**TO:** Honorable Members of the New Jersey State Legislature

**FROM:** Robert A. Briant, Jr., Vice Chairman of the Board, New Jersey Infrastructure Bank

**SUBJECT:** State Fiscal Year 2019 Fourth Amended Interim Financing Program Project Priority List for Short-Term Funding in the New Jersey Environmental Infrastructure Financing Program

---

**Overview** – The New Jersey Infrastructure Bank (the “I-Bank”) is pleased to present to the New Jersey State Legislature, an amended Project Priority List (“PPL”) for the New Jersey Environmental Infrastructure Financing Program (“NJEIFP” or “NJ Water Bank”). The PPL consists of four hundred twenty nine (429) projects at a total estimated cost of \$4.15 billion, including twenty-six (26) additional projects and one additional supplemental project for which applications were received since December 15, 2018, the cut-off date for the previous amended PPL, for State Fiscal Year (“SFY”) 2019. This amended PPL is submitted in accordance with the I-Bank’s Enabling Act, P.L. 1985, Chapter 334, as amended (“Enabling Act”) and is a complete compilation of all projects seeking financing.

**Background** – Since issuing the first loan in 1987, the I-Bank has partnered with the Department of Environmental Protection (“DEP”) to jointly fund and manage the annual New Jersey Water Bank, which provides efficient, low-cost financing for environmental infrastructure projects. The NJ Water Bank leverages Federal and State Revolving Funds (“SRF”), offered at a zero-percent interest, with I-Bank publicly issued AAA rated bonds to provide the lowest possible interest rate loans to participants for the construction and long-term funding of environmental infrastructure projects.

**Short-Term Loan Priority List** – As one of the partners in the NJ Water Bank, the I-Bank issues short-term loans to facilitate the engineering design and construction processes. The I-Bank’s Enabling Act requires that any project receiving short-term financing must be included on the interim financing PPL submitted to the Legislature and must be sponsored by an eligible borrower. The PPL for SFY2019 was first submitted to the Legislature as part of the NJ Water Bank’s SFY2019 Priority System and Project Priority List in January 2018 (the “January Report”). The PPL was also submitted to the Legislature in May 2018 as part of the I-Bank Financing Program Base SFY2019 and Superstorm Sandy Financial Plan (the “May Report”), limited to projects receiving authorization to award construction on or before March 15, 2018. The Enabling Act (P.L.2016, c. 30) authorizes the I-Bank to amend the Priority List four times during the fiscal year. Most recently, the Third

Amended Project Priority List was submitted to the Legislature in January 2019. This submission serves as the fourth such amendment.

**Projects** – The First Amended Interim Financing Program Priority List for SFY2019 submitted on August 10, 2018, listed 379 projects on the Project List costing \$3.86 billion. The Second Amended Interim Financing Program Project Priority List for SFY2019 submitted in October 2018, listed 402 projects costing \$3.94 billion. The Third Amended Interim Financing Program Project Priority List for SFY2019 submitted in January 2019 listed 408 projects costing \$3.73 billion. The Fourth Amended Interim Financing Program Project Priority List for SFY2019 submitted herewith reflects the revision of the estimated cost of eighteen (18) projects and the addition of twenty-six (26) new projects and one new supplemental loan project (identified in **Green**). In total, the Fourth Amended SFY2019 Project Priority List identifies 429 projects costing \$4.15 billion. As is customary, the SFY2019 Priority List is presented as two project lists;

- Clean Water projects are listed in Appendix A, and
- Drinking Water projects in Appendix B.

The projects are presented both alphabetically and in prioritization rank order. The NJ Water Bank's project prioritization methodology is the means by which limited financing program funds are distributed among eligible projects. The detailed ranking methodologies for Clean Water and Drinking Water Projects were set forth in the NJ Water Bank's Federal FY2018 CW/DW Intended Use Plan submitted by the DEP. It is available at: <https://www.njib.gov/nj/Water+Bank+Program+Publications.26>.

## APPENDIX A – CLEAN WATER

### Fourth Amended SFY2019 Clean Water/Superstorm Sandy Interim Environmental Financing Program Disaster Relief Emergency Financing (Statewide Assistance Infrastructure Loan (SAIL)) Program Project Priority Lists

#### Alphabetical Order

| Legislative District                     | Applicant  | Project Number      | Project Description  | Estimated Project Amount |
|--|--|---------------------|--|--------------------------|
| <b>SUPPLEMENTAL LOANS</b>                |  |                     |  |                          |
| 32,33                                    | North Hudson Sewer Authority                           | S340952-19-1        | Combined Sewer Improvements  | \$ 700,000               |
| <b>40</b>                                | <b>Rockaway Valley RSA</b>                             | <b>S340821-06-1</b> | <b>Old Jersey Trunk Sewer Replacement</b>  | <b>\$ 775,000</b>        |
| 21                                       | Warren Township Sewer Authority                        | S340964-02-1        | Fox Hill West & Heather Lane Pump Station  | \$ 350,000               |
|  | <b>Total Number Clean Water Supplemental Projects:</b> | <b>3</b>            | <b>Subtotal:</b>   | <b>\$ 1,825,000</b>      |
| <b>BASE &amp; SUPERSTORM SANDY LOANS</b> |  |                     |  |                          |
| 13                                       | Aberdeen Township                                      | S340869-02          | Sanitary Sewer and PS Upgrades   | \$ 9,000,000             |
| 12                                       | Allentown Borough                                      | S340567-05          | Sewer Plant Modifications  | \$ 3,112,994             |
| 12                                       | Allentown Borough                                      | S340567-06          | Water Meter Replacement  | \$ 664,938               |
| 11                                       | Asbury Park City                                       | S340883-08          | Sewer Plant  | \$ 63,000,000            |
| 2,9                                      | Atlantic County Utilities Authority                    | S340809-24          | Pump Station Resiliency  | <b>\$ 500,000</b>        |
| 2,9                                      | Atlantic County Utilities Authority                    | S340809-29          | Replace a portion of Brigantine Force Main   | \$ 4,300,000             |
| 2,9                                      | Atlantic County Utilities Authority                    | S340809-28          | Sewer Sludge Incinerator Improvements  | \$ 4,100,000             |
| 31                                       | Bayonne City   | S340399-31          | <b>CSO - Stormwater Management Facilities and Park Improvements</b>                    | \$ 1,618,539             |
| <b>12,13</b>                             | <b>Bayshore Regional Sewer Authority</b>               | <b>S340697-06</b>   | <b>Restoration / Mitigation of Blower Bldg. &amp; Power Distribution System (SAIL)</b> | <b>\$ 15,100,000</b>     |
