LAWS
AN ACT concerning underground storage tanks, and amending P.L.1986, c.102.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1986, c.102 (C.58:10A-23) is amended to read as follows:

C.58:10A-23 Registration of underground storage facilities.

3. a. The owner or operator of a facility shall, within 180 days of the effective date of this act, on forms and in a manner prescribed by the commissioner, register that facility with the department. The department may extend the registration period for an additional 180 days.

b. The commissioner shall, within 120 days of the effective date of this act and pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations to provide for the registration of all facilities in the State, prescribing the forms and procedures therefor.

This registration shall require the following:

(1) The name and address of the owner and operator of the facility;
(2) A site plan of the facility indicating the number and location of the underground storage tanks;
(3) The date of installation of each of the underground storage tanks;
(4) Any other relevant information requested by the commissioner.

These rules and regulations shall provide for the periodic, but in no case more frequent than annual, certification by the owner or operator of the facility that the information contained on the registration remains unchanged. The owner or operator of a facility shall, within 30 days of completing the activities for which a permit
was acquired pursuant to section 4 of this act, register or reregister, as the case may be, in accordance with the provisions of this section.

2. Section 8 of P.L.1986, c.102 (C.58:10A-28) is amended to read as follows:

C.58:10A-28 Leaks, discharges.

8. a. If the inventory records maintained pursuant to section 7 of this act or a monitoring system indicates a leak or discharge, the owner or operator of the facility shall, within 24 hours of discovery, notify the department and the appropriate local health agencies of the leak or discharge.

b. Upon notification, the department shall promptly conduct an inspection to determine the extent and impacts of the leak or discharge.

c. Upon a finding that the leak or discharge is not an imminent threat to the proximate groundwater resources or public health or safety, the commissioner shall order the owner of the underground storage tank to remove, replace, or repair the underground storage tank, establish a date by which the removal, replacement, or repair shall be effected, and take any other action, or require the owner of the tank to take any action, necessary to abate, contain, clean up, or remove, or any combination thereof, the leak or discharge.

d. Upon a finding that the leak or discharge has entered or threatens groundwater resources or public health or safety, the commissioner shall order the immediate removal of the contents of the underground storage tank, and shall take, or require the owner of the underground storage tank to take, all other appropriate actions necessary to abate, contain, clean up, or remove, or any combination thereof, the discharge.

e. If the commissioner provides for the removal, replacement or repair of an underground storage tank by any person other than the owner, or takes other appropriate actions necessary to mitigate the adverse effects of a leak or discharge, the costs of these measures shall be borne by the owner of the underground storage tank.

3. Section 9 of P.L.1986, c.102 (C.58:10A-29) is amended to read as follows:

C.58:10A-29 Secondary containment, monitoring system.

9. The department shall require, by regulation, an orderly phase-in by all facilities of an approved method of secondary containment, or an approved release detection or monitoring system, to be completed not later than December 22, 1993; except that in the case of underground storage tanks for heating oil used for on-site
consumption in nonresidential buildings, the phase-in, to be prescribed by the department, shall be completed by August 6, 1995.

4. Section 17 of P.L.1986, c.102 (C.58:10A-36) is amended to read as follows:

C.58:10A-36 Underground Storage Tank Improvement Fund.

17. a. The State Underground Storage Tank Improvement Fund, hereinafter referred to as the “fund,” is established in the department as a revolving fund. The fund shall be administered by the department and shall be credited with such moneys as are appropriated by the Legislature and sums received as repayment of principal and interest on outstanding loans made from the fund, except as otherwise provided herein.

b. Moneys in the fund shall be allocated and used to provide loans which shall bear interest of not more than 6% per year, and shall be for a term of not more than 10 years. These loans shall be made to owners of facilities who have been directed pursuant to law by the Commissioner of Environmental Protection to replace or repair one or more underground storage tanks. These loans shall also be made to owners of facilities for the purpose of installing monitoring systems. These loans shall be made in accordance with criteria developed and adopted by the commissioner pursuant to section 18 of this act.

c. No loan shall be made after December 21, 1993, except that in the case of nonresidential heating oil storage tanks for on-site consumption, no loan shall be made therefor after August 6, 1995. All moneys remaining in the fund or received by the fund after the latter date as repayment for loans made by the fund shall immediately revert to the General Fund.

5. This act shall take effect immediately.

CHAPTER 3

AN ACT concerning the evaluation of local school districts, establishing a task force on educational assessment and monitoring and amending and supplementing P.L.1975, c.212.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
a. It is the constitutional obligation of the Legislature to pro-
vide all children in New Jersey with a thorough and efficient
system of free public schools;
b. The breadth and scope of such a system were defined by the
Legislature in P.L.1975, c.212 so as to insure quality educational
programs for all children;
c. In the rapidly changing educational and occupational envi-
ronment of the 1990s it is imperative that the program in every
school district in this State includes all of the major elements
identified as essential for that system;
d. It is the responsibility of the State to insure that any school
district which is shown to be deficient in one or more of these
major elements takes corrective actions without delay in order to
remedy those deficiencies;
e. This responsibility can best be fulfilled through an effective
and efficient system of evaluation and monitoring which will
insure quality and comprehensive instructional programming in
every school district and provide for immediate and direct correc-
tive action to insure that identified deficiencies do not persist,
and which does so within the context of the maximum of local
governance and management and the minimum of paperwork and
unnecessary procedural requirements.

2. Section 6 of P.L.1975, c.212 (C.18A:7A-6) is amended to
read as follows:

6. The State board, after consultation with the commissioner and
review by the Joint Committee on the Public Schools shall (a) estab-
lish State goals for pupil proficiency in reading, writing,
mathematics, science and health, geography, history, civics, physical
education, and the arts, (b) establish State standards which shall be
applicable to all public schools in the State, including uniform State-
wide standards of pupil proficiency at appropriate points in the
educational careers of the pupils of the State, which standards of
proficiency shall be reasonably related to those levels of proficiency
ultimately necessary as part of the preparations of individuals to
function politically, economically and socially in a democratic soci-
ety, and which shall be consistent with the goals and guidelines
established pursuant to sections 4 and 5 of this act, and (c) make
rules concerning procedures for the establishment of particular edu-
cational goals, objectives and standards by local boards of education.
3. Section 14 of P.L. 1975, c. 212 (C.18A:7A-14) is amended to read as follows:

*C.18A:7A-14  Failure of school or school districts to show progress; remedial plan; insufficiency; corrective actions; hearing on order to show cause.*

14. a. (1) The commissioner shall review the results of the evaluations conducted and reports submitted pursuant to sections 10 and 11 of P.L. 1975, c. 212 (C.18A:7A-10 and 18A:7A-11). The commissioner shall establish a mechanism for parent, school employee and community resident input into the review process. If the commissioner shall find that a school district satisfies the evaluation criteria, the commissioner shall recommend that the State board certify the school district for a period of seven years as providing a thorough and efficient system of education. If the commissioner finds that a school district can correct the deficiency or deficiencies without additional diagnostic monitoring or technical assistance, the commissioner may certify the school district with the condition that the district correct the deficiency within a period of time to be determined by the commissioner. If the commissioner shall find that a school district has failed to show sufficient progress toward the goals, guidelines, objectives and standards, including the State goals and any local interim goals concerning pupil proficiency in reading, writing, mathematics, science and health, geography, history, civics, physical education and the arts established in and pursuant to this act, the commissioner shall advise the local board of education of such determination, and shall direct that the district enter level II monitoring, as defined pursuant to law and regulation.

(2) The board of education of a school district which is directed to enter level II monitoring may appeal that decision to the State Board of Education. The State board may refer the hearing of that appeal to a committee of not less than three of its members, which committee shall hear the appeal and report thereon, recommending its conclusions, to the board and the board shall decide the appeal by resolution in open meeting. A determination of the appeal by the State board shall be considered final.

b. (1) When a district enters level II monitoring, the commissioner shall establish procedures whereby parents, school employees and community residents may meet with the commissioner or the commissioner's designee to discuss their concerns and the county superintendent shall appoint an external review team whose members shall be qualified by training and experience to
examine the conditions in the specific district. In conjunction with the Department of Education, the team, at the direction of the commissioner, shall either examine only those aspects of the district’s operations bearing on the areas of deficiency, or shall examine all aspects of the district’s operation, including but not limited to education, governance, management and finance. In addition, the team shall examine conditions in the community which may adversely affect the ability of the pupils to learn and the team may recommend measures to mitigate the effects of those conditions. The team shall report its findings and conclusions, including directives to be utilized by the district in the preparation of a corrective action plan to achieve certification and recommendations as to the technical assistance which the district will require in order to effectively implement the corrective action plan, to the commissioner. The commissioner shall direct the district to respond to the report of the external review team in establishing a corrective action plan. The corrective action plan shall be submitted to and approved by the commissioner. The commissioner shall assure that the local district’s budget provides the resources necessary to implement the approved plan, including the necessary technical assistance. The entire cost of those activities associated with the review team shall be paid by the Department of Education.

(2) If the commissioner finds that the district is unsuccessful in correcting the deficiencies noted in the evaluation process, the commissioner shall direct that the district enter level III monitoring, as defined pursuant to law and regulation. However, if the commissioner determines that a district is making reasonable progress toward correcting deficiencies, the commissioner may grant an extension for a specific period of time. During this extension the district will remain under level II monitoring. At the end of the extension the commissioner shall determine whether the district is eligible for certification or if the district must be directed to enter level III monitoring.

c. (1) When a district which has had a comprehensive examination of all aspects of the district’s operations by an external review team pursuant to subsection b. of this section is directed to enter level III monitoring the commissioner shall prepare an administrative order directing the corrective actions which shall be taken by the district based upon the findings and conclusions of the level II external review team and the department’s monitoring of the level II plan. The commissioner shall insure that technical assistance is provided to the district in order to implement those actions. The
commissioner shall also have the power to order necessary budgetary reallocations within the district, or such other measures as the commissioner deems necessary and appropriate.

(2) When a district which has not had a comprehensive examination of all aspects of the district's operations by an external review team pursuant to subsection b. of this section is directed to enter level III monitoring, the commissioner shall designate the county superintendent to appoint an external review team whose members shall be qualified by training and experience to examine the conditions in the specific district. In conjunction with the Department of Education, the team shall examine all aspects of the district's operations including but not limited to education, governance, management and finance. The team shall report its findings and conclusions, including directives to be utilized in the preparation of a corrective action plan to achieve certification, to the commissioner. The commissioner shall prepare an administrative order directing the corrective actions which shall be taken by the district based upon the findings and conclusions of the level III external review team and the department's monitoring of the level II plan. The commissioner shall insure that technical assistance is provided to the district in order to implement those actions. The commissioner shall also have the power to order necessary budgetary reallocations within the district, or such other measures as the commissioner deems necessary and appropriate.

(3) The board of education of a school district which is directed to enter level III monitoring may appeal that decision to the State Board of Education. The State board may refer the hearing of that appeal to a committee of not less than three of its members, which committee shall hear the appeal and report thereon, recommending its conclusions, to the board and the board shall decide the appeal by resolution in open meeting. A determination of the appeal by the State board shall be considered final.

(4) If the commissioner finds, based upon the findings and directives of the level II or level III review team and the Department of Education, that conditions within the district may preclude the successful implementation of a corrective action plan or that the district has failed to make reasonable progress in the implementation of a corrective action plan to achieve certification, the commissioner shall direct that a comprehensive compliance investigation be conducted by the Department of Education. If the commissioner directs that a comprehensive compliance investigation be conducted, the commissioner may
order any necessary action to insure the security of the books, papers, vouchers and records of the district.

d. Whenever a district in level II monitoring is directed to establish a corrective action plan or whenever a district in level III monitoring shall be required to implement an approved corrective action plan pursuant to this section, the commissioner shall determine the cost to the district of implementation of those portions of the corrective action plan which are directly responsive to the district's deficiencies as identified in the report of the external review team or, where applicable, by the commissioner. In making this fiscal assessment, the commissioner shall identify those aspects of the corrective action plan which are already contained in the district's current expense budget. Where appropriate, the commissioner shall reallocate funds within the district's budget to support the corrective action plan. Once reallocated, any transfers among line items of the district's budget may occur only with the commissioner's approval. The commissioner shall further determine the amount of additional revenue, if any, needed to implement the corrective action plan and shall recertify a budget for the district.

e. A comprehensive compliance investigation shall entail a thorough and detailed examination of a district's educational programs, fiscal practices, governance and management. Based on the investigation, the commissioner shall issue a report which will document any irregularities and list all those aspects of the corrective action plan established pursuant to subsections b. and c. of this section which have not been successfully implemented by the district or the conditions which would preclude the district from successfully implementing a plan. A copy of this report shall be given to the district. The commissioner shall also order the local board to show cause why an administrative order, subject to the provisions of section 15 of P.L.1975, c.212 (C.18A:7A-15) and section 1 of P.L.1987, c.399 (C.18A:7A-34) should not be implemented. The plenary hearing before a judge of the Office of Administrative Law, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), upon said order to show cause shall be conducted in the manner prescribed by subdivision B of article 2 of chapter 6 of Title 18A of the New Jersey Statutes.

In the proceeding the State shall have the burden of showing that the recommended administrative order is not arbitrary, unreasonable or capricious.

4. a. There is established the Task Force on Educational Assessment and Monitoring. The task force shall be chaired by the Commissioner of Education or his designee, and shall include a
representative of the Office of the Governor, the Chancellor of Higher Education or his designee, and nine members appointed by the commissioner to include experts on education assessment, practitioners, and representatives of business and the public at large.

Members of the task force shall serve without compensation, but shall be reimbursed for their expenses actually incurred in the performance of their duties.

b. The task force shall organize as soon as may be practicable after the appointment of its members and shall select a secretary who need not be a member of the commission. It shall be entitled to the assistance and services of the employees of any State, county or municipal department, board, bureau, commission or agency which it may require and which may be available to it for these purposes, and to employ stenographic and clerical assistants and incur traveling and other miscellaneous expenses necessary to perform its duties, within the limits of funds appropriated or otherwise made available to it for these purposes. The task force may meet and hold hearings at the place or places it designates.

c. The task force shall review the uniform, Statewide system for evaluating the performance of each school as established pursuant to section 10 of P.L.1975, c.212 (C.18A:7A-10), in order to determine the State performance standards which would most effectively achieve the legislative goal of a thorough and efficient system of free public schools and the criteria suitable for the assessment of those standards. This shall include criteria for the certification of school districts and performance indicators for certified school districts. Within eight months of its appointment, the task force shall submit a report to the State Board of Education and the Joint Committee on the Public Schools. It shall include in its report recommendations for a uniform, Statewide system for evaluating the performance of each school which shall be based upon State performance standards which will enable local boards of education to establish particular educational goals, learning objectives and performance standards and which will insure the implementation of these goals, objectives and standards with the maximum of local governance and management and the minimum of paperwork and unnecessary procedural requirements.

5. Subsequent to the receipt of the report from the task force and not later than December 1, 1992, the State board shall establish State goals and standards as required pursuant to section 6 of P.L.1975, c.212 (C.18A:7A-6) and shall adopt rules concerning
procedures for the establishment and assessment of particular educational goals, learning objectives and performance standards by local boards of education. Within six months of the adoption of the rules by the State board, each local board of education shall establish, pursuant to those rules, particular educational goals, learning objectives and performance standards.

6. a. The procedure for the evaluation of all public schools in the State as established pursuant to section 3 of this act shall first apply on July 1, 1993 to local boards of education which are certified as providing a thorough and efficient system of education as of January 1, 1991. For each such school district, the period of certification shall be extended to seven years from the date of certification.

b. For each school district which is in level II monitoring as of the effective date of this act, the evaluation procedures established pursuant to subsection b. of section 3 of this amendatory and supplementary act shall take effect immediately unless the commissioner shall determine that a school district can correct the deficiency or deficiencies without additional diagnostic monitoring or technical assistance, in which case the commissioner may certify the school district with the condition that the district correct the deficiency within a period of time to be determined by the commissioner.

c. For each school district which is in level III monitoring as of the effective date of this act, the evaluation procedures established pursuant to subsection c. of section 3 of this amendatory and supplementary act shall take effect immediately. If a school district in level III monitoring has not had a comprehensive examination of all aspects of the district's operations by an external review team as of that date, the commissioner shall provide for that examination pursuant to the provisions of subparagraph (2) of subsection c. of section 3 of this amendatory and supplementary act.

d. The rules adopted by the State Board of Education for the establishment and assessment of particular educational goals, learning objectives and performance standards by local boards of education pursuant to sections 2 and 5 of this act shall first apply to all local boards of education on July 1, 1993.

7. This act shall take effect immediately, but shall be subject to the limitations provided for in section 6 of the act.

CHAPTER 4

AN ACT authorizing the use of amber warning lights by certain United States Postal Service employees in certain instances, and supplementing chapter 3 of Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:3-54.21 Rural letter carriers permitted to use amber warning light on motor vehicle; rules, regulations.

1. a. Any employee of the United States Postal Service who, as part of his assigned duties as a rural route letter carrier, is required to use a motor vehicle owned or leased by him or a member of his family in the performance of his duties may display on that motor vehicle an amber warning light.

CHAPTER 11

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 1 of P.L.1989, c.164 (C.39:3-10j) is amended to read as follows:

C.39:3-10j Findings, declaration.

1. The Legislature finds that:
   b. The “Commercial Motor Vehicle Safety Act of 1986” requires a commercial driver’s license for anyone who operates a vehicle that has a gross weight rating in excess of 26,000 pounds, carries 15 or more passengers or transports hazardous materials.
   c. While that act’s objectives to regulate and improve the traffic safety of the commercial trucking industry are laudable, it could have an unintended, and largely adverse, impact upon certain non-commercial drivers.
   d. Unless the State of New Jersey, in accordance with the Secretary of the United States Department of Transportation’s directive, exercises its exemption authority, certain operators of firefighting apparatus, non-civilian operators of military vehicles owned or operated by the United States Department of Defense or the National Guard, and farmers operating farm vehicles will be obligated to secure commercial driver’s licenses under that act.
   e. There appears to be no significant evidence that the operators of firefighting apparatus, non-civilian operators of military vehicles owned or operated by the United States Department of Defense or the National Guard, or farmers operating farm vehicles in and about their regular agricultural activities pose or have created any safety hazards on the public highways which would warrant their being licensed under the provisions of the “Commercial Motor Vehicle Safety Act of 1986.”

The Legislature, therefore, declares that it is altogether fitting and proper to authorize, in accordance with the directives issued by the Secretary of the United States Department of Transportation, that the designated operators of firefighting apparatus, non-civilian operators of military vehicles owned and operated by the United States Department of Defense or the National Guard, and operators of farm vehicles under certain circumstances be exempted from the licensing requirements set forth in the “Commercial Motor Vehicle Safety Act of 1986.”
CHAPTERS 11 & 12, LAWS OF 1991

2. Section 2 of P.L.1989, c.164 (C.39:3-10k) is amended to read as follows:

C.39:3-10k  Exemption of certain operators of fire, military, farm vehicles.

2. Unless otherwise required by federal law or regulation, and subject to any rules and regulations promulgated pursuant to the provisions of this act, no (1) designated operator of firefighting apparatus, (2) non-civilian operator of a military vehicle owned or operated by the United States Department of Defense or the National Guard, or (3) operator of a farm vehicle controlled and operated by a farmer, used to transport agricultural products, farm machinery or farm supplies to or from a farm, operated within 150 miles of a person's farm, and not used in the operation of a common or contract motor carrier, shall be subject to the licensing provisions of the "Commercial Motor Vehicle Safety Act of 1986," Pub.L.99-570 (49 U.S.C. § 2701 et seq.).

Notwithstanding the provisions of this section, a waiver shall not be granted if the granting of the waiver would place the State in a position of not being in substantial compliance with the requirements of the federal act.

3. This act shall take effect immediately.

Filed January 24, 1991.

CHAPTER 12

AN ACT concerning bilingual education and amending and supplementing P.L.1974, c.197.

1. A pupil enrolled in a bilingual education program pursuant to P.L.1974, c.197 (C.18A:35-15 et seq.) shall be placed in the English-only program when the pupil demonstrates readiness to function successfully in the English-only program. The process to determine the readiness or inability of the individual pupil to function successfully in the English-only program shall be initiated by the pupil's level of English proficiency as measured by a State established cut-off score on an English language proficiency test and
the readiness of the pupil shall be further assessed on the basis of mul-
tiple indicators which shall, at a minimum, include classroom
performance, the pupil’s reading level in English, the judgment of the
teaching staff member or members responsible for the educational pro-
gram of the pupil, and performance on achievement tests in English.

2. If any parent or teaching staff member disagrees with the
decision either that a pupil exit from or remain in the district’s
bilingual education program, the parent or teaching staff member
may appeal this decision. After exhausting a local appeal process,
any parent or guardian who is not satisfied with the district’s expla-
nation for its decision shall have the right to a hearing as a
contested case before the Commissioner of Education or his desig-
nee. The final decision on a child’s placement shall be based on the
best interests of the child in accordance with the assessment
criteria set forth in section 1 of this amendatory and supplementary act.
An appeal under this provision shall be heard and decided by the
commissioner or his designee on an expedited basis.

read as follows:

C.18A:35-22 Notification of parents; involvement in programs.

8. Each school district shall notify by mail the parents of the
pupils of limited English-speaking ability of the fact that their
child has been enrolled in a program of bilingual education. In
addition, whenever a school district determines, on the basis of a
pupil’s level of English proficiency, that a pupil should exit from
a program of bilingual education the district shall notify the par-
ents of the pupil by mail. Such notice shall be in writing and in

pursuant to the “Administrative Procedure Act,” P.L.1968, c.410
(C.52:14B-1 et seq.) necessary to effectuate the provisions of this
act. The Commissioner of Education shall issue guidelines to serve as temporary procedures for effectuating the provisions of this act until such time as the State board promulgates regulations.

5. This act shall take effect immediately.

Approved January 24, 1991.

CHAPTER 28

An Act defining the responsibilities and liabilities of roller skating rink operators and persons who utilize roller skating rinks and supplementing Title 5 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:14-1 Short title.
1. This act shall be known and may be cited as the “New Jersey Roller Skating Rink Safety and Fair Liability Act.”

C.5:14-2 Findings, declarations.
2. a. The Legislature finds and declares that the recreational sport of roller skating is practiced by a large number of citizens of this State; provides a wholesome and healthy family activity which should be encouraged, and attracts to this State a large number of nonresidents, significantly contributing to the economy of this State. Therefore, the allocation of the risks and costs of roller skating is an important matter of public policy.

b. The Legislature finds and declares that roller skating rink owners face great difficulty in obtaining liability insurance coverage, and that when such insurance coverage is available, drastic increases in the cost of the insurance have taken place and many roller skating rink owners are no longer able to afford it.

This lack of insurance coverage adversely affects not only the roller skating rink owners themselves, but also patrons who may suffer personal injury and property damage as a result of accidents which occur on the premises of the roller skating rink.

In order to make it economically feasible for insurance companies to provide coverage to roller skating rinks, the incidence of liability should be more predictable. That predictability may be achieved by defining the limits of the liabilities of roller skating rink operators in order to encourage the development and implementation of risk reduction techniques.

C.5:14-3 Definitions.
3. As used in this act:
   a. “Operator” means a person or entity who owns, manages, controls or directs or who has operational responsibility for a roller skating rink.

   b. “Roller skater” means a person wearing roller skates while in a roller skating rink for the purpose of recreational or competitive roller skating.

   Roller skater also includes any person in such roller skating rink who is an invitee, whether or not said person pays consideration.
c. "Roller skating rink" means a building, facility or premises which provides an area specifically designed to be used by the public for recreational or competitive roller skating.

d. "Spectator" means a person who is present in a roller skating rink only for the purpose of observing recreational or competitive roller skating.

C.5:14-4 Responsibilities of operator.

4. It shall be the responsibility of the operator to the extent practicable to:

a. Post the duties of roller skaters and spectators and the duties, obligations and liabilities of the operator as prescribed in this act, in conspicuous places in at least three locations in the roller skating rink;

b. Maintain the stability and legibility of all signs, symbols and posted notices required by this act;

c. When the rink is open for sessions, have at least one floor guard on duty for every approximately 200 skaters;

d. Maintain the skating surface in reasonably safe condition and clean and inspect the skating surface before each session;

e. Maintain the railings, kickboards and wall surrounding the skating surface in good condition;

f. In rinks with step-up or step-down skating surfaces, insure that the covering on the riser is securely fastened;

g. Install fire extinguishers and inspect fire extinguishers at recommended intervals;

h. Provide reasonable security in parking areas during operational hours;

i. Inspect emergency lighting units periodically to insure the lights are in proper order;

j. Keep exit lights and lights in service areas on when skating surface lights are turned off during special numbers;

k. Check rental skates on a regular basis to insure the skates are in good mechanical condition;

l. Prohibit the sale or use of alcoholic beverages on the premises; and

m. Comply with all applicable State and local safety codes:
C.5:14-5 Responsibilities of roller skater.
5. Each roller skater shall:
   a. Maintain reasonable control of his speed and course at all times;
   b. Heed all posted signs and warnings;
   c. Maintain a proper outlook to avoid other roller skaters and objects;
   d. Accept the responsibility for knowing the range of his own ability to negotiate the intended direction of travel while on roller skates and to skate within the limits of that ability; and
   e. Refrain from acting in a manner which may cause or contribute to the injury of himself or any other person.

C.5:14-6 Risks of roller skating.
6. Roller skaters and spectators are deemed to have knowledge of and to assume the inherent risks of roller skating, insofar as those risks are obvious and necessary. These risks include, but are not limited to, injuries which result from incidental contact with other roller skaters or spectators, injuries which result from falls caused by loss of balance, and injuries which involve objects or artificial structures properly within the intended path of travel of the roller skater, which are not otherwise attributable to a rink operator’s breach of his duties as set forth in section 4 of this act.

C.5:14-7 Failure to adhere to duties, defense against suit.
7. The assumption of risk set forth in section 6 of this act shall be a complete bar of suit and shall serve as a complete defense to a suit against an operator by a roller skater or spectator for injuries resulting from the assumed risks, notwithstanding the provisions of P.L.1973, c.146 (C.2A:15-5.1 et seq.), relating to comparative negligence, unless an operator has violated his duties or responsibilities under this act, in which case the provisions of P.L.1973, c.146 shall apply. Failure to adhere to the duties set out in sections 5 and 6 of this act shall bar suit against an operator to compensate for injuries resulting from roller skating activities, where such failure is found to be a contributory factor in the resulting injury, unless the operator has violated his duties or responsibilities under the act, in which case the provisions of P.L.1973, c.146 shall apply.

8. This act shall take effect immediately.

Approved February 19, 1991.

   b. The vitality and stability of representative democracy depend upon the public's confidence in the integrity of its elected and appointed representatives;
   c. Whenever the public perceives a conflict between the private interests and the public duties of a government officer or employee, that confidence is imperiled;
   d. Governments have the duty both to provide their citizens with standards by which they may determine whether public duties are being faithfully performed, and to apprise their officers and employees of the behavior which is expected of them while conducting their public duties; and
   e. It is the purpose of this act to provide a method of assuring that standards of ethical conduct and financial disclosure requirements for local government officers and employees shall be clear, consistent, uniform in their application, and enforceable on a Statewide basis, and to provide local officers or employees with advice and information concerning possible conflicts of interest which might arise in the conduct of their public duties.

C.40A:9-22.4 Local Finance Board to have jurisdiction.

4. The Local Finance Board in the Division of Local Government Services in the Department of Community Affairs shall have jurisdiction to govern and guide the conduct of local government officers or employees regarding violations of the provisions of this act who are not otherwise regulated by a county or municipal
code of ethics promulgated by a county or municipal ethics board in accordance with the provisions of this act. Local government officers or employees serving a local government agency created by more than one county or municipality shall be under the jurisdiction of the board. The board in interpreting and applying the provisions of this act shall recognize that under the principles of democracy, public officers and employees cannot and should not be expected to be without any personal interest in the decisions and policies of government; that citizens who are government officers and employees have a right to private interests of a personal, financial and economic nature; and that standards of conduct shall distinguish between those conflicts of interest which are legitimate and unavoidable in a free society and those conflicts of interest which are prejudicial and material and are, therefore, corruptive of democracy and free society.

C.40A:9-22.5 Provisions requiring compliance by local government officers, employees.

5. Local government officers or employees under the jurisdiction of the Local Finance Board shall comply with the following provisions:

a. No local government officer or employee or member of his immediate family shall have an interest in a business organization or engage in any business, transaction, or professional activity, which is in substantial conflict with the proper discharge of his duties in the public interest;

b. No independent local authority shall, for a period of one year next subsequent to the termination of office of a member of that authority:
   (1) award any contract which is not publicly bid to a former member of that authority;
   (2) allow a former member of that authority to represent, appear for or negotiate on behalf of any other party before that authority; or
   (3) employ for compensation, except pursuant to open competitive examination in accordance with Title 11A of the New Jersey Statutes and the rules and regulations promulgated pursuant thereto, any former member of that authority.

The restrictions contained in this subsection shall also apply to any business organization in which the former authority member holds an interest.

c. No local government officer or employee shall use or attempt to use his official position to secure unwarranted privileges or advantages for himself or others;
d. No local government officer or employee shall act in his official capacity in any matter where he, a member of his immediate family, or a business organization in which he has an interest, has a direct or indirect financial or personal involvement that might reasonably be expected to impair his objectivity or independence of judgment;

e. No local government officer or employee shall undertake any employment or service, whether compensated or not, which might reasonably be expected to prejudice his independence of judgment in the exercise of his official duties;

f. No local government officer or employee, member of his immediate family, or business organization in which he has an interest, shall solicit or accept any gift, favor, loan, political contribution, service, promise of future employment, or other thing of value based upon an understanding that the gift, favor, loan, contribution, service, promise, or other thing of value was given or offered for the purpose of influencing him, directly or indirectly, in the discharge of his official duties. This provision shall not apply to the solicitation or acceptance of contributions to the campaign of an announced candidate for elective public office, if the local government officer has no knowledge or reason to believe that the campaign contribution, if accepted, was given with the intent to influence the local government officer in the discharge of his official duties;

g. No local government officer or employee shall use, or allow to be used, his public office or employment, or any information, not generally available to the members of the public, which he receives or acquires in the course of and by reason of his office or employment, for the purpose of securing financial gain for himself, any member of his immediate family, or any business organization with which he is associated;

h. No local government officer or employee or business organization in which he has an interest shall represent any person or party other than the local government in connection with any cause, proceeding, application or other matter pending before any agency in the local government in which he serves. This provision shall not be deemed to prohibit one local government employee from representing another local government employee where the local government agency is the employer and the representation is within the context of official labor union or similar representational responsibilities;

i. No local government officer shall be deemed in conflict with these provisions if, by reason of his participation in the
enactment of any ordinance, resolution or other matter required to
be voted upon or which is subject to executive approval or veto,
no material or monetary gain accrues to him as a member of any
business, profession, occupation or group, to any greater extent
than any gain could reasonably be expected to accrue to any other
member of such business, profession, occupation or group;
j. No elected local government officer shall be prohibited
from making an inquiry for information on behalf of a constitu­
ten, if no fee, reward or other thing of value is promised to, given
to or accepted by the officer or a member of his immediate fam­
ily, whether directly or indirectly, in return therefor; and
k. Nothing shall prohibit any local government officer or
employee, or members of his immediate family, from representing
himself, or themselves, in negotiations or proceedings concerning
his, or their, own interests.

C.40A:9-22.6 Annual financial disclosure statement.
6. a. Local government officers shall annually file a financial

separately reported as sources of income. If a publicly traded
security is the source of income, the security need not be reported
unless the local government officer or member of his immediate
family has an interest in the business organization;

exceeding $250 from any single source for personal appearances,
speeches or writings received by the local government officer or a mem­

(4) The name and address of all business organizations in
which the local government officer or a member of his immediate
family had an interest during the preceding calendar year; and
(5) The address and brief description of all real property in the State
in which the local government officer or a member of his immediate
family held an interest during the preceding calendar year.

b. The Local Finance Board shall prescribe a financial disclosure
statement form for filing purposes. For counties and municipalities
which have not established ethics boards, the board shall transmit
sufficient copies of the forms to the municipal clerk in each
municipality and the county clerk in each county for filing in
accordance with this act. The municipal clerk shall make the
forms available to the local government officers serving the
municipality. The county clerk shall make the forms available to
the local government officers serving the county.

For counties and municipalities which have established ethics

c. All financial disclosure statements filed shall be public records.

C.40A:9-22.7 Powers of Local Finance Board.

of the provisions of this act, the Local Finance Board shall have
the following powers:

a. To initiate, receive, hear and review complaints and hold
hearings with regard to possible violations of this act;

b. To issue subpoenas for the production of documents and the
attendance of witnesses with respect to its investigation of any
complaint or to the holding of a hearing;

c. To hear and determine any appeal of a decision made by a
county or municipal ethics board;
d. To forward to the county prosecutor or the Attorney General or other governmental body any information concerning violations of this act which may become the subject of criminal prosecution or which may warrant the institution of other legal proceedings by the Attorney General;

e. To render advisory opinions as to whether a given set of facts and circumstances would constitute a violation of this act;

f. To enforce the provisions of this act and to impose penalties for the violation thereof as are authorized by this act; and

C.40A:9-22.8 Request for advisory opinion from Local Finance Board.

8. A local government officer or employee not regulated by a county or municipal code of ethics may request and obtain from the Local Finance Board an advisory opinion as to whether any proposed activity or conduct would in its opinion constitute a violation of the provisions of this act. Advisory opinions of the board shall not be made public, except when the board by the vote of two-thirds of all of its members directs that the opinion be made public. Public advisory opinions shall not disclose the name of the local government officer or employee unless the board in directing that the opinion be made public so determines.

C.40A:9-22.9 Response by Local Finance Board to written complaint.

9. The Local Finance Board, upon receipt of a signed written complaint by any person alleging that the conduct of any local government officer or employee, not regulated by a county or municipal code of ethics, is in conflict with the provisions of this act, shall acknowledge receipt of the complaint within 30 days of receipt and initiate an investigation concerning the facts and circumstances set forth in the complaint. The board shall make a determination as to whether the complaint is within its jurisdiction or frivolous or without any reasonable factual basis. If the board shall conclude that the complaint is outside its jurisdiction, frivolous or without factual basis, it shall reduce that conclusion to writing and shall transmit a copy thereof to the complainant and to the local government officer or employee against whom the complaint was filed. Otherwise the board shall notify the local government officer or employee against whom the complaint was filed of the nature of the complaint and the facts and circumstances set forth therein. The officer or employee shall
have the opportunity to present the board with any statement or information concerning the complaint which he wishes. Thereafter, if the board determines that a reasonable doubt exists as to whether the local government officer or employee is in conflict with the provisions of this act, the board shall conduct a hearing in the manner prescribed by section 12 of this act, concerning the possible violation and any other facts and circumstances which may have come to the attention of the board with respect to the conduct of the local government officer or employee. The board shall render a decision as to whether the conduct of the officer or employee is in conflict with the provisions of this act. This decision shall be made by no less than two-thirds of all members of the board. If the board determines that the officer or employee is in conflict with the provisions of this act, it may impose any penalties which it believes appropriate within the limitations of this act. A final decision of the board may be appealed in the same manner as any other final State agency decision.

11. The finding by the Local Finance Board or a county or municipal ethics board that an appointed local government officer or employee is guilty of the violation of the provisions of this act,
or of any code of ethics in effect pursuant to this act, shall be sufficient cause for his removal, suspension, demotion or other disciplinary action by the officer or agency having the power of removal or discipline. When a person who is in the career service is charged with violating the provisions of this act or any code of ethics in effect pursuant to this act, the procedure leading to removal, suspension, demotion or other disciplinary action shall be governed by any applicable procedures of Title 11A of the New Jersey Statutes and the rules promulgated pursuant thereto.

C.40A:9-22.12 Conducting of hearings.

12. All hearings required pursuant to this act shall be conducted in conformity with the rules and procedures, insofar as they may be applicable, provided for hearings by a State agency in contested cases under the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

      (e) A violation of N.J.S.2C:35-3, N.J.S.2C:35-4, or N.J.S.2C:35-5; or
      (f) Crimes which are a part of a continuing criminal activity in concert with two or more persons and the circumstances of the crimes show the juvenile has knowingly devoted himself to criminal activity as a source of livelihood; or
(g) An attempt or conspiracy to commit any of the acts enumerated in paragraph (a), (d) or (e) of this subsection; and

(3) Except with respect to any of the acts enumerated in subsection a. (2) (a) of this section, or with respect to any acts enumerated in subparagraph (e) of paragraph (2) of subsection a. of this section which involve the distribution for pecuniary gain of any controlled dangerous substance or controlled substance analog while on any property used for school purposes which is owned by or leased to any school or school board, or within 1,000 feet of such school property or while on any school bus, or any attempt or conspiracy to commit any of those acts, the State has shown that the nature and circumstances of the charge or the prior record of the juvenile are sufficiently serious that the interests of the public require waiver.

However, if in any case the juvenile can show that the probability of his rehabilitation by the use of the procedures, services and facilities available to the court prior to the juvenile reaching the age of 19 substantially outweighs the reasons for waiver, waiver shall not be granted.

b. In every case where there is a motion seeking waiver, the prosecutor shall within a reasonable time thereafter file a statement with the Attorney General setting forth the basis for the motion. In addition, the court shall in writing, state its reasons for granting or denying the waiver motion. The Attorney General shall compile this information and report its findings to the Legislature 18 months after the effective date of this act with the objective of developing, where appropriate, guidelines as to the waiver of juveniles from the family court.

c. An order referring a case shall incorporate therein not only the alleged act or acts upon which the referral is premised, but also all other delinquent acts arising out of or related to the same transaction.

d. A motion seeking waiver shall be filed by the prosecutor within 30 days of receipt of the complaint. This time limit shall not, except for good cause shown, be extended.

2. This act shall take effect immediately.

Approved February 21, 1991.

CHAPTER 40

AN ACT concerning the New Jersey Transportation Trust Fund Authority, amending P.L.1984, c.73 and P.L.1987, c.460 and making an appropriation.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1984, c.73 (C.27:1B-2) is amended to read as follows:

C.27:1B-2 Findings, declarations.

2. The Legislature finds and declares that:

a. A sound, balanced transportation system is vital to the future of the State and is a key factor in its continued economic development.

b. The transportation infrastructure of the State is among the most heavily used in the nation and has deteriorated alarmingly in recent years, with parts of the highway system reaching the end of their useful lives. This deterioration has been caused, in part, because New Jersey, unlike most states and the federal government, has not provided a stable source of transportation funding.

c. There exists an urgent need for a stable and assured method of financing the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including the financing of the State's share under federal aid highway laws of the cost of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing, and rehabilitation of public highways and of the State's share of the planning, acquisition, engineering, construction, reconstruction, repair, maintenance and rehabilitation of public transportation projects and other transportation projects in the State, that will enable the State to construct and maintain the safe, balanced, sound and efficient transportation system necessary for the well-being of the State's citizens.

d. Unless additional State funding is provided immediately for the State's transportation system, the cost of repair and reconstruction will increase geometrically and the economic well-being and safety of users of the State's transportation system will be endangered.

e. Transportation facilities under the jurisdiction of counties and municipalities form an integral and vital part of the State's transportation system. Without State aid, counties and municipalities will be unable to meet the cost of maintaining, rehabilitating and improving these facilities.

f. The State's commitment to the payment for and financing of the State transportation system in a stable fashion, thus ensuring a predictable and continuing public investment in transportation and allowing the State to take full advantage of
funds provided by the federal government, is a public use and public purpose for which public money may be expended and tax exemptions granted. The powers and duties of the New Jersey Transportation Trust Fund Authority and the other measures hereinafter described are necessary and proper for the purpose of achieving the ends herein recited.

2. Section 3 of P.L.1984, c.73 (C.27:1B-3) is amended to read as follows:

b. Except as may be otherwise expressly provided in the act or by the authority, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may provide the security and payment provisions for its bonds or notes as it may determine, including (without limiting the generality of the foregoing) bonds or notes as to which the principal and interest are payable from and secured by all or any portion of the revenues of and payments to the authority, and other moneys or funds as the authority shall determine. In addition, the authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or
other funds, including without limitation grants from the federal government for federal aid highways or public transportation systems, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the authority or appropriations, grants, reimbursements or other funds or revenues of the authority. The authority may also enter into bank loan agreements, lines of credit and other security agreements and obtain for or on its behalf letters of credit in each case for the purpose of securing its bonds, notes or other obligations or to provide direct payment of any costs which the authority is authorized to pay by this act and to secure repayment of any borrowings under the loan agreement, line of credit, letter of credit or other security agreement by its bonds, notes or other obligations or the proceeds thereof or by any or all of the revenues of and payments to the authority or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

c. Whether or not the bonds and notes are of the form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A.

d. Bonds or notes of the authority shall be authorized by a resolution or resolutions of the authority and may be issued in one or more series and shall bear the date, or dates, mature at the time or times, bear interest at the rate or rates of interest per annum, be in the denomination or denominations, be in the form, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources, in the medium of payment, at the place or places within or without the State, and be subject to the terms of redemption (with or without premium) as the resolution or resolutions may provide. All other obligations of the authority shall be authorized by resolution containing terms and conditions as the authority shall determine.

e. Bonds, notes or other obligations of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine. Every bond issued on or before the effective date of P.L.1987, c.460 (C.27:1B-4 et al.) shall mature and be paid not later than 17 years from the date thereof, except that no bond, note or other obligation shall mature and be paid later
than 22 years from the effective date of P.L.1984, c.73 (C.27:1B-1 et seq.), nor shall any refunding of such obligations mature or be paid later than that date. Every bond issued after the effective date of P.L.1987, c.460 (C.27:1B-4 et al.) shall mature and be paid not later than 11 years from the date thereof, except that no bond, note or other obligation shall mature and be paid later than 22 years from the effective date of P.L.1984, c.73 (C.27:1B-1 et seq.).

Notes, the initial series of bonds and bonds issued for refunding purposes of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine.

Except as noted above, all bonds of the authority shall be sold at such price or prices and in such manner as the authority shall determine, after notice of sale, published at least three times in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in New Jersey or the City of New York, the first notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the authority, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The authority may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

f. Bonds or notes may be issued and other obligations incurred under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, other than the approval as required by subsection a. of this section, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

g. Bonds, notes and other obligations of the authority issued or incurred under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision or be or constitute a pledge of the faith and credit of the State or of any political subdivision but all bonds, notes and obligations, unless funded or refunded by bonds, notes or other obligations of the authority, shall be payable solely from revenues or funds
pledged or available for their payment as authorized in the act. Each bond, note or other obligation shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations. For the purposes of this subsection, political subdivision does not include the authority.

h. All expenses incurred in carrying out the provisions of the act shall be payable solely from the revenues or funds provided or to be provided under or pursuant to the provisions of the act and nothing in the act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

i. The aggregate principal amount of bonds, notes or other obligations outstanding at any one time, including subordinated indebtedness of the authority, may not exceed $1,700,000,000.00. If in any fiscal year appropriations by the Legislature to the authority, and amounts received in accordance with contracts entered into with the toll road authorities, if those amounts are not included in legislative appropriations, shall be in excess of $143,000,000.00 in any fiscal year through the fiscal year beginning on July 1, 1986 or $201,000,000.00 for the fiscal year beginning on July 1, 1987 or $331,000,000.00 in any fiscal year thereafter, the aggregate principal amount of $1,700,000,000.00 shall be reduced by an amount equal to the excess. In computing the foregoing limitations there shall be excluded all the bonds, notes or other obligations, including subordinated indebtedness of the authority, which shall be issued for refunding purposes, provided that the refunding shall be determined by the authority to result in a debt service savings.

The authority shall minimize debt incurrence by first relying on appropriations and other revenues available to the authority before incurring debt to meet its statutory purposes.

The authority shall not incur debt at any time in any fiscal year in excess of the difference between the amount of appropriations and other revenues to the authority theretofore made in that fiscal year and the amount which the Department of Transportation is permitted to commit for transportation projects under the act in that fiscal year as indicated in the budget, plus reasonably necessary
expenses, required debt reserve funds, debt service and outstanding financial obligations from prior fiscal years of the authority.

Debt which would have been incurred pursuant to this section, which is not incurred in any fiscal year, may be issued in subsequent years.

6. Section 8 of P.L.1987, c.460 (C.27:1B-21.1) is amended to read as follows:

C.27:1B-21.1 Annual funding maximums.

8. a. Commencing with the report of the commissioner required to be submitted pursuant to section 22 of P.L.1984, c.73 (C.27:1B-22) on or before March 1, 1988 for the fiscal year commencing July 1, 1988 and for the reports of the commissioner required to be submitted pursuant thereto for each of the next six fiscal years, the amount reported by the commissioner for proposed projects to be financed shall not exceed $365,000,000.00 exclusive of federal funds, for each of those fiscal years except that in the fiscal year commencing July 1, 1990 and in the fiscal year commencing July 1, 1991 the amount shall not exceed $565,000,000 exclusive of federal funds, except as provided herein. If, in the discretion of the commissioner, a greater amount is determined to be necessary to meet the financing requirements for the ensuing fiscal year, the commissioner may include in a report an amount in excess of $365,000,000.00 exclusive of federal funds or in excess of $565,000,000 exclusive of federal funds in the two fiscal years in which an additional appropriation is authorized; provided that in no event shall that amount be an amount greater than 105% of that $365,000,000.00 or of that $565,000,000 respectively.

In any fiscal year for which an amount exceeding $365,000,000.00 exclusive of federal funds or exceeding $565,000,000 exclusive of federal funds in the two fiscal years in which an additional appropriation is authorized, was appropriated pursuant to subsection b. of this section, the commissioner shall report on or before March 1 of that fiscal year for the ensuing fiscal year an amount for proposed projects to be financed not greater than the maximum amount authorized to be appropriated for that ensuing fiscal year pursuant to subsection b. of this section.

b. Commencing with the fiscal year beginning on July 1, 1988 and for each of the next six fiscal years, the total amount authorized to be appropriated from the revenues and other nonfederal funds of the New Jersey Transportation Trust Fund Authority for the projects listed in the appropriations act pursuant to section 21
of P.L. 1984, c.73 (C.27:1B-21), shall not exceed $365,000,000.00 exclusive of federal funds in any fiscal year except that in the fiscal year commencing July 1, 1990 and the fiscal year commencing July 1, 1991 the amount shall not exceed $565,000,000 exclusive of federal funds, except as provided herein. If, in any fiscal year, a greater amount is determined to be necessary to meet the financing requirements, the amount appropriated may be in excess of $365,000,000.00 exclusive of federal funds or in excess of $565,000,000 exclusive of federal funds in the two fiscal years in which an additional appropriation is authorized; provided that: (1) in no event shall there be appropriated an amount greater than 105% of that $365,000,000.00 or of that $565,000,000 in any of the two fiscal years in which an additional appropriation is authorized, and provided further, that (2) if, pursuant to paragraph (1) of this subsection, a greater fiscal year appropriation is authorized in excess of $365,000,000 for a fiscal year, the ensuing fiscal year appropriation is to be reduced by the same amount that the appropriation for that fiscal year exceeds $365,000,000, except that in the two fiscal years in which an additional appropriation is authorized the appropriation for the ensuing fiscal year is to be reduced by the amount the appropriation exceeds $565,000,000.

d. For the purposes of this section, “the two fiscal years in which an additional appropriation is authorized” means the fiscal years commencing July 1, 1990 and July 1, 1991.

e. The department shall develop procedures for the auditing of expenditures made by the department and the New Jersey Transit Corporation from funds appropriated on and after the effective date of P.L.1991, c.40 for transportation projects from the revenues of the authority and shall cause an audit to be made of these expenditures in order to determine the extent to which these funds are expended for costs directly related to the projects, including but not limited to salaries and other administrative expenses. This audit shall be subject to review by the State Auditor and transmitted not less than annually to the presiding officer of each House of the Legislature, and to the Chair of the Senate Revenue, Finance and Appropriations Committee, the Senate Transportation and Public Utilities Committee, the Assembly Appropriations Committee, the Assembly Transportation Committee, and the Assembly Transportation Authorities, Telecommunications and Technology Committee or their successors.
7. Section 25 of P.L.1984, c.73 (C.27:1B-25) is amended to read as follows:

C.27:1B-25 County, municipal projects.

25. a. Notwithstanding the provisions of subtitle 4 of Title 27 of the Revised Statutes and P.L.1946, c.301 (C.27:15A-1 et seq.), the commissioner may, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law, allocate to counties and municipalities funds for the planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways and the planning, acquisition, engineering, construction, reconstruction, repair, maintenance and rehabilitation of public transportation projects and of other transportation projects which a county or municipality may be authorized by law to undertake. In the case of a county or municipality for which an allocation has been made for the federal fiscal year beginning October 1, 1983, of an amount of federal aid for the federal aid urban system, as defined in 23 U.S.C. §103, the amount of State aid allocated under this section in any fiscal year shall not be less than the amount of federal aid so allocated, together with the amount of matching funds required under federal law. No allocation shall be made to a county or municipality without certification by the commissioner: (1) that there exists with respect to that county or municipality a comprehensive plan, or plans, which he has approved, for the effective allocation, utilization and coordination of available federal and State transportation aid, and (2) that the county or municipality has agreed that State aid provided under this section is provided in lieu of federal aid for the federal aid urban system program and that any federal aid for the federal aid urban system program attributable to the area will be programmed by the Department of Transportation for projects of regional significance. In any year in which insufficient funds have been appropriated to meet the minimum county allocations established in this section, or if no appropriation is provided, the commissioner shall determine on a prorated basis the amount of the deficiency for each county having a minimum allocation and allocate from funds available under the federal aid urban system program sufficient funds to meet the minimum allocations.

b. The commissioner shall, pursuant to appropriations or authorizations being made from time to time by the Legislature
according to law and pursuant to the provisions of subsection d. of this section, allocate at his discretion State aid to municipalities for public highways under their jurisdiction and for emergency transportation projects, except that the amount to be appropriated for this program shall be 15% of the amount appropriated pursuant to the provisions of paragraph (2) of subsection d. of this section.

c. The commissioner shall, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law and pursuant to the provisions of subsection d. of this section, allocate State aid to municipalities for public highways under their jurisdiction, except that the amount to be appropriated for this purpose shall be 85% of the amount appropriated pursuant to the provisions of paragraph (2) of subsection d. of this section. The amount to be appropriated shall be allocated on the basis of the following distribution factor:

\[
DF = \frac{Pc}{Ps} + \frac{Cm}{Sm}
\]

where, DF equals the distribution factor
Pc equals county population
Ps equals State population
Cm equals municipal road mileage within the county
Sm equals municipal road mileage within the State.

After the amount of aid has been allocated based on the above formula, the commissioner shall determine priority for the funding of municipal projects within each county, based upon criteria relating to volume of traffic, safety considerations, growth potential, readiness to obligate funds and local taxing capacity.

For the purposes of this subsection, (1) “population” means the official population count as reported by the New Jersey Department of Labor; and (2) “municipal road mileage” means that road mileage under the jurisdiction of municipalities, as determined by the department.

d. There shall be appropriated at least $30,000,000.00 in each fiscal year for the purposes provided herein and in subsections b. and c. of this section. (1) Of that appropriation, the commissioner shall allocate $5,000,000.00 as State aid to any municipality qualifying for aid pursuant to the provisions of P.L.1978, c.14 (C.52:27D-178 et seq.). The commissioner shall allocate the aid to each municipality in the same proportion that the municipality...
receives aid under P.L.1978, c.14. (2) The remaining amount of the appropriation shall be allocated pursuant to the provisions of subsections b. and c. of this section.

8. Notwithstanding the provisions of any other law to the contrary, there is appropriated to the Department of Transportation from the revenues and other nonfederal funds of the New Jersey Transportation Trust Fund Authority the sum of $200,000,000 for the following additional specific projects identified under the six general program headings as follows:

C.17:16M-2 Conversion of mutual association to mutual savings bank; capital stock association to capital stock savings bank.

2. Any mutual association may apply to the commissioner to convert itself to a mutual savings bank by organizing and transferring its assets and liabilities to a newly-chartered mutual savings bank, and any capital stock association may apply to the commissioner to convert itself to a capital stock savings bank by organizing and transferring its assets and liabilities to a newly-chartered capital stock savings bank, and the proceedings to effect either application for conversion shall be as follows:
a. When in the judgment of the board of such State association it shall be deemed advisable and in the best interests of its members or stockholders that the same shall be converted into a savings bank of this State, the board of directors shall adopt a resolution to that effect.

b. After the adoption of such resolution, a meeting of the members or stockholders, as the case may be, of the State association shall be held upon not less than 10 days' written notice to the members or stockholders by mail, postage prepaid, directed to their addresses appearing on the books of the State association, which notice shall contain a statement of the time, place and purpose for which such meeting is called.

d. Copies of all applications and approvals required from federal regulators incident to the conversion; and

e. Such other information or materials as the commissioner may require by regulation.

C.17:16M-4 Approval of conversion by commissioner.

4. The commissioner shall not approve an application of a State association to convert to a savings bank unless the commissioner finds, after appropriate investigation, and a public hearing
if deemed by the commissioner to be necessary, that the following requirements have been met:

a. The application is complete;
b. The converting State association was insured by the Federal Deposit Insurance Corporation, and the resulting savings bank will also be insured by that agency;
c. The converting State association satisfies all capital maintenance requirements for State associations set forth by the Federal Deposit Insurance Corporation, any other federal regulator and the department;

C.17:16M-5 Approval of application of State association not satisfying certain requirements.

5. The commissioner may approve the application of a State association which does not satisfy the capital maintenance requirements set forth in subsection c. of section 4 of this act or which is subject to an outstanding supervisory order, agreement or memorandum of understanding, as provided by subsection d. of section 4 of this act, relating only to its capital condition or which fails to meet both requirements, to convert to a savings bank when the following requirements, in addition to the requirements set forth in section 4 of this act other than the requirements set forth in subsections c. and d. of section 4 relating to the capital condition of the converting State association, have been met:

a. Simultaneous with the conversion to a savings bank, the converting State association shall merge with and into, or be acquired by a savings bank; and
b. The resulting savings bank immediately after the conversion and merger or acquisition will satisfy all capital maintenance require-
ments for savings banks set forth by the Federal Deposit Insurance Corporation, any other federal regulator and the department.

C.17:16M-6 Notification of applicant.

6. a. Within 60 days of receiving all of the information and documents specified in section 3 of this act and such other information as the commissioner may require, the commissioner shall notify the applicant as to whether the commissioner intends to approve the application, or whether it is denied. The intent of approval may be conditioned upon the applicant satisfying conditions set by the commissioner. If the commissioner denies the application, the commissioner shall notify the applicant in writing and shall state the basis for the denial.

b. Upon a finding that the applicant has met all of the requirements of this act and all conditions imposed on the commissioner's intent of approval, the commissioner shall issue a certificate of approval of the conversion which shall be endorsed upon or annexed to the certificate of incorporation.

Upon the approval by the commissioner and the filing of the certificate of incorporation as aforesaid, the State association shall cease to be a State association. Upon the conversion of the State association, the legal existence of the State association shall terminate and the newly-chartered savings bank shall succeed to all the obligations and relations of the State association, and to all property of the State association, including the right, title and interest in and to all property of whatsoever kind and nature, whether real, personal or mixed and things, and choses in action, and every right, privilege, interest and asset of every conceivable value or benefit then existing or pertaining to it, or which would inure to it, immediately by operation of law and without the necessity for any conveyance or transfer and without any further act or deed, shall vest in the savings bank into which the State association has been converted. The savings bank shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held and enjoyed by the State association. All pending actions and other judicial or administrative proceedings to which the
State association was a party shall not be discontinued by reason of the conversion, but may be prosecuted to final judgment or order in the same manner as if the conversion had not been made and the savings bank resulting from the conversion may continue such actions in its name after conversion. Any judgment or order may be rendered for or against it which might have been rendered for or against the State association theretofore involved in the judicial proceedings.

C.17:16M-8 Conversion of savings bank to State association.

8. Any savings bank chartered pursuant to the laws of this State may apply to the commissioner to convert to a State association by complying with the procedures and standards set forth in rules and regulations promulgated by the commissioner pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). These procedures and standards shall be at least equivalent to those established in sections 2 through 7 of this act concerning conversion of a State association into a savings bank, and may include any additional procedures and standards the commissioner may establish by regulation.

C.17:16M-9 Rules, regulations.

9. The commissioner may promulgate and adopt, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary to effectuate the purposes of this act.

C.40A:14-146.14 Special law enforcement officers, appointment, term, regulations.

7. a. Special law enforcement officers may be appointed for terms not to exceed one year, and the appointments may be revoked by the local unit for cause after adequate hearing, unless the appointment is for four months or less, in which event the appointment may be revoked without cause or hearing. Nothing herein shall be construed to require reappointment upon the expiration of the term. The special law enforcement officers so appointed shall not be members of the police force of the local unit, and their powers and duties as determined pursuant to this act shall cease at the expiration of the term for which appointed.

b. No special law enforcement officer may carry a firearm except while engaged in the actual performance of the officer's official duties and when specifically authorized by the chief of
police, or, in the absence of the chief, other chief law enforce-
ment officer of the local unit to carry a firearm and provided that
the officer has satisfactorily completed the basic firearms course
required by the commission for regular police officers and annual
requalification examinations as required for permanent, regularly
appointed full-time officers in the local unit.

A special law enforcement officer shall be deemed to be on
duty only while he is performing the public safety functions on
behalf of the local unit pursuant to this act and when he is receiv­
ing compensation, if any, from the local unit at the rates or
stipends as shall be established by ordinance. A special law
enforcement officer shall not be deemed to be on duty for pur­
poses of this act while performing private security duties for
private employers, which duties are not assigned by the chief of
police, or, in the absence of the chief, other chief law enforce-
ment officer of the local unit, or while receiving compensation
for those duties from a private employer. A special law
enforcement officer may, however, be assigned by the chief of police or,
in the absence of the chief, other chief law enforcement officer, to
perform public safety functions for a private entity if the chief of
police or other chief law enforcement officer supervises the per­
formance of the public safety functions. If the chief of police or

duties and supervises the performance of those duties, then, not­
withstanding that the local unit is reimbursed for the cost of
assigning a special law enforcement officer at a private entity, the
special law enforcement officer shall be deemed to be on duty.

The reimbursement for the duties of a special law enforcement
officer, which is made to a municipality with a population in
excess of 300,000, according to the 1980 federal decennial cen­

law enforcement officer, provided that records of the hours
worked are forwarded to and maintained by the chief of police or
other chief law enforcement officer responsible for assigning the
special law enforcement officer those public safety duties.

Any firearm utilized by a special law enforcement officer shall
be returned at the end of the officer’s workday to the officer in
charge of the station house, unless the firearm is owned by the
special law enforcement officer and was acquired in compliance
with a condition of employment established by the local unit. Any
special law enforcement officer first appointed after the effective
date of this act shall only use a firearm supplied by the local unit.
No such special police officer shall carry a revolver or other similar weapon when off duty; but if any such special police officer appointed by the governing body of any municipality having a population in excess of 300,000, according to the 1980 federal census, who is a resident of the municipality and is employed as a special police officer at least 35 hours per week, or less at the discretion of the chief of police and mayor, shall, at the direction of the chief of police, have taken and successfully completed a firearms training course administered by the Police Training Commission, pursuant to P.L.1961, c.56 (C.52:17B-66 et seq.), and has successfully completed within three years of the effective date of P.L.1985, c.45 or three years of the date of appointment of the special police officer, whichever is later, 280 hours of training in arrest, search and seizure, criminal law, and the use of deadly force, and shall annually qualify in the use of a revolver or similar weapon, said special police officer shall be permitted to carry a revolver or other similar weapon when off duty within the municipality where he is employed. Specific authorization shall be in the form of a permit which shall not be unreasonably withheld, which is subject to renewal annually and may be revoked at any time by the chief of police. The permit shall be on the person of the special police officer whenever a revolver or other similar weapon is carried off duty. No permit shall be issued until the special police officer has successfully completed all training courses required under this section. Any training courses completed by a special police officer under the direction of the chief of police in a school and a curriculum approved by the Police Training Commission, pursuant to P.L.1961, c.56 (C.52:17B-66 et seq.), shall be credited towards the 280 hours of training required to be completed by this section. Any training required by this section shall commence within 90 days of the effective date of P.L.1985, c.45 or within 90 days of the date of the appointment of the special police officer, whichever is later.

c. A special law enforcement officer shall be under the supervision and direction of the chief of police or, in the absence of the chief, other chief law enforcement officer of the local unit wherein the officer is appointed, and shall perform his duties only in the local unit except when in fresh pursuit of any person pursuant to chapter 156 of Title 2A of the New Jersey Statutes or when authorized to perform duties in another unit pursuant to a mutual aid agreement enacted in accordance with section 1 of P.L.1976, c.45 (C.40A:14-156.1).
d. The officer shall comply with the rules and regulations applicable to the conduct and decorum of the permanent, regularly appointed police officers of the local unit, as well as any rules and regulations applicable to the conduct and decorum of special law enforcement officers.

(a) The form of administration, indicating the titles of the officers and governing board of the association, if any, and specifying the powers, duties and manner of selection, removal and compensation, if any, of officers and board members. If the bylaws provide that any of the powers and duties of the association as set forth in sections 14 and 15 of P.L.1969, c.257 (C.46:8B-14 and 46:8B-15) be exercised through a governing board elected by the membership of the association, or through officers of the association responsible to and under the direction of such a governing board, all meetings of that governing board, except conference or working sessions at which no binding votes are to be taken, shall be open to attendance by all unit owners, and adequate notice of any such meeting shall be given to all unit owners in such manner as the bylaws shall prescribe; except that the governing board may exclude or restrict attendance at those meetings, or portions of meetings, dealing with (1) any matter the disclosure of

   a. Although the economic well-being and prosperity of this State has surpassed most states in the United States and although these benefits are widely shared throughout the State, poverty continues to affect a substantial number of residents;
   b. New Jersey can accomplish its full economic and social potential only if every individual has the opportunity to contribute to the full extent of each individual's capabilities and to participate in the workings of our society;
   c. One method to achieve these goals is to combine the resources of the private, public, and social service sectors of this State through the efforts of community action agencies;
   d. These community action agencies provide a range of services related to the needs of low-income persons and helping families and individuals overcome particular problems in order to develop self-sufficiency;
   e. In addition, these agencies develop and implement programs and projects designed to ensure maximum participation by the residents of the communities served, so as to stimulate and take full advantage of the capabilities of the residents and assure that those programs and projects are otherwise meaningful and widely utilized by their intended beneficiaries;
   f. It is, therefore, in the interest of this State to recognize and support the work of community action agencies as these agencies provide efficient and effective means to prevent and eliminate poverty, and so, promote the well-being and prosperity of this State.

C.52:27D-402 Assurance of present or future funding.

8. a. Consistent with the Community Services Block Grant Act the State shall provide assurances that any eligible entity which received funding in the previous fiscal year under this act will not have its present or future funding terminated under this act or reduced below the proportional share of funding it received in the previous fiscal year unless after notice, and opportunity for hearing on the record, the State determines that cause existed for such termination or such reduction subject to review by the commissioner as provided in the Community Services Block Grant Act.

For the purpose of making a determination with respect to a funding reduction, the term "cause" includes:

(1) a Statewide redistribution of funds under the Community Services Block Grant Act to respond to:

Whenever the local unit or units determine that it is necessary that any public utility facilities such as tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances of any public utility, as defined in R.S.48:2-13, which are now, or hereafter may be located in, on, along, over or under any sewerage facility project, should be removed, the public utility owning or operating the facilities shall relocate or remove the same in accordance with the order of the local unit or units, the cost and expense of the relocation or removal, including the cost of installing the facilities in a new location or new locations, and the cost of any lands, or any rights or interest in lands, and any other rights acquired to accomplish the relocation or removal, less the cost of any lands or any rights of the public utility paid to the public utility in connection with the relocation or removal of the property, shall be ascertained and paid as a part of the cost of the project. A local unit having adopted an ordinance or resolution pursuant to N.J.S.40A:26A-4, may issue bonds pursuant to the provisions
of the "Local Bond Law," N.J.S.40A:2-1 et seq., for all or part of the cost of sewerage facilities. Proceeds from the bonds shall be used solely for the payment of the costs of the sewerage facilities for which the bonds have been authorized.

Bonds issued by a local unit or local units may be:

a. General obligation bonds payable from unlimited ad valorem taxes which may additionally be secured by a pledge of revenues from rates, rentals or other charges levied and collected pursuant to the provisions of N.J.S.40A:26A-10 and 40A:26A-11;

b. Local improvement assessment bonds payable from local improvement assessments as provided in N.J.S.40A:26A-13, additionally secured by unlimited ad valorem taxes; or

c. General obligation bonds secured and payable from rates, rental and other charges levied and collected pursuant to N.J.S.40A:26A-10 and 40A:26A-11, and additionally secured by unlimited ad valorem taxes. Bonds may additionally be secured by a pledge of any grant, subsidy or contribution received by the issuing local unit from the United States or the State of New Jersey, or any agency, instrumentality or political subdivision thereof.

After the commencement of operation of sewerage facilities, the local unit or units may prescribe and, from time to time, alter rates or rentals to be charged to users of sewerage services. Rates or rentals being in the nature of use or service charges or annual rental charges, shall be uniform and equitable for the same types and classes of use and service may be based on any factors which the governing body or bodies of that local unit or units shall deem proper and equitable within the region served.

In fixing rates, rental and other charges for supplying sewerage services, the local unit or units shall establish a rate structure that allows, within the limits of any lawful covenants made with bondholders, the local unit to:

a. Recover all costs of acquisition, construction or operation, including the costs of raw materials, administration, real or personal property, maintenance, taxes, debt service charges, fees and an amount equal to any operating budget deficit occurring in the immediately preceding fiscal year;

b. Establish a surplus in an amount sufficient to provide for the reasonable anticipation of any contingency that may affect the
operating of the sewerage facility, and, at the discretion of the local unit or units, allow for the transfer of moneys from the bud-
get for the sewerage facilities to the local budget in accordance with section 5 of P.L.1983, c.111 (C.40A:4-35.1).

In addition to rates and rentals, a separate charge in the nature of a connection fee or tapping fee for each connection of any property to the sewerage system may be imposed upon the owner or occupant at the property so connected. The connection charges shall be uniform within each class of users and the amount thereof shall not exceed the actual cost of the physical connection plus an amount representing a fair payment towards the cost of the system and computed in the following manner:

a. The amount representing all debt service, including but not limited to sinking funds, reserve funds, the principal and interest on bonds, and the amount of any loans and interest thereon, paid by the local unit or units to defray the capital cost of developing the system as of the end of the immediately preceding budget year shall be added to all capital expenditures made by a local unit or units not funded by a bond ordinance or debt for the development of the system as of the end of the immediately preceding budget year;

b. Any gifts, contributions or subsidies to the local unit or units received from, and not reimbursed or reimbursable to, any federal, State, county or municipal government or agency or any private person, and that portion of amounts paid to the local unit or units by a public entity under a service agreement or service contract which is not repaid to the public entity by the local unit or units, shall then be subtracted;

c. The remainder shall be divided by the total number of service units served by the local unit or units at the end of the immediately preceding budget year, and the results shall then be apportioned to each new customer according to the number of service units attributed to that connector, to produce the connector’s contribution to the cost of the system. In attributing service units to each connector, the estimated average daily flow of sewage for the connector shall be divided by the average daily flow of sewage for the average single family residence in the area served by the local unit or units to produce the number of service units to be attributed.

The connection fee shall be recomputed at the end of each bud-
get year, after a public hearing is held. The revised connection fee
may be imposed upon those who subsequently connect to the system in that budget year.

The combination of the connection fee or tapping fee and the aforesaid sewerage service charges shall be such that the revenues of sewerage facilities shall be adequate to pay the expenses of operation and maintenance of the sewerage facilities, including improvements, extensions, enlargements and replacements to sewerage facilities, reserves, insurance, principal and interest on any bonds, and to maintain reserves or sinking funds therefor as may be required under the bond covenants or any contracts, or as may be deemed necessary or desirable.

40A:26A-12. Rates, rentals, connection fees, or other charges as lien on real property; discontinuance of service.

Rates, rentals, connection fees or other charges levied in accordance with N.J.S.40A:26A-10 and 40A:26A-11, shall be a first lien or charge against the property benefited therefrom. If any part of the amount due and payable in rates, rentals, connection fees or other charges remain unpaid for 30 days following the date for the payment thereof, interest upon the amount unpaid shall accrue at a rate of interest to be determined in accordance with N.J.S.40A:26A-17. The governing body or bodies of the local unit or units may authorize payment of delinquent assessments on an installment basis in accordance with R.S.54:5-19. Liens levied in accordance with this section shall be enforceable in the manner provided for real property tax liens in chapter 5 of Title 54 of the Revised Statutes.

Nothing in this section shall be construed to limit the right of a local unit or local units to discontinue service of any property for the failure to pay any amount owing within 30 days after the date the amount is due and payable, if written notice of the proposed discontinuance of service and of the reasons therefor has been given, within at least 10 days prior to the date of discontinuance, to the owner of record of the property. In the event that notice is provided by mail, the notice requirements shall be satisfied if the mailing is made to the last known address of the owner of record and is postmarked at least 10 days prior to the date of discontinuance.

If the governing body of one or more local units determines that all or any part of the cost of construction of sewerage facilities acquired or constructed pursuant to this act should be financed by local improvement assessments on real properties located within the local unit or units, the local unit or units shall pass a resolution or ordinance or parallel resolutions or ordinances on the intention to undertake and finance the sewerage facilities and shall give notice thereof by advertising in one or more newspapers of general circulation in the local unit or units, and by notifying each concerned property owner by certified mail. The notice shall fix a date, time and place for a public hearing on the proposed action; except that the date of the hearing shall not be earlier than two weeks after the mailing of notices to concerned property owners. If, after the hearing, the governing body or bodies decide to carry out the proposed local Improvement, an ordinance or resolution, or parallel ordinances or resolutions shall be adopted declaring that determination.

40A:26A-14. Local improvement assessments; procedure for and manner of assessment and collection.

Upon completion of the improvements made pursuant to N.J.S.40A:26A-13, the governing body or governing bodies shall assess the costs and expenses of the sewerage facilities on the lands specially benefited therefrom in proportion to the benefits received; however, no county may levy local improvement assessments within a municipality without the approval of that municipality. When completed, the assessments shall be filed as a report with the clerk or clerks of the governing body or bodies who shall give notice, by advertising in one or more newspapers of general circulation in the local unit or units, and by notifying each concerned property owner by certified mail, of the fact that the report has been filed and that the governing body or bodies will meet at a time and place designated in the notice to hear remonstrances against the report. The governing body or bodies shall meet at the time and place designated in the notice to hear remonstrances and may revise the report as may be deemed appropriate after which the report shall be filed with the clerk or clerks of the governing body or bodies, and the assessments shall constitute liens upon the lands so assessed for special benefits.

The clerk or clerks shall deliver a duplicate copy of the report to the appropriate officer or officers of the local unit or units who
shall immediately thereafter send out by mail or deliver to owners of lands bills for the assessments. The officer or officers shall mail or deliver bills for an assessment in the manner required in connection with local improvements and shall keep a record and books of assessments in the same manner required for local improvements under R.S.40:56-31, at the expense of the local unit or units. The governing body or bodies may make additional requirements for recording, accounting for and collecting assessments.

The governing body of a participating local unit may, by resolution, provide that the owner of any real estate located within the local unit upon which a local improvement assessment has been made may pay the assessment in installments pursuant to the procedures contained in R.S.40:56-35 for collection thereof remain in arrears on July 4 of the calendar year following the calendar year when the amount becomes in arrears, the appropriate officer of the local unit shall enforce the lien by selling the property in the manner set forth in chapter 5 of Title 54 of the Revised Statutes.

40A:26A-15. Bonds issued by one or more units; debt service payments.

A local unit, pursuant to an agreement with one or more other local units or the State, may bear the entire cost of the acquisition or construction of sewerage facilities and issue bonds therefor, or may share all or part of these costs with the other government. If the cost of acquisition or construction is shared, bonds may be issued by each of the participating governments for part or all of each government's respective costs, or a local unit may issue bonds for the entire cost of the sewerage facilities to be acquired or constructed, with the share of the costs of each of the other participating governments to be repaid to the issuing local unit in annual installments with a period agreed to by the parties but not to exceed 40 years. The agreement shall prescribe the rate or rates of interest on the annual installments and such other terms and conditions as agreed to by the parties. Agreements made hereunder shall be authorized by resolution or ordinance of the governing bodies of the participating parties, or in the case of the State, the Commissioner of Environmental Protection. Annual installment payments may include payment of the agreed share of a participating government's operating and maintenance costs, including the costs of any improvements, extensions, enlargements or reconstruction.

a. Principal and interest payments on bonds issued in accordance with subsection c. of N.J.S.40A:26A-9 and operating and maintenance costs for sewerage facilities, shall not be included in computing the gross or net indebtedness of the local unit issuing the bonds if the cash receipts from fees, rents and other charges in a fiscal year are sufficient to meet operating and maintenance expenses. In such cases, sewerage facilities shall be deemed a self-liquidating purpose and interest and debt redemption charges, and maintenance and operating costs payable or accruing in that fiscal year shall be treated in the manner prescribed in N.J.S.40A:2-45 through N.J.S.40A:2-47.

(1) Annual installment payments to a local unit made pursuant to N.J.S.40A:26A-15 shall not be included in computing the gross or net indebtedness of the other participating government or governments, except that a self-liquidating purpose facility shall be subject to the provisions of N.J.S.40A:2-48; nor

(2) shall the principal and interest on bonds issued by a local unit to finance, pursuant to an agreement made in accordance with N.J.S.40A:26A-15, the share of the cost of the construction or acquisition, or of maintenance or operation of another government, be included in any computation of gross or net indebtedness of the local unit.

The power and obligation to make payments in accordance with the terms of the contract shall be unlimited, and the sums necessary therefore shall be included in the annual budget of the other government, which shall be irrevocably and unconditionally obligated to levy ad valorem taxes on all taxable property therein, without limits as to the rate or amount, to the extent necessary to make payments in full as due. CHAPTER 58

AN ACT concerning strict liability for certain discharges of hazardous substances, requiring the owners or operators of certain vessels to provide evidence of financial responsibility, and amending and supplementing P.L.1976, c.141.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1976, c.141 (C.58:10-23.11g) is amended to read as follows:

C.58:10-23.11g Liability for cleanup and removal costs.

8. a. The fund shall be strictly liable, without regard to fault, for all cleanup and removal costs and for all direct and indirect damages no matter by whom sustained, including but not limited to:

(1) The cost of restoring, repairing, or replacing any real or personal property damaged or destroyed by a discharge, any
income lost from the time such property is damaged to the time such property is restored, repaired or replaced, and any reduction in value of such property caused by such discharge by comparison with its value prior thereto;

(2) The cost of restoration and replacement, where possible, of any natural resource damaged or destroyed by a discharge;

(3) Loss of income or impairment of earning capacity due to damage to real or personal property, including natural resources destroyed or damaged by a discharge; provided that such loss or impairment exceeds 10% of the amount which claimant derives, based upon income or business records, exclusive of other sources of income, from activities related to the particular real or personal property or natural resources damaged or destroyed by such discharge during the week, month or year for which the claim is filed;

(4) Loss of tax revenue by the State or local governments for a period of one year due to damage to real or personal property proximately resulting from a discharge;

(5) Interest on loans obtained or other obligations incurred by a claimant for the purpose of ameliorating the adverse effects of a discharge pending the payment of a claim in full as provided by this act.

b. The damages which may be recovered by the fund, without regard to fault, subject to the defenses enumerated in subsection d. of this section against the owner or operator of a major facility or vessel, shall not exceed $50,000,000.00 for each major facility or $150.00 per gross ton for each vessel, except that such maximum limitation shall not apply and the owner or operator shall be liable, jointly and severally, for the full amount of such damages if it can be shown that such discharge was the result of (1) gross negligence or willful misconduct, within the knowledge and privity of the owner, operator or person in charge, or (2) a gross or willful violation of applicable safety, construction or operating standards or regulations. Damages which may be recovered from, or by, any other person shall be limited to those authorized by common or statutory law.

c. (1) Any person who has discharged a hazardous substance or is in any way responsible for any hazardous substance which the department has removed or is removing pursuant to subsection b. of section 7 of this act shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs.

(2) In addition to the persons liable pursuant to paragraph (1) of this subsection, in the case of a discharge of a hazardous substance from a vessel into the waters of the State, the owner or operator of a refinery, storage, transfer, or pipeline facility to
which the vessel was en route to deliver the hazardous substance who, by contract, agreement, or otherwise, was scheduled to assume ownership of the discharged hazardous substance, and any other person who was so scheduled to assume ownership of the discharged hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs if the owner or operator of the vessel did not have the evidence of financial responsibility required pursuant to section 2 of P.L.1991, c.58 (C.58:10-23.11g2).

Where a person is liable for cleanup and removal costs as provided in this paragraph, any expenditures made by the administrator for that cleanup and removal shall constitute a debt of that person to the fund. The debt shall constitute a lien on all property owned by that person when a notice of lien identifying the nature of the discharge and the amount of the cleanup, removal and related costs expended from the fund is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the liable person and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and removal, shall attach to the revenues and all real and personal property of the liable person, whether or not that person is insolvent.

For the purpose of determining priority of this lien over all other claims or liens which are or have been filed against the property of an owner or operator of a refinery, storage, transfer, or pipeline facility, the lien on the facility to which the discharged hazardous substance was en route shall have priority over all other claims or liens which are or have been filed against the property. The notice of lien filed pursuant to this paragraph which affects any property of a person liable pursuant to this paragraph shall have priority from the day of the filing of the notice of the lien over all claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this paragraph.

To the extent that a person liable pursuant to this paragraph is not otherwise liable pursuant to paragraph (1) of this subsection, or under any other provision of law or under common law, that person may bring an action for indemnification for costs paid pur-
suant to this paragraph against any other person who is strictly liable pursuant to paragraph (1) of this subsection.

Nothing in this paragraph shall be construed to extend or negate the right of any person to bring an action for contribution that may exist under P.L.1976, c.141, or any other act or under common law.

d. An act or omission caused solely by war, sabotage, or God, or a combination thereof, shall be the only defenses which may be raised by any owner or operator of a major facility or vessel responsible for a discharge in any action arising under the provisions of this act.

C.58:10-23.1g2 Owners, operators of vessels shall assure financial resources for cleanup costs; enforcement.

2. The owners and operators of vessels shall establish and maintain evidence of financial responsibility for the purpose of assuring adequate financial resources to pay for the cost of cleanup and removal of a discharged hazardous substance as a result of the transportation of a hazardous substance by vessel or a transfer of that hazardous substance between a refinery, storage, transfer, or pipeline facility and a vessel or between two vessels. Evidence of financial responsibility shall be established by a method set forth under §108 of the “Comprehensive Environmental Response, Compensation, and Liability Act of 1980” (42 U.S.C. §9607) or §1016 of the “Oil Pollution Act of 1990”, any regulation adopted pursuant thereto, or any other federal law requiring evidence of financial responsibility to operate a vessel in the waters of the United States.

The evidence of financial responsibility required by this section shall be the only evidence required by the State that a vessel has the ability to meet the liabilities incurred for a violation of P.L.1976, c.141, but nothing in this section shall be construed to limit the liability of any person for a discharge of a hazardous substance for which the person is liable pursuant to P.L.1976, c.141 or under any other law or under common law.

The State Police shall have the power to inspect any vessel and to require the display of evidence of financial responsibility in order to ensure compliance with this section. The State Police may deny entry to any vessel to any place in the State, or to the navigable waters under the jurisdiction of the State, or detain at the place, any vessel that, upon request, does not produce the evidence of financial responsibility required for that vessel pursuant to this section. Any vessel subject to the requirements of this section which is found in the navigable waters of the State without
the necessary evidence of financial responsibility for the vessel shall be subject to seizure by and forfeiture to the State.

C.58:10-23.11f Removal of hazardous substances.

7. a. Whenever any hazardous substance is discharged, the department may, in its discretion, act to remove or arrange for the removal of such discharge or may direct the discharger to remove, or arrange for the removal of, such discharge. If the discharge occurs at any hazardous or solid waste disposal facility, the department may order the facility closed for the duration of the removal operations. The department may monitor the discharger's compliance with any such directive. Any discharger who fails to comply with such a directive shall be liable to the department in an amount equal to three times the cost of such removal, and shall be subject to the revocation or suspension of any license or permit he holds authorizing him to operate a hazardous or solid waste disposal facility.

Removal of hazardous substances and actions to minimize damage from discharges shall, to the greatest extent possible, be in accordance with the National Contingency Plan for removal of oil and hazardous substances established pursuant to section 311(c)(2) of the federal Water Pollution Control Act Amendments of 1972 (Pub.L.92-500, 33 U.S.C. §1251 et seq.).

Whenever the department acts to remove a discharge or contracts to secure prospective removal services, it is authorized to draw upon the money available in the fund. Such money shall be used to pay promptly for all cleanup costs incurred by the department in removing or in minimizing damage caused by such discharge.

The department may agree to defend and indemnify a contractor against claims, causes of action, demands, costs, or judgments made against a contractor arising as a direct result of the contractor's provision of hazardous substance cleanup or mitigation services pursuant to a contract with the department. This legal
defense and indemnification shall not apply to claims, causes of action, demands, costs, or judgments which are proven to have arisen from gross negligence, willful misconduct, fraud, intentional tort, bad faith, or criminal misconduct, or to claims for punitive or exemplary damage. The department shall agree to provide legal defense and indemnification to a contractor only if it determines that adequate environmental liability insurance is not available or not available at a reasonable cost to the contractor. The department shall agree to provide legal defense and indemnification to a contractor pursuant to terms and limitations which it deems appropriate. Any agreement by the department to defend or indemnify a contractor shall not bar the department from the exercise of any available legal remedies for the enforcement of the contract between the department and the contractor, the recovery of damages to which the department may be entitled resulting from a contractor’s failure to perform the contract, or for the recovery of funds expended for the defense of a contractor if the defense was undertaken in response to a claim or cause of action brought against the contractor which is proven to have arisen from gross negligence, willful misconduct, fraud, intentional tort, bad faith, or criminal misconduct. No person other than a contractor shall have the right to enforce any agreement for defense and indemnification between a contractor and the department. The department shall not enter into an agreement to provide legal defense and indemnification to a contractor after January 1, 1990. For the purposes of this subsection, “contractor” means a person providing services to mitigate or clean up a discharge or release or threatened discharge or release of a hazardous substance in this State pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.) or the “Comprehensive Environmental Response, Compensation and Liability Act of 1980,” Pub. L.96-510 (42 U.S.C. §9601 et seq.).

Nothing in this section is intended to preclude removal and cleanup operations by any person threatened by such discharges, provided such persons coordinate and obtain approval for such actions with ongoing State or federal operations. No action taken by any person to contain or remove a discharge shall be construed as an admission of liability for said discharge. No person who renders assistance in containing or removing a discharge shall be liable for any civil damages to third parties resulting solely from acts or omissions of such person in rendering such assistance, except for acts or omissions of gross negligence or willful misconduct. In the course of cleanup operations, no person shall discharge any detergent into the waters of this State without prior authorization of the commissioner.
b. Notwithstanding any other provisions of P.L.1976, c.141 (C.58:10-23.11 et seq.), the department, subject to the approval of the administrator with regard to the availability of funds therefor, may remove or arrange for the removal of any hazardous substance which:

(1) Has not been discharged from a grounded or disabled vessel, if the department determines that such removal is necessary to prevent an imminent discharge of such hazardous substance; or

(2) Has not been discharged, if the department determines that such substance is not satisfactorily stored or contained and said substance possesses any one or more of the following characteristics:

(a) Explosiveness;
(b) High flammability;
(c) Radioactivity;
(d) Chemical properties which in combination with any discharged hazardous substance at the same storage facility would create a substantial risk of imminent damage to public health or safety or an imminent and severe damage to the environment;
(e) Is stored in a container from which its discharge is imminent as a result of contact with a hazardous substance which has already been discharged and such additional discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or
(f) High toxicity and is stored or being transported in a container or motor vehicle, truck, railcar or other mechanized conveyance from which its discharge is imminent as a result of the significant deterioration or the precarious location of the container, motor vehicle, truck, railcar or other mechanized conveyance, and such discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(3) Has been discharged prior to the effective date of P.L.1976, c.141.

c. If and to the extent that he determines that funds are available, the administrator shall approve and make payments for any cleanup and removal costs incurred by the department for the removal of a hazardous substance other than petroleum as authorized by subsection b. of this section; provided that in determining the availability of funds, the administrator shall not include as available funds revenues realized or to be realized from the tax on the transfer of petroleum, to the extent that such revenues result from a tax levied at a rate in excess of $0.01 per barrel, pursuant to subsection b. of section 9 of P.L.1976, c.141 (C.58:10-23.11h), unless the administrator
d. The administrator may only approve and make payments for
any cleanup and removal costs incurred by the department for the
removal of a hazardous substance discharged prior to the effective
date of P.L.1976, c.141, pursuant to subsection b. of this
section, if, and to the extent that, he determines that adequate funds
from another source are not or will not be available; and provided
further, with regard to the cleanup and removal costs incurred for
discharges which occurred prior to the effective date of P.L.1976,
c.141, the administrator may not during any one-year period pay
more than $18,000,000.00 in total or more than $3,000,000.00 for
any discharge or related set or series of discharges.

e. Notwithstanding any other provisions of P.L.1976, c.141, the
administrator, after considering, among any other relevant factors,
the department's priorities for spending funds pursuant to
P.L.1976, c.141, and within the limits of available funds, shall
make payments for the restoration or replacement of, or connection
to an alternative water supply for, any private residential well
destroyed, contaminated, or impaired as a result of a discharge
prior to the effective date of P.L.1976, c.141; provided, however,
total payments for said purpose shall not exceed $500,000.00 for
the period between the effective date of this subsection e. and January 1, 1983, and in any calendar year thereafter.

f. Any expenditures made by the administrator pursuant to
this act shall constitute, in each instance, a debt of the discharger
to the fund. The debt shall constitute a lien on all property owned
by the discharger when a notice of lien, incorporating a descrip-
tion of the property of the discharger subject to the cleanup and
removal and an identification of the amount of cleanup, removal
and related costs expended from the fund, is duly filed with the
clerk of the Superior Court. The clerk shall promptly enter upon
the civil judgment or order docket the name and address of the
discharger and the amount of the lien as set forth in the notice of
lien. Upon entry by the clerk, the lien, to the amount committed
by the administrator for cleanup and removal, shall attach to the
revenues and all real and personal property of the discharger,
whether or not the discharger is insolvent.
The notice of lien filed pursuant to this subsection which affects the property of a discharger subject to the cleanup and removal of a discharge shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this notice of lien shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this notice of lien. The notice of lien filed pursuant to this subsection which affects any property of a discharger, other than the property subject to the cleanup and removal, shall have priority from the day of the filing of the notice of the lien over all other claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this subsection.

g. In the event a vessel discharges a hazardous substance into the waters of the State, the cleanup and removal and related costs resulting from that discharge that constitute a maritime lien on the discharging vessel pursuant to 33 U.S.C. § 1321 or any other law, may be recovered by the Department of Environmental Protection in an action in rem brought in the district court of the United States. An impoundment of a vessel resulting from this action shall continue until:

(1) the claim against the owner or operator of the vessel for the cleanup and removal and related costs of the discharge is satisfied;

(2) the owner or operator of the vessel, or a representative of the owner or operator, provides evidence of financial responsibility as provided in section 2 of P.L.1991, c.58 (C.58:10-23.11g2) and satisfactorily guarantees that these costs will be paid; or

(3) the impoundment is otherwise vacated by a court order.

The remedy provided in this subsection is in addition to any other remedy or enforcement power that the department may have under any other law.

Any action brought by the State pursuant to this subsection and any impoundment of a vessel resulting therefrom shall not subject the State to any liability to any person harmed thereby or cause the State to be in any way liable for a subsequent or continued discharge of a hazardous substance from that vessel.

5. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40:45-10.1 Designation of committee on vacancies.

1. When several candidates for the office of commissioner petition that their names be grouped together and that one designation named by them shall be printed opposite their names pursuant to section 6 of P.L.1981, c.379 (C.40:45-10), the candidates whose names are to be grouped in a bracket pursuant to that section may file with the clerk of the municipality a designation, in writing, of the names of three persons as a committee on vacancies.

Nothing in this section shall prevent the filling of vacancies in any other manner authorized by Title 19 of the Revised Statutes, except that a candidate in a group bracket, who joins in the designation of a committee on vacancies under the provisions of this act, may not participate in any other method for filling a vacancy in his candidacy for commissioner.

2. This act shall take effect immediately.

However, beginning in the 1993-94 school year, the Governor may increase the maximum State school aid to an amount not to exceed the value of the State school aid inflator.

For this calculation, pupils eligible for AFDC means those children aged 5-17 and resident in the district who are members of families which are eligible for “Aid to Families with Dependent Children” pursuant to P.L.1959, c.86 (C.44:10-1 et seq.), as of September 30 of the prebudget year.

“Statewide equalized valuation” means the equalized valuation of all taxing districts in the State as certified by the Director of the Division of Taxation on October 1 of the prebudget year. In the event that the equalized table certified by the Director of the Division of Taxation shall be revised by the tax court after December 15 of the prebudget year, the revised valuations shall be used in the recomputation of aid for an individual school district filing an appeal, but shall have no effect upon the calculation of the property value multiplier.

“Total Statewide income” means the sum of the district incomes of all taxing districts in the State.

2. Section 4 of P.L.1990, c.52 (C.18A:7D-4) is amended to read as follows:

4. a. Each district’s foundation aid for current expense and capital outlay purposes shall be determined as follows:

\[ A = MB - FS - S \]

where

- A is the foundation aid;
MB is the maximum foundation budget determined pursuant to section 6 of P.L.1990, c.52 (C.18A:7D-6);
FS is the district's local fair share determined pursuant to section 7 of P.L.1990, c.52 (C.18A:7D-7);
S is the excess surplus, equal to any beginning general fund free balance for the prebudget year which exceeds 7.5% of the district's net budget for the prebudget year, after deducting from the balance any federal funds provided to a district pursuant to Pub.L.81-874, 20 U.S.C. §236 et seq. However, for any district that has an approved surplus reduction plan in accordance with the provisions of subsection d. of section 23 of P.L.1990, c.52 (C.18A:7D-29), excess surplus shall be any amount that exceeds the amount specified in the plan.
b. Each district's foundation aid for current expense and capital outlay shall be expended to provide a thorough and efficient system of education and may be used for preschool programs, full day kindergarten, school libraries, school security and other educational purposes and functions.

3. Section 6 of P.L.1990, c.52 (C.18A:7D-6) is amended to read as follows:

C.18A:7D-6 Maximum foundation budget.
6. Beginning with the 1993-94 school year, the district's maximum foundation budget shall be calculated in accordance with the following formula:

\[ MB = (F \times U) + C \]

where
MB is the maximum foundation budget;
F is the State foundation amount as defined pursuant to subsection b. of this section;
U is the number of foundation aid units for pupils in the district's resident enrollment as calculated pursuant to subsection a. of this section; and
C is the facilities component, which shall be determined by multiplying the district's adjusted resident enrollment by the facilities aid amount, as defined in subsection b. of this section.
a. For pupils in the district's resident enrollment, the number of foundation aid units shall be determined by adding the products obtained by multiplying the pupils in each grade category or program category by the appropriate foundation weight. For pupils in the resident enrollment of special needs districts and for pupils in the resident enrollment of other districts for whom the district of residence pays tuition to a special needs district, the appropriate
foundation weight for each grade category shall be multiplied by the special needs weight, which shall equal 1.05. Pupils counted in a program category shall not also be counted in a grade category.

b. As used in this section:

The State foundation amount for the 1991-92 school year shall equal $6,640.00, and thereafter shall equal the product of the State foundation amount for the prebudget year and the sum of 1.0 and the PCI.

The facilities aid amount for the 1991-1992 school year shall equal $107.00, and thereafter shall equal the product of the facilities aid amount for the prebudget year and the sum of 1.0 and the PCI.

c. For the purposes of calculating foundation aid units pursuant to this section, pupils in ungraded classes shall be assigned to the most appropriate grade category in accordance with procedures to be established by the commissioner.

d. The county vocational school program categories shall be applicable to full-time post-secondary pupils attending approved post-secondary vocational education programs operated by county vocational schools. Post-secondary vocational education programs shall be operated by county vocational schools in accordance with rules prescribed by the commissioner and approved by the State board.

e. For the 1991-92 and 1992-93 school years, each district’s maximum foundation budget shall be reduced by the amount of the anticipated pension and social security aid payable to the school district for the budget year pursuant to sections 29 and 30 of P.L.1991, c.62. For this purpose the aid payable to receiving districts on behalf
of sending districts shall be reallocated to the sending districts of residence on a per pupil basis. For this purpose aid payable pursuant to section 30 of P.L.1991, c.62 shall be estimated for each district.

4. Section 7 of P.L.1990, c.52 (C.18A:7D-7) is amended to read as follows:

C.18A:7D-7 Local fair share.
7. For districts other than county vocational school districts or county special services school districts, each school district’s local fair share shall be calculated as follows:

\[ FS = \frac{(V \times VM) + (I \times IM)}{2} \]

where

- \( FS \) is the local fair share; however, for special needs school districts, if FS is greater than the product of \( V \) and \( SV \), then FS shall equal the product of \( V \) and \( SV \);
- \( V \) is the district’s total equalized valuation;
- \( VM \) is the property value multiplier, as determined pursuant to section 8 of P.L.1990, c.52 (C.18A:7D-8);
- \( I \) is the district’s adjusted income, as determined pursuant to section 9 of P.L.1990, c.52 (C.18A:7D-9);
- \( IM \) is the income multiplier, as determined pursuant to section 8 of P.L.1990, c.52 (C.18A:7D-8); and
- \( SV \) is the product of the Statewide average equalized school tax rate for the prebudget year and 1.1765 for the 1992-93 school year, 1.1234 for the 1993-94 school year, 1.0883 for the 1994-95 school year, 1.0441 for the 1995-96 school year and 1 thereafter.

The local fair share for each county vocational or county special services school district shall be calculated by dividing the sum of the local fair shares of all other districts in the county by the sum of the maximum foundation budgets of all the districts in the county. The quotient shall be then multiplied by the county vocational or county special services school district’s maximum foundation budget as determined pursuant to section 6 of P.L.1990, c.52 (C.18A:7D-6) to obtain its local fair share.

5. Section 8 of P.L.1990, c.52 (C.18A:7D-8) is amended to read as follows:

C.18A:7D-8 Property value multiplier, income multiplier.
8. The values for the property value multiplier and the income multiplier shall be annually determined by the commissioner as follows:

The property value multiplier shall be determined such that foundation aid equals the maximum Statewide foundation aid had
foundation aid for all districts been determined according to sections 4, 6, 7 and 23 of P.L.1990, c.52 (C.18A:7D-4, 18A:7D-6, 18A:7D-7 and 18A:7D-29), had each school district’s local fair share equalled the product of the property value multiplier and the district’s equalized valuation; and had each district’s current expense and capital outlay levies equalled its local fair share.

The income multiplier shall be determined such that foundation aid equals the maximum Statewide foundation aid had foundation aid for all districts been determined according to sections 4, 6, 7 and 23 of P.L.1990, c.52 (C.18A:7D-4, 18A:7D-6, 18A:7D-7, and 18A:7D-29), had each school district’s local fair share equalled the product of the income multiplier and the district’s adjusted income, as determined pursuant to section 9 of P.L.1990, c.52 (C.18A:7D-9), and had each district’s current expense and capital outlay levies equalled its local fair share.

In the event that these multipliers, when used in accordance with the provisions of sections 4, 6, 7 and 23 of P.L.1990, c.52 (C.18A:7D-4, 18A:7D-6, 18A:7D-7 and 18A:7D-29) and assuming that each district’s current expense and capital outlay levies are equal to its local fair share, do not result in foundation aid for all districts equal to the maximum Statewide foundation aid, the commissioner shall adjust the above multipliers appropriately giving equal weight to each.

6. Section 9 of P.L.1990, c.52 (C.18A:7D-9) is amended to read as follows:

9. Each district’s adjusted income shall equal the district income, unless the district meets the conditions in subsection a.

a. If for any school district:

RV < 0.5 and RI/RV > 1.5; then the district’s adjusted income shall equal the greater of:

(1) P - ($15,000 x E); or
(2) 1.5 x RV x SI x E

where

P is the district income;
SI is the State average income per pupil, calculated by dividing total Statewide income by the Statewide resident enrollment;
RV is the ratio of district equalized valuation per pupil to the State average equalized valuation per pupil, calculated by dividing the district’s equalized valuation per pupil by the Statewide equalized valuation per pupil;
RI is the ratio of district income per pupil to the Statewide average income per pupil, calculated by dividing the district’s income per pupil by the State average income per pupil; and

E is resident enrollment.

b. As used in this section:

“District income per pupil” equals the district income divided by the resident enrollment;

“Equalized valuation per pupil” equals the district’s equalized valuation divided by the resident enrollment;

“State average equalized valuation per pupil” equals the Statewide equalized valuation divided by the resident enrollment of all school districts in the State.

R is the number of pupil units for at-risk pupils as determined as follows:

The number of pupil units shall be determined by multiplying the number of pupils eligible for free meals or free milk in each grade category by the appropriate weight.

<table>

<tr>
<th>Grade</th>
<th>Weight</th>

19. Section 85 of P.L.1990, c.52 (C.18A:7D-28) is amended to read as follows:

85. a. “Maximum permissible net budget” means the amount calculated as follows:

\[ PNB = PCI \times PR \times PBY \]
where

PNB is the maximum permissible increase in the net budget for the budget year;

PCI is the average annual percentage increase in per capita income as defined in section 3 of P.L.1990, c.52 (C.18A:7D-3);

PR is \( 1.7442 - (0.6460 \times BR) \), however PR shall not be greater than 1.1628 or less than 0.9690;

BR is the ratio of the district's local levy budget of the prebudget year to the district's maximum foundation budget for the budget year as determined pursuant to section 6 of P.L.1990, c.52 (C.18A:7D-6); and

PBY is the net budget for the prebudget year.

b. In determining a district's maximum permissible net budget for the 1991-92 school year, the district's net budget for the 1990-91 school year shall be increased by the amount of any current expense or capital outlay surplus which was appropriated in the district's 1990-91 annual school budget.

c. Annually through the 1995-96 school year for each special needs district, the commissioner shall calculate an equity spending cap which shall provide for a percentage increase in the district's budget that, if sustained for each year through the 1995-96 school year, would result in the per pupil budget of the special needs district equalling the average per pupil budget of the districts included in the Department of Education's district factor groups I and J. The equity spending cap shall also allow for those budget items included in the net budget, but excluded from the local levy budget, to grow annually at the PCI or CPI, as appropriate. To ensure equity, the commissioner shall also adjust the calculation of the equity cap, when necessary, to account for the payment of teacher pension and social security aid.

As used in this subsection:

CPI is the consumer price index as defined in section 3 of P.L.1990, c.52 (C.18A:7D-3);

PCI is the average annual percentage increase in per capita income as defined in section 3 of P.L.1990, c.52 (C.18A:7D-3); and

Per pupil budget is the budget divided by the resident enrollment.

d. If, for any year, a special needs district's equity spending cap determined by the commissioner pursuant to subsection c. of this section exceeds the maximum permissible increase in the net budget as determined pursuant to subsection a. of this section, the district may increase its net budget in accordance with the equity spending cap.

e. A board of education of a school district which: (1) for the two years prior to the prebudget year, has had an annual average increase
in the district's resident enrollment which is greater than two percent; or (2) between the prebudget year and the year prior to the prebudget year, has had an increase in the district's local cost for special education pupils which is greater than five percent; or (3) during the 1990-91 school year but prior to April 1, 1991, has entered into a lease purchase agreement, may apply to the Commissioner of Education for a waiver of the expenditure limitation established pursuant to this section. A board of education of a school district that sends pupils and pays tuition to a special needs district may apply to the Commissioner of Education for a waiver of the expenditure limitation established pursuant to this section. Any waiver granted by the commissioner pursuant to this subsection shall not be included in the question on excess expenditures which is to be submitted to the voters of the district pursuant to subsection f. of this section.

f. Any school district may submit a proposal to raise the amount of tax levy necessary to exceed the maximum permissible net budget permitted by this section to the legal voters of the district for type II school districts without a Board of School Estimate and to the Board of School Estimate for those school districts with a Board of School Estimate as required during the school budget approval process pursuant to chapters 22 and 54 of Title 18A of the New Jersey Statutes and section 13 of P.L.1971, c.271 (C.18A:46-41). The proposal to raise additional tax levy to exceed the maximum permissible net budget shall be in addition to the amounts required to be approved for each school district in accordance with chapters 22 and 54 of Title 18A of the New Jersey Statutes and section 13 of P.L.1971, c.271 (C.18A:46-41). In the event that a school district's proposal to raise the tax levy to exceed the maximum permissible net budget is not approved in accordance with the budget approval process set forth in chapter 22 of Title 18A of the New Jersey Statutes for type II districts and for type I districts, chapter 54 of Title 18A of the New Jersey Statutes for county vocational school districts and section 13 of P.L.1971, c.271 (C.18A:46-41) for county special services school districts, that disapproval shall be deemed final and shall not be subject to further review or appeal.

Beginning on October 1, 1991 and annually thereafter, the Treasurer shall advise the commissioner and each special needs school district of the amount of funds being held in escrow for each school district. A special needs school district may, with the approval of the commissioner, withdraw and expend funds from its escrow account at any time upon presentation to the commissioner of a plan for the use of the funds for operating expenses or for the renovation and repair of educational facilities.

of or provision for payments, costs or expenses in connection with any of the aforesaid. A copy of any such agreement shall be filed in the office of the commissioner.

36. Each State college operating a college demonstration school or classes for handicapped children shall be paid State aid for one-half of the costs of operating the educational program less the special education aid payable, pursuant to section 14 of P.L.1990, c.52 (C.18A:7D-16), to the district in which the State college demonstration school is located.

The director shall certify that each municipality has complied with this section. If the director finds that State aid provided pursuant to this act is not used by a municipality solely and exclusively to reduce the amount required to be raised by local property tax levy, the director shall direct that the municipal governing body make corrections to its budget.

C.52:27D-118.41 Fund recipients may anticipate State aid.

10. Notwithstanding any provisions of the “Local Budget Law,” N.J.S.40A:4-1 et seq., any municipality that receives funds pursuant to this act may anticipate the receipt of the amount of State aid as shall be certified to it by the director and may file any amendment or corrections in its local budget as may be required to properly reflect that State aid.

13. Any municipality that levies school taxes on a school year basis either pursuant to N.J.S.18A:22-15 and 18A:22-17 or N.J.S.18A:22-34 shall defer from the 1991 municipal purposes property tax levy at least 25% of an amount allowable to be deferred as shall be determined by the Director of the Division of Local Government Services in the Department of Community Affairs and shall defer from such levy in each of the next three years the remainder of such amount in a manner as shall be determined by the director. The proceeds of any fiscal year adjustment bonds shall be considered as anticipated revenues applicable to the expenditures for which appropriations are made in the transition year budget. In anticipation of the issuance of the bonds, bond anticipation notes may be issued in an amount not to exceed the estimate of the deficit in the transition year budget as determined by the director. The last named item may be further subdivided so as to show the amount for each of the several departments of the municipal government. In lieu of printing such information on the tax bill, any municipality may furnish the tabulation required hereunder and any other pertinent information in a statement accompanying the mailing or delivery of the tax bill.

The tax bill shall also contain a statement reporting amounts of State aid and assistance received by the municipality, school districts, special districts and county governments used to offset local tax levies. c. In municipalities with a January 1 through December 31 fiscal year, the dates hereinbefore provided for payment of the first and second installments of taxes being before the true amount of the tax will have been determined, the amount to be payable as each of the first two installments shall be one-quarter of the total tax finally levied against the same property or taxpayer for the preceding year, or, if directed to do so for the tax year by resolution of the municipal governing body, one-half of the tax levied for the second half of the preceding tax year, as appropriate; and the amount to be payable for the third and fourth installments shall be the full tax as levied for the current year, less the amount charged as the first and second installments; the amount thus found to be payable as the last two installments shall be divided equally for and as each installment. An appropriate adjustment by way of discount shall be made, if it shall
appear that the total of the first and second installments exceeded one-half of the total tax as levied for the year;

d. In municipalities that operate on the State fiscal year, there shall be two annual tax bills delivered and the amounts payable shall be as follows:

1. In the tax year in which the fiscal year is changed, a tax bill shall be delivered on or before June 14 of the tax year for the third and fourth installments. The amount to be payable for the two installments shall be 50% of the full tax levied against the same property or taxpayer for municipal purposes in the preceding tax year, plus the full tax as levied for the current tax year for county, school and other purposes, excepting municipal purposes, less the amount charged as the first and second installments for county, school and other purposes, excepting municipal purposes; the amount found to be payable shall be divided equally for each installment.

2. Thereafter, in each tax year a tax bill shall be delivered on or before October 1 of the pre-tax year for the first and second installments of the tax year and on or before June 14 for the third and fourth installments. The amount to be payable for the first two installments shall be the full tax levied for municipal purposes against the property or taxpayer for the current municipal fiscal year less the amount charged for municipal purposes as the third and fourth installments in the preceding tax year, plus one-half of the total tax levied against the property or taxpayer for county, school and other purposes, excepting municipal purposes, in the preceding tax year. The amount so derived shall be divided equally for each installment. The amount payable for the third and fourth installments shall be 50% of the full tax levied for municipal purposes against the property or taxpayer for the preceding municipal fiscal year, plus the full tax as levied for the current tax year for county, school and other purposes, excepting municipal purposes, less the amount charged as the first and second installments for county, school and other purposes, excepting municipal purposes. The amount so derived shall be divided equally for each installment. An appropriate adjustment by way of discount shall be made if it appears that the total of that portion of the first two installments which is taxes for county, school or other purposes, excepting municipal purposes, exceeded one-half of the total tax for those purposes as levied for the tax year;

e. Taxes may be received and credited as payments at any time, even prior to the dates hereinbefore fixed for payment.

1. a. A person who is at least 18 years of age who knowingly uses, solicits, directs, hires or employs a person who is in fact 17 years of age or younger to commit theft of an automobile is guilty of a crime of the second degree. Notwithstanding the provisions of N.J.S.2C:1-8, a conviction under this section shall not merge with a conviction for theft of an automobile. Nothing contained in this act shall prohibit the court from imposing an extended term pursuant to N.J.S.2C:43-7; nor shall this act be construed in any way to preclude or limit the prosecution or conviction of any person for conspiracy under N.J.S.2C:5-2, or any prosecution or conviction for any other offense.

b. It shall be no defense to a prosecution under this section that the actor mistakenly believed that the person which the actor used, solicited, directed, hired or employed was older than 17 years of age, even if such mistaken belief was reasonable.

2. This act shall take effect immediately.

Approved April 2, 1991.

CHAPTER 82

AN ACT creating the offense of leader of auto theft trafficking network and supplementing Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.2C:20-18 Leader of auto theft trafficking network, penalty.

1. A person is a leader of an auto theft trafficking network if he conspires with others as an organizer, supervisor, financier or manager, to engage for profit in a scheme or course of conduct to unlawfully take, dispose of, distribute, bring into or transport in this State automobiles as stolen property. Leader of auto theft trafficking network is a crime of the second degree. Notwithstanding the provisions of subsection a. of N.J.S.2C:43-3, the court may impose a fine not to exceed $250,000.00 or five times the retail value of the automobiles seized at the time of the arrest, whichever is greater.

Notwithstanding the provisions of N.J.S.2C:1-8, a conviction of leader of auto theft trafficking network shall not merge with the conviction for any offense which is the object of the conspiracy. Nothing contained in this act shall prohibit the court from imposing an extended term pursuant to N.J.S.2C:43-7; nor shall this act be construed in any way to preclude or limit the prosecution or conviction of any person for conspiracy under N.J.S.2C:5-2, or any prosecution or conviction for any other offense.

It shall not be necessary in any prosecution under this act for the State to prove that any intended profit was actually realized. The trier of fact may infer that a particular scheme or course of conduct was undertaken for profit from all of the attending circumstances, including but not limited to the number of persons involved in the scheme or course of conduct, the actor's net worth and his expenditures in relation to his legitimate sources of income, the number of automobiles involved, or the amount of cash or currency involved.

It shall not be a defense to a prosecution under this act that the automobile was brought into or transported in this State solely for ultimate distribution in another jurisdiction; nor shall it be a defense that any profit was intended to be made in another jurisdiction.

2. This act shall take effect immediately.

Approved April 2, 1991.

CHAPTER 83

AN ACT concerning automobile theft, amending P.L.1982, c.77 and supplementing Title 2C of the New Jersey Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2C:20-2.1 Additional penalties for auto theft.

1. a. In addition to any other disposition authorized by law, a person convicted under the provisions of N.J.S.2C:20-2 of theft of an automobile shall be subject:

(1) For the first offense, to a penalty of $500.00 and to the suspension or postponement of the person’s license to operate a motor vehicle over the highways of this State for a period of one year.

(2) For a second offense, to a penalty of $750.00 and to the suspension or postponement of the person’s license to operate a motor vehicle over the highways of this State for a period of two years.

(3) For a third or subsequent offense, to a penalty of $1,000.00, and to the suspension or postponement of the person’s license to operate a motor vehicle over the highways of this State for 10 years.

b. The suspension or postponement of the person’s license to operate a motor vehicle pursuant to subsection a. of this section shall commence on the day the sentence is imposed. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the period of the suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period as fixed by the court of one year for a first offense, two years for a second offense or 10 years for a third offense calculated from the day after the day the person reaches the age of 17 years. If the driving privilege of any person is under revocation, suspension, or postponement for a violation of any provision of this Title or Title 39 of the Revised Statutes at the time of any conviction or adjudication of delinquency for a violation of any offense defined in this chapter or chapter 36 of this Title, the revocation, suspension, or postponement period imposed herein shall commence as of the date of termination of the existing revocation, suspension, or postponement.

Upon conviction the court shall collect forthwith the New Jersey driver’s licenses of the person and forward such license or licenses to the Director of the Division of Motor Vehicles along with a report indicating the first and last day of the suspension or postponement period imposed by the court pursuant to this section. If the court is for any reason unable to collect the license or licenses of the person, the court shall cause a report of the con-
viction or adjudication of delinquency to be filed with the director. That report shall include the complete name, address, date of birth, eye color, and sex of the person and shall indicate the first and last day of the suspension or postponement period imposed by the court pursuant to this section. The court shall inform the person orally and in writing that if the person is convicted of personally operating a motor vehicle during the period of license suspension or postponement imposed pursuant to this section the person shall, upon conviction, be subject to the penalties set forth in R.S.39:3-40. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. If the person is the holder of a driver's license from another jurisdiction, the court shall not collect the license but shall notify the director who shall notify the appropriate officials in the licensing jurisdiction. The court shall, however, in accordance with the provisions of this section, revoke the person's non-resident driving privileges in this State.

c. All penalties provided for in this section shall be collected as provided for the collection of fines and restitutions in section 3 of P.L.1979, c.396 (C.2C:46-4), and shall be distributed in accordance with the provisions of N.J.S.2C:64-6 as if the collected monies were the proceeds of property forfeited pursuant to the provisions of chapter 64. However, the distributed monies are to be used for law enforcement activities related to auto theft.

C.2C:20-2.2 Additional fine for auto theft.

2. Notwithstanding the provisions of N.J.S.2C:43-3, if the fair market value of the automobile and its contents at the time it was stolen exceeds $7,500.00 and the automobile is not recovered, the court may sentence the defendant to pay a fine for that higher amount.

3. Section 7 of P.L.1982, c.77 (C.2A:4A-26) is amended to read as follows:

C.2A:4A-26 Referral to another court without juvenile's consent.

7. Referral to another court without juvenile's consent.

a. On motion of the prosecutor, the court shall, without the consent of the juvenile, waive jurisdiction over a case and refer that case from the family court to the appropriate court and prosecuting authority having jurisdiction if it finds, after hearing, that:
CHAPTER 83, LAWS OF 1991 305

(1) The juvenile was 14 years of age or older at the time of the charged delinquent act; and

(2) There is probable cause to believe that the juvenile committed a delinquent act or acts which if committed by an adult would constitute:

(a) Criminal homicide other than death by auto, strict liability for drug induced deaths, pursuant to N.J.S.2C:35-9, robbery which would constitute a crime of the first degree, aggravated sexual assault, sexual assault, aggravated assault which would constitute a crime of the second degree, kidnapping or aggravated arson; or

(b) A crime committed at a time when the juvenile had previously been adjudicated delinquent, or convicted, on the basis of any of the offenses enumerated in subsection a. (2) (a); or

(c) A crime committed at a time when the juvenile had previously been sentenced and confined in an adult penal institution; or

(d) An offense against a person committed in an aggressive, violent and willful manner, other than an offense enumerated in subsection a. (2) of this section, or the unlawful possession of a firearm, destructive device or other prohibited weapon, arson or death by auto if the juvenile was operating the vehicle under the influence of an intoxicating liquor, narcotic, hallucinogenic or habit producing drug; or

(e) A violation of N.J.S.2C:35-3, N.J.S.2C:35-4, or N.J.S.2C:35-5; or

(f) Crimes which are a part of a continuing criminal activity in concert with two or more persons and the circumstances of the crimes show the juvenile has knowingly devoted himself to criminal activity as a source of livelihood; or

(g) An attempt or conspiracy to commit any of the acts enumerated in paragraph (a), (d) or (e) of this subsection; or

(h) Theft of an automobile pursuant to chapter 20 of Title 2C of the New Jersey Statutes; and

(3) Except with respect to any of the acts enumerated in subsection a. (2) (a) of this section, or with respect to any acts enumerated in subparagraph (e) of paragraph (2) of subsection a. of this section which involve the distribution for pecuniary gain of any controlled dangerous substance or controlled substance analog while on any property used for school purposes which is owned by or leased to any school or school board, or within 1,000 feet of such school property or while on any school bus, or any attempt or conspiracy to commit any of those acts, the State has shown that the nature and circumstances of the charge or the prior record of the juvenile are sufficiently serious that the interests of the public require waiver.

However, if in any case the juvenile can show that the probability of his rehabilitation by the use of the procedures, services and facilities
available to the court prior to the juvenile reaching the age of 19 substantially outweighs the reasons for waiver, waiver shall not be granted.

b. In every case where there is a motion seeking waiver, the prosecutor shall within a reasonable time thereafter file a statement with the Attorney General setting forth the basis for the motion. In addition, the court shall, in writing, state its reasons for granting or denying the waiver motion. The Attorney General shall compile this information and report its findings to the Legislature 18 months after the effective date of this act with the objective of developing, where appropriate, guidelines as to the waiver of juveniles from the family court.

c. An order referring a case shall incorporate therein not only the alleged act or acts upon which the referral is premised, but also all other delinquent acts arising out of or related to the same transaction.

d. A motion seeking waiver shall be filed by the prosecutor within 30 days of receipt of the complaint. This time limit shall not, except for good cause shown, be extended.

4. This act shall take effect immediately.

Approved April 2, 1991.

The department may monitor the discharger's compliance with any such directive. Any discharger who fails to comply with such a directive shall be liable to the department in an amount equal to three times the cost of such removal, and shall be subject to the revocation or suspension of any license or permit he holds authorizing him to operate a hazardous or solid waste disposal facility.

Removal of hazardous substances and actions to minimize damage from discharges shall, to the greatest extent possible, be in accordance with the National Contingency Plan for removal of oil and hazardous substances established pursuant to section 311(c)(2) of the federal Water Pollution Control Act Amendments of 1972 (Pub.L.92-500, 33 U.S.C.§1251 et seq.).

Whenever the department acts to remove a discharge or contracts to secure prospective removal services, it is authorized to draw upon the money available in the fund. Such money shall be used to pay promptly for all cleanup costs incurred by the department in removing or in minimizing damage caused by such discharge.

The department may agree to defend and indemnify a contractor against claims, causes of action, demands, costs, or judgments made against a contractor arising as a direct result of the contractor's provision of hazardous substance cleanup or mitigation
services pursuant to a contract with the department. This legal defense and indemnification shall not apply to claims, causes of action, demands, costs, or judgments which are proven to have arisen from gross negligence, willful misconduct, fraud, intentional tort, bad faith, or criminal misconduct, or to claims for punitive or exemplary damage. The department shall agree to provide legal defense and indemnification to a contractor only if it determines that adequate environmental liability insurance is not available or not available at a reasonable cost to the contractor. The department shall agree to provide legal defense and indemnification to a contractor pursuant to terms and limitations which it deems appropriate. Any agreement by the department to defend or indemnify a contractor shall not bar the department from the exercise of any available legal remedies for the enforcement of the contract between the department and the contractor, the recovery of damages to which the department may be entitled resulting from a contractor's failure to perform the contract, or for the recovery of funds expended for the defense of a contractor if the defense was undertaken in response to a claim or cause of action brought against the contractor which is proven to have arisen from gross negligence, willful misconduct, fraud, intentional tort, bad faith, or criminal misconduct. No person other than a contractor shall have the right to enforce any agreement for defense and indemnification between a contractor and the department. The department shall not enter into an agreement to provide legal defense and indemnification to a contractor after January 1, 1990. For the purposes of this subsection, "contractor" means a person providing services to mitigate or clean up a discharge or release or threatened discharge or release of a hazardous substance in this State pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.) or the "Comprehensive Environmental Response, Compensation and Liability Act of 1980," Pub.L.96-510 (42 U.S.C.§9601 et seq.).

Nothing in this section is intended to preclude removal and cleanup operations by any person threatened by such discharges, provided such persons coordinate and obtain approval for such actions with ongoing State or federal operations. No action taken by any person to contain or remove a discharge shall be construed as an admission of liability for said discharge. No person who renders assistance in containing or removing a discharge shall be liable for any civil damages to third parties resulting solely from acts or omissions of such person in rendering such assistance, except for acts or omissions of gross negligence or willful misconduct. In the course of cleanup operations, no person shall discharge any detergent into the waters of this State without prior authorization of the commissioner.
b. Notwithstanding any other provisions of P.L.1976, c.141 (C.58:10-23.11 et seq.), the department, subject to the approval of the administrator with regard to the availability of funds therefor, or a local unit as part of an emergency response action and with the approval of the department, may remove or arrange for the removal of any hazardous substance which:

(1) Has not been discharged from a grounded or disabled vessel, if the department determines that such removal is necessary to prevent an imminent discharge of such hazardous substance; or

(2) Has not been discharged, if the department determines that such substance is not satisfactorily stored or contained and said substance possesses any one or more of the following characteristics:

(a) Explosiveness;
(b) High flammability;
(c) Radioactivity;
(d) Chemical properties which in combination with any discharged hazardous substance at the same storage facility would create a substantial risk of imminent damage to public health or safety or an imminent and severe damage to the environment;
(e) Is stored in a container from which its discharge is imminent as a result of contact with a hazardous substance which has already been discharged and such additional discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or
(f) High toxicity and is stored or being transported in a container or motor vehicle, truck, railcar or other mechanized conveyance from which its discharge is imminent as a result of the significant deterioration or the precarious location of the container, motor vehicle, truck, railcar or other mechanized conveyance, and such discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(3) Has been discharged prior to the effective date of P.L.1976, c.141.

c. If and to the extent that he determines that funds are available, the administrator shall approve and make payments for any cleanup and removal costs incurred by the department for the removal of a hazardous substance other than petroleum as authorized by subsection b. of this section; provided that in determining the availability of funds, the administrator shall not include as available funds revenues realized or to be realized from the tax on the transfer of petroleum, to the extent that such revenues result from a tax levied at a rate in
excess of $0.01 per barrel, pursuant to subsection b. of section 9 of
P.L.1976, c.141 (C.58:10-23.11h), unless the administrator deter-
mines that the sum of claims paid by the fund on behalf of petroleum
discharges or removals plus pending reasonable claims against the
fund on behalf of petroleum discharges or removals is greater than
30% of the sum of all claims paid by the fund plus all pending rea-
sonable claims against the fund.

d. The administrator may only approve and make payments for
any cleanup and removal costs incurred by the department for the
removal of a hazardous substance discharged prior to the effective
date of P.L.1976, c.141, pursuant to subsection b. of this section,
if, and to the extent that, he determines that adequate funds from
another source are not or will not be available; and provided fur-
ther, with regard to the cleanup and removal costs incurred for
discharges which occurred prior to the effective date of P.L.1976,
c.141, the administrator may not during any one-year period pay
more than $18,000,000.00 in total or more than $3,000,000.00 for
any discharge or related set or series of discharges.

e. Notwithstanding any other provisions of P.L.1976, c.141, the
administrator, after considering, among any other relevant factors,
the department’s priorities for spending funds pursuant to
P.L.1976, c.141, and within the limits of available funds, shall
make payments for the restoration or replacement of, or connection
to an alternative water supply for, any private residential well
destroyed, contaminated, or impaired as a result of a discharge
prior to the effective date of P.L.1976, c.141; provided, however,
total payments for said purpose shall not exceed $500,000.00 for
the period between the effective date of this subsection e. and Janu-
ary 1, 1983, and in any calendar year thereafter.

f. Any expenditures made by the administrator pursuant to
this act shall constitute, in each instance, a debt of the discharger
to the fund. The debt shall constitute a lien on all property owned
by the discharger when a notice of lien, incorporating a descrip-
tion of the property of the discharger subject to the cleanup and
removal and an identification of the amount of cleanup, removal
and related costs expended from the fund, is duly filed with the
clerk of the Superior Court. The clerk shall promptly enter upon
the civil judgment or order docket the name and address of the
discharger and the amount of the lien as set forth in the notice of
lien. Upon entry by the clerk, the lien, to the amount committed
by the administrator for cleanup and removal, shall attach to the
revenues and all real and personal property of the discharger, whether or not the discharger is insolvent.

The notice of lien filed pursuant to this subsection which affects the property of a discharger subject to the cleanup and removal of a discharge shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this notice of lien shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this notice of lien. The notice of lien filed pursuant to this subsection which affects any property of a discharger, other than the property subject to the cleanup and removal, shall have priority from the day of the filing of the notice of the lien over all other claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this subsection.

g. In the event a vessel discharges a hazardous substance into the waters of the State, the cleanup and removal and related costs resulting from that discharge that constitute a maritime lien on the discharging vessel pursuant to 33 U.S.C. §1321 or any other law, may be recovered by the Department of Environmental Protection in an action in rem brought in the district court of the United States. An impoundment of a vessel resulting from this action shall continue until:

(1) the claim against the owner or operator of the vessel for the cleanup and removal and related costs of the discharge is satisfied;

(2) the owner or operator of the vessel, or a representative of the owner or operator, provides evidence of financial responsibility as provided in section 2 of P.L.1991, c.58 (C.58:10-23.11g2) and satisfactorily guarantees that these costs will be paid; or

(3) the impoundment is otherwise vacated by a court order.

The remedy provided in this subsection is in addition to any other remedy or enforcement power that the department may have under any other law.

Any action brought by the State pursuant to this subsection and any impoundment of a vessel resulting therefrom shall not subject the State to any liability to any person harmed thereby or cause the State to be in any way liable for a subsequent or continued discharge of a hazardous substance from that vessel.

4. Section 8 of P.L.1976, c.141 (C.58:10-23.11g) is amended to read as follows:
C.58:10-23.11g Liability for cleanup and removal costs.

8. a. The fund shall be strictly liable, without regard to fault, for all cleanup and removal costs and for all direct and indirect damages no matter by whom sustained, including but not limited to:

(1) The cost of restoring, repairing, or replacing any real or personal property damaged or destroyed by a discharge, any income lost from the time such property is damaged to the time such property is restored, repaired or replaced, and any reduction in value of such property caused by such discharge by comparison with its value prior thereto;

(2) The cost of restoration and replacement, where possible, of any natural resource damaged or destroyed by a discharge;

(3) Loss of income or impairment of earning capacity due to damage to real or personal property, including natural resources destroyed or damaged by a discharge; provided that such loss or impairment exceeds 10% of the amount which claimant derives, based upon income or business records, exclusive of other sources of income, from activities related to the particular real or personal property or natural resources damaged or destroyed by such discharge during the week, month or year for which the claim is filed;

(4) Loss of tax revenue by the State or local governments for a period of one year due to damage to real or personal property proximately resulting from a discharge;

(5) Interest on loans obtained or other obligations incurred by a claimant for the purpose of ameliorating the adverse effects of a discharge pending the payment of a claim in full as provided by this act.

b. The damages which may be recovered by the fund, without regard to fault, subject to the defenses enumerated in subsection d. of this section against the owner or operator of a major facility or vessel, shall not exceed $50,000,000.00 for each major facility or $150.00 per gross ton for each vessel, except that such maximum limitation shall not apply and the owner or operator shall be liable, jointly and severally, for the full amount of such damages if it can be shown that such discharge was the result of (1) gross negligence or willful misconduct, within the knowledge and privity of the owner, operator or person in charge, or (2) a gross or willful violation of applicable safety, construction or operating standards or regulations. Damages which may be recovered from, or by, any other person shall be limited to those authorized by common or statutory law.

c. (1) Any person who has discharged a hazardous substance, or is in any way responsible for any hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all
cleanup and removal costs no matter by whom incurred. Such person shall also be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs incurred by the department or a local unit pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.11f).

(2) In addition to the persons liable pursuant to paragraph (1) of this subsection, in the case of a discharge of a hazardous substance from a vessel into the waters of the State, the owner or operator of a refinery, storage, transfer, or pipeline facility to which the vessel was en route to deliver the hazardous substance who, by contract, agreement, or otherwise, was scheduled to assume ownership of the discharged hazardous substance, and any other person who was so scheduled to assume ownership of the discharged hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs if the owner or operator of the vessel did not have the evidence of financial responsibility required pursuant to section 2 of P.L.1991, c.58 (C.58:10-23.11g2).

Where a person is liable for cleanup and removal costs as provided in this paragraph, any expenditures made by the administrator for that cleanup and removal shall constitute a debt of that person to the fund. The debt shall constitute a lien on all property owned by that person when a notice of lien identifying the nature of the discharge and the amount of the cleanup, removal and related costs expended from the fund is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the liable person and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and removal, shall attach to the revenues and all real and personal property of the liable person, whether or not that person is insolvent.

For the purpose of determining priority of this lien over all other claims or liens which are or have been filed against the property of an owner or operator of a refinery, storage, transfer, or pipeline facility, the lien on the facility to which the discharged hazardous substance was en route shall have priority over all other claims or liens which are or have been filed against the property. The notice of lien filed pursuant to this paragraph which affects any property of a person liable pursuant to this paragraph other than the property of an owner or operator of a refinery, storage, transfer, or pipeline facility to which the discharged hazardous substance was en route, shall have priority from the day of the filing of the notice of the lien over all claims and liens filed against the property,
but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this paragraph.

To the extent that a person liable pursuant to this paragraph is not otherwise liable pursuant to paragraph (1) of this subsection, or under any other provision of law or under common law, that person may bring an action for indemnification for costs paid pursuant to this paragraph against any other person who is strictly liable pursuant to paragraph (1) of this subsection.

Nothing in this paragraph shall be construed to extend or negate the right of any person to bring an action for contribution that may exist under P.L.1976, c.141, or any other act or under common law.

d. An act or omission caused solely by war, sabotage, or God, or a combination thereof, shall be the only defenses which may be raised by any owner or operator of a major facility or vessel responsible for a discharge in any action arising under the provisions of this act.

5. Section 16 of P.L.1976, c.141 (C.58:10-23.11o) is amended to read as follows:

C.58:10-23.11o Disbursement of moneys from fund; purposes.

16. Moneys in the New Jersey Spill Compensation Fund shall be disbursed by the administrator for the following purposes and no others:

(1) Costs incurred under section 7 of P.L.1976, c.141 (C.58:10-23.11f);

(2) Damages as defined in section 8 of P.L.1976, c.141 (C.58:10-23.11g);

(3) Such sums as may be necessary for research on the prevention and the effects of spills of hazardous substances on the marine environment and on the development of improved cleanup and removal operations as may be appropriated by the Legislature; provided, however, that such sums shall not exceed the amount of interest which is credited to the fund;

(4) Such sums as may be necessary for the boards, general administration of the fund, equipment and personnel costs of the department and any other State agency related to the enforcement of P.L.1976, c.141, including any costs incurred by the department pursuant to P.L.1990, c.78 or pursuant to any other law designed to prevent the discharge of a hazardous substance, as may be appropriated by the Legislature;

(5) Such sums as may be appropriated by the Legislature for research and demonstration programs concerning the causes and abatement of
ocean pollution; provided, however, that such sums shall not exceed the amount of interest which is credited to the fund;

(6) Such sums as may be requested by the commissioner, up to a limit of $400,000.00 per year, to cover the costs associated with the administration of the “Environmental Cleanup Responsibility Act,” P.L.1983, c.330 (C.13:1K-6 et seq.);

(7) Costs attributable to the department’s obligation to defend and indemnify a contractor pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f), subject to the appropriation by law of moneys from the General Fund to the fund to defray these costs;

(8) Administrative costs incurred by the department to implement the provisions of P.L.1977, c.74 (C.58:10A-1 et seq.), as amended and supplemented by P.L.1990, c.28, on a timely basis, except that the amounts used for this purpose shall not exceed $2,000,000. Any moneys disbursed by the department from the fund for this purpose shall be repaid to the fund in equal amounts from the penalties collected by the department pursuant to P.L.1977, c.74 and P.L.1990, c.28, in annual installments beginning July 1, 1991 and annually thereafter until the full amount is repaid according to a schedule of repayments determined by the State Treasurer;

(9) Such sums as may be necessary to reimburse a local unit for costs incurred in an emergency response action taken to prevent, contain, mitigate, clean up or remove a discharge of a hazardous substance.

The Treasurer may invest and reinvest any moneys in said fund in legal obligations of the United States, this State or any of its political subdivisions. Any income or interest derived from such investment shall be included in the fund.

6. Section 18 of P.L.1976, c.141 (C.58:10-23.11q) is amended to read as follows:

C.58:10-23.11q Payment of cleanup costs or damages arising from single incident.

18. Payment of any cleanup costs or damages by the fund arising from a single incident shall be conditioned upon the administrator acquiring by subrogation all rights of the claimant to recovery of such costs or damages from the discharger or other responsible party. The administrator shall then seek satisfaction from the discharger or other responsible party in the Superior Court if the discharger or other responsible party does not reimburse the fund. In any such suit, except as provided by subsection d. of section 8 of P.L.1976, c.141 (C.58:10-23.11g.), the administrator need prove only that an unlawful discharge occurred which was the responsibility of the discharger or other responsible party...
or that a hazardous substance was removed pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.11f) for which the person was in any way responsible. The administrator is hereby authorized and empowered to compromise and settle the amount sought for costs and damages from the discharger or other responsible party and any penalty arising under this act.

7. Within one year of the effective date of this act, the administrator shall submit a status report on the implementation of the claims procedures established pursuant to section 1 of P.L.1991, c.85 (C.58:10-23.11k1) to the Assembly Energy and Environment Committee and the Senate Environmental Quality Committee, or their successors. The report shall include all claims made by local government units during the year, the amount of the claims, and how and the period within which the claims were settled. The report shall evaluate the procedures established for processing claims by local units pursuant to section 1 of P.L.1991, c.85 (C.58:10-23.11k1), and may include such recommendations for changes thereto as the department may deem appropriate.

8. This act shall take effect immediately.

Approved April 4, 1991.

CHAPTER 89

AN ACT concerning property tax quarterly payment amounts billed by certain municipalities of the State, amending R.S.54:4-64, R.S.54:4-65 and R.S.54:4-66 and supplementing Title 54 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.54:4-64 is amended to read as follows:

Delivery of tax bills.

54:4-64. a. As soon as the tax duplicate is delivered to the collector of the taxing district, as provided in R.S.54:4-55, he shall at once begin the work of preparing, completing, mailing or otherwise delivering tax bills to the individuals assessed, and shall complete that work at least 47 days before the third installment of taxes falls due. He shall also, at least two months before the first installment of taxes for the year falls due, prepare and mail, or otherwise deliver to the individuals assessed, a tax bill for such following first and second installments, computed by using one-half of the complete tax last previously levied or by using the second half of that tax previously levied, if directed to do so by resolution of the municipal governing body for the tax year. When any individual assessed has authorized the collector to mail or otherwise deliver his tax bill to a mortgagee or any other agent, the collector shall, at the
same time, mail or otherwise deliver a duplicate tax bill to the individual assessed and shall print across the face of such duplicate tax bill the following inscription: "This is not a bill -- for advice only." The validity of any tax or assessment, or the time at which it shall be payable, shall not be affected by the failure of a taxpayer to receive a tax bill, but every taxpayer is put on notice to ascertain from the proper official of the taxing district the amount which may be due for taxes or assessments against him or his property.

b. As provided in subsection a. of this section, a mortgagor as the individual assessed for property taxes or other municipal charges with respect to the property securing a mortgage loan, may authorize the tax collector to mail or otherwise deliver his tax bill to a mortgagee or servicing organization. This tax authorization form shall be assignable in the event the mortgagee or servicing organization sells, assigns or transfers the servicing of the mortgage loan to another mortgagee or servicing organization.

c. The tax collector of the taxing district shall, upon receipt of a written request from a mortgagee or servicing organization on a form approved by the commissioner, mail or otherwise deliver a mortgagor's tax bill to a property tax processing organization. The commissioner shall provide by regulation for a procedure by which the tax collector of a taxing district may request the Director of the Division of Local Government Services in the Department of Community Affairs to review the appropriateness of the request to mail or otherwise deliver a mortgagor's tax bill to a property tax processing organization.

d. If a mortgagee, servicing organization, or property tax processing organization requests a duplicate copy of a tax bill, the tax collector of a taxing district shall issue a duplicate copy and may charge a maximum of $5 for the first duplicate copy and a maximum of $25 for each subsequent duplicate copy of the same tax bill in the same tax year, the actual charge being set by municipal ordinance. The commissioner shall promulgate regulations to effectuate the provisions of this subsection d. which regulations shall include a procedure by which a mortgagee, servicing organization, or property tax processing organization may appeal and be reimbursed for the amount it has paid for a duplicate copy of a tax bill, or any part thereof.

e. As used in subsections b., c., and d. of this section, "mortgagee," "mortgagor," "mortgage loan," "servicing organization" and "property tax processing organization" shall have the same meaning as the terms have pursuant to section 1 of P.L.1990, c.69 (C.17:16F-15).

2. R.S.54:4-65 is amended to read as follows:
Brief tabulation on tax bills to indicate expenditures.

54:4-65. Each tax bill shall have printed thereon a brief tabulation showing the distribution of the amount raised by taxation in the taxing district, in such form as to disclose the rate per $100.00 of assessed valuation or the number of cents in each dollar paid by the taxpayer which is to be used for the payment of State school taxes, other State taxes, county taxes, local school expenditures and other local expenditures. The last named item may be further subdivided so as to show the amount for each of the several departments of the municipal government. In lieu of printing such information on the tax bill, any municipality may furnish the tabulation required hereunder and any other pertinent information in a statement accompanying the mailing or delivery of the tax bill.

Also included with the annual tax bill, on a form prescribed by the Director of the Division of Local Government Services in the Department of Community Affairs, the tax collector, in consultation with the chief financial officer of the municipality, shall prepare a statement. The statement shall report the amounts of State aid and assistance related to service assumptions approved by the Division of Local Government Services, payable to the county, municipality and school district for county, municipal and school district purposes, that offset local tax levies.

C.54:4-64a Tax bill for first half payment divided equally.

3. The complete tax bill delivered to each property taxpayer, mortgagee or any other agent by the tax collector pursuant to R.S.54:4-64 for the first half payment computed using the method set forth in that statute shall be divided equally to obtain the first two post tax year quarterly payment installments.

4. R.S.54:4-66 is amended to read as follows:

When taxes payable; when delinquent.

54:4-66. Taxes shall be payable and shall be delinquent as hereinafter stated:

a. Taxes shall be payable the first installment as hereinafter provided on February first, the second installment on May first, the third installment on August first and the fourth installment on November first, after which dates if unpaid, they shall become delinquent;

b. From and after the respective dates hereinbefore provided for taxes to become delinquent, the taxpayer or property assessed shall be subject to the penalties hereinafter prescribed;
c. The dates hereinbefore provided for payment of the first and second installments of taxes being before the true amount of the tax will have been determined, the amount to be payable as each of the first two installments shall be one-quarter of the total tax finally levied against the same property or taxpayer for the preceding year or one-half of the tax levied for the second half of the previous tax year, as appropriate, and the amount to be payable for the third and fourth installments shall be the full tax as levied for the current year, less the amount charged as the first and second installments; the amount thus found to be payable as the last two installments shall be divided equally for and as each installment. An appropriate adjustment by way of discount shall be made, if it shall appear that the total of the first and second installments exceeded one-half of the total tax as levied for the year;

d. Taxes may be received and credited as payments at any time, even prior to the dates hereinbefore fixed for payment.

5. This act shall take effect immediately, and shall apply to property taxes assessed and levied for each tax year beginning on or after January 1, 1991.

Approved April 4, 1991.

6. Section 7 of P.L.1982, c.77 (C.2A:4A-26) is amended to read as follows:

C.2A:4A-26 Referral to another court without juvenile's consent.

7. Referral to another court without juvenile's consent.

a. On motion of the prosecutor, the court shall, without the consent of the juvenile, waive jurisdiction over a case and refer that case from the Superior Court, Chancery Division, Family Part to the appropriate court and prosecuting authority having jurisdiction if it finds, after hearing, that:

(1) The juvenile was 14 years of age or older at the time of the charged delinquent act; and

(2) There is probable cause to believe that the juvenile committed a delinquent act or acts which if committed by an adult would constitute:

(a) Criminal homicide other than death by auto, strict liability for drug induced deaths, pursuant to N.J.S.2C:35-9, robbery which would constitute a crime of the first degree, aggravated sexual assault, sexual assault, aggravated assault which would constitute a crime of the second degree, kidnapping or aggravated arson; or

(b) A crime committed at a time when the juvenile had previously been adjudicated delinquent, or convicted, on the basis of any of the offenses enumerated in subsection a.(2)(a);

However, if in any case the juvenile can show that the probability of his rehabilitation by the use of the procedures, services and facilities available to the court prior to the juvenile reaching the age of 19 substantially outweighs the reasons for waiver, waiver shall not be granted.

b. In every case where there is a motion seeking waiver, the prosecutor shall within a reasonable time thereafter file a statement with the Attorney General setting forth the basis for the motion. In addition, the court shall, in writing, state its reasons for granting or denying the waiver motion. c. An order referring a case shall incorporate therein not only the alleged act or acts upon which the referral is premised, but also all other delinquent acts arising out of or related to the same transaction.

d. A motion seeking waiver shall be filed by the prosecutor within 30 days of receipt of the complaint. This time limit shall not, except for good cause shown, be extended.

Not less than 30 days prior to the submission of the comprehensive plan or any amendment thereto, to the commissioner for approval, the governing body of the county shall give public notice of its intention to submit a plan and shall make copies of the draft plan available for public comment. The county shall implement the comprehensive plan promptly upon approval by the commissioner.

After the filing of the agreement, certificates for shares shall be issued to the trustee or trustees to represent any shares of an original issue so deposited with him or them, and any certificates for shares so transferred shall be surrendered and cancelled and new certificates therefor issued to such trustee or trustees stating that they are issued under such agreement, and in the entry of such ownership in the records of the corporation that fact shall also be noted, and such trustee or trustees may vote the shares so transferred during the term of such agreement. The copy of the voting trust agreement so filed shall be subject to inspection at any reasonable time by any shareholder of the corporation or by any holder of a beneficial interest in the voting trust, in person or by agent or attorney. If the trustees are equally divided as to how the shares shall be voted, the Superior Court may, in an action brought by any of such trustees, appoint an additional person to act with such trustees in such matter, and the right to vote said shares and the manner of voting the same at any such meeting shall be determined by a majority of the trustees and such additional person. The court may proceed in the action in a summary manner or otherwise.
(4) At any time within two years prior to the time of expiration of any such voting trust agreement as originally fixed or as extended as herein provided, one or more beneficiaries of the voting trust may, by agreement in writing and with the written consent of such voting trustees, extend the duration of such voting trust agreement with regard to the shares subject to their beneficial interest for an additional period not exceeding 21 years. The commissioners shall receive such compensation as said court may order, to be paid by the plaintiffs.

upon any recount of the votes cast in such district it shall appear that
errors occurred in the count or the certificate thereof, which, under
the provisions of this Title, are sufficient to cause the costs of such
recount to be paid by the State, county or municipality; and no per­

as a member of the same or any other district election board. Application
for the removal of all of the members, or of any member of
any district election board, may, within ten days after the final order

The board shall determine the right of the voter to vote, after making use of, and giving due weight to, the evidence afforded by his signature, if any, and such answers, and if any member of the board shall give or assent to give a ballot to any person challenged, without requiring him to take the oath or affirmation hereinbefore prescribed to be made upon such challenge, and the person shall not be qualified and entitled to vote, the member so giving or assent-
ing to give a ballot, shall be deemed to have given to such person a ballot, knowing it to be illegal. The question as to the giving of the ballot to the person shall be put in the following form:

"Shall a ballot be given to this person by this board?"

If a majority of the board shall decide to give a ballot to such voter or in case of a tie vote, the voter shall be given a ballot and allowed to vote.

If a majority of the board shall decide against giving a ballot to the voter no ballot shall be given. The board upon demand of a member of the board or any other citizen shall forthwith issue a warrant for the arrest of such person and deliver the same to a peace officer, who shall forthwith arrest him, and the right to challenge voters shall exist until the ballot shall have been deposited in the ballot box.

Every such challenge and the determination of the board shall in every instance be recorded in the signature comparison record, in the column "Sig. Comp. by," used at the election at which the challenge has been made.

Any member of a district board who refuses or neglects to comply with the provisions of this section may be summarily removed from office by the county board, or any judge of the Superior Court assigned to the county.

243. R.S.19:17-5 is amended to read as follows:

Failure to deliver proper statements, etc., penalty.

19:17-5. If any district board neglects to give the following information on the statements of results: the total number of names on the signature copy register or register of voters, the total number of ballots rejected, the number of votes given for each person, and the number of votes given for or against each public question, or fails to deliver or safely transmit any statement of the result of any election, tally sheet, signature copy registers, register of voters, ballot box or boxes, ballot box keys, flag or any other document or book pertaining to any election, within the time required by this Title, or destroys or damages, or causes or allows any loose leaf binder, registry book or other book or document to be destroyed or damaged or fails to perform any duties provided by this Title or imposed by the county board or by the commissioner, the payment of part or all of the compensation of the members of the board shall be withheld by the county treasurer or collector, as the case may be, by order of the county board or the commissioner, as the case
may be, or may be forfeited by like order; and the Secretary of State or the clerk of the county or the municipal clerk, as the case may be, shall certify to the county board the name of any district board so failing to deliver or transmit such statements, books, documents or articles as hereinbefore mentioned.

In case of failure of a district board to produce the required statements, books or other documents within twenty-four hours after being notified, the county board may make application to the Superior Court for an order to show cause why the members of such district board shall not be held in contempt of court for such neglect or failure, and punished accordingly.

Election records placed in ballot box.

In all municipalities the signature copy registers shall not be placed in the ballot box but shall be delivered immediately by the district board to the commissioner of registration.

In order to carry out his duties, any superintendent of elections in counties having a superintendent of elections shall have access and be permitted to inspect and examine any and all signature copy registers for said county for any election which may have been or shall be held in said county and any official or person having possession or custody of same who shall refuse to deliver said signature copy registers to the office of said superintendent of elections forthwith upon demand having been made upon him by said superintendent of elections as aforesaid shall be guilty of a misdemeanor. Unless the said official having custody or possession of said signature copy registers shall forthwith produce the same at the office of the superintendent of elections when demanded by him so to do, the said superintendent of elections may apply to a judge of the Superior Court assigned to the county and such judge shall forthwith make an order directing the official having possession or custody of the said signature copy registers to produce them at once in the court in which said judge
may be sitting, and upon their being produced said judge shall deliver the same to the superintendent of elections.

245. R.S.19:18-4 is amended to read as follows:

Preservation of ballot boxes and contents.

19:18-4. After the space of three months the municipal clerk may remove the contents thereof and preserve the same for two years, and permit the ballot boxes to be used at any election, unless an order shall have been made directing a recount of the ballots contained therein, or a petition filed contesting any nomination or election necessitating the use of the ballots contained in such boxes, within the time limited by law.

When any election is required to be held for any purpose within such three months, the judge of the Superior Court assigned to the county, upon application of the governing body of any municipality, may direct that the contents of such ballot boxes be removed and preserved for two years and that these ballot boxes be used at such election.

246. R.S.19:26-2 is amended to read as follows:

Primary books; public inspection; removal of names.

19:26-2. The party primary poll books shall be subject to public inspection, and any voter whose name appears therein may apply to a judge of the Superior Court in the county, at any time prior to the next primary election to have the person's name stricken from such book, and the court shall have power to hear the application in a summary way at such time and upon such notice to that person as it may prescribe, and if satisfied that the applying voter's name has been improperly placed on such primary book, the court may make an order directing the commissioner, the county clerk or the municipal clerk, as the case may be, to erase the name from
the primary book, and the commissioner or clerk, as the case may be, shall thereupon erase the same.

247. R.S.19:28-1 is amended to read as follows:

Application for recount.

19:28-1. When any candidate at any election shall have reason to believe that an error has been made by any district board or any board of canvassers in counting the vote or declaring the vote of any election, he may, on or before the second Saturday following such election, or declaration of any board of canvassers, apply to a judge of the Superior Court assigned to the county wherein such district or districts are located, for a recount of the votes cast at the election in any district or districts.

When ten voters at any election shall have reason to believe that an error has been so made in counting or declaring the vote upon any public question at any election, such voters may, within a like time, make like application for a like recount of the votes cast at the election on such public question.

248. R.S.19:28-5 is amended to read as follows:

Order filed.

19:28-5. When any such certificate shall be issued or revoked by order of the judge of the Superior Court, his order shall be filed with the Secretary of State or with the clerk of the county or municipality, as the case may be, in and for which such election was held.

249. R.S.19:31-15 is amended to read as follows:

Check up to prevent fraudulent voting, procedure for removing name, application to vote.

19:31-15. For the purpose of preventing fraudulent voting and of eliminating names improperly registered, the commissioner in counties having a superintendent of elections, and the county board in all other counties, may within ninety days after each general election preceding the general election at which members of the House of Representatives are elected send by government reply postal card to each registrant who failed to vote at such election, at his registered address, a notice substantially as follows:

"Please answer the question as to residence and removal as indicated on attached reply card.

..................................................
Commissioner of Registration"
The reply card shall be addressed to the commissioner and shall bear substantially the following questions with appropriate spaces for answers:

“(1) Do you still reside at the address to which this notice has been mailed?

(2) If not, where do you now reside? (Stating street address and city or town to which you have moved.)

Signed.................................................................”

The county board in counties not having a superintendent of elections may also, and in addition to the method hereinbefore provided, direct at any time an authorized clerk or clerks to make any personal investigation which the commissioner or county board may deem necessary to establish the fact of continued residence or of removal of any registrant.

The commissioner in counties having a superintendent of elections, and the county board in all other counties, shall, in addition to the method hereinbefore provided, at least once during every four years and as often as the commissioner in counties having a superintendent of elections or the county board in all other counties may deem necessary, cause the entire registry list to be investigated by house-to-house canvass to establish the fact of continued residence, removal, death, disqualification or improper registration.

In case of registrants who have been found to the satisfaction of the commissioner in counties having a superintendent of elections and to the county board in all other counties, to have moved from one address to another within the same county, the commissioner in counties having a superintendent of elections, and the county board in all other counties, shall cause the permanent registration forms of said registrants to be transferred to the proper registers, upon receipt of a change of residence notice duly executed by such registrants, as provided by law.

In case of registrants so found to have moved to any place outside the county or State, the commissioner in counties having a superintendent of elections, and the county board in all other counties, shall cause the permanent registration forms of such persons to be transferred to the inactive file. Such persons upon return to any municipality within the county shall be required to reregister before being allowed to vote.

In case of registrants so found to have died, been disqualified or improperly registered, the county board in counties not having a superintendent of elections shall cause the permanent registra-
The county board in counties not having a superintendent of elections before removing, for any reason whatsoever, the permanent registration forms of any registrant from the signature copy registers, or before transferring such forms to the inactive file shall cause to be published a notice setting forth the proposed action of the county board. This notice shall contain the list of the names and registered addresses of all registrants to be affected by the proposed action. Such notice and list shall be published at least two entire days prior to the removal of such names and shall be published in at least one, and if the county board deems necessary, two or more newspapers published within the county, one of which newspapers, at least, shall be published in the municipality affected, if there be one published therein; otherwise, one which shall have a circulation in said municipality. At least one of such newspapers shall be a daily newspaper, but if there be no daily newspapers published in the county then such notices shall be published as above provided in weekly papers. The notice and list shall in addition specify the reason or reasons for the contemplated removal or transfer of the permanent registration forms of the registrants affected. The notice and list shall be published in the manner above provided prior to the second Tuesday preceding any election.

Any person affected by any action of the county board in counties not having a superintendent of elections shall, during the two weeks immediately preceding any election and on election day, have the right to make application to any judge of the Superior Court in that county, for the purpose of obtaining an order entitling him to vote in the district in which he actually resides. The burden of proof shall be upon the applicant. The judge of the Superior Court if satisfied that the applicant is entitled, under the law, to vote at such election, and after determining the election district in which such person actually resides, may issue an order directing the district board of that district to permit such person to vote. Such person must reregister before voting at any subsequent election by court order or otherwise. If the applicant shall be refused the right to vote, due to inability of the district board or of the commissioner or of the county board to find the permanent registration forms of such applicant, then in addition such applicant shall establish by reference to the registry lists of former elections, that he was previously registered. Such evidence shall be deemed sufficient to establish the fact that the
applicant was formerly registered. If the order is directed to a district board, the district board shall certify and return the order at the close of the election to the commissioner.

In counties having a superintendent of elections, any registrant so found to have died, or been disqualified by conviction of a crime which would disfranchise a person under the laws of this State, or never has resided at the place of registry or is registered from some place other than his actual residence, or does not possess the qualifications to vote required by the Constitution of this State, or is otherwise not entitled to vote, the commissioner shall cause the permanent registration forms of such registrant to be transferred to the inactive or death file as the case may be.

The commissioner in counties having a superintendent of elections, before transferring such forms to the inactive file or death file, shall serve an order in writing, signed by him, upon the proper district board, ordering it to refuse to allow such person to vote at the next election.

The commissioner in counties having a superintendent of elections, before signing such order in writing to any district board, shall give notice of his proposed action to such registered person (1) personally, or (2) by leaving the same at the person’s registered place of residence with a person above the age of fourteen years, if any such person can be found, and if not, by affixing the same to the outer door of such place of residence or to any other portion of such premises if no building be found thereon, or (3) by sending the same by mail addressed to the person at his registered place of residence at least two entire days before the issuance of the order; and the commissioner shall cause a list of the names of such persons, with their registry addresses, to be published at least two entire days before the issuance of the order in at least one, and if the commissioner deems necessary, two or more newspapers published within the county, at least one of which shall be a daily newspaper, if there be one published therein; otherwise, one which shall be published most frequently. Such published notice, in addition to containing the names and addresses of such persons, shall give notice to them of the proposed action of the commissioner. No such order in writing shall be signed by the commissioner subsequent to the Tuesday preceding an election.

In all counties when the transfer of any person’s permanent registration form is to be made to the death file or is to be made to the inactive file because such person did not vote at any election during four consecutive years, or because the name of such
person has been ordered stricken from the register by the court, or because such person has changed his or her name by decree of court, or because such person is a woman who changed her name due to marriage or divorce and neglected to reregister in accordance with law, or because the information which forms the basis of such proposed action in making such transfer was received from such person directly, no notice of such proposed action need be given to such registered person and such person’s name and registry address need not be published as required in this section.

The commissioner in counties having a superintendent of elections shall cause such order to be delivered to the district board at the same time as the challenge lists are delivered, which order shall be receipted for by the judge of the district board, who shall use the order in conjunction with the registry list, so that no person whose name appears upon the order shall be allowed to vote. Such order shall be signed and certified to by each member of the district board to the effect that no person whose name appears therein has been allowed to vote. The order shall be returned to the commissioner at the same time and together with the challenge lists. Upon receipt of such order the commissioner shall thereupon transfer the permanent registration forms of the person named in such order to the inactive, death or conviction file, as the case may be, and he shall not be permitted to vote at any subsequent election, by court order or otherwise, unless he has reregistered.

Any person affected by the action of the commissioner in counties having a superintendent of elections shall, during the week immediately preceding the election and on the election day, have the right to make application to a judge of the Superior Court in the county for the purpose of obtaining an order entitling him to vote in the district in which he actually resides. The burden of proof shall be upon the applicant. The judge of the Superior Court if satisfied that the applicant is entitled under the law to vote at such election and after determining the election district in which the person actually resides may issue an order directing the district board of that district to permit such person to vote. If the applicant shall be refused the right to vote, due to the inability of the district board or of the commissioner or of the county board to find the permanent registration forms of such applicant, then in addition such applicant shall establish by reference to the registry lists of former elections that he was previously registered. Such evidence shall be deemed sufficient to establish the fact that the applicant was formerly registered. The district board shall certify and return the
order to the commissioner at the close of the election, who thereupon shall restore the permanent registration forms of such person to the active file. Before the issuance of such order, the commissioner shall be heard personally, or by his chief deputy or assistants, as to the reasons why he has issued an order denying such person the right to vote. The commissioner or any one representing him shall have full power to cross-examine any witness. The judge of the Superior Court making such order shall cause a full record of the proceedings of the application to be taken stenographically, transcribed and filed in the office of the county clerk of the county, which record shall be open and public record. All costs and expenses of such proceedings shall be paid by the county.

In no event shall the permanent registration forms or voting record of any registrant be removed or transferred to the inactive file subsequent to the second Tuesday preceding any election, until after such election; nor shall the permanent registration forms or voting record of any registrant in counties not having a superintendent of elections be removed or transferred to the inactive file if the name of such registrant is not first published in the manner above described, except as herein otherwise provided.

Upon receipt of a complaint as provided in this section, the Division of Youth and Family Services shall investigate, or shall cause to be investigated, the statements set forth in such complaint. If the circumstances so warrant, the parent, parents, guardian, or person having custody and control of the child shall be afforded an opportunity to file an application for care, as provided in section 11 of this act. If the parent, parents, guardian, or person having custody and control of the child shall refuse to permit or shall in any way impede investigation, and the division determines that further investigation is necessary in the best interests of the child, the division may thereupon apply to the Superior Court, Chancery Division, Family Part, for an order directing the parent, parents, guardian, or person having custody and control of the child to permit immediate investigation. The court, upon such application, may proceed to hear the matter in a summary manner and if satisfied that the best interests of the child so require may issue an order as requested.

If, after such investigation has been completed, it appears that the child requires care and supervision by the Division of Youth and Family Services but the parent, parents, guardian, or person having custody and control of the child continue to refuse to apply for care in the manner provided in section 11, the division may apply to the Superior Court, Chancery Division, Family Part for an order making the child a ward of the court and placing such child under the care and supervision of the Division of Youth and Family Services.

The court, at a summary hearing held upon notice to the Division of Youth and Family Services, and to the parent, parents, guardian, or person having custody and control of the child, if satisfied that the best interests of the child so require, may issue an order as requested, which order shall have the same force and effect as the acceptance of a child for care by the division as provided in section 11 of this act; provided, however, that such order shall not be effective beyond a period of six months from the date of entry unless the court, upon application by the Division of Youth and Family Services, at a summary hearing held upon notice to the parent, parents, guardian, or person having custody of the child, extends the time of the order.

A petition as provided in this section may be filed by any person or any association or agency, interested in such child, or by the Division of Youth and Family Services in the circumstances set forth in items (c) and (d) hereof.

county, upon written charges of the cause of complaint preferred against him, signed by the person making the same and filed in the office of the clerk of the board of chosen freeholders of the county, and copies whereof have been served upon him, at least 30 days before said hearing, at which hearing he shall be entitled to be represented by counsel, to produce witnesses and testify in his own behalf, and shall be entitled to, and the board of chosen freeholders shall be empowered to issue, writs of subpoena to compel the attendance of witnesses, and from the decision in any such hearing such person shall be entitled to appeal to the Superior Court, which court shall hear the cause de novo and may order such person reinstated in his said office, position or employment, if it shall decide that such order is proper and just under the circumstances.

If upon such investigation it appears that the patient or legally responsible relatives are able to pay for his care and maintenance, an order shall be made by such officer or employee that payment shall be made to the custodian of funds, of a specified charge in proportion to the financial ability of the patient or such relative. Such designated officer or employee shall have the same power to collect the charge specified from the estate of the patient or his relatives as is possessed by an overseer of the poor or director of welfare in like circumstances, including, but not limited to the right to create a lien against the real estate of such patient or his relatives. If the inves-
tigation shall disclose that the patient or his relatives are unable to pay, the cost shall become a charge upon the county. Such physician if he finds that the applicant is suffering from a communicable disease in any form, may apply to the superintendent for his admission.

All applications shall state whether in the judgment of the physician, the patient is able to pay in whole or in part for his care and treatment. Each application shall be filed and recorded in a book kept for that purpose in the order of its receipt.

The determination of legal settlement and liability for costs of care and maintenance of all patients shall be insofar as practicable in accordance with R.S.30:4-24 to R.S.30:4-105 and R.S.30:9-57.
No discrimination shall be made in the accommodation, care or treatment of any patient because of any payment of maintenance and no officer or employee shall accept from a patient any fee, payment; or gratuity for services.

The superintendent shall have the same power to collect such sum from the estate of the patient or relatives as is possessed by an overseer of the poor or a director of welfare in like circumstances. If the superintendent finds that the patient or his relatives are unable to pay, the cost shall become a charge upon the county. Should there be a dispute as to ability to pay or doubt in the mind of the superintendent the Superior Court may hear the matter in a summary manner and make such order as may be proper.

336. R.S.30:11-4 is amended to read as follows:

Violations; penalties; civil action; injunction.

30:11-4. (a) Any person, firm, partnership, corporation or association who shall operate or conduct a private mental hospital,
convalescent home, private nursing home or private hospital without first obtaining the license required by this chapter, or who shall operate such private nursing home, convalescent home or private hospital after revocation or suspension of license shall be liable to a penalty of $25.00 for each day of operation in violation hereof for the first offense and for any subsequent offense shall be liable to a penalty of $50.00 for each day of operation in violation hereof. Any person, firm, partnership, corporation or association who shall be found guilty of violating any rule or regulation adopted in accordance with this chapter as the same pertains to the care of patients and neglects to rectify the same within seven days after receiving notice from the department of such violation or who neglects to commence, within seven days, such repairs to his licensed establishment after receiving notice from the department that a hazardous or unsafe condition exists in or upon the structure in which the licensed premises is maintained shall be subject to a penalty of not less than $10.00 or more than $25.00 for each day that he is in violation of such rule or regulation. If, within 1 year after such violation such person, firm, partnership, corporation or association is found guilty of the same violation such penalties as hereinbefore set forth shall be doubled, and if there be a third violation within such time, such penalties shall be tripled. In addition thereto the board may, in its discretion, suspend the license for such time as it may deem proper.

Any person, firm, partnership, corporation or association who shall, except in cases of an emergency, maintain more patients in his premises than he is licensed so to do, shall be subject to a penalty in an amount equal to the charge collected from such patient or patients plus $10.00 for each extra patient so maintained.

The State Board of Human Services, with the approval of the Attorney General, is hereby authorized and empowered to compromise and settle claims for money penalties in appropriate circumstances where it appears to the satisfaction of the board that payment of the full penalty will work severe hardship on any individual not having sufficient financial ability to pay the full penalty but in no case shall the penalty be compromised for a sum less than $250.00 for the first offense and $500.00 for the second and each subsequent offense; provided however, that any penalty of less than $250.00 or $500.00, as the case may be, may be compromised for a lesser sum.

The penalties authorized by this section shall be recovered in a civil action, brought in the name of the State of New Jersey in the
Superior Court, which court shall have jurisdiction of all actions to recover such penalties. No money penalties provided for herein shall be required to be paid until the appellate procedures provided for in the courts shall have been exhausted and then only if on appeal it is determined that the licensee was in violation of the provisions hereof or the rules and regulations of the Board of Human Services establishing minimum standards of operation. No penalties shall be assessed for the period of time following the filing of an appeal with the appropriate appellate court from a determination adverse to the licensee rendered by the department and until such appellate court or courts shall have rendered a final decision, and any penalties assessed prior thereto shall be recoverable only to the extent that the appellate court or courts affirms the decision of the department in the first instance. Money penalties, when recovered, shall be payable to the General State Fund.

The department may, in the manner provided by law, maintain an action in the name of the State of New Jersey for injunction against any person, firm, partnership, association or corporation continuing to conduct, manage or operate a private nursing home, convalescent home or private hospital without a license, or after suspension or revocation of license.

The practice and procedure in actions instituted under authority of this section shall conform to the practice and procedure in the court in which the action is instituted.

(b) Whenever a boarding home for sheltered care, boarding house or rest home or facility or institution of like character, not licensed hereunder, by public or private advertising or by other means holds out to the public that it is equipped to provide postoperative or convalescent care for persons mentally ill or mentally retarded or who are suffering or recovering from illness or injury, or who are chronically ill, or whenever there is reason to believe that any such facility or institution, not licensed hereunder, is violating any of the provisions of this chapter, then, and in such case, the department shall be permitted reasonable inspection of such premises for the purpose of ascertaining whether there is any violation of the provisions hereof.

Any person, firm, association, partnership or corporation, not licensed hereunder, but who holds out to the public by advertising or other means that the medical and nursing care contemplated by this chapter will be furnished to persons seeking admission as patients shall cease and desist from such practice and shall be liable to a penalty of $100.00 for the first offense and $200.00 for
each subsequent offense, such penalty to be recovered as provided for herein. (2) Bring a civil action in accordance with subsection c. of this section;
(3) Levy a civil administrative penalty in accordance with subsection d. of this section; or
(4) Bring an action for a civil penalty in accordance with subsection e. of this section.

The exercise of any of the remedies provided in this section shall not preclude recourse to any other remedy so provided.

b. Whenever, on the basis of information available to him, the Commissioner of Environmental Protection finds that an employer is in violation of subsection b. of section 7, or of subsection b. or c. of section 9 of this act or any rule or regulation adopted pursuant thereto, or the Commissioner of Health finds that an employer is in violation of subsection a. of section 7, or of section 10, 11, 12, 13, or 14 of this act, or any rule or regulation adopted pursuant thereto, the Commissioner of Environmental Protection or the Commissioner of Health, as the case may be, may issue an order (1) specifying the provision or provisions of this act, or the rule or regulation adopted pursuant thereto of which the employer is in violation; (2) citing the action which caused the violation; (3) requiring compliance with the provision of this act or the rules and regulations adopted pursuant thereto of which he is in violation; and (4) giving notice to the employer of his right to a hearing on the matters contained in the order.

c. The Commissioner of Environmental Protection or the Commissioner of Health, as appropriate, is authorized to commence a civil action in Superior Court for appropriate relief from a violation of this act. This relief may include an assessment against the violator for the costs of any investigation, inspection, or monitoring survey which led to the discovery and establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection.

Subsequent to the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after imposing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order upon the expiration of the 20-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied. A civil administrative penalty imposed under this section may be compromised by the commissioner upon the posting of a performance bond by the employer, or upon terms and conditions the commissioner may establish by regulation.

e. An employer who violates this act, an order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection c. of this section, or who fails to pay in full a civil administrative penalty levied pursuant to subsection d. of this section, shall be subject, upon order of a court, to a civil penalty not to exceed $2,500.00 for each day during which the violation continues. Any penalty imposed pursuant to this subsection may be collected, and any costs incurred in connection therewith may be recovered, in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). In the case of a continuing violation, the violation on each day shall be deemed to be a separate violation. Any such penalty shall be enforced and collected in accordance with "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.). Any such penalty may be collected or enforced by summary proceedings or in a summary manner. Any action to collect or enforce any such penalty shall be brought in the name of the Commissioner of Labor in the Superior Court. In the case of failure of any person to comply with any order of the commissioner or subpoena, lawfully issued, or on the refusal of any witness to produce evidence or to testify as to any matter regarding which he may be lawfully interrogated, it shall be
the duty of the Superior Court, or the judge thereof, upon application by the commissioner to compel obedience by proceedings for contempt, as in the case of disobedience of a subpoena issued for such court or a refusal to testify therein.

The commissioner shall make such order available to employee representatives and affected employees.

c. If the violation is of a continuing nature, each day during which it continues after the date given for compliance in accor-
dance with the order of the department shall constitute an additional separate and distinct offense.

d. The commissioner is authorized to compromise and settle any claim for a penalty under this section in such amount as, in the discretion of the commissioner, may appear appropriate and equitable under all of the circumstances, including a rebate of any such penalty paid up to 90% thereof where such person satisfies the commissioner within one year or such other period as the commissioner may deem reasonable that such violation had been eliminated or removed or that such order or injunction has been met or satisfied, as the case may be. Commutation of award.

34:15-25. Compensation may be commuted by the bureau at its present value, when discounted at five per centum (5%) simple interest, upon application of either party, with due notice to the other, if it appears that such commutation will be for the best interest of the employees or the dependents of the deceased employee, or that it will avoid undue expense or undue hardship to either party, or that the employee or dependent has removed or is about to remove from the United States, or that the employer has sold or otherwise disposed of the greater part of his business or assets.

Unless so approved, no compensation payments shall be commuted. In determining whether commutation will be for the best interest of the employee or the dependents of the deceased employee, or that it will avoid undue expense or undue hardship to either party, the bureau and the Superior Court will regard the intention of this chapter that compensation payments are in lieu of wages, and are to be received by the injured employee or his dependents in the same manner in which wages are ordinarily paid. In the order determining weekly payments where no commutation is made, the bureau or the court shall also determine the amount to be paid per week from the compensation payment on account of the legal fee thus awarded, and it shall be unlawful for the legal adviser, or other person acting in that behalf, to ask for, contract for or receive a larger sum per week than the allowance thus determined.

The decision, award, determination and rule for judgment or order approving settlement

Such order shall be filed in the office of the secretary in Trenton in accordance with section 34:15-58 of this Title, and shall constitute part of the record in the cause, and a copy of such order shall be filed in the office of the clerk of the county in which the original award was filed,
shall be indexed and cross-indexed by said clerk to said original award and, when so filed and indexed and cross-indexed to such award, shall have the same effect as to such third party and may be collected and docketed in the same manner as judgments rendered in causes tried in the Superior Court.

If the parents, or either of them, or guardian of any such minor shall be of unsound mind, the consent of such parent or guardian to the proposed marriage shall not be required.
When a minor is under the age of 16 years, the consent required by this section must be approved in writing by any judge of the Superior Court, Chancery Division, Family Part. Said approval shall be filed with the licensing officer.

e. In case any private employer fails or refuses to comply with the provisions of this section the Superior Court shall have the power, upon the filing of a complaint, by the person entitled to the benefits of such provisions, to specifically require such employer to comply with such provisions, and may, as an incident thereto, compensate such person for any loss of wages or benefits suffered by reason of such employer's unlawful action. If in any case liability for the payment of a fine as aforesaid shall be determined, any person who shall have received any benefits hereunder by reason of the making of such false statements or representations or failure to disclose a material fact, shall pay to the division, the employer or insurer, as the case may be, an amount equal to the sum of any benefits hereunder received from the division, employer or insurer by reason thereof, and such person shall not be entitled to any benefits under this act for any disability occurring prior to the time he shall have discharged his liability hereunder to pay such fine, and to reimburse the division, employer or insurer.

(b) Any employer or any officer or agent of any employer or any other person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to prevent or reduce the benefits to any person entitled thereto, or to avoid becoming or remaining subject hereto or to
avoid or reduce any contribution or other payment required from an employer under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be liable to a fine of twenty dollars ($20.00) to be paid to the division. Upon refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(c) Any person who shall willfully violate any provision hereof or any rule or regulation made hereunder, for which a fine is neither prescribed herein nor provided by any other applicable statute, shall be liable to a fine of fifty dollars ($50.00) to be paid to the division. Upon the refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(d) Any person, employing unit, employer or entity violating any of the provisions of the above subsections with intent to defraud the Division of Employment Security of the State of New Jersey shall in addition to the penalties hereinbefore described, be liable for each offense upon conviction before the Superior Court or any municipal court to a fine not to exceed two hundred fifty dollars ($250.00) or by imprisonment for a term not to exceed ninety days, or both, at the discretion of the court. The fine upon conviction shall be payable to the State disability benefits fund of the Division of Employment Security. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

423. R.S.44:1-80 is amended to read as follows:

Removal of director of welfare from duties in adjoining municipality.

44:1-80. A director of welfare acting in contiguous or adjoining municipalities, as provided in section 44:1-79 of this Title, may be removed from his responsibilities and duties in the municipality other than that of his appointment, for cause or by reason of his inability to properly perform his authorized and required functions due to the size or population of the territory in an action by the governing body of either municipality against the other municipality, in the Superior Court. The court may proceed therein in a summary manner.

The court by its judgment may terminate the contract and relieve the director of such duties and responsibilities and the additional salary therefor agreed to be paid to him. Upon the
removal of the director, the municipality may appoint one to act therein for the full term as provided in this chapter.

424. R.S.44:1-86 is amended to read as follows:

**Determination by director of relief to be granted.**

44:1-86. The director of welfare in the municipality shall determine who are to be relieved by him, subject to an application by any person, on at least five days' notice, to the Superior Court, Chancery Division, Family Part, by complaint, in writing, applying for a summary review and determination by the court of the action of the director as to the extent and amount of relief, if any, to be rendered.

425. R.S.44:1-95 is amended to read as follows:

**Expenses recoverable, procedure.**

44:1-95. If it is ascertained at any time that a person who has been assisted by or has received support from a municipality or county has real or personal property over and above that necessary for his maintenance in whole or in part, if such poor person is maintained by the municipality or county at home, or over and above that sufficient for his family, or if any such person shall die, leaving real or personal property, an action may be maintained in the Superior Court by the director of welfare of the municipality who has furnished or provided such assistance or support, or any part thereof, against such person or his estate, to recover the sums of money which have been expended by the municipality or county in the assistance and support of the person during the period for which support was furnished. If a person shall die having received relief or maintenance as a poor person and having insurance upon his life, the proceeds of the insurance after payment of the expense of the last illness and the funeral expenses of the person, if the terms of the policy so permit, shall be first applied to the reimbursement of the county, municipality or district for the cost of the support and maintenance of the person. But no action shall lie, nor shall any appropriation of insurance be made against an estate when it shall be shown to the satisfaction of the court that the proceeds thereof, or the estate, are needed to prevent the widow or minor children of the poor person from becoming dependent upon the public.

426. R.S.44:1-121 is amended to read as follows:

**Contest; how made.**

44:1-121. The contest shall be made by notice to the officer giving the original notice, of a time and place when the contesting
director of welfare will apply to the Superior Court in the county in which the poor person may be and from which he is to be removed, and the court shall hear and determine the controversy. The hearing shall be not less than ten nor more than thirty days from the time of giving the original notice.

427. R.S.44:1-122 is amended to read as follows:

Failure to resist removal, review.

44:1-122. On failure to resist the removal the receiving director of welfare may not decline to receive the poor person but shall receive him and provide such relief as is lawful; except that for good cause shown for the failure to contest the removal the receiving director may, within thirty days after the receipt of the poor person in the municipality, apply to the Superior Court in the county from whence the person was removed to review the proceeding and make such revised order and disposition for the care and relief of the poor person and his removal, if lawful, as may be proper and necessary.

428. R.S.44:1-123 is amended to read as follows:

Liability of municipality, recovery.

44:1-123. If a director of welfare of a municipality shall neglect to receive or remove a poor person as provided in this chapter after the determination of the matter by the Superior Court having jurisdiction, the municipality where the neglect occurs shall be liable for the expense of the support and relief of the poor person. The expense shall be recoverable from time to time with costs of suit by the director of welfare incurring the cost of relief and support in a civil action in any court of competent jurisdiction in the name of the municipality against the municipality liable therefor.

429. R.S.44:1-129 is amended to read as follows:

Petition for relief.

44:1-129. The director of welfare of a municipality shall by petition to the Superior Court, setting forth the necessary facts, apply for the person's relief in that manner, whereupon the court shall fix a date for hearing the petition within not less than ten days from the filing of the petition.

430. R.S.44:1-141 is amended to read as follows:
Compelling support by relatives.

44:1-141. If any of the relatives mentioned in section 44:1-140 of this Title shall fail to perform the order or directions of the director of welfare of a municipality with regard to the support of the poor person, or if the poor person is supported at public expense, the Superior Court in the county wherein the poor person has a legal settlement, or the municipal court of the municipality wherein the person has a legal settlement, upon the complaint of the director of welfare or two residents of the municipality or county may summon the persons chargeable before it as in other actions, summon witnesses, and adjudge that the able relatives pay such sum for each poor person as the circumstances may require in the discretion of the court, and as will maintain him or them and relieve the public of that burden. However, where it shall appear that the person or persons sought to be held were the child or children of the poor person and were abandoned and deserted by the poor person who failed to support and maintain them during minority, the aforementioned Superior Court or municipal court may revoke the order of the director of welfare or reduce the amount of said order against such child or children, in proportion to the actual support and maintenance rendered by said poor person to the child or children sought to be held. Any child now under an order to support a poor person may apply to the court which issued said order for the revocation or reduction of said order in accordance with the terms of this proviso. Violation of any such order shall constitute a contempt of court.

The county through its governing body may also bring appropriate action in any court of competent jurisdiction to recover any money due for the relief, support and maintenance of a poor person against a person chargeable by law therefor.

431. R.S.44:1-143 is amended to read as follows:

Compelling support by husband or wife.

44:1-143. When a husband or father shall desert his wife, child or children or a woman shall desert her child or children and leave them or any of them as public charges, the director of welfare of a municipality may apply to the Superior Court, Chancery Division, Family Part; and the court may order and adjudge suitable support and maintenance to be paid and provided by the husband or wife, or either of them, to be made out of his property, and for such time as the nature of the case and circumstances of the parties render suitable and proper in the opinion of the court,
and may compel the defendant to give reasonable security for such maintenance and support, and from time to time make such further orders and judgments touching the matter as shall be just, and enforce such orders and judgments.

432. R.S.44:1-144 is amended to read as follows:

Sequestration of estate.

44:1-144. The Superior Court, Chancery Division, Family Part may:

a. Issue process for the immediate sequestration of the personal estate and the rents and profits of the real estate of the person charged as provided in section 44:1-143 of this Title;

b. Appoint the director of welfare of a municipality or another person receiver thereof; and

c. Cause the personal estate and the rents and profits of the real estate, or so much thereof as is necessary, to be applied toward the maintenance and support as to the court shall from time to time seem reasonable and just.

433. R.S.44:1-146 is amended to read as follows:

Recovery of expenses of support.

44:1-146. The director of welfare of a municipality may bring a civil action from time to time in the Superior Court, Chancery Division, Family Part for the amount necessary to pay any expense incurred or unpaid. Upon recovery of judgment and the sale of any real or personal property of the defendant, the proceeds therefrom shall as in other civil actions be paid to the director and be applied by him to the support and maintenance of the deserted persons, or to the reimbursement of the municipality, county or board to the extent of the expenditures made by it for that support and maintenance.

The sum realized on execution sale and not immediately used shall be kept by the director in a separate account in a national or State bank in the place where the deserted wife or children, or any of them, are placed or maintained. Surplus proceeds not expended for that purpose shall be the property of and payable to the defendant.

434. R.S.44:4-40 is amended to read as follows:

Determination by director of relief to be granted.

44:4-40. The county director of welfare, under the direction, and subject to the approval of the county welfare board shall determine who are to be relieved by him, subject to an application
by any person on at least five days' notice, to the Superior Court, Chancery Division, Family Part, by complaint, in writing, applying for a summary review and determination by the court of the action of the director of welfare as to the extent and amount of relief, if any, to be given or rendered.

435. R.S.44:4-72 is amended to read as follows:

Removal of poor person to place of legal settlement; procedure.

44:4-72. When the removal of a poor person from the place of his domicile or where he is found to the place of his settlement in the same county is lawful and necessary, it shall be made by means of a written notice signed by the director of welfare of the county to the governing body having jurisdiction in the place to which such person is to be removed, that on a day certain, not less than ten nor more than twelve days after the date and mailing of the notice, an order will be made by the director of welfare that the poor person be removed to the place of his settlement, stating the reasons therefor, the place of his settlement or the place where he became poor prior to his becoming an inhabitant of the municipality from whence he is to be removed.

On the day named in the notice, the order for removal shall be made by the director of welfare of the county, and thereafter the poor person shall forthwith be removed by the director of welfare to the place indicated in the notice upon the making of an order that the poor person has no settlement in the municipality in which he is a resident or is found, and has a settlement or became poor in the other municipality in the same county prior to his becoming a resident and inhabitant or being found in the municipality from whence he is to be removed, unless within ten days after the mailing of the written notice the governing body to whom it shall have been mailed shall proceed to contest the allegation of the settlement of the poor person or of the right to remove him to the municipality in which it has jurisdiction.

The contest shall be made by notice to the director of welfare giving the original notice, fixing a time and place when the governing body shall apply to the Superior Court, when and where the court shall hear and determine the controversy, which time and place shall not be less than ten or more than thirty days from the time of giving the original notice thereof.

On failure to resist the removal by the receiving municipality the receiving municipality may not contest receiving the poor per-
son, and he shall be removed by the county welfare director at the cost and expense of the municipality from which he is removed, out of the appropriation made by the municipality for the relief of the temporary or outdoor poor of the municipality, but for good cause shown for the failure to contest the removal the receiving municipality may, within thirty days after the receipt of the poor person in its municipality, apply to the Superior Court to review the proceeding and to make such revised order and disposition for the care and relief of the poor person and his removal, if lawful, as may be proper and necessary.

436. R.S.44:4-76 is amended to read as follows:

Contest; how made.

44:4-76. Such contest shall be made by notice to the officer giving the original notice, fixing a time and place when the contesting county welfare board, through the director of welfare, or the overseer or county adjuster as the case may be will apply to the Superior Court when and where the court shall hear and determine the controversy, which time and place shall not be less than ten or more than thirty days from the time of giving the original notice.

437. R.S.44:4-78 is amended to read as follows:

Liability of county or municipality failing to receive or remove poor person.

44:4-78. If any director of welfare under direction of the county welfare board or any overseer or county adjuster as the case may be shall neglect to receive or remove a poor person, as provided in this chapter, after the determination of the matter by any court having jurisdiction, the county or municipality as the case may be where the neglect occurs shall be liable for the expense of the support and relief of the poor person.

The expense shall be recoverable from time to time, with costs, by the county welfare board or overseer incurring the cost of the relief and support, in an action at law in any court of competent jurisdiction in the name of the county or municipality as the case may be against the county or municipality liable therefor.

The director of welfare or the overseer or county adjuster whose duty it was to receive or remove the poor person, shall be served with notice of the action in the manner in which any summons is required to be served.
438. Section 1 of P.L.1946, c.175 (C.44:4-91.2) is amended to read as follows:

C.44:4-91.2 Filing certificate of costs of care furnished; legal claim, enforcement.

1. At any time the county welfare board may execute and file with the county clerk or register of deeds and mortgages, as the case may be, a certificate, in the form prescribed by section 44:7-15 of the Revised Statutes, showing the amount of the cost of the care and maintenance of any person at the county welfare-house or for the permanent outdoor support furnished to any person. When so filed each certificate shall be a legal claim against both the person and his estate and shall have the same force and effect as a judgment of the Superior Court, with priority over all unsecured claims except funeral expenses not to exceed one hundred fifty dollars ($150.00). No levy shall be made upon the real estate while it is occupied by the widow or widower, as the case may be. If the proceeds of sale of any personalty or real estate, as herein provided, exceeds the total amount paid for care and maintenance under this chapter, such excess shall be returned to such person, or in the event of his death, such excess shall be considered as the property of the deceased for proper administration proceedings. All funds reclaimed under these provisions shall be returned to the county.

439. R.S.44:4-102 is amended to read as follows:

Compelling support by relatives.

44:4-102. If any of the relatives mentioned in section 44:4-101 of this Title shall fail to perform the order or directions of the county director of welfare with regard to the support of the poor person, or if the poor person is supported at public expense, the Superior Court, upon the complaint of the director of welfare or two residents of the county may summon the persons chargeable as in other actions and summon witnesses, and may order and adjudge the able relatives to pay such sum as the circumstances may require in the discretion of the court for each poor person, as will maintain and relieve him or them, and as will relieve the public of the burden of such care and maintenance. However, where it shall appear that the person or persons sought to be held were the child or children of the poor person and were abandoned and deserted by the poor person who failed to support and maintain them during minority, the Superior Court may revoke the order of the director of welfare or reduce the amount of said order against such child or children, in proportion to the actual support
and maintenance rendered by said poor person to the child or children sought to be held. Any child now under an order to support a poor person may apply to the Superior Court which issued said order for the revocation or reduction of said order in accordance with the terms of this proviso. Violations of any such order of the Superior Court shall constitute a contempt of court.

The county through its governing body may also bring an appropriate action to recover any sum of money due for the relief, support and maintenance of any poor person against any person chargeable by law therefor.

440. R.S.44:4-104 is amended to read as follows:

Compelling support by husband or wife.

44:4-104. When a husband or father shall desert his wife, child or children or a woman shall desert her child or children and leave them, or any of them, as public charges, the director of welfare of the county may apply to the Superior Court, Chancery Division, Family Part, which court may order and adjudge suitable support and maintenance to be paid and provided by the husband or wife, or either of them, to be made out of his property, and for such time as the nature of the case and circumstances of the parties render suitable and proper in the opinion of the court, and may compel the defendant to give reasonable security for such maintenance and support, and from time to time make such further orders and judgments touching such maintenance and support as shall be just, and enforce such orders and judgments.

441. R.S.44:4-105 is amended to read as follows:

Sequestration of estate.

44:4-105. The Superior Court, Chancery Division, Family Part may:

a. Issue process for the immediate sequestration of the personal estate and the rents and profits of the real estate of the person charged as provided in section 44:4-104 of this Title;

b. Appoint the director of welfare of the county, or another person, receiver thereof; and

c. Cause the personal estate and the rents and profits of the real estate, or so much thereof as is necessary, to be applied toward the maintenance and support as to the court shall from time to time seem reasonable and just.
442. Section 10 of P.L.1957, c.139 (C.44:5-19.10) is amended to read as follows:

**C.44:5-19.10 Court action to force responsible relative to pay.**

10. Should any relative responsible for the support of such applicant or person receiving such service fail to obey the order or direction with regard to the providing of service and paying therefor, the Superior Court may, upon complaint of the County Adjuster, summon the persons chargeable before it as in other actions and summon witnesses and may order the able relatives responsible for the support of such applicant to pay such sums as the circumstances may require in the discretion of the court for such applicant and violation of any such order of the court shall be contempt of the court and the person so violating the same shall be subject to the penalties which by law may be imposed for other contempts of said court.

443. R.S.44:7-14 is amended to read as follows:

**Recipient to pledge property.**

44:7-14. (a) Every county welfare board shall require, as a condition to granting assistance in any case, that all or any part of the property, either real or personal, of a person applying for old age assistance, be pledged to said county welfare board as a guaranty for the reimbursement of the funds so granted as old age assistance pursuant to the provisions of this chapter. The county welfare board shall take from each applicant a properly acknowledged agreement to reimburse for all advances granted, and pursuant to such agreement, said applicant shall assign to the welfare board, as collateral security for such advances, all or any part of his personal property as the board shall specify.

The agreement to reimburse shall provide that the filing of notice thereof as hereinafter provided, is to have the same force and effect as a judgment of the Superior Court. It shall contain therein a release of dower or curtesy, as the case may be, of the spouse of the recipient of old age assistance, and the spouse shall agree to reimburse the county welfare board for all advances made to the recipient. Such release and joinder shall be as valid and effectual as if the spouse had joined the recipient in a conveyance of the property to a third person, and the grant of old age assistance, being contingent upon such joinder by the spouse, shall be good and valuable consideration therefor. Old age assistance shall not be granted to any applicant without joinder by the spouse in the
agreement to reimburse except upon the showing of good and sufficient cause as the State Division shall by regulation define.

(b) Upon making a grant of old age assistance the county welfare board shall file with the county clerk or register of deeds and mortgages, as the case may be, in any county, a notice of the above mentioned agreement to reimburse, which notice as of the date of such filing shall have the same effect as a lien by judgment of the Superior Court, and any real estate or lands in which the recipient or spouse has a title or interest, shall thereupon become charged and encumbered with a lien for old age assistance granted the recipient and said notice shall have priority over all unrecorded encumbrances. No fees or costs shall be paid for filing such notices.

444. R.S.44:7-19 is amended to read as follows:

**Assistance by relatives; enforcement.**

44:7-19. The county director of welfare in cases of application for old age assistance shall ascertain, if possible, the relatives and other persons chargeable by law for the support of such applicant, and proceed to obtain their assistance for such applicant or to compel them to render such assistance as is provided by law in such cases, or if such relatives or other persons are not chargeable by law with the support of such applicant but able and willing to do so, in whole or in part, the director of welfare may contract, in writing, with such persons for the support of such applicant.

Should any relative or other person responsible for the support of an applicant for old age assistance fail to perform the order or direction of the director of welfare with regard to the support of such applicant, the Superior Court may, upon certification in writing of the director of welfare or of two residents of the municipality or county, summon or otherwise direct the appearance of the persons chargeable and subpoena witnesses, and compel the production of books, records, and other documents as may be pertinent, and shall, in a summary way, inquire into the cause of such failure to perform the order or direction of the director of welfare, and may order and adjudge the able relatives or other persons responsible for the support of such applicant to pay such sum or to deliver to the court or to the director of welfare such other pledge or guarantee as the circumstances may require in the discretion of the court for each such applicant. However, where it shall appear that the person or persons sought to be held were the child or children of the applicant for old age assistance and were abandoned and deserted by the applicant who failed to support and maintain them during minority, the Superior Court may revoke the order of the director of welfare or reduce the
amount of said order against such child or children, in proportion to the actual support and maintenance rendered by said applicant to the child or children sought to be held. Any child now under an order to support an applicant for old age assistance may apply to the Superior Court which issued said order for the revocation or reduction of said order in accordance with the terms of this provision. Violation of any such order of the court shall be a contempt of said court and punishable as such.

The county welfare board may also bring appropriate action in any court of competent jurisdiction to recover any sum of money due for assistance given any person under this chapter against such person or against any other persons chargeable by law for the support of such person.

445. R.S.44:7-20 is amended to read as follows:

Director's power to issue subpoenas; contempt; false testimony.

44:7-20. For the purpose of ascertaining and determining the facts and circumstances concerning any application for assistance made under this chapter the county director of welfare shall have power, in his discretion, to compel the attendance of the applicant and other persons in this State and the production of books, records and other documents in this State pertinent to such examination. The director of welfare may administer oaths for the purpose of such examination. Upon any misconduct or failure to obey any summons or subpoena issued to an applicant by the director, or failure to testify by the applicant, the director may, in his discretion, subject to the approval of the county welfare board, reject the application for assistance. Any misconduct or failure to obey any summons or subpoena issued to an applicant or any other person by the director, or failure to testify by the applicant or other such person, shall be punishable by the Superior Court as a contempt is punishable in a case pending in the court. But no commitment shall be ordered for a period exceeding 90 days.

Any applicant or other person who shall knowingly give false testimony before the director shall be guilty of a misdemeanor.

446. Section 1 of P.L.1964, c.155 (C.44:11-1) is amended to read as follows:

447. Section 1 of P.L.1975, c.300 (C.45:1-12) is amended to
read as follows:

C.45:1-12 Extra fee for completion of medical claim form by podiatrist, opt­
ometrist or psychologist; penalty.

1. No podiatrist, optometrist or psychologist and no profes­
sional service corporation engaging in the practice of podiatry,
opometry or psychology in this State shall charge a patient an
extra fee for services rendered in completing a medical claim form
in connection with a health insurance policy. Any person violating
this act shall be subject to a fine of $100.00 for each offense.

Such penalty shall be collected and enforced by summary pro­
cedings pursuant to "the penalty enforcement law" (N.J.S.2A:58-
1 et seq.). The Superior Court and municipal court shall have
jurisdiction within its territory of such proceedings. Process shall
be either in the nature of a summons or warrant and shall issue in
the name of the State, upon the complaint of the State Board of
Medical Examiners with respect to podiatrists, the New Jersey
State Board of Optometry for optometrists or the State Board of Psychological Examiners for psychologists.

448. Section 11 of P.L.1978, c.73 (C.45:1-24) is amended to read as follows:

C.45:1-24 Failure to pay penalties; enforcement.
11. Upon the failure of any person to comply within 10 days after service of any order of a board directing payment of penalties or restoration of moneys or property, the Attorney General or the secretary of such board may issue a certificate to the Clerk of the Superior Court that such person is indebted to the State for the payment of such penalty and the moneys or property ordered restored. A copy of such certificate shall be served upon the person against whom the order was entered. Thereupon the clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted and of the State, a designation of the statute under which the penalty is imposed, the amount of the penalty imposed, and amount of moneys ordered restored, a listing of property ordered restored, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the Superior Court, and the Attorney General shall have all rights and remedies of a judgment creditor in addition to exercising any other available remedies. Such entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the board's order.

An action to enforce the provisions of any order entered by a board or to collect any penalty levied thereby may be brought in any municipal court or the Superior Court in summary manner pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.) and the rules of court governing the collection of civil penalties. Process in such action shall be by summons or warrant, and in the event that the defendant fails to answer such action, the court shall issue a warrant for the defendant's arrest for the purpose of bringing such person before the court to satisfy any order entered.

449. Section 12 of P.L.1978, c.73 (C.45:1-25) is amended to read as follows:

C.45:1-25 Violation of act or regulation; penalty enforcement.
12. Any person violating any provision of an act or regulation administered by a board shall, in addition to any other sanctions provided herein, be liable to a civil penalty of not more than
$2,500.00 for the first offense and not more than $5,000.00 for the second and each subsequent offense. For the purpose of construing this section, each transaction or statutory violation shall constitute a separate offense; provided, however, a second or subsequent offense shall not be deemed to exist unless an administrative or court order has been entered in a prior, separate and independent proceeding. In lieu of an administrative proceeding or an action in the Superior Court, the Attorney General may bring an action in the name of any board for the collection or enforcement of civil penalties for the violation of any provision of an act or regulation administered by such board. Such action may be brought in summary manner pursuant to “the penalty enforcement law” (N.J.S.2A:58-1 et seq.) and the rules of court governing actions for the collection of civil penalties in the municipal court where the offense occurred. Process in such action may be by summons or warrant and in the event that the defendant in such action fails to answer such action, the court shall, upon finding an unlawful act or practice to have been committed by the defendant, issue a warrant for the defendant’s arrest in order to bring such person before the court to satisfy the civil penalties imposed. In any action commenced pursuant to this section, the court may order restored to any person in interest any moneys or property acquired by means of an unlawful act or practice. Any action alleging the unlicensed practice of a profession or occupation shall be brought pursuant to this section or, where injunctive relief is sought, by an action commenced in the Superior Court. In any action brought pursuant to this act, a board or the court may order the payment of costs for the use of the State.

450. R.S.45:5-11 is amended to read as follows:

510. R.S.54:34-1 is amended to read as follows:

Transfers taxable.

54:34-1. Except as provided in section 54:34-4 of this Title, a tax shall be and is hereby imposed at the rates set forth in section 54:34-2 of this Title upon the transfer of property, real or personal, of the value of $500.00 or over, or of any interest therein or income therefrom, in trust or otherwise, to or for the use of any transferee, distributee or beneficiary in the following cases:

a. Where real or tangible personal property situated in this State or intangible personal property wherever situated is transferred by will or by the intestate laws of this State from a resident of this State dying seized or possessed thereof.

b. Where real or tangible personal property within this State of a decedent not a resident of this State at the time of his death is transferred by will or intestate law.

c. Where real or tangible personal property within this State of a resident of this State or intangible personal property wher-
ever situate of a resident of this State or real or tangible personal property within this State of a nonresident, is transferred by deed, grant, bargain, sale or gift made in contemplation of the death of the grantor, vendor or donor, or intended to take effect in possession or enjoyment at or after such death.

A transfer by deed, grant, bargain, sale or gift made without adequate valuable consideration and within three years prior to the death of the grantor, vendor or donor of a material part of his estate or in the nature of a final disposition or distribution thereof, shall, in the absence of proof to the contrary, be deemed to have been made in contemplation of death within the meaning of subsection c. of this section; but no such transfer made prior to such three-year period shall be deemed or held to have been made in contemplation of death.

d. Where by transfer of a resident decedent of real or tangible personal property within this State or intangible property wherever situate, or by transfer of a nonresident decedent of real or tangible personal property within this State, a transferee, distributee or beneficiary comes into the possession or enjoyment therein of:

(1) An estate in expectancy of any kind or character which is contingent or defeasible, transferred by an instrument taking effect on or after July 4, 1909; or

(2) Property transferred pursuant to a power of appointment contained in an instrument taking effect on or after July 4, 1909.

e. When a decedent appoints or names one or more executors or trustees and bequeaths or devises property to him or them in lieu of commissions or allowances, the transfer of which property would otherwise be taxable, or appoints him or them his residuary legatee or legatees, and the bequest, devise or residuary legacy exceed, what would be reasonable compensation for his or their services, such excess shall be deemed a transfer liable to tax. The Superior Court having jurisdiction in the case, shall determine what is a reasonable compensation.

f. The right of the surviving joint tenant or joint tenants, person or persons, to the immediate ownership or possession and enjoyment of real or personal property held in the joint names of two or more persons, or deposited in banks or other institutions or depositories in the joint names of two or more persons and payable to either or the survivor, excluding, however, the right of a spouse, as a surviving joint tenant with his or her deceased spouse, to the immediate ownership or possession and enjoyment of a membership certificate or stock in a cooperative housing corporation, the
ownership of which entitles such member or stockholder to occupy real estate for dwelling purposes as the principal residence of the decedent and spouse, shall upon the death of one of such persons, be deemed a transfer taxable in the same manner as though such property had belonged absolutely to the deceased joint tenant or joint depository and had been devised or bequeathed by his will to the surviving joint tenant or joint tenants, person or persons, excepting therefrom such part of the property as such survivor or survivors may prove to the satisfaction of the Director of the Division of Taxation to have originally belonged to him or them and never to have belonged to the decedent.

In the case of a nonresident decedent, subsection f. of this section shall apply only to real or tangible personal property within this State.

511. Section 1 of P.L.1939, c.122 (C.54:35-23) is amended to read as follows:

C.54:35-23 Consents to transfer assets.
1. Before the Director of the Division of Taxation shall issue any consents to transfer assets of a person dying domiciled in the State of New Jersey, he shall require that proof be submitted to him that the will of such decedent was originally probated in New Jersey, or that letters of administration upon the estate of such decedent were originally granted in New Jersey; and if it shall appear that original probate or that original administration was had in a foreign jurisdiction, the director shall withhold issuance of all consents to transfer the decedent's assets, and shall make report thereof to the Superior Court, and shall await the further order of the court. This act shall not apply in cases where it shall appear to the director that neither the probate of a decedent's will nor the grant of letters of administration shall be required by the laws of this State respecting administration of estates. Notwithstanding the provisions of this act, the director may, in his discretion, issue any or all consents to transfer assets of a decedent in any case where, in his judgment, withholding issuance thereof would jeopardize the collection of transfer inheritance taxes payable to this State.

512. R.S.54:39-59 is amended to read as follows:

Enforcement of penalty.

54:39-59. The penalty or fine imposed because of a violation of any provision of article eight of this chapter (Sec. 54:39-51 et seq.) shall be sued for in the name of the Director of the Division of
Taxation. The Superior Court and any municipal court, if the violation occurs within the territorial jurisdiction of the court, shall have jurisdiction over proceedings to enforce and collect the penalty or fine. The proceedings shall be summary and in accordance with "the penalty enforcement law" (N.J.S.2A:58-1 et seq.), and process shall be either in the nature of a summons or a warrant.

513. Section 18 of P.L.1963, c.44 (C.54:39A-18) is amended to read as follows:

C.54:39A-18 Certificate of indebtedness; docket entries; force and effect.
18. As an additional remedy, the director may issue a certificate to the Clerk of the Superior Court that any user is indebted under this act in such an amount as shall be stated in the certificate. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon his record of docketed judgments the name and address of such user and the address of the place of business where such tax liability was incurred, if shown in the certificate, the amount of the debt so certified, the short name of the tax and the date of making such entries. The making of the entries shall have the same force and effect as the entry of a docketed judgment in the office of such clerk, and the director shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to the user's right of appeal.

514. Section 18 of P.L.1959, c.191 (C.54:40-67) is amended to read as follows:

C.54:40-67 Enforcement of penalties.
18. Penalties set forth in this act shall be sued for by and in the name of the director and shall be recoverable with costs. The Superior Court and every municipal court shall have jurisdiction to enforce the provisions of this act. Any proceeding for a violation of this act may be brought in the county or municipality where the violation occurs or where the violator resides, has a place of business or principal office. The proceeding shall be summary in nature and in accordance with "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). A warrant may issue in lieu of summons. If judgment shall be rendered for the plaintiff, the court shall cause any defendant who may refuse or fail to pay forthwith the amount of the judgment rendered against him and all costs and charges incident thereto to be committed to the county jail for a period not exceeding 30 days.
If a defendant who is committed to jail in default of payment of the penalty shall serve the full period for which he shall be committed, upon his release from jail he shall be entitled to have the judgment satisfied of record, and the certificate of the warden of said jail that the said defendant has been detained for the period specified in the commitment which the judgment for the penalty and costs is docketed to discharge the same of record.

515. Section 601 of P.L.1948, c.65 (C.54:40A-24) is amended to read as follows:

Penalties, disposition of penalties, costs and expenses.

601. a. Penalties. Any person who shall engage in any business or activity for which a license is required under the provisions of this act, without first having obtained a license to do so, or who, having had such a license, shall continue to engage in or conduct such business after any such license shall have been revoked, or during a suspension thereof, shall be liable to a penalty of not more than $250.00, which penalty shall be sued for, and shall be recoverable in the name of the director; and each day that any such business is so engaged in or conducted shall be deemed a separate offense.

b. Jurisdiction of court; proceedings. The Superior Court and every municipal court within their respective jurisdictions, and with respect to offenses occurring within the territorial jurisdiction of the court, shall have jurisdiction over proceedings to enforce and collect the penalty. The proceedings shall be brought by and in the name of the director. They shall be summary and in accordance with "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). Process shall be either in the nature of a summons or warrant.

If judgment be rendered for the plaintiff, the court shall cause any defendant who refuses or fails to pay forthwith the amount of the judgment rendered against him and all the costs and charges incident thereto, to be committed to the county jail for such period as the court shall determine, not exceeding 30 days.

c. Penalty for further violations; recovery; proceedings in court. In case a person shall, after conviction of any violation of this act, be again convicted of violating the same provision thereof, he may be liable to a penalty for such further violation, in double the maximum penalty which might have been imposed on the first conviction, to be sued for and recovered in the manner above set forth. In case any defendant against whom judgment has been rendered for a money penalty under this subsection, shall fail or neglect to pay forthwith the amount of said penalty,
the court shall commit him to jail for such number of days not exceeding 90 days, as the court shall determine.

d. Disposition of penalties. All penalties recovered for violations of this act shall be paid to the director and by him accounted for and paid to the State Treasurer as in the case of State taxes.

e. Costs; expenses. The costs recoverable in any such proceeding shall be recovered by the director in the event of judgment in his favor. If the judgment be for the defendant it shall be without costs against the director. All expenses incident to the recovery of any penalty pursuant to the provisions of this section shall be paid for as any other expense incident to the administration of this act.

516. Section 609 of P.L.1948, c.65 (C.54:40A-32) is amended to read as follows:

C.54:40A-32 Records; possession and transportation of unstamped cigarettes; seizure and confiscation of vessel or vehicle.

609. Records; possession and transportation of unstamped cigarettes; seizure and confiscation of vessel or vehicles. Every person who shall transport cigarettes not stamped as required by this act upon the public highways, waterways, roads or streets of this State shall have in his actual possession invoices or delivery tickets for such cigarettes which shall show the true name and complete and exact address of the consignor or seller, the true name and complete and exact address of the consignee or purchaser, the quantity and brands of the cigarettes transported and in addition shall show separately the true name and complete and exact address of the person who has or shall assume the payment of the New Jersey State tax or the tax, if any, of the state or foreign country at the point of ultimate destination, provided that any common carrier which has issued a bill of lading for a shipment of cigarettes and is without notice to itself or to any of its agents or employees that said cigarettes are not stamped as required by this act shall be deemed to have complied with this act and the vehicle or vessel in which said cigarettes are being transported shall not be subject to confiscation hereunder. In the absence of such invoices, delivery tickets or bills of lading, as the case may be, the cigarettes so transported, the vehicle, or vessel in which the cigarettes are being transported and any paraphernalia or devices used in connection with the unstamped cigarettes, are declared to be contraband goods and may be seized by the director, his agents or employees or by any peace officer of the State when directed by the director, his agents or employees so to do, without a
warrant. The director shall immediately thereafter institute a proceeding for the confiscation thereof in the Superior Court or the municipal court within the jurisdiction of which the seizure is made. The owner or any person having a security interest in any such vehicle may secure release of the same by depositing with the clerk of the court, in which such proceeding is pending, a bond with good and sufficient sureties in an amount to be fixed by the court, conditioned upon the return of said vehicle to the director upon demand after completion of said proceeding. The court may proceed in a summary manner and may direct confiscation to the director; provided, however, anything to the contrary notwithstanding, that the owner or any person claiming to be the holder of a mortgage, conditional sales contract or other security interest in any vehicle or vessel, the disposition of which is provided for above, may present his petition so alleging and be heard, and in the event it appears to the court that the property was unlawfully used by a person other than the owner or such claimant, and if such owner or claimant acquired ownership or his security interest in good faith and without knowledge that the vehicle or vessel was going to be so used, the court shall either waive forfeiture in favor of such owner or claimant and order the vehicle or vessel returned or delivered to such owner or claimant, or if it is found that the value thereof exceeds the amount of the claim, the court shall order payment of the amount of the claim out of the proceeds of the sale. Every transporter who violates the provisions of this act is a disorderly person, and shall, in addition to such penalties as attached thereto, be liable to a penalty equal to the amount of tax due on any unstamped cigarettes transported by him, which penalty shall be sued for and recovered in the same manner as provided for the penalties imposed by section 601 of the act to which this act is amendatory (C.54:40A-24).

517. R.S.54:44-3 is amended to read as follows:

Certification of debt; judgment; docket; procedure thereon.

54:44-3. As an additional or alternative remedy, the director may issue a certificate to the Clerk of the Superior Court that any person is indebted under this subtitle in an amount named in the certificate and thereupon the clerk to whom the certificate shall have been issued shall immediately enter upon his record of docketed judgments the name of such person as defendant, and of the State as plaintiff, the amount of the debt so certified, a short name of the tax, and the date of making the entries. The making of the entries shall have the same force and effect as the entry of
a docketed judgment in the office of such clerk, and the director
shall have all of the remedies and may take all of the proceedings
for the collection thereof which may be had or taken upon the
recovery of a judgment in an action but without prejudice to the
taxpayer's right of appeal. Every person who shall be licensed to
manufacture, distribute, transport, store, warehouse, import, offer
for sale or sell alcoholic beverages, or to sell warehouse receipts,
receipts, certificates, contracts or other documents given upon the
storage of alcoholic beverages, under any law of this State shall,
by the acceptance of such license, be deemed to have consented
to the procedure set forth in this section.

518. R.S.54:49-12 is amended to read as follows:

Alternate remedy, effect of judgment, procedure.

54:49-12. As an additional remedy, the Director of the Division of
Taxation may issue a certificate to the Clerk of the Superior Court
that any person is indebted under such State tax law in such an
amount as shall be stated in the certificate. The certificate shall con­
tain a short name of the tax under which the said indebtedness arises.
Thereupon the clerk to whom such certificate shall have been issued
shall immediately enter upon his record of docketed judgments the
name of such person, and of the State, the address of the place of
business where such tax liability was incurred, if shown in the certif­
icate, the amount of the debt so certified, a short name of the tax, and
the date of making such entries. The making of the entries shall have
the same force and effect as the entry of a docketed judgment in the
office of such clerk, and the director shall have all the remedies and
may take all of the proceedings for the collection thereof which may
be had or taken upon the recovery of a judgment in an action, but
without prejudice to the taxpayer's right of appeal.

519. Section 1 of P.L.1943, c.10 (C.54:49-13.1) is amended to
read as follows:

Clerk of the Superior Court or of any former court has or shall
have entered upon his record of judgments the entries against
such corporation required in and by section 54:49-12 of the
Revised Statutes; and, whenever, acting pursuant to section
54:11-2 of the Revised Statutes, the Governor issues his procla­

56:3-23. The Superior Court and any municipal court shall have jurisdiction of proceedings for the collection and enforcement of a penalty imposed because of the violation, within the territorial jurisdiction of the court, of any provision of this article. The proceedings shall be summary and in accordance with “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). tainers or receptacles, and to bring before the court the person in whose possession bottles, containers or receptacles may be found. If any such bottles, containers or receptacles are found in the possession of any such person in violation of the provisions of this article, the court issuing the search warrant shall proceed summarily in a criminal proceeding to trial and judgment, and, upon a conviction and judgment, shall also award possession of the bottles, containers or receptacles taken under the search warrant to the owners or proprietors thereof.

401. Procedure for collection of penalties

The following procedure shall be followed in actions for the enforcement of penalties set forth in Article III of this act:

(a) The said penalty shall be sued for in the name of the Director of the Division of Taxation. The Superior Court and every municipal court is hereby authorized, upon the filing of a complaint in writing, duly verified by the Director of the Division of Taxation, or by any assistant or employee of the Director of the Division of Taxation, which may be made upon information or belief, that any retail dealer has violated any of the provisions of Article II of this act, to issue process at the suit of the Director of the Division of Taxation as plaintiff. Such process shall be either in the nature of a summons or warrant, which may issue without any order of the court or judge first being obtained against the person or persons so charged. When such process shall be in the nature of a warrant, it shall be returnable forthwith, and when in the nature of a summons, it shall be returnable in not less than five nor more than ten days. Such process shall specify the section of the act which is alleged to have been violated by the defendant or defendants, and upon the return of such process or at any time to which the trial shall be adjourned, the said court shall proceed and summarily hear the testimony and, without the filing of any pleadings, determine the matter and give judgment, without a jury, either for the plaintiff for the recovery of such penalty
with costs or for the defendant. If judgment shall be rendered for
the plaintiff, the court shall cause any defendant who may refuse
or fail to pay forthwith the amount of the judgment rendered
against him and all costs and charges incident thereto to be com-
mitted to the county jail for any period not exceeding the period
mentioned in Article III hereof.

(b) The officers to serve and execute all process under this act
shall be officers authorized to serve all process out of said court.
The court shall have the power to adjourn the hearing or trial in
any case from time to time, but in such case, except in case where
the first process was a summons, it shall be the duty of the judge
to detain the defendant in safe custody unless he shall enter into a
bond to the Director of the Division of Taxation with at least one
sufficient surety, in a sum fixed by the court which shall be not
less than fifty dollars ($50.00) nor more than two hundred dollars
($200.00), conditioned for his appearance on the day to which the
hearing shall be adjourned and thence from day to day until the
case is disposed of, and then to abide by the judgment of the said
court, and such bond if forfeited may be prosecuted by said
Director of the Division of Taxation.

(c) The form of conviction in prosecutions under this article
shall be in the following or similar form:

Such commitment shall also be signed by the judge and, in case of commitment of any defendant to jail, the conviction and the commitment shall be signed in duplicate, and one of the duplicate copies shall serve the purpose of a warrant of commitment. If a defendant who is committed to jail in default of payment of the penalty shall serve the full period for which he shall be committed, upon his release from jail he shall be entitled to have the judgment satisfied of record, and the certificate of the warden of said jail that the said defendant has been detained for the period specified in the commitment shall be sufficient warrant for the clerk of any court in which the judgment for the penalty and costs is docketed to discharge the same of record.

(d) The clerk of the court may sign and seal any process required to issue under this act, except a warrant of commitment. The costs recoverable in any such proceeding shall be the same as costs taxed in actions in said court and shall be recoverable by said Director of the Division of Taxation in the event of the conviction of the defendant. Execution may issue for the collection of any judgment obtained under this act against the goods and chattels and body of the defendant without any order first obtained for such purpose.

(e) The Director of the Division of Taxation may file a bill in the Superior Court for an injunction to prohibit any habitual violation of this act, or any of the orders, rules, or regulations made by the director, and every such action shall proceed in the Superior Court according to the rules and practice of that court, and cases of emergency shall have precedence over other litigation pending at the time in the Superior Court, and final hearing may be had within such time and on such notice as the court shall direct.

e. Penalties, when imposed or recovered in an action brought by a State weights and measures officer, shall be payable to the State Treasurer. When such action is brought by a county or municipal weights and measures officer, the penalty moneys shall be paid to the respective county or municipal treasury, as the case may be.

interest any moneys or property, real or personal, which have been acquired by any means declared to be unlawful under this act.

In the event that any person found to have violated any provision of this act fails to pay a civil penalty assessed by the court, the court may issue, upon application by the Attorney General, a warrant for the arrest of such person for the purpose of bringing him before the court to satisfy the civil penalty imposed.

527. Section 16 of P.L.1981, c.262 (C.58:1A-16) is amended to read as follows:

Such action may be maintained in the Superior Court or any municipal court, and jurisdiction is conferred upon said courts, within their respective territorial jurisdictions, to hear and determine such actions.

530. Section 8 of P.L.1983, c.230 (C.58:11-71) is amended to read as follows:

C.58:11-71 Violations; penalties.

8. a. c. The department may recover in any civil action the State's reasonable costs of preparing and litigating the civil action pursuant to this act.

d. Any and all penalties prescribed by any provisions of this act may be recovered in a civil action by a summary proceeding under "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). The Superior Court shall have jurisdiction to enforce the penalty enforcement law.

e. The department is authorized and empowered to compromise and settle any penalty imposed under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

f. All penalties received pursuant to the provisions of this act shall be paid into the "Environmental Services Fund" created by P.L.1975, c.232 (C.13:1D-29 et seq.), and expended for the functions authorized herein.

531. Section 10 of P.L.1977, c.224 (C.58:12A-10) is amended to read as follows:

C.58:12A-10 Violations; penalties.

10. a. If any person violates any of the provisions of this act or any rule, regulation or order promulgated or issued pursuant to the provisions of this act, the department may institute a civil action in a court of competent jurisdiction for injunctive or any other appropriate relief to prohibit and prevent such violation or violations, and the said court may proceed in the action in a summary manner.

b. Any person who violates the provisions of this act or any rule, regulation or order promulgated pursuant to this act shall be liable to a civil administrative penalty of not more than $5,000.00 for the first offense, not less than $5,000.00 nor more than $10,000.00 for the second offense, and up to $25,000.00 for the third and each subsequent offense, to be collected in a civil action by a summary proceeding under "the penalty enforcement law" (N.J.S.2A:58-1 et seq.), or in any case before a court of competent jurisdiction wherein injunctive relief had been requested. If the violation is of a continuing nature, each day during which it continues subsequent to receipt of an order to cease the violation shall constitute an additional, separate and distinct offense. No civil administrative penalty shall be levied, except subsequent to the notification of the violator by certified mail or personal service. The notice shall include a reference to the section of the statute, regulation, order or permit condition violated; a concise
statement of the facts alleged to constitute the violation; a statement of the amount of the civil penalties to be imposed; and a statement of the violator’s right to a hearing. The violator shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. Subsequent to the hearing and upon a finding that a violation has occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order upon the expiration of the 20-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied.

c. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances, including the posting of a performance bond by the violator.

Any penalty imposed under this subsection may be recovered with costs in a summary proceeding pursuant to “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). The Superior Court shall have jurisdiction to enforce “the penalty enforcement law.”

532. Section 12 of P.L.1972, c.185 (C.58:16A-63) is amended to read as follows:

alty enforcement law" (N.J.S.2A:58-1 et seq.), and in any court of competent jurisdiction wherein injunctive relief has been requested. The Superior Court shall have jurisdiction to enforce said penalty enforcement law. If the violation is of a continuing nature each day which it continues shall constitute an additional, separate and distinct offense. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances. All moneys recovered in any such action, together with the costs recovered therein, shall be paid to the Environmental Services Fund.

(b) If any person violates any of the provisions of this act or any rule or regulation promulgated pursuant to the provisions of this act, the department may institute an action in a court of competent jurisdiction for injunctive relief to prohibit and prevent such violation or violations and the said court may proceed in the action in a summary manner.

C.46:2B-13 Banking institutions to accept power of attorney.

4. With respect to banking transactions, banking institutions shall accept and rely on a power of attorney which conforms to this act and shall permit the agent to act and exercise the authority set forth in this act, provided that:

a. The banking institution shall refuse to rely on or act pursuant to a power of attorney if (1) the signature of the principal is not genuine, or (2) the employee of the banking institution who receives, or is required to act on, the power of attorney has received actual notice of the death of the principal, of the revocation of the power of attorney or of the disability of the principal at the time of the execution of the power of attorney;

b. The banking institution is not obligated to rely on or act pursuant to the power of attorney if it believes in good faith that the power of attorney does not appear to be genuine, that the principal is dead, that the power of attorney has been revoked or that the principal was under a disability at the time of the execution of the power of attorney. The banking institution shall have a reasonable time under the circumstances within which to decide whether it will rely on or act pursuant to a power of attorney presented to it, but it may refuse to act or rely upon a power of attorney first presented to it more than 10 years after its date or on which it has not acted for a 10-year period unless the agent is either the spouse, parent or a descendant of a parent of the principal;

c. If the power of attorney provides that it “shall become effective upon the disability of the principal” or similar words, the banking institution is not obligated to rely on or act pursuant to the power of attorney unless the banking institution is provided by the agent with proof to its satisfaction that the principal is then under a disability;

d. If the agent seeks to withdraw or pay funds from an account of the principal, the agent shall provide evidence satisfactory to the banking institution of his identity and shall execute a signature card in a form as required by the banking institution;

e. Unless specifically precluded by State statute, penalties for a violation prosecuted under this section shall be collected pursuant to the “penalty enforcement law,” N.J.S.2A:58-1 et seq.

9. A board of health of a county or municipality, or a regional health commission, with, or that is, a certified local health agency, or the governing body of any such county or municipality without a board of health or that is not a member of a regional health commission, may, in accordance with this section, formulate, adopt, amend, repeal and enforce environmental health ordinances to control air pollution, solid waste, hazardous waste, noise, pesticides, radiation, or water pollution, to protect workers and the public from hazardous substances and toxic catastrophes, or to protect against any other threat to environmental health for which authority has been delegated pursuant to section 10 of P.L.1977, c.443 (C.26:3A2-28), within the territorial area of the certified local health agency. Ordinances adopted pursuant to this section shall be consistent with all applicable federal and State statutes, rules and regulations and with any areawide water quality, air quality, solid waste, or other applicable management plan adopted pursuant to law and approved by the Commissioner of
Environmental Protection. Each ordinance shall be mailed to the commissioner within five working days of adoption, and shall take effect within 90 days of adoption, unless the commissioner disapproves the ordinance during that period. Model ordinances developed pursuant to subsection c. of section 10 of P.L.1977, c.443 (C.26:3A2-28) and adopted in full and without alteration by the appropriate governmental entity shall not be mailed to the commissioner and shall take effect immediately. A board of health of a county or municipality, or a regional health commission with, or that is, a certified local health agency, or the governing body of any such county or municipality without a board of health or that is not a member of a regional health commission may adopt an environmental health ordinance that is more stringent than the federal or State statute, rule, regulation, or management plan upon which it is based provided that the federal or State statute, rule, regulation, or management plan allows for the adoption of more stringent ordinances.

Notwithstanding any law, rule, or regulation to the contrary, an environmental health ordinance may provide for penalties for its violation consistent with the penalties established therefor in the applicable environmental health law, or any penalty schedule adopted by the department in accordance therewith.

5. Section 10 of P.L.1977, c.443 (C.26:3A2-28) is amended to read as follows:

The standards shall include provisions for the delivery to the department
of periodic reports on the results of the monitoring and enforcement activities of the certified local health agencies.

b. The commissioner may, in the same manner, delegate the administration of one or more aspects of the environmental health laws of this State or of the rules and regulations adopted thereto, which are administered by the department, to a certified local health agency, after he has adopted specific standards and guidelines for the administration of such programs by certified local health agencies, for so long as he determines that a certified local health agency has the capability and determination to adhere to those specific standards and guidelines. In determining whether to delegate authority to administer all or a portion of any program, or whether a certified local health agency has the capability or determination to assume or retain delegation of program administration, the commissioner shall consider:

(1) The consistency of the delegation with applicable federal or State law;
(2) The probable effects of the delegation on the effectiveness and efficiency of program administration, and the need for uniform program administration;
(3) The availability of technical expertise, adequate staff levels and other resources needed to adequately perform program administration.

Under a delegation of program administration for the “Toxic Catastrophe Prevention Act,” P.L.1985, c.403 (C.13:1K-19 et seq.) and the “Worker and Community Right to Know Act,” P.L.1983, c.315 (C.34:5A-1 et seq.), delegation may not include authority to require documentation that is in addition to that required to be retained by an employer under those laws.
c. The commissioner shall develop one or more comprehensive model ordinances dealing with the control of air pollution, solid waste, hazardous waste, noise, pesticides, radiation, and water pollution, the protection of workers and the public from hazardous substances and toxic catastrophes, or other threats to environmental health for which authority has been delegated, for use by the appropriate local governmental entity, and to provide technical assistance to the certified local health agencies.

6. Section 11 of P.L.1977, c.443 (C.26:3A2-29) is amended to read as follows:

C.26:3A2-29 Grants to local agencies; conditions; environmental health fund.

11. a. The commissioner is authorized to make grants to certified local health agencies for the provision of environmental
health services. The commissioner shall prescribe procedures for applying for the grant, and terms and conditions for receiving the grant. The State's contribution shall not exceed 50% of the cost of any undertaking for which a grant is made.

b. There is established in the department a non-lapsing environmental health fund that shall consist of all revenues appropriated or otherwise made available for the purpose of making grants on a non-matching basis to certified local health agencies, including such monies from fees, fines and penalties collected by the department in implementing environmental health laws as the department may deposit in the fund. Non-matching grants shall be used by certified local health agencies in the administration or implementation of environmental health laws, or rules or regulations adopted pursuant thereto, for which delegation of program administration has been received, or for implementation of local ordinances adopted in accordance therewith. Non-matching grant monies may be used only for new or for expanding programs, or for development of technical and administrative procedures and protocols, training and personnel development, special projects and equipment, or other similar purposes approved by the commissioner. Non-matching grants made pursuant to this subsection shall be in addition to grants made pursuant to subsection a. of this section.

c. Monies in the fund may be used by the commissioner to provide training, equipment or other services to certified local health agencies for the purpose of assisting them in carrying out their responsibilities under P.L.1977, c.443 (C.26:3A2-21 et seq.).

C.26:3A2-34 Certified local health agency service fees.

7. Notwithstanding any law to the contrary, a certified local health agency, if authorized by ordinance, may charge a reasonable fee for any service provided in connection with an environmental health ordinance, but such fee shall not exceed the estimated cost of providing that service. All fees collected pursuant to this section shall be deposited in the "Environmental Quality and Enforcement Fund," created pursuant to section 8 of P.L.1991, c.99 (C.26:3A2-35). Authorization to charge service fees shall be provided, as appropriate, by ordinance of any county or municipal board of health, or regional health commission, with a county department or that is a certified local health agency, or, in the case of any such county or municipality without a board of health or that is not a member of a regional health commission, of the governing body of that county or municipality.
C.26:3A2-35 County, municipality to establish Environmental Quality and Enforcement Fund.

8. Each county and municipality with a certified local health agency, shall establish an "Environmental Quality and Enforcement Fund." Any fees, fines or penalties collected pursuant to P.L.1977, c.443 (C.26:3A2-21 et seq.) shall be deposited into the respective county or municipal fund, and shall be dedicated to the use of the county department or certified local health agency in carrying out its responsibilities under that act.

9. Within 90 days of the effective date of this act, the Department of Environmental Protection shall review, and revise if necessary, regulations adopted pursuant to P.L.1977, c.443 (C.26:3A2-21 et seq.), to reflect the provisions of P.L.1991, c.99 (C.26:3A2-34 et al.).

10. This act shall take effect immediately.

Whenever a county board shall have determined to direct such a division of responsibility in an election district, it shall, not later than the second day preceding the election, appoint such additional members to the district board of the district as may be required, in the same manner as provided for the appointment of district board members under R.S.19:6-1, provided that no additional members shall be appointed for the purpose of dividing responsibility for performance of the duties of judge or inspector of that district board. The county board shall also, at the same time at which any such appointment of additional members is made, designate each member of the district board other than the judge or inspector of the board, whether that member was appointed under R.S.19:6-1 or appointed as an additional member under this section, to serve either on the first or the second shift of the board; in making this designation, the county board of elections shall give due consideration to ensuring that district board members with experience in the conduct of elections are included in the membership of each shift. With respect to any district board of elections for which shifts have been established hereunder, the provisions of this section shall not be construed to prevent a county board of elections from designating a clerk member of that board to serve on both shifts of the board, or from establishing a preference, in appointing the clerk members of that board, for the selection of individuals who are available to serve on both shifts of the board.

The county board shall establish the hours during which each shift shall serve, and shall timely notify the judge and inspector of the district board of the hours of the two shifts and the respec-
tive members of each shift of the hours of that shift's service. The
two shifts shall be as nearly equal in duration as is practicable.
The members of the second shift shall be required to be present at
the polls not later than one-half hour prior to the end of the first
shift, and the responsibility for the conduct of the election in the
election district shall be transferred from the first shift to the sec­
ond shift during that last half-hour period of the first shift's
service under such rules as the county board shall prescribe.

The members of each shift of a district board of elections des­
ignated under this section shall have all of the responsibilities
prescribed by law for the conduct of the election during the
period in which that shift serves. In addition, the members of the
first shift shall have responsibility, subject to the several duties
specifically conferred by law upon the judge and inspector of the
district board, for the receipt and custody, prior to the election, of
election supplies and equipment; for preparation of the polling
place for the election; and for the performance of all other duties
relating to the election which are required by law to be carried
out prior to the commencement of the balloting, up to and includ­
ing the opening of the polls. Likewise, the members of the second
shift shall have responsibility, subject to the several duties specif­
ically conferred by law upon the judge and inspector of the
district board, for closing the polls; for counting the votes cast in
the election and ascertaining the results thereof; for the prepara­
tion and delivery of statements of those results; for the proper
disposition of ballots in accordance with law; for the securing of
the ballot boxes or voting machines; for the return of all election
equipment and supplies; and for the performance of all other
duties relating to the election which are required by law to be car­
rried out following the closing of the polls.

The compensation of a member of a shift of the district board
payable with respect to the member's service on that shift shall be
equal to one-half of the amount, pursuant to R.S.19:45-6, payable
to members of a district board for which no division of responsi­
bilities between a first shift and second shift, as provided by this
section, has been established.

2. This act shall take effect immediately.

The tax collector of a taxing district shall send a written notice of a property tax delinquency to the mortgagor and the applicable servicing organization within 60 days after the tax payment on the property is delinquent. However, the validity of the tax delinquency and the time it is due shall not be affected by the failure of the mortgagor or the servicing organization to receive the notice.
   b. If the tax payments of the mortgagor are to be made by the mortgagee or its servicing organization from an escrow account; the mortgagee or its servicing organization has been authorized to receive and has been sent the original tax bill in time to make the property tax payment without being delinquent; the mortgagor has made escrow account payments in accordance with the schedule pro-

c. If the mortgagor makes a tax payment and notifies the mortgagee or servicing organization pursuant to paragraphs (1) and (2) of subsection b. of this section, the mortgagee or its servicing organization, upon receipt of the notice and a copy of the paid tax bill, shall credit the mortgagor’s mortgage escrow account in an amount equal to the interest paid by the mortgagor and provide the mortgagor a notice to that effect.

2. Section 12 of P.L.1990, c.69 (C.17:16F-25) is amended to read as follows:

C.17:16F-25 Failure to resolve tax payment delinquency.

12. a. Upon failure by the mortgagee or its servicing organization to resolve the tax payment delinquency within 30 days of the date of the notice provided pursuant to section 11 of P.L.1990, c.69 (C.17:16F-24) a mortgagor may:

(1) Send a copy of the paid tax bill to the mortgagee or its servicing organization along with a notice that, pursuant to subsection a. of this section:
(a) The mortgagor is no longer required to make payments into the mortgage escrow account; and

   c. If, subsequent to taking the actions permitted under subsection a. and required under subsection b. of this section, the mortgagor fails to pay property taxes, insurance or other charges with respect to the real property which secures the mortgage loan, the mortgagee or its servicing organization may, at its sole discretion, pay any delinquent property taxes, insurance or other charges with respect to the real property which secures the mortgage loan and recover from the mortgagor any amount so paid with interest. Such payment by the mortgagee or its servicing organization shall be without prejudice to the rights the mortgagee may have, by contract or law, with regard to the enforcement of its mortgage agreement concerning nonpayment of property taxes, insurance or other charges with respect to the real property which secures the mortgage loan.

After such analysis, and subject to the limitations set forth in subsection b. of section 2 of P.L.1990, c.69 (C.17:16F-16), the scheduled escrow account payments shall be adjusted to provide a sufficient accumulation of funds in the escrow account to make anticipated
disbursements on the appropriate dates during the ensuing year. The mortgagor shall be given 10 days' advance notice of any adjustment in scheduled payments to the escrow account and shall be provided a full explanation of the reasons for any change. When the escrow account is analyzed in accordance with this subsection, any surplus or shortage shall be refunded to or collected from the mortgagor as provided by the contract. If there is a surplus in the escrow account, application of the surplus to delinquent payments shall be considered a cash refund to the mortgagor.

b. Notwithstanding the provisions of subsection a. of this section or any other law to the contrary, a mortgagee or its servicing organization shall make any adjustments required by law in the amount of a mortgagor’s scheduled escrow account payments within 60 days of receipt of the tax bill sent out by the collector of the taxing district pursuant to subsection a. of R.S. 54:4-64.

4. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Within certain cities in this State in which property revaluation has not been performed for twenty years or more there have developed substantial assessment discrepancies causing high relative tax burdens in some neighborhoods and low relative tax burdens in other neighborhoods.
   b. These assessment discrepancies have evolved gradually, and have been exacerbated by factors such as the abandonment by industry of the cities in favor of the suburbs or other states.
   c. The implementation of a revaluation in these cities would have the effect of immediately shifting relative tax burdens from properties which, prior to the revaluation, were comparatively over-taxed, to those which were comparatively under-taxed. This
immediate and substantial burden shift will cause a sudden severe fiscal shock to many property taxpayers, and especially impact on the poor, and on the elderly on fixed incomes who have lived in their homes for many decades.

d. The severe fiscal shock that will occur from the implementation of a revaluation in these cities will not give homeowners time to adjust their household finances accordingly to meet substantially higher tax obligations, and will threaten home ownership among the poor, lower-middle class and elderly. Loss of home ownership by these people will threaten neighborhood stability and viability and ultimately jeopardize the city's property tax base.

e. Recently enacted property tax reform laws are designed to lessen the tax burden on most of New Jersey's property taxpayers. Postponing the implementation of a revaluation until the new reforms have taken effect will lessen the severe fiscal shock that will be suffered by poor, lower-middle class and elderly property taxpayers.

f. It is therefore a compelling public purpose to allow a delay of the implementation of a revaluation so that the benefits of the recent property tax reform laws can offset the severe fiscal shock of a property tax revaluation. This compelling public purpose far outweighs the effect of a brief further delay in meeting the constitutional requirement of uniformity in assessment.

2. Notwithstanding any provision of law, rule, regulation or judicial order to the contrary, no city which has not implemented a revaluation of real property since January 1, 1970, shall be required to implement a revaluation of real property until January 1, 1992. The determination of a city not to implement a revaluation pursuant to this act shall not prevent the city from conducting and implementing any partial or complete reassessment of real property in the city during the time covered by the act.

3. This act shall take effect immediately.

Approved April 19, 1991.

CHAPTER 113

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1947, c.347 (C.19:31-18.1) is amended to read as follows:

C.19:31-18.1 Registry lists; distribution.

2. a. The county clerk in all counties shall cause copies of the registry lists, certified and transmitted under R.S.19:31-18, to be printed in handbill form, and shall furnish to any voter applying for the same such copies, charging therefor $0.25 per copy of the list of voters of each election district. He shall also furnish five printed copies thereof to each district board, which shall within two days post two such registry lists, one in the polling place and one in another conspicuous place within the election district. The county clerk shall also forthwith deliver to the superintendent of elections of the county, if any there be, and to the chairmen of the county committees of each of the several political parties in the county, five copies of the lists of voters of each election district in the county; and to the municipal clerk of each of the municipalities in the county five copies of the lists of voters of each election district in such municipality; and to the county board 10 copies of the lists of voters of each election district in each of such municipalities. The county clerk shall also, upon the request of the chairman of the State committee of any of the several political parties, but not more than once in each calendar year, forthwith deliver a copy of the lists of voters of each election district in each of the municipalities in his county. In any county where the voter registration lists are recorded on magnetic tape, the county clerk shall satisfy the request by delivery of a copy of the magnetically recorded lists, including with the tape, where available, a statement of the number of records on the tape and the length, layout and block size of those records.

b. In any county where the voter registration lists are recorded on magnetic tape or electronic data processing cards, the commissioner of registration shall furnish a copy of such tape or cards to any voter requesting such tape or cards, for which copy such commissioner shall make a charge which shall be uniform in any calendar year and which shall reflect only the cost of reproducing such tape or cards, but which in any case shall not exceed $375.

c. No person shall use voter registration lists or copies thereof prepared pursuant to this section as a basis for commercial solici-
tation of the voters listed thereon. Any person making such use of such lists or copies thereof shall be a disorderly person, and shall be punished by a fine not exceeding $500.00.

2. This act shall take effect immediately.

Approved April 19, 1991.

CHAPTER 114

AN ACT concerning agricultural science education and supplementing P.L.1979, c.241 (C.18A:7C-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:35-4.11 Findings, declarations.
1. The Legislature finds and declares that agriculture is an applied science and that certified agriculture teachers have strong scientific educational backgrounds which qualify them to teach agricultural science courses. The Legislature further finds that recent changes in the State high school graduation requirements have increased the number of science credits needed for graduation thereby reducing student opportunities to participate in agricultural education courses such as plant science, animal science, agricultural biology, and agricultural science.

2. The Department of Education, in consultation with teachers who hold an instructional certificate with an agriculture endorsement, shall develop curriculum guidelines for agricultural science education programs appropriate for use in grades 9 through 12 of the public schools. The department shall make these curriculum guidelines available to all school districts in the State.

3. The Department of Education shall establish a standardized process for the evaluation of agricultural science courses and programs offered by local school districts for the purpose of identifying the science skills that are taught in the course or program. Any student who satisfactorily completes an agricultural science course or program which is determined to contain appropriate science skills
shall receive credit toward meeting high school graduation requirements for science established by statute or regulation.

C.18A:35-4.14 Agricultural science proficiencies included in science core courses.

4. In the event that the State Board of Education develops Statewide core course proficiencies in science, the State board shall include the agricultural science proficiencies contained in the curriculum guidelines established pursuant to section 2 of this act in those proficiencies.

5. This act shall take effect immediately.

Approved April 19, 1991.

CHAPTER 115

AN ACT changing the equipment length requirements of certain motor-drawn vehicles and amending R.S.39:3-84.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:3-84 is amended to read as follows:

Maximum dimensional limits.

39:3-84. a. The following constitute the maximum dimensional limits for width, height and length for any vehicle or combination of vehicles, including load or contents or any part or portion thereof, found or operated on any public road, street or highway or any public or quasi-public property in this State. Violations shall be enforced pursuant to subsection i. of section 5 of P.L.1950, c.142 (C.39:3-84.3).

The dimensional limitations set forth in this subsection are exclusive of safety and energy conservation devices necessary for safe and efficient operation of a vehicle or combination of vehicles, including load or contents, except that no device excluded herein shall have by its design or use the capability to carry, transport or otherwise be utilized for cargo.

Any rules and regulations authorized to be promulgated pursuant to this subsection shall be consistent with any rules and regulations promulgated by the Secretary of Transportation of the
United States of America, and shall be in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). In addition to the other requirements of this subsection and notwithstanding any other provision of this Title, no vehicle or combination of vehicles, including load or contents or any part or portion thereof, except as otherwise provided by this subsection shall be operated in this State, unless by special permit authorized by subsection d. of this section with a dimension, the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving federal highway funds.

As used herein and pursuant to R.S.39:1-1, the term "vehicle" includes, but is not limited to, commercial motor vehicles, trucks, truck tractors, tractors, road tractors, or omnibuses. As used herein and pursuant to R.S.39:1-1, the term "combination of vehicles" includes, but is not limited to, vehicles as heretofore designated, when those vehicles are the drawing or power unit of a combination of vehicles and motor-drawn vehicles, such as, but not limited to, trailers, semi-trailers, or other vehicles. As used herein, the term "recycling vehicle" means a commercial motor vehicle used for the collection or transportation of recyclable material; or any truck, trailer or other vehicle approved by the New Jersey Office of Recycling for use by persons engaging in the business of recycling or otherwise providing recycling services in this State; and "recyclable material" means those materials which would otherwise become solid waste, and which may be collected, separated or processed and returned to the economic mainstream in the form of raw materials or products.

(1) The maximum outside width of any vehicle or combination of vehicles, including load or contents of any part or portion thereof, except as otherwise provided by this subsection, shall be no more than 102 inches; except that the Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police, may promulgate rules and regulations for those public roads, streets or highways or public or quasi-public property in this State, where it is determined that the interests of public safety and welfare require the maximum outside width be no more than 96 inches.

(2) The maximum height of any vehicle or combination of vehicles, including load or contents of any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 13 feet, 6 inches.
(3) The maximum overall length of any vehicle, as set forth in this subsection, including load or contents or any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 35 feet, except that the overall length of a vehicle, including load or contents or any part or portion thereof, otherwise subject to the provisions of this paragraph shall not exceed 50 feet when transporting poles, pilings, structural units or other articles which cannot be dismembered, dismantled or divided. When a vehicle, subject to this paragraph, is the drawing or power unit of a combination of vehicles, as set forth in this subsection, the overall length of the combination of vehicles, including load or contents or any part or portion thereof, shall not exceed 62 feet. The provisions of this paragraph shall not apply to omnibuses or to vehicles which are not designed, built or otherwise capable of carrying cargo or loads.

(4) The maximum overall length of a motor-drawn vehicle, as set forth in this subsection, including load or contents or any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 53 feet when operated as part of a combination of vehicles consisting of one motor-drawn vehicle and a drawing or power unit vehicle not designed, built or otherwise capable of carrying cargo or loads, except that a motor-drawn vehicle, the overall length of which is greater than 48 feet and not more than 53 feet, shall be constructed so that the distance between the kingpin of the motor-drawn vehicle and the centerline of its rear axle or rear axle group does not exceed 41 feet; the motor-drawn vehicle shall be equipped with a rear-end protection device of substantial construction consisting of a continuous lateral beam extending to within four inches of the lateral extremities of the motor-drawn vehicle and located not more than 22 inches from the surface as measured with the vehicle empty and on a level surface; the kingpin of the trailer shall not be set back further than 3.5 feet from the front of the semitrailer; the rear overhang, measured from the center of the rear tandem axles to the rear of the semitrailer shall not exceed 35% of the semitrailer’s wheelbase; the tractor wheelbase shall not exceed 20 feet between the center of the front axle and the center of the rear single axle or tandem axles; the width of the semitrailer and the distance between the outside edges of the trailer tires shall be 102 inches; and the vehicle shall be equipped with such reflectorization, including but not limited to side-marker reflectorization strips located between the rear axle and the rear of the motor-
drawn vehicle, as shall be prescribed by the Division of Motor Vehicles, and as is consistent with any applicable federal standards concerning reflectorization. The overall length of a motor-drawn vehicle otherwise subject to the provisions of this paragraph shall not exceed 63 feet when transporting poles, pilings, structural units or other articles that cannot be dismembered, dismantled or divided. The provisions of this paragraph shall not apply to any vehicle or combination of vehicles designed, built and utilized solely to transport other motor vehicles. The Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police, shall promulgate rules and regulations specifying those portions or parts of the National System of Interstate and Defense Highways, Federal-aid Primary System Highways and public roads, streets, highways, toll roads, freeways or parkways in this State where the combination of vehicles as described in this paragraph may lawfully operate. The commissioner shall promulgate rules and regulations within 120 days after the effective date of this amendatory act to identify a network of roads with reasonable access for motor-drawn vehicles greater than 48 feet in length but not more than 53 feet in length. The commissioner shall, in establishing this network, consider all portions of the network for 48 foot long and 102 inch wide motor-drawn vehicles and specify those routes or portions thereof where motor-drawn vehicles greater than 48 feet in length but not more than 53 feet in length shall be excluded from lawful operation for reasons of safety.

(5) No combination of vehicles, including load or contents, consisting of more than two motor-drawn vehicles, as set forth in this subsection, and any other vehicle, shall be found or operated on any public road, street or highway or any public or quasi-public property in this State.

(6) The maximum overall length of a motor-drawn vehicle, as set forth in this section, including load or contents or any part or portion thereof, except as otherwise provided by this subsection, when operated as part of a combination of vehicles consisting of two motor-drawn vehicles and a drawing or power unit vehicle which is not designed, built or otherwise capable of carrying cargo or loads, shall not exceed 28 feet for each motor-drawn vehicle in the combination of vehicles. The provision of this paragraph shall not apply to any vehicle or combination of vehicles designed, built and utilized solely to transport other motor vehicles. The Commissioner of Transportation, after consultation with
the Director of the Division of Motor Vehicles and the Superintendent of State Police, shall promulgate rules and regulations specifying those portions or parts of the National System of Interstate and Defense Highways, Federal-aid Primary System Highways and public roads, streets, highways, toll roads, freeways or parkways in this State where combinations of vehicles as described in this paragraph may lawfully operate.

(7) The maximum length and outside width of an omnibus found or operated in this State shall be established by rules and regulations promulgated by the Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police. Unless otherwise specified in the aforesaid rules and regulations, the maximum outside width shall be 102 inches; any other dimension established for width in the aforesaid rules and regulations shall be based upon a determination that operation of an omnibus with a width of less than 102 inches, but no less than 96 inches is required in the interest of public safety on those public roads, streets, highways, toll roads, freeways, parkways or the National System of Interstate and Defense Highways in this State specified in the aforesaid rules and regulations, or that operation of an omnibus with a width greater than 102 inches is not unsafe on those public roads, streets, highways, toll roads, freeways, parkways or the National System of Interstate and Defense Highways in this State specified in the aforesaid rules and regulations.

(8) The maximum width and length of farm tractors and traction equipment and farm machinery and implements shall be established by rules and regulations promulgated by the Director of the Division of Motor Vehicles. The operation of the aforesaid vehicles shall be subject to the provisions of R.S.39:3-24 and they shall not be operated on any highway which is part of the National System of Interstate and Defense Highways or on any highway which has been designated a freeway or parkway as provided by law.

(9) The maximum outside width of the cargo or load of a vehicle or combination of vehicles, including farm trucks, loaded with hay or straw shall not exceed 105 1/2 inches, but the maximum outside width of the vehicle or combination of vehicles, including farm trucks, shall otherwise comply with the provisions of paragraph (1) of this subsection. The Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police, may promulgate rules and regulations establishing a maximum
outside width of 102 inches for the aforesaid cargo or load when operating on those highways where a greater width is prohibited by operation of law.

(10) Notwithstanding the provisions of paragraphs (4) and (6) of this subsection pertaining to length, the Director of the Division of Motor Vehicles may adopt rules and regulations specifying maximum length dimensions for any vehicle or combination of vehicles designed, built and utilized solely to transport other motor vehicles.

(11) The provisions of this subsection pertaining to length shall not apply to a vehicle or combination of vehicles or special mobile equipment operated by a public utility, as defined in R.S.48:2-13, when that vehicle or combination of vehicles or special mobile equipment is used by the public utility in the construction, reconstruction, repair or maintenance of its property or facilities.

(12) The provisions of this subsection pertaining to width shall not apply to a recycling vehicle when that vehicle is used for the collection of recyclable material on a street or highway other than a highway which is designated part of the National System of Interstate and Defense Highways in this State or as a freeway or parkway as provided by law. The maximum outside width of any recycling vehicle so used, including load or contents of any part or portion thereof, shall be no more than 96 inches, except that the width may be up to 105 inches whenever that vehicle is operating at 15 miles per hour or less, and access steps are deployed and recyclable materials are actually being collected.

b. No vehicle or combination of vehicles, including load or contents, found or operated on any public road, street or highway or any public or quasi-public property in this State shall exceed the weight limitations set forth in this Title. Violations shall be enforced pursuant to subsection j. of section 5 of P.L.1950, c.142 (C.39:3-84.3).

Where enforcement of a weight limit provision of this Title requires a measurement of length between axle centers, the distance between axle centers shall be measured to the nearest whole foot or whole inch, whichever is applicable, and when the measurement includes a fractional part of a foot equaling six inches or more or a fractional part of an inch equaling one-half inch or more, the next larger whole foot or whole inch, whichever is applicable, shall be utilized. The term "tandem axle" as used in this act is defined as a combination of consecutive axles, consisting of only two axles, where the distance between axle centers is 40 inches or more but no more than 96 inches.
In addition to the other requirements of this section and notwithstanding any other provision of this Title, no vehicle or combination of vehicles, including load or contents, shall be operated in this State, unless by special permit authorized by this Title, with a gross weight, single or multiple axle weight, or gross weight of two or more consecutive axles, the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving federal highway funds.

(1) The gross weight imposed on the highway or other surface by the wheels of any one axle of a vehicle or combination of vehicles, including load or contents, shall not exceed 22,400 pounds.

For the purpose of this Title the combined gross weight imposed on the highway or other surface by all the wheels of any one axle of a vehicle or combination of vehicles, including load or contents, shall be deemed to mean the total gross weight of all wheels whose axle centers are spaced less than 40 inches apart.

(2) The gross weight imposed on the highway or other surface by all the wheels of all consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed 34,000 pounds where the distance between consecutive axle centers is 40 inches or more, but no more than 96 inches apart.

(3) The combined gross weight imposed on the highway or other surface by all the wheels of consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed 22,400 pounds for each single axle where the distance between consecutive axle centers is more than 96 inches; except that on any highway in this State which is part of, or designated as part of, the National Interstate System, as provided at 23 U.S.C. §103(e), this single axle limitation shall not apply and in those instances the provisions of this Title as set forth at R.S.39:3-84b.(5) shall apply.

(4) The maximum total gross weight imposed on the highway or other surface by a vehicle or combination of vehicles, including load or contents, shall not exceed 80,000 pounds.

(5) On any highway in this State which is part of, or designated as part of, the National Interstate System, as provided at 23 U.S.C. §103(e), the total gross weight, in pounds, imposed on the highway or other surface by any group of two or more consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed that listed in the following Table of Maximum Gross Weights, for the respective distance, in feet, between the axle centers of the first and last axles of the group of
two or more consecutive axles under consideration; except that in addition to the weights specified in that Table, two consecutive sets of tandem axles may carry a gross weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more. The gross weight of each set of tandem axles shall not exceed 34,000 pounds and the combined gross weight of the two consecutive sets of tandem axles shall not exceed 68,000 pounds.

In all cases the combined gross weight for a vehicle or combination of vehicles, including load or contents, or the maximum gross weight for any axle or combination of axles of the vehicle or combination of vehicles, including load or contents, shall not exceed that which is permitted pursuant to this paragraph or R.S.39:3-84b.(2); R.S.39:3-84b.(3); or R.S.39:3-84b.(4) of this act, whichever is the lesser allowable gross weight.

Notwithstanding the provisions of section 3 of P.L.1944, c.255 (C.43:16A-3) or any other law or regulation to the contrary, a full-time employee of a part-paid fire department in a borough which has adopted the retirement system and which is located in a county of the third class with a population in excess of 150,000 according to the 1980 federal decennial census, who was appointed to full-time employment immediately following four years of part-time service in the department, shall be enrolled in the retirement system, provided the employee furnishes such evidence of good health at the time of becoming a member as the retirement system shall require. Employee and employer contributions shall be due and payable from the date of full-time employment.

2. This act shall take effect immediately and shall expire 60 days thereafter.

CHAPTER 118

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 16 of P.L.1970, c.205 (C.17:11A-49) is amended to read as follows:

C.17:11A-49 Purchase of loan insurance.

16. a. A borrower shall not be compelled to purchase credit life or accident and health insurance or credit involuntary unemployment insurance in connection with a secondary mortgage loan. If, however, the borrower elects to obtain such insurance, the borrower or borrowers shall, in a separate instrument, consent thereto, in writing, and, provided further:

(1) The credit life and accident and health insurance shall be obtained in accordance with the provisions of N.J.S.17B:29-4, and the regulations promulgated by the Commissioner of Insurance pursuant thereto and the credit involuntary unemployment insurance shall be obtained in accordance with forms and rates
filed and approved by the Commissioner of Insurance pursuant to applicable regulations.

(2) The premium for any such insurance shall be deducted from the amount of the secondary mortgage loan requested by the borrower in the case of a closed-end loan or charged monthly in the case of an open-end loan.

(3) The term of any credit insurance provided pursuant to paragraph (1) of this subsection may be for a period less than the term of the credit transaction to provide modified or partial coverage, provided however, whenever the term of such insurance is less than the term of the loan, that information shall be stated on the face of the individual policy or group certificate in not less than ten point bold face type.

b. Notwithstanding any provisions of P.L.1970, c.205 (C.17:11A-34 et seq.) to the contrary, a licensee may require a borrower to demonstrate that the real property securing the loan is insured against damage or loss due to fire and other perils, including those of extended coverage, for a term not to exceed the term of the loan and in an amount not to exceed the amount of the loan together with an amount needed to satisfy all prior liens on that property.

c. Nothing in this act or in any other law of this State shall prohibit a licensee or any employee, affiliate, subsidiary, or associate of said licensee, from collecting the premium or identifiable charge for insurance permitted by this act and from receiving or retaining any dividend, or any other gain or advantage resulting from such insurance; subject, however, to the authority of the commissioner to promulgate such rules and regulations with regard to such dividend, gain or advantage as he may deem necessary.

2. Section 1 of P.L.1962, c.159 (C.17:10-14.1) is amended to read as follows:

C.17:10-14.1 Credit life, involuntary unemployment insurance with small loans.

1. a. When the borrower consents thereto in writing, a licensee may obtain or provide:

(1) Insurance on the life and on the health or disability, or both, of one obligor, and on the lives of two obligors if spouses, pursuant to the provisions of N.J.S.17B:29-1 et seq.; and

(2) Credit involuntary unemployment insurance in accordance with forms and rates filed and approved by the Commissioner of Insurance pursuant to applicable regulations.
b. If a licensee obtains or provides any credit insurance for a borrower pursuant to subsection a. of this section, a licensee may deduct from the principal of a loan and retain an amount equal to the premium lawfully charged by the insurance company. The amount so deducted and retained shall not be considered a prohibited charge or amount of any examination, service, brokerage, commission, expense, fee or bonus or other thing or otherwise.

c. If a borrower obtains such insurance from or through a licensee, the statement required by R.S.17:10-15 shall show the amount of the charge therefor, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate or other evidence of such insurance when the loan is made. Nothing in the "Consumer Loan Act" shall prohibit the licensee, or any employee, affiliate, subsidiary or associate of the licensee, from collecting the premium or identifiable charge for insurance permitted by this section and from receiving and retaining any dividend, or any other gain or advantage resulting from such insurance, nor shall the sale or provision of such insurance be deemed to require prior authorization under the provisions of R.S.17:10-13.

3. Section 5 of P.L.1979, c.493 (C.17:10-14.2) is amended to read as follows:

C.17:10-14.2 Definitions.

5. a. As used in this amendatory and supplementary act:

(1) "Open-end loan" means a loan made by a licensee pursuant to an agreement between the licensee and the borrower whereby:

(i) The licensee may permit the borrower to obtain advances of money from the licensee from time to time or the licensee may advance money on behalf of the borrower from time to time as directed by the borrower;

(ii) The amount of each advance and permitted interest and charges are debited to the borrower's account and payments and other credits are credited to the same account;

(iii) Interest is computed on the unpaid principal balance or balances of the account from time to time;

(iv) The borrower has the privilege of paying the account in full at any time or, if the account is not in default, in monthly installments of fixed or determinable amounts as provided in the agreement; and

(v) The agreement expressly states that it covers open-end loans pursuant to this chapter.
(2) "Billing Cycle" means the time interval between periodic billing dates. A billing cycle shall be considered monthly if the closing date of the cycle is the same date each month or does not vary by more than four days from such date.

b. Open-end loans shall be subject to the following:

(1) A licensee may make open-end loans and may contract for and receive thereon interest as set forth in R.S.17:10-14 of this chapter.

(2) A licensee shall not compound interest by adding any unpaid interest authorized by this section to the unpaid principal balance of the borrower's account; provided, however, the unpaid principal balance may include the additional charges authorized by R.S.17:10-14 and P.L.1962, c.159 (C.17:10-14.1).

(3) Interest authorized by this section shall be deemed not to exceed the maximum interest permitted by this chapter if such interest is computed in each billing cycle by any of the following methods:

(i) By converting each yearly rate to a daily rate and multiplying such daily rate by the applicable portion of the daily unpaid principal balance of the account, in which case each daily rate is determined by dividing each yearly rate by 365; or

(ii) By multiplying one-twelfth of each yearly rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle; or

(iii) By converting each yearly rate to a daily rate and multiplying such daily rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case each daily rate is determined by dividing each yearly rate by 365, and the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle.

(4) For all of the above methods of computation, the billing cycle shall be monthly and unpaid principal balance on any day shall be determined by adding to any balance unpaid as of the beginning of that day all advances and other permissible amounts charged to the borrower and deducting all payments and other credits made or received that day.

c. The borrower may at any time pay all or any part of the unpaid balance in his account; or, if the account is not in default, the borrower may pay the unpaid principal balance in monthly installments, subject to minimum payment requirements set forth in this subsection.
Minimum monthly payments shall be in such amount as would result in the full repayment of the initial loan advance, exclusive of any interest, within the maximum term set forth for other loans of the same amount in section 6 of this amendatory and supplementary act. This minimum payment shall continue at that amount until such time as an additional advance to the borrower is made, other than for permitted charges, at which time the minimum monthly payment shall be determined and shall be in such amount as would result in the full repayment of the unpaid principal balance of the loan, after the advance and including the advance, within the maximum term set forth for the other loans of the same amount. Minimum payments after each subsequent advance shall be determined in the same manner. No minimum payment shall exceed the amount required to pay the balance in full, including unpaid interest and charges to date.

d. In addition to the interest permitted under subsection b., a licensee may contract for and receive the other charges permitted by this chapter on other loans, subject to all the conditions and restrictions set forth in those sections with the following variations:

(1) If credit life, disability or involuntary unemployment insurance is provided and if the insured dies or becomes disabled or involuntarily unemployed when there is an outstanding open-end loan indebtedness, the insurance shall be sufficient to pay the total balance of the loan due on the date of the borrower's death in the case of credit life insurance, all minimum payments which become due on the loan during the covered period of disability in the case of credit disability insurance or all covered minimum payments which become due on the loan during the covered period of involuntary unemployment in the case of involuntary unemployment insurance. The additional charge for credit life insurance, credit disability insurance or credit involuntary unemployment insurance shall be calculated in each billing cycle by applying the current monthly premium rate for such insurance, as the rate may be determined by the Commissioner of Insurance, to the unpaid balances in the borrower's account, using any of the methods specified in subsection b.(3) for the calculation of interest.

(2) No credit life, disability or involuntary unemployment insurance written in connection with an open-end loan shall be cancelled by the licensee because of delinquency of the borrower in the making of the required minimum payments on the loan unless one or more of the payments is past due for a period of 90 days or more; and the licensee shall advance to the insurer the
amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

e. A licensee may take a security interest in personal property to secure an open-end loan. Any security interest may be retained until the open-end account is terminated, provided that if the security interest covers consumer goods, then within one month or within 10 days following written demand by the borrower after there is no outstanding balance in the account and no commitment by the licensee to make advances, the licensee shall release the security interest. If the security interest covers personal property other than consumer goods, whenever there is no outstanding balance in the account and no commitment by the licensee to make advances, the licensee shall within 10 days following written demand by the borrower release the security interest. If a security interest is taken, the open-end loan agreement shall state the nature and extent of such security interest.

f. R.S.17:10-15 shall not apply to open-end loans made under this chapter, except that no licensee shall take any confession of judgment or power of attorney in connection with an open-end loan, or take any instrument in which blanks are left to be filled in after the loan is made.

g. The record-keeping systems used by licensees for open-end loans shall be reviewed on an individual basis to determine whether the records are adequate for the purposes of R.S.17:10-12.

4. The title of P.L.1963, c.103 is amended to read as follows:

Title amended.

An act concerning credit insurance on certain borrowers from banking institutions, and supplementing P.L.1948, c.67 (C.17:9A-1 et seq.).

5. Section 1 of P.L.1963, c.103 (C.17:9A-70.1) is amended to read as follows:

C.17:9A-70.1 Definitions.

1. As used in this act:

"Banking institution" means a banking institution as defined in section 1 of P.L.1948, c.67 (C.17:9A-1);

"Credit insurance" means credit life insurance and credit health insurance issued pursuant to chapter 29 of Title 17B of the New Jersey Statutes, and credit involuntary unemployment insurance issued in accordance with forms and rates filed with and approved by the Commissioner of Insurance pursuant to applicable regulations.
6. Section 2 of P.L.1963, c.103 (C.17:9A-70.2) is amended to read as follows:

C.17:9A-70.2 Credit insurance on borrower.

2. When a banking institution makes a loan pursuant to P.L.1948, c.67 (C.17:9A-1 et seq.), P.L.1985, c.81 (C.17:3B-4 et seq.), or any other law or regulation authorizing the loan, the banking institution may, subject to the provisions of this act, obtain or provide credit insurance on the borrower or borrowers and, if the borrower or borrowers consent in writing to the obtaining or providing of such insurance, the banking institution may deduct and retain from the proceeds of any such loan an amount equal to the premium lawfully charged by the insurer issuing such insurance. If such premium charge is so deducted and retained, (a) such deduction and retention shall not be deemed an interest or other charge or demand prohibited by the law authorizing the loan; and (b) the banking institution shall deliver or cause to be delivered to the insured borrower at the time when a loan is made a copy of the insurance policy, or certificate therefor, or a copy of the application for such policy, or a notice of proposed insurance, as required by law. Nothing in the act to which this act is a supplement or in any other law of this State shall prohibit a banking institution, or any employee of a banking institution, from collecting the premium or identifiable charge for insurance obtained or provided as authorized by this act, or prevent a banking institution from receiving or retaining any dividend or any other gain or advantage resulting from such insurance.

7. This act shall take effect immediately.

Approved April 24, 1991.

1. N.J.S.2C:21-6 is amended to read as follows:

Credit cards.

2C:21-6. Credit Cards.

a. Definitions. As used in this section:

(1) “Cardholder” means the person or organization named on the face of a credit card to whom or for whose benefit the credit card is issued by an issuer.

(2) “Credit card” means any tangible or intangible instrument or device issued with or without fee by an issuer that can be used, alone or in connection with another means of account access, in obtaining money, goods, services or anything else of value on credit, including credit cards, credit plates, account numbers, or any other means of account access.

(3) “Expired credit card” means a credit card which is no longer valid because the term shown either on it or on documentation provided to the cardholder by the issuer has elapsed.

(4) “Issuer” means the business organization or financial institution which issues a credit card or its duly authorized agent.

(5) “Receives” or “receiving” means acquiring possession or control or accepting a credit card as security for a loan.

(6) “Revoked credit card” means a credit card which is no longer valid because permission to use it has been suspended or terminated by the issuer.

b. False statements made in procuring issuance of credit card. A person who makes or causes to be made, either directly or indirectly, any false statement in writing, knowing it to be false and with intent that it be relied on, respecting his identity or that of any other person, firm or corporation, or his financial condition or that of any other person, firm or corporation, for the purpose of procuring the issuance of a credit card is guilty of a crime of the fourth degree.

c. Credit card theft.

(1) A person who takes or obtains a credit card from the person, possession, custody or control of another without the cardholder’s consent or who, with knowledge that it has been so taken, receives the credit card with intent to use it or to sell it, or
to transfer it to a person other than the issuer or the cardholder is
guilty of a crime of the fourth degree. Taking a credit card without consent includes obtaining it by any conduct defined and prescribed in Chapter 20 of this title, Theft and Related Offenses.

A person who has in his possession or under his control (a) credit cards issued in the names of two or more other persons or, (b) two or more stolen credit cards is presumed to have violated this paragraph.

(2) A person who receives a credit card that he knows to have been lost, mislaid, or delivered under a mistake as to the identity or address of the cardholder, and who retains possession with intent to use it or to sell it or to transfer it to a person other than the issuer or the cardholder is guilty of a crime of the fourth degree.

(3) A person other than the issuer who sells a credit card or a person who buys a credit card from a person other than the issuer is guilty of a crime of the fourth degree.

(4) A person who, with intent to defraud the issuer, a person or organization providing money, goods, services or anything else of value, or any other person, obtains control over a credit card as security for debt is guilty of a crime of the fourth degree.

A person other than the purported issuer who possesses two or more credit cards which are falsely made or falsely embossed is presumed to have violated this paragraph. A person "falsely makes" a credit card when he makes or draws, in whole or in part, a device or instrument which purports to be the credit card of a named issuer but which is not such a credit card because the issuer did not authorize the making or drawing, or alters a credit card which was validly issued. A person "falsely embosses" a credit card when, without the authorization of the named issuer, he completes a credit card by adding any of the matter, other than the signature of the cardholder, which an issuer requires to appear on the credit card before it can be used by a cardholder.

(6) A person other than the cardholder or a person authorized by him who, with intent to defraud the issuer, or a person or organization providing money, goods, services or anything else of value, or any other person, signs a credit card, is guilty of a crime of the fourth degree. A person who possesses two or more credit cards which are so signed is presumed to have violated this paragraph.

Knowledge of revocation shall be presumed to have been received by a cardholder four days after it has been mailed to him at the address set forth on the credit card or at his last known address by registered or certified mail, return receipt requested, and, if the address is more than 500 miles from the place of mailing, by air mail. If the address is located outside the United States, Puerto Rico, the Virgin Islands, the Canal Zone and Canada, notice shall be presumed to have been received 10 days after mailing by registered or certified mail.

e. Intent to defraud by person authorized to furnish money, goods, or services; penalties.

(1) A person who is authorized by an issuer to furnish money, goods, services or anything else of value upon presentation of a credit card by the cardholder, or any agent or employees of such person, who, with intent to defraud the issuer or the cardholder, furnishes money, goods, services or anything else of value upon presentation of a credit card obtained or retained in violation of subsection c. of this section or a credit card which he knows is forged, expired or revoked violates this paragraph and is guilty of a crime of the third degree.

Professional engineers licensed pursuant to P.L.1938, c.342 (C.45:8-27 et seq.) shall be exempt from the certification requirements of section 3 of this act and from the payment of a recertification or renewal fee required pursuant to section 4 of this act, but shall be required to obtain a certification card issued by the department at no charge and to make the card available for inspection by a State or local official when performing tank services on an underground storage tank at an underground storage tank site. Professional engineers exempt pursuant to this subsection shall be required to attend a department approved training course on the department's rules and regulations concerning underground storage tanks within one year of certification or recertification.

C.58:10A-24.3 Examinations for certification to perform services on underground storage tanks.

3. a. The department shall establish and conduct examinations for certifying that a person is qualified to perform services on underground storage tanks at underground storage tank sites for purposes of complying with the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.). Application to the department for examination for certification shall be made in a manner and on such forms as may be prescribed by the department. The department may prescribe training or continuing education, experience or other requirements as a condition for taking a certification examination, or for recertification. The filing of an application shall be accompanied by a nonrecoverable application fee of $35.00 to cover the costs of processing the application and conducting examinations. No person shall be certified by the department unless he or she satisfactorily completes the examination and satisfies any other requirements of this act, or of the department adopted pursuant thereto.

b. Notwithstanding the provisions of subsection a. of this section, any person who files, within 300 days of the effective date of this act, an application for certification under this subsection, and demonstrates to the department that he or she has adequately performed services on underground storage tanks at underground storage tank sites for at least five consecutive years immediately preceding the filing of the application, shall be certified without examination upon payment of an application and certification fee. Within one year of certification, a person certified pursuant to this subsection shall submit to the department evidence of attendance at a department approved training course on the department's rules

Renewal of a certification, or recertification, shall be made to the department at least 60 days prior to the expiration date of the certification, and shall be accompanied by evidence of attendance at a department approved training course, within the preceding 12 months, on the department's rules and regulations concerning underground storage tanks. Certification shall not be transferable. No certification or recertification shall be issued until a certification fee of $250.00 has been paid in full to the department. Application and certification fees shall be in an amount sufficient to cover the costs to the department of administering and enforcing the provisions of this act and may be adjusted by the department through the adoption of rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). A person shall have 90 days from the expiration date of a certification to renew an expired certification, after which date the person shall be required to apply for a new certification. The 90-day grace period shall not entitle a person to perform any services for which certification is required.

Financial
responsibility shall be in an amount to be determined by the department but in no case less than $250,000. Financial responsibility may be in the form of insurance, a surety bond, letter of credit, or other security posted with the department, or self-insurance, as may be prescribed by the department. If the financial responsibility is in the form of insurance, a surety bond, or similar device, the business firm shall promptly notify the department of any cancellation or change in coverage. Financial responsibility in the amount and form required by the department shall be maintained for the term of certification by the business firm.

A copy of the certification shall be conspicuously displayed for public review in the business office of a firm engaged in providing services for underground storage tanks at underground storage tank sites. If a firm maintains a business office at more than one location, the certification shall be conspicuously displayed at each location.

C.58:10A-24.5 Denial, revocation, etc. of certification.

5. a. The department may deny, suspend, revoke, or refuse to renew a certification for good cause, including:

(1) a violation, or abetting another to commit a violation, of any provision of this act, or of P.L.1986, c.102 (C.58:10A-21 et seq.), or rule or regulation adopted, or order issued under either act;

(2) making a false statement on an application for certification or other information required by the department pursuant to this act, or P.L.1986, c.102;

(3) misrepresentation or the use of fraud in obtaining certification or performing underground storage tank services.

b. Before suspending, revoking, or refusing to renew a certification, the department shall afford the applicant or certificate holder an opportunity to be heard in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

c. Suspension, revocation, or refusal to renew a certification shall not bar the department from pursuing against the applicant or certificate holder any other lawful remedy available to the department.

d. Any business firm or person whose certification is revoked shall be ineligible to apply for certification for three years from the date of the revocation.

e. If the department has reason to believe that a condition exists that poses an imminent threat to the public health, safety or welfare, it may order the certificate holder to cease operations pending the outcome of the hearing.
CHAPTER 123, LAWS OF 1991 699

C.58:10A-24.6 Violations, penalties.

6. a. If a person violates any of the provisions of this act, or any rule or regulation adopted, or order issued, thereunder, the department may institute a civil action in a court of competent jurisdiction for injunctive or other appropriate relief to prohibit and prevent the violation, and the court may proceed in the action in a summary manner.

b. Any person who violates the provisions of this act, or any rule or regulation adopted, or order issued, hereunder, is liable to a civil administrative penalty of not more than $5,000 for the first offense, not more than $10,000 for the second offense, and $25,000 for the third and each subsequent offense. If the violation is of a continuing nature, each day of violation subsequent to receipt of an order to cease the violation constitutes an additional, separate and distinct offense. No civil administrative penalty shall be levied except subsequent to the notification of the violator by certified mail or personal service. The notice shall include a reference to the section of the statute, regulation, order or permit condition violated; a concise statement of the facts alleged to constitute the violation; a statement of the amount of the civil penalty to be imposed; and a statement of the violator's right to a hearing. The violator shall have 20 days from receipt of notice within which to deliver to the department a written request for a hearing. Subsequent to the hearing and upon a finding that a violation has occurred, the department may issue a final order assessing the amount of the penalty. If no hearing is requested, the notice shall become a final order upon the expiration of the 20-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. Agreement to, or payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied.

c. Any person who violates the provisions of this act is liable to a civil penalty of not more than $5,000 for the first offense, not more than $10,000 for the second offense, and $25,000 for the third and each subsequent offense. Any person violating an administrative order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection a. of this section, or who fails to pay a civil administrative penalty when due and owing as provided in subsection b. of this section, is subject to a civil penalty not to exceed $25,000 per day of the violation. Each day's continuance of a violation constitutes a sep-
arate and distinct violation. Any penalty imposed under this subsection may be recovered with costs in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). The Law Division of the Superior Court shall have jurisdiction to enforce "the penalty enforcement law."

d. The department may compromise and settle any claim for a penalty under this section in such amount as the department may determine to be appropriate and equitable under all of the circumstances.

e. Any person who fails to contest or to pay, in whole or in part, a penalty imposed pursuant to this section, or who fails to agree to a payment schedule therefor, within 30 days of the date that the penalty is due and owing, shall be subject to an interest charge on the amount of the penalty from the date that the amount was due and owing. The rate of interest shall be that established by the New Jersey Supreme Court for interest rates on judgments, as set forth in the Rules Governing the Courts of the State of New Jersey.

f. The penalty provisions of this section shall be in addition to such penalties as may be assessable pursuant to section 12 of P.L.1986, c.102 (C.58:10A-32) for violations of that act.

g. All penalties, monies, and any interest thereon, assessed and collected pursuant to this section shall be deposited into the "New Jersey Spill Compensation Fund," established pursuant to section 10 of P.L.1976, c.141 (C.58:10-23.11i) for use for any of the authorized purposes of the fund. The provisions of this subsection shall not apply to penalties assessed and collected pursuant to section 12 of P.L.1986, c.102 (C.58:10A-32).

7. Within 18 months of the effective date of this act, the department shall adopt, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary to implement the provisions of this act.

8. This act shall take effect immediately.

CHAPTER 126

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1989, c.164 (C.39:3-10j) is amended to read as follows:

C.39:3-10j Findings, declaration.

1. The Legislature finds that:

a. On September 20, 1988, the Secretary of the United States Department of Transportation granted the states of this nation the authority to exempt certain drivers from the licensing provisions

b. The "Commercial Motor Vehicle Safety Act of 1986" requires a commercial driver's license for anyone who operates a vehicle that has a gross weight rating in excess of 26,000 pounds, carries 15 or more passengers or transports hazardous materials.

c. While that act's objectives to regulate and improve the traffic safety of the commercial trucking industry are laudable, it could have an unintended, and largely adverse, impact upon certain non-commercial drivers.

d. Unless the State of New Jersey, in accordance with the Secretary of the United States Department of Transportation's directive, exercises its exemption authority, certain operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad, non-civilian operators of military vehicles owned or operated by the United States Department of Defense or the National Guard, and farmers operating farm vehicles will be obligated to secure commercial driver's licenses under that act.

e. There appears to be no significant evidence that the operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad, non-civilian operators of military vehicles owned or operated by the United States Department of Defense or the National Guard, or farmers operating farm vehicles in and about their regular agricultural activities pose or have created any safety hazards on the public highways which would warrant their being licensed under the provisions of the "Commercial Motor Vehicle Safety Act of 1986."

The Legislature, therefore, declares that it is altogether fitting and proper to authorize, in accordance with the directives issued by the Secretary of the United States Department of Transportation, that the designated operators of firefighting apparatus, operators of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad, non-civilian operators of military vehicles owned and operated by the United States Department of Defense or the National Guard, and operators of farm vehicles under certain circumstances be exempted from the licensing requirements set forth in the "Commercial Motor Vehicle Safety Act of 1986."
2. Section 2 of P.L.1989, c.164 (C.39:3-10k) is amended to read as follows:

C.39:3-10k Exemption of certain operators of fire, military, farm vehicles.
2. Unless otherwise required by federal law or regulation, and subject to any rules and regulations promulgated pursuant to the provisions of this act, no (1) designated operator of firefighting apparatus, (2) non-civilian operator of a military vehicle owned or operated by the United States Department of Defense or the National Guard, (3) operator of a farm vehicle controlled and operated by a farmer, used to transport agricultural products, farm machinery or farm supplies to or from a farm, operated within 150 miles of a person's farm, and not used in the operation of a common or contract motor carrier, or (4) operator of emergency or rescue equipment operated for the purposes of a first aid, ambulance or rescue squad, shall be subject to the licensing provisions of the "Commercial Motor Vehicle Safety Act of 1986," Pub.L.99-570 (49 U.S.C. §2701 et seq.).

Notwithstanding the provisions of this section, a waiver shall not be granted if the granting of the waiver would place the State in a position of not being in substantial compliance with the requirements of the federal act.

3. This act shall take effect immediately.

CHAPTER 127

AN ACT concerning representation on regional health commissions and amending P.L.1938, c.67.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1938, c.67 (C.26:3-85) is amended to read as follows:

C.26:3-85 Composition of commission.
3. A regional health commission shall consist of two members from each board of health participating therein except that when
more than seven boards of health participate, the commission shall consist of one member, or a designated representative, from each board. When an independent local board of health is in place, the members or representatives to serve on a regional commission shall be appointed by the board of health. In municipalities having no independent local board of health, members of regional health commissions shall be appointed by the local governing body. Members shall serve on regional health commissions at the pleasure of the appointing authority.

2. This act shall take effect immediately.

CHAPTER 128

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

As used in this section a high cost county is a county in which for the 1988-89 school year the average cost per pupil mile for approved transportation, other than for handicapped pupils or pupils whose parent or guardian receives a payment in lieu of transportation pursuant to N.J.S.18A:39-1, exceeded the State-wide average by more than 15%.

For any school year in which the numerical values in this section have not been altered pursuant to section 17 of P.L.1990, c.52 (C.18A:7D-19), the State aid amount calculated for a district pursuant to this section shall be increased by the product of the amount calculated and the CPI.

9. The apportionment of State aid among local school districts shall be calculated by the commissioner as follows:
   a. The per pupil aid amount for providing the equivalent service to children enrolled in the public schools, shall be determined by multiplying the bilingual program weight from section 81 of P.L.1990, c.52 (C.18A:7D-21) or the appropriate cost factor from section 14 of P.L.1990, c.52 (C.18A:7D-16) by the State foundation amount as defined in section 6 of P.L.1990, c.52 (C.18A:7D-6). The appropriate per pupil aid amount for compensatory education shall be determined by multiplying the per pupil amount of compensatory education aid in the prebudget year by the PCI as defined by section 3 of P.L.1990, c.52 (C.18A:7D-3).
   b. The appropriate per pupil aid amount shall then be multiplied by the number of auxiliary services received for each pupil enrolled in the nonpublic schools who were identified as eligible to receive each auxiliary service as of the last school day of June of the prebudget year, to obtain each district's State aid for the next school year.
   c. The per pupil aid amount for home instruction shall be determined by multiplying the State foundation amount as defined in section 6 of P.L.1990 c.52 (C.18A:7D-6) by a cost factor of 0.0037 by the number of hours of home instruction actually provided in the prior school year.

4. Section 6 of P.L.1977, c.193 (C.18A:46-19.4) is amended to read as follows:

6. Each board of education shall provide for the services of a certified speech-language specialist for each child attending a nonpublic school located in the school district and classified pursuant to N.J.S.18A:46-8 as requiring the services of a certified speech-language specialist.

14. On November 5 of each year, each board of education shall forward to the commissioner an estimate of the cost of providing,
during the next school year, examination, classification and speech correction services to nonpublic school children who attend a nonpublic school located within the district who were identified as eligible to receive each of these services pursuant to this act during the previous school year. Each board of education shall report the number of nonpublic school children who attended a nonpublic school located within the district, who were identified as eligible for supplementary instruction services during the preceding school year. The number of these pupils shall be multiplied by the appropriate cost factor from section 14 of P.L.1990, c.52 (C.18A:7D-16) and by the State foundation amount as defined in section 6 of P.L.1990, c.52 (C.18A:7D-6). This product shall be added to the estimated cost for providing examination, classification and speech correction services.

In preparing its annual budget, each board of education shall include as an expenditure the estimated cost of providing services to nonpublic school children pursuant to P.L.1977, c.193 (C.18A:46-19.1 et al.).

In preparing its annual budget, each board of education shall include as a revenue State aid in an amount equal to such estimated cost of providing services to nonpublic school children pursuant to P.L.1977, c.193 (C.18A:46-19.1 et al.).

During each school year, each district shall receive an amount of State aid equal to 10% of such estimated cost on the first day in September and on the first day of each month during the remainder of the school year. If a board of education requires funds prior to September, the board shall file a written request with the Commissioner of Education stating the need for the funds. The commissioner shall review each request and forward those for which need has been demonstrated to the appropriate officials for payment.

In the event the expenditures incurred by any district are less than the amount of State aid received, the district shall refund the unexpended State aid after completion of the school year. The refunds shall be paid no later than December 1. In any year, a district may submit a request for additional aid pursuant to P.L.1977, c.193 (C.18A:46-19.1 et al.). If the request is approved and funds are available from refunds of the prior year, payment shall be made in the current school year.

C.45:1-2.2 Membership of certain boards and commissions; appointment, removal, quorum.

2. a. All members of the several professional boards and commissions shall be appointed by the Governor in the manner prescribed by law; except in appointing members other than those appointed pursuant to subsection b. or subsection c., the Governor shall give due consideration to, but shall not be bound by, recommendations submitted by the appropriate professional organizations of this State.

b. In addition to the membership otherwise prescribed by law, the Governor shall appoint in the same manner as presently prescribed by law for the appointment of members, two additional members to represent the interests of the public, to be known as public members, to each of the following boards and commissions: the New Jersey State Board of Accountancy, the New Jersey State Board of Architects, the New Jersey State Board of Cosmetology and Hairstyling, the New Jersey State Board of Dentistry, the State Board of Mortuary Science of New Jersey, the State Board of Professional Engineers and Land Surveyors, the State Board of Medical Examiners, the New Jersey Board of Nursing, the New Jersey State Board of Optometrists, the State Board of Examiners of Ophthalmic Dispensers and Ophthalmic Technicians, the Board of Pharmacy, the State Board of Professional Planners, the State Board of Psychological Examiners, the New Jersey Real Estate Commission, the State Board of Short-hand Reporting, the State Board of Social Work Examiners, and the State Board of Veterinary Medical Examiners, and one additional public member to each of the following boards: the Board of Examiners of Electrical Contractors, the State Board of Marriage Counselor Examiners, the State Board of Examiners of Master Plumbers, and the State Real Estate Appraiser Board. thereof regulated by the board of which he is a member, where such association or relationship would prevent such public member from representing the interest of the public. Such a relationship includes a relationship with members of one's immediate family; and such association includes membership in the profession regulated by the board. To receive services rendered in a customary client relationship will not preclude a prospective public member from appointment. It shall be the responsibility of the Attorney General to insure that no person with the aforementioned association or relationship or any other questionable or potential conflict of interest shall be appointed to serve as a public member of any board regulated by this section.

Where a board is required to examine the academic and professional credentials of an applicant for licensure or to test such applicant orally, no public member appointed pursuant to this section shall participate in such examination process; provided, however, that public members shall be given notice of and may be present at all such examination processes and deliberations concerning the results thereof, and, provided further, that public members may participate in the development and establishment of the procedures and criteria for such examination processes.

c. The Governor shall designate a department in the Executive Branch of the State Government which is closely related to the profession or occupation regulated by each of the boards or commissions designated in section I of P.L.1971, c.60 (C.45:1-2.1) and shall appoint the head of such department, or the holder of a designated office or position in such department, to serve without compensation at the pleasure of the Governor as a member of such board or commission.

d. A majority of the voting members of such boards or commissions shall constitute a quorum thereof and no action of any such board or commission shall be taken except upon the affirmative vote of a majority of the members of the entire board or commission.

CHAPTER 136

An Act concerning the dates of certain State payments to municipalities and certain payments by municipalities, and amending P.L.1966, c.135 and P.L.1944, c.255.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1966, c.135 (C.54:11D-6) is amended to read as follows:

C.54:11D-6 Distribution.

6. The distribution required to be made by the State Treasurer under this act shall be made annually as follows: 50 percent of the amount appropriated shall be payable annually on July 5, 25 percent on August 1 and 25 percent on November 1 of each year.

2. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as follows:

C.43:16A-15 Contributions; expenses of administration.

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be 8.5% of compensation.
(3) (Deleted by amendment, P.L.1989, c.204).

(4) Each employer shall make contributions equal to the percentage of compensation of members in its employ as certified by the board of trustees based on annual actuarial valuations. The percentage rate of contribution payable by employers shall be determined initially on the basis of the entry age normal cost method. This shall be known as the “normal contribution.”

(5) (Deleted by amendment, P.L.1989, c.204).

(6) The percentage rates of contribution payable by employers pursuant to subsection (4) of this section shall be subject to adjustment from time to time by the board of trustees with the advice of the actuary on the basis of annual actuarial valuations and experience investigations as provided under section 13, so that the value of future contributions of members and employers, when taken with present assets, shall be equal to the value of prospective benefit payments.

(7) Each employer shall cause to be deducted from the salary of each member the percentage of earnable compensation prescribed in subsection (2) of this section. To facilitate the making of deductions, the retirement system may modify the amount of deduction required of any member by an amount not to exceed \(1/10\) of 1% of the compensation upon which the deduction is based.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) Upon the basis of such tables recommended by the actuary as the board adopts and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1988 which has accrued on the basis of service rendered prior to July 1, 1988 by all members, which amount shall remain frozen and shall be amortized over a period not to exceed 40 years as determined by the State Treasurer. Using the total amount of this unfunded
accrued liability, the actuary shall compute an increasing amount of annual payment, which is estimated to remain a level percentage of prospective total compensation and which, if paid in each succeeding fiscal year commencing with July 1, 1989, for the period determined by the State Treasurer, will provide for this liability. This shall be known as the “accrued liability contribution.”

The normal and accrued liability contributions as certified by the retirement system shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

(10) The treasurer or corresponding officer of the employer shall pay on or before July 1 in each year to the State Treasurer the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds, of the retirement system.

If payment of the full amount of the employer’s obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be included with the certification by the retirement system of the employer’s contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) The Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the
retirement system an amount equal to 1.8% of the compensation of the members of the system upon which the normal contribution rate is based to fund the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.1979, c.109.

3. This act shall take effect immediately and be applicable to payments in the 1991 calendar year and thereafter.

A full-time employee of the Rutgers University Cooperative Extension Service who meets the age and service requirements based upon service credited in the federal Civil Service Retirement System or the Federal Employees Retirement System earned as a result of full-time employment at Rutgers University alone, or in combination with service credit under PERS or qualifying service under ABP, and is eligible to retire under the federal Civil Service Retirement System or the Federal Employees Retirement System within the time period set forth in subsection c.,
shall receive the benefits provided by this section. The State shall pay the premium or periodic charges for the benefits if the employee is a member of the federal Civil Service Retirement System or the Federal Employees Retirement System.

3. The actuaries for PERS and TPAF shall determine the liabilities of the retirement systems for the additional service credit or pensions and health benefits payments provided under this act and for the early retirement of employees in accordance with the tables of actuarial assumptions adopted by the boards of trustees of the retirement systems. These liabilities shall be added to the unfunded accrued liabilities of the State under the retirement systems and shall be paid in the same manner and over the remaining time periods provided for the State’s unfunded accrued liability under section 24 of P.L.1954, c.84 (C.43:15A-24) and N.J.S.18A:66-18, respectively. The State shall pay the cost of the actuarial work to determine the additional liabilities of the retirement systems for the benefits under this act.

4. The cost of the cash payments to members of ABP, the federal Civil Service Retirement System and the Federal Employees Retirement System under this act shall be funded by the employer from annual appropriations to the employer in the State Budget or from funds otherwise available for payment of operating expenditures.

5. A State employee who receives a benefit under this act shall forfeit all tenure rights.

6. Where the needs of State government or a State college or university require the services of an employee who elects to retire and receive a benefit under this act, a State department or a State college or university may delay, with the consent of the employee, the effective retirement date of the employee until the first day of any calendar month after September 1, 1991, but not later than September 1, 1992. The effective retirement date of an employee of the Legislative or Judicial Branch of State government who elects to retire and receive a benefit under this act may be similarly delayed with the consent of the employee and with the approval of the Senate President in the case of an employee of the Senate, the Speaker of the General Assembly in the case of an employee of the General Assembly, the Legislative Services Commission in the case of an employee of the Office of Legislative Services, and the Chief Justice of the Supreme Court in the case of an employee of the Judicial Branch. For a member of PERS or TPAF whose effective retirement date is delayed under this section and who dies before the retirement becomes effective, the retirement shall be effective as of the first day of the month after the date of death of the member if the member’s surviving beneficiary requests in writing to the board of trustees of the retirement system that the retirement be effective under the option settlement selected by the member, or under Option 3 if the member did not select an option.

7. A State employee retiring under PERS or TPAF with a benefit under this act who has not repaid the full amount of a loan from the retirement system by the effective date of retirement, may repay the loan through deductions from the member’s retirement benefit payments in the same monthly amount which was deducted from the member’s compensation immediately preceding retirement until the balance of the amount borrowed together with interest at the statutory rate is repaid. If the retiree dies before the outstanding balance of the loan and interest is repaid, the remaining amount shall be repaid as provided in section 2 of P.L.1981, c.55 (C.43:15A-34.1) or section 2 of P.L.1981, c.212 (C.18A:66-35.1) as appropriate.

1. N.J.S.18A:66-8 is amended to read as follows:

Continuance of membership.

18A:66-8. a. If a teacher:

(1) is dismissed by an employer by reason of reduction in number of teachers employed in the school district, institution or department when in the judgment of the employer it is advisable to abolish any office, position or employment for reasons of a reduction in the number of pupils, economy, a change in the administrative or supervisory organization or other good cause; or

(2) has not withdrawn the accumulated member’s contributions from the retirement system, the teacher’s membership may continue, notwithstanding any provisions of this article, if the member returns to service within a period of 10 years from the date of discontinuance from service. No credit for retirement purposes shall be allowed to the member covering the period of discontinuance, except as provided in this section. In computing the service or in computing final compensation, no time after September 1, 1919, during which a member shall have been employed as a teacher at an annual salary or remuneration fixed.
at less than $500.00 shall be credited, except that in the case of a veteran member credit shall be given for service rendered prior to January 1, 1955, in an employment, office or position if the annual salary or remuneration therefor was fixed at not less than $300.00 and the service consisted of the performance of the full duties of the employment, office or position.

b. A teacher may purchase credit for time during which the teacher shall have been absent on an official leave without pay. The credit shall be purchased for a period of time equal to:

(1) three months or the duration of the leave, whichever is less; or

(2) if the leave was due to the member's personal illness, two years or the duration of the leave, whichever is less; or

(3) the period of leave that is specifically allowed for retirement purposes by the provisions of any law of this State.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by N.J.S.18A:66-9.

2. N.J.S.18A:66-9 is amended to read as follows:

Resumption of discontinued membership.

18A:66-9. If a teacher who has withdrawn the accumulated member's contributions from the retirement system as provided in N.J.S.18A:66-34 is reenrolled as a member, that teacher may purchase credit for all of the previous membership service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions shall have been made during any fiscal year of membership or to the highest annual compensation for service in this State during any fiscal year for which credit is purchased, whichever is highest. The purchase may be made in regular installments, equal to at least one half the full normal contribution to the retirement system, over a maximum period of 10 years.

Any member electing to purchase service credit hereunder who retires prior to completing the payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump-sum payment required at that time to provide full credit.
3. N.J.S.18A:66-10 is amended to read as follows:

Nonmembers may join.

18A:66-10. Any person who was employed as a teacher prior to January 2, 1955 and who did not join the Teachers' Pension and Annuity Fund may join at any time. The person shall have the option of joining the retirement system as a new member upon proper application with no credit for previous service, or of purchasing membership credit for this previous service. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by N.J.S.18A:66-9.

4. N.J.S.18A:66-14 is amended to read as follows:

Credit for temporary service.

18A:66-14. Any person employed temporarily as a teacher whose temporary employment resulted, without interruption, in permanent employment, and any person who was employed as a substitute immediately prior to permanent employment may purchase credit for the temporary or substitute service. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by N.J.S.18A:66-9.

5. N.J.S.18A:66-15.1 is amended to read as follows:

Transfer or purchase of credit for service in other systems.

18A:66-15.1. a. A member who is a member of another State-administered retirement system or pension fund at the time of enrollment in the Teachers' Pension and Annuity Fund and who does not contribute to the other system or fund after that time may transfer the service credit in the other system or fund to the Teachers' Pension and Annuity Fund upon application and transfer of the member's contributions from the other system or fund to the fund. If the member has withdrawn the contributions to the other retirement system or pension fund, the member may purchase credit for the service in the other system or fund. The
purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by N.J.S.18A:66-9.

b. A member of the retirement system who had established service credit in a municipal or county retirement system or pension fund, and who was ineligible to transfer the service credit to the retirement system and withdrew contributions from the municipal or county retirement system or pension fund, may purchase credit for all of the member's service in that retirement system or pension fund by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary, as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. 6. Section 8 of P.L.1954, c.84 (C.43:15A-8) is amended to read as follows:

C.43:15A-8 Restoration of members discontinued from service; conditions.

8. a. If a member of the retirement system has been discontinued from service without personal fault or through leave of absence granted by an employer or permitted by any law of this State and has not withdrawn the accumulated member's contributions from the retirement system, the membership of that member may continue, notwithstanding any provisions of this act if the member returns to service within a period of 10 years from the date of discontinuance from service.

No credit for pension purposes shall be allowed to the member covering the period of the discontinuance, unless leave of absence shall have been granted by the employer and the board, as provided for in section 39 of this act.

b. If an employee who has withdrawn the accumulated member's contributions from the former "State Employees' Retirement System" or the retirement system as provided in section 41 of this act is re-enrolled as a member of the retirement system, that member may purchase credit for all of the previous
membership service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions shall have been made during any fiscal year of membership or to the highest annual compensation for service in this State during any fiscal year for which credit is purchased, whichever is highest. The purchase may be made in regular installments, equal to at least one-half the full normal contribution to the retirement system, over a maximum period of 10 years.

Any member electing to purchase service credit hereunder who retires prior to completing the payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump-sum payment required at that time to provide full credit.

7. Section 9 of P.L.1954, c.84 (C.43:15A-9) is amended to read as follows:

C.43:15A-9 Nonmember State employee may join at any time; option.

9. Any person other than a veteran who was in the employ of the State prior to January 2, 1955, and who did not join the former “State Employees' Retirement System,” may join the retirement system at any time. The person shall have the option of joining the retirement system as a new member upon proper application with no credit for previous service, or of purchasing membership credit for the previous service.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 8 of P.L.1954, c.84 (C.43:15A-8).

8. Section 11 of P.L.1954, c.84 (C.43:15A-11) is amended to read as follows:

C.43:15A-11 Contributions covering temporary service.

11. Any person employed temporarily by an employer whose temporary employment resulted, without interruption, in permanent employment may purchase credit for that temporary service. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 8 of P.L.1954, c.84 (C.43:15A-8).
9. Section 14 of P.L.1954, c.84 (C.43:15A-14) is amended to read as follows:

C.43:15A-14 Transfer or purchase of credit for service in other systems.

14. A member who is a member of another State-administered retirement system or pension fund at the time of enrollment in the Public Employees' Retirement System and does not contribute to the other system or fund after that time may transfer the service credit in the other system or fund to the Public Employees' Retirement System upon application and transfer of the member's contributions from the other system or fund to the system. If the member has withdrawn the contributions to the other retirement system or pension fund, the member may purchase credit for the service in the other system or fund. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 8 of P.L.1954, c.84 (C.43:15A-8).

10. Section 39 of P.L.1954, c.84 (C.43:15A-39) is amended to read as follows:

39. In computing for retirement purposes the total service of a member about to be retired, the retirement system shall credit the member with the time of all service rendered by the member since that member's last enrollment, and in addition with all the service to which the member is entitled and with no other service. Except as otherwise provided in this act, this service credit shall be final and conclusive for retirement purposes unless the member shall discontinue service for more than two consecutive years.

For the purpose of computing service for retirement purposes, the board shall fix and determine by appropriate rules and regulations how much service in any year shall equal a year of service and a part of a year of service. Not more than one year shall be credited for all service in a calendar year. A member may purchase credit for time during which the member shall have been absent on an official leave without pay. The credit shall be purchased for a period of time equal to:

(1) three months or the duration of the leave, whichever is less; or

(2) if the leave was due to the member's personal illness, two years or the duration of the leave, whichever is less; or
(3) the period of leave that is specifically allowed for retirement purposes by the provisions of any law of this State.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service credit by section 8 of P.L.1954, c.54 (C.43:15A-8). In computing the service or in computing final compensation, no time during which a member was in employment, office, or position for which the annual salary or remuneration was fixed at less than $500.00 in the case of service rendered prior to November 6, 1986, or less than $1,500.00 in the case of service rendered on or after that date, shall be credited, except that in the case of a veteran member credit shall be given for service rendered prior to January 2, 1955, in an employment, office or position if the annual salary or remuneration therefor was fixed at not less than $300.00 and such service consisted of the performance of the full duties of the employment, office or position.

11. Section 4 of P.L.1944, c.255 (C.43:16A-4) is amended to read as follows:

C.43:16A-4 Creditable service within act.

4. Only service as a policeman or fireman paid for by an employer, which was rendered by a member since that member’s enrollment, or since that member’s last enrollment in case of a break in service, plus service, if any, covered by a prior service liability, shall be considered as creditable service for the purposes of this act. A member may purchase credit for temporary service as a policeman or fireman, or as the holder of a title which, following the termination of that temporary service, became covered by the provisions of P.L.1944, c.255 (C.43:16A-1 et seq.), if that temporary service shall have resulted, without interruption, in a valid permanent or probational appointment as a policeman or fireman or to a position, the title of which became covered by the retirement system following the member’s appointment thereto. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 1 of P.L.1973, c.63 (C.43:16A-11.4).

1. If an employee who has withdrawn the accumulated member’s contributions from the Police and Firemen’s Retirement System, as provided by section 11 of P.L.1944, c.255 (C.43:16A-11) is reenrolled as a member of the retirement system, the member may purchase credit for all of the previous membership service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member’s age at the time of the purchase, to the member’s salary at that time, or the highest annual compensation for service in this State for which contributions shall have been made during any fiscal year of membership or to the highest annual compensation for service in this State during any fiscal year for which credit is purchased, whichever is the highest. The purchase may be made in regular installments, equal to at least 1/2 the normal contribution to the retirement system, over a maximum period of 10 years.

Any member electing to purchase service credit hereunder who retires prior to completing the payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump-sum payment required at that time to provide full credit.

13. Section 3 of P.L.1981, c.479 (C.43:16A-11.6) is amended to read as follows:

C.43:16A-11.6 Transfer or purchase of credit for service in other systems.

3. A member who is a member of another State-administered retirement system or pension fund at the time of enrollment in the Police and Firemen’s Retirement System and does not contribute to the other system or fund after that time may transfer the service credit in the other system or fund to the Police and Firemen’s Retirement System upon application and transfer of the member’s contributions from the other system or fund to the system. If the member has withdrawn the contributions to the other retirement system or pension fund, the member may purchase credit for the service in the other system or fund. The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 1 of P.L.1973, c.63 (C.43:16A-11.4).
C.43:16A-11.10 Purchase of credit during official leave without pay.

14. A member of the Police and Firemen's Retirement System may purchase credit for time during which the member shall have been absent on an official leave without pay. The credit shall be purchased for a period of time equal to:

a. three months or the duration of the leave, whichever is less; or

b. if the leave was due to the member's personal illness, two years or the duration of the leave, whichever is less; or

c. the period of leave that is specifically allowed for retirement purposes by the provisions of any law of this State.

The purchase shall be made in the same manner and be subject to the same terms and conditions provided for the purchase of previous membership service by section 1 of P.L.1973, c.63 (C.43:16A-11.4).

16. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. a. In any State-operated school district created pursuant to the provisions of P.L.1975, c.212 (C.18A:7A-1 et seq.) there shall be established a Capital Project Control Board, hereinafter the board, which shall be responsible for the review of any capital project pro-
posed by the State district superintendent provided that the State district superintendent proposes that the capital project be financed in whole or in part by bonds or notes, or through a lease purchase agreement pursuant to subsection f. of N.J.S.18A:20-4.2. The board shall also be responsible for the certification to the State district superintendent of schools and the Commissioner of Education of the necessity for the capital project and the certification of the appropriation to be made by the governing body of the municipality.

b. The board shall consist of five voting members. One member shall be appointed by the Commissioner of Education and two members shall be appointed by the chief executive officer with the consent of a majority of the full membership of the local governing body of the municipality or municipalities in which the school district is located. If the school district is comprised of two municipalities, each municipality shall be entitled to one member, appointed by the executive officer with the consent of the governing body. If the school district is comprised of more than two municipalities, each of the two municipalities with the largest population according to the most recent federal decennial census shall be entitled to one member, appointed by the executive officer with the consent of the governing body. However, if a local governing body fails to agree upon the selection of either board member appointed by an executive officer, then the Commissioner of Education shall make the appointment. One member shall be appointed by the Director of the Division of Local Government Services in the Department of Community Affairs who shall have experience in the area of local finance and capital projects. The fifth member shall be the State district superintendent of schools who shall serve ex-officio and shall act as chairperson of the board. The board members, except for the State district superintendent, shall each serve for a term of one year commencing on July 1 of each year and expiring on June 30 of the following year. Any vacancy in the membership of the board shall be filled for the unexpired term in the manner provided by the original appointment. Members of the board may be employees of the State or any subdivision thereof. All members of the board shall serve without compensation.

c. The board shall meet from time to time upon the request of the State district superintendent. All meetings of the board shall be conducted pursuant to the provisions of the “Open Public Meetings Act,” P.L.1975, c.231 (C.10:4-6 et seq.). The State district superintendent, or his designee, shall be charged with the
responsibility of preparing a transcript of the proceedings and all votes shall be recorded in writing.

C.18A:7A-46.2 Board to hear recommendations concerning proposed capital projects.

2. The board shall hear the recommendation of the State district superintendent concerning any proposed capital project, which is to be financed in whole or in part by bonds or notes, or through a lease purchase agreement pursuant to subsection f. of N.J.S.18A:20-4.2, and shall undertake all actions necessary to review the proposed capital project to determine whether the project will assist the State-operated school district in providing a thorough and efficient system of education in that district. In making this determination it may take into consideration factors such as the conditions in the school district, any applicable educational goals, the objectives and standards established by the State, the need for the capital project, the reasonableness of the amount to be expended for the capital project, the estimated time for the undertaking and completion of the capital project, and any other factors which the board may deem necessary including the relationship of the capital project to the long-term capital budget or plan of the school district and the fiscal implications thereof.

Following its review and within 60 days of the date on which the State district superintendent submits the recommendation to the board, the board shall adopt a resolution as to whether the State-operated school district should undertake the capital project and providing its reasons therefor. The board shall adopt a resolution indicating the necessity for the capital project and shall also fix and determine by resolution the amount necessary for the capital project. If the board fails to act within 60 days of the submission date, the State district superintendent shall submit the recommendation to the commissioner who shall approve or disapprove the capital project. If the board makes a decision which is contrary to the recommendation of the superintendent, the superintendent may, within 30 days from the date of the board’s action, submit the matter to the commissioner for final decision. If the commissioner determines that a capital project should be undertaken, the commissioner shall so notify the board and shall indicate the amount necessary for the capital project. Upon notification, the board shall adopt a resolution indicating the necessity for the capital project and shall also fix and determine by resolution the amount necessary for the capital project as indicated by the com-
missioner. Certified copies of any resolution requesting the authorization and issuance of bonds and notes or the authorization of a lease purchase agreement shall be delivered to the State district superintendent, the Commissioner of Education, the Director of the Division of Local Government Services in the Department of Community Affairs and the governing body of the municipality or municipalities in which the school district is located. The board shall not approve or recommend any capital project which is inconsistent with the provisions of N.J.S.18A:21-1.

4. Any authorization of notes or bonds effective prior to the date of the appointment of the State district superintendent shall be issued in the manner prescribed by the “Local Bond Law,” (N.J.S.40A:2-l et seq.).

C.18A:7A-46.5 Cessation of existence of board.

5. The board shall immediately cease to exist upon reestablishment of local control in the school district, pursuant to section 16 of P.L.1987, c.399 (C.18A:7A-49).

C.18A:7A-46.6 Debt service part of municipal budget.

6. The debt service on bonds, notes and other obligations authorized pursuant to this act shall be appropriated and made part of the municipal budget and raised through the annual municipal tax levy. However, all debt service payments shall be included in the budget of the State-operated school district as the sum necessary for interest and debt redemption charges and shall

credit in a State-administered retirement system if the employment was with a public employer in this State, or c. military service in the Armed Forces of the United States, rendered prior to becoming a member, for which the member desires credit, and of such other facts as the retirement system may require. The member may purchase credit for all or a portion of the service evidenced in the statement up to the nearest number of years and months, but not exceeding 10 years, provided however, that a member purchasing that maximum credit may purchase up to five additional years for additional military service qualifying the member as a veteran as defined in N.J.S.18A:66-2. The member may purchase credit for the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. The purchase may be made in regular installments, equal to at least one-half the full normal contribution to the retirement system, over a maximum period of 10 years. Neither the State nor the employer of a member who applies to purchase credit for public employment with the United States Government pursuant to subsection b. of this section or for military service pursuant to subsection c. of this section shall be liable for any payment to the retirement system on behalf of the member for the purchase of this credit.

Notwithstanding any provision of this act to the contrary, a member shall not be liable for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit for school service, public employment in other states or with the United States Government, or military service in the Armed Forces of the United States.

Any member electing to purchase the service who retires prior to completing payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump sum payment required at that time to provide full credit.
2. Section 2 of P.L.1963, c.19 (C.43:15A-73.1) is amended to read as follows:

The member may purchase credit for all or a portion of the service evidenced in the statement up to the nearest number of years and months, but not exceeding 10 years, provided however, that a member purchasing that maximum credit may purchase up to five additional years for additional military service qualifying the member as a veteran as defined in section 6 of P.L.1954, c.84, (C.43:15A-6). No application shall be accepted for the purchase of credit for the service if, at the time of application, the member has a vested right to retirement benefits in another retirement system based in whole or in part upon that service.

The member may purchase credit for the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. The purchase may be made in regular installments, equal to at least 1/2 of the full normal contribution to the retirement system, over a maximum period of 10 years. The employer of a member who applies, pursuant to this section, to purchase credit for public employment with the United States Government or for military service in the Armed Forces of the United States shall not be liable for any payment to the retirement system on behalf of the member for the purchase of this credit.

Notwithstanding any provision of this act to the contrary, a member shall not be liable for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit for public employment in

No application shall be accepted for the purchase of credit for the service if, at the time of application, the member has a vested right to retirement benefits in another retirement system based in whole or in part upon that service.

The member may purchase credit for the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. The purchase may be made in regular installments equal to at least 1/2 of the full normal contribution to the retirement system, over a maximum period of 10 years. The employer of a member who applies, pursuant to this section, to purchase credit for public employment with the United States Government or for military service in the
Armed Forces of the United States shall not be liable for any payment to the retirement system on behalf of the member for the purchase of this credit.

Notwithstanding any provision of this act to the contrary, a member shall not be liable for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit for public employment in other states or with the United States Government or military service in the Armed Forces of the United States.

Any member electing to purchase the service who retires prior to completing payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump sum payment required at that time to provide full credit.

CHAPTER 161

AN ACT designating the Hadrosaurus Foulkii as the New Jersey State Dinosaur.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds that:
   a. The Hadrosaurus Foulkii, the first nearly complete dinosaur skeleton to be discovered virtually intact anywhere in the world, was unearthed in October, 1858, in a marl pit in Haddonfield, Camden County, by William Parke Foulke, a member of the prestigious Academy of Natural Sciences of Philadelphia.
b. This discovery of a 25-foot, eight-ton, duck-billed, herbivorous saurian (or reptile), which stood as high as ten feet at the hips, was so unexpected and unusual that it startled the scientific thinking of the day and led to a revision of many conventional ideas as to the physical structure and life habits of prehistoric reptiles and provided a great stimulus to the study of dinosaurs which, until then, were relatively unknown outside the scientific community.

c. This dinosaur, which lived 70 to 100 million years ago during the cretaceous period and which was given the name Hadrosaurus Foulkii in honor of its discoverer, was the first dinosaur to be displayed for public view, attracting tens of thousands of visitors to the Academy of Natural Sciences where it was on view from the 1870's to the 1940's.

d. The Hadrosaurus Foulkii has been recently reinstalled as one of the main features in a permanent exhibit at the Academy of Natural Sciences.

e. In order to pay recognition to the scientific importance of New Jersey's Hadrosaurus Foulkii, it is fitting and appropriate to designate it as the State Dinosaur.

C.52:9AAAAA-1 Designation of State dinosaur.

2. The Hadrosaurus Foulkii is designated as the New Jersey State Dinosaur.

3. This act shall take effect immediately.

ing these projects, whereby municipalities that created these commissions issue their own general obligation bonds and provide the proceeds thereof to the commissions.

2. R.S.40:62-127 is amended to read as follows:

**Water rates and regulations.**

40:62-127. Such commission may prescribe and change from time to time rates to be charged for water supplied by the waterworks so acquired, and by any extension or enlargement thereof, but rates for the same kind or class of service shall be uniform in all the municipalities supplied by the waterworks; except that no rates shall include the imposition of any fees in excess of the cost of water actually used for any sprinkler system required to be installed in any residential health care facility pursuant to the "Health Care Facilities Planning Act," P.L. 1971, c.136 (C.26:2H-1 et seq.) and regulations promulgated thereunder or in any rooming or boarding house pursuant to the "Rooming and Boarding House Act of 1979," P.L.1979, c.496 (C.55:13B-1 et al.) and regulations promulgated thereunder. Nothing in this amending act shall preclude any commission from charging for the actual cost of water main connection.

The supplying of water to locations beyond the boundaries of the municipalities owning the waterworks shall be basis for separate classification of service to permit reasonable differentiation of rates. As soon as practicable after acquiring the waterworks, rates shall be prescribed, and shall be revised from time to time whenever necessary, so that the waterworks shall be self-supporting, the earnings to be sufficient to provide for all expenses of operation and maintenance and such charges as interest, sinking fund and amortization, so as to prevent any deficit to be paid by taxation from accruing. The interest, sinking fund and amortization shall be construed to include:

a. All service on debt heretofore or hereafter incurred by the commission or by any municipality represented by the commission in connection with the acquisition of such privately-owned waterworks, and any extensions thereto and enlargements thereof, heretofore or hereafter formally assumed by the commission or its successors, and

b. All service on debt heretofore or hereafter incurred by the commission or by a municipality represented by the commission, or its successors, and heretofore or hereafter formally assumed by the commission, or its successors, as part of any agreement with the municipality relative to the acquisition, by the commission, or its successors, of the ownership of or the management and control of or
the right to use any water supply or part thereof or interest therein or any distribution system of water mains and connections, or any part thereof, which any such municipality may own or control.

The provisions of this section shall be deemed a contract with the holders of all obligations which shall be or may have been issued for the purpose of financing such acquisitions or which heretofore have been or may hereafter be issued to refund temporary bonds or obligations issued for such purposes, the payment of any of which obligations, and interest thereon, the commission, or its successors, has heretofore or may hereafter formally assume as aforesaid.

The commission and any succeeding commission may prescribe, and alter and enforce all reasonable rules and regulations for the maintenance and operation of the waterworks and the collection of rates.

C.40:62-133.2 Commission empowered to issue bonds.

3. For the purpose of raising funds to pay the cost of any part of its waterworks, including the cost of enlarging, extending or improving the same, or for the purpose of funding or refunding any bonds including bonds or other obligations issued by any municipality represented by the commission in connection with the acquisition of waterworks, and any extensions thereto and enlargements thereof, a commission shall have power to authorize or provide for the issuance of bonds pursuant to this amendatory and supplementary act. In order to approve an action concerning bonds, the commission shall, by five members voting in the affirmative, adopt a resolution, sometimes referred to in this amendatory and supplementary act as a "bond resolution;" provided, however, that all of the municipalities which constitute the commission shall be represented among the members voting in the affirmative. The bond resolution shall:

a. Describe in brief and general terms sufficient for reasonable identification the waterworks or part thereof, sometimes referred to in this amendatory and supplementary act as a "project," to be constructed, acquired, enlarged, extended, or improved or describe the bonds which are to be funded or refunded, if any;

b. State the cost or estimated cost of the project, if any; and

c. Provide for the issuance of the bonds in accordance with section 4 of this amendatory and supplementary act.

C.40:62-133.3 Issuance of bonds by the commission.

4. Upon adoption of a bond resolution, the commission shall have power to incur indebtedness, borrow money and issue its
bonds and bond anticipation notes, collectively referred to in this amendatory and supplementary act as "bonds," for the purpose of financing the project or of funding or refunding the bonds described therein. The bonds shall be authorized by the bond resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times not exceeding 40 years from the date thereof, bear interest at a rate or rates within such maximum rate established therein, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without the State, and be subject to such terms of redemption with or without premium, as the bond resolution may provide.

C.40:62-133.4 Sale of bonds, price.

5. Bonds of the commission may be sold by the commission at public or private sale at such price or prices as the commission shall determine.

C.40:62-133.5 Bond resolution, publication.

6. The commission may cause a copy of any bond resolution adopted by it to be filed for public inspection in its office and in the office of clerk of the governing body of the municipalities represented in the commission and may thereupon cause to be published in a newspaper published or circulating in the municipalities represented in the commission a notice stating the fact and date of this adoption and the places where the bond resolution has been filed for public inspection and also the date of the first publication of the notice and also that any action or proceeding of any kind or nature in any court questioning the validity or proper authorization of bonds provided for by the bond resolution, or the validity of any covenants, agreements or contract provided for by the bond resolution shall be commenced within 20 days after the first publication of the notice. If no action or proceeding questioning the validity of the creation and establishment of the commission, or the validity or proper authorization of bonds provided for by the bond resolution referred to in the notice, or the validity of any covenants, agreements or contracts provided for by the bond resolution is commenced or instituted within 20 days after the first publication of the notice, all residents and taxpayers and owners of property in the municipalities and users of the waterworks system and all other persons whatsoever shall be for-
ever barred and foreclosed from instituting or commencing any action or proceeding in any court, or from pleading any defense to any action or proceedings, questioning the validity of the creation and establishment of the commission, or the validity or proper authorization of the bonds, or the validity of the covenants, agreements or contracts, and the commission conclusively is deemed to be validly created and established and is authorized to transact business and exercise powers as a commission under this amendatory and supplementary act, and the bonds, covenants, agreements and contracts conclusively are deemed to be valid and binding obligations in accordance with their terms and tenor.

C.40:62-133.6 Negotiability of bonds.

7. Any provision of law, rule or regulation to the contrary notwithstanding, any bond or other obligation issued pursuant to this amendatory and supplementary act shall be fully negotiable within the meaning and for all purposes of the State laws concerning negotiable instruments, and each holder or owner of the bond or other obligation, or of any coupon appurtenant thereto, by accepting the bond or coupon, conclusively is deemed to have agreed that the bond, obligation or coupon is fully negotiable within the meaning and for all purposes of the State laws concerning negotiable instruments.

8. Any bond resolution of the commission providing for or authorizing the issuance of any bonds may contain provisions, and the commission, in order to secure the payment of these bonds and in addition to its other powers, shall have the power, by provision in the bond resolution, to covenant and agree with the several holders of these bonds, as to:

a. The custody, security, use, expenditure or application of the proceeds of the bonds;

b. The construction and completion, acquisition, enlargement, extension or improvement of all or any part of the waterworks;

c. The use, regulation, operation, maintenance, insurance or disposition of all or any part of the waterworks, or restrictions on the exercise of the powers of the commission to dispose, or to limit or regulate the use, of all or any part of the waterworks;

d. Payment of the principal of or interest on the bonds, or any other obligations, and the sources and methods thereof, the rank or priority of the bonds or obligations as to any lien or security, or the acceleration of the maturity of the bonds or obligations;
c. The use and disposition of any moneys of the commission, including revenues, sometimes referred to in this amendatory and supplementary act as “water revenues,” derived or to be derived from the operation of all or any part of the waterworks, including any parts thereof previously constructed or acquired and any parts, enlargements, extensions, replacements or improvements thereof subsequently constructed or acquired;

f. Pledging, setting aside, depositing or trusteeing all or any part of the water revenues or other moneys of the commission to secure the payment of the principal of or interest on the bonds or any other obligations or the payment of expenses of operation or maintenance of the waterworks, and the powers and duties of any trustee with regard thereto;

g. The setting aside out of the water revenues or other moneys of the commission of reserves and sinking funds, and the source, custody, security, regulation, application and disposition thereof;

h. Determination or definition of the water revenues or of the expenses of operation and maintenance of the waterworks;

i. The rents, rates or the use, products or services of the waterworks, including any parts thereof previously constructed or acquired and any parts, enlargements, extensions, replacements or improvements thereof subsequently constructed or acquired, and the fixing, establishment, collection and enforcement of the same, the amount or amounts of water revenues to be produced thereby, and the disposition and application of the amounts charged or collected;

j. The assumption or payment or discharge of any indebtedness, liens or other claims relating to any part of the waterworks, or any obligations having or which may have a lien on any part of the water revenues;

k. Limitations on the issuance of additional bonds or any other obligations or on the incurrence of indebtedness of the commission;

l. Vesting in a trustee or trustees within or without the State the property, rights, powers and duties in trust as the commission may determine which may include any or all rights, powers and duties of the trustee appointed by the holders of bonds pursuant to section 9 of this amendatory and supplementary act, and limiting or abrogating the right of the holders to appoint a trustee pursuant to section 9 of this amendatory and supplementary act or limiting the rights, duties and powers of the trustee;

m. Payment of costs or expenses incident to the enforcement of the bonds or of the provisions of the bond resolution or of any covenant or contract with the holders of the bonds;
n. The procedure, if any, by which the terms of any covenant or contract with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds the holders of which shall consent thereto, and the manner in which the consent may be given or evidenced; or

o. Any other matter or course of conduct which, by recital in the bond resolution, is declared to further secure the payment of the principal of or interest on the bonds.

The provisions of the bond resolution and the covenants and agreements constitute valid and legally binding contracts between the commission and the several holders of the bonds, regardless of the time of issuance of the bonds, and are enforceable by the holder or holders of the bonds by appropriate action, suit or proceeding in any court of competent jurisdiction, or by proceeding in lieu of prerogative writ.

C.40:62-133.8 Appointment of trustee in event of default.

9. a. If a default occurs in the payment of the principal of or interest on any bonds of the series after the bonds are due, whether at maturity or upon call for redemption, and this default continues for a period of 30 days, or if the commission fails or refuses to comply with the provisions of this amendatory and supplementary act or fails or refuses to carry out and perform the terms of any contract with the holders of the bonds, and this failure or refusal continues for a period of 30 days after written notice to the commission of its existence and nature, the holders of 25% in the aggregate principal amount of the bonds and the series then outstanding by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds of the series for the purposes provided in this section. This section shall be applicable only if the bond resolution of the commission authorizing the issuance of a series of its bonds provides that the holders of the bonds of the series are entitled to the benefits of this section.

b. The trustee may, and upon written request of the holders of 25% in aggregate principal amount of the bonds of the series then outstanding shall, in his or its own name:

(1) By any action, writ, proceeding in lieu of prerogative writ, or other proceeding, enforce all rights of the holders of the bonds, including the right to require the commission to charge and collect water rents adequate to carry out any contract as to, or pledge
of, water revenues, and to require the commission to carry out
and perform the terms of any contract with the holders of the
bonds or its duties under this amendatory and supplementary act;

(2) Bring an action upon all or any part of the bonds or interest
coupons or claims appurtenant thereto;

(3) By action, require the commission to account as if it were
the trustee of an express trust for the holders of the bonds;

(4) By action, enjoin any acts or things which may be unlawful
or in violation of the rights of the holders of the bonds; or

(5) Declare the bonds due and payable, whether or not in
advance of maturity, upon 30 days' prior notice in writing to the
commission and, if all defaults are satisfied, with the consent of
the holders of 25% of the principal amount of the bonds then out-
standing, annul the declaration and its consequences.

c. The trustee shall have and possess all of the powers neces-
sary or appropriate for the exercise of the functions specifically
set forth herein or incident to the general representation of the
holders of the bonds of the series in the enforcement and protec-
tion of their rights.

d. In any action or proceeding by the trustee, the fees, counsel
fees and expenses of the trustee and of the receiver, if any,
appointed pursuant to this amendatory and supplementary act,
shall constitute taxable costs and disbursements, and all costs and
disbursements, allowed by the court, shall be a first charge upon
any water rents and water revenues of the commission pledged for
the payment or security of bonds of the series.

C.40:62-133.9 Appointment of receiver.

10. If the bond resolution of a commission authorizing for the
issuance of a series of its bonds provides that the holders of the
bonds of the series are entitled to the benefits of section 9 of this
amendatory and supplementary act and further provides that any
trustee appointed pursuant to that section, or having the powers of
the trustee, has the powers provided by this section, the trustee,
whether or not all of the bonds of the series are declared due and
payable, is entitled as of right to the appointment of a receiver of
the waterworks, and the receiver may enter upon and take posses-
sion of the waterworks and, subject to any pledge or contract with
the holders of the bonds, shall take possession of all moneys and
other property derived from or applicable to the acquisition, con-
struction, operation, maintenance or reconstruction of the
waterworks and proceed with the acquisition, construction, opera-
tion, maintenance or reconstruction which the commission is under any obligation to do, and operate, maintain and reconstruct the waterworks and fix, charge, collect, enforce and receive the water rents and all water revenues thereafter arising subject to any pledge thereof or contract with the holders of the bonds relating thereto and perform the public duties and carry out the contracts and obligations of the commission in the same manner as the commission itself might do and under the direction of the court.

C.40:62-133.10 Commission members, State, county or local units not liable on bonds.

11. Neither the members of the commission nor any person executing the bonds issued pursuant to this amendatory and supplementary act shall be liable personally on the bonds by reason of the issuance thereof. Bonds or other obligations issued by the commission pursuant to this amendatory and supplementary act shall not be in any way a debt or liability of the State or of any local unit or of any county or municipality and shall not create or constitute any indebtedness, liability or obligation of the State or of any local unit, county or municipality, either legal, moral or otherwise, and nothing contained in this amendatory and supplementary act shall be construed to authorize the commission to incur any indebtedness on behalf of or in any way to obligate the State or any county or municipality.

12. R.S.40:62-146 is amended to read as follows:

Supplying water to other municipalities; consent required.

40:62-146. The commission may contract with any municipality or municipalities to furnish a supply of water for such other municipalities and their inhabitants, for public and private uses, for the term of a year or years. There shall first be obtained the approval of the State board or department having jurisdiction of such matters, which approval and consent such commission or other board or departments may withhold or grant upon such terms as it may deem proper, but in case approval and consent are withheld, the reason for such withholding shall be furnished by the department or board to the commission applying therefor. The contract may provide for the payment to the commission by the municipality annually or otherwise of the sum or sums of money, computed at fixed amounts or by a formula based on any factors or other matters described in R.S.40:62-127 or in any other manner, as the contract or contracts may provide, and may provide
that the sum or sums so payable to the commission shall be in lieu of all or any part of the water rents which would otherwise be charged and collected by the commission with regard to the dwellers within the municipality. The contract may be made with or without consideration and for a specified or an unlimited time and on any terms and conditions which may be approved by the municipality and which may be agreed to by the commission in conformity with its contract with the holders of any bonds, and shall be valid whether or not an appropriation with respect thereto is made by the municipality prior to authorization or execution thereof. The municipality is authorized to perform any acts necessary, convenient or desirable to carry out the contract and to provide for the payment or discharge of any obligation thereunder in the same manner as are other obligations of the municipality. Subject to these contracts with the holders of bonds, the commission is authorized to perform any acts necessary, convenient or desirable to carry out the contract and, to provide for the payment or discharge of any obligation thereunder in the same manner as are other obligations of the municipality. Subject to these contracts with the holders of bonds, the commission is authorized to perform any acts necessary, convenient or desirable to carry out the contract and, in accordance with the contract, to waive, modify, suspend or reduce the water rents which would otherwise be charged and collected by the commission with regard to the dwellers within the municipality, but nothing in this section or the contract shall prevent the commission from charging and collecting, as if the contract had not been made, water rents with regard to the dwellings sufficient to meet any default or deficiency in any payments agreed in the contract to be made by the municipality.

C.40:62-133.11 Commission property exempt from levy, sale.
13. All property of a commission shall be exempt from levy and sale by virtue of an execution and no execution or other judicial process shall issue against the same nor shall any judgment against a commission be a charge or lien upon its property; except that nothing herein contained shall apply to or limit the rights of the holder of any bonds to pursue any remedy for the enforcement of any pledge or lien given by a commission on its waterworks, water revenues or other moneys.

C.40:62-133.12 Investment of sinking funds, other moneys, funds.
14. Notwithstanding any restriction contained in any other law, rule or regulation, the State and all public officers, municipalities, counties, political subdivisions and public bodies, and agencies thereof,
all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds of the commission, and the bonds shall be authorized security for any and all public deposits.

15. Every waterworks and all other property of a commission are declared to be public property of a political subdivision of the State and devoted to an essential public and governmental function and purpose and, other than lands subject to assessment and taxation pursuant to R.S.54:4-3.3, shall be exempt from all taxes and special assessments of the State or any subdivision thereof. All bonds are declared to be issued by a political subdivision of this State and for an essential public and governmental purpose and to be a public instrumentality and the bonds, and the interest thereon and the income therefrom, and all service charges, funds, revenues and other moneys pledged or available to pay or secure the payment of the bonds, or interest thereon, shall at all times be exempt from taxation except for transfer, inheritance and estate taxes and taxes on transfers by or in contemplation of death.

C.40:62-133.14 State shall not alter commission's, bond holders' rights.

16. The State of New Jersey hereby pledges to and covenants and agrees with the holders of any bonds issued pursuant to a bond resolution of the commission that the State shall not limit or alter the rights vested in the commission to fix, establish, charge and collect its water rates and to fulfill the terms of any agreement made with the holders of the bonds or other obligations, and shall not in any way impair the rights or remedies of the holders, and shall not modify in any way the exemptions from taxation provided for in this amendatory and supplementary act, until the bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the holders are fully met and discharged.

C.40:62-133.15 Agreements between commission and bank or banking institution.

17. All banks, bankers, trust companies, savings banks, investment companies and other persons carrying on a banking business
are authorized to give to any commission a good and sufficient undertaking with such sureties as shall be approved by the commission to the effect that the bank or banking institution as described herein shall faithfully keep and pay over to the order of or upon the warrant of the commission or its authorized agent all such funds as may be deposited with it by the commission and agreed interest thereon, at such times or upon these demands as may be agreed with the commission or in lieu of these sureties, deposit with the commission or its authorized agent or any trustee therefor or for the holders of any bonds, as collateral, these securities as the commission may approve. The deposits of the commission may be evidenced by a depository collateral agreement in the form and upon such terms and conditions as may be agreed upon by the commission and the bank or banking institution.

18. The commission shall file a copy of each bond resolution adopted by it with the Director of the Division of Local Government Services in the Department of Community Affairs, together with a summary of the dates, amounts, maturities and interest rates of all bonds issued pursuant thereto.

19. R.S.40:62-148 is amended to read as follows:

General powers to carry out objective.

40:62-148. Subject to any contracts with the holders of bonds, the commission may adopt all ordinances and resolutions, enter into all agreements and contracts, and do any and all other acts and things necessary to provide water for the public and private uses of its customers in accordance with the provisions of R.S.40:62-133 to R.S.40:62-150.

20. This act shall take effect immediately.

CHAPTER 165, LAWS OF 1991

CHAPTER 165

AN ACT to amend the title "An act creating a commission, to be known as the County and Municipal Government Study Commission, to study the structure of county and municipal governments, the interrelationship of State, county and municipal governments, and their present and future problems; to provide for reports and recommendations by the said commission to the Governor and the Legislature; and making an appropriation for the expenses thereof," approved April 26, 1966 (P.L.1966, c.28) so that the same shall read "An act creating a commission, to be known as the State Commission on County and Municipal Government, to study the structure of county and municipal governments, the interrelationship of federal, State, county and municipal governments, and their present and future problems; and to provide for reports and recommendations by the said commission to the Governor and the Legislature," and to amend and supplement the body of said act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The title of P.L.1966, c.28 is amended to read as follows:

Title amended.

An act creating a commission, to be known as the State Commission on County and Municipal Government, to study the structure of county and municipal governments, the interrelationship of federal, State, county and municipal governments, and their present and future problems; and to provide for reports and recommendations by the said commission to the Governor and the Legislature.

C.40A:1A-1 Findings, determinations.

2. The Legislature finds and determines that:

a. Aspects of the historic offices, functions and authority of county government remain relatively unchanged in spite of other significant changes in the functions and structure of county government, changes in State and municipal government, and the transformation of the State from a rural area to the most urbanized State in the nation, and make desirable a reexamination of the functions and structure of county government including the existence of State mandated organizational structures in every county;

b. Increased public demand for services provided by local governments and the need to maintain the level of local expendi-
tures are challenging local governments to develop innovative, effective, and efficient service delivery measures;

c. The current commission is a unique forum for legislators, local government representatives and executive staff to define issues and work toward solutions which strengthen the ability of both State and local government to function effectively;

d. Many positive recommendations and changes in local government structure and function have resulted directly from the commission's work;

e. It is therefore necessary and appropriate to strengthen and expand the role of the commission so that it may continue its tasks in the most effective manner possible.

3. Section 1 of P.L. 1966, c.28 is amended to read as follows:

Of the nine members that shall be named by the Governor, three shall be nominees of the New Jersey Association of Counties, three shall be nominees of the New Jersey State League of Municipalities, and three shall be named by the Governor from among the citizens of the State, one of which citizen appointees shall have experience as a representative of a municipal, county or State bargaining unit, except that no more than two of these three members shall be of the same political party. No more than two of the three Senators, nor more than two of the three Assemblymen, to be named shall be of the same political party. Any vacancy in the membership of the commission shall be filled by appointment in the same manner as the original appointment was made. The members serving on the effective date of this amendatory and supplementary act shall continue to serve according to the following procedures. The legislative members of the commission shall serve for the term for which they are elected. 4. Section 2 of P.L.1966, c.28 is amended to read as follows:

The commission shall recommend legislative changes which will provide the State's counties and municipalities with thoroughly modern and effective statutory powers. The commission is directed further to inquire into the structural and administrative streamlining of county and municipal governments as proposed in New Jersey and other states, including but not limited to, the transfer of functions from one level of government to another; the purchase of services on a contractual basis; the establishment of regional special districts, authorities and commissions; municipal consolidation; and the merger of existing autonomous agencies into the parent municipal or county government, to determine their applicability in meeting the present and future needs of the State, its citizens, and its political subdivisions.

6. Section 4 of P.L.1966, c.28 is amended to read as follows:

C.40A:1A-5 Reports to Governor, Legislature.

4. The commission shall prepare and submit reports to the Governor and the Legislature, setting forth the results of its studies which may include recommendations for constitutional and statutory changes.

b. Each proof of service ordinance required pursuant to this section shall include:

(1) In the case of single-family residential housing, a requirement that each responsible solid waste generator, in those instances where a solid waste collection system is not otherwise provided for by the municipality and if he has not already done so, enter into a contract for regular solid waste collection service with any person lawfully providing private solid waste collection services within the municipality; except that the ordinance may include an exemption from this requirement in those instances where the responsible
solid waste generator is transporting the solid waste which is generated at his residential premises directly to the solid waste facility utilized by the municipality for disposal;

(2) In the case of multi-family residential housing, a requirement that the responsible solid waste generator, in those instances where a solid waste collection system is not otherwise provided for by the municipality and if he has not already done so, enter into a contract for regular solid waste collection service with any person lawfully providing private solid waste collection services within the municipality; except that the ordinance may include an exemption from this requirement in those instances where the responsible solid waste generator is transporting the solid waste which is generated at his residential premises directly to the solid waste facility utilized by the municipality for disposal. It shall be the responsibility of the owner of the multiple dwelling to provide a sufficient number of appropriate solid waste containers for the deposit of nonrecyclable waste materials to be disposed of as solid waste;

(3) In the case of any commercial or institutional building or structure located within the boundaries of the municipality, a requirement that the responsible solid waste generator, in those instances where regular solid waste collection services are not otherwise provided for, enter into a contract with any person lawfully providing private solid waste collection services within the municipality; and

(4) In the case of a responsible solid waste generator, within the municipality, who is transporting the solid waste which is generated at his residential premises directly to the solid waste facility utilized by the municipality for disposal, a requirement that every such responsible solid waste generator within the municipality furnish proof that the responsible solid waste generator is transporting the solid waste which is generated at his residential premises directly to the solid waste facility utilized by the municipality for disposal to the governing body of the municipality at least once every 12 months. In order to fulfill the requirements of this subsection, the responsible solid waste generator may include the proof of service with the municipal tax payment mailed to the municipal tax collector.

c. The governing body shall, within six months of the effective date of a proof of service ordinance adopted pursuant to this section and at least once every six months thereafter, notify all responsible solid waste generators of the requirements of the ordinance. In order to fulfill the notification requirements of this

The governing body of any municipality may request any solid waste collector engaging in private solid waste collection services within the municipality to assist the municipality in identifying those responsible solid waste generators who fail to comply with the provisions of section 1 of P.L.1991, c.170 (C.40:66-5.1).

c. Whenever the governing body adopts a proof of service ordinance pursuant to section 1 of P.L.1991, c.170 (C.40:66-5.1), or requests a solid waste collector to provide all responsible solid waste generators with the opportunity to contract for regular solid waste collection services pursuant to subsection a. of this section, the governing body shall notify the Board of Public Utilities of these actions by certified mail.

d. In the event that a solid waste collector refuses any request to provide responsible solid waste generators with the opportunity to contract for regular solid waste collection services pursuant to subsection a. of this section, the governing body shall notify the Board of Public Utilities of this refusal by certified mail.

e. Whenever the governing body of a municipality adopts a proof of service ordinance pursuant to section 1 of P.L.1991, c.170 (C.40:66-5.1), the governing body shall notify the owner or
operator of every solid waste facility utilized by the municipality of this action by certified mail.

Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this
law. Said application shall be accompanied by a fee as follows: $15 per unit of dwelling space for the first 20 units of dwelling space in any building or project, $12 per unit of dwelling space for the 21st through 100th unit in any building or project, $8 per unit of dwelling space for the 101st through 250th unit in any building or project, and $5 per unit of dwelling space for all units over 250 in any building or project, except that in the case of hotels open and operating less than six months in each year the fee shall be one-half that which would otherwise be required. A certificate of inspection and the fees therefor shall not be required more often than once every five years.

Additionally, there shall be reinspection fees for hotels in the amount of $10 for each dwelling unit reinspected.

Within 90 days of the most recent inspection of any multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other, the owner of each such multiple dwelling shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of inspection. Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this law. Said application shall be accompanied by a fee of $33 per unit of dwelling space for the first 7 units in any building or project, $21 per unit of dwelling space for the 8th through the 24th unit in any building or project, $18 per unit for the 25th through the 48th unit in any building or project, and $12 per unit of dwelling space for all units of dwelling space over 48 in any building or project, provided that the maximum total fee for owner-occupied three-unit multiple dwellings shall be limited to $65 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located, and the maximum total fee for owner-occupied four-unit multiple dwellings shall be limited to $80 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located. A certificate of inspection and the fees therefor shall not be required more often than once every five years.

Additionally, there shall be reinspection fees for multiple dwellings in the amount of $40 for each dwelling unit reinspected, but only after the first reinspection.

The commissioner may waive the inspection fee for any unit upon a finding that the unit has been thoroughly inspected within

the previous 12-month period under a municipal ordinance requiring inspection upon change of occupancy in accordance with the maintenance standards established by the commissioner under this act, and has received a municipal certificate of occupancy as a result of that inspection.

If the commissioner finds that (1) a building has been thoroughly inspected prior to resale since the most recent inspection in accordance with this section, (2) the inspection prior to resale was conducted by the municipality in accordance with the maintenance standards established by the commissioner under this act, and (3) a municipal certificate of occupancy was issued as a result of that inspection, the commissioner may accept the inspection done prior to resale in lieu of a current inspection under this section. If the commissioner accepts an inspection prior to resale in lieu of a current inspection, no fee shall be charged for any inspection done by the commissioner within five years after the date of the inspection so accepted.

(c) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling complies with the provisions of this act and regulations promulgated hereunder, then the commissioner shall issue to the owner thereof, upon receipt of the application and fee as required by subsection (b) of this section, a certificate of inspection. Any owner to whom a certificate of inspection is issued shall keep said certificate posted in a conspicuous location in the hotel or multiple dwelling to which the certificate applies. The certificate of inspection shall be in such form as may be prescribed by the commissioner.

The commissioner may, upon finding a consistent pattern of compliance with the maintenance standards established under this act in at least 20 percent of the units in a building or project, issue a certificate of inspection for the building or project, in which case the inspection fee shall be charged on the basis of the number of units inspected.

The commissioner may by rule establish standards for self-inspection by condominium associations exercising control over buildings of not more than three stories, constructed after 1976, and certified by the local enforcing agency having jurisdiction as being in compliance with the Uniform Fire Code promulgated pursuant to P.L.1983, c.383 (C.52:27D-192 et seq.), in which at least 80 percent of the dwelling units are occupied by the unit owners. The commissioner shall issue a certificate of acceptance, which
shall be in lieu of a certificate of inspection, upon acceptance of any such self-inspection and upon payment of a fee of $25.

(d) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling does not comply with the provisions of this act and regulations promulgated thereunder, then the commissioner shall issue to the owner thereof a written notice stating the manner in which any such hotel or multiple dwelling does not comply with this act or regulations promulgated thereunder. Said notice shall fix such date, not less than 60 days nor more than 180 days, on or before which any such hotel or multiple dwelling must comply with the provisions of this act and regulations promulgated thereunder. If any such hotel or multiple dwelling is made to comply with the provisions of this act and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall issue to the owner thereof a certificate of inspection as described in subsection (c) of this section. If any such hotel or multiple dwelling is not made to comply with the provisions of this act and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall not issue to the owner thereof a certificate of inspection as described in subsection (c) of this section, and shall enforce the provisions of this act against the owner thereof.

(e) The commissioner shall annually review the cost of implementing and enforcing this act, including the cost to municipalities of carrying out inspections pursuant to section 21 of this act, and shall establish by rule, not more frequently than once every three years, such fees as may be necessary to cover the costs of such implementation and enforcement; provided, however, that any increase or decrease shall be applied as a uniform percentage to each category of fee established herein, and provided, further, that the percentage amount of any increase shall not exceed the percentage increase in salaries paid to State employees since the then current fee schedule was established. The commissioner shall provide by rule to owners the option of paying inspection fees in installments in the form of an annual fee. The commissioner shall annually prepare and file with the presiding officers of the Senate and General Assembly and the legislative committees having jurisdiction in housing matters a report setting forth the amounts of fees and penalties received by the Bureau of Housing Inspection, the cost to the bureau of enforcing this
act, and information concerning the productivity of the bureau. Copies of the report shall also be submitted to the Office of Administrative Law for publication in the New Jersey Register and to the members of the Hotel and Multiple Dwelling Health and Safety Board. If in any State fiscal year the fee revenue received by the bureau exceeds the cost of enforcement of this act, the excess revenue shall be distributed pro rata to persons who paid inspection fees during that fiscal year. Such distribution shall be made within three months after the end of the fiscal year.

(f) Except as otherwise provided in section 2 of P.L.1991, c.179 (C.55:13A-26.1), the fees established by or pursuant to the provisions of this section are dedicated to meeting the costs of implementing and enforcing this act and shall not be used for any other purpose. All receipts in excess of $2,200,000 are hereby appropriated for the purposes of this act.

C.55:13A-26.1 Deposit of 50% of penalty moneys in Revolving Housing Development and Demonstration Grant Fund.

2. Fifty percent of all penalty moneys collected by the commissioner pursuant to section 19 of P.L.1967, c.76 (C.55:13A-19) shall be deposited in the Revolving Housing Development and Demonstration Grant fund established by section 5 of P.L.1967, c.82 (C.52:27D-63).

3. In the fiscal year beginning July 1, 1993, and in each fiscal year thereafter, there shall be appropriated to the Revolving Housing Development and Demonstration Grant Fund established by section 5 of P.L.1967, c.82 (C.52:27D-63) an amount not less than the amount by which hotel and multiple dwelling inspection program costs during the next preceding fiscal year exceeded inspection fee revenue under the program received by the Department of Community Affairs during Fiscal Year 1991.

4. This act shall take effect immediately.

CHAPTER 180

AN ACT to amend the “Municipal Qualified Bond Act,” approved June 28, 1976 (P.L.1976, c.38).

BE IT ENacted by the Senate and General Assembly of the State of New Jersey:
1. Section 1 of P.L.1976, c.38 (C.40A:3-2) is amended to read as follows:

C.40A:3-2 Findings, declarations.
1. The Legislature finds and declares that:
   a. Maintenance of strong financial credit in New Jersey municipalities is essential in providing necessary capital improvement or property at minimum cost, for the citizens of this State;
   b. While the credit status of New Jersey's municipalities is sound, it can be strengthened by a pledge of State Urban Aid, Gross Receipts Tax, State Revenue Sharing, Municipal Purposes Tax Assistance Fund distributions, Business Personal Property Tax Replacement Revenues and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs to guarantee debt service payments on qualified bonds;
   c. Such a pledge should expand the market for and lower the interest costs on qualified bonds issued pursuant to the terms of this act, thus reducing the borrowing costs of participating municipalities.

2. Section 2 of P.L.1976, c.38 (C.40A:3-3) is amended to read as follows:

C.40A:3-3 Definitions.
2. For the purposes of this act, unless the context clearly requires a different meaning:
   a. "Business Personal Property Tax Replacement Revenues" means the funds distributed to municipalities pursuant to P.L.1966, c.135 (C.54:11D-1 et seq.) or pursuant to any other law hereafter enacted providing for funds to municipalities in lieu of or in substitution for or supplementing the funds presently provided pursuant to P.L.1966, c.135 (C.54:11D-1 et seq.);
   b. "Debt service" means and includes payments of principal and interest upon qualified bonds issued pursuant to the terms of this act or amounts required in order to satisfy sinking fund payment requirements with respect to such bonds;
   c. "Director" means Director of the Division of Local Government Services in the Department of Community Affairs, established pursuant to P.L.1974, c.35 (C.52:27D-18.1);
   d. "Local Finance Board" means the Local Finance Board in the Division of Local Government Services in the Department of Community Affairs, established pursuant to P.L.1974, c.35 (C.52:27D-18.1);
   e. "Paying agent" means any bank, trust company or national banking association having the power to accept and administer trusts, named
or designated in any qualified bond of a municipality as the agent for the payment of the principal of and interest thereon and shall include the holder of any sinking fund established for the payment of such bonds;

f. “Qualified bonds” means those bonds of a municipality authorized and issued in conformity with the provisions of this act;

g. “State urban aid” means the funds made available to municipalities pursuant to P.L.1971, c.64 and all acts supplementing that act or pursuant to any other law hereafter enacted providing for funds to municipalities in lieu of or in substitution for the funds presently provided pursuant to acts supplementing P.L.1971, c.64;

h. “State revenue sharing” means the funds made available to municipalities pursuant to P.L.1976, c.73 (C.54A:10-1 et seq.) or pursuant to any other law hereafter enacted providing for funds to municipalities in lieu of or in substitution for the funds presently provided pursuant to P.L.1976, c.73;

i. “Gross receipts tax revenues” means funds collected pursuant to P.L.1940, c.4 (C.54:30A-16 et seq.) and P.L.1940, c.5 (C.54:30A-49 et seq.), and apportioned and paid to municipalities pursuant to those acts; and

3. Section 3 of P.L.1976, c.38 (C.40A:3-4) is amended to read as follows:

C.40A:3-4 Issuance of qualified bonds.

3. a. Bonds issued by any municipality pursuant to provisions of this act shall be “qualified bonds” and shall be entitled to the benefit of the provisions of this act.

b. Whenever the governing body of a municipality determines, by passage of a bond ordinance upon first reading, to issue bonds for any lawful purpose, it may file an application and a certified copy of the ordinance as passed on first reading with the local finance board to qualify the bonds pursuant to the provisions of this act. Upon receipt of any such application, the local finance board shall cause an investigation to be made, taking into consideration such factors as the need for the facilities to be financed
from the proceeds of such proposed qualified bonds, the ability of
the municipality to supply other essential public improvements
and services and during the ensuing 10 years to pay punctually
the principal and interest on its debts, the reasonableness of the
amounts to be expended for each of the purposes or improvements
to be financed pursuant to such bonds, and such other factors as
the local finance board may deem necessary.

c. If such investigation shows to the satisfaction of the local
finance board that such municipality should be entitled to issue
qualified bonds pursuant to the provisions of this act, the local
finance board may by resolution determine that such municipality
is entitled to issue qualified bonds. In considering any ordinance
submitted to it and before endorsing its consent thereon, the local
finance board may require the governing body of any municipali-
ty to adopt resolutions restricting or limiting any future
proceedings with respect to the authorization of bonds or other
matters deemed by the local finance board to affect any estimate
made or to be made by it in accordance with subsection b. hereof.
Every resolution so adopted shall constitute a valid and binding
obligation of such municipality running to and enforceable by,
and releasable by the local finance board.

d. Within 60 days after the submission to it of an application
made in accordance with subsection b. the local finance board
shall cause its consent to be endorsed upon the ordinance autho-
rizing the issuance of qualified bonds, if it shall be satisfied and
record by resolution that the municipality is entitled to issue qual-
ified bonds. If the local finance board is not so satisfied, it shall
cause its disapproval to be endorsed upon such ordinance within
said period of 60 days.

e. If the governing body of a municipality shall determine by
resolution that a maturity schedule for its qualified bonds, other
than the maturity schedule approved by the local finance board
pursuant to section 3, is in the best interest of said municipality,
it may make application to the local finance board setting forth
such belief and the grounds therefor and requesting approval of a
schedule of maturities for such qualified bonds set forth in the
application. Within 60 days after submission to the local finance
board of such application, the local finance board shall cause its
approval to be endorsed thereon if it shall be satisfied, and shall
record by resolution its findings, that the belief set forth in such
application is well founded and that the issuance of the bonds
pursuant to the revised maturity schedule in such application
would not materially impair the credit of the municipality or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal of and interest on its debts and supply essential public improvements and services. If the local finance board is not so satisfied, it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

4. Section 6 of P.L.1976, c.38 (C.40A:3-7) is amended to read as follows:

C.40A:3-7 Municipal certification.

6. a. Each municipality which issues qualified bonds shall certify to the State Treasurer the name and address of the paying agent, the maturity schedule, interest rate and dates of payment of debt service on such qualified bonds within 10 days after the date of issuance of such qualified bonds. After receipt of such certificate the State Treasurer shall withhold from the amount of business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs payable to such municipality an amount of such business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs which will be sufficient to pay the debt service on such qualified bonds as the same shall mature and become due. The State Treasurer shall, on or before each principal and interest payment date, forward such withheld amounts to the paying agent for such qualified bonds for deposit to the account established with such paying agent for the purpose of paying the debt service on such qualified bonds. From the time withheld by the State Treasurer all such business personal property tax replacement revenue, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs so withheld and paid or to be paid to and held by the paying agent shall be exempt from being levied upon, taken, sequestered or applied toward paying the debts of the municipality other than for payment of debt service on such qualified bonds. From
the time withheld by the State Treasurer the business personal property
tax replacement revenue, gross receipts tax revenues, municipal purposes
tax assistance fund distributions, State urban aid, State revenue sharing and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs so withheld and paid or to be paid to the paying agent shall be deemed to be held in trust for the sole purpose of paying the debt service on such qualified bonds.

b. The State of New Jersey hereby covenants with the purchasers, holders and owners, from time to time, of qualified bonds that it will not repeal, revoke, rescind, modify or amend the provisions of subsection a. of this section so as to create any lien or charge on or pledge, assignment, diversion, withholding payment or other use of or deduction from any business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing or any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs to be apportioned and paid to any paying agent of qualified bonds which is prior in time or superior in right to the payment required by subsection a. of this section; provided, however, that nothing herein contained shall be deemed or construed to require the State of New Jersey to continue to make payments of business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing or any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs or to limit or prohibit the State from repealing or amending any law heretofore or hereafter enacted for the payment or apportionment of said revenues or aid or the manner, time, or amount thereof.

c. The certification to the State Treasurer as to amount payable in any year for debt service on such qualified bonds shall be fully conclusive as to such qualified bonds from and after the time of issuance of such qualified bonds notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such qualified bonds provided that such qualified bonds contain a recital to the effect that they are entitled to the benefits of the provisions of this act. All persons shall be forever estopped from denying that such qualified bonds are entitled to the benefits of the provisions of this act.

5. Section 7 of P.L.1976, c.38 (C.40A:3-8) is amended to read as follows:
CHAPTERS 180 & 181, LAWS OF 1991

C.40A:3-8 Payment of principal and interest due on qualified bonds; payment of operating expenses.

7. Nothing contained in this act shall be construed to relieve any municipality of the obligation imposed on it by law to include in its annual budget amounts necessary to pay, in each year, the principal and interest maturing and becoming due on any qualified bonds issued by such municipality; provided, however, that to the extent of the amounts withheld from business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing and any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs payable to such municipality and forwarded to the paying agent for such qualified bonds pursuant to section 6, such budgeted amounts, to the extent not needed to pay debt service on such qualified bonds, may be applied to the payment of the operating expenses of such municipality for such year; and provided, further, that in any year in which business personal property tax replacement revenues, gross receipts tax revenues, municipal purposes tax assistance fund distributions, State urban aid, State revenue sharing or any other funds appropriated as State aid and not otherwise dedicated to specific municipal programs are not appropriated, such budgeted amounts shall be used to pay the debt service maturing and becoming due in such year on such qualified bonds of the municipality.

6. This act shall take effect immediately.

Any change in the cents per gallon rate so determined by the director shall be rounded upward or downward to the nearest tenth of a cent. The adjusted rate shall be effective for tax due for months ending after those dates. Any change in the cents per gallon rate so determined by the director shall be rounded upward or downward to the nearest tenth of a cent. The adjusted rate shall be effective for tax due for
months ending after those dates. There shall be a minimum cents per gallon tax rate, rounded to the nearest cent, that shall be calculated by the use of the average retail price per gallon of unleaded regular gasoline in December 1990, as determined in a survey of retail gasoline prices that included a Statewide representative random sample conducted in December 1990 for that month by the Board of Public Utilities, Office of the Economist.

3. Section 5 of P.L.1990, c.42 (C.54:15B-5) is amended to read as follows:

C.54:15B-5 Gross receipts; credit against petroleum products tax.

5. a. Gross receipts of a company making first sales of petroleum products within this State shall not include consideration derived from the first sale of petroleum products within this State sold for exportation from this State for sale or use outside this State or sales within this State between companies licensed pursuant to section 6 of P.L.1991, c.181 (C.54:15B-12).

b. Gross receipts of a company making first sales of petroleum products within this State shall not include consideration derived from the first sale of petroleum products within this State to the United States government, or to any of its departments, agencies or instrumentalities, for use in a federal government function or operation. A company making a first sale of petroleum products the gross receipts from which are exempt from tax pursuant to this subsection shall report such sales to the director at such times and in such detail as the director may require. This exemption may be claimed by a company otherwise subject to the tax under this act at any time within two years after the date of the first sale of petroleum products within this State for which the exemption is claimed, but no claim made after the expiration of that two-year period shall be recognized for any purpose by the State or any agency thereof.

c. A company shall be allowed a credit against the tax imposed by subsection a. of section 3 of this act if a purchaser of petroleum products first sold within this State subsequently sells the petroleum products for exportation from this State for sale or use outside this State; provided:

(1) the purchaser who makes the sale for exportation from this State for sale or use outside this State issues a certification, on such form as the director may prescribe, evidencing a sale or use outside this State, and

b. On or before the 25th day following the end of a quarterly period, a company subject to tax under this act shall file a reconciliation return under oath to the director on such forms as may be prescribed by the director reflecting such information and payments from the preceding quarterly period as the director shall deem necessary.

C.54:15B-8 Determination of tax due; powers of director.

8. a. (1) If a return required by this act is not filed, or if a return when filed is incorrect or insufficient in the opinion of the director, the amount of tax due shall be determined by the director from the information available.

(2) If because of an affiliation of interests between a company subject to tax under this act and any purchaser the gross receipts from sale transactions are not indicative of or representative of
market price, the director may at the director's discretion, utilize external indices to establish gross receipts.

Notice of a determination pursuant to this subsection shall be given to the company liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the company against which it is assessed, within 30 days after receiving notice of the determination, shall apply to the director for a hearing, or unless the director on the director's own motion shall redetermine the same. After such hearing the director shall give notice of the determination to the company to which the tax is assessed.

b. The certificate of the director to the effect that a tax has not been paid, that a return has not been filed, that a prescribed certificate has not been issued, that information has not been supplied or that inaccurate information has been supplied pursuant to the provisions of this act or rules or regulations adopted hereunder shall be prima facie evidence thereof.

c. In addition to the other powers granted to the director in this section, the director is hereby authorized and empowered:

1. To delegate to any officer or employee of the division such powers and duties as the director may deem necessary to carry out the provisions of this act, and the person or persons to whom such power has been delegated shall possess and may exercise all of said powers and perform all of the duties delegated by the director;

2. To prescribe and distribute all necessary forms and certificates for the implementation of this act; and

3. To administer and enforce the tax imposed by this act and to make and adopt such rules and regulations and to require such facts and information to be reported as the director may deem necessary to enforce the provisions of this act.

d. The tax imposed by this act shall be governed in all respects by the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., except only to the extent that a specific provision of this act may be in conflict therewith.

CHAPTER 182

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1977, c.110 (C.5:12-1) is amended to read as follows:

C.5:12-1 Short title; declaration of policy and legislative findings.

1. Short title; Declaration of Policy and Legislative Findings.
   a. This act shall be known and may be cited as the "Casino Control Act."
b. The Legislature hereby finds and declares to be the public policy of this State, the following:

(1) The tourist, resort and convention industry of this State constitutes a critical component of its economic structure and, if properly developed, controlled and fostered, is capable of providing a substantial contribution to the general welfare, health and prosperity of the State and its inhabitants.

(2) By reason of its location, natural resources and worldwide prominence and reputation, the city of Atlantic City and its resort, tourist and convention industry represent a critically important and valuable asset in the continued viability and economic strength of the tourist, convention and resort industry of the State of New Jersey.

(3) The rehabilitation and redevelopment of existing tourist and convention facilities in Atlantic City, and the fostering and encouragement of new construction and the replacement of lost convention, tourist, entertainment and cultural centers in Atlantic City will offer a unique opportunity for the inhabitants of the entire State to make maximum use of the natural resources available in Atlantic City for the expansion and encouragement of New Jersey's hospitality industry, and to that end, the restoration of Atlantic City as the Playground of the World and the major hospitality center of the Eastern United States is found to be a program of critical concern and importance to the inhabitants of the State of New Jersey.

(4) Legalized casino gaming has been approved by the citizens of New Jersey as a unique tool of urban redevelopment for Atlantic City. In this regard, the introduction of a limited number of casino rooms in major hotel convention complexes, permitted as an additional element in the hospitality industry of Atlantic City, will facilitate the redevelopment of existing blighted areas and the refurbishing and expansion of existing hotel, convention, tourist, and entertainment facilities; encourage the replacement of lost hospitality-oriented facilities; provide for judicious use of open space for leisure time and recreational activities; and attract new investment capital to New Jersey in general and to Atlantic City in particular.

(5) Restricting the issuance of casino licenses to major hotel and convention facilities is designed to assure that the existing nature and tone of the hospitality industry in New Jersey and in Atlantic City is preserved, and that the casino rooms licensed pursuant to the provisions of this act are always offered and maintained as an integral element of such hospitality facilities, rather than as the industry unto themselves that they have become in other jurisdictions.
(6) An integral and essential element of the regulation and control of such casino facilities by the State rests in the public confidence and trust in the credibility and integrity of the regulatory process and of casino operations. To further such public confidence and trust, the regulatory provisions of this act are designed to extend strict State regulation to all persons, locations, practices and associations related to the operation of licensed casino enterprises and all related service industries as herein provided. In addition, licensure of a limited number of casino establishments, with the comprehensive law enforcement supervision attendant thereto, is further designed to contribute to the public confidence and trust in the efficacy and integrity of the regulatory process.

(7) Legalized casino gaming in New Jersey can attain, maintain and retain integrity, public confidence and trust, and remain compatible with the general public interest only under such a system of control and regulation as insures, so far as practicable, the exclusion from participation therein of persons with known criminal records, habits or associations, and the exclusion or removal from any positions of authority or responsibility within casino gaming operations and establishments of any persons known to be so deficient in business probity, ability or experience, either generally or with specific reference to gaming, as to create or enhance the dangers of unsound, unfair or illegal practices, methods and activities in the conduct of gaming or the carrying on of the business and financial arrangements incident thereto.

(8) Since the public has a vital interest in casino operations in Atlantic City and has established an exception to the general policy of the State concerning gaming for private gain, participation in casino operations as a licensee or registrant under this act shall be deemed a revocable privilege conditioned upon the proper and continued qualification of the individual licensee or registrant and upon the discharge of the affirmative responsibility of each such licensee or registrant to provide to the regulatory and investigatory authorities established by this act any assistance and information necessary to assure that the policies declared by this act are achieved. Consistent with this policy, it is the intent of this act to preclude the creation of any property right in any license, registration, certificate or reservation permitted by this act, the accrual of any value to the privilege of participation in gaming operations, or the transfer of any license, registration, certificate, or reservation, and to require that participation in gaming be solely conditioned upon the individual qualifications of the person seeking such privilege.
(9) Since casino operations are especially sensitive and in need of public control and supervision, and since it is vital to the interests of the State to prevent entry, directly or indirectly, into such operations or the ancillary industries regulated by this act of persons who have pursued economic gains in an occupational manner or context which are in violation of the criminal or civil public policies of this State, the regulatory and investigatory powers and duties shall be exercised to the fullest extent consistent with law to avoid entry of such persons into the casino operations or the ancillary industries regulated by this act.

(10) Since the development of casino gaming operations in Atlantic City will substantially alter the environment of New Jersey's coastal areas, and since it is necessary to insure that this substantial alteration be beneficial to the overall ecology of the coastal areas, the regulatory and investigatory powers and duties conferred by this act shall include, in cooperation with other public agencies, the power and the duty to monitor and regulate casinos and the growth of casino operations to respond to the needs of the coastal areas.

(11) The facilities in which licensed casinos are to be located are of vital law enforcement interest to the State, and it is in the public interest that the regulatory and investigatory powers and duties conferred by this act include the power and duty to review architectural and site plans to assure that the proposal is suitable by law enforcement standards.

(12) Since the economic stability of casino operations is in the public interest and competition in the casino operations in Atlantic City is desirable and necessary to assure the residents of Atlantic City and of this State and other visitors to Atlantic City varied attractions and exceptional facilities, the regulatory and investigatory powers and duties conferred by this act shall include the power and duty to regulate, control and prevent economic concentration in the casino operations and the ancillary industries regulated by this act, and to encourage and preserve competition.

(13) It is in the public interest that the institution of licensed casino establishments in New Jersey be strictly regulated and controlled pursuant to the above findings and pursuant to the provisions of this act, which provisions are designed to engender and maintain public confidence and trust in the regulation of the licensed enterprises, to provide an effective method of rebuilding and redeveloping existing facilities and of encouraging new capital investment in Atlantic City, and to provide a meaningful and
permanent contribution to the economic viability of the resort, convention, and tourist industry of New Jersey.

(14) Confidence in casino gaming operations is eroded to the extent the State of New Jersey does not provide a regulatory framework for casino gaming that permits and promotes stability and continuity in casino gaming operations.

(15) Continuity and stability in casino gaming operations cannot be achieved at the risk of permitting persons with unacceptable backgrounds and records of behavior to control casino gaming operations contrary to the vital law enforcement interest of the State.

(16) The aims of continuity and stability and of law enforcement will best be served by a system in which continuous casino operation can be assured under certain circumstances wherein there has been a transfer of property or another interest relating to an operating casino and the transferee has not been fully licensed or qualified, as long as control of the operation under such circumstances may be placed in the possession of a person or persons in whom the public may feel a confidence and a trust.

(17) A system whereby the suspension or revocation of casino operations under certain appropriate circumstances causes the imposition of a conservatorship upon the suspended or revoked casino operation serves both the economic and law enforcement interests involved in casino gaming operations.

2. Section 5 of P.L.1977, c.110 (C.5:12-5) is amended to read as follows:

C.5:12-5 “Authorized game” or “unauthorized gambling game”.

5. “Authorized Game” or “Authorized Gambling Game”—Roulette, baccarat, blackjack, craps, big six wheel, slot machines, minibaccarat, red dog, pai gow, and sic bo; any variations or composites of such games, provided that such variations or composites are found by the commission suitable for casino use after an appropriate test or experimental period under such terms and conditions as the commission may deem appropriate; and any other game which is authorized by the commission pursuant to section 3 of this amendatory and supplementary act, P.L.1991, c.182 (C.5:12-5.1). “Authorized game” or “authorized gambling game” includes gaming tournaments in which players compete against one another in one or more of the games listed herein or in approved variations or composites thereof if the tournaments are authorized by the commission.
C.5:12-5.1 Authorization of game for trial period.

3. The commission may authorize the operation, for a trial period of not more than six months, of any game in addition to the games authorized by statute or by the commission prior to the effective date of this amendatory and supplementary act, P.L.1991, c.182 (C.5:12-5.1 et al.). At any time during the trial period or at the conclusion of the trial period, the commission may recommend to the Legislature and the Governor that authorization for that game be provided by statute. No game authorized by the commission pursuant to this section shall continue beyond six months unless authorized by enactment of appropriate legislation.

17. Section 71 of P.L.1977, c.110 (C.5:12-71) is amended to read as follows:

C.5:12-71 Regulation requiring exclusion of certain persons.

71. a. The commission shall, by regulation, provide for the establishment of a list of persons who are to be excluded or ejected from any licensed casino establishment. Such provisions
shall define the standards for exclusion, and shall include standards relating to persons:

(1) Who are career or professional offenders as defined by regulations of the commission;

(2) Who have been convicted of a criminal offense under the laws of any state or of the United States, which is punishable by more than six months in prison, or any crime or offense involving moral turpitude; or

(3) Whose presence in a licensed casino would, in the opinion of the commission, be inimical to the interest of the State of New Jersey or of licensed gaming therein, or both.

The commission shall promulgate definitions establishing those categories of persons who shall be excluded pursuant to this section, including cheats and persons whose privileges for licensure or registration have been revoked.

b. Race, color, creed, national origin or ancestry, or sex shall not be a reason for placing the name of any person upon such list.

c. The commission may impose sanctions upon a licensed casino or individual licensee or registrant in accordance with the provisions of this act if such casino or individual licensee or registrant knowingly fails to exclude or eject from the premises of any licensed casino any person placed by the commission on the list of persons to be excluded or ejected.

d. Any list compiled by the commission of persons to be excluded or ejected shall not be deemed an all-inclusive list, and licensed casino establishments shall have a duty to keep from their premises persons known to them to be within the classifications declared in subsection a. of this section and the regulations promulgated thereunder.

e. Whenever the division petitions the commission to place the name of any person on a list pursuant to this section, the commission shall serve notice of such fact to such person by personal service, by certified mail at the last known address of such person, or by publication daily for one week in a newspaper of general circulation in Atlantic City.

f. Within 30 days after service of the petition in accordance with subsection e. of this section, the person named for exclusion or ejection may demand a hearing before the commission, at which hearing the division shall have the affirmative obligation to demonstrate by a preponderance of the evidence that the person named for exclusion or ejection satisfies the criteria for exclusion established by this section and the commission's regulations.
Failure to demand such a hearing within 30 days after service shall be deemed an admission of all matters and facts alleged in the division's petition and shall preclude a person from having an administrative hearing, but shall in no way affect his or her right to judicial review as provided herein.

The division may file an application with the commission requesting preliminary placement on the list of a person named in a petition for exclusion or ejection pending completion of a hearing on the petition. The hearing on the application for preliminary placement shall be a limited proceeding at which the division shall have the affirmative obligation to demonstrate that there is a reasonable possibility that the person satisfies the criteria for exclusion established by this section and the commission's regulations. If a person has been placed on the list as a result of an application for preliminary placement, unless otherwise agreed by the commission and the named person, a hearing on the petition for exclusion or ejection shall be initiated within 30 days after the receipt of a demand for such hearing or the date of preliminary placement on the list, whichever is later.

If, upon completion of the hearing on the petition for exclusion or ejection, the commission determines that the person named therein does not satisfy the criteria for exclusion established by this section and the commission's regulations, the commission shall issue an order denying the petition. If the person named in the petition for exclusion or ejection had been placed on the list as a result of an application for preliminary placement, the commission shall notify all casino licensees of his or her removal from the list.

If, upon completion of a hearing on the petition for exclusion or ejection, the commission determines that placement of the name of the person on the exclusion list is appropriate, the commission shall make and enter an order to that effect, which order shall be served on all casino licensees. Such order shall be subject to review by the Superior Court in accordance with the rules of court.

b. The commission shall keep and maintain a list of all applicants for licenses and registrations under this act together with a record of all actions taken with respect to such applicants, which file and record shall be open to public inspection; provided, however, that the foregoing information regarding any applicant whose license or registration has been denied, revoked, or not renewed shall be removed from such list after five years from the date of such action.

c. The commission shall maintain such other files and records as may be deemed desirable.

d. Except as provided in subsection h. of this section, all information and data required by the commission to be furnished hereunder, or which may otherwise be obtained, relative to the internal controls specified in section 99a. of this act or to the earnings or revenue of any applicant, registrant, or licensee shall be considered to be confidential and shall not be revealed in whole or in part except in the course of the necessary administration of this act, or upon the lawful order of a court of competent jurisdiction, or, with the approval of the Attorney General, to a duly authorized law enforcement agency.

e. All information and data pertaining to an applicant's criminal record, family, and background furnished to or obtained by the commission from any source shall be considered confidential and shall be withheld in whole or in part, except that any information shall be released upon the lawful order of a court of competent jurisdiction or, with the approval of the Attorney General, to a duly authorized law enforcement agency.

19. Section 76 of P.L.1977, c.110 (C.5:12-76) is amended to read as follows:

C.5:12-76 General duties and powers.

76. General Duties and Powers. a. The Division of Gaming Enforcement shall promptly and in reasonable order investigate all applications, enforce the provisions of this act and any regulations
promulgated hereunder, and prosecute before the commission all proceedings for violations of this act or any regulations promulgated hereunder. The division shall provide the commission with all information necessary for all action under Article 6 of this act and for all proceedings involving enforcement of the provisions of this act or any regulations promulgated hereunder.

b. The division shall:

(1) Investigate the qualifications of each applicant before any license, certificate, or permit is issued pursuant to the provisions of this act;

(2) Investigate the circumstances surrounding any act or transaction for which commission approval is required;

(3) Investigate violations of this act and regulations promulgated hereunder;

(4) Initiate, prosecute and defend such proceedings before the commission, or appeals therefrom, as the division may deem appropriate;

(5) Provide assistance upon request by the commission in the consideration and promulgation of rules and regulations;

(8) Be entitled to request information, materials and any other data from any licensee or registrant, or applicant for a license or registration under this act.

20. Section 80 of P.L.1977, c.110 (C.5:12-80) is amended to read as follows:

C.5:12-80 General provisions.

80. General Provisions. a. It shall be the affirmative responsibility of each applicant and licensee to establish by clear and convincing evidence his individual qualifications, and for a casino license the qualifications of each person who is required to be qualified under this act as well as the qualifications of the facility in which the casino is to be located.

b. Any applicant, licensee, registrant, or any other person who must be qualified pursuant to this act shall provide all informa-
tion required by this act and satisfy all requests for information pertaining to qualification and in the form specified by the commission. All applicants, registrants, and licensees shall waive liability as to the State of New Jersey, and its instrumentalities and agents, for any damages resulting from any disclosure or publication in any manner, other than a willfully unlawful disclosure or publication, of any material or information acquired during inquiries, investigations or hearings.

c. All applicants, licensees, registrants, intermediary companies, and holding companies shall consent to inspections, searches and seizures and the supplying of handwriting exemplars as authorized by this act and regulations promulgated hereunder.

d. All applicants, licensees, registrants, and any other person who shall be qualified pursuant to this act shall have the continuing duty to provide any assistance or information required by the commission or division, and to cooperate in any inquiry or investigation conducted by the division and any inquiry, investigation, or hearing conducted by the commission. If, upon issuance of a formal request to answer or produce information, evidence or testimony, any applicant, licensee, registrant, or any other person who shall be qualified pursuant to this act refuses to comply, the application, license, registration or qualification of such person may be denied or revoked by the commission.

e. No applicant or licensee shall give or provide, offer to give or provide, directly or indirectly, any compensation or reward or any percentage or share of the money or property played or received through gaming activities, except as authorized by this act, in consideration for obtaining any license, authorization, permission or privilege to participate in any way in gaming operations.

f. Each applicant or person who must be qualified under this act shall be photographed and fingerprinted for identification and investigation purposes in accordance with procedures established by the commission.

g. All licensees, all registrants, all persons required to be qualified under this act, and all persons employed by a casino service industry licensed pursuant to this act, shall have a duty to inform the commission or division of any action which they believe would constitute a violation of this act. No person who so informs the commission or the division shall be discriminated against by an applicant, licensee or registrant because of the supplying of such information.
h. Any person who must be qualified pursuant to the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.) in order to hold the securities of a casino licensee or any holding or intermediary company of a casino licensee may apply for qualification status prior to the acquisition of any such securities. The commission may determine to accept such an application upon a finding that there is a reasonable likelihood that, if qualified, the applicant will obtain and hold securities of a licensee sufficient to require qualification. Such an applicant shall be subject to the provisions of this section and shall pay for the costs of all investigations and proceedings in relation to the application unless the applicant provides to the commission an agreement with one or more casino licensees which states that the licensee or licensees will pay those costs.

21. Section 81 of P.L.1977, c.110 (C.5:12-81) is amended to read as follows:

C.5:12-81 Statement of compliance.

81. a. The commission may issue a statement of compliance to an applicant for any license or for qualification status under this act at any time the commission is satisfied that one or more particular eligibility criteria have been satisfied by an applicant.

b. Such statement shall specify the eligibility criteria satisfied, the date of such satisfaction and a reservation to the commission to revoke the statement of compliance at any time based upon a change of circumstances affecting such compliance.

c. A statement of compliance certifying satisfaction of all of the requirements of subsection e. of section 84 of this act with respect to a specific casino hotel proposal submitted by an eligible applicant may be accompanied by a written commitment from the commission that a casino license shall be reserved for a period not to exceed 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish and shall be issued to such eligible applicant with respect to such proposal provided that such applicant (1) complies in all respects with the provisions of this act, (2) qualifies for a casino license within a period not to exceed 30 months of the date of such commitment or within such additional time period as the commission may, upon a showing of good cause therefor, establish, and (3) complies with such other conditions as the commission shall impose. The commission may revoke such reservation at any time it finds that the applicant is disqualified.
from receiving or holding a casino license or has failed to comply with any conditions imposed by the commission. Such reservation shall be automatically revoked if the applicant does not qualify for a casino license within the period of such commitment.

22. Section 82 of P.L.1977, c.110 (C.5:12-82) is amended to read as follows:

Casino license, eligibility.

82. Casino License—Applicant Eligibility. a. No casino shall operate unless all necessary licenses and approvals therefor have been obtained in accordance with law.

b. Only the following persons shall be eligible to hold a casino license; and, unless otherwise determined by the commission with the concurrence of the Attorney General which may not be unreasonably withheld in accordance with subsection c. of this section, each of the following persons shall be required to hold a casino license prior to the operation of a casino in the hotel with respect to which the casino license has been applied for:

(1) Any person who either owns an approved hotel building or owns or has a contract to purchase or construct a hotel which in the judgment of the commission can become an approved hotel building within 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish;

(2) Any person who, whether as lessor or lessee, either leases an approved hotel building or leases or has an agreement to lease a hotel which in the judgment of the commission can become an approved hotel building within 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish;

(3) Any person who has a written agreement with a casino licensee or with an eligible applicant for a casino license for the complete management of a casino; and

(4) Any other person who has any control over either an approved hotel building or the land thereunder or the operation of a casino.

c. Prior to the operation of the casino, every agreement to lease an approved hotel building or the land thereunder and every agreement for the management of the casino shall be in writing and filed with the commission. No such agreement shall be effective unless expressly approved by the commission. The commission may require that any such agreement include within
its terms any provision reasonably necessary to best accomplish the policies of this act. Consistent with the policies of this act:

1. The commission, with the concurrence of the Attorney General which may not be unreasonably withheld, may determine that any person who does not have the ability to exercise any significant control over either the approved hotel building or the operation of the casino contained therein shall not be eligible to hold or required to hold a casino license;

2. The commission, with the concurrence of the Attorney General which may not be unreasonably withheld, may determine that any owner, lessee or lessor of an approved hotel building or the land thereunder who does not own or lease the entire approved hotel building shall not be eligible to hold or required to hold a casino license;

3. The commission shall require that any person or persons eligible to apply for a casino license organize itself or themselves into such form or forms of business association as the commission shall deem necessary or desirable in the circumstances to carry out the policies of this act;

4. The commission may issue separate casino licenses to any persons eligible to apply therefor;

5. As to agreements to lease an approved hotel building or the land thereunder, unless it expressly and by formal vote for good cause determines otherwise, the commission shall require that each party thereto hold either a casino license or casino service industry license and that such an agreement be for a durational term exceeding 30 years, concern 100% of the entire approved hotel building or of the land upon which same is located, and include within its terms a buy-out provision conferring upon the casino licensee-lessee who controls the operation of the approved hotel the absolute right to purchase for an expressly set forth fixed sum the entire interest of the lessor or any person associated with the lessor in the approved hotel building or the land thereunder in the event that said lessor or said person associated with the lessor is found by the commission to be unsuitable to be associated with a casino enterprise;

6. The commission shall not permit an agreement for the leasing of an approved hotel building or the land thereunder to provide for the payment of an interest, percentage or share of money gambled at the casino or derived from casino gaming activity or of revenues or profits of the casino unless the party receiving payment of such interest, percentage or share is a party to the approved lease agreement; unless each party to the lease...
agreement holds either a casino license or casino service industry license and unless the agreement is for a durational term exceeding 30 years, concerns a significant portion of the entire approved hotel building or of the land upon which same is located, and includes within its terms a buy-out provision conforming to that described in paragraph (5) above;

(7) As to agreements for the management of a casino, the commission shall require that each party thereto hold a casino license, that the party thereto who is to manage the casino own at least 10% of all outstanding equity securities of any casino licensee or of any eligible applicant for a casino license if the said licensee or applicant is a corporation and the ownership of an equivalent interest in any casino licensee or in any eligible applicant for a casino license if same is not a corporation, and that such an agreement be for the complete management of the casino, provide for the sole and unrestricted power to direct the casino operations of the casino which is the subject of the agreement, and be for such a durational term as to assure reasonable continuity, stability and independence in the management of the casino;

(8) The commission may permit an agreement for the management of a casino to provide for the payment to the managing party of an interest, percentage or share of money gambled at the casino or derived from casino gaming activity or of revenues or profits of the casino; and

(9) As to agreements to lease an approved hotel building or the land thereunder, agreements to jointly own an approved hotel building or the land thereunder and agreements for the management of a casino, the commission shall require that each party thereto shall be jointly and severally liable for all acts, omissions and violations of this act by any party thereto regardless of actual knowledge of such act, omission or violation and notwithstanding any provision in such agreement to the contrary.

d. No corporation shall be eligible to apply for a casino license unless:

(1) The corporation shall be incorporated in the State of New Jersey, although such corporation may be a wholly or partially owned subsidiary of a corporation which is organized pursuant to the laws of another state of the United States or of a foreign country;

(2) The corporation shall maintain an office of the corporation in the premises licensed or to be licensed;

(3) The corporation shall comply with all the requirements of the laws of the State of New Jersey pertaining to corporations;
(4) The corporation shall maintain a ledger in the principal office of the corporation in New Jersey which shall at all times reflect the current ownership of every class of security issued by the corporation and shall be available for inspection by the commission or the division and authorized agents of the commission and the division at all reasonable times without notice;

(5) The corporation shall maintain all operating accounts required by the commission in a bank in New Jersey;

(6) The corporation shall include among the purposes stated in its certificate of incorporation the conduct of casino gaming and provide that the certificate of incorporation includes all provisions required by this act;

(7) The corporation, if it is not a publicly traded corporation, shall file with the commission such adopted corporate charter provisions as may be necessary to establish the right of prior approval by the commission with regard to transfers of securities, shares, and other interests in the applicant corporation; and, if it is a publicly traded corporation, provide in its corporate charter that any securities of such corporation are held subject to the condition that if a holder thereof is found to be disqualified by the commission pursuant to the provisions of this act, such holder shall dispose of his interest in the corporation; provided, however, that, notwithstanding the provisions of N.J.S.14A:7-12 and N.J.S.12A:8-101 et seq., nothing herein shall be deemed to require that any security of such corporation bear any legend to this effect;

(8) The corporation, if it is not a publicly traded corporation, shall establish to the satisfaction of the commission that appropriate charter provisions create the absolute right of such non-publicly traded corporations and companies to repurchase at the market price or the purchase price, whichever is the lesser, any security, share or other interest in the corporation in the event that the commission disapproves a transfer in accordance with the provisions of this act;

(9) Any publicly traded holding, intermediary, or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall contain in its corporate charter the same provisions required under paragraph (7) for a publicly traded corporation to be eligible to apply for a casino license; and

(10) Any non-publicly traded holding, intermediary or subsidiary company of the corporation, whether the corporation is publicly traded or not, shall establish to the satisfaction of the commission that its charter provisions are the same as those
required under paragraphs (7) and (8) for a non-publicly traded corporation to be eligible to apply for a casino license.

Notwithstanding the foregoing, any corporation or company which had bylaw provisions approved by the commission prior to the effective date of this 1987 amendatory act shall have one year from the effective date of this 1987 amendatory act to adopt appropriate charter provisions in accordance with the requirements of this subsection.

The provisions of this subsection shall apply with the same force and effect with regard to casino license applicants and casino licensees which have a legal existence that is other than corporate to the extent which is appropriate.

e. No person shall be issued or be the holder of more than three casino licenses. For the purpose of this subsection a person shall be considered the holder of a casino license if such license is issued to such person or if such license is held by any holding, intermediary or subsidiary company thereof, or by any officer, director, casino key employee or principal employee of such person, or of any holding, intermediary or subsidiary company thereof.

23. Section 83 of P.L. 1977, c.110 (C.5:12-83) is amended to read as follows:

C.5:12-83 Approved hotel.

83. Approved Hotel. a. An approved hotel for purposes of this act shall be a hotel providing facilities in accordance with this section. Nothing in this section shall be construed to limit the authority of the commission to determine the suitability of facilities as provided in this act, and nothing in this section shall be construed to require a casino to be smaller than the maximum size herein provided.

b. (1) In the case of a casino hotel in operation on the effective date of this amendatory and supplementary act, P.L. 1991, c.182, an approved hotel shall:

(a) contain at least the number of qualifying sleeping units, as defined in section 27 of P.L. 1977, c.110 (C.5:12-27), which it has on the effective date of this amendatory and supplementary act, except that those units may be consolidated and reconfigured in order to form suites so long as there remain at least 500 qualifying sleeping units; and

(b) contain a casino of not more than the amount of casino space authorized on the basis of the provisions of this section
which were in effect on the day before the effective date of this
amendatory and supplementary act and applicable to that casino
at that time, unless the number of qualifying sleeping units under
subparagraph (a) of this paragraph and the number of any qualify­
ing sleeping units added after the effective date of this
amendatory and supplementary act permit an increase on the fol­
lowing basis: 50,000 square feet for the first 500 qualifying
sleeping units and 10,000 square feet for each additional 100
qualifying sleeping units above 500, up to a maximum of 200,000
square feet. No casino hotel in operation on the effective date of
this amendatory and supplementary act shall be required to reduce
the amount of its casino space below the amount authorized as of
the day before the effective date of this amendatory and supple­
mentary act unless the number of qualifying sleeping units is
reduced below the number required in subparagraph (a) of this
paragraph or, during the two years after that effective date, the
amount of qualifying indoor public space, including space serving
as kitchen support facilities, is reduced in violation of section 24
of this amendatory and supplementary act.

For the purpose of increasing casino space, an agreement
approved by the commission for the addition of qualifying sleep­ing
units within two years after the commencement of gaming
operations in the additional casino space shall be deemed an addi­
tion of those rooms, but if the agreement is not fulfilled due to
conditions within the control of the casino licensee, the casino
licensee shall close the additional casino space or any portion
thereof as directed by the commission.

The calculation of the number of qualifying sleeping units
added with respect to any such casino hotel shall not include any
qualifying sleeping unit or other hotel or motel room in existence
in Atlantic City on the effective date of this amendatory and sup­
plementary act, whether or not that unit or room is offered or
usable for occupancy on the effective date, or any replacement for
such a unit or room which results from construction or renovation
after the effective date.

(2) In the case of a hotel in operation on the effective date of
this amendatory and supplementary act, P.L.1991, c.182, in which
a licensed casino was located and operated prior to, but not as of,
that effective date, and in which a casino is reestablished after
that effective date, an approved hotel shall:

(a) contain at least the number of qualifying sleeping units, as
defined in section 27 of P.L.1977, c.110 (C.5:12-27), which it had
on the date the casino ceased operations prior to the effective date of this amendatory and supplementary act, except that those units may be consolidated and reconfigured in order to form suites so long as there remain at least 500 qualifying sleeping units; and

(b) contain a casino of not more than the amount of casino space the casino had on the date it ceased operations prior to the effective date of this amendatory and supplementary act, unless the number of qualifying sleeping units under subparagraph (a) of this paragraph and the number of any qualifying sleeping units added after the effective date of this amendatory and supplementary act permit an increase on the following basis: 50,000 square feet for the first 500 qualifying sleeping units and 10,000 square feet for each additional 100 qualifying sleeping units above 500, up to a maximum of 200,000 square feet. No casino hotel which operates pursuant to this paragraph shall be required to reduce the amount of its casino space below the amount it had on the date it ceased operations unless the number of qualifying sleeping units is reduced below the number required in subparagraph (a) of this paragraph or, during the two years after the effective date of this amendatory and supplementary act, the amount of qualifying indoor public space, including space serving as kitchen support facilities, is reduced in violation of section 24 of this amendatory and supplementary act.

For the purpose of increasing casino space, an agreement approved by the commission for the addition of qualifying sleeping units within two years after the commencement of gaming operations in the additional casino space shall be deemed an addition of those rooms, but if the agreement is not fulfilled due to conditions within the control of the casino licensee, the casino licensee shall close the additional casino space or any portion thereof as directed by the commission.

The calculation of the number of qualifying sleeping units added with respect to any such hotel shall not include any qualifying sleeping unit or other hotel or motel room in existence in Atlantic City on the effective date of this amendatory and supplementary act, whether or not that unit or room is offered or usable for occupancy on the effective date, or any replacement for such a unit or room which results from construction or renovation after the effective date.

c. In the case of a casino hotel not in operation prior to or on the effective date of this amendatory and supplementary act, P.L.1991, c.182, an approved hotel shall contain at least 500
qualifying sleeping units, as defined in section 27 of the “Casino Control Act,” P.L.1977, c.110 (C.5:12-27), and a single casino room of not more than 50,000 square feet, except that for each additional 100 qualifying sleeping units above 500, the maximum size of the casino room may be increased by 10,000 square feet, up to a maximum of 200,000 square feet. The calculation of the number of qualifying sleeping units with respect to any such casino hotel shall not include any qualifying sleeping unit or other hotel or motel room in existence in Atlantic City on the effective date of this amendatory and supplementary act, whether or not that unit or room is offered or usable for occupancy on the effective date, or any replacement for such a unit or room which results from construction or renovation after the effective date.

d. Once a hotel is initially approved, the commission shall thereafter rely on the certification of the casino licensee with regard to the number of rooms and, when applicable, the amount of qualifying indoor public space and shall permit rehabilitation, renovation and alteration of any part of the approved hotel even if the rehabilitation, renovation, or alteration will mean that the casino licensee does not temporarily meet the requirements of subsection c. so long as the licensee certifies that the rehabilitation, renovation, or alteration shall be completed within one year.

e. (Deleted by amendment, P.L.1987, c.352).

g. (Deleted by amendment, P.L.1991, c.182).

h. (Deleted by amendment, P.L.1991, c.182).

i. The commission shall not impose any criteria or requirements regarding the contents of the hotel, including indoor public space, in addition to the criteria and requirements expressly specified in the “Casino Control Act,” P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that the commission shall be authorized to require each casino licensee to establish and maintain an approved hotel which is in all respects a superior, first-class facility of exceptional quality which will help restore Atlantic City as a resort, tourist and convention destination.

24. Notwithstanding the provisions of section 83 of P.L.1977, c.110 (C.5:12-83) to the contrary, for a period of two years after the effective date of this amendatory and supplementary act:

a. a casino hotel in operation on the effective date of this amendatory and supplementary act, P.L.1991, c.182, shall, in addition to the number of qualifying sleeping units required by that section,
contain sufficient qualifying indoor public space, including space serving as kitchen support facilities, to provide the basis, in conjunction with the number of qualifying sleeping units, for the size of the casino in operation on that effective date, as determined by the provisions of section 83 which were in effect on the day before the effective date of this amendatory and supplementary act; and

b. a hotel in operation on the effective date of this amendatory and supplementary act, P.L.1991, c.182, in which a casino was located and operated prior to, but not as of, that effective date, and in which a casino is reestablished after that effective date, shall contain sufficient qualifying indoor public space, including space serving as kitchen support facilities, to provide the basis, in conjunction with the number of qualifying sleeping units, for the size of the casino in operation on the date that it ceased operations prior to the effective date of this act, as determined by the provisions of section 83 which were applicable at that time.

25. Section 84 of P.L.1977, c.110 (C.5:12-84) is amended to read as follows:

C.5:12-84 Casino license - applicant requirements.

84. Casino License--Applicant Requirements. Any applicant for a casino license must produce information, documentation and assurances concerning the following qualification criteria:

a. Each applicant shall produce such information, documentation and assurances concerning financial background and resources as may be required to establish by clear and convincing evidence the financial stability, integrity and responsibility of the applicant, including but not limited to bank references, business and personal income and disbursement schedules, tax returns and other reports filed with governmental agencies, and business and personal accounting and check records and ledgers. In addition, each applicant shall, in writing, authorize the examination of all bank accounts and records as may be deemed necessary by the commission or the division.

b. Each applicant shall produce such information, documentation and assurances as may be necessary to establish by clear and convincing evidence the integrity of all financial backers, investors, mortgagees, bondholders, and holders of indentures, notes or other evidences of indebtedness, either in effect or proposed, which bears any relation to the casino proposal submitted by the applicant or applicants; provided, however, that this section shall not apply to banking or other licensed lending institutions
exempted from the qualification requirements of subsections c. and d. of section 85 of P.L.1977, c.110 (C.5:12-85) and institutional investors waived from the qualification requirements of those subsections pursuant to the provisions of subsection f. of section 85 of P.L.1977, c.110 (C.5:12-85). Any such banking or licensed lending institution or institutional investor shall, however, produce for the commission or the division upon request any document or information which bears any relation to the casino proposal submitted by the applicant or applicants. The integrity of financial sources shall be judged upon the same standards as the applicant. In addition, the applicant shall produce whatever information, documentation or assurances as may be required to establish by clear and convincing evidence the adequacy of financial resources both as to the completion of the casino proposal and the operation of the casino.

c. Each applicant shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence the applicant's good character, honesty and integrity. Such information shall include, without limitation, information pertaining to family, habits, character, reputation, criminal and arrest record, business activities, financial affairs, and business, professional and personal associates, covering at least the 10-year period immediately preceding the filing of the application. Each applicant shall notify the commission of any civil judgments obtained against any such applicant pertaining to antitrust or security regulation laws of the federal government, of this State or of any other state, jurisdiction, province or country. In addition, each applicant shall produce letters of reference from law enforcement agencies having jurisdiction in the applicant's place of residence and principal place of business, which letters of reference shall indicate that such law enforcement agencies do not have any pertinent information concerning the applicant, or if such law enforcement agency does have information pertaining to the applicant, shall specify what the information is. If the applicant has conducted gaming operations in a jurisdiction which permits such activity, the applicant shall produce letters of reference from the gaming or casino enforcement or control agency which shall specify the experiences of such agency with the applicant, his associates, and his gaming operation; provided, however, that if no such letters are received within 60 days of request therefor, the applicant may submit a statement under oath that he is or was dur-
ing the period such activities were conducted in good standing with such gaming or casino enforcement or control agency.

d. Each applicant shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence that the applicant has sufficient business ability and casino experience as to establish the likelihood of creation and maintenance of a successful, efficient casino operation. The applicant shall produce the names of all proposed casino key employees as they become known and a description of their respective or proposed responsibilities, and a full description of security systems and management controls proposed for the casino and related facilities.

e. Each applicant shall produce such information, documentation and assurances to establish to the satisfaction of the commission the suitability of the casino and related facilities subject to subsection i. of section 83 of P.L.1977, c.110 (C.5:12-83) and its proposed location will not adversely affect casino operations or overall environmental conditions. Each applicant shall submit an impact statement which shall include, without limitation, architectural and site plans which establish that the proposed facilities comply in all respects with the requirements of this act, the requirements of the master plan and zoning and planning ordinances of Atlantic City, without any use variance from the provisions thereof, and the requirements of the "Coastal Area Facility Review Act," P.L.1973, c.185 (C.13:19-1 et seq.), a market impact study which analyzes the adequacy of the patron market and the effect of the proposal on such market and on the existing casino facilities licensed under this act; and an analysis of the effect of the proposal on the overall environment, including, without limitation, economic, social, demographic and competitive conditions as well as the natural resources of Atlantic City and the State of New Jersey.

26. Section 85 of P.L.1977, c.110 (C.5:12-85) is amended to read as follows:

C.5:12-85 Additional requirements.

85. Additional Requirements. a. In addition to other information required by this act, a corporation applying for a casino license shall provide the following information:

(1) Qualify to do business in the State of New Jersey; and

(2) If it is a corporation, register with the commission and furnish the commission with all the information required of a corporate licensee as specified in subsection a. (1), (2) and (3) of this section and such other information as the commission may require; or

(3) If it is not a corporation, register with the commission and furnish the commission with such information as the commission may prescribe.
c. No corporation shall be eligible to hold a casino license unless each officer; each director; each person who directly or indirectly holds any beneficial interest or ownership of the securities issued by the corporation; any person who in the opinion of the commission has the ability to control the corporation or elect a majority of the board of directors of that corporation, other than a banking or other licensed lending institution which makes a loan or holds a mortgage or other lien acquired in the ordinary course of business; each principal employee; and any lender, underwriter, agent, employee of the corporation, or other person whom the commission may consider appropriate for approval or qualification would, but for residence, individually be qualified for approval as a casino key employee pursuant to the provisions of this act.

d. No corporation which is a subsidiary shall be eligible to receive or hold a casino license unless each holding and intermediary company with respect thereto:

(1) If it is a corporation, shall comply with the provisions of subsection c. of this section as if said holding or intermediary company were itself applying for a casino license; provided, however, that the commission with the concurrence of the director may waive compliance with the provisions of subsection c. hereof on the part of a publicly-traded corporation which is a holding company as to any officer, director, lender, underwriter, agent or employee thereof, or person directly or indirectly holding a beneficial interest or ownership of the securities of such corporation, where the commission and the director are satisfied that such officer, director, lender, underwriter, agent or employee is not significantly involved in the activities of the corporate licensee, and in the case of security holders, does not have the ability to control the publicly-traded corporation or elect one or more directors thereof; or

(2) If it is not a corporation, shall comply with the provisions of subsection e. of this section as if said company were itself applying for a casino license.

e. Any noncorporate applicant for a casino license shall provide the information required in subsection a. of this section in such form as may be required by the commission. No such applicant shall be eligible to hold a casino license unless each person who directly or indirectly holds any beneficial interest or ownership in the applicant, or who in the opinion of the commission has the ability to control the applicant, or whom the commission may consider appropriate for approval or qualification, would, but for

residence, individually be qualified for approval as a casino key employee pursuant to the provisions of this act.

f. Notwithstanding the provisions of subsections c. and d. of this section, and in the absence of a prima facie showing by the director that there is any cause to believe that the institutional investor may be found unqualified, an institutional investor holding either (1) under 10% of the equity securities of a casino licensee's holding or intermediary companies, or (2) debt securities of a casino licensee's holding or intermediary companies, or another subsidiary company of a casino licensee's holding or intermediary companies which is related in any way to the financing of the casino licensee, where the securities represent a percentage of the outstanding debt of the company not exceeding 20%, or a percentage of any issue of the outstanding debt of the company not exceeding 50%, shall be granted a waiver of qualification if such securities are those of a publicly traded corporation and its holdings of such securities were purchased for investment purposes only and upon request by the commission it files with the commission a certified statement to the effect that it has no intention of influencing or affecting the affairs of the issuer, the casino licensee or its holding or intermediary companies; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. The commission may grant a waiver of qualification to an institutional investor holding a higher percentage of such securities upon a showing of good cause and if the conditions specified above are met. Any institutional investor granted a waiver under this subsection which subsequently determines to influence or affect the affairs of the issuer shall provide not less than 30 days' notice of such intent and shall file with the commission an application for qualification before taking any action that may influence or affect the affairs of the issuer; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. If an institutional investor changes its investment intent, or if the commission finds reasonable cause to believe that the institutional investor may be found unqualified, no action other than divestiture shall be taken by such investor with respect to its security holdings until there has been compliance with the provisions of P.L.1987, c.409 (C.5:12-95.12 et seq.), including the execution of a trust agreement. The casino licensee and its relevant holding, intermediary or subsidiary company shall immediately notify the commission and the division of any information about, or actions of, an institutional investor holding its equity or debt securi-
ties where such information or action may impact upon the eligibility of such institutional investor for a waiver pursuant to this subsection.

g. If at any time the commission finds that an institutional investor holding any security of a holding or intermediary company of a casino licensee, or, where relevant, of another subsidiary company of a holding or intermediary company of a casino licensee which is related in any way to the financing of the casino licensee, fails to comply with the terms of subsection f. of this section, or if at any time the commission finds that, by reason of the extent or nature of its holdings, an institutional investor is in a position to exercise such a substantial impact upon the controlling interests of a licensee that qualification of the institutional investor is necessary to protect the public interest, the commission may, in accordance with the provisions of subsections a. through e. of this section or subsections d. and e. of section 105 of P.L.1977, c.110 (C.5:12-105), take any necessary action to protect the public interest, including requiring such an institutional investor to be qualified pursuant to the provisions of the “Casino Control Act,” P.L.1977, c.110 (C.5:12-1 et seq.).

27. Section 86 of P.L.1977, c.110 (C.5:12-86) is amended to read as follows:

(2) Any other offense under present New Jersey or federal law which indicates that licensure of the applicant would be inimical to the policy of this act and to casino operations; provided, however, that the automatic disqualification provisions of this subsection shall not apply with regard to any conviction which did not occur within the 10-year period immediately preceding application for licensure and which the applicant demonstrates by clear and convincing evidence does not justify automatic disqualification pursuant to this subsection and any conviction which has been the subject of a judicial order of expungement or sealing;

d. Current prosecution or pending charges in any jurisdiction of the applicant or of any person who is required to be qualified under this act as a condition of a casino license, for any of the offenses enumerated in subsection c. of this section; provided, however, that at the request of the applicant or the person charged, the commission shall defer decision upon such application during the pendency of such charge;

e. The pursuit by the applicant or any person who is required to be qualified under this act as a condition of a casino license of economic gain in an occupational manner or context which is in violation of the criminal or civil public policies of this State, if such pursuit creates a reasonable belief that the participation of such person in casino operations would be inimical to the policies of this act or to legalized gaming in this State. For purposes of this section, occupational manner or context shall be defined as the systematic planning, administration, management, or execution of an activity for financial gain;

f. The identification of the applicant or any person who is required to be qualified under this act as a condition of a casino license as a career offender or a member of a career offender cartel or an associate of a career offender or career offender cartel in such a manner which creates a reasonable belief that the association is of such a nature as to be inimical to the policy of this act and to gaming operations. For purposes of this section, career offender shall be defined as any person whose behavior is pursued in an occupational manner or context for the purpose of economic gain, utilizing such methods as are deemed criminal violations of the public policy of this State. A career offender cartel shall be defined as any group of persons who operate together as career offenders;

g. The commission by the applicant or any person who is required to be qualified under this act as a condition of a casino
license of any act or acts which would constitute any offense under subsection c. of this section, even if such conduct has not been or may not be prosecuted under the criminal laws of this State or any other jurisdiction or has been prosecuted under the criminal laws of this State or any other jurisdiction and such prosecution has been terminated in a manner other than with a conviction; and

h. Contumacious defiance by the applicant or any person who is required to be qualified under this act of any legislative investigatory body or other official investigatory body of any state or of the United States when such body is engaged in the investigation of crimes relating to gaming, official corruption, or organized crime activity.

28. Section 88 of P.L.1977, c.110 (C.5:12-88) is amended to read as follows:

C.5:12-88 Renewal of casino licenses.

88. Renewal of Casino Licenses. a. Subject to the power of the commission to deny, revoke, or suspend licenses, any casino license in force shall be renewed by the commission for the next succeeding license period upon proper application for renewal and payment of license fees and taxes as required by law and the regulations of the commission. The license period for a renewed casino license shall be up to one year for each of the first two renewal periods succeeding the initial issuance of a casino license pursuant to section 87 of P.L.1977, c.110 (C.5:12-87). Thereafter, a casino license may be renewed for a period of up to two years, but the commission may reopen licensing hearings at any time. In addition, the commission shall reopen licensing hearings at any time at the request of the Division of Gaming Enforcement in the Department of Law and Public Safety. Notwithstanding the foregoing, the commission may, for the purpose of facilitating its administration of this act, renew the casino license of the holders of licenses initially opening after January 1, 1981 for a period of one year; provided, however, the renewal period for those particular casino licenses may not be adjusted more than once pursuant to this provision. The commission shall act upon any such application prior to the date of expiration of the current license.

b. Application for renewal shall be filed with the commission no later than 90 days prior to the expiration of the current license, and all license fees and taxes as required by law shall be paid to the commission on or before the date of expiration of the current license.

c. Upon renewal of any license the commission shall issue an appropriate renewal certificate or validating device or sticker which shall be attached to each casino license.
29. Section 90 of P.L.1977, c.110 (C.5:12-90) is amended to read as follows:

C.5:12-90 Licensing of casino employees.

90. Licensing of Casino Employees. a. No person may commence employment as a casino employee unless he is the holder of a valid casino employee license.

b. Any applicant for a casino employee license must, prior to the issuance of any such license, produce sufficient information, documentation and assurances to meet the qualification criteria, including New Jersey residency, contained in subsection b. of section 89 of this act and any additional residency requirement imposed under subsection c. of this section; except that the standards for business ability and casino experience may be satisfied by a showing of casino job experience and knowledge of the provisions of this act and regulations pertaining to the particular position involved, or by successful completion of a course of study at a licensed school in an approved curriculum.

c. The commission may, by regulation, require that all applicants for casino employee licenses be residents of this State for a period not to exceed six months immediately prior to the issuance of such license, but application may be made prior to the expiration of the required period of residency. The commission shall, by resolution, waive the required residency period for an applicant upon a showing that the residency period would cause undue hardship upon the casino licensee which intends to employ said applicant, or upon a showing of other good cause.

d. The commission shall endorse upon any license issued hereunder the particular positions as defined by regulation which the licensee is qualified to hold.

e. The commission shall deny a casino employee license to any applicant who is disqualified on the basis of the criteria contained in section 86 of this act.

f. For the purposes of this section, casino security employees shall be considered casino employees and must, in addition to any requirements under other laws, be licensed in accordance with the provisions of this act.

g. A temporary license may be issued by the commission to casino employees for positions not directly related to gaming activity if, in its judgment, the issuance of a plenary license will be restricted by necessary investigations and said temporary licensing of the applicant is necessary for the operation of the
casino. In addition, a temporary license may be issued by the commission to a casino employee for the position of slot changeperson if the division has not responded to the application for licensure within 15 days of the filing of the application and if the employee's position involves working with an impressment of $3,000 or less and no access to any other funds. Unless otherwise terminated pursuant to this act, a temporary license issued pursuant to this subsection shall expire six months from the date of its issuance and be renewable, at the discretion of the commission, for one additional six-month period. Positions "directly related to gaming activity" shall include, but not be limited to, boxmen, floormen, dealers or croupiers, cage personnel, count room personnel, slot and slot booth personnel, credit and collection personnel, casino surveillance personnel, and casino security employees whose employment duties require or authorize access to the casino.

h. Notwithstanding the provisions of subsection e. of this section, no applicant shall be denied a casino employee license on the basis of a conviction of any of the offenses enumerated in this act as disqualification criteria or the commission of any act or acts which would constitute any offense under subsection c. of section 86 of P.L.1977, c.110 (C.5:12-86), as specified in subsection g. of that section; provided that the applicant has affirmatively demonstrated his rehabilitation. In determining whether the applicant has affirmatively demonstrated his rehabilitation the commission shall consider the following factors:

(1) The nature and duties of the position applied for;
(2) The nature and seriousness of the offense or conduct;
(3) The circumstances under which the offense or conduct occurred;
(4) The date of the offense or conduct;
(5) The age of the applicant when the offense or conduct was committed;
(6) Whether the offense or conduct was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense or conduct;
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have or have had the applicant under their supervision.
30. Section 91 of P.L.1977, c.110 (C.5:12-91) is amended to read as follows:

C.5:12-91 Registration of casino hotel and hotel security employees.

91. Registration of Casino Hotel and Casino Hotel Security Employees. a. No person may commence employment as a casino hotel employee or a casino hotel security employee unless he has been registered with the commission, which registration shall be in accordance with subsection f. of this section.

b. Any applicant for casino hotel employee or casino hotel security employee registration shall produce such information as the commission may require. Subsequent to the registration of a casino hotel employee or a casino hotel security employee, the commission may revoke, suspend, limit, or otherwise restrict the registration upon a finding that the registrant is disqualified on the basis of the criteria contained in section 86 of P.L.1977, c.110 (C.5:12-86).

c. The commission may, by regulation, require that all applicants for casino hotel employee or casino hotel security employee registration be residents of this State for a period not to exceed three months immediately prior to such registration, but application may be made prior to the expiration of the required period of residency. The commission shall waive the required residency period for an applicant upon a showing that the residency period would cause undue hardship upon the casino licensee which intends to employ said applicant, or upon a showing of other good cause.

d. Notwithstanding the provisions of subsection b. of this section, no casino hotel employee or casino hotel security employee registration shall be revoked on the basis of a conviction of any of the offenses enumerated in this act as disqualification criteria or the commission of any act or acts which would constitute any offense under subsection c. of section 86 of P.L.1977, c.110 (C.5:12-86), as specified in subsection g. of that section, provided that the registrant has affirmatively demonstrated his rehabilitation. In determining whether the registrant has affirmatively demonstrated his rehabilitation the commission shall consider the following factors:

(1) The nature and duties of the registrant’s position;

(2) The nature and seriousness of the offense or conduct;

(3) The circumstances under which the offense or conduct occurred;

(4) The date of the offense or conduct;
(5) The age of the registrant when the offense or conduct was committed;
(6) Whether the offense or conduct was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense or conduct;
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have or have had the registrant under their supervision.

e. The commission may waive any disqualification criterion for a casino hotel employee or a casino hotel security employee consistent with the public policy of this act and upon a finding that the interests of justice so require.

f. Upon petition by the holder of a casino license, casino hotel employee or casino hotel security employee registration shall be granted to each applicant for such registration named therein, provided that the petition certifies that each such applicant has filed a completed application for casino hotel employee or casino hotel security employee registration as required by the commission.

Any person who, on the effective date of this amendatory and supplementary act, P.L.1991, c.182, possesses a current and valid casino employee license and serves solely as a casino hotel security employee, or has a completed application for such licensure pending before the commission in order to serve as a casino hotel security employee, shall be considered registered in accordance with the provisions of this section.

31. Section 94 of P.L.1977, c.110 (C.5:12-94) is amended to read as follows:

C.5:12-94 Approval and denial of registrations and licenses other than casino licenses.

94. Approval and Denial of Registrations and Licenses Other Than Casino Licenses. a. Upon the filing of an application for any license or registration required by this act, other than a casino license, and after submission of such supplemental information as the commission may require, the commission shall request the division to conduct such investigation into the qualification of the applicant, and the commission shall conduct such hearings concerning the qualification of the applicant, in accordance with its
regulations, as may be necessary to determine qualification for such license or registration.

b. After such investigation, the commission may either deny the application or grant a license to or accept the registration of an applicant whom it determines to be qualified to hold such license or registration.

c. The commission shall have the authority to deny any application pursuant to the provisions of this act. When an application is denied, the commission shall prepare and file its order denying such application with the general reasons therefor, and if requested by the applicant, shall further prepare and file a statement of the reasons for the denial, including the specific findings of fact.

d. When the commission grants an application, the commission may limit or place such restrictions thereupon as it may deem necessary in the public interest. Licenses shall be granted and registrations approved for a term of one year; provided, however, that: (1) all casino employee licenses, gaming school resident director, instructor, principal employee and sales representative licenses, casino service industry licenses issued pursuant to subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92), and junket representative and junket enterprise licenses issued pursuant to section 102 of P.L.1977, c.110 (C.5:12-102) shall be granted for a term of three years; (2) casino hotel employee registration shall remain in effect unless revoked, suspended, limited, or otherwise restricted by the commission in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.); and (3) after the first two renewal periods succeeding the issuance of a casino key employee license or of a casino service industry license required pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), the license term shall be for two years. The commission shall reconsider the granting of any license or the approval of any registration at any time at the request of the Division of Gaming Enforcement in the Department of Law and Public Safety.

Notwithstanding the provisions of paragraph (3) of this subsection, the commission may, for the purpose of avoiding the renewal in the same year of all the licenses existing on the effective date of this 1987 amendatory act which are affected by that paragraph, renew an appropriate number of those licenses for a term of one year, but the renewal period for those licenses may not be adjusted more than once pursuant to this provision.
e. After an application is submitted to the commission, final action of the commission shall be taken within 90 days after completion of all hearings and investigations and the receipt of all information required by the commission.

32. Section 3 of P.L.1987, c.409 (C.5:12-95.12) is amended to read as follows:

C.5:12-95.12 Applicability and requirements.

3. Applicability and Requirements.
   a. Except as provided in subsection b. of this section, whenever any person contracts to transfer any property relating to an ongoing casino operation, including a security holding in a casino licensee or holding or intermediary company, under circumstances which require that the transferee obtain casino licensure under section 82 of the “Casino Control Act,” P.L.1977, c.110 (C.5:12-82), or qualification under section 84 or 85 of the “Casino Control Act,” P.L.1977, c.110 (C.5:12-84 or 5:12-85), the contract shall not specify a closing or settlement date which is earlier than the 121st day after the submission of a completed application for licensure or qualification, which application shall include a fully executed and approved trust agreement in accordance with section 5 of this 1987 amendatory and supplementary act. Any contract provision which specifies an earlier closing or settlement date shall be void for all purposes. Subsequent to the earlier of the report of the division on interim authorization or the 90th day after the timely submission of the completed application, but no later than the closing or settlement date, the commission shall hold a hearing and render a decision on the interim authorization of the applicant. If the commission grants interim authorization, then, subject to the provisions of sections 3 through 7 of this 1987 amendatory and supplementary act, the closing or settlement may occur without interruption of casino operations. If the commission denies interim authorization, there shall be no closing or settlement until the commission makes a determination on the qualification of the applicant, and if the commission then denies qualification the contract shall thereby be terminated for all purposes without liability on the part of the transferor.

b. Whenever any person, as a result of a transfer of publicly-traded securities of a casino licensee or a holding or intermediary company or a financing entity of a casino licensee, is required to
qualify under section 84 or 85 of the "Casino Control Act," P.L.1977, c.110 (C.5:12-84 or 5:12-85), the person shall, within 30 days after the commission determines that qualification is required or declines to waive qualification under section 84, under paragraph (1) of subsection d. of section 85, or under subsection f. of section 85, or within such additional time as the commission may for good cause allow, file a completed application for such licensure or qualification, which application shall include a fully executed and approved trust agreement in accordance with section 5 of P.L.1987, c.409 (C.5:12-95.14), or in the alternative, such person, within 120 days after the commission determines that qualification is required or a waiver of qualification is denied, shall divest such securities as the commission may require in order to remove the need for qualification. If such person determines to divest such securities, notice of such determination shall be filed with the commission within 30 days after the commission determines that qualification is required or that a waiver of qualification is denied. No extension of the time for filing a completed application shall be granted unless the person submits a written acknowledgement of the jurisdiction of the commission and the obligations imposed by the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.). If a person required by this section to file an application fails to do so in a timely manner, such failure shall constitute a per se disqualification to continue to act as a security holder, and the commission shall take appropriate action under the "Casino Control Act." If a person required by this section to file an application does so in a timely manner, then, subsequent to the earlier of the report of the division on interim authorization or the 90th day after submission of the completed application, but not later than the 120th day after such submission, the commission shall hold a hearing and render a decision on the interim authorization of such person. The pendency of proceedings under this subsection shall not prevent the renewal of a casino license under section 88 of the "Casino Control Act," P.L.1977, c.110 (C.5:12-88), so long as any person required by this subsection to file an application has complied with this subsection and has otherwise complied with the "Casino Control Act."

33. Section 5 of P.L.1987, c.409 (C.5:12-95.14) is amended to read as follows:

C.5:12-95.14 Provisions and application of trust agreement.

5. Provisions and Application of Trust Agreement.

a. (1) Where the applicant is not required to obtain a casino license, the trust agreement filed pursuant to section 3 of this
CHAPTER 182, LAWS OF 1991 929

1987 amendatory and supplementary act shall transfer and convey all of the applicant's present and future right, title and interest in the property described in section 3, including all voting rights in securities, to the trustee.

(2) Where the applicant is required to obtain a casino license, the trust agreement filed pursuant to section 3 of this 1987 amendatory and supplementary act shall transfer and convey to the trustee, if the applicant is a corporation, all outstanding equity securities of the corporation, and, if the applicant is other than a corporation, all outstanding interest in the applicant.

(3) The compensation for the service, costs and expenses of the trustee or trustees shall be stated in the trust agreement and shall be approved by the commission.

(4) The trust agreement filed pursuant to section 3 of this 1987 amendatory and supplementary act shall, in all instances, contain such provisions as the commission may deem necessary and desirable.

b. With respect to applicants described in subsection b. of section 3 of this 1987 amendatory and supplementary act, if the commission denies interim authorization, it shall order that the trust agreement become operative, or take such other action as may be appropriate in accordance with this 1987 amendatory and supplementary act. With respect to all applicants under section 3, if the commission grants interim authorization, it shall thereafter order that the trust agreement become operative at such time as it finds reasonable cause to believe that the applicant or any person required to be qualified in connection with the application may be found unqualified.

c. While the trust agreement remains operative, the trustee shall exercise all rights incident to the ownership of the property subject to the trust, and shall be vested with all powers, authority and duties necessary to the unencumbered exercise of such rights, as provided in sections 31 through 40 of P.L.1978, c.7 (C.5:12-130.1 through 5:12-130.11), except that the applicant shall have no right to participate in the earnings of the casino hotel or receive any return on its investment or debt security holdings during the time the trust is operative.

d. The trust agreement, once operative, shall remain operative until the commission finds the applicant qualified, or the commission finds the applicant unqualified and the property subject to the trust is disposed of in accordance with subsection e. of section 5 of this 1987 amendatory and supplementary act, except that the applicant may request the commission to direct the trustee to dis-
pose of the property subject to the trust, in accordance with that subsection e., prior to a finding with respect to qualification.

e. If the commission denies qualification to a person subject to sections 3 through 7 of this 1987 amendatory and supplementary act, the trustee shall endeavor and be authorized to sell, assign, convey or otherwise dispose of all property subject to the trust to such persons as shall be appropriately licensed or qualified or shall obtain interim authorization in accordance with those sections. The disposition of trust property by the trustee shall be completed within 120 days of the denial of qualification, or within such additional time as the commission may for good cause allow, and shall be conducted in accordance with sections 31 through 40 of P.L.1978, c.7 (C.5:12-130.1 through 5:12-130.11), except that the proceeds of such disposition shall be distributed to the unqualified applicant only in an amount not to exceed the lower of the actual cost of the assets to such unqualified applicant or the value of such assets calculated as if the investment had been made on the date the trust becomes operative, and any excess remaining proceeds shall be paid to the casino revenue fund.

34. Section 96 of P.L.1977, c.110 (C.5:12-96) is amended to read as follows:

C.5:12-96 Operation certificate.
96. Operation Certificate. a. Notwithstanding the issuance of a license therefor, no casino may be opened or remain open to the public, and no gaming activity, except for test purposes, may be conducted therein, unless and until a valid operation certificate has been issued to the casino licensee by the commission. Such certificate shall be issued by the commission upon a finding that a casino complies in all respects with the requirements of this act and regulations promulgated hereunder, that the casino licensee has implemented necessary management controls and security precautions, that casino personnel are properly trained and licensed for their respective responsibilities, and that the casino is prepared in all respects to receive the public.

b. The operation certificate shall include a statement of compliance with subsection a. of this section and an itemized list by category and number of the authorized games permitted in the particular casino establishment.

c. A casino licensee shall, in accordance with regulations promulgated by the commission, file any changes in the number of authorized games to be played in a particular casino with the
commission and the division, which shall review the changes for compliance with the “Casino Control Act,” P.L.1977, c.110 (C.5:12-1 et seq.) or regulations promulgated thereunder.

d. An operation certificate shall remain in force and effect unless altered in accordance with subsection c. of this section, or revoked, suspended, limited, or otherwise altered by the commission in accordance with this act.

e. It shall be an express condition of continued operation under this act that a casino licensee shall maintain all books, records, and documents pertaining to the licensee's operations and approved hotel in a manner and location within this State approved by the commission. All such books, records and documents shall be immediately available for inspection during all hours of operation in accordance with the rules of the commission and shall be maintained for such period of time as the commission shall require.

35. Section 97 of P.L.1977, c.110 (C.5:12-97) is amended to read as follows:

C.5:12-97 Hours of operation.

97. Hours of Operation. a. No casino licensed pursuant to this act shall operate between the hours of 6 a.m. and 10 a.m. on Saturdays, Sundays and State and federal holidays, or between the hours of 4 a.m. and 10 a.m. on all other days, except that for a period of three years following the effective date of this amendatory and supplementary act, P.L.1991, c.182, the commission may extend the hours of operation, up to and including 24 hours of operation, on any Saturday, Sunday, or State or federal holiday, or on any day on which the commission determines that there is an event to be held in a casino or in Atlantic City that will have a substantial citywide impact with respect to the number of visitors to the city and will have an economic impact on the casino industry which would justify the extension of those hours.

b. A casino licensee shall file with the commission a schedule of hours prior to the issuance of an initial operation certificate. If the casino licensee proposes any change in scheduled hours, such change may not be effected until such licensee files a notice of the new schedule of hours with the commission. Such filing must be made 30 days prior to the effective date of the proposed change in hours.

c. Nothing herein shall be construed to limit a casino licensee in opening its casino later than, or closing its casino earlier than, the times stated in its schedule of operating hours; provided, however, that any such alterations in its hours shall comply with the
provisions of subsection a. of this section and with regulations of the commission pertaining to such alterations.

36. Section 98 of P.L.1977, c.110 (C.5:12-98) is amended to read as follows:

C.5:12-98 Casino facility requirements.

98. a. Each casino licensee shall arrange the facilities of its casino in such a manner as to promote maximum comfort for the patrons and optimum security for the casino operation, and shall comply in all respects with regulations of the commission pertaining thereto.

b. Each casino licensee shall:

(1) Install a closed circuit television system according to specifications approved by the commission, and provide access on the licensed premises to the system or its signal by the commission or the division, in accordance with regulations pertaining thereto;

(2) Establish a single room as its casino, and provide that visibility between any two areas in the casino, whether or not contiguous, may not be obstructed by partitions of any kind which cover more than 50% of the structural opening; provided, however, that multi-level casinos otherwise complying with this subsection shall be permitted; and

(3) Not permit the interior of the casino to be visible from outside the casino hotel facility.

37. Section 99 of P.L.1977, c.110 (C.5:12-99) is amended to read as follows:

C.5:12-99 Internal controls.

99. Internal Controls. a. Each casino licensee shall submit to the commission a description of its system of internal procedures and administrative and accounting controls for gaming operations and a description of any changes thereof. Such submission shall be made at least 60 days before gaming operations are to commence or at least 60 days before any change in those procedures or controls is to take effect, unless otherwise directed by the commission. Each such submission shall contain both narrative and diagrammatic representations of the internal control system to be utilized by the casino, including, but not limited to:

(1) Accounting controls, including the standardization of forms and definition of terms to be utilized in the gaming operations;

(2) Procedures, forms, and, where appropriate, formulas covering the calculation of hold percentages, revenue drop, expense
and overhead schedules, complimentary services, junkets, cash equivalent transactions, salary structure and personnel practices;

(3) Job descriptions and the system of personnel and chain-of-command, establishing a diversity of responsibility among employees engaged in casino operations and identifying primary and secondary supervisory positions for areas of responsibility, which areas shall not be so extensive as to be impractical for an individual to monitor;

(4) Procedures within the cashier’s cage for the receipt, storage and disbursal of chips, cash, and other cash equivalents used in gaming; the cashing of checks; the redemption of chips and other cash equivalents used in gaming; the pay-off of jackpots; and the recording of transactions pertaining to gaming operations;

(5) Procedures for the collection and security of moneys at the gaming tables;

(6) Procedures for the transfer and recordation of chips between the gaming tables and the cashier’s cage;

(7) Procedures for the transfer of moneys from the gaming tables to the counting process;

(8) Procedures and security for the counting and recordation of revenue;

(9) Procedures for the security, storage and recordation of chips and other cash equivalents utilized in the gaming operation;

(10) Procedures for the transfer of moneys or chips from and to the slot machines;

(11) Procedures and standards for the opening and security of slot machines;

(12) Procedures for the payment and recordation of slot machine jackpots;

(13) Procedures for the cashing and recordation of checks exchanged by casino patrons;

(15) Procedures and security standards for the handling and storage of gaming apparatus including cards, dice, machines, wheels and all other gaming equipment;

(16) Procedures and rules governing the conduct of particular games and the responsibility of casino personnel in respect thereto; and

(17) Procedures for separately recording all transactions pursuant to section 101 of this act involving the Governor, any State officer or employee, or any special State officer or employee, any
member of the Judiciary, any member of the Legislature, or any officer of a municipality or county in which casino gaming is authorized, and for the quarterly filing with the Attorney General of a list reporting all such transactions.

In addition, each casino licensee shall submit to the commission a description of its system of internal procedures and administrative and accounting controls for non-gaming operations and a description of any changes thereof no later than five days after those operations commence or after any change in those procedures or controls takes effect.

b. The commission shall review each submission required by subsection a. hereof, and shall determine whether it conforms to the requirements of this act and to the regulations promulgated thereunder and whether the system submitted provides adequate and effective controls for the operations of the particular casino hotel submitting it. If the commission finds any insufficiencies, it shall specify same in writing to the casino licensee, who shall make appropriate alterations. When the commission determines a submission to be adequate in all respects, it shall notify the casino licensee of same. No casino licensee shall commence or alter gaming operations unless and until such system of controls is approved by the commission.

38. Section 100 of P.L.1977, c.110 (C.5:12-100) is amended to read as follows:

C.5:12-100 Games and gaming equipment.

100. Games and Gaming Equipment. a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room in accordance with this act and the regulations promulgated hereunder.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel complex except in the casino room and in secure areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the commission. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room by any person unless such equipment is necessary to the conduct of an authorized game, has permanently affixed, imprinted, impressed or engraved thereon an identification number or symbol authorized by the commission, is under the exclusive control of a casino licensee or his employees, and is
brought into or removed from the casino room at times authorized for that purpose by the commission or at other times when prior notice has been given to and written approval granted by an authorized agent of the commission.

Notwithstanding the foregoing, a person may, with the prior approval of the commission and under such terms and conditions as may be required by the commission, possess, maintain or exhibit gaming equipment in any other area of the casino hotel complex; provided such equipment is used for nongaming purposes.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the commission for the counting and storage of cash, coins, tokens and checks received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other representatives of value. All drop boxes and other devices wherein cash, coins, or tokens are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, shall be equipped with two locking devices, one key to which shall be under the exclusive control of the commission and the other under the exclusive control of the casino licensee, and said drop boxes and other devices shall not be brought into or removed from the casino room, or locked or unlocked, except at such times, in such places, and according to such procedures as the commission may require.

d. All chips used in gaming at all casinos shall be of such size and uniform color by denomination as the commission shall require by regulation.

e. All gaming shall be conducted according to rules promulgated by the commission. All wagers and pay-offs of winning wagers at table games shall be made according to rules promulgated by the commission, which shall establish such minimum wagers and other limitations as may be necessary to assure the vitality of casino operations and fair odds to and maximum participation by casino patrons; provided, however, that a licensee may establish a higher minimum wager with the prior approval of the commission. Each slot machine shall have a minimum payout of 83%.

f. Each casino licensee shall make available in printed form to any casino patron upon request the complete text of the rules of the commission regarding games and the conduct of gaming, pay-offs of winning wagers, an approximation of the odds of winning for each wager, and such other advice to the player as the commission shall require. Each casino licensee shall prominently post within the casino room according to regulations of the commis-
sion such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the commission shall require.

g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. No slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested by the division and licensed for use by the commission. The commission shall, by regulation, establish such technical standards for licensure, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. In no event shall slot machines, including walkways between them, occupy more than 45% of the first 50,000 square feet of floor space of a casino, or more than 32% of any additional floor space of a casino larger than 50,000 square feet in the case of a casino hotel with fewer than 1,200 qualifying sleeping units or more than 45% of such additional floor space in the case of a casino hotel with at least 1,200 qualifying sleeping units. In the case of casinos in operation on the effective date of this amendatory and supplementary act, P.L.1991, c.182, up to 10% of the number of slot machines in operation on that effective date may be added by the end of the first year after the effective date, up to 20% of that number may be added by the end of the second year after the effective date, and up to 30% of that number may be added by the end of the third year after the effective date. The commission shall, by regulation, determine the permissible density of particular licensed slot machines or combinations thereof, based upon their size and light and noise levels, so as to create and maintain a gracious playing environment in the casino and to avoid deception or frequent distraction to players at gaming tables. The denominations of such machines shall be set by the licensee, subject to the prior approval of the commission.

i. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except currency, negotiable personal checks, negotiable counter checks or other chips. A casino licensee shall, upon the request of any person, redeem that licensee’s gaming chips surrendered by that person in any amount over $25.00 with a check drawn upon the licensee’s account at any banking institution in this State and made payable to that person.

l. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or Barker to induce any person to enter a casino or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose.

n. It shall be unlawful for any casino key employee, other than a junket representative, or any casino employee, other than a bartender, waiter, waitress, or other casino employee who in the judgment of the commission is not directly involved with the conduct of gaming operations, to wager at any game in any casino in this State.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit, any tip or gratuity from any player or patron at the casino where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, accounted for, and placed in a pool for distribution pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked.

39. Section 101 of P.L.1977, c.110 (C.5:12-101) is amended to read as follows:

C.5:12-101 Credit.

101. Credit. a. Except as otherwise provided in this section, no casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall:

(1) Cash any check, make any loan, or otherwise provide or allow to any person any credit or advance of anything of value or
which represents value to enable any person to take part in gaming activity as a player; or

(2) Release or discharge any debt, either in whole or in part, or make any loan which represents any losses incurred by any player in gaming activity, without maintaining a written record thereof in accordance with the rules of the commission.

b. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, may accept a check, other than a recognized traveler's check or other cash equivalent from any person to enable such person to take part in gaming activity as a player, or may give cash or cash equivalents in exchange for such check unless:

(1) The check is made payable to the casino licensee;
(2) The check is dated, but not postdated;
(3) The check is presented to the cashier or his representative and is exchanged only for a credit slip or slips which total an amount equal to the amount for which the check is drawn, which slip or slips may be presented for chips at a gaming table; and
(4) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

Nothing in this subsection shall be deemed to preclude the establishment of an account by any person with a casino licensee by a deposit of cash, recognized traveler's check or other cash equivalent, or a check which meets the requirements of subsection g. of this section, or to preclude the withdrawal, either in whole or in part, of any amount contained in such account.

c. When a casino licensee or other person licensed under this act, or any person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, cashes a check in conformity with the requirements of subsection b. of this section, the casino licensee shall cause the deposit of such check in a bank for collection or payment within (1) seven calendar days of the date of the transaction for a check in an amount of $1,000.00 or less; (2) 14 calendar days of the date of the transaction for a check in an amount greater than $1,000.00 but less than or equal to $5,000.00; or (3) 45 calendar days of the date of the transaction for a check in an amount greater than $5,000.00. Notwithstanding the foregoing, the drawer of the check may redeem the check by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section in an amount equal to the amount for which the check is drawn; or he
may redeem the check in part by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section and another check which meets the requirements of subsection b. of this section for the difference between the original check and the cash, cash equivalents, chips, or check tendered; or he may issue one check which meets the requirements of subsection b. of this section in an amount sufficient to redeem two or more checks drawn to the order of the casino licensee. If there has been a partial redemption or a consolidation in conformity with the provisions of this subsection, the newly issued check shall be delivered to a bank for collection or payment within the period herein specified. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall accept any check or series of checks in redemption or consolidation of another check or checks in accordance with this subsection for the purpose of avoiding or delaying the deposit of a check in a bank for collection or payment within the time period prescribed by this subsection.

In computing a time period prescribed by this subsection, the last day of the period shall be included unless it is a Saturday, Sunday, or a State or federal holiday, in which event the time period shall run until the next business day.

d. No casino licensee or any other person licensed under this act, or any other person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall transfer, convey, or give, with or without consideration, a check cashed in conformity with the requirements of this section to any person other than:

(1) The drawer of the check upon redemption or consolidation in accordance with subsection c. of this section;

(2) A bank for collection or payment of the check; or

(3) A purchaser of the casino license as approved by the commission. The limitation on transferability of checks imposed herein shall apply to checks returned by any bank to the casino licensee without full and final payment.

e. No person other than one licensed as a casino key employee or as a casino employee may engage in efforts to collect upon checks that have been returned by banks without full and final payment, except that an attorney-at-law representing a casino licensee may bring action for such collection.
f. Notwithstanding the provisions of any law to the contrary, checks cashed in conformity with the requirements of this act shall be valid instruments, enforceable at law in the courts of this State. Any check cashed, transferred, conveyed or given in violation of this act shall be invalid and unenforceable for the purposes of collection but shall be included in the calculation of gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24).

g. Notwithstanding the provisions of subsection b. of this section to the contrary, a casino licensee may accept a check from a person to enable the person to take part in gaming activity as a player, may give cash or cash equivalents in exchange for such a check, or may accept a check in redemption or partial redemption of a check issued in accordance with subsection b., provided that:

   (1) (a) The check is drawn by a casino licensee pursuant to the provisions of subsection k. of section 100 of P.L.1977, c.110 (C.5:12-100) or upon a withdrawal of funds from an account established in accordance with the provisions of subsection b. of this section or is drawn by a casino licensee for winnings from slot machine payoffs;

   (b) The check is issued by a banking institution which is chartered in a country other than the United States on its account at a federally chartered or state-chartered bank and is made payable to “cash,” “bearer,” a casino licensee, or the person presenting the check; or

   (c) The check is issued by a banking institution which is chartered in the United States on its account at another federally chartered or state-chartered bank and is made payable to “cash,” “bearer,” a casino licensee, or the person presenting the check;

   (2) The check is identifiable in a manner approved by the commission as a check issued for a purpose listed in paragraph (1) of this subsection;

   (3) The check is dated, but not postdated;

   (4) The check is presented to the cashier or the cashier’s representative by the original payee and its validity is verified by the drawer in the case of a check drawn pursuant to subparagraph (a) of paragraph (1) of this subsection, or the check is verified in accordance with regulations promulgated by the commission in the case of a check issued pursuant to subparagraph (b) or subparagraph (c) of paragraph (1) of this subsection; and

   (5) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

No casino licensee shall issue a check for the purpose of making a loan or otherwise providing or allowing any advance or
credit to a person to enable the person to take part in gaming activity as a player.

h. Notwithstanding the provisions of subsection b. and subsection c. of this section to the contrary, a casino licensee may, at a location outside the casino, accept a personal check or checks from a person for up to $1,500 in exchange for cash or cash equivalents, and may, at such locations within the casino as may be permitted by the commission, accept a personal check or checks for up to $1,500 in exchange for cash, cash equivalents, tokens, chips, or plaques to enable the person to take part in gaming activity as a player or non-gaming activity, as the case may be, provided that:

1. The check is drawn on the patron's bank or brokerage cash management account;
2. The check is for a specific amount;
3. The check is made payable to the casino licensee;
4. The check is dated but not post-dated;
5. The patron's identity is established by examination of one of the following: valid credit card, driver's license, passport, or other form of identification credential which contains, at a minimum, the patron's signature;
6. The check is restrictively endorsed "For Deposit Only" to the casino licensee's bank account and deposited on the next banking day following the date of the transaction; and
7. The total amount of personal checks accepted by any one licensee pursuant to this subsection that are outstanding at any time, including the current check being submitted, does not exceed $1,500.

i. Checks cashed pursuant to the provisions of subsection h. of this section which are subsequently uncollectable may not be deducted from the total of all sums received in calculating gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24).

j. A person may request the commission to put that person's name on a list of persons to whom the extension of credit by a casino as provided in this section would be prohibited by submitting to the commission the person's name, address, and date of birth. The person does not need to provide a reason for this request. The commission shall provide this list to the credit department of each casino; neither the commission nor the credit department of a casino shall divulge the names on this list to any person or entity other than those provided for in this subsection. If such a person wishes to have that person's name removed from the list, the person shall submit this request to the commission,
which shall so inform the credit departments of casinos no later than three days after the submission of the request.

40. Section 102 of P.L.1977, c.110 (C.5:12-102) is amended to read as follows:

C.5:12-102 Junkets and complimentary services.

102. Junkets and Complimentary Services. a. No junkets may be organized or permitted except in accordance with the provisions of this act. No person may act as a junket representative or junket enterprise except in accordance with this section. Notwithstanding any other provisions of P.L.1977, c.110 (C.5:12-1 et seq.), junket enterprises engaged in activities governed by this section shall not be subject to the provisions of section 92 and subsection b. of section 104 of P.L.1977, c.110 (C.5:12-92 and C.5:12-104) with regard to those activities, unless otherwise directed by the commission pursuant to subsection k. of this section.

b. A junket representative shall be licensed as a casino key employee in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that said licensee need not be a resident of this State. Any person who holds a current and valid casino key employee license may act as a junket representative while employed by a casino licensee without further endorsement of his license. No casino licensee or junket enterprise may employ or otherwise engage a junket representative who is not so licensed.

c. A junket enterprise shall be licensed in accordance with the provisions of this section prior to conducting any business whatsoever with a casino licensee, its employees or agents. A junket enterprise, as well as such of its owners, management and supervisory personnel and other principal employees as the commission may consider appropriate for qualification, must qualify under the standards, except residency, established for qualification of a casino key employee under P.L.1977, c.110 (C.5:12-1 et seq.). No casino licensee or junket enterprise may employ or otherwise engage the services of a junket enterprise who is not so licensed.

Notwithstanding the foregoing, any licensed junket representative who is the sole owner and operator of a junket enterprise shall not be required to be licensed as a junket enterprise pursuant to this section if his junket representative license is endorsed as such.

d. Prior to the issuance of any license required by this section, an applicant for licensure shall submit to the jurisdiction of the State of
New Jersey and shall demonstrate to the satisfaction of the commission that he is amenable to service of process within this State. Failure to establish or maintain compliance with the requirements of this subsection shall constitute sufficient cause for the denial, suspension or revocation of any license issued pursuant to this section.

e. (Deleted by amendment, P.L.1987, c.426).

f. Every agreement concerning junkets entered into by a casino licensee and a junket representative or junket enterprise shall be deemed to include a provision for its termination without liability on the part of the casino licensee, if the commission orders the termination upon the suspension, limitation, conditioning, denial or revocation of the licensure of the junket representative or junket enterprise, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.). Failure to expressly include such a condition in the agreement shall not constitute a defense in any action brought to terminate the agreement.

g. A casino licensee shall be responsible for the conduct of any junket representative or junket enterprise associated with it and for the terms and conditions of any junket engaged in on its premises, regardless of the fact that the junket may involve persons not employed by such a casino licensee.

h. A casino licensee shall be responsible for any violation or deviation from the terms of a junket. Notwithstanding any other provisions of this act, the commission may, after hearings in accordance with this act, order restitution to junket participants, assess penalties for such violations or deviations, prohibit future junkets by the casino licensee, junket enterprise or junket representative, and order such further relief as it deems appropriate.

i. The commission shall, by regulation, prescribe methods, procedures and forms for the delivery and retention of information concerning the conduct of junkets by casino licensees. Without limitation of the foregoing, each casino licensee, in accordance with the rules of the commission, shall:

1. Maintain on file a report describing the operation of any junket engaged in on its premises, which report may include acknowledgments by the participants, signed on the date of arrival, that they understand the terms of the particular junket;

2. Submit to the commission and division a report on those arrangements which would be junkets but for the fact that those arrangements do not include a selection or approval of participants in accordance with the terms of section 29 of P.L.1977, c.110 (C.5:12-29); and
(3) Submit to the commission and division a list of all its employees who are acting as junket representatives but whose licenses are not endorsed as such.

j. Each casino licensee, junket representative or junket enterprise shall, in accordance with the rules of the commission, file a report with the division with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the casino licensee, junket representative or enterprise.

k. The commission shall have the authority to determine, either by regulation, or upon petition by the holder of a casino license, that a type of arrangement otherwise included within the definition of “junket” established by section 29 of P.L.1977, c.110 (C.5:12-29) shall not require compliance with any or all of the requirements of this section. The commission shall seek the opinion of the division prior to granting any exemption. In granting exemptions, the commission shall consider such factors as the nature, volume and significance of the particular type of arrangement, and whether the exemption would be consistent with the public policies established by this act. In applying the provisions of this subsection, the commission may condition, limit, or restrict any exemption as the commission may deem appropriate.

l. No junket enterprise or junket representative or person acting as a junket representative may:

(1) Engage in efforts to collect upon checks that have been returned by banks without full and final payment;

(4) Individually receive or retain any fee from a patron for the privilege of participating in a junket;

(5) Pay for any services, including transportation, or other items of value provided to, or for the benefit of, any patron participating in a junket.

m. No casino licensee shall offer or provide any complimentary services, gifts, cash or other items of value to any person unless:

guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party; or

(2) The complimentary consists of documented transportation expenses provided directly to the patron and his guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party, provided that the licensee complies with regulations promulgated by the commission to ensure that a patron's and his guests' documented transportation expenses are paid for or reimbursed only once; or

(3) The complimentary consists of coins, tokens, cash or other complimentary items or services provided through a bus coupon or other complimentary distribution program approved by the commission or maintained pursuant to commission regulation.

Notwithstanding the foregoing, a casino licensee may offer and provide complimentary cash or noncash gifts which are not otherwise included in paragraphs (1) through (3) of this subsection to any person, provided that any such gifts in excess of $2,000.00 per trip, or such greater amount as the commission may establish by regulation, are supported by documentation regarding the reason the gift was provided to the patron and his guests, including where applicable, a patron's player rating, which documentation shall be maintained by the casino licensee. For the purposes of this paragraph, all gifts presented to a patron and the patron's guests directly by the licensee or indirectly on behalf of the licensee by a third party within any five-day period shall be considered to have been made during a single trip. In the case of cash gifts, the commission shall establish by regulation the total amount of such gifts that a licensee may provide to a patron each year.

Each casino licensee shall maintain a regulated complimentary service account, for those complimentaries which are permitted pursuant to this section, and shall submit a quarterly report to the commission based upon such account and covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. Such reports shall include identification of the regulated complimentary services and their respective costs, the number of persons by category of service who received the same, and such other information as the commission may require.

No casino applicant or licensee shall provide directly or indirectly to any person any complimentary service or discount which is other than such service or discount that is offered to members of the general public in like circumstance.

o. (1) Any person who, on the effective date of this 1987 amendatory act, holds a current and valid plenary junket representative license or a junket enterprise license authorizing the conduct of junket activities, shall be considered licensed in accordance with the provisions of this section as a junket representative or junket enterprise, respectively, for the remaining term of his current license.

Any junket representative or junket enterprise so filing shall be permitted to engage in junket activities until the commission has acted upon such application. Notwithstanding any other provision of the Casino Control Act, (1) upon the revocation of a casino license, (2) upon, in the discretion of the commission, the suspension of a casino license or operation certificate for a period of in excess of 120 days, or (3) upon the failure or refusal to renew a casino license, and notwithstanding the pendency of any appeal therefrom, the commission may appoint and constitute a conservator to, among other things, take over and into his possession and control all the property and business of the licensee relating to the casino and the approved hotel; provided, however, that this subsection shall not apply in any instance in which the casino in the casino hotel facility for which the casino license had been issued has not been, in fact, in operation and open to the public, and provided further that no person shall be appointed as conservator unless the commission is satisfied that he is individually qualified according to the standard applicable to casino key employees, except that casino experience shall not be necessary for qualification.

b. (Deleted by amendment, P.L.1987, c.410).

c. The commission may proceed in a conservatorship action in a summary manner or otherwise and shall have the power to appoint and remove one or more conservators and to enjoin the

former or suspended licensee from exercising any of its privileges and franchises, from collecting or receiving any debts and from paying out, selling, assigning or transferring any of its property to other than a conservator, except as the commission may otherwise order. The commission shall have such further powers as shall be appropriate for the fulfillment of the purposes of this act.

d. Every conservator shall, before assuming his duties, execute and file a bond for the faithful performance of his duties payable to the commission in the office of the commission with such surety or sureties and in such form as the commission shall approve and in such amount as the commission shall prescribe.

e. When more than one conservator is appointed pursuant to this section, the provisions of this article applicable to one conservator shall be applicable to all; the debts and property of the former or suspended licensee may be collected and received by any of them; and the powers and rights conferred upon them shall be exercised by a majority of them.

f. The commission shall require that the former or suspended licensee purchase liability insurance, in an amount determined by the commission, to protect a conservator from liability for any acts or omissions of the conservator occurring during the duration of the conservatorship which are reasonably related to, and within the scope of, the conservator’s duties.

C.5:12-130.1a Instructions to, supervision of conservator.

55. Upon the appointment of a conservator, the commission shall provide the conservator with written instructions which enumerate the specific powers and duties conferred by the commission on the conservator with respect to the conservatorship. A conservator shall be under the direct supervision of the commission and shall exercise only those powers and perform only those duties expressly conferred on the conservator by the commission. The commission may, at any time after a conservatorship is established, modify the powers of the conservator by providing the conservator with a new set of written instructions.

56. Section 32 of P.L.1978, c.7 (C:5:12-130.2) is amended to read as follows:

C.5:12-130.2 Powers, authorities and duties of conservators.

32. Powers, Authorities and Duties of Conservators.

a. Upon his appointment, the conservator shall become vested with the title of all the property of the former or suspended licensee relating to the casino and the approved hotel, subject to any
and all valid liens, claims, and encumbrances. The conservator shall have the duty to conserve and preserve the assets so acquired to the end that such assets shall continue to be operated on a sound and businesslike basis.

b. Subject to the direct supervision of the commission and pursuant to the written instructions of the commission issued pursuant to section 55 of P.L.1991, c.182 (C.5:12-130.1a) and any other order the commission may deem appropriate, a conservator shall have power to:

(1) Take into his possession all the property of the former or suspended licensee relating to the casino and the approved hotel, including its books, records and papers;

(2) Institute and defend actions by or on behalf of the former or suspended licensee;

(3) Settle or compromise with any debtor or creditor of the former or suspended licensee, including any taxing authority;

(4) Continue the business of the former or suspended licensee and to that end enter into contracts, borrow money and pledge, mortgage or otherwise encumber the property of the former or suspended licensee as security for the repayment of the conservator’s loans; provided, however, that such power shall be subject to any provisions and restrictions in any existing credit documents;

(5) Hire, fire and discipline employees;

(6) Review all outstanding agreements to which the former or suspended licensee is a party that fall within the purview of subsection b. of section 104 of P.L.1977, c.110 (C.5:12-104) and advise the commission as to which, if any, of such agreements should be the subject of scrutiny, examination or investigation by the commission; and

(7) Do all further acts as shall best fulfill the purposes of the Casino Control Act.

c. Except during the pendency of a suspension or during the pendency of any appeal from any action or event set forth in section 31 a. of this amendatory and supplementary act which precipitated the conservatorship or in instances in which the commission finds that the interests of justice so require, the conservator, subject to the prior approval of and in accordance with such terms and conditions as may be prescribed by the commission, and after appropriate prior consultation with the former licensee as to the reasonableness of such terms and conditions, shall endeavor to and be authorized to sell, assign, convey or otherwise dispose of in bulk, subject to any and all valid liens,
claims, and encumbrances, all the property of a former licensee relating to the casino and the approved hotel only upon prior written notice to all creditors and other parties in interest and only to such persons who shall be eligible to apply for and shall qualify as a casino licensee in accordance with the provisions of the Casino Control Act. Prior to any such sale, the former licensee shall be granted, upon request, a summary review by the commission of such proposed sale.

d. The commission may direct that the conservator, for an indefinite period of time, retain the property and continue the business of the former or suspended licensee relating to the casino and the approved hotel. During such period of time or any period of operation by the conservator, he shall pay when due, without in any way being personally liable, all secured obligations and shall not be immune from foreclosure or other legal proceedings to collect the secured debt, nor with respect thereto shall such conservator have any legal rights, claims, or defenses other than those which would have been available to the former or suspended licensee.

e. A conservator shall cooperate fully with any investigation or inquiry conducted by the commission or the division during the conservatorship or after the discontinuation of the conservatorship.

57. Section 33 of P.L.1978, c.7 (C.5:12-130.3) is amended to read as follows:

C.5:12-130.3 Compensation of conservators and others.

33. Compensation of Conservators and Others. In any proceeding pursuant to section 31 of P.L.1978, c.7 (C.5:12-130.1), the commission shall, upon the appointment of a conservator, establish a reasonable rate of compensation for the services, costs and expenses in the conservatorship action of the conservator. The commission shall also designate the party or parties responsible for the payment of compensation to the conservator and shall direct that the responsible party or parties guarantee payment in such manner as the commission shall deem appropriate. The rate of compensation payable to the attorney for the conservator, the appraiser, the auctioneer, the accountant and such other persons as the commission may appoint in connection with the conservatorship action shall be established by the commission at the time of appointment. All requests for payment by the conservator and other persons appointed by the commission in connection with the conservatorship shall be subject to the approval of the commis-
sion, and the commission shall reduce any fee which it deems to be excessive. Fees payable to the conservator and expenses incurred in the course of the conservatorship shall have priority for payment over all other debts or obligations of the former or suspended licensee, including debts or obligations secured by the former or suspended licensee’s property.

58. Section 145 of P.L.1977, c.110 (C.5:12-145) is amended to read as follows:

C.5:12-145 Casino revenue fund.

145. Casino revenue fund. a. There is hereby created and established in the Department of the Treasury a separate special account to be known as the “Casino Revenue Fund,” into which shall be deposited all revenues from the tax imposed by section 144 of this act; the investment alternative tax imposed by section 3 of P.L.1984, c.218 (C.5:12-144.1); and all penalties levied and collected by the commission pursuant to P.L.1977, c.110 (C.5:12-1 et seq.) and the regulations promulgated thereunder, except that the first $500,000 in penalties collected each fiscal year shall be paid into the General Fund for appropriation by the Legislature to the Department of Health to provide funds to the Council on Compulsive Gambling of New Jersey.

b. The commission shall require at least monthly deposits by the licensee of the tax established pursuant to subsection a. of section 144 of P.L.1977, c.110 (C.5:12-144), at such times, under such conditions, and in such depositories as shall be prescribed by the State Treasurer. The deposits shall be deposited to the credit of the Casino Revenue Fund. The commission may require a monthly report and reconciliation statement to be filed with it on or before the 10th day of each month, with respect to gross revenues and deposits received and made, respectively, during the preceding month.

c. Moneys in the Casino Revenue Fund shall be appropriated exclusively for reductions in property taxes, rentals, telephone, gas, electric, and municipal utilities charges of eligible senior citizens and disabled residents of the State, and for additional or expanded health services or benefits or transportation services or benefits to eligible senior citizens and disabled residents, as shall be provided by law. On or about March 15 and September 15 of each year, the State Treasurer shall publish in at least 10 newspapers circulating generally in the State a report accounting for the total revenues

150. Penalties. a. Any licensee who shall fail to file his return when due or to pay any tax or deposit when the same becomes due, as herein provided, shall be subject to such penalties and interest as provided in the “State Tax Uniform Procedure Law,” Subtitle 9 of Title 54 of the Revised Statutes. If the State Treasurer determines that the failure to comply with any provision of this Article was excusable under the circumstances, he may remit such part or all of the penalty as shall be appropriate under such circumstances.

b. Any person failing to file a return, failing to pay the tax or deposit, or filing or causing to be filed, or making or causing to be made, or giving or causing to be given any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this act, or rules or regulations adopted hereunder which is willfully false, or failing to keep any records required by this act or rules and regulations adopted hereunder, shall, in addition to any other penalties herein or elsewhere prescribed, be guilty of a crime of the fourth degree and subject to the penalties therefor, except that the amount of a fine may be up to $100,000.00.

c. Except as to those determinations required to be made by the commission pursuant to section 149 of P.L.1977, c.110 (C.5:12-149), the certificate of the State Treasurer to the effect that a tax or deposit has not been paid, that a return has not been filed, that information has not been supplied, or that inaccurate information has been supplied pursuant to the provisions of this act or rules or regulations adopted hereunder, shall be presumptive evidence thereof.

d. If any part of any underpayment of tax required to be shown on a return is due to fraud, there shall be added to the tax an amount equal to 50% of the underpayment.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.27:23-23a Findings, declarations.

1. The Legislature finds and declares that the highway corridor between the Delaware Memorial Bridge and the George Washington Bridge is the main artery of the State's integrated highway system and of vital importance to the economy and vitality of the State and the region; that both the Department of Transportation and the New Jersey Turnpike Authority have mutually consistent and coordinate responsibilities within the corridor for the planning, construction and maintenance of highway projects; that it is in the public interest that the Department of Transportation and the New Jersey Turnpike Authority be authorized to enter into agreements to provide for an enhanced coordination and unification of responsibilities for the planning, acquisition, construction, operation and maintenance of highway projects in order to ensure a safe, effective and efficient highway system; and that any such agreements shall acknowledge the obligation of the New Jersey Turnpike Authority to the holders of its bonds under all covenants, contracts and agreements.
2. R.S.27:7-21 is amended to read as follows:

Additional powers of commissioner.

27:7-21. In addition to, and not in limitation of, his general powers, the commissioner may:

a. Determine and adopt rules, regulations and specifications and enter into contracts covering all matters and things incident to the acquisition, improvement, betterment, construction, reconstruction, maintenance and repair of State highways;

The commissioner shall make reimbursement for any actual damages resulting to such lands, waters and premises as a result of such activities;

Any such agreement shall be subject to the continued eligibility of the I-95 Extension for federal aid, the availability of funds appropriated by Congress and the appropriation of funds by the Legislature for that purpose. No such agreement shall constitute or create a debt or liability of the State within the meaning of any constitutional or statutory limitation nor shall any such agreement constitute a pledge of either the faith and credit or the taxing power of the State; and

j. Do whatever may be necessary or desirable to effectuate the purposes of this Title.

3. Section 1 of P.L.1948, c.454 (C.27:23-1) is amended to read as follows:

C.27:23-1 Turnpike projects.
1. Turnpike projects. In order to facilitate vehicular traffic and remove the present handicaps and hazards on the congested highways in the State, and to provide for the acquisition and construction of modern express highways embodying every known safety device including center divisions, ample shoulder widths, long sight distances, multiple lanes in each direction and grade separations at all intersections with other highways and railroads, the New Jersey Turnpike Authority (hereinafter created) is hereby authorized and empowered to acquire, construct, maintain, repair and operate turnpike projects (as hereinafter defined) or any part thereof at such locations as shall be established by law, and to issue turnpike revenue bonds of the Authority, payable solely from tolls, other revenues, and proceeds of such bonds to finance such projects.

4. Section 3 of P.L.1948, c.454 (C.27:23-3) is amended to read as follows:

C.27:23-3 New Jersey Turnpike Authority.
3. New Jersey Turnpike Authority. (A) There is hereby established in the State Department of Transportation a body corporate and politic, with corporate succession, to be known as the “New Jersey Turnpike Authority.” The authority is hereby constituted an instrumentality exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by this act in the acquisition, construction, operation and maintenance of turnpike projects or any part thereof shall be deemed and held to be an essential governmental function of the State.
(B) The New Jersey Turnpike Authority shall consist of six members, as follows: the Commissioner of Transportation, ex officio, or his designee; and five members appointed by the Governor, with the advice and consent of the Senate, each of whom shall be a resident of the State and shall have been a qualified elector therein for a period of at least one year next preceding his appointment. Each appointed member of the authority shall serve for a term of five years and until his successor is appointed and has qualified; except that of the first appointments hereunder, one shall be for a term of two years and one for a term of three years, and they shall serve until their respective successors are appointed and have qualified. The term of each of the first appointees hereunder shall be designated by the Governor. Each appointed member of the authority may be removed from office by the Governor, for cause, after a public hearing. Each member of the authority before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State. Any vacancies in the appointed membership of the authority occurring other than by expiration of term shall be filled in the same manner as the original appointment, but for the unexpired term only.

(C) The Governor shall designate one of the members of the authority as chairman thereof and another member as vice chairman thereof. The chairman and vice chairman of the authority so designated shall serve as such at the pleasure of the Governor and until their respective successors have been designated. The authority shall elect a secretary and a treasurer who need not be members. At the option of the authority the same person may be elected to serve both as secretary and treasurer. Four members of the authority shall constitute a quorum and the vote of four members shall be necessary for any action taken by the authority. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority.

(D) Each member of the authority shall execute a surety bond in the penal sum of $25,000.00 and the treasurer shall execute a surety bond in the penal sum of $50,000.00, each such surety bond to be conditioned upon the faithful performance of the duties of the office of such member or treasurer, as the case may be, to be executed by a surety company authorized to transact business in the State of New Jersey as surety and to be approved by the Attorney General and filed in the office of the Secretary of State.
(E) The members of the authority shall not receive compensation for their services as members of the authority. Each member shall be reimbursed by the authority for his actual expenses necessarily incurred in the performance of his duties. Notwithstanding the provisions of any other law, no member shall be deemed to have forfeited, nor shall the member forfeit, the member’s office or employment or any benefits or emoluments thereof by reason of the member’s acceptance of the office of ex officio member of the authority or the member’s services therein.

(F) No resolution or other action of the authority providing for the issuance of bonds, refunding bonds or other obligations or for the fixing, revising or adjusting of tolls for the use of any turnpike project or parts or sections thereof shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and at least one of the following: the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof, to the Governor. No action taken at such meeting by the authority shall have force or effect until 10 days, exclusive of Saturdays, Sundays and public holidays, after such copy of the minutes shall have been so delivered. If, in said 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting such action shall be null and of no effect. The Governor may approve all or part of the action taken at such meeting prior to said 10-day period. The powers conferred in this subsection (F) upon the Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury shall be exercised with due regard for the rights of the holders of bonds of the authority at any time outstanding, and nothing in, or done pursuant to, this subsection (F) shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or for the benefit, protection or security of the holders thereof.

(G) The ex officio member of the authority may designate an employee of his department to represent him at meetings of the authority. A designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. The designations shall be in writing and delivered to the authority and shall be effective until revoked or amended by a writing delivered to the authority.
5. Section 4 of P.L.1948, c.454 (C.27:23-4) is amended to read as follows:

Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in
the manner provided in the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.), insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; provided, however, that separate awards be made for each tract or parcel of land or property; and provided, further, that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

The said declaration of taking shall be sufficient if it sets forth: (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof, to which there may or may not be attached a plan or map thereof; (2) a statement of the estate or interest in the said land or property being taken; (3) a statement of the sum of money estimated by the authority by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in said declaration; and (4) that, in compliance with the provisions of this act, the authority has established and is maintaining a trust fund as hereinafter provided.

Upon the filing of the said declaration, the authority shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration. In addition to the said deposits with the Clerk of the Superior Court, the authority at all times shall maintain a special trust fund on deposit with a bank or trust company doing business in this State, in an amount at least equal to twice the aggregate amount deposited with the Clerk of the Superior Court, as estimated compensation for all property described in declaration of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court. Said trust fund shall consist of cash or securities readily convertible into cash, constitut-
ing legal investments for trust funds under the laws of this State. Said trust fund shall be held solely to secure and may be applied to the payment of just compensation for the land or other property described in such declarations of taking. The authority shall be entitled to withdraw from said trust fund from time to time so much as may then be in excess of twice the aggregate of the amount deposited with the Clerk of the Superior Court, as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

Upon the filing of the said declaration as aforesaid and depositing with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration, the authority, without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this provision that the proceedings for compensation or any other proceedings relating to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the authority for the purpose or purposes for which the authority is authorized by law to acquire or condemn such land or other property or interest therein.

The authority shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party in interest named in the petition residing in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made within 10 days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the authority, any judge of the Superior Court assigned to sit for said county may order that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in said proceeding; provided, that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event
the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as herein provided and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the authority the difference between the amount of the deposit and the amount of the award, with interest at the rate of six per centum (6%) per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the authority, unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on petition of the authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the authority for such difference against the party or parties liable for the return thereof. The authority shall cause notice of the date fixed for such hearing to be served upon each party thereto residing in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each party residing out of the State, by mailing a copy to him at his residence, if known. In the event that the residence of any party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made at least 10 days before the date fixed for such hearing.

Whenever under the “Eminent Domain Act of 1971” the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided;

(k) To designate the locations, and establish, limit and control such points of ingress to and egress from each turnpike project as may be necessary or desirable in the judgment of the authority to insure the proper operation and maintenance of such project, and to prohibit entrance to such project from any point or points not so designated;

(l) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this act;
(m) To appoint such additional officers, who need not be members of the authority, as the authority deems advisable, and to employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employees and agents as may be necessary in its judgment; to fix their compensation; and to promote and discharge such officers, employees and agents, all without regard to the provisions of Title 11 of the Revised Statutes;

(n) To receive and accept from any federal agency, subject to the approval of the Governor, grants for or in aid of the acquisition or construction of any turnpike project or any part thereof, and to receive and accept aid or contributions, except appropriations by the Legislature, from any source, of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made; and

(o) To do all acts and things necessary or convenient to carry out the powers expressly granted in this act.

to the Department of Transportation, except where a new alignment
has been constructed in substitution of existing alignment.

11. Section 1 of P.L.1966, c.8 (C.27:23-5.8) is amended to read
as follows:

C.27:23-5.8 Additional powers.
1. The New Jersey Turnpike Authority shall have, in addition
to the powers heretofore granted to it, power:
a. To pay or make any advance or contribution to the United
   States Government or the State of New Jersey or any agency
   thereof for the purpose of paying the State’s share or any portion
   thereof under the federal aid highway laws of the cost of con­
   struction of any highway improvement determined by the
   authority to be a major improvement necessary to restore or pre­
   vent physical damage to any turnpike project or any feeder roads,
   for the safe or efficient operation of such project, or to prevent
   loss of revenues therefrom.
b. Subject to the rights and security interests of the holders
   from time to time of bonds or notes heretofore or hereafter issued
   by the New Jersey Turnpike Authority, to enter into contracts
   with the State or the New Jersey Transportation Trust Fund
   Authority established by section 4 of the “New Jersey Transporta­
   tion Trust Fund Authority Act of 1984,” P.L.1984, c.73 (C.27:1B-4),
   providing for the payment from the revenues of the New Jer­
   sey Turnpike Authority to the State or to the New Jersey
   Transportation Trust Fund Authority of the amount or amounts
   of revenues that may be set forth in or determined in accordance
   with the contracts. Any contracts authorized pursuant to this sec-
tion may include conditions and covenants necessary and desirable to facilitate the issuance and sale of bonds, notes and other obligations of the New Jersey Transportation Trust Fund Authority. Any agreements entered into between the State and the Turnpike Authority pursuant to this subsection shall terminate upon the effective date of any agreement entered into between the Turnpike Authority and the New Jersey Transportation Trust Fund Authority providing for the payment of revenues of the Turnpike Authority directly from the Turnpike Authority to the New Jersey Transportation Trust Fund Authority.

c. To enter into agreements with the Department of Transportation with respect to the funding of the resurfacing, restoring, rehabilitation and reconstruction of the I-95 Extension of the New Jersey Turnpike through the allocation of monies apportioned by the United States Department of Transportation pursuant to 23 U.S.C. §119 or a successor program. Any such agreement shall be subject to the continued eligibility of the I-95 Extension for federal aid, the availability of funds appropriated by Congress and the appropriation of funds by the Legislature for that purpose. No such agreement shall constitute or create a debt or liability of the State within the meaning of any constitutional or statutory limitation nor shall any such agreement constitute a pledge of either the faith and credit or the taxing power of the State. Funds payable or paid to the authority pursuant to any such agreement shall not be pledged as security for any indebtedness of the authority.

12. Section 2 of P.L.1969, c.197 (C.27:23-5.9) is amended to read as follows:

C.27:23-5.9 Limitation.
2. The authority shall not engage in the acquisition, construction or operation of any facility or activity not directly related to the use of a turnpike project except as may be specially authorized by law.

13. Section 7 of P.L.1948, c.454 (C.27:23-7) is amended to read as follows:

C.27:23-7 Bonds.
7. The authority is hereby authorized to provide by resolution, at one time or from time to time, for the issuance of bonds of the authority for any of its corporate purposes, including the refunding of its bonds. The principal of and the interest on any issue of
such bonds shall be payable solely from and may be secured by a pledge of tolls and other revenues of all or any part of the turnpike projects. The proceeds of any such bonds may be used or pledged for the payment or security of the principal of or interest on bonds and for the establishment of any or all reserves for such payment or security or for other corporate purposes as the authority may authorize in the resolution authorizing the issuance of bonds or in the trust agreement securing the same. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the authority, and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of the bonds including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. The bonds shall be signed by the chairman of the authority or shall bear his facsimile signature and the official seal of the authority or a facsimile thereof shall be impressed, imprinted, engraved or otherwise reproduced thereon. The official seal or facsimile thereof shall be attested by the secretary and treasurer of the authority, or by such other officer or agent as the authority shall appoint and authorize and any coupons attached to such bonds shall bear the facsimile signature of the chairman of the authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the State. The bonds may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reversion into coupon bonds of any bonds registered as to both principal and interest. The authority may sell such bonds in such manner and for such price, as it may determine to be for the best
interests of the authority. Neither the members of the authority nor any person executing the bonds shall be personally liable on the bonds or be accountable by reason of the issuance thereof in accordance with the provisions of this act.

The proceeds of the bonds of each issue shall be disbursed in such manner and under such restrictions, if any, as the authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same.

Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.

The State of New Jersey does pledge to and agree with the holders of the bonds issued pursuant to authority contained in this act, that the State will not limit or restrict the rights hereby vested in the authority to acquire, maintain, construct, reconstruct, and operate any projects as defined in this act, or to establish and collect such charges and tolls as may be convenient or necessary to produce sufficient revenue to meet the expenses of maintenance and operation thereof and to fulfill the terms of any agreements made with the holders of bonds authorized by this act or in any way impair the rights or remedies of the holders of such bonds until, the bonds, together with interest thereon, are fully paid and discharged.

14. Section 8 of P.L.1948, c.454 (C.27:23-8) is amended to read as follows:

C.27:23-8 Trust agreement.

8. Trust agreement. In the discretion of the Authority any bonds issued under the provisions of this act may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds (subject to the provisions of section 7 of this act) may pledge
or assign tolls or other revenues to which the Authority's right then exists or may thereafter come into existence, and the moneys derived therefrom, and the proceeds of such bonds, but shall not convey or mortgage any turnpike project or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property and the acquisition, construction, improvement, maintenance, repair, operation and insurance of the turnpike project or projects or any part thereof, the rates of tolls and revenues to be charged, the payment, security or redemption of bonds, and the custody, safeguarding and application of all moneys, and provisions for the employment of consulting engineers in connection with the acquisition, construction or operation of such turnpike project or projects or any part thereof. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual rights of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement may be treated as a part of the cost of the operation of the turnpike project or projects.

Any pledge of tolls or other revenues or other moneys made by the Authority shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Authority.
15. Section 9 of P.L.1948, c.454 (C.27:23-9) is amended to read as follows:

9. Revenues. (A) The authority is hereby authorized to fix, revise, charge and collect tolls for the use of each turnpike project and the different parts or sections thereof, and to contract with any person, partnership, association or corporation desiring the use of any part thereof, including the right-of-way adjoining the paved portion, for placing thereon telephone, telegraph, electric light or power lines, gas stations, garages, stores, hotels, and restaurants, or for any other purpose, except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use; provided, that a sufficient number of gas stations may be authorized to be established in each service area along any such highway to permit reasonable competition by private business in the public interest; and provided further, that no contract shall be required, and no rent, fee or other charge of any kind shall be imposed for the use and occupation of any turnpike project for the installation, construction, use, operation, maintenance, repair, renewal, relocation or removal of tracks, pipes, mains, conduits, cables, wires, towers, poles or other equipment or appliances in, on, along, over or under any such turnpike project by any public utility as defined in R.S.27:7-1, which is subject to taxation pursuant to either P.L.1940, c.4 (C.54:30A-16 et seq.) or P.L.1940, c.5 (C.54:30-49 et seq.), or pursuant to any other law imposing a tax for the privilege of using the public streets, highways, roads or other public places in this State. Such tolls shall be so fixed and adjusted as to carry out and perform the terms and provisions of any contract with or for the benefit of bondholders. Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. The use and disposition of tolls and revenues shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same.

(B) At any time that tolls are not required for the purpose of carrying out and performing the terms and provisions of any contract with or for the benefit of bondholders, the authority shall cause tolls for the use of the turnpike projects to be charged and collected at the same rates as were last charged and collected by the authority under the provisions of subsection (A) hereof and no change or revision shall be made in such rates, except as shall be specifically authorized by law.
(C) All revenues and other funds of the authority not pledged or otherwise required to pay or secure the payment of principal and interest on any indebtedness of the authority existing from time to time under, and not otherwise required for the purpose of, this act and not pledged under a contract providing for payment of funds to the State or New Jersey Transportation Trust Fund Authority created pursuant to P.L.1984,c.73 (C.27:1B-1 et seq.) shall be applied to the authority's corporate purposes or as hereafter provided by law.

16. Section 14 of P.L.1948, c.454 (C.27:23-14) is amended to read as follows:

C.27:23-14 Miscellaneous.
14. Miscellaneous. Each turnpike project when constructed and opened to traffic shall be maintained and kept in good condition and repair by the Authority. Each such project shall also be policed and operated by such force of police, toll-takers and other operating employees as the Authority may in its discretion employ. The expenses for this maintenance and operation shall be paid by the authority from its own funds or from funds made available to the authority.

All counties, cities, boroughs, towns, townships, villages, and other political subdivisions and all public departments, agencies and commissions of the State of New Jersey, notwithstanding any contrary provision of law, are hereby authorized and empowered to sell, lease, lend, grant or otherwise convey to the Authority at its request upon such terms and conditions as the proper authorities of such counties, cities, boroughs, towns, townships, villages, and political subdivisions and departments, agencies or commissions of the State may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the regular and formal action of the authorities concerned, any real property which may be necessary or convenient to the effectuation of the authorized purposes of the Authority, including public roads and other real property already devoted to public use.

On or before the thirtieth day of January in each year the Authority shall make an annual report of its activities for the preceding calendar year to the Governor and to the Legislature. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The Authority shall cause an audit of its books and accounts to be made at least
once in each year by certified public accountants and the cost thereof may be treated as a part of the cost of construction or of operation of the project.

Any member, agent or employee of the Authority who is interested, either directly or indirectly, in any contract of another with the Authority, or in the sale of any property, either real or personal, to the Authority shall be guilty of a misdemeanor and punished by a fine of not more than one thousand dollars ($1,000.00) or by imprisonment for not more than one year, or both.

17. Section 15 of P.L.1948, c.454 (C.27:23-15) is amended to read as follows:

15. Refunding bonds. The Authority is hereby authorized to provide by resolution for the issuance of refunding bonds of the Authority for the purpose of refunding any bonds then outstanding which shall have been issued under the provisions of this act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption or maturity of such bonds, and, if deemed advisable by the Authority, for the additional purpose of constructing improvements, extensions, or enlargements of the turnpike project or projects in connection with which the bonds to be refunded shall have been issued. The Authority is further authorized to provide by resolution for the issuance of its bonds for the combined purpose of (a) refunding any bonds then outstanding which shall have been issued under the provisions of this act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (b) paying all or any part of the cost of any additional project or projects or feeder roads. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect of the same, shall be governed by the provisions of this act insofar as the same may be applicable.

18. Section 1 of P.L.1951, c.264 (C.27:23-25) is amended to read as follows:

C.27:23-25 Tolls, payment required.

pay, or to evade or to attempt to evade the payment of such tolls.

C.27:23-23.7  I-95 Extension authorized.

19. a. The New Jersey Turnpike Authority is authorized and
directed to acquire, maintain, repair and operate a project addition and

agree are necessary or advisable to protect the interests of the
State, or the authority, or both, as they determine.

C.27:23-24a  Department of Transportation control over I-95 Extension to cease.

20. At such time as the New Jersey Turnpike Authority shall

each and every covenant, agreement or contract heretofore made
or entered into by the Authority with respect to its bonds or for
the benefit, protection or security of the holders thereof.

22. This act shall take effect immediately.
