BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Notwithstanding any provision of R. S. 39:3-29, as amended by P. L. 1972, c. 200, to the contrary, no driver or operator of a motor vehicle shall be required to have an insurance identification card in his possession prior to March 1, 1973. Nothing contained herein shall relieve the owners and operators of motor vehicles of their obligation to maintain the requisite compulsory insurance coverage after January 1, 1973 as mandated by P. L. 1972, c. 197 (C. 39:6B-1 et seq.).

2. Any summons issued or conviction imposed heretofore for failure of a driver or operator of a motor vehicle to have an insurance identification card in his possession shall be null and void; all fines heretofore imposed for such failure shall be refunded; and all court records and Division of Motor Vehicle records pertaining to such summons or conviction shall be expunged.

3. This act shall take effect immediately.

CHAPTER 2

1. There is hereby established a New Jersey 1973 Presidential Inauguration Committee to consist of the Republican State Committee Chairman, the Democratic State Committee Chairman and one additional member to be appointed jointly by the other two members of the committee. This committee shall make the necessary and appropriate arrangements for the representation of New Jersey at the inauguration of President Richard M. Nixon in 1973.

2. There is hereby appropriated to this committee the sum of $10,000.00 to implement the purposes of this act.

3. This act shall take effect immediately.

CHAPTER 3

AN ACT concerning education, and supplementing chapter 46 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 18A:46-7.1 Annual distribution of certain materials.

1. In every school district having children who have been classified as handicapped pursuant to the provisions of chapter 46 (Classes and Facilities for Handicapped Children) of Title 18A of the New Jersey Statutes, the board of education of the district shall, annually, cause copies of said chapter 46, as amended and supplemented, together with all current rules and regulations of the commissioner relating thereto, to be prepared for distribution to parents of children classified as handicapped or the persons having control or custody of such children who request copies thereof.

Persons requesting copies shall be required to pay a reasonable fee as fixed by the board, to cover the cost of preparing the copies.

2. This act shall take effect immediately but shall remain inoperative until July 1 following its enactment.

CHAPTER 4

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 18A:46-14 is amended to read as follows:

Enumeration of facilities and programs.

18A:46-14. The facilities and programs of education required under this chapter shall be provided by one or more of the following:

a. A special class or classes in the district, including a class or classes in hospitals, convalescent homes, or other institutions;

b. A special class in the public schools of another district in this State or an adjoining or nearby state;

c. Joint facilities including a class or classes in hospitals, convalescent homes or other institutions to be provided by agreement between one or more school districts;

d. A jointure commission program;

e. A State of New Jersey operated program;

f. Instruction at school supplementary to the other programs in the school, whenever, in the judgment of the board of education with the consent of the commissioner, the handicapped pupil will be best served thereby;

g. Sending children capable of benefiting from a day school instructional program to privately operated day classes, in New Jersey or an adjoining state or a nearby state and within 400 miles of Trenton or, with the approval of the commissioner to meet particular circumstances, at a greater distance from Trenton, the services of which are nonsectarian whenever in the judgment of the board of education with the consent of the commissioner it is impractical to provide services pursuant to subsections a., b., c., d., e., or f. otherwise;

h. Individual instruction at home or in school whenever in the judgment of the board of education with the consent of the commissioner it is impracticable to provide a suitable special education program for a child pursuant to subsections a., b., c., d., e., f., or g. otherwise.
Whenever any child shall be confined to a hospital, convalescent home, or other institution in New Jersey or an adjoining or nearby state and is enrolled in an education program approved under this article, the board of education of the district in which the child is domiciled shall pay the tuition of said child in the special education program.

The board of education may also furnish: (a) the facilities or programs provided in this article to any person over the age of 20 who does not hold a diploma of a high school approved in this State or in any other state in the United States, (b) suitable approved facilities and programs for children under the age of 5.

2. This act shall take effect immediately.

CHAPTER 5

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 13 of P. L. 1952, c. 173 (C. 39:6-35) is amended to read as follows:

C. 39:6-35 Failure to satisfy judgment; discharge in bankruptcy.
13. If a person fails to pay and satisfy every judgment rendered against him for damages because of personal injury or death, or damage to property in excess of $100.00, resulting from the ownership, maintenance, use or operation of a motor vehicle and every judgment based on an agreement or contract made in settlement of damages arising out of a motor vehicle accident, within 60 days after its entry, or if an appeal is taken therefrom within that time, within 60 days after the judgment as entered or modified becomes final, the operator’s license and all registration certificates of any such person, other than a chauffeur or operator employed by the owner of a motor vehicle and so acting at the time of the damage, injuries or death resulting in the judgment, shall, upon receiving a certified copy of a transcript of the final judgment from the court in which it was rendered showing it to have been still unsatisfied
more than 60 days after it became final, be forthwith suspended by the director.

If the director is satisfied that a judgment debtor or his insurance carrier was, within the said 60-day period, ready, willing and able to pay the said judgment but was prevented from so doing by reason of the refusal or legal inability of the judgment creditor to accept payment, or that the failure to pay said judgment within the said 60-day period was due to the act or neglect of the judgment debtor's insurance carrier and not to any fault of the judgment debtor, then the director may, in his discretion, extend the 60-day limitation herein prescribed for any reasonable time necessary to complete the formality of payment of the judgment and shall not suspend the judgment debtor’s driver’s license, operating privilege or certificate of registration.

The judgment herein mentioned shall be a judgment of a court of competent jurisdiction of this State or any other state or of a District Court of the United States.

The license and registration certificates shall remain so suspended and shall not be renewed, nor shall a motor vehicle be thereafter registered in the name of that person while the judgment remains unstayed, unsatisfied, subsisting and until every such judgment is satisfied or discharged, and until he gives proof of his ability to respond in damages, as required in this act, for future accidents, except that in event that the judgment debtor shall be relieved of liability for payment of said judgment by an adjudication of the court in which the same was entered, or if the right to enforce said judgment by docketing and revival, or by revival, or by bringing an action thereon, shall have expired without such revival or the bringing of any such action thereon, the judgment debtor’s license shall be restored to him, and one or more motor vehicles may be registered in his name, upon application to the Division of Motor Vehicles and upon his giving proof of ability to respond in damages, as required in this act, for future accidents.

A discharge in bankruptcy shall relieve the judgment debtor from any of the requirements of this act, provided that the underlying judgment was not based on a willful or malicious tort.

The clerk of the court in which the judgment is rendered, or the court where it has no clerk, shall forward to the director, at the request of the judgment creditor or his attorney, after the expiration of the 60 days a certified copy of the judgment or a transcript thereof, as aforesaid.
Upon the filing with the court of proof of satisfaction or discharge of a judgment, the nonpayment of which has been previously certified to the director, the clerk of the court, or the court where it has no clerk shall immediately forward notice of such satisfaction or discharge to the director.

If the defendant is a nonresident the director shall transmit to the officer in charge of the issuance of driver licenses and registration certificates of the State of which the defendant is a resident a certified copy of the judgment.

If after proof is given, another such judgment is recovered against that person for an accident occurring before the proof was given, the license and certificate shall again be and remain suspended, and no other license or certificate shall be issued to him while the judgment so remains unsatisfied and subsisting.

2. This act shall take effect immediately.

CHAPTER 6

AN ACT to authorize the issuance of permits by the Director of Motor Vehicles under which certain unregistered vehicles may be allowed to cross public highways, supplementing Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 39:3-26.1 Highway crossing permit for certain vehicles.

1. Any self-propelled vehicle or vehicles which are used or intended to be used solely upon the private property of one person, and which would otherwise be required to be registered under this title in order to operate upon a public highway, may be allowed, subject to the provisions of this act, to cross a public highway for the purpose of gaining access from one portion of such private property to another, without the necessity of complying with the registration requirements of this title, upon issuance of a crossing permit by the director and subject to compliance with the terms and conditions of such permit.
CHAPTER 6, LAWS OF 1973

C. 39:3-26.2 Specifications of permit.

2. a. A property owner wishing a crossing permit under the terms of this act shall make application to the director, setting forth the number and types of vehicles which may cross the public highway, the anticipated frequency of crossings, and the proposed location or locations of such crossings, and shall supply such further information as the director may deem necessary, in such form and detail as the director shall require.

b. After receipt of the application and of the required fee, and having determined to his satisfaction that the proposed crossings may be permitted without danger of damage to the highway or hazard to the public traveling along such highway, the director shall issue a crossing permit, which shall specify:

(1) the vehicle or vehicles, or type or types of vehicles permitted to cross;

(2) the location or locations of the crossing or crossings permitted, provided that the width of any such crossing zone be no greater than 150 feet;

(3) any warning signs or other safety devices or precautions, and their location with respect to the location of the crossing or crossings, which are to be erected and maintained by the holder of the permit at his expense, and which are deemed necessary for safety;

(4) any safety devices or other equipment, including lights to be installed and used upon vehicles making the crossing;

(5) any restrictions upon the time of day at which such crossings may be made; and

(6) any other terms and conditions which the director deems necessary in order to secure the safety of the public or to protect the highway from damage.

C. 39:3-26.3 Revocation of permit.

3. In addition to subjecting the holder of a crossing permit to the penalty provided for operation of an unregistered vehicle upon a highway, the director shall revoke the crossing permit of any person who operates or permits the operation of an unregistered vehicle upon a highway other than as authorized by the crossing permit. No person shall operate such vehicle upon a highway as
authorized by the crossing permit unless he shall possess a valid New Jersey driver's license for the class of vehicle being operated.

C. 39:3-26.4 Fees.

4. a. Each applicant for a crossing permit under this act shall accompany his application with a fee based on the gross weight of vehicle and load for each vehicle which he proposes to operate under the permit, in accordance with the following schedule:

</table>

In the event that the permit is denied or the number of permitted vehicles is reduced by the director, the fee or the amount thereof which is in excess of the amount indicated by the number of vehicles permitted shall be refunded.

b. A permit under this act shall be in effect for 1 year from the date of issuance and shall be renewable annually upon payment of the fee prescribed in subsection a. of this section. The director may refuse to renew or modify the terms of the permit upon renewal if he finds that the safety of the public or the proper maintenance of the highway so requires.

5. In the event of death, bodily injury or property damage arising in connection with the operation of any vehicle while on a public highway and with respect to which a crossing permit under this act has been issued, the operator, permit holder and owner of the vehicle (if he be other than the permit holder) shall be subject to the provisions of the "Motor Vehicle Security-Responsibility Law" (L. 1952, c. 173, C. 39:6-23 et seq.). Any circumstances which would authorize or require the director to suspend the registration of a registered vehicle pursuant to said law shall also be deemed to authorize or require the revocation of a permit issued pursuant to this act; and in such case the permit shall be revoked in its entirety and not with respect only to a particular vehicle or vehicles.

6. This act shall take effect immediately.

CHAPTER 7

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 18A:46–2 is amended to read as follows:

18A:46–2. The commissioner shall be responsible for the coordination of the work of the county departments of child study and the general administration of special educational services in the public schools of this State.

In order to carry out the provisions of this chapter, he shall appoint to his staff persons qualified to administer educational services in the general field of education for handicapped children including each of the following disability groups: (1) mentally retarded, (2) orthopedically handicapped, (3) communication handicapped, (4) visually handicapped, (5) neurologically or perceptually impaired, (6) chronically ill, (7) emotionally disturbed, (8) socially maladjusted, (9) and the auditorily handicapped, and a consultant experienced in child psychiatry, and specialists in school psychology, health service, school social work, learning disabilities and special education and such other qualified personnel as he shall deem necessary and he shall fix their compensation with the approval of the State board.

The commissioner shall appoint biannually an advisory council with the approval of the State board which will consist of not less than seven nor more than 15 members representative of public and private professional and lay interests. The advisory council shall advise in the promulgation of rules, regulations and the implementation of this chapter and the establishment of standards and qualifications for the professional personnel. The council shall serve without remuneration.

2. This act shall take effect immediately.

CHAPTER 8

AN ACT concerning the fund for the retirement upon pension of certain employees of the boards of education in school districts in first-class counties, providing for a referendum on the question of Social Security coverage and upon the termination of such fund for the repeal of article 2 of chapter 66 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 18A:66-126.9 Definitions.

1. As used in this act:

a. "Pension fund" means the fund operating under the provisions of article 2 of chapter 66 of Title 18A of the New Jersey Statutes, as such fund applies to certain employees of the boards of education in school districts in counties of the first class.

b. "Retirement system" means the Public Employees' Retirement System of New Jersey as established under the provisions of P. L. 1954, c. 84.

C. 18A:66-126.10 Duties of State Treasurer.

2. a. The State Treasurer, as the State Agency for Social Security, is directed to conduct a referendum on the question of whether the service performed by members of the pension fund established under article 2 of chapter 66 of Title 18A of the New Jersey Statutes should be excluded from or included under the State's agreement with the Federal Government.

b. The State Treasurer is further directed to secure Social Security coverage for the members of the pension fund within 60 days after a majority of such members qualified to vote in a referendum as required by section 218 (d) (3) of the Social Security Act shall have voted to be covered under terms of that act.

The State Treasurer is also directed to obtain Social Security coverage for such members on a prospective basis only.

C. 18A:66-126.11 Applicability of certain provisions to members of pension fund.

3. If Social Security coverage is extended to members of the pension fund, the provisions of P. L. 1956, c. 169 shall apply to
such members of said pension fund subject to the following provisions:

a. Any member of the pension fund who was a member on or before June 26, 1962 and who has or shall hereafter have credit in the pension fund and the retirement system for 30 years or more as an employee of a board of education, shall, upon application to the board of trustees of the retirement system, be retired by such board of trustees and shall thereupon receive annually, for and during the remainder of his life, by way of a retirement allowance, an amount equal to \( \frac{1}{2} \) of the average annual salary received by him during the 3 years immediately preceding his retirement multiplied by the number of years he has credit in the pension fund and the retirement system as an employee of a board of education.

Any such retirement allowance payable under this subsection shall be in lieu of the retirement benefits which would accrue to the said employee under the retirement system or any retirement system established by the State or any of its political subdivisions.

b. The transfer of prior service, contributing membership credit, and the moneys attributable to the accounts of public employee veteran members of the pension fund to the retirement system shall not alter the service credit previously established.

c. All pensions granted by the pension fund shall be payable by the retirement system in equal monthly installments.

d. All purchases of service credit contracted with the pension fund shall be continued without alteration in terms of credit to be established, the cost and the amount of the additional payroll deductions prescribed for such purchase.

e. All reserves and moneys held by the insurance carrier under contracts provided by employer and employee contributions to the county superintendent of schools, the policyholder, shall be transferred and merged with those maintained for all members of the retirement system.

f. If a transferring member was not covered by either or both noncontributory and contributory death benefit coverages, he may be allowed the death benefits of the retirement system, provided, however, that such member must furnish satisfactory evidence of insurability and on the effective date of his membership in the
retirement system is actively at work and performing all his regular duties at his customary place of employment. The effective date of coverage for such benefits shall be on the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

Such evidence of insurability will not be required of any transferring member if such member was covered by such benefits immediately prior to the transfer.

4. The termination of the pension fund pursuant to the provisions of P. L. 1956, c. 169 shall result in the repeal of article 2 of chapter 66 of Title 18A of the New Jersey Statutes and all acts amendatory and supplementary thereto.

5. This act shall take effect immediately.

CHAPTER 9

Be it enacted by the Senate and General Assembly of the State of New Jersey:

Repealer.

2. This act shall take effect immediately.

CHAPTER 10

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 54:1-35.6 Real estate sales ratio records deemed to be public records.
1. Real estate sales ratio records (Form SR 1-A) of the Local Property Tax Bureau, Division of Taxation, Department of the Treasury, in the possession of the boards of taxation of each county, and containing information relating to the sale of real property and the address or block and lot designation of such real property as reported by the register of deeds and mortgages or county clerk of the county in which such real property is situate are deemed to be public records for the purposes of P. L. 1963, c. 73 (C. 47:1A-1 et seq.).
2. This act shall take effect immediately.

CHAPTER 11

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:3–84 is amended to read as follows:

Dimensional restrictions; outside width; height; overall length; weight.

39:3–84. No commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any highway in this State the outside width of which is more than 96 inches, inclusive of load, or the height of which exceeds 13 1/2 feet, inclusive of load, and no commercial motor vehicle, tractor or trailer shall be operated on any highway in this State the extreme overall length of which exceeds 35 feet either for a 2-axle 4-wheeled vehicle, inclusive of load, or
35 feet either for a 3-axle 6-wheeled vehicle, inclusive of load, except that a vehicle or vehicle inclusive of load exceeding the above limitations may be operated when a special permit so to operate is secured in advance from the director. The application for such permit shall be accompanied by a fee fixed by the director. A special permit issued by the director shall be in the possession of the operator of the vehicle for which such permit was issued. In computing any dimensions of a vehicle, or vehicle and load, for the purposes of this section, there shall not be included in the dimensional limitations safety appliances such as mirrors or lights, or chains or similar fasteners used for the securing of cargo, provided such appliances or fasteners do not exceed the over-all limitations established by the director by rule or regulation.

In the case of an omnibus the maximum width and length dimensions shall be such as the Board of Public Utility Commissioners prescribe, but no outside width in excess of 96 inches shall be prescribed with respect to one or more highways specified or otherwise described except upon certifications, (1) of the Division of Motor Vehicles in the Department of Law and Public Safety that the proposed width is not unsafe for use on the highways in this State and (2) of the State Highway Department that the proposed width, if in excess of 96 inches, is not in conflict with the requirements of any agency of the United States having jurisdiction over the National System of Interstate and Defense Highways authorized by law. No outside width so prescribed shall be valid if the allowance of use of the same would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving Federal highway funds.

In the case of farm tractors and traction equipment and farm machinery and implements, the maximum width and length shall be such as the Director of the Division of Motor Vehicles shall prescribe by uniform rules and regulations but the operation of such vehicles shall be subject to the provisions of section 39:3-24 of this Title and any such vehicle shall not be operated on any highway which is part of the National System of Interstate and Defense Highways or on any highway which has been designated a freeway or parkway as provided by law.

In the case of commercial motor vehicles, trailers and semitrailers including farm trucks, while loaded with hay or straw the maximum width of the load shall not exceed 105½ inches.

No commercial motor vehicle drawing or having attached thereto any other such vehicle, nor any combination of vehicles, shall be
operated on any highway in this State, in excess of a total over-all length, inclusive of load, of 55 feet except a vehicle or a combination of vehicles transporting poles, pilings, structural units or other articles incapable of dismemberment the total overall length of which, inclusive of load, shall not exceed 70 feet, but the provisions of this paragraph shall not apply to a vehicle nor to any combination of vehicles, operated by a public utility as defined in R. S. 48:2-13 which vehicle or combination of vehicles is used by such public utility in the construction, reconstruction, repair or maintenance of its property or facilities.

Notwithstanding the above limitations, a combination of vehicles designed, built and used to transport other motor vehicles may carry a load which exceeds the 55 feet overall length, provided, however, the total load overhang shall be limited to 5 feet and may not exceed 3 feet at either the front or rear and that the overhang shall be above the height of the average passenger car.

The gross weight imposed on the highway by the wheels of any one axle of a vehicle shall not exceed 22,400 pounds.

For the purpose of this Title the gross weight imposed on the highway by the wheels of any one axle of a vehicle shall be deemed to mean the total load transmitted to the road by all wheels whose centers are included between two parallel transverse vertical planes less than 40 inches apart, extending across the full width of the vehicle.

The combined gross weight imposed on the highway by all wheels of all axles whose centers are on or between two parallel transverse vertical planes spaced 40 inches, but less than 96 inches apart, extending across the full width of the vehicle, shall not exceed 32,000 pounds.

In addition to the other requirements of this section and notwithstanding any other provision of this Title, no commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any highway in this State with a combined weight of vehicle and load, an axle weight or a vehicle dimension the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving Federal highway funds.

2. This act shall take effect immediately.

CHAPTER 14

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 33:1-25 is amended to read as follows:

Qualifications of licensees; corporations; partnerships and clubs; application; deposit of fee; notice of application; false statements.

33:1-25. No license of any class shall be issued to any person under the age of 21 years or to any person who has been convicted of a crime involving moral turpitude.

In applications by corporations, except for club licenses, the names and addresses of, and the amount of stock held by, all stockholders holding 1% or more of any of the stock thereof, and the names and addresses of all officers and of all members of the board of directors must be stated in the application, and if one or more of such officers or members of the board of directors or one or more of the owners, directly or indirectly, of more than 10% of such stock would fail to qualify as an individual applicant in all respects, no license of any class shall be granted.
In applications for club licenses, the names and addresses of all officers, trustees, directors, or other governing official, together with the names and addresses of all members of the corporation, association or organization must be stated in the application.

In applications by partnerships, the application shall contain the names and addresses of all of the partners. No license shall be issued unless all of the partners would qualify as individual applicants.

A photostatic copy of all Federal permits necessary to the lawful conduct of the business for which a State license is sought and which relate to alcoholic beverages, or other evidence in lieu thereof satisfactory to the director, must accompany the license application, together with a deposit of the full amount of the required license fee, which deposit to the extent of 90% thereof shall be returned to the applicant by the director or other issuing authority if the application is denied, and the remaining 10% shall constitute an investigation fee and be accounted for as other license fees.

Every applicant for a license shall cause a notice of the making of such application to be published in a form prescribed by rules and regulations, once a week for 2 weeks successively in a newspaper printed in the English language, published and circulated in the municipality in which the licensed premises are located; but if there shall be no such newspaper, then such notice shall be published in a newspaper, printed in the English language, published and circulated in the county in which the licensed premises are located. No publication shall be required with respect to applications for transportation or public warehouse licenses.

Every person filing an application for license, renewal of license or transfer of license with a municipal issuing authority shall, within 10 days of such filing, file with the director a copy of such application together with a nonreturnable filing fee of $25.00.

Applicants for licenses shall answer such questions as may be asked and make such declarations as shall be required by the form of application for license as may be promulgated by the director from time to time. All applications shall be duly sworn to by each of the applicants, except in the case of applicants in the military service of the United States whose applications may be signed in their behalf by an attorney-in-fact holding a power of attorney in form approved by the director, and except in cases of applications by corporations which shall be duly sworn to by the president or
vice-president. All statements in said applications required to be made by law or by rules and regulations shall be deemed material, and any person who shall knowingly misstate any material fact, under oath, in said application shall be guilty of a misdemeanor. Fraud, misrepresentation, false statements, misleading statements, evasions or suppression of material facts in the securing of a license are grounds for suspension or revocation of the license.

2. R. S. 33:1-26 is amended to read as follows:

Term of license; prorated fee; separate licenses; license restrictions; extension of license; procedure on transfer of license; employment regulations.

33:1-26. All licenses shall be for a term of 1 year from July 1 in each year. The respective fees for any such license shall be prorated according to the effective date of such license and based on the respective annual fee as in this chapter provided. Where the license fee deposited with the application exceeds such prorated fee, a refund of the excess shall be made to the licensee. Licenses are not transferable except as hereinafter provided. A separate license is required for each specific place of business and the operation and effect of every license is confined to the licensed premises. No retail license of any class shall be issued to any holder of manufacturer’s or wholesaler’s license, and no manufacturer’s or wholesaler’s license shall be issued to the holder of a retail license of any class. Any person who shall exercise or attempt to exercise, or hold himself out as authorized to exercise, the rights and privileges of a license except the licensee and then only with respect to the licensed premises, shall be guilty of a misdemeanor.

In case of death, bankruptcy, receivership or incompetency of the licensee, or if for any other reason whatsoever the operation of the business covered by the license shall devolve by operation of law upon a person other than the licensee, the director or the issuing authority may, in his or its discretion, extend said license for a limited time, not exceeding its term, to the executor, administrator, trustee, receiver or other person upon whom the same has devolved by operation of law as aforesaid. Under no circumstances, however, shall a license, or rights thereunder, be deemed property, subject to inheritance, sale, pledge, lien, levy, attachment, execution, seizure for debts, or any other transfer or disposition whatsoever, except to the extent expressly provided by this chapter.

On application made therefor setting forth the same matters and things with reference to the premises to which a transfer of license is sought as are required to be set forth in connection with an original application for license, as to said premises, and after
publication of notice of intention to apply for transfer, in the same manner as is required in case of an application for license as to said premises, the director or other issuing authority may transfer, upon payment of a fee of 10% of the annual license fee for the license sought to be transferred, any license issued by him or it respectively to a different place of business than that specified therein, by endorsing permission upon such license.

On application made therefor setting forth the same matters and things with reference to the person to whom a transfer of license is sought as are required to be set forth in connection with an original application for license, which application for transfer shall be signed and sworn to by the person to whom the transfer of license is sought and shall bear the consent in writing of the licensee to such transfer, and after publication of notice of intention by the person to whom the transfer of license is sought, to apply for transfer in the same manner as is required in the case of an original application for license, the director or other issuing authority, as the case may be, may transfer any license issued by him or it respectively to such applicant for transfer by endorsing the license. Such application and the applicant shall comply with all requirements of this chapter pertaining to an original application for license and shall be accompanied, in lieu of the license fee required on the original application, by a fee of 10% of the annual license fee for the license sought to be transferred, which 10% shall be retained by the director or other issuing authority, as the case may be, whether the transfer be granted or not, and accounted for as other license fees.

If the other issuing authority shall refuse to grant a transfer the applicant shall be notified forthwith of such refusal by a notice served personally upon the applicant, or sent to him by registered mail addressed to him at the address stated in the application, and such applicant may, within 30 days after the date of service or mailing of such notice, appeal to the director from the action of the issuing authority. If the other issuing authority shall grant a transfer any taxpayer or other aggrieved person opposing the grant of the transfer may, within 30 days after the grant of such transfer, appeal to the director from the action of the issuing authority.

No person who would fail to qualify as a licensee under this chapter shall be knowingly employed by or connected in any business capacity whatsoever with a licensee. Persons failing to qualify as to age may, with the approval of the director, and subject
to the rules and regulations, be employed by any licensee, but such employee shall not, in any manner whatsoever, serve, sell or solicit the sale or participate in the manufacture, rectification, blending, treating, fortification, mixing, processing or bottling of any alcoholic beverage; and further provided, that no permit shall be necessary for the employment in a bona fide hotel or restaurant of any person failing to qualify as to age so long as such person shall not in any manner whatsoever serve, sell or solicit the sale of any alcoholic beverage, or participate in the mixing, processing or preparation thereof.

3. This act shall take effect immediately.

CHAPTER 15

AN ACT providing that the State of New Jersey may enter into a compact with any of the states of the United States whereby prisoners from compact states may be transferred between such states and confined in facilities outside the state of conviction on a reciprocal basis.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:7C-1 Short title.

1. Title. This chapter may be cited as the Interstate Corrections Compact.

2. Interstate Corrections Compact. The Interstate Corrections Compact is hereby enacted into law and entered into by this State with any other states legally joining therein in the form substantially as follows:

INTERSTATE CORRECTIONS COMPACT

ARTICLE I

C. 30:7C-2 Declaration of policy.

The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party
states to provide such facilities and programs on a basis of cooperation with one another, and with the Federal Government, thereby serving the best interest of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

ARTICLE II

C. 30:7C-3 Definitions.
As used in this compact, unless the context clearly requires otherwise:

a. "State" means a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.

b. "Sending state" means a state party to this compact in which conviction or court commitment was had.

c. "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.

d. "Inmate" means a male or female offender who is committed, under sentence to or confined in a penal or correctional institution.

e. "Institution" means any penal or correctional facility, including but not limited to a facility for the mentally ill or mentally defective, in which inmates as defined in d. above may lawfully be confined.

ARTICLE III

C. 30:7C-4 Authority to make contracts; contents of contracts.

a. Each party state may make one or more contracts with any one or more of the other party states, or with the Federal Government, for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:

(1) Its duration.

(2) Payments to be made to the receiving state or to the Federal Government, by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facili-
ties, programs or treatment not reasonably included as part of normal maintenance.

(3) Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom.

(4) Delivery and retaking of inmates.

(5) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto and nothing in any such contract shall be inconsistent therewith.

ARTICLE IV

C. 30:7C-5 Receiving state to act as agent for sending state; access to institutions; jurisdiction of sending state; reports; treatment of inmates; hearings; release of inmates; benefits; entitlement of certain persons to act for inmates.

a. Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

b. The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

c. Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant
to the terms of any contract entered into under the terms of Article III.

d. Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

e. All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

f. Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

g. Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.
h. Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

i. The parents, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

**ARTICLE V**

**C. 30:7C-6 Jurisdiction of sending state with respect to inmates.**

a. Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharge from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

b. An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

**ARTICLE VI**

**C. 30:7C-7 Authority to accept Federal aid.**

Any state party to this compact may accept Federal aid for use in connection with any institution or program, the use of which is
or may be affected by this compact or any contract pursuant hereto and any inmate in a receiving state pursuant to this compact may participate in any such Federally-aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity is not part of the customary correctional regimen the express consent of the appropriate official of the sending state shall be required therefor.

**ARTICLE VII**

C. 39:7C-8 Entry into force of compact.

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

**ARTICLE VIII**

C. 30:7C-9 Continuance in force of compact.

This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until 1 year after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

**ARTICLE IX**

C. 30:7C-10 Construction of compact.

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.
C. 30:7C-11 Severability of compact.

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

C. 30:7C-12 Powers.

3. Powers. The commissioner of the Department of Institutions and Agencies is hereby authorized and directed to do all things necessary or incidental to the carrying out of the compact in every particular and he may in his discretion delegate this authority to some other appropriate official.

4. This act shall take effect 90 days after enactment and all acts and parts of acts inconsistent herewith are hereby repealed.

If any such citizen shall be so imprisoned, except as provided for herein by compact, he may, for every such imprisonment, maintain, by virtue of this chapter, an action at law in the Superior or County Court for the damages sustained thereby, against the person by whom he shall be so committed, detained, imprisoned, sent prisoner or transported contrary to the true intent and meaning of this chapter, and against any person who shall frame, contrive, write, seal, sign, or countersign any warrant or writing for such commitment, detainer, imprisonment or transportation, or who shall advise, aid or assist in the same or any of them. In such action the plaintiff may recover penal as well as compensatory damages but in any case the damages shall not be less than $1,500.00.

Nothing contained in this chapter shall be construed to prevent the sending of a citizen of this State or person at any time resident therein, who has committed any treason, felony or misdemeanor in another state of the United States or in any foreign country, to such other state or foreign country having jurisdiction of such offense, for the purpose of being tried therefor.

C. 18A:14-63.8 Finding of error sufficient to alter result of election; expenses.
8. If it appears as a result of the recount that error or errors have occurred which alter the result of the election, or that the difference between the negative and affirmative of any public question is altered so as to change the result of the election, the Commissioner of Education shall order the costs and expenses of the recount to be paid by the school district in and for which the election was held, as other election expenses are paid.

12. Upon written request within 5 days of the announcement of the result of an election by any defeated candidate, or, in the case of a question, proposition or referendum, upon petition of 10 qualified voters at any school election, the Commissioner of Education or his authorized representative shall inquire into alleged violations of statutorily prescribed procedures for school elections, to determine if such violations occurred and if they affected the outcome of the election.

C. 18A:14-63.13 Relief.
13. Where the commissioner finds as a result of a recount that an error has occurred which alters the result of the election, he shall order such relief as is appropriate.

6. N. J. S. 17B:18-26 is amended to read as follows:

Method of election when demand is made by public directors that other candidates be nominated.

17B:18-26. If the public directors shall file a demand pursuant to section 17B:18-24 that other candidates be nominated, the election shall be according to the method prescribed in this section as follows:

a. The commissioner within 30 days after the receipt of such demand by the public directors, shall appoint a nominating committee of 15 of such qualified voters who shall appear to the commissioner to be willing and qualified to select a candidate for each of the offices of the elected directors whose terms of office expire at the date of the next ensuing election. No officer, director, employee or agent of the corporation, nor any relative thereof by blood or connection by marriage in nearer degree than second cousin, nor any person who shall have served on such a nominating committee at any previous time, shall be eligible to be named by the commissioner to serve upon such nominating committee. The commissioner shall forthwith cause notice of the time and place of the first meeting of such committee to be sent to each member thereof. Within 30 days following the appointment or within such further period of time not exceeding 15 days as may be determined by the commissioner, the nominating committee shall by a majority vote select a candidate, suitable by training and experience to serve, for each such office of elected director, other than any candidate nominated by the board of directors, and shall within such period file with the commissioner a certificate setting forth the names, addresses and occupations of the candidates so nominated, together with a statement in writing from each of such candidates that he will accept if elected. The commissioner shall notify the secretary of the corporation of the names, addresses and occupations of the candidates so selected by the nominating committee.

b. When nominations shall have been made by such nominating committee, the commissioner shall cause notice of the election to be published at least 4 times at intervals of not less than 1 week, the first publication to be not more than 5 months and the last publication not less than 3 months prior to the date of the election in at least three newspapers published in each state of the United States and in each province of Canada in which the corporation is authorized to do business, one of such publications in each state.
or province to be, whenever possible, in a newspaper published in the capital city of such state or province. Not less than 4 months prior to the date of the election, copies of such notice shall be posted in such offices maintained by the corporation as the commissioner may direct, in a conspicuous place to which the general public has access, and shall remain so posted until the record date hereinafter specified. Such notice shall contain the names, addresses and occupations of the candidates nominated by the board of directors and of the candidates nominated by the nominating committee, and shall advise the policyholders as to the procedure required by sections 17B:18-18 to 17B:18-28, inclusive, to be followed in voting. The death or withdrawal of any candidate or the nomination of any candidate in his place before or after the completion of publication or posting shall not invalidate such notice. The omission of any publication or posting herein prescribed shall not invalidate such notice nor the election to which it relates.

c. The commissioner shall prepare the form of ballot which shall contain: (1) the names of the candidates for director nominated by the board of directors, and so designated, and separately the names of the candidates for director nominated by the nominating committee, and so designated; (2) the following statement: "The Commissioner of Insurance of New Jersey neither approves nor disapproves the nomination of any of the aforesaid candidates"; (3) blank lines for the insertion of the policy number and signature of the qualified voter; and (4) such instructions for the proper completion of the ballot as the commissioner may deem necessary, including a statement of the date of the election and that the ballot must be received on or before such date. Each ballot shall be accompanied by a gummed postpaid return envelope, addressed to the commissioner, on which the words "Ballot for Directors" shall be printed. The commissioner shall cause ballots to be mailed at least 30 days prior to the date of the election to all applicants for ballots who appear to him, after checking the applications against the records of the corporation, to be qualified voters of the corporation on the record date. No election shall be held invalid by reason of any irregularity or failure in the preparation or forwarding of any ballots pursuant hereto.

d. Each qualified voter of the corporation shall be entitled to cast one vote and all ballots shall be cast by mail upon the forms provided and shall be according to the provisions of sections 17B:18-18 to 17B:18-28, inclusive, any existing law of this State to
the contrary notwithstanding. Policyholders who are qualified voters may obtain ballots by applying therefor either in person or by mail to the commissioner, or to any office maintained by the corporation, on or before the record date which shall be 70 days prior to the date of the election, stating in such application for a ballot, the name, address, policy number and date of birth of the applicant. The corporation shall prepare a list or other catalog of the applicants for ballots in such form as the commissioner may direct, showing the name, address and policy number of the applicant, whether or not he is 18 years of age or more and whether his policy has been in force at least 1 year; and such list or catalog shall specify any applicants for ballots appearing not to be qualified voters of the corporation according to its records, with a statement of the reason therefor. Such list or catalog shall be transmitted at least 40 days before the date of the election to the commissioner.

The commissioner shall cause notice of disqualification to be given to any applicant who shall appear to him to be not a qualified voter of the corporation, with a statement of the reason therefor; and shall grant such applicant reasonable opportunity, within such period as may be fixed by the commissioner in his sole discretion, to present facts in support of his application. The list or catalog shall remain on file with the commissioner until 30 days after the election and shall be open to inspection by any qualified voter of the corporation, as the commissioner shall determine.

e. Ballots received by the commissioner on or before the date of the election shall be canvassed by the commissioner. The commissioner may employ such persons to assist him in canvassing the ballots as he deems necessary. No ballot shall be counted unless it is received by the commissioner on or before the date of the election, nor unless it shall set forth the number of the qualified voter's policy, be signed by him in person and be completed in accordance with the instructions appearing thereon; and no ballot shall be counted if cast for any person other than for one nominated as provided in sections 17B:18-18 to 17B:18-28, inclusive, nor if cast for more than the number of elected directors whose offices are to be filled at such election. The commissioner shall be the sole judge as to the qualifications of the voters and the proper casting of the ballots. All ballots received by the commissioner shall at the conclusion of the election be placed in sealed packages and preserved by him for at least 1 year from the date of the election. The four persons receiving the highest number of votes for the offices of elected director to be filled shall be elected for full terms. In case
two or more persons shall receive the same number of votes for the same office, the commissioner shall decide the election by lot. At the conclusion of the election, the commissioner shall certify in writing to the secretary of the corporation the result thereof.

f. In case of the death or withdrawal of any candidate prior to a date 50 days before the date of the election, the board of directors or the nominating committee, whichever shall have nominated such candidate, shall nominate a candidate in his place by filing not later than 40 days before the date of the election a certificate similar to that required for the original nominations; and in case of the death or withdrawal of any candidate within 50 days before the date of the election, no substitution of a candidate shall be made to take the place of the candidate so dying or withdrawing, and the election shall nevertheless proceed. If the report of the canvass of the votes at the election shows the number of votes so cast for the candidates so dying or withdrawing, for whom no substitution shall have been made, was such that he would have been elected except for the fact of his death or withdrawal, a vacancy in the board of directors shall be deemed to have occurred as of the date of the election and the same shall be filled by a majority vote of the entire number of either the board of directors or the nominating committee, whichever shall have nominated such candidate.

g. The commissioner shall conduct the election, may make such reasonable regulations for the conduct of the election not inconsistent with the provisions of sections 17B:18-18 to 17B:18-28, inclusive, as may appear to him to be necessary or desirable, and shall authorize payment of expenses incurred by the corporation for the purpose of advising policyholders, to the extent and in the manner he deems appropriate, as to the qualifications of the candidates. He may employ such persons as he may consider necessary to assist him in the performance of the duties imposed upon him under sections 17B:18-18 to 17B:18-28, inclusive, and may require the corporation to furnish assistance in such respects and in such manner as he may direct. All expenses incurred by the commissioner or by the nominating committee with the approval of the commissioner, in performing any of the duties imposed upon them by this act shall be borne by the corporation, and shall be paid by it upon the order of the commissioner. If the commissioner shall so request, the corporation shall advance to the commissioner funds reasonably sufficient to defray such expenses and the commissioner shall remit such funds to the State Treasurer as custodian thereof. The State Treasurer shall hold such funds separate from all other
State moneys and shall disburse the same only upon vouchers signed by the commissioner, who shall account to the corporation therefor.

7. N. J. S. 17B:18-44 is amended to read as follows:

**Stock of other insurance companies.**

17B:18-44. A domestic insurer which purchases stock of another insurance company in compliance with section 17B:20-4 may pay therefor in cash or its equivalent or in its own capital stock, and may issue its capital stock in payment to the persons from whom the same may be purchased or acquired, or otherwise for the purpose of the purchase or acquisition. The stock so purchased or acquired shall constitute lawful payment for the capital stock issued to purchase or acquire it and any capital stock so issued shall be deemed a part of the capital of the issuing company. The company may exhibit the amount of capital so paid up in its advertisements.

8. N. J. S. 17B:18-48 is amended to read as follows:

**Advertisement of assets to include liabilities.**

17B:18-48. When an insurer doing business in this State advertises its assets, it shall, in the same connection and equally conspicuously, advertise its liabilities, the same to be determined in the manner required in making the annual statements to the commissioner. All advertisements purporting to show the capital of the company shall exhibit only the amount of capital actually paid in cash. In the case of a company organized under the laws of a foreign country, its assets shall be considered to be only the amounts deposited with the officials of the several states of the union or held by trustees in the United States for the benefit of the policyholders and creditors of the company in the United States. All policies, renewals, signs, circulars, cards, or other means by which public announcements are made, shall be held to be advertisements within the meaning of this section.

9. N. J. S. 17B:18-52 is amended to read as follows:

**Salaries limited; pensions; benefits.**

17B:18-52. No domestic insurer shall:

a. Pay any salary, compensation or emolument to any of its officers, directors or trustees, or any salary, compensation or emolument amounting in any year to more than $30,000.00 to any person, unless the payment is first authorized by a vote of its board of directors;
b. Make any agreement with any of its officers, trustees or salaried employees whereby it agrees that for any service rendered or to be rendered he shall receive any salary, compensation or emolument that will extend beyond a period of 24 months from the date of the agreement, but nothing herein shall be construed to prevent a domestic insurer from deferring the payment of any salary, compensation or emolument for such period of time and upon such terms as it may determine or from entering into contracts with its agents or brokers for the payment of renewal commissions.

c. Grant any pension to any officer, director, employee or trustee thereof or to any member of his family after his death, except that according to a plan submitted to and approved by the commissioner it may: (1) grant to its salaried officers and employees retirement and disability allowances and death benefits; (2) establish a profit sharing plan which meets the requirements of section 401(a) of the Internal Revenue Code of 1954 or any similar legislation which might take its place and which plan, at the option of the insurer, may be in addition to any existing pension plan; and except that it may with the approval of the commissioner provide reasonable supplemental retirement allowances to any of its salaried officers and employees and their dependents, whose retirement benefits under the insurer's plan or plans are, in the opinion of its board of directors, inadequate. Such allowances shall not exceed the greater of $3,000.00 per annum and the excess, if any, of 50% of the individual's average salary, based on the 5 years immediately prior to retirement, over such retirement benefits.

10. N. J. S. 17B:20-2 is amended to read as follows:

Limitation of investments.

17B:20-2. No domestic insurer shall purchase more than 8% of any class of stock which entitles the holder thereof to vote at all elections of directors of any one corporation, unless it be: a municipal corporation; a corporation engaged primarily in a business involving the owning, developing, operating or leasing of real property; or an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser, provided, that such investment company shall not own, control or hold in its portfolio any investment which, if added to the other investments of such insurer, would result in such insurer holding more than 8% of any class of stock which entitles the holder
thereof to vote at all elections of directors of any one corporation. No such insurer shall hold more than 8% of any such class of stock of any investment company pursuant to this section at any time when such insurer could not purchase such stock pursuant to the foregoing provisions of this section. Neither shall the amount invested by any such insurer in the voting stock of any one corporation exceed 2% of the total admitted assets of such insurer as of December 31 next preceding, nor shall the aggregate investment in the common stock of all corporations (exclusive of investments in the common stock of subsidiaries pursuant to section 17B:20-4) valued at cost exceed 15% of such assets except that to the extent that such aggregate investment in stock exceeds 10% of such assets, further investments shall be subject to regulation by the commissioner under a formula which shall take into consideration the actual mandatory securities valuation reserve, as defined by the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners, held by a company which is applicable to such stocks in the corresponding annual statement filed with the department, nor shall the amount invested in the evidences of indebtedness, preferred stock and certificates of receivers of any one institution exceed 5% of such assets. Nothing herein contained shall prevent any such insurer from purchasing, investing in or otherwise acquiring the voting stock of certain corporations as hereinafter provided in sections 17B:20-3 and 17B:20-4.

No investment shall be made by any such insurer unless the same shall be authorized by the board of directors, or by a committee thereof charged with the duty of supervising such investment, or shall be made in conformity with standards approved by such board of directors or such committee.

No such insurer shall enter into any agreement to withhold from sale any of its property or jointly or severally enter into any agreement to purchase the unsold amount of securities which are the subject of an offering for sale to the public or otherwise to guarantee the sale of such securities.

Nothing contained in this section shall prevent any such insurer from distributing shares of an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser.

Any insurer may enter into an agreement to acquire any investment permitted by law, directly with the issuer or owner thereof, and may participate with other investors provided that the obliga-
tions of such insurer and such other investors shall be several and not joint.

The term "Investment Company Act of 1940" as used in this section shall mean an act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

17B:22-6. Any person who solicits an application for life insurance, health insurance or annuity, other than a broker, shall in any controversy relating thereto between the insured or his beneficiary and the company issuing any contract upon the application, be regarded as the agent of the company, and not as the agent of the insured.

12. N. J. S. 17B:23-6 is amended to read as follows:

Purpose.

17B:23-6. Sections 17B:23-6 through 17B:23-11 are deemed and declared to be remedial legislation for the protection of the health and welfare of persons resident in this State by subjecting nonadmitted insurers which solicit, insure, or cause to be solicited such resident persons to the laws which govern all foreign insurers which do business in the State of New Jersey. These provisions shall be liberally construed to effectuate its purpose and intent.

13. N. J. S. 17B:23-7 is amended to read as follows:

Definition.

17B:23-7. Whenever used or referred to in sections 17B:23-6 to 17B:23-11 the term "commissioner" shall mean the Commissioner of Insurance.

14. N. J. S. 17B:26-2 is amended to read as follows:

Form of policy; requirements.

17B:26-2. a. No such policy of insurance shall be delivered or issued for delivery to any person in this State unless:

(1) the entire money and other considerations therefor are expressed therein; and

(2) the time at which the insurance takes effect and terminates is expressed therein; and
(3) if purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policyholder, any two or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed 19 years and any other person dependent upon the policyholder; and

(4) the style, arrangement and overall appearance of the policy give no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers is plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than 10-point with a lower-case unspaced alphabet length not less than 120-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in sections 17B:26-3 to 17B:26-31 inclusive, are printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "exceptions," or "exceptions and reductions," provided that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

(7) it contains no provision purporting to make any portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the commissioner.

b. A policy under which coverage of a dependent of the policyholder terminates at a specified age shall, with respect to an unmarried child covered by the policy prior to the attainment of age 19, who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapable prior to attainment of age 19 and who is chiefly dependent upon such policyholder for support and maintenance, not so
terminate while the policy remains in force and the dependent remains in such condition, if the policyholder has within 31 days of such dependent’s attainment of the limiting age submitted proof of such dependent’s incapacity as described herein. The foregoing provisions of this paragraph shall not require an insurer to insure a dependent who is a mentally retarded or physically handicapped child where the policy is underwritten on evidence of insurability based on health factors set forth in the application or where such dependent does not satisfy the conditions of the policy as to any requirement for evidence of insurability or other provisions of the policy, satisfaction of which is required for coverage thereunder to take effect. In any such case the terms of the policy shall apply with regard to the coverage or exclusion from coverage of such dependent.

c. Notwithstanding any provision of a policy of health insurance, hereafter delivered or issued for delivery in this State, whenever such policy provides for reimbursement for any optometric service which is within the lawful scope of practice of a duly licensed optometrist, the insured under such policy shall be entitled to reimbursement for such service, whether the said service is performed by a physician or duly licensed optometrist.

d. If any policy is issued by an insurer domiciled in this State for delivery to a person residing in another state, and if the official having responsibility for the administration of the insurance laws of such other state shall have advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the standards set forth in subsection a. of this section and in sections 17B:26-3 to 17B:26-31 inclusive.

In the case of a taxpayer whose fiscal accounting period ends at any time during the calendar year 1973, its first return due under this act, shall be based upon its net income from January 1, 1973 to the end of said fiscal year, and shall be filed on or before the fifteenth day of the fourth month after the close of such fiscal year and the tax thereunder shall be due and payable at said time. If the time for filing the return shall be extended, the payment of the portion of the tax remaining to be paid, if any, shall be postponed to the date fixed by the extension of the time for the filing of the return, but in every such case the taxpayer shall pay, in addition to the unpaid portion of the tax, interest thereon at the rate of 6% per annum from the time when the return originally was required to be filed to the date of actual payment under the extension; provided, that if such unpaid portion of the tax is not paid within the time fixed under the extension, the interest on such unpaid portion shall be computed at the rate of 1% per month or fraction thereof to be calculated from the date the tax was originally due to the date of actual payment.

C. 54:10D-6  Receiver, trustee, etc., conducting business; liability for tax.

6. Receiver, trustee, etc., conducting business; liability for tax. Any receiver, referee, trustee, assignee or other fiduciary, or any officer or agent appointed by any court, who conducts the business of any taxpayer shall be subject to the tax imposed by this act in the same manner and to the same extent as if the business were conducted by the agents or officers of such taxpayer. C. 54:10D-9 Evading tax; power of director to determine tax.

9. Evading tax; power of director to determine tax. Whenever it shall appear to the director that any agreement, understanding or arrangement exists between a taxpayer and any corporation, person or firm, for the purpose of evading tax under this act, or whereby the activity, business, receipts or net income of the taxpayer is distorted for such purpose, the director may in his discretion and in such manner as he may determine, adjust items of net income or make such other adjustments in any tax report or tax return as may be necessary for a true and correct determination of the tax pursuant to this act. The director may require any person or savings institution to submit information under oath, or to permit examination of its books, papers and documents, as may be necessary to enable him to determine the existence, nature or extent of any agreement, understanding or arrangement to which
CHAPTER 31, LAWS OF 1973

this section relates, whether or not such person or savings institution is subject to the tax imposed by this act.

C. 54:10D-10 Lien of tax; duration.

10. Lien of tax; duration. The tax imposed by this act shall constitute a lien on all of the taxpayer's property and franchises on and after January 1 of the year next succeeding the year in which it is due and payable, and all interest, penalties, and costs of collection which thereafter fall due or accrue shall be added to and become a part of such lien. Notwithstanding the provisions of any other law, all such taxes, interest, penalties and costs heretofore or hereafter imposed or incurred, whether levied or assessed or not, under this act, shall unless sooner paid, continue and remain a lien on all of the taxpayer's property until the expiration of ten years after January 1 of the year in which they became or become due and payable, whichever shall be later, and no longer.

C. 54:10D-11 Form of return.

11. Form of return. The director shall design a form of return and forms for such additional statements or schedules as he may require to be filed therewith. Such forms shall provide for the setting forth of such facts as the director may deem necessary for the proper enforcement of this act. He shall cause a supply thereof to be printed and shall furnish appropriate blank forms to each taxpayer upon application or otherwise as he may deem necessary. Failure to receive a form shall not relieve any taxpayer from the obligation to file a return under the provisions of this act. Each such return shall be made upon the oath or affirmation of the president, vice president, or secretary or treasurer of a taxpayer and in the case of a taxpayer in liquidation or in the hands of a receiver or trustee, or where the taxpayer is an unincorporated savings institution shall be made on the oath or affirmation of the person responsible for the conduct of the affairs of such taxpayer.

C. 54:10D-12 State tax uniform procedure law applicable.

C. 54:10D-13 Action to restrain transaction of business until tax and penalties are paid

13. Action to restrain transaction of business until tax and penalties are paid. In addition to other remedies for the collection
of the tax imposed by this act, the Attorney General with the advice of the Commissioner of Banking of New Jersey may of his own motion or upon the request of the director, whenever any tax due under this act shall have remained in arrears for a period of 3 months after the tax shall have become payable, bring an action in the Superior Court in the name of the State against the delinquent taxpayer for an order or judgment to restrain such taxpayer from the exercise of any franchise, or the transaction of any business within this State until the payment of such tax and penalties and interest due thereon, and the costs of the action to be fixed by the court. The court may proceed in the action in a summary manner or otherwise and may grant injunctive relief if a proper case appear. Upon the granting and service of the order or judgment giving injunctive relief it shall be unlawful for the enjoined taxpayer thereafter to exercise any franchise or transact any business in this State until such injunction be dissolved.

C. 54:10D-14 Director to prescribe rules.

14. Director to prescribe rules. The director shall prescribe and issue such rules and regulations, not inconsistent herewith, for the administration, interpretation and application of the provisions of this act, as he may deem necessary.

C. 54:10D-15 Change, correction or recomputation of amount of taxable income as returned to Federal Treasury Department; amended returns; report.

15. Change, correction or recomputation of amount of taxable income as returned to Federal Treasury Department; amended returns; report. If the amount of the taxable income for any year of any taxpayer as returned to the United States Treasury Department is changed or corrected by the Commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in said taxable income, or where a recovery of a war loss results in a computation or recomputation of any tax imposed by the United States, such taxpayer shall report such changed or corrected taxable income, or the results of such renegotiation, or such computation or recomputation, within 90 days after the final determination of such change or correction or renegotiation, or such computation or recomputation, or as required by the director, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended return with such department shall also file within 90 days thereafter an amended report with the director.
CHAPTER 31, LAWS OF 1973

C. 54:10D-16 Deficiency assessment or reassessment; extension of period.

16. Deficiency assessment or reassessment; extension of period.
   a. After a final return in due form is filed, the director shall cause the
      same to be examined and may make such further audit or investigation
      or reaudit as he may deem necessary, and if therefrom he shall
      determine that there is a deficiency with respect to the payment of
      any tax due under this act, he shall assess or reassess the additional
      taxes, penalties and interest due the State, give notice of such assessment
      or reassessment to the taxpayer, and make demand upon him for
      payment. There shall be added to the amount of any deficiency
      assessment or reassessment interest at the rate of 1% for each
      month or fraction thereof to be calculated from the date the tax
      was originally due and payable until the date of actual payment.
      If the director is satisfied that the said deficiency was not due to
      fraud or evasion, he may remit or waive the payment of any interest
      charge in excess of the rate of 1/2 of 1% per month.
   b. Except in the case of a willfully false or fraudulent return with
      intent to evade the tax, no assessment of additional tax shall be
      made after the expiration of more than five years from the date of
      the filing of a return; provided, that where no return has been filed
      as provided by law, the tax may be assessed at any time. Where,
      before the expiration of the period prescribed herein for the assesse-
      ment of an additional tax, a taxpayer has consented in writing that
      such period may be extended, the amount of such additional tax due
      may be determined at any time within such extended period. The
      period so extended may be further extended by subsequent consents
      in writing made before the expiration of the extended period.

17. Appropriation. There is hereby appropriated to the Division
   of Taxation in the Department of the Treasury the sum of
   $50,000.00 or so much thereof as shall be required to carry out the
   provisions of this act from the effective date hereof through the
   period ending June 30, 1974.

C. 54:10D-17 Appeal.

18. Appeal. a. Any aggrieved taxpayer may, within 3 months
   after any decision, order, finding, assessment or action of the
   director made pursuant to the provisions of this act, appeal there-
   from to the Division of Tax Appeals, by filing a petition of appeal
   with said Division of Tax Appeals in the manner and form pre-
   scribed by the said Division of Tax Appeals and on giving security,
   approved by the director, conditioned to pay the tax heretofore
   levied, if, the same remains unpaid, with interest and costs.
b. No such appeal shall stay the collection of any tax or the enforce­ment of the same by entry as a judgment, unless by order of the Division of Tax Appeals, and then only after security approved by the Director of the Division of Taxation, has been furnished to him. The judgment or order of the division of tax appeals respecting any matter arising under the provisions of this act may be reviewed by a proceeding in lieu of prerogative writ in the same manner as other judgments of said division.

C. 54:10D-18 Partial invalidity.

19. Partial invalidity. If any provision of this act, or any application of any provision, is held invalid, the invalidity shall not affect other applications of the provision, or other provisions of the act, which reasonably can be given effect despite the invalidity.

20. Effective date. The provisions of this act shall take effect immediately and shall be applicable with respect to taxpayers whose accounting period ends at any time during the calendar year 1973 and each fiscal or calendar year thereafter.

Approved February 16, 1973.

When a home repair contract provides for unequal or irregular installments, the credit service charge shall not exceed the effective rate provided in section 8, having due regard for the schedule of installments.

(b) The holder of a home repair contract may extend the scheduled due date of any home repair contract and defer the scheduled due date of any or all installment payments, or reduce the amount of any or all installments and may, as a consideration therefor, make a total additional charge not to exceed the amount ascertained
under either of the following methods of computation at the respective rates indicated by the following options:

Option 1. The additional charge shall be computed on the amount of the scheduled installment or installments extended, deferred or reduced, for the period or periods for which each installment or part thereof is extended, deferred or reduced, at the rate of 1% per month.

Option 2. The holder of a home repair contract may, by written agreement, renew the entire unpaid balance owing on a home repair contract and may make a charge therefor at the rate charged in the contract so renewed, from the date of renewal to the maturity of the final installment.

(6) The time balance, which is the sum of the consolidated balance as shown pursuant to paragraph (4) of this subsection and the credit service charge, as shown pursuant to paragraph (5) of this subsection, the number of installments required, the amount of each installment, and the due dates thereof.

(e) For the purposes of this section, "unpaid balance owing" on a home repair contract means the amount which would be required to pay the contract in full if such payment were made on the day when an agreement is entered into pursuant to Option 2 of subsection (b) of this section, or a consolidation of balances is effected pursuant to paragraph (d) of this subsection. In computing the amount of the unpaid balance owing on a contract, a credit shall be allowed according to the formula provided by section 12, except that, in applying such formula, no deduction for an acquisition charge shall be taken.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 69 of P. L. 1948, c. 67 (C. 17:9A-69) is amended to read as follows:

C. 17:9A-69 Limitations on mortgage loans.

69. Limitations on mortgage loans.

A. No bank shall make a mortgage loan when the total cost of acquisition by the bank of all real property owned by it, other than real property held for the purposes specified in subparagraph (a) of a paragraph (5) of section 24, and the total of all principal balances owing to the bank on mortgage loans, less all write-offs and reserves with respect to such real property and mortgage loans, together exceed, or by the making of such loan will exceed, an amount established by the Commissioner of Banking, pursuant to rule or regulation, which amount shall not be less than 70% nor exceed 80% of the time deposits of the bank or 100% of the aggregate of its capital funds, whichever is the greater. For the purposes of this subsection, principal balances owing to the bank on mortgage loans which are subject to the provisions of subsection A of section 68, other than mortgage loans upon one-family, two-family, three-family and four-family dwellings, the payment of which is fully insured by the Federal Housing Commissioner, shall only to the extent of 66\%\frac{2}{3}% of such balances.
owing to the bank, be included in the total of all principal balances owing to the bank on mortgage loans, and principal balances owing to the bank on mortgage loans upon one-family, two-family, three-family and four-family dwellings the payment of which is fully insured by the Federal Housing Commissioner shall, only to the extent of 50% of such balances owing to the bank, be included in the total of all principal balances owing to the bank on mortgage loans. This subsection shall not, however, prevent the renewal or extension of the time for payment of a mortgage loan for the amount due thereon at the time of such renewal or extension.

B. Except as in this article otherwise provided, no bank shall, as sole lender or as a colender, make a loan secured by mortgage on real property or by mortgage on a lease of the fee of real property, nor shall any bank purchase the entire interest or a part interest in any such mortgage, if the making of such loan or the purchase of such interest would cause the total of all unpaid balances secured by a mortgage or mortgages held by the bank as sole owner or as co-owner upon such real property or such leasehold, to exceed the limitations imposed by this article upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

C. The granting of mortgage loans to any person shall be without regard to race, creed, color, national origin or ancestry. The granting of such loans shall be without discrimination of any nature including, but not limited to, interest rates, terms and duration, because of race, creed, color, national origin or ancestry.

D. When a bank makes a mortgage loan the proceeds of which are to be used to pay, in whole or in part, the cost of constructing one or more industrial or commercial buildings on the mortgaged property, and such loan has a maturity of not more than 18 months, and a financially responsible lender has entered into a valid and binding agreement to repay to the bank the full amount of the bank’s loan upon the completion of such industrial or commercial building or buildings; or when a bank makes a mortgage loan the proceeds of which are to be used to pay, in whole or in part, the cost of constructing a farm or residential building on the mortgaged property, and such loan has a maturity of not more than 18 months, the bank may, at its option to be exercised from time to time, treat any such loan either as a mortgage loan for all purposes of this article, or as an unsecured commercial loan. If the bank elects to treat any such loan as an unsecured commercial loan, the loan shall be subject to all limitations and requirements
applicable to unsecured commercial loans otherwise made, and the principal balance owing to the bank on any such loan shall not be included in the total of all principal balances owing to the bank on mortgage loans for the purpose of determining the limitations imposed by subsection A of this section. No bank shall treat any such loan as a commercial loan as in this subsection provided at any time when the principal balances owing to the bank on all such loans so treated exceed 100% of the bank's capital funds, or if the making of any such loan so treated would cause the principal balances owing to the bank on all such loans so treated to exceed 100% of the bank's capital funds.

E. For the purposes of this section, "capital funds" of a bank means the aggregate of the unimpaired capital stock, surplus and undivided profits of the bank.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. As used in this act, unless otherwise specified:
   a. “Automatic tabulating equipment” includes apparatus which automatically examines and counts votes recorded on ballot cards, and tabulates the results.
   b. “Ballot card” means a tabulating card on which votes may be recorded.
c. "Ballot labels" means the pages, cards, or other material containing the names of offices and candidates and the statements of measures to be voted on, which are placed on the voting device.

d. "Counting center" means one or more locations selected by each of the county boards of election for the automatic counting of ballots.

e. "Electronic voting system" means a system in which votes are recorded on ballot cards, and such votes are subsequently counted and tabulated by automatic tabulating equipment at one or more counting centers.

f. "Voting device" means an apparatus which the voter uses to record his votes on a tabulating card.

g. "County boards of elections" shall mean the county board of elections appointed in the various counties or the person or board in charge of elections in the various counties as provided in Title 19 of the New Jersey Revised Statutes.

C. 19:53A-2 Adoption of electronic voting system; construction of act.

2. a. The board of chosen freeholders of any county may adopt, acquire by purchase, lease, or otherwise, or abandon any electronic voting system or mechanical system authorized herein which has been approved for use in the State, in any election or primary or combination thereof, and may use such system in all or a part of the districts within its boundaries, or in combination with paper ballots. The county authorities, on the adoption and acquisition of an electronic voting system, shall provide for the payment therefore in such manner as they deem for the best interest of the locality, in such manner as may be provided by law.

b. The provisions of this act shall be controlling with respect to elections where electronic voting systems are used, and shall be liberally construed so as to carry out the purpose and intent of this act. Any provisions of law relating to the conduct of elections which conflict with this act shall not apply to the conduct of elections with an approved electronic voting system.

C. 19:53A-3 Electronic voting system requirements.

3. Every electronic voting system, consisting of a voting device in combination with automatic tabulating equipment, acquired or used in accordance with this act, shall:

a. Provide for voting in secrecy, except in the case of voters who have received assistance as provided by law;

b. Permit each voter to vote at any election for all persons and offices for whom and for which he is lawfully entitled to vote; to
vote for or against any question upon which he is entitled to vote; and the automatic tabulating equipment shall reject choices recorded on his ballot card if the number of choices exceeds the number which he is entitled to vote for the office or on the measure;

c. Permit each voter, at presidential elections, by one mark or punch to vote for the candidates of that party for president, vice president, and their presidential electors;

d. Permit each voter, at other than primary elections, to vote for the nominees of one or more parties and for independent candidates; and personal choice or write-in candidates;

e. Permit each voter in primary elections to vote for candidates in the party primary in which he is qualified to vote, and the automatic tabulating equipment shall reject any votes cast for candidates of another party;

f. Prevent the voter from voting for the same person more than once for the same office;

g. Be suitably designed for the purpose used, of durable construction, and may be used safely, efficiently, and accurately in the conduct of elections and counting ballots;

h. When properly operated, record correctly and count accurately every vote cast, including all overvotes or undervotes and all affirmative votes or negative votes on all public questions or referenda.

C. 19:53A-4 Approval of voting device.

4. No voting device shall be used in an election in this State unless in combination with automatic tabulating equipment used to count and tabulate ballots it meets the requirements in section 3 of this act, and has been approved by the Secretary of State, or other person, agency or board charged with the examination and approval of voting machines. When such device has been approved, any improvement or change which does not impair its accuracy, efficiency, or ability to meet such requirements shall not require a reexamination or reapproval thereof.

5. a. Ballot labels shall be printed in plain clear type in black ink, of such size and arrangement as to fit the construction of the voting device; they shall be printed on clear white material or on material of different colors to identify different ballots or parts of the ballot, and in primary elections to identify each political party.

b. The titles of offices and the names of candidates may be arranged in vertical columns or in a series of separate pages. The
office title with a statement of the number of candidates to be voted for shall be printed above or at the side of the names of the candidates for that office. The names of candidates shall be printed in the order provided by law, and in general elections the party designation of each candidate, which may be abbreviated, and a slogan not to exceed five words may be printed following his name. In case there are more candidates for an office than can be printed in one column or on one ballot page, the ballot label shall be clearly marked that the list of candidates is continued on the following column or page, and so far as possible, the same number of names shall be printed on each column or page. Arrows may be used to indicate the place to vote for each candidate and on each measure.

c. The different parts of the ballot, such as partisan, nonpartisan, and measures, shall be prominently indicated on the ballot labels, and, if practicable, each part shall be placed on a separate page or pages. In the event that two or more elections are held on the same day, the ballot labels shall be clearly marked to indicate the ballot for each election, and, if practical, the ballot labels for each election shall be placed upon separate pages, and labels of a different color or tint may be used for each election.

d. Sample ballots, which shall be facsimile copies of the official ballot or ballot labels, shall be provided as required by law. At least three copies shall be posted in each polling place on election day. Sample ballots may be printed on a single sheet or on a number of pages stapled together.

e. In elections in which voters are authorized to vote for persons whose names do not appear on the ballot, a separate write-in ballot, which may be in the form of a paper ballot, card or envelope in which the voter places his ballot card after voting, shall be provided to permit voters to write in the title of the office and the name of the person or persons for whom he wishes to vote.

C. 19:53A-6 Voting devices, voting booths, ballot boxes, ballot cards, records and supplies to be furnished.

6. a. Prior to any election at which electronic voting devices are used the county board of elections shall have the voting devices prepared for the election and shall provide the district election officers with voting devices, voting booths, ballot boxes, ballot cards, “write-in” ballots and other records and supplies as required.

b. Ballot cards shall be of the size, design and stock suitable for processing by automatic data processing machines. Each ballot card shall have an attached numbered perforated stub, which shall
be removed by an election officer before it is deposited in the ballot box. In primary elections the ballot cards of each political party shall be distinctly marked or shall be of a different color or tint so that the ballot cards of each political party are readily distinguishable.

c. Unless the voting device enables the voter to mark his choices in secret, the board of elections shall provide a sufficient number of voting booths for each voting district, which shall be of a size and design so as to enable the voter to mark his ballot in secret.

C. 19: 53A-7 Duties of district election board members.

7. a. Thirty minutes before the opening of the polls the local district election officers shall arrive at the polling place, place the voting devices in position for voting, and examine them to see that they have the correct ballot labels by comparing them with the sample ballots, and are in proper working order. They shall open and check the ballot cards, supplies, records and forms, and post the sample ballots and instructions to voters.

b. Each voter requesting assistance shall be instructed how to operate the voting device before he enters the voting booth. If he needs additional instruction after entering the voting booth and requests assistance, two members of the district board of opposite political parties, may if necessary enter the booth and give him additional instructions.

c. The district election official attending the voting machine shall inspect the face of the machine and the ballot at least once per hour to see that the face of the machine and the ballot are in their proper place and that neither has been mutilated, defaced, tampered with or changed and that the machine has not been changed.

d. After the voter has marked his ballot cards, he shall place the ballot card inside the envelope provided for this purpose and return it to the election officer, who shall remove the stub, hand it to the voter, and deposit the envelope with the ballot card inside in the ballot box. No ballot card from which the stub has been detached shall be accepted by the election official in charge of the ballot box, but it shall be marked “Spoiled” and placed with the spoiled ballot cards.

e. Any voter who spoils his ballot card may return it enclosed in the envelope and secure another. The word “Spoiled” shall be written across the face of the envelope which shall be placed in the spoiled ballot card container.

f. As soon as the polls have been closed and the last qualified voter has voted, all unused ballot cards shall be placed in a con-
tainer and sealed for return to the board of elections. Said container shall be indestructible, waterproof and shall be sealed before being removed from the local district election board premises. The ballot box shall be opened and any write-in votes counted. Before write-in votes are counted they shall be compared with votes cast on the ballot card for the same office. If the voter has cast more votes for an office than he is entitled to vote for, the vote for that office shall be declared null and void and that vote shall not be counted for that office. Votes cast for duly nominated candidates on the ballot card will not be voided because of an invalid write-in vote, but if otherwise valid shall be counted. The voted ballot cards shall next be placed in the ballot card container for delivery to the counting center, and the voting devices shall be placed in their containers and locked or sealed for returning to the county board of elections.

g. The district board election officers shall prepare a report of the number of voters who have voted, as indicated by the poll list, and shall place the original copy of this report in the ballot card container for delivery to the counting center, which thereupon shall be sealed so that no additional ballot cards may be deposited or removed. The duplicate copy of said report shall be returned to the county election board with other records. Two district election board officers one of each opposite political party as in this act defined shall forthwith deliver the ballot card container to the counting center or other place designated by the county board.

C. 19:53A-8 Counting the ballots.

8. a. Prior to the start of the count of the ballots, each county board of elections shall have the automatic tabulating equipment tested to ascertain that it will accurately count the votes cast for all offices and on all measures. Public notice of the time and place of the test shall be given at least 48 hours prior thereto by publication once in three or more daily or weekly newspapers published in the county or jurisdiction where such equipment is used, if a newspaper is published therein, otherwise in a newspaper of general circulation therein; said newspapers shall be selected so as to give the widest possible notice to the voters of said county and one of said newspapers shall be the newspaper or one of the newspapers in which legal notices of the county are required to be published. The test shall be conducted by processing a preaudited group of ballot cards so punched as to record a predetermined number of valid votes for each candidate and on each measure, and shall include for each office one or more ballots which have votes in ex-
cess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. In such test a different number of valid votes shall be assigned to each candidate for an office, and for and against each measure. If any error is detected, the cause therefor shall be ascertained and corrected and an errorless count shall be made and certified to by the county board of elections before the count is started. The tabulating equipment shall pass the same test at the conclusion of the count before the election returns are approved as official. On completion of the count, the programs, test materials, and ballot cards arranged by districts shall be sealed and retained as provided for paper ballots.

b. All proceedings at the counting center shall be under the direction of the county board of elections or persons designated by it; there shall always be two persons in charge, one from each opposite political party as in this act defined; and all proceedings shall be conducted under the observation of the public, but no persons except those authorized for the purpose shall touch any ballot card or return. All persons who are engaged in processing and counting of the ballots shall be deputized and take an oath that they will faithfully perform their assigned duties. If any ballot card is damaged or defective so that it cannot properly be counted by the automatic tabulating equipment, a true duplicate copy shall be made and substituted for the damaged ballot card. All duplicate ballot cards shall be clearly labeled “duplicate,” and shall bear a serial number which shall be recorded on the damaged or defective ballot card. The damaged or defective ballot card as well as the “duplicate” shall be preserved with the other ballot cards. During the count the election officer or board in charge may from time to time release unofficial returns. Upon completion of the count the official returns shall be open to the public.

c. The return of the automatic tabulating equipment, to which have been added the write-in and absentee votes, shall, after being duly certified, constitute the official return of each election district.

d. If for any reason it becomes impracticable to count all or a part of the ballot cards with tabulating equipment, the county board of elections may direct that they be counted manually, following as far as practicable the provisions governing the counting of paper ballots contained in Title 19 of the Revised Statutes.

9. Absentee votes may be cast on paper ballots or ballot cards, or both methods may be used. Such ballots may be counted by
automatic tabulating equipment or by special canvassing boards appointed by and under the direction of the county board of elections. A true copy of absentee paper ballots may be made on ballot cards, which after being duly verified, shall forthwith be counted in the same manner as other ballot cards. Such paper ballots and ballot cards shall be forthwith marked with corresponding numbers, which numbering shall be done in such manner as not to identify any voter and such marking shall not be considered to be a marked ballot. Such paper ballots and corresponding ballot cards shall both be preserved in the same manner as other ballot cards are required to be preserved hereunder.

C. 19:53A-10 Overvotes or misvotes.

10. Any overvote or misvote for one or more offices shall not invalidate the entire ballot.

11. For instructing the voters on any election day there shall, so far as practicable, be provided by the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting devices, for each polling place a mechanically operated model of at least a portion of the face of the device. Such model, if furnished, shall, during the election, be located on the district election board’s table or in some other place which the voters must pass to reach the voting device, and each voter shall before entering the voting device booth or before voting, be instructed regarding the operation of the device and such instruction illustrated on the model, and the voter be given opportunity personally to operate the model. The voter’s attention shall also be directed to the fact of the device and he shall have the ballot explained as to the location of the public questions or referendum, the location of the officers and the names of all candidates to be voted for.

12. Challengers may be appointed in the same manner as provided in R. S. 19:7-1 et seq., for each counting center set up in each county and said challengers shall have the right to be present and represent the candidates or party appointing them during any time the counting center is open or operating whether for testing of equipment, programs, ballot cards or for counting the ballot cards or for any other purpose.
CHAPTERS 82 & 83, LAWS OF 1973

13. The provisions of Title 19 of the Revised Statutes except as herein modified shall be applicable to the use of electronic voting systems in elections as herein provided for.

14. In case of a recount the ballot cards shall be recounted in the manner provided by section 8 of this act unless the court ordering the recount directs that they be counted manually.

C. 19:53A-15 Tampering with or interfering with operation of voting device or equipment; penalty.
15. a. Any person who before, during or after an election tampers with or willfully injures any voting device, ballot cards, or other records or equipment used in the election, or interferes or attempts to interfere with the correct operation of such device or equipment or the secrecy of voting, is guilty of a high misdemeanor.
   b. The penal laws and election laws relating to misconduct at elections apply to elections conducted with voting devices and automatic tabulating equipment.

16. This act shall take effect immediately.
Approved April 12, 1973.

The members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties under this act. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the Election Law Enforcement Commission is hereby allocated within the Department of Law and Public Safety; but, notwithstanding said allocation, the commission shall be independent of any supervision or control by the department or by any board or officer thereof, it being the intention of this act that the assignment, direction, discipline and supervision of all the employees of the commission shall be so far as possible, and except as otherwise provided in this act, fully determined by the commission or by such officers and employees thereof to whom the commission may delegate the powers of such assignment, direction, discipline and supervision.

(10) Forward to the Attorney General or to the appropriate county prosecutor information concerning any violations of this act which may become the subject of criminal prosecution or which may warrant the institution of other legal proceedings by the Attorney General.

c. The commission shall take such steps as may be necessary or appropriate to furnish timely and adequate information, in appropriate printed summaries and in such other form as it may see fit, to every candidate or prospective candidate for public office who becomes or is likely to become subject to the provisions of this act,
and to every treasurer and depository duly designated under the provisions of this act, informing them of their actual or prospective obligations and responsibilities under this act. Such steps shall include, but not be limited to, furnishing to every person on whose behalf petitions of nomination are filed for any public office a copy of such printed summary as aforesaid, which shall be furnished to such person by the commission through the public official charged with the responsibility of receiving and accepting such petitions of nomination, at the time when such petitions are filed. The commission shall also make available copies of such printed summary to any other person requesting the same. e. The commission shall be assigned suitable quarters for the performance of its duties hereunder.

f. The commission through its legal counsel is authorized to render advisory opinions as to whether a given set of facts and circumstances would constitute a violation of any of the provisions of this act, or whether a given set of facts and circumstances would render any person subject to any of the reporting requirements of this act.

Unless an extension of time is consented to by any person requesting an advisory opinion, the commission shall render its advisory opinion within 10 days of receipt of the request therefor. Failure of the commission to reply to a request for an advisory opinion within the time so fixed or agreed to shall preclude it from instituting proceedings for imposition of a penalty upon any person
for a violation of this act arising out of the particular facts and circumstances set forth in such request, except as such facts and circumstances may give rise to a violation when taken in conjunction with other facts and circumstances not set forth in such request.

the election he shall file his report on the fifteenth day follow­

day following an election, or at any time thereafter, the campaign
treasurer of a candidate or political committee or committee of
a political party or the treasurer of a political information
organization may certify to the Election Law Enforcement Com­

the late election has been wound up; and said certification shall be
accompanied by a final accounting of such campaign fund, or of
the transactions relating to such election, including the final

campaign treasurer’s report, duly certified, shall be filed at the
same time with the county clerk of the county in which the candidate
resides.

There shall be no obligation to file the reports required by this
section on behalf of a candidate if such candidate files with the

Election Law Enforcement Commission.
In any report filed pursuant to the provisions of this section, the names and addresses of contributors whose contributions during the period covered by the report did not exceed $100.00 may be excluded; provided, however, that (1) such exclusion is unlawful if any person responsible for the preparation or filing of the report knew that such exclusion was made with respect to any person whose contributions relating to the same election and made to the reporting candidate or to an allied campaign organization or organizations aggregate, in combination with the contribution in respect of which such exclusion is made, more than $100.00, and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identity of any contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requiring any candidate reporting pursuant to this act to report the amounts, dates or other circumstantial data regarding contributions made to any other candidate, political committee or committee of a political party.

C. 19:44A-18  Report of contributions received, expenditures made, or activities conducted after date set for final report subsequent to election.

18. If any former candidate or any political committee or any political information organization or any person or association of persons in behalf of such political committee or former candidate or organization shall receive any contributions or make any expenditures with relation to any election after the date set in section 16 of this act for the final report subsequent to such election, or shall conduct any testimonial affair or public solicitation for the purpose of raising funds to cover any part of the expenses of a candidate or political committee or organization in such election, all such contributions, expenditures, testimonial affairs or public solicitations shall be reported to the Election Law Enforcement Commission by the person or persons receiving such contributions or making such expenditures or conducting such testimonial affairs or public solicitations. Such report shall be made by any person receiving any such contribution or contributions, or making any such expenditure or expenditures, which in the aggregate total more than $100.00, or conducting any testimonial affair or public solicitation of which the net proceeds exceed $100.00; and shall be made within 20 days from the date upon which the aggregate of such contributions, expenditures or proceeds exceeds $100.00 for the period commencing with the fifteenth day following such election or with the date upon which any previous report was made pursuant to this section, whichever is soonest. Such report shall be made in the same form and shall contain the same detail prescribed for any other report made pursuant to section 8 or 16 of this act.

C. 19:44A-19  Conduct of public solicitation; conditions; report.

19. a. No person shall conduct any public solicitation as defined in this act except (1) upon written authorization of the campaign treasurer of the candidate, party committee or political committee on whose behalf such solicitation is conducted, or (2) upon written authorization of the treasurer of a political information organization, or (3) in accordance with the provisions of subsection c. of this section. A person with such written authorization may employ and accept the services of others as solicitors, and shall be responsible for reporting to the treasurer the information required under subsection b. of this section and for delivery to the treasurer the net proceeds of such solicitation in compliance with sections 11 and 14 of this act. A contribution made through donation or purchase in response to a public solicitation conducted pursuant to written
authorization of a treasurer shall be deemed to have been made through such treasurer.

b. Whenever a public solicitation has been authorized by a treasurer during a period covered by a report required to be filed under sections 8 and 16 of this act, there shall be filed with such report and as a part thereof an itemized report on any such solicitation of which the net proceeds exceed $100.00, in such form and detail as required by the rules of the Election Law Enforcement Commission, which report shall include:

If it is not practicable for such itemized report to be completed in time to be included with the report due under sections 8 and 16 of this act for the period during which such solicitation was held, then such itemized report may be omitted from said report and if so omitted shall be included in the report for the next succeeding period.

c. Notwithstanding the provisions of subsection b. of this section, it shall be lawful for any natural person, not acting in concert with any other person or group, to make personally a public solicitation the entire proceeds of which, without deduction for the expenses of solicitation, are to be expended by him personally or under his personal direction to finance any lawful activity in support of or opposition to any candidate or public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation; provided, however, that any individual making such solicitation who receives gross contributions exceeding $100.00 in respect of activities relating to any one election shall be required to make a report stating (1) the amount so collected, (2) the method of solicitation and (3) the purpose or purposes for which the funds so collected were expended and the amount expended for each such purpose. Such report shall be made either

(1) to the treasurer of the candidate, political party committee, political committee or political information organization on whose behalf such funds were collected and expenditures made, or to his
deputy, who shall cause the same to be included in this report to the Election Law Enforcement Commission subject to the provisions of sections 8 and 16 of this act; or,

(2) directly to the Election Law Enforcement Commission at the same time and in the same manner as a political committee or political information organization subject to the provisions of section 8 of this act.

d. Contributions or purchases made in response to a public solicitation conducted in conformity with the requirements and conditions of this act shall not be deemed anonymous within the meaning of sections 11, 14 and 20 of this act.

e. No person contributing in good faith to a public solicitation not duly authorized in compliance with the provisions of this act shall be liable to any penalty under this act by reason of having made such contribution.

C. 19:44A-20 Prohibited contributions and solicitations.

20. No contribution of money or other thing of value, nor obligation therefor, shall be made, and no expenditure of money or other thing of value, nor obligation therefor, shall be made or incurred whether anonymously, in a fictitious name, or by one person or group in the name of another, to support or defeat a candidate in a primary or general election or to aid the passage or defeat of any public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation. No person shall contribute, or purport to contribute, to any political candidate, party committee, political committee or political information organization funds or property not actually belonging to him and in his full custody and control, or which has been given or furnished to him by any other person or groups for the purpose of making a contribution thereof, except in the case of group contributions by persons who are members of the contributing group. No treasurer, candidate or member of a party committee, political committee or political information organization shall solicit or knowingly accept, agree to accept or concur in or abet the solicitation or acceptance of any contribution contrary to the provisions of this section.

C. 19:44A-21 Penalties.

c. The nomination for or election to any office of any candidate who is guilty of any violation within the description of subsection a. or b. of this section shall be void, and the office shall be filled as required by law in the case of a vacancy; provided, however, that nothing herein contained shall be construed in derogation of the constitutional authority of either House of the Legislature to be the judge of the election and qualification of its own members.

C. 19: 44A-22 Failure to file reports; filing false reports; penalties.

22. a. Any person charged with the responsibility under the terms of this act for the filing of any reports or other documents required to be filed pursuant to this act who fails, neglects or omits to file any such report or document at the time and in the manner prescribed by law, or who omits or incorrectly states any of the information required by law to be included in such report or document, shall, in addition to any other penalty provided by law, be liable to a penalty of not more than $1,000.00 for the first offense and not more than $2,000.00 for the second and each subsequent offense.

Eligibility for membership in the Police and Firemen’s Retirement System of New Jersey shall be extended to all active, permanent and full-time, uniformed officers of any county police department, county park police department, or county park commission who are otherwise eligible in accordance with the provisions of this act.

C. 43:16A-48.2 Transfer to and enrollment in Police and Firemen’s System.

2. a. An eligible officer who is a member of a pension fund established by a county or a county park commission or of the Public Employees’ Retirement System shall be permitted to transfer his membership in said fund to the Police and Firemen’s Retirement System of New Jersey by waiving all rights and benefits which would otherwise be provided by the county or county park commission pension fund or by the Public Employees’ Retirement System. Any such officer will likewise be permitted to continue his membership in the county or county park commission pension fund or in the Public Employees’ Retirement System by waiving all rights and
benefits which would otherwise be provided by the Police and Firemen’s Retirement System. Such waivers shall be accomplished by filing forms satisfactory to the New Jersey State Division of Pensions, which is responsible for the administration of the Police and Firemen’s Retirement System, within 90 days of the effective date of this act. In the absence of the filing of a timely waiver by any eligible officer his pension status shall remain unchanged and his membership shall not be transferred to the Police and Firemen’s Retirement System.

b. Each new officer who begins employment following the effective date of this act and who is otherwise eligible, shall be required to enroll in the Police and Firemen’s Retirement System of New Jersey as a condition of employment, provided he is otherwise eligible for membership by meeting the appointment, age, and health prescriptions required of all members. As of the effective date of this act, the eligibility of membership for such new officers in the county or county park commission pension fund or in the Public Employees’ Retirement System shall be terminated and the membership requirements of such other funds will be deemed satisfied by the enrollment of such employees in the Police and Firemen’s Retirement System.

c. All officers who, prior to the effective date of this act, were not required to become and who are not members of county or county park commission pension funds or the Public Employees’ Retirement System, and who anticipate the receipt of a pension from the county under the provisions of chapter 4 of Title 43 of the Revised Statutes or the “General Noncontributory Pension Act” P. L. 1955, c. 263 (C. 43:8B-1 et seq.), shall continue their eligibility for such pension to be paid by the county and shall not be permitted to enroll in the Police and Firemen’s Retirement System.

C. 43:16A-48.3 Accumulated deductions of transferred employees to be remitted to Police and Firemen’s System.

3. Within 120 days following the effective date of this act the county or county park commission pension funds and the Public Employees’ Retirement System shall remit to the Police and Firemen’s Retirement System of New Jersey all accumulated deductions standing to the credit of each transferred employee as members of such funds, and within 180 days following the effective date of this act remit the pro-rata part of the reserve fund constituting the employer’s obligations under the former system applicable to such employee’s account, and the Police and Firemen’s
Retirement System shall then enter the respective sums so remitted to it to the credit of such employee in the Annuity Savings Fund and to the credit of the employer in the Pension Accumulation Fund of the Police and Firemen's Retirement System of New Jersey. Interest at the rate of 6% per annum shall be added to the employer's obligation if such moneys are not remitted within the periods prescribed by this section.

4. The transferred employees thereby affected shall be members of the Police and Firemen's Retirement System and deductions from their salaries and contributions on their behalf shall thereafter be made as required by the act creating such system for members thereof. Such transferred employees shall have the same contribution obligation and enjoy the same rights and benefits of all other members of the system except as provided by this act. Any credit for public service which had been established in the county or county park commission pension funds or in the Public Employees' Retirement System by the transferred employee shall be established in the Police and Firemen's Retirement System.

Upon the transfer of membership to the Police and Firemen's Retirement System under the provisions of this act, the rate of contribution of such member shall be determined by the rates payable by other members, except that the number of years of credited service in the former pension fund shall be deducted from the member's current age in order to fix the age upon which the rate of contribution is based.

C. 43:16A-48.5 Evidence of insurability for group life insurance benefits.

5. a. Any person becoming a member of the Police and Firemen's Retirement System pursuant to the provisions of this act shall not be allowed any of the group life insurance benefits if on the date he files an application for enrollment he is 55 or more years of age, unless he furnishes satisfactory evidence of insurability and on the effective date of membership is actively at work and performing all his regular duties at his customary place of employment. The effective date of coverage for such benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

b. Such evidence of insurability will not be required of any person becoming a member upon transfer from the Public Employees' Retirement System, if the transferring employee was covered by
such benefits in the latter system at the time of the transfer. If such transferring employee was not covered by such benefits at the time of the transfer, he may be allowed the benefits under the group life insurance policy or policies subject to the provisions of subsection a. of this section; provided, however, that any such employee must furnish satisfactory evidence of insurability under the provisions of subsection a. of this section, if he had been unable or failed to give such evidence as a member of the Public Employees' Retirement System.

C. 43:16A-48.6 Calculation and payment to fund of liability of each employer of transferred employees.

6. The actuary of the Police and Firemen's Retirement System shall calculate the liability of each employer of employees becoming members of the system under this act in the same manner as is specified in the case of other employees where the Police and Firemen's Retirement System is adopted, taking into account the value of moneys remitted by the pension funds. In the event that the value of such money so remitted is less than the total which is required by the Police and Firemen's Retirement System to provide the transferred member with credit for his public service, the liability of the employer shall include an amount equal to the difference between these two values. Upon certification by the actuary of the Police and Firemen's Retirement System each employer shall make such contributions as are required in order to meet his financial obligations in the same manner and within the same period of time as is specified in the case of other employers where the Police and Firemen's Retirement System of New Jersey is adopted.

C. 43:16A-48.7 Information to be transmitted by employer.

7. The chief fiscal officer of each employer shall transmit to the retirement system such information as the system shall require in order for the New Jersey State Division of Pensions to comply with the provisions of this act.

It shall be deemed that the vehicle was in this State every day of the quarter unless persuasive evidence by the user discloses otherwise.
8. Section 8 of P. L. 1963, c. 44 (C. 54:39A-8) is amended to read as follows:

(b) When any user who is also the purchaser has established bulk motor fuels storage facilities within this State and the required records of his entire operations within and without this State are maintained within this State, he shall be entitled to a refund of any credit in excess of the tax due for the reporting period provided he has submitted proof acceptable to the director that the motor fuel on which motor vehicle fuel tax refund is claimed was not used within this State. No refund claim may be allowed when the amount claimed for a single tax quarter does not exceed the tax on 2,000 gallons of motor fuel or on 1% of the total fuel purchased by the user in this State, whichever is greater. No refund shall be allowed unless an audit of the user’s records has been made by the director or his employee. A refund may be allowed prior to such audit if the user has given a bond issued by a surety company authorized to do business within this State in an amount not less than the total amount of all unaudited claims. The condition of the bond shall be that if subsequent audit reveals the claim to be partially or entirely unallowable the full amount of the unallowable portion of the claim shall be repaid to the State together with interest at the rate of 1% per month or fraction thereof from the date the refund was paid to the user to the date he repays the State. 2. The name of the purchaser and address to which the fuel was delivered.

All such records shall be safely preserved for a period of 3 years in such manner as to insure their security and availability for inspection by the director or any authorized assistant engaged in the administration of this act. Upon application in writing, stating the reasons therefor, the director may in his discretion, consent to the destruction of any such records at any time within said period. The director or his authorized agents and representatives may, at any reasonable time, inspect the books and records of any user subject to the tax imposed by this act. The director shall provide by regulation for any such examination of books and records to be conducted at the office or offices of the user where such books and records are maintained.

10. Section 10 of P. L. 1963, c. 44 (C. 54:39A-10) is amended to read as follows:

**C. 54:39A-10 Identification cards and markers; limited use permits.**

10. The director shall issue to every user a motor fuels user identification card which shall be safely preserved in the user's offices for as long as the card is valid. The user shall place a photographic or xerographic copy of said card in the cab of each motor vehicle in his fleet. The director shall also issue for each vehicle in the user's fleet a motor fuels user identification marker which the user shall affix to the vehicle in such manner as shall be prescribed by the director. The fee for each original such marker and any replacement marker shall be $3.00. Every identification card and marker shall remain the property of the State and may be recalled for any violation of this act or of the regulations promulgated hereunder, or for failure to pay any moneys due the State under this act or any other law administered by the director. Identification cards and markers shall be issued on an annual basis as of April 1, of the year and shall be valid through the next
succeeding March 31. Identification markers and registration cards issued for calendar year 1972 under the former provisions of the act of which this act is amendatory shall continue to be valid through March 31, 1973. Identification cards and markers issued during the period from January 1, 1973 through March 31, 1973 for vehicles not previously registered during calendar year 1972 shall be valid through March 31, 1974. The form and content of the card and marker shall be as prescribed by the director. Any card and marker issued pursuant to this act may be deemed by the director as satisfying the equivalent requirements of any other law administered by him and any marker and card issued by him pursuant to any other law, regulation, reciprocity agreement or arrangement, or declaration may be deemed as satisfying the equivalent requirements of this act. It shall be illegal to operate or cause to be operated in this State any motor vehicle unless the vehicle bears the identification marker and carries the copy of the identification card required by this section; provided, however, that upon the request of a user the director may issue by mail or telecommunication a permit valid for the operation of a vehicle for a period not exceeding 25 days pending the application for and issuance of an identification card or marker or both. The fee for such permit shall be $5.00 which may be credited against the identification marker fee applicable to the same vehicle. A user whose vehicles in the aggregate make not more than six trips into or through this State in a 12-month period may be issued single trip permits valid for 96 hours for each round trip so made. The fee for such trip permit shall be $5.00 which shall be in lieu of reports, fees and taxes which may otherwise be applicable to said trip under this act.

11. Section 11 of P. L. 1963, c. 44 (C. 54:39A-11) is amended to read as follows:

C. 54:39A-11 Examination and audit of reports; deficiency assessments.

11. After a report is filed under the provisions of this act, the director shall cause the same to be examined and may make such further audit or investigation as he may deem necessary, and if therefrom he shall determine that there is a deficiency with respect to the payment of any tax due under this act, he shall assess the additional taxes, penalties and interest due the State from such user, give notice of such assessment to the user and make demand upon him for payment.
12. Section 12 of P. L. 1963, c. 44 (C. 54:39A-12) is amended to read as follows:

C. 54:39A-12 Failure to report; assessment; payment of tax.

12. If any user shall fail to make any report required under this act within the time prescribed herein the director shall make demand upon the user for the filing of the report and payment of any tax due within 15 days after notice shall have been mailed to the user. If the user fails to file said report within said 15-day period it shall be deemed that 40 gallons of fuel were consumed in this State by each vehicle in the user's fleet for each day during the quarter for which no report was filed. The director shall make an assessment against such user for the tax on all such fuel used in this State during said quarter and shall proceed to compel payment of the tax, plus penalty and interest, in the manner prescribed in this act.

13. Section 13 of P. L. 1963, c. 44 (C. 54:39A-13) is amended to read as follows:

C. 54:39A-13 Departure or removal of property from State or discontinuing business; arbitrary assessment.

13. If the director finds that a user designs quickly to depart from this State or to remove therefrom his property, or any property used by him in operations subject to this act, or to discontinue business, or to do any other act tending to prejudice or render wholly or partly ineffectual proceedings to assess or collect such tax, whereby it becomes important that such proceedings be brought without delay, the director may immediately make an arbitrary assessment as hereinbefore provided in section 12 of this act, whether or not any report is then due by law, and may proceed under such arbitrary assessment to collect the tax, or compel security for the same, and thereafter shall cause notice of such finding to be given to such user, together with a demand for immediate payment of such tax.

14. Section 14 of P. L. 1963, c. 44 (C. 54:39A-14) is amended to read as follows:

C. 54:39A-14 Failure to report or pay tax; penalty; interest.

14. When any user fails to file a report within the time prescribed by this act for the filing thereof he shall pay as a penalty the sum of $25.00. In addition to the penalty herein imposed any unpaid tax shall bear interest at the rate of 1% per month or fraction thereof until the same is paid. The penalty and interest charges herein imposed shall be paid to the director in addition to the tax due.
The director, if satisfied that the failure to file the report or pay the tax was excusable, may remit or waive the payment of the whole or part of any penalty provided the report is filed within 30 days after the due date.

15. Section 16 of P. L. 1963, c. 44 (C. 54:39A-16) is amended to read as follows:

C. 54:39A-16 Manner of payment and recovery of penalties and interest; debt of user; lien; preference.

16. (a) All penalties and interest when imposed under this act shall be payable to and recoverable by the director in the same manner as if they were part of the tax imposed.

(b) The taxes, fees, interest and penalties imposed under this act, from the time the same shall be due, shall be a personal debt of the user to the State, recoverable in any court of competent jurisdiction in an action in debt in the name of the State. Such debt, whether sued upon or not, shall be a lien on all the property of the debtor except as against an innocent purchaser for value in the usual course of business and without notice thereof, and shall have preference in any distribution of the assets of the user, whether in bankruptcy, insolvency or otherwise. The proceeds of any judgment or order obtained hereunder shall be paid to the director.

16. Section 17 of P. L. 1963, c. 44 (C. 54:39A-17) is amended to read as follows:

C. 54:39A-17 Appeal.

17. (a) Any aggrieved user may, within 30 days after any decision, order, finding, assessment or action of the director made pursuant to the provisions of this act, appeal therefrom to the Division of Tax Appeals in the State Department of the Treasury by filing a petition of appeal with said division in the manner and form prescribed by the said division.

(b) No such appeal shall stay the collection of any tax, interest or penalties or the enforcement of the same by entry as a judgment. The judgment or order of the Division of Tax Appeals respecting any matter arising under the provisions of this act may be reviewed by a proceeding in lieu of prerogative writ in the same manner as other judgments of said division.

17. Section 18 of P. L. 1963, c. 44 (C. 54:39A-18) is amended to read as follows:
C. 54:39A-18 Certificate of indebtedness; docket entries; force and effect; collection proceedings.

18. As an additional remedy, the director may issue a certificate to the Clerk of the Superior Court or to the Clerk of the Law Division of the County Court of any county, that any user is indebted under this act in such an amount as shall be stated in the certificate. Thereupon the clerk to whom such certificate shall have been issued shall immediately enter upon his record of docketed judgments the name and address of such user and the address of the place of business where such tax liability was incurred, if shown in the certificate, the amount of the debt so certified, the short name of the tax and the date of making such entries. The making of the entries shall have the same force and effect as the entry of a docketed judgment in the office of such clerk, and the director shall have all the remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to the user's right of appeal.

18. Section 19 of P. L. 1963, c. 44 (C. 54:39A-19) is amended to read as follows:

19. Except with respect to payment of special assessment imposed by the director pursuant to sections 11, 12 and 13 of this act, a user, at any time within 2 years after payment of a tax, may file with the director a claim under oath for refund, in such form as the director may prescribe, stating the grounds therefor, but no claim for refund shall be permitted to be filed after proceedings on appeal have been commenced as provided in section 17 of this act. If, upon examination of such claim for refund, it shall be determined by the director that there has been an overpayment of tax, the amount of such overpayment shall be credited against any liability of the user under this act and if there be no such liability, the user shall be entitled to a refund of the tax so overpaid. If the director shall reject the claim for refund in whole or in part, he shall make an order accordingly and serve a notice upon the user. This section shall not apply to applications for refunds provided for under section 8 of this act.

19. Section 20 of P. L. 1963, c. 44 (C. 54:39A-20) is amended to read as follows:

C. 54:39A-20 False statements; other violations; penalties.

(b) Any person who willfully violates any other provision of
this act or any provision of the rules and regulations prescribed
under this act, except provisions of this act or of such rules and
regulations for the violation of which a penalty is otherwise pro­
vided in this act, shall be subject to a fine of not more than $500.00
to be recovered in a summary proceeding pursuant to the Penalty
Enforcement Law (N. J. S. 2A:58-1 et seq.). For the purposes
of such proceeding, such violation shall be deemed an act committed
in part at the office of the director in Trenton.

In addition to the provisions and remedies contained in the
Penalty Enforcement Law, the following provisions and remedies
shall be applicable in any proceeding brought for a violation of
any of the provisions of this act:

a. The several municipal courts shall have jurisdiction of any
such proceeding in addition to the courts prescribed in said Penalty
Enforcement Law, provided, however, that the maximum fine which
may be imposed by a municipal court in a proceeding involving

The assessment of dues shall be made upon a graduated scale and shall be made only upon two-thirds vote of the delegates present at such delegates meeting, after notice of the taking of such vote shall have been given to each district board in writing at least 60 days before such delegates meeting. However, the dues assessed any board of education shall not be increased for any year by more than $331\frac{1}{3}$% of the dues assessed that board during the preceding year. Dues shall be payable by the custodian of school moneys of the school district to the treasurer of the association.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 54:1-35a Definitions.

1. Definitions.

a. The "average ratio" of assessed to true value of real property for a taxing district for the purposes of this act shall mean the unweighted, unclassified, arithmetic average as determined by the Director of the Division of Taxation from the latest 1-year study data compiled by the director for the purposes of P. L. 1954, c. 86 (C. 54:1-35.1 et seq.), as of October 1 of the year preceding the tax year as revised by the Division of Tax Appeals.

b. The "common level range" for a taxing district is that range which is plus or minus 15% of the average ratio for that district.

2. Section 15 of P. L. 1946, c. 161 (C. 54:2-40.4) is amended to read as follows:
CHAPTER 123, LAWS OF 1973

C. 54:2-40.4 Realty transfer fee and affidavit of consideration as evidence of consideration or sales price; determination of taxable value of property.

15. a. In any proceeding before the Division of Tax Appeals in the State Department of the Treasury where deeds or other instruments of conveyance do not state the true consideration or sales price of the property, which is the subject of appeal, the realty transfer fee, if any, paid upon the recording of such deeds or instruments as well as the affidavit of consideration attached to and filed with any such deed or instrument shall be admitted as prima facie evidence of the true consideration or sales price of the said property.

b. Whenever the Division of Tax Appeals is satisfied by the proofs that the ratio of the assessed valuation of the subject property to its true value exceeds the upper limit or falls below the lower limit of the common level range, it shall revise the taxable value of the property by applying the average ratio to the true value of the property except as hereinafter provided.

c. If the average ratio is below the county percentage level and the ratio of the assessed value of the subject property to its true value exceeds the county percentage level, the Division of Tax Appeals shall reduce the taxable value of the property by applying the average ratio to the true value of the property.

d. If both the average ratio and the ratio of the assessed value of the subject property to its true value exceed the county percentage level, the Division of Tax Appeals shall revise the taxable value of the property by applying the county percentage level to the true value of the property.

e. The provisions of this act shall not apply to any appeal from an assessment of real property taken with respect to the tax year in which the taxing district shall have completed and put into operation a district-wide revaluation program approved by the Director of Taxation pursuant to chapter 424, laws of 1971 (C. 54:1-35.35 et seq.).

3. R. S. 54:3-22 is amended to read as follows:

Hearing of appeals; witnesses; evidence; revision or reduction of taxable value of property.

a. The board shall thereupon make such order respecting the time and manner for hearing the appeal as it may deem just, and shall summarily hear and determine the appeal, and revise and correct the assessment in accordance with the value prescribed by law. All appeals filed pursuant to the provisions of chapter 3 of
Title 54 of the Revised Statutes shall be heard and determined by the board. It may compel the attendance of witnesses, the production of books and papers before it, examine witnesses or cause witnesses to be examined under oath before it, which oath may be administered by a member of the board.

b. In any proceedings before the board where deeds or other instruments of conveyance do not state the true consideration or sale price of the property, which is the subject of appeal, the realty transfer fee paid upon the recording of such deeds or instruments as well as an affidavit of consideration attached to and filed with any such deed or instrument shall be admitted as prima facie evidence of the actual amount of money and the monetary value of any other thing of value constituting the entire compensation paid for such transfer of realty.

c. Whenever the county board of taxation is satisfied by the proofs that the ratio of the assessed valuation of the subject property to its true value exceeds the upper limit or falls below the lower limit of the common level range, it shall revise the taxable value of the property by applying the average ratio to the true value of the property except as hereinafter provided.

d. If the average ratio is below the county percentage level and the ratio of the assessed value of the subject property to its true value exceeds the county percentage level, the county board of taxation shall reduce the taxable value of the property by applying the average ratio to the true value of the property.

e. If both the average ratio and the ratio of the assessed value of the subject property to its true value exceed the county percentage level, the county board of taxation shall revise the taxable value of the property by applying the county percentage level to the true value of the property.

f. The provisions of this section shall not apply to any appeal from an assessment of real property taken with respect to the tax year in which the taxing district shall have completed and put into operation a district-wide revaluation program approved by the Director of Taxation pursuant to chapter 424, laws of 1971 (C. 54:1-35.35 et seq.).

4. R. S. 54:4-62 is amended to read as follows:

Amendment of assessment; revision or reduction of taxable value of property.

a. If it shall appear to the satisfaction of the Superior Court, in a proceeding in lieu of prerogative writ, that an assessment of
taxes reviewed thereby is at a rate higher than authorized by the law or resolution authorizing the assessment, or that the value of taxable property for which a person is therein assessed, is too great, the court shall amend the assessment and reduce it to the proper and just amount, in accordance with the provisions of this act.

b. Whenever the Superior Court is satisfied by the proofs that the ratio of the assessed valuation of the subject property to its true value exceeds the upper limit or falls below the lower limit of the common level range, it shall revise the taxable value of the property by applying the average ratio to the true value of the property except as hereinafter provided.

c. If the average ratio is below the county percentage level, and the ratio of the assessed value of the subject property to its true value exceeds the county percentage level, the court shall reduce the taxable value of the property by applying the average ratio to the true value of the property.

d. If both the average ratio and the ratio of the assessed value of the subject property to its true value exceed the county percentage level, the court shall revise the taxable value of the property by applying the county percentage level to the true value of the property.

e. The provisions of this act shall not apply to any appeal from an assessment of real property taken with respect to the tax year in which the taxing district shall have completed and put into operation a district-wide revaluation program approved by the Director of Taxation pursuant to chapter 424, laws of 1971.

C. 54:1-35b Determination of average ratio and common level range.

5. a. On or before April 1 in each year the Director of the Division of Taxation shall, from the latest 1-year study data compiled by the director for the purpose of P. L. 1954, c. 86 (C. 54:1-35.1 et seq.), as of October 1 of the year preceding the tax year, as revised by the Division of Tax Appeals, determine the average ratio and the common level range.

b. On or before such date, the director shall mail to the secretary of each county board of taxation and to the assessor or board of assessors, and the municipal clerk of each municipality, a certified list setting forth such average ratio and the common level range determined by him for each taxing district.
C. 54:1-35c Determination of average ratio when certain real estate sales information is not available.

6. Where it is not possible for purposes of this act, to determine the average ratio in any taxable district by reason of the fact that there are no usable real estate sales during the period referred to in section 1. a. of this act, the director may consider such other data and studies as may be available and he may make such further and different investigations of assessment practices as he may deem necessary or desirable for establishing the "average ratio" required by this act.

7. This act shall take effect immediately and shall be applicable with respect to the tax year 1974 and thereafter.

Approved May 9, 1973.

CHAPTER 124

An Act imposing a tax upon certain employers for the benefit of employees with nonvested pension rights and providing for the assessment and collection thereof, and disposition of the revenues derived therefrom.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as "The Private Nonvested Pension Benefits Protection Tax Act."

2. As used in this act:

a. "Employer" means any person, firm or corporation who employs 500 or more people within this State at any time within 1 year prior to the date that it ceases to operate a place of employment.

b. "Place of employment" means any location within this State at which 500 or more persons are employed at any time within 1 year prior to the date that the employer ceases to operate at such location.

c. "Employee" means any person employed at the place of employment during the year prior to the date when the employer ceases to operate the place of employment.
d. "Commissioner" means the Commissioner of Labor and Industry.

e. "Ceases to operate a place of employment" means either the complete termination of operations at a place of employment or a substantial reduction in the number of employees at a place of employment as part of a plan or in connection with an intent to move the business operations at such place of employment outside of the State. Substantial fluctuations in the number of employees of an employer whose business is of a seasonal nature shall not be deemed to be a ceasing to operate a place of employment except to the extent that a substantial reduction in the number of employees of such an employer is attributable to a plan or intention to move the business operations of such an employer outside of the State. When an employer ceases to operate a place of employment but offers to retain all of the employees at another location within the State, this act shall not apply.

f. "Pension plan" means any plan, fund or program which is established, maintained or entered into by an employer for the purpose of providing for its employees, or their beneficiaries, retirement benefits.

g. "Normal retirement benefit" means that benefit payable under a pension plan in the event of retirement at the normal retirement age as prescribed by the plan.

h. "Accrued portion of the normal retirement benefit" means the amount of benefit credited by the employer to the account of an employee participating in a pension plan, or where there is no such credit, that portion of the normal retirement benefit to which the commissioner determines actuarially the employee should be entitled based on the covered service of the employee, as of the date of termination of employment.

i. "Covered service" means periods of employment with an employer which are recognized under the terms of the employer’s pension plan for the purposes of determining an employee’s eligibility to receive benefits under the plan or the amount of such benefits.

j. "Vested right" means a nonforfeitable, legal right obtained by an employee participating in a pension plan to that part of an immediate or deferred pension benefit which arises from the employee’s covered service under the plan and is no longer contingent on the employee remaining covered under the plan.
k. "Nonvested pension benefit" means the accrued portion of the normal retirement benefit of an employee participating in a pension plan to which the employee does not have a vested right.

3. There is hereby assessed upon every employer, who hereafter ceases to operate a place of employment within this State, a tax which shall be equal to the total amount of nonvested pension benefits of such employees of the employer who have completed 15 years of covered service under the pension plan of the employer and whose employment was or will be terminated because of the employer's ceasing to operate a place of employment within this State and whose nonvested pension benefits have been or will be forfeited because of such termination of employment, less the amount of such nonvested pension benefits which are compromised or settled to the satisfaction of the commissioner as provided in this act.

4. Any employer who intends to cease to operate a place of employment within this State shall notify the commissioner of such intention not later than 6 months prior to the date the employer intends to cease to operate its place of employment. In the case of an employer who intends to cease to operate a place of employment within this State within 6 months of the effective date of this act, the notice required by this section shall be given by the employer as soon as practicable, but not later than 10 days, after the effective date of this act.

5. Upon receipt of such notification, or upon his own initiative when such notification is not given as required, the commissioner shall cause an investigation to be made of the employer to determine the number of employees who have completed 15 years of covered service under the pension plan of the employer and whose employment was or will be terminated because of the employer's ceasing to operate a place of employment within this State and whose nonvested pension benefits have been or will be forfeited by such termination of employment, the amounts of any nonvested pension benefits, if any, of such employees, and any other facts or circumstances concerning the employer, his employees and the pension plan for such employees as may be necessary or useful to the commissioner to carry out his duties and responsibilities under this act. The investigation, insofar as practicable, shall be conducted at the employer's place of employment during normal business hours. The employer shall cooperate fully with the commissioner
in such investigation, and shall make available to him any books, records or other information necessary or useful to such investigation. To aid in such investigations, the commissioner is authorized to administer oaths and affirmations and to issue subpoenas to compel the attendance of witnesses or the production of books, records or other documents. The commissioner may seek, through the Attorney General acting on his behalf, orders from any court of competent jurisdiction to compel an employer to comply with the provisions of this act and to punish disobedience of any subpoena issued pursuant to this act.

6. As part of the investigation of an employer, the commissioner shall determine the amount of nonvested pension benefits which have been compromised or settled to his satisfaction. Nonvested pension benefits may be compromised or settled by:

a. Agreement between the employer and employee which is mutually understood by both parties to be a complete and final satisfaction of such benefits; or

b. A provision in a collective bargaining agreement to which both the employer and employee are a party concerning the disposition of pension benefits in case the employer ceases to operate a place of employment, or providing a benefit to the employee contingent upon the employer ceasing to operate a place of employment.

7. After the investigation of the employer, the commissioner shall certify to the Director of the Division of Taxation the total amount of nonvested pension benefits which are includable in determining an employer’s tax liability under this act and the amount of such benefits which have been compromised or settled to the satisfaction of the commissioner. The director shall determine the amount of an employer’s tax liability under this act and shall notify the employer of the amount of the tax. The tax shall be due and payable to the director on the date that the employer ceases to operate its place of employment and shall be a lien upon all of the employer’s assets within this State. If the tax is not paid when due, the employer shall be liable for interest on the amount due at the rate of 6% per annum until the tax and interest are paid.

8. The commissioner shall maintain a separate record of each employee of an employer taxed under this act who had completed 15 years of covered service under the pension plan of the employer and whose employment was terminated because of the employer’s
ceasing to operate a place of employment within this State and whose nonvested pension benefits were forfeited by such termination of employment and were not compromised or settled. Each such employee shall be entitled to make a claim, in the form and manner prescribed by the commissioner, for an immediate payment of the current value of his nonvested pension benefits or a deferred pension benefit, and to receive such payment or benefit in accordance with the rules and regulations promulgated by the commissioner.

9. For the purposes of this act, the employment of any employee terminated within 1 year, or within such longer period as prescribed by the commissioner when he determines that an employer is attempting to evade the provisions of this act, of the date an employer ceases to operate a place of employment within this State shall be deemed to have been terminated because of the employer’s ceasing to operate its place of employment, unless the employer can conclusively show that the termination was attributable to some other cause.

10. The commissioner may promulgate rules and regulations to provide for the efficient administration of the provisions of this act applicable to him, or to clarify such provisions as may be necessary to effectuate the purposes of this act. The commissioner may use the facilities and personnel of the Department of Labor and Industry, and any appropriations available to carry out his duties and responsibilities under this act.

11. The Director of the Division of Taxation is authorized to promulgate rules and regulations for the assessment and collection of the tax imposed by this act.

12. The funds of any employer which are set aside or reserved for benefits under a pension plan of the employer to which employees have a vested right shall not be liable to be seized or taken by virtue of any execution or civil process whatever, issued out of any court of this State, for the collection of the tax imposed by this act.

13. This act shall take effect immediately, and the tax imposed hereby shall expire and be inoperative after July 1, 1974.

Approved May 9, 1973.

In addition, the board may refuse an application for examination or may suspend or revoke the certificate of a registered pharmacist or a registered assistant pharmacist upon proof satisfactory to the board that such registered pharmacist or such registered assistant pharmacist is guilty of grossly unprofessional conduct and the following acts are hereby declared to constitute grossly unprofessional conduct for the purpose of this act:

CHAPTER 126

AN ACT authorizing the Commissioner of Transportation to establish a program to provide motor bus transportation services to senior citizens at reduced fares, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 27:1A-64 Declaration of policy.

1. The Legislature hereby finds and declares that:

a. Many senior citizens of this State must depend on public transportation facilities to obtain the necessities of life, such as food, clothing and medical services, and to visit their families and friends; ready access to transportation services is thus essential to their health, safety and welfare.

b. Many of these senior citizens live on fixed or limited incomes, and the high cost of transportation services thus makes it difficult for them to take advantage of such services.
c. The need for transportation services for senior citizens can largely be satisfied by providing reduced fare service during off-peak times, when many buses are operating below capacity.

d. A reduced fare program for senior citizens will increase riding during offpeak times, thus helping to insure the continued viability of regular bus service during those hours.

e. It is therefore a valid public purpose, and in the best interest of all the people of this State, to provide for reduced bus fares for senior citizens at State expense.

C. 27:1A-65 Definitions.

2. For the purposes of this act, unless the context clearly indicates otherwise:

a. "Commissioner" means the Commissioner of Transportation; provided, however, that he may delegate any of his powers or duties under this act to any subordinate division, agency or employee of the Department of Transportation.

b. "Carrier" means any individual, copartnership, association, corporation, joint stock company, public agency, trustee or receiver operating motor buses on established routes within this State.

c. "Motor bus" means "autobus" as defined in R. S. 48:4-1, and includes those autobuses, commonly called jitneys, as defined in R. S. 48:16-23.

d. "Offpeak times" means the hours from 9:30 a.m. to 4 p.m. and from 7 p.m. to 6 a.m. during the weekdays, and all day on Saturdays, Sundays and holidays.

e. "Senior citizen" means any resident of this State of the age of 62 years or over.

C. 27:1A-66 Establishment and implementation of program.

3. The Commissioner of Transportation is hereby authorized and directed to establish and implement within 120 days of the effective date of this act a program to provide intrastate bus passenger service for senior citizens during offpeak times on regular routes of carriers within the State at one-half of the regular adult rates of fare as set forth in the tariffs of said carriers filed with the Board of Public Utility Commissioners or the Commuter Operating Agency. The commissioner may take such action as he deems necessary to implement this program, including contracts with carriers for the provision of transportation services under this program, purchase of regular tickets and resale to eligible senior citizens at one-half the ordinary fare, or direct payments to carriers for services provided to senior citizens under this program.
C. 27:1A-67 Establishment of certain procedures.

4. In establishing this program, the commissioner shall, after consulting with the Commissioner of Community Affairs, the New Jersey State Commission on Aging and the Board of Public Utility Commissioners, establish uniform procedures for:

a. Determining the eligibility of persons to receive the reduced fares provided pursuant to this act;

b. Making such reduced fares available to eligible persons; and

c. Auditing and accounting to insure that no carrier receives payments in excess of the value of services actually rendered to senior citizens pursuant to this act.

C. 27:1A-68 Rules and regulations.

5. The commissioner is hereby authorized to make and issue such other rules and regulations in accordance with the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.) as he may deem necessary or appropriate to effectuate the purposes of this act.

C. 27:1A-69 Utilization of certain facilities and resources.

6. The commissioner may utilize the personnel, facilities and resources of any other department or agency of the State or any political subdivision thereof, in carrying out his powers and duties under this act, in accordance with such terms and conditions as may be agreed upon between the commissioner and such department or agency.

C. 27:1A-70 Additional fare reductions.

7. Nothing in this act shall preclude any carrier from providing further fare reductions for senior citizens or preclude any municipality from contracting for such further reductions pursuant to P. L. 1973, c. 67 (C. 40:38-4.1 et seq.), or any other law.

C. 27:1A-71 Employment of certain personnel.

8. The commissioner is hereby authorized to hire, employ or assign such secretarial, clerical and other personnel as shall be required for complying with the provisions of this act. The commissioner may also expend a reasonable sum, not to exceed $50,000.00, for initial advertising to make the senior citizens of the State aware of the program and the availability of the reduced fares thereunder.
C. 27:1A-72 Authority to transport at reduced fares.

9. Notwithstanding any of the provisions of chapter 3 of Title 48 of the Revised Statutes or of any other law to the contrary, any citizen and resident of this State of the age of 62 or more years may be transported by any motor bus carrier at less than the usual and ordinary fare charged to one person.

10. There is hereby appropriated to the Department of Transportation the sum of $6,100,000.00 to subsidize the cost of the reduced fares provided under the program established by this act and the sum of $300,000.00 for the administration of such program.

11. This act shall take effect immediately.

CHAPTER 127

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1954, c. 6 (C. 5:8-25) is amended to read as follows:

Whenever such policy or policies of group insurance shall be in effect, the benefits payable thereunder shall be in lieu of the above mentioned death benefits provided by said sections.

Any dividend or retrospective rate credit allowed by an insurance company shall be credited in an equitable manner to the special insurance funds from which premiums are paid.

22. Any life insurance company must meet the following requirements in order to qualify under section 21:

If any member who has exercised the conversion privilege under the group policy or policies again becomes a member of the retirement system, and the individual policy obtained pursuant to the conversion privilege is still in force, he shall not again be eligible for any of the death benefits provided by sections 17b., 19 and 20, unless he furnishes satisfactory evidence of insurability.

When benefits payable upon the death of a member following retirement are determined as though he were an active member at the time of his death, the death benefit payable under the group policy or policies together with the amount of insurance paid under any individual policy obtained under the conversion privilege, shall in no event exceed the amount of insurance for which the member was insured under the group policy or policies immediately prior to the date the right of conversion arose.

An insured person may file with the insurance company through the policyholder and alter from time to time during his lifetime, as desired, a duly attested written nomination of his payee for the death benefit.

27. Any such group policy or policies shall provide that payment of any death benefits which are payable by the insurance company
may be made in one sum directly to the beneficiary as hereinafter provided, in equal installments over a period of years or as a life annuity or in such other manner as may be made available by the insurance company. An insured person may make arrangements for settlement, and may alter from time to time during his lifetime any arrangement previously made, by making written request to the insurance company through the policyholder. Upon the death of an insured person, a beneficiary to whom a benefit is payable in one sum by the insurance company may likewise arrange for a settlement as described above. If an insured person’s or beneficiary’s request for settlement of any death benefit in equal installments over a period of years or as a life annuity pursuant to the foregoing is approved by the policyholder, the amount of such installments or such life annuity, as the case may be, shall be determined on the basis of such applicable mortality tables as shall have been adopted by the retirement system and are in effect at the death of the insured person. Any arrangement for payment under the group policy to a beneficiary shall be in lieu of that provided by sections 17 b., 19 and 20.

c. For purposes of this act, each member of the State House Commission shall be entitled to one vote and a majority vote of all members shall be necessary for any decision by the commission at any meeting of said commission.

d. Subject to the limitations of this act, the State House Commission shall annually establish rules and regulations for the administration of the funds created by this act and for the transaction of its business. Such rules and regulations shall be consistent with those adopted by the other pension funds within the Division of Pensions in order to permit the most economical and uniform administration of all such retirement systems.

e. The actuary of the system shall be designated by the State Treasurer after consultation with the Director of the Division of Pensions. He shall be the technical adviser of the commission on matters regarding the operation of the funds created by the provisions of this act and shall perform such other duties as are required in connection therewith.

i. The State Treasurer shall designate a medical board after consultation with the Director of the Division of Pensions. It shall be composed of three physicians. The medical board shall pass on all medical examinations required under the provisions of this act, and shall report in writing to the retirement system its conclusions and recommendations upon all matters referred to it.

C. 43:6A-30 Trustee of funds; custodian of funds; administration of program.

30. a. The State House Commission shall be and is hereby constituted the trustee of all the various funds established by this act except the group insurance premium fund; provided, however, that all functions, powers, and duties relating to the investment or re-
investment of moneys of, and purchase, sale, or exchange of any investments or securities, of or for any fund established under this act, shall be exercised and performed by the Director of the Division of Investment in accordance with the provisions of P. L. 1950, c. 270 (C. 52:18A-79 et seq.).

b. The secretary of the commission shall determine from time to time the cash requirements of the various funds established by this act and the amount available for investment, all of which shall be certified to the Director of the Division of Investment.

c. The Treasurer of the State of New Jersey shall be the custodian of the several funds. All payments from said funds shall be made by him only upon vouchers signed by the secretary. A duly attested copy of the resolution of the State House Commission bearing on its face the specimen signature of the secretary shall be filed with the treasurer as his authority for making payments upon such vouchers.

d. The administration of the program shall be performed by the personnel of the Division of Pensions of the State Department of the Treasury and the costs of administration shall be borne by the State.

31. The actuary shall recommend such data as shall be necessary for actuarial valuation of the various funds created by this act. Once in every 3-year period the actuary shall make an actuarial investigation into the mortality, service and salary experience of the members and beneficiaries and shall make a valuation of the assets and liabilities of the various funds created by this act. Upon the basis of such investigation and valuation, with the advice of the actuary, the commission shall adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

32. Under this act there shall be established a contingent reserve fund and a retirement reserve fund.

C. 43:6A-33 Contingent reserve fund.
33. The contingent reserve fund shall be the fund in which shall be credited contributions made by the State.

a. Upon the basis of such tables recommended by the actuary as the commission adopts and regular interest, the actuary shall compute annually the amount of the contribution, expressed as a proportion of the salaries paid to all members, which if paid
monthly during the entire prospective service of the members, will be sufficient to provide for the pension reserves required at the time of the discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account and to provide for the amount of the death benefits payable on their account, which amount is not covered by other contributions to be made as provided in this section and the funds in hand available for such benefits. This shall be known as the "normal contribution."

b. Upon the basis of such tables recommended by the actuary as the commission adopts and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1973 which has accrued on the basis of services rendered prior to July 1, 1973 by all members, including the amount of the liability accrued by reason of pensions to be granted on account of services rendered by members, which has not already been covered by previous State and county contributions to the Public Employees' Retirement System transferred to the retirement system under provisions of subsection d. Using the total amount of this unfunded accrued liability he shall compute the amount of the flat annual payment which, if paid in each succeeding fiscal year commencing with July 1, 1974 for a period of 40 years, will provide for this liability. This shall be known as the "accrued liability contribution."

c. The actuary shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the proportion of the earnable salary of all members, computed as described in subsection a. hereof and of the State's accrued liability contribution, payable in the ensuing year, as described in subsection b. hereof. The State shall pay into the contingent reserve fund during the ensuing year the amount so determined. In the event the amount certified to be paid by the State includes amounts due for services rendered by members to counties, the total amount so certified shall be paid to the retirement system by the State; provided, however, the full cost attributable to such services rendered to such counties shall be computed separately by the actuary and the State shall be reimbursed for such amounts by such counties.

The cash death benefits, payable as the result of contribution by the State under the provisions of this act upon the death of a member in active service and after retirement, shall be paid from the contingent reserve fund.
d. Within 90 days following the effective date of this act, the Public Employees' Retirement System of New Jersey shall transfer that portion of the actuarial reserves established in that system on the basis of contributions made by the State and counties on behalf of those judges whose membership in the Public Employees' Retirement System shall be terminated by provisions of this act and whose retirement and death benefit coverage will be provided by the Judicial Retirement System of New Jersey. The transfer of the reserves to the retirement system established by this act shall be accomplished upon certification by the consulting actuary of the Public Employees’ Retirement System of New Jersey as to the amounts to be transferred.

C. 43:6A-34 Retirement reserve fund.

34. The retirement reserve fund shall be the fund from which all pensions shall be paid.

Upon the retirement of a member, the reserve needed to produce the pension shall be transferred from the contingent reserve fund. If the pension of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the contingent reserve fund.

Any surplus or deficit developing in the retirement reserve fund shall be adjusted from time to time by transfer to or from the contingent reserve fund by appropriate action of the retirement system upon the advice of the actuary.

35. The retirement system at the end of each fiscal year shall allow interest on the balance of the contingent reserve fund and the retirement reserve fund as of the beginning of said fiscal year at the regular interest rate applicable thereto to cover the interest creditable to the respective funds for the year. The amount so allowed shall be due and payable to said funds and shall be credited annually.

C. 43:6A-36 Interest charges, maintenance of reserves, and payment of pensions as obligations of State.

36. Regular interest charges payable, the creation and maintenance of reserves in the contingent reserve fund, the maintenance of retirement reserves as provided for in this act and the payment of all pensions and other benefits granted by the State House Commission under the provisions of this act are hereby made obligations of the State. All income, interest and dividends derived from deposits and investments authorized by this act shall be used for the payment of these obligations of the State.
Upon the basis of such actuarial determination and appraisal provided for in this act an itemized estimate of the amounts necessary to be appropriated by the State to the various funds to provide for the payment in full during the ensuing fiscal year of the obligations of the State accruing during that year shall be submitted by the retirement system to the Governor so that it may be included in the budget request submitted by the Governor to the Legislature. The Legislature shall make an appropriation sufficient to provide for such obligations of the State. The amounts so appropriated shall be paid into the various funds created by this act.

C. 43:6A-37 Application of provisions of certain statutes to system members or beneficiaries.

37. a. No other provisions of the law in any other statute which provides wholly or partly at the expense of the State of New Jersey or any political subdivision thereof for pensions or retirement benefits for members of this system and for beneficiaries shall apply to such members or beneficiaries.

b. Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pensions or other benefits to any member or beneficiary for which reserves have not been previously created from funds contributed by the State for such benefits.

C. 43:6A-38 Authority to correct errors and adjust payments.

38. Should any change or error in the records of this retirement system result in any member or person receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the retirement system shall, as far as practicable, correct such error and adjust the payments in such manner that the actuarial equivalent of the benefit to which the member or beneficiary was correctly entitled shall be paid.

C. 43:6A-39 Waiver of portion of pension or benefit.

39. Any member or any beneficiary who has been or, in the future, may be retired, or receive a pension or benefit pursuant to the provisions of this act, may, by filing written request with the retirement system, waive payment of a portion of the pension or benefit to which he may be entitled.

Upon the receipt of such waiver, and until the same is withdrawn, altered or revoked by a subsequent written request, similarly filed, the retirement system shall pay a reduced pension or benefit, as shall be requested in such waiver. The member or the beneficiary
shall not be entitled to a refund, or credit, for such moneys as shall have been waived during the period such waiver has been in effect.

C. 43:6A-40 Deductions for group health insurance premiums.

40. If possible, whenever any retirant or beneficiary shall, in writing, request the Division of Pensions to make deductions from his pension for the purpose of paying premiums for the pensioners' group health insurance plan or the State Health Benefits program, the division may make such deductions and transmit the sums so deducted to the companies carrying the policies. Any such written authorization may be withdrawn by any retirant or beneficiary upon filing notice of such withdrawal with the division.

C. 43:6A-41 Rights and moneys exempt from certain taxes, and from levy and sale and from attachment; assignment of rights and benefits conferred by group insurance policy.

41. The right of a person to a pension or any benefit or right accrued or accruing to a person under the provisions of this act and the moneys in the various funds created under this act, shall be exempt from any State or municipal tax and from levy and sale, garnishment, attachment or any other process arising out of any State or Federal court, and, except as hereinafter in this section and as in this act otherwise provided, shall be unassignable.

Nothing in this section shall prohibit any person insured under a group insurance policy, pursuant to an arrangement among the insured, the group policyholder and the insurer, from making to any person other than his employer, a gift assignment of the rights and benefits conferred on him by any provision of such policy or by law including specifically but not by way of limitation the right to exercise the conversion privilege and the right to name a beneficiary. Any such assignment, whether made before or after the effective date of this act, shall entitle the insurer to deal with the assignee as the owner of all rights and benefits conferred on the insured under the policy in accordance with the terms of the assignment.

C. 43:6A-42 Designation and payment of beneficiary or beneficiaries.

42. The designation of beneficiary by a member or retirant shall be made in writing on a form satisfactory to the retirement system, and filed with the retirement system. The member or retirant may, from time to time and without the consent of his death benefit designee, change the beneficiary by filing written notice of the change with the system on a form satisfactory to it. The new nomination will be effective on the date the notice, in proper form,
is received by the system, and any prior nomination shall thereupon become void.

If more than one beneficiary is nominated and in such nomination the member or retirant has failed to specify their respective interests, the beneficiaries shall share equally. If any beneficiary predeceases the member or retirant, the interest of such beneficiary shall terminate and shall be shared equally by such of the beneficiaries as survive the member or retirant, unless the member or retirant has made written request to the contrary in his beneficiary nomination.

Any amounts due for which there is no beneficiary at the death of a member, retirant or beneficiary shall be payable to the estate of such member, retirant or beneficiary.

Except with regard to the payment of one-fourth of final salary upon the death of a retirant as provided in sections 19 and 20, a member may elect, by making written request to the retirement system, that the whole or any part of his death benefits be made payable to his beneficiary either as a life annuity or in equal installments over a period of years specified in such election, and may alter such election from time to time during his lifetime by again making such written request. In the event of a change of beneficiary, any previous arrangement by the member or retirant under this paragraph shall be void. The election set forth in this paragraph shall not apply or be available when the beneficiary is an estate, or corporation, partnership, association, institution, trustee, or any fiduciary.

If, at the member’s or retirant’s death, an amount of death benefit would be payable to the beneficiary in a single sum, any election with regard to such amount which was available to the member or retirant immediately prior to his death in accordance with the provisions of the immediately preceding paragraph shall then be available to such beneficiary for the benefit of such beneficiary.

C. 43:6A-43 Active membership defined.

43. For the purposes of section 17b, a member shall be deemed to be an active member for a period of no more than 93 days while on official leave of absence without pay when such leave is due to any reason other than illness, or for a period of no more than 2 years while on an official leave of absence without pay if satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to the member’s personal illness.
If a member dies within 30 days after the date of retirement or the date of commission approval, whichever is later, a death benefit shall be payable only if he is deemed to be an active member in accordance with this section; provided, however, a member applying for disability benefits shall be deemed an active member if he was covered by the death benefit provisions of the act at the termination of employment, filed the application for disability retirement with the retirement system within 30 days following such termination of employment and dies within 30 days after the date of retirement or the date of commission approval, whichever is later.

C. 43:6A-44 Entitlement to certain benefits.

44. Any other provision of this act notwithstanding, (a) no beneficiary of a retirant who retired for any reason other than disability shall be entitled to receive benefits pursuant to the death benefit coverages provided by sections 19 and 20 of this act if the retirant had less than 10 years of service credit for retirement purposes at the time of retirement; and (b) no member or beneficiary shall be entitled to receive a monthly pension or other benefit payable pursuant to this act unless the amount of the pension or benefit would be at least $25.00 per month.

C. 43:6A-45 Repeal of certain acts and parts of acts.

45. The following acts and parts of acts, and all amendments thereof, are repealed:

d. P. L. 1955, c. 10 (C. 43:9-27.1)
e. Sections 1, 2, 3, 4, 5 and 6 of P. L. 1957, c. 206 (C. 43:15A-121 to 43:15A-126)

46. The repeal of the foregoing laws is subject to the following provisos:

a. **BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:**

1. The Legislature hereby finds and determines as a fact (a) that there are a significant number of children of school age in this State who need special facilities because of the severity of their handicaps; (b) that because of the financial, transportation and other special problems involved in the education of such children the State should provide and operate such facilities as it has already done with regard to schooling for the deaf; and (c) that there is a need for capital expenditures for the purpose of (1)
expanding and renovating the Marie H. Katzenbach School for the Deaf; and (2) constructing up to 5 day-school facilities to be operated by the State for the education of severely handicapped children.

2. Bonds of the State of New Jersey in the sum of $25,000,000.00 are hereby authorized for capital expenditure for the expansion and renovation of the Marie H. Katzenbach School for the Deaf and for the planning, acquisition, improvement and equipment of day-school facilities to be established and operated by the State Department of Education for children with severe handicaps. Such capital expenditure shall be made pursuant to appropriation thereof in the manner hereinafter provided.

3. Such bonds shall be serial bonds and known as "State Facilities for Handicapped Bonds;" and, as to each series, the last installment thereof subject to redemption prior to maturity shall mature and be paid not later than 30 years from the effective date of this act.

4. Said bonds shall be issued from time to time as money is required for the purpose aforesaid, as the issuing officials herein named shall determine.

5. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials hereinafter referred to as "the issuing officials," are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

6. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State is pledged for the payment of the interest thereon, as same shall become due, and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

7. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of
the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

8. a. Such bonds shall recite that they are issued for the purpose set forth in section 2 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1973, and that it received the sanction of the majority of the votes cast for and against it at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, as may be determined by the issuing officials.

c. Whenever such bonds shall have been issued as coupon bonds, whether so issued originally or at the request of a holder thereof subsequent to the original issue, such bonds, or any of them, may be reissued by the issuing officials at the request of a holder as registered bonds, and all registered bonds, whether so issued originally or at the request of the holder subsequent to the original issue, may be reissued by the issuing officials, at the request of a holder, as coupon bonds.

9. When bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding 5% per annum, as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

10. Said bonds shall be issued and sold at not less than par and accrued interest, under such terms, conditions and regulations as the issuing officials may prescribe, after notice of said sale, published at least three times (the first notice shall be at least 7 days prior to the day of bidding) in at least four newspapers published
in the State of New Jersey, and in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials are authorized to sell said bonds at private sale. The issuing officials may sell all or a part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

11. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

12. The proceeds from the sale of the bonds, exclusive of accrued interest and premiums, and all interest on deposits received from depositories, shall be held by the State Treasurer in a separate fund and deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "State Facilities for Handicapped Fund." All accrued interest and premiums from the sale of bonds except as provided in section 15 hereof, together with interest received from depositories of such funds, shall be held by the State Treasurer to the credit of said State Facilities for Handicapped Fund.

13. The moneys in the said State Facilities for Handicapped Fund are hereby specifically dedicated to providing for the expansion and renovation of the Marie H. Katzenbach School for the Deaf and for the planning, acquisition, construction, improvement and equipment of day-school facilities to be established and operated by the State Department of Education for children with severe handicaps. No moneys from the said State Facilities for Handicapped Fund shall be expended except in accordance with appropriations from said fund made by law.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of this State to the credit of the the State Facilities for Handicapped Fund such sum as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the Treasurer thereof from the proceeds of the sale of the first issue of bonds. Pending their applica-
tion to the purposes provided in this act, moneys in the State Facilities for Handicapped Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law.

14. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such mutilation or destruction and also such security and indemnity as the issuing officials may require.

15. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from accrued interest and premiums from the proceeds of the sale of bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

16. Bonds of each series issued hereunder shall mature in installments commencing not later than the fifth year and ending not later than the fifteenth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, but the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power of election by resolution or resolutions of the issuing officials to call for redemption at par and accrued interest to date of redemption, and to redeem on any interest payment date beginning in a stated year, as a whole or in part in the inverse order of their numbers, bonds of that series prior to their maturity, upon notice by publication, at least once, at least 60 days prior to the date fixed for redemption, in a newspaper published in the city of Trenton, and in a publication carrying municipal bond notices and devoted primarily to financial news, published in New York city or New Jersey. On and after the date of redemption so fixed, interest on bonds so called for redemption shall cease to accrue.

17. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

a. Revenue derived from the tax imposed upon the transfer of property, real and personal, taxable under chapter 34 of Title 54 of the Revised Statutes, as amended and supplemented, or so much thereof as may be required.
b. If in any year or at any time funds, as hereinabove appropriated necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from inheritance taxes above referred to shall thereupon be considered as part of the General State Fund, available for general purposes.

18. Should the State Treasurer by December 31 of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the
amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

19. For the purpose of complying with the provisions of the State Constitution, this act shall, at the general election to be held in the month of November, 1973, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the said election, to cause this act to be published in at least 10 newspapers published in the State and shall notify the clerk of each county of this State of the passage of this act, and the said clerks respectively shall cause to be printed on each of the said ballots, the following:

Eligibility for membership in the Police and Firemen’s Retirement System of New Jersey shall be extended to all active, permanent and full-time officer employees of the State of New Jersey with police powers and holding one of the titles cited in section 1 of P. L. 1944, c. 255 (C. 43:16A-1) who are otherwise eligible in accordance with the provisions of this act.

C. 43:16A-63 Transfer or continuance of membership in PERS; required enrollment of new officers.

4. a. An eligible officer who is a member of the Public Employees’ Retirement System shall be permitted to transfer his membership in said fund to the Police and Firemen’s Retirement
System of New Jersey by waiving all rights and benefits which would otherwise be provided by the Public Employees' Retirement System. Any such officer will likewise be permitted to continue his membership in the Public Employees' Retirement System by waiving all rights and benefits which would otherwise be provided by the Police and Firemen's Retirement System. Such waivers shall be accomplished by filing forms satisfactory to the New Jersey Division of Pensions, which is responsible for the administration of the Police and Firemen's Retirement System, within 90 days of the effective date of this act. In the absence of the filing of a timely waiver by any eligible officer his pension status shall remain unchanged and his membership shall not be transferred to the Police and Firemen's Retirement System.

b. Each new officer who begins employment following the effective date of this act, shall be required to enroll in the Police and Firemen's Retirement System of New Jersey as a condition of employment, provided he is otherwise eligible for membership by meeting the appointment, age, and health prescriptions required of all members. As of the effective date of this act, the eligibility of membership for such new officers in the Public Employees' Retirement System shall be terminated and the membership requirements of such other fund will be deemed satisfied by the enrollment of such employees in the Police and Firemen's Retirement System.

C. 43:16A-64 Remittance of accumulated deductions of transferred employees.
5. Within 120 days following the effective date of this act, the Public Employees' Retirement System shall remit to the Police and Firemen's Retirement System of New Jersey all accumulated deductions standing to the credit of each transferred employee as members of such fund, and within 180 days following the effective date of this act, remit the pro rata part of the reserve fund constituting the employer's obligations under the former system applicable to such employee's account, and the Police and Firemen's Retirement System shall then enter the respective sums so remitted to it to the credit of such employee in the Annuity Savings Fund and to the credit of the employer in the Pension Accumulation Fund of the Police and Firemen's Retirement System of New Jersey.

C. 43:16A-65 Obligations, rights and benefits of transferred employees.
6. The transferred employees thereby affected shall be members of the Police and Firemen's Retirement System and deductions from their salaries and contributions on their behalf shall there-
after be made as required by the act creating such system for members thereof. Such transferred employees shall have the same contribution obligation and enjoy the same rights and benefits of all other members of the system except as provided by this act. Any credit for public service which had been established in the Public Employees’ Retirement System by the transferred employee shall be established in the Police and Firemen’s Retirement System.

Upon the transfer of membership to the Police and Firemen’s Retirement System under the provisions of this act, the rate of contribution of such member shall be determined by the rates payable by other members, except that the number of years of credited service in the former pension fund shall be deducted from the member’s current age in order to fix the age upon which the rate of contribution is based.

All outstanding obligations such as loans, purchases, and other arrearages shall be met by the transferred employees as previously scheduled for payment to the Public Employees’ Retirement System.

7. a. Any person becoming a member of the Police and Firemen’s Retirement System pursuant to the provisions of this act shall not be allowed any of the group life insurance benefits if on the date he files an application for enrollment he is 55 or more years of age, unless he furnishes satisfactory evidence of insurability and on the effective date of membership is actively at work and performing all his regular duties at his customary place of employment. The effective date of coverage for such benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

b. Such evidence of insurability will not be required of any person becoming a member upon transfer from the Public Employees’ Retirement System, if the transferring employee was covered by such benefits in the latter system at the time of the transfer. If such transferring employee was not covered by such benefits at the time of the transfer, he may be allowed the benefits under the group life insurance policy or policies subject to the provisions of subsection a. of this section; provided, however, that any such employee must furnish satisfactory evidence of insurability under the provisions of subsection a. of this section, if he had been unable or failed to give such evidence as a member of the Public Employees’ Retirement System.
C. 43:16A-67 Calculation of employer’s liability.

8. The actuary of the Police and Firemen’s Retirement System shall calculate the liability of the employer of employees becoming members of the system under this act in the same manner as is specified in the case of other employers where the Police and Firemen’s Retirement System is adopted, taking into account the value of moneys remitted by the pension fund. In the event that the value of such money so remitted is less than the total which is required by the Police and Firemen’s Retirement System to provide the transferred member with credit for his public service, the liability of the employer shall include an amount equal to the difference between these two values. Upon certification by the actuary of the Police and Firemen’s Retirement System the employer shall make such contributions as are required in order to meet the financial obligations in the same manner and within the same period of time as is specified in the case of other employers where the Police and Firemen’s Retirement System of New Jersey is adopted.

C. 43:16A-68 Employer to transmit required information.

9. The chief fiscal officer of the employer shall transmit to the retirement system such information as the system shall require in order for the New Jersey Division of Pensions to comply with the provisions of this act.

1. R. S. 48:2-13 is amended to read as follows:

**General jurisdiction; “public utility” defined.**

48:2-13. The board shall have general supervision and regulation of and jurisdiction and control over all public utilities as herein-
after in this section defined and their property, property rights, equipment, facilities and franchises so far as may be necessary for the purpose of carrying out the provisions of this Title.

The term "public utility" shall include every individual, copartnership, association, corporation or joint stock company, their lessees, trustees or receivers appointed by any court whatsoever, their successors, heirs or assigns, that now or hereafter may own, operate, manage or control within this State any railroad, street railway, traction railway, autobus, charter bus operation, special bus operation, canal, express, subway, pipeline, gas, electric light, heat, power, water, oil, sewer, solid waste collection, solid waste disposal, telephone or telegraph system, plant or equipment for public use, under privileges granted or hereafter to be granted by this State or by any political subdivision thereof.

Nothing contained in this Title shall extend the powers of the board to include any supervision and regulation of, or jurisdiction and control over any vehicles engaged in the transportation of passengers for hire in the manner and form commonly called taxi-cab service unless such service becomes or is held out to be regular service between stated termini; hotel busses used exclusively for the transportation of hotel patrons to or from local railroad or other common carrier stations, including local airports, or bus employed solely for transporting school children and teachers, to and from school, or any autobus with a carrying capacity of not more than 10 passengers now or hereafter operated under municipal consent upon a route established wholly within the limits of a single municipality or with a carrying capacity of not more than 20 passengers operated under municipal consent upon a route established wholly within the limits of not more than four contiguous municipalities within any county of the fifth class, which route in either case does not in whole or in part parallel upon the same street the line of any street railway or traction railway or any other autobus route.

2. R. S. 48:4–3 is amended to read as follows:

Certificate of public convenience and necessity.

48:4–3. No autobus, charter bus operation or special bus operation which is engaged wholly or partly in intrastate commerce shall be operated or run while carrying passengers for hire within the State of New Jersey unless there is in force with respect to such operation a certificate of public convenience and necessity issued by the Board of Public Utility Commissioners authorizing such
operation upon a determination that such operation is in the public interest except that

(a) any municipal consent granted by any municipality and approved by the Board of Public Utility Commissioners prior to the effective date of this act and which is in full force and effect on the effective date of this act shall be deemed a certificate of public convenience and necessity for the purposes of this chapter;

(b) any charter bus operation or special bus operation which was in bona fide operation on the date this act was enacted may continue to operate for 6 months thereafter without a certificate. Such operation may continue to operate without a certificate beyond the 6-month period only if an application for a certificate of public convenience and necessity authorizing that operation has been filed within the 6-month period and is pending determination by the board.

The board shall issue a certificate authorizing Statewide operation to any charter or special bus operation that was in bona fide operation on the date this act was enacted provided that the operation is otherwise in compliance with the laws of this State and the rules and regulations of the Board of Public Utility Commissioners.

Any such certificate of public convenience and necessity, heretofore or here-
after granted, may be revoked by the Board of Public Utility Commissioners after notice and hearing whenever it shall appear that the holder thereof has failed to comply with any law of this State or any lawful regulation imposed by the Board of Public Utility Commissioners.

The Board of Public Utility Commissioners, after notice and hearing may revoke any certificate of public convenience and necessity provided it finds that, (a) the operation of autobus service under certificates of public convenience and necessity held by more than one autobus operator for service in a specific area will adversely affect the financial stability of operators rendering service in such area because of insufficient revenues, (b) the adverse effect upon the operators will result in improper or inadequate service to the public and (c) there will be sufficient autobus service to meet the requirements of public convenience and necessity even though one or more certificates of public convenience and necessity are revoked by the board.

A foreign corporation shall not be deemed to have income derived from sources within New Jersey by reason of
a. the maintenance of cash balances with banks or trust companies in this State; or
b. the ownership of shares of stock or securities in this State if such shares or securities are pledged as collateral security, or deposited with one or more banks or trust companies or brokers who are members of a recognized security exchange in safekeeping or custody accounts; or

i. "Entire net income" means total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets. For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its Federal income tax; provided, however, that in the determination of such entire net income,

(1) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for Federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer. For the purposes of this section, a subsidiary shall be deemed to be any corporation in which a taxpayer is the owner of at least 80% of the total combined voting power of all classes of stock entitled to vote and of at least 80% of each class, if any, of nonvoting stock.    (ii) in full to the extent that it relates to bonds or other evidences of indebtedness issued, with stock, pursuant to a bona fide plan of reorganization, to persons, who, prior to such reorganization, were bona fide creditors of the corporation or its predecessors, but were not stockholders or shareholders thereof;

(3) The director may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

C. 54:10E-5 Computation of tax.
5. The income tax to be annually assessed to and paid by each taxpayer shall be computed at the rate of 7% of its entire net income or such portion thereof as may be allocable to this State as provided in section 6.

C. 54:10E-6 Determination of portion of income to be used as measure of tax.
6. When the income of a taxpayer subject to tax under this act is derived from sources both within and without the State, the portion of its entire net income to be used as a measure of the tax imposed by section 5 of this act, shall be determined by multiplying such entire net income by an allocation factor which shall be the average of the fractions computed in a., b., and c. below, or of so many of them as may be applicable, that is:
   a. The average value of the taxpayer's owned, rented or leased real and tangible personal property within the State during the
period covered by its report divided by the average value of all the taxpayer's owned, rented or leased real and tangible personal property wherever situated during such period. Property rented or leased by the taxpayer shall be valued at eight times the gross annual lease or rental rate.

b. The receipts of the taxpayer, computed on the cash or accrual basis according to the method of accounting used in the computation of its net income for Federal tax purposes, arising during such period from

(1) sales of its tangible personal property where such property is delivered or shipped to a purchaser, other than the United States Government, within this State regardless of the f.o.b. point or other conditions of the sale;

(2) sales of its tangible personal property where the purchaser is the United States Government and where such property is located within this State at the time of the receipt of or appropriation to the orders;

(3) sales of its tangible personal property located within this State at the time of the receipt of or appropriation to the orders where shipments are made to points in other States, the District of Columbia or Puerto Rico, where such jurisdictions do not have the power to impose an income or franchise tax on the taxpayer;

(4) services performed within the State;

(5) rentals from property situated, and royalties from the use of patents or copyrights, within the State;

(6) all other business receipts (excluding dividends excluded from entire net income by subsection i. (1) of section 4 hereof) earned within the State, divided by the total amount of the taxpayer's receipts, similarly computed, arising during such period from all sales of its tangible personal property, services, rentals, royalties and all other business receipts, whether within or without the State;

c. The total wages, salaries and other personal service compensation, similarly computed, during such period of officers and employees within the State divided by the total wages, salaries and other personal service compensation, similarly computed, during such period of all the taxpayer's officers and employees within and without the State.

C. 54:10E-7 Compensation of officers and employees.

7. As used in section 6 c., compensation of officers and employees within this State shall include the entire amount of wages, salaries
and other personal service compensation for services performed within or both within and without this State if:

a. The service is performed entirely within this State; or
b. The service is performed both within and without this State, but the service performed without this State is incidental to the individual’s service within the State, for example, is temporary or transitory in nature or consists of isolated transactions;
c. The service is not performed entirely in any state but some of the service is performed in this State, and (1) the base of operation, or, if there is no base of operations, then the place from which such service is directed or controlled, is in this State; or (2) the base of operations or place from which such service is directed or controlled is not in any state in which some part of the service is performed, but the individual’s residence is in this State;
d. Contributions are not required and paid with respect to such services under an unemployment compensation law of any other state.

C. 54:10E-8 Adjustment of allocation factor.
8. If it shall appear to the director that an allocation factor determined pursuant to section 6 does not properly reflect the activity, business, receipts or entire net income of a taxpayer reasonably attributable to the State, he may adjust it by:

a. excluding one or more of the factors therein;
b. including one or more other factors, such as expenses, purchases, contract values (minus subcontract values);
c. excluding one or more assets in computing an allocation percentage; or
d. applying any other similar or different method calculated to effect a fair and proper allocation of the entire net income reasonably attributable to the State.

C. 54:10E-9 Powers of director.
9. Whenever it shall appear to the director that any taxpayer fails to maintain its records in accordance with sound accounting principles or conducts its business or maintains its records in such manner as either directly or indirectly to distort its true entire net income under this act or the proportion thereof properly allocable to this State, or whenever any taxpayer maintains a place of business outside this State, or whenever any agreement, understanding or arrangement exists between a taxpayer and any other corporation or any person or firm, for the purpose of evading tax under this act, or whereby the activity, business, receipts, expenses, assets
or income of the taxpayer are improperly or inaccurately reflected, the director is authorized and empowered, in his discretion and in such manner as he may determine, to adjust and redetermine such items, and to adjust items of gross receipts, tangible property and payrolls within and without the State and the allocation of entire net income or to make any other adjustments in any tax report or tax returns as may be necessary to make a fair and reasonable determination of the amount of tax payable under this act. Where a. any taxpayer conducts its activity or business under any agreement, arrangement or understanding in such manner as either directly or indirectly to benefit its members or stockholders, or any of them, or any person or persons directly or indirectly interested in such activity or business, by entering into any transaction at more or less than a fair price which, but for such agreement, arrangement or understanding, might have been paid or received therefor, or b. any taxpayer, a substantial portion of whose capital stock is owned either directly or indirectly by or through another corporation, enters into any transaction with such other corporation on such terms as to create an improper loss or net income, the director may include in the entire net income of the taxpayer the fair profits which, but for such agreement, arrangement or understanding, the taxpayer might have derived from such transaction. The director may require any person or corporation to submit such information under oath or affirmation, or to permit such examination of its books, papers and documents, as may be necessary to enable him to determine the existence, nature or extent of an agreement, understanding or arrangement to which this section relates, whether or not such person or corporation is subject to the tax imposed by this act.

C. 54-10E-10 Court-appointed agent subject to tax.

10. Any receiver, referee, trustee, assignee or other fiduciary, or any officer or agent appointed by any court, to conduct the business or conserve the assets of any corporation shall be subject to the tax imposed by this act in the same manner and to the same extent as a corporation hereunder.

C. 54-10E-11 Change or correction of taxable income.

11. If the amount of the taxable income for any year of any taxpayer as returned to the United States Treasury Department is changed or corrected by the Commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the
United States results in a change in said taxable income, or where a recovery of a war loss results in a computation or recomputation of any tax imposed by the United States, such taxpayer shall report such changed or corrected taxable income, or the results of such renegotiation, or such computation or recomputation, within 90 days after the final determination of such change or correction or renegotiation, or such computation or recomputation, or as required by the director, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended return with such department shall also file within 90 days thereafter an amended report with the director.

C. 54:10E-12 Maintenance and submission of records, books and documents.

12. a. The director may by general rule or by special notice require any taxpayer to submit copies or pertinent extracts of its Federal income tax returns, or of any other tax return made to any agency of the Federal Government, or of this or any other state, or of any statement or registration made pursuant to any State or Federal law pertaining to securities or securities exchange regulation.

b. The director may require all taxpayers to keep such records as he may prescribe, and he may require the production of books, papers, documents and other data, to provide or secure information pertinent to the determination of the tax hereunder and the enforcement and collection thereof. The director may, also, by general rule or by special notice require any taxpayer to make and file information returns, under oath, of facts pertinent to the determination of the tax or liability for tax hereunder, pursuant to such regulations, at such times and in such form and manner and to such extent as he may prescribe pursuant to law.

C. 54:10E-13 Annual payment of tax.

13. The tax imposed by this act shall be due and payable annually for calendar or fiscal years ending after December 31, 1973, in the manner provided under subsections a. and b. hereof.

a. Every taxpayer shall annually pay an income tax on a report which shall be filed on or before the fifteenth day of the fourth month after the close of taxpayer’s fiscal or calendar accounting period, or part thereof, and the full amount of the tax hereunder shall be due and payable on or before the date prescribed herein for the filing of the return.

b. In addition to the income tax payable under subsection a. of this section, every taxpayer shall annually pay as a partial pay-
ment of income tax an amount equal to \( \frac{1}{2} \) the tax payable under said subsection a. In the calculation of the tax pertaining to each succeeding fiscal or calendar accounting period, due in accordance with subsection a., every taxpayer shall be entitled to a credit in the amount of the tax paid under this subsection b. as a partial payment and shall be entitled to the return of any amount so paid which shall be found to be in excess of the total amount payable in accordance with said subsection a. and this subsection b.

c. For the purpose of this act, every taxpayer shall use the same calendar or fiscal year upon which it reports to the United States Treasury Department for Federal income tax purposes.

C. 54:10E-14 Short period return; failure to file return; penalties.

14. a. If the period covered by a report under this act is less than 12 calendar months and is other than the period reported on for Federal income tax purposes, the taxpayer may prorate its adjusted entire net income by dividing such adjusted entire net income by the number of calendar months, or parts thereof, covered by the Federal income tax return and multiplying the result by the number of calendar months, or parts thereof, covered by the short period return. For purposes of this section, a part of a month shall be deemed to he a month.

b. Any taxpayer which shall fail to file its return when due shall be liable to a penalty of $2.00 for each day of delinquency, which penalty shall be payable to, and recoverable by, the director as part of the tax herein imposed. If any tax be not paid when the same becomes due, as herein provided, there shall be added to the amount of the tax a sum equivalent to 5% thereof, as a penalty, and, in addition thereto, interest at the rate of 1% per month or fraction thereof from the date the tax became due until the same be paid. The director, if satisfied that the failure to comply with any provision of this act was excusable, may abate or remit the whole or part of any penalty.

C. 54:10E-15 Offset of certain taxes paid.

15. Where any taxpayer has paid a tax under the Corporation Business Tax Act (1945) (C. 54:10A-1 et seq.) for a calendar or fiscal year for which it was not properly subject to tax under said Corporation Business Tax Act, the amount of taxes so paid may be offset against the tax imposed by this act for the same period. Where any taxpayer has paid a tax under this act for a calendar or fiscal year for which it was properly subject to tax under said Corporation Business Tax Act, the amount of tax so
paid may be offset against the tax imposed by said Corporation Business Tax Act for the same period.

**C. 54:10E-16 Filing of certain returns.**

16. Where a corporation is properly subject to tax under this act and under the Corporation Business Tax Act (C. 54:10A-1 et seq.) for portions of the same calendar or fiscal year, a return must be filed for said calendar or fiscal year under this act and the proper amount of tax due thereon must be paid. In computing its tax liability for the portion of the calendar or fiscal year for which it was subject to tax under this act, the taxpayer may prorate its adjusted entire net income in the manner provided in subsection a. of section 14.

**C. 54:10E-17 Forms; contents; certification.**

17. The director shall design a form of return and forms for such additional statements or schedules as he may require to be filed therewith. Such forms shall provide for the setting forth of such facts as the director may deem necessary for the proper enforcement of this act. He shall cause a supply thereof to be printed and shall furnish appropriate blank forms to each taxpayer upon application or otherwise as he may deem necessary. Failure to receive a form shall not relieve any taxpayer from the obligation to file a return under the provisions of this act. Each such return shall have annexed thereto a certification by the president, vice president, comptroller, secretary, treasurer, assistant treasurer, accounting officer of the taxpayer or any other officer of the taxpayer duly authorized so to act to the effect that the statements contained therein are true. The fact that an individual’s name is signed on a certification of the report shall be prima facie evidence that such individual is authorized to sign and certify the report on behalf of the corporation. In the case of a corporation in liquidation or in the hands of a receiver or trustee, certification shall be made by the person responsible for the conduct of the affairs of such corporation.

**C. 54:10E-18 Extension of time for filing of returns or payment of tax; interest.**

18. The director may grant a reasonable extension of time for the filing of returns or the payment of tax, or both, under such rules and regulations as he shall prescribe, which rules and regulations may require the filing of a tentative return and the payment of an estimated tax. If the time for filing the return shall be extended, the payment of the portion of the tax remaining to be paid, if any, shall be postponed to the date fixed by the extension
of the time for the filing of the return, but in every such case the corporation shall pay, in addition to the unpaid portion of the tax, interest thereon at the rate of 6% per annum from the time when the return originally was required to be filed to the date of actual payment under the extension; provided, that if such unpaid portion of the tax is not paid within the time fixed under the extension, the interest on such unpaid portion shall be computed at the rate of 1% per month or fraction thereof to be calculated from the date the tax was originally due to the date of actual payment.

C. 54:10E-19 Examination and audit of returns; deficiency assessments.

19. a. After a final return in due form is filed, the director shall cause the same to be examined and may make such further audit or investigation or reaudit as he may deem necessary, and if therefrom he shall determine that there is a deficiency with respect to the payment of any tax due under this act, he shall assess or reassess the additional taxes, penalties and interests due the State, give notice of such assessment or reassessment to the taxpayer, and make demand upon him for payment. There shall be added to the amount of any deficiency assessment or reassessment, interest at the rate of 1% for each month or fraction thereof to be calculated from the date the tax was originally due and payable until the date of actual payment. If the director is satisfied that the said deficiency was not due to fraud or evasion, he may remit or waive the payment of any interest charge in excess of the rate of 1/2 of 1% per month.

b. Except in the case of a wilfully false or fraudulent return with intent to evade the tax, no assessment of additional tax shall be made after the expiration of more than 5 years from the date of the filing of a return; provided, that where no return has been filed as provided by law, the tax may be assessed at any time. Where, before the expiration of the period prescribed herein for the assessment of an additional tax, a taxpayer has consented in writing that such period may be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

c. After a final return in due form is filed for an accounting period under this act, the director may, within 5 years of the date of filing such return, require the taxpayer to file a proper return under the Corporation Business Tax Act (C. 54:10A-1 et seq.)
and pay any additional tax due thereon, if he shall determine that the taxpayer was properly subject to tax under said Corporation Business Tax Act for such accounting period.

d. The director is authorized to enter into a written agreement with any taxpayer relating to the liability of such taxpayer in respect of any tax, fee, penalty or interest heretofore or hereafter imposed by this act which agreement shall be final and conclusive, and except upon a showing of fraud, malfeasance, or misrepresentation of a material fact:

(1) the case shall not be reopened as to the matters agreed upon or the agreement modified, by any officer, employee or agent of this State; and

(2) in any suit, action or proceeding, such agreement or any determination, assessment, collection, payment, cancellation, refund or credit made in accordance therewith, shall not be annulled, modified, set aside or disregarded.

C. 54:10E-20 Filing of protest; hearing.

20. If any taxpayer shall be aggrieved by any finding or assessment of the director, he may, within 30 days of the giving of the notice of assessment or finding, file a protest in writing signed by himself or his duly authorized agent, which shall be under oath, and shall set forth the reason therefor, and may request a hearing. Thereafter the director shall grant a hearing to the taxpayer, if the same shall be requested. He may make an order confirming, modifying or vacating any such finding or assessment. The filing of any such protest shall not abate penalties for nonpayment, nor shall it stay the right of the director to collect the tax in any manner herein provided, unless the taxpayer shall furnish security of the kind and in the amount satisfactory to the director. The time for appeal or review shall not be extended by the filing of any protest unless a hearing is requested, and the time to appeal shall then be extended only for the period between the filing of the protest and the final determination thereon by the director.

C. 54:10E-21 Appeal.

21. a. Any aggrieved taxpayer may, within 3 months after any decision, order, finding, assessment or action of the director made pursuant to the provisions of this act, appeal therefrom to the division of tax appeals, by filing a petition of appeal with said division in the manner and form prescribed by the said division and on giving security, approved by the Director of the Division of
Taxation, conditioned to pay the tax heretofore levied, if the same remains unpaid, with interest and costs.

b. No such appeal shall stay the collection of any tax or the enforcement of the same by entry as a judgment, unless by order of such division, and then only after security approved by the director of said division has been furnished to the Director of the Division of Taxation. The judgment or order of the Division of Tax Appeals respecting any matter arising under the provisions of this act may be reviewed by a proceeding in lieu of prerogative writ in the same manner as other judgments of said division.

C. 54:10E-22 Administration, collection and enforcement of tax.

22. The administration, collection and enforcement of the tax imposed by this act shall be subject to the provisions of the State tax uniform procedure law as therein provided (chapters 48 through 52 of Title 54 of the Revised Statutes) to the extent that the provisions of such law are not inconsistent with any provision of this act.

C. 54:10E-23 Partial invalidity.

23. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

C. 54:10E-24 Rules and regulations.

24. The director shall prescribe and issue such rules and regulations, not inconsistent herewith, for the interpretation and application of the provisions of this act, as he may deem necessary.

25. This act shall take effect immediately and shall be applicable to taxpayers with calendar or fiscal years ending after December 31, 1973.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known as the "Corporation Business Activities Reporting Act."

2. Every foreign corporation which during any calendar or fiscal accounting year ending after December 31, 1973, carried on any activity or owned or maintained any property in this State, unless specifically exempted under section 3 of this act, shall be required to file a notice of business activities report, as hereinafter provided.

Activities or property maintenance in this State which require corporations to file this report are:

a. the maintenance in this State of an office or other place of business; or

b. the maintenance of personnel in this State, including the presence of employees, agents, representatives or independent contractors in connection with the corporation's business, even though not regularly stationed in this State; or

c. the ownership or maintenance of real and/or tangible personal property directly used by the corporation in this State; or

d. the ownership or maintenance of tangible and/or intangible property in this State which is used by others; or

e. receiving payments from persons residing in this State, or businesses located in this State, aggregating in excess of $25,000.00 regardless of any other connections with this State; or

f. the derivation of income from any source or sources within this State; or

g. any other activity or property in, or interrelationships with, this State as designated by the director.
C. 14A:13-16 Corporations not required to file report.
3. A foreign corporation shall not be required to file a notice of business activities report if
   a. by the end of an accounting period for which it was otherwise required to file a notice of business activities report under this act, it had received a certificate of authority to do business in this State; or
   b. a timely return has been filed under the Corporation Business Tax Act or the Corporation Income Tax Act for such accounting period.

4. For the purposes of this act, unless the context requires a different meaning:
   a. "Director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.
   b. "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.
   c. "Calendar year" shall mean an accounting period ending on the last day of December on the basis of which the corporation is required to report for Federal income tax purposes.
   d. "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the corporation is required to report for Federal income tax purposes.
   e. "Accounting period" shall mean the calendar or fiscal year, or part thereof, for which a report is due under this act.

5. a. Every foreign corporation shall annually file a notice of business activities report with respect to all or any part of each of its calendar or fiscal accounting years ending after December 31, 1973, on a report which shall be filed on or before the fifteenth day of the fourth month after the close of such calendar or fiscal accounting year.
   b. For purposes of this act, every foreign corporation shall use the same calendar or fiscal accounting year upon which it reports to the United States Treasury Department for Federal income tax purposes.
6. The director shall design a form of report and forms for such additional statements or schedules as he may require to be filed therewith. Such form shall contain a provision in which the foreign corporation may disclaim liability for the corporation business tax and the corporation income tax, and any obligation to obtain a certificate of authority to do business in this State and shall provide for the setting forth of such additional facts as the director may deem necessary for the proper enforcement of this act. He shall cause a supply thereof to be printed and shall furnish appropriate blank forms to each corporation upon application or otherwise as he may deem necessary. Failure to receive a form shall not relieve any corporation from the obligation to file a report under the provisions of this act. Each such report shall have annexed thereto a certification by the president, vice president, comptroller, secretary, treasurer, assistant treasurer, accounting officer of the corporation or any other officer of the corporation duly authorized so to act to the effect that the statements contained therein are true. The fact that an individual’s name is signed on a certification of the report shall be prima facie evidence that such individual is authorized to sign and certify the report on behalf of the corporation. In the case of a corporation in liquidation or in the hands of a receiver or trustee, certification shall be made by the person responsible for the conduct of the affairs of such corporation.

7. a. No foreign corporation carrying on any activity or owning or maintaining any property in this State which has not obtained a certificate of authority to do business in this State and disclaims liability for the corporation business tax and the corporation income tax shall maintain any action or proceeding in any State or Federal court in New Jersey, until such corporation shall have filed a timely notice of business activities report.

b. c. The court in which the issues arise shall be granted the power to excuse the corporation for failure to file a report when due, and restore the right of access to the courts in this State. Such failure to file a report shall be excusable where the court finds the corpo-
ration has sustained the burden of establishing that
(1) the failure to file a timely report was done in ignorance of
the requirement to file, such ignorance was reasonable in all cir-
cumstances; and
(2) all taxes, interest and civil penalties due the State for all
periods have been paid, or provided for by adequate security or
bond approved by the director, before the suit may proceed.

8. This act shall be governed in all respects by the provisions
of the State tax uniform procedure law (subtitle 9 of Title 54 of
the Revised Statutes) except only to the extent that a specific
provision of this act may be in conflict therewith.

9. The Director, Division of Taxation in the Department of

act shall be adjudged by any court of competent jurisdiction to
be invalid, such judgment shall not affect, impair or invalidate
the remainder thereof, but shall be confined in its operation to the
clause, sentence, paragraph, section or part thereof directly in-

rendered.

This section shall also not apply to grade crossings where the railroad track has been removed or paved over and the warning signs erected by the railroad in accordance with R. S. 48:12-58 have been removed, provided that in such case written notice is given to the

AN ACT to create an energy crisis study commission, prescribing its membership, powers and duties and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares:

a. The demands for substantial increases in the supply of energy to meet an expanding population and industrial and other economic development in the State, without disrupting our natural resources or adversely affecting the environment dictate an in depth study as a basis to guide the establishment of State policy by law.
b. The nationwide demand for energy by 1980 presents highly technical problems demanding expert study and investigation.

2. An energy crisis study commission is created to consist of four members of the Senate and two citizens to be appointed by the President of the Senate, four members of the General Assembly and two citizens to be appointed by the Speaker of the General Assembly. No more than two Senators and two Assemblymen to be appointed to the commission shall be members of the same political party. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made.

3. The commission shall organize as soon as may be after the appointment of its members and shall select a chairman from among its members and a secretary who need not be a member of the commission.

4. It shall be the duty of the commission:
   a. To study the energy crisis in New Jersey.
   b. To ascertain the increased demands for energy which must be met.
   c. To evaluate methods, types, locations and methods of acquisition of sites for facilities to meet increased demands for energy and replacement of obsolete facilities.
   d. To investigate energy rate structures with an aim of changes therein; to study methods to conserve energy, reduce waste and encourage the development and use of more efficient energy use and to minimize increases in rates to small residential users.
   e. To make economic and environmental impact studies and analysis in connection with the foregoing.

5. The commission shall be entitled to call to its assistance and avail itself of the services of such services of any Federal, State, county or municipal department, board, bureau, commission or agency as may reasonably be made available to it for said purpose, apply for and accept grants-in-aid and assistance from public and private sources to aid it in its studies, and to employ such professional consultants and stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

6. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the
Legislature and shall annually report its findings and recommendations to the Governor and the Legislature, accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

CHAPTER 185

An Act to provide for the review of certain facilities in the coastal area and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 13:19-1 Short title.
1. This act shall be known and may be cited as the "Coastal Area Facility Review Act."

C. 13:19-2 Declaration of policy.
2. The Legislature finds and declares that New Jersey's bays, harbors, sounds, wetlands, inlets, the tidal portions of fresh, saline or partially saline streams and tributaries and their adjoining upland fastland drainage area nets, channels, estuaries, barrier beaches, near shore waters and intertidal areas together constitute an exceptional, unique, irreplaceable and delicately balanced physical, chemical and biologically acting and interacting natural environmental resource called the coastal area, that certain portions of the coastal area are now suffering serious adverse environmental effects resulting from existing facility activity impacts that would preclude or tend to preclude those multiple uses which support diversity and are in the best long-term, social, economic, aesthetic and recreational interests of all people of the State; and that, therefore, it is in the interest of the people of the State that all of the coastal area should be dedicated to those kinds of land uses which promote the public health, safety and welfare, protect public and private property, and are reasonably consistent and compatible with the natural laws governing the physical, chemical and biological environment of the coastal area.
It is further declared that the coastal area and the State will suffer continuing and ever-accelerating serious adverse economic, social and aesthetic effects unless the State assists, in accordance with the provisions of this act, in the assessment of impacts, stemming from the future location and kinds of facilities within the coastal area, on the delicately balanced environment of that area.

The Legislature further recognizes the legitimate economic aspirations of the inhabitants of the coastal area and wishes to encourage the development of compatible land uses in order to improve the overall economic position of the inhabitants of that area within the framework of a comprehensive environmental design strategy which preserves the most ecologically sensitive and fragile area from inappropriate development and provides adequate environmental safeguards for the construction of any facilities in the coastal area.

C. 13:19-5 Permit to construct facility.

5. No person shall construct or cause to be constructed a facility in the coastal area until he has applied for and received a permit issued by the commissioner; however, the provisions of this act shall not apply to facilities for which on-site construction, including site preparation, was in process on or prior to the effective date of this act.

C. 13:19-6 Application for permit.

6. Any person proposing to construct or cause to be constructed a facility in the coastal area shall file an application for a permit with the commissioner, in such form and with such information as the commissioner may prescribe. The application shall include an environmental impact statement as described in this act.

C. 13:19-7 Contents of environmental impact statement.

7. The environmental impact statement shall provide the information needed to evaluate the effects of a proposed project upon the environment of the coastal area.
The statement shall include:

a. An inventory of existing environmental conditions at the project site and in the surrounding region which shall describe air quality, water quality, water supply, hydrology, geology, soils, topography, vegetation, wildlife, aquatic organisms, ecology, demography, land use, aesthetics, history, and archeology; for housing, the inventory shall describe water quality, water supply, hydrology, geology, soils and topography;

b. A project description which shall specify what is to be done and how it is to be done, during construction and operation;

c. A listing of all licenses, permits or other approvals as required by law and the status of each;

d. An assessment of the probable impact of the project upon all topics described in a.;

e. A listing of adverse environmental impacts which cannot be avoided;

f. Steps to be taken to minimize adverse environmental impacts during construction and operation, both at the project site and in the surrounding region;

g. Alternatives to all or any part of the project with reasons for their acceptability or nonacceptability;

h. A reference list of pertinent published information relating to the project, the project site, and the surrounding region.

C. 13:19-8 Declaration of completeness of application.

8. a. Within 30 days following receipt of an application, the commissioner shall notify the applicant in writing regarding its completeness. The commissioner may declare the application to be complete for filing or may notify the applicant of specific deficiencies. The commissioner, within 15 days following the receipt of additional information to correct deficiencies, shall notify the applicant of the completeness of the amended application. The application shall not be considered to be filed until it has been declared complete by the commissioner.

b. The commissioner, within 15 days of declaring the application complete for filing, shall set a date for the hearing. The date for the hearing shall be set not later than 60 days after the application is declared complete for filing.

9. a. The commissioner, or a member of the department designated by him, shall hold a hearing to afford interested parties standing and the opportunity to present, orally or in writing, both their
position concerning the application and any data they may have developed in reference to the environmental effects of the proposed facility.

b. The commissioner, within 15 days after the hearing, may require an applicant to submit any additional information necessary for the complete review of the application.

C. 13:19-10 Review of applications; required findings.

10. The commissioner shall review filed applications, including the environmental impact statement and all information presented at public hearings. He shall issue a permit only if he finds that the proposed facility:

a. Conforms with all applicable air, water and radiation emission and effluent standards and all applicable water quality criteria and air quality standards.

b. Prevents air emissions and water effluents in excess of the existing dilution, assimilative, and recovery capacities of the air and water environments at the site and within the surrounding region.

c. Provides for the handling and disposal of litter, trash, and refuse in such a manner as to minimize adverse environmental effects and the threat to the public health, safety, and welfare.

d. Would result in minimal feasible impairment of the regenerative capacity of water aquifers or other ground or surface water supplies.

e. Would cause minimal feasible interference with the natural functioning of plant, animal, fish, and human life processes at the site and within the surrounding region.

f. Is located or constructed so as to neither endanger human life or property nor otherwise impair the public health, safety, and welfare.

g. Would result in minimal practicable degradation of unique or irreplaceable land types, historical or archeological areas, and existing scenic and aesthetic attributes at the site and within the surrounding region.

C. 13:19-11 Grounds for denial of permit application; conditional permit; approval of nuclear electricity generating facility.

11. Notwithstanding the applicant's compliance with the criteria listed in section 10 of this act, if the commissioner finds that the proposed facility would violate or tend to violate the purpose and intent of this act as specified in section 2, or if the commissioner finds that the proposed facility would materially contribute
to an already serious and unacceptable level of environmental degradation or resource exhaustion, he may deny the permit application, or he may issue a permit subject to such conditions as he finds reasonably necessary to promote the public health, safety and welfare, to protect public and private property, wildlife and marine fisheries, and to preserve, protect and enhance the natural environment. In addition, the construction and operation of a nuclear electricity generating facility shall not be approved by the commissioner unless he shall find that the proposed method for disposal of radioactive waste material to be produced or generated by such facility will be safe, conforms to standards established by the Atomic Energy Commission and will effectively remove danger to life and the environment from such waste material.

C. 13:19-12 Notification to applicant.
12. The commissioner shall notify the applicant within 60 days after the hearing as to the granting or denial of a permit. The reasons for granting or denying the permit shall be stated. In the event the commissioner requires additional information as provided for in section 9, he shall notify the applicant of his decision within 90 days following the receipt of the information.

C. 13:19-13 Coastal Area Review Board; creation, membership, voting, powers.
13. There is hereby created the Coastal Area Review Board, in but not of the Department of Environmental Protection, which shall consist of three voting members who shall be the Commissioner of Environmental Protection or his designated representative, the Commissioner of Labor and Industry or his designated representative and the Commissioner of Community Affairs or his designated representative. No vote on a permit request shall be taken unless all voting members are present.

The Coastal Area Review Board shall have the power to hear appeals from decisions of the commissioner pursuant to section 12. The board may affirm or reverse the decision of the commissioner with respect to applicability of any provision of this act to a proposed use; it may modify any permit granted by the commissioner, grant a permit denied by him, deny a permit granted by him, or confirm his grant of a permit. The board shall review filed applications, including the environmental impact statement and all information presented at public hearings and any other information the commissioner makes available to the board prior to the affirmation or reversal of a decision of the commissioner.
C. 13:19-14 Continuance in force of issued permit.

14. In the event of rental, lease, sale or other conveyances by an applicant to whom a permit is issued, such permit, with any conditions, shall be continued in force and shall apply to the new tenant, lessee, owner, or assignee so long as there is no change in the nature of the facility set forth in the original application.

C. 13:19-15 Effect of denial of application.

15. The denial of an application shall in no way adversely affect the future submittal of a new application.

C. 13:19-16 Environmental inventory; alternate environmental management strategies; environmental design for coastal area.

16. The commissioner shall, within 2 years of the taking effect of this act, prepare an environmental inventory of the environmental resources of the coastal area and of the existing facilities and land use developments within the coastal area and an estimate of the capability of the various area within the coastal area to absorb and react to man-made stresses. The commissioner shall, within 3 years of the taking effect of this act, develop from this environmental inventory alternate long-term environmental management strategies which take into account the paramount need for preserving environmental values and the legitimate need for economic and residential growth within the coastal area. The commissioner shall, within 4 years of the taking effect of this act, select from the alternate environmental management strategies an environmental design for the coastal area. The environmental design shall be the approved environmental management strategy for the coastal area and shall include a delineation of various areas appropriate for the development of residential and industrial facilities of various types, depending on the sensitivity and fragility of the adjacent environment to the existence of such facilities. The environmental inventory, the alternate long-term environmental management strategies and the environmental design for the coastal area shall be presented to the Governor and the Legislature within the time frame indicated herein.

C. 13:19-17 Rules and regulations.

17. The department is hereby authorized to adopt, amend and repeal rules and regulations to effectuate the purposes of this act.

C. 13:19-18 Injunctive relief; penalties.

18. If any person violates any of the provisions of this act, rule, regulation or order promulgated or issued pursuant to the provisions of this act, the department may institute a civil action in
the Superior Court for injunctive relief to prohibit and prevent such violation or violations and said court may proceed in a summary manner. Any person who violates any of the provisions of this act, rule, regulation or order promulgated or issued pursuant to this act shall be liable to a penalty of not more than $3,000.00 to be collected in a summary proceeding or in any case before a court of competent jurisdiction wherein injunctive relief has been requested. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under the circumstances.

19. The provisions of this act shall not be regarded as to be in derogation of any powers now existing and shall be regarded as supplemental and in addition to powers conferred by other laws, including municipal zoning authority. The provisions of this act shall not apply to those portions of the coastal areas regulated pursuant to enforceable orders under the Wetlands Act, C. 13:9A-1 et seq., section 16 however shall apply to the entire area within the boundaries described herein.

20. This act shall be liberally construed to effectuate the purpose and intent thereof.

C. 13:19-21 Partial invalidity.
21. If any provision of this act or the application thereof to any person or circumstances is held invalid, the remainder of the act and the application of such provision to persons or circumstances other than those to which it is held invalid, shall not be affected thereby.

22. There is hereby appropriated to the Department of Environmental Protection for the purposes of this act the sum of $100,000.00.

23. This act shall take effect 90 days from the date of enactment, except that section 22 shall take effect immediately.

Approved June 20, 1973.

1. R. S. 45:9-1 is amended to read as follows:

Such correction shall be by written ruling, reciting in appropriate details the facts thereof, and the reasons therefor, attested by the signature of said Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursements and the audit thereof, shall be legally binding and of full force and virtue. The Director of the Division of Budget and Accounting is hereby empowered, notwithstanding any other provision of law, to transfer or credit from the various appropriations for construction, reconstruction, additions to and betterments of State buildings and appurtenances thereto, herein contained, to the appropriation for the Division of Building and Construction of the Department of the Treasury a sufficient sum to pay for the cost of all architectural work, superintendence and other expert services in connection with such work.

Any claimant who has presented a claim not exceeding $250 which has been denied or not recommended by the Attorney General shall be precluded from presenting said claim to the Legislature for consideration. Notice and description of such claim payment as hereinabove described shall be transmitted to the Executive Director, Office of Fiscal Affairs, at the time such payment is made.

Senate Bill No. 2250 is the general appropriations bill for the fiscal year ending June 30, 1974.

The Appropriations Committee increased the budget recommended by this Administration by $6,145,273. I have concurred in a number of these increases, but there are some items with which I cannot fully agree. I have therefore either reduced these items or deleted them entirely from the appropriations bill. In addition, some budget recommendations have upon further examination been found to have been not fully justified and I have reduced these items.

On pages 8 to 10 are the appropriations for the Office of Fiscal Affairs. The budget message recommended the appropriations as they appear in Senate Bill No. 2250. However, the appropriate statements and supporting forms showing justifications and data for the budget requests had not been furnished to the Division of Budget and Accounting when the budget message was prepared and they were not submitted until May 9, 1973, so that an analysis of the budget request could be made only recently. Upon review of those justifications I find that there is insufficient justification for the rapid staff expansion which would be permitted by the appropriations for the Office of Fiscal Affairs. While I recognize the importance of this office and its increased responsibilities, I have reduced the appropriations for the several divisions by a total of $71,791. This has the effect of providing for 17 new budgeted positions, rather than the 22 requested. These 17 new positions cost $195,167 and represent a 15.2% increase in the salary account of the office over the present amount of $1,283,951. I am confident that with its existing staff of 99 and the additional 17 positions, the Office of Fiscal Affairs will be able to fulfill its responsibilities fully.

The Appropriations Committee added $100,000 to the Department of Agriculture budget for soil conservation grants. However, the appropriations bill already contains a $100,000 appropriation for this purpose under a new program established by Chapter 49 of the Laws of 1972, administered by the Department of Environmental Protection. I have eliminated the duplication of grant moneys from the Department of Agriculture budget.
The budget for the Department of Environmental Protection contains an appropriation under Parks Management for $25,000 to Maurice River Township as a payment in lieu of taxes. There is no authority for this payment and I have eliminated it. Any legally authorized in lieu payments are provided in Senate Bill No. 2250 for State-owned lands. Similarly, on page 73, the Appropriations Committee added $50,000 for payments in lieu of taxes to the Borough of Glassboro for the land occupied by Glassboro State College. The budget for the College already contains $2,500 for the in lieu of tax payments required by law, and I have eliminated the additional $50,000 because there is no authorization for it.

Under the appropriations for Rutgers University, I have eliminated $200,000 which the Appropriations Committee added for payments in lieu of taxes of $100,000 each to New Brunswick and Camden. The budget already contains $165,000 in authorized in lieu payments to New Brunswick. No such payments are authorized for Camden. Each of these cities is receiving additional State funds under the Municipal Aid Program and the Safe and Clean Streets Program, and I have determined that amounts beyond those included in my budget message should not be added for individual cities.

On page 82, the Appropriations Committee added $65,000 to improve the asparagus marketing system. If the improvement of this marketing system is of high priority, the asparagus producers should assume the cost themselves. The State of New Jersey has greater priorities than this which must be met first. I have eliminated this item.

The State aid grants under the Department of Environmental Protection were increased substantially over what the Department had requested. The additional amount of $270,282 added by the Appropriations Committee on page 136 for the town of Keansburg is unjustified. This amount was to have been repaid to the State for its advance to the Federal government on behalf of Keansburg for the financing of a beach erosion and hurricane control project. Other municipalities have repaid the State for such advances and it would be unfair to them if the State were to relieve Keansburg alone of this responsibility. I have therefore deleted this item.

Under capital construction, the Appropriations Committee added $270,000 for three separate projects related to the Agricultural
Experiment Station under the auspices of Rutgers University. These items were not requested by either the University or the Department of Higher Education. The appropriations would further research efforts benefiting the agricultural industry, and it would be appropriate in this time of pressing demands upon State moneys for the industry rather than the State to finance these projects. The items deleted amount to $1,052,073 and reduce the total amount to be appropriated for the 1974 fiscal year to $2,385,698,924.

Respectfully,

[seal]

WILLIAM T. CAHILL,
Governor.

JEAN E. MULFORD,
Acting Secretary to the Governor.

*STATEMENT ON SENATE BILL No. 2251 (OCR)*

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Senate Bill No. 2251 (OCR), at the time of signing it, this statement of the items or parts thereof to which I
object, so that each item or part thereof so objected to shall not take effect.

On Page 1:

"330. Department of Agriculture

41100. Disease Control and Agricultural Development Services

Extraordinary:

Indemnities, hog cholera eradication, pursuant
to P. L. 1973, c. 66 .................................................. $50,000

Total Appropriation, Department of Agri-
culture ................................................................. $50,000"

This item is deleted in its entirety.

Senate Bill No. 2251 (OCR) is the supplemental appropriations
bill for the fiscal year ending June 30, 1973. The bill provides for a
$50,000 supplemental appropriation to the Department of Agri-
culture for indemnification payments to some farmers for the value
of hogs which were destroyed during the recent threat of a hog
cholera epidemic in this State. Prior to the enactment of Chapter
47 of the Laws of 1973 on March 2, farmers were indemnified
under these circumstances at certain statutory maximum amounts.
The effect of Chapter 47 was to remove the statutory maximum
ceilings on indemnification and to permit indemnification based on
the appraised value of the slaughtered animals, less any salvage
value. The $50,000 included in Senate Bill No. 2251 (OCR) would
be for farmers whose animals were destroyed before the effective
date of Chapter 47. However, the increased indemnification
amounts provided for in Chapter 47 were not made effective
retroactively, and there is no statutory authorization for increased
payments to farmers whose animals were destroyed before March
2, 1973. The Legislature would have to enact legislation making
such increased payments retroactive before they would be valid.
I have therefore deleted this item from Senate Bill No. 2251
(OCR).

Respectfully,

[Seal]

WILLIAM T. CAHILL,
Governor.

Attest:

JEAN E. MULFORD,
Acting Secretary to the Governor.
CHAPTER 190

A Supplement to "An act making appropriations for the support of the State Government and the several public purposes for the fiscal year ending June 30, 1973, and regulating the disbursement thereof," approved June 22, 1972 (P.L. 1972, c. 73).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. There is hereby appropriated from the General Treasury to the Department of Environmental Protection for the purpose of preparing preliminary engineering and a cost feasibility study including necessary fisheries biological and ecological studies to determine the public benefits of dredging Lake Musconetcong for its greater utilization as a public recreational resource for swimming, boating and fishing the sum of $75,000.00.

Upon the completion of the study all unexpended balances are hereby appropriated to the department to be applied toward the costs of the dredging of Lake Musconetcong as may be authorized by law.

2. This act shall take effect immediately.

CHAPTER 191

An Act concerning expunging and sealing records of arrest under certain circumstances.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Any person who has been arrested for a violation of the disorderly persons law, a misdemeanor or a high misdemeanor under the laws of New Jersey and against whom proceedings were dismissed, or who was discharged without a conviction, or who was acquitted, may at any time following the dismissal of proceedings, or the discharge without a conviction, or the acquittal, present a duly verified petition to the court in which the judgment
of acquittal, discharge or dismissal was entered, or, if there were no court proceedings, to the court in whose jurisdiction the arrest occurred, setting forth all the facts in the matter and praying for the relief provided by this act.

C. 2A:85-16 Hearing.

2. Upon the filing of a petition pursuant to this act the court may by order fix a time, not less than 15 nor more than 45 days thereafter, for the hearing of the matter. A copy of this order shall be served pursuant to the Rules of Court upon the Attorney General, upon the prosecutor of the county wherein the court is located, upon the chief of police or other executive head of the police department of the municipality in which the arrest occurred, and upon the chief law enforcement officer of any other law enforcement agency of this State which participated in the arrest, within 5 days from the date of the order.

C. 2A:85-17 Order to expunge records.

3. a. At the time appointed for the hearing, if there is no objection from those law enforcement agencies notified of the hearing, and no reason appears to the contrary, the court may grant an order directing the clerk of the court and the parties upon whom notice was served to expunge from their records all evidence of said arrest including evidence of detention related thereto, and specifying those records to be expunged.

b. If an order expunging the records is granted by the court, all the records specified in the order shall be removed from the files and placed in the control of a person who shall be designated to retain control over all expunged records and who shall ensure that the records or the information contained therein is not released for any reason. In response to requests for information or records on the person who was arrested, the law enforcement officers and departments shall reply, with respect to the arrest and proceedings which are the subject of the order, that there is no record.

C. 2A:85-18 Order to seal records; inspection of sealed records.

4. a. If an objection is made by any law enforcement agency upon which notice was served, the court shall determine whether there are grounds for denial. If the court determines there are no grounds for denial it may grant an order directing the clerk of the court and the parties upon whom notice was served to seal their records of said arrest, including evidence of detention related thereto, and specifying those records to be sealed.
b. If an order sealing the records of arrest is granted by the court, any law enforcement officers and departments who receive requests for information or records on the person against whom the arrest was entered shall reply, with respect to the arrest and proceedings which are the subject of the order, that there is no record. Such sealed records and information may be maintained by any law enforcement agency originally possessing such records and information, but such information shall be utilized only within the department and sufficient precautions shall be taken to insure that the sealed records and information are not revealed to anyone outside the law enforcement agency which continues to maintain the records or information.

Inspection of the files and records, or release of the information in the files and records, which are the subject of the sealing order, to anyone other than a person within the law enforcement agency in which the arrest records were sealed, may be permitted only by the court upon motion for good cause shown, and any such motion and any order granted pursuant to such motion shall specify the person or persons to whom the records and information are to be shown.

5. If the court determines there are grounds for denial, the court shall not grant an order to expunge or seal the records of the arrest or evidence of detention related thereto.

C. 2A:85-20 Conditions for “grounds for denial.”

6. For the purpose of this act “grounds for denial” shall exist:

a. When the usefulness of the information of the arrest and the proceedings to law enforcement authorities and to anyone who might obtain such information outweighs the desirability of having a person, who has been acquitted or against whom charges have been dismissed or discharged, freed from any disabilities attached to the arrest which preceded that acquittal, dismissal or discharge.

b. When dismissal resulted from a plea bargaining agreement or when acquittal, discharge or dismissal occurred after exclusion of highly probative evidence upon invocation of an exclusionary rule not directed to the truth of the evidence excluded.

C. 2A:85-21 Proceedings deemed not to have occurred.

7. If an order expunging or sealing a record of arrest is granted, the arrest and any proceedings related thereto shall be deemed not to have occurred and the petitioner may answer accordingly any question relating to their occurrence.

Any municipal authority for the carrying out and effectuation of its purposes, and (a) any of the local units (b) any other municipality whether within or without the district and (c) any other municipal authority, any sewerage authority or any other public body of the State empowered to sell and supply water (all such local units, municipalities, other municipal authorities, sewerage authorities and other bodies being hereinafter referred to individually as a "governmental unit") for fostering the provision and distribution of an adequate supply of water within the territorial area of the governmental unit or assisting the municipal authority in carrying out and effectuating its purposes may enter into a contract or contracts providing for or relating to the sale or supplying of water to such municipal authority or to the governmental unit or to persons or properties within the district or the governmental unit, and the cost and expense of such sale or supplying of water. Any such contract may provide for the payment to the municipal authority by the governmental unit annually or otherwise of such sum or sums of money, computed at fixed amounts or by a formula based on any factors or other matters described in section 21 or section 22 of this act or in any other manner, as said contract or contracts may provide, and may provide that the sum or sums so payable to the municipal authority shall be in lieu of all or any part of the service charges which would otherwise be charged and collected by the municipal authority with regard to persons or real property within the territorial area of the governmental unit. Such contract or contracts may also contain provisions as to the financing and payment of expenses to be incurred by the municipal authority and determined by it to be necessary for its purposes prior to the placing in operation of a sewerage or water supply and distribution system and may provide for the payment by the governmental unit to the municipal authority for application to such expenses or indebtedness therefor such sum or sums of money, computed as said contract or contracts may provide and as the governing body (hereinafter described) of the governmental unit shall, by virtue of its authorization of and entry into said contract or con-
tracts, determine to be necessary for the purposes of the sewerage authority. Every such contract shall be authorized and entered into under and pursuant to a resolution adopted by the authority in the case of a municipal or other authority, an ordinance of the governing body in the case of a municipality, a resolution of the governing body in the case of a county, and, in the case of any other public body, a resolution of the commission, council, board or body by whatever name it may be known (in this section sometimes referred to as "governing body") having charge of the finances of such public body, but the terms or text of said contract need not be set forth in full or stated in any such resolution or ordinance if the form of said contract is on file in the office of the clerk or other recording officer of the governmental unit or its governing body and the place and fact of such filing is described in the resolution or ordinance. Any such contract may be made with or without consideration and for a specified or an unlimited time and on any terms and conditions which may be approved by or on behalf of the governmental unit and which may be agreed to by the municipal authority in conformity with its contracts with the holders of any bonds, and shall be valid whether or not an appropriation with respect thereto is made by the governmental unit prior to authorization or execution thereof. Every such governmental unit is hereby authorized and directed to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of such governmental unit. Subject to any such contracts with the holders of bonds, the municipal authority is hereby authorized to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and, in accordance with any such contract, to waive, modify, suspend or reduce the service charges which would otherwise be charged and collected by the municipal authority with regard to persons or real property within the territorial area of the governmental unit, but nothing in this section or any such contract shall prevent the municipal authority from charging and collecting, as if such contract had not been made, service charges with regard to such persons and real property sufficient to meet any default or deficiency in any payments agreed in such contract to be made by such governmental unit.

2. This act shall take effect immediately.

CHAPTER 196

AN ACT to amend the "Savings and Loan Act (1963)," approved August 30, 1963 (P. L. 1963, c. 144).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 26 of P. L. 1963, c. 144 (C. 17:12B-26) is amended to read as follows:

C. 17:12B-26 Establishment and operation of section 25 branch offices; application to commissioner.

26. 1. Subject to the other limitations of this act, an association may establish and operate one or more section 25 branch offices as follows:

(a) In the same municipality in which it operates its principal office, or

(b) In any municipality where there is no principal office or branch office of any other association in operation at the time it is proposed to establish such branch office, or

(c) In any municipality where, at date of application, there is located a principal office or offices of an association or associations, and where the population of the municipality is, prior to January 1, 1974, 50,000 or more; commencing January 1, 1974, 40,000 or more; commencing January 1, 1975, 30,000 or more; commencing January 1, 1976, 20,000; and, commencing January 1, 1977 and thereafter, 10,000 or more. The commissioner upon application for good cause shown, may set aside the population schedule set forth above. The presence of one or more branch offices of one or more associations in any municipality having a population of 7,500 or more shall not prevent the establishment of a section 25 branch office under this subdivision prior to January 1, 1977. Commencing January 1, 1977, and thereafter, the presence of one or more branch offices of one or more associations in any municipality shall not prevent the establishment of a section 25 branch office under this subdivision, or

(d) In a municipality in which the association is operating a section 25 or 27 branch office where there is no principal office or branch office of another association.

(e) (Deleted by amendment.)

(f) Nothing in this subsection shall affect the operation of any branch office legally established under prior law.
2. No association shall establish a section 25 branch office unless the association shall first file written application with the commissioner for his approval. An application shall be deemed to have been filed at such time as a written application, including such supporting data as may be required by the commissioner, shall have been made in writing by the applying association and delivered by certified mail, return receipt requested, or in person to the commissioner. Before approving such application, the commissioner shall determine that:

(a) The association and the proposed branch meet all of the requirements of sections 25 and 26 of this act, and

(b) The establishment and operation of such branch office is in the public interest and will be of benefit to the area served by such branch office, and that

(c) Such branch office may be established without undue injury to any other association in the area in which it is proposed to locate such branch office, and that

(d) Conditions in the area to be served, afford reasonable promise of successful operation.

Within 10 days after the submission of any such application to the commissioner, the applying State association shall give notice of such application by publication of a notice of such application in a newspaper published within the municipality in which it is proposed to locate the branch office if there be one or, if there be no such newspaper, in a newspaper published in the county and having a substantial circulation in the municipality. The notice shall be in a form approved by the commissioner, and shall include the name of the applying association and the location, as precisely as possible, in the municipality where such branch office is to be located. The commissioner shall conduct such investigation or hearing or both, as he may deem to be advisable. For good cause, the commissioner may dispense with the notice requirements of this section.

No less than 30 days after filing with the commissioner the proof of publication of the aforementioned notice and within 90 days thereafter, the commissioner shall announce his decision upon such application and file in his office, a written memorandum stating the reasons therefor, which shall be open to public inspection; and he shall forthwith thereafter give written notice thereof to the applicant.
2. Section 27 of P. L. 1963, c. 144 (C. 17:12B-27) is amended to read as follows:

C. 17:12B-27 Section 27 branch office; application for authority to operate; terms and conditions; decision of commissioner.

27. Any State association, into which another association has been merged or which has acquired by purchase, reorganization or in any other manner, all or a substantial portion of the assets of another association, may make application to the commissioner for authority to operate the office previously operated by such other association, or a substitute therefor, as a section 27 branch office. The commissioner may grant authority for the operation of such section 27 branch office under such terms and conditions as he shall prescribe, and such authority may be inclusive of authorized branch offices operated by the selling or merging association; provided, however, that no branch office or offices shall be established under this section unless the commissioner shall first determine that the operation of such branch office or offices is in the public interest and will be of benefit to the area served by such branch office or offices. The commissioner shall not approve a substitute office under this section unless and until the applying association has complied with any applicable notice requirements as provided for in section 26 of this act.

Within 30 days after the filing of the merger or asset sale agreement with the commissioner or the holding of a hearing, whichever last occurs, the commissioner shall announce his decision upon such application and file in his office, a written memorandum stating the reasons therefor, which shall be open to public inspection; and he shall forthwith thereafter give written notice thereof to the applicant.

3. Section 198 of P. L. 1963, c. 144 (C. 17:12B-198) is amended to read as follows:

C. 17:12B-198 Authority.

198. Any two or more State associations may merge into a single State association, under the terms and procedure hereinafter set forth. Any State association may merge into a Federal association upon the approval of the commissioner and subject to such terms and conditions as he may specify.

4. Section 225 of P. L. 1963, c. 144 (C. 17:12B-225) is amended to read as follows:
C. 17:12B-225 Approval by commissioner; filing of certificate; corporate existence continued.

225. Upon the filing with the commissioner of the certificate as provided in paragraph (d) of section 224 of this act and before approving the conversion of any Federal association into an association of this State the commissioner shall determine, as a result of an examination or otherwise, that the assets of such association have a sound value at least equal to the capital of the association, plus all creditor obligations; that such association will function normally after conversion and that it will earn and be able to pay regularly a reasonable dividend; and upon such determination, and upon compliance by the association with such requirements or conditions as the commissioner, may prescribe, and not later than 3 months from the date of the members' meeting held as provided in paragraphs (b) and (c) of section 224 of this act, the commissioner shall endorse his consent to the conversion of such Federal association into an association upon the certificates filed in accordance with paragraph (d) of section 224 of this act, one of which certificates shall remain on file in the office of the commissioner and the other shall be recorded by the clerk of the county where the association is located. Within 10 days thereafter, a copy of said certificate certified by the commissioner, shall be mailed to the Federal Home Loan Bank Board. Upon the filing of such certificate in the office of the commissioner the association shall cease to be a Federal association and shall no longer be subject to the supervision and control of the Federal Home Loan Bank Board.

Upon the conversion of any Federal association into an association of this State, the corporate existence of such association shall not terminate, but such association of this State shall be deemed to be a continuation of the entity of the association so converted, and all property of the converted association, including its right, title and interest in and to all property of whatsoever kind, whether real, personal or mixed, and things in action, and every right, privilege, interest and asset of any conceivable value or benefit then existing belonging or pertaining to it or which would inure to it, shall immediately by operation of law and without any conveyance or transfer and without any further act or deed, remain and be vested in and continue and be the property of such association of this State into which the Federal association has converted itself, and such association of this State shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held and enjoyed by the converting association, and
such association of this State as of the time of the taking effect of such conversion, shall continue to have and succeed to all the rights, obligations and relations of the converting association. Pending actions and other judicial proceedings to which the converting Federal association is a party shall not be deemed to have abated or to have been discontinued by reason of such conversion, but may be prosecuted to final judgment, in the same manner as if such conversion into such association of this State had not been made and such association of this State resulting from such conversion may continue such action in its corporate name as an association of this State and any judgment or order may be made for or against it, which might have been made for or against the converting Federal association theretofore involved in such judicial proceedings.

Where the certificate provided for under section 224 of this act shall state that the purpose of the conversion is to facilitate the merger of a Federal association with a State association, the commissioner need not make the findings and determinations as set forth in this section.

5. This act shall take effect immediately.

The annual charge so levied shall be a lien on the lots and graves and no interments may be made in or any memorials installed on any lot or grave while such charge remains unpaid and arrangements are made with the cemetery company for continuing care of the lot or grave in question, provided that no lien shall be effective for any interment certified by a county welfare board to be a welfare burial.

If the report so filed is deemed inadequate to properly apprise the New Jersey Cemetery Board of the information it requires to effectively administer the provisions of this act, it shall request a supplemental report and in its discretion conduct an investigation of the operations of the cemetery company.
Officials, managers and trustees or employees of every cemetery company shall exhibit its books, papers and securities to the board when required and otherwise facilitate any examination of said company. Any cemetery official or employee may be required to testify under oath as to the conditions and affairs of the cemetery company.

The effectuation of such a plan, when approved by the board, shall be deemed a mandate upon the cemetery company and its officials, and failure on their part to institute the recommended plan within 60 days following the presentation of said plan to the cemetery company by the board, shall be a violation of this act.

As a further condition of any such sale, the deed of conveyance shall be required to include a perpetual prohibition on the use of the premises so conveyed for any of the purposes or uses in which cemetery companies are, by the terms of this act (N. J. S. A. 5-3), specifically
prohibited from engaging. Not less than 15% of the proceeds of said sale shall be deposited in the maintenance and preservation fund.

c. Any filing pursuant to paragraph b. above shall be accompanied by a filing fee of $10.00 payable to the New Jersey Cemetery Board.

d. If any member of the public shall file a written complaint with the cemetery board concerning the operations or activities of any cemetery company, then the cemetery board may require of the cemetery company:
(1) A statement of the source and amount of all revenue and income. It shall not be necessary for the purposes of compliance with this paragraph that the sale of lots be reported on an individual sale basis.

(2) A detailed statement of all expenses and disbursements including deposits to trust funds. Except as otherwise specifically stated in this section, it shall not be necessary for the purposes of compliance with this paragraph to recite each such disbursement but total disbursements in specific categories shall be deemed to be sufficient compliance.

e. The board may, upon notice, by order in writing require any cemetery company:

(1) To keep its books, records and accounts so as to afford an intelligent understanding of the conduct of its business.

(2) To furnish periodically a detailed report of finances and operations in such form and containing such matters as the board may from time to time prescribe.

18. N. J. S. 8A:5-10 is amended to read as follows:

Property exempt from taxation or sale on execution; charges exempt from sales or use tax.

All annual maintenance and special care charges paid by the interment space owner to any cemetery shall be exempt from the payment of any sales or use tax.

The cemetery property of whatsoever nature of any cemetery company, and lands dedicated prior to or in accordance with this act shall be exempt from all taxes, rates or assessments, and shall not be liable to be sold on execution, or to be applied in payment of debts due from any owner or holder of interment spaces, and their heirs, devisees or assigns shall hold the same exempt from taxation so long as the same shall remain dedicated to cemetery purposes. The aforesaid exemptions shall apply also to all land, structures, buildings, and equipment used for the operation and maintenance of said lands so dedicated.

19. N. J. S. 8A:5-20 is amended to read as follows:

Removal of interred remains.

8A:5-20. Remains interred in an interment space in a cemetery may be removed therefrom, with the consent of the cemetery company and a written consent of the owner or one of the owners of
the interment space and of the surviving spouse and children, if of full age.

C. 8A:5-23 Removal of unsightly monumentation; conditions.

20. a. The interment space owner, or owners or other interested party in any cemetery controlled, owned or operated by a cemetery company in this State shall be notified by the cemetery management prior to the removal of any unsightly monument, railing, box or other form of monumentation from the said interment space. The cemetery management shall notify the interment space owner in writing and shall secure the written consent of the said owner or owners. In the event the cemetery fails to secure such written authorization, the cemetery may then make application to the cemetery board for written consent to such removal. The board, if satisfied from the evidence presented that the monumentation is unsightly, may give written authority to the cemetery for the removal of such unsightly monumentation. Any evidence presented to the board shall contain photographic evidence of the monumentation sought to be removed. Prior to the board giving any written authority to remove an unsightly monumentation, it may require of the cemetery publication of notice of said action of removal in such manner as it may determine. Any such authority given by the board shall contain directions to the cemetery as the board deems necessary for continued monumentation of the interment space. Any interment space owner or other person whose interests are affected by any such application by a cemetery shall be afforded an opportunity to appear before the board in opposition to such application before any such authority is given by the board.

b. The cemetery management of any cemetery in this State may remove any dangerous monumentation in the cemetery subject to the conditions hereinafter set forth. Prior to any such removal the cemetery shall take photographs of the monumentation and its condition and shall retain same in the permanent records of the cemetery. Any such removal by the cemetery shall be placed on the interment space. The cemetery shall immediately notify the interment space owner, or owners or interested parties in writing as to such removal. If after a period of 6 months, the interment space owner, or owners or interested parties have not communicated with the cemetery, the cemetery may make application to the board for such relief as the board deems appropriate to protect the public interest regarding the removal of the monumentation from the interment space. Any interment space owner, or owners, or other interested parties who may claim that such a removal was
not necessary may make application to the board to review the action of the cemetery. The board, after having reviewed all of the evidence, may order such relief as it deems appropriate if it finds that such removal was unnecessary.

C. 8A:5-24 Approval for general renovation of grave areas; conditions.

21. No cemetery company shall engage in any general renovation of grave areas without the prior approval of the cemetery board in writing. The board before granting such consent may conduct a hearing and in its determination shall take into consideration the interests of the cemetery, grave owners and the general public. Before the board shall grant any consent to a renovation, the cemetery shall furnish evidence to the board as to the notification to the grave owners or other interested parties of the proposed renovation. The board may, prior to considering any such application, require notice by publication in the manner deemed to provide the maximum notice to grave owners or other interested parties. Any grave owner or other interested party may appear in opposition to any such application for such a renovation.

22. N. J. S. 8A:6-1 is amended to read as follows:

Authority to take and hold lands.

8A:6-1. A cemetery company heretofore or hereafter incorporated, may take by gift, purchase or devise and hold, lands not to exceed 250 acres in extent at any one location.

23. N. J. S. 8A:6-2 is amended to read as follows:

Exchange or lease of lands; exception.

8A:6-2. A cemetery company may exchange its lands for other lands provided no body has been interred therein. A cemetery company may lease for a term of years such parts of its lands as have not been laid out into burial plots or lots and use the proceeds of such lease to pay its debts and liabilities and to improve its cemetery. Any lease entered into pursuant to this section shall be acknowledged or proved in the office of the county recording officer and the lands and property the subject of such lease shall not be entitled to the tax and other exemptions set forth in 8A:5-10. A cemetery company shall not lease any of its lands directly or indirectly to any person or entity in any business in which a cemetery company is specifically prohibited from engaging in accordance with the terms of 8A:5-3 of this act.
24. N. J. S. 8A:6-6 is amended to read as follows:

Number of cemeteries in municipality; limitations.
8A:6-6. No more than five cemeteries shall be located or placed in any one municipality in any county of this State, except that, in any municipality of this State where the capacity of an existing cemetery is exhausted, so that no further interment spaces can be purchased, an additional cemetery may be created or placed at a distance of not less than 3 miles from any other existing cemetery in such municipality, subject to all laws or provisions thereof governing and regulating cemeteries in this State.

Not more than 3% of the area of any municipality shall be devoted to cemetery purposes.

However upon application the governing body of any municipality may by resolution waive any of the aforementioned limitations as to the number of cemeteries in the municipality or percentage of land use for cemeteries when, in its opinion, there is a public need for additional cemetery lands and that it is in the public interest to so waive any of the aforementioned limitations.

Nothing contained in this section shall prevent any cemetery company incorporated and in operation prior to the effective date hereof, and which owns lands in which interments have been made, and which obtains a certificate of authority as provided in this act from continuing to maintain and conduct its cemetery in any municipality of this State.

C. 8A:6-1.1 Application of provisions.

Transfer of ownership of interment spaces.
8A:7-1. All interment spaces shall become, upon the transfer thereof in whole or in part, the sole and separate property of the person or persons named in the conveyance or certificate as transferee, his heirs, devisees and assigns. Any such conveyance or certificate of transfer issued by a cemetery company may contain a provision that the owner or owners take title subject to the rules and regulations of the cemetery company then existing and those reasonable rules and regulations that may thereafter be adopted by the cemetery company and also any other reasonable valid restrictions upon use or transfer not inconsistent with the provisions of this law.
27. N. J. S. 8A:7-3 is amended to read as follows:

**Owner's right to transfer interment space; authorization required.**

8A:7-3. The owner of an interment space or an interest therein in a cemetery owned by a cemetery company may, subject to the provisions of this act, transfer and convey the same or part thereof to any person or to the cemetery company having charge of the cemetery in which the interment space is situated. Before any such transfer or conveyance is made, the board of managers, directors or trustees shall authorize the same by a vote of at least three-fifths of the board at a regularly called meeting. Consent to such transfer shall not be unreasonably withheld by the cemetery company.

C. 8A:7-3.1 **Maintenance of graves; condition.**

28. Any grave owner, owners or interested parties shall have the right to maintain their own grave, or graves, or provide for the same service by an outside contractor without any financial obligation to the cemetery company for doing so; provided, however, that any such service rendered by the grave owner or outside contractor shall be subject to the supervision of the cemetery management to insure compliance with the rules and regulations of the cemetery.

29. N. J. S. 8A:8-3 is amended to read as follows:

**Consents required for removal of bodies and sale of lands; action by court.**

8A:8-3. The directors of any cemetery owning lands in which burials have been made may remove the bodies buried therein and sell such lands, or any part thereof. Before making such removal and sale the corporation shall obtain the consents in writing of the living owner or owners of the interment spaces and permits for burials in such lands, and the consents in writing of the living lineal descendants and widow or widower, if any, of the person or persons buried in such lands, or the part thereof sold. In addition to the foregoing, the corporation or society shall obtain the consent of the cemetery board in writing.

(b) Provided, however, that for each taxable year beginning in 1971 and ending in 1972, a tentative tax shall be computed as provided in subsection (a) except that the tax imposed under section 2 (C. 54:8A-2) shall be computed in accordance with the rates set forth in subsection 6 (c) thereof; the additional tax imposed under this section for such year shall be that proportion of such tentative tax as the number of days in 1972 bears to the number of days in the entire taxable year.

(c) Provided further that for each taxable year beginning in 1976 and ending in 1977, a tentative tax shall be computed as provided in subsection (a) hereof and the additional tax imposed under this section for such year shall be that proportion of such tentative tax as the number of days in 1976 bears to the number of days in the entire taxable year.

(d) Notwithstanding the provisions of subsection (a) of this section, the tax imposed by such subsection shall not apply for taxable years ending after December 31, 1972 and commencing before January 1, 1974, provided further that for each taxable year beginning in 1972 and ending in 1973, a tentative tax shall be computed as provided in subsection (a) and the additional tax imposed under this section for such year shall be that proportion of such tentative tax as the number of days in 1972 bears to the number of days in the entire taxable year. Provided further that for each taxable year beginning in 1973 and ending in 1974, a tentative tax shall be computed as provided in subsection (a) and the additional tax imposed under this section for such year shall be that proportion of such tentative tax as the number of days in 1974 bears to the number of days in the entire taxable year.

C. 43:5A-1 Definitions.

1. For the purposes of this act:

a. “final compensation” means either (1) the average annual compensation of an employee during the last 60 months preceding the month in which the employee is retired, or (2) the average annual compensation of the employee for any 5 fiscal years of the State during the period of continuous service upon which his eligibility for a pension under this act is based, depending upon which method of computation provides the larger benefit to the employee;

b. “years of continuous service” shall be computed as the number of years and months of paid service rendered to the State of New Jersey;
C. 43:5A-2 Qualifications for retirement and pension.
2. Any person may be retired and granted a pension under this act who
   a. has been continuously employed by the State for at least 30 years; and
   b. has reached the age of 65, or is permanently and totally disabled; and
   c. is not eligible to receive a pension for said State employment under any other law of this State; and
   d. was not required by law at the time of appointment or employment, or at any time thereafter, to become a member of a contributory retirement system; and

L. 1954, c. 84, who did not elect to become a member of the successor "Public Employees' Retirement System" established under the "Public Employees' Retirement System Act" (P. L. 1954, c. 84; C. 43:15A-1 et seq.)

C. 43:5A-3 Amount of pension.
3. The amount of annual pension granted to a State employee retired under this act shall be equal to 1% of his final compensation multiplied by the number of years of continuous service immediately prior to his retirement, except that
   if his continuous service with the State exceeds 40 years, his annual pension under this act shall not be less than \( \frac{1}{4} \) of his final compensation.

C. 43:5A-4 Application for retirement; procedure; requirements.
4. a. An employee who has reached 65 years of age and is eligible for a pension under this act may retire and receive said pension by filing with the commission an application, duly attested, stating at which time subsequent thereto he desires to be retired. The commission, upon satisfactory proofs of eligibility, shall retire him
at the time specified, or at such other time within 30 days after the

Director of the Division of Pensions, Department of the Treasury,
the date of retirement and the amount of the pension fixed in accord-

b. An employee who has not reached 65 years of age but is per-

retirements processed by the Division of Pensions. If the Division
of Pensions shall report and certify to the commission that he is
not totally incapacitated, either physically or mentally for the per-
formance of duty, or if he is engaged in an occupation, then the
amount of his pension shall be reduced to an amount which, when
added to the amount of his earnings, shall not exceed the amount of
the salary now attributable to his former position; except that no
pension subject to the minimum for those whose service exceeds
40 years as specified in section 3 of this act shall be reduced below
the minimum required thereby. If his earnings have changed since
the date of his last examination, then the amount of his pension may
be further altered; but the new pension shall not exceed the amount
of pension originally granted. If such person while under the age
of 65 years refuses to submit to at least one medical examination
in any year by a physician or physicians designated by the Division
of Pensions, his pension shall be discontinued until withdrawal of
his refusal. Any discontinuance, reduction or other alteration of

CHAPTER 251

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 181 of P. L. 1948, c. 67 (C. 17:9A-181) is amended to read as follows:

C. 17:9A-181 Mortgage loans.

181. Mortgage loans.

A. 1. A savings bank may make or invest in mortgage loans in the manner and subject to the limitations prescribed by this section. For the purposes of this section, "mortgage loan" shall include every indebtedness secured by mortgage on real property, or on a lease of the fee of real property (in any case in which such lease is lawful security for such mortgage loan), except as otherwise provided by subsection Q of this section, and a savings bank shall be deemed to have made a mortgage loan when

(a) It lends or participates in lending money to a borrower upon the security of real property; or

(b) It acquires, by purchase or otherwise, a mortgage loan or any share or part of or interest in a mortgage loan which is not subordinate to any share or part thereof or interest therein held by any other person.

A savings bank may sell, assign or otherwise dispose of a share or part of or interest in a mortgage loan held by it to any other person.
A. 2. For all purposes of compliance with the applicable provisions and restrictions of subsections D, E, F and G of this section as to the percentage of the mortgage loan to the appraised value of the mortgaged property, and the term of and rate of amortization of such loan, the date of the acquisition by a savings bank of a mortgage loan or a share or part thereof or interest therein shall, as respects such savings bank, be deemed to be the date as of which the mortgage loan was made and the unpaid amount of the principal then due shall be deemed to be the amount of such mortgage loan.

B. No savings bank shall make a mortgage loan at any time when the total cost of acquisition by the savings bank of all real property owned by it, other than real property held for the purposes specified in subparagraph (a) of paragraph (5) of section 24, and the total of all principal balances owing to the savings bank on mortgage loans, less all write-offs and reserves with respect to such real property and mortgage loans, together exceeds, or by the making of such loan will exceed, 80% of its deposits. For the purposes of this subsection, principal balances owing on mortgage loans made pursuant to subsection Q (1) of this section shall, only to the extent of the unguaranteed portion of such balances, and loans made pursuant to subsection Q (2) of this section shall, only to the extent of 50% of such balances, be included in the total of all principal balances owing to the savings bank on mortgage loans.

C. Every mortgage loan shall be evidenced by a note or bond, and shall be secured by a mortgage on the fee of real property located within this State, or, if outside this State, upon the fee of real property located within 50 miles of the border of this State. Every mortgage shall be certified to be a first lien by an attorney-at-law of the state in which the real property is located, or certified or guaranteed to be a first lien by a corporation authorized to guarantee titles to land in such state. For the purposes of this section, a mortgage shall be deemed to be a first lien, notwithstanding the existence of a prior mortgage or mortgages held by the savings bank, or a lien for current taxes or assessments not due or payable at the time of the loan is made, and notwithstanding the existence of leases, building restrictions, easements, encroachments, or covenants which, in the opinion of an officer of the savings bank designated for that purpose by the board of managers, do not materially lessen the value of the real property to be mortgaged.

D. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is one or more one-family dwellings including appropriate garages or other outbuild-
ings, if any, or upon which such dwelling or dwellings, garages or outbuildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed (a) 75% of the appraised value of the real property, or 2% of the deposits of the savings bank, whichever is lesser; or (b) 80% of the appraised value of the real property, or $35,000.00, whichever is lesser; or (c) 90% of the appraised value of the real property, or $25,000.00, whichever is lesser, provided that the dwelling or dwellings are not more than 10 years old.

E. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is one or more two-, three-, or four-family dwellings including appropriate garages or other outbuildings, if any, or upon which such a dwelling or dwellings and appropriate garages or other outbuildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed 80% of the first $30,000.00 of the appraised value of the real property, plus 50% of the excess, if any, of such appraised value over $30,000.00.

F. The instrument evidencing a mortgage loan made pursuant to either subsection D or subsection E of this section shall require that

(1) interest shall be paid on such loan monthly, and that equal monthly payments be made in reduction of such loan of an annual rate equal to at least 3 1/2% of the original amount of such loan; or

(2) that a constant sum be paid monthly in an amount sufficient for current interest and for the payment of the loan in full in not more than 40 years and 1 month from the making of such loan.

G. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a building or buildings other than dwellings of the nature described in subsections D and E of this section, or upon which such other buildings are in the course of construction or are to be constructed, or when such land is paved for parking lot purposes, the amount of the mortgage loan shall not exceed 75% of appraised value of such real property. The instrument evidencing a mortgage loan made pursuant to this subsection shall require that the loan be repaid in full in not more than 25 years and 1 month from the date it is made; and (a) if the amount of such loan, when made, exceeds 50% of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least 1% of the original amount of such loan; or (b) if the amount of such loan, when made, does not exceed 50% of the appraised value of the
real property, that payments shall be made in reduction thereof at
least semiannually, at an annual rate equal to at least \( \frac{1}{2} \% \) of the
original amount of such loan. When, however, the amount of such
loan does not, when made, exceed 50\% of the appraised value of
such real property, and the instrument evidencing such loan re-
quires that it be paid in full in not more than 5 years and 1 month
from the date it is made, the instrument need not require that any
payment be made in reduction of such loan prior to its maturity
date. Notwithstanding the limitations prescribed by subsections D
and E and hereinabove in this section, a savings bank may make a
mortgage loan secured by a lot of land or two or more lots of land,
contiguous or not, upon each of which there is a building or build­
ings, or upon each of which a building or buildings are in the course
of construction or are to be constructed. The limitations of this
section governing the term of the loan, rate of amortization, and the
percentage of the mortgage loan to the appraised value of each type
of building, including land, shall apply. No loan shall be made under
subsections D, E, F or G hereof to any one person or on any one
property if the loan shall exceed 15\% of the surplus and reserves
of the savings bank, or $50,000.00, whichever is greater.

H. When the real property offered as security for a mortgage
loan is of the nature described in subsection D or E of this section,
and the amount of the loan does not exceed 66\%\% of the appraised
value of such real property, the instrument evidencing such loan
shall be sufficient if it conforms to the requirements of either sub­
section F or subsection G of this section.

I. A mortgage loan may be made for the purpose of enabling a
borrower to construct a building or buildings upon real property
owned by him, and, in such a case, the appraised value of the real
property shall include the value of the building or buildings to be
constructed, but at no time shall a greater sum be advanced on
account of such loan than, in the opinion of (1) the appraisers here­
inafter provided for, or (2) one of such appraisers and an officer of
the savings bank designated for that purpose by the board of
managers, is warranted by the state of completion of the buildings
in process of construction. For the purposes of compliance with the
applicable requirements of subsection F or G of this section as to
the term of and the rate of amortization of a loan made pursuant
to this section, such loans shall be deemed to have been made when
the final advance shall be made to the borrower on such loan, or 18
months from the date of the mortgage securing such loan, whichever
is earlier.
J. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are not to be used to construct a building on such land, the amount of such loan shall not exceed 40% of the appraised value of such real property. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are to be used for improvements to the land, the amount of such loan shall not exceed 75% of the appraised value of such real property. The instrument evidencing a loan made pursuant to this subsection shall require that such loan be paid in full in not more than 10 years and 1 month from the date it is made. No loan made pursuant to this subsection shall exceed $10,000.00, or 1/10 of 1% of the deposits of the savings bank, whichever is greater; nor shall any loan be made at any time when the total of all such loans exceeds, or if the making of such loan would cause such total to exceed 1% of the deposits of the savings bank.

K. No mortgage loan shall be made except upon a written certification signed by at least two persons, each of whom shall be either a manager of the bank or an appraiser appointed by its board of managers. In the case of a mortgage loan secured by a mortgage upon real property, such certification shall state the opinion of such persons as to the value of the land and the improvements thereon or to be erected thereon and the character of such improvements. In the case of a mortgage loan secured by a mortgage upon a lease of the fee of real property, such certification shall state the opinion of such persons as to the value of the leasehold interest to be subject to the mortgage, including the leasehold interest in the improvements erected or to be erected upon the leased property and the character of such improvements. Such certification shall be filed with the records of the bank, and shall be preserved until the savings bank has no interest, as mortgagee or otherwise, in the real property.

L. Purchase money mortgage loans made by a savings bank on the sale of real property owned by it shall not be subject to the preceding subsections or to subsection P of this section, except that such loans shall be included in determining whether the total amount of mortgage loans held by a savings bank exceeds 80% of its deposits.

M. No savings bank shall make a mortgage loan secured by a mortgage upon a lease of the fee of real property unless
(1) the leased property is located within this State or, if outside this State, the leased property is located within 50 miles of the border of this State;

(2) the leased property shall consist of improved real property, including farm lands, or unimproved real property if the proceeds of such loan shall be used for the purpose of erecting improvements thereon;

(3) the mortgage securing such loan shall constitute a first lien on a lease of the fee of real property, which fee is not subject to any prior lien; the fee shall be deemed not subject to any prior lien notwithstanding the existence of liens of taxes which are not delinquent, building restrictions or other restrictive covenants or conditions, joint driveways, sewer rights, rights in walls, rights-of-way or other easements, or encroachments, which the persons signing the certificate provided for in subsection K of this section report in their opinion do not materially affect the security for the mortgage loan. Every mortgage shall be certified to be such a first lien by an attorney-at-law of the state in which the real property is located, or certified or guaranteed to be such a first lien by a corporation authorized to guarantee titles to land in such state;

(4) such loan shall not exceed 66⅔% of the appraised value of the leasehold interest subject to the mortgage, including the leasehold interest in the improvements erected upon the mortgaged property, or to be erected thereon wholly or partly with the proceeds of the mortgage loan; and

(5) the instrument evidencing the loan shall require that payment be made on account of the principal amount of such loan at an annual rate sufficient to repay such loan not later than 1 year prior to the expiration of the lease.

N. The instrument evidencing a mortgage loan may be in such form, and may contain such provisions, not inconsistent with law, as the savings bank may choose to insert for the protection of its lien and the preservation of its interest in the real property mortgaged to it.

O. Notwithstanding the limitations prescribed by the preceding subsections or by subsection P of this section, a savings bank may

(1) for the purposes of preventing or mitigating loss, or of preserving the lien of its mortgage, or of conserving the value of the real property affected by its mortgage, (a) extend the time for the payment of principal or interest, (b) modify or waive any of the terms or conditions of the instrument evidencing a mortgage loan, (c) settle or compromise all or part of the amount due
or to grow due on a mortgage loan, (d) sell or assign the mortgage loan, or a share or part thereof or interest therein, for such consideration as it shall deem proper, and (e) advance funds for the payment of any tax, lien, charge or claim whatsoever; and

(2) make a loan in addition to an existing mortgage loan or loans held by it, upon the security of the same real property and secured by the existing mortgage or mortgages, in an amount not to exceed the difference between the balance due on the existing mortgage or mortgages and the original amount thereof, or the sum of $16,000.00, whichever is less; provided, however, that no such additional loan shall be made which shall increase the total amount due upon such mortgages over the amount which could be loaned upon the security of such real property. Such additional loan shall be repaid in equal monthly installments, beginning within 1 year from the date of such loan, with the payments adjusted so that the additional loan shall be repaid in full either before or at the maturity of the existing mortgage. If the unexpired term of such mortgage or mortgages shall have been reduced to 10 years or less such term may be extended for an additional period of not more than 10 years. Adjustment of payments and extension of mortgage terms pursuant to this section shall comply with the provisions of subsection F, G or H of this section. If so provided in the original mortgage or a supplement or amendment thereto, persons who acquire any rights in or liens upon the mortgaged real property subsequent to the recording of the original mortgage or such supplement or amendment, as the case may be, shall hold such rights and liens subject to the prior lien of the original mortgage and such supplement or amendment, if any, as security for such additional loan; and in such case, no title certificate or insurance under subsection C of this section shall be required with respect to such additional loan.

P. Except as otherwise provided by this section, no savings bank shall make a mortgage loan if the making of such loan would cause the total of all unpaid balances of such loans held by the savings bank upon the security of the same real property or leasehold, to exceed the limitations imposed by this section upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

Q. A savings bank may invest in

(1) (a) veterans' loans, wherever located, made pursuant to Title III of the Act of Congress of June 22, 1944, known as the "Servicemen's Readjustment Act of 1944," as amended, supple-
mented, revised, or recodified from time to time, which the Administrator of Veterans’ Affairs or other officer or agency which succeeds to his powers and functions under said act has insured or guaranteed or has made a commitment to insure or guarantee, to the extent and in the manner provided in said act or the regulations made thereunder; and

(b) veterans’ loans, wherever located, made and insured or guaranteed in part as provided in paragraph (1) (a) of this subsection of this section, and, as to the balance thereof, insured or guaranteed by an insurer or guarantor named or described in paragraph (2) of this subsection of this section.

(c) the provisions and restrictions contained in this section, except those relating to the percentage of the mortgage loan to the appraised value of the real property, the location of the real property, the term of the loan and the rate of amortization, shall apply to investments made pursuant to paragraph (1) of this subsection of this section, provided however that said loans and investments shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be taken upon such loans or investments.

CHAPTER 255

A SUPPLEMENT to "An act making appropriations for the support of the State Government and the several public purposes for the fiscal year ending June 30, 1973, and regulating the disbursement thereof," approved June 22, 1972 (P. L. 1972, c. 73).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The following sum is hereby appropriated out of the General State Fund for the purpose herein specified:

CLAIM

DEPARTMENT OF THE TREASURY

235-100-560. DIVISION OF BUILDING AND CONSTRUCTION

M. J. Doyle, Inc., U. S. Route 130, Burlington, New Jersey 08016, for additional cost items incurred in conjunction with the Hunterdon State School Project due to delays during construction, $183,585.06.*

2. This act shall take effect immediately.

Approved except as to the item set forth in the statement appended hereto dated November 26, 1973.

*STATEMENT ON ASSEMBLY BILL No. 1547

Pursuant to Article V, Section 1, Paragraph 15 of the Constitution, I am appending to Assembly Bill No. 1547, at the time of signing it, this statement of the part thereof to which I object, so that such part so objected to shall not take effect.

CLAIM

DEPARTMENT OF THE TREASURY

235-100-560. DIVISION OF BUILDING AND CONSTRUCTION

M. J. Doyle, Inc. $183,585.06

This item is reduced from $183,585.06 to $110,000.00.
The appropriation in this bill would provide $183,585.06 as payment of a claim by M. J. Doyle, Inc. for additional cost items incurred in conjunction with the Hunterdon State School Project due to delays during construction.

This claim has been the subject of extensive study by the Division of Building and Construction in the Department of the Treasury, the State agency which reviews construction contracts. In addition, several meetings were held between representatives of M. J. Doyle, Inc. and the Division of Building and Construction, seeking to resolve the differences in connection with this claim. Offers and counter-offers were made for the purpose of settlement. However, no accord was reached.

I am reducing the appropriation in this bill from $183,585.06 to $110,000.00. This reduced amount approximates the lowest settlement figure which M. J. Doyle, Inc. was willing to accept at one point in the settlement negotiations. It is substantially more than the top offer of $75,000.00 which was made to M. J. Doyle to settle this claim. While several items in the Doyle claim were disputed by the Division of Building and Construction, it is recognized in retrospect that several of these could be considered to be borderline. It is appropriate, therefore, that the previous offers by the State be increased to $110,000.00.

In addition, the State was required to expend $39,200.00 for correction of defective work discovered subsequent to the settlement discussions and, to that extent, the adjusted appropriation in this bill represents a sizable increase over any offers previously made by the State.

It is impossible to determine the amount which should be paid on this claim with 100% accuracy. There is no scientific way to resolve the differences of M. J. Doyle, Inc. and the Division of Building and Construction as to point of view or dollar amounts for particular items. I feel the $110,000.00 appropriation which I have provided in this bill represents a fair and equitable determination of this claim based upon the existing circumstances.
CHAPTER 256

AN ACT to provide for supplementary assistance payments to the aged, blind and disabled and supplementing Title 44 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

   h. "Lien" means any legally perfected encumbrance or claim against the property or resources of an individual, authorized by Title 44 and Title 30 of the Revised Statutes.
   i. "Supplemental Security Income Program" means the program established pursuant to Title XVI of the Social Security Act, as amended, 42 U.S.C. 1381-1385, which becomes effective January 1, 1974, which makes payments to eligible persons and which replaces payments formerly made under the Federal categorical assistance programs under the Social Security Act, which are known as "Old Age Assistance" (42 U.S.C. 301-306), "Aid to the Blind" (42 U.S.C. 1201-1206), and "Aid to the Permanently and Totally Disabled" (42 U.S.C. 1351-1355).
j. "Supplementary payment" means any supplementary assistance payment as defined in the Federal Act made to an aged, blind or disabled person under eligibility requirements of this State.

k. "Welfare board" means the boards established within the counties of this State for the purposes of administering the delivery of money or services to persons legally eligible for welfare assistance, whether established under the authority of R. S. 44:7-1 or pursuant to any other laws of this State.

C. 44:7-86 Eligibility for supplementary payments.

2. Any person whose income, including any basic payment, is below the public assistance standard established by the commissioner and the government pursuant to the Federal Act is eligible for supplementary payments. The existence of an essential person may be considered in determining the amount of any supplementary payment made to an eligible person.

C. 44:7-87 Duties of commissioner.

3. The commissioner shall:
   a. Enter into agreements with the government to secure the administration of supplementary payments by the government for such time and upon such conditions as the commissioner may in his discretion deem appropriate.
   b. Promulgate, alter and amend such rules, regulations and directory orders as are necessary and proper:
      (1) to implement the terms of the agreement with the government for the administration by the government of supplementary payments; and
      (2) to secure social services for eligible persons, and for such other aged, blind or disabled persons as the commissioner may designate.
   c. Transfer State or welfare board funds, or both, currently appropriated for this State's participation in the Federal categorical assistance programs of "Old Age Assistance," R. S. 44:7-3 to R. S. 44:7-37, "Assistance for the Blind," P. L. 1962, c. 197 (C. 44:7-43 to 44:7-49) and "Permanent and Total Disability Assistance," P. L. 1951, c. 139 (C. 44:7-38 to 44:7-42) and any funds which may in the future be appropriated for the payment of supplementary payments, to the government in such amounts and at such times as the commissioner shall deem appropriate in order to provide for supplementary payments to eligible persons in this State.
   d. Pay to the government such funds as are necessary to reimburse the government's expenses in collecting additional informa-
tion needed for the State to make eligibility determinations for medical assistance under the New Jersey Medical Assistance and Health Services Act, P. L. 1968, c. 413 (C. 30:4D-1 to 30:4D-19).

e. Require welfare boards to perform such eligibility determinations as the commissioner may deem necessary for the continuation of the New Jersey Medical Assistance Program under the New Jersey Medical Assistance and Health Services Act, P. L. 1968, c. 413. The commissioner shall pay to the counties a reasonable amount to reimburse the welfare boards for their expenses in making such eligibility determinations.

f. Assess welfare boards at the beginning of each fiscal year in the same proportion that the counties currently participate in the Federal categorical assistance programs in order to obtain the amount of each county’s share of supplementary payments for eligible persons in this State based upon the number of eligible persons in the county. The assessment shall be made as of January 1, 1974 for fiscal year 1974. In the event that the assessment against welfare boards in any one year exceeds the amount actually transferred to the government for the counties' portion of supplementary payments, the commissioner shall return the excess to the welfare boards in the same proportion as that used by the commissioner in assessing the welfare boards for the fiscal year involved.

C. 44:7-88 Duties and responsibilities of welfare boards.

4. Welfare boards shall:

a. be relieved of those duties and responsibilities, under “Old Age Assistance,” R. S. 44:7-3 to R. S. 44:7-37, “Permanent and Total Disability Assistance,” P. L. 1951, c. 139 (C. 44:7-38 to 44:7-42), and “Assistance for the Blind,” P. L. 1962, c. 197 (C. 44:7-43 to 44:7-49), that the government has assumed under the Supplemental Security Income Program and under the agreement between the government and this State. Welfare boards shall retain, to the extent determined by the commissioner, the responsibility for the performance of all the functions under the above laws that the government will not perform pursuant to the agreement between the State and the government.

b. Provide social services to those persons designated to receive such services pursuant to section 3b(2) of this act.

c. Pay to the commissioner the amount assessed by the commissioner under section 3f of this act.
C. 44:7-89 Supplementary payments not to be considered loans.

5. Supplementary payments shall not be considered a loan by the State or by the welfare boards. No requirement under Title 44 or Title 30 of the Revised Statutes relating to the pledging of property or to the reimbursement of assistance shall be imposed upon, and no liens shall be made or enforced against, a recipient of supplementary payments for the purpose of recouping any amount of such payments. No requirement of support, contribution, or legal liability therefor, may be made, placed upon, or enforced against a legally liable relative of a person receiving supplementary payments or other payments made by the welfare boards pursuant to Title 44 of the Revised Statutes. Any lien against a recipient of assistance from a welfare board to enforce an obligation, which arose prior to January 1, 1974, under the current programs of "Old Age Assistance," "Assistance for the Blind," or "Permanent and Total Disability Assistance" which is perfected on or before April 1, 1974, or any delinquency in payment due the welfare board by a legally liable relative under the current programs which has accrued prior to January 1, 1974, shall remain in full force and effect and shall be enforceable and collectible by the commissioner or by the welfare board which filed the lien.

C. 44:7-90 Eligibility for medical assistance.

6. Any person eligible for basic payments under the Federal Act, any person eligible for supplementary payments and any essential person, may be determined pursuant to regulations promulgated by the commissioner to be eligible for medical assistance under the New Jersey Medical Assistance and Health Services Act, P. L. 1968, c. 413. Any person who would be financially eligible for basic payments or supplementary payments, or both, who is in an institution and financially ineligible for such payments by reason of the lower maximum income eligibility level under the Federal Act for persons residing in institutions, shall be eligible for medical assistance under the New Jersey Medical Assistance and Health Services Act, P. L. 1968, c. 413.

C. 44:7-91 Inconsistent laws superseded.

7. All laws and parts of laws of this State inconsistent with this act are hereby deemed superseded to the extent of such inconsistency.

C. 44:7-92 Partial invalidity.

8. If any clause, sentence, paragraph, section or part of the act shall be adjudged by any court of competent jurisdiction to be
invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

9. This act shall take effect immediately.

CHAPTER 257

AN ACT to amend “An act concerning the Department of Labor and Industry, to provide for the execution of some of its power and the performance of some of its duties, through a mine safety section in the Bureau of Engineering and Safety under the supervision and control of the Commissioner of Labor and Industry; to provide for the regulation of safety and health of workers and occupational conditions in the mines of the State and the protection of mining property; to empower the Commissioner of Labor and Industry to promulgate rules and regulations; to provide for safety educational programs and enforcement in the matter of mine safety and explosives; to provide for the safeguarding of workers and the welfare of the public in the use, handling, storage and transportation of explosives; to provide for an appropriation, and to repeal existing statutes” approved July 23, 1954 (P. L. 1954, c. 197).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P. L. 1954, c. 197 (C. 34:6-98.3) is amended to read as follows:

C. 34:6-98.3 Mine safety section.
   a. There is hereby created within the bureau a mine safety section under the direction and general supervision of the deputy director.
   
   b. The mine safety section shall be under the immediate supervision of a mine safety engineer, serving as section chief, who shall be responsible to the head of the bureau for the efficient, effective administration of the work of the section. The section
chief shall be assisted by and supervise such other mine safety engineers, mine safety inspectors, technicians and other employees as may be necessary to perform the work.

c. Under the direction of the head of the bureau, the section chief shall personally or by assignment to employees of the section, inspect, investigate, inquire and examine into the operation, workings, methods, safety devices and appliances, machinery, sanitation, ventilation, means of ingress and egress, means taken to protect the lives and insure the safety and health of miners, together with the causes of accidents, injuries and fatalities and means taken to comply with the law; conduct scientific tests to determine amount and condition of air together with contaminants therein or for any purpose that shall provide for the maintenance of safe, sanitary and healthful conditions; furnish such reports and do other related work as the deputy director may require.

d. Employees of the bureau shall have the power and authority, upon exhibition of official credentials, at all reasonable hours to enter and examine any part of a mine, mining plant, equipment or workings. All operators and their employees shall render all assistance necessary to facilitate such examination.

e. The mine safety engineer, serving as section chief, shall be at least 35 years of age, shall be physically able to discharge his duties and shall have at least 8 years’ experience in mining, of which at least 4 years shall have been engaged in underground mining, and he shall preferably have additional experience in quarry operations, mine safety work and accident prevention. He shall be a graduate engineer from a recognized school of mines.

f. The qualifications for a mine safety engineer, other than the section chief, shall be the same, excepting that he shall have had a minimum of 6 years’ experience in mining, at least 2 years of which shall have been in underground mining.

g. Mine safety inspectors shall be at least 30 years of age, shall have had at least 6 years’ experience in mining and shall have graduated from a recognized high school.

h. No employee of the department shall make public, directly or indirectly to any person any knowledge or information obtained by him in the exercise of his official duties concerning ores, ore bodies or values of any mine or part thereof. Any employee who shall violate any of the provisions of this paragraph shall be guilty of a misdemeanor and, on conviction, shall be punished by a fine of not less than $500.00 nor more than $1,000.00 or imprisonment
in the county jail not to exceed 1 year, or both, and shall be dis­
missed from his position.

i. It shall be the duty of the bureau to cause to have inspected 
at least once in every 3 months, every underground mine in this 
State, and every other working mine at least twice each year, and 
oftener, if it is deemed necessary for the safety of the men em­
ployed in the mine.

j. After every inspection, the mine safety inspector shall enter 
forthwith in a book to be kept at the mine and designated as the 
"record of mine safety inspection," the portion of the mine in­
spected, the nature of the inspection and the dangers and defects 
observed. This record shall be open at all reasonable hours to the 
examination of the operator, any employee or the designated repre­
sentative of the employees of the mine inspected. Nothing con­
tained in or omitted from any entry in such record shall limit or 
affect the duty and obligation of the operator, superintendent or 
employee.

2. Section 4 of P. L. 1954, c. 197 (C. 34:6-98.4) is amended to 
read as follows:

C. 34:6-98.4 Authority and duties of commissioner.

4. Authority and duties of the commissioner.

a. The commissioner shall administer the provisions of this act 
and may promulgate, make, amend and repeal necessary and 
reasonable rules and regulations not inconsistent with the pro­
visions of this act. Such rules and regulations shall have the force 
and effect of law and shall be enforced in the same manner. It is 
the policy and intent of this section that the physical plant, opera­
tions and methods of the mining industry or any part thereof 
including mines abandoned prior to the passage of this act and 
mines abandoned subsequent to the passage of this act shall be so 
constructed, equipped, arranged, operated, maintained and con­
ducted in all respects as to provide for reasonable and adequate 
protection to the lives, health and safety of miners, others em­
ployed in the mining industry and frequenting the same, the 
owners of the surface of the ground above such mines and the 
general public, as well as the protection of property. The com­
missioner shall be guided by the standards and recommendations 
of the United States Bureau of Mines, and recognized mine safety 
authorities in the preparation of the rules and regulations.

b. When requested to do so, the commissioner may make tests, 
or have same made, to determine if any device, safeguard or
equipment may be approved for use in connection with any provisions of this act. He may charge a fee for such approval, payable by the approval applicant, in any amount commensurate with the cost to the State for making such tests or have same made, in which case he may require the applicant to pay all cost directly to the private agency making the test.

c. The commissioner shall appoint all personnel pursuant to the provisions of Title 11, Revised Statutes, and arrange for all services necessary to administer the provisions of this act. He shall arrange for operations to be conducted in branch offices located near the mining centers of the State if, in his opinion, the effectiveness of the service can be thereby improved.

d. If, upon examination or inspection, it shall appear to an inspector that a mine or part thereof is, from any cause, in a dangerous condition, or fails to comply with the provisions of this act or any rule or regulation promulgated hereunder, he shall so report to the bureau and the commissioner shall at once notify the operator in charge thereof, such notice to be in writing and to be served by copy upon the operator. Said notice shall state in detail in what particular said mine or part thereof is deemed dangerous, insecure and not in compliance with the provisions of this act, and provide a reasonable specified time to comply. The operator of said mine shall forthwith make such change in order to comply with the requirements of this act.

e. In case of any civil or criminal proceedings at law against the parties so notified, on account of loss of life or bodily injuries sustained by an employee, subsequent to such notice, and in consequence of such dangerous condition, and without an affirmative and diligent effort having been made to remedy the same to the satisfaction of the commissioner, a certified copy of the notice served by the commissioner shall be prima facie evidence of the negligence of such party or parties.

f. If it appears from a reexamination of the mine by the inspector that such changes or compliances have not been made within the time specified in such notice, and that the mine or part of such mine is still in an unlawful condition or dangerous to life, health or property and in the opinion of the commissioner, it is necessary for the protection of life, health or property that such mine or part of the mine be vacated, the commissioner shall forthwith order the cessation of the operation and working of said mine or part of mine, and order that the employees shall not be permitted
therein for any purpose other than to remedy the defects complained of, until the provisions of this act are complied with to the satisfaction of the commissioner. The operator of said mine shall forthwith obey said order.

g. If a representative of the bureau finds conditions in any mine which in his opinion are dangerous to the health and lives of employees, owners of the surface of the ground above the mine or the general public, he shall report the facts forthwith to the bureau. The commissioner shall order all workings stopped in the particular section of the mine in which the dangerous condition was found, if in his opinion such an action is necessary to preserve life and limb. Work shall not be resumed until the commissioner so authorizes.

h. The commissioner shall have the power and authority to require that every mine, pit or quarry of any operator be registered with him and that a certificate of registration be obtained before the opening of such mine, pit or quarry. The application and certificate forms shall be prescribed by the commissioner.

A certificate of registration shall expire 1 year from its effective date, unless sooner revoked or suspended by the commissioner. A certificate of registration may be renewed upon the filing of an application of renewal on a form prescribed by the commissioner. A certificate of registration shall at all times be prominently displayed at each mine, pit or quarry of the operator.

The commissioner shall have the power and authority to charge an annual registration fee of not less than $15.00 nor more than $50.00 for each certificate of registration issued.

3. Section 6 of P. L. 1954, c. 197 (C. 34:6-98.6) is amended to read as follows:

C. 34:6-98.6 General requirements.

6. General requirements.

a. Every operator shall comply with the provisions of this act and the rules and regulations issued thereunder and every person shall comply with such provisions that may be applicable to him.

b. Every operator before opening a new mine, pit or quarry, shall report the location of such proposed mine, pit or quarry and his name and address in writing to the commissioner and to the local governing body of the municipality in which the mine, pit or quarry is to be located, and make application in writing to the commissioner for permission to open such mine, pit or quarry.

c. Every operator shall report the location of the mine and the name and address of the owner of the surface and of the mineral
rights in writing to the commissioner and the local governing bodies involved before the commencement of operations by him.

d. Every operator abandoning or permanently discontinuing any mine, pit or quarry shall notify the commissioner and the local governing bodies involved in writing no less than 60 days prior to such abandonment or discontinuance.

e. The operator shall post at the surface entrance, or around the surface extremities of any mine, pit or quarry, appropriate conspicuous and readily legible warning notices of the existence and dangers thereof and shall also place or cause to be placed guardrails, fences or other approved means, sufficient to prevent accidental fallings in any operating or abandoned mine, pit or quarry as the commissioner may direct.

f. The protection shall include adequate fences, when any such mine or area is declared a hazard as provided by this act, or effective and secure capping of surface access to mine workings or other protective measures which in the judgment of the commissioner are necessary to prevent injury to persons or damage to property by accidental fallings into the abandoned mine.

In any case where an abandoned mine constitutes an imminent hazard to persons and the order of the commissioner to protect such mine has not been complied with in the time specified the commissioner is authorized to take such steps as may be necessary to eliminate the imminent hazard. The operator of the mine shall reimburse the commissioner for the actual cost of whatever corrective measures have been employed in eliminating the imminent hazard. The cost of any such corrective measures, until reimbursed, shall constitute a lien on such property and the mineral rights thereto.

The provisions of subsection e. of this section shall be applicable to mines abandoned prior to the passage of this act when any such mine is declared a hazard by the municipal governing body or by the State, after public hearing, and after such protection is requested by the municipality or State.

g. It shall be the duty of the mine operator, superintendent, or any one in charge of a mine, where 10 or more men are employed, to keep at such places about the mine as may be designated by the commissioner, a stretcher and a woolen and waterproof blanket, in good condition, for use in caring for any person who may be injured at the mine. When more than 50 persons are employed, two or more stretchers with woolen and waterproof blanket shall be kept, and in all mines, a supply of first-aid equipment as may be
prescribed by the bureau shall be kept readily accessible for the treatment of anyone injured.    1. When so authorized and directed by the charge conference of any unincorporated local church duly organized in accordance with the Discipline of The United Methodist Church, the board of trustees may incorporate, or if incorporated may reincorporate, such church in the following manner:

      a. Pursuant to a resolution adopted by such board of trustees, a meeting of the membership of such church shall be called by notice in writing signed by the president or secretary of such board. Such notice shall state that at a specified date, time and place a meeting will be held for the purpose of incorporating or reincorporating

c. If at such meeting the members present and voting shall determine by resolution to incorporate or reincorporate such church, they shall similarly determine the name of the incorporated church and the number of its trustees which shall be three, six or nine. Such member shall elect the number of trustees, decided upon, which trustees shall be not less than 18 years of age, and 2/3 of whom shall be full members of The United Methodist Church. The annual conference of The United Methodist Church in which any such abandoned local church was located may, in pursuance of a resolution by it, sell the property of any such abandoned local church and convey the same to the purchaser by deed in its corporate name.

4. This act shall take effect immediately.

CHAPTER 285

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 33:1–26 is amended to read as follows:

Term of license; prorated fee; separate licenses; license restrictions; extension of license; procedure on transfer of license; employment regulations.

33:1–26. All licenses shall be for a term of 1 year from July 1 in each year. The respective fees for any such license shall be prorated according to the effective date of such license and based on the
respective annual fee as in this chapter provided. Where the license fee deposited with the application exceeds such prorated fee, a refund of the excess shall be made to the licensee. Licenses are not transferable except as hereinafter provided. A separate license is required for each specific place of business and the operation and effect of every license is confined to the licensed premises. No retail license of any class shall be issued to any holder of manufacturer’s or wholesaler’s license, and no manufacturer’s or wholesaler’s license shall be issued to the holder of a retail license of any class. Any person who shall exercise or attempt to exercise, or hold himself out as authorized to exercise, the rights and privileges of a license except the licensee and then only with respect to the licensed premises, shall be guilty of a misdemeanor.

In case of death, bankruptcy, receivership or incompetency of the licensee, or if for any other reason whatsoever the operation of the business covered by the license shall devolve by operation of law upon a person other than the licensee, the director or the issuing authority may, in his or its discretion, extend said license for a limited time, not exceeding its term, to the executor, administrator, trustee, receiver or other person upon whom the same has devolved by operation of law as aforesaid. Under no circumstances, however, shall a license, or rights thereunder, be deemed property, subject to inheritance, sale, pledge, lien, levy, attachment, execution, seizure for debts, or any other transfer or disposition whatsoever, except to the extent expressly provided by this chapter.

On application made therefor setting forth the same matters and things with reference to the premises to which a transfer of license is sought as are required to be set forth in connection with an original application for license, as to said premises, and after publication of notice of intention to apply for transfer, in the same manner as is required in case of an application for license as to said premises, the director or other issuing authority may transfer, upon payment of a fee of 10% of the annual license fee for the license sought to be transferred, any license issued by him or it respectively to a different place of business than that specified therein, by endorsing permission upon such license.

On application made therefor setting forth the same matters and things with reference to the person to whom a transfer of license is sought as are required to be set forth in connection with an original application for license, which application for transfer shall be signed and sworn to by the person to whom the transfer of license is sought and shall bear the consent in writing of the licensee
to such transfer, and after publication of notice of intention by the
person to whom the transfer of license is sought, to apply for
transfer in the same manner as is required in the case of an
original application for license, the director or other issuing
authority, as the case may be, may transfer any license issued by
him or it respectively to such applicant for transfer by endorsing
the license. Such application and the applicant shall comply with
all requirements of this chapter pertaining to an original applica-
tion for license and shall be accompanied, in lieu of the license fee
required on the original application, by a fee of 10% of the annual
license fee for the license sought to be transferred, which 10% shall
be retained by the director or other issuing authority, as the case
may be, whether the transfer be granted or not, and accounted for
as other license fees.

If the other issuing authority shall refuse to grant a transfer the
applicant shall be notified forthwith of such refusal by a notice
served personally upon the applicant, or sent to him by registered
mail addressed to him at the address stated in the application, and
such applicant may, within 30 days after the date of service or
mailing of such notice, appeal to the director from the action of the
issuing authority. If the other issuing authority shall grant a
transfer any taxpayer or other aggrieved person opposing the
grant of the transfer may, within 30 days after the grant of such
transfer, appeal to the director from the action of the issuing
authority.

No person who would fail to qualify as a licensee under this
chapter shall be knowingly employed by or connected in any busi-
ness capacity whatsoever with a licensee. Persons failing to qualify
as to age or by reason of conviction of a crime involving moral
turpitude may, with the approval of the director, and subject to
rules and regulations, be employed by any licensee, but such em-
ployee if disqualified by age shall not, in any manner whatsoever
serve, sell or solicit the sale or participate in the manufacture,
rectification, blending, treating, fortification, mixing, processing or
bottling of any alcoholic beverage; and further provided, that no
permit shall be necessary for the employment in a bona fide hotel
or restaurant of any person failing to qualify as to age so long as
such person shall not in any manner whatsoever serve, sell or
solicit the sale of any alcoholic beverage, or participate in the mix-
ing, processing or preparation thereof.

2. This act shall take effect immediately.

CHAPTER 286

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 5:10-141 Debt service reserve fund.

1. a. The authority may create and establish a reserve fund in connection with the issuance of bonds to finance the initial project to be known as the debt service reserve fund and may pay into such reserve fund (1) any moneys appropriated and made available by the State for the purposes of such fund, (2) any proceeds of sale of such bonds to the extent provided in the resolution of the authority authorizing the issuance thereof, and (3) any other moneys which may be made available to the authority for the purposes of such fund from any other source or sources. The moneys held in or credited to the debt service reserve fund established under this section, except as hereinafter provided, shall be used solely for the payment of the principal of such bonds of the authority secured by such reserve fund, as the same mature or become due, the purchase or retirement of such bonds, the payment of interest on such bonds or the payment of any redemption premium required to be paid when such bonds are redeemed prior to maturity; provided, however, that moneys in such fund shall not be withdrawn therefrom at any time in such amount as would reduce the amount of such fund to less than the maximum debt service reserve (as hereinafter defined) with respect to such bonds then outstanding and secured by such reserve fund, except for the purpose of paying the principal of, interest on, the premium, if any, on, and the retirement of, such bonds secured by such reserve fund maturing or becoming due and for the payment of which other moneys of the authority are not available. Maximum debt service reserve as used in this section shall mean, as of any date of calculation and with respect to such bonds secured by the debt service reserve fund, the largest amount of money required by the terms of any contracts of the authority with the holders of such bonds to be provided in any succeeding calendar year for the payment of interest on and serial maturities of such bonds then
outstanding and payments required by the terms of any such contracts to be made to sinking funds established for the payment or redemption of such bonds, calculated on the assumption that such bonds will cease to be outstanding after the date of such calculation only by reason of the payment of such bonds at their respective maturities and the making of required payments to sinking funds and the application thereof in accordance with the terms of such contracts to the retirement of such bonds. Any income or interest earned by, or increment to, the debt service reserve fund due to the investment thereof may be transferred to any other fund or account of the authority to the extent it does not reduce the amount of such debt service reserve fund below the maximum debt service reserve with respect to such bonds of the authority then outstanding and secured by such reserve fund.

b. The authority shall not issue bonds at any time if the maximum debt service reserve with respect to such bonds outstanding and then to be issued and secured by the debt service reserve fund will exceed the amount of such reserve fund at the time of issuance, unless the authority, at the time of issuance of such bonds, shall deposit in such reserve fund from the proceeds of such bonds so to be issued, or otherwise, an amount which, together with the amount then in such reserve fund, will be not less than the maximum debt service reserve with respect to such bonds then to be issued and on all other bonds of the authority then outstanding and secured by such reserve fund.

c. To assure the continued operation and solvency of the authority for the carrying out of the public purposes of the act, provision is made hereinabove in this section for the accumulation in the debt service reserve fund of an amount equal to the maximum debt service reserve with respect to all bonds of the authority then outstanding and secured by such reserve fund. In order further to assure the maintenance of such debt service reserve fund, there shall be annually appropriated and paid to the authority for deposit in the debt service reserve fund such sum, if any, as shall be certified by the chairman of the authority to the Governor as necessary to restore such reserve fund to an amount equal to the maximum debt service reserve with respect to such bonds of the authority then outstanding and secured by such reserve fund. The chairman of the authority shall annually, on or before March 1, make and deliver to the Governor his certificate stating the sum, if any, required to restore the debt service reserve fund of the
authority to the amount aforesaid, and the sum or sums so certified, if any, shall be appropriated and paid to the authority for deposit in such debt service reserve fund of the authority prior to the end of the first calendar month of the next succeeding State fiscal year. Any payments to be made by the State to the authority as aforesaid for deposit in such debt service reserve fund are subject to and dependent upon appropriations being made from time to time by the State Legislature for such purpose.

d. In computing the debt service reserve fund for the purposes of this section, securities in which all or a portion of such debt service reserve fund shall be invested, shall be valued at par, or if purchased at less than par, at their cost to the authority.

e. Nothing herein contained shall be deemed to cause the bonds or notes of the authority to be in any way a debt or a liability of the State or any political subdivision thereof other than the authority, and the bonds and notes of the authority, whether or not payable from the debt service reserve fund created and established pursuant to this section, shall not create or constitute any indebtedness, liability or obligation of the State or any such political subdivision or be or constitute a pledge of the faith and credit of the State or of any such political subdivision.

f. For purposes of this section, initial project shall mean the initial development of the meadowlands complex as determined by the authority, and shall consist of (1) a football stadium to seat approximately 76,500 persons, (2) a racetrack and related facilities for both thoroughbred and harness horse racing, (3) roadways, parking and other support facilities therefor, and environmental facilities in connection therewith, together with all land and rights in land, structures and improvements, and other facilities and appurtenances related thereto.

C. 5:10-14.2 Redemption of bonds.

2. The State shall have the right, upon furnishing the authority with sufficient funds therefor, to require the authority to redeem, pay or cause to be paid, at or prior to maturity, in whole or in part, any bonds issued by the authority under the act; provided that such redemption or payment shall be made in accordance with the provisions of any contract entered into by the authority with the holders of such bonds.

3. This act shall take effect immediately.

CHAPTER 287

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1971, c. 184 (C. 33:1-40.3) is amended to read as follows:

C. 33:1-40.3 Sale of malt alcoholic beverages in original containers.

1. Whenever the sale of alcoholic beverages for consumption on the premises and off the premises or either thereof is authorized in any municipality by ordinance or rule or regulation of the Division of Alcoholic Beverage Control, by the holder of a retail consumption or retail distribution license, such ordinance or rule shall authorize the sale of malt alcoholic beverage in original bottle or can containers for consumption off the premises on the same days and during the same hours as the sale of alcoholic beverages for consumption on the premises is permitted and authorized in said municipality. If a municipality has no ordinance or local law that authorizes the sale of alcoholic beverages for consumption on the premises, then such municipality may by ordinance authorize the sale of malt alcoholic beverages in original bottle or can containers by retail distribution licensees any time between the hours of 12:30 p.m. and 6:30 p.m. on Sunday, in addition to such weekday hours as may be authorized by ordinance.

All parts of ordinances and regulations of the Director of the Division of Alcoholic Beverage Control inconsistent with the provisions of this act are superseded to the extent of such inconsistency.

2. This act shall take effect 30 days after enactment.

CHAPTER 288

AN ACT concerning the alcoholic beverage tax law, and amending R. S. 54:45-1.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 54:45-1 is amended to read as follows:

Bimonthly reports to director; payment of tax.

54:45-1. Every person who, within this State, shall manufacture, distribute, transport, store, warehouse, import, offer for sale or sell any alcoholic beverages or who shall purchase, transfer, sell or agree to sell warehouse receipts, receipts, certificates, contracts or other documents given upon the storage of alcoholic beverages, or who is the holder of a license permitting the doing of any such acts, shall file with the director a report on such form as the director shall prescribe. Any such report shall be verified by oath whenever the director shall so require. Every such report shall accurately and truthfully disclose the amount of alcoholic beverages manufactured, distributed, transported, stored, warehoused, withdrawn from storage, imported, purchased and sold, and the number and kind of warehouse receipts, receipts, certificates, contracts or other documents given upon the storage of alcoholic beverages purchased, transferred, sold and agreed to be sold by such person during the preceding 2 months, and such other information as the director may require. Such report shall be filed on or before the fifteenth day following each 2-month period. Holders of plenary retail consumption licenses, seasonal retail consumption licenses, plenary retail distribution licenses, limited retail distribution licenses and club licenses, issued pursuant to the provisions of Title 33 of the Revised Statutes or any other relative law of this State and the holders of permits, issued pursuant to the provisions of Title 33 of the Revised Statutes, authorizing the manufacture of wine for personal consumption only, shall not be required to file a report. Every such person shall pay to the director upon the filing of such report the amount of tax which shall be due from such person by reason of sales or deliveries of alcoholic beverages, unless previously paid.

Any such person who shall fail to file any such report on the day when it shall be due shall forfeit as a penalty for each day thereafter
until the report is filed the sum of $5.00 to be collected as herein-above provided. Such penalty shall not continue to accrue after the suspension or revocation of the license of any such person. Any such person who shall fail to pay any such tax on the day when it shall be due shall forfeit as a penalty an amount equivalent to 5% of the tax to be collected as hereinabove provided. The director, if satisfied that the failure to comply with any provision of this section was excusable, may remit the whole or any part of any penalty herein imposed.

2. This act shall take effect immediately.

C. 40:8B-4 Authority to apply for grant.

4. a. Any local unit may apply for a grant under this act to provide any or all of the services specified in section 5 of this act jointly with any other local unit or units. A quasi-governmental or paragovernmental agency may also apply to participate in a joint program and receive aid under this act; but such application shall be made through the local unit or units served by or supporting such agency, and all grants to such agency shall be made through such local unit or units.

b. The local units applying for aid may provide the service in any manner authorized by the "Interlocal Services Act" (now pending...

For purposes of such aid, the consolidated company shall be eligible for the full amount of aid which its constituent companies might have received from any municipality had they remained separate entities.);
   j. consolidation of municipal police forces or departments;
   k. joint municipal courts.

C. 40:8B-6 Approved plan of operations required.

6. a. No grant under this act shall be made to any joint program which has not submitted an approved plan of operations based on a feasibility study of the project conducted pursuant to this section. Such feasibility study shall be conducted by or under the supervision of the Department of Community Affairs, either (1) by the Department of Community Affairs or by an agency or agencies of the State of New Jersey approved by the Commissioner of Community Affairs, or (2) by a qualified third party approved by the Department of Community Affairs and by the principal executive officer of any principal executive department of State Government whose approval of such feasibility study is required
by subsection b. of this section and by a majority of % or more of the applicant local units. Such plan of operations shall constitute the final element of the feasibility study when approved by the Commissioner of Community Affairs and by any and every principal executive officer of a principal executive department of State Government which exercises jurisdiction over the performance of the services to be provided jointly under the proposed program.

b. Any local units eligible for aid as defined in sections 3 and 4 of this act shall be eligible to apply for funds to conduct a feasibility study under the auspices of the Department of Community Affairs. Application for such shall include: the names of the proposed participants; certified copies of a resolution or substantially similar resolutions passed by the governing bodies of the participating units authorizing such application; the services for which joint programs are contemplated, and the expected benefits of such a joint program. The application shall be in such form and shall also contain such other information as may be required by the Commissioner of Community Affairs.

All grants for feasibility studies shall require the joint approval of the Commissioner of Community Affairs and the principal executive officer of any and every principal executive department of State Government which exercises jurisdiction over the performance of the services to be provided jointly under the proposed program.

c. The feasibility study shall include such detailed surveys of present service standards in the area to be served by the joint program as may be required to establish substantial evidence that a joint program would either enable provision of a needed service which could not otherwise be provided, or remedy existing levels of service provision, or otherwise produce better services at relatively lower unit costs or with more efficient administration, and that such joint programs would not adversely affect neighboring local units, and that no neighboring local unit which might benefit is being excluded from the program; provided that any such local unit claiming exclusion had expressed a desire to be included in the feasibility study by giving written notice of such desire to the Commissioner of Community Affairs within 30 days from the date on which the commissioner made public announcement of the feasibility study grant.

d. Within 1 month of the completion of the feasibility study, the Department of Community Affairs shall hold a public hearing in each local unit to be included in the proposed joint program. After
such hearings and upon submission and approval of a plan based thereon as provided in subsection a. of this section, the joint program shall be eligible for aid under this act. No joint program shall receive aid unless the governing bodies of all participating local units have passed identically worded resolutions ratifying the grant contract between the State and the participating local units.

If the feasibility study shall contain recommendations for establishing a joint service program, within 6 months from the date of the last public hearing on the feasibility study, the governing body of each local unit which participated in the study shall communicate in writing to the Commissioner of Community Affairs stating their intentions of implementing or their specific and detailed objections to implementing each recommendation made in the feasibility study for establishing a joint service plan.

e. The Commissioner of Community Affairs shall, upon formal request by the governing body or chief executive officer of any local unit, cause to be made a preliminary survey as to the eligibility of such local unit and any other local units for State aid under this act with respect to any joint arrangements for provision of services specified or suggested in such request. Such preliminary survey shall be of sufficient scope and detail to enable the commissioner to advise all local units concerned in the projected joint arrangement whether the circumstances warrant detailed feasibility study pursuant to subsections a., b., c. and d. of this section; and the commissioner shall transmit formal notice of the findings and conclusions of such preliminary survey to all the said local units concerned.

C. 40:8B-7 Amount of aid; terms and conditions.

7. a. Local units in joint programs qualifying for aid for the implementation of joint programs under this act shall receive the following aid for 4 years:

(1) if the service provided under the joint agreement is one which the local unit has previously provided, an amount to cover all extraordinary administrative and operating costs incurred by the local unit as a result of implementation of the joint program;

(2) if the service provided under the joint agreement is one which the local unit has not previously provided, an amount equal to 10% of the total costs incurred by the local unit as a result of implementation of the joint program.

b. (1) In those areas in which the approved feasibility study indicates that previous service provided in any participating local
unit was at such a low level that minimum adequacy can be obtained only by substantial upgrading, the Commissioner of Community Affairs is hereby authorized to provide for aid on behalf of that unit in accordance with paragraph (2) of subsection a. of this section rather than paragraph (1).

(2) In the event that a local unit currently providing a service at or above minimum levels as determined by the approved feasibility study enters into a joint agreement with a unit or units eligible for aid under paragraph (2) of subsection a. of this section or under paragraph (1) of this subsection, aid to joint program on behalf of each local unit participating may be given as if all local units had qualified for aid under paragraph (2) of subsection a. of this section or under paragraph (1) of this subsection.

c. Aid payable under this act shall be subject to availability of State appropriations and to a budget estimate approved in advance by the Commissioner of Community Affairs. The local units shall receive such payment for a period not to exceed 4 years from the date of inception of the joint program.

d. (1) For the purposes of this act, “extraordinary operating and administrative costs” shall be deemed to be those operating and administrative costs incurred by a local unit for a service provided through a joint agreement which exceed the operating and administrative costs which it would have incurred for the provision of such service had such joint agreement not been implemented.

(2) For the purposes of this act, “operating and administrative costs” shall not include costs which are considered capital costs as set forth in section 40A:2-22 of the “Local Bond Law” (N. J. S. 40A:2-22); except that the Commissioner of Community Affairs may declare as eligible for aid under this act such costs as in his judgment could reasonably be included within an operating budget notwithstanding the fact that they may be bondable.

(3) The amounts expended for extraordinary operating and administrative costs by each local unit receiving aid pursuant to paragraph (1) of subsection a. of this section, and the amounts expended for total operating and administrative costs by each other local unit receiving aid under this act, as the case may be, shall be certified each year by each local unit participating in a joint program, and approved by the Commissioner of Community Affairs subject to a performance audit performed by or under the auspices of the Department of Community Affairs.
C. 40:8B-8 Payments of aid.
8. Payments of aid moneys shall be made on a quarterly basis by the State Treasurer to the chief financial officer of the local unit or joint meeting charged under the program as approved for aid pursuant to section 6 of this act with providing the services for which the grant is made.

C. 40:8B-9 Rules and regulations.
9. The Commissioner of Community Affairs may issue such rules and regulations as are necessary to effectuate the purposes of this act.

10. There is hereby appropriated for the purposes of this act such sums as may be included in any annual or supplemental appropriation act for such purposes.

11. This act shall take effect immediately.

Approved December 6, 1973.

The minimum standard for the valuation of the reserve liabilities for all such policies and contracts shall be the commissioner's reserve valuation method defined in subsection b. of this section, 3½% interest, except as otherwise provided in paragraphs (iii), (iv) and (ix) of this subsection for annuity and pure endowment contracts and except 4% interest for life insurance policies and disability and accidental death benefits issued on or after January 1, 1973, and the following tables:

(i) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioners 1941 Standard Ordinary Mortality Table; provided, however, that the Commissioners 1958 Standard Ordinary Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1966 or, for policies in any category of ordinary insurance, such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for such insurer's policies in such category became based upon said table. Notwithstanding the above provisions of this paragraph, for any category of ordinary insurance, reserves for such policies issued on or after July 1, 1957 may be calculated, at the option of the insurer, according to the Approved Standard Ordinary Mortality Table contained in section 17B:19-9; provided, further, that for any category of such policies issued on female risks on or after July 1, 1957 modified net premiums and present values, referred to in subsection b. of this section, may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 3 years younger than the actual age of the insured.

(ii) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies, the 1941 Standard Industrial Mortality Table; provided, however, that the Commissioners 1961 Standard Industrial Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1968 of such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for such insurer’s industrial life insurance policies became based upon said table.
(iii) For individual annuity and pure endowment contracts issued prior to the operative date of paragraph (ix) of this subsection, excluding any disability and accidental death benefits in such contracts, the 1937 Standard Annuity Mortality Table, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner; provided, however, that for single stipulated payment individual annuity and single premium pure endowment contracts issued on or after January 1, 1970, excluding any disability and accidental death benefits in such contracts, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Annuity Mortality Table for 1949, Ultimate, or any modification of such table approved by the commissioner.

(iv) For group annuity and pure endowment contracts, except annuities and pure endowments purchased thereunder on or after the operative date of paragraph (ix) of this subsection, excluding any disability and accidental death benefits in such contracts, the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts; provided, however, that for group annuity benefits arising from considerations received on or after January 1, 1970, excluding any disability and accidental death benefits, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of such table specified for individual annuity and pure endowment contracts.

(v) For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit: for policies or contracts issued on or after January 1, 1961 and prior to January 1, 1966, either such tables or, at the option of the insurer, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives, be
combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vi) For accidental death benefits in or supplementary to policies, for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table; for policies issued on or after January 1, 1961 and prior to January 1, 1966, either such table or, at the option of the insurer, the Inter-Company Double Indemnity Mortality Table; and for policies issued prior to January 1, 1961, the Inter-Company Double Indemnity Mortality Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vii) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the commissioner.

(viii) For ordinary and industrial paid-up nonforfeiture term insurance, and accompanying pure endowment, the table of mortality based on the rates of mortality assumed in calculating the paid-up nonforfeiture benefits.

(ix) For individual annuity and pure endowment contracts issued on or after the operative date of this paragraph (ix), as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, the commissioners reserve valuation method defined in subsection b. and the following tables and interest rates:

(1) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the commissioner, and 6% interest for single stipulated payment immediate annuity and single premium pure endowment contracts, and 4% interest for all other individual annuity and pure endowment contracts.

(2) For all annuities and pure endowments purchased under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the commissioner, and 6% interest.

For individual single stipulated payment immediate annuity and single premium pure endowment contracts and for annuities and
pure endowments purchased under group annuity and pure endowment contracts, the operative date of this paragraph (ix) shall be January 1, 1973.

For other individual annuity and pure endowment contracts, an insurer may file with the commissioner a written notice of its election to comply with the provisions of this paragraph (ix) beginning on a specified date that is on or after January 1, 1973 but prior to January 1, 1979. Such specified date shall be the operative date of this paragraph for such contracts of the insurer, provided that if an insurer makes no such election, the operative date of this paragraph for such contracts of the insurer shall be January 1, 1979.

b. Reserves according to the commissioner's reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided by the policy and the excess of (A) over (B), as follows:

(A) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of such policy.

(B) A net 1-year term premium for such benefits provided for in the first policy year.

Reserves according to the commissioner's reserve valuation method for (i) life insurance policies providing for varying amounts of insurance or requiring the payment of varying premiums, (ii) annuity and pure endowment contracts, (iii) disability and accidental death benefits in all policies and contracts, and (iv)
all other benefits, except life insurance and endowment benefits in life insurance policies, shall be calculated by a method consistent with the principles of this subsection b., except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

c. In no event shall an insurer’s aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, be less than the aggregate reserves calculated in accordance with the method set forth in subsection b. and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies. Reserves for any category of policies, contracts or benefits as established by the commissioner shall not be calculated according to any standards which produce smaller aggregate reserves for such category than the corresponding aggregate values of nonforfeiture benefits available as of the valuation date.

d. Reserves for any category of policies, contracts or benefits as established by the commissioner may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein; provided, however, that reserves for participating life insurance policies may, with the consent of the commissioner, be calculated according to a rate of interest lower than the rate of interest used in calculating the nonforfeiture benefits in such policies, with the further proviso that if such lower rate differs from the rate used in the calculation of the nonforfeiture benefits by more than \( \frac{1}{2} \)\% the insurer issuing such policies shall file with the commissioner a plan providing for such equitable increases, if any, in the cash surrender values and nonforfeiture benefits in such policies as the commissioner shall approve.

e. If the gross premium charged by any life insurer on any policy or contract is less than the net premium for the policy or contract according to the mortality table, rate of interest and method used in calculating the reserve thereon, there shall be maintained on such policy or contract a deficiency reserve in addition to all other reserves required by law. For each such policy or contract the deficiency reserve shall be the present value, according to such standard, of an annuity of the difference between such net premium
and the premium charged for such policy or contract, running for
the remainder of the premium-paying period.

3. N. J. S. 17B:25–19 is amended to read as follows:

Standard nonforfeiture law.

17B:25–19. This section shall be known as the standard non­
forfeiture law.

a. No policy of life insurance, except as stated in subsection j.,
shall be issued or delivered hereafter in this State unless it shall
contain in substance the following provisions, or corresponding
provisions which in the opinion of the commissioner are at least as
favorable to the defaulting or surrendering policyholder:

(1) That, in the event of default in any premium pay­
ment, the insurer will grant, upon proper request not later
than 60 days after the due date of the premium in default,
a paid-up nonforfeiture benefit on a plan stipulated in the
policy, effective as of such due date, of such value as may
be hereinafter specified.

(2) That, upon surrender of the policy within 60 days
after the due date of any premium payment in default after
premiums have been paid for at least 3 full years in the case
of ordinary insurance or 5 full years in the case of indus­
trial insurance, the insurer will pay, in lieu of any paid-up
nonforfeiture benefit, a cash surrender value of such amount
as may be hereinafter specified.

(3) That a specified paid-up nonforfeiture benefit shall
become effective as specified in the policy unless the person
entitled to make such election elects another available option
not later than 60 days after the due date of the premium in
default.

(4) That, if the policy shall have become paid up by
completion of all premium payments or if it is continued
under any paid-up nonforfeiture benefit which became effec­
tive on or after the third policy anniversary in the case of
ordinary insurance or the fifth policy annivers­
ary in the case of industrial insurance, the insurer will pay, upon sur­
render of the policy within 30 days after any policy an­
niversary, a cash surrender value of such amount as may
be hereinafter specified.

(5) A statement of the mortality tables and interest
rates used in calculating the cash surrender values and the
mortality tables and interest rates used in calculating the
paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.

(6) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the State in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the cash surrender values and paid-up nonforfeiture benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The insurer shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand therefor with surrender of the policy.

b. In the case of annuity and pure endowment contracts issued on or after January 1, 1972, no contract of annuity or pure endowment, except as stated in subsection j., shall be issued or delivered in this State, unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering contractholder:
(1) That, in the event of default in any stipulated payment, the insurer will grant a paid-up nonforfeiture benefit on a plan stipulated in the contract, effective as of such due date, of such value as may be hereinafter specified.

(2) A statement of the mortality tables, if any, and interest rates used in calculating the paid-up nonforfeiture benefits available under the contract, together with a table showing either the cash surrender value, if any, or the paid-up nonforfeiture benefit, if any, available on each anniversary of the contract either during the first 20 contract years or during the term of stipulated payments, whichever is shorter, such benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the contract and that there is no indebtedness to the insurer on the contract.

(3) A statement that the paid-up nonforfeiture benefits available under the contract are not less than the minimum benefits required by or pursuant to the insurance law of the State in which the contract is delivered; an explanation of the manner in which the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the contract or any indebtedness to the insurer on the contract; if a detailed statement of the method of computation of the paid-up nonforfeiture benefits shown in the contract is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the contract is delivered; and a statement of the method to be used in calculating the paid-up nonforfeiture benefit available under the contract on any contract anniversary beyond the last anniversary for which such benefits are consecutively shown in the contract.

If an insurer shall provide for the payment of a cash surrender value, it shall reserve the right to defer the payment of such value for a period of 6 months after demand therefor with surrender of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if the annuity allowed under any paid-up nonforfeiture benefit would be less than $120.00 annually, the insurer may at its option grant a cash surrender value in lieu of such paid-up nonforfeiture benefit of such amount as may be required by subsection f.
c. Any cash surrender value available under any policy referred to in subsection a. in the event of default in a premium payment due on any policy anniversary, whether or not required by subsection a., shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted premiums as defined in subsection g., corresponding to premiums which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the insurer on the policy. Any cash surrender value available within 30 days after any policy anniversary under any policy paid up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by subsection a., shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the insurer on the policy.

d. Any paid-up nonforfeiture benefit available under any policy referred to in subsection a. in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the condition that premiums shall have been paid for at least a specified period.

e. Any paid-up nonforfeiture benefit available under any annuity or pure endowment contract referred to in subsection b., in the event of default in a stipulated payment due on any contract anniversary, shall be such that its present value as of such anniversary shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the contract, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted stipulated payments as defined in subsection h. corresponding to stipulated payments which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the insurer on the contract. In determining the benefits referred to in this subsection and in calculating the adjusted stipulated payments referred to in subsection h., in the case of annuity contracts under
which an election may be made to have annuity payments commence at optional dates, the annuity payments shall be deemed to commence at a date which shall be the latest permitted by the contract for the commencement of such payments but not later than the contract anniversary nearest the annuitant’s seventieth birthday or the tenth anniversary of the contract, whichever is later; and the stipulated payments shall be deemed to be payable for the longest period during which they would be payable if election were made to have the annuity payments commence at such date.

f. Any cash surrender value allowed by any annuity or pure endowment contract referred to in subsection b. and the present value, under any optional provision, of future benefits commencing on the due date of the stipulated payment in default shall each be at least equal to the then present value of the minimum paid-up nonforfeiture benefit required by subsection e.

g. Except as provided in the third paragraph of this subsection, the adjusted premiums for any policy referred to in subsection a. shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the policy; (2) 2% of the amount of insurance, if the insurance be uniform in amount or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less; provided, however, that in applying the percentages specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this subsection shall be deemed to be
the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy, provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age 10 were the amount provided by such policy at age 10.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (b) the adjusted premiums for such term insurance, the foregoing items (a) and (b) being calculated separately and as specified in the first two paragraphs of this subsection except that, for the purpose of (2), (3) and (4) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (b) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (a).

All adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table. Notwithstanding this provision, for any category of ordinary insurance such calculations may be made, at the option of the insurer, on the basis of the Approved Standard Ordinary Mortality Table; provided, further, that for any category of ordinary insurance issued on female risks adjusted premiums and present values may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 3 years younger than the actual age of the insured. Such calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table.

All calculations shall be made on the basis of the applicable rates of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, not exceeding 4% per annum in the case of policies of insurance issued on or after Janu-
ary 1, 1973, and not exceeding 3½% per annum in the case of all other policies of insurance. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than the rates shown in the Commissioners 1958 Extended Term Insurance Table if the adjusted premiums for the policy are calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, may be not more than 130% of the rates shown in the Approved Standard Ordinary Mortality Table if the adjusted premiums for the policy are calculated on the basis of said table, and may be not more than the rates shown in the Commissioners 1961 Industrial Extended Term Insurance Table if the adjusted premiums for the policy are calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the commissioner.

h. The adjusted stipulated payments for any annuity or pure endowment contract referred to in subsection b. shall be calculated on an annual basis and shall be such uniform percentage of the respective stipulated payments specified in the contract for each contract year that the present value, at the date of issue of the contract, of all such adjusted stipulated payments shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the contract; (2) 20% of the adjusted stipulated payment for the first contract year; and (3) 2% of the adjusted stipulated payment for the first contract year for each year not exceeding 20 during which stipulated payments are payable.

All adjusted stipulated payments and present values referred to in this section shall for annuity and pure endowment contracts be calculated on the basis of (1) the applicable rates of interest, not exceeding 3½% per annum, specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits; and (2) the 1937 Standard Annuity Mortality Table, or the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner or any other table approved by the commissioner; provided that, in the case of annuity or pure endowment contracts issued after the operative date for the insurer of paragraph (ix) of subsection a. of the
standard valuation law, section 17B:19-8, the 3\(\frac{1}{2}\)% maximum interest rate specified in item (1) of this paragraph shall be increased to 4%, and, if the applicable rates of interest specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits exceed 3\(\frac{1}{2}\)%, there shall be substituted for the mortality tables specified in item (2) the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the commissioner or any other table approved by the commissioner.

i. Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy or contract in the event of default in the payment of a premium or stipulated payment due at any time other than on the policy or contract anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums or stipulated payments beyond the last preceding policy or contract anniversary. All values referred to in subsections c. to h. inclusive, may be calculated upon the assumption that any death benefit is payable at the end of the policy or contract year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the dividends used to provide such additions. Notwithstanding the provisions of subsections c. and e., additional benefits payable (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply, (5) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child’s age is 26, is uniform in amount after the child’s age is one, and has not become paid-up by reason of the death of a parent of the child, and (6) as other policy benefits additional to life insurance, endowment, and annuity benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits. Notwithstanding the provisions of subsections c. and e., additional benefits providing the privilege to purchase additional insurance or annuity benefits at some future time without furnishing evidence of insurability, and premiums or stipulated payments therefor, may, with the consent of the com-
missioner, be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

j. This section shall not apply to any reinsurance contract, group insurance policy, group annuity contract, variable annuity contract, single premium pure endowment or single stipulated payment annuity contract or reversionary annuity contract, nor to any term policy of uniform amount, or renewal thereof, of 15 years or less expiring before age 66, for which uniform premiums are payable during the entire term of the policy, nor to any term policy of decreasing amount on which each adjusted premium, calculated as specified in subsection g. is less than the adjusted premium so calculated, on such 15-year term policy issued at the same age and for the same initial amount of insurance, nor to any policy or contract which shall be delivered outside this State through an agent or other representative of the insurer issuing the policy or contract.

4. This act shall take effect immediately.

Approved December 18, 1973.

CHAPTER 32, LAWS OF 1973  883

CHAPTER 328

An Act concerning interest and usury and amending R. S. 31:1-1
and supplementing Title 17 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State
of New Jersey:

1. R. S. 31:1-1 is amended to read as follows:

Contract rate; computation of interest or discount; determination of rates.

31:1-1. (a) Except as otherwise provided by law, no person shall,
on contract, take, directly or indirectly for loan of any money,
wares, merchandise, goods and chattels, above the value of $6.00
for the forbearance of $100.00 for a year; except that the Com­
misssioner of Banking, with the advice of a special advisory board
constituted as hereinafter provided, may by regulation adopted,
amended and rescinded from time to time, provide that the value
which may be taken for any such loan shall be a value more than
$6.00 but not more than $9.50 for the forbearance of $100.00 for a
year, as shall be prescribed in such regulation, and after that rate
for a greater or less sum or for longer or shorter time. The special
advisory board herein provided for shall consist of the members of
the Banking Advisory Board as constituted pursuant to Article 43
of the Banking Act of 1948, P. L. 1948, c. 67, plus two additional
persons appointed by the Governor with the advice and consent
of the Senate, one of whom shall be an officer of an association as
de ned in section 5 (3) of the Savings and Loan Act (1963), P. L.
1963, c. 144, and the other of whom shall be an officer of a life in­

surance company incorporated under the laws of this State. The
two additional persons so appointed shall hold office for a term of
1 year. When, however, pursuant to any such contract, interest
or discount is taken or reserved for a period of less than 1 year,
or when interest is required to be paid at intervals of less than
1 year, such interest or discount may be computed on a daily
basis, or on a monthly basis, or on a combination of both such
bases when the period for which interest or discount is taken or
reserved contains 1 or more months and 1 or more days; and, in
any such case, a day shall be deemed to be a 1/360 part of a year,
and a month shall be deemed to be a 1/12 part of a year, regardless
of the number of days contained in such month. Any computation
of interest or discount made on any such basis shall constitute a
compliance with this section, and any such basis may be applied
regardless whether the principal debt is payable in more than or less than 1 year from the time of making the loan.

(b) In making, amending and rescinding regulations pursuant to subsection (a) of this section, the Commissioner of Banking and the special advisory board shall consider, the general state of the economy, the discount rates prescribed by the Federal Reserve Bank of New York and the Federal Reserve Bank of Philadelphia, the advance rate as prescribed by the Federal Home Loan Bank of New York, the availability of funds for loans, studies and statistics published by the Federal Home Loan Bank Board and other agencies of the United States and of this State, and such other factors and bases for determination as the commissioner and the board may deem pertinent. The rate established by any such regulation shall reasonably reflect prevailing market conditions, regionally and nationally, based upon the studies, statistics and factors considered, and shall remain in force until such time as such regulation is rescinded or such rate is increased or decreased by a subsequent regulation. Any such regulation shall have prospective effect only, and any rate established in excess of 8% shall apply only to loans secured by real estate on which there is erected or to be erected a one, two, or three family dwelling occupied or to be occupied by the borrower. Notwithstanding the provisions of paragraph (a) of this section, contracts for the following classes or types of loans may provide for any rate of interest which the parties agree upon, and interest at any such rate may be taken, notwithstanding that it exceeds a rate limited by paragraph (a) of this section:

(1) loans in the amount of $50,000.00 or more, except loans where the security given is a mortgage on real property consisting of a lot of land upon which there is constructed or in the course of construction a dwelling house of three family units or less. The rate of interest stated in such contract upon the origination of such loans may be taken notwithstanding that payments thereon reduce the amount outstanding to less than $50,000.00;

(2) loans or advances of credit made by savings and loan associations, banking institutions, or any Department of Housing and Urban Affairs or Federal Housing Administration approved mortgagees for which an offer or commitment to purchase has been received and which are subsequently purchased, in whole or in part, by the Federal Housing Administration, Veterans Administration, Farmers Home Administration, Federal National Mortgage Association, Government National Mortgage Association, Federal
Home Loan Mortgage Corporation, and any successor thereof or by any State or Federal governmental or quasi-governmental organizations.

Any provision in a mortgage commitment contracted prior to the effective date of this act providing for an increase in interest rates to be charged based on the highest lawful interest rate shall be null and void.

C. 17:9A-65.1 Authority to collect only interest during first 5 years of mortgage loan.

2. Notwithstanding any other law or regulation to the contrary, with respect to the provisions of section 147 of P. L. 1963, c. 144 (C. 17:12B-147) and section 65 of P. L. 1948, c. 67 (C. 17:9A-65), any banking institution or savings and loan association may, at the option of such banking institution or savings and loan association, collect only interest as required periodic payments during the first 5 years of a mortgage loan.

3. This act shall take effect immediately.

Approved December 20, 1973.

(iv) a clear and understandable description of the health maintenance organization's method for resolving enrollee complaints;

(v) the total amount of payment for health care services and the indemnity or service benefits, if any, which the enrollee is obligated to pay with respect to individual contracts, or an indication whether the plan is contributory or non-contributory with respect to group certificates.

(4) Any subsequent change may be evidenced in a separate document issued to the enrollee.

b. (1) no schedule of charges for enrollee coverage for health care services, or amendment thereto, may be used by a health maintenance organization until a copy of such schedule, or amendment thereto, has been filed with and approved by the commissioner. The Commissioner of Insurance shall certify to the commissioner whether the schedule of charges meets the requirements of paragraph (2) of this subsection.

(2) such charges may be established in accordance with actuarial principles for various categories of enrollees, provided that charges
applicable to an enrollee shall not be individually determined based on the status of his health. However, the charges shall not be excessive, inadequate, or unfairly discriminatory. A certification, by a qualified actuary, to the appropriateness of the charges, based on reasonable assumptions, shall accompany the filing along with adequate supporting information.

c. The commissioner or, where applicable, the Commissioner of Insurance shall approve any form if the requirements of subsection a. of this section are met and any schedule of charges if the requirements of subsection b. of this section are met. It shall be unlawful to issue such form or to use such schedule of charges until approved. If the commissioner or Commissioner of Insurance, where applicable, disapproves such filing, he shall notify the filer. In the notice, the commissioner or Commissioner of Insurance, where applicable, shall specify the reasons for his disapproval. A hearing will be granted within 20 days after a request in writing by the person filing. If the commissioner or Commissioner of Insurance, where applicable, does not approve any form within 30 days of the filing of such forms or charges, they shall be deemed approved.

d. The commissioner or Commissioner of Insurance, where applicable, may require the submission of whatever relevant information he deems necessary in determining whether to approve or disapprove a filing made pursuant to this section.

C. 26:2J-9 Annual report.

9. Annual report. a. Every health maintenance organization shall annually, on or before March 1, file a report verified by at least two principal officers with the commissioner, with a copy to the Commissioner of Insurance covering the preceding calendar year.

b. Such report shall be on forms prescribed by the commissioner and shall include:

(1) a financial statement of the organization, including its balance sheet and receipts and disbursements for the preceding year certified by an independent public accountant;

(2) any material changes in the information submitted pursuant to section 3 c. hereof;

(3) the number of persons enrolled during the year, the number of enrollees as of the end of the year and the number of enrollments terminated during the year;
CHAPTER 337, LAWS OF 1973

(4) a summary of information compiled pursuant to section 4 a.
(2) (c) hereof in such form as required by the commissioner; and
(5) such other information relating to the performance of the health maintenance organization as is necessary to enable the commissioner to carry out his duties under this act.

C. 26:2J-10 Information to enrollees.

10. Information to enrollees. a. Every health maintenance organization shall annually provide to its enrollees:

(1) a summary of any material changes since the issuance of the last report;
(2) a description of the available health care services and information as to where and how to secure them; and
(3) a clear and understandable description of the health maintenance organization's method for resolving enrollee complaints.

b. Every health maintenance organization shall make available to its enrollees the most recent annual statement of financial condition.

C. 26:2J-11 Annual open enrollment period.

11. a. After a health maintenance organization has been in operation 24 months, it shall have an annual open enrollment period of at least one month during which it accepts enrollees up to the limits of its capacity, as determined by the health maintenance organization, in the order in which they apply for enrollment. A health maintenance organization may apply to the commissioner for authorization to impose such underwriting restrictions upon enrollment as are necessary to preserve its financial stability, to prevent excessive adverse selection by prospective enrollees, or to avoid unreasonably high or unmarketable charges for enrollee coverage for health care services. The commissioner shall approve or deny such application within 30 days of the receipt thereof from the health maintenance organization. The Commissioner of Insurance shall certify to the commissioner the appropriateness of any requested underwriting restrictions.

b. Health maintenance organizations providing or arranging for services exclusively on a group contract basis may limit the open enrollment provided for in subsection a. to all members of the group or groups covered by such contracts.

C. 26:2J-12 Complaint system.

12. Complaint system. a. (1) Every health maintenance organi-
zation shall establish and maintain a complaint system to provide reasonable procedures for the resolution of written complaints initiated by enrollees concerning health care services.

(2) Each health maintenance organization shall submit to the commissioner an annual report in a form prescribed by him which shall include:

(a) a description of the procedures of such complaint system;
(b) the total number of written complaints handled through such complaint system and a compilation of causes underlying the complaints filed; and
(c) the number, amount, and disposition of malpractice claims settled during the year by the health maintenance organization and any of the providers used by it.

b. The health maintenance organization shall maintain records of written complaints filed with it concerning other than health care services and shall submit to the commissioner a summary report at such times and in such format as the commissioner may require.

c. The commissioner may examine such complaint system.

C. 26:2J-13 Investments.

13. Investments. With the exception of investments made in accordance with section 5 a. (1) and (3) hereof, the investable funds of a health maintenance organization shall be only in securities or other investments permitted by the laws of this State for the investment of assets constituting the legal reserves of life insurance companies or such other securities or investments as the commissioner may permit with the approval of the Commissioner of Insurance.

C. 26:2J-14 Protection against insolvency.

14. Protection against insolvency. Each health maintenance organization shall deposit cash or a form of guaranty or security in such amount as will assure that the obligations to the enrollees will be performed in such amount and for such time as prescribed by the commissioner, or where applicable by the Commissioner of Insurance. The commissioner may waive this requirement whenever satisfied that the assets of the organization or its contracts with insurers, hospital or medical service corporation governments, or other organizations are sufficient to reasonably assure the performance of its obligations.

C. 26:2J-15 Prohibited practices.

15. Prohibited practices. a. No health maintenance organization,
or representative thereof, may cause or knowingly permit the use of advertising which is untrue or misleading, solicitation which is untrue or misleading, or any form of evidence of coverage which is deceptive. For purpose of this act:

(1) a statement or item of information shall be deemed to be untrue if it does not conform to fact in any respect which is or may be significant to an enrollee of, or person considering enrollment in, a health care plan;

(2) a statement or item of information shall be deemed to be misleading, whether or not it may be literally untrue, if, in the total context in which such statement is made or such item of information is communicated, such statement or item of information may be reasonably understood by a reasonable person, not possessing special knowledge regarding health care coverage, as indicating any benefit or advantage or the absence of any exclusion, limitation, or disadvantage of possible significance to an enrollee of, or person considering enrollment in, a health care plan, if such benefit or advantage or absence of limitation, exclusion or disadvantage does not in fact exist;

(3) an evidence of coverage shall be deemed to be deceptive if the evidence of coverage taken as a whole, and with consideration given to typography and format, as well as language, shall be such as to cause a reasonable person, not possessing special knowledge regarding health care plans and evidences of coverage therefore, to expect benefits, services, charges, or other advantages which the evidence of coverage does not provide or which the health care plan issuing such evidence of coverage does not regularly make available for enrollees covered under such evidence of coverage.

b. The unfair trade practice provisions of the New Jersey insurance law (N. J. S. 17B:30-1 through 22) shall be construed to apply to health maintenance organizations, health care plans and evidences of coverage except to the extent that the commissioner determines that the nature of health maintenance organizations, health care plans and evidence of coverage render such sections clearly inappropriate.

c. An enrollee may not be canceled or nonrenewed except for the failure to pay the charge for such coverage, or for such other reasons as may be promulgated by the commissioner.

d. No health maintenance organization, unless licensed as an insurer, may use in its name, evidence of coverage, or literature any of the words “insurance,” “assurance,” “casualty,” “surety,”
"mutual," or any other words descriptive of the insurance, casualty, or surety business or deceptively similar to the name or description of any insurance, or surety corporation doing business in this State.

The provisions of this section shall be enforced by the State Director of the Division of Consumer Affairs and, where applicable, the commissioner or the Commissioner of Insurance. Nothing in this act shall limit the powers of the Attorney General and the procedures with respect to consumer fraud in N. J. S. 56:8-1 et seq.

C. 26:23-16 Regulation of agents.

16. Regulation of agents. The commissioner may, after notice and hearing, promulgate such reasonable rules and regulations, which have been approved by the Commissioner of Insurance, as are necessary to provide for the certification of agents. An agent as used herein means a person directly or indirectly associated with a health maintenance organization who engages in solicitation or enrollment for compensation.

C. 26:23-17 Powers of insurers and hospital and medical service corporations.

17. Powers of insurers and hospital and medical service corporations. a. An insurance company licensed in this State, or a hospital or medical service corporation authorized to do business in this State, may either directly or through a subsidiary or affiliate organize and operate a health maintenance organization under the provisions of this act. Notwithstanding any other law which may be inconsistent herewith, any two or more such insurance companies, hospital or medical service corporations, or subsidiaries or affiliates thereof, may jointly organize and operate a health maintenance organization.

b. Notwithstanding any provision of Title 17 of the Revised Statutes and Title 17B of the New Jersey Statutes, an insurer or a hospital or medical service corporation may contract with a health maintenance organization to provide insurance or protection against the cost of care furnished through health maintenance organizations and to provide coverage in the event of the failure of health maintenance organization to meet its obligations. The enrollees of a health maintenance organization constitute a permissible group under such laws. Among other things, under such contracts, the insurer or hospital or medical service corporation may make benefit payments to health maintenance organizations for health care services rendered by providers.
CHAPTER 337, LAWS OF 1973

C. 26:2J-18  Examinations.
   18. Examinations. a. Not less frequently than once every 3 years the commissioner may make an examination concerning the quality of health care services and other affairs of the health maintenance organization and providers with whom such organization has contracts, agreements, or other arrangements. The commissioner may make such examination at any time.

   b. Every health maintenance organization and provider shall submit its books and records to such examinations. For the purpose of examinations, the commissioner may administer oaths to, and examine the officers and agents of the health maintenance organization and the principals of such providers concerning their business.

   c. The expenses of examinations under this section up to $1,000.00 annually shall be assessed against the organization being examined and such amount shall be remitted to the commissioner.

   d. In lieu of such examination, the commissioner may accept the report of an examination made by the Commissioner of Health or Commissioner of Insurance of another state.

C. 26:2J-19  Suspension or revocation of certificate of authority.
   19. Suspension or revocation of certificate of authority. a. The commissioner may suspend or revoke any certificate of authority issued to a health maintenance organization under this act if he finds that any of the following conditions exist:

      (1) The health maintenance organization is operating in a manner significantly contrary to that described in section 3, hereof unless amendments to such submissions have been filed with the commissioner;

      (2) The health maintenance organization issues evidence of coverage which does not comply with the requirements of section 8 hereof;

      (3) the health maintenance organization does not provide or arrange for basic health care services;

      (4) the commissioner finds that:

          (a) the health maintenance organization does not meet the requirements of section 4 a. (2), hereof; or

          (b) the health maintenance organization is unable to fulfill its obligations to furnish health care services.

      (5) the health maintenance organization is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to enrollees or prospective enrollees;
(6) the health maintenance organization has failed to implement a mechanism affording the enrollees an opportunity to participate in matters of policy and operation under section 6, hereof;

(7) the health maintenance organization has failed to implement the complaint system required by section 12 hereof in a manner to reasonably resolve valid complaints;

(8) the continued operation of the health maintenance organization would be hazardous to the health and safety of its enrollees;

(9) the health maintenance organization has otherwise failed to substantially comply with this act; or

(10) the health maintenance organization, or any person on its behalf, has advertised or merchandised its services in an untrue, misrepresentative, misleading, deceptive or unfair manner.

b. A certificate of authority shall be suspended or revoked only after compliance with the requirements of section 21, hereof.

c. When the certificate of authority of a health maintenance organization is suspended, the health maintenance organization shall not, during the period of such suspension, enroll any additional enrollees except newborn children or other newly acquired dependents of existing enrollees, and shall not engage in any advertising or solicitation whatsoever.

d. When the certificate of authority of a health maintenance organization is revoked, such organization shall proceed, immediately following the effective date of the order of revocation, to dissolve its structure, and shall conduct no further business except as may be essential to the orderly conclusion of the affairs of such organization. It shall engage in no further advertising or solicitation whatsoever. The commissioner or where applicable the Commissioner of Insurance may, by written order, permit such further operation of the organization as he may find to be in the best interest of enrollees, to the end that enrollees will be afforded the greatest practical opportunity to obtain continuing health care coverage.

C. 26:2J-20 Rehabilitation, liquidation, or conservation of health maintenance organization.

20. Rehabilitation, liquidation, or conservation of health maintenance organization. Any rehabilitation, liquidation or conservation of a health maintenance organization shall be subject to the law concerning the rehabilitation, liquidation, or conservation of an insurance company as stated in chapter 32 of Title 17B of the New Jersey Statutes and shall be conducted under the supervision
of the commissioner or where applicable the Commissioner of Insurance. The commissioner or where applicable the Commissioner of Insurance may apply for an order directing him to rehabilitate, liquidate, or conserve a health maintenance organization upon any one or more applicable grounds as stated in chapter 32 of Title 17B of the New Jersey Statutes and other provisions of said Title when in his opinion the company fails to satisfy the requirements for the issuance of a certificate of authority relating to solvency under section 4 b. (3) hereof or when in his opinion the continued operation of the health maintenance organization would be hazardous either to the enrollees or to the people of this State.

C. 26:2J-21 Regulation.
21. Regulation. The commissioner may, upon notice and hearing, promulgate reasonable rules and regulations, as are necessary or proper to carry out the provisions of this act. Where applicable, such rules and regulations shall be promulgated after consultation with the Commissioner of Insurance. Such rules and regulations shall specify those determinations in this act which are to be made by the Commissioner of Insurance and shall be subject to review in accordance with the Administrative Procedure Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.).

C. 26:2J-22 Administrative procedures.
22. Administrative procedures. a. When the commissioner has cause to believe that grounds for the denial of an application for a certificate of authority exist, or that grounds for the suspension or revocation of a certificate of authority exist, he shall notify the health maintenance organization and the Commissioner of Insurance in writing specifically stating the grounds for denial, suspension, or revocation and fixing a time of at least 20 days thereafter for a hearing on the matter.

b. The Commissioner of Insurance, or his designated representative, shall be in attendance at the hearing and shall participate in the proceedings. The recommendation and findings of the Commissioner of Insurance with respect to matters relating to the doing of an insurance business or contract with an insurer or hospital or medical services corporation, provided in connection with any decision regarding denial, suspension, or revocation of a certificate of authority, shall be conclusive and binding upon the commissioner. After such hearing, or upon the failure of the health maintenance organization to appear at such hearing, the commissioner shall take action as is deemed advisable on written findings which shall be
mailed to the health maintenance organization with a copy thereof to the Commissioner of Insurance. The action of the commissioner and the recommendation and findings of the Commissioner of Insurance and the levy of any administrative penalty shall be subject to judicial review in accordance with chapter 34 of Title 17B of the New Jersey Statutes.

c. The provisions of the Administrative Procedure Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.) of this State shall apply to proceedings under this section to the extent they are not in conflict with subsections a. and b. of this section.

C. 26:2J-23 Fees.

23. Fees. Every health maintenance organization subject to this act shall pay to the commissioner the following fees:

a. for filing an application for a certificate of authority or amendment thereto, $100.00;

b. for filing each annual report, $10.00.

C. 26:2J-24 Penalties and Enforcement.

24. Penalties and Enforcement. a. The commissioner may, in lieu of suspension or revocation of a certificate of authority under section 18 hereof, levy an administrative penalty in an amount not less than $100.00 nor more than $1,000.00, if reasonable notice in writing is given of the intent to levy the penalty and the health maintenance organization has a reasonable time within which to remedy the defect in its operations which gave rise to the penalty citation, and fails to do so within said time. Any such penalty may be recovered in a summary proceeding pursuant to the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.).

b. Any person who violates this act is a disorderly person and shall be prosecuted and punished pursuant to the "disorderly persons law" subtitle 12 of Title 2A of the New Jersey Statutes.

c. (1) If the commissioner or the Commissioner of Insurance shall for any reason have cause to believe that any violation of this act has occurred or is threatened, the commissioner or Commissioner of Insurance may give notice to the health maintenance organization and to the representatives, or other persons who appear to be involved in such suspected violation, to arrange a conference with the alleged violators or their authorized representatives for the purpose of attempting to ascertain the facts relating to such suspected violation, and, in the event it appears that any violation has occurred or is threatened, to arrive at an
adequate and effective means of correcting or preventing such violation.

(2) Proceedings under this subsection c. shall not be governed by any formal procedural requirements, and may be conducted in such manner as the commissioner or the Commissioner of Insurance may deem appropriate under the circumstances.

d. (1) The commissioner or the Commissioner of Insurance may issue an order directing a health maintenance organization or a representative of a health maintenance organization to cease and desist from engaging in any act or practice in violation of the provisions of this act.

(2) Within 20 days after service of the order of cease and desist, the respondent may request a hearing on the question of whether acts or practices in violation of this act have occurred. Such hearings shall be conducted pursuant to the Administrative Procedure Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.) and judicial review shall be available as provided therein.

e. In the case of any violation of the provisions of this act, if the commissioner elects not to issue a cease and desist order, or in the event of noncompliance with a cease and desist order issued pursuant to subsection d. of this section, the commissioner may institute a proceeding to obtain injunctive relief, in accordance with the applicable Court Rules.

C. 26:21-25 Statutory construction and relationship to other laws.

25. Statutory construction and relationship to other laws.
a. Except as otherwise provided in this act, provisions of the insurance law and provisions of hospital or medical service corporation laws shall not be applicable to any health maintenance organization granted a certificate of authority under this act. This provision shall not apply to an insurer or hospital or medical service corporation licensed and regulated pursuant to the insurance laws or the hospital or medical service corporation laws of this State except with respect to its health maintenance organization activities authorized and regulated pursuant to this act. Charges paid by or on behalf of enrollees of a health maintenance organization with respect to health care services shall not be subject to taxation by the State or any of its political subdivisions.

b. Solicitation of enrollees by a health maintenance organization granted a certificate of authority, or its representatives, shall not be construed to violate any provision of law relating to solicitation or advertising by health professionals.
c. Any health maintenance organization authorized under this act shall not be deemed to be practicing medicine and shall be exempt from the provision of chapter 9 of Title 45, Medicine and Surgery, of the Revised Statutes relating to the practice of medicine.

d. No person participating in the arrangements of a health maintenance organization other than the actual provider of health care services or supplies directly to enrollees and their families shall be liable for negligence, misfeasance, nonfeasance or malpractice in connection with the furnishings of such services and supplies.

C. 26:2J-26 Filings and reports as public documents.

26. Filings and reports as public documents. All applications, filings and reports required under this act shall be treated as public documents and, except for contracts referred to in section 3 c. (4) and 3 c. (5), hereof shall not be considered to be confidential.

C. 26:2J-27 Confidentiality of medical information.

27. Confidentiality of medical information. Any data or information pertaining to the diagnosis, treatment, or health of any enrollee or applicant obtained from such enrollee or from any provider by any health maintenance organization shall be held in confidence and shall not be disclosed to any person except to the extent that it may be necessary to carry out the purposes of this act; or upon the express consent of the enrollee or applicant; or pursuant to statute or court order for the production of evidence or the discovery thereof; or in the event of claim or litigation between such enrollee and the health maintenance organization wherein such data or information is pertinent. A health maintenance organization shall be entitled to claim any statutory privileges against such disclosure which the provider who furnished such information to the health organization is entitled to claim.

C. 26:2J-28 Commissioner of health’s authority to contract.

28. Commissioner of health’s authority to contract. The commissioner or where applicable the Commissioner of Insurance, in carrying out his obligations under sections 4 a. (2), and 18 a. hereof, may contract with qualified persons to make recommendations concerning the determinations required to be made by him. Such recommendations may be accepted in full or in part by the commissioner or Commissioner of Insurance.

C. 26:2J-29 Enrollment of State employees.

29. Enrollment of State employees. Any employee of the State
or any subdivision of the State or any institution supported in whole or in part by the State may elect to enroll in a health maintenance organization and have all deductions from his salary or wages and all contributions being paid by his employer to any health insurer paid instead to a health maintenance organization; provided, however, in no event, shall an employer under this section make a contribution to any alternative health benefits program greater than the contribution being made to any health plan pursuant to a contract in existence on the effective date of this act. Any such employee shall at least annually be allowed to choose an alternative health benefits program made available through his employer.

C. 26:2J-30 Severability.

30. Severability. If any section, term, or provision of this act shall be adjudged invalid for any reason, such judgment shall not affect, impair, or invalidate any other section, term, or provision of this act, but the remaining sections, terms, and provisions shall be and remain in full force and effect.

31. There is hereby appropriated to the Department of Health from the General State Fund the sum of $30,000.00 or so much therefor as may be necessary, for the purposes of carrying out the functions and duties pursuant to this act.

32. This act shall take effect immediately.

CHAPTER 340, LAWS OF 1973

CHAPTER 340

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 17B:27-50 is amended to read as follows:

Reimbursement for service of physician or practicing psychologist.

17B:27-50. a. Notwithstanding any provision of a policy or contract of group health insurance, hereafter delivered or issued for delivery in this State, whenever such a policy or contract provides for reimbursement for any service which is within the lawful scope of practice of a duly licensed practicing psychologist, a person covered under such group health policy or contract shall be entitled to reimbursement for such service whether the said service is performed by a physician or duly licensed practicing psychologist.

b. The foregoing provision shall be liberally construed in favor of reimbursement and no claim for reimbursement shall be denied by reason of:

(1) The fact that physical delivery of a policy or contract of group health insurance or any package of insurance of which group health insurance is a part, or of a contract, certificate or other evidence of insurance coverage drawn thereunder, was made outside of this State, provided, the member of the group covered is, at the time of delivery or at any time thereafter to the time of reimbursement, either (a) a resident of this State, or (b) a nonresident employed in this State and the said policy or contract is related to or arose out of such employment; or

(2) The inclusion in such policy or contract of a description or designation of the person rendering the services for which reimbursement is sought as a "physician" or "psychiatrist," or other professional designation; or

(3) The fact that the psychiatric or psychological services rendered by a licensed psychologist for which reimbursement is sought are such as might also be lawfully rendered by a physician or psychiatrist as medical care, services or treatment under the laws of this State.

c. Any person insured under any policy or contract of group
health insurance or blanket insurance, whether written separately or as part of a package policy, which policy or contract is issued, delivered, amended, renewed, or ratified on or after 3 months from the effective date of this act, and, in any event, any person insured under any policy or contract of group health insurance or blanket insurance, written separately or as part of a package policy, which is in effect on or after July 1, 1974, shall be entitled to reimbursement for any service rendered by a practicing psychologist, provided, reimbursement is authorized in such policy or contract for services of the same or similar nature and scope, and further provided, the services for which reimbursement is claimed are within the lawful scope of practice of a practicing psychologist, whether the service is performed by a physician or a psychiatrist or duly licensed practicing psychologist at any time while the policy is in effect; and further provided (1) such person is a resident of this State, or, (2) the policy or contract is related to or arises out of employment and the member of the group seeking reimbursement is engaged in such employment in this State, or (3) the policy or contract, or certificate of insurance thereunder, or amendment, renewal, or notification thereof, is either issued or delivered in this State.

C. 17B:27-50.1 Partial invalidity.
2. If any section, subsection, paragraph, sentence, clause, phrase or word contained in this act shall be declared invalid for any reason whatsoever, such invalidity shall not effect the remaining portions of this act which shall remain in full force and effect, and, to this end, the provisions of this act are hereby declared to be severable.

3. This act shall take effect immediately.

1. Notwithstanding any other provision of the act to which this act is a supplement, benefits shall not be denied to any eligible individual for eligible services when such services are performed or rendered such persons by a licensed psychologist within the scope of his practice. 2. This act shall take effect immediately.

CHAPTER 342

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 17B:26-2 is amended to read as follows:

Form of policy; requirements.

a. No such policy of insurance shall be delivered or issued for delivery to any person in this State unless:

(1) the entire money and other considerations therefor are expressed therein; and

(2) the time at which the insurance takes effect and terminates is expressed therein; and

(3) it purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policyholder, any two or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed 19 years and any other person dependent upon the policyholder; and

(4) the style, arrangement and overall appearance of the policy
give no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers is plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than 10-point with a lower-case unspaced alphabet length not less than 120-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in sections 17B:26-3 to 17B:26-31 inclusive, are printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such "exceptions," or "exceptions and reductions," provided that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

(7) it contains no provision purporting to make any portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the commissioner.

b. A policy under which coverage of a dependent of the policyholder terminates at a specified age shall, with respect to an unmarried child covered by the policy prior to the attainment of age 19, who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapable prior to attainment of age 19 and who is chiefly dependent upon such policyholder for support and maintenance, not so terminate while the policy remains in force and the dependent remains in such condition, if the policyholder has within 31 days of such dependent's attainment of the limiting age submitted proof of such dependent's incapacity as described herein. The foregoing provisions of this paragraph shall not require an insurer to insure a dependent who is a mentally retarded or physically handicapped child where the policy is underwritten on evidence of insurability based on health factors set forth in the application or where such
dependent does not satisfy the conditions of the policy as to any requirement for evidence of insurability or other provisions of the policy, satisfaction of which is required for coverage thereunder to take effect. In any such case the terms of the policy shall apply with regard to the coverage or exclusion from coverage of such dependent.

c. Notwithstanding any provision of a policy of health insurance, hereafter delivered or issued for delivery in this State, whenever such policy provides for reimbursement for any optometric service which is within the lawful scope of practice of a duly licensed optometrist, the insured under such policy shall be entitled to reimbursement for such service, whether the said service is performed by a physician or duly licensed optometrist.

d. If any policy is issued by an insurer domiciled in this State for delivery to a person residing in another State, and if the official having responsibility for the administration of the insurance laws of such other State shall have advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the standards set forth in subsection a. of this section and in sections 17B:26-3 to 17B:26-31 inclusive.

e. Notwithstanding any provision of a policy of health insurance, hereafter delivered or issued for delivery in this State, whenever such policy provides for reimbursement for any psychological service which is within the lawful scope of practice of a duly licensed psychologist, the insured under such policy shall be entitled to reimbursement for such service, whether the said service is performed by a physician or duly licensed psychologist.

2. This act shall take effect immediately.

The member employees may cast written ballots by proxy. The two county member employees shall hold office until their successors are elected at a meeting of the employees held on the third Wednesday of the following December. Thereafter two county member employees shall be elected as members of the pension commission, in the same manner, on the third Wednesday of December every second year, for a term of 2 years commencing January 1 following their election. The fifth member of the commission shall be a citizen of the county who is not a public officerholder in the county or any municipality therein, and shall be selected by the other four members of the commission. He shall hold office for the term of 1 year. In case of vacancy for any cause, the commission may fill it until the next election.
The commission shall hold its annual meeting between January 1 and 15 in each year and elect its president, a secretary whose compensation the commission may fix and pay out of the fund, and such other officers as it deems advisable.

The pension commission shall recommend and the board of freeholders shall appoint independent investment counsel to service the investment needs of the fund.

C. 43:10-5.1 Retirement for disability not arising out of employment.

9. Subject to the other provisions of this amendatory and supplementary act and of article 1 of chapter 10 of Title 43 of the Revised Statutes, any county employee who shall have served or who shall hereafter have served in the employ of such county continuously or in the aggregate for a period of 10 years and shall become permanently and totally disabled as the result of injury
or illness not arising out of and in the course of his employment shall, upon his application, be retired on pension equal to $2\frac{1}{2}$% of his salary for each year of service, and for each additional year of service more than 10 years the amount of said pension shall be increased to the extent of $2\frac{1}{2}$% of said salary, not exceeding in any event 50% of said salary. Upon and after the death of such employee while on such pension the said pension shall be paid to the surviving widow, so long as she remains unmarried, surviving widower, so long as he remains unmarried, or minor children up to 18 years of age, as the case may be.

The pension commission shall determine as provided in section 10 of this amendatory and supplementary act whether or not such employee has become permanently and totally disabled.

C. 43:10-5.2 Retirement for disability arising out of employment.

10. Subject to the other provisions of this amendatory and supplementary act and article 1 of chapter 10 of Title 43 of the Revised Statutes, any county employee who shall become permanently and totally disabled as a result of injury, accident or sickness arising out of and in the course of his employment shall, upon his application and approval thereof by the pension commission be retired on half pay. Upon and after the death of such employee or upon and after the death of any employee who dies as a result of any disability injury or disease arising out of and in the course of his employment, a pension of $\frac{1}{2}$ the salary of such employee shall be paid to the surviving widow, so long as she remains unmarried, surviving widower, so long as he remains unmarried, or minor children up to 18 years of age, as the case may be.

The pension commission shall have power to determine whether or not any employee is permanently and totally disabled and whether or not a disability, or death of an employee is the result of an injury, accident or sickness arising out of and in the course of the employee’s employment. Before approval of an application the physician or physicians designated by the commission shall make a medical examination of the member at his residence or at any other place mutually agreed upon and shall certify to the board that he is physically or mentally incapacitated for the performance of duty, and should be retired. The claimant shall have the right to present physicians, witnesses or other testimony in his behalf before the commission. The president or any other member of the pension commission may administer oaths to any physicians or other persons called before the commission regarding the em-
employee's disability or death. The commission shall decide, by resolu-
tion, whether the applicant is entitled to the benefits of this act and of article 1 of chapter 10 of Title 43 of the Revised Statutes.

C. 43:10-5.3 Death benefit.

11. If any member of the pension fund who shall have paid into the fund the full amount of his or her assessments or contributions and been in the county services for a period of at least 1 year, dies, 2½% of the salary received by such person at such death shall be paid each year to the surviving spouse or minor children, as the case may be, and for each additional year of service more than 1 year, the amount of the pension shall be increased to the extent of 2½% of the salary, but not to exceed in any event 50% thereof.

If any member of the pension fund shall have vested his pension under the provisions of R. S. 43:10-2, the amount of the pension payable to the surviving spouse or children, as the case may be, shall be based on the amount of salary earned and years of service which the member had at the time of vesting.

C. 43:10-5.4 Medical examination.

12. Once each year the pension commission may, and upon his application, shall, require any member retired for disability who is under the age of 60 years to undergo medical examination by a physician or physicians designated by the commission. The examination shall be made at the residence of the beneficiary or any other place mutually agreed upon. If subsequent medical examination of such a beneficiary shows that his earnings have changed since the date of his last examination, then the amount of his pension may be further altered but the new pension shall not exceed the amount of the pension originally granted nor shall the new pension when added to the amount then being earned by the beneficiary exceed the salary or compensation then attributable to his former position.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 43:21-9 is amended to read as follows:

Unemployment compensation fund.

43:21-9. (a) Establishment and control. There is hereby established as a special fund, separate and apart from all public moneys or funds of this State, an unemployment compensation fund, which shall be administered by the division exclusively for the purpose of this chapter (R. S. 43:21-1 et seq.). This fund shall consist of (1) all contributions and payments in lieu of contributions collected under this chapter (R. S. 43:21-1 et seq.); (2) interest earned upon any moneys in the fund; (3) any property or securities acquired through the use of moneys belonging to the fund; (4) all earnings on such property or securities; (5) all moneys credited to this State’s account in the unemployment trust fund pursuant to section 903 of the Social Security Act (42 U. S. C. 1103), as amended; and (6) all moneys received for the fund from any other source. All moneys in this fund shall be mingled and undivided.

(b) Accounts and deposits. The Treasurer of the State of New Jersey shall be ex officio the treasurer and custodian of the fund
and shall administer such fund in accordance with the directions of the division and shall issue his warrants upon it in accordance with such regulations as the division shall prescribe. He shall maintain within the fund three separate accounts: (1) a clearing account, (2) an unemployment trust fund account, and (3) a benefit account. All moneys payable to the fund, upon receipt thereof by the division, shall be forwarded to the treasurer, who shall immediately deposit them in the clearing account. Refunds payable pursuant to subsection (f) of section 43:21-14 of this Title may be paid from the clearing account upon warrants issued by the treasurer under the direction of the division. After clearance thereof, all other moneys in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States of America to the credit of the account of this State in the unemployment trust fund, established and maintained pursuant to section 904 of the Social Security Act (42 U. S. C. 1104), as amended, any provisions of law in this State relating to the deposit, administration, release or disbursement of moneys in the possession or custody of this State to the contrary notwithstanding. The benefit account shall consist of all moneys requisitioned from this State’s account in the unemployment trust fund. Moneys in the clearing and benefit accounts may be deposited by the treasurer, under the direction of the division in any bank or public depository in which general funds of the State may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. The treasurer shall give a separate bond conditioned upon the faithful performance of his duties as custodian of the fund in an amount fixed by the division and in a form prescribed by law or approved by the Attorney General. Premiums for said bond shall be paid from the administration fund.

(c) Withdrawals from the unemployment trust fund.

(1) Benefit payments. Moneys requisitioned from this State’s account in the unemployment trust fund shall be used solely for the payment of benefits and in accordance with regulations prescribed by the division, except that money credited to this State’s account pursuant to section 903 of the Social Security Act (42 U. S. C. 1103), as amended, may be used for the payment of expenses for the administration of this chapter (R. S. 43:21-1 et seq.) as provided in paragraph (2) of this subsection. The division shall from time to time requisition from the unemployment trust fund such amounts, not exceeding the amounts standing to its account therein, as it deems necessary for the payment of benefits for a reasonable future
period. Upon receipt thereof the treasurer shall deposit such moneys in the benefit account, and the payment of benefits shall be made solely from such benefit account. Expenditures of such moneys in the benefit account and refunds from the clearing account shall not be subject to any provisions of law requiring specific appropriations or other formal release by State officers of money in their custody. All warrants for the payment of benefits shall be issued by and bear only the signature of the director or his duly authorized agent for that purpose. All warrants for the payment of refunds shall be issued by the treasurer and bear the signature of the treasurer and the countersignature of the director or his duly authorized agent for that purpose. Any balance of moneys requisitioned from the unemployment trust fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned shall either be deducted from estimates for, and may be utilized for the payment of, benefits during succeeding periods, or, in the discretion of the division, shall be redeposited with the Secretary of the Treasury of the United States of America, to the credit of this State's account in the unemployment trust fund, as provided in subsection (b) of this section.

(2) Administrative use. Moneys credited to the account of this State by the Secretary of the Treasury of the United States in the unemployment trust fund pursuant to section 903 of the Social Security Act (42 U. S. C. 1103), as amended, may be requisitioned and used for the payment of expenses for the administration of the Unemployment Compensation Law (R. S. 43:21-1 et seq.) pursuant to a specific appropriation by the Legislature, provided that the expenses are incurred and the moneys are requisitioned after the enactment of an appropriation law which

(A) specifies the purposes for which such moneys are appropriated and the amounts appropriated therefor;  
(B) limits the period within which such moneys may be obligated to a period ending not more than 2 years after the date of the enactment of the appropriation law; and  
(C) limits the moneys which may be obligated during a 12-month period beginning on July 1 and ending on the next June 30 to a sum which does not exceed the amount by which the aggregate of the moneys credited to the account of this State pursuant to section 903 of the Social Security Act (42 U. S. C. 1103), as amended, during the same 12-month period and the 24 preceding 12-month periods, exceeds the aggregate of
moneys obligated for the payment of expenses incurred for the administration of this chapter (R. S. 43:21–1 et seq.) and the moneys paid out for benefits which is charged against the moneys credited to the account of this State during such 25 12-month periods.

Moneys credited to this State's account in the unemployment trust fund under section 903 of the Social Security Act (42 U. S. C. 1103), as amended, which are obligated for the payment of expenses for the administration of this chapter (R. S. 43:21–1 et seq.) or paid out for benefits shall be charged against equivalent amounts which were first credited and which are not already so charged; except that no moneys obligated for the payment of expenses for the administration of this chapter (R. S. 43:21–1 et seq.) during a 12-month period specified herein may be charged against any amount credited during such a 12-month period earlier than the twenty-fourth preceding such period.

Money appropriated as provided herein for the payment of expenses of administration shall be requisitioned as needed for the payment of obligations incurred under such appropriation and upon requisition shall be deposited in the unemployment compensation administration fund from which such payments shall be made. Money so deposited shall, until expended, remain a part of the unemployment compensation fund. If such money will not be expended it shall be returned promptly to the Secretary of the Treasury of the United States for credit to this State's account in the unemployment trust fund. The division shall maintain a separate record of the credits, appropriation, obligation and expenditure of the money credited to the account of this State in the unemployment trust fund pursuant to section 903 of the Social Security Act (42 U.S. C. 1103), as amended.

(d) Management of funds upon discontinuance of unemployment trust fund. The provisions of subsections (a), (b) and (c) to the extent that they relate to the unemployment trust fund shall be operative only so long as such unemployment trust fund continues to exist and so long as the Secretary of the Treasury of the United States of America continues to maintain for this State a separate book account of all funds deposited therein by this State for benefit purposes, together with this State's proportionate share of the earnings of such unemployment trust fund, from which no other State is permitted to make withdrawals. If and when such unemployment trust fund ceases to exist, or such separate book account is no longer maintained, all moneys, properties, or securities therein,
belonging to the unemployment compensation fund of this State
shall be transferred to the treasurer of the unemployment compen­
sation fund, who shall hold, invest, transfer, sell, deposit and release
such moneys, properties or securities in a manner approved by the
division, in accordance with the provisions of this chapter; provided,
that such moneys shall be invested in the following readily market­
able classes of securities: Bonds or other interest-bearing obliga­
tions of the United States of America and of the State of New
Jersey; and provided, further, that such investment shall at all
times be so made that all the assets of the fund shall always be
readily convertible into cash when needed for the payment of bene­
fits. The treasurer shall dispose of securities or other properties
belonging to the unemployment compensation fund only under the
direction of the division.

2. This act shall take effect immediately.

(1) If a document relating to a domestic or foreign corporation is required or permitted to be filed in the office of the Secretary of State under this act:
(a) The document shall be in the English language, except that the corporate name need not be in the English language if written in English letters or Arabic or Roman numerals, and except that this requirement shall not apply to a certificate of good standing under paragraph 14A:2-4(2) (b), section 14A:2-5, or subsection 14A:13-4(2).

(b) The filing shall be accomplished by delivering the document to the office of the Secretary of State, together with the fees and any accompanying documents required by law. Thereupon, the Secretary of State shall endorse upon it the word "Filed" with his official title and the date of filing thereof, and shall file it in his office. If so requested at the time of the delivery of the document to his office, the Secretary of State shall include the time of filing in his endorsement thereon.

corporation or by any such persons on behalf of the corporation,
duly taken, given or made before the effective date of this act,

effective date of this act, and within 6 months thereafter.

(4) The Secretary of State shall record all documents, excepting
annual reports, which relate to or in any way affect corporations,
and which are required or permitted by law to be filed in his office.
The recording may be effected by typewritten copy, or by photo-

The instrument so corrected shall be deemed to have been effective
in its corrected form as of its original filing date except as to
persons who relied upon the inaccurate portion of the certificate
and who are adversely affected by the correction; the correction
shall be effective as to such persons as of the effective date of filing
of the certificate of correction.

2. N. J. S. 14A:2-2 is amended to read as follows:

14A:2-2 Corporate name of domestic or foreign corporations.
(1) The corporate name of a domestic corporation or of a for-
eign corporation authorized to transact business in this State

(a) shall not contain any word or phrase, or abbreviation or
derivative thereof, which indicates or implies that it is organized
for any purpose other than one or more of the purposes per-
mitted by its certificate of incorporation;

(b) shall not be the same as, or confusingly similar to, the
corporate name of any domestic corporation, including a cor-
porate name set forth in a certificate of incorporation filed in
the office of the Secretary of State whose effective date is sub-
sequent to the date of filing, as authorized by subsection 14A:2-7.
(2), or of any foreign corporation authorized to transact business in this State or any corporate name reserved or registered under this act, unless the written consent of such other domestic or foreign corporation or holder of a reserved or registered name to the adoption of its name, or a confusingly similar name is filed in the office of the Secretary of State with the certificate of incorporation or with the application for an original or amended certificate of authority to transact business in this State or, in lieu of such consent, there is filed a certified copy of a final judgment of a court of competent jurisdiction establishing the prior right of the corporation to the use of such name in this State, and

(c) shall not contain any word or phrase, or any abbreviation or derivative thereof, the use of which is prohibited or restricted by any other statute of this State, unless any such restrictions have been complied with.

(2) This section

(a) shall not require any domestic corporation organized prior to the effective date of this act or any foreign corporation authorized to transact business in this State prior to the effective date of this act to change its corporate name in order to comply with this section, if such name is otherwise lawful on the effective date of this act. No such corporation shall change its corporate name on or after the effective date of this act to a name which is not available for corporate use under this section; and

(b) shall not prevent a domestic corporation with which another corporation, domestic or foreign, is merged, or which is formed by the reorganization or consolidation of one or more other domestic or foreign corporations or upon a sale, lease or other disposition to, or exchange with, a domestic corporation of all or substantially all the assets of another corporation, domestic or foreign, including its name, from having the same corporate name as any of such corporations if at the time such other corporation was organized under the laws of, or is authorized to transact business in, this State.

(3) If the name of a foreign corporation is not available for use in this State because of the prohibitions of subsection 14A:2-2(1), such corporation may be authorized to transact business in this State under a fictitious name which is available for corporate use under this section. Such corporation shall file in the office of the
Secretary of State with its application for an original or amended certificate of authority a resolution of its board adopting such fictitious name for use in transacting business in this State.

(4) The corporate name of a domestic corporation which has been dissolved and any name confusingly similar to the name of a domestic corporation which has been dissolved shall not be available for corporate use for 2 years after the effective time of dissolution, unless, within such 2 year period, the written consent of such dissolved corporation to the adoption of its name, or a confusingly similar name, is filed in the office of the Secretary of State with the certificate of incorporation of another domestic corporation or with the application of a foreign corporation for an original or amended certificate of authority to transact business in this State.

(5) The filing in the office of the Secretary of State of the certificate of incorporation of a domestic corporation or the issuance by the Secretary of State of a certificate to a foreign corporation authorizing it to transact business in this State shall not preclude an action by this State to enjoin a violation of this section or an action by any person adversely affected to enjoin such violation or the use of a corporate name in violation of the rights of such person, whether on principles of unfair competition or otherwise. The court in any such action may grant any other appropriate relief.

3. N. J. S. 14A:2-2.1 is added as follows:

14A:2-2.1 Fictitious corporate names.

(1) No domestic corporation, or foreign corporation which transacts business in this State within the meaning of section 14A:13-3, shall transact any business in this State using a fictitious name unless

(a) it also uses its actual name in the transaction of any such business in such a manner as not to be deceptive as to its actual identity; or

(b) it has been authorized to transact business in this State using the fictitious name as provided in subsection 14A:2-2(3); or

(c) it has first registered the fictitious name as provided in this section.

(2) Any corporation may adopt and use any fictitious name, including any which would be unavailable as the name of a do-
mestic or foreign corporation because of the prohibitions of para-
paragraph 14A:2-2(1)(b), but not including a name prohibited as a
corporate name by paragraph 14A:2-2(1)(c), by filing a certifi-
cate of registration of fictitious name with the Secretary of State
executed on behalf of the corporation. The certificate shall set
forth

(a) the name, jurisdiction and date of incorporation of the cor-
poration;

(b) the fictitious name;

(c) a brief statement of the character or nature of the part-
icular business or businesses to be conducted using the fictitious
name;

(d) that the corporation intends to use such name in this
State;

(e) that the corporation has not previously used the fictitious
name in this State in violation of this section or, if it has, the
month and year in which it commenced such use.

(3) Such a registration shall be effective for five years from
the date of filing and may be renewed successively for additional
five-year periods by filing a certificate of renewal executed on
behalf of the corporation at any time within three months prior
to, but not later than, the date of expiration of the registration.
The certificate of renewal shall be effective as of the date of ex-
piration of the earlier registration. The certificate of renewal shall
set forth the information required in paragraph 14A:2-2.1(2)(a)
through paragraph 14A:2-2.1(2)(d), the date of filing of the cer-
tificate of registration then in effect, and that the corporation is
continuing to use the fictitious name.

(4) Nothing in this section shall be construed

(a) to grant to the registrant of a fictitious name any right
in the name as against any prior or subsequent user of the
name, regardless of whether used as a trademark, trade name,
business name, or corporate name; or

(b) to interfere with the power of any court to enjoin the use
of any such name on the basis of the law of unfair competition
or on any other basis except the mere fact of identity or sim-
ilarity of the fictitious name to any other corporate name.

(5) A corporation which has used a fictitious name in this State
contrary to the provisions of this section shall, upon filing a cer-
tificate of registration of fictitious name or an untimely certificate
of renewal, pay to the Secretary of State the filing fee prescribed for such a certificate plus an additional filing fee equal to the full amount of the regular filing fee multiplied by the number of years it has been using such fictitious name in violation of this section after the operative date of the prohibitions of this section specified in subsection 14A:2-2.1(8). For purposes of this subsection, any part of a year shall be considered a full year.

(6) The failure of a corporation to file a certificate of registration or renewal of fictitious names shall not impair the validity of any contract or act of such corporation and shall not prevent such corporation from defending any action or proceeding in any court of this State, but no such corporation shall maintain any action or proceeding in any court of this State arising out of a contract or act in which it used such fictitious name until it has filed such a certificate.

(7) (a) A corporation which files a certificate of registration of fictitious name which contains a false statement or omission regarding the date it first used a fictitious name in this State shall, if such false statement or omission reduces the amount of the additional fee it paid or should have paid as provided in subsection 14A:2-2.1(5), forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(b) A corporation which ought to have filed a certificate of registration or renewal of fictitious names and fails to do so within 60 days after being notified of its obligation to do so by certified or registered mail by the Secretary of State, by any other governmental officer, or by any person aggrieved by its failure to do so, shall forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(c) Such penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in such an action in a summary manner or otherwise.

(8) The prohibitions of this section shall not be operative until three months from the effective date of the act of which this is a part. Any certificate of registration filed during that three-month period need not include the information required by paragraph 14A:2-2.1(2) (e). (Added by L. 1973, c. 366, § 3.)

4. N. J. S. 14A:2-3 is amended to read as follows:
Reserved name.
(1) The exclusive right to the use of a corporate name may be reserved upon compliance with the provisions of this section.

(2) The reservation shall be made by filing in the office of the Secretary of State an application to reserve a specified corporate name, or the first name available for corporate use among not more than three specified names, executed by or on behalf of the applicant and setting forth the name and address of the applicant. If the Secretary of State finds that the name complies with the provisions of section 14A:2-2, he shall reserve it for the exclusive use of the applicant for a period of 120 days from the date of filing of the application and shall issue a certificate of reservation.

(3) The right to the exclusive use of a specified corporate name so reserved may be transferred by filing in the office of the Secretary of State a notice of such transfer, executed by or on behalf of the applicant for whom the name was reserved, and specifying the name and address of the transferee.

5. N. J. S. 14A:2-6 is amended to read as follows:

Incorporators.
(1) One or more individuals or domestic or foreign corporations may act as incorporator or incorporators of a corporation by signing and filing in the office of the Secretary of State a certificate of incorporation for such corporation. Individuals acting as incorporators shall be at least 18 years of age. Incorporators need not be United States citizens or residents of this State or subscribers to shares in the corporation.

(2) Except as otherwise provided in the certificate of incorporation, any action required or permitted by this act to be taken by incorporators may be taken without a meeting.

(3) When there are two or more incorporators, if any dies or is for any reason unable to act, the other or others may act. If there is no incorporator able to act, any person for whom an incorporator was acting as agent may act in his stead, or if such other person also dies or is for any reason unable to act, his legal representative may act.

6. N. J. S. 14A:2-8 is amended to read as follows:

Organization meeting of directors.
On or after the effective date of the certificate of incorporation, an organization meeting of the board named in the certificate of
incorporation shall be held, at the call of a majority of the board so named, to adopt by-laws, elect officers, authorize the issuance of shares, and transact such other business as may come before the meeting. The board members calling the meeting shall give at least 5 days’ notice thereof by mail to each director named in the certificate of incorporation, which notice shall state the time and place of the meeting.

7. N. J. S. 14A:3-3 is amended to read as follows:

14A:3-3 Guaranty not in furtherance of corporate purposes.
A corporation may give a guaranty not in furtherance of its corporate purposes or those of any subsidiary, joint venture or other enterprise in which it has an interest, only when authorized at a meeting of shareholders by the affirmative vote of two-thirds of the votes cast by the holders of each class and series of shares entitled to vote thereon. If authorized by a like vote, such guaranty may be secured by a mortgage of or a security interest in all or any part of the corporate property, or any interest therein, wherever situated.

8. N. J. S. 14A:3-5 is amended to read as follows:

14A:3-5 Indemnification of directors, officers and employees.
(1) As used in this section,

(a) “corporate agent” means any person who is or was a director, officer, employee or agent of the indemnifying corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of any such constituent corporation, or the legal representative of any such director, officer, trustee, employee or agent;

(b) “other enterprise” means any domestic or foreign corporation, other than the indemnifying corporation, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;

(c) “expenses” means reasonable costs, disbursements and counsel fees;

(d) “liabilities” means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties; and
(e) "proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding.

(2) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the corporation, if

(a) such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; and

(b) with respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful.

The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in paragraphs 14A:3-5(2) (a) and 14A:3-5(2) (b).

(3) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable for negligence or misconduct, unless and only to the extent that the Superior Court or the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the Superior Court or such other court shall deem proper.

(4) Any corporation organized for any purpose under any general or special law of this State shall indemnify a corporate agent
against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections 14A:3-5(2) and 14A:3-5(3) or in defense of any claim, issue or matter therein.

(5) Any indemnification under subsection 14A:3-5(2) and, unless ordered by a court, under subsection 14A:3-5(3), may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection 14A:3-5(2) or subsection 14A:3-5(3). Unless otherwise provided in the certificate of incorporation or by-laws, such determination shall be made:

(a) by the board of directors or a committee thereof, acting by a majority vote of a quorum consisting of directors who were not parties to or otherwise involved in the proceeding; or

(b) if such a quorum is not obtainable, or, even if obtainable and such quorum of the board of directors or committee by a majority vote of the disinterested directors so directs, by independent legal counsel, in a written opinion, such counsel to be designated by the board of directors; or

(c) by the shareholders if the certificate of incorporation or by-laws or a resolution of the board of directors or of the shareholders so directs.

(6) Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding if authorized in the manner provided in subsection 14A:3-5(5) upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified as provided in this section.

(7) (a) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection 14A:3-5(4) or permitted under subsections 14A:3-5(2), 14A:3-5(3) and 14A:3-5(6), a corporate agent may apply to a court for an award of indemnification by the corporation, and such court

(i) may award indemnification to the extent authorized under subsections 14A:3-5(2) and 14A:3-5(3) and shall award indemnification to the extent required under subsection 14A:3-5(4),
(ii) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection 14A:3-5(6), if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(b) Application for such indemnification may be made

(i) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(ii) to the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in such manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the shareholders and such other persons as it may designate in such manner as it may require.

(8) The indemnification provided by this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, by-law, agreement, vote of shareholders, or otherwise.

(9) Any corporation organized for any purpose under any general or special law of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him by reason of his being or having been a corporate agent, whether or not the corporation would have the power to indemnify him against such expenses and liabilities under the provisions of this section.

(10) The powers granted by section 14A:3-5 may be exercised by the corporation notwithstanding the absence of any provision in its certificate of incorporation or by-laws authorizing the exercise of such powers.
(11) Except as required by subsection 14A:3-5(4), no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if such action would be inconsistent with a provision of the certificate of incorporation, a by-law, a resolution of the board of directors or of the shareholders, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

9. N. J. S. 14A:3-6 is amended to read as follows:

14A:3-6 Provisions relating to actions by shareholders.

(1) No action shall be brought in this State by a shareholder in the right of a domestic or foreign corporation unless the plaintiff was a holder of shares or of voting trust certificates therefor at the time of the transaction of which he complains, or his shares or voting trust certificates thereafter devolved upon him by operation of law from a person who was a holder at such time.

(2) In any action hereafter instituted in the right of any such corporation by the holder or holders of shares of such corporation or of voting trust certificates therefor, the court having jurisdiction, upon final judgment and a finding that the action was brought without reasonable cause, may require the plaintiff or plaintiffs to pay to the parties named as defendant the reasonable expenses, including fees of attorneys, incurred by them in the defense of such action.

(3) In any action now pending or hereafter instituted or maintained in the right of any such corporation by the holder or holders of less than 5% of the outstanding shares of any class or series of such corporation or of voting trust certificates therefor, unless the shares or voting trust certificates so held have a market value in excess of $25,000.00, the corporation in whose right such action is brought shall be entitled at any time before final judgment to require the plaintiff or plaintiffs to give security for the reasonable expenses, including fees of attorneys, that may be incurred by it in connection with such action or may be incurred by other parties named as defendant for which it may become legally liable. Market value shall be determined as of the date that the plaintiff institutes the action or, in the case of an intervenor, as of the date that he becomes a party to the action. The amount of such se-

security may from time to time be increased or decreased, in the
discretion of the court, upon showing that the security provided
has or may become inadequate or excessive. The corporation shall
have recourse to such security in such amount as the court having
jurisdiction shall determine upon the termination of such action.

10. N. J. S. 14A:4-1 is amended to read as follows:

14A:4-1 Registered Office and Registered Agent.
(1) Every corporation organized for any purpose under any
general or special law of this State and every foreign corporation
authorized to transact business in this State shall continuously
maintain a registered office in this State, and a registered agent
having a business office identical with such registered office.

(2) The registered office may be, but need not be, the same as
a place of business of the corporation which it serves.

(3) The registered agent may be a natural person of the age
of 18 years or more, or a domestic corporation or a foreign
corporation authorized to transact business in this State, whether
or not any such agent corporation is organized for a purpose or
purposes for which a corporation may be organized under this act.

(4) The designation of a principal or registered office in
this State and of a registered agent in charge thereof by any corpora-
tion of this State or by any foreign corporation authorized to trans-
act business in this State, as in force on the effective date of this
act, shall continue with like effect as if made hereunder until
changed pursuant to this act.

11. N. J. S. 14A:4-5 is amended to read as follows:

14A:4-5 Annual report to Secretary of State.
(1) Every domestic corporation and every foreign corporation
authorized to transact business in this State shall file in the office
of the Secretary of State, within the time prescribed by this section,
an annual report, executed on behalf of the corporation, setting
forth

(a) the name of the corporation and, in the case of a foreign
corporation, the jurisdiction of its incorporation;

(b) the address of the registered office of the corporation in
this State, and the name of its registered agent in this State at
such address, and, in the case of a foreign corporation, the ad-
dress of its main business or headquarters office;
(c) the names and addresses of the directors and officers of
the corporation; and

(d) the date appointed for the next annual meeting of the
shareholders for the election of directors.

(2) The Secretary of State shall designate a date for filing annual
reports for each corporation required to submit a report pursuant
to this section and shall annually notify the corporation of the
date so designated not less than 60 days prior to such date. The
corporation shall file the report within 30 days before or 30 days
after the date so designated. If the date so designated is not more
than six months after the date on which an annual report pursuant
to the provisions of prior law was filed or on which the certificate
of incorporation became effective, the corporation shall not be
required to file an annual report until one year after the first oc­
currence of the date so designated.

(3) If the report is not so filed, the corporation shall, after
written demand therefor by the Secretary of State by certified
mail addressed to the corporation at the last address appearing
of record in his office, forfeit to the State a penalty of $200.00 for
each report required to have been filed not more than 5 years prior
thereto and remaining unfiled, to be recovered with costs in a civil
action prosecuted by the Attorney General. No corporation shall
be subject to penalty if it shall, within 30 days after such written
demand, file the reports required by law and pay to the Secretary
of State the fee provided by law for the filing of each such report.
In lieu of such civil action, the Secretary of State, after expiration
of such 30-day period, may issue a certificate to the Clerk of the
Superior Court that the corporation is indebted for the payment
of such penalty, and thereupon the clerk shall immediately enter
upon his record of docketed judgments the name of such corpora­
tion as the judgment debtor, and of the State as the judgment
creditor, a statement that the penalty is imposed under this section,
the amount of the penalty, and the date of such certificate. Such
entry shall have the same force as a judgment docketed in the
Superior Court. The Secretary of State within 5 days after such
entry shall give notice thereof to the corporation by certified
mail addressed to the corporation at the last address appearing of
record in his office.

(4) The Secretary of State shall furnish annual report forms,
shall keep in his office all such reports and shall prepare an alpha-

betical index thereof, which reports and index shall be open to public inspection at proper hours.

12. N. J. S. 14A:5-6 is amended to read as follows:

14A:5-6  Action by shareholders without a meeting.

(1) Any action required or permitted to be taken at a meeting of shareholders by this act or the certificate of incorporation or by-laws of a corporation, may be taken without a meeting if all the shareholders entitled to vote thereon consent thereto in writing, except that in the case of any action to be taken pursuant to Chapter 10 of this act, such action may be taken without a meeting only if all shareholders consent thereto in writing or if all shareholders entitled to vote thereon consent thereto in writing and the corporation provides to all other shareholders the advance notification required by paragraph 14A:5-6(2)(b).

(2) Except as otherwise provided in the certificate of incorporation and subject to the provisions of this subsection, any action required or permitted to be taken at a meeting of shareholders by this act, the certificate of incorporation, or by-laws, other than the annual election of directors, may be taken without a meeting upon the written consent of shareholders who would have been entitled to cast the minimum number of votes which would be necessary to authorize such action at a meeting at which all shareholders entitled to vote thereon were present and voting.

(a) If any shareholder shall have the right to dissent from the proposed action, pursuant to Chapter 11 of this act, the board shall fix a date on which written consents are to be tabulated; in any other case, it may fix a date for tabulation. If no date is fixed, consents may be tabulated as they are received. No consent shall be counted which is received more than 60 days after the date of the board action authorizing the solicitation of consents or, in a case in which consents, or proxies for consents, are solicited from all shareholders who would have been entitled to vote at a meeting called to take such action, more than 60 days after the date of mailing of solicitation of consents, or proxies for consents.

(b) Except as provided in subsection 14A:5-6(2)(c), the corporation, upon receipt and tabulation of the requisite number of written consents, shall promptly notify all non-consenting shareholders, who would have been entitled to notice of a meeting to vote upon such action, of the action consented to, the proposed
effective date of such action, and any conditions precedent to such action. Such notification shall be given at least 20 days in advance of the proposed effective date of such action in the case of any action taken pursuant to Chapter 10 of this act, and at least 10 days in advance in the case of any other action. Any shareholder who did not consent, personally, or by proxy, to any action which he has a right to dissent from as provided in Chapter 11 of this act shall in such notice also be informed that he has the right to dissent and to be paid the fair value of his shares, provided he files with the corporation a written notice of dissent as required by subsection 14A:5-6(2) within 20 days from the date of giving of the notice, or such greater period of time as may be granted by the corporation, and outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in Chapter 11 of this act with which he must comply in order to assert and enforce such right.

(c) The corporation need not provide the notification required by paragraph 14A:5-6(2) (b) if it

(i) solicits written consents or proxies for consents from all shareholders who would have been entitled to vote at a meeting called to take such action, and at the same time gives notice of the proposed action to all other shareholders who would have been entitled to notice of a meeting called to vote upon such action;

(ii) advises all shareholders, if any, who are entitled to dissent from the proposed action, as provided in Chapter 11 of this act, of their right to do so and to be paid the fair value of their shares, provided they file with the corporation before the date fixed for tabulation of the written consents a written notice of dissent as required by subsection 14A:11-2(1), and outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in Chapter 11 of this act with which they must comply in order to assert and enforce such right; and

(iii) fixes a date for tabulation of consents not less than 20 days, in the case of any proposed action to be taken pursuant to Chapter 10 of this act, or not less than 10 days in the case of any other proposed action, and not more than 60 days, after the date of mailing of solicitations of consents or proxies for consents.
(d) Any consent obtained pursuant to paragraph 14A:5-6(2) (c) may be revoked at any time prior to the day fixed for tabulation of consents. Any other consent may be revoked at any time prior to the day on which the proposed action could be taken upon compliance with paragraph 14A:5-6(2) (b). No revocation shall be effective unless in writing and until received by the corporation at the place fixed for receipt of consents or, if none, at the main business office or headquarters of the corporation.

(3) Whenever action is taken pursuant to subsection 14A:5-6(1) or 14A:5-6(2), the written consents of the shareholders consenting thereto or the written report of inspectors appointed to tabulate such consents shall be filed with the minutes of proceedings of shareholders.

(4) Any action taken pursuant to subsection 14A:5-6(1) or 14A:5-6(2) shall have the same effect for all purposes as if such action had been taken at a meeting of the shareholders.

(5) If any other provision of this act requires the filing of a certificate upon the taking of an action by shareholders, and such action is taken in the manner authorized by subsection 14A:5-6(1) or 14A:5-6(2), such certificate shall state that such action was taken without a meeting pursuant to the written consents of the shareholders and shall set forth the number of shares represented by such consents.

13. N. J. S. 14A:5-7 is amended to read as follows:

14A:5-7 Fixing record date.

(1) The by-laws may provide for fixing, or in the absence of such a provision the board may fix, in advance, a date as the record date for determining the corporation's shareholders with regard to any corporate action or event and, in particular, for determining the shareholders entitled to

(a) notice of or to vote at any meeting of shareholders or any adjournment thereof;

(b) give a written consent to any action without a meeting; or

(c) receive payment of any dividend or allotment of any right.

The record date may in no case be more than 60 days prior to the shareholders' meeting or other corporate action or event to which it relates. The record date for a shareholders' meeting may not be less than 10 days before the date of the meeting. The record
date to determine shareholders entitled to give a written consent may not be more than 60 days before the date fixed for tabulation of the consents or, if no date has been fixed for tabulation, more than 60 days before the last day on which consents received may be counted.

(2) If no record date is fixed

(a) the record date for a shareholders' meeting shall be the close of business on the day next preceding the day on which notice is given, or, if no notice is given, the day next preceding the day on which the meeting is held; and

(b) the record date for determining shareholders for any purpose other than that specified in paragraph 14A:5-7(2) (a) shall be at the close of business on the day on which the resolution of the board relating thereto is adopted.

(3) When a determination of shareholders of record for a shareholders' meeting has been made as provided in this section, such determination shall apply to any adjournment thereof, unless the board fixes a new record date under this section for the adjourned meeting.

14. N. J. S. 14A:5-8 is amended to read as follows:

14A:5-8 Voting list.

(1) The officer or agent having charge of the stock transfer books for shares of a corporation shall make and certify a complete list of the shareholders entitled to vote at a shareholders' meeting or any adjournment thereof. A list required by this subsection may consist of cards arranged alphabetically. Such list shall

(a) be arranged alphabetically within each class, series, or group of shareholders maintained by the corporation for convenience of reference, with the address of, and the number of shares held by, each shareholder;

(b) be produced at the time and place of the meeting;

(c) be subject to the inspection of any shareholder during the whole time of the meeting; and

(d) be prima facie evidence as to who are the shareholders entitled to examine such list or to vote at any meeting.

(2) If the requirements of this section have not been complied with, the meeting shall, on the demand of any shareholder in person or by proxy, be adjourned until the requirements are complied with. Failure to comply with the requirements of this section shall
not affect the validity of any action taken at such meeting prior to the making of any such demand.

15. N. J. S. 14A:5-19 is amended to read as follows:

14A:5-19 Proxy voting.

(1) Every shareholder entitled to vote at a meeting of shareholders or to express consent without a meeting may authorize another person or persons to act for him by proxy. Every proxy shall be executed in writing by the shareholder or his agent, except that a proxy may be given by a shareholder or his agent by telegram or cable or its equivalent. No proxy shall be valid for more than 11 months, unless a longer time is expressly provided therein, but in no event shall a proxy be valid after 3 years from the date of execution. Unless it is coupled with an interest, a proxy shall be revocable at will. A proxy shall not be revoked by the death or incapacity of the shareholder but such proxy shall continue in force until revoked by the personal representative or guardian of the shareholder. The presence at any meeting of any shareholder who has given a proxy shall not revoke such proxy unless the shareholder shall file written notice of such revocation with the secretary of the meeting prior to the voting of such proxy.

(2) A person named in a proxy as the attorney or agent of a shareholder may, if the proxy so provides, substitute another person to act in his place, including any other person named as an attorney or agent in the same proxy. The substitution shall not be effective until an instrument effecting it is filed with the secretary of the corporation.

16. N. J. S. 14A:5-21 is amended to read as follows:

14A:5-21 Agreements as to voting; provision in certificate of incorporation as to control of directors.

(1) An agreement between two or more shareholders, if in writing and signed by the parties thereto, may provide that in exercising any voting rights, the shares held by them shall be voted as therein provided, or as they may agree, or as determined in accordance with a procedure agreed upon by them.

(2) A provision in the certificate of incorporation otherwise prohibited by law because it improperly restricts the board in its management of the business of the corporation, or improperly transfers or provides for the transfer to one or more persons named in the certificate of incorporation or to be selected from time to time by shareholders, all or any part of such management
otherwise within the authority of the board, shall nevertheless
be valid if all the incorporators have authorized such provision
in the certificate of incorporation or the holders of record of all
outstanding shares, whether or not having voting power, have
authorized such provision in an amendment to the certificate of
incorporation. If all management powers otherwise within the
authority of the board are so transferred, the certificate of incor­
poration may provide that the corporation shall not have a board
in which case the certificate of incorporation and any other cer­
tificate or document requiring a statement of the number, names,
and addresses of directors shall set out in lieu thereof the name,
address, and title, if any, of the person or persons in whom such
management authority is then vested.

(3) A provision authorized by subsection 14A:5-21(2) shall
become invalid if, to the knowledge of the board, or of the person
or persons having the management authority otherwise in the
board,

(a) subsequent to the adoption of such provision, shares are
transferred or issued to any person who takes delivery of the
share certificate without notice thereof, unless such person con­
sents in writing to such provisions; or

(b) any shares of the corporation are listed on a national
securities exchange or regularly quoted in an over-the-counter
market by one or more members of a national or affiliated securi­
ties association.

(4) If a provision authorized by subsection 14A:5-21(2) shall
have become invalid as provided in subsection 14A:5-21(3), the
board, or the person or persons having the management authority
otherwise in the board, shall amend the certificate of incorporation
to delete such provision by filing a certificate of amendment in the
office of the Secretary of State. The certificate shall be executed
on behalf of the corporation and shall set forth

(a) the name of the corporation;

(b) the date of the adoption of the amendment;

(c) the deleted provision; and

(d) the event set forth in subsection 14A:5-21(3) by reason
of which the provision has become invalid.

(5) The effect of any provision authorized by subsection
14A:5-21(2) shall be to relieve the directors, if any, and grant to
and impose upon the person or persons vested with management
authority otherwise in the board the rights, powers, privileges, and liabilities, including liability for managerial acts or omissions, that are granted to and imposed upon directors by law to the extent that, and so long as, the discretion and powers which otherwise would be in the directors in their management of corporate affairs are vested in such person or persons by any such provision. Such person or persons shall be deemed to be directors for purposes of applying the provisions of this act and shall be deemed to be corporate agents for the purposes of section 14A:3-5.

(6) If the certificate of incorporation contains a provision authorized by subsection 14A:5-21(2), the existence of such provision shall be noted conspicuously on the face of every certificate for shares issued by such corporation, and each holder of such certificate shall conclusively be deemed to have taken delivery with notice of such provision.

(7) As used in this section, “person” shall include a natural person, a domestic or foreign corporation, a partnership, limited partnership, trust, firm, society, association, joint stock company, or any other entity legally competent to contract in its own name.

17. N. J. S. 14A:5-24 is amended to read as follows:

14A:5-24 Elections of directors; cumulative voting.

(1) Elections of directors need not be by ballot unless a shareholder demands election by ballot at the election and before the voting begins. If the by-laws require election by ballot at any shareholders’ meeting, such requirement is waived unless compliance therewith is requested by a shareholder entitled to vote at such meeting.

(2) At each election of directors every shareholder entitled to vote at such election shall have the right to vote the number of shares owned by him for as many persons as there are directors to be elected and for whose election he has a right to vote, or, if the certificate of incorporation so provides, to cumulate his votes by giving one candidate as many votes as the number of such directors multiplied by the aggregate number of his votes shall equal, or by distributing such votes on the same principle among any number of such candidates.

(3) Except as otherwise provided by the certificate of incorporation, directors shall be elected by a plurality of the votes cast at an election.
18. N. J. S. 14A:5-25 is amended to read as follows:

14A:5-25 Selection of inspectors.
(1) Unless the by-laws otherwise provide, the board may, in advance of any shareholders' meeting, or of the tabulation of written consents of shareholders without a meeting, appoint one or more inspectors to act at the meeting or any adjournment thereof or to tabulate such consents and make a written report thereof.

(2) If inspectors to act at any meeting of shareholders are not so appointed by the board or as otherwise provided in the by-laws or shall fail to qualify, the person presiding at a shareholders' meeting may, and on the request of any shareholder entitled to vote thereat, shall, make such appointment.

(3) In case any person appointed as inspector fails to appear or act, the vacancy may be filled by appointment made by the board in advance of the meeting or at the meeting by the person presiding at the meeting.

(4) If the by-laws require inspectors at any shareholders' meeting, such requirement is waived unless compliance therewith is requested by a shareholder entitled to vote at such meeting.

(5) Each inspector, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his ability.

(6) No person shall be elected a director in an election for which he has served as an inspector.

19. N. J. S. 14A:5-28 is amended to read as follows:

14A:5-28 Books and records; right of inspection.
(1) Each corporation shall keep books and records of account and minutes of the proceedings of its shareholders, board and executive committee, if any. Unless otherwise provided in the by-laws, such books, records and minutes may be kept outside this State. The corporation shall make available for inspection at its registered office, or at the office of its transfer agent in this State, a record or records containing the names and addresses of all shareholders, the number, class and series of shares held by each and the dates when they respectively became the owners of record thereof, within 10 days after demand by a shareholder entitled to
inspect them, as defined in subsection 14A:5-28(3), except that
in the case of shares listed on a national securities exchange, the
records may be made available at the office of the corporation's
transfer agent within or without this State. Any of the foregoing
books, minutes or records may be in written form or in any other
form capable of being converted into written form within a
reasonable time. A corporation shall convert into written form
without charge any such records not in such form, upon the written
request of any person entitled to inspect them.

(2) Upon the written request of any shareholder, the corpora­
tion shall mail to such shareholder its balance sheet as at the end
of the preceding fiscal year, and its profit and loss and surplus
statement for such fiscal year.

(3) Any person who shall have been a shareholder of record
of a corporation for at least six months immediately preceding his
demand, or any person holding, or so authorized in writing by the
holders of, at least 5% of the outstanding shares of any class or
series, upon at least five days' written demand shall have the right
for any proper purpose to examine in person or by agent or at­
torney, during usual business hours, its minutes of the proceedings
of its shareholders and record of shareholders and to make ex­
tracts therefrom, at the places where the same are kept pursuant
to subsection 14A:5-28(1).

(4) Nothing herein contained shall impair the power of any
court, upon proof by a shareholder of proper purpose, irrespective
of the period of time during which said shareholder shall have
been a shareholder of record, and irrespective of the number of
shares held by him, to compel the production for examination by
such shareholder of the books and records of account, minutes and
record of shareholders of a corporation.

(5) Holders of voting trust certificates representing shares of
the corporation shall be regarded as shareholders for the purpose
of this section.

20. N. J. S. 14A:5-29 is amended to read as follows:

14A:5-29 Preemptive rights.
(1) Except as otherwise provided in the certificate of incorpora­
tion, a corporation may issue or deliver unissued or treasury
shares, or option rights, or obligations or other securities having
conversion or option rights, without first offering them to existing
shareholders.
(2) The preemptive rights, whether created by statute or common law, of shareholders of corporations organized prior to the effective date of this act shall not be affected by subsection 14A:5-29(1). Any such corporation may alter or abolish its shareholders' preemptive rights by an amendment of its certificate of incorporation.

(3) If a corporation organized after the effective date of this act elects to grant its shareholders preemptive rights, such rights shall be as provided in this subsection, except as otherwise provided in the certificate of incorporation. Such an election may be made by stating in the certificate of incorporation that "The shareholders shall have preemptive rights." The effect of the inclusion of such a statement shall be as follows:

(a) Upon the issue for cash of shares, or options to purchase shares, of the same class as those held by a shareholder, the shareholder shall have a preemptive right to acquire a pro rata portion of such shares or options so issued according to the number of shares of such class held by him. Such preemptive right shall extend to unissued shares and to treasury shares. It shall also extend to shares, obligations or other securities, however described, which are convertible into shares of the same class as those held by the shareholder.

(b) Shares, obligations or other securities of the corporation which are subject to preemptive rights as herein provided shall not be deemed to be issued for cash within the meaning of this section if cash constitutes only a part of the consideration received by the corporation.

(c) A shareholder may waive his preemptive right; a waiver of a preemptive right, when evidenced by a writing, shall be binding upon the shareholder notwithstanding it is given without consideration.

(d) No shareholder shall have a preemptive right to acquire shares, obligations or other securities as herein provided, which

(i) are issued pursuant to a plan of merger or consolidation;

(ii) are issued pursuant to subsection 14A:7-7(2) or Chapter 8 of this act;

(iii) are issued to satisfy conversion or option rights, however evidenced, granted by the corporation;
(iv) are issued pursuant to a plan of reorganization approved by a court pursuant to a statute of this State or of the United States; or

(v) are part of the shares, obligations or other securities authorized in the original certificate of incorporation and are issued within six months from the effective date of such certificate.

(e) Upon the proposed issuance of shares, obligations or other securities subject to preemptive rights, the board shall cause notice to be given to each shareholder of record entitled to preemptive rights. The notice shall set forth

(i) the amount of shares, obligations or other securities with respect to which the shareholder has a preemptive right and the method used to determine that amount;

(ii) the price and other terms and conditions upon which the shareholder may purchase such shares, obligations or other securities; and

(iii) the time within which and the method by which the shareholder must exercise the right.

The notice shall be given at least 30 days prior to the time within which the shareholder must exercise the right.

(f) Shares, obligations or other securities subject to preemptive rights, which are not acquired by shareholders in the exercise of their preemptive rights may, for a period not exceeding one year after the date limited by the directors for the exercise of such preemptive rights, be issued, sold, or optioned to such person or persons as the board may determine, at a price not less than that at which they were offered to such shareholders. Any such shares, obligations or other securities not so issued, sold or optioned during such one-year period, shall at the expiration of such period again be subject to preemptive rights of shareholders.

21. N.J.S. 14A:6-1 is amended to read as follows:

14A:6-1 Board of directors.

The business and affairs of a corporation shall be managed by its board, except as in this act or in its certificate of incorporation otherwise provided. Directors shall be at least 18 years of age and need not be United States citizens or residents of this State or shareholders of the corporation unless the certificate of incor-
poration or by-laws so require. The certificate of incorporation or by-laws may prescribe other qualifications for directors.

22. N. J. S. 14A:6-2 is amended to read as follows:

14A:6-2 Number of directors.

The board of directors of a corporation shall consist of one or more members. Subject to any provisions contained in the certificate of incorporation, the by-laws shall specify the number of directors, or that the number of directors shall not be less than a stated minimum nor more than a stated maximum, with the actual number to be determined in the manner prescribed in the by-laws, except as to the number constituting the first board.

23. N. J. S. 14A:6-7 is amended to read as follows:

14A:6-7 Quorum of board of directors and committees; action of directors without a meeting.

(1) A majority of the entire board, or of any committee thereof, shall constitute a quorum for the transaction of business, unless the certificate of incorporation or the by-laws shall provide that a greater or lesser number shall constitute a quorum, which in no case shall be less than the greater of two persons or one-third of the entire board or committee, except that when the entire board or a committee thereof consists of one director, then one director shall constitute a quorum. The act of the majority present at a meeting at which a quorum is present shall be the act of the board or of the committee, unless the act of a greater number is required by this act, the certificate of incorporation or the by-laws.

(2) Unless otherwise provided by the certificate of incorporation or by-laws, any action required or permitted to be taken pursuant to authorization voted at a meeting of the board or any committee thereof, may be taken without a meeting if, prior or subsequent to such action, all members of the board or of such committee, as the case may be, consent thereto in writing and such written consents are filed with the minutes of the proceedings of the board or committee. Such consent shall have the same effect as a unanimous vote of the board or committee for all purposes, and may be stated as such in any certificate or other document filed with the Secretary of State.
24. N. J. S. 14A:6-8 is amended to read as follows:

**14A:6-8 Effect of common directorships and directors' personal interest.**

(1) No contract or other transaction between a corporation and one or more of its directors, or between a corporation and any domestic or foreign corporation, firm or association of any type or kind in which one or more of its directors are directors or are otherwise interested, shall be void or voidable solely by reason of such common directorship or interest, or solely because such director or directors are present at the meeting of the board or a committee thereof which authorizes or approves the contract or transaction, or solely because his or their votes are counted for such purpose, if

(a) the contract or other transaction is fair and reasonable as to the corporation at the time it is authorized, approved or ratified; or

(b) the fact of the common directorship or interest is disclosed or known to the board or committee and the board or committee authorizes, approves, or ratifies the contract or transaction by unanimous written consent, provided at least one director so consenting is disinterested, or by affirmative vote of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

(c) the fact of the common directorship or interest is disclosed or known to the shareholders, and they authorize, approve or ratify the contract or transaction.

(2) Common or interested directors may be counted in determining the presence of a quorum at a board or committee meeting at which a contract or transaction described in subsection 14A:6-8(1) is authorized, approved or ratified.

(3) The board, by the affirmative vote of a majority of directors in office and irrespective of any personal interest of any of them, shall have authority to establish reasonable compensation of directors for services to the corporation as directors, officers, or otherwise; provided that the approval of the shareholders shall be required if the by-laws so provide.

25. N. J. S. 14A:6-9 is amended to read as follows:
14A:6-9 Executive committee; other committees.

(1) If the certificate of incorporation or the by-laws so provide, the board, by resolution adopted by a majority of the entire board, may appoint from among its members an executive committee and one or more other committees, each of which shall have one or more members. To the extent provided in such resolution, or in the certificate of incorporation or in the by-laws, each such committee shall have and may exercise all the authority of the board, except that no such committee shall

(a) make, alter or repeal any by-law of the corporation;
(b) elect or appoint any director, or remove any officer or director;
(c) submit to shareholders any action that requires shareholders' approval; or
(d) amend or repeal any resolution theretofore adopted by the board which by its terms is amendable or repealable only by the board.

(2) The board, by resolution adopted by a majority of the entire board may,

(a) fill any vacancy in any such committee;
(b) appoint one or more directors to serve as alternate members of any such committee, to act in the absence or disability of members of any such committee with all the powers of such absent or disabled members;
(c) abolish any such committee at its pleasure; and
(d) remove any director from membership on such committee at any time, with or without cause.

(3) Actions taken at a meeting of any such committee shall be reported to the board at its next meeting following such committee meeting; except that, when the meeting of the board is held within 2 days after the committee meeting, such report shall, if not made at the first meeting, be made to the board at its second meeting following such committee meeting.

(4) The designation of any such committee and the delegation thereto of authority shall not operate to relieve the board, or any member thereof, of any responsibility imposed by law.

26. N. J. S. 14A:6-11 is amended to read as follows:
14A:6-11 Loans to officers or employees.

A corporation may lend money to, or guarantee any obligation of, or otherwise assist, any officer or other employee of the corporation or of any subsidiary, whenever, in the judgment of the directors, such loan, guarantee or assistance may reasonably be expected to benefit the corporation; provided, however, that a corporation shall not lend money to, guarantee any obligation of, or otherwise assist, any officer or other employee who is also a director of the corporation, except pursuant to a plan adopted by the shareholders in accordance with the provisions of Chapter 8 of this act, unless such loan, guarantee or assistance is authorized by the certificate of incorporation or a by-law adopted by the shareholders, and then only when authorized by a majority of the entire board. The loan, guarantee or other assistance may be made with or without interest, and may be unsecured, or secured in such manner as the board shall approve, including, without limitation, a pledge of shares of the corporation, and may be made upon such other terms and conditions as the board may determine. Notwithstanding the provisions of subsection 14A:7-5(1), the proceeds of any such loan may be applied to the purchase of shares of the corporation, and any shares so purchased shall be deemed to be fully paid and nonassessable.

27. N. J. S. 14A:6-12 is amended to read as follows:

14A:6-12 Liability of directors in certain cases.

(1) In addition to any other liabilities imposed by law upon directors of a corporation, directors who vote for, or concur in, any of the following corporate actions

(a) the declaration of any dividend or other distribution of assets to the shareholders contrary to the provisions of this act or contrary to any restrictions contained in the certificate of incorporation;

(b) the purchase of the shares of the corporation contrary to the provisions of this act or contrary to any restrictions contained in the certificate of incorporation;

(c) the distribution of assets to shareholders during or after dissolution of the corporation without paying, or adequately providing for, all known debts, obligations and liabilities of the corporation, except that the directors shall be liable only to the extent of the value of assets so distributed and to the extent that such debts, obligations and liabilities of the corporation are not
thereafter paid, discharged, or barred by statute or otherwise;

d) the complete liquidation of the corporation and distribution of all of its assets to its shareholders without dissolving or providing for the dissolution of the corporation and the payment of all fees, taxes, and other expenses incidental thereto, except that the directors shall be liable only to the extent of the value of assets so distributed and to the extent that such fees, taxes, and other expenses incidental to dissolution are not thereafter paid;

e) the making of any loan to an officer, director or employee of the corporation or of any subsidiary thereof contrary to the provisions of this act;

shall be jointly and severally liable to the corporation for the benefit of its creditors or shareholders, to the extent of any injury suffered by such persons, respectively, as a result of any such action.

(2) Any director against whom a claim is successfully asserted under this section shall be entitled to contribution from the other directors who voted for, or concurred in, the action upon which the claim is asserted.

(3) Directors against whom a claim is successfully asserted under this section shall be entitled, to the extent of the amounts paid by them to the corporation as a result of such claims,

a) upon payment to the corporation of any amount of an improper dividend or distribution, to be subrogated to the rights of the corporation against shareholders who received such dividend or distribution with knowledge of facts indicating that it was not authorized by this act, in proportion to the amounts received by them respectively;

b) upon payment to the corporation of any amount of the purchase price of an improper purchase of shares, to have the corporation rescind such purchase of shares and recover for their benefit, but at their expense, the amount of such purchase price from any seller who sold such shares with knowledge of facts indicating that such purchase of shares by the corporation was not authorized by this act;

c) upon payment to the corporation of the claim of any creditor by reason of a violation of paragraph 14A:6-12(1) (e), to be subrogated to the rights of the corporation against shareholders who received an improper distribution of assets;
(d) upon payment to the corporation of the amount of any loan made improperly, to be subrogated to the rights of the corporation against the person who received the improper loan.

(4) A director shall not be liable under this section if, in the circumstances, he discharged his duty to the corporation under section 14A:6-14.

(5) Every action against a director for recovery upon a liability imposed by subsection 14A:6-12(1) shall be commenced within six years next after the cause of any such action shall have accrued.

28. N. J. S. 14A:6-13 is amended to read as follows:

14A:6-13 Liability of directors; presumption of assent to action taken at a meeting.

A director of a corporation who is present at a meeting of its board, or any committee thereof of which he is a member, at which action on any corporate matter referred to in section 14A:6-12 is taken shall be presumed to have concurred in the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before or promptly after the adjournment thereof. Such right to dissent shall not apply to a director who voted in favor of such action. A director who is absent from a meeting of the board, or any committee thereof of which he is a member, at which any such action is taken shall be presumed to have concurred in the action unless he shall file his dissent with the secretary of the corporation within a reasonable time after learning of such action.

29. N. J. S. 14A:6-15 is amended to read as follows:

14A:6-15 Officers.

(1) The officers of a corporation shall consist of a president, a secretary, a treasurer, and, if desired, a chairman of the board, one or more vice presidents, and such other officers as may be prescribed by the by-laws. Unless otherwise provided in the by-laws, the officers shall be elected by the board.

(2) Any two or more offices may be held by the same person but no officer shall execute, acknowledge, or verify any instrument in more than one capacity if such instrument is required by law or by the by-laws to be executed, acknowledged, or verified by two or more officers.
(3) Any officer elected as herein provided shall hold office for the term for which he is so elected and until a successor is elected and has qualified, subject to earlier termination by removal or resignation.

(4) All officers of the corporation, as between themselves and the corporation, shall have such authority and perform such duties in the management of the corporation as may be provided in the by-laws, or as may be determined by resolution of the board not inconsistent with the by-laws.

30. N. J. S. 14A:7-2 is amended to read as follows:

14A:7-2 Issuance of shares in classes and series; board action.

(1) The division of shares into classes and into series within any class or classes, the determination of the designation and the number of shares of any class or series, the determination of the relative rights, preferences and limitations of the shares of any class or series, and any or all of such divisions and determinations, may be accomplished by the original certificate of incorporation or may be accomplished by an amendment or amendments thereto. Such an amendment may be made by any procedure to amend the certificate of incorporation provided for in Chapter 9 of this act or as provided in subsection 14A:7-2(2).

(2) Such an amendment may be made by action of the board if the certificate of incorporation authorizes the board to make such divisions and determinations. Unless otherwise provided in the certificate of incorporation, authority granted to the board to determine the number of shares of any class or series shall be deemed to include the power to increase the number of shares of such class or series previously determined by it, and to decrease such previously determined number of shares to a number not less than that of the shares then outstanding. Upon any such decrease, the affected shares shall continue as part of the authorized shares and shall have such designation and such relative rights, preferences and limitations as they had before the board first acted to include them in such class or series. Unless otherwise provided in the certificate of incorporation, authority granted to the board to determine the relative rights and preferences of any class or series shall be deemed to include the power to determine relative rights and preferences which are prior or subordinate to, or equal with, the shares of any other class or series, whether or not such other shares are issued and outstand-
ing at the time when the board acts to determine such relative rights and preferences. The certificate of incorporation may authorize the board to change the designation or number of shares, or the relative rights, preferences and limitations of the shares, of any theretofore established class or series no shares of which have been issued.

(3) Whenever the board acts under subsection 14A:7-2(2) it shall adopt a resolution setting forth its actions and stating the designation and number of shares, and the relative rights, preferences and limitations of the shares, of each class and series thereby created or with respect to which it has made a determination or change.

(4) Before the issue of any shares of a class or series with respect to which the board has acted under subsection 14A:7-2(2), the corporation shall execute and file in the office of the Secretary of State a certificate of amendment to the certificate of incorporation setting forth

(a) the name of the corporation;
(b) a copy of the resolution of the board required by subsection 14A:7-2(3);
(c) that such resolution was duly adopted by the board and the date of such adoption; and
(d) that the certificate of incorporation is amended so that the designation and number of shares of each class and series acted upon in the resolution, and the relative rights, preferences and limitations of each such class and series, are as stated in the resolution.

31. N. J. S. 14A:7-3 is amended to read as follows:

14A:7-3  Subscriptions for shares.

(1) Unless otherwise provided by the subscription agreement or unless all of the subscribers consent to the revocation of such subscription, a subscription for shares of a corporation to be formed shall be irrevocable for a period of 6 months if no certificate of incorporation shall be filed within such period. If the certificate of incorporation is filed within such period, or if it is filed at any later time before revocation, such subscription shall also be irrevocable until 60 days after the filing of the certificate of incorporation. Subscriptions for shares, whether made before or after the organization of a corporation, shall be accepted or re-
jected by the board, unless the certificate of incorporation or the by-laws require action by the shareholders.

(2) A subscription agreement, whether made before or after the formation of a corporation, shall not be enforceable unless it satisfies the requirements provided in N. J. S. § 12A:8-319 with respect to a contract for the sale of securities.

(3) A subscriber shall not become a holder of any shares for which the full consideration has not been paid. Unless otherwise provided by the subscription agreement

(a) any payment made by the subscriber, in accordance with the subscription agreement or as called for by the board, shall be applied to pay the full consideration for as many whole shares as possible and any remaining balance of such payment shall be applied as part payment of a share;

(b) a share certificate shall be registered in the name of the subscriber for the number of shares so paid for in full; and

(c) the corporation shall be entitled to retain such share certificate as security for the performance by the subscriber of his obligations under the subscription agreement and subject to the power of sale or rescission upon default provided in paragraphs 14A:7-3(5) (b) and 14A:7-3(5) (c).

(4) Unless otherwise provided by the subscription agreement

(a) subscriptions for shares, whether made before or after the organization of a corporation, shall be paid in full at such time, or in such installments and at such times, as shall be determined by the board;

(b) any call made by the board for payment on subscriptions shall be uniform as to all shares of the same class or as to all shares of the same series, as the case may be;

(c) all such calls for payments on subscriptions shall be upon 30 days' notice thereof and of the time and place of payment, which notice shall be given personally or by registered or certified mail.

(5) In the event of default in the payment of any installment or call or other amount due under the terms of the subscription agreement, including any amount which may become due as a result of a default in the performance of any provision thereof, the corporation shall have the following rights and duties:
(a) It may proceed to collect the amount due in the same manner as any other debt owing to it. At any time before full satisfaction of the claim or any judgment therefor, it may proceed as provided in paragraph 14A:7-3(5) (b).

(b) It may sell the shares in any reasonable manner. Notice of the time and place of any public sale or of the time after which any private sale may be had, together with a statement of the amount due upon each share, shall be given in writing to the subscriber personally or by registered or certified mail at least 20 days before any such time stated in the notice. Unless otherwise provided in the subscription agreement, the corporation may not be the purchaser at any sale. Any excess of net proceeds realized over the amount due plus interest shall be paid over to the subscriber. If the sale is made in good faith, in a reasonable manner and upon the notice required by this paragraph, the corporation may recover the difference between the amount due plus interest and the net proceeds of the sale. A good faith purchaser for value shall acquire title to the sold shares free of any rights of the subscriber even though the corporation fails to comply with one or more of the requirements of this subsection.

(c) It may rescind the subscription, with the effect provided in subsection 14A:7-3(6), and may recover damages for breach of contract. Unless special circumstances show proximate damages of a different amount, the measure of damages shall be the difference between the market price at the time and place for tender of the shares and the unpaid contract price. Liquidated damages may be provided for in the subscription agreement in an amount which is reasonable under the circumstances, including the difficulties of proof of loss. The subscriber shall be entitled to restitution of any amount by which the sum of his payments exceeds the corporation's damages for breach of contract, whether fixed by agreement or judgment.

The rights and duties set forth in subsection 14A:7-3(5) shall be interpreted as cumulative so far as is consistent with the purpose of entitling the corporation to a full and single recovery of the amount due or its damages. The subscription agreement may limit the rights and remedies of the corporation set forth in subsection 14A:7-3(5), and may add to them so far as is consistent with the preceding sentence.

(6) The rescission by the corporation of a subscription under
which a portion of the shares subscribed for have been issued and in which the corporation retains a security interest, as provided in subsection 14A:7-3(3), shall effect the cancellation of such shares.

(7) A contract made with a corporation to purchase its shares, whether shares to be issued or treasury shares, is a subscription agreement and not an executory contract to purchase shares, unless otherwise provided in the agreement.

32. N. J. S. 14A:7-5 is amended to read as follows:

14A:7-5 Payment for shares.
(1) Subject to any restrictions contained in the certificate of incorporation, the consideration for the issuance of shares may be paid, in whole or in part, in money, in real property, in tangible or intangible personal property, including stock of another corporation, or in labor or services actually performed for the corporation or in its formation. Neither obligations of the subscriber nor any future services shall constitute payment or part payment for the issuance of shares of the corporation.

(2) When payment of the full consideration for which shares are to be issued is made, the subscriber shall thereupon become entitled to all the rights and privileges of a holder of such shares, including the registration in his name of a certificate representing them, and such shares shall be fully paid and nonassessable.

33. N. J. S. 14A:7-6 is amended to read as follows:

14A:7-6 Redeemable shares.
(1) A corporation may provide in its certificate of incorporation for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the corporation in cash, its bonds or other property, at such price or prices, within such period or periods, and under such conditions as are stated in the certificate of incorporation. A sinking fund may be created for the redemption of any class or series of redeemable shares.

(2) A corporation which is an open-end investment company, as defined in an Act of Congress entitled "Investment Company Act of 1940," as amended or supplemented, or any act adopted in substitution therefor, may, if its certificate of incorporation so provides and upon compliance with that act, issue shares which are redeemable at the option of the holder at a price approximately equal to the shares' proportionate interest in the net assets of the corporation, and a shareholder may compel redemption of such shares in accordance with their terms.
(3) A corporation may provide, in its original certificate of incorporation or by an amendment approved by unanimous vote of the shareholders, for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the shareholder. Subject to the restrictions imposed by section 14A:7-16, such shares may be redeemable in cash, bonds of the corporation or other property, at such price or prices, within such period or periods and under such conditions as are stated in the certificate of incorporation, and such shares may also be redeemable at the option of the corporation, as provided in subsection 14A:7-6(1). The certificate of incorporation may be amended to delete or change a provision for shares redeemable at the option of the shareholder only with the unanimous approval of the holders of such shares. A provision for shares redeemable at the option of the shareholder shall become invalid when the number of holders of such shares, other than directors, officers, employees and the spouses of such persons, shall become 25 or more. For the purposes of the preceding sentence, shares which are held in joint or common tenancy or by the entireties shall be counted as held by one holder. The provisions of this subsection shall not be applicable to an open-end investment company.

(4) If a provision for shares redeemable at the option of the holder shall have become invalid as provided in subsection 14A:7-6(3), the board shall amend the certificate of incorporation to delete such provision by filing a certificate of amendment in the office of the Secretary of State. The certificate shall be executed on behalf of the corporation and shall set forth

- the name of the corporation;
- the date of adoption of the amendment;
- the deleted provision; and
- that the provision for shares redeemable at the option of the holder has become invalid because the number of holders of such shares, other than directors, officers, employees and the spouses of such persons, has become 25 or more.

The corporation shall thereupon give written notice of such invalidity to each holder of shares which have ceased to be redeemable at the option of the holder.

34. N.J.S. 14A:7-7 is amended to read as follows:
14A:7-7 Share rights and options.

(1) Subject to any provisions in respect thereof set forth in its certificate of incorporation, a corporation may create and issue, whether or not in connection with the issuance and sale of any of its shares or bonds, rights or options entitling the holders thereof to purchase from the corporation shares of any class or series for such consideration and upon such terms and conditions as may be fixed by the board. The shares to be purchased upon the exercise of any such right or option may be authorized but unissued shares, treasury shares or shares to be purchased or acquired by the corporation for the purpose. Such rights or options shall be evidenced in such manner as the board shall approve and, without limiting the generality of the foregoing, may be evidenced by warrants attached to or forming part of bond instruments or share certificates or existing independently thereof. The instruments evidencing such rights or options shall set forth or incorporate by reference the terms and conditions of their exercise, including the time or times, which may be limited or unlimited in duration, within which, and the price or prices at which such shares may be purchased from the corporation, and any limitations on the transferability of any such right or option. The consideration for shares to be purchased upon the exercise of any such right or option shall comply with the requirements of sections 14A:7-4 and 14A:7-5. In the absence of fraud in the transaction, the judgment of the board as to the adequacy of the consideration received for such rights or options shall be conclusive.

(2) If such rights or options are to be issued to employees as defined in subsection 14A:8-1(2), or to their families, dependents or beneficiaries, pursuant to a plan, the provisions of Chapter 8 of this act govern their issuance. Without acting pursuant to a plan, a corporation may also issue such rights or options to any such employee, as an incentive to service or continued service of any such employee, provided, however, that shareholder approval shall be required for the issuance of any such right or option if the shares of the corporation subject thereto, together with the shares subject to or acquired by exercise of any rights or options previously issued by the corporation to such employee, his dependents or beneficiaries, would equal in number more than 1% of the shares of any class of the corporation outstanding at the date of the board action authorizing the issuance of such right or option.
35. N. J. S. 14A:7-8 is amended to read as follows:

14A:7-8 Determination of amount of stated capital.

(1) The consideration received by a corporation upon the issuance of shares having a par value shall constitute stated capital to the extent of the par value and the excess, if any, shall constitute capital surplus.

(2) The consideration received by a corporation upon the issuance of shares without par value shall constitute stated capital unless, prior to or within 60 days after the issuance of such shares, the board shall allocate a portion of such consideration to capital surplus. No such allocation shall be made of any portion of the consideration for the issue of shares without par value which is fixed by the shareholders pursuant to a right reserved in the certificate of incorporation, unless such allocation is authorized by a vote of the shareholders, nor shall such allocation be made contrary to any restrictions contained in the certificate of incorporation.

(3) If shares have been or shall be issued by a corporation in merger or consolidation or in acquisition of all or substantially all of the outstanding shares or of the property and assets of another corporation, whether domestic or foreign, any amount that would otherwise constitute capital surplus under the foregoing provisions of this section may instead be allocated to earned surplus by the board of the issuing corporation except that its aggregate earned surplus shall not exceed the sum of the earned surpluses of the issuing corporation and of all other corporations, domestic or foreign, that were merged or consolidated or of which the shares or assets were acquired.

(4) The stated capital of a corporation may be increased from time to time by resolution of the board directing that all or a part of the surplus of the corporation be transferred to stated capital. The board may direct that the amount so transferred shall be stated capital in respect to any designated class or series of shares.

36. N. J. S. 14A:7-11 is amended to read as follows:

14A:7-11 Certificates representing shares.

(1) The shares of a corporation shall be represented by certificates signed by, or in the name of the corporation by, the chairman or vice-chairman of the board, or the president or a vice-president, and by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation and may be sealed
with the seal of the corporation or a facsimile thereof. If the certificate is countersigned by a transfer agent or registrar, who is not an officer or employee of the corporation, any and all other signatures may be facsimiles. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon such certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer, transfer agent or registrar at the date of its issue.

(2) Every share certificate delivered after the effective date of this act by a corporation which is authorized to issue shares of more than one class shall set forth upon the face or back of the certificate, a full statement

(a) of the designations, relative rights, preferences and limitations of the shares of each class and series authorized to be issued, so far as the same have been determined, and

(b) of the authority of the board to divide the shares into classes or series and to determine and change the relative rights, preferences and limitations of any class or series, or

shall set forth that the corporation will furnish to any shareholder, upon request and without charge, such a full statement.

(3) Each certificate representing shares shall state upon the face thereof

(a) that the corporation is organized under the laws of this State;
(b) the name of the person to whom issued; and
(c) the number and class of shares, and the designation of the series, if any, which such certificate represents.

(4) No certificate shall be issued for any share until such share is fully paid, except as provided in section 14A:8-3.

(5) A card which is punched, magnetically coded or otherwise treated so as to facilitate machine or automatic processing, may be used as a share certificate if it otherwise complies with the provisions of this section.

37. N.J.S.14A:7-13 is amended to read as follows:

14A:7-13 Issuance of fractional shares or scrip.

Unless otherwise provided in its certificate of incorporation, a corporation may, but shall not be obliged to, issue fractions of a
share and certificates therefor. By action of its board, a corporation may, in lieu of issuing fractional shares, pay cash equal to the value of such fractional share, or issue scrip in registered or bearer form which shall entitle the holder to receive a certificate for a full share upon the surrender of such scrip aggregating a full share. A certificate for a fractional share shall entitle the holder to exercise voting rights, to receive dividends thereon, and to participate in any distribution of assets of the corporation in the event of liquidation, but scrip shall not entitle the holder to exercise such voting rights, receive dividends or participate in any such distribution of assets unless such scrip shall so provide. All scrip shall be issued subject to the condition that it shall become void if not exchanged for certificates representing full shares before a specified date. If such scrip is not so exchanged, the corporation shall either sell the shares for which such scrip was exchangeable and distribute the proceeds thereof pro rata to the holders of such scrip, or pay, pro rata, to the holders of such scrip the market value of the shares for which such scrip was exchangeable as of the day when such scrip became void.

38. N. J. S. 14A:7-15.1 is added as follows:

14A:7-15.1 Share divisions and combinations.

(1) A corporation may effect a division or combination of its shares in the manner hereinafter set forth. As used in this section, the terms “division” and “combination” mean dividing or combining shares of any class or series, whether issued or unissued, into a greater or lesser number of shares of the same class or series without in either case changing the stated capital of the corporation.

(2) Except as otherwise provided in the certificate of incorporation, a division or combination may be effected by action of the board alone unless (a) the rights or preferences of the holders of outstanding shares of any class or series will be adversely affected thereby or (b) the number of authorized but unissued shares will be increased thereby, in either of which cases shareholder approval shall be required in accordance with subsection 14A:9-2(4) and section 14A:9-3. In any case in which the board alone is authorized to effect a combination or division, it shall have authority to amend the certificate of incorporation to increase or decrease the par value of shares, increase or decrease the number of authorized shares or make any other change necessary or appropriate to assure that the rights or preferences of
the holders of outstanding shares of any class or series will not be adversely affected by such combination or division.

(3) If a division or combination is effected by board action without shareholder approval, there shall be executed on behalf of the corporation and filed in the office of the Secretary of State a certificate setting forth

(a) the name of the corporation;

(b) the date of adoption by the board of the resolution approving the division or combination;

(c) that the division or combination will not adversely affect the rights or preferences of the holders of outstanding shares of any class or series and will not, except as permitted by subsection 14A:7-15.1(5), increase the number of authorized but unissued shares;

(d) the class or series and number of shares thereof subject to the division or combination and the number of shares into which they are to be divided or combined;

(e) any amendment of the certificate of incorporation in connection with the division or combination, or that no amendment is being made; and

(f) if the division or combination is to become effective at a time subsequent to the time of filing, the date, which may not exceed 30 days from the date of filing, when the same is to become effective.

(4) If a division or combination is effected by action of the board and shareholders, there shall be executed on behalf of the corporation and filed in the office of the Secretary of State a certificate of amendment as provided in subsection 14A:9-4(3), which certificate shall set forth, in addition to all information required by said subsection, the information required by paragraph 14A:7-15.1(3) (d).

(5) Upon a combination becoming effective, the authorized shares of the class or series subject thereto shall be reduced by the number by which the issued shares of such class or series were reduced as a result of the combination unless the certificate of incorporation otherwise provides or the combination was approved by the shareholders in accordance with subsection 14A:9-2(4) and section 14A:9-3.
(6) Nothing herein shall be deemed to prevent the corporation from increasing or decreasing its stated capital as permitted by this act in connection with any division or combination effected pursuant to this section.

39. N. J. S. 14A:7-17 is amended to read as follows:

14A:7-17 Disclosure to shareholders upon certain distributions or earned surplus transactions.

(1) Every dividend or other distribution from a source in whole or in part other than earned surplus, and every share dividend or other distribution of shares of the corporation, except a share dividend paid out of earned surplus, shall be accompanied by a written notice disclosing the amounts by which such dividend or distribution affects stated capital, capital surplus and earned surplus, or, if such amounts are not determinable at the time of such notice, disclosing the approximate effect of such dividend or distribution upon stated capital, capital surplus and earned surplus and stating that such amounts are not yet determinable.

(2) A corporation which applies any part or all of its capital surplus to the reduction or elimination of any deficit in its earned surplus, as permitted by subsection 14A:7-20(3), shall disclose such application in the next financial statement covering the period in which such application is made that is furnished by the corporation to all its shareholders, or, if practicable, in the first notice of dividend or share distribution that is furnished to holders of each class or series of its shares between the date of such application and the next such financial statement, and in any event to all its shareholders within 16 months of the date of such application.

(3) Failure of the corporation to comply in good faith with the provisions of this section shall make it liable for any damage sustained by any shareholder in consequence thereof.

40. N. J. S. 14A:7-18 is amended to read as follows:

14A:7-18 Cancellation of reacquired shares.

(1) When shares of a corporation are reacquired out of stated capital or by their conversion into other shares of the corporation, the reacquisition shall effect their cancellation. When shares of a corporation are otherwise reacquired by it, the corporation may retain them as treasury shares or may cancel them by resolution of the board. In all cases of cancellation, except that of converted shares, a statement of cancellation shall be filed as provided in subsection 14A:7-18(2). Upon their cancellation, reacquired
shares shall be restored to the status of authorized but unissued shares, unless the certificate of incorporation, or the plan of merger or consolidation in the case of shares acquired by the corporation pursuant to Chapter 11 of this act, provides that such shares shall not be reissued, in which case the filing of the statement of cancellation, pursuant to a resolution of the board, shall constitute an amendment to the certificate of incorporation and shall reduce the authorized number of shares by the number of shares so cancelled.

(2) The statement of cancellation shall be executed on behalf of the corporation and filed in the office of the Secretary of State not later than 30 days after the cancellation of the reacquired shares. The statement shall set forth:

(a) the name of the corporation;

(b) the number of shares cancelled, itemized by classes and series, and if cancelled shares were not reacquired out of stated capital or by their conversion into other shares of the corporation, the date of adoption of the resolution of the board cancelling such shares;

(c) the aggregate number of issued shares, itemized by classes and series, after giving effect to such cancellation;

(d) the amount, expressed in dollars, of the stated capital of the corporation after giving effect to such cancellation;

(e) if the certificate of incorporation, or the plan of merger or consolidation in the case of shares acquired by the corporation pursuant to Chapter 11 of this act, provides that the cancelled shares shall not be reissued

(i) that the certificate of incorporation is amended pursuant to a resolution of the board by decreasing the aggregate number of shares which the corporation is authorized to issue by the number of shares cancelled, and

(ii) the number of shares which the corporation has authority to issue, itemized by classes and series, after giving effect to such cancellation; and

(f) if shareholder approval is required by subsection 14A:7-18(3) for a reduction of the stated capital of the corporation, a statement of the date of approval by the shareholders, the number of shares entitled to vote thereon, and the number of shares voted for and against the reduction of the stated capital, respectively; and, if any class or series of shares is entitled to
vote thereon as a class, a separate statement of such facts for each class and series entitled to vote separately.

(3) Except as otherwise provided in this subsection, upon the cancellation of reacquired shares of any class or series the stated capital of the corporation shall be reduced by the amount represented by such shares before their cancellation. The stated capital represented by each share shall be deemed to be the amount of stated capital represented by all issued shares of such class or series, including the cancelled shares, divided by the total number of such issued shares. In the case of shares without par value for whose issue the consideration was fixed by the shareholders, as provided in subsection 14A:7-4(2), if such shares are not redeemable and are not preferred over the shares of any other class or series in the payment of dividends or in the distribution of assets upon liquidation and have not been reacquired for any of the purposes set forth in subsection 14A:7-16(2), their cancellation shall cause a reduction of the stated capital only to the extent, if any, that the stated capital represented by such shares exceeded the minimum amount required, as provided in subsection 14A:7-8(2), unless such further reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation. This subsection shall not be applicable to converted shares.

(4) A statement of cancellation of converted shares shall be filed only if the certificate of incorporation provides that such shares shall not be reissued. The statement of cancellation shall set forth the information required by paragraphs 14A:7-18(2)(a), (b), (c) and (e) and shall be filed not later than 60 days after the close of the fiscal year in which the shares were reacquired.

(5) Nothing contained in this section shall be construed to forbid a cancellation of shares or a reduction of stated capital in any other manner permitted by this act.

41. N. J. S. 14A:7-19 is amended to read as follows:

14A:7-19 Reduction of stated capital by board action.

(1) Unless otherwise provided in the certificate of incorporation and subject to the provisions of subsections 14A:7-19(3), 14A:7-19(4) and 14A:7-19(5), a reduction of stated capital of a corporation, where such reduction does not require an amendment of the certificate of incorporation and is not accompanied by a cancellation of shares, may be made by resolution of the board setting forth
the amount of the proposed reduction, the manner in which the reduction shall be effected and the date upon which the reduction shall become effective.

(2) A statement of such reduction shall be executed on behalf of the corporation and filed in the office of the Secretary of State not later than 30 days after the effective date of the reduction. Such statement shall set forth

(a) the name of the corporation;

(b) a statement of the amount of the reduction, the manner in which such reduction is effected, and the amount, expressed in dollars, of stated capital of the corporation after giving effect to such reduction; and

(c) if shareholder approval is required for a reduction of the stated capital of the corporation, a statement of the date of approval by the shareholders, the number of shares entitled to vote thereon, and the number of shares voted for and against the reduction of the stated capital, respectively; and, if any class or series of shares is entitled to vote thereon as a class, a separate statement of such facts for each class and series entitled to vote separately.

(3) Unless the certificate of incorporation otherwise provides, the board shall have discretion to reduce the stated capital of shares under this section without regard to the aggregate amount of the preferences of issued shares in the assets of the corporation upon liquidation, provided that stated capital after such reduction shall not be less than the aggregate amount of the par value of all issued shares with par value.

(4) If the consideration for the issue of shares without par value was fixed by the shareholders under subsection 14A:7-4(2), the board shall not reduce the stated capital represented by such shares except to the extent, if any, that the board was authorized by the shareholders to allocate a portion of such consideration to surplus, as provided in subsection 14A:7-8(2), unless such further reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation.

(5) Stated capital which remains in existence, because of the applicability of the third sentence of subsection 14A:7-18 (3), after the cancellation of the shares which formerly represented it, shall not be reduced by the board unless such reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation.
42. N. J. S. 14A:8-1 is amended to read as follows:

Employee benefit plans.
14A:8-1. Employee benefit plans.

(1) A corporation may, in the manner prescribed in section 14A:8-2, establish and carry out wholly or partly at its expense, any one or more of the following plans for the benefit of some or all employees, as hereinafter defined, and their families, dependents or beneficiaries:

(a) plans providing for the sale or distribution of its shares of any class or series, held by it or issued or purchased by it for the purpose, including stock option, stock purchase, stock bonus, profit-sharing, savings, pension, retirement, deferred compensation and other plans of similar nature, whether or not such plans also provide for the distribution of cash or property other than its shares;

(b) plans providing for payments solely in cash or property other than shares of the corporation, including profit-sharing, bonuses, savings, pension, retirement, deferred compensation and other plans of similar nature; and

(c) plans for the furnishing of medical services; life, sickness, accident, disability or unemployment insurance or benefits; education; housing; social and recreational services; and other similar aids and services.

(2) The term "employees" as used in this Chapter means employees, officers, directors, and agents of the corporation or any subsidiary thereof, or other persons who are or have been actively engaged in the conduct of the business of the corporation or any subsidiary thereof, including any who have retired, become disabled or died prior to the establishment of any plan heretofore or hereafter adopted.

43. Section 12 of P. L. 1969, c. 102 (C. 14A:8-1.1) is amended to read as follows:

C. 14A:8-1.1 Continuance or amendment of benefit plan.
12. A corporation which on January 1, 1969 was lawfully carrying out or participating in a plan of a type described in New Jersey Statute 14A:8-1 may continue to do so, but any amendment shall require shareholder approval to the same extent as if such plan had been originally established in accordance with the requirements of Chapter 8 of the New Jersey Business Corporation Act.
44. N. J. S. 14A:8-2 is amended to read as follows:

14A:8-2 Formulation of plans; submission to shareholders in certain instances.

The board alone, by affirmative vote of a majority of directors in office, may adopt any plan described in section 14A:8-1 and may include such provisions therein as the board may deem advisable; provided that the approval of the shareholders shall be required for the adoption of any plan which permits the use or issuance of treasury shares or authorized but unissued shares, and shall also be required for the adoption of any other plan if the certificate of incorporation or the by-laws so provide. Nothing herein or in subsection 14A:7-7(2) shall be deemed to require shareholder approval for the issuance by a corporation of share options or rights in substitution for outstanding options or rights issued by another corporation prior to its merger or consolidation with, or the acquisition of its shares or assets by, the corporation issuing such substituted options or rights or its subsidiary.

45. N. J. S. 14A:8-3 is amended to read as follows:

14A:8-3 Terms of plan; issuance of certificates.

Every plan described in section 14A:8-1 providing for the sale or distribution of shares shall specify the maximum number of shares, subject to adjustment in the event of changes in the capital structure of the corporation, which may be sold or distributed thereunder, and shall include, or shall authorize the board or a committee thereof to fix, the terms and conditions upon which shares are to be sold or distributed or options to purchase shares are to be issued, such as, but without limitation thereto, any restrictions on the number of shares that eligible individuals may have the right to purchase or receive, the method of administering the plan, the terms and conditions of payment for shares in full or in installments, the issue of certificates for shares to be paid for in installments, any limitations upon the transferability of such shares and the voting and dividend rights to which the holders of such shares may be entitled, though the full amount of the consideration therefor has not been paid; provided that, except as permitted by section 14A:6-11, no certificate for shares shall be delivered under the plan, prior to full payment in cash, property or services therefor, unless the fact that the shares are partly paid for is noted conspicuously on the face of such certificate, or such certificate is deposited with a trustee to be held pursuant to the terms of a plan or an appropriate agreement.
46. N. J. S. 14A:8-4 is amended to read as follows:

14A:8-4 Amendment or termination of plans.
(1) Unless otherwise provided in the plan, the board may amend or terminate any plan described in section 14A:8-1 heretofore or hereafter adopted, provided that

(a) any amendment made by the board to a plan which was approved by the shareholders in accordance with section 14A:8-2 shall be submitted to the shareholders for approval, unless the board shall have determined that such amendment will not result in a material increase in the cost of the plan to the corporation; and

(b) any amendment made by the board to a plan which, under section 14A:8-2, did not initially require shareholder approval, shall require shareholder approval, if the effect of such amendment is to include in the plan a provision, which if originally included in the plan, would have required shareholder approval of the plan.

(2) No amendment or termination of any such plan, whether made by the board alone or by the board with the approval of the shareholders, shall impair any rights which have accrued under the plan or deprive any employee or beneficiary of the employee of the equivalent in cash or other benefits of the contributions of the employee under the plan.

47. N. J. S. 14A:9-2 is amended to read as follows:

14A:9-2 Procedure to amend certificate of incorporation.
(1) Before the organization meeting of the board, the incorporators may amend the certificate of incorporation by complying with subsection 14A:9-4(1).

(3) An amendment of the certificate of incorporation pursuant to a plan of merger may be made in the manner provided in Chapter 10 of this act.
(4) All other amendments of the certificate of incorporation shall be made in the following manner:

(a) The board shall approve the proposed amendment and direct that it be submitted to a vote at a meeting of the shareholders.

(b) Written notice setting forth the proposed amendment or a summary of the changes to be effected thereby shall be given to each shareholder of record entitled to vote thereon within the time and in the manner provided in this act for the giving of notice of meetings of shareholders.

(c) At such meeting a vote of shareholders entitled to vote thereon shall be taken on the proposed amendment. The proposed amendment shall be adopted upon receiving the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote thereon and, in addition, if any class or series of shares is entitled to vote thereon as a class, the affirmative vote of a majority of the votes cast in each class vote; except that, in the case of a corporation organized prior to the effective date of this act, the proposed amendment shall be adopted upon receiving the affirmative vote of two-thirds of the votes so cast. The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments, or as may be provided in the certificate of incorporation.

(d) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in paragraph 14A:9-2(4) (c) by amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(e) Any number of amendments may be acted upon at one meeting.

(f) Upon adoption, a certificate of amendment shall be filed in the office of the Secretary of State as provided in section 14A :9-4.

48. N. J. S. 14A :9-4 is amended to read as follows:

14A:9-4 Certificate of amendment.

(1) If the amendment is made as provided by subsection 14A :9-2(1), a certificate of amendment shall, subject to subsection 14A:2-6(3), be signed by all the incorporators, shall set forth the
name of the corporation and the amendment so adopted, and shall recite that the amendment is made by unanimous consent of the incorporators before the organization meeting of the directors.

(2) If the amendment is made by the board as referred to in subsection 14A:9-2(2), a certificate of amendment shall be executed on behalf of the corporation. The certificate shall set forth the information required by the section of this act which empowers the board to make the amendment.

(3) If the amendment is made as provided by subsection 14A:9-2(4), a certificate of amendment shall be executed on behalf of the corporation and shall set forth

(f) if such amendment is intended to provide for an exchange, reclassification or cancellation of issued shares, a statement of the manner in which the same shall be effected; and
(g) if, pursuant to subsection 14A:9-4(5), the amendment is to become effective at a time subsequent to the time of filing, the date when the amendment is to become effective.

(4) If such amendment is accompanied by a reduction of stated capital, the corporation may also include in the certificate, at its discretion, in lieu of a statement of reduction under section 14A:7-19, a statement of the amount of the reduction, the manner in which the reduction is effected, and the amount, expressed in dollars, of stated capital of the corporation after giving effect to the reduction.

(5) Each certificate of amendment of the certificate of incorporation shall be filed in the office of the Secretary of State and
the amendment shall become effective upon the date of filing or at such later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate. If the certificate of amendment includes a statement provided for in subsection 14A:9-4(4), the stated capital shall be reduced when the amendment becomes effective.

49. N. J. S. 14A:9-5 is amended to read as follows:

14A:9-5 Restated certificate of incorporation.

(1) A corporation may restate and integrate in a single certificate the provisions of its certificate of incorporation as theretofore amended, including any provision effected by a merger or consolidation and any further amendments as may be adopted concurrently with the restated certificate.

(2) If the proposed restated certificate merely restates and integrates, but does not substantively amend the certificate of incorporation as theretofore amended, it may be adopted by the board.

(3) If the proposed restated certificate restates and integrates and also substantively amends the certificate of incorporation as theretofore amended, such restated certificate shall be adopted in the following manner:

(a) the board shall approve the proposed restated certificate and direct that it be submitted to a vote at a meeting of the shareholders;

(b) written notice setting forth the proposed restated certificate shall be given to each shareholder of record entitled to vote thereon within the time and in the manner provided in this act for the giving of notice of such meeting;

(c) at such meeting a vote of shareholders entitled to vote thereon shall be taken on the proposed restated certificate. The proposed restated certificate shall be adopted upon receiving a number of votes sufficient to adopt an amendment to the corporation's certificate of incorporation. The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments or as may be provided in the certificate of incorporation.

(4) The restated certificate shall recite that it is a restated certificate and shall contain all such provisions as are required in an original certificate of incorporation filed at the time the restated certificate is filed, except that
(a) it shall state the address of the corporation's then current registered office, and the name of its then current registered agent, and it shall also state the number, names and addresses of the directors constituting its then current board;

(b) it need not include statements as to the incorporator or incorporators or as to the first directors or the first registered office and registered agent;

(c) if, pursuant to subsection 14A:9-5(6), the restated certificate is to become effective subsequent to the time of filing, it shall state the date when it is to become effective.

(5) The restated certificate shall be executed on behalf of the corporation, and shall be filed in the office of the Secretary of State. There shall be attached to it and filed therewith a certificate executed on behalf of the corporation and setting forth

(a) the name of the corporation;
(b) the date such restated certificate was adopted; and
(c) if the restated certificate was adopted by the shareholders, it shall also set forth

(i) the number of shares entitled to vote thereon, and, if the shares of any class or series are entitled to vote thereon as a class, the designation and number of shares entitled to vote thereon of each such class and series;

(ii) the number of shares voted for and against such adoption, and, if the shares of any class or series are entitled to vote thereon as a class, the number of shares of each such class and series voted for and against such adoption; and

(iii) if any amendment of the certificate of incorporation made by such restated certificate is intended to provide for an exchange, reclassification, or cancellation of issued shares, a statement of the manner in which the same shall be effected.

(6) The restated certificate shall become effective upon the date of filing with the Secretary of State or at such later time, not to exceed 30 days from the date of filing, as may be set forth therein. A restated certificate adopted in the manner prescribed herein, whether by action of the board alone pursuant to subsection 14A:9-5(2) or by action of the board and the shareholders pursuant to subsection 14A:9-5(3), shall supersede for all purposes the original certificate of incorporation and all amendments thereto made prior to the adoption of such restated certificate, and such restated certificate may be separately certified as the certificate of incorporation.
50. N. J. S. 14A:9-6 is amended to read as follows:

**14A:9-6 Abandonment of amendment or restated certificate.**

Prior to the effective date of an amendment of the certificate of incorporation or of a restated certificate for which shareholder approval is required under the provisions of this act, such amendment or such restated certificate may be abandoned pursuant to provisions therefor, if any, set forth in the resolution of the shareholders approving such amendment or such restated certificate or in any resolution subsequently adopted by the shareholders. If a certificate of amendment or a restated certificate has been filed in the office of the Secretary of State prior to such abandonment, a certificate of abandonment shall be filed in the office of the Secretary of State. The certificate shall state that the amendment or the restated certificate has been abandoned in accordance with the provisions therefor set forth in the resolution of the shareholders.

51. N. J. S. 14A:10-1 is amended to read as follows:

**14A:10-1 Procedure for merger.**

(1) Any two or more domestic corporations may merge into one of such corporations pursuant to a plan of merger approved in the manner provided in this act.

(2) The board of each corporation shall approve a plan of merger setting forth

(a) the names of the corporations proposing to merge, and the name of the corporation into which they propose to merge, which is hereinafter designated as the surviving corporation;

(b) the terms and conditions of the proposed merger, including a statement of any amendments in the certificate of incorporation of the surviving corporation to be effected by such merger;

(c) the manner and basis of converting the shares of each corporation into shares, obligations, or other securities of the surviving corporation or of any other corporation or, in whole or in part, into cash or other property; and

(d) such other provisions with respect to the proposed merger as are deemed necessary or desirable.

52. N. J. S. 14A:10-2 is amended to read as follows:

**14A:10-2 Procedure for consolidation.**

(1) Any two or more domestic corporations may consolidate into a new corporation pursuant to a plan of consolidation approved in the manner provided in this act.
(2) The board of each corporation shall approve a plan of consolidation setting forth

(a) the names of the corporations proposing to consolidate, and the name of the new corporation into which they propose to consolidate, which is hereinafter designated as the new corporation;

(b) the terms and conditions of the proposed consolidation;

(c) the manner and basis of converting the shares of each corporation into shares, obligations or other securities of the new corporation, or of any other corporation or, in whole or in part, into cash or other property;

(d) with respect to the new corporation, all of the statements required to be set forth in the certificate of incorporation for corporations organized under this act, except that it shall not be necessary to set forth the name and address of each incorporator; and

(e) such other provisions with respect to the proposed consolidation as are deemed necessary or desirable.

53. N. J. S. 14A:10-3 is amended to read as follows:

14A:10-3 Approval by shareholders.

(1) The board of each corporation, upon approving such plan of merger or plan of consolidation, shall direct that the plan be submitted to a vote at a meeting of shareholders. Written notice shall be given not less than 20 nor more than 60 days before such meeting to each shareholder of record, whether or not entitled to vote at such meeting, in the manner provided in this act for the giving of notice of meetings of shareholders. Such notice shall include, or shall be accompanied by

(a) a copy or a summary of the plan of merger or consolidation; and

(b) a statement informing shareholders who, under Chapter 11 of this act, are entitled to dissent, that they have the right to dissent and to be paid the fair value of their shares and outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in Chapter 11 of this act with which they must comply in order to assert and enforce such right.

(2) At each such meeting, a vote of the shareholders shall be taken on the proposed plan of merger or consolidation. Such plan shall be approved upon receiving the affirmative vote of a majority
of the votes cast by the holders of shares of each such corporation entitled to vote thereon, and, in addition, if any class or series is entitled to vote thereon as a class, the affirmative vote of a majority of the votes cast in each class vote; except that, in the case of a corporation organized prior to the effective date of this act, the plan of merger or consolidation shall be approved upon receiving the affirmative vote of two-thirds of the votes so cast. Any class or series of shares of any such corporation shall be entitled to vote as a class if the plan of merger or consolidation, as the case may be, contains any provision which, if contained in a proposed amendment to the certificate of incorporation, would entitle such class or series of shares to vote as a class unless such provision is one which could be adopted by the board without shareholder approval as referred to in subsection 14A:9-2(2). The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments or as may be provided in the certificate of incorporation.

(3) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in subsection 14A:10-3(2) by an amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(4) Notwithstanding the provisions set forth in subsections 14A:10-3(1) and 14A:10-3(2), the approval of the shareholders of a surviving corporation shall not be required to authorize a merger unless its certificate of incorporation otherwise provides if

(a) the plan of merger does not make an amendment of the certificate of incorporation of the surviving corporation which is required by the provisions of this act to be approved by the shareholders; and

(b) either (i) no shares of common stock of the surviving corporation and no securities convertible into such common shares are to be issued or delivered under the plan of merger or (ii) the number of common shares of the surviving corporation to be issued or delivered under such plan, plus those initially issuable upon conversion of any other securities to be issued or delivered under such plan, does not exceed 20% of the following: the number of common shares of the surviving corporation outstanding immediately prior to the merger becoming effective plus the number of such common shares, if any, initially issuable upon conversion of any other securities then outstanding.
54. N. J. S. 14A:10-4 is amended to read as follows:

**14A:10-4 Certificate of merger or consolidation.**

(1) After approval of the plan of merger or consolidation, a certificate of merger or a certificate of consolidation shall be executed on behalf of each corporation. The certificate shall set forth

(a) the plan of merger or the plan of consolidation;

(b) as to each corporation whose shareholders are entitled to vote, the number of shares entitled to vote thereon, and, if the shares of any class or series are entitled to vote thereon as a class, the designation and number of shares entitled to vote thereon of each such class or series;

(c) as to each corporation whose shareholders are entitled to vote, the number of shares voted for and against such plan, respectively, and, if the shares of any class are entitled to vote as a class, the number of shares of each such class or series voted for and against such plan, respectively; and

(a) whenever its certificate of incorporation requires shareholder approval of such a merger; or

(b) pursuant to section 14A:10-3 where

(i) the plan of merger contains a provision which would change any part of the certificate of incorporation of the parent corporation into which a subsidiary corporation is being merged, unless such change is one that can be made by the board without shareholder approval as referred to in subsection 14A:9-2(2); or

case of the merger or consolidation of domestic corporations except insofar as the laws of the jurisdiction of incorporation of such foreign corporation shall provide otherwise.

(4) One or more foreign corporations and one or more domestic corporations may be merged in the manner provided in section 14A:10-5, provided that, if the parent corporation is a foreign corporation, it shall, notwithstanding the provisions of the laws of its jurisdiction of incorporation, comply with the provisions of subsection 14A:10-5(2) with respect to notice to shareholders of any domestic subsidiary corporation which is a party to the merger.

57. N. J. S. 14A:10-9 is amended to read as follows:

14A:10-9 Acquisition of all the shares, or a class or series of shares, of a corporation.

(1) Subject to the limitations imposed by any other statute of this State, any domestic corporation may, in the manner provided by this section, acquire, in exchange for its shares, all the shares, or all the shares of any class or series, of any other corporation organized under any statute of this State.

(2) Such acquiring corporation shall submit by first-class mail to all holders of the shares to be acquired a written offer which shall

(a) specify the shares to which such offer relates;

(b) prescribe the terms and conditions of such offer, including the method of acceptance thereof and the manner of exchanging such shares;

(c) contain a statement summarizing the rights of such shareholders as provided in paragraph 14A:10-9(3)(b).

Any such offer may provide for the payment of cash in lieu of the issuance of fractional shares of the acquiring corporation.

(3) If, within 120 days after the date of such mailing, the offer is accepted by the holders of not less than 90% of the shares of each class and series to which the offer relates, other than shares already held at the date of mailing by, or by a nominee for, the acquiring corporation or any subsidiary thereof, the acquiring corporation shall, within 60 days after such acceptance:

(a) execute and file a certificate in the office of the Secretary of State setting forth such acceptance; and

(b) give written notice of such acceptance, by registered or certified mail, return receipt requested, to each holder of such
shares to which the offer relates, who has not accepted the offer. Such notice shall include, or be accompanied by, a statement

(i) that such shareholders may elect either to accept the offer or to dissent therefrom and be paid the fair value of their shares provided that they file with the acquiring corporation, not later than 20 days after the mailing of such written notice, a written demand for the fair value of their shares as required by subsection 14A:11-2(5), and otherwise comply with the procedures set forth in Chapter 11 of this act;

(ii) outlining briefly, with particular reference to the time periods within which actions must be taken, the procedures set forth in Chapter 11 of this act with which they must comply; and

(iii) that if such shareholders do not make written demand for the payment of the fair value of their shares within said 20-day period, they shall be deemed to have accepted the offer.

(4) Upon the filing of such certificate in the office of the Secretary of State as required by paragraph 14A:10-9(3) (a)

(a) the acquiring corporation shall cause to be issued to the holders of shares who have accepted or who are deemed to have accepted such offer pursuant to the provisions of paragraph 14A:10-9(3) (b) certificates for shares of the acquiring corporation to which they respectively are entitled;

(b) all shares in exchange for which shares of the acquiring corporation are so issued shall become the property of the acquiring corporation, irrespective of whether the certificates for such shares have been surrendered for exchange, and the acquiring corporation shall be entitled to have new certificates registered in its name as the holder thereof; and

(c) the acquiring corporation, or a corporate fiduciary designated by it, shall hold in trust, for delivery to the persons entitled thereto, certificates for its shares registered in the names of any holders, other than shares of dissenting shareholders, who have not surrendered their shares for exchange in accordance with the offer, and shall hold in trust, for payment to the persons entitled thereto, any cash payable in lieu of fractional shares.

(5) This section shall not be construed to prevent a corporation from making an offer to purchase the shares of another corpora-
tion conditioned upon the acceptance of holders of less than 90% of the shares to which such offer relates. Such an offer may be joined as an alternate offer with an offer made pursuant to this section; but in no case shall the acquiring corporation have the right to avail itself of the provisions of this section unless the holders of the percentage of shares to which the offer relates required by subsection 14A:10-9(3) shall accept the offer within the time period required by subsection 14A:10-9(3).

(6) Whenever a corporation whose capital stock is acquired pursuant to this section is a stock insurance company organized under any law of this State (hereinafter called the insurance subsidiary),

(b) upon a finding by the Commissioner of Banking and Insurance that the acquiring corporation has failed or refused to take such steps as may be necessary to remove from office any of the directors or officers referred to in paragraph 14A:10-9(6)(a) hereinof whom the commissioner, after hearing upon notice to such acquiring corporation and such officer or director, has found to be a dishonest or untrustworthy person, the commissioner may forthwith take possession of the property and business of the insurance subsidiary as provided in chapter 30 of Title 17 of the Revised Statutes, and

(c) upon a finding by the Commissioner of Banking and Insurance that access to specified books and records of the acquiring corporation which relate to the condition and affairs of the insurance subsidiary is necessary to the discharge of his regulatory duties with respect to such subsidiary under Title 17 of the Revised Statutes, the commissioner may have access to the books and records which he has so specified and the acquiring corporation shall answer any inquiry by him which is pertinent thereto.

(d) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in paragraph 14A:10-11(1) (c) by an amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.
(2) Notwithstanding such approval or authorization by the shareholders, the board may abandon such sale, lease, exchange, or other disposition of assets, subject to the rights of third parties under any contracts relating thereto, without further action by the shareholders.

(3) The sale, lease, exchange, or other disposition of all, or substantially all, the assets of one or more subsidiaries of a corporation, if not in the usual and regular course of business as conducted by such subsidiary or subsidiaries, shall be treated as a disposition within the meaning of subsection 14A:10-11(1) if the subsidiary or subsidiaries constitute all, or substantially all, the assets of the corporation.

(e) the fact that the corporation is dissolved because of expiration of the period of duration stated in its certificate of incorporation. (Added by L. 1973, c. 366, § 66.)

67. N. J. S. 14A:12-7 is amended to read as follows:

14A:12-7 Involuntary dissolution; other remedies.

(1) The Superior Court, in an action brought under this section, may appoint a custodian, appoint a provisional director, order a sale of the corporation’s stock as provided below, or enter a judgment dissolving the corporation, upon proof that

(a) the shareholders of the corporation are so divided in voting power that, for a period which includes the time when two consecutive annual meetings were or should have been held, they have failed to elect successors to directors whose terms have expired or would have expired upon the election and qualification of their successors; or
(b) the directors of the corporation, or the person or persons having the management authority otherwise in the board, if a provision in the corporation’s certificate of incorporation contemplated by subsection 14A:5-21(2) is in effect, are unable to effect action on one or more substantial matters respecting the management of the corporation’s affairs; or

(c) in the case of a corporation having 25 or less shareholders, the directors or those in control have acted fraudulently or illegally, mismanaged the corporation, or abused their authority as officers or directors or have acted oppressively or unfairly toward one or more minority shareholders in their capacities as shareholders, directors, officers, or employees.

(2) An action may be brought under this section by one or more directors or by one or more shareholders. In such action, in the case of appointment of a custodian or a provisional director, the court may proceed in a summary manner or otherwise.

(3) One or more provisional directors may be appointed if it appears to the court that such an appointment may be in the best interests of the corporation and its shareholders, notwithstanding any provisions in the corporation’s by-laws, certificate of incorporation, or any resolutions adopted by the board or shareholders. A provisional director shall have all the rights and powers of a duly elected director of the corporation, including the right to notice of and to vote at meetings of directors, until such time as he shall be removed by order of the court or, unless otherwise ordered by the court, by a vote or written consent of a majority of the votes entitled to be cast by the holders of shares entitled to vote to elect directors.

(4) A custodian may be appointed if it appears to the court that such an appointment may be in the best interests of the corporation and its shareholders, notwithstanding any provisions in the corporation’s by-laws, certificate of incorporation, or any resolutions adopted by the shareholders or the board. Subject to any limitations which the court imposes, a custodian shall be entitled to exercise all of the powers of the corporation’s board and officers to the extent necessary to manage the affairs of the corporation in the best interests of its shareholders and creditors, until such time as he shall be removed by order of the court or, unless otherwise ordered by the court, by the vote or written consent of a majority of the votes entitled to be cast by the holders of shares entitled to vote to elect directors. Such powers may be exercised directly or
through, or in conjunction with, the corporation's board or officers, in the discretion of the custodian or as the court may order. If so provided in the order appointing him, a custodian shall have the fact-determining powers of a receiver as provided in subsections 14A:14-5(e) and (f).

(5) Any custodian or provisional director shall be an impartial person who is neither a shareholder nor a creditor of the corporation or of any subsidiary or affiliate of the corporation.

(6) Any custodian or provisional director shall report from time to time to the court concerning the matter complained of, or the status of the deadlock, if any, and of the status of the corporation's business, as the court shall direct. In addition, he shall submit to the court, if so directed, his recommendations as to the appropriate disposition of the action. If, after the appointment of a custodian or provisional director, the court determines that a judgment of dissolution is in the best interests of the shareholders of the corporation, such a judgment shall be entered. The court may continue any custodian or provisional director in such office subsequent to the entry of a judgment of dissolution and until such time as the affairs of the corporation are wound up, or it may appoint such person or another as receiver, as provided in section 14A:12-15.

(7) In any proceeding under this section, the court shall allow reasonable compensation to the custodian or provisional director for his services and reimbursement or direct payment of his reasonable costs and expenses which amounts shall be paid by the corporation.

(8) Upon motion of the corporation or a holder or holders of 50 percent or more of the outstanding voting shares of the corporation, before or after the appointment of a custodian or provisional director, the court may order the sale by the plaintiff or plaintiffs of all shares of the corporation's stock held by them to either the corporation or the moving shareholders, whichever is specified in the motion, if the court determines in its discretion that such an order would be fair and equitable to all parties under all of the circumstances of the case.

(a) The purchase price of any shares so sold shall be their fair value as of the date of the commencement of the action or such earlier or later date deemed equitable by the court, plus or minus any adjustments deemed equitable by the court if the action was brought in whole or in part under paragraph 14A:12-7(1)(e).
(b) Within five days after the entry of any such order, the corporation shall provide each selling shareholder with the information it is required to provide a dissenting shareholder under section 14A:11–6, and within 10 days after entry of the order the purchasing party shall make a written offer to purchase at a price deemed by the purchasing party to be the fair value of the shares.

(c) If the parties are unable to agree on fair value within 40 days of entry of the order, the court shall make the determination of the fair value, and the provisions of sections 14A:11–8 through 14A:11–11 shall be followed insofar as they are applicable.

(d) Interest may be allowed at the rate and from the date determined by the court to be equitable, and if the court finds that the refusal of the shareholder to accept any offer of payment was arbitrary, vexatious, or otherwise not in good faith, no interest shall be allowed. If the court finds that the action was maintainable under paragraph 14A:12–7(1)(c), the court in its discretion may award to the selling shareholder or shareholders reasonable fees and expenses of counsel and of any experts, including accountants, employed by them.

(e) The purchase price shall be paid in cash within 30 days after the court has determined the fair value of the shares.

(f) Upon entry of an order for the sale of shares under this subsection, and provided the corporation or the moving shareholders post a bond in adequate amount with sufficient sureties or otherwise satisfy the court that the full purchase price of the shares, plus such additional costs, expenses, and fees as may be awarded, will be paid when due and payable, the selling shareholders shall no longer have any rights or status as shareholders, officers, or directors, except the right to receive the fair value of their shares plus such other amounts as might be awarded. In such event, the court may remove any custodian or provisional director who may have been appointed.

(9) In determining whether to enter a judgment of dissolution in an action brought under this section, the court shall take into consideration whether the corporation is operating profitably and in the best interests of its shareholders, but shall not deny entry of such a judgment solely on that ground.

(10) If the court determines that any party to an action brought under this section has acted arbitrarily, vexatiously, or otherwise
not in good faith, it may in its discretion award reasonable expenses, including counsel fees incurred in connection with the action, to the injured party or parties.

68. N. J. S. 14A:12-8 is amended to read as follows:

14A:12-8 Effective time of dissolution.
A corporation is dissolved
(a) when the period of duration stated in the corporation’s certificate of incorporation expires and the corporation files a certificate of dissolution in the office of the Secretary of State pursuant to section 14A:12-5.1; or
(b) upon the proclamation of the Secretary of State issued pursuant to section 54:11-2 of the Revised Statutes; or
(c) when a certificate of dissolution is filed in the office of the Secretary of State pursuant to sections 14A:12-2, 14A:12-3, 14A:12-4 or 14A:12-5, except when a later time not to exceed 30 days after the date of filing is specified in the certificate of dissolution; or
(d) when a judgment of forfeiture of corporate franchises or of dissolution is entered by a court of competent jurisdiction.

69. N. J. S. 14A:12-9 is amended to read as follows:

14A:12-9 Effect of dissolution.
(1) Except as a court may otherwise direct, a dissolved corporation shall continue its corporate existence but shall carry on no business except for the purpose of winding up its affairs by
(a) collecting its assets;
(b) conveying for cash or upon deferred payments, with or without security, such of its assets as are not to be distributed in kind to its shareholders;
(c) paying, satisfying and discharging its debts and other liabilities; and
(d) doing all other acts required to liquidate its business and affairs.

(2) Subject to the provisions of subsection 14A:12-9(1), and except as otherwise provided by court order, the corporation, its officers, directors and shareholders shall continue to function in the same manner as if dissolution had not occurred. In particular, and without limiting the generality of the foregoing,
(a) the directors of the corporation shall not be deemed to be trustees of its assets and shall be held to no greater standard of conduct than that prescribed by section 14A:6-14;
(b) title to the corporation's assets shall remain in the corporation until transferred by it in the corporate name;

(c) the dissolution shall not change quorum or voting requirements for the board or shareholders, nor shall it alter provisions regarding election, appointment, resignation or removal of, or filling vacancies among, directors or officers, or provisions regarding amendment or repeal of by-laws or adoption of new by-laws;

(d) shares may be transferred until the record date of the final liquidating distribution or dividend to shareholders;

(e) the corporation may sue and be sued in its corporate name and process may issue by and against the corporation in the same manner as if dissolution had not occurred;

(f) no action brought against any corporation prior to its dissolution shall abate by reason of such dissolution.

(3) The right of the corporation to sell its assets and the right of a shareholder to dissent from such sale shall be governed by Chapters 10 and 11 in the same manner as if dissolution had not occurred.

(4) A dissolved corporation may condition the payment to its shareholders

(a) of any partial liquidating distribution or dividend on the surrender to it of the share certificates on which the distribution or dividend is to be paid for endorsement to reflect such payment; or

(b) of the final liquidating distribution or dividend on the surrender to it for cancellation of the share certificates on which the distribution or dividend is to be paid.

70. N. J. S. 14A:12-12 is amended to read as follows:

14A:12-12 Notice to creditors; filing claims.

(1) At any time after a corporation has been dissolved, the corporation, or a receiver appointed for the corporation pursuant to this chapter, may give notice requiring all creditors to present their claims in writing. Such notice shall be published 3 times, once in each of 3 consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims to the corporation or the receiver, as the case may be, at a place and on
or before a date named in the notice, which date shall not be less than 6 months after the date of the first publication.

(2) On or before the date of the first publication of the notice as provided in subsection 14A:12-12(1), the corporation, or the receiver, as the case may be, shall mail a copy of the notice to each known creditor of the corporation. The giving of such notice shall not constitute recognition that any person to whom such notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.

(3) As used in this section, "creditor" means all persons to whom the corporation is indebted, and all other persons who have claims or rights against the corporation, whether liquidated or unliquidated, matured or unmatured, direct or indirect, absolute or contingent, secured or unsecured.

(4) Proof of the publication and mailing authorized by this section shall be made by an affidavit filed in the office of the Secretary of State.

71. N. J. S. 14A:12-13 is amended to read as follows:

14A:12-13 Barring of claims of creditors.

(1) Any creditor as defined in subsection 14A:12-12(3) who does not file his claim as provided in the notice given pursuant to section 14A:12-12, and all those claiming through or under him, shall be forever barred from suing on such claim or otherwise realizing upon or enforcing it except, in the case of a creditor who shows good cause for not having previously filed his claim, to such extent as the Superior Court may allow

(a) against the corporation to the extent of any undistributed assets; or

(b) if the undistributed assets are not sufficient to satisfy such a claim, against a shareholder to the extent of his ratable part of such claim, out of the assets of the corporation distributed to him in liquidation or dissolution.

(2) This section shall not apply to claims which are in litigation on the date of the first publication of the notice pursuant to section 14A:12-12.

72. N. J. S. 14A:12-15 is amended to read as follows:

14A:12-15 Jurisdiction of the Superior Court.

At any time after a corporation has been dissolved in any manner, a creditor, as defined in subsection 14A:12-12(3), or a
shareholder of the corporation, or the corporation itself, may apply to the Superior Court for a judgment that the affairs of the corporation and the liquidation of its assets continue under the supervision of the court. The court shall have power to proceed in a summary manner or otherwise upon such application, and shall make such orders and judgments as may be required, including, but not limited to, the continuance of the liquidation of the corporation's assets by its officers and directors under the supervision of the court, or the appointment of a receiver of the corporation, who shall be vested with all the powers provided in Chapter 14 to be exercised by receivers appointed to liquidate the affairs of a corporation.

73. N.J.S.14A:12-19 is added as follows:
14A:12-19 Dissolution upon liquidation.

No corporation shall be completely liquidated and all of its assets distributed to its shareholders unless provision is made for the dissolution of the corporation and the payment of all fees, taxes, and other expenses incidental thereto.

74. N.J.S.14A:14-15 is amended to read as follows:
14A:14-15 Notice to creditors.

(1) The receiver shall, within 30 days following the date of his appointment, give notice requiring all creditors to present their claims in writing. Such notice shall be published twice, once in each of two consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims, under oath, to the receiver at a place and on or before a date named in the notice, which date shall not be less than 6 months, after the date of the first publication. By order of the Superior Court, the time for giving such notice to creditors and the time within which creditors shall be required to file proofs of claim may be extended or limited, or the giving of such notice to creditors may be entirely excused.

(2) Any creditor who does not file his claim as provided in the notice given pursuant to subsection 14A:14-15(1), and all those claiming through or under him, shall be forever barred from suing on such claim or otherwise realizing upon or enforcing it except, in the case of a creditor who shows good cause for not having
previously filed his claim, to such extent as the Superior Court may allow

(a) against the corporation to the extent of any undistributed assets; or

(b) if the undistributed assets are not sufficient to satisfy such a claim, against a shareholder to the extent of his ratable part of such claim, out of the assets of the corporation distributed to him in liquidation or dissolution.

(3) On or before the date of the first publication of the notice as provided in subsection (1) of this section, the receiver shall mail a copy of the notice to each known creditor of the corporation. The giving of such notice shall not constitute recognition that any person to whom such notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.

(4) Proof of the publication and mailing required by this section shall be made by an affidavit filed in the office of the Clerk of the Superior Court.

75. N. J. S. 14A:14–21 is amended to read as follows:

(1) After payment of all allowances, expenses and costs, and, subject to the laws of the United States and to subsection 14A:14–21(3), the satisfaction of all liens upon the funds of the corporation to the extent of their lawful priority, the creditors shall be paid proportionately to the amount of their respective debts, excepting mortgage and judgment creditors when the judgment has not been by confession for the purpose of preferring creditors. The creditors shall be entitled to distribution on debts not due, making in such case a rebate of interest, when interest is not accruing on the same.

(2) The surplus funds, if any, after payment of the creditors and the costs, expenses and allowances aforesaid, and the preferred stockholders, shall be divided and paid to the general stockholders proportionately, according to their respective shares.

(3) In any distribution to creditors all persons doing labor or service of any character, in the regular employment of the corporation, shall be entitled to priority of payment for the wages, not to exceed $600, for each claimant, due them respectively for all labor, work and services performed within three months before the institution of a receivership action under this chapter. A claim

76. N. J. S. 14A:14-25 is amended to read as follows:

In any case where a plan of reorganization of a corporation provides for any action to be taken, which, if taken pursuant to any provisions of this act, would entitle dissenting shareholders to payment of the value of their shares, such action may be taken by such corporation in reorganization without payment to shareholders of the value of their shares.

77. N. J. S. 14A:14-26 is amended to read as follows:

14A:14-26 Reorganization under act of Congress; certificates.

When any plan of reorganization provides for any action to be taken, which, if taken pursuant to any provisions of this act, would require the filing of a certificate or other document in the office of the Secretary of State, such certificate or other document shall be executed on behalf of the corporation by the persons specified in subsection (2) of section 14A:14-24 and shall be filed in the office of the Secretary of State. Such certificate or other document shall recite that its making and filing are authorized pursuant to a plan of reorganization, and shall make reference to the proceeding in which the plan of reorganization was ordered or confirmed.

CHAPTER 370

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P. L. 1952, c. 16 (C. 27:12B-4) is amended to read as follows:

C. 27:12B-4 New Jersey Highway Authority established; membership, removal, oath, vacancies, officers, quorum, bond, compensation; approval of actions.

4. There is hereby established in the State Department of Transportation a body corporate and politic, with corporate succession, to be known as the “New Jersey Highway Authority.”
The authority is hereby constituted an instrumentality exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by this act in the construction, operation and maintenance of projects shall be deemed and held to be an essential governmental function of the State.

The New Jersey Highway Authority shall consist of five members, each of whom shall be a resident of the State, who shall have been a qualified elector therein for a period of at least 1 year next preceding his appointment. Each member of the authority shall be appointed by the Governor, with the advice and consent of the Senate, for a term of 5 years and shall serve until his successor is appointed and has qualified; except that of the first appointments hereunder, one shall be for a term of 3 years and one for a term of 6 years, and they shall serve until their respective successors are appointed and have qualified. The term of each of the first appointees hereunder shall be designated by the Governor. Each member of the authority may be removed from office by the Governor, for cause, after a public hearing. Each member of the authority before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

The chairman and vice-chairman of the authority so designated shall serve as such at the pleasure of the Governor and until their respective successors have been designated. The authority shall elect a secretary and a treasurer who need not be members. At the option of the authority the same person may be elected to serve both as secretary and treasurer. Three members of the authority shall constitute a quorum and the vote of three members shall be necessary for any action taken by the authority. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority.

Before the issuance of any bonds or notes under the provisions of this act, each member of the authority shall execute a surety bond in the penal sum of $25,000.00, and the treasurer shall execute
a surety bond in the penal sum of $50,000.00, each such surety bond to be conditioned upon the faithful performance of the duties of the office of such member or treasurer, as the case may be, to be executed by a surety company authorized to transact business in the State of New Jersey as surety and to be approved by the Attorney General and filed in the office of the Secretary of State.

No resolution or other action of the authority providing for the issuance of bonds, refunding bonds or other obligations or for the fixing, revising or adjusting of tolls for the use of any highway projects or parts or sections thereof shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and at least one of the following: the State Treasurer and the Comptroller of the Treasury. The powers conferred in this section upon the Governor, the State Treasurer and the Comptroller of the Treasury shall be exercised with due regard for the rights of the holders of bonds of the authority at any time outstanding, and nothing in, or done pursuant to, this section shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or for the benefit, protection or security of the holders thereof.

A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof, to the Governor. No action taken at such meeting by the authority shall have force or effect until 10 days (Saturdays, Sundays and holidays excepted) after such copy of the minutes shall have been delivered or the approval thereof by the Governor prior thereto. If, in said 10-day period, the Governor returns such copy of the minutes with veto of any action, except action to negotiate or execute a collective negotiation agreement with a certified public employee organization representing employees of the authority, taken by the authority or any member thereof at such meeting, such action shall be null and of no effect.

The members of the authority shall not receive compensation for their services as members of the authority. Each member shall be reimbursed by the authority for his actual expenses necessarily incurred in the performance of his duties.

2. This act shall take effect immediately.

Approved January 7, 1974.
CHAPTER 371

An Act concerning county sanitary sewerage district authorities and amending sections 29 and 43 of P. L. 1946, c. 123, approved April 23, 1946.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 29 of P. L. 1946, c. 123 (C. 40:36A-29) is amended to read as follows:

C. 40:36A-29 Proposed plans.

29. An authority shall with all practicable speed prepare or cause to be prepared a project report together with maps, designs and costs and other estimates, which shall show a proposed plan or method of construction of its district sewer system. If the sewerage district of the authority includes more than one natural drainage area, the authority may establish a separate district sewerage system for each such drainage area. Each such system shall be designed, financed, constructed, acquired and operated independently of any other such system, provided that the authority may make joint use of facilities or personnel and allocate the proportionate cost thereof to each system on such terms as it may determine, subject to the provisions of any bond resolution or agreements with municipalities, private sewer companies and industries. In its discretion, an authority may defer consideration of and action regarding any district sewer system or any part of any district sewer system. In such event, it may proceed under this act with action regarding and consideration and completion and operation of the remaining system, systems or part or parts, and, as used in this and following sections of this act, the term “district sewer system” shall mean each such remaining system, part or parts.

2. Section 43 of P. L. 1946, c. 123 (C. 40:36A-43) is amended to read as follows:

C. 40:36A-43 Rates.

43. After the commencement of operation of a district sewer system of an authority under this act the authority may prescribe and change from time to time rates, rents, fees or other charges to be charged for the discharge and disposal of sewage through its district sewer system. Said rates shall be prescribed and from time to time revised as hereinafter provided, so that an authority
and each district sewer system shall be and always remain self-supporting with earnings sufficient to provide for all expenses of operation, maintenance, depreciation and repair and the payment of the principal and interest of any bonds issued or to be issued pursuant to this act, so as to prevent the accrual of any deficit. Such rates being in the nature of use or service charges, shall be uniform throughout a district for the same type, class and amount of use or service of a district sewer system and shall be based upon the total annual volume of sewerage from each municipality, private sewer company or institution; but may give weight to the characteristics of the sewage and other wastes and any other special matter affecting the cost of treatment and disposal thereof, including chlorine demand, biochemical oxygen demand, concentration of solids and chemical composition. In order to assure the authority that it will be advantageous and economical to construct, finance and operate a district sewer system, any municipality, private sewer company or institution may guarantee that a stated minimum annual volume of sewerage will be deemed to be discharged into the district sewer system by it. For the purpose of establishing rates, the annual volume of sewerage from such municipality, private sewer company or institution shall be the actual volume or the guaranteed minimum volume, whichever is greater.

3. This act shall take effect immediately.

Approved January 7, 1974.

CHAPTER 372

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 17B:20-1 is amended to read as follows:

Investments of domestic insurers.

17B:20-1. Any domestic insurer may invest its capital, surplus and other funds, or any part thereof, in:
a. Bonds, notes, or other evidences of indebtedness or public stock issued, created, insured or guaranteed by the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada, or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing.

b. Real estate which may be improved or which is unimproved but acquired in accordance with a definite plan for development within not more than 5 years, and in the operation, improvement, development and leasing thereof; provided, that if the commissioner shall determine that the interest of such insurer's policyholders requires that any specific real estate so acquired be disposed of, then such insurer shall dispose of such real estate within such reasonable time as the commissioner shall direct; and provided further, that the sum of (1) the aggregate amount invested in such real estate (including real estate held pursuant to section 17B:18–45 of this Title) and (2) the aggregate amount invested in capital stock of any subsidiary of the insurer pursuant to section 17B:20–4, and in any general or limited partnership interest in a partnership, engaged in a business primarily involving the owning, developing, operating or leasing of real estate shall not exceed 10% of the total admitted assets of such insurer as of December 31 next preceding. Real estate used primarily for agricultural, horticultural, ranching, mining or foresting purposes shall be deemed improved within the meaning of this subsection b. The term “real estate” as used in this chapter shall include any real property and any interest therein including, without limitation, any interest on, above or below the surface of the land, any leasehold estate therein, and any such interest held or to be held by the insurer in cotenancy with one or more other institutions. Income produced by investment in any such leasehold shall be applied in a manner calculated to amortize the amount invested in such leasehold within a period not exceeding eight-tenths of the unexpired term of the leasehold, inclusive of enforceable options, or within 40 years, whichever is the lesser, or where the peculiar nature of the leasehold involved so dictates, within such period and subject to such other reasonable limitations as the commissioner shall by regulation impose. For the purposes of this subsection b., a mortgage loan shall not be deemed to be an investment in real estate notwithstanding the mortgagor is an institution in which such insurer has an ownership interest as shareholder, partner, or
otherwise. The commissioner may promulgate a regulation in connection with investments under this subsection b. which shall, as far as practicable, be consistent with those regulations of the department which treat with securities supported by such interests in real estate.

e. Mortgage loans on unencumbered real estate, located within the United States, any territory or possession thereof, the Commonwealth of Puerto Rico or Canada. The amount of any such loan shall not exceed 80% of the value of the real estate mortgaged unless (1) the loan is also secured by the mortgagor's interest in a lease or leases whose aggregate rentals shall be sufficient, after payment of operating expenses and fixed charges, to repay 90% of the loan with interest thereon during the initial term or terms of such lease or leases and shall be payable directly or indirectly by any governmental units, instrumentalities, agencies or political subdivisions or an institution or institutions which meet the credit standards of the insurer for an unsecured loan to such institution or institutions or (2) the excess over such 80% is insured or guaranteed or to be insured or guaranteed by the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing. Any mortgage loan so insured or guaranteed or to be insured or guaranteed shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be charged or taken upon any such loan.

Any such insurer may hold a participation in any such mortgage loan if (1) such participation is senior and gives the holder substantially the rights of a first mortgagee or (2) the interest of such insurer in the evidence or evidences of indebtedness is of equal priority, to the extent of such interest, with other interests therein.

Any such mortgage loan whose maturity date shall be more than 2 years after the date of disbursement of such loan, and which exceeds two-thirds of the value of the real estate mortgaged shall, as a minimum, provide for payments to be made by the borrower during the term of the loan to amortize the amount by which the loan exceeds two-thirds of the value of the real estate mortgaged. The commissioner may promulgate such supplemental regulations as he deems necessary with regard to particular classes of such investments, taking into consideration the type of security and the ratio of the loan to the value of the real estate mortgaged. No loan
may be made on leasehold real estate unless the terms of such loan provide for payments to be made by the borrower on the principal thereof in amounts sufficient to completely repay the loan within a period not exceeding nine-tenths of the term of the leasehold, inclusive of the term or terms which may be provided by any enforceable option or options of extension or of renewal, which is unexpired at the time the loan is made.

Real estate shall not be deemed to be encumbered within the meaning of this subsection c. by reason of the existence of taxes or assessments that are not delinquent, or encumbrances that do not adversely affect the salability of the property to a material extent or as to which the insurer is insured against loss by a title insurer, or any prior mortgage or mortgages held by such insurer if the aggregate of the mortgages held shall not exceed the amount herebefore set forth, nor when such real estate is subject to lease in whole or in part; provided, that the security created by the mortgage on such real estate is a first lien thereon. Real estate shall not be deemed to be encumbered and the security of the mortgage thereon shall be deemed a first lien within the meaning of this subsection c. notwithstanding the mortgagor is an institution in which such insurer has an ownership interest as shareholder, partner or otherwise.

No such insurer shall, pursuant to this subsection c. invest more than 2% of its total admitted assets as of December 31 next preceding in any mortgage loan secured by any one property, nor shall its total mortgage investments pursuant to this subsection c., exclusive of any mortgage loans insured or guaranteed or to be insured or guaranteed as hereinbefore provided, exceed 50% of such admitted assets.

d. Tangible personal property, equipment trust obligations or other instruments evidencing an ownership interest or other interest in tangible personal property where there is a right to receive determined portions of rental, purchase or other fixed obligatory payments for the use or purchase of such personal property, provided, that the aggregate investments therein shall not exceed 10% of the total admitted assets of such insurer as of December 31 next preceding; or certificates of receivers of any institution where such purchase is necessary to protect an investment in the securities of such institution theretofore made under authority of this chapter; or the capital stock, beneficial shares or other instruments evidencing an ownership interest, bonds, securities or evi-
dences of indebtedness issued, assumed or guaranteed by any institution created or existing under the laws of the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof; provided, that no purchase of any evidence of indebtedness which is in default as to interest shall be made by such insurer unless such purchase is necessary to protect an investment theretofore made under statutory authority.

The term "institution" as used in this chapter shall include any corporation, joint stock association, business trust, business joint venture, business partnership, savings and loan association, credit union or other mutual savings institution. No purchase shall be made of the stock of any class of any corporation except a subsidiary of the insurer pursuant to section 17B:20-4 unless (1) such corporation has paid cash dividends on such class of stock during each of the past 5 years preceding the time of purchase or (2) such corporation shall have earned during the period of such 5 years an aggregate sum available for dividends upon such stock which would have been sufficient, after all fixed charges and obligations, to pay dividends upon all shares of such class of stock outstanding during such period averaging 4% per annum computed upon the par value (or in the case of stock having no par value, upon the stated capital in respect thereof) of such stock. In the case of the stock of a corporation resulting from or formed by merger, consolidation, acquisition or otherwise less than 5 years prior to such purchase, each consecutive year next preceding the effective date of such merger, consolidation or acquisition during which dividends or other distributions of profits shall have been paid by any one or more of its constituent or predecessor institutions in an aggregate amount sufficient to have paid dividends on that class of stock of the existing corporation whose stock is to be purchased, had such corporation then been in existence, shall be deemed a year during which dividends have been paid on such class of stock and the earnings of such constituent or predecessor institutions available for dividends during each of such years may be included as earnings of the existing corporation whose stock is to be purchased for each of such years; provided, however, that nothing herein contained shall prohibit the purchase of stock of any class which is preferred, as to dividends, over any class the purchase of which is not prohibited by this section; and provided further, that no purchase of its own stock shall be made by any insurer except for the purpose of the
retirement of such stock or except as specifically permitted by any law of this State applicable by its terms only to insurers.

e. Securities, properties and other investments in foreign countries in addition to those specified in section 17B:20-5 which are substantially of the same character as prescribed for authorized investments for funds of the insurer under the preceding subsections of this section, to an amount valued at cost not exceeding in the aggregate at any one time 2% of the total admitted assets of such insurer as of December 31 next preceding; provided, however, that the amount invested in authorized investments in any one foreign country pursuant to this subsection e. shall not exceed in the aggregate, at any one time, 1% of such admitted assets. For the purposes of this subsection e., Canada shall not be deemed to be a foreign country.

f. Bonds, notes, or other evidences of indebtedness, issued, insured or guaranteed or to be insured or guaranteed by the International Bank for Reconstruction and Development, or by the Inter-American Development Bank, or by the Asian Development Bank.

g. Collateral loans secured by a pledge of capital stock, beneficial shares or other instruments evidencing an ownership interest, bonds, securities or evidences of indebtedness qualified or permitted for investment under any of the preceding subsections of this section. The amount of any such loan shall not exceed 80% of the market value of the security pledged at the date of the loan.

h. Loans or investments which are not qualified or permitted under any of the preceding subsections of this section or which are not otherwise expressly authorized by law; provided, that the aggregate amount of such loans and investments, valued at cost, shall not exceed at any one time 5% of the total admitted assets of such insurer as of December 31 next preceding.

For the purposes of subsection c. and this subsection h., the portion of a mortgage loan on unencumbered real estate which does not exceed 80% of the value of the real estate mortgaged shall be deemed to be a permitted investment under subsection c. and the remainder of said loan may be deemed to be made under this subsection h. Any investment originally made under this subsection h. which would subsequently, if it were being made, qualify as a permitted investment under another subsection of this section
shall thenceforth be deemed to be a permitted investment under such other subsection.

2. N. J. S. 17B:20-2 is amended to read as follows:

Limitation of investments.

17B:20-2. No domestic insurer shall purchase more than 8% of the voting stock of any one corporation, unless it be: a municipal corporation; a subsidiary of such insurer pursuant to section 17B:20-4; or an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser, provided, that such investment company shall not own, control or hold in its portfolio any investment which, if added to the other investments of such insurer, would result in such insurer holding more than 8% of the voting stock of any one corporation. The term "voting stock" of any corporation shall mean any shares of capital stock of such corporation having general voting power under ordinary circumstances, when voting (together with one or more other classes, if any) as a class, to elect a majority of the board of directors of such corporation irrespective of whether or not at the time stock of any other class or classes shall have, or might have voting power by reason of the happening of any contingency. No such insurer shall hold more than 8% of any such class of stock of any investment company pursuant to this section at any time when such insurer could not purchase such stock pursuant to the foregoing provisions of this section. The amount (excluding amounts invested in the common stock of any corporation pursuant to sections 17B:20-3 and 17B:20-4) invested by any such insurer (a) in the common stock of any one corporation shall not exceed 2% of the total admitted assets of such insurer as of December 31 next preceding, or (b) in the common stock of all corporations valued at cost shall not exceed 15% of such assets except that to the extent that such aggregate investment in common stock exceeds 10% of such assets, further investments shall be subject to regulation by the commissioner under a formula which shall take into consideration the actual mandatory securities valuation reserve, as defined by the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners, held by a company which is applicable to such common stocks in the corresponding annual statement filed with the department. The term "common stock" shall mean any voting stock of any class of a corporation which shall not be limited to a fixed sum or percentage of par value in respect of the rights of the holders thereof to participate
in dividends or in the distribution of assets upon the voluntary or involuntary liquidation, dissolution or winding up of the corporation. Neither shall the amount invested in the beneficial shares or other ownership interests (other than common stock), evidences of indebtedness (excluding amounts invested in mortgage loans pursuant to subsection c. of section 17B:20-1), preferred stock and certificates of receivers of any one institution exceed 5% of such assets of the insurer. Nothing herein contained shall prevent any such insurer from purchasing, or in any other way acquiring the voting stock of, or otherwise investing in certain corporations as hereinafter provided in sections 17B:20-3 and 17B:20-4.

All investments made by any such insurer shall be authorized or approved by the board of directors, or by a committee thereof charged with the duty of supervising such investment, or shall be made in conformity with standards approved by such board of directors or such committee.

No such insurer shall enter into any agreement to withhold from sale any of its property or jointly or severally enter into any agreement to purchase the unsold amount of securities which are the subject of an offering for sale to the public or otherwise to guarantee the sale of such securities.

Nothing contained in this section shall prevent any such insurer from distributing shares of an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser.

Any insurer may enter into an agreement to acquire any investment permitted by law, directly with the issuer or owner thereof, and may participate with other investors provided that the obligations of such insurer and such other investors shall be several and not joint.

The term "Investment Company Act of 1940" as used in this section shall mean an act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

3. N. J. S. 17B:20-4 is amended to read as follows:

Stock of subsidiary corporations.

17B:20-4. In addition to the authority expressly contained in this chapter and notwithstanding any limitation contained in this
Title, any domestic insurer may invest in the voting stock of one or more subsidiaries, as provided in this section.

a. As used in this section the following terms shall have the following meanings: (1) "voting stock" as used with reference to any corporation means any shares of capital stock of such corporation having general voting power under ordinary circumstances, when voting (together with one or more other classes, if any) as a class, to elect a majority of the board of directors of such corporation irrespective of whether or not at the time stock of any other class or classes shall have, or might have, voting power by reason of the happening of any contingency, and shall also include voting trust certificates, certificates of deposit, interim receipts and other similar instruments representing such stock and (2) "subsidiary" means a corporation of which a majority of the voting stock is owned or controlled by a domestic insurer, or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer, except that "subsidiary" shall not include a corporation of which a majority of the voting stock is acquired by the insurer or its subsidiaries pursuant to any other section of this chapter.

b. The business of a subsidiary, whether or not it is organized under the laws of this State, shall be limited to that authorized for a corporation organized under any law of this State, except that "subsidiary" shall not include any bank organized pursuant to the laws of this State and shall not include any national bank maintaining its principal office in this State.

c. No investment in the voting stock of any subsidiary shall be retained by a domestic insurer or by any of its subsidiaries unless at least a majority of the voting stock of such subsidiary is owned or controlled by such insurer or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer.

d. The investments of any such subsidiary, except a subsidiary engaged primarily in any kind of insurance business, when added, on a basis proportional to the insurer's interest in such subsidiary, to the investments of such insurer (referred to herein as the "controlling insurer") shall not cause the investments of the controlling insurer to exceed any of the limitations applicable to domestic insurers contained in this chapter; provided that investments by any subsidiary which if made by the controlling insurer would be subject to the limitations of section 17B:20-1b shall not be included.
to the extent the controlling insurer's investment in the capital stock of such subsidiary is subject to the limitations of section 17B:20-1b; and provided further that the limitation upon the percentage of voting stock of any one corporation that may be purchased or acquired by a domestic insurer set forth in section 17B:20-2 shall apply with respect to the aggregate of the voting stock of any one corporation held by the controlling insurer and all of its subsidiaries, including any insurance subsidiaries. Notwithstanding the foregoing limitations of this subsection d., any such subsidiary shall be permitted to invest in the voting stock of one or more other corporations if:

(1) after such investment, such subsidiary, the controlling insurer and all other subsidiaries of the controlling insurer shall own at least a majority of the voting stock of such other corporation and such other corporation would, within the meaning of this section, constitute a permitted subsidiary of the controlling insurer, or

(2) the proportion of such investment attributable to the controlling insurer pursuant to subsection d. could then have been made in the same manner by the controlling insurer under any other provision of this chapter.

e. The investment in such subsidiary shall not tend substantially to lessen competition or tend to create a monopoly.

f. Such subsidiary shall not be used directly or indirectly to promote the private interests of any officer or director of such insurer except that compensation may be paid by any subsidiary to officers and directors of such insurer for services rendered when such compensation is authorized by the board of directors of such subsidiary and approved by the board of directors of such insurer.

g. The aggregate amount invested by the controlling insurer in the voting stock of all subsidiaries pursuant to this section together with the aggregate amount of all other investments of the controlling insurer in such subsidiaries, valued at cost, (less any amount invested by the controlling insurer and such subsidiaries in any subsidiary engaged in a business primarily involving the owning, developing, operating or leasing of real estate) shall not exceed 5%, or with the approval of the commissioner 10%, of the total admitted assets of such insurer as of December 31 next preceding.

h. No investment in voting stock of any subsidiary shall be made by such insurer or any subsidiary thereof pursuant to this section
unless a notice of intention to make such proposed investment is filed with the commissioner not less than 30 days, or such shorter period as may be permitted by the commissioner, in advance of such proposed investment, nor shall any such investment be made if the commissioner at any time prior thereto finds that the proposed investment does not meet the requirements of this section or determines, in his sole discretion, that such proposed investment would be contrary to the best interests of policyholders or the public; provided, that after an investment in voting stock has been made pursuant to this section, no notice of intention to make further investments in the voting stock or other securities of the same subsidiary shall be required, and such further investments may be made subject to the limitations contained in subsection d. and subsection g. of this section. The commissioner shall have the power to conduct periodic examinations and require reports in connection with the operation of subsidiaries and, if he shall determine either that the interests of policyholders or the public so requires or that the investments of any subsidiary do not comply with the requirements of this section, to order that a domestic insurer or any subsidiary thereof dispose of its investment in any subsidiary or that any subsidiary dispose of any non-complying investments, in each case within a reasonable period of time.

4. N. J. S. 17B:20-5 is amended to read as follows:

**Securities of foreign country or property therein.**

17B:20-5. Any domestic insurer lawfully doing business, directly or through any subsidiary, in any foreign country other than Canada, may also invest its funds, or permit such subsidiary to invest its funds, to an amount not exceeding 150% of the reserves and other obligations under outstanding policies of insurance issued or delivered in such foreign country by the insurer or such subsidiary, in securities properties and other investments in such foreign country substantially of the same character as that prescribed for authorized investments for the funds of the insurer under the laws of this State.

5. N. J. S. 17B:20-7 is amended to read as follows:

**Safekeeping of securities.**

17B:20-7. All securities of domestic insurers, except:

a. mortgages and evidences of indebtedness secured thereby which are held for safekeeping in one or more offices operated by and under the direct control of an officer of such a company;
b. stock and other securities representing stock or convertible into stock, and options, warrants or rights to acquire stock; and
c. debt securities with a maturity of less than 1 year;
shall be held for safekeeping within the geographical limits of this State; provided, that any such company may make and maintain such deposits of securities with public officials of other States, the District of Columbia, the United States, any territory or possession thereof, the Commonwealth of Puerto Rico, and foreign countries to such extent as may be required by the laws of such jurisdictions as a condition for authority to transact business therein. This section shall not prohibit the deposit of such securities under transactions as provided in section 17B:20-3 or the transmission of such securities outside the State for the purpose of securing or recording title to such securities or to property, or for the purpose of the sale, exchange or alteration of the provisions of such securities, or for the collection of any payment due thereon, nor shall this section prohibit the deposit of such securities as collateral for loans or as security for the performance of contracts or the holding of such securities in the names of nominees designated by the board of directors of such insurer, or the lending of such securities to any institution upon adequate collateral security.

6. This act shall take effect 90 days after enactment.

Approved January 7, 1974.

CHAPTER 373

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:3-20 is amended to read as follows:

Trucks, road tractors or truck tractors; fees; "constructor" registration plates; weight limitations.

39:3-20. An applicant for registration for trucks, road tractors and truck tractors shall pay to the director a fee based on the gross weight of the vehicle and load including the gross weight of all
vehicles and load of any combination of vehicles of which the truck, road tractor or truck tractor is the drawing vehicle in such combination of vehicles. The plates to be used for commercial motor vehicles shall display the word "commercial," and the numerals shall be prefixed by the letter "X" or "Z." Trailer plates shall have the letter "T." The fee for trucks, road tractors and truck tractors shall be paid in accordance with the following:

When the gross weight of vehicle and load, including the gross weight of all vehicles and load of any combination of vehicles of which the truck, road tractor or truck tractor is the drawing vehicle in such combination of vehicles, is 5,000 pounds or less, the minimum registration fee shall be $40.00 and where greater than 5,000 pounds, the registration fee shall be $40.00 for the first 5,000 pounds and $7.30 for each additional 1,000 pounds or portion thereof up to a maximum of 72,000 pounds.

An applicant for registration for trailers and semitrailers shall pay to the director a fee of $15.00 for each such vehicle.

In addition to the registrations authorized to be issued pursuant to the aforesaid provisions of this section, the director shall issue registrations for automobile commercial vehicles, trailers, semitrailers, and tractors providing for the gross weight of vehicle and load over 40,000 pounds but not exceeding 70,000 pounds, upon application therefor and proof to the satisfaction of the director that the applicant is actually engaged in construction work or in the business of supplying material, transporting material, or using such registered vehicle for construction work. The license plate so issued shall be marked "constructor" and shall be placed upon the vehicle or vehicles registered under this section. In no event shall a vehicle or combination of vehicles, operating as a unit, registered under this section and using "constructor" registration plates exceed a maximum gross weight, inclusive of load, of 70,000 pounds.

In addition to the registrations authorized to be issued pursuant to the aforesaid provisions of this section, the director shall issue registrations for tandem three-axle vehicles having a weight and load not exceeding 60,000 pounds, upon application to the director and proof to his satisfaction that the applicant is actually engaged in the performance of solid waste disposal or collection functions and holds a certificate of convenience and necessity therefor issued by the Board of Public Utility Commissioners.

The applicants for "constructor" registration plates and registration plates for vehicles performing solid waste disposal or
collection functions authorized herein shall pay therefor on each vehicle at the rate of $16.00 per thousand pounds of gross weight of vehicle and load.

Vehicles registered and using "constructor" registration plates may not be operated at a distance greater than 30 miles from the point established as a headquarters for the particular construction operation and such vehicles, except as hereafter provided, must comply with the speed limitations of Title 39 of the Revised Statutes. Such vehicles when carrying a gross weight of vehicle and load less than 50% of the certificate of registration shall comply with applicable speed laws and shall not move along a highway at a speed greater than 40 miles per hour. When carrying a gross weight of vehicle and load in excess of 50% of the certificate of registration, such vehicle shall comply with applicable speed laws and shall not move along a highway at a speed greater than 30 miles per hour.

Vehicles performing solid waste disposal or collection functions and registered therefor pursuant to the provisions of this section, may not be operated on any highway which is part of the National System of Interstate and Defense Highways or on any highway which has been designated a freeway or parkway as provided by law, and no such vehicle shall be driven over any bridge in this State or over any interstate bridge owned or maintained in whole or in part by this State, upon which or immediately adjacent thereto there is posted in a conspicuous place a sign stating the gross weight the bridge will carry, if the gross weight of any such vehicle and the load is greater than the gross weight stated on the sign.

It shall be unlawful for any vehicle registered under this act having gross weight of load and vehicle including the gross weight of all vehicles and load in any combination of vehicles in excess of the gross weight provided on the registration certificate to be operated on the highways of this State.

In the event that a truck, road tractor or truck tractor registered under this act is found on a highway in combination with a trailer or semitrailer duly registered in any other State or Federal district which imposes registration weight fees on such trailers or semitrailers, the drawing vehicle of the combination registered under this act shall have a gross weight registration equal to at least \( \frac{1}{2} \) of the combined gross weight of all the vehicles and load in the combination of vehicles. If the resulting sum is equal at least to 1/2 of the combined gross weight of the mixed combination, then the mixed combination shall be in compliance with the registration requirements of this section.

Moneys realized from the increase of the fees for registrations issued pursuant to the provisions of this act shall be paid into the State treasury and credited to the General State Fund and available for general State purposes.

This section shall not be construed to supersede or repeal the provisions of either section 39:3-84 or 39:4-75 of this Title.

An Act prescribing standards for certain youth camps, supplementing Title 26 of the Revised Statutes and making an appropriation.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 26:12-1 Short title.

1. This act shall be known and may be cited as the "New Jersey Youth Camp Safety Act."
C. 26:12-2 Purpose.

2. It is the purpose of this act to promote, protect and safeguard the health and well-being of the youth of the State attending day camps and resident camps by providing for establishment of standards for the safe operation of such camps, thereby providing assurance to parents and interested citizens that youth camps meet minimum safety standards.

C. 26:12-3 Definitions.

3. As used in this act:

a. "Youth camp" means any parcel or parcels of land having the general characteristics and features of a camp as the term is generally understood, used wholly or in part for recreational or educational purposes and accommodating five or more children under 18 years of age for a period of, or portions of, 2 days or more, and includes a site that is operated as a day camp or as a resident camp.

b. "Youth camp safety standards" means criteria directed toward safe operations of youth camps, in such areas as, but not limited to, personnel qualifications for director and staff, ratio of staff to campers, sanitation and public health, personal health, first aid and medical services, food handling, mass feeding and cleanliness, water supply and waste disposal, water safety including use of lakes and rivers, swimming and boating equipment and practices, vehicle condition and operation, building and site design, equipment, condition and density of use, emergency evacuation procedures and fire safety.

c. "Youth camp operator" means any private agency, organization, or person, and any individual, who operates, controls or supervises a youth camp, whether such camp is operated for profit or not for profit.

d. "Commissioner" means the Commissioner of Health or any of his authorized deputies, representatives, agents or employees.

C. 26:12-4 Operator to provide safe conditions, facilities and equipment.

4. Every youth camp operator shall provide to each camper safe and healthful conditions, facilities and equipment which are free from hazards that are causing, or may reasonably be expected to cause, death, serious illness, or serious physical harm, as well as adequate and qualified instruction and supervision at all times, wherever or however such camp activities are conducted and with due consideration of conditions existing in nature.
C. 26:12-5 Development and promulgation of standards.

5. The commissioner shall develop, and shall by rule and regulation promulgate, modify or revoke youth camp safety standards. In developing such standards, the commissioner shall consult with other State and local officials and with representatives of appropriate public and private organizations, and shall consider existing State and local regulations and standards and standards developed by private organizations which are applicable to youth camp health and safety. The commissioner shall make the initial promulgation of standards required by this act within 6 months of the effective date of this act.

C. 26:12-6 Issuance of certificate of approval; fee.

6. No youth camp which is now or hereafter shall be established shall be operated or conducted, except by authority of a valid certificate of approval issued by the commissioner under the rules and regulations prescribed by him. Application for the issuance or renewal of certificate shall be made upon a form prescribed by the commissioner, shall set forth the location of the camp and the operator thereof, and shall be accompanied by a fee to be set in the discretion of the commissioner but not to exceed $50.00 for day camps and $100.00 for resident camps which fee shall be returned if the application is denied.

C. 26:12-7 Term of certificate; provisional certificate.

7. Each certificate of approval shall be valid for a period of 1 year from the date of issue. The commissioner may issue a provisional certificate subject to later approval by the commissioner, after inspection of the youth camp during the period when the camp is operational.

C. 26:12-8 Enforcement of standards.

8. The commissioner shall be responsible for the enforcement of youth camp safety standards in this State and the commissioner is empowered to hold hearings and otherwise to investigate charges of any violation of this act.

C. 26:12-9 Inspections and investigations; examination of witnesses; accident reports.

9. a. In order to carry out his duties under this act, the commissioner may enter and inspect any youth camp and its records, may question employees, and may investigate facts, conditions, practices or other matters to the extent he deems it necessary or appropriate.

b. The commissioner shall have the power to administer oaths
and examine witnesses under oath, issue subpoenas, compel the attendance of witnesses and the production of papers, books, accounts, records, payrolls, documents and testimony and to take depositions and affidavits in any proceeding before the commissioner.

c. To determine the areas in which safety standards are necessary and to aid in promulgating meaningful regulations, camps subject to the provisions of this act shall be required to report annually, on the date prescribed by the commissioner, all accidents resulting in death, injury and illness, other than minor injuries which require only first aid treatment and which do not involve medical treatment, loss of consciousness, restriction of activity or motion, or premature termination of the camper's term at the camp. The commissioner shall compile the statistics reported and include summaries thereof in his annual report to the Governor and the Legislature.

C. 26:12-10 Revocation of certificate of approval; penalties.

10. The commissioner, upon notice and hearing, may revoke the certificate of approval and may impose a penalty not exceeding $1,000.00 for any violation of this act or of any rule or regulation duly issued hereunder or order issued pursuant thereto. If any penalty imposed pursuant to this act is not paid, then the penalty shall be sued for and recovered by and in the name of the commissioner in a summary proceeding under the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.). In such summary proceeding, the commissioner need only prove that notice was given, a hearing held, a decision rendered and a penalty imposed which has not been paid.

Where any violation of this act or of any rule or regulation duly issued hereunder is of a continuing nature, each day during which such violation continues after the date fixed by the commissioner in any order or notice for the correction or termination of such violation or each day the camp operates without a valid certificate of approval or continues to operate after notification of revocation of its certificate of approval, shall constitute an additional, separate and distinct violation, except during the time an appeal from said order or notice may be taken or is pending.

C. 26:12-11 Injunctive relief.

11. Upon a violation of this act or of any rules and regulations promulgated hereunder, the commissioner shall be entitled to institute a civil action in a court of competent jurisdiction for injunctive relief to restrain such violation and for such other relief
as the court shall deem proper, and the court may proceed in a summary manner in such action. Neither the institution of such action, nor any of the proceedings therein shall relieve any party to such proceedings from the penalty prescribed for a violation of this act.

C. 26:12-12 Exemptions; conditions and terms.
12. The commissioner, upon application by a camp owner showing extraordinary circumstances or undue hardship, and upon the determination by a field inspector, after inspection of the affected premises and facilities, that the conditions, practices, or activities proposed to be used are as safe and healthful as those which would prevail if the camp owner complied with the standard, may exempt such camp or activity from specific requirements of this act, but the terms of such exemption shall require appropriate notice thereof to parents or other relatives of affected campers.

C. 26:12-13 Advisory Council on Youth Camp Safety.
13. There is hereby established in the Department of Health an Advisory Council on Youth Camp Safety to advise and consult on policy matters relating to youth camp safety, particularly the promulgation of youth camp safety standards. Members of the council shall serve without compensation but shall be entitled to be reimbursed for actual expenses incurred in the performance of their duties.

The commissioner may appoint such special advisory or technical experts and consultants as may be necessary to assist the council in carrying out its functions.

C. 26:12-14 Annual report.
14. a. The commissioner shall prepare and submit to the Governor and the Legislature at least once during each fiscal year a comprehensive report on the administration of this act, which
report may be contained in the general annual report of the department.

b. The commissioner is authorized to request directly from any other department or agency of State Government information, suggestions and other data that may be needed to carry out his functions under this act; and such department or agency is authorized to furnish the information, suggestions or other data requested.

C. 26:12-15 Curriculum, program or ministry of camp.

15. Nothing in this act shall authorize the commissioner or any other official acting under this act to restrict, determine, or influence the curriculum, program or ministry of any youth camp.

C. 26:12-16 Medical examination, immunization or treatment.

16. Nothing in this act shall be deemed to authorize or require medical examination, immunization or treatment for those who object thereto on religious grounds, except where such is necessary for the protection of the health or safety of others.

17. There is hereby appropriated to the Department of Health the sum of $100,000.00 or so much thereof as may be necessary to carry out the purposes of this act.

18. This act shall take effect immediately but remain inoperative for 120 days following enactment.

Approved January 9, 1974.

C. 40:37C-3 Definitions.

3. In this act, unless the context otherwise clearly requires, the terms used herein shall have the meanings ascribed to them as follows:

"Act" means this New Jersey Industrial Pollution Control Financing Law.

"Authority" means an industrial pollution control financing authority created pursuant to this act;

"Pollution control facilities" means any structures, facilities, systems, fixtures, lands and rights in lands, improvements, appurtenances, machinery, equipment or any combination thereof designed and utilized for the purpose of reducing, abating or preventing pollution, deriving from the operation of public utility, industrial, manufacturing, warehousing, commercial, office or research facilities and provided that the State Department of Environmental Protection and the board of freeholders certify that any such facility does not conflict with, overlap or duplicate any other planned or existing pollution control facilities undertaken or planned by another public agency or authority.

"Project costs" as applied to pollution control facilities financed under the provisions of this act means the sum total of all reasonable or necessary costs incident to the acquisition, construction, reconstruction, repair, alteration, improvement and extension of such pollution control facilities including, but not limited to, the cost of studies and surveys; plans, specifications, architectural and engineering services; organization, marketing or other special services; legal financing, acquisition, demolition, construction, equipment and site development of new and rehabilitated buildings; rehabilitation, reconstruction, repair or remodeling of existing buildings, fixtures, machinery and equipment; insurance premiums; and all other necessary and incidental expenses including an initial bond and interest reserve together with interest on bonds issued to finance such pollution control facilities to a date 6 months subsequent to the estimated date of completion and such other reserves as may be required by resolution of an agency.

C. 40:37C-4 Creation of authority; procedure; membership, terms, vacancies, quorum, officers, compensation, qualifications, removal.

4. a. Any county may create an authority under the provisions of this act which shall be a public body corporate and politic and a political subdivision of the State for the purpose of acquiring, constructing, reconstructing, repairing, altering, improving, extending, owning, leasing, financing, selling, maintaining, operating and disposing of pollution control facilities within such county provided that the Department of Environmental Protection certifies that the proposed undertaking of the authority is the proper method of solving the problem under consideration.
b. The authority shall be created by resolution and shall be known as the “Industrial Pollution Control Financing Authority of ..........,” inserting all or any significant part of the name of the county creating the authority. The authority shall constitute an agency and instrumentality of the county creating it.

c. An authority shall consist of five members appointed by resolution of the governing body of the county which created such authority.

Members shall serve for terms of 5 years, provided that the members first appointed shall be designated by the resolution of appointment to serve for terms expiring on the first days of the first, second, third, fourth and fifth Februarys next ensuing after such appointment. Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. Any vacancy shall be filled in the same manner as the original appointment but for the unexpired term only.

d. The governing body of any county which has created an authority may dissolve the authority by resolution on condition that the authority has no debts or obligations outstanding or that provision has been made for the retirement of such debts or obligations. Upon any such dissolution, all property, funds and assets of the authority shall be vested in the county which created the authority.

e. A certified copy of each resolution creating or dissolving an authority and each resolution appointing members thereof shall be filed in the office of the Secretary of State. A copy of any such certified resolution, certified by or on behalf of the Secretary of State, shall be conclusive evidence of the due and proper creation or dissolution of the authority or the due and proper appointment of the member or members named therein.

f. The powers of an authority shall be vested in the members thereof from time to time and three members shall constitute a quorum. Action may be taken and motions and resolutions adopted by an agency at any meeting thereof by the affirmative vote of at least three members of the authority.

No vacancy in the membership of an authority shall impair the right of a quorum of the members thereof to exercise all the powers and perform all the duties of the authority.

g. At the first meeting of any authority and thereafter on or after February 1 in each year, the members shall elect from among their number a chairman and vice chairman who shall hold office until February 1 next ensuing and until their respective successors
have been appointed and qualified. Every authority also may appoint, without regard to the provisions of Title 11 of the Revised Statutes, a secretary, treasurer and such other officers, agents and employees as it may require.

h. The members of an authority shall serve without compensation, but the authority shall reimburse its members for actual expenses necessarily incurred in the discharge of their official duties.

i. No member, officer or employee of an authority, nor member of their family, shall have or acquire any interest, direct or indirect in any pollution control facilities undertaken or planned by the authority or in any contract or proposed contract for materials or services to be furnished to or used by the authority, but neither the holding of any office or employment in the government of any county or municipality or under any law of the State shall be deemed a disqualification for membership in or employment by an authority, except as may be specifically provided by law, and members of the governing body of a county may be appointed by such governing body and may serve as members of the authority. A member may be removed only by the governing body by which he was appointed for inefficiency or neglect of duty or misconduct in office or conviction of a crime, and after he shall have been given a copy of the charges against him and, not sooner than 10 days thereafter, had the opportunity in person or by counsel to be heard thereon by such governing body.

C. 40:37C-5 Powers of authority.

5. The authority shall have the following powers together with all powers incidental thereto or necessary for the performance thereof:

c. to sue and to be sued;

d. to have and to use a corporate seal and to alter the same at pleasure;

e. to maintain an office at such place or places within the county as it may designate;

f. to acquire after a public notice has been given at least 20 days prior thereto in a newspaper of general circulation in the area
served by the authority, in the name of the authority by purchase or otherwise, on such terms and conditions and in such manner as it may deem proper any land and other property which it may determine is reasonably necessary for any of its pollution control facilities.

g. to determine, with the approval of the State Department of Environmental Protection, the location and manner of construction of pollution control facilities to be financed under the provisions of this act, and to acquire, construct, reconstruct, repair, alter, improve, extend, own, lease, finance, sell, maintain and dispose of the same and to enter into contracts for any and all of such purposes, and to designate persons as its employees and agents to accomplish the same;

h. to lease to a person or persons any or all of the pollution control facilities upon such terms, conditions and guarantees as the authority shall deem proper, and to charge and collect rent and fees therefor and to terminate any such lease upon the failure of the lessee to comply with any of the obligations thereof; and to include in any such lease, if desired, provisions that the lessee or lessees thereof, and any guarantor of such lease, shall have upon the termination of the lease term options to renew the term of the lease for such period or periods and at such rent as shall be determined by the authority or to purchase any or all of the pollution control facilities for a nominal amount or otherwise or that upon payment of all of the indebtedness incurred by the authority for the financing of such pollution control facilities the authority may convey any or all of the pollution control facilities to the lessee or lessees thereof;

i. to sell to a person or persons any or all of the pollution control facilities upon such terms and conditions as the authority shall deem proper including the right to receive for such sale the note or notes of the person or persons purchasing the facility;

j. to acquire, hold, pledge, mortgage and dispose of real and personal property in the exercise of its powers and performance of its duties under this act;

k. to invest and reinvest bond proceeds pending application to the purposes for which such bonds were issued and other funds under its control, subject only to the provisions of any bond resolution, lease or other agreement entered into by such authority;

carry out the purpose of this act, including the planning, financing, acquisition, construction and other project costs of pollution control facilities, the payment of interest on the bonds of the authority, the provision for working capital and all other expenditures of the agency incident to and necessary or convenient for carrying out its purposes and powers and to refund the same, all as provided for in this act;

m. to employ engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers and such other employees and agents, without regard to the provisions of Title 11, Civil Service, as may be necessary in its judgment and to fix their compensation;

n. to receive and accept from any public agency loans or grants for or in aid of the construction of pollution control facilities and any portion thereof, or for equipping the same, and to receive and accept grants, gifts or other contributions from any source;

o. to refund, after public notice has been given, outstanding obligations incurred by any agency or any person to finance the cost of pollution control facilities, including obligations incurred for pollution control facilities undertaken and completed after the enactment of this act when the authority finds that such financing is in the public interest; and

p. to do all things necessary and convenient to carry out the purposes of this act.

C. 40:37C-6 Payments for sale or lease of facilities.

6. Any sale or lease of pollution control facilities entered into pursuant to the provisions of this act shall provide for payments or rentals adequate to pay the principal of and interest and premiums, if any, on bonds issued to finance such facilities as the same fall due and to create and maintain such reserves and accounts for depreciation, if any, as the authority shall determine to be necessary.

C. 40:37C-7 Inapplicable laws.

7. No authority shall be subject to the provisions of chapters 32 to 36, inclusive, of Title 52 of the Revised Statutes or the "Local Public Contracts Law" (P. L. 1971, c. 198) (N. J. S. 40A:11-1, et seq.) in the exercise of any of its powers under this act.

C. 40:37C-8 Issuance of bonds.

8. All bonds issued by an authority may be issued as serial bonds or as term bonds or a combination of both types. Such bonds shall
be payable solely out of the revenues and receipts derived from the leasing or sale by the authority of the pollution control facilities acquired with the proceeds thereof as may be designated in the proceedings under which the bonds shall be authorized to be issued. Such bonds may be executed and delivered by the authority at any time and from time to time, bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place or places, be subject to such terms of redemption, be executed by the manual or facsimile signatures of such officers of the authority and contain such provisions not inconsistent herewith, all as shall be provided in the proceedings of the authority. If deemed advisable by the authority, there may be retained in the proceedings under which any bonds are authorized to be issued a right or option to redeem all or any part thereof as may be specified in such proceedings, at such price or prices and after such notice or notices and on such terms and conditions as may be set forth in such proceedings, but nothing herein contained shall be construed to confer on any authority the right or option to redeem any bonds except as may be provided in the proceedings under which they shall be issued. Any bonds may be sold at public or private sale for such price or prices and in such manner and at such time or times as may be determined by the authority and the authority may pay all expenses, premiums and commissions which it may deem necessary or advantageous in connection with the issuance thereof. Issuance by the authority of one or more series of bonds for one or more purposes shall not preclude it from issuing other bonds in connection with the same pollution control facilities or any other pollution control facilities or for any other purpose hereunder, but the proceedings whereunder any subsequent bonds may be issued shall recognize and protect any prior pledge made for any prior issue of bonds. Any bonds at any time outstanding may at any time and from time to time be refunded by the issuance of refunding bonds in such amount as the authority may deem necessary but not exceeding an amount sufficient to refund the principal of the bonds so to be refunded, together with any unpaid interest thereon and any premiums, commissions, service fees and other expenses necessary to be paid in connection therewith. Any such refunding may be effected whether the bonds to be refunded shall have then matured or shall thereafter mature, either by sale of the refunding bonds.
and the application of the proceeds thereof for the payment of the bonds to be refunded thereby, or by the exchange of the refunding bonds for the bonds to be refunded thereby with the consent of all or so many of the holders of the bonds so to be refunded as may be determined and regardless of whether or not the bonds to be refunded were issued in connection with the same pollution control facilities or separate pollution control facilities or for any other purpose hereunder, and regardless of whether or not the bonds proposed to be refunded shall be payable on the same date or different dates or shall be due serially or otherwise. All such bonds and the interest coupons applicable thereto, if any, are hereby made and shall be construed to be negotiable instruments within the meaning, and for all purposes, of Title 12A, Commercial Transactions, of the New Jersey Statutes (N. J. S. 12A:1-101 et seq.) with the exception of any provisions thereof pertaining to registration.

C. 40:37C-9 Security for bonds.

9. The principal of and interest and premiums, if any, on any bonds issued by an authority shall be secured by a mortgage or pledge of the revenues and receipts out of which the same shall be made payable and may be secured by the pledge of all or any part of the assets of such authority, subject to such agreements with bondholders as may then prevail. The resolution under which the bonds are authorized to be issued may contain any agreements and provisions respecting the maintenance of the properties covered thereby; the fixing, collection and use of rents for any portions thereof leased by the authority to others; the determination, collection and application of payments to be received for the sale of any properties covered thereby; the creation and maintenance of special funds from such revenues or receipts and the limitations on the purpose to which the proceeds from the sale of the bonds may be applied and pledging such proceeds to secure the payment of the bonds; the limitations on the issuance of additional bonds and on the refunding of outstanding or other bonds; the procedure, if any, by which the terms of any such agreement may be amended or abrogated; and the rights and remedies available in the event of default, including the designation of a trustee, all as the authority shall deem advisable and not in conflict with the provisions hereof. Each pledge and agreement made for the benefit or security of any of the bonds of the authority shall continue effective until the principal of and interest and premiums, if any, on the bonds for the benefit of which the same were made shall have been fully paid
or provision for such payment duly made. In the event of default in such payment or in any agreement of the authority made as a part of the contract under which the bonds were issued, whether contained in the proceedings authorizing the bonds or in any indenture executed as security therefor, said payment or agreement may be enforced by suit, action in lieu of prerogative writ, or the appointment of a receiver in equity, or any one or more of said remedies.

As further security for the bonds, an authority may enter into contracts of insurance assuring that the principal of and interest on such bonds will be paid and that rental payments, installment payments or other payments to be made by the user of the facilities will be made; provided, however, that the authority shall not be obligated under the terms of such policy to any greater extent than allowed by the provisions of this act. The cost of any such insurance contract may be paid out of the proceeds of the sale of the bonds so insured.

C. 40:37C-10 Bonds not deemed liability of State.

10. Bonds issued under the provisions of this act shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof, but shall be payable solely from the funds herein provided therefor. The issuance of bonds under the provisions of this act shall not, directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in this act shall be construed to authorize an agency to create a debt of the State or any county or municipality within the meaning of the Constitution or statutes of New Jersey and all bonds issued by such authority pursuant to the provisions of this act, unless funded or refunded pursuant to this act, are payable and shall state that they are payable solely from the funds pledged for their payment in accordance with the resolution authorizing their issuance or in any indenture executed as security therefor. The State, county, and municipality shall not in any event be liable for the payment of the principal of or interest or premiums, if any, on any bonds of an authority or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by such authority. No breach by an authority of any such pledge, obligation or agreement may impose any pecuniary liability upon the State, county or municipality or any charge upon their general credit or against their taxing power.
The State, however, does pledge and agree with the holders of any bonds issued under this act that it will not limit or alter the rights hereby vested in any authority to fulfill the terms of any agreements made with the holders thereof consistent herewith, or in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses for which the authority is liable in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged. Any authority is authorized to include this pledge and agreement of the State in any agreement it may make with the holders of such bonds.

C. 40:37C-11 Certification of Commissioner.

11. Before any authority adopts a resolution authorizing the issuance of bonds and as a condition precedent to any such authority to issue bonds, the Commissioner of Environmental Protection must first have certified that the facilities to be financed are or, when constructed, will be pollution control facilities as defined in this act.

C. 40:37C-12 Exemption from taxation.

12. All bonds issued pursuant to the act are hereby declared to be issued for an essential public and governmental purpose and such bonds, and the interest thereon and the income therefrom, and all funds, revenues, income and other moneys received or to be received by the issuing authority and pledged or available to pay or secure the payment of such bonds, or interest thereon, shall at all times be exempt from taxation except for transfer, inheritance and estate taxes.

C. 40:37C-13 Conveyance of title in facilities.

JOINT RESOLUTION No. 9

A Joint Resolution creating a commission to study and determine the proper balance between recreational and conservation uses of land acquired by the State, and to recommend the most feasible and practicable means of increasing the recreational facilities, amenities, and uses of such lands wherein and whereon such uses are appropriate.

WHEREAS, The State of New Jersey, pursuant to the "New Jersey Green Acres Bond Act of 1961" (P. L. 1961, c. 46) and the "New Jersey Green Acres Bond Act of 1971" (P. L. 1971, c. 165), has amply demonstrated a recognition that the provision of lands for public recreation and the conservation of natural resources promotes the public health, prosperity and general welfare, and is a proper responsibility of government; and

WHEREAS, The many thousands of acres of land that have already been acquired and will eventually be acquired under this legislation will be used for parks, natural areas, forests, camping, fishing, water reserves, wildlife, reservoirs, hunting, boating, winter sports, and similar uses for public outdoor recreation and conservation of natural resources; and

WHEREAS, While it would be neither appropriate nor feasible for all land so acquired, nor for all State land otherwise acquired,
to be used primarily for recreational as opposed to conservation purposes, the Legislature finds that the need for increased recre­
ational facilities, amenities, and uses in this, the most densely
populated State in the Nation, is great and growing; and

WHEREAS, The Legislature finds and declares that a special com­
mmission should be established for the purpose of studying and
determining the proper balance between recreational and conserv­
ation uses of land acquired by the State, and recommending
the most feasible and practicable means of increasing the recrea­tional facilities, amenities, and uses of such lands wherein and

L. 1971, c. 165), and to recommend the most feasible and practicable means of increasing the recreational facilities, amenities, and uses of such lands, and all other lands otherwise acquired or owned by the State of New Jersey, wherein and whereon such uses are appropriate.

The impact statement shall follow the guidelines attached to, and made a part of, this Order. When such a statement is requested, the proposing agency shall furnish the Department of Environmental Protection with the statement. The Department shall prepare a report of its review of the impact statement copies of which shall be furnished to the proposing agency and the State Planning Task Force.
