3. In order that there be flexibility in the handing of appropriations, any department or agency receiving an appropriation by any act of the Legislature may apply to the Director of the Division of Budget and Accounting for permission to transfer a part of any item granted to such department or agency to any other item in such appropriation. Such application shall be made only during the current year for which the appropriation was made, and if the Director of the Division of Budget and Accounting shall consent thereto, he shall, subject to the approval of the Legislative Budget and Finance Director, place the amount so transferred to the credit of the item so designated; provided, however, that no sum appropriated for any permanent

6. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation, necessary to make such appropriation available for the purpose or purposes intended. Such correction shall be by written ruling, reciting in appropriate details the facts thereof, and the reasons therefor, attested by the signature of said Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursements and the audit thereof, shall be legally binding and of full force and virtue.

The allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require from all persons obtaining money from said fund a receipt therefor. Such receipts shall by such custodian be forwarded monthly to the Director of the Division of Budget and Accounting for audit, and said Director shall likewise make regulations governing disbursement from petty cash funds.

12. The Director of the Division of Budget and Accounting is hereby empowered, notwithstanding any other provision of law, to
transfer to the General State Fund out of any special, dedicated or trust fund such proportionate share of any appropriation made herein, which may be chargeable against such special, dedicated or trust fund. These items are deleted in their entirety.

Senate Bill No. 2201 is a supplemental appropriation bill for the fiscal year ending June 30, 1971. The bill provides for supplemental appropriations to several departments of State government for certain claims made against the State. Included among the claims are the above-mentioned claims of Brookfield Construction Company and P. T. & L. Construction Company, Inc. These two claims, which represent in excess of $300,000, have been disapproved in the past, twice by Governor Hughes and once by me. The disapproval of these claims was not related to the relative merits of the claims but rather because the Legislature had not adopted minimum standards of equitable due process for both claimants and the State. Most reluctantly, I feel it is my obligation to disapprove these two claims again at this time.

The subcommittee on claims has attempted to cull out from the record of each of these claims what it regards as the salient facts in support of its decision to approve the claims in the amounts specified in the bill. I commend the subcommittee itself on its efforts to set forth its basis for decision with respect to these claims.
However, the record relied on by the subcommittee necessarily was the record which was made substantially when the claims were first considered by the committee several years ago. This record was made within a procedural framework which fails to provide the minimum standard of equitable due process which must be the cornerstone of any judicial or quasijudicial proceeding.

Notwithstanding the conclusions of the subcommittee with respect to these claims, the Department of Transportation opposes the payment of these claims in the amounts approved by the subcommittee. While I recognize that the subcommittee had the benefit of the position of the Department when it first heard the claim, I cannot ignore the advice of my staff completely at this time. It is significant to note that last year four contested claims, including the two now under consideration, were disapproved by me. Two of these claims were settled to the satisfaction of the Department of Transportation and the claimants during the past year. The fact that settlement was reached in these matters indicates to me that there is some common ground on which the two remaining contested claims might be resolved through negotiation by the parties involved.

The Legislature has not yet proposed a procedure for dealing with claims against the state. A commission composed of eight Senators and Assemblymen was created by Senate Concurrent Resolution No. 30 and is working towards a solution to this problem. In addition, the Attorney General has this matter under study and is preparing an exhaustive report which will be made available to the legislative commission. I am certain that the work of the commission and the Attorney General will result in a modernization of the claims procedure in New Jersey. In the meantime, it has been necessary to extend the interim moratorium on instituting suits against the State to April 1, 1972. I urge the Legislature to utilize this time to bring to fruition a new procedure which will treat all claims against the State in a manner which is fair to both the claimants and the State. I would hope that when such new procedures are adopted, these two claimants will be able to obtain a prompt determination of their claims if they are still outstanding at that time.

Respectfully,

[SEAL]

WILLIAM T. CAHILL,
Governor.

Attest:
JEAN E. MULFORD,
Acting Secretary to the Governor.

4. This act shall take effect immediately.

Approved June 24, 1971.
An Act authorizing the Port of New York Authority to provide access by mass transportation facilities to air terminals, amending "An act to facilitate the financing and effectuation of air terminals by the Port of New York Authority and agreeing with the State of New York with respect thereto," approved April 2, 1947 (P. L. 1947, c. 43), and authorizing the Port of New York Authority to acquire real property by condemnation or the right of eminent domain for and in connection with such mass transportation facilities.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The States of New York and New Jersey hereby find and determine:

(1) Each air terminal within the Port of New York district serves the entire district, and the problem of furnishing proper and adequate air terminal facilities within the district is a regional and interstate problem;

(2) Access by land travel to the great airports serving the Port of New York district, particularly John F. Kennedy International and Newark Airports, is becoming increasingly difficult, and such access is necessary for the continued development of such airports which development is vital and essential to the preservation of the economic well-being of the Northern New Jersey- New York Metropolitan area;

(3) Additional highway construction to serve these great airports is not feasible and creates severe problems in terms of increased air pollution and the preemption of land which might otherwise be devoted to park purposes and other desirable uses;

(4) Access to these airports by railroads or other forms of mass transportation must be undertaken if they are to maintain their preeminence and continue to serve the economic well-being of the Northern New Jersey-New York Metropolitan area;

(5) Such mass transportation facilities may properly be regarded as constituting a part of each air terminal, the development
of which should be the responsibility of those charged with the duties of air terminal development;

(6) It is the purpose of this act to authorize and direct the Port of New York Authority to undertake this responsibility specifically with respect to John F. Kennedy International and Newark Airports in order to preserve and develop the economic well-being of the Northern New Jersey-New York Metropolitan area, and such an undertaking is found and determined to be in the public interest.

2. P. L. 1947, c. 43, s. 3 (C. 32:1-35.3) is amended to read as follows:

C. 32:1-35.3 Definitions.

3. The following terms as used herein shall mean:

"Air terminals" shall mean developments consisting of runways, hangars, control towers, ramps, wharves, bulkheads, buildings, structures, parking areas, improvements, facilities or other real property necessary, convenient or desirable for the landing, taking off, accommodation and servicing of aircraft of all types, including but not limited to airplanes, airships, dirigibles, helicopters, gliders, amphibians, seaplanes, or any other contrivance now or hereafter used for the navigation of or flight in air or space, operated by carriers engaged in the transportation of passengers or cargo, or for the loading, unloading, interchange or transfer of such passengers or their baggage, or such cargo, or otherwise for the accommodation, use or convenience of such passengers, or such carriers or their employees (facilities and accommodations at sites removed from landing fields and other landing areas, however, except as otherwise provided in this section, to be limited to ticket stations and passenger stations for air passengers, to express and freight stations for air express and air freight, and to beacons and other aids to air navigation), or for the landing, taking off, accommodation and servicing of aircraft owned or operated by persons other than carriers. It shall also mean facilities providing access to an air terminal, consisting of rail, rapid transit or other forms of mass transportation which furnish a connection between the air terminal and other points in the port district, including appropriate mass transportation terminal facilities at and within the air terminal itself and suitable offsite facilities for the accommodation of air passengers, baggage, mail, express, freight and other users of the connecting facility.

"Air terminal bonds" shall mean bonds issued by the port authority for air terminal purposes.
"Air terminal purposes" shall mean the effectuation, establishment, acquisition, construction, rehabilitation, improvement, maintenance or operation of air terminals owned, leased or operated by the Port of New York Authority (including airports operated under revocable permits) or operated by others pursuant to agreements with the port authority. "Bonds" shall mean bonds, notes, securities or other obligations or evidences of indebtedness. "General Reserve Fund" shall mean the general reserve fund of the Port Authority authorized by chapter 48 of the laws of New York of 1931 as amended, and chapter 5 of the laws of New Jersey of 1931, as amended. "General Reserve Fund statutes" shall mean chapter 48 of the laws of New York of 1931 as amended, and chapter 5 of the laws of New Jersey of 1931, as amended. "Municipality" shall mean a county, city, borough, village, township, town, public agency, public authority or political subdivision. "Real property" shall mean lands, structures, franchises and interests in land, including air space and air rights, waters, lands under water and riparian rights, and any and all things and rights included within the said term, and includes not only fees simple absolute but also any and all lesser interests, including but not limited to easements, rights of way, uses, leases, licenses and all other incorporeal hereditaments and every estate, interest or right, legal or equitable, including terms for years and liens thereon by way of judgments, mortgages or otherwise.

C. 32:1-35.21 Authorization to undertake certain air terminal facilities.

3. In furtherance of the aforesaid findings and determinations and in partial effectuation of the comprehensive plan heretofore adopted by the two States for the development of terminal and transportation facilities in the Port of New York district, the Port of New York Authority is hereby specifically authorized to undertake pursuant to chapter 43 of the laws of New Jersey of 1947, as amended, and chapter 802 of the laws of New York of 1947, as amended, the following air terminal facilities to provide access to Newark Airport and John F. Kennedy International Airport:

(a) Access to Newark Airport.

A new railroad line connecting Newark Airport to existing rail and terminal facilities in the city of Newark and extending from said airport generally southward to the main line of the Central Railroad of New Jersey in the city of Elizabeth, and thence generally westward along said mainline to the township of Cran-
ford, including (i) appropriate mass transportation terminal facilities at and within the said airport; (ii) construction, reconstruction and improvement of necessary stations in Newark, Elizabeth, Roselle, Roselle Park and Cranford, together with other suitable offsite facilities for the accommodation of air passengers, baggage, mail, express, freight and other users of the connecting facility; and (iii) such additional rail, terminal, storage and service facilities as efficient operations may require.

(b) Access to John F. Kennedy International Airport.

A new railroad line connecting John F. Kennedy International Airport to the main line of the Long Island Railroad in the county of Queens, including (i) a spur or branch to the Montauk line of the said railroad in the said county; (ii) appropriate mass transportation terminal facilities at and within the said airport; (iii) suitable offsite facilities for the accommodation of air passengers, baggage, mail, express, freight and other users of the connecting facility; and (iv) such additional rail, terminal, storage and service facilities as operations may require.

The States of New Jersey and New York recognize that the integration of air terminals in the port district in a unified system requires the development of the aforesaid access facilities at both John F. Kennedy International Airport and Newark Airport, and it is the intent of the two States that the access facilities to both airports shall proceed as a single port development project.

C. 32:1-35.22 Authorization to acquire real property.

4. The Port of New York Authority is hereby authorized and empowered to acquire real property located within the port district by condemnation or the right of eminent domain pursuant to and in accordance with the provisions of chapter 43 of the laws of New Jersey of 1947, as amended, and chapter 802 of the laws of New York of 1947, as amended, for and in connection with the undertaking of the air terminal access facilities set forth in section 3 of this act. Such authorization and power to acquire real property by condemnation or the right of eminent domain may not be exercised in connection with the undertaking of access facilities, other than the access facilities set forth in section 3 of this act, unless authorized by the laws of the state in which such facilities are to be located.

5. This act shall take effect upon the enactment into law by the State of New York of legislation having an identical effect with this act, but if the State of New York has already enacted such legislation, this act shall take effect immediately.

Approved June 24, 1971.

CHAPTER 247

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1960, c. 39 (C. 56:8-2) is amended to read as follows:

C. 56:8-2 Fraud, etc., in connection with sale or advertisement of merchandise as unlawful practice.

2. The act, use or employment by any person of any unconscionable commercial practice, deception, fraud, false pretense, false promise, misrepresentation, or the knowing, concealment, suppression, or omission of any material fact with intent that others rely upon such concealment, suppression or omission, in connection with the sale or advertisement of any merchandise or with the subsequent performance of such person as aforesaid, whether or not any person has in fact been misled, deceived or damaged thereby, is declared to be an unlawful practice; provided, however, that nothing herein contained shall apply to the owner or publisher of newspapers, magazines, publications or printed matter wherein such advertisement appears, or to the owner or operator of a radio or television station which disseminates such advertisement when the owner, publisher or operator has no knowledge of the intent, design or purpose of the advertiser.

2. Section 8 of P. L. 1960, c. 39 (C. 56:8-8) is amended to read as follows:

C. 56:8-8 Injunction against unlawful practices; appointment of receiver; additional penalties.

8. Whenever it shall appear to the Attorney General that a person has engaged in, is engaging in or is about to engage in any practice declared to be unlawful by this act he may seek and obtain in a summary action in the Superior Court an injunction prohibiting such person from continuing such practices or engaging therein or doing any acts in furtherance thereof or an order appointing a receiver, or both. In addition to any other remedy authorized herein the court may enjoin an individual from managing or owning any business organization within this State, and from
serving as an officer, director, trustee, member of any executive board or similar governing body, principal, manager, stockholder owning 10% or more of the aggregate outstanding capital stock of all classes of any corporation doing business in this State, vacate or annul the charter of a corporation created by or under the laws of this State, revoke the certificate of authority to do business in this State of a foreign corporation, and revoke any other licenses, permits or certificates issued pursuant to law to such person whenever such management, ownership, activity, charter authority license, permit or certificate have been or may be used to further such unlawful practice. The court may make such orders or judgments as may be necessary to prevent the use or employment by a person of any prohibited practices, or which may be necessary to restore to any person in interest any moneys or property, real or personal which may have been acquired by means of any practice herein declared to be unlawful.

C. 56:8-15 Restoration of moneys or property.
3. In addition to the assessment of civil penalties, the Attorney General or his designee may, after a hearing as provided in P. L. 1967, c. 97 and upon a finding of an unlawful practice under this act and the act hereby amended and supplemented, order that any moneys or property, real or personal, which have been acquired by means of such unlawful practice be restored to any person in interest.

C. 56:8-16 Remission of penalty.
4. In assessing any penalty under this act and the act hereby amended and supplemented, the Attorney General or his designee may provide for the remission of all or any part of such penalty conditioned upon prompt compliance with the requirements thereof and any order entered thereunder.

C. 56:8-17 Noncompliance with order of Attorney General; penalty.
5. Upon the failure of any person to comply within 10 days after service of any order of the Attorney General or his designee directing payment of penalties or restoration of moneys or property, the Attorney General may issue a certificate to the Clerk of the Superior Court that such person is indebted to the State for the payment of such penalty and the moneys or property ordered restored. A copy of such certificate shall be served upon the person against whom the order was entered. Thereupon the clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted, and of the State, a designation of the
statute under which the penalty is imposed, the amount of the penalty imposed and the amount of moneys ordered restored, a listing of property ordered restored, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the Superior Court. Such entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the final order of the Attorney General or his designee.

C. 56:8-18 Issuance of cease and desist order; penalty for noncompliance.

6. Where the Attorney General or his designee, after a hearing as provided in P. L. 1967, c. 97, finds that an unlawful practice has been or may be committed, he may order the person committing such unlawful practice to cease and desist or refrain from committing said practice in the future. When it shall appear to the Attorney General that a person against whom a cease and desist order has been entered has violated said order, the Attorney General may initiate a summary proceeding in the Superior Court for the violation thereof. Any person found to have violated a cease and desist order shall pay to the State of New Jersey civil penalties in the amount of not more than $25,000.00 for each violation of said order. In the event that any person fails to pay a civil penalty assessed by the court for violation of a cease and desist order, the court assessing the unpaid penalty is authorized, upon application of the Attorney General, to grant any relief which may be obtained under any statute or court rule governing the collection and enforcement of penalties.

C. 56:8-19 Action or counterclaim in event of loss of moneys or property.

7. Any person who suffers any ascertainable loss of moneys or property, real or personal, as a result of the use or employment by another person of any method, act, or practice declared unlawful under this act or the act hereby amended and supplemented may bring an action or assert a counterclaim therefor in any court of competent jurisdiction. In any action under this section the court shall, in addition to any other appropriate legal or equitable relief, award threefold the damages sustained by any person in interest. In all actions under this section the court shall also award reasonable attorneys’ fees, filing fees and reasonable costs of suit.

C. 56:8-20 Notice to Attorney General.

8. Any party to an action asserting a claim, counterclaim or defense based upon violation of this act or the act hereby amended or supplemented shall mail a copy of the initial or responsive plead-
ing containing the claim, counterclaim or defense to the Attorney General within 10 days after the filing of such pleading with the court. Upon application to the court wherein the matter is pending, the Attorney General shall be permitted to intervene or to appear in any status appropriate to the matter.

9. Section 1 of P. L. 1966, c. 39 (C. 56:8-13) is amended to read as follows:

C. 56:8-13 Penalties.

1. Any person who violates any of the provisions of the act to which this act is a supplement shall, in addition to any other penalty provided by law, be liable to a penalty of not more than $2,000.00 for the first offense and not more than $5,000.00 for the second and each subsequent offense.

10. Section 2 of P. L. 1966, c. 39 (C. 56:8-14) is amended to read as follows:

C. 56:8-14 Enforcement of penalty; process.

2. Every county district court and municipal court shall have jurisdiction of proceedings for the collection and enforcement of a penalty imposed because of the violation, within the territorial jurisdiction of the court, of any provision of the act to which this act is a supplement. Except as otherwise provided in this act the penalty shall be collected and enforced in a summary proceeding pursuant to the Penalty Enforcement Law (N. J. S. 2A:58-1, et seq.). Process shall be either in the nature of a summons or warrant and shall issue in the name of the State, upon the complaint of the Attorney General or any other person.

In any action brought pursuant to this section to enforce any order of the Attorney General or his designee the court may, without regard to jurisdictional limitations, restore to any person in interest any moneys or property, real or personal, which have been acquired by any means declared to be unlawful under this act.

In the event that any person found to have violated any provision of this act fails to pay a civil penalty assessed by the court, the court may issue, upon application by the Attorney General, a warrant for the arrest of such person for the purpose of bringing him before the court to satisfy the civil penalty imposed.

11. Section 1 of P. L. 1967, c. 97 (C. 56:8-3.1) is amended to read as follows:
C. 56:8-3.1 Violations; penalty.

1. Upon receiving evidence of any violation of the provisions of chapter 39 of the laws of 1960, the Attorney General, or his designee, is empowered to hold hearings upon said violation and upon finding the violation to have been committed, to assess a penalty against the person alleged to have committed such violation in such amount within the limits of chapter 39 of the laws of 1966 as the Attorney General deems proper under the circumstances. Any such amounts collected by the Attorney General shall be paid forthwith into the State Treasury for the general purposes of the State.

12. This act shall take effect immediately.

CHAPTER 251

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 23:4-43 of the Revised Statutes is amended to read as follows:
Possession of wild deer; prohibitions; exceptions; prima facie evidence; inapplicability of article to certain deer.

23:4-43. Except as provided by this section, no person shall have in possession in this State any wild deer other than during the open season for hunting deer as established in the State Fish and Game Code and such deer in possession must have been killed in the manner prescribed by the State Fish and Game Code for that particular open season. A legally killed deer and parts of a legally killed deer may be possessed until June 1 immediately following the season in which it was killed, provided the deer was properly registered and bears the possession tag affixed at the deer checking station, and any parts that have been separated from legally killed deer are clearly marked as prescribed in R. S. 23:4-47. A person desiring to retain a legally killed deer or parts thereof after June 1 may do so by contacting the nearest Conservation Officer, who may authorize such retention in a manner prescribed by the division. No person shall have in possession any deer of any description, except as provided in the State Fish and Game Code or as provided in this section.

Except as herein provided, the having in possession of any wild deer or parts thereof during the time and periods prohibited in the State Fish and Game Code, or the having in possession of any deer of any description, except during such time and periods and of such description as permitted by the State Fish and Game Code, shall be prima facie evidence in all courts that such wild deer is in possession unlawfully.

This article shall not apply to a deer killed on game preserves, the owners or lessees of which are licensed by the division, or to deer coming from another state, which is properly tagged, showing where the same was killed.

2. Section 23:4-47 of the Revised Statutes is amended to read as follows:

Tagging of deer; registration at deer checking station; penalty.

23:4-47. A person who kills a deer in this State at any time during the legal seasons shall immediately attach thereto the deer transportation tag supplied with the hunting license and shall transport the deer to a deer checking station before 7:00 p. m. on the day said deer was killed, for registering the kill and having a legal possession tag affixed, which possession tag shall remain attached until the carcass has been consumed.

A person not required to purchase a hunting license under provisions of section 23:3-1 of the Revised Statutes, who kills a deer
in this State at any time during the legal seasons, or a person who has lost the transportation tag supplied with the hunting license, shall make and attach a transportation tag immediately after killing the animal, clearly stating his or her name and address, and if holding a license to hunt, the license number, with the date, township if known, and county in which the deer was killed and shall transport the deer to a checking station for registration as herein prescribed.

The division shall designate such checking stations as it deems necessary and shall prescribe regulations for their operation.

All deer killed during prescribed seasons shall be presented for registration at the nearest deer checking station by the person who killed the same, and it shall be registered in his name. No person shall present a deer for registration, or permit to be registered in his name, any deer which he himself did not kill. No person shall at any time in any manner transport any deer, unless open to view and there is securely attached thereto a legal tag. If deer is being transported by other than the licensee, written permission signed by the licensee killing the deer must be in possession of the driver.

No person shall have in possession at any time any deer, or parts of a deer, which has not been legally registered. The owner of a legally registered deer may give away parts of such deer provided each separate part is plainly labeled with the name and address of the person who registered the deer, the possession tag number assigned to said deer, and the name and address of the person to whom it was given.

Any person who shall fail to properly tag a deer and transport it to a checking station, or who borrows, loans, transfers, buys, sells or purloins any deer tag of another, shall be liable to the penalty prescribed by section 23:4-48 of this Title.

3. Section 23:4-48 of the Revised Statutes is amended to read as follows:

g. The educational institution shall not amortize premiums paid upon the purchase of an investment for an endowment pool, nor shall it accumulate discount in respect of investments purchased at less than face or par value;

h. For the purposes of this act, an investment made pursuant to a commitment therefor shall be deemed to be made on the date when the commitment was made.

C. 15:18-6 Investment and reinvestment of money and property of pool.

6. In investing and reinvesting money and property of an endowment pool and in acquiring, retaining, selling, exchanging and managing investments therein, an educational institution shall exercise such care and judgment under the circumstances then prevailing which persons of ordinary prudence and reasonable discretion exercise in the management of their own affairs, considering the probable income as well as the probable safety of their capital in relation to their immediate and future needs.
C. 15:18-7 Privilege and power conferred by act in addition to other powers of institution.

7. The privilege and power conferred by this act shall be in addition to and not in restriction of any right, privilege or power which an educational institution may have with respect to the creation, operation and administration of an endowment pool or which it may have by the provisions of the gift instrument.

C. 15:18-8 Adoption of plan for allocation of endowment pool income to annual operating expenses.

8. In order to encourage educational institutions to attain the highest possible endowment pool income from investments in an endowment pool, an educational institution in establishing, maintaining or operating an endowment pool or pools may adopt a plan for the allocation of endowment pool income to the annual operating expenses of the institution and other recurring or non-recurring expenses of the institution in excess of the actual interest, dividends, income, rents, issues and profits yielded or earned by the endowment pool. Such plan shall not be effective until approved by the Superior Court of New Jersey, in a civil action instituted by the educational institution, to which the Attorney General of the State of New Jersey shall be made a party, in which action the court may proceed in a summary manner or otherwise.

C. 15:18-9 Approval of allocation plan by court.

9. If it appears in such action that the plan for allocation of endowment pool income to the annual operating and other recurring or nonrecurring expenses of the educational institution, constitutes a fair and equitable allocation of such income and is consistent with attaining the objects and carrying out the purposes of the institution, in the light of present and future needs, the court shall approve the same and authorize the institution to carry out such plan until such time as the Court otherwise orders.

C. 15:18-10 Use of certain words in gift instrument.

10. Whenever any gift instrument transferring property to an educational institution directs or authorizes it, or any agent or member thereof, to use, for the purpose of carrying out the gift, only the "income" or the "interest" or the "dividends" or the "rents, issues or profits" or uses words of similar import, such words shall, in the absence of an express provision to the contrary contained in such gift instrument, be deemed by the court in such action to include such portion of endowment pool income as it may approve.
C. 15:18-11 Conformance of allocation plan with certain laws.

11. Such plan for allocation of a portion of endowment pool income need not conform to the provisions of the Principal and Income Act (N. J. S. 3A:14A-1 et seq.) or any other statute or decisional law appertaining to the distribution of income, dividends, capital gains realized or unrealized, or other increments of value as between a life or other tenant and remainderman in a trust estate.

C. 15:18-12 Powers of educational institutions.

12. The powers conferred by this act shall not be deemed as any indication that educational institutions did not possess such powers prior to the effective date of this act.

C. 15:18-13 Validation of certain endowment pools.

13. Endowment pools established by an educational institution prior to the effective date of this act which conform with the provisions of sections 3 and 4 of this act are hereby validated.

C. 15:18-14 Short title.

14. This act shall be known and may be cited as the "Educational Endowment Management Act."

15. This act shall become effective immediately.

1. Section 4 of P. L. 1945, C. 162 (C. 54:10A-4) is amended to read as follows:

C. 54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:

(a) "Commissioner" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion, and (5) the amount of all indebtedness owing directly or indirectly to holders of 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes, as of the close of a calendar or fiscal year. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of each class, if any, of nonvoting stock. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from net worth of the
taxpayer, if the foreign entity is considered a corporation for any purpose under the United States Federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed-paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) "Indebtedness owing directly or indirectly" shall include, without limitation thereto, all indebtedness owing to any stockholder or shareholder and to members of his immediate family where a stockholder and members of his immediate family together or in the aggregate own 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes.

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation required to report or to pay taxes, interest or penalties under this act.
(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for Federal income tax purposes.

(j) Except as herein otherwise provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets. For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its Federal income tax; provided, however, that in the determination of such entire net income,

(1) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for Federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section. With respect to other dividends, entire net income shall not include 50% of the total included in computing such taxable income for Federal income tax purposes;

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) the amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in subsection (k) (1) of this section;

(C) taxes paid or accrued to the United States on or measured by profits or income, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in subsection (k) (1) of this section;

(D) net operating losses sustained during any year or period other than that covered by the report;

(E) 90% of interest on indebtedness owing directly or indirectly to holders of 10% or more of the aggregate outstanding shares of
the taxpayer's capital stock of all classes; except that such interest may, in any event, be deducted

(i) up to an amount not exceeding $1,000.00,

(ii) in full to the extent that it relates to bonds or other evidences of indebtedness issued, with stock, pursuant to a bona fide plan of reorganization, to persons, who, prior to such reorganization, were bona fide creditors of the corporation or its predecessors, but were not stockholders or shareholders thereof;

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

2. This act shall take effect immediately and shall be applicable to taxpayers whose accounting periods end after June 30, 1971.

C. 43:13-22.45 Appropriations to pay increase.

4. The employer shall bear the cost of the increase in the pensions payable to retirants who retired from the employ of such employer. The employer shall appropriate the amount in the fiscal year next following, taking into account payments made to retirants of such employer and prospective payments to be made to such retirants in the following year.

The increase in pensions provided for under this act shall commence provided, that there is appropriated the amount certified by the Director of the Division of Pensions of the State Department of the Treasury to the Director of the State Division of Budget and Accounting as set forth in the Pension Increase Act (P. L. 1969, c. 169). The increase in pensions shall continue to be paid as long as there shall be appropriated the amounts so certified. In the event that the necessary funds are not so appropriated, the increase in pensions shall cease; no further payments shall be made by the employer; a refund shall be made by the retirement system to the employer of any balance unexpended on its account.

C. 43:13-22.46 Waiver of increase; written notice; withdrawal.

5. Any person who is eligible to receive the increased pension under the provisions of this act may, at any time, waive his right thereto by filing a written notice of waiver with the secretary of the retirement system. The application for the waiver of all or part of the increase shall be made by the retirant at least 30 days prior to the desired effective date on a form satisfactory to the retirement system and shall be effective on the first day of the following month. Such waiver may be withdrawn at any time and upon such withdrawal the increase in the pension shall commence with the pension payment for the next following month.

6. On or before October 1, 1969 and by the same date in each subsequent year, the Director of the Division of Pensions of the State Department of the Treasury shall review the index and determine the percentum of change in the index from the retirement year index pursuant to the provisions of the Pension Increase Act. The percentage of adjustment in the pensions shall be $\frac{1}{2}$ of the percentum of change.

The director shall include amounts sufficient to adjust the retirement allowances or pensions payable to all eligible retirants by $\frac{1}{2}$ of the percentum of change in the index as such retirement allowances or pensions may have been originally granted, or increased for certain retirants in accordance with the provisions of the Pension Increase Act (P. L. 1969, c. 169). The director shall
notify the secretary of the retirement system of the percentage of adjustment for the applicable year.

In no instance shall the amount of the pension originally granted and payable to any retirant be reduced as a result of this adjustment.

For purposes of this section a "retirant" shall include all retirants except those whose pension commenced within the 3 calendar years prior to the first of the month in which the adjustment is to become effective in any year.

7. If legislation is adopted providing for a blanket increase in the original pensions or for minimum pensions to any group of retirants eligible for benefits under this act, all increases provided under this supplementary act shall be terminated on the first of the month when such blanket increases or minimum pensions are payable, except in those instances where the retirant's original pension plus the increases provided under this act will exceed the amounts payable to such retirants as a result of such other legislation; in such event the amount payable under this act shall be the difference between the new pension payable by the retirement system and the amount which would otherwise have been paid under this act. Any subsequent annual review of amounts payable under this act for such retirants shall continue to be determined on the basis of the original pension as granted by the retirement system prior to any blanket increase or provision for minimum pension for any group of retirants eligible for benefits under this act.

8. The Director of the Division of Pensions of the State Department of the Treasury shall promulgate such rules and regulations, not inconsistent with the provisions of the Pension Increase Act (P. L. 1969, c. 169) and this act, as he shall deem necessary for the effective operation of the program. He shall include a report of the operation of the Pension Increase Act (P. L. 1969, c. 169) and this act in his annual report submitted to the Governor and the Legislature regarding all of the operations of the Division of Pensions. The secretary of the retirement system shall furnish such information as the director may request for this purpose.

9. This act shall be effective immediately but the first adjustment as contemplated by this supplementary act shall be effective January 1, 1972, provided that the funds are appropriated in accordance with section 4 of this act.

Approved August 4, 1971.

5. Any person who is eligible to receive the increased retirement allowance under the provisions of this act may, at any time, waive his right thereto by filing a written notice of waiver with the secretary of the retirement system. The application for the waiver of all or part of the increase shall be made by the retirant at least 30 days prior to the desired effective date on a form satisfactory to the retirement system and shall be effective on the first day of the following month. Such waiver may be withdrawn at any time and upon such withdrawal the increase in the retirement allowance shall commence with the retirement allowance payment for the next following month.

C. 18A:66-126.6 Percentage of adjustment.

6. On or before October 1, 1969 and by the same date in each subsequent year, the Director of the Division of Pensions of the State Department of the Treasury shall review the index and determine the percentum of change in the index from the retirement year index pursuant to the provisions of the Pension Increase Act (P. L. 1969, c. 169). The percentage of adjustment in the retirement allowances shall be  \( \frac{1}{2} \) of the percentum of change.

The director shall include amounts sufficient to adjust the retirement allowances or pensions payable to all eligible retirants by  \( \frac{1}{2} \) of the percentum of change in the index as such retirement allowances or pensions may have been originally granted, or increased for certain retirants in accordance with the provisions of the Pension Increase Act (P. L. 1969, c. 169). The director shall notify the secretary of the retirement system of the percentage of adjustment for the applicable year.

In no instance shall the amount of the retirement allowance originally granted and payable to any retirant be reduced as a result of this adjustment.

For purposes of this section a "retirant" shall include all retirants except those whose retirement allowance commenced within the 3 calendar years prior to the first of the month in which the adjustment is to become effective in any year.
C. 18A:66-126.7 Effect of blanket increase.

7. If legislation is adopted providing for a blanket increase in the original retirement allowances or for minimum allowances to any group of retirants eligible for benefits under this act, all increases provided under this supplementary act shall be terminated on the first of the month when such blanket increases or minimum allowances are payable, except in those instances where the retirant's original allowance plus the increases provided under this act will exceed the amounts payable to such retirants as a result of such other legislation; in such event the amount payable under this act shall be the difference between the new allowance payable by the retirement system and the amount which would otherwise have been paid under this act. Any subsequent annual review of amounts payable under this act for such retirants shall continue to be determined on the basis of the original allowance as granted by the retirement system prior to any blanket increase or provision for minimum allowance for any group of retirants eligible for benefits under this act.

C. 18A:66-126.8 Rules and regulations; report.

8. The Director of the Division of Pensions of the State Department of the Treasury shall promulgate such rules and regulations, not inconsistent with the provisions of the Pension Increase Act (P. of New Jersey:

C. 43:10-29.4 Counties of 225,000 to 265,000; adjustments in amounts of
pension benefits.

1. Any county of the second class having a population of not
less than 225,000 nor more than 265,000 according to the 1960
census which is paying pensions to retirants pursuant to the provisions of article 2 of chapter 10 of Title 43 of the Revised Statutes, may, from time to time, by resolution of its board of chosen freeholders, make adjustments in the amounts of the pension benefits payable to said retirants so as to reflect increases or decreases in living costs and maintain the purchasing power of their pension benefits in a reasonably uniform state.

Any such adjustment may be made notwithstanding that the amount of pension benefits thereby payable will exceed the amount prescribed by sections 43:10-20 and 43:10-21 of the Revised Statutes, but no such adjustment shall be made that will reduce pension benefits below the amount so prescribed.

CHAPTER 286

Be it enacted by the Senate and General Assembly of the State of New Jersey:

Repealer.
2. Section 11:9–2 of the Revised Statutes is amended to read as follows:

Eligibility of applicants for tests; admission of nonresidents; testing of unskilled and semiskilled laborers.

11:9–2. The tests mentioned in section 11:9–1 of this Title shall be competitive, free, and except as to such limitations as to age, residence, health, habits, character, sex and other qualifications as may be lawfully considered desirable by the chief examiner and secretary and specified in the Civil Service Examination Announcement Bulletin or other civil service examination announcement, open to citizens who may be lawfully appointed to any position in the class for which they are held, who have resided in this State for at least 12 months prior to the date of the test.

If it appears that an employment list containing sufficient names to provide a full certification to fill existing or anticipated vacancies is not likely to be established from among qualified residents in the State, the chief examiner and secretary may, with the approval of the commission, admit qualified citizens of the United States to such tests.

For positions involving unskilled and semiskilled laboring work, or involving domestic, attending, or other housekeeping and custodial services at State institutions where the character of the work, the relatively low rate of compensation, or the place of work makes it impracticable to secure at stated times a sufficient number of applicants to supply the needs of the service, the chief examiner and secretary may, with the approval of the commission, provide by regulation for a procedure permitting the testing of applicants singly or in groups at stated places for laboring work, and at State institutions or elsewhere for domestic, attending, housekeeping or custodial service at any time on due notice of such tests, but without public advertising as required in this chapter.

3. Section 11:9–6 of the Revised Statutes is amended to read as follows:

Rejection of application; refusal to certify eligible; admission to test after rehabilitation.

11:9–6. The chief examiner and secretary shall reject the application of a person for admission to a test for establishing an employment list, or refuse to test an applicant or certify the name of an eligible, who:

a. Lacks the established qualification requirements for the position for which he applies or has been tested; or
b. Is physically unfit to perform effectively the duties of the position in which he seeks employment; or

c. Is addicted to the habitual use of drugs or intoxicating liquors; or

d. Has been guilty of a crime or infamous or notoriously disgraceful conduct; or

e. Has been dismissed from the public service for delinquency; or

f. Has made false statements of a material fact or practiced or attempted to practice any deception or fraud in his application, in his tests or in securing his eligibility or appointment.

If, however, it shall appear that any such person, who is ineligible under subparagraphs d, e and f hereof, has achieved a degree of rehabilitation that indicates that his or her employment would not be incompatible with the welfare of society and the aims and objectives to be accomplished by the agency of government where such person is to be employed, then the chief examiner and secretary may, provided that the appointing authority of the employing agency shall concur therein, admit such person to appropriate tests, and subsequently certify such person as eligible for employment. When the chief examiner and secretary refuses to examine an applicant or after examination refuses to certify an eligible, the Civil Service Commission shall afford such person an opportunity to submit facts for consideration in a review of the refusal.

4. Section 11:9-7 of the Revised Statutes is amended to read as follows:

Notice of proposed tests.

11:9-7. Notice of all tests for positions in the classified service shall be given by the chief examiner and secretary, by posting or causing to be posted, an appropriate notice on the bulletin board maintained in or near the commission quarters at the State Capitol and by announcing each test in the Civil Service Examination Announcement Bulletin or other civil service examination announcement at least 2 weeks in advance of every examination. Advertisement of the availability of the Civil Service Examination Announcement Bulletin shall be made in at least 3 daily newspapers of general circulation in the State prior to each publication date of such bulletin.

5. Section 11:23-1 of the Revised Statutes is amended to read as follows:
Formal application for examination; contents; certificates.

11:23-1. The commission shall require any person applying for admission to an examination provided for by this subtitle or under the rules and regulations of the commission, to file in its office on or before the closing date for filing application for the examination, a formal application, in which the applicant shall state under oath:

a. Full name, residence and post-office address;
b. Age, where it is required for the position by law and where it is lawfully an occupational requirement;
c. Health and physical capacity for public service;
d. All other information as may reasonably be required concerning the applicant's merit and fitness for the public service. No inquiry shall be made as to his religious opinions, political affiliations, race or national origin.

Blank forms for such applications shall be furnished by the commission without charge upon request of same.

The commission may require in connection with the application, the certificate of citizens, physicians or others having knowledge of the applicant, as the good of the service may require.

6. Section 11:23–2 of the Revised Statutes is amended to read as follows:

Refusal to examine applicant or to certify eligible.

11:23–2. The chief examiner and secretary may refuse to examine an applicant, or after examination to certify an eligible who:

a. Lacks any of the established preliminary requirements for examination or position or employment for which he applies; or
b. Is so physically disabled as to be rendered unfit for the performance of the duties of the position to which he seeks employment; or

c. Is addicted to the habitual use of intoxicating liquors to excess; or

d. Has been guilty of a crime or of infamous or notoriously disgraceful conduct; or

e. Has been dismissed from the public service for delinquency or misconduct; or

f. Has made false statements of any material fact, or practiced or attempted to practice deception or fraud in his application, examination or in securing his eligibility or appointment.

If, however, it shall appear that any such person, who is ineligible under subparagraphs d, e and f hereof has achieved a degree of rehabilitation that indicates that his or her employment would not
be incompatible with the welfare of society and the aims and objectives to be accomplished by the agency of government where such person is to be employed, then the chief examiner and secretary with the concurrence of the appointing authority may admit such person to appropriate tests, and subsequently certify such person as eligible for employment. When the chief examiner and secretary refuses to examine an applicant or after examination to certify an eligible, the Civil Service Commission shall afford such person an opportunity to submit facts for consideration in a review of the refusal.

7. Section 11:23-8 of the Revised Statutes is amended to read as follows:

**Place of holding examinations; notice.**

11:23-8. Examinations shall be held in the locality or localities as will most readily provide equal opportunity for the citizens of any county, municipality or school district operating under this subtitle with reference to positions in the service thereof. Due and sufficient notice thereof shall be given in such manner that all persons interested in the examinations may have an opportunity of learning the time, place and conditions thereof. Notice of every examination shall be given by the commission, by publication, in the Civil Service Examination Announcement Bulletin or other civil service examination announcement at least 2 weeks in advance of every examination; advertisement concerning the availability of such bulletin shall be made in the newspapers of general circulation throughout the State and any county, municipality, or school district as the commission shall prescribe.

8. This act shall take effect immediately.

performance of official duties. The secretary may authorize the

(b) Written consent has been voted by producers who engage in the production or producer marketing of 65% of the volume of the agricultural commodity of those voting and who represent not less than 51% of the total number of producers voting in the referendum.

Volume shall be determined on the basis of the quantity of the commodity produced in the next preceding marketing season in New Jersey or that area of New Jersey to be covered by the marketing program or amendment. To facilitate the conduct of the referendum and to delineate those producers subject to the provisions of this act, the secretary or advisory council may limit eligibility for voting in and application of the referendum to those producers who produced a reasonable minimum amount, as determined by the secretary or council, of the affected commodity during the year immediately preceding the year in which the referendum is held and who are producing such commodity during the year of the referendum.

Nonprofit associations of producers who have the written consent of members to vote for them in referenda concerned with marketing programs may cast a bloc vote for such members in any referendum provided for in this act.

C. 4:10-56 Referendum date.

14. At each public hearing upon a marketing program or a major amendment the secretary may receive evidence relating to the time necessary for the receipt of written consent. He shall establish a referendum date on which consent must be received.
CHAPTER 308, LAWS OF 1971

(a) The program is contrary to or does not tend to effectuate the purposes of this act.
(b) The termination or suspension is requested in writing by at least 51% of the affected producers, who produce at least 51% of the volume of the agricultural commodity, or by an association representing such numbers and volume.

C. 4:10-58 Minor amendments to program.
16. The secretary may promulgate minor amendments to a marketing program upon the recommendation of the advisory council.

C. 4:10-59 Major amendments to program.
17. Major amendments to marketing programs shall be instituted in the same manner as the marketing program. Provisions effecting substantial modifications or provisions relating to the following shall be deemed to be major amendments:
(a) Advertising and sales promotion;
(b) Research studies relating to production or distribution;
(c) Alteration of assessment rates.
In the event a major amendment is not approved in a referendum, the marketing program will continue in effect.

C. 4:10-60 Effective date; publication of program.
18. Any program promulgated pursuant to the provisions of this act shall become effective upon the filing of a copy of the program in the office of the Secretary of the State of New Jersey. The secretary may publish the program in the newspapers of general circulation and may mail copies of the order to interested persons.

C. 4:10-61 Rules and regulations.
19. The board shall have power to establish general rules and regulations of uniform application to all marketing programs and marketing agreements.

C. 4:10-62 Expenses of program; deposit in advance; assessments.
20. The secretary may require persons applying for a marketing program to deposit with him in advance such amount as he deems necessary to defray the expenses connected with the formulation and issuance of the program and shall reimburse these persons when sufficient funds are available from assessments after the program is in effect. In the event a program is not issued, the
secretary shall refund only that portion remaining after the payment of expenses incurred in connection with the proposed program on a pro rata basis.

For the purpose of providing funds to defray the necessary expenses incurred by the secretary in the formulation, issuance, administration and enforcement of each marketing program, the marketing program shall provide for the levying and collection of assessments in sufficient amounts to defray such expenses. The marketing program shall indicate the maximum assessment rate. The advisory council shall recommend to the secretary, from time to time, budgets to cover necessary expenses and the assessment rate necessary to provide sufficient funds. If the secretary finds that the budget and assessment rate are proper and equitable and will provide sufficient money to defray expenses, he may approve the budget and rate of assessment and order that each producer or processor so assessed shall pay to him, at such times and in such installments as he may prescribe, an assessment based upon the units in which such agricultural commodity is marketed, or upon any other uniform and equitable basis. Assessment rates for producers directly affected shall not exceed 5% of the gross dollar value of sales by affected producers during the marketing season.

C. 4:10-63 Amount of advance deposits.
21. The secretary may require each and every producer directly regulated by any marketing program to deposit with him in advance of the marketing season an amount limited to 1% of the estimated value of the agricultural commodity to be marketed by such producer.

To provide funds to cover the costs of advertising, sales promotion, research or education plans incurred prior to the receipt of sufficient funds from assessments, the secretary may require each person so assessed to deposit with him in advance an amount not exceeding 25% of such assessment.

C. 4:10-64 Contributions in lieu of advance deposits.
22. In lieu of requiring advance deposits for defraying administrative, advertising, sales promotion, research or education expenses, the secretary is authorized to receive and disburse for such expense purposes contributions made by producers or others. Neither the council nor the secretary shall be held responsible for the repayment of such contributions. Whenever the marketing program accounts are sufficient to so warrant, the council shall recommend and the secretary shall authorize the repayment of
contributions or authorize the application of such contributions to
the assessment obligations of the persons who made the
contributions.

C. 4:10-65 Collection of assessments.

23. For the convenience of collecting any assessments on a
processing commodity, the secretary may collect such assessments
from the processors of the commodity. Any assessment on a fresh
market commodity may be collected from the buyers of the com-
modity as defined in this act. Processors and buyers paying such
assessments for and on behalf of any producers, shall deduct the
amount of such assessment from any moneys which they owe such
producers.

C. 4:10-66 Disposition of moneys.

24. All moneys received by the secretary pursuant to this act
shall be deposited as received with the State Treasurer and main-
tained by him in separate accounts for each marketing program
or agreement. Moneys credited to each such account shall be ap-
propriated and used for the payment of expenses incurred in carrying
out the provisions of the particular marketing program or
agreement, refunds and returns of excess assessments and shall be
disbursed by the State Treasurer out of such funds in the same
manner as other State expenses are paid; provided, however, that
no refund or return of excess assessment shall be made where the

25. The advisory council may adopt emblems, labels or other
distinctive designations of grade, quality or condition and shall
register said emblems, labels or designations with the secretary
who will cause it to be filed with the Secretary of the State of New
Jersey. Every person who is directly regulated by the program
shall have the use thereof. If all New Jersey producers of the
agricultural commodity are not directly regulated, the emblem,
label or other designation shall not include the name of this State
in whole or in part.

No person shall use any emblem, label or other distinctive
designation of grade, quality or condition established by a market-
ing program, other than State or Federal grade standards, unless
he is participating in and complying with the provisions of the
marketing program.
C. 4:10-68 Uniformity of administration and regulation.

C. 4:10-69 Assessments constitute personal debts of persons assessed.

27. Assessments levied by the secretary shall constitute personal debts of persons so assessed and when due shall be payable to the secretary. In the event of failure to pay any such assessment upon the due date, the secretary may file a complaint in a court of competent jurisdiction for the collection thereof.

In the event any producer or processor duly assessed fails to make full payment on or before the due date, the secretary is authorized to add to the unpaid assessment an amount not exceeding 10% to defray the cost of collecting the unpaid assessment.

C. 4:10-70 Liability of members and employees of advisory council.

28. The members and employees of any advisory council shall not be held individually responsible to any producer, processor or any other person for errors in judgment, mistakes, or other acts, either of commission or omission, except for their individual acts of dishonesty or crime. The suspension, amendment or termination of any marketing program or marketing agreement shall not suspend or terminate any cause of action which has accrued thereunder, but the same shall survive and exist the same as if such marketing program or agreement had not been suspended, amended or terminated.

In all matters arising under this act, the fact of possession by any person engaged in the sale of a commodity is prima facie evidence that such commodity is for sale.
Whenever any power or authority is given by any provision of this act to any person it may be exercised by any deputy, inspector, or agent duly authorized by him.

C. 4:10-72 Penalties.

30. Any person who violates any provision of this act or of any marketing program issued pursuant to this act shall be liable to a penalty of not less than $100.00 nor more than $500.00 for each offense.

Each day of violation shall be deemed a separate offense.

Penalties set forth in this act shall be sued for by and in the name of the secretary, and shall be recoverable with costs. County district courts and municipal courts shall have jurisdiction to enforce the provisions of this act or of any marketing program issued pursuant to this act. Any proceeding for a violation of this act may be brought in the county or municipality where the violator resides, has a place of business or principal office, or where the act or omission or part thereof complained of occurred. The proceeding shall be summary in nature and in accordance with the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.). A warrant may be issued in lieu of summons. If judgment shall be rendered for the plaintiff, the court shall cause any defendant, who may refuse or fail to pay forthwith the amount of the judgment rendered against him and all costs and charges incident thereto, to be committed to the county jail for a period not exceeding 30 days.

If a defendant who is committed to jail in default of payment of the penalty shall serve the full period for which he shall be committed, upon his release from jail he shall be entitled to have the judgment satisfied of record.

The secretary may institute an action in the Superior Court for injunctive relief to prevent and restrain any violation of this act or of any marketing program issued pursuant to the act.

Any action based upon the violation of this act or any marketing program issued pursuant to this act shall be commenced within 1 year from the date of the violation.

The penalties and remedies prescribed in this section shall be concurrent and alternative and shall not bar any other civil, criminal or administrative action authorized by law in respect to such violation.

Any cemetery company which has been engaged in the operation of a cemetery prior to the enactment of this statute, and which is now engaged in the operation of a cemetery in this State, shall be granted a certificate of authority in accordance with section 8A:3-13(2), and the rights and obligations granted to it under its charter, whether created by special act or otherwise are hereby preserved, subject to the provisions of chapter 5 of this act.

Register of applications for certificates of authority; application fee.

8A:3-10. In the case of cemetery companies organized after the effective date of this act, the New Jersey Cemetery Board shall establish a register of applications for such certificates of authority. Each such application shall, upon its receipt at the offices of the New Jersey Cemetery Board, be recorded in such register of applications and the date of its receipt noted therein. There shall be paid along with each such application a fee of $100.00 payable to the New Jersey Cemetery Board. No such application for a certificate of authority shall be acted upon by the New Jersey Cemetery Board, either by way of grant or denial, for a period of at least 60 days from the date of its receipt and registration. The register of applications shall be open to the inspection of any member of the public during normal business hours at the office of the New Jersey Cemetery Board.
Filing objections to grant of application.
8A:3-11. Any member of the public may file written objections to the grant of such application for a new cemetery at the office of the New Jersey Cemetery Board at its established office. Upon the receipt of any written objection, and prior to taking any action to grant or deny the application, the New Jersey Cemetery Board shall notify the objecting member of the public and the applicant of the time and place of a public hearing which it shall conduct for the purpose of receiving evidence from the objecting member of the public and from the applicant.

8A:3-12. The grant or denial of each certificate of authority applied for shall be recorded in the register of applications.

Statement of purposes of company; application for certificate of authority for certain companies; fee.

(2) Any cemetery company organized prior to the effective date of this act shall, within 90 days from the effective date of this act, apply to the New Jersey Cemetery Board for the issuance to it of a certificate of authority, along with a fee of $100.00 payable to the New Jersey Cemetery Board.

Construction of mausoleums, vaults or crypts; permit; approval; limitations; penalty.
8A:3-14. a. No person shall build, construct or erect, wholly or partially above the surface of the ground, a public mausoleum, vault, crypt or other structure intended to hold or contain dead
bodies, without obtaining a building permit from the building inspector of the municipality in which it is proposed to build or erect said structure. A denial or failure to issue said permit shall be reviewable in the Superior Court by a proceeding in lieu of prerogative writ.

b. Full detailed plans and specifications of said structure shall be presented to the State Department of Health for its examination and approval before the commencement of the erection thereof. Before approving the plans and specifications the State Department of Health shall be satisfied that the mausoleum proposed to be constructed can be operated and maintained without constituting a hazard to public health or safety.

The approval of the plans and specifications by the State Department of Health shall be evidenced by a certificate in writing, properly signed, which certificate with the detailed plans and specifications so approved shall, before work is begun on the structure, be filed in the office of the clerk of the county wherein the structure is to be erected and there remain as a public record.

c. The process of construction and erection of the structure shall be at all times under the supervision of the said building inspector, whose duty it shall be to see that the approved plans and specifications are complied with in every particular as to kind, quality, character and quantity of all materials. No departure or deviation from the original plans and specifications shall be permitted, except upon the approval of the said State Department of Health evidenced and filed in like manner and form as the approval of the original plans and specifications.

d. No structure erected under the provisions of this section shall be used for the purpose of interring or depositing therein any dead body until there shall have been obtained a certificate signed by the building inspector of the municipality in which the structure shall have been erected, which certificate shall show that the plans and specifications as filed have been complied with fully in every particular, nor until the certificate shall be filed with the clerk of the county wherein the structure is located.

e. No structure constructed or erected under the provisions of this section shall be used for the interment or depositing therein of a dead body until a trust fund shall have been established and set apart in accordance with the laws regulating trust funds in this State, of not less than ten per cent of the total cost of the structure. The interest on the trust fund, and the interest only, shall be used
for the perpetuation of the structure. This provision shall not apply to private mausoleums or temporary receiving vaults.

f. This section shall not apply to a public mausoleum, vault, crypt or other structure intended to hold or contain dead bodies, constructed or erected or in the course of construction or erection prior to March 21, 1916.

g. Any officer, manager or director of a cemetery company willfully failing to comply with the provisions of this section shall be personally liable therefor and shall be liable to a penalty of $1,000.00.

**Voting membership of cemetery companies.**

8A:3–15. In the case of cemeteries other than those owned by shareholders, each owner of a lot shall be considered a member of the cemetery company and shall have one vote wherever voting by the members is required under the provisions of any law, subject to the following qualifications:

a. If any lot is owned by more than one person, then a majority of the owners thereof shall decide among themselves who shall cast the vote represented by said ownership.

b. No lot owner shall be entitled to vote unless all charges and assessments against the lot of said owner have been paid.

c. Proxy voting shall be permitted except that no proxy shall be valid more than 3 years following the date of said proxy.

d. Any person owning certificates of indebtedness or certificates of interest shall have one vote for each $500.00 value thereof.

e. An organization shall have one vote for each lot owned, except that it shall not have more than 100 votes.

**Residency requirement.**

8A:3–16. At least one member of the governing body of a cemetery company must be a resident of the State of New Jersey.

**Annual meeting; report; notice.**

8A:3–17. The managers, trustees or directors of a cemetery company shall at each annual meeting report to the lot owners as to their activities and management and also as to the condition of the property and affairs of the cemetery company. At least 20 days prior to the occurrence of such annual meeting a notice thereof shall be placed at some prominent place at the office of the cemetery company and shall be published in a newspaper having general circulation in the county in which such cemetery company operates a cemetery.

8A:3-18. Following the effective date of this act, no cemetery company operating under this act shall be dissolved without first obtaining the approval of the board.

Merger or consolidation of companies; approval.  
8A:3-19. Following the effective date of this act no two or more cemetery companies shall merge or consolidate except to improve the financial or operating conditions of the cemeteries. The approval of the board must be obtained to such merger or consolidation.

8A:3-21. The cemetery board shall be a necessary and indispensable party to any litigation involving or pertaining to a cemetery company.

CHAPTER 4  
TRUST FUND

Declaration of policy.  
8A:4-1. It is hereby declared to be the public policy of this State that a primary obligation of each cemetery company shall be the creation of an adequate fund for the permanent maintenance and preservation of the cemetery.

Maintenance and Preservation Fund.  
8A:4-2. There shall be established, by each and every cemetery operating within this State under certificate of authority issued therefor by the New Jersey Cemetery Board, a special, irrevocable trust fund for the purpose of continuous maintenance and preservation of the cemetery. The fund shall be called the Maintenance and Preservation Fund.

The fund shall be invested in legal investments and the income therefrom shall be applied to the maintenance, embellishment and preservation of the cemetery in accordance with the definitions contained in this act.
The creation, perpetuation and operation of the fund shall be supervised by the cemetery board pursuant to the provisions of this act. The said board may make such rules and promulgate such regulations as it deems necessary to insure proper and effective compliance with the purpose of this chapter.

Trust funds to be established.

SA:4-3. Any cemetery company incorporated after the effective date of this act shall, as a condition for the issuance to it of a certificate of authority to operate a cemetery, cause to be deposited in a banking institution authorized by law to maintain trust accounts and having and maintaining a principal place of business within this State, the sum of $25,000.00 in trust, and shall designate such banking institution as trustee of the fund so deposited. The income received from such account shall be paid to the cemetery company to be used for maintenance and preservation of the cemetery. The fund so deposited shall be called Initial Balance Fund.

Within 1 month after the issuance of a certificate of authority and before it shall dispose of any interment space, the cemetery company shall cause to be established a second trust fund in a banking institution authorized by law to maintain trust accounts and having and maintaining a place of business within this State. This second fund shall be called the Maintenance and Preservation Fund and shall be augmented from time to time as set forth in this act.

Whenever the cemetery company shall have deposited in its Maintenance and Preservation Fund a sum amounting to $50,000.00, it shall submit proof thereof to the board and the board shall thereupon issue an authorization to the banking institution acting as trustee of the Initial Balance Fund directing the release of the corpus of said fund to the cemetery company which established the fund.

Trust fund to be established by certain companies.

SA:4-4. Each and every cemetery company organized before the effective date of this act which has obtained a certificate of authority to operate a cemetery from the board, shall within 1 month following the issuance of the certificate of authority, cause to be established a custodial trust fund in a banking institution authorized by law to maintain trust accounts and having and maintaining a place of business within this State. This fund shall be called the Maintenance and Preservation Fund and shall be aug-
mented from time to time as set forth in this act, or as ordered by the cemetery board.

**Fees and charges to be paid into Maintenance and Preservation Fund.**

8A:4–5. The cemetery company shall collect and pay into the Maintenance and Preservation Fund the following fees and charges:

a. From the proceeds in the initial sale by a cemetery company a sum equal to a minimum of 15% of the gross sales price of the lot; provided, however, that no cemetery shall be prevented from paying into the Maintenance and Preservation Fund an amount greater than 15% of the gross sales price of the lot;

On resale, except upon resale made to the cemetery company in accordance with the provisions of this act, a minimum of 15% of the gross sales price of the interment space;

b. From the proceeds at the time of interment a minimum of $10.00 for each interment;

c. A minimum of $0.05 per square inch of surface area of the base of a memorial;

d. From the proceeds a minimum of 10% of the sale price of crypts or niches in a public mausoleum or columbarium which shall be in addition to any other funds required by law;

e. Where prior to the effective date of this act cemetery companies were under obligation by virtue of contracts or court judgments to contribute percentages of the proceeds of land sales to trust funds for maintenance and preservation, the charges required by section 8A:4–5 (a) shall be reduced by the extent of the contribution percentages required by such prior contracts or court judgments.

**Transfer of funds by certain companies; collection and assessment of annual care and maintenance charges.**

8A:4–6. Any cemetery company which operated as such prior to the effective date of this act and which in the course of said operation had established a fund or funds for the maintenance and preservation or for the perpetual care of the cemetery shall, upon the establishment of the Maintenance and Preservation Fund, as provided in this act, transfer to and commingle with said Maintenance and Preservation Fund all of the aforesaid funds previously accrued and held in trust, except that this section shall not apply to specially designated funds held in trust as provided in this act. Where prior to the effective date of this act a cemetery company has contracted for the payment of annual care and maintenance charges, it may continue to collect such annual care and
maintenance charges in accordance with the terms of said contracts. The governing body of a cemetery company may assess a reasonable annual charge against each lot and grave which was sold without any provision for maintenance and preservation on the part of the cemetery company.

The annual charge so levied shall be a lien on the lots and graves and no interments may be made in or any memorials installed on any lot or grave while such charge remains unpaid and arrangements are made with the cemetery company for continuing care of the lot or grave in question.

**Trust fund created by last will and testament.**

SA.4-7. Any person by his last will and testament or otherwise may create a trust fund to be held in perpetuity or for a lesser time, the income of which is to be used for the care or embellishment of any cemetery or interment space or public or private structure or memorial therein; provided, however, that where any last will and testament purports to create such a fund, the Superior Court of New Jersey may, upon accounting or upon the settlement of the account, determine whether, in view of the size of the estate and any other pertinent circumstances, the testamentary provision aforesaid is reasonable. Should the court find that the trust fund established is excessive for the purposes intended, it may fix in lieu thereof a reasonable sum.

**Money or property received by gift, devise, grant or bequest.**

SA.4-8. Every cemetery company and any person acting under an agreement for the management of a cemetery trust fund, may receive by gift, devise, bequest, grant or agreement, moneys, real or personal property or the income from such moneys or property, in trust, in perpetuity, for the present and future improvement, maintenance, ornamentation, repair, care and preservation of the cemetery, public or private structure, interment space or memorial therein, on such terms and in such manner as may be provided by the terms of the gift, devise, bequest or grant of the moneys or property in trust. No payment, gift, grant, bequest or other contribution to such fund shall be invalid by reason of any indefiniteness or uncertainty as to the persons designated as beneficiaries nor shall the instrument creating such gift, devise, bequest, grant or agreement, or contribution be invalid as violating any law against perpetuities or the suspension of the power of alienation of title to property. Should any such trust be existent at the effective date of this act, then the cemetery company shall continue to
administer said fund in accordance with the terms of the trust instrument, otherwise the principal of the funds may be commingled with the other trusts, the income to be proportionately applied to the designated trust. Any and all trust funds established hereunder or previously existent may be invested in accordance with this act jointly or in combination with any other trust fund or funds in order to achieve the most effective return from said investment. Any trustee holding trust funds created under the provisions of this act shall be entitled to deduct and retain as and for his commission for collecting and disbursing the income therefrom not to exceed 6% of the income.

Withdrawal of certain proceeds to augment Maintenance and Preservation Fund.

8A:4-9. If a cemetery company acquires lands for cemetery purposes pursuant to this act and provides for the payment of the purchase price thereof by the issuance of certificates in a sum certain for a specified interest in the sale of interment space in such lands, said cemetery company, may, with the approval of the board, and by agreement with the holders of the certificates of interest in the proceeds of the sale, provide for the withdrawal of a fixed proportion of the proceeds which shall be used to augment the Maintenance and Preservation Fund.

Deposit required for care and maintenance of certain structures.

8A:4-10. A minimum of $1.00 per cubic foot, by exterior measurement of any private mausoleum, sarcophagus or other private structure for interment, shall be deposited with the cemetery company in trust before said structure is erected. The income from said trust fund shall be used to the extent thereof, for the care and maintenance of the structure and the care, maintenance and embellishment of the area on which said structure is erected, and shall not be devoted to the care or maintenance of any other lot or other portion of the cemetery.

Investment of trust funds.

8A:4-11. The trust funds of any cemetery company shall be invested in any securities which are now or may hereafter be lawful for the investment of trust funds in this State, and when so invested, no cemetery company or any officer thereof shall be held liable for any loss resulting from such investment.

This section shall not apply where said fund has been established by the last will and testament of a deed of trust of any individual which instrument specifically directs the type, class or kind of securities in which said funds shall be invested, in which event said directions shall control.
Annual report of cemetery company; contents, filing; examination of company by board; expenses of examination and administration.

8A:4-12. a. Every cemetery company shall file with the New Jersey Cemetery Board on a form established by the board, an annual report showing the extent of and sources of augmentation of the permanent maintenance and preservation fund and the manner of employment by said cemetery company of the income of the permanent maintenance and preservation fund during the preceding year, which report shall also contain a list of the securities in which said trust funds are invested. If the report so filed is deemed inadequate to properly apprise the New Jersey Cemetery Board of the information it requires to effectively administer the provisions of this act, it shall request a supplemental report and in its discretion conduct an investigation of the operations of the cemetery company.

Officials, managers and trustees or employees of every cemetery company shall exhibit its books, papers and securities to the board when required and otherwise facilitate any examination of said company. Any cemetery official or employee may be required to testify under oath as to the conditions and affairs of the cemetery company.

b. To defray the expenses of examination and administration, each cemetery company, except any religious corporation, shall, at the time of filing its accounting and report as to its permanent maintenance and preservation fund, but not later than 120 days after the close of the cemetery company's fiscal year, pay to the cemetery board the sum of $1.00 per interment in excess of 25 interments for the preceding fiscal year, but in no event shall a cemetery company pay in excess of $1,000.00 per fiscal year.

c. The annual report required by this section shall be filed by the cemetery company no later than 120 days after the close of the cemetery company's fiscal year.

Authority to order disposition of unauthorized securities.

8A:4-13. If it appears to the New Jersey Cemetery Board from any report filed or investigation made that the principal of any trust fund is not being properly invested, the New Jersey Cemetery Board shall have the authority to order the cemetery company to immediately dispose of all unauthorized securities and to properly invest the trust fund.

Authority to formulate plan to supplement Maintenance and Preservation Fund.

8A:4-14. If, as the result of any report required by this act, or investigation by the New Jersey Cemetery Board or otherwise,
it shall appear that the Maintenance and Preservation Fund is not being maintained as herein provided, the board may formulate a plan which will supplement the Maintenance and Preservation Fund. The effectuation of such a plan, when approved by the board, shall be deemed a mandate upon the cemetery company and its officials, and failure on their part to institute the recommended plan within 60 days following the presentation of said plan to the cemetery company by the board, shall be a violation of this act.

Sale of certain lands.

8A:4-15. A cemetery company may sell free from any dedication for cemetery purposes, any land or interest in land which is not, in the judgment of the cemetery company, necessary or suitable for interment purposes, providing no interment has been made therein. As a further condition of any such sale, the deed of conveyance shall be required to include a perpetual prohibition on the use of the premises so conveyed for any of the purposes or uses in which cemetery companies are, by the terms of this act (8A:5-3), specifically prohibited from engaging. Not less than 15% of the proceeds of said sale shall be deposited in the maintenance and preservation fund.

Interest in proceeds of certain sales not affected.

8A:4-16. Nothing in this act contained shall in any wise affect any certificates of interest in the proceeds of sales of lots, which have been heretofore issued by a cemetery company in payment for its lands pursuant to law at the time of issuance, nor affect the rights of any shareholders having an interest in the proceeds of the sales of lots.

Chapter 5

Operation and management of cemetery companies

Regulations; charges for services.

8A:5-1. The governing body of every cemetery shall:

a. Make reasonable rules and regulations for the use, care, management and protection of the property of the cemetery company and of all lots, plots and parts thereof; for regulating the dividing marks between the lots, plots and parts thereof; for prohibiting or regulating the erection of structures upon such lots, plots or parts thereof; for preventing unsightly monuments, effigies and structures within the cemetery grounds, and for the removal thereof.

Regulations.
8A:5-2. The governing body of every cemetery company may:

a. Enact reasonable regulations relating to uniformity, class, composition, material, kinds and sizes of all markers, monuments and other structures within the cemetery provided that no regulation shall be enacted or established to prevent competition or create a monopoly in favor of any person, firm or corporation.

b. Authorize the cemetery company to engage in the sale of interment space, adornment, embellishment, sod and planting to its interment space owners, to build and operate a public mausoleum and crematorium.

c. Regulate or prevent the introduction or culture of plants and shrubs within the cemetery.

f. Reserve to the cemetery the exclusive right to open and fill graves, furnish equipment deemed necessary, to manufacture and install foundations, set and seal vaults, seal crypts and niches and install all flush memorials.

g. Prohibit the erection of memorials, effigies or structures upon portions of the cemetery and make provisions for the removal thereof at the cost of the lot owner when erected in violation of cemetery rules and regulations or when said memorials, effigies or structures become unsightly or dangerous.

Prohibited activities.
8A:5-3. Every cemetery company whether incorporated or organized prior to or subsequent to the effective date of this act, is specifically prohibited from engaging, directly or indirectly, in any of the following activities:

services within 90 days after the time this act takes effect. The
directors of any cemetery company organized after the effective

Cemetery Board.

d. If any member of the public shall file a written complaint
with the cemetery board concerning the operations or activities of
any cemetery company, then the cemetery board may require of the
cemetery company:

(1) A statement of the source and amount of all revenue and
income. It shall not be necessary for the purposes of compliance
with this paragraph that the sale of lots be reported on an indi-
vidual sale basis.

(2) A detailed statement of all expenses and disbursements
including deposits to trust funds. Except as otherwise specifically
stated in this section, it shall not be necessary for the purposes
of compliance with this paragraph to recite each such disburse-
ment but total disbursements in specific categories shall be deemed
to be sufficient compliance.

Posting of rules, regulations and charges for services.

8A:5-5. The rules, regulations and charges for services shall
be suitably printed and shall be conspicuously posted by the ceme-
tery company in each of its offices. For each day in which the
cemetery company fails to post the rules, regulations and charges
for services the cemetery company shall be subject to a penalty
of $25.00 which may be recovered in a civil action by the cemetery
board. The cemetery board may waive the payment of the penalty or any part thereof.

Record of interments.

8A:5-6. A record shall be kept of every interment, which shall include the date of interment; the name and age of the person interred; the cause of death when shown on the burial permit; the location of the interment and the name of the funeral director.

Record of ownership of interment spaces.

8A:5-7. A record shall be kept by every cemetery company of the ownership of all interment spaces in the cemetery which have been conveyed by the cemetery company and all transfers of interment spaces in the cemetery to which the cemetery company has consented. No transfer of any interment space hereafter made, or any right of interment, shall be complete or effective until recorded as herein provided on the books of the cemetery company and any fees required paid.

Prices of burial lots; contents of instruments of conveyance.

8A:5-8. a. The governing body of the cemetery company shall fix and determine the prices of burial lots, plots or parts thereof.

b. The instrument of conveyance of any burial lot, plot or part thereof shall include the actual amount paid therefor and a description showing the dimensions of the property conveyed, and the plot number, section and block number as they appear on the cemetery map.

Streets, roads or avenues; limitation.

8A:5-9. During the time that the lands of any cemetery company are actually used for cemetery purposes, no street, road, avenue or thoroughfare shall be laid through, over or under such lands, or any part thereof, without the consent of the cemetery company, unless otherwise provided by law.

All lands dedicated in accordance with this act belonging to or used by any cemetery company, religious corporation, fraternal or charitable organization in this State shall be reserved for the use of the owners thereof against all causes of action and shall not be liable to be seized, taken or sold by virtue of any judgment, decree, order, execution or other process made or rendered by or issued out of any court in this State.

This section shall not apply to any lien existing upon such lands, before the same are dedicated to cemetery purposes.

**Income and revenues sequestered by court.**

8A:5-13. The rents, issues, profits, income and revenues derived from any and all lands lying within the bounds of any cemetery or burial ground belonging to, used by or held in trust for any incorporated cemetery company, may be taken and sequestered under and by virtue of the orders and judgments of the Superior Court, according to the practice of such court, and applied by such court to the payment of any judgment recovered in any of the courts of this State against the cemetery company owning or using such lands; and the said court may appoint a receiver of such rents, issues, profits, income and revenues, and make such order regarding the same as may be just and equitable. This section shall not be construed to make such lands liable to seizure, taking or sale by virtue of any judgment, decree, order, execution or other process made, rendered by or issued out of any court in this State.

**Incorporation as condition of sale of lands.**

8A:5-14. Whenever as the result of bankruptcy or receivership or other court proceedings, it becomes necessary to sell the lands of a cemetery company, a portion thereof, or certain lots, plots, or burial rights therein, the court as a condition of such sale shall require the purchaser to incorporate in the manner provided by this act.
Selection of governing body of company by court.

8A:5-15. Whenever any receiver or trustee of any cemetery company heretofore or hereafter appointed by a court of competent jurisdiction shall have adjusted, compromised or settled, or may hereafter adjust, compromise or settle any debt or claim due or owing, or to become due or owing by such cemetery company and in connection therewith give under the authority of such court in his name as such receiver or trustee of such cemetery company, any bonds, notes, or other evidences of indebtedness in payment of or as a means of payment of such debt or claim, the governing body of such cemetery company shall, until such bonds, notes or evidences of indebtedness are paid and fully discharged, be selected or chosen by the court. Such governing body shall be selected or chosen in the manner and for the terms within the limitation of this act and may be paid such compensation as may be determined by the court.

Right to select governing body of company as condition in bonds or notes.

8A:5-16. It shall and may be lawful to include in any bonds, notes or other evidences of indebtedness given by such receivers or trustees a covenant or condition that the right to choose and select the governing body of the cemetery company who are to have the care and management of such cemetery company, until such bonds, notes or other evidences of indebtedness shall be paid and fully discharged is to be retained in and exercised by the court.

Dedication to cemetery purposes not violation of law against perpetuities.

8A:5-17. Dedication to cemetery purposes pursuant to this act shall not be invalid as violating any law against perpetuities or the suspension of the power of alienation of title to use of property, but shall be expressly permitted in respect for the dead and as provision for the interment of human remains and as a duty to, and for the benefit of the general welfare.

Right to control disposition of remains of deceased.

8A:5-18. The right to control the disposition of the remains of a deceased person, unless other directions have been given by the decedent or by a court of competent jurisdiction shall be in the following order:

c. The surviving parent or parents of the decedent.

d. A majority of the brothers and sisters of the decedent if no child or parent is living.

e. Other next of kin according to the degree of consanguinity.
Authorization for interment or cremation of remains.

8A:5-19. The cemetery company may permit interment or cremation of any remains upon the receipt of a written authorization of a person representing himself and believed to be a person who has the right to control the disposition of said remains in accordance with this act. The cemetery company shall not be liable for interment, disinterment, reinterment or cremation pursuant to such authorization, unless it has reasonable notice that such representation is untrue or knowledge of notice that the person making such representation is not so authorized.

Removal of interred remains.

8A:5-20. Remains interred in a lot in a cemetery may be removed therefrom, with the consent of the cemetery company and a written consent of the owners of the lot and of the surviving spouse and children, if of full age. If the consent of any such person or of the cemetery company cannot be obtained, the permission of the New Jersey Cemetery Board shall be sufficient. The Notice of application for such permission must be given, at least 10 days prior thereto, personally, or at least 30 days prior thereto, by certified mail return receipt requested, to the cemetery company or to the persons not consenting, if any, and to every other person or corporation to whom service of notice may be required by the New Jersey Cemetery Board.

Truthfulness of facts in authorization; liability for damages.

8A:5-21. Any person signing any authorization for the interment, cremation or removal of any remains warrants the truthfulness of the facts set forth in the authorization, the identity of the person whose remains are sought to be interred, cremated or removed, and his authority to order interment, cremation or removal. He shall personally be liable for all damages occasioned by or resulting from any false statement or breach of such warranty.

Temporary custody of remains by company.

8A:5-22. After the lapse of a period of 1 year from the date of delivery of the remains of any person to a cemetery company for temporary custody, no action shall lie against such cemetery company relating to or arising out of the disposition of such remains left in its possession unless otherwise provided by a written contract.
ACQUISITION AND OWNERSHIP OF LAND

Authority to take and hold lands.
SA:6-1. A cemetery company heretofore or hereafter incorporated, may take by gift, purchase or devise and hold, lands not to exceed 250 acres in extent.

Exchange or lease of lands; exception.
SA:6-2. A cemetery company may exchange its lands for other lands provided no body has been interred therein. A cemetery company may lease for a term of years such parts of its lands as have not been laid out into burial plots or lots and use the proceeds of such lease to pay its debts and liabilities and to improve its cemetery. Any lease entered into pursuant to this section shall be acknowledged or proved in the office of the county recording officer and the lands and property the subject of such lease shall not be entitled to the tax and other exemption set forth in SA:5-5. A cemetery company shall not lease any of its lands directly or indirectly to any person or entity in any business in which a cemetery company is specifically prohibited from engaging in accordance with the terms of SA:5-3 of this act.

Acquisition of lands; financing; limitations.
SA:6-3. Any cemetery company may acquire lands for cemetery purposes and provide for the payment thereof by the issuance of certificates in a sum certain with a specified interest in the proceeds of sales of interment space in such lands, subject to the prior withdrawal from the proceeds of sales of any proportion thereof fixed by contract or law to be retained for the improvement and embellishment of the cemetery; provided that the board shall first approve such acquisition and the method and terms of financing. The total number of certificates hereby authorized to be issued shall be fixed and determined before any of them are issued, and the number so determined shall not thereafter be increased except by specific approval of the board. Nothing herein contained shall permit a cemetery company to acquire a total area of lands in excess of that limited by law.

Enlargement of lands; limitations.
SA:6-4. Any cemetery company may, subject to the prior approval of the board, enlarge its lands by the purchase and addition thereto of another cemetery or by the purchase of other lands which when added to the existing cemetery will be considered as dedicated
to cemetery purposes. Nothing herein contained shall permit a cemetery company to acquire a total area of lands within a municipality in excess of that limited by law except in those instances where the board permits the merger of two or more existing cemeteries. The board shall withhold its approval unless it shall be first satisfied that the purchase or sales price of such lands is reasonable.

Consent of municipality.

8A:6-5. No cemetery shall be established or enlarged in any municipality without first obtaining the consent of the municipality by resolution duly adopted.

Number of cemeteries in municipality; limitations.

8A:6-6. No more than five cemeteries shall be located or placed in any one municipality in any county of this State, except that, in any municipality of this State where the capacity of an existing cemetery is exhausted, so that no further interment spaces can be purchased, an additional cemetery may be created or placed at a distance of not less than 3 miles from any other existing cemetery in such municipality, subject to all laws or provisions thereof governing and regulating cemeteries in this State.

Not more than 3% of the area of any municipality shall be devoted to cemetery purposes.

Nothing contained in this section shall prevent any cemetery company incorporated and in operation prior to the effective date hereof, and which owns lands in which interments have been made, and which obtains a certificate of authority as provided in this act from continuing to maintain and conduct its cemetery in any municipality of this State.

Survey, subdivision and mapping of lands; filing of maps.

8A:6-7. Lands hereafter acquired and held under authority of this act or such parts thereof as may, from time to time, be required for cemetery purposes, shall be surveyed and divided into sections, lots or graves of such size as the managers, directors or trustees of the cemetery company from time to time may direct, with such avenues, paths, alleys and walks as they deem proper. A map or maps of all that land which shall be subdivided or has been subdivided as above shall be filed, and kept in the office of the cemetery company, open to the inspection of the interment space owners and a copy of such map or maps shall be filed in the office of the board, and such filings shall constitute a dedication of the lands for cemetery purposes.
Dedication of property and title of space owner not affected by certain actions.

8A:6-8. After property is dedicated to cemetery purposes pursuant to this act, neither the dedication nor the title of the interment space owner shall be affected by the dissolution of the cemetery company by nonuse on its part, by alienation of the property, by any encumbrances, by sale under execution, or otherwise except as provided in this act and by law.

Sale and conveyance of interment spaces.

8A:6-9. A cemetery company may sell and convey interment space or parts thereof designated on the map or maps, upon such terms as shall be agreed, and subject to such conditions and restrictions as may be imposed upon the use thereof by rules or regulations existing at the time or thereafter adopted. Conveyances of interment spaces shall recite the true consideration, shall be executed under the common seal of the cemetery company and be signed by the president or vice-president and attested by the treasurer, or assistant treasurer, or secretary or assistant secretary, and may be acknowledged or proven in the same manner as are deeds to land. No sales of interment spaces shall be made in any section of a cemetery unless said section is dedicated in accordance with this act. Where interment space is sold in an undeveloped section, a comparable interment space shall be furnished in a developed section, if needed for an immediate interment space.

Prohibited sales, purchases or mortgaging.

8A:6-10. The sale or purchase of interment space for speculative purposes, or the conveyance or mortgaging of any portion of a cemetery dedicated to interment purposes as security for debt, is hereby prohibited, and every sale, purchase, conveyance, or mortgage shall hereafter be void and of no effect and shall constitute a violation of this act.

New plotting of certain portions of ground; resurvey and alteration of unsold interment spaces.

8A:6-11. Where the grounds of any cemetery company have been or shall be laid out on a map or maps, on which there are portions of ground not marked out into interment spaces, and which have not been laid out and dedicated as such in the deeds or certificates given for interment space therein, or which have not been reserved and set apart for building purposes, and not laid out as avenues, the directors, managers or trustees of the cemetery company may cause such portions of the grounds to be laid out into interment spaces and sold for interment purposes. Paths or other roadways shall be maintained to the interment
spaces already sold. The maps of all said new plotting shall be filed as required in this act. Any unsold interment spaces in which no interments have been made, may, by order of the directors, managers or trustees of the cemetery company, be resurveyed and altered in shape and size and be so designated on the map.

Lease of certain unused cemetery land.

8A:6-12. When it appears to the board of managers or trustees of a cemetery company that some portion of the land presently owned by the cemetery company will not be plotted for burial lots or burial lots therein sold for burial purposes or otherwise used for cemetery purposes within 2 years following the date of the meeting of said board of managers or trustees, and such portion of land abuts on a public street or highway so that access thereto may be had without crossing cemetery lands presently used for burial purposes, and the board of managers or trustees of said cemetery company are of the opinion that such portion of cemetery land could be used by a nonprofit, religious, educational or charitable organization in a manner that would be neither harmful to the cemetery nor distasteful to those who may come upon that portion of the cemetery presently used for burial purposes or which will be used for burial purposes within the next 2 years, the board of managers or trustees may, subject to the approval of the board, lease or license a nonprofit, religious, educational or charitable organization to use said presently unused cemetery land for a nonprofit, religious, educational or charitable purpose in a manner which shall be approved by said board of managers or trustees of said cemetery company prior to the commencement of said use.

Chapter 7

Rights of owners

Transfer of ownership of interment spaces.

8A:7-1. All interment spaces owned and occupied exclusively as cemeteries for the interment of the dead and designated on the map or maps filed in accordance with the provisions of this act, and numbered as separate interment spaces shall become, upon the transfer thereof in whole or in part, the sole and separate property of the person or persons named in the conveyance or certificate as transferee; his heirs, devisees and assigns. Any such conveyance or certificate of transfer issued by a cemetery company may contain a provision that the owner or owners take title subject to the rules and regulations of the cemetery company then
existing and those reasonable rules and regulations that may there-
after be adopted by the cemetery company and also any other
reasonable valid restrictions upon use or transfer not inconsistent
with the provisions of this law.

Transferred lots inalienable after an interment; exceptions.

8A:7-2. When any of the lands heretofore or hereafter acquired
for cemetery purposes by a cemetery company have been or shall
be divided into lots or graves and have been or shall be transferred
to individual owners, said lots and graves, after an interment has
been made therein, shall be inalienable, except as herein provided,
and shall upon the death of the owner thereof descend to the heirs
at law or devisees of the owner; but any one or more of such heirs
at law may release and convey to any other of the heirs at law,
specific devisee, assignee or to the spouse, widow or next of kin
of any deceased person interred in such interment space, his or
their interest therein, on such conditions as shall be agreed on
and specified in the conveyance, which shall be recorded in the
office of the cemetery company; provided, however, that after an
interment has been made in a lot owned by two or more persons,
any one of the owners thereof or his heirs or devisees may release
or convey his interest therein to any or all of his co-owners or
his or their respective heirs or devisees or to a surviving spouse
of any deceased person interred in such lot on such conditions as
may be made and specified in such conveyance, which shall be
recorded in the office of the cemetery company. If the owner of
any such lot, or of any interest or share therein, shall die leaving
a will in which no specific disposition of such lot or interest or
share is made, or any specific provision in regard thereto has been
made, such lot or interest therein shall descend to the heirs at law
of such owner and shall not go to the devisee or devisees of such
owner under any residuary or other clause or provision of such
will which merely provides for the disposition generally of real
property of which the testator shall have died seized.

In the event a person dies owning one or more interment spaces,
the persons who become the owners thereof may sell or dispose
of unoccupied interment spaces; provided, however, that the sale
shall be in accordance with the provisions of this act and the rules
and regulations of the cemetery company.

Owner's right to transfer lot; authorization required.

8A:7-3. The owner or holder of a plot or lot or an interest
therein in a cemetery owned by a cemetery company may, subject
to the provisions of this act, transfer and convey the same or part thereof to any person or to the cemetery company having charge of the cemetery in which the plot or lot is situated. Before any such transfer or conveyance is made, the board of managers, directors or trustees shall authorize the same by a vote of at least \% of the board at a regularly called meeting. Consent to such transfer shall not be unreasonably withheld by the cemetery company.

Conveyance of interment space in trust.

8A:7-4. The owner of an interment space in any cemetery in this State, whether or not there has been an interment therein, may convey the same in trust to the company owning, maintaining, or conducting the cemetery, or to a bank or banking or trust company of this State, or to a bank or banking company organized under the laws of the United States and doing business in this State, the title thereto to be held by such trustee in perpetuity or for a shorter time for the use and benefit of the owner of the interment space and the protection of the bodies or the incinerated remains already therein or thereafter to be interred therein, pursuant to the terms of the deed of trust.

If the conveyance is to the company owning, maintaining or conducting the cemetery, the board of managers, directors or trustees thereof shall, before the conveyance is made authorize the same by a vote of at least \% of its members at a regular meeting thereof.

Ownership interest required for interment; exception.

8A:7-5. The body of any deceased person or the incinerated remains thereof shall not be interred in any interment space unless the deceased person had, at the time of his decease, an ownership interest in the interment space, or was the relative of some person having such an interest, or was the spouse of such person or relative of said spouse, except by the consent of the owner or one of the owners of such interment space.

Vested right of interment of owner's spouse.

8A:7-6. No conveyance or other action of the owner or owners of interment space without the consent or joinder of the spouse of the owner shall divest the spouse of a vested right of interment, except that a final judgment of divorce between them shall terminate the vested right of interment unless otherwise provided in the judgment.
Waiver or termination of vested right of interment.

8A:7-7. A vested right of interment may be waived or shall be terminated upon the interment elsewhere of the remains of the person in whom vested.

Vested right of interment; limitations.

8A:7-8. No vested right of interment shall give to any person the right to have his remains interred in any interment space in which the remains of any deceased person having a prior right of interment shall have been interred, nor shall it give any person the right to have the remains of more than one deceased person interred in a single interment space in violation of the rules and regulations of the cemetery in which the interment space is located.

Vested right of joint tenants.

8A:7-9. In a conveyance to two or more persons as joint tenants each joint tenant shall have a vested right in interment in the interment space conveyed.

Designation of person or persons to represent interment space.

8A:7-10. When there are two or more owners of an interment space they may designate one or more persons to represent the interment space and file written notice of the designation with the cemetery company. In the absence of such notice the cemetery company shall not be liable to any person for the interring or permitting of an interment in the interment space upon the request or direction of any coowner.

Sale or conveyance of space by company.

8A:7-11. Except as otherwise provided in this act, any interment space may be sold or conveyed and transferred only by the cemetery company.

Purchase or sale of space for resale.

8A:7-12. Except as otherwise provided in this act, it shall be unlawful for any person, firm or corporation to purchase or for a cemetery company to sell an interment space for the sole purpose of resale. This section, however, shall not prohibit the sale to its members of interment space or the right to use any interment space by a membership or religious corporation or unincorporated association or society which provides burial benefits solely for its members and their families.

Sale of certain unused spaces by company; conditions.

8A:7-13. Where interment spaces have been sold by a cemetery company no provision having been made for the adequate care
or maintenance of the interment space and no interment has been made in the interment space for a period of 25 years the cemetery company may, after making a diligent effort to locate the owners or the descendants of the owners of the interment space, publish a notice in a newspaper circulating in the county in which the interment space is located, directed to the names of the owners registered on the cemetery company's record and also containing the names of the deceased persons and date of burial in said interment space, where such information is ascertainable, advising that in the absence of written objection that at the end of said 30 days the vacant interment spaces would be subject to sale and the net proceeds of sale be deposited in the Maintenance and Preservation Fund. A copy of the above notice shall also be mailed, certified mail, return receipt requested, to all persons named in the notice at their last known address, at least 30 days prior to such sale. The title to the occupied graves shall be inalienable. At any time any person claiming ownership of any interment space disposed of in accordance with this section may make application to the board for an order directed to the trustees of the fund to reimburse to said owner such net proceeds.

CHAPTER 8

REMOVAL AND REINTERMENT OF BODIES; ABANDONMENT

Application of chapter.

8A:8-1. The provisions of this chapter shall have application to every cemetery company, religious corporation and religious society.

Removal of buried bodies; conditions; penalty.

8A:8-2. The governing body of any cemetery in any incorporated borough, town, township or city in this State may remove or cause to be removed from the grounds or churchyard of the corporation any body or bodies buried therein, provided there is a cemetery under the control of a legally incorporated cemetery in or near such borough, town, township, or city, to which the same may be removed.

The directors of any cemetery shall, prior to the removal of bodies from its grounds, procure a proper and suitable place in such other cemetery for the reinterment of the bodies so removed, and shall cause the same to be conveyed to such other cemetery and buried therein in a careful manner. If memorials have been
erected on or over the graves of bodies so removed, the directors shall cause the same to be reerected over or on the graves in the cemetery to which the bodies shall be removed.

Any director violating the provisions of this section shall forfeit the sum of $100.00, to be collected by the municipality, in a civil action for the use of the poor.

Consents required for removal of bodies and sale of lands; action by court.

8A:8-3. The directors of any cemetery owning lands in which burials have been made may remove the bodies buried therein and sell such lands, or any part thereof. Before making such removal and sale the corporation shall obtain the consents in writing of the living owner or owners of the burial plots or lots and permits for burials in such lands, and the consents in writing of the living lineal descendants and widow or widower, if any, of the person or persons buried in such lands, or the part thereof sold.

If the consents required cannot be obtained because the persons from whom they are required to be obtained cannot, upon diligent inquiry, be found, the corporation or society may apply to the Superior Court for an order for the sale thereof. The application shall show the name of the applying corporation, the location of the land sought to be sold, the names of all known persons owning plots or lots and permits for burials in such lands, and a description and map of the lands sought to be sold.

Upon proof of the facts set forth in the application, the Superior Court may make an order setting forth the nature of the application and the names of all owners of plots or lots and permits for burials in the lands sought to be sold who have not consented in writing to the sale, requiring them to show cause, at a time to be fixed by the court, why such lands should not be sold. A notice of such order shall be published in a newspaper designated by such court, for 4 successive weeks, or as the court shall direct.

At the time fixed in the order and notice, or upon such adjournment day as the Superior Court may fix, no objections in writing being made thereto or filed with such court previous thereto by the lineal descendants or widow or widower of the persons buried in such lands, such court may make an order authorizing the sale of the lands and the removal of any bodies buried therein.

Removal of bodies by court order.

8A:8-4. When burials have been made in any cemetery, the Superior Court may make an order authorizing the directors to remove the bodies buried therein to another part of the lands
owned by it. The court shall prescribe the notice to be given and the conditions, if any, of the granting of the order.

Sale of land in which a right of burial has been acquired.

8A:8-5. If any cemetery company or religious corporation or religious society owning or operating a cemetery sells any land in which any person has acquired a right of burial, the said company, corporation or society shall, at the discretion of the cemetery board, either refund to the party having such right, his heirs, executors or assigns, the amount paid therefor, with interest computed at the rate of 2% per annum from the date of payment, or shall convey to such party, his heirs, executors or assigns, an eligible plot of ground of equal size in burial grounds adjacent thereto, and shall pay all cost and expense incurred in the removal of any bodies interred in the lands sought to be vacated and sold and the cost of properly reinterring the same.

Removal of bodies from abandoned burial grounds; conditions.

8A:8-6. Where lands in any municipality in this State have been given or donated to a church organization for the use of burial and church purposes, upon condition that when the same shall cease to be used for church purposes they should revert to the original donor or his heirs, and the lands so given or donated have been abandoned and have ceased to be used for church purposes, and there have been no interments therein for 10 years, such lands shall be deemed to have been abandoned, and the church organization having custody or control thereof may, with the consent of the board of health of the municipality wherein they are situate, and the cemetery board, disinter and remove the bodies interred therein to some other suitable burial grounds or cemetery to be provided by the church organization.

Notice of the intended removal shall be published in at least two newspapers published and circulating in the municipality where the abandoned burial grounds are situate, for 4 weeks, at least once in each week, prior to the intended removal.

Any sale of interment space to a membership or religious corporation or society or unincorporated association which provides interment space solely for its members and their
families shall be subject to the prior approval of the cemetery board.

8A:9-8. No person shall be licensed by the New Jersey Cemetery Board as a cemetery salesman unless he is a resident of this State, a person of good moral character, has never been convicted of crime involving moral turpitude and has passed his twenty-first birthday. A nonresident of this State may also be licensed provided he otherwise qualified under this section and has filed with the New Jersey Cemetery Board an authorization to accept service of process on his behalf in any suit brought against him in this State.

Board to investigate applicants and issue licenses.

8A:9-9. The New Jersey Cemetery Board shall investigate the qualifications of all applicants for a salesman’s license and shall issue a salesman’s license to all those who qualify as herein provided.

A license will be granted to any person who for the period of 5 years prior to the effective date of this act has been employed by a New Jersey cemetery company as a salesman or as an officer of a cemetery company and who otherwise qualifies as to age, good moral character, absence of a criminal record, residency, or in the case of nonresidency, had filed an authorization with the board in form as required by 8A:9-8.

Application for license; temporary license; fee.

8A:9-10. Application to be licensed as a cemetery salesman shall be made in writing to the New Jersey Cemetery Board on forms provided by the board. Said application shall attest that the applicant possesses all the qualifications listed in this act except that it need not be attested that he is conversant with the general cemetery law of this State. Thereafter, the board may in its discretion issue a temporary license which shall be valid for 45 days and may be extended from time to time as the board deems necessary. In no event may such temporary license be extended beyond the date of the announcement of the result of the first investigation period held pursuant to the provisions of this act following the expiration of the 45-day period of initial issuance. All applications shall be accompanied by an examination fee in the sum of $25.00.
Issuance of license; fee; exception.

8A:9-11. If upon investigation by the New Jersey Cemetery Board an applicant for a license as a cemetery salesman is found to be qualified, has shown that he in good faith intends to carry on the business of a cemetery salesman, the board shall, upon the payment of a license fee of $20.00, issue to the applicant a license as a cemetery salesman, except that no license shall be issued where there has been a showing that the granting of license to said applicant would not be in the public interest.

A duplicate license may be obtained upon proof of loss or destruction and payment of a fee of $2.00.

If a cemetery salesman fails to apply for a renewal of his license prior to the time prescribed therefor, no renewal license shall be issued to him except upon payment of a renewal fee in double the amount required in the case of a timely application.

Any cemetery salesman who fails to renew his license within 1 year of the expiration date must, before a new license can be obtained, comply with all of the provisions of this act pertaining to the original issue of said license. The license shall remain in the possession of the salesman until cancelled. The salesman shall produce his license for inspection whenever so requested in the course of his sales activity.

The license shall state the name and address of the cemetery with whom the salesman is associated. All rights granted to this licensee cease upon termination of employment. A new license will be issued by the board upon written request of the new employing cemetery and written request of salesman seeking relicensing. The license shall be issued in the same manner as a renewal and shall be considered timely if applied for within 3 months of
date of termination of last employment as licensed cemetery salesman.

Discharge of salesman for violation of act; statement required.

8A:9-14. When any cemetery salesman is discharged by a cemetery company for a violation of any of the provisions of this act, a verified written statement of the facts with reference thereto shall be filed forthwith with the board by the employer.

8A:9-15. A corporation, a partnership, an association, society or stock company may acquire and retain a license as a cemetery salesman if at least one of its executives or managing officers, directors, trustees, agents or partners obtain a license, keeps it in force and continues his connection with the entity in the stated capacity; provided, however, that no such entity so licensed shall employ any individual to perform the duties of or to act as a salesman unless that individual has a valid subsisting license acquired pursuant to this act.

Municipal license not required.

8A:9-16. Cemetery salesmen licensed under this act shall not be required to obtain a license from any municipality for the sale of cemetery lots.

f. The willful, deliberate and persistent failure or refusal to comply with the terms of this act or the orders, rules or regulations of the New Jersey Cemetery Board;

g. In addition the board may refuse to grant or renew or may suspend the license of a cemetery salesman for:

(1) Chronic and persistent inebriety, or the habitual use of narcotics;

(2) Conviction of a crime involving moral turpitude; or where any licensee or applicant for a license has pleaded nolo contendere or non vult to any indictment, allegation or complaint, alleging the commission of a crime involving moral turpitude. The record of conviction or the entry of such a plea in any court of this State or any other state, or in any of the courts of the United States
shall be sufficient warrant for the revocation or suspension of a license.

Authority to prefer charges; hearing; conduct of hearing.

8A:10-5. a. The cemetery board may prefer charges of violations of this act, against any cemetery company or its officers or against any person violating this act.

b. Such charges shall be in writing, sworn to by the complainant, and submitted to the board; such charges unless dismissed without hearing by the board as unfounded or trivial, shall be heard and determined by the board within 3 months after the date on which they are preferred.

c. The time and place for such hearing shall be fixed by the board. A copy of the charges, together with a notice of the time and place of hearing shall be personally served on the accused or personally served on an officer of the accused cemetery company by a person designated by the board at least 15 days before the day fixed for the hearing; the date of hearing and determination may be adjourned by the board as the board may determine.

d. A stenographic record or a sound recording of each proceeding shall be made at the expense of the board. At the hearing, the accused shall have the right to appear personally and by counsel, to cross examine witnesses and to produce evidence and witnesses in his defense. If after said hearing the board finds that the charges have been sustained, the penalties and sanctions set forth in this act may be imposed and enforced.

Powers of board members; authority to apply for court order; penalty for non-compliance.

8A:10-6. a. The executive secretary, the chairman or any member of the New Jersey Cemetery Board may administer oaths and affirmations and shall have power to issue subpoenas, to compel the attendance of any person, or the production of any books or papers necessary or incidental to any hearing before the board. Such subpoena may be served and the same witness fees paid as in cases in the County or Superior Court, as allowed by law.

b. In the event any person who has been duly served with a subpoena by the board fails or refuses to attend and testify and answer proper questions or to produce books, records, documents, papers, or other physical exhibits pursuant to the command of said subpoena, the board is authorized to apply to the Superior Court for an order compelling compliance with the subpoena or order of the board. Failure to obey the subpoena or the order of the court in reference thereto shall, in addition to any other action
that may properly be taken by the courts, carry a penalty of $100.00 to be collected by the board as provided in chapter 9 of this act.

**Action by board for appointment of receiver, injunctive or other relief.**

SA:10-7. Whenever the board shall suspend the certificate of authority of any cemetery company, it may, when deemed necessary to protect the public interest, institute an action in the name of the State on the relation of the board in the Superior Court for the appointment of a receiver, injunctive or other relief as may be necessary to protect the public interest, or to prohibit the violation of this act or the orders, rules or regulations of the board. The relief authorized by this paragraph shall not be limited or barred by the imposition of any penalties imposed by the board under chapter 10 or any other provision of this act. The receivership shall be discharged as soon as the condition which caused the suspension has been corrected.

**Right of appeal.**

CHAPTER 334

An Act to amend the title of "An act authorizing the municipalities of New Jersey to construct, own and operate public swimming pools and other recreational facilities in connection therewith, and to improve, maintain and regulate the same," approved July 22, 1957 (P. L. 1957, c. 166), so that the same shall read "An act authorizing the municipalities of New Jersey to construct, own or lease and operate public swimming pools and other recreational facilities in connection therewith, and to improve, maintain and regulate the same," and to amend the body of said act.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

Title amended.

1. The title of P. L. 1957, c. 166 is amended to read as follows: An act authorizing the municipalities of New Jersey to construct, own or lease and operate public swimming pools and other recreational facilities in connection therewith, and to improve, maintain and regulate the same.

2. Section 1 of P. L. 1957, c. 166 (C. 40:61-22.21) is amended to read as follows:

C. 40:61-22.21 Swimming pools and other recreational facilities.

1. The governing body of any municipality may acquire, establish, construct, own or lease, control, equip, improve, maintain, operate and regulate one or more public swimming pools and such other recreational, playground, or public entertainment activities as it may determine to provide in connection therewith, and for any such purpose or purposes may construct, reconstruct, alter, provide, renew and maintain such buildings or other structures and equipment as it may determine, and provide for the care, custody and control thereof.

3. Section 2 of P. L. 1957, c. 166 (C. 40:61-22.22) is amended to read as follows:

C. 40:61-22.22 Acquisition of property.

2. The governing body of any municipality may lease, or may acquire, in fee or less estate, by gift, devise, grant or purchase, any land or real estate and rights therein, improved or unimproved,
within the county in which such municipality is located, for use as a public swimming pool and for such other recreational, playground, or public entertainment purposes and activities as it may determine to provide in connection therewith.

4. This act shall take effect immediately.

Approved December 6, 1971.

CHAPTER 335

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 15 of P. L. 1970, c. 234 (C. 18A:58-18.1) is amended to read as follows:

15. There is hereby appropriated for the purposes of this chapter such sums as may be included in any annual or supplemental appropriation act. In the event that the sums appropriated in any fiscal year are insufficient to carry out in full the provisions of articles 1 and 2 of chapter 58 of Title 18A of the New Jersey Statutes as amended and supplemented by this act with respect to minimum support aid, incentive equalization aid and county vocational school aid, the commissioner, with the approval of the State board, shall apportion said sums among the school districts in proportion to the State aid each district would be allocated if the full amount were appropriated; provided, however, that no school district shall be apportioned for minimum support aid, incentive equalization aid and county vocational school aid an amount less than the per pupil aid, excluding transportation aid and atypical aid, it received for the State fiscal year 1970-71; provided, further, that for the 1972-73 fiscal year, aid shall be calculated for each school district on the basis of the amount of aid which would have been received during the 1972-73 school year based on the formula in effect on January 1, 1970, plus 40% of the difference between that aid and the amount required to carry out in full the provisions
of articles 1 and 2 of chapter 58 of Title 18A of the New Jersey Statutes as amended and supplemented by this act.

2. Notwithstanding the classification of school districts defined in N. J. S. 18A:58-2, for the school year 1972-73 all districts other than nonoperating districts shall be designated as basic districts for the purpose of calculating minimum support aid and incentive equalization aid.

3. This act shall take effect July 1, 1972.
Approved December 7, 1971.

CHAPTER 336

AN ACT authorizing the Commissioner of Education to provide financial assistance to the parents of children attending nonpublic schools repealing P. L. 1970, c. 235, and providing for an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Nonpublic Elementary and Secondary Education Act."

C. 18A:58-60 Legislature's findings.
2. It is hereby determined and declared as a matter of legislative finding:

a. That parents who send their children to nonpublic schools assist the State in reducing the rising costs of public education.

b. That a crisis in elementary and secondary education exists in the nation and in the State involving, (1) the new recognition of our intellectual and cultural resources as prime national assets and of the national imperative now to spur the maximum educational development of every young American’s capacity; (2) rapidly increasing costs occasioned by the rise in school population, consequent demands for more facilities, new but costly demands in the endeavor for excellence, upon education generally; through impact of inflation upon the economy; and the struggle of the State, commonly with many other states, to find sources by which to finance education, while also attempting to bear the mounting financial
burden of the many other areas of modern state government responsibility;

c. That nonpublic education in the State today, as during the recent past decades, bears the burden of educating approximately 20% of all elementary and secondary school pupils in New Jersey, that the requirement of the compulsory school attendance laws of the State are fulfilled through nonpublic education.

d. That the welfare of the State requires that this and future generations of school age children be assured ample opportunity to develop to the fullest their intellectual capacities; and that in the exercise of their constitutional rights to choose nonpublic education for their children, parents who support such education make a major contribution to the public welfare. However, the immense impact of inflation, plus sharply rising costs of education, now combine to place in jeopardy the ability of such parents fully to carry this burden.

e. That, should a majority of parents of the present nonpublic school population desire to remove their children to the public schools of the State, an intolerable financial burden to the public would result, as well as the long-term impairment of education in New Jersey, that such a hazard to the education of children may be substantially reduced and all education in the State improved by reimbursing parents who maintain students in nonpublic schools partially for the service such parents render and by providing for services and materials for children attending nonpublic schools.

3. As used in the act:

"Board" means the State Board of Education.

"Commissioner" means the State Commissioner of Education.

"Non public school" means an elementary or secondary school within the State, other than a public school, offering education for grades kindergarten through 12, or any combination of them, wherein any child may legally fulfill compulsory school attendance requirement and which meets the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352.)

"Student" means any child who is a resident of the State and who is enrolled as a full-time pupil in a nonpublic school in grades kindergarten through 12. A child who boards at a school but whose parents do not maintain a residence in this State shall not be deemed to be a resident of the State within the meaning of this act.
“Parent” means a resident of the State of New Jersey who is a parent of a child enrolled in a nonpublic school or a person standing in loco parentis to such child.

4. This act shall be administered by the commissioner in accordance with policies formulated and regulations adopted by the board. The board shall not, under the provisions of this act, provide services, materials or programs, for use in sectarian religious courses or devotional exercises. The commissioner is authorized to appoint a director of nonpublic school education, who shall be in the unclassified civil service of the State and, within the limit of available appropriations, such other necessary personnel as are approved by the board to assist him in the administration of this act.

C. 18A:58-63 Reimbursement of parents for purchase of textbooks and supplies; conditions.
5. The commissioner shall, upon authorization by the board reimburse parents for money spent during the current school year to purchase secular, nonideological textbooks, instructional materials and supplies.

a. Subject to the limitations of available appropriations and requirements set forth in this section, the amount of reimbursement for textbooks, materials and supplies for each school year shall not exceed:
   (1) For each student attending grades kindergarten through 8, the sum of $10.00.
   (2) For each student attending grades 9 through 12, the sum of $20.00.

b. Before the commissioner may issue funds provided for under this section, he shall be in receipt of:
   (1) A verified statement from each nonpublic school attended by students whose parents are seeking reimbursement hereunder, certifying that said students were enrolled as of September 30 of the current school year, giving the name and address of the parents of said students and listing the secular, nonideological textbooks used in said nonpublic schools for the current school year.
   (2) A verified statement, certifying that the parent has expended on secular, nonideological textbooks, instructional materials and supplies, not less than the amount for which application is made.

c. Textbooks, the cost of which are reimbursable under this act, shall mean any textbooks which are in use or have been used within
5 years of September 15 of the year for which reimbursement is sought, in any public school in the State or which are approved by the commissioner as complying with the provisions and purposes of this act.

d. In no event may reimbursement to a parent under this section for a student be granted or allowed for any expenditure by the parent for other than secular, nonideological textbooks, instructional material, and supplies.

e. Payment under this section shall be made to parents commencing December 31, 1971 or as soon thereafter as possible and November 30 in each following year, or as soon thereafter as possible.

C. 18A:58-64 Authority to provide additional supplies, materials and equipment; limitations.

6. In addition to the provisions of section 5 above, the commissioner shall provide, within the limits of the funds made available by the Legislature, such supplies, instructional materials, equipment and auxiliary services as are requested by the nonpublic school. The board shall adopt guidelines and procedures under which such supplies, instructional materials, equipment and auxiliary services shall be provided. Ownership of the nonconsumable supplies and instructional materials and equipment provided pursuant to this act shall remain in the State Department of Education.

7. In the event that in any fiscal year the amount appropriated is insufficient to carry out the purpose of this act, the commissioner shall pay, first, the cost of administration of this act; second, the valid claims of each parent for reimbursement for textbooks hereunder; and third, shall expend the remaining amount of available funds for the purposes set forth in section 6 of this act.

8. If any part of this act shall be invalid, such holding shall not affect the validity of the remaining parts of this act. If a part of this act is invalid in one or more of its applications, the remaining parts of this act shall remain in effect in all valid applications that are severable from the invalid application.

9. Except as specifically provided in this act, nothing in this act shall expand or diminish the powers and duties of the State Board
of Education and the commissioner with respect to any nonpublic school as prescribed by Title 18A of the New Jersey Statutes.

Repealer.
12. This act shall take effect immediately.
Approved December 7, 1971.

   b. A determination by the commissioner that such veteran is eligible for admission to a veterans facility.
A veteran may be admitted to such treatment unit upon voluntary application, commitment or transfer as provided by the Title to which this act is a supplement.

There is hereby created within the Department of Institutions and Agencies a Veterans Affairs Council which shall consist of 15 members, at least 10 of whom shall be veterans, appointed by the commissioner, with the approval of the Governor. The term of each council member, except for the initial members, shall be 3 years commencing on July 1 and ending on June 30 of the third year thereafter, and vacancies shall be filled for the unexpired term only.

The initial membership of the council shall include those persons serving on the effective date of this act as members of the boards of managers of the New Jersey Memorial Home for Disabled Soldiers at Menlo Park and the New Jersey Memorial Home for Disabled Soldiers, Sailors, Marines and Their Wives and Widows at Vineland, which boards are hereby abolished. Such members shall serve for the term to which they had been last appointed to the respective boards, but additional and subsequent appointments shall be made in such manner that the terms of 1/3 of the members of the council shall expire on June 30 of each year.

The members of the council shall receive no compensation for services but shall be reimbursed for actual expenditures incurred in the performance of duty. They shall be subject to removal by the Governor at any time for good and sufficient cause.

d. Recommend standards and procedures for determination and payment of amounts which members may be required to contribute toward the cost of care and treatment in accordance with their financial ability.

C. 30:6AA-14 Moneys and effects deposited in trust with facility.

14. Moneys, choses in action and effects deposited by a member in trust with the veterans facility and unclaimed at the death of the member, dying intestate, shall be deemed to be the property of the veterans facility. Such property shall be held in trust for 3 years following the death of the depositor, with power to invest the funds and to use the income for the benefit of the members as the council and the commissioner may deem most advisable.

Upon claim made within 3 years following the death of the depositor and sustained by legal proof, the sufficiency of which shall be determined by the council and the commissioner, such property shall be paid over to the claimant entitled thereto upon acknowledging, executing and delivering a proper release and discharge.

Such property remaining unclaimed 3 years after the death of its depositor shall be deemed to be the property of and subject to the absolute control and disposal of the veterans facility, to be used for such purposes as the council and the commissioner may deem most advisable.

15. All the functions, powers and duties of the boards of managers of the New Jersey Memorial Home for Disabled Soldiers at Menlo Park and the New Jersey Memorial Home for Disabled Soldiers, Sailors, Marines and Their Wives and Widows at Vineland, are hereby transferred to and vested in the commissioner.

CHAPTER 346

AN ACT concerning unemployment compensation and temporary disability benefits, and amending, supplementing and repealing parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 43:21-4 is amended to read as follows:

Benefit eligibility conditions.

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if it appears that:

(a) He has registered for work at, and thereafter continued to report at, an employment office in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided, that no such regulation shall conflict with subsection (a) of R. S. 43:21-3.

(b) He has made a claim for benefits in accordance with the provisions of subsection (a) of R. S. 43:21-6.

(c) He is able to work, and is available for work, and has demonstrated that he is actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section:

(1) No woman shall be deemed to be able or available for work during the 4 weeks immediately before the expected birth of her child or the 4 weeks immediately following the birth of her child, in either of which cases the division may require the production of a doctor's certificate to establish such dates;

(2) The director may, in his discretion, modify the requirement of actively seeking work if, in his judgment, such modification of this requirement is warranted by economic conditions.

No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because he is on vacation, without pay, during said week, if said vacation is not the result of his own action as distinguished from any collective action of a collective bargaining
agent or other action beyond his individual control; nor subject to such limitations and conditions as the division may prescribe, shall any otherwise eligible individual who is attending a training program which has been approved for him by the division to enhance his employment opportunities be deemed unavailable for work or ineligible because he is attending such training program, or because he failed or refused to accept work while attending such program.

(d) He has been totally or partially unemployed for a waiting period of 1 week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, he shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) if benefits have been paid, or are payable with respect thereto; provided, that the requirements of this paragraph shall be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) if it has constituted a waiting period week under temporary disability benefits law;

(3) unless the individual fulfills the requirements of subsections (a) and (c) of this section;

(4) if with respect thereto, claimant was disqualified for benefits in accordance with the provisions of subsection (d) of R. S. 43:21-5.

(e) With respect to a base year as defined in subsection (c) of R. S. 43:21-19 he has established at least 17 base weeks as defined in subsection (t) (1) of R. S. 43:21-19, or, in the alternative, has earned $1,350.00 or more in his base year.

(f) (1) He has suffered any accident or sickness not compensable under the Workmen's Compensation Law (Title 34 of the Revised Statutes) and resulting in his total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R. S. 43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for his inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R. S. 43:21-3 (d); provided, however, that no benefits shall be payable under this subsection to any individual:

(A) for any period during which such individual is not under the care of a legally licensed physician, dentist or chiropodist;
(B) for any period of disability due to pregnancy or resulting childbirth, miscarriage, or abortion, except for disability existing during the 4 weeks immediately before the expected birth of child, and the 4 weeks following the termination of the pregnancy;

(C) for any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a high misdemeanor;

(D) for any week with respect to which or a part of which he has received or is seeking benefits under any unemployment compensation or disability benefit law of any other state or of the United States; provided, that if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such benefits, this disqualification shall not apply;

(E) for any week with respect to which or part of which he has received or is seeking disability benefits under the temporary disability benefits law;

(F) for any period of disability commencing while such individual is a "covered individual" as defined in subsection 3 (b) of the temporary disability benefits law (c. 110, P. L. 1948).

(2) Benefit payments under this subsection shall be charged to and paid from the State disability benefits fund established by the temporary disability benefits law, and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and (C) of R. S. 43:21-19 (i) (1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the Unemployment Compensation Law; except that notwithstanding any other provisions of the Unemployment Compensation Law, benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education shall not be paid to an individual for any week of unemployment or period of disability during the period between 2 successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of leave provided for in the individual's employment, if the individual has a contract or other method of understanding or contracts to perform services in any such capacity for
any institution or institutions of higher education for both such academic years or both such terms. If, however, the individual performs service for an employer in an instructional, research or principal administrative capacity, as well as in any other capacity, and the amount of time in the other capacity is in excess of ½ of his total time, the exception contained in this subsection (g) shall not apply.

(h) Notwithstanding any other provision of this chapter, the director may, to the extent that he deems efficient and economical provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to article III (State plan) of the Temporary Disability Benefits Law.

2. R. S. 43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than those liable for payment in lieu of contributions on the basis set forth in subsection 3 of this act (C. 43:21-7.2), shall pay to the Division of Employment Security for the Unemployment Compensation Fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers consistent with the provisions of the Unemployment Compensation Law and the Temporary Disability Benefits Law.

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R. S. 43:21-1 et seq.), with respect to having individuals in his employ during such calendar year at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the Division of Employment Security for the fund in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to ½ cent or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2½% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (e) of this section.
(2) The "wages" of any individual, with respect to any one employer as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $3,000.00 paid during each calendar year prior to January 1, 1968, the first $3,600.00 paid during each calendar year commencing on or after January 1, 1968 and prior to January 1, 1972, and the first $4,200.00 paid during each calendar year commencing on or after January 1, 1972, for services performed either within or without this State; provided, that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to $3,000.00 to such individual during any calendar year prior to January 1, 1968, or equal to $3,600.00 during any calendar year commencing on or after January 1, 1968 and prior to January 1, 1972, and the first $4,200.00 paid during each calendar year commencing on or after January 1, 1972, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R. S. 43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after
January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made the division shall promptly send either a copy of the benefit check or other form of notification to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base-year base week wages paid to the claimant by that employer, then such employer may apply to the division to have canceled from his account such excess benefit charges as specified above. Any such application for the cancellation of excess charges shall be submitted by the employer within 6 months from the date of the benefit check, payment of which creates such charges. In no event will the erasure of such charges affect a contribution rate already assigned to the employer with respect to any fiscal year commencing prior to the date the application is received by the division.

The division shall furnish to each employer an annual summary statement of benefits charged to his account.

(2) The Division of Employment Security may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.

(3) Each employer’s rate shall be 2¼%, except as otherwise provided in the following provisions: No employer’s rate shall be other than 2½% unless and until there shall have been 3 calendar years throughout which any individual in his employ could have received benefits if eligible. No employer’s rate shall be lower than 2½% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year.
under section 3303 (a) (1) of the Internal Revenue Code (U. S. Code Title 26, section 3303 (a) (1)), any other provision of this section to the contrary notwithstanding.

(4) (A) Each employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceed the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2½% %, if such excess equals or exceeds 4%, but less than 5% of his average annual payroll (as defined in paragraph (2), subsection (a) of section 43;21-19 of this Title);
(2) 2½% %, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
(3) 1½% %, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 1½% %, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1½% %, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) ½% of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) ½% of 1%, if such excess equals or exceeds 11%, of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 3½% %, if such excess is less than 10% of his average annual payroll;
(2) 4%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4½% %, if such excess equals or exceeds 20% of his average annual payroll.

provided, however, if the total of the contributions of such an employer for the past 120 consecutive calendar months is more than the total benefits charged against his account during the same period, his rate shall be 2½% %.
(C) The contribution rates prescribed by subparagraphs (A) and
(B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c).

(5) (A) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by \( \frac{1}{10} \) of 1% over the contribution rate otherwise established under the provisions of paragraphs (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund is less than 4% of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by \( \frac{1}{10} \) of 1% over the contribution rate otherwise established under the provisions of paragraphs (3) or (4) of this subsection; provided, that if on such March 31, such balance is less than 2\( \frac{1}{2} \)% of such total taxable wages, the contribution rate so effective, of any employer, shall be not less than 2\( \frac{1}{2} \)%; provided further, that the contribution rate of any employer increased pursuant to the provisions of this subparagraph, when so increased, shall not exceed 4\( \frac{1}{2} \)%.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12\( \frac{1}{2} \)% of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \( \frac{1}{10} \) of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided, that in no event shall the contribution rate of any employer be reduced to less than \( \frac{1}{10} \) of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12\( \frac{1}{2} \)% of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \( \frac{1}{10} \) of 1% if his account for all past
periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by \( \frac{1}{10} \) of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided, that in no event shall the contribution rate of any employer be reduced to less than \( \frac{1}{10} \) of 1%.

(C) The “balance” in the unemployment trust fund as the term is used in subparagraphs (A) and (B) above shall not include moneys credited to the State’s account under section 903 of the Social Security Act, as amended (Title 42, U.S. Code, section 1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of Unemployment Compensation Law.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the director for not to exceed an additional 60 days; provided, that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall pay, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the Division of Employment Security shall transfer the employment experience of the predecessor employer to the successor in
interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulations adopted by the division, if the division finds that the employment experience of the predecessor employer with respect to the organization, trade, assets or business, which has been transferred, may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within 4 months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice with the division protesting the transfer of the employment experience of the predecessor employer.

(B) An employer, who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets, or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefits charges, et cetera, applicable to such predecessor employer. The Division of Employment Security may allow such transfer of employment experience pursuant to regulations adopted by the division, only if it finds that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment
experience or a part thereof is transferred pursuant to this sub-
section shall, as of the date of the transfer of the organization,
trade, assets or business, or part thereof, immediately become an
employer if not theretofore an employer subject to this chapter
(R. S. 43:21-1 et seq.).

(d) (1) Contribution of workers, transfers to temporary dis-
ability benefit fund.

Each worker shall contribute to the fund 1% of his wages with
respect to his employment which occurs on and after January 1,
1971, and after such employer has satisfied the conditions set forth
in subsection (h) of section 43:21-19 of this Title with respect to
becoming an employer; provided, however, that such contribution
shall be at the rate of ¼ of 1% of wages paid with respect to
employment while the worker is in the employ of the State of
New Jersey, or is covered by an approved private plan under
the Temporary Disability Benefits Law or while the worker is
exempt from the provisions of the Temporary Disability Benefits
Law under section 7 of that law (C. 43:21-31); and provided further
that there shall be no contributions by workers in the employ of
any employer electing or required to make payments in lieu of con-
tributions unless the employer is covered by the State plan under
the Temporary Disability Benefits Law (C. 43:21-37 et seq.), and
in that case contributions shall be at the rate of ¾ of 1%. Each
employer shall, notwithstanding any provisions of law in this State
to the contrary, withhold in trust the amount of his workers’ con-
tributions from their wages at the time such wages are paid, shall
show such deduction on his payroll records, shall furnish such evi-
dence thereof to his workers as the division may prescribe, and shall
transmit all such contributions, in addition to his own contributions,
to the office of the Division of Employment Security in such manner
and at such times as may be prescribed. If any employer fails to
deduct the contributions of any of his workers at the time their
wages are paid, or fails to make a deduction therefor at the time
wages are paid for the next succeeding payroll period, he alone shall
thereafter be liable for such contributions, and for the purpose of
section 43:21-14 of this Title, such contributions shall be treated as
employer’s contributions required from him. As used in this chapter
(R. S. 43:21-1 et seq.), except when the context clearly requires
otherwise, the term “contributions” shall include the contributions
of workers pursuant to this section.

(2) (A) There shall be deposited in and credited to the State
Disability Benefits Fund, as established by law, ¾ of all worker con-
tributions, received by the Division of Employment Security with respect to wages paid prior to January 1, 1953, and upon which the rate of contributions is 1%.

(B) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, 2% of all worker contributions received by the Division of Employment Security with respect to wages paid on and after January 1, 1953, and prior to January 1, 1971, and upon which the rate of contributions is 1%.

(C) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, ¾ of all worker contributions, received by the Division of Employment Security with respect to wages paid on or after January 1, 1971, and upon which the rate of contributions is 1%.

(D) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, all worker contributions received by the Division of Employment Security with respect to wages paid on or after January 1, 1972 upon which the rate of contributions is 1%.

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State Disability Benefits Fund (in accordance with paragraph (2) of this subsection) plus the amount of his contributions, if any, required towards the cost of benefits under one or more approved private plans under the provisions of section 9 of the Temporary Disability Benefits Law (C. 43:21-33) and deducted from his wages, or the sum of such latter contributions if the employee is covered during such calendar year, only by two or more private plans, exceeds $18.00 in any calendar year prior to January 1, 1971, $27.00 during the calendar year 1971, or $31.50 during any calendar year thereafter, the employee shall be entitled to a refund of the excess if he makes a claim to the Division of Employment Security within 2 years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the Division of Employment Security from the State Disability Benefits Fund. No interest shall be allowed or paid with respect to any such refund. The division shall in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability
Benefits Law,'" such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund as provided in subparagraph (B) of paragraph (2) of this subsection. The division shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bears to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R. S. 43:21-14, with respect to collection of employer contributions shall apply to such assessments. The amounts so recovered by the division shall be paid into the State Disability Benefits Fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R. S. 43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided, proceedings therefor are instituted within 3 months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R. S. 43:21-1 et seq.), or to cease to be an employer subject to this chapter (R. S. 43:21-1 et seq.), pursuant to the provisions of section 43:21-8 of this Title, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the division of employment security as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State Disability Benefits Fund.
(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute $\frac{1}{2}$ of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the Temporary Disability Benefits Law (C. 43:21-27 (a)). Such contributions shall become due and be paid by the employer to the Division of Employment Security for the State Disability Benefits Fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $\frac{1}{2}$ cent or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the Temporary Disability Benefits Law, the employer shall be exempt from the contribution required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State Disability Benefits Fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer’s account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31, of any calendar year falls on a Saturday or Sunday an employer’s account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the Temporary Disability Benefits Law on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged
against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed if out of employment.

(C) The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.

(D) Prior to July 1 of each calendar year, the Division of Employment Security shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be \( \frac{1}{2} \) of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State Disability Benefits Fund with respect to employment in the 3 calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) \( \frac{3}{10} \) of 1% if such excess over $500.00 exceeds 1% but is less than \( 1 \frac{1}{4} \)% of his average annual payroll (as defined in this chapter (R.S. 43:21-1 et seq.));

(ii) \( \frac{1}{100} \) of 1% if such excess over $500.00 equals or exceeds \( 1 \frac{1}{4} \)% but is less than \( 1 \frac{1}{2} \)% of his average annual payroll;

(iii) \( \frac{1}{10} \) of 1% if such excess over $500.00 equals or exceeds \( 1 \frac{1}{2} \)% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be \( \frac{1}{4} \) of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) \( \frac{8}{100} \) of 1% if such excess over $500.00 is less than \( \frac{1}{4} \) of 1% of his average annual payroll;
(ii) \( \frac{4}{100} \text{ of } 1\% \) if such excess over $500.00 equals or exceeds \( \frac{1}{4} \text{ of } 1\% \) but is less than \( \frac{1}{2} \text{ of } 1\% \) of his average annual payroll;

(iii) \( \frac{5}{100} \text{ of } 1\% \) if such excess over $500.00 equals or exceeds \( \frac{1}{2} \text{ of } 1\% \) but is less than \( \frac{3}{4} \text{ of } 1\% \) of his average annual payroll;

(iv) \( \frac{6}{100} \text{ of } 1\% \) if such excess over $500.00 equals or exceeds \( \frac{3}{4} \text{ of } 1\% \) but is less than \( 1\% \) of his average annual payroll;

(v) \( \frac{7}{100} \text{ of } 1\% \) if such excess over $500.00 equals or exceeds \( 1\% \) of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than \( \frac{1}{10} \text{ of } 1\% \) of wages or increased by more than \( \frac{1}{10} \text{ of } 1\% \) of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the Division of Employment Security shall determine the amount of the State Disability Benefits Fund as of December 31 of the preceding calendar year increased by the contributions paid thereon during January of the current calendar year with respect to employment occurring in preceding calendar years. If such amount exceeds the total of the amounts withdrawn from the unemployment trust fund pursuant to section 23 of the Temporary Disability Benefits Law plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State Disability Benefits Fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The Division of Employment Security shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E) (1) of this subsection equals or exceeds \( 1\frac{1}{4}\% \) the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D) (2) or (D) (3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to
the nearest \( \frac{1}{100} \) of 1\%, but in no case shall such final rate be less than \( \frac{3}{4} \) of 1\%.

(ii) If the percentage determined in accordance with paragraph (E) (1) of this subsection equals or exceeds \( \frac{3}{4} \) of 1\% and is less than 1\( \frac{1}{4} \) of 1\%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E) (1) of this subsection is less than \( \frac{3}{4} \) of 1\%, but in excess of \( \frac{1}{4} \) of 1\%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between \( \frac{3}{4} \) of 1\% and such percentage taken to the nearest \( \frac{1}{100} \) of 1\%; provided, however, that no such final rate shall be more than \( \frac{1}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, more than \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, nor more than \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof.

(iv) If the amount of the State Disability Benefits Fund determined as provided in paragraph (E) (1) of this subsection is equal to or less than \( \frac{3}{4} \) of 1\%, then the final rate shall be \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, and 1.1\% in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof. Notwithstanding any other provision of law or any determination made by the Division of Employment Security with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

C. 43:21-7.2 Nonprofit organizations.

3. Nonprofit organizations. (a) Notwithstanding any other provisions of the Unemployment Compensation Law for payments of contributions by employers, benefits paid to individuals in the employ of nonprofit organizations, as described in section 501 (c) (3) of the Internal Revenue Code and which are exempt from income tax under section 501 (a) of the Internal Revenue Code, shall be financed in accordance with the following provisions:

(1) Any nonprofit organization which is, or becomes, subject to the Unemployment Compensation Law on or after January 1, 1972,
shall pay contributions under the provisions of R. S. 43:21-7, unless it elects in accordance with this paragraph, to pay to the division for the unemployment fund an amount equal to the amount of regular benefits and \( \frac{1}{2} \) of the extended benefits paid, that are attributable to base year service in the employ of such nonprofit organization during the effective period of such election;

(2) Any nonprofit organization which is, or becomes subject to the Unemployment Compensation Law on January 1, 1972 may elect to become liable in lieu of contributions for a period of not less than 2 calendar years beginning with January 1, 1972, provided it files with the division a written notice of its election within the 120-day period immediately following such date or within a like period immediately following the enactment of this act, whichever occurs later;

(3) Any nonprofit organization which becomes subject to the Unemployment Compensation Law after January 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than 2 calendar years beginning with the date on which such subjectivity begins, by filing a written notice of its election with the division not later than 120 days immediately following the date of such subjectivity;

(4) Any nonprofit organization which makes an election in accordance with paragraph (2) or paragraph (3) shall be liable for payments in lieu of contributions on benefits paid that are attributable to base year service in the employ of such organization during the effective period of the election. Any nonprofit organization may file a written notice terminating its election, not later than February 1 of any year with respect to which the termination is to become effective;

(5) Any nonprofit organization which has been paying contributions under the Unemployment Compensation Law for a period subsequent to January 1, 1972 may change to a reimbursable basis by filing with the division not later than February 1 of any calendar year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization during that calendar year or the next calendar year;

(6) The division may for good cause extend the period within which a notice of election or a notice of termination must be filed and may permit an election to be retroactive;

(7) If an election for payments in lieu of contributions is terminated by a nonprofit organization or canceled by the division, the nonprofit organization shall remain liable for payments in lieu
(8) The division in accordance with such regulations as it may prescribe, shall notify such nonprofit organization of any determination which the division may make of the effective date and the termination date of any such election and such determinations shall be subject to reconsideration, appeal and review.

(b) Reimbursement payments. At the end of each calendar month, or at the end of any other period as determined by the division, the division shall bill each nonprofit organization or group of such organizations which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular benefits plus ½ of the amount of any extended benefits paid during such month or other prescribed period that are attributable to base year service of individuals in the employ of such organization during the effective period of the election, and the provisions of the Unemployment Compensation Law (R. S. 43:21-1 et seq.), and the amendments and supplements thereto, shall be applicable with respect to the payment of claims for benefits and the charging thereof; provided, however, that no employer who elects to make payments in lieu of contributions shall be relieved of any charges for benefits paid to his workers by reason of R. S. 43:21-6(b)(1), R. S. 43:21-7(c)(1), or section 6 of chapter 324 of the laws of 1970 (C. 43:21-24.12, Extended Benefits Law).

(c) Payment of any bill rendered under subsection (b) above shall be made not later than 30 days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it unless there has been an application for review and redetermination in accordance with subsection (e).

(d) Payments made by any nonprofit organization under the provisions of this section shall not be deducted or deductible, in whole or in part from the remuneration of individuals in the employ of the organization.

(e) The amount of any payment required under subsection (b) from any nonprofit organization as specified in any bill from the division shall be conclusive on the organization unless, not later than 15 days after the bill was mailed to its last known address or otherwise delivered to it, the organization files an application for redetermination by the division setting forth the grounds for such application. The division shall promptly review and reconsider the amount specified in the bill and shall thereafter issue a re-
determination in any case in which such application for redetermination has been filed. Any such redetermination shall be conclusive on the organization unless, not later than 15 days after the redetermination was mailed to its last known address or otherwise delivered to it, the organization files an appeal to the Division of Employment Security setting forth the grounds for the appeal. Proceedings on appeal to the Division of Employment Security from the amount of a bill rendered under this subsection or a redetermination of such amount shall be in accordance with the rules and regulations of the division.

(f) Any organization failing to file a timely report or to make a timely payment of the amount in lieu of contributions due hereunder shall be subject to the same interest, penalties, remedies and methods of enforcement that apply to contributions and reports due under the provisions of the Unemployment Compensation Law.

(g) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under this section, the division may terminate such organization's election to make payments in lieu of contributions as of the January 1 immediately following, and such termination shall be effective for at least two calendar years and until all payments due the division have been satisfied.

(h) Provision for bond or other security. In the discretion of the division any nonprofit organization that elects to become liable for payments in lieu of contributions shall be required within 30 days after the effective date of its election, to execute and file with the division a surety bond approved by the division or it may elect instead to deposit with the division moneys or securities approved by the division. The amount of the bond or the amount of the deposit shall be determined by the division and shall be not less than 1% of the organization's taxable wages during the preceding calendar year, or 1% of the estimated total taxable wages of such organization for the ensuing year, whichever is the greater; provided, however, that any organization which is a self insurer and is exempt from insuring workmen's compensation liability under the Workmen's Compensation Law, shall so long as such exemption remains in effect be exempt from the surety bond and security deposit requirements of this subsection; and any other organization which shall satisfy the division as to its financial ability to pay benefits provided under the Unemployment Compensation Law and the Temporary Disability Benefits Law, may, upon application, be
exempted from such requirements by written order of the division, which order shall be revocable at any time.

(1) Bond. The amount of any bond deposited under this subsection shall require adjustments as the division deems appropriate. If the bond is to be increased, the adjusted bond shall be filed by the organization within 30 days after notice of the required adjustment was mailed or otherwise delivered to it. Failure of any organization covered by such bond to pay the full amount of payment in lieu of contributions when due, together with any applicable interest and penalties, shall render the surety liable on said bond to the extent of said bond as though the surety was such organization.

(2) Deposit of money or securities. Any deposit of money or securities in accordance with this subsection shall be retained by the division in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization less any deductions as hereinafter provided. The division may deduct from any moneys deposited under this subsection by a nonprofit organization, or sell the securities it has so deposited, to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties. The division shall require the organization within 30 days following any deduction from a money deposit or sale of deposited securities under the provisions of this subsection to deposit sufficient additional money or securities to make whole the organization’s deposit at the prior level. Any cash remaining from the sale of such securities shall be a part of the organization’s escrow account. The division may at any time review the adequacy of the deposit made by any organization. If, as a result of such review, the division determines that an adjustment is necessary it shall require the organization to make an additional deposit within 30 days of written notice of the division’s determination or shall return to it such portion as the division no longer considers necessary, as deemed appropriate. Disposition of income from securities held in escrow shall be governed by applicable State law.

(3) Authority to terminate elections. If any nonprofit organization fails to file a bond or make a deposit, or to increase or make whole the amount of a previously made bond or deposit, as provided under this subsection, the division may terminate such organization’s election to make payments in lieu of contributions and such termination shall continue for no less than 24 calendar months beginning with the first quarter in which such termination becomes
effective, provided the division may extend for good cause the applicable filing, deposit or adjustment period by not more than 90 days.

(i) Group accounts. Two or more employers that have become liable for payments in lieu of contributions may file a joint application with the division for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to services in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group’s agent for the purpose of this subsection. Upon approval of the application, the division shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the application is received or the next calendar quarter, in the discretion of the division, and shall notify the group’s representative of the effective date of the account. Such account shall remain in effect for not less than two calendar years and thereafter until terminated at the discretion of the division or upon application by the group. The division shall prescribe such regulations as it may deem necessary, with respect to applications for establishment, maintenance, and termination of group accounts authorized by this subsection, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this subsection by members of the group, and the time and manner of such payments.

C. 43:21-7.3 Financing of benefits based upon certain wages.

4. Notwithstanding any other provisions of the Unemployment Compensation Law for the payment of contributions, benefits paid to individuals based upon wages earned in the employ of the State, or any of its political subdivisions, or any instrumentality of the State or its political subdivisions, shall be financed by payments in lieu of contributions on the basis set forth in section 3 of this act (C. 43:21-7.2); provided, however, that payments in lieu of contributions from the State of New Jersey shall be reduced by the contributions of workers deposited in the Unemployment Compensation Fund with respect to employment by the State of New Jersey, or services performed in the employ of this State and one or more other States or their instrumentalities.

C. 43:21-7.4 Application of exemption from taxation.

5. No exemption from taxation granted under any other law of the State shall be construed to apply to the payment of contri-
butions under the Unemployment Compensation Law and Temporary Disability Benefits Law.

C. 43:21-7.5 Contribution rate for certain employers.

6. Notwithstanding any provisions of R. S. 43:21-7(c)(5)(A) to the contrary, if the balance in the unemployment trust fund on March 31, 1972 is less than 7% of the total taxable wages reported to the division in respect to employment during the calendar year 1971, the contribution rate to become effective on July 1, 1972 for each employer eligible for a contribution rate calculated upon benefit experience, shall be increased ½ of 1% over the contribution rate otherwise established under paragraphs (3) or (4) of R. S. 43:21-7(c).

7. R. S. 43:21-8 is amended to read as follows:

**Period, election and termination of employers' coverage.**

43:21-8. Period, election and termination of employers' coverage. (a) Any employing unit which is or becomes an employer subject to this chapter (R. S. 43:21-1 et seq.) within any calendar year shall be subject to this chapter (R. S. 43:21-1 et seq.) during the whole of such calendar year.

(b) Except as otherwise provided in subsection (c) of this section, an employing unit shall cease to be an employer subject to this chapter (R. S. 43:21-1 et seq.) only as of January 1 of any calendar year, if

(1) The employing unit files with the Division of Employment Security prior to February 1 of such year, a written application for termination of coverage, and the division finds that the employing unit did not pay wages in the amount of $1,000.00 or more within the preceding calendar year for employment subject to this chapter (R. S. 43:21-1 et seq.) or

(2) The division finds that during the 2 calendar years preceding such January 1, there was no day on which such employing unit employed one or more individuals in employment subject to this chapter (R. S. 43:21-1 et seq.).

For the purpose of this subsection, the employing units mentioned in section 43:21-19 (h) (2), (3) or (4) of the Revised Statutes shall be treated as a single employing unit.

(c) (1) An employing unit, not otherwise subject to this chapter (R. S. 43:21-1 et seq.), which files with the division its written election to become an employer subject hereto for not less than 2 calendar years shall become an employer subject hereto, to the same extent as all other employers, as of the date of filing of such
election or as of an earlier date if approved by the division, and shall cease to be subject to this chapter (R. S. 43:21-1 et seq.) as of January 1 of any calendar year subsequent to such period of election, only, if, prior to February 1, of such calendar year, such employing unit has filed with the division a written notice to that effect and it meets the conditions for termination of coverage set forth in subsection (b) hereof.

(2) If an employing unit, other than a political subdivision of this State, for which services are performed that do not constitute employment as defined in this chapter (R. S. 43:21-1 et seq.) files with the division its written election that all such services performed by individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all purposes of this chapter (R. S. 43:21-1 et seq.) for not less than 2 calendar years such services shall be deemed to constitute employment subject to this chapter (R. S. 43:21-1 et seq.) as of the date of the filing of such election, or as of an earlier date if approved by the division, and shall cease to be subject to this chapter (R. S. 43:21-1 et seq.) as of January 1 of any calendar year subsequent to such period of election, only, if, (A) prior to February 1 of such calendar year, such employing unit has filed with the division a written notice to that effect, or (B) the division finds that during the 2 calendar years preceding such January 1, there was no day on which such services were performed for the employing unit.

(3) Any employing unit that is a political subdivision of this State may elect to cover under the Unemployment Compensation Law for not less than 2 calendar years service performed by individuals in all of the hospitals and institutions of higher education operated by such political subdivision. Election is to be made by filing with the division a written notice of such election at least 30 days prior to the effective date of such election. The election may exclude any services described in R. S. 43:21-19(i)(1)(D). Any political subdivision electing coverage under this paragraph shall make payments in lieu of contributions with respect to benefits attributable to such employment as provided with respect to nonprofit organizations in section 3 of this act (C. 43:21-7.2). No election to become subject under this paragraph shall be submitted unless the election has been authorized by the governing body of such political subdivision. Any political subdivision so electing shall cease to be subject to the Unemployment Compensation Law as of January 1 of any calendar year subsequent to such period of
election, only, if, prior to February 1 of such calendar year, such political subdivision files with the division a written notice to that effect.

The provisions in R. S. 43:21-4(g) with respect to benefit rights based on service for State and nonprofit institutions of higher education shall be applicable also to services covered by an election under this paragraph.

The amounts required to be paid in lieu of contributions by any political subdivision that elects under this paragraph shall be billed and payments made as provided in section 3 of this act (C. 43:21-7.2) with respect to similar payments by nonprofit organizations.

8. Section 43:21-9 of the Revised Statutes is amended to read as follows:

Unemployment compensation fund.

43:21-9. (a) Establishment and control. There is hereby established as a special fund, separate and apart from all public moneys or funds of this State, an unemployment compensation fund, which shall be administered by the division exclusively for the purpose of this chapter (R. S. 43:21-1 et seq.). This fund shall consist of (1) all contributions and payments in lieu of contributions collected under this chapter (R. S. 43:21-1 et seq.); (2) interest earned upon any moneys in the fund; (3) any property or securities acquired through the use of moneys belonging to the fund; (4) all earnings on such property or securities; (5) all moneys credited to this State's account in the unemployment trust fund pursuant to section 903 of the Social Security Act (42 U. S. C. 1103), as amended; and (6) all moneys received for the fund from any other source. All moneys in this fund shall be mingled and undivided.

(b) Accounts and deposits. The Treasurer of the State of New Jersey shall be ex officio the treasurer and custodian of the fund and shall administer such fund in accordance with the directions of the division and shall issue his warrants upon it in accordance with such regulations as the division shall prescribe. He shall maintain within the fund 3 separate accounts: (1) a clearing account, (2) an unemployment trust fund account, and (3) a benefit account. If such money will not be expended it shall be returned promptly to the Secretary of the Treasury of the United States for credit to this State's account in the unemployment trust fund. The division shall maintain a separate record of the credits, appropriation, obligation and expenditure of the money credited to the account of this State in the unemployment trust fund pursuant to section 903 of the Social Security Act (42 U.S.C. 1103), as amended.

(d) Management of funds upon discontinuance of unemployment trust fund. The provisions of subsections (a), (b) and (c) to the extent that they relate to the unemployment trust fund shall be operative only so long as such unemployment trust fund continues to exist and so long as the Secretary of the Treasury of the United States of America continues to maintain for this State a separate book account of all funds deposited therein by this State for benefit purposes, together with this State's proportionate share of the earnings of such unemployment trust fund, from which no other State is permitted to make withdrawals. If and when such unemployment trust fund ceases to exist, or such separate book account is no longer maintained, all moneys, properties, or securities therein, belonging to the unemployment compensation fund of this State shall be transferred to the treasurer of the unemployment compensation fund, who shall hold, invest, transfer, sell, deposit and release such moneys, properties or securities in a manner approved by the division, in accordance with the provisions of this chapter; provided, that such moneys shall be invested in the following readily marketable classes of securities: Bonds or other interest-bearing obligations of the United States of America and of the State of New Jersey; and provided, further, that such investment shall at all times be so made that all the assets of the fund shall always be

If on application of a claimant it is determined that he has been employed during at least the 4 weeks immediately preceding his separation from employment by an employer on a substantially reduced schedule of weekly hours due to lack of work, all weeks of substantially reduced schedule within the base period and his wages therefor shall be disregarded in computing his average weekly wage.

**Reciprocal benefit arrangements.**

43:21–21. Reciprocal benefit arrangements. (a) The commissioner is hereby authorized to enter into arrangements with the appropriate agencies of other states or the Federal Government whereby potential rights to benefits accumulated under the unemployment compensation laws of several states or under such a law
of the Federal Government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the commissioner finds will be fair and reasonable as to all affected interests and will not result in any loss to the fund.

(b) The commissioner is authorized to enter into arrangements with the appropriate agencies of other states or of the Federal Government, or both, (1) whereby remuneration, upon the basis of which an individual may become entitled to benefits under the Unemployment Compensation Law of another state or of the Federal Government, shall be deemed to be wages for the purposes of this chapter (R. S. 43:21-1 et seq.), and (2) whereby wages, on the basis of which an individual may become entitled to benefits under this chapter (R. S. 43:21-1 et seq.) shall be deemed to be remuneration on the basis of which benefits are payable under the Unemployment Compensation Law of another state or of the Federal Government. No such arrangement shall be entered into unless it contains provision for reimbursement to the fund for such portion of benefits paid under this chapter (R. S. 43:21-1 et seq.) on the basis of such remuneration, and provision for reimbursement from the fund for that portion of benefits paid under such other law on the basis of such wages, as the commissioner finds will be fair and reasonable as to all affected interests. Subsection (f) of 43:21-5 of this chapter (R. S. 43:21-1 et seq.) shall be inapplicable to an individual who files a claim for benefits under any such arrangement. The commissioner shall participate in any arrangements for the payment of benefits on the basis of combining an individual’s wages and employment covered under the Unemployment Compensation Law of New Jersey with his wages in employment covered under the Unemployment Compensation Laws of other states which are approved by the United States Secretary of Labor in consultation with the State unemployment compensation agencies as reasonably calculated to assure the prompt and full payment of benefits in such situations and which include provisions for (1) applying the base period of a single State law to a claim involving the combining of an individual’s wages and employment covered under two or more State Unemployment Compensation Laws, and (2) avoiding the duplicate use of wages and employment by reason of such combining. Reimbursements paid from the fund pursuant to such arrangements shall be deemed to be benefits for the purposes of this chapter (R. S. 43:21-1 et seq.). The commissioner is hereby authorized to make to other state or Federal agencies, and to receive from such other state or Federal agencies.
agencies, reimbursements from or to the fund in accordance with arrangements pursuant to this section.

(e) The commissioner is authorized to enter into reciprocal agreements with the appropriate agencies of other states covering services on vessels engaged in interstate or foreign commerce whereby such services performed for a single employer, under any contract of hire, partly within and partly without this State, shall be deemed to be performed in their entirety either within or without this State.

(d) The commissioner is authorized to enter into reciprocal arrangements with the appropriate and duly authorized agency of any other state or of the United States whereby (i) moneys due the commissioner for contributions, interest and penalties and paid to such agency shall be deemed to have been paid into the unemployment compensation fund of this State as of the date of payment to such agency and (ii) vice versa; provided, that such arrangements contain provisions for the reciprocal transfers of such moneys.

(e) The commissioner is authorized to enter into reciprocal arrangements with appropriate and duly authorized agencies of other states or of the Federal Government, or both, whereby services performed by an individual for a single employing unit for which services are customarily performed by such individual in more than one state shall be deemed to be services performed entirely within any one of the states (i) in which any part of such individual's services is performed or (ii) in which such individual has his residence or (iii) in which the employing unit maintains a place of business; provided, there is in effect, as to such services, an election, approved by the agency charged with the administration of such state's Unemployment Compensation Law, pursuant to which all the services performed by such individual for such employing unit are deemed to be performed entirely within such state.

(f) To the extent permissible under the laws, treaties and Constitution of the United States, the commissioner is authorized to enter into or cooperate in arrangements whereby facilities and services provided under this chapter (R. S. 43:21-1 et seq.), and facilities and services provided under the Employment Security Law of any foreign government may be utilized for the taking of claims and payment of benefits under the Employment Security Law of this State or under a similar law of such foreign government.
13. Section 3 of chapter 110 of the laws of 1948 (C. 43:21-27) is amended to read as follows:

3. As used in this act, unless the context clearly requires otherwise:

(a) "Covered employer" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, who is an employer subject to the chapter to which this act is a supplement, designated as the Unemployment Compensation Law (R. S. 43:21-1 et seq.), except the State, its political subdivisions, and any instrumentality of the State (including hospitals and institutions of higher education), unless (i) such employer, subject to the Unemployment Compensation Law, elects to become subject to the Temporary Disability Benefits Law, or (ii) such employing unit became an employer subject to the Unemployment Compensation Law prior to January 1, 1972.

(b) "Covered individual" means any person who is in employment, as defined in the chapter to which this act is a supplement, for which he is entitled to renumeration from a covered employer, or who has been out of such employment for less than 2 weeks.

(c) "Division" or "commission" means the Division of Employment Security of the Department of Labor and Industry, and any transaction or exercise of authority by the director of the division shall be deemed to be performed by the division.

(d) "Day" shall mean a full calendar day beginning and ending at midnight.

(e) "Disability" shall mean such disability as is compensable under section 5 of this act.

(f) "Disability benefits" shall mean any cash payments which are payable to a covered individual pursuant to this act.

(g) "Period of disability" with respect to any individual shall mean the entire period of time, during which he is continuously and totally unable to perform the duties of his employment, except that two periods of disability due to the same or related cause or condition and separated by a period of not more than 14 days shall be considered as one continuous period of disability; provided, the individual has earned wages during such 14-day period with the employer who was his last employer immediately preceding the first period of disability.
(h) "Wages" shall mean all compensation payable by covered employers to covered individuals for personal services, including commissions and bonuses and the cash value of all compensation payable in any medium other than cash.

(i) "Base week" means any calendar week during which an individual earned not less than $15.00 from a covered employer, in employment as defined in the chapter to which this act is a supplement.

(j) "Average weekly wage" means the amount derived by dividing a covered individual's total wages earned from his most recent covered employer during the base weeks in the 8 calendar weeks immediately preceding the calendar week in which disability commenced, by the number of such base weeks. If this computation yields a result which is less than the individual's average weekly earnings in employment, as defined in the chapter to which this act is a supplement, with all covered employers, during the base weeks in such 8 calendar weeks, then the average weekly wage shall be computed on the basis of earnings from all covered employers during the 8 base weeks immediately preceding the week in which the disability commenced.

14. Section 11 of P. L. 1948, c. 110 (C. 43:21-35) is amended to read as follows:

C. 43:21-35 Termination of private plans.

(a) If the division is furnished satisfactory evidence that a majority of the employees covered by an approved private plan have made election in writing to discontinue such plan, the division shall withdraw its approval of such plan effective at the end of the calendar quarter next succeeding that in which such evidence is furnished. Upon receipt of a petition therefore signed by not less than 10% of the employees covered by an approved private plan, the division shall require the employer upon 30 days' written notice to conduct an election by ballot in writing to determine whether or not a majority of the employees covered by such private plan favor discontinuance thereof; provided, that such election shall not be required more often than once in any 12-month period.

(b) Unless sooner permitted, for cause, by the division, no approved private plan shall be terminated by an employer, in whole or in part, until at least 30 days after written notice of intention so to do has been given by the employer to the division and after notices are conspicuously posted so as reasonably to assure their being seen, or after individual notices are given to the employees concerned.
(c) The division may after notice and hearing withdraw its approval of any approved private plan if it finds that there is danger that the benefits accrued or to accrue will not be paid, that the security for such payment is insufficient, or for other good cause shown. No employer, and no union or association representing employees, shall so administer or apply the provisions of an approved private plan as to derive any profit therefrom. The division may withdraw its approval from any private plan which is administered or applied in violation of this provision.

(d) No termination of an approved private plan shall affect the payment of benefits, in accordance with the provisions of the plan, to disabled employees whose period of disability commenced prior to the date of termination. Employees who have ceased to be covered by an approved private plan because of its termination shall, subject to the limitations and restrictions of this act, become eligible forthwith for benefits from the State Disability Benefits Fund for disability commencing after such cessation, and contributions with respect to their wages shall immediately become payable as otherwise provided by law. Any withdrawal of approval of a private plan pursuant to this section shall be reviewable by writ of certiorari or by such other procedure as may be provided by law.

(e) Anything in this act to the contrary notwithstanding a covered employer who, under an approved private plan, is providing benefits at least equal to those required by the State plan on December 31, 1971, may modify the benefits under the private plan so as to provide, beginning January 1, 1972, benefits not less than the benefits required by the State plan on January 1, 1972; provided, that effective January 1, 1972, individuals covered under such plan shall not be required to contribute to such plan at a rate exceeding \( \frac{3}{4} \) of 1% of the first $4,200.00 of wages paid to each covered individual in any calendar year. Notification of such proposed modification shall be given by the employer to the division and to the individuals covered under such plan, on or before May 1, 1972.

15. Chapter 111 of the laws of 1938 (C. 43:21–24) is hereby repealed.

16. This act shall take effect on January 1, 1972, but the Commissioner of Labor and Industry and the Division of Employment Security are authorized to take such action prior to January 1, 1972 as may be necessary to implement the provisions thereof. Approved December 13, 1971.

The Legislature finds and declares that in order to promote the safety, convenience and enjoyment of travel on, and protection of the recreational value and public investment in highways within this State and to preserve and enhance the natural scenic beauty or aesthetic features of the highways and adjacent areas, it is the policy of this State that the erection and maintenance of outdoor advertising in areas adjacent to the rights-of-way of the Interstate and Primary Systems within this State shall be regulated in accordance with the terms of this act and the regulations promulgated by the State Transportation Commissioner pursuant thereto and finds that all outdoor advertising which does not conform to the requirements of this act should be removed. CHAPTER 354

An Act to amend and supplement the "Transportation Benefits Tax Act," approved June 17, 1971 (P. L. 1971, c. 222), and repealing certain sections thereof.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of c. 222 of the laws of 1971 (C. 54:8A-59) is amended to read as follows:

C. 54:8A-59 Imposition of tax; levy; collection; payment.

2. Imposition of tax; levy; collection; payment. A temporary tax is hereby imposed, and shall be levied, collected and paid annually, at the rate specified in this act,

(a) upon every resident of this State, who is not a resident of another critical area state under and pursuant to its laws, upon and with respect to the classes of income as defined in this act and subject to taxation under this act, for the taxable year, derived from sources within a critical area state other than New Jersey; and

(b) upon and with respect to the classes of income as defined in this act and subject to taxation under this act, for the taxable year, derived from sources within this State by natural persons who are not residents of this State and who are residents of another critical area state under and pursuant to the law of such state.

2. Section 3 of c. 222 of the laws of 1971 (C. 54:8A-60) is amended to read as follows:

C. 54:8A-60 Rate of tax.

3. Rate of tax. The tax imposed by this act shall be levied and imposed annually upon each taxpayer at the rate of 2.3% upon each of the classes of income hereinafter enumerated in section 16 (C. 54:8A-73).

3. Section 4 of c. 222 of the laws of 1971 (C. 54:8A-61) is amended to read as follows:

C. 54:8A-61 Definitions.

4. (a) Definitions. "Critical area state" means this State and such other state bordering thereon within which there exists part of an area, another part of which is in this State, and within which area there is, as of January 1 of any year, a severe transportation
problem in respect to the transportation of persons and property interstate.

(b) The Legislature finds and declares that a severe transportation problem exists in connection with transportation interstate between this State and another state bordering thereon due to the number of daily commuters between said states as to create a severe peak-load demand requiring facilities and services, by any means or mode of transportation far in excess of those needed for normal travel outside of usual commuter hours, caused by the carrying on of activities in one of the states by persons residing in another, from which activities such persons derive income or gain from sources within the state other than that in which they reside.

The Legislature finds and declares that whenever the total number of annual crossings by persons residing in one of such states who are employed, or carry on a trade, business, occupation or profession in the other state plus the number of annual crossings by persons residing in the other state who are employed, or carry on a trade, business, occupation or profession in the first state exceeds 100,000,000 but is less than 300,000,000, that fact reasonably demonstrates that a severe transportation problem exists. If the number of annual crossings as set forth in this section is found to exist by the Commissioner of Transportation in accordance with subsection (c) hereof, the provisions of this act shall take effect and the provisions of the Emergency Transportation Tax Act, P. L. 1961, c. 32 (C. 54:8A-1 et seq.) shall not be applicable to persons subject to tax under this act.

(c) On or before December 31, 1971, and within 40 days after the first day of each year hereafter, so long as this act shall remain in effect, the State Transportation Commissioner shall certify to the State Treasurer his findings with respect to the existence of the conditions herein set forth and the identity of any states which he determines to come within the definition in this section. Upon receipt of such certification, the State Treasurer shall cause public notice thereof to be given, by publication in such newspaper or newspapers, and in such form, as he shall find will fairly apprise all persons subject to taxation under this act, of the making of said certification and of the significance thereof to such persons. Any certification so made shall be effective for the entire calendar year as of the first day of which it ascertains the facts.

4. Section 5 of c. 222 of the laws of 1971 (C. 54:8A-62) is amended to read as follows:
C. 54:8A-62 "Derived from sources within" defined.
5. "Derived from sources within" defined. "Derived from sources within" one state or another, as applied to the classes of income enumerated in section 16 (C. 54:8A-73), means such income and gain from all property owned and from salaries, wages, or compensation for personal services of whatever kind and in whatever form paid, and from all business, trade, profession or occupation carried on, in the particular state. No person who is not a dealer holding property primarily for sale to customers in the ordinary course of his trade or business, shall be deemed to carry on a business, trade, profession or occupation in a state solely by reason of the purchase and sale of property for his own account.

5. Section 16 of c. 222 of the laws of 1971 (C. 54:8A-73) is amended to read as follows:

C. 54:8A-73 "Taxable income" defined.

(2) Net profits. The net income from the operation of a business, profession, or other activity, after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with accepted accounting principles and practices but without deduction of taxes based on income.
(3) Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible but only to the extent that the amount of such net gain or income exceeds the taxpayer's actual or attributed base as determined in accordance with accepted accounting principles and practices.

The term "net gains or income" shall not include gains or income derived from obligations which are statutorily free from State or local taxation under the laws of the taxpayer's State of residence or under the laws of the United States.
(4) Net gains or income derived from or in the form of rents, royalties, patents and copyrights.
(5) Dividends.
(6) Interest derived from obligations which are not statutorily free from state or local taxation under the laws of the taxpayer’s state of residence or under the laws of the United States.

(7) Gambling and lottery winnings, except prizes received pursuant to the provisions of the State Lottery Law, P. L. 1970, c. 13.

(8) Net gains or income derived through estates or trusts.

(b) To the extent that income or gain is subject to tax under one of the classes of income enumerated in this section such income or gain shall not be subject to tax under another of such enumerated classes.

(c) The Director, Division of Taxation, is empowered to issue rules and regulations governing the determination of items entering into the computations of taxable income pursuant to this section.

6. Section 18 of c. 222 of the laws of 1971 (C. 54:8A-75) is amended to read as follows:

C. 54:8A-75 Allocated income defined.

18. Allocated income defined. “Allocated income” means that portion of each class of a taxpayer’s income derived from sources within his source state.

7. Section 20 of c. 222 of the laws of 1971 (C. 54:8A-77) is amended to read as follows:

C. 54:8A-77 Inclusions in and exclusions from income.

20. Inclusions in and exclusions from income. (a) Income from intangible personal property, including annuities, dividends, interest, and gains from the disposition of intangible personal property, shall constitute income derived from sources within the taxpayer’s source state only to the extent that such income is from property employed in a business, trade, profession, or occupation carried on in his source state.

(b) Compensation paid by the United States for service in the Armed Forces of the United States, performed by an individual during an induction period, shall not constitute income derived from sources within his source state.

(c) There shall be excluded from income all amounts received:

(1) as a pension or retirement allowance,

(2) under a life insurance contract payable by reason of death,

(3) under a workmen’s compensation act for personal injuries or sickness,

(4) through accident and health insurance for personal injuries or sickness except to the extent that such amounts are paid by or are attributable to contributions by the employer,
(5) by gift, bequest, devise or inheritance,
(6) as periodic payments for sickness and disability other than regular wages received during a period of sickness or disability,
(7) prizes received pursuant to the provisions of the State Lottery Law, P. L. 1970, c. 13 shall be exempt from the tax imposed by this act,
(8) as payments commonly known as public assistance or unemployment compensation payments by any governmental agency; or
(9) as payments to reimburse actual expenses; or
(10) as payments made by employers or labor unions for programs covering hospitalization, sickness, disability or death, supplemental unemployment benefits, strike benefits, social security and retirement.

8. Section 36 of c. 222 of the laws of 1971 (C. 54:8A-93) is amended to read as follows:

C. 54:8A-93 Individuals of partnership liable for tax; computing; liquidation payments.

36. Individuals of partnership liable for tax; computing; liquidation payments. (a) Individuals carrying on business in partnerships shall be liable for tax under this act only in their individual capacity. Each partner shall include in his income his distributive share, whether distributed or not, of the partnership's net income and net loss for the taxable year, or, where his taxable year is different, then for the taxable year of the partner in which ends the taxable year of the partnership.

(b) If a partner's entire interest is sold, exchanged or liquidated, his distributive share of such income, gain or loss shall be included in his taxable year in which ends the partnership period ending with such transaction. Under this subsection, a partner's death does not constitute such liquidation.

Payments made in liquidation of the interest of a partner who retires or dies shall be taxed as a sale or exchange of such partner's interest in partnership assets, to the extent that they represent such interest, and the balance shall be taxed as the partner's distributive share of partnership income. Under this subsection, amounts paid for unrealized receivables or good will of the partnership shall not be included in payments representing a partner's interest in partnership assets except to the extent that the partnership agreement provides for payment with respect to good will.

(c) In determining the extent to which a partner's distributive share is derived from sources within his source state, no effect shall be given to a provision in the partnership agreement which
(1) characterizes payments to the partner as being for services or for the use of capital, or

(2) allocates to the partner, as income or gain derived from sources outside his source state, a greater proportion of his distributive share of partnership income or gain than the ratio of partnership income or gain derived from sources outside his source state to partnership income or gain from all sources, except as authorized in subsection (d), or

(3) allocates to the partner a greater proportion of a partnership item of loss or deduction derived from sources within his source state than his proportionate share of partnership loss or deduction from all sources, except as authorized in subsection (d).

(d) The Division of Taxation may adopt regulations to authorize the use of such other methods of determining a partner's portion of partnership items derived from sources within his source state, and the modifications related thereto, as may be appropriate and equitable to insure that only that portion of a partner's distributive share derived from sources within his source state shall be included within such share.

9. Section 40 of c. 222 of the laws of 1971 (C. 54:8A-97) is amended to read as follows:

C. 54:8A-97 Returns: of whom required; personal liability; report of changes.

40. Returns; of whom required; personal liability; report of changes. (a) On or before the filing date prescribed in section 41 of this act, an income tax return shall be made and filed by or for every individual having income derived from sources within his source state.

(b) (1) If the Federal income tax liability of husband or wife is determined on a separate Federal return, their New Jersey income tax liabilities and returns shall be separate.

(2) If the Federal income tax liabilities of husband and wife (other than a husband and wife described in paragraph (3)) are determined on a joint Federal return, or if neither files a Federal return:

(A) They shall file a joint New Jersey income tax return, and their tax liabilities shall be joint and several, or

(B) They may elect to file separate New Jersey income tax returns on a single form if they comply with the requirements of the Division of Taxation in setting forth information, and in such event their tax liabilities shall be separate.
(3) If either husband or wife is a resident and the other is a non-resident, they shall file separate New Jersey income tax returns on such single or separate forms as may be required by the Division of Taxation, and in such event their tax liabilities shall be separate.

c) The return for any deceased individual shall be made and filed by his fiduciary or other person charged with his property.

d) The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his fiduciary or other person charged with the care of his person or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

e) Any tax under this act, and any increase, interest or penalty thereon, shall, from the time it is due and payable, be a personal debt of the person liable to pay the same, to the State of New Jersey.

(f) If the amount of taxable income for any year of any taxpayer as returned to the United States Treasury Department or to an appropriate State officer is changed or corrected by the taxpayer or the Commissioner of Internal Revenue or other officer of the United States or other competent authority; or where a renegotiation of a contract or subcontract with the United States results in a change in taxable income, such taxpayer shall report such change or corrected taxable income, or the results of such renegotiation, within 90 days after the final determination of such change or correction renegotiation, or as required by regulation, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended return with such department or officer shall also file within 90 days thereafter an amended return in this State which shall contain such information as the regulations shall require.

10. Section 41 of c. 222 of the laws of 1971 (C. 54:8A-98) is amended to read as follows:

41. Time of filing return; extensions. With respect to each taxpayer, the tax imposed by this act shall be due and payable annually hereafter, in the manner provided in this section:

(a) Every taxpayer shall annually pay the tax imposed by this act with respect to all or any part of each of his fiscal or calendar accounting years beginning after June 1, 1971 to be computed as in this act provided, for such fiscal or calendar accounting year or part thereof, on a return which shall be filed, in the case of a tax-
paler reporting on a calendar year basis, on or before April 15 following the close of such calendar year, or, in the case of a taxpayer reporting on a fiscal year basis, on or before the fifteenth day of the fourth month following the close of such fiscal year, and the full amount of the tax shall be due and payable on or before the date prescribed herein for the filing of the return.

(b) Every taxpayer shall pay a like tax with respect to all or any part of the period beginning June 1, 1971 and extending through any subsequent part of his first fiscal or calendar accounting year ending after said date, to be computed as in this act provided, for such period, on a return which shall be filed on or before April 15, 1972, and the full amount of the tax shall be due and payable on or before the date prescribed herein for the filing of the return. In the case of a taxpayer reporting on an accounting period ending after December 31, 1971, the return for such period shall be filed on or before the fifteenth day of the fourth month following the close of such period, and the full amount of the tax shall be due and payable on or before the date prescribed herein for the filing of the return.

c) Each return shall carry a certificate signed by the taxpayer to the effect that all statements contained therein are true, under the same penalties as for perjury committed. Blank forms of return shall be furnished on application, but failure to secure the form shall not relieve any taxpayer of the obligation of making any return herein required. Subject to regulations under this act and in such form as may be indicated thereby, taxpayers whose taxable income taxable under this act is or may be subject to tax under a similar law of another jurisdiction may be permitted to file a simple, short form return attached to a copy of his return as filed or about to be filed by him in such other jurisdiction.

Subject to regulations under this act, reasonable extensions of time for good cause shown, may be granted for not more than 6 months unless exceptional circumstances justify a longer period, within which returns may be filed.

In addition, persons in active service with the Armed Forces of the United States, who may be prevented by distance or injury or hospitalization arising out of such service, may be allowed such extension of time for the filing of returns, without interest or penalty, as may be fixed by regulations under this act.

11. Section 43 of c. 222 of the laws of 1971 (C. 54:8A–100) is amended to read as follows:
C. 54:8A-100  Taxable year; accounting method.

43. Taxable year; accounting method. (a) A taxpayer's taxable year under this act shall be the same as his taxable year for Federal income tax purposes.

(b) If a taxpayer's taxable year is changed for Federal income tax purposes, his taxable year for purposes of this act shall be similarly changed.

(c) A taxpayer's method of accounting under this act shall be the same as his method of accounting for Federal income tax purposes. Taxable income shall be computed under such method as shall be prescribed by the Division of Taxation.

(d) (1) If a taxpayer's method of accounting is changed for Federal income tax purposes, his method of accounting for purposes of this act shall be similarly changed.

(2) If a taxpayer's method of accounting is changed, other than from an accrual to an installment method, any additional tax which results from adjustments determined to be necessary solely by reason of the change shall not be greater than if such adjustments were ratably allocated and included for the taxable year of the change and the preceding taxable years, not in excess of 2, during which the taxpayer used the method of accounting from which the change is made.

(3) If a taxpayer's method of accounting is changed from an accrual to an installment method, any additional tax for the year of such change of method and for any subsequent year which is attributable to the receipt of installment payments properly accrued in a prior year, shall be reduced by the portion of tax for any prior taxable year attributable to the accrual of such installment payments, in accordance with regulations of the Division of Taxation.

12. Section 44 of c. 222 of the laws of 1971 (C. 54:8A-101) is amended to read as follows:

C. 54:8A-101  Employer to withhold tax.

44. Employer to withhold tax. (a) General. From and after January 1, 1972, every employer in this State of a taxpayer subject to tax in respect of wages, salaries or commissions derived from sources within this State shall deduct and withhold upon the same for each payroll period an amount computed in such manner as to result, as far as practicable, in withholding during each calendar year a sum substantially equivalent to the amount of tax reasonably estimated to be due under this act. Methods for determining the
amount to be withheld shall be prescribed by regulation, as shall
procedures and requirements for the furnishing by the employer
of written statements showing the total compensation, the amount
withheld and other specified information.

(b) Withholding agreements. The director may enter into
agreements with the tax departments of other states (which re­
quire income tax to be withheld from the payment of wages and
salaries) so as to govern the amounts to be withheld from the
wages and salaries of residents of such states under provisions of
this act. Such agreements may provide for recognition of ant­
icipated tax credits in determining the amounts to be withheld
and, under regulations prescribed by the director, may relieve
employers in this State from withholding income tax on wages
and salaries paid to nonresident employees. The agreements
authorized by this subsection are subject to the condition that the
tax department of such other states grant similar treatment to
residents of this State.

13. Section 53 of c. 222 of the laws of 1971 (C. 54:8A-110) is
amended to read as follows:

C. 54:8A-110 Information returns.

53. Information returns. The director may prescribe regulations
and instructions requiring returns of information to be made and
filed on or before February 28 of each year by any person making
payment or crediting in any calendar year the amounts of $10.00
or more to any person who may be subject to the tax imposed
under this act. Such returns may be required of any person, in­
cluding lessees or mortgagors of real or personal property,
fiduciaries, employers, and all officers and employees of this State,
or of any municipal corporation or political subdivision of this
State, having the control, receipt, custody, disposal or payment of
dividends, interest, rents, salaries, wages, premiums, annuities,
compensations, remunerations, emoluments or other fixed or
determinable gains, profits, or income, except interest coupons
payable to bearer. A duplicate of the statement as to tax withheld
on wages, required to be furnished by an employer to an employee,
shall constitute the return of information required to be made
under this section with respect to such wages.

14. Section 59 of c. 222 of the laws of 1971 (C. 54:8A-116) is
amended to read as follows:

59. Administration of act. (a) The Division of Taxation in the Department of the Treasury shall administer the provisions of this act, adopt regulations necessary or desirable to effectuate its purposes or to make explicit the treatment of various items, authorize appropriate systems of accounting and computation, provide for the allocation of income, gains and losses in cases where the source or connection thereof may be partly within and partly without the source state of the taxpayer, and prepare instructions for the guidance and information of taxpayers. Whenever possible, consistent with reasonable application of the provisions of this act, the division shall so prepare its regulations, forms, instructions and other acts to reduce the burden of making computations and returns under this act differently from similar computations and returns required of the same taxpayer with respect to the same income and gain to some other jurisdiction. The division shall also make procedural regulations for its review and correction of returns of taxpayers, the making of refunds or additional assessments of tax on such review or correction, and the assessment of the tax where no return is filed, as well as the method and time of giving due notice thereof and providing suitable methods for appropriate protest or hearing.

In addition to objects mentioned elsewhere in this act, such regulations may describe the treatment to be accorded to items of exchange of property and the recognition or nonrecognition thereof, the deferment of gains from the sale of a personal residence, war losses, employee stock options, inclusions, exclusions and exemptions from gross income, pensions, common trust funds, and may provide for the determination and assessment of interest or penalties, extensions of time for performing any act or making any payment, suspension of penalty or interest or both for limited periods, waiver or reduction of additional taxes, gathering of information and filing of reports for information, and all other matters reasonably required for the fair, impartial and practical administration of this act.

(b) Except as otherwise provided, the amount of tax due on any return shall be determined by the division within 3½ years after the return was made. When the return omits an amount greater than 25% of the taxable income reported, and which should have been included, such determination shall be made within 6½ years after the return was made. When no return is made, or when a return is made willfully false or fraudulent with intent to evade
the tax, or if taxpayer fails to report a change or correction made by another taxing jurisdiction or fails to file an amended return when required to by this act, the amount of the tax may be determined at any time. Where, for 1 taxable year, a deduction disallowed appears to have been allowable in some other taxable year not more than 5 years prior thereto, the return for such earlier year may be revised and the tax for said year resettled, and if the same shall result in a lower tax for said earlier year, the overpayment may be allowed as a credit against, but not in excess of, any assessment resulting from the disallowance for the later year.

Repealer.

15. Sections 10, 11, 15, 19, 21, 22, 23, 24, 25, 26, 28, 29, 30, 31, 32, 33, 38 and 39 of P. L. 1971, c. 222 are repealed.

16. This act shall take effect immediately and shall be applicable with respect to classes of income specified in section 16 (C. 54:8A-73) received or accrued on or after June 1, 1971.

Approved December 16, 1971.

CHAPTER 356

AN ACT to prohibit unfair practices in franchising and supplementing Title 56 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 56:10-1 Short Title.
1. This act shall be known and may be cited as the "Franchise Practices Act."

C. 56:10-2 Legislature's findings.
2. The Legislature finds and declares that distribution and sales through franchise arrangements in the State of New Jersey vitally affects the general economy of the State, the public interest and the public welfare. It is therefore necessary in the public interest to define the relationship and responsibilities of franchisors and franchisees in connection with franchise arrangements.

C. 56:10-3 Definitions.
3. As used in this act:
   a. "Franchise" means a written arrangement for a definite or indefinite period, in which a person grants to another person a license to use a trade name, trade mark, service mark, or related characteristics, and in which there is a community of interest in the marketing of goods or services at wholesale, retail, by lease, agreement, or otherwise.
   b. "Person" means a natural person, corporation, partnership, trust, or other entity and, in case of an entity, it shall include any other entity which has a majority interest in such entity or effectively controls such other entity as well as the individual officers, directors, and other persons in active control of the activities of each such entity.
   c. "Franchisor" means a person who grants a franchise to another person.
   d. "Franchisee" means a person to whom a franchise is offered or granted.
   e. "Sale, transfer or assignment" means any disposition of a franchise or any interest therein, with or without consideration, to include but not limited to bequest, inheritance, gift, exchange, lease or license.
f. "Place of business" means a fixed geographical location at which the franchisee displays for sale and sells the franchisor's goods or offers for sale and sells the franchisor's services. Place of business shall not mean an office, a warehouse, a place of storage, a residence or a vehicle.

C. 56:10-4 Application of act.

4. This act applies only to a franchise (1) the performance of which contemplates or requires the franchisee to establish or maintain a place of business within the State of New Jersey, (2) where gross sales of products or services between the franchisor and franchisee covered by such franchise shall have exceeded $35,000.00 for the 12 months next preceding the institution of suit pursuant to this act, and (3) where more than 20% of the franchisee's gross sales are intended to be or are derived from such franchise.

C. 56:10-5 Termination, cancellation or failure to renew franchise.

5. It shall be a violation of this act for any franchisor directly or indirectly through any officer, agent, or employee to terminate, cancel, or fail to renew a franchise without having first given written notice setting forth all the reasons for such termination, cancellation, or intent not to renew to the franchisee at least 60 days in advance of such termination, cancellation, or failure to renew, except (1) where the alleged grounds are voluntary abandonment by the franchisee of the franchise relationship in which event the aforementioned written notice may be given 15 days in advance of such termination, cancellation, or failure to renew; and (2) where the alleged grounds are the conviction of the franchisee in a court of competent jurisdiction of an indictable offense directly related to the business conducted pursuant to the franchise in which event the aforementioned termination, cancellation or failure to renew may be effective immediately upon the delivery and receipt of written notice of same at any time following the aforementioned conviction. It shall be a violation of this act for a franchisor to terminate, cancel or fail to renew a franchise without good cause. For the purposes of this act, good cause for terminating, canceling, or failing to renew a franchise shall be limited to failure by the franchisee to substantially comply with those requirements imposed upon him by the franchise.

C. 56:10-6 Transfer, assignment or sale of franchise.

6. It shall be a violation of this act for any franchisee to transfer, assign or sell a franchise or interest therein to another person unless the franchisee shall first notify the franchisor of such in-
tention by written notice setting forth in the notice of intent the prospective transferee’s name, address, statement of financial qualification and business experience during the previous 5 years. The franchisor shall within 60 days after receipt of such notice either approve in writing to the franchisee such sale to proposed transferee or by written notice advise the franchisee of the unacceptability of the proposed transferee setting forth material reasons relating to the character, financial ability or business experience of the proposed transferee. If the franchisor does not reply within the specified 60 days, his approval is deemed granted. No such transfer, assignment or sale hereunder shall be valid unless the transferee agrees in writing to comply with all the requirements of the franchise then in effect.

C. 56:10-7 Unlawful practices.

7. It shall be a violation of this act for any franchisor, directly or indirectly, through any officer, agent or employee, to engage in any of the following practices:

a. To require a franchisee at time of entering into a franchise arrangement to assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability imposed by this act.

b. To prohibit directly or indirectly the right of free association among franchisees for any lawful purpose.

c. To require or prohibit any change in management of any franchisee unless such requirement or prohibition of change shall be for good cause, which cause shall be stated in writing by the franchisor.

d. To restrict the sale of any equity or debenture issue or the transfer of any securities of a franchise or in any way prevent or attempt to prevent the transfer, sale or issuance of shares of stock or debentures to employees, personnel of the franchisee, or heir of the principal owner, as long as basic financial requirements of the franchisor are complied with, and provided any such sale, transfer or issuance does not have the effect of accomplishing a sale of the franchise.

e. To impose unreasonable standards of performance upon a franchisee.

f. To provide any term or condition in any lease or other agreement ancillary or collateral to a franchise, which term or condition directly or indirectly violates this act.
C. 56:10-8 Application of act.

8. This act shall not apply to a franchise granted prior to the effective date of this act, provided, however, that a renewal of a franchise or an amendment to an existing franchise shall not be excluded from the application of this act.

C. 56:10-9 Defense for franchisor.

9. It shall be a defense for a franchisor, to any action brought under this act by a franchisee, if it be shown that said franchisee has failed to substantially comply with requirements imposed by the franchise and other agreements ancillary or collateral thereto.

C. 56:10-10 Action by franchisee.

10. Any franchisee may bring an action against its franchisor for violation of this act in the Superior Court of the State of New Jersey to recover damages sustained by reason of any violation of this act and, where appropriate, shall be entitled to injunctive relief. Such franchisee, if successful, shall also be entitled to the costs of the action including but not limited to reasonable attorney's fees.

C. 56:10-11 Severability of law.

11. If any provision of this law or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the law which can be given effect without the invalid provision or application, and to this end the provisions of this law are severable.

C. 56:10-12 Liability of franchisor.

12. No liability on the part of and no cause of action of any nature other than as provided by this act shall arise against any franchisor, its officers, agents or employees furnishing information as to reasons for termination, cancellation, intent not to renew, failure to renew, unacceptability of a proposed transferee, or relating to the character, financial ability or business experience of a proposed transferee, or for statements made or evidence submitted at any hearing or trial conducted in connection therewith.

13. This act shall take effect immediately.

In meeting the aforesaid standards, the owner shall not be responsible for heat loss and the consequent drop in the interior temperature arising out of action by the occupants in leaving windows or doors open to the exterior of the building. The owner shall be obligated to supply required fuel or energy and maintain the heating system in good operating condition so that it can supply heat as required herein notwithstanding any contractual provision seeking to delegate or shift responsibility to the occupant or third person, except that the owner shall not be required to supply fuel or energy for heating purposes to any unit where the occupant thereof agrees in writing to supply heat to his own unit of dwelling space and the said unit is served by its own exclusive heating equipment for which the source of heat can be separately computed and billed.

3. Severability. If any provision or clause of this act, or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of the act, which can be given effect without the invalid provision or application, and to this end, the provisions of this act are declared to be severable.

4. Effective date. This act shall take effect immediately following the approval thereof, and shall apply to all actions instituted thereafter, and to all proceedings taken subsequent thereto in all actions pending on such effective date; except that judgments theretofore entered or awards theretofore made pursuant to law from which no appeal is pending on such effective date, shall not be affected by the provisions hereof.

ARTICLE IV

COURT JURISDICTION AND PROCEDURE

C. 20:3-5 Jurisdiction.

5. Jurisdiction. The court shall have jurisdiction of all matters in condemnation, and all matters incidental thereto and arising therefrom, including, but without limiting the generality of the foregoing, jurisdiction to determine the authority to exercise the power of eminent domain; to compel the exercise of such power; to fix and determine the compensation to be paid and the parties entitled thereto, and to determine title to all property affected by the action.

C. 20:3-6 Application of act.

6. Application of act. Whenever any condemnor shall have determined to acquire property pursuant to law, including public property already devoted to public purpose, but cannot acquire title thereto or possession thereof by agreement with a prospective condemnor, whether by reason of disagreement concerning the compensation to be paid or for any other cause, the condemnation of such property and the compensation to be paid therefor, and to whom payable, and all matters incidental thereto and arising therefrom shall be governed, ascertained and paid by and in the manner provided by this act; provided, however, that no action to condemn
shall be instituted unless the condemnor is unable to acquire such title or possession through bona fide negotiations with the prospective condemnee, which negotiations shall include an offer in writing by the condemnor to the prospective condemnee holding the title of record to the property being condemned, setting forth the property and interest therein to be acquired, the compensation offered to be paid and a reasonable disclosure of the manner in which the amount of such offered compensation has been calculated, and such other matters as may be required by the rules. Prior to such offer the taking agency shall appraise said property and the owner shall be given an opportunity to accompany the appraiser during inspection of the property. Such offer shall be served by certified mail. In no event shall such offer be less than the taking agency's approved appraisal of the fair market value of such property. A rejection of said offer or failure to accept the same within the period fixed in written offer, which shall in no case be less than 14 days from the mailing of the offer, shall be conclusive proof of the inability of the condemnor to acquire the property or possession thereof through negotiations. When the holder of the title is unknown, resides out of the State, or for other good cause, the court may dispense with the necessity of such negotiations. Neither the offer nor the refusal thereof shall be evidential in the determination of compensation.

C. 20:3-7 Procedure.  
7. (a) Rules of procedure. The procedure governing the action shall be in accordance with the rules.  
(b) Multiple proceedings. The condemnation of 10 or less parcels of property lying wholly within the same county may be joined in one action; provided that a separate award, judgment and appeal shall be made, entered and taken with respect to each parcel; more than 10 parcels may be joined in one action only with leave of court.  
(c) Amendments. Amended and supplemental pleadings, descriptions, surveys, plans, declarations of taking and the like, may be permitted and parties added or eliminated, in accordance with the rules.

C. 20:3-8 Commencement of action.  
8. Commencement of action. The action shall be instituted by filing of a verified complaint in form and content specified by the rules and shall demand judgment that condemnor is duly vested with and has duly exercised its authority to acquire the property being condemned, and for an order appointing commissioners to fix the compensation required to be paid.
C. 20:3-9 Process.

9. Process. After the filing of the complaint, the condemnor shall issue and with due diligence, cause process to be served or published in accordance with the rules. Notice given and process served or published in accordance with the rules shall be effective to bind all condemnees.

C. 20:3-10 Lis pendens.

10. Lis pendens. Within 14 days after the filing of the complaint, the condemnor shall cause to be filed and recorded in the recording office, a notice of the pendency of the action, in form and content specified by the rules. Such notice shall include the title of the action; the docket number thereof, if known; the date of the commencement of the action, a description of the property and the interests therein being condemned, as set forth in the complaint; and the names and addresses of all condemnees known to the condemnor and the nature of their alleged interests in said property. The lis pendens shall be indexed by the recording official, listing the condemnees as grantors and the condemnor as grantee. In default of such record, persons acquiring an interest in or lien upon the property without actual notice of the action, shall not be bound thereby but the failure to comply with the provisions of this section shall not otherwise affect such proceedings.

C. 20:3-11 Denial of authority to condemn.

11. Denial of authority to condemn. Failure to deny the authority of the condemnor to condemn in the manner provided for by the rules, shall constitute a waiver of such defense. When the authority to condemn is denied, all further steps in the action shall be stayed until that issue has been finally determined.

C. 20:3-12 Appointment of commissioners and hearings.

12. Appointment of commissioners and hearings.

(a) Waiver of appointment of commissioners. By stipulation filed in the cause, the condemnor and all condemnees may waive the appointment of commissioners and in such event, the action shall proceed to trial before the court.

(b) Appointment and qualification of commissioners. Upon determination that the condemnor is authorized to and has duly exercised its power of eminent domain, the court shall appoint 3 commissioners to determine the compensation to be paid by reason of the exercise of such power. Such commissioners shall be residents of the county in which any part of the property being condemned is located or, in the case of the commissioner who must be
an attorney, be actively engaged in the practice of law in the county. One of such commissioners shall be an attorney, admitted to practice in this State for at least 10 years, who shall preside at all hearings and rule on all questions of evidence and procedure, subject to a review by a majority of the commissioners. The commissioners shall take and subscribe an oath faithfully and impartially to perform their duties, and to make a true award to the best of their skills and understanding, which oath shall be filed with their award. Should a commissioner die, become disqualified, unable, neglect or refuse to act, the remaining 2 commissioners shall perform the duties of office with the same authority as if all commissioners were acting. The court may fill any vacancy in office, and for cause, may vacate any appointment and appoint a successor in office.

(c) Hearings—subpoena. Upon notice of at least 10 days, the commissioners shall hold hearings at which the parties and their witnesses may be heard, under oath, administered by any commissioner. The conduct of the hearings shall be governed by the rules of evidence except that testimony as to comparable sales shall be considered an exception to the hearsay rule. The compulsory attendance of witnesses and production of records thereof may be compelled by the commissioners. At the request of any party, and at his expense, a stenographic record of the hearing shall be maintained. A majority of commissioners shall be in attendance at all hearings.

(d) Limited discovery. At least 15 days prior to the hearing the parties shall exchange a list of comparable sales intended to be introduced by them setting forth as to each comparable sale the following information: name of seller and purchaser; location of property by block, lot and municipality; date of sale; the consideration; and book and page of recording. No party shall be permitted to offer testimony of any comparable sale not set forth in said list unless consented to by all other parties. There shall be no discovery on the issue of the authority to condemn except by leave of court.

(e) Proof. At the hearing, the condemnor shall proceed first to offer proof of the nature and extent of the taking, and its opinion of the compensation payable by reason thereof.

(f) Inspection of property. Commissioners may inspect the property being condemned, and shall so inspect when requested by any party, and in addition, when requested by any party, the commissioners shall inspect two of the comparable sales testified to by said party. Such inspection may be in the absence of the parties,
unless attendance at inspection is requested by the parties, or any of them. This right of inspection shall exist notwithstanding that the structures on the property may have been demolished and the site altered.

(g) Award of commissioners. Within 4 months next following their appointment, or within any extended period in accordance with the rules, the commissioners, or a majority of them, shall make and file in form and content fixed by the rules, an award fixing and determining the compensation to be paid by the condemnor. The requirements respecting the time of filing of such award shall be directory and not mandatory, and a failure to make and file the same within the time specified, shall not invalidate the award or oust the commissioners of jurisdiction to complete their duties. Upon its own motion, or on application of any party, made within 60 days after the filing of the award, the court may authorize the commissioners to amend, supplement, modify, or correct their award.

(h) Judgment. Any award as to which no appeal is taken in accordance with the rules, shall become final as of course, and shall constitute a final judgment. If not paid within 60 days after final judgment, execution may issue as in other actions at law.

(i) Commissioners' fees and expenses. The court, upon application of any party, including the commissioners, shall fix reasonable fees, costs and expenses of the commissioners, clerks and other persons performing any of their duties, all of which shall be paid by the condemnor.

C. 20:3-13 Appeal.

(a) Parties. Any party who has appeared at the hearings of the commissioners, either personally or through an attorney, may appeal from the award of the commissioners. Such appeal shall be taken within the period and in the manner provided by the rules. The necessary parties to the appeal shall be only such parties who have appeared at the commissioners' hearings. Other parties may be admitted by the court pursuant to the rules.

(b) Hearing on appeal. The hearing on appeal shall be a trial de novo, as in other actions at law, without a jury, unless a jury be demanded. The award of the commissioners shall not be admitted in evidence.

(c) Limited discovery. A valuation expert who has not testified at the hearing before the commissioners shall not be permitted to testify at the trial de novo, unless, within 15 days before trial the
party offering such testimony gives notice to the other parties to
the appeal of the name and address of such expert and his opinion
of the amount of compensation and information relative to com­
parable sales as required by the rules. The information required
by the rules shall be supplied as to all additional comparable sales
not previously testified to before commissioners.

(d) Payment of amount of judgment on appeal; right to posses­
sion; lien; other remedies. The amount of the judgment on the
appeal, or so much thereof as shall not have been paid, shall be
paid to the parties entitled thereto or paid into court.

If possession shall not have been taken theretofore, the con­
demnor, upon payment as aforesaid, may notwithstanding any
further appeal or other proceedings, take possession of the lands
or other property for the purposes for which the same was au­
thorized to be taken.

C. 20:3-14 Agreement as to compensation.

14. Agreement as to compensation. At any time during the
pendency of the action, the condemnor and the condemnees may
agree upon all or any part or any item of compensation to be paid,
and then proceed to have those parts or items not agreed upon,
fixed and determined as herein provided. The condemnor may make
payment of any part or item thereof agreed upon, and condemnees
may accept such payment, without prejudice, and proceed to fix
and determine the parts and items remaining in dispute.

ARTICLE V

POSSESSION OF PROPERTY AND VESTING OF TITLE

C. 20:3-15 Exclusion.

15. Exclusion. The provisions of this article shall not apply to
individuals or private corporations vested with the authority of
condemnation.

C. 20:3-16 Preliminary entry.

16. Preliminary entry. Prior to the commencement of any action,
a prospective condemnor and its employees and agents, during
reasonable business hours, may enter upon any property which it
has authority to condemn for the purpose of making studies,
surveys, tests, soundings, borings and appraisals, provided notice
of the intended entry for such purpose is sent to the owner and the
occupant of the property by certified mail at least 10 days prior
thereto. No tests, soundings or borings shall be made on property
in which there exists a pipeline or other underground utility in-
stallation except in the presence of a representative designated by
the public utility owning or using the same. If an action to condemn
is not commenced within 2 years after such preliminary entry, any
damages sustained as a result thereof, shall be paid by the con­
demnor to the person or persons so damaged. The amount of such
damages, if any, and the person or persons entitled thereto, shall be
determined by the court in a summary action pursuant to the rules.

C. 20:3-17 Possession of property and declaration of taking.

17. Possession of property and declaration of taking. At any
time contemporaneous with or after the institution of an action and
service of process, the condemnor may file in the action, when
empowered to do so by law, and if so filed, shall also file in the
recording office, a declaration of taking, duly executed by an
executive official of the condemnor, in form and content specified
by the rules, including the following:

(a) a statement that possession of all or some part of the prop­
erty being condemned is thereby being taken by the condemnor;

(b) a specific reference to the statute, article and section thereof,
under which the action and declaration of taking is authorized;

(c) a description and plot plan of the property being condemned,
and, if not the entire property, the portion thereof of which posses­
sion is being taken, sufficient for identification thereof, specifying
the municipality or municipalities in which the same is located; the
street number of the property, if any; the lot and block number of
the property as designated upon the current assessment map, if
any. In case of a partial taking, the information above specified
shall include the entire property of the condemnee, and the portion
thereof being taken;

(d) the names and addresses of all condemnees known to the
condemnor after reasonable investigation, and the nature of their
interests in the property;

(e) a statement of the estate or interest therein being condemned;

(f) a statement of the sum of money estimated by the condemnor
to be just compensation for the taking, which sum shall be not less
than the amount of the offer, in writing, provided for in section 6
hereof.

(g) Any other matter required by the rules.

C. 20:3-18 Deposit of estimated compensation.

18. Deposit of estimated compensation. Simultaneously with the
filing of the declaration of taking, the condemnor shall deposit the
amount of such estimated compensation with the clerk of the court.
The amount so deposited shall be not less than the amount offered pursuant to section 6 hereof, and if an award has been made by commissioners hereunder, or a judgment determining compensation has been entered at the time of the filing of such declaration, the amount so deposited shall be not less than the amount of such award or judgment.

Any amount so deposited shall not be subject to the fees set forth in N.J.S. 22A:2-20.

C. 20:3-19 Right to possession and vesting of title.

19. Right to possession and vesting of title. A copy of the declaration of taking and notice of the filing thereof and of the making of the aforesaid deposit, shall be served upon the condemnee and all occupants of the property in accordance with the rules, and proof of such service shall be filed in the action. Thereupon, the right to the immediate and exclusive possession and title to the property described in the declaration of taking shall vest in the condemnor, free and discharged of all right, title, interest and liens of all condemnees without the necessity of further process; provided, however, that the court may, upon application and good cause shown, stay the taking of possession of the land or other property, or authorize possession to be taken upon prescribed conditions. A property owner who refuses to vacate said property or yield possession and remains in possession more than 20 days after service of notice shall be deemed a trespasser and shall be then liable for rents, issues and profits 20 days after service. The court, upon notice and after determining that the property owner has had adequate opportunity to obtain any funds payable to him under sections 23 and 26 of this act and any other expenses to which he may be entitled to as a matter of law, shall enter an order for possession directed to the sheriff of the county in which the property is located. If the owner or tenant occupies the property with the condemnor's permission on a rental basis for a short term or for a period subject to termination on short notice, the amount of rent required shall not exceed the fair rental value of the property to a short term occupier. Such right, title and interest shall be transferred and shall attach to the compensation determined to be payable hereunder, to the same extent and in the same order of priority as existed at the date of vesting of title in condemnor. The pendency of an appeal from an award or judgment hereunder shall not interfere with such vesting of title.
C. 20:3-20 Nature of title condemned.

20. Nature of title condemned. The title to property condemned and acquired by the condemnor hereunder, shall be a title in fee simple, free and discharged of all right, title, interest and liens of all condemnees, and shall include all the right, title and interest of each condemnee therein; provided, however, that if the complaint or any amendment thereof shall specify a lesser title, the lesser title so specified shall be the title condemned and acquired.

C. 20:3-21 Date of vesting of title.

21. Date of vesting of title. Title to the property condemned shall vest in the condemnor as of the earliest date of the happening of any of the following events:

(a) Filing and recording the declaration of taking and depositing funds pursuant to sections 17 and 18 of this act;

(b) Filing and recording in the recording office of the report of commissioners and payment of the award;

(c) Filing in the action and recording in the recording office, an agreement between condemnor and condemnee fixing the date as of which title shall vest;

(d) Paying and satisfying of record a final judgment fixing compensation payable hereunder.

C. 20:3-22 Appeal not to affect right to possession and vesting of title.

22. Appeal not to affect right to possession and vesting of title. The pendency of an appeal with respect to any issue other than the authority to condemn, shall not affect the right to possession and vesting of title in the condemnor.

C. 20:3-23 Withdrawal of funds.

23. Withdrawal of funds. Upon application of any condemnee, or any other party in interest, and on notice to all parties to the action, including the condemnor, the court may direct that the estimated compensation on deposit, or any part thereof, be paid to the person or persons entitled thereto, on account of the compensation to which they may be entitled in the action; provided, that if the award or judgment fixing such compensation be less than the amount paid pursuant hereto, the person to whom such payment has been made shall repay the same, together with interest at a rate to be fixed by the court from the date of payment to such person, and the court, after hearing in a summary manner, may enter judgment therefor; and provided, further, that if the award or judgment fixing such compensation be more than the amount
deposited, condemnor shall pay the excess to the condemnee entitled thereto, with interest at a rate to be fixed by the court from the date of the deposit, and the court, after hearing in a summary manner, may enter judgment therefor against the condemnor. The court, upon notice to all parties, shall enter appropriate orders distributing any balances on deposit.

C. 20:3-24 Revesting of title and restoration of possession.

24. Revesting of title and restoration of possession. If, after the filing of a declaration of taking, a judgment shall be entered dismissing the action, title to and possession of the property shall revest in the condemnee, subject to the same right, title, interest and liens as existed as of the date of the filing of the declaration of taking. In such event, condemnor shall file and record the judgment and pay any damages sustained by the condemnee as a result of the action of the condemnor, and the expenses of the condemnee.

C. 20:3-25 Compelling condemnor to file declaration of taking.

25. Compelling condemnor to file declaration of taking. If within 6 months from the date of appointment of commissioners, the condemnor fails to file a declaration of taking, the court, upon application of any condemnee, and on notice to all parties in interest, may require the condemnor, at its election, to either file a declaration of taking and make the deposit hereinabove provided, or abandon the proceedings pursuant to section 35 hereof. For good cause and upon terms, the court may extend the time for the filing of such declaration of taking, but not more than 3 months after the commencement of the action.

C. 20:3-26 Reimbursement for certain expenses.

26. a. The condemnor, as soon as practicable after the date of payment of the acquisition price or the date of deposit in court of funds to satisfy the award of compensation, whichever is earlier, shall reimburse the owner for actual expenses he necessarily incurred for

(1) recording fees, transfer taxes and similar expenses incidental to conveying such real property to the condemnor; and

(2) the pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting title in the condemnor, or the effective date of possession of such real property by the condemnor, whichever is earlier.

b. If the court renders final judgment that the condemnor cannot acquire the real property by condemnation or, if the condemnation
action is abandoned by the condemnor, then the court shall award
the owner of any right, or title to, or interest in such real property,
such real property, such sum as will reimburse such owner for his
reasonable costs, disbursements and expenses actually incurred,
including reasonable attorney, appraisal, and engineering fees.

c. When a plaintiff shall have brought an action to compel con­
demnation against a defendant having the power to condemn, the
court or representative of the defendant in case of settlement shall,
in its discretion, award such plaintiff his reasonable costs, disburse­
ments, and expenses, including reasonable appraisal, attorney and
engineering fees actually incurred regardless of whether the action
is terminated by judgment or amicable agreement of the parties.

C. 20:3-27. Deposit and withdrawal of funds not prejudicial.

27. Deposit and withdrawal of funds not prejudicial. Neither the
making of the deposit nor any withdrawal thereof pursuant to this
article, shall affect or prejudice the rights of either the condemnor
or the condemnee in the determination of compensation. The
amount of such deposit and any withdrawal thereof, shall not be
evidential in such determination.

C. 20:3-28 Fees of clerk of the court.

28. Fees of clerk of the court. Where the clerk of the court is
authorized to charge and deduct statutory fees or commissions by
reason of the deposit and disbursement of funds pursuant to this
article, such fees and commissions shall be paid by the condemnor.

ARTICLE VI

COMPENSATION AND DATE OF DETERMINATION THEREOF

C. 20:3-29 Compensation.

29. Compensation. The condemnee shall be entitled to compensa­
tion for the property, and damages, if any, to any remaining prop­
erty, together with such additional compensation as provided for
herein, or as may be fixed according to law.

C. 20:3-30 Date as of which compensation shall be determined.

30. Date as of which compensation shall be determined. Just
compensation shall be determined as of the date of the earliest of
the following events: (a) the date possession of the property being
condemned is taken by the condemnor in whole or in part; (b) the
date of the commencement of the action; (c) the date on which
action is taken by the condemnor which substantially affects the
use and enjoyment of the property by the condemnee.
ARTICLE VII

INTEREST

C. 20:3-31 Payment of interest.

31. Payment of interest. Interest as set by the court upon the amount of compensation determined to be payable hereunder shall be paid by the condemnor from the date of the commencement of the action until the date of payment of the compensation; provided, however, that there shall be excluded from the amount upon which interest shall be calculated, all moneys deposited pursuant to Article V hereof; and provided, further, that interest payable hereunder shall be subject to abatement for rents and profits derived from the property by the condemnee during the period for which interest is payable hereunder, and/or for the fair rental value of such property or any portion thereof occupied by the condemnee during such period.

C. 20:3-32 Disputes as to interest.

32. Disputes as to interest. Unless agreed upon by the parties, the amount of such interest shall be fixed and determined by the court in a summary manner after final determination of compensation, and shall be added to the amount of the award or judgment, as the case may be.

ARTICLE VIII

MISCELLANEOUS

C. 20:3-33 Possession by individuals or private corporations.

33. Possession by individuals or private corporations. Individuals and private corporations vested with the authority of condemnation may, upon the filing of the report of the commissioners and upon payment, to the parties entitled thereto or into court, of the amount awarded as provided in this act, take possession of the land or other property for the purposes for which the same was authorized to be taken.

The report of the commissioners, together with the order or judgment appointing them, or a copy thereof certified by the clerk of the court, and proof of such payment of the amount awarded shall be plenary evidence of the right of the condemnor to have, hold, use, occupy, possess and enjoy the land and other property.

Nothing herein shall preclude abandonment at any time by mutual consent of the parties.

36. Method of abandonment. The abandonment shall be effected by filing and serving notice of abandonment.

C. 20:3-37 Uneconomic remnants.

C. 20:3-38 Blighted areas.

38. Blighted areas. The value of any land or other property being acquired in connection with development or redevelopment of a blighted area shall be no less than the value as of the date of the declaration of blight by the governing body upon a report by a planning board.

C. 20:3-40 Acquisitions by State colleges; declaration of taking.

40. Acquisitions by State colleges; declaration of taking. Whenever a State college is authorized by law to acquire lands or rights therein, the Director of the Division of Purchase and Property may acquire such lands or right therein by gift, devise, purchase, or by condemnation in the manner provided by this act.

C. 20:3-41 Lands etc. needed for defense or for airports; declaration of taking.

41. Lands etc. needed for defense or for airports; declaration of taking. Whenever the State or any commission, official, board or body thereof or any county or municipality shall determine to acquire lands, easements, rights-of-way or other property to be used by the United States of America, the State of New Jersey or said county or municipality, for furthering national or State defense, or for developing or building airports or providing surface or aerial approaches thereto, by condemnation pursuant to this act, and shall represent to the court that it is necessary for such purposes that the plaintiff enter into possession of the same immediately, the plaintiff may, with leave of court, file with the Clerk of the Superior Court a declaration of taking in the manner provided for by this act.

C. 20:3-42 Recovery of taxes or other municipal liens or charges.

42. Recovery of taxes or other municipal liens or charges. The provisions of this act shall not be construed to prevent any municipality from retaining from or recovering out of any moneys paid by it into court, under this act, any sum or sums due to such municipality, for taxes or other municipal liens or charges against any property taken in condemnation.

C. 20:3-43 Right of owner to recover amount awarded; lien.

43. Right of owner to recover amount awarded; lien. The report of the commissioners together with the order or judgment appointing them, or a copy thereof certified by the clerk of the court, shall be plenary evidence of the right of the owner of the land or other property taken to recover the amount awarded with interest and
costs, in the action or in an action in any court of competent jurisdic
tion to be instituted against the plaintiff after failure to pay the
same for 20 days after the filing of the report, and shall from the

on payment as aforesaid, may, notwithstanding any further
appeal or other proceedings, take possession of the lands or other
property for the purposes for which the same was authorized to be
taken.

The persons entitled to receive payment of the judgment shall
be entitled to the same lien as is provided in section 34 of this act
for the collection of awards of commissioners and shall have such
other remedies as may be appropriate for the recovery of the same.

C. 20:3-45 Condemnation of public utility property by municipality; after-ac­
quired property and improvements.

45. Condemnation of public utility property by municipality; after-acquired property and improvements. Where an award has
been made in an action by a municipality for the condemnation of
property of a public utility company and the award has been paid
to the parties entitled thereto or the amount thereof paid into court,
the municipality, in addition to having the right to take possession
of the property so condemned, may take possession of such other
property as the company has acquired, and any improvements made
in its plant, since the commencement of the action, in advance of
making compensation therefor, provided the municipality cannot
acquire said property and improvements by agreement with the
owner, either by reason of disagreement as to price, or the legal
incapacity or absence of the owner, or his inability to convey valid
title, or by reason of any other cause.

Upon a municipality exercising this right and entering upon and
taking the after-acquired property and improvements in advance
of making compensation therefor, the municipality shall apply to
the commissioners therefore appointed in the action to fix the com­

property and improvements. Thereupon the commissioners shall make a just and equitable appraisement of the value of all such after-acquired property and improvements and damages if any, in accordance with this act. Upon the making of the award the municipality shall pay the amount thereof unless an appeal is taken therefrom to the Superior Court as provided for in section 13 of this act, in which case the amount of the award shall be paid upon final determination thereof.

All land lying outside of and adjoining the outer boundary lines of any public road or highway, the boundaries of which have been established according to law prior to April 28, 1931, and which lands or the use thereof shall be required for the purpose of laying out, grading and constructing sidewalks for the use of pedestrians, shall be taken, acquired and occupied from and as against the rightful owner thereof, only in accordance with this act and upon paying compensation therefor, to be fixed and determined in the manner prescribed by this act.

Nothing in this section shall limit or impair or deprive any municipality or county of the right to ordain or order the grading and the construction of a paved surface for any sidewalk above referred to, and the assessing of the proportionate cost thereof, against the owner of the property thereby improved as a local public improvement in the manner now provided by law.

C. 20:3-47 Land or property taken for public improvement.

47. Where land or other property is taken or to be taken by a municipal corporation or other public body for public improvement and payment of the compensation for the land or other property and damages is authorized by statute to be set off against or made wholly or partially in benefits to be assessed for the same improve-

CHAPTER 362

An Act providing for relocation payments and relocation advisory assistance to persons displaced by certain activities of the taking agencies and repealing certain parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 20:4-1 Short title.
1. This act shall be known and may be cited as the "Relocation Assistance Act."
C. 20:4-2 Declaration of policy.

2. Declaration of policy. The purpose of this act is to establish a uniform policy for the fair and equitable treatment of persons displaced by the acquisition of real property by State and local land acquisition programs, by building code enforcement activities, or by a program of voluntary rehabilitation of buildings or other improvements conducted pursuant to governmental supervision. Such policy shall be uniform as to a. relocation payments, b. advisory assistance, c. assurance of availability of standard housing, and d. State reimbursement for local relocation payments under State assisted and local programs.

C. 20:4-3 Definitions.

3. Definitions. As used in this act the term:

a. "Taking agency" means the entity, public or private, including the State of New Jersey, which is condemning private property for a public purpose under the power of eminent domain.

b. "Person" means any individual partnership, corporation, or association.

c. "Displaced person" means any person who, on or after the effective date of this act, moves from real property, or moves his personal property from real property, as a result of the acquisition of such real property, in whole or in part, or as the result of the written order of the acquiring agency to vacate real property, for a program or project undertaken by a taking agency; and solely for the purposes of sections 4 a. and b. and section 7 of this act, as a result of the acquisition of or as the result of the written order of the acquiring agency to vacate other real property, on which such person conducts a business or farm operation, for such program or project.

d. "Business" means any lawful activity, excepting a farm operation, conducted primarily:

(1) for the purchase, sale, lease and rental of personal and real property, and for the manufacture, processing, or marketing of products, commodities, or any other personal property;

(2) for the sale of services to the public;

(3) by a nonprofit organization; or

(4) solely for the purposes of section 4 a. of this act for assisting in the purchase, sale, resale, manufacture, processing, or marketing of products, commodities, personal property, or services by the erection and maintenance of an outdoor advertising display or displays, whether or not such display or displays are located on the premises on which any of the above activities are conducted.
e. "Farm operation" means any activity conducted solely or primarily for the production of one or more agricultural products or commodities, including timber, for sale or home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator's support.

f. The term "commissioner" shall mean the Commissioner of the Department of Community Affairs.

C. 20:4-4 Moving and related expenses.

4. Moving and related expenses.

a. If a taking agency acquires real property for public use, it shall make fair and reasonable relocation payments to displaced persons and businesses as required by this act, for:

(1) actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;

(2) actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the taking agency; and

(3) actual reasonable expenses in searching for a replacement business or farm.

b. Any displaced person eligible for payments under subsection a. of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection a. of this section may receive a moving expense allowance, determined according to a schedule established by the taking agency, not to exceed $300.00, and a dislocation allowance of $200.00.

c. Any displaced person eligible for payments under subsection a. of this section who is displaced from his place of business or from his farm operation and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection a. of this section, may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall not be less than $2,500.00 nor more than $10,000.00. In the case of a business no payment shall be made under this subsection unless the taking agency is satisfied that the business (1) cannot be relocated without a substantial loss of its existing patronage, and (2) is not a part of a commercial enterprise having at least one other estab-
lishment not being acquired by the taking agency, which is engaged in the same or similar business. For purposes of this subsection, the term "average annual net earnings," means 1/2 of any net earnings of the business or farm operation, before Federal, State, and local income taxes, during the 2 taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as such agency determines to be more equitable for establishing such earnings, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such period.

C. 20:4-5 Replacement housing for homeowners.

3. Replacement housing for homeowners.

a. In addition to payments otherwise authorized by this act, the taking agency shall make an additional payment not in excess of $15,000.00 to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than 180 days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

(1) The amount, if any, which when added to the acquisition cost of the dwelling acquired, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market. All determinations required to carry out this subparagraph shall be determined by regulations issued pursuant to section 10 of this act.

(2) The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than 180 days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be determined by regulations issued pursuant to section 10 of this act.
(3) Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(4) Penalty costs for prepayment of any mortgage entered into in good faith encumbering such real property if such mortgage is on record or has been filed for record as provided by law on the date of approval by taking agency of the location of such project.

(5) The pro rata portion of real property taxes payable during the calendar year in which the property was acquired which are allocable to the period of the year subsequent to the date of vesting of title in the taking agency, or the effective date of the possession of such real property by the taking agency, whichever is earlier.

b. The additional payment authorized by this section shall be made only to such a displaced person who purchases and occupies a replacement dwelling which is decent, safe, and sanitary not later than the end of the one year period beginning on the date on which he receives final payment of all costs of the acquired dwelling, or on the date on which he moves from the acquired dwelling, whichever is the later date.

C. 20:4-6 Replacement housing for tenants and certain others.

6. Replacement housing for tenants and certain others. In addition to amounts otherwise authorized by this act, a taking agency shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under section 5 which dwelling was actually and lawfully occupied by such displaced person for not less than 90 days prior to the initiation of negotiations for acquisition of such dwelling. Such payment shall be either:

a. the amount necessary to enable such displaced person to lease or rent for a period not to exceed 4 years, a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, and reasonably accessible to his place of employment, but not to exceed $4,000.00; or

b. the amount necessary to enable such person to make a downpayment (including incidental expenses described in section 5 a. (3)) on the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, but not to exceed $4,000.00, the first $2,000.00 of which is to be paid without contribution from the displaced
person, but thereafter such payments will only be made on a matching dollar-for-dollar basis with the displaced person.

C. 20:4-7 Relocation assistance advisory programs.

7. Relocation assistance advisory programs.

a. Whenever the acquisition of real property for a program or project undertaken by a taking agency will result in the displacement of any person on or after the effective date of this section, such agency shall provide a relocation assistance advisory program for displaced persons which shall offer the services prescribed herein. If the taking agency determines that any person occupying property immediately adjacent to the real property acquired is caused substantial economic injury because of the acquisition, it may offer such person relocation advisory services under such program.

b. Each relocation assistance program required by subsection a. shall include such measures, facilities, or services as may be necessary or appropriate in order (1) to determine the needs of displaced persons, business concerns, and nonprofit organizations for relocation assistance; (2) to assist owners of displaced business and farm operations in obtaining and becoming established in suitable business locations or replacement farms; (3) to supply information concerning programs of the Federal, State and local governments offering assistance to displaced persons and business concerns; (4) to assist in minimizing hardships to displaced persons in adjusting to relocation; and (5) to secure, to the greatest extent practicable, the coordination of relocation activities with other project activities and other planned or proposed governmental actions in the community or nearby areas which may affect the carrying out of the relocation program.

C. 20:4-8 Assurance of availability of standard housing.

8. Assurance of availability of standard housing. Whenever the acquisition of real property for a program or project undertaken by a taking agency will result in the displacement of any person on or after the effective date of this section, such agency shall assure that, within a reasonable period of time, prior to displacement, there will be available, in areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the families and individuals displaced, decent, safe and sanitary dwellings equal in number to the number of and available to such displaced persons who require such dwellings and reasonably accessible to their places of employment; except
that regulations issued pursuant to section 10 of this act may pre-
scribe situations when these assurances may be waived.

C. 20:4-9 Use of project funds to provide housing.
9. If a project cannot proceed to actual construction because com-
parable replacement sale or rental housing is not available, and the
head of the taking agency determines that such housing cannot
otherwise be made available he may take such action as is necessary
or appropriate to provide such housing by use of funds authorized
for such project.

C. 20:4-10 Authority of the commissioner.
10. Authority of the commissioner.
a. The commissioner shall adopt such rules and regulations as
may be necessary to assure:
(1) that the payments and assistance authorized by this act shall
be administered in a manner which is fair and reasonable, and as
uniform as practicable;
(2) that a displaced person who makes proper application for a
payment authorized for such person by this act shall be paid
promptly after a move or, in hardship cases, be paid in advance; and
(3) that any person aggrieved by a determination as to eligibility
for a payment authorized by this act, or the amount of a payment,
may have his application reviewed by the head of the taking agency
or other appropriate officer.
b. The commissioner may prescribe such other regulations and
procedures, consistent with the provisions of this act, as he deems
necessary or appropriate to carry out this act.

C. 20:4-11 Administration.
11. Administration. In order to prevent unnecessary expense
and duplication of functions, and to promote uniform and effective
administration of relocation assistance programs for displaced
persons, the commissioner may authorize any taking agency to
enter into contracts with any individual, firm, association or
corporation for services in connection with such programs, or may
carry out its functions under this act through any Federal or State
agency or instrumentality having an established organization for
conducting relocation assistance programs.

C. 20:4-12 Fund availability.
12. Fund availability. Funds appropriated or otherwise avail-
able to any taking agency for the acquisition of real property or
any interest therein for a particular program or project shall be
available also for obligation and expenditure to carry out the provisions of this act as applied to that program or project.

C. 20:4-13 State participation in cost of local relocation payments and services.
13. State participation in cost of local relocation payments and services. If a unit of local government acquires real property, and State financial assistance is available to pay the cost, in whole or part, of the acquisition of such real property, or of the improvement for which such property is acquired, the cost to the unit of local government of providing the payments and services prescribed by this act shall be included as part of the costs of the project for which State financial assistance is available to such unit of local government, and shall be eligible for State financial assistance in the same manner and to the same extent as other project costs.

C. 20:4-14 Displacement by code enforcement or voluntary rehabilitation.
14. Displacement by code enforcement or voluntary rehabilitation. A person who moves or discontinues his business or moves other personal property, or moves from his dwelling on or after the effective date of this act as the direct result of code enforcement activities, or a program of rehabilitation of buildings conducted pursuant to a governmental program, is deemed to be a displaced person for the purposes of this act.

C. 20:4-15 Payments not to be considered as income or resources.
15. Payments not to be considered as income or resources. No payment received by a displaced person under this act shall be considered as income or resources for the purpose of determining the eligibility or extent of eligibility of any person for assistance under any State Law or for the purposes of determining the eligibility or extent of eligibility of any person for assistance under any State law or for the purposes of the State's corporation tax law or other tax laws. Such payments shall not be considered as income or resources of any recipient of public assistance and such payments shall not be deducted from the amount of aid to which the recipient would otherwise be entitled.

C. 20:4-16 Effect of payment required by law of eminent domain.
16. No payment or assistance under this act shall be required or included as a program or project cost under this act if the displaced person receives a payment required by the State law of eminent domain which is determined by such taking agency head to have substantially the same purpose and effect as such payment under this act, and to be part of the cost of the program or project for which Federal or State assistance is available.
C. 20:4-17 Loans to facilitate construction or rehabilitation of housing.

17. In order to encourage and facilitate the construction or rehabilitation of housing to meet the needs of displaced persons who are displaced from dwellings because of any Federal or State, or Federal or State financially assisted project, the head of the Federal or State agency administering such project is authorized to make loans as a part of the cost of any such project, or to approve loans as a part of the cost of any such project receiving Federal financial assistance, to nonprofit, limited dividend, or cooperative organizations or to public bodies, for necessary and reasonable expenses, prior to construction, for planning and obtaining Federally insured mortgage financing for the rehabilitation or construction of housing for such displaced persons. Notwithstanding the preceding sentence, or any other law, such loans shall be available for not to exceed 80% of the reasonable costs expected to be incurred in planning, and in obtaining financing for, such housing, prior to the availability of such financing, including, but not limited to, preliminary surveys and analysis of market needs, preliminary site engineering, preliminary architectural fees, site acquisition, application and mortgage commitment fees, and construction loan fees and discounts. Loans to an organization established for profit shall bear interest at a market rate established by the head of such Federal or State agency. All other loans shall be without interest. Such Federal or State agency head shall require repayment of loans made under this act, under such terms and conditions as he may require, upon completion of the project or sooner, and except in the case of a loan to an organization established for profit, may cancel any part or all of a loan if he determines that a permanent loan to finance the rehabilitation or the construction of such housing cannot be obtained in an amount adequate for repayment of such loan. Upon repayment of any such loan, the Federal or State share of the sum repaid shall be credited to the account from which such loan was made, unless the Department of the Treasury determines that such account is no longer in existence, in which case such sum shall be returned to the treasury and credited to miscellaneous receipts.

C. 20:4-18 Construction of payments authorized in act.

18. The payments authorized in this act shall not be construed as creating in any condemnation proceeding brought under the power of eminent domain any element of damages not in existence on the effective date of this act and such payments are to be in addition to the just compensation established in the condemnation
proceedings but only to the extent they are not otherwise included within the condemnation award.

C. 20:4-19 Appeal procedure.

19. Appeal procedure. Any person or business concern aggrieved by final administrative determination, concerning eligibility for relocation payments authorized by this act may appeal such determination to the Superior Court.

C. 20:4-20 Partial invalidity.

20. If any provision of this act or the application thereof to any person or circumstances is held invalid, the remainder of the act and the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

C. 20:4-21 Repeal of inconsistent acts.

21. All acts and parts of acts inconsistent with any of the provisions of this act are, to the extent of such inconsistency, hereby repealed.

C. 20:4-22 Application of act.

22. The provisions of this act shall not apply to the State Department of Transportation; provided, however, that the State Department of Transportation shall supplement its existing relocation assistance program designed to minimize the hardships of persons and business concerns displaced as a result of the acquisition by said State Department of Transportation of any real property for a public use, by July 1, 1972. Said supplemented program shall be in compliance with the rules and regulations of the Federal Highway Administration relating to relocation assistance so as to fully qualify the Department of Transportation for Federal aid reimbursement and to equal or exceed the requirements of this statute. For purposes of coordinating and formulating uniform relocation programs of the State, the Commissioner of Transportation shall consult with the Commissioner of the Department of Community Affairs in order that said relocation assistance program will be in general conformity with any rules and regulations promulgated by the Commissioner of the Department of Community Affairs pursuant to P. L. 91-646, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and amendments thereto.

23. Effective date. This act shall take effect January 1, 1972.

Approved December 21, 1971.

5. The presence of lead paint upon the interior of any dwelling causing a hazard to the occupants of such dwelling is hereby declared to be a public nuisance.

6. The board in each municipality or other area of jurisdiction, shall have the primary responsibility for investigation of violations under this act and the enforcement of this act, and shall make reports of all such violations and enforcement procedures to the State Department of Health.

7. When the board of health having primary jurisdiction under this act finds that there is lead paint on the interior walls, ceilings, doors, floors, baseboards or window sills and frames of any dwelling, it may order the removal and appropriate disposition of such
lead paint, under such safety conditions as it may specify, and as shall be approved by the department.

C. 24:14A-8 Order to abate nuisance; notice.

8. When the board of health having primary jurisdiction hereunder finds that there is lead paint on the interior walls, ceilings, doors, floors, baseboards or window sills and frames of any dwelling and further finds that the blood-lead level of any person residing in such dwelling is 60 micrograms per 100 milliliters or higher, it shall at once notify the owner that he is maintaining a public nuisance and order him to abate the nuisance and refinish such interior surface of the dwelling within 5 days in accordance with regulations specified by the commissioner, and dispose of any lead paint residues in an approved area. C. 24:14A-10 Failure to enforce act.

10. If the department finds that any board having primary jurisdiction under this act is not enforcing the provisions of this act or any rules and regulations promulgated thereunder, the department may cause a disorderly person’s complaint to be made against persons violating the provisions of this act, or may bring action requiring such board to show cause why it is not enforcing this act.

11. The commissioner of the department shall have the power to prescribe rules and regulations establishing criteria for the
identification of areas and conditions involving high risk of lead poisoning, specifying methods of detection of lead in dwellings, and standards for the repair of premises containing lead paint, and other rules and regulations necessary to effectuate the purposes of this act.

1. Section 3 of P. L. 1944, c. 27 (C. 17:29A-3) is amended to read as follows:

C. 17:29A-3 Insurers as members of rating organizations.

3. Every rating organization shall make reasonable provision in its bylaws, rules, constitution, or otherwise, to permit any insurer engaged in the kind of insurance for which rate-making is done by such rating organization, to become a member thereof, or a subscriber for any kind of insurance or subdivision of a kind of insurance found by the commissioner to be a proper basis for service by the rating organization upon application therefor by such insurer. No insurer shall be a member of or a subscriber to more than one rating organization for the purpose of making rates for the same kind or for the same subdivision of a kind of insurance. No rating organization shall discriminate unfairly between insurers in the condition imposed for admission as subscribers, or in the services rendered to either members or subscribers. The refusal of any rating organization to admit an insurer as a subscriber shall, at the request of such insurer, be reviewed by the commissioner at a hearing held upon at least 10 days' notice to such rating organization and such insurer. If the commissioner shall find that the insurer
has been refused admittance to such rating organization as a subscriber without justification, he shall make an order directing such rating organization to admit such insurer as a subscriber. If he shall find that the action of the rating organization in refusing admittance to an insurer as a subscriber is justified, he shall make an order affirming its action.

2. Section 5 of P. L. 1944, c. 27 (C. 17:29A-5) is amended to read as follows:

C. 17:29A-5  Rules and regulations.

5. The commissioner shall promulgate rules and regulations as to statistical plans, reasonably adapted to each of the rating systems on file with him, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him in determining whether such rating systems comply with the standards set forth in this chapter. Such rules and regulations shall provide for the recording and reporting of loss experience of this State and of any combination of states where such combined experience is used in any manner for ratemaking, and may provide for the recording and reporting of expense experience of this State for items of expense which are specially applicable to this State. In promulgating such rules and regulations the commissioner shall give due consideration to the rating systems on file with him and in order that such rules and regulations may be as uniform as is practicable among the several states, to the rules and statistical plans used for such rating systems in other states. The commissioner shall designate the format in which such reports shall be prepared and he may require, in his discretion, that reports of experience be accompanied by punch cards or other means used for data processing, or such other source material as he deems appropriate.

The commissioner may designate one or more agencies to assist him in gathering such experience. The commissioner shall give preference in such designation to entities organized by and functioning on behalf of the insurance companies operating in this State for the kinds of insurance to which the chapter applies. If the commissioner, in his judgment, determines that one or more of such organizations designated as statistical agent is unable or unwilling to perform its statistical functions according to reason-
able requirements established from time to time by him, he may, after consultation with such statistical agent and upon 20 days' notice to any affected companies, designate another person to act on his behalf in the gathering of statistical experience. The commissioner shall in such case establish the fee to be paid to such designated person by the affected companies in order to pay the total cost of gathering and compiling such experience. Agencies designated by the commissioner shall assist him in making compilations of the reported data, and such compilations shall be made available, subject to reasonable rules and regulations promulgated by the commissioner, to insurers, rating organizations and any other interested parties.

3. Section 10 of P. L. 1944, c. 27 (C. 17:29A–10) is amended to read as follows:

C. 17:29A-10 Application for uniform change of rates.

10. A member of or subscriber to a rating organization may make a written application to the commissioner for permission to file a uniform percentage decrease or increase to be applied to the premiums produced by the rating system filed on its behalf by such rating organization for a kind of insurance, a subdivision of a kind of insurance or for a class of insurance which is found by the commissioner to be a proper rating unit for the application of such uniform percentage decrease or increase, or otherwise deviate from the rating plans or rules so filed. The commissioner shall, make an order approving the application if he shall deem it consistent with the establishment and maintenance of reasonable, adequate, and nondiscriminatory rates. If the commissioner shall find that such increase or decrease will result in rates that are unreasonable, inadequate, or unfairly discriminatory, he shall make an order denying the application.

4. This act shall take effect immediately.
Approved December 28, 1971.

C. 54:4-3.3a Exemption of State property during period following acquisition.

1. Real property acquired by the State or by a State agency, or by an authority created by the State, shall not be exempt from taxation during the period or periods following such acquisition, as prescribed in this act.

C. 54:4-3.3b Exemption of State property following date of acquisition; provisos.

2. Where real property is acquired by the State or by a State agency, or by an authority created by the State, by purchase, condemnation or otherwise, such property shall become tax exempt on January 1 of the calendar year next following the date of acquisition, provided that the tax assessor of the municipality in which such property is located is given written notice of the acquisition by certified mail on or before January 10 of said calendar year next following; provided further that if real property is acquired
between January 1 and January 10 inclusive and the prescribed notice is given on or before January 10, such real property shall become tax exempt as of the date of acquisition.

C. 54:4-3.3c Right of possession or vesting of title deemed acquisition.

3. For the purposes of this act, the right of possession, subject to L. 1970, c. 214, section 1, or vesting of title, whichever shall first occur, shall be deemed to be the acquisition with respect to such real property.

C. 54:4-3.3d Reimbursement for taxes.

4. When, at the time of any such acquisition, the owner has paid the taxes for the current tax year in full or for a period beyond the date of the acquisition by the State or by a State agency, or by an authority created by the State, the owner shall be entitled to reimbursement for the taxes paid by him for the remaining portion of the calendar year beyond the date of acquisition, and if such taxes for the said remaining portion of the year shall not have been paid by the owner, they shall be paid to the municipality wherein the real property is located, by the State or by the State agency, or by the authority created by the State, acquiring the real property, as the case may be.

C. 54:4-3.3f Construction of act.

6. Nothing contained in this act shall be deemed to grant any tax exemption in respect to real property acquired and owned by the State, or by a State agency, or by an authority created by the State, nor to relieve the State or any State agency, or any authority created by the State, from the payment of taxes where such payment is required by the provisions of any law, nor shall it be construed to prohibit payment of or agreements for the payment of fair and reasonable sums in lieu of taxes as provided by law. In the event of any conflict between the provisions of this act and the provisions of an act providing for the acquisition of real property by the State or by a State agency, or by an authority
created by the State for a specific purpose or purposes, as to the payment of taxes to a municipality or for the prorating of taxes as between the owner and the State or a State agency, or an authority created by the State, the provisions of this act shall not be deemed to supersede the provisions of such other act.

7. This act shall take effect immediately.

Approved December 30, 1971.

CHAPTER 371

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P. L. 1968, chapter 285 (C. 40:27-6.3) is amended to read as follows:

C. 40:27-6.3 Subdivision application; planning board action.

5. Each subdivision application shall be submitted to the county planning board for review and, where required, approval prior to approval by the local municipal approving authority. County approval of any subdivision application affecting county road or drainage facilities shall be limited by and based upon the rules, regulations and standards established by and duly set forth in a resolution adopted by the board of chosen freeholders. The municipal approval authority shall either defer taking final action on a subdivision application until receipt of the county planning board report thereon or approve the subdivision application subject to its timely receipt of a favorable report thereon by the county planning board. The county planning board shall report to the municipal authority within 30 days from the date of receipt of the application. If the county planning board fails to report to the municipal approving authority within the 30-day period, said subdivision application shall be deemed to have been approved by the county planning board unless, by mutual agreement between the county planning board and municipal approving authority, with approval of the applicant, the 30-day period shall be extended
for an additional 30-day period, and any such extension shall so extend the time within which a municipal approving authority shall be required by law to act thereon.

2. Section 14 of P. L. 1953, chapter 433 (C. 40:55-1.14) is amended to read as follows:

C. 40:55-1.14 Regulation of subdivisions; approval of plats.

14. The governing body may by ordinance provide for the regulation of subdivisions within the municipality by requiring the approval of the governing body, by resolution, of all plats after favorable referral by the planning board before such plats may be filed with the county recording officer and may authorize and empower the planning board to review plats in accordance with regulations, requirements and standards established by the governing body and may further fix filing fees to be paid for by any applicant for subdivision approval.

In any ordinance creating a planning board or in any amendment or supplement thereto, provision may be made for the regulation of subdivisions within the municipality by approval of the planning board acting in lieu of the governing body of all plats before such plats may be filed with the county recording officer, provided such ordinance regulating subdivisions establishes regulations, requirements, and standards for plat approval by the planning board. If such power of approval is granted to the planning board, the procedures of the planning board under this act shall be required in connection with such approval, and the signature of the chairman of the planning board shall have the same force as the signature of the mayor.

Any such ordinance may require as a condition for local municipal approval the submission of proof that no taxes or assessments for local improvements are due or delinquent on the property for which any subdivision application is made.

Any such ordinance may exempt from the requirement of local municipal approval, subdivisions wherein the number of new lots is less than a designated number, or plats that do not involve new streets, or such other classes of subdivisions as such ordinance shall designate. In all cases involving such exempted subdivisions, the mayor or planning board chairman, as the case may be, and the municipal clerk shall certify the exemption on the plat, deed, or instrument to be filed with the county recording officer, but no such certification shall be construed to constitute a waiver of any requirement for the submission of subdivision applications to the county planning board for review and approval.
Within 30 days after the adoption of any subdivision ordinance, regulation or of any amendment thereto, a copy of said document shall be transmitted to the county planning board for its information and files.

Each subdivision application or site plan review application where required pursuant to section 8 of P. L. 1968, c. 285 (C. 40:27-6.6), shall be submitted to the county planning board for review and approval prior to approval by the local municipal approving authority.

The municipal approval authority shall either defer taking action on a subdivision application until receipt of the county planning board report thereon or approve the subdivision application subject to the receipt of a favorable report thereon by the county planning board or approval by the county planning board by its failure to report thereon within the required time period. The county planning board shall report to the municipal authority within 30 days from the date of receipt of the application. If the county planning board fails to report to the municipal approving authority within the 30-day period, said subdivisions shall be deemed to have been approved by the county planning board unless by mutual agreement between the county planning board and municipal approving authority, with approval of the applicant, the 30-day period may be extended for an additional 30-day period, and any such extension shall so extend the time within which a municipal approving authority shall be required by law to act thereon.

3. Section 18 of P. L. 1953, chapter 433 (C. 40:55-1.18) is amended to read as follows:

C. 40:55-1.18 Approval or recommendation of approval of plat; submission to governing body for approval; tentative approval; final approval.

18. The planning board, after hearing, may approve the plat, if so authorized, or may recommend approval by giving favorable referral to the governing body or may disapprove such plat. If the planning board disapproves any plat, the findings and reasons for disapproval shall be stated upon the records of the planning board and the applicant shall be given a copy. If the planning board requires any substantial amendment in the layout of improvements proposed by the subdivider that have been the subject of a hearing, an amended plat must be submitted, and proceeded upon as in the case of the original plat.

The planning board shall take action under this section within 45 days after the submission of the final plat for approval or, if the
same was required to be submitted to the county planning board, within 45 days of receipt of the report thereon by the county planning board or approval by the county planning board by its failure to report thereon within the required time period, or within such further time as the applying party may agree to. Otherwise such plat shall be deemed to have been given favorable approval or referral to the governing body, and the certificate of the municipal clerk as to the date of the submission of the plat for approval or referral and as to the failure of the planning board to report action thereon within either of the aforesaid 45-day periods or such further time as agreed to by the applying party shall be issued on request of the owner or his agent and shall be sufficient, in lieu of the written indorsement or other evidence of favorable approval or referral herein required.

Following favorable referral by the planning board where referral is required, the plat shall be submitted to the governing body for approval. The governing body shall take action under this section not later than the second regular meeting after the planning board submits the plat to the municipal clerk for transmission to the governing body, or within such further time as the applying party may agree to. Otherwise such plat shall be deemed to have been approved, and the certificate of the municipal clerk as to the date of the submission of the plat for approval by the governing body, and as to the failure of the governing body to act thereon not later than the second regular meeting or such further time as agreed to by the applying party, shall be issued on request of the owner or his agent and shall be sufficient, in lieu of the written indorsement or other evidence of approval herein required. If the governing body disapproves any plat, the findings and reasons for such action shall be stated upon the records of the governing body, and the applicant shall be given a copy.

The governing body or the planning board, as the case may be, may tentatively approve a plat showing new streets or roads or the resubdivision of land along a mapped street. This tentative approval shall confer upon the applicant the following rights for a 3-year period from the date of the tentative approval:

1. That the general terms and conditions upon which the tentative approval was granted will not be changed.
2. That the said applicant may submit on or before the expiration date the whole or part or parts of said plat for final approval.

The final approval by the governing body or the planning board, as the case may be, of a plat showing a new street or the resub-
division of land along a mapped street shall expire 90 days from the date of such approval, unless within the period such plat shall have been duly filed by the owner or his agent with the county recording officer. The governing body for good cause shown may extend the time for plat filing for a period not to exceed 90 days.

4. This act shall take effect July 1, 1971.
Approved December 30, 1971.

AN ACT to amend and supplement the "Radiation Protection Act," approved July 8, 1958 (P.L. 1958, c. 116, C. 26:2D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

   (b) "Department" means the Department of Environmental Protection;
   (c) "Unnecessary radiation" means the use of electromagnetic radiation including microwave, infrared, visible, ultraviolet, X-ray, and gamma-ray; sonic, infrasonic, or ultrasonic waves; and particle radiation including alphas, betas, high energy electrons, neutrons, protons and other atomic or nuclear particles in such manner as to be or tend to be injurious or dangerous to the health of the people or the industrial or agriculture potentials of the State, or to the ecology of the State and its wildlife.

2. Section 3 of P.L. 1958, c. 116 (C. 26:2D-3) is amended to read as follows:

C. 26:2D-3 Creation of commission.

3. There is hereby created in the Department of Environmental Protection the Commission on Radiation Protection which shall consist of eight members, three of whom shall be the Commissioner
of Environmental Protection, the Commissioner of Health, and the Commissioner of Labor and Industry, or their designees, who shall serve ex officio and five members with scientific training in medicine, radiology, nonionizing radiation, infrasonics, ultrasonics, radiation physics, atomic energy or biology or engineering to be appointed by the Governor, with the advice and consent of the Senate.

3. Section 6 of P. L. 1958, c. 116 (C. 26:2D-6) is amended to read as follows:

6. The commission annually shall organize as soon as possible after July 1, and shall elect a chairman, vice-chairman and a secretary from its own membership. Four members of the commission shall constitute a quorum to transact its business. Codes, rules and regulations shall be adopted, amended or repealed by an affirmative vote of at least five members.

C. 26:2D-11.1 Embargoing of hazardous or dangerous articles.

4. Notwithstanding any other remedy available to the department, whenever an agent of the department finds or has probable cause to believe that any material, machine, appliance, apparatus or device, or any part thereof, is a radiation hazard or danger of such nature as to constitute a threat to public health or welfare, he may embargo such article by affixing thereto a tag or other appropriate marking, giving notice that such article is, or is suspected to be, a radiation hazard or danger and has been detained or embargoed, and warning all persons not to use, remove or dispose of such article by sale or otherwise until permission for use, removal or disposal is given by the department. It shall be a violation of this act for any person to remove or dispose of such detained or embargoed article by sale or otherwise without such permission.

5. Any person aggrieved by an embargo imposed under the provisions of this act who shall apply therefor within 30 days after the imposition of such embargo, shall be granted a hearing before the department. 7. This act shall take effect immediately.
Approved December 30, 1971.

CHAPTER 373

AN ACT concerning the effect of death, disability or incapacity of a principal upon a power of attorney.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 46:28-8 Effect of death, disability or incapacity of principal.

1. a. Whenever a principal designates another his attorney in fact or agent by a power of attorney in writing and the writing contains the words ''This power of attorney shall not be affected by disability of the principal,'' or ''This power of attorney shall become effective upon the disability of the principal,'' or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding his disability, the authority of the attorney in fact or agent is exercisable by him as provided in the power on behalf of the principal notwithstanding later disability or incapacity of the principal at law or later uncertainty as to whether the principal is dead or alive. All acts done by the attorney in fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive have the same effect and inure to the benefit of and bind the principal or his heirs, devisees and personal representative as if the principal were alive, competent and not disabled. If a guardian is appointed for the
principal, the attorney in fact or agent, during the continuance of the appointment, shall account to the guardian rather than the principal. The guardian has the same power the principal would have had to revoke the power of attorney or agency.

b. A principal shall be under a disability if he is unable to manage his property and affairs effectively for reasons such as mental illness, mental deficiency, physical illness or disability, advanced age, chronic use of drugs, chronic intoxication, confinement, detention by a foreign power, or disappearance.

C. 46:2B-9 Agency not revoked or terminated by death, disability, or incompetence of principal.

2. The death, disability, or incompetence of any principal who has executed a power of attorney in writing other than a power as described by section 1 hereof, does not revoke or terminate the agency as to the attorney in fact, agent or other person who, without actual knowledge of the death, disability, or incompetence of the principal, acts in good faith under the power of attorney or agency. Any action so taken, unless otherwise invalid or unenforceable, binds the principal and his heirs, devisees, and personal representatives.

An affidavit, executed by the attorney in fact or agent stating that he did not have, at the time of doing an act pursuant to the power of attorney, actual knowledge of the revocation or termination of the power of attorney by death, disability or incompetence, is, in the absence of fraud, conclusive proof of the nonrevocation or nontermination of the power at that time. If the exercise of the power requires execution and delivery of any instrument which is recordable, the affidavit when authenticated for record is likewise recordable.

This section shall not be construed to alter or affect any provision for revocation or termination contained in the power of attorney.

3. This act shall take effect January 1, 1972.

Approved December 30, 1971.

CHAPTER 374

The property advanced shall be valued as of the time the recipient came into possession or enjoyment of the property or as of the time of the death of the decedent, whichever occurs first. If the recipient fails to survive the decedent the value of the property shall not be taken into account in computing the intestate share to be received by his issue unless the declaration or acknowledgment provides otherwise.

2. This act shall take effect January 1, 1972.

Approved December 30, 1971.

(d) The rights of any employee or beneficiary to receive any payments under the Workmen's Compensation Act of New Jersey shall not be affected or impaired by any of the provisions of this act.

(e) Where the service of an employee is terminated by reason of imposition of a sentence upon him of actual commitment to a penal institution on account of conviction of an indictable offense involving moral turpitude, no pension under this act shall be paid to any such employee; provided, however, that no member of this retirement system who shall have served honorably as a county employee for a period of 20 years and shall have attained the age of 55 years shall be deprived of his pension privileges because of any violation of the rules and regulations established for the government of such county employment, but he may be fined, reprimanded or discharged.

(f) Where any pension or other benefit shall be payable from the pension fund herein provided to any retired employee or other beneficiary who is or shall be confined in a penal institution as the result of a conviction of a crime involving moral turpitude, the pension commission may pay such pension or any part of it or other benefit to the wife, husband, minor children, mother or father of the confined person if it determines the same is necessary for their maintenance during such confinement.

(g) All payments of pensions shall be made semimonthly. Payments of pensions, refunds or other benefits under this act shall be made without interest.

(h) Upon and after the adoption of this act the benefits hereunder shall not extend to the widow or widower of any county employee who shall remarry, or shall have married such employee after such employee has retired or attained the age of 50 years, nor to any children of such marriage. No such widow or widower shall be eligible to benefits hereunder who was or shall be more than 15 years younger than the employee at the time of their marriage if such marriage occurs hereafter while the employee is a member of this retirement system, nor shall any children of such marriage be eligible for said benefits.

(i) Persons who may become entitled to pensions under this act shall be paid on the first and fifteenth day of each month, or at the same time as all persons permanently employed by the county.

3. Section 26 of P. L. 1954, chapter 218 (C. 43:13-22.28) is amended to read as follows:

(c) Where a husband and wife are each receiving a pension as a retired employee from any retirement system supported wholly or in part by the city, except as otherwise herein provided, then upon the death of either the survivor shall elect to accept one or the other of the two pensions, but in no case shall said survivor receive more than one pension at the same time. If the deceased was a member of the retirement system created hereby, the surviving widow or surviving dependent widower may continue to receive the pension being paid to him by reason of his membership in any other pension system or fund and in that event he shall be entitled to receive from the pension fund created hereby a sum equal to 50% of the total contributions paid into the pension fund by the said deceased husband or wife, as the case may be, less any actuarial and pension benefits received by the deceased member, as determined by the commission.

(d) Where any employee or other beneficiary is entitled to receive two pensions under the provisions of this act, such employee or other beneficiary shall elect to receive one or the other of the two pensions, and in no case shall receive more than one pension.

(e) The rights of any employee or beneficiary to receive compensation under the Workmen’s Compensation Act of New Jersey shall not be affected or impaired by any of the provisions of this act.

(f) Where the service of an employee is terminated by reason of conviction of a crime involving moral turpitude, no pension under this act shall be paid to any such employee; provided, however, that no member of this retirement system who shall have served honorably as a city employee for a period of 25 years and shall have attained the age of 60 years, or who has served honorably as a city employee for a period of 30 years and has attained the age of 55 years, shall be deprived of his pension privileges because of any violation of the rules and regulations established for the
government of such city employees not involving conviction of a crime involving moral turpitude as aforesaid.

(g) Where any pension or other benefit shall be payable from the retirement system herein provided to any retired employee or other beneficiary who is or shall be confined in a penal institution as a result of conviction of a crime involving moral turpitude, the pension commission may pay such pension or any part of it or other benefit to the wife, husband, minor children, mother or father of the confined person, if it determines the same is necessary for their maintenance during such confinement.

(h) All payments of pension shall be made semimonthly, and payments of pensions, refunds or other benefits of this act shall be made without interest.

(i) The benefits of this act shall not extend to the widow or widower of any city employee or of any pensioner who shall remarry or shall have married such employee or pensioner after such employee or pensioner has retired or attained the age of 55 years, nor to any children of such marriage.

C. 43:8B-12 Appropriation and payment of cost of increase by employer.

4. The employer shall bear the cost of the increase in the pensions payable to retirants who retired from the employ of such employer. The employer shall appropriate the amount, in the fiscal year next following, taking into account payments made to retirants of such employer and prospective payments to be made to such retirants in the following year.

C. 43:8B-13 Annual review and determination by Director.

5. On or before October 1, 1970 and by the same date in each subsequent year, the Director of the Division of Pensions of the State Department of the Treasury shall review the index and determine the percentum of change in the index from the retirement year index pursuant to the provisions of the Pension Increase Act (P. L. 1969, c. 169) (C. 43:3B-1 et seq.). The percentage of adjustment in the pensions shall be $\frac{1}{2}$ of the percentum of change. The director shall notify the employer of the percentage of adjustment for the applicable year.

In no instance shall the amount of the pension originally granted and payable to any retirant be reduced as a result of this adjustment.

For purposes of this section a "retirant" shall include all retirants except those whose pension commenced within the 3 calendar years prior to the first of the month in which the adjustment is to become effective in any year.

C. 43:8B-14 Effect of blanket increase.

6. If legislation is adopted providing for a blanket increase in the original pensions or for minimum pensions to any group of
retirants eligible for benefits under this act, all increases provided under this supplementary act shall be terminated on the first of the month when such blanket increases or minimum pensions are payable, except in those instances where the retirant’s original pension plus the increases provided under this act will exceed the amounts payable to such retirants as a result of such other legislation; in such event the amount payable under this act shall be the difference between the new pension payable as a result of such other legislation and the amount which would otherwise have been paid under this act. Any subsequent annual review of amounts payable under this act for such retirants shall continue to be determined on the basis of the original pension as granted by the employer prior to any blanket increase or provision for minimum pension for any group of retirants eligible for benefits under this act.

C. 43:8B-15 Rules and regulations; annual report.

7. The Director of the Division of Pensions of the State Department of the Treasury shall promulgate such rules and regulations, not inconsistent with the provisions of the Pension Increase Act (P. L. 1969, c. 169) (C. 43:3B-1 et seq.) and this act, as he shall deem necessary for the effective operation of the program. He shall include a report of the operation of the Pension Increase Act (P. L. 1969, c. 169) (C. 43:3B-1 et seq.) and this act in his annual report submitted to the Governor and the Legislature regarding all of the operations of the Division of Pensions.

8. This act shall be effective immediately but the first adjustment as contemplated by this supplementary act shall be effective January 1, 1971, provided that funds are appropriated.

Approved December 30, 1971.

CHAPTER 382

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 18A:66-110 is amended to read as follows:

Retirement on pension.

18A:66-110. Pensions shall be paid from the fund in the manner following:

a. A member of the pension fund who was a member on or before June 26, 1962 and who has or shall hereafter have credit in the pension fund for 30 years or more as an employee of a board of education in a county wherein the fund has been established and maintained shall, upon application to the board of trustees of the pension fund be retired by such board of trustees and shall thereupon receive annually from the fund, for and during the remainder of his or her life, by way of pension, an amount equal to ⅔ of the average annual compensation received in the last 3 years of credit-
able service, immediately preceding his or her retirement multiplied by the number of years he or she has credit in the pension fund, the amount to be determined by resolution of the board.

b. Upon the retirement of a member who has reached the age of 60 years, the person so retired shall be entitled to receive during his or her life, by way of pension, $\frac{1}{2}$ of the average annual compensation received in the 3 years of creditable service immediately preceding his or her retirement multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board. Upon the receipt of proper proofs of death of a member who has retired on a service retirement allowance, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate an amount equal to $\frac{1}{2}$ of the compensation received by the member in the last year of creditable service.

c. A member of the fund who has credit therein for 10 years, who shall become incapacitated, either mentally or physically, and who cannot perform the regular duties of employment, or who is found unfit for the performance of his or her duties, upon the application of his employer or upon his own application or the application of someone acting in his behalf shall be retired by the board of trustees of the pension fund and thereupon shall receive annually from the fund a retirement allowance as described in subsection b. of this section if he has reached or passed age 60 and if he is under age 60 an amount equal to $\frac{1}{2}$ of $\frac{1}{2}$ of the average annual compensation received in the last 3 years of creditable service immediately preceding the retirement multiplied by the number of years of creditable service; provided, however, that in no event shall the pension be based upon less than 17 years nor more than 30 years of service unless the member would have had less than 17 years of service at age 60, in which event he shall be given credit for the years to age 60; however, a member who has not attained age 70 who shall become incapacitated, either mentally or physically, as a result of personal injuries sustained in an accident occurring in the performance of his or her duties of such employee, shall, upon the application of his employer or upon his own application or the application of someone acting in his behalf, be retired by the board of trustees of the pension fund, and, thereupon, if a report of the accident, in a form acceptable to the board of trustees of the pension fund is filed with the said board of trustees within 60 days next following the accident and the application for retirement is filed...
with the said board of trustees within 2 years of the date of the accident, shall receive annually from the fund an amount equal to one half of the annual salary being received by such employee on the date of the accident. The board of trustees may waive strict compliance with the time limits within which a report of the accident and an application for retirement must be filed with the board if it is satisfied: (1) that a report of the accident from which the disability is claimed to have resulted was filed with the employing board of education with reasonable promptitude and in no event later than 60 days after the accident, and (2) the applicant shall show that his failure to file a report with the board of trustees or to file his application for retirement within the time limited by law was due to mistake, inadvertence, ignorance of fact or law, inability, or to the fraud, misrepresentation or deceit of any person, or to a delay in the manifestation of the incapacity, or to any other reasonable cause or excuse, and (3) that the application for retirement was filed in good faith and the circumstances justify its favorable consideration.

The trustees of the pension fund shall have the power to determine whether or not any employee is permanently and totally disabled, and whether or not a disability of an employee is the result of an accident at some definite time and place in the performance of his or her duties as such employee. The claimant shall have the right to present physicians, witnesses or other testimony in his or her behalf before the board of trustees. The chairman, or any other member of the board of trustees, may administer oaths to any physician or other persons called before the trustees regarding the employee's disability. The board of trustees shall decide, by resolution, whether the applicant is entitled to the benefit of this article.

Once in each year, the board of trustees may, and upon the member's application shall, require any member retired for a disability who is under the age of 60, to undergo medical examination by a physician or physicians designated by the board of trustees. The examination shall be made at the residence of the pensioner or any other place mutually agreed upon. If the physician or physicians thereupon report and certify to the board of trustees that the disabled pensioner is not permanently and totally incapacitated, either mentally or physically, for the performance of duty, and the board finds that said member is engaged in a gainful occupation, or could be engaged in a gainful occupation, and if the board concurs in the report, then the amount of the pension shall be reduced to an amount which, when added to the amount then being earned by him
or her or an amount which he or she could earn if gainfully employed, shall not exceed the amount of compensation received by him or her at the time of his or her retirement. If subsequent examination of such pensioner shows that his or her earnings have changed since the date of his or her last examination, then the amount of the pension shall be further altered, but the new pension shall not exceed the amount of the pension originally granted, nor shall the new pension, when added to the amount then being earned by the pensioner, exceed the salary or compensation received by him or her at the time of his or her retirement.

d. At the time of retirement, any member may elect to receive his or her benefits in a retirement allowance payable throughout life, or he or she may, on retirement, elect to convert the benefits, otherwise payable to him or her, into a retirement allowance of the equivalent actuarial value computed on the basis of such mortality tables as shall be adopted by the board of trustees, in accordance with one of the optional forms following:

Option 1. A reduced retirement allowance, payable during life, with a provision that in the case of death, before the total pension payments have equaled the actuarial value computed as aforesaid, the balance shall be paid to his or her surviving designated beneficiary, duly acknowledged and filed with the board of trustees; and if none, then to the executor or administrator of his or her estate.

Option 2. A reduced retirement allowance, payable during the retired member’s life, with the provision that after his or her death it will continue during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 3. A reduced retirement allowance, payable during the retired member’s life, with the provision that after his or her death, an allowance at one half of the rate of his or her reduced allowance will be continued during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 4. A reduced retirement allowance, payable during the retired member’s life, with some other benefit payable after his or her death, provided, the benefit is approved by the board of trustees.

No optional selection shall be effective in case a member dies within 30 days after retirement and such a member shall be considered an active member at the time of death until the first payment on account of any benefit becomes normally due.

The board of trustees shall, from time to time and as often as they deem it necessary, employ an actuary who shall recommend, and the board shall keep in convenient form, such data as shall be nec-
necessary for actuarial valuations of the various funds created by this article. At least once in every 5-year period, or more frequently as determined by the board of trustees the actuary shall make an actuarial investigation into the mortality, service and salary experience of the members and beneficiaries of the retirement system, and shall make a valuation of the assets and liabilities of the various funds thereof, and upon the basis of such investigation the board of trustees shall:

(a) Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

(b) Certify the rate of contribution which shall be made by each board of education to the pension fund as provided by this article.

2. N. J. S. 18A:66–111 is amended to read as follows:

Option to retire after referendum; amount of pension.

18A:66–111. When a majority of the members of any pension fund established pursuant to article 16 of chapter 5 of Title 18 of the Revised Statutes vote affirmatively on a referendum held pursuant to chapter 38 of the laws of 1955, any member of such fund who was in the employ of one of such boards of education on March 25, 1935 and has been continuously in the employ of one or more of such boards of education thereafter and has heretofore established credit in such pension fund for all service rendered subsequent to such date shall have the option to retire from such fund, to be exercised prior to the date of termination of the fund pursuant to referendum held in accordance with chapter 38 of the laws of 1955 and to receive during his or her natural life by way of pension \( \frac{1}{2} \) of the average annual compensation received in the last 3 years of creditable service immediately preceding his or her retirement, multiplied by the number of years of creditable service. If such option is exercised, the pension payable under this act shall be in lieu of all other rights to which the member might otherwise be entitled under said fund.

3. N. J. S. 18A:66–113 is amended to read as follows:

Deferred retirement allowances; when permitted; amount; reenrollment in retirement system.

18A:66–113. A member of the pension fund who has 15 years of service credit in the pension fund and who separates voluntarily or involuntarily before attaining the age of 60 years, and not by removal for cause on charges of misconduct or delinquency, may elect to receive a deferred retirement allowance beginning at the age of 60 years, equal to \( \frac{1}{2} \) of the average annual compensation
received by him during the 3 years immediately preceding his separation from service multiplied by the number of years of credited service, with optional privileges as provided for in subsection d. of section 18A:66-110.

Such member shall advise the board of trustees of his election of such a deferred retirement allowance in writing, and shall complete such forms as shall be specified by the board of trustees in its administration of this section.

Subsequent to making such an election, but prior to attaining age 60 a member may later elect to withdraw all payments which he has made to the pension fund together with simple interest at the rate of 2% per annum figured on such employee contributions. Upon such withdrawal of contributions, no further benefits shall be payable on behalf of such employee by the pension fund. If such a member should die before attaining the age of 60 years, all payments which he has made, together with simple interest at the rate of 2% per annum figured on such employee's contributions to the fund from the date of membership, shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate.

Any member who, having elected to receive a deferred retirement allowance, again becomes an employee covered by the pension fund while under the age of 60, shall thereupon be reenrolled. He shall be credited with all service as a member standing to his credit at the time of his election to receive a deferred retirement allowance.

4. Should a member resign after having established 25 years of creditable service before reaching age 60, he may elect "early retirement," provided that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive in lieu of any other payment provided for in section 18A:66-113 retirement allowance of $\frac{1}{2}$ of his average annual compensation received in the last three years of creditable service preceding his retirement for each year of service credited reduced by $\frac{1}{2}$ of 1% for each month that the member lacks of being age 60 except that in the case of a member who has not attained age 53, the reduction is equal to 42% plus $\frac{1}{2}$ of 1% for each month the member lacks of being age 53.

5. This act shall take effect immediately.

Approved December 30, 1971.
CHAPTER 383

AN ACT concerning motor vehicles, and amending section 39:3-84 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 39:3-84 of the Revised Statutes is amended to read as follows:

Dimensional restrictions; outside width; height; over-all length; weight.

39:3-84. No commercial motor vehicle, tractor, trailer or semi-trailer shall be operated on any highway in this State the outside width of which is more than 96 inches, inclusive of load, or the height of which exceeds 13½ feet, inclusive of load, and no commercial motor vehicle, tractor or trailer shall be operated on any highway in this State the extreme overall length of which exceeds 35 feet either for a two-axle four-wheeled vehicle, inclusive of load, or 35 feet either for a three-axle six-wheeled vehicle, inclusive of load, except that a vehicle or vehicle inclusive of load exceeding the above limitations may be operated when a special permit so to operate is secured in advance from the director. The application for such permit shall be accompanied by a fee fixed by the director. A special permit issued by the director shall be in the possession of the operator of the vehicle for which such permit was issued. In computing any dimensions of a vehicle, or vehicle and load, for the purposes of this section, there shall not be included in the dimensional limitations safety appliances such as mirrors or lights, or chains or similar fasteners used for the securing of cargo, provided such appliances or fasteners do not exceed the overall limitations established by the director by rule or regulation.

In the case of an omnibus the maximum width and length dimensions shall be such as the Board of Public Utility Commissioners prescribe, but no outside width in excess of 96 inches shall be prescribed with respect to one or more highways specified or otherwise described except upon certifications, (1) of the Division of Motor Vehicles in the Department of Law and Public Safety that the proposed width is not unsafe for use on the highways in this State and (2) of the State Highway Department that the proposed width, if in excess of 96 inches, is not in conflict with the requirements of any agency of the United States having jurisdiction over the
National System of Interstate and Defense Highways authorized by law. No outside width so prescribed shall be valid if the allowance of use of the same would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving Federal highway funds.

vertical planes spaced 40 inches, but less than 96 inches apart, extending across the full width of the vehicle, shall not exceed 32,000 pounds.

In addition to the other requirements of this section and notwithstanding any other provision of this Title, no commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any highway in this State with a combined weight of vehicle and load, an axle weight or a vehicle dimension the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving Federal highway funds.

Such registration may be revoked or suspended or renewal withheld, for any violation of this act or of any codes, rules, regulations or orders promulgated hereunder. The department may in accordance with a fee schedule adopted as a rule or regulation establish and charge nonrefundable fees for registration which may be annual or periodic as the department shall determine. Any information relating to secret processes or methods of manufacture or production obtained in the course of such inspection, investigation or determination shall be kept confidential and shall not be admissible in evidence in any court or in any other proceeding except to the extent herein provided. If tests of any type are made for the purpose of determining whether or not a violation has occurred, or for any other purpose in connection with such entry and inspection, a duplicate of the results of the tests shall be furnished promptly to the person suspected of violating the code, rule or regulation.

e. With the approval of the Governor, cooperate with and receive money from the Federal Government, the State Government or any county or municipal government or from private sources for the study and control of noise.

9. Any person who operates a motor vehicle or owns a motor vehicle which he permits to be operated upon the public highways of this State which generates noise in excess of standards adopted by the department shall be liable to a penalty of not less than $25.00 nor more than $1,000.00 which shall be enforced in accordance with the provisions of chapter 5 of Title 39 of the Revised Statutes.

C. 13:1G-10 Interference with performance of department personnel.

The said order shall state the items which are in violation and shall provide a reasonable specified time within which the violation must cease.

The person responsible shall make the corrections necessary to comply with the requirements of this act or code, rule or regulation promulgated pursuant thereto within the time specified in the order.

Nothing herein shall be deemed to prevent the department from prosecuting any violation of this act or any code, rule or regulation promulgated pursuant thereto notwithstanding that such violation is corrected in accordance with its order. The department shall not be prevented from directly prosecuting any violations of this act or any code, rule, regulation promulgated pursuant thereto, without the necessity of first issuing an order.

Any person aggrieved by an order of the department under this act may, upon application made within 15 days after notice thereof, be entitled to a hearing before the department which shall within 30 days thereafter hold a hearing of which at least 15 days' written notice shall be given to such persons. Any person who violates the provisions of this act or any rule, regulation or order promulgated pursuant to this act shall be liable to a penalty of not more than $3,000.00 for each offense, to be collected in a summary proceeding under the Penalty Enforcement Law (N. The Superior Court, County Court and county district court shall have jurisdiction to enforce said Penalty Enforcement Law. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances, including a rebate of any such penalty paid to the extent of 75% thereof where such person satisfies the department within 1 year or such other period as the department may deem reasonable that such violation has been eliminated or removed or that such order or injunction has been met or satisfied as the case may be.

CHAPTER 419

AN ACT concerning the acquisition of lands for recreation and conservation purposes governing the expenditure of money for such purposes, appropriating $20 million from the State Recreation and Conservation Land Acquisition Fund for such expenditure and supplementing Title 13 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act may be cited as the "New Jersey Green Acres Land Acquisition Act of 1971."

C. 13:8A-20 Legislature's findings.
2. The Legislature hereby finds that:
   a. The provision of lands for public recreation and conservation of natural resources promotes the public health, prosperity and general welfare and is a proper responsibility of government;
   b. Lands now provided for such purposes will not be adequate to meet the needs of an expanding population in years to come;
   c. The expansion of population, while increasing the need for such lands, will continually diminish the supply and tend to increase the cost of public acquisition of lands available and appropriate for such purposes;
   d. The State of New Jersey must act now to acquire and to assist local governments to acquire substantial quantities of such lands as are now available and appropriate so that they may be preserved and developed for such purposes;
   e. Since the most critical need for open lands now exists in the urban sectors of the State, special attention should be focused on the provision of lands for such purposes;
   f. Acquisition of lands actively devoted to agriculture shall be avoided whenever possible and in lieu thereof, whenever feasible, development rights, conservation easements and other interest less than a fee simple shall be acquired;
   g. Of the approved $80 million "New Jersey Green Acres Bond Act of 1971," the sum of $20 million is needed now to make such acquisition possible in order to effectively implement a continuing Open Land Conservation Program and to augment the lands acquired and set aside for the people of New Jersey under the combined State and Local Assistance Program completed under the 1961 State Recreation and Conservation Land Acquisition Fund;
   h. Such sum will be made available by the sale of bonds authorized by the New Jersey Green Acres Land Acquisition Bond Act of 1971 approved by the people of the State of New Jersey;
   i. It is desirable to appropriate said sum for prompt use and to specify the manner in which the Legislature now proposes that such sum, and such other funds as may be appropriated, shall be used for such purposes.
CHAPTER 419, LAWS OF 1971

3. Except as the context may otherwise require:
   a. "Commissioner" means the Commissioner of Environmental Protection or his designated representative;
   b. "Local unit" means a municipality, county or other political subdivision of this State, or any agency thereof authorized to administer, protect and maintain lands for recreation and conservation purposes;
   c. "Recreation and conservation purposes" means use of lands for parks, natural, and historic areas, forests, camping, fishing, water reserve, wildlife, hunting, boating, recreation centers, winter sports and similar uses for public recreation and conservation of natural resources;
   d. "Land" or "lands" means real property, including improvements thereof or thereon, rights of way, water and other rights, easements, privileges and all other rights or interests of any kind or description in, relating to, connected with real property.

4. The commissioner shall use the sum appropriated by this act from the proceeds of the sale of bonds under the New Jersey Green Acres Land Acquisition Act of 1971, and such other sums as may be appropriated from time to time for like purposes, to acquire lands for recreation and conservation purposes and to make grants to assist local units to acquire lands for such purposes, subject to the conditions and limitations prescribed by this act.

5. In acquiring lands and making grants to assist local units to acquire lands the commissioner shall:
   a. Seek to achieve a reasonable balance among all areas of the State in consideration of the relative adequacy of area recreation and conservation facilities at the time and the relative anticipated future needs for additional recreation and conservation facilities;
   b. Insofar as practicable, limit acquisition to predominantly open and natural land and to minimize the cost of acquisition and the subsequent expense necessary to render land suitable for recreation and conservation purposes;
   c. Wherever possible, select land for acquisition which is suitable for multiple recreation and conservation purposes;
   d. Give due consideration to coordination with the plans of other departments of State Government with respect to land use or acquisition;
e. Acquisition of lands actively devoted to agriculture shall be avoided whenever possible and in lieu thereof, whenever feasible, development rights, conservation easements and other interests less than a fee simple shall be acquired.

6. Lands acquired by the State shall be acquired by the commissioner in the name of the State. They may be acquired by purchase or otherwise on such terms and conditions as the commissioner shall determine, or by the exercise of the power of eminent domain in the manner provided in chapter 1 of Title 20 of the Revised Statutes, except as otherwise provided by this act. This power of acquisition shall extend to lands held by any local unit.

Upon the institution of an action to fix the compensation to be paid, or at any time thereafter, the commissioner may file with the Clerk of the Superior Court a declaration of taking, declaring that the possession of one or more of the tracts or parcels of property described in the petition is thereby being taken by and for the use of the State. The declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of property to be taken; (2) a statement of the estate or interest in the said property being taken; and (3) a statement of the sum of money estimated by the commissioner to be just compensation for the taking. Upon the filing of said declaration, the commissioner shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration.

Upon the filing of the declaration and the depositing with the Clerk of the Superior Court of the amount of the estimated compensation as stated in the declaration, the State, without other process or proceedings shall be entitled to the exclusive possession and use of each tract or parcel of property described in the declaration and may forthwith enter into and take possession of said property, it being the intent of this provision that the action to fix the compensation to be paid or any other proceeding relating to the taking of such property or entering therein shall not delay the taking of possession and the use thereof by the State. The commissioner shall not abandon any condemnation proceeding subsequent to the date upon which the State has taken possession of the property as herein provided.

In the event that any party in possession fails to peaceably surrender the premises condemned within 30 days after service upon him of the notice set forth below, then, upon affidavit of the com-
missioner, a writ of possession shall issue forthwith from the Clerk of the Superior Court.

The commissioner shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party to the action to fix the compensation to be paid, who resides in this State, either personally or by leaving a copy thereof at his residence, and upon each such party who resides out of the State by mailing thereof to him at his residence if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in the newspaper published or circulating in the county or counties in which the property is located. Such service, mailing or publishing shall be made within 20 days after the filing of the declaration. Upon the application of any party in interest and after notice to other parties in interest, including the commissioner and the Director of the Division of Taxation, Department of the Treasury, the Superior Court may direct that the money deposited with the Clerk of the Superior Court or any part thereof to be paid forthwith, without deduction of any fees or commissions, to the person or persons entitled thereto for or on account of the just compensation to be awarded in such action; provided, that each person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the action shall be less than the amount deposited, the court, after such notice as the court prescribes and a hearing, may determine the liability, if any, for the return of such difference or any part thereof and enter judgment therefor. In no event shall more than 75% of the money on deposit be paid unless the party in possession shall have vacated the premises condemned.

If the amount of the award as finally determined by the court shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the State the difference between the amount of the deposit and the amount of the award, with interest at the rate of 6% per annum thereon from the date of the making of the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the commissioner unless the amount of the deposit or any part thereof shall have thereto been distributed, in which event the court, upon application of the commissioner and notice to all parties interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the State for such difference against the party or parties liable for the return thereof.

7. The commissioner shall prescribe rules and regulations governing the administration, operation and use of lands acquired by the State under this act to effect the purpose of this act.

C. 13:8A-26 Acquisition of lands by local unit.

8. Lands approved by the commissioner for acquisition by a local unit with State assistance shall be acquired by and in the name of the local unit and may be acquired in any manner authorized by law for the acquisition of lands for such purposes by the local unit.

C. 13:8A-27 Requirements for grant to assist local unit.

9. A grant to assist a local unit to acquire lands for recreation and conservation purposes shall not be made under this act until:
   a. The local unit has applied to the commissioner on forms prescribed by him describing the land acquisition for which a grant is sought, stating the recreation and conservation purpose or purposes to which such lands will be devoted, stating the facts which give rise to the need for such lands for such purpose, enclosing a comprehensive plan for the development of the local unit or a comprehensive conservation or environment protection plan for the preservation of the local unit approved by its governing body, or both, and stating such other matters as the commissioner shall prescribe;
   b. The commissioner shall have prescribed the terms and conditions under which the grant applied for will be made;
   c. The local unit shall have filed with the commissioner its application for appropriate funding under the Federal Open Space Park and Recreation Program;
   d. The local unit shall have filed with the commissioner its acceptance of such terms and conditions, and has otherwise complied with the provisions of this act.

C. 13:8A-28 Adoption of certain regulations by local unit.

10. A grant may not be made under this act until the local unit has adopted regulations governing the administration, use and development of the lands in question, and until the commissioner shall have approved such regulations. No such regulations may be altered thereafter without the approval of the commissioner.

C. 13:8A-29 Amount of grant.

11. Grants under this act shall be made by the State Treasurer upon certification of approval by the commissioner. Each grant

C. 13:8A-30 Authority to make certain acquisitions.

12. Without limitation of the definition of “lands” herein, the commissioner may acquire, or approve grants to assist a local unit to acquire:
   a. Lands subject to the right of another to occupy the same for a period measured in years or otherwise; or
   b. An interest or right consisting, in whole or in part, of a restriction on the use of land by others including owners of other interests therein; such interest or right sometimes known as a “conservation easement.”

13. a. Lands acquired by a local unit with the aid of a grant under this act shall not be disposed of or diverted to a use for other than recreation and conservation purposes without the approval of the commissioner and the State House Commission and following a public hearing at least 1 month prior to any such approvals. Such approval of the State House Commission shall not be given unless the local unit shall agree to pay an amount equal to 50% of the current value of such land, as determined by the commission, into the State Recreation and Conservation Land Acquisition Fund, if the original grant shall have been made from that fund, or, if not, then into the State Treasury. Money so returned to said fund shall be deemed wholly a part of the portion of that fund available for grants to local units under this act.

b. Lands acquired by the State under this act with money from the State Recreation and Conservation Land Acquisition Fund shall not be disposed of or diverted to use for other than recreation and conservation purposes without the approval of the State House Commission. Such approval shall not be given unless the commissioner shall agree to pay an amount equal to the value of such land, as determined by the commission, into said fund. Money so returned to said fund shall be deemed wholly a part of the portion of that fund available for land acquisition by the State under this act.

c. If land acquired by the State under this act with money from the State Recreation and Conservation Land Acquisition Fund is subsequently developed for any water supply projects, the commissioner shall pay an amount equal to the current value of the land so developed, as said value is determined by the State House Commission, into said fund. Money so returned to the fund shall
be deemed wholly a part of the portion of that fund available for land acquisition by the State under this act. The commissioner shall make said payment from any funds available for such purpose in the State Water Development Fund or other water development moneys appropriated and available for such purpose.

C. 13:8A-32 Use of lands not to be restricted by certain conditions.
14. Use of lands acquired under this act by the State or with State assistance shall not be restricted by any conditions of race, creed, color or nationality, and shall not be restricted by any condition of residence except by direction of or with the approval of the commissioner.

C. 13:8A-33 Acquisition of lands at private sale.
15. Notwithstanding any other provision of law, lands to be acquired by the State under this act from any local unit may be sold to the State by the unit at private sale.

C. 13:8A-34 Authority to do certain things in executing act.
16. The commissioner, in executing this act, may do all things necessary or useful and convenient in connection with the acquisition of lands by the State or with the assistance of the State, including the following:

CHAPTER 425

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 16 of P. L. 1971, c. 199 (C. 40A:12-16) is amended to read as follows:

C. 40A:12-16 Exchanges of certain lands; exceptions.

16. Exchanges of certain lands; exceptions. The governing body of any county, by resolution, or any municipality, by ordinances may exchange any lands or any rights or interests therein owned by the county or municipality, except lands used for public highways or places, for other lands or rights or interests therein desired for public use. The county or municipality may exact and receive a cash consideration in addition to such other lands or rights or
interests therein when such exchange shall be authorized, and such
governing body determines that the lands or rights or interests
therein to be conveyed to such county or municipality or such lands
or rights or interests therein and the cash consideration to be paid
are at least of equal value to, and their acquisition is more advan-
tageous to, the county or municipality for public use, than the lands
or rights or interests therein to be conveyed by the county or
municipality, and that it is in the public interest that such exchange
of lands or rights or interests therein be consummated. Any prior
dedication or determination for use for park purposes of such land
or any part thereof, shall not preclude an exchange thereof or rights
or interests therein under this section but where the lands or rights
or interests therein to be exchanged by a municipality are lands
or rights or interests therein that have been dedicated and deter-
minted for use for park purposes, or are rights or interests in lands
so dedicated or determined, the lands or rights or interests therein
received in exchange therefor by the municipality shall be used for
the same purposes. For purposes of this section, any land or rights
or interests therein to be exchanged by the county or municipality
shall be valued at not less than the amount for which it was acquired
or in the case of an acquisition by gift or devise, in an amount of
not less than the “full and fair value” of the land or rights or
interests therein as determined by the assessor of the municipality
in which it is located pursuant to R. S. 54:4-23 for the tax year in
which the land was acquired by the county or the municipality. Any
land or rights or interests therein which shall be conveyed to the
county or municipality in exchange for any county or municipal
land or rights or interests therein shall be valued at no more than
the “full and fair value” determined for the land or rights or
interests therein by the assessor of the municipality in which the
land or rights or interests therein is located pursuant to R. S.
54:4-23 for the then current tax year. In any case in which the
value of the county or municipal land or rights or interests therein
to be exchanged exceeds the value of the land or rights or interests
therein to be received by the county or municipality, the county or
municipality shall exact additional cash consideration, as author-
ized herein, equal to the difference of the two values as determined
pursuant to this section.

2. This act shall take effect immediately.

Approved February 1, 1972.

C. 2A:115-1.6 Legislature's findings.

1. The Legislature finds that salacious and lascivious material is increasingly available to State residents under 18 years of age, that it is harmful to their mental and moral health because they lack the maturity to cope with it, and that, to help insulate them from it, it is necessary to establish the separate standard of obscenity, designated "material obscene for persons under 18," provided for in this act, and to restrict the sale of such material for the purposes cited herein.

5. The establishment of all the following facts by a defendant in 
a prosecution under this act shall constitute a complete defense to 
the prosecution:

in writing that he or she was 18 years of age or over; and

CHAPTER 449

An Act to amend the title of "An act relating to obscenity, defining the word 'obscene' and providing for the issuance of a judgment granting relief in the nature of injunctive relief by the Superior Court to prevent the acquisition, possession or sale of obscene materials, and supplementing Title 2A of the New Jersey Statutes," approved October 18, 1962 (P. L. 1962, c. 166), so that the same shall read "An act relating to obscenity and providing for the issuance of a judgment granting relief in the nature of injunctive relief by the Superior Court to prevent the acquisition, possession or sale of obscene materials, and supplementing Title 2A of the New Jersey Statutes," supplementing the body of said act, amending P. L. 1962, c. 165, and repealing section 2 of P. L. 1962, c. 166 and section 2 of P. L. 1966, c. 199.
CHAPTER 449, LAWS OF 1971

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Title amended.
1. The title of P. L. 1962, c. 166 is amended to read as follows: An act relating to obscenity and providing for the issuance of a judgment granting relief in the nature of injunctive relief by the Superior Court to prevent the acquisition, possession or sale of obscene materials, and supplementing Title 2A of the New Jersey Statutes.

C. 2A:115-1.1a Legislature's findings.
2. The Legislature finds that the standards of obscenity now enunciated in chapter 115 of Title 2A of the New Jersey Statutes as amended and supplemented in recent years is unnecessarily permissive and a hindrance to effective legal action against obscene matter. The Legislature further finds that such unnecessary permissiveness has resulted from the incorporation into New Jersey Statutes of language from influential opinions authored by certain United States Supreme Court justices; which language, however, does not represent binding majority decisions of the Supreme Court and, accordingly, need not bind the Legislature or the Judiciary of this State. The Legislature further finds that the most recent binding definition of "obscenity" enunciated by the United States Supreme Court is represented by section 1 of chapter 165, laws of 1962, prior to subsequent amendments; and that said subsequent amendments ought to be repealed in order to reestablish a workable definition of "obscenity" within the framework of our statutory law, and that certain other changes should be made in other statutes for the purpose of consistency.

3. Section 1 of P. L. 1962, c. 165 (C. 2A:115-1.1) is amended to read as follows:

C. 2A:115-1.1 "Obscene" defined.
1. The word "obscene" wherever it appears in the chapter to which this act is a supplement shall mean that which to the average person, applying contemporary community standards, when considered as a whole, has as its dominant theme or purpose an appeal to prurient interest.

C. 2A:115-1.1b Repealer.
4. Section 2 of P. L. 1966, c. 199 (C. 2A:115-1.2) and section 2 of P. L. 1962, c. 166 (C. 2A:115-3.4) are repealed.

5. This act shall take effect immediately.
Approved February 16, 1972.

Repealer.

3. Chapter 34 of the laws of 1957 is hereby repealed.

4. This act shall take effect immediately.

Approved February 16, 1972.

(5) Is soliciting funds by mail where the solicitation includes the sending of goods, wares or merchandise not ordered or requested by the recipient and less than 50% of the total amount of the funds so raised is or will be devoted to the purported purposes of the charitable organization.

(b) The Attorney General may exercise the authority granted in this section against any charitable organization which operates under the guise or pretense of being an organization exempted by the provisions of section 5 and is not in fact an organization entitled to such an exemption.

(c) The Superior Court, in any action brought pursuant to this section, shall grant such relief as may be appropriate in the circumstances.

15. The Attorney General shall issue and promulgate such rules and regulations as he may deem necessary and appropriate to carry out the purposes of this act, and may revise, repeal or amend said rules and regulations from time to time as he may deem necessary.

JOINT RESOLUTION No. 3

A JOINT RESOLUTION creating a commission to study the merits of fluoridation of public potable water supplies as a public health measure, and in particular the advisability of making such fluoridation mandatory throughout the State.

WHEREAS, For many years the merits and advisability of the fluoridation of public potable water supplies as a public health measure for the prevention of tooth decay have been the subject of discussion and controversy in communities throughout this State; and,

WHEREAS, After prolonged and exhaustive discussion, and the approval of fluoridation by some communities and its rejection by others, the condition of public opinion in the State on this question remains sharply divided; and,

WHEREAS, While some persons urge fluoridation as a vitally important public health measure, others are as adamantly opposed to it as a danger to the health of some and an affront to the religious and moral convictions of others; and,

WHEREAS, In the heat of debate, the discussion of this issue has suffered from a lack of calm, dispassionate and impartial inquiry; and,

WHEREAS, There is now pending in this Legislature legislation to prohibit the Public Health Council from incorporating mandatory fluoridation of public potable water supplies in the provisions of the State Sanitary Code; now, therefore,

4. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau to it for said purpose, and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary in order to perform its duties and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

5. The commission shall have all the powers provided by the provisions of chapter 13 of Title 52 of the Revised Statutes.

6. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature, and shall report its findings and recommendations

JOINT RESOLUTION No. 6

A JOINT RESOLUTION setting forth the policy of the State of New Jersey relative to the enhancement and improvement of the Passaic river and its environs.

WHEREAS, In August of 1970, the President's Water Pollution Control Advisory Board recommended a massive assault on the problems of water pollution in a major urban industrial river basin to be used as a model for the entire nation; and
JOINT RESOLUTION No. 6

WHEREAS, The Passaic river is a major urban industrial river which flows through 112 townships, boroughs and cities within seven counties in northern New Jersey with a population of more than four million; and

WHEREAS, The Passaic river can be one of the most beautiful rivers in the nation, instead of being one of the ten most polluted rivers in the country; and

WHEREAS, The Federal Government will shortly select one United States river to demonstrate modern technology and governmental-citizen cooperation to recapture the early beauty and vast potential of the selected river; and

WHEREAS, The New Jersey Legislature in cooperation with the Administration of Governor William T. Cahill is determined to forge a model Federal-State-local partnership to demonstrate that the water pollution, water supply, and flood control problems of an urban river can be solved so that citizens may once again enjoy the full benefits of a clean river basin; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The State Department of Environmental Protection is hereby authorized and directed, in cooperation with the Legislature, to develop a comprehensive proposal to achieve the designation of the Passaic river as the national model river.

2. The governing bodies of the affected municipalities and counties, as well as various citizen organizations, are requested to support by resolution and by direct participation the State effort to have the Passaic river designated as the national model river.

3. This joint resolution shall take effect immediately.

Approved June 1, 1971.
A JOINT RESOLUTION designating July 20, 1971, as "Moon Day" in this State.

WHEREAS, On July 20, 1969, at approximately 11:00 p.m., as time is reckoned in this part of the earth, the first human being to set foot upon the moon alighted from the lunar landing module of the Apollo 11 spacecraft; and,

WHEREAS, As the fruit of years of scientific effort and as evidence of the enormous accomplishments of which man is capable through the imaginative use of science and technology, the moon landing of July 20, 1969, ranks with the most significant landmarks in the progress of the human race; and,

WHEREAS, The history of human achievement will record with special honor the names of the first two human beings to set foot upon the moon—Neil A. Aldrin, Jr., a New Jersey native of whom the people of this State are justly proud—and the third member of the Apollo 11 team, Lieutenant Colonel Michael Collins, pilot of the command module; and,

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

EXECUTIVE ORDER No. 13

WHEREAS, Effective and meaningful job training for prison inmates is not available in our correctional institutions; and

WHEREAS, Present restrictive laws prevent those in our institutions from producing useful goods and developing modern skills; and

WHEREAS, Similarly, restrictive laws in professions and occupations often prohibit persons with prison records from obtaining employment upon release from prison; and

WHEREAS, Persons released from prison have little or no preparation for return to the community and, as a consequence, in many instances, return to crime; and

WHEREAS, Neglect of these members of our society is at best, poor economics and, at worst, a tragic disregard of human dignity and resources; and

WHEREAS, A system of vocational education in our correctional institutions can supply invaluable rehabilitation and motivation to develop needed job skills; and

WHEREAS, Ways and means of providing and implementing a worthwhile program of vocational education in our correctional institutions can best be reached by a study commission of interested and concerned citizens of this State who represent a broad cross section of the community;

NOW, THEREFORE, I, William T. Cahill, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby ORDER and DIRECT:

(2143)
1. There is hereby created a Commission on Vocational Education in Correctional Institutions composed of 17 members, all of whom shall be citizens and residents of the State and shall be appointed by and serve at the pleasure of the Governor. Membership of the Commission shall be representative of law enforcement, labor, industry, education and the general community. The term of the Commission shall be one year. Members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties subject to the availability of funds.

2. The Governor shall designate a chairman and executive secretary of the Commission. The chairman shall preside over the meetings and affairs of the Commission and shall create such sub-committees as he deems appropriate to carry out the functions of the Commission. The chairman shall direct any such sub-committee to render such interim reports to the Commission as he determines appropriate. The chairman shall have such further powers and duties as may be conferred upon him by the Governor.

3. The Commission shall conduct a thorough study and investigation as follows:
   (a) Examination of systems of prisoner classification and screening for vocational education programs.
   (b) Review of existing vocational education programs as a rehabilitation modality with a view to expansion.
   (c) Evaluation of present "State use" laws limiting production of goods and service by prisoners.
   (d) Comparative assessment of programs initiated by other states and Federal Government.
   (e) Identification of training areas offering highest job potential for convicts that can be implemented in New Jersey's correctional system.
   (f) Development of ways of continuing liaison and cooperation between the State correctional system and private industry and labor.
   (g) Review of work release programs.
   (h) Consider pre- and post-release vocational guidance and counseling.
   (i) Consider all appropriate areas to provide vocational education reform in the State correctional institutions.

4. The Commission shall render to the Governor such interim reports as it may deem appropriate, or as the Governor may request, and upon completion of its work, the Commission shall
render to the Governor a full report of its findings and recommendations for Vocational Education Reform in Correctional Institutions. The Commission shall proceed promptly with its study and investigation so as to make its final recommendations within a period of one year.

5. Within the limits of funds available therefor, the Commission shall have the power to incur such expenses as may be necessary in order to exercise the powers conferred and to perform the duties imposed by this Order. The Commission may retain such professional personnel and clerical and technical assistants as it may require and may provide for the printing, advertising and publication of its proceedings and all interim and final reports promulgated by the Commission. All expenses incurred shall be approved by the chairman of the Commission and shall be submitted to the Treasurer of the State upon vouchers and warrants.

6. In order to carry out its functions, the Commission is authorized to conduct such public hearings and to solicit such information from the public and any other source as it deems appropriate. Notice of such public hearings shall be given in such manner as the chairman may direct so as to provide an opportunity for interested members of the public to be heard.

7. (a) The Commission is authorized to call upon any department, office, division or agency of the State to supply such statistical data, program reports, and other information or personnel and materials as it deems necessary to discharge its responsibilities under this Order.

(b) Each department, office, division or agency of the State is authorized and directed, to the extent not inconsistent with law, to cooperate with the Commission and to furnish it such information and assistance as it may find necessary in the discharge of its responsibilities under this Order.

8. This Order shall take effect immediately.

Given, under my hand and seal this 19th day of January, in the year of our Lord, one thousand nine hundred and seventy-one, and of the Independence of the United States, the one hundred and ninety-fifth.

/s/ WILLIAM T. CAHILL,
Governor.

Attest:

/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.
WHEREAS, Section 2576 of Title 10 of the United States Code provides for sale by the U. S. Secretary of Defense to State and local law enforcement and firefighting agencies of certain surplus military equipment, including weapons, ammunition, gas masks and protective body armor; and

WHEREAS, Said section further provides for designation by the Governors of the several states of a State Official to certify that requests for such purchases by such agencies within their state are necessary and suitable; and

WHEREAS, The Division of State Police is the agency within the State of New Jersey most familiar with the capabilities of the State and local law enforcement and firefighting agencies and the best qualified to determine their needs and the reasonableness of their requests for such surplus military equipment;

NOW, THEREFORE, I, William T. Cahill, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby ORDER and DIRECT:

1. The Superintendent of State Police in the Department of Law and Public Safety shall have the responsibility of reviewing applications for the purchase of surplus military equipment from the U. S. Secretary of Defense, pursuant to the provisions of Public Law 90-500, Section 2576 of Title 10, United States Code.

2. The Superintendent shall examine such applications to determine whether they comply with the form and procedure prescribed by the Secretary of Defense and shall certify to said Secretary those applications which the Superintendent determines so comply and are necessary and suitable for the operation of the agency making the request therefor.
3. The Superintendent shall establish such rules and regulations as he deems appropriate to carry out the purpose of this Executive Order.

4. This Order shall take effect immediately.

Given, under my hand and seal this 28th day of January, in the year of our Lord, one thousand nine hundred and seventy-one, and of the Independence of the United States, the one hundred and ninety-fifth.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

EXECUTIVE ORDER No. 15

WHEREAS, The State of New Jersey has certain interests and responsibilities in the proper development, management and control of lands located in the Delaware River and Bay Area, including lands offshore, as well as those adjacent thereto; and

WHEREAS, Recently proposals have been made for certain offshore development in the Delaware Bay Area, including a proposal for construction of a facility to permit the offshore transfer of cargoes from oil tankers; and

WHEREAS, Any such use of this area requires thorough and comprehensive study and planning to insure that this valuable resource is most effectively utilized consistent with ecological considerations and that adequate safeguards are provided to protect the environment; and

WHEREAS, The State of Delaware has requested by Senate Joint Resolution No. 13 (1970) for the Governor of the State of Delaware to exercise restraint and thoroughly review and study all the aspects of such proposed development of this area in light of oil catastrophies that have plagued the shorelines of California, Louisiana, Puerto Rico and Great Britain; and
WHEREAS, The said Delaware Senate Joint Resolution No. 13 (1970) recites that the State of Delaware has entered into a compact with this State pursuant to 17 Delaware Code § 1701, et seq. EXECUTIVE ORDER No. 29

WHEREAS, in 1964, the commission created by Joint Resolution No. 7 of that year to study capital punishment and to weigh the need for its continuance or abolition, concluded, although not unanimously, that capital punishment should be retained; it did agree unanimously that the penalty provision involving life imprisonment should be increased so that no one sentenced to life imprisonment would be eligible for parole for a period of at least thirty years; the majority further recommended a review of the subject of capital punishment after the recommended increased penalty for life imprisonment had been in effect for a reasonable period of time; and
WHEREAS, Although an increased penalty for life imprisonment has not been effected as recommended by said commission, there has been increased sentiment favoring abolition of capital punishment since the 1964 study, evidenced, in part, by the steady increase in the number of our sister states that have seen fit to abolish the death penalty in some respect and it is deemed appropriate to again study and review the question of capital punishment;

NOW, THEREFORE, I, William T. Cahill, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby created a commission to be known as the Commission to Study Capital Punishment (hereinafter referred to as the "Commission") composed of nine members, all of whom shall be citizens and residents of the State and shall be appointed by and serve at the pleasure of the Governor. The members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties, subject to the availability of funds therefor.

2. The Governor shall designate a chairman and vice-chairman of the Commission. The chairman shall preside over the meetings and affairs of the Commission and shall have such further powers and duties as may be conferred upon him by the Governor. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

3. The Commission shall organize as soon as may be after the appointment of its members and shall select a secretary who need not be a member of the Commission.

4. It shall be the duty of the Commission to study the subject of capital punishment, to evaluate the conditions under which it has been applied in New Jersey and its relative merits as compared with a purported deleterious moral and social effect. It shall be the further duty of the Commission to inquire into possible effects which abolition of the death penalty may have as a deterrent to certain crimes and on law enforcement and to evaluate the experience in those states and countries which do not have the death penalty. In conducting its studies, the Commission shall be guided by the imperative need of respect for and adherence to the law, and the need for revision of the law toward the end that it shall be compatible with modern moral, social, and scientific concepts.
5. Within the limits of funds available therefor, the Commission shall have the power to incur such expenses as may be necessary in order to exercise the powers conferred and to perform the duties imposed by this Order. Subject to the availability of funds, the Commission may retain such professional personnel and clerical and technical assistants as it may require and may provide for the printing, advertising and publication of its proceedings and all interim and final reports promulgated by the Commission. All expenses incurred shall be approved by the chairman of the Commission and shall be submitted to the Treasurer of the State upon vouchers and warrants.

6. In order to carry out its functions, the Commission is authorized to conduct such public hearings and to solicit such information from the public and other sources as it deems appropriate. Notice of such hearings shall be given in such manner as the chairman may direct so as to provide an opportunity for interested members of the public to be heard.

7. (a) The Commission is authorized to call upon any department, office, division or agency of the State to supply such statistical data, reports and other information or personnel and materials as it deems necessary to discharge its responsibilities under this Order.

(b) Each department, office, division or agency of the State is authorized and directed, to the extent not inconsistent with law, to cooperate with the Commission and to furnish it such information and assistance as it may find necessary in the discharge of its responsibilities under this Order.

8. The Commission shall make its report to the Legislature and to the Governor at the earliest date practical and its report may include recommendations for specific changes in the statutory law relating to the subject of capital punishment.

9. This Order shall take effect immediately.

Given, under my hand and seal this 21st day of October, in the year of our Lord, one thousand nine hundred and seventy-one, and of the Independence of the United States, the one hundred and ninety-sixth.

WHEREAS, The employment and use in the State of nuclear energy is subject to the jurisdiction of several agencies of State government and federal agencies; and

The Council is authorized to encourage the formulation of effective and responsible standards for engineering safeguards and operating practices in connection with the use of nuclear energy which shall assure that such usage minimizes the dangers to the citizens and environment of the State of New Jersey.

4. (a) The Council is hereby authorized to call upon any department, office, division, bureau or agency of the State to supply such assistance, statistical data, material and other information or personnel as it deems necessary to discharge its responsibilities under this Order.

(b) Each department, office, division, bureau or agency of the State is hereby authorized and directed, to the extent not inconsistent with law, to cooperate with the Council and to furnish to it such assistance, material and information as the Council may request of it as necessary in the discharge of its responsibilities under this Order.

5. The Council shall render to the Governor such reports as it may deem appropriate from time to time or as the Governor may request.
