position in the organization;
5. Election as a delegate to an emergency service convention;
6. Attendance at official meetings of the sponsoring agency;
7. Participation in emergency responses; or
8. Miscellaneous activities including participation in inspections and other non-emergency fire, first aid or rescue activities not otherwise listed.

c. If provided for in the enabling ordinance or resolution adopted pursuant to section 3 of P.L.1997, c.388 (C.40A:14-185), a length of service award program may provide for the crediting of not more than 10 years of active emergency service periods prior to the establishment of such a program. Such credit may be granted to the active volunteer over as many years as deemed appropriate by the sponsoring agency, except that the total amount contributed in any one year shall not exceed the maximum amount allowed by law to be contributed by a sponsoring agency.

d. To provide credit for service prior to the establishment of the service award program, pursuant to subsection c. of this section, each sponsoring agency shall review the prior membership rosters of the emergency service organizations subject to the program to determine the number of years' credit for each participant who is entitled to credit. In making the analysis, the standards for active service set forth in subsection b. of this section and adopted by the sponsoring agency shall be used. The amount of the contribution provided to participants for past service may differ from the amount of the current contribution provided for under the plan. The definition of years of active emergency service shall be determined by the bylaws of the participating emergency service organization at the time service was earned. Approval for such prior service shall require certification by the duly designated persons, as determined and defined by the sponsoring agency of the participating emergency service organization. If an active volunteer member requests credit for service in more than one volunteer participating emergency service organization, each such emergency service organization shall provide a certification for the appropriate number of years. That credit may be awarded at the discretion
of the sponsoring agency of the plan in which the volunteer member seeks to apply the credit. In no event, however, shall a participant be credited for the same year of active emergency service in more than one service award program.

e. In computing credit for those active volunteer members who also serve as paid employees within a local government unit of the State, credit shall not be given for activities performed during the individual's regularly assigned work periods.

f. An active volunteer member whose name does not appear on the approved certification list or who is denied credit for service prior to the establishment of the service award program may appeal within 30 days of posting of the list or within 30 days of denial of past service credit. The appeal shall be in writing and mailed to the clerk or secretary of the governing body of that local government unit, which shall investigate the appeal. The decision of a participating emergency service organization shall be subject to appropriate judicial review.

C.40A:14-189 Award subject to contribution requirements.

7. a. Each active volunteer member's service award shall be subject to contribution requirements set forth in this section. In determining whether contribution requirements have been satisfied, all benefits provided under all service award programs instituted by a sponsoring agency shall be considered as one program. A program adopted by a sponsoring agency shall set contributions within these requirements.

b. A program shall have minimum and maximum contribution requirements as follows: the minimum contribution for each participating active volunteer member shall be $100 per year of active emergency service; and the maximum contribution for each active volunteer member shall be $1,150 per year of active emergency service, subject, however, to periodic increases permitted pursuant to subsection f. of section 3 of P.L.1997, c.388 (C.40A:14-185).

C.40A:14-190 Maintenance of records.

8. Each participating emergency service organization shall maintain all required records on forms prescribed by the requirements of the service award program.

C.40A:14-191 Annual certification list.

9. Each participating emergency service organization shall furnish to the sponsoring agency an annual certification list, certified under oath, of all volunteer members, which shall identify those active volunteer members who have qualified for credit under the award program for the previous year. This list shall be submitted annually. Notwithstanding the provisions of this
section, a volunteer member may request that the member's name be deleted from the list as a participant in the length of service award program. A request for deletion shall be in writing and shall remain effective until withdrawn in the same manner.

C.40A:14-192 Review of annual certification list.

10. The sponsoring agency shall review the annual certification list of each participating emergency service organization and approve the final annual certification. The approved list of active certified volunteer members shall then be returned to each participating emergency service organization and posted for at least 30 days for review by members. The emergency service organization shall provide any information concerning the annual certification list that the sponsoring agency shall require as part of its review.

C.40A:14-193 Existing programs deemed valid; conditions for continuation.

11. Any length of service award program that involves any form of insurance or annuity program in existence prior to the effective date of this act is deemed valid in all respects, and may continue to operate subject to the following conditions:
   a. That the director be notified of the existence of the program and its benefits within 60 days of the effective date of this act;
   b. That within 180 days of being notified by the director to do so, the sponsoring agency shall file with the director documentation that demonstrates its program has been brought into compliance with this act, provided, however that such sponsoring agency need not comply with subsection c. of section 3 of P.L.1997, c.388 (C.40A:14-185), and further provided, however, that any existing defined benefit annuity programs may be continued, but only with benefit levels whereby participants who vested prior to the effective date of P.L.1997, c.388 (C.40A:14-183 et al.) with benefits in excess of $750 per month shall not receive or be entitled to benefits in excess of the benefits level in existence as of the effective date of P.L.1997, c.388 (C.40A:14-183 et al.), and participants who vest subsequent to the effective date of P.L.1997, c.388 (C.40A:14-183 et al.) shall not receive a benefit in excess of $750 per month which level may be adjusted by the means provided in subsection f. of section 3 of P.L.1997, c.388 (C.40A:14-185); and
   c. Any benefit vested in a participant of a length of service award program prior to the effective date of this act shall be exempt from the contribution and benefit limitations of sections 4 and 7 of P.L.1997, c.388 (C.40A:14-186 and C.40A:14-189) and shall be deemed valid in all respects from program inception.

C. 27:12B-5.2 Standing operating rules, procedures for entering into contracts by Highway Authority.

1. a. The New Jersey Highway Authority, in the exercise of its authority to make and enter into contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers, shall adopt standing operating rules and procedures providing that, except as hereinafter provided, no contract on behalf of the authority shall be entered into for the doing of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds the sum of $7,500.00 or, after June 30, 1985, the amount determined pursuant to subsection b. of this section unless the authority shall first publicly advertise for bids therefor, and shall award the contract to the lowest responsible bidder; provided, however, that such advertising shall not be required where the contract to be entered into is one for the furnishing or performing of services of a professional nature or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Board of Public Utilities of this State and tariffs and schedules of the charges, made, charged, or exacted by the public utility for any such products to be supplied or services to be rendered are filed with the said board. Contracts for towing and storage services shall be advertised and awarded pursuant to subsection c. of this section.

This subsection shall not prevent the authority from having any work done by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience require, or the exigency of the authority's service will not admit of such advertisement. b. Commencing January 1, 1985, the Governor, in consultation with the Department of the Treasury, shall, no later than March 1 of each odd-numbered year, adjust the threshold amount set forth in subsection a. of this section, or subsequent to 1985 the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the consumer price index for all urban consumers in the New York City and the Philadelphia areas as reported by the United States Department of

Nor do those subsections apply to transportation directly to or from exhibitions or demonstrations authorized under the law of another jurisdiction, provided that the superintendent has been given 30 days' notice and that the transportation is in compliance with safety regulations the superintendent may promulgate.

e. Nothing in subsections b., c. and d. of N.J.S.2C:39-5 shall be construed to prevent a person keeping or carrying about his place of business, residence, premises or other land owned or possessed by him, any firearm, or from carrying the same, in the manner specified in subsection g. of this section, from any place of purchase to his residence or place of business, between his dwelling and his place of business, between one place of business or residence and another when moving, or between his dwelling or place of business and place where such firearms are repaired, for the purpose of repair. For the purposes of this section, a place of business shall be deemed to be a fixed location.

f. Nothing in subsections b., c. and d. of N.J.S.2C:39-5 shall be construed to prevent:

(1) A member of any rifle or pistol club organized in accordance with the rules prescribed by the National Board for the Promotion of Rifle Practice, in going to or from a place of target practice, carrying such firearms as are necessary for said target practice, provided that the club has filed a copy of its charter with the superintendent and annually submits a list of its members to the superintendent and provided further that the firearms are carried in the manner specified in subsection g. of this section;

(2) A person carrying a firearm or knife in the woods or fields or upon the waters of this State for the purpose of hunting, target practice or fishing, provided that the firearm or knife is legal and appropriate for hunting or
fishing purposes in this State and he has in his possession a valid hunting
license, or, with respect to fresh water fishing, a valid fishing license;

(3) A person transporting any firearm or knife while traveling:
(a) Directly to or from any place for the purpose of hunting or fishing, provided the person has in his possession a valid hunting or fishing license;

(b) Directly to or from any target range, or other authorized place for the purpose of practice, match, trap or skeet shooting exhibitions, provided in all cases that during the course of the travel all firearms are carried in the manner specified in subsection g. of this section and the person has complied with all the provisions and requirements of Title 23 of the Revised Statutes and any amendments thereto and all rules and regulations promulgated thereunder; or

(c) In the case of a firearm, directly to or from any exhibition or display of firearms which is sponsored by any law enforcement agency, any rifle or pistol club, or any firearms collectors club, for the purpose of displaying the firearms to the public or to the members of the organization or club, provided, however, that not less than 30 days prior to the exhibition or display, notice of the exhibition or display shall be given to the Superintendent of the State Police by the sponsoring organization or club, and the sponsor has complied with such reasonable safety regulations as the superintendent may promulgate. Any firearms transported pursuant to this section shall be transported in the manner specified in subsection g. of this section;

(4) A person from keeping or carrying about a private or commercial aircraft or any boat, or from transporting to or from such vessel for the purpose of installation or repair a visual distress signalling device approved by the United States Coast Guard.

(g) All weapons being transported under paragraph (2) of subsection b., subsection e., or paragraph (1) or (3) of subsection f. of this section shall be carried unloaded and contained in a closed and fastened case, gunbox, securely tied package, or locked in the trunk of the automobile in which it is being transported, and in the course of travel shall include only such deviations as are reasonably necessary under the circumstances.

(h) Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent any employee of a public utility, as defined in R.S.48:2-13, doing business in this State or any United States Postal Service employee, while in the actual performance of duties which specifically require regular and frequent visits to private premises, from possessing, carrying or using any device which projects, releases or emits any substance specified as being noninjurious to canines or other animals by the Commissioner of Health and Senior Services and which immobilizes only on a temporary basis and
produces only temporary physical discomfort through being vaporized or otherwise dispensed in the air for the sole purpose of repelling canine or other animal attacks.

The device shall be used solely to repel only those canine or other animal attacks when the canines or other animals are not restrained in a fashion sufficient to allow the employee to properly perform his duties.

Any device used pursuant to this act shall be selected from a list of products, which consist of active and inert ingredients, permitted by the Commissioner of Health and Senior Services.

i. Nothing in N.J.S.2C:39-5 shall be construed to prevent any person who is 18 years of age or older and who has not been convicted of a felony, from possession for the purpose of personal self-defense of one pocket-sized device which contains and releases not more than three-quarters of an ounce of chemical substance not ordinarily capable of lethal use or of inflicting serious bodily injury, but rather, is intended to produce temporary physical discomfort or disability through being vaporized or otherwise dispensed in the air. Any person in possession of any device in violation of this subsection shall be deemed and adjudged to be a disorderly person, and upon conviction thereof, shall be punished by a fine of not less than $100.00.

j. A person shall qualify for an exemption from the provisions of N.J.S.2C:39-5, as specified under subsections a. and c. of this section, if the person has satisfactorily completed a firearms training course approved by the Police Training Commission.

Such exempt person shall not possess or carry a firearm until the person has satisfactorily completed a firearms training course and shall annually qualify in the use of a revolver or similar weapon. For purposes of this subsection, a "firearms training course" means a course of instruction in the safe use, maintenance and storage of firearms which is approved by the Police Training Commission. The commission shall approve a firearms training course if the requirements of the course are substantially equivalent to the requirements for firearms training provided by police training courses which are certified under section 6 of P.L.1961, c.56 (C.52:17B-71). A person who is specified in paragraph (1), (2), (3) or (6) of subsection a. of this section shall be exempt from the requirements of this subsection.

k. Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent any financial institution, or any duly authorized personnel of the institution, from possessing, carrying or using for the protection of money or property, any device which projects, releases or emits tear gas or other substances intended to produce temporary physical discomfort or temporary identification.

l. Nothing in subsection b. of N.J.S.2C:39-5 shall be construed to prevent a law enforcement officer who retired in good standing, including
a retirement because of a disability pursuant to section 6 of P.L. 1944, c. 255 (C. 43:16A-6), section 7 of P.L. 1944, c. 255 (C. 43:16A-7), section 1 of P.L. 1989, c. 103 (C. 43:16A-6.1) or any substantially similar statute governing the disability retirement of federal law enforcement officers, provided the officer was a regularly employed, full-time law enforcement officer for an aggregate of five or more years prior to his disability retirement and further provided that the disability which constituted the basis for the officer's retirement did not involve a certification that the officer was mentally incapacitated for the performance of his usual law enforcement duties and any other available duty in the department which his employer was willing to assign to him or does not subject that retired officer to any of the disabilities set forth in subsection c. of N.J.S. 2C:58-3 which would disqualify the retired officer from possessing or carrying a firearm, who semi-annually qualifies in the use of the handgun he is permitted to carry in accordance with the requirements and procedures established by the Attorney General pursuant to subsection j. of this section and pays the actual costs associated with those semi-annual qualifications, who is less than 70 years of age, and who was regularly employed as a full-time member of the State Police; a full-time member of an interstate police force; a full-time member of a county or municipal police department in this State; a full-time member of a State law enforcement agency; a full-time sheriff, undersheriff or sheriff's officer of a county of this State; a full-time State or county corrections officer; a full-time county park police officer; a full-time county prosecutor's detective or investigator; or a full-time federal law enforcement officer from carrying a handgun in the same manner as law enforcement officers exempted under paragraph (7) of subsection a. of this section under the conditions provided herein:

(1) The retired law enforcement officer, within six months after retirement, shall make application in writing to the Superintendent of State Police for approval to carry a handgun for one year. An application for annual renewal shall be submitted in the same manner.

(2) Upon receipt of the written application of the retired law enforcement officer, the superintendent shall request a verification of service from the chief law enforcement officer of the organization in which the retired officer was last regularly employed as a full-time law enforcement officer prior to retiring. The verification of service shall include:

(a) The name and address of the retired officer;
(b) The date that the retired officer was hired and the date that the officer retired;
(c) A list of all handguns known to be registered to that officer;
(d) A statement that, to the reasonable knowledge of the chief law enforcement officer, the retired officer is not subject to any of the restrictions set forth in subsection c. of N.J.S.2C:58-3; and

(e) A statement that the officer retired in good standing.

(3) If the superintendent approves a retired officer’s application or reapplication to carry a handgun pursuant to the provisions of this subsection, the superintendent shall notify in writing the chief law enforcement officer of the municipality wherein that retired officer resides. In the event the retired officer resides in a municipality which has no chief law enforcement officer or law enforcement agency, the superintendent shall maintain a record of the approval.

(4) The superintendent shall issue to an approved retired officer an identification card permitting the retired officer to carry a handgun pursuant to this subsection. This identification card shall be valid for one year from the date of issuance and shall be valid throughout the State. The identification card shall not be transferable to any other person. The identification card shall be carried at all times on the person of the retired officer while the retired officer is carrying a handgun. The retired officer shall produce the identification card for review on the demand of any law enforcement officer or authority.

(5) Any person aggrieved by the denial of the superintendent of approval for a permit to carry a handgun pursuant to this subsection may request a hearing in the Superior Court of New Jersey in the county in which he resides by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent and the county prosecutor. The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination of such a hearing shall be in accordance with law and the rules governing the courts of this State.

(6) A judge of the Superior Court may revoke a retired officer’s privilege to carry a handgun pursuant to this subsection for good cause shown on the application of any interested person. A person who becomes subject to any of the disabilities set forth in subsection c. of N.J.S.2C:58-3 shall surrender, as prescribed by the superintendent, his identification card issued under paragraph (4) of this subsection to the chief law enforcement officer of the municipality wherein he resides or the superintendent, and shall be permanently disqualified to carry a handgun under this subsection.

(7) The superintendent may charge a reasonable application fee to retired officers to offset any costs associated with administering the application process set forth in this subsection.

m. Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent duly authorized personnel of the New Jersey Division of Fish,
Game and Wildlife, while in the actual performance of duties, from possessing, transporting or using any device that projects, releases or emits any substance specified as being non-injurious to wildlife by the Director of the Division of Animal Health in the Department of Agriculture, and which may immobilize wildlife and produces only temporary physical discomfort through being vaporized or otherwise dispensed in the air for the purpose of repelling bear or other animal attacks or for the aversive conditioning of wildlife.

n. Nothing in subsection b., c., d. or e. of N.J.S.2C:39-5 shall be construed to prevent duly authorized personnel of the New Jersey Division of Fish, Game and Wildlife, while in the actual performance of duties, from possessing, transporting or using any device that projects, releases or emits any substance specified as being non-injurious to wildlife by the Director of the Division of Animal Health in the Department of Agriculture, and which may immobilize wildlife and produces only temporary physical discomfort through being vaporized or otherwise dispensed in the air for the purpose of repelling bear or other animal attacks or for the aversive conditioning of wildlife.

2. This act shall take effect immediately.

limited, through the imposition under that retirement system of a restriction on the maximum amount of the annual salary of the former member that was eligible to be considered for pension purposes, to an amount less than the amount of pension which the former member would have been eligible to receive from the retirement system in the absence of that restriction, and (2) is employed again in a position which, except as otherwise provided by P.L.1968, c.23, makes the person eligible to be a member of the Public Employees' Retirement System established by P.L.1954, c.84 (C.43:15A-1 et seq.), then the person shall be entitled to be enrolled in the Public Employees' Retirement System upon repayment to the former retirement system of the total amount of any payments of pension that the person shall have received therefrom and submission to that former retirement system of a waiver, in such form as the former system shall require, of all rights and benefits which would otherwise be provided by the former retirement system. The waiver shall be effective from the date of its receipt by the former retirement system. The application of the person for enrollment in the Public Employees' Retirement System shall be filed with the retirement system not later than the 180th day following the effective date of P.L.1997, c.394 and shall include a copy of the waiver and proof, in such form as the Public Employees' Retirement System shall require, of the repayment of benefits to the former retirement system in accordance with the provisions of this subsection.

b. Upon receipt of an application for enrollment under the provisions of subsection a. of this section, the Public Employees' Retirement System shall enroll the applicant as a member thereof and shall notify the former retirement system of such enrollment. Within 180 days of its receipt of that notice, the former retirement system shall remit to the Public Employees' Retirement System an amount consisting of (1) the total of all contributions which shall have been deducted from the salary of the person during membership in the former retirement system, with interest at the annual rate of 6% compounded annually, and (2) the pro rata portion of all contributions to the former retirement system by the former employer of the person during such membership in that former retirement system that is applicable to that membership, with interest at the annual rate of 6%, compounded annually. The Public Employees' Retirement System shall enter the respective sums so remitted to the credit of the member in the annuity savings fund of that retirement system and to the credit of employers of the member in the contingent reserve fund of that retirement system.

c. Any credit for public service previously established by the member in the former retirement system shall be established in the Public Employees' Retirement System. If the amounts remitted to the Public Employees' Retirement System under subsection b. of this section are insufficient to
provide for the full cost of establishing that credit in the Public Employees' Retirement System, then the amount of that deficiency shall be payable by the member. Payment to the Public Employees' Retirement System by the member of the amount of any liability of the member under this subsection may be made in a lump sum or through regular deductions from the member's salary that will provide for full payment of the liability, with regular interest, over such period of time as the member may select, but not exceeding five years. The Public Employees' Retirement System shall enter the sum or sums so remitted to the credit of the member in the annuity savings fund of that retirement system.

If the member retires from the Public Employees' Retirement System prior to completing payment under this subsection of the member's liability for the cost of establishing full credit in that retirement system for service credit previously established in the former retirement system, the member shall receive pro rata credit for service in proportion to the payments made by the member prior to the date of retirement, but if the member so elects at the time of retirement, the member may make an additional lump-sum payment required at that time to provide full credit.

d. An employee enrolled in the Public Employees' Retirement System under subsection b. of this section on the basis of service in a position covered by that retirement system may purchase credit in the retirement system for all or any portion of such service rendered prior to the date of enrollment. The purchase shall be made in the same manner and subject to the same terms and conditions provided for the purchase of previous membership service by section 8 of P.L.1954, c.84 (C.43:15A-8).

2. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Chapter 5 of Title 12A of the New Jersey Statutes (N.J.S.12A:5-101 through 12A:5-117, including any amendments or supplements thereto) is repealed and replaced as follows:

CHAPTER 5.
LETTERS OF CREDIT

PART 1
SHORT TITLE AND GENERAL MATTERS

Short title.
12A:5-101. Short Title.
This chapter may be cited as "Uniform Commercial Code--Letters of Credit."

Definitions.

a. As used in this chapter:
(1) "Adviser" means a person who, at the request of the issuer, a confirmer, or another adviser, notifies or requests another adviser to notify the beneficiary that a letter of credit has been issued, confirmed, or amended.
(2) "Applicant" means a person at whose request or for whose account a letter of credit is issued. The term includes a person who requests an issuer to issue a letter of credit on behalf of another if the person making the request undertakes an obligation to reimburse the issuer.
(3) "Beneficiary" means a person who under the terms of a letter of credit is entitled to have its complying presentation honored. The term includes a person to whom drawing rights have been transferred under a transferable letter of credit.
(4) "Confirmer" means a nominated person who undertakes, at the request or with the consent of the issuer, to honor a presentation under a letter of credit issued by another.
(5) "Dishonor" of a letter of credit means failure timely to honor or to take an interim action, such as acceptance of a draft, that may be required by the letter of credit.
(6) "Document" means a draft or other demand, document of title, investment security, certificate, invoice, or other record, statement, or representation of fact, law, right, or opinion (a) which is presented in a written or other medium permitted by the letter of credit or, unless prohibited by the letter of credit, by the standard practice referred to in subsection e. of 12A:5-108; and (b) which is capable of being examined for
compliance with the terms and conditions of the letter of credit. A document may not be oral.

(7) "Good faith" means honesty in fact in the conduct or transaction concerned.

(8) "Honor" of a letter of credit means performance of the issuer's undertaking in the letter of credit to pay or deliver an item of value. Unless the letter of credit otherwise provides, "honor" occurs:

(a) upon payment;
(b) if the letter of credit provides for acceptance, upon acceptance of a draft and, at maturity, its payment; or
(c) if the letter of credit provides for incurring a deferred obligation, upon incurring the obligation and, at maturity, its performance.

(9) "Issuer" means a bank or other person that issues a letter of credit, but does not include an individual who makes an engagement for personal, family, or household purposes.

(10) "Letter of credit" means a definite undertaking that satisfies the requirements of 12A:5-104 by an issuer to a beneficiary at the request or for the account of an applicant or, in the case of a financial institution, to itself or for its own account, to honor a documentary presentation by payment or delivery of an item of value.

(11) "Nominated person" means a person whom the issuer (a) designates or authorizes to pay, accept, negotiate, or otherwise give value under a letter of credit and (b) undertakes by agreement or custom and practice to reimburse.

(12) "Presentation" means delivery of a document to an issuer or nominated person for honor or giving of value under a letter of credit.

(13) "Presenter" means a person making a presentation as or on behalf of a beneficiary or nominated person.

(14) "Record" means information that is inscribed on a tangible medium, or that is stored in an electronic or other medium and is retrievable in perceivable form.

(15) "Successor of a beneficiary" means a person who succeeds to substantially all of the rights of a beneficiary by operation of law, including a corporation with or into which the beneficiary has been merged or consolidated, an administrator, executor, personal representative, trustee in bankruptcy, debtor in possession, liquidator, and receiver.

b. Definitions in other chapters applying to this chapter and the sections in which they appear are:

"Acceptance" 12A:3-409
"Value" 12A:3-303, 12A:4-211.
c. N.J.S.12A:1-101 et seq. contains certain additional general definitions and principles of construction and interpretation applicable throughout this chapter.

Scope.

12A:5-103. Scope.

a. This chapter applies to letters of credit and to certain rights and obligations arising out of transactions involving letters of credit.

b. The statement of a rule in this chapter does not by itself require, imply, or negate application of the same or a different rule to a situation not provided for, or to a person not specified, in this chapter.

c. With the exception of this subsection and subsections a. and d. of this section, paragraphs (9) and (10) of subsection a. of 12A:5-102, subsection d. of 12A:5-106 and subsection d. of 12A:5-114, and except to the extent prohibited in subsection (3) of 12A:1-102 and subsection d. of 12A:5-117, the effect of this chapter may be varied by agreement or by a provision stated or incorporated by reference in an undertaking. A term in an agreement or undertaking generally excusing liability or generally limiting remedies for failure to perform obligations is not sufficient to vary obligations prescribed by this chapter.

d. Rights and obligations of an issuer to a beneficiary or a nominated person under a letter of credit are independent of the existence, performance, or nonperformance of a contract or arrangement out of which the letter of credit arises or which underlies it, including contracts or arrangements between the issuer and the applicant and between the applicant and the beneficiary.

Formal requirements.

12A:5-104. Formal Requirements. A letter of credit, confirmation, advice, transfer, amendment, or cancellation may be issued in any form that is a record and is authenticated (a) by a signature; or (b) in accordance with the agreement of the parties or the standard practice referred to in subsection e. of 12A:5-108.

Consideration.

12A:5-105. Consideration. Consideration is not required to issue, amend, transfer, or cancel a letter of credit, advice, or confirmation.

Issuance, amendment, cancellation, and duration.

12A:5-106. Issuance, Amendment, Cancellation, and Duration.

a. A letter of credit is issued and becomes enforceable according to its terms against the issuer when the issuer sends or otherwise transmits it to the person requested to advise or to the beneficiary. A letter of credit is revocable only if it so provides.
b. After a letter of credit is issued, rights and obligations of a beneficiary, applicant, confirmer, and issuer are not affected by an amendment or cancellation to which that person has not consented except to the extent the letter of credit provides that it is revocable or that the issuer may amend or cancel the letter of credit without that consent.

c. If there is no stated expiration date or other provision that determines its duration, a letter of credit expires one year after its stated date of issuance or, if none is stated, after the date on which it is issued.

d. A letter of credit that states that it is perpetual expires five years after its stated date of issuance, or if none is stated, after the date on which it is issued.

Confirming, nominated person, and adviser.

a. A confirmer is directly obligated on a letter of credit and has the rights and obligations of an issuer to the extent of its confirmation. The confirmer also has rights against and obligations to the issuer as if the issuer were an applicant and the confirmer had issued the letter of credit at the request and for the account of the issuer.

b. A nominated person who is not a confirmer is not obligated to honor or otherwise give value for a presentation.

c. A person requested to advise may decline to act as an adviser. An adviser that is not a confirmer is not obligated to honor or give value for a presentation. An adviser undertakes to the issuer and to the beneficiary accurately to advise the terms of the letter of credit, confirmation, amendment, or advice received by that person and undertakes to the beneficiary to check the apparent authenticity of the request to advise. Even if the advice is inaccurate, the letter of credit, confirmation, or amendment is enforceable as issued.

d. A person who notifies a transferee beneficiary of the terms of a letter of credit, confirmation, amendment, or advice has the rights and obligations of an adviser under subsection c. of this section. The terms in the notice to the transferee beneficiary may differ from the terms in any notice to the transferor beneficiary to the extent permitted by the letter of credit, confirmation, amendment, or advice received by the person who so notifies.

Issuer's rights and obligations.

a. Except as otherwise provided in 12A:5-109, an issuer shall honor a presentation that, as determined by the standard practice referred to in subsection e. of this section, appears on its face strictly to comply with the terms and conditions of the letter of credit. Except as otherwise provided
in 12A:5-113 and unless otherwise agreed with the applicant, an issuer shall
dishonor a presentation that does not appear so to comply.
b. An issuer has a reasonable time after presentation, but not beyond
the end of the seventh business day of the issuer after the day of its receipt
of documents:
   (1) to honor;
   (2) if the letter of credit provides for honor to be completed more than
    seven business days after presentation, to accept a draft or incur a deferred
    obligation; or
   (3) to give notice to the presenter of discrepancies in the presentation.
c. Except as otherwise provided in subsection d. of this section, an
issuer is precluded from asserting as a basis for dishonor any discrepancy if
timely notice is not given, or any discrepancy not stated in the notice if
 timely notice is given.
d. Failure to give the notice specified in subsection b. of this section
or to mention fraud, forgery, or expiration in the notice does not preclude
the issuer from asserting as a basis for dishonor, fraud or forgery as
described in subsection a. of 12A:5-109 or expiration of the letter of credit
before presentation.
e. An issuer shall observe standard practice of financial institutions
that regularly issue letters of credit. Determination of the standard practice
is a matter of interpretation for the court. The court shall offer the parties a
reasonable opportunity to present evidence of the standard practice.
f. An issuer is not responsible for:
   (1) the performance or nonperformance of the underlying contract,
    arrangement, or transaction;
   (2) an act or omission of others; or
   (3) observance or knowledge of the usage of a particular trade other
    than the standard practice referred to in subsection e. of this section.
g. If an undertaking constituting a letter of credit under paragraph (10)
of subsection a. of 12A:5-102 contains nondocumentary conditions, an
issuer shall disregard the nondocumentary conditions and treat them as if
they were not stated.
h. An issuer that has dishonored a presentation shall return the
documents or hold them at the disposal of, and send advice to that effect to,
the presenter.
i. An issuer that has honored a presentation as permitted or required
by this chapter:
   (1) is entitled to be reimbursed by the applicant in immediately
    available funds not later than the date of its payment of funds;
   (2) takes the documents free of claims of the beneficiary or presenter;
(3) is precluded from asserting a right of recourse on a draft under 12A:3-414 and 12A:3-415;

(4) except as otherwise provided in 12A:5-110 and 12A:5-117, is precluded from restitution of money paid or other value given by mistake to the extent the mistake concerns discrepancies in the documents or tender which are apparent on the face of the presentation; and

(5) is discharged to the extent of its performance under the letter of credit unless the issuer honored a presentation in which a required signature of a beneficiary was forged.

Fraud and forgery.

12A:5-109. Fraud and Forgery.

a. If a presentation is made that appears on its face strictly to comply with the terms and conditions of the letter of credit, but a required document is forged or materially fraudulent, or honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant:

(1) the issuer shall honor the presentation, if honor is demanded by (a) a nominated person who has given value in good faith and without notice of forgery or material fraud, (b) a confirmor who has honored its confirmation in good faith, (c) a holder in due course of a draft drawn under the letter of credit which was taken after acceptance by the issuer or nominated person, or (d) an assignee of the issuer's or nominated person's deferred obligation that was taken for value and without notice of forgery or material fraud after the obligation was incurred by the issuer or nominated person; and

(2) the issuer, acting in good faith, may honor or dishonor the presentation in any other case.

b. If an applicant claims that a required document is forged or materially fraudulent or that honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant, a court of competent jurisdiction may temporarily or permanently enjoin the issuer from honoring a presentation or grant similar relief against the issuer or other persons only if the court finds that:

(1) the relief is not prohibited under the law applicable to an accepted draft or deferred obligation incurred by the issuer;

(2) a beneficiary, issuer, or nominated person who may be adversely affected is adequately protected against loss that it may suffer because the relief is granted;

(3) all of the conditions to entitle a person to the relief under the law of this State have been met; and

(4) on the basis of the information submitted to the court, the applicant is more likely than not to succeed under its claim of forgery or material fraud.
fraud and the person demanding honor does not qualify for protection under paragraph (1) of subsection a. of this section.

Warranties.

12A:5-110. Warranties.

a. If its presentation is honored, any other person to whom presentation is made, and the applicant that there is no fraud or forgery of the kind described in subsection a. of 12A:5-109; and

b. The warranties in subsection a. of this section are in addition to warranties arising under 12A:3-101 et seq., 12A:4-101 et seq., 12A:7-101 et seq. and 12A:8-101 et seq. because of the presentation or transfer of documents covered by any of those chapters.

Remedies.

12A:5-111. Remedies.

a. If an issuer wrongfully dishonors or repudiates its obligation to pay money under a letter of credit before presentation, the beneficiary, successor, or nominated person presenting on its own behalf may recover from the issuer the amount that is the subject of the dishonor or repudiation. If the issuer's obligation under the letter of credit is not for the payment of money, the claimant may obtain specific performance or, at the claimant's election, recover an amount equal to the value of performance from the issuer. In either case, the claimant may also recover incidental but not consequential damages. The claimant is not obligated to take action to avoid damages that might be due from the issuer under this subsection. If, although not obligated to do so, the claimant avoids damages, the claimant's recovery from the issuer must be reduced by the amount of damages avoided. The issuer has the burden of proving the amount of damages avoided. In the case of repudiation, the claimant need not present any document.

b. If an issuer wrongfully dishonors a draft or demand presented under a letter of credit or honors a draft or demand in breach of its obligation to the applicant, the applicant may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved as a result of the breach.

c. If an adviser or nominated person other than a confirmer breaches an obligation under this chapter or an issuer breaches an obligation not covered in subsection a. or b. of this section, a person to whom the obligation is owed may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved
as a result of the breach. To the extent of the confirmation, a confirmer has
the liability of an issuer specified in this subsection and subsections a. and
b. of this section.

d. An issuer, nominated person, or adviser who is found liable under
subsection a., b., or c. of this section shall pay interest on the amount owed
thereunder from the date of wrongful dishonor or other appropriate date.

e. Reasonable attorney's fees and other expenses of litigation may be
awarded to the prevailing party in an action in which a remedy is sought
under this chapter.

f. Damages that would otherwise be payable by a party for breach of
an obligation under this chapter may be liquidated by agreement or
undertaking, but only in an amount or by a formula that is reasonable in
light of the harm anticipated.

Transfer of letter of credit.

12A:5-112. Transfer of Letter of Credit.

a. Except as otherwise provided in 12A:5-113, unless a letter of credit
provides that it is transferable, the right of a beneficiary to draw or otherwise
demand performance under a letter of credit may not be transferred.

b. Even if a letter of credit provides that it is transferable, the issuer
may refuse to recognize or carry out a transfer if:

(1) the transfer would violate applicable law; or

(2) the transferor or transferee has failed to comply with any require­
ment stated in the letter of credit or any other requirement relating to transfer
imposed by the issuer which is within the standard practice referred to in
subsection e. of 12A:5-108 or is otherwise reasonable under the circum­
stances.

Transfer by operation of law.

12A:5-113. Transfer by Operation of Law.

a. A successor of a beneficiary may consent to amendments, sign and
present documents, and receive payment or other items of value in the name
of the beneficiary without disclosing its status as a successor.

b. A successor of a beneficiary may consent to amendments, sign and
present documents, and receive payment or other items of value in its own
name as the disclosed successor of the beneficiary. Except as otherwise
provided in subsection e. of this section, an issuer shall recognize a
disclosed successor of a beneficiary as beneficiary in full substitution for its
predecessor upon compliance with the requirements for recognition by the
issuer of a transfer of drawing rights by operation of law under the standard
practice referred to in subsection e. of 12A:5-108 or, in the absence of such
a practice, compliance with other reasonable procedures sufficient to protect
the issuer.
c. An issuer is not obliged to determine whether a purported successor is a successor of a beneficiary or whether the signature of a purported successor is genuine or authorized.

d. Honor of a purported successor's apparently complying presentation under subsection a. or b. of this section has the consequences specified in subsection i. of 12A:5-108 even if the purported successor is not the successor of a beneficiary. Documents signed in the name of the beneficiary or of a disclosed successor by a person who is neither the beneficiary nor the successor of the beneficiary are forged documents for the purposes of 12A:5-109.

e. An issuer whose rights of reimbursement are not covered by subsection d. of this section or substantially similar law and any confirmer or nominated person may decline to recognize a presentation under subsection b. of this section.

f. A beneficiary whose name is changed after the issuance of a letter of credit has the same rights and obligations as a successor of a beneficiary under this section.

Assignment of proceeds.

a. In this section, "proceeds of a letter of credit" means the cash, check, accepted draft, or other item of value paid or delivered upon honor or giving of value by the issuer or any nominated person under the letter of credit. The term does not include a beneficiary's drawing rights or documents presented by the beneficiary.

b. A beneficiary may assign its right to part or all of the proceeds of a letter of credit. The beneficiary may do so before presentation as a present assignment of its right to receive proceeds contingent upon its compliance with the terms and conditions of the letter of credit.

c. An issuer or nominated person need not recognize an assignment of proceeds of a letter of credit until it consents to the assignment.

d. An issuer or nominated person has no obligation to give or withhold its consent to an assignment of proceeds of a letter of credit, but consent may not be unreasonably withheld if the assignee possesses and exhibits the letter of credit and presentation of the letter of credit is a condition to honor.

e. Rights of a transferee beneficiary or nominated person are independent of the beneficiary's assignment of the proceeds of a letter of credit and are superior to the assignee's right to the proceeds.

f. Neither the rights recognized by this section between an assignee and an issuer, transferee beneficiary, or nominated person, nor the issuer's or nominated person's payment of proceeds to an assignee or a third person, affect the rights between the assignee and any person other than the issuer,
transferee beneficiary, or nominated person. The mode of creating and perfecting a security interest in or granting an assignment of a beneficiary’s rights to proceeds is governed by 12A:9-101 et seq. or other law. Against persons other than the issuer, transferee beneficiary, or nominated person, the rights and obligations arising upon the creation of a security interest or other assignment of a beneficiary's right to proceeds and its perfection are governed by 12A:9-101 et seq. or other law.

Statute of limitations.
12A:5-115. Statute of Limitations. An action to enforce a right or obligation arising under this chapter must be commenced within one year after the expiration date of the relevant letter of credit or one year after the cause of action accrues, whichever occurs later. A cause of action accrues when the breach occurs, regardless of the aggrieved party's lack of knowledge of the breach.

Choice of law and forum.
   a. The liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed or otherwise authenticated by the affected parties in the manner provided in 12A:5-104 or by a provision in the person's letter of credit, confirmation, or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.
   b. Unless subsection a of this section applies, the liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction in which the person is located. The person is considered to be located at the address indicated in the person's undertaking. If more than one address is indicated, the person is considered to be located at the address from which the person's undertaking was issued. For the purpose of jurisdiction, choice of law, and recognition of interbranch letters of credit, but not enforcement of a judgment, all branches of a bank are considered separate juridical entities and a bank is considered to be located at the place where its relevant branch is considered to be located under this subsection.
   c. Except as otherwise provided in this subsection, the liability of an issuer, nominated person, or adviser is governed by any rules of custom or practice, such as the Uniform Customs and Practice for Documentary Credits, to which the letter of credit, confirmation, or other undertaking is expressly made subject. If (i) this chapter would govern the liability of an issuer, nominated person, or adviser under subsection a or b of this section, (ii) the relevant undertaking incorporates rules of custom or practice, and (iii) there is conflict between this chapter and those rules as applied to that
undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in subsection c. of 12A:5-103.

d. If there is conflict between this chapter, 12A:5-101 et seq., and 12A:3-101 et seq., 12A:4-101 et seq., 12A:4A-101 et seq., or 12A:9-101 et seq., this chapter governs.

e. The forum for settling disputes arising out of an undertaking within this chapter may be chosen in the manner and with the binding effect that governing law may be chosen in accordance with subsection a. of this section.

Subrogation of issuer, applicant, and nominated person.

12A:5-117. Subrogation of Issuer, Applicant, and Nominated Person.

a. An issuer that honors a beneficiary's presentation is subrogated to the rights of the beneficiary to the same extent as if the issuer were a secondary obligor of the underlying obligation owed to the beneficiary; and of the applicant, to the same extent as if the issuer were the secondary obligor of the underlying obligation owed to the applicant.

b. An applicant that reimburses an issuer is subrogated to the rights of the issuer against any beneficiary, presenter, or nominated person to the same extent as if the applicant were the secondary obligor of the obligations owed to the issuer and has the rights of subrogation of the issuer to the rights of the beneficiary stated in subsection a. of this section.

c. A nominated person who pays or gives value against a draft or demand presented under a letter of credit is subrogated to the rights of:

(1) the issuer against the applicant to the same extent as if the nominated person were a secondary obligor of the obligation owed to the issuer by the applicant;

(2) the beneficiary to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the beneficiary; and

(3) the applicant to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the applicant.

d. Notwithstanding any agreement or term to the contrary, the rights of subrogation stated in subsections a. and b. of this section do not arise until the issuer honors the letter of credit or otherwise pays and the rights in subsection c. of this section do not arise until the nominated person pays or otherwise gives value. Until then, the issuer, nominated person, and the applicant do not derive under this section present or prospective rights forming the basis of a claim, defense, or excuse.

2. N.J.S.12A:1-105 is amended to read as follows:
Territorial application of the act; parties' power to choose applicable law.

12A:1-105. Territorial application of the act; parties' power to choose applicable law.

(1) Except as provided hereafter in this section, when a transaction bears a reasonable relation to this State and also to another state or nation the parties may agree that the law either of this State or of such other state or nation shall govern their rights and duties. Failing such agreement this act applies to transactions bearing an appropriate relation to this State.

(2) Where one of the following provisions of this act specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:
   Rights of creditors against sold goods. 12A:2-402.
   Applicability of the Chapter on Bank Deposits and Collections. 12A:4-102.
   Governing law in the Chapter on Funds Transfers. 12A:4A-507.
   Letters of Credit. 12A:5-116.
   Applicability of the Chapter on Investment Securities. 12A:8-110.
   Perfection provisions of the Chapter on Secured Transactions. 12A:9-103.

3. N.J.S.12A:2-512 is amended to read as follows:

Payment by buyer before inspection; exceptions.

12A:2-512. (1) Where the contract requires payment before inspection, non-conformity of the goods does not excuse the buyer from so making payment unless
   (a) the non-conformity appears without inspection; or
   (b) despite tender of the required documents the circumstances would justify injunction against honor under the provisions of subsection b. of 12A:5-109.

(2) Payment pursuant to subsection (1) does not constitute an acceptance of goods or impair the buyer's right to inspect or any of his remedies.

4. N.J.S.12A:9-103 is amended to read as follows:

Perfection of security interests in multiple state transactions.

(1) Documents, instruments, letters of credit, and ordinary goods.
(a) This subsection applies to documents, instruments, rights to proceeds of written letters of credit, and goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until 30 days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the 30-day period.

(d) When collateral is brought into and kept in this State while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by subchapter 3 of this chapter to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four months after the collateral is brought into this State, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of 12A:9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this State or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the
certificate until four months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this State and thereafter covered by a certificate of title issued by this State is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this State while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this State and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that he gives value and receives delivery of the goods after issuance of the certificate and without the knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) on minerals) and general intangibles (other than uncertificated securities) and to goods which are mobile and which are of a type normally used in more than one jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like, if the goods are equipment or are inventory leased or held for lease by the debtor to others, and are not covered by a certificate of title described in subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdiction in which the debtor is located governs the perfection and the effect of perfection or nonperfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part of the United States, and which does not provide for perfection of the security interest by filing or recording in that jurisdiction, the law of the jurisdiction in the United States in which the debtor has its major executive office in the United States governs the perfection and the effect of perfection or nonperfection of the security interest through filing. In the alternative, if the debtor is located in a jurisdiction which is not a part of the United States or Canada and the collateral is accounts or general intangibles for money due or to become due, the security interest may be perfected by notification.
to the account debtor. As used in this paragraph, "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at his place of business if he has one, at his chief executive office if he has more than one place of business, otherwise at his residence. If, however, the debtor is a foreign air carrier under the Federal Aviation Act of 1958, 49 U.S.C. ss.1301 et seq., as amended, it shall be deemed located at the designated office of the agent upon whom service of process may be made on behalf of the foreign air carrier.

(e) A security interest perfected under the law of the jurisdiction of the location of the debtor is perfected until the expiration of four months after a change of the debtor's location to another jurisdiction, or until perfection would have ceased by the law of the first jurisdiction, whichever period first expires. Unless perfected in the new jurisdiction before the end of that period, it becomes unperfected thereafter and is deemed to have been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper.

The rules stated for goods in subsection (1) apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) apply to a nonpossessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals.

Perfection and the effect of perfection or nonperfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Investment property.

(a) This subsection applies to investment property.

(b) Except as otherwise provided in paragraph (f), during the time that a security certificate is located in a jurisdiction, perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in the certificated security represented thereby are governed by the local law of that jurisdiction.

(c) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in an uncertificated security are governed by the local law of the issuer's jurisdiction as specified in subsection d. of 12A:8-110.

(d) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in a security entitlement or securities account are
governed by the local law of the securities intermediary's jurisdiction as specified in subsection e. of 12A:8-110.

(e) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or non-perfection, and the priority of a security interest in a commodity contract or commodity account are governed by the local law of the commodity intermediary's jurisdiction. The following rules determine a "commodity intermediary's jurisdiction" for purposes of this paragraph:

(i) If an agreement between the commodity intermediary and commodity customer specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(ii) If an agreement between the commodity intermediary and commodity customer does not specify the governing law as provided in subparagraph (i) of this paragraph, but expressly specifies that the commodity account is maintained at an office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(iii) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii) of this paragraph, the commodity intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the commodity customer's account.

(iv) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii) of this paragraph and an account statement does not identify an office serving the commodity customer's account as provided in subparagraph (iii) of this paragraph, the commodity intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the commodity intermediary.

(f) Perfection of a security interest by filing, automatic perfection of a security interest in investment property granted by a broker or securities intermediary, and automatic perfection of a security interest in a commodity contract or commodity account granted by a commodity intermediary are governed by the local law of the jurisdiction in which the debtor is located.

5. N.J.S.12A:9-104 is amended to read as follows:

Nonapplicability of chapter.

12A:9-104. This chapter does not apply

(a) To a security interest subject to any statute of the United States such as the Ship Mortgage Act, 1920, to the extent that such statute governs the rights of parties to and third parties affected by transactions in particular types of property; or
(b) To a landlord's lien; or
(c) To a lien given by statute or other rule of law for services or materials except as provided in 12A:9-310 on priority of such liens; or
(d) To a transfer of a claim for wages, salary or other compensation of an employee; or
(e) To a transfer by a government or governmental subdivision or agency; or
(f) To a sale of accounts or chattel paper as part of a sale of the business out of which they arose, or an assignment of accounts or chattel paper which is for the purpose of collection only, or a transfer of a right to payment under a contract to an assignee who is also to do the performance under the contract or a transfer of a single account to an assignee in whole or partial satisfaction of a preexisting indebtedness; or
(g) To a transfer of an interest in or claim in or under any policy of insurance, except as provided with respect to proceeds (12A:9-306) and priorities in proceeds (12A:9-312); or
(h) To a right represented by a judgment (other than a judgment taken on a right to payment which was collateral); or
(i) To any right of set-off; or
(j) Except to the extent that provision is made for fixtures in 12A:9-313, to the creation or transfer of an interest in or lien on real estate, including a lease or rents thereunder; or
(k) To a transfer in whole or in part of any claim arising out of tort; or
(l) To a transfer of an interest in any deposit account (subsection (1) of 12A:9-105), except as provided with respect to proceeds (12A:9-306) and priorities in proceeds (12A:9-312); or
(m) To a chattel mortgage of the character described in R.S.46:28-14; or
(n) To a transfer of an interest in a letter of credit other than the rights to proceeds of a written letter of credit.

6. N.J.S.12A:9-105 is amended to read as follows:

Definitions and index of definitions.

(1) In this chapter unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security
agreement or a lease and by an instrument or a series of instruments, the
group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and
includes accounts and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other perfor­
mance of the obligation secured, whether or not he owns or has rights in the
collateral, and includes the seller of accounts or chattel paper. Where the
debtor and the owner of the collateral are not the same person, the term
"debtor" means the owner of the collateral in any provision of the chapter
dealing with the collateral, the obligor in any provision dealing with the
obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like
account maintained with a bank, savings and loan association, credit union
or like organization, other than an account evidenced by a certificate of
deposit;

(f) "Document" means document of title as defined in the general
definitions of chapter 1 (12A:1-201), and a receipt of the kind described in
subsection (2) of 12A:7-201;

(g) "Encumbrance" includes real estate mortgages and other liens on
real estate and all other rights in real estate that are not ownership interests;

(h) "Goods" includes all things which are movable at the time the
security interest attaches or which are fixtures (12A:9-313), but does not
include money, documents, instruments, investment property, accounts,
chattel paper, general intangibles, or minerals or the like (including oil and
gas) before extraction. "Goods" also includes standing timber which is to
be cut and removed under a conveyance or contract for sale, the unborn
young of animals, and growing crops;

(i) "Instrument" means a negotiable instrument (defined in 12A:3-104),
or any other writing which evidences a right to the payment of money and
is not itself a security agreement or lease and is of a type which is in
ordinary course of business transferred by delivery with any necessary
indorsement or assignment. The term does not include investment property;

(j) "Mortgage" means a consensual interest created by a real estate
mortgage, a trust deed on real estate, or the like;

(k) An advance is made "pursuant to commitment" if the secured party
has bound himself to make it, whether or not a subsequent event of default
or other event not within his control has relieved or may relieve him from
his obligation;

(l) "Security agreement" means an agreement which creates or provides
for a security interest;

(m) "Secured party" means a lender, seller or other person in whose
favor there is a security interest, including a person to whom accounts or
chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party.

7. N.J.S.12A:9-106 is amended to read as follows:

Definitions: "account"; "general intangibles."

"Account" means any right to payment for goods sold or leased or for services rendered which is not evidenced by an instrument or chattel paper, whether or not it has been earned by performance. All rights to payment earned or unearned under a charter or other contract involving the use or hire of a vessel and all rights incident to the charter or contract are accounts. "General intangibles" means any personal property (including things in action) other than goods, accounts, chattel paper, documents, instruments, investment property, rights to proceeds of written letters of credit, and money.

8. N.J.S.12A:9-304 is amended to read as follows:

Perfection of security interest in instruments, documents, proceeds of a written letter of credit, and goods covered by documents; perfection by permissive filing; temporary perfection without filing or transfer of possession.

(1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in the rights to proceeds of a written letter of credit can be perfected only by the secured party's taking possession of the letter of credit. A security interest in money or instruments (other than instruments which constitute part of chattel paper) can be perfected only by the secured party's taking possession, except as provided in subsections (4) and (5) of this section and subsections (2) and (3) of 12A:9-306 on proceeds.

(2) During the period that goods are in the possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in the document, and any security interest in the goods otherwise perfected during such period is subject thereto.

(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance
of a document in the name of the secured party or by the bailee's receipt of notification of the secured party's interest or by filing as to the goods.

(4) A security interest in instruments, certificated securities, or negotiable documents is perfected without filing or the taking of possession for a period of 21 days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of 21 days without filing where a secured party having a perfected security interest in an instrument, a certificated security, a negotiable document or goods in possession of a bailee other than one who has issued a negotiable document therefor:

(a) Makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange, but priority between conflicting security interests in the goods is subject to subsection (3) of 12A:9-312; or

(b) Delivers the instrument or certificated security to the debtor for the purpose of ultimate sale or exchange or of presentation, collection, renewal, or registration of transfer.

(6) After the 21-day period in subsections (4) and (5) perfection depends upon compliance with applicable provisions of this chapter.

9. N.J.S.12A:9-305 is amended to read as follows:

When possession by secured party perfects security interest without filing.

A security interest in goods, instruments, money, negotiable documents or chattel paper may be perfected by the secured party's taking possession of the collateral. A security interest in the rights to proceeds of a written letter of credit may be perfected by the secured party's taking possession of the letter of credit. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party's interest. A security interest is perfected by possession from the time possession is taken without relation back and continues only so long as possession is retained, unless otherwise specified in this chapter. The security interest may be otherwise perfected as provided in this chapter before or after the period of possession by the secured party.
10. Section 25 of P.L.1948, c.67 (C.17:9A-25) is amended to read as follows:

25. Additional powers of banks.

In addition to the powers specified in section 24, every bank shall, subject to the provisions of this act, have the following powers, whether or not such powers are specifically set forth in its certificate of incorporation:

(1) To discount, buy, invest in, hold, assign, transfer, sell, and negotiate promissory notes, drafts, bills of exchange, mortgages, trade acceptances, bankers' acceptances, bonds, debentures, bonds or notes secured by mortgages, installment obligations, balances due on conditional sales, and other evidences of debt for its own account, or for the account of customers;

(2) To accept for payment at future dates drafts drawn upon it by its customers;

(3) To issue letters of credit to guarantee the payment by its customers of amounts due or to become due upon the purchase by such customers of real or personal property;

(4) To receive interest and noninterest bearing demand and time deposits, to be repaid on such terms as may be agreed upon between the depositors and the bank, and to furnish security for such deposits when required by the laws of this State or of the United States, or by rules or orders of any court of this State or of the United States or by the regulations of an officer or agency of this State or of the United States, made pursuant to such law; provided that no bank shall be required to give security for deposits made by this State, or any political subdivision thereof, or any other body politic existing under the laws of this State, to the extent that such deposits are insured under any federal legislation providing for the insurance of bank deposits;

(5) To maintain savings departments for the receipt of interest and noninterest bearing deposits, to be repaid on such terms as may be agreed upon between the depositors and the bank, and to commingle such deposits with deposits otherwise received;

(6) During hours other than the bank's usual hours for receipt of deposits, to provide the equipment for receiving, and to receive, containers purporting to contain moneys or instruments for the payment of money;

This paragraph shall not limit the power of a bank to take securities of other corporations as collateral security for loans, discounts, or other extensions of credit, or to acquire those securities when their acquisition is necessary to prevent or minimize loss upon debts previously contracted in good faith. Equity securities acquired pursuant to this paragraph shall be sold within five years after their acquisition, except that the commissioner may, by order, extend the time within which sales of equity securities described in such order shall be made; but this paragraph shall not invalidate the holding of any equity securities lawfully acquired on or before the effective date of this act. This paragraph shall not apply to any case in which, pursuant to any other provision of this act, or pursuant to any other act, a bank is expressly authorized to subscribe for, purchase or otherwise acquire or hold securities;

CHAPTER 399

AN ACT concerning policies and procedures for contracting for certain professional services by State agencies, and supplementing P.L.1954, c.48 (C.52:34-6 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:34-9.1 Policy on certain State contracts for professional services.

1. It is the policy of this State that State contracts for architectural, engineering and land surveying services shall be publicly announced prior to being awarded and that contracts for these services shall be negotiated on the basis of demonstrated competence and qualifications for the type of professional services required and at fair and reasonable compensation.

C.52:34-9.2 Definitions relative to contracting for certain professional services by State agencies.

2. As used in this act:
   "Agency" means any of the principal departments in the Executive Branch of State Government, and any division, board, bureau, office, commission or other instrumentality created by a principal department and any independent State authority, commission, instrumentality or agency, which is authorized by law to contract for professional architectural, engineering or land surveying services;
   "Compensation" means the basis of payment by an agency for professional architectural, engineering or land surveying services;
"Professional firm" means any individual, firm, partnership, corporation, association or other legal entity permitted by law to provide professional architectural, engineering, or land surveying services in this State;

"Professional architectural, engineering and land surveying services" means those services, including planning, environmental, and construction inspection services required for the development and construction of projects, within the scope of the practice of architecture, professional engineering or professional land surveying as defined by the laws of this State or those performed by an architect, professional engineer or professional land surveyor in connection with his professional employment practice.

C.52:34-9.3 Filing of current statement of qualifications, supporting data with agency.

3. A professional firm which wishes to be considered qualified to provide professional architectural, engineering, or land surveying services to an agency seeking to negotiate a contract or agreement for the performance of such services shall file or shall have filed with the agency a current statement of qualifications and supporting data. Such a statement may be filed at any time during a calendar year. The content of any such statement shall conform to such regulations with respect thereto as the State Treasurer, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall promulgate. For the purposes of this section and section 5 of this act, no statement which shall have been filed more than two years prior to the publication of an advertisement pursuant to the provisions of section 4 of this act shall be deemed to be a current statement with respect to qualification of the firm which shall have filed the statement to provide professional architectural, engineering, or land surveying services under any contract or agreement of which notice is given through that advertisement.

A statement of qualifications and supporting data filed with an agency under this section shall be a public record for all purposes of P.L.1963, c.73 (C.47:1A-1 et seq.).

C.52:34-9.4 Public advertisement for proposals required.

4. Notwithstanding the provisions of sections 2 through 4 of P.L.1954, c.48 (C.52:34-7 through 52:34-9), a contract or agreement with an agency for the procurement of professional architectural, engineering, or land surveying services shall be publicly advertised prior to the solicitation of proposals or expressions of interest from interested firms. To the extent consistent with the purposes and provisions of this section, the advertisement shall conform to the requirements applicable under subsections (a) and (b) of section 7 of P.L.1954, c.48 (C.52:34-12) or may be publicly advertised through electronic means. The advertisement shall include a
statement of the criteria by which the agency seeking to procure those professional services shall evaluate the technical qualifications of professional firms and determine the order of preference to be used in designating the firms most highly qualified to perform the services; this statement shall either set forth explicitly and in full the terms of those criteria or identify them by reference to the regulation or regulations in which those criteria shall have been promulgated as required by subsection c. of section 5 of this act. In addition, the advertisement shall include notice that professional firms wishing to be considered for selection as a potential provider of such services in connection with a proposed project must have submitted to the agency a current statement of qualifications and supporting data as prescribed in section 3 of this act.

C.52:34-9.5 Filing of current statement of qualifications, supporting data necessary for awarding of contract, agreement.

5. a. In the procurement of architectural, engineering and land surveying services, no agency shall make, negotiate, or award a contract or agreement for the performance of such services with or to any professional firm which has not filed with the agency a current statement of qualifications and supporting data as prescribed under section 3 of this act.

b. For each proposed project, an agency shall evaluate current statements of qualifications and supporting data on file with the agency. The agency may solicit proposals or expressions of interest unique to the specific project which would in narrative form outline design concepts and proposed methods of approach to the assignment. The agency shall select, in order of preference, based upon the criteria included in the advertisement required by section 4 of this act, at least three professional firms deemed to be the most highly qualified to provide the services required, except that the agency may select fewer professional firms if fewer such firms responded to the solicitation or meet the qualifications required for the project.

c. An agency which intends or expects to make, negotiate or award a contract or agreement for the procurement of professional architectural, engineering, or land surveying services shall, before publishing an advertisement of notice with respect to any such contract or agreement, have adopted by regulation and have promulgated, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the criteria by which it shall with respect to any such contract or agreement make the selection of qualified firms as prescribed by subsection b. of this section. The provisions of this subsection shall not be construed to require the adoption by an agency of regulations regarding the selection criteria to be applicable with respect to a particular contract if such regulations were previously promulgated and remain in effect with respect to such a contract.
C.52:34-9.6 Submission of fee proposal.

6. Once the top three or more ranked firms have been identified, each firm, at the request of the agency, shall submit a fee proposal. The firms shall not be told of their ranking position at that time. Using the three fee proposals to provide a general guideline, an agency shall negotiate a contract with the most technically qualified professional firm for architectural, engineering or land surveying services at compensation which the agency determines to be fair and reasonable to the State of New Jersey. In making this determination, the agency shall take into account the estimated value of the services to be rendered and the scope, complexity, and professional nature thereof. Should the agency be unable to negotiate a satisfactory contract with the professional firm considered to be the most qualified at a fee the agency determines to be fair and reasonable, negotiations with that professional firm shall be formally terminated. The agency shall then undertake negotiations with the second most qualified professional firm. Failing accord with the second most qualified professional firm, the agency shall formally terminate negotiations. The agency shall then undertake negotiations with the third most qualified professional firm. Should the agency be unable to negotiate a satisfactory contract with any of the selected professional firms, it shall select additional professional firms in order of their competence and qualifications and it shall continue negotiations in accordance with this section until an agreement is reached.

C.52:34-9.7 Applicability of act restricted to contracts for services in excess of $25,000; use of other procurement processes.

7. Notwithstanding the provisions of section 2 of P.L.1954, c.48 (C.52:34-7) to the contrary, the provisions of this act shall only apply to contracts for architectural, engineering and land surveying services in excess of $25,000. Nothing in this act shall preclude a State agency from using procurement processes other than those prescribed herein if those processes have been approved by the federal government or other State statute or if an emergency has been declared by the chief executive officer of the agency.

8. This act shall take effect on the 360th day after enactment but an agency may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act

CHAPTER 402

AN ACT concerning dairy farming, and enacting and entering this State into the Northeast Interstate Dairy Compact.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:35-1 Short title.

1. This act shall be known and may be cited as "The Northeast Interstate Dairy Compact Act."

2. The State of New Jersey enacts and enters into the Northeast Interstate Dairy Compact with all jurisdictions legally joining therein, which compact is substantially as follows:

ARTICLE I. STATEMENT OF PURPOSE, FINDINGS, AND DECLARATION OF POLICY

1. The purpose of this compact is to recognize by constitutional prerequisite the interstate character of the northeast dairy industry and to form an interstate commission for the northeast region. The mission of the commission is to take such steps as are necessary to assure the continued viability of dairy farming in the northeast, and to assure consumers of an adequate, local supply of pure and wholesome milk.

The participating states find and declare that the dairy industry is the paramount agricultural activity of the northeast. Dairy farms, and associated suppliers, marketers, processors and retailers, are an integral component of the region's economy and their ability to provide a stable, local supply of pure, wholesome milk is a matter of great importance to the health and welfare of the region.

The participating states further find that dairy farms are essential to the region's rural communities and character. The farms preserve open spaces, sculpt the landscape and provide the land base for a diversity of recreational pursuits. In defining the rural character of our communities and landscape, dairy farms also provide a major draw for our tourist industries.

By entering into this compact, the participating states affirm that their ability to regulate the price which northeast dairy farmers receive for their product is essential to the public interest. Assurance of a fair and equitable price for dairy farmers ensures their ability to provide milk to the market and the vitality of the northeast dairy industry, with all the associated benefits.

Recent, dramatic price fluctuations, with a pronounced downward trend, threaten the viability and stability of the northeast dairy region. Historically, individual state regulatory action has been an effective emergency remedy available to farmers confronting a distressed market. The federal order system, implemented by the Agricultural Marketing Agreement Act of 1937, establishes only minimum prices for dairy products, without preempting the power of states to regulate milk prices above the minimum levels so established. Based on this authority, each state in the region has individually attempted to implement at least one regulatory program in response to the current dairy industry crisis.
In today's regional dairy marketplace, cooperative, rather than individual state action may address more effectively the market disarray. Under our constitutional system, properly authorized, states acting cooperatively may exercise more power to regulate interstate commerce than they may assert individually without such authority. For this reason, the participating states invoke their authority to act in common agreement, with the consent of Congress, under the compact clause of the Constitution.

In establishing their constitutional regulatory authority over the region's fluid milk market by this compact, the participating states declare their purpose that this compact neither displace the federal order system nor encourage the merging of federal orders. Specific provisions of the compact itself set forth this basic principle.

Designed as a flexible mechanism able to adjust to changes in a regulated marketplace, the compact also contains a contingency provision should the federal order system be discontinued. In that event, the interstate commission is authorized to regulate the marketplace in replacement of the order system. This contingent authority does not anticipate such a change, however, and should not be so construed. It is only provided should developments in the market other than establishment of this compact result in discontinuance of the order system.

ARTICLE II. DEFINITIONS AND RULES OF CONSTRUCTION

2. As used in this compact:
   "Class I milk" means milk disposed of in fluid form or as a fluid milk product, subject to further definition in accordance with the principles expressed in subsection b. of section 3 of this compact.
   "Commission" means the commission established by this compact.
   "Commission marketing order" means regulations adopted by the commission pursuant to sections 9 and 10 of this compact in place of a terminated federal marketing order or state dairy regulation. Such order may apply throughout the region or in any part or parts thereof as defined in the regulations of the commission. Such order may establish minimum prices for any or all classes of milk.
   "Compact" means this interstate compact.
   "Compact over-order price" means a minimum price required to be paid to producers for Class I milk established by the commission in regulations adopted pursuant to sections 9 and 10 of this compact, which is above the price established in federal marketing orders or by state farm price regulation in the regulated area. Such price may apply throughout the region or in any part or parts thereof as defined in the regulations of the commission.
"Milk" means the lacteal secretion of cows and includes all skim, butterfat, or other constituents obtained from separation or any other process. The term is used in its broadest sense and may be further defined by the commission for regulatory purposes.

"Partially regulated plant" means a milk plant not located in a regulated area but having Class I distribution within such area, or receipts from producers located in such area. Commission regulations may exempt plants having such distribution or receipts in amounts less than the limits defined therein.

"Participating state" means a state which has become a party to this compact by the enactment of concurring legislation.

"Pool plant" means any milk plant located in a regulated area.

"Region" means the territorial limits of the states which are or become parties to this compact.

"Regulated area" means any area within the region governed by and defined in regulations establishing a compact over-order price or commission marketing order.

"State dairy regulation" means any state regulation of dairy prices and associated assessments, whether by statute, marketing order or otherwise.

3. a. This compact shall not be construed to displace existing federal milk marketing orders nor state dairy regulation in the region but to supplement them. In the event some or all federal orders in the region are discontinued, the compact shall be construed to provide the commission the option to replace them with one or more commission marketing orders pursuant to this compact.

b. This compact shall be construed liberally in order to achieve the purposes and intent enunciated in section 1 of this compact. It is the intent of this compact to establish a basic structure by which the commission may achieve those purposes through the application, adaptation and development of the regulatory techniques historically associated with milk marketing and to afford the commission broad flexibility to devise regulatory mechanisms to achieve the purposes of this compact. In accordance with this intent, the technical terms which are associated with market order regulation and which have acquired commonly understood general meanings are not defined herein, but the commission may further define the terms used in this compact and develop additional concepts and define additional terms as it may find appropriate to achieve its purposes.
ARTICLE III. COMMISSION ESTABLISHED

4. There is hereby created a commission to administer the compact, composed of delegations from each state in the region. A delegation shall include not less than three nor more than five persons. Each delegation shall include at least one dairy farmer who is engaged in the production of milk at the time of appointment or reappointment, and one consumer representative. Delegation members shall be residents and voters of, and subject to such confirmation process as is provided for in, the appointing state. Delegation members shall serve no more than three consecutive terms with no single term of more than four years, and be subject to removal for cause. In all other respects, delegation members shall serve in accordance with the laws of the state represented. The compensation, if any, of the members of a state delegation shall be determined and paid by each state, but their expenses shall be paid by the commission. Each state delegation shall be entitled to one vote in the conduct of the affairs of the commission.

5. All actions taken by the commission, except for the establishment or termination of an over-order price or commission marketing order, and the adoption, amendment or rescission of bylaws of the commission, shall be by majority vote of the delegations present. Establishment or termination of an over-order price or commission marketing order shall require at least a two-thirds vote of the delegations present. The establishment of a regulated area which covers all or part of a participating state shall require also the affirmative vote of the delegation of that state. A majority of the delegations from the participating states shall constitute a quorum for the conduct of the business of the commission.

6. a. The commission shall elect annually from among the members of the participating state delegations a chairperson, a vice-chairperson, and a treasurer. The commission shall appoint an executive director and fix his duties and compensation. The executive director shall serve at the pleasure of the commission, and, together with the treasurer, shall be bonded in an amount determined by the commission. The commission may establish through its bylaws an executive committee composed of one member elected by each delegation.

   b. The commission shall adopt bylaws for the conduct of its business by a two-thirds vote, and shall have the power by the same vote to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form with the appropriate agency or officer in each of the participating states. The bylaws shall provide for appropriate notice to the delegations of all commission meetings and hearings and of the business to
be transacted at such meetings or hearings. Notice also shall be given to
other agencies or officers of participating states as provided by the laws of
those states.

c. The commission shall file an annual report with the Secretary of
Agriculture of the United States, and with each of the participating states by
submitting copies to the Governor, both Houses of the Legislature, and the
head of the state department having responsibilities for agriculture.

d. In addition to the powers and duties prescribed elsewhere in this
compact, the commission shall have the power:
(1) To sue and be sued in any state or federal court;
(2) To have a seal and alter the same at pleasure;
(3) To acquire, hold, and dispose of real and personal property by gift,
purchase, lease, license, or other similar manner, for its corporate purposes;
(4) To borrow money and to issue notes, to provide for the rights of the
holders thereof and to pledge the revenue of the commission as security
therefor, subject to the provisions of section 18 of this compact;
(5) To appoint such officers, agents, and employees as it may deem
necessary, prescribe their powers, duties, and qualifications; and
(6) To create and abolish such offices, employments, and positions as
it deems necessary for the purposes of the compact and provide for the
removal, term, tenure, compensation, fringe benefits, pension, and
retirement rights of its officers and employees. The commission may also
retain personal services on a contract basis.

7. In addition to the power to promulgate a compact over-order price
or commission marketing orders as provided by this compact, the commis­sion
is further empowered to make and enforce such additional rules and
regulations as it deems necessary to implement any provisions of this
compact, or to effectuate in any other respect the purposes of this compact.

ARTICLE IV. POWERS OF THE COMMISSION

8. The commission is hereby empowered to:
a. Investigate or provide for investigations or research projects
designed to review the existing laws and regulations of the participating
states, to consider their administration and costs, to measure their impact on
the production and marketing of milk and their effects on the shipment of
milk and milk products within the region;
b. Prepare and transmit to the participating states model dairy laws and
regulations dealing with the inspection of farms and plants, sanitary codes,
labels for dairy products and their imitations, standards for dairy products,
license standards, producer security programs, and fair trade laws;
c. Study and recommend to the participating states joint or cooperative programs for the administration of the dairy laws and regulations and to prepare estimates of cost savings and benefits of such programs;

d. Encourage the harmonious relationships between the various elements in the industry for the solution of their material problems and conduct symposiums or conferences designed to improve industry relations, or a better understanding of problems;

e. Prepare and release periodic reports on activities and results of the commission's efforts to the participating states;

f. Review the existing marketing system for milk and milk products and recommend changes in the existing structure for assembly and distribution of milk which may assist, improve, or promote more efficient assembly and distribution of milk;

g. Investigate costs and charges for producing, hauling, handling, processing, distributing, selling and for all other services performed with respect to milk; and

h. Examine current economic forces affecting producers, probable trends in production and consumption, the level of dairy farm prices in relation to costs, the financial conditions of dairy farmers, and the need for an emergency order to relieve critical conditions on dairy farms.

9. a. The powers granted in this section and section 10 of this compact, shall apply only to the establishment of a compact over-order price, so long as federal milk marketing orders remain in effect in the region. In the event that any or all such orders are terminated, this article shall authorize the commission to establish one or more commission marketing orders, as herein provided, in the region or parts thereof as defined in the order.

b. A compact over-order price established pursuant to this section shall apply only to Class I milk. Such over-order price shall not exceed $1.50 per gallon. Beginning in 1990, and using that year as a base, the foregoing $1.50 per gallon maximum shall be adjusted annually by the rate of change in the consumer price index as reported by the Bureau of Labor Statistics of the United States Department of Labor. For purposes of the pooling and equalization of an over-order price, the value of milk used in other use classifications shall be calculated at the appropriate class price established pursuant to the applicable federal order or state dairy regulation and the value of unregulated milk shall be calculated in relation to the nearest prevailing class price in accordance with and subject to such adjustments as the commission may prescribe in regulations.

c. A commission marketing order shall apply to all classes and uses of milk.
d. The commission is hereby empowered to establish the minimum price for milk to be paid by pool plants, partially regulated plants and all other handlers receiving milk from producers located in a regulated area. This price shall be established either as a compact over-order price or by one or more commission marketing orders. Whenever such a price has been established by either type of regulation, the legal obligation to pay such price shall be determined solely by the terms and purpose of the regulation without regard to the situs of the transfer of title, possession or any other factors not related to the purposes of the regulation and this compact. Producer-handlers as defined in an applicable federal market order shall not be subject to a compact over-order price. The commission shall provide for similar treatment of producer-handlers under commission marketing orders.

e. In determining the price, the commission shall consider the balance between production and consumption of milk and milk products in the regulated area, the costs of production including, but not limited to the price of feed, the cost of labor including the reasonable value of the producer's own labor and management, machinery expense, and interest expense, the prevailing price for milk outside the regulated area, the purchasing power of the public and the price necessary to yield a reasonable return to the producer and distributor.

f. When establishing a compact over-order price, the commission shall take such action as necessary and feasible to ensure that the over-order price does not create an incentive for producers to generate additional supplies of milk.

g. The commission shall whenever possible enter into agreements with state or federal agencies for exchange of information or services for the purpose of reducing the regulatory burden and the cost of administering the compact. The commission may reimburse other agencies for the reasonable cost of providing these services.

10. Regulations establishing a compact over-order price or a commission marketing order may contain, but shall not be limited to, any of the following:

a. Provisions classifying milk in accordance with the form in which or purpose for which it is used, or creating a flat pricing program;

b. With respect to a commission marketing order only, provisions establishing or providing a method for establishing separate minimum prices for each use classification prescribed by the commission, or a single minimum price for milk purchased from producers or associations of producers;
c. With respect to an over-order minimum price, provisions establishing or providing a method for establishing such minimum price for class I milk;

d. Provisions for establishing either an over-order price or a commission marketing order may make use of any reasonable method for establishing such price or prices including flat pricing and formula pricing. Provision may also be made for location adjustments, for zone differentials and for competitive credits with respect to regulated handlers who market outside the regulated area;

e. Provisions for the payment to all producers and associations of producers delivering milk to all handlers of uniform prices for all milk so delivered, irrespective of the uses made of such milk by the individual handler to whom it is delivered, or for the payment of producers delivering milk to the same handler of uniform prices for all milk delivered by them;

(1) With respect to regulations establishing a compact over-order price, the commission may establish one equalization pool within the regulated area for the sole purpose of equalizing returns to producers throughout the regulated area; and

(2) With respect to any commission marketing order, as defined in section 2 of this compact, which replaces one or more terminated federal orders or state dairy regulation, the marketing area of now separate state or federal orders shall not be merged without the affirmative consent of each state, voting through its delegation, which is partly or wholly included within any such new marketing area.

f. Provisions requiring persons who bring Class I milk into the regulated area to make compensatory payments with respect to all such milk to the extent necessary to equalize the cost of milk purchased by handlers subject to a compact over-order price or commission marketing order. No such provisions shall discriminate against milk producers outside the regulated area. The provisions for compensatory payments may require payment of the difference between the Class I price required to be paid for such milk in the state of production by a federal milk marketing order or state dairy regulation and the Class I price established by the compact over-order price or commission marketing order;

\(g\). Provisions specially governing the pricing and pooling of milk handled by partially regulated plants;

h. Provisions requiring that the account of any person regulated under a compact over-order price shall be adjusted for any payments made to or received by such persons with respect to a producer settlement fund of any federal or state milk marketing order or other state producer price regulation within the regulated area;
i. Provisions requiring the payment by handlers of an assessment to cover the costs of the administration and enforcement of such order pursuant to subsection a. of section 18 of this compact;
j. Provisions for reimbursement to participants of the women, infants and children special supplemental food program of the United States Child Nutrition Act of 1966; and
k. Other provisions and requirements as the commission may find are necessary or appropriate to effectuate the purposes of this compact and to provide for the payment of fair and equitable minimum prices to producers.

ARTICLE V. RULEMAKING PROCEDURE

11. Before promulgation of any regulations establishing a compact over-order price or commission marketing order, including any provision with respect to milk supply under subsection f. of section 9 of this compact, or amendment thereof, as provided in Article IV of this compact, the commission shall conduct an informal rulemaking proceeding to provide interested persons with an opportunity to present data and views. Such rulemaking proceeding shall be governed by section 4 of the federal Administrative Procedure Act, as amended (5 U.S.C. s.553). In addition, the commission shall, to the extent practicable, publish notice of rulemaking proceedings in the official register of each affected state. Before the initial adoption of regulations establishing a compact over-order price or a commission marketing order and thereafter before any amendment with regard to prices or assessments, the commission shall hold a public hearing. The commission may commence a rulemaking proceeding on its own initiative or may in its sole discretion act upon the petition of any person including individual milk producers, any organizations, consumer or public interest groups, and local, state, or federal officials.

12. In addition to the concise general statement of basis and purpose required by section 4(b) of the federal Administrative Procedure Act, as amended (5 U.S.C. s. 553(c)), the commission shall make findings of fact with respect to:
   a. Whether the public interest will be served by the establishment of minimum milk prices to dairy farmers under Article IV of this compact;
   b. What level of prices will assure that producers receive a price sufficient to cover their costs of production and will elicit an adequate supply of milk for the inhabitants of the regulated area and for manufacturing purposes;
c. Whether the major provisions of the order, other than those fixing minimum milk prices, are in the public interest and are reasonably designed to achieve the purposes of the order; and

d. Whether the terms of the proposed regional order or amendment are approved by producers as provided in section 13 of this compact.

13. a. For the purpose of ascertaining whether the issuance or amendment of regulations establishing a compact over-order price or a commission marketing order, including any provision with respect to milk supply pursuant to subsection f. of section 9 of this compact, is approved by producers, the commission shall conduct a referendum among producers. The referendum shall be held in a timely manner, as determined by regulation of the commission. The terms and conditions of the proposed order or amendment shall be described by the commission in the ballot used in the conduct of the referendum, but the nature, content, or extent of such description shall not be a basis for attacking the legality of the order or any action relating thereto.

b. An order or amendment shall be deemed approved by producers if the commission determines that it is approved by at least two-thirds of the voting producers who, during a representative period determined by the commission, have been engaged in the production of milk the price of which would be regulated under the proposed order or amendment.

c. For purposes of any referendum, the commission shall consider the approval or disapproval by any cooperative association of producers, qualified under the provisions of the Act of Congress of February 26, 1922, as amended, known as the Capper-Volstead Act, bona fide engaged in marketing milk, or in rendering services for or advancing the interests of producers of such commodity, as the approval or disapproval of the producers who are members or stockholders in, or under contract with, such cooperative association of producers, except as provided in paragraph (1) of this subsection and subject to the provisions of paragraphs (2) through (5) of this subsection.

(1) No cooperative which has been formed to act as a common marketing agency for both cooperatives and individual producers shall be qualified to block vote for either.

(2) Any cooperative which is qualified to block vote shall, before submitting its approval or disapproval in any referendum, give prior written notice to each of its members as to whether and how it intends to cast its vote. The notice shall be given in a timely manner as established, and in the form prescribed, by the commission.

(3) Any producer may obtain a ballot from the commission in order to register approval or disapproval of the proposed order.
(4) A producer who is a member of a cooperative which has provided notice of its intent to approve or not to approve a proposed order, and who obtains a ballot and with such ballot expresses his or her approval or disapproval of the proposed order, shall notify the commission as to the name of the cooperative of which he is a member, and the commission shall remove the name of such producer from the list certified by such cooperative with its corporate vote.

(5) In order to insure that all milk producers are informed regarding a proposed order, the commission shall notify all milk producers that an order is being considered and that each producer may register his approval or disapproval with the commission either directly or through his cooperative.

14. a. The commission shall terminate any regulations establishing an over-order price or commission marketing order issued under this article whenever it finds that such order or price obstructs or does not tend to effectuate the declared policy of this compact.

b. The commission shall terminate any regulations establishing an over-order price or a commission marketing order issued under this article whenever it finds that such termination is favored by a majority of the producers who, during a representative period determined by the commission, have been engaged in the production of milk the price of which is regulated by such order; but such termination shall be effective only if announced on or before such date as may be specified in such marketing agreement or order.

c. The termination or suspension of any order or provision thereof, shall not be considered an order within the meaning of this article and shall require no hearing, but shall comply with the requirements for informal rulemaking prescribed by section 4 of the federal Administrative Procedure Act, as amended (5 U.S.C. s.553).

ARTICLE VI. ENFORCEMENT

15. a. The commission may by rule and regulation prescribe recordkeeping and reporting requirements for all regulated persons. For purposes of the administration and enforcement of this compact, the commission is authorized to examine the books and records of any regulated person relating to his milk business and for that purpose, the properly designated officers, employees, or agents of the commission shall have full access during normal business hours to the premises and records of all regulated persons.

b. Information furnished to or acquired by the commission officers, employees, or its agents pursuant to this section shall be confidential and not
subject to disclosure except to the extent that the commission deems disclosure to be necessary in any administrative or judicial proceeding involving the administration or enforcement of this compact, an over-order price, a compact marketing order, or other regulations of the commission. The commission may promulgate regulations further defining the confidentiality of information pursuant to this section. Nothing in this section shall be deemed to prohibit (a) the issuance of general statements based upon the reports of a number of handlers, which do not identify the information furnished by any person, or (b) the publication by direction of the commission of the name of any person violating any regulation of the commission, together with a statement of the particular provisions violated by such person.

c. No officer, employee, or agent of the commission shall intentionally disclose information, by inference or otherwise, which is made confidential pursuant to this section. Any person violating the provisions of this section shall upon conviction be subject to a fine of not more than $1,000 or to imprisonment for not more than one year, or to both, and shall be removed from office. The commission shall refer any allegation of a violation of this section to the appropriate state enforcement authority or United States attorney.

16. a. The commission is hereby authorized and empowered by its members and its properly designated officers to administer oaths and issue subpoenas throughout all signatory states to compel the attendance of witnesses and the giving of testimony and the production of other evidence.

b. Any handler subject to an order may file a written petition with the commission stating that any such order or any provision of any such order or any obligation imposed in connection therewith is not in accordance with law and praying for a modification thereof or to be exempted therefrom. The handler shall thereupon be given an opportunity for a hearing upon such petition, in accordance with regulations made by the commission. After such hearing, the commission shall make a ruling upon the prayer of such petition which shall be final, if in accordance with law.

c. The district courts of the United States in any district in which such handler is an inhabitant, or where the handler has his principal place of business, are hereby vested with jurisdiction in equity to review such ruling, provided a bill in equity for that purpose is filed within thirty days from the date of the entry of such ruling. Service of process in such proceedings may be had upon the commission by delivering to it a copy of the bill of complaint. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the commission with directions either (a) to make such ruling as the court shall determine to be in accor-
dance with law, or (b) to take such further proceedings as, in its opinion, the law requires. The pendency of proceedings instituted pursuant to this subsection shall not impede, hinder, or delay the commission from obtaining relief pursuant to section 17 of this compact. Any proceedings brought pursuant to section 17 of this compact (except where brought by way of counterclaim in proceedings instituted pursuant to this section) shall abate whenever a final decree has been rendered in proceedings between the same parties, and covering the same subject matter, instituted pursuant to this section.

17. a. Any violation by a handler of the provisions of regulations establishing an over-order price or a commission marketing order, or other regulations adopted pursuant to this compact shall:

(1) Constitute a violation of the laws of each of the signatory states. Such violation shall render the violator subject to a civil penalty in an amount as may be prescribed by the laws of each of the participating states, recoverable in any state or federal court of competent jurisdiction. Each day such violation continues shall constitute a separate violation; and

(2) Constitute grounds for the revocation of license or permit to engage in the milk business under the applicable laws of the participating states.

b. With respect to handlers, the commission shall enforce the provisions of this compact, regulations establishing an over-order price, a commission marketing order or other regulations adopted hereunder by:

(1) Commencing an action for legal or equitable relief brought in the name of the commission in any state or federal court of competent jurisdiction; or

(2) With the agreement of the appropriate state agency of a participating state, by referral to the state agency for enforcement by judicial or administrative remedy.

c. With respect to handlers, the commission may bring an action for injunction to enforce the provisions of this compact or the order or regulations adopted thereunder without being compelled to allege or prove that an adequate remedy of law does not exist.

ARTICLE VII. FINANCE

18. a. To provide for its start-up costs, the commission may borrow money pursuant to its general power under paragraph (4) of subsection d. of section 6 of this compact. In order to finance the costs of administration and enforcement of this compact, including payback of start-up costs, the commission is hereby empowered to collect an assessment from each handler who purchases milk from producers within the region. If imposed,
this assessment shall be collected on a monthly basis for up to one year from the date the commission convenes, in an amount not to exceed one-tenth of 1% of the applicable federal market order blend price per hundred weight of milk purchased from producers during the period of the assessment. The initial assessment may apply to the projected purchases of handlers for the two-month period following the date the commission convenes. In addition, if regulations establishing an over-order price or a compact marketing order are adopted, they may include an assessment for the specific purpose of their administration. These regulations shall provide for establishment of a reserve for the ongoing operating expenses of the commission.

b. The commission shall not pledge the credit of any participating state or of the United States. Notes issued by the commission and all other financial obligations incurred by it, shall be its sole responsibility and no participating state or the United States shall be liable therefor.

19. a. The commission shall keep accurate accounts of all receipts and disbursements, which shall be subject to the audit and accounting procedures established under its rules. In addition, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

b. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the participating states and by any persons authorized by the commission.

c. Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any participating state or of the United States.

ARTICLE VIII. ENTRY INTO FORCE; ADDITIONAL MEMBERS AND WITHDRAWAL

20. This compact shall enter into force when enacted into law by any three states of the group of states composed of Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont and Virginia, and when the consent of Congress has been obtained. This compact shall also be open to states which are contiguous to any of the named states and open to states which are contiguous to participating states.

21. Any participating state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after notice in writing of the withdrawal is given to the commission and the governors of all other participating states. No withdrawal shall
affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

22. If any part or provision of this compact is adjudged invalid by any court, such judgment shall be confined in its operation to the part or provision directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this compact. Congress reserves the right to amend or rescind this interstate compact at any time.

23. a. The right to alter, amend or repeal this compact is expressly reserved by Congress.
   b. When an over-order price is in effect, the commission established in this compact shall compensate the commodity credit corporation before the end of the fiscal year for the cost of any increased commodity credit corporation dairy purchases that result from projected increased fluid milk production for that fiscal year within the compact region in excess of the national average rate of increase.

C.32:35-3 Delegation to Northeast Interstate Compact Commission.

3. a. The New Jersey delegation to the Northeast Interstate Compact Commission shall consist of five persons, at least one of whom shall be a dairy farmer who is engaged in the production of milk at the time of appointment or reappointment and one of whom shall be representative of interests of consumers. One member shall be appointed by the Governor; one by the President of the Senate; one by the minority leader of the Senate; one by the Speaker of the General Assembly; and one by the minority leader of the General Assembly. Members shall serve for a term of three years, except that the members first appointed by the President of the Senate and the Speaker of the Assembly shall serve for a term of two years and the members first appointed by the minority leader of the Senate and the minority leader of the General Assembly shall serve for a term of one year.
   b. The members of the delegation shall receive compensation for their services of three hundred dollars per diem.
   c. The department and any other agency of the state shall, when called upon, provide the members with cooperation, information and staff support.

C.32:35-4 Violations, civil penalty.

4. Any violation of the provisions of regulations adopted pursuant to the Northeast Interstate Dairy Compact establishing an over-order price, a commission marketing order, or any other regulations, shall constitute a violation of this act. Any such violation shall be subject to a civil penalty of $5,000 per occurrence.
5. This act shall take effect immediately, but shall remain inoperative until the Northeast Interstate Dairy Compact is enacted and entered into by the State of New York.

CHAPTER 413

AN ACT exempting certain income of certain corporations of foreign countries from taxation under the corporation business tax, amending P.L.1945, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:

C.54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:
  (a) "Commissioner" shall mean the Director of the Division of Taxation of the State Department of the Treasury.
(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2)(F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings means the earnings accumulated over the life of such facility and shall not include the distributive share of dividends paid and federal income taxes paid or payable during the tax year.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of
the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(c) "Indebtedness owing directly or indirectly" shall include, without limitation thereto, all indebtedness owing to any stockholder or shareholder and to members of his immediate family where a stockholder and members of his immediate family together or in the aggregate own 10% or more of the aggregate outstanding shares of the taxpayer’s capital stock of all classes.

(d) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation or a financial business corporation as defined in the Corporation Business Tax Act.

(e) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(f) "Taxpayer" shall mean any corporation required to report or to pay taxes, interest or penalties under this act.

(g) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(h) "Exception to herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(i) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets. For the purpose of this act, the amount of a taxpayer’s entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its federal income tax; provided, however, that in the determination of such entire net income,
(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section;

(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section;

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer's accounting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in
effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.1ff), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;
(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section. With respect to other dividends, entire net income shall not include 50% of the total included in computing such taxable income for federal income tax purposes.

(6) (A) Net operating loss deduction. There shall be allowed as a deduction for the taxable year the net operating loss carryover to that year.

(B) Net operating loss carryover. A net operating loss for any taxable year ending after June 30, 1984 shall be a net operating loss carryover to each of the seven years following the year of the loss. The entire amount of the net operating loss for any taxable year (the "loss year") shall be carried to the earliest of the taxable years to which the loss may be carried. The portion of the loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of the loss over the sum of the entire net income, computed without the exclusions permitted in paragraphs (4) and (5) of this subsection or the net operating loss deduction provided by subparagraph (A) of this paragraph, for each of the prior taxable years to which the loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term "net operating loss" means the excess of the deductions over the gross income
used in computing entire net income without the net operating loss deduction provided for in subparagraph (A) of this paragraph and the exclusions in paragraphs (4) and (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover.

(7) The entire net income of gas, electric and gas and electric public utilities and municipal electric corporations that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities, and municipal electric corporations that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility or municipal electric corporation as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities and municipal electric corporations means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for
the single asset account described above based on the New Jersey tax basis as adjusted above as if all assets in the single asset account were first placed in service on January 1, 1998. Depreciation shall be computed using the straight line method over a thirty-year life. A full year's depreciation shall be allowed in the initial tax year. No half-year convention shall apply. The depreciable basis of the single account shall be reduced by the adjusted federal tax basis of assets sold, retired, or otherwise disposed of during any year on which gain or loss is recognized for federal income tax purposes as described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other dispositions of assets placed in service prior to January 1, 1998 shall be recognized and reported on the same basis as for federal income tax purposes.

(C) The Director of the Division of Taxation shall promulgate regulations describing the methodology for allocating the single asset account in the event that a portion of the utility's operations are separated, spun-off, transferred to a separate company or otherwise disaggregated.

(8) In the case of taxpayers that are gas, electric, gas and electric, or telecommunication public utilities as defined pursuant to subsection (q) of this section, the director shall have authority to promulgate rules and issue guidance correcting distortions and adjusting timing differences resulting from the adoption of P.L.1997, c.162 (C.54:10A-5.25 et al.).

(9) Notwithstanding paragraph (1) of this subsection, entire net income shall not include the income derived by a corporation organized in a foreign country from the international operation of a ship or ships, or from the international operation of aircraft, if such income is exempt from federal taxation pursuant to section 883 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.883.

(l) "Real estate investment trust" shall mean any corporation, trust or association qualifying and electing to be taxed as a real estate investment trust under federal law.

(m) "Financial business corporation" shall mean any corporate enterprise which is (1) in substantial competition with the business of national banks and which (2) employs moneyed capital with the object of making profit by its use as money, through discounting and negotiating promissory notes, drafts, bills of exchange and other evidences of debt; buying and selling exchange; making or dealing in secured or unsecured loans and discounts; dealing in securities and shares of corporate stock by purchasing and selling such securities and stock without recourse, solely upon the order and for the account of customers; or investing and reinvesting in marketable obligations evidencing indebtedness of any person, copartnership, association or corporation in the form of bonds, notes or debentures commonly known as investment securities; or dealing in or
underwriting obligations of the United States, any state or any political subdivision thereof, or of a corporate instrumentality of any of them. This shall include, without limitation of the foregoing, business commonly known as industrial banks, dealers in commercial paper and acceptances, sales finance, personal finance, small loan and mortgage financing businesses, as well as any other enterprise employing moneyed capital coming into competition with the business of national banks; provided that the holding of bonds, notes, or other evidences of indebtedness by individual persons not employed or engaged in the banking or investment business and representing merely personal investments not made in competition with the business of national banks, shall not be deemed financial business. Nor shall "financial business" include national banks, production credit associations organized under the Farm Credit Act of 1933 or the Farm Credit Act of 1971, Pub.L.92-181 (12 U.S.C. s.2091 et seq.), stock and mutual insurance companies duly authorized to transact business in this State, security brokers or dealers or investment companies or bankers not employing moneyed capital coming into competition with the business of national banks, real estate investment trusts, or any of the following entities organized under the laws of this State: credit unions, savings banks, savings and loan and building and loan associations, pawnbrokers, and State banks and trust companies.

(n) "International banking facility" shall mean a set of asset and liability accounts segregated on the books and records of a depository institution, United States branch or agency of a foreign bank, or an Edge or Agreement Corporation that includes only international banking facility time deposits and international banking facility extensions of credit as such terms are defined in section 204.8(a)(2) and section 204.8(a)(3) of Regulation D of the board of governors of the Federal Reserve System, 12 CFR Part 204, effective December 3, 1981. In the event that the United States enacts a law, or the board of governors of the Federal Reserve System adopts a regulation which amends the present definition of international banking facility or of such facilities' time deposits or extensions of credit, the Commissioner of Banking and Insurance shall forthwith adopt regulations defining such terms in the same manner as such terms are set forth in the laws of the United States or the regulations of the board of governors of the Federal Reserve System. The regulations of the Commissioner of Banking and Insurance shall thereafter provide the applicable definitions.

(o) "S corporation" means a corporation included in the definition of an "S corporation" pursuant to section 1361 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.1361.

(p) "New Jersey S corporation" means a corporation that is an S corporation; which has made a valid election pursuant to section 3 of
CHAPTER 414, LAWS OF 1997

2. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1992, c.161 (C.17B:27A-7) is amended to read as follows:

C.17B:27A-7 Establishment of policy, contract forms; high deductible health plan; benefit levels.

The board shall establish the policy and contract forms and benefit levels to be made available by all carriers for the health benefits plans required to be issued pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), and shall adopt such modifications to one or more plans as the board determines are necessary to make available a "high deductible health plan" or plans consistent with section 301 of Title III of the "Health Insurance Portability and Accountability Act of 1996," Pub.L.104-191, regarding tax-deductible medical savings accounts, within 60 days after the enactment of P.L.1997, c.414 (C.54A:3-4 et al.). The board shall provide the commissioner with an informational filing of the policy and contract forms and benefit levels it establishes.

a. The individual health benefits plans established by the board may include cost containment measures such as, but not limited to: utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; and reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions.

b. An individual health benefits plan offered pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) shall contain a limitation of no more than

(2) to a federally defined eligible individual who applies for an individual health benefits plan within 63 days of termination of the prior coverage.

c. In addition to the five standard individual health benefits plans provided for in section 3 of P.L.1992, c.161 (C.17B:27A-4), the board may develop up to five rider packages. Premium rates for the rider packages shall be determined in accordance with section 8 of P.L.1992, c.161 (C.17B:27A-9).

d. After the board's establishment of the individual health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), and notwithstanding any law to the contrary, a carrier shall file the policy or contract forms with the board and certify to the board that the health benefits plans to be used by the carrier are in substantial compliance with the provisions in the corresponding board approved plans. The certification shall be signed by the chief executive officer of the carrier. Upon receipt by the board of the certification, the certified plans may be used until the board, after notice and hearing, disapproves their continued use.

e. Effective immediately for an individual health benefits plan issued on or after the effective date of P.L.1995, c.316 (C.17:48E-35.10 et al.) and effective on the first 12-month anniversary date of an individual health benefits plan in effect on the effective date of P.L.1995, c.316 (C.17:48E-35.10 et al.), the individual health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), including any plan offered by a federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

(2) All childhood immunizations as recommended by the Advisory Committee on Immunization Practices of the United States Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its
insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

The benefits shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this section. This section shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

2. N.J.S.54A:3-3 is amended to read as follows:

Medical expenses.

54A:3-3. Medical expenses. (a) Each taxpayer shall be allowed to deduct from the taxpayer's gross income medical expenses for the taxpayer, the taxpayer's spouse, and the taxpayer's dependents with respect to such expenses that were paid during the taxable year and to the extent that such medical expenses exceed 2% of the taxpayer's gross income. In the case of a nonresident, gross income shall mean gross income which such nonresident would have reported if the taxpayer had been subject to tax during the entire taxable year as a resident.

(b) Special Rule for Decedents.

(1) Treatment of expenses paid after death. Expenses for the medical care of the taxpayer which are paid out of the taxpayer's estate during the one-year period beginning with the day after the day of the death shall be treated as paid by the taxpayer at the time incurred.

(2) Limitation. Paragraph (1) shall not apply if the amount paid is not allowable as a deduction in computing medical expense deductions for federal income tax purposes.

(c) Disallowance of amounts allowed for other purposes. Any amounts paid or distributed out of a medical savings account that are excluded from gross income pursuant to section 5 of P.L.1997, c.414 (C.54A:6-27) shall not be allowed as an expense paid for medical care for purposes of this section.

C.54A:3-4 Deductions for contributions to medical savings account.

3. a. A taxpayer may deduct from the taxpayer's gross income an amount equal to the contributions to a medical savings account that the taxpayer is allowed for the taxable year as a deduction for federal income

b. The deduction provided by subsection a. of this section shall, notwithstanding any amendment or supplement to federal law, be allowed only to "eligible individuals" qualifying under the limitations of subsection (i), and subject to the numerical limits of subsection (j), of section 220 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.220, as in effect on January 1, 1997.

4. N.J.S.54A:5-1 is amended to read as follows:

New Jersey gross income defined.

54A:5-1. New Jersey Gross Income Defined. New Jersey gross income shall consist of the following categories of income:

a. Salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered whether in cash or in property, and amounts paid or distributed, or deemed paid or distributed, out of a medical savings account that are not excluded from gross income pursuant to section 5 of P.L.1997, c.414 (C.54A:6-27).

b. Net profits from business. The net income from the operation of a business, profession or other activity after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting allowed for federal income tax purposes but without deduction of the amount of:

(1) taxes based on income;
(2) a civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator; and
(3) treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.1f)
for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon the failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, a discharge.

c. Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible as determined in accordance with the method of accounting allowed for federal income tax purposes. For the purpose of determining gain or loss, the basis of property shall be the adjusted basis used for federal income tax purposes, except as expressly provided for under this act, but without a deduction for penalties, fines, or economic benefits excepted pursuant to paragraph (2), or for treble damages excepted pursuant to paragraph (3) of subsection b. of this section.

A taxpayer's net gain or loss on the sale, exchange or other disposition of a share of an S corporation shall be calculated by increasing the adjusted basis of the share by an amount equal to the shareholder's net losses and deductions in respect of the share allowed and deducted from income for federal income tax purposes, not including any personal net operating loss deductions, to the extent that such net losses were not offset by the taxpayer's pro rata share of S corporation income otherwise subject to taxation pursuant to subsection p. of this section in respect of another S corporation, subject to rules of priority and assignment determined by the director.

For the tax year 1976, any taxpayer with a tax liability under this subsection, or under the "Tax on Capital Gains and Other Unearned Income Act," P.L.1975, c.172 (C.54:8B-1 et seq.), shall not be subject to payment of an amount greater than the amount he would have paid if either return had covered all capital transactions during the full tax year 1976; provided, however, that the rate which shall apply to any capital gain shall be that in effect on the date of the transaction. To the extent that any loss is used to offset any gain under P.L.1975, c.172, it shall not be used to offset any gain under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq.

The term "net gains or income" shall not include gains or income derived from obligations which are referred to in clause (1) or (2) of N.J.S.54A:6-14 of this act or from securities which evidence ownership in a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1). The term "net gains or net income" shall not include gains or income from transactions to the extent to which nonrecognition is allowed for federal income tax purposes. The term "sale, exchange or other disposition" shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganiza-
tion, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. For purposes of this clause, stock or securities issued for services shall not be considered as issued in return for property.

For purposes of this clause, the term "reorganization" means:

(i) A statutory merger or consolidation;

(ii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition);

(iii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded;

(iv) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred;

(v) A recapitalization;

(vi) A mere change in identity, form, or place of organization however effected; or

(vii) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this subclause as "controlling corporation") which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under subclause (i) if such transaction would have qualified under subclause (i) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction;

(viii) A transaction otherwise qualifying under subclause (i) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this subclause as the "controlling corporation") which before the merger was in control of the merged corporation is used in the transaction, if after
the transaction, the corporation surviving the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

For purposes of this clause, the term "control" means the ownership of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all other classes of stock of the corporation.

For purposes of this clause, the term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. In the case of a reorganization qualifying under subclause (i) by reason of subclause (vii) the term "a party to a reorganization" includes the controlling corporation referred to in such subclause (vii).

Notwithstanding any provisions hereof, upon every such exchange or conversion, the taxpayer's basis for the stock or securities received shall be the same as the taxpayer's actual or attributed basis for the stock, securities or property surrendered in exchange therefor.

d. Net gains or net income derived from or in the form of rents, royalties, patents, and copyrights.

e. Interest, except interest referred to in clause (1) or (2) of N.J.S.54A:6-14, or distributions paid by a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1), to the extent provided in that section.

f. Dividends. "Dividends" means any distribution in cash or property made by a corporation, association or business trust that is not an S corporation, (1) out of accumulated earnings and profits, or (2) out of earnings and profits of the year in which such dividend is paid and any distribution in cash or property made by an S corporation, as specifically determined pursuant to section 16 of P.L.1993, c.173 (C.54A:5-14).

The term "dividends" shall not include distributions paid by a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1), to the extent provided in that section.

g. Gambling winnings.

h. Net gains or income derived through estates or trusts.

i. Income in respect of a decedent.

j. Amounts distributed or withdrawn from an employee trust attributable to contributions to the trust which were excluded from gross income under the provisions of chapter 6 of Title 54A of the New Jersey

k. Distributive share of partnership income.

l. Amounts received as prizes and awards, except as provided in N.J.S.54A:6-8 and N.J.S.54A:6-11 hereunder.

m. Rental value of a residence furnished by an employer or a rental allowance paid by an employer to provide a home.

n. Alimony and separate maintenance payments to the extent that such payments are required to be made under a decree of divorce or separate maintenance but not including payments for support of minor children.

o. Income, gain or profit derived from acts or omissions defined as crimes or offenses under the laws of this State or any other jurisdiction.

p. Net pro rata share of S corporation income.

C.54A:6-27 Contributions to medical savings account not included in gross income.

5. a. Gross income shall not include contributions to a taxpayer's medical savings account that are excluded from the taxpayer's federal gross income pursuant to section 220 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.220.

b. Gross income shall not include amounts paid or distributed, or deemed paid or distributed, out of a taxpayer's medical savings account that are excluded from the taxpayer's federal gross income pursuant to section 220 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.220.

c. The exclusions provided by subsections a. and b. of this section shall, notwithstanding any amendment or supplement to federal law, be allowed only to "eligible individuals" qualifying under the limitations of subsection (i), and subject to the numerical limits of subsection (j), of section 220 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.220, as in effect on January 1, 1997.

6. This act shall take effect immediately and sections 2 through 5 shall apply to taxable years beginning on or after January 1, 1998.

The commissioner shall implement the recommendations contained in the report 60 days following the report's submission to the Governor and Legislature unless the recommendations, either all or in part, are disapproved each by the Senate and the General Assembly by passage of a concurrent resolution stating, in substance, that the Legislature does not favor the recommendations. If the recommendations are disapproved in part by concurrent resolution, the commissioner shall implement those recommendations that are not disapproved.

8. a. Notwithstanding any other provision of law to the contrary, the commissioner is authorized to set or change by emergency order, for periods of up to 60 days, the speed limit on any public highway based on emergent conditions, such as construction work, dangerous conditions, extreme congestion or traffic problems, imminent peril, or imminent risk to motorists or to the public safety.

1. Section 3-13 of P.L.1950, c.210 (C.40:69A-43) is amended to read as follows:

C.40:69A-43 Municipal departments, number.

3-13. (a) The municipality shall have a department of administration and such other departments, not less than two and not exceeding nine in number, as council may establish by ordinance. All of the administrative functions, powers and duties of the municipality, other than those vested in the offices of the municipal clerk and the municipal tax assessor, shall be allocated and assigned among and within such departments.

The offices of the municipal clerk and the municipal tax assessor shall be subject to such general administrative procedures and requirements as are departments of the municipal government, including, but not limited to, the preparation and submission of an annual budget and of such periodic budget reports as are generally required of departments, and such accounting controls, central purchasing practices, personnel procedures and regulations, and central data processing services as are generally required of departments.

(b) Each department shall be headed by a director, who shall be appointed by the mayor with the advice and consent of the council. Each department head shall serve during the term of office of the mayor appointing him, and until the appointment and qualification of his successor. The mayor shall, with the advice and consent of the council, appoint the municipal assessor and all other municipal officers not assigned within municipal departments, subject to the terms of any general law providing for these offices, unless a different appointment procedure is clearly required by this plan of government or by general law.

(c) The mayor may in his discretion remove any department head and, subject to any general provisions of law concerning term of office or tenure, any other municipal executive officer who is not a subordinate departmental officer or employee, after notice and an opportunity to be heard. Prior to removal the mayor shall first file written notice of his intention with the council, and such removal shall become effective on the 20th day after the filing of such notice unless the council shall prior thereto have adopted a
resolution by a two-thirds vote of the whole number of the council, disapproving the removal.

In the event of the removal or failure of reappointment of a business administrator, that administrator may, upon the enactment of an ordinance, be entitled to a three-months' written notice of the removal or non-reappointment, or if the mayor determines that the removal shall be immediate, then the administrator may, upon the enactment of an ordinance, be paid any unpaid balance of his salary plus his salary for a maximum of the next three calendar months following the effective date of the mayor's action unless the removal is for good cause. For the purposes of this subsection, "good cause" shall mean conviction of a crime or offense involving moral turpitude, the violation of the provisions of section 17-14, 17-15, 17-16, 17-17, or 17-18 of P.L.1950, c.210 (C.40:69A-163 through 40:69A-167), or the violation of any code of ethics in effect within the municipality.

(d) Department heads shall appoint subordinate officers and employees within their respective departments and may, with approval of the mayor, remove such officers and employees, subject to the provisions of Title 11A of the New Jersey Statutes, where that Title is effective in the municipality, or other general law.

(e) Notwithstanding the foregoing provisions of this section, in any city of the first class, there shall be, and in any municipality having a population of 15,000 or more, there may be, a board of alcoholic beverage control which shall exercise the powers conferred upon municipal boards of alcoholic beverage control under Title 33 of the Revised Statutes. Such boards shall be comprised of three members, no more than two of whom shall be of the same political party, who shall be appointed by the mayor, with the advice and consent of the council, each to serve for a term of three years, provided that of those first appointed, one shall be appointed to serve for a term of one year, one for two years, and one for three years. Any vacancy in such office shall be filled in the same manner as the original appointment, for the balance of the unexpired term. Except in cities of the first class the members of such board shall serve without compensation but may be reimbursed for necessary expenses incurred in the performance of their duties; in cities of the first class, the members of such board shall receive such compensation as shall be established by ordinance of the municipality. They shall be removable by the mayor for cause. Any person appointed hereunder shall not be subject to the provisions of Title 11A of the New Jersey Statutes, and no such person shall be a member of the city council.

Nothing in this subsection shall be construed to limit the general power of the municipal council under this act to establish, alter and abolish offices,

boards and commissions in any municipality other than a city of the first class.

(f) Whenever in any municipality with a population greater than 100,000, according to the latest federal decennial census, the governing body is authorized by any provision of general law to appoint the members of any board, authority or commission, such power of appointment shall be deemed to vest in the mayor with the advice and consent of the council. In all other municipalities, whenever the governing body is authorized by any provision of general law to appoint the members of any board, authority or commission, such power of appointment shall be deemed to vest in the mayor with the advice and consent of the council, unless the specific terms of that general law clearly require a different appointment procedure or appointment by resolution, in which case the appointment shall be by the council.

2. This act shall take effect immediately.

C.17B:27A-19 Five health benefit plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer the five health benefit plans as provided in this section. The board shall establish a standard policy form for each of the five plans, which except as otherwise provided in subsection j. of this
section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:

1. Basic inpatient and outpatient hospital care;
2. Basic and extended medical-surgical benefits;
3. Diagnostic tests, including X-rays;
4. Maternity benefits, including prenatal and postnatal care; and
5. Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees’ small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available to all small employers on a continuing basis. Every small employer which elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the five standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such
package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).

e. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may approve a health benefits plan containing only medical-surgical benefits or major medical expense benefits, or a combination thereof, which is issued as a separate policy in conjunction with a contract of insurance for hospital expense benefits issued by a hospital service corporation, if the health benefits plan and hospital service corporation contract combined otherwise comply with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.). Deductibles and coinsurance limits for the contract combined may be allocated between the separate contracts at the discretion of the carrier and the hospital service corporation.

f. Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section.

   Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is approved pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the five plans required pursuant to this section, except that the plans shall provide the same level of benefits as required for a federally qualified health maintenance organization, including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance organization or otherwise affiliate with a health maintenance organization in order to comply with the provisions of this section, but the carrier shall be required to offer the five health benefits plans which are formulated by the board and approved by the commissioner, including one plan which contains benefits and cost sharing levels that are equivalent to those required for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may modify the benefits provided for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3).

   i. (1) In addition to the rider packages provided for in subsection d. of this section, every carrier may offer, in connection with the five health benefits plans required to be offered by this section, any number of riders
which may revise the coverage offered by the five plans in any way, provided, however, that any form of such rider or amendment thereof which decreases benefits or decreases the actuarial value of one of the five plans shall be filed for informational purposes with the board and for approval by the commissioner before such rider may be sold. Any rider or amendment thereof which adds benefits or increases the actuarial value of one of the five plans shall be filed with the board for informational purposes before such rider may be sold.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner shall not approve any rider which reduces benefits below those required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and required to be sold pursuant to this section. The commissioner's determination shall be in writing and shall be appealable.

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued by or through a carrier, association, multiple employer arrangement prior to January 1, 1994 or, if the requirements of subparagraph (c) of paragraph (6) of this subsection are met, issued by or through an out-of-State trust prior to January 1, 1994, at the option of a small employer policy or contract holder, may be renewed or continued after February 28, 1994, or in the case of such a health benefits plan whose anniversary date occurred between March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-19.1 et al.), may be reinstated within 60 days of that anniversary date and renewed or continued if, beginning on the first 12-month anniversary date occurring on or after the sixtieth day after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) and, regardless of the situs of delivery of the health benefits plan, the health benefits plan renewed, continued or reinstated pursuant to this subsection complies with the provisions of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19b., 17B:27A-22, 17B:27A-23, 17B:27A-24, 17B:27A-25 and 17B:27A-27) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

Nothing in this subsection shall be construed to require an association, multiple employer arrangement or out-of-State trust to provide health benefits coverage to small employers that are not contemplated by the
organizational documents, bylaws, or other regulations governing the purpose and operation of the association, multiple employer arrangement or out-of-State trust. Notwithstanding the foregoing provision to the contrary, an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members' employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;

(b) shall not use actual or expected health status in determining its membership; and

(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.

(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the rating
factors permitted by section 9 of P.L. 1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall monitor compliance of any such plan with the requirements of this subsection except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2, 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer groups that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the effective date of P.L.1995, c.340, the new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan's issuing carrier pursuant to the provisions of this paragraph, shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

CHAPTER 432

AN ACT concerning the monitoring of public school districts and supplementing chapter 7A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. It is the goal of the State of New Jersey to prepare its students to be internationally competitive and to meet world class standards through our system of public education.
   b. In order to achieve this State priority, leaders from government, education, business and our local communities must work collaboratively to promote quality, creativity, and accountability in the delivery of educational services.
   c. An alternative program of monitoring and evaluation of schools may be used to promote the goals of quality and excellence in our schools and to effectuate educational improvement in this State.
   d. The utilization of an alternative program of monitoring and evaluation of schools could effectuate educational improvement by promoting greater use of quality management principles, increasing the exchange of information concerning best practices and the achievement of
excellence in education, and promoting partnerships between the public and private sectors in pursuit of educational excellence.

e. The State could benefit from the use of an alternate program of monitoring and evaluation of schools because:

(1) the alternate program stimulates increased cooperation among internal and external stakeholders in a school system;

(2) the program mobilizes the business community to assist school districts by sharing its expertise in total quality management principles;

(3) the program fosters consensus in establishing district goals, clear values, high standards, and organizational excellence;

(4) the ongoing nature of the districts' self assessment process will result in continuous improvement and increased accountability for public schools; and

(5) State and local resources will be more efficiently utilized by the application of quality management principles and a self assessment process.

C.18A:7A-14.4 Level I district may apply for alternative program of monitoring, evaluation.

2. a. Notwithstanding any law to the contrary, a school district at Level I may apply to participate in an alternative program of monitoring and evaluation for the purpose of certification pursuant to section 14 of P.L.1975, c.212 (C.18A:7A-14). Prior to the application of the school district to the Commissioner of Education for participation in the alternative program of monitoring and evaluation, there shall be consensus between the school district and the majority representative of the school employees in the district concerning the district's participation in the program.

b. A school district approved to participate in the alternative program of monitoring and evaluation shall conduct ongoing monitoring and evaluation according to criteria established by the Commissioner of Education, in consultation with the Commission on Business Efficiency of the Public Schools. The criteria shall include, but not be limited to, the criteria used in the education eligibility category of the Malcolm Baldrige National Quality Award, established pursuant to subsection (a) of section 3 of Pub.L. 100-107 (15 U.S.C. s.3711a), and the New Jersey Quality Achievement Award established pursuant to Executive Order No. 47 of 1991, such as: (1) leadership; (2) information and analysis; (3) strategic and operational planning; (4) human resource development and management; (5) educational and business process management; (6) school performance results; and (7) student focus and stakeholder satisfaction.

c. The commissioner may eliminate a school district from participation in the alternative program of monitoring and evaluation, if the commissioner deems it to be advisable. The commissioner shall inform the school district of its elimination from the alternative program of monitoring and

3. The commissioner shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the provisions of this act.

4. This act shall take effect immediately and the Commissioner of Education shall make the alternative program of monitoring and evaluation available to eligible school districts in the 1998-1999 school year.

CHAPTER 433

AN ACT empowering the waterfront commission to grant permanent registration to certain checkers, container equipment operators and longshoremen with temporary registration and amending P.L.1966, c.18.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 (5-p) of P.L.1966, c.18 (C.32:23-114) is amended to read as follows:

C.32:23-114 Longshoremen's register.

2. 5-p 1. The commission shall suspend the acceptance of applications for inclusion in the longshoremen's register for a period of 60 days after the effective date of this act. Upon the termination of such 60-day period the commission shall thereafter have the power to make determinations to suspend the acceptance of applications for inclusion in the longshoremen's register for such periods of time as the commission may from time to time establish and, after any such period of suspension, the commission shall have the power to make determinations to accept applications, which shall be processed in the order in which they are filed with the commission, for such period of time as the commission may establish or in such number as the commission may determine, or both. Such determinations to suspend or accept applications shall be made by the commission on its own initiative or upon the joint recommendation in writing of stevedores and other
employers of longshoremen in the Port of New York District, acting through their representative for the purposes of collective bargaining with a labor organization representing such longshoremen in such district and such labor organization, which joint recommendation the commission shall have the power to accept or reject.

2. In administering the provisions of this section, the commission shall observe the following standards:

(a) To encourage as far as practicable the regularization of the employment of longshoremen;

(b) To bring the number of eligible longshoremen into balance with the demand for longshoremen's services within the Port of New York District without reducing the number of eligible longshoremen below that necessary to meet the requirements of longshoremen in the Port of New York District;

(c) To encourage the mobility and full utilization of the existing work force of longshoremen;

(d) To protect the job security of the existing work force of longshoremen;

(e) To eliminate oppressive and evil hiring practices injurious to waterfront labor and waterborne commerce in the Port of New York District, including, but not limited to, those oppressive and evil hiring practices that may result from either a surplus or shortage of waterfront labor;

(f) To consider the effect of technological change and automation and such other economic data and facts as are relevant to a proper determination.

In observing the foregoing standards and before determining to suspend or accept applications for inclusion in the longshoremen's register, the commission shall consult with and consider the views of, including any statistical data or other factual information concerning the size of the longshoremen's register submitted by, carriers of freight by water, stevedores, waterfront terminal owners and operators, any labor organization representing employees registered by the commission, and any other person whose interests may be affected by the size of the longshoremen's register.

3. Any determination by the commission pursuant to this section to suspend or accept applications for inclusion in the longshoremen's register shall be made upon a record, shall not become effective until five days after notice thereof to the collective bargaining representative of stevedores and other employers of longshoremen in the Port of New York District and to the labor organization representing such longshoremen and shall be subject to judicial review for being arbitrary, capricious, and an abuse of discretion in a proceeding jointly instituted by such representative and such labor organization. Such judicial review proceeding may be instituted in either state in the manner provided by the law of such state for review of the final
decision or action of administrative agencies of such state, provided, however, that such proceeding shall be decided directly by the appellate division as the court of first instance (to which the proceeding shall be transferred by order of transfer by the Supreme Court in the state of New York or in the State of New Jersey by notice of appeal from the commission's determination), and provided further that notwithstanding any other provision of law in either state no court shall have power to stay the commission's determination prior to final judicial decision for more than 15 days. In the event that the court enters a final order setting aside the determination by the commission to accept applications for inclusion in the longshoremen's register, the registration of any longshoremen included in the longshoremen's register as a result of such determination by the commission shall be canceled.

This section shall apply, notwithstanding any other provision of this act, provided, however, such action shall not in any way limit or restrict the provision of section 5 of article IX of this act empowering the commission to register longshoremen on a temporary basis to meet special or emergency needs or the provisions of section 4 of article IX of this act relating to the immediate reinstatement of persons removed from the longshoremen's register pursuant to article IX of this act. Nothing in this section shall be construed to modify, limit or restrict in any way any of the rights protected by article 15 of this act.

4. Notwithstanding any other provision of this act, the commission may include in the longshoremen's register under such terms and conditions as the commission may prescribe:

(a) A person issued registration on a temporary basis to meet special or emergency needs, who, on the effective date of this act, is still so registered by the commission;

(b) A person defined as a "longshoreman" in subdivision (6) of section 1(5-a) of P.L.1954, c.14 (C.32:23-85), who is employed by a stevedore as defined in paragraph (b) or (c) of subdivision (1) of the same section (C.32:23-85) and whose employment is not subject to the guaranteed annual income provisions of any collective bargaining agreement relating to longshoremen;

(c) No more than 20 persons issued and holding registration pursuant to paragraph (b) of this subdivision who are limited to acting as scalemen and who are no longer employed as scalemen on the effective date of this 1987 amendatory act;

(f) A person issued registration on a temporary basis as a container equipment operator to meet special or emergency needs in accordance with a waterfront commission resolution of September 4, 1996 and who is still so registered by the commission; and

(g) A person issued registration on a temporary basis as a longshoreman to meet special or emergency needs in accordance with a waterfront commission resolution of September 4, 1996 and who is still so registered by the commission.

2. If any part or provision of this act or the application thereof to any person or circumstances be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this act or the application thereof to other persons or circumstances and the two states hereby declare that they would have entered into this act or the remainder thereof had the invalidity of such provisions or application thereof been apparent.

3. This act constitutes an agreement between the states of New Jersey and New York, supplementary to the waterfront commission compact and amendatory thereof, and shall be liberally construed to effectuate the purposes of that compact and the powers vested in the waterfront commission hereby shall be construed to be in aid of and supplemental to and not in limitation of or in derogation of any of the powers heretofore conferred upon or delegated to the waterfront commission.

4. This act shall take effect immediately but shall remain inoperative until the enactment into law by the State of New York of legislation of substantially similar substance and effect; but if such legislation already has been enacted, this act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. C.26:21-10 Additional powers of authority.

10. The authority is authorized to fix, revise, charge and collect rates, rents, fees and charges for the use of and for the services furnished or to be furnished by each project and to contract with any person, partnership, association or corporation, or other body, public or private, in respect thereof. Such rates, rents, fees and charges shall be fixed and adjusted in respect of the aggregate of rents, rates, fees and charges from such project so as to provide funds sufficient with other revenues or moneys, if any:

a. To pay the cost of maintaining, repairing and operating the project and each and every portion thereof, to the extent that the payment of such cost has not otherwise been adequately provided for.

b. To pay the principal of and the interest on outstanding bonds of the authority issued in respect of such project as the same shall become due and payable; and

c. To create and maintain reserves required or provided for in any resolution authorizing, or trust agreement securing, such bonds of the authority.

Such rates, rents, fees and charges shall not be subject to supervision or regulation by any department, commission, board, body, bureau or agency of this State other than the authority. A sufficient amount of the revenues derived in respect of a project, except such part of such revenues as may be necessary to pay the cost of maintenance, repair and operation and to provide reserves for renewals, replacements, extensions, enlargements and improvements as may be provided for in the resolution authorizing the issuance of any bonds of the authority or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such
resolution or trust agreement in a sinking or other similar fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the rates, rents, fees and charges and other revenues or other moneys or securities so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority. The use and disposition of moneys to the credit of such sinking or other similar fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking or other similar fund shall be a fund for all such bonds issued to finance projects of a health care organization without distinction or priority of one over another; provided the authority in any such resolution or trust agreement may provide that such sinking or other similar fund shall be the fund for a particular project at a health care organization and for the bonds issued to finance a particular project and may, additionally, permit and provide for the issuance of bonds having a subordinate lien in respect of the security herein authorized to other bonds of the authority and, in such case, the authority may create separate sinking or other similar funds in respect to such subordinate lien bonds.

the parties who may enter into contracts with the authority pursuant to the 
provisions of this act, or in any way impair the rights or remedies of the 
holders of such bonds or such parties until the bonds, together with interest

The health care organization for which such a project is undertaken by the authority shall approve the plans and specifications of such project.

b. To operate and manage any project provided pursuant to this section, or the authority may lease any such project to the health care organization for which such project is provided. At such time as the liabilities of the authority incurred for any such project have been met and the bonds of the authority issued therefor have been paid, or such liabilities and bonds have otherwise been discharged, the authority shall transfer title to all the real and personal property of such project vested in the authority, to the health care organization in connection with which such project is then being operated, or to which such project is then leased, provided, however, that if at any time prior thereto the health care organization ceases to offer health services, then such title shall vest in the State of New Jersey.

b. Whenever the authority under section 28 of P.L.1972, c.29 (C.26:21-28) undertakes to construct, acquire or otherwise provide a project and to lease the same to a health care organization, the lessee shall be responsible for the direct operation and maintenance costs of such project and, in addition, shall be responsible for the overall supervision of each project, for the overhead and general administrative costs of the lessee which are incurred because of such project and for the integration of each project operation into the lessee's health care program.

19. Section 34 of P.L.1972, c.29 (C.26:21-34) is amended to read as
follows:

Participation in or acquisition of existing projects.

34. a. Whenever any health care organization has constructed or
acquired any work or improvement which would otherwise qualify as a
project under the preceding portions of this act except for the fact that such
construction or acquisition was undertaken and financed without assistance
from the authority, the authority may purchase such work or improvement,
and lease the same to the health care organization, or may lend funds to the
health care organization for the purpose of enabling the latter to retire
obligations incurred for such construction or acquisition, provided that the
amount of any such purchase price or loan shall not exceed the project cost
as herein defined, irrespective of such work or improvement. All powers,
rights, obligations and duties granted to or imposed upon the authority,
health care organizations, State departments and agencies or others by this
act in respect to projects shall apply to the same extent with respect to
transactions authorized by this section, provided that any action otherwise
required to be taken at a particular time in the progression of a project may,
where the circumstances so required in connection with a transaction under
this section be taken nunc pro tunc.

b. Acquisition of health care facilities from counties or municipalities.
Notwithstanding the provisions of any law to the contrary, the authority may
authorize the acquisition, and any county or municipality by resolution or ordinance may authorize a private sale and conveyance or leasing to the authority, of any interest of the county or municipality in any lands and existing health care facilities which are then being operated by a health care organization upon such terms and conditions as may be agreed upon by the authority and the county and municipality. The authority may use its funds for the acquisition by providing for the retirement of obligations incurred for the acquisition of the land, and for the acquisition and construction of the existing health care facilities, provided that the amount of the purchase price shall not exceed the project costs. Upon acquisition of the lands and existing health care facilities, the authority may convey or lease the lands and existing health care facilities to a health care organization under such terms and conditions as the authority and health care organization may agree.

JOINT RESOLUTION NO. 8

A JOINT RESOLUTION creating the Task Force on the Availability of Homeowners Insurance in the Coastal Region.

WHEREAS, Over the past several years, homeowners and home buyers have experienced increased difficulty in obtaining personal property insurance, such as homeowners insurance, in the coastal areas of the State, and in particular, the barrier islands; and

WHEREAS, Beginning in 1993, storms causing millions of dollars in insured losses underscored the need for reliable personal property insurance, at the same time that some insurers began to restrict writing or nonrenew policies in those areas of the State hit hardest by the storms, namely those communities located between the Garden State Parkway and the Atlantic Ocean; and

WHEREAS, These practices constricted the coastal personal property and homeowners insurance market and forced many property owners into the State's property insurance pool of last resort, the New Jersey Insurance Underwriting Association, more commonly referred to as the "FAIR Plan," established by P.L.1968, c.129 (C.17:37A-1 et seq.); and

WHEREAS, In December of 1993, citing these conditions, the Legislature enacted a 90-day moratorium on the cancellation or nonrenewal of
personal property insurance policies, including homeowners or secondary residence insurance policies, on the basis of proximity to water or the risk of windstorm related claims, in an effort to stabilize the market while the then Department of Insurance completed its study of this situation; and

WHEREAS, The voluntary program which resulted from that study, the Windstorm Market Assistance Program, only began operation on January 2, 1997, and there has been insufficient time to evaluate its effectiveness; and

WHEREAS, The market for personal property insurance, including homeowners insurance, in the coastal areas continues to be restricted and an unacceptably high number of risks continue to be insured in the Fair Plan; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Task Force on the Availability of Homeowners Insurance in the Coastal Region is hereby created and shall consist of 15 members to be appointed as follows: two members of the Senate to be appointed by the President thereof, both of whom shall represent coastal constituencies; two members of the General Assembly to be appointed by the Speaker thereof, both of whom shall represent coastal constituencies; the Commissioner of Banking and Insurance or her designee, who shall serve ex-officio; the Commissioner of Community Affairs or his designee, who shall serve ex-officio; and nine public members who are citizens of the State to be appointed by the Governor with the advice and consent of the Senate. The members shall be appointed within 60 days of the effective date of this joint resolution. Any vacancy in the membership of the task force shall be filled in the same manner as the original appointment was made.

2. The task force shall organize as soon as may be practicable after the appointment of its members and shall select a chair from among its
members and a secretary, who need not be a member of the task force. Members of the task force shall serve without compensation, but shall be reimbursed by the Department of Banking and Insurance for expenses actually incurred in the performance of their duties.

3. The task force shall:
   a. Study and review the availability of personal property insurance in the coastal areas of this state;
   b. Study and review the voluntary Windstorm Market Assistance Program in order to evaluate its effectiveness in making homeowners insurance more readily available in the coastal region, including recommendations to improve its operations;
   c. Review and make recommendations to create incentives to encourage insurers to increase their voluntary writing of homeowners risks in the coastal areas, including, but not limited to, changes in insurers' rating systems that might be appropriate to mitigate losses and provide more accurate methods for ratemaking;
   d. Review and evaluate the extent to which there has been growth in the coastal areas, the degree to which local building codes are enforced effectively and how such growth and building code enforcement may affect insurance losses in the coastal areas;
   e. Review and evaluate incentives that may be offered to communities and homeowners to mitigate against potential losses that may occur in the event of a windstorm; and
   f. Review and compare other states with similar coastal area property insurance problems and evaluate the effectiveness of mechanisms those states have instituted to address issues of the availability of property insurance in the coastal regions of their states, as well as the appropriateness of considering the possible application of these mechanisms in New Jersey.

4. The task force is entitled to the assistance and services of the employees of any State, county or municipal department, board bureau, commission or agency as it may require and as may be available to it for its purposes, and incur traveling and other miscellaneous expenses necessary to perform its duties, within the limits of funds made available to it for its purposes through the Department of Banking and Insurance.

5. The task force may meet and hold hearings at the places it designates during the sessions or recesses of the Legislature and shall report its findings and recommendations to the Governor and the Legislature, no later than 180 days after the task force is organized.
6. This joint resolution shall take effect immediately and shall expire upon the submission of the task force's report as required by section 5 of this joint resolution.

WHEREAS, The National Institutes of Health Consensus Conference on Hepatitis C recognized the emerging public health issue of hepatitis C and recommended an increased effort to promote education and public awareness by the public health community; and

WHEREAS, The United States Public Health Service Blood Advisory Committee has recognized the public health consequences of undiagnosed hepatitis C infection and recommended that a massive public health campaign be undertaken to notify all recipients of blood transfusions prior to 1992 to obtain a test for hepatitis C; and

WHEREAS, The Council of State and Territorial Epidemiologists has recommended that a federal pilot project be made available to state health departments for state and county surveillance activities to identify and investigate cases of acute and chronic hepatitis C and for the development of state-based educational programs including the dissemination of materials on identification, reporting and counseling to public health and health care professionals and the general public, including high-risk groups; and

WHEREAS, Reorganization Plan No. 001-1997 (hereinafter “the Plan”) was submitted to the Senate and General Assembly on January 14, 1997; and

WHEREAS, Paragraph 1 of the Plan establishes within the Department of the Treasury a Division of Revenue; and

WHEREAS, Paragraph 2 of the Plan transfers the Bureau of Revenue of the Division of Financial Management and General Services in the Department of Environmental Protection to the Division of Revenue; and

WHEREAS, Paragraph 3 of the Plan transfers the Cash Control and Revenue Processing Units of the Bureau of Revenue Administration of the Division of Accounting and Auditing in the Department of Transportation to the Division of Revenue; and
WHEREAS, Paragraph 4 of the Plan transfers the Compliance Activity within the Division of Taxation in the Department of the Treasury to the Division of Revenue; and

WHEREAS, The Plan shall become effective in 60 days on March 15, 1997, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than March 15, 1997, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order; and

WHEREAS, The administrative burden on the Department of the Treasury and the Department of Environmental Protection in implementing paragraph 2 of the Plan and on the Department of the Treasury and the Department of Transportation in implementing paragraph 3 of the Plan will be greatly diminished by delaying the effective date of paragraphs 2 and 3 of the Plan until August 1, 1997; and

WHEREAS, I conclude that an effective date later than March 15, 1997, for paragraphs 2 and 3 of the Plan is necessary for the orderly and effective implementation of paragraphs 2 and 3 of the Plan; and

WHEREAS, The administrative burden on the Division of Taxation in the Department of the Treasury will be greatly diminished by delaying the effective date of a portion of paragraph 4 of the Plan so that only the Telecollection Function of the Office Collections Branch within the Compliance Activity in the Division of Taxation is transferred when the Plan becomes effective on March 15, 1997, unless disapproved by each House of the Legislature as noted above; and

WHEREAS, I conclude that an effective date later than March 15, 1997, for the portion of paragraph 4 of the Plan concerning the Compliance Activity, other than the Telecollection Function, is necessary for the orderly and effective implementation of paragraph 4 of the Plan; and

WHEREAS, I have directed the Treasurer to prepare a report recommending the time at which the transfer of the balance of the Compliance

NOW, THEREFORE, I, Christine Todd Whitman, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and the Statutes of this State, do hereby ORDER and DIRECT:

1. Unless Reorganization Plan No. 001-1997 is disapproved by the Legislature by March 15, 1997, paragraphs 2 and 3 of Reorganization Plan No. 001-1997 shall be effective on August 1, 1997.

EXECUTIVE ORDER NO. 69

WHEREAS, Chapter 73, P.L.1963, as amended, finds and declares it to be the public policy of this State that public records shall be readily accessible for examination by the citizens of this State for the protection of the public interest except as otherwise provided in said law; and

WHEREAS, Some limitation upon the right to examine and copy records provided by Chapter 73 is essential and not detrimental to the public interest as recognized by existing statutory and common law; and

WHEREAS, Disclosure of information must be consistent with existing statutory law regarding confidentiality in certain areas; and

WHEREAS, Said Chapter 73 provides that records which would otherwise be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of said law, may be excluded therefrom by Executive Order of the Governor or by any regulation promulgated under the authority of any Executive Order of the Governor; and
WHEREAS, Section 3(e) of Executive Order No. 9, issued by Governor Richard Hughes in 1963, and reaffirmed by Executive Order No. 123, issued by Governor Thomas H. Kean in 1983, states that fingerprint cards, plates and photographs and other similar criminal investigation records which are required to be made, maintained or kept by any State or local governmental agency shall not be deemed to be public records subject to inspection and examination and available for copying pursuant to the provisions of Chapter 73; and

WHEREAS, The Attorney General has undertaken a complete review of this subject area, seeking input from prosecutors, police, representatives of the news media, and victims' rights organizations, and has recommended that certain aspects of the system be clarified;

NOW, THEREFORE, I, Christine Todd Whitman, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby order and direct:

1. Executive Order No. 9 of Governor Richard J. Hughes and Executive Order No. 123 of Governor Thomas H. Kean are modified as hereinafter set forth, and any regulations adopted and promulgated under those prior Executive Orders shall be deemed null and void to the extent such regulations are inconsistent with the provisions of this Executive Order.

2. The following records shall not be deemed to be public records subject to inspection and examination and available for copying pursuant to the provisions of Chapter 73, P.L.1963, as amended: fingerprint cards, plates and photographs and similar criminal investigation records that are required to be made, maintained or kept by any State or local governmental agency.

3. Notwithstanding the above section 2, the following information shall be available to the public within 24 hours, or sooner if practicable, of a request for such information:
   (a) where a crime has been reported but no arrest yet made, information as to the type of crime, time, location and type of weapon, if any;
   (b) if an arrest has been made, information as to the name, address and age of any victims, unless there has not been sufficient opportunity for notification of next of kin of any victims of injury and/or death to any such victim or where the release of the names of any victim would be contrary
to existing law or court rule. In deciding on the release of information as to the identity of a victim, the safety of the victim and the victim's family, and the integrity of any ongoing investigation, shall be considered;

(c) if an arrest has been made, information as to the defendant's name, age, residence, occupation, marital status and similar background information and the identity of the complaining party, unless the release of such information is contrary to existing law or court rule;

(d) information as to the text of any charges, such as the complaint, accusation and indictment, unless sealed by the court or unless the release of such information is contrary to existing law or court rule;

(e) information as to the identity of the investigating and arresting personnel and agency and the length of the investigation;

(f) information of the circumstances immediately surrounding the arrest, including but not limited to the time and place of the arrest, resistance, if any, pursuit, possession and nature and use of weapons and ammunition by the suspect and by the police; and

(g) information as to circumstances surrounding bail, whether it was posted and amount thereof.

The term "request" shall mean either a written or oral request; provided, however, that all requests are made with sufficient clarity so as to enable a reasonable person to understand the information that is being sought. The law enforcement official responding to oral requests should make best efforts to respond orally over the telephone; however, it shall not be unreasonable to require the requester to appear in person to receive the information. Unless the parties note otherwise, it shall be understood that there is no duty to release or obtain information that is not in the possession of the law enforcement agency at the time of request.

4. Notwithstanding any other provision of this Executive Order, where it shall appear that the information requested or to be examined will jeopardize the safety of any person or jeopardize any investigation in progress or may be otherwise inappropriate to release, such information may be withheld. This section is intended to be narrowly construed to prevent disclosure of information which would be truly harmful to a bona fide law enforcement purpose or public safety if released. It is also intended to prevent such release that would violate existing law regarding confidentiality in areas including, but not limited to, domestic violence and juveniles.

5. Each county prosecutor shall prepare a plan outlining the procedures for providing and/or disseminating the information required by this Executive Order and shall submit same to the Division of Criminal
Justice for its review and filing. Each prosecutor shall consult with the police departments within his or her county and to the extent possible, include within the prosecutor's plan the local procedures for responding to informational requests. The Division of State Police shall submit its plan to the Office of the Attorney General. Whenever any changes are made in any such plan, said changes shall immediately be forwarded to the appropriate county prosecutor and/or the Division of Criminal Justice or Office of the Attorney General for review and filing. In addition, each county prosecutor's office shall designate a person(s) who is(are) responsible for responding to requests for public information by the media on nights, weekends and holidays. The name of the person(s) so designated shall be available at the communication center in each county.

6. The Attorney General, as chief law enforcement officer of the State, or his designee, or where appropriate, the county prosecutor, as chief law enforcement officer of the county, shall promptly resolve all disputes as to whether or not the release of records would be "otherwise inappropriate" between the custodian of any records referred to herein and any person seeking access thereto or similar disputes. Where the Attorney General or the county prosecutor determines that the release of records would be "otherwise inappropriate," he or she shall issue a brief statement explaining the decision.

7. The terms of this Order shall be carried out in the spirit of Chapter 73, P.L.1963, as amended, and shall not relate to requests pursuant to Chapter 60, Section 4, of P.L.1994. It shall be carried out by keeping in mind the right of citizens to be aware of events occurring in their community.

8. This Order shall take effect immediately.

Among the issues the Advisory Committee shall address are: public
safety as it relates to security at the Training School for Boys; whether the current physical facility meets the needs of the Commission in the context of its responsibility for the custody and care of juveniles; the impact that closure of the facility would have upon the Commission in the context of its responsibility for the custody and care of juveniles; the cost effectiveness of closure, including a fiscal analysis of whether the current facility should be renovated and/or whether the State should undertake new construction elsewhere; and, if new construction is recommended, possible alternative locations.

3. The Advisory Committee shall conduct at least one public hearing in order to obtain the positions and viewpoints of the members of the community surrounding the Training School for Boys.

4. The Advisory Committee shall be composed of up to twelve members including the Attorney General or his designee; the Executive Director of the Commission or his designee; the State Treasurer or his designee; the Director of the Office of Management and Budget or her designee; the Superintendent of the Training School for Boys or her designee; a Senator to be appointed by the Senate President; an Assembly member to be appointed by the Assembly Speaker; a member of the Advisory Council to the Juvenile Justice Commission to be appointed by the Governor; a member from the Monroe Training School for Boys Citizens Review Board to be appointed by the Governor; and no more than three members of the public to be appointed by the Governor based upon professional experience and expertise in juvenile justice or upon demonstrated involvement in and concern for the local communities surrounding the Training School for Boys. The Governor shall designate a chair and vice-chair from among the members of the Advisory Committee. The members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties subject to the availability of funds therefor.

5. The Advisory Committee shall organize and meet as soon as possible after the appointment of its members. The chair shall appoint a secretary who need not be a member of the Advisory Committee. Vacancies on the Advisory Committee shall be filled in the same manner as the original appointment.

6. All State departments and agencies are hereby directed, to the extent not inconsistent with law and within budget constraints, to cooperate with the Advisory Committee and to respond to requests for such information, personnel and assistance as are necessary to accomplish the purposes of this Order.

7. The Advisory Committee shall assist the Commission by providing recommendations in a timely fashion, in order to allow the Commission
to fully consider the Advisory Committee's views prior to presenting the Legislature with the Commission's findings and conclusions on the feasibility of closing the Training School for Boys. Pursuant to the Annual Appropriations Act, P.L.1997, c.131, page 140, lines 12 through 14, that presentation is to be completed no later than December 31, 1997. The Advisory Committee and the Commission are directed to coordinate their efforts to ensure compliance with this deadline.

8. This Order shall take effect immediately.

REORGANIZATION PLANS
REORGANIZATION PLAN NO. 001-1997
A PLAN FOR THE TRANSFER OF THE RESPONSIBILITIES FOR DEBT COLLECTION AND RECEIPTS PROCESSING FUNCTIONS FROM VARIOUS STATE AGENCIES AND CONSOLIDATING THEM IN A NEW DIVISION OF REVENUE WITHIN THE DEPARTMENT OF THE TREASURY

PLEASE TAKE NOTICE that on January 14, 1997, Governor Christine Todd Whitman hereby issues this Reorganization Plan No. 001-1997 (the Plan), to provide for the transfer of responsibilities for certain debt collection and receipts processing functions as well as all or a portion of the organizational units responsible for such debt collection and receipts processing from the Department of Environmental Protection, the Department of Transportation and the Division of Taxation in the Department of the Treasury to the Division of Revenue in the Department of the Treasury.

The Plan also provides for the transfer of responsibility for certain debt collection and receipts processing functions, without transferring organizational units, from the Department of Corrections, the Department of Law and Public Safety, the Department of Transportation and the Division of Taxation in the Department of the Treasury to the Division of Revenue in the Department of the Treasury.

This Plan furthers an ongoing effort to streamline and make more effective the operations of the Executive Branch in the interests of efficiency by consolidating certain debt collection and receipts processing functions and consolidating all or portions of certain organizational units into a single organization.

GENERAL STATEMENT OF PURPOSE

The Plan is designed to create a single organization with responsibility for revenue management, including processing of cash receipts, management of accounts receivable and collection of debts. Certain receivables are excepted from this Plan, namely (1) interagency receivables, (2) loans and notes receivables and (3) grants and contracts receivables.

There are a number of reasons why consolidation of collection activity on receivables is in the best interest of the State. At present, each Executive Branch agency manages its own receivables and performs its own debt collection activity. These activities vary widely, ranging from the sophisticated to the rudimentary. Receivables and collection activity are given less
than full attention when an agency does not have adequate resources (either people or technology) to manage delinquent receivables. Delinquent receivables often are not considered a high priority within an agency because they are not central to the agency's mission or there is a lack of understanding about how delinquent receivables should be managed most efficiently. Few agencies use the full range of enforcement actions and tools available to help collect debt. The result is that, for debts owed the State, enforcement actions vary widely and are based on the specific agency responsible for collecting the debt. In sum, receivables represent a major asset of the State of New Jersey, yet the State has no way to measure, monitor or control this asset at an appropriate level of detail.

Centralizing revenue management will allow a single organization with State-wide responsibility and authority to define and control the policies and procedures governing revenue management, specifically the processing of cash receipts, the management of accounts receivable and collection of delinquent receivables. This centralized collections entity will assist State agencies in the recovery and resolution of their accounts receivable by providing specialized collection services in an efficient and cost-effective manner.

To more efficiently direct, administer and control the State's revenue management functions, specifically the processing of cash receipts, the management of accounts receivable and the collection of billings with accounts receivable, this Plan provides for the consolidation and coordination of certain of these activities into a single organization, the Division of Revenue within the Department of the Treasury. This consolidation will improve the State's overall ability to collect revenue and reduce receivable balances. Moreover, the consolidation will eliminate duplication of effort in the area of receipts processing and debt collection.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.) (the Act), I find, with respect to the reorganization, transfer and consolidation provided for in this Plan, that each aspect of the Plan is necessary to accomplish the purposes set forth in Section 2 of the Act and that each aspect will:

1. promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions and the expeditious administration of the public business;
2. reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive Branch;

3. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

4. group, coordinate and consolidate agencies and functions of the Executive Branch, as nearly as may be, according to major purposes;

5. reduce the number of agencies by consolidating those having similar functions under a single head and abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Executive Branch; and

6. eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

A. ORGANIZATIONAL UNITS

1. a. There is hereby established within the Department of the Treasury a Division of Revenue for the purpose of consolidating all of the functions, powers, duties and units reorganized pursuant to this Plan.

b. The Division of Revenue shall be headed by a director who shall be appointed by, and serve at the pleasure of, the Treasurer, as provided by N.J.S.A. 52:14C-5(b). The director shall receive such salary as may be provided by law applicable to comparable officers in the Executive Branch. I find and declare that the appointment and compensation of the director is necessary to effectuate the reorganization made by this Plan.

c. The Division of Revenue shall be under the immediate supervision of the director who shall administer the work of the Division and who may exercise all of the powers, duties and functions transferred to the Division pursuant to this Plan, provided that nothing in this Plan shall be construed to grant the Division any functions, powers and duties with regard to (1) interagency receivables, (2) loans and notes receivables and (3) grants and contracts receivables. Nothing in the Plan shall be construed to diminish or modify the Attorney General's powers, duties or role pursuant to the Constitution, the common or statutory law, including but not limited to the Attorney General's powers, duties and role pursuant to P.L.1944, c.20, as amended (C.52:17A-1 et seq.) to act as sole legal advisor, attorney and
counsel for all officers, departments, boards, bodies, commissions and instrumentalities of the State government and to represent them in all proceedings or actions of any kind which may be brought for or against them in any court of this State; to interpret all statutes and legal documents, inspect and approve contracts and titles and otherwise control their legal activities; to attend generally to all legal matters in which the State or any officer, department, board, body, commission or instrumentality of the State government is a party or in which its rights or interests are involved; and to appoint, employ, supervise and dismiss special counsel.

d. The specific organization, names and functions of the bureaus, offices, sections and programs of the Division of Revenue shall be determined by the Treasurer, and may be modified thereby from time to time as the Treasurer deems appropriate in order to effectuate the purposes and provisions of this Plan.

2. The Bureau of Revenue of the Division of Financial Management and General Services in the Department of Environmental Protection, including the functions, powers and duties assigned to it by the Commissioner of the Department of Environmental Protection are continued and are transferred to the Division of Revenue. A proportionate share of those support services or funds to purchase such services utilized for the support of the Bureau of Revenue of the Division of Financial Management and General Services within the Department of Environmental Protection shall be transferred to the Division of Revenue. 3. The Cash Control and Revenue Processing Units of the Bureau of Revenue Administration of the Division of Accounting and Auditing in the Department of Transportation, including the functions, powers and duties assigned to it by the Commissioner of the Department of Transportation, are continued and are transferred to the Division of Revenue. Control and Revenue Processing Units of the Bureau of Revenue Administration, of the Division of Accounting and Auditing in the Department of Transportation, as may be agreed upon by the Commissioner of the Department of Transportation and the Treasurer are transferred to the Division of Revenue, with all of their present functions, powers and duties. A proportionate share of those support services or funds to purchase such services utilized for the support of the Cash Control and Revenue Processing Units of the Bureau of Revenue Administration of the Division of Accounting and Auditing in the Department of Transportation shall be transferred to the Division of Revenue. These transfers shall be made as determined by agreement between the Commissioner of the Department of Transportation and the Treasurer after considering the number and type of positions presently utilized for support of the Bureau of Revenue Administration and the appropriateness of transferring personnel, positions or funding.

4. The Compliance Activity within the Division of Taxation in the Department of the Treasury together with all the functions, powers and duties assigned to it by the Director of Taxation pursuant to P.L.1931, c.336, as amended (C.54:1-6 et seq.) is continued and is transferred to the Division of Revenue. These functions, powers and duties shall include but not be limited to those, such as the administration and enforcement of the confidentiality provisions of P.L.1936, c.23, ss.408 and 409 (C.54:50-8 and -9), specifically delegated to the Director of Taxation by the Uniform Tax Procedure Act, P.L.1936, c.163, as amended (C.54:48-1 et seq.).

These functions, powers and duties shall include but not be limited to those, such as the administration and enforcement of the confidentiality provisions of P.L.1936, c.23, ss.408 and 409, as amended (C.54:50-8 and -9), specifically delegated to the Director of Taxation by the Uniform Tax Procedure Act, P.L.1936, c.263, as amended (C.54:48-1 et seq.).

GENERAL PROVISIONS

I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, the reorganization will more efficiently direct, administer and control the State’s revenue management functions, in particular the processing of cash receipts, the management of accounts receivable and the collection of billings with accounts receivable. This Plan provides for the consolidation and coordination of these activities into a single organization, the Division of Revenue within the Department of the Treasury. This consolidation will improve the State’s overall ability to collect revenue and reduce receivable balances. Moreover, the consolidation will eliminate duplication of effort in the area of receipts processing and debt collection.

Monies collected or received by the Division of Revenue shall be deposited in such accounts or funds as may be provided by law for deposit of such monies.

Except as otherwise provided by law or by this Plan, the Treasurer shall determine delinquency in consultation with the Attorney General, the Commissioner of the Department of Corrections, the Commissioner of the Department of Environmental Protection or the Commissioner of the Department of Transportation, as appropriate.

All acts or parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.
Unless otherwise specified in this Plan, all transfers directed by this Plan shall be affected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

If any provisions of this Plan or the application thereof to any person or circumstances or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of this Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provision not contrary to law. To this end, the provisions of this Plan are declared to be severable.

This Plan is intended to make the operations of the Executive Branch more efficient and effective with regard to revenue management practices and shall be liberally construed to attain the objectives and effect the purposes thereof.

A copy of this Reorganization Plan was filed on January 14, 1997 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on March 15, 1997, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than March 15, 1997, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 002-1997
A PLAN FOR THE TRANSFER, CONSOLIDATION AND RE-ORGANIZATION OF THE BUREAU OF CHILD NUTRITION PROGRAMS INTO THE DEPARTMENT OF AGRICULTURE

PLEASE TAKE NOTICE that on May 8, 1997, Governor Christine Todd Whitman hereby issues this Reorganization Plan No. 002-1997 (hereinafter noted as the "Plan"), to provide for the transfer, consolidation and
reorganization of the Bureau of Child Nutrition Programs from the Department of Education (DOE) to the Department of Agriculture (DOA).

The Plan is part of a continuing effort to consolidate and align the structure of the Executive Branch in the interest of efficiency and economy, without qualitative or quantitative diminution of services to the public.

GENERAL STATEMENT OF PURPOSE

This Plan will foster the efficient implementation of a coherent public policy for all State-administered Federal child nutrition and school lunch programs. Two Departments of the Executive Branch currently are responsible for the administration of Federal child nutrition programs and school lunch programs. The Department of Education, through its Bureau of Child Nutrition Programs, operates five child nutrition programs which provide financial and technical assistance to public and non-public schools, residential and non-residential child care institutions, day care centers, recreation centers and other eligible participants listed in the applicable Federal statutes and regulations (7 C.F.R.). These funds support various child nutrition programs.

The Department of Agriculture, through its Commodity Food Distribution Programs, annually distributes over 30 million pounds of nutritious, Federally donated food commodities to an almost identical constituent base as the DOE's child nutrition programs.

Citizens of this State will benefit from having one Department in State government distribute both food commodities and cash reimbursements. This integration of functions will result in improved efficiency and will enable public and non-public schools, residential and non-residential child care institutions, day care centers, recreation centers and other recipients to receive commodities and/or cash reimbursement from one agency. Anticipated benefits of the consolidation include:

- Improvement in the timely certification of programs and coordination of services.
- Enhanced availability of program information and improved response time due to merged data systems.
- Streamlined accounting and report processes due to one fiscal system for all programs, providing a potential savings to the State.
• Coordination of monitoring and inspection schedules to ease burdens on school districts by causing fewer interruptions in service and clients' schedules.

• Simplification of the certification process for school districts for reimbursement and commodities.

• Development of regional food purchasing groups between eligible clients, as well as improving the economy of the local and State agriculture industry.

• Consolidation and coordination of a system to identify and assist eligible schools and agencies in their efforts to supply commercially processed USDA foods to recipients throughout the State.

• Expansion of education and training services to reach appropriate school food service personnel.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L. 1969, c.203 (C.52:14C-1 et seq.), I find, that the transfer, consolidation and reorganization provided for in this Plan, is necessary to accomplish the purpose set forth in Section 2 of the Act in that the Plan will:

1. promote more effective management of the Executive Branch by consolidating food distribution and the administration of child nutrition functions and activities within one agency;

2. promote better and more efficient execution of the laws and provide for the expeditious administration of the public business by consolidating and integrating similar functions within one agency;

3. group, coordinate and consolidate functions in a more consistent and practical manner;

4. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; and

5. eliminate duplication and overlapping of effort that has resulted from the distribution of food commodities and the administration of all child nutrition programs to identical constituencies by two separate State agencies of the Executive Branch.
PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

1. a. The authority conferred upon the Department of Education, pursuant to N.J.S.A. 18A:33-4 and N.J.S.A. 18A:58-7.1 to provide reimbursement for all meals served to children meeting Statewide eligibility criteria, shall henceforth be exercised by the Department of Agriculture.

   b. The authority conferred upon the Department of Education, pursuant to N.J.A.C.6:20-9 et seq. to administer the State's Child Nutrition Programs, shall henceforth be exercised by the Department of Agriculture.

   c. The powers, functions and duties hereby transferred in subsections a. and b. above shall be organized and implemented within the Department of Agriculture.

   d. All employees of the Department of Education who are employed to administer child nutrition programs under the authority of State statutes and regulations shall be employees of the Department of Agriculture and shall be transferred to that Department pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

   e. All records, property, appropriations and any unexpended balance of funds appropriated or otherwise available to the Department of Education in connection with the administration of child nutrition programs shall be transferred to the Department of Agriculture pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

   f. Whenever any law, rule, regulation, order, contract, tariff, document, judicial or administrative proceeding or otherwise relating to child nutrition programs, refers to the Department of Education, the same shall mean the Department of Agriculture.

GENERAL PROVISIONS

I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L. 1969, c.203. Specifically, this reorganization will promote the more effective management of the Executive Branch and its agencies; promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes; reduce the number of agencies by consolidating those
having a similar function under a single head; and eliminate overlapping and duplication of effort.

This Plan, or any section or part thereof, that conflicts with Federal law or regulation shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver or other means.

All Acts and parts of Acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

If any provisions of this Plan or the application thereof to any person, or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

This Plan is intended to protect and promote the public health, safety and welfare and shall be liberally construed to attain the objectives and effect the purposes thereof.

All transfers directed by this Plan shall be effectuated pursuant to the "State Agency Transfer Act," P.L.1971, c.373 (C.53:14D-1 et seq.).

A copy of this Plan was filed on May 8, 1997 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on July 7, 1997, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than July 7, 1997, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 003-1997
A PLAN FOR THE REORGANIZATION OF THE
DEPARTMENT OF THE TREASURY AND PROVIDING FOR
THE ABOLITION OF THE
GENERAL SERVICES ADMINISTRATION

PLEASE TAKE NOTICE that on May 8, 1997, Governor Christine Todd Whitman hereby issues this Reorganization Plan No. 003-1997 (the Plan) to provide for increased efficiency and effectiveness of the Department of the Treasury by the reorganization and coordination of the Division of Purchase and Property and the Division of Building and Construction, by the abolition of the General Services Administration and the Office of General Services Administrator, and by renaming the Division of Building and Construction as the Division of Property Management and Construction.

This Plan furthers an ongoing effort to streamline and make more effective the operations of the Executive Branch by abolishing the General Services Administration, by abolishing the Office of General Services Administrator, and by reallocating all the functions, powers and duties of the General Services Administration between the Division of Purchase and Property and the renamed Division of Property Management and Construction.

GENERAL STATEMENT OF PURPOSE

The General Services Administration was created in 1984 by P.L.1984, c.34. It was created to supervise and coordinate the functions of the Division of Purchase and Property and the Division of Building and Construction, providing a better functional relationship within the Department in terms of management control. The Division of Data Processing and Telecommunications was abolished, and certain of its duties were transferred to the General Services Administration. Also, the General Services Administrator was given authority to supervise the operations of the Financial Management and Data Center and was authorized to exercise certain powers of the Treasurer relating to the procurement of goods and services and other State contracts and property, as delegated by the Treasurer.

More recently, under P.L. 1992, c.130, the Office of Leasing Operations was established in the General Services Administration and placed under the supervision of the General Services Administrator. This Office was
empowered to develop a space utilization plan, to negotiate leases for all State agencies and to determine requirements and arrange for construction or renovation of leased space. All leases and space utilization plans must be approved by the State Leasing and Space Utilization Committee. The Treasurer is a member of that Committee.

The act creating the General Services Administration did not abolish the Division of Purchase and Property or the Division of Building and Construction. Instead, it created a new, intermediate level of governmental supervision and control between these divisions and the Treasurer. The time has passed when such an intermediate level of supervision and control is required. The time has come to re-establish direct lines of supervision and control to the Treasurer, who is ultimately responsible for the efficient and effective operation of the department.

This Plan will streamline and make more effective and efficient the operations of the Executive Branch by abolishing organizational units no longer necessary for the efficient operation of government. Abolishing the General Services Administration created pursuant to P.L.1984, c.34 will result in a reduction of expenditures of $836,367 and will increase the effectiveness and efficiency of the Department of the Treasury by removing levels of supervision and control, thereby re-establishing direct lines of responsibility and reporting between the Treasurer and the Division of Purchase and Property, and the Division of Building and Construction, which will be renamed the Division of Property Management and Construction.

Through this reorganization, the two Divisions will better serve their respective clientele. The Division of Purchase and Property will now streamline its operations with similar functions handled by the now-abolished General Services Administrator, and will provide day-to-day coordination of direct-service functions to other State agencies and members of the public. These functions include, but are not limited to, procurement, risk management, printing services, postal services, warehousing of inventory and supplies, and vehicular services.

The Division of Property Management and Construction will bring under one roof all real property matters that were once spread among various divisions, which was confusing for other State agencies and the State's clients. The new Division will oversee functions including, but not limited to, property acquisition, property disposal, construction, renovation, restoration, operation and maintenance.
NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203, (C.52:14C-1 et seq.), I find with respect to each reorganization provided for in this Plan that each aspect of the Plan is necessary to accomplish the purposes set forth in section 2 of the Act and that each aspect will:

(1) promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions, and the expeditious administration of the public business;

(2) reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive by removing intermediate levels of supervision and control;

(3) increase the efficiency of the operations of the Executive to the fullest extent practicable;

(4) group and coordinate agencies and functions of the Executive according to major purposes, as nearly as may be, by consolidating property management and construction functions and responsibilities in a Division of Property Management and Construction;

(5) reduce the number of agencies by abolishing such agencies or functions thereof as are no longer necessary for the efficient conduct of the Executive; and

(6) eliminate overlapping and duplication of effort by removing levels of supervision and control and by re-establishing direct lines of reporting and responsibility to the Treasurer.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

1. The General Services Administration established pursuant to P.L.1984, c.34 and the functions, powers and duties of the General Services Administration pursuant to section 4 of P.L. 1984, c.34 are abolished.

2 The Office of the General Services Administrator created pursuant to section 5 of P.L. 1984, c.34 is abolished.
3. The Division of Purchase and Property, as constituted by section 16 of the "Department of the Treasury Act of 1948," P.L. 1948, c.92 (C.52:18A-16), and as consolidated under the General Services Administration, pursuant to P.L.1984, c.34, section 7, is continued with all the functions, powers and duties conferred upon it by law or by this Plan, as the Division of Purchase and Property in the Department of the Treasury. The functions, powers and duties of the Division of Purchase and Property transferred to the General Services Administration pursuant to P.L.1984, c.34 are continued and transferred to the Division of Purchase and Property.

4. The Division of Building and Construction, as established by section 1 of P.L.1970, c.95 (C.52:18A-151), and as consolidated under the General Services Administration pursuant to P.L.1984, c.34, section 7, is continued with all the functions, powers and duties conferred upon it by law or by this Plan, and is renamed the Division of Property Management and Construction in the Department of the Treasury. The functions, powers and duties of the Division of Building and Construction transferred to the General Services Administration pursuant to P.L.1984, c.34 are continued and transferred to the Division of Property Management and Construction. The title "Director of the Division of Building and Construction" is hereby changed to Director of the Division of Property Management and Construction.

5. The functions, powers and duties of the Administrator of the General Services Administration, pursuant to sections 5, 6 and 7 of P.L.1984, c.34 are abolished.

6. The functions, powers and duties of the General Services Administration, under sections 9, 10, 11, 12 and 13 of P.L.1984, c.34 relating to procurement of data processing and telecommunications equipment and services, are continued and are transferred to the Division of Purchase and Property.

7. The functions, powers and duties of the General Services Administrator under section 14 of P.L.1984, c.34, except those regarding the acquisition or disposition of real property, are continued and are transferred to the Director of the Division of Purchase and Property.

8. The functions, powers and duties of the General Services Administrator, under section 14 of P.L.1984, c.34 regarding the acquisition or disposition of real property are continued and are transferred to the Director of the Division of Property Management and Construction.
9. The functions, powers and duties of the General Services Administrator, under section 2 of P.L.1954, c.48, as amended by section i of P.L.1985, c.349, are continued and are transferred to the Director of the Division of Purchase and Property or the Director of the Division of Property Management and Construction, as appropriate.

10. The Office of Leasing Operations in the General Services Administration, along with its functions, powers and duties pursuant to P.L.1992, c.130, is continued and, along with all records, property and personnel, is transferred to the Division of Property Management and Construction. The functions, powers and duties of the General Services Administrator under P.L.1992, c.130, are continued and are transferred to the Director of the Division of Property Management and Construction.

11. Nothing in this Plan shall be construed to diminish or modify the powers of the Treasurer pursuant to section 30 of P.L.1984, c.92, as amended, to supervise the organization of the department and changes in the organization thereof.

GENERAL PROVISIONS

I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will streamline and make more effective and efficient the operations of the Department of the Treasury, the Division of Purchase and Property and the Division of Property Management and Construction by removing intermediate levels of supervision and control and by re-establishing direct lines of responsibility and reporting between the Treasurer and these divisions, thereby promoting better execution of the laws and the more effective management of the department. It will also consolidate procurement functions for goods, services, capital projects and leases in the agencies charged with statutory responsibility for and having expertise in such procurement. It will reduce expenditures for the department and eliminate duplication of effort by removing an organizational unit that is no longer required for the efficient conduct of the department.

All files, books, papers, records, equipment and other property of the General Services Administration are transferred to the Division of Purchase and Property or the Division of Property Management and Construction, as directed by the Treasurer. All personnel of the General Services Administration, are transferred to the Division of Purchase and Property or the
Division of Property Management and Construction, as directed by the Treasurer.

All unexpended balances of appropriations, grants and other funds available for use in connection with or available to the General Services Administration are transferred to the Division of Purchase and Property or the Division of Property Management and Construction, as directed by the Treasurer, and are available for the objects and purposes for which appropriated, subject to any terms, restrictions, limitations or other requirements imposed by State or Federal law.

Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the General Services Administration in the Department of the Treasury, the same shall mean the Division of Purchase and Property or the Division of Property Management and Construction, as appropriate, in the Department of the Treasury.

This Plan shall not affect any action or proceeding, civil or criminal, brought by or against the General Services Administration or the Administrator or by any agency, the functions, powers and duties of which have been transferred or abolished pursuant to this Plan, nor shall the Plan affect any order or recommendation made by, or other matters or proceedings before, any agency, the functions, powers and duties of which have been transferred or abolished pursuant to this Plan.

All acts or parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

Unless otherwise specified in this Plan, all transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375, (C.52:14D-1 et seq.).

If any provisions of this Plan or the application thereof to any person or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the plan, or affect other exercises of power or authority under said provision not contrary to law. To this end, the provisions of this Plan are declared to be severable.
This Plan is intended to make the operations of the Executive Branch more efficient and effective and shall be liberally construed to obtain the objectives and effect the purposes thereof.

A copy of this Plan was filed on May 8, 1997 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on July 7, 1997 unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a later date than July 7, 1997, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."
