LAWS
CHAPTER 1

AN ACT concerning death benefits for members of the Public Employees' Retirement System and amending P.L. 1954, c. 84 and P.L. 1955, c. 214.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 41 of P.L. 1954, c. 84 (C. 43:15A-41) is amended to read as follows:

C. 43:15A-41 Withdrawal from service; early retirement; death benefits.

41. a. A member who withdraws from service or ceases to be an employee for any cause other than death or retirement shall, upon the filing of an application therefor, receive all of his accumulated deductions standing to the credit of his individual account in the annuity savings fund, plus regular interest, less any outstanding loan, except that for any period after June 30, 1944, the interest payable shall be such proportion of the interest determined at the regular rate of 2% per annum bears to the regular rate of interest, and except that no interest shall be payable in the case of a member who has less than three years of membership credit for which he has made contributions. He shall cease to be a member two years from the date he discontinued service as an eligible employee, or, if prior thereto, upon payment to him of his accumulated deductions. If any such person or member shall die before withdrawing or before endorsing the check constituting the return of his accumulated deductions, such deductions shall be paid to the member's beneficiary. No member shall be entitled to withdraw the amounts contributed by his employer covering his military leave unless he shall have returned to the payroll and contributed to the retirement system for a period of 90 days.
b. Should a member resign after having established 25 years of creditable service before reaching age 60, he may elect “early retirement,” provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in subsection a. of this section, an annuity which is the actuarial equivalent of his accumulated deductions together with regular interest, and a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of one-seventieth of his final compensation for each year of service credited as Class A service and one-sixtieth of his final compensation for each year of service credited as Class B service, calculated in accordance with section 48 (C. 43:15A-48) of this act, reduced by 1/4 of 1% for each month that the member lacks of being age 55; provided, however, that upon the receipt of proper proofs of the death of such a member there shall be paid to his beneficiary an amount equal to three-sixteenths of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

c. Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section 49 there shall be paid to such member’s beneficiary:

(1) The member’s accumulated deductions at the time of death together with regular interest; and

(2) An amount equal to one and one-half times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

2. Section 49 of P.L. 1954, c. 84 (C. 43:15A-49) is amended to read as follows:

C. 43:15A-49 Accidental death benefit.

49. a. Upon the death of a member in active service as a result of an accident met in the actual performance of duty at some definite time and place and not as the result of his willful negligence, an accidental death benefit shall be payable, if a report of the accident is filed in the office of the retirement system within 60 days next following the accident, but the board of trustees may waive such time
limit, for a reasonable period, if in the judgment of the board the circumstances warrant such action.

No such application shall be valid or acted upon unless it is filed in the office of the retirement system within five years of the date of such death.

b. Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there shall be paid to hiswidow or widower a pension of 50% of the compensation, upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, for the use of herselfohimsel and the children of the deceased member, to continue during her or his widowhood; if there is no surviving widow or widower or in case the widow or widower dies or remaries, 20% of such compensation will be payable to one surviving child, 35% of such compensation to two surviving children in equal shares and if there be three or more children, 50% of such compensation will be payable to such children in equal shares. If there is no surviving widow, widower or child, 25% of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, will be payable to one surviving parent or 40% of such compensation will be payable to two surviving parents in equal shares. In the event of accidental death occurring in the first year of creditable service, the benefits payable pursuant to this subsection shall be computed at the annual rate of compensation.

c. If there is no surviving widow, widower, child or parent, there shall be paid to any other beneficiary of the deceased member his accumulated deductions at the time of death.

d. In no case shall the death benefit provided in subsection b. be less than that provided under subsection c.

e. In addition to the foregoing benefits payable under subsections b. or c., there shall also be paid in one sum to such member's beneficiary an amount equal to one and one-half times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

3. Section 57 of P.L. 1954, c. 84 (C. 43:15A-57) is amended to read as follows:

C. 43:15A-57 Additional death benefit coverage.

57. a. Each member who is a member on December 1, 1956 and
each person who thereafter becomes a member prior to the effective date of this amendatory act, will be eligible to purchase the additional death benefit coverage hereinafter described, provided he selects such coverage within one year after December 1, 1956 or after the effective date of membership, whichever date is later, or makes an election pursuant to subsection b. of this section.

b. Each member who, on the effective date of this amendatory act, shall not have elected such additional death benefit coverage or who had elected coverage, but for whom there is not in effect such additional death benefit coverage shall also be eligible to elect such additional death benefit coverage, provided he furnishes satisfactory evidence of insurability and on the date of such election is actively at work and performing all his regular duties at his customary place of employment. Applications under this subsection shall be filed within one year following the effective date of this amendatory act.

c. Each person becoming a member on or after the effective date of this amendatory act who on the date he becomes a member is less than 60 years of age shall automatically be covered for such additional death benefit coverage from the first day of his membership on which he is actively at work and performing all his regular duties at his customary place of employment. Such automatic coverage shall continue during the member's first year of membership and during such year he shall make contributions as fixed by the board of trustees. Additional death benefit coverage for such member shall continue in effect after the first year of membership on the continuance of payment of the required contributions therefor.

d. Each person becoming a member on or after the effective date of this amendatory act who on the date he becomes a member is 60 or more years of age may, within one year from the date of membership, elect to purchase such additional death benefit coverage, provided that the member furnishes satisfactory evidence of insurability and on the date of such election is actively at work and performing all his regular duties at his customary place of employment.

e. Notwithstanding other provisions of this section relating to the amount of death benefit any member who has acquired or shall acquire additional death benefit coverage, the death benefit payable in the event of death occurring on or after the effective date of this amendatory act and during the first year of membership shall be based upon the member's annual base salary. The effective date of coverage of any person electing to purchase additional death benefit
coverage, pursuant to the provisions of subsections a., b. and d. of this section shall be the first day of the month immediately following the date of such election unless evidence of insurability is required as a condition of such election in which event the effective date of coverage shall be the first day of the month which immediately follows the later of (a) the date of such election and (b) the date such evidence is determined to be satisfactory.

f. The board of trustees shall establish schedules of contributions to be made by the members who elect to purchase the additional death benefit coverage. Such contributions shall be so computed that the contributions made by or on behalf of all covered members in the aggregate shall be sufficient to provide for the cost of the benefits established by this section. Such schedules of contributions shall be subject to adjustment from time to time, by the board of trustees, as the need may appear.

g. Upon the receipt of proper proofs of the death in service of any such member while covered for the additional death benefit coverage there shall be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, an amount equal to one and one-half times the compensation received by the member in the last year of creditable service or some lesser amount as may be provided by the board of trustees and elected to purchase by the member.

h. The contributions of a member for the additional death benefit coverage shall be deducted from his compensation, but if there is no compensation from which such contributions may be deducted it shall be the obligation of the member to make such contributions directly to the board of trustees or as directed by the board.

i. Any other provision of this act notwithstanding, the contributions of a member for the additional death benefit coverage under this section shall not be returnable to the member or his beneficiary in any manner, or for any reason whatsoever, nor shall any contributions made for the additional death benefit coverage be included in any annuity payable to any such member or to his beneficiary.

j. A member who has elected to purchase the additional death benefit coverage provided by this section may file with the board of trustees, and alter from time to time during his lifetime, as desired, a duly attested, written, new nomination of the payee of the death benefit provided under this section. Such member may also file and
alter from time to time during his lifetime, as desired, a request with the board of trustees directing payment of said benefit in one sum or in equal annual installments over a period of years or as a life annuity. Upon the death of such member, a beneficiary to whom a benefit is payable in one sum may elect to receive the amount payable in equal annual installments over a period of years or as a life annuity.

k. All other provisions of this section notwithstanding, this section and the benefits provided under this section shall not come into effect until a required percentage of the members shall have applied for the additional death benefit coverage under this section. This required percentage shall be fixed by the board of trustees. Any such percentage may be made applicable to male members only or to other groupings as determined by the board of trustees of the Public Employees' Retirement System. Applications for such additional death benefit coverage shall be submitted to the secretary of the board of trustees in such manner and upon such forms as the board of trustees shall provide.

4. Section 6 of P.L. 1955, c. 214 (C. 43:15A-93) is amended to read as follows:

C. 43:15A-93 Conversion privilege.

6. Any such group policy or policies shall include, with respect to any insurance terminating or reducing because the member ceases to be eligible for participation under the Public Employees' Retirement System or because the member has ceased to be in service or has retired, the conversion privilege available upon termination of employment as prescribed by the law relating to group life insurance; and shall also include, with respect to insurance terminating because of termination of the group policy resulting from a termination of the death benefits for all members established under sections 38, 41, 45, 46, 48, 49 and 57 of P.L. 1954, c. 84 (C. 43:15A-38, 43:15A-41, 43:15A-45, 43:15A-46, 43:15A-48, 43:15A-49, 43:15A-57), the conversion privilege available upon termination of the group policy as prescribed by the law relating to group life insurance. Any such group policy or policies shall also provide that if a member dies during the 31-day period during which he would be entitled to exercise the conversion privilege, the amount of insurance with respect to which he could have exercised the conversion privilege shall be paid as a claim under the group policy. When benefits payable upon the death of a member following retirement are determined as though the member had not retired, the death benefits payable under the group policy, together with the amount of insurance paid under any individ-
ual policy obtained under the conversion privilege, shall in no event exceed the amount of insurance for which the member was insured under the group policy immediately prior to the date the right of conversion arose.

If any member who has exercised the conversion privilege under the group policy or policies again becomes a member of the Public Employees' Retirement System, and the individual policy obtained pursuant to the conversion privilege is still in force, he shall not again be eligible for any of the death benefits provided by P.L. 1954, c. 84 (C. 43:15A-1 et seq.) unless he furnishes satisfactory evidence of insurability.

5. This act shall take effect immediately and sections 1 through 3, with the exception of subsection h. of section 3, shall be retroactive to October 1, 1985.

CHAPTER 2

C. 30:1AA-10 Findings, declarations.

1. The Legislature finds and declares that: approximately 2% of the residents of this State are developmentally disabled and more than 50,000 of these persons are developmentally disabled school aged children; 30,000 to 40,000 residents suffer from mental retardation severe enough to require lifelong supervision or care; several times more are mildly retarded and can live independent or semi-independent lives; pregnancy during adolescence increases the incidence of mental retardation and developmental disabilities because of the heightened risk of premature birth, low birthweight, birth complications and birth defects; in 1984 in New Jersey, there were 6,682 births to women ages 18 years and under; about one out of 10 women in
New Jersey becomes pregnant during her teenage years; and there is a 40% chance that a child of a teenager will be permanently impaired.

The Legislature further finds and declares that: the causes of many cases of developmental disabilities, such as inadequate prenatal care, maternal diseases, environmental contaminants, alcohol and drug ingestion, poor nutrition, lead poisoning, childhood diseases, child abuse and neglect, and accidents, are preventable; and it is in the best interests of the citizens of the State of New Jersey to establish a permanent office in the State Department of Human Services to combat the causes of mental retardation and developmental disabilities.

AN ACT concerning persons holding public office in this State and

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. R.S. 52:14-7 is amended to read as follows:

Residency requirement for State officers.

52:14-7. a. As used in this section, “person holding an office in
this State” means the Governor; a member of the Legislature; the
head of each principal department of the Executive Branch of the
State government; and every Justice of the Supreme Court, judge
of the Superior Court and judge of any inferior court established
under the laws of this State.

b. Except as otherwise provided by law, every person holding an
office in this State, under the authority thereof, shall have his or her
principal residence in this State and shall execute such office.

For the purposes of this subsection, a person may have at most
one principal residence, and the state of a person’s principal residence
means the state (1) where the person spends the majority of his or
her nonworking time, and (2) which is most clearly the center of his
or her domestic life, and (3) which is designated as his or her legal
address and legal residence for voting. The fact that a person is
domiciled in this State shall not by itself satisfy the requirement of
principal residency hereunder.

c. If any person holding any office or other position in this State
shall attempt to let, farm out or transfer such office or position or
any part thereof to any person, he shall forfeit the sum of fifteen
hundred dollars ($1,500.00), to be recovered with costs by any person
who shall sue for the same, one-half to the prosecutor and the other
half to the treasurer for the use of the State.

d. No person shall be appointed to or hold any position in this
State who has not the requisite qualifications for personally per-
forming the duties of such position in cases where scientific engineer-
ing skill is necessary to the performance of the duties thereof.

e. Any person holding or attempting to hold an office in violation
of this section shall be considered as illegally holding or attempting
to hold the same; provided that a person holding an office in this State shall have one year from the effective date of this act or from the time of taking the oath of office, whichever is later, to satisfy the requirement of principal residency, and if thereafter such person fails to satisfy the requirement of principal residency as defined herein with respect to any 365-day period, that person shall be deemed unqualified for office. The Superior Court shall, in a civil action in lieu of prerogative writ, give judgment of ouster against such person, upon the complaint of any officer or citizen of the State, provided that any such complaint shall be brought within one year of the alleged 365-day period of failure to have his or her principal residence in this State.

2. This act shall take effect on the 90th day after the date of enactment.

CHAPTER 14

AN ACT concerning insurance and the standard valuation law and amending N.J.S. 17B:19-8.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 17B:19-8 is amended to read as follows:

Standard valuation law.

17B:19-8. This section shall be known as the standard valuation law and shall apply to all the life insurance policies, pure endowment contracts and annuity contracts issued by every life insurer on or after January 1, 1948 or such earlier date as shall have been elected by the insurer as the operative date for such insurer of the standard nonforfeiture law.

a. The minimum standard for the valuation of the reserve liabilities for all such policies and contracts shall be the commissioner's reserve valuation methods defined in subsections b., e. and f. of this section, 3 1/2% interest, except as otherwise provided in paragraphs (iii), (iv), (ix) and (x) of this subsection for annuity and pure endowment contracts and paragraph (x) of this subsection for life insurance policies and disability and accidental death ben-
enefits, and except 4% interest for such policies and benefits issued on and after January 1, 1973 and prior to January 1, 1977 and 4 1/2% interest for such policies and benefits issued on or after January 1, 1977, and the following tables:

(i) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioners 1941 Standard Ordinary Mortality Table; provided, however, that the Commissioners 1958 Standard Ordinary Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1966 or, for policies in any category of ordinary insurance, such earlier date as shall have been elected by the insurer for the purpose and prior to the operative date, for such category, provided for in paragraph (xi) of subsection h. of the standard nonforfeiture law for life insurance (N.J.S. 17B:25-19); and provided that the Commissioners 1980 Standard Ordinary Mortality Table, or at the election of the insurer for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors, or any ordinary mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies shall be the table for the minimum standard for policies in any category of ordinary insurance issued on or after the operative date, for such category provided for in paragraph (xi) of subsection h. of section 17B:25-19, the standard nonforfeiture law for life insurance. Notwithstanding the above provisions of this paragraph, for any category of ordinary insurance, reserves for such policies issued on or after July 1, 1957 and prior to the operative date provided for in paragraph (xi) of subsection h. of section 17B:25-19, the standard nonforfeiture law for life insurance, may be calculated, at the option of the insurer, according to the Approved Standard Ordinary Mortality Table contained in section 17B:19-9; provided further that for any category of such policies issued on female risks on or after July 1, 1957 and prior to the operative date provided for in paragraph (xi) of subsection h. of the standard nonforfeiture law for life insurance, modified net premiums and present values, referred to in subsection b. of this section, may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than six years younger than the actual age of the insured.

(ii) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such
policies, the 1941 Standard Industrial Mortality Table; provided, however, that the Commissioners 1961 Standard Industrial Mortality Table or any industrial mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies shall be the table for the minimum standard for such policies issued on or after January 1, 1968 or such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for life insurance (N.J.S. 17B:25-19) for such insurer’s industrial life insurance policies became based upon said table.

(iii) For individual annuity and pure endowment contracts issued prior to the operative date of paragraph (ix) of this subsection, excluding any disability and accidental death benefits in such contracts, the 1937 Standard Annuity Mortality Table, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner; provided, however, that for single stipulated payment individual annuity and single premium pure endowment contracts issued on or after January 1, 1970, excluding any disability and accidental death benefits in such contracts, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Annuity Mortality Table for 1949, Ultimate, or any modification of such table approved by the commissioner.

(iv) For group annuity and pure endowment contracts, except annuities and pure endowments purchased thereunder on or after the operative date of paragraph (ix) of this subsection, excluding any disability and accidental death benefits in such contracts, the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts; provided, however, that the commissioner may establish regulations governing the use of 5% interest and either the 1971 Group Annuity Mortality Table or any modification of such table approved by the commissioner for either contracts whose reserves are considered as pension plan reserves of the type set forth in section 805(d) of the U.S. Internal Revenue Code, as amended, or contracts of a similar type; and provided further that for group annuity benefits arising from considerations received on or after January 1, 1970, excluding any disability and accidental death
benefits, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of such table specified for individual annuity and pure endowment contracts.

(v) For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefits or any tables of disablement rates and termination rates, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies; for policies or contracts issued on or after January 1, 1961 and prior to January 1, 1966, either such tables, or, at the option of the insurer, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vi) For accidental death benefits in or supplementary to policies, for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table or any accidental death benefits table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies; for policies issued on or after January 1, 1961 and prior to January 1, 1966, either such table or, at the option of the insurer, the Inter-Company Double Indemnity Mortality Table; and for policies issued prior to January 1, 1961, the Inter-Company Double Indemnity Mortality Table. Any such table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vii) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the commissioner.

(viii) For ordinary and industrial paid-up nonforfeiture term insurance, and accompanying pure endowment, the table of mortality
based on the rates of mortality assumed in calculating the paid-up nonforfeiture benefits.

(ix) Except as provided in paragraph (x) of this subsection, for individual annuity and pure endowment contracts issued on or after the operative date of this paragraph (ix), as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, the commissioner's reserve valuation methods defined in subsections b., e. and f. and the following tables and interest rates:

1. For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table or any individual annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such contracts, or any modification of any such table approved by the commissioner, and, for such contracts issued prior to January 1, 1977, 6% interest for single stipulated payment immediate annuity and single premium pure endowment contracts, and 4% interest for all other individual annuity and pure endowment contracts, provided, however, that the commissioner may establish regulations governing the use, in subsequent valuations of single stipulated payments not previously valued, of an interest rate not more than 7½% or less than 6%.

2. For all annuities and pure endowments purchased under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table or any group annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such annuities and pure endowments, or any modification of any such table approved by the commissioner, and 6% interest; except 7½% interest for purchases on or after January 1, 1977 under
either contracts whose reserves are considered as pension plan reserves of the type set forth in section 805(d) of the U.S. Internal Revenue Code, as amended, or contracts of similar type, provided, however, that the commissioner may establish regulations governing the use, in subsequent valuations of purchases not previously valued, of an interest rate not more than 71/2% or less than 6%.

For individual single stipulated payment immediate annuity and single premium pure endowment contracts and for annuities and pure endowments purchased under group annuity and pure endowment contracts, the operative date of this paragraph (ix) shall be January 1, 1973.

For other individual annuity and pure endowment contracts, an insurer may file with the commissioner a written notice of its election to comply with the provisions of this paragraph (ix) beginning on a specific date that is on or after January 1, 1973 but prior to January 1, 1979. Such specific date shall be the operative date of this paragraph for such contracts of the insurer, provided that if an insurer makes no such election, the operative date of this paragraph for such contracts of the insurer shall be January 1, 1979.

(x) The interest rates used in determining the minimum standard for the valuation of:

- benefits which are subject to the provisions of N.J.S. 17B:25-19 under life insurance policies issued in a particular calendar year on or after the operative date provided for in subsection h. (xi) of N.J.S. 17B:25-19; and all other benefits in life insurance policies and all individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1981; and
- all annuities and pure endowments purchased in a particular calendar year on or after January 1, 1981 under group annuity and pure endowment contracts; and
- the net increase, if any, in a particular calendar year after January 1, 1981, in amounts held under guaranteed interest contracts

shall be the calendar year statutory valuation interest rates established below.

The calendar year statutory valuation interest rates, I, shall be determined as follows and the results rounded to the nearer 1/4 of 1%:
(1) For life insurance,
\[ I = 0.03 + W (R_1 - 0.03) + \frac{W}{2} (R_2 - 0.09); \]

(2) For single stipulated payment immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options,
\[ I = 0.03 + W (R - 0.03) \]
where \( R_1 \) is the lesser of \( R \) and 0.09,
\[ R_2 \] is the greater of \( R \) and 0.09,
\( R \) is the reference interest rate defined in subparagraph (7) of this paragraph, and \( W \) is the weighting factor defined in subparagraph (6) of this paragraph;

(3) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in (2) above, the formula for life insurance stated in (1) above shall apply to annuities and guaranteed interest contracts with guaranteed durations in excess of 10 years and the formula for single stipulated payment immediate annuities stated in (2) above shall apply to annuities and guaranteed interest contracts with guaranteed durations of 10 years or less;

(4) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single stipulated payment immediate annuities stated in (2) above shall apply; and

(5) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single stipulated payment immediate annuities stated in (2) above shall apply.

However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than 1/2 of 1%, the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for
1980 (using the reference interest rate defined for 1979) and shall be determined for each subsequent calendar year, notwithstanding the provisions of subsection h. of section 17B:25-19, the standard nonforfeiture law for life insurance;

(6) The weighting factors, \( W \), referred to in the formulas stated above are given in the following schedules:

**SCHEDULE A**

Weighting Factors for Life Insurance:

<table>
<thead>
<tr>
<th>Guarantee Duration (Years)</th>
<th>Weighting Factors</th>

</tr>
<tr>
<td>More than 10, but not more than 20</td>
<td>.45</td>
</tr>
<tr>

</tr>
</tbody>
</table>

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy;

**SCHEDULE B**

Weighting factor for single stipulated payment immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options:

.80

**SCHEDULE C**

Weighting factors for other annuities and for guaranteed interest contracts, except as stated in Schedule B above, shall be as specified in Tables A, B and C below, according to the rules and definitions in D, E and F below:
TABLE A

For annuities and guaranteed interest contracts valued on an issue year basis:

TABLE B

Plan Type

A  B  C

For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in Table A above increased by: .15  .25  .05

TABLE C

Plan Type

A  B  C

For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) which do not guarantee interest on considerations received more than one year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than 12 months beyond the valuation date, the factors shown in Table A or derived in Table B increased by: .05  .05  .05

Rule D. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory
valuation interest rate for life insurance policies with guarantee durations in excess of 20 years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

Rule E. Plan type as used in the above tables is defined as follows:

Plan Type A: At any time policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustments but in installments over five years or more, or as an immediate life annuity, or no withdrawal permitted.

Plan Type B: Before expiration of the interest rate guarantee, policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustment but in installments over five years or more, or no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than five years.

Plan Type C: Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than five years either without adjustment to reflect changes in interest rate or asset values since receipt of the funds by the insurer, or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

Rule F. An insurer may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this paragraph (x) of subsection a., an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under
the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund;

(7) The reference interest rate, \( R \), referred to in this paragraph (x) is defined as follows:

For all life insurance, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year next preceding the year of issue, of Moody’s Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody’s Investors Service, Inc.

For single stipulated payment immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or year of purchase, of Moody’s Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody’s Investors Service, Inc.

For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated above, with guaranteed duration in excess of 10 years, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of Moody’s Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody’s Investors Service, Inc.

For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated above, with guaranteed duration of 10 years or less, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of Moody’s Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody’s Investors Service, Inc.

For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase, of Moody’s Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody’s Investors Service, Inc.

For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change
in funds basis, except as stated above, the average over a period of 12 months, ending on June 30 of the calendar year of a change in the fund, of Moody's Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody's Investors Service, Inc.

In the event that Moody's Corporate Bond Yield Average—Monthly Average Corporates is no longer published by Moody's Investors Service, Inc., or in the event that the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average—Monthly Average Corporates, as published by Moody's Investors Service, Inc., is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National Association of Insurance Commissioners and approved by regulation promulgated by the commissioner, may be substituted.

b. Except as otherwise provided in subsections e. and f., reserves according to the commissioner's reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided by the policy and the excess of (A) over (B), as follows:

(A) A net level annual premium equal to the present value, at the date of issue, of such benefits provided after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy.

(B) A net one-year term premium for such benefits provided for in the first policy year.

Provided that for any life insurance policies issued on or after
January 1, 1985 for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the reserve according to the commissioner's reserve valuation method as of any policy anniversary occurring on or before the assumed ending date defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such excess premium shall, except as otherwise provided in subsection e., be the greater of the reserve as of such policy anniversary calculated as described in the first paragraph of this subsection and the reserve as of such policy anniversary calculated as described in that paragraph, but with (i) the value defined in subparagraph (A) of that paragraph being reduced by 15% of the amount of such excess first year premium, (ii) all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date, (iii) the policy being assumed to mature on such date as an endowment, and (iv) the cash surrender value provided on such date being considered as an endowment benefit. In making the above comparison the mortality and interest bases stated in subsection a. of this section shall be used.

Reserves according to the commissioner's reserve valuation method for (i) life insurance policies providing for varying amounts of insurance or requiring the payment of varying premiums, (ii) group annuity and pure endowment contracts purchased in connection with retirement plans or plans of deferred compensation, established or maintained by or for one or more employers (including partnerships or sole proprietorships), employee organizations, or any combination thereof, other than plans providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended, (iii) disability and accidental death benefits in all policies and contracts, and (iv) all other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of this subsection b., except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

c. In no event shall an insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death ben-
benefits, be less than the aggregate reserves calculated in accordance with the methods set forth in subsections b., e. and g. and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies. Reserves for any category of policies, contracts or benefits as established by the commissioner shall not be calculated according to any standards which produce smaller aggregate reserves for such category than the corresponding aggregate values of nonforfeiture benefits available as of the valuation date.

d. Reserves for any category of policies, contracts or benefits as established by the commissioner may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided.

e. If in any contract year the gross premium charged by any life insurer on any policy or contract to which this section applies is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract is the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. At the option of the insurer and with the consent of the commissioner, the minimum reserve defined in this subsection e. may be determined for each policy or contract except one issued on the substandard basis by substituting, for the actual gross premium on the policy or contract, the average gross premium charged by the insurer for all policies or contracts classified other than substandard which have the same valuation characteristics apart from variation in premium on account of differences in mortality experience.

The minimum valuation standards of mortality and rate of interest referred to in this subsection are those standards stated in subsection a. of this section.

Provided that for any life insurance policy issued on or after January 1, 1985 for which the gross premium in the first policy year exceeds that of the second year and for which no comparable ad-
ditional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this subsection e. shall be applied as if the method actually used in calculating the reserve for such policy were the method described in subsection b., notwithstanding the provisions of the second paragraph of such subsection b. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with subsection b., including the second paragraph of that subsection, and the minimum reserve calculated in accordance with this subsection e.

f. This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased in connection with retirement plans or plans of deferred compensation, established or maintained by or for one or more employers (including partnerships or sole proprietorships), employee organizations, or any combination thereof, except such plans providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended.

Reserves according to the commissioner's annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excess of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values.

g. In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by
the methods described in subsections b., e., and f., the reserves which are held under any such plan must:

(i) be appropriate in relation to the benefits and the pattern of premiums for that plan, and

(ii) be computed by a method which is consistent with the principles of this standard valuation law,

as determined by regulations promulgated by the commissioner.

2. This act shall take effect immediately.

CHAPTER 15

AN ACT requiring written notice to be given, in certain circumstances, to the chief executive officer of a municipality prior to moving a State facility out of the municipality.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:18A-18.1 Notice prior to moving State facility.

1. a. The Division of Purchase and Property in the Department of the Treasury shall, prior to moving a State facility out of a municipality, give 90 days' written notice by certified mail to the chief executive officer of the municipality affected thereby. The division, however, shall not be required to provide this notice in an emergency situation.

46:38A-5 Choice of law.

A transfer that purports to be made and which is valid under the Uniform Transfers to Minors Act, the Uniform Gifts to Minors Act, or a substantially similar act, of another state is governed by the law of the designated state and may be executed and is enforceable in this State if at the time of the transfer, the transferor, the minor, or the custodian is a resident of the designated state or the custodial property is located in the designated state.

46:38A-6 Revocable nomination of custodian based upon happening of future event.

A person having the right to designate the recipient of property transferable upon the occurrence of a future event may revocably nominate a custodian to receive the property for a minor beneficiary upon the occurrence of the event by naming the custodian followed in substance by the words: "as custodian for ........ The nomination may be made in a will, a trust, a deed, an instrument exercising a power of appointment, or in a writing designating a beneficiary of contractual rights which is registered with or delivered to the payor, issuer, or other

Unless the nomination of a custodian has been revoked, upon the occurrence of the future event the custodianship becomes effective and the custodian shall enforce a transfer of the custodial property pursuant to R.S. 46:38A-19.

A custodian may, in his discretion, terminate the custodianship at any time after the minor has attained the age of 18 years, but the power shall not be exercised by the custodian prior to a termination age fixed by the transferor as provided in subsection a. of R.S. 46:38A-52.

AN ACT establishing a task force on adolescent pregnancy to make recommendations for the implementation of a Statewide program to combat this problem and to report thereon to the Governor and to the Legislature, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds that adolescent pregnancy is one of the most serious problems facing the State of New Jersey and the nation; that adolescent pregnancy is a complex social matter which affects adolescents from diverse backgrounds; and that approximately one out of every 10 adolescent females becomes pregnant each year. The Legislature declares, therefore, that it is necessary to determine the best methods of coordination and improvement of the services of State, local governmental, private and voluntary agencies, community organizations; and schools which seek to serve adolescents at high risk of pregnancy, pregnant adolescents, adolescent parents, and their families.

2. The Task Force on Adolescent Pregnancy is created in but not of the Department of Health. The task force shall consist of 21 members: the Directors of the Division of Youth and Family Services and the Division of Public Welfare in the Department of Human Services; the Assistant Commissioner of the Division of Community Health Services in the Department of Health; the Director of the Governor's Committee on Children's Services Planning; the Director of the Governor's Council on the Prevention of Mental Retardation; the Commissioners of the Department of Human Services, the Department of Education, the Department of Health, and the Department of Labor; and the Director of the Division on Women in the Department of Community Affairs or their designees; seven public
members to be appointed by the Governor, no more than four of whom shall be of the same political party, at least five of whom have expertise in the problems of adolescent pregnancy including a representative of the New Jersey Academy of Pediatrics and a representative of the New Jersey Obstetrical and Gynecological Society; two members of the General Assembly to be appointed by the Speaker, no more than one of whom shall be of the same political party; and two members of the Senate to be appointed by the President of the Senate, no more than one of whom shall be of the same political party. Members shall serve without compensation, but shall be reimbursed for the reasonable expenses incurred in the performance of their duties. A simple majority of the members of the task force shall constitute a quorum.

3. The task force shall compile and analyze information on the various existing adolescent pregnancy programs in New Jersey and shall make recommendations for the implementation of public policies and of a Statewide comprehensive program to combat the problem of adolescent pregnancy so that there is a coordination and improvement of the services of State, local governmental, private and voluntary agencies, community organizations, and schools which seek to serve adolescents at high risk of pregnancy, pregnant adolescents, adolescent parents, and their families. The task force shall report its findings, conclusions, and recommendations to the Governor and to the Legislature as soon as practicable, but no later than one year after the effective date of this act, accompanying them with any legislative bills which it may desire to recommend for adoption by the Legislature.

4. The task force shall select from among its members a chairperson and a vice chairperson and also may employ professional and secretarial staff as necessary.

5. The task force shall be entitled to call to its assistance and avail itself of the services and assistance of any officials and employees of the State and its political subdivisions and their departments, boards, bureaus, commissions, and agencies as it may require and as may be available to it for its purposes, and may expend any funds as may be appropriated or otherwise made available to it for the purposes of its study.

CHAPTER 20

AN ACT concerning motor vehicle drivers' licenses and amending R.S. 39:3-10 and supplementing chapter 3 of Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S. 39:3-10 is amended to read as follows:

Drivers' licenses; classifications.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless licensed to do so in accordance with this article. No person under 17 years of age shall be licensed to drive motor vehicles, nor shall a person be licensed until he has passed a satisfactory examination as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road and a demonstration of his ability to operate a vehicle of the class designated.

The director shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health concerning the use of alcohol or drugs as related to highway safety. The director shall develop in conjunction with the State Department of Health supplements to the driver's manual which shall include infor-
mation necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Any person applying for a driver’s license to operate a motor vehicle or motorized bicycle in this State shall surrender to the director any current driver’s license issued to him by another state upon his receipt of a driver’s license for this State. The director shall refuse to issue a driver’s license if the applicant fails to comply with this provision.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering;

b. Omnibuses as classified by R.S. 39:3-10.1 and school buses classified under N.J.S. 18A:39-1 et seq.;

c. Articulated vehicles means a combination of a commercial motor vehicle registered at a gross weight in excess of 18,000 pounds and one or more motor-drawn vehicles joined together by means of a coupling device;

d. All motor vehicles not included in classifications a., b. and c. A license issued pursuant to this classification d. shall be referred to as the “basic driver’s license.”

Every applicant for a license under classification b. or c. shall be a holder of a basic driver’s license. Any issuance of a license under classification b. or c. shall be by endorsement on the basic driver’s license.

A driver’s license for motorcycles may be issued separately, but if issued to the holder of a basic driver’s license, it shall be by endorsement on the basic driver’s license.

The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant’s ability as an operator, may, in his discretion, license the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.
The director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him. The fee for such licenses shall be fixed by the director in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:

- Motorcycle license or endorsement .......... $ 8.06
- Omnibus or school bus endorsement .......... $16.00
- Articulated vehicle endorsement ............. $ 8.00
- Basic driver's license .......................... $16.00

The director shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The driver's license shall have the legal name of the licensee endorsed thereon in his own handwriting. For purposes of this section, legal name shall mean the name recorded on a birth certificate unless otherwise changed by marriage, divorce or order of court. The director may require that only the legal name be recorded on the driver's license. A licensee whose name is changed due to marriage, divorce, or by judgment of the court shall notify the director of the change in name within two weeks after the change is made.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made on forms prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a license, but no defect of the applicant shall debar him from receiving a license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

A person violating this section shall be subject to a fine not exceeding $500.00 or imprisonment in the county jail for not more than 60
days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200.00 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.

Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

C. 39:3-9a Violations; fines.

2. (New section) A person who fails to notify the Director of the Division of Motor Vehicles of a change in name as required in R.S. 39:3-10 shall be subject to a fine of $10.00. A person who fails to endorse a driver's license in his own handwriting as required in R.S. 39:3-10 shall be subject to a fine of $20.00. A person who is fined under this section for a violation shall not be subject to a surcharge under the New Jersey Merit Rating Plan as provided in section 6 of P.L. 1983, c. 65 (C. 17:29A-35).

3. This act shall take effect immediately.

CHAPTER 21

as a private one- or two-family dwelling. For the purposes of this act, in the case where any parking facility situated within two contiguous municipalities authorized under section 1 of P.L. 1970, c. 326 (C. 49:48C-1) and section 2 of P.L. 1987, c. 21 (C. 40:48C-1.2), the tax authorized herein may only be imposed on fees attributable to that portion of any parking facility which is situated within the physical boundaries of the municipality.

C. 40:48C-1.2 Facility in 2 municipalities.

2. (New section) Any municipality having a population of less than 125,000, but in excess of 100,000, according to the latest federal decennial census, is hereby authorized and empowered to enact an ordinance imposing the tax provided for in Article 3 (Parking Tax) of the “Local Tax Authorization Act,” P.L. 1970, c. 326 (C. 40:48C-6 et seq.) on any portion of a facility situated within its borders, but which, in part, is also situated in a contiguous municipality which has enacted an ordinance imposing the tax provided for in Article 3 (Parking Tax) of the “Local Tax Authorization Act,” P.L. 1970, c. 326 (C. 40:48C-6 et seq.).

3. (New section) Any ordinance enacted pursuant to this act shall not take effect any earlier than January 1, 1987.

4. This act shall take effect immediately.

CHAPTER 22

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L. 1961, c. 49 (C. 52:14-17.32) is amended to read as follows:

C. 52:14-17.32 Health benefits for retirees.

8. a. The basic coverage and the major medical coverage of any employee, and of his dependents, if any, shall cease upon the discontinuance of his term of office or employment or upon cessation of active full-time employment subject to such regulations as may be prescribed by the commission for limited continuance of basic cov-
verage and major medical coverage during disability, part-time employment, leave of absence or layoff, and for continuance of basic coverage and major medical coverage after retirement, any such continuance after retirement to be provided at such rates and under such conditions as shall be prescribed by the commission, subject, however, to the requirements hereinafter set forth in this section. The commission may also establish regulations prescribing an extension of coverage when an employee or dependent is totally disabled at termination of coverage.

b. Rates payable by retired employees for themselves and their dependents, by active employees for dependents covered by medicare benefits, and by the State or other employer for an active employee alone covered by medicare benefits, shall be determined on the basis of utilization experience according to classifications determined by the commission, provided, however, that the total rate payable by such retired employee for himself and his dependents, or by such active employee for his dependents and the State or other employer for such active employee alone, for coverage hereunder and for Part B of medicare, shall not exceed by more than 25%, as determined by the commission, the total amount which would have been required to have been paid by him and by the State or other employer for the coverage maintained had he continued in office or active employment and he and his dependents were not eligible for medicare benefits. "Medicare" as used in this act means the coverage provided under Title XVIII of the Social Security Act as amended in 1965, or its successor plan or plans.

c. (1) From funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and his dependents covered under the program, but not including survivors, if such employee retired from a State-administered retirement system effective on or after July 1, 1964 on a benefit based on 25 years or more of service credited in such retirement system, excepting the employee who elected deferred retirement, but including the employee who retired on a disability pension based on fewer years of service credited in such retirement system and shall also reimburse such retired employee for his premium charges under Part B of the federal medicare program covering the retired employee and the employee's spouse. In the case of full-time employees of the Rutgers University Cooperative Extension Service, service credited in the federal Civil Service Retirement System (5 U.S.C. §8331 et seq.) which was earned as a result of full-time
employment at Rutgers University, may be considered alone or in combination with service credited in a State-administered retirement system for the purposes of establishing the minimum 25 year service requirement to qualify for the benefits provided in this section. Any full-time employee of the Rutgers University Cooperative Extension Service who retired on or after July 1, 1972 and who meets the eligibility requirements set forth in this amendatory act shall be eligible for the benefits provided in this section, provided that at the time of retirement such employee was covered by the State Health Benefits Program and elected to continue such coverage into retirement.

(2) Notwithstanding the provisions of this section to the contrary, from funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and his dependents covered under the program, but not including survivors, if: (a) the employee retires on or after the effective date of this 1987 amendatory act; (b) the employee was employed by Rutgers University prior to January 2, 1955 and remained in continuous service with Rutgers University until retirement even though the employee (i) did not join a State-administered retirement system, or (ii) became a member of a State-administered retirement system, but accumulated less than 25 years of credited service; and (c) the employee is covered by the program at the time of retirement.

2. This act shall take effect immediately.

40:5-2. Any county or municipality may make a voluntary contribution of not more than $35,000.00 annually to any duly incorporated first aid and emergency or volunteer ambulance or rescue squad association of the county, or of any municipality therein, rendering service generally throughout the county, or any of the municipalities thereof. In addition, if any such associations experience extraordinary need, the county or municipality may contribute an additional amount of not more than $35,000.00 annually; provided, however, that the need for such additional funds is established by the association and is directly related to the performance of said association's duties. CHAPTER 32

AN ACT establishing the Developmental Center at Ancora, supplementing chapter 4 of Title 30 of the Revised Statutes, amending R.S. 30:1-7, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4-177.39 Findings, declarations.
1. (New section) The Legislature finds and declares that:
   a. There exists a population of two groups of clients of the Division of Mental Health and Hospitals and Division of Developmental Disabilities in the Department of Human Services who are underserved in their current institutional settings.
   b. One group of these individuals is comprised of clients in the State psychiatric hospitals or developmental centers who are developmentally disabled and who exhibit psychiatric or behavioral problems and are known as “dually diagnosed” clients. The severity of their conditions precludes effective treatment in either developmental centers or State psychiatric hospitals. For these clients, a more intensive, specialized, behaviorally oriented program is required.
   c. The other group of these individuals includes clients of institutions administered by the Division of Mental Health and Hospitals who are developmentally disabled, have been administratively or judicially discharged from the Division of Mental Health and Hospitals, and who are in need of the services of the Division of Developmental Disabilities. These clients are known as “discharged pending placement” clients.
   d. There exists on the grounds of Ancora Psychiatric Hospital as a pilot program a facility designed to serve the special needs of both the dually diagnosed and discharged pending placement populations that is unfunded for continued operation.

C. 30:4-177.40 Developmental Center at Ancora.
2. (New section) The Developmental Center at Ancora is estab-
lished within the Division of Developmental Disabilities in the Department of Human Services and shall include the pilot program designed to serve the special needs of both the dually diagnosed and discharged pending placement populations. The Developmental Center at Ancora shall accept for treatment only those individuals transferred from State facilities under the supervision of the Division of Mental Health and Hospitals and the Division of Developmental Disabilities in the Department of Human Services.

Nothing in this amendatory and supplementary act shall be construed to require placement at the Developmental Center at Ancora of those persons discharged pending placement who are not in need of institutional care and who have been judicially or administratively determined appropriate for community placement.

For those persons for whom institutional placement is initially determined to be judicially or administratively appropriate, the Developmental Center at Ancora shall nevertheless provide discharge-oriented treatment to achieve the goal of ultimate discharge into community settings as soon as their conditions permit.

C. 30:4-177.41 Community placement objective.

3. (New section) Since community placement is the ultimate objective for the persons placed at the center, the Division of Developmental Disabilities shall establish a funding priority within the funds appropriated to the division for community services, for the establishment of appropriate community placements for persons discharged from the developmental center.

C. 30:4-177.42 Report, evaluation.

4. (New section) Two years from the date of enactment of this amendatory and supplementary act, the Division of Developmental Disabilities shall prepare and submit to the Governor and the Legislature a report and evaluation of the operation of the Developmental Center at Ancora.

5. R.S. 30:1-7 is amended to read as follows:

All the provisions of the “Local Bond Law” (N.J.S. 40A:2-1 et seq.) not in conflict with this act shall be complied with by the county in adopting its bond ordinances.

4. This act shall take effect immediately.

CHAPTER 35

AN ACT concerning liabilities of certain corporate directors and officers and insurance with respect to certain corporate agents and revising parts of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. N.J.S. 14A:2-7 is amended to read as follows:

Certificate of incorporation.

(1) The certificate of incorporation shall set forth:

(a) The name of the corporation;

(b) The purpose or purposes for which the corporation is organized. It shall be a sufficient compliance with this paragraph to state, alone or with specifically enumerated purposes, that the corporation may engage in any activity within the purposes for which corporations may be organized under this act, and all such activities shall by such statement be deemed within the purposes of the corporation, subject to expressed limitations, if any;

(c) The aggregate number of shares which the corporation shall have authority to issue; if such shares are to consist of one class only, the par value of each of such shares, or a statement that all of such shares are without par value;

(d) If the shares are, or are to be, divided into classes, or into classes and series, the designation of each class and series, the number of shares in each class and series, and a statement of the relative rights, preferences and limitations of the shares of each class and series, to the extent that such designations, numbers, relative rights, preferences and limitations have been determined;

(e) If the shares are, or are to be, divided into classes, or into classes and series, a statement of any authority vested in the board to divide the shares into classes or series or both, and to determine or change for any class or series its designation, number of shares, relative rights, preferences and limitations;

(f) Any provision not inconsistent with this act or any other statute of this State, which the incorporators elect to set forth for the management of the business and the conduct of the affairs of the corporation, or creating, defining, limiting or regulating the powers of the corporation, its directors and shareholders or any class of shareholders, including any provision which under this act is required or permitted to be set forth in the bylaws;

(g) The address of the corporation’s initial registered office, and the name of the corporation’s initial registered agent at such address;

(h) The number of directors constituting the first board and the names and addresses of the persons who are to serve as such directors;
(i) The names and addresses of the incorporators;

(j) The duration of the corporation if other than perpetual; and

(k) If, pursuant to subsection 14A:2-7(2), the certificate of incorporation is to be effective on a date subsequent to the date of filing, the effective date of the certificate.

(2) The certificate of incorporation shall be filed in the office of the Secretary of State. The corporate existence shall begin upon the effective date of the certificate, which shall be the date of the filing or such later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate. Such filing shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and, after the corporate existence has begun, that the corporation has been incorporated under this act, except as against this State in a proceeding to cancel or revoke the certificate of incorporation or for involuntary dissolution of the corporation.

(3) The certificate of incorporation may provide that a director shall not be personally liable, or shall be liable only to the extent therein provided, to the corporation or its shareholders for damages for breach of any duty owed to the corporation or its shareholders, except that such provision shall not relieve a director from liability for any breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the corporation or its shareholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

2. N.J.S. 14A:3-5 is amended to read as follows:

Indemnification of directors, officers and employees.

14A:3-5. Indemnification of directors, officers and employees.

(1) As used in this section,

(a) "corporate agent" means any person who is or was a director, officer, employee or agent of the indemnifying corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of any such constituent corporation, or the legal representative of any such director, officer, trustee, employee or agent;

(b) "other enterprise" means any domestic or foreign corporation, other than the indemnifying corporation, and any partnership, joint
venture, sole proprietorship, trust, employee benefit plan or other enterprise, whether or not for profit, served by a corporate agent;

(c) "expenses" means reasonable costs, disbursements and counsel fees;

(d) "liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties; and

(e) "proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding.

(2) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the corporation, if

(a) such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; and

(b) with respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in paragraphs 14A:3-5(2)(a) and 14A:3-5(2)(b).

(3) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable to the corporation, unless and only to the extent that the Superior Court or the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate
agent is fairly and reasonably entitled to indemnity for such expenses as the Superior Court or such other court shall deem proper.

(4) Any corporation organized for any purpose under any general or special law of this State shall indemnify a corporate agent against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections 14A:3-5(2) and 14A:3-5(3) or in defense of any claim, issue or matter therein.

(5) Any indemnification under subsection 14A:3-5(2) and, unless ordered by a court, under subsection 14A:3-5(3) may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection 14A:3-5(2) or subsection 14A:3-5(3). Unless otherwise provided in the certificate of incorporation or bylaws, such determination shall be made

(a) by the board of directors or a committee thereof, acting by a majority vote of a quorum consisting of directors who were not parties to or otherwise involved in the proceeding; or

(b) if such a quorum is not obtainable, or, even if obtainable and such quorum of the board of directors or committee by a majority vote of the disinterested directors so directs, by independent legal counsel, in a written opinion, such counsel to be designated by the board of directors; or

(c) by the shareholders if the certificate of incorporation or bylaws or a resolution of the board of directors or of the shareholders so directs.

(6) Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding as authorized by the board of directors upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified as provided in this section.

(7) (a) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection 14A:3-5(4) or permitted under subsections 14A:3-5(2), 14A:3-5(3) and 14A:3-5(6), a corporate agent may apply to a court for an award of indemnification by the corporation, and such court
(i) may award indemnification to the extent authorized under subsections 14A:3-5(2) and 14A:3-5(3) and shall award indemnification to the extent required under subsection 14A:3-5(4), notwithstanding any contrary determination which may have been made under subsection 14A:3-5(5); and

(ii) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection 14A:3-5(6), if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(b) Application for such indemnification may be made

(i) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(ii) to the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in such manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the shareholders and such other persons as it may designate in such manner as it may require.

(8) The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, vote of shareholders, or otherwise; provided that no indemnification shall be made to or on behalf of a corporate agent if a judgment or other final adjudication adverse to the corporate agent establishes that his acts or omissions (a) were in breach of his duty of loyalty to the corporation or its shareholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the corporate agent of an improper personal benefit.

(9) Any corporation organized for any purpose under any general or special law of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any
expenses incurred in any proceeding and any liabilities asserted against him by reason of his being or having been a corporate agent, whether or not the corporation would have the power to indemnify him against such expenses and liabilities under the provisions of this section. The corporation may purchase such insurance from, or such insurance may be reinsured in whole or in part by, an insurer owned by or otherwise affiliated with the corporation, whether or not such insurer does business with other insureds.

(10) The powers granted by this section may be exercised by the corporation, notwithstanding the absence of any provision in its certificate of incorporation or bylaws authorizing the exercise of such powers.

(11) Except as required by subsection 14A:3-5(4), no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if such action would be inconsistent with a provision of the certificate of incorporation, a bylaw, a resolution of the board of directors or of the shareholders, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

(12) This section does not limit a corporation's power to pay or reimburse expenses incurred by a corporate agent in connection with the corporate agent's appearance as a witness in a proceeding at a time when the corporate agent has not been made a party to the proceeding.

3. N.J.S. 14A:6-14 is amended to read as follows:

Liability of directors; reliance on corporate records.

Directors and members of any committee designated by the board shall discharge their duties in good faith and with that degree of diligence, care and skill which ordinarily prudent men would exercise under similar circumstances in like positions. In discharging their duties, directors and members of any committee designated by the board shall not be liable if, acting in good faith, they rely upon the opinion of counsel for the corporation or upon written reports setting forth financial data concerning the corporation and prepared by an independent public accountant or certified public accountant or firm of such accountants or upon financial statements, books of account
or reports of the corporation represented to them to be correct by
the president, the officer of the corporation having charge of its books
of account, or the person presiding at a meeting of the board. A
director shall not be personally liable to the corporation or its share-
holders for damages for breach of duty as a director if and to the
extent that such liability has been eliminated or limited by a
 provision in the certificate of incorporation authorized by subsection
(3) of N.J.S. 14A:2-7.

4. (New section) Notwithstanding the provisions of subsection (3)
of N.J.S. 14A:2-7, the certificate of incorporation referred to therein
may also provide that an officer of the corporation shall not be
personally liable, or shall be liable only to the extent therein
provided, to the corporation or its shareholders for damages for
breach of any duty owed to the corporation or its shareholders, except
that such provision shall not relieve an officer from liability for any
breach of duty based upon an act or omission (a) in breach of such
person’s duty of loyalty to the corporation or its shareholders, (b)
not in good faith or involving a knowing violation of law or (c)
resulting in receipt by such person of an improper personal benefit.

5. N.J.S. 17B:18-57 is amended to read as follows:

Mutual insurers; change of name, extension of corporate existence or amendment of
charter or certificate of incorporation.

17B:18-57. Mutual insurers; change of name, extension of corpor-
ate existence or amendment of charter or certificate of incorporation.

a. Any mutual insurer heretofore or hereafter incorporated under
any general or special law of this State may change its name and
extend its corporate existence or amend its charter or certificate of
incorporation for any lawful purpose by a 3/4 vote of its directors
present at any regular or special meeting, held in accordance with
its charter and bylaws, held not less than 30 nor more than 90 days
after notice of the proposed amendment has been given to the direc-
tors and to the commissioner.

b. Upon adoption, a certificate of such adoption setting forth such
change of name, extension or amendment shall be made and filed
by the president or a vice-president of the insurer and by the sec-
retary or an assistant secretary under the corporate seal and shall
be acknowledged or proved as in the case of deeds of real estate and
shall be submitted to the commissioner for his approval. If the com-
missioner finds that such change of name, extension or amendment
is in conformity with law and does not unreasonably affect the
interests of the policyholders, he may endorse his approval on the
certificate. When so approved, it shall be filed in the Department of Insurance whereupon the charter or certificate of incorporation shall be deemed to be amended accordingly.

c. The refusal of the commissioner to give any approval shall be subject to judicial review.

d. To the extent that an amendment of the charter or certificate of incorporation of a mutual insurer is adopted in accordance with subsection (3) of N.J.S. 14A:2-7, or section 4 of this 1987 amendatory and supplementary act, the commissioner shall approve such amendment unless he finds that it unreasonably affects the interest of the policyholders.

6. Section 3 of P.L. 1948, c. 67 (C. 17:9A-3) is amended to read as follows:

C. 17:9A-3 Incorporation; certificate of incorporation; officers, directors and employees as incorporators.

3. Incorporation; certificate of incorporation; officers, directors and employees as incorporators.

A. Seven or more persons, of full age, may incorporate a bank on the terms and conditions prescribed by this act. Such persons shall execute and acknowledge a certificate of incorporation stating:

(1) The name by which the bank shall be known;
(2) The street, street number, if any, and municipality in which the principal office of the bank is to be located;
(3) The powers authorized by this act which the bank will have power to exercise;
(4) The amount of the capital stock, the number of shares into which it is divided, and the par value of each share;
(5) The amount of surplus with which the bank will commence business;
(6) The amount of the fund reserved for organization expense pursuant to section 5;
(7) The names and residences of the incorporators, and the number of shares subscribed for by each;
(8) The number of directors, or that the number of directors shall be not less than a stated minimum, or more than a stated maximum;
(9) The names of the persons who will serve as directors until the first annual meeting of stockholders; and
(10) Such other provisions, not inconsistent with this act, as the incorporators may choose to insert for the regulation of the business and affairs of the bank.

The certificate of incorporation may provide that a director shall not be personally liable, or shall be liable only to the extent therein provided, to the bank or its stockholders for damages for breach of any duty owed to the bank or its stockholders, except that such provision shall not relieve a director from liability for any breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the bank or its stockholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

B. An officer, director or employee of any bank may be an incorporator of another bank when not inconsistent with such person's fiduciary duty or other applicable law.

7. (New section) Notwithstanding the provisions of section 3 of P.L. 1948, c. 67 (C. 17:9A-3), the certificate of incorporation referred to therein may also provide that an officer of the bank shall not be personally liable, or shall be liable only to the extent therein provided, to the bank or its stockholders for damages for breach of any duty owed to the bank or its stockholders, except that such provision shall not relieve an officer from liability for any breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the bank or its stockholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

8. Section 2 of P.L. 1982, c. 9 (C. 17:9A-8.2) is amended to read as follows:

C. 17:9A-8.2 Certificate of incorporation for capital stock savings banks.

2. Nine or more persons, over the age of 18 years, may incorporate a capital stock savings bank in this State on the terms and provisions prescribed by this act. They shall execute and acknowledge a certificate of incorporation stating:

a. The name by which the capital stock savings bank shall be known;

b. The street, street number, if any, and municipality in which the principal office of the capital stock savings bank is to be located;

c. The amount of the capital stock, the number of shares into which it is divided, and the par value of each share.
d. The amount of surplus with which the capital stock savings bank will commence business;

e. The names and addresses of the incorporators;

f. The number of directors, or that the number of directors shall be not less than a stated minimum or more than a stated maximum;

g. The names of the persons who will serve as directors until their successors are elected and qualify;

h. Any fiduciary powers that the capital stock savings bank shall be authorized to exercise; and

i. Any other provisions, not inconsistent with this act, which the incorporators choose to insert for the regulation of the business and affairs of the capital stock savings bank.

The certificate of incorporation may provide that a director shall not be personally liable, or shall be liable only to the extent therein provided, to the capital stock savings bank or its stockholders for damages for breach of any duty owed to the capital stock savings bank or its stockholders, except that such provision shall not relieve a director from liability for an act or omission (a) in breach of such person's duty of loyalty to the capital stock savings bank or its stockholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

9. (New section) Notwithstanding the provisions of section 2 of P.L. 1982, c. 9 (C. 17:9A-8.2), the certificate of incorporation referred to therein may also provide that an officer of the capital stock savings bank shall not be personally liable, or shall be liable only to the extent therein provided, to the capital stock savings bank or its stockholders for damages for breach of any duty owed to the capital stock savings bank or its stockholders, except that such provisions shall not relieve an officer from liability for any breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the capital stock savings bank or its stockholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

10. Section 250 of P.L. 1948, c. 67 (C. 17:9A-250) is amended to read as follows:

C. 17:9A-250 Action against directors, managers, officers or employees; indemnification.
250. Action against directors, managers, officers or employees; indemnification.

A. As used in this section

(1) "Corporate agent" means any person who is or was a director, officer, employee or agent of the indemnifying bank or of any constituent banking institution or corporation absorbed by the indemnifying bank in a consolidation or merger or created by or owned by the indemnifying bank and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying bank, or of any constituent banking institution or corporation or the legal representative of any such director, officer, trustee, employee or agent;

(2) "Other enterprise" means any domestic or foreign corporation, other than the indemnifying bank, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;

(3) "Expenses" means reasonable costs, disbursements and counsel fees;

(4) "Liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties;

(5) "Proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding;

(6) "Bank" includes savings bank and capital stock savings bank;

(7) "Directors" includes directors of a bank and capital stock savings bank and managers of a savings bank.

B. Any bank of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the bank, if

(1) Such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the bank;

(2) With respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful.
The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in subdivisions (1) and (2) of this subsection.

C. Any bank of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the bank to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the bank. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable to the bank, unless and only to the extent that the Superior Court or other court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the Superior Court or other court shall deem proper.

D. Any bank of this State shall indemnify a corporate agent against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections B and C of this section or in defense of any claim, issue or matter therein.

E. Any indemnification under subsection B of this section, and, unless ordered by a court, under subsection C of this section, may be made by the bank only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection B of this section or subsection C of this section. Unless otherwise provided in the certificate of incorporation or bylaws, the determination shall be made

(a) By the board of directors or a committee thereof acting by a quorum consisting of directors who were not parties to or otherwise involved in, the proceeding; or

(b) If such a quorum is not obtainable, or, even if obtainable and that quorum of the board of directors or committee by a majority vote of the disinterested directors so directs, by independent legal
counsel in a written opinion, that independent legal counsel to be
designated by the board of directors; or

(c) By the stockholders, if the certificate of incorporation or
bylaws or a resolution of the board of directors or of the stockholders
so directs, in the case of a bank which is not a savings bank, and
by the commission, in the case of a savings bank.

F. Expenses incurred by a corporate agent in connection with a
proceeding may be paid by the bank in advance of the final disposi-
tion of the proceeding, if authorized by the board of directors, upon
receipt of an undertaking by or on behalf of the corporate agent to
repay such amount unless it shall ultimately be determined that he
is entitled to be indemnified as provided in this section.

G. (1) If a bank upon application of a corporate agent has failed
or refused to provide indemnification as required under subsection
D of this section or permitted under subsections B, C and F of this
section, a corporate agent may apply to a court for an award of
indemnification by the bank, and such court

(2) May award indemnification to the extent authorized under
subsections B and C of this section and shall award indemnification
to the extent required under subsection D of this section, notwith-
standing any contrary determination which may have been made
under subsection E of this section; and

(3) May allow reasonable expenses to the extent authorized by,
and subject to the provisions of, subsection F of this section, if the
court shall find that the corporate agent has by his pleadings or
during the course of the proceeding raised genuine issues of fact or
law.

(4) Application for such indemnification may be made

(a) In the civil action in which the expenses were or are to be
incurred or other amounts were or are to be paid; or

(b) To the Superior Court in a separate proceeding. If the appli-
cation is for indemnification arising out of a civil action, it shall set
forth reasonable cause for the failure to make application for such
relief in the action or proceeding in which the expenses were or are
to be incurred or other amounts were or are to be paid.

(5) The application shall set forth the disposition of any previous
application for indemnification and shall be made in such manner
and form as may be required by the applicable rules of court or, in
the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the bank. The court may also direct that notice shall be given at the expense of the bank to the stockholders of a bank other than a savings bank and such other persons as it may designate in such manner as it may require.

H. The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, vote of stockholders of a bank other than a savings bank, or otherwise; provided that no indemnification shall be made to or on behalf of a corporate agent if a judgment or other final adjudication adverse to the corporate agent establishes that his acts or omissions (a) were in breach of his duty of loyalty to the bank or its stockholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the corporate agent of an improper personal benefit.

I. Any bank of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him by reason of his being or having been a corporate agent, whether or not the bank would have the power to indemnify him against those expenses and liabilities under the provisions of this section. The bank may purchase such insurance from, or such insurance may be reinsured in whole or in part by, an insurer owned by or otherwise affiliated with the bank, whether or not such insurer does business with other insureds.

J. The powers granted by this section may be exercised by a bank notwithstanding the absence of any provision in its certificate of incorporation or bylaws authorizing the exercise of such powers.

K. Except as required by subsection D of this section, no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by the Superior Court or other court, if that action would be inconsistent with a provision of the certificate of incorporation, a bylaw, a resolution of the board of directors or of the stockholders, or an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.
L. This section does not limit a bank's power to pay or reimburse expenses incurred by a corporate agent in connection with the corporate agent's appearance as a witness in a proceeding at a time when the corporate agent has not been made a party to the proceeding.

C. 17:9A-197.1 Amendment to certificate of incorporation.

11. (New section) Notwithstanding the provisions of section 197 of P.L. 1948, c. 67 (C. 17:9A-197), a savings bank may, by amending its certificate of incorporation in the manner provided in section 198 of P.L. 1948, c. 67 (C. 17:9A-198), provide that a manager shall not be personally liable, or shall be liable only to the extent therein provided, to the savings bank or its depositors for damages for breach of any duty owed to the savings bank or its depositors, except that such provision shall not relieve a manager or officer from liability for an act or omission (a) in breach of such person's duty of loyalty to the savings bank or its depositors, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

The Commissioner of Banking shall approve such amendment unless he finds that it unreasonably affects the interests of the depositors.

12. (New section) Notwithstanding the provisions of section 197 of P.L. 1948, c. 67 (C. 17:9A-197), a savings bank may, by amending its certificate of incorporation in the manner provided in section 198 of P.L. 1948, c. 67 (C. 17:9A-198), provide that an officer shall not be personally liable, or shall be liable only to the extent therein provided, to the savings bank or its depositors for damages for breach of any duty owed to the savings bank or its depositors, except that such provision shall not relieve a manager or officer from liability for an act or omission (a) in breach of such person's duty of loyalty to the savings bank or its depositors, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

The Commissioner of Banking shall approve such amendment unless he finds that it unreasonably affects the interests of the depositors.

C. 17:12B38.1 No personal liability.

13. CHAPTER 36

A SUPPLEMENT to “An act making appropriations for the support of the State Government and the several public purposes for the fiscal year ending June 30, 1987 and regulating the disbursement thereof,” approved June 30, 1986 (P.L. 1986, c. 41).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. In addition to the sums appropriated under P.L. 1986, c. 41, there is appropriated out of the General Fund the following sum for the purpose specified:
STATE AID
34 DEPARTMENT OF EDUCATION
30 Educational, Cultural and Intellectual Development
31 Direct Educational Services and Assistance—State Aid

07-5120 Special Education .................. $750,000*
State Aid:
  County Special Services districts ..... ($750,000)*
  Total Appropriation, Department of
  Education ................................. $750,000*

2. This act shall take effect immediately but shall remain inoperative until the enactment into law of the annual appropriations act for the fiscal year ending June 30, 1987, P.L. 1986, c. 41.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 36
(Senate Bill No. 2177 (OCR))

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 2177 (OCR) at the time of my signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would provide for a supplemental appropriation of $1,510,000 to the Department of Education to provide additional State aid to the four county special services school districts. Although county special services districts received an 8.6 percent increase over the Fiscal Year 1986 appropriation, these districts received $1,510,000 less in State aid than their actual need required.

I recognize that because county special services districts are funded on a current year basis, any shortfall in revenues has a direct impact upon services provided. Accordingly, I favor providing the county special services with additional State aid in order to assist them in the provision of their very important educational services to our special education pupils. However, I believe that the long-range solution to this problem lies not with supplemental appropriations for these entities, but rather with changing the method of funding these districts to prebudget year funding in order to facilitate more effective budget planning for all concerned.
While I favor granting the county special services districts additional funds, I believe it would be inequitable to fully fund these districts through a supplemental appropriation of $1,510,000 when other school districts did not receive full funding. This bill originally provided for a supplemental appropriation of $750,000. I believe that amount is the most appropriate since it would provide county special services districts with approximately 96 percent funding. Therefore, county special services districts and other school districts will have received similar treatment.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 1, Section 1, Line 4: Delete "$1,510,000" insert "$750,000"
Page 1, Section 1, Line 6A: Delete "$1,510,000" insert "$750,000"
Page 1, Section 1, Line 8: Delete "$1,510,000" insert "$750,000"

Respectfully,
Thomas H. Kean
Governor

CHAPTER 37
AN ACT concerning the sale and distribution of cigarettes, amending and supplementing P.L. 1948, c. 65 and amending P.L. 1952, c. 247.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 202 of P.L. 1948, c. 65 (C. 54:40A-4) is amended to read as follows:
   C. 54:40A-4 Issuance of license; fee.
   202. Issuance of license; fee.
   a. All licenses shall be issued by the director, who shall make rules and regulations respecting applications therefor and issuance thereof.
b. The following individuals related to distributors, wholesale dealers, retail dealers operating more than nine cigarette vending machines, and retail dealers who sell cigarettes at retail at more than nine premises shall submit with applications for a license, fingerprints, which shall be processed through the Federal Bureau of Investigation and the New Jersey State Police, and such other information as the director may require:

(1) Individuals having any interest whatsoever in a proprietorship or company.

(2) Partners of a partnership, regardless of percentage.

(3) Joint venturers in a joint venture.

(4) Officers, directors, and all stockholders holding directly or indirectly a beneficial interest in more than 5% of the outstanding shares of a corporation.

(5) Employees receiving in excess of $30,000.00 per annum compensation whether as salary, commission, bonus or otherwise and persons who, in the judgment of the director are employed in a supervisory capacity or have the power to make or substantially affect discretionary business judgments of the applicant entity with regard to the cigarette business.

(6) Other persons who the director establishes have the ability to control the applicant entity through any means including but not limited to, contracts, loans, mortgages or pledges of securities where such control is inimical to the policies of this act because such person is a career offender or a member of a career offender cartel as defined in paragraph (2) of subsection e. of this section. Individuals licensed pursuant to the “Casino Control Act,” P.L. 1977, c. 110 (C. 5:12-1 et seq.) shall only be required to produce evidence of said licensure in satisfaction of the foregoing.

The provisions in this subsection as to wholesale dealers, retail dealers operating more than nine cigarette vending machines, and retail dealers who sell cigarettes at retail at more than nine premises do not apply to retail grocery stores and supermarkets primarily engaged in the self-service sale of foods and household supplies for off-premises consumption or to restaurants, hotels and motels operated by national corporations with such premises in six or more states and primarily engaged in the sale of foods for retail consumption or in the rental of rooms for lodging.

c. The director shall not issue any license under this act where
he has reasonable cause to believe that anyone required to submit information under this act has willfully withheld information requested of him for the purpose of determining the eligibility of the applicant to receive a license or where the director has reasonable cause to believe that information submitted in the application is false and misleading and is not made in good faith.

d. The director shall not issue any license under this act where he has reasonable cause to believe that anyone required to be licensed or anyone required to submit information under this act, has been convicted of any offense in any jurisdiction which would be at the time of conviction a crime involving moral turpitude.

It is further provided that any applicant or person required to submit information who has a charge pending pursuant to any of the foregoing shall disclose that fact to the director. The director may then withhold action on new applications or, in the case of an application for the renewal of a license, issue a temporary license until there has been a disposition of the charge. The director shall have the discretion to waive the prohibition against licensure herein provided upon the presentation of proof that a period of not less than five years has elapsed since the last conviction or the expiration of any period of incarceration imposed with respect thereto.

e. The director shall not issue any license where the applicant or anyone required to submit information has been identified as a career offender or a member of a career offender cartel in such a manner as to create a reasonable belief that the association is of such a nature as to be inimical to the policies of this act or to the taxation, distribution, and sale of cigarettes within the State. The director may request the Attorney General for advice respecting whether a person is a “career offender” within the meaning of this subsection, or is a “contumacious defiant” within the meaning of subsection f. of this section.

(1) As used in this subsection: “career offender” means any person whose behavior is pursued in an occupational manner or context for the purpose of economic gain, utilizing such methods as are deemed criminal violations of the public policy of this State; and (2) “career offender cartel” means any group of persons who operate together as career offenders.

f. The director shall not issue any license where the applicant or anyone required to submit information has been found to be contumaciously defiant before any legislative investigative body or other
official investigative body of this State or of the United States when such body is engaged in the investigation of organized crime, official corruption or the cigarette industry itself.

g. Each such license shall lapse on March 31 of the period for which it is issued, and each such license shall be continued annually upon the conditions that the licensee shall have paid the required fee and complied with all the provisions of this act and the rules and regulations of the director made pursuant thereto.

h. For each license issued to a distributor there shall be paid to the director a fee of $350.00. If a distributor sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license, or certificate, thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director. The director shall require each licensed distributor to file with him a bond in an amount not less than $6,000.00 to guarantee the proper performance of his duties and the discharge of his liabilities under this act. The bond shall be executed by such licensed distributor as principal, and by a corporation approved by the director and duly authorized to engage in business as a surety company in the State of New Jersey, as surety. The bond shall run concurrently with the distributor's license.

For each license issued to a manufacturer, and for each continuance thereof, there shall be paid to the director a fee of $10.00.

For each license issued to a manufacturer's representative, and for each continuance thereof, there shall be paid to the director a fee of $5.00.

For each license issued to a wholesale dealer there shall be paid to the director a fee of $250.00. If a wholesale dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

For each license issued to a retail dealer and for each continuance thereof, excepting a retail dealer operating a cigarette vending machine, there shall be paid to the director a fee of $5.00. For each license issued to a retail dealer operating a vending machine for the
sale of cigarettes and for each continuance thereof, there shall be paid to the director a fee of $5.00. If a retail dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, or whether in the same building or not, a separate license shall be required for each place of business. Each vending machine for the sale of cigarettes shall be separately licensed and be deemed a separate place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

Any person licensed only as a distributor or as a manufacturer or as a manufacturer's representative or as a wholesale dealer or as a retail dealer shall not operate in any other capacity except under that for which he is licensed herein, unless the appropriate license or licenses therefor are first secured.

For each license issued to a consumer and for each continuance thereof there shall be paid to the director a fee of $1.00. Each license, or certificate thereof, or such other evidence of license as may be prescribed by the director, shall be so kept by the consumer as to be readily available for inspection.

No license shall be issued to any person except upon the payment of the full fee therefor, any statute or exemption to the contrary notwithstanding. No license shall be assignable or transferable, except as hereinafter provided, but in the case of death, bankruptcy, receivership, or incompetency of the licensee, or if for any other reason whatsoever the business of the licensee shall devolve upon another by operation of law, the director may, in his discretion, extend said license for a limited time to the executor, administrator, trustee, receiver, or person upon whom the same has devolved. A purchaser or assignee of a licensed wholesaler or licensed distributor, or any other person upon whom the business of a licensed wholesaler or licensed distributor shall devolve by operation of law, shall upon application to the director, be entitled to an assignment or transfer of the wholesale or distributor license for the balance of the existing license period upon payment of a transfer fee of $5.00 and subject to his qualification to be a licensed wholesaler or licensed distributor under the provisions of this act. The license issued for each vending machine for the sale of cigarettes may be transferred from machine to machine in the same ownership. No refund of the license fee shall be paid to any person upon the surrender or revocation of any license except a license fee paid or collected in error. But, upon payment
of $1.00 fee, there may be obtained (1) a duplicate license, or certificate thereof, in the event the original is lost, destroyed or defaced, and (2) an amended license, or certificate thereof, upon a change in the location of the place of business of any distributor or dealer.

2. Section 401 of P.L. 1948, c. 65 (C. 54:40A-11) is amended to read as follows:

C. 54:40A-11 Director to provide revenue stamps.

401. Director to provide revenue stamps. The taxes imposed and levied by this act shall be paid through the use of stamps, except as provided in section 205 (Consumers) of this act. The director shall secure stamps of such designs and denominations as he shall prescribe, suitable to be affixed to packages, and provide for the sale thereof to licensed distributors. Only licensed distributors shall affix and cancel stamps and no distributor shall affix or cancel any stamp except at the tax rate in effect on the date of such affixing or cancellation; except that on the effective date of a tax rate increase or of a surtax or of an increase in a surtax, imposed under this act, licensed distributors and wholesale dealers must take a physical inventory of cigarettes on hand at the close of business prior to the date of the tax increase or surtax or surtax increase imposed under this act and must pay any additional tax for all cigarettes bearing stamps at the rate in effect prior to the tax increase. The director shall prescribe the method of collecting the additional tax. The director shall not authorize any person to sell revenue stamps except his duly constituted agents and assistants. On sales of revenue stamps the director shall allow, as compensation for the services and expenses of the distributor in affixing and handling of such stamps, a discount of 1.80% of the face amount of any sale of 1,000 stamps or more; provided, that the distributor has complied with all the provisions of this act, and provided, however, that the director shall be empowered to adjust such discount whenever an increase in the surtax is required under section 4 of P.L. 1982, c. 40 (C. 54:40A-8.2); and, provided, further, however, that the director shall be empowered to adjust such discount to provide equivalent compensation with respect to the face value of each 1,000 stamps or more required for packages of cigarettes which contain 25 cigarettes. No discount shall be allowed on any sale of less than 1,000 stamps and stamps shall not be sold in blocks of less than 100 stamps.

C. 54:40A-11.1 Cost study.

3. (New section) Within six months following the effective date of this 1987 amendatory and supplementary act and not less than
every two years thereafter, the director shall conduct a study of the cost of stamping cigarettes in New Jersey. The results of each study shall be transmitted to the Governor and to the Legislature and may serve as the basis for any further modifications of the stamping discount, except insofar as the director is empowered to administratively adjust the discount pursuant to section 401 of P.L. 1948, c. 65 (C. 54:40A-11). Except for adjustments made by the director, no further modification of the stamping discount shall be permitted until the first cost study required by this section is completed.

In conducting this study, the licensed cigarette distributors of the State of New Jersey shall provide the director access to their books and records so that the director has all information necessary to accurately calculate the distributors’ cost of stamping a unit of cigarettes. The distributors’ projected cost shall also be considered for the purposes of this study.

4. Section 3 of P.L. 1952, c. 247 (C. 56:7-20) is amended to read as follows:

C. 56:7-20 Violations.
3. It shall be unlawful and a violation of this act:

   (1) to advertise, offer to sell, or sell, at retail or wholesale, cigarettes at less than cost to such retailer or wholesaler, as the case may be,
   (2) to offer a rebate in price, to give a rebate in price, to offer a concession of any kind, or to give a concession of any kind or nature whatsoever in connection with the sale of cigarettes;

b. For any retailer—
   (1) to induce or attempt to induce or to procure or attempt to procure the purchase of cigarettes at a price less than “cost to wholesaler” as defined in this act.
   (2) to induce or attempt to induce or to procure or attempt to procure any rebate or concession of any kind or nature whatsoever in connection with the purchase of cigarettes.

c. Any retailer or wholesaler who violates the provisions of this section is a disorderly person and shall be prosecuted and punished by a fine of not more than $1,000.00 for each offense, in accordance with the provisions of Title 2C of the New Jersey Statutes.
d. Evidence of advertisement, offering to sell or sale of cigarettes by any retailer, or wholesaler at less than cost to him, or evidence of any offer of a rebate in price or the giving of a rebate in price or an offer of a concession or the giving of a concession of any kind or nature whatsoever in connection with the sale of cigarettes or the inducing or attempt to induce or the procuring or the attempt to procure the purchase of cigarettes at a price less than cost to the wholesaler or the retailer shall be prima facie evidence of intent to injure competitors and to destroy or substantially lessen competition.

5. Section 16 of P.L. 1952, c. 247 (C. 56:7-33) is amended to read as follows:

C. 56:7-33 Suspension, revocation of license.

No such license or licenses shall be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by said director. If the director finds that an offender has been guilty of willful and persistent violations, he may revoke said person's license or licenses.

b. Any person whose license or licenses have been so revoked may apply to the director at the expiration of one year for a reinstatement of his license or licenses. Such license or licenses may be reinstated by the director if it shall appear to the satisfaction of said director that the licensee will comply with the provisions of this act and the rules and regulations promulgated thereunder.

6. This act shall take effect July 1, 1987 and the amendment to section 401 of P.L. 1948, c. 65 (C. 54:40A-11) with respect to the discount rate permitted on the sale of revenue stamps shall apply to stamps sold on or after that date.

CHAPTER 41

AN ACT creating a commission to study the feasibility of establishing a railroad and transportation museum in New Jersey and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and determines that:

a. New Jersey has had a long and fruitful history of railroad activity dating back to the granting of a charter by the Legislature to the Camden and Amboy Railroad and Transportation Company in 1830 for the operation of the State's first commercial railroad.
b. New Jersey was a leader in the development and production of railroad equipment, beginning in 1825 with the introduction of the "Steam Waggon," the nation's first locomotive, built by Colonel John Stevens, and continuing throughout the nineteenth century, particularly in the city of Paterson, with the production of quality locomotives known throughout the world.

c. Colonel John Stevens startled and pleased New Jersey legislators and other invited guests on November 12, 1831, in Bordentown, the day his new locomotive the "John Bull" took its first trip.

d. The city of Paterson, which won the State's second railroad charter on January 21, 1831 for the Paterson and Hudson Railroad that eventually extended to Jersey City, opened the first section of the railroad by June 1832 between Paterson and Passaic, at which time three double-decker cars, carrying 30 passengers apiece, made the four-mile trip in 15 minutes.

e. The New Jersey Railroad and Transportation Co. was chartered March 7, 1832, becoming New Jersey's third chartered railroad company running to New Brunswick by way of Newark, Elizabethtown and Rahway.

f. During the 1830's, in the mountains of Essex and Morris and on the plains of Union and Somerset, visionaries persevered to build the Elizabethtown and Somerville Railroad.

g. A battle for power between the various railroads during the nineteenth century led to some of the State's most intriguing railroad "wars"—the Jersey Central's "Garbage War" with Jersey City, the "Frog War" at Hopewell in Mercer County and the "Tunnel War" that occurred in the Meadows.

h. The Belvidere-Delaware Railroad, a railroad which reached Belvidere in 1854 extending from Trenton, was affectionately called the "Bel-Del" by people residing along the banks of the Delaware River who were particularly proud of the railroad shops in Lambertville, where in 1851 a locomotive, the "Warren," was built.

i. Many small railroads, including the Bel-Del, the Sussex, the Newark and Bloomfield, the Northern and the New Jersey and New York, served their communities well prior to being absorbed by larger railroad lines.

j. The engineering world marvelled at the ability of the New Jersey railroads to build in a straight line by leveling mountains and tunneling through rock and riverbed as was evidenced by the Lehigh
Valley burrowing through Musconetcong Mountain, the Lackawanna piercing Bergen Hill west of Hoboken in the 1870's, and the West Shore slicing through the flinty rock of Bergen Hill at Weehawken to create a 4,225-foot tunnel in 1881.

k. New Jersey's greatest railroad engineering feat was the creation of the Lackawanna's Cut-Off from Lake Hopatcong to Delaware Water Gap, a 28-mile Cut-Off started in August 1908, and finished in December 1911 at a cost of $10,000,000.00, which required 6,000,000 pounds of dynamite, 6,625,000 cubic yards of fill, 4,500,000 cubic yards of earth borrowed from surrounding farms and which included the Pequest Valley fill—fully three miles long and unprecedented in massiveness for a single piece of work at a given point.

l. Safety on the railroads was fostered by the introduction of an automatic semaphore, which was first used in 1893 near Phillipsburg.

m. Other great railroads founded to provide basic transportation, such as the New York and Long Branch Railroad and the Central Railroad of New Jersey, now serve to transport thousands of commuters on a daily basis enabling the citizens of our State to reside and work in the locations that they desire.

n. Many forms of transportation, including buses, subways, and trolleys, have played a vital role in the social and cultural history of New Jersey.

o. Railroads and other modes of transportation have also played a major and significant role in the economic development of this State and in the movement of passenger and freight traffic.

p. It is appropriate to create a commission to investigate the feasibility of establishing a railroad and transportation museum in New Jersey so that our transportation history receives appropriate public recognition, together with any incidental benefits that may accrue to the State through the augmentation of tourism encouraged by the establishment of a railroad and transportation museum.

2. There is created a commission to be known as the New Jersey Railroad and Transportation Museum Study Commission with a membership of 11 members. The commission shall consist of:

a. Two members of the Senate to be appointed by the President thereof, no more than one of whom shall be of the same political party, and two members of the General Assembly to be appointed by the Speaker thereof, no more than one of whom shall be of the
same political party, who shall serve only as long as they are members of that House.

b. One representative from the Department of Transportation to be appointed by the commissioner thereof, one representative from the Department of Commerce and Economic Development to be appointed by the commissioner thereof, one representative of the Department of Environmental Protection to be appointed by the commissioner thereof, and one representative of the New Jersey Transit Corporation to be appointed by the executive director thereof.

c. Three public members, to be appointed by the Governor, who shall be chosen from among persons who are affiliated with railroad or other transportation historical organizations in New Jersey or who have knowledge of or individual experience with New Jersey railroad or other transportation history.

All appointments shall be made within 60 days of the effective date of this act. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made. Members of the commission shall serve without compensation for performing their duties as members, but the commission may, within the limits of funds appropriated or otherwise made available therefor, reimburse members for the actual expenses necessarily incurred in the performance of their duties.

3. The commission shall organize within 30 days after the appointment of its members and shall select a chairman from among its members and a secretary who need not be a member of the commission.

4. It shall be the duty of the commission to study the feasibility of establishing a railroad and transportation museum in New Jersey. In conducting the study, the commission shall address such issues as, but not limited to, the possible location of a railroad and transportation museum, the costs associated with creating and operating a museum, and potential sources and types of financial support.

5. The commission shall be entitled to call to its assistance and avail itself of the services and assistance of such officials and employees of the State and its political subdivisions and their departments, boards, bureaus, commissions and agencies as it may require and as may be available to it for its purposes and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to
perform its duties, and may expend any funds as may be appropriated or otherwise made available to it for the purposes of its study. The Departments of Transportation, Commerce and Economic Development, and Environmental Protection, and the New Jersey Transit Corporation shall provide whatever staff assistance as the commission may request.

6. The commission may meet and hold hearings at any place or places as it shall designate during the sessions or recesses of the Legislature. The commission shall report its findings, conclusions and recommendations to the Governor and the Legislature as soon as practicable but not later than 12 months after the effective date of this act, accompanying them with any legislative bills which it may desire to recommend for adoption by the Legislature.

7. There is appropriated $10,000.00 to the commission from the General Fund to effectuate the purposes of this act.

8. This act shall take effect immediately and shall expire on the last day of the 12th month following enactment.

CHAPTER 42

1. All proceedings heretofore had or taken by any school district or at any school election for the authorization or issuance of bonds of the school district issued or to be issued in pursuance of any proposal adopted by the legal voters at such election, are hereby ratified, validated and confirmed, notwithstanding that notices to persons desiring Military Service Ballots and Civilian Absentee Ballots were not published in accordance with the requirements of N.J.S. 18A:14-25 and were not published in accordance with the requirements of section 7 of the “Absentee Voting Law (1953),” P.L. 1953, c. 211 (C. 19:57-7); and notwithstanding that the notices to persons desiring Military Service and Civilian Absentee Ballots fail
to indicate which school district will be conducting the special school election as required by the provisions of section 7 of the "Absentee Voting Law (1953)," P.L. 1953, c. 211 (C. 19:57-7); and notwithstanding that in addition, the notice for the Military Service Ballot was a classified advertisement rather than a display advertisement as required by the provisions of section 7 of the "Absentee Voting Law (1953)," P.L. 1953, c. 211 (C. 19:57-7); provided, however, that no action, suit or other proceeding has heretofore been instituted prior to the date on which this act takes effect and within the time fixed therefor by or pursuant to law or rule of court, or when such time has not heretofore expired, is instituted within 30 days after the effective date of this act.

2. This act shall take effect immediately.

CHAPTER 43

AN ACT concerning membership in the Police and Firemen's Retirement System of New Jersey and supplementing P.L. 1944, c. 255 (C. 43:16A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Any member of a county pension fund or retirement system employed in a position making the member eligible for membership in the Police and Firemen's Retirement System who was prohibited from enrolling in that system because the member's age exceeded the maximum age limit prescribed for membership at the time the member would have otherwise been eligible for membership, may transfer to the Police and Firemen's Retirement System by waiving all rights and benefits which would otherwise be provided by the county fund or retirement system. The waiver shall be accomplished by filing a form satisfactory to the Division of Pensions within 90 days following the effective date of this act. In the absence of a timely filing of a waiver, the pension status of a person eligible to transfer under this act shall remain unchanged.

2. Within 120 days following the effective date of this act, the county pension fund or retirement system shall remit to the Police and Firemen's Retirement System all accumulated deductions stand-
ing to the credit of a transferred member. Within 180 days following
the effective date of this act, the county pension fund or retirement
system shall remit an amount equal to the reserve which would have
been established for the member in the Public Employees’ Retire-
ment System, less the amount of employee contributions remitted,
based upon the transferred service credit and the salary at the time
of transfer, as determined by the actuary for that system. The em-
ployer and the county pension fund or retirement system shall
provide the actuary with all of the information necessary to de-
termine the amount of the reserve. The Police and Firemen’s Retire-
ment System shall enter the respective sums so remitted to the credit
of the member in the annuity savings fund and to the credit of the
employer in the pension accumulation fund. Interest at the rate of
6% shall be added to the employer’s obligations if the moneys are

CHAPTER 44

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. N.J.S. 18A:14-6 is amended to read as follows:

Election officers.

18A:14-6. Each board of education shall, at its regular January
meeting, if paper ballots are used in election in the district, or at

fixed for the next annual school election, if voting machines are used
in elections in the district, appoint a judge of elections, an inspector
of elections, and two clerks of elections for each polling district
therein, and may appoint additional clerks for any polling district,
not exceeding one for every two signature copy registers used therein,
to act as election officers, and shall notify them accordingly. They
shall be appointed from the qualified voters of the State if qualified
voters of the district are not available, who are not members or
employees of the board of education and who do not intend to stand
as candidates for any office of the school district during the ensuing
year, and in school districts in which voting machines will be used during the ensuing year they shall be chosen, as far as practicable, from the members of the district boards of election in office in the municipality or municipalities comprising the school district.

2. This act shall take effect immediately.

CHAPTER 45

An Act concerning acts of graffiti and supplementing chapter 153 of Title 2A of the New Jersey Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. The governing body of any municipality may, by ordinance, provide for the offering of rewards not exceeding $500.00 each, for the detection and apprehension of any person guilty of purposely or knowingly damaging tangible property of another by an act of graffiti in violation of N.J.S. 2C:17-3. A reward is to be payable after conviction out of those funds of the municipality made available therefor. The reward shall be paid to any person who the governing body, acting upon the recommendation of the municipal chief of police or other principal municipal law enforcement officer, may deem entitled thereto, but no reward shall be paid to any public employee whose duty it is to investigate or to enforce the law or to the employee's spouse, child or parent, living in the same household.

For the purposes of this act, "act of graffiti" means the drawing, painting or the making of any inscription on a bridge, building, public transportation vehicle, rock, wall, sidewalk, street or other exposed surface on public or private property without the permission of the owner.

2. This act shall take effect immediately.

CHAPTER 46, LAWS OF 1987

CHAPTER 46

AN ACT concerning proof of compulsory motor vehicle insurance coverage and amending P.L. 1972, c. 197.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L. 1972, c. 197 (C. 39:6B-2) is amended to read as follows:

C. 39:6B-2 Penalties for no motor vehicle insurance coverage.

2. Any owner, or registrant of a motor vehicle registered or principally garaged in this State who operates or causes to be operated a motor vehicle upon any public road or highway in this State without motor vehicle liability insurance coverage required by this act, and any operator who operates or causes a motor vehicle to be operated and who knows or should know from the attendant circumstances that the motor vehicle is without motor vehicle liability insurance coverage required by this act shall be subject, for the first offense, to a fine of not less than $100.00 nor more than $300.00 or imprisonment for a term of not less than 30 days nor more than three months or both, in the discretion of the municipal judge, and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of six months from the date of conviction. Upon subsequent conviction, he shall be subject to a fine of not less than $250.00 nor more than $500.00 and may be subject to imprisonment for a term of not less than three months nor more than six months in the discretion of the municipal judge and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall forfeit his right to operate a motor vehicle for a period of two years from the date of his conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director. The director's discretion shall be based upon an assessment of the likelihood that the individual will operate or cause a motor vehicle to be operated in the future without the insurance coverage required by this act. A complaint for violation of this act may be made to a municipal court at any time within six months after the date of the alleged offense.

Failure to produce at the time of trial an insurance identification card or an insurance policy which was in force for the time of oper-
ation for which the offense is charged, creates a rebuttable presumption that the person was uninsured when charged with a violation of this section.

2. This act shall take effect immediately and shall apply to offenses occurring on or after the effective date.

CHAPTER 47

AN ACT concerning certain costs incurred in the training and hiring of county and municipal police officers and supplementing chapter 14 of Title 40A of the New Jersey Statutes.

Whenever a person who resigned as a member of a county or municipal police department is appointed to the police department of another county or municipality within 120 days of resignation, and that person, at the time of resignation held a permanent appointment for more than 30 days but less than two years, the county or municipality appointing the person is liable to the former county or municipal employer, as appropriate, for one-half of the total certified costs incurred by the former employer in the examination, hiring and training of that person.

2. This act shall take effect immediately.

CHAPTER 48

AN ACT to amend the "Local Public Contracts Law," approved June 9, 1971 (P.L. 1971, c. 198).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 16 of P.L. 1971, c. 198 (C. 40A:11-16) is amended to read as follows:

C. 40A:11-16 Separate plans for various types of work; bids; contracts.
16. Separate plans for various types of work; bids; contracts.

In the preparation of plans and specifications for the erection, alteration or repair of any public building by any contracting unit, when the entire cost of the work will exceed the amount set forth in, or the amount calculated by the Governor pursuant to, section 3 of P.L. 1971, c. 198 (C. 40A:11-3), the architect, engineer or other person preparing the plans and specifications may prepare separate plans and specifications for

(1) The plumbing and gas fitting and all kindred work;
(2) Steam power plants, steam and hot water heating and ventilating apparatus and all kindred work;
(3) Electrical work;
(4) Structural steel and ornamental iron work; and
(5) All other work required for the completion of the project.

The contracting unit or its contracting agent shall advertise for and receive, in the manner provided by law, either (a) separate bids for
each of said branches of work, or (b) bids for all the work and materials required to complete the building to be included in a single overall contract, or (c) both. There will be set forth in the bid the name or names of all subcontractors to whom the bidder will subcontract the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, each of which subcontractors shall be qualified in accordance with this act. The contracting unit shall require evidence of performance security to be submitted simultaneously with the list of the subcontractors. Evidence of performance security may be supplied by the bidder on behalf of himself and any or all subcontractors, or by each respective subcontractor, or by any combination thereof which results in evidence of performance security equalling, but in no event exceeding, the total amount bid.

Contracts shall be awarded to the lowest responsible bidder. In the event that a contract is advertised in accordance with (c) above said contract shall be awarded in the following manner: If the sum total of the amounts bid by the lowest responsible bidder for each branch is less than the amount bid by the lowest responsible bidder for all the work and materials, the contracting unit shall award separate contracts for each of such branches to the lowest responsible bidder therefor, but if the sum total of the amounts bid by the lowest responsible bidder for each branch is not less than the amount bid by the lowest responsible bidder for all the work and materials, the contracting unit shall award a single overall contract to the lowest responsible bidder for all of such work and materials. In every case in which a contract is awarded under (b) above, all payments required to be made under such contract for work and materials supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

2. Section 24 of P.L. 1971, c. 198 (C. 40A:11-24) is amended to read as follows:

C. 40A:11-24 Time for making awards; deposits returned.

24. Time for making awards; deposits returned. a. The contracting unit shall award the contract or reject all bids within such time as may be specified in the invitation to bid, but in no case more than 60 days, except that the bids of any bidders who consent thereto may, at the request of the contracting unit, be held for consideration for
such longer period as may be agreed. All bid security, except the security of the three apparent lowest responsible bidders, shall be returned, unless otherwise requested by the bidder, within 10 days after the opening of the bids, Sundays and holidays excepted, and the bids of such bidders shall be considered as withdrawn. Within three days, Sundays and holidays excepted, after the awarding and signing of the contract and the approval of the contractor's performance bond, the bid security of the remaining unsuccessful bidders shall be returned to them.

b. The contract shall be signed by all parties within the time limit set forth in the specifications, which shall not exceed 21 days, Sundays and holidays excepted, after the making of the award; provided, however, that all parties to the contract may agree to extend the limit set forth in the specifications beyond the 21 day limit required in this subsection. The contractor, upon written request to the contracting unit, is entitled to receive, within seven days of the request, an authorization to proceed pursuant to the terms of the contract on the date set forth in the contract for work to commence, or, if no date is set forth in the contract, upon receipt of authorization. If for any reason the contract is not awarded and the bidders have paid for or paid a deposit for the plans and specifications to the contracting unit, the payment or deposit shall immediately be returned to the bidders when the plans and specifications are returned in reasonable condition within 90 days of notice that the contract has not been awarded.

3. This act shall take effect immediately.

CHAPTER 49

AN ACT concerning the care of newborn children.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 26:2H-12.6 Care of newborn children.

1. The governing body of a health care facility licensed in this State pursuant to P.L. 1971, c. 136 (C. 26:2H-1 et seq.) which provides health care services to newborn children shall adopt policies
and procedures which ensure that newborn children, including new-
born handicapped children, receive a level of nourishment and medi-
cal care consistent with accepted medical standards.

If a federal statute or regulation requires that the State submit
its regulations and policy to the federal government for approval in
order to qualify for federal funding, then the State Department of
Health shall so comply.

2. This act shall take effect immediately.

CHAPTER 50

AN ACT to establish a Neighborhood Housing Services Grant Fund
in the Department of Community Affairs and making an ap-
propriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. This act shall be known and may be cited as the “Neigh-
borhood Housing Services Grant Fund Act.”

C. 52:27D-367 Findings.

2. The Legislature finds that:

a. A substantial number of housing units in New Jersey are in
deteriorating condition, many residents are living in dwelling units
which do not conform to applicable local codes and ordinances that
are intended to ensure the health and safety of the occupants, and
this condition impedes the development and conservation of healthy,
safe, and viable communities in this State;

b. The rehabilitation of suitable housing will increase its econ-
omic life, is more economical and less disruptive than replacement
of the housing and the relocation of its occupants, can better promote
community development when conducted through organized housing
rehabilitation programs, and is essential to promote sound communi-
ity development in this State;

c. The amount of public resources currently available or likely
to be available for the rehabilitation and maintenance of marginal
or substandard residential units is grossly inadequate and if significant progress is to be made in reducing or eliminating the stock of substandard housing in this State, it is imperative that the resources of the private sector be utilized to their best effect;

d. A partnership of State and local public agencies with private residential financing institutions to coordinate and optimize their respective efforts is critical to any serious attempt to conserve and protect existing housing, and, in this regard, the neighborhood housing services program of the Neighborhood Reinvestment Corporation has distinguished itself as a highly effective mechanism for rehabilitating housing and revitalizing declining neighborhoods by combining both public and private resources; and

e. The creation and expansion of neighborhood housing services programs within New Jersey hold the promise of improving the quality of life in those neighborhoods beset with problems associated with substandard housing and can serve as a model of an effective and innovative approach to a remedy, which has traditionally been viewed as the exclusive responsibility of the public sector, and by so improving the quality of life throughout New Jersey and forging new methods of public-private cooperation will serve the interests of all of the citizens of this State.

C. 52:27D-369 Definitions.

C. 52:27D-374 Limitation on grants.

9. Each neighborhood housing services corporation or umbrella corporation which fulfills the qualifications set forth in section 8 of this act may apply for a grant in an amount not to exceed one-third of its annual operating budget or $50,000.00 for each neighborhood housing services program, whichever is less.

C. 52:27D-377 Inspections by commissioner.

12. The commissioner shall be entitled to make inspections of any housing rehabilitation project funded pursuant to this act, to request and secure the submission of certifications, maps, documents, and other information by the municipality or the appropriate corporation, to audit and examine any books and records of the corporation and the political subdivisions which contribute to the corporation's annual operating budget, and to require such periodic reports as shall be necessary to ascertain the progress of any housing rehabilitation project assisted with a loan pursuant to this act and the extent of compliance with the contract for these loans.

13. In the event of any default in connection with the terms and provisions of any contract to which the corporation and a residential borrower are party, the corporation shall not take any steps it may otherwise be entitled to take, until it has first notified the residential borrower and provided a reasonable opportunity, in light of the nature of the default and the available means to correct it to cure the same; but in any case shall allow not less than 30 days for that purpose. After this time, the corporation may institute any action or proceeding against any residential borrower who is in default on a housing rehabilitation loan in any court of competent jurisdiction.

C. 52:27D-379 Additional funding.

14. The commissioner may seek, receive and make use of any funds which may be available from federal or other sources in order to augment any State funds appropriated for the purposes of this act, and shall make every effort to qualify the program for federal funding.

16. a. There is appropriated from the General Fund to the Neighborhood Housing Services Grant Fund the sum of $200,000.00 to effectuate the purposes of this act.

1. There is appropriated from the General Fund to the Department of the Treasury the sum of $1,700,000.00. This appropriation shall be deposited in a separate, dedicated, non-lapsing account within the State Treasury to be known as the Salem Municipal Port Authority Assistance Fund.

2. The State Treasurer shall have custody of the Salem Municipal Port Authority Assistance Fund and is authorized to invest the assets of the fund in direct obligations of the United States government or obligations guaranteed by the United States government or in the State of New Jersey Cash Management Fund. Earnings from the investments held in the Salem Municipal Port Authority Assistance Fund shall accrue to the fund and shall be deposited therein.

3. There shall be annually appropriated from the fund an amount, not to exceed $120,000.00, to assist the City of Salem Municipal Port Authority to make timely payments of the principal of and interest payable within that year on the debt issued by the authority and known as the “City of Salem Municipal Port Authority Port Development Bond Series of 1985,” and such other amounts as may be required for reasonable expenses associated with the administration of the fund.

4. The amount annually appropriated for assistance to the authority shall be paid to the authority in full or in part, only on such terms and conditions as the State Treasurer shall specify and as shall be set forth in a written agreement between the State Treasurer and the authority as to each annual payment. The terms and conditions may include provision for repayment to the General
Fund, with or without interest. In addition, the agreement may require actions to be taken to promote the continued economic viability of the City of Salem Municipal Port, including, without limitation: the employment of competent management; managerial and operational reforms as might be recommended by independent financial, managerial and operational consultants; and a significant financial involvement of the City of Salem in the port's revitalization by a matching appropriation by the City of Salem.

5. The authority shall annually certify to the State Treasurer, on or before December 31, the outstanding indebtedness under the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," until this indebtedness is entirely discharged. The Salem Municipal Port Authority Assistance Fund shall cease to exist and any amount remaining therein shall be returned to the General Fund upon certification that the indebtedness is entirely discharged or upon the ceasing of operation of the Salem Port by the City of Salem Municipal Port Authority.

6. There is appropriated from the Salem Municipal Port Authority Assistance Fund, established by section 1 of this act, $120,000.00 to the Department of the Treasury for the initial annual payment to assist the City of Salem Municipal Port Authority to make timely payments of the principal of and interest payable within 1987 on the debt issued by the authority and known as the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," and such other amounts as may be required for reasonable expenses associated with administration of the fund. The State Treasurer shall specify the terms and conditions under which any or all of this appropriation shall be paid to the authority, as provided in section 4 of this act.

7. Nothing in this act shall be construed as creating or constituting any indebtedness, liability or obligation of the State to the holders of the bonds issued by the authority and entitled the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," or being or constituting a pledge of the faith and credit of the State.

8. This act shall take effect immediately.

CHAPTER 54

AN ACT establishing “The New Jersey Alternative Procedure for Dispute Resolution Act” and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 2A:23A-1 Short title.
   1. This act shall be known and may be cited as “The New Jersey Alternative Procedure for Dispute Resolution Act.”

C. 2A:23A-2 Contracts to submit; enforcement of submission; waiver of appeal.
   2. a. Any provision in a written contract whereby the parties agree to settle by means of alternative resolution, as provided in this act, (1) any controversy that may arise from the contract or from a refusal to perform the contract or (2) any written agreement whereby the parties to an existing controversy agree to use alternative resolution as provided in this act, whether the controversy arose out
of a contract or otherwise, is valid, enforceable and irrevocable, except upon such grounds as exist at law or in equity for the revocation of a contract. In order for the provisions of this act to be applicable, it shall be sufficient that the parties signify their intention to resolve their dispute by reference in the agreement to "The New Jersey Alternative Procedure for Dispute Resolution Act" (P.L. 1987, c. 54; C. 2A:23A-1 et seq.).

b. Any contract provision or agreement described in subsection a. of this section shall be construed as an implied consent by the parties to the jurisdiction of the Superior Court to enforce that provision or agreement pursuant to the provisions set forth in this act and to enter judgment thereon. The contract provision or agreement shall constitute a waiver by the parties of the right to trial by jury and to appeal or review, except as specifically provided for in this act.

C. 2A:23A-3 Coordinated alternative dispute resolution, court proceedings.

3. a. When parties have agreed to alternative resolution proceedings under separate agreements under this act, and the claims to be resolved may involve evidence, witnesses and testimony reasonably necessary to resolve issues and facts arising out of a related project or series of agreements, then these proceedings may be held in a consolidated alternative resolution proceeding. Whenever reasonably possible, the same umpire shall be designated to hear and determine these claims.

b. Whenever the claims to be resolved in an alternative resolution proceeding may involve evidence, witnesses and testimony reasonably necessary to resolve issues and facts arising out of a related project or series of agreements, which are the subject of litigation in any court of this State, the court may authorize consolidation of the alternative resolution proceeding and the court proceedings to advance expeditious use of court time; provided, however, that consolidation shall not be permitted to unduly delay the expeditious resolution of the alternative resolution proceedings provided for by this act.

c. The provisions of subsections a. and b. of this section shall be liberally construed to effectuate the remedial purpose of this act to provide for the expeditious resolution of disputes arising out of a related project or series of agreements.

C. 2A:23A-4 Demand for alternative resolution; action for order for alternative resolution.

4. a. Any party to an agreement which provides for alternative
resolution under this act shall institute a proceeding pursuant to that agreement by:

1. Giving written notice to all other parties of the party's demand for resolution, which notice shall set forth concisely the claims, and where appropriate the defenses, in dispute between the parties and the relief sought, including the amount of liquidated damages demanded, if any; and

2. Initiating the procedure for selecting the umpire or, if no procedure is provided in the agreement, by initiating a summary action as provided in this act to have an umpire appointed.

b. When a party is aggrieved by the failure, neglect or refusal of another to perform under a written agreement providing for alternative resolution that party may apply to the Superior Court for an order directing that alternative resolution proceed in the manner provided for in the agreement. The court shall proceed in a summary action to determine whether there has been an agreement in writing for alternative resolution or whether there has been a failure to comply with a demand for alternative resolution.

C. 2A:23A-5 Complete authority of umpire; Prima Paint rule.

5. a. Whenever an alternative resolution is properly demanded, the umpire designated therein shall have full jurisdiction to provide all relief and to determine all claims and disputes arising thereunder, including whether the particular issue or dispute is covered by the agreement for alternative resolution, and whether there was fraud in the inducement of the entire agreement which provides for alternative resolution; however, the umpire shall not have jurisdiction with regard to a claim that an alternative resolution clause was procured by fraud. Whenever possible, all requests for relief ancillary to the claims and disputes covered by the agreement for alternative resolution shall first be addressed to the umpire for determination.

b. There shall be no review of any intermediate ruling or determination made by the umpire during the course of alternative resolution proceedings, except as provided in this act. An appeal from a final award decision by the umpire may be obtained only as provided in section 13 of this act.

C. 2A:23A-6 Provisional remedies.

6. a. Whenever an umpire acts upon an application for relief in the nature of a civil provisional remedy under any applicable law, including the civil remedies of attachment, replevin, sequestration, and other corresponding or equivalent remedies, however designated
and regardless of whether the remedy is ancillary to an action or must be obtained by an independent action, the umpire shall have full authority to act thereon. Whenever any of these remedies are applied for during an alternative resolution proceeding, the umpire shall promptly rule on that application. Any determination reached before a final award shall be considered an intermediate ruling as provided for in subsection b. of section 5 of this act. Any party may apply at any time to the Superior Court or any other court of competent jurisdiction for an order enforcing the determination of the umpire directing relief in the nature of any of the provisional remedies provided for in this section. Whenever enforcement of an order is sought pursuant to this subsection, review of the validity of the order may be had by way of defense to enforcement.

b. Where reasonably required by the circumstances, a party may apply to the Superior Court or any other court of competent jurisdiction for an order granting any of the provisional remedies or other relief set forth in this section, before the umpire provided for in the agreement, or designated by the court, is authorized or able to act on the request for relief.

C. 2A:23A-7 Limited intermediate review.

7. a. In exceptional circumstances, to prevent a manifest denial of justice, or when it clearly appears that a party will suffer irreparable harm or that damages may not be reasonably calculated or, if capable of calculation, that they will not be collectible, a party who is aggrieved by any intermediate ruling, except intermediate rulings made pursuant to section 6 of this act, or the failure to rule by an umpire may move before the Superior Court for an expedited summary review under procedures adopted by the Supreme Court. The alternative resolution proceeding shall not be abated, stayed or delayed by the application for an intermediate review unless the umpire or the court, in exceptional cases or circumstances, so rules. The ruling on a summary intermediate review application by the court shall thereafter govern the parties in the alternative resolution proceeding, provided, however, that this ruling may be later modified or vacated by the umpire or the court where specific facts are thereafter determined that would make the continuance of the court ruling manifestly unfair, unjust or grossly inequitable. When it appears that resort to the court to review an intermediate ruling has been abused by any party, the court may award reasonable counsel fees without regard to the ultimate outcome of the alternative resolution proceeding.
b. The signature of an attorney or party to an intermediate appeal, or in opposition thereto, constitutes a certification by him:

(1) That he has read the pleadings and all supporting papers relating to the intermediate appeal;

(2) That to the best of his knowledge, information and belief, formed after reasonable inquiry, the appeal or opposition is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law; and

(3) That it is not interposed for any improper purpose, such as to cause unnecessary delay or a needless increase in the cost of litigation.

If such a pleading, application or other paper is filed in violation of this subsection, the court by summary review, upon motion by one of the parties or upon its own initiative, may impose upon the party causing the summary review, reasonable expenses, including a reasonable attorney's fee, incurred because of the filing of the pleading, application or other paper.

C. 2A:23A-8 Stay of court action for proceeding subject to alternative resolution.

8. In an action brought in any court upon an issue arising out of an agreement providing for alternative resolution under this act, the court, when satisfied that the issue involved is referable to alternative resolution, shall stay the action until the alternative resolution proceeding has been conducted in accordance with the terms of the agreement, unless the party seeking the stay is already in default.

9. a. An alternative resolution proceeding shall be conducted by a single umpire unless otherwise expressly provided for in the agreement. If the agreement designates a person or persons, the person or persons named shall conduct the proceeding. If a method is provided in the agreement for appointing one or more umpires to conduct the alternative resolution proceeding, it shall be followed; but, if no method is provided, or if a method is provided and a party fails to avail himself of that method, or if for other reasons there is a lapse in the naming of an umpire or in filling a vacancy, the Superior Court shall in a summary action appoint the umpire. Any umpire so appointed shall serve with the same powers as if specifically designated.
b. Unless otherwise provided for in the agreement, or set by the parties at the commencement of the proceeding, the court shall set the umpire's hourly fee.

c. An umpire is not competent to testify in any subsequent proceeding arising out of or related to an alternative resolution proceeding in which the umpire served, except for an action brought against the umpire pursuant to subsection d. of this section.

d. An umpire shall be immune from any claim for damages arising out of a proceeding in which the umpire served unless the award is overturned for the reasons set forth in paragraph (1) of subsection c. of section 13 of this act and there is a finding that the umpire participated in such wrongful conduct. Upon such a finding, a separate civil action or proceeding may be instituted against an umpire.

e. A finding that an umpire participated in wrongful conduct proscribed in paragraph (1) of subsection c. of section 13 of this act which results in the award being overturned, shall not be admissible as evidence in any subsequent action against the umpire, nor shall it establish any fact as a claim of res judicata. The wrongful conduct shall be proved de novo in any subsequent action or proceeding where the issue arises.

C. 2A:23A-10 Discovery.

10. a. Each party shall be entitled to discovery by way of oral deposition, including videotape deposition, inspection and copying of all relevant documents within the care, custody or control of a party or witness, and interrogatories when authorized by leave of the umpire. Except as provided herein, the rules of the Supreme Court governing discovery shall be applicable.

b. All discovery shall be completed within 60 days following receipt of the demand for alternative resolution or the entry of a final order compelling alternative resolution. The umpire shall have the authority to extend the time for completion of permitted discovery or to limit or terminate any permitted discovery upon application which can be heard in any suitable way, including telephone conference or on submitted papers. The decision of the umpire shall be subject to modification upon review by the Superior Court in a summary review as provided for by rules of the New Jersey Supreme Court when the umpire is shown to have improperly exceeded his discretion.

c. Reasonable production of documents at any oral deposition upon notice in lieu of subpoena given to a party may be required.
CHAPTER 54, LAWS OF 1987

d. A notice for inspection and copying of documents provided for in this act may require that the same shall be produced no sooner than 15 days after receipt of service. The cost of copying shall be paid by the party demanding the inspection.

C. 2A:23A-11 Hearing by umpire; witnesses; subpens; factual, legal contentions.

11. a. When more than one umpire is agreed upon, all the umpires shall sit at the hearing of the case, unless by written consent, all parties agree to a lesser number.

b. The umpire conducting an alternative resolution proceeding may require the attendance of any person as a witness and the production of any book or written instrument. The fees for the attendance shall be those allowed witnesses in a civil action.

c. Subpensas shall issue in the name of and be signed by the umpire, or if there is more than one umpire, by a majority of them, and shall be directed to the person therein named and served in the same manner as a subpena to testify before a court of record. If a person subpenaed to testify refuses or neglects to obey a subpena, the Superior Court, upon application, may compel his attendance before the umpire or hold the person in contempt as if the person had failed to respond to a subpena issued by the court.

d. In alternative resolution proceedings held under this act, parties shall not be bound by the statutory and common law rules of evidence, except as provided for conduct of contested cases under the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.); provided, however, that all statutes and common law rules relating to privilege shall remain in effect. In any case when no rule, procedure or practice applies to the offer of evidence or procedure to be adopted, the umpire shall proceed so that the informality of the proceedings is assured.

e. Each party to an alternative resolution proceeding shall submit to the umpire and his adversary a statement of the party’s factual and legal position with respect to the issues to be arbitrated, at a date fixed by the umpire to permit proper preparation for all hearings. The submitted statement shall govern, control and limit the facts and legal issues to be determined in the alternative resolution proceeding. Amended or supplemental legal and factual statements may be filed as permitted by the umpire where the same will not unduly prejudice the other party to the proceeding.

f. In an alternative resolution proceeding when the umpire is of the opinion that evidence by impartial experts would be of assistance,
CHAPTER 54, LAWS OF 1987 169

the umpire may direct that expert evidence be obtained. The fees and expenses of expert witnesses shall be paid by the parties as directed by the umpire.

g. Unless otherwise provided by the agreement for alternative resolution:

(1) The umpire shall appoint a time and place for the hearing and cause notification to the parties by personal service or by certified mail, with return receipt requested, not less than five days before the hearing. Appearance at the hearing waives the notice requirement. The umpire may adjourn the hearing from time to time as necessary and, on request of a party and for good cause, or upon their own motion, may postpone the hearing to a time not later than the date fixed by the agreement for making the award, unless the parties consent to a later date. The umpire may determine the controversy upon the evidence produced, notwithstanding the failure of a party duly notified to appear. The Superior Court, on application in any pending summary proceeding, may direct the umpire to proceed promptly with the hearing and determination of the controversy.

(2) The parties are entitled to be heard, to present evidence material to the controversy and to cross-examine witnesses appearing at the hearing.

(3) The hearing shall be conducted by all the umpires, but a majority may determine any question and render a final award. If, during the course of the hearing, an umpire for any reason ceases to act, the remaining umpires appointed to act may continue with the hearing and determination of the controversy.

C. 2A:23A-12 Determination in writing; application for modification of award by umpire; confirmation.

12. a. The award in an alternative resolution proceeding shall be in writing and acknowledged or proved in the same manner as a deed for the conveyance of real estate and delivered personally or by certified mail, return receipt requested, or as provided in the agreement to each party or his attorney who has appeared in the proceeding. The award shall state findings of all relevant material facts, and make all applicable determinations of law.

b. An award shall be made within the time fixed by the agreement for alternative resolution or, if not fixed, within such time as the Superior Court orders on application of a party. The parties or the Superior Court upon application and for good cause shown may
extend the time for making the award either before or after the expiration of that time. A party waives the right to object that an award was not made within the time required unless the party notifies the umpire of the party’s objection prior to the delivery of the award.

c. The power of the umpires may be exercised by a majority of them unless otherwise provided by the agreement for alternative resolution or by this act.

d. On written application of a party to the umpire within 20 days after delivery of the award to the applicant, the umpire may modify the award upon the grounds stated in subsection e. of section 13 of this act. Written notice of the application shall be given to other parties to the proceeding. Written objection to modification must be served on the umpire and other parties to the proceeding within 10 days of receipt of the notice. The umpire shall dispose of any application made under this section in writing, signed and acknowledged by him, within 30 days after either written objection to modification has been served or the time for serving an objection has expired, whichever is earlier. The parties may in writing extend the time for the disposition either before or after its expiration.

e. The umpire shall make the award on all issues submitted for alternative resolution in accordance with applicable principles of substantive law.

f. The court shall confirm an award upon application of a party made within one year after its delivery to him, unless the award is vacated or modified upon a ground specified in section 13 of this act.

C. 2A:23A-13 Application to court for review of award.

13. a. A party to an alternative resolution proceeding shall commence a summary application in the Superior Court for its vacation, modification or correction within 45 days after the award is delivered to the applicant, or within 30 days after receipt of an award modified pursuant to subsection d. of section 12 of this act, unless the parties shall extend the time in writing. The award of the umpire shall become final unless the action is commenced as required by this subsection.

b. In considering an application for vacation, modification or correction, a decision of the umpire on the facts shall be final if there is substantial evidence to support that decision; provided, however, that when the application to the court is to vacate the award pursuant to paragraph (1), (2), (3), or (4) of subsection c., the court
shall make an independent determination of any facts relevant there-to de novo, upon such record as may exist or as it may determine in a summary expedited proceeding as provided for by rules adopted by the Supreme Court for the purpose of acting on such applications.

c. The award shall be vacated on the application of a party who either participated in the alternative resolution proceeding or was served with a notice of intention to have alternative resolution if the court finds that the rights of that party were prejudiced by:

(1) Corruption, fraud or misconduct in procuring the award;

(2) Partiality of an umpire appointed as a neutral;

(3) In making the award, the umpire's exceeding their power or so imperfectly executing that power that a final and definite award was not made;

(4) Failure to follow the procedures set forth in this act, unless the party applying to vacate the award continued with the proceeding with notice of the defect and without objection; or

(5) The umpire's committing prejudicial error by erroneously applying law to the issues and facts presented for alternative resolution.

d. The award shall be vacated on the application of a party who neither participated in the proceeding nor was served with a notice of intention to have alternative resolution if the court finds that:

(1) The rights of that party were prejudiced by one of the grounds specified in subsection c. of this section; or

(2) A valid agreement to have alternative resolution was not made; or

(3) The agreement to have alternative resolution had not been complied with; or

(4) The claim was barred by any provision of this act.

e. The court shall modify the award if:

(1) There was a miscalculation of figures or a mistake in the description of any person, thing or property referred to in the award;

(2) The umpire has made an award based on a matter not submitted to them and the award may be corrected without affecting the merits of the decision upon the issues submitted;
(3) The award is imperfect in a matter of form, not affecting the merits of the controversy; or

(4) The rights of the party applying for the modification were prejudiced by the umpire erroneously applying law to the issues and facts presented for alternative resolution.

f. Whenever it appears to the court to which application is made, pursuant to this section, either to vacate or modify the award because the umpire committed prejudicial error in applying applicable law to the issues and facts presented for alternative resolution, the court shall, after vacating or modifying the erroneous determination of the umpire, appropriately set forth the applicable law and arrive at an appropriate determination under the applicable facts determined by the umpire. The court shall then confirm the award as modified.

C. 2A:23A-14 Rehearing, confirmation.

14. Upon vacating an award pursuant to section 13, except for the reasons stated in paragraph (5) of subsection c. of section 13, the court may order a rehearing and determination of all or any of the issues, either before the same umpire, having due regard for whether the award was vacated by reason of the actions of the umpire which were violative of paragraph (1), (2), (3), or (4) of subsection c. of section 13 or before a new umpire appointed in accordance with the alternative resolution agreement of this act. Time, in any provision limiting the time for a rehearing or an award, shall be measured from the date of the order or rehearing, whichever is appropriate, or from a time as may be specified by the court. Upon denial of a motion to vacate or modify, the court to which the application for that relief is directed shall confirm the award.

15. When a party dies after making a written agreement to submit a controversy to alternative resolution, the proceedings may be initiated or continued upon the application of, or upon notice to, the party's executor or administrator or, when it relates to real property, the party's distributee or devisee who has succeeded to the party's interest in the real property. When a custodian of the property or a guardian of the person of a party to an agreement is appointed, the proceedings may be continued upon the application of, or notice to, the custodian or guardian. Upon the death or incompetency of a party, the court may extend the time within which an application to confirm, vacate or modify the award or to stay alternative resolution must be made. Where a party has died since an award was
CHAPTER 54, LAWS OF 1987 173

delivered, the proceedings thereupon are the same as when a party
dies after a verdict.

C. 2A:23A-16 Limitation of time.

16. If, at the time a demand for alternative resolution was made
or served, the claims sought to be resolved would have been barred
by a limitation of time had it been asserted in a court of this State,
a party may assert the limitation as a bar to the alternative resolution
to a court to which application has been made to compel alternative
resolution under this act. A party may also assert such bar before
the umpire, who shall promptly rule upon that issue in a separate
determination.

C. 2A:23A-17 Fees, expenses.

17. Unless otherwise provided in the agreement for alternative
resolution, the expenses and fees of the umpire with other expenses,
including, but not limited to, costs for the place where the hearings
are held, deposition or hearing transcripts, expert fees, and copying
of documents, incurred in the conduct of the proceeding, shall be paid
as provided in the award. When the agreement for alternative resol-
ution expressly provides, the umpire may provide for payment of
attorney’s fees.

18. a. Whenever a court shall vacate, modify or correct an award
as provided for in this act and thereupon enter an award based on
that determination, the court, upon application, shall in a summary
proceeding as provided for herein determine all costs and expenses
permitted by section 17 of this act. The court may thereupon include
the costs and expenses in the final judgment entered confirming the
award.

b. Upon the granting of an order confirming, modifying or correct-
ing an award, a judgment or decree shall be entered by the court
in conformity therewith and be enforced as any other judgment or
decree. There shall be no further appeal or review of the judgment
or decree.

C. 2A:23A-19 Superior Court jurisdiction of proceedings.

19. Whenever a party to an agreement for alternative resolution
has the right to apply to the Superior Court under this act, those
proceedings shall be heard in the Chancery Division in accordance
with rules adopted by the New Jersey Supreme Court. These proceed-
ingsshall be summary in nature and expedited. This act shall be
liberally construed to effectuate its remedial purpose of allowing
parties by agreement to have resolution of factual and legal issues
in accordance with informal proceedings and limited judicial review in an expedited manner.

20. This act shall take effect immediately.

CHAPTER 55

AN ACT providing financial assistance to county and municipal pilot programs assisting the promotion and development of small, minority and women-owned businesses, supplementing Title 34 of the Revised Statutes and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The economy of our State is vitally dependent upon the health and stability of the small and independent businesses in the State. The Legislature finds further that the future welfare of the State depends on the continued existence and development of these same small and independent businesses. It is, therefore, the declared policy of the Legislature to assist, counsel, aid and protect small and independent business development in the furtherance of the general welfare.
   b. Historically, businesses owned by minority group members and women have been small establishments offering products and services, and their participation in the nation's business community has been disproportionate to their numbers in society as a whole.
   c. The opportunity for full participation in our free enterprise system by minority group members and women is essential if social and economic justice for them is to be attained, and the functioning of our economy improved.
   d. The role of government at the national and State levels in encouraging the development of small businesses, as well as businesses owned by minority group members and women, has been recognized and is developing at a rapid pace with technical and financial assistance, contract procurement, contract set-asides and other programs designed to encourage development.
   e. In addition to the national and State governments' role in providing assistance, local levels of government have a unique opportunity and responsibility in encouraging the development of such businesses within their jurisdictions, and for coordinating local assistance with assistance and certification procedures provided at the national and State levels of government.
   f. The Legislature, therefore, declares that in order to aid local
units of government in establishing pilot projects to provide development and coordination assistance to small, minority and women-owned businesses within their jurisdictions, the Commissioner of the Department of Commerce and Economic Development shall be authorized to make grants of financial assistance to county and municipal units of government; that the making of those grants to county and municipal governments shall be regarded as a complement to the State’s program to directly assist small, minority and women’s businesses; that the authority and powers conferred hereunder and the expenditure of public moneys as provided herein are in service of a valid public purpose; and that the enactment of the provisions hereinafter set forth is in the public interest and for the public benefit and good and is so declared as a matter of express legislative determination.

C. 32:32-1 Findings, determinations.

1. The States of New York and New Jersey hereby find and determine that:

a. It is desirable, due to the special position of honor that Ellis and Liberty Islands occupy in our national heritage, to avoid conflicts regarding jurisdiction and sovereignty over those islands;

b. It is appropriate in this centennial year of the Statue of Liberty that the States of New York and New Jersey dedicate economic benefits attributable to Liberty and Ellis Islands to a purpose which is representative of the symbolic meaning of the national treasures located on those islands;

f. The resources administered by the fund shall be apportioned equally between sponsors located within the State of New York and those located within the State of New Jersey.

C. 32:32-8 Appropriation by each state.

8. a. Commencing with the state fiscal year commencing in calendar year 1987, and each fiscal year thereafter, as part of the state's budget process for the fiscal year, an appropriation shall be made by each state to the fund for the purpose of carrying out the purposes for which the fund was created.

b. (1) The annual appropriation by each state shall be an amount at least equal to the amount set forth in the annual certificate of each state's tax administrator.

(2) On or before the first day of the month preceding the month during which the state's fiscal year commences, the tax administrator shall deliver to his respective governor, the leaders of both houses of the Legislature and the chairperson of the fund an annual certificate setting forth the sum of: (a) his estimate determined in accordance with this section, of the net amount of tax revenues collected by his respective state and its localities during the preceding calendar year from the state and local taxes enumerated in subsection c. of this section which are attributable directly to Ellis and Liberty Islands, which estimate shall be made on a net basis taking into account the costs of administering and collecting the state and local taxes attributable to the islands; and (b) all tolls and fees described in subsection c. of this section which are collected by his respective state and its localities and one-half the amount of the tolls and fees collected by joint agencies of the two states during that calendar year.

(3) The sum set forth in the annual certificate of the tax administrator shall fix the amount of the required annual appropriation by the respective state to the fund. In making the estimate of the net collection during the calendar year of the state and local taxes attributable to Ellis and Liberty Islands, the tax administrators of the States of New York and New Jersey shall employ the uniform procedures and methods that shall be adopted jointly by them for that purpose.
(4) The tax administrator of either state shall not be liable for any overestimation or underestimation of tax revenues or any overstatement or understatement of tolls or fees contained in any certification made pursuant to this act, and any material overestimation or underestimation or any overstatement or understatement, as the case may be, shall be taken into account subsequently by way of subtracting the amount of any such overestimation or overstatement from or adding the amount of any such underestimation or understatement to certifications for subsequent calendar years.

c. (1) The collections of the following state and local taxes, presently or hereafter imposed, shall be taken into account for the purpose of the annual appropriation to be made by the states to the fund: (a) franchise taxes or business privilege or like taxes on the doing of business, (b) taxes imposed on the earnings or income of business entities (including corporations) or persons, and (c) sales and compensating use taxes.

(2) The tolls and fees which shall be taken into account for the purpose of the appropriation are those tolls and fees now or hereafter collected by either state and its localities, and each state shall also take into account one-half of the amount collected by joint agencies thereof, for the use of bridges, roads or other land connections providing access to or from Ellis and Liberty Islands.

(3) The following rules shall apply for the purpose of determining the amount, if any, of the tax revenues collected from the state and local taxes described in paragraph (1) of this subsection which are attributable directly to Ellis or Liberty Islands:

(a) If a state or locality, as part of its general state or local tax system, imposes such taxes on the islands, revenue attribution to Ellis or Liberty Islands of the receipts from any such taxes collected by the state or its localities shall be made by applying the same factors, method or concept with respect to allocation or attribution which is used by that state or the locality thereof imposing such tax for the purposes of determining allocation to that state or, if a local tax, to that locality; provided, however, such factors, method or concept shall be modified where appropriate to account for the fact that the allocation or attribution hereunder is not to the state or locality but to an area therein. In the case of revenues from sales and compensating use taxes, if the tax results from an event occurring on the islands, the state and local tax revenue derived therefrom shall be allocable to the islands; and
(b) In addition to the foregoing attribution of state and local taxes by the method set forth in subparagraph (a) above, the revenues collected from the following taxes, to the extent presently or hereafter imposed by the states and their localities, and to the extent not included in subparagraph (a) above, shall, for the purpose of this section, be deemed to be attributable directly to the islands:

(i) State and local sales and compensating use taxes imposed with respect to 1, the provision of water, sewerage, gas, electricity, telephone or like utilities or utility services when the utilities or utility services are used or consumed on Ellis or Liberty Islands, irrespective of the fact that the delivery of the utilities or utility services occurs off the islands, 2, the building of or the provision of access to or from Ellis or Liberty Islands, 3, the provision of sightseeing tours to, of or around Ellis or Liberty Islands, or both, or transportation to or from the islands, irrespective of the fact that the tour or transportation was purchased off the islands, 4, sales of food and beverages and other tangible personal property by providers of sightseeing tours to their patrons or by the providers of transportation to their passengers, 5, fuel and all other tangible personal property purchased by providers of tours or transportation and used directly in connection with the provision of tours or transportation. Where a sightseeing tour or transportation includes other sites or destinations, such taxes shall be apportioned.

(ii) State and local sales tax imposed by either state or its localities with respect to the purchase of tangible personal property, services or other items which are used or consumed on Ellis or Liberty Island by persons residing thereon or in connection with a trade or business conducted thereon if with respect to the use or consumption there is due and owing state or local compensating use tax.

(iii) State and local franchise taxes or business privilege or like taxes on the doing of business or taxes imposed on the earnings or income of business entities (including corporations), in the case of business activities conducted in either state which consists of 1, providing water, sewerage, gas, electricity, telephone or like utilities or utility services where the utilities or utility services are used or consumed on Ellis or Liberty Islands, 2, the building of or the provision of access to or from Liberty or Ellis Island or 3, conducting tours to, of or around Ellis or Liberty Islands, or both, or providing transportation to or from the islands. The portion of the state and local taxes derived from these business activities shall be attributable directly to Ellis and Liberty Islands.
(iv) 1, personal income taxes imposed by the states and their localities with respect to income, wages or earnings of resident individuals other than those residing on Ellis or Liberty Islands, derived from sources, including employment or self-employment within or on Ellis or Liberty Islands, or with respect to the building of or the provision of access to or from the islands, the conducting of tours to, of or around Ellis or Liberty Islands, or both, or the provision of transportation to or from the islands;

2, income or earnings taxes imposed by the states and localities thereof on nonresident individuals with respect to income, wages or earnings derived from sources, including employment or self-employment, within or on Ellis or Liberty Islands or with respect to the building of or the provision of access to or from the islands or the conducting of tours to, of or around Ellis or Liberty Islands, or both, or the provision of transportation to or from the islands; and

b. The Comptroller of the State of New York and the Treasurer of the State of New Jersey and their legally authorized representatives are hereby authorized and empowered, either jointly or individually, from time to time, but not less than every two years, to examine the accounts and books of the fund, including its receipts, disbursements, contracts, investments and any other matters relating to its financial standing and shall make a report of the examination available to the legislative bodies of their respective states.

c. The fund shall not expend more than 5% of the annual appropriations made by the States of New York and New Jersey pursuant to section 8 of this act for the administration of the fund unless the fund shall have received prior written approval of the Governors of New York and New Jersey to expend a greater sum for the administration of the fund.

b. b. The historic and public importance of the city, once contemplated as the site of the nation’s capital has too long been neglected in a State which lacks a demographic or commercial center of sufficient magnitude to serve as a focus for State identity and pride, and, as a result, the city is in great need of redevelopment and revitalization;

d. It is a public purpose of this State to establish a capital district within the city and to create a redevelopment corporation operating within the boundaries of the district, which will plan, coordinate and promote the public and private development of the district in a manner which enhances the vitality of the district as a place of commerce, recreation and culture and as an area in which to conduct public business and visit historic sites and thereby restores the prominence and prestige of the seat of State government for the benefit of all of the citizens of this State; and

e. In the exercise of its powers toward this public purpose, the Capital City Redevelopment Corporation will plan, coordinate and encourage an appropriate balance of governmental and nongovernmental facilities and activities in the district, and assist
in the provision of public, recreational and cultural facilities, in the preservation and restoration of historic structures and sites, and in the stimulation of private investment in the district in order to establish it as a source of State pride equal in standard to the best of State capitals in the country.

The interest rate shall be sufficiently below the prevailing rate of
interest to attract private participation in the loan program. The
corporation shall assure by the terms of the financing of projects that
at least 65% of the moneys appropriated to the fund shall be re-
covered and shall continue to be available for financing under this
act.

C. 52:9Q-21 Considerations.

13. With respect to projects for which costs are to be financed
by the corporation pursuant to this act, the corporation shall in
approving the financing for those projects, and in the planning and
undertaking of its own projects, consider the following:

a. The economic feasibility of the project;

b. The degree to which the project will advance the goals and
objectives set forth in the plan; and

c. The likelihood that the project shall, after its completion, be
able to repay to the fund all or part of any financing costs incurred.

C. 52:9Q-22 Removal, relocation of public utility facilities.

14. The corporation shall have the power to provide for the in-
stallation, construction, maintenance, repair, renewal, relocation and
removal of tracks, pipes, mains, conduits, cables, wires, towers, poles
and other equipment and appliances herein called "public utility
facilities" of any public utility, as defined in R.S. 48:2-13, in, on,
along, over or under any project.

Whenever the corporation shall determine that it is necessary that
any public utility facilities which now are, or hereafter may be
located in, on, along, over or under any project, should be relocated,
or should be removed from that project, the public utility owning
or operating those facilities shall relocate or remove them in accordance with the order of the corporation; provided, however, that the cost and expenses of that relocation or removal, including the cost of installing such facilities in a new location or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights acquired to accomplish such relocation or removal, less the cost of any lands or any rights of the public utility paid to the public utility in connection with the relocation or removal of that property, shall be ascertained and paid by the corporation as part of the cost of that project. In case of any relocation or removal of facilities, the public utility owning or operating the same, its successors or assigns, may maintain and operate those facilities, with the necessary appurtenances, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate those facilities in their former location or locations.

15. a. For the purpose of assuring regular and effective liaison between the corporation, other public agencies and officers having responsibilities in areas related to the operations of the corporation, and the public, the Governor shall establish a Capital District Oversight Committee to consist of the following: the Commissioner of the Department of Community Affairs, the Commissioner of the Department of Environmental Protection, the Commissioner of the Department of Transportation, the Attorney General, and the Superintendent of the Division of State Police in the Department of Law and Public Safety, or their designees, who shall all serve ex officio; the President of the City Council of the city of Trenton or his designee, ex officio; and nine public members, of whom five shall be citizen representatives and residents of the city of Trenton and four shall be representatives of the business sector of the city of Trenton who may live within or outside the city of Trenton, but shall be residents of the State, to be appointed as follows: two shall be appointed by the Governor, of whom one shall be a citizen representative and one shall represent the business sector; two shall be appointed by the Mayor of the city of Trenton, of whom one shall be a citizen representative and one shall represent the business sector; and five shall be appointed by the board, of whom three shall be citizen representatives and two shall represent the business sector.

The committee shall also study and report on the ways in which such municipal activity may be improved to enhance the attractiveness of the district. Based on these reports, the committee shall make recommendations to improve the efficiency or effectiveness of public agencies in enhancing the district.

e. Upon appointment, the committee shall prepare a budget which shall contain an itemization of those expenses in order that the committee may fulfill its officially prescribed duties. The chairman shall submit a budget to the executive director on an annual basis, and the board shall provide funds within the limits of any funds appropriated or otherwise made available for the committee's purposes. The committee is authorized to engage such employees, advisors or consultants as are necessary in order to fulfill its prescribed duties. These employees, advisors or consultants, as the case may be, shall be appointed without regard to the
provisions of Title 11A of the New Jersey Statutes and shall receive such compensation as shall from time to time be fixed by the corporation within the limits of available appropriations therefor.

The committee shall have 30 days from the date of referral to provide written comments on the application, and any comments provided within that time shall be a part of the record of the corporation's official action on the application.

C. 52:9Q-24 Acquisition of real property.

16. a. If, in order to implement any of the goals and objectives set forth in the plan, the corporation shall find it necessary or convenient to acquire any real property within its jurisdiction, or if for any of its authorized purposes the corporation shall find it necessary to acquire any real property beyond its jurisdiction, whether for immediate or future use, the corporation may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for public use, and, upon such determination, the property shall be deemed to be required for a public use until otherwise determined by the corporation; and the determination shall not be affected by the fact that the property has heretofore been taken for, or is then devoted to, a public use of the State or any municipality, county, school district, or other local or regional district, authority or agency, but the public use in the hands or under the control of the corporation shall be deemed superior.

b. If the corporation is unable to agree with the owner or owners thereof upon terms for the acquisition of any real property, for any reason whatsoever, then the corporation may acquire that property, whether a fee simple absolute or a lesser interest, in the manner provided in the "Eminent Domain Act of 1971," P.L. 1971, c. 361 (C. 20:3-1 et seq.).

17. a. On or before February 1 of each year, the board shall submit a budget for the corporation to the State Treasurer for the State Treasurer's approval. 18. On or before February 1 of each year, the board shall make an annual report of its activities for the preceding calendar year to the Governor, the Legislature, and the governing body of the city of Trenton. The report shall include, but not be limited to, a description of all projects either planned, under way or completed by the corporation or financed by the corporation and the financial arrangements developed therefor. The report shall also set forth the goals, strategies and priorities governing the selection of projects it anticipates financing, supporting or undertaking; and the board shall annually review and evaluate the projects actually undertaken in light of the goals, strategies and priorities established therefor by the Capital City Renaissance Plan.
The report shall set forth a complete operating and financial statement covering the operations of the corporation during the year.

C. 52:9Q-27 Assistance.

19. All officers, departments, boards, agencies, divisions and commissions of the State are hereby authorized and empowered to render any services to the corporation as may be within the area of their respective governmental functions as fixed or established by law, and as may be requested by the corporation.

CHAPTER 59

AN ACT establishing a program to provide legal assistance to Medicare beneficiaries to appeal denials of federal Medicare benefits, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4H-1 Findings, declarations.

1. The Legislature finds and declares that: New Jersey home health agencies are reporting increased denials of reimbursement for Medicare home-based skilled nursing care by fiscal intermediaries of the federal Health Care Financing Administration; these home health care cutbacks are particularly serious in the context of national efforts to reduce hospital utilization; patients are leaving the hospital earlier and sicker, and need appropriate follow-up care; and the principal source of post-acute home health care for the elderly and disabled should be the Medicare program.

The Legislature further finds and declares that: recent reductions in Medicare home health benefits and other Medicare services may
have been made through federal directives to fiscal intermediaries without public review and comment; in some cases benefits are denied in violation of federal law and regulations; and, therefore, a program of legal assistance to aid New Jersey Medicare beneficiaries in appealing such denials should be established.

C. 30:4H-2 Legal representation program.

2. The Commissioner of the Department of Human Services, in consultation with the Public Advocate and the Director of the Division on Aging in the Department of Community Affairs, shall establish a legal representation program to assist Medicare beneficiaries under Title XVIII of the Social Security Act in appeals of unfairly denied Medicare coverage. The services provided under this program shall include, but not be limited to, the following: outreach to Medicare beneficiaries, the development and dissemination of educational materials pertaining to the Medicare program and the claims appeal process, the development and dissemination of materials for Medicare beneficiaries to submit their own appeals, and the offer of direct legal representation to appeal unfairly denied coverage under Part A and Part B of the Medicare program. Such legal representation may include, but not be limited to, appeals within the administrative appeals structure and appeals to the United States District Court.

C. 30:4H-3 Guidelines.

3. The commissioner shall establish guidelines for the operation of this program, and may contract with one or more qualified non-profit organizations to provide the services described herein.

C. 30:4H-4 Rules, regulations.

4. The commissioner shall adopt rules and regulations in accordance with the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) to effectuate the purposes of this act.

5. There is appropriated $235,000.00 to the Department of Human Services from the General Fund to carry out the purposes of this act.

6. This act shall take effect immediately.

CHAPTER 60, LAWS OF 1987

CHAPTER 60

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 17B:20-2 is amended to read as follows:

Voting stock limit.

17B:20-2. The amount (excluding amounts invested in the common stock of any corporation pursuant to sections 17B:20-3 and 17B:20-4) invested by a domestic insurer (a) in the common stock of any one corporation shall not exceed 2% of the total admitted assets of such insurer as of December 31 next preceding, or (b) in the common stock of all corporations valued at cost shall not exceed 15% of such assets except that to the extent that such aggregate investment in common stock exceeds 10% of such assets, further investments shall be subject to regulation by the commissioner under a formula which shall take into consideration the actual mandatory securities valuation reserve, as defined by the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners, held by a company which is applicable to such common stock in the corresponding annual statement filed with the department. The term "common stock" shall mean any voting stock of any class of a corporation which shall not be limited to a fixed sum or percentage of par value in respect to the rights of the holders thereof to participate in dividends or in the distribution of assets upon the voluntary or involuntary liquidation, dissolution or winding up of the corporation. Neither shall the amount invested in the beneficial shares or other ownership interests (other than common stock), evidences of indebtedness (excluding amounts invested in mortgage loans pursuant to subsection c. of section 17B:20-1), preferred stock and certificates of receivers of any one institution exceed 5% of such assets of the insurer. Nothing herein contained shall prevent any such insurer from purchasing, or in any other way acquiring the voting stock of, or otherwise investing in certain corporations as hereinafter provided in sections 17B:20-3 and 17B:20-4.

The total amount of admitted assets invested in the types of investments authorized by subsections b. and c. of N.J.S. 17B:20-1 shall not, in the aggregate, exceed 60% of the domestic insurer's total admitted assets.
All investments made by any such insurer shall be authorized or approved by the board of directors, or by a committee thereof charged with the duty of supervising such investment, or shall be made in conformity with standards approved by such board of directors or such committee.

No such insurer shall enter into any agreement to withhold from sale any of its property or jointly or severally enter into any agreement to purchase the unsold amount of securities which are the subject of an offering for sale to the public or otherwise to guarantee the sale of such securities.

Nothing contained in this section shall prevent any such insurer from distributing shares of an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser.

The term “Investment Company Act of 1940” as used in this section shall mean an Act of Congress entitled “Investment Company Act of 1940,” 54 Stat. 847 (15 U.S.C. §80a-1 et seq.) as amended from time to time, or any similar statute enacted in substitution therefor.

2. N.J.S. 17B:20-4 is amended to read as follows:

Investment in voting stock of subsidiary.

17B:20-4. In addition to the authority expressly contained in this chapter and notwithstanding any limitation contained in this Title, any domestic insurer may invest in the voting stock of one or more subsidiaries, as provided in this section.

a. As used in this section the following terms shall have the following meanings: (1) “voting stock” as used with reference to any corporation means any shares of capital stock of such corporation having general voting power under ordinary circumstances, when voting (together with one or more other classes, if any) as a class, to elect a majority of the board of directors of such corporation irrespective of whether or not at the time stock of any other class or classes shall have, or might have, voting power by reason of the happening of any contingency, and shall also include voting trust certificates, certificates of deposit, interim receipts and other similar instruments representing such stock and (2) “subsidiary” means a corporation of which a majority of the voting stock is owned or controlled by a domestic insurer, or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer, except that “subsidiary” shall not include a corporation of
which a majority of the voting stock is acquired by the insurer or its subsidiaries pursuant to any other section of this chapter.

b. The business of a subsidiary, whether or not it is organized under the laws of this State, shall be limited to that authorized for a corporation organized under any law of this State, except that "subsidiary" shall not include any bank organized pursuant to the laws of this State and shall not include any national bank maintaining its principal office in this State.

c. Except as otherwise specifically permitted by this section, no investment in the voting stock of any subsidiary shall be retained by a domestic insurer or by any of its subsidiaries unless a majority of the voting stock of such subsidiary is owned or controlled by such insurer or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer.

d. The investments of any such subsidiary of the kinds permitted by subsection b., c., d. or e. of section 17B:20-1, except a subsidiary engaged primarily in any kind of insurance business, when added, on a basis proportional to the insurer's interest in such subsidiary, to the investments of such insurer (referred to herein as the "controlling insurer") shall not cause the investments of the controlling insurer to exceed any of the limitations applicable to domestic insurers contained therein or in section 17B:20-2 of this chapter except as may be permitted by section 17B:20-1h. or section 17B:20-3; provided that investments by any subsidiary which if made by the controlling insurer would be subject to the limitations of section 17B:20-1b. shall not be included to the extent the controlling insurer's investment in the capital stock of such subsidiary is subject to the limitations of section 17B:20-1b. Notwithstanding the foregoing limitations of this subsection d., any such subsidiary shall be permitted to invest in the voting stock of one or more other corporations if:

(1) After such investment, such subsidiary, the controlling insurer and all other subsidiaries of the controlling insurer shall own a majority of the voting stock of such other corporation and such other corporation would, within the meaning of this section, constitute a permitted subsidiary of the controlling insurer, or

(2) The proportion of such investment attributable to the controlling insurer pursuant to this subsection d. could then have been made in the same manner by the controlling insurer under any other provision of this chapter.
e. The investment in such subsidiary shall not tend substantially to lessen competition or tend to create a monopoly.

f. Such subsidiary shall not be used directly or indirectly to promote the private interests of any officer or director of such insurer, except that compensation may be paid by any subsidiary to officers and directors of such insurer for services rendered when such compensation is authorized by the board of directors of such subsidiary and approved by the board of directors of such insurer.

g. The aggregate amount invested by the controlling insurer in the voting stock of all subsidiaries pursuant to this section together with the aggregate amount of all other investments of the controlling insurer in such subsidiaries, valued at cost (less any amount invested by the controlling insurer and such subsidiaries in any subsidiary engaged in a business primarily involving the owning, improving, developing, operating or leasing of real estate) shall not exceed 5%, or with the approval of the commissioner 10%, of the total admitted assets of such insurer as of December 31 next preceding.

h. No investment in voting stock of any subsidiary shall be made by such insurer or any subsidiary thereof pursuant to this section unless a notice of intention to make such proposed investment is filed with the commissioner not less than 30 days, or such shorter period as may be permitted by the commissioner, in advance of such proposed investment, nor shall any such investment be made if the commissioner at any time prior thereto finds that the proposed investment does not meet the requirements of this section or determines, in his sole discretion, that such proposed investment would be contrary to the best interests of policyholders or the public; provided, that after an investment in voting stock has been made pursuant to this section, no notice of intention to make further investments in the voting stock or other securities of the same subsidiary shall be required, and such further investments may be made subject to the limitations contained in subsection d. and subsection g. of this section. The commissioner shall have the power to conduct periodic examinations and require reports in connection with the operation of subsidiaries and, if he shall determine either that the interests of policyholders or the public so requires or that the investments of any subsidiary do not comply with the requirements of this section, to order that a domestic insurer or any subsidiary thereof dispose of its investment in any subsidiary or that any subsidiary dispose of any noncomplying investments, in each case within a reasonable period of time.
i. In addition to the authority contained in the preceding subsections of this section, a domestic insurer and its subsidiaries may invest in and retain more than 8% but less than a majority of the voting stock of any alien corporation engaged in any kind of insurance business or in a business of providing services of a kind the domestic insurer might itself perform independently of any insurance or annuity contract; provided that no such investment shall be made unless notice of intention to make such proposed investment is filed as provided in subsection h. of this section. A domestic insurer may retain less than a majority of the voting stock of any such alien corporation originally acquired as a majority owned subsidiary pursuant to this section without further notice under subsection h. of this section. For the purposes of this section the term "subsidiary" shall include any such alien corporation of which more than 8% of the voting stock is acquired pursuant to this section and is owned or controlled as provided in subsection a., except that subsection d. shall not apply to any such subsidiary of which less than a majority of the voting stock is so owned or controlled.

3. This act shall take effect immediately.

c. Grant any pension to any officer, senior officer, director, general agent, employee or trustee thereof or to any member of his family after his death, except in accordance with a written plan approved by its board of directors it may: (1) grant to its salaried officers, senior officers, directors, general agents and employees retirement and disability allowances and death benefits; (2) establish a profit sharing plan which meets the requirements of subsection (a) of section 401 of the Internal Revenue Code of 1954, 68A Stat. 134, 26 U.S.C. §401, or any similar legislation which might take its place and which plan, at the option of the insurer, may be in addition to any existing pension plan; and except that it may with the approval of the commissioner provide reasonable supplemental retirement allowances to any of its salaried officers, senior officers and employees and their dependents, whose retirement benefits under the insurer's plan or plans are, in the opinion of its board of directors, inadequate.

The term “senior officers” as used in this section means each officer of an insurer within the four highest salary categories of such insurer; but in instances where an insurer does not have an aggregate of at least five officers from all of the four highest salary categories, then “senior officers” for such insurer shall be the five highest salaried officers of that insurer.

If such citizen and resident of this State is of the age of 65 or more years, or is less than 65 years of age yet permanently and totally disabled, as “disabled” is defined in the “New Jersey Gross Income Tax Act” (N.J.S. 54A:1-2f.), or is the surviving spouse of a deceased citizen and resident of this State who, while alive, received a real property tax deduction pursuant to this act or P.L. 1963, c. 172 (C. 54:4-8.40 et seq.), upon the same conditions, with respect to real property, notwithstanding that said surviving spouse is under the age of 65 and is not permanently and totally disabled, provided that said surviving spouse was 55 years of age or older at the time of death of said citizen and resident and remains unmarried, said taxpayer shall annually, upon proper claim being made therefor, be entitled to an additional rebate as set forth in section 2 of this act. The said requirement of ownership shall be satisfied by the holding of the beneficial interest where the legal title thereto is held by another for the benefit of the said citizen and resident, or for a resident shareholder in a cooperative or mutual housing corporation as defined herein.

A person who is a tenant for life or a tenant under a lease for 99
years or more or a person who is entitled to and actually takes possession of the land and dwelling house under an executory contract for the sale thereof or under an agreement with a lending institution which holds title as security for a loan shall be deemed to be an owner for the purpose of this act.

A person who resides in a continuing care retirement community pursuant to a contract for the provision of continuing care for the life of that person shall be deemed to be an owner of the unit he occupies for the purpose of this act, provided that the contract also requires the resident to bear, separately from any other charges, the proportionate share of property taxes attributable to the unit that the resident occupies.

Nothing herein shall preclude more than one tenant, whether title be held in common or joint tenancy, from claiming a homestead rebate but no more than the equivalent of one full homestead rebate shall be allowed in any year, and in any case in which the claimants cannot agree as to the apportionment thereof, such rebate shall be apportioned between or among them in proportion to their interest. Property held by husband and wife, as tenants by the entirety, shall be deemed wholly owned by each tenant, but no more than one homestead rebate in regard to such property shall be allowed in any year. "Property tax reduction" shall also include 0.65 times any rebate or refund of school property taxes which may be provided pursuant to P.L. 1976, c. 113. c. "Base year" means, for qualified real rental property rented or leased or offered for rent or lease on the effective date of this act, the calendar year prior to the year in which this act takes effect, and for qualified real rental property which is first rented or leased or offered for rent or lease after the effective date of this act, the calendar year in which it is first offered for rent or lease.

4. N.J.S. 54A:4-3 is amended to read as follows:

(1) If more than one qualified resident tenant, other than a husband and wife, qualify for the credit allowed under this section by reason of their having occupied the same rented homestead, it shall be presumed that the tenant's credit otherwise allowed under this section shall be equally divided among such taxpayers. A tenant, however, may claim a credit which shall bear the
same proportion as the rent he pays to the total rent paid by all members of the unit.

(2) A taxpayer shall not be entitled to more than one homestead credit in any one year. A taxpayer who claims a homestead credit under this section may not claim a homestead rebate for the same year under any other law.

(3) The amount of the homestead credit shall be prorated in the proportion that the number of days the qualified tenant occupied residential property in the year bears to 365 days.

No tenant homestead credit shall be allowed for occupants of rooming houses, hotels or motels unless the rooms rented to the tenant are equipped with kitchen and bathroom facilities and unless such person is a permanent resident thereof.

d. If the credit against the tax allowed pursuant to subsection a. of this section reduces tax liability to zero, the remaining amount of the credit, if any, shall be considered an overpayment of the tax and shall be refunded.

5. Section 6 of P.L. 1977, c. 242 (C. 54:4-3.80a) is amended to read as follows:

The tax collector shall credit the property owner with such payments and the property owner shall, in turn, credit the individual unit owners to the extent of their rebate. The tax collector shall notify the property owner of the amount to be credited.

d. 32. a. All major hazardous waste facilities shall, for the purposes of local property taxation, be assessed and taxed in the same manner as other real property.

In the event that a major hazardous waste facility is constructed or operated on a site which is exempt from local property taxation by virtue of the ownership thereof by any public agency, the owner or operator of the facility shall, the provisions of any law, rule, regulation, ordinance, resolution or contract to the contrary notwithstanding, annually pay to the affected municipality a sum equal to the amount which would annually be due if the land on which the facility is located and any improvements thereto were assessed and taxed as real property subject to local property taxation. Such payments shall be made to the chief fiscal officer of the affected municipality by December 31 of each year.

b. Subsequent to the effective date of this act, the owner or operator of every major hazardous waste facility shall, on or before January 25 of each year, file with the chief fiscal officer of the municipality wherein the facility is located a statement, verified by oath, showing the gross receipts from all charges imposed during the preceding calendar year upon any person for the treatment, storage or disposal of hazardous waste at the facility, and shall at the same time pay to the chief fiscal officer a sum equal to 5% of those receipts.

The commission, after affording the affected owner or operator with notice of such petition and an opportunity to be heard thereon, may grant the petition, but only if the commission is satisfied that such grant is warranted by the expenses imposed upon the municipality as a result of the operation of the major hazardous waste facility.

e. The commission may, upon the petition of the affected owner or operator or upon its own motion, direct that the amount to be paid pursuant to subsection b. of this section be reduced to a lower percentage if, after affording the affected municipality notice of such petition or commission intent to decrease such amount and an opportunity to be heard thereon, the commission finds that such lower amount is sufficient to cover the expenses imposed upon the municipality as a result of the operation of the major hazardous waste facility.

f. Any commission action taken pursuant to subsection d. or e. of this section shall be considered to be final agency action thereon for the purposes of the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), and shall be subject only to judicial review as provided in the Rules of Court.

10. Section 5 of P.L. 1986, c. 3 is amended to read as follows:

CHAPTER 75

AN ACT authorizing short-term State investments for community development in certain instances, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:27D-118.24 Short title.

1. This act shall be known and may be cited as the “Special Municipal Aid Act.”

C. 52:27D-118.25 Findings, declarations.

2. The Legislature finds that certain large and small municipalities in this State are currently experiencing fiscal distress as a result of insufficient collection of tax revenues, insufficient collection of other revenues, over-anticipation of revenues of prior years, or from other causes; that these municipalities currently function within stringent budgetary constraints, straining their revenue sources to provide basic public services for their residents; that these municipalities may benefit from the expertise of the State in recommending fiscal recovery measures designed to alleviate the fiscal distress they are currently experiencing; and that short-term State assistance, in the form of State grants and loans, may provide the temporary
revenue bridge these few municipalities need in order to overcome their current difficulties and regain their financial stability.

The Legislature, therefore, declares that it is fitting and proper, and within the public interest, to provide short-term loans and grants to certain municipalities currently experiencing budgetary difficulties in generating adequate local revenues in order to assist those municipalities not only in meeting their immediate budgetary needs, but also to enable them to regain their financial stability.

C. 52:27D-118.26 Definitions.

3. As used in this act:

"Board" means the Local Finance Board of the Division of Local Government Services in the Department of Community Affairs.

"Director" means the Director of the Division of Local Government Services in the Department of Community Affairs.

"Eligible municipality" means a municipality which is qualified to receive assistance under P.L. 1978, c. 14 (C. 52:27D-178 et seq.), a municipality under the supervision of the Local Finance Board pursuant to the provisions of the "Local Government Supervision Act (1947)," P.L. 1947, c. 151 (C. 52:27BB-1 et seq.), or a municipality which has issued qualified bonds pursuant to the provisions of the "Municipal Qualified Bond Act," P.L. 1976, c. 38 (C. 40A:3-1 et seq.).

C. 52:27D-118.27 Short-term financial assistance.

4. The moneys appropriated in section 9 of this act may be used to provide short-term financial assistance to eligible municipalities to enable them to meet their immediate budgetary needs and regain their financial stability, affording them an opportunity to develop, revive and expand their economic bases. The financial assistance provided shall include, but not be limited to, loans, loan guarantees, and grants. The form, amount and terms of the financial assistance, including whether or not any loan shall be repaid with interest and if so, the rate of interest, shall be determined by the Local Finance Board. All loans, along with the interest thereon, if any, shall be repaid by the recipient municipality to the State on the date or dates specified by the Local Finance Board.

C. 52:27D-118.28 Finding of fiscal distress; notification; review.

5. Whenever the director, during the exercise of his duty under the provisions of the "Local Budget Law," N.J.S. 40A:4-1 et seq., to examine each local budget, or upon the basis of any other information and data available to him, shall find that an eligible municipality is experiencing fiscal distress and may require assistance under
this act, he shall forthwith notify the Local Finance Board of his finding. The director's finding of fiscal distress in an eligible municipality may be based on the municipality's tax rate, cash deficit, insufficient percentage of tax collections, insufficient collection of other revenues, over-anticipation of the revenues of prior years, non-liquidation of interfund transfers, reliance on emergency authorizations, continual rollover of tax anticipation notes, or other factors indicating a constrained ability to raise sufficient revenues to meet its budgetary requirements.

Within five days of that notification, the Local Finance Board shall meet to review the director's findings. If the board shall concur with the director's findings, it shall, through the director, so notify the governing body of the eligible municipality.

At a time and place determined by the director, the board, the governing body of the eligible municipality, and any other interested parties the director and the board may deem appropriate, shall meet to review the implementation of the provisions of this act. The review shall include, but not be limited to:

a. The director's assessment of the difference between the eligible municipality's revenue needs for the current local budget year and its revenue raising capacity for the current local budget year;

b. The actions the governing body of the eligible municipality intends to take in the current local budget year to meet the municipality's revenue needs; and

c. The actions the governing body intends to take to expand the eligible municipality's local revenue generating capacity for subsequent local budget years.

C. 52:27D-118.29 Determination of amount of grants, loans.

6. The board shall determine the total amount of grants and loans, or any combination thereof, to be provided to each eligible municipality and the director shall certify that amount to the State Treasurer and to the governing body of the eligible municipality. In the case of loans to an eligible municipality, the board shall set forth the terms of the loan agreement, including whether or not any interest shall be paid and, if so, the rate of that interest. The term of a loan authorized under the provisions of this act shall not exceed 10 years.

As a condition of receiving assistance under the provisions of this act, an eligible municipality shall implement any fiscal recovery
measures recommended by the director and approved by the board, and the municipality shall be subject to management and fiscal audit by the director.

The determination of the board pursuant to this act as to the amount of financial assistance to be paid to an eligible municipality shall be final and conclusive, and there shall be no appeal therefrom nor any review thereof.

C. 52:27D-118.30 Notice.

7. Whenever the board shall determine to provide financial assistance to an eligible municipality pursuant to the provisions of this act, the board shall forthwith notify the Governor, the President of the Senate, the Speaker of the General Assembly and the State Treasurer. The notice shall set forth:

a. The municipality's eligibility for a payment of financial assistance under the provisions of this act;

b. The board's determination of the amounts of financial assistance to be paid to that eligible municipality;

c. The form, amount and terms of the financial assistance, including whether or not any loan shall be repaid with interest and, if so, the rate of that interest, and the factors considered by the board in making those determinations;

d. The actions the governing body of the eligible municipality intends to take in the current local budget year to meet the municipality's revenue needs;

e. The actions the governing body intends to take to expand the eligible municipality's local revenue generating capacity for subsequent local budget years; and

f. Any other information or data the board deems appropriate and necessary.

C. 52:27D-118.31 Appropriation by municipality; anticipation in budget.

8. The financial assistance provided to an eligible municipality pursuant to the provisions of this act shall be appropriated by the municipality in compliance with the provisions of the "Local Budget Law," N.J.S. 40A:4-1 et seq.

Notwithstanding any provisions of the "Local Budget Law," N.J.S. 40A:4-1 et seq., any eligible municipality receiving a payment of financial assistance pursuant to the provisions of this act may anticipate the receipt of the amount of financial assistance certified to it
by the director and may file any amendment or corrections in its local budget as may be required to reflect that certified amount in its budget.

9. There is appropriated from the General Fund $100,000.00* to the Department of Community Affairs to effectuate the purposes of this act.

10. This act shall take effect immediately.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 75
(Senate Bill No. 3023)

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3023 at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would establish the “Special Municipal Aid Act,” which is similar to the Distressed Cities Program added to the 1987 Appropriations Act I signed into law last June. These programs are designed to provide distressed municipalities with short-term financial assistance while they overcome their current difficulties and regain their financial stability.

As a condition of receiving assistance under the provisions of this legislation, an eligible municipality would be required to implement any fiscal recovery measures recommended by the Director of the Division of Local Government Services in the Department of Community Affairs and approved by the Local Finance Board in that Department, and the municipality would be subject to management and financial audit by the Director.

This bill appropriates $12 million from the General Fund to effectuate its purposes.

I have indicated publicly that I favor adoption of this type of program to help those municipalities most in need of State assistance, both financial and managerial. The dwindling State surplus will not permit funding of this program, and it is, of course, my constitutional responsibility as Governor to ensure that appropriations do not exceed expected revenue sources.
By other action today, I am signing into law Assembly Bill No. 3757 to provide a statutory base for supplemental State aid for municipal police protection, although I must reduce its appropriation to $12 million based upon budgetary constraints.

Given my support for adoption of this type of program, I am today enacting it into law, although with only a nominal appropriation. I am, however, signing into law my conditional veto of Assembly Bill No. 823 to appropriate $50 million to the Distressed Cities Program to be generated from money received from the tax amnesty program. Experts in the field have indicated that it is not likely that more than $50 million will be generated from tax amnesty, and, thus, I am willing to permit that amount of money to be targeted to the Distressed Cities Program.

As I indicate in my written message accompanying enactment of Assembly Bill No. 3757, the actions I have taken today will alleviate the current fiscal uncertainty in urban municipalities. Unfortunately, this will not provide a long-term remedy for the financial plight of our cities since amnesty furnishes only one-time revenues. I do believe, however, that my actions today are consistent with my responsibility to ensure the well-being of the people of the State and maintain fiscal responsibility.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 76

AN ACT concerning the administration and enforcement of certain State taxes, providing for increased interest, costs and civil and criminal penalties thereunder, authorizing the Director of the Division of Taxation to establish a 90-day period during which unpaid taxes may be remitted without the imposition of any
civil or criminal penalties, amending, supplementing and repealing various portions of the statutory law, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S. 54:48-2 is amended to read as follows:

Definitions.

54:48-2. As used in this subtitle:

"Commissioner" means the Director of the Division of Taxation in the Department of the Treasury.

"Department" means the Division of Taxation in the Department of the Treasury.

"Director" means the Director of the Division of Taxation.

"Prime rate" means the average predominant prime rate, as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses as of the first business day of the calendar quarter within which the payment was due.

"State tax" means any tax which is payable to or collectible by the director, and "State tax law" means any law which levies or imposes a State tax as herein defined.

"Taxpayer" means any person owing or liable to pay any State tax or any person deemed by the director to be so owing or liable.

2. R.S. 54:49-3 is amended to read as follows:

Interest, penalty on unpaid tax.

54:49-3. Any taxpayer who shall fail to pay any State tax on or before the day when the same shall be required by law to be paid shall pay in addition to the tax, unless otherwise provided in the law imposing such tax, interest and penalty, if any, on said tax at the rate of five percentage points above the prime rate, to be compounded daily upon the amount that remains unpaid, to be calculated from the date the tax was originally due until the date of actual payment. In addition thereto, if the director is empowered by the law imposing such tax to grant an extension of time in which the tax shall be paid, the taxpayer shall be liable for the payment of interest on the unpaid tax at the rate of three percentage points above the prime rate, to be compounded daily from the date that such tax was originally due.
CHAPTER 76, LAWS OF 1987

to the date of actual payment; provided that if such unpaid tax is not paid within the time fixed under the extension, the interest on such unpaid tax shall be computed at the rate of five percentage points above the prime rate, to be compounded daily from the date the tax was originally due to the date of actual payment.

3. R.S. 54:49-4 is amended to read as follows:

Late filing penalty.

54:49-4. In addition thereto any taxpayer failing to file a return with the director within the time prescribed under the act imposing such tax shall be liable to a late filing penalty of $100.00 for each month or fraction thereof that such return is delinquent, plus a penalty of 5% per month or fraction thereof of the total tax liability not to exceed 25% of such tax liability. If any tax be not paid within the time prescribed under the act imposing such tax, there shall be added to the amount of the tax a sum equivalent to 5% thereof, as a penalty.

4. R.S. 54:49-6 is amended to read as follows:

Assessment to taxpayer; demand for payment.

54:49-6. After a report is filed under the provisions of any State tax law, the director shall cause the same to be examined and may make such further audit or investigation as he may deem necessary, and if therefrom he shall determine that there is a deficiency with respect to the payment of any tax due under such law, he shall assess the additional taxes, penalties of 5% of the tax, and interest at the rate of five percentage points above the prime rate, to be compounded daily from the date the tax was originally due to the date of payment, due the State from such taxpayer, give notice of such assessment to the taxpayer, and make demand upon him for payment.

5. R.S. 54:49-10 is amended to read as follows:

Fees recoverable as if part of tax.

54:49-10. All penalties and interest when imposed by this or by any State tax law as well as the fee imposed for the cost of collection under R.S. 54:49-13 shall be payable to and recoverable by the director in the same manner as if they were a part of the tax imposed.

6. R.S. 54:49-11 is amended to read as follows:

Remittance, waiving of penalty.

54:49-11. If the failure to pay any such tax when due is explained to the satisfaction of the director, he may remit or waive the payment of the whole or any part of any penalty for deficiency assessments
made pursuant to R.S. 54:49-6. In all other cases the director may remit or waive the payment of any part of any penalty and may remit or waive the payment of any interest charge in excess of the rate of three percentage points above the prime rate compounded daily.

7. R.S. 54:49-13 is amended to read as follows:

Release of property from lien.

54:49-13. The director, upon application made to him and upon the payment of an amount equal to the cost of collection may release any property from the lien of any certificate, judgment or levy, procured by him; provided, payment be made to the director of such sum as he shall deem adequate consideration for such release or provided a deposit shall be made with the director of such security as he shall deem adequate to secure the payment of any debt evidenced by any such certificate, judgment or levy, the lien of which is sought to be released. Such release shall be given under the seal of the director, and may be recorded in any office in which conveyances of real estate may be recorded.

When any lien or claim for past-due corporate franchise taxes, which may have been assessed upon a corporation's total authorized capital stock because of the corporation's failure to file a franchise tax return, shall be brought into question, the director of the Division of Taxation may, upon application of any party having an interest in the property against which such lien is claimed or asserted, and upon the receipt of satisfactory proof, redetermine and reassess the tax in an amount based upon the capital stock issued and outstanding as of January 1 of the year in question.

C. 54:49-12.1 Fees for cost of collection.

8. (New section) If any State tax is not paid within the time prescribed by law, and the director issues a certificate of debt pursuant to R.S. 54:49-12, a fee for the cost of collection of the tax may be imposed by the director. In lieu of imposing the actual cost of collection as the fee, the director may impose a fee in the amount of 5% of the tax or $100.00, whichever is greater. In the event that the State tax remains unpaid following the issuance of the certificate of debt and the director takes any further collection action including referral of the matter to the Attorney General, the fee imposed, in lieu of the actual cost of collection, may be 10% of the tax or $200.00, whichever is greater. In the further event that the tax remains unpaid and suit is instituted for the collection of the tax, the fee imposed, in lieu of the actual cost of collection, may be 20% of the tax or $500.00, whichever is greater. The fees imposed pursuant to this
section shall be in addition to any interest or penalty, or both, otherwise provided by law. The director shall promulgate regulations for determining the cost of collection.

9. Section 1 of P.L. 1981, c. 392 (C. 54:49-13a) is amended to read as follows:

C. 54:49-13a Levy, sale of property of person liable for any State tax.

1. As an additional or alternate remedy, the director may issue a warrant, directed to the sheriff of any county commanding him to levy upon and sell the real and personal property of any person liable for any State tax, which may be found within his county, for the payment of the amount thereof, with any penalties, interest, fees imposed for the cost of collection as may be provided by law and the cost of executing the warrant, and to return such warrant to the director and to pay to him the money collected by virtue thereof within 60 days after the receipt of such warrant. The sheriff shall within five days after the receipt of the warrant file with the county clerk a copy thereof, and thereupon such clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalties, interest and any fees imposed for the cost of collection for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the title to and interest in real and personal property of the person against whom the warrant is issued. The sheriff shall then proceed upon the warrant, in the same manner, and with like effect, as that provided by law in respect to executions issued against property upon judgments of a court of record and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the Director of the Division of Taxation, Department of the Treasury, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the Division of Taxation, and in the execution thereof such officer or employee shall have all the powers conferred by law upon sheriffs, but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Except in the case of an arbitrary assessment, any warrant issued and directed to any officer or employee of the Division of Taxation prior to the time for filing an appeal to the tax court has expired, or after an appeal has been filed, shall not be executed upon unless a notice of intention to proceed upon the warrant shall have been directed to the person named in the warrant, which notice shall state the amount of taxes, penalties, interest and any fees imposed for the cost of collection as
may be provided by law claimed to be owing, and shall specify the right of the taxpayer to contest the execution upon the warrant in the tax court or in the Superior Court, within three days following receipt by the taxpayer of that notice. The court shall restrain the execution upon the warrant upon a showing that the State’s taxes, penalties, interest and any fees imposed for the cost of collection claimed to be owing will be adequately protected by bond or other security. If the warrant is returned not satisfied in full, the director may from time to time issue new warrants and shall also have the same remedies to enforce the amount due thereunder as if the State had recovered judgment therefor and execution thereon had been returned unsatisfied.

10. R.S. 54:49-16 is amended to read as follows:

Refund, credit to taxpayer.

54:49-16. a. Where no questions of fact or law are involved and it appears from the records of the director that any moneys have been erroneously or illegally collected from any taxpayer or other person or have been paid by any taxpayer or other person under a mistake of fact or law, the director may at any time, within two years of payment, unless a shorter limit is fixed by the law imposing the tax, upon making a record in writing of his reasons therefor, certify to the comptroller that the taxpayer is entitled to such refund and thereupon the comptroller shall authorize the payment thereof from the appropriation for such purpose.

b. Where no questions of fact or law are involved and it appears from the audit of any taxpayer that a State tax has been erroneously or illegally collected from such taxpayer, or has been paid by such taxpayer under a mistake of fact or law, the director may, within the time in which a deficiency assessment of that tax may be made, credit the erroneous overpayment of tax to the account of the taxpayer to offset the amount of a deficiency assessment; provided, however, that a credit shall only be applied to offset a liability for a period covered by the assessment period and shall only be granted with respect to a deficiency assessment made by the director under the same State tax as the erroneous overpayment.

11. R.S. 54:49-17 is amended to read as follows:

Repayment of deposit; application of deposit, refund to indebtedness.

54:49-17. When, to secure compliance with any of the provisions of any State tax law or of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., any moneys shall have been deposited with the director by any taxpayer and shall have been paid over to the
treasurer, and the director shall be satisfied that such taxpayer has fully complied with all such provisions, the director shall so certify to the comptroller who shall thereupon issue his warrant to the treasurer for the repayment to such taxpayer of such moneys or such part thereof as the director shall certify has not been applied by him to the satisfaction of any indebtedness arising under any State tax law or under the State Tax Uniform Procedure Law.

Whenever any taxpayer shall be entitled to any refund of taxes or to the repayment of any deposit, or to both, under the provisions of any State tax law or of the State Tax Uniform Procedure Law, and at the same time the said taxpayer shall be indebted to the State for taxes, penalties, interest or fees imposed for the cost of collection under the provisions of any other State tax law or of the State Tax Uniform Procedure Law, the director may apply or cause to be applied the said refund or deposit, or both, or so much of either or both as shall be necessary, to the satisfaction of the said indebtedness, so due from the taxpayer to the State, before making or certifying such refund or repayment.

12. R.S. 54:50-2 is amended to read as follows:

Examination, investigation.

54:50-2. a. For the purpose of administering the State Tax Uniform Procedure Law, or any State tax law, the director, whenever he deems it expedient, may make or cause to be made by any employee of the Division of Taxation engaged in the administration of that law, or any State tax law, an examination or investigation of the place of business, if any, the tangible personal property and the books, records, papers, vouchers, accounts and documents of any taxpayer. Every taxpayer and every director, officer, agent or employee of every taxpayer shall exhibit to the director or to any such employee of the Division of Taxation, the place of business, the tangible personal property and all of the books, records, papers, vouchers, accounts and documents of any taxpayer. Every taxpayer and every director, officer, agent or employee of every taxpayer shall exhibit to the director or to any such employee of the Division of Taxation, the place of business, the tangible personal property and all of the books, records, papers, vouchers, accounts and documents of the taxpayer and facilitate any such examination or investigation so far as it may be in his or their power so to do. The director or any employee of the division by him thereunto designated, may take the oath of any person signing any application, deposition, statement or report required by the director in the administration of the State Tax Uniform Procedure Law, or any State tax law.

b. For the purpose of administering the State Tax Uniform Procedure Law, or any State tax law, the director, whenever he deems it expedient, may enter into agreements with other states, the Dis-
trict of Columbia and the United States, providing for the reciprocal enforcement and administration of any tax imposed by those jurisdictions entering into such an agreement. The duly authorized officer of any jurisdiction which extends like authority to officers or employees of this State may sue for the collection of that jurisdiction's taxes in the courts of this State.

13. R.S. 54:50-8 is amended to read as follows:

Confidentiality.

54:50-8. a. The records and files of the director respecting the administration of the State Tax Uniform Procedure Law or of any State tax law shall be considered confidential and privileged and neither the director nor any employee engaged in the administration thereof or charged with the custody of any such records or files, nor any former officer or employee, nor any person who may have secured information therefrom under subsection d., e., f., or g. of R.S. 54:50-9 or any other provision of State law, shall divulge, disclose or use for their own personal advantage any information obtained from the said records or files or from any examination or inspection of the premises or property of any person. Neither the director nor any employee engaged in such administration or charged with the custody of any such records or files shall be required to produce any of them for the inspection of any person or for use in any action or proceeding except when the records or files or the facts shown thereby are directly involved in an action or proceeding under the provisions of the State Tax Uniform Procedure Law or of the State tax law affected, or where the determination of the action or proceeding will affect the validity or amount of the claim of the State under some State tax law, or in any lawful proceeding for the investigation and prosecution of any violation of the criminal provisions of the State Tax Uniform Procedure Law or of any State tax law.

b. The prohibitions of this section, against unauthorized disclosure or use by any present or former officer or employee of this State or any other individual having custody of such information obtained pursuant to the explicit authority of State law, shall specifically include, without limitation, violations involving the divulgence of any information from or any copy of a federal return or federal return information required by New Jersey law to be attached to or included in any New Jersey return. Any person violating this section shall be guilty of a crime of the fourth degree.

14. Section 4 of P.L. 1973, c. 367 (C. 54:50-15) is amended to read as follows:

4. The Director of the Division of Taxation shall, upon application, issue a certificate evidencing that a corporation's taxes have been paid or provided for if

a. In his judgment the amount which has been deposited or paid on account by such corporation is adequate to cover estimated taxes up to the date of the relevant corporate action; or

b. In a case in which the corporate action taken or proposed to be taken is one of the exceptions specified in paragraph (1) or (2) of subsection b. of section 2 of P.L. 1973, c. 367 (C. 54:50-13), the application for such certificate is accompanied by

(1) An opinion signed by an attorney-at-law of the State of New Jersey, who states that he is familiar with the facts of the transaction and that the requirements for such exception have been met and

(2) The written undertaking of the corporation or corporations assuming the tax liability; or

(1) A written undertaking from another domestic corporation, or foreign corporation authorized to transact business in this State, to pay all taxes of the applicant corporation on or before the date such taxes are payable and

(2) A certification that the corporation making such undertaking has a net worth not less than 10 times the amount of all taxes paid by the applicant corporation during the last complete year in which it filed tax returns with the State of New Jersey.

The Director of the Division of Taxation shall be entitled to receive as a fee for the issuance of such certificate the sum of $25.00.

C. 54:52-5 Charges under other titles.

15. (New section) The fact that certain acts or omissions may constitute crimes and offenses under Title 2C of the New Jersey Statutes, Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, and may be prosecuted under sections 16 through 29 of this 1987 amending and supplementary act (C. 54:52-6 through C. 54:52-19), shall not prevent a person from being charged under the provisions of Title 2C of the New Jersey Statutes, Title 54 of the Revised Statutes, or Title 54A of the New Jersey Statutes, if those acts or omissions constitute crimes or offenses under any of the provisions of those titles.
C. 54:52-6 Disorderly persons offenses.

   k. Fails to keep any records required by any State tax law or regulation of the director issued thereunder.

The offenses provided in this section shall be in addition to any other penalties prescribed in this 1987 amendatory and supplementary act or otherwise prescribed by law.

In a prosecution of an offense under this section the State shall not be required to prove that the defendant acted purposely or knowingly with respect to the nature of his conduct.

The designation of certain acts or omissions as disorderly persons offenses under this section shall not prevent a person from being charged or convicted under any other provision of Title 2C of the New Jersey Statutes, Title 54 of the Revised Statutes, and Title 54A of the New Jersey Statutes if those acts are chargeable under those provisions.
C. 54:52-7 Providing false information.

C. 54:52-8 Failure to file return.

18. (New section) A person is guilty of a crime of the third degree if he fails to file any return or report required to be filed pursuant to the provisions of any State tax law with the intent to defraud the State or to evade, avoid or otherwise not make timely payment of any tax, fee, penalty, interest or any part thereof which shall be due pursuant to the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., as amended and supplemented, or any State tax law.

C. 54:52-9 Failure to pay.

19. (New section) a. A person is guilty of a crime of the third degree if he fails to pay or turn over when due any tax, fee, penalty or interest or any part thereof required to be paid pursuant to the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., as amended and supplemented, or any State tax law, with the intent to evade, avoid or otherwise not make timely payment or deposit of any tax, fee, penalty or interest or any part thereof.

b. The fact that any payment was made with a subsequently dishonored negotiable instrument shall constitute prima facie evidence that the actor failed to pay within the meaning of subsection a. of this section, and the trier of fact may draw a permissive inference therefrom that the actor did not intend to make the payment.

C. 54:52-10 Filing of fraudulent return.

20. (New section) A person is guilty of a crime of the third degree if he files, prepares, causes to be filed or assists in the preparation or filing of a false or fraudulent return, report, statement, or application required to be filed pursuant to the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., as amended and supplemented, or any State tax law, with the intent to evade, avoid or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof.

21. (New section) A person is guilty of a crime of the third degree if he maintains, prepares or assists in the preparation of false or fraudulent books or records, or presents false or fraudulent books or records to the director for inspection or examination with intent to
evade, avoid or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof.

C. 54:52-12 Failure to maintain books, records.

22. (New section) A person is guilty of a crime of the third degree if he fails to maintain books or records as required by the provisions of any State tax law and the regulations issued thereunder with intent to evade, avoid or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof.

C. 54:52-13 Failure to register, obtain license.

23. (New section) A person is guilty of a crime of the third degree if he is not licensed or registered with the Division of Taxation, and engages in conduct which requires him to register with or obtain a license from the Division of Taxation, with intent to evade, avoid or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof.

C. 54:52-14 Failure to collect, withhold State tax.

24. (New section) A person is guilty of a crime of the third degree if he fails to collect or withhold any State tax with the intent to evade, avoid, or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof.

C. 54:52-15 Failure to turn over collected, withheld tax.

25. (New section) A person is guilty of a crime of the third degree if he, after having collected or withheld taxes as required by any State tax law, whether or not he is authorized, licensed, or registered to collect or withhold taxes, purposely fails to turn over the taxes to the Director of the Division of Taxation in the manner and at the time prescribed by law. The crime shall be of the second degree if the amount of the tax collected or withheld is $75,000.00 or more.

C. 54:52-16 Operating under voided corporate charter.

26. (New section) A person is guilty of a crime of the fourth degree if he knowingly operates under a voided corporate charter.

C. 54:52-17 Dealing with unlicensed person.

27. (New section) a. A person who is prohibited under the provisions of any State tax law from dealing with persons not properly licensed or registered with the Division of Taxation is a disorderly person if he knowingly deals with such an unlicensed person.

b. A person who is prohibited under the provisions of any State tax law from dealing with persons not properly licensed or registered with the Division of Taxation, who deals with an unlicensed person with the intent to evade, avoid, or otherwise not make timely pay-
ment or with the intent to assist the unlicensed person to evade, avoid, or otherwise not make timely payment of any tax, fee, penalty or interest, or any part thereof, is guilty of a crime of the fourth degree.

C. 54:52-18 Possession of goods without paying tax.

28. (New section) A person who knowingly possesses goods which are required to be taxed and on which the tax has not been paid is guilty of a disorderly persons offense.

C. 54:52-19 False testimony; verification of false statements.

29. (New section) A person who knowingly swears to, affirms, certifies or verifies any false or fraudulent statement with intent to evade, avoid or otherwise not pay any tax, fee, penalty or interest, or any part thereof, or being under oath, testifies falsely at any hearing held pursuant to the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., is guilty of a crime of the fourth degree.

30. N.J.S. 2C:1-8 is amended to read as follows:

Method of prosecution when conduct constitutes more than one offense.

a. Prosecution for multiple offenses; limitation on convictions. When the same conduct of a defendant may establish the commission of more than one offense, the defendant may be prosecuted for each such offense. He may not, however, be convicted of more than one offense if:

(1) One offense is included in the other, as defined in subsection d. of this section;

(2) One offense consists only of a conspiracy or other form of preparation to commit the other;

(3) Inconsistent findings of fact are required to establish the commission of the offenses; or

(4) The offenses differ only in that one is defined to prohibit a designated kind of conduct generally and the other to prohibit a specific instance of such conduct. The provisions of this paragraph (4) of subsection a. of this section or any other provision of law notwithstanding, no State tax offense defined in Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, as amended and supplemented, shall be construed to preclude a prosecution for any offense defined in this code.
A determination barring multiple convictions shall be made by the court after verdict or finding of guilt.

b. Limitation on separate trials for multiple offenses. Except as provided in subsection c. of this section, a defendant shall not be subject to separate trials for multiple criminal offenses based on the same conduct or arising from the same episode, if such offenses are known to the appropriate prosecuting officer at the time of the commencement of the first trial and are within the jurisdiction and venue of a single court.

c. Authority of court to order separate trials. When a defendant is charged with two or more criminal offenses based on the same conduct or arising from the same episode, the court may order any such charges to be tried separately in accordance with the Rules of Court.

d. Conviction of included offense permitted. A defendant may be convicted of an offense included in an offense charged whether or not the included offense is an indictable offense. An offense is so included when:

1. It is established by proof of the same or less than all the facts required to establish the commission of the offense charged; or

2. It consists of an attempt or conspiracy to commit the offense charged or to commit an offense otherwise included therein; or

3. It differs from the offense charged only in the respect that a less serious injury or risk of injury to the same person, property or public interest or a lesser kind of culpability suffices to establish its commission.

e. Submission of included offense to jury. The court shall not charge the jury with respect to an included offense unless there is a rational basis for a verdict convicting the defendant of the included offense.

31. N.J.S. 2C:20-2 is amended to read as follows:

Consolidation of theft offenses; grading; provisions applicable to theft generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally.

a. Consolidation of Theft Offenses. Conduct denominated theft in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction.
A charge of theft may be supported by evidence that it was committed in any manner that would be theft under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if the amount involved is $75,000.00 or more if the property is taken by extortion.

(2) Theft constitutes a crime of the third degree if:

(a) The amount involved exceeds $500.00 but is less than $75,000.00;

(b) The property stolen is a firearm, automobile, boat, horse or airplane;

(c) The property stolen is a controlled dangerous substance as defined in P.L. 1970, c. 226 (C. 24:21-1 et seq.);

(d) It is from the person of the victim;

(e) It is in breach of an obligation by a person in his capacity as a fiduciary;

(f) It is by threat not amounting to extortion; or

(g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00. If the amount involved was less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.
c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft was from the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft only if it occurs after the parties have ceased living together.

32. N.J.S. 2C:20-9 is amended to read as follows:

Theft by failure to make required disposition of property received.

2C:20-9. Theft by Failure to Make Required Disposition of Property Received. A person who purposely obtains or retains property upon agreement or subject to a known legal obligation to make specified payment or other disposition, whether from such property or its proceeds or from his own property to be reserved in equivalent amount, is guilty of theft if he deals with the property obtained as his own and fails to make the required payment or disposition. The foregoing applies notwithstanding that it may be impossible to identify particular property as belonging to the victim at the time of the actor's failure to make the required payment or disposition. An officer or employee of the government or of a financial institution is presumed: (a) to know any legal obligation relevant to his criminal liability under this section, and (b) to have dealt with the property as his own if he fails to pay or account upon lawful demand, or if an audit reveals a shortage or falsification of accounts. The fact that any payment or other disposition was made with a subsequently dishonored negotiable instrument shall constitute prima facie evidence of the actor's failure to make the required payment or disposition, and the trier of fact may draw a permissive inference therefrom that the actor did not intend to make the required payment or other disposition.
33. N.J.S. 2C:21-15 is amended to read as follows:

**Misapplication of entrusted property and property of government or financial institution.**

2C:21-15. Misapplication of Entrusted Property and Property of Government or Financial Institution. A person commits a crime if he applies or disposes of property that has been entrusted to him as a fiduciary, or property belonging to or required to be withheld for the benefit of the government or of a financial institution in a manner which he knows is unlawful and involves substantial risk of loss or detriment to the owner of the property or to a person for whose benefit the property was entrusted whether or not the actor has derived a pecuniary benefit. "Fiduciary" includes trustee, guardian, executor, administrator, receiver and any person carrying on fiduciary functions on behalf of a corporation or other organization which is a fiduciary.

If the benefit derived from a violation of this section is $75,000.00, or more, the offender is guilty of a crime of the second degree. If the benefit derived exceeds $1,000.00, but is less than $75,000.00, the offender is guilty of a crime of the third degree. If the benefit derived is $1,000.00, or less, the offender is guilty of a crime of the fourth degree.

For the purposes of this section, the term "benefit derived" shall include but shall not be limited to the amount of any tax avoided, evaded or otherwise unpaid or improperly retained or disposed of.

34. N.J.S. 2C:43-3 is amended to read as follows:

**Fines and restitutions.**

2C:43-3. Fines and Restitutions. A person who has been convicted of an offense may be sentenced to pay a fine, to make restitution, or both, such fine not to exceed:

a. $100,000.00, when the conviction is of a crime of the first or second degree;

b. $7,500.00, when the conviction is of a crime of the third or fourth degree;

c. $1,000.00, when the conviction is of a disorderly persons offense;

d. $500.00, when the conviction is of a petty disorderly persons offense;
e. Any higher amount equal to double the pecuniary gain to the offender or loss to the victim caused by the conduct constituting the offense by the offender. In such case the court shall make a finding as to the amount of the gain or loss, and if the record does not contain sufficient evidence to support such a finding the court may conduct a hearing upon the issue. For purposes of this section the terms "gain" means the amount of money or the value of property derived by the offender and "loss" means the amount of value separated from the victim. The term "gain" shall also mean, where appropriate, the amount of any tax, fee, penalty, and interest avoided, evaded, or otherwise unpaid or improperly retained or disposed of;

f. Any higher amount specifically authorized by another subsection, section of this code or any other statute;

g. Up to twice the amounts authorized in subsection a., b., c. or d. of this section, in the case of a second or subsequent conviction of any tax offense defined in Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, as amended and supplemented, or of any offense defined in chapter 20 or 21 of this code.

The restitution ordered paid to the victim shall not exceed his loss, except that in any case involving the failure to pay any State tax, the amount of restitution to the State shall be the full amount of the tax avoided or evaded, including full civil penalties and interest as provided by law. In any case where the victim of the offense is any department or division of State government, the court shall order restitution to the victim. Any restitution imposed on a person shall be in addition to any fine which may be imposed pursuant to this section.

35. N.J.S. 2C:43-6 is amended to read as follows:

Sentence of imprisonment for crime; ordinary terms; mandatory terms.

2C:43-6. Sentence of Imprisonment for Crime; Ordinary Terms; Mandatory Terms.

a. Except as otherwise provided, a person who has been convicted of a crime may be sentenced to imprisonment, as follows:

(1) In the case of a crime of the first degree, for a specific term of years which shall be fixed by the court and shall be between 10 years and 20 years;

(2) In the case of a crime of the second degree, for a specific term of years which shall be fixed by the court and shall be between five years and 10 years;
(3) In the case of a crime of the third degree, for a specific term of years which shall be fixed by the court and shall be between three years and five years;

(4) In the case of a crime of the fourth degree, for a specific term which shall be fixed by the court and shall not exceed 18 months.

b. As part of a sentence for any crime, where the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors, as set forth in subsections a. and b. of 2C:44-1, the court may fix a minimum term not to exceed one-half of the term set pursuant to subsection a., or one-half of the term set pursuant to a maximum period of incarceration for a crime set forth in any statute other than this code, during which the defendant shall not be eligible for parole; provided that no defendant shall be eligible for parole at a date earlier than otherwise provided by the law governing parole.

c. A person who has been convicted under 2C:39-4a. of possession of a firearm with intent to use it against the person of another, or of a crime under any of the following sections: 2C:11-3, 2C:11-4, 2C:12-1b., 2C:13-1, 2C:14-2a., 2C:14-3a., 2C:15-1, 2C:18-2, 2C:29-5, who, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a firearm as defined in 2C:39-1f., shall be sentenced to a term of imprisonment by the court. The term of imprisonment shall include the imposition of a minimum term. The minimum term shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or three years, whichever is greater, or 18 months in the case of a fourth degree crime, during which the defendant shall be ineligible for parole.

The minimum terms established by this section shall not prevent the court from imposing presumptive terms of imprisonment pursuant to 2C:44-1f. (1) except in cases of crimes of the fourth degree.

A person who has been convicted of an offense enumerated by this subsection and who used or possessed a firearm during its commission, attempted commission or flight therefrom and who has been previously convicted of an offense involving the use or possession of a firearm as defined in 2C:44-3d., shall be sentenced by the court to an extended term as authorized by 2C:43-7c., notwithstanding that extended terms are ordinarily discretionary with the court.
d. The court shall not impose a mandatory sentence pursuant to subsection c. of this section, 2C:43-7c. or 2C:44-3d., unless the ground therefor has been established at a hearing. At the hearing, which may occur at the time of sentencing, the prosecutor shall establish by a preponderance of the evidence that the weapon used or possessed was a firearm. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing, or other court proceedings and shall also consider the presentence report and any other relevant information.

e. A person convicted of a third or subsequent offense involving State taxes under N.J.S. 2C:20-9, N.J.S. 2C:21-15, any other provision of this code, or under any of the provisions of Title 54 of the Revised Statutes, or Title 54A of the New Jersey Statutes, as amended and supplemented, shall be sentenced to a term of imprisonment by the court. This shall not preclude an application for and imposition of an extended term of imprisonment under N.J.S. 2C:44-3 if the provisions of that section are applicable to the offender.

36. N.J.S. 2C:44-1 is amended to read as follows:

Criteria for withholding or imposing sentence of imprisonment.

2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment.

a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court shall consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not it was committed in an especially heinous, cruel, or depraved manner;

(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, disability, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another offense;

(4) A lesser sentence will depreciate the seriousness of the defendant's offense because it involved a breach of the public trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;
(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant's prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority, or the defendant committed the offense because of the status of the victim as a public servant;

(9) The need for deterring the defendant and others from violating the law;

(10) The offense involved fraudulent or deceptive practices committed against any department or division of State government;

(11) The imposition of a fine, penalty or order for restitution without also imposing a term of imprisonment would be perceived by the defendant or others merely as part of the cost of doing business, or as an acceptable contingent business or operating expense associated with the initial decision to resort to unlawful practices.

b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant's conduct neither caused nor threatened serious harm;

(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;

(3) The defendant acted under a strong provocation;

(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;

(5) The victim of the defendant's conduct induced or facilitated its commission;
(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;

(8) The defendant's conduct was the result of circumstances unlikely to recur;

(9) The character and attitude of the defendant indicate that he is unlikely to commit another offense;

(10) The defendant is particularly likely to respond affirmatively to probationary treatment;

(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;

(12) The willingness of the defendant to cooperate with law enforcement authorities;

(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.

(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

d. Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than a crime of the first or second degree, who has not previously been convicted of an offense, without imposing sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character and condition of the defendant,
it is of the opinion that his imprisonment is necessary for the protection of the public under the criteria set forth in subsection a.

f. Presumptive Sentences. (1) Except for the crime of murder, unless the preponderance of aggravating or mitigating factors, as set forth in subsections a. and b., weighs in favor of a higher or lower term within the limits provided in N.J.S. 2C:43-6, when a court determines that a sentence of imprisonment is warranted, it shall impose sentence as follows:

(a) To a term of 20 years for aggravated manslaughter or kidnapping pursuant to paragraph (1) of subsection c. of N.J.S. 2C:13-1 when the offense constitutes a crime of the first degree;

(b) Except as provided in subparagraph (a) of this subsection to a term of 15 years for a crime of the first degree;

(c) To a term of seven years for a crime of the second degree;

(d) To a term of four years for a crime of the third degree; and

(e) To a term of nine months for a crime of the fourth degree.

In imposing a minimum term pursuant to 2C:43-6b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.

Unless the preponderance of mitigating factors set forth in subsection b. weighs in favor of a lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a.(1) shall have a presumptive term of life imprisonment. Unless the preponderance of aggravating and mitigating factors set forth in subsections a. and b. weighs in favor of a higher or lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a.(2) shall have a presumptive term of 50 years' imprisonment; sentences imposed pursuant to 2C:43-7a.(3) shall have a presumptive term of 15 years' imprisonment; and sentences imposed pursuant to 2C:43-7a.(4) shall have a presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to 2C:43-7b., the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second degree where the court is clearly convinced that the mitigating factors
substantially outweigh the aggravating factors and where the interest of justice demands, the court may sentence the defendant to a term appropriate to a crime of one degree lower than that of the crime for which he was convicted. If the court does impose sentence pursuant to this paragraph, or if the court imposes a noncustodial or probationary sentence upon conviction for a crime of the first or second degree, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. If the court, in considering the aggravating factors set forth in subsection a., finds the aggravating factor in paragraph a. (2) and does not impose a custodial sentence, the court shall specifically place on the record the mitigating factors which justify the imposition of a noncustodial sentence.

37. Section 4 of P.L. 1940, c. 4 (C. 54:30A-19) is amended to read as follows:

C. 54:30A-19 Statements to Director of Division of Taxation.

4. (A) Every taxpayer shall on or before the first day of September, 1941, and the first day of September in each year thereafter return to the Director of the Division of Taxation a statement in such form and detail as the Director of the Division of Taxation shall require, showing, as of the first day of July preceding:

(1) The scheduled property of the taxpayer located in, on or over any public street, highway, road or other public place in this State; and

(2) The length of the taxpayer's lines or mains in, on, along or over any public street, highway, road or other public place in this State, exclusive of service connections; and

(3) The whole length of the taxpayer's lines or mains, exclusive of service connections.

(B) Every taxpayer shall on or before February 1, 1941, and February 1 in each year thereafter return to the Director of the Division of Taxation a statement showing its gross receipts for the preceding calendar year.

(C) The statements herein provided for shall be subscribed and sworn to by the taxpayer or the president, a vice-president, or chief officer of the corporation making such return. Any taxpayer refusing or neglecting to make the statements herein provided for shall forfeit and pay to the State of New Jersey the sum of one hundred dollars
($100.00) per day for each day of such refusal or neglect, to be recovered in an action at law in the name of the State and which, when recovered, shall be paid into the State Treasury. It shall be the duty of the Director of the Division of Taxation to certify any such default to the Attorney General of the State who, thereupon, shall prosecute an action at law for such penalty.

(D) The Director of the Division of Taxation shall audit and verify the statements filed by taxpayers whenever and in such respects as he shall deem necessary or advisable. The Director of the Division of Taxation may require any taxpayer to supply additional data and information in such form and detail as he shall request, whenever he may deem it necessary or helpful, for the proper performance of his duties under this act.

38. Section 7 of P.L. 1940, c. 5 (C. 54:30A-55) is amended to read as follows:

C. 54:30A-55 Statements by taxpayers operating gas, electric facilities.

7. (A) Every taxpayer shall on or before the first day of September, 1941 and on or before the first day of September in each year thereafter return to the Director of the Division of Taxation a statement in such form and detail as the Director of the Division of Taxation shall require, showing, as of the first day of July of such year:

(1) The scheduled property of the taxpayer located in, on or over any public street, highway, road or other public place in each municipality in this State and the scheduled property not so located in each municipality in this State;

(2) The length of the taxpayer's lines and mains along, in, on or over any public street, highway, road or other public place in this State, exclusive of service connections (but not including in the case of a street railway or traction company the length of the lines operated by autobuses or vehicles of the character described in R.S. 48:15-41 et seq.); and

(3) The whole length of the taxpayer's lines and mains, exclusive of service connections (but not including in the case of a street railway or traction company the length of the lines operated by autobuses or vehicles of the character described in R.S. 48:15-41 et seq.).

(4) Every taxpayer operating both gas and electric facilities shall supply the information required by this subsection (A) in such man-
ner as the Director of the Division of Taxation shall require so that its gas and electric scheduled property and length of gas and electric lines shall be shown separately.

(B) Every taxpayer shall on or before February 1, 1941, and on or before February 1 in each year thereafter return to the Director of the Division of Taxation a statement showing:

1. The gross receipts for the preceding calendar year from the business over, on, in, through or from the taxpayer's lines and mains in this State, stated separately for each class of business; and

2. The gross receipts for the preceding calendar year from the business over, on, in, through or from the whole of the taxpayer's lines and mains.

C. 58:10-23.11h Tax on transferred hazardous substances.

9. a. There is hereby levied upon each owner or operator of one or more major facilities a tax to insure compensation for cleanup costs and damages associated with any discharge of hazardous substances to be paid by the transferee; provided, however, that in the case of a major facility which operates as a public storage terminal for hazardous substances owned by others, the owner of the hazardous substance transferred to such major facility or his authorized agent shall be considered to be the transferee or transferor, as the case may be, for the purposes of this section and shall be deemed to be a taxpayer for purposes of this act. Where such person has failed to file a return or pay the tax imposed by this act within 60 days after the due date thereof, the director shall forthwith take appropriate steps to collect same from the owner of the hazardous substance. In the event the director is not successful in collecting said tax, then on notice to the owner or operator of the public storage terminal of said fact said owner or operator shall not release any hazardous substance owned by the taxpayer. The director may forthwith proceed to satisfy any tax liability of the taxpayer by seizing, selling...
or otherwise disposing of said hazardous substance to satisfy the taxpayer's tax liability and to take any further steps permitted by law for its collection. For the purposes of this act, public storage terminal shall mean a public or privately owned major facility operated for public use which is used for the storage or transfer of hazardous substances. The tax shall be measured by the number of barrels or the fair market value, as the case may be, of hazardous substances transferred to the major facility; provided, however, that the same barrel, including any products derived therefrom, subject to multiple transfers from or between major facilities shall be taxed only once at the point of the first transfer.

When a hazardous substance other than petroleum which has not been previously taxed is transferred from a major in-State facility to a facility which is not a major facility, the transferor shall be liable for tax payment for said transfer.

b. The tax shall be $0.0125 per barrel transferred and in the case of the transfer of hazardous substances other than petroleum or petroleum products, the tax shall be the greater of $0.0125 per barrel or 1.0% of the fair market value of the product; provided, however, that with respect to transfers of hazardous substances other than petroleum or petroleum products which are or contain any precious metals to be recycled, refined, or rerefined in this State, or which are transferred into this State subsequent to being recycled, refined or rerefined, the tax shall be $0.0125 per barrel of the hazardous substance; and provided further, however, that the total aggregate tax due for any individual taxpayer which has paid the tax in the 1986 tax year shall not exceed 125% of the tax due and payable by that taxpayer during the 1986 tax year; except that for a hazardous substance which is directly converted to, and comprises more than 90% by weight of, a non-hazardous final product, the taxpayer shall pay no more than 100% of the tax due and payable in the 1986 tax year. For the purposes of this section, “precious metals” means gold, silver, osmium, platinum, palladium, iridium, rhodium, ruthenium and copper. In the event of a major discharge or series of discharges of petroleum or petroleum products resulting in reasonable claims against the fund exceeding the existing balance of the fund, the tax shall be levied at the rate of $0.04 per barrel of petroleum or petroleum products transferred, until the revenue produced by such increased rate equals 150% of the total dollar amount of all pending reasonable claims resulting from the discharge of petroleum or petroleum products; provided, however, that such rate may be set at less than $0.04 per barrel transferred if the administrator determines
that the revenue produced by such lower rate will be sufficient to pay outstanding reasonable claims against the fund within one year of such levy; and provided further, however, that under no circumstances shall this rate be levied for the period of one year immediately following enactment of this 1986 amendatory and supplementary act, P.L. 1986, c. 143 (C. 58:10-23.11b et al.).

Interest received on moneys in the fund shall be credited to the fund.

c. (1) Every taxpayer and owner or operator of a public storage terminal for hazardous substances shall on or before the 20th day of the month following the close of each tax period render a return under oath to the director on such forms as may be prescribed by the director indicating the number of barrels of hazardous substances transferred and where appropriate, the fair market value of the hazardous substances transferred to or from the major facility, and at said time the taxpayer shall pay the full amount of the tax due.

(2) Every taxpayer or owner or operator of a major facility or vessel which transfers a hazardous substance, as defined in this act, and who is subject to the tax under subsection a. shall within 20 days after the first such transfer in any fiscal year register with the director on such form as shall be prescribed by him.

d. If a return required by this act is not filed, or if a return when filed is incorrect or insufficient in the opinion of the director, the amount of tax due shall be determined by the director from such information as may be available. Notice of such determination shall be given to the taxpayer liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 30 days after receiving notice of such determination, shall apply to the director for a hearing, or unless the director on his own motion shall redetermine the same. After such hearing the director shall give notice of his determination to the person to whom the tax is assessed.

e. Any taxpayer who shall fail to file his return when due or to pay any tax when the same becomes due, as herein provided, shall be subject to such penalties and interest as provided in the “State Tax Uniform Procedure Law,” R.S. 54:48-1 et seq. If the Division of Taxation determines that the failure to comply with any provision of this section was excusable under the circumstances, it may remit such part or all of the penalty as shall be appropriate under such circumstances.
f. (1) (Deleted by amendment, P.L. 1987, c. 76.)

(2) (Deleted by amendment, P.L. 1987, c. 76.)

(2) To prescribe and distribute all necessary forms for the implementation of this section.

19. The director may grant a reasonable extension of time for the filing of returns or the payment of tax or both, under such rules and regulations as he shall prescribe, which rules and regulations may require the filing of a tentative return and the payment of an estimated tax. If the time for filing the return shall be extended, the payment of the portion of the tax remaining to be paid, if any, shall be postponed to the date fixed by the extension of the time for the filing of the return, but in every such case the corporation shall pay, in addition to the unpaid portion of the tax, interest thereon at the rate as provided in the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., from the time when the return originally was required to be filed to the date of actual payment under the extension; provided, that if such unpaid portion of the tax is not paid within the time fixed under the extension, the interest on such unpaid portion shall be computed at the rate as provided in the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., from the date the tax was originally due to the date of actual payment and if the amount paid at the time of the filing of the return was less than 90% of the amount due, the taxpayer shall be liable for a penalty of 5% per month or fraction thereof on the amount of underpayment which shall be in addition to the interest charges provided above.

55. R.S. 54:44-6 is amended to read as follows:

54:44-6. The Director of the Division of Taxation in the Depart-
ment of the Treasury, whenever requested by any person licensed
pursuant to the provisions of Title 33, Intoxicating Liquors, R.S.
33:1-1 et seq., shall issue to any governmental agency having
authority to issue and transfer such licenses a certificate stating
whether any such person is indebted to this State for any taxes,
penalties, and interest, under the provisions of the "Alcoholic
Beverage Tax Law," R.S. 54:41-1 et seq., and, if so, the amount of
said debt; provided, there is paid to him for the use of the State of
New Jersey a fee of $25.00 for each person for whom a certificate is
requested.

56. N.J.S. 54A:5-1 is amended to read as follows:

New Jersey gross income defined.

54A:5-1. New Jersey Gross Income Defined. New Jersey gross
income shall consist of the following categories of income:
a. Salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered whether in cash or in property.

b. Net profits from business. The net income from the operation of a business, profession, or other activity, after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting allowed for federal income tax purposes but without deduction of taxes based on income.

c. Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible as determined in accordance with the method of accounting allowed for federal income tax purposes. For the purpose of determining gain or loss, the basis of property shall be the adjusted basis used for federal income tax purposes.

For the tax year 1976, any taxpayer with a tax liability under this subsection, or under the “Tax on Capital Gains and Other Unearned Income Act” (P.L. 1975, c. 172), shall not be subject to payment of an amount greater than the amount he would have paid if either return had covered all capital transactions during the full tax year 1976; provided, however, that the rate which shall apply to any capital gain shall be that in effect on the date of the transaction. To the extent that any loss is used to offset any gain under P.L. 1975, c. 172, it shall not be used to offset any gain under the “New Jersey Gross Income Tax Act” (P.L. 1976, c. 47).

The term “net gains or income” shall not include gains or income derived from obligations which are referred to in clause (1) or (2) of section 54A:6-14 of this act. The term “net gains or net income” shall not include gains or income from transactions to the extent to which nonrecognition is allowed for federal income tax purposes. The term “sale, exchange or other disposition” shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganization, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. For purposes of this clause, stock or securities issued for services shall not be considered as issued in return for property.
For purposes of this clause, the term “reorganization” means—

(i) A statutory merger or consolidation;

(ii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition);

(iii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation), of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded;

(iv) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred;

(v) A recapitalization;

(vi) A mere change in identity, form, or place of organization however effected; or

(vii) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this subclause as “controlling corporation”) which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under subclause (i) if such transaction would have qualified under subclause (i) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction;

(viii) A transaction otherwise qualifying under subclause (i) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this subclause as the “controlling corporation”) which before the merger was in control of the merged corporation is used in the transaction, if after the transaction, the corporation surviving
the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

For purposes of this clause, the term "control" means the ownership of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all other classes of stock of the corporation.

For purposes of this clause, the term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. In the case of a reorganization qualifying under subclause (i) by reason of subclause (vii) the term "a party to a reorganization" includes the controlling corporation referred to in such subclause (vii).

Notwithstanding any provisions hereof, upon every such exchange or conversion, the taxpayer's basis for the stock or securities received shall be the same as the taxpayer's actual or attributed basis for the stock, securities or property surrendered in exchange therefor.

d. Net gains or net income derived from or in the form of rents, royalties, patents, and copyrights.

e. Interest, except interest referred to in clause (1) or (2) of N.J.S. 54A:6-14, or interest on savings certificates issued pursuant to the provisions of chapter 6 of this act.

f. Dividends. "Dividends" means any distribution in cash or property made by a corporation, association or business trust, (1) out of accumulated earnings and profits, or (2) out of earnings and profits of the year in which such dividend is paid.

g. Gambling winnings.

h. Net gains or income derived through estates or trusts.

i. Income in respect of a decedent.

j. Amounts distributed or withdrawn from an employee trust attributable to contributions to the trust which were excluded from gross income under the provisions of chapter 6 of Title 54A of the New Jersey Statutes and pensions and annuities except to the extent

k. Distributive share of partnership income.

l. Amounts received as prizes and awards, except as provided in sections 54A:6-8 and 54A:6-11 hereunder.

m. Rental value of a residence furnished by an employer or a rental allowance paid by an employer to provide a home.

n. Alimony and separate maintenance payments to the extent that such payments are required to be made under a decree of divorce or separate maintenance but not including payments for support of minor children.

o. Income, gain or profit derived from acts or omissions defined as crimes or offenses under the laws of this State or any other jurisdiction.

57. N.J.S. 54A:7-1 is amended to read as follows:

Requirement of withholding tax from wages.

54A:7-1. Requirement of withholding tax from wages. (a) General.—From and after the first day of the first month following at least a full calendar month after the enactment of this act, every employer maintaining an office or transacting business within this State and making payment of any wages subject to New Jersey personal income tax to a resident or nonresident individual shall deduct and withhold from such wages for each payroll period a tax computed in such manner as to result, so far as practicable, in withholding from the employee's wages during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due resulting from the inclusion in the employee's New Jersey income of his wages received during such calendar year. The method of determining the amount to be withheld shall be prescribed by regulations of the director, with due regard to the withholding exemptions of the employee.

(b) Withholding exemptions.—For purposes of this section:
An employee shall be entitled to the equivalent of the same number of New Jersey withholding exemptions as the number of withholding exemptions to which he is entitled for Federal income tax withholding purposes. An employer may rely upon the number of Federal withholding exemptions claimed by the employee.

(c) The payor of New Jersey gambling winnings shall withhold New Jersey gross income tax on those winnings at a rate of 3% in all instances where the payor is required to withhold for federal income tax purposes under subsection (q) of section 3402 of the federal Internal Revenue Code of 1986 (26 U.S.C. §3402), as amended, except that this subsection shall not apply to the New Jersey State Lottery.

58. N.J.S. 54A:9-5 is amended to read as follows:

Interest on underpayment.

54A:9-5. Interest on underpayment. (a) General. If any amount of income tax is not paid on or before the last date prescribed in this act for payment, interest on such amount at the rate as is required under the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq. If the time for filing of a return of tax withheld by an employer is extended, the employer shall pay interest for the period for which the extension is granted and may not charge such interest to the employee.

(b) Exception as to estimated tax. This section shall not apply to any failure to pay estimated tax under section 54A:8-5.

(c) (Deleted by amendment, P.L. 1987, c. 76.)

(d) (Deleted by amendment, P.L. 1987, c. 76.)

(e) Suspension of interest on deficiencies. If a waiver of restrictions on assessment of a deficiency has been filed by the taxpayer, and if notice and demand by the director for payment of such deficiency is not made within 30 days after the filing of such waiver, interest shall not be imposed on such deficiency for the period beginning immediately after such 30th day and ending with the date of notice and demand.

(f) Interest treated as tax. Interest under this section shall be paid upon notice and demand and shall be assessed, collected and paid in the same manner as income tax. Any reference in this act to the tax imposed by this act shall be deemed also to refer to interest imposed by this section on such tax.
(g) Interest on penalties or additions to tax. Interest shall be imposed under subsection (a) in respect of any assessable penalty or addition to tax only if such assessable penalty or addition to tax is not paid within 10 days from the date of the notice and demand therefor under subsection (b) of section 54A:9-12, and in such case interest shall be imposed only for the period from such date of the notice and demand to the date of payment.

(h) Payment prior to notice of deficiency. If, prior to the mailing to the taxpayer of a notice of deficiency under subsection (b) of section 54A:9-2, the director mails to the taxpayer a notice of proposed increase of tax and within 30 days after the date of the notice of proposed increase the taxpayer pays all amounts shown on the notice to be due to the director, no interest under this section on the amount so paid shall be imposed for the period after the date of such notice of proposed increase.

(i) Payment within 10 days after notice and demand. If notice and demand is made for payment of any amount under subsection (b) of section 54A:9-12, and if such amount is paid within 10 days after the date of such notice and demand, interest under this section on the amount so paid shall not be imposed for the period after the date of such notice and demand.

(j) Limitation on assessment and collection. Interest prescribed under this section may be assessed and collected at any time during the period within which the tax or other amount to which such interest relates may be assessed and collected, respectively.

(k) Interest on erroneous refund. Any portion of tax or other amount which has been erroneously refunded, and which is recoverable by the director, shall bear interest as is required under the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq.

(l) Satisfaction by credits. If any portion of a tax is satisfied by credit of an overpayment, then no interest shall be imposed under this section on the portion of the tax so satisfied for any period during which, if the credit had not been made, interest would have been allowable with respect to such overpayment.

59. N.J.S. 54A:9-6 is amended to read as follows:

Additions to tax and civil penalties.

54A:9-6. Additions to tax and civil penalties. (a) Failure to file tax return. In case of failure to file a tax return under this act on or before the prescribed date (determined with regard to any ex-
tension of time for filing), unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be added to the amount required to be shown as tax on such return such amount as is required under the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq. For this purpose, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(b) Deficiency due to negligence. If any part of a deficiency is due to negligence or intentional disregard of this act or rules or regulations hereunder (but without intent to defraud), there shall be added to the tax an amount equal to 10% of the deficiency.

(c) Failure to file declaration or underpayment of estimated tax. If any taxpayer fails to file a declaration of estimated tax or fails to pay all or any part of an installment of estimated tax, he shall be deemed to have made an underpayment of estimated tax. There shall be added to the tax for the taxable year an amount at the rate as is required under the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., upon the amount of the underpayment for the period of the underpayment but not beyond the 15th day of the fourth month following the close of the taxable year. The amount of underpayment shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 80% of the tax (two-thirds of the tax for farmers referred to in subsection (e) of section 54A:8-4) shown on the return for the taxable year (or if no return was filed, of the tax for such year) over the amount, if any, of the installment paid on or before the last day prescribed for such payment. No underpayment shall be deemed to exist with respect to a declaration or installment otherwise due on or after the taxpayer's death.

(d) Exception to addition for underpayment of estimated tax. The addition to tax under subsection (c) with respect to any underpayment of any installment shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds whichever of the following is the lesser—

(1) The amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least—
(A) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year and such preceding year was a taxable year of 12 months, or

(B) An amount equal to the tax computed, at the rates applicable to the taxable year, on the basis of the taxpayer's status with respect to his personal exemptions for the taxable year, but otherwise on the basis of the facts shown on his return for, and the law applicable to, the preceding taxable year, or

(C) An amount equal to 80% of the tax for the taxable year (two-thirds of the tax for farmers referred to in subsection (e) of section 54A:8-4) computed by placing on an annualized basis the income for the months in the taxable year ending before the month in which the installment is required to be paid. For purposes of this subparagraph, the income shall be placed on an annualized basis by—

(i) Multiplying by 12 (or, in the case of a taxable year of less than 12 months, the number of months in the taxable year) the income for the months in the taxable year ending before the month in which the installment is required to be paid,

(ii) Dividing the resulting amount by the number of months in the taxable year ending before the month in which such installment date falls, and

(iii) Deducting from such amount the deductions for personal exemptions allowable for the taxable year (such personal exemptions being determined as of the last date prescribed for payment of the installment); or

(2) An amount equal to 90% of the tax computed, at the rates applicable to the taxable year, on the basis of the actual income for the months in the taxable year ending before the month in which the installment is required to be paid.

(e) Deficiency due to fraud. If any part of a deficiency is due to fraud, there shall be added to the tax an amount equal to 50% of the deficiency. This amount shall be in lieu of any other addition to tax imposed by subsection (a) or (b).

(f) Nonwillful failure to pay withholding tax. If any employer, without intent to evade or defeat any tax imposed by this act or the payment thereof, shall fail to make a return and pay a tax withheld by him at the time required by or under the provisions of section
54A:7-4, such employer shall be liable for such tax and shall pay the same together with interest thereon and the addition to tax provided in subsection (a), and such interest and addition to tax shall not be charged to or collected from the employee by the employer. The director shall have the same rights and powers for the collection of such tax, interest and addition to tax against such employer as are now prescribed by this act for the collection of tax against an individual taxpayer.

(g) Willful failure to collect and pay over tax. Any person required to collect, truthfully account for, and pay over the tax imposed by this act who willfully fails to collect such tax or truthfully account for and pay over such tax or willfully attempts in any manner to evade or defeat the tax or the payment thereof, shall, in addition to other penalties provided by law, be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. No addition to tax under subsection (b) or (c) shall be imposed for any offense to which this subsection applies.

(h) Failure to file certain information returns. In case of each failure to file a statement of a payment to another person, required under authority of subsection (c) of section 54A:8-6 (relating to information at source, including the duplicate statement of tax withheld on wages) on the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure is due to reasonable cause and not to willful neglect, there shall, upon notice and demand by the director and in the same manner as tax, be paid by the person so failing to file the statement, a penalty of $2.00 for each statement not so filed, but the total amount imposed on the delinquent person for all such failures during any calendar year shall not exceed $2,000.00.

(i) Additional penalty. Any person who with fraudulent intent shall fail to pay, or to deduct or withhold and pay, any tax, or to make, render, sign or certify any return or declaration of estimated tax or to supply any information within the time required by or under this act, shall be liable to penalty of not more than $5,000.00, in addition to any other amounts required under this act, to be imposed, assessed and collected by the director. The director shall have the power, in his discretion, to waive, reduce or compromise any penalty under this subsection.

(j) Additions treated as tax. The additions to tax and penalties provided by this section shall be paid upon notice and demand and
shall be assessed, collected and paid in the same manner as taxes and any reference in this act to income tax or tax imposed by this act, shall be deemed also to refer to the additions to tax and penalties provided by this section. For purposes of section 54A:9-2, this subsection shall not apply to:

(1) Any addition to tax under subsection (a) except as to that portion attributable to a deficiency;

(2) Any addition to tax under subsection (e); and

(3) Any additional penalty under subsection (i).

(k) Determination of deficiency. For purposes of subsections (b) and (c), the amount shown as the tax by the taxpayer upon his return shall be taken into account in determining the amount of the deficiency only if such return was filed on or before the last day prescribed for the filing of such return, determined with regard to any extension of time for such filing.

(l) Person defined. For purposes of subsections (f), (g), (h) and (i), the term person or employer includes an individual, corporation or partnership or an officer or employee of any corporation (including a dissolved corporation) or a member or employee of any partnership, who as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

C. 54:49-9.1 50% of assessment for civil fraud.

60. (New section) If any part of an assessment is due to civil fraud, there shall be added to the tax an amount equal to 50% of the assessment. This amount shall be in lieu of any other additions to the tax imposed by R.S. 54:49-4 and R.S. 54:49-9.

C. 54:50-20 Tax preparer to sign return, provide tax identification number.

61. (New section) A person who is a tax preparer with respect to any State tax return or claim for refund, shall sign the return or claim and provide the tax identification number assigned to the preparer or his employer or both as provided for in section 6109 of the federal Internal Revenue Code of 1986 (26 U.S.C. §6109), as amended.

As used in this section, "tax preparer" means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax or claim for refund under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes. For purposes of this section, the preparation of a substantial
portion of a return or claim for refund shall be treated as if it were
the preparation of such return or claim for refund.

Any tax preparer who fails to sign a return or claim or provide the
assigned tax identification number shall be liable for a $25.00 penalty
for each such failure.

C. 54:50-21  Failure to follow provisions of State Tax Uniform Procedure Law.

62. (New section) The failure to do any act required to be done
by or under the provisions of the State Tax Uniform Procedure Law,
R.S. 54:48-1 et seq., shall be deemed an act committed in part at
the office of the Director of the Division of Taxation in Trenton. The
certificate of the director, to the effect that any act required to be
done by or under the provisions of the State Tax Uniform Procedure
Law has not been done, shall be prima facie evidence that such act
has not been done.

63. (New section) If the Division of Taxation, in the regular
course of business or activity has kept or recorded any State tax
return, report, application, payment, memorandum, writing, entry,
print, representation or combination thereof, or any act, transaction,
occurrence, or event, and in the regular course of business has caused
any or all of the same to be recorded, copied, or reproduced by any
photographic, photostatic, microfilm, micro-card, miniature photo-
graphic, or other process which accurately reproduces or forms a
durable medium for so reproducing the original, the original may be
destroyed in the regular course of business. Such reproduction, when
satisfactorily identified, shall be admissible in evidence as the orig-
inal in any judicial or administrative proceeding, whether or not the
original exists or is available, and an enlargement or facsimile of the
reproduction shall be likewise admissible in evidence if the original
reproduction is in existence and available for inspection under the
direction of the court. The introduction of a reproduced record,
enlargement, or facsimile into evidence shall not preclude the ad-
mission into evidence of the original. This section shall not be con-
strued to exclude from introduction into evidence any document or
copy thereof which is otherwise admissible under the New Jersey
Rules of Evidence.

C. 54:50-23  Write-off of debts classified uncollectible.

64. (New section) The Director of the Division of Taxation may
write off those tax debts that are classified as uncollectible arising
from the nonpayment of any State tax, penalty, interest or fee im-
posed for the cost of collection in compliance with generally accept-
ed accounting principles. The term "debts that are classified as uncollectible" shall be defined by regulation promulgated by the Director of the Division of Taxation and adopted with the approval of the State Treasurer.

CHAPTER 78

AN ACT providing supplemental financial aid for municipal police services, supplementing Title 52 of the Revised Statutes and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Municipal Public Safety Act of 1987."

2. As used in this act:
   a. "Director" means the Director of the Division of Local Government Services in the Department of Community Affairs;
   b. "Qualifying municipality" means: (1) a municipality which is qualified to receive State aid pursuant to P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.) during the local budget year for which moneys are apportioned pursuant to this act; and (2) a municipality which was so qualified during the 1986 local budget year, regardless of whether or not the municipality is so qualified in any succeeding local budget years; and
   c. "Nonqualifying municipality" means, except as otherwise provided in subsection b. of this section, a municipality which is not qualified to receive State aid pursuant to P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.) during the local budget year for which moneys are apportioned pursuant to this act.

3. a. Sixty-five percent of the amount appropriated pursuant to this act shall be apportioned, during the 1987 local budget year, to qualifying municipalities for expenditures associated with the employment of full-time police officers regularly assigned uniformed patrol duties, which expenditures may include wages, salary and other costs occasioned by overtime duty, uniforms, equipment exclusive of motor vehicles, training expenses, pension contributions
CHAPTER 78, LAWS OF 1987

and health benefit contributions. Monies shall be apportioned pursuant to this subsection in such manner as to provide for a uniform percentage increase in the amount apportioned to qualifying municipalities pursuant to P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.) in the latest local budget year for which each such municipality is qualified for such assistance.

b. In order to receive funds pursuant to this act, a qualifying municipality shall maintain the number of full-time police officers employed and assigned uniformed patrol duties as of January 1, 1987, less the number of such officers who retired, resigned or separated from the force involuntarily for reasons other than layoffs.

4. a. Thirty-five percent of the amount appropriated pursuant to this act shall be apportioned, during the 1987 local budget year, to nonqualifying municipalities which maintain regularly organized police forces, for expenditures associated with the employment of full-time police officers regularly assigned uniformed patrol duties, which expenditures may include wages, salary and other costs occasioned by overtime duty, uniforms, equipment exclusive of motor vehicles, training expenses, pension contributions and health benefit contributions, except that no municipality which was ineligible to receive a revenue-sharing distribution pursuant to P.L. 1976, c. 73 (C. 54A:10-1 et seq.), from the State in the 1985 local budget year shall be eligible for such assistance. Each eligible municipality shall be apportioned an amount not to exceed that proportion of the total amount available to all such municipalities as the number of full-time police officers regularly assigned to uniformed patrol duties that it employed as of January 31, 1985 bears to the entire number of such officers employed on that date by all such municipalities.

b. In order to receive funds pursuant to this act, a nonqualifying municipality shall be required to maintain the number of full-time police officers employed and assigned uniformed patrol duties as of January 1, 1987, less the number of such officers who retired, resigned or separated from the force involuntarily for reasons other than layoffs.

c. Any two or more nonqualifying municipalities may join together under the “Interlocal Services Act” (P.L. 1973, c. 208, C. 40:8B-1 et seq.) for the purpose of receiving and expending funds pursuant to this section.

5. Amounts apportioned pursuant to this act shall be in addition to any amounts for which qualifying municipalities are eligible
6. In the event that any funds remain undistributed after all qualifying and nonqualifying municipalities have had an opportunity to enter into a contract pursuant to this act, there shall be established a discretionary fund, and qualifying and nonqualifying municipalities may make application for such funds as still remain undistributed as determined by the director. Any funds paid pursuant to this section shall be for the appropriate purposes set forth in sections 3 and 4 of this act.

7. The amounts a municipality shall acquire pursuant to this act shall be appropriated by the municipality in compliance with the “Local Budget Law,” N.J.S. 40A:4-1 et seq. Notwithstanding any provisions of the Local Budget Law, any municipality eligible for State aid under the provisions of this act may anticipate the receipt of the amount of State aid certified to it by the director, and may file such amendments or corrections in its local budget as may be required to properly reflect the amount certified.

8. The director shall adopt regulations, pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) to govern the provision of assistance under this act. In addition to such other matters as the director may find appropriate, the regulations shall:

a. Require a recipient municipality to enter into a contract with the Division of Local Government Services, in a form prescribed by the director, under which the municipality shall agree to maintain the number of full-time police officers regularly assigned to uniformed patrol duties as of January 1, 1987, less the number of such officers who retired, resigned or separated from the force involuntarily for reasons other than layoffs, as a condition of continued assistance; and

b. Require a recipient municipality to identify the particular costs for which the assistance provided pursuant to this act shall be used, including but not limited to the costs of overtime duty, equipment, pension and health benefit contributions and training.

9. There is appropriated $12,000,000.00* from the General Fund, to the Department of Community Affairs, to effectuate the purposes of this act.
10. This act shall take effect immediately but shall remain inoperative until the enactment into law of the annual appropriations act for fiscal year ending June 30, 1988.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 78
(Assembly Bill No. 3757)

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Assembly Bill No. 3757 at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would appropriate $20 million from the General Fund for supplemental State aid for municipal police protection. The program is based upon a framework similar to the one established in the Supplemental Safe and Clean Neighborhoods Program under which 65 percent of the funding goes to urban municipalities and 35 percent to many of the remaining municipalities in the State. The criteria established by this bill would help municipalities to maintain their existing number of full-time police officers assigned uniformed patrol duty as of January 1, 1987.

I have indicated publicly that I favor adoption of this type of program to help alleviate the current uncertainty in many of our municipalities over the level of funding they will receive from the State for calendar year 1987. I am constrained, however, from permitting the full amount appropriated in this bill to go into effect. The dwindling State surplus will not permit this, and it is, of course, my constitutional responsibility as Governor to ensure that appropriations do not exceed expected revenue sources.

By other action today, I am signing into law Senate Bill No. 3023 to provide a statutory base for the Distressed Cities Program. I am also signing into law my conditional veto of Assembly Bill No. 823 to appropriate $50 million to the Distressed Cities Program to be generated from money received from the tax amnesty program. Experts in the field have indicated that it is not likely that more than $50 million will be generated from tax amnesty, and, thus, I am willing to permit that amount of money to be targeted to the Distressed Cities Program.
The actions I have taken today will alleviate the current fiscal uncertainty in urban municipalities. Unfortunately, this will not provide a long-term remedy for the financial plight of our cities since amnesty furnishes only one-time revenues. Hence, this issue will likely be revisited next year. While I had hoped that a broader consensus among the Executive, the State Senate and the General Assembly could be reached on this whole area of concern and a permanent solution arrived at, I believe that my actions today are consistent with my responsibility to ensure the well-being of the people of the State and maintain fiscal responsibility.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 3, Section 9, Line 1: Delete "$20,000,000.00," insert "$12,000,000.00"

Respectfully,
Thomas H. Kean
Governor

AN ACT establishing an early retirement incentive program for tenured faculty members at institutions of higher education in New Jersey and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. As used in this act:

   a. “Independent institution of higher education” means a college or university incorporated and located in New Jersey, which by virtue of law or character or license, is a nonprofit educational institution authorized to grant academic degrees and which provides a level of education which is equivalent to the education provided by the State’s public institutions of higher education as attested by the receipt of and continuation of regional accreditation by the Middle States Association of Colleges and Schools, and which is eligible to receive State aid under the provisions of the Constitution of the United States and the Constitution of the State of New Jersey, but does not include any educational institution dedicated primarily to the education or training of ministers, priests, rabbis or other professional persons in the field of religion.

   b. “Public institution of higher education” means Rutgers, The State University, the New Jersey Institute of Technology, the University of Medicine and Dentistry of New Jersey, the State colleges and the county colleges.

   c. “Program” means an early retirement incentive program established by an institution of higher education pursuant to this act.

2. The governing board of a public or independent institution of higher education may present to the State Board of Higher Education a proposal for a faculty early retirement incentive program. The board shall review the proposal and either approve or disapprove the program's establishment at the college or university.

3. a. Program eligibility at each institution of higher education is limited to tenured faculty members who are at least 60 years of age by June 30, 1987 and who have at least 10 years of service at the college or university or who are at least 55 years of age by June 30, 1987 and who have at least 25 years of service at the college or
university; except that a faculty member who is retiring from a public institution of higher education or a State college who is at least 55 years of age by June 30, 1987 and who has at least 25 years of service may accumulate the 25 years of service at more than one public institution of higher education or State college; provided that at least 10 years of the service is at the college or university from which he is retiring. Any service rendered by a faculty member which was creditable in the Teachers' Pension and Annuity Fund shall be deemed creditable service for the purposes of this act; provided that this provision shall be subject to the 10 year higher education service requirement.

b. An institution of higher education may, based on sound educational reasons, designate academic subject areas or programs which are not eligible for inclusion in the program and shall establish a specific proportion of faculty who are eligible to participate in the program.

4. a. The governing board of each public institution of higher education shall determine the program's retirement incentive, but in no instance shall the incentive exceed 100% of the faculty member's current salary for those who are 55 to 64 years of age, and 50% of current salary for those who are 65 to 69 years of age for retirements taking effect on June 30, 1987. Retirements taking effect as of June 30, 1988 shall qualify for an incentive of 80% of the faculty member's current salary for those who are 55 to 64 years of age, and 35% of the current salary for those who are 65 to 69 years of age. The cost of the retirement incentive is to be financed by the college or university.

b. The provisions of subsection a. of this section shall not apply to an independent institution of higher education which determines and finances its own retirement incentive.

c. The provisions of subsection a. of this section shall not preclude the board of trustees of a county college from determining and financing its own retirement incentive with an individual faculty member.

C. 18A:66-197 Written request.

5. a. An eligible faculty member who elects to participate in the program shall make a written request for early retirement to the institution's president by a date to be determined by the chancellor. The written request shall specify a requested effective retirement date of either June 30, 1987 or June 30, 1988. The president shall
make a recommendation concerning the application to the institutional governing board which shall consider and act upon the application within 60 days of its receipt. Approved applications for early retirement shall take effect upon the stated option of the eligible faculty member, either on June 30, 1987 or June 30, 1988.

b. In acting upon an application for early retirement, the president and governing board shall consider the educational and economic impact of the retirement upon the college or university.

6. An eligible faculty member has the right pursuant to the provisions of the "Open Public Meetings Act," P.L. 1975, c. 231 (C. 10:4-6 et seq.) to request that the governing board's consideration of the application for early retirement is held in public and has the further right to be heard by the board and to present evidence in support of the application.

7. A faculty member whose application for program participation is approved by the institutional governing board may choose to receive the retirement incentive as determined pursuant to section 4 of this act in equal installments over a period of one, two or three years, in one lump sum payment, or by the purchase of a single purchase annuity. An eligible faculty member may also direct the institution to fund the full cost of health benefits to age 65 from the proceeds of the retirement incentive.

C. 18A:66-200 Forfeit of tenure rights; adjunct faculty.

8. An eligible faculty member who retires under the program shall forfeit all tenure rights and the college or university shall have no obligation to employ the individual at any time after retirement. An institution of higher education may employ persons retired pursuant to this act as adjunct faculty according to the salary schedule applicable to adjunct faculty.

C. 18A:66-201 Employment under emergent circumstances only.

9. An eligible faculty member who retires from a public institution of higher education under this program shall not be employed as an adjunct faculty member at such institutions except under emergent circumstances as defined by regulation of the Board of Higher Education.

10. A faculty position which becomes vacant due to a retirement under a program established pursuant to this act shall not be subject to the provisions of Executive Order No. 10 of 1982.
C. 18A:66-203 Faculty replacement costs.

11. The Department of Higher Education shall, within the limit of funds made available to it, reimburse an institution of higher education for the cost of hiring faculty for the 1987-1988 academic year to replace full-time faculty members who retire pursuant to the provisions of this act. The department shall distribute funds to each institution at the rate of $2,000.00 per course but no more than $10,000.00 per faculty member per year. If faculty replacement costs total more than the amount appropriated pursuant to section 14 of this act, the department shall reduce the $2,000.00 per course rate proportionately.

C. 18A:66-204 Rules, regulations.

12. The State Board of Higher Education shall promulgate rules and regulations pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) necessary to implement the provisions of this act.

13. The provisions of this act are effective notwithstanding any provision to the contrary of the “Teachers’ Pension and Annuity Fund Law,” N.J.S. 18A:66-1 et seq., the Alternate Benefits Program established pursuant to P.L. 1969, c. 242 (C. 18A:66-167 et seq.) or the Public Employees’ Retirement System of New Jersey established pursuant to P.L. 1954, c. 84 (C. 43:15A-6 et seq.).

14. There is appropriated $3,000,000.00 from the General Fund to the Department of Higher Education to effectuate the purposes of this act.

15. This act shall take effect immediately.

Approved April 6, 1987.

AN ACT concerning fees charged by mobile home park owners and operators, and amending P.L. 1973, c. 153.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L. 1973, c. 153 (C. 46:8C-2) is amended to read as follows:
C. 46:8C-2 Mobile home park fees.

2. a. No mobile home park owner or operator shall require a resident therein to purchase from said owner or operator underskirting, equipment for tying down mobile homes, or any other equipment required by law, local ordinance or regulations of the mobile home park. However, the park operator may determine by rule or regulation the style or quality of such equipment to be purchased by the tenant from a vendor of the tenant’s choosing.

b. (1) No mobile home park owner or operator shall charge any resident who chooses to install an electric or gas appliance in his mobile home an additional fee unless that fee reflects the cost to the mobile home park of such installation or its use, or to restrict the installation, service or maintenance of any such appliance, or to restrict the making of any interior improvement in such mobile home, so long as such an installation or improvement is in compliance with applicable building codes and other provisions of law.

(2) No mobile home park owner or operator shall require a resident therein to purchase from him, or from any vendor or supplier he designates or selects, any natural product, by-product or synthetic or petroleum gas; except when said owner or operator owns or has a possessory interest in the lines or equipment transmitting or consuming a specific fuel and when said system is properly operating under State and local laws and when said fuel is competitively priced. If the park owner or operator does not own or have a possessory interest in said lines or equipment park owner or operator may, by rule or regulation, designate a specific grade or quality of petroleum or gas to be used. Specification of grade or quality is also permitted whenever reasonably necessary to maintain safety standards prescribed by State law or regulation or by local ordinance.

(3) No mobile home park owner or operator shall move, or require to be moved or relocated within the park, any mobile home owned by any person other than the park owner or operator, unless reasonably necessary and unless written notice is served personally on the mobile home dweller 30 days prior to such proposed move, except in case of an emergency requiring a temporary move or relocation. All costs and fees related, directly or indirectly, to any such move or relocation shall be borne by the owner or operator. In addition, the dweller of the mobile home shall have a right to reimbursement for any loss or damage caused by any such move or relocation, and this right shall not be waived; and any instrument containing a waiver thereof shall be null and void.
c. A mobile home park owner or operator shall be required to fully disclose in writing all fees, charges, assessments, rules and regulations prior to a mobile home dweller assuming occupancy in the park. No fees, charges or assessments so disclosed may be increased or rules and regulations changed by the park owner or operator without specifying the date of implementation of said fees, charges, assessments or rules and regulations, which date shall be not less than 30 days after written notice to all tenants.

In addition, all fees, charges or assessments, including but not limited to entrance, membership or association fees, however denominated, disclosed by said mobile home park owner or operator, must be specifically related to and identifiable with actual costs incurred by the mobile home park owner or operator. No fee in reimbursement of the owner's or operator's costs in determining a prospective tenant's credit rating shall exceed the actual cost to the owner or operator of obtaining such determination, including the cost of providing the prospective tenant with copies of credit reports in conformity with the requirements of this act. A complete and accurate copy of any report furnished to an owner or operator by a credit reporting service with respect to a prospective tenant shall be promptly forwarded to the prospective tenant by the owner or operator. All disclosures made in accordance with this section shall be completed prior to the execution of any leasing agreement as required by section 4 of this act, or the entering into of any other contractual relationship.

d. Failure on the part of the mobile home park owner or operator to fully disclose all fees, charges or assessments shall prevent the park owner or operator from collecting said fees, charges or assessments, and refusal by the dweller to pay any undisclosed charges shall not be used by the owner or operator as a cause for eviction in any court of law.

e. Any mobile home park owner or operator who, directly or indirectly, receives, collects or accepts from another any donation, gratuity, bonus or gift, in addition to lawful charges, upon the representation, understanding or statement that compliance with the request or demand therefor will facilitate, influence or procure an advantage over others in entering into an agreement, either oral or written, for the lease or rental of real property for any term or for the use or occupation thereof, or any such owner or operator who refuses to enter into such agreement unless he receives, directly or indirectly, any such donation, gratuity, bonus or gift, or any such
owner or operator, who, directly or indirectly, aids, abets, requests or authorizes any other person to violate any of the provisions of this section, is a disorderly person.

f. In any action by any person to recover any donation, gratuity, bonus or gift acquired by another in violation of the provisions of this act, the court, upon finding for such person, shall award recovery of double the value of such donation, gratuity, bonus or gift, together with costs of the action, including reasonable attorney's fees.

2. This act shall take effect immediately.

Approved April 8, 1987.

CHAPTER 90

AN ACT concerning assistance to certain municipalities for the training of certain police officers and amending P.L. 1985, c. 170.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L. 1985, c. 170 (C. 52:27D-118.11) is amended to read as follows:

C. 52:27D-118.11 Apportionment of funds to municipalities.

1. Notwithstanding any provisions to the contrary of section 3 of P.L. 1979, c. 118 (C. 52:27D-118.3), the amounts appropriated in any State fiscal year beginning after June 30, 1985 for distribution to municipalities under the provisions of P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.) shall be apportioned as follows:

a. Any municipality which received State aid under P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.) during the 1985 State fiscal year shall first be apportioned, as matching funds pursuant to subsection a. of section 3 thereof, the greatest of the following amounts: (1) the amount received during the 1985 local budget year; (2) the amount received in any previous local budget year; or (3) the amount to which the municipality is entitled in any subsequent local budget year.

b. A municipality which is entitled to such aid on or after the effective date of this supplementary act, but which did not receive such aid during the 1985 local budget year, shall then be apportioned the amount for which it qualifies.
c. Sixty-five percent of any amount appropriated above that required under subsections a. and b. of this section, and appropriated for additional police services shall then be apportioned to qualifying municipalities to provide a uniform percentage increase in the amount apportioned to these municipalities. The amount so apportioned shall be made available exclusively to allow employment of full-time police officers regularly assigned uniformed patrol duties in addition to the number of full-time police officers employed by the municipality and regularly assigned to uniformed patrol duties on January 31, 1985. In order to continue receiving funds for this purpose after the effective date of this amendatory act, a municipality shall be required to maintain the number of full-time police officers employed and assigned uniform patrol duties as of January 1, 1986 less the number of officers who retired, resigned or separated from the force involuntarily for reasons other than layoffs.

d. The remaining amount appropriated for additional police services shall then be available to provide assistance to nonqualifying municipalities which maintain a regularly organized police force: (1) to employ full-time police officers regularly assigned uniformed patrol duties in addition to the number of full-time police officers employed by the municipality and regularly assigned to uniformed patrol duties on January 31, 1985; or (2) upon approval of the Director of the Division of Local Government Services, to pay for additional overtime police patrol activities performed by full-time police officers. The amount approved by the director for overtime activities shall be for the costs of overtime activities of full-time police officers which exceed the cost of those overtime activities in local budget year 1985. No municipality which is ineligible to receive a revenue sharing distribution pursuant to P.L. 1976, c. 73 (C. 54A:10-1 et seq.), from the State in the 1985 local budget year shall be eligible for assistance pursuant to this subsection. Each eligible municipality may be apportioned an amount not to exceed that proportion of the total amount available to all such municipalities as the number of full-time police officers regularly assigned to uniformed patrol duties that it employed as of January 31, 1985 bears to the entire number of such full-time officers employed on that date by all such municipalities. In order to receive funds for this purpose, an eligible municipality shall be required to provide from other sources at least 50% of the cost of employing the additional police officers or providing additional overtime activities, as appropriate.

e. Any two or more nonqualifying municipalities may join together under the “Interlocal Services Act” (P.L. 1973, c. 208, C.
40:8A-1 et seq.) for the purpose of receiving and expending funds pursuant to subsection d. above. The Director of the Division of Local Government Services, in contracting with such municipalities pursuant to section 4 of P.L. 1985, c. 170 (C. 52:27D-118.14), is authorized to establish a matching requirement of 50% of the cost of employing additional police officers or providing additional overtime activities, as appropriate. No more than 10% of the total available to nonqualifying municipalities may be distributed under this subsection.

2. Section 2 of P.L. 1985, c. 170 (C. 52:27D-118.12) is amended to read as follows:

C. 52:27D-118.12 Discretionary fund.

2. In the event that any funds remain undistributed after all eligible municipalities have had an opportunity to enter into a contract pursuant to P.L. 1985, c. 170 (C. 52:27D-118.11 et seq.), there shall be established a discretionary fund, and eligible municipalities may make application for such funds as still remain undistributed as determined by the director. Any funds paid pursuant to this section shall be available to all eligible municipalities for the purposes of augmenting or upgrading patrol activities or to qualifying municipalities for the costs of salaries and other related expenses of existing full-time police officers assigned to uniformed patrol duty, including payments for pensions, health benefits and uniforms. Qualifying municipalities shall not be required to provide matching funds in order to receive funds pursuant to this section.

3. Section 4 of P.L. 1985, c. 170 (C. 52:27D-118.14) is amended to read as follows:

C. 52:27D-118.14 Regulations governing assistance.

4. In addition to the other powers and duties expressed in P.L. 1979, c. 118 (C. 52:27D-118.1 et seq.), the Director of the Division of Local Government Services shall adopt specific regulations, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), to govern provision of assistance under this act to qualifying and nonqualifying municipalities for the employment of appropriate police officers in addition to the number of such police officers employed on January 31, 1985. In addition to such other matters as the director may find appropriate, the regulations shall:

a. Require the municipality to enter into a contract in a form prescribed by the director. Each nonqualifying municipality shall agree to provide its share of the costs of employing additional police
officers or providing additional overtime activities, as appropriate. If a nonqualifying municipality has received funds to employ additional police officers, that municipality further shall agree to maintain its police force at an expanded level over that as of January 31, 1985 as a condition of continued assistance. If a nonqualifying municipality receives funds to provide additional overtime activities, that municipality further shall agree to maintain the number of full-time police officers employed and assigned uniformed patrol duties as of January 1, 1986, less the number of officers who retired, resigned or separated from the force involuntarily for reasons other than layoffs. Each qualifying municipality shall agree to maintain its police force as required in subsection c. of section 1 of P.L. 1985, c. 170 (C. 52:27D-118.11);

b. Identify the particular costs of employing additional police officers, generally limited to training, salary, benefits and equipment (exclusive of motor vehicles), for which assistance may be provided;

c. Contain the design of the shoulder patch that additional police officers employed under this act are required to wear under section 2 of this act.

4. This act shall take effect upon enactment but not before July 1, 1986.

Approved April 8, 1987.

CHAPTER 96

AN ACT concerning special law enforcement officers and amending P.L. 1985, c. 439.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L. 1985, c. 439 (C. 40A:14-146.9) is amended to read as follows:

C. 40A:14-146.9 Definitions.

2. As used in this act:

a. "Commission" means the Police Training Commission established in the Department of Law and Public Safety pursuant to section 5 of P.L. 1961, c. 56 (C. 52:17B-70);

b. "Emergency" means any sudden, unexpected or unforeseeable event requiring the immediate use or deployment of law enforcement personnel as shall be determined by the chief of police, or in the absence of the chief, other chief law enforcement officer or the mayor or the mayor's designee to whom the authority of designating an
“emergency” has been prescribed by local ordinance. Vacations, shortages in police personnel caused by vacancies unfilled by the appointing authority for more than 60 days, or any other condition which could reasonably have been anticipated or foreseen shall not constitute an “emergency” for the purposes of this act; but an “emergency” may continue for the purposes of this act when a vacancy remains unfilled for more than 60 days and when, on application of the appointing authority, the county prosecutor grants an extension for one or more additional 60 day periods upon a showing by the appointing authority of a diligent, good faith effort to fill the vacancy;

c. “Local unit” means any municipality having established a regular police force pursuant to law;

d. “Population” means the population of the resort municipality shown in the last federal decennial census;

e. “Public entity” means the State and any county, municipality, district, public authority, public agency and any other political subdivision or public body in the State;

f. “Resort municipality” means a municipality which, because of its recreational or entertainment characteristics or facilities or its close proximity to such characteristics or facilities, experiences a substantial increase during the seasonal period in the number of persons visiting or temporarily residing there;

g. “Seasonal period” means any one period of four consecutive months during the calendar year, except with regard to a resort municipality bordering on the Atlantic ocean, in which case, “seasonal period” means one period of six consecutive months during the calendar year;

h. “Special law enforcement officer” means any person appointed pursuant to this act to temporarily or intermittently perform duties similar to those performed regularly by members of a police force of a local unit, or to provide assistance to a police force during unusual or emergency circumstances, or at individual times or during regular seasonal periods in resort municipalities.

2. Section 6 of P.L. 1985, c. 439 (C. 40A:14-146.13) is amended to read as follows:

C. 40A:14-146.13 Fees.

6. a. Except as specified in subsection b. of this section, a local unit may charge a reasonable fee as may be fixed by the governing
body for equipment and uniforms supplied pursuant to this act, but may not charge a fee for the costs of training or issuing a certificate of appointment. The local unit shall not be required to compensate a special law enforcement officer for time spent in training.

b. In addition to charging a reasonable fee as fixed by the governing body for equipment and uniforms supplied pursuant to this act, a local unit with a population in excess of 300,000, according to the 1980 federal decennial census, may charge a fee for the costs of training and for the administrative costs of issuing a certificate of appointment for a special law enforcement officer whose duties consist solely of performing public safety functions for a private employer.

3. Section 7 of P.L. 1985, c. 439 (C. 40A:14-146.14) is amended to read as follows:

C. 40A:14-146.14 Terms; firearms restrictions.

7. a. Special law enforcement officers may be appointed for terms not to exceed one year, and the appointments may be revoked by the local unit for cause after adequate hearing, unless the appointment is for four months or less, in which event the appointment may be revoked without cause or hearing. Nothing herein shall be construed to require reappointment upon the expiration of the term. The special law enforcement officers so appointed shall not be members of the police force of the local unit, and their powers and duties as determined pursuant to this act shall cease at the expiration of the term for which appointed.

b. No special law enforcement officer may carry a firearm except while engaged in the actual performance of the officer's official duties and when specifically authorized by the chief of police, or, in the absence of the chief, other chief law enforcement officer of the local unit to carry a firearm and provided that the officer has satisfactorily completed the basic firearms course required by the commission for regular police officers and annual requalification examinations as required for permanent, regularly appointed full-time officers in the local unit.

A special law enforcement officer shall be deemed to be on duty only while he is performing the public safety functions on behalf of the local unit pursuant to this act and when he is receiving compensation, if any, from the local unit at the rates or stipends as shall be established by ordinance. A special law enforcement officer shall not be deemed to be on duty for purposes of this act while performing
private security duties for private employers, which duties are not assigned by the chief of police, or, in the absence of the chief, other chief law enforcement officer of the local unit, or while receiving compensation for those duties from a private employer. A special law enforcement officer may, however, be assigned by the chief of police or, in the absence of the chief, other chief law enforcement officer, to perform public safety functions for a private entity if the chief of police or other chief law enforcement officer supervises the performance of the public safety functions. If the chief of police or other chief law enforcement officer assigns the public safety duties and supervises the performance of those duties, then, notwithstanding that the local unit is reimbursed for the cost of assigning a special law enforcement officer at a private entity, the special law enforcement officer shall be deemed to be on duty.

The reimbursement for the duties of a special law enforcement officer, which is made to a municipality with a population in excess of 300,000, according to the 1980 federal decennial census, may be by direct payments from the employer to the special law enforcement officer, provided that records of the hours worked are forwarded to and maintained by the chief of police or other chief law enforcement officer responsible for assigning the special law enforcement officer those public safety duties.

Any firearm utilized by a special law enforcement officer shall be returned at the end of the officer's workday to the officer in charge of the stationhouse, unless the firearm is owned by the special law enforcement officer and was acquired in compliance with a condition of employment established by the local unit. Any special law enforcement officer first appointed after the effective date of this act shall only use a firearm supplied by the local unit. No such special police officer shall carry a revolver or other similar weapon when off duty; but if any such special police officer appointed by the governing body of any municipality having a population in excess of 300,000, according to the 1980 federal census, who is a resident of the municipality and is employed as a special police officer at least 35 hours per week, or less at the discretion of the chief of police and mayor, shall, at the direction of the chief of police, have taken and successfully completed a firearms training course administered by the Police Training Commission, pursuant to P.L. 1961, c. 56 (C. 52:17B-66 et seq.), and has successfully completed within three years of the effective date of P.L. 1985, c. 45 or three years of the date of appointment of the special police officer, whichever is later, 280 hours of training.
in arrest, search and seizure, criminal law, and the use of deadly force, and shall annually qualify in the use of a revolver or similar weapon, said special police officer shall be permitted to carry a revolver or other similar weapon when off duty within the municipality where he is employed. Specific authorization shall be in the form of a permit which shall not be unreasonably withheld, which is subject to renewal annually and may be revoked at any time by the chief of police. The permit shall be on the person of the special police officer whenever a revolver or other similar weapon is carried off duty. No permit shall be issued until the special police officer has successfully completed all training courses required under this section. Any training courses completed by a special police officer under the direction of the chief of police in a school and a curriculum approved by the Police Training Commission, pursuant to P.L. 1961, c. 56 (C. 52:17B-66 et seq.), shall be credited towards the 280 hours of training required to be completed by this section. Any training required by this section shall commence within 90 days of the effective date of P.L. 1985, c. 45 or within 90 days of the date of the appointment of the special police officer, whichever is later.

c. A special law enforcement officer shall be under the supervision and direction of the chief of police or, in the absence of the chief, other chief law enforcement officer of the local unit wherein the officer is appointed, and shall perform his duties only in the local unit unless in fresh pursuit of any person pursuant to chapter 156 of Title 2A of the New Jersey Statutes.

d. The officer shall comply with the rules and regulations applicable to the conduct and decorum of the permanent, regularly appointed police officers of the local unit, as well as any rules and regulations applicable to the conduct and decorum of special law enforcement officers.

4. This act shall take effect immediately.

CHAPTER 102

AN ACT concerning mandatory Statewide source separation and recycling of solid waste, supplementing P.L. 1970, c. 39 (C. 13:1E-1 et seq.), amending and supplementing other parts of the statutory law, and making appropriations.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds that removing certain materials from the municipal solid waste stream will decrease the flow of solid waste to sanitary landfill facilities, aid in the conservation and recovery of valuable resources, conserve energy in the manufacturing process, and increase the supply of reusable raw materials for the State’s industries; and that the recycling of reusable waste materials will reduce substantially the required capacity of proposed resource recovery facilities and contribute to their overall combustion efficiency, thereby resulting in significant cost-savings in the planning, construction, and operation of these resource recovery facilities.

The Legislature further finds that the expeditious identification of local, national and international markets and distribution networks for recyclable materials is a necessary prerequisite to the orderly development of mandatory Statewide county and municipal recycling programs; and that the State must institute and complete studies of market stimulation for recyclable materials.
The Legislature further finds that the State may most appropriately demonstrate its long-term commitment to proper solid waste management by establishing a mandatory Statewide source separation and recycling program, and by increasing the purchase of recycled paper and paper products by the various agencies and instrumentalities of the State Government.

The Legislature therefore declares that it is in the public interest to mandate the source separation of marketable waste materials on a Statewide basis so that reusable materials may be returned to the economic mainstream in the form of raw materials or products rather than be disposed of at the State's overburdened landfills, and further declares that the recycling of marketable materials by every municipality in this State, and the development of public and private sector recycling activities on an orderly and incremental basis, will further demonstrate the State's long-term commitment to an effective and coherent solid waste management strategy.

Each plan shall be adopted as an amendment to the district solid waste management plan required pursuant to the provisions of the “Solid Waste Management Act,” P.L. 1970, c. 39 (C. 13:1E-1 et seq.).

b. Each district recycling plan required pursuant to this section shall include, but need not be limited to:

(1) Designation of a district recycling coordinator;

d. Notwithstanding the provisions of the "Solid Waste Management Act," P.L. 1970, c. 39 (C. 13:1E-1 et seq.), each district recycling plan may be modified after adoption pursuant to a procedure set forth in the adopted plan as approved by the department.

4. (New section) a. Each county shall, within six months of the adoption and approval by the department of the district recycling plan required pursuant to section 3 of this amendatory and supplementary act, solicit proposals from, review the qualifications of, and enter into contracts or agreements on behalf of municipalities with persons providing recycling services or operating recycling centers for the collection, storage, processing, and disposition of recyclable materials designated in the district recycling plan in those instances where these services are not otherwise provided by the municipality, interlocal service agreement or joint service program, or other private or public recycling program operator.

b. In the event that a county is unable to enter into contracts or otherwise execute agreements to market specific designated recyclable materials in order to achieve the designated recovery targets set forth in the district recycling plan, the county may petition the department for a temporary exemption from the provisions of subsection a. of this section for these specified materials. The department is authorized to grant, deny or conditionally grant the exemption. If the exemption is denied, the department shall assist the county in identifying and securing markets for the recyclable materials designated in the district recycling plan. Any exemption granted by the department shall not exceed one year in duration, and shall be granted or renewed only upon a finding that the county has made a good faith effort to identify and secure markets for its recyclable materials. Each county shall continue to solicit those recycling services necessary to achieve the maximum feasible recovery targets in each municipality as set forth in the district recycling plan.

5. (New section) Any county which has prepared and adopted a district recycling plan as an amendment to the district solid waste management plan required pursuant to the provisions of the “Solid Waste Management Act,” P.L. 1970, c. 39 (C. 13:1E-1 et seq.), and the district recycling plan has been approved by the department prior to January 1, 1987, shall be exempt from the provisions of sections 3 and 4 of this amendatory and supplementary act. To be eligible for an exemption pursuant to this section, a county shall have established and implemented a county-wide mandatory source separation and recycling program for at least three recyclable materials, in addition to leaves, and shall have demonstrated that it has secured markets for these materials.

C. 13:1E-99.16 Municipal recycling program.

6. (New section) Each municipality in this State shall, within 30 days of the effective date of this amendatory and supplementary act, designate one or more persons as the municipal recycling coordinator. Each municipality shall establish and implement a municipal recycling program in accordance with the following requirements and schedule:

a. Within six months of the adoption by the county and approval by the department of the district recycling plan required pursuant to section 3 of this amendatory and supplementary act, each municipality shall provide for a collection system for the recycling of the recyclable materials designated in the district recycling plan as may be necessary to achieve the designated recovery targets set forth in the plan in those instances where a recycling collection system is not otherwise provided for by the generator or by the county, interlocal service agreement or joint service program, or other private or public recycling program operator.

b. The governing body of each municipality shall, if it has not already done so, within 30 days of the effective date of any contracts or agreements entered into by the county or other local government unit to market one or more of the specific designated recyclable materials as required pursuant to section 4 of this amendatory and supplementary act, adopt an ordinance which requires persons generating municipal solid waste within its municipal boundaries to source separate from the municipal solid waste stream, in addition to leaves, the specified recyclable materials for which markets have been secured and, unless recycling is otherwise provided for by the generator, place these specified recyclable materials for collection in the manner provided by the ordinance.
c. The governing body of each municipality shall, within 30 days of the effective date of the ordinance adopted pursuant to subsection b. of this section and at least once every 36 months thereafter, conduct a review and make necessary revisions to the master plan and development regulations adopted pursuant to P.L. 1975, c. 291 (C. 40:55D-1 et seq.), which revisions shall reflect changes in State, county and municipal policies and objectives concerning the collection, disposition and recycling of designated recyclable materials.

The revised master plan shall include provisions for the collection, disposition and recycling of recyclable materials designated in the municipal recycling ordinance adopted pursuant to subsection b. of this section, and for the collection, disposition and recycling of designated recyclable materials within any development proposal for the construction of 50 or more units of single-family residential housing or 25 or more units of multi-family residential housing and any commercial or industrial development proposal for the utilization of 1,000 square feet or more of land.

d. The governing body of a municipality may exempt persons occupying commercial and institutional premises within its municipal boundaries from the source separation requirements of the ordinance adopted pursuant to subsection b. of this section if those persons have otherwise provided for the recycling of the recyclable materials designated in the district recycling plan from solid waste generated at those premises. To be eligible for an exemption pursuant to this subsection, a commercial or institutional solid waste generator annually shall provide written documentation to the municipality of the total number of tons recycled.

e. The governing body of each municipality shall, on or before July 1, 1988 and on or before July 1 of each year thereafter, submit a recycling tonnage report to the New Jersey Office of Recycling in accordance with rules and regulations adopted by the department therefor.

f. The governing body of each municipality shall, within six months of the effective date of the ordinance adopted pursuant to subsection b. of this section and at least once every six months thereafter, notify all persons occupying residential, commercial, and institutional premises within its municipal boundaries of local recycling opportunities, and the source separation requirements of the ordinance. In order to fulfill the notification requirements of this subsection, the governing body of a municipality may, in its discretion, place an advertisement in a newspaper circulating in the mu-
municipality, post a notice in public places where public notices are customarily posted, include a notice with other official notifications periodically mailed to residential taxpayers, or any combination thereof, as the municipality deems necessary and appropriate.

C. 40A:4-45.34 County budget “cap” exception.

7. (New section) Any additional expenditures for the collection, storage, processing or disposition of recyclable materials, or the procurement of recycling services made by, or any expenditures of revenues received by, any county as a result of the provisions of P.L. 1981, c. 278 (C. 13:1E-92 et al.), as amended and supplemented, and the provisions of sections 1 through 30, inclusive, and sections 32 and 36 of P.L. 1987, c. 102 (C. 13:1E-99.11 et al.) shall, for the purposes of P.L. 1976, c. 68 (C. 40A:4-45.1 et seq.), be considered an exception to the spending limitations imposed thereby.

C. 40A:4-45.35 Municipal budget “cap” exception.

8. (New section) Any additional expenditures for the collection, storage, processing or disposition of recyclable materials, or the procurement of recycling services made by, or any expenditures of revenues received by, any municipality as a result of the provisions of P.L. 1981, c. 278 (C. 13:1E-92 et al.), as amended and supplemented, and the provisions of sections 1 through 30, inclusive, and sections 32 and 36 of P.L. 1987, c. 102 (C. 13:1E-99.11 et al.) shall, for the purposes of P.L. 1976, c. 68 (C. 40A:4-45.1 et seq.), be considered an exception to the spending limitations imposed thereby.

9. (New section) A municipality may require that every solid waste collector or solid waste transporter registered pursuant to sections 4 and 5 of P.L. 1970, c. 39 (C. 13:1E-4 and 13:1E-5) and holding a certificate of public convenience and necessity pursuant to sections 7 and 10 of P.L. 1970, c. 40 (C. 48:13A-6 and 48:13A-9) bid on a contract for the collection or disposition of recyclable materials, if required to do so by the district recycling plan of the county in which the collector or transporter engages in solid waste collection or transportation services.

C. 13:1E-99.18 Identification as recyclable container.

10. (New section) a. No plastic or bi-metal beverage container shall be identified as a recyclable container unless the department determines that a convenient and economically feasible recycling system for that specific container is available.

b. The department shall adopt, upon consultation with the appropriate industries and pursuant to the provisions of the “Adminis-
CHAPTER 102, LAWS OF 1987

trative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), any rules and regulations necessary to implement the provisions of this section.

11. (New section) a. Within 18 months of the effective date of this amendatory and supplementary act, the department shall make a written determination as to whether a convenient and economically feasible mechanism for the collection, recycling, and marketing of plastic or bi-metal beverage containers is available to counties and municipalities in this State. A determination by the department that such a mechanism is available shall be based upon a finding that the manufacturers of plastic or bi-metal beverage containers and the beverage manufacturing industries have achieved, by the end of the previous 12 months, the recycling, on a percentage basis, of plastic or bi-metal beverage containers at a rate at least equal to the recovery rate achieved for glass or aluminum beverage containers during that one-year period, whichever is less.

b. In the event that the department makes a written determination that the manufacturers of plastic or bi-metal beverage containers and the beverage manufacturing industries have not achieved the recycling of plastic or bi-metal beverage containers at a recovery rate at least equal to that achieved for glass or aluminum beverage containers as provided in subsection a. of this section, the department shall transmit its findings to the Governor and the Legislature, including appropriate recommendations for the proper disposition or recycling of these containers.

12. (New section) Within 18 months of the effective date of this amendatory and supplementary act, the department shall prepare a report on convenient and economically feasible methods for the disposition or recycling of scrap automobile tires which may be available to counties and municipalities. The department shall investigate various methods for the recovery or reuse of automobile tires from the municipal solid waste stream, including, but not limited to, incineration, artificial reef construction, retreading, asphalt paving material manufacture, sludge composting and energy recovery, and shall report to the Governor and the Legislature thereon, including a recommendation that a deposit be imposed on automobile tires, if warranted by the findings.

13. (New section) a. Within 12 months of the effective date of this amendatory and supplementary act, all leaves collected by a municipality pursuant to the provisions of section 14 of this amendatory and supplementary act shall be transported to a leaf composting facility. Each district recycling plan shall identify the leaf composting facility or facilities to be utilized by each municipality within the county. Any two or more counties may negotiate an interdistrict agreement for the development or use of a leaf composting facility. Notwithstanding the provisions of section 18 of P.L. 1975, c. 326 (C. 13:1E-27) or any other law, rule or regulation to the contrary, the Board of Public Utilities shall not have jurisdiction over, or otherwise regulate the tariffs or return of, a leaf composting facility approved by the department.

b. No sanitary landfill facility in this State shall accept for final disposal truckloads composed primarily of leaves at any time, except that leaves source separated from solid waste may be accepted by a sanitary landfill facility in those instances where the facility has provided and maintains for that purpose separate leaf composting facilities, and the composted leaves are utilized as part of the final vegetative cover for the landfill, or for other uses as a soil conditioning material.

14. (New section) Within 12 months of the effective date of this amendatory and supplementary act, each municipality in this State shall, by a duly adopted ordinance of its governing body, provide for a collection system for leaves generated from residential premises, and require that persons occupying residential premises within its municipal boundaries shall, for the period from September 1 to December 31 of each year, source separate leaves from solid waste generated at those premises and, unless leaves are stored or recycled for composting or mulching by the generator, place the leaves for collection in the manner provided by the ordinance.

15. (New section) All State and local agencies responsible for the maintenance of public lands in this State shall, to the maximum extent practicable and feasible, give due consideration and preference to the use of compost materials in all land maintenance activities which are to be paid for with public funds.

Preference shall be given to recycled paper or recycled paper products with the highest percentage of post-consumer waste material.

17. (New section) a. In purchasing any paper or paper products for use by the various agencies and departments of the State government or for any county, municipality or school district pursuant to P.L. 1969, c. 104 (C. 52:25-16.1 et al.), the Director of the Division of Purchase and Property, whenever the price is competitive for the purpose intended, shall make contracts available for those items which are manufactured or produced from recycled paper or recycled paper products. For the purposes of this section, "competitive" means a price within 10% of the price of items which are manufactured or produced from virgin paper products.

b. The Director of the Division of Purchase and Property, after formal advertisement and solicitation of proposals for recycled paper or recycled paper products, and having received no competitive proposals for recycled paper or recycled paper products, may award the contract for paper or paper products manufactured or produced from virgin paper products in the manner prescribed by law. derived from waste oil as a furnace or boiler fuel by manufacturers of asphalt or recycled asphalt pavement.

C. 13:1E-99.30 Compliance with district recycling plan.

22. (New section) a. The provisions of P.L. 1970, c. 39 (C. 13:1E-1 et seq.) or any rules and regulations adopted pursuant thereto to the contrary notwithstanding, on or after July 1, 1987, the department shall not issue a registration statement or engineering design approval for any new or expanded solid waste facility in any county unless the person or party proposing to construct or operate the facility submits written documentation and any other evidence the department may require demonstrating to the department's satisfaction that the goals of the relevant district recycling plan required by section 3 of this amendatory and supplementary act have been incorporated into the plans for the proposed facility.

33. Section 2 of P.L. 1981, c. 278 (C. 13:1E-93) is amended to read as follows:

C. 13:1E-93 Additional findings, declarations.

2. The Legislature finds that New Jersey must continue to seek solutions to its energy, environmental and economic problems; that solutions to these problems require proper solid waste and resource recovery management; that the generation of municipal solid waste is increasing while landfill capacity is decreasing; that the siting of environmentally secure landfills is an area of serious concern and limited choice; that the planning and construction of waste-to-energy resource recovery facilities requires substantial capital expenditures and a guaranteed flow of processible and combustible waste; and that the disposal of reusable waste materials is wasteful of valuable resources.

The Legislature further finds that the recycling of waste materials decreases waste flow to landfill sites, substantially reduces the required capacity and cost of proposed waste-to-energy resource recovery facilities while contributing to their overall combustion efficiency through the removal of noncombustible and nonprocessible materials at the source, recovers valuable resources, conserves energy in the manufacturing process, and offers a supply of domestic raw materials for the State's industries; that a comprehensive recycling plan and program is necessary to achieve the maximum practicable recovery of reusable materials from solid waste in this State; and that such a plan will reduce the amount of waste to landfills, result in significant cost savings in the planning and construction of waste-to-energy resource recovery facilities, conserve energy and resources, and recover materials for industrial uses.

The Legislature finds that an uncluttered landscape is among the most priceless heritages which New Jersey can bequeath to posterity; that it is the duty of government to promote and encourage a clean and safe environment; that the proliferation and accumulation of carelessly discarded litter may pose a threat to the public health and safety; that the litter problem is especially serious in a State as densely populated and heavily traveled as New Jersey; and that unseemly litter has an adverse economic effect on New Jersey by
making the State less attractive to tourists and new industry and residents.

The Legislature, therefore, declares it to be in the energy, environmental, and economic interests of the State of New Jersey to implement a comprehensive Statewide recycling plan and to establish a clean communities account to develop resources to be used in a litter abatement and removal pickup plan as provided for by law.

C. 13:1E-95 Recycling tax.

4. a. There is levied upon the owner or operator of every solid waste facility a recycling tax of $1.50 per ton of all solid waste accepted for disposal or transfer at the facility. In the event that any solid waste is measured upon acceptance for disposal or transfer by other than tons, the tax shall be levied on the equivalents thereof as shall be determined by the director. The tax shall not be imposed on the owner or operator of a resource recovery facility, upon the acceptance of solid waste for disposal at that facility, or on the owner or operator of a solid waste transfer station facility which is designed and operated solely for receiving and transferring solid waste from collection vehicles to haulage vehicles for the purposes of facilitating the transportation of solid waste, upon the acceptance of solid waste for transfer to an in-State solid waste facility for permanent disposal.

b. (1) Every owner or operator of a solid waste facility shall, on or before the 20th day of the month following the close of each tax period, render a return under oath to the director on such form as may be prescribed by the director indicating the number of tons of solid waste accepted for disposal or transfer which is subject to the tax pursuant to subsection a. of this section and at said time owner or operator shall pay the full amount of tax due.

(2) Every owner or operator of a solid waste facility which accepts solid waste for disposal or transfer and which is subject to the tax under subsection a. of this section shall, within 20 days after the first
acceptance of this waste, register with the director on forms prescribed by him.

If the Division of Taxation determines that the failure to comply with any provision of this section was excusable under the circumstances, it may remit such part or all of the penalty as shall be appropriate under such circumstances.

e. (1) (Deleted by amendment, P.L. 1987, c. 76.)

(2) (Deleted by amendment, P.L. 1987, c. 76.)

5. a. The State Recycling Fund (hereinafter referred to as the “fund”) is established as a nonlapsing, revolving fund. The fund shall be administered by the Department of Environmental Protection, and shall be credited with all tax revenue collected by the division pursuant to section 4 of P.L. 1981, c. 278 (C. 13:1E-95). Interest received on moneys in the fund and sums received as repayment of principal and interest on outstanding loans made from the fund shall be credited to the fund. The Department of Environmental Protection, in the administration of the fund, is authorized to assign to the New Jersey Economic Development Authority the responsibility for making credit evaluations of applicants for loans, for servicing loans on behalf of the department, and, the provisions of any other law to the contrary notwithstanding, for making recommendations as to the approval or denial of loans pursuant to this section. The department is further authorized to pay or reimburse the authority in the amounts as the department agrees are appropriate for all services rendered by the authority in connection with any assignment of responsibility under the terms of this section out of moneys held in the fund for loans and the loan guarantee program.

-b. Moneys in the fund shall be allocated and used for the following purposes and no others:

(1) Not less than 40% of the estimated annual balance of the fund shall be used for the annual expenses of a program for recycling grants to municipalities or counties in those instances where a county, at its own expense, provides for the collection, processing and marketing of recyclable materials on a regional basis. The amount of these grants shall be calculated on the basis of the total number of tons of recyclable materials annually recycled from residential, commercial and institutional sources within that municipality, or group of municipalities in the case of a county recycling program, except that no such grant shall exceed $10.00 per ton of materials recycled. The department may allocate a portion of these grant moneys as bonus grants to municipalities and counties in those instances where a municipality or county, at its own expense, provides for the collection of recyclable materials in its recycling program. The department shall announce each year the total amount of moneys available in the bonus grant fund.
A municipality may distribute a portion of its grant moneys to nonprofit groups that are located within that municipality and which have contributed to the receipt of the recycling grant, except that this distribution shall not exceed the value of approved documented tonnage contributed by a nonprofit group.

To be eligible for a grant pursuant to this subsection, a municipality or county in the case of a county recycling program shall demonstrate that the materials recycled by the municipal or county recycling program were not diverted from a commercial recycling program already in existence on the effective date of the ordinance or resolution establishing the municipal or county recycling program.

No recycling grant to any municipality shall be used for constructing or operating any facility for the baling of wastepaper or for the shearing, baling or shredding of ferrous or nonferrous materials;

(2) Not less than 35% of the estimated annual balance of the fund shall be used to provide low interest loans or loan guarantees to recycling businesses and industries, and to provide moneys for research into collection, market stimulation and reuse techniques applicable to recycling or the disposition of recyclable materials, or to contract for market studies, and to establish a sufficient reserve for a loan guarantee program for recycling businesses and industries;

b. The Board of Public Utilities shall, within 90 days of the effective date of P.L. 1987, c. 102 (C. 13:1E-99.11 et al.), issue an appropriate order increasing current tariffs established pursuant to law for solid waste collection operations by an amount equal to the total increase in the relevant solid waste disposal tariff pursuant to subsection a. of this section. In issuing this order, the board shall be exempt from the provisions of R.S. 48:2-21.

39. Section 10 of P.L. 1981, c. 278 is amended to read as follows:

40. (New section) a. Any person engaged in the business of solid waste collection or solid waste disposal in accordance with the provisions of P.L. 1970, c. 40 (C. 48:13A-1 et seq.) may engage in recycling or otherwise provide recycling services.

b. Notwithstanding the provisions of P.L. 1970, c. 40 (C. 48:13A-1 et seq.) or any other law, the Board of Public Utilities shall not have jurisdiction over charges or rates for recycling or services provided by persons engaging in the business of recycling or otherwise providing recycling services in this State. The revenues generated by persons engaging in the business of recycling or otherwise providing recycling services shall not be included within the computation of current or adjusted tariffs established pursuant to law for solid waste collection.

41. (New section) a. Notwithstanding the provisions of P.L. 1970, c. 39 (C. 13:1E-1 et seq.) or any other law, rule or regulation to the contrary, no recycling center as defined in section 2 of P.L. 1987, c. 102 (C. 13:1E-99.12) shall be required by the department to obtain a registration statement, engineering design approval, or approval of an environmental and health impact statement prior to the commencement of operations.

b. No recycling center shall receive, store, process or transfer any waste material other than source separated nonputrescible or source separated commingled nonputrescible metal, glass, paper, or plastic containers, and corrugated and other cardboard without the prior approval of the department.

C. 54:10A-5.3 Recycling equipment tax credit.

42. (New section) a. A taxpayer who purchases recycling equipment certified by the Commissioner of the Department of Environmental Protection pursuant to subsection b. of this section, to be used exclusively within this State, except for vehicles which are to be used primarily within this State, shall be entitled to a credit as provided herein against the tax imposed pursuant to section 5 of P.L. 1945, c. 162 (C. 54:10A-5) in an amount equal to 50% of the cost of the recycling equipment less the amount of any loan received pursuant to section 5 of P.L. 1981, c. 278 (C. 13:1E-96). The tax imposed pursuant to section 5 of P.L. 1945, c. 162 shall first be reduced by the amount of any credit allowable pursuant to section 19 of P.L. 1983, c. 303 (C. 52:27H-78) prior to applying the credit allowed pursuant to this section. The amount of the credit claimed in the tax year for which certification of equipment is received, and the amount of credit claimed therefor in each tax year thereafter, shall not exceed 20% of the amount of the total credit allowable, shall not exceed 50% of the tax liability which would be otherwise due, and shall not reduce the amount of tax liability to less than the statutory minimum provided in subsection (e) of section 5 of P.L. 1945, c. 162. which has been separated from solid waste for the purposes of collection, marketing and disposition and which does not include secondary waste material or demolition waste; and "secondary waste material" means waste material generated after the completion of a manufacturing process.

b. In order to qualify for the tax credit pursuant to subsection a. of this section, the taxpayer shall apply for a certification from the Commissioner of the Department of Environmental Protection that certifies that the equipment purchased qualifies as recycling equipment as defined in subsection a. of this section. The certification shall specifically indicate the date of purchase, a description of the equipment, and the cost, and state that the equipment has not previously qualified for a credit pursuant to this section either for the owner or for a previous owner.

Upon certification, the Commissioner of the Department of Environmental Protection shall submit a copy thereof to the taxpayer and the Director of the Division of Taxation. When filing a tax return that includes a claim for a credit pursuant to this section, the taxpayer shall include a copy of the certification and a statement that the recycling equipment is in use in the applicable tax year and is used exclusively in New Jersey, except for vehicles which shall be used primarily in New Jersey. Any credit shall be valid in the tax year in which the certification is approved and any unused portion thereof may be carried forward into subsequent years as provided in subsection a. of this section.

The Commissioner of the Department of Environmental Protection, in consultation with the Director of the Division of Taxation, shall adopt rules and regulations establishing technical specifications and certification requirements for the qualification of recycling equipment for the credit established pursuant to this section.

c. On or before January 31 of each year, the Commissioner of the Department of Environmental Protection shall submit a report to the Governor, the State Treasurer, and the Legislature setting forth the number of certifications that were approved during the preceding calendar year and the cost of each type of recycling equipment which has been certified as qualifying for the credit.

(1) Every container of lubricating or other oil is clearly marked or labeled as containing a recyclable material which shall be disposed of after use only at a used oil collection center; and

(2) The motor oil retailer shall conspicuously post and maintain, at or near the point of sale, a durable and legible metal sign, not less than 11 inches by 15 inches in size, informing the public of the importance of the proper collection and disposal of used oil, and how and where used oil may be properly disposed. For the purposes of this section, “motor oil retailer” means any person who sells to consumers more than 500 gallons of lubricating or other oil annually in containers for use off the premises where sold.

b. The Commissioner of the Department of Environmental Protection shall adopt, pursuant to the provisions of the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) any rules and regulations necessary to implement the provisions of this section.

44. (New section) a. On or after July 1, 1987, every owner or operator of a used oil collection center shall post and maintain a durable and legible metal sign, not less than 11 inches by 15 inches in size, in a prominent location, informing the public that it is a collection site for the disposal of used oil. For the purposes of this section, “used oil collection center” means any reinspection station permitted by the Division of Motor Vehicles in the Department of Law and Public Safety, or retail service station which has a used oil collection tank on the premises, or any site which accepts used oil for recycling.

b. The Commissioner of the Department of Environmental Protection shall adopt, pursuant to the provisions of the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) any rules and regulations necessary to implement the provisions of this section.

45. (New section) a. The “Statewide Mandatory Source Separation and Recycling Program Fund” is established as a special account in the Department of the Treasury. The fund shall be administered by the State Treasurer and shall be the depository of all moneys appropriated by the Legislature pursuant to this 1987 amendatory and supplementary act or any subsequent act for the purposes of assisting counties and municipalities in the implementation of the
county and municipal recycling program requirements of sections 3, 4 and 6 of this amendatory and supplementary act, and for studies of markets for recyclable materials as provided in section 48 of this amendatory and supplementary act.

b. The moneys in the fund shall be allocated and used to provide State aid to counties and municipalities for implementing the recycling program requirements of sections 3, 4 and 6 of this amendatory and supplementary act. The amount of this State aid shall be calculated based on the proportion which the housing units of a county or municipality bear to the total housing units in the State, except that no municipality shall receive less than .001% of the amount apportioned to aid all municipalities. Total housing units shall be determined using the most recent federal decennial population estimates for New Jersey and its municipalities filed in the office of the Secretary of State.

c. Within 30 days of the effective date of this amendatory and supplementary act, the State Treasurer shall pay and distribute to the chief fiscal officer of every county and municipality in this State, from moneys in the "Statewide Mandatory Source Separation and Recycling Program Fund," an amount equal to the local government unit's proportionate share of the State aid as calculated pursuant to subsection b. of this section.

C. 40A:4-45.36 Exemption from county tax levy limitations.

46. (New section) Any moneys due a county pursuant to the provisions of section 45 of P.L. 1987, c. 102 (C. 13:1E-99.37) shall be State aid and exempt from the limitations put on county tax levies pursuant to P.L. 1976, c. 68 (C. 40A:4-45.1 et seq.).

48. (New section) a. Of the moneys appropriated from the General Fund to the “Statewide Mandatory Source Separation and Recycling Program Fund” pursuant to section 52 of this amendatory and supplementary act, there is allocated the sum of $200,000.00 which shall be dedicated to studies of markets for recyclable materials, and of local, national and international distribution networks
for recyclable materials. These funds shall be distributed by the Commissioner of Environmental Protection through the New Jersey Office of Recycling as grants to qualified colleges and universities in this State or contracts to private firms which can demonstrate the administrative and technical capability to undertake studies of this nature. Each study shall focus on a particular recyclable material, including, but not limited to, automobile tires, paper, and plastic beverage containers. In contracting for these studies, the New Jersey Office of Recycling shall specify that consideration shall be accorded to alternative pricing structures and marketing strategies, including so-called "negative pricing," in order to determine whether the competitive disposition and marketing of recyclable materials may be achieved through means other than traditional price structures and commodity sales and transactions.

b. The New Jersey Office of Recycling in the Department of Environmental Protection shall, within nine months of the effective date of this amendatory and supplementary act, transmit copies of the studies prepared pursuant to subsection a. of this section to the governing bodies of each county and municipality in the State. These studies shall be made available to the general public at a cost not to exceed the cost of reproduction and distribution.

All of the functions, powers and duties heretofore exercised by the Department of Energy and the commissioner thereof pursuant to P.L. 1981, c. 278 (C. 13:1E-92 et seq.) are transferred to and vested in the New Jersey Office of Recycling in the Department of Environmental Protection and the commissioner thereof. The New Jersey Office of Recycling shall be under the immediate supervision of an administrator who shall be appointed by the Commissioner of Environmental Protection and who shall be in the unclassified service of the State.

b. The administrator shall administer the work of the New Jersey Office of Recycling under the direction of the commissioner and shall perform any other functions of the department as the commissioner may prescribe.

c. Whenever in any law, rule, regulation, order, contract document, judicial or administrative proceeding or otherwise, reference is made to the de facto Office of Recycling under the joint administration of the Departments of Energy and Environmental Protection,
the same shall mean and refer to the New Jersey Office of Recycling in the Department of Environmental Protection.

d. All transfers directed by this section shall be made in accordance with the “State Agency Transfer Act,” P.L. 1971, c. 575 (C. 52:14D-1 et seq.).

50. (New section) The Commissioner of Environmental Protection shall prepare a report to the Legislature concerning the implementation of this amendatory and supplementary act, including a recommendation that the continuation of the tax imposed pursuant to section 4 of P.L. 1981, c. 278 (C. 13:1E-95) is necessary to ensure the achievement of the State Recycling Plan goals and the success of county and municipal recycling programs in meeting the designated recovery targets set forth in the district recycling plans, if warranted by the circumstances. This report shall be transmitted to the Legislature not later than April 1, 1990, and shall be revised, and modified if necessary, at least once every three years thereafter.

2C:35-21.  Seizure in Violation of Chapter; Pretrial Destruction of Bulk Seizures of Controlled Dangerous Substances.

2C:35-23.  Pending Cases.

2C:35-1.  Short Title.

This act shall be known and may be cited as the "Comprehensive Drug Reform Act of 1987."

2C:35-1.1.  Declaration of Policy and Legislative Findings.

The Legislature hereby finds and declares to be the public policy of this State, the following:

a.  By enactment of the "New Jersey Code of Criminal Justice," N.J.S. 2C:1-1 et seq., the Legislature recognized the need for the comprehensive reevaluation, revision, consolidation and codification of our criminal laws, and the need to ensure a uniform, consistent and predictable system for the sentencing of convicted offenders, focusing principally on the seriousness and degree of dangerousness inherent in a particular offense. In enacting the sentencing provisions of the penal code, the Legislature recognized that the imposition of a uniform, consistent and predictable sentence for a given offense is an essential prerequisite to any rational deterrent scheme designed ultimately to reduce the incidence of crime.

b.  Despite the impressive efforts and gains of our law enforcement agencies, the unlawful use, manufacture and distribution of controlled dangerous substances continues to pose a serious and pervasive threat to the health, safety and welfare of the citizens of this State. New Jersey continues to experience an unacceptably high rate of drug-related crime, and continues to serve as a conduit for the illegal trafficking of drugs to and from other jurisdictions. In addition to the harm suffered by the victims of drug abuse and drug-related crime, the incidence of such offenses is directly related to the rate of other violent and non-violent crimes, including murder, assault, robbery, theft, burglary and organized criminal activities. For this reason, enhanced and coordinated efforts designed specifically to curtail drug-related offenses will lead inexorably to a reduction in the rate of crime generally, and is therefore decidedly in the public interest.

c.  In order to be effective, the battle against drug abuse and drug-related crime must be waged aggressively at every level along the
drug distribution chain, but in particular, our criminal laws must target for expedited prosecution and enhanced punishment those repeat drug offenders and upper echelon members of organized narcotics trafficking networks who pose the greatest danger to society. In order to ensure the most efficient and effective dedication of limited investigative, prosecutorial, judicial and correctional resources, it is the policy of this State to distinguish between drug offenders based on the seriousness of the offense, considering principally the nature, quantity and purity of the controlled substance involved, and the role of the actor in the overall drug distribution network. It is the intention of the Legislature to provide for the strict punishment, deterrence and incapacitation of the most culpable and dangerous drug offenders, and to facilitate where feasible the rehabilitation of drug dependent persons so as ultimately to reduce the demand for illegal controlled dangerous substances and the incidence of drug-related crime. It is also the policy of this State to afford special protection to children from the perils of drug trafficking, to ensure that all schools and areas adjacent to schools are kept free from drug distribution activities, and to provide especially stern punishment for those drug offenders who operate on or near schools and school buses, who distribute to juveniles, or who employ juveniles in a drug distribution scheme. In addition, our criminal laws and sentencing practices must be reexamined and amended so as to minimize pretrial delay, thereby to ensure the prompt disposition of all drug-related criminal charges and the prompt imposition of fair and certain punishment.

d. Under the current drug laws, there are inadequate sentencing guidelines with which consistently to identify the most serious offenders and offenses and to guard against sentencing disparity and the resulting depreciation of the deterrent thrust of the criminal law. In order to protect the public interest, and so as to deter, disrupt and eliminate the operation of organized drug trafficking networks, it is necessary to undertake a comprehensive reexamination of our controlled dangerous substances laws, procedures and sentencing practices. The transfer of the provisions of the "New Jersey Controlled Dangerous Substances Act," P.L. 1970, c. 226 (C. 24:21-1 et seq.) into the penal code which is accomplished herein, along with the amendments and supplements thereto, will better ensure that the most culpable drug offenders will be subject to swift prosecutions and strict, consistently imposed criminal sanctions.

As used in this chapter:

"Administer" means the direct application of a controlled dangerous substance or controlled substance analog, whether by injection, inhalation, ingestion, or any other means, to the body of a patient or research subject by: (1) a practitioner (or, in his presence, by his lawfully authorized agent), or (2) the patient or research subject at the lawful direction and in the presence of the practitioner.

"Agent" means an authorized person who acts on behalf of or at the direction of a manufacturer, distributor, or dispenser but does not include a common or contract carrier, public warehouseman, or employee thereof.

"Controlled dangerous substance" means a drug, substance, or immediate precursor in Schedules I through V. The term shall not include distilled spirits, wine, malt beverages, as those terms are defined or used in R.S. 33:1-1 et seq., or tobacco and tobacco products. The term, wherever it appears in any law or administrative regulation of this State, shall include controlled substance analogs.

"Controlled substance analog" means a substance that has a chemical structure substantially similar to that of a controlled dangerous substance and that was specifically designed to produce an effect substantially similar to that of a controlled dangerous substance. The term shall not include a substance manufactured or distributed in conformance with the provisions of an approved new drug application or an exemption for investigational use within the meaning of section 505 of the "Federal Food, Drug and Cosmetic Act," 52 Stat. 1052 (21 U.S.C. §355).

A person is a leader of a narcotics trafficking network if he conspires with others as an organizer, supervisor, financier or manager, to engage for profit in a scheme or course of conduct to unlawfully manufacture, distribute, dispense, bring into or transport in this State methamphetamine, lysergic acid diethylamide, phencyclidine or any controlled dangerous substance classified in Schedule I or II, or any controlled substance analog thereof. Leader of narcotics trafficking network is a crime of the first degree and upon conviction thereof, except as may be provided by N.J.S. 2C:35-12, a person shall be sentenced to an ordinary term of life imprisonment during which the person must serve 25 years before being eligible for parole. Notwithstanding the provisions of subsection a. of N.J.S. 2C:43-3, the court may also impose a fine not to exceed $500,000.00 or five times the street value of the controlled dangerous substance or controlled substance analog involved, whichever is greater.

Notwithstanding the provisions of N.J.S. 2C:1-8, a conviction of leader of narcotics trafficking network shall not merge with the conviction for any offense which is the object of the conspiracy. Nothing contained in this section shall prohibit the court from imposing an extended term pursuant to N.J.S. 2C:43-7; nor shall this section be construed in any way to preclude or limit the prosecution or conviction of any person for conspiracy under N.J.S. 2C:5-2, or any prosecution or conviction under N.J.S. 2C:35-4 (maintaining or operating a CDS production facility), N.J.S. 2C:35-5 (manufacturing, distributing or dispensing), N.J.S. 2C:35-6 (employing a juvenile in a drug distribution scheme), N.J.S. 2C:35-9 (strict liability for drug
induced death), N.J.S. 2C:41-2 (racketeering activities) or subsection g. of N.J.S. 2C:5-2 (leader of organized crime).

It shall not be a defense to a prosecution under this section that such controlled dangerous substance or controlled substance analog was brought into or transported in this State solely for ultimate distribution or dispensing in another jurisdiction; nor shall it be a defense that any profit was intended to be made in another jurisdiction.

Notwithstanding the provisions of subsection a. of N.J.S. 2C:43-3, the court may also impose a fine not to exceed $500,000.00 or five times the street value of all controlled dangerous substances or controlled substance analogs at any time manufactured or stored at such premises, place or facility.

c. Where the degree of the offense for violation of this section depends on the quantity of the substance, the quantity involved shall be determined by the trier of fact. The quantity involved in individual acts of manufacturing, distribution, dispensing or possessing with intent to distribute may be aggregated in determining the grade of the offense, whether distribution or dispensing is to the same person or several persons, provided that each individual act of distribution was committed within the applicable statute of limitations.

2C:35-6. Employing a Juvenile in a Drug Distribution Scheme.

Any person being at least 18 years of age who knowingly uses, solicits, directs, hires or employs a person 17 years of age or younger to violate N.J.S. 2C:35-4 or subsection a. of N.J.S. 2C:35-5, is guilty of a crime of the second degree and shall, except as provided in N.J.S. 2C:35-12, be sentenced to a term of imprisonment which shall include the imposition of a minimum term which shall be fixed at, or between, one-third and one-half of the sentence imposed, or five years, whichever is greater, during which the defendant shall be ineligible for parole. It shall be no defense to a prosecution under this section that the actor mistakenly believed that the person which the actor used, solicited, directed, hired or employed was 18 years of age or older, even if such mistaken belief was reasonable.

Nothing in this section shall be construed to preclude or limit a prosecution or conviction for a violation of any offense defined in this chapter pursuant to N.J.S. 2C:2-6 or any other provision of law governing an actor's liability for the conduct of another, and, notwithstanding the provisions of N.J.S. 2C:1-8 or any other provision of law, a conviction arising under this section shall not merge with a conviction for a violation of N.J.S. 2C:35-3 (leader of narcotics trafficking network), N.J.S. 2C:35-4 (maintaining or operating a CDS production facility), N.J.S. 2C:35-5 (manufacturing, distributing or dispensing), or N.J.S. 2C:35-9 (strict liability for drug induced death).

Upon the application of the prosecuting attorney, any person being at least 18 years of age who has been convicted for violating subsection a. of N.J.S. 2C:35-5 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7) by distributing a controlled dangerous substance or controlled substance analog to a pregnant female or a person 17 years of age or younger shall, except as provided in N.J.S. 2C:35-12, be subject to twice the term of imprisonment, fine and penalty, including twice the term of parole ineligibility, if any, authorized or required to be imposed by subsection b. of N.J.S. 2C:35-5 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7) or any other provision of this title.

The court shall not impose more than one enhanced sentence pursuant to this section. If the defendant is convicted of more than one offense which is otherwise subject to enhanced punishment pursuant to this section, the court shall impose enhanced punishment based upon the most serious such offense for which the defendant was convicted, or, where applicable, the offense which mandates the imposition of the longest term of parole ineligibility. Notwithstanding the provisions of paragraph (2) of subsection a. of 2C:44-5, nothing herein shall prevent the court from also imposing an extended term pursuant to subsection f. of N.J.S. 2C:43-6. The court shall not impose an enhanced sentence pursuant to this section unless the prosecutor has established the ground therefor by a preponderance of the evidence at a hearing, which may occur at the time of sentenc-
ing. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing or other court proceedings, and shall also consider the presentence report and any other relevant information. It shall be no defense to the imposition of enhanced punishment pursuant to this section that the defendant mistakenly believed that the recipient of the substance was 18 years of age or older, even if the mistaken belief was reasonable. It shall not be a defense to the imposition of enhanced punishment pursuant to this section that the defendant did not know that the recipient was pregnant.

a. Any person who manufactures, distributes or dispenses methamphetamine, lysergic acid diethylamide, phencyclidine or any other controlled dangerous substance classified in Schedule I or II, or any controlled substance analog thereof, in violation of subsection a. of N.J.S. 2C:35-5, is strictly liable for a death which results from the injection, inhalation or ingestion of that substance, and is guilty of a crime of the first degree.

b. The provisions of N.J.S. 2C:2-3 (governing the causal relationship between conduct and result) shall not apply in a prosecution under this section. For purposes of this offense, the defendant's act of manufacturing, distributing or dispensing a substance is the cause of a death when:

(1) The injection, inhalation or ingestion of the substance is an antecedent but for which the death would not have occurred; and

(2) The death was not:

(a) too remote in its occurrence as to have a just bearing on the defendant's liability; or

(b) too dependent upon conduct of another person which was unrelated to the injection, inhalation or ingestion of the substance or its effect as to have a just bearing on the defendant's liability.

c. It shall not be a defense to a prosecution under this section that the decedent contributed to his own death by his purposeful, knowing, reckless or negligent injection, inhalation or ingestion of the substance, or by his consenting to the administration of the substance by another.

d. Nothing in this section shall be construed to preclude or limit any prosecution for homicide. Notwithstanding the provisions of
CHAPTER 106, LAWS OF 1987

N.J.S. 2C:1-8 or any other provision of law, a conviction arising under this section shall not merge with a conviction for leader of narcotics trafficking network, maintaining or operating a controlled dangerous substance production facility, or for unlawfully manufacturing, distributing, dispensing or possessing with intent to manufacture, distribute or dispense the controlled dangerous substance or controlled substance analog which resulted in the death.

2C:35-10. Possession, Use or Being Under the Influence.

a. It is unlawful for any person, knowingly or purposely, to obtain, or to possess, actually or constructively, a controlled dangerous substance or controlled substance analog, unless the substance was obtained directly, or pursuant to a valid prescription or order form from a practitioner, while acting in the course of his professional practice, or except as otherwise authorized by P.L. 1970, c. 226 (C. 24:21-1 et seq.). Any person who violates this section with respect to:

(1) A controlled dangerous substance, or its analog, classified in Schedules I, II, III or IV other than those specifically covered in this section, is guilty of a crime of the third degree except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $25,000.00 may be imposed;

(2) Any controlled dangerous substance, or its analog, classified in Schedule V, is guilty of a crime of the fourth degree except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $15,000.00 may be imposed;

(3) Possession of more than 50 grams of marijuana, including any adulterants or dilutants, or more than five grams of hashish is guilty of a crime of the fourth degree, except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $15,000.00 may be imposed; or

(4) Possession of 50 grams or less of marijuana, including any adulterants or dilutants, or five grams or less of hashish is a disorderly person.

Any person who violates this subsection or the offense defined in subsection b. of this section while on any property used for school purposes which is owned by any elementary or secondary school or school board, or within 1,000 feet of any school property or school bus, or while on any school bus, and who is not sentenced to a term of imprisonment, shall, in addition to any other sentence which the
court may impose, be required to perform not less than 100 hours of community service.

b. Any person who uses or who is under the influence of any controlled dangerous substance, or its analog, for a purpose other than the treatment of sickness or injury as lawfully prescribed or administered by a physician is a disorderly person.

In a prosecution under this subsection, it shall not be necessary for the State to prove that the accused did use or was under the influence of any specific drug, but it shall be sufficient for a conviction under this subsection for the State to prove that the accused did use or was under the influence of some controlled dangerous substance, counterfeit controlled dangerous substance, or controlled substance analog, by proving that the accused did manifest physical and physiological symptoms or reactions caused by the use of any controlled dangerous substance or controlled substance analog.

2C:35-11. Imitation controlled dangerous substances; distribution, possession, manufacture, etc.; penalties.

a. It is unlawful for any person to distribute or to possess or have under his control with intent to distribute any substance which is not a controlled dangerous substance or controlled substance analog:

(1) Upon the express or implied representation to the recipient that the substance is a controlled dangerous substance or controlled substance analog; or

(2) Upon the express or implied representation to the recipient that the substance is of such nature, appearance or effect that the recipient will be able to distribute or use the substance as a controlled dangerous substance or controlled substance analog; or

(3) Under circumstances which would lead a reasonable person to believe that the substance is a controlled dangerous substance or controlled substance analog.

Any of the following shall constitute prima facie evidence of such circumstances:

(a) The substance was packaged in a manner normally used for the unlawful distribution of controlled dangerous substances or controlled substance analogs.

(b) The distribution or attempted distribution of the substance was accompanied by an exchange of or demand for money or other
thing as consideration for the substance, and the value of the consideration exceeded the reasonable value of the substance.

(c) The physical appearance of the substance is substantially the same as that of a specific controlled dangerous substance or controlled substance analog.

b. It is unlawful for any person to manufacture, compound, encapsulate, package or imprint any substance which is not a controlled dangerous substance, controlled substance analog or any combination of such substances, other than a prescription drug, with the purpose that it resemble or duplicate the physical appearance of the finished form, package, label or imprint of a controlled dangerous substance or controlled substance analog.

c. In any prosecution under this section, it shall not be a defense that the defendant mistakenly believed a substance to be a controlled dangerous substance or controlled substance analog.

d. A violation of this section is a crime of the third degree, except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $100,000.00 may be imposed.

e. The provisions of this section shall not be applicable to (1) practitioners or agents, servants and employees of practitioners dispensing or administering noncontrolled substances to patients on behalf of practitioners in the normal course of their business or professional practice; and (2) persons who manufacture, process, package, distribute or sell noncontrolled substances to practitioners for use as placebos in the normal course of their business, professional practice or research or for use in federal Food and Drug Administration investigational new drug trials.

2C:35-12. Waiver of Mandatory Minimum and Extended Terms.

Whenever an offense defined in this chapter specifies a mandatory sentence of imprisonment which includes a minimum term during which the defendant shall be ineligible for parole, or a mandatory extended term which includes a period of parole ineligibility, the court upon conviction shall impose the mandatory sentence unless the defendant has pleaded guilty pursuant to a negotiated agreement or, in cases resulting in trial, the defendant and the prosecution have entered into a post-conviction agreement, which provides for a lesser sentence or period of parole ineligibility. The negotiated plea or post-conviction agreement may provide for a specified term of imprisonment.
ment within the range of ordinary or extended sentences authorized by law, a specified period of parole ineligibility, a specified fine, or other disposition. In that event, the court at sentencing shall not impose a lesser term of imprisonment, period of parole ineligibility or fine than that expressly provided for under the terms of the plea or post-conviction agreement.

It shall be unlawful for any person to acquire or obtain possession of a controlled dangerous substance or controlled substance analog by misrepresentation, fraud, forgery, deception or subterfuge. It shall be unlawful for any person to acquire or obtain possession of a forged or fraudulent certificate of destruction required pursuant to N.J.S. 2C:35-21. A violation of this section shall be a crime of the third degree except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $30,000.00 may be imposed. Nothing in this section shall be deemed to preclude or limit a prosecution for theft as defined in chapter 20 of this title.

2C:35-14. Rehabilitation Program for Drug Dependent Persons; Mandatory Commitment to Residential Treatment Facilities; Revo-
cation.

a. Notwithstanding the presumption of incarceration pursuant to the provisions of subsection d. of N.J.S. 2C:44-1, and except as provided in subsection b. of this section, whenever a drug dependent person is convicted of an offense under N.J.S. 2C:35-5, N.J.S. 2C:35-6, section 1 of P.L. 1987, c. 101 (C. 2C:35-7), N.J.S. 2C:35-10, N.J.S. 2C:35-11, or N.J.S. 2C:35-13, other than a crime of the first degree, the court, upon notice to the prosecutor, may, on motion of the defendant and where the court finds that no danger to the community will result and that the placement will serve to benefit the defendant by serving to correct his or her dependency on controlled substances, place the defendant on probation, which shall be for a term of five years. As a condition of that probation, the court shall order the defendant to enter a drug rehabilitation program, subject to such other reasonable terms and conditions as may be required by the court and by law, pursuant to N.J.S. 2C:45-1, and which shall include periodic urine testing for drug usage throughout the period of probation.

b. Except upon the joint application of the defendant and the prosecuting attorney, no person convicted of an offense under N.J.S. 2C:35-6 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7), or who has been
previously convicted of an offense under subsection a. of N.J.S. 2C:35-5 or a similar offense under any other law of this State, any other state or the United States, shall be eligible for sentence in accordance with this section.

c. A person convicted of a crime of the second degree or of a violation of section 1 of P.L. 1987, c. 101 (C. 2C:35-7), who is placed in a drug rehabilitation program under this section shall be committed to the custody of a residential treatment facility. The term of such commitment shall be for a minimum of six months, or until the defendant successfully completes the residential treatment program, whichever is later, except that no person shall remain in the custody of a residential treatment facility for a period in excess of five years. Upon successful completion of the required residential treatment program, the defendant shall complete the period of probation, as authorized by subsection a. of this section, with credit for time served in the residential treatment facility and for any imprisonment served as a condition of probation. A person placed into a residential treatment facility under this subsection shall be deemed to be subject to official detention for the purposes of N.J.S. 2C:29-5 (escape).

d. Upon a first violation of any term or condition of the probation authorized by this section or of any term or condition of the applicable drug rehabilitation program, the court in its discretion may, and upon a subsequent violation shall, revoke the defendant's probation and impose on the defendant any sentence that might have been imposed originally for the offense of which he was convicted. In that event, the defendant shall receive credit for any time served pursuant to N.J.S. 2C:45-1, and any time spent by the defendant in a residential treatment facility. An action for a violation under this subsection may be brought by a probation officer or prosecutor. Notwithstanding any other provision of this subsection, if a defendant at any time refuses to undergo urine testing for drug usage as provided in subsection a. of this section, the court shall, upon the application of the probation officer or prosecutor, revoke the defendant's probation. Failure to successfully complete the required drug rehabilitation program shall constitute a violation of the defendant's probation. A defendant who fails to comply with the terms of his probation pursuant to this section and is thereafter sentenced to imprisonment in accordance with this subsection shall be ineligible for entry into the Intensive Supervision Program.
e. The court, as a condition of its order, and after considering the defendant's financial resources, may at any time require the defendant to pay for all or some portion of the costs associated with his or her participation in any rehabilitation program or period of residential treatment authorized by this section.

2C:35-15. Mandatory Drug Enforcement and Demand Reduction Penalties; Collection; Disposition; Suspension.

a. In addition to any disposition authorized by this title, the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title, and every person placed in supervisory treatment pursuant to N.J.S. 2C:43-12 who was charged with any offense defined in this chapter or chapter 36 of this title, shall be assessed for each such offense a penalty fixed at:

(1) $3,000.00 in the case of a crime of the first degree;
(2) $2,000.00 in the case of a crime of the second degree;
(3) $1,000.00 in the case of a crime of the third degree;
(4) $750.00 in the case of a crime of the fourth degree;
(5) $500.00 in the case of a disorderly persons or petty disorderly persons offense.

All penalties provided for in this section shall be in addition to and not in lieu of any fine authorized by law or required to be imposed pursuant to the provisions of N.J.S. 2C:35-12.

b. All penalties provided for in this section shall be collected as provided for collection of fines and restitutions in section 3 of P.L. 1979, c. 396 (C. 2C:46-4), and shall be forwarded to the Department of Law and Public Safety as provided in subsection c. of this section.

c. All moneys collected pursuant to this section shall be forwarded to the Department of Law and Public Safety to be deposited in a nonlapsing revolving fund to be known as the "Drug Enforcement and Demand Reduction Fund."

d. All moneys, including fines and restitution, collected from a person convicted of or adjudicated delinquent for an offense or placed in supervisory treatment pursuant to N.J.S. 2C:43-12 shall be applied first to any Violent Crimes Compensation Board penalty imposed
pursuant to section 2 of P.L. 1979, c. 396 (C. 2C:43-3.1), and shall next be applied to any forensic laboratory fee assessed pursuant to N.J.S. 2C:35-20, and shall next be applied to any penalty imposed pursuant to this section.

e. The court may suspend the collection of a penalty imposed pursuant to this section; provided the defendant agrees to enter a residential drug rehabilitation program approved by the court; and further provided that the defendant agrees to pay for all or some portion of the costs associated with the rehabilitation program. In this case, the collection of a penalty imposed pursuant to this section shall be suspended during the defendant's participation in the approved rehabilitation program. Upon successful completion of the program, the defendant may apply to the court to reduce the penalty imposed pursuant to this section by any amount actually paid by the defendant for his participation in the program. The court shall not reduce the penalty pursuant to this subsection unless the defendant establishes to the satisfaction of the court that he has successfully completed the rehabilitation program. If the defendant's participation is for any reason terminated before his successful completion of the rehabilitation program, collection of the entire penalty imposed pursuant to this section shall be enforced. Nothing in this section shall be deemed to affect or suspend any other criminal sanctions imposed pursuant to this chapter or chapter 36 of this title.

2C:35-16. Mandatory Forfeiture or Postponement of Driving Privileges.

In addition to any disposition authorized by this title, the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, and notwithstanding the provisions of subsection c. of N.J.S. 2C:43-2 every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period to be fixed by the court at not less than six months or more than two years, or, after the expiration of six months, until the privilege shall be restored to him in the discretion of the Director of the Division of Motor Vehicles upon application to and after certification by a physician to the director that the person is not a drug dependent person within the meaning of this chapter. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the period of the suspension of driving privileges authorized
herein shall not commence to run until the defendant reaches the age of 17. The court before whom any person is convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall cause a report of the conviction or adjudication to be filed with the Director of the Division of Motor Vehicles.

2C:35-17. Exception to Physician-Patient Privilege.

Information communicated to a practitioner in an effort unlawfully to obtain or procure the administration of a controlled dangerous substance or controlled substance analog shall not be a privileged communication.

2C:35-18. Exemption; Burden of Proof.

a. It is an affirmative defense to any criminal action arising under this chapter or chapter 36 that the defendant is the authorized holder of an appropriate registration or order form or is otherwise exempted or excepted from criminal liability by virtue of any provision of P.L. 1970, c. 226 (C. 24:21-1 et seq.). The affirmative defense established herein shall be proved by the defendant by a preponderance of the evidence. It shall not be necessary for the State to negate any exemption set forth in this act or in any provision of Title 24 of the Revised Statutes in any complaint, information, indictment or other pleading or in any trial, hearing or other proceeding under this act.

b. No liability shall be imposed by virtue of this chapter upon any duly authorized State officer, engaged in the enforcement of any law or municipal ordinance relating to controlled dangerous substances or controlled substance analogs.

2C:35-19. Laboratory Certificates; Use; Admission into Evidence; Objections.

a. The Attorney General of New Jersey may designate State Forensic Laboratories. These laboratories shall be staffed by employees of this State or any of the State's political subdivisions. In a proceeding for a violation of the provisions of chapters 35 and 36 of this title, a law enforcement agency may submit to one of these laboratories any substance, including, but not limited to, any substance believed to be a controlled dangerous substance or controlled substance analog thereof, or any poisons, drugs or medicines or human body tissues or fluids. The laboratory shall chemically analyze these substances.

b. Upon the request of any law enforcement agency, the labora-
ory employee performing the chemical analysis shall prepare a certificate. This employee shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: the type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber's training or experience to perform the analysis; and the nature and condition of the equipment used. When properly executed, the certificate shall, subject to subsection c. of this section and notwithstanding any other provision of law, be admissible evidence of the composition, quality, and quantity of the substance submitted to the laboratory for analysis, and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that he is that person.

c. Whenever a party intends to proffer in a criminal or quasi-criminal proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and all reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least 20 days before the proceeding begins. An opposing party who intends to object to the admission into evidence of a certificate shall give notice of objection and the grounds for the objection within 10 days upon receiving the adversary's notice of intent to proffer the certificate. Whenever a notice of objection is filed, admissibility of the certificate shall be determined not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and specific grounds for that objection that the composition, quality, or quantity of the substance submitted to the laboratory for analysis will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section shall not be relaxed except upon a showing of good cause.

2C:35-20. Forensic Laboratory Fees.

a. In addition to any disposition made pursuant to the provisions of N.J.S. 2C:43-2, any person convicted of an offense under this
chapter shall be assessed a criminal laboratory analysis fee of $50.00 for each offense for which he was convicted. Any person who is placed in supervisory treatment pursuant to N.J.S. 2C:43-12 shall be assessed a criminal laboratory analysis fee of $50.00 for each such offense for which he was charged.

b. In addition to any other disposition made pursuant to the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43) or any other statute indicating the dispositions that can be ordered for adjudications of delinquency, any juvenile adjudicated delinquent for a violation of this chapter shall be assessed a laboratory analysis fee of $25.00 for each adjudication.

c. All criminal laboratory analysis fees provided for in this section shall be collected as provided for the collection of fines and restitutions in N.J.S. 2C:46-4, and shall be forwarded to the appropriate forensic laboratory fund as provided in subsection d. of this section.

d. Forensic laboratory funds shall be established as follows:

(1) Any county which maintains a publicly funded forensic laboratory that regularly employs at least one forensic chemist engaged in the analysis of controlled dangerous substances may establish a county forensic laboratory fund within the office of the county treasurer.

(2) A separate account shall be established in the State Treasury and shall be designated the “State Forensic Laboratory Fund.”

e. The $50.00 analysis fee provided for in subsection a. of this section shall be forwarded to the office of the county treasurer of the county that performed the laboratory analysis if that county has established a county forensic laboratory fund or, where appropriate, to the State forensic laboratory that performed the analysis. If the county has not established a forensic laboratory fund, then the $50.00 analysis fee shall be forwarded to the State forensic laboratory fund within the State Treasury. The county treasurer and State Treasurer may retain an amount of this money equal to the administrative costs incurred pursuant to carrying out their respective responsibilities under this section.

f. Moneys deposited in the county forensic laboratory fund created pursuant to paragraph (1) of subsection c. of this section shall be in addition to any allocations pursuant to existing law and shall be designated for the exclusive use of the county forensic laboratory. These uses may include, but are not limited to, the following:
(1) costs incurred in providing microscopic and chemical analyses for controlled substances in connection with criminal investigations conducted within this State;

(2) purchase and maintenance of equipment for use in performing analyses; and

(3) continuing education, training and scientific development of forensic scientists regularly employed by these laboratories.

g. Moneys deposited in the State forensic laboratory fund created pursuant to paragraph (2) of subsection c. of this section shall be used by State forensic laboratories that the Attorney General designates pursuant to N.J.S. 2C:35-19, and the Division of State Police in the Department of Law and Public Safety. These moneys shall be in addition to any allocations pursuant to existing law and shall be designated for the exclusive use of State forensic facilities. These uses may include those enumerated in subsection e. of this section.

2C:35-21. Seizure in Violation of Chapter; Pretrial Destruction of Bulk Seizures of Controlled Dangerous Substances.

Any controlled dangerous substance or controlled substance analog seized in violation of this chapter shall be subject to the forfeiture provisions of chapter 64 of this title. In any case involving a bulk seizure of a controlled dangerous substance or a controlled substance analog, a prosecuting authority, upon notice to defense counsel, may apply to the trial court for an order to destroy all or some portion of the seized substance. The State or county forensic laboratory that analyzes the substance shall make a photographic record thereof.

In the event that the defendant objects to the application to destroy all or some portion of the controlled dangerous substance or controlled substance analog, defense counsel shall within 20 days of receiving notice from the prosecuting authority serve notice of objection upon the trial judge and the prosecuting authority. The notice of objection shall include the reasons therefor. Failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the destruction of all or some portion of the substance.

The decision to order the destruction of the substance shall be vested in the sound discretion of the trial court. Prior to the issuance of any order authorizing the destruction of all or some portion of the controlled dangerous substance or controlled substance analog, and subject to reasonable supervision by laboratory or agency personnel,
defense counsel shall be afforded an opportunity to inspect or test the substance.

The State or county forensic laboratory authorized to destroy all or some portion of the controlled dangerous substance or controlled substance analog shall file with the court a certificate under oath attesting to the date on which the substance was destroyed, the quantity of the substance destroyed, and the method used to destroy the substance.

Notwithstanding any other provision of law, the photographic record made in accordance with the provisions of this section, upon proper authentication, may be introduced as evidence in any court.

If any one or more sections, clauses, sentences or parts of this chapter shall for any reason be questioned in any court, and shall be adjudged unconstitutional or invalid, the judgment shall not affect, impair or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions so held unconstitutional or invalid.

2C:35-23. Pending Cases.

a. Except as provided in subsections b. and c. of this section, any violation of a provision of P.L. 1970, c. 226 (C. 24:21-1 et seq.) which is amended or deleted by this act, and which violation was committed prior to the effective date of this chapter, shall be governed by the prior law, which is continued in effect for that purpose, as if this act were not in force.

b. Any offense defined in this act and committed on or after the effective date shall be governed by the provisions of this act. For the purposes of this section, an offense was committed after the effective date of this act if any of the elements of the offense occurred subsequent thereto.

c. In any case pending on or initiated after the effective date of this act involving an offense defined herein and committed prior to such date:

(1) N.J.S. 2C:35-19 and N.J.S. 2C:35-21 shall govern, insofar as they are justly applicable and their application does not introduce confusion or delay;
(2) The court, with the consent of the defendant, may impose sentence under the provisions of this chapter applicable to the offense and the offender;

(3) A defendant who, on the effective date of this act, has not made application for supervisory treatment under section 27 of P.L. 1970, c. 226 (C. 24:21-27) shall not be eligible for supervisory treatment except pursuant to the provisions of 2C:43-12 and as provided in Chapter 36A of this title.

Any person who violates this section is guilty of a disorderly persons offense.

2C:36-3. Distribute, dispense or possession with intent to distribute or manufacture, crime of fourth degree.

It shall be unlawful for any person to distribute or dispense, or possess with intent to distribute or dispense, or manufacture with intent to distribute or dispense, drug paraphernalia, knowing that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, ingest, inhale or otherwise introduce into the human body a controlled dangerous substance or controlled substance analog in violation of the provisions of chapter 35 of this title. Notwithstanding any other provision of this act, the provisions of P.L. 1970, c. 226 (C. 24:21-1 et seq.) shall remain in full force and effect as to any offense committed prior to the effective date of this act.

3. An additional chapter, chapter 36A is added to Title 2C as follows:
CHAPTER 106, LAWS OF 1987

TITLE 2C
CHAPTER 36A

CONDITIONAL DISCHARGE FOR CERTAIN FIRST OFFENDERS

2C:36A-1. Conditional discharge for certain first offenses; expunging of records.

a. Whenever any person who has not previously been convicted of any offense under section 20 of P.L. 1970, c. 226 (C. 24:21-20), or a disorderly persons or petty disorderly persons offense defined in chapter 35 or 36 of this title or, subsequent to the effective date of this title, under any law of the United States, this State or any other state relating to marijuana, or stimulant, depressant, or hallucinogenic drugs, is charged with or convicted of any disorderly persons offense or petty disorderly persons offense under chapter 35 or 36 of this title, the court upon notice to the prosecutor and subject to subsection c. of this section, may on motion of the defendant or the court:

(1) Suspend further proceedings and with the consent of the person after reference to the State Bureau of Identification criminal history record information files, place him under supervisory treatment upon such reasonable terms and conditions as it may require; or

(2) After plea of guilty or finding of guilty, and without entering a judgment of conviction, and with the consent of the person after proper reference to the State Bureau of Identification criminal history record information files, place him on supervisory treatment upon reasonable terms and conditions as it may require, or as otherwise provided by law.

b. In no event shall the court require as a term or condition of supervisory treatment under this section, referral to any residential treatment facility for a period exceeding the maximum period of confinement prescribed by law for the offense for which the individual has been charged or convicted, nor shall any term of supervisory treatment imposed under this subsection exceed a period of three years. Upon violation of a term or condition of supervisory treatment the court may enter a judgment of conviction and proceed as otherwise provided, or where there has been no plea of guilty or finding of guilty, resume proceedings. Upon fulfillment of the terms and conditions of supervisory treatment the court shall terminate the supervisory treatment and dismiss the proceedings against him. Termination of supervisory treatment and dismissal under this section
shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of disqualifications or disabilities, if any, imposed by law upon conviction of a crime or disorderly persons offense but shall be reported by the clerk of the court to the State Bureau of Identification criminal history record information files. Termination of supervisory treatment and dismissal under this section may occur only once with respect to any person. Imposition of supervisory treatment under this section shall not be deemed a conviction for the purposes of determining whether a second or subsequent offense has occurred under section 29 of P.L. 1970, c. 226 (C. 24:21-29), chapter 35 or 36 of this title or any law of this State.

c. Proceedings under this section shall not be available to any defendant unless the court in its discretion concludes that:

(1) The defendant's continued presence in the community, or in a civil treatment center or program, will not pose a danger to the community; or

(2) That the terms and conditions of supervisory treatment will be adequate to protect the public and will benefit the defendant by serving to correct any dependence on or use of controlled substances which he may manifest; and

(3) The person has not previously received supervisory treatment under section 27 of P.L. 1970, c. 226 (C. 24:21-27), N.J.S. 2C:43-12, or the provisions of this chapter.

4. N.J.S. 2C:5-2 is amended to read as follows:

Conspiracy.

2C:5-2. Conspiracy. a. Definition of conspiracy. A person is guilty of conspiracy with another person or persons to commit a crime if with the purpose of promoting or facilitating its commission he:

(1) Agrees with such other person or persons that they or one or more of them will engage in conduct which constitutes such crime or an attempt or solicitation to commit such crime; or

(2) Agrees to aid such other person or persons in the planning or commission of such crime or of an attempt or solicitation to commit such crime.

b. Scope of conspiratorial relationship. If a person guilty of conspiracy, as defined by subsection a. of this section, knows that a person with whom he conspires to commit a crime has conspired with another person or persons to commit the same crime, he is guilty of
conspiring with such other person or persons, whether or not he knows their identity, to commit such crime.

c. Conspiracy with multiple objectives. If a person conspires to commit a number of crimes, he is guilty of only one conspiracy so long as such multiple crimes are the object of the same agreement or continuous conspiratorial relationship. It shall not be a defense to a charge under this section that one or more of the objectives of the conspiracy was not criminal; provided that one or more of its objectives or the means of promoting or facilitating an objective of the conspiracy is criminal.

d. Overt act. No person may be convicted of conspiracy to commit a crime other than a crime of the first or second degree or distribution or possession with intent to distribute a controlled dangerous substance or controlled substance analog as defined in chapter 35 of this title, unless an overt act in pursuance of such conspiracy is proved to have been done by him or by a person with whom he conspired.

e. Renunciation of purpose. It is an affirmative defense which the actor must prove by a preponderance of the evidence that he, after conspiring to commit a crime, informed the authority of the existence of the conspiracy and his participation therein, and thwarted or caused to be thwarted the commission of any offense in furtherance of the conspiracy, under circumstances manifesting a complete and voluntary renunciation of criminal purpose as defined in 2C:5-1d.; provided, however, that an attempt as defined in 2C:5-1 shall not be considered an offense for purposes of renunciation under this subsection.

f. Duration of conspiracy. For the purpose of section 2C:1-6d.:

(1) Conspiracy is a continuing course of conduct which terminates when the crime or crimes which are its object are committed or the agreement that they be committed is abandoned by the defendant and by those with whom he conspired; and

(2) Such abandonment is presumed with respect to a crime other than one of the first or second degree if neither the defendant nor anyone with whom he conspired does any overt act in pursuance of the conspiracy during the applicable period of limitation; and

(3) If an individual abandons the agreement, the conspiracy is terminated as to him only if and when he advises those with whom he conspired of his abandonment or he informs the law enforcement
authorities of the existence of the conspiracy and of his participation therein.

g. Leader of organized crime. A person is a leader of organized crime if he purposefully conspires with others as an organizer, supervisor or manager, to commit a continuing series of crimes which constitute a pattern of racketeering activity under the provisions of N.J.S. 2C:41-1, provided, however, that notwithstanding 2C:1-8a.(2), a conviction of leader of organized crime shall not merge with the conviction of any other crime which constitutes racketeering activity under 2C:41-1.

5. N.J.S. 2C:20-2 is amended to read as follows:

Consolidation of theft offenses; grading; provisions applicable to theft generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally. a. Consolidation of Theft Offenses. Conduct denominated theft in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of theft may be supported by evidence that it was committed in any manner that would be theft under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if:

(a) The amount involved is $75,000.00 or more;

(b) The property is taken by extortion; or

(c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S. 2C:35-2 and the quantity is in excess of one kilogram.

(2) Theft constitutes a crime of the third degree if:

(a) The amount involved exceeds $500.00 but is less than $75,000.00;

(b) The property stolen is a firearm, automobile, bost, horse or airplane;
(c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S. 2C:35-2 and the amount involved is less than $75,000.00 or is undetermined and the quantity is one kilogram or less;

(d) It is from the person of the victim;

(e) It is in breach of an obligation by a person in his capacity as a fiduciary;

(f) It is by threat not amounting to extortion; or

(g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00. If the amount involved was less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft was from the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft only if it occurs after the parties have ceased living together.
6. Section 6 of P.L. 1979, c. 179 (C. 2C:39-7) is amended to read as follows:

C. 2C:39-7 Certain persons not to have weapons.

6. Certain Persons Not to Have Weapons. Any person, having been convicted in this State or elsewhere of the crime of aggravated assault, arson, burglary, escape, extortion, homicide, kidnapping, robbery, aggravated sexual assault, or sexual assault, whether or not armed with or having in his possession any weapon enumerated in section 2C:39-1r., or any person who has ever been committed for a mental disorder to any hospital, mental institution or sanitarium unless he possesses a certificate of a medical doctor or psychiatrist licensed to practice in New Jersey or other satisfactory proof that he is no longer suffering from a mental disorder which interferes with or handicaps him in the handling of a firearm, or any person who has been convicted of other than a disorderly persons or petty disorderly persons offense for the unlawful use, possession or sale of a controlled dangerous substance as defined in N.J.S. 2C:35-2 who purchases, owns, possesses or controls any of the said weapons is guilty of a crime of the fourth degree. Whenever any person shall have been convicted in another state, territory, commonwealth or other jurisdiction of the United States, or any country in the world, in a court of competent jurisdiction, of a crime which in said other jurisdiction or country is comparable to one of the crimes enumerated above, then that person shall be subject to the provisions of this section.

CHAPTER 106, LAWS OF 1987 447

9. N.J.S. 2C:43-2 is amended to read as follows:

Sentences in accordance with code; authorized dispositions.

2C:43-2. Sentence in accordance with code; authorized dispositions.

a. Except as otherwise provided by this code, all persons convicted of an offense or offenses shall be sentenced in accordance with this chapter.

b. Except as provided in subsection a. of this section and subject to the applicable provisions of the code, the court may suspend the imposition of sentence on a person who has been convicted of an offense, or may sentence him as follows:

(1) To pay a fine or make restitution authorized by section 2C:43-3; or

(2) To be placed on probation and, in the case of a person convicted of a crime, to imprisonment for a term fixed by the court not exceeding 364 days to be served as a condition of probation, or in the case of a person convicted of a disorderly persons offense, to imprisonment for a term fixed by the court not exceeding 90 days to be served as a condition of probation; or

(3) To imprisonment for a term authorized by sections 2C:11-3, 2C:43-5, 2C:43-6, 2C:43-7, and 2C:43-8 or 2C:44-5; or

c. Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver's license, registration certificate, or both of any person convicted of a crime, disorderly persons offense, or petty disorderly persons offense in the course of which a motor vehicle was used. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court
Shall consider the severity of the crime or offense and the potential effect of the loss of driving privileges on the person's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial sentence.

d. This chapter does not deprive the court of any authority conferred by law to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty. Such a judgment or order may be included in the sentence.

e. The court shall state on the record the reasons for imposing the sentence, including its findings pursuant to the criteria for withholding or imposing imprisonment or fines under sections 2C:44-1 to 2C:44-3, where imprisonment is imposed, consideration of the defendant's eligibility for release under the law governing parole and the factual basis supporting its findings of particular aggravating or mitigating factors affecting sentence.

10. N.J.S. 2C:43-3 is amended to read as follows:

Fines and Restitutions.

2C:43-3. Fines and Restitutions. A person who has been convicted of an offense may be sentenced to pay a fine, to make restitution, or both, such fine not to exceed:

a. $100,000.00, when the conviction is of a crime of the first or second degree;

b. $7,500.00, when the conviction is of a crime of the third or fourth degree;

c. $1,000.00, when the conviction is of a disorderly persons offense;

d. $500.00, when the conviction is of a petty disorderly persons offense;

e. Any higher amount equal to double the pecuniary gain to the offender or loss to the victim caused by the conduct constituting the offense by the offender. In such case the court shall make a finding as to the amount of the gain or loss, and if the record does not contain sufficient evidence to support such a finding the court may conduct a hearing upon the issue. For purposes of this section the terms "gain" means the amount of money or the value of property derived by the offender and "loss" means the amount of value separated from the victim. The term "gain" shall also mean, where appropriate, the amount of any tax, fee, penalty and interest avoided, evaded, or otherwise unpaid or improperly retained or disposed of;
f. Any higher amount specifically authorized by another section of this code or any other statute;

g. Up to twice the amounts authorized in subsection a., b., c. or d. of this section, in the case of a second or subsequent conviction of any tax offense defined in Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, as amended and supplemented, or of any offense defined in chapter 20 or 21 of this code.

h. In the case of violations of chapter 35, any higher amount equal to three times the street value of the controlled dangerous substance or controlled substance analog. The street value for purposes of this section shall be determined pursuant to subsection e. of N.J.S. 2C:44-2.

The restitution ordered paid to the victim shall not exceed his loss, except that in any case involving the failure to pay any State tax, the amount of restitution to the State shall be the full amount of the tax avoided or evaded, including full civil penalties and interest as provided by law. In any case where the victim of the offense is any department or division of State government, the court shall order restitution to the victim. Any restitution imposed on a person shall be in addition to any fine which may be imposed pursuant to this section.

11. Section 2 of P.L. 1979, c. 396 (C. 2C:43-3.1) is amended to read as follows:

C. 2C:43-3.1 Victim, witness funds.

2. a. (1) In addition to any disposition made pursuant to the provisions of N.J.S. 2C:43-2, any person convicted of a crime of violence resulting in the injury or death of another person shall be assessed a penalty of at least $30.00, but not to exceed $10,000.00 for each such crime for which he was convicted. In imposing this penalty, the court shall consider factors such as the severity of the crime, the defendant's criminal record, defendant's ability to pay and the economic impact of the penalty on the defendant's dependents.

(2)(a) In addition to any other disposition made pursuant to the provisions of N.J.S. 2C:43-2 or any other statute imposing sentences for crimes, any person convicted of any disorderly persons offense, any petty disorderly persons offense, or any crime not resulting in the injury or death of any other person shall be assessed a penalty of $30.00 for each such offense or crime for which he was convicted.

(b) In addition to any other disposition made pursuant to the provisions of section 20 of P.L. 1973, c. 306 (C. 2A:4-61) or any other
statute indicating the dispositions that can be ordered for adjudications of delinquency, any juvenile adjudicated delinquent, according to the definition of "delinquency" established in section 3 of P.L. 1973, c. 306 (C. 2A:4-44), shall be assessed a penalty of at least $15.00 for each such adjudication, but shall not exceed the amount which could be assessed if the offense was committed by an adult.

(3) All penalties provided for in this section shall be collected as provided for collection of fines and restitution in section 3 of P.L. 1979, c. 396 (C. 2C:46-4) and forwarded to the Violent Crimes Compensation Board for use as provided in paragraph (4) hereof.

(4) All moneys collected pursuant to paragraphs (1) and (2) shall be forwarded by the Violent Crimes Compensation Board to the State Treasury to be deposited in a separate account for use by the Violent Crimes Compensation Board in satisfying claims and for related administrative costs, pursuant to the provisions of the "Criminal Injuries Compensation Act of 1971," P.L. 1971, c. 317 (C. 52:4B-1 et seq.), except that after the Violent Crimes Compensation Board shall have received the first $25.00 of each penalty assessment per count for an adult offender or the first $10.00 of each penalty assessment per count for a juvenile offender, then the next $5.00 of each penalty assessment collected shall be forwarded by the Violent Crimes Compensation Board to the State Treasury to be deposited in a separate account to be known as the Victim and Witness Advocacy Fund to be administered by the Department of Law and Public Safety as provided herein. If the initial penalty assessment is greater than $30.00 for an adult offender or $15.00 for a juvenile offender then any penalty assessment money collected after the $5.00 allocated to the Victim and Witness Advocacy Fund shall be forwarded by the Violent Crimes Compensation Board to the State Treasury to be deposited in the separate account for use by the Violent Crimes Compensation Board as provided for in this subsection. The parties responsible for collection of the penalty assessment, the municipal court clerks, the county probation departments and the Department of Corrections shall provide the Violent Crimes Compensation Board with a monthly accounting of the penalty assessment collections which enables the Violent Crimes Compensation Board to accurately identify the $5.00 share allocable to the Victim and Witness Advocacy Fund.

(5) The Department of Law and Public Safety through the Division of Criminal Justice shall be responsible for administering the Victim and Witness Advocacy Fund. This fund shall be used to
support the development and provision of services to victims and witnesses of crimes and for related administrative costs. The Director of the Division of Criminal Justice shall promulgate rules and regulations in order to effectuate the purposes of this fund.

6. The Division of Criminal Justice shall report annually to the Governor and the Legislature concerning the implementation of this fund.

b. All moneys, including fines and restitution, collected from a person convicted of any disorderly persons offense, any petty disorderly persons offense, from any juvenile adjudicated delinquent or any crime shall be applied first to any penalty imposed pursuant to this section upon such a person.

c. An adult prisoner of a State correctional institution who has not paid a penalty imposed pursuant to this section shall have the penalty deducted from any income the inmate receives as a result of labor performed at the institution or any type of work release program.

d. If any person, including an inmate, fails to comply with any of the terms or penalties imposed pursuant to this section the court may, in addition to any other penalties it may impose, order the suspension of the person's driver's license or nonresident reciprocity privilege, or prohibit the person from receiving or obtaining a license until the terms or penalties are complied with. The court shall notify the Director of the Division of Motor Vehicles of the action. Prior to any action being taken pursuant to this subsection, the person shall be afforded notice and a hearing before the court to contest the charge of failure to comply.

12. N.J.S. 2C:43-6 is amended to read as follows:

**Sentence of Imprisonment for Crime; Ordinary Terms; Mandatory Terms.**

2C:43-6. Sentence of imprisonment for crime; ordinary terms; mandatory terms.

a. Except as otherwise provided, a person who has been convicted of a crime may be sentenced to imprisonment, as follows:

(1) In the case of a crime of the first degree, for a specific term of years which shall be fixed by the court and shall be between 10 years and 20 years;

(2) In the case of a crime of the second degree, for a specific term of years which shall be fixed by the court and shall be between five years and 10 years;
(3) In the case of a crime of the third degree, for a specific term of years which shall be fixed by the court and shall be between three years and five years;

(4) In the case of a crime of the fourth degree, for a specific term which shall be fixed by the court and shall not exceed 18 months.

b. As part of a sentence for any crime, where the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors, as set forth in subsections a. and b. of 2C:44-1, the court may fix a minimum term not to exceed one-half of the term set pursuant to subsection a., or one-half of the term set pursuant to a maximum period of incarceration for a crime set forth in any statute other than this code, during which the defendant shall not be eligible for parole; provided that no defendant shall be eligible for parole at a date earlier than otherwise provided by the law governing parole.

c. A person who has been convicted under 2C:39-4a. of possession of a firearm with intent to use it against the person of another, or of a crime under any of the following sections: 2C:11-3, 2C:11-4, 2C:12-1b., 2C:13-1, 2C:14-2a., 2C:14-3a., 2C:15-1, 2C:18-2, 2C:29-5, who, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a firearm as defined in 2C:39-lf., shall be sentenced to a term of imprisonment by the court. The term of imprisonment shall include the imposition of a minimum term. The minimum term shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or three years, whichever is greater, or 18 months in the case of a fourth degree crime, during which the defendant shall be ineligible for parole.

The minimum terms established by this section shall not prevent the court from imposing presumptive terms of imprisonment pursuant to 2C:44-1f. (1) except in cases of crimes of the fourth degree.

A person who has been convicted of an offense enumerated by this subsection and who used or possessed a firearm during its commission, attempted commission or flight therefrom and who has been previously convicted of an offense involving the use or possession of a firearm as defined in 2C:44-3d., shall be sentenced by the court to an extended term as authorized by 2C:43-7c., notwithstanding that extended terms are ordinarily discretionary with the court.
d. The court shall not impose a mandatory sentence pursuant to subsection c. of this section, 2C:43-7c. or 2C:44-3d., unless the ground therefor has been established at a hearing. At the hearing, which may occur at the time of sentencing, the prosecutor shall establish by a preponderance of the evidence that the weapon used or possessed was a firearm. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing, or other court proceedings and shall also consider the presentence report and any other relevant information.

e. A person convicted of a third or subsequent offense involving State taxes under N.J.S. 2C:20-9, N.J.S. 2C:21-15, any other provision of this code, or under any of the provisions of Title 54 of the Revised Statutes, or Title 54A of the New Jersey Statutes, as amended and supplemented, shall be sentenced to a term of imprisonment by the court. This shall not preclude an application for and imposition of an extended term of imprisonment under N.J.S. 2C:44-3 if the provisions of that section are applicable to the offender.

f. A person convicted of manufacturing, distributing, dispensing or possessing with intent to distribute any dangerous substance or controlled substance analog under N.J.S. 2C:35-5, of maintaining or operating a controlled dangerous substance production facility under N.J.S. 2C:35-4, of employing a juvenile in a drug distribution scheme under N.J.S. 2C:35-6, leader of a narcotics trafficking network under N.J.S. 2C:35-3, or of distributing, dispensing or possessing with intent to distribute on or near school property or buses under section 1 of P.L. 1987, c. 101 (C. 2C:35-7), who has been previously convicted of manufacturing, distributing, dispensing or possessing with intent to distribute a controlled dangerous substance or controlled substance analog, shall upon application of the prosecuting attorney be sentenced by the court to an extended term as authorized by subsection c. of N.J.S. 2C:43-7, notwithstanding that extended terms are ordinarily discretionary with the court. The term of imprisonment shall, except as may be provided in N.J.S. 2C:35-12, include the imposition of a minimum term. The minimum term shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or three years, whichever is greater, or 18 months in the case of a fourth degree crime, during which the defendant shall be ineligible for parole.

The court shall not impose an extended term pursuant to this subsection unless the ground therefor has been established at a hear-
ing. At the hearing, which may occur at the time of sentencing, the prosecutor shall establish the ground therefor by a preponderance of the evidence. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing, or other court proceedings and shall also consider the presentence report and any other relevant information.

For the purpose of this subsection, a previous conviction exists where the actor has at any time been convicted under chapter 35 of this title or Title 24 of the Revised Statutes or under any similar statute of the United States, this State, or any other state for an offense that is substantially equivalent to N.J.S. 2C:35-3, N.J.S. 2C:35-4, N.J.S. 2C:35-5, N.J.S. 2C:35-6 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7).

13. N.J.S. 2C:43-7 is amended to read as follows:

**Sentence of imprisonment for crime; extended terms.**

2C:43-7. **Sentence of Imprisonment for Crime; Extended Terms.**

a. In the cases designated in section 2C:44-3, a person who has been convicted of a crime may be sentenced to an extended term of imprisonment, as follows:

(1) In case of aggravated manslaughter sentenced under subsection c. of N.J.S. 2C:11-4 or kidnapping when sentenced as a crime of the first degree under paragraph (1) of subsection c. of 2C:13-1 for a specific term of years which shall be between 30 years and life imprisonment;

(2) Except for the crime of murder and except as provided in paragraph (1) of this subsection, in the case of a crime of the first degree, for a specific term of years which shall be fixed by the court and shall be between 20 years and life imprisonment;

(3) In the case of a crime of the second degree, for a term which shall be fixed by the court between 10 and 20 years;

(4) In the case of a crime of the third degree, for a term which shall be fixed by the court between five and 10 years;

(5) In the case of a crime of the fourth degree pursuant to 2C:43-6c. and 2C:44-3d. for a term of five years.

b. As part of a sentence for an extended term and notwithstanding the provisions of 2C:43-9, the court may fix a minimum term not to exceed one-half of the term set pursuant to subsection a. during which the defendant shall not be eligible for parole or a term of 25
years during which time the defendant shall not be eligible for parole where the sentence imposed was life imprisonment; provided that no defendant shall be eligible for parole at a date earlier than otherwise provided by the law governing parole.

c. In the case of a person sentenced to an extended term pursuant to 2C:43-6c., 2C:43-6f. and 2C:44-3d., the court shall impose a sentence within the ranges permitted by 2C:43-7a. (2), (3), (4) or (5) according to the degree or nature of the crime for which the defendant is being sentenced, which sentence shall include a minimum term which shall, except as may be specifically provided by N.J.S. 2C:43-6f., be fixed at or between one-third and one-half of the sentence imposed by the court or five years, whichever is greater, during which the defendant shall not be eligible for parole. Where the sentence imposed is life imprisonment, the court shall impose a minimum term of 25 years during which the defendant shall not be eligible for parole. Where the term of life imprisonment is imposed on a person convicted for a violation of N.J.S. 2C:35-3, the term of parole ineligibility shall be 30 years.

14. N.J.S. 2C:43-12 is amended to read as follows:

Supervisory treatment—pretrial intervention.

2C:43-12. Supervisory Treatment—Pretrial Intervention. a. Public policy. The purpose of sections 2C:43-12 through 2C:43-22 of this chapter is to effectuate a Statewide program of Pretrial Intervention. It is the policy of the State of New Jersey that supervisory treatment should ordinarily be limited to persons who have not previously been convicted of any criminal offense under the laws of New Jersey, or under any criminal law of the United States, or any other state when supervisory treatment would:

(1) Provide applicants, on an equal basis, with opportunities to avoid ordinary prosecution by receiving early rehabilitative services or supervision, when such services or supervision can reasonably be expected to deter future criminal behavior by an applicant, and when there is apparent causal connection between the offense charged and the rehabilitative or supervisory need, without which cause both the alleged offense and the need to prosecute might not have occurred; or

(2) Provide an alternative to prosecution for applicants who might be harmed by the imposition of criminal sanctions as presently administered, when such an alternative can be expected to serve as sufficient sanction to deter criminal conduct; or
(3) Provide a mechanism for permitting the least burdensome form of prosecution possible for defendants charged with "victimless" offenses; or

(4) Provide assistance to criminal calendars in order to focus expenditure of criminal justice resources on matters involving serious criminality and severe correctional problems; or

(5) Provide deterrence of future criminal or disorderly behavior by an applicant in a program of supervisory treatment.

b. Admission of an applicant into a program of supervisory treatment shall be measured according to the applicant's amenability to correction, responsiveness to rehabilitation and the nature of the offense.

c. The decision and reasons therefor made by the designated judges (or assignment judges), prosecutors and program directors in granting or denying applications for supervisory treatment, in recommending and ordering termination from the program or dismissal of charges, in all cases shall be reduced to writing and disclosed to the applicant.

d. If an applicant desires to challenge the decision of the prosecutor or program director not to recommend enrollment in a program of supervisory treatment the proceedings prescribed under section 14 shall be followed.

e. Referral. At any time prior to trial but after the filing of a criminal complaint, or the filing of an accusation or the return of an indictment, with the consent of the prosecutor and upon written recommendation of the program director, the assignment judge or a judge designated by him may postpone all further proceedings against an applicant and refer said applicant to a program of supervisory treatment approved by the Supreme Court. Prosecutors and program directors shall consider in formulating their recommendation of an applicant's participation in a supervisory treatment program, among others, the following criteria:

(1) The nature of the offense;
(2) The facts of the case;
(3) The motivation and age of the defendant;
(4) The desire of the complainant or victim to forego prosecution;
(5) The existence of personal problems and character traits which
may be related to the applicant’s crime and for which services are unavailable within the criminal justice system, or which may be provided more effectively through supervisory treatment and the probability that the causes of criminal behavior can be controlled by proper treatment;

(6) The likelihood that the applicant’s crime is related to a condition or situation that would be conducive to change through his participation in supervisory treatment;

(7) The needs and interests of the victim and society;

(8) The extent to which the applicant’s crime constitutes part of a continuing pattern of anti-social behavior;

(9) The applicant’s record of criminal and penal violations and the extent to which he may present a substantial danger to others;

(10) Whether or not the crime is of an assaultive or violent nature, whether in the criminal act itself or in the possible injurious consequences of such behavior;

(11) Consideration of whether or not prosecution would exacerbate the social problem that led to the applicant’s criminal act;

(12) The history of the use of physical violence toward others;

(13) Any involvement of the applicant with organized crime;

(14) Whether or not the crime is of such a nature that the value of supervisory treatment would be outweighed by the public need for prosecution;

(15) Whether or not the applicant’s involvement with other people in the crime charged or in other crime is such that the interest of the State would be best served by processing his case through traditional criminal justice system procedures;

(16) Whether or not applicant’s participation in pretrial intervention will adversely affect the prosecution of codefendants; and

(17) Whether or not the harm done to society by abandoning criminal prosecution would outweigh the benefits to society from channeling an offender into a supervisory treatment program.

f. Review of Supervisory Treatment Applications; Procedure Upon Denial. Each applicant for supervisory treatment shall be entitled to full and fair consideration of his application. If an application is denied, the program director or the prosecutor shall precisely state
his findings and conclusion which shall include the facts upon which the application is based and the reasons offered for the denial. If the applicant desires to challenge the decision of a program director not to recommend, or of a prosecutor not to consent to, enrollment into a supervisory treatment program, a motion shall be filed before the designated judge (or assignment judge) authorized pursuant to the rules of court to enter orders.

g. Limitations. Supervisory treatment may occur only once with respect to any defendant and any person who has previously received supervisory treatment under section 27 of P.L. 1970, c. 226 (C. 24:21-27), shall not be eligible for supervisory treatment under this section. However, supervisory treatment, as provided herein, shall be available to a defendant irrespective of whether the defendant contests his guilt of the charge or charges against him.

h. Termination. Termination of supervisory treatment under this section shall be immediately reported to the assignment judge of the county who shall forward such information to the Administrative Director of the Courts.

i. Appointment of Program Directors; Authorized Referrals. Programs of supervisory treatment and appointment of the program directors require approval by the Supreme Court with the consent of the assignment judge and prosecutor. Referrals of participants from supervisory treatment programs may be to any public or private office or agency, including but not limited to programs within the probation service of the court, offering counseling or any other social service likely to aid in the rehabilitation of the participant and to deter the commission of other offenses.

15. N.J.S. 2C:44-2 is amended to read as follows:

Criteria for imposing fines and restitutions.

2C:44-2. Criteria for Imposing Fines and Restitutions. a. The court may sentence a defendant to pay a fine or make restitution, or both, in addition to a sentence of imprisonment or probation if:

(1) The defendant has derived a pecuniary gain from the offense; or

(2) The court is of opinion that a fine or restitution, or both, is specially adapted to deterrence of the type of offense involved or to the correction of the offender.

b. The court may sentence a defendant to pay a fine or make restitution, or both, if the defendant is able, or given a fair opportuni-
ty to do so, will be able to pay the fine or make restitution, or both. The court may sentence a defendant to pay a fine only if the fine will not prevent the defendant from making restitution to the victim of the offense.

c. In determining the amount and method of payment of a fine or restitution, the court shall take into account the financial resources of the defendant and the nature of the burden that its payment will impose.

d. Nonpayment. When a defendant is sentenced to pay a fine or make restitution, or both, the court shall not impose at the same time an alternative sentence to be served in the event that the fine is not paid. The response of the court to nonpayment shall be determined only after the fine has not been paid, as provided in section 2C:46-2.

e. Whenever the maximum potential fine which may be imposed on a conviction for an offense defined in chapter 35 (Controlled Dangerous Substances) depends on the street value of the controlled dangerous substance or controlled substance analog involved and the court intends to impose a fine in excess of the maximum ordinary fine applicable to the offense for which defendant was convicted, and where the fine has not been agreed to pursuant to the provisions of N.J.S. 2C:35-12, the court at the time of sentence shall determine the street value at the time and place of the offense based on the amount and purity of the controlled dangerous substance or controlled substance analog involved. The sentencing court's finding as to the street value may be based on expert opinion in the form of live testimony or by affidavit, or by such other means as the court deems appropriate. The court's finding as to street value shall not be subject to modification by an appellate court except upon a showing that the finding was totally lacking in support on the record or was arbitrary or capricious.

16. N.J.S. 2C:52-5 is amended to read as follows:

time of the offense was 21 years of age or younger, may apply to the Superior Court in the county wherein the matter was disposed of for the expungement of such person’s conviction and all records pertaining thereto. The relief of expungement under this section shall be granted only if said person has not, prior to the time of hearing, violated any of the conditions of his probation or parole, albeit subsequent to discharge from probation or parole, has not been convicted of any previous or subsequent criminal act or any subsequent or previous violation of chapters 35 or 36 of this title or of P.L. 1955, c. 277, §3 (C. 2A:170-77.5) or of P.L. 1962, c. 113, §1 (C. 2A:170-77.8), or who has not had a prior or subsequent criminal matter dismissed because of acceptance into a supervisory treatment or other diversion program.

This section shall not apply to any person who has been convicted of the sale or distribution of a controlled dangerous substance or possession with the intent to sell any controlled dangerous substance except:

Thereafter, prima facie contraband shall be forfeited to the entity funding the prosecuting agency involved, subject to the rights of owners and others holding interests pursuant to section 2C:64-5.

b. Any person who violates this section shall be punished by imprisonment for not more than three years, or by a fine of not more than $30,000.00, or both.

C. 24:21-29 Second or subsequent offenses.

29. Second or subsequent offenses. a. Any person convicted of any offense under this act, if the offense is a second or subsequent offense, shall be punished by a term of imprisonment of up to twice that otherwise authorized, by up to twice the fine otherwise authorized, or by both.

b. For purposes of this section, an offense shall be considered a second or subsequent offense, if, prior to the commission of the offense, the offender has at any time been convicted of an offense or offenses under this act or under any law of the United States or of any state relating to narcotic drugs, marijuana, depressant, stimulant, or hallucinogenic drugs.

22. Section 36 of P.L. 1970, c. 226 (C. 24:21-36) is amended to read as follows:

23. Section 7 of P.L. 1982, c. 77 (C. 2A:4A-26) is amended to read as follows:

C. 2A:4A-26 Referral to another court without juvenile’s consent.

7. Referral to another court without juvenile’s consent.

a. On motion of the prosecutor, the court shall, without the consent of the juvenile, waive jurisdiction over a case and refer that case from the family court to the appropriate court and prosecuting authority having jurisdiction if it finds, after hearing, that:

(1) The juvenile was 14 years of age or older at the time of the charged delinquent act; and

(2) There is probable cause to believe that the juvenile committed a delinquent act or acts which if committed by an adult would constitute:
(a) Criminal homicide other than death by auto, strict liability for drug induced deaths, pursuant to N.J.S. 2C:35-9, robbery which would constitute a crime of the first degree, aggravated sexual assault, sexual assault, aggravated assault which would constitute a crime of the second degree, kidnapping or aggravated arson; or

(b) A crime committed at a time when the juvenile had previously been adjudicated delinquent, or convicted, on the basis of any of the offenses enumerated in subsection a.(2)(a);

(c) A crime committed at a time when the juvenile had previously been sentenced and confined in an adult penal institution; or

(d) An offense against a person committed in an aggressive, violent and willful manner, other than an offense enumerated in subsection a.(2)(a) of this section, or the unlawful possession of a firearm, destructive device or other prohibited weapon, or arson; or

(e) A violation of N.J.S. 2C:35-3, N.J.S. 2C:35-4, or N.J.S. 2C:35-5; or

(f) Crimes which are a part of a continuing criminal activity in concert with two or more persons and the circumstances of the crimes show the juvenile has knowingly devoted himself to criminal activity as a source of livelihood; or

(g) An attempt or conspiracy to commit any of the acts enumerated in paragraph (a), (d) or (e) of this subsection; and

(3) Except with respect to any of the acts enumerated in subsection a.(2)(a) of this section, or with respect to any acts enumerated in subparagraph (e) of paragraph (2) of subsection a. of this section which involve the distribution for pecuniary gain of any controlled dangerous substance or controlled substance analog while on any property used for school purposes which is owned by any school or school board, or within 1,000 feet of any school property or while on any school bus, or any attempt or conspiracy to commit any of those acts, the State has shown that the nature and circumstances of the charge or the prior record of the juvenile are sufficiently serious that the interests of the public require waiver.

However, if in any case the juvenile can show that the probability of his rehabilitation by the use of the procedures, services and facilities available to the court prior to the juvenile reaching the age of 19 substantially outweighs the reasons for waiver, waiver shall not be granted.
b. In every case where there is a motion seeking waiver, the prosecutor shall within a reasonable time thereafter file a statement with the Attorney General setting forth the basis for the motion. In addition, the court shall, in writing, state its reasons for granting or denying the waiver motion. The Attorney General shall compile this information and report its findings to the Legislature 18 months after the effective date of this act with the objective of developing, where appropriate, guidelines as to the waiver of juveniles from the family court.

c. An order referring a case shall incorporate therein not only the alleged act or acts upon which the referral is premised, but also all other delinquent acts arising out of or related to the same transaction.

d. A motion seeking waiver shall be filed by the prosecutor within 30 days of receipt of the complaint. This time limit shall not, except for good cause shown, be extended.

C. 2C:35-1.2 Reference to criminal code provisions.

24. (New section) Whenever in any law, rule or regulation, reference is made to the "New Jersey Controlled Dangerous Substances Act," P.L. 1970, c. 226 (C. 24:21-1 et seq.) or any part thereof, the same shall mean and refer to the appropriate chapter, section or provision of the "New Jersey Code of Criminal Justice" as amended and supplemented herein. Similarly, any reference to chapter 35 or 36 in the "New Jersey Code of Criminal Justice" shall be deemed to incorporate P.L. 1970, c. 226 (C. 24:21-1 et seq.) or any other predecessor statute.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 18 of P.L. 1979, c. 441 (C. 30:4-123.62) is amended to read as follows:

C. 30:4-123.62 Parole violation; apprehension; hearing.

18. a. (1) If a parole officer assigned to supervise a parolee has probable cause to believe that the parolee has violated a condition of his parole, such violation being a basis for return to custody pursuant to subsection b. of section 16 of P.L. 1979, c. 441 (C. 30:4-123.60), a designated representative of the chairman of the board may issue a warrant for the arrest of the parolee if evidence indicates that the parolee may not appear at the preliminary hearing or if the parolee poses a danger to the public safety. With the parole warrant, a law enforcement officer may apprehend the delinquent parolee.

(2) If a parole officer assigned to supervise a parolee has probable cause to believe that the parolee has committed a crime, is about to commit a crime or is about to flee the jurisdiction, which violation is a basis for return to custody pursuant to subsection b. of section 16 of P.L. 1979, c. 441 (C. 30:4-123.60), and the situation is one of immediate emergency that cannot await the issuance of a warrant by a designated representative, the parole officer, by the parole officer's own warrant, may apprehend the parolee and cause his detention in a suitable facility designated by the Department of Corrections or cause the parolee's confinement in an appropriate institution pending return to a facility designated by the Department of Corrections, to await the conduction of a preliminary hearing. The warrant shall be in the form prescribed by the Bureau of Parole and approved by the Department of Corrections and, when signed by the parole officer in charge of the case, shall be a sufficient instrument and authority to all peace officers to assist in the apprehension of the parolee. It shall also be sufficient authority for detention of the parolee in a suitable facility, to await the conduction of the preliminary hearing. Upon enforcement of the warrant, the appropriate board panel shall be promptly notified. No parolee held in custody on a parole warrant shall be entitled to release on bail.

b. A parolee retaken under this section shall within 14 days be granted a preliminary hearing to be conducted by a hearing officer
not previously involved in the case, unless the parolee or the hearing officer requests postponement of the preliminary hearing, which may be granted by the appropriate board panel for good cause, but in no event shall such postponement, if requested by the hearing officer, exceed 14 days.

c. The preliminary hearing shall be for the purpose of determining:

(1) Whether there is probable cause to believe that the parolee violated a condition of his parole being the basis for return to custody pursuant to subsection b. of section 16, and

(2) Whether revocation and return to custody is desirable in the instant matter.

d. Prior to the preliminary hearing the parolee shall be provided with written notice of:

(1) The conditions of parole alleged to have been violated;
(2) The time, date, place and circumstances of the alleged violation;
(3) The possible action which may be taken by the board after a parole revocation hearing;
(4) The time, date and place of the preliminary hearing;
(5) The right pursuant to P.L. 1974, c. 33 (C. 2A:158A-5.1 et seq.), to representation by an attorney or such other qualified person as the parolee may retain; and
(6) The right to confront and cross-examine witnesses.

e. The hearing officer who conducts the hearing shall make a summary or other record of said hearing.

f. If the evidence presented at the preliminary hearing does not support a finding of probable cause to believe that the parolee has violated a condition of his parole, such violation being a basis for return to custody pursuant to subsection b. of section 16, or if it is otherwise determined that revocation is not desirable, the hearing officer may, in accordance with the provisions of subsection a. of section 16 and section 17 of this act, issue an order modifying parole and releasing the offender, or continuing parole and releasing the offender.

g. If the evidence presented at the preliminary hearing supports
a finding of probable cause to believe that the parolee has violated a condition of his parole, the hearing officer shall determine whether the parolee shall be retained in custody or released on specific conditions pending action by the appropriate board panel.

h. Conviction of a crime committed while on parole shall be deemed to constitute probable cause to believe that the parolee has violated a condition of parole.

2. This act shall take effect on the 30th day following enactment.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Title amended.

1. The title of P.L. 1977, c. 448 is amended to read as follows:

An act concerning community residences for developmentally disabled persons and for mentally ill persons and providing for their development, licensing and regulation.

2. Section 1 of P.L. 1977, c. 448 (C. 30:11B-1) is amended to read as follows:

C. 30:11B-1 Findings.

1. The Legislature finds that many developmentally disabled persons who are now housed in large institutions can be better cared for and given training for independent living in small community residences. Such persons have a right to the fuller, more normal life that care in such residences brings, and it is, therefore, the intention of the Legislature, through this act, to encourage the development of community residences for the developmentally disabled and to provide for the licensing and regulation of such residences by the Department of Human Services.

The Legislature further finds that there are many persons who have been hospitalized due to mental illness and are recovered to the
extent that they no longer require such hospitalization, but would benefit from the specialized independent-living training available to residents of small community residences for the mentally ill. These community residences for the mentally ill may also be utilized by persons who have not been hospitalized for mental illness but who are participating in community mental health counseling or training programs provided by a State-affiliated community mental health agency. These persons have a right to the fuller, more normal life that care in community residences brings, and it is, therefore, the intention of the Legislature through this act, to encourage the development of community residences for the mentally ill and to provide for the licensing and regulation of the residences by the Department of Human Services.

3. Section 2 of P.L. 1977, c. 448 (C. 30:11B-2) is amended to read as follows:

C. 30:11B-2 Definitions.

2. “Community residence for the developmentally disabled” means any community residential facility housing up to 16 developmentally disabled persons which provides food, shelter and personal guidance for developmentally disabled persons who require assistance, temporarily or permanently, in order to live independently in the community. Such residences shall not be considered health care facilities within the meaning of the “Health Care Facilities Planning Act,” P.L. 1971, c. 136 (C. 26:2H-1 et seq.) and shall include, but not be limited to, group homes, halfway houses, supervised apartment living arrangements and hostels.

“Community residence for the mentally ill” means any community residential facility which provides food, shelter and personal guidance, under such supervision as required, to not more than 15 mentally ill persons who require assistance temporarily or permanently, in order to live independently in the community. These residences shall be approved for a purchase of service contract or an affiliation agreement pursuant to procedures established by the Division of Mental Health and Hospitals in the Department of Human Services. These residences shall not house persons who have been assigned to a State psychiatric hospital after having been found not guilty of a criminal offense by reason of insanity or unfit to be tried on a criminal charge. These residences shall not be considered health care facilities within the meaning of the “Health Care Facilities Planning Act,” P.L. 1971, c. 136 (C. 26:2H-1 et seq.) and shall include, but not be limited to, group homes, halfway houses, supervised apartment living arrangements, family care homes and hostels.
"Developmental disability" or "developmentally disabled" means a severe, chronic disability of a person which: a. is attributable to a mental or physical impairment or combination of mental or physical impairments; b. is manifest before age 22; c. is likely to continue indefinitely; d. results in substantial functional limitations in three or more of the following areas of major life activity, that is, self-care, receptive and expressive language, learning, mobility, self-direction and capacity for independent living or economic self-sufficiency; and e. reflects the need for a combination and sequence of special interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and are individually planned and coordinated. Developmental disability includes, but is not limited to, severe disabilities attributable to mental retardation, autism, cerebral palsy, epilepsy, spina bifida and other neurological impairments where the above criteria are met.

"Mentally ill" means any psychiatric disorder which has required an individual to receive either inpatient psychiatric care or outpatient psychiatric care on an extended basis.

4. Section 3 of P.L. 1977, c. 448 (C. 30:11B-3) is amended to read as follows:
C. 30:11B-3 Assistance in self-care, developing potential.

3. Every community residence for the developmentally disabled and every community residence for the mentally ill shall provide to every person admitted assistance in maintaining a basic level of self-care and in developing the potential to live independently in the community.

5. Section 5 of P.L. 1977, c. 448 (C. 30:11B-5) is amended to read as follows:
C. 30:11B-5 Geographic location.

5. The geographic location of community residences for the developmentally disabled and of community residences for the mentally ill shall be monitored by the Department of Human Services. Through the granting or withholding of licenses the department shall insure that such residences are available throughout the State, without unnecessary concentration in any area.

6. Section 6 of P.L. 1977, c. 448 (C. 30:11B-6) is amended to read as follows:
C. 30:11B-6 Residents of municipality.

AN ACT providing for health care for pregnant women and children and amending and supplementing P.L. 1968, c. 413 (C. 30:4D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds and declares that:

a. Low-income pregnant women are at higher risk of poor birth outcomes by virtue of their poverty status and non-whites in New Jersey are more likely to be indigent than whites; in 1983, more than 1,100 babies in New Jersey died before their first birthday; the State's infant mortality rate, 11.3 deaths per 1,000 live births, is among the 17 highest in the country and non-white infants in New Jersey are nearly twice as likely to die before their first birthday than white infants; the non-white and white infant mortality rates in 1983 were 19.3 and 9.2, respectively, and in 1984 the rates for black and white infants were 19.7 and 9.0, respectively; there has been no significant improvement in the infant mortality rate among older infants, ages one month to one year, during the last decade; the percentage of babies born at low birthweight, a condition which places babies at high risk of permanent disability and death, is higher in New Jersey than the national average and is among the highest third of all states; and while early continuous and comprehensive prenatal care can prevent low birthweight and infant death, only 64% of babies born to non-white mothers benefited from any early prenatal care in the State in 1983.

b. Teenage mothers are at special risk of poor pregnancy outcome in New Jersey; in 1983, 11% of all babies born to teenage mothers had low birthweights, compared to 7.2% of all births; New Jersey's low birthweight rate among teenagers is the fourth highest in the nation, and only 52% of babies born to teenagers in 1983 benefited from any early prenatal care.

c. Access to existing maternal and child health services is often limited and some basic services that are necessary to reduce poor birth outcomes are not universally available to all pregnant women with incomes below the federal poverty level; and there is a need to provide more effective coordination between maternal and child health services offered through programs administered by the Departments of Human Services and Health.
d. The State of New Jersey is committed to ensuring access to quality health care for pregnant women and children as a means of improving the health of State residents and reducing overall State expenditures; and the basic health service needs of low-income pregnant women and children can best be met by a coordinated program of comprehensive health care.

e. It is the State's objective to provide early comprehensive maternity care for pregnant women and comprehensive health care for infants and young children to reduce infant deaths and morbidity, to improve child health status, and to realize a substantial reduction in costly hospitalization.

2. Section 3 of P.L. 1968, c. 413 (C. 30:4D-3) is amended to read as follows:

b. Subject to the limits imposed by this act, to determine the amount and scope of services to be covered, that the amounts to be paid are reasonable, and the duration of medical assistance to be furnished; provided, however, that the department shall provide medical assistance on behalf of all recipients of categorical assistance and such other related groups as are mandatory under federal laws and rules and regulations, as they now are or as they may be hereafter amended, in order to obtain federal matching funds for such purposes and, in addition, provide medical assistance for the foster children specified in section 3i. (7) of this act. The medical assistance provided for these groups shall not be less in scope, duration, or amount than is currently furnished such groups, and in addition, shall include at least the minimum services required under federal laws and rules and regulations to obtain federal matching funds for such purposes.
The commissioner is authorized and empowered, at such times as he may determine feasible, within the limits of appropriated funds for any fiscal year, to extend the scope, duration, and amount of medical assistance on behalf of these groups of categorical assistance recipients, related groups as are mandatory, and foster children authorized pursuant to section 3i.(7) of this act, so as to include, in whole or in part, the optional medical services authorized under federal laws and rules and regulations, and the commissioner shall have the authority to establish and maintain the priorities given such optional medical services; provided, however, that medical assistance shall be provided to at least such groups and in such scope, duration, and amount as are required to obtain federal matching funds.

The commissioner is further authorized and empowered, at such times as he may determine feasible, within the limits of appropriated funds for any fiscal year, to issue, or cause to be issued through the Division of Medical Assistance and Health Services, all necessary rules, regulations and administrative orders, and to do or cause to be done all other acts and things necessary to implement and administer demonstration projects pursuant to Title XI, section 1115 of the federal Social Security Act, including, but not limited to waiving compliance with specific provisions of this act, to the extent and for the period of time the commissioner deems necessary, as well as contracting with any legal entity, including but not limited to corporations organized pursuant to Title 14A, New Jersey Statutes (N.J.S. 14A:1-1 et seq.), Title 15, Revised Statutes (R.S. 15:1-1 et seq.) and Title 15A, New Jersey Statutes (N.J.S. 15A:1-1 et seq.) as well as boards, groups, agencies, persons and other public or private entities;

i. To take all necessary action to recover the cost of benefits incorrectly provided to or illegally obtained by a recipient, including those made after a voluntary divestiture of real or personal property or any interest or estate in property for less than adequate consideration made for the purpose of qualifying for assistance. The division shall take action to recover the cost of benefits from a recipient, legally responsible relative, representative payee, or any other party or parties whose action or inaction resulted in the incorrect or illegal payments or who received the benefit of the divestiture, or from their respective estates, as the case may be and to assess and collect the penalties as are provided for herein, except that no lien shall be imposed against property of the recipient prior to his death except in accordance with section 17 of P.L. 1968, c. 413 (C. 30:4D-17). No recovery action shall be initiated more than five years after an incorrect payment has been made to a recipient when the incorrect payment was due solely to an error on the part of the State or any agency, agent or subdivision thereof;

j. To take all necessary action or recover the cost of benefits correctly provided to a recipient from the estate of said recipient in accordance with sections 6 through 12 of this amendatory and supplementary act;

k. 1. To compromise, waive or settle and execute a release of any claim arising under this act including interest or other penalties, or designate another to compromise, waive or settle and execute a release of any claim arising under this act. r. To enter into contracts with federal, State, or local governmen-
tal agencies, or other appropriate parties, when necessary to carry out the provisions of this act;

s. To assure that the nature and quality of the medical assistance provided for under this act shall be uniform and equitable to all recipients;

t. To provide for the reimbursement of State and county-administered skilled nursing and intermediate care facilities through the use of a governmental peer grouping system, subject to federal approval and the availability of federal reimbursement.

(1) In establishing a governmental peer grouping system, the State's financial participation is limited to an amount equal to the nonfederal share of the reimbursement which would be due each facility if the governmental peer grouping system was not established, and each county's financial participation in this reimbursement system is equal to the nonfederal share of the increase in reimbursement for its facility or facilities which results from the establishment of the governmental peer grouping system.

(2) On or before December 1 of each year, the commissioner shall estimate and certify to the Director of the Division of Local Government Services in the Department of Community Affairs the amount of increased federal reimbursement a county may receive under the governmental peer grouping system. On or before December 15 of each year, the Director of the Division of Local Government Services shall certify the increased federal reimbursement to the chief financial officer of each county. (3) The governing body of each county entitled to receive increased federal reimbursement under the provisions of this amendatory act shall, by March 31 of each year, submit a report to the commissioner on the intended use of the savings in county expenditures which result from the increased federal reimbursement. The governing body of each county, with the advice of agencies providing social and health related services, shall use not less than 10% and not more than 50% of the savings in county expenditures which result from the increased federal reimbursement for community-based social and health related programs for elderly and disabled persons who may otherwise require nursing home care. This percentage shall
be negotiated annually between the governing body and the commissioner and shall take into account a county's social, demographic and fiscal conditions, a county's social and health related expenditures and needs, and estimates of federal revenues to support county operations in the upcoming year, particularly in the areas of social and health related services.

(4) The commissioner, subject to approval by law, may terminate the governmental peer grouping system if federal reimbursement is significantly reduced or if the Medicaid program is significantly altered or changed by the federal government subsequent to the enactment of this amendatory act. The commissioner, prior to terminating the governmental peer grouping system, shall submit to the Legislature and to the governing body of each county a report as to the reasons for terminating the governmental peer grouping system;

u. The commissioner, in consultation with the Commissioner of Health, shall:

(1) Develop criteria and standards for comprehensive maternity or pediatric care providers and determine whether a provider who requests to become a comprehensive maternity or pediatric care provider meets the department's criteria and standards;

(2) Develop a program of comprehensive maternity care services which defines the type of services to be provided, the level of services to be provided, and the frequency with which qualified applicants are to receive services pursuant to P.L. 1968, c. 413 (C. 30:4D-1 et seq.);

(3) Develop a program of comprehensive pediatric care services which defines the type of services to be provided, the level of services to be provided, and the frequency with which qualified applicants are to receive services pursuant to P.L. 1968, c. 413 (C. 30:4D-1 et seq.);

(4) Develop and implement a system for monitoring the quality and delivery of comprehensive maternity and pediatric care services and a system for evaluating the effectiveness of the services programs in meeting their objectives;

(5) Establish provider reimbursement rates for the comprehensive maternity and pediatric care services;

v. The commissioner, jointly with the Commissioner of Health, shall report to the Governor and the Legislature no later than two years following the date of enactment of P.L. 1987, c. 115 (C.
30:4D-2.1 et al.) and annually thereafter on the status of the comprehensive maternity and pediatric care services and their effectiveness in meeting the objectives set forth in section 1 of P.L. 1987, c. 115 (C. 30:4D-2.1), accompanying the report with any recommendations for changes in the law governing the services that the commissioners deem necessary.

5. Pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), the commissioner shall adopt rules and regulations necessary to effectuate the purposes of this act.

6. This act shall take effect on the 270th day after enactment, except that section 2 shall take effect on April 1, 1987 or upon enactment, whichever is later.

CHAPTER 116

AN ACT revising the law concerning admission to inpatient facilities for the treatment of persons who are mentally ill, and revising parts of the statutory law and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4-27.1 Findings, declarations.

1. (New section) The Legislature finds and declares that:

a. The State is responsible for providing care, treatment and rehabilitation services to mentally ill persons who are disabled and cannot provide basic care for themselves or who are dangerous to themselves, to others or to property; and because some of these mentally ill persons do not seek treatment or are not able to benefit from treatment provided on an outpatient basis, it is necessary that State law provide for the voluntary admission and the involuntary commitment of these persons as well as for the public services and facilities necessary to fulfill these responsibilities.

b. Because involuntary commitment entails certain deprivations of liberty, it is necessary that State law balance the basic value of liberty with the need for safety and treatment, a balance that is difficult to effect because of the limited ability to predict behavior; and, therefore, it is necessary that State law provide clear standards
and procedural safeguards that ensure that only those persons who are dangerous to themselves, to others or to property, are involuntarily committed.

c. It is the policy of this State that persons in the public mental health system receive inpatient treatment and rehabilitation services in accordance with the highest professional standards and which will enable those hospitalized persons to return to their community as soon as it is clinically appropriate. Further, it is the policy of this State that the public mental health system shall be developed in a manner which protects individual liberty and provides advocacy and due process for persons receiving treatment and insures that treatment is provided in a manner consistent with a person's clinical condition.

d. It is the policy of this State to encourage each county or designated mental health service area to develop a screening service and a short-term care facility which will meet the needs for evaluation and acute care treatment of mentally ill persons in the county or service area. The State encourages the development of screening services as the public mental health system’s entry point in order to provide accessible crisis intervention, evaluation and referral services to mentally ill persons in the community; to offer mentally ill persons clinically appropriate alternatives to inpatient care, if any; and, when necessary, to provide a means for involuntary commitment. Similarly, the State encourages the development of short-term care facilities to enable a mentally ill person to receive acute, inpatient care in a facility near the person's community. Development and use of screening services and short-term care facilities throughout the State are necessary to strengthen the Statewide community mental health system, lessen inappropriate hospitalization and reliance on psychiatric institutions and enable State and county facilities to provide the rehabilitative care needed by some mentally ill persons following their receipt of acute care.

The commissioner shall so designate an agency or facility only with the approval of the agency's or facility's governing body. In designating the screening services, the commissioner shall ensure that screening services are accessible to all persons in the State who need these services and that screening
service evaluation is the preferred process for entry into short-term care facilities or psychiatric facilities so that appropriate consideration is given to less restrictive treatment alternatives.

C. 30:4-27.5 Screening service procedures.

5. (New section) The commissioner shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.) regarding a screening service and its staff that effectuate the following purposes and procedures:

a. A screening service shall serve as the facility in the public mental health care treatment system wherein a person believed to be in need of commitment to a short-term care, psychiatric facility or special psychiatric hospital undergoes an assessment to determine what mental health services are appropriate for the person and where those services may be most appropriately provided.

The screening service may provide emergency and consensual treatment to the person receiving the assessment and may transport the person or detain the person up to 24 hours for the purposes of providing the treatment and conducting the assessment.

b. When a person is assessed by a mental health screener and involuntary commitment seems necessary, the screener shall provide, on a screening document prescribed by the division, information regarding the person's history and available alternative facilities and services that are deemed inappropriate for the person. If a psychiatrist, in consideration of this document and in conjunction with the psychiatrist's own complete assessment, concludes that the person is in need of commitment, the psychiatrist shall complete the screening certificate. The screening certificate shall be completed by a psychiatrist except in those circumstances where the division's contract with the screening service provides that another physician may complete the certificate.

Upon completion of the screening certificate, screening service staff shall determine the appropriate facility in which the person shall be placed taking into account the person's prior history of hospitalization and treatment. If a person has been admitted three times or has been an inpatient for 60 days at a short-term care facility during the preceding 12 months, consideration shall be given to not placing the person in a short-term care facility.

The person shall be admitted to the appropriate facility as soon as possible. Screening service staff are authorized to transport the
person or arrange for transportation of the person to the appropriate facility.

c. If the mental health screener determines that the person is not in need of admission or commitment to a short-term care facility, psychiatric facility or special psychiatric hospital, the screener shall refer the person to an appropriate community mental health or social services agency or appropriate professional or inpatient care in a psychiatric unit of a general hospital.

d. A mental health screener shall make a screening outreach visit if the screener determines, based on clinically relevant information provided by an individual with personal knowledge of the person subject to screening, that the person may need involuntary commitment and the person is unwilling or unable to come to the screening service for an assessment.

e. If the mental health screener pursuant to this assessment determines that there is reasonable cause to believe that a person is in need of involuntary commitment, the screener shall so certify the need on a form prepared by the division.

C. 30:4-27.6 Custody.

6. (New section) A State or local law enforcement officer shall take custody of a person and take the person immediately and directly to a screening service if:

c. The court orders that a person subject to an order of conditional discharge issued pursuant to subsection c. of section 15 of this act who has failed to follow the conditions of the discharge be taken to a screening service for an assessment.

The involvement of the law enforcement authority shall continue at the screening center as long as necessary to protect the safety of the person in custody and the safety of the community from which the person was taken.

C. 30:4-27.8 Short-term care facilities designated.

8. (New section) The commissioner, in consultation with the Commissioner of Health, shall designate one or more mental health agencies or facilities in each county or multi-county region in the State as short-term care facilities. The commissioner shall so designate an agency or facility only with the approval of the agency's or facility's governing body.

9. (New section) Short-term care facilities, psychiatric facilities and special psychiatric hospitals shall effectuate the following purposes and procedures:

   a. The director or chief executive officer of a short-term care facility, psychiatric facility or special psychiatric hospital shall have custody of a person while that person is detained in the facility and shall notify: (1) appropriate public or private agencies to arrange for the care of any dependents and to ensure the protection of the person's property; and (2) appropriate ambulatory mental health providers for the purposes of beginning discharge planning.

      If a person is admitted to a psychiatric facility, the chief executive officer of the facility shall promptly notify the county adjuster of the person's county of residence that the person has been admitted to the facility.

      The facility is authorized to provide assessment, treatment and rehabilitation services and shall provide discharge planning services as required pursuant to section 18 of this act.

      The facility is authorized to detain persons involuntarily committed to the facility.

   b. A person shall not be involuntarily committed to a short-term care or psychiatric facility, or special psychiatric hospital unless the person is mentally ill and that mental illness causes the person to be dangerous to self or dangerous to others or property, and appropriate facilities or services are not otherwise available.
The person shall be admitted involuntarily only by referral from a screening service or temporary court order. The person may be admitted voluntarily only after the person has been advised orally and in writing of the discharge provisions established pursuant to this act and of the subsequent possibility that the facility may initiate involuntary commitment proceedings for the person.

c. A short-term care or psychiatric facility, or special psychiatric hospital may detain a person, admitted to the facility involuntarily by referral from a screening service without a temporary court order, for no more than 72 hours from the time the screening certificate was executed. During this period of time the facility shall initiate court proceedings for the involuntary commitment of the person pursuant to section 10 of this act.

C. 30:4-27.10 Court proceedings.

10. (New section) a. A short-term care or psychiatric facility or a special psychiatric hospital shall initiate court proceedings for involuntary commitment by submitting to the court a clinical certificate completed by a psychiatrist on the patient’s treatment team and the screening certificate which authorized admission of the patient to the facility; provided, however, that both certificates shall not be signed by the same psychiatrist unless the psychiatrist has made a reasonable but unsuccessful attempt to have another psychiatrist conduct the evaluation and execute the certificate.

b. Court proceedings for the involuntary commitment of any person not referred by a screening service may be initiated by the submission to the court of two clinical certificates, at least one of which is prepared by a psychiatrist. The person shall not be involuntarily committed before the court issues a temporary court order.

c. Any person who is a relative by blood or marriage of the person being screened who executes a clinical certificate, or any person who signs a clinical certificate for any purpose or motive other than for purposes of care and treatment, shall be guilty of a crime of the fourth degree.

d. Upon receiving these documents the court shall immediately review them in order to determine whether there is probable cause to believe that the person is in need of involuntary commitment.

e. If the court finds that there is probable cause to believe that the person is in need of involuntary commitment, it shall issue a temporary order authorizing the admission to or retention of the person in the custody of the facility pending a final hearing.
f. In the case of a person committed to a short-term care facility or special psychiatric hospital, after the facility's treatment team conducts a mental and physical examination, administers appropriate treatment and prepares a discharge assessment, the facility may transfer the patient to a psychiatric facility prior to the final hearing; provided that: (1) the patient, his family and his attorney are given 24 hours' advance notice of the pending transfer; and (2) the transfer is accomplished in a manner which will give the receiving facility adequate time to examine the patient, become familiar with his behavior and condition, and prepare for the hearing. In no event shall the transfer be made less than five days prior to the date of the hearing unless an unexpected transfer is dictated by a change in the person's clinical condition.

C. 30:4-27.11 Patient rights.

11. (New section) A patient admitted to a short-term care or psychiatric facility or special psychiatric hospital either on a voluntary or involuntary basis has the following rights:

   a. The right to have examinations and services provided in the patient's primary means of communication including, as soon as possible, the aid of an interpreter if needed because the patient is of limited English-speaking ability or suffers from a speech or hearing impairment;

   b. The right to a verbal explanation of the reasons for admission, the availability of an attorney and the rights provided in this act; and

   c. The right to be represented by an attorney and, if un-represented or unable to afford an attorney, the right to be provided with an attorney paid for by the appropriate government agency. An attorney representing a patient has the right to inspect and copy the patient's clinical chart.

The clinical director shall ensure that a written statement of the rights provided in this act is provided to patients at the time of admission or as soon as possible thereafter, and to patients and their families upon request.

C. 30:4-27.12 Court hearing.

12. (New section) A patient who is involuntarily committed to a short-term care or psychiatric facility or special psychiatric hospital shall receive a court hearing with respect to the issue of continuing need for involuntary commitment within 20 days from initial inpatient admission to the facility unless the patient has been adminis-

Tratively discharged from the facility pursuant to section 17 of this act.

The assigned county counsel is responsible for presenting the case for the patient's involuntary commitment to the court.

A patient subject to involuntary commitment shall have counsel present at the hearing and shall not be permitted to appear at the hearing without counsel.

C. 30:4-27.13 Notice of hearing.

13. (New section) a. At least 10 days prior to a court hearing, the county adjuster of the admitting county shall cause notice of the court hearing to be served upon the patient, the patient's guardian if any, the patient's next-of-kin, the patient's attorney, the director, chief executive officer, or other individual who has custody of the patient, the county adjuster of the county in which the patient has legal settlement and any other individual specified by the court. The notice shall contain the date, time and location of the court hearing. The patient and the patient's attorney shall also receive copies of the clinical certificates and supporting documents, the temporary court order and a statement of the patient's rights at the court hearing.

b. A psychiatrist on the patient's treatment team who has conducted a personal examination of the patient as close to the court hearing date as possible, but in no event more than five calendar days prior to the court hearing, shall testify at the hearing to the clinical basis for the need for involuntary commitment. Other members of the patient's treatment team may also testify at the hearing.

c. The patient's next-of-kin may attend and testify at the court hearing if the court so determines.

d. The court shall transcribe the court hearing and arrange for the payment of expenses related thereto in the same manner as for other court proceedings.

C. 30:4-27.14 Patient rights at hearing.

14. (New section) A person subject to involuntary commitment has the following rights at a court hearing and any subsequent review court hearing:

a. The right to be represented by counsel or, if indigent, by appointed counsel;

b. The right to be present at the court hearing unless the court determines that because of the person's conduct at the court hearing
the proceeding cannot reasonably continue while the person is present;

c. The right to present evidence;

d. The right to cross examine witnesses; and

e. The right to a hearing in camera.

C. 30:4-27.15 Court findings.

15. (New section) a. If the court finds by clear and convincing evidence that the patient needs continued involuntary commitment, it shall issue an order authorizing the involuntary commitment of the patient and shall schedule a subsequent court hearing in the event the patient is not administratively discharged pursuant to section 17 of this act prior thereto.

b. If the court finds that the patient does not need continued involuntary commitment, the court shall so order and the facility shall discharge the patient within 48 hours of the court's verbal order or by the end of the next working day, whichever is longer, with a discharge plan prepared pursuant to section 18 of this act.

c. If the court finds that the patient's history indicates a high risk of rehospitalization because of the patient's failure to comply with discharge plans, the court may discharge the patient subject to conditions recommended by the facility and mental health agency staff and developed with the participation of the patient. Conditions imposed on the patient shall be specific and their duration shall not exceed 90 days.

The designated mental health agency staff person shall notify the court if the patient fails to meet the conditions of the discharge plan. The court shall determine, in conjunction with the findings of a screening service, if the patient needs to be rehospitalized and, if so, the patient shall be returned to the facility. The court shall hold a hearing within 20 days of the day the patient was returned to the facility to determine if the order of conditional discharge should be vacated.

C. 30:4-27.16 Court review hearings.

16. (New section) a. A patient committed pursuant to a court order who is not administratively discharged pursuant to section 17 of this act shall be afforded periodic court review hearings of the need for involuntary commitment. The review hearing shall be conducted in the manner provided in section 15 of this act. If the court determines at a review hearing that involuntary commitment shall be
continued, it shall execute a new order. The court shall conduct the first review hearing three months from the date of the first hearing, the next review hearing nine months from the date of the first hearing and subsequent review hearings 12 months from the date of the first hearing and annually thereafter. The court may schedule additional review hearings but, except in extraordinary circumstances, not more often than once every 30 days.

b. At a court review hearing, when the advanced age of the patient or the cause or nature of the mental illness renders it appropriate and when it would be impractical to obtain the testimony of a psychiatrist as required in section 13 of this act, the court may permit a physician on the patient's treatment team, who has personally conducted an examination of the patient as close to the hearing date as possible, but in no event more than five days prior to the hearing date, to testify at the hearing to the clinical basis for the need for involuntary commitment.

C. 30:4-27.17 Discharge determination.

17. (New section) The treatment team at a short-term care or psychiatric facility or special psychiatric hospital shall administratively discharge a patient from involuntary commitment status if the treatment team determines that the patient no longer needs involuntary commitment. If a discharge plan has not been developed pursuant to section 18 of this act, it shall be developed forthwith.

C. 30:4-27.18 Discharge plan.

18. (New section) A person discharged either by the court or administratively from a short-term care or psychiatric facility or special psychiatric hospital shall have a discharge plan prepared by the treatment team at the facility pursuant to this section. The treatment team shall give the patient an opportunity to participate in the formulation of the discharge plan. In the case of patients committed to short-term care or psychiatric facilities, a community agency designated by the commissioner shall participate in the formulation of the plan. The facility shall advise the mental health agency of the date of the patient's discharge. The mental health agency shall provide follow-up care to the patient pursuant to regulations adopted by the commissioner. This section does not preclude discharging a patient to an appropriate professional.

Psychiatric facilities shall give notice of the discharge to the county adjuster of the county in which the patient has legal settlement.

C. 30:4-27.19 Interim financial assistance.

19. (New section) The chief executive officer of a State or county
psychiatric facility, or his designee, may authorize the payment of interim financial assistance to discharged patients for living expenses, pending determination of public benefits entitlements, when this assistance is necessary and appropriate pursuant to regulations adopted by the commissioner. When public benefits entitlements are received, discharged patients shall reimburse the psychiatric facility for all interim financial assistance provided.

C. 30:4-27.20 Discharge of voluntary patients.

20. (New section) A voluntary patient at a short-term care or psychiatric facility or special psychiatric hospital shall be discharged by the treatment team at the patient’s request. The treatment team shall document all requests for discharge, whether oral or written, in the patient’s clinical record. The facility shall discharge the patient as soon as possible but in every case within 48 hours or at the end of the next working day from the time of the request, whichever is longer, except that if the treatment team determines that the patient needs involuntary commitment, the treatment team shall initiate court proceedings pursuant to section 10 of this act. The facility shall detain the patient beyond 48 hours or the end of the next working day from the time of the request for discharge, only if the court has issued a temporary court order.

C. 30:4-27.21 Transfer of patients.

21. (New section) a. A person involuntarily committed to a State psychiatric facility listed in R.S. 30:1-7 may be transferred to another State psychiatric facility in accordance with rules adopted by the commissioner that specify the clinical and programmatic factors and the procedures related to the transfer.

b. A person involuntarily committed to a State psychiatric facility may be transferred to a facility for psychiatric or medical care pursuant to an agreement between the department and that facility which specifies the clinical and programmatic factors and the procedures related to the transfer.

C. 30:4-27.22 Uniform detainer form.

22. (New section) a. If a person in custody awaiting trial on a criminal or disorderly persons charge is admitted or committed pursuant to this act, the law enforcement authority which transferred the person shall complete a uniform detainer form, as prescribed by the division, which shall specify the charge, law enforcement authority and other information which is clinically and administratively relevant. This form shall be submitted to the admitting facility along with the screening certificate or temporary court order directing that the person be admitted to the facility.
b. The division shall prepare the form with the approval of the Administrative Office of the Courts.

c. When the person is administratively or judicially discharged and is still under the authority of the law enforcement authority, that authority shall, within 48 hours of receiving notification of the discharge, take custody of the person.

(2) "Evaluation services" means those services and procedures in the department by which eligibility for functional services for the mentally retarded is determined and those services provided by the department for the purpose of advising the court concerning the need for guardianship of individuals over the age of 18 who appear to be mentally deficient.

(3) "Functional services" means those services and programs in the department available to provide the mentally retarded with
education, training, rehabilitation, adjustment, treatment, care and protection.

(4) "Mental deficiency" or "mentally deficient" means that state of mental retardation in which the reduction of social competence is so marked that persistent social dependency requiring guardianship of the person shall have been demonstrated or be anticipated.

(5) "Mental retardation" or "mentally retarded" means a significant subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior which are manifested during the development period.

(6) "Residential services" means observation, examination, care, training, treatment, rehabilitation and related services, including community care, provided by the department to patients who have been admitted or transferred to, but not discharged from any residential functional service for the mentally retarded.

b. Application for admission of an eligible mentally retarded person to functional services of the department may be made under any of the following classes:

   Application shall be made on such forms and accompanied by such relevant information as may be specified from time to time by the commissioner.

26. Section 15 of P.L. 1979, c. 441 (C. 30:4-123.59) is amended to read as follows:

C. 30:4-123.59 Parolee supervision.

15. a. Each parolee shall at all times remain in the legal custody of the Commissioner of Corrections, except that the commissioner,
after providing notice to the Attorney General, may consent to the supervision of a parolee by the federal government pursuant to the Witness Security Reform Act, Pub.L. 98-473 (18 U.S.C. §3251 et seq.). A parolee, except those under the Witness Security Reform Act, shall remain under the supervision of the Bureau of Parole of the Department of Corrections in accordance with the rules of the board.

b. Each parolee shall agree, as evidenced by his signature to abide by specific conditions of parole established by the appropriate board panel which shall be enumerated in writing in a certificate of parole and shall be given to the parolee upon release. Such conditions shall include, among other things, a requirement that the parolee conduct himself in society in compliance with all laws and refrain from committing any crime, a requirement that the parolee obtain permission from his parole officer for any change in his residence, and a requirement that the parolee report at reasonable intervals to an assigned parole officer. In addition, based on prior history of the parolee, the member or board panel certifying parole release pursuant to section 11 may impose any other specific conditions of parole deemed reasonable in order to reduce the likelihood of recurrence of criminal behavior. Such special conditions may include, among other things, a requirement that the parolee make full or partial restitution, the amount of which restitution shall be set by the sentencing court upon request of the board.

c. The appropriate board panel may in writing relieve a parolee of any parole conditions, and may permit a parolee to reside outside the State pursuant to the provisions of the Uniform Act for Out-of-State Parolee Supervision (N.J.S. 2A:168-14 et seq.), the Interstate Compact on Juveniles, P.L. 1955, c. 55 (C. 9:23-1 et seq.), and, with the consent of the Commissioner of the Department of Corrections after providing notice to the Attorney General, the federal Witness Security Reform Act, if satisfied that such change will not result in a substantial likelihood that the parolee will commit an offense which would be a crime under the laws of this State. The appropriate board panel may revoke such permission, except in the case of a parolee under the Witness Security Reform Act, or reinstate relieved parole conditions for any period of time during which a parolee is under its jurisdiction.

d. The appropriate board panel may parole an inmate to any residential facility funded in whole or in part by the State if the inmate would not otherwise be released pursuant to section 9 without such placement. But if the residential facility provides treatment for
mental illness or mental retardation, the board panel only may parole the inmate to the facility pursuant to the laws and admissions policies that otherwise govern the admission of persons to that facility, and the facility shall have the authority to discharge the inmate according to the laws and policies that otherwise govern the discharge of persons from the facility, on 10 days' prior notice to the board panel. The board panel shall acknowledge receipt of this notice in writing prior to the discharge. Upon receipt of the notice the board panel shall resume jurisdiction over the inmate.

e. The assigned parole officer shall provide assistance to the parolee in obtaining employment, education or vocational training or in meeting other obligations.

f. The board panel on juvenile commitments and the assigned parole officer shall insure that the least restrictive available alternative is used for any juvenile parolee.

g. If the board has granted parole to any inmate from a State correctional facility and the court has imposed a fine on such inmate, the appropriate board panel shall release such inmate on condition that he make specified fine payments to the Bureau of Parole. For violation of such conditions, or for violation of a special condition requiring restitution, parole may be revoked only for refusal or failure to make a good faith effort to make such payment.

h. Upon collection of the fine the same shall be paid over by the Department of Corrections to the State Treasury.

27. R.S. 30:9-3 is amended to read as follows:

Bylaws, rules, regulations of county psychiatric facility.

30:9-3. But, the rules and regulations governing the admission and discharge of patients shall be in compliance with the provisions of P.L. 1987, c. 116 and shall be subject to the written approval of both the commissioner and the governing body of the county.

The governing body shall also fix the compensation of officers and employees and may at any time by vote of two-thirds of its members remove an officer or employee. The expense of erecting, establishing, furnishing, maintaining and operating the psychiatric facility shall be paid by the county treasurer from funds raised by taxation as other county expenses are paid.
The governing body may also select an appropriate name by which the psychiatric facility shall thereafter be known.

28. Section 7 of P.L. 1947, c. 34 (C. 30:9-12.7) is amended to read as follows:

C. 30:9-12.7 Admission for other than mental illness.

7. The admission of any person to a county hospital for other than mental illness established under this act shall be subject to the regulations established by the board of managers and on application in writing signed by the patient or a person interested in the admission of the patient by reason of relationship or marriage, or by a person having the charge or care of such patient, or by the sheriff, or by the municipal director of welfare or person charged with the care and relief of the poor, or by any chief of police or police captain in any municipality in the county where such person may be, or by the chief executive officer of any public or private charitable institution or hospital in which the patient may be. All application forms shall be approved by the board of managers for such hospital.

29. (New section) Pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), the commissioner shall adopt, modify, repeal and enforce rules and regulations necessary to effectuate the purposes of this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L. 1955, c. 263 (C. 43:8B-1) is amended to read as follows:

(c) "Final average salary" means the average base compensation paid by the employer to the employee for the three years of his employment preceding his retirement.

(d) "Permanent and total disability." If an employee claims that such disability exists, the employer shall appoint a physician of skill and repute in his profession and resident of this State, who shall examine the employee. The physician shall make a report of the employee's physical condition or other disability, and if a disability exists, whether in all reasonable probability it will continue permanently, and does and will continue to prevent the employee from giving service to his employer in the performance of his duties. Any person who is retired for permanent and total disability hereunder, and who is under the age of 65 years, shall undergo an annual medical examination by a physician or physicians designated by the county, municipality or school district paying pension benefits based upon disability to such person. If upon examination it is determined that such disability no longer exists, the benefits payable hereunder for disability shall cease. If a person receiving pension benefits based upon disability refuses to submit to examination, the county, municipality or school district paying such benefits shall discontinue same until such person submits to physical examination.

CHAPTER 119

AN ACT establishing a respite care program for family caregivers of frail elderly and other functionally impaired adults.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4F-7 Findings; declarations.

1. The Legislature finds that there is a clear need to establish a program of respite care to assist families in the care of their elderly and functionally impaired family members. Most functionally impaired adults prefer to be cared for in their homes by family and friends whom they trust and feel comfortable with, and where they can continue to make valuable contributions to family life. Nearly all of the care provided to functionally impaired adults is given by family members who are not compensated for their services. They provide full-time care, often with little help from other family members or the community. This family involvement is a critical element in enabling persons who otherwise might be institutionalized to remain in their own home environment. Without relief and support, however, caregivers may become unable to continue in the caregiving role. The consequence may be unavoidable and irreversible institutionalization of the dependent adult and an added burden on public funds.
The Legislature further finds that there is a compelling need to support caregivers of functionally impaired adults in their efforts to keep the family intact. Providing respite and related services is a major mechanism for this support. Respite serves to relieve some of the daily stresses of caregiving, to improve the quality of life for functionally impaired adults and their caregivers, to maintain the integrity of the family unit, to strengthen personal and social support systems and to deter institutionalization.

The Legislature, therefore, declares that it is the policy of the State to provide a structure for the establishment of respite services which will provide relief and support to family or other unpaid caregivers from the demands of daily care of frail elderly or other functionally impaired adult family members; to encourage families to provide care for functionally impaired dependents at home, and thus offer an alternative to long-term institutional placement; to expand the continuum of supportive services for the functionally impaired and their families; to ensure that respite care and related supportive services are made available on a sliding fee basis to eligible persons not covered under other programs; and to assist families in securing the respite services, including information and peer support, which are necessary for their continued care of a functionally impaired family member.

C. 30:4F-8 Definitions.

2. As used in this act:

a. “Caregiver” means a spouse, parent, child, relative or other person who is 18 years of age or older and who has the primary responsibility of providing daily care for the eligible person and who does not receive financial remuneration for the care.

b. “Commissioner” means the Commissioner of the State Department of Human Services.

c. “Co-payment” means financial participation in service costs by the eligible person according to a sliding fee schedule promulgated by the commissioner.

d. “Department” means the State Department of Human Services.

e. “Eligible person” means a functionally impaired person 18 years of age or older who would become at risk of long-term institutional placement if his regular caregiver could not continue in that role without the assistance of temporary home and community support services, including respite care.
f. "Functionally impaired" means the presence of a chronic physical or mental disease, illness, or disability as certified by the physician or a sponsor-provided assessment team, which causes physical dependence on others, and which leaves a person unable to attend to his basic daily needs without the substantial assistance or continuous supervision of a caregiver.

g. “Provider” means a person, public agency, private nonprofit agency or proprietary agency which is licensed, certified, or otherwise approved by the commissioner to supply any service or combination of services described in subsection h. of this section.

h. “Respite” or “respite care” means the provision of temporary, short-term care for, or the supervision of, an eligible person on behalf of the caregiver, in emergencies or on an intermittent basis to relieve the daily stresses and demands of caring for the functionally impaired adult. Respite may be provided hourly, daily, overnight or on weekends, may be paid or volunteer, but may not exceed service and cost limitations as determined by the commissioner. Respite includes, but is not limited to, the following services:

(1) companion or sitter services;
(2) homemaker and personal care services;
(3) adult day care;
(4) short-term inpatient care in a facility meeting standards which the commissioner determines to be appropriate to provide the care;
(5) emergency care; and
(6) peer support and training for caregivers.

The service plan shall take into account other services and resources available to the eligible person and his caregiver. Services provided pursuant to this act shall not be used to duplicate or supplant existing services or resources available to the eligible person and his caregiver. The plan shall:

(1) Document the needs of the eligible person and caregiver for respite care services, using a needs assessment procedure provided or approved by the department;
(2) Identify the outcomes to be achieved and the specific respite
care services to be provided to the eligible person and the caregiver to meet their identified needs;

(3) Estimate the frequency and duration of the respite care services;

(4) Estimate the total cost of the plan and the co-payment an eligible person is required to contribute toward the cost of services provided under the plan.

j. "Sponsor" means the county or regional agency, either public or private nonprofit, which contracts with the department to administer the local respite program, and which is responsible for the recruitment of and payment to providers, the general supervision of the local programs, and the submission of information or reports which may be required by the commissioner. Criteria shall also include the potential sponsor's demonstrated ability to coordinate the funds available for this program with other funding sources and to obtain matching or in kind contributions.

C. 30:4F-9 Statewide Respite Care Program.

3. The commissioner shall establish a Statewide Respite Care Program within the Department of Human Services to be administered by sponsors designated by the commissioner. Allocations of funds for respite services pursuant to this act to each county or region shall be based on its share of the targeted population according to the following formula:

\[
\text{County Allocation} = \frac{C \times (A + B)}{(D + E)}
\]

where, A equals the county population of persons age 75 years or older; B equals the county population of functionally impaired adults under the age of 75 according to the most recent data available to the commissioner; C equals the annual amount of funds appropriated for the purpose of this act, minus those funds retained for State administration; D equals the State population of persons age 75 years or older; and E equals the State population of functionally impaired adults under the age of 75.

C. 30:4F-10 Eligibility.

4. A sponsor shall annually determine the maximum number of eligible persons to be served in each county or region, based upon the service and cost limitations promulgated by the commissioner.
and the county allocation and other funds which may be available for the purposes of this act, and shall not admit or serve more eligible persons than can be afforded with available resources. Each sponsor shall maintain a waiting list of those eligible persons awaiting receipt of respite care, according to standards promulgated by the commissioner.

C. 30:4F-11 Sources of payment.

5. If an eligible person's respite services are covered in whole or in part by another State or federal government program or insurance contract, the government program or insurance carrier shall be the primary payer and the Statewide Respite Care Program shall be the secondary payer. The sponsor shall be responsible for determining all sources of payment, for collecting all co-payments, and for determining eligibility according to standards promulgated by the commissioner.

C. 30:4F-12 Rules, regulations.

6. The commissioner shall promulgate rules and regulations in accordance with the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.) necessary to effectuate the purposes of this act. The rules and regulations shall include, but not be limited to, the following:

   c. Qualifications and requirements of sponsors and providers;
   d. Provider reimbursement and payment levels for respite care services;
   e. Service and cost limitations for eligible persons;
   f. A sliding scale fee schedule for co-payments; and

C. 30:4F-14 Annual report.

8. The commissioner shall report to the Legislature and the Governor within two years of the effective date of this act and annually
thereafter on the effectiveness of the Statewide Respite Care Program.

10. This act shall take effect on the 120th day following enactment.

CHAPTER 120

AN ACT concerning the justifiable use of force and deadly force under certain circumstances and amending N.J.S. 2C:3-4, N.J.S. 2C:3-6 and N.J.S. 2C:3-11.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 2C:3-4 is amended to read as follows:

Use of force in self-protection.

2C:3-4. Use of force in self-protection. a. Use of force justifiable for protection of the person. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward another person is justifiable when the actor reasonably believes that such force is immediately necessary for the purpose of protecting himself against the use of unlawful force by such other person on the present occasion.

b. Limitations on justifying necessity for use of force.

(1) The use of force is not justifiable under this section:

(a) To resist an arrest which the actor knows is being made by a peace officer in the performance of his duties, although the arrest is unlawful, unless the peace officer employs unlawful force to effect such arrest; or

(b) To resist force used by the occupier or possessor of property or by another person on his behalf, where the actor knows that the
person using the force is doing so under a claim of right to protect the property, except that this limitation shall not apply if:

(i) The actor is a public officer acting in the performance of his duties or a person lawfully assisting him therein or a person making or assisting in a lawful arrest;

(ii) The actor has been unlawfully dispossessed of the property and is making a reentry or recaption justified by section 2C:3-6; or

(iii) The actor reasonably believes that such force is necessary to protect himself against death or serious bodily harm.

(2) The use of deadly force is not justifiable under this section unless the actor reasonably believes that such force is necessary to protect himself against death or serious bodily harm; nor is it justifiable if:

(a) The actor, with the purpose of causing death or serious bodily harm, provoked the use of force against himself in the same encounter; or

(b) The actor knows that he can avoid the necessity of using such force with complete safety by retreating or by surrendering possession of a thing to a person asserting a claim of right thereto or by complying with a demand that he abstain from any action which he has no duty to take, except that:

(i) The actor is not obliged to retreat from his dwelling, unless he was the initial aggressor or is assailed in his dwelling by another person whose dwelling the actor knows it to be; and

(ii) A public officer justified in using force in the performance of his duties or a person justified in using force in his assistance or a person justified in using force in making an arrest or preventing an escape is not obliged to desist from efforts to perform such duty, effect such arrest or prevent such escape because of resistance or threatened resistance by or on behalf of the person against whom such action is directed.

(3) Except as required by paragraphs (1) and (2) of this subsection, a person employing protective force may estimate the necessity of using force when the force is used, without retreating, surrendering possession, doing any other act which he has no legal duty to do or abstaining from any lawful action.

c. (1) Notwithstanding the provisions of N.J.S. 2C:3-5, N.J.S. 2C:3-9, or this section, the use of force or deadly force upon or toward
an intruder who is unlawfully in a dwelling is justifiable when the actor reasonably believes that the force is immediately necessary for the purpose of protecting himself or other persons in the dwelling against the use of unlawful force by the intruder on the present occasion.

(2) A reasonable belief exists when the actor, to protect himself or a third person, was in his own dwelling at the time of the offense or was privileged to be thereon and the encounter between the actor and intruder was sudden and unexpected, compelling the actor to act instantly and:

(a) The actor reasonably believed that the intruder would inflict personal injury upon the actor or others in the dwelling; or

(b) The actor demanded that the intruder disarm, surrender or withdraw, and the intruder refused to do so.

(3) An actor employing protective force may estimate the necessity of using force when the force is used, without retreating, surrendering possession, withdrawing or doing any other act which he has no legal duty to do or abstaining from any lawful action.

2. N.J.S. 2C:3-6 is amended to read as follows:

Use of force in defense of premises or personal property.

2C:3-6. Use of force in defense of premises or personal property.

a. Use of force in defense of premises. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward the person of another is justifiable when the actor is in possession or control of premises or is licensed or privileged to be thereon and he reasonably believes such force necessary to prevent or terminate what he reasonably believes to be the commission or attempted commission of a criminal trespass by such other person in or upon such premises.

b. Limitations on justifiable use of force in defense of premises.

(1) Request to desist. The use of force is justifiable under this section only if the actor first requests the person against whom such force is used to desist from his interference with the property, unless the actor reasonably believes that:

(a) Such request would be useless;

(b) It would be dangerous to himself or another person to make the request; or
(c) Substantial harm will be done to the physical condition of the property which is sought to be protected before the request can effectively be made.

(2) Exclusion of trespasser. The use of force is not justifiable under this section if the actor knows that the exclusion of the trespasser will expose him to substantial danger of serious bodily harm.

(3) Use of deadly force. The use of deadly force is not justifiable under subsection a. of this section unless the actor reasonably believes that:

(a) The person against whom the force is used is attempting to dispossess him of his dwelling otherwise than under a claim of right to its possession; or

(b) The person against whom the force is used is attempting to commit or consummate arson, burglary, robbery or other criminal theft or property destruction; except that

(c) Deadly force does not become justifiable under subparagraphs (a) and (b) of this subsection unless the actor reasonably believes that:

(i) The person against whom it is employed has employed or threatened deadly force against or in the presence of the actor; or

(ii) The use of force other than deadly force to terminate or prevent the commission or the consummation of the crime would expose the actor or another in his presence to substantial danger of bodily harm. An actor within a dwelling shall be presumed to have a reasonable belief in the existence of the danger. The State must rebut this presumption by proof beyond a reasonable doubt.

c. Use of force in defense of personal property. Subject to the provisions of subsection d. of this section and of section 2C:3-9, the use of force upon or toward the person of another is justifiable when the actor reasonably believes it necessary to prevent what he reasonably believes to be an attempt by such other person to commit theft, criminal mischief or other criminal interference with personal property in his possession or in the possession of another for whose protection he acts.

d. Limitations on justifiable use of force in defense of personal property.

(1) Request to desist and exclusion of trespasser. The limitations
of subsection b. (1) and (2) of this section apply to subsection c. of this section.

(2) Use of deadly force. The use of deadly force in defense of personal property is not justified unless justified under another provision of this chapter.

3. N.J.S. 2C:3-11 is amended to read as follows:

Definitions.

2C:3-11. Definitions. In this chapter, unless a different meaning plainly is required: a. "Unlawful force" means force, including confinement, which is employed without the consent of the person against whom it is directed and the employment of which constitutes an offense or actionable tort or would constitute such offense or tort except for a defense (such as the absence of intent, negligence, or mental capacity; duress, youth, or diplomatic status) not amounting to a privilege to use the force. Assent constitutes consent, within the meaning of this section, whether or not it otherwise is legally effective, except assent to the infliction of death or serious bodily harm.

b. "Deadly force" means force which the actor uses with the purpose of causing or which he knows to create a substantial risk of causing death or serious bodily harm. Purposely firing a firearm in the direction of another person or at a vehicle, building or structure in which another person is believed to be constitutes deadly force. A threat to cause death or serious bodily harm, by the production of a weapon or otherwise, so long as the actor's purpose is limited to creating an apprehension that he will use deadly force if necessary, does not constitute deadly force.

c. "Dwelling" means any building or structure, though movable or temporary, or a portion thereof, which is for the time being the actor's home or place of lodging except that, as used in 2C:3-7, the building or structure need not be the actor's own home or place of lodging.

d. "Serious bodily harm" means bodily harm which creates a substantial risk of death or which causes serious, permanent disfigurement or protracted loss or impairment of the function of any bodily member or organ or which results from aggravated sexual assault or sexual assault.

e. "Bodily harm" means physical pain, or temporary disfigurement, or impairment of physical condition.

4. This act shall take effect immediately.

CHAPTER 127

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds and declares that:
   a. Certain municipalities are faced with exorbitant storage fees for storage following the removal of abandoned and unclaimed motor vehicles.
   b. Storage fees have been permitted to accumulate far in excess of the value of any of these vehicles.
   c. Certain contracts concerning storage of these abandoned motor vehicles have been entered into by private persons and public agencies which failed to provide for a limitation on the accumulation of these storage fees.
   d. It is imperative that a reasonable limitation be imposed on these storage fees for the important public purpose of sustaining local fiscal soundness.
   e. In view of the foregoing, it is reasonable and necessary for the State to set limitations on these contracts for storage fees now that this important public interest has come to light.
2. Section 1 of P.L. 1979, c. 101 (C. 40:48-2.49) is amended to read as follows:

1. Notwithstanding the provisions of section 1 of P.L. 1973, c. 137 (C. 39:4-56.6) or any other law, a municipality may regulate, by ordinance, the removal of motor vehicles from private or public property by operators engaged in such practice, including, but not limited to, the fees charged for storage following removal in accordance with section 3 of P.L. 1987, c. 127 (C. 40:48-2.50), fees charged for such removal, notice requirements therefor, and the mercantile licensing of such operators.

C. 40:48-2.50 Fee limits.

3. (New section) All fees to be paid to an operator by a municipality for the storage of removed motor vehicles shall not exceed the following:

(1) A limit of $3.00 per day for the first 30 days of storage per vehicle; and

(2) A limit of $2.00 per day for the 31st day of storage and any day thereafter; and

(3) A limit of $400.00 per vehicle stored regardless of the duration of the storage, except that a waiver may be granted for good cause upon the request of a municipality by the Division of Local Government Services in the Department of Community Affairs.

C. 40:48-2.51 Penalty for violation of fee limits.

4. (New section) An operator engaged in the removal of motor vehicles, or any employee, officer or agent thereof, who engages in a pattern or practice of knowingly violating the fee limits set in section 3 of P.L. 1987, c. 127 (C. 40:48-2.50) may be liable to the municipality for a civil penalty of not less than $25.00 or more than $50.00 for each motor vehicle stored with the operator.

5. Section 1 of P.L. 1964, c. 81 (C. 39:10A-1) is amended to read as follows:

1. a. When the State or any county, county park commission, municipality or any authority created by any thereof, hereinafter referred to as a “public agency,” shall have taken possession of a motor vehicle found abandoned, such taking of possession shall be reported immediately to the Director of the Division of Motor Vehicles on a form prescribed by him, for verification of ownership.
b. When such motor vehicle which has been ascertained not to be stolen and which can be certified for a junk title certificate under section 3 of P.L. 1964, c. 81 (C. 39:10A-3) shall have remained unclaimed by the owner or other person having a legal right thereto for a period of 15 business days, even if at that time the owner has not been identified as a result of efforts to make identification by the public agency or the Division of Motor Vehicles, the same may be sold at auction in a public place. If the certified motor vehicle is sold at auction prior to identification of the owner, the public agency shall document the condition of the motor vehicle in writing and with photographs prior to the sale; document the amount obtained from the sale of the motor vehicle; and notify the owner, if his name and address are identified after the sale, of the actions taken by the public agency to dispose of the motor vehicle.

c. When a motor vehicle which cannot be certified for a junk title certificate under section 3 of P.L. 1964, c. 81 (C. 39:10A-3) remains unclaimed by the owner or other person having a legal right thereto for a period of 20 business days, the motor vehicle may be sold at auction in a public place, but shall be sold no later than 90 business days after the public agency takes possession of the vehicle, except that a waiver of the 90-day limit may be obtained for good cause from the Division of Local Government Services in the Department of Community Affairs.

d. The public agency shall give notice of a sale conducted pursuant to subsection b. or c. of this section, by certified mail, to the owner, if his name and address be known and to the holder of any security interest filed with the director, and by publication in a form to be prescribed by the director by one insertion, at least five days before the date of the sale, in one or more newspapers published in this State and circulating in the municipality in which such motor vehicle is held.

6. This act shall take effect immediately but shall not affect any fees set by a contract between a municipality and an operator which is in existence on the effective date.

4. (New section) A general development plan may include, but not be limited to, the following:

6. (New section) In the event that the developer seeks to modify the proposed timing schedule, such modification shall require the approval of the planning board. The planning board shall, in deciding whether or not to grant approval of the modification, take into con-

C. 40:55D-45.5 Variation approval.

7. (New section) a. Except as provided hereunder, the developer shall be required to gain the prior approval of the planning board if, after approval of the general development plan, the developer wishes to make any variation in the location of land uses within the planned development or to increase the density of residential development or the floor area ratio of nonresidential development in any section of the planned development.

b. Any variation in the location of land uses or increase in density or floor area ratio proposed in reaction to a negative decision of, or condition of development approval imposed by, the Pinelands Commission pursuant to P.L. 1979, c. 111 (C. 13:18A-1 et seq.) or the Department of Environmental Protection pursuant to P.L. 1973, c. 185 (C. 13:19-1 et seq.) shall be approved by the planning board if the developer can demonstrate, to the satisfaction of the planning board, that the variation being proposed is a direct result of such determination by the Pinelands Commission or the Department of Environmental Protection, as the case may be.

C. 40:55D-45.6 Revision of general development plan.

8. (New section) a. Except as provided hereunder, once a general development plan has been approved by the planning board, it may be amended or revised only upon application by the developer approved by the planning board.

CHAPTER 130
AN ACT creating a Study Commission on Regulatory Efficiency in State Government and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that certain State Government regulations are necessary and proper for the efficient enforcement of the regulatory affairs of the State, particularly those which help reduce pollution, improve health, and ensure product safety, but that government rules and regulations can often create a costly financial burden on business and individuals. Analysts have estimated an average business cost of $19,000.00 associated with compliance with federal regulations and $5,000.00 associated with compliance with state regulations in a typical state. Also, that whenever excessive regulation occurs, it causes a profoundly inefficient allocation of resources that often runs counter to the social ends the regulatory process is designed to achieve; that it should be the goal of State Government to lessen the burdens of regulation without sacrificing the important public policy goals that State agencies were formed to serve, and that the procedures employed by State agencies in establishing rules and regulations should be examined to ensure that administrative rules and regulations are necessary, straightforward, nonduplicative, minimize the costs of compliance, and adequately protect the public interest.

2. There is created a commission, to be known as the Study Commission on Regulatory Efficiency, with a membership of 33 members. The commission shall consist of:

a. The Attorney General, the State Treasurer, the Commissioner of Health, the Commissioner of Commerce and Economic Development, the Commissioner of Environmental Protection, the Commissioner of Community Affairs, the Commissioner of Insurance, the Commissioner of Labor, the Director of the Office of Administrative Law, the Public Advocate, and the Director of the Division of Con-
Sherer Affairs, or their designated representatives, who shall be ex officio members;

b. Two members of the Senate to be appointed by the President of the Senate, not more than one of whom shall be of the same political party; and two members of the General Assembly to be appointed by the Speaker of the General Assembly, not more than one of whom shall be of the same political party;

c. Seventeen public members to be appointed by the Governor, of whom 13 shall be comprised of one representative from each of the following organizations: the National Federation of Independent Business/New Jersey, the New Jersey AFL-CIO, the New Jersey Business and Industry Association, the New Jersey State Chamber of Commerce, the New Jersey Builders Association, the Society for Environmental Economic Development, the North Jersey Commerce and Industry Association, the Alliance for Action, the Council of Private Schools for Children with Special Needs, the New Jersey Association of Non-Profit Homes for the Aging, the New Jersey Hospital Association, the New Jersey Food Council, the New Jersey Utilities Association; and

d. A chairman to be appointed by the Governor.

All appointments shall be made within 30 days after the effective date of this act. Each member shall serve for the duration of the commission. Vacancies in the membership shall be filled in the same manner as the original appointments were made. Members of the commission shall serve without compensation, but shall be entitled to reimbursement for actual expenses necessarily incurred in carrying out their duties as members of the commission.

3. The commission shall organize as soon as may be after the appointment of its members and shall select a vice-chairman from among its members and a secretary, who need not be a member of the commission. All actions of the commission shall be authorized by a majority vote of the total membership.

4. The commission shall review the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.) and shall make recommendations for its revision.

5. The commission shall study the regulatory process of State agencies and propose guidelines and make recommendations for economic improvements and greater efficiency in rule-making
procedures. The commission shall include a review of the following in its study:

a. The State's system of processing the paper work of the regulatory functions of each agency to estimate duplication, promote efficiency, and increase speed in the processing of paper work, with consideration given to the feasibility of a centralized interagency procedure for the acquisition of permits and licenses of various types;

b. Rule-making procedures of other states for possible application to this State;

c. The intra-agency procedures and criteria which lead to the adoption of rules and regulations in an effort to establish standards or a set of guidelines for rulemakers to measure the advisability of proposed rules and regulations with the goals of:

(1) Eliminating conflicting provisions and unnecessary duplication of costs and procedures;

(2) Evaluating the cost versus the benefit of the rules and regulations;

(3) Ensuring that the factual conclusions, upon which a proposed regulation is based, are substantially supported in the agency's record viewed as a whole with full attention given to public comments in general and the comments of persons directly affected in particular;

(4) Easing the business cost of compliance and filings required by regulations; and

(5) Insuring the adequate protection of the public interest; and

d. The need for a regulatory oversight agency in the Department of Commerce and Economic Development to review selected regulations that affect business activity and ensure the periodic review of all existing substantive regulations.

The commission shall report its findings, conclusions and recommendations to the Governor and the Legislature not later than one year after the organizational meeting of the commission, accompanying them with any legislative bills which it may desire to recommend for adoption by the Legislature. The commission shall expire 30 days after the issuance of its report.

6. The commission shall be entitled to call to its assistance and avail itself of the services and assistance of such officials and employees of the State and its political subdivisions and their depart-
ments, boards, bureaus, commissions, and agencies as it may require and as may be available to it for its purposes and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and may expend any funds as may be appropriated or otherwise made available to it for the purposes of its study.

7. The commission may conduct public hearings in furtherance of its general purposes at the place or places as it shall designate, at which it may request the appearance of officials of any State agency and solicit the testimony of interest groups and the general public.

8. There is appropriated $90,000.00 to the commission from the General Fund to effectuate the purposes of this act.

certificate of ownership, or documentation papers that were valid on
the day he was charged to the judge of the court before whom he
is summoned to answer to the charge, the judge may dismiss the
charge and may impose court costs.

6. Section 12 of P.L. 1984, c. 152 (C. 12:7A-12) is amended to
read as follows:

C. 12:7A-12 Issuance of certificate of ownership.

12. a. The purchaser of any marine equipment for which a
certificate of ownership is required in this State shall, within 10 days
after its purchase, submit to the director evidence of the purchase.
Upon presentation to the director of the certificate of origin or
certificate of ownership, with proper assignment and certification of
the seller, a record of the transaction shall be made and filed. A
certificate of ownership shall be made and filed. A certificate of
ownership shall be issued by the director and delivered to the buyer,
in case of a sale not subject to a security interest, and the director
shall collect a fee for the issuance and filing thereof.

b. In the case of a sale subject to a security interest, the original
certificate of ownership, with the name and address of the holder of
the encumbrance or secured party or his assignee recorded thereon,
shall be delivered to the holder of the encumbrance or secured party
or his assignee and a nonnegotiable copy thereof shall be delivered
to the buyer. The director shall collect a fee for his services in issuing
a certificate and a copy thereof, and for making and filing a record
of the transaction pursuant to this subsection.

c. Except as otherwise provided in this section, whenever a secu-
ritv interest is created in any marine equipment, other than a security interest which is required to be noted on the certificate of origin
or the certificate of ownership as provided in sections 11 and 12 of this act, there shall be filed with the director the certificate of ownership of the marine equipment together with a financing statement on a form prescribed by the director. The director shall make and file a record of the transaction and shall issue a certificate of ownership recording the name and address of the secured party or his assignee thereon, and shall deliver it to the secured party or his assignee. A copy of the certificate of ownership so issued shall be delivered to the owner. The director shall collect a fee for his services in issuing a certificate and copy thereof and for making and filing a record of the transaction pursuant to this subsection.

d. The financing statement required to be filed pursuant to subsection c. of this section shall be signed only by the owner, shall not be required to be acknowledged or proved, and shall show, in addition to such matters as the director may require for the proper identification of the marine equipment affected, the date of the security agreement, and the names and addresses of the parties thereto. The security agreement or a copy thereof, or any proof of execution thereof other than that contained in the financing statement, need not be presented to the director. When the owner is a corporation, it shall be sufficient if the financing statement is signed by any officer thereof, or by any agent designated by the corporation for that purpose, and it shall not be necessary that the financing statement recite the authorization of the agent. When there is more than one owner, it shall be sufficient if the financing statement is signed by any one of them.

e. Nothing in subsections c. and d. of this section shall apply to a security interest in marine equipment which constitutes inventory held for sale, but the interest shall be subject to chapter 9 of Title 12A of the New Jersey Statutes.

f. In addition to the fees elsewhere in this section provided for, there shall be paid to the director a fee for notice of satisfaction of the lien or encumbrance of the record or abstract, or of the termination of the security interest where the marine equipment is subject to a lien or encumbrance or a security interest.

g. Notwithstanding any other provision of this section to the contrary, when any dealer is the purchaser of any marine equipment in this State, he shall, within 10 days after its purchase, submit to the director the evidence of purchase. Upon presentation of the certificate of ownership with proper assignment and certification of the seller to the director, a record of the transaction shall be made
and filed. A certificate of ownership shall be issued by the director and delivered to the purchaser, and the director shall collect a fee for the issuing and filing thereof. A purchaser of any marine equipment who fails to comply with the provisions of this subsection shall pay the director a penalty plus the issuing and filing fee.

h. The failure of a person to comply with the requirements of this section shall constitute a violation within the provisions of section 25 of this act, but the failure shall not affect the validity of any instrument creating or reserving a security interest in any marine equipment as between the parties to the instrument.

i. The notation of the name and business or residence address of a secured party or his assignee on the certificate of origin or on the certificate of ownership, as provided in sections 9 and 10 of this act, and the presentation to the director of the certificate of origin or certificate of ownership so noted, in the compliance with the security interest filing requirements of this act, shall be in lieu of all filing requirements imposed by chapter 9 of Title 12A of the New Jersey Statutes and shall constitute the perfection of the security interest in the marine equipment, and the rights and remedies of the debtors and the secured parties in respect to the security interest shall, except as otherwise expressly provided in this act, be subject to and governed by chapter 9 of Title 12A of the New Jersey Statutes.

j. Any security interest perfected pursuant to chapter 9 of Title 12A of the New Jersey Statutes not later than 30 days after either the effective date of this 1987 amendatory act or June 15, 1987, whichever date is later, shall remain perfected pursuant to that Title 12A until perfected as required under P.L. 1984, c. 152 (C. 12:7A-1 et seq.). For this category of security interest, perfection in accordance with P.L. 1984, c. 152 shall occur not later than one year after either the effective date of this 1987 amendatory act or June 15, 1987, whichever date is later. For this category of security interest, the subsequent perfection under P.L. 1984, c. 152 shall be deemed to be a continuation of the initial perfection pursuant to chapter 9 of Title 12A of the New Jersey Statutes.

7. Section 16 of P.L. 1984, c. 152 (C. 12:7A-16) is amended to read as follows:

C. 12:7A-16 Seizure of vessels.

16. a. If any marine equipment, numbered vessel, or documented vessel is seized, levied upon, or attached and taken into possession, actually or constructively, by virtue of judicial process issued by a
court of competent jurisdiction in this State, or by virtue of a State or federal statute, the person from whom possession of the marine equipment, numbered vessel, or documented vessel was taken, and without prejudice to his rights in the premises, shall surrender the title papers or certificate of ownership, certificate of number or other marine documents to the director upon written notice or demand from the director. The officer or person so seizing and taking possession of such marine equipment, numbered vessel, or documented vessel shall file with the director a notice in writing giving a full description of such items as prescribed by regulation, and the name and address of the person from whom taken, and shall attach a copy of the process or statutory or other authority to the notice. If the marine equipment, numbered vessel, or documented vessel is sold in pursuance thereof, the officer so selling it shall execute and deliver to the purchaser at the sale an application for certificate of ownership, if this certificate is required under P.L. 1984, c. 152 (C. 12:7A-1 et seq.), in the same form and manner as provided in this act, which shall also contain the name and address of the person from whom the marine equipment, numbered vessel, or documented vessel was taken. A copy of the process or statutory or other authority under which the marine equipment, numbered vessel, or documented vessel is sold and a copy of the notice of sale, which notice of sale shall contain a description of the marine equipment, numbered vessel, or documented vessel as required by this act, shall be attached thereto. If the sale is held by a bailiff or attorney in fact for a lienor, the lienor shall also execute the application for certificate of ownership, if this certificate is required under P.L. 1984, c. 152. The director, upon new application to him by the purchaser at the sale, shall file and record the purchase of the marine equipment as provided in this act.

b. The director shall provide by regulation for procedures regarding marine equipment or documented vessels forfeited to the State.

17. a. Any marine equipment or vessel seized by the director, the State Marine Police Force or any law enforcement officer for failure to provide evidence of ownership as required by law or regulation, shall be held by the director, the State Marine Police Force or law enforcement agency, as the case may be, not longer than 90 days until the certificate of number, or certificate of ownership, or documenta-
tion papers have been produced to the satisfaction of the officer or person so seizing and taking possession of the marine equipment or vessel. If the documents have not been produced after seizure, the director, the State Marine Police Force or law enforcement agency, as the case may be, may collect any transportation fees or recover the expenses that were incurred in storage of the marine equipment or vessel. The director may prescribe a schedule of storage fees where the storage, including necessary liability coverage, is performed by a State facility. After 90 days, the marine equipment or vessel shall be sold at public auction, and the proceeds deposited in a special fund as hereinafter provided.

b. Except for marine equipment missing a manufacturer's serial number, the director may prescribe by regulation a time period before the marine equipment is seized. The director may also prescribe procedures permitting constructive seizure of marine equipment.

c. Whenever any marine equipment alleged to be stolen comes into the custody of the director, the State Marine Police Force or any law enforcement agency, as the case may be, the officer or person so seizing and taking possession of the marine equipment shall proceed as provided in chapter 65 of Title 2C of the New Jersey Statutes.

d. Neither the director, the State Marine Police Force, nor any law enforcement officer or agency shall be liable for any action taken pursuant to this act regarding the seizure of vessels. Neither the director, the State Marine Police Force, nor any law enforcement officer or agency shall be liable for any remaining lien or security interest held in the marine equipment. The remaining lien or security interest shall be the sole obligation of the person who obtained the lien or interest.

9. Section 19 of P.L. 1984, c. 152 (C. 12:7A-19) is amended to read as follows:

C. 12:7A-19 Title papers required.

The director may provide by regulation for the issuance of title papers to marine equipment in possession as of the effective date of this act or marine equipment purchased in a jurisdiction that does not require or issue title papers.

The director may require an affidavit, in form that he may prescribe, that the marine equipment was so lost, destroyed, dismantled or altered, scrapped or junked, or if practicable and feasible, the director may require that his agent or designee make inspection or investigation of the facts surrounding the circumstances.

The device shall be used solely to repel only those canine or other animal attacks when the canines or other animals are not restrained in a fashion sufficient to allow the employee to properly perform his duties.

Any device used pursuant to this act shall be selected from a list of products, which consist of active and inert ingredients, permitted by the Commissioner of Health.

The Superior Court and the municipal courts shall all have jurisdiction to enforce “the penalty enforcement law” in connection with this act.

c. Whenever it shall appear to the board that any person has violated, intends to violate, or will violate any provision of this act or any rule, regulation or administrative order duly promulgated hereunder, or under any applicable provision of Title 48 of the Revised Statutes, the board may institute a civil action in the Superior Court for injunctive relief and for such other relief as may be appropriate in the circumstances, and the said court may proceed in any such action in a summary manner.

2. This act shall take effect immediately.

C. 34:11A-4 Delinquency of contractors.

4. a. (1) If a subcontractor is at least four weeks delinquent in the payment of fringe benefits, as certified by the trustees of the

b. The amount withheld or deposited by the private or public project owner shall not exceed the amount due and owing from that owner to the prime contractor at the time notice is received by the owner.

d. Payment by the private or public project owner to the fringe benefit fund shall be made within 5 days of such demand, unless and only to the extent that the subcontractor or prime contractor against whom such delinquency claim has been asserted notifies the owner and the fringe benefit fund in writing by certified mail, return receipt requested, prior to the expiration of the 45 day period that it contests the claim of the fringe benefit fund. C. 34:11A-7 Owner not party to action.

7. addition and not in lieu of any other remedies provided under the laws
of this State.

13. This act shall take effect 30 days after enactment.

CHAPTER 151

AN ACT concerning the compensation of members of the district
boards of elections, amending R.S. 19:45-2, R.S. 19:45-6 and
R.S. 19:50-1 and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. R.S. 19:45-2 is amended to read as follows:

Expenses responsibility of State.

19:45-2. All costs, charges and expenses incurred by the State
Board of Canvassers, Secretary of State or any other officer or official
of the State government in carrying out any provisions of this Title shall be paid by the State.

2. R.S. 19:45-6 is amended to read as follows:

Compensation of members of district boards.

19:45-6. The compensation of each member of the district boards for all services performed by them under the provisions of this Title shall be as follows:

In all counties, for all services rendered including the counting of the votes, and in counties wherein voting machines are used, the tabulation of the votes registered on the voting machines, and the delivery of the returns, registry binders, ballot boxes and keys for the voting machines to the proper election officials, $75.00 each time the primary election, the general election or any special election is held under this Title; provided, however, that:

a. (1) The member of the board charged with the duty of obtaining and signing for the signature copy registers shall receive an additional $12.50 per election, such remuneration being limited to only one board member per election, or $6.25 to each of two board members if they share such responsibility for the signature copy registers, and (2) the member of the board charged with the duty of returning the signature copy registers shall receive an additional $12.50 per election, such remuneration being limited to only one board member per election, or $6.25 to each of two board members if they share such responsibility for the signature copy registers;

b. In the case of any member of the board who is required under R.S. 19:50-1 to attend in a given year a training program for district board members, but who fails to attend such a training program in that year, that compensation shall be $50.00 for each of those elections; and

c. In counties wherein voting machines are used no compensation shall be paid for any services rendered at any special election held at the same time as any primary or general election. Such compensation shall be in lieu of all other fees and payments.

Compensation due each member shall be paid within 30 days but not within 20 days after each election; provided, however, that no compensation shall be paid to any member of any such district board who may have been removed from office or application for the removal of whom is pending under the provisions of R.S. 19:6-4.
3. R.S. 19:50-1 is amended to read as follows:

The county board of elections shall cause new members of the district boards who are to serve in election districts to be instructed in the conduct of elections, and in their duties in connection therewith. All district board members shall be required to attend said instructional sessions for each election at least once every two years. The county board of elections shall cause to be given to each member of each district board who has received such instruction and is fully qualified to properly conduct the election, a certificate to that effect. For the purpose of giving such instruction the county board of elections shall call such meeting or meetings of the district boards as shall be necessary. The content of said meeting or meetings shall be limited solely to the instruction of district board members; lobbying or the advancement of political ends shall be prohibited. The members of the district board of each election district shall attend such meeting or meetings as shall be called for the purpose of receiving such instruction concerning their duties as shall be necessary for the proper conduct of the election. No member of any district board shall serve in any election unless he shall have received such instruction as herein provided and is fully qualified to perform the duties in connection with the election, and has received a certificate to that effect from the county board of elections; but this shall not prevent the appointment of a person as a member of the district board to fill a vacancy in an emergency, as now provided by law.

4. This act shall take effect immediately.

CHAPTER 152

AN ACT concerning the civil liability of licensed alcoholic beverage servers and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “New Jersey Licensed Alcoholic Beverage Server Fair Liability Act.”

2. The Legislature finds and declares that licensed alcoholic beverage servers face great difficulty in obtaining liability insurance coverage. Even when insurance coverage is available, drastic increases in the cost of that insurance have recently taken place, and many licensed alcoholic beverage servers are no longer able to afford liability insurance coverage.

This lack of insurance adversely affects not only the licensed alcoholic beverage servers themselves, but also patrons and third persons who suffer personal injury and property damage as a result of the negligent service of alcoholic beverages by a licensed alcoholic beverage server.

In order to make it economically feasible for insurance companies to provide coverage, the incidence of liability should be more predictable. That predictability may be achieved by defining the limits of the civil liability of licensed alcoholic beverage servers in order to encourage the development and implementation of risk reduction techniques.

This act has been designed to protect the rights of persons who suffer loss as a result of the negligent service of alcoholic beverages by a licensed alcoholic beverage server while at the same time providing a balanced and reasonable procedure for allocating responsibility for such losses. It is anticipated that this act may result in the improvement of the alcoholic beverage liability insurance market in this State.

3. As used in this act:

“Alcoholic beverage” means a fluid, or a solid capable of being converted into a fluid, suitable for human consumption and having an alcohol content of more than one-half of 1% by volume. The term shall include alcohol, beer, lager beer, ale, porter, naturally fermented wine, treated wine, blended wine, fortified wine, sparkling wine, distilled liquors, blended distilled liquors and any brewed, fermented or distilled liquors fit for use for beverage purposes, or any mixture of them;

“Licensed alcoholic beverage server” or “server” means a person who is licensed to sell alcoholic beverages pursuant to R.S. 33:1-1 et seq. or who has been issued a permit to sell alcoholic beverages by the Division of Alcoholic Beverage Control in the Department of Law and Public Safety;
"Minor" means a person under the legal age to purchase and consume alcoholic beverages according to P.L. 1972, c. 81 (C. 9:17B-1 et seq.);

"Person" means a natural person, the estate of a natural person, an association of natural persons, or an association, trust company, partnership, corporation, organization, or the manager, agent, servant, officer or employee of any of them;

"Visibly intoxicated" means a state of intoxication accompanied by a perceptible act or series of acts which present clear signs of intoxication.

4. This act shall be the exclusive civil remedy for personal injury or property damage resulting from the negligent service of alcoholic beverages by a licensed alcoholic beverage server. Nothing contained herein shall be deemed to limit the criminal, quasi-criminal, or regulatory penalties which may be imposed upon a licensed alcoholic beverage server by any other statute, rule or regulation.

5. a. A person who sustains personal injury or property damage as a result of the negligent service of alcoholic beverages by a licensed alcoholic beverage server may recover damages from a licensed alcoholic beverage server only if:

(1) The server is deemed negligent pursuant to subsection b. of this section; and

(2) The injury or damage was proximately caused by the negligent service of alcoholic beverages; and

(3) The injury or damage was a foreseeable consequence of the negligent service of alcoholic beverages.

b. A licensed alcoholic beverage server shall be deemed to have been negligent only when the server served a visibly intoxicated person, or served a minor, under circumstances where the server knew, or reasonably should have known, that the person served was a minor.

C. 2A:22A-6 Limitations on recovery of damages.

6. Damages may be awarded in a civil action under P.L. 1987, c. 152 (C. 2A:22A-1 et seq.) subject to the limitations set forth in this section.
a. The provisions of sections 1 and 2 of P.L. 1973, c. 146 (C. 2A:15-5.1 and C. 2A:15-5.2) shall apply in all civil actions instituted pursuant to the provisions of this act.

b. Notwithstanding the provisions of P.L. 1952, c. 335 (C. 2A:53A-1 et seq.), section 3 of P.L. 1973, c. 146 (C. 2A:15-5.3) or any other law to the contrary, in any case where a licensed alcoholic beverage server or any other party to a suit instituted pursuant to the provisions of this act is determined to be a joint tortfeasor, the licensed alcoholic beverage server or other party shall be responsible for no more than that percentage share of the damages which is equal to the percentage of negligence attributable to the server or other party.

C. 2A:22A-7 Monitoring of alcoholic beverage liability insurance market.

7. The Department of Insurance shall monitor the alcoholic beverage liability insurance market in the State following the effective date of this act. The department shall gather information and statistics on the number of insurers including surplus lines insurers, issuing alcoholic beverage insurance policies, the number of policies issued, the premiums for such policies, the number of civil actions filed in accordance with the provisions of this act, the amounts of damages awarded in civil actions or the amounts of settlements, and any other information deemed necessary in order to determine the effect of this act on the alcoholic beverage liability insurance market. The department shall issue an initial report on the information obtained to the Governor and the Legislature and make appropriate recommendations within two years following the effective date of this act and a final report within three years following the effective date of this act. The Commissioner of the Department of Insurance shall promulgate any rules and regulations pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), necessary in order to fulfill the requirements of this section.

8. This act shall take effect on the 90th day after enactment and shall apply only to personal injury or property damage which occurs after the effective date.

CHAPTER 153

AN ACT concerning municipal rent control and rent leveling ordinances and supplementing Title 40 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 2A:42-84.1 Definitions.

1. As used in this act:

a. “Completion of construction” means issuance of a certificate of occupancy pursuant to section 15 of the “State Uniform Construction Code Act,” P.L. 1975, c. 217 (C. 52:27D-133);

b. “Constructed” means constructed, erected or converted but excludes rehabilitation of premises rented previously for residential purposes without an intervening use for other purposes for a period of at least two years prior to conversion. Mere vacancy shall not be considered an intervening use for the purposes of this subsection;

c. “Constructed after the effective date of this act” means constructed pursuant to a construction permit issued on or after the effective date of this act;

d. “Constructed for senior citizens” means constructed under a governmental program restricting occupancy of at least 90% of the dwelling units to senior citizens and any members of their immediate households or their occupant surviving spouses, or constructed as a retirement subdivision or retirement community as defined in the “Retirement Community Full Disclosure Act,” P.L. 1969, c. 215 (C. 45:22A-1 et seq.);

e. “Multiple dwelling” means any building or structure and land appurtenant thereto containing four or more dwelling units, other than dwelling units constructed for occupation by senior citizens, rented or offered for rent to four or more tenants or family units;

f. “Period of amortization” means the time during which the principal amount of the mortgage loan and interest thereon would be paid entirely through periodic payments, whether or not the term of the mortgage loan is for a shorter period concluding with a balloon payment; and

g. “Senior citizens” means persons 62 years of age or older.

C. 2A:42-84.2 Rent control exemption for new dwellings.

2. In any municipality which has enacted or which hereafter
enacts a rent control or rent leveling ordinance, other than under the authority of P.L. 1966, c. 168 (C. 2A:42-74 et seq.), those provisions of the ordinance which limit the periodic or regular increases in base rentals of dwelling units shall not apply to multiple dwellings constructed after the effective date of this act, for a period of time not to exceed the period of amortization of any initial mortgage loan obtained for the multiple dwelling, or for 30 years following completion of construction, whichever is less.

C. 2A:42-84.3 Notice to tenants.

3. The owner of any multiple dwelling exempted from a rent control or rent leveling ordinance pursuant to this act, shall, prior to entering into any lease with a person for tenancy of any premises located in the multiple dwelling, furnish the prospective tenant with a written statement that the multiple dwelling in which the premises is located is exempt from rent control or rent leveling for such time as may remain in the exemption period. Each lease offered to a prospective tenant for any dwelling unit therein during the period the multiple dwelling is so exempted shall contain a provision notifying the tenant of the exemption.

C. 2A:42-84.4 Filing of owner's claim of exemption.

4. The owner of any multiple dwelling claiming an exemption from a rent control or rent leveling ordinance pursuant to this act shall file with the municipal construction official, at least 30 days prior to the issuance of a certificate of occupancy for the newly constructed multiple dwelling, a written statement of the owner's claim of exemption from an ordinance under this act, including therein a statement of the date upon which the exemption period so claimed shall commence, such information as may be necessary to effectively locate and identify the multiple dwelling for which the exemption is claimed, and a statement of the number of rental dwelling units in the multiple dwelling for which the exemption is claimed. The owner shall, at least 30 days prior to the date of the termination of the exemption period afforded pursuant to this act, file with the municipal construction official a notice of the date of termination of the exemption period for the affected multiple dwelling.

C. 2A:42-84.5 Exemption applicable to all forms of rent control.

5. It is the intent of this act, that the exemption from rent control or rent leveling ordinances afforded under this act shall apply to any form of rent control, rent leveling or rent stabilization, whether adopted now or in the future, and by whatever name or title adopted, which would limit in any manner the periodic or regular increases...
in base rentals of dwelling units of multiple dwellings constructed after the effective date of this act. No municipality, county or other political subdivision of the State, or agency or instrumentality thereof, shall adopt any ordinance, resolution, or rule or regulation, or take any other action, to limit, diminish, alter or impair any exemption afforded pursuant to this act.

C. 2A:42-84.6 Public policy declaration.

6. It is the intent of this act to establish an experimental program whereby the construction of multiple dwellings in this State shall be encouraged, and the marketability of those multiple dwellings shall be maintained, to the greatest extent economically possible, through the exemption by law of newly constructed multiple dwellings from rent control, rent leveling and rent stabilization ordinances. The Legislature, therefore, declares it to be public policy of this State that, within the limitations imposed by this act, the exemptions granted under this act shall not be limited, diminished, altered, or impaired during the period of exemption afforded, in order to maintain in this respect a predictable environment within which the financing, construction and marketing of new multiple dwellings can occur, and to permit the Legislature to evaluate the results of the experimental program after a specified period of time during which the program shall have been given a fair opportunity for success, and during which the coherence of the statutory scheme establishing the program has been preserved.

7. This act shall take effect immediately, and shall expire five years following enactment, but the expiration of this act shall not affect any multiple dwelling for which an exemption from a rent control or rent leveling ordinance was afforded prior to the expiration date, but the period of exemption so afforded shall continue for the full period afforded under this act.

Pharmaceutical Assistance to the Aged and Disabled—
claims ........................................ (58,468,000)

Additions, Improvements and Equipment ....................... (79,000)

The amounts hereinabove appropriated for payments for Pharmaceutical Assistance to the Aged and Disabled, P.L. 1975, c. 194 (C. 30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Notwithstanding any State law to the contrary, any private health insurance carrier writing health insurance policies in the State shall permit the Division of Medical Assistance and Health Services to match its Medicaid Eligibility file against any private health insurance carrier's policyholder file.

Notwithstanding the provisions of paragraph (7) of subsection i. of section 3 of P.L. 1968, c. 413 (C. 30:4D-3i.(7)), the division shall comply with the provisions of Pub.L. 97-248, 42 U.S.C. §1396p.(c), which allows the State to deny Medicaid eligibility to individuals who divest themselves of their assets in order to obtain Medicaid benefits. The amount of the uncompensated value of the transferred asset shall be counted toward the resource maximum for 24 months from the date of disposal. If the uncompensated value of a transferred resource, combined with all other countable resources, does not exceed the applicable resource maximum, and all other eligibility requirements are met, the individual may be determined eligible for Medicaid benefits.

All funds recovered under P.L. 1968, c. 413 (C. 30:4D-1 et seq.) during the fiscal year ending June 30, 1988 are appropriated.

Notwithstanding the provisions of P.L. 1981, c. 217 (C. 30:4D-7.2a) to the contrary, the division is authorized to seek recovery and to file a lien against the estate of a qualified applicant or eligible person, after his death, for the amount of assistance paid or to be paid on his behalf under the “New Jersey Medical Assistance and Health Services Act,” P.L. 1968, c. 413 (C. 30:4D-1 et seq.), if the amount sought to be recovered is $500 or more, and the estate is $3,000 or more, and there is no surviving spouse and no surviving child who is under age 21 or is blind or permanently disabled. This recovery authority shall apply to all such re-
coveries initiated on or after July 20, 1981 from the estates of applicants or recipients who died prior to, on, or after July 20, 1981, the effective date of P.L. 1981, c. 217.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) Program, P.L. 1975, c. 194 (C. 30:4D-20 et seq.), are the last resource benefits, notwithstanding any provisions contained in a contract, will, agreement or other instrument. Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual’s eligibility for or receipt of PAAD benefits is void, and no PAAD payments shall be made as a result of any such provision.

The Division of Developmental Disabilities is authorized to transfer funds from the Dental program for non-institutionalized developmentally disabled and handicapped children account to the Division of Medical Assistance and Health Services, in proportion to the number of program participants who are Medicaid eligible.

Excess State funds realized by federal involvement through Medicaid in the dental program for non-institutionalized developmentally disabled and handicapped children are committed for the program’s support during the subsequent fiscal year, rather than for expansion.
Notwithstanding the provisions of any law to the contrary, the unex-
pended balances as of June 30, 1987 in the tuition receipt ac-
counts established pursuant to P.L. 1979, c. 207 (C. 18A:7B-1
et seq.) in the various departments are appropriated for educa-
tion related transportation costs and other day training related
costs in the Division of Developmental Disabilities in such
amounts as the Director of the Division of Budget and Account-
ing shall determine to be necessary; except that such amounts
shall not be in excess of $1,000,000.

In addition to the federal funds appropriated in this act, there are appropriated the following funds, subject to allotment by the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required except, for the purpose of
this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; grants to State colleges, Rutgers, The State University, the University of Medicine and Dentistry of New Jersey, and the New Jersey Institute of Technology for research or other scholarly activity not related to expansion of course curricula; and Basic Educational Opportunity Grants (Pell Grants), Supplemental Educational Opportunity Grants, National Direct Student Loans, and College Work Study Funds in excess of the amount specifically appropriated, except that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of these grants; and all other grants of $200,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, county or municipal authorities, regional authorities or districts other than interstate authorities or districts; "discretion" refers to any action in which an agency may determine either the amount of funds to be allocated or who receives the allocation; and "grants" refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The accounts receivable balances as of June 30, 1987, of federal funds are reestablished and appropriated for the same purposes, the expenditure of which shall be subject to the approval of the Director of the Division of Budget and Accounting who shall inform the Legislative Budget and Finance Officer by September 1, 1987 of accounts receivable balances which are established and reappropriated.

The unexpended balances as of June 30, 1987, of federal funds are appropriated for the same purpose. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 1987 of any unexpended balances which are reappropriated.

The Director of the Division of Budget and Accounting shall promulgate and enforce uniform accounting procedures applicable to all State agencies receiving and expending federal funds.

The appropriate executive agencies shall prepare and submit to the Senate Revenue, Finance and Appropriations Committee and
the Assembly Appropriations Committee, or their successors, by March 1, 1988, reports on proposed expenditures during fiscal year 1989 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the job training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities grant; and the social services block grant. The amounts hereinabove appropriated are available, subject to the approval of the Director of the Division of Budget and Accounting, for the payment of obligations and the reimbursement of expenditures applicable to prior fiscal years.

There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 1987 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

6. There are appropriated such sums as may be required for the collection of debts owed to the State, subject to the allotment by the Director of the Division of Budget and Accounting.

7. The unexpended balances as of June 30, 1987 in the accounts of the several departments and agencies heretofore appropriated or
established in the category of Additions, Improvements and Equipment are appropriated.

8. Unless otherwise provided, balances remaining as of June 30, 1987 in accounts of appropriations enacted subsequent to April 1, 1987 are appropriated.

9. In order that there be flexibility in the handling of appropriations, any department or agency, except the Legislature, receiving an appropriation by any act of the Legislature may apply to the Director of the Division of Budget and Accounting for permission to transfer a part of any item granted to such department or agency to any other item in such appropriation; providing that such transfer is not between or among a State Aid, Direct State Services, Capital Construction or a Debt Service account, except as hereinafter provided. Such application shall be made only during the current year for which the appropriation was made. If the Director of the Division of Budget and Accounting shall consent thereto, he shall place the amount transferred to the credit of the item designated and notify the Legislative Budget and Finance Officer upon the effective date thereof. In all cases where, by the provisions of this act, a request for transfer or allotment of any funds, or any other action, requires approval of the Legislative Budget and Finance Officer, the request shall be deemed to be approved by the Legislative Budget and Finance Officer, if, within 20 working days of the physical receipt of the request, the Legislative Budget and Finance Officer does not disapprove the request and so inform the requesting officer. Except as otherwise provided, no sum appropriated for any capital improvement shall be used for maintenance or for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance. However, any item for capital improvement may be transferred to any other item of capital improvement. Transfers or allotments between or among State Aid, Direct State Services, Capital Construction, or Debt Serv-
vice accounts may be made only if approved by the Legislative Budget and Finance Officer at the direction of the Joint Budget Oversight Committee or its successor. The Joint Budget Oversight Committee or its successor is empowered to review all transfers submitted to the Legislative Budget and Finance Officer and may direct said Legislative Budget and Finance Officer to approve or disapprove any such transfer.

10. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and he is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting is empowered and it shall be his duty in the disbursement of funds for payment of expenses classified as employee benefits, debt service, rent, leased telephone, motor pool, insurance, postage, lease payments on equipment purchases and compensation awards to credit or transfer to the Department of the Treasury, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source as the Director of the Division of Budget and Accounting shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

12. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in
accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefor, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursements and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

13. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

14. 15. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

16. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

17. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in his custody, deposited with him pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds whose statutes provide for interest earnings to accrue to the fund, all such transfers shall be without interest. When the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State’s general investments.
18. Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting shall be transmitted to the Department of the Treasury for credit to the General Fund; provided, however, that a portion of the indirect and administrative cost recoveries received which are in excess of the amount anticipated may be reclassified into a dedicated account and returned to State departments and agencies, as determined by the Director of the Division of Budget and Accounting, who shall notify the Legislative Budget and Finance Officer of the amount of such funds returned, the departments or agencies receiving such funds and the purpose for which such funds will be used, within 10 working days of any such transaction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.

19. Notwithstanding the provisions of P.L. 1954, c. 48 (C. 52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium and New Jersey Education Computer Network (NJECN) as if they were State government agencies pursuant to subsection (a) of section 5 of P.L. 1954, c. 48 (C. 52:34-10); provided, however, that any expenditure with NJECN shall be subject to the prior approval of the Director of the Division of Budget and Accounting.

20. The Director of the Division of Budget and Accounting may settle any claim not exceeding $250 due and owing to the State.

21. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $1,000 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget and Finance Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $1,000, which has been denied or not recommended by the head of such department, shall be precluded from presenting said claim to the Legislature for consideration.

22. The unexpended balances as of June 30, 1987 in any account which represent funding from the Inter-Departmental Accounts for
the continuation and expansion of data processing systems are appropriated for the same purpose.

23. Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or his designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which he deems improper.

24. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from the fund. Such receipts shall be forwarded monthly by such custodian, to the Director of the Division of Budget and Accounting for audit, and said director shall likewise make regulations governing disbursement from petty cash funds.

25. The Legislative Budget and Finance Officer, with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the presentation of the Governor’s Budget Recommendation Document dated February 2, 1987.

26. Receipts in excess of those anticipated from employee maintenance deductions are appropriated for the purpose of maintenance of employee housing units, subject to allotment by the Director of the Division of Budget and Accounting.

27. State agencies shall prepare and submit a timely copy of their departmental budget requests, budget planning documents and spending plans involving all State, federal and other non-State funds to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer, including quarterly updated spending plans on January 1 and April 1, 1988. The spending plans shall account for any changes in departmental spending which differ
from this appropriation act and all supplements to this act. The plans
and requests shall be submitted on forms specified by the Director
of the Division of Budget and Accounting.

28. The Director of the Division of Budget and Accounting is
empowered to transfer or credit appropriations to any State agency
for services provided, or to be provided, by that agency to any other
agency or department; provided further, however, that funds have
been appropriated or allocated to such agency or department for the
purpose of purchasing these services.

29. The Director of the Division of Budget and Accounting shall
provide the Legislative Budget and Finance Officer with copies of
all BB-4s, Application for Non-State funds, and accompanying proj-
et proposals or grant applications, with the exception of research
grants awarded to State colleges, which do not require a State match
and which will not commit or require State support after the grant's
expiration, prior to the director's approval or disapproval of the
application.

30. As a result of taxpayer reactions to changes in the federal
Internal Revenue Code, made by the "Tax Reform Act of 1986,"
Pub.L. 99-514 (26 U.S.C. §1 et seq.), it is apparent that receipts
recently collected under the "New Jersey Gross Income Tax Act,"
N.J.S. 54A:1-1 et seq., are far in excess of the level of receipts
reasonable of anticipation, and that this level of receipts should not
be available as State resources for expenditure until the effects on
fiscal year 1988 revenues are more clearly determined. In the interest
of sound fiscal policy it is incumbent upon the State government to
reserve such amounts pending that determination. Therefore, the
balance in the Property Tax Relief Fund resulting from gross income
tax revenue collections for fiscal year 1987 in excess of
$2,320,000,000.00 is set aside as a designated restricted balance
within the Property Tax Relief Fund and that balance shall not be
anticipated as part of resources available for appropriation for fiscal
year 1988 except as may be otherwise provided by law.

31. This act shall take effect July 1, 1987.

*Reduced by line-item veto of the Governor. See statement follow-
ing.
I am today returning Senate Bill No. 3401 with my signature, along with certain constitutionally permitted modifications set forth in the statement appended thereto.

This budget is basically the one which I delivered to the Legislature on February 2, 1987. It is responsible and prudent. It invests wisely in our continued growth and prosperity. This budget will provide:

- A total of $5.2 billion in State aid to ease the pressure on local property taxes, including $3.2 billion in school aid, an increase of $252 million from last year. This is the second largest increase in history and is by far the single largest increase in the budget. Since I have been in office we have invested $4.5 billion in new money for education.

- An increase of over $200 million for the Department of Human Services for a total State commitment of $2.1 billion. These funds, together with almost $1.5 billion in federal dollars, will permit us to expand significantly our services to the elderly, the disabled and the poor. Some of the most significant improvements to be made include:
  - the reform of our welfare system through the REACH program;
  - the initiation of a counseling program for troubled teenagers;
  - the expansion of services for over 10,000 homeless families;
  - an expansion of community services for the mentally ill and developmentally disabled; and
  - the significant expansion of health care, particularly for the aged, disabled and pregnant women.

- An increase of over $60 million for the operation of correctional facilities to meet the increase in the number of inmates incarcerated in State and county facilities.

- An increase of $42.3 million for a total appropriation of almost $900 million for our public colleges and universities. We are expanding our challenge grants to community colleges, Rutgers, New Jersey Institute of Technology and the University of Medicine and Dentistry of New Jersey, as well as continuing our challenge grant program for State colleges and providing ad-
ditional funding to strengthen minority recruitment and retention.

- A pay-as-you-go capital program of more than $355 million, including $40 million for hazardous waste cleanup activities.

This budget also includes smaller but just as critical increases in State support for mass transit, treatment and research of AIDS, cultural activities, aid to families in distress, and drug education and treatment.

I appreciate the cooperation of the Legislature, particularly the Appropriation Committees of the Senate and Assembly and their respective chairmen in providing the necessary tools for State government to operate in an efficient and effective manner. They have taken my basic recommendations, fine-tuned them and added some enhancements of their own. While the Legislature and I may disagree on certain of the modifications made to this budget, the end product of their deliberations, with certain revisions I now make, is one that serves the State and its citizens well. The process has worked.

My single major disappointment in terms of long-term budget planning is the absence of any Legislative agreement on a stable funding source for the maintenance of the State's natural resources and for the construction of the needed transportation projects. All agree a solution must be found and I pledge to continue to work with the Legislature to provide stable resources for these vital programs. The $58 million appropriation for transportation projects provided in this budget together with an increase in the bonding capacity of the Transportation Trust Fund Authority will permit a transportation program of only $323 million in State funds and $480 million in federal funds for a total capital construction program of $803 million for fiscal year 1988; there is no provision for subsequent years. This is a bare bones, stop-gap program. We must continue our efforts to fund a permanent solution. The crisis still looms close at hand; the day of reckoning has merely been postponed.

However, on balance, I am most pleased to sign into law this budget for fiscal year 1988. It is a wise investment in our future and an investment which maintains the State's fiscal integrity and prudent financial practices.

Pursuant to C. 52:27B-26, I direct that expenditures be permitted under these appropriations only upon determination by the Director of the Division of Budget and Accounting that federal funds to support any expenditure are receivable or have been received by the State.

SUMMARY

This appropriation bill, with my line item veto adjustments,  
provides a spending plan for fiscal year 1988. The total appropriation  
for all State funds is $10.397 billion, an increase of approximately  
$1 billion over the fiscal year 1987 adjusted appropriation. This  
appropriation is less than the amount recommended by the Legis- 
lature by approximately $61.7 million.

More than half of the budget is directed to State aid to local  
governments, with the largest single State aid appropriation being  
$3.2 billion for aid to local school districts—$252 million more than  
is currently funded. The second largest increase is $62.5 million to  
provide needed health services for the poor, the elderly and the  
disabled. More importantly, the Medicaid appropriation will permit  
the State to take advantage of new federal regulations to expand  
further our health services for the elderly, the disabled and pregnant  
women.
The third largest increase is $60 million for the operation of correctional facilities to meet the increase in the number of inmates maintained in State and county facilities. Other significant increases in the budget are for community programs for youth; for the mentally ill and for the developmentally disabled; for environmental programs; for aid to distressed cities; for aid to the homeless; and for improvements in the State's welfare programs.

This budget is consistent with my belief that a budget of $10.4 billion must have an adequate surplus. This budget provides for an undesignated fund balance in the General and Property Tax Relief Funds of $269 million, and $93.7 million in the Casino Revenue Fund.

I have reduced funds for the following programs in the amounts indicated for the stated reasons.

**"DIRECT STATE SERVICES"**

**Department of Agriculture**

$50,000 The Legislature added $100,000 to an existing appropriation of $431,000 for Grants to Soil Conservation Districts. An increase of $50,000 will provide sufficient funds to expand this program.

100,000 Funds for the Non-Point Source Pollution Program are eliminated. This program would be duplicative as the State Department of Environmental Protection has several pollution control programs which include non-point source pollution, as well as the enforcement powers necessary to control pollution.

100,000 Funds for Agriculture in the Classroom are eliminated. The intent of this program is to interest children in farming by developing curricula toward this end. The development of curricula should be a responsibility of local Boards of Education and the State Department of Education.

**Department of Commerce and Economic Development**

$25,000 This provides funds for the Governor's Commission on International Trade. The enabling statute requires the Department to provide for incidental costs associated with the Commission's activities. The reduced amount along with existing Departmental appropriations is sufficient to meet necessary expenses of the Commission.
250,000  This provides funds for an Advanced Manufacturing Engineering Systems Center. This item is currently being reviewed by a peer review council and no final report has been submitted or definitive action taken by the Commission on Science and Technology to support this request. Any funding commitment should await the Commission's recommendation.

**Department of Corrections**

$1,500,000  These funds were added for the Purchase of Service for Inmates Incarcerated in County Penal Facilities—Accelerated Reimbursement Program, which would reimburse the counties beginning with the 11th day of inmate incarceration as contrasted to the current 16th day. This is in conflict with existing statutes and is eliminated for that reason. Any amendment to the statutes should be considered in separate legislation. Also, 15 days is not an excessive period to allow for the State to either move the inmates to State facilities or to begin to pay.

**Department of Education**

$100,000  The amount remaining after the veto provides funding for the Martin Luther King Jr. Commemorative Commission at a level of $50,000 greater than provided in fiscal year 1987. Also, given that the fiscal year 1987 appropriation contained one-time funding for the establishment of a lasting memorial to Dr. King, this, in effect, provides an increase of $100,000 for operational costs—a 66 percent increase over fiscal year 1987. In addition, carry-forward language has been added which will make available additional resources to meet operational costs.

**Department of Energy**

$450,000  This line item would provide public funding to WNET. WNET is a New Jersey based FCC licensee and has certain responsibilities and obligations as a licensee to this State. Before State monies are made available to WNET, there should be a clear commitment on the part of WNET to fulfill its obligation to New Jersey.

55,000  This would fund a grant to WBGO, the public radio station in New Jersey, located in Newark. There has been a grant to WBGO for several years. In fiscal year
1986 $60,000 was appropriated. In fiscal year 1987 $30,000 in capital construction funds and an operating grant of $30,000 were appropriated. If the $30,000 operations grant is continued this year, $75,000 will be available for operating costs, an increase of $45,000 over fiscal year 1987.

**Department of Environmental Protection**

$600,000 These funds would be used to expand the New Jersey Pollution Discharge Elimination System (NJPDES) program by establishing twenty (20) new positions in the compliance monitoring unit. This program is totally supported by fees derived from industrial discharge permits, and is scheduled for a fee increase in FY 1988 to generate an additional $7.0 million. The growth in fees anticipated for this program can be assigned to increase compliance monitoring activities within this program.

$250,000 These funds would be used to expand the enforcement unit within the Worker and Community Right to Know program by establishing new positions. This program has been entirely supported by industry assessments, with $1.2 million allocated to the Department of Environmental Protection in FY 1988 to fully fund their responsibilities under the legislation. This represents an increase of $640,000 or 53% over the FY 1987 funding level.

$650,000 These funds would be used to hire additional personnel to reduce a 500 case backlog in permit applications and increase the frequency of control inspections within the air pollution control program. The air pollution control program is presently supported from a combination of funding sources, including State, federal and fees derived from air permit applications. These air permit fees have been growing rapidly, with in excess of $4.0 million anticipated in FY 1988. This represents a $1.0 million or 33% increase from current year levels. This growth in fees can be allocated to reduce both the permit backlog and expand the control inspections within this program.

$448,000 This reduction reflects a contractual agreement between the Department of Environmental Protection
and Trump Associates for the lease of Farley Marina in Atlantic City. Since the State will no longer be obligated to provide for the maintenance and security of this marina under the terms of the contract, this decrease represents those amounts which were appropriated for this purpose.

**Department of Health**

$25,000  This leaves $75,000 for a grant to MCOSS Nursing Services, Inc. The Department of Health has $4.5 million in the budget for maternal and child health programs. If this program requires additional support, it should apply to the Department of Health for a competitive grant.

$50,000  This item provides a grant to the John F. Kennedy Medical Center in Edison for a compulsive gambling treatment program. The Governor's budget increased the compulsive gambling account $75,000 to $275,000 in fiscal year 1987. With the amount added by the Legislature, this act gives an increase of $90,000 in fiscal year 1988 bringing the total to $365,000. This Center traditionally has been funded through appropriations made to the Division of Alcoholism.

$50,000  This leaves $50,000 for a grant to the Somerset County Council on Alcoholism. The Governor's budget includes $4,000,000 for alcohol treatment and education to 40 facilities. Another $8,500,000 is available from the Alcohol Education, Rehabilitation and Enforcement Trust Fund. The Somerset County Council on Alcoholism may submit an application to the Department of Health and apply for additional funding on a competitive basis.

**Department of Higher Education**

$1,000,000  These funds would have provided for full funding of the Independent Colleges and University Assistance Act. This reduction leaves an appropriation of $21,245,000 for this program which reflects an increase of $3.1 million over the current year's appropriation. It increases the present level of State support from 91% to 95.5% of full funding of the formula.

140,000  These funds are for a librarian and other related costs at Glassboro State College—Urban Campus. The fiscal
year 1988 appropriation already provides an increase of $907,000 for the college, from which funds can be reallocated for this purpose.

250,000 These funds would be used to renovate laboratories at the Agricultural Experimental Station; the fiscal year 1988 appropriation already includes an increase of $750,000 to initiate the renovation project.

**Department of Human Services**

$60,000 This would provide funding to the Irvington Mental Health Center. This facility is currently one of 120 agencies under contract with the Department of Human Services to provide community mental health services and received $166,869 in fiscal year 1987. The budget includes over $65 million for community mental health programs. The agency should submit an application for funding to the Department of Human Services; it should not receive a direct appropriation which circumvents the grant process.

86,000 This would fund additional positions for the Bureau of Special Residential Services in the Department of Human Services to be used in the youth residential centers. These positions should be included in contracts with providers of services for which funding has been included in the budget.

40,000 This would provide funding in the area of early intervention with children with developmental disabilities in Hudson County. An appropriation of $50,000 is included in the budget for this agency. Additional funding may be available and should be sought through the Department of Human Services' competitive grant award process.

250,000 This would allow the Commission for the Blind and Visually Impaired to continue funding for the central non-profit agency which implements the Commodities and Services Council and State Use Law. Assembly Bill 1826, which was recently signed into law, provided a supplemental appropriation for this program. These funds will carry forward into fiscal year 1988 to support this program.

70,000 This would provide a grant to Recording for the Blind. Funding for programs to assist the blind is included in
the Commission for the Blind's budget. A grant may be available for these services if the agency applies to the Commission and if the proposal meets the Commission's priorities.

2,000,000 This budget provides substantially increased funding for expansion and development of locally-based programs offering a range of preventive and supportive services for families. County Human Services Advisory Boards' funding represents an increase of 18 percent over fiscal year 1987.

25,000 This provides a specific grant for the Martin Luther King Youth Center. The budget includes $25,000 for the Center and over $82 million for social services, a more than 9 percent increase. It is recommended that the agency apply to the Division of Youth and Family Services for a competitive grant to meet any additional needs.

50,000 This provides a direct grant to Project LIFT. This project is currently funded through a $95,000 State aid contract. It is recommended that the agency apply to the Division of Youth and Family Services for a competitive grant to meet its needs.

211,000 This funding would allow the Division of Veterans' Services to establish a halfway house for homeless veterans. Funds for homeless persons are included in Community Affairs ($3.8 million), the Division of Youth and Family Services ($4.35 million), and in a Public Welfare initiative of $8.7 million to prevent homelessness through Emergency Assistance. Homeless veterans may receive services through these programs.

Department of State

$60,000 This leaves $60,000 for the Trenton Visual Art Center.

60,000 This leaves $75,000 for the Arts Foundation of New Jersey. Since fiscal year 1985 through fiscal year 1987, this organization has received an annual grant-award in the amount of $15,000.

Department of Transportation

$25,000 This amount would supplement $30,000 in federal assistance within the current Operation Lifesaver Pro-
gram, which provides educational materials to the public concerning the hazards of freight railroad and highway crossings. New Jersey Transit will spend about $150,000 on a commuter rail safety program in FY 1988. This is sufficient funding.

200,000 Provides for a joint DOT/DEP study of the potential use of ground rubber tire as a road construction material. This proposal may have merit; however, feasibility studies will be available from other states and it is not necessary for New Jersey to duplicate these efforts.

"STATE AID"

Department of Community Affairs

Many of the items listed below represent special aid to municipalities or non-profit organizations which have no relationship to need. The allocation of State aid based upon need, as in the Distressed Cities Program, is a better way to allocate State resources. These items have been vetoed partially or in total because the need has not been justified.

$325,000 This would provide an additional $325,000 to the Relocation Assistance for Fire Victims program. This increase is based upon the local government not sharing in the relocation costs for this particular segment. This program can accomplish its goals at its current level of funding, if locals continue to participate.

15,000 This would fund an anti-graffiti program in the City of Camden. Many cities throughout the United States have utilized the resources of community groups and area businesses to address this problem.

75,000 This would provide funds to the Municipal Clerks Training Program. The training of the Tax Collectors and the Finance Officers is supported by the State because of demonstrated need. The need for the State to fund this training program has not been established.

450,000 This item is reduced to $1,750,000. The remaining appropriation is an increase of $500,000, or 40 percent, over current funding for Legal Services. We are disturbed by the fact that New Jersey's legal community
contributes less than 3 percent of Legal Services' overall budget. If there are to be future increases in this item there must be a corresponding demonstration of increased financial commitment on the part of the private bar.

50,000 These funds would be targeted for the towns of Barrington, Bellmawr and Somerville for recreational facilities. These towns should seek funding for these projects through municipal fund raising efforts.

100,000 A grant would be provided to the Institute for Citizen Involvement in Education at Rutgers University. A program such as this should not be budgeted in this Department because it does not coincide with the objectives of the Department of Community Affairs. This program should continue to be supported through the efforts of Rutgers and the communities involved in the program.

20,000 This item is reduced to $60,000. The remaining appropriation will continue funding to La Casa de Don Pedro at the fiscal year 1987 level.

18,000 This item is reduced to $50,000. The remaining appropriation will enable the Newark YMCA/YWCA to continue providing the educational, cultural, and social programs to the surrounding community.

50,000 This item is reduced to $50,000. This grant will be provided to ASPIRA of Trenton to provide such services as an early intervention program. This appropriation should enable this group to operate while it seeks additional private donations.

**Department of Education**

$5,000 This is a direct grant to a non-profit program that provides literacy services to adults. Given that State and federal funds are available on a competitive basis to programs serving illiterate adults and Focus on Literacy is eligible to receive grants from these existing sources, direct State funding is reduced to the level provided in fiscal year 1987.

500,000 The remaining funds represent an increase of $1.5 million over fiscal year 1987 when no funding was
provided and will be utilized to support those schools offering true job training programs.

226,000 Funding added by the Legislature for Library Network Aid is reduced to the level requested by the Department. The remaining funds represent an increase of $773,000 over the fiscal year 1987 level. Given the recent consolidation of area library, research library and network aid, some lowering of costs should be expected.

50,000 Funding added by the Legislature for Library Development Aid is reduced to the level requested by the Department. The remaining funds represent an increase of $400,000 over the fiscal year 1987 level which will be utilized to continue and expand the current program operations.

Department of Environmental Protection

$40,000 These funds would provide for the rehabilitation and silt removal for Alberta Lake in Neptune Township. Additional funding should be sought from private or local government contributions. The budget contains funding for approximately 50 percent of projected costs.

130,000 These funds would provide for the rehabilitation of Wesley Lake. The remaining funds should cover approximately 50 percent of estimated project costs. Additional funding should be sought from private or local government contributions.

100,000 These funds would provide for the repair of the outfall pipe to prevent local flooding at Lake Como. Additional funding should be sought from private or local government contributions. The budget contains funding for about one-half of the projected costs.

50,000 These funds would provide for the dredging and bulkhead replacement at Sylvan Lake. The budget contains $50,000 to be applied against the total project costs estimated at $100,000. Additional funding should be sought from private or local government contributions.

15,000 This leaves $10,000. These funds provide for additional improvements and for the construction of a junior mu-
seum at Monmouth Museum. Additional funding should be sought from private or local government contributions.

15,000 This leaves $10,000. These funds provide for capital improvements at the Long Branch Community Club. Additional funding should be sought from private or local government contributions.

15,000 This leaves $10,000. These funds provide for capital improvements and repairs to the Manasquan Railroad Station Museum. Additional funding should be sought from private or local government contributions.

15,000 This leaves $10,000. These funds provide a direct grant to the Spring Lake Historical Society to offset operating expenses. Additional funding should be sought from private or local government contributions.

5,000 This leaves $10,000. These funds provide the restoration of Strauss Museum, operated by the Atlantic Highlands Historical Society. Additional funding should be sought from private or local government contributions.

Department of Higher Education

$100,000 These funds would be used for an Urban Educational Center at Union County College. An increase of $6.1 million is included in the FY 1988 appropriation for Operating Aid to County Colleges. Union County College is eligible for funding from this source. It is not appropriate to provide a separate appropriation.

Department of Labor

$50,000 This proposed funding for the Job Transportation program is deleted in its entirety. This program was funded in fiscal year 1982 but discontinued because of underutilization and cost inefficiencies.

Department of State

$1,493,000 The District Election Worker Increase appropriation is deleted in its entirety. The Governor conditionally vetoed S-1570 in December, 1986 which would have required the State to fund a $25.00 increase for every district election worker. The amended version of the
bill requiring counties to fund this increase became law on June 26, 1987, P.L. 1987, chapter 151.

**Department of the Treasury**

$30,000,000  This item would increase funding in the Municipal Purpose Tax Assistance Fund from $30 million to $60 million. The additional $30 million, pursuant to language proposed in the bill, would not be distributed to municipalities until calendar year 1988. The Legislature's laudable purpose in increasing MPTAF funding by $30 million is to avoid a municipal fiscal crisis in calendar year 1988. However, this proposed increase in municipal aid (a) is not of sufficient amount to meet the likely fiscal needs of our municipalities during calendar year 1988, (b) is based on a mechanistic formula approach rather than a "needs based" approach as is our Distressed Cities program (P.L. 1987, c. 75), and (c) does not provide a long range solution to the problems of municipal fiscal distress. All three components must be present in any municipal aid plan to be acceptable. So, while I commend the Legislature for acknowledging this problem and recommending a solution, the solution it has proposed is flawed and cannot be accepted.

6,500,000  These monies are directed to towns which have State owned property within their borders and also to municipalities who are not qualified to receive funding under MPTAF. Again, this type of funding proposal is unacceptable for the reasons stated above.

7,500,000  This is intended to offset local costs associated with recent amendments to the Police and Fireman's Consolidated Pension Fund (P.L. 1987, chapter 128). Those amendments increased benefits by about $9 million and COLA costs by $7.5 million. In accordance with the pre-existing formula, the State is responsible for benefits; the local employer for COLA costs. The cost division is permanent law and should not be altered in the Appropriations Act.

350,000  This would provide additional in lieu of tax payments to the Township of Ewing. Under a special provision, Ewing currently receives $350,000. This amount is not
pro-rated as are the payments to the other municipalities. Under the general formula, Ewing is entitled to receive only $275,000 even at full funding. This item is not supported because Ewing would receive these funds above the current level and Ewing is already treated in a "special" manner.

Language

This language applies to the Municipal Purpose Tax Assistance Program. The language has direct correlation to the appropriation and the distribution of the $30,000,000 in additional funds to the Municipal Purpose Tax Assistance Fund. Since the additional funds for this program have been eliminated, this section of language is no longer necessary.

Language

This language is related to the additional $6,500,000 for the Municipal Services Assistance Program that has been deleted in its entirety. Since this line item has been deleted, this language is no longer necessary.

"CASINO REVENUE FUND"

Department of Community Affairs

$1,000,000 This deletes the recommended appropriation to the Expansion of the Meals on Wheels program. With the recent enactment of S-2662 (P.L. 1987, chapter 133), this same program will receive $1.0 million from the Casino Revenue Fund. With the signing of this legislation after April 1, 1987, the funds are carried forward and can be used in fiscal year 1988, to provide these services on weekends and holidays.

Department of Human Services

The Legislature has proposed in the appropriations bill presented to the Governor to expand eligibility for the PAAD Program to approximately 6,400 persons who are classified as disabled under definitions contained in the Railroad Retirement Act, regulations of the United States Civil Service Commission and the Veterans Administration. Presently social security definitions are the criteria used to determine PAAD eligibility. The merits of this proposed program expansion should be debated in the context of separate legislation rather than included in the Appropriations Act.
$100,000  This would provide for additional administrative costs to the Pharmaceutical Assistance for the Aged and Disabled (PAAD) program because of the proposed expansion of the program. Since the expansion is not approved the funds are not needed.

1,600,000  This would provide for additional prescription drugs for persons eligible for the Pharmaceutical Assistance for the Aged and Disabled (PAAD) program as a result of expansion of disability definitions. These funds are not necessary absent expansion.

78,000   This would provide for additional administrative costs for the Lifeline program resulting from expansion of disability definitions under the Pharmaceutical Assistance for the Aged and Disabled program (PAAD). Persons qualifying for PAAD are eligible to apply for lifeline. Since the expansion is not approved, the funds are not necessary.

1,452,000  This would provide for additional Lifeline credits for persons eligible for Lifeline as a result of expansion of disability definitions under the Pharmaceutical Assistance for the Aged and Disabled (PAAD) program. Persons qualifying for PAAD are eligible to apply for Lifeline. Since the expansion is not approved, the funds are not necessary.

"LANGUAGE" (OTHER)

Department of Community Affairs
Language for Relocation Assistance program has been deleted. This language would have eliminated the requirements of a local match.

Department of Corrections
Language specifying that appropriated funds be used to reimburse counties for inmate incarceration beginning with the 11th day of inmate incarceration instead of the current 16th day is eliminated. This language would be in conflict with an existing statute and is eliminated for that reason. Any amendment to the statute should be considered separately.
**Department of Education**

The Legislature proposed an either/or funding methodology which is complex and would be administratively burdensome. The veto establishes a simple formula for reimbursement, namely 75 percent of reasonable costs incurred.

**Department of Environmental Protection**

The amount provided from the Spill Compensation Fund for emergency response activities is reduced from $2,000,000 to $1,500,000, an amount sufficient to fully operate this program. The Department of Environmental Protection can continue to utilize federal and other non-State monies designated to support this program.

As a result of a contractual agreement between the Department of Environmental Protection and Trump Associates for the lease of Farley Marina, the State is no longer obligated to provide for the maintenance and security of this facility. This reduction corresponds to a decrease in the appropriation.

The deleted language will maximize the flexibility necessary for historic renovations at Waterloo Village.

**Department of Labor**

Language which would draw down an additional $4 million from the Unemployment Insurance Auxiliary Fund is modified to reduce the amount to $4,409,000. This fund may not have sufficient resources to support an additional $4 million in fiscal year 1988 due to declining balances.

**Department of Human Services**

This restricts the usage of expanded low income day care funding to increase wages of day care center employees, meet staff deficiencies, and provide transportation services. Additional funding was included in the budget in order to increase the capacity of the State's day care services. This language is inconsistent with that intent and is vetoed accordingly.

This veto deletes the proposed language expanding eligibility for the PAAD and Lifeline programs. As stated above, any program expansion should be considered in the context of separate legislation.
Department of the Public Advocate
Language which requires reduced expenditures by Rate Counsel if receipts are less than anticipated is deleted. Due to utilities challenging bills and not paying, this language provision must be deleted.

Department of Transportation
Language which provides for a joint study of the use of ground tire as a road construction material is deleted, as the appropriation has also been deleted. The information should be obtained from other states.

The total authorization of State dollars for the Transportation Trust Fund is reduced by $135,000,000, from $458,000,000 to $323,000,000. This amount reflects the funding level made possible by the appropriations made in this bill and amendments to the Transportation Trust contained in S-2210 which now awaits action by the Governor.

“GENERAL LANGUAGE”
Section 27 The budget planning documents are internal communications between the Governor and Agency Heads. They do not represent part of the Governor’s formal budget submission to the Legislature. The Budget forms provided to the Office of Legislative Services include all the information required under State statute.

As always, I stand ready to work with the Legislature to address the needs of our great State.

Respectfully,

Thomas H. Kean
Governor
CHAPTER 155

A SUPPLEMENT to "An act making appropriations for the support of the State government and the several public purposes for the fiscal year ending June 30, 1987, and regulating the disbursement thereof," approved June 30, 1986 (P.L. 1986, c. 41).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Upon certification by the Director of the Division of Budget and Accounting in the Department of the Treasury that federal funds to support the expenditure listed below are available, the following sum is appropriated for the purpose specified:

   FEDERAL FUNDS
   30 DEPARTMENT OF DEFENSE
   10 Public Safety and Criminal Justice
   14 Military Service

02-3600 Management of National Guard Installations ......................... $506,200
Special Purpose:
   Operation and Maintenance of National Guard Armories ............. ($506,200)

2. This act shall take effect immediately.

CHAPTER 156

AN ACT concerning the regulation of freshwater wetlands, amending P.L. 1977, c. 74, supplementing Title 13 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 13:9B-1 Short title.

1. This act shall be known and may be cited as the "Freshwater Wetlands Protection Act."
C. 13:9B-2 Findings, declarations.

2. The Legislature finds and declares that freshwater wetlands protect and preserve drinking water supplies by serving to purify surface water and groundwater resources; that freshwater wetlands provide a natural means of flood and storm damage protection, and thereby prevent the loss of life and property through the absorption and storage of water during high runoff periods and the reduction of flood crests; that freshwater wetlands serve as a transition zone between dry land and water courses, thereby retarding soil erosion; that freshwater wetlands provide essential breeding, spawning, nesting, and wintering habitats for a major portion of the State's fish and wildlife, including migrating birds, endangered species, and commercially and recreationally important wildlife; and that freshwater wetlands maintain a critical baseflow to surface waters through the gradual release of stored flood waters and groundwater, particularly during drought periods.

The Legislature further finds and declares that while the State has acted to protect coastal wetlands, it has not, except indirectly, taken equally vigorous action to protect the State's inland waterways and freshwater wetlands; that in order to advance the public interest in a just manner the rights of persons who own or possess real property affected by this act must be fairly recognized and balanced with environmental interests; and that the public benefits arising from the natural functions of freshwater wetlands, and the public harm from freshwater wetland losses, are distinct from and may exceed the private value of wetland areas.

The Legislature therefore determines that in this State, where pressures for commercial and residential development define the pace and pattern of land use, it is in the public interest to establish a program for the systematic review of activities in and around freshwater wetland areas designed to provide predictability in the protection of freshwater wetlands; that it shall be the policy of the State to preserve the purity and integrity of freshwater wetlands from random, unnecessary or undesirable alteration or disturbance; and that to achieve these goals it is important that the State expeditiously assume the freshwater wetlands permit jurisdiction currently exercised by the United States Army Corps of Engineers pursuant to the Federal Act and implementing regulations.
C. 13:9B-3 Definitions.

3. As used in this act:

“Bank” means the Wetlands Mitigation Bank established pursuant to section 14 of this act;

“Commissioner” means the Commissioner of the Department of Environmental Protection;

“Council” means the Wetlands Mitigation Council established pursuant to section 14 of this act;

“Freshwater wetland” means an area that is inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances does support, a prevalence of vegetation typically adapted for life in saturated soil conditions, commonly known as hydrophytic vegetation; provided, however, that the department, in designating a wetland, shall use the 3-parameter approach (i.e. hydrology, soils and vegetation) enumerated in the April 1, 1987 interim-final draft “Wetland Identification and Delineation Manual” developed by the United States Environmental Protection Agency, and any subsequent amendments thereto;

“Freshwater wetlands permit” means a permit to engage in a regulated activity issued pursuant to this act;

“Hydrophyte” means plant life adapted to growth and reproduction under periodically saturated root zone conditions during at least a portion of the growing season;

“Linear development” means land uses such as roads, drives, railroads, sewerage and stormwater management pipes, gas and water pipelines, electric, telephone and other transmission lines and the rights-of-way therefor, the basic function of which is to connect two points. (5) The placing of obstructions;
(6) The destruction of plant life which would alter the character of a freshwater wetland, including the cutting of trees;

“Transition area” means an area of land adjacent to a freshwater wetland which minimizes adverse impacts on the wetland or serves as an integral component of the wetlands ecosystem.

C. 13:9B-4 Exemptions from permit, transition area requirements.

4. The following are exempt from the requirement of a freshwater wetlands permit and transition area requirements unless the United States Environmental Protection Agency’s regulations providing for the delegation to the state of the federal wetlands program conducted pursuant to the Federal Act require a permit for any of these activities, in which case the department shall require a permit for those activities so identified by that agency:

a. Normal farming, silviculture, and ranching activities such as plowing, seeding, cultivating, minor drainage, harvesting for the production of food and fiber, or upland soil and water conservation practices; construction or maintenance of farm or stock ponds or irrigation ditches, or the maintenance of drainage ditches; construction or maintenance of farm roads or forest roads constructed and maintained in accordance with best management practices to assure that flow and circulation patterns and chemical and biological characteristics of freshwater wetlands are not impaired and that any adverse effect on the aquatic environment will be minimized;

b. Normal harvesting of forest products in accordance with a forest management plan approved by the State Forester;
c. Areas regulated as a coastal wetland pursuant to P.L. 1970, c. 272 (C. 13:9A-1 et seq.);

d. Projects for which (1) preliminary site plan or subdivision applications have received preliminary approvals from the local authorities pursuant to the “Municipal Land Use Law,” P.L. 1975, c. 291 (C. 40:55D-1 et seq.) prior to the effective date of this act, (2) preliminary site plan or subdivision applications have been submitted prior to June 8, 1987, or (3) permit applications have been approved by the U.S. Army Corps of Engineers prior to the effective date of this act, which projects would otherwise be subject to State regulation on or after the effective date of this act, shall be governed only by the Federal Act, and shall not be subject to any additional or inconsistent substantive requirements of this act; provided, however, that upon the expiration of a permit issued pursuant to the Federal Act any application for a renewal thereof shall be made to the appropriate regulatory agency. The department shall not require the establishment of a transition area as a condition of any renewal of a permit issued pursuant to the Federal Act prior to the effective date of this act. Projects not subject to the jurisdiction of the United States Army Corps of Engineers and for which preliminary site or subdivision applications have been approved prior to the effective date of this act shall not require transition areas;

e. The exemptions in subsections a. and b. of this section shall not apply to any discharge of dredged or fill material into a freshwater wetland incidental to any activity which involves bringing an area of freshwater wetlands into a use to which it was not previously subject, where the flow or circulation patterns of the waters may be impaired, or the reach of the waters is reduced.

C. 13:9B-5 Permit process.

5. a. The department shall consolidate the processing of wetlands related aspects of other regulatory programs which affect activities in freshwater wetlands, including, but not limited to, sewer extension approvals required pursuant to P.L. 1977, c. 74 (C. 58:10A-1 et seq.), permits required pursuant to P.L. 1973, c. 185 (C. 13:19-1 et seq.), and any permits and approvals required pursuant to P.L. 1977, c. 75 (C. 58:11A-1 et seq.) and P.L. 1962, c. 19 (C. 58:16A-50 et seq.), with the freshwater wetlands permit process established herein so as to provide a timely and coordinated permit process consistent with the Federal Act.

b. Within 60 days after the department receives comment on a complete application for a permit from the United States En-
environmental Protection Agency, or upon receipt of notice from the 
United States Environmental Protection Agency that no comment 
will be forthcoming, the department may hold a public hearing on 
the application for a permit. If such a hearing is held, it shall be 
in the county wherein the freshwater wetland is located whenever 
practicable. The department may issue or deny a permit without a 
public hearing, unless there is a significant degree of public interest 
in the application as manifested by written requests for a hearing 
within 20 days after the publication of notice of the permit appli-
cation in the bulletin of the department.

c. The department shall issue or deny a permit within 90 days 
of receipt of comments, or notice that comments will not be forth-
coming, from the United States Environmental Protection Agency, 
or within 180 days of submittal of a complete application, whichever 
is later. Until the State assumes the implementation of the Federal 
Act, the department shall issue or deny a permit within 180 days 
of submittal of a complete application, except as may otherwise be 
provided by the Federal Act. The department shall review an appli-
cation for a permit for completeness, and make any necessary re-
requests for further information, within 30 days of receipt of the appli-
cation for a permit; provided, however, that this deadline shall not 
apply to requests for further information made by the department 
on the basis of comments received from the United States En-
vironmental Protection Agency. If the department issues the permit, 
the department shall send notice thereof to the applicant. If the 
department denies, or requests a modification of, the complete per-
mit application, the department shall send notice thereof to the 
applicant. The department may issue a permit imposing conditions 
necessary for compliance with this act and the “Water Pollution 
Control Act,” P.L. 1977, c. 74 (C. 58:10A-1 et seq.).

d. The fees authorized pursuant to sections 8, 9, and 17 of this act 
shall be dedicated to further the specific purposes of this act.

C. 13:9B-6 Meadowlands, Pinelands exemptions.

6. a. Activities in areas under the jurisdiction of the Hackensack 
Meadowlands Development Commission pursuant to P.L. 1968, c. 
404 (C. 13:17-1 et seq.) shall not require a freshwater wetlands per-
mit, or be subject to transition area requirements, except that the 
discharge of dredged or fill material shall require a permit issued 
under the provisions of the Federal Act, or under an individual and 
general permit program administered by the State under the 
provisions of the Federal Act and applicable State laws.
b. Activities in areas under the jurisdiction of the Pinelands Commission pursuant to P.L. 1979, c. 111 (C. 13:18A-1 et seq.) shall not require a freshwater wetlands permit, or be subject to transition area requirements established in this act, except that the discharge of dredged or fill material shall require a permit issued under the provisions of the Federal Act, or under an individual and general permit program administered by the State under the provisions of the Federal Act and applicable State laws, provided that the Pinelands Commission may provide for more stringent regulation of activities in and around freshwater wetland areas within its jurisdiction.

C. 13:9B-7 Classification system.

7. The department shall develop a system for the classification of freshwater wetlands based upon criteria which distinguish among wetlands of exceptional resource value, intermediate resource value, and ordinary resource value.

a. Freshwater wetlands of exceptional resource value shall be freshwater wetlands which exhibit any of the following characteristics:

(1) Those which discharge into FW-1 waters and FW-2 trout production (TP) waters and their tributaries; or

(2) Those which are present habitats for threatened or endangered species, or those which are documented habitats for threatened or endangered species which remain suitable for breeding, resting, or feeding by these species during the normal period these species would use the habitat. A habitat shall be considered a documented habitat if the department makes a finding that the habitat remains suitable for use by the specific documented threatened and endangered species, based upon information available to it, including but not limited to, information submitted by an applicant for a freshwater wetlands permit. An applicant shall have the opportunity to request the department that a documented habitat not result in the classification of a freshwater wetland as a freshwater wetland of exceptional value if the applicant can demonstrate the loss of one or more requirements of the specific documented threatened or endangered species, including, but not limited to wetlands or overall habitat size, water quality, or vegetation density or diversity.

b. Freshwater wetlands of ordinary value shall be freshwater wetlands which do not exhibit the characteristics enumerated in subsection a. of this section, and which are certain isolated wetlands, man-made drainage ditches, swales, or detention facilities.
c. Freshwater wetlands of intermediate resource value shall be all freshwater wetlands not included in subsection a. or b. of this section.

d. As used in this section "threatened or endangered species" shall be those species identified pursuant to "The Endangered and Nongame Species Conservation Act," P.L. 1973, c. 309 (C. 23:2A-1 et seq.) or which appear on the federal endangered species list, and "FW-1, FW-2, trout production (TP) waters" shall mean those waters delineated as such by the department under regulations adopted pursuant to the "Water Pollution Control Act," P.L. 1977, c. 74 (C. 58:10A-1 et seq.) and the "Water Quality Planning Act," P.L. 1977, c. 75 (C. 58:11A-1 et seq.).

e. The classification system established in this section shall not restrict the department’s authority to require the creation or restoration of freshwater wetlands pursuant to the provisions of section 13 of this act.

8. a. A person proposing to engage in a regulated activity in a freshwater wetland or in an activity which requires a transition area waiver may, prior to applying for a freshwater wetlands permit or transition area waiver, request from the department a letter of interpretation to establish that the site of the proposed activity is located in a freshwater wetland or transition area.

b. Within 20 days after receipt of a request for a letter of interpretation, the department may require the submission of any additional information necessary to issue the letter of interpretation.

c. If no additional information is required, the department shall issue a letter of interpretation within 30 days after receiving the request.

d. If additional information is required the department shall issue a letter of interpretation within 45 days after receipt of the information.

e. The department may require an applicant for a letter of interpretation to perform and submit to the department an onsite inspection to determine or verify the general location of the freshwater wetland boundary and the applicable transition area. This inspection shall be subject to approval and verification by the department. If the department determines that onsite inspection by the department is necessary, the department shall make the inspection. If an on-site inspection is required by the department the time specified in this
section for issuance of the letter of interpretation shall be extended by 45 days.

f. If a person requesting the letter has not made a reasonable good faith effort to provide the department with information sufficient to make a determination, the department shall issue a letter of interpretation requiring the application for a freshwater wetlands permit or transition area waiver.

g. A person applying for a letter of interpretation may also submit a report of an onsite freshwater wetlands delineation and receive within the time specified in this section a letter of interpretation verifying the actual freshwater wetlands and transition area boundaries.

h. The department may charge a fee not to exceed the costs for reviewing the information submitted, conducting on-site inspections pursuant to subsection e. of this section, and for issuing a letter of interpretation.

i. Any person who requests a letter of interpretation pursuant to the provisions of this act and does not receive a response from the department within the deadlines imposed in this section shall not be entitled to assume that the site of the proposed activity which was the subject of the request for a letter of interpretation is not in a freshwater wetland. A person who receives a letter of interpretation pursuant to this section shall be entitled to rely on the determination of the department, except as provided in subsection j. of this section.

j. The department shall transmit to the United States Environmental Protection Agency a copy of any letter of interpretation determining that the site of a proposed regulated activity is not in a freshwater wetland. Any letter of interpretation which determines that the site of a proposed regulated activity is not in a freshwater wetlands shall be subject to review, modification, or revocation by the United States Environmental Protection Agency.

k. The department shall publish in the bulletin of the department a list indicating the status of each application for a permit submitted to the department pursuant to the provisions of this act.

C. 13:9B-9 Permit application; conditions for issuance.

9. a. A person proposing to engage in a regulated activity shall apply to the department for a freshwater wetlands permit, for a fee not to exceed the cost of reviewing and processing the application, and on forms and in the manner prescribed by the commissioner
pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.). An agency of the State proposing to engage in a regulated activity shall also apply to the department for a freshwater wetlands permit on forms and in a manner prescribed by the commissioner, but shall not be required to pay a fee therefor. The application shall include the name and address of the applicant, the purpose of the project, the names and addresses of all owners of property adjacent to the proposed project, and at least the following:

(1) A preliminary site plan or subdivision map of the proposed development activities, or another map of the site if no preliminary site plan or subdivision map exists, and a written description of the proposed regulated activity, the total area to be modified, and the total area of the freshwater wetland potentially affected;

(2) Verification that a notice has been forwarded to the clerk, environmental commission, and planning board of the municipality in which the proposed regulated activity will occur, the planning board of the county in which the proposed regulated activity will occur, landowners within 200 feet of the site of the proposed regulated activity, and to all persons who requested to be notified of proposed regulated activities, which notice may be filed concurrently with notices required pursuant to P.L. 1975, c. 291 (C. 40:55D-1 et seq.), describing the proposed regulated activity and advising these parties of their opportunity to submit comments thereon to the department;

(3) Verification that notice of the proposed activity has been published in a newspaper of local circulation;

(4) A statement detailing any potential adverse environmental effects of the regulated activity and any measures necessary to mitigate those effects, and any information necessary for the department to make a finding pursuant to subsection b. of this section.

b. The department, after considering the comments of the environmental commission and planning boards of the county and municipality wherein the regulated activity is to take place, federal and State agencies of competent jurisdiction, other affected municipalities and counties, and the general public, shall issue a freshwater wetlands permit only if it finds that the regulated activity:

(1) Is water-dependent or requires access to the freshwater wetlands as a central element of its basic function, and has no practicable alternative which would not involve a freshwater wetland or which would have a less adverse impact on the aquatic ecosystem,
and which would not have other significant adverse environmental consequences, and also complies with the provisions of paragraphs (3)-(9) of this subsection; or

(2) Is nonwater-dependent and has no practicable alternative as demonstrated pursuant to section 10 of this act, which would not involve a freshwater wetland or which would have a less adverse impact on the aquatic ecosystem, and which would not have other significant adverse environmental consequences; and

(3) Will result in minimum feasible alteration or impairment of the aquatic ecosystem including existing contour, vegetation, fish and wildlife resources, and aquatic circulation of the freshwater wetland; and

(4) Will not jeopardize the continued existence of species listed pursuant to "The Endangered and Nongame Species Conservation Act," P.L. 1973, c. 309 (C. 23:2A-1 et seq.) or which appear on the federal endangered species list, and will not result in the likelihood of the destruction or adverse modification of a habitat which is determined by the Secretary of the United States Department of the Interior or the Secretary of the United States Department of Commerce as appropriate to be a critical habitat under the "Endangered Species Act of 1973," (16 U.S.C. §1531 et al.); and

(5) Will not cause or contribute to a violation of any applicable State water quality standard; and

(6) Will not cause or contribute to a violation of any applicable toxic effluent standard or prohibition imposed pursuant to the "Water Pollution Control Act," P.L. 1977, c. 74 (C. 58:10A-1 et seq.); and

(7) Will not violate any requirement imposed by the United States government to protect any marine sanctuary designated pursuant to the "Marine Protection, Research and Sanctuaries Act of 1972," (33 U.S.C. §1401 et al.); and

(8) Will not cause or contribute to a significant degradation of ground or surface waters; and

(9) Is in the public interest as determined pursuant to section 11 of this act, is necessary to realize the benefits derived from the activity, and is otherwise lawful.

10. a. It shall be a rebuttable presumption that there is a practicable alternative to any nonwater-dependent regulated activity that does not involve a freshwater wetland, and that such an alternative to any regulated activity would have less of an impact on the aquatic ecosystem. An alternative shall be practicable if it is available and capable of being carried out after taking into consideration cost, existing technology, and logistics in light of overall project purposes, and may include an area not owned by the applicant which could reasonably have been or be obtained, utilized, expanded, or managed in order to fulfill the basic purpose of the proposed activity.

b. In order to rebut the presumption established in subsection a. of this section an applicant for a freshwater wetlands permit must demonstrate the following:

(1) That the basic project purpose cannot reasonably be accomplished utilizing one or more other sites in the general region that would avoid, or result in less, adverse impact on an aquatic ecosystem; and

(2) That a reduction in the size, scope, configuration, or density of the project as proposed and all alternative designs to that of the project as proposed that would avoid, or result in less, adverse impact on an aquatic ecosystem will not accomplish the basic purpose of the project; and

(3) That in cases where the applicant has rejected alternatives to the project as proposed due to constraints such as inadequate zoning, infrastructure, or parcel size, the applicant has made reasonable attempts to remove or accommodate such constraints.

c. In order to rebut the presumption established in subsection a. of this section with respect to wetlands of exceptional resource value, an applicant, in addition to complying with the provisions of subsection b. of this section, must also demonstrate that there is a compelling public need for the proposed activity greater than the need to protect the freshwater wetland that cannot be met by essentially similar projects in the region which are under construction or expansion, or have received the necessary governmental permits and approvals; or that denial of the permit would impose an extraordinary hardship on the part of the applicant brought about by circumstances peculiar to the subject property.

11. In determining whether a proposed regulated activity in any freshwater wetland is in the public interest, the department shall consider the following:

a. the public interest in preservation of natural resources and the interest of the property owners in reasonable economic development;

b. the relative extent of the public and private need for the proposed regulated activity;

c. where there are unresolved conflicts as to resource use, the practicability of using reasonable alternative locations and methods, including mitigation, to accomplish the purpose of the proposed regulated activity;

d. the extent and permanence of the beneficial or detrimental effects which the proposed regulated activity may have on the public and private uses for which the property is suited;

e. the quality of the wetland which may be affected and the amount of freshwater wetlands to be disturbed;

f. the economic value, both public and private, of the proposed regulated activity to the general area; and

g. the ecological value of the freshwater wetlands and probable impact on public health and fish and wildlife.

C. 13:9B-12 Accessibility to approved site.

12. If a freshwater wetlands permit is approved and issued pursuant to the provisions of this act the department shall waive or modify the requirement for a transition area to the extent required to provide access to the site of the approved regulated activity.

C. 13:9B-13 Mitigation of adverse environmental impacts.

13. a. The department shall require as a condition of a freshwater wetlands permit that all appropriate measures have been carried out to mitigate adverse environmental impacts, restore vegetation, habitats, and land and water features, prevent sedimentation and erosion, minimize the area of freshwater wetland disturbance and insure compliance with the Federal Act and implementing regulations.

b. The department may require the creation or restoration of an area of freshwater wetlands of equal ecological value to those which will be lost, and shall determine whether the creation or restoration of freshwater wetlands is conducted onsite or offsite. The department shall accept and evaluate a proposal to create or restore an area of
freshwater wetlands only after the department has evaluated the permit application for which the proposal is made, and shall evaluate the proposal to create or restore an area of freshwater wetlands independently of the permit application. The department’s evaluation of a proposal to create or restore an area of freshwater wetlands shall be conducted in consultation with the United States Environmental Protection Agency.

c. If the department determines that the creation or restoration of freshwater wetlands onsite is not feasible, the department, in consultation with the United States Environmental Protection Agency, may consider the option of permitting the creation of freshwater wetlands or the restoration of degraded freshwater wetlands offsite on private property with the restriction on these wetlands of any future development, or the making of a contribution to the Wetlands Mitigation Bank. The contribution shall be equivalent to the lesser of the following costs: (1) purchasing and restoring existing degraded freshwater wetlands, resulting in preservation of freshwater wetlands of equal ecological value to those which are being lost; or (2) purchase of property and the cost of creation of freshwater wetlands of equal ecological value to those which are being lost. The applicant may also donate land as part of the contribution if the Wetlands Mitigation Council determines that the donated land has potential to be a valuable component of the freshwater wetlands ecosystem. The department shall permit the donation of land as a part of the contribution to the Wetlands Mitigation Bank only after determining that all alternatives to the donation are not practicable or feasible.

C. 13:9B-14 Wetlands Mitigation Bank; council membership.

14. a. There is established in the Executive Branch of State Government the Wetlands Mitigation Bank. For the purpose of complying with Article V, section IV, paragraph 1 of the New Jersey Constitution, the bank is allocated within the Department of Environmental Protection but, notwithstanding this allocation, the bank shall be independent of any supervision or control by the department or the commissioner, or any other officer or employee thereof.

b. The bank shall be governed by the Wetlands Mitigation Council which shall comprise seven members as follows: the Commissioner of Environmental Protection, who shall serve ex officio; and six members of the general public to be appointed by the Governor with the advice and consent of the Senate, two of whom shall be appointed from persons recommended by recognized building and development
organizations; two of whom shall be appointed from persons recommended by recognized environmental and conservation organizations; and two of whom shall be appointed from institutions of higher learning in the State. Each of the members appointed from the general public shall serve for a term of three years and until a successor is appointed and qualified, except that of the members first appointed, two shall serve terms of one year, and two shall serve terms of two years. All vacancies, except those created through the expiration of term, shall be filled for the unexpired term only, and in the same manner, and with a member having the same class, as the original appointment. Each member shall be eligible for reappointment, but may be removed by the Governor for cause.

c. A majority of the membership of the council shall constitute a quorum for the transaction of council business. Action may be taken and motions and resolutions adopted by the council at any meeting thereof by the affirmative vote of a majority of the full membership of the council.

d. The Governor shall appoint a chairman from the public members and the council may appoint such other officers as may be necessary. The council may appoint such staff or hire such experts as it may require within the limits of appropriations made for these purposes.

e. Members of the council shall serve without compensation, but may be reimbursed for expenses necessarily incurred in the discharge of their official duties.

f. The council may call to its assistance such employees as are necessary and made available to it from any agency or department of the State or its political subdivisions.

g. The council may adopt, pursuant to the “Administrative Procedure Act,” and in consultation with the department, any rules and regulations necessary to carry out its responsibilities.

15. a. The Wetlands Mitigation Council shall be responsible for disbursements of funds from the bank to finance mitigation projects. The council shall have the power to purchase land to provide areas for the restoration of degraded freshwater wetlands, and to preserve freshwater wetlands and transition areas determined to be of critical importance in protecting freshwater wetlands. The council shall not engage in the restoration of degraded freshwater wetlands on public lands, except those lands which are acquired by the bank. The coun-
cil shall assist the department in preparing the portions of the report required pursuant to section 29 of this act which pertain to mitigation.

b. The council may contract with nonprofit organizations, the Division of Fish, Game and Wildlife in the department, the United States Fish and Wildlife Service, and other appropriate agencies to carry out its responsibilities, and may aggregate mitigation actions to achieve economies of scale. Any contract proposed by the council pursuant to this subsection shall be subject to review and approval by the United States Environmental Protection Agency.

c. The council may transfer any funds or lands restricted by deed, easement or other appropriate means to mitigation and freshwater wetlands conservation purposes, to a state or federal conservation agency that consents to the transfer, to expand or provide for:

(1) Freshwater wetlands preserves;

(2) Transition areas around existing freshwater wetlands to preserve freshwater wetland quality;

(3) Future mitigation sites for freshwater wetlands restoration; or

(4) Research to enhance the practice of mitigation.

C. 13:9B-16 Transition areas.

16. a. There shall be transition areas adjacent only to freshwater wetlands of exceptional resource value and of intermediate resource value. A transition area shall serve as:

(1) An ecological transition zone from uplands to freshwater wetlands which is an integral portion of the freshwater wetlands ecosystem, providing temporary refuge for freshwater wetlands fauna during high water episodes, critical habitat for animals dependent upon but not resident in freshwater wetlands, and slight variations of freshwater wetland boundaries over time due to hydrologic or climatologic effects; and

(2) A sediment and storm water control zone to reduce the impacts of development upon freshwater wetlands and freshwater wetlands species.

b. The width of the transition area shall be determined by the department as follows:

(1) No greater than 150 feet nor less than 75 feet for a freshwater wetland of exceptional resource value;
(2) No greater than 50 feet nor less than 25 feet for a freshwater wetland of intermediate resource value.

c. The minimum width of a transition area established pursuant to this section may be further reduced consistent with a transition area averaging plan approved under section 18 of this act.

C. 13:9B-17 Prohibited activities.

17. a. The following activities, except for normal property maintenance or minor and temporary disturbances of the transition area resulting from, and necessary for, normal construction activities on land adjacent to the transition area, are prohibited in the transition area, except in accordance with a transition area waiver approved by the department pursuant to section 18 of this act:

(1) Removal, excavation, or disturbance of the soil;
(2) Dumping or filling with any materials;
(3) Erection of structures, except for temporary structures of 150 square feet or less;
(4) Placement of pavements;
(5) Destruction of plant life which would alter the existing pattern of vegetation.

b. A person proposing to engage in an activity prohibited pursuant to subsection a. of this section within 150 feet of a freshwater wetland of exceptional resource value, or within 50 feet of a freshwater wetland of intermediate resource value, shall apply to the department for a transition area waiver, for a fee not to exceed the cost of reviewing and processing the waiver application, and on forms and in the manner prescribed by the commissioner pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.). An agency of the State proposing to engage in such an activity in a transition area shall also apply to the department for a transition area waiver on forms and in a manner prescribed by the commissioner but shall not be required to pay a fee therefor. The waiver application shall include at least the following:

(1) A preliminary site plan or subdivision map of the site, or another map of the site if no preliminary site plan or subdivision map exists, containing proposed activities and a written description of the proposed activity, the total areas to be modified, and the total area of the transition area potentially affected; and
(2) Verification that a notice has been forwarded to the clerk, environmental commission, and planning board of the municipality, and the planning board of the county wherein the activity is to occur, which notice shall describe the activity and advise these instrumentalities of local government of their opportunity to submit comments thereon to the department; and

(3) A statement detailing any potential adverse environmental effects of the activity on the freshwater wetlands and any measures that may be necessary to mitigate those effects; and

(4) A transition area averaging plan, if an averaging plan is required in connection with a transition area waiver requested pursuant to section 18 of this act.

c. At the applicant’s option, the maximum transition area distances established in subsection b. of section 16 of this act, or a lesser transition area distance established pursuant to a waiver approved pursuant to section 18 of this act, shall be further reduced, or the transition area adjacent to a portion of a wetlands shall be eliminated, pursuant to a transition area averaging plan submitted by the applicant, provided that the plan is consistent with the provisions of subsection a. of section 16 of this act.

C. 13:9B-18 Transition area waivers.

18. a. The department shall grant a transition area waiver reducing the size of a transition area to not less than the minimum distance established in subsection b. of section 16 of this act; provided that (1) the proposed activity would have no substantial impact on the adjacent freshwater wetland or (2) the waiver is necessary to avoid a substantial hardship to the applicant caused by circumstances peculiar to the property. If the proposed activity is the construction of a stormwater management facility having no feasible alternative on-site location or is linear development having no feasible alternative location, the department shall approve a further transition area waiver or elimination of a portion of a transition area as necessary to permit the activity. A transition area waiver approved pursuant to this subsection shall not require transition area averaging to compensate for the reduction of transition area distance or for partial elimination of the transition area.

b. The department shall also approve transition area waivers reducing the transition area distances established in subsection b. of section 16 of this act and shall also approve waiver applications eliminating portions of transition areas, provided that the applicant
submits a transition area averaging plan. The transition area requirements of this act shall be satisfied if the transition area averaging plan expands a portion of the transition area to compensate, on a square footage basis, for reduction of a transition area distance or for partial elimination of a transition area. The applicant shall have the right to determine the area of transition area reduction or partial elimination; provided that the transition area averaging plan will result in a transition area consistent with the provisions of subsection a. of section 16 of this act. If a transition area waiver is approved pursuant to subsection a. of this section, the average transition area required by this subsection shall be based upon the transition area distance established pursuant to subsection a. of this section. If no waiver is approved pursuant to subsection a. of this section, the average transition area shall be based upon the maximum applicable transition area distance provided in subsection b. of section 16 of this act.

c. Any other provision of this act to the contrary notwithstanding, the transition area distance from a freshwater wetland of exceptional resource value may be reduced to no less than 75 feet except pursuant to section 12 of this act. A transition area waiver shall be approved pursuant to this subsection only if a transition area distance reduction would have no substantial adverse impact on the adjacent freshwater wetlands or if denial of a transition area waiver would result in extraordinary hardship to the applicant because of circumstances peculiar to the subject property. A transition area waiver approved pursuant to this subsection shall be conditioned on a transition area averaging plan which provides an average transition area of not less than 100 feet.

d. The department shall issue or deny an application for a transition area waiver within 90 days of submission of a complete application; provided, however, that if the project or activity for which the transition area waiver is requested also involves a regulated activity in a freshwater wetland, or if an application for a permit to conduct a regulated activity in a freshwater wetland adjacent to the transition area for which the transition area waiver is requested is pending before the department, the department shall approve or deny the transition area waiver within the time period set forth for the approval or denial of a permit in subsection c. of section 5 of this act.

C. 13:9B-19 Consideration for tax purposes.

19. If the department denies an application for a freshwater wetlands permit, the owner of record of the property affected may
request, and the local tax assessor shall provide, that this fact be taken into account when the property is valued, assessed, and taxed for property tax purposes.

C. 13:9B-20 Administrative hearing.

20. An applicant for a freshwater wetlands permit issued pursuant to this act may request the commissioner for an administrative hearing on any decision to issue or deny a permit made by the department pursuant to this act. Upon receipt of such a request, the commissioner shall refer the matter to the Office of Administrative Law, which shall assign an administrative law judge to conduct a hearing on the matter in the form of a contested case pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.). Within 45 days of receipt of the administrative law judge’s decision, the commissioner shall affirm, reject, or modify the decision. The commissioner’s action shall be considered the final agency action for the purposes of the “Administrative Procedure Act,” and shall be subject only to judicial review as provided in the Rules of Court.

C. 13:9B-21 Remedies for violations.

21. a. Whenever, on the basis of available information, the commissioner finds that a person is in violation of any provision of this act, or any rule or regulation adopted, or permit or order issued, pursuant to this act, the commissioner may:

   (1) Issue an order requiring any such person to comply in accordance with subsection b. of this section; or

   (2) Bring a civil action in accordance with subsection c. of this section; or

   (3) Levy a civil administrative penalty in accordance with subsection d. of this section; or

   (4) Bring an action for a civil penalty in accordance with subsection e. of this section; or

   (5) Petition the Attorney General to bring a criminal action in accordance with subsection f. of this section.

Recourse to any of the remedies available under this section shall not preclude recourse to any of the other remedies.

b. Whenever, on the basis of available information, the commissioner finds a person in violation of any provision of this act, or of any rule or regulation adopted, or permit or order issued, pursuant to this act, the commissioner may issue an order: (1) specifying the
provision or provisions of this act, or the rule, regulation, permit or order of which he is in violation; (2) citing the action which constituted the violation; (3) requiring compliance with the provision or provisions violated; (4) requiring the restoration of the freshwater wetland or transition area which is the site of the violation; and (5) providing notice to the person of his right to a hearing on the matters contained in the order.

c. The commissioner is authorized to institute a civil action in Superior Court for appropriate relief from any violation of any provisions of this act, or any rule or regulation adopted, or permit or order issued, pursuant to this act. Such relief may include, singly or in combination:

(1) A temporary or permanent injunction;

(2) Assessment of the violator for the costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation, and for the reasonable costs of preparing and bringing legal action under this subsection;

(3) Assessment of the violator for any costs incurred by the State in removing, correcting, or terminating the adverse effects upon the freshwater wetland resulting from any unauthorized regulated activity for which legal action under this subsection may have been brought;

(4) Assessment against the violator for compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by an unauthorized regulated activity. Assessments under this subsection shall be paid to the State Treasurer, except that compensatory damages shall be paid by specific order of the court to any persons who have been aggrieved by the unauthorized regulated activity;

(5) A requirement that the violator restore the site of the violation to the maximum extent practicable and feasible.

d. The commissioner is authorized to assess a civil administrative penalty of not more than $10,000.00 for each violation, and each day during which each violation continues shall constitute an additional, separate, and distinct offense. Any amount assessed under this subsection shall fall within a range established by regulation by the commissioner for violations of similar type, seriousness, and duration. No assessment shall be levied pursuant to this section until after the party has been notified by certified mail or personal service.
The notice shall identify the section of the statute, regulation, or order or permit condition violated; recite the facts alleged to constitute a violation; state the amount of the civil penalties to be imposed; and affirm the rights of the alleged violator to a hearing. The ordered party shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy an administrative order is in addition to all other enforcement provisions in this act, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. Any civil administrative penalty assessed under this section may be compromised by the commissioner upon the posting of a performance bond by the violator, or upon such terms and conditions as the commissioner may establish by regulation.

e. A person who violates this act, an administrative order issued pursuant to subsection b., or a court order issued pursuant to subsection c., who fails to pay a civil administrative assessment in full pursuant to subsection d., shall be subject, upon order of a court, to a civil penalty not to exceed $10,000.00 per day of such violation, and each day during which the violation continues shall constitute an additional, separate, and distinct offense. Any civil penalty imposed pursuant to this subsection may be collected with costs in a summary proceeding pursuant to “the penalty enforcement law” (N.J.S. 2A:58-1 et seq.). The Superior Court shall have jurisdiction to enforce “the penalty enforcement law” in conjunction with this act.

f. A person who willfully or negligently violates this act shall be guilty, upon conviction, of a crime of the fourth degree and shall be subject to a fine of not less than $2,500.00 nor more than $25,000.00 per day of violation. A second offense under this subsection shall subject the violator to a fine of not less than $5,000.00 nor more than $50,000.00 per day of violation. A person who knowingly makes a false statement, representation, or certification in any application, record, or other document filed or required to be maintained under this act, or who falsifies, tampers with or knowingly renders inaccurate, any
monitoring device or method required to be maintained pursuant to this act, shall, upon conviction, be subject to a fine of not more than $10,000.00.

g. In addition to the penalties prescribed in this section, a notice of violation of this act shall be recorded on the deed of the property wherein the violation occurred, on order of the commissioner, by the clerk or register of deeds and mortgages of the county wherein the affected property is located and with the clerk of the Superior Court and shall remain attached thereto until such time as the violation has been remedied and the commissioner orders the notice of violation removed.

h. If the violation is one in which the department has determined that the restoration of the site to its previolation condition would increase the harm to the freshwater wetland or its ecology, the department may issue an "after the fact" permit for the regulated activity that has already occurred; provided that assessment against the violator for costs or damages enumerated in subsection c. of this section has been made, the creation or restoration of freshwater wetlands resources at another site has been required of the violator, an opportunity has been afforded for public hearing and comment, and the reasons for the issuance of the "after the fact" permit are published in the New Jersey Register and in a newspaper of general circulation in the geographical area of the violation. Any person violating an "after the fact" permit issued pursuant to this subsection shall be subject to the provisions of this section.

i. The burden of proof and degree of knowledge or intent required to establish a violation of this act shall be no greater than the burden of proof or degree of knowledge or intent which the United States Environmental Protection Agency must meet in establishing a violation of the Federal Act or implementing regulations.

j. The department shall establish and implement a program designed to facilitate public participation in the enforcement of this act which complies with the requirements of the Federal Act and implementing regulations.

k. The department shall make available without restriction any information obtained or used in the implementation of this act to the United States Environmental Protection Agency upon a request therefor.
1. The department may require an applicant or permittee to provide any information the department requires to determine compliance with the provisions of this act.

m. The department shall have the authority to enter any property, facility, premises or site for the purpose of conducting inspections, sampling of soil or water, copying or photocopying documents or records, and for otherwise determining compliance with the provisions of this act.

C. 13:9B-22 Taking without just compensation.

22. a. Any person having a recorded interest in land affected by a freshwater wetlands permit issued, modified or denied pursuant to the provision of this act may file an action in a court of competent jurisdiction to determine if the issuance, modification or denial of the freshwater wetlands permit constitutes a taking of property without just compensation.

b. If the court determines that the issuance, modification, or denial of a freshwater wetlands permit by the department pursuant to this act constitutes a taking of property without just compensation, the court shall give the department the option of compensating the property owner for the full amount of the lost value, condemning the affected property pursuant to the provisions of the "Eminent Domain Act of 1971," P.L. 1971, c. 361 (C. 20:3-1 et seq.), or modifying its action or inaction concerning the property so as to minimize the detrimental effect to the value of the property.

C. 13:9B-23 General permits.

23. a. The department shall consider for adoption as general permits, to the extent practicable and feasible, and to the extent that this adoption is consistent to the maximum extent practicable and feasible with the provisions of this act, all applicable Nationwide Permits which were approved under the Federal Act as of November 13, 1986 by the U.S. Army Corps of Engineers.

b. The department shall issue a general permit for an activity in a freshwater wetland which is not a surface water tributary system discharging into an inland lake or pond, or a river or stream, and which would not result in the loss or substantial modification of more than one acre of freshwater wetland, provided that this activity will not take place in a freshwater wetland of exceptional resource value. The department shall issue a general permit for a regulated activity in a freshwater wetland located in an area considered a headwater pursuant to the Federal Act if the regulated activity would not result
in the loss or substantial modification of more than one acre of a swale or a man-made drainage ditch. The provisions of this subsection shall not apply to any wetlands designated as priority wetlands by the United States Environmental Protection Agency.

c. The department shall issue additional general permits on a Statewide or regional basis for the following categories of activities, if the department determines, after conducting an environmental analysis and providing public notice and opportunity for a public hearing, that the activities will cause only minimal adverse environmental impacts when performed separately, will have only minimal cumulative adverse impacts on the environment, will cause only minor impacts on freshwater wetlands, will be in conformance with the purposes of this act, and will not violate any provision of the Federal Act:

(1) Maintenance, reconstruction, or repair of roads or public utilities lawfully existing prior to the effective date of this act or permitted under this act, provided that such activities do not result in disturbance of additional wetlands upon completion of the activity;

(2) Maintenance or repair of active irrigation or drainage ditches lawfully existing prior to the effective date of this act or permitted under this act, provided that such activities do not result in disturbance of additional freshwater wetlands upon completion of the activity;

(3) Appurtenant improvements or additions to residential dwellings lawfully existing prior to the effective date of this act, provided that the improvements or additions require less than a cumulative surface area of 750 square feet of fill and will not result in new alterations to a freshwater wetland outside of the fill area;

(4) Mosquito management activities determined to be consistent with best mosquito control and freshwater wetlands management practices and for which all appropriate actions to minimize adverse environmental effects have been or shall be taken.

(5) Activities, as determined by the department, which will have no significant adverse environmental impact on freshwater wetlands, provided that the issuance of a general permit for any such activities is consistent with the provisions of the Federal Act and has been approved by the United States Environmental Protection Agency.

(6) Regulated activities which have received individual or general permit approval or a finding of no jurisdiction by the U.S. Army
Corps of Engineers pursuant to the Federal Act, and which have received a grant waiver pursuant to the “National Environmental Policy Act of 1969” (42 U.S.C. §4321 et seq.); provided, that upon the expiration of a permit any application for a renewal or modification thereof shall be made to the department.

(7) State or federally funded roads planned and developed in accordance with the “National Environmental Policy Act of 1969” and the Federal Act, and with Executive Order Number 53, approved October 5, 1973 and for which application has been made prior to the effective date of this act to the United States Army Corps of Engineers for an individual or general permit under the Federal Act; provided that upon expiration of a permit any application for a renewal or modification thereof shall be made to the department, and, provided, further, that the department shall not require transition areas as a condition of the renewal or modification of the permit.

(8) Maintenance and repair of storm water management facilities lawfully constructed prior to the effective date of this act or permitted under this act, provided that these activities do not result in disturbance of additional freshwater wetlands upon completion of the activity.

(9) Maintenance, reconstruction, or repair of buildings or structures lawfully existing prior to the effective date of this act or permitted under this act, provided that these activities do not result in disturbance of additional freshwater wetlands upon completion of the activity.

d. The department may, on the basis of findings with respect to a specific application, modify a general permit issued pursuant to this section by adding special conditions. The department may rescind a general permit and require an application for an individual permit if the commissioner finds that additional permit conditions would not be sufficient and that special circumstances make this action necessary to insure compliance with this act or the Federal Act.

e. The department shall review general permits adopted or authorized pursuant to subsection c. every five years, which review shall include public notice and opportunity for public hearing. Upon this review the department shall either modify, reissue or revoke a general permit. If a general permit is not modified or reissued within five years of publication in the New Jersey Register, it shall automatically expire.
f. The date of publication of the general permits authorized by subsections a. and b. of this section shall be the effective date of this act.

g. A person proposing to engage in an activity covered by a general permit shall provide written notice to the department containing a description of the proposed activity at least 30 working days prior to commencement of work. The department, within 30 days of receipt of this notification, shall notify the person proposing to engage in the activity covered by a general permit as to whether an individual permit is required for the activity.

C. 13:9B-24 Temporary emergency permit.

24. a. Notwithstanding the provisions of this or any other act to the contrary, the department may issue a temporary emergency freshwater wetlands permit for a regulated activity if:

(1) An unacceptable threat to life or severe loss of property will occur if an emergency permit is not granted; and

(2) The anticipated threat or loss may occur before a permit can be issued or modified under the procedures otherwise required by this act and other applicable State law.

b. The emergency permit shall incorporate, to the greatest extent practicable and feasible but not inconsistent with the emergency situation, the standards and criteria required for non-emergency regulated activities under this act and shall:

(1) Be limited in duration to the time required to complete the authorized emergency activity, not to exceed 90 days;

(2) Require the restoration of the freshwater wetland within this 90 day period, except that if more than the 90 days from the issuance of the emergency permit is required to complete restoration, the emergency permit may be extended to complete this restoration.

c. The emergency permit may be issued orally or in writing, except that if it is issued orally, a written emergency permit shall be issued within five days thereof.

d. Notice of the issuance of the emergency permit shall be published and public comments received, in accordance with the provisions of the Federal Act, and applicable State law, provided that this notification shall be sent no later than 10 days after issuance of the emergency permit.
CHAPTER 156, LAWS OF 1987 977

e. The emergency permit may be terminated at any time without process upon a determination by the department that this action is appropriate to protect human health or the environment.

C. 13:9B-25 Rules, regulations.

25. a. Within 10 months of the enactment of this act, and after a 60 day comment period, the department shall adopt, pursuant to the provisions of the “Administrative Procedure Act,” any rules and regulations necessary to implement the provisions of this act. These rules and regulations shall include the general permits which the department will issue pursuant to section 23 of this act.

b. Within one year of the enactment of this act, the department shall adopt, in consultation with the United States Environmental Protection Agency, a list of vegetative species classified as hydrophytes, as defined in section 3 of this act, indicative of freshwater wetlands and consistent with the geographical regions of the State.

c. The department shall develop a functional, complete, and up to date composite freshwater wetlands map and inventory using the most recent available data, which shall include, but need not be limited to, aerial photographs and soil inventories at a scale suitable for freshwater wetlands regulatory purposes, and shall make appropriate sections of this map and inventory available on a periodic basis to the county clerk or register of deeds and mortgages in each county, as appropriate, and to the clerk of each municipality.

C. 13:9B-26 Distribution of National Wetlands Inventory maps.

26. The department shall, within 180 days of enactment of this act, forward to the clerk of each municipality copies of the appropriate National Wetlands Inventory maps for the State prepared by the United States Fish and Wildlife Service and direct the clerk to notify the residents of the municipality of the availability for inspection of these maps, by publication in a newspaper of general circulation. The department shall inform the clerk of each municipality that these maps have not been determined to be accurate for the purposes of locating the actual wetlands boundary, and that the department will be preparing a composite freshwater wetlands map and inventory at the specified uniform scale.

27. a. The department and the Attorney General shall take all appropriate action to secure the assumption of the permit jurisdiction exercised by the United States Army Corps of Engineers pursuant
to the Federal Act. The department shall make an initial application to the United States Environmental Protection Agency for this assumption within one year of enactment of this act, and shall provide the Governor and the Legislature with a schedule therefor and a copy of the application and supporting material forwarded to the federal government.

b. The department shall utilize, to the maximum extent practicable and feasible, forms and procedures for permit applications which are identical to those used by the United States Army Corps of Engineers in issuing permits under the Federal Act.

c. The department shall seek to conduct the review of an application for a freshwater wetlands permit in conjunction with federal personnel responsible for reviewing an application for a permit under the Federal Act.

d. It is the intention of the Legislature that the permit process imposed in this act be conducted by the department concurrently with the review conducted by the federal government until such time as the department secures assumption of the permit jurisdiction exercised by the United States Army Corps of Engineers.

C. 13:9B-28 Public education program.

28. The department shall, within one year of the effective date of this act, conduct a public education program on the provisions of this act and the rules and regulations adopted pursuant hereto.

29. The department shall, within two years of the effective date of this act, prepare and submit a report to the Governor, the President of the Senate and the Speaker of the General Assembly, and the Senate Energy and Environment Committee and the Assembly Energy and Natural Resources Committee, or their designated successors. The report shall describe:

(1) The success or failure of mitigation measures performed in actual development situations, both within the State and in other states, the nature of the mitigation measures, and the state-of-the-art techniques used for mitigation; and

(2) Recommendations for legislative or administrative action necessary to ensure the long term protection of freshwater wetlands from damage and degradation resulting from land use activities, pollution, and hydrologic changes which occur in upstream regions of the same watersheds of particular freshwater wetlands.
CHAPTER 156, LAWS OF 1987

30. It is the intent of the Legislature that the program established by this act for the regulation of freshwater wetlands constitute the only program for this regulation in the State except to the extent that these areas are regulated consistent with the provisions of section 6 of this act. To this end no municipality, county, or political subdivision thereof, shall enact, subsequent to the effective date of this act, any law, ordinance, or rules or regulations regulating freshwater wetlands, and further, this act, on and subsequent to its effective date, shall supersede any law or ordinance regulating freshwater wetlands enacted prior to the effective date of this act. Between the enactment and effective date of this act, no municipality, county, or political subdivision thereof shall enact any law, ordinance, or rule and regulation requiring a transition area adjacent to a freshwater wetland; provided however, that any such law, ordinance, or rule and regulation adopted prior to the enactment of this act shall be valid until the effective date of this act.

31. Section 5 of P.L. 1977, c. 74 (C. 58:10A-5) is amended to read as follows:

C. 58:10A-5 Powers of department.

5. The department is empowered to:

a. Exercise general supervision of the administration and enforcement of this act and all rules, regulations and orders promulgated hereunder;

b. Assess compliance of a discharger with applicable requirements of State and Federal law pertaining to the control of pollutant discharges and the protection of the environment and, also, to issue certification with respect thereto as required by section 401 of the Federal Act;

c. Assess compliance of a person with applicable requirements of State and federal law pertaining to the control of the discharge of dredged and fill material into the waters of the State and the protection of the environment and, also, to issue, deny, modify, suspend, or revoke permits with respect thereto as required by section 404 of the “Federal Water Pollution Control Act Amendments of 1972,” as amended by the “Clean Water Act of 1977,” (33 U.S.C. §1344), and implementing regulations;

d. Advise, consult, and cooperate with other agencies of the State, the federal government, other states and interstate agencies, includ-
ing the State Soil Conservation Committee, and with affected groups, political subdivisions and industries in furtherance of the purposes of this act;

e. Administer State and federal grants to municipalities, counties and other political subdivisions, or any recipient approved by the commissioner according to terms and conditions approved by him in order to meet the goals and objectives of this act.

32. Section 6 of P.L. 1977, c. 74 (C. 58:10A-6) is amended to read as follows:

C. 58:10A-6 NJPDES permits; exemptions.

6. a. It shall be unlawful for any person to discharge any pollutant, except in conformity with a valid New Jersey Pollutant Discharge Elimination System permit that has been issued by the commissioner pursuant to this act or a valid National Pollution Discharge Elimination System permit issued by the administrator pursuant to the Federal Act, as the case may be.

b. It shall be unlawful for any person to build, install, modify or operate any facility for the collection, treatment or discharge of any pollutant, except after approval by the department pursuant to regulations adopted by the commissioner.

c. The commissioner is hereby authorized to grant, deny, modify, suspend, revoke, and reissue NJPDES permits in accordance with this act, and with regulations to be adopted by him. The commissioner may reissue, with or without modifications, an NJPDES permit duly issued by the federal government as the NJPDES permit required by this act.

d. The commissioner may, by regulation, exempt the following categories of discharge, in whole or in part, from the requirement of obtaining a permit under this act; provided, however, that an exemption afforded under this section shall not limit the civil or criminal liability of any discharger nor exempt any discharger from approval or permit requirements under any other provision of law:

(1) Additions of sewage, industrial wastes or other materials into a publicly owned sewage treatment works which is regulated by pretreatment standards;

(2) Discharges of any pollutant from a marine vessel or other discharges incidental to the normal operation of marine vessels;
(3) Discharges from septic tanks, or other individual waste disposal systems, sanitary landfills, and other means of land disposal of wastes;

(4) Discharges of dredged or fill materials into waters for which the State could not be authorized to administer the section 404 program under section 404(g) of the “Federal Water Pollution Control Act Amendments of 1972,” as amended by the “Clean Water Act of 1977” (33 U.S.C. §1344) and implementing regulations;

(5) Nonpoint source discharges;

(6) Uncontrolled nonpoint source discharges composed entirely of storm water runoff when these discharges are uncontaminated by any industrial or commercial activity unless these particular storm water runoff discharges have been identified by the administrator or the department as a significant contributor of pollution;

(7) Discharges conforming to a national contingency plan for removal of oil and hazardous substances, published pursuant to section 311(c)(2) of the Federal Act.

e. The commissioner shall not issue any permit for:

(1) The discharge of any radiological, chemical or biological warfare agent or high-level radioactive waste into the waters of this State;

(2) Any discharge which the United States Secretary of the Army, acting through the Chief of Engineers, finds would substantially impair anchorage or navigation;

(3) Any discharge to which the administrator has objected in writing pursuant to the Federal Act;

(4) Any discharge which conflicts with an areawide plan adopted pursuant to law.

f. A permit under this act shall require the permittee:

(1) To achieve effluent limitations based upon guidelines or standards established pursuant to the Federal Act or this act, together with such further discharge restrictions and safeguards against unauthorized discharge as may be necessary to meet water quality standards, areawide plans adopted pursuant to law, or other legally applicable requirements;
(2) Where appropriate, to meet schedules for compliance with the terms of the permit and interim deadlines for progress or reports of progress towards compliance;

(3) To insure that all discharges are consistent at all times with the terms and conditions of the permit and that no pollutant will be discharged more frequently than authorized or at a level in excess of that which is authorized by the permit;

(4) To submit application for a new permit in the event of any contemplated facility expansion or process modification that would result in new or increased discharges or, if these would not violate effluent limitations or other restrictions specified in the permit, to notify the commissioner of such new or increased discharges;

(5) To install, use and maintain such monitoring equipment and methods, to sample in accordance with such methods, to maintain and retain such records of information from monitoring activities, and to submit to the commissioner such reports of monitoring results as he may require;

(6) At all times, to maintain in good working order and operate as effectively as possible, any facilities or systems of control installed to achieve compliance with the terms and conditions of the permit.

g. The commissioner shall have a right of entry to all premises in which a discharge source is or might be located or in which monitoring equipment or records required by a permit are kept, for purposes of inspection, sampling, copying or photographing.

h. In addition, any permit issued for a discharge from a municipal treatment works shall require the permittee:

(1) To notify the commissioner in advance of the quality and quantity of all new introductions of pollutants into a facility and of any substantial change in the pollutants introduced into a facility by an existing user of the facility, except for such introductions of nonindustrial pollutants as the commissioner may exempt from this notification requirement when ample capacity remains in the facility to accommodate new inflows. Such notifications shall estimate the effects of such changes on the effluents to be discharged into the facility.

(2) To establish an effective regulatory program, alone or in conjunction with the operators of sewage collection systems, that will
assure compliance and monitor progress toward compliance by industrial users of the facilities with user charge and cost recovery requirements of the Federal Act or State law and toxicity standards adopted pursuant to this act and pretreatment standards.

(3) As actual flows to the facility approach design flow or design loading limits, to submit to the commissioner for his approval, a program which the permittee and the persons responsible for building and maintaining the contributory collection system shall pursue in order to prevent overload of the facilities.

i. All owners of municipal treatment works are hereby authorized to prescribe terms and conditions, consistent with applicable State and federal law, upon which pollutants may be introduced into such works, and to exercise the same right of entry, inspection, sampling and copying with respect to users of such works as are vested in the commissioner by this act or by any other provision of State law.

j. In reviewing permits submitted in compliance with this act and in determining conditions under which such permits may be approved, the commissioner shall encourage the development of comprehensive regional sewerage facilities which serve the needs of the regional community and which conform to the adopted area-wide water quality management plan for that region.

33. There is appropriated from the General Fund to the department the sum of $60,000.00, which shall be used to undertake and coordinate all activities required to implement the provisions of this act on the effective date of this act.

34. This act shall take effect one year after enactment, except that section 25, section 26, section 27, section 30 and section 33 shall take effect immediately, and except that the department shall not implement the provisions of sections 16, 17, and 18 until two years after enactment. The department shall take any administrative actions prior to the effective date of this act necessary to implement the provisions of this act on and after the effective date.

Approved July 1, 1987.

2. This act shall take effect immediately.

Approved July 1, 1987.
AN ACT concerning rewards for certain persons providing information concerning unlawful solid waste disposal and amending and supplementing P.L. 1970, c. 39.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 9 of P.L. 1970, c. 39 (C.13:1E-9) is amended to read as follows:

C. 13:1E-9 Enforcement of solid waste regulations.

9. a. All codes, rules and regulations adopted by the department related to solid waste collection and disposal shall have the force and effect of law. Such codes, rules and regulations shall be observed throughout the State and shall be enforced by the department and by every local board of health, or county health department, as the case may be.

The department and the local board of health, or the county health department, as the case may be, shall have the right to enter a solid waste facility at any time in order to determine compliance with the registration statement and engineering design, and with the provisions of all applicable laws or rules and regulations adopted pursuant thereto.

The municipal attorney or an attorney retained by a municipality in which a violation of such laws or rules and regulations adopted pursuant thereto is alleged to have occurred shall act as counsel to a local board of health.

The county counsel or an attorney retained by a county in which a violation of such laws or rules and regulations adopted pursuant thereto is alleged to have occurred shall act as counsel to the county health department.

Any county health department may charge and collect from the owner or operator of any sanitary landfill facility within its jurisdiction such fees for enforcement activities as may be established by ordinance or resolution adopted by the governing body of any such county. Such fees shall be established in accordance with a fee schedule regulation to be adopted by the department, pursuant to law, within 60 days of the effective date of this amendatory act and shall be utilized exclusively to fund such enforcement activities.
All enforcement activities undertaken by county health departments pursuant to this subsection shall conform to all applicable performance and administrative standards adopted pursuant to section 10 of the “County Environmental Health Act,” P.L. 1977, c. 443 (C. 26:3A2-28).

b. Whenever the commissioner finds that a person has violated any provision of P.L. 1970, c. 39 (C. 13:1E-1 et seq.), or any rule or regulation adopted, permit issued, or solid waste management plan adopted pursuant to P.L. 1970, c. 39, he shall:

(1) Issue an order requiring the person found to be in violation to comply in accordance with subsection c. of this section;

(2) Bring a civil action in accordance with subsection d. of this section;

(3) Levy a civil administrative penalty in accordance with subsection e. of this section;

(4) Bring an action for a civil penalty in accordance with subsection f. of this section; or

(5) Petition the Attorney General to bring a criminal action in accordance with subsection g. of this section.

Pursuit of any of the remedies specified under this section shall not preclude the seeking of any other remedy specified.

c. Whenever the commissioner finds that a person has violated any provision of P.L. 1970, c. 39, or any rule or regulation adopted, permit issued, or solid waste management plan adopted pursuant to P.L. 1970, c. 39, he may issue an order specifying the provision or provisions of P.L. 1970, c. 39, or the rule, regulation, permit or solid waste management plan of which the person is in violation, citing the action which constituted the violation, ordering abatement of the violation, and giving notice to the person of his right to a hearing on the matters contained in the order. The ordered party shall have 20 days from receipt of the order within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order. If no hearing is requested, then the order shall become final after the expiration of the 20-day period. A request for hearing shall not automatically stay the effect of the order.

d. The commissioner, a local board of health or county health department may institute an action or proceeding in the Superior
CHAPTER 158, LAWS OF 1987

Court for injunctive and other relief, including the appointment of a receiver for any violation of this act, or of any code, rule or regulation promulgated, permit issued or solid waste management plan adopted pursuant to this act and said court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief, notwithstanding the provisions of R.S. 48:2-24.

Such relief may include, singly or in combination:

(1) A temporary or permanent injunction;

(2) Assessment of the violator for the costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection;

(3) Assessment of the violator for any cost incurred by the State in removing, correcting or terminating the adverse effects upon water and air quality resulting from any violation of any provision of this act or any rule, regulation or condition of approval for which the action under this subsection may have been brought;

(4) Assessment against the violator of compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by any violation of this act or any rule, regulation or condition of approval established pursuant to this act for which the action under this subsection may have been brought. Assessments under this subsection shall be paid to the State Treasurer, or to the local board of health, or to the county health department, as the case may be, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health department, notice thereof shall be served upon the commissioner in the same manner as if the commissioner were a named party to the action or proceeding. The department may intervene as a matter of right in any proceeding brought by a local board of health or county health department.

e. The commissioner is authorized to assess a civil administrative penalty of not more than $50,000.00 for each violation; provided that each day during which the violation continues shall constitute an additional, separate and distinct offense. The commissioner shall not assess a civil administrative penalty in excess of $25,000.00 for a
single violation, or in excess of $2,500.00 for each day during which a violation continues, until the department has adopted, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), regulations requiring the commissioner, in assessing a civil administrative penalty, to consider the operational history of the facility at which the violation occurred, the severity of the violation, the measures taken to mitigate or prevent further violations, and whether the penalty will maintain an appropriate deterrent. No assessment shall be levied pursuant to this section until after the violator has been notified by certified mail or personal service. The notice shall include a reference to the section of the statute, rule, regulation, order, permit condition or solid waste management plan violated, a concise statement of the facts alleged to constitute a violation, a statement of the amount of the civil administrative penalties to be imposed, and a statement of the party's right to a hearing. The ordered party shall have 20 calendar days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in P.L. 1970, c. 39, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. The department may compromise any civil administrative penalty assessed under this section in an amount the department determines appropriate.

f. Any person who violates the provisions of this act or any code, rule or regulation promulgated pursuant to this act shall be liable to a penalty of not more than $50,000.00 per day, to be collected in a civil action commenced by a local board of health, a county health department, or the commissioner.

Any person who violates an administrative order issued pursuant to subsection c. of this section, or a court order issued pursuant to subsection d. of this section, or who fails to pay an administrative assessment in full pursuant to subsection e. of this section is subject upon order of a court to a civil penalty not to exceed $100,000.00 per day of such violations.
chapter 158, laws of 1987

of the penalty imposed pursuant to this subsection, 10% or $250.00, whichever is greater, shall be paid to the department from the General Fund if the Attorney General determines that a person is entitled to a reward pursuant to section 2 of P.L. 1987, c. 158 (C. 13:1E-9.2).

Any penalty imposed pursuant to this subsection may be collected with costs in a summary proceeding pursuant to “the penalty enforcement law” (N.J.S. 2A:58-1 et seq.). The Superior Court and the municipal court shall have jurisdiction to enforce the provisions of “the penalty enforcement law” in connection with this act.

g. Any person who knowingly:

(1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

(2) Generates and causes or permits to be transported any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

(3) Disposes, treats, stores or transports hazardous waste without authorization from the department;

(4) Makes any false or misleading statement to any person who prepares any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department; or

(5) Makes any false or misleading statement on any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department shall, upon conviction, be guilty of a crime of the third degree and, notwithstanding the provisions of N.J.S. 2C:43-3, shall be subject to a fine of not more than $50,000.00 for the first offense and not more than $100,000.00 for the second and each subsequent offense and restitution, in addition to any other appropriate disposition authorized by subsection b. of N.J.S. 2C:43-2.

h. Any person who recklessly:

(1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;
(2) Generates and causes or permits to be transported any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

(3) Disposes, treats, stores or transports hazardous waste without authorization from the department;

(4) Makes any false or misleading statement to any person who prepares any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department; or

(5) Makes any false or misleading statement on any hazardous waste application, label, manifest, record, report, design or other document required to be submitted to the department, shall, upon conviction, be guilty of a crime of the fourth degree.

i. Any person who, regardless of intent, generates and causes or permits any hazardous waste to be transported, transports, or receives transported hazardous waste without completing and submitting to the department a hazardous waste manifest in accordance with the provisions of this act or any rule or regulation adopted pursuant hereto shall, upon conviction, be guilty of a crime of the fourth degree.

j. CHAPTER 169

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 11 of P.L. 1971, c. 317 (C. 52:4B-11) is amended to read as follows:

C. 52:4B-11 Victim compensation.
11. The board may order the payment of compensation in accordance with the provisions of this act for personal injury or death which resulted from:

(a) an attempt to prevent the commission of crime or to arrest a suspected criminal or in aiding or attempting to aid a police officer so to do, or

(b) the commission or attempt to commit any of the following offenses:

   1. aggravated assault;
   2. mayhem;
   3. threats to do bodily harm;
   4. lewd, indecent, or obscene acts;
   5. indecent acts with children;
   6. kidnapping;
   7. murder;
   8. manslaughter;
   9. rape;
  10. any other crime involving violence including domestic violence as defined by section 3 of P.L. 1981, c. 426 (C. 2C:25-3);
  11. burglary.

2. (New section) The Legislature finds and declares that:

a. The emotional and psychological injuries that are inflicted on victims of violence are often more serious than the physical injuries suffered;

b. Counseling is often a successful treatment to ease the real and profound psychological trauma experienced by these victims and their families;

c. In the counseling process, victims of violence openly discuss their emotional reactions to the crime. These reactions are often highly intertwined with their personal histories and psychological profile;

d. Counseling of violence and victims is most successful when the victims are assured their thoughts and feelings will remain confidential and will not be disclosed without their permission; and

e. Confidentiality should be accorded all victims of violence who require counseling whether or not they are able to afford the services of private psychiatrists or psychologists.

Therefore, it is the public policy of this State to extend a testimonial privilege encompassing the contents of communications with a victim counselor and to render immune from discovery or legal process the records of these communications maintained by the counselor.

3. (New section) As used in this act:

b. “Confidential communication” means any information exchanged between a victim and a victim counselor in private or in the presence of a third party who is necessary to facilitate communication or further the counseling process and which is disclosed in the course of the counselor's treatment of the victim for any emotional or psychological condition resulting from an act of violence. It includes any advice, report or working paper given or made in the course of the consultation and all information received by the victim counselor in the course of that relationship.
c. "Victim" means a person who consults a counselor for the purpose of securing advice, counseling or assistance concerning a mental, physical or emotional condition caused by an act of violence.

d. "Victim counseling center" means any office, institution, or center offering assistance to victims and their families through crisis intervention, medical and legal accompaniment and follow-up counseling.

e. "Victim counselor" means a person engaged in any office, institution or center defined as a victim counseling center by this act, who has undergone 40 hours of training and is under the control of a direct services supervisor of the center and who has a primary function of rendering advice, counseling or assisting victims of acts of violence.

4. (New section) Subject to Rule 37 of the Rules of Evidence, a victim counselor has a privilege not to be examined as a witness in any civil or criminal proceeding with regard to any confidential communication. The privilege shall be claimed by the counselor unless otherwise instructed by prior written consent of the victim. When a victim is incompetent or deceased consent to disclosure may be given by the guardian, executor or administrator except when the guardian, executor or administrator is the defendant or has a relationship with the victim such that he has an interest in the outcome of the proceeding. The privilege may be knowingly waived by a juvenile. In any instance where the juvenile is, in the opinion of the judge, incapable of knowing consent, the parent or guardian of the juvenile may waive the privilege on behalf of the juvenile, provided that the parent or guardian is not the defendant and does not have a relationship with the defendant such that he has an interest in the outcome of the proceeding. A victim counselor or a victim cannot be compelled to provide testimony in any civil or criminal proceeding that would identify the name, address, location, or telephone number of a domestic violence shelter or any other facility that provided temporary emergency shelter to the victim of the offense or transaction that is the subject of the proceeding unless the facility is a party to the proceeding.

C. 2A:84A-22.16 Constitutional requirements.

5. (New section) Nothing in this act shall be deemed to prevent the disclosure to a defendant in a criminal action of statements or information given by a victim to a county victim-witness coordinator,
where the disclosure of the statements or information is required by
the Constitution of this State or of the United States.

Repealer.
7. This act shall take effect immediately.
Approved July 8, 1987.

as follows:
C. 2A:158A-2 Indigent defendant defined.
2. As used herein "indigent defendant" means a person who is
formally charged with the commission of an indictable offense, and
who does not have the present financial ability to secure competent
legal representation, as determined by the factors in section 14 of
P.L. 1967, c. 43 (C. 2A:158A-14), and to provide all other necessary
expenses of representation.
2. Section 5 of P.L. 1967, c. 43 (C. 2A:158A-5) is amended to read
as follows:
5. It shall be the duty of the Public Defender to provide for the
legal representation of any indigent defendant who is formally
charged with the commission of an indictable offense.

All necessary services and facilities of representation (including
investigation and other preparation) shall be provided in every case.
The factors of need and real value to a defense may be weighed
against the financial constraints of the Public Defender's office in
determining what are the necessary services and facilities of represen-
tation.
Representation as herein provided for shall include any direct appeal from conviction and such post-conviction proceedings as would warrant the assignment of counsel pursuant to the court rules.

Representation for indigent defendants (a) may be provided in any federal court in any matter arising out of or relating to an action pending or recently pending in a court of criminal jurisdiction of this State and (b) may be provided in any federal court in this State where indigent defendants are charged with the commission of a federal criminal offense and where the representation is under a plan adopted pursuant to the Criminal Justice Act of 1964 (18 U.S.C. §3006A).

3. Section 14 of P.L. 1967, c. 43 (C. 2A:158A-14) is amended to read as follows:

14. Eligibility for the services of the Office of the Public Defender shall be determined on the basis of the need of the defendant. Need shall be measured according to:

a. The financial ability of the defendant to engage and compensate competent private counsel;

b. The current employment, salary and income of the defendant including prospects for continued employment if admitted to bail;

c. The liquid assets of the defendant, including all real and personal property and bank accounts;

d. The ability of the defendant to make bail and the source of bail posted;

e. Where appropriate the willingness and ability of the defendant’s immediate family, friends or employer to assist the defendant in meeting defense costs;

f. Where appropriate an assessment of the probable and reasonable costs of providing a private defense, based upon the status of the defendant, the nature and extent of the charges and the likely issues;

g. Where appropriate, the ability of the defendant to demonstrate convincingly that he has consulted at least three private attorneys, none of whom would accept the case for a fee within his ability to pay; and

h. The ability of the defendant to provide all other necessary expenses of representation.
In the event that a determination of eligibility cannot be made before the time when the first services are to be rendered, or if an initial determination is found to be erroneous, the office shall undertake the same provisionally, and if it shall subsequently be determined that the defendant is ineligible it shall so inform the defendant, and the defendant shall thereupon be obliged to engage his own counsel and to reimburse the office for the cost of the services rendered to that time.

C. 2A:158A-15.1 Court decision on appointment.

4. (New section) Notwithstanding the provisions of section 15 of P.L. 1967, c. 43 (C. 2A:158A-15) which authorizes the Office of the Public Defender to make investigations of the financial status of each defendant, in each county the Assignment Judge shall designate a judge or court support office who shall make the determination on each request by a defendant for an appointed attorney. A determination to grant or deny the services of the Public Defender shall be subject to final review by the Assignment Judge or his designated judge. The court, or a designated court support office shall make an investigation of the financial status of each defendant requesting an appointed attorney, which investigation shall include the factors enumerated in section 14 of P.L. 1967, c. 43 (C. 2A:158A-14). The court, in its discretion, may ask for the assistance of the Public Defender in conducting the investigation.

The judge or court support office is authorized to obtain information from any public record office of the State or of any subdivision or agency thereof on request and without payment of the fees ordinarily required by law.

5. (New section) Within 30 days of the effective date of this section, the Administrative Office of the Courts shall establish a system in one or more counties and the Assignment Judge, through a designated judge or court support office shall be responsible for making eligibility determinations for the services of the Office of the Public Defender in that county. The purpose of the pilot project is to enable the Judiciary to develop a program for statewide implementation and to gauge the fiscal impact of assuming responsibility for making eligibility determinations.

6. (New section) After section 4 has been in effect for three years, the Administrative Office of the Courts shall, within 60 days, report to the Legislature on the use of court personnel to determine eligibility for the services of the Office of the Public Defender.
7. There is appropriated from the General Fund to the Administrative Office of the Courts a sum sufficient to effectuate the purposes of this act.

8. This act shall take effect on the 270th day after enactment except for section 5 which shall take effect immediately. Section 4 of this act shall expire five years after it becomes effective.

CHAPTERS 171 & 172, LAWS OF 1987

Notwithstanding any law, rule or regulation to the contrary, the Director of the Division of Investment in the Department of the Treasury is authorized and directed to investigate the extent to which United States corporations or their subsidiaries doing business in Northern Ireland, in which the assets of any State pension or annuity fund are invested, adhere to principles of nondiscrimination in employment and freedom of workplace opportunity. In making this determination, the director shall consider, without limitation, the following standards for corporate activity:

The commissioner shall review and consider the findings and recommendations of the commission in the administration of the provisions of this act.

5. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $198,000,000.00 for the purpose of financing the cost of construction of correctional facilities as defined herein. 6. The bonds authorized under this act shall be serial bonds, term bonds, or a combination thereof, and shall be known as "Correctional Facilities Construction Bonds." They shall be issued from time to time as the issuing officials herein named shall determine, and may be issued in coupon form, fully-registered form or book-entry form. 7. The Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury, or any two of these officials, herein referred to as "the issuing officials," are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to the provisions of this act. 12. The bonds shall be issued and sold at such price or prices and under such terms, conditions and regulations as the issuing officials
may prescribe, after notice of the sale, published at least once in at
least three newspapers published in this State, and at least once in
a publication carrying municipal bond notices and devoted primarily
to financial news, published in this State or in the city of New York,
the first notice to appear at least five days prior to the day of bidding.
The notice of sale may contain a provision to the effect that any bid
in pursuance thereof may be rejected. In the event of rejection or of
failure to receive any acceptable bid, the issuing officials, at any time
within 60 days from the date of the advertised sale, may sell the
bonds at a private sale at such price or prices and under such terms
and conditions as the issuing officials may prescribe. The issuing
officials may sell all or part of the bonds of any series as issued to
any State fund or to the federal government or any agency thereof,
at a private sale, without advertisement.

13. Until permanent bonds are prepared, the issuing officials may
issue temporary bonds in such form and with such privileges as to
their registration and exchange for permanent bonds as may be
determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the
State Treasurer and be held by him in a separate fund, and be
deposited in such depositories as may be selected by him to the credit
of the fund, which fund shall be known as the "Correctional Facilities
Construction Fund of 1987."

15. a. The moneys in the "Correctional Facilities Construction
Fund of 1987" are specifically dedicated and shall be applied to the
cost of the purposes set forth in section 5 of this act, and all such
moneys are appropriated for those purposes, and no such moneys
shall be expended for those purposes, except as otherwise authorized
in this act, without the specific appropriation thereof by the Legis-
lature, but bonds may be issued as herein provided notwithstanding
that the Legislature shall not have then adopted an act making
specific appropriation of any of the moneys. Any act appropriating
moneys from the "Correctional Facilities Construction Fund of 1987"
shall identify the particular project or projects to be funded by the
moneys.

b. At any time prior to the issuance and sale of bonds under this
act, the State Treasurer is authorized to transfer from available
money in any fund of the treasury of the State to the credit of the
"Correctional Facilities Construction Fund of 1987," such sums as
he may deem necessary. The sums so transferred shall be returned
to the same fund of the treasury by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purpose provided in this act, moneys in the "Correctional Facilities Construction Fund of 1987" may be invested and reinvested as other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of the funds shall be paid into the General Fund.

16. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and the security, indemnity and reimbursement for expenses connected therewith, as the issuing official may require.

17. The accrued interest received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than 35 years following the date of issue of the series, and in those amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at prices and upon such terms and conditions as may be provided in the bonds.

19. The issuing officials may issue refunding bonds in an amount not to exceed the amount necessary to effectuate the refinancing of all or any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:
a. Refunding bonds may be issued at any time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on the bonds to be refinanced to the date of payment of the outstanding bonds, the expense of issuing the refunding bonds and the expenses, if any, of paying the bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the price or prices paid to the State by the initial purchasers of those refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on those bonds to be refinanced to the date of payment of those bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying those bonds to be refinanced, or, to the extent not required for that immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof as the case may be. The proceeds or moneys so held by the trustees or escrow agents may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States; provided those government securities shall not be subject to redemption prior to their maturity other
than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from the principal or interest payments on those government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for the purpose, shall be paid over to the trustees or escrow agents, and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds to be refinanced, on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from those reinvestments to the extent not required for the payment of bonds shall be paid over to the State, as received by the trustees or escrow agents. Notwithstanding any provision to the contrary contained herein: (1) the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section and redeem or sell government securities so deposited with the trustees or escrow agents and apply the proceeds thereof to (a) the purchase of bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all outstanding bonds so purchased or (b) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the outstanding bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and (2) in the event that on any date, as a result of any purchases and cancellations of the outstanding bonds or any purchases of different government securities as provided in this subsection, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect to the remaining bonds for which such deposit was made in order to pay
when due the principal of, redemption premium, if any, and interest on those remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of that excess to the State. Any amounts held by the State Treasurer in a separate fund or funds for the payment of the principal of and interest on bonds to be refinanced, as provided herein, shall, if so directed by the issuing officials, be transferred by the State Treasurer for deposit with one or more trustees or escrow agents as provided herein to be applied to the payment when due of the principal of, redemption premium, if any, and interest to become due on those bonds to be refinanced, as provided in this section, or be applied by the State Treasurer to the payment when due of the principal of and interest on refunding bonds issued hereunder to refinance those bonds. The State Treasurer is authorized to enter into contracts with one or more trust companies or national or state banks, as provided herein, to act as trustees or escrow agents as provided herein, subject to the approval of the issuing officials.

e. Notwithstanding the provisions of section 12 hereof, any series of refunding bonds issued pursuant to this section shall mature at any time or times not later than five years following the latest scheduled final maturity date, determined without regard to any redemptions prior thereto, of any of the bonds to be refunded thereby, and in no event later than 35 years following the date of issuance of that series of refunding bonds, and those refunding bonds may be sold at public or private sale at prices and under terms, conditions and regulations as the issuing officials may prescribe. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to sale provisions and to the extent therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding bonds pursuant to this section, and prior to the sale of those bonds, the issuing officials shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the issuing officials relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the issuing officials to issue and sell the refunding bonds at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sale of refunding bonds
as included in each report submitted in accordance with subsection f. of this section. The committee shall notify the issuing officials in writing of the approval or disapproval as expeditiously as possible.

h. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing officials shall notify the Joint Budget Oversight Committee, or its successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

j. The committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the issuing officials, or to the Legislature, or both, as it deems appropriate.

20. Any bond or bonds issued hereunder shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey and the faith and credit of the State shall no longer be pledged to the payment of the principal of and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents as provided herein either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall
have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent such cash will not be required at any time for the purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section and redeem or sell government securities so deposited with the trustees or escrow agents and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been re-
21. Refunding bonds issued pursuant to section 19 of this act may be consolidated with bonds issued pursuant to section 6 of this act or with bonds issued pursuant to any other act for purposes of sale.

22. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived from the collection of taxes under the "Sales and Use Tax Act," P.L. 1966, c. 30 (C. 54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property. The governing body of each municipality shall pay to the treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by him, and shall pay
the principal and interest out of the fund as the same shall become due and payable, and the other sources of payment of the principal and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered part of the General Fund, available for general purposes.

23. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, then the State Treasurer shall certify to the Director of the Division of Budget and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, which is to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

24. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1987. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 15 days prior to the election, to publish this act in at least 10 newspapers published in this State and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have each of the ballots printed as follows:

If you approve of the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “Yes.”

If you disapprove of the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “No.”

If voting machines are used, a vote of “Yes” or “No” shall be equivalent to these markings respectively.
Correctional Facilities Construction Bond Act of 1987

Should the "Correctional Facilities Construction Bond Act of 1987," which authorizes the State to issue bonds in the amount of $198,000,000.00 for the purposes of financing the planning, erection, acquisition, improvement, construction, reconstruction, development, extension, rehabilitation, demolition and equipping of State and county correctional facilities; and in a principal amount sufficient to refinance all or any of the bonds if the same will result in a present value savings; and providing the ways and means to pay the interest on the debt and also to pay and discharge the principal thereof, be approved?

Interpretive Statement

Approval of this act would authorize the sale of $198,000,000.00 in State bonds; at least $45,000,000.00 of which is for financing the construction and improvement of county correctional facilities, and the remaining amount is for financing the construction and improvement of State correctional facilities. The construction and improvement of these facilities is to address the present and anticipated deficit of bed spaces for prisoners sentenced to State and county correctional facilities. The act also authorizes the issuance of bonds in a sufficient amount to refinance all or any of these bonds if the same will result in a present value savings.

The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in the ballot. No other requirements of law as to notice or procedure, except as herein provided, need be adhered to.

The votes cast for and against the approval of this act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of the election had in the same manner as is provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined
shall be declared in the same manner as the result of an election for a Governor, and if there is a majority of all votes cast for and against it at the election in favor of the approval of this act, then all the provisions of this act not made effective theretofore shall take effect forthwith.

25. There is appropriated the sum of $5,000.00 to the Department of State for expenses in connection with the publication of notice pursuant to section 24 of this act.

26. The commissioner shall submit to the State Treasurer and the commission with the department's annual budget request a plan for the expenditure of funds from the "Correctional Facilities Construction Fund of 1987" for the upcoming fiscal year. This plan shall include the following information: a performance evaluation of the expenditures made from the fund to date; a description of programs planned during the upcoming fiscal year; a copy of the regulations in force governing the operation of programs that are financed, in part or in whole, by funds from the "Correctional Facilities Construction Fund of 1987" and an estimate of expenditures for the upcoming fiscal year.

27. Immediately following the submission to the Legislature of the Governor's annual budget message, the commissioner shall submit to the relevant standing committees of the Legislature, as designated by the President of the Senate and the Speaker of the General Assembly, and to the Joint Budget Oversight Committee, or its successor, a copy of the plan called for under section 26 of this act, together with such changes therein as may have been required by the Governor's budget message.

28. Not less than 30 days prior to entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the commissioner shall report to and consult with the Joint Budget Oversight Committee, or its successor.

29. All appropriations from the bond fund shall be by specific allocation for each major project, and any transfer of any funds so appropriated shall require the approval of the Joint Budget Oversight Committee or its successor.

30. Section 26 of P.L. 1987, c. 106 is amended to read as follows:

26. This act shall take effect on the 60th day following enactment but shall remain inoperative until the enactment into law of either Assembly Bill No. 3209 of 1986 or the Senate Committee Substitute
for Senate Bill No. 2555 OCR of 1986, or a bill of substantially similar effect.

31. This section and sections 24, 25 and 30 shall take effect immediately and the remainder of the act shall take effect as and when provided in section 24.

Approved July 9, 1987.

The Legislature finds and declares that it is in the public interest for the State to foster and promote, by all reasonable means, the relief of persons and property from the adverse effects of uncontrolled storm water drainage and the conditions of flooding. It is the purpose of this chapter to implement this policy by authorizing municipalities and counties either separately or in combination with other counties or municipalities to finance, acquire, construct, maintain, operate or improve works for the collection, diversion, impoundment, transportation and disposal of surface water in order to foster flood control and promote a basinwide or subbasinwide approach to controlling floods, thereby protecting the public from the adverse effects of uncontrolled storm water drainage and conditions of flooding.

As used in this act:

"Contracting local unit" means a local unit which enters into a contract with another local unit for the construction, maintenance, improvement, acquisition or financing of a flood control facility for its own use;

"Contractor" means a local unit, which enters into a contract with a contracting local unit to construct, maintain, improve, acquire or finance flood control facilities for the contracting local unit;

storm drains, drainage facilities, and detention basins, and the dredging or desnagging of any drainage ways;

40A:27-4. Finding of need for acquisition, construction, financing, improvement, maintenance and operation of flood control facility by local unit; notice to affected parties and to State; contents of notice, etc.

The governing body of a local unit may acquire, construct, finance, improve, maintain and operate a flood control facility upon concluding, by duly adopted resolution or ordinance, as the case may be, that the public health, safety and welfare can best be assured by the acquisition, construction, financing, improvement, maintenance and operation of the facility by the local unit or in cooperation with any other local unit and that the facility will contribute to the overall management of the surface water of the river basin or subbasin to be affected by the facility. Prior to the adoption of the resolution or ordinance, as the case may be, the governing body shall take cognizance of all existing and proposed upstream and downstream developments which may affect, or be affected by, the proposed flood control facility and shall notify, by certified mail, all upstream and downstream municipalities, soil conservation districts and counties, and the department, of its intent to construct one or more flood control facilities. The notification shall include a request for information from all upstream governments indicating which proposed developments might alter the flow of water at the proposed flood control facility. The governing body of a local unit also shall make its staff available for consultation with persons who may affect, or be affected by, the flood control facility.

The basin or subbasinwide analysis shall be submitted to the Department of Environmental Protection for its use in approving or disapproving the development and use of land regulated pursuant
to the provisions of the “Flood Hazard Area Control Act,” P.L. 1962, c. 19 (C. 58:16A-50 et seq.). Each facility shall be consistent with the Statewide Flood Control Master Plan prepared pursuant to the provisions of P.L. 1978, c. 78 and the county stormwater control and drainage plans prepared pursuant to the provisions of section 10 of P.L. 1979, c. 359 (C. 58:16A-55.4).

40A:27-5. Adoption of resolution or ordinance.

Upon the completion of this basinwide or subbasinwide analysis and after consideration of the responses of concerned parties, the governing body of a local unit may adopt a resolution or ordinance, as the case may be, to acquire, construct, finance, improve, operate or maintain the flood control facility.

A local unit is authorized:

a. To purchase, construct, improve, extend, enlarge or reconstruct flood control facilities within or adjacent to that local unit either alone or jointly with other local units and to operate, manage, maintain and control all or part of these facilities;

b. To issue general obligation bonds of the local unit to pay all or part of the cost of the purchase, construction, improvement, extension, enlargement or reconstruction of these facilities;

c. To receive and accept from the federal or State government or any agency thereof, grants for the planning, acquisition, purchase, construction, extension, enlargement, reconstruction, improvement or financing of any of these facilities and to receive and accept contributions from any source of either money, property, labor, or other things of value to be held, used and applied for the purposes for which these grants and contributions may be made;

d. To acquire in the name of the local unit by gift, purchase, or by the exercise of the right of eminent domain, lands and rights and interests therein, including lands under water and riparian rights, and to acquire such personal property, as it may deem necessary for the acquisition, purchase, construction, improvement, extension, enlargement or reconstruction, or for the efficient operation of any facility purchased or constructed under the provisions of this chapter...
and to hold and dispose of all real and personal property under its control;

e. To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this chapter and to employ engineers, superintendents, managers, attorneys, financial or other consultants or experts and other employees and agents necessary to carry out the provisions of this chapter, and to fix their compensation;

f. Subject to the provisions and restrictions set forth in the resolution or ordinance, as the case may be, authorizing or securing bonds issued under the provisions of this chapter, to enter into contracts with the government of the United States or of the State, or any agency or instrumentality thereof, or with any other local unit, private corporation, copartnership, association, or individual providing for or relating to flood control, which contracts may provide for the furnishing of flood control services either by or to the local unit, joint construction or operation of a flood control facility.

40A:27-7. Surveys, investigations, studies, plans, etc.; payment of costs.

Whenever the governing body of a local unit by resolution or ordinance, as the case may be, exercises the powers granted by this chapter, it shall make or cause to be made the necessary surveys, investigations, studies, borings, maps, plans, drawings and estimates of costs and of revenues relating to the provision of flood control facilities.

The obtaining of these surveys, investigations, studies, borings, maps, plans, drawings and estimates is declared to be a public purpose and the costs thereof may be paid out of the general funds of the local unit or from the proceeds of any bonds issued pursuant to this chapter.

40A:27-8. Restoration or compensation to owners of damaged or destroyed property.

All public or private property damaged or destroyed in carrying out the powers granted by this chapter shall be restored or repaired and placed in its original condition as nearly as practicable or ade-
quate compensation shall be made therefor to the owner out of the funds authorized by this chapter.

AN ACT concerning financing for the State’s transportation system, increasing the authorized level of bonded indebtedness for the New Jersey Transportation Trust Fund Authority and amending P.L. 1984, c. 73.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 9 of P.L. 1984, c. 73 (C. 27:1B-9) is amended to read as follows:

C. 27:1B-9 Bonds authorized.

9. a. The authority shall have the power and is hereby authorized after November 15, 1984 and from time to time thereafter to issue its bonds, notes or other obligations in principal amounts as in the opinion of the authority shall be necessary to provide for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes, obligations or interest to be funded or refunded have or have not become due; and to provide for the security thereof and for the establishment or increase of reserves to secure or to pay the bonds, notes or other obligations or interest thereon and all other reserves and all costs or expenses of the authority incident to and necessary or convenient to carry out its corporate purposes and powers; and in addition to its bonds, notes and other obligations, the authority shall have the power to issue subordinated indebtedness, which shall...
be subordinate in lien to the lien of any or all of its bonds or notes. No resolution or other action of the authority providing for the issuance of bonds, refunding bonds or other obligations shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and either the State Treasurer or the Director of the Division of Budget and Accounting in the Department of the Treasury.

b. Except as may be otherwise expressly provided in the act or by the authority, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may provide the security and payment provisions for its bonds or notes as it may determine, including (without limiting the generality of the foregoing) bonds or notes as to which the principal and interest are payable from and secured by all or any portion of the revenues of and payments to the authority, and other moneys or funds as the authority shall determine. In addition, the authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or other funds, including without limitation grants from the federal government for federal aid highways or public transportation systems, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the authority or appropriations, grants, reimbursements or other funds or revenues of the authority. The authority may also enter into bank loan agreements, lines of credit and other security agreements and obtain for or on its behalf letters of credit in each case for the purpose of securing its bonds, notes or other obligations or to provide direct payment of any costs which the authority is authorized to pay by this act and to secure repayment of any borrowings under the loan agreement, line of credit, letter of credit or other security agreement by its bonds, notes or other obligations or the proceeds thereof or by any or all of the revenues of and payments to the authority or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

c. Whether or not the bonds and notes are of the form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A.
d. Bonds or notes of the authority shall be authorized by a resolution or resolutions of the authority and may be issued in one or more series and shall bear the date, or dates, mature at the time or times, bear interest at the rate or rates of interest per annum, be in the denomination or denominations, be in the form, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources, in the medium of payment, at the place or places within or without the State, and be subject to the terms of redemption (with or without premium) as the resolution or resolutions may provide. Bonds or notes may be further secured by a trust indenture between the authority and a corporate trustee within or without the State. All other obligations of the authority shall be authorized by resolution containing terms and conditions as the authority shall determine.

e. Bonds, notes or other obligations of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine. Every bond shall mature and be paid not later than 17 years from the date thereof, except that no bond, note or other obligation shall mature and be paid later than 17 years from the effective date of this act, nor shall any refunding of such obligations mature or be paid later than that date.

Notes, the initial series of bonds and bonds issued for refunding purposes of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine.

Except as noted above, all bonds of the authority shall be sold at such price or prices and in such manner as the authority shall determine, after notice of sale, published at least three times in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in New Jersey or the City of New York, the first notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the authority, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The authority may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.
f. Bonds or notes may be issued and other obligations incurred under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, other than the approval as required by subsection a. of this section, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

g. Bonds, notes and other obligations of the authority issued or incurred under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision or be or constitute a pledge of the faith and credit of the State or of any political subdivision but all bonds, notes and obligations, unless funded or refunded by bonds, notes or other obligations of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. Each bond, note or other obligation shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations. For the purposes of this subsection, political subdivision does not include the authority.

h. All expenses incurred in carrying out the provisions of the act shall be payable solely from revenues or funds provided or to be provided under or pursuant to the provisions of the act and nothing in the act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

i. The aggregate principal amount of bonds, notes or other obligations, including subordinated indebtedness of the authority may not exceed $875,000,000.00. If in any fiscal year appropriations by the Legislature to the authority, and amounts received in accordance with contracts entered into with the toll road authorities, if those amounts are not included in legislative appropriations, shall be in excess of $143,000,000.00, the aggregate principal amount of $875,000,000.00 shall be reduced by an amount equal to the excess.
In computing the foregoing limitations there shall be excluded all the bonds, notes or other obligations, including subordinated indebtedness of the authority, which shall be issued for refunding purposes, provided that the refunding shall be determined by the authority to result in a debt service savings.

The authority shall minimize debt incurrence by first relying on appropriations and other revenues available to the authority before incurring debt to meet its statutory purposes.

The authority shall not incur debt at any time in any fiscal year in excess of the difference between the amount of appropriations and other revenues to the authority theretofore made in that fiscal year and the amount which the Department of Transportation is permitted to commit for transportation projects under the act in that fiscal year as indicated in the budget, plus reasonably necessary expenses, required debt reserve funds, debt service and outstanding financial obligations from prior fiscal years of the authority.

Debt which would have been incurred pursuant to this section, which is not incurred in any fiscal year, may be issued in subsequent years.

2. Section 17 of P.L. 1984, c. 73 (C. 27:1B-17) is amended to read as follows:

C. 27:1B-17 Annual report.

17. On or before the first day of September in each year the authority shall make an annual report of its activities for the preceding fiscal year to the Governor and to the Legislature, in addition to responding to other requests made by the Legislature from time to time. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The authority shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and the cost thereof shall be considered an expense of the authority and a copy thereof shall be filed with the Comptroller of the Treasury. Notwithstanding the provisions of any law to the contrary, the State Auditor or his legally authorized representative may examine the accounts and books of the authority.

Not later than the end of the fourth year following the effective date of this act, the Senate Transportation and Communications Committee and the Assembly Transportation, Communications and High Technology Committee, or their successors, shall undertake a
review of the implementation of this act and of the operation of the
authority and make such recommendations as they deem necessary.

The department shall, from time to time, but not less than every
six months, report to the Senate Transportation and Communi-
cations Committee and the Assembly Transportation, Communications
and High Technology Committee on the status of each project, in-
cluding public highways, financed pursuant to this act. The report
shall also include information on major changes in project status or
major impediments to the accomplishment of the planned projects.

3. Section 20 of P.L. 1984, c. 73 (C. 27:1B-20) is amended to read
as follows:

C. 27:1B-20 Transportation Trust Fund Account.

20. There is hereby established in the General Fund an account
entitled "Transportation Trust Fund Account." During the fiscal
year beginning July 1, 1984 and during each succeeding fiscal year
in which the authority has bonds, notes or other obligations outstand-
ing, the treasurer shall credit to this account, commencing with the
last business day of August 1984 and on the last business day of each
succeeding calendar month, an amount not less than $7,333,333.00,
provided that if the effective date of the act shall be later than July
1984, the initial credit shall be an amount equal to that which would
have been credited to the account had the act become effective on
July 1, 1984, and further provided that the amount credited shall
be an amount equivalent to the revenue derived from $0.025 per
gallon from the tax imposed on the sale of motor fuels pursuant to
chapter 39 of Title 54 of the Revised Statutes, as provided in Article
VIII, Section II, paragraph 4 of the State Constitution, provided,
however, such amount during any fiscal year shall not be less than
$88,000,000.00; and an amount equivalent to moneys received by the
State in accordance with contracts entered into with toll road
authorities or other State agencies. The treasurer shall also credit
to this account, in accordance with a contract between the treasurer
and the authority, an amount equivalent to the sum of the revenues
due from the increase of fees for motor vehicle registrations collected
pursuant to the amendment to R.S. 39:3-20 made by this act and
from the increase of fees for motor fuels user identification markers
collected pursuant to the amendment to section 10 of P.L. 1963, c.
44 (C. 54:39A:10) made by this act and from the increase in the tax
on diesel fuels imposed pursuant to the amendment to R.S. 54:39-27
made by this act, provided that the total amount credited during
the fiscal year beginning July 1, 1984 shall not be less than
$20,000,000.00 and that the total amount credited during the fiscal year beginning July 1, 1985 and during every fiscal year thereafter shall not be less than $30,000,000.00. No later than the fifth business day of the month following the month in which a credit has been made, the treasurer shall pay to the authority, for its purposes as provided herein, the amounts then credited to the Transportation Trust Fund Account, provided that the payments to the authority shall be subject to and dependent upon appropriations being made from time to time by the Legislature of the amounts thereof for the purposes of the act.

4. This act shall take effect immediately.

The Legislature further finds that such sponsors' or committee statements that may be adopted or included in the legislative history of this act shall be consulted in the interpretation and construction of this act.

b. As used in this act:

(1) "Claimant" means any person who brings a product liability action, and if such an action is brought through or on behalf of an estate, the term includes the person’s decedent, or if an action is brought through or on behalf of a minor, the term includes the person’s parent or guardian.

(2) "Harm" means (a) physical damage to property, other than to the product itself; (b) personal physical illness, injury or death; (c) pain and suffering, mental anguish or emotional harm; and (d) any loss of consortium or services or other loss deriving from any type of harm described in subparagraphs (a) through (c) of this paragraph.

(3) "Product liability action" means any claim or action brought by a claimant for harm caused by a product, irrespective of the theory underlying the claim, except actions for harm caused by breach of an express warranty.

(4) "Environmental tort action" means a civil action seeking damages for harm where the cause of the harm is exposure to toxic chemicals or substances, but does not mean actions involving drugs or products intended for personal consumption or use.

C. 2A:58C-2 Product liability causes of action.

2. A manufacturer or seller of a product shall be liable in a product liability action only if the claimant proves by a preponderance of the evidence that the product causing the harm was
not reasonably fit, suitable or safe for its intended purpose because it: a. deviated from the design specifications, formulae, or performance standards of the manufacturer or from otherwise identical units manufactured to the same manufacturing specifications or formulae, or b. failed to contain adequate warnings or instructions, or c. was designed in a defective manner.

C. 2A:58C-3 Design defects.

3. a. In any product liability action against a manufacturer or seller for harm allegedly caused by a product that was designed in a defective manner, the manufacturer or seller shall not be liable if:

(1) At the time the product left the control of the manufacturer, there was not a practical and technically feasible alternative design that would have prevented the harm without substantially impairing the reasonably anticipated or intended function of the product; or

(2) The characteristics of the product are known to the ordinary consumer or user, and the harm was caused by an unsafe aspect of the product that is an inherent characteristic of the product and that would be recognized by the ordinary person who uses or consumes the product with the ordinary knowledge common to the class of persons for whom the product is intended, except that this paragraph shall not apply to industrial machinery or other equipment used in the workplace and it is not intended to apply to dangers posed by products such as machinery or equipment that can feasibly be eliminated without impairing the usefulness of the product; or

(3) The harm was caused by an unavoidably unsafe aspect of the product and the product was accompanied by an adequate warning or instruction as defined in section 4 of this act.

b. The provisions of paragraph (1) of subsection a. of this section shall not apply if the court, on the basis of clear and convincing evidence, makes all of the following determinations:

(1) The product is egregiously unsafe or ultra-hazardous;

(2) The ordinary user or consumer of the product cannot reasonably be expected to have knowledge of the product’s risks, or the product poses a risk of serious injury to persons other than the user or consumer; and

(3) The product has little or no usefulness.

c. No provision of subsection a. of this section is intended to establish any rule, or alter any existing rule, with respect to the burden of proof.
C. 2A:58C-4 Adequate warning, instruction.

4. In any product liability action the manufacturer or seller shall not be liable for harm caused by a failure to warn if the product contains an adequate warning or instruction or, in the case of dangers a manufacturer or seller discovers or reasonably should discover after the product leaves its control, if the manufacturer or seller provides an adequate warning or instruction. An adequate product warning or instruction is one that a reasonably prudent person in the same or similar circumstances would have provided with respect to the danger and that communicates adequate information on the dangers and safe use of the product, taking into account the characteristics of, and the ordinary knowledge common to, the persons by whom the product is intended to be used, or in the case of prescription drugs, taking into account the characteristics of, and the ordinary knowledge common to, the prescribing physician. If the warning or instruction given in connection with a drug or device or food or food additive has been approved or prescribed by the federal Food and Drug Administration under the “Federal Food, Drug, and Cosmetic Act,” 52 Stat. 1040, 21 U.S.C. §301 et seq. or the “Public Health Service Act,” 58 Stat. 682, 42 U.S.C. §201 et seq., a rebuttable presumption shall arise that the warning or instruction is adequate. For purposes of this section, the terms “drug”, “device”, “food”, and “food additive” have the meanings defined in the “Federal Food, Drug, and Cosmetic Act.”

C. 2A:58C-5 Punitive damages.

5. a. Punitive damages may be awarded to the claimant only if the claimant proves, by a preponderance of the evidence, that the harm suffered was the result of the product manufacturer’s or seller’s acts or omissions, and such acts or omissions were actuated by actual malice or accompanied by a wanton and willful disregard of the safety of product users, consumers, or others who foreseeably might be harmed by the product. For the purposes of this section “actual malice” means an intentional wrongdoing in the sense of an evil-minded act, and “wanton and willful disregard” means a deliberate act or omission with knowledge of a high degree of probability of harm to another and reckless indifference to the consequences of such act or omission. Punitive damages shall not be awarded in the absence of an award of compensatory damages.

b. The trier of fact shall first determine whether compensatory damages are to be awarded. Evidence relevant only to punitive damages shall not be admissible in that proceeding. After such determination has been made, the trier of fact shall, in a separate
proceeding, determine whether punitive damages are to be awarded. In determining whether punitive damages are to be awarded, the trier of fact shall consider all relevant evidence, including but not limited to, the following:

(1) The likelihood at the relevant time that serious harm would arise from the tortfeasor’s conduct;

(2) The tortfeasor’s awareness of reckless disregard of the likelihood that the serious harm at issue would arise from the tortfeasor’s conduct;

(3) The conduct of the tortfeasor upon learning that its initial conduct would likely cause harm; and

(4) The duration of the conduct or any concealment of it by the tortfeasor.

c. Punitive damages shall not be awarded if a drug or device or food or food additive which caused the claimant’s harm was subject to premarket approval or licensure by the federal Food and Drug Administration under the “Federal Food, Drug, and Cosmetic Act,” 52 Stat. 1040, 21 U.S.C. §301 et seq. or the “Public Health Service Act,” 58 Stat. 682, 42 U.S.C. §201 et seq. and was approved or licensed; or is generally recognized as safe and effective pursuant to conditions established by the federal Food and Drug Administration and applicable regulations, including packaging and labeling regulations. However, where the product manufacturer knowingly withheld or misrepresented information required to be submitted under the agency’s regulations, which information was material and relevant to the harm in question, punitive damages may be awarded. For purposes of this subsection, the terms “drug”, “device”, “food”, and “food additive” have the meanings defined in the “Federal Food, Drug, and Cosmetic Act.”

d. If the trier of fact determines that punitive damages should be awarded, the trier of fact shall then determine the amount of those damages. In making that determination, the trier of fact shall consider all relevant evidence, including, but not limited to, the following:

(1) All relevant evidence relating to the factors set forth in subsection b. of this section;

(2) The profitability of the misconduct to the tortfeasor;

(3) When the misconduct was terminated; and
(4) The financial condition of the tortfeasor.

C. 2A:58C-6 Environmental tort exclusion.

6. The provisions of this act shall not apply to any environmental tort action.

C. 2A:58C-7 Burden of proof.

7. Except as otherwise expressly provided in this act, no provision of this act is intended to establish any rule, or alter any existing rule, with respect to the burden of proof in a product liability action.

8. This act shall take effect immediately except that provisions of this act that establish new rules with respect to the burden of proof or the imposition of liability in product liability actions shall apply only to product liability actions filed on or after the date of enactment.
